

Thom Reed

1969 Berkshire UFO

**DISCLOSURE
TEAM**

VINCE ADAMS

1
00:00:00,210 --> 00:00:03,830

[Music]

2
00:00:10,270 --> 00:00:06,330

foreign

3
00:00:13,249 --> 00:00:10,280

[Music]

4
00:00:16,129 --> 00:00:13,259

they were complex narratives of being

5
00:00:20,230 --> 00:00:16,139

taken by alien beings into UFOs on beams

6
00:00:30,830 --> 00:00:23,090

the Air Force is trying to cover up with

7
00:00:35,810 --> 00:00:33,290

from my own point of view I'm going to

8
00:00:37,549 --> 00:00:35,820

be very disappointed if UFOs turn out to

9
00:00:38,870 --> 00:00:37,559

be nothing more than visit us from

10
00:00:42,410 --> 00:00:38,880

another planet because I think there

11
00:00:42,420 --> 00:00:45,600

foreign

12
00:01:07,789 --> 00:01:05,149

[Music]

13
00:01:09,649 --> 00:01:07,799

hey everyone how's it going welcome back

14

00:01:12,469 --> 00:01:09,659

to disclosure team

15

00:01:14,270 --> 00:01:12,479

I'm really excited for this one

16

00:01:16,310 --> 00:01:14,280

um I've been familiar with this case for

17

00:01:19,070 --> 00:01:16,320

some time but a couple of years ago

18

00:01:22,850 --> 00:01:19,080

seeing the Netflix show Unsolved

19

00:01:26,090 --> 00:01:22,860

Mysteries uh feature this incident it

20

00:01:27,770 --> 00:01:26,100

really kind of opened it up to me and um

21

00:01:29,929 --> 00:01:27,780

I really can't wait to speak to my

22

00:01:31,910 --> 00:01:29,939

guests tonight and all I'm going to say

23

00:01:34,249 --> 00:01:31,920

before we bring him in is as always

24

00:01:35,270 --> 00:01:34,259

please keep the chat cool calm and

25

00:01:37,670 --> 00:01:35,280

collected

26
00:01:40,310 --> 00:01:37,680
please respect everybody's uh voice and

27
00:01:42,410 --> 00:01:40,320
differences of opinion and uh everything

28
00:01:43,850 --> 00:01:42,420
will be all good from there it's good to

29
00:01:45,530 --> 00:01:43,860
see so many of you in the live chat

30
00:01:47,330 --> 00:01:45,540
already if you have any questions

31
00:01:48,830 --> 00:01:47,340
throughout the interview please pop them

32
00:01:50,810 --> 00:01:48,840
in capital letters or if you're feeling

33
00:01:53,270 --> 00:01:50,820
generous super chats are always always

34
00:01:56,749 --> 00:01:53,280
welcome and uh any support that is given

35
00:02:00,170 --> 00:01:56,759
is so so appreciated so thank you guys

36
00:02:01,490 --> 00:02:00,180
let's jump straight into it I uh I want

37
00:02:03,889 --> 00:02:01,500
to get this going straight away because

38
00:02:07,850 --> 00:02:03,899

we've got a lot to cover so please

39

00:02:09,889 --> 00:02:07,860

welcome Tom Reed how are you hey man

40

00:02:11,210 --> 00:02:09,899

thanks for having me buddy oh it's my

41

00:02:12,290 --> 00:02:11,220

pleasure you know I've been sort of

42

00:02:13,910 --> 00:02:12,300

speaking with you briefly in the

43

00:02:15,830 --> 00:02:13,920

background for a little while and and

44

00:02:17,510 --> 00:02:15,840

planning this interview and so yeah I'm

45

00:02:19,309 --> 00:02:17,520

just so glad that the day's here and we

46

00:02:20,630 --> 00:02:19,319

get to have this discussion so yeah I've

47

00:02:22,610 --> 00:02:20,640

been looking forward to it you know it

48

00:02:24,710 --> 00:02:22,620

was kind of a unique thing uh you're in

49

00:02:26,510 --> 00:02:24,720

Sheffield England and our case was in

50

00:02:28,850 --> 00:02:26,520

Sheffield Massachusetts and we have a

51
00:02:31,130 --> 00:02:28,860
common friend with a with Toby and Tim

52
00:02:33,229 --> 00:02:31,140
and and so yeah this is one I was

53
00:02:35,150 --> 00:02:33,239
looking forward to so once again uh yeah

54
00:02:37,309 --> 00:02:35,160
thanks for having me man like I said my

55
00:02:38,930 --> 00:02:37,319
pleasure my pleasure well listen Tom I

56
00:02:41,030 --> 00:02:38,940
guess the the initial thing I'd like to

57
00:02:42,530 --> 00:02:41,040
do is for anybody that's not familiar

58
00:02:46,009 --> 00:02:42,540
with with the case and what actually

59
00:02:47,990 --> 00:02:46,019
happened back in 1969 September and if

60
00:02:49,970 --> 00:02:48,000
you wouldn't mind just starting and sort

61
00:02:50,990 --> 00:02:49,980
of laying out the incident for us to

62
00:02:53,089 --> 00:02:51,000
give us an overview I'd really

63
00:02:55,309 --> 00:02:53,099

appreciate that yeah sure

64

00:02:58,190 --> 00:02:55,319

um I guess the key things are that we uh

65

00:03:00,110 --> 00:02:58,200

we owned a diner and um

66

00:03:01,910 --> 00:03:00,120

the diner itself kind of made history

67

00:03:04,130 --> 00:03:01,920

that's kind of how our case made history

68

00:03:05,869 --> 00:03:04,140

was not through our family so much but

69

00:03:08,030 --> 00:03:05,879

through our diner because that's where

70

00:03:12,050 --> 00:03:08,040

people talked about what they were

71

00:03:14,750 --> 00:03:12,060

seeing and uh but we were diagonally

72

00:03:17,330 --> 00:03:14,760

across the street from a racetrack okay

73

00:03:19,430 --> 00:03:17,340

and this is back in the 60s during the

74

00:03:22,130 --> 00:03:19,440

the race to the moon you know the space

75

00:03:25,610 --> 00:03:22,140

race and all that and so either you were

76

00:03:27,470 --> 00:03:25,620

a farmer or for the most part or you

77

00:03:29,210 --> 00:03:27,480

worked at one of the government-funded

78

00:03:33,050 --> 00:03:29,220

manufacturing facilities like Sprague

79

00:03:34,670 --> 00:03:33,060

electric or GE or command Aerospace or

80

00:03:36,229 --> 00:03:34,680

Pratt Whitney whatever it was and a lot

81

00:03:39,890 --> 00:03:36,239

of people don't realize this either but

82

00:03:41,570 --> 00:03:39,900

uh NASA used to be in Massachusetts I

83

00:03:44,570 --> 00:03:41,580

mean they still are to this day but they

84

00:03:46,789 --> 00:03:44,580

were across the street from MIT and

85

00:03:48,830 --> 00:03:46,799

Boston was only a couple hours away so

86

00:03:52,490 --> 00:03:48,840

you had all this money being funded by

87

00:03:54,470 --> 00:03:52,500

the US government to NASA to other

88

00:03:57,410 --> 00:03:54,480

manufacturing facilities in and around

89

00:04:00,530 --> 00:03:57,420

the Berkshires where our diner sat

90

00:04:02,390 --> 00:04:00,540

um to make all these capacitors whatever

91

00:04:05,089 --> 00:04:02,400

it was that the government needed to

92

00:04:07,369 --> 00:04:05,099

beat Russia to the Moon okay

93

00:04:08,750 --> 00:04:07,379

and because the racetrack was diagonally

94

00:04:10,610 --> 00:04:08,760

across the street a lot of those people

95

00:04:12,170 --> 00:04:10,620

ate in our diner that worked on the

96

00:04:13,789 --> 00:04:12,180

Goodwill message that was left on the

97

00:04:16,069 --> 00:04:13,799

moon and or

98

00:04:18,229 --> 00:04:16,079

worked in and around the Space Race So

99

00:04:20,330 --> 00:04:18,239

when UFOs were seen in the area it was

100

00:04:23,030 --> 00:04:20,340

talked about in our diner because it was

101
00:04:24,409 --> 00:04:23,040
a secret space program so they couldn't

102
00:04:26,510 --> 00:04:24,419
really talk about it while they were

103
00:04:28,490 --> 00:04:26,520
shopping right they it was like kind of

104
00:04:31,310 --> 00:04:28,500
in church right like you know you could

105
00:04:32,689 --> 00:04:31,320
talk about God in church but you're not

106
00:04:35,450 --> 00:04:32,699
going to have a conversation with god

107
00:04:38,870 --> 00:04:35,460
you know in appliances at you know Best

108
00:04:42,050 --> 00:04:38,880
Buy right because right yeah yeah right

109
00:04:44,810 --> 00:04:42,060
so that's kind of was our family's Diner

110
00:04:47,090 --> 00:04:44,820
so in and around this time

111
00:04:49,490 --> 00:04:47,100
um we were uh I was helping my family

112
00:04:51,530 --> 00:04:49,500
close up the diner and there were

113
00:04:54,170 --> 00:04:51,540

already been sightings in the area we

114

00:04:55,969 --> 00:04:54,180

were already privy to some of that but

115

00:04:58,189 --> 00:04:55,979

this particular night was extremely hot

116

00:04:59,930 --> 00:04:58,199

and it was a holiday so a lot of people

117

00:05:02,510 --> 00:04:59,940

were outside barbecues that kind of

118

00:05:05,030 --> 00:05:02,520

thing uh there were parades so a lot of

119

00:05:07,550 --> 00:05:05,040

people saw what we were involved with

120

00:05:09,530 --> 00:05:07,560

that probably wouldn't have seen that if

121

00:05:11,689 --> 00:05:09,540

it wasn't a holiday so all these things

122

00:05:12,590 --> 00:05:11,699

like lined up right so we're leaving a

123

00:05:15,050 --> 00:05:12,600

diner

124

00:05:17,450 --> 00:05:15,060

going through this bridge that everybody

125

00:05:20,330 --> 00:05:17,460

pretty much knows about

126
00:05:22,730 --> 00:05:20,340
when entering the bridge my grandmother

127
00:05:25,730 --> 00:05:22,740
immediately said that there was too much

128
00:05:26,990 --> 00:05:25,740
light for the headlights in our car just

129
00:05:28,850 --> 00:05:27,000
something didn't look right it was all

130
00:05:31,249 --> 00:05:28,860
lit up there was like lights coming

131
00:05:32,990 --> 00:05:31,259
through the planks and the floor if you

132
00:05:34,969 --> 00:05:33,000
would or the you know the bottom of the

133
00:05:38,090 --> 00:05:34,979
bridge sure and so when she came out the

134
00:05:39,409 --> 00:05:38,100
other side she had turned around to say

135
00:05:40,969 --> 00:05:39,419
something to me because I was giving my

136
00:05:42,350 --> 00:05:40,979
brother a candy and stuff and he was too

137
00:05:45,710 --> 00:05:42,360
young she thought he could choke kind of

138
00:05:49,670 --> 00:05:45,720

thing and in doing so she saw this

139

00:05:53,810 --> 00:05:49,680

sphere this white silver whitish type of

140

00:05:55,730 --> 00:05:53,820

sphere that was rising up from the banks

141

00:05:57,110 --> 00:05:55,740

of the river it didn't come out of the

142

00:05:58,670 --> 00:05:57,120

water I don't know where it came from by

143

00:06:00,890 --> 00:05:58,680

the time I saw it it was already higher

144

00:06:04,010 --> 00:06:00,900

than our car right there was another

145

00:06:06,710 --> 00:06:04,020

sphere to our right which was orange and

146

00:06:08,870 --> 00:06:06,720

it looked to be moving on the inside was

147

00:06:12,230 --> 00:06:08,880

like a like a roll to it or something

148

00:06:14,330 --> 00:06:12,240

but we kind of split the two so we had

149

00:06:16,249 --> 00:06:14,340

uh this white sphere which was higher up

150

00:06:18,290 --> 00:06:16,259

and this one that was like orange lower

151
00:06:20,330 --> 00:06:18,300
to the water they were both over water

152
00:06:22,969 --> 00:06:20,340
but one was much higher than the other

153
00:06:24,770 --> 00:06:22,979
as we are going straight this one kind

154
00:06:26,450 --> 00:06:24,780
of went behind a line of trees and kind

155
00:06:27,529 --> 00:06:26,460
of went in the same direction as our car

156
00:06:30,110 --> 00:06:27,539
right

157
00:06:31,430 --> 00:06:30,120
and I I think Ancient Aliens did a

158
00:06:33,830 --> 00:06:31,440
pretty good job on this

159
00:06:34,670 --> 00:06:33,840
um this part of it as did berkshire's

160
00:06:37,309 --> 00:06:34,680
UFO

161
00:06:39,110 --> 00:06:37,319
but what a lot of people leave out is

162
00:06:41,510 --> 00:06:39,120
that there were three objects

163
00:06:43,850 --> 00:06:41,520

so if you watch Ancient Aliens they show

164

00:06:45,469 --> 00:06:43,860

the sphere you know and if you watch

165

00:06:48,770 --> 00:06:45,479

Unsolved Mysteries they show something

166

00:06:51,770 --> 00:06:48,780

different so there were three

167

00:06:53,330 --> 00:06:51,780

and by the time we split those two it

168

00:06:55,370 --> 00:06:53,340

went down this narrow dirt road which

169

00:06:57,290 --> 00:06:55,380

used to be for emergency vehicles and

170

00:07:00,350 --> 00:06:57,300

horse and buggy I mean this is a long

171

00:07:02,330 --> 00:07:00,360

time ago sure my mother found like a

172

00:07:05,390 --> 00:07:02,340

spot to pull over which was near a

173

00:07:07,550 --> 00:07:05,400

telephone pole or the utility trucks had

174

00:07:10,070 --> 00:07:07,560

been just developing this road

175

00:07:12,050 --> 00:07:10,080

and so she pulled off to the right and

176

00:07:13,550 --> 00:07:12,060

as she started to pull off to the right

177

00:07:16,010 --> 00:07:13,560

because we were going to stop and try to

178

00:07:18,110 --> 00:07:16,020

find this white sphere that we had seen

179

00:07:19,670 --> 00:07:18,120

that's what we were looking for

180

00:07:21,890 --> 00:07:19,680

all of a sudden it felt like we were

181

00:07:23,450 --> 00:07:21,900

deep underwater I'll never forget it it

182

00:07:25,670 --> 00:07:23,460

was like you know when you dive into a

183

00:07:27,110 --> 00:07:25,680

pool or you're in a in the ocean or a

184

00:07:29,870 --> 00:07:27,120

lake and you dive to there's this

185

00:07:32,629 --> 00:07:29,880

pressure around your body yeah that's

186

00:07:34,309 --> 00:07:32,639

what we felt and it was like everywhere

187

00:07:36,350 --> 00:07:34,319

it was just like man it was like

188

00:07:38,930 --> 00:07:36,360

restricting and then

189

00:07:40,909 --> 00:07:38,940

you know the sounds of life kind of came

190

00:07:42,830 --> 00:07:40,919

to a stop there was no more Breeze no

191

00:07:45,550 --> 00:07:42,840

more crickets no more

192

00:07:48,950 --> 00:07:45,560

anything you know um You didn't hear any

193

00:07:51,589 --> 00:07:48,960

branches rustling or just dead quiet

194

00:07:55,730 --> 00:07:51,599

very surreal and then it was this flashy

195

00:07:57,290 --> 00:07:55,740

light and you know it it was just the

196

00:07:59,330 --> 00:07:57,300

strain all these things were happening

197

00:08:01,430 --> 00:07:59,340

within like maybe a two minute period

198

00:08:03,230 --> 00:08:01,440

and during that time we were actually

199

00:08:05,570 --> 00:08:03,240

looking out the window so we're feeling

200

00:08:06,950 --> 00:08:05,580

this hearing this tapping sound all

201
00:08:09,050 --> 00:08:06,960
while we're looking out the window and

202
00:08:11,330 --> 00:08:09,060
that's when this saucer type thing came

203
00:08:13,129 --> 00:08:11,340
into the view of us now maybe it was

204
00:08:14,990 --> 00:08:13,139
there all along we didn't see it I don't

205
00:08:17,029 --> 00:08:15,000
know how it got there I just remember

206
00:08:20,330 --> 00:08:17,039
seeing like the front of it was like

207
00:08:22,189 --> 00:08:20,340
emitting like a reddish amber tint on

208
00:08:24,409 --> 00:08:22,199
the top only not the bottom

209
00:08:26,689 --> 00:08:24,419
and it was only on part of it

210
00:08:28,189 --> 00:08:26,699
and this thing actually didn't have like

211
00:08:29,930 --> 00:08:28,199
landing gear I don't remember seeing

212
00:08:32,930 --> 00:08:29,940
windows I don't remember seeing anything

213
00:08:34,130 --> 00:08:32,940

it was just it was about 100 yards in

214

00:08:35,870 --> 00:08:34,140

length

215

00:08:37,610 --> 00:08:35,880

I always thought it was you know pretty

216

00:08:39,829 --> 00:08:37,620

big anyway but when Jan green talked

217

00:08:41,570 --> 00:08:39,839

about it when we you know talked over uh

218

00:08:43,010 --> 00:08:41,580

Unsolved Mysteries she was the same

219

00:08:45,949 --> 00:08:43,020

thing she was so close to it she

220

00:08:47,329 --> 00:08:45,959

couldn't see end to end and so this I've

221

00:08:49,250 --> 00:08:47,339

gone back and I've looked at where the

222

00:08:52,250 --> 00:08:49,260

trees were and it was a good hundred

223

00:08:56,269 --> 00:08:52,260

yards in size this thing was big wow and

224

00:08:58,009 --> 00:08:56,279

it looked like a turtle shell to me you

225

00:09:00,769 --> 00:08:58,019

know as a kid I remember I referenced

226

00:09:02,990 --> 00:09:00,779

things as what how they hit me you know

227

00:09:04,370 --> 00:09:03,000

what I think about when I picture it it

228

00:09:06,949 --> 00:09:04,380

looked like a turtle shell but the side

229

00:09:09,110 --> 00:09:06,959

of it also had like lines in it like um

230

00:09:12,110 --> 00:09:09,120

almost like a snake skin

231

00:09:14,750 --> 00:09:12,120

and the middle of it was a lot wider and

232

00:09:17,030 --> 00:09:14,760

thicker than the top and the bottom so

233

00:09:18,230 --> 00:09:17,040

the middle of it was like this big like

234

00:09:20,870 --> 00:09:18,240

a tire

235

00:09:24,530 --> 00:09:20,880

you know like a tread on it you know

236

00:09:26,050 --> 00:09:24,540

and so it was probably 80 degrees that

237

00:09:27,949 --> 00:09:26,060

night

238

00:09:30,670 --> 00:09:27,959

when it should have been more like

239

00:09:32,930 --> 00:09:30,680

typical weather might have been 45.

240

00:09:35,930 --> 00:09:32,940

super hot night

241

00:09:37,730 --> 00:09:35,940

holiday the windows were open there was

242

00:09:39,650 --> 00:09:37,740

no gleam or reflection on anything

243

00:09:42,110 --> 00:09:39,660

because we didn't have air conditioning

244

00:09:44,210 --> 00:09:42,120

in the car and so now we're in the

245

00:09:46,490 --> 00:09:44,220

middle of three objects so I've had a

246

00:09:49,009 --> 00:09:46,500

lot of time to talk about this and and

247

00:09:51,350 --> 00:09:49,019

try to make sense of what was happening

248

00:09:55,250 --> 00:09:51,360

at the show period of time

249

00:09:57,889 --> 00:09:55,260

so if this picture a clock so this craft

250

00:10:01,970 --> 00:09:57,899

was probably at nine o'clock

251
00:10:04,430 --> 00:10:01,980
the sphere that we saw was around six

252
00:10:08,090 --> 00:10:04,440
o'clock seven o'clock and then the other

253
00:10:11,090 --> 00:10:08,100
one would have been around you know

254
00:10:13,750 --> 00:10:11,100
five o'clock okay so we were in the

255
00:10:16,610 --> 00:10:13,760
middle of three objects that were

256
00:10:19,490 --> 00:10:16,620
maneuvering all at the same time doing

257
00:10:20,930 --> 00:10:19,500
something so we thought you know

258
00:10:23,449 --> 00:10:20,940
afterwards we look back at this that

259
00:10:25,730 --> 00:10:23,459
maybe there was a communication going on

260
00:10:28,490 --> 00:10:25,740
and we were in the middle

261
00:10:31,370 --> 00:10:28,500
of this communication and why we felt

262
00:10:32,990 --> 00:10:31,380
the way we did yeah because again there

263
00:10:35,570 --> 00:10:33,000

was this you heard

264

00:10:38,690 --> 00:10:35,580

like stones hitting uh underneath the

265

00:10:41,389 --> 00:10:38,700

fender wall and then like I said that

266

00:10:44,750 --> 00:10:41,399

pressure and then everything went silent

267

00:10:47,269 --> 00:10:44,760

and then that flashlight and this

268

00:10:49,069 --> 00:10:47,279

eruption of crickets came out of nowhere

269

00:10:53,470 --> 00:10:49,079

and that's the last thing I remember

270

00:10:58,069 --> 00:10:56,030

right but then did you feel like at any

271

00:10:59,990 --> 00:10:58,079

point that you or looking back do you

272

00:11:02,030 --> 00:11:00,000

feel like you'd left the vehicle and

273

00:11:03,410 --> 00:11:02,040

gone somewhere else oh I remember where

274

00:11:04,730 --> 00:11:03,420

I was and everything or at least part of

275

00:11:06,350 --> 00:11:04,740

it you know

276

00:11:08,329 --> 00:11:06,360

um we weren't in the car anymore you

277

00:11:11,210 --> 00:11:08,339

know all all four of us I mean it was my

278

00:11:13,970 --> 00:11:11,220

mother my mother had been driving my

279

00:11:16,310 --> 00:11:13,980

grandmother was in the passenger seat my

280

00:11:19,370 --> 00:11:16,320

younger brother Matthew was to my right

281

00:11:20,930 --> 00:11:19,380

and at the time we were going home we

282

00:11:24,290 --> 00:11:20,940

were like our own conversation we were

283

00:11:26,150 --> 00:11:24,300

talking and then the all these you know

284

00:11:28,430 --> 00:11:26,160

vessels if you will or whatever it was

285

00:11:29,870 --> 00:11:28,440

we were part of kind of just captivated

286

00:11:31,970 --> 00:11:29,880

all of us I don't remember any

287

00:11:33,410 --> 00:11:31,980

conversation after that except all

288

00:11:35,090 --> 00:11:33,420

staring at this thing and I think my mom

289

00:11:37,970 --> 00:11:35,100

said at one time you know what the hell

290

00:11:39,650 --> 00:11:37,980

is that and that was about it and then

291

00:11:41,930 --> 00:11:39,660

everything just went

292

00:11:43,850 --> 00:11:41,940

um almost surreal like uh

293

00:11:45,889 --> 00:11:43,860

you know like we really weren't there

294

00:11:48,290 --> 00:11:45,899

you know almost like it was almost a

295

00:11:49,970 --> 00:11:48,300

dimensional feeling but at the same time

296

00:11:51,470 --> 00:11:49,980

we felt something so if it was

297

00:11:53,389 --> 00:11:51,480

dimensional we wouldn't have felt

298

00:11:55,130 --> 00:11:53,399

something I guess it's confusing as to

299

00:11:57,470 --> 00:11:55,140

what happened because that's why I go

300

00:11:59,810 --> 00:11:57,480

what really happened to us because if it

301
00:12:02,090 --> 00:11:59,820
was something where we were maybe being

302
00:12:04,130 --> 00:12:02,100
in the process of something happening

303
00:12:06,769 --> 00:12:04,140
happening to us to move us somewhere or

304
00:12:08,810 --> 00:12:06,779
however that would be why would you feel

305
00:12:10,970 --> 00:12:08,820
that you know

306
00:12:13,490 --> 00:12:10,980
um and all of us felt it and the next

307
00:12:16,850 --> 00:12:13,500
thing I remember I'm like on a on like a

308
00:12:18,829 --> 00:12:16,860
table type of thing like uh with uh I'm

309
00:12:20,690 --> 00:12:18,839
sitting on something in a large open

310
00:12:22,970 --> 00:12:20,700
area that was much larger than what I

311
00:12:24,710 --> 00:12:22,980
saw and that again that's why I say you

312
00:12:27,769 --> 00:12:24,720
know people say well you're you know

313
00:12:29,810 --> 00:12:27,779

abducted right well I wasn't on the ship

314

00:12:32,569 --> 00:12:29,820

I wasn't on the craft because where I

315

00:12:35,569 --> 00:12:32,579

was was a lot bigger than what I saw

316

00:12:37,610 --> 00:12:35,579

right give me a fit three or four crafts

317

00:12:38,990 --> 00:12:37,620

and where I where I was

318

00:12:41,889 --> 00:12:39,000

and

319

00:12:44,990 --> 00:12:41,899

so I have no idea

320

00:12:46,190 --> 00:12:45,000

I can only surmise I think it was like

321

00:12:48,230 --> 00:12:46,200

um I've said it would look like an

322

00:12:49,730 --> 00:12:48,240

airplane Hangar uh maybe it was

323

00:12:51,530 --> 00:12:49,740

something governmental underground

324

00:12:53,150 --> 00:12:51,540

because there was a Nike missile sized

325

00:12:55,490 --> 00:12:53,160

the Minutemen missile sites you know you

326

00:12:58,730 --> 00:12:55,500

had the NORAD Towers there

327

00:13:00,470 --> 00:12:58,740

you know I where I don't know sure you

328

00:13:03,530 --> 00:13:00,480

know I really don't know where I was you

329

00:13:06,410 --> 00:13:03,540

know but I can say this that I had slid

330

00:13:07,970 --> 00:13:06,420

off and jumped onto the what looked like

331

00:13:09,410 --> 00:13:07,980

an asphalt floor

332

00:13:10,910 --> 00:13:09,420

I don't remember anything other than

333

00:13:12,110 --> 00:13:10,920

that no carpet or anything I just

334

00:13:15,829 --> 00:13:12,120

remember this

335

00:13:18,230 --> 00:13:15,839

blank floor yeah and uh

336

00:13:22,210 --> 00:13:18,240

I was grabbed by my left arm

337

00:13:24,949 --> 00:13:22,220

and it hurt and I was taken out a door

338

00:13:26,269 --> 00:13:24,959

by this individual I don't really

339

00:13:28,250 --> 00:13:26,279

remember what he looked like I just it

340

00:13:30,530 --> 00:13:28,260

was a long time ago I don't remember

341

00:13:32,810 --> 00:13:30,540

um but it hurt it was strong

342

00:13:36,050 --> 00:13:32,820

and then um I was taking down this

343

00:13:39,170 --> 00:13:36,060

hallway with very high walls I'd say

344

00:13:42,230 --> 00:13:39,180

that um you know 12 to 15 foot walls

345

00:13:44,870 --> 00:13:42,240

there everything was white very narrow

346

00:13:46,490 --> 00:13:44,880

at the end of the hallway I was taken to

347

00:13:48,650 --> 00:13:46,500

the left I remember the hallways I don't

348

00:13:50,150 --> 00:13:48,660

remember anything very cool I don't

349

00:13:53,030 --> 00:13:50,160

remember anything it looked very

350

00:13:54,530 --> 00:13:53,040

Elementary very industrial to me and

351
00:13:56,810 --> 00:13:54,540
then when I was brought into this room

352
00:13:57,829 --> 00:13:56,820
off to the right I was to sit on this

353
00:13:59,750 --> 00:13:57,839
table

354
00:14:01,730 --> 00:13:59,760
and the wall in front of me was all like

355
00:14:04,670 --> 00:14:01,740
glass block if you remember glass block

356
00:14:06,889 --> 00:14:04,680
homes had it way back when

357
00:14:09,350 --> 00:14:06,899
um in front of me and it kind of bowed

358
00:14:10,910 --> 00:14:09,360
like a coffee can or something and there

359
00:14:12,769 --> 00:14:10,920
was a pocket to the left and a pocket to

360
00:14:14,449 --> 00:14:12,779
the right where you could go out into

361
00:14:17,810 --> 00:14:14,459
another area

362
00:14:21,110 --> 00:14:17,820
now I was on this table

363
00:14:24,310 --> 00:14:21,120

and looking straight ahead

364

00:14:28,129 --> 00:14:24,320

and that's when I saw what uh yes Theory

365

00:14:30,530 --> 00:14:28,139

had introduced on the show this is what

366

00:14:33,470 --> 00:14:30,540

Omar was holding

367

00:14:36,769 --> 00:14:33,480

and there were two insect looking beans

368

00:14:38,329 --> 00:14:36,779

to my left that had what looked like

369

00:14:41,689 --> 00:14:38,339

bamboo legs

370

00:14:45,769 --> 00:14:41,699

uh very thin bamboo-like arms or limbs

371

00:14:48,290 --> 00:14:45,779

uh the center looked like uh you know

372

00:14:50,210 --> 00:14:48,300

like a whitish gray

373

00:14:51,650 --> 00:14:50,220

um and they were facing a wall so the

374

00:14:53,090 --> 00:14:51,660

two of them were facing a wall they were

375

00:14:55,490 --> 00:14:53,100

only about six eight inches away from

376

00:14:57,230 --> 00:14:55,500

the wall so whatever it was they were

377

00:14:58,970 --> 00:14:57,240

doing they were looking at something in

378

00:15:02,269 --> 00:14:58,980

this space you know

379

00:15:04,790 --> 00:15:02,279

I jumped off the table I was coming in

380

00:15:07,189 --> 00:15:04,800

and I was a one minute I was like

381

00:15:09,170 --> 00:15:07,199

feeling okay then the next minute I was

382

00:15:11,509 --> 00:15:09,180

um anxious and then I was calm again I

383

00:15:13,490 --> 00:15:11,519

was anxious and my emotions were all

384

00:15:15,110 --> 00:15:13,500

over the place and I ran out the right

385

00:15:17,269 --> 00:15:15,120

side of this opening

386

00:15:19,670 --> 00:15:17,279

and I walked in I ran or walked whatever

387

00:15:21,410 --> 00:15:19,680

into this huge open area that was larger

388

00:15:23,629 --> 00:15:21,420

than like an empty Walmart

389

00:15:25,310 --> 00:15:23,639

but it was around the big whole area

390

00:15:26,930 --> 00:15:25,320

looked around and there were three

391

00:15:28,430 --> 00:15:26,940

hallways that came into it there was one

392

00:15:30,230 --> 00:15:28,440

right across the way from me there was

393

00:15:32,629 --> 00:15:30,240

one to the right and it was a wide one

394

00:15:34,910 --> 00:15:32,639

to the left so it looked like a y with

395

00:15:37,670 --> 00:15:34,920

the bottom of the Y being about as wide

396

00:15:39,889 --> 00:15:37,680

as a four-lane road and the other maybe

397

00:15:43,129 --> 00:15:39,899

a single or double lane road

398

00:15:45,470 --> 00:15:43,139

and I was immediately brought back in

399

00:15:48,290 --> 00:15:45,480

I was put on this table

400

00:15:51,769 --> 00:15:48,300

and apparatus came down from the ceiling

401

00:15:54,470 --> 00:15:51,779

it's separated into two parts

402

00:15:56,990 --> 00:15:54,480

where I was sitting Rose I was laying

403

00:16:01,069 --> 00:15:57,000

down they came over me I don't remember

404

00:16:03,230 --> 00:16:01,079

having clothes on at that point

405

00:16:06,050 --> 00:16:03,240

um they were what looked like uh large

406

00:16:08,030 --> 00:16:06,060

packs of raisins

407

00:16:09,110 --> 00:16:08,040

that were affixed to my body on the left

408

00:16:12,350 --> 00:16:09,120

side

409

00:16:18,590 --> 00:16:15,650

you know there was movement there were

410

00:16:19,310 --> 00:16:18,600

other individuals if you were there

411

00:16:25,610 --> 00:16:19,320

um

412

00:16:28,009 --> 00:16:25,620

that I remember being back I could hear

413

00:16:30,650 --> 00:16:28,019

my mother I think it was my mom yelling

414

00:16:31,970 --> 00:16:30,660

family members yelling right

415

00:16:34,730 --> 00:16:31,980

um

416

00:16:35,930 --> 00:16:34,740

I don't remember my brother so much

417

00:16:37,850 --> 00:16:35,940

um although he remembers a lot of

418

00:16:38,930 --> 00:16:37,860

attention to his foot he had a brace on

419

00:16:41,990 --> 00:16:38,940

his leg

420

00:16:45,710 --> 00:16:42,000

okay so that's brought back into the

421

00:16:47,210 --> 00:16:45,720

area the hangar where I first was

422

00:16:48,290 --> 00:16:47,220

and then I remember being back in the

423

00:16:55,189 --> 00:16:48,300

car

424

00:16:56,689 --> 00:16:55,199

we all came two at different times but

425

00:16:59,269 --> 00:16:56,699

what was interesting is my grandmother

426

00:17:01,550 --> 00:16:59,279

was now in the driver's seat

427

00:17:03,470 --> 00:17:01,560

my mother was now in the passenger seat

428

00:17:05,090 --> 00:17:03,480

my brother and I were in the same

429

00:17:07,370 --> 00:17:05,100

positions in the back

430

00:17:09,230 --> 00:17:07,380

the only one who was awake at the time

431

00:17:10,789 --> 00:17:09,240

or the first one to be awake was my

432

00:17:12,710 --> 00:17:10,799

grandmother Marion

433

00:17:14,210 --> 00:17:12,720

and she didn't typically drive you know

434

00:17:16,449 --> 00:17:14,220

back in the days you know they didn't

435

00:17:20,630 --> 00:17:16,459

you know just didn't drive much you know

436

00:17:23,210 --> 00:17:20,640

a license but didn't have a car so now

437

00:17:24,890 --> 00:17:23,220

she's gotta go get help

438

00:17:26,510 --> 00:17:24,900

is the way she wore it I need help you

439

00:17:27,949 --> 00:17:26,520

know my mom's not responding to me the

440

00:17:30,230 --> 00:17:27,959

children aren't waking up I don't know

441

00:17:31,730 --> 00:17:30,240

what just happened so she tries to turn

442

00:17:32,870 --> 00:17:31,740

the station wagon around to go back to

443

00:17:35,210 --> 00:17:32,880

town but there's really nowhere to turn

444

00:17:37,250 --> 00:17:35,220

around it's this narrow dirt road so she

445

00:17:39,289 --> 00:17:37,260

went down a dirt road found a spot went

446

00:17:40,970 --> 00:17:39,299

back to town which probably took about

447

00:17:43,070 --> 00:17:40,980

four or five minutes none of us were

448

00:17:44,510 --> 00:17:43,080

awake yet we were all still out she was

449

00:17:46,970 --> 00:17:44,520

the only one awake

450

00:17:48,409 --> 00:17:46,980

she goes into town and goes flying by

451

00:17:51,110 --> 00:17:48,419

silks which is where she eventually

452

00:17:53,330 --> 00:17:51,120

stopped she missed the entrance went

453

00:17:54,710 --> 00:17:53,340

around pulled back around to Silks to

454

00:17:57,710 --> 00:17:54,720

get out to go in

455

00:18:00,529 --> 00:17:57,720

when she got out I was just coming to

456

00:18:02,330 --> 00:18:00,539

myself and I remember seeing her through

457

00:18:04,610 --> 00:18:02,340

the windshield of the car

458

00:18:06,169 --> 00:18:04,620

as she was about to walk into Silk's

459

00:18:08,270 --> 00:18:06,179

convenience store which was near our

460

00:18:11,270 --> 00:18:08,280

diner right

461

00:18:14,210 --> 00:18:11,280

so she starts to walk up the steps

462

00:18:16,310 --> 00:18:14,220

I get out and I'm yelling nana nana

463

00:18:20,330 --> 00:18:16,320

you know

464

00:18:22,549 --> 00:18:20,340

she goes in I follow her and she walks

465

00:18:24,409 --> 00:18:22,559

right by the clerk and goes to the back

466

00:18:25,610 --> 00:18:24,419

of the store where there were bikes and

467

00:18:26,870 --> 00:18:25,620

strollers and all kinds of different

468

00:18:28,970 --> 00:18:26,880

things

469

00:18:30,350 --> 00:18:28,980

I'm trying to grab her arm I'm calling

470

00:18:33,950 --> 00:18:30,360

her

471

00:18:35,390 --> 00:18:33,960

um you know she uh wasn't really making

472

00:18:37,010 --> 00:18:35,400

any sense I don't know if I was making

473

00:18:39,110 --> 00:18:37,020

any sense the clerk noticed that

474

00:18:42,110 --> 00:18:39,120

something's off

475

00:18:44,510 --> 00:18:42,120

um they talk for a moment but the the

476
00:18:46,730 --> 00:18:44,520
police never showed up the paramedics

477
00:18:49,669 --> 00:18:46,740
never showed up uh

478
00:18:52,970 --> 00:18:49,679
so I guess what I'm trying to say is she

479
00:18:55,250 --> 00:18:52,980
was went there to ask for help but what

480
00:18:57,049 --> 00:18:55,260
do you asked for help for right and by

481
00:19:00,230 --> 00:18:57,059
the time they got involved I think she

482
00:19:01,850 --> 00:19:00,240
felt embarrassed to say what happened

483
00:19:03,770 --> 00:19:01,860
the police we didn't know it at the time

484
00:19:06,350 --> 00:19:03,780
but the police were already out looking

485
00:19:08,330 --> 00:19:06,360
for this object that we had encountered

486
00:19:09,350 --> 00:19:08,340
because it was already one over the

487
00:19:11,750 --> 00:19:09,360
radio

488
00:19:12,890 --> 00:19:11,760

we didn't know it if we had said

489

00:19:15,350 --> 00:19:12,900

something it probably would have made a

490

00:19:17,690 --> 00:19:15,360

big difference but you know and the way

491

00:19:20,330 --> 00:19:17,700

things happened or we were treated later

492

00:19:22,250 --> 00:19:20,340

but it didn't make any sense I mean it

493

00:19:24,230 --> 00:19:22,260

was just like we just I remember

494

00:19:26,450 --> 00:19:24,240

standing there the register the whole

495

00:19:28,010 --> 00:19:26,460

bit just in front of me it was a creepy

496

00:19:31,010 --> 00:19:28,020

feeling because

497

00:19:33,350 --> 00:19:31,020

we were all just kind of you know going

498

00:19:35,029 --> 00:19:33,360

and our heads were like what what just

499

00:19:37,430 --> 00:19:35,039

happened you know we're all

500

00:19:41,390 --> 00:19:37,440

feeling strange about what you know and

501
00:19:44,510 --> 00:19:41,400
and she just sat there and and he never

502
00:19:46,669 --> 00:19:44,520
you know called anyone right no one ever

503
00:19:48,890 --> 00:19:46,679
showed up so we go back out to the car

504
00:19:50,450 --> 00:19:48,900
my mom is now standing in front of one

505
00:19:52,250 --> 00:19:50,460
of the headlights

506
00:19:52,970 --> 00:19:52,260
my brother's still in the back of the

507
00:19:55,190 --> 00:19:52,980
car

508
00:19:56,450 --> 00:19:55,200
we go home

509
00:19:58,789 --> 00:19:56,460
um the next day we had to open up the

510
00:20:01,490 --> 00:19:58,799
restaurant and so when we went in

511
00:20:02,810 --> 00:20:01,500
my mother had a white radio over the you

512
00:20:05,810 --> 00:20:02,820
know over the grill

513
00:20:07,010 --> 00:20:05,820

and uh on there we go bang all these

514

00:20:08,510 --> 00:20:07,020

people were talking about what they saw

515

00:20:10,310 --> 00:20:08,520

that's my grandmother that's my brother

516

00:20:11,990 --> 00:20:10,320

that's my sister you know all these

517

00:20:14,750 --> 00:20:12,000

people had called in were still talking

518

00:20:16,850 --> 00:20:14,760

on the phone uh to the disc jockey at

519

00:20:18,169 --> 00:20:16,860

the time Tom J he was playing some

520

00:20:20,029 --> 00:20:18,179

pre-recorded stuff from the night before

521

00:20:24,169 --> 00:20:20,039

and so we're thinking to ourselves well

522

00:20:25,610 --> 00:20:24,179

maybe if Nana had just talked to him got

523

00:20:27,529 --> 00:20:25,620

to register more

524

00:20:28,909 --> 00:20:27,539

you know things would have been a little

525

00:20:30,470 --> 00:20:28,919

bit different but that's kind of what

526

00:20:32,570 --> 00:20:30,480

happened that night yeah it's

527

00:20:34,010 --> 00:20:32,580

fascinating absolutely fascinating and

528

00:20:35,810 --> 00:20:34,020

between you know the time when you first

529

00:20:37,909 --> 00:20:35,820

came out of the bridge to to where you

530

00:20:39,529 --> 00:20:37,919

ended up at the diner what was the time

531

00:20:42,289 --> 00:20:39,539

period and did you feel like the time

532

00:20:44,570 --> 00:20:42,299

was at all yeah we um

533

00:20:46,430 --> 00:20:44,580

we were um sweeping up putting the

534

00:20:48,950 --> 00:20:46,440

chairs up and we had a jukebox in there

535

00:20:51,409 --> 00:20:48,960

my mom used to throw us quarters and

536

00:20:53,150 --> 00:20:51,419

and listen to music uh my bedtime was

537

00:20:55,850 --> 00:20:53,160

like nine o'clock back in the day so we

538

00:20:57,890 --> 00:20:55,860

were leaving about 8 30. so it had just

539

00:20:59,810 --> 00:20:57,900

gotten Dusk and when we came back my

540

00:21:01,850 --> 00:20:59,820

grandmother got to Silks

541

00:21:03,890 --> 00:21:01,860

um it was close they were closing it was

542

00:21:05,090 --> 00:21:03,900

almost 11 o'clock so it was like two and

543

00:21:07,490 --> 00:21:05,100

a half three hours I mean it was a long

544

00:21:08,870 --> 00:21:07,500

time so that's another thing it wasn't

545

00:21:10,610 --> 00:21:08,880

like this two hour time frame it was

546

00:21:11,810 --> 00:21:10,620

longer than that right and we all came

547

00:21:13,310 --> 00:21:11,820

out of it at different times so that's

548

00:21:16,250 --> 00:21:13,320

something else we talk about it's like

549

00:21:19,490 --> 00:21:16,260

first it was my my grandmother although

550

00:21:21,409 --> 00:21:19,500

she was a smaller woman then myself then

551
00:21:22,669 --> 00:21:21,419
my mother then my younger brother so we

552
00:21:24,289 --> 00:21:22,679
used to think you know or talk to

553
00:21:25,549 --> 00:21:24,299
ourselves or kind of discuss with people

554
00:21:26,990 --> 00:21:25,559
you know what if we were drugged what if

555
00:21:28,310 --> 00:21:27,000
it was a drugging type of thing what if

556
00:21:30,049 --> 00:21:28,320
because my brother goes it was like a

557
00:21:32,390 --> 00:21:30,059
sodium pentathol to me is how he refers

558
00:21:34,130 --> 00:21:32,400
to it and maybe it was something as

559
00:21:35,390 --> 00:21:34,140
basic as that because we all came out of

560
00:21:37,310 --> 00:21:35,400
it at different times and we're also

561
00:21:40,010 --> 00:21:37,320
different sizes right

562
00:21:42,110 --> 00:21:40,020
so that's something we we always thought

563
00:21:44,570 --> 00:21:42,120

there was a government involvement that

564

00:21:46,490 --> 00:21:44,580

we saw something that we shouldn't have

565

00:21:47,570 --> 00:21:46,500

seen we were at the wrong place at the

566

00:21:50,090 --> 00:21:47,580

wrong time

567

00:21:51,770 --> 00:21:50,100

and we witnessed something or we were

568

00:21:54,830 --> 00:21:51,780

affected by something

569

00:21:57,409 --> 00:21:54,840

and then government you know got

570

00:21:59,450 --> 00:21:57,419

involved extracted us somehow

571

00:22:02,270 --> 00:21:59,460

took us somewhere made sure we were okay

572

00:22:05,149 --> 00:22:02,280

whatever that was you know

573

00:22:06,950 --> 00:22:05,159

um or experimented on us or something I

574

00:22:09,409 --> 00:22:06,960

mean we're O Negative which is another

575

00:22:10,789 --> 00:22:09,419

blood type that was tracked by the US

576

00:22:12,890 --> 00:22:10,799

government back in the day because we're

577

00:22:14,570 --> 00:22:12,900

the universal donor we try to find

578

00:22:15,950 --> 00:22:14,580

connections but there are nine of us in

579

00:22:18,409 --> 00:22:15,960

our family that are all Rh negative

580

00:22:20,990 --> 00:22:18,419

which is rare that's really weird quite

581

00:22:23,450 --> 00:22:21,000

honestly that's that's uncommon and uh

582

00:22:27,110 --> 00:22:23,460

so that is something different

583

00:22:30,230 --> 00:22:27,120

you know um it was rural

584

00:22:31,789 --> 00:22:30,240

um was it was was government trying to

585

00:22:33,230 --> 00:22:31,799

fly or work on something that they were

586

00:22:33,950 --> 00:22:33,240

back engineering and we were part of

587

00:22:35,930 --> 00:22:33,960

that

588

00:22:37,789 --> 00:22:35,940

I don't know what the hell happened I

589

00:22:39,529 --> 00:22:37,799

really don't you know all I know is that

590

00:22:41,390 --> 00:22:39,539

we were there

591

00:22:44,450 --> 00:22:41,400

you know I had front row seats for it

592

00:22:47,690 --> 00:22:44,460

yeah and um and if something else I was

593

00:22:51,350 --> 00:22:47,700

on Fox would um you know Fox prime time

594

00:22:53,149 --> 00:22:51,360

yeah and uh something else that those

595

00:22:55,730 --> 00:22:53,159

who truly had an experience that night

596

00:22:58,430 --> 00:22:55,740

have bad eyesight they have this burned

597

00:23:00,110 --> 00:22:58,440

out part of their retina my I've had

598

00:23:00,950 --> 00:23:00,120

five operations on my eyes my eyes are

599

00:23:02,810 --> 00:23:00,960

terrible

600

00:23:04,310 --> 00:23:02,820

um you know Melanie curtsdorfer who was

601
00:23:07,010 --> 00:23:04,320
part of it she's got the same eye

602
00:23:08,570 --> 00:23:07,020
problem the rare same rare eye problem

603
00:23:10,730 --> 00:23:08,580
that I do

604
00:23:13,850 --> 00:23:10,740
you know and so

605
00:23:15,529 --> 00:23:13,860
that what uh what Melanie went through

606
00:23:17,870 --> 00:23:15,539
and what I went through had the same

607
00:23:20,210 --> 00:23:17,880
effect on us yeah

608
00:23:22,430 --> 00:23:20,220
so I mean it'll taste the picture

609
00:23:24,350 --> 00:23:22,440
doesn't it it paints a really really you

610
00:23:26,029 --> 00:23:24,360
know compelling picture so you know in

611
00:23:27,590 --> 00:23:26,039
the following years how did how much of

612
00:23:29,390 --> 00:23:27,600
an effect or did it play a big part in

613
00:23:31,789 --> 00:23:29,400

your life was it something that you kind

614

00:23:33,890 --> 00:23:31,799

of carried with you or did you kind of

615

00:23:35,210 --> 00:23:33,900

did life get in the way you know talk

616

00:23:36,890 --> 00:23:35,220

talking about what happened that night

617

00:23:39,350 --> 00:23:36,900

still bothers me to this day and

618

00:23:40,669 --> 00:23:39,360

although I act like ah I'd get past it

619

00:23:41,750 --> 00:23:40,679

but every time I talk about it I could

620

00:23:44,510 --> 00:23:41,760

dry mouth

621

00:23:45,770 --> 00:23:44,520

you know but that's understandable but

622

00:23:47,690 --> 00:23:45,780

um if I'm there like when I was there

623

00:23:49,490 --> 00:23:47,700

with yes Theory I was okay at the bridge

624

00:23:50,390 --> 00:23:49,500

I was okay at the Park area but as soon

625

00:23:53,149 --> 00:23:50,400

as I go down the road where the

626

00:23:54,169 --> 00:23:53,159

telephone pole was you know um I don't

627

00:23:55,430 --> 00:23:54,179

do so good

628

00:23:56,750 --> 00:23:55,440

and I don't really know why because

629

00:23:58,490 --> 00:23:56,760

whatever happened when you think about

630

00:23:59,990 --> 00:23:58,500

it didn't happen there that's where we

631

00:24:01,490 --> 00:24:00,000

stopped but for some reason it triggers

632

00:24:04,850 --> 00:24:01,500

something with me

633

00:24:07,190 --> 00:24:04,860

um but I will say that um when uh

634

00:24:11,330 --> 00:24:07,200

you know um

635

00:24:12,950 --> 00:24:11,340

of the 1969 incident was not what caused

636

00:24:15,049 --> 00:24:12,960

the problems for our family it was in

637

00:24:17,510 --> 00:24:15,059

1967 which made the newspapers and

638

00:24:19,730 --> 00:24:17,520

everything uh 16 we had three episodes

639

00:24:21,350 --> 00:24:19,740

you know three incidents of or contact

640

00:24:23,450 --> 00:24:21,360

if you will

641

00:24:24,789 --> 00:24:23,460

um 66 was one that was only witnessed by

642

00:24:27,649 --> 00:24:24,799

a handful of people

643

00:24:29,090 --> 00:24:27,659

67 was pretty pretty well known and

644

00:24:30,590 --> 00:24:29,100

that's when the Berkshire Eagle wrote

645

00:24:31,730 --> 00:24:30,600

about it the Sheffield incident and the

646

00:24:33,950 --> 00:24:31,740

Spheres and everything I'm talking about

647

00:24:35,870 --> 00:24:33,960

made the news it's on my website I don't

648

00:24:38,450 --> 00:24:35,880

know if you read that or not yeah

649

00:24:41,090 --> 00:24:38,460

um and uh re-ran it you know 50 years

650

00:24:43,850 --> 00:24:41,100

later but uh

651
00:24:45,770 --> 00:24:43,860
69 kind of put a bow around it because a

652
00:24:47,510 --> 00:24:45,780
lot of people who were not so nice to us

653
00:24:48,770 --> 00:24:47,520
at the time and giving my mother crap in

654
00:24:50,990 --> 00:24:48,780
the diner and

655
00:24:53,270 --> 00:24:51,000
she was a single mom at the time and she

656
00:24:56,390 --> 00:24:53,280
was 28 29 years old trying to run a

657
00:24:59,870 --> 00:24:56,400
diner and you know guys are guys right

658
00:25:02,090 --> 00:24:59,880
so I think you know you know it is so um

659
00:25:03,590 --> 00:25:02,100
she endured a lot

660
00:25:06,289 --> 00:25:03,600
and um

661
00:25:06,890 --> 00:25:06,299
but at the same time

662
00:25:09,230 --> 00:25:06,900
um

663
00:25:12,169 --> 00:25:09,240

people will realize that this was

664

00:25:14,210 --> 00:25:12,179

actually happening you know and a lot of

665

00:25:17,390 --> 00:25:14,220

people saw this I mean it was over 250

666

00:25:19,610 --> 00:25:17,400

people were witnesses to it I think the

667

00:25:21,890 --> 00:25:19,620

um if I'm not mistaken the craft fouled

668

00:25:24,890 --> 00:25:21,900

the the river the Hudson River

669

00:25:26,630 --> 00:25:24,900

it actually started in Connecticut went

670

00:25:27,529 --> 00:25:26,640

to Massachusetts Then followed the river

671

00:25:30,649 --> 00:25:27,539

down

672

00:25:32,450 --> 00:25:30,659

and what's interesting that in the 80s

673

00:25:34,850 --> 00:25:32,460

and 90s there was the Hudson River

674

00:25:37,130 --> 00:25:34,860

Valley sightings which also followed the

675

00:25:41,090 --> 00:25:37,140

Housatonic River and also followed the

676

00:25:43,909 --> 00:25:41,100

Hudson right so at that my father later

677

00:25:46,490 --> 00:25:43,919

on became a politician and an attorney

678

00:25:48,350 --> 00:25:46,500

and he was friends with this guy by the

679

00:25:49,190 --> 00:25:48,360

name of Robert bletchman who was also a

680

00:25:51,830 --> 00:25:49,200

lawyer

681

00:25:53,750 --> 00:25:51,840

and bletchman was putting together a

682

00:25:55,850 --> 00:25:53,760

symposium at the United Nations with

683

00:25:58,310 --> 00:25:55,860

Muhammad Robin who was the president of

684

00:25:59,149 --> 00:25:58,320

the paraps ecology Society at the UN at

685

00:26:01,130 --> 00:25:59,159

the time

686

00:26:03,010 --> 00:26:01,140

and they were revisiting something

687

00:26:06,470 --> 00:26:03,020

called General Assembly

688

00:26:08,510 --> 00:26:06,480

33426 which was this idea of all our

689

00:26:12,529 --> 00:26:08,520

countries sharing information together

690

00:26:16,730 --> 00:26:12,539

with respect to the UFO topic right and

691

00:26:19,250 --> 00:26:16,740

um and so with that bletchman by the way

692

00:26:21,409 --> 00:26:19,260

uh Linda Martin Howe was there

693

00:26:23,390 --> 00:26:21,419

um Stanton Frieden was there

694

00:26:26,090 --> 00:26:23,400

um quite a few people I we had no idea

695

00:26:29,330 --> 00:26:26,100

what mufon was or anything else but

696

00:26:31,490 --> 00:26:29,340

Robert was also the uh the director of

697

00:26:34,130 --> 00:26:31,500

public relations for mufon at the time

698

00:26:36,049 --> 00:26:34,140

and so they're like Mr Reed would you

699

00:26:37,370 --> 00:26:36,059

mind if we talked about your Diner or an

700

00:26:39,590 --> 00:26:37,380

incident because

701
00:26:42,890 --> 00:26:39,600
you know we were part of the Space Race

702
00:26:44,450 --> 00:26:42,900
our incident took place during the space

703
00:26:46,310 --> 00:26:44,460
race and the Goodwill message that was

704
00:26:48,590 --> 00:26:46,320
left on the moon those guys actually who

705
00:26:50,390 --> 00:26:48,600
worked on actually ate in our diner and

706
00:26:52,250 --> 00:26:50,400
you know my parents so there was that

707
00:26:54,350 --> 00:26:52,260
connection so they thought well he's an

708
00:26:57,409 --> 00:26:54,360
attorney a politician their family had a

709
00:27:00,350 --> 00:26:57,419
very bona fide sighting maybe they'll

710
00:27:02,810 --> 00:27:00,360
allow us to mention that case in support

711
00:27:04,909 --> 00:27:02,820
of the Hudson River Valley sightings

712
00:27:06,950 --> 00:27:04,919
because of his my father's you know

713
00:27:08,930 --> 00:27:06,960

pillar standing if you will it would

714

00:27:12,409 --> 00:27:08,940

carry some weight right on the

715

00:27:14,810 --> 00:27:12,419

anniversary of that meeting my father

716

00:27:16,789 --> 00:27:14,820

lost his life

717

00:27:20,870 --> 00:27:16,799

wow

718

00:27:22,549 --> 00:27:20,880

sorry to hear that and our attorney who

719

00:27:25,730 --> 00:27:22,559

mentioned it at the U.N

720

00:27:29,330 --> 00:27:25,740

passed about nine months after my father

721

00:27:33,289 --> 00:27:29,340

and then the doctor who looked into my

722

00:27:36,830 --> 00:27:33,299

father's autopsy and everything

723

00:27:39,890 --> 00:27:36,840

he died about a year later so these

724

00:27:42,409 --> 00:27:39,900

there's something

725

00:27:45,230 --> 00:27:42,419

much more here than

726

00:27:48,169 --> 00:27:45,240

than just mentioning what happened right

727

00:27:50,090 --> 00:27:48,179

so something Toby knows and some other

728

00:27:52,490 --> 00:27:50,100

people have very seldom ever written

729

00:27:54,710 --> 00:27:52,500

about but know about it is that back in

730

00:27:56,870 --> 00:27:54,720

during the in the 60s during the Space

731

00:27:58,490 --> 00:27:56,880

Race they're making a lot more than just

732

00:28:00,049 --> 00:27:58,500

capacitors right they were making

733

00:28:01,909 --> 00:28:00,059

weapons and everything else so my father

734

00:28:04,310 --> 00:28:01,919

knew a lot about this stuff

735

00:28:05,870 --> 00:28:04,320

and so when he shared that who knows

736

00:28:08,630 --> 00:28:05,880

what was actually said at the UN because

737

00:28:11,450 --> 00:28:08,640

you know I wasn't there right but

738

00:28:12,649 --> 00:28:11,460

something caused my father to lose his

739

00:28:14,390 --> 00:28:12,659

life

740

00:28:17,390 --> 00:28:14,400

and so

741

00:28:19,909 --> 00:28:17,400

why I'm even talking to you or involved

742

00:28:23,029 --> 00:28:19,919

in a topic isn't because I don't have

743

00:28:25,370 --> 00:28:23,039

anything else to do it's because I want

744

00:28:27,529 --> 00:28:25,380

to pay tribute to my father right he was

745

00:28:29,330 --> 00:28:27,539

not going to lose his life for no reason

746

00:28:31,610 --> 00:28:29,340

for no reason he was 54 years old for

747

00:28:33,830 --> 00:28:31,620

God's sakes you know sure absolutely

748

00:28:37,070 --> 00:28:33,840

take a case to the United Nations on

749

00:28:38,510 --> 00:28:37,080

October 2nd and your father dies on

750

00:28:41,510 --> 00:28:38,520

October 2nd

751

00:28:43,370 --> 00:28:41,520

who's perfectly healthy at 54 after

752

00:28:45,890 --> 00:28:43,380

divulging a bunch of stuff at the yuan

753

00:28:49,730 --> 00:28:45,900

is that a coincidence you tell me

754

00:28:50,810 --> 00:28:49,740

you know so too convenient yeah no one

755

00:28:51,710 --> 00:28:50,820

in our family believes that was a

756

00:28:55,730 --> 00:28:51,720

coincidence

757

00:28:57,350 --> 00:28:55,740

you know nobody you have 365 days a year

758

00:28:59,149 --> 00:28:57,360

that you could pass and it happens to be

759

00:29:00,830 --> 00:28:59,159

on the same day you go to the United

760

00:29:03,409 --> 00:29:00,840

Nations and you're talking about

761

00:29:05,870 --> 00:29:03,419

classified stuff that had to do with the

762

00:29:07,789 --> 00:29:05,880

Space Race for God's sakes and UFOs and

763

00:29:08,750 --> 00:29:07,799

everything else back this isn't now it

764

00:29:12,350 --> 00:29:08,760

probably wouldn't have been a big deal

765

00:29:15,830 --> 00:29:12,360

but in but in uh 92 it was you know yeah

766

00:29:17,930 --> 00:29:15,840

awesome question definitely so anyway um

767

00:29:20,090 --> 00:29:17,940

you know that's how I went to the U.N

768

00:29:22,190 --> 00:29:20,100

and that's kind of what we saw but there

769

00:29:24,649 --> 00:29:22,200

was a lot going on in the area I mean

770

00:29:27,649 --> 00:29:24,659

there were crafts that were seen by

771

00:29:29,570 --> 00:29:27,659

children at my school that it was like a

772

00:29:31,430 --> 00:29:29,580

ball of fire it was like a tightly knit

773

00:29:33,590 --> 00:29:31,440

bald like we saw off to the right over

774

00:29:35,450 --> 00:29:33,600

the water came shooting right at a bunch

775

00:29:37,730 --> 00:29:35,460

of classmates we used to go sledding at

776

00:29:39,350 --> 00:29:37,740

this hill near school it took like a 90

777

00:29:41,990 --> 00:29:39,360

degree turn it went down to the road

778

00:29:44,870 --> 00:29:42,000

went over a home there was a cigar

779

00:29:47,149 --> 00:29:44,880

looking thing I mean this area was

780

00:29:49,210 --> 00:29:47,159

there was so much going on so that's

781

00:29:52,610 --> 00:29:49,220

another thing you know the the 69 event

782

00:29:55,130 --> 00:29:52,620

only made news because it was a holiday

783

00:29:56,870 --> 00:29:55,140

all right all this other stuff people

784

00:29:58,070 --> 00:29:56,880

were seeing too but then you you know

785

00:29:59,570 --> 00:29:58,080

you're on the bus with your the other

786

00:30:01,430 --> 00:29:59,580

kids and you see that yesterday no he's

787

00:30:02,990 --> 00:30:01,440

crazy and then next thing you know the

788

00:30:04,490 --> 00:30:03,000

bus drivers yelling at the kids to stop

789

00:30:05,810 --> 00:30:04,500

talking then you go to school you draw

790

00:30:07,310 --> 00:30:05,820

something in class you tape it to a

791

00:30:08,330 --> 00:30:07,320

chalkboard some kid rips it up thinking

792

00:30:11,210 --> 00:30:08,340

it's a joke

793

00:30:12,830 --> 00:30:11,220

it was it was just but there were so

794

00:30:15,409 --> 00:30:12,840

many kids were doing this like after

795

00:30:17,750 --> 00:30:15,419

after school right my why do the kids

796

00:30:20,990 --> 00:30:17,760

okay wait I'm gonna back up here sure go

797

00:30:22,850 --> 00:30:21,000

for it all right so this is interesting

798

00:30:24,889 --> 00:30:22,860

too so

799

00:30:26,570 --> 00:30:24,899

a lot of the kids

800

00:30:28,549 --> 00:30:26,580

their parents had to drive them to

801
00:30:29,870 --> 00:30:28,559
school because again this is a farming

802
00:30:31,310 --> 00:30:29,880
Community right you're talking about the

803
00:30:33,529 --> 00:30:31,320
clothes you can have a house and the

804
00:30:35,210 --> 00:30:33,539
closest house to you might be uh eighth

805
00:30:37,610 --> 00:30:35,220
of a mile down the road right because

806
00:30:40,010 --> 00:30:37,620
you've got all this corn and steer and

807
00:30:41,870 --> 00:30:40,020
barns and tractors right so the bus

808
00:30:44,269 --> 00:30:41,880
isn't going to go to everyone's home

809
00:30:46,730 --> 00:30:44,279
right I mean come on so they park at the

810
00:30:48,049 --> 00:30:46,740
corners or whatever where your parents

811
00:30:49,250 --> 00:30:48,059
or your mother can take you to the

812
00:30:50,570 --> 00:30:49,260
corner right well your dad's out there

813
00:30:52,610 --> 00:30:50,580

milking cows or whatever he's doing

814

00:30:53,389 --> 00:30:52,620

right right your mom takes it to school

815

00:30:56,750 --> 00:30:53,399

bus

816

00:30:59,090 --> 00:30:56,760

so that got to be old too because the

817

00:31:01,370 --> 00:30:59,100

the moms had to make them breakfast wait

818

00:31:04,430 --> 00:31:01,380

for the bus it's February you got three

819

00:31:06,350 --> 00:31:04,440

feet of snow it's cold outside right and

820

00:31:08,029 --> 00:31:06,360

and so you're like why don't I just take

821

00:31:09,470 --> 00:31:08,039

it to Reed's Diner

822

00:31:12,769 --> 00:31:09,480

I'm sure she'll make you some breakfast

823

00:31:15,529 --> 00:31:12,779

and you can ride your bike to school

824

00:31:17,630 --> 00:31:15,539

so that's what happened so before you

825

00:31:19,730 --> 00:31:17,640

know it my mom would uh

826

00:31:21,769 --> 00:31:19,740

run a tab for all these little kids

827

00:31:23,210 --> 00:31:21,779

right we're talking first second third

828

00:31:26,090 --> 00:31:23,220

fourth graders right

829

00:31:27,409 --> 00:31:26,100

and uh she had an area in the back and

830

00:31:30,590 --> 00:31:27,419

back in the in the 60s you had those

831

00:31:31,850 --> 00:31:30,600

banana seat bikes yeah yeah yeah so she

832

00:31:34,010 --> 00:31:31,860

would store all these bikes in the back

833

00:31:35,630 --> 00:31:34,020

and the kids would be dropped off by

834

00:31:37,970 --> 00:31:35,640

their parents they have french toast

835

00:31:39,230 --> 00:31:37,980

whatever they wanted right and she keep

836

00:31:40,669 --> 00:31:39,240

track of it and end of the week the

837

00:31:42,350 --> 00:31:40,679

parents would sell it but in the

838

00:31:44,330 --> 00:31:42,360

meantime the kids would also come back

839

00:31:46,310 --> 00:31:44,340

after school because they had to put

840

00:31:48,470 --> 00:31:46,320

their their bikes in the in the back

841

00:31:50,149 --> 00:31:48,480

near a cooler and so they had the

842

00:31:51,649 --> 00:31:50,159

Jukebox my mom would give them quarters

843

00:31:53,149 --> 00:31:51,659

they dropped him in a jukebox they're

844

00:31:55,490 --> 00:31:53,159

listening to the stones to listen to

845

00:31:57,529 --> 00:31:55,500

Credence whatever it was and to make

846

00:31:59,029 --> 00:31:57,539

these big baskets of fries and she'd

847

00:32:01,370 --> 00:31:59,039

deep fry them and bacon fat and all the

848

00:32:04,010 --> 00:32:01,380

kids are munching out well it's those

849

00:32:05,990 --> 00:32:04,020

kids back in the day that remembered all

850

00:32:08,330 --> 00:32:06,000

this and they're the ones who got this

851

00:32:10,490 --> 00:32:08,340

inducted into state

852

00:32:11,990 --> 00:32:10,500

so is that relating to the um because

853

00:32:14,330 --> 00:32:12,000

we've got some pictures here I wanted to

854

00:32:16,430 --> 00:32:14,340

share is this relating to the uh the

855

00:32:19,190 --> 00:32:16,440

governor's citation and and things like

856

00:32:21,590 --> 00:32:19,200

that so so a lot of those kids

857

00:32:25,310 --> 00:32:21,600

um some are now historians

858

00:32:27,769 --> 00:32:25,320

um Kevin Titus became a judge

859

00:32:28,970 --> 00:32:27,779

um Galata whose father was the chief of

860

00:32:29,750 --> 00:32:28,980

police he used to eat there in the

861

00:32:31,490 --> 00:32:29,760

morning he's the one that was on

862

00:32:33,049 --> 00:32:31,500

Unsolved Mysteries and pointed up and

863

00:32:36,649 --> 00:32:33,059

said you know that picture that's my dad

864

00:32:37,730 --> 00:32:36,659

you know yeah well he was one that used

865

00:32:40,010 --> 00:32:37,740

to eat in her Diner he's like a couple

866

00:32:41,450 --> 00:32:40,020

years older than me but yeah so he

867

00:32:42,889 --> 00:32:41,460

actually went looking for the UFO with

868

00:32:44,149 --> 00:32:42,899

his dad that night they actually were

869

00:32:44,990 --> 00:32:44,159

dispatched and went looking for it

870

00:32:46,909 --> 00:32:45,000

that's something else I want to talk

871

00:32:49,669 --> 00:32:46,919

about Unsolved Mysteries ugh he's

872

00:32:53,510 --> 00:32:49,679

straight and I know so anyway absolutely

873

00:32:56,090 --> 00:32:53,520

yeah yeah so back to the kids so

874

00:32:56,810 --> 00:32:56,100

the children that would eat her Diner in

875

00:32:59,389 --> 00:32:56,820

the morning

876

00:33:01,370 --> 00:32:59,399

listen to music right this is the 60s

877

00:33:02,450 --> 00:33:01,380

there was no FM stations in our area if

878

00:33:03,830 --> 00:33:02,460

you wanted to listen to music You

879

00:33:05,149 --> 00:33:03,840

Dropped a quarter in a jukebox the only

880

00:33:07,310 --> 00:33:05,159

other spot that had a jukebox was the

881

00:33:10,070 --> 00:33:07,320

bowling alley so if you wanted to have a

882

00:33:11,330 --> 00:33:10,080

sandwich listen to the stones chill out

883

00:33:13,669 --> 00:33:11,340

and have a chocolate shake afterwards

884

00:33:15,289 --> 00:33:13,679

you ate at our diner right and and

885

00:33:16,789 --> 00:33:15,299

everybody at Sprague who was working on

886

00:33:18,350 --> 00:33:16,799

a Goodwill message and everything else

887

00:33:21,830 --> 00:33:18,360

working on a space race they know it too

888

00:33:25,430 --> 00:33:21,840

right so that's was a hangout and so

889

00:33:26,870 --> 00:33:25,440

with that said those kids 30 or 40 of

890

00:33:29,750 --> 00:33:26,880

them a lot of kids

891

00:33:31,370 --> 00:33:29,760

later on when this was uh being looked

892

00:33:32,210 --> 00:33:31,380

at by the Historical Society of

893

00:33:34,130 --> 00:33:32,220

Massachusetts

894

00:33:36,590 --> 00:33:34,140

the Sheffield case

895

00:33:37,730 --> 00:33:36,600

um they were you know reaching out to

896

00:33:39,529 --> 00:33:37,740

people you know have you ever heard of

897

00:33:40,669 --> 00:33:39,539

this yeah I used to eat there I remember

898

00:33:45,169 --> 00:33:40,679

it

899

00:33:47,570 --> 00:33:45,179

else was there the the chief of police's

900

00:33:49,250 --> 00:33:47,580

son used to go so there were all these

901
00:33:52,009 --> 00:33:49,260
people that were reputable

902
00:33:53,990 --> 00:33:52,019
that remembered all that and because my

903
00:33:57,049 --> 00:33:54,000
father passed

904
00:33:59,269 --> 00:33:57,059
you know yeah yeah and um

905
00:34:01,250 --> 00:33:59,279
they know him you know

906
00:34:02,810 --> 00:34:01,260
and uh a lot of these kids I went to

907
00:34:05,330 --> 00:34:02,820
school with too

908
00:34:07,789 --> 00:34:05,340
um he was advocating something that took

909
00:34:11,149 --> 00:34:07,799
place in that community in that town of

910
00:34:13,070 --> 00:34:11,159
Sheffield and so in some respects there

911
00:34:16,369 --> 00:34:13,080
was this interest to pay something

912
00:34:18,409 --> 00:34:16,379
forward to him okay which became the

913
00:34:20,589 --> 00:34:18,419

monument and stuff like that then there

914

00:34:24,349 --> 00:34:20,599

were donations and then it became a park

915

00:34:26,450 --> 00:34:24,359

and uh after the state you know I took

916

00:34:29,210 --> 00:34:26,460

my polygraph test and

917

00:34:31,250 --> 00:34:29,220

and uh you know

918

00:34:33,230 --> 00:34:31,260

they found the old archives and things

919

00:34:34,550 --> 00:34:33,240

they spoke to the radio station that

920

00:34:36,649 --> 00:34:34,560

actually broadcast this that night

921

00:34:38,050 --> 00:34:36,659

because Tom J actually was home got a

922

00:34:40,010 --> 00:34:38,060

call they spoke to the police department

923

00:34:42,889 --> 00:34:40,020

and they were trying to find out where

924

00:34:44,149 --> 00:34:42,899

this thing was and again unsolved didn't

925

00:34:46,609 --> 00:34:44,159

mention anything about this part of it

926
00:34:48,889 --> 00:34:46,619
he drove back to the radio station broke

927
00:34:50,329 --> 00:34:48,899
into the the tape you know the

928
00:34:51,889 --> 00:34:50,339
reel-to-reel type thing to get on the

929
00:34:53,030 --> 00:34:51,899
radio and so on and say listen if you

930
00:34:55,790 --> 00:34:53,040
guys see this thing call the Station

931
00:34:58,010 --> 00:34:55,800
that's why Jan green who was in unsubbed

932
00:34:59,510 --> 00:34:58,020
Mysteries went back to the station right

933
00:35:01,010 --> 00:34:59,520
and he was knocking on the door and

934
00:35:03,470 --> 00:35:01,020
saying well if you just go outside you'd

935
00:35:05,450 --> 00:35:03,480
probably see us right there so um

936
00:35:07,730 --> 00:35:05,460
there's a lot of things that haven't

937
00:35:09,109 --> 00:35:07,740
been told quite honestly but the bottom

938
00:35:12,230 --> 00:35:09,119

line here what I'm trying to really

939

00:35:14,109 --> 00:35:12,240

stress here is that if my mom wasn't so

940

00:35:16,430 --> 00:35:14,119

nice to those kids

941

00:35:19,069 --> 00:35:16,440

we wouldn't be talking today

942

00:35:20,810 --> 00:35:19,079

you know it was the fact that she opened

943

00:35:22,730 --> 00:35:20,820

her door to all these kids so that they

944

00:35:24,950 --> 00:35:22,740

could ride their bike and they became

945

00:35:27,950 --> 00:35:24,960

historians

946

00:35:29,690 --> 00:35:27,960

judges police officers you name it you

947

00:35:31,010 --> 00:35:29,700

know yeah absolutely now one thing you

948

00:35:33,349 --> 00:35:31,020

sent me a couple of videos we've got the

949

00:35:35,210 --> 00:35:33,359

polygraph officer who uh you know who

950

00:35:37,130 --> 00:35:35,220

spoke with you and we've also the lawyer

951
00:35:39,410 --> 00:35:37,140
who authenticated the Historical Society

952
00:35:41,690 --> 00:35:39,420
that's important too yeah do you want me

953
00:35:46,390 --> 00:35:41,700
to play these videos and if so we'll

954
00:35:49,250 --> 00:35:46,400
talk about the the lawyer okay so Toby

955
00:35:50,690 --> 00:35:49,260
Toby wrote an article a little while or

956
00:35:53,329 --> 00:35:50,700
worked on an article

957
00:35:54,710 --> 00:35:53,339
that kind of talks about how this whole

958
00:35:57,470 --> 00:35:54,720
thing got inducted too because there was

959
00:36:01,130 --> 00:35:57,480
a lot a lot going on there too so the

960
00:36:02,810 --> 00:36:01,140
Kessler Law Firm Debbie Kessler was the

961
00:36:06,650 --> 00:36:02,820
attorney's wife

962
00:36:08,510 --> 00:36:06,660
who actually went to Roswell she went to

963
00:36:09,410 --> 00:36:08,520

the Roswell Museum in the research

964

00:36:11,930 --> 00:36:09,420

center

965

00:36:15,710 --> 00:36:11,940

and she was looking for anything she

966

00:36:16,370 --> 00:36:15,720

could find about 33 426 which was

967

00:36:18,109 --> 00:36:16,380

um

968

00:36:20,510 --> 00:36:18,119

what is it the Extraterrestrial

969

00:36:23,329 --> 00:36:20,520

intelligence and human future that with

970

00:36:25,970 --> 00:36:23,339

the Symposium held by Muhammad Ramadan

971

00:36:27,349 --> 00:36:25,980

she found some of that also in The Black

972

00:36:30,470 --> 00:36:27,359

Vault she found some of it The Black

973

00:36:32,569 --> 00:36:30,480

Vault and um anything to do with um a

974

00:36:34,609 --> 00:36:32,579

high net classification or sightings

975

00:36:36,290 --> 00:36:34,619

that were reported back in the day so

976

00:36:37,670 --> 00:36:36,300

she took all that material she got a lot

977

00:36:40,130 --> 00:36:37,680

of that from the Roswell research

978

00:36:42,710 --> 00:36:40,140

library and folded it to the state of

979

00:36:44,930 --> 00:36:42,720

Massachusetts and in doing so she also

980

00:36:46,970 --> 00:36:44,940

was responsible for getting it before a

981

00:36:48,950 --> 00:36:46,980

judge to authenticate these documents as

982

00:36:51,050 --> 00:36:48,960

being a true document because the

983

00:36:54,349 --> 00:36:51,060

historical society would not listen to

984

00:36:58,430 --> 00:36:54,359

anything that they could not

985

00:37:00,230 --> 00:36:58,440

um deem a um a source document okay you

986

00:37:03,109 --> 00:37:00,240

can't go off a copy of this or a copy of

987

00:37:05,150 --> 00:37:03,119

that and so would that the Roswell

988

00:37:06,170 --> 00:37:05,160

research Library I guess the city of

989

00:37:08,450 --> 00:37:06,180

Roswell

990

00:37:10,849 --> 00:37:08,460

played a significant role in getting

991

00:37:12,230 --> 00:37:10,859

this inducted and so yeah there's a

992

00:37:14,630 --> 00:37:12,240

little bit of a tape she was recorded

993

00:37:17,569 --> 00:37:14,640

for a show that was never aired so I was

994

00:37:20,089 --> 00:37:17,579

given this piece which I think you're

995

00:37:22,430 --> 00:37:20,099

going to play yeah absolutely yeah

996

00:37:32,589 --> 00:37:22,440

I'll mute myself while I play yeah

997

00:37:32,599 --> 00:37:37,970

now no audio

998

00:37:44,690 --> 00:37:41,089

we had that same problem too you know

999

00:37:59,870 --> 00:37:46,849

but that's her yeah

1000

00:38:05,870 --> 00:38:03,710

my name is Debbie Kessler and I might to

1001
00:38:08,750 --> 00:38:05,880
be ex-husband Frank Kessler and I own a

1002
00:38:10,609 --> 00:38:08,760
law office and it's in Tennessee I've

1003
00:38:13,069 --> 00:38:10,619
been his paralegal for about 29 years

1004
00:38:15,829 --> 00:38:13,079
running his law office we have worked

1005
00:38:20,150 --> 00:38:15,839
side by side in his firm I actually met

1006
00:38:22,790 --> 00:38:20,160
Tom by coincidence and as we began to

1007
00:38:24,290 --> 00:38:22,800
speak and and get to know each other we

1008
00:38:27,050 --> 00:38:24,300
realized that we had a lot of

1009
00:38:29,950 --> 00:38:27,060
connections he knew my family in Miami

1010
00:38:33,230 --> 00:38:29,960
and had had a lot of workings with them

1011
00:38:34,550 --> 00:38:33,240
and as such we started talking about the

1012
00:38:35,329 --> 00:38:34,560
things that had happened to he and his

1013
00:38:37,790 --> 00:38:35,339

family

1014

00:38:39,589 --> 00:38:37,800

and he isn't one to oh you know talk

1015

00:38:41,450 --> 00:38:39,599

about that too openly because he knows

1016

00:38:43,130 --> 00:38:41,460

it's pretty far-fetched

1017

00:38:44,870 --> 00:38:43,140

um but as he you know as we got to know

1018

00:38:47,870 --> 00:38:44,880

each other he began to open up a little

1019

00:38:50,750 --> 00:38:47,880

bit more and more and

1020

00:38:52,310 --> 00:38:50,760

um I will stress to you that in the 29

1021

00:38:54,770 --> 00:38:52,320

years well actually I've been doing a

1022

00:38:56,450 --> 00:38:54,780

little longer than 29 years but in the

1023

00:38:59,030 --> 00:38:56,460

years that I have been doing

1024

00:39:01,790 --> 00:38:59,040

um the legal paralegal and legal

1025

00:39:04,490 --> 00:39:01,800

secretary work for all those years I was

1026

00:39:06,530 --> 00:39:04,500

taught that you are to look at all

1027

00:39:08,690 --> 00:39:06,540

aspects and to look for inconsistencies

1028

00:39:10,730 --> 00:39:08,700

you have to look for

1029

00:39:12,589 --> 00:39:10,740

um the little lies the little things

1030

00:39:15,170 --> 00:39:12,599

that people want you to believe the

1031

00:39:18,770 --> 00:39:15,180

little things that uh maybe

1032

00:39:20,630 --> 00:39:18,780

they are not exactly lies but they want

1033

00:39:22,609 --> 00:39:20,640

the the story to lean a little this way

1034

00:39:23,510 --> 00:39:22,619

or lean a little that way and over the

1035

00:39:26,690 --> 00:39:23,520

years

1036

00:39:28,730 --> 00:39:26,700

being representing different people and

1037

00:39:31,970 --> 00:39:28,740

doing things like contracts and and even

1038

00:39:33,589 --> 00:39:31,980

divorce work in making sure that we have

1039

00:39:36,410 --> 00:39:33,599

the right agreement down and the right

1040

00:39:38,810 --> 00:39:36,420

contracts together we have to make sure

1041

00:39:40,849 --> 00:39:38,820

that we are believing the right person

1042

00:39:42,950 --> 00:39:40,859

because we didn't want five years or

1043

00:39:44,630 --> 00:39:42,960

three years to come back and bite Us by

1044

00:39:46,849 --> 00:39:44,640

them saying well this is not the way it

1045

00:39:50,089 --> 00:39:46,859

was and well didn't you understand that

1046

00:39:51,890 --> 00:39:50,099

this person said this or said that so uh

1047

00:39:54,950 --> 00:39:51,900

Frank and I were always very careful and

1048

00:39:57,410 --> 00:39:54,960

cautious in anything that we did all

1049

00:40:00,170 --> 00:39:57,420

throughout the practice

1050

00:40:02,630 --> 00:40:00,180

and so therefore in any time I was

1051

00:40:04,490 --> 00:40:02,640

talking to Tom or even in my

1052

00:40:06,410 --> 00:40:04,500

conversations with his mother Nancy or

1053

00:40:09,890 --> 00:40:06,420

his brother Matthew

1054

00:40:12,490 --> 00:40:09,900

I've always listened and paid attention

1055

00:40:14,990 --> 00:40:12,500

and looked for those

1056

00:40:17,810 --> 00:40:15,000

inconsistencies whether they be large or

1057

00:40:19,910 --> 00:40:17,820

small and of course I've spoken to Tom

1058

00:40:23,089 --> 00:40:19,920

much more than I ever have his his

1059

00:40:25,310 --> 00:40:23,099

mother and his brother but with the

1060

00:40:27,530 --> 00:40:25,320

three of them I've never found any

1061

00:40:30,710 --> 00:40:27,540

inconsistencies when his mother has

1062

00:40:32,990 --> 00:40:30,720

spoken to me outside away from Tom her

1063

00:40:35,270 --> 00:40:33,000

story is the same her story has the same

1064

00:40:38,329 --> 00:40:35,280

details her story says the same thing

1065

00:40:40,910 --> 00:40:38,339

when I speak to Tom his story doesn't

1066

00:40:43,430 --> 00:40:40,920

change I've tried to ask him several

1067

00:40:45,950 --> 00:40:43,440

things upside down backwards forwards

1068

00:40:48,470 --> 00:40:45,960

you know East to West and his answers

1069

00:40:50,990 --> 00:40:48,480

were always the same he hasn't he hasn't

1070

00:40:54,349 --> 00:40:51,000

changed when he began to show us the

1071

00:40:55,690 --> 00:40:54,359

documents that several of them had gone

1072

00:40:58,010 --> 00:40:55,700

before the U.N

1073

00:41:01,010 --> 00:40:58,020

or had been mentioned at the U.N and

1074

00:41:03,370 --> 00:41:01,020

were part of a symposium there there

1075

00:41:05,630 --> 00:41:03,380

were several documents that

1076
00:41:07,010 --> 00:41:05,640
uh some people might look at that and

1077
00:41:09,109 --> 00:41:07,020
say well we don't know if that's a real

1078
00:41:11,390 --> 00:41:09,119
document but when I started doing

1079
00:41:13,609 --> 00:41:11,400
research on it and was looking into it

1080
00:41:15,170 --> 00:41:13,619
the you know the players are real the

1081
00:41:16,670 --> 00:41:15,180
people that are mentioned the signatures

1082
00:41:18,890 --> 00:41:16,680
that are there

1083
00:41:21,230 --> 00:41:18,900
um all absolutely appear to be real real

1084
00:41:34,250 --> 00:41:21,240
people real people in those positions at

1085
00:41:40,130 --> 00:41:37,550
amazing yeah they have they were uh

1086
00:41:42,470 --> 00:41:40,140
pretty instrumental in getting all this

1087
00:41:44,690 --> 00:41:42,480
um you know moving forward

1088
00:41:46,069 --> 00:41:44,700

you know Massachusetts I don't think

1089

00:41:48,170 --> 00:41:46,079

they had any idea they were going to

1090

00:41:50,329 --> 00:41:48,180

find as much as they did you know with

1091

00:41:52,010 --> 00:41:50,339

all the witnesses and the and the

1092

00:41:55,370 --> 00:41:52,020

credibility of those who were part of it

1093

00:41:56,750 --> 00:41:55,380

and the radio station and and uh there

1094

00:41:59,089 --> 00:41:56,760

was like you know some of the Articles

1095

00:42:01,190 --> 00:41:59,099

you would say oh there were 40 40 uh

1096

00:42:04,490 --> 00:42:01,200

Witnesses no there are 40 people who

1097

00:42:07,130 --> 00:42:04,500

came that were original Witnesses part

1098

00:42:09,650 --> 00:42:07,140

of that 250 uh when they unveiled the

1099

00:42:11,089 --> 00:42:09,660

monument in memory of my my late father

1100

00:42:13,550 --> 00:42:11,099

so

1101

00:42:15,290 --> 00:42:13,560

um yeah I mean it's it's a it's quite a

1102

00:42:17,870 --> 00:42:15,300

thing to be part of you know

1103

00:42:20,510 --> 00:42:17,880

um it did it you asked me earlier you

1104

00:42:21,890 --> 00:42:20,520

know how to change things for me um my

1105

00:42:24,050 --> 00:42:21,900

mother had asked me uh when I was young

1106

00:42:25,310 --> 00:42:24,060

you know uh what would you like for your

1107

00:42:28,069 --> 00:42:25,320

birthday or Christmas or whatever it was

1108

00:42:30,650 --> 00:42:28,079

and I said a camera you know sure if I

1109

00:42:32,569 --> 00:42:30,660

hadn't seen what I did I wouldn't have

1110

00:42:35,150 --> 00:42:32,579

asked for a camera to capture it if I

1111

00:42:37,130 --> 00:42:35,160

ever saw it again not not thinking I

1112

00:42:38,270 --> 00:42:37,140

never would right for the most part but

1113

00:42:40,970 --> 00:42:38,280

you never know

1114

00:42:43,849 --> 00:42:40,980

right and uh so that became my career

1115

00:42:45,829 --> 00:42:43,859

you know I became a a fast photographer

1116

00:42:47,569 --> 00:42:45,839

in Miami and you know the whole bit that

1117

00:42:49,430 --> 00:42:47,579

you know the remodeling agency and the

1118

00:42:50,930 --> 00:42:49,440

whole bit so who knows maybe it would

1119

00:42:51,910 --> 00:42:50,940

have been in like lawn care or vehicle

1120

00:42:55,790 --> 00:42:51,920

maintenance

1121

00:42:56,450 --> 00:42:55,800

yeah so I try to find a good in it you

1122

00:43:01,670 --> 00:42:56,460

know

1123

00:43:04,069 --> 00:43:01,680

times it still bothers me I don't you

1124

00:43:05,569 --> 00:43:04,079

would have thought by now no but it does

1125

00:43:07,970 --> 00:43:05,579

you know even talking to you earlier it

1126

00:43:10,849 --> 00:43:07,980

bothers me you know I don't know why

1127

00:43:12,710 --> 00:43:10,859

because I talk about it so often but

1128

00:43:14,270 --> 00:43:12,720

um you know I want to get into the the

1129

00:43:15,349 --> 00:43:14,280

details you know

1130

00:43:17,450 --> 00:43:15,359

um

1131

00:43:19,010 --> 00:43:17,460

yeah you know because I I don't know

1132

00:43:22,069 --> 00:43:19,020

what happened to me you know you know I

1133

00:43:23,329 --> 00:43:22,079

wasn't uh awake for so much of it who

1134

00:43:25,370 --> 00:43:23,339

knows what happened I mean I do have

1135

00:43:28,790 --> 00:43:25,380

like and I got this little scoop mark on

1136

00:43:31,250 --> 00:43:28,800

my arms some people say you know that's

1137

00:43:33,589 --> 00:43:31,260

something I also happen to have one on

1138

00:43:35,150 --> 00:43:33,599

this hand as well so I have one on each

1139

00:43:38,150 --> 00:43:35,160

wrist

1140

00:43:39,530 --> 00:43:38,160

um I am O Negative we are RH negative

1141

00:43:42,829 --> 00:43:39,540

um we were

1142

00:43:44,450 --> 00:43:42,839

in an area that was uh surrounded by

1143

00:43:46,430 --> 00:43:44,460

governmental manufacturing facilities

1144

00:43:49,010 --> 00:43:46,440

funded by the government with NASA and

1145

00:43:51,349 --> 00:43:49,020

the space race and the NORAD towers and

1146

00:43:54,410 --> 00:43:51,359

the missile sites and you know I think

1147

00:43:55,609 --> 00:43:54,420

it only makes sense that there was a

1148

00:43:58,190 --> 00:43:55,619

military in

1149

00:44:00,950 --> 00:43:58,200

you know military was involved in some

1150

00:44:02,569 --> 00:44:00,960

of this and so I'm very careful in how I

1151

00:44:04,190 --> 00:44:02,579

word what really happened to me so when

1152

00:44:06,170 --> 00:44:04,200

I passed the polygraph test I took right

1153

00:44:07,490 --> 00:44:06,180

so give you an example people say well

1154

00:44:08,809 --> 00:44:07,500

why don't you ever talk about the fact

1155

00:44:12,170 --> 00:44:08,819

you know you're abducted or what have

1156

00:44:13,849 --> 00:44:12,180

you well I don't really know who took me

1157

00:44:16,490 --> 00:44:13,859

from the car

1158

00:44:19,130 --> 00:44:16,500

I don't know so the part of me really

1159

00:44:22,309 --> 00:44:19,140

believes that there was a military

1160

00:44:25,550 --> 00:44:22,319

um you know aspect or part of this right

1161

00:44:28,730 --> 00:44:25,560

and so with that if I were to just

1162

00:44:30,950 --> 00:44:28,740

jump on board and say okay you know this

1163

00:44:32,870 --> 00:44:30,960

is what happened and I'm wrong part of

1164

00:44:35,809 --> 00:44:32,880

me knows that that I don't really I'm

1165

00:44:37,490 --> 00:44:35,819

not really 100 sure yeah so I could fail

1166

00:44:39,710 --> 00:44:37,500

a polygraph then what good amount

1167

00:44:42,349 --> 00:44:39,720

anybody else in this topic if I feel a

1168

00:44:46,069 --> 00:44:42,359

polygraph test at this point so my gut

1169

00:44:47,510 --> 00:44:46,079

tells me there was a a military and

1170

00:44:50,089 --> 00:44:47,520

there was military involvement there was

1171

00:44:51,230 --> 00:44:50,099

a human aspect to what happened to us

1172

00:44:54,050 --> 00:44:51,240

that night

1173

00:44:55,849 --> 00:44:54,060

so I try to be overly careful but for

1174

00:44:57,589 --> 00:44:55,859

the right reasons I think you know I

1175

00:44:59,569 --> 00:44:57,599

understand that completely and I mean we

1176
00:45:01,910 --> 00:44:59,579
talk about validity though you recently

1177
00:45:03,589 --> 00:45:01,920
or you have appeared with the uh the

1178
00:45:06,290 --> 00:45:03,599
body language experts they're quite

1179
00:45:08,270 --> 00:45:06,300
popular on YouTube and you know they

1180
00:45:10,130 --> 00:45:08,280
interviewed you with quite an extensive

1181
00:45:13,569 --> 00:45:10,140
interview and then they put out a

1182
00:45:16,069 --> 00:45:13,579
separate video analysis and you know

1183
00:45:17,750 --> 00:45:16,079
they were you were legit in their eyes

1184
00:45:19,190 --> 00:45:17,760
you know and these are four of the

1185
00:45:21,170 --> 00:45:19,200
biggest experts in the world you know

1186
00:45:22,790 --> 00:45:21,180
for anybody out there that that hasn't

1187
00:45:25,010 --> 00:45:22,800
uh isn't aware of these guys you know

1188
00:45:26,930 --> 00:45:25,020

they've spoken to Bob Lazar and other

1189

00:45:28,849 --> 00:45:26,940

people outside of the UFO Community they

1190

00:45:30,410 --> 00:45:28,859

cover all things and I have linked the

1191

00:45:33,050 --> 00:45:30,420

videos in the description below and I

1192

00:45:35,030 --> 00:45:33,060

urge everybody to go and watch that um

1193

00:45:37,609 --> 00:45:35,040

because it's really really eye-opening

1194

00:45:38,990 --> 00:45:37,619

it is what it is you know yeah exactly

1195

00:45:41,089 --> 00:45:39,000

that's why I don't I don't take

1196

00:45:44,510 --> 00:45:41,099

Liberties I don't sensationalize things

1197

00:45:45,950 --> 00:45:44,520

uh I pay uh you know I'm grateful for

1198

00:45:47,089 --> 00:45:45,960

those who came forward and helped

1199

00:45:49,550 --> 00:45:47,099

support us

1200

00:45:51,710 --> 00:45:49,560

um it was just luck that the radio

1201
00:45:54,589 --> 00:45:51,720
station was still in business you know

1202
00:45:56,870 --> 00:45:54,599
in 2015 in the same building you know

1203
00:45:58,430 --> 00:45:56,880
that kind of thing and and a lot of the

1204
00:45:59,870 --> 00:45:58,440
people in the area still live there to

1205
00:46:01,609 --> 00:45:59,880
this day you know but they're not going

1206
00:46:03,950 --> 00:46:01,619
to be there forever I mean I'm I'm in my

1207
00:46:06,829 --> 00:46:03,960
60s for God's sakes right so a lot of

1208
00:46:09,349 --> 00:46:06,839
them are older than me and um you know

1209
00:46:11,510 --> 00:46:09,359
the Jan green the you know Melanie

1210
00:46:14,030 --> 00:46:11,520
kurzstor first she's legit not everybody

1211
00:46:16,069 --> 00:46:14,040
and on some Mysteries was was legit but

1212
00:46:19,309 --> 00:46:16,079
she was but that's what I want to get

1213
00:46:21,050 --> 00:46:19,319

into next you know because yeah well as

1214

00:46:22,730 --> 00:46:21,060

much as you want as much as you want to

1215

00:46:24,470 --> 00:46:22,740

say about it but if you're for anybody

1216

00:46:26,690 --> 00:46:24,480

that's not familiar it was featured on

1217

00:46:28,609 --> 00:46:26,700

the the reboot which was season one

1218

00:46:30,650 --> 00:46:28,619

episode five of Unsolved Mysteries it's

1219

00:46:32,329 --> 00:46:30,660

available on Netflix uh I think well

1220

00:46:34,250 --> 00:46:32,339

it's available here in the UK I can't

1221

00:46:36,890 --> 00:46:34,260

speak for every country but I urge

1222

00:46:39,530 --> 00:46:36,900

everyone to go and watch it but then you

1223

00:46:41,150 --> 00:46:39,540

want to kind of explain a bit about it

1224

00:46:44,809 --> 00:46:41,160

just to sort of lay the record straight

1225

00:46:45,589 --> 00:46:44,819

yeah so I was contacted back in 2012 or

1226

00:46:48,470 --> 00:46:45,599

so

1227

00:46:50,809 --> 00:46:48,480

um by a woman by the name of Cindy she

1228

00:46:52,970 --> 00:46:50,819

was a segment producer for or what ended

1229

00:46:56,150 --> 00:46:52,980

up being her episode and they were

1230

00:46:58,250 --> 00:46:56,160

absolutely you know uh they were taken

1231

00:47:01,370 --> 00:46:58,260

by the fact that this was inducted as an

1232

00:47:01,970 --> 00:47:01,380

historically true event which it was and

1233

00:47:04,250 --> 00:47:01,980

um

1234

00:47:07,670 --> 00:47:04,260

and so the the whole idea of doing this

1235

00:47:11,089 --> 00:47:07,680

show was to you know um I had a website

1236

00:47:12,050 --> 00:47:11,099

in 2015 or so it was the Berkshires UFO

1237

00:47:14,270 --> 00:47:12,060

website

1238

00:47:16,250 --> 00:47:14,280

and so it ended up being named that the

1239

00:47:17,750 --> 00:47:16,260

Berkshires UFO not Tom Reeves Birches

1240

00:47:20,270 --> 00:47:17,760

UFO but you know you go to

1241

00:47:22,309 --> 00:47:20,280

berkshiresufo.com that's my website and

1242

00:47:25,550 --> 00:47:22,319

so um anyway

1243

00:47:28,370 --> 00:47:25,560

um they were

1244

00:47:30,829 --> 00:47:28,380

I think that when they went to town and

1245

00:47:33,470 --> 00:47:30,839

they started talking to all these people

1246

00:47:36,230 --> 00:47:33,480

I don't think they knew how many other

1247

00:47:38,329 --> 00:47:36,240

people were part of it and so this thing

1248

00:47:41,089 --> 00:47:38,339

grew and grew and grew until they were

1249

00:47:43,250 --> 00:47:41,099

you know they had uh you know Melanie on

1250

00:47:45,950 --> 00:47:43,260

it they had the radio station on it they

1251
00:47:47,569 --> 00:47:45,960
they actually recorded Kevin Titus I

1252
00:47:49,190 --> 00:47:47,579
mentioned Kevin Titus was a judge who

1253
00:47:50,329 --> 00:47:49,200
was in her well he was the one who

1254
00:47:52,069 --> 00:47:50,339
actually witnessed the cattle

1255
00:47:53,750 --> 00:47:52,079
mutilations which didn't make the show

1256
00:47:55,970 --> 00:47:53,760
they filmed a lot with him but that

1257
00:47:57,710 --> 00:47:55,980
didn't make the show so they removed

1258
00:47:59,750 --> 00:47:57,720
that so because that also screwed up the

1259
00:48:01,910 --> 00:47:59,760
flight plan because they want to show it

1260
00:48:04,309 --> 00:48:01,920
following the water well it actually

1261
00:48:06,349 --> 00:48:04,319
started in Connecticut around 6 15 right

1262
00:48:07,790 --> 00:48:06,359
around dinner time and then it went all

1263
00:48:10,550 --> 00:48:07,800

the way up to Pittsfield Massachusetts

1264

00:48:13,370 --> 00:48:10,560

and then came back towards Canaan again

1265

00:48:16,970 --> 00:48:13,380

so that Kanan was hit twice

1266

00:48:18,829 --> 00:48:16,980

but the first time he and his uh and his

1267

00:48:20,390 --> 00:48:18,839

friend were they had a 22 rifle and they

1268

00:48:22,430 --> 00:48:20,400

were shooting little ping you know cans

1269

00:48:23,809 --> 00:48:22,440

of stuff in the backyard right so it

1270

00:48:26,270 --> 00:48:23,819

actually started where it says North

1271

00:48:29,990 --> 00:48:26,280

Canaan yeah then it was seen in

1272

00:48:31,730 --> 00:48:30,000

Pittsfield right just like that yep

1273

00:48:33,349 --> 00:48:31,740

and what was interesting we mentioned we

1274

00:48:36,230 --> 00:48:33,359

discussed this before we came on the air

1275

00:48:38,630 --> 00:48:36,240

was that the Orange Line seems to pretty

1276

00:48:41,450 --> 00:48:38,640

much you know relate to the path that

1277

00:48:43,010 --> 00:48:41,460

this object took you know but if you

1278

00:48:44,270 --> 00:48:43,020

look at the water line and you pointed

1279

00:48:46,490 --> 00:48:44,280

this out to me the water it almost

1280

00:48:48,770 --> 00:48:46,500

follows the water line and it does I

1281

00:48:50,030 --> 00:48:48,780

mean that's fascinating yeah so it

1282

00:48:53,210 --> 00:48:50,040

started North Canada that's where they

1283

00:48:54,790 --> 00:48:53,220

found two cows mutilated and they

1284

00:48:58,069 --> 00:48:54,800

actually called the National Guard base

1285

00:49:00,170 --> 00:48:58,079

which didn't get an episode and then it

1286

00:49:01,730 --> 00:49:00,180

was noticed I think the first massive

1287

00:49:03,170 --> 00:49:01,740

sighting was in Pittsfield which is a

1288

00:49:05,270 --> 00:49:03,180

pretty big town by the way it's a pretty

1289

00:49:06,470 --> 00:49:05,280

good-sized little city right and so a

1290

00:49:08,630 --> 00:49:06,480

lot of sightings in Pittsfield and there

1291

00:49:10,430 --> 00:49:08,640

and um and that's where the NORAD Towers

1292

00:49:12,890 --> 00:49:10,440

were in Dalton which is right next to

1293

00:49:14,510 --> 00:49:12,900

Pittsfield okay so it was seen up there

1294

00:49:16,250 --> 00:49:14,520

and then it came through yeah

1295

00:49:18,109 --> 00:49:16,260

Stockbridge that's where Melanie lived

1296

00:49:20,870 --> 00:49:18,119

remember Melanie kirchstorfer yeah

1297

00:49:24,050 --> 00:49:20,880

absolutely she lives in Stockbridge and

1298

00:49:26,990 --> 00:49:24,060

so in Stockbridge the water does go to

1299

00:49:29,089 --> 00:49:27,000

the left you can see that and that is

1300

00:49:30,069 --> 00:49:29,099

where the lake was Great Barrington

1301
00:49:31,910 --> 00:49:30,079
Tennessee

1302
00:49:33,650 --> 00:49:31,920
Great Barrington if you go down a little

1303
00:49:36,530 --> 00:49:33,660
bit where the B is or the a in

1304
00:49:38,210 --> 00:49:36,540
Barrington go up go up yeah right in

1305
00:49:40,670 --> 00:49:38,220
there is where the lake is that Melanie

1306
00:49:42,410 --> 00:49:40,680
had her experience right by the way she

1307
00:49:45,230 --> 00:49:42,420
had hers

1308
00:49:48,589 --> 00:49:45,240
about the same time that I had hours

1309
00:49:51,770 --> 00:49:48,599
because she actually had seen it first

1310
00:49:55,190 --> 00:49:51,780
we encountered it about 45 minutes to an

1311
00:49:57,410 --> 00:49:55,200
hour later but we came back and three

1312
00:49:59,390 --> 00:49:57,420
hours she didn't return to the street

1313
00:50:03,050 --> 00:49:59,400

with a car or see her family to the next

1314

00:50:06,349 --> 00:50:03,060

morning so she was theoretically very

1315

00:50:08,569 --> 00:50:06,359

possibly at the same place that I was at

1316

00:50:10,309 --> 00:50:08,579

the same time yes now then you see where

1317

00:50:12,349 --> 00:50:10,319

it goes to Edgar my I don't think

1318

00:50:15,410 --> 00:50:12,359

anybody ever said it went to eggermont

1319

00:50:18,589 --> 00:50:15,420

but Vermont is a ski resort

1320

00:50:21,050 --> 00:50:18,599

so it's a very high elevation okay and

1321

00:50:21,710 --> 00:50:21,060

these golfers are the ones that reported

1322

00:50:26,809 --> 00:50:21,720

it

1323

00:50:29,390 --> 00:50:26,819

but they were also very high up

1324

00:50:31,910 --> 00:50:29,400

and so in some respects one of them was

1325

00:50:34,089 --> 00:50:31,920

actually saying it was almost eye level

1326

00:50:36,410 --> 00:50:34,099

okay

1327

00:50:38,089 --> 00:50:36,420

I wouldn't say it actually went to

1328

00:50:41,630 --> 00:50:38,099

eggermont I think it still followed the

1329

00:50:43,250 --> 00:50:41,640

Waterway but it was definitely seen by

1330

00:50:44,630 --> 00:50:43,260

eggermont and it got a classification

1331

00:50:45,770 --> 00:50:44,640

for Megan which is on one of those

1332

00:50:47,450 --> 00:50:45,780

letters that you showed up a minute

1333

00:50:49,790 --> 00:50:47,460

where you showed uh from the Historical

1334

00:50:50,710 --> 00:50:49,800

Society moments ago

1335

00:50:52,250 --> 00:50:50,720

um

1336

00:50:57,950 --> 00:50:52,260

so

1337

00:50:59,270 --> 00:50:57,960

again right you know um actually you see

1338

00:51:02,150 --> 00:50:59,280

where it says that seven right there in

1339

00:51:03,829 --> 00:51:02,160

front of Sheffield just uh yeah there's

1340

00:51:06,410 --> 00:51:03,839

actually a road do you see the one to

1341

00:51:08,750 --> 00:51:06,420

the right of that this one here that's

1342

00:51:14,030 --> 00:51:08,760

Boardman Street that's where our house

1343

00:51:15,829 --> 00:51:14,040

was oh wow and Gina Paul who was a

1344

00:51:17,750 --> 00:51:15,839

witness to this too along with her

1345

00:51:19,849 --> 00:51:17,760

father who was having a barbecue or a

1346

00:51:21,589 --> 00:51:19,859

picnic if you will that's also going to

1347

00:51:23,809 --> 00:51:21,599

be in our book she spoke out about it

1348

00:51:26,870 --> 00:51:23,819

that's where they saw it they actually

1349

00:51:28,430 --> 00:51:26,880

were seeing it here when the craft had

1350

00:51:31,130 --> 00:51:28,440

crossed the street they don't show it

1351
00:51:34,309 --> 00:51:31,140
crossing the highway so the craft that

1352
00:51:36,290 --> 00:51:34,319
they saw was coming down probably in

1353
00:51:38,210 --> 00:51:36,300
between where your cursor is and the

1354
00:51:40,430 --> 00:51:38,220
orange dot right about the middle

1355
00:51:43,190 --> 00:51:40,440
somewhere in there okay following the

1356
00:51:45,230 --> 00:51:43,200
Waterway she saw it actually Crossroad

1357
00:51:47,390 --> 00:51:45,240
seven so it actually went across seven

1358
00:51:49,250 --> 00:51:47,400
right if you go up a little higher

1359
00:51:52,549 --> 00:51:49,260
that's probably right about there is

1360
00:51:56,150 --> 00:51:52,559
yeah well right in there is pretty much

1361
00:51:58,309 --> 00:51:56,160
where they saw it cross the road okay at

1362
00:52:01,130 --> 00:51:58,319
one point was on the opposite side of

1363
00:52:03,650 --> 00:52:01,140

that Waterway okay and so we left town

1364

00:52:06,490 --> 00:52:03,660

which is pretty much where that orange

1365

00:52:09,349 --> 00:52:06,500

dot is underneath Sheffield and we went

1366

00:52:11,210 --> 00:52:09,359

across the bridge and that's kind of

1367

00:52:13,490 --> 00:52:11,220

where we met

1368

00:52:16,790 --> 00:52:13,500

we ran into it right there

1369

00:52:18,230 --> 00:52:16,800

so we think that there were these fears

1370

00:52:19,790 --> 00:52:18,240

or um

1371

00:52:21,950 --> 00:52:19,800

you know I call them a sphere some

1372

00:52:25,069 --> 00:52:21,960

people call them an orb yeah yeah what

1373

00:52:28,490 --> 00:52:25,079

what Gina had seen looking up over

1374

00:52:31,490 --> 00:52:28,500

towards the mountain of egremont

1375

00:52:33,470 --> 00:52:31,500

uh she said that all of a sudden it

1376

00:52:36,890 --> 00:52:33,480

looked like the hill had been you know

1377

00:52:38,510 --> 00:52:36,900

engulfed in a veil of gold okay so it

1378

00:52:41,089 --> 00:52:38,520

was casting something was happening with

1379

00:52:44,089 --> 00:52:41,099

the color of the the hill yeah and she

1380

00:52:46,910 --> 00:52:44,099

saw these orbs like all joined and split

1381

00:52:48,290 --> 00:52:46,920

apart or spears if you will and you know

1382

00:52:51,049 --> 00:52:48,300

that whole thing that you hear a lot

1383

00:52:53,990 --> 00:52:51,059

about the rounds balls yeah that's what

1384

00:52:55,790 --> 00:52:54,000

she was watching with her sister and she

1385

00:52:57,170 --> 00:52:55,800

was very descriptive about it

1386

00:52:59,329 --> 00:52:57,180

now

1387

00:53:01,670 --> 00:52:59,339

their whole family had a barbecue they

1388

00:53:04,130 --> 00:53:01,680

saw it which would have been just

1389

00:53:05,450 --> 00:53:04,140
minutes before we ran into it just

1390

00:53:06,650 --> 00:53:05,460
minutes before

1391

00:53:08,809 --> 00:53:06,660
because

1392

00:53:10,309 --> 00:53:08,819
you know we live next door to them I

1393

00:53:12,049 --> 00:53:10,319
mean we could they used to walk to the

1394

00:53:14,089 --> 00:53:12,059
school bus with me

1395

00:53:16,670 --> 00:53:14,099
and so

1396

00:53:19,069 --> 00:53:16,680
you know you're talking maybe

1397

00:53:20,750 --> 00:53:19,079
three miles from where we were right

1398

00:53:22,910 --> 00:53:20,760
that close

1399

00:53:24,530 --> 00:53:22,920
yeah that's fascinating it's good to be

1400

00:53:26,329 --> 00:53:24,540
able to put it on a map or a timeline

1401

00:53:29,930 --> 00:53:26,339

and show you know to get that better

1402

00:53:32,089 --> 00:53:29,940

picture of it yeah so yeah so you know

1403

00:53:33,470 --> 00:53:32,099

when it came to the actual show then on

1404

00:53:35,990 --> 00:53:33,480

Netflix was there anything you kind of

1405

00:53:37,970 --> 00:53:36,000

uh want to touch base on yeah whether

1406

00:53:39,770 --> 00:53:37,980

it's positive negative you know I'll

1407

00:53:40,430 --> 00:53:39,780

leave it I'll leave it up to you all

1408

00:53:41,809 --> 00:53:40,440

right

1409

00:53:43,970 --> 00:53:41,819

um the positives

1410

00:53:46,250 --> 00:53:43,980

it was the only show to show the path

1411

00:53:49,430 --> 00:53:46,260

that it took okay

1412

00:53:53,690 --> 00:53:49,440

um they uh they did a good job all in

1413

00:53:57,710 --> 00:53:55,849

they they focused on the radio station

1414

00:54:00,530 --> 00:53:57,720

which was important but I don't think

1415

00:54:02,510 --> 00:54:00,540

they mentioned that uh you know Tom J he

1416

00:54:03,890 --> 00:54:02,520

was a ham radio operator back in the day

1417

00:54:06,589 --> 00:54:03,900

and he heard some of the stuff over the

1418

00:54:08,870 --> 00:54:06,599

ham radio yeah uh called the police the

1419

00:54:11,030 --> 00:54:08,880

police at the time didn't you know

1420

00:54:12,410 --> 00:54:11,040

didn't staff the police department you

1421

00:54:14,569 --> 00:54:12,420

know at 11 12 o'clock at night because

1422

00:54:16,190 --> 00:54:14,579

you're talking about a town but you know

1423

00:54:19,250 --> 00:54:16,200

not that many people right so they went

1424

00:54:21,589 --> 00:54:19,260

home and and so with that they had asked

1425

00:54:23,870 --> 00:54:21,599

him to go on the radio and break in and

1426

00:54:25,130 --> 00:54:23,880

say Hey listen anybody out there you

1427

00:54:27,589 --> 00:54:25,140

know see what's going on can you call

1428

00:54:29,089 --> 00:54:27,599

the Station you know and so that was the

1429

00:54:31,490 --> 00:54:29,099

role he played which they kind of

1430

00:54:32,210 --> 00:54:31,500

touched on it but they really didn't and

1431

00:54:34,970 --> 00:54:32,220

then

1432

00:54:37,069 --> 00:54:34,980

um you know the uh the next day the

1433

00:54:39,349 --> 00:54:37,079

radio station you know played a lot of

1434

00:54:41,630 --> 00:54:39,359

their the calls that came in and in the

1435

00:54:42,950 --> 00:54:41,640

80s they still had the archives so in

1436

00:54:44,930 --> 00:54:42,960

the 80s one when this was gone to the

1437

00:54:47,569 --> 00:54:44,940

U.N they actually replayed it so they

1438

00:54:49,549 --> 00:54:47,579

did have copies into the 80s

1439

00:54:51,829 --> 00:54:49,559

um now it's Tom J if it passed away but

1440

00:54:53,569 --> 00:54:51,839

his wife was still around and was

1441

00:54:55,849 --> 00:54:53,579

willing to talk so I don't know why she

1442

00:54:57,349 --> 00:54:55,859

didn't get on the show because DJ's wife

1443

00:54:59,690 --> 00:54:57,359

was actually still alive to this day and

1444

00:55:00,829 --> 00:54:59,700

lives in the same house wow they did say

1445

00:55:03,890 --> 00:55:00,839

that they didn't know where the tapes

1446

00:55:06,130 --> 00:55:03,900

were today well according to her Tom J's

1447

00:55:08,930 --> 00:55:06,140

wife she thinks that they're in Arizona

1448

00:55:10,309 --> 00:55:08,940

at their children's home so whether they

1449

00:55:12,530 --> 00:55:10,319

are aren't I don't know but apparently

1450

00:55:15,109 --> 00:55:12,540

after Tom J passed there were all these

1451

00:55:17,510 --> 00:55:15,119

uh these boxes from the station that

1452

00:55:20,270 --> 00:55:17,520

went to their families right

1453

00:55:22,130 --> 00:55:20,280

um with that so um a lot of that could

1454

00:55:23,569 --> 00:55:22,140

have been in the show but it wasn't and

1455

00:55:25,549 --> 00:55:23,579

then one of the things I will say is

1456

00:55:28,549 --> 00:55:25,559

this okay so

1457

00:55:29,750 --> 00:55:28,559

the incident took place in Sheffield

1458

00:55:32,150 --> 00:55:29,760

okay

1459

00:55:33,950 --> 00:55:32,160

it also was seen in Great Barrington and

1460

00:55:36,230 --> 00:55:33,960

Pittsfield and Lennox in the whole bit

1461

00:55:38,089 --> 00:55:36,240

but it wasn't reported to the police

1462

00:55:41,390 --> 00:55:38,099

department in those towns

1463

00:55:43,549 --> 00:55:41,400

it was reported by the radio station

1464

00:55:45,349 --> 00:55:43,559

to the Great Barrington Police

1465

00:55:48,109 --> 00:55:45,359

Department that it was seen over

1466

00:55:50,030 --> 00:55:48,119

Sheffield right so it wouldn't be in a

1467

00:55:51,349 --> 00:55:50,040

Great Barrington Police Department's

1468

00:55:55,010 --> 00:55:51,359

notes

1469

00:55:56,390 --> 00:55:55,020

when agerman the golfers at egremont you

1470

00:55:58,069 --> 00:55:56,400

know they were teeing off and everything

1471

00:56:00,890 --> 00:55:58,079

and had their pallets set on some

1472

00:56:03,710 --> 00:56:00,900

champagne and a steak when they reported

1473

00:56:05,930 --> 00:56:03,720

it they called the radio station because

1474

00:56:08,450 --> 00:56:05,940

a girl had an outdoor radio pocket radio

1475

00:56:10,130 --> 00:56:08,460

thing and they called they went in and

1476
00:56:12,950 --> 00:56:10,140
uses black dial phone and they called

1477
00:56:15,049 --> 00:56:12,960
the radio station which at that point

1478
00:56:16,730 --> 00:56:15,059
went to Sheffield

1479
00:56:18,710 --> 00:56:16,740
there were no reports in Great

1480
00:56:21,470 --> 00:56:18,720
Barrington Melanie's family didn't

1481
00:56:23,270 --> 00:56:21,480
report it they went home Melanie wasn't

1482
00:56:24,650 --> 00:56:23,280
there to report it she wasn't didn't

1483
00:56:26,270 --> 00:56:24,660
find herself back in that street till

1484
00:56:28,790 --> 00:56:26,280
the next morning

1485
00:56:30,589 --> 00:56:28,800
um you know uh Jan green who was on

1486
00:56:32,690 --> 00:56:30,599
Unsolved Mysteries went to the radio

1487
00:56:35,390 --> 00:56:32,700
station the reports were going to the

1488
00:56:37,190 --> 00:56:35,400

radio station they were contacting the

1489

00:56:39,650 --> 00:56:37,200

Sheffield Police Department because it

1490

00:56:41,329 --> 00:56:39,660

wasn't seen in Great Barrington

1491

00:56:42,890 --> 00:56:41,339

so anyway

1492

00:56:45,650 --> 00:56:42,900

um with that

1493

00:56:48,589 --> 00:56:45,660

in the show they show

1494

00:56:50,329 --> 00:56:48,599

um you know uh what's his name glotta uh

1495

00:56:52,309 --> 00:56:50,339

the family Galata was the police chief

1496

00:56:53,569 --> 00:56:52,319

and his son who was in the show so

1497

00:56:55,130 --> 00:56:53,579

that's my dad you know hunting or

1498

00:56:56,510 --> 00:56:55,140

whatever it was so that was his gas

1499

00:56:57,589 --> 00:56:56,520

station a lot of his gas station he's a

1500

00:56:59,270 --> 00:56:57,599

good guy by the way he's still in the

1501
00:57:01,490 --> 00:56:59,280
school family not so much him but his

1502
00:57:03,410 --> 00:57:01,500
brother Tony anyway

1503
00:57:05,030 --> 00:57:03,420
um they used to come in our our

1504
00:57:07,130 --> 00:57:05,040
restaurant and he really liked the fries

1505
00:57:07,970 --> 00:57:07,140
again you know the whole thing but

1506
00:57:10,430 --> 00:57:07,980
anyway

1507
00:57:12,049 --> 00:57:10,440
um he talks about how he got the call

1508
00:57:15,650 --> 00:57:12,059
and his father who was the chief of

1509
00:57:17,089 --> 00:57:15,660
police in the area small town they went

1510
00:57:19,490 --> 00:57:17,099
out and looked for it because they

1511
00:57:22,609 --> 00:57:19,500
people were reporting seeing it land

1512
00:57:25,190 --> 00:57:22,619
wow so they should have focused on that

1513
00:57:26,510 --> 00:57:25,200

more yeah and not bring in some officer

1514

00:57:28,069 --> 00:57:26,520

going well I don't do anything well

1515

00:57:29,329 --> 00:57:28,079

because it wasn't reported to you you

1516

00:57:31,250 --> 00:57:29,339

know

1517

00:57:34,910 --> 00:57:31,260

um and besides something else too people

1518

00:57:37,849 --> 00:57:34,920

get this you can't uh a citing is not a

1519

00:57:40,790 --> 00:57:37,859

police report it's not a crime

1520

00:57:43,670 --> 00:57:40,800

right they know that they they you know

1521

00:57:44,990 --> 00:57:43,680

why would a document driven program you

1522

00:57:47,630 --> 00:57:45,000

know lead people to believe something

1523

00:57:51,290 --> 00:57:47,640

when they know better right so if I if

1524

00:57:52,670 --> 00:57:51,300

you saw a UFO outside your podcast right

1525

00:57:55,370 --> 00:57:52,680

now right

1526

00:57:57,710 --> 00:57:55,380

it's not a crime you can't file a police

1527

00:58:00,589 --> 00:57:57,720

report there's been no crime committed

1528

00:58:01,970 --> 00:58:00,599

exactly but there are signings there are

1529

00:58:08,030 --> 00:58:01,980

statements

1530

00:58:09,410 --> 00:58:08,040

ship Great Barrington wouldn't have

1531

00:58:11,210 --> 00:58:09,420

anything

1532

00:58:13,010 --> 00:58:11,220

reported because it wasn't it was so

1533

00:58:14,630 --> 00:58:13,020

crime committed and it wasn't reported

1534

00:58:16,549 --> 00:58:14,640

to them to begin with that was that was

1535

00:58:19,069 --> 00:58:16,559

not in my opinion they should have done

1536

00:58:21,650 --> 00:58:19,079

that I mean yeah I mean it's

1537

00:58:23,329 --> 00:58:21,660

understandable absolutely a weak link to

1538

00:58:24,950 --> 00:58:23,339

it along with

1539

00:58:25,910 --> 00:58:24,960

you know someone else that shouldn't

1540

00:58:28,549 --> 00:58:25,920

have been in the show but that's all

1541

00:58:29,990 --> 00:58:28,559

right no yeah I mean I'd still I'd still

1542

00:58:31,970 --> 00:58:30,000

recommend to anybody watching or

1543

00:58:34,569 --> 00:58:31,980

listening to go check it out you know

1544

00:58:37,069 --> 00:58:34,579

it's it's it's well put together I mean

1545

00:58:38,750 --> 00:58:37,079

now if you've watched or listened to

1546

00:58:40,250 --> 00:58:38,760

this interview and then go and watch it

1547

00:58:42,530 --> 00:58:40,260

for the first time at least you know

1548

00:58:44,690 --> 00:58:42,540

what to look for and also we mentioned

1549

00:58:46,309 --> 00:58:44,700

earlier on the uh Amar and the yes

1550

00:58:48,109 --> 00:58:46,319

Theory YouTube channel came out and

1551
00:58:49,549 --> 00:58:48,119
filled with you but I've linked their

1552
00:58:50,930 --> 00:58:49,559
sort of mini documentary in the

1553
00:58:52,430 --> 00:58:50,940
description and that's definitely worth

1554
00:58:53,809 --> 00:58:52,440
watching they cover it really well

1555
00:58:55,190 --> 00:58:53,819
there's some better ones I mean I think

1556
00:58:57,890 --> 00:58:55,200
one of the best shows ever done on us

1557
00:58:59,690 --> 00:58:57,900
was travel channels um UFO witness was

1558
00:59:02,329 --> 00:58:59,700
good but uh probably the best one to be

1559
00:59:05,390 --> 00:59:02,339
honest with you was uh travel channels

1560
00:59:07,430 --> 00:59:05,400
um UFO undercover uh they talk about my

1561
00:59:09,349 --> 00:59:07,440
father the pop being a politician they

1562
00:59:11,510 --> 00:59:09,359
talk about how the state you know

1563
00:59:14,630 --> 00:59:11,520

inducted it I mean that was a very good

1564

00:59:16,490 --> 00:59:14,640

documentary that was by far the best I

1565

00:59:17,990 --> 00:59:16,500

think that they um they went a little

1566

00:59:20,690 --> 00:59:18,000

further you know there's this box right

1567

00:59:23,210 --> 00:59:20,700

they want to stay the you know within

1568

00:59:25,430 --> 00:59:23,220

those Realms you know and leave it kind

1569

00:59:26,470 --> 00:59:25,440

of Huawei and leave out what really

1570

00:59:28,970 --> 00:59:26,480

matters

1571

00:59:30,890 --> 00:59:28,980

that particular show

1572

00:59:32,990 --> 00:59:30,900

um I was on it with Lauren Eisenhower

1573

00:59:34,190 --> 00:59:33,000

you know his father was also a

1574

00:59:36,170 --> 00:59:34,200

grandfather you know President

1575

00:59:38,270 --> 00:59:36,180

Eisenhower sure and of course my father

1576
00:59:40,549 --> 00:59:38,280
was a political person so the two of us

1577
00:59:42,230 --> 00:59:40,559
got in that show together

1578
00:59:44,510 --> 00:59:42,240
um because of the government type of

1579
00:59:47,089 --> 00:59:44,520
thing it was good timing you know and um

1580
00:59:48,950 --> 00:59:47,099
and so uh with that they dug a little

1581
00:59:50,510 --> 00:59:48,960
deeper you know they they really did

1582
00:59:51,710 --> 00:59:50,520
they talked about the crop circles they

1583
00:59:53,329 --> 00:59:51,720
showed the crop circles they took

1584
00:59:56,210 --> 00:59:53,339
pictures of that they actually have a

1585
00:59:57,710 --> 00:59:56,220
picture of the sphere in the area

1586
01:00:00,349 --> 00:59:57,720
um you know and again

1587
01:00:04,069 --> 01:00:00,359
um you know mention uh my father and

1588
01:00:05,569 --> 01:00:04,079

that kind of a deeper dive and and um

1589

01:00:07,430 --> 01:00:05,579

you know they weren't afraid to take

1590

01:00:09,530 --> 01:00:07,440

some chances I guess is the best way to

1591

01:00:11,569 --> 01:00:09,540

word it just like yes Theory I mean they

1592

01:00:14,690 --> 01:00:11,579

were they were amazing they did a great

1593

01:00:15,710 --> 01:00:14,700

job so absolutely that I recommend so

1594

01:00:19,130 --> 01:00:15,720

I'm going to go and try and find that

1595

01:00:21,349 --> 01:00:19,140

Travel Channel UFO yeah it's on Vimeo I

1596

01:00:22,849 --> 01:00:21,359

think okay okay I'll find out the link

1597

01:00:23,930 --> 01:00:22,859

to it if you want but oh that'd be good

1598

01:00:26,210 --> 01:00:23,940

that'd be great because I could be

1599

01:00:28,130 --> 01:00:26,220

searching for a long time here I

1600

01:00:29,750 --> 01:00:28,140

appreciate it please do now listen Tom

1601

01:00:33,349 --> 01:00:29,760

before we finish off I did just want to

1602

01:00:34,970 --> 01:00:33,359

talk about UFO Expo oh yeah sure you

1603

01:00:36,650 --> 01:00:34,980

know you've graciously invited me to to

1604

01:00:38,630 --> 01:00:36,660

virtually speak in the event I can't

1605

01:00:40,490 --> 01:00:38,640

wait to do that and yeah but yeah I

1606

01:00:41,990 --> 01:00:40,500

wanted to just at least show the website

1607

01:00:43,849 --> 01:00:42,000

and you can kind of want to talk us

1608

01:00:46,130 --> 01:00:43,859

through it just uh okay because it's

1609

01:00:50,150 --> 01:00:46,140

such a unique event so

1610

01:00:51,049 --> 01:00:50,160

okay yeah yeah UFO Expo

1611

01:00:52,970 --> 01:00:51,059

um

1612

01:00:54,650 --> 01:00:52,980

is a conference that I used to hold in

1613

01:00:58,190 --> 01:00:54,660

Massachusetts and Salem Mass and Florida

1614

01:01:00,530 --> 01:00:58,200

and that was approached by Roswell to

1615

01:01:02,569 --> 01:01:00,540

um the city of Roswell if you will uh

1616

01:01:05,329 --> 01:01:02,579

and Elizabeth Michael specifically to

1617

01:01:07,069 --> 01:01:05,339

move it there because the uh you know

1618

01:01:10,670 --> 01:01:07,079

the town is known for this type of a

1619

01:01:13,010 --> 01:01:10,680

topic and uh and Roswell played a part

1620

01:01:15,170 --> 01:01:13,020

in getting our case inducted into United

1621

01:01:17,630 --> 01:01:15,180

States history so when they asked me if

1622

01:01:19,970 --> 01:01:17,640

I'd move it there I was like sure you

1623

01:01:22,250 --> 01:01:19,980

know let's do it and uh so we got an

1624

01:01:25,430 --> 01:01:22,260

unbelievable lineup I mean we're going

1625

01:01:27,890 --> 01:01:25,440

to have um primary speakers secondary uh

1626

01:01:29,809 --> 01:01:27,900

virtual speakers coming in

1627

01:01:31,789 --> 01:01:29,819

um you know Toby's going to be there

1628

01:01:35,150 --> 01:01:31,799

you're going to be part of it

1629

01:01:36,710 --> 01:01:35,160

um we've got a film uh Fest happening uh

1630

01:01:39,530 --> 01:01:36,720

we're gonna have a little bit of Cosplay

1631

01:01:44,390 --> 01:01:39,540

there's a woman that I'm speaking with

1632

01:01:47,569 --> 01:01:44,400

Elena who uh runs galacticon and uh

1633

01:01:50,809 --> 01:01:47,579

because yeah because there's uh you know

1634

01:01:52,549 --> 01:01:50,819

two colleges nearby and uh we thought

1635

01:01:54,950 --> 01:01:52,559

you know why not add a little cosplay

1636

01:01:56,329 --> 01:01:54,960

competition thing have some fun with

1637

01:01:58,010 --> 01:01:56,339

that

1638

01:01:59,089 --> 01:01:58,020

um we're gonna have what's called tracks

1639

01:02:01,309 --> 01:01:59,099

they're not going to be the same old

1640

01:02:03,109 --> 01:02:01,319

same old where we're going to just stand

1641

01:02:05,329 --> 01:02:03,119

behind a Podium and go down memory lane

1642

01:02:08,089 --> 01:02:05,339

we're going to talk about the subject as

1643

01:02:09,829 --> 01:02:08,099

a whole so sure Travis Walton Fire in

1644

01:02:12,230 --> 01:02:09,839

the Sky Maybe present a couple other

1645

01:02:13,910 --> 01:02:12,240

people from you know from a truck that

1646

01:02:15,109 --> 01:02:13,920

night you know and talks about things

1647

01:02:17,030 --> 01:02:15,119

that he something a little bit different

1648

01:02:19,069 --> 01:02:17,040

we want to broaden it so we're going to

1649

01:02:21,770 --> 01:02:19,079

have the primary speaker be an interview

1650

01:02:24,289 --> 01:02:21,780

with two chairs on stage no Podium glass

1651
01:02:26,390 --> 01:02:24,299
of water between you know talking like

1652
01:02:28,789 --> 01:02:26,400
friends and then have the screen behind

1653
01:02:30,589 --> 01:02:28,799
where we'll show a clip and then Skype

1654
01:02:32,870 --> 01:02:30,599
somebody else in or Zoom someone else in

1655
01:02:34,609 --> 01:02:32,880
to talk about that as a group and then

1656
01:02:37,069 --> 01:02:34,619
take a microphone go around the room and

1657
01:02:39,230 --> 01:02:37,079
talk about it so it's more interactive

1658
01:02:41,210 --> 01:02:39,240
we're going to get more people talking

1659
01:02:42,829 --> 01:02:41,220
and asking questions to these people

1660
01:02:45,170 --> 01:02:42,839
that they normally just have to sit on a

1661
01:02:46,910 --> 01:02:45,180
fold-out chair for an hour and a half to

1662
01:02:49,370 --> 01:02:46,920
try to think it all in you're like you

1663
01:02:51,650 --> 01:02:49,380

know I need you know ah God it's like

1664

01:02:54,109 --> 01:02:51,660

you know for two hours right so we're

1665

01:02:55,609 --> 01:02:54,119

we're gonna try to open it up and bring

1666

01:02:58,370 --> 01:02:55,619

something a little bit different so

1667

01:03:00,710 --> 01:02:58,380

again you know Steve Bassett you know

1668

01:03:04,010 --> 01:03:00,720

um you know Tyrone Vaughn actually who's

1669

01:03:07,670 --> 01:03:04,020

related to uh Stevie Ray Vaughan he uh

1670

01:03:10,789 --> 01:03:07,680

gave us a guitar to auction off at the

1671

01:03:12,890 --> 01:03:10,799

event so it's signed by Melissa Tittle

1672

01:03:16,130 --> 01:03:12,900

and and Rita King she's the daughter of

1673

01:03:18,770 --> 01:03:16,140

BB King she's gonna be um she's part of

1674

01:03:20,270 --> 01:03:18,780

it yeah so it is it's just a unique

1675

01:03:22,450 --> 01:03:20,280

event and I'm just yeah I'm just so

1676

01:03:26,510 --> 01:03:22,460

honored to be a part of it

1677

01:03:28,010 --> 01:03:26,520

yeah at once again everybody that's

1678

01:03:30,470 --> 01:03:28,020

interested the Link's in the description

1679

01:03:32,030 --> 01:03:30,480

of the video as well you know um so will

1680

01:03:33,650 --> 01:03:32,040

you be selling virtual tickets can

1681

01:03:35,210 --> 01:03:33,660

people watch if they can't make it in

1682

01:03:38,450 --> 01:03:35,220

person oh you know a lot of people ask

1683

01:03:41,270 --> 01:03:38,460

us that but um you know it's not

1684

01:03:43,549 --> 01:03:41,280

available and you know right now to be

1685

01:03:46,069 --> 01:03:43,559

honest with you we have um it's such a

1686

01:03:48,410 --> 01:03:46,079

big event that theoretically we could

1687

01:03:50,450 --> 01:03:48,420

sell these tickets for 250 to 300 I mean

1688

01:03:52,549 --> 01:03:50,460

let's think about it you saw it I mean

1689

01:03:55,549 --> 01:03:52,559

that's only part of it you know there's

1690

01:03:58,130 --> 01:03:55,559

a lot of money invested in this one and

1691

01:04:01,370 --> 01:03:58,140

uh yeah you know uh we're also working

1692

01:04:04,849 --> 01:04:01,380

with the city of Roswell as as well to

1693

01:04:07,130 --> 01:04:04,859

re uh Kindle or start the uh Main Street

1694

01:04:09,289 --> 01:04:07,140

Roswell event too and of course the

1695

01:04:11,690 --> 01:04:09,299

Roswell Daily Record is part of it so so

1696

01:04:13,849 --> 01:04:11,700

we really want to keep it you know it's

1697

01:04:16,730 --> 01:04:13,859

a way to say hey thanks to Roswell let's

1698

01:04:18,650 --> 01:04:16,740

do something awesome for you maybe next

1699

01:04:21,589 --> 01:04:18,660

year we broaden it or something but this

1700

01:04:24,049 --> 01:04:21,599

year we're gonna try to just it's our

1701

01:04:25,970 --> 01:04:24,059

way too of saying thanks but at the same

1702

01:04:28,069 --> 01:04:25,980

time it's a good opportunity to bring

1703

01:04:29,750 --> 01:04:28,079

something uh different to Roswell now

1704

01:04:30,829 --> 01:04:29,760

think about this too the Fourth of July

1705

01:04:32,390 --> 01:04:30,839

when they have their Festival there's

1706

01:04:33,950 --> 01:04:32,400

only so many flights there's only so

1707

01:04:36,530 --> 01:04:33,960

many planes there's only so many hotel

1708

01:04:39,049 --> 01:04:36,540

rooms right and so not everybody can

1709

01:04:40,670 --> 01:04:39,059

always go Fourth of July weekend but now

1710

01:04:43,309 --> 01:04:40,680

they have an event to go to during

1711

01:04:44,870 --> 01:04:43,319

spring break and now they can also go to

1712

01:04:46,970 --> 01:04:44,880

the museum now they can also see what

1713

01:04:50,450 --> 01:04:46,980

Roswell has to offer you know at the

1714

01:04:53,270 --> 01:04:50,460

same time without you know you know you

1715

01:04:55,370 --> 01:04:53,280

had spring break is you've got colleges

1716

01:04:57,289 --> 01:04:55,380

everywhere right you've got if I I know

1717

01:04:58,789 --> 01:04:57,299

if I lived outside Roswell I'd want to

1718

01:05:00,890 --> 01:04:58,799

see a festival there again I don't want

1719

01:05:02,569 --> 01:05:00,900

to hear something else you know you have

1720

01:05:04,849 --> 01:05:02,579

the same thing a lot right you have the

1721

01:05:07,309 --> 01:05:04,859

speakers the same event kind of thing so

1722

01:05:09,710 --> 01:05:07,319

it brings something new that complements

1723

01:05:11,569 --> 01:05:09,720

what's in place it's not taking you know

1724

01:05:13,789 --> 01:05:11,579

over something or it's not going to be

1725

01:05:17,210 --> 01:05:13,799

compared to something else it's just

1726

01:05:18,470 --> 01:05:17,220

something different and um so I'm really

1727

01:05:20,390 --> 01:05:18,480

looking forward to it I mean it's gonna

1728

01:05:22,490 --> 01:05:20,400

be awesome and also gives me an

1729

01:05:23,870 --> 01:05:22,500

opportunity to clear the air on things

1730

01:05:25,549 --> 01:05:23,880

that some things I really can't say in

1731

01:05:27,890 --> 01:05:25,559

the air that we've talked about off the

1732

01:05:30,230 --> 01:05:27,900

air because sure yeah I understand some

1733

01:05:32,630 --> 01:05:30,240

things are just not cool you know what I

1734

01:05:35,089 --> 01:05:32,640

mean so it gives me an opportunity to

1735

01:05:37,190 --> 01:05:35,099

add to what happened with our family at

1736

01:05:39,470 --> 01:05:37,200

the same time uh pay something back to

1737

01:05:41,870 --> 01:05:39,480

Roswell and have my friends hang out and

1738

01:05:43,700 --> 01:05:41,880

uh have some drinks with everybody have

1739

01:05:50,470 --> 01:05:43,710

you ever done a shot with Travis Walton

1740

01:05:55,250 --> 01:05:53,210

UFO Expo you can there you go that's

1741

01:05:56,930 --> 01:05:55,260

amazing well I'm honored to be a part of

1742

01:05:58,430 --> 01:05:56,940

it I can't wait to present what what

1743

01:06:00,230 --> 01:05:58,440

I've been working on

1744

01:06:01,609 --> 01:06:00,240

um I'm really excited for that but uh

1745

01:06:03,170 --> 01:06:01,619

again this has been an absolutely

1746

01:06:05,390 --> 01:06:03,180

wonderful conversation I knew it would

1747

01:06:07,069 --> 01:06:05,400

be I really really appreciate appreciate

1748

01:06:10,370 --> 01:06:07,079

you taking the time out

1749

01:06:12,170 --> 01:06:10,380

um and I'm sure you have the documents

1750

01:06:13,789 --> 01:06:12,180

can you put those up real quick the uh

1751
01:06:15,230 --> 01:06:13,799
do you have the one from the governor I

1752
01:06:18,349 --> 01:06:15,240
want to touch on something real quick I

1753
01:06:20,690 --> 01:06:18,359
do indeed yeah bear with me don't want

1754
01:06:21,829 --> 01:06:20,700
to keep it no no no not at all did you

1755
01:06:24,049 --> 01:06:21,839
want the history is that the Historical

1756
01:06:25,910 --> 01:06:24,059
Society letter well that would put that

1757
01:06:29,870 --> 01:06:25,920
up real quick if you don't mind I don't

1758
01:06:31,609 --> 01:06:29,880
mind at all yeah so okay so I have this

1759
01:06:34,010 --> 01:06:31,619
one can you blow it up a little bit or

1760
01:06:36,650 --> 01:06:34,020
no yeah yeah oh wow all right so you see

1761
01:06:38,809 --> 01:06:36,660
where this will give you an idea of the

1762
01:06:41,089 --> 01:06:38,819
amount of information that came to them

1763
01:06:41,870 --> 01:06:41,099

so if you look at

1764

01:06:46,029 --> 01:06:41,880

um

1765

01:06:49,190 --> 01:06:46,039

uh let's see okay uh wsbs radio station

1766

01:06:51,710 --> 01:06:49,200

it talks about the September 1st 1969

1767

01:06:54,170 --> 01:06:51,720

incident yeah um and that was it was

1768

01:06:56,329 --> 01:06:54,180

issued a high net classification that

1769

01:06:59,690 --> 01:06:56,339

was from the golfers

1770

01:07:01,430 --> 01:06:59,700

at eagermont Country Club right and

1771

01:07:02,870 --> 01:07:01,440

that's because it was so high they had a

1772

01:07:05,990 --> 01:07:02,880

view of it

1773

01:07:07,970 --> 01:07:06,000

um and then um Jay Alan heineck and um

1774

01:07:11,390 --> 01:07:07,980

for whatever reason even though it took

1775

01:07:13,309 --> 01:07:11,400

place in 1969 it never made Project Blue

1776

01:07:16,130 --> 01:07:13,319

Book Project Blue Book ended that year

1777

01:07:18,049 --> 01:07:16,140

yeah never actually got in there but it

1778

01:07:19,549 --> 01:07:18,059

was issued behind the classification it

1779

01:07:21,890 --> 01:07:19,559

just never got entered which is

1780

01:07:23,150 --> 01:07:21,900

unfortunate too however

1781

01:07:25,190 --> 01:07:23,160

um and you know if you look at the rest

1782

01:07:28,010 --> 01:07:25,200

of it too to uh you know factual

1783

01:07:29,690 --> 01:07:28,020

corroborated evidence and the polygraph

1784

01:07:32,569 --> 01:07:29,700

tests that I had to take for them I mean

1785

01:07:35,089 --> 01:07:32,579

there was a lot they didn't just

1786

01:07:37,130 --> 01:07:35,099

you know jump on this

1787

01:07:40,490 --> 01:07:37,140

for you know right away this they

1788

01:07:43,430 --> 01:07:40,500

investigated this for two years yeah

1789

01:07:44,809 --> 01:07:43,440

yeah it's amazing the one the one from

1790

01:07:47,210 --> 01:07:44,819

the governor

1791

01:07:49,190 --> 01:07:47,220

okay here's something else now this

1792

01:07:52,730 --> 01:07:49,200

particular one that you have

1793

01:07:56,089 --> 01:07:53,950

oh

1794

01:08:01,549 --> 01:07:56,099

and I'm going to explain this okay

1795

01:08:04,609 --> 01:08:01,559

please please yeah so if you look at the

1796

01:08:06,289 --> 01:08:04,619

citations and some of the uh stuff

1797

01:08:08,089 --> 01:08:06,299

that's floating around out there for

1798

01:08:10,069 --> 01:08:08,099

those who don't like the topic you know

1799

01:08:12,170 --> 01:08:10,079

Fallen Angels whatever the problem is

1800

01:08:14,990 --> 01:08:12,180

they have with this topic you'll see

1801
01:08:18,610 --> 01:08:15,000
that they'll say the governor rescinded

1802
01:08:24,590 --> 01:08:21,709
that's the one he took back if you look

1803
01:08:27,229 --> 01:08:24,600
in there there is no date of when it

1804
01:08:30,169 --> 01:08:27,239
took place right yep

1805
01:08:31,189 --> 01:08:30,179
he reissued one two weeks later in

1806
01:08:33,650 --> 01:08:31,199
November

1807
01:08:36,650 --> 01:08:33,660
so you have these reporters that go oh

1808
01:08:39,470 --> 01:08:36,660
didn't the governor you know rescind his

1809
01:08:42,289 --> 01:08:39,480
citation well okay he rescinded the

1810
01:08:44,269 --> 01:08:42,299
first one because he amended it and

1811
01:08:46,189 --> 01:08:44,279
reissued it

1812
01:08:49,130 --> 01:08:46,199
so if you go to the website you'll see

1813
01:08:50,390 --> 01:08:49,140

the new one that has the date and so

1814

01:08:52,370 --> 01:08:50,400

that's something I wanted to clarify

1815

01:08:53,930 --> 01:08:52,380

then they talked about taking the

1816

01:08:57,470 --> 01:08:53,940

monument remember about that oh they

1817

01:08:59,689 --> 01:08:57,480

moved the monument yeah all right they

1818

01:09:01,070 --> 01:08:59,699

removed that they act there it is if you

1819

01:09:01,849 --> 01:09:01,080

blow that up you'll see the dates on

1820

01:09:04,309 --> 01:09:01,859

that one

1821

01:09:05,990 --> 01:09:04,319

that's the amended one yeah September

1822

01:09:07,849 --> 01:09:06,000

1st 69.

1823

01:09:09,890 --> 01:09:07,859

right and that's the bridge in the

1824

01:09:13,610 --> 01:09:09,900

background right that's it we were

1825

01:09:17,510 --> 01:09:13,620

coming out left to right okay right and

1826
01:09:19,849 --> 01:09:17,520
where that uh White sphere was that also

1827
01:09:21,530 --> 01:09:19,859
fired these rods of like poles of light

1828
01:09:23,329 --> 01:09:21,540
in the water is right about right about

1829
01:09:26,269 --> 01:09:23,339
where that is where your cursor is a

1830
01:09:29,450 --> 01:09:26,279
little here okay just on this yeah you

1831
01:09:31,610 --> 01:09:29,460
can see the water to the right of the uh

1832
01:09:32,930 --> 01:09:31,620
Monument on the right corner oh of

1833
01:09:36,590 --> 01:09:32,940
course yeah I didn't even notice that

1834
01:09:38,150 --> 01:09:36,600
right okay and the other one the one

1835
01:09:39,530 --> 01:09:38,160
that was like an iron sphere was to the

1836
01:09:41,630 --> 01:09:39,540
left of the bridge quite a ways down

1837
01:09:44,150 --> 01:09:41,640
actually so we actually came out so you

1838
01:09:45,650 --> 01:09:44,160

can tell if just by looking at this

1839

01:09:47,510 --> 01:09:45,660

the the white sphere would have been

1840

01:09:48,769 --> 01:09:47,520

kind of where that water is the other

1841

01:09:49,789 --> 01:09:48,779

one would have been on the other side we

1842

01:09:51,829 --> 01:09:49,799

split them

1843

01:09:53,630 --> 01:09:51,839

yeah then as we went down the road right

1844

01:09:55,669 --> 01:09:53,640

past this where this marker is right

1845

01:09:58,370 --> 01:09:55,679

here that's where we came into the craft

1846

01:09:59,990 --> 01:09:58,380

so we were sitting between all three

1847

01:10:02,930 --> 01:10:00,000

pieces

1848

01:10:04,130 --> 01:10:02,940

yeah there's always down there and then

1849

01:10:06,590 --> 01:10:04,140

you've got the other craft would have

1850

01:10:07,430 --> 01:10:06,600

been over here right that's a good shot

1851

01:10:10,010 --> 01:10:07,440

too

1852

01:10:12,709 --> 01:10:10,020

yep there's a little uh sign that we're

1853

01:10:14,870 --> 01:10:12,719

or uh right there yeah that centerpiece

1854

01:10:19,070 --> 01:10:14,880

was donated by History Channels Ancient

1855

01:10:21,169 --> 01:10:19,080

Aliens oh wow yeah and uh the sculpture

1856

01:10:23,810 --> 01:10:21,179

itself was built by Len Morneau who's

1857

01:10:25,430 --> 01:10:23,820

the brother of Louis marneau who

1858

01:10:28,729 --> 01:10:25,440

directed the movie bats with Lou Diamond

1859

01:10:31,430 --> 01:10:28,739

and Phillips way back in the day wow so

1860

01:10:33,709 --> 01:10:31,440

that so what they did is the see how the

1861

01:10:35,030 --> 01:10:33,719

bridge is actually I'm hoping to you

1862

01:10:36,709 --> 01:10:35,040

know taking up too much of your time but

1863

01:10:38,810 --> 01:10:36,719

do you see what those poles are yeah

1864

01:10:39,709 --> 01:10:38,820

yeah okay those ballards in the Rocks

1865

01:10:43,610 --> 01:10:39,719

yeah

1866

01:10:46,070 --> 01:10:43,620

the town had an easement or what I would

1867

01:10:49,070 --> 01:10:46,080

say is a Rite of Passage to go through

1868

01:10:49,990 --> 01:10:49,080

this land this land is owned by a dairy

1869

01:10:52,430 --> 01:10:50,000

farm

1870

01:10:53,810 --> 01:10:52,440

to get back up a little bit I'll show

1871

01:10:55,790 --> 01:10:53,820

you something okay and by the way that

1872

01:10:59,090 --> 01:10:55,800

house in the background that's Larkins

1873

01:11:00,830 --> 01:10:59,100

his his son was a witness to it too he's

1874

01:11:03,490 --> 01:11:00,840

a police officer now

1875

01:11:06,530 --> 01:11:03,500

so right here if you see this path right

1876

01:11:08,090 --> 01:11:06,540

the town when they block yep that's

1877

01:11:09,890 --> 01:11:08,100

that's basically the road that's the

1878

01:11:12,350 --> 01:11:09,900

road we drove on right that's not even a

1879

01:11:14,510 --> 01:11:12,360

road it's like a path right yeah so

1880

01:11:17,149 --> 01:11:14,520

those ballards when the town put those

1881

01:11:20,149 --> 01:11:17,159

ballards up in front of the bridge they

1882

01:11:21,410 --> 01:11:20,159

not only forbid their own from going

1883

01:11:24,410 --> 01:11:21,420

through it to use it for emergency

1884

01:11:27,790 --> 01:11:24,420

vehicles but they also denied the land

1885

01:11:31,010 --> 01:11:27,800

owner rights wow well the town lost

1886

01:11:32,630 --> 01:11:31,020

their right of passage because they they

1887

01:11:34,729 --> 01:11:32,640

willingly and knowingly blocked

1888

01:11:37,490 --> 01:11:34,739

themselves off but what they also did

1889

01:11:40,090 --> 01:11:37,500

was now they also blocked passage or

1890

01:11:42,950 --> 01:11:40,100

entrance by the Pine Island Farms

1891

01:11:44,570 --> 01:11:42,960

workers so now they have to go all the

1892

01:11:47,870 --> 01:11:44,580

way around to use the road so the town

1893

01:11:50,570 --> 01:11:47,880

actually lost their rite of passage

1894

01:11:51,649 --> 01:11:50,580

but they pushed so hard to move that

1895

01:11:53,990 --> 01:11:51,659

marker

1896

01:11:55,850 --> 01:11:54,000

and the way they got it moved was to say

1897

01:11:59,030 --> 01:11:55,860

that it infringed

1898

01:12:01,610 --> 01:11:59,040

it's not blocking the road it infringed

1899

01:12:05,570 --> 01:12:01,620

on their

1900

01:12:07,310 --> 01:12:05,580

their expired right of passage

1901

01:12:09,290 --> 01:12:07,320

that is how

1902

01:12:11,630 --> 01:12:09,300

adamant they were that they didn't want

1903

01:12:14,570 --> 01:12:11,640

to be associated with the UFO topic

1904

01:12:16,790 --> 01:12:14,580

right but since then I've got them on

1905

01:12:19,310 --> 01:12:16,800

Ancient Aliens and everything else so

1906

01:12:24,470 --> 01:12:22,310

that's so fascinating it really is oh my

1907

01:12:26,750 --> 01:12:24,480

goodness okay well

1908

01:12:29,090 --> 01:12:26,760

you know I'm in no rush but I guess you

1909

01:12:31,010 --> 01:12:29,100

gotta go so it's all right questions

1910

01:12:33,830 --> 01:12:31,020

anybody in check any questions

1911

01:12:35,689 --> 01:12:33,840

I think most for just uh here we go

1912

01:12:36,890 --> 01:12:35,699

there's one here from una hi Tom thank

1913

01:12:38,810 --> 01:12:36,900

you for sharing all of this I wonder

1914

01:12:40,669 --> 01:12:38,820

have you had more sightings after the

1915

01:12:43,010 --> 01:12:40,679

first one if so were they similar or

1916

01:12:46,790 --> 01:12:43,020

different okay I will I will tell you

1917

01:12:49,970 --> 01:12:46,800

something so in uh 2009 my brother was

1918

01:12:52,070 --> 01:12:49,980

in Avon Indiana and he ended up being

1919

01:12:54,290 --> 01:12:52,080

part of the Kokomo boom do you remember

1920

01:12:55,550 --> 01:12:54,300

the Kokomo boom that's one you may want

1921

01:12:57,169 --> 01:12:55,560

to look up

1922

01:12:59,390 --> 01:12:57,179

um that's where Debbie Cabo Lives who

1923

01:13:04,010 --> 01:12:59,400

the the book Intruders was written about

1924

01:13:05,870 --> 01:13:04,020

her okay yep so it's the same Township

1925

01:13:08,450 --> 01:13:05,880

we're friends now but we didn't know

1926

01:13:09,950 --> 01:13:08,460

each other then and so my brother had uh

1927

01:13:12,110 --> 01:13:09,960

an incident he was at a movie theater

1928

01:13:14,450 --> 01:13:12,120

with his friends and they saw again that

1929

01:13:17,149 --> 01:13:14,460

orange ball sphere like we saw as kids

1930

01:13:19,189 --> 01:13:17,159

what you know well we still as a kid

1931

01:13:21,350 --> 01:13:19,199

though like I said when I talk about the

1932

01:13:23,090 --> 01:13:21,360

sphere the the orange sphere that we saw

1933

01:13:26,149 --> 01:13:23,100

back in the day was about the size of a

1934

01:13:28,130 --> 01:13:26,159

Volkswagen Bug wow a white one off to

1935

01:13:30,470 --> 01:13:28,140

the left was like four times larger it

1936

01:13:32,630 --> 01:13:30,480

was much bigger and my brother saw

1937

01:13:35,390 --> 01:13:32,640

something thing very similar in size

1938

01:13:37,910 --> 01:13:35,400

color and everything that almost

1939

01:13:40,729 --> 01:13:37,920

mirrored what we saw originally you know

1940

01:13:44,870 --> 01:13:40,739

that night yeah Sheffield Massachusetts

1941

01:13:46,550 --> 01:13:44,880

and and so he um he found himself off

1942

01:13:48,350 --> 01:13:46,560

the road he was like trying to follow

1943

01:13:51,229 --> 01:13:48,360

they were leaving a movie you know

1944

01:13:53,270 --> 01:13:51,239

anyway unknown to him that all these

1945

01:13:56,209 --> 01:13:53,280

people were reporting seeing that the

1946

01:13:58,010 --> 01:13:56,219

following day so he contacted the police

1947

01:13:59,750 --> 01:13:58,020

because he used to work for SWAT he was

1948

01:14:01,729 --> 01:13:59,760

part of that anyway he was a fugitive

1949

01:14:03,229 --> 01:14:01,739

recovery agent at the time and so he was

1950

01:14:04,669 --> 01:14:03,239

like yeah man I saw two right he's got

1951

01:14:06,350 --> 01:14:04,679

he's packing heat he's like they're not

1952

01:14:08,090 --> 01:14:06,360

gonna give me a hard time I'm working

1953

01:14:09,649 --> 01:14:08,100

with SWAT for God's sakes of course they

1954

01:14:11,149 --> 01:14:09,659

did they say well if you want to report

1955

01:14:14,149 --> 01:14:11,159

it call and ask and they joked with him

1956

01:14:16,729 --> 01:14:14,159

anyway that's when the Star Team came in

1957

01:14:18,050 --> 01:14:16,739

from mufon and so on and so forth and

1958

01:14:19,910 --> 01:14:18,060

all these people start taking it more

1959

01:14:23,149 --> 01:14:19,920

seriously because again it was a mass

1960

01:14:26,510 --> 01:14:23,159

sighting so he was part of that but

1961

01:14:28,310 --> 01:14:26,520

interesting though is that he remembers

1962

01:14:29,990 --> 01:14:28,320

having some type of an incident at night

1963

01:14:32,750 --> 01:14:30,000

in his bed

1964

01:14:34,729 --> 01:14:32,760
and oddly enough I did too and I

1965

01:14:36,709 --> 01:14:34,739
actually reported it to those I was

1966

01:14:39,770 --> 01:14:36,719
talking to so around the same time this

1967

01:14:41,750 --> 01:14:39,780
happened with him in Avon Indiana

1968

01:14:44,030 --> 01:14:41,760
I had something happen with me at the

1969

01:14:46,010 --> 01:14:44,040
house and so did my son

1970

01:14:48,470 --> 01:14:46,020
and we had a friend visiting from

1971

01:14:50,810 --> 01:14:48,480
Florida who was crashing in on a

1972

01:14:52,790 --> 01:14:50,820
mattress my son used to have the bonus

1973

01:14:55,070 --> 01:14:52,800
room and we threw a mattress out he was

1974

01:14:57,410 --> 01:14:55,080
you know last minute thing and they all

1975

01:15:01,790 --> 01:14:57,420
saw this light my brother

1976

01:15:04,310 --> 01:15:01,800

um remembers uh seeing images and and

1977

01:15:06,830 --> 01:15:04,320

his same thing my my son was talking

1978

01:15:08,930 --> 01:15:06,840

about when he said this light came in it

1979

01:15:11,530 --> 01:15:08,940

looked like a doorway over as bad that

1980

01:15:13,970 --> 01:15:11,540

like opened up like the size of a sheet

1981

01:15:15,709 --> 01:15:13,980

our his friend that was visiting from

1982

01:15:17,689 --> 01:15:15,719

Florida saw the same thing saw this

1983

01:15:20,750 --> 01:15:17,699

light he called his mother wanted to be

1984

01:15:22,910 --> 01:15:20,760

taken home I remember like almost half

1985

01:15:24,770 --> 01:15:22,920

it was the craziest thing with all this

1986

01:15:25,910 --> 01:15:24,780

like Paranormal Activity was happening

1987

01:15:28,010 --> 01:15:25,920

in our house

1988

01:15:31,189 --> 01:15:28,020

the same time was happening with his and

1989

01:15:34,610 --> 01:15:31,199

here's the kicker when he saw that his

1990

01:15:39,410 --> 01:15:34,620

son was turning six the same age my

1991

01:15:43,669 --> 01:15:39,420

brother was when he saw this in 1969.

1992

01:15:46,189 --> 01:15:43,679

so we have had to

1993

01:15:48,410 --> 01:15:46,199

come full circle here yeah we have had

1994

01:15:51,770 --> 01:15:48,420

paranormal things happen in our house

1995

01:15:54,590 --> 01:15:51,780

ever since you know uh you know smudge

1996

01:15:56,030 --> 01:15:54,600

marks things that we see uh hear sounds

1997

01:15:59,090 --> 01:15:56,040

like people walking up and down stairs

1998

01:16:00,649 --> 01:15:59,100

and it's so vivid it's so in your face

1999

01:16:01,850 --> 01:16:00,659

that you'll actually look at the stairs

2000

01:16:03,530 --> 01:16:01,860

and you'll hear it there's nothing up

2001

01:16:04,850 --> 01:16:03,540

the stairs I mean it's crazy and my

2002

01:16:06,590 --> 01:16:04,860

girlfriend was over a while back right

2003

01:16:07,850 --> 01:16:06,600

and she's like hanging out on bed she

2004

01:16:09,950 --> 01:16:07,860

had a good nice looking body right so

2005

01:16:11,330 --> 01:16:09,960

she's hanging out the bed right with

2006

01:16:13,010 --> 01:16:11,340

nothing on right we're watching TV and

2007

01:16:14,209 --> 01:16:13,020

stuff and all of a sudden you know we

2008

01:16:15,350 --> 01:16:14,219

hear these footsteps coming up the

2009

01:16:17,030 --> 01:16:15,360

stairs we're like oh my God it's gonna

2010

01:16:18,890 --> 01:16:17,040

be my son or something right so she's

2011

01:16:20,149 --> 01:16:18,900

grabbing a blanket covering herself and

2012

01:16:26,270 --> 01:16:20,159

I go to the door we'll be out in a

2013

01:16:30,169 --> 01:16:27,890

I mean they do say I mean a lot of

2014

01:16:31,729 --> 01:16:30,179

people say you know experiences once

2015

01:16:34,010 --> 01:16:31,739

they have that initial experience then

2016

01:16:35,750 --> 01:16:34,020

it kind of comes back or repeats you

2017

01:16:37,850 --> 01:16:35,760

know in a lot of cases so you know

2018

01:16:40,910 --> 01:16:37,860

that's just I hear about that a lot and

2019

01:16:43,910 --> 01:16:40,920

my mother her first incident was in 1954

2020

01:16:46,790 --> 01:16:43,920

right I don't talk about that much my

2021

01:16:48,950 --> 01:16:46,800

mother I've never seen something and uh

2022

01:16:50,750 --> 01:16:48,960

gooseneck Maine

2023

01:16:53,570 --> 01:16:50,760

um while her brother was being

2024

01:16:55,189 --> 01:16:53,580

interviewed at a college uh there you

2025

01:16:56,930 --> 01:16:55,199

know so here's another thing right this

2026

01:17:00,830 --> 01:16:56,940

is crazy ready first I know I'm rambling

2027

01:17:04,430 --> 01:17:00,840

so good so so my mother

2028

01:17:06,470 --> 01:17:04,440

had her first experience

2029

01:17:07,850 --> 01:17:06,480

in 1954

2030

01:17:12,229 --> 01:17:07,860

and

2031

01:17:14,270 --> 01:17:12,239

she was later on she bought a house that

2032

01:17:17,270 --> 01:17:14,280

was what was it

2033

01:17:19,430 --> 01:17:17,280

um oh my God it was 1554 and what had to

2034

01:17:21,770 --> 01:17:19,440

do with the same day it was relevant to

2035

01:17:24,890 --> 01:17:21,780

the date that she saw because she was 15

2036

01:17:28,250 --> 01:17:24,900

what she saw it in 1954 and she bought a

2037

01:17:30,110 --> 01:17:28,260

house that was 1954. then if you go back

2038

01:17:31,550 --> 01:17:30,120

to the article from the governor you're

2039

01:17:32,750 --> 01:17:31,560

going to pull it up or anything that was

2040

01:17:36,169 --> 01:17:32,760

issued

2041

01:17:38,630 --> 01:17:36,179

on my mother's birthday

2042

01:17:40,729 --> 01:17:38,640

look at the date it's October 17th or 20

2043

01:17:42,290 --> 01:17:40,739

what so I was issued on my mother's

2044

01:17:44,930 --> 01:17:42,300

birthday

2045

01:17:48,350 --> 01:17:44,940

um 27th actually should know that

2046

01:17:50,090 --> 01:17:48,360

um and and the Boston Globe article that

2047

01:17:53,930 --> 01:17:50,100

came out about us making U.S history

2048

01:17:55,850 --> 01:17:53,940

came out on my father's birthday

2049

01:17:58,430 --> 01:17:55,860

so many little so you look at my

2050

01:17:59,930 --> 01:17:58,440

father's death certificate and you look

2051

01:18:01,310 --> 01:17:59,940

at the article from the Boston Globe

2052

01:18:02,149 --> 01:18:01,320

that has our picture on it for making

2053

01:18:05,450 --> 01:18:02,159

history

2054

01:18:07,669 --> 01:18:05,460

same day that's crazy

2055

01:18:08,830 --> 01:18:07,679

oh I want you one more thing okay yeah

2056

01:18:11,450 --> 01:18:08,840

yeah okay

2057

01:18:13,010 --> 01:18:11,460

so this is something else that I very

2058

01:18:16,669 --> 01:18:13,020

seldom ever mentioned

2059

01:18:19,910 --> 01:18:16,679

um all right so do you remember uh a

2060

01:18:22,550 --> 01:18:19,920

movie with Susan St James uh it was

2061

01:18:25,310 --> 01:18:22,560

called the death and Canaan the Peter

2062

01:18:27,229 --> 01:18:25,320

Riley murder anybody listening right now

2063

01:18:30,110 --> 01:18:27,239

look it up a death in Canon the Peter

2064

01:18:31,790 --> 01:18:30,120

Riley murder Peter Riley trial the death

2065

01:18:35,209 --> 01:18:31,800

of Barbara Gibbons however at sport it's

2066

01:18:38,689 --> 01:18:35,219

been like three books a couple movies

2067

01:18:40,189 --> 01:18:38,699

okay so that happened not far from our

2068

01:18:42,709 --> 01:18:40,199

diner and by the way I'll tell you one

2069

01:18:44,990 --> 01:18:42,719

more thing too before I forget that the

2070

01:18:45,830 --> 01:18:45,000

Magnesium that was mined for the atom

2071

01:18:48,709 --> 01:18:45,840

bomb

2072

01:18:51,350 --> 01:18:48,719

was mined just miles from our diner

2073

01:18:52,430 --> 01:18:51,360

oh okay that's interesting okay that's

2074

01:18:55,990 --> 01:18:52,440

what I'm talking about a lot of

2075

01:18:58,910 --> 01:18:56,000

government yeah yeah so when my father

2076

01:19:00,590 --> 01:18:58,920

married my mom who she he came into the

2077

01:19:02,149 --> 01:19:00,600

diner she was getting picked on back in

2078

01:19:04,250 --> 01:19:02,159

the day in the 60s and he was from New

2079

01:19:05,630 --> 01:19:04,260

York and so he was like hey man you know

2080

01:19:07,430 --> 01:19:05,640

you want if you want that to eat here

2081

01:19:09,110 --> 01:19:07,440

you're gonna apologize otherwise you're

2082

01:19:10,490 --> 01:19:09,120

gonna eat you're gonna leave and my

2083

01:19:11,810 --> 01:19:10,500

mom's like my hero right so they ended

2084

01:19:13,310 --> 01:19:11,820

up dating they got married she taught

2085

01:19:15,530 --> 01:19:13,320

him how to ride a horse right so anyway

2086

01:19:17,149 --> 01:19:15,540

later on when

2087

01:19:18,590 --> 01:19:17,159

um you know things were working I was

2088

01:19:22,250 --> 01:19:18,600

like three or four years later they got

2089

01:19:25,130 --> 01:19:22,260

married and he was in law school and

2090

01:19:26,270 --> 01:19:25,140

wanted to run for mayor you know and

2091

01:19:28,130 --> 01:19:26,280

stuff like you know he wanted to do

2092

01:19:29,810 --> 01:19:28,140

something he was tired of the way we

2093

01:19:31,070 --> 01:19:29,820

were treated so he wanted to get into a

2094

01:19:32,750 --> 01:19:31,080

position where he did do something nice

2095

01:19:34,010 --> 01:19:32,760

for locals because it was just something

2096

01:19:37,370 --> 01:19:34,020

he thought you know why didn't treat me

2097

01:19:39,530 --> 01:19:37,380

that way right sure so he looks for a

2098

01:19:42,169 --> 01:19:39,540

house to buy

2099

01:19:45,470 --> 01:19:42,179

and guess what house he bought

2100

01:19:48,410 --> 01:19:45,480

or the murder of Peter Riley took place

2101

01:19:52,430 --> 01:19:48,420

oh God yep so I'm thinking to myself why

2102

01:19:54,470 --> 01:19:52,440

would you do that anyway so so yes so

2103

01:19:57,830 --> 01:19:54,480

where this Peter Riley murder took place

2104

01:20:00,110 --> 01:19:57,840

uh was uh like a had an apple orchard a

2105

01:20:01,729 --> 01:20:00,120

nice sized house there was a cottage on

2106

01:20:03,110 --> 01:20:01,739

on the property which used to be an old

2107

01:20:05,750 --> 01:20:03,120

post office which is where she was

2108

01:20:07,850 --> 01:20:05,760

killed and there was a barn where we

2109

01:20:09,649 --> 01:20:07,860

kept our classic cars we had

2110

01:20:11,810 --> 01:20:09,659

you know cars back in the day you know

2111

01:20:13,790 --> 01:20:11,820

nice ones right

2112

01:20:15,669 --> 01:20:13,800

442 Hurst dolls this is for another

2113

01:20:19,610 --> 01:20:15,679

lunch but yeah

2114

01:20:20,810 --> 01:20:19,620

you know so um anyway so why we lived

2115

01:20:22,729 --> 01:20:20,820

there there were times I went into that

2116

01:20:24,530 --> 01:20:22,739

little house I couldn't um I couldn't

2117

01:20:27,229 --> 01:20:24,540

stand it you know I'm very sensitive to

2118

01:20:29,630 --> 01:20:27,239

things and my grandmother swore that she

2119

01:20:32,750 --> 01:20:29,640

saw you know some shadow type activity

2120

01:20:34,970 --> 01:20:32,760

in there and so the Warrens came came in

2121

01:20:36,470 --> 01:20:34,980

and Lorraine Warren came down they stood

2122

01:20:37,910 --> 01:20:36,480

in our driveway

2123

01:20:39,229 --> 01:20:37,920

um we didn't hire them to do anything at

2124

01:20:40,610 --> 01:20:39,239

the time but they came down and I said

2125

01:20:42,290 --> 01:20:40,620

yeah there's definitely something going

2126

01:20:43,130 --> 01:20:42,300

on here so

2127

01:20:45,770 --> 01:20:43,140

um

2128

01:20:48,290 --> 01:20:45,780

yeah you know just all kinds of stuff

2129

01:20:52,010 --> 01:20:48,300

and to answer your your the question you

2130

01:20:54,410 --> 01:20:52,020

had from your uh you know listener

2131

01:20:55,910 --> 01:20:54,420

um also when my son was born and you

2132

01:20:58,490 --> 01:20:55,920

know we had uh

2133

01:21:01,189 --> 01:20:58,500

my wife and I had the same dream

2134

01:21:02,689 --> 01:21:01,199

um we we woke up and we immediately

2135

01:21:05,510 --> 01:21:02,699

thought Chris because he was only two

2136

01:21:07,310 --> 01:21:05,520

months old and so we ran out the door

2137

01:21:08,930 --> 01:21:07,320

because he was in the crib you know next

2138

01:21:11,209 --> 01:21:08,940

to the living room and everything right

2139

01:21:13,490 --> 01:21:11,219

and um as we walked through the living

2140

01:21:14,870 --> 01:21:13,500

room the rocking chair was moving all

2141

01:21:16,970 --> 01:21:14,880

the cabinets in our kitchen were open

2142

01:21:17,750 --> 01:21:16,980

and my son was face down in a pool of

2143

01:21:19,910 --> 01:21:17,760

blood

2144

01:21:21,770 --> 01:21:19,920

she so he had something going on with

2145

01:21:24,229 --> 01:21:21,780

his nut but he was too weak to roll over

2146

01:21:25,689 --> 01:21:24,239

and to this day he's got a hole in his

2147

01:21:27,709 --> 01:21:25,699

sinus cavity

2148

01:21:29,810 --> 01:21:27,719

he was a high school quarterback and

2149

01:21:31,970 --> 01:21:29,820

everything because of the injury he

2150

01:21:34,610 --> 01:21:31,980

would bleed sometimes and and so it was

2151
01:21:37,750 --> 01:21:34,620
tough for him to to see that through but

2152
01:21:40,910 --> 01:21:37,760
so we've had the Kokomo boom connection

2153
01:21:42,590 --> 01:21:40,920
we've had uh you know this incident when

2154
01:21:45,470 --> 01:21:42,600
my son was born we've had that also that

2155
01:21:47,209 --> 01:21:45,480
incident around the time my my brother's

2156
01:21:49,669 --> 01:21:47,219
son was turning six

2157
01:21:52,370 --> 01:21:49,679
that was witnessed by a friend staying

2158
01:21:54,169 --> 01:21:52,380
from Florida yeah um you know and then

2159
01:21:56,030 --> 01:21:54,179
the sensitivity that we felt when we

2160
01:21:57,530 --> 01:21:56,040
went into that home and stuff a lot of

2161
01:21:59,810 --> 01:21:57,540
other people didn't feel it but we did

2162
01:22:02,870 --> 01:21:59,820
and we felt it strongly enough that it

2163
01:22:04,669 --> 01:22:02,880

really bothered us so I don't know if

2164

01:22:06,110 --> 01:22:04,679

what happened and why we're so sensitive

2165

01:22:09,350 --> 01:22:06,120

has to do with

2166

01:22:11,090 --> 01:22:09,360

you know the UFO connection or being in

2167

01:22:13,550 --> 01:22:11,100

that house maybe did we

2168

01:22:15,350 --> 01:22:13,560

bring something back with us you know

2169

01:22:18,709 --> 01:22:15,360

begs the question doesn't it so many

2170

01:22:21,770 --> 01:22:18,719

possibilities but yeah but it's all part

2171

01:22:24,110 --> 01:22:21,780

of us right so so just to wrap this up

2172

01:22:25,430 --> 01:22:24,120

right so I'll be you know someone I'll

2173

01:22:27,290 --> 01:22:25,440

be with somebody and be like oh yeah you

2174

01:22:29,630 --> 01:22:27,300

know I saw UFO or I saw this right I'm

2175

01:22:31,370 --> 01:22:29,640

like yeah whatever or you know uh I had

2176
01:22:32,450 --> 01:22:31,380
activity in my house and there were

2177
01:22:35,229 --> 01:22:32,460
these footsteps and they're like all

2178
01:22:37,850 --> 01:22:35,239
dramatic about it I'm like you know

2179
01:22:40,130 --> 01:22:37,860
that was all the time man you know they

2180
01:22:42,470 --> 01:22:40,140
don't take a much room so that's how

2181
01:22:44,630 --> 01:22:42,480
nonchalant it gets but the minute I talk

2182
01:22:47,750 --> 01:22:44,640
about what happened originally You Know

2183
01:22:49,970 --> 01:22:47,760
It uh it affects me so I don't know I

2184
01:22:51,649 --> 01:22:49,980
mean I I literally I appreciate you

2185
01:22:53,990 --> 01:22:51,659
being able to be so open and honest with

2186
01:22:56,450 --> 01:22:54,000
me on the show today it really does go a

2187
01:22:58,430 --> 01:22:56,460
long way and I appreciate it um because

2188
01:23:00,950 --> 01:22:58,440

I know you know you must have done it so

2189

01:23:03,470 --> 01:23:00,960

many times but yeah I can't thank you

2190

01:23:06,050 --> 01:23:03,480

enough so uh thank you and we'll speak

2191

01:23:08,390 --> 01:23:06,060

again soon you know I hope so good

2192

01:23:09,709 --> 01:23:08,400

connection we've made and so just want

2193

01:23:11,390 --> 01:23:09,719

to say thank you to everybody that's

2194

01:23:13,010 --> 01:23:11,400

been here today I really do appreciate

2195

01:23:14,630 --> 01:23:13,020

everybody in the chat uh everyone

2196

01:23:16,550 --> 01:23:14,640

watching it live and everybody that

2197

01:23:18,590 --> 01:23:16,560

watches and listens after the fact as

2198

01:23:21,830 --> 01:23:18,600

well thank you so much for the continued

2199

01:23:23,510 --> 01:23:21,840

support and I'm going to be back uh next

2200

01:23:26,450 --> 01:23:23,520

week uh where I'll be live with John

2201

01:23:28,310 --> 01:23:26,460

Greenwald Jr so for now guys thank you
