

Tyler Henry & Garry Nolan

Neurotypes, Archetypes & The Phenomenon

**DISCLOSURE
TEAM**

VINCE BEANE • KATIE HOWLAND

1
00:00:30,950 --> 00:00:28,450

[Music]

2
00:00:34,130 --> 00:00:30,960

thank you

3
00:00:37,370 --> 00:00:34,140

welcome everybody back to disclosure

4
00:00:40,190 --> 00:00:37,380

team I am Vinnie I'm with my wonderful

5
00:00:42,709 --> 00:00:40,200

co-host Katie Katie how are you

6
00:00:47,030 --> 00:00:42,719

I'm doing great especially because we

7
00:00:49,549 --> 00:00:47,040

have an amazing setup of Gus today

8
00:00:51,369 --> 00:00:49,559

I know right this is something I've been

9
00:00:54,410 --> 00:00:51,379

looking forward to since it was even

10
00:00:56,270 --> 00:00:54,420

considered and here we are it's just an

11
00:00:58,610 --> 00:00:56,280

amazing feeling

12
00:01:00,950 --> 00:00:58,620

um I will say though before we bring uh

13
00:01:02,990 --> 00:01:00,960

our two guests on a couple of house

14

00:01:05,090 --> 00:01:03,000

rules as always everybody in the live

15

00:01:06,710 --> 00:01:05,100

chat thank you so much for being here I

16

00:01:08,330 --> 00:01:06,720

really appreciate it

17

00:01:09,890 --> 00:01:08,340

um if you could just keep the chat cool

18

00:01:12,109 --> 00:01:09,900

calm and collected we would really

19

00:01:14,030 --> 00:01:12,119

appreciate that we appreciate that

20

00:01:16,490 --> 00:01:14,040

everybody has differences of opinion but

21

00:01:18,710 --> 00:01:16,500

we can still be respectful and and

22

00:01:21,410 --> 00:01:18,720

that's that's that so yeah

23

00:01:23,570 --> 00:01:21,420

um I I'm gonna say it I am dealing with

24

00:01:24,830 --> 00:01:23,580

some pain right now I have a trap nerve

25

00:01:27,050 --> 00:01:24,840

in my shoulder hence the hot water

26

00:01:29,510 --> 00:01:27,060

bottle if I seem a little bit off at any

27

00:01:31,070 --> 00:01:29,520

point during the interview that's why

28

00:01:32,749 --> 00:01:31,080

um but I've got my wonderful co-host

29

00:01:35,390 --> 00:01:32,759

here all there

30

00:01:36,830 --> 00:01:35,400

keep things rolling and yeah Katie

31

00:01:38,630 --> 00:01:36,840

anything you want to say before we uh

32

00:01:42,170 --> 00:01:38,640

bring our guests on

33

00:01:43,969 --> 00:01:42,180

no I just want to uh welcome them both I

34

00:01:46,850 --> 00:01:43,979

think we haven't had the pleasure of

35

00:01:49,310 --> 00:01:46,860

having Tyler yet on a UFO podcast if I

36

00:01:51,590 --> 00:01:49,320

if I'm correct and so it's so great to

37

00:01:52,789 --> 00:01:51,600

have Tyler and Dr Nolan here together

38

00:01:54,469 --> 00:01:52,799

they're

39

00:01:55,789 --> 00:01:54,479

um some of the most Brilliant Minds in

40

00:01:58,490 --> 00:01:55,799

our community and also some of the

41

00:02:00,230 --> 00:01:58,500

nicest people too so uh thank you both

42

00:02:02,149 --> 00:02:00,240

for being here let's bring them in let's

43

00:02:05,569 --> 00:02:02,159

bring them let's bring them in please

44

00:02:07,550 --> 00:02:05,579

welcome Tyler Henry and Gary Nolan

45

00:02:10,249 --> 00:02:07,560

hey guys

46

00:02:13,130 --> 00:02:10,259

hi hi thank you for having us I'm really

47

00:02:14,690 --> 00:02:13,140

excited to delve in today yes same as

48

00:02:16,670 --> 00:02:14,700

well and I apologize for reaching over

49

00:02:18,589 --> 00:02:16,680

I've got to try to print something so

50

00:02:21,650 --> 00:02:18,599

yes great to see you all

51
00:02:24,530 --> 00:02:21,660
great to have you guys so much

52
00:02:27,710 --> 00:02:24,540
absolutely absolutely Katie I'm gonna

53
00:02:29,930 --> 00:02:27,720
let you kick start the proceedings off

54
00:02:32,089 --> 00:02:29,940
excellent so let's Dive Right In I want

55
00:02:34,550 --> 00:02:32,099
to remind everyone that we're gonna take

56
00:02:37,430 --> 00:02:34,560
it a little Consciousness a little woo

57
00:02:39,170 --> 00:02:37,440
so we hope that you guys will allow us

58
00:02:42,350 --> 00:02:39,180
to kind of go on this fun speculative

59
00:02:44,570 --> 00:02:42,360
Journey here and to kick it off I'd like

60
00:02:47,570 --> 00:02:44,580
to talk about some what I call neuro

61
00:02:50,330 --> 00:02:47,580
spicy brains uh you know so brains that

62
00:02:52,729 --> 00:02:50,340
fall out of that typical middle chunk of

63
00:02:54,949 --> 00:02:52,739

the bell curve so to say and they are

64

00:02:57,830 --> 00:02:54,959

kind of a big question mark in UFO world

65

00:03:00,470 --> 00:02:57,840

uh Gary you've spoken a few times about

66

00:03:03,350 --> 00:03:00,480

your research with individuals who have

67

00:03:05,030 --> 00:03:03,360

diverse neurotypes and Tyler you've even

68

00:03:06,949 --> 00:03:05,040

had your brain scanned to kind of look

69

00:03:09,470 --> 00:03:06,959

at how it functions

70

00:03:12,710 --> 00:03:09,480

um and I'm really curious to hear what

71

00:03:15,649 --> 00:03:12,720

role you both think that individual and

72

00:03:17,869 --> 00:03:15,659

atypical neurotypes may play when it

73

00:03:20,530 --> 00:03:17,879

comes to contact with the broader

74

00:03:26,089 --> 00:03:23,630

uh Tyler why don't you start oh my

75

00:03:27,649 --> 00:03:26,099

goodness we have an honor I think

76

00:03:29,270 --> 00:03:27,659

different people conjure different

77

00:03:30,890 --> 00:03:29,280

results and one of the beautiful things

78

00:03:32,509 --> 00:03:30,900

about this work is I've seen how much

79

00:03:34,309 --> 00:03:32,519

diversity there is in the human

80

00:03:36,530 --> 00:03:34,319

experience and in how people connect

81

00:03:38,930 --> 00:03:36,540

with their own intuition some naturally

82

00:03:40,729 --> 00:03:38,940

more than others um I found in my work

83

00:03:42,890 --> 00:03:40,739

that I believe there's something to be

84

00:03:44,809 --> 00:03:42,900

said about thick boundary people and

85

00:03:46,670 --> 00:03:44,819

thin boundary people and

86

00:03:48,170 --> 00:03:46,680

anthropologically the work that's been

87

00:03:50,809 --> 00:03:48,180

done on trying to get an understanding

88

00:03:53,809 --> 00:03:50,819

of what that entails I think speaks to

89

00:03:56,570 --> 00:03:53,819

people's receptivity often to connect to

90

00:04:00,890 --> 00:03:56,580

maybe those paranormal Realms or that

91

00:04:06,410 --> 00:04:03,710

I look at it as let's say a scientist or

92

00:04:08,030 --> 00:04:06,420

a geneticist as the the diversity as

93

00:04:10,670 --> 00:04:08,040

evolution in play

94

00:04:14,449 --> 00:04:10,680

right that you know you need a diverse

95

00:04:17,509 --> 00:04:14,459

uh number of types of people to deal

96

00:04:19,550 --> 00:04:17,519

with the complexity of the world

97

00:04:22,069 --> 00:04:19,560

um but if everybody were to think the

98

00:04:24,710 --> 00:04:22,079

same way uh for instance if everybody

99

00:04:27,230 --> 00:04:24,720

was a warrior then all we would be doing

100

00:04:29,629 --> 00:04:27,240

is fighting but I think especially and

101
00:04:32,510 --> 00:04:29,639
as it relates to the kind of discussion

102
00:04:34,730 --> 00:04:32,520
that I think we'll have here today

103
00:04:36,110 --> 00:04:34,740
um the diverse neurotypes that is in

104
00:04:37,850 --> 00:04:36,120
fact the ones that I'm most interested

105
00:04:41,870 --> 00:04:37,860
in are the so-called shamans or the

106
00:04:44,749 --> 00:04:41,880
priests or those who connect to that uh

107
00:04:46,610 --> 00:04:44,759
let's say less observable realm that is

108
00:04:49,969 --> 00:04:46,620
something which is sort of supernature

109
00:04:52,550 --> 00:04:49,979
or or Beyond nature and collecting

110
00:04:55,070 --> 00:04:52,560
information from that and using it for

111
00:04:57,650 --> 00:04:55,080
the more material aspects of The Human

112
00:05:00,110 --> 00:04:57,660
Condition and so I've always been

113
00:05:01,610 --> 00:05:00,120

interested first of all in where this

114

00:05:04,249 --> 00:05:01,620

information comes from

115

00:05:08,450 --> 00:05:04,259

right uh some call it the akashic record

116

00:05:11,930 --> 00:05:08,460

or something like that uh but how do

117

00:05:14,030 --> 00:05:11,940

certain people accomplish this right how

118

00:05:15,950 --> 00:05:14,040

and where does information come from

119

00:05:17,749 --> 00:05:15,960

over there

120

00:05:20,270 --> 00:05:17,759

in a from a place that we don't

121

00:05:23,990 --> 00:05:20,280

understand what the information is and

122

00:05:25,790 --> 00:05:24,000

how it's organized to overhear uh into a

123

00:05:28,430 --> 00:05:25,800

place where let's say a scientist thinks

124

00:05:29,990 --> 00:05:28,440

of neurophysical connections and brain

125

00:05:32,870 --> 00:05:30,000

waves and things like that that

126
00:05:36,350 --> 00:05:32,880
somewhere there's a connection and

127
00:05:38,210 --> 00:05:36,360
and we seem to see that it passes in

128
00:05:40,249 --> 00:05:38,220
families at times so that means there's

129
00:05:42,830 --> 00:05:40,259
like a there's an architecture or a

130
00:05:46,249 --> 00:05:42,840
blueprint in the genes that enables this

131
00:05:47,749 --> 00:05:46,259
so I'm fascinated it hypothesizes and

132
00:05:50,510 --> 00:05:47,759
spec if you know the speculation is that

133
00:05:52,670 --> 00:05:50,520
this is how it it operates

134
00:05:55,070 --> 00:05:52,680
so that's absolutely

135
00:05:56,450 --> 00:05:55,080
on it

136
00:05:58,670 --> 00:05:56,460
well and he brought up an interesting

137
00:06:00,409 --> 00:05:58,680
point Gary about the uh trying to

138
00:06:02,450 --> 00:06:00,419

understand where it comes from and and

139

00:06:04,790 --> 00:06:02,460

Tyler I'm interested in your take as

140

00:06:05,930 --> 00:06:04,800

someone who regularly interacts with the

141

00:06:07,730 --> 00:06:05,940

other side

142

00:06:09,590 --> 00:06:07,740

um whatever you want to call it you know

143

00:06:12,170 --> 00:06:09,600

how you see it you know people talk

144

00:06:14,990 --> 00:06:12,180

about the akashic record or quantum foam

145

00:06:17,150 --> 00:06:15,000

or you know literal heaven or or whatnot

146

00:06:18,770 --> 00:06:17,160

and I'm really curious how in in your

147

00:06:21,650 --> 00:06:18,780

mind you

148

00:06:23,629 --> 00:06:21,660

um you envision that and what it what it

149

00:06:25,550 --> 00:06:23,639

kind of appears to you as

150

00:06:26,870 --> 00:06:25,560

absolutely well in my second book here

151

00:06:28,550 --> 00:06:26,880

and Hereafter I actually recently

152

00:06:30,710 --> 00:06:28,560

dedicated a whole chapter to that very

153

00:06:32,809 --> 00:06:30,720

thing this idea that we may not always

154

00:06:35,390 --> 00:06:32,819

have to have an understanding of who the

155

00:06:37,129 --> 00:06:35,400

sign senders are as much as there's

156

00:06:38,510 --> 00:06:37,139

value in recognizing the signs

157

00:06:40,129 --> 00:06:38,520

themselves if you talk to different

158

00:06:41,990 --> 00:06:40,139

people they'll acknowledge different

159

00:06:43,909 --> 00:06:42,000

things some feel they're connecting to

160

00:06:45,770 --> 00:06:43,919

non-human intelligence other people feel

161

00:06:47,689 --> 00:06:45,780

they're connecting to Spirit guides some

162

00:06:49,610 --> 00:06:47,699

people feel they're only connecting to

163

00:06:51,290 --> 00:06:49,620

Spirits themselves and I've learned in

164

00:06:53,390 --> 00:06:51,300

this work that for me it's less

165

00:06:54,650 --> 00:06:53,400

important about what's giving me the

166

00:06:57,350 --> 00:06:54,660

information and more about the

167

00:06:59,450 --> 00:06:57,360

information itself I find that there's

168

00:07:00,890 --> 00:06:59,460

something to be said about Shamanism its

169

00:07:02,749 --> 00:07:00,900

history in Altered States Of

170

00:07:04,550 --> 00:07:02,759

Consciousness and that perhaps being a

171

00:07:06,950 --> 00:07:04,560

fundamental that allows people to

172

00:07:08,870 --> 00:07:06,960

connect to whatever it may be that they

173

00:07:11,150 --> 00:07:08,880

identify it as

174

00:07:14,230 --> 00:07:11,160

yeah and Jung believed that the the

175

00:07:17,390 --> 00:07:14,240

human mind retains this fundamental

176

00:07:19,930 --> 00:07:17,400

unconscious biological aspects of our

177

00:07:22,370 --> 00:07:19,940

ancestors these primordial images

178

00:07:25,370 --> 00:07:22,380

which he dubbed them as so do you think

179

00:07:28,490 --> 00:07:25,380

that there is some logical foundation in

180

00:07:31,809 --> 00:07:28,500

in that aspect of what he believes

181

00:07:34,490 --> 00:07:31,819

absolutely I mean oh sorry

182

00:07:36,050 --> 00:07:34,500

go ahead oh no no I just think with the

183

00:07:38,210 --> 00:07:36,060

collective unconscious it speaks to that

184

00:07:41,570 --> 00:07:38,220

idea of Carla Young's thoughts

185

00:07:43,330 --> 00:07:41,580

I mean the Mayans had uh a concept

186

00:07:45,890 --> 00:07:43,340

around this as well that was almost

187

00:07:47,469 --> 00:07:45,900

identical to what we today call the

188

00:07:50,390 --> 00:07:47,479

akashic record I mean the akashic record

189

00:07:51,650 --> 00:07:50,400

people often attribute to Hinduism in

190

00:07:55,550 --> 00:07:51,660

fact it's not it's actually a more

191

00:07:57,290 --> 00:07:55,560

recent iteration a theosophy that uh New

192

00:08:00,710 --> 00:07:57,300

Age philosophers have brought together

193

00:08:03,830 --> 00:08:00,720

but it does slightly have a root in the

194

00:08:07,610 --> 00:08:03,840

word Akasha which is from the Sanskrit

195

00:08:11,570 --> 00:08:07,620

which is basically the fundamental uh

196

00:08:13,730 --> 00:08:11,580

field wherein reality and The Ether sits

197

00:08:16,610 --> 00:08:13,740

now it isn't a direct correlation

198

00:08:18,529 --> 00:08:16,620

despite the similarity of the words but

199

00:08:21,469 --> 00:08:18,539

here you have going back as far as

200

00:08:24,469 --> 00:08:21,479

Sanskrit you have the Mayans uh you do

201
00:08:26,330 --> 00:08:24,479
have uh Hinduism having some elements of

202
00:08:28,010 --> 00:08:26,340
this uh and I think there's a couple of

203
00:08:30,650 --> 00:08:28,020
others I was reading about the other day

204
00:08:32,570 --> 00:08:30,660
and so and of course you have today the

205
00:08:35,750 --> 00:08:32,580
the collective of conscious you have the

206
00:08:37,070 --> 00:08:35,760
so-called morphic field ideas

207
00:08:39,469 --> 00:08:37,080
um all of which are pretty much talking

208
00:08:42,589 --> 00:08:39,479
about the same thing again and again and

209
00:08:44,690 --> 00:08:42,599
I think what that says is that humans

210
00:08:46,670 --> 00:08:44,700
are reaching for this concept because

211
00:08:50,389 --> 00:08:46,680
they realize that somewhere at the edge

212
00:08:53,509 --> 00:08:50,399
of the known is this unknown concept

213
00:08:55,490 --> 00:08:53,519

that we're all trying to put to words uh

214

00:08:57,829 --> 00:08:55,500

but what I find fascinating in every

215

00:09:00,230 --> 00:08:57,839

aspect of this that it's always the same

216

00:09:02,750 --> 00:09:00,240

kind of people who are in contact with

217

00:09:04,850 --> 00:09:02,760

it or who are doing the best description

218

00:09:08,810 --> 00:09:04,860

of it and are gathering information

219

00:09:11,329 --> 00:09:08,820

thereby I mean and so all I've ever been

220

00:09:13,370 --> 00:09:11,339

trying to do since I've only had very

221

00:09:15,590 --> 00:09:13,380

limited let's say

222

00:09:19,009 --> 00:09:15,600

um experience personally in those things

223

00:09:21,710 --> 00:09:19,019

is okay how do I convince my fellow

224

00:09:23,449 --> 00:09:21,720

scientists that this is something worth

225

00:09:25,370 --> 00:09:23,459

studying

226

00:09:27,470 --> 00:09:25,380

um you know and I mean there's the

227

00:09:29,269 --> 00:09:27,480

material scientists but there's plenty

228

00:09:31,130 --> 00:09:29,279

of plenty of psychiatrists and

229

00:09:33,050 --> 00:09:31,140

psychologists and even now Quantum

230

00:09:34,430 --> 00:09:33,060

physicists who are more than willing to

231

00:09:36,290 --> 00:09:34,440

say look there's a there's an

232

00:09:39,530 --> 00:09:36,300

information field that we still don't

233

00:09:43,130 --> 00:09:39,540

understand yet so it's just about trying

234

00:09:45,350 --> 00:09:43,140

to get that across the the threshold for

235

00:09:47,750 --> 00:09:45,360

people to say okay now it's how do we

236

00:09:49,130 --> 00:09:47,760

design experiments to look at it you

237

00:09:52,910 --> 00:09:49,140

know because at the end of the day the

238

00:09:55,730 --> 00:09:52,920

the public in general look to For Better

239

00:09:58,430 --> 00:09:55,740

or Worse scientists as the as the

240

00:10:01,910 --> 00:09:58,440

validators of of the at least this

241

00:10:05,750 --> 00:10:04,250

yeah no I I think you bring up some

242

00:10:07,430 --> 00:10:05,760

really great points and one of the

243

00:10:08,930 --> 00:10:07,440

things you touched on that I would love

244

00:10:12,410 --> 00:10:08,940

to kind of dive a little more deeply

245

00:10:14,389 --> 00:10:12,420

into is uh the role of psychedelics

246

00:10:15,170 --> 00:10:14,399

um there's been a lot of research coming

247

00:10:16,790 --> 00:10:15,180

out

248

00:10:19,610 --> 00:10:16,800

um actually even in the past couple of

249

00:10:22,670 --> 00:10:19,620

days looking at the role of you know

250

00:10:24,350 --> 00:10:22,680

either a psilocybin or DMT which was

251

00:10:27,250 --> 00:10:24,360

used oftentimes

252

00:10:30,590 --> 00:10:27,260

um especially in um you know American

253

00:10:32,389 --> 00:10:30,600

indigenous communities uh to kind of

254

00:10:36,710 --> 00:10:32,399

facilitate contact and one of the things

255

00:10:38,630 --> 00:10:36,720

they found was that DMT actually changes

256

00:10:41,210 --> 00:10:38,640

kind of neurological Pathways and how

257

00:10:43,490 --> 00:10:41,220

information is processed under the

258

00:10:44,810 --> 00:10:43,500

influence and I'm really curious what

259

00:10:47,690 --> 00:10:44,820

you guys think of that if you think

260

00:10:51,050 --> 00:10:47,700

there's a role for that um

261

00:10:52,490 --> 00:10:51,060

in terms of uh you know moving forward

262

00:10:54,410 --> 00:10:52,500

and understanding how Consciousness

263

00:10:56,509 --> 00:10:54,420

Consciousness works and the phenomenon

264

00:10:59,530 --> 00:10:56,519

or if you've had any personal experience

265

00:11:05,090 --> 00:11:01,610

I've had no personal experience

266

00:11:07,970 --> 00:11:05,100

personally with the psychedelics but

267

00:11:10,130 --> 00:11:07,980

um you know it isn't as if I'm not like

268

00:11:13,190 --> 00:11:10,140

reaching for the kitchen cabinet to

269

00:11:15,590 --> 00:11:13,200

maybe try it someday but um it's just

270

00:11:18,590 --> 00:11:15,600

not something that for any of a variety

271

00:11:20,930 --> 00:11:18,600

of reasons I I can do

272

00:11:22,310 --> 00:11:20,940

um but I think what's important about

273

00:11:23,449 --> 00:11:22,320

you know to the extent that we

274

00:11:25,069 --> 00:11:23,459

understand anything about how the brain

275

00:11:26,030 --> 00:11:25,079

works and probably most people in the

276

00:11:27,829 --> 00:11:26,040

audience will know about something

277

00:11:30,410 --> 00:11:27,839

called the default mode Network

278

00:11:32,630 --> 00:11:30,420

the default mode Network can be simply

279

00:11:36,769 --> 00:11:32,640

thought of as as the controller sitting

280

00:11:39,710 --> 00:11:36,779

at the middle of this cacophony of uh

281

00:11:40,790 --> 00:11:39,720

processes that is basically putting its

282

00:11:42,590 --> 00:11:40,800

foot down and saying this is how you're

283

00:11:44,150 --> 00:11:42,600

going to operate and and in some ways

284

00:11:46,850 --> 00:11:44,160

it's almost like your executive function

285

00:11:50,150 --> 00:11:46,860

of who you are and I mean it's been

286

00:11:53,389 --> 00:11:50,160

clearly shown that these drugs uh reduce

287

00:11:55,910 --> 00:11:53,399

the power or the strength and or the

288

00:12:00,769 --> 00:11:55,920

hold of the default mode Network and let

289

00:12:02,870 --> 00:12:00,779

the rest of the uh the the orchestra you

290

00:12:04,790 --> 00:12:02,880

know come to the fore and you know put

291

00:12:07,190 --> 00:12:04,800

its you know put its thoughts forward

292

00:12:09,889 --> 00:12:07,200

and I think what that does is it it

293

00:12:11,569 --> 00:12:09,899

really again it it allows for people who

294

00:12:13,310 --> 00:12:11,579

might be as we started this whole thing

295

00:12:16,150 --> 00:12:13,320

off neurodivergence

296

00:12:18,710 --> 00:12:16,160

to let that that

297

00:12:20,150 --> 00:12:18,720

default mode Network stop it from

298

00:12:23,269 --> 00:12:20,160

working and let some of these other

299

00:12:25,370 --> 00:12:23,279

strengths play out uh and then those are

300

00:12:27,769 --> 00:12:25,380

the things that are probably seeing uh

301
00:12:30,470 --> 00:12:27,779
forms of reality that uh some people

302
00:12:33,230 --> 00:12:30,480
would prefer not to see

303
00:12:35,509 --> 00:12:33,240
right right absolutely what about you

304
00:12:37,009 --> 00:12:35,519
Tyler any thoughts to speak to that

305
00:12:38,930 --> 00:12:37,019
every day to certainly see the value in

306
00:12:41,090 --> 00:12:38,940
neuroplasticity and though in my own

307
00:12:43,250 --> 00:12:41,100
experience I unfortunately don't have

308
00:12:44,870 --> 00:12:43,260
any experiences regarding hallucinogens

309
00:12:46,430 --> 00:12:44,880
I would say that

310
00:12:48,829 --> 00:12:46,440
um you know for me it does kind of go

311
00:12:52,430 --> 00:12:48,839
into the question of subjective versus

312
00:12:55,550 --> 00:12:52,440
objective and so many of these spiritual

313
00:12:57,710 --> 00:12:55,560

or initiatory experiences are deeply

314

00:12:59,750 --> 00:12:57,720

subjectively meaningful

315

00:13:01,430 --> 00:12:59,760

um my curiosity kind of sits in the

316

00:13:04,190 --> 00:13:01,440

objective realm of how do we take those

317

00:13:05,930 --> 00:13:04,200

experiences and quantify similarities if

318

00:13:08,269 --> 00:13:05,940

there are some and it seems like there

319

00:13:09,829 --> 00:13:08,279

are in Reading very little research on

320

00:13:11,269 --> 00:13:09,839

the subject

321

00:13:14,810 --> 00:13:11,279

you know one of the interesting things

322

00:13:16,790 --> 00:13:14,820

are children right that um children's

323

00:13:19,670 --> 00:13:16,800

default mode network is really actually

324

00:13:22,069 --> 00:13:19,680

not in play as much as an adult is it's

325

00:13:24,829 --> 00:13:22,079

almost like that time at which your

326

00:13:27,290 --> 00:13:24,839

neuroplasticity in your brain locks down

327

00:13:30,110 --> 00:13:27,300

uh and it's it's almost coincident with

328

00:13:31,670 --> 00:13:30,120

the time that you stop being able to

329

00:13:32,629 --> 00:13:31,680

talk additional or learn additional

330

00:13:36,050 --> 00:13:32,639

languages

331

00:13:38,930 --> 00:13:36,060

so that neuroplasticity uh as you are

332

00:13:42,470 --> 00:13:38,940

entrained to enter whatever civilization

333

00:13:44,090 --> 00:13:42,480

or culture uh and adulthood is somehow

334

00:13:46,190 --> 00:13:44,100

coincident with the loss of those

335

00:13:48,230 --> 00:13:46,200

additional functions and so I think

336

00:13:50,690 --> 00:13:48,240

frankly from a again a scientific

337

00:13:52,670 --> 00:13:50,700

standpoint the fascinating thing to do

338

00:13:56,810 --> 00:13:52,680

would be to look at the brains of

339

00:14:01,129 --> 00:13:56,820

children as they mature from that let's

340

00:14:03,170 --> 00:14:01,139

say default mode uh less powerful stage

341

00:14:05,750 --> 00:14:03,180

of their life into something that has

342

00:14:08,569 --> 00:14:05,760

been or targeted which is another reason

343

00:14:10,670 --> 00:14:08,579

why actually interestingly the shamans

344

00:14:12,889 --> 00:14:10,680

who are trained in some of these tribal

345

00:14:14,449 --> 00:14:12,899

cultures they're actually picked from

346

00:14:16,910 --> 00:14:14,459

very early on

347

00:14:19,730 --> 00:14:16,920

and so you can imagine that that let's

348

00:14:21,889 --> 00:14:19,740

say entrainment stops them from becoming

349

00:14:25,150 --> 00:14:21,899

the warrior or stops them from becoming

350

00:14:29,389 --> 00:14:25,160

you know some other uh more dedicated

351
00:14:30,650 --> 00:14:29,399
subtype or you know utility in the tribe

352
00:14:32,210 --> 00:14:30,660
yeah I think one thing I found

353
00:14:34,490 --> 00:14:32,220
fascinating about when we hear about

354
00:14:35,930 --> 00:14:34,500
indigenous cultures from all around the

355
00:14:40,009 --> 00:14:35,940
globe is that people have used

356
00:14:42,290 --> 00:14:40,019
psychedelics to contact loved ones lost

357
00:14:45,050 --> 00:14:42,300
or ancestors but at the same time we

358
00:14:47,150 --> 00:14:45,060
hear of them contacting the star people

359
00:14:49,610 --> 00:14:47,160
and that so I I find that just

360
00:14:51,050 --> 00:14:49,620
fascinating that it's not just one thing

361
00:14:54,110 --> 00:14:51,060
that there is some

362
00:14:56,030 --> 00:14:54,120
some broader spectrum of being able to

363
00:14:57,230 --> 00:14:56,040

contact more than just one thing in

364

00:14:59,930 --> 00:14:57,240

another realm I just find that

365

00:15:01,790 --> 00:14:59,940

fascinating absolutely there's a book a

366

00:15:04,250 --> 00:15:01,800

wonderful book called the ritual process

367

00:15:07,970 --> 00:15:04,260

by Victor Turner where he covers in

368

00:15:10,189 --> 00:15:07,980

depth of the traditions and cultural

369

00:15:12,710 --> 00:15:10,199

aspects of African tribes and found that

370

00:15:15,050 --> 00:15:12,720

liminality seemed to go hand in hand

371

00:15:16,910 --> 00:15:15,060

with Rites of Passage and that Rites of

372

00:15:19,670 --> 00:15:16,920

Passage in people's lives individually

373

00:15:21,590 --> 00:15:19,680

seem to often open them up to things

374

00:15:23,629 --> 00:15:21,600

that perhaps they weren't ordinarily

375

00:15:25,550 --> 00:15:23,639

connected to and that seemed to be kind

376

00:15:27,590 --> 00:15:25,560

of the goal of taking people out of

377

00:15:29,449 --> 00:15:27,600

their traditional Society sometimes

378

00:15:31,730 --> 00:15:29,459

going into the desert or going to the

379

00:15:34,069 --> 00:15:31,740

forest alone and having to kind of go

380

00:15:36,110 --> 00:15:34,079

from a boy to a man and in that process

381

00:15:38,990 --> 00:15:36,120

going back and returning with knowledge

382

00:15:41,629 --> 00:15:39,000

that is received in that state that

383

00:15:42,949 --> 00:15:41,639

helps better society as a whole

384

00:15:45,290 --> 00:15:42,959

you know one of the interesting things

385

00:15:47,870 --> 00:15:45,300

about many now of the psychedelics

386

00:15:50,449 --> 00:15:47,880

that's been observed is the induction of

387

00:15:52,730 --> 00:15:50,459

neuroplasticity that happens they

388

00:15:54,590 --> 00:15:52,740

actually induce brain changes I mean

389

00:15:55,910 --> 00:15:54,600

that's just to me right that was only

390

00:15:58,790 --> 00:15:55,920

been observed I think in the last couple

391

00:16:00,050 --> 00:15:58,800

of years is shocking that uh you know

392

00:16:01,610 --> 00:16:00,060

because it used to be that the brain was

393

00:16:03,170 --> 00:16:01,620

thought to be something set in stone and

394

00:16:04,970 --> 00:16:03,180

there was no such thing as a brain stem

395

00:16:06,710 --> 00:16:04,980

cell well that all changed you know

396

00:16:11,050 --> 00:16:06,720

about a decade or so ago and now we find

397

00:16:13,970 --> 00:16:11,060

these drugs that seem to not only open

398

00:16:16,970 --> 00:16:13,980

individuals Minds to Alternative views

399

00:16:19,250 --> 00:16:16,980

of reality and contact with other things

400

00:16:21,410 --> 00:16:19,260

allegedly I'm always going to use

401
00:16:23,389 --> 00:16:21,420
allegedly even though everybody on the

402
00:16:24,650 --> 00:16:23,399
in the audience who knows me knows that

403
00:16:28,069 --> 00:16:24,660
I'm just saying that for my scientist

404
00:16:31,610 --> 00:16:29,449
um you know so they contact these other

405
00:16:34,090 --> 00:16:31,620
things and so you know the the open

406
00:16:37,069 --> 00:16:34,100
question is does use of these

407
00:16:38,870 --> 00:16:37,079
inalterably change your brain but then

408
00:16:40,129 --> 00:16:38,880
it's kind of a Global Effect I mean

409
00:16:42,650 --> 00:16:40,139
people take these things and it's

410
00:16:44,329 --> 00:16:42,660
systemically applied imagine if we

411
00:16:47,629 --> 00:16:44,339
understood enough about it so that you

412
00:16:51,710 --> 00:16:47,639
could locally apply these uh neuro

413
00:16:53,629 --> 00:16:51,720

generative drugs to areas that were

414

00:16:56,990 --> 00:16:53,639

either missing individuals because of

415

00:16:59,150 --> 00:16:57,000

some pathology or because they decide to

416

00:17:02,269 --> 00:16:59,160

change how they want their brain to

417

00:17:05,510 --> 00:17:02,279

function right sort of a a a decision

418

00:17:06,710 --> 00:17:05,520

they make to to do something

419

00:17:08,929 --> 00:17:06,720

um and

420

00:17:10,669 --> 00:17:08,939

you know one of the things that I I've

421

00:17:12,650 --> 00:17:10,679

often talked with to people about is

422

00:17:17,630 --> 00:17:12,660

when you know sometimes people who

423

00:17:19,789 --> 00:17:17,640

suddenly appear to uh gain function they

424

00:17:21,049 --> 00:17:19,799

they have an accident they gain a

425

00:17:23,030 --> 00:17:21,059

function suddenly they can do something

426
00:17:25,250 --> 00:17:23,040
they couldn't do before and then people

427
00:17:27,409 --> 00:17:25,260
say well how does this happen and the

428
00:17:29,270 --> 00:17:27,419
only way that I as a say a a biologist

429
00:17:32,270 --> 00:17:29,280
could imagine is what happened was that

430
00:17:34,250 --> 00:17:32,280
you damaged a part of the brain the the

431
00:17:36,289 --> 00:17:34,260
neuroregenerative process of the brain

432
00:17:39,289 --> 00:17:36,299
basically created circuits around the

433
00:17:41,870 --> 00:17:39,299
damage and in so doing connected

434
00:17:44,390 --> 00:17:41,880
networks that previously had been

435
00:17:47,090 --> 00:17:44,400
suppressed or just didn't exist and

436
00:17:48,650 --> 00:17:47,100
suddenly now they have access to you

437
00:17:51,230 --> 00:17:48,660
know somebody rewired their brain

438
00:17:52,210 --> 00:17:51,240

because of the damage so the damage in

439

00:17:55,970 --> 00:17:52,220

fact it

440

00:17:58,549 --> 00:17:55,980

didn't didn't mystically cause some

441

00:18:00,289 --> 00:17:58,559

change it actually physically caused a

442

00:18:02,390 --> 00:18:00,299

change that allowed their brain to

443

00:18:04,010 --> 00:18:02,400

function in a wholly new manner

444

00:18:05,390 --> 00:18:04,020

and that that really speaks to the

445

00:18:07,130 --> 00:18:05,400

evidence that we've seen at least

446

00:18:09,289 --> 00:18:07,140

anecdotally where people have shared

447

00:18:10,850 --> 00:18:09,299

after the loss of a loved one after a

448

00:18:13,310 --> 00:18:10,860

serious illness even sometimes during

449

00:18:15,289 --> 00:18:13,320

pregnancy liminal times in people's

450

00:18:16,970 --> 00:18:15,299

lives where they have to approach things

451

00:18:18,470 --> 00:18:16,980

differently by force and then end up

452

00:18:20,090 --> 00:18:18,480

kind of opening or unlocking a whole

453

00:18:22,430 --> 00:18:20,100

other side of themselves that perhaps

454

00:18:24,669 --> 00:18:22,440

they didn't recognize at the time

455

00:18:28,370 --> 00:18:24,679

did you know that in pregnancy the the

456

00:18:31,789 --> 00:18:28,380

baby's cells can actually uh enter the

457

00:18:33,950 --> 00:18:31,799

woman and take and actually uh become

458

00:18:36,650 --> 00:18:33,960

part of the woman you literally become

459

00:18:40,250 --> 00:18:36,660

part of a colleague of mine showed some

460

00:18:42,830 --> 00:18:40,260

early data that actually uh some uh

461

00:18:45,529 --> 00:18:42,840

brain cells appear to be contributed to

462

00:18:47,930 --> 00:18:45,539

by the by the baby's fetal cells that

463

00:18:49,970 --> 00:18:47,940

are get around it's still a bit closer

464

00:18:54,110 --> 00:18:49,980

all the way to the brain all the way to

465

00:18:56,450 --> 00:18:54,120

the brain Yeah well yeah so

466

00:18:58,250 --> 00:18:56,460

oh that's amazing let's look at

467

00:19:01,310 --> 00:18:58,260

childbirth that's the most alien process

468

00:19:03,650 --> 00:19:01,320

in the world right right let's not look

469

00:19:07,330 --> 00:19:03,660

at childbirth right now no that's right

470

00:19:10,010 --> 00:19:07,340

for the sake of breaking this down

471

00:19:11,630 --> 00:19:10,020

before we get to the next question sorry

472

00:19:13,310 --> 00:19:11,640

Katie I just wanted to say to everyone I

473

00:19:16,010 --> 00:19:13,320

am recording a few questions that people

474

00:19:17,750 --> 00:19:16,020

have asked in the chat we will get to

475

00:19:19,909 --> 00:19:17,760

any questions towards the end and

476
00:19:21,289 --> 00:19:19,919
anybody that's kindly donated as well I

477
00:19:22,970 --> 00:19:21,299
will read those out towards the end I

478
00:19:25,370 --> 00:19:22,980
just wanted to let people know I'm not

479
00:19:26,930 --> 00:19:25,380
ignoring everybody so sorry Katie

480
00:19:28,730 --> 00:19:26,940
continue thank you

481
00:19:30,650 --> 00:19:28,740
that's what Vinnie says he's messing

482
00:19:32,810 --> 00:19:30,660
with you all no I'm just kidding

483
00:19:34,130 --> 00:19:32,820
um so Tyler you actually kind of I think

484
00:19:35,630 --> 00:19:34,140
you read my mind because the next

485
00:19:36,529 --> 00:19:35,640
question I was going to ask both of you

486
00:19:39,289 --> 00:19:36,539
about

487
00:19:40,970 --> 00:19:39,299
um was was George Hansen's the trickster

488
00:19:42,230 --> 00:19:40,980

in the Paranormal yeah I I guess there

489

00:19:44,029 --> 00:19:42,240

was that was kind of a joke in there I

490

00:19:46,549 --> 00:19:44,039

didn't even intend it

491

00:19:47,990 --> 00:19:46,559

um so George Hansen if you guys haven't

492

00:19:50,870 --> 00:19:48,000

read the trickster in the Paranormal

493

00:19:53,270 --> 00:19:50,880

fantastic book highly recommend it

494

00:19:54,950 --> 00:19:53,280

um and he kind of famously outlines the

495

00:19:57,409 --> 00:19:54,960

role of liminality but also some other

496

00:19:59,990 --> 00:19:57,419

things like anti-structure and

497

00:20:01,850 --> 00:20:00,000

attracting Paranormal Activity High

498

00:20:04,789 --> 00:20:01,860

strangeness whatever you want to call it

499

00:20:07,610 --> 00:20:04,799

and I'm curious if you found this to be

500

00:20:09,529 --> 00:20:07,620

something that actually has impacted

501
00:20:11,090 --> 00:20:09,539
your lives personally you know Tyler you

502
00:20:13,250 --> 00:20:11,100
as a medium Gary you know you've had

503
00:20:15,049 --> 00:20:13,260
some experiences yourself

504
00:20:17,150 --> 00:20:15,059
um or if these are states that you

505
00:20:19,430 --> 00:20:17,160
actively seek in order to sort of better

506
00:20:20,930 --> 00:20:19,440
tune in or have these experiences and

507
00:20:23,510 --> 00:20:20,940
what your thoughts are

508
00:20:26,210 --> 00:20:23,520
so I know in my own work liminality is a

509
00:20:27,770 --> 00:20:26,220
goal that I try to kind of implement a

510
00:20:30,049 --> 00:20:27,780
state of when I do a reading now getting

511
00:20:31,789 --> 00:20:30,059
a reading by default is liminal there is

512
00:20:33,890 --> 00:20:31,799
kind of the expectations and then the

513
00:20:34,909 --> 00:20:33,900

suspension of those expectations you

514

00:20:37,190 --> 00:20:34,919

never know what's going to be said

515

00:20:38,870 --> 00:20:37,200

people are kind of on edge and that

516

00:20:40,190 --> 00:20:38,880

creates a liminal environment where I

517

00:20:42,289 --> 00:20:40,200

believe the Paranormal can kind of

518

00:20:45,110 --> 00:20:42,299

flourish but I found interestingly that

519

00:20:47,330 --> 00:20:45,120

a lot of my live shows will be actually

520

00:20:49,190 --> 00:20:47,340

sometimes around environments of play

521

00:20:51,650 --> 00:20:49,200

sometimes they're at Resorts where

522

00:20:54,049 --> 00:20:51,660

people are relaxing and having fun and

523

00:20:55,310 --> 00:20:54,059

coming from other places and if you've

524

00:20:57,529 --> 00:20:55,320

read the book you know that's a very

525

00:20:59,650 --> 00:20:57,539

liminal descriptor so I find that where

526

00:21:02,570 --> 00:20:59,660

there is kind of a convivial

527

00:21:05,090 --> 00:21:02,580

bacchanalian like environment oftentimes

528

00:21:07,669 --> 00:21:05,100

the Paranormal seems to meet that and

529

00:21:10,870 --> 00:21:07,679

it's fertile soil so I find that to be

530

00:21:13,490 --> 00:21:10,880

in coincidental at the very least

531

00:21:16,370 --> 00:21:13,500

well that's interesting you I mean I I

532

00:21:19,669 --> 00:21:16,380

almost hesitate to talk about it but I

533

00:21:21,110 --> 00:21:19,679

was on a cruise actually recently it was

534

00:21:23,450 --> 00:21:21,120

actually a gay cruise

535

00:21:25,370 --> 00:21:23,460

um with like it was a lot of fun in the

536

00:21:27,529 --> 00:21:25,380

in the Caribbean I think I sent a couple

537

00:21:29,390 --> 00:21:27,539

of pictures of it to Tyler

538

00:21:31,669 --> 00:21:29,400

um of the uh of the bacchanal it was a

539

00:21:33,830 --> 00:21:31,679

lot of fun but so

540

00:21:36,049 --> 00:21:33,840

um we had handed out

541

00:21:37,310 --> 00:21:36,059

um these like little dog tags that

542

00:21:38,810 --> 00:21:37,320

basically said you know give our number

543

00:21:40,010 --> 00:21:38,820

if we met somebody fine and we wanted to

544

00:21:41,390 --> 00:21:40,020

see them again because it's 5 000 people

545

00:21:44,510 --> 00:21:41,400

on the ship and God knows you ever find

546

00:21:46,669 --> 00:21:44,520

them so I get this text like on uh like

547

00:21:48,470 --> 00:21:46,679

part way through saying hey Gary

548

00:21:51,710 --> 00:21:48,480

um I don't know you you know we found

549

00:21:53,210 --> 00:21:51,720

this dog tag of yours

550

00:21:54,409 --> 00:21:53,220

um do you want it thinking that it was

551
00:21:56,270 --> 00:21:54,419
something important and I said no no

552
00:21:58,190 --> 00:21:56,280
it's not it's okay it's just something

553
00:22:01,130 --> 00:21:58,200
we hand out

554
00:22:03,289 --> 00:22:01,140
three nights later I'm out literally on

555
00:22:05,510 --> 00:22:03,299
the dance floor with friends and I come

556
00:22:08,750 --> 00:22:05,520
across these couple of guys who had we

557
00:22:09,890 --> 00:22:08,760
we met and had a lot of fun with and

558
00:22:11,570 --> 00:22:09,900
um they said hey this is a lot of fun

559
00:22:13,370 --> 00:22:11,580
you know hope to see you tomorrow kind

560
00:22:15,230 --> 00:22:13,380
of take your number they start typing my

561
00:22:18,350 --> 00:22:15,240
number in and it was the guys

562
00:22:20,450 --> 00:22:18,360
who had found the dog tag almost as if

563
00:22:22,909 --> 00:22:20,460

out of time

564

00:22:24,110 --> 00:22:22,919

I they had been sent the dog tag because

565

00:22:26,210 --> 00:22:24,120

they were the people that I was going to

566

00:22:27,770 --> 00:22:26,220

meet right this was like out of 5 000

567

00:22:28,909 --> 00:22:27,780

people I'm the only people you know and

568

00:22:30,770 --> 00:22:28,919

so it was like one of those

569

00:22:33,789 --> 00:22:30,780

synchronistic moments

570

00:22:36,830 --> 00:22:33,799

that you realize okay this was something

571

00:22:41,029 --> 00:22:36,840

that needs to be remembered you know it

572

00:22:43,850 --> 00:22:41,039

was that continual uh remembrance and

573

00:22:45,590 --> 00:22:43,860

the the pattern of what Jacques valet

574

00:22:49,789 --> 00:22:45,600

would frankly call the control theory

575

00:22:52,310 --> 00:22:49,799

the the reminding you that you are as

576

00:22:55,190 --> 00:22:52,320

much in almost in control of what's

577

00:22:59,390 --> 00:22:55,200

happening to in your life but that it is

578

00:23:01,029 --> 00:22:59,400

an out of time and out of context uh

579

00:23:03,289 --> 00:23:01,039

um set of events

580

00:23:05,149 --> 00:23:03,299

it just it was that's like the most

581

00:23:07,130 --> 00:23:05,159

recent I would say paranormal I mean

582

00:23:08,390 --> 00:23:07,140

sure I could always put it off to

583

00:23:10,730 --> 00:23:08,400

coincidence

584

00:23:12,110 --> 00:23:10,740

Etc but it was just a little too much

585

00:23:16,070 --> 00:23:12,120

for me

586

00:23:21,470 --> 00:23:18,710

that's one thing I'd say

587

00:23:23,570 --> 00:23:21,480

I found recently since I've been quite

588

00:23:25,210 --> 00:23:23,580

active in this community publicly and

589

00:23:27,470 --> 00:23:25,220

some of the friends I've made recently

590

00:23:28,850 --> 00:23:27,480

and they have brought up these

591

00:23:30,770 --> 00:23:28,860

synchronicities that happen to them all

592

00:23:33,289 --> 00:23:30,780

the time but since getting to know them

593

00:23:35,090 --> 00:23:33,299

I find that synchronic synchronicities

594

00:23:36,830 --> 00:23:35,100

happen to me a lot more

595

00:23:40,549 --> 00:23:36,840

and if that's just because I'm looking

596

00:23:41,930 --> 00:23:40,559

out for it like I'm very cautious to

597

00:23:43,310 --> 00:23:41,940

think that there's something spooky

598

00:23:45,890 --> 00:23:43,320

going on but at the same time I just

599

00:23:47,810 --> 00:23:45,900

don't know so yeah I mean that kind of

600

00:23:50,090 --> 00:23:47,820

weird frame of mind with that at the

601
00:23:51,890 --> 00:23:50,100
moment it seems to be something around

602
00:23:53,210 --> 00:23:51,900
meaningful coincidences I'm sorry Gary

603
00:23:54,830 --> 00:23:53,220
didn't mean to no no it's the same thing

604
00:23:57,110 --> 00:23:54,840
I was just going to say Carl Jung wrote

605
00:23:58,850 --> 00:23:57,120
a book about it or exactly and those

606
00:24:01,250 --> 00:23:58,860
meaningful coincidences I suspect

607
00:24:02,930 --> 00:24:01,260
perhaps might lead to the Future

608
00:24:04,310 --> 00:24:02,940
communicating with the past and I've

609
00:24:06,830 --> 00:24:04,320
wondered how that ties into something

610
00:24:08,149 --> 00:24:06,840
called retro causality which is a recent

611
00:24:09,830 --> 00:24:08,159
work in

612
00:24:10,789 --> 00:24:09,840
fascinating

613
00:24:12,350 --> 00:24:10,799

yeah

614

00:24:13,970 --> 00:24:12,360

well I'd love to hear more about your

615

00:24:15,590 --> 00:24:13,980

thoughts on retro causality if you have

616

00:24:17,450 --> 00:24:15,600

any other oh goodness that's above my

617

00:24:20,090 --> 00:24:17,460

pay grade I think Dr Gary Nolan might

618

00:24:22,430 --> 00:24:20,100

have some thoughts yeah Gary what do you

619

00:24:24,289 --> 00:24:22,440

think about the passengers

620

00:24:27,890 --> 00:24:24,299

I'll get you for that

621

00:24:31,310 --> 00:24:29,390

you know um

622

00:24:33,230 --> 00:24:31,320

uh again if you if you dive into the

623

00:24:36,649 --> 00:24:33,240

people who do all of the physics of

624

00:24:39,770 --> 00:24:36,659

reality they uh you know they don't have

625

00:24:42,590 --> 00:24:39,780

any problem with time having no Arrow

626
00:24:44,750 --> 00:24:42,600
and uh so you know there's plenty of

627
00:24:46,549 --> 00:24:44,760
ways that you can construct reality in

628
00:24:49,190 --> 00:24:46,559
that way and and you know but then

629
00:24:53,029 --> 00:24:49,200
there's there's consciousness

630
00:24:56,090 --> 00:24:53,039
Follow the arrow or does it at times of

631
00:24:58,789 --> 00:24:56,100
necessity need to step outside or use

632
00:25:02,149 --> 00:24:58,799
you know a you know multi-directional

633
00:25:04,430 --> 00:25:02,159
Arrow to uh to you know make some

634
00:25:08,029 --> 00:25:04,440
important change in your life

635
00:25:10,010 --> 00:25:08,039
um and so uh I mean that's the I don't

636
00:25:12,049 --> 00:25:10,020
have you know back to another question

637
00:25:14,270 --> 00:25:12,059
because I don't have any of the kinds of

638
00:25:16,430 --> 00:25:14,280

on-call experiences that many people do

639

00:25:19,490 --> 00:25:16,440

I mean I've had my experiences and I

640

00:25:21,110 --> 00:25:19,500

almost feel like whatever is behind the

641

00:25:22,250 --> 00:25:21,120

scenes has sort of said well I don't

642

00:25:24,230 --> 00:25:22,260

need to spend any more time with this

643

00:25:27,710 --> 00:25:24,240

guy he's convinced

644

00:25:30,230 --> 00:25:27,720

right so why why apart from the

645

00:25:33,049 --> 00:25:30,240

occasional reminder uh we don't have to

646

00:25:34,850 --> 00:25:33,059

put orbs in his house to remind him that

647

00:25:36,830 --> 00:25:34,860

this is something worth you know we're

648

00:25:38,149 --> 00:25:36,840

spending time on

649

00:25:39,049 --> 00:25:38,159

um because maybe that will just distract

650

00:25:42,590 --> 00:25:39,059

him

651
00:25:45,169 --> 00:25:42,600
so uh you know but but the one time that

652
00:25:48,590 --> 00:25:45,179
I did manage to sort of go into the kind

653
00:25:51,350 --> 00:25:48,600
of meditation uh efforts that I know uh

654
00:25:52,909 --> 00:25:51,360
Tyler does on a more regular basis

655
00:25:55,789 --> 00:25:52,919
um was the time when I had that

656
00:25:57,710 --> 00:25:55,799
experience in London where you know that

657
00:25:59,269 --> 00:25:57,720
kind of buzzing in my body and then this

658
00:26:01,730 --> 00:25:59,279
voice in my head saying this is how you

659
00:26:02,630 --> 00:26:01,740
connect I've never been able to recreate

660
00:26:04,970 --> 00:26:02,640
that

661
00:26:07,970 --> 00:26:04,980
but frankly I haven't done the kind of

662
00:26:09,230 --> 00:26:07,980
meditative stuff uh that got me to that

663
00:26:12,350 --> 00:26:09,240

point in the first place because I was

664

00:26:14,870 --> 00:26:12,360

so frightened by what happened

665

00:26:16,970 --> 00:26:14,880

um so maybe you know maybe that's

666

00:26:18,710 --> 00:26:16,980

something but you know is it is it

667

00:26:21,409 --> 00:26:18,720

something that we want everybody to

668

00:26:24,230 --> 00:26:21,419

experience might be a you know is is

669

00:26:27,230 --> 00:26:24,240

that what the collective unconscious of

670

00:26:28,930 --> 00:26:27,240

humanity needs to move beyond our

671

00:26:33,110 --> 00:26:28,940

current stalemates

672

00:26:35,450 --> 00:26:33,120

uh and so I I I I wonder if but we're

673

00:26:37,370 --> 00:26:35,460

we're actually seeing that let's say

674

00:26:40,450 --> 00:26:37,380

Collective of conscious expand in

675

00:26:44,390 --> 00:26:40,460

society as it is I mean you know

676

00:26:48,289 --> 00:26:44,400

these psychedelics are being used now

677

00:26:50,590 --> 00:26:48,299

therapeutically uh it people are talking

678

00:26:54,590 --> 00:26:50,600

about them on a more regular basis so

679

00:26:57,529 --> 00:26:54,600

how many more people now might be able

680

00:27:00,590 --> 00:26:57,539

to legally experience it that we then

681

00:27:02,029 --> 00:27:00,600

reach an inflection point uh which is

682

00:27:05,090 --> 00:27:02,039

sort of a let's call it a positive

683

00:27:07,730 --> 00:27:05,100

upgrade for uh human Collective

684

00:27:09,590 --> 00:27:07,740

unconscious uh and that's actually where

685

00:27:12,350 --> 00:27:09,600

I I'm most excited I'm actually working

686

00:27:14,630 --> 00:27:12,360

with a couple of people of considerable

687

00:27:17,990 --> 00:27:14,640

means who are literally building

688

00:27:19,669 --> 00:27:18,000

companies around this to get it out at

689

00:27:22,669 --> 00:27:19,679

least as Therapeutics

690

00:27:26,210 --> 00:27:22,679

uh and to engage uh the political

691

00:27:27,890 --> 00:27:26,220

establishment uh in positive senses uh

692

00:27:29,390 --> 00:27:27,900

not just the doctors but also the

693

00:27:32,269 --> 00:27:29,400

politicians just as we've been doing

694

00:27:34,250 --> 00:27:32,279

with uaps you know we've been engaging

695

00:27:36,049 --> 00:27:34,260

the politics because through the

696

00:27:37,909 --> 00:27:36,059

politics and scientists we engage the

697

00:27:40,010 --> 00:27:37,919

public and so there's a very much a

698

00:27:41,510 --> 00:27:40,020

parallel track in fact the conversation

699

00:27:43,310 --> 00:27:41,520

I've had with some of these people is

700

00:27:46,490 --> 00:27:43,320

we're gonna we're gonna help you with

701
00:27:48,110 --> 00:27:46,500
the UAP because we already have the

702
00:27:50,930 --> 00:27:48,120
kinds of experience of how to get this

703
00:27:53,330 --> 00:27:50,940
across the Rubicon with psychedelics

704
00:27:55,070 --> 00:27:53,340
because we see an exact parallel so

705
00:27:56,570 --> 00:27:55,080
that's I I think that's interesting that

706
00:27:59,210 --> 00:27:56,580
you see there's there's two things going

707
00:28:01,010 --> 00:27:59,220
hand in hand which is frankly why you

708
00:28:02,990 --> 00:28:01,020
see Tyler and I sitting here next to

709
00:28:05,830 --> 00:28:03,000
each other albeit

710
00:28:09,529 --> 00:28:05,840
900 miles away that's right

711
00:28:11,870 --> 00:28:09,539
we came full circle

712
00:28:13,669 --> 00:28:11,880
well no but you you brought up a good

713
00:28:16,430 --> 00:28:13,679

point and you know we are principally a

714

00:28:18,590 --> 00:28:16,440

UAP podcast so you know one of the

715

00:28:19,909 --> 00:28:18,600

things that Vinnie and I are very

716

00:28:21,950 --> 00:28:19,919

interested in and I'd love to hear from

717

00:28:25,669 --> 00:28:21,960

both of you about is the role that

718

00:28:31,490 --> 00:28:28,669

um uh supposedly perhaps maybe

719

00:28:35,330 --> 00:28:31,500

speculatively play in contact

720

00:28:37,610 --> 00:28:35,340

experiences and experiences with UAP

721

00:28:39,110 --> 00:28:37,620

um you know there are lots of folks who

722

00:28:41,510 --> 00:28:39,120

are very much in the nuts and bolts camp

723

00:28:42,950 --> 00:28:41,520

and they believe that UAP are only nuts

724

00:28:44,510 --> 00:28:42,960

and bolts they're something you can

725

00:28:46,430 --> 00:28:44,520

touch and that's it there are other

726

00:28:47,990 --> 00:28:46,440

folks that believe it's purely in your

727

00:28:49,250 --> 00:28:48,000

Consciousness there's folks that are in

728

00:28:51,649 --> 00:28:49,260

the middle who believe it's some sort of

729

00:28:53,630 --> 00:28:51,659

fusion of the two and I'd love to really

730

00:28:55,250 --> 00:28:53,640

hear your guys's thoughts on that

731

00:28:56,870 --> 00:28:55,260

um if you want to talk about any

732

00:28:59,450 --> 00:28:56,880

experiences you've had too that's great

733

00:29:01,430 --> 00:28:59,460

but um really just what what are your

734

00:29:03,590 --> 00:29:01,440

speculative thoughts no one knows the

735

00:29:06,370 --> 00:29:03,600

truth for sure but

736

00:29:09,350 --> 00:29:06,380

you first

737

00:29:10,430 --> 00:29:09,360

well it's getting you back there's

738

00:29:12,470 --> 00:29:10,440

definitely something to be said about

739

00:29:13,549 --> 00:29:12,480

ce5 you know that being kind of one of

740

00:29:15,169 --> 00:29:13,559

the obvious things that comes to mind

741

00:29:16,730 --> 00:29:15,179

where there are some who believe that

742

00:29:19,730 --> 00:29:16,740

through certain methodologies they can

743

00:29:21,769 --> 00:29:19,740

make contact uh with UFOs I'm not

744

00:29:24,230 --> 00:29:21,779

endorsing that or discrediting that but

745

00:29:26,630 --> 00:29:24,240

I would say when it comes to looking at

746

00:29:29,090 --> 00:29:26,640

historical parallels I think of iconic

747

00:29:32,149 --> 00:29:29,100

figures like Jack Parsons who use ritual

748

00:29:34,370 --> 00:29:32,159

magic to try to commune with venusians

749

00:29:35,990 --> 00:29:34,380

if you go further back I think you could

750

00:29:37,430 --> 00:29:36,000

look at a lot of religious leaders and

751

00:29:40,130 --> 00:29:37,440

spiritual leaders who were in contact

752

00:29:41,750 --> 00:29:40,140

with something and even when they

753

00:29:44,690 --> 00:29:41,760

attributed that something to a certain

754

00:29:46,789 --> 00:29:44,700

deity if you look at the evidence it's

755

00:29:48,830 --> 00:29:46,799

not always super clear I think back to

756

00:29:51,409 --> 00:29:48,840

the instances of when people were seeing

757

00:29:54,590 --> 00:29:51,419

images of the mother Mary in the sky the

758

00:29:56,690 --> 00:29:54,600

Fatima incident if I recall

759

00:29:59,570 --> 00:29:56,700

um those are all things where people saw

760

00:30:01,490 --> 00:29:59,580

what they thought they were seeing but

761

00:30:03,230 --> 00:30:01,500

perhaps there was something more to that

762

00:30:04,549 --> 00:30:03,240

or archetypally something to be said

763

00:30:06,769 --> 00:30:04,559

about

764

00:30:09,169 --> 00:30:06,779

um the mother archetype as it even

765

00:30:11,210 --> 00:30:09,179

pertains to the bledsos as if we're

766

00:30:13,010 --> 00:30:11,220

familiar with their story of kind of the

767

00:30:16,190 --> 00:30:13,020

divine feminine so it all I think kind

768

00:30:25,010 --> 00:30:20,269

yeah I think that there's hardly a UAP

769

00:30:29,029 --> 00:30:25,020

UFO contact story that doesn't involve

770

00:30:31,370 --> 00:30:29,039

lack of verbal communication and always

771

00:30:33,649 --> 00:30:31,380

seems to have some sort of Consciousness

772

00:30:37,070 --> 00:30:33,659

to Consciousness communication

773

00:30:38,810 --> 00:30:37,080

and so I mean as a data point I mean all

774

00:30:42,169 --> 00:30:38,820

of these as I've said before are

775

00:30:43,549 --> 00:30:42,179

anecdotes but and so from a again from a

776

00:30:46,130 --> 00:30:43,559

scientific standpoint individual

777

00:30:49,610 --> 00:30:46,140

anecdotes are not that useful but

778

00:30:51,710 --> 00:30:49,620

collectively uh when this seems to

779

00:30:55,330 --> 00:30:51,720

happen again and again and again you

780

00:31:00,409 --> 00:30:58,070

a colleague of mine

781

00:31:04,190 --> 00:31:00,419

um a very good colleague uh you you

782

00:31:07,490 --> 00:31:04,200

can't help but say uh

783

00:31:09,830 --> 00:31:07,500

all right this is this is a pattern

784

00:31:11,990 --> 00:31:09,840

um here you have these so-called

785

00:31:14,510 --> 00:31:12,000

entities however you however they are

786

00:31:18,230 --> 00:31:14,520

representing themselves as venusians

787

00:31:20,350 --> 00:31:18,240

Pleiadians you know future humans

788

00:31:23,090 --> 00:31:20,360

Etc there's always

789

00:31:26,810 --> 00:31:23,100

they're never speaking they're always

790

00:31:28,250 --> 00:31:26,820

thinking at you and so that's a

791

00:31:29,690 --> 00:31:28,260

Consciousness to Consciousness

792

00:31:33,409 --> 00:31:29,700

interaction

793

00:31:34,730 --> 00:31:33,419

and so again it's I think hearkening

794

00:31:36,889 --> 00:31:34,740

back to something Tyler was saying

795

00:31:41,389 --> 00:31:36,899

before it doesn't matter whether it's

796

00:31:44,990 --> 00:31:41,399

guides or you or your you know uh your

797

00:31:47,810 --> 00:31:45,000

brain system creating these objects it's

798

00:31:51,470 --> 00:31:47,820

always it it ends up in your

799

00:31:54,289 --> 00:31:51,480

Consciousness but not as a way that that

800

00:31:57,110 --> 00:31:54,299

was received materially

801
00:31:59,210 --> 00:31:57,120
through the through sound in your ears

802
00:32:03,590 --> 00:31:59,220
and and so I just find that I don't know

803
00:32:06,529 --> 00:32:03,600
I find that fascinating and and there's

804
00:32:09,230 --> 00:32:06,539
there's an agreement that it happens but

805
00:32:11,149 --> 00:32:09,240
there's no agreement on how to study the

806
00:32:13,850 --> 00:32:11,159
fact that it does happen

807
00:32:15,830 --> 00:32:13,860
and and and how that information I mean

808
00:32:16,730 --> 00:32:15,840
where does it come I mean Tyler and I

809
00:32:18,710 --> 00:32:16,740
actually

810
00:32:20,870 --> 00:32:18,720
um had a discussion about this you know

811
00:32:23,269 --> 00:32:20,880
a few months ago of

812
00:32:26,630 --> 00:32:23,279
does the does the impression come in

813
00:32:28,909 --> 00:32:26,640

through a single neuron or does it come

814

00:32:31,370 --> 00:32:28,919

through the process like the visual

815

00:32:34,970 --> 00:32:31,380

process so Tyler for instance gets a

816

00:32:39,830 --> 00:32:34,980

visual uh and then he interprets those

817

00:32:42,010 --> 00:32:39,840

symbols so okay fine how the heck does a

818

00:32:45,590 --> 00:32:42,020

complex symbol I would call it a glyph

819

00:32:46,970 --> 00:32:45,600

impose itself on a person's sensory

820

00:32:48,889 --> 00:32:46,980

apparatus

821

00:32:51,529 --> 00:32:48,899

uh and you know probably different

822

00:32:54,289 --> 00:32:51,539

people have different ly differently

823

00:32:56,149 --> 00:32:54,299

evolved or constructed sensory apparatus

824

00:32:58,310 --> 00:32:56,159

so that is the best means through which

825

00:33:01,070 --> 00:32:58,320

the signal might arrive

826

00:33:03,590 --> 00:33:01,080

so I just you know it's a complex signal

827

00:33:07,070 --> 00:33:03,600

it's not like a it's not like a morse

828

00:33:08,750 --> 00:33:07,080

code that then you decode into a

829

00:33:11,690 --> 00:33:08,760

paragraph and then you interpret the

830

00:33:13,909 --> 00:33:11,700

paragraph It's a the one time I did a

831

00:33:15,950 --> 00:33:13,919

remote viewing with a very well-known

832

00:33:18,230 --> 00:33:15,960

person who does who basically was part

833

00:33:21,470 --> 00:33:18,240

of the remote viewing program

834

00:33:23,269 --> 00:33:21,480

um the signal I got was a Gestalt and it

835

00:33:25,970 --> 00:33:23,279

was an image that was extraordinarily

836

00:33:28,250 --> 00:33:25,980

accurate and but it was a Gestalt and so

837

00:33:30,310 --> 00:33:28,260

I've wondered about that how does the

838

00:33:34,370 --> 00:33:30,320

gestaltic

839

00:33:37,070 --> 00:33:34,380

impingement occur I I don't know so but

840

00:33:38,630 --> 00:33:37,080

again it's just it's raw data and none

841

00:33:41,389 --> 00:33:38,640

of my scientists friends would would put

842

00:33:44,409 --> 00:33:41,399

up with me talking about it except over

843

00:33:46,370 --> 00:33:44,419

a few martinis

844

00:33:47,750 --> 00:33:46,380

I think one thing that I find

845

00:33:49,430 --> 00:33:47,760

fascinating is you can take it a step

846

00:33:50,870 --> 00:33:49,440

further because Tyler in some of your

847

00:33:53,389 --> 00:33:50,880

work that you actually talk about

848

00:33:54,950 --> 00:33:53,399

physical reactions that come through as

849

00:33:56,630 --> 00:33:54,960

well so that almost takes it from

850

00:33:58,970 --> 00:33:56,640

something that's happening in the brain

851
00:34:02,330 --> 00:33:58,980
and manifests into some kind of physical

852
00:34:03,830 --> 00:34:02,340
uh feeling that you get I just wondered

853
00:34:05,870 --> 00:34:03,840
if you could just sort of talk on that a

854
00:34:07,850 --> 00:34:05,880
little bit absolutely in a reading I

855
00:34:09,470 --> 00:34:07,860
really kind of liken my body to a canvas

856
00:34:11,089 --> 00:34:09,480
and to give you the visual it's almost

857
00:34:13,430 --> 00:34:11,099
like the Consciousness coming through

858
00:34:15,589 --> 00:34:13,440
Paints the picture of what they need me

859
00:34:17,389 --> 00:34:15,599
to know be it through my body be it

860
00:34:19,609 --> 00:34:17,399
through my mind but it all really

861
00:34:22,190 --> 00:34:19,619
originates in the mind is is really my

862
00:34:24,950 --> 00:34:22,200
belief as far as how that information is

863
00:34:26,570 --> 00:34:24,960

being perceived so as I go through these

864

00:34:28,430 --> 00:34:26,580

processes I have to interpret what I'm

865

00:34:30,950 --> 00:34:28,440

getting deliver it in a way that can

866

00:34:32,869 --> 00:34:30,960

make some sense but I've often wondered

867

00:34:35,450 --> 00:34:32,879

the relationship between electrical

868

00:34:37,609 --> 00:34:35,460

activity and the parent normal I know so

869

00:34:40,070 --> 00:34:37,619

little about neurology so please

870

00:34:43,250 --> 00:34:40,080

understand that it is above my pay grade

871

00:34:45,349 --> 00:34:43,260

but I've seen even in the tropes of the

872

00:34:48,230 --> 00:34:45,359

Paranormal no lights flickering on and

873

00:34:50,570 --> 00:34:48,240

off or they somehow being able to affect

874

00:34:53,030 --> 00:34:50,580

car engines as we've seen in countless

875

00:34:55,550 --> 00:34:53,040

UFO reports where engine suddenly seem

876

00:34:58,130 --> 00:34:55,560

to slow if that is possible I have

877

00:34:59,870 --> 00:34:58,140

wondered if the electrical signals

878

00:35:01,970 --> 00:34:59,880

within a person's brain might not be

879

00:35:03,950 --> 00:35:01,980

able to be tinkered with in such a way

880

00:35:06,050 --> 00:35:03,960

to facilitate certain Sensations or

881

00:35:07,430 --> 00:35:06,060

imagery I don't know but it's something

882

00:35:08,690 --> 00:35:07,440

I've considered

883

00:35:11,750 --> 00:35:08,700

um

884

00:35:13,910 --> 00:35:11,760

yeah the complexity of of how many

885

00:35:16,730 --> 00:35:13,920

places they must be able again

886

00:35:19,670 --> 00:35:16,740

speculation the complexity of all the

887

00:35:23,210 --> 00:35:19,680

different places that they must be able

888

00:35:26,930 --> 00:35:23,220

to tickle simultaneously to create

889

00:35:29,870 --> 00:35:26,940

a a signal is just mind-boggling because

890

00:35:30,790 --> 00:35:29,880

again it's not that kind of linear Morse

891

00:35:35,930 --> 00:35:30,800

code

892

00:35:37,730 --> 00:35:35,940

it's just this flash uh and so yeah the

893

00:35:40,490 --> 00:35:37,740

best word I can come up with is like a

894

00:35:42,490 --> 00:35:40,500

glyph that is passed from one mind to

895

00:35:45,290 --> 00:35:42,500

another a complex

896

00:35:46,970 --> 00:35:45,300

representation of symbols that then is

897

00:35:48,950 --> 00:35:46,980

up to and even the remote viewing

898

00:35:51,589 --> 00:35:48,960

Community would say it's up to then the

899

00:35:53,270 --> 00:35:51,599

The Interpreter to try not to interpret

900

00:35:56,150 --> 00:35:53,280

at the beginning to make sure that they

901
00:35:58,130 --> 00:35:56,160
accept the symbol uh write it down as

902
00:35:59,810 --> 00:35:58,140
quickly as possible and then and then as

903
00:36:02,870 --> 00:35:59,820
halputoff would say

904
00:36:04,670 --> 00:36:02,880
try to prevent the overlay of your

905
00:36:08,630 --> 00:36:04,680
cultural Traditions from interpreting

906
00:36:10,430 --> 00:36:08,640
the the signal to uh too much of a

907
00:36:12,890 --> 00:36:10,440
biased manner

908
00:36:14,510 --> 00:36:12,900
right right and you since you're

909
00:36:15,829 --> 00:36:14,520
bringing up you know remote viewing I

910
00:36:20,150 --> 00:36:15,839
know that's something that you both have

911
00:36:23,150 --> 00:36:20,160
dabbled in I'm really curious if you see

912
00:36:26,329 --> 00:36:23,160
a connection between remote viewing and

913
00:36:29,630 --> 00:36:26,339

the phenomenon and the in in the sense

914

00:36:32,810 --> 00:36:29,640

that the same processes may be utilized

915

00:36:34,730 --> 00:36:32,820

or perhaps we could use remote viewing

916

00:36:36,589 --> 00:36:34,740

to

917

00:36:38,089 --> 00:36:36,599

um promote contact or anything like that

918

00:36:38,870 --> 00:36:38,099

just any thoughts you may have on that

919

00:36:41,030 --> 00:36:38,880

matter

920

00:36:42,650 --> 00:36:41,040

true I would say in my own work one of

921

00:36:44,810 --> 00:36:42,660

the most fascinating parts of for

922

00:36:46,849 --> 00:36:44,820

example having a premonition is that it

923

00:36:49,310 --> 00:36:46,859

seems that if a premonition is real if I

924

00:36:50,870 --> 00:36:49,320

can sit in one space and get an

925

00:36:52,849 --> 00:36:50,880

inclination of what may happen in two

926
00:36:55,430 --> 00:36:52,859
weeks or three weeks and if that it does

927
00:36:58,310 --> 00:36:55,440
indeed happen that in my mind is the

928
00:37:00,589 --> 00:36:58,320
future calling out to the past it very

929
00:37:02,630 --> 00:37:00,599
clearly indicates that our linear

930
00:37:04,490 --> 00:37:02,640
understanding of time is at the very

931
00:37:08,210 --> 00:37:04,500
least very complicated there's a lot to

932
00:37:09,710 --> 00:37:08,220
be understood in that realm so I think

933
00:37:11,329 --> 00:37:09,720
it speaks to the fact that we are

934
00:37:13,550 --> 00:37:11,339
probably a lot more connected to one

935
00:37:15,890 --> 00:37:13,560
another than we realize for a medium to

936
00:37:17,810 --> 00:37:15,900
be able to sit with somebody and get a

937
00:37:20,030 --> 00:37:17,820
very specific understanding of someone's

938
00:37:22,310 --> 00:37:20,040

Last Words as if they were the ones

939

00:37:24,770 --> 00:37:22,320

speaking them that speaks the fact that

940

00:37:27,230 --> 00:37:24,780

Consciousness awareness is something not

941

00:37:29,510 --> 00:37:27,240

necessarily unique to our bodies that I

942

00:37:31,310 --> 00:37:29,520

believe we can connect to other people's

943

00:37:33,829 --> 00:37:31,320

Consciousness and they can connect to

944

00:37:35,810 --> 00:37:33,839

ours under the right circumstances which

945

00:37:37,790 --> 00:37:35,820

then if you kind of zoom out might speak

946

00:37:40,130 --> 00:37:37,800

to the fact and this is getting very

947

00:37:42,290 --> 00:37:40,140

very speculative but perhaps we are all

948

00:37:44,210 --> 00:37:42,300

part of the same thing perhaps there is

949

00:37:46,550 --> 00:37:44,220

a collective Consciousness that exists

950

00:37:48,349 --> 00:37:46,560

and we are little drops of water that

951
00:37:52,730 --> 00:37:48,359
kind of become part of a vast ocean of

952
00:37:59,750 --> 00:37:56,210
you know I remember that moment when you

953
00:38:01,550 --> 00:37:59,760
know kit green Jacques and I along with

954
00:38:03,470 --> 00:38:01,560
Hal and Eric Davis were all sitting in a

955
00:38:06,530 --> 00:38:03,480
room looking at these brain scans

956
00:38:09,290 --> 00:38:06,540
of the individuals who I've talked about

957
00:38:11,210 --> 00:38:09,300
uh long and and often

958
00:38:12,770 --> 00:38:11,220
um and that area of the brain that we

959
00:38:15,290 --> 00:38:12,780
saw which at the center of the basal

960
00:38:17,089 --> 00:38:15,300
ganglia the cardiac pitamin and we were

961
00:38:19,069 --> 00:38:17,099
like this seems to be in a lot of these

962
00:38:22,010 --> 00:38:19,079
people could and then I think it was Hal

963
00:38:23,810 --> 00:38:22,020

who said can you bring up the scans of

964

00:38:25,430 --> 00:38:23,820

the couple of you know high-end remote

965

00:38:26,810 --> 00:38:25,440

viewers that we have who had not been

966

00:38:29,990 --> 00:38:26,820

damaged they just we happen to have

967

00:38:34,310 --> 00:38:30,000

their scans uh kit green and lo and

968

00:38:36,530 --> 00:38:34,320

behold they had that that density in

969

00:38:39,230 --> 00:38:36,540

spades

970

00:38:41,690 --> 00:38:39,240

um and that was the Moment of clarity

971

00:38:43,849 --> 00:38:41,700

literally for me it was like wait a

972

00:38:47,930 --> 00:38:43,859

second the connection is intuition

973

00:38:50,329 --> 00:38:47,940

this is this is an area that is uh

974

00:38:52,250 --> 00:38:50,339

somehow consolidating or taking the

975

00:38:54,410 --> 00:38:52,260

information from all areas of the brain

976
00:38:56,210 --> 00:38:54,420
and consolidating it and that the better

977
00:38:59,030 --> 00:38:56,220
your processing center the more

978
00:39:02,810 --> 00:38:59,040
simultaneous processors you can run the

979
00:39:05,089 --> 00:39:02,820
more you can Intuit per unit time

980
00:39:07,370 --> 00:39:05,099
um and it actually wasn't until I found

981
00:39:10,130 --> 00:39:07,380
and I started then looking at all of the

982
00:39:13,130 --> 00:39:10,140
books or all of the okay well is the is

983
00:39:15,770 --> 00:39:13,140
this area of the brain related to

984
00:39:16,790 --> 00:39:15,780
um to PSY right what is the words and

985
00:39:18,170 --> 00:39:16,800
the only words you've been I mean the

986
00:39:21,170 --> 00:39:18,180
areas of the brain are basically the

987
00:39:24,290 --> 00:39:21,180
pineal gland and when I came up with a

988
00:39:26,810 --> 00:39:24,300

search of of This Woman's book and then

989

00:39:29,270 --> 00:39:26,820

read the you know the content of what

990

00:39:32,150 --> 00:39:29,280

she was saying here who was a famous

991

00:39:34,010 --> 00:39:32,160

medium from uh literally 30 40 years ago

992

00:39:38,270 --> 00:39:34,020

she literally called out the caudette

993

00:39:41,030 --> 00:39:38,280

patamon as the as the center of of these

994

00:39:43,069 --> 00:39:41,040

processes I mean this is literally two

995

00:39:45,050 --> 00:39:43,079

years after I was born she had already

996

00:39:49,069 --> 00:39:45,060

called out this area the brain is being

997

00:39:52,310 --> 00:39:49,079

important for intuition and only wow

998

00:39:54,530 --> 00:39:52,320

um only in the last five years have

999

00:39:56,089 --> 00:39:54,540

people accepted that the basal ganglia

1000

00:39:57,410 --> 00:39:56,099

is involved in anything other than motor

1001
00:39:59,150 --> 00:39:57,420
function

1002
00:40:01,370 --> 00:39:59,160
I mean she's got this whole section here

1003
00:40:02,690 --> 00:40:01,380
of these night visions and night dreams

1004
00:40:04,849 --> 00:40:02,700
and classes she would go through have

1005
00:40:09,410 --> 00:40:04,859
you read this Tyler I never have but I

1006
00:40:11,630 --> 00:40:09,420
am now yeah absolutely I mean she uses

1007
00:40:12,250 --> 00:40:11,640
mostly the you know

1008
00:40:14,870 --> 00:40:12,260
um

1009
00:40:17,329 --> 00:40:14,880
Hindu interpretations of it which is

1010
00:40:19,609 --> 00:40:17,339
fine but she literally calls out the

1011
00:40:23,390 --> 00:40:19,619
caudate uh as being the center of future

1012
00:40:26,270 --> 00:40:23,400
uh Evolution for human consciousness and

1013
00:40:28,430 --> 00:40:26,280

she basically calls it the antenna and I

1014

00:40:31,190 --> 00:40:28,440

remember when I found that I was like I

1015

00:40:33,470 --> 00:40:31,200

I was like okay this has got to be with

1016

00:40:35,089 --> 00:40:33,480

this is way more again this is a

1017

00:40:37,130 --> 00:40:35,099

synchronistic moment

1018

00:40:39,710 --> 00:40:37,140

you know it's proof of nothing except

1019

00:40:42,349 --> 00:40:39,720

that then we went and did the we

1020

00:40:44,390 --> 00:40:42,359

actually did the the retrospective and

1021

00:40:46,310 --> 00:40:44,400

prospective analyzes of brain regions

1022

00:40:48,890 --> 00:40:46,320

with this Harvard group and we published

1023

00:40:50,630 --> 00:40:48,900

on lo and behold the caudate is exactly

1024

00:40:52,550 --> 00:40:50,640

as we predicted it and then about

1025

00:40:54,770 --> 00:40:52,560

probably two dozen other researchers

1026
00:40:57,290 --> 00:40:54,780
about the same time have been pointing

1027
00:40:58,310 --> 00:40:57,300
out this area as being important for

1028
00:41:00,310 --> 00:40:58,320
that

1029
00:41:02,569 --> 00:41:00,320
um distilling of the complex information

1030
00:41:04,010 --> 00:41:02,579
and then represent it's called the brain

1031
00:41:05,630 --> 00:41:04,020
within the brain

1032
00:41:07,910 --> 00:41:05,640
I mean this is the brain within this is

1033
00:41:10,010 --> 00:41:07,920
what the what what scientists call it

1034
00:41:12,410 --> 00:41:10,020
now the brain within the brain is this

1035
00:41:13,910 --> 00:41:12,420
processing center

1036
00:41:17,810 --> 00:41:13,920
um so anyway

1037
00:41:19,550 --> 00:41:17,820
um that to me is so I you know I you

1038
00:41:21,410 --> 00:41:19,560

know I joked with Tyler about it I'm

1039

00:41:24,290 --> 00:41:21,420

going to put him under you know in this

1040

00:41:27,650 --> 00:41:24,300

kind of Frankenstein device and look at

1041

00:41:29,710 --> 00:41:27,660

him not concerning at all no on my good

1042

00:41:32,030 --> 00:41:29,720

side if we're gonna assemble me together

1043

00:41:35,390 --> 00:41:32,040

yeah it's

1044

00:41:37,849 --> 00:41:35,400

um to you know put to measure the you

1045

00:41:39,589 --> 00:41:37,859

know the what happens in the brains of

1046

00:41:41,750 --> 00:41:39,599

someone like sorry Tyler for using who's

1047

00:41:45,050 --> 00:41:41,760

the guinea pig here uh what happens the

1048

00:41:47,990 --> 00:41:45,060

brains of someone like Tyler when they

1049

00:41:49,370 --> 00:41:48,000

are achieving that moment both before

1050

00:41:53,270 --> 00:41:49,380

and after

1051
00:41:55,790 --> 00:41:53,280
right and um and so to me that is you

1052
00:41:58,910 --> 00:41:55,800
know there's I just find it fascinating

1053
00:42:01,270 --> 00:41:58,920
yeah uh to be able to to eventually do

1054
00:42:03,349 --> 00:42:01,280
with permission

1055
00:42:04,730 --> 00:42:03,359
how much should be said about Altered

1056
00:42:07,310 --> 00:42:04,740
States Of Consciousness I would be

1057
00:42:09,290 --> 00:42:07,320
fascinated to to see what happens in

1058
00:42:12,829 --> 00:42:09,300
that area of research

1059
00:42:15,410 --> 00:42:12,839
yeah I have about 35 follow-up questions

1060
00:42:16,670 --> 00:42:15,420
but I'm going to limit it to a two-part

1061
00:42:18,530 --> 00:42:16,680
question

1062
00:42:19,730 --> 00:42:18,540
um okay so the first one I had you kind

1063
00:42:21,230 --> 00:42:19,740

of touched on Gary's you talked about

1064

00:42:23,450 --> 00:42:21,240

prospective and and you know

1065

00:42:25,970 --> 00:42:23,460

retrospective Studies have they looked

1066

00:42:28,370 --> 00:42:25,980

at the temporal relationship between the

1067

00:42:30,950 --> 00:42:28,380

caudate putamen and intuition meaning

1068

00:42:33,950 --> 00:42:30,960

are folks who naturally have a higher

1069

00:42:36,589 --> 00:42:33,960

density having these these results these

1070

00:42:39,530 --> 00:42:36,599

experiences as a result or is it a

1071

00:42:41,630 --> 00:42:39,540

neuroplasticity relationship where

1072

00:42:44,150 --> 00:42:41,640

people who have been remote viewing for

1073

00:42:46,310 --> 00:42:44,160

years develop a higher density have they

1074

00:42:47,750 --> 00:42:46,320

looked at all I don't know no one's done

1075

00:42:50,690 --> 00:42:47,760

anything like that

1076

00:42:52,490 --> 00:42:50,700

um I mean all that has been done is and

1077

00:42:55,550 --> 00:42:52,500

I've talked about this publicly is that

1078

00:42:57,050 --> 00:42:55,560

there's if you do functional MRI and you

1079

00:42:59,510 --> 00:42:57,060

look at the area of the brain that's

1080

00:43:00,829 --> 00:42:59,520

using sugar through functional MRI

1081

00:43:02,870 --> 00:43:00,839

that's kind of what it's doing is saying

1082

00:43:04,270 --> 00:43:02,880

there's energy usage here

1083

00:43:07,370 --> 00:43:04,280

um

1084

00:43:09,349 --> 00:43:07,380

chess players in Japan it's using a sort

1085

00:43:12,309 --> 00:43:09,359

of a simplified version of chess

1086

00:43:15,770 --> 00:43:12,319

when they make that unexpectedly

1087

00:43:18,770 --> 00:43:15,780

brilliant move that is not linear this

1088

00:43:20,990 --> 00:43:18,780

is the area of the brain that lights up

1089

00:43:23,270 --> 00:43:21,000

um and uh and again there's been now

1090

00:43:26,210 --> 00:43:23,280

numerous studies that basically show

1091

00:43:29,510 --> 00:43:26,220

that whatever intuition is uh the

1092

00:43:31,370 --> 00:43:29,520

caudate plays a very large role in it I

1093

00:43:32,870 --> 00:43:31,380

mean the studies that we've published on

1094

00:43:34,190 --> 00:43:32,880

now show that frankly it's not just the

1095

00:43:36,170 --> 00:43:34,200

call date I mean you you can't just

1096

00:43:37,550 --> 00:43:36,180

produce or receive more information in

1097

00:43:39,650 --> 00:43:37,560

one area of the brain unless there's a

1098

00:43:40,970 --> 00:43:39,660

unless there's a a receiver in the other

1099

00:43:42,950 --> 00:43:40,980

area of the brain that's capable of

1100

00:43:45,230 --> 00:43:42,960

either delivering or or receiving and

1101
00:43:48,050 --> 00:43:45,240
processing that data so what we find is

1102
00:43:49,790 --> 00:43:48,060
that there are the the neuronal tracts

1103
00:43:51,349 --> 00:43:49,800
that go between the caudate basal

1104
00:43:55,790 --> 00:43:51,359
ganglia to other areas of the brain

1105
00:43:58,190 --> 00:43:55,800
memory emotion Etc are reciprocally uh

1106
00:44:00,710 --> 00:43:58,200
either increased or decreased in these

1107
00:44:03,410 --> 00:44:00,720
individuals so it's not a single area of

1108
00:44:06,650 --> 00:44:03,420
the brain that is important uh it

1109
00:44:09,050 --> 00:44:06,660
actually is a network uh that must be

1110
00:44:10,970 --> 00:44:09,060
that in some ways is compensatory and

1111
00:44:12,890 --> 00:44:10,980
frankly again Loops back to the

1112
00:44:15,470 --> 00:44:12,900
beginning of what the title of your

1113
00:44:17,510 --> 00:44:15,480

podcast is all about the neurotypes that

1114

00:44:19,790 --> 00:44:17,520

there's many different ways to structure

1115

00:44:21,290 --> 00:44:19,800

the brain to frankly accomplish the same

1116

00:44:24,470 --> 00:44:21,300

goal it doesn't mean you have to look

1117

00:44:27,410 --> 00:44:24,480

like this to have that there's probably

1118

00:44:29,930 --> 00:44:27,420

many ways I mean in in my cancer work

1119

00:44:32,210 --> 00:44:29,940

it's all about the networks and how

1120

00:44:36,050 --> 00:44:32,220

networks process information and can and

1121

00:44:39,589 --> 00:44:36,060

can one compensatory node can can deal

1122

00:44:44,870 --> 00:44:41,930

um and so but what's good about that is

1123

00:44:46,730 --> 00:44:44,880

what's interesting about networks is uh

1124

00:44:49,609 --> 00:44:46,740

we're not getting too biological if you

1125

00:44:51,230 --> 00:44:49,619

have a complex protein structure of

1126

00:44:53,390 --> 00:44:51,240

multiple proteins

1127

00:44:55,490 --> 00:44:53,400

it turns out that you can make a drug

1128

00:44:57,890 --> 00:44:55,500

against many of those different proteins

1129

00:44:59,510 --> 00:44:57,900

Each of which will accomplish the goal

1130

00:45:01,550 --> 00:44:59,520

that you're seeking which is to either

1131

00:45:03,650 --> 00:45:01,560

anti-cancer or turn something on or turn

1132

00:45:05,870 --> 00:45:03,660

something off so similarly if you think

1133

00:45:08,870 --> 00:45:05,880

about that as a net there's many strings

1134

00:45:11,150 --> 00:45:08,880

on the network you can pluck

1135

00:45:14,270 --> 00:45:11,160

should perhaps change

1136

00:45:15,829 --> 00:45:14,280

Consciousness functions in ways that are

1137

00:45:17,630 --> 00:45:15,839

useful

1138

00:45:19,910 --> 00:45:17,640

or in the case I think of some people

1139

00:45:22,309 --> 00:45:19,920

and I've said this before who let's say

1140

00:45:23,930 --> 00:45:22,319

some people who might end up with mental

1141

00:45:25,430 --> 00:45:23,940

health issues because they just don't

1142

00:45:26,930 --> 00:45:25,440

know how to turn it off

1143

00:45:28,010 --> 00:45:26,940

they're just receiving too much

1144

00:45:30,410 --> 00:45:28,020

information

1145

00:45:32,450 --> 00:45:30,420

and so you know how do we help people

1146

00:45:33,890 --> 00:45:32,460

like that and not think of them as

1147

00:45:36,170 --> 00:45:33,900

having mental health problems but

1148

00:45:40,430 --> 00:45:36,180

they're basically just more aware of the

1149

00:45:44,450 --> 00:45:40,440

universe uh in its in its naked

1150

00:45:47,890 --> 00:45:45,589

yeah

1151

00:45:49,370 --> 00:45:47,900

I mean to that point

1152

00:45:51,950 --> 00:45:49,380

Hoffman's out there saying that

1153

00:45:54,010 --> 00:45:51,960

basically we only need to see enough

1154

00:45:56,450 --> 00:45:54,020

to pass on our genes

1155

00:45:59,470 --> 00:45:56,460

right we don't need to see it all and if

1156

00:46:03,410 --> 00:45:59,480

we did we'd probably you know dissolve

1157

00:46:04,730 --> 00:46:03,420

you know in a go ahead Tyler I I love

1158

00:46:08,270 --> 00:46:04,740

that you said that because I'm curious

1159

00:46:09,950 --> 00:46:08,280

as far as as it pertains to gay people

1160

00:46:12,710 --> 00:46:09,960

and there being something to be said

1161

00:46:14,990 --> 00:46:12,720

about a higher prevalence of gay people

1162

00:46:16,790 --> 00:46:15,000

or people who are questioning or fall

1163

00:46:19,910 --> 00:46:16,800

somewhere in that middle ground

1164

00:46:22,790 --> 00:46:19,920

um that are open to intuitive faculties

1165

00:46:25,309 --> 00:46:22,800

developing them themselves I've wondered

1166

00:46:27,710 --> 00:46:25,319

if that's nature versus nurture if gay

1167

00:46:29,510 --> 00:46:27,720

people might have early experiences of

1168

00:46:31,250 --> 00:46:29,520

being rejected by traditional religion

1169

00:46:34,250 --> 00:46:31,260

and therefore might Embrace Alternatives

1170

00:46:35,990 --> 00:46:34,260

and perhaps that need to be treated one

1171

00:46:38,089 --> 00:46:36,000

is allows them to explore new

1172

00:46:40,250 --> 00:46:38,099

possibilities that perhaps others aren't

1173

00:46:42,230 --> 00:46:40,260

however I'm not necessarily sold on that

1174

00:46:44,270 --> 00:46:42,240

idea I've really genuinely wondered if

1175

00:46:48,050 --> 00:46:44,280

there is something to be said about our

1176
00:46:51,710 --> 00:46:48,060
makeup informing our barrier thickness

1177
00:46:53,329 --> 00:46:51,720
sometimes yes at least yeah no yeah I

1178
00:46:55,370 --> 00:46:53,339
agree I mean I've I've wondered it

1179
00:46:56,809 --> 00:46:55,380
myself and it would I I always try to

1180
00:46:58,250 --> 00:46:56,819
shy away from it because it sounds too

1181
00:47:00,170 --> 00:46:58,260
much like you know one is patting

1182
00:47:02,030 --> 00:47:00,180
oneself on the back

1183
00:47:04,550 --> 00:47:02,040
um and I want to try to you know stay

1184
00:47:06,890 --> 00:47:04,560
away from that but I mean it certainly

1185
00:47:09,349 --> 00:47:06,900
is true you know I don't think this is

1186
00:47:13,069 --> 00:47:09,359
this is uh

1187
00:47:15,170 --> 00:47:13,079
um being uh I don't know uh bigoted in

1188
00:47:18,349 --> 00:47:15,180

any way you know it's it's pretty clear

1189

00:47:20,990 --> 00:47:18,359

that amongst uh the you know the let's

1190

00:47:23,030 --> 00:47:21,000

say the the more gender fluid there is

1191

00:47:26,030 --> 00:47:23,040

more creative

1192

00:47:28,730 --> 00:47:26,040

uh impulse and allowance you know you're

1193

00:47:30,650 --> 00:47:28,740

you're allowed to step outside of the

1194

00:47:32,450 --> 00:47:30,660

boundaries I mean the best science I

1195

00:47:34,309 --> 00:47:32,460

mean it doesn't have to be you know gay

1196

00:47:37,309 --> 00:47:34,319

or gender or anything the best science

1197

00:47:39,290 --> 00:47:37,319

is always when you are you allow

1198

00:47:41,990 --> 00:47:39,300

yourself to see beyond the walls of what

1199

00:47:44,990 --> 00:47:42,000

somebody else previously defined for you

1200

00:47:46,790 --> 00:47:45,000

and so to the extent that any of us

1201

00:47:48,230 --> 00:47:46,800

through whatever experiences in our

1202

00:47:50,329 --> 00:47:48,240

lives whether it's being gay or

1203

00:47:52,910 --> 00:47:50,339

something else you know being a woman

1204

00:47:54,829 --> 00:47:52,920

dealing uh with a man's world or frankly

1205

00:47:56,450 --> 00:47:54,839

being a certain kind of man and dealing

1206

00:48:00,050 --> 00:47:56,460

with a man's world and not wanting to

1207

00:48:01,849 --> 00:48:00,060

conform to ultra masculine uh

1208

00:48:04,849 --> 00:48:01,859

stereotypes

1209

00:48:07,370 --> 00:48:04,859

um that for everybody is a way to Step

1210

00:48:08,569 --> 00:48:07,380

Beyond the walls

1211

00:48:13,309 --> 00:48:08,579

right

1212

00:48:15,470 --> 00:48:13,319

and Ducks induces some of that that

1213

00:48:17,210 --> 00:48:15,480

liminal thinking and the anti-structure

1214

00:48:20,089 --> 00:48:17,220

that we were talking about earlier you

1215

00:48:21,950 --> 00:48:20,099

know so whether like it could be a part

1216

00:48:24,170 --> 00:48:21,960

of the part of the equation too

1217

00:48:25,970 --> 00:48:24,180

mm-hmm yeah and if you look at young as

1218

00:48:28,130 --> 00:48:25,980

well and his archetypes he introduces

1219

00:48:30,829 --> 00:48:28,140

sexuality into some of his archetypes

1220

00:48:32,870 --> 00:48:30,839

quite quite frequently so you know it

1221

00:48:34,490 --> 00:48:32,880

does all intertwine in the way that the

1222

00:48:36,349 --> 00:48:34,500

of the things that we're discussing so I

1223

00:48:37,730 --> 00:48:36,359

find that really fascinating absolutely

1224

00:48:39,829 --> 00:48:37,740

even looking in Greek and Roman

1225

00:48:41,930 --> 00:48:39,839

archetypes of hermaphroditus this kind

1226

00:48:43,670 --> 00:48:41,940

of amalgamation of Hermes and Aphrodite

1227

00:48:46,250 --> 00:48:43,680

you have very masculine and very

1228

00:48:47,990 --> 00:48:46,260

feminine you have the trickster and uh

1229

00:48:50,630 --> 00:48:48,000

you know that aspect all kind of

1230

00:48:54,230 --> 00:48:50,640

together in this gender-neutral or at

1231

00:48:56,270 --> 00:48:54,240

least fluid ambiguous landscape and that

1232

00:48:59,150 --> 00:48:56,280

really I think is the key word ambiguity

1233

00:49:01,609 --> 00:48:59,160

so much paranormal is ambiguous some

1234

00:49:03,650 --> 00:49:01,619

people Revel in those ambiguous areas

1235

00:49:05,809 --> 00:49:03,660

like myself and then others find

1236

00:49:08,089 --> 00:49:05,819

ambiguity absolutely terrifying and

1237

00:49:11,809 --> 00:49:08,099

something to be destroyed so it speaks

1238

00:49:13,309 --> 00:49:11,819

to the The Human Experience

1239

00:49:16,910 --> 00:49:13,319

yeah

1240

00:49:19,730 --> 00:49:16,920

absolutely absolutely well I Vinnie do

1241

00:49:21,050 --> 00:49:19,740

you maybe want to take us over to some

1242

00:49:23,510 --> 00:49:21,060

viewer questions I know we're getting

1243

00:49:25,130 --> 00:49:23,520

close on time here and I want to show

1244

00:49:28,010 --> 00:49:25,140

yeah

1245

00:49:30,349 --> 00:49:28,020

quick shout out to a couple of people

1246

00:49:32,930 --> 00:49:30,359

who have donated so uh papa bear thank

1247

00:49:35,589 --> 00:49:32,940

you so much for the donation and Owen

1248

00:49:38,930 --> 00:49:35,599

from Ohio thank you so much Daniel

1249

00:49:41,270 --> 00:49:38,940

bogazewski thank you so much and then Mr

1250

00:49:43,849 --> 00:49:41,280

carlhood thank you again with a question

1251
00:49:46,430 --> 00:49:43,859
for Gary what is Gary's interpretation

1252
00:49:48,109 --> 00:49:46,440
of Eric W Davis's claims that the immune

1253
00:49:50,030 --> 00:49:48,119
system acts like an antenna to the

1254
00:49:52,490 --> 00:49:50,040
phenomena is he implying that the

1255
00:49:55,160 --> 00:49:52,500
phenomena works like the force Star Wars

1256
00:49:57,069 --> 00:49:55,170
through some kind of midichlorians

1257
00:49:59,329 --> 00:49:57,079
[Laughter]

1258
00:50:00,490 --> 00:49:59,339
those midi Floridians always made my

1259
00:50:03,109 --> 00:50:00,500
skin crawl

1260
00:50:05,390 --> 00:50:03,119
it was like when in E.T they come

1261
00:50:10,490 --> 00:50:05,400
screaming out of the tent he's got DNA

1262
00:50:14,329 --> 00:50:13,190
um actually it was wasn't Eric Davis uh

1263
00:50:17,510 --> 00:50:14,339

it was actually

1264

00:50:19,250 --> 00:50:17,520

um Colin Kelleher Eric has repeated that

1265

00:50:22,250 --> 00:50:19,260

but you know it was actually one of the

1266

00:50:25,670 --> 00:50:22,260

white papers that um a swap or atip

1267

00:50:28,069 --> 00:50:25,680

wrote and the idea was not so much that

1268

00:50:30,109 --> 00:50:28,079

it was somehow purposefully listening

1269

00:50:32,630 --> 00:50:30,119

the immune system it's just that the

1270

00:50:34,550 --> 00:50:32,640

inflammatory processes are like one of

1271

00:50:37,970 --> 00:50:34,560

the first things that happen when you're

1272

00:50:40,730 --> 00:50:37,980

challenged uh at least bodily you know

1273

00:50:42,890 --> 00:50:40,740

uh so the immune system is the first

1274

00:50:46,069 --> 00:50:42,900

place where what are called literally

1275

00:50:47,630 --> 00:50:46,079

alarmons you cut yourself and alarms get

1276

00:50:49,190 --> 00:50:47,640

released they're generically called

1277

00:50:51,290 --> 00:50:49,200

alarms but they're things like cytokines

1278

00:50:53,870 --> 00:50:51,300

and things like that that basically are

1279

00:50:57,650 --> 00:50:53,880

telling the immune system come

1280

00:50:59,809 --> 00:50:57,660

um and to a certain extent there are

1281

00:51:01,730 --> 00:50:59,819

let's say short-term memory in the

1282

00:51:03,950 --> 00:51:01,740

immune system and then there's long-term

1283

00:51:05,930 --> 00:51:03,960

memory a long-term memory you're like B

1284

00:51:09,049 --> 00:51:05,940

cells and T cells

1285

00:51:12,470 --> 00:51:09,059

um and so it was that original paper

1286

00:51:14,569 --> 00:51:12,480

that they had written that caused them

1287

00:51:17,450 --> 00:51:14,579

and others to come to my office that day

1288

00:51:20,510 --> 00:51:17,460

when they were looking for somebody to

1289

00:51:23,390 --> 00:51:20,520

help them with studying the people who'd

1290

00:51:25,609 --> 00:51:23,400

been hurt not because I had any special

1291

00:51:27,710 --> 00:51:25,619

knowledge of brain but because the

1292

00:51:29,150 --> 00:51:27,720

immune system was something that I

1293

00:51:31,309 --> 00:51:29,160

specialized in and at the time and

1294

00:51:34,849 --> 00:51:31,319

actually still we have and had the best

1295

00:51:36,109 --> 00:51:34,859

immune system analysis tool for looking

1296

00:51:38,089 --> 00:51:36,119

at things and so they were really

1297

00:51:40,970 --> 00:51:38,099

following up on some of the earlier

1298

00:51:42,589 --> 00:51:40,980

stuff that that Eric will call him and

1299

00:51:44,510 --> 00:51:42,599

and Eric had been involved themselves

1300

00:51:45,530 --> 00:51:44,520

with you know a lot of people and I'm

1301
00:51:48,290 --> 00:51:45,540
just going to say this a lot of people

1302
00:51:50,630 --> 00:51:48,300
said that you know they were trying to

1303
00:51:53,450 --> 00:51:50,640
use people as guinea pigs that is

1304
00:51:55,430 --> 00:51:53,460
absolutely incorrect the the thing was

1305
00:51:58,609 --> 00:51:55,440
to say was that if there has been

1306
00:52:02,390 --> 00:51:58,619
evidence or if there are interactions to

1307
00:52:04,849 --> 00:52:02,400
the extent that we can uh you know make

1308
00:52:06,170 --> 00:52:04,859
make use of that information

1309
00:52:07,370 --> 00:52:06,180
um let's not throw the baby out with the

1310
00:52:09,950 --> 00:52:07,380
bath water let's collect that let's

1311
00:52:12,890 --> 00:52:09,960
collect that data as we can but no one

1312
00:52:13,970 --> 00:52:12,900
no one ever was was saying let's put

1313
00:52:15,349 --> 00:52:13,980

people out in the middle of the field

1314

00:52:16,510 --> 00:52:15,359

tie them to a stake and wait for the

1315

00:52:18,110 --> 00:52:16,520

uaps

1316

00:52:22,670 --> 00:52:18,120

that's next year

1317

00:52:24,370 --> 00:52:22,680

[Laughter]

1318

00:52:26,690 --> 00:52:24,380

no thank you

1319

00:52:29,270 --> 00:52:26,700

my next question comes from Benji and

1320

00:52:31,849 --> 00:52:29,280

this is both for for Tyler and Gary

1321

00:52:34,190 --> 00:52:31,859

um why are Western societies religious

1322

00:52:36,730 --> 00:52:34,200

and the medical scientific bodies so

1323

00:52:39,290 --> 00:52:36,740

resistant to factor in eastern practices

1324

00:52:41,770 --> 00:52:39,300

I.E meditation spiritual practices

1325

00:52:44,630 --> 00:52:41,780

chakra systems Etc

1326
00:52:46,609 --> 00:52:44,640
Tyler you start I've chatted enough well

1327
00:52:50,410 --> 00:52:46,619
again I think that that is a subject

1328
00:52:52,430 --> 00:52:50,420
that spans philosophy sociology

1329
00:52:54,589 --> 00:52:52,440
anthropology as to where those

1330
00:52:57,049 --> 00:52:54,599
differences lie um in the Eastern versus

1331
00:52:59,109 --> 00:52:57,059
Western mindsets I would say I think

1332
00:53:01,670 --> 00:52:59,119
that we have a more capitalistic

1333
00:53:03,470 --> 00:53:01,680
materialist-based Society in the west

1334
00:53:05,210 --> 00:53:03,480
and that certainly seems to inform

1335
00:53:07,069 --> 00:53:05,220
certain aspects of what people

1336
00:53:08,390 --> 00:53:07,079
prioritize what they're open to and what

1337
00:53:11,210 --> 00:53:08,400
they're not

1338
00:53:13,670 --> 00:53:11,220

um I think you know there has been this

1339

00:53:14,750 --> 00:53:13,680

idea that we can't be comfortable with

1340

00:53:17,809 --> 00:53:14,760

ambiguity

1341

00:53:19,250 --> 00:53:17,819

in a lot of cases and again I'm very

1342

00:53:21,410 --> 00:53:19,260

comfortable with ambiguity when we talk

1343

00:53:23,150 --> 00:53:21,420

about Eastern medicine Western medicine

1344

00:53:25,250 --> 00:53:23,160

I always like to view it as

1345

00:53:27,170 --> 00:53:25,260

complementary not that necessarily there

1346

00:53:28,790 --> 00:53:27,180

is one or the other but that in the

1347

00:53:29,990 --> 00:53:28,800

accordance of both that there can be

1348

00:53:31,609 --> 00:53:30,000

Harmony

1349

00:53:33,650 --> 00:53:31,619

um but again that makes people very

1350

00:53:35,990 --> 00:53:33,660

uncomfortable people want one or the

1351
00:53:37,790 --> 00:53:36,000
other black or white and the Paranormal

1352
00:53:41,270 --> 00:53:37,800
and much of what even I do I believe

1353
00:53:43,730 --> 00:53:41,280
exists in that gray area that is just a

1354
00:53:45,589 --> 00:53:43,740
characteristic of the phenomena

1355
00:53:48,589 --> 00:53:45,599
I think luckily

1356
00:53:52,490 --> 00:53:48,599
the line is moving I mean you know you

1357
00:53:54,470 --> 00:53:52,500
can look at I mean at Stanford we you

1358
00:53:56,630 --> 00:53:54,480
know that they do you know they stick

1359
00:53:58,490 --> 00:53:56,640
they stick pins in people you know is

1360
00:54:01,190 --> 00:53:58,500
something that 10 20 years ago was

1361
00:54:03,530 --> 00:54:01,200
laughed at right I mean there are you

1362
00:54:05,450 --> 00:54:03,540
know in the department of Psychiatry uh

1363
00:54:06,589 --> 00:54:05,460

and I'm good friends with the chair she

1364

00:54:09,829 --> 00:54:06,599

actually used to literally live right

1365

00:54:13,190 --> 00:54:09,839

next door to me until recently

1366

00:54:15,890 --> 00:54:13,200

um you know they they use uh Eastern

1367

00:54:18,589 --> 00:54:15,900

Traditions they are in some of the

1368

00:54:20,450 --> 00:54:18,599

psychiatric uh work they're they're

1369

00:54:22,130 --> 00:54:20,460

investigating the use of psychedelics

1370

00:54:23,510 --> 00:54:22,140

which is right out of shamanic

1371

00:54:27,170 --> 00:54:23,520

Traditions I mean every one of those

1372

00:54:30,349 --> 00:54:27,180

psychedelics came from shamans uh and so

1373

00:54:32,089 --> 00:54:30,359

I think it's because the evidence

1374

00:54:35,089 --> 00:54:32,099

is pointing

1375

00:54:37,849 --> 00:54:35,099

to some inherent truthfulness here

1376
00:54:39,890 --> 00:54:37,859
and so you know I I think in the best of

1377
00:54:42,710 --> 00:54:39,900
scientific Traditions to give let's say

1378
00:54:45,890 --> 00:54:42,720
credit to Western uh

1379
00:54:47,569 --> 00:54:45,900
um Society being willing to start to be

1380
00:54:50,750 --> 00:54:47,579
open to this sort of stuff there isn't

1381
00:54:52,190 --> 00:54:50,760
there isn't a a an openness that is

1382
00:54:54,410 --> 00:54:52,200
expanding

1383
00:54:56,569 --> 00:54:54,420
um and so I'm quite happy for that I

1384
00:55:00,470 --> 00:54:56,579
mean is it going to happen like that no

1385
00:55:02,089 --> 00:55:00,480
because many of the claims of let's say

1386
00:55:04,250 --> 00:55:02,099
the some of the new age philosophies are

1387
00:55:06,770 --> 00:55:04,260
a little bit beyond but there's enough

1388
00:55:08,690 --> 00:55:06,780

truth in them that some people like me

1389

00:55:10,490 --> 00:55:08,700

and others are paying attention and

1390

00:55:15,910 --> 00:55:10,500

saying okay well how can I how can I

1391

00:55:20,569 --> 00:55:18,770

interesting yeah

1392

00:55:21,650 --> 00:55:20,579

um next question I've got in fact I'm

1393

00:55:23,329 --> 00:55:21,660

just going to give a quick shout out

1394

00:55:25,190 --> 00:55:23,339

Carolina thank you so much for the

1395

00:55:26,809 --> 00:55:25,200

donation and Melody as well really

1396

00:55:29,030 --> 00:55:26,819

appreciate it

1397

00:55:31,130 --> 00:55:29,040

I've got a question here for Tyler from

1398

00:55:32,750 --> 00:55:31,140

your name she says dear Tyler I want to

1399

00:55:35,150 --> 00:55:32,760

thank you for being a great teacher for

1400

00:55:37,430 --> 00:55:35,160

me and having this gift I used to be so

1401

00:55:39,230 --> 00:55:37,440

scared and now I understand how was it

1402

00:55:42,470 --> 00:55:39,240

for you in the beginning and how did you

1403

00:55:44,030 --> 00:55:42,480

find the understanding love you well

1404

00:55:45,650 --> 00:55:44,040

thank you so much I so appreciate that

1405

00:55:47,450 --> 00:55:45,660

you know I think we all have intuitive

1406

00:55:50,030 --> 00:55:47,460

faculties we all have an inner tuition

1407

00:55:51,290 --> 00:55:50,040

and I think we can see that from when we

1408

00:55:53,569 --> 00:55:51,300

shake someone's hand and get a first

1409

00:55:55,190 --> 00:55:53,579

impression to when our little dog is

1410

00:55:56,809 --> 00:55:55,200

perhaps looking at us and we got a kind

1411

00:55:58,549 --> 00:55:56,819

of Intuit okay is that the food look or

1412

00:56:00,829 --> 00:55:58,559

that I gotta go potty look

1413

00:56:02,870 --> 00:56:00,839

um you know we use the tuition on it on

1414

00:56:04,910 --> 00:56:02,880

a day-to-day basis and so I think for me

1415

00:56:06,950 --> 00:56:04,920

getting understanding was really a

1416

00:56:09,530 --> 00:56:06,960

process of trust in my own experience

1417

00:56:10,490 --> 00:56:09,540

people often ask if I had mentors and I

1418

00:56:12,770 --> 00:56:10,500

really have found that the greatest

1419

00:56:14,390 --> 00:56:12,780

Mentor has been trying to delve deeper

1420

00:56:16,190 --> 00:56:14,400

into self-awareness to try to become

1421

00:56:18,230 --> 00:56:16,200

more of myself to be familiar with

1422

00:56:19,970 --> 00:56:18,240

myself creatively and The more I've done

1423

00:56:21,890 --> 00:56:19,980

this the more I've kind of created an

1424

00:56:24,890 --> 00:56:21,900

inner world that allows me to navigate

1425

00:56:26,210 --> 00:56:24,900

the outer World accordingly so I think

1426

00:56:29,150 --> 00:56:26,220

that's the beauty of experiencers

1427

00:56:30,890 --> 00:56:29,160

whether they are medium experiencers UFO

1428

00:56:33,170 --> 00:56:30,900

experiencers I think we all can relate

1429

00:56:35,089 --> 00:56:33,180

to that feeling of divisiveness of not

1430

00:56:37,250 --> 00:56:35,099

being necessarily understood by others

1431

00:56:38,870 --> 00:56:37,260

but work is being done and I think

1432

00:56:42,890 --> 00:56:38,880

owning your experiencing and sharing it

1433

00:56:45,890 --> 00:56:42,900

is is a start in getting acceptance

1434

00:56:48,290 --> 00:56:45,900

yeah yeah thank you for that now um and

1435

00:56:50,650 --> 00:56:48,300

then I have uh I just had an anonymous

1436

00:56:54,530 --> 00:56:50,660

question pop in here so if I do okay

1437

00:56:58,069 --> 00:56:54,540

okay so this person's a little shy they

1438

00:57:00,290 --> 00:56:58,079

said Tyler I haven't

1439

00:57:02,650 --> 00:57:00,300

seen any interviews before where you

1440

00:57:05,870 --> 00:57:02,660

discussed why you're interested in UFOs

1441

00:57:07,250 --> 00:57:05,880

how does that connect to your work as a

1442

00:57:08,569 --> 00:57:07,260

medium and could you tell us a little

1443

00:57:10,309 --> 00:57:08,579

more about that

1444

00:57:12,170 --> 00:57:10,319

sure well I would say and just kind of

1445

00:57:13,609 --> 00:57:12,180

speaks to this idea of never being fully

1446

00:57:16,370 --> 00:57:13,619

certain of what you're communicating

1447

00:57:18,349 --> 00:57:16,380

with right and I think that as I've done

1448

00:57:20,690 --> 00:57:18,359

now thousands and thousands of readings

1449

00:57:22,849 --> 00:57:20,700

I've had my own questions it seems that

1450

00:57:24,829 --> 00:57:22,859

at least in my case what I do is only

1451
00:57:26,990 --> 00:57:24,839
made possible by these things that I

1452
00:57:28,370 --> 00:57:27,000
call my guides I don't consider what I

1453
00:57:30,049 --> 00:57:28,380
have to be a gift I don't even

1454
00:57:32,390 --> 00:57:30,059
necessarily view what I do to be

1455
00:57:34,490 --> 00:57:32,400
inherent to me as much as it is inherent

1456
00:57:36,410 --> 00:57:34,500
to them who have followed me throughout

1457
00:57:38,930 --> 00:57:36,420
my life and without them I would be

1458
00:57:40,069 --> 00:57:38,940
nothing so uh yeah there's certainly

1459
00:57:41,809 --> 00:57:40,079
something to be said about the questions

1460
00:57:43,849 --> 00:57:41,819
that presents and naturally I've

1461
00:57:47,089 --> 00:57:43,859
considered non-human intelligence as

1462
00:57:48,710 --> 00:57:47,099
being of something there that is

1463
00:57:51,829 --> 00:57:48,720

responsible

1464

00:57:53,450 --> 00:57:51,839

you know I think Diana Pospelka uh wrote

1465

00:57:56,329 --> 00:57:53,460

American Cosmic kind of went through a

1466

00:57:59,329 --> 00:57:56,339

moment like this where she realized that

1467

00:58:02,510 --> 00:57:59,339

the the Divine ecstasies that she was

1468

00:58:06,109 --> 00:58:02,520

studying of the Saints had similarities

1469

00:58:09,530 --> 00:58:06,119

to so-called UFO experiences and then

1470

00:58:11,569 --> 00:58:09,540

she explored that I mean science uh is

1471

00:58:14,210 --> 00:58:11,579

uh or anything is all about looking for

1472

00:58:16,910 --> 00:58:14,220

parallels and those parallels help you

1473

00:58:18,710 --> 00:58:16,920

create let's say a mathematical set of

1474

00:58:20,150 --> 00:58:18,720

principles that are more General that

1475

00:58:21,770 --> 00:58:20,160

that can explain more things I mean

1476

00:58:23,210 --> 00:58:21,780

frankly that's what that's what

1477

00:58:24,890 --> 00:58:23,220

physicists are looking for The Theory of

1478

00:58:26,990 --> 00:58:24,900

Everything You know I remember the

1479

00:58:30,950 --> 00:58:27,000

moment in time when I was looking at UFO

1480

00:58:34,329 --> 00:58:30,960

stuff and then realizing oh my God this

1481

00:58:38,270 --> 00:58:34,339

is somehow related to mediums and

1482

00:58:40,309 --> 00:58:38,280

poltergeists and uh I wait I just I just

1483

00:58:42,549 --> 00:58:40,319

believed in all of this I can't believe

1484

00:58:46,190 --> 00:58:42,559

in all of that

1485

00:58:48,109 --> 00:58:46,200

you know and then we've all been there

1486

00:58:50,089 --> 00:58:48,119

it's kind of like okay it's but it's

1487

00:58:52,730 --> 00:58:50,099

it's it's a relationship it's not a

1488

00:58:54,170 --> 00:58:52,740

truth that it's the same and so

1489

00:58:55,430 --> 00:58:54,180

um it doesn't mean that they're the same

1490

00:58:58,069 --> 00:58:55,440

it just means that there are

1491

00:59:01,370 --> 00:58:59,750

absolutely

1492

00:59:03,530 --> 00:59:01,380

I just want to give a quick shout out

1493

00:59:05,089 --> 00:59:03,540

here to Science Bob thank you Bob thank

1494

00:59:07,670 --> 00:59:05,099

you says congratulations Vinnie and

1495

00:59:10,130 --> 00:59:07,680

Katie what a wonderful panel and topics

1496

00:59:12,109 --> 00:59:10,140

thank you so much Bob we love you

1497

00:59:13,549 --> 00:59:12,119

now Gary would be remiss of me and I

1498

00:59:16,510 --> 00:59:13,559

would get brutalized in the UFO

1499

00:59:18,950 --> 00:59:16,520

Community if I didn't ask

1500

00:59:20,690 --> 00:59:18,960

you always seem to I know you always

1501

00:59:23,030 --> 00:59:20,700

seem to have the

1502

00:59:24,470 --> 00:59:23,040

um conversations behind the scenes and

1503

00:59:27,170 --> 00:59:24,480

recently we've heard in clings of

1504

00:59:28,849 --> 00:59:27,180

potential new public hearings and I just

1505

00:59:31,250 --> 00:59:28,859

wondered if there was anything you could

1506

00:59:33,109 --> 00:59:31,260

you know tell us about that have you

1507

00:59:35,930 --> 00:59:33,119

heard anything behind the scenes well I

1508

00:59:37,430 --> 00:59:35,940

mean behind the scenes yes uh they're

1509

00:59:38,690 --> 00:59:37,440

you know but I mean I don't even have to

1510

00:59:41,630 --> 00:59:38,700

go behind the scenes I mean it's public

1511

00:59:44,390 --> 00:59:41,640

information now that several of the

1512

00:59:45,950 --> 00:59:44,400

Congress people have talked openly about

1513

00:59:49,190 --> 00:59:45,960

you know literally going to the speaker

1514

00:59:51,170 --> 00:59:49,200

of the house uh McCarthy and and asking

1515

00:59:52,789 --> 00:59:51,180

for these open hearings

1516

00:59:54,230 --> 00:59:52,799

um you know we all know that some of the

1517

00:59:57,289 --> 00:59:54,240

whistleblowers have stepped forward and

1518

00:59:59,450 --> 00:59:57,299

done all of this and uh and and talked

1519

01:00:02,930 --> 00:59:59,460

about this and you know I mean I have a

1520

01:00:05,690 --> 01:00:02,940

I have a letter signed by 12 senators

1521

01:00:08,030 --> 01:00:05,700

saying you know we're doing this right I

1522

01:00:09,829 --> 01:00:08,040

mean I I know as well behind the scenes

1523

01:00:14,210 --> 01:00:09,839

of some of the heads of the intelligence

1524

01:00:16,190 --> 01:00:14,220

agencies and DOD who've literally said

1525

01:00:18,950 --> 01:00:16,200

I won't repeat it because I've been

1526

01:00:21,410 --> 01:00:18,960

asked not to but some astounding

1527

01:00:26,890 --> 01:00:21,420

astounding conclusions

1528

01:00:31,670 --> 01:00:29,089

he's a very good he's a very good

1529

01:00:33,650 --> 01:00:31,680

colleague has a fantastic basically cure

1530

01:00:36,109 --> 01:00:33,660

for some cancers

1531

01:00:39,349 --> 01:00:36,119

um so you can you can pick up the phone

1532

01:00:43,010 --> 01:00:39,359

it's okay no it's okay we've known each

1533

01:00:45,710 --> 01:00:43,020

other for 40 years he can wait

1534

01:00:47,990 --> 01:00:45,720

um so you know I think that I think

1535

01:00:50,990 --> 01:00:48,000

people just need to look three months

1536

01:00:53,870 --> 01:00:51,000

ago as to how far it's come and just

1537

01:00:56,270 --> 01:00:53,880

take heart in the knowledge that there's

1538

01:00:58,910 --> 01:00:56,280

a lot of people who have who have

1539

01:01:00,109 --> 01:00:58,920

crossed over that threshold of wanting

1540

01:01:01,670 --> 01:01:00,119

to move it forward

1541

01:01:04,329 --> 01:01:01,680

you know but I mean back to this

1542

01:01:07,430 --> 01:01:04,339

conversation here

1543

01:01:10,370 --> 01:01:07,440

everybody involved knows that it's not

1544

01:01:12,589 --> 01:01:10,380

just the nuts and bolts and yet we're

1545

01:01:14,329 --> 01:01:12,599

we're being very careful not dancing too

1546

01:01:15,770 --> 01:01:14,339

far over that line because it was scared

1547

01:01:17,030 --> 01:01:15,780

of the Jesus

1548

01:01:22,250 --> 01:01:17,040

out of

1549

01:01:24,950 --> 01:01:22,260

um if it gets too deep into the womb

1550

01:01:28,930 --> 01:01:24,960

you know and so and yet all of us know

1551

01:01:31,010 --> 01:01:28,940

that the Woo is just around the corner

1552

01:01:33,670 --> 01:01:31,020

they can find that out on their own

1553

01:01:36,170 --> 01:01:33,680

later they can find it yeah

1554

01:01:37,549 --> 01:01:36,180

I appreciate you answering that I like I

1555

01:01:40,250 --> 01:01:37,559

said I would have got crucified if I

1556

01:01:44,390 --> 01:01:40,260

didn't at least to try so thank you so

1557

01:01:48,890 --> 01:01:46,190

I'm going to ask you one more follow-up

1558

01:01:52,069 --> 01:01:48,900

question though please please do

1559

01:01:53,809 --> 01:01:52,079

last time we we found out that you may

1560

01:01:56,870 --> 01:01:53,819

have been involved in some prep

1561

01:01:58,910 --> 01:01:56,880

materials you may have helped Mike

1562

01:02:01,370 --> 01:01:58,920

Gallagher find out about the Wilson

1563

01:02:02,630 --> 01:02:01,380

Davis memo which got entered into the

1564

01:02:04,970 --> 01:02:02,640
record

1565

01:02:07,130 --> 01:02:04,980
um can you say if you will be

1566

01:02:10,190 --> 01:02:07,140
participating in any sort of briefings

1567

01:02:12,109 --> 01:02:10,200
or providing white papers to any members

1568

01:02:14,270 --> 01:02:12,119
of Congress beforehand

1569

01:02:16,730 --> 01:02:14,280
I just shouldn't say anything

1570

01:02:18,289 --> 01:02:16,740
okay I've been asked you know I mean I

1571

01:02:19,549 --> 01:02:18,299
think people can infer exactly what I

1572

01:02:20,990 --> 01:02:19,559
mean when I say that

1573

01:02:23,870 --> 01:02:21,000
so

1574

01:02:26,930 --> 01:02:23,880
um you know uh I I am I am certainly not

1575

01:02:29,750 --> 01:02:26,940
Central to the ongoing narrative uh and

1576

01:02:32,150 --> 01:02:29,760

it could happen and continue without me

1577

01:02:35,770 --> 01:02:32,160

um to the extent that I can help I'm

1578

01:02:40,010 --> 01:02:38,450

yeah thank you I'm gonna give a quick

1579

01:02:41,930 --> 01:02:40,020

shout out here to Jordan flowers Jordan

1580

01:02:44,030 --> 01:02:41,940

says sending my gratitude to all of you

1581

01:02:45,470 --> 01:02:44,040

for helping to advance this topic in a

1582

01:02:47,809 --> 01:02:45,480

thoughtful constructive and

1583

01:02:48,829 --> 01:02:47,819

multi-disciplinary way thank you so much

1584

01:02:50,930 --> 01:02:48,839

Jordan

1585

01:02:53,270 --> 01:02:50,940

um we try our best and we love having

1586

01:02:55,309 --> 01:02:53,280

these conversations

1587

01:02:57,109 --> 01:02:55,319

um I think before we end I think Tyler

1588

01:02:59,569 --> 01:02:57,119

if you don't mind just telling us what

1589

01:03:01,370 --> 01:02:59,579

have you got coming up next oh my

1590

01:03:03,049 --> 01:03:01,380

goodness well I recently had a show on

1591

01:03:05,390 --> 01:03:03,059

Netflix come out called life after death

1592

01:03:08,329 --> 01:03:05,400

I travel the country and do group

1593

01:03:10,250 --> 01:03:08,339

readings now we're at 32 cities uh in a

1594

01:03:11,569 --> 01:03:10,260

single year so I feel so thankful to be

1595

01:03:13,910 --> 01:03:11,579

able to connect to people not only on

1596

01:03:16,430 --> 01:03:13,920

UFO Twitter I'm on Instagram all on

1597

01:03:18,530 --> 01:03:16,440

socials and it's so special to be able

1598

01:03:20,750 --> 01:03:18,540

to hear all the different approaches and

1599

01:03:22,430 --> 01:03:20,760

beliefs and I feel really thankful to

1600

01:03:23,829 --> 01:03:22,440

even have been considered today so thank

1601
01:03:26,690 --> 01:03:23,839
you for having me

1602
01:03:28,309 --> 01:03:26,700
same pleasure absolute pleasure thank

1603
01:03:30,829 --> 01:03:28,319
you both we're grateful you both took

1604
01:03:33,230 --> 01:03:30,839
the time yeah of course yeah absolutely

1605
01:03:34,970 --> 01:03:33,240
and to everybody in the live chat thank

1606
01:03:37,670 --> 01:03:34,980
you so much for being here are really

1607
01:03:40,370 --> 01:03:37,680
always means the world to us to to have

1608
01:03:43,549 --> 01:03:40,380
you here showing your support asking

1609
01:03:45,470 --> 01:03:43,559
such brilliant questions and just yeah

1610
01:03:47,089 --> 01:03:45,480
just just being here is enough so thank

1611
01:03:48,470 --> 01:03:47,099
you so much

1612
01:03:49,849 --> 01:03:48,480
um Gary and Tyler if you don't mind just

1613
01:03:52,430 --> 01:03:49,859

hanging around do we just have a two

1614

01:03:53,750 --> 01:03:52,440

minute debrief afterwards guys thank you

1615

01:03:56,450 --> 01:03:53,760

again I'm going to be back next week

1616

01:03:58,010 --> 01:03:56,460

with Dr David Clark please tune in then

1617

01:04:00,589 --> 01:03:58,020

look at all the social medias for the

1618

01:04:02,690 --> 01:04:00,599

dates and times but for now thank you

1619

01:04:05,150 --> 01:04:02,700

once again Tyler Gary and of course
