## UFOs & Disclosure

**DISCLOSURE  
TEAM**

© 2014 ADAM

1  
00:00:10,390 --> 00:00:00,980  
foreign

2  
00:00:13,430 --> 00:00:10,400  
[Music]

3  
00:00:16,310 --> 00:00:13,440  
they were complex narratives of being

4  
00:00:20,290 --> 00:00:16,320  
taken by alien beings into UFOs on beams

5  
00:00:30,950 --> 00:00:23,269  
the Air Force is trying to cover up with

6  
00:00:35,930 --> 00:00:33,410  
from my own point of view I'm going to

7  
00:00:37,670 --> 00:00:35,940  
be very disappointed if UFOs turn out to

8  
00:00:38,990 --> 00:00:37,680  
be nothing more than visitors from

9  
00:00:42,590 --> 00:00:39,000  
another planet because I think there

10  
00:00:42,600 --> 00:00:45,670  
foreign

11  
00:01:08,030 --> 00:01:05,149  
[Music]

12  
00:01:09,649 --> 00:01:08,040  
welcome back to disclosure team I'm your

13  
00:01:12,590 --> 00:01:09,659

host Vinnie Adams

14

00:01:17,270 --> 00:01:12,600

this is a pre-recorded interview with

15

00:01:18,649 --> 00:01:17,280

Ryan Robbins AKA UFO Jesus AKA post

16

00:01:19,969 --> 00:01:18,659

disclosure world

17

00:01:22,490 --> 00:01:19,979

enjoy

18

00:01:24,109 --> 00:01:22,500

all right Ryan thank you so much for

19

00:01:26,810 --> 00:01:24,119

being here I really appreciate it it's

20

00:01:28,310 --> 00:01:26,820

my pleasure and honor thank you Vinnie

21

00:01:30,649 --> 00:01:28,320

no worries

22

00:01:32,149 --> 00:01:30,659

um I think initially you know I'd love

23

00:01:34,490 --> 00:01:32,159

to just know a bit about your background

24

00:01:36,890 --> 00:01:34,500

and where you started in this subject

25

00:01:38,149 --> 00:01:36,900

that we're also uh dedicated to

26

00:01:40,789 --> 00:01:38,159

researching

27

00:01:41,990 --> 00:01:40,799

yeah so I mean the UAP issue always

28

00:01:45,289 --> 00:01:42,000

intrigued me

29

00:01:46,130 --> 00:01:45,299

I can't give you a precise answer as to

30

00:01:48,050 --> 00:01:46,140

when

31

00:01:49,670 --> 00:01:48,060

I started looking into this because I

32

00:01:53,569 --> 00:01:49,680

honestly don't remember

33

00:01:56,630 --> 00:01:53,579

um but I was introduced to it probably

34

00:01:58,569 --> 00:01:56,640

pretty young from documentaries what

35

00:02:01,730 --> 00:01:58,579

which ones I don't know

36

00:02:03,889 --> 00:02:01,740

and I always perceive that we are being

37

00:02:05,090 --> 00:02:03,899

lied to by the US government on this

38

00:02:08,150 --> 00:02:05,100

issue

39

00:02:09,830 --> 00:02:08,160

and so what escalated my interest in

40

00:02:11,210 --> 00:02:09,840

this issue to where I got much more

41

00:02:15,530 --> 00:02:11,220

serious about it

42

00:02:19,309 --> 00:02:15,540

is the October 11 2017 press conference

43

00:02:19,910 --> 00:02:19,319

by to the Stars Academy when I saw

44

00:02:25,010 --> 00:02:19,920

um

45

00:02:26,650 --> 00:02:25,020

from Lockheed Martin Skunk Works

46

00:02:29,570 --> 00:02:26,660

long time

47

00:02:32,570 --> 00:02:29,580

government employee

48

00:02:36,110 --> 00:02:32,580

with high level clearances how put off

49

00:02:41,570 --> 00:02:36,120

scientists engineer then you had the

50

00:02:44,210 --> 00:02:41,580

high level CIA guy Jim semivan

51  
00:02:47,330 --> 00:02:44,220  
and then of course you had Luis Elizondo

52  
00:02:49,610 --> 00:02:47,340  
and I remember keenly when he was on

53  
00:02:51,410 --> 00:02:49,620  
stage and he was behind the podium and

54  
00:02:53,570 --> 00:02:51,420  
he said it was in this position position

55  
00:02:55,670 --> 00:02:53,580  
being the head of atip that I learned

56  
00:02:58,070 --> 00:02:55,680  
that the phenomena is indeed real

57  
00:02:59,990 --> 00:02:58,080  
at that moment I knew the world would

58  
00:03:01,490 --> 00:03:00,000  
never go back to the way it was and I'm

59  
00:03:03,290 --> 00:03:01,500  
I'm just going to put it out there I'm

60  
00:03:05,330 --> 00:03:03,300  
sure that a lot of cynics would have

61  
00:03:07,070 --> 00:03:05,340  
probably told me that I'm naive and and

62  
00:03:08,270 --> 00:03:07,080  
foolish for thinking that if they would

63  
00:03:10,490 --> 00:03:08,280

have been there with me at the point

64

00:03:12,830 --> 00:03:10,500

time right but I was right because five

65

00:03:14,630 --> 00:03:12,840

years later this is still going on and I

66

00:03:16,550 --> 00:03:14,640

don't think it's going to desist anytime

67

00:03:19,850 --> 00:03:16,560

soon in fact I don't think it's ever

68

00:03:21,649 --> 00:03:19,860

going to desist and so it was the to the

69

00:03:24,470 --> 00:03:21,659

Stars Academy press conference that lit

70

00:03:26,089 --> 00:03:24,480

a fire underneath me and then I think it

71

00:03:27,649 --> 00:03:26,099

was about three weeks later that I

72

00:03:28,790 --> 00:03:27,659

started uploading regularly and I

73

00:03:30,229 --> 00:03:28,800

haven't stopped since I would have

74

00:03:31,309 --> 00:03:30,239

uploaded immediately after but I was

75

00:03:32,210 --> 00:03:31,319

involved in something else where I

76

00:03:33,770 --> 00:03:32,220

didn't have the time so it was about

77

00:03:35,750 --> 00:03:33,780

three weeks after that and I've been

78

00:03:38,330 --> 00:03:35,760

obsessed ever since simply because

79

00:03:39,649 --> 00:03:38,340

number one um I perceive we're not alone

80

00:03:42,190 --> 00:03:39,659

in the universe we're being engaged by

81

00:03:45,289 --> 00:03:42,200

non-human intelligence and number two

82

00:03:47,509 --> 00:03:45,299

this is looking like it's going to be a

83

00:03:48,949 --> 00:03:47,519

consensus reality in the not too distant

84

00:03:50,089 --> 00:03:48,959

future so I don't know what's more if

85

00:03:51,589 --> 00:03:50,099

there's anything more exciting than that

86

00:03:53,990 --> 00:03:51,599

I don't know what it is

87

00:03:55,550 --> 00:03:54,000

yeah completely agree with you there

88

00:03:56,990 --> 00:03:55,560

um I think I came from a similar

89

00:03:59,330 --> 00:03:57,000

background just absorbing so many

90

00:04:01,070 --> 00:03:59,340

documentaries on the subject

91

00:04:03,289 --> 00:04:01,080

um and for me that just wasn't enough I

92

00:04:05,449 --> 00:04:03,299

needed to go further and dig deeper so I

93

00:04:06,589 --> 00:04:05,459

really resonate with that and you

94

00:04:08,930 --> 00:04:06,599

mentioned in their non-human

95

00:04:10,190 --> 00:04:08,940

intelligence uh in the in the Years

96

00:04:12,470 --> 00:04:10,200

where we've heard many different

97

00:04:13,910 --> 00:04:12,480

possibilities about what they are or

98

00:04:16,150 --> 00:04:13,920

where they may come from be it

99

00:04:19,069 --> 00:04:16,160

extraterrestrial crypto terrestrial

100

00:04:21,289 --> 00:04:19,079

interdimensional and many many more

101

00:04:23,930 --> 00:04:21,299

what sort of sits top of your list

102

00:04:26,450 --> 00:04:23,940

currently out of any of those if you if

103

00:04:28,070 --> 00:04:26,460

you had one yeah well I mean one of the

104

00:04:29,270 --> 00:04:28,080

most fascinating components of the

105

00:04:31,310 --> 00:04:29,280

phenomenon

106

00:04:32,870 --> 00:04:31,320

or phenomena to be more accurate because

107

00:04:36,890 --> 00:04:32,880

I don't I'm not not convinced it's all

108

00:04:39,110 --> 00:04:36,900

one thing right is its ability

109

00:04:42,050 --> 00:04:39,120

to infiltrate our world

110

00:04:44,930 --> 00:04:42,060

to be seen on literally a daily basis

111

00:04:47,030 --> 00:04:44,940

and when I say that I mean unambiguously

112

00:04:48,469 --> 00:04:47,040

yes a lot of people see things in the

113

00:04:51,230 --> 00:04:48,479

sky and they think they saw a UFO I'm

114

00:04:53,210 --> 00:04:51,240

not talking about that I think I I

115

00:04:57,110 --> 00:04:53,220

for my analysis

116

00:04:59,150 --> 00:04:57,120

every single 24-hour period there are

117

00:05:01,310 --> 00:04:59,160

human beings on this planet who are

118

00:05:04,010 --> 00:05:01,320

seeing unambiguous UAP whether they're

119

00:05:07,850 --> 00:05:04,020

flying saucers or cigar-shaped vehicles

120

00:05:09,650 --> 00:05:07,860

or spheres or triangles or what have you

121

00:05:11,150 --> 00:05:09,660

now what's really fascinating is how is

122

00:05:13,430 --> 00:05:11,160

this all happening

123

00:05:16,249 --> 00:05:13,440

while simultaneously our great

124

00:05:18,050 --> 00:05:16,259

institutions are scientists

125

00:05:21,350 --> 00:05:18,060

are journalists

126

00:05:22,490 --> 00:05:21,360

are saying that it's all baloney how is

127

00:05:23,689 --> 00:05:22,500

that possible

128

00:05:27,290 --> 00:05:23,699

some people would say that's

129

00:05:29,689 --> 00:05:27,300

happenstance I don't think so I think I

130

00:05:31,370 --> 00:05:29,699

know like I could be wrong but I think

131

00:05:33,590 --> 00:05:31,380

that's intentional

132

00:05:37,070 --> 00:05:33,600

so whatever this is It's So Advanced

133

00:05:39,290 --> 00:05:37,080

that it's able to allow its presence to

134

00:05:41,270 --> 00:05:39,300

be seen on a regular persistent basis

135

00:05:42,950 --> 00:05:41,280

while simultaneously having so much of

136

00:05:45,590 --> 00:05:42,960

the world's population denies existence

137

00:05:47,810 --> 00:05:45,600

which is inherently bizarre

138

00:05:49,249 --> 00:05:47,820

uh why is it doing that well I have a

139

00:05:50,870 --> 00:05:49,259

theory on that but maybe we can go back

140

00:05:52,070 --> 00:05:50,880

into that later but to answer your

141

00:05:55,010 --> 00:05:52,080

question

142

00:05:57,890 --> 00:05:55,020

it seems to me that whatever this is has

143

00:06:00,469 --> 00:05:57,900

the capability to ensure that it was

144

00:06:01,550 --> 00:06:00,479

never really detected too much if it

145

00:06:03,770 --> 00:06:01,560

wanted to be

146

00:06:06,290 --> 00:06:03,780

like if you cloak as much as it wanted

147

00:06:08,749 --> 00:06:06,300

to I I presume I mean if you look at for

148

00:06:11,870 --> 00:06:08,759

example Ryan Graves did a interview

149

00:06:14,810 --> 00:06:11,880

recently on the concrete podcast and he

150

00:06:16,129 --> 00:06:14,820

talked about how multiple sensors would

151

00:06:17,510 --> 00:06:16,139

pick these things up off the Eastern

152

00:06:19,490 --> 00:06:17,520

seaboard

153

00:06:21,110 --> 00:06:19,500

and he'd get in proximity to them where

154

00:06:23,029 --> 00:06:21,120

you would think he'd be able to perceive

155

00:06:24,529 --> 00:06:23,039

them through your eyes they don't see

156

00:06:27,590 --> 00:06:24,539

anything so it appears they're cloaking

157

00:06:28,909 --> 00:06:27,600

themselves uh which in the UFO report

158

00:06:33,110 --> 00:06:28,919

they call that

159

00:06:34,430 --> 00:06:33,120

um uh Signal Management but it's stealth

160

00:06:37,550 --> 00:06:34,440

and it's stealth on a very high level

161

00:06:38,510 --> 00:06:37,560

where you can't even see these objects

162

00:06:40,909 --> 00:06:38,520

um

163

00:06:42,950 --> 00:06:40,919

one of my favorite hypotheses frankly is

164

00:06:45,290 --> 00:06:42,960

that they are Aboriginal to the Earth

165

00:06:48,170 --> 00:06:45,300

that they are they developed on the

166

00:06:51,469 --> 00:06:48,180

earth like we did just maybe

167

00:06:53,150 --> 00:06:51,479

uh maybe under the oceans or uh you know

168

00:06:55,969 --> 00:06:53,160

Elizondo has spoken about this that

169

00:06:58,430 --> 00:06:55,979

maybe their their existence is on

170

00:06:59,689 --> 00:06:58,440

another timeline where we we exist in

171

00:07:02,870 --> 00:06:59,699

the present moment

172

00:07:05,870 --> 00:07:02,880

but they're they exist in another

173

00:07:08,570 --> 00:07:05,880

component of time where time may be much

174

00:07:10,550 --> 00:07:08,580

more uh wide spectrum than how we

175

00:07:11,930 --> 00:07:10,560

experience it but they're still inherent

176  
00:07:14,390 --> 00:07:11,940  
to this planet

177  
00:07:16,490 --> 00:07:14,400  
so I'm very impressed with that

178  
00:07:17,450 --> 00:07:16,500  
hypothesis that they're Aboriginal to

179  
00:07:19,850 --> 00:07:17,460  
the Earth

180  
00:07:21,710 --> 00:07:19,860  
but on the other hand they could be it

181  
00:07:23,150 --> 00:07:21,720  
could be multiple sources some of it

182  
00:07:25,430 --> 00:07:23,160  
could be extraterrestrial some of it

183  
00:07:27,770 --> 00:07:25,440  
could be Aboriginal some of it could be

184  
00:07:28,909 --> 00:07:27,780  
uh interdimensional whatever that means

185  
00:07:31,670 --> 00:07:28,919  
I mean I don't really know what that

186  
00:07:34,129 --> 00:07:31,680  
means you know but um

187  
00:07:36,770 --> 00:07:34,139  
but what partly what fascinates me the

188  
00:07:38,689 --> 00:07:36,780

most is whether it's a single origin or

189

00:07:41,570 --> 00:07:38,699

multiple Origins it's amazing that

190

00:07:42,189 --> 00:07:41,580

they've all seen seem to have

191

00:07:45,469 --> 00:07:42,199

um

192

00:07:48,409 --> 00:07:45,479

determined to keep their manifestation

193

00:07:49,850 --> 00:07:48,419

very fine-tuned to where people are

194

00:07:52,010 --> 00:07:49,860

seeing them

195

00:07:55,430 --> 00:07:52,020

um even militaries picking them up

196

00:07:59,029 --> 00:07:55,440

on a much higher level than the civilian

197

00:08:02,029 --> 00:07:59,039

components of of the world but yet a

198

00:08:03,770 --> 00:08:02,039

Smoking Gun still never seems to emerge

199

00:08:05,150 --> 00:08:03,780

in a public way how is that possible

200

00:08:06,770 --> 00:08:05,160

well of course the skeptic will tell you

201  
00:08:09,650 --> 00:08:06,780  
that's because there is no Smoking Gun

202  
00:08:12,770 --> 00:08:09,660  
and it's all misidentifications it's all

203  
00:08:15,170 --> 00:08:12,780  
um LARPing and gullible analysis and

204  
00:08:16,550 --> 00:08:15,180  
people thinking they saw something when

205  
00:08:17,749 --> 00:08:16,560  
they didn't I don't I don't think that's

206  
00:08:19,369 --> 00:08:17,759  
true at all I think that's a poor

207  
00:08:21,350 --> 00:08:19,379  
analysis and I think that the future

208  
00:08:22,909 --> 00:08:21,360  
will bear that out

209  
00:08:25,010 --> 00:08:22,919  
um so we're either dealing with one

210  
00:08:26,809 --> 00:08:25,020  
origin like it's extraterrestrial or

211  
00:08:27,950 --> 00:08:26,819  
multiple origins or even if it's

212  
00:08:29,950 --> 00:08:27,960  
extraterrestrial it could be many

213  
00:08:32,690 --> 00:08:29,960

different species but what one of the

214

00:08:35,149 --> 00:08:32,700

realities of this presence that blows my

215

00:08:37,850 --> 00:08:35,159

mind is how they're all working together

216

00:08:39,529 --> 00:08:37,860

to ensure that a public Smoking Gun

217

00:08:41,870 --> 00:08:39,539

never emerges how is that even possible

218

00:08:44,990 --> 00:08:41,880

I mean look at the if you just just look

219

00:08:46,610 --> 00:08:45,000

at all of the um alleged crashes that

220

00:08:49,430 --> 00:08:46,620

have taken place or even not necessarily

221

00:08:51,050 --> 00:08:49,440

just a crash because I know like and I'm

222

00:08:52,009 --> 00:08:51,060

skeptical of the babazar story but

223

00:08:55,009 --> 00:08:52,019

nevertheless

224

00:08:55,910 --> 00:08:55,019

he did say that he seemed to perceive

225

00:09:00,009 --> 00:08:55,920

that

226

00:09:03,530 --> 00:09:00,019

got

227

00:09:05,389 --> 00:09:03,540

a hold of these saucers it was an

228

00:09:07,550 --> 00:09:05,399

excavation so whether it's an excavation

229

00:09:11,449 --> 00:09:07,560

we're dealing with or crashes and

230

00:09:13,730 --> 00:09:11,459

excavations how is this manifesting

231

00:09:16,310 --> 00:09:13,740

with it not leaking into the public and

232

00:09:18,590 --> 00:09:16,320

you know maybe my maybe my tinfoil hats

233

00:09:21,889 --> 00:09:18,600

wrapped around my head too tight but

234

00:09:24,590 --> 00:09:21,899

I'm I'm suspicious

235

00:09:26,810 --> 00:09:24,600

that these these These intelligences are

236

00:09:28,870 --> 00:09:26,820

using some sort of mind-blowing

237

00:09:32,210 --> 00:09:28,880

artificial intelligence

238

00:09:34,130 --> 00:09:32,220

where they're trying to manipulate our

239

00:09:35,990 --> 00:09:34,140

psychology they're trying to manipulate

240

00:09:39,769 --> 00:09:36,000

our evolution

241

00:09:41,030 --> 00:09:39,779

because how how is it that thousands of

242

00:09:45,050 --> 00:09:41,040

sightings are happening every day

243

00:09:48,110 --> 00:09:45,060

potentially and periodically

244

00:09:51,710 --> 00:09:48,120

um they're crashing or being discovered

245

00:09:53,870 --> 00:09:51,720

and being being studied and yet we still

246

00:09:55,190 --> 00:09:53,880

have this dichotomy persisting in the

247

00:09:57,230 --> 00:09:55,200

world of

248

00:09:58,970 --> 00:09:57,240

most of us believe there's no Smoking

249

00:10:01,910 --> 00:09:58,980

Gun our institutions don't don't even

250

00:10:04,370 --> 00:10:01,920

give give Credence to to this phenomenon

251

00:10:07,610 --> 00:10:04,380

and yet it's so

252

00:10:09,650 --> 00:10:07,620

um pervasive in our world in our skies

253

00:10:12,590 --> 00:10:09,660

in our oceans detected by submarines

254

00:10:15,290 --> 00:10:12,600

detected by Radars NORAD detected by

255

00:10:17,449 --> 00:10:15,300

satellites detected by uh secret UAP

256

00:10:18,889 --> 00:10:17,459

programs that haven't come to light yet

257

00:10:20,329 --> 00:10:18,899

in the United States and maybe in other

258

00:10:22,449 --> 00:10:20,339

countries detected coming in out of the

259

00:10:26,449 --> 00:10:22,459

oceans potentially by these secret UAP

260

00:10:28,430 --> 00:10:26,459

programs such as that that are like uh

261

00:10:31,550 --> 00:10:28,440

have a lot more evidence and a lot more

262

00:10:34,250 --> 00:10:31,560

funding than OSAP or atip ever did

263

00:10:36,470 --> 00:10:34,260

how is this happening it seems to over

264

00:10:38,389 --> 00:10:36,480

it seems too far-fetched for this to be

265

00:10:39,949 --> 00:10:38,399

some kind of anomaly that keeps

266

00:10:42,550 --> 00:10:39,959

happening over and over again where it's

267

00:10:46,370 --> 00:10:42,560

just so pervasive and yet this this this

268

00:10:48,530 --> 00:10:46,380

dichotomy is still persists where where

269

00:10:49,970 --> 00:10:48,540

so many people on this planet don't

270

00:10:52,490 --> 00:10:49,980

believe it's real our institutions don't

271

00:10:54,410 --> 00:10:52,500

believe it's real to me this seems to

272

00:10:56,810 --> 00:10:54,420

suggest and I could be wrong and

273

00:10:59,569 --> 00:10:56,820

statistically you could make a very good

274

00:11:01,670 --> 00:10:59,579

argument that I'm probably wrong but

275

00:11:03,170 --> 00:11:01,680

from my subjective mentality and

276

00:11:05,810 --> 00:11:03,180

interpretation this seems to suggest

277

00:11:08,210 --> 00:11:05,820

that we are being manipulated on a level

278

00:11:10,850 --> 00:11:08,220

that is unfathomable using technology we

279

00:11:12,949 --> 00:11:10,860

we came in wrap our heads around in the

280

00:11:14,810 --> 00:11:12,959

same way that if you took an iPhone and

281

00:11:17,210 --> 00:11:14,820

you brought it to to

282

00:11:19,250 --> 00:11:17,220

Medieval Time

283

00:11:20,449 --> 00:11:19,260

prior to showing them that iPhone they

284

00:11:21,769 --> 00:11:20,459

may not even be able to wrap their head

285

00:11:24,170 --> 00:11:21,779

around that technology right so

286

00:11:27,829 --> 00:11:24,180

something seems to be going on to where

287

00:11:29,630 --> 00:11:27,839

we're being manipulated and in my alien

288

00:11:32,690 --> 00:11:29,640

AI hypothesis

289

00:11:35,990 --> 00:11:32,700

I hypothesize playfully

290

00:11:36,829 --> 00:11:36,000

that they wanted governments to cover it

291

00:11:38,990 --> 00:11:36,839

up

292

00:11:41,150 --> 00:11:39,000

so if you wanted governments to cover it

293

00:11:43,250 --> 00:11:41,160

up what would be one of the best methods

294

00:11:45,170 --> 00:11:43,260

to do that in my opinion

295

00:11:47,690 --> 00:11:45,180

um allowing them to attain actual

296

00:11:49,430 --> 00:11:47,700

Technologies from these other

297

00:11:50,810 --> 00:11:49,440

intelligence would be because the second

298

00:11:52,610 --> 00:11:50,820

the American government or other

299

00:11:54,590 --> 00:11:52,620

governments get it

300

00:11:56,569 --> 00:11:54,600

knowing their capabilities now they see

301

00:11:59,090 --> 00:11:56,579

it through the lens of military uh

302

00:12:00,769 --> 00:11:59,100

capabilities and so they they would be

303

00:12:03,350 --> 00:12:00,779

especially during the Cold War which is

304

00:12:06,530 --> 00:12:03,360

when which is when um the Roswell event

305

00:12:08,990 --> 00:12:06,540

that allegedly happened took place

306

00:12:11,210 --> 00:12:09,000

I I just feel like governments were

307

00:12:13,550 --> 00:12:11,220

baited into into getting paranoid and

308

00:12:17,389 --> 00:12:13,560

covering this up and maybe if you want

309

00:12:19,370 --> 00:12:17,399

to take a very optimistic perspective

310

00:12:21,170 --> 00:12:19,380

maybe they are helping us

311

00:12:24,470 --> 00:12:21,180

because what's going to happen when we

312

00:12:26,389 --> 00:12:24,480

get disclosure what if what if they've

313

00:12:29,269 --> 00:12:26,399

been

314

00:12:31,430 --> 00:12:29,279

um sort of manipulating us and creating

315

00:12:33,710 --> 00:12:31,440

this incredible fine-tuning

316

00:12:36,050 --> 00:12:33,720

so that decades would pass where

317

00:12:39,230 --> 00:12:36,060

governments would lie to their populace

318

00:12:43,430 --> 00:12:39,240

But ultimately culminating in disclosure

319

00:12:45,170 --> 00:12:43,440

so what would that uh that that

320

00:12:48,530 --> 00:12:45,180

finality

321

00:12:50,629 --> 00:12:48,540

Encompass that that climax if you will

322

00:12:52,610 --> 00:12:50,639

for one we'd all start questioning our

323

00:12:54,110 --> 00:12:52,620

own governments do they have too much

324

00:12:57,350 --> 00:12:54,120

power we'd start questioning their

325

00:12:59,750 --> 00:12:57,360

policies we would start questioning

326

00:13:01,970 --> 00:12:59,760

everything they've done because if

327

00:13:02,990 --> 00:13:01,980

they've been lying to us about this what

328

00:13:06,170 --> 00:13:03,000

else have they been lying to us

329

00:13:08,449 --> 00:13:06,180

potentially and should we start being

330

00:13:10,370 --> 00:13:08,459

more skeptical about the decisions they

331

00:13:13,009 --> 00:13:10,380

make whether it comes to war or

332

00:13:16,310 --> 00:13:13,019

otherwise and then you would also have a

333

00:13:18,290 --> 00:13:16,320

humbling on a a civilization level

334

00:13:20,389 --> 00:13:18,300

because now we're going to be looking at

335

00:13:22,250 --> 00:13:20,399

our great institutions our great

336

00:13:24,769 --> 00:13:22,260

scientists and scientific community and

337

00:13:28,069 --> 00:13:24,779

be like what were you doing for the past

338

00:13:30,410 --> 00:13:28,079

70 years so now all of a sudden we have

339

00:13:32,990 --> 00:13:30,420

all these Kooks and you can I'll be one

340

00:13:35,030 --> 00:13:33,000

of them I'm a kook right so so be it

341

00:13:37,129 --> 00:13:35,040

that we're right about this

342

00:13:39,470 --> 00:13:37,139

about the greatest discovery in human

343

00:13:41,449 --> 00:13:39,480

history but the people that should have

344

00:13:44,269 --> 00:13:41,459

been most obsessed with it and doing the

345

00:13:46,310 --> 00:13:44,279

actual work to learn what's going on

346

00:13:48,889 --> 00:13:46,320

they ignored it so it's just like this

347

00:13:51,170 --> 00:13:48,899

big explosion of humility that is going

348

00:13:53,810 --> 00:13:51,180

to Encompass the entire Earth on so many

349

00:13:55,009 --> 00:13:53,820

different levels and it may be it may be

350

00:13:59,990 --> 00:13:55,019

that

351

00:14:02,629 --> 00:14:00,000

which leads to the human species

352

00:14:05,150 --> 00:14:02,639

taking a different turn if you will that

353

00:14:06,670 --> 00:14:05,160

leads to more peace more humility uh

354

00:14:10,670 --> 00:14:06,680

more civility

355

00:14:14,569 --> 00:14:10,680

the qualities that are conducive to more

356

00:14:16,670 --> 00:14:14,579

cooperation less violence less pettiness

357

00:14:19,790 --> 00:14:16,680

um and and less of the problems that we

358

00:14:22,129 --> 00:14:19,800

that our our psychology is so prone to

359

00:14:24,530 --> 00:14:22,139

so which this all falls under the

360

00:14:27,350 --> 00:14:24,540

umbrella of my alien AI hypothesis

361

00:14:29,629 --> 00:14:27,360

which I so so

362

00:14:31,730 --> 00:14:29,639

I'm just very suspicious that some

363

00:14:33,829 --> 00:14:31,740

because I I came up with an axiom a

364

00:14:36,590 --> 00:14:33,839

while back I don't remember it exactly

365

00:14:38,569 --> 00:14:36,600

it's it's uh I started in a video but

366

00:14:41,090 --> 00:14:38,579

basically it goes like this the more

367

00:14:43,670 --> 00:14:41,100

advanced a a species becomes or

368

00:14:47,090 --> 00:14:43,680

civilization becomes the less random

369

00:14:50,030 --> 00:14:47,100

everything they do and the more the more

370

00:14:51,889 --> 00:14:50,040

preemptive everything they do is so if

371

00:14:54,410 --> 00:14:51,899

you have at your disposal incredible

372

00:14:57,290 --> 00:14:54,420

artificial intelligence

373

00:14:59,629 --> 00:14:57,300

why would you not use it if if our

374

00:15:01,910 --> 00:14:59,639

species was visiting other worlds and

375

00:15:04,430 --> 00:15:01,920

studying them and we knew from

376

00:15:06,230 --> 00:15:04,440

experience that that civilizations can

377

00:15:08,329 --> 00:15:06,240

go south real quick with their

378

00:15:10,129 --> 00:15:08,339

technological development Would we not

379

00:15:12,230 --> 00:15:10,139

be like okay we want to steer this

380

00:15:13,490 --> 00:15:12,240

civilization in a positive direction so

381

00:15:16,009 --> 00:15:13,500

let's go to our little artificial

382

00:15:18,470 --> 00:15:16,019

intelligence machine and maybe maybe

383

00:15:20,150 --> 00:15:18,480

create some kind of um dichotomy like

384

00:15:22,790 --> 00:15:20,160

we're experiencing now

385

00:15:24,530 --> 00:15:22,800

where we make it so that that it's very

386

00:15:25,910 --> 00:15:24,540

obvious to much of the population that

387

00:15:28,310 --> 00:15:25,920

we exist

388

00:15:29,389 --> 00:15:28,320

but we we bait governments into lying

389

00:15:32,090 --> 00:15:29,399

about it

390

00:15:33,949 --> 00:15:32,100

and we we we present ourselves in a way

391

00:15:37,370 --> 00:15:33,959

in which

392

00:15:40,790 --> 00:15:37,380

the the great institutions may deny its

393

00:15:42,590 --> 00:15:40,800

reality so so so it's plausible that

394

00:15:45,350 --> 00:15:42,600

what we're dealing with has dealt with

395

00:15:46,610 --> 00:15:45,360

Civilizations for millions of years or

396

00:15:48,769 --> 00:15:46,620

hundreds of thousands of years they've

397

00:15:50,870 --> 00:15:48,779

seen us right they've seen us not us

398

00:15:52,129 --> 00:15:50,880

specifically but they've seen our

399

00:15:53,990 --> 00:15:52,139

species

400

00:15:55,730 --> 00:15:54,000

in terms of where we are in our

401  
00:15:57,889 --> 00:15:55,740  
development many many iterations on

402  
00:16:00,889 --> 00:15:57,899  
other planets so they may have figured

403  
00:16:04,189 --> 00:16:00,899  
out over a long span of time what it

404  
00:16:06,710 --> 00:16:04,199  
takes to subtly manipulate and steer a

405  
00:16:10,430 --> 00:16:06,720  
civilization in a direction for which

406  
00:16:12,530 --> 00:16:10,440  
they are going to be less harmful to to

407  
00:16:14,329 --> 00:16:12,540  
the to themselves into their planet and

408  
00:16:16,430 --> 00:16:14,339  
will div and so getting them to develop

409  
00:16:18,829 --> 00:16:16,440  
so I kind of feel like maybe

410  
00:16:20,629 --> 00:16:18,839  
what we're dealing with is using this

411  
00:16:23,210 --> 00:16:20,639  
kind of artificial intelligence to game

412  
00:16:24,650 --> 00:16:23,220  
plan us on a level that we can't even

413  
00:16:27,889 --> 00:16:24,660

comprehend

414

00:16:31,970 --> 00:16:27,899

and is trying to steer us in a Direction

415

00:16:34,730 --> 00:16:31,980

to where we will change the course we're

416

00:16:35,870 --> 00:16:34,740

on which is all the more important when

417

00:16:37,370 --> 00:16:35,880

you when you have much greater

418

00:16:40,490 --> 00:16:37,380

technology

419

00:16:43,069 --> 00:16:40,500

so this may so in some to some extent

420

00:16:44,470 --> 00:16:43,079

culminate with disclosure and that the

421

00:16:47,449 --> 00:16:44,480

disclosure

422

00:16:49,310 --> 00:16:47,459

will will be a turning point for human

423

00:16:51,710 --> 00:16:49,320

psychology human culture human

424

00:16:53,509 --> 00:16:51,720

philosophy the government human

425

00:16:56,509 --> 00:16:53,519

relationship

426  
00:16:58,490 --> 00:16:56,519  
and it ultimately theoretically could

427  
00:17:01,189 --> 00:16:58,500  
save our save us from ourselves now this

428  
00:17:03,650 --> 00:17:01,199  
is a very optimistic model that that

429  
00:17:06,470 --> 00:17:03,660  
I've come to and it could be completely

430  
00:17:07,730 --> 00:17:06,480  
wrong it might be a lot I mean this may

431  
00:17:08,809 --> 00:17:07,740  
be completely wrong but it's something I

432  
00:17:11,210 --> 00:17:08,819  
like to play with and something I like

433  
00:17:12,710 --> 00:17:11,220  
to contemplate no I appreciate that and

434  
00:17:15,590 --> 00:17:12,720  
I'm quite an optimistic person myself

435  
00:17:17,210 --> 00:17:15,600  
naturally so I relate to that

436  
00:17:19,549 --> 00:17:17,220  
um when it comes to crash retrievals

437  
00:17:22,130 --> 00:17:19,559  
we've heard over the years many times

438  
00:17:23,990 --> 00:17:22,140

that people talk about reverse

439

00:17:26,210 --> 00:17:24,000

engineering programs that mastered

440

00:17:28,549 --> 00:17:26,220

anti-gravity technology back in the 50s

441

00:17:30,650 --> 00:17:28,559

but then on the other side of things we

442

00:17:32,630 --> 00:17:30,660

hear that the technology is brought out

443

00:17:34,250 --> 00:17:32,640

every 10 years they they have a go at

444

00:17:36,710 --> 00:17:34,260

trying to reverse engineer it and then

445

00:17:38,210 --> 00:17:36,720

they can't so they put it back and when

446

00:17:40,070 --> 00:17:38,220

I think about it I'm more likely to kind

447

00:17:41,270 --> 00:17:40,080

of go with the latter

448

00:17:42,710 --> 00:17:41,280

um I'd just be interested to see what

449

00:17:44,810 --> 00:17:42,720

you think of that

450

00:17:46,549 --> 00:17:44,820

yeah if I heard you correctly I think I

451

00:17:48,350 --> 00:17:46,559

go with the ladder too I mean this is

452

00:17:49,610 --> 00:17:48,360

the way I see it

453

00:17:51,470 --> 00:17:49,620

at the end of the day you're dealing

454

00:17:53,090 --> 00:17:51,480

with corporations yeah whether it's

455

00:17:55,610 --> 00:17:53,100

Lockheed or Boeing right just like

456

00:17:57,770 --> 00:17:55,620

Walmart or Amazon right now I I'm not

457

00:17:59,750 --> 00:17:57,780

trying to belittle them they do good

458

00:18:01,250 --> 00:17:59,760

work for National Security

459

00:18:03,169 --> 00:18:01,260

uh there's a lot of criticisms to be

460

00:18:05,630 --> 00:18:03,179

made toward them as well

461

00:18:09,710 --> 00:18:05,640

um nothing in life is is generally black

462

00:18:12,830 --> 00:18:09,720

and white but if you have a technology

463

00:18:14,450 --> 00:18:12,840

that well it can go both ways because

464

00:18:16,970 --> 00:18:14,460

now that I'm thinking about when I when

465

00:18:18,169 --> 00:18:16,980

I spoke to uh Omega point it can go both

466

00:18:19,789 --> 00:18:18,179

ways there's a there's a lot of

467

00:18:22,730 --> 00:18:19,799

interesting arguments there

468

00:18:26,330 --> 00:18:22,740

but um so it's it's all speculation but

469

00:18:28,430 --> 00:18:26,340

I tend to think that um

470

00:18:30,409 --> 00:18:28,440

I tend to think that it would have made

471

00:18:32,870 --> 00:18:30,419

it into industry by now

472

00:18:34,190 --> 00:18:32,880

if um if they would have cracked gravity

473

00:18:35,930 --> 00:18:34,200

it would have made it an industry

474

00:18:38,330 --> 00:18:35,940

somehow like

475

00:18:40,250 --> 00:18:38,340

you know you could argue that well

476

00:18:42,409 --> 00:18:40,260

they don't want to go there because

477

00:18:45,110 --> 00:18:42,419

they're making more money by

478

00:18:47,270 --> 00:18:45,120

persistently creating slightly better

479

00:18:49,789 --> 00:18:47,280

aircraft as an example now we have that

480

00:18:53,330 --> 00:18:49,799

16. now we have the F-22 now we have the

481

00:18:55,549 --> 00:18:53,340

F-35 now we have we had the we had the

482

00:18:57,650 --> 00:18:55,559

um whatever with us the previous model

483

00:18:59,090 --> 00:18:57,660

of the stealth bomber now you have the

484

00:19:01,250 --> 00:18:59,100

B2 Raider you could you could go down

485

00:19:02,870 --> 00:19:01,260

that route but I tend to think that um

486

00:19:04,909 --> 00:19:02,880

and they may be doing something like

487

00:19:06,409 --> 00:19:04,919

that right they may purposely not try to

488

00:19:07,789 --> 00:19:06,419

upgrade as quickly as they can just like

489

00:19:10,370 --> 00:19:07,799

with the iPhone

490

00:19:11,810 --> 00:19:10,380

iPhones keep coming out they may have

491

00:19:12,890 --> 00:19:11,820

like an iPhone that's five years ahead

492

00:19:13,970 --> 00:19:12,900

of now they don't want to come out with

493

00:19:15,710 --> 00:19:13,980

that they want to keep coming up with

494

00:19:17,330 --> 00:19:15,720

new iterations before that so they can

495

00:19:18,770 --> 00:19:17,340

make as much money that still may be

496

00:19:21,289 --> 00:19:18,780

part of the equation

497

00:19:23,810 --> 00:19:21,299

but I tend to think that if they truly

498

00:19:26,510 --> 00:19:23,820

cracked it uh it would have made its way

499

00:19:27,890 --> 00:19:26,520

in the industry some way or somehow

500

00:19:29,630 --> 00:19:27,900

um like I'll just give you an example

501  
00:19:32,210 --> 00:19:29,640  
let's say you know Vladimir Putin

502  
00:19:34,190 --> 00:19:32,220  
cracked um anti-gravity does anyone

503  
00:19:36,169 --> 00:19:34,200  
believe for even a split second that he

504  
00:19:37,970 --> 00:19:36,179  
would sit on that and not use it for his

505  
00:19:40,549 --> 00:19:37,980  
his whatever he wants to achieve or

506  
00:19:41,750 --> 00:19:40,559  
China well you know I'm not sure the

507  
00:19:44,510 --> 00:19:41,760  
United States is so different in that

508  
00:19:47,330 --> 00:19:44,520  
respect uh I certainly you know I don't

509  
00:19:49,730 --> 00:19:47,340  
I we we have greater freedoms and I

510  
00:19:52,549 --> 00:19:49,740  
think we are we have a better um the

511  
00:19:54,850 --> 00:19:52,559  
United States and many many Western and

512  
00:19:58,490 --> 00:19:54,860  
free countries have have a better

513  
00:20:00,890 --> 00:19:58,500

governmental system but yet

514

00:20:02,870 --> 00:20:00,900

if you have something on that level do

515

00:20:03,890 --> 00:20:02,880

you really not use it when you're going

516

00:20:05,570 --> 00:20:03,900

to war

517

00:20:07,610 --> 00:20:05,580

I'm a little skeptical that I think you

518

00:20:09,230 --> 00:20:07,620

use whatever you got right if it's if

519

00:20:11,990 --> 00:20:09,240

it's fully functioning

520

00:20:14,870 --> 00:20:12,000

and fully capable you don't just you

521

00:20:16,430 --> 00:20:14,880

don't just not use it you use it you you

522

00:20:17,029 --> 00:20:16,440

definitely use it

523

00:20:18,470 --> 00:20:17,039

um

524

00:20:20,690 --> 00:20:18,480

and that's kind of where I come from all

525

00:20:22,250 --> 00:20:20,700

that so but I do think they have I think

526

00:20:23,150 --> 00:20:22,260

it's very plausible they've recovered

527

00:20:25,490 --> 00:20:23,160

craft

528

00:20:27,650 --> 00:20:25,500

but I think it's more likely that it's a

529

00:20:29,510 --> 00:20:27,660

situation where it's just so advanced

530

00:20:31,909 --> 00:20:29,520

that they've not been able to replicate

531

00:20:33,590 --> 00:20:31,919

it in a in a sufficient way to actually

532

00:20:35,750 --> 00:20:33,600

start using it

533

00:20:38,090 --> 00:20:35,760

in any any

534

00:20:39,950 --> 00:20:38,100

um meaningful way yeah

535

00:20:44,270 --> 00:20:39,960

and now recently we obviously got the

536

00:20:45,950 --> 00:20:44,280

much delayed UAP report 2022 but um

537

00:20:49,070 --> 00:20:45,960

obviously that was due to release on

538

00:20:51,650 --> 00:20:49,080

October 31st and around that time we

539

00:20:54,710 --> 00:20:51,660

started seeing these articles we had the

540

00:20:57,409 --> 00:20:54,720

uh Julian Barnes the Holman Jenkins that

541

00:20:59,330 --> 00:20:57,419

were really kind of seem to be going

542

00:21:01,190 --> 00:20:59,340

against the UAP subject and that's

543

00:21:03,409 --> 00:21:01,200

probably not the right phrase to use but

544

00:21:05,330 --> 00:21:03,419

it seemed that they were preempting

545

00:21:07,010 --> 00:21:05,340

something to try and

546

00:21:08,750 --> 00:21:07,020

I don't know muddy the waters or

547

00:21:11,570 --> 00:21:08,760

whatever and I'd like to hear your views

548

00:21:13,610 --> 00:21:11,580

on on what was going on there I think I

549

00:21:15,350 --> 00:21:13,620

recall George Knapp saying that one of

550

00:21:17,750 --> 00:21:15,360

the reasons they might have done this is

551  
00:21:20,090 --> 00:21:17,760  
is to

552  
00:21:21,890 --> 00:21:20,100  
discourage other news outlets from

553  
00:21:23,990 --> 00:21:21,900  
covering it right

554  
00:21:25,370 --> 00:21:24,000  
by preempting it and saying well no it's

555  
00:21:26,450 --> 00:21:25,380  
just gonna all be gonna be a nothing

556  
00:21:27,890 --> 00:21:26,460  
Burger

557  
00:21:30,049 --> 00:21:27,900  
because if you if you look at the New

558  
00:21:32,810 --> 00:21:30,059  
York Times for example

559  
00:21:34,549 --> 00:21:32,820  
when the December 16 2017 New York Times

560  
00:21:37,430 --> 00:21:34,559  
article that kind of

561  
00:21:39,590 --> 00:21:37,440  
started this whole thing you could argue

562  
00:21:41,570 --> 00:21:39,600  
that gave permission to all these other

563  
00:21:43,190 --> 00:21:41,580

Publications whether it was the

564

00:21:45,590 --> 00:21:43,200

Washington Post

565

00:21:47,570 --> 00:21:45,600

uh or others I mean every every other

566

00:21:51,409 --> 00:21:47,580

publication followed to to follow it

567

00:21:55,669 --> 00:21:51,419

right so it could be that some people in

568

00:21:59,750 --> 00:21:58,430

trying to water it all down so that

569

00:22:03,649 --> 00:21:59,760

other Publications would kind of back

570

00:22:05,330 --> 00:22:03,659

off as a form of of subtle pushback if

571

00:22:07,190 --> 00:22:05,340

you will yeah I think that might have

572

00:22:09,890 --> 00:22:07,200

been going on

573

00:22:12,169 --> 00:22:09,900

um there are as I understand it people

574

00:22:13,750 --> 00:22:12,179

in the Pentagon who really do not want

575

00:22:17,450 --> 00:22:13,760

this to come out

576

00:22:20,930 --> 00:22:17,460

and they're very motivated uh and so

577

00:22:22,610 --> 00:22:20,940

while I think it's ultimately a futile

578

00:22:24,110 --> 00:22:22,620

effort

579

00:22:25,730 --> 00:22:24,120

um

580

00:22:26,870 --> 00:22:25,740

well I think it's ultimately a futile

581

00:22:29,090 --> 00:22:26,880

effort

582

00:22:30,950 --> 00:22:29,100

I um I think there might be something

583

00:22:32,930 --> 00:22:30,960

like that going on because if you look

584

00:22:34,789 --> 00:22:32,940

at

585

00:22:36,649 --> 00:22:34,799

as far as like Julian Barnes article in

586

00:22:38,630 --> 00:22:36,659

New York Times

587

00:22:40,430 --> 00:22:38,640

it seems like he was off the mark right

588

00:22:42,590 --> 00:22:40,440

I mean it

589

00:22:45,230 --> 00:22:42,600

he was talking about like

590

00:22:47,690 --> 00:22:45,240

the idea if I recollect correctly that

591

00:22:49,549 --> 00:22:47,700

maybe the gimbal or the Fleur one was

592

00:22:51,950 --> 00:22:49,559

like an optical illusion

593

00:22:53,149 --> 00:22:51,960

as if the as if hinting two or two it

594

00:22:55,730 --> 00:22:53,159

was going to get debunked on some level

595

00:22:58,130 --> 00:22:55,740

well lo and behold we get the uh we

596

00:22:59,990 --> 00:22:58,140

finally do get the the UFO report they

597

00:23:01,490 --> 00:23:00,000

weren't debunked at all not even

598

00:23:02,149 --> 00:23:01,500

remotely

599

00:23:04,610 --> 00:23:02,159

um

600

00:23:07,010 --> 00:23:04,620

and and while I I was disappointed with

601

00:23:09,890 --> 00:23:07,020

the most recent UFO report

602

00:23:13,010 --> 00:23:09,900

this the the reality Still Remains that

603

00:23:15,289 --> 00:23:13,020

it was maintaining this enigma

604

00:23:17,690 --> 00:23:15,299

it was not casting it in a light where

605

00:23:20,210 --> 00:23:17,700

we could all go home and kind of go like

606

00:23:22,730 --> 00:23:20,220

that it was casting it in a light that

607

00:23:25,070 --> 00:23:22,740

bruh there's still stuff out there that

608

00:23:26,570 --> 00:23:25,080

appears to have unusual flight

609

00:23:30,169 --> 00:23:26,580

characteristics that we don't understand

610

00:23:31,850 --> 00:23:30,179

so while disappointing

611

00:23:34,490 --> 00:23:31,860

um it definitely is keeping this

612

00:23:35,990 --> 00:23:34,500

momentum going forward uh so that's what

613

00:23:38,450 --> 00:23:36,000

I would basically have to say about that

614

00:23:40,490 --> 00:23:38,460

yeah and it seems that the gimbal like

615

00:23:42,470 --> 00:23:40,500

you mentioned there that it's still very

616

00:23:44,570 --> 00:23:42,480

much an ongoing conversation from from

617

00:23:46,190 --> 00:23:44,580

both sides from people that genuinely do

618

00:23:48,529 --> 00:23:46,200

believe that it's something anomalous to

619

00:23:50,990 --> 00:23:48,539

people that are almost certain in their

620

00:23:53,149 --> 00:23:51,000

beliefs that it's uh quite prosaic and

621

00:23:54,950 --> 00:23:53,159

you mentioned the the Ryan Graves

622

00:23:56,750 --> 00:23:54,960

interviewing on concrete and I believe

623

00:24:00,289 --> 00:23:56,760

in that interview he also states that

624

00:24:02,990 --> 00:24:00,299

there is a third video uh showing more

625

00:24:04,250 --> 00:24:03,000

strange wobbling effects of this of this

626

00:24:07,130 --> 00:24:04,260

gimbal I mean

627

00:24:09,529 --> 00:24:07,140

is that with that fall under your

628

00:24:11,870 --> 00:24:09,539

Smoking Gun let's say uh maybe not of

629

00:24:13,130 --> 00:24:11,880

the whole of disclosure but yeah what do

630

00:24:14,690 --> 00:24:13,140

you think would happen if that came out

631

00:24:16,310 --> 00:24:14,700

in the conversation

632

00:24:19,070 --> 00:24:16,320

to be perfectly Frank I think it's a

633

00:24:20,630 --> 00:24:19,080

Smoking Gun which uh which bothers me

634

00:24:22,430 --> 00:24:20,640

I think the floor ones are smoking gun

635

00:24:25,430 --> 00:24:22,440

too and what I mean by that what we've

636

00:24:26,270 --> 00:24:25,440

been given not a Smoking Gun but do I

637

00:24:29,390 --> 00:24:26,280

think

638

00:24:32,270 --> 00:24:29,400

that the most powerful uh Navy in the

639

00:24:34,250 --> 00:24:32,280

entire world with satellite systems and

640

00:24:35,990 --> 00:24:34,260

all kinds of sensors some classifieds

641

00:24:38,230 --> 00:24:36,000

some not in other words some we don't

642

00:24:40,850 --> 00:24:38,240

even know about do I think they've

643

00:24:43,430 --> 00:24:40,860

attain enough

644

00:24:46,669 --> 00:24:43,440

um data

645

00:24:48,830 --> 00:24:46,679

to rule out foreign governments

646

00:24:52,250 --> 00:24:48,840

yes yes I do

647

00:24:54,289 --> 00:24:52,260

um I I don't know that I I I'm but it's

648

00:24:56,510 --> 00:24:54,299

it's my perception

649

00:24:58,669 --> 00:24:56,520

and in that interview you just cited

650

00:25:00,890 --> 00:24:58,679

like Ryan Graves said himself there's so

651  
00:25:03,110 --> 00:25:00,900  
much more data out there even even just

652  
00:25:06,049 --> 00:25:03,120  
from like I think it was just from the

653  
00:25:08,870 --> 00:25:06,059  
the radar on the F-18 you know let alone

654  
00:25:10,250 --> 00:25:08,880  
what other big uh sensor collecting

655  
00:25:12,289 --> 00:25:10,260  
mechanisms the United States government

656  
00:25:14,630 --> 00:25:12,299  
has so

657  
00:25:16,430 --> 00:25:14,640  
the the we're being lied to you know

658  
00:25:18,169 --> 00:25:16,440  
let's just let's just call what it is I

659  
00:25:20,210 --> 00:25:18,179  
think Stephen Bassett likes to call it

660  
00:25:22,789 --> 00:25:20,220  
like we need to be lied to to get out of

661  
00:25:25,549 --> 00:25:22,799  
a lie it's kind of what he says because

662  
00:25:28,190 --> 00:25:25,559  
if if they do know we're not alone

663  
00:25:31,730 --> 00:25:28,200

and and they have so much sensor data to

664

00:25:35,090 --> 00:25:31,740

to objectively ascertain that this is

665

00:25:36,950 --> 00:25:35,100

just not coming from China Russia well

666

00:25:40,490 --> 00:25:36,960

the way they're presenting the material

667

00:25:42,830 --> 00:25:40,500

in the UFO reports just as an example is

668

00:25:45,110 --> 00:25:42,840

it's not in alignment with the level of

669

00:25:47,269 --> 00:25:45,120

certainty that they have that we are not

670

00:25:51,289 --> 00:25:47,279

dealing with adversaries

671

00:25:52,850 --> 00:25:51,299

um are they are they going too far with

672

00:25:54,470 --> 00:25:52,860

the idea that well you know it could be

673

00:25:56,450 --> 00:25:54,480

a one in a hundred thousand chance that

674

00:25:58,549 --> 00:25:56,460

this is China and Russia So based upon

675

00:26:00,590 --> 00:25:58,559

that we're just going to say appeared

676  
00:26:02,750 --> 00:26:00,600  
appear appear appear appears to be

677  
00:26:04,070 --> 00:26:02,760  
flying unusually appears to do this

678  
00:26:05,649 --> 00:26:04,080  
appears to do that because there's

679  
00:26:08,990 --> 00:26:05,659  
always that

680  
00:26:10,730 --> 00:26:09,000  
infinitesimal probability that China

681  
00:26:13,789 --> 00:26:10,740  
came up with

682  
00:26:15,289 --> 00:26:13,799  
uh leapfrogging technology even though

683  
00:26:17,870 --> 00:26:15,299  
their budgets weigh less than United

684  
00:26:19,850 --> 00:26:17,880  
States even though we're spying on them

685  
00:26:22,190 --> 00:26:19,860  
constantly but it just went under the

686  
00:26:23,390 --> 00:26:22,200  
radar everybody nobody knew about this

687  
00:26:26,810 --> 00:26:23,400  
project right

688  
00:26:29,149 --> 00:26:26,820

nobody knew about their uh Area 51

689

00:26:31,250 --> 00:26:29,159

equivalent producing this level of

690

00:26:34,010 --> 00:26:31,260

Technology are they doing that I don't

691

00:26:37,190 --> 00:26:34,020

know uh they're they're they're they're

692

00:26:38,930 --> 00:26:37,200

being they're being insincere in some

693

00:26:42,110 --> 00:26:38,940

level in my opinion

694

00:26:44,930 --> 00:26:42,120

but look the new legislation has

695

00:26:47,330 --> 00:26:44,940

whistleblower protections and from what

696

00:26:50,450 --> 00:26:47,340

I've heard from Jeremy Corbell George

697

00:26:52,909 --> 00:26:50,460

Knapp and others

698

00:26:54,230 --> 00:26:52,919

Tom uh not Tom Rogan but just others a

699

00:26:55,490 --> 00:26:54,240

lot of people because I know people can

700

00:26:56,810 --> 00:26:55,500

be like oh George Knapp and Jimmy

701

00:26:58,610 --> 00:26:56,820

Corbell don't count well there's a lot

702

00:27:01,310 --> 00:26:58,620

of other people saying the same thing is

703

00:27:03,710 --> 00:27:01,320

that Congress has already been

704

00:27:06,950 --> 00:27:03,720

um informed about at least one Legacy

705

00:27:10,190 --> 00:27:06,960

UAP program Through official channels

706

00:27:11,930 --> 00:27:10,200

so I mean this thing in my opinion it's

707

00:27:13,730 --> 00:27:11,940

inevitably going to come out

708

00:27:15,350 --> 00:27:13,740

um we're we're going to discover that

709

00:27:17,269 --> 00:27:15,360

there's Legacy programs in my opinion

710

00:27:18,529 --> 00:27:17,279

and that they're funded a lot of money

711

00:27:20,450 --> 00:27:18,539

and they know a lot more about this

712

00:27:21,590 --> 00:27:20,460

phenomena uh and I'm sure there's people

713

00:27:24,350 --> 00:27:21,600

in the Pentagon that know that these

714

00:27:25,430 --> 00:27:24,360

Legacy programs exist I know that if you

715

00:27:30,169 --> 00:27:25,440

read um

716

00:27:35,269 --> 00:27:33,529

astronomer Bernard haish uh

717

00:27:37,190 --> 00:27:35,279

he said that

718

00:27:39,529 --> 00:27:37,200

assuming he has good sources and that's

719

00:27:41,390 --> 00:27:39,539

the impression I get he said that atip

720

00:27:43,490 --> 00:27:41,400

we're looking for a crash retrieval

721

00:27:45,950 --> 00:27:43,500

program and I've discovered it Through

722

00:27:47,149 --> 00:27:45,960

official channels but was not given

723

00:27:49,010 --> 00:27:47,159

access to it

724

00:27:51,169 --> 00:27:49,020

uh because they were not they didn't

725

00:27:53,330 --> 00:27:51,179

have the clearance to do so

726

00:27:54,710 --> 00:27:53,340

so these these Legacy these alleged

727

00:27:56,450 --> 00:27:54,720

Legacy programs because I'm not saying I

728

00:27:59,390 --> 00:27:56,460

know they exist do I believe they exist

729

00:28:02,210 --> 00:28:00,710

I think what people need to understand

730

00:28:07,549 --> 00:28:02,220

is

731

00:28:11,210 --> 00:28:07,559

pressure

732

00:28:14,570 --> 00:28:11,220

um on the intelligence Community or the

733

00:28:16,789 --> 00:28:14,580

Pentagon to come clean on what they know

734

00:28:18,049 --> 00:28:16,799

about this topic so when people say like

735

00:28:19,730 --> 00:28:18,059

well they've gotten away with their 70

736

00:28:21,350 --> 00:28:19,740

years and get away with another 70 years

737

00:28:23,510 --> 00:28:21,360

I would say wait a minute they've gotten

738

00:28:26,149 --> 00:28:23,520

away with it for 70 years because there

739

00:28:27,950 --> 00:28:26,159

was almost no pressure that has changed

740

00:28:30,769 --> 00:28:27,960

over the last five years

741

00:28:32,630 --> 00:28:30,779

and um I mean it's quite plausible that

742

00:28:34,370 --> 00:28:32,640

the reason that the Congress is so

743

00:28:36,049 --> 00:28:34,380

insanely aggressive on this is because

744

00:28:38,149 --> 00:28:36,059

they already know they've already been

745

00:28:40,610 --> 00:28:38,159

told by whistleblowers behind the scenes

746

00:28:43,190 --> 00:28:40,620

and that gave them the impetus

747

00:28:45,769 --> 00:28:43,200

to create this legislation some people

748

00:28:48,350 --> 00:28:45,779

want to argue oh it's just a mind virus

749

00:28:50,810 --> 00:28:48,360

brother this is a bunch of UFO fans in

750

00:28:53,090 --> 00:28:50,820

the government that in that influence

751

00:28:54,830 --> 00:28:53,100

Congress to do this well okay fine if

752

00:28:57,169 --> 00:28:54,840

you think that's smart hey man more

753

00:28:58,490 --> 00:28:57,179

power to you right as I wrote one of my

754

00:29:00,350 --> 00:28:58,500

medium articles

755

00:29:02,810 --> 00:29:00,360

I don't remember the title but I

756

00:29:04,909 --> 00:29:02,820

basically said look it is what it is

757

00:29:06,950 --> 00:29:04,919

we don't we don't need to to be

758

00:29:09,769 --> 00:29:06,960

obnoxious with each other we can be like

759

00:29:11,690 --> 00:29:09,779

just State your position let's see what

760

00:29:13,549 --> 00:29:11,700

happens because I'm I'm of the

761

00:29:15,409 --> 00:29:13,559

persuasion that

762

00:29:17,810 --> 00:29:15,419

if in the next two three four years

763

00:29:19,370 --> 00:29:17,820

nothing comes about this

764

00:29:20,870 --> 00:29:19,380

then Skeptics will have a much better

765

00:29:22,490 --> 00:29:20,880

argument but let's wait until that

766

00:29:23,690 --> 00:29:22,500

happens because I feel like with the

767

00:29:26,029 --> 00:29:23,700

pressure now

768

00:29:27,769 --> 00:29:26,039

it has to come out

769

00:29:29,450 --> 00:29:27,779

it just there's just too much pressure

770

00:29:31,850 --> 00:29:29,460

so if there's a there there in terms of

771

00:29:34,370 --> 00:29:31,860

like Legacy UFO programs that will come

772

00:29:35,690 --> 00:29:34,380

out now granted I think people are

773

00:29:37,850 --> 00:29:35,700

saying like well Congress gets the final

774

00:29:39,230 --> 00:29:37,860

say on whether or not they revealed to

775

00:29:41,210 --> 00:29:39,240

the public that there's Legacy programs

776

00:29:44,029 --> 00:29:41,220

well you know Chris Mellon was speaking

777

00:29:46,070 --> 00:29:44,039

with um Senator Christian gillibrand

778

00:29:48,590 --> 00:29:46,080

because it was in his article and I

779

00:29:51,110 --> 00:29:48,600

think it was his article and it was

780

00:29:52,850 --> 00:29:51,120

reported that she was asked um if they

781

00:29:55,250 --> 00:29:52,860

discovered that there was a retrieval of

782

00:29:56,750 --> 00:29:55,260

a of a uip would you think the American

783

00:29:58,490 --> 00:29:56,760

people should know and she's like of

784

00:29:59,450 --> 00:29:58,500

course they should so yeah we'll see

785

00:30:02,810 --> 00:29:59,460

what happens

786

00:30:05,029 --> 00:30:02,820

yeah absolutely now recently we saw the

787

00:30:08,750 --> 00:30:05,039

latest uh release from Jeremy Corbell

788

00:30:11,389 --> 00:30:08,760

the the mosul sphere on his new podcast

789

00:30:12,769 --> 00:30:11,399

weaponized with George Knapp uh and you

790

00:30:14,990 --> 00:30:12,779

were one of the first to put a really

791

00:30:17,149 --> 00:30:15,000

good thorough video on that which uh you

792

00:30:18,590 --> 00:30:17,159

know we love to see but for anybody that

793

00:30:20,510 --> 00:30:18,600

maybe didn't happen to see that video

794

00:30:23,750 --> 00:30:20,520

I'd love to just hear your thoughts on

795

00:30:25,010 --> 00:30:23,760

the way it came out the actual what it

796

00:30:27,590 --> 00:30:25,020

sort of said to you and what it

797

00:30:29,750 --> 00:30:27,600

represented yeah so

798

00:30:34,490 --> 00:30:29,760

it was from a

799

00:30:36,169 --> 00:30:34,500

spy plane over mosul mosul Iraq

800

00:30:40,310 --> 00:30:36,179

and

801  
00:30:42,049 --> 00:30:40,320  
wasn't looking for an orb or anything

802  
00:30:44,810 --> 00:30:42,059  
like that it was just doing what it does

803  
00:30:49,010 --> 00:30:44,820  
collecting intelligence and for four

804  
00:30:51,649 --> 00:30:49,020  
seconds this spherical object comes into

805  
00:30:55,669 --> 00:30:51,659  
the viewfinder of the of the spy plane

806  
00:30:59,389 --> 00:30:58,070  
I think I don't know if it was four

807  
00:31:01,010 --> 00:30:59,399  
seconds but I think that the actual

808  
00:31:03,230 --> 00:31:01,020  
footage is only a second or something

809  
00:31:04,789 --> 00:31:03,240  
like that yeah I don't know where I'm

810  
00:31:07,909 --> 00:31:04,799  
getting four seconds but it's a four

811  
00:31:09,590 --> 00:31:07,919  
second clip okay so the sphere is one

812  
00:31:11,210 --> 00:31:09,600  
second all right guys in seconds before

813  
00:31:13,730 --> 00:31:11,220

and after right gotcha

814

00:31:15,590 --> 00:31:13,740

so I think it's very intriguing

815

00:31:19,250 --> 00:31:15,600

according to Jeremy Corbell as far as I

816

00:31:24,350 --> 00:31:22,130

um the people in charge of studying it

817

00:31:25,549 --> 00:31:24,360

consider unresolved officially within

818

00:31:27,649 --> 00:31:25,559

the United States government so that's

819

00:31:28,370 --> 00:31:27,659

interesting

820

00:31:30,590 --> 00:31:28,380

um

821

00:31:34,430 --> 00:31:30,600

yeah I mean it could be a balloon but it

822

00:31:36,169 --> 00:31:34,440

also could be a UAP and one of the

823

00:31:37,730 --> 00:31:36,179

reasons I say that is simply because if

824

00:31:40,490 --> 00:31:37,740

you if you've read some of Joshua

825

00:31:41,450 --> 00:31:40,500

Boswell's work

826

00:31:44,029 --> 00:31:41,460

um

827

00:31:45,169 --> 00:31:44,039

he talked about him and Christopher

828

00:31:47,090 --> 00:31:45,179

Sharp

829

00:31:49,250 --> 00:31:47,100

were the first I think publication

830

00:31:52,669 --> 00:31:49,260

outside of Jeremy Corbell and George

831

00:31:55,549 --> 00:31:52,679

Knapp to do an article on the mosul orb

832

00:31:58,250 --> 00:31:55,559

but even prior to that

833

00:32:01,970 --> 00:31:58,260

um Josh Boswell did an article

834

00:32:04,310 --> 00:32:01,980

I think in the Daily Mail in which he

835

00:32:07,130 --> 00:32:04,320

talked about the upcoming UFO report

836

00:32:11,029 --> 00:32:07,140

and he talked about how

837

00:32:14,029 --> 00:32:11,039

spheres orbs are being recorded

838

00:32:15,470 --> 00:32:14,039

for various periods of time I think one

839

00:32:16,250 --> 00:32:15,480

citation was sometimes it's like 10

840

00:32:17,870 --> 00:32:16,260

minutes

841

00:32:19,310 --> 00:32:17,880

and they and not only are they being

842

00:32:20,210 --> 00:32:19,320

recorded but they're being recorded

843

00:32:21,769 --> 00:32:20,220

doing

844

00:32:24,169 --> 00:32:21,779

bizarre

845

00:32:27,470 --> 00:32:24,179

flight Maneuvers that that should not be

846

00:32:29,149 --> 00:32:27,480

possible and spheres by the way

847

00:32:31,490 --> 00:32:29,159

where's the propulsion system going to

848

00:32:33,110 --> 00:32:31,500

be there's no wings

849

00:32:35,269 --> 00:32:33,120

um it should not be able to maneuver in

850

00:32:37,250 --> 00:32:35,279

a sophisticated way so if they're

851  
00:32:39,110 --> 00:32:37,260  
getting all this footage over and over

852  
00:32:40,850 --> 00:32:39,120  
again if spheres maneuvering in

853  
00:32:42,769 --> 00:32:40,860  
sophisticated ways

854  
00:32:44,750 --> 00:32:42,779  
then it's quite plausible that they know

855  
00:32:47,870 --> 00:32:44,760  
that this is not from an adversary just

856  
00:32:50,330 --> 00:32:47,880  
like the Tic Tac just like the gimbal

857  
00:32:52,250 --> 00:32:50,340  
uh so so this only gets to the heart of

858  
00:32:53,870 --> 00:32:52,260  
How Deep The cover-up if you want to

859  
00:32:55,669 --> 00:32:53,880  
call it that I know that Stephen

860  
00:32:59,029 --> 00:32:55,679  
bassett's real big on calling it a UFO

861  
00:33:00,950 --> 00:32:59,039  
uh truth embargo but this only gets to

862  
00:33:02,930 --> 00:33:00,960  
how deep this might go I mean all of

863  
00:33:04,789 --> 00:33:02,940

this we're seeing right now

864

00:33:06,230 --> 00:33:04,799

um disturbingly maybe only the tip of

865

00:33:07,730 --> 00:33:06,240

the iceberg

866

00:33:09,649 --> 00:33:07,740

and we're really going to have to do a

867

00:33:11,090 --> 00:33:09,659

real Reckoning when disclosure comes in

868

00:33:13,370 --> 00:33:11,100

my opinion because

869

00:33:15,789 --> 00:33:13,380

the skeptical mantras that have been

870

00:33:18,169 --> 00:33:15,799

going on for decades now

871

00:33:19,909 --> 00:33:18,179

Finn Hanley and shout out to Finland

872

00:33:21,649 --> 00:33:19,919

Hanley he knows them all by heart he's a

873

00:33:25,009 --> 00:33:21,659

he's an authority on on skeptical

874

00:33:26,930 --> 00:33:25,019

mantras but one of them is it's there

875

00:33:29,269 --> 00:33:26,940

it's the distances are too great so the

876

00:33:29,990 --> 00:33:29,279

UFOs are not alien or

877

00:33:31,610 --> 00:33:30,000

um

878

00:33:33,110 --> 00:33:31,620

governments are not good at keeping

879

00:33:35,570 --> 00:33:33,120

secrets y'all

880

00:33:37,970 --> 00:33:35,580

if they knew there was a you you uh a

881

00:33:39,889 --> 00:33:37,980

non-human intelligence pervading our

882

00:33:41,810 --> 00:33:39,899

world we would know about it there'd be

883

00:33:43,310 --> 00:33:41,820

leaks and on and on and go those Mantra

884

00:33:45,590 --> 00:33:43,320

Mantra Mantra Mantra well what happens

885

00:33:47,450 --> 00:33:45,600

when all those mantras are wrong all of

886

00:33:48,529 --> 00:33:47,460

them oh we got to do a reckoning you

887

00:33:51,470 --> 00:33:48,539

know I'm saying we got to Humble

888

00:33:53,210 --> 00:33:51,480

ourselves and stop stop giving people so

889

00:33:55,009 --> 00:33:53,220

much credibility because it's just their

890

00:33:56,450 --> 00:33:55,019

like it's just like their opinion man

891

00:33:58,970 --> 00:33:56,460

you know what I'm saying

892

00:34:01,730 --> 00:33:58,980

so um yeah we got to do a reckoning

893

00:34:03,590 --> 00:34:01,740

because it's it's disturbing uh how much

894

00:34:05,810 --> 00:34:03,600

footage do they have how much sensor

895

00:34:07,490 --> 00:34:05,820

data do they I mean when you consider

896

00:34:10,669 --> 00:34:07,500

the potential layers of evidence they

897

00:34:13,070 --> 00:34:10,679

have over many decades it might be so

898

00:34:16,849 --> 00:34:13,080

much that if we were to know

899

00:34:18,589 --> 00:34:16,859

we would just um get really depressed

900

00:34:21,050 --> 00:34:18,599

uh because it just makes the cover up

901  
00:34:22,970 --> 00:34:21,060  
that much worse like it's not like it's

902  
00:34:25,010 --> 00:34:22,980  
not my perception and I could be wrong

903  
00:34:26,450 --> 00:34:25,020  
of course is that it's not like they're

904  
00:34:27,950 --> 00:34:26,460  
suspicious we're not alone or they're

905  
00:34:29,570 --> 00:34:27,960  
getting hints we're not alone

906  
00:34:31,129 --> 00:34:29,580  
I think it's a lot worse than that I

907  
00:34:33,889 --> 00:34:31,139  
think that um

908  
00:34:36,589 --> 00:34:33,899  
they have silent well look John

909  
00:34:38,329 --> 00:34:36,599  
Ratcliffe former dni Director of

910  
00:34:40,490 --> 00:34:38,339  
National Intelligence explicitly said

911  
00:34:43,250 --> 00:34:40,500  
there's satellite imagery he explicitly

912  
00:34:44,690 --> 00:34:43,260  
said that uh these things will be

913  
00:34:47,629 --> 00:34:44,700

detected going beyond the sound barrier

914

00:34:49,129 --> 00:34:47,639

with no Sonic Boom he explicitly said

915

00:34:51,530 --> 00:34:49,139

that

916

00:34:54,349 --> 00:34:51,540

uh

917

00:34:58,250 --> 00:34:54,359

that that we can't replicate these

918

00:35:00,349 --> 00:34:58,260

Maneuvers Barack Obama former eight-year

919

00:35:02,030 --> 00:35:00,359

term president said there's footage and

920

00:35:04,310 --> 00:35:02,040

records of stuff doing things we can't

921

00:35:05,150 --> 00:35:04,320

easily understand

922

00:35:07,370 --> 00:35:05,160

um

923

00:35:08,810 --> 00:35:07,380

we have Luis Elizondo now right there's

924

00:35:10,970 --> 00:35:08,820

just this this

925

00:35:12,589 --> 00:35:10,980

iteration of after iteration over

926

00:35:15,109 --> 00:35:12,599

Decades of people coming out saying it's

927

00:35:19,609 --> 00:35:15,119

real on top of that we have witness

928

00:35:22,250 --> 00:35:19,619

testimony from gazillions of people over

929

00:35:25,250 --> 00:35:22,260

decades and decades with commonalities

930

00:35:27,530 --> 00:35:25,260

in their testimony oh it's a flying

931

00:35:30,050 --> 00:35:27,540

saucer right Flying Saucer is a very

932

00:35:31,910 --> 00:35:30,060

common shape why maybe because it's real

933

00:35:34,490 --> 00:35:31,920

you know what I'm saying maybe because

934

00:35:36,890 --> 00:35:34,500

it's real maybe that's why there's so

935

00:35:38,990 --> 00:35:36,900

many patterns y'all

936

00:35:40,609 --> 00:35:39,000

um it's all disturbing it is it is

937

00:35:42,470 --> 00:35:40,619

extremely disturbing that this was able

938

00:35:43,849 --> 00:35:42,480

to persist

939

00:35:46,849 --> 00:35:43,859

um and you know

940

00:35:48,670 --> 00:35:46,859

shout out to um Kick plenty Twitter

941

00:35:50,810 --> 00:35:48,680

account

942

00:35:53,270 --> 00:35:50,820

kikala I think I always mispronounce his

943

00:35:54,890 --> 00:35:53,280

name great guy very smart he coined a

944

00:35:56,030 --> 00:35:54,900

phrase and uh he deserves full credit

945

00:35:57,290 --> 00:35:56,040

for that phrase I don't think anyone's

946

00:36:00,589 --> 00:35:57,300

ever come up with that phrase before so

947

00:36:02,930 --> 00:36:00,599

shout out to Kika kick kick plenty on um

948

00:36:04,790 --> 00:36:02,940

on Twitter he he coined the phrase

949

00:36:07,250 --> 00:36:04,800

second disclosure we all know what the

950

00:36:10,670 --> 00:36:07,260

first disclosure is the first disclosure

951  
00:36:13,310 --> 00:36:10,680  
is obviously Smoking Gun evidence

952  
00:36:14,810 --> 00:36:13,320  
emerging changing the consensus on this

953  
00:36:18,109 --> 00:36:14,820  
presence the second disclosure is

954  
00:36:20,329 --> 00:36:18,119  
realizing how dumb we all are how many

955  
00:36:22,970 --> 00:36:20,339  
blind spots we all got you know we got

956  
00:36:24,950 --> 00:36:22,980  
our Wi-Fi right we got our Starbucks you

957  
00:36:27,290 --> 00:36:24,960  
know we got our iPhones we got our we

958  
00:36:29,030 --> 00:36:27,300  
got our our watches that are like

959  
00:36:32,450 --> 00:36:29,040  
iPhones on our wrist

960  
00:36:34,250 --> 00:36:32,460  
but then we have an alien presence in my

961  
00:36:35,569 --> 00:36:34,260  
perception that's been here for decades

962  
00:36:36,589 --> 00:36:35,579  
it's pretty obvious since that's here

963  
00:36:37,730 --> 00:36:36,599

we've had people coming out of the

964

00:36:40,910 --> 00:36:37,740

government for decades we have foia

965

00:36:43,190 --> 00:36:40,920

documents that have been uh attained

966

00:36:45,530 --> 00:36:43,200

giving you a glimpse of how people on

967

00:36:46,609 --> 00:36:45,540

the inside view this this issue versus

968

00:36:47,990 --> 00:36:46,619

how they

969

00:36:51,470 --> 00:36:48,000

the impression they give on the outside

970

00:36:54,589 --> 00:36:51,480

right which uh there's a there's a a

971

00:36:58,130 --> 00:36:54,599

vast difference between those two

972

00:37:01,310 --> 00:36:58,140

um and we've had military pilots and and

973

00:37:02,690 --> 00:37:01,320

uh citizenry Pilots coming out for for

974

00:37:04,370 --> 00:37:02,700

decades talking about weird things

975

00:37:06,530 --> 00:37:04,380

they've seen

976  
00:37:07,550 --> 00:37:06,540  
um we have patterns even when it comes

977  
00:37:10,790 --> 00:37:07,560  
to people who claim they've gone

978  
00:37:12,650 --> 00:37:10,800  
abducted right seeing the same sort of

979  
00:37:15,710 --> 00:37:12,660  
um creatures and the same kind of

980  
00:37:18,710 --> 00:37:15,720  
missing time experiences and um there's

981  
00:37:22,730 --> 00:37:18,720  
even very subtle commonalities that too

982  
00:37:24,349 --> 00:37:22,740  
I think Finn once mentioned to me how

983  
00:37:25,730 --> 00:37:24,359  
um sometimes these creatures will be

984  
00:37:27,710 --> 00:37:25,740  
seen like hovering above the ground

985  
00:37:28,849 --> 00:37:27,720  
right counter-intuitive stuff that's

986  
00:37:31,430 --> 00:37:28,859  
getting repeated over and over again

987  
00:37:33,530 --> 00:37:31,440  
from disparate sources

988  
00:37:35,510 --> 00:37:33,540

um and then you have you know people

989

00:37:37,130 --> 00:37:35,520

having Poltergeist experiences out there

990

00:37:39,470 --> 00:37:37,140

seeing UAP and you this this happens

991

00:37:41,030 --> 00:37:39,480

over and over again we we're just gonna

992

00:37:42,290 --> 00:37:41,040

have to have you know and I want to make

993

00:37:46,730 --> 00:37:42,300

this very clear

994

00:37:48,710 --> 00:37:46,740

while I do think that I had the the luck

995

00:37:50,630 --> 00:37:48,720

if you want to call it to to see what's

996

00:37:52,370 --> 00:37:50,640

going on to some extent that doesn't

997

00:37:53,930 --> 00:37:52,380

mean I'm better than anybody else that's

998

00:37:56,270 --> 00:37:53,940

not the point of the second disclosure

999

00:37:58,250 --> 00:37:56,280

the point of the second disclosure is to

1000

00:38:01,210 --> 00:37:58,260

acknowledge that we all have blind spots

1001  
00:38:04,130 --> 00:38:01,220  
whether it's philosophical or moral

1002  
00:38:06,470 --> 00:38:04,140  
or even maybe religious

1003  
00:38:08,150 --> 00:38:06,480  
whatever we all have blind spots maybe

1004  
00:38:09,290 --> 00:38:08,160  
I'm right about UAP and wrong about

1005  
00:38:11,150 --> 00:38:09,300  
other things and that's the second

1006  
00:38:13,069 --> 00:38:11,160  
disclosure when we come together eight

1007  
00:38:14,210 --> 00:38:13,079  
billion people and being like you know

1008  
00:38:15,710 --> 00:38:14,220  
maybe we are just a bunch of talking

1009  
00:38:17,870 --> 00:38:15,720  
monkeys

1010  
00:38:20,390 --> 00:38:17,880  
um this phenomena has been here forever

1011  
00:38:22,310 --> 00:38:20,400  
governments have done campaigns to lead

1012  
00:38:24,770 --> 00:38:22,320  
us astray

1013  
00:38:26,630 --> 00:38:24,780

and we fell for it and we didn't listen

1014

00:38:28,430 --> 00:38:26,640

to all these Witnesses because of

1015

00:38:29,750 --> 00:38:28,440

skeptical mantras that don't necessarily

1016

00:38:32,210 --> 00:38:29,760

make as much sense as they'd like to

1017

00:38:33,650 --> 00:38:32,220

believe I mean it yeah there's there's

1018

00:38:36,650 --> 00:38:33,660

no Smoking Gun evidence but you know

1019

00:38:39,109 --> 00:38:36,660

what I got news for you son our

1020

00:38:41,569 --> 00:38:39,119

civilization 10 000 years from now could

1021

00:38:42,829 --> 00:38:41,579

go to another civilization on our level

1022

00:38:43,910 --> 00:38:42,839

right now and probably have the

1023

00:38:46,069 --> 00:38:43,920

technology

1024

00:38:48,230 --> 00:38:46,079

to ensure that No Smoking Gun is

1025

00:38:49,550 --> 00:38:48,240

captured in the public domain I don't

1026

00:38:51,170 --> 00:38:49,560

know where artificial intelligence is

1027

00:38:52,910 --> 00:38:51,180

going to be 10 000 years from now who

1028

00:38:55,069 --> 00:38:52,920

knows what's what that will be capable

1029

00:38:56,270 --> 00:38:55,079

of then so yeah we you know so it comes

1030

00:38:58,550 --> 00:38:56,280

down to the second disclosure that's

1031

00:39:00,770 --> 00:38:58,560

that's part of you know I I think that

1032

00:39:02,750 --> 00:39:00,780

when we do get disclosure it's not just

1033

00:39:04,430 --> 00:39:02,760

going to be a scientific discovery it's

1034

00:39:05,750 --> 00:39:04,440

going to be a sociological Discovery

1035

00:39:07,430 --> 00:39:05,760

it's going to be a psychological

1036

00:39:08,750 --> 00:39:07,440

Discovery it's going to be a spiritual

1037

00:39:11,990 --> 00:39:08,760

discovery

1038

00:39:15,829 --> 00:39:12,000

how did the human mind

1039

00:39:17,569 --> 00:39:15,839

become deceived by something that was

1040

00:39:20,510 --> 00:39:17,579

at the very minimum there was enough

1041

00:39:22,190 --> 00:39:20,520

evidence there to take it to be curious

1042

00:39:23,990 --> 00:39:22,200

about it or even just suspicious that

1043

00:39:26,210 --> 00:39:24,000

something's going on where was that

1044

00:39:28,250 --> 00:39:26,220

curiosity where was that suspiciousness

1045

00:39:29,630 --> 00:39:28,260

from the scientific Community why did

1046

00:39:32,270 --> 00:39:29,640

they not look through the telescope

1047

00:39:34,069 --> 00:39:32,280

second disclosure baby all day long

1048

00:39:36,770 --> 00:39:34,079

but what about the general public you

1049

00:39:39,470 --> 00:39:36,780

know they I mean you still see a lot of

1050

00:39:41,390 --> 00:39:39,480

them just no interest whatsoever if we

1051  
00:39:43,609 --> 00:39:41,400  
do get disclosure in any form first

1052  
00:39:46,130 --> 00:39:43,619  
disclose a second disclosure when they

1053  
00:39:48,650 --> 00:39:46,140  
finally come to the subject how do we

1054  
00:39:51,050 --> 00:39:48,660  
how do we deal with them what do how do

1055  
00:39:52,790 --> 00:39:51,060  
we ease them into it

1056  
00:39:53,569 --> 00:39:52,800  
well look

1057  
00:39:56,030 --> 00:39:53,579  
um

1058  
00:39:59,210 --> 00:39:56,040  
if I was

1059  
00:40:01,130 --> 00:39:59,220  
to be consulted by the U.S government

1060  
00:40:02,390 --> 00:40:01,140  
you know those dealing with the uip

1061  
00:40:04,490 --> 00:40:02,400  
issue this is what I would tell them I

1062  
00:40:06,530 --> 00:40:04,500  
said I said look first of all

1063  
00:40:07,550 --> 00:40:06,540

so I would say look look

1064

00:40:09,770 --> 00:40:07,560

um

1065

00:40:12,109 --> 00:40:09,780

this is coming out right

1066

00:40:14,270 --> 00:40:12,119

you know it's coming out I know it's

1067

00:40:16,190 --> 00:40:14,280

coming out

1068

00:40:18,589 --> 00:40:16,200

when

1069

00:40:20,690 --> 00:40:18,599

Ryan graves in his Squadron and other

1070

00:40:26,030 --> 00:40:20,700

squadrons off the Seaboard upgraded from

1071

00:40:28,849 --> 00:40:26,040

the AP AP maybe 73 73 to 79 right that's

1072

00:40:30,170 --> 00:40:28,859

it yep so when that happened now they're

1073

00:40:32,569 --> 00:40:30,180

they're seeing all kinds of weird stuff

1074

00:40:35,569 --> 00:40:32,579

out there now I grant you

1075

00:40:37,609 --> 00:40:35,579

uh the 73 and 79 is probably classified

1076  
00:40:39,170 --> 00:40:37,619  
and you can't get that you cannot

1077  
00:40:42,410 --> 00:40:39,180  
currently get that level of

1078  
00:40:44,329 --> 00:40:42,420  
detectability Technology from the

1079  
00:40:46,250 --> 00:40:44,339  
civilian world but there are still

1080  
00:40:50,210 --> 00:40:46,260  
Radars that you can buy and eventually

1081  
00:40:52,550 --> 00:40:50,220  
we will have the 73 79 civilian version

1082  
00:40:54,410 --> 00:40:52,560  
so what happens when scientists go out

1083  
00:40:56,270 --> 00:40:54,420  
in their boats with these radar systems

1084  
00:40:59,210 --> 00:40:56,280  
and tweet

1085  
00:41:00,410 --> 00:40:59,220  
tweaked to specifically look for UAP and

1086  
00:41:03,109 --> 00:41:00,420  
they're like oh these things are all

1087  
00:41:05,510 --> 00:41:03,119  
over the place maybe maybe they are

1088  
00:41:07,490 --> 00:41:05,520

Aboriginal to the Earth but they want to

1089

00:41:09,109 --> 00:41:07,500

avoid Humanity whatever

1090

00:41:11,329 --> 00:41:09,119

people are going to connect the dots and

1091

00:41:13,130 --> 00:41:11,339

be like y'all knew about this so it's

1092

00:41:15,890 --> 00:41:13,140

coming out whether we want it to come

1093

00:41:17,450 --> 00:41:15,900

out or whether we don't so if I was to

1094

00:41:18,770 --> 00:41:17,460

consult with the American government I

1095

00:41:20,810 --> 00:41:18,780

would say look

1096

00:41:22,910 --> 00:41:20,820

do you want the you want the public to

1097

00:41:24,589 --> 00:41:22,920

have mercy do you want them to have

1098

00:41:26,270 --> 00:41:24,599

compassion do you want them to be

1099

00:41:28,490 --> 00:41:26,280

understanding do you want that to be at

1100

00:41:30,050 --> 00:41:28,500

the highest level possible or do you

1101  
00:41:31,370 --> 00:41:30,060  
want people to be as angry as possible

1102  
00:41:33,950 --> 00:41:31,380  
if you want them to be as angry as

1103  
00:41:35,870 --> 00:41:33,960  
possible and you want to disrupt

1104  
00:41:37,609 --> 00:41:35,880  
um civilization as much as you humanly

1105  
00:41:39,170 --> 00:41:37,619  
can muster baby then here's what you got

1106  
00:41:42,230 --> 00:41:39,180  
to do keep putting it off keep

1107  
00:41:45,530 --> 00:41:42,240  
stonewalling uh keep engaging in

1108  
00:41:47,150 --> 00:41:45,540  
subterfuge uh keep manipulating The

1109  
00:41:50,270 --> 00:41:47,160  
public's perception of this keep

1110  
00:41:52,990 --> 00:41:50,280  
watering it down keep obfuscating right

1111  
00:41:57,410 --> 00:41:53,000  
and then maybe in 15 years

1112  
00:41:59,690 --> 00:41:57,420  
all [h\_\_h] will break loose and every

1113  
00:42:02,630 --> 00:41:59,700

human being will find a pitchfork and go

1114

00:42:05,870 --> 00:42:02,640

after you and anger will emerge like a

1115

00:42:09,109 --> 00:42:05,880

like a volcano erupting and and

1116

00:42:11,390 --> 00:42:09,119

this whole earth being covered by ashes

1117

00:42:13,790 --> 00:42:11,400

and fire and brimstone and lightning

1118

00:42:16,609 --> 00:42:13,800

baby we're angry man

1119

00:42:18,890 --> 00:42:16,619

when Congress came to you and they asked

1120

00:42:20,390 --> 00:42:18,900

you for the truth

1121

00:42:22,670 --> 00:42:20,400

you didn't give it to them you had the

1122

00:42:24,290 --> 00:42:22,680

golden opportunity you you literally

1123

00:42:26,030 --> 00:42:24,300

tried to cover this up until the

1124

00:42:28,130 --> 00:42:26,040

absolute last minute what's gonna happen

1125

00:42:30,470 --> 00:42:28,140

people are gonna be pissed off

1126

00:42:32,630 --> 00:42:30,480

so you want to mitigate that right so my

1127

00:42:34,790 --> 00:42:32,640

my recommendation the government is just

1128

00:42:36,530 --> 00:42:34,800

let's do this baby tell the world we're

1129

00:42:38,510 --> 00:42:36,540

not alone let's do this give us a piece

1130

00:42:40,010 --> 00:42:38,520

of Smoking Gun evidence allow the

1131

00:42:44,030 --> 00:42:40,020

scientific Community to move on with it

1132

00:42:46,750 --> 00:42:44,040

our models of our world are wrong and

1133

00:42:48,829 --> 00:42:46,760

they are so wrong that it's it's

1134

00:42:50,870 --> 00:42:48,839

mind-bogglingly wrong we'll have to

1135

00:42:53,690 --> 00:42:50,880

re-examine everything we know about our

1136

00:42:55,730 --> 00:42:53,700

Earth and our universe it was going to

1137

00:42:58,609 --> 00:42:55,740

be the greatest paradigm shift in human

1138

00:43:02,030 --> 00:42:58,619

history let's get it on

1139

00:43:04,430 --> 00:43:02,040

um but I would not I I'm not I'm not I

1140

00:43:06,710 --> 00:43:04,440

don't want people to be I

1141

00:43:09,770 --> 00:43:06,720

I just want the truth

1142

00:43:13,309 --> 00:43:09,780

um I'm not here to create anger towards

1143

00:43:16,010 --> 00:43:13,319

any government or any UFO program

1144

00:43:19,130 --> 00:43:16,020

um as long as they continue in the right

1145

00:43:22,970 --> 00:43:19,140

direction now they keep stonewalling and

1146

00:43:24,950 --> 00:43:22,980

lying and leading people astray

1147

00:43:26,510 --> 00:43:24,960

I'm gonna feel like it's getting more

1148

00:43:27,589 --> 00:43:26,520

and more Justified for them to be pissed

1149

00:43:29,390 --> 00:43:27,599

off but if they take this golden

1150

00:43:31,910 --> 00:43:29,400

opportunity and do the right thing and

1151  
00:43:33,530 --> 00:43:31,920  
show and apologize and I think they

1152  
00:43:35,750 --> 00:43:33,540  
should apologize I really doubt they

1153  
00:43:37,609 --> 00:43:35,760  
will but I it's I saw a clip very

1154  
00:43:38,990 --> 00:43:37,619  
recently with Richard Dolan where he's

1155  
00:43:40,849 --> 00:43:39,000  
like you know you kind of have to

1156  
00:43:42,890 --> 00:43:40,859  
apologize right you lied to us about

1157  
00:43:44,390 --> 00:43:42,900  
something of this magnitude you kind of

1158  
00:43:45,710 --> 00:43:44,400  
have to apologize I think they should

1159  
00:43:47,630 --> 00:43:45,720  
apologize

1160  
00:43:49,190 --> 00:43:47,640  
they should show some degree of

1161  
00:43:51,170 --> 00:43:49,200  
vulnerability because when you do that

1162  
00:43:54,109 --> 00:43:51,180  
that's when people feel merciful when

1163  
00:43:55,609 --> 00:43:54,119

you try to water down the severity of

1164

00:43:56,630 --> 00:43:55,619

the situation that's when people get

1165

00:43:57,770 --> 00:43:56,640

pissed off

1166

00:43:59,450 --> 00:43:57,780

um and I don't want people to get pissed

1167

00:44:02,210 --> 00:43:59,460

off right I don't want people to get

1168

00:44:03,770 --> 00:44:02,220

angry I want people to to to be very

1169

00:44:05,390 --> 00:44:03,780

accommodating so every time the

1170

00:44:07,490 --> 00:44:05,400

government gets us gives us something

1171

00:44:09,050 --> 00:44:07,500

Pat them on the back and be grateful for

1172

00:44:11,089 --> 00:44:09,060

it while while pressuring them

1173

00:44:13,490 --> 00:44:11,099

simultaneously but I'm not like I would

1174

00:44:14,569 --> 00:44:13,500

never promote like I'm not let me put

1175

00:44:15,950 --> 00:44:14,579

this way I'm not trying to throw the

1176

00:44:17,930 --> 00:44:15,960

government under the bus I just want

1177

00:44:19,609 --> 00:44:17,940

them to do the right thing yeah and when

1178

00:44:22,609 --> 00:44:19,619

they do the right thing do I think we we

1179

00:44:24,170 --> 00:44:22,619

should uh throw them under the bus not

1180

00:44:26,270 --> 00:44:24,180

necessarily I think we should just uh

1181

00:44:28,370 --> 00:44:26,280

try to try to have as much Mercy as we

1182

00:44:30,890 --> 00:44:28,380

can frankly and move forward and not get

1183

00:44:32,390 --> 00:44:30,900

caught up in anger and resentment

1184

00:44:33,829 --> 00:44:32,400

because that's not going to help us now

1185

00:44:35,150 --> 00:44:33,839

we have work to do and that work is

1186

00:44:36,770 --> 00:44:35,160

figuring out where the hell are these

1187

00:44:39,410 --> 00:44:36,780

things coming from who's behind the

1188

00:44:41,270 --> 00:44:39,420

wheel what is there uh what is their

1189

00:44:43,370 --> 00:44:41,280

intention

1190

00:44:45,650 --> 00:44:43,380

and and that kind of and how does their

1191

00:44:48,109 --> 00:44:45,660

technology work and how can we figure

1192

00:44:49,849 --> 00:44:48,119

out their technology to improve uh the

1193

00:44:52,069 --> 00:44:49,859

The Human Condition on this planet and

1194

00:44:53,510 --> 00:44:52,079

on and on it goes that's what we got we

1195

00:44:55,069 --> 00:44:53,520

need to focus on with disclosure Dawns

1196

00:44:56,329 --> 00:44:55,079

not getting angry at the government but

1197

00:44:59,690 --> 00:44:56,339

hopefully they do it sooner than later

1198

00:45:01,370 --> 00:44:59,700

because the longer the longer they uh

1199

00:45:03,710 --> 00:45:01,380

delay with this

1200

00:45:06,170 --> 00:45:03,720

the more difficult it is for people

1201  
00:45:08,809 --> 00:45:06,180  
the more difficult difficulty people are

1202  
00:45:09,890 --> 00:45:08,819  
going to have at giving them Mercy if

1203  
00:45:12,290 --> 00:45:09,900  
you will

1204  
00:45:14,450 --> 00:45:12,300  
yeah absolutely and now with the UAP

1205  
00:45:16,010 --> 00:45:14,460  
report being quite disappointing for

1206  
00:45:18,829 --> 00:45:16,020  
most people who are sort of following

1207  
00:45:20,809 --> 00:45:18,839  
this subject or researching and then you

1208  
00:45:22,550 --> 00:45:20,819  
add in that the whistleblowers the

1209  
00:45:24,109 --> 00:45:22,560  
meeting with Congress behind closed

1210  
00:45:26,030 --> 00:45:24,119  
doors it seems that a lot of this is

1211  
00:45:28,490 --> 00:45:26,040  
still being kept away from the public

1212  
00:45:30,710 --> 00:45:28,500  
eye do you think that we should be

1213  
00:45:32,510 --> 00:45:30,720

seeing or possibly are even likely to

1214

00:45:34,790 --> 00:45:32,520

see more public Congressional hearings

1215

00:45:37,550 --> 00:45:34,800

and if you were to put yourself in the

1216

00:45:40,730 --> 00:45:37,560

the the seat of a congressman who would

1217

00:45:42,109 --> 00:45:40,740

you subpoena to appear and you know to

1218

00:45:44,630 --> 00:45:42,119

be asked the questions

1219

00:45:46,309 --> 00:45:44,640

yeah I would subpoena Luis Elizondo I

1220

00:45:50,030 --> 00:45:46,319

was subpoena David fravor I would

1221

00:45:52,550 --> 00:45:50,040

subpoena uh the pilots that um captured

1222

00:45:54,349 --> 00:45:52,560

the the gimbal footage

1223

00:45:55,790 --> 00:45:54,359

um I mean that's just for starters I

1224

00:45:58,550 --> 00:45:55,800

would subpoena some of the witnesses

1225

00:46:03,170 --> 00:45:58,560

from nuclear nuclear flyovers and

1226

00:46:06,010 --> 00:46:03,180

tampering over installations from UAP

1227

00:46:08,569 --> 00:46:06,020

uh that's that's just for starters

1228

00:46:11,870 --> 00:46:08,579

uh and

1229

00:46:14,329 --> 00:46:11,880

yeah and I I'm hopeful that because like

1230

00:46:15,890 --> 00:46:14,339

I'm hopeful that we'll get more

1231

00:46:18,710 --> 00:46:15,900

um evidence released too because I think

1232

00:46:21,109 --> 00:46:18,720

that needs to happen like give us the

1233

00:46:23,210 --> 00:46:21,119

full gimbal video for example give us

1234

00:46:24,650 --> 00:46:23,220

the full Fler one video or higher

1235

00:46:27,890 --> 00:46:24,660

resolution like

1236

00:46:30,170 --> 00:46:27,900

the part of the problem is

1237

00:46:32,930 --> 00:46:30,180

you can still string the public along

1238

00:46:34,670 --> 00:46:32,940

while giving them evidence and a

1239

00:46:37,130 --> 00:46:34,680

manifestation of that would be the Fleeer

1240

00:46:38,329 --> 00:46:37,140

one video just as an example yeah some

1241

00:46:39,829 --> 00:46:38,339

some would tell me I'm wrong someone

1242

00:46:41,569 --> 00:46:39,839

tell me everyone's misremembering well

1243

00:46:44,030 --> 00:46:41,579

you know what have fun with that we can

1244

00:46:46,609 --> 00:46:44,040

do agree to disagree I do think there is

1245

00:46:48,589 --> 00:46:46,619

a high probability that there was a

1246

00:46:51,470 --> 00:46:48,599

higher resolution uh Fear One video

1247

00:46:53,390 --> 00:46:51,480

because it wasn't just David fravor who

1248

00:46:57,470 --> 00:46:53,400

recollects seeing appendages under under

1249

00:46:59,510 --> 00:46:57,480

the object it was other people I that

1250

00:47:01,970 --> 00:46:59,520

saw the original I think Alex Dietrich

1251  
00:47:03,950 --> 00:47:01,980  
also has mentioned the appendages

1252  
00:47:05,510 --> 00:47:03,960  
now why is that important it's important

1253  
00:47:07,670 --> 00:47:05,520  
because

1254  
00:47:10,190 --> 00:47:07,680  
with what they've given us now it makes

1255  
00:47:11,210 --> 00:47:10,200  
it too easy for Skeptics to come up with

1256  
00:47:14,750 --> 00:47:11,220  
their bubbles

1257  
00:47:16,790 --> 00:47:14,760  
in a manner that that draws

1258  
00:47:18,230 --> 00:47:16,800  
um question of what we're looking at and

1259  
00:47:19,010 --> 00:47:18,240  
and by the way I would support that

1260  
00:47:20,990 --> 00:47:19,020  
right

1261  
00:47:21,890 --> 00:47:21,000  
they should because it's not Smoking Gun

1262  
00:47:24,530 --> 00:47:21,900  
evidence

1263  
00:47:28,030 --> 00:47:24,540

but if you give us higher Fidelity uh

1264

00:47:30,470 --> 00:47:28,040

videos like higher higher quality videos

1265

00:47:32,089 --> 00:47:30,480

then then we can start moving forward

1266

00:47:33,410 --> 00:47:32,099

because even the Skeptics would be like

1267

00:47:34,910 --> 00:47:33,420

oh my that's uh that's much more

1268

00:47:36,109 --> 00:47:34,920

challenging than the first couple videos

1269

00:47:37,309 --> 00:47:36,119

they gave us well maybe there is

1270

00:47:39,710 --> 00:47:37,319

something to it well that's the

1271

00:47:41,809 --> 00:47:39,720

conversation we need as a population if

1272

00:47:43,790 --> 00:47:41,819

it's out there for God's sakes what are

1273

00:47:46,190 --> 00:47:43,800

you doing give us the good stuff so we

1274

00:47:49,609 --> 00:47:46,200

can progress the conversation don't give

1275

00:47:51,589 --> 00:47:49,619

us subpar footage so that we can you

1276

00:47:54,950 --> 00:47:51,599

know debate it and this brings me into

1277

00:47:56,329 --> 00:47:54,960

something else Gary Nolan was

1278

00:48:00,170 --> 00:47:56,339

interviewed

1279

00:48:02,750 --> 00:48:00,180

on the merge podcast with uh Ryan Graves

1280

00:48:05,030 --> 00:48:02,760

and he made an amazing point he said

1281

00:48:08,210 --> 00:48:05,040

wait a minute there's that there by

1282

00:48:10,010 --> 00:48:08,220

keeping this secret there's it so

1283

00:48:11,630 --> 00:48:10,020

the the the military and the

1284

00:48:13,730 --> 00:48:11,640

intelligence Community likes to harp on

1285

00:48:15,770 --> 00:48:13,740

well we need to keep this secret because

1286

00:48:17,990 --> 00:48:15,780

it could

1287

00:48:20,150 --> 00:48:18,000

be upsetting for our institutions

1288

00:48:21,170 --> 00:48:20,160

religions and and the public and so

1289

00:48:23,569 --> 00:48:21,180

forth

1290

00:48:25,130 --> 00:48:23,579

but what about all the witnesses who now

1291

00:48:27,230 --> 00:48:25,140

are thinking they're going crazy or

1292

00:48:29,329 --> 00:48:27,240

they're or they're unstable or they're

1293

00:48:30,530 --> 00:48:29,339

hallucinating and they're questioning

1294

00:48:33,710 --> 00:48:30,540

themselves

1295

00:48:35,450 --> 00:48:33,720

and further sociologically

1296

00:48:37,010 --> 00:48:35,460

Society is telling them that they're

1297

00:48:38,930 --> 00:48:37,020

crazy what does that do to their

1298

00:48:42,589 --> 00:48:38,940

self-esteem what does that do to their

1299

00:48:45,050 --> 00:48:42,599

Mental Health on various levels like

1300

00:48:46,849 --> 00:48:45,060

okay we've we've had enough of of you

1301  
00:48:50,089 --> 00:48:46,859  
being fearful of how society would

1302  
00:48:51,589 --> 00:48:50,099  
respond now we need to focus on

1303  
00:48:52,970 --> 00:48:51,599  
what's happening to people that are

1304  
00:48:56,030 --> 00:48:52,980  
seeing these things and being told

1305  
00:48:58,790 --> 00:48:56,040  
they're crazy like that's also a risk

1306  
00:49:01,190 --> 00:48:58,800  
factor that can't be good that's not

1307  
00:49:02,569 --> 00:49:01,200  
that's not good for them and it's it's

1308  
00:49:04,609 --> 00:49:02,579  
not good for our scientific Community

1309  
00:49:06,230 --> 00:49:04,619  
because our scientific Community is

1310  
00:49:08,630 --> 00:49:06,240  
operating under assumptions that are

1311  
00:49:11,510 --> 00:49:08,640  
utterly false I mean that's that's

1312  
00:49:13,490 --> 00:49:11,520  
detrimental to say the least for having

1313  
00:49:15,950 --> 00:49:13,500

a grasp of reality so you've you're

1314

00:49:18,770 --> 00:49:15,960

literally holding something back

1315

00:49:20,630 --> 00:49:18,780

that is facilitating our scientific

1316

00:49:22,609 --> 00:49:20,640

understanding of the universe to be

1317

00:49:25,430 --> 00:49:22,619

flawed that's not that cannot go on much

1318

00:49:27,410 --> 00:49:25,440

longer that's not good for Humanity I

1319

00:49:29,690 --> 00:49:27,420

don't see any mental gymnastics that uh

1320

00:49:31,550 --> 00:49:29,700

that that can justify that particularly

1321

00:49:34,069 --> 00:49:31,560

when it's obvious that this is going to

1322

00:49:36,050 --> 00:49:34,079

come out sooner or later anyways so just

1323

00:49:38,390 --> 00:49:36,060

make it sooner rather than later

1324

00:49:41,089 --> 00:49:38,400

yeah now when this this show actually

1325

00:49:43,550 --> 00:49:41,099

goes out to to YouTube and everything I

1326

00:49:46,370 --> 00:49:43,560

think by then we may have had some more

1327

00:49:49,130 --> 00:49:46,380

testimony through Jeremy Corbell from a

1328

00:49:50,690 --> 00:49:49,140

witness from the 2019 let's say drone

1329

00:49:53,870 --> 00:49:50,700

swarms I don't know how else to phrase

1330

00:49:55,910 --> 00:49:53,880

it right now from off the West Coast now

1331

00:49:57,650 --> 00:49:55,920

there's a lot of controversy surrounding

1332

00:49:59,270 --> 00:49:57,660

them like their low information Zone

1333

00:50:00,890 --> 00:49:59,280

kind of

1334

00:50:03,170 --> 00:50:00,900

incidents

1335

00:50:04,910 --> 00:50:03,180

um what are your thoughts on that and

1336

00:50:07,130 --> 00:50:04,920

are you looking forward to hearing from

1337

00:50:09,589 --> 00:50:07,140

more more uh with whistleblowers or

1338

00:50:12,230 --> 00:50:09,599

servicemen that were that were there

1339

00:50:14,630 --> 00:50:12,240

yeah well you know I know I think Tom

1340

00:50:16,730 --> 00:50:14,640

wrote a journalist Tom Rogan

1341

00:50:18,109 --> 00:50:16,740

I think of the Washington examiner if

1342

00:50:20,030 --> 00:50:18,119

I'm not mistaken

1343

00:50:21,950 --> 00:50:20,040

he has said that like

1344

00:50:24,170 --> 00:50:21,960

he's convinced that some of this stuff

1345

00:50:26,270 --> 00:50:24,180

is non-human intelligence and he will

1346

00:50:27,890 --> 00:50:26,280

he's lit he said if I recall correctly

1347

00:50:29,990 --> 00:50:27,900

that he would stake his entire

1348

00:50:32,690 --> 00:50:30,000

reputation on that

1349

00:50:34,370 --> 00:50:32,700

but he says with the 2019 events he's

1350

00:50:35,510 --> 00:50:34,380

not so sure right it could go either way

1351

00:50:37,609 --> 00:50:35,520

it could be Chinese or it could be

1352

00:50:39,589 --> 00:50:37,619

something weird yeah and I assume that

1353

00:50:41,870 --> 00:50:39,599

he has better connections than I do for

1354

00:50:44,569 --> 00:50:41,880

sure so I find that interesting but what

1355

00:50:48,650 --> 00:50:44,579

I will say is um

1356

00:50:51,170 --> 00:50:48,660

I I still think the 2019 events with the

1357

00:50:53,630 --> 00:50:51,180

Drone swarm still represented a

1358

00:50:54,770 --> 00:50:53,640

tremendous mystery because the

1359

00:50:56,750 --> 00:50:54,780

government

1360

00:51:00,890 --> 00:50:56,760

won't even say where they're coming from

1361

00:51:02,150 --> 00:51:00,900

now with the with the I think they were

1362

00:51:04,430 --> 00:51:02,160

explicit that they don't know where

1363

00:51:07,849 --> 00:51:04,440

they're coming from so how is it that

1364

00:51:09,950 --> 00:51:07,859

there are potentially up to a hundred

1365

00:51:11,630 --> 00:51:09,960

drones I mean I know this is what corbel

1366

00:51:14,089 --> 00:51:11,640

focuses on maybe it happened over weeks

1367

00:51:16,370 --> 00:51:14,099

but he focuses on a three-day span

1368

00:51:18,109 --> 00:51:16,380

where he claims there was at least a

1369

00:51:21,049 --> 00:51:18,119

hundred drones

1370

00:51:23,690 --> 00:51:21,059

swarming 10 different warships over a

1371

00:51:27,829 --> 00:51:23,700

hundred mile radius I think over three

1372

00:51:28,430 --> 00:51:27,839

days and yet with all of the sensor

1373

00:51:30,770 --> 00:51:28,440

um

1374

00:51:32,329 --> 00:51:30,780

data collecting mechanisms that these

1375

00:51:34,730 --> 00:51:32,339

these warships have they still don't

1376  
00:51:36,109 --> 00:51:34,740  
know where they're launched from they

1377  
00:51:37,069 --> 00:51:36,119  
don't know who the controllers are and

1378  
00:51:41,089 --> 00:51:37,079  
they don't know where they're going

1379  
00:51:44,510 --> 00:51:43,250  
um so so we need to learn more about it

1380  
00:51:46,130 --> 00:51:44,520  
because

1381  
00:51:47,930 --> 00:51:46,140  
let's say it's not non-human

1382  
00:51:50,569 --> 00:51:47,940  
intelligence

1383  
00:51:52,609 --> 00:51:50,579  
who has these capabilities

1384  
00:51:56,630 --> 00:51:52,619  
how how is it that a country like China

1385  
00:51:57,890 --> 00:51:56,640  
or Russia has the capability to swarm

1386  
00:51:59,450 --> 00:51:57,900  
warships

1387  
00:52:01,910 --> 00:51:59,460  
spy on them

1388  
00:52:04,549 --> 00:52:01,920

and not one of them gets shot down

1389

00:52:06,170 --> 00:52:04,559

not one of them gets shot down so what

1390

00:52:07,790 --> 00:52:06,180

kind of breakthroughs have they made to

1391

00:52:10,130 --> 00:52:07,800

be able to do that without the United

1392

00:52:13,069 --> 00:52:10,140

States government having even a whisper

1393

00:52:14,870 --> 00:52:13,079

or hint of where it's coming from when

1394

00:52:16,430 --> 00:52:14,880

it comes to the ones that are unresolved

1395

00:52:17,630 --> 00:52:16,440

obviously the ones that are resolved

1396

00:52:20,390 --> 00:52:17,640

they're different but the ones that

1397

00:52:23,030 --> 00:52:20,400

could are still unresolved to this point

1398

00:52:26,630 --> 00:52:23,040

I think it is possible that some of this

1399

00:52:30,109 --> 00:52:26,640

stuff may be very anomalous and not as

1400

00:52:32,210 --> 00:52:30,119

simplistic as coming from China Russia

1401

00:52:35,270 --> 00:52:32,220

um and by the way why would that not

1402

00:52:36,829 --> 00:52:35,280

make sense when as an example

1403

00:52:39,230 --> 00:52:36,839

I remember reading the New York Times

1404

00:52:40,970 --> 00:52:39,240

article I think it came out in May of

1405

00:52:43,430 --> 00:52:40,980

2019

1406

00:52:46,190 --> 00:52:43,440

that broke the story about

1407

00:52:48,890 --> 00:52:46,200

Ryan Graves and Danny a coin and various

1408

00:52:52,490 --> 00:52:48,900

squadrons off the Eastern seaboard from

1409

00:52:54,650 --> 00:52:52,500

the summer of I think 2014 to March of

1410

00:52:58,790 --> 00:52:54,660

2015 or something like that

1411

00:53:02,150 --> 00:52:58,800

they were seeing things almost every day

1412

00:53:04,010 --> 00:53:02,160

so could that be related to the Swarms

1413

00:53:06,589 --> 00:53:04,020

when it comes to those warships off the

1414

00:53:08,089 --> 00:53:06,599

West Coast it could be uh I mean at the

1415

00:53:12,410 --> 00:53:08,099

end of the day we're just not alone

1416

00:53:14,930 --> 00:53:12,420

right and so when you have this new um

1417

00:53:17,630 --> 00:53:14,940

Paradigm or this this new this new model

1418

00:53:19,370 --> 00:53:17,640

of reality then it's not far-fetched

1419

00:53:20,990 --> 00:53:19,380

anymore that's something that a worship

1420

00:53:22,370 --> 00:53:21,000

encounters could be coming from a magnum

1421

00:53:24,530 --> 00:53:22,380

intelligence which is one of the reasons

1422

00:53:26,750 --> 00:53:24,540

we really need disclosure right so that

1423

00:53:29,089 --> 00:53:26,760

the waters are not muddied any longer

1424

00:53:30,589 --> 00:53:29,099

it's not it's not it's Chinese and

1425

00:53:32,690 --> 00:53:30,599

Russian

1426

00:53:34,730 --> 00:53:32,700

or it's a misidentification maybe it's

1427

00:53:37,010 --> 00:53:34,740

Chinese Russian or it's part of that

1428

00:53:38,510 --> 00:53:37,020

this presence that permeates our our

1429

00:53:41,150 --> 00:53:38,520

biosphere

1430

00:53:43,069 --> 00:53:41,160

absolutely and I mean I I we all want

1431

00:53:44,270 --> 00:53:43,079

disclosure but until we get there it's

1432

00:53:46,370 --> 00:53:44,280

these small Mysteries that we've

1433

00:53:47,930 --> 00:53:46,380

discussed today that keep me going

1434

00:53:50,030 --> 00:53:47,940

personally and I'm sure that goes for a

1435

00:53:51,950 --> 00:53:50,040

lot of other people Ryan thank you so

1436

00:53:53,329 --> 00:53:51,960

much for joining me I really appreciate

1437

00:53:55,670 --> 00:53:53,339

it before you go please tell everyone

1438

00:53:57,530 --> 00:53:55,680

where they can find you hey Vinnie this

1439

00:53:58,670 --> 00:53:57,540

is this is a lot of fun I really enjoyed

1440

00:54:01,430 --> 00:53:58,680

it I think it was one of my better

1441

00:54:02,329 --> 00:54:01,440

performances so uh thank you for that

1442

00:54:05,049 --> 00:54:02,339

um

1443

00:54:07,370 --> 00:54:05,059

you can find me at post-disclosure World

1444

00:54:10,250 --> 00:54:07,380

on YouTube

1445

00:54:11,690 --> 00:54:10,260

and on Twitter you can find me at post

1446

00:54:14,030 --> 00:54:11,700

disclosure

1447

00:54:16,549 --> 00:54:14,040

and I'm

1448

00:54:19,849 --> 00:54:16,559

persistently uploading videos covering

1449

00:54:21,530 --> 00:54:19,859

uh UFO news and and stuff like that so

1450

00:54:23,510 --> 00:54:21,540

uh thank you so much Vinnie it was a

1451

00:54:24,770 --> 00:54:23,520

really good time my pleasure thank you

1452

00:54:26,690 --> 00:54:24,780

again and thank you to everyone for

1453

00:54:28,549 --> 00:54:26,700

watching I really appreciate it hit the
