3
00:00:32,110 --> 00:00:30,000
[Music]

4
00:00:34,010 --> 00:00:32,120
welcome back to the channel everyone

5
00:00:36,590 --> 00:00:34,020
apologies there I just had a slight

6
00:00:38,810 --> 00:00:36,600
technical issue which we we fixed and so

7
00:00:40,310 --> 00:00:38,820
here we are good to see everyone thank

8
00:00:42,770 --> 00:00:40,320
you for being here great to see so many

9
00:00:44,330 --> 00:00:42,780
people in the live chat uh before I

10
00:00:46,310 --> 00:00:44,340
bring on my guests just a few things

11
00:00:48,889 --> 00:00:46,320
first of all Katie Howland was unable to

12
00:00:50,690 --> 00:00:48,899
join me for this interview today uh it's

13
00:00:52,970 --> 00:00:50,700

just the way it goes where the time zone

14

00:00:54,709 --> 00:00:52,980

differences and things like that but she

15

00:00:56,450 --> 00:00:54,719

will be coming up in the next few shows

16

00:00:58,610 --> 00:00:56,460

we've got a lot coming up

17

00:01:00,650 --> 00:00:58,620

um it's been a busy week or two with

18

00:01:02,270 --> 00:01:00,660

everything that's going on I haven't

19

00:01:04,009 --> 00:01:02,280

covered it yet on this channel but I am

20

00:01:06,289 --> 00:01:04,019

recording an interview with Chris Leto

21

00:01:09,109 --> 00:01:06,299

tomorrow morning which I'll probably

22

00:01:11,750 --> 00:01:09,119

release tomorrow night or maybe Saturday

23

00:01:13,609 --> 00:01:11,760

so look out for that one

24

00:01:16,010 --> 00:01:13,619

um yeah it's there's been so much we

25

00:01:16,789 --> 00:01:16,020

just had President Biden's speech

26

00:01:18,950 --> 00:01:16,799

um

27

00:01:20,690 --> 00:01:18,960

personally I was a bit disappointed I

28

00:01:23,810 --> 00:01:20,700

was hoping for more but at the same time

29

00:01:26,510 --> 00:01:23,820

I'm not surprised that we didn't get

30

00:01:28,670 --> 00:01:26,520

anything as always guys please keep the

31

00:01:31,730 --> 00:01:28,680

chat cool calm and collected I I

32

00:01:33,770 --> 00:01:31,740

appreciate that um just a quick note

alternatively Super Chat is available

43

00:01:56,389 --> 00:01:55,079

and yeah let's get to it so yeah

44

00:01:59,090 --> 00:01:56,399

I'm really looking forward to this

45

00:02:02,270 --> 00:01:59,100

conversation I'm a big fan of my guests

46

00:02:05,149 --> 00:02:02,280

work so please welcome red panda koala

47

00:02:06,950 --> 00:02:05,159

red how's it going great exciting couple

48

00:02:08,690 --> 00:02:06,960

days so we were saying about backstage

49

00:02:10,729 --> 00:02:08,700

and yeah there's just so much going on

50

00:02:13,010 --> 00:02:10,739

it's hard to keep track of it all it is

51

00:02:14,809 --> 00:02:13,020

man it's crazy uh the amount of

52

00:02:17,930 --> 00:02:14,819

publicity and press I don't think we

53

00:02:22,010 --> 00:02:17,940

even saw this back in 2017 yeah

54

00:02:24,170 --> 00:02:22,020

um so yeah crazy crazy but for now we're

55

00:02:26,869 --> 00:02:24,180

here to talk about you and I can't wait

56

00:02:29,449 --> 00:02:26,879

to to dig deep into sort of your history

57

00:02:31,790 --> 00:02:29,459

background the your your work your

58

00:02:33,410 --> 00:02:31,800

documentaries so I suppose the first

59

00:02:35,330 --> 00:02:33,420

question would be where did it all start

60

00:02:37,369 --> 00:02:35,340

for you where did you get interested in

61

00:02:39,650 --> 00:02:37,379

the UFO subject

62

00:02:41,509 --> 00:02:39,660

so yeah I'm like a a light Bloomer

63

00:02:42,949 --> 00:02:41,519

person where it's like the 2017 stuff

64

00:02:44,750 --> 00:02:42,959

got me into it

65

00:02:46,490 --> 00:02:44,760

um I didn't really like taking a deep

66

00:02:48,290 --> 00:02:46,500

dive before of that so when that

67

00:02:50,150 --> 00:02:48,300

happened I was like what's going on and

68

00:02:51,350 --> 00:02:50,160

then yeah just reading and reading and

69

00:02:52,670 --> 00:02:51,360

reading and then trying to piece it all

70

00:02:55,610 --> 00:02:52,680

together and

71

00:02:58,490 --> 00:02:55,620

yeah 2017 is where I started

72

00:03:00,410 --> 00:02:58,500

cool uh and do you have a background in

73

00:03:02,089 --> 00:03:00,420

filmmaking at all like because obviously

74

00:03:03,949 --> 00:03:02,099

the quality of your documentaries are so

75

00:03:05,030 --> 00:03:03,959

high and so well produced it just looks

76

00:03:07,610 --> 00:03:05,040

as if that's something you've been

77

00:03:09,949 --> 00:03:07,620

involved in before oh uh no actually no

78

00:03:11,449 --> 00:03:09,959

thank you for that and um to anyone

79

00:03:13,130 --> 00:03:11,459

maybe who's thinking of starting it like

80

00:03:14,449 --> 00:03:13,140

start start a channel if you're feeling

81

00:03:16,729 --> 00:03:14,459

compelled like if you look at my first

82

00:03:18,290 --> 00:03:16,739

video like the editing is really bad and

83

00:03:21,229 --> 00:03:18,300

I feel like my last two it's like

84

00:03:22,250 --> 00:03:21,239

starting to get there but um yeah with

85

00:03:25,190 --> 00:03:22,260

the internet and stuff you can learn

86

00:03:26,330 --> 00:03:25,200

like so much stuff online and

87

00:03:27,710 --> 00:03:26,340

um yeah there's a lot of people I feel

88

00:03:29,449 --> 00:03:27,720

like would have really good channels out

89

00:03:31,970 --> 00:03:29,459

there like in UFO land and stuff like

90

00:03:33,290 --> 00:03:31,980

that so just start start today right

91

00:03:35,270 --> 00:03:33,300

like you did it right like I'm sure like

92

00:03:37,910 --> 00:03:35,280

did you have any kind of background in

93

00:03:40,850 --> 00:03:37,920

like interviewing or no nothing yeah so

94

00:03:42,830 --> 00:03:40,860

we're all here doing it so no that's

95

00:03:44,990 --> 00:03:42,840

cool man yeah it's awesome to see you

96

00:03:46,190 --> 00:03:45,000

know but you know I didn't notice any

97

00:03:47,690 --> 00:03:46,200

difference in your editing I just

98

00:03:50,690 --> 00:03:47,700

thought it was sharp and Clean from from

99

00:03:52,369 --> 00:03:50,700

the start so I think Kudos man

100

00:03:54,890 --> 00:03:52,379

um but you also cover many different

101
00:03:56,630 --> 00:03:54,900
aspects of the UFO subject and for me I

102
00:03:59,270 --> 00:03:56,640
think it's really vital to look at the

103
00:04:00,710 --> 00:03:59,280
Historical aspects which is you know

104
00:04:02,390 --> 00:04:00,720
interesting that you came in only

105
00:04:04,670 --> 00:04:02,400
recently but then you decided to go

106
00:04:06,410 --> 00:04:04,680
right back into the sort of the more

107
00:04:08,270 --> 00:04:06,420
historical stuff which I think is

108
00:04:10,070 --> 00:04:08,280
definitely good to understand what's

109
00:04:11,990 --> 00:04:10,080
going on now so

110
00:04:14,449 --> 00:04:12,000
can you tell us a bit about the process

111
00:04:18,170 --> 00:04:14,459
of putting together something something

112
00:04:20,030 --> 00:04:18,180
new sure yeah um and then yeah to the

113
00:04:21,349 --> 00:04:20,040

history thing like I do love history in

114

00:04:22,730 --> 00:04:21,359

general and I actually was starting I

115

00:04:25,430 --> 00:04:22,740

wanted to do a cold war History Channel

116

00:04:26,510 --> 00:04:25,440

before the 2017 stuff broke like I was

117

00:04:27,890 --> 00:04:26,520

actually like saving for money and stuff

118

00:04:29,810 --> 00:04:27,900

and then like sending money for my

119

00:04:30,830 --> 00:04:29,820

computer and then that happened and then

120

00:04:32,510 --> 00:04:30,840

when I was looking at the history

121

00:04:34,909 --> 00:04:32,520

there's like so much overlap with like

122

00:04:37,010 --> 00:04:34,919

cold war names and lore and stuff like

123

00:04:38,990 --> 00:04:37,020

that with UFOs that it kind of just

124

00:04:40,310 --> 00:04:39,000

seemed like a perfect time and fit and

125

00:04:41,510 --> 00:04:40,320

stuff like that and I was just obsessed

126

00:04:44,570 --> 00:04:41,520

with it so kind of helped my like

127

00:04:47,090 --> 00:04:44,580

obsession with it um so basically I just

128

00:04:48,770 --> 00:04:47,100

like have um files that I keep like on

129

00:04:49,850 --> 00:04:48,780

my phone and on my computer and like

130

00:04:51,050 --> 00:04:49,860

anytime I come across something

131

00:04:52,370 --> 00:04:51,060

interesting I just put it in there

132

00:04:54,290 --> 00:04:52,380

because I'm sure you know and everyone

133

00:04:55,610 --> 00:04:54,300

knows who's into this subject like you

134

00:04:57,110 --> 00:04:55,620

start reading about one thing and then

135

00:04:58,969 --> 00:04:57,120

before you know it you have like 300

136

00:05:01,550 --> 00:04:58,979

tabs open of like different things a

137

00:05:02,930 --> 00:05:01,560

different off from it so that's one

138

00:05:03,770 --> 00:05:02,940

thing it's important to like really just

139

00:05:05,270 --> 00:05:03,780

keep

140

00:05:07,070 --> 00:05:05,280

filing everything away because like

141

00:05:08,749 --> 00:05:07,080

you'll lose it like you know those sites

142

00:05:10,430 --> 00:05:08,759

like some info you'll find on some

143

00:05:11,749 --> 00:05:10,440

random site that you'll never find again

144

00:05:13,490 --> 00:05:11,759

probably

145

00:05:15,290 --> 00:05:13,500

um and then once I have like enough

146

00:05:17,210 --> 00:05:15,300

stuff for like one like concept or area

147

00:05:18,530 --> 00:05:17,220

then uh and I feel like it would tell

148

00:05:19,610 --> 00:05:18,540

like a good story that's when I decided

149

00:05:21,469 --> 00:05:19,620

to like okay I'll probably like I'll

150

00:05:22,850 --> 00:05:21,479

make a video about this or if I feel

151

00:05:25,969 --> 00:05:22,860

like it needs to be made

152

00:05:27,409 --> 00:05:25,979

um like two ago I made um how the stigma

153

00:05:28,730 --> 00:05:27,419

was created which I think is like an

154

00:05:32,090 --> 00:05:28,740

important aspect of like this whole

155

00:05:34,129 --> 00:05:32,100

thing of like how does society like how

156

00:05:36,350 --> 00:05:34,139

does something like this

157

00:05:37,670 --> 00:05:36,360

um how is a lie like this put upon

158

00:05:40,370 --> 00:05:37,680

society and it's like all the different

159

00:05:42,409 --> 00:05:40,380

aspects of that I find like fascinating

160

00:05:45,170 --> 00:05:42,419

like even separative UFOs like that

161

00:05:46,490 --> 00:05:45,180

angle itself is just so interesting

162

00:05:48,830 --> 00:05:46,500

um so just showing all the ways that

163

00:05:50,330 --> 00:05:48,840

like yeah the stigma was like the reason

164

00:05:51,230 --> 00:05:50,340

why we have to get rid of the stigma and

165

00:05:52,550 --> 00:05:51,240

that's what you heard them say at the

166

00:05:56,390 --> 00:05:52,560

Congressional hearing is because like it

167

00:05:57,890 --> 00:05:56,400

was put in place you know so and so just

168

00:05:59,450 --> 00:05:57,900

stuff like that and like like yeah so

169

00:06:00,770 --> 00:05:59,460

like that I think that's like an

170

00:06:04,070 --> 00:06:00,780

interesting aspect for people to

171

00:06:06,290 --> 00:06:04,080

understand too aside from just like um

172

00:06:08,090 --> 00:06:06,300

like that there are UFOs it's like these

173

00:06:10,430 --> 00:06:08,100

are the actions that were taken by the

174

00:06:11,990 --> 00:06:10,440

government to like get us all to think

175

00:06:14,450 --> 00:06:12,000

that way for whatever you know what I

176

00:06:16,370 --> 00:06:14,460

mean yeah absolutely man so when you're

177

00:06:18,409 --> 00:06:16,380

like looking through like um documents

178

00:06:20,990 --> 00:06:18,419

and and other

179

00:06:22,430 --> 00:06:21,000

other aspects of the research how do you

180

00:06:24,830 --> 00:06:22,440

are you cautious about what information

181

00:06:26,510 --> 00:06:24,840

you put in if it can be validated like

182

00:06:28,430 --> 00:06:26,520

how do you deal with things like that

183

00:06:29,330 --> 00:06:28,440

yeah no definitely

184

00:06:30,590 --> 00:06:29,340

um

185

00:06:32,450 --> 00:06:30,600

yeah and especially right with this

186

00:06:33,650 --> 00:06:32,460

subject too where it's like it's not

187

00:06:35,510 --> 00:06:33,660

just like traditional history like

188

00:06:37,249 --> 00:06:35,520

traditional World War II History Channel

189

00:06:38,029 --> 00:06:37,259

or something that's like we're dealing

190

00:06:40,670 --> 00:06:38,039

with something that's been like

191

00:06:42,110 --> 00:06:40,680

intentionally obfuscated for decades

192

00:06:43,550 --> 00:06:42,120

there's been like intentional

193

00:06:45,350 --> 00:06:43,560

misinformation and disinformation like

194

00:06:46,550 --> 00:06:45,360

going back decades so

195

00:06:48,890 --> 00:06:46,560

um

196

00:06:51,469 --> 00:06:48,900

uh I guess like a good example like for

197

00:06:53,210 --> 00:06:51,479

this kind of uh thought is like uh Nino

198

00:06:56,510 --> 00:06:53,220

kulag and I did a video on and she was

199

00:06:58,189 --> 00:06:56,520

the alleged um psychic uh telekinesis

200

00:07:00,890 --> 00:06:58,199

lady who they were studying she was kind

201
00:07:03,290 --> 00:07:00,900
of asked a big proponent or a big factor

202
00:07:05,330 --> 00:07:03,300
in the like psychics by uh psychic cold

203
00:07:07,309 --> 00:07:05,340
war that happened which is like then you

204
00:07:08,870 --> 00:07:07,319
get hot hell put off and Company tied in

205
00:07:11,029 --> 00:07:08,880
so for that right you're dealing with

206
00:07:12,409 --> 00:07:11,039
like psychic phenomena or whatever so I

207
00:07:14,210 --> 00:07:12,419
just I throw in a lot of like

208
00:07:16,430 --> 00:07:14,220
allegedly's or like this person said

209
00:07:17,689 --> 00:07:16,440
like not saying for sure I think I even

210
00:07:19,550 --> 00:07:17,699
really mentioned to that like this could

211
00:07:21,710 --> 00:07:19,560
all be disinfo you know what I mean but

212
00:07:23,390 --> 00:07:21,720
these are just this is what this like

213
00:07:26,809 --> 00:07:23,400

accredited Russian scientist said about

214

00:07:28,430 --> 00:07:26,819

it uh I don't know yeah yeah it's

215

00:07:30,469 --> 00:07:28,440

difficult all right like yeah what do

216

00:07:32,689 --> 00:07:30,479

you do how do you there's a lot of weird

217

00:07:34,189 --> 00:07:32,699

stuff in this uh topic yeah no

218

00:07:35,689 --> 00:07:34,199

absolutely you sort of said it there

219

00:07:36,710 --> 00:07:35,699

that you need to kind of caveat a lot of

220

00:07:39,050 --> 00:07:36,720

these things with like you said

221

00:07:41,510 --> 00:07:39,060

allegedly and and you know say that

222

00:07:42,830 --> 00:07:41,520

you're speculating maybe so I think you

223

00:07:45,170 --> 00:07:42,840

pull it off though man you know I think

224

00:07:47,510 --> 00:07:45,180

you did it did it justice in all of your

225

00:07:48,770 --> 00:07:47,520

videos so yeah that's great uh so

226

00:07:50,270 --> 00:07:48,780

obviously digging through historical

227

00:07:52,490 --> 00:07:50,280

files and I'm sure you've come across

228

00:07:54,350 --> 00:07:52,500

obviously the big cases

229

00:07:55,610 --> 00:07:54,360

um obviously Roswell probably being the

230

00:07:56,990 --> 00:07:55,620

biggest I'd just love to hear your

231

00:07:59,089 --> 00:07:57,000

thoughts have to kind of go in through

232

00:08:00,830 --> 00:07:59,099

so much information what your thoughts

233

00:08:03,170 --> 00:08:00,840

on Roswell are

234

00:08:05,450 --> 00:08:03,180

so I feel like I haven't really done the

235

00:08:06,589 --> 00:08:05,460

deep deep dive but obviously like I'm

236

00:08:08,089 --> 00:08:06,599

gonna probably make a video about it one

237

00:08:09,589 --> 00:08:08,099

day and just based on everything I've

238

00:08:11,629 --> 00:08:09,599

read like we're reading about other

239

00:08:14,210 --> 00:08:11,639

stuff I would say probably yeah

240

00:08:16,550 --> 00:08:14,220

something happened there

241

00:08:17,390 --> 00:08:16,560

um there's just a lot of statements and

242

00:08:20,510 --> 00:08:17,400

um

243

00:08:23,029 --> 00:08:20,520

like the timing of everything and the

244

00:08:24,529 --> 00:08:23,039

names involved I would say so and then

245

00:08:26,570 --> 00:08:24,539

even going to today what you hear some

246

00:08:29,210 --> 00:08:26,580

people saying and like referencing and

247

00:08:31,670 --> 00:08:29,220

um not this ndaa but the previous one

248

00:08:36,409 --> 00:08:31,680

right they they happened in on the July

249

00:08:37,190 --> 00:08:36,419

47 date I believe so it comes up a lot

250

00:08:39,409 --> 00:08:37,200

um

251
00:08:40,670 --> 00:08:39,419
yeah I would I would I think something

252
00:08:42,050 --> 00:08:40,680
for sure happened right and then yeah

253
00:08:44,029 --> 00:08:42,060
you even have it going to the 90s where

254
00:08:46,130 --> 00:08:44,039
they did the they brought it up again

255
00:08:47,630 --> 00:08:46,140
and then they introduced the um the

256
00:08:49,250 --> 00:08:47,640
Crash Test Dummies

257
00:08:51,590 --> 00:08:49,260
but those dummies weren't in use until

258
00:08:53,150 --> 00:08:51,600
like the 50s so it's even to the 90s and

259
00:08:54,110 --> 00:08:53,160
even to today there's still this gray

260
00:08:56,750 --> 00:08:54,120
area

261
00:08:58,730 --> 00:08:56,760
of like what's going on here and yeah

262
00:09:00,650 --> 00:08:58,740
even with today today you have the krato

263
00:09:02,389 --> 00:09:00,660

right which is allegedly

264

00:09:05,690 --> 00:09:02,399

supposed to be the Army crowded with

265

00:09:08,449 --> 00:09:05,700

ttsa that Tom DeLong Harkins on that

266

00:09:10,310 --> 00:09:08,459

hasn't been dropped yet for a reason

267

00:09:12,710 --> 00:09:10,320

um and that piece allegedly came from

268

00:09:14,990 --> 00:09:12,720

out as well so I don't know it keeps on

269

00:09:18,050 --> 00:09:15,000

coming up so I kind of lean towards I

270

00:09:19,790 --> 00:09:18,060

lean towards yes as far as specifics uh

271

00:09:20,990 --> 00:09:19,800

I don't know but I do know there's a lot

272

00:09:22,310 --> 00:09:21,000

of weird like

273

00:09:23,389 --> 00:09:22,320

I can't tell you the names right now off

274

00:09:25,070 --> 00:09:23,399

the top of my head but a lot of weird

275

00:09:27,470 --> 00:09:25,080

General movements around that time and

276

00:09:30,230 --> 00:09:27,480

like people like flying around uh

277

00:09:31,730 --> 00:09:30,240

unplanned trips you know so those I

278

00:09:33,889 --> 00:09:31,740

think are pretty uh interesting aspects

279

00:09:36,650 --> 00:09:33,899

what do you think actually curious I

280

00:09:38,690 --> 00:09:36,660

mean I I I'm like you I think something

281

00:09:41,389 --> 00:09:38,700

happened but the more I've tried to look

282

00:09:43,550 --> 00:09:41,399

into Roswell the muddier it gets the

283

00:09:46,490 --> 00:09:43,560

harder it gets you know there's so many

284

00:09:47,990 --> 00:09:46,500

nuances and different angles and

285

00:09:49,730 --> 00:09:48,000

I think there's definitely a lot of

286

00:09:51,050 --> 00:09:49,740

misinformation or disinformation thrown

287

00:09:53,389 --> 00:09:51,060

in there over the years that it just

288

00:09:54,949 --> 00:09:53,399

becomes one of them cases where I I find

289

00:09:57,050 --> 00:09:54,959

it almost impossible to come to a

290

00:09:58,730 --> 00:09:57,060

definitive conclusion but

291

00:10:01,430 --> 00:09:58,740

boy yeah it's an interesting case

292

00:10:02,930 --> 00:10:01,440

absolutely yeah this is all happening

293

00:10:04,310 --> 00:10:02,940

now because like uh

294

00:10:05,509 --> 00:10:04,320

or it's probably why it's happening now

295

00:10:07,070 --> 00:10:05,519

but imagine if this would have happened

296

00:10:08,810 --> 00:10:07,080

like 20 years ago you know like so many

297

00:10:10,610 --> 00:10:08,820

of those people are gone like it's kind

298

00:10:12,110 --> 00:10:10,620

of almost lost to history at this point

299

00:10:14,030 --> 00:10:12,120

absolutely man but obviously after

300

00:10:15,949 --> 00:10:14,040

Roswell it leads into Project Blue Book

301
00:10:17,870 --> 00:10:15,959
which leads into the Robinson panel and

302
00:10:20,269 --> 00:10:17,880
there's clear obfuscation coming from

303
00:10:22,009 --> 00:10:20,279
the Air Force especially I mean

304
00:10:24,889 --> 00:10:22,019
why do you think they chose to go down

305
00:10:26,389 --> 00:10:24,899
that route and and just not talk or be

306
00:10:28,070 --> 00:10:26,399
honest with the public why would they

307
00:10:30,410 --> 00:10:28,080
not just want to be truthful what what

308
00:10:32,690 --> 00:10:30,420
do you think on that

309
00:10:33,769 --> 00:10:32,700
um I do kind of like uh Tom delong's

310
00:10:35,570 --> 00:10:33,779
assessment of the situation where he's

311
00:10:36,470 --> 00:10:35,580
like they didn't really know what this

312
00:10:38,930 --> 00:10:36,480
was

313
00:10:40,970 --> 00:10:38,940

and it could be a weapon it could be

314

00:10:42,410 --> 00:10:40,980

this it could be that like in terms of

315

00:10:44,329 --> 00:10:42,420

like understanding their thought process

316

00:10:46,130 --> 00:10:44,339

not like uh saying that that was the

317

00:10:47,389 --> 00:10:46,140

right thing to do

318

00:10:50,210 --> 00:10:47,399

um and then something I also think about

319

00:10:51,230 --> 00:10:50,220

a lot too is like and sort of I sort of

320

00:10:53,269 --> 00:10:51,240

asked people when they get mad it's like

321

00:10:55,430 --> 00:10:53,279

what would the the secret or the truth

322

00:10:56,509 --> 00:10:55,440

have to be for you to condone the

323

00:10:58,910 --> 00:10:56,519

cover-up

324

00:11:00,290 --> 00:10:58,920

uh which I personally think has included

325

00:11:01,610 --> 00:11:00,300

like murdering people in the past and

326

00:11:02,810 --> 00:11:01,620

stuff like that

327

00:11:05,389 --> 00:11:02,820

um I think a lot of us are always like

328

00:11:06,650 --> 00:11:05,399

oh the people can handle the truth but I

329

00:11:07,310 --> 00:11:06,660

feel like none of us really know what it

330

00:11:09,050 --> 00:11:07,320

is

331

00:11:10,850 --> 00:11:09,060

so I think it's that's an important just

332

00:11:12,590 --> 00:11:10,860

kind of like measure for us all to have

333

00:11:13,790 --> 00:11:12,600

like what would it have to be for you to

334

00:11:16,490 --> 00:11:13,800

say like actually you know I don't think

335

00:11:17,569 --> 00:11:16,500

people could handle this so

336

00:11:21,050 --> 00:11:17,579

um

337

00:11:22,730 --> 00:11:21,060

yeah who knows yeah I mean it's funny

338

00:11:24,610 --> 00:11:22,740

because it all seems to be centered

339

00:11:27,170 --> 00:11:24,620

around the beginning of this

340

00:11:29,210 --> 00:11:27,180

subjects and the the lies and everything

341

00:11:30,829 --> 00:11:29,220

being hidden from the 40s and 50s but

342

00:11:33,410 --> 00:11:30,839

that was also the time when the you know

343

00:11:36,530 --> 00:11:33,420

we had the the nuclear age with the the

344

00:11:38,269 --> 00:11:36,540

atomic age and so you know a lot of

345

00:11:39,769 --> 00:11:38,279

people make this connection to UFOs and

346

00:11:41,090 --> 00:11:39,779

nukes you've obviously covered it really

347

00:11:43,130 --> 00:11:41,100

well so

348

00:11:44,150 --> 00:11:43,140

again what are your thoughts on that and

349

00:11:46,190 --> 00:11:44,160

do you think there's definitely a

350

00:11:50,449 --> 00:11:46,200

connection there yes there's one second

351

00:11:50,459 --> 00:11:57,889

I'm live

352

00:12:02,690 --> 00:11:59,990

okay can you hear me yeah yeah loudly

353

00:12:04,850 --> 00:12:02,700

clear man oh did you hear that too uh

354

00:12:06,769 --> 00:12:04,860

um so about the nuclear connection no

355

00:12:09,590 --> 00:12:06,779

that's actually really uh interesting

356

00:12:11,150 --> 00:12:09,600

and like my current video so ties into

357

00:12:13,009 --> 00:12:11,160

that way more than I originally thought

358

00:12:15,230 --> 00:12:13,019

so

359

00:12:16,970 --> 00:12:15,240

like this current video is almost like

360

00:12:18,050 --> 00:12:16,980

the final and the trilogy of like what

361

00:12:19,370 --> 00:12:18,060

the previous two were you know because

362

00:12:23,389 --> 00:12:19,380

you could watch the previous two like in

363

00:12:25,610 --> 00:12:23,399

chronological order yeah um so for two

364

00:12:28,430 --> 00:12:25,620
ago the first in that trilogy it was

365

00:12:29,690 --> 00:12:28,440
like the project sign Project Blue Book

366

00:12:30,949 --> 00:12:29,700
everything right and then it goes into

367

00:12:33,230 --> 00:12:30,959
like Project Blue Book the propaganda

368

00:12:35,870 --> 00:12:33,240
stuff and then this next one is like the

369

00:12:38,930 --> 00:12:35,880
end of Project Blue Book and um how did

370

00:12:41,150 --> 00:12:38,940
the scientific Community get like

371

00:12:43,250 --> 00:12:41,160
endorsed or get on board with this topic

372

00:12:45,470 --> 00:12:43,260
and so a big part of that is Edward

373

00:12:47,769 --> 00:12:45,480
Condon right and uh some of the research

374

00:12:50,449 --> 00:12:47,779
I've been doing lately is it I think

375

00:12:51,829 --> 00:12:50,459
personally that uh Edward Conde might

376

00:12:54,829 --> 00:12:51,839

have even been involved with UFOs going

377

00:12:56,629 --> 00:12:54,839

back like to that time period because he

378

00:12:58,910 --> 00:12:56,639

had worked out he helped found Los

379

00:13:01,730 --> 00:12:58,920

Alamos lab he worked under Oppenheimer

380

00:13:04,250 --> 00:13:01,740

during the Manhattan Project and if you

381

00:13:07,129 --> 00:13:04,260

look at the recent ndaa they um

382

00:13:08,690 --> 00:13:07,139

specify that 1945 date which people are

383

00:13:11,150 --> 00:13:08,700

all saying relates to Trinity and stuff

384

00:13:14,569 --> 00:13:11,160

like that which was the the nuclear test

385

00:13:17,150 --> 00:13:14,579

site like right by Los Alamos so

386

00:13:19,190 --> 00:13:17,160

um and then you have that tie into a lot

387

00:13:21,350 --> 00:13:19,200

of those scientists were the ones that

388

00:13:23,509 --> 00:13:21,360

were arguing for

389

00:13:25,129 --> 00:13:23,519

um the atomic energy act which created

390

00:13:26,329 --> 00:13:25,139

the atomic energy commission which

391

00:13:28,490 --> 00:13:26,339

turned into the department of energy

392

00:13:30,610 --> 00:13:28,500

which you know everyone always says and

393

00:13:33,470 --> 00:13:30,620

comes up all the time in like UFO lore

394

00:13:34,910 --> 00:13:33,480

so yeah it just seemed like that nuclear

395

00:13:38,090 --> 00:13:34,920

connection is really big but you have

396

00:13:39,889 --> 00:13:38,100

Randall shim is pretty uh like a case

397

00:13:41,870 --> 00:13:39,899

with like a lot of like supporting

398

00:13:44,389 --> 00:13:41,880

evidence of like John McCain got those

399

00:13:46,850 --> 00:13:44,399

people Healthcare and stuff like that so

400

00:13:47,449 --> 00:13:46,860

there seem to be this big connection and

401

00:13:49,069 --> 00:13:47,459

um

402

00:13:51,470 --> 00:13:49,079

they're flying over like a lot of the

403

00:13:53,090 --> 00:13:51,480

Manhattan Project sites uh other than

404

00:13:55,310 --> 00:13:53,100

Los Alamos I think about like Oak Ridge

405

00:13:57,050 --> 00:13:55,320

and the Hanford site so

406

00:13:58,790 --> 00:13:57,060

I think there's definitely definitely a

407

00:14:00,110 --> 00:13:58,800

connection there

408

00:14:02,329 --> 00:14:00,120

do you think there's a connection as

409

00:14:04,370 --> 00:14:02,339

well between what happened in 1952 the

410

00:14:05,629 --> 00:14:04,380

Washington DC flyover

411

00:14:06,949 --> 00:14:05,639

you know could it be that you know I

412

00:14:08,629 --> 00:14:06,959

think that was the year that we had the

413

00:14:11,569 --> 00:14:08,639

hydrogen bomb as well do you think that

414

00:14:13,910 --> 00:14:11,579

was some kind of potential yeah I think

415

00:14:15,889 --> 00:14:13,920

so I think I mean I kind of lean there

416

00:14:17,090 --> 00:14:15,899

you know because like they the activity

417

00:14:20,210 --> 00:14:17,100

did pick up when we were starting to

418

00:14:22,250 --> 00:14:20,220

develop the like the first uh bombs but

419

00:14:25,069 --> 00:14:22,260

and then yeah 1952 is when we dropped

420

00:14:26,690 --> 00:14:25,079

the first Hydrogen Bomb so I mean makes

421

00:14:28,250 --> 00:14:26,700

sense to me but

422

00:14:29,329 --> 00:14:28,260

who knows right that's a whole other

423

00:14:30,889 --> 00:14:29,339

thing it's like who really knows what

424

00:14:33,530 --> 00:14:30,899

even is behind the phenomenon what their

425

00:14:35,690 --> 00:14:33,540

intentions are their thoughts are like

426

00:14:37,250 --> 00:14:35,700

it's just it's crazy to like I feel like

427

00:14:38,210 --> 00:14:37,260

sometimes we even get lost like yeah

428

00:14:40,850 --> 00:14:38,220

there's actually something you know what

429

00:14:42,410 --> 00:14:40,860

I mean it's like it just seems so crazy

430

00:14:45,050 --> 00:14:42,420

you forget that like all the different

431

00:14:47,090 --> 00:14:45,060

aspects of it yeah absolutely I mean a

432

00:14:49,730 --> 00:14:47,100

lot of people make the assumption that

433

00:14:51,710 --> 00:14:49,740

these beings are or whatever they

434

00:14:54,290 --> 00:14:51,720

potentially are would be here to protect

435

00:14:56,210 --> 00:14:54,300

us because we're dicing with such you

436

00:14:58,069 --> 00:14:56,220

know deadly weapons but

437

00:15:00,050 --> 00:14:58,079

could it be that simple or do you think

438

00:15:02,750 --> 00:15:00,060

there could be some malevolence in there

439

00:15:05,569 --> 00:15:02,760

as well I mean what do you think

440

00:15:08,030 --> 00:15:05,579

well yeah like um so I did a video

441

00:15:09,769 --> 00:15:08,040

series on colors and that that's a I

442

00:15:11,990 --> 00:15:09,779

think one I think it's like the best

443

00:15:14,810 --> 00:15:12,000

documented case look like generally like

444

00:15:16,370 --> 00:15:14,820

not even just like any qualifiers but

445

00:15:18,110 --> 00:15:16,380

then also like that case is kind of a

446

00:15:20,269 --> 00:15:18,120

malevolent case where it's like over

447

00:15:22,430 --> 00:15:20,279

like two month three month period you

448

00:15:25,430 --> 00:15:22,440

have multiple UFOs reported by like

449

00:15:28,069 --> 00:15:25,440

hundreds of people at every uh facet of

450

00:15:31,129 --> 00:15:28,079

life you have police officers

451
00:15:33,410 --> 00:15:31,139
um politicians uh Mayors and stuff like

452
00:15:34,430 --> 00:15:33,420
that and yeah these UFOs were like

453
00:15:35,509 --> 00:15:34,440
intentionally

454
00:15:36,530 --> 00:15:35,519
um or

455
00:15:38,090 --> 00:15:36,540
I don't know if I could say

456
00:15:40,069 --> 00:15:38,100
intentionally right they were hurting

457
00:15:42,170 --> 00:15:40,079
people though uh the people were getting

458
00:15:44,449 --> 00:15:42,180
radiation Burns

459
00:15:46,370 --> 00:15:44,459
um some people were like put into like

460
00:15:48,889 --> 00:15:46,380
cardiac arrest and some people are like

461
00:15:49,730 --> 00:15:48,899
uh had their blood kind of like taken

462
00:15:50,990 --> 00:15:49,740
and

463
00:15:53,030 --> 00:15:51,000

so it's like when you look at something

464

00:15:55,129 --> 00:15:53,040

like that uh it's it is kind of hard to

465

00:15:56,329 --> 00:15:55,139

be like oh they're all nice you know

466

00:15:59,269 --> 00:15:56,339

um even if it wasn't intentional maybe

467

00:16:00,170 --> 00:15:59,279

it was just a byproduct but um I think I

468

00:16:02,090 --> 00:16:00,180

think that's something we have to keep

469

00:16:03,530 --> 00:16:02,100

in mind you know what I mean like we

470

00:16:05,210 --> 00:16:03,540

want the truth right like so like even

471

00:16:07,250 --> 00:16:05,220

if it is bad even if it is like

472

00:16:08,389 --> 00:16:07,260

Abduction stuff you know and then uh

473

00:16:11,569 --> 00:16:08,399

something I think about a lot too though

474

00:16:14,030 --> 00:16:11,579

is like um a lot of us like eat meat you

475

00:16:16,189 --> 00:16:14,040

know I do too and like there are a lot

476
00:16:19,069 --> 00:16:16,199
of sentient animals you know like

477
00:16:21,050 --> 00:16:19,079
so it's it's a circle of life thing I

478
00:16:22,430 --> 00:16:21,060
guess kind of like you know like can we

479
00:16:24,050 --> 00:16:22,440
really complain about abductions when

480
00:16:25,310 --> 00:16:24,060
the things we do to other animals for

481
00:16:26,810 --> 00:16:25,320
like you know

482
00:16:28,550 --> 00:16:26,820
yeah it's a good point that's a really

483
00:16:30,829 --> 00:16:28,560
good point you know we we always just

484
00:16:31,790 --> 00:16:30,839
assume that we're top of the food chain

485
00:16:33,530 --> 00:16:31,800
and we've heard a lot of people

486
00:16:35,750 --> 00:16:33,540
especially Louis Alexander talk about it

487
00:16:37,370 --> 00:16:35,760
you know what if we're not you know it

488
00:16:38,810 --> 00:16:37,380

would change a lot of things the way we

489

00:16:41,030 --> 00:16:38,820

look at ourselves and the way we look at

490

00:16:42,650 --> 00:16:41,040

other species so yeah I mean it's a

491

00:16:43,790 --> 00:16:42,660

really good point

492

00:16:44,930 --> 00:16:43,800

um and one other thing with nuclear

493

00:16:46,670 --> 00:16:44,940

weapons is what are you what are your

494

00:16:48,590 --> 00:16:46,680

thoughts on the fact people have talked

495

00:16:52,310 --> 00:16:48,600

about the potentially using nukes for

496

00:16:55,490 --> 00:16:52,910

um

497

00:16:57,410 --> 00:16:55,500

I mean that I mean I feel like right

498

00:16:58,970 --> 00:16:57,420

like if uh you were whatever in

499

00:17:01,129 --> 00:16:58,980

intelligence

500

00:17:03,290 --> 00:17:01,139

agencies behind like researching this I

501
00:17:04,970 --> 00:17:03,300
think that led make sense like um

502
00:17:06,650 --> 00:17:04,980
like you see them all the time around

503
00:17:08,390 --> 00:17:06,660
this thing that you have like let's put

504
00:17:10,669 --> 00:17:08,400
it this thing that we have there to try

505
00:17:11,990 --> 00:17:10,679
and read it to study kind of like how we

506
00:17:13,130 --> 00:17:12,000
do with like a lot of other animals so I

507
00:17:15,110 --> 00:17:13,140
guess that would make sense I hear

508
00:17:18,409 --> 00:17:15,120
people talk about what starfish prime a

509
00:17:22,010 --> 00:17:18,419
lot yeah I guess that was kind of um

510
00:17:23,390 --> 00:17:22,020
a new UFO story thing

511
00:17:24,829 --> 00:17:23,400
um yeah I don't really know for sure

512
00:17:26,150 --> 00:17:24,839
though like if they've done it hopefully

513
00:17:28,250 --> 00:17:26,160

like all this stuff comes out eventually

514

00:17:29,930 --> 00:17:28,260

but um we'll see we'll see how they

515

00:17:31,810 --> 00:17:29,940

continue to roll this out

516

00:17:34,130 --> 00:17:31,820

yeah absolutely

517

00:17:36,110 --> 00:17:34,140

these past few days have been kind of

518

00:17:37,490 --> 00:17:36,120

surreal it's like do you ever the all

519

00:17:39,169 --> 00:17:37,500

the different statements we're hearing

520

00:17:40,970 --> 00:17:39,179

and stuff it's like

521

00:17:42,350 --> 00:17:40,980

seeing it play out in real time it's

522

00:17:43,909 --> 00:17:42,360

pretty wild

523

00:17:45,710 --> 00:17:43,919

it is and like I said earlier it's just

524

00:17:48,169 --> 00:17:45,720

we've not seen this kind of media

525

00:17:51,650 --> 00:17:48,179

coverage well probably possibly ever

526

00:17:55,010 --> 00:17:51,660

when it comes to the UFO subject and

527

00:17:57,289 --> 00:17:55,020

it seems to get more confusing the

528

00:17:59,870 --> 00:17:57,299

further we go day by day you know with

529

00:18:01,730 --> 00:17:59,880

no one making clear statements

530

00:18:03,350 --> 00:18:01,740

just acting like they don't know

531

00:18:04,909 --> 00:18:03,360

anything and that throws to me the

532

00:18:07,250 --> 00:18:04,919

thought that they have such Advanced

533

00:18:10,190 --> 00:18:07,260

sensor systems both on the ground you

534

00:18:11,810 --> 00:18:10,200

know in space on these these jets that

535

00:18:13,190 --> 00:18:11,820

are shooting these things down that

536

00:18:15,289 --> 00:18:13,200

surely there's got to be some gun camera

537

00:18:18,169 --> 00:18:15,299

footage or something somewhere wouldn't

538

00:18:20,510 --> 00:18:18,179

you think yeah I mean the the Tic Tac

539

00:18:21,470 --> 00:18:20,520

footage always existed before 2017 you

540

00:18:23,510 --> 00:18:21,480

know what I mean so I'm sure there's

541

00:18:26,390 --> 00:18:23,520

more of that but there's a Infamous 20

542

00:18:28,789 --> 00:18:26,400

minute video we're all waiting for

543

00:18:30,289 --> 00:18:28,799

um yeah I think they have more and even

544

00:18:32,330 --> 00:18:30,299

uh with Biden I've been saying this a

545

00:18:34,250 --> 00:18:32,340

lot too Biden has connections to this

546

00:18:36,650 --> 00:18:34,260

stuff going way back here when his

547

00:18:38,090 --> 00:18:36,660

family died on a like super tragically

548

00:18:39,950 --> 00:18:38,100

when he first became a senator in the

549

00:18:41,990 --> 00:18:39,960

70s his mentor in the Senate was a

550

00:18:44,630 --> 00:18:42,000

person named Claiborne Pell and that

551

00:18:46,490 --> 00:18:44,640

Senator was uh tied up with ions

552

00:18:49,430 --> 00:18:46,500

Institute of nomadic science which Edgar

553

00:18:50,870 --> 00:18:49,440

Mitchell founded and he um that Senator

554

00:18:52,310 --> 00:18:50,880

was also a senator that was getting

555

00:18:53,930 --> 00:18:52,320

funding for the remote viewing program

556

00:18:56,270 --> 00:18:53,940

like through the years and helped

557

00:18:57,950 --> 00:18:56,280

declassify so I think Biden knows more

558

00:18:59,870 --> 00:18:57,960

than he lets on it's weird like every

559

00:19:02,450 --> 00:18:59,880

president post Truman has some weird

560

00:19:03,950 --> 00:19:02,460

little tie into UFOs like that you

561

00:19:05,930 --> 00:19:03,960

wouldn't expect like

562

00:19:07,789 --> 00:19:05,940

yeah absolutely man we'll get into a

563

00:19:09,590 --> 00:19:07,799

couple of those in a little bit but you

564

00:19:11,390 --> 00:19:09,600

mentioned Edgar Mitchell there and again

565

00:19:13,909 --> 00:19:11,400

you've one of your films really focuses

566

00:19:15,110 --> 00:19:13,919

on on his importance to the UFO subject

567

00:19:16,730 --> 00:19:15,120

so

568

00:19:18,350 --> 00:19:16,740

can you tell us a little bit about his

569

00:19:20,510 --> 00:19:18,360

story and why you felt it was important

570

00:19:22,310 --> 00:19:20,520

to highlight him specifically out of

571

00:19:24,950 --> 00:19:22,320

sort of the astronauts yeah yeah Edgar

572

00:19:26,270 --> 00:19:24,960

Mitchell he's uh yeah he's a one of the

573

00:19:27,890 --> 00:19:26,280

Apollo Astronauts and he was a big

574

00:19:29,870 --> 00:19:27,900

disclosure advocate for his entire life

575

00:19:32,029 --> 00:19:29,880

and his was really fun to make and

576

00:19:34,789 --> 00:19:32,039

interesting to me um I said he's like

577

00:19:36,890 --> 00:19:34,799

the Forrest Gump of UFOs where like

578

00:19:39,590 --> 00:19:36,900

every little chapter of his life there's

579

00:19:41,690 --> 00:19:39,600

some like little UFO connection for

580

00:19:44,029 --> 00:19:41,700

example like he grew up around Roswell

581

00:19:46,130 --> 00:19:44,039

and he was like a teenager when like

582

00:19:47,150 --> 00:19:46,140

that thing broke up broke out and he and

583

00:19:48,590 --> 00:19:47,160

his friend were gonna like ride their

584

00:19:51,049 --> 00:19:48,600

bikes over to go check it out before

585

00:19:51,710 --> 00:19:51,059

they said that it was a weather balloon

586

00:19:54,409 --> 00:19:51,720

um

587

00:19:56,450 --> 00:19:54,419

and then what else uh he was in the

588

00:19:58,730 --> 00:19:56,460

Korean War and he he didn't see anybody

589

00:19:59,930 --> 00:19:58,740

he'd heard of some like reports of UFOs

590

00:20:02,029 --> 00:19:59,940

and stuff like that and I would have

591

00:20:03,529 --> 00:20:02,039

been doing like the blue book era and

592

00:20:05,330 --> 00:20:03,539

then

593

00:20:06,710 --> 00:20:05,340

um oh yeah another another reason why

594

00:20:09,590 --> 00:20:06,720

he's very interesting I think is because

595

00:20:11,750 --> 00:20:09,600

he kind of ties in the the UFO

596

00:20:14,330 --> 00:20:11,760

um psychic studying I guess you would

597

00:20:16,010 --> 00:20:14,340

call it uh overlap where he was like

598

00:20:19,850 --> 00:20:16,020

into UFOs and at the same time he was

599

00:20:23,090 --> 00:20:19,860

also like helping connect people uh like

600

00:20:24,590 --> 00:20:23,100

uh help HUD off and um Andrea piharic

601
00:20:26,690 --> 00:20:24,600
and like that whole scene of like the

602
00:20:28,070 --> 00:20:26,700
SRI remote viewing program he was

603
00:20:29,810 --> 00:20:28,080
helpful with that and he would because

604
00:20:31,490 --> 00:20:29,820
he was an astronaut right like he'd get

605
00:20:33,350 --> 00:20:31,500
in a lot of places a lot of doors would

606
00:20:35,270 --> 00:20:33,360
open for him so he was constantly like

607
00:20:37,909 --> 00:20:35,280
advocating for those programs and stuff

608
00:20:39,770 --> 00:20:37,919
like that and for disclosure

609
00:20:41,750 --> 00:20:39,780
um so yeah it's pretty uh

610
00:20:42,770 --> 00:20:41,760
it's pretty sad actually that he acted

611
00:20:44,750 --> 00:20:42,780
like he didn't get to see at least the

612
00:20:46,010 --> 00:20:44,760
2017 thing but I did think it was cool

613
00:20:47,330 --> 00:20:46,020

and I'm actually probably going to redo

614

00:20:48,650 --> 00:20:47,340

that video because some of the audio and

615

00:20:50,990 --> 00:20:48,660

that's really bad I thought it was cool

616

00:20:52,490 --> 00:20:51,000

that they mentioned uh Wilson Davis memo

617

00:20:53,810 --> 00:20:52,500

and the Congressional hearing even if it

618

00:20:55,070 --> 00:20:53,820

I don't know I really don't even know

619

00:20:57,409 --> 00:20:55,080

what to make of that but just knowing

620

00:20:59,029 --> 00:20:57,419

that came from his like estate like he's

621

00:21:01,190 --> 00:20:59,039

still kind of a part of it you know but

622

00:21:03,230 --> 00:21:01,200

he's just a super uh interesting dude

623

00:21:05,150 --> 00:21:03,240

his life is just crazy it's like it

624

00:21:07,310 --> 00:21:05,160

doesn't even seem real sometimes yeah

625

00:21:09,169 --> 00:21:07,320

absolutely man and it makes you think

626

00:21:10,909 --> 00:21:09,179

you know what did he actually know or

627

00:21:12,770 --> 00:21:10,919

what was he told that maybe he never

628

00:21:16,250 --> 00:21:12,780

really got to to speak about publicly

629

00:21:17,750 --> 00:21:16,260

before he sadly passed away yeah and you

630

00:21:19,370 --> 00:21:17,760

mentioned that Wilson Davis and coming

631

00:21:21,110 --> 00:21:19,380

from his estate and I mean that's

632

00:21:23,930 --> 00:21:21,120

another story that

633

00:21:27,289 --> 00:21:23,940

you know he keeps evolving slowly but

634

00:21:27,950 --> 00:21:27,299

surely but it is still very confusing so

635

00:21:30,350 --> 00:21:27,960

um

636

00:21:32,390 --> 00:21:30,360

I mean I was going to say what's your

637

00:21:34,010 --> 00:21:32,400

take on it but I I guess you pretty much

638

00:21:36,350 --> 00:21:34,020

just said then you don't really know but

639

00:21:38,090 --> 00:21:36,360

in the ground in the grander or bigger

640

00:21:40,310 --> 00:21:38,100

picture of Crash retrievals is that

641

00:21:42,950 --> 00:21:40,320

something that you have come across in

642

00:21:44,690 --> 00:21:42,960

your research and if you do what do you

643

00:21:47,210 --> 00:21:44,700

think that the US government or private

644

00:21:48,590 --> 00:21:47,220

contractors have UFO materials or even a

645

00:21:50,810 --> 00:21:48,600

craft

646

00:21:52,490 --> 00:21:50,820

um so like I couldn't really like Point

647

00:21:54,890 --> 00:21:52,500

anything specific but maybe just from

648

00:21:56,390 --> 00:21:54,900

like a general sense I would say yeah it

649

00:21:57,950 --> 00:21:56,400

seems like they went to Lockheed Martin

650

00:21:58,850 --> 00:21:57,960

at some point

651
00:22:01,130 --> 00:21:58,860
um

652
00:22:04,490 --> 00:22:01,140
I think there's one memo where it like

653
00:22:05,510 --> 00:22:04,500
uh uh what's it like 46 of a second or

654
00:22:06,770 --> 00:22:05,520
something like that there's this one

655
00:22:09,049 --> 00:22:06,780
memo where it's like it kind of

656
00:22:10,250 --> 00:22:09,059
implicates that like blue look was just

657
00:22:11,690 --> 00:22:10,260
like the public-facing thing but like

658
00:22:13,850 --> 00:22:11,700
whenever something really went down like

659
00:22:15,169 --> 00:22:13,860
it was this group that would go and get

660
00:22:17,210 --> 00:22:15,179
them and that would probably be an

661
00:22:18,890 --> 00:22:17,220
interesting um place for like people

662
00:22:20,270 --> 00:22:18,900
with like Congressional subpoena power

663
00:22:20,990 --> 00:22:20,280

or something to look

664

00:22:22,370 --> 00:22:21,000

um

665

00:22:25,310 --> 00:22:22,380

and then yeah like the whole like

666

00:22:28,730 --> 00:22:25,320

Lockheed uh Patel

667

00:22:30,350 --> 00:22:28,740

um angle the department of energy stuff

668

00:22:31,970 --> 00:22:30,360

um I I don't know I just kind of leaned

669

00:22:33,409 --> 00:22:31,980

gut feeling yes we have something you

670

00:22:35,330 --> 00:22:33,419

know what I mean

671

00:22:36,649 --> 00:22:35,340

um I don't know what do you what's your

672

00:22:38,990 --> 00:22:36,659

take on that

673

00:22:40,789 --> 00:22:39,000

yeah I mean I suppose if I had to make a

674

00:22:42,409 --> 00:22:40,799

sort of say something on it I think

675

00:22:45,710 --> 00:22:42,419

there's probably the possibility that we

676

00:22:47,930 --> 00:22:45,720

do have something uh I if there is a

677

00:22:50,090 --> 00:22:47,940

back engineering program I doubt that

678

00:22:51,890 --> 00:22:50,100

it's been cracked from conversations

679

00:22:53,570 --> 00:22:51,900

I've had with people and research I've

680

00:22:55,370 --> 00:22:53,580

done you know we hear this story about

681

00:22:57,350 --> 00:22:55,380

them bringing out this technology every

682

00:22:59,630 --> 00:22:57,360

10 years to have another go and see if

683

00:23:01,490 --> 00:22:59,640

our Technologies caught up enough to be

684

00:23:03,470 --> 00:23:01,500

able to sort of make some progress with

685

00:23:05,810 --> 00:23:03,480

it I think that's possibly more likely

686

00:23:07,490 --> 00:23:05,820

but again I mean we just don't know do

687

00:23:09,049 --> 00:23:07,500

we it's that's the problem with the

688

00:23:11,690 --> 00:23:09,059

majority of this subject is we don't

689

00:23:13,190 --> 00:23:11,700

know so it is a lot of speculating

690

00:23:15,590 --> 00:23:13,200

what does make me interested though is

691

00:23:17,570 --> 00:23:15,600

like all the the politicians speaking on

692

00:23:18,950 --> 00:23:17,580

it because it's like uh there's so much

693

00:23:21,110 --> 00:23:18,960

money that goes into politics you know

694

00:23:22,669 --> 00:23:21,120

what I mean like uh pulling the strings

695

00:23:23,870 --> 00:23:22,679

and stuff like that

696

00:23:26,810 --> 00:23:23,880

um

697

00:23:28,310 --> 00:23:26,820

like I don't think uh like somebody's

698

00:23:29,570 --> 00:23:28,320

telling them it's advantageous to talk

699

00:23:32,149 --> 00:23:29,580

about it or like it's okay it's

700

00:23:33,770 --> 00:23:32,159

acceptable like if um

701

00:23:35,750 --> 00:23:33,780

if there I feel like if there was truly

702

00:23:37,669 --> 00:23:35,760

truly nothing to it like by this point

703

00:23:38,870 --> 00:23:37,679

like it kind of all would have stopped

704

00:23:40,549 --> 00:23:38,880

we wouldn't be having more and more

705

00:23:42,169 --> 00:23:40,559

politicians speaking on it kind of uh

706

00:23:44,930 --> 00:23:42,179

situation

707

00:23:47,029 --> 00:23:44,940

um so we'll see and like yeah the the

708

00:23:48,169 --> 00:23:47,039

Wilson Davis memo was mentioned at the

709

00:23:51,710 --> 00:23:48,179

the Congressional hearing ride so

710

00:23:54,110 --> 00:23:51,720

hopefully whoever uh got that info to uh

711

00:23:55,370 --> 00:23:54,120

who is that Gallagher I think right yeah

712

00:23:56,930 --> 00:23:55,380

I think it was Gallagher and I think

713

00:23:58,789 --> 00:23:56,940

Gary Nolan was the one that brought it

714

00:24:00,230 --> 00:23:58,799

to his attention cool so I'm hoping like

715

00:24:03,049 --> 00:24:00,240

hopefully they know more than we do and

716

00:24:04,610 --> 00:24:03,059

let's like this assure thing there yeah

717

00:24:06,770 --> 00:24:04,620

absolutely man

718

00:24:09,830 --> 00:24:06,780

um another aspect I think that's been an

719

00:24:11,210 --> 00:24:09,840

issue within the government and possibly

720

00:24:12,950 --> 00:24:11,220

the military as well is religious

721

00:24:14,750 --> 00:24:12,960

pushback is that something that you've

722

00:24:16,669 --> 00:24:14,760

come across

723

00:24:18,409 --> 00:24:16,679

um yeah like to it to a degree yeah

724

00:24:21,409 --> 00:24:18,419

definitely and um

725

00:24:23,690 --> 00:24:21,419

yeah like uh the Collins Elite

726

00:24:25,549 --> 00:24:23,700

um thread I guess that you see coming up

727

00:24:29,090 --> 00:24:25,559

all the time and uh

728

00:24:31,070 --> 00:24:29,100

uh one of my favorite like UFO uh

729

00:24:33,890 --> 00:24:31,080

stories right is that Ray Boucher story

730

00:24:35,930 --> 00:24:33,900

where he says like those guys contacted

731

00:24:37,789 --> 00:24:35,940

him and stuff like that um

732

00:24:38,810 --> 00:24:37,799

there's a there's a weird angle to it

733

00:24:40,730 --> 00:24:38,820

and there is some stuff where it's like

734

00:24:42,230 --> 00:24:40,740

uh even Project Blue Book did some like

735

00:24:44,210 --> 00:24:42,240

channeling stuff

736

00:24:46,669 --> 00:24:44,220

where it's like that almost kind of

737

00:24:47,750 --> 00:24:46,679

seems like a religious angle on it you

738

00:24:50,210 --> 00:24:47,760

know what I mean even though you're

739

00:24:52,010 --> 00:24:50,220

trying to be scientific with it like so

740

00:24:53,210 --> 00:24:52,020

it does make sense and I do kind of

741

00:24:55,490 --> 00:24:53,220

worry like

742

00:24:57,350 --> 00:24:55,500

just going forward like all of us like

743

00:24:59,090 --> 00:24:57,360

you me like everyone in our community

744

00:24:59,990 --> 00:24:59,100

how we're gonna be

745

00:25:01,730 --> 00:25:00,000

um

746

00:25:03,409 --> 00:25:01,740

like perceived you know like I'm sure

747

00:25:04,730 --> 00:25:03,419

you saw like as this little stuff was

748

00:25:07,090 --> 00:25:04,740

broken down it's like there's the

749

00:25:09,830 --> 00:25:07,100

Project Blue being like

750

00:25:11,870 --> 00:25:09,840

everywhere there's the this is all

751
00:25:13,190 --> 00:25:11,880
demons angles so I'm I'm just worried

752
00:25:14,990 --> 00:25:13,200
that like our community is going to get

753
00:25:16,370 --> 00:25:15,000
caught up in like what's gonna happen

754
00:25:19,669 --> 00:25:16,380
but like yeah we're gonna caught up in

755
00:25:21,529 --> 00:25:19,679
that and stuff like that so uh that I do

756
00:25:22,909 --> 00:25:21,539
see the religious pushback

757
00:25:23,930 --> 00:25:22,919
and everyone's kind of viewing it

758
00:25:25,490 --> 00:25:23,940
through their own religious lens like

759
00:25:27,590 --> 00:25:25,500
I'm sure

760
00:25:28,789 --> 00:25:27,600
um a lot of the like um Muslim people

761
00:25:30,350 --> 00:25:28,799
I've talked about this view through like

762
00:25:32,090 --> 00:25:30,360
the Gin lens which I think is a pretty

763
00:25:33,950 --> 00:25:32,100

solid lens

764

00:25:36,110 --> 00:25:33,960

um and then but you do see a lot of like

765

00:25:38,269 --> 00:25:36,120

um Christian podcasts have like that

766

00:25:40,010 --> 00:25:38,279

speak on this uh well you're not saying

767

00:25:42,169 --> 00:25:40,020

all of them but we'll say like kind of

768

00:25:44,390 --> 00:25:42,179

view it through a demonic lens which is

769

00:25:46,190 --> 00:25:44,400

you know it's kind of uh interesting

770

00:25:47,690 --> 00:25:46,200

it's going to be wild as we uncover

771

00:25:50,269 --> 00:25:47,700

what's actually going on

772

00:25:51,769 --> 00:25:50,279

yeah absolutely man I mean following

773

00:25:53,870 --> 00:25:51,779

Project Blue Book and all that kind of

774

00:25:55,490 --> 00:25:53,880

stuff going into sort of the 70s and 80s

775

00:25:58,490 --> 00:25:55,500

it feels like the subject took a bit of

776

00:25:59,810 --> 00:25:58,500

a a quiet period and you know yes there

777

00:26:02,870 --> 00:25:59,820

could potentially have been some secret

778

00:26:05,090 --> 00:26:02,880

groups you know mj-12 type things

779

00:26:06,470 --> 00:26:05,100

although you know I think with mj12

780

00:26:08,630 --> 00:26:06,480

obviously that's a very controversial

781

00:26:10,250 --> 00:26:08,640

thing so

782

00:26:12,470 --> 00:26:10,260

what do you think

783

00:26:14,029 --> 00:26:12,480

how do you think that

784

00:26:18,230 --> 00:26:14,039

I don't really know how to phrase it

785

00:26:20,510 --> 00:26:18,240

properly do you think mj-12 was based

786

00:26:22,310 --> 00:26:20,520

in some kind of reality that there were

787

00:26:24,350 --> 00:26:22,320

possibly some groups looking into this

788

00:26:27,830 --> 00:26:24,360

that we just haven't heard of

789

00:26:28,850 --> 00:26:27,840

yeah I think I like uh that's another

790

00:26:30,409 --> 00:26:28,860

one it's like eventually I'll make a

791

00:26:31,850 --> 00:26:30,419

video on it but everything I've read

792

00:26:33,649 --> 00:26:31,860

uh I do think there's definitely

793

00:26:35,750 --> 00:26:33,659

something like that

794

00:26:37,669 --> 00:26:35,760

and even a lot of the names on that I

795

00:26:39,289 --> 00:26:37,679

would probably agree with like finnavar

796

00:26:41,630 --> 00:26:39,299

Bush and whatnot yeah there's an

797

00:26:42,769 --> 00:26:41,640

interesting thing that uh I learned

798

00:26:44,090 --> 00:26:42,779

recently that I'm pretty sure it's true

799

00:26:45,769 --> 00:26:44,100

hopefully if not someone in the comments

800

00:26:46,730 --> 00:26:45,779

can correct me

801
00:26:48,649 --> 00:26:46,740
um

802
00:26:50,630 --> 00:26:48,659
I think it was uh there was a memo by

803
00:26:52,070 --> 00:26:50,640
Wilbert Smith that had been released

804
00:26:54,769 --> 00:26:52,080
like Through official channels that

805
00:26:56,110 --> 00:26:54,779
named benavar Bush as like the head of

806
00:26:58,970 --> 00:26:56,120
this um

807
00:27:01,190 --> 00:26:58,980
UFO secret group or whatever and it was

808
00:27:02,690 --> 00:27:01,200
after that that the mj-12 documents were

809
00:27:04,549 --> 00:27:02,700
like released so it was like almost

810
00:27:06,049 --> 00:27:04,559
potentially might have been in response

811
00:27:08,630 --> 00:27:06,059
to those being out to just kind of Muddy

812
00:27:11,090 --> 00:27:08,640
the waters there yeah um but I'm pretty

813
00:27:13,730 --> 00:27:11,100

sure that that uh uh the Wilbert Smith

814

00:27:15,950 --> 00:27:13,740

who ran project magnet the Canadian

815

00:27:17,570 --> 00:27:15,960

small little UFO study I'm pretty sure

816

00:27:18,710 --> 00:27:17,580

that's like an official document I think

817

00:27:22,370 --> 00:27:18,720

people do argue about whether or not

818

00:27:23,930 --> 00:27:22,380

Wilbert Smith is legitimate but so we do

819

00:27:25,789 --> 00:27:23,940

have like van ever Bush being named on a

820

00:27:28,130 --> 00:27:25,799

UFO document which I do find interesting

821

00:27:30,769 --> 00:27:28,140

and you have what Menzel was in that

822

00:27:32,510 --> 00:27:30,779

document who I pretty sure like he was a

823

00:27:34,070 --> 00:27:32,520

blue book debunker so I'm and he was

824

00:27:36,230 --> 00:27:34,080

kind of like a big he was like a jail

825

00:27:39,409 --> 00:27:36,240

and heinek a big scientific public face

826

00:27:42,350 --> 00:27:39,419

of like debunking this subject so a lot

827

00:27:43,310 --> 00:27:42,360

of those names uh James Forrestal too I

828

00:27:45,350 --> 00:27:43,320

would imagine would have been on

829

00:27:48,110 --> 00:27:45,360

whatever whoever they contacted after

830

00:27:50,330 --> 00:27:48,120

Roswell you know what I mean or once

831

00:27:52,130 --> 00:27:50,340

they realized what was going on so I do

832

00:27:54,470 --> 00:27:52,140

think there is something there

833

00:27:56,269 --> 00:27:54,480

yeah I know I agree I think

834

00:27:58,430 --> 00:27:56,279

you kind of nailed it there that these

835

00:28:00,409 --> 00:27:58,440

big names must well they were connected

836

00:28:02,510 --> 00:28:00,419

in some way but whether they were as

837

00:28:04,549 --> 00:28:02,520

connected as forming this full group of

838

00:28:06,730 --> 00:28:04,559

people not so sure there but definitely

839

00:28:09,409 --> 00:28:06,740

think there was some some Connection in

840

00:28:11,210 --> 00:28:09,419

involved so well let's bring it back up

841

00:28:12,950 --> 00:28:11,220

to sort of more recent times and talk

842

00:28:15,110 --> 00:28:12,960

about you know when it all kind of

843

00:28:17,269 --> 00:28:15,120

changed for the the subject and became a

844

00:28:20,510 --> 00:28:17,279

bit more mainstream in on the 17th of

845

00:28:23,149 --> 00:28:20,520

December 2017 do you remember that day

846

00:28:26,149 --> 00:28:23,159

was that something you you were like oh

847

00:28:28,970 --> 00:28:26,159

my goodness what is this actually I do

848

00:28:30,350 --> 00:28:28,980

because um because I I like the news a

849

00:28:31,430 --> 00:28:30,360

lot and I like history a lot so like I

850

00:28:33,769 --> 00:28:31,440

was always reading and stuff like that

851
00:28:35,570 --> 00:28:33,779
but um I just never quite deeped over

852
00:28:38,930 --> 00:28:35,580
that subject and I remember I saw the

853
00:28:40,610 --> 00:28:38,940
David fraver interview on Tucker Carlson

854
00:28:41,870 --> 00:28:40,620
and for me when I saw that interview

855
00:28:44,210 --> 00:28:41,880
like on mainstream media being like

856
00:28:46,010 --> 00:28:44,220
seriously dressed I was like what it uh

857
00:28:47,450 --> 00:28:46,020
what I say is it reminded me of um the

858
00:28:49,310 --> 00:28:47,460
beginning of arrival when everyone's

859
00:28:51,289 --> 00:28:49,320
like stopped and stuff like that like

860
00:28:53,149 --> 00:28:51,299
that's how I felt personally but like no

861
00:28:54,950 --> 00:28:53,159
one in my real life did

862
00:28:56,390 --> 00:28:54,960
um but yeah I do remember like very

863
00:28:59,269 --> 00:28:56,400

vividly be like what the heck is this

864

00:29:00,350 --> 00:28:59,279

and I watched uh think like an Elizondo

865

00:29:02,390 --> 00:29:00,360

interview after that and I was like what

866

00:29:03,769 --> 00:29:02,400

is this and then like

867

00:29:05,090 --> 00:29:03,779

it's basically the non-stop since that

868

00:29:06,289 --> 00:29:05,100

day of like everyday at least reading

869

00:29:08,870 --> 00:29:06,299

about this a little bit or trying to

870

00:29:12,169 --> 00:29:08,880

learn something new so what do you have

871

00:29:13,190 --> 00:29:12,179

family thin friends think about it

872

00:29:15,169 --> 00:29:13,200

um

873

00:29:16,430 --> 00:29:15,179

supportive at first a lot of them didn't

874

00:29:17,870 --> 00:29:16,440

understand and a lot of them don't

875

00:29:19,909 --> 00:29:17,880

didn't like talking about it which makes

876

00:29:21,289 --> 00:29:19,919

sense because the stigma and it is an

877

00:29:22,850 --> 00:29:21,299

uncomfortable topic for some people and

878

00:29:23,990 --> 00:29:22,860

then yes as more and more stuff happens

879

00:29:25,250 --> 00:29:24,000

like I'm getting more and more messages

880

00:29:26,330 --> 00:29:25,260

of like oh what do you think about this

881

00:29:28,430 --> 00:29:26,340

what do you think about that it's like

882

00:29:30,049 --> 00:29:28,440

okay that feels good like uh but yeah

883

00:29:32,269 --> 00:29:30,059

for sure at the beginning too A lot of

884

00:29:34,430 --> 00:29:32,279

people were like uh what do you do why

885

00:29:36,889 --> 00:29:34,440

are you wasting all your time on this uh

886

00:29:38,990 --> 00:29:36,899

but no I think we're good

887

00:29:40,669 --> 00:29:39,000

yeah no no obviously around that time a

888

00:29:43,789 --> 00:29:40,679

lot of this was to do with Tom DeLong

889

00:29:45,950 --> 00:29:43,799

ttsa and that in itself has been quite

890

00:29:48,169 --> 00:29:45,960

controversial over the past few years so

891

00:29:51,230 --> 00:29:48,179

what are your thoughts on what was first

892

00:29:53,269 --> 00:29:51,240

sort of promised by ttsa with the you

893

00:29:54,529 --> 00:29:53,279

know the technology that they were

894

00:29:56,450 --> 00:29:54,539

trying to

895

00:29:58,130 --> 00:29:56,460

promise that they would bring to the

896

00:29:59,510 --> 00:29:58,140

subject and then how it all changed so

897

00:30:01,490 --> 00:29:59,520

during the pandemic so what are your

898

00:30:03,350 --> 00:30:01,500

thoughts on that whole company

899

00:30:05,289 --> 00:30:03,360

organization and do you think there's

900

00:30:08,210 --> 00:30:05,299

anything nefarious to it

901
00:30:09,590 --> 00:30:08,220
nefarious maybe perhaps right like it's

902
00:30:11,330 --> 00:30:09,600
like um

903
00:30:13,430 --> 00:30:11,340
the intelligence Community has been all

904
00:30:15,409 --> 00:30:13,440
over this subject and even like

905
00:30:17,450 --> 00:30:15,419
mingling with the UFO Community since

906
00:30:19,909 --> 00:30:17,460
the beginning you know um

907
00:30:21,350 --> 00:30:19,919
was it jail and heinek was tasks to go

908
00:30:24,830 --> 00:30:21,360
out and ask a bunch of the different

909
00:30:26,210 --> 00:30:24,840
early UFO groups to like

910
00:30:28,250 --> 00:30:26,220
um that he told them like oh you'll get

911
00:30:31,070 --> 00:30:28,260
secret data if you go along with our

912
00:30:32,750 --> 00:30:31,080
narrative kind of thing so there is that

913
00:30:35,029 --> 00:30:32,760

and when you look at tsa in the lineup

914

00:30:36,649 --> 00:30:35,039

and like the uh intelligence like there

915

00:30:38,990 --> 00:30:36,659

it's like it's like I understand why

916

00:30:42,350 --> 00:30:39,000

people say oh there's a red flag there

917

00:30:44,930 --> 00:30:42,360

um and then there's the the the vehicle

918

00:30:47,510 --> 00:30:44,940

part I thought was a little like yeah

919

00:30:49,970 --> 00:30:47,520

that's very suspect like I don't know if

920

00:30:51,049 --> 00:30:49,980

like oh maybe they do maybe it is

921

00:30:52,850 --> 00:30:51,059

possible with what they're looking at

922

00:30:54,529 --> 00:30:52,860

but I don't know about that but to the

923

00:30:56,810 --> 00:30:54,539

whole like reducing stigma having

924

00:30:59,750 --> 00:30:56,820

Congressional hearings getting this

925

00:31:01,850 --> 00:30:59,760

subject like to a place where it can be

926
00:31:04,430 --> 00:31:01,860
discussed like yeah I think they deserve

927
00:31:05,870 --> 00:31:04,440
like all the credit for that and

928
00:31:07,490 --> 00:31:05,880
um it's kind of easy when we're on this

929
00:31:08,870 --> 00:31:07,500
end of it to be like what have they

930
00:31:10,250 --> 00:31:08,880
really done which actually I don't even

931
00:31:11,690 --> 00:31:10,260
think it's easy but there are a lot of

932
00:31:13,490 --> 00:31:11,700
people who have that

933
00:31:15,110 --> 00:31:13,500
um take but because like I spend all my

934
00:31:16,789 --> 00:31:15,120
time like reading about history and like

935
00:31:18,169 --> 00:31:16,799
reading about all these people who like

936
00:31:20,930 --> 00:31:18,179
wish they could be living through or

937
00:31:21,950 --> 00:31:20,940
living through or wish like the subject

938
00:31:24,529 --> 00:31:21,960

could have gotten the attention it's

939

00:31:25,909 --> 00:31:24,539

getting now and who just their whole

940

00:31:27,889 --> 00:31:25,919

lives try to get that and it died

941

00:31:29,810 --> 00:31:27,899

without ever seeing any of it it's like

942

00:31:32,090 --> 00:31:29,820

they did do they accomplished like that

943

00:31:33,230 --> 00:31:32,100

and that is no small fee in my uh in my

944

00:31:35,210 --> 00:31:33,240

book

945

00:31:37,190 --> 00:31:35,220

um so yeah like kudos to them for that

946

00:31:39,230 --> 00:31:37,200

and like yeah all the the flight safety

947

00:31:41,630 --> 00:31:39,240

stuff even if it's not a UFO UFO it's

948

00:31:44,330 --> 00:31:41,640

like those are all um really important

949

00:31:46,250 --> 00:31:44,340

and um they deserve well all the credit

950

00:31:47,690 --> 00:31:46,260

for that for sure yeah absolutely I mean

951
00:31:50,330 --> 00:31:47,700
for one thing I think about is if Tom

952
00:31:53,570 --> 00:31:50,340
Delong was used whether it be by I know

953
00:31:55,130 --> 00:31:53,580
the CIA or the government or anybody

954
00:31:57,350 --> 00:31:55,140
all it's really done is thrust the

955
00:31:59,330 --> 00:31:57,360
subject into the mainstream which is why

956
00:32:00,830 --> 00:31:59,340
would they want that to happen it does a

957
00:32:03,110 --> 00:32:00,840
lot of it doesn't make sense to me and

958
00:32:04,310 --> 00:32:03,120
you know a lot of people saw there are

959
00:32:06,649 --> 00:32:04,320
people out there that think it was just

960
00:32:08,330 --> 00:32:06,659
a money grab but I mean the money that

961
00:32:09,950 --> 00:32:08,340
we're talking is is just a drop in the

962
00:32:11,870 --> 00:32:09,960
ocean in on the grand scheme of things

963
00:32:14,330 --> 00:32:11,880

so again it doesn't it doesn't add up to

964

00:32:15,649 --> 00:32:14,340

me so yeah no I appreciate your take on

965

00:32:17,870 --> 00:32:15,659

that um

966

00:32:20,210 --> 00:32:17,880

and again around this time we've got a

967

00:32:22,850 --> 00:32:20,220

Donald Trump in office as well and

968

00:32:24,950 --> 00:32:22,860

you've really done some digging on

969

00:32:26,090 --> 00:32:24,960

Trump's connection to the UFO subject if

970

00:32:27,649 --> 00:32:26,100

you wouldn't mind just sort of laying

971

00:32:31,070 --> 00:32:27,659

out for us because I found that really

972

00:32:32,990 --> 00:32:31,080

interesting yeah for sure so some of it

973

00:32:35,330 --> 00:32:33,000

like him himself like right he was

974

00:32:38,330 --> 00:32:35,340

President for a lot of the

975

00:32:39,830 --> 00:32:38,340

initial rollout one of his um his chief

976

00:32:42,470 --> 00:32:39,840

ite person

977

00:32:43,909 --> 00:32:42,480

went from the White House to tsa I

978

00:32:45,289 --> 00:32:43,919

forget his name but he was like a bald

979

00:32:46,430 --> 00:32:45,299

gentleman

980

00:32:48,950 --> 00:32:46,440

um and that was never that wasn't really

981

00:32:51,529 --> 00:32:48,960

reported on a lot even in the UFO land

982

00:32:54,169 --> 00:32:51,539

um and then yeah his um uncle

983

00:32:55,789 --> 00:32:54,179

uh John Trump it's like there's not like

984

00:32:57,950 --> 00:32:55,799

any like confirmed confirmed connections

985

00:33:00,710 --> 00:32:57,960

but when you look at him as a whole he

986

00:33:02,750 --> 00:33:00,720

was part of the MIT rad lab during uh

987

00:33:06,169 --> 00:33:02,760

like World War II he helped develop

988

00:33:07,850 --> 00:33:06,179

American radar he was the um Scientific

989

00:33:09,889 --> 00:33:07,860

Advisor to a lot of the Air Force

990

00:33:12,950 --> 00:33:09,899

generals including

991

00:33:13,789 --> 00:33:12,960

it was a Carl spatz who is one of those

992

00:33:15,289 --> 00:33:13,799

generals like we were talking about

993

00:33:17,750 --> 00:33:15,299

earlier that they have kind of an

994

00:33:19,669 --> 00:33:17,760

interesting like weird flying

995

00:33:22,130 --> 00:33:19,679

um schedule mishap around the Roswell

996

00:33:23,810 --> 00:33:22,140

time and who was like yeah the one of

997

00:33:26,450 --> 00:33:23,820

the top leaders of the Air Force at the

998

00:33:28,190 --> 00:33:26,460

time so you would imagine um

999

00:33:30,169 --> 00:33:28,200

oh and the other thing too is that he uh

1000

00:33:31,549 --> 00:33:30,179

he went through Tesla's files for the

1001

00:33:33,889 --> 00:33:31,559

government you know what I mean uh when

1002

00:33:35,210 --> 00:33:33,899

Tesla died so yeah you'd imagine he was

1003

00:33:37,009 --> 00:33:35,220

thought of as smart enough to be the

1004

00:33:39,769 --> 00:33:37,019

person to analyze all of Tesla's work

1005

00:33:41,930 --> 00:33:39,779

when Tesla died he invented or he he

1006

00:33:43,370 --> 00:33:41,940

helped invent radar

1007

00:33:45,230 --> 00:33:43,380

um and he was an advisor to all these

1008

00:33:46,430 --> 00:33:45,240

generals like I think and he was like

1009

00:33:48,710 --> 00:33:46,440

friends with

1010

00:33:51,350 --> 00:33:48,720

um like Condon and Oppenheimer and Ben

1011

00:33:52,430 --> 00:33:51,360

Howard Bush so it's like uh his name is

1012

00:33:55,370 --> 00:33:52,440

like right there with all the different

1013

00:33:57,889 --> 00:33:55,380

names so I would assume but it's not 100

1014

00:33:59,450 --> 00:33:57,899

sure but I'm pretty sure yeah I'm pretty

1015

00:34:01,490 --> 00:33:59,460

sure his uncle is

1016

00:34:02,930 --> 00:34:01,500

involved at least to some degree yeah

1017

00:34:04,610 --> 00:34:02,940

you can certainly see the links there

1018

00:34:06,529 --> 00:34:04,620

with the people the names that you named

1019

00:34:07,789 --> 00:34:06,539

them and another thing that Trump is you

1020

00:34:09,470 --> 00:34:07,799

know we there's that sort of famous

1021

00:34:11,149 --> 00:34:09,480

video clip of him and his son talking

1022

00:34:14,869 --> 00:34:11,159

about Roswell do you think Trump

1023

00:34:17,810 --> 00:34:14,879

genuinely knew anything or do you think

1024

00:34:19,190 --> 00:34:17,820

he was like just hype in it

1025

00:34:20,510 --> 00:34:19,200

um see that's the thing where people was

1026

00:34:22,250 --> 00:34:20,520

like oh Trump could never keep a secret

1027

00:34:24,230 --> 00:34:22,260

like that but I don't I feel like he

1028

00:34:25,369 --> 00:34:24,240

kind of didn't know and then oh there's

1029

00:34:26,750 --> 00:34:25,379

another connection too where his

1030

00:34:28,310 --> 00:34:26,760

connection with um

1031

00:34:29,869 --> 00:34:28,320

and that this is also another one where

1032

00:34:31,730 --> 00:34:29,879

it's like not confirm confirm but it is

1033

00:34:33,710 --> 00:34:31,740

interesting some people say that there

1034

00:34:34,849 --> 00:34:33,720

was a the whole McCarthy hearings that

1035

00:34:37,070 --> 00:34:34,859

there was a

1036

00:34:38,570 --> 00:34:37,080

a UFO underpinning of that basically

1037

00:34:40,070 --> 00:34:38,580

like there was a UFO underpinning of the

1038

00:34:41,869 --> 00:34:40,080

Manhattan Project the atomic energy

1039

00:34:42,889 --> 00:34:41,879

commission and the McCarthy hearings

1040

00:34:47,690 --> 00:34:42,899

like

1041

00:34:49,129 --> 00:34:47,700

example that's where Condon lost his

1042

00:34:51,230 --> 00:34:49,139

clearance that's where Oppenheimer lost

1043

00:34:55,010 --> 00:34:51,240

his clearance was in those you know

1044

00:34:56,329 --> 00:34:55,020

um and Trump's Mentor was Roy Cohen who

1045

00:34:57,589 --> 00:34:56,339

was the uh who was part of that whole

1046

00:34:59,210 --> 00:34:57,599

thing and they were investigating some

1047

00:35:00,829 --> 00:34:59,220

of the the different Manhattan Project

1048

00:35:02,570 --> 00:35:00,839

sites for that

1049

00:35:04,430 --> 00:35:02,580

um where there were UFO sightings and

1050

00:35:07,130 --> 00:35:04,440

it's not confirmed by any means but

1051

00:35:09,710 --> 00:35:07,140

there is that and it's like uh

1052

00:35:11,270 --> 00:35:09,720

the Nixon um with the what's that guy's

1053

00:35:13,849 --> 00:35:11,280

name the Trump has some connections with

1054

00:35:16,130 --> 00:35:13,859

Nixon too so it's like Trump's

1055

00:35:18,050 --> 00:35:16,140

Trump and his uncle and like some of

1056

00:35:20,690 --> 00:35:18,060

those Legacy connections I would think

1057

00:35:21,950 --> 00:35:20,700

he kind of knows but I'm kind of get the

1058

00:35:24,770 --> 00:35:21,960

feeling that maybe at the time of like

1059

00:35:26,930 --> 00:35:24,780

2016 2017 the they weren't briefing him

1060

00:35:28,790 --> 00:35:26,940

on everything you know yeah no

1061

00:35:30,530 --> 00:35:28,800

absolutely I mean you can name so many

1062

00:35:32,750 --> 00:35:30,540

different presidents that could be

1063

00:35:34,310 --> 00:35:32,760

connected Jimmy Carter you know it was a

1064

00:35:36,589 --> 00:35:34,320

big one that always comes up in the

1065

00:35:38,930 --> 00:35:36,599

having his own sighting but

1066

00:35:41,329 --> 00:35:38,940

it doesn't really point to whether he

1067

00:35:42,950 --> 00:35:41,339

actually knew anything or not but I do

1068

00:35:44,750 --> 00:35:42,960

find it interesting and you know there's

1069

00:35:47,329 --> 00:35:44,760

been some great work done on UFOs and

1070

00:35:48,710 --> 00:35:47,339

presidents over over the years but I

1071

00:35:51,290 --> 00:35:48,720

feel like we're just at a point where we

1072

00:35:53,870 --> 00:35:51,300

need more now it's it seems to have been

1073

00:35:56,569 --> 00:35:53,880

he's getting a bit stale

1074

00:35:57,710 --> 00:35:56,579

yeah maybe for sure but and it kind of

1075

00:35:59,450 --> 00:35:57,720

seems like it's happening though like

1076
00:36:02,510 --> 00:35:59,460
like yeah these past few weeks like just

1077
00:36:04,490 --> 00:36:02,520
the coverage of it the the media

1078
00:36:05,930 --> 00:36:04,500
um you know because I feel like media is

1079
00:36:07,970 --> 00:36:05,940
fairly controlled like you know what I

1080
00:36:09,589 --> 00:36:07,980
mean like the there's a million things

1081
00:36:11,750 --> 00:36:09,599
that could go on uh the news every night

1082
00:36:13,250 --> 00:36:11,760
and someone decides what and what

1083
00:36:15,710 --> 00:36:13,260
doesn't you know and how it's framed

1084
00:36:17,990 --> 00:36:15,720
like what words are used so there's been

1085
00:36:19,370 --> 00:36:18,000
a lot of like UFO language lately you

1086
00:36:20,870 --> 00:36:19,380
know so

1087
00:36:22,010 --> 00:36:20,880
but yeah like you're saying like I don't

1088
00:36:24,290 --> 00:36:22,020

think that like when was the last time

1089

00:36:25,849 --> 00:36:24,300

there was this much like separate UFO

1090

00:36:28,490 --> 00:36:25,859

coverage even if it ends up being

1091

00:36:31,130 --> 00:36:28,500

prosaic on like ever like it's like 1952

1092

00:36:34,670 --> 00:36:31,140

wave level of like coverage

1093

00:36:36,950 --> 00:36:34,680

absolutely and you know we have had the

1094

00:36:38,930 --> 00:36:36,960

the ramping up of language in the

1095

00:36:40,970 --> 00:36:38,940

National Defense authorization acts I

1096

00:36:44,690 --> 00:36:40,980

think for the past three years we've had

1097

00:36:47,930 --> 00:36:44,700

these multiple UFO offices since atip so

1098

00:36:49,910 --> 00:36:47,940

we've had the uapf aoi MSG and arrow

1099

00:36:52,430 --> 00:36:49,920

now but also on the other side we have

1100

00:36:53,930 --> 00:36:52,440

had a lot of sort of Citizen initiatives

1101
00:36:57,109 --> 00:36:53,940
cropping up what are your thoughts on

1102
00:36:59,270 --> 00:36:57,119
that I mean do you think that that is a

1103
00:37:00,770 --> 00:36:59,280
adds value to the subject you think that

1104
00:37:02,329 --> 00:37:00,780
we're we're just as likely to get

1105
00:37:05,030 --> 00:37:02,339
results from that that side of things

1106
00:37:07,010 --> 00:37:05,040
yeah I think uh I think that stuff is

1107
00:37:08,870 --> 00:37:07,020
like really good like like all the

1108
00:37:10,250 --> 00:37:08,880
people making content I think helps to

1109
00:37:11,569 --> 00:37:10,260
cause like all the people holding

1110
00:37:12,950 --> 00:37:11,579
Twitter spaces or whatever helps the

1111
00:37:14,690 --> 00:37:12,960
cause

1112
00:37:16,609 --> 00:37:14,700
um things like the Bigfoot home you know

1113
00:37:19,250 --> 00:37:16,619

like when everyone like uh

1114

00:37:21,050 --> 00:37:19,260

collects their like um

1115

00:37:22,550 --> 00:37:21,060

their political power or whatever and

1116

00:37:24,050 --> 00:37:22,560

like starts calling their people or

1117

00:37:25,670 --> 00:37:24,060

tweeting out their representatives I

1118

00:37:28,790 --> 00:37:25,680

think all those things do help

1119

00:37:29,630 --> 00:37:28,800

um so yeah I think I think they'll help

1120

00:37:31,069 --> 00:37:29,640

I don't think yeah I don't think it's

1121

00:37:32,630 --> 00:37:31,079

like the only thing you know like a lot

1122

00:37:35,630 --> 00:37:32,640

of it is behind the scene stuff with

1123

00:37:36,890 --> 00:37:35,640

melon and Elizondo but I think it's a

1124

00:37:38,510 --> 00:37:36,900

it's a group effort it's a group

1125

00:37:39,950 --> 00:37:38,520

Collective effort so

1126

00:37:42,050 --> 00:37:39,960

yeah I think

1127

00:37:43,370 --> 00:37:42,060

cool no I appreciate it so what's next

1128

00:37:45,109 --> 00:37:43,380

for you man are you working on anything

1129

00:37:49,190 --> 00:37:45,119

particular do you have a focus that you

1130

00:37:50,990 --> 00:37:49,200

want to do for 2023 yeah so um I'm

1131

00:37:52,849 --> 00:37:51,000

hoping to finish this one up it's taken

1132

00:37:55,310 --> 00:37:52,859

me forever but it's about it's like a

1133

00:37:56,750 --> 00:37:55,320

two and a half hour video wow um because

1134

00:37:59,630 --> 00:37:56,760

it's it kind of closes out the whole

1135

00:38:01,730 --> 00:37:59,640

like Blue Book era and like uh like that

1136

00:38:03,230 --> 00:38:01,740

bad question of like science like how

1137

00:38:04,910 --> 00:38:03,240

did the scientific Community low-key

1138

00:38:06,890 --> 00:38:04,920

drop the ball like this hard I think is

1139

00:38:09,109 --> 00:38:06,900

a really important one for like even

1140

00:38:09,910 --> 00:38:09,119

scientists to understand you know

1141

00:38:12,470 --> 00:38:09,920

um

1142

00:38:14,810 --> 00:38:12,480

uh it's like you guys aren't infallible

1143

00:38:16,250 --> 00:38:14,820

uh like you know I mean

1144

00:38:18,589 --> 00:38:16,260

um and then after that I think I'm gonna

1145

00:38:19,790 --> 00:38:18,599

do uh a news recap one which I'll

1146

00:38:20,750 --> 00:38:19,800

probably just kind of make like a good

1147

00:38:22,670 --> 00:38:20,760

like

1148

00:38:24,109 --> 00:38:22,680

a recap of the past five years even

1149

00:38:25,910 --> 00:38:24,119

including this balloon stuff you know

1150

00:38:27,410 --> 00:38:25,920

what I mean yeah and then after that I'm

1151

00:38:29,690 --> 00:38:27,420

kind of working on one that's talking

1152

00:38:31,670 --> 00:38:29,700

about like um internet like the

1153

00:38:33,109 --> 00:38:31,680

internet's impact on UFOs and like um

1154

00:38:34,550 --> 00:38:33,119

some of the early hacking stuff that

1155

00:38:36,349 --> 00:38:34,560

happened like Gary McKinnon is like a

1156

00:38:39,230 --> 00:38:36,359

big famous one and then there's a few

1157

00:38:41,810 --> 00:38:39,240

before that that I'm working with um uh

1158

00:38:44,150 --> 00:38:41,820

uh um a friend from Reddit with so that

1159

00:38:45,890 --> 00:38:44,160

should be cool and then after that

1160

00:38:47,390 --> 00:38:45,900

I don't know I think I'm gonna go so I

1161

00:38:48,950 --> 00:38:47,400

like to kind of have broken up into like

1162

00:38:52,670 --> 00:38:48,960

different sections on my channel where

1163

00:38:55,250 --> 00:38:52,680

it's like the blue book era stuff the

1164

00:38:58,310 --> 00:38:55,260

um the in-between which is like you know

1165

00:38:59,569 --> 00:38:58,320

uh post Blue Book pre-2017 like Stan

1166

00:39:00,890 --> 00:38:59,579

Friedman or like the Edgar Mitchell one

1167

00:39:02,990 --> 00:39:00,900

would count in there

1168

00:39:05,089 --> 00:39:03,000

um and then like 2017 post and then I

1169

00:39:07,670 --> 00:39:05,099

also have kind of like the psychic angle

1170

00:39:09,950 --> 00:39:07,680

so I kind of like to go like one of each

1171

00:39:11,390 --> 00:39:09,960

you know in the pattern

1172

00:39:13,849 --> 00:39:11,400

um so

1173

00:39:15,950 --> 00:39:13,859

yeah it should be hopefully uh

1174

00:39:17,089 --> 00:39:15,960

hopefully like um hopefully by the end

1175

00:39:18,710 --> 00:39:17,099

of the year I'll be able to quit my uh

1176

00:39:20,270 --> 00:39:18,720

normal job and I'll be able to like do

1177

00:39:21,710 --> 00:39:20,280

this full time and then then I'll be

1178

00:39:22,849 --> 00:39:21,720

able to like push them out faster I

1179

00:39:25,250 --> 00:39:22,859

think but um

1180

00:39:26,870 --> 00:39:25,260

they just take so long like I can

1181

00:39:28,370 --> 00:39:26,880

imagine man with the research the

1182

00:39:29,870 --> 00:39:28,380

editing everything I mean yeah

1183

00:39:31,190 --> 00:39:29,880

absolutely I'm sure you get this too

1184

00:39:32,210 --> 00:39:31,200

it's like you don't just have to like

1185

00:39:33,290 --> 00:39:32,220

learn about what you're making a video

1186

00:39:34,849 --> 00:39:33,300

about you also have to learn about like

1187

00:39:36,109 --> 00:39:34,859

all these like 10 gentle things to make

1188

00:39:38,569 --> 00:39:36,119

sure you're not saying something wrong

1189

00:39:40,609 --> 00:39:38,579

like in a throwaway line yeah so it

1190

00:39:41,930 --> 00:39:40,619

takes takes a long time that's the thing

1191

00:39:43,609 --> 00:39:41,940

it is like you said it's the behind the

1192

00:39:45,890 --> 00:39:43,619

scenes stuff that nobody sees you know

1193

00:39:47,750 --> 00:39:45,900

they see the polished products but yeah

1194

00:39:51,310 --> 00:39:47,760

the work that goes into doing most

1195

00:39:53,450 --> 00:39:51,320

things in this subject is uh it's crazy

1196

00:39:54,950 --> 00:39:53,460

read your guest books and stuff like

1197

00:39:57,290 --> 00:39:54,960

that or you know what I mean watch yeah

1198

00:39:58,550 --> 00:39:57,300

thanks a lot yeah exactly which is great

1199

00:39:59,810 --> 00:39:58,560

you know I love it I love it but it's

1200

00:40:01,790 --> 00:39:59,820

just there's not enough time in the day

1201
00:40:03,230 --> 00:40:01,800
when you've got many other things that

1202
00:40:05,810 --> 00:40:03,240
you're trying to do at the same time so

1203
00:40:07,130 --> 00:40:05,820
I'm glad you appreciate that but listen

1204
00:40:08,510 --> 00:40:07,140
Before I Let You Go there's a couple of

1205
00:40:10,250 --> 00:40:08,520
questions which I like to sort of

1206
00:40:12,770 --> 00:40:10,260
generally ask people is

1207
00:40:15,349 --> 00:40:12,780
out of all UFO cases do you have a

1208
00:40:17,750 --> 00:40:15,359
favorite that stands Above the Rest

1209
00:40:19,250 --> 00:40:17,760
so yeah I guess it's really cool artists

1210
00:40:20,990 --> 00:40:19,260
when it's like favorite in a sense of

1211
00:40:22,670 --> 00:40:21,000
like this is the best one I like to

1212
00:40:24,470 --> 00:40:22,680
present people with because there's so

1213
00:40:26,390 --> 00:40:24,480

many different aspects of it like I said

1214

00:40:28,849 --> 00:40:26,400

it multiple months

1215

00:40:30,109 --> 00:40:28,859

um health effects uh hundreds of

1216

00:40:32,750 --> 00:40:30,119

witnesses

1217

00:40:34,490 --> 00:40:32,760

hundreds of like newspaper coverage

1218

00:40:36,470 --> 00:40:34,500

articles from the time what else is

1219

00:40:37,609 --> 00:40:36,480

there there's um and then yeah part of

1220

00:40:40,250 --> 00:40:37,619

that case was they sent out the

1221

00:40:42,829 --> 00:40:40,260

Brazilian military and they were

1222

00:40:45,530 --> 00:40:42,839

expecting to just uh come and like

1223

00:40:47,870 --> 00:40:45,540

witness Mass hysteria and then uh like

1224

00:40:49,430 --> 00:40:47,880

all the people on the military team saw

1225

00:40:50,930 --> 00:40:49,440

stuff

1226

00:40:52,670 --> 00:40:50,940

um and then you also with that case you

1227

00:40:53,870 --> 00:40:52,680

have a cover-up which you have the Air

1228

00:40:57,349 --> 00:40:53,880

Force at the time said it was

1229

00:40:59,930 --> 00:40:57,359

lighthouses off um Shore

1230

00:41:01,430 --> 00:40:59,940

um and then what's also important is you

1231

00:41:01,970 --> 00:41:01,440

have

1232

00:41:03,890 --> 00:41:01,980

um

1233

00:41:05,630 --> 00:41:03,900

so basically like it was covered up in

1234

00:41:07,130 --> 00:41:05,640

78 79

1235

00:41:08,690 --> 00:41:07,140

um the official report or parts of it

1236

00:41:10,490 --> 00:41:08,700

were leaked to like the UFO Community

1237

00:41:12,890 --> 00:41:10,500

then so you kind of have this aspect of

1238

00:41:14,750 --> 00:41:12,900

like documents being leaked are they

1239

00:41:16,310 --> 00:41:14,760

real are they not and then you started

1240

00:41:17,390 --> 00:41:16,320

to have some of the military Witnesses

1241

00:41:19,490 --> 00:41:17,400

like um

1242

00:41:21,650 --> 00:41:19,500

the commander and stuff like that uh

1243

00:41:23,690 --> 00:41:21,660

they gave their testimonies in in

1244

00:41:26,690 --> 00:41:23,700

between and then what it finally closes

1245

00:41:28,370 --> 00:41:26,700

out with is like in 2004 uh AJ give out

1246

00:41:30,470 --> 00:41:28,380

who passed away

1247

00:41:33,589 --> 00:41:30,480

um unfortunately this year rest in peace

1248

00:41:36,530 --> 00:41:33,599

he like helped lead this um

1249

00:41:38,450 --> 00:41:36,540

political action movement I guess uh to

1250

00:41:39,470 --> 00:41:38,460

get a lot of that stuff Declassified so

1251

00:41:41,569 --> 00:41:39,480

if you have like an official

1252

00:41:42,950 --> 00:41:41,579

acknowledgment of a cover-up from the

1253

00:41:44,510 --> 00:41:42,960

Brazilian government and then you also

1254

00:41:46,250 --> 00:41:44,520

also have these documents like

1255

00:41:47,030 --> 00:41:46,260

officially released from the Brazilian

1256

00:41:48,170 --> 00:41:47,040

government so it kind of has everything

1257

00:41:49,250 --> 00:41:48,180

and it's not in America because you

1258

00:41:51,170 --> 00:41:49,260

always hear people say like why is it

1259

00:41:53,030 --> 00:41:51,180

always in America so yeah that's my

1260

00:41:54,650 --> 00:41:53,040

go-to for whenever someone like wants a

1261

00:41:56,450 --> 00:41:54,660

good like case

1262

00:41:57,829 --> 00:41:56,460

yeah absolutely and I think that you did

1263

00:41:59,510 --> 00:41:57,839

a three-parter on that one and I

1264

00:42:01,910 --> 00:41:59,520

recommend everybody go and check it out

1265

00:42:03,950 --> 00:42:01,920

as well as all of Red's vids

1266

00:42:05,930 --> 00:42:03,960

um what do you think if you had to

1267

00:42:08,150 --> 00:42:05,940

speculate that if we are genuinely being

1268

00:42:09,589 --> 00:42:08,160

visited or there is a non-human

1269

00:42:12,550 --> 00:42:09,599

intelligence here

1270

00:42:14,930 --> 00:42:12,560

out of all the potential Origins

1271

00:42:17,569 --> 00:42:14,940

extraterrestrial interdimensional that

1272

00:42:20,930 --> 00:42:17,579

what sits at the top of your your list

1273

00:42:23,150 --> 00:42:20,940

at the moment if you had to say

1274

00:42:25,849 --> 00:42:23,160

um I do think it's like a mix but I do

1275

00:42:27,290 --> 00:42:25,859

kind of like the interdimensional stuff

1276

00:42:29,089 --> 00:42:27,300

although I think yeah I think it's all

1277

00:42:30,890 --> 00:42:29,099

kind of there I like the chains of the

1278

00:42:32,990 --> 00:42:30,900

sea uh the Lou reference where it's like

1279

00:42:34,790 --> 00:42:33,000

yeah it's like interdimensional Loki

1280

00:42:36,230 --> 00:42:34,800

ai's already been sentient on this

1281

00:42:38,329 --> 00:42:36,240

planet for a while we didn't even

1282

00:42:39,650 --> 00:42:38,339

realize and there's also like

1283

00:42:41,510 --> 00:42:39,660

extraterrestrial

1284

00:42:43,010 --> 00:42:41,520

um some of the orb stuff feels more

1285

00:42:44,930 --> 00:42:43,020

interdimensional and then maybe like

1286

00:42:46,970 --> 00:42:44,940

some of the like

1287

00:42:48,230 --> 00:42:46,980

some some cases do kind of maybe seem

1288

00:42:49,250 --> 00:42:48,240

extraterrestrial but then also at the

1289

00:42:51,290 --> 00:42:49,260

same time I do think there is a

1290

00:42:53,510 --> 00:42:51,300

deceptive aspect of the phenomenon so

1291

00:42:55,790 --> 00:42:53,520

it's like who even really knows it's the

1292

00:42:57,290 --> 00:42:55,800

that Jacque Valley book cover where it's

1293

00:42:59,990 --> 00:42:57,300

like the alien holding the different

1294

00:43:01,250 --> 00:43:00,000

hands mask yeah yeah and then even that

1295

00:43:03,770 --> 00:43:01,260

was like its own separate hand with

1296

00:43:07,910 --> 00:43:03,780

something off book you know so

1297

00:43:11,809 --> 00:43:09,650

um again yeah interdimensional maybe

1298

00:43:13,190 --> 00:43:11,819

something that's been here all along you

1299

00:43:14,990 --> 00:43:13,200

know that kind of it sits above

1300

00:43:17,329 --> 00:43:15,000

extraterrestrial for me at this stage

1301
00:43:19,309 --> 00:43:17,339
but again it flips and changes all the

1302
00:43:20,690 --> 00:43:19,319
time and it's so difficult to sort of be

1303
00:43:23,210 --> 00:43:20,700
able to say well I think it's this

1304
00:43:25,790 --> 00:43:23,220
because there's really very little to

1305
00:43:28,430 --> 00:43:25,800
kind of show for that that reasoning so

1306
00:43:29,930 --> 00:43:28,440
uh listen one last question so I've seen

1307
00:43:31,910 --> 00:43:29,940
it in the comments a few times now and

1308
00:43:34,790 --> 00:43:31,920
I'll get get butchered if I don't ask is

1309
00:43:36,770 --> 00:43:34,800
where does the name red panda koala come

1310
00:43:39,109 --> 00:43:36,780
from

1311
00:43:41,349 --> 00:43:39,119
um I just like I like red pandas a lot

1312
00:43:44,390 --> 00:43:41,359
the animal it looks like a little red uh

1313
00:43:46,069 --> 00:43:44,400

raccoon kind of thing but um and then

1314

00:43:47,690 --> 00:43:46,079

yeah quality and I I didn't really want

1315

00:43:48,770 --> 00:43:47,700

to put a UFO name at first because like

1316

00:43:50,089 --> 00:43:48,780

especially in the beginning when I was

1317

00:43:52,190 --> 00:43:50,099

like learning how to edit and just kind

1318

00:43:53,510 --> 00:43:52,200

of like making uh like getting a sense

1319

00:43:54,950 --> 00:43:53,520

of like what is even going on here you

1320

00:43:56,270 --> 00:43:54,960

know what I mean yeah and I didn't want

1321

00:43:57,710 --> 00:43:56,280

like um

1322

00:43:59,329 --> 00:43:57,720

I don't know I just felt like that would

1323

00:44:01,970 --> 00:43:59,339

have brought in on like a lot of eyes

1324

00:44:03,950 --> 00:44:01,980

like right off the beginning you know

1325

00:44:06,349 --> 00:44:03,960

um so I like that and I like I like the

1326

00:44:09,109 --> 00:44:06,359

way like rpk sounds like when it's just

1327

00:44:11,089 --> 00:44:09,119

the the first letter and stuff uh I like

1328

00:44:13,870 --> 00:44:11,099

it yeah it's brilliant it's great and

1329

00:44:16,309 --> 00:44:13,880

it's so memorable now

1330

00:44:18,410 --> 00:44:16,319

that's it you can't lose it now man

1331

00:44:19,970 --> 00:44:18,420

you're stuck with it so no listen thank

1332

00:44:21,710 --> 00:44:19,980

you so much for joining me today I

1333

00:44:23,569 --> 00:44:21,720

really do appreciate it thanks for any

1334

00:44:24,890 --> 00:44:23,579

I'll catch you around um hopefully are

1335

00:44:25,910 --> 00:44:24,900

you coming to the states soon or

1336

00:44:28,309 --> 00:44:25,920

something like that I am going to be in

1337

00:44:29,450 --> 00:44:28,319

Roswell in June yeah oh for that Roswell

1338

00:44:30,650 --> 00:44:29,460

oh yeah okay I think I'm gonna try and

1339

00:44:31,970 --> 00:44:30,660

make it to that so maybe I'll catch you

1340

00:44:33,589 --> 00:44:31,980

there then dude that'd be so cool man

1341

00:44:35,390 --> 00:44:33,599

but yeah thanks again and thank you to

1342

00:44:37,190 --> 00:44:35,400

everyone in the chat as well I really

1343

00:44:38,569 --> 00:44:37,200

1347

depth and then next Wednesday the 22nd

1348

00:44:56,270 --> 00:44:54,000

archaeological sites so we're going to

1352

00:44:58,430 --> 00:44:56,280

be discussing that and more so guys
