[Music]

2
00:00:29,990 --> 00:00:23,820
thank you

3
00:00:32,030 --> 00:00:30,000
[Music]

4
00:00:33,830 --> 00:00:32,040
hey guys how's it going welcome back

5
00:00:36,590 --> 00:00:33,840
what's up

6
00:00:39,350 --> 00:00:36,600
Katie it's good to see you it's good to

7
00:00:41,510 --> 00:00:39,360
be here it's been about a month it has

8
00:00:44,990 --> 00:00:41,520
yeah yeah happy to be back in this this

9
00:00:46,250 --> 00:00:45,000
hot seat here absolutely well it's good

10
00:00:48,650 --> 00:00:46,260
to see people in the live chat already

11
00:00:50,990 --> 00:00:48,660
as always guys just keep the chat nice

12
00:00:54,709 --> 00:00:51,000
and cool and calm and collected

13
00:00:56,569 --> 00:00:54,719

and everything will go smoothly so Katie

14

00:00:59,990 --> 00:00:56,579

Let's uh do you want to introduce Our

15

00:01:02,750 --> 00:01:00,000

Guest I do well only so smoothly because

16

00:01:06,469 --> 00:01:02,760

today everybody we are bringing forth

17

00:01:10,310 --> 00:01:06,479

one of the ogs of ufology Mr

18

00:01:14,109 --> 00:01:10,320

doctor actually Alan Greenfield he was

19

00:01:18,050 --> 00:01:14,119

the ufologist of the year in 1972 and

20

00:01:22,370 --> 00:01:18,060

1992. he's written about a billion books

21

00:01:24,770 --> 00:01:22,380

about the occult and he's apparently a

22

00:01:27,050 --> 00:01:24,780

rescuer of Lost ufologists

23

00:01:30,350 --> 00:01:27,060

Alan thanks so much for being with us

24

00:01:33,170 --> 00:01:30,360

oh I'm always delighted to be on

25

00:01:35,149 --> 00:01:33,180

something live so if I really say

26
00:01:41,830 --> 00:01:35,159
something outrageous you can't take it

27
00:01:45,109 --> 00:01:44,330
okay I'll drink a little tea I'll be

28
00:01:47,040 --> 00:01:45,119
fine

29
00:01:49,190 --> 00:01:47,050
yeah we'll see about that

30
00:01:51,950 --> 00:01:49,200
[Laughter]

31
00:01:55,010 --> 00:01:51,960
so for people who are not familiar with

32
00:01:57,170 --> 00:01:55,020
your work tell us a little bit about how

33
00:01:59,569 --> 00:01:57,180
you got into ufology to begin with

34
00:02:02,149 --> 00:01:59,579
you've been in it for quite some time

35
00:02:03,370 --> 00:02:02,159
and we'd love to hear about what got you

36
00:02:08,449 --> 00:02:03,380
into the field

37
00:02:11,150 --> 00:02:08,459
decades and decades and decades

38
00:02:15,110 --> 00:02:11,160

I was fortunate enough to get in when

39

00:02:16,790 --> 00:02:15,120

all of the first gen ufologists as I

40

00:02:18,830 --> 00:02:16,800

said in one of my books

41

00:02:21,770 --> 00:02:18,840

which one was it us all sorts and

42

00:02:23,650 --> 00:02:21,780

saucers plug number one number one

43

00:02:26,930 --> 00:02:23,660

number one

44

00:02:30,890 --> 00:02:26,940

uh not a book that I'm particularly

45

00:02:38,990 --> 00:02:33,710

sometimes I'm use even me

46

00:02:40,490 --> 00:02:39,000

but uh uh the way I got in was just at a

47

00:02:46,070 --> 00:02:40,500

time in my

48

00:02:49,130 --> 00:02:46,080

uh teen years when I was interested in

49

00:02:54,229 --> 00:02:49,140

lots of stuff and got involved with lots

50

00:02:55,610 --> 00:02:54,239

of Clubby things call it a uh adolescent

51

00:02:59,330 --> 00:02:55,620

uh

52

00:03:02,509 --> 00:02:59,340

fetish of sorts because that's what it

53

00:03:04,070 --> 00:03:02,519

was I mean the timing of Freudian would

54

00:03:05,750 --> 00:03:04,080

have a field day with I joined the

55

00:03:08,449 --> 00:03:05,760

Mystic Arts Book Society the science

56

00:03:13,130 --> 00:03:08,459

fiction book club and

57

00:03:16,610 --> 00:03:13,140

and joined the worst possible UFO group

58

00:03:19,850 --> 00:03:16,620

that I can join which is that that was

59

00:03:23,570 --> 00:03:19,860

nightcap the national investigation

60

00:03:28,369 --> 00:03:23,580

committee on aerial phenomena at 1536

61

00:03:30,649 --> 00:03:28,379

Connecticut Avenue Washington 6 DC for

62

00:03:33,910 --> 00:03:30,659

old folks like me they'll know that

63

00:03:36,710 --> 00:03:33,920

before there were zip codes

64

00:03:39,530 --> 00:03:36,720

there were zones

65

00:03:42,289 --> 00:03:39,540

yeah like I'm still living I live in the

66

00:03:44,390 --> 00:03:42,299

same Zone after having traveled all over

67

00:03:48,830 --> 00:03:44,400

the world I'm living in the same Zone

68

00:03:52,809 --> 00:03:48,840

that I grew up in so you know it's uh

69

00:03:58,009 --> 00:03:56,210

listen Alan you you sort of best known I

70

00:03:59,630 --> 00:03:58,019

think for your your book The Secret

71

00:04:02,030 --> 00:03:59,640

Cipher of the youthful notes so I just

72

00:04:03,589 --> 00:04:02,040

wondered what inspired you to write the

73

00:04:05,690 --> 00:04:03,599

book and if you could also give us kind

74

00:04:08,210 --> 00:04:05,700

of a brief outline for anyone that's not

75

00:04:13,429 --> 00:04:08,220

familiar with it of what it's about

76

00:04:20,210 --> 00:04:16,430

I certainly hope so because I I've got

77

00:04:21,710 --> 00:04:20,220

about four hours in me and then being a

78

00:04:24,050 --> 00:04:21,720

mature

79

00:04:27,350 --> 00:04:24,060

probably will tie her off to bed for the

80

00:04:30,650 --> 00:04:27,360

rest of the day but that's you know so

81

00:04:32,030 --> 00:04:30,660

it is and so it is notice I am wearing a

82

00:04:34,969 --> 00:04:32,040

Hawaiian shirt

83

00:04:37,969 --> 00:04:34,979

which I seem to always wear and because

84

00:04:40,670 --> 00:04:37,979

I'm in a temp apartment because they're

85

00:04:43,570 --> 00:04:40,680

renovating my quarters

86

00:04:45,790 --> 00:04:43,580

you know putting the padding in and the

87

00:04:48,770 --> 00:04:45,800

jacket you know all those things

88

00:04:50,570 --> 00:04:48,780

syringes uh

89

00:04:53,270 --> 00:04:50,580

I uh

90

00:04:55,550 --> 00:04:53,280

don't know where much of anything is but

91

00:04:57,230 --> 00:04:55,560

anyway to your question

92

00:05:00,710 --> 00:04:57,240

um

93

00:05:03,770 --> 00:05:00,720

I got involved because I was interested

94

00:05:05,810 --> 00:05:03,780

all of my life and I mean literally

95

00:05:08,350 --> 00:05:05,820

going back as far as I can remember and

96

00:05:11,450 --> 00:05:08,360

I remember back to two

97

00:05:16,490 --> 00:05:11,460

fascinated with UFOs

98

00:05:18,650 --> 00:05:16,500

I'm unfascinated with uaps you apps as I

99

00:05:23,090 --> 00:05:18,660

like to call them you have you have yeah

100

00:05:23,100 --> 00:05:27,529

uh

101
00:05:27,539 --> 00:05:34,010
we're dancing to the government to

102
00:05:38,650 --> 00:05:36,469
I want to discourage you folks right

103
00:05:41,810 --> 00:05:38,660
here at the top before you cut me off

104
00:05:43,370 --> 00:05:41,820
don't use it friends it's playing to

105
00:05:45,950 --> 00:05:43,380
their

106
00:05:49,129 --> 00:05:45,960
Eternal game of build them up

107
00:05:50,510 --> 00:05:49,139
and then disillusion them I've been

108
00:05:53,990 --> 00:05:50,520
through that

109
00:05:57,710 --> 00:05:54,000
five times now in the long history of

110
00:06:00,290 --> 00:05:57,720
ufology that I'm in but anyway I I got

111
00:06:02,870 --> 00:06:00,300
in just early enough

112
00:06:05,629 --> 00:06:02,880
through the teen ufology movement as it

113
00:06:07,310 --> 00:06:05,639

was then down some of us are still

114

00:06:09,890 --> 00:06:07,320

active like

115

00:06:12,189 --> 00:06:09,900

Gene Steinberg

116

00:06:16,990 --> 00:06:12,199

I'm sorry he's a friend of mine sorry

117

00:06:21,290 --> 00:06:17,000

he's a long long time acquaintance

118

00:06:24,170 --> 00:06:21,300

uh and uh Rick hilberg and Dave Halpern

119

00:06:27,230 --> 00:06:24,180

who actually has something on the ball

120

00:06:28,730 --> 00:06:27,240

and if y'all haven't had him on you all

121

00:06:31,309 --> 00:06:28,740

ought to have him on Chris

122

00:06:33,350 --> 00:06:31,319

Dave's a real scholar with good

123

00:06:35,270 --> 00:06:33,360

credentials better than mine actually

124

00:06:37,490 --> 00:06:35,280

because they're in the right field

125

00:06:41,290 --> 00:06:37,500

whereas mine is in

126

00:06:43,730 --> 00:06:41,300

left field far out in the left field

127

00:06:45,830 --> 00:06:43,740

we like the left field it's interesting

128

00:06:48,430 --> 00:06:45,840

well that's a that's because I'm a

129

00:06:51,950 --> 00:06:48,440

leftist but that's neither here

130

00:06:54,890 --> 00:06:51,960

I'm an old one left or something

131

00:06:58,309 --> 00:06:54,900

so one of the things that I have been

132

00:07:00,590 --> 00:06:58,319

fascinated by with your work Alan is the

133

00:07:02,749 --> 00:07:00,600

marrying of ufology in the occult

134

00:07:06,650 --> 00:07:02,759

community and I think for folks who

135

00:07:08,749 --> 00:07:06,660

haven't watched Hellier plug Hillier or

136

00:07:11,270 --> 00:07:08,759

haven't read secret Cipher reviews not

137

00:07:13,969 --> 00:07:11,280

for your other work could you go a

138

00:07:16,809 --> 00:07:13,979

little bit into you know the Western

139

00:07:21,409 --> 00:07:16,819

mystery tradition in esoteric schools

140

00:07:22,850 --> 00:07:21,419

and what the cipher comes from

141

00:07:26,930 --> 00:07:22,860

okay

142

00:07:32,689 --> 00:07:26,940

um I I came to the cipher through a side

143

00:07:35,749 --> 00:07:32,699

door so to speak I had been since

144

00:07:40,430 --> 00:07:35,759

way way back with the Dinosaurs rules

145

00:07:44,290 --> 00:07:40,440

the earth I had been both involved in a

146

00:07:46,909 --> 00:07:44,300

ceremonial magic with a K on the end as

147

00:07:50,210 --> 00:07:46,919

Crowley's affectation has and then I

148

00:07:51,529 --> 00:07:50,220

prefer because it isn't stage frista

149

00:07:53,629 --> 00:07:51,539

digitation

150

00:07:55,309 --> 00:07:53,639

did I say that right press the

151

00:07:58,010 --> 00:07:55,319

digitization you know you press the

152

00:07:59,689 --> 00:07:58,020

button and the duck comes down and gives

153

00:08:02,330 --> 00:07:59,699

you a hundred dollars you know that

154

00:08:06,529 --> 00:08:02,340

scratch of marks and you I'm sorry

155

00:08:08,870 --> 00:08:06,539

we get confused out here on the Dead Sea

156

00:08:13,790 --> 00:08:08,880

you can't swim in it but you can walk on

157

00:08:17,210 --> 00:08:14,870

yeah

158

00:08:18,529 --> 00:08:17,220

you can walk on the Dead Sea because

159

00:08:21,950 --> 00:08:18,539

it's like

160

00:08:24,950 --> 00:08:21,960

90 salt and ten percent water I know

161

00:08:27,409 --> 00:08:24,960

yeah I put that in it in Reddit book

162

00:08:29,749 --> 00:08:27,419

while swimming in it it's weird you

163

00:08:32,029 --> 00:08:29,759

can't drown there even if you want to

164

00:08:35,149 --> 00:08:32,039

even if you're weighed down by Stones

165

00:08:36,909 --> 00:08:35,159

which there aren't a lot of in that area

166

00:08:42,409 --> 00:08:36,919

um

167

00:08:48,650 --> 00:08:45,110

oh that was something all my life I read

168

00:08:50,150 --> 00:08:48,660

a book in the early 1960s this isn't

169

00:08:50,990 --> 00:08:50,160

going to deal with your question at all

170

00:08:52,810 --> 00:08:51,000

but

171

00:08:57,230 --> 00:08:52,820

go for it

172

00:09:00,230 --> 00:08:57,240

it was called it was by a reform Rabbi

173

00:09:02,990 --> 00:09:00,240

which happens to be the religion that I

174

00:09:04,850 --> 00:09:03,000

follow uh and have been you know I'm a

175

00:09:07,430 --> 00:09:04,860

lifelong follower of it while everybody

176

00:09:09,530 --> 00:09:07,440

else I know is into some kind of crazy

177

00:09:15,050 --> 00:09:09,540

Richie Richie thing not to say anybody

178

00:09:17,590 --> 00:09:15,060

here uh and you know I am very cool with

179

00:09:20,090 --> 00:09:17,600

those circles because I like weird stuff

180

00:09:23,290 --> 00:09:20,100

uh it's a

181

00:09:26,030 --> 00:09:23,300

pretty oatmeal type

182

00:09:29,449 --> 00:09:26,040

religious preference but on the other

183

00:09:31,970 --> 00:09:29,459

hand it's very inclusive and it's uh

184

00:09:34,790 --> 00:09:31,980

got liberal attitudes towards the

185

00:09:38,090 --> 00:09:34,800

Supernatural and I could go on about

186

00:09:41,090 --> 00:09:38,100

that what did I get to that for

187

00:09:43,990 --> 00:09:41,100

plugging the temple on Peachtree where I

188

00:09:46,730 --> 00:09:44,000

attend services on a rare occasions

189

00:09:49,130 --> 00:09:46,740

[Laughter]

190

00:09:51,710 --> 00:09:49,140

well is the temple on Peach Tree where

191

00:09:53,990 --> 00:09:51,720

the cipher comes from come on no no no

192

00:09:57,170 --> 00:09:54,000

no no no no no you're good at

193

00:09:59,329 --> 00:09:57,180

circling back I am I'm gonna I'm gonna

194

00:10:01,310 --> 00:09:59,339

wrap a little rope around you and reel

195

00:10:03,829 --> 00:10:01,320

you back to the question

196

00:10:06,190 --> 00:10:03,839

because I know because I think that your

197

00:10:10,130 --> 00:10:06,200

work is criminally

198

00:10:12,170 --> 00:10:10,140

Miss missed in in the modern ufology

199

00:10:14,509 --> 00:10:12,180

movement and I think it's it's widely

200

00:10:17,269 --> 00:10:14,519

known in the Paranormal Community

201
00:10:19,790 --> 00:10:17,279
um in the occult community and I think

202
00:10:21,889 --> 00:10:19,800
there are a lot of folks here as much as

203
00:10:24,949 --> 00:10:21,899
you don't like us disclosure folks I

204
00:10:28,670 --> 00:10:24,959
know it's okay that are very interested

205
00:10:32,870 --> 00:10:28,680
in Keel ideas valet idea is what not and

206
00:10:34,370 --> 00:10:32,880
are right on the cusp of learning about

207
00:10:36,290 --> 00:10:34,380
some of the things you talk about and I

208
00:10:40,009 --> 00:10:36,300
think that you're a great door into that

209
00:10:44,150 --> 00:10:40,019
so um I'm probably the only door of my

210
00:10:47,210 --> 00:10:44,160
generation because back in the day

211
00:10:50,290 --> 00:10:47,220
people would read Keel and still try to

212
00:10:53,210 --> 00:10:50,300
interpret it in terms of Ye Olde

213
00:10:56,150 --> 00:10:53,220

extraterrestrial quote hypothesis

214

00:10:58,670 --> 00:10:56,160

unquote isn't a hypothesis it's a belief

215

00:11:03,590 --> 00:10:58,680

system like a lot of things that call

216

00:11:07,569 --> 00:11:05,509

well I'll tell you the story of how I

217

00:11:12,370 --> 00:11:07,579

got involved okay

218

00:11:15,470 --> 00:11:12,380

I was already many many years in ufology

219

00:11:18,490 --> 00:11:15,480

and at the time

220

00:11:22,430 --> 00:11:18,500

uh which is Circa

221

00:11:26,329 --> 00:11:22,440

1980s early 90s somewhere in there

222

00:11:28,130 --> 00:11:26,339

through the complicated world of my uh

223

00:11:31,990 --> 00:11:28,140

how should I put it

224

00:11:34,250 --> 00:11:32,000

my complex love life

225

00:11:36,650 --> 00:11:34,260

I'll get back to that let me drink a

226

00:11:39,710 --> 00:11:36,660

little tea here

227

00:11:41,269 --> 00:11:39,720

which is in one of my books called what

228

00:11:47,889 --> 00:11:41,279

is it called

229

00:11:53,870 --> 00:11:51,889

we know we know your Sex Magic Book

230

00:11:57,350 --> 00:11:53,880

is that what it is

231

00:12:00,350 --> 00:11:57,360

I thought it was a sort of a parody of

232

00:12:01,910 --> 00:12:00,360

uh you know uh going down the rabbit

233

00:12:04,250 --> 00:12:01,920

hole Alice

234

00:12:07,430 --> 00:12:04,260

in Wonderland did you know that dude

235

00:12:10,550 --> 00:12:07,440

that wrote that was

236

00:12:12,829 --> 00:12:10,560

when he was not writing books for

237

00:12:14,329 --> 00:12:12,839

children he was taking nude pictures of

238

00:12:17,150 --> 00:12:14,339

little girls

239

00:12:20,690 --> 00:12:17,160

the Reverend Dodd I think was his real

240

00:12:23,690 --> 00:12:20,700

name Lewis Carroll yeah that was well is

241

00:12:25,610 --> 00:12:23,700

it the 1800s it was not quite the same

242

00:12:27,650 --> 00:12:25,620

but uh

243

00:12:37,550 --> 00:12:27,660

still

244

00:12:40,430 --> 00:12:37,560

perv but uh but who am I

245

00:12:43,730 --> 00:12:40,440

don't call anybody

246

00:12:47,930 --> 00:12:43,740

so so where was I going with all this

247

00:12:50,870 --> 00:12:47,940

Meandering along is entering into the

248

00:12:55,370 --> 00:12:50,880

Kabbalah Cipher how you came across that

249

00:12:56,690 --> 00:12:55,380

okay I the only reason it overlaps with

250

00:12:59,750 --> 00:12:56,700

my

251

00:13:02,990 --> 00:12:59,760

storied of Life some of which is in the

252

00:13:07,430 --> 00:13:03,000

book I mean I that took some strain and

253

00:13:08,569 --> 00:13:07,440

guts on my part to impart because

254

00:13:10,670 --> 00:13:08,579

it's

255

00:13:14,210 --> 00:13:10,680

all the books that deal with sexual

256

00:13:16,910 --> 00:13:14,220

magic other than mine deal with it from

257

00:13:18,670 --> 00:13:16,920

a theoretical standpoint only and I you

258

00:13:21,710 --> 00:13:18,680

know I go into that but it's basically

259

00:13:23,870 --> 00:13:21,720

the secrets that haven't been secret for

260

00:13:26,150 --> 00:13:23,880

a very long time

261

00:13:28,790 --> 00:13:26,160

um and then the second half of the book

262

00:13:31,550 --> 00:13:28,800

is basically about my own experiences

263

00:13:33,850 --> 00:13:31,560

with it and that's nobody else is doing

264

00:13:37,009 --> 00:13:33,860

that with the impossible exception

265

00:13:39,650 --> 00:13:37,019

briefly of a guy named Lewis culling who

266

00:13:42,110 --> 00:13:39,660

unfortunately has forgotten to history

267

00:13:45,110 --> 00:13:42,120

but he influenced me a lot

268

00:13:47,889 --> 00:13:45,120

anyway so

269

00:13:52,910 --> 00:13:47,899

my

270

00:13:54,490 --> 00:13:52,920

second wife's second husband

271

00:13:57,650 --> 00:13:54,500

who

272

00:13:59,449 --> 00:13:57,660

nevertheless is mostly known by the name

273

00:14:03,110 --> 00:13:59,459

Tina because

274

00:14:05,449 --> 00:14:03,120

she was trans for half the time that I

275

00:14:09,350 --> 00:14:05,459

knew her but back when she was still

276

00:14:10,490 --> 00:14:09,360

doing the guy thing as I say

277

00:14:14,210 --> 00:14:10,500

um

278

00:14:16,069 --> 00:14:14,220

she was one of the chief cooks and

279

00:14:21,009 --> 00:14:16,079

bottle washers and eventually became the

280

00:14:24,650 --> 00:14:21,019

outer head of the order qblh which for

281

00:14:28,009 --> 00:14:24,660

reasons that are not self-apparent

282

00:14:29,629 --> 00:14:28,019

unlike many organizations did not see

283

00:14:32,629 --> 00:14:29,639

itself

284

00:14:37,129 --> 00:14:32,639

at least on the local level as a rival

285

00:14:43,750 --> 00:14:39,590

oh excuse me I'll give the Scout a you

286

00:14:48,170 --> 00:14:43,760

know Scout salute 93.

287

00:14:51,949 --> 00:14:48,180

love and will okay love will and [h__h]

288

00:14:59,569 --> 00:14:56,030

title of DNS with a pine cone however

289

00:15:04,250 --> 00:14:59,579

just just a couple of days ago my my

290

00:15:05,389 --> 00:15:04,260

dear friends the uh uh the newkirks were

291

00:15:08,150 --> 00:15:05,399

saying

292

00:15:11,389 --> 00:15:08,160

can you guess what a call to order Alan

293

00:15:13,189 --> 00:15:11,399

Greenfield is and they said oh he was in

294

00:15:17,150 --> 00:15:13,199

the Oto because he uses every

295

00:15:22,090 --> 00:15:17,160

opportunity on the air to trash them

296

00:15:30,110 --> 00:15:26,689

and I I'm glad to fulfill that role but

297

00:15:33,230 --> 00:15:30,120

anyway uh my second wife's

298

00:15:35,269 --> 00:15:33,240

second husband was a guy that I felt

299

00:15:37,610 --> 00:15:35,279

kind of ambiguous about things they had

300

00:15:39,350 --> 00:15:37,620

children together and then they went

301
00:15:44,329 --> 00:15:39,360
through a big scene because she didn't

302
00:15:47,050 --> 00:15:44,339
like he was in transition I remember a

303
00:15:50,150 --> 00:15:47,060
famous phone call

304
00:15:52,970 --> 00:15:50,160
that I I mean we were on friendly we're

305
00:15:54,949 --> 00:15:52,980
still on friendly terms as far as I know

306
00:15:56,150 --> 00:15:54,959
she isn't going to shoot me and I'm not

307
00:15:58,790 --> 00:15:56,160
going to shoot her and that's better

308
00:16:02,090 --> 00:15:58,800
than I can say with her successor

309
00:16:05,269 --> 00:16:02,100
but anyway uh

310
00:16:08,889 --> 00:16:05,279
uh this story gets a really complicated

311
00:16:12,250 --> 00:16:08,899
so hold on to your uh

312
00:16:15,290 --> 00:16:12,260
but um

313
00:16:16,970 --> 00:16:15,300

my third wife whose name I never

314

00:16:18,889 --> 00:16:16,980

mentioned because she was among other

315

00:16:21,949 --> 00:16:18,899

things a junkie and

316

00:16:24,290 --> 00:16:21,959

a thief and a hooker and there's nothing

317

00:16:27,230 --> 00:16:24,300

wrong with being a hooker but being a

318

00:16:31,910 --> 00:16:27,240

junkie there's something real real wrong

319

00:16:33,650 --> 00:16:31,920

with that I I know and when I the way I

320

00:16:36,110 --> 00:16:33,660

found out she was a thief was she was

321

00:16:39,050 --> 00:16:36,120

taking our children with her when she

322

00:16:40,730 --> 00:16:39,060

was out robbing department stores and

323

00:16:43,490 --> 00:16:40,740

got caught and I got a call from

324

00:16:45,590 --> 00:16:43,500

security saying uh this woman is being

325

00:16:48,829 --> 00:16:45,600

arrested and you should come and collect

326

00:16:52,490 --> 00:16:48,839

your two kids to which I said somewhat

327

00:16:56,329 --> 00:16:52,500

elegantly say what

328

00:17:01,850 --> 00:16:56,339

I'm out of town but I did go collecting

329

00:17:03,889 --> 00:17:01,860

and then it was a mess but anyway she um

330

00:17:08,329 --> 00:17:03,899

uh

331

00:17:11,689 --> 00:17:08,339

I was working like a 50 60 hour week and

332

00:17:15,289 --> 00:17:11,699

she was apparently indulging her

333

00:17:20,569 --> 00:17:15,299

then girlfriend and uh

334

00:17:23,270 --> 00:17:20,579

uh and stealing like a mofa like zots

335

00:17:26,449 --> 00:17:23,280

and lots because she once proudly showed

336

00:17:29,570 --> 00:17:26,459

me this list of stores that they had

337

00:17:32,810 --> 00:17:29,580

and items that they had taken the funny

338

00:17:35,210 --> 00:17:32,820

thing is none of that money ever came

339

00:17:39,230 --> 00:17:35,220

into my household so I assume it was

340

00:17:42,169 --> 00:17:39,240

went to drugs or went to the ring or

341

00:17:45,470 --> 00:17:42,179

whatever so I called my ex-wife number

342

00:17:48,350 --> 00:17:45,480

two and I said

343

00:17:51,230 --> 00:17:48,360

my wife told me she's a lesbian and she

344

00:17:54,110 --> 00:17:51,240

will have sex with me anymore

345

00:17:58,970 --> 00:17:54,120

and she said you think you've got

346

00:18:01,310 --> 00:17:58,980

problems my husband is a woman

347

00:18:02,810 --> 00:18:01,320

I said okay you're always [h__\h]

348

00:18:06,490 --> 00:18:02,820

topping me

349

00:18:11,750 --> 00:18:06,500

I give up okay

350

00:18:14,510 --> 00:18:11,760

but the truth is that by the time they

351

00:18:18,950 --> 00:18:14,520
got involved I just said I like him

352

00:18:20,029 --> 00:18:18,960
than him better than I liked her so

353

00:18:22,549 --> 00:18:20,039
um

354

00:18:25,070 --> 00:18:22,559
uh we developed a relationship I got

355

00:18:27,010 --> 00:18:25,080
involved with qblh even though I was

356

00:18:30,950 --> 00:18:27,020
then a

357

00:18:32,930 --> 00:18:30,960
one of the fair-haired boys of the Oto

358

00:18:34,430 --> 00:18:32,940
if you can believe that actually

359

00:18:37,909 --> 00:18:34,440
happened

360

00:18:39,710 --> 00:18:37,919
it did so you know I think I was that

361

00:18:42,310 --> 00:18:39,720
was during the period I was the lodge

362

00:18:45,470 --> 00:18:42,320
master of Eules Lodge Number 10

363

00:18:49,730 --> 00:18:45,480

Incorporated but I won't talk about the

364

00:18:51,850 --> 00:18:49,740

Oto because I always do and I don't like

365

00:18:54,830 --> 00:18:51,860

becoming a cliché

366

00:18:56,169 --> 00:18:54,840

purple verbal but uh

367

00:19:01,010 --> 00:18:56,179

so

368

00:19:04,210 --> 00:19:01,020

qblh brought the

369

00:19:08,510 --> 00:19:04,220

the cipher based on liberal legus

370

00:19:11,390 --> 00:19:08,520

Crowley's magnum opus if you believe me

371

00:19:13,310 --> 00:19:11,400

or if you believe him the book that was

372

00:19:17,210 --> 00:19:13,320

dictated to him by the Prater human

373

00:19:21,169 --> 00:19:17,220

intelligence I was there already is your

374

00:19:24,110 --> 00:19:21,179

link to ufology and to trans channeling

375

00:19:26,690 --> 00:19:24,120

which is of the ufology sort which

376

00:19:29,870 --> 00:19:26,700

claims to be from

377

00:19:34,070 --> 00:19:29,880

let's say non-terrestrial sources

378

00:19:37,070 --> 00:19:34,080

Crowley was astute enough even in 1904

379

00:19:38,870 --> 00:19:37,080

the Year this historically important

380

00:19:41,710 --> 00:19:38,880

thing happened I mean of course the

381

00:19:45,470 --> 00:19:41,720

birth of my father not the dictation of

382

00:19:47,870 --> 00:19:45,480

liberal legus actually

383

00:19:50,510 --> 00:19:47,880

he was born on the first day of the

384

00:19:52,789 --> 00:19:50,520

Cairo working which was the

385

00:19:55,370 --> 00:19:52,799

Islamic

386

00:19:57,169 --> 00:19:55,380

version of

387

00:20:01,510 --> 00:19:57,179

you know the

388

00:20:08,630 --> 00:20:05,630

15 oops today

389

00:20:12,190 --> 00:20:08,640

Ten Commandments for the people Mel

390

00:20:20,450 --> 00:20:17,090

1981. now earlier 71

391

00:20:23,210 --> 00:20:20,460

couldn't tell you okay so Crowley's here

392

00:20:24,350 --> 00:20:23,220

in Cairo right and he basically channels

393

00:20:31,150 --> 00:20:24,360

this

394

00:20:36,529 --> 00:20:31,160

it contains a cipher correct

395

00:20:38,750 --> 00:20:36,539

well yes but he could not if in fact the

396

00:20:40,190 --> 00:20:38,760

text itself says that he would never

397

00:20:43,909 --> 00:20:40,200

decipher it

398

00:20:46,850 --> 00:20:43,919

he tried in fact the way they were able

399

00:20:50,270 --> 00:20:46,860

to work on it it was not an American

400

00:20:52,430 --> 00:20:50,280

group qblh or otherwise that deciphered

401
00:20:56,930 --> 00:20:52,440
this it was um

402
00:21:00,490 --> 00:20:56,940
uh Jim Lee's Carol Smith and the

403
00:21:03,350 --> 00:21:00,500
recently deceased Jake Street and Kent

404
00:21:05,890 --> 00:21:03,360
who were centered around the British

405
00:21:08,270 --> 00:21:05,900
Journal of ceremonial magic

406
00:21:12,490 --> 00:21:08,280
and were

407
00:21:17,270 --> 00:21:15,770
occult group that had a better take on

408
00:21:20,029 --> 00:21:17,280
things than most of the occult

409
00:21:22,490 --> 00:21:20,039
organizations that have the vast

410
00:21:24,710 --> 00:21:22,500
majority of their membership over here

411
00:21:26,630 --> 00:21:24,720
on this side of the pond

412
00:21:42,230 --> 00:21:26,640
and uh

413
00:21:45,770 --> 00:21:42,240

decoding of this Cipher that existed in

414

00:21:50,029 --> 00:21:45,780

Libra all that made coherent sense all

415

00:21:53,029 --> 00:21:50,039

the way through and was seen as a way to

416

00:21:56,510 --> 00:21:53,039

clarify occult stuff

417

00:21:58,510 --> 00:21:56,520

of course the magical groups the major

418

00:22:01,730 --> 00:21:58,520

groups in America

419

00:22:04,190 --> 00:22:01,740

decided that that was [h__h] because

420

00:22:06,789 --> 00:22:04,200

it wasn't coming from them

421

00:22:10,669 --> 00:22:06,799

and that it's just it's always getting

422

00:22:13,370 --> 00:22:10,679

politics politics politics

423

00:22:15,590 --> 00:22:13,380

but you took the cipher a step further

424

00:22:19,310 --> 00:22:15,600

because you noticed that a lot of these

425

00:22:22,310 --> 00:22:19,320

historical UFO cases they were weird

426

00:22:25,549 --> 00:22:22,320

names content names things like that

427

00:22:27,529 --> 00:22:25,559

right you're moving the story along at a

428

00:22:32,510 --> 00:22:27,539

pace that I can't keep up with because

429

00:22:36,470 --> 00:22:32,520

I'm old I'm sorry slow it down then so

430

00:22:39,950 --> 00:22:36,480

Kim or Tina as I think for now but at

431

00:22:43,250 --> 00:22:39,960

that time Tim says hey Alan

432

00:22:45,770 --> 00:22:43,260

are you acquainted with the uh

433

00:22:47,750 --> 00:22:45,780

uh naeq

434

00:22:49,610 --> 00:22:47,760

and I said is that some kind of English

435

00:22:52,669 --> 00:22:49,620

Kabbalah because I've heard other

436

00:22:56,029 --> 00:22:52,679

English kabbalhs and at one time I was

437

00:22:58,430 --> 00:22:56,039

the greeter at Eules Lodge back at the

438

00:23:00,289 --> 00:22:58,440

beginning and half the people that came

439

00:23:02,529 --> 00:23:00,299

in said they were reincarnations of

440

00:23:08,090 --> 00:23:02,539

Aleister Crowley and the other half said

441

00:23:14,810 --> 00:23:11,810

go sit over at our meeting table next to

442

00:23:17,570 --> 00:23:14,820

the other manifestations of the God of

443

00:23:24,830 --> 00:23:17,580

Wars I mean it was the too many

444

00:23:31,610 --> 00:23:29,630

bill of Horus and Steve Horus and so it

445

00:23:34,909 --> 00:23:31,620

was a lot of that I mean you got sincere

446

00:23:37,970 --> 00:23:34,919

people but mostly you got drug addicts

447

00:23:40,970 --> 00:23:37,980

and people looking to get laid that was

448

00:23:42,890 --> 00:23:40,980

dear agar back in the day in that

449

00:23:49,330 --> 00:23:42,900

organization whose name I've now

450

00:23:56,330 --> 00:23:53,090

oh always they they have been very very

451
00:23:59,049 --> 00:23:56,340
good to me they're good people yes they

452
00:24:03,049 --> 00:23:59,059
are and also very very

453
00:24:07,789 --> 00:24:03,059
on the beam in the zone however you want

454
00:24:12,830 --> 00:24:07,799
to put it and you know my hope is since

455
00:24:14,470 --> 00:24:12,840
my generation is very fading what a

456
00:24:15,490 --> 00:24:14,480
world

457
00:24:16,789 --> 00:24:15,500
[Laughter]

458
00:24:22,370 --> 00:24:16,799
[Music]

459
00:24:24,529 --> 00:24:22,380
that people in their oh 30s and 40s are

460
00:24:26,450 --> 00:24:24,539
going to take up the banner and for a

461
00:24:29,270 --> 00:24:26,460
long time I kept expecting it and

462
00:24:30,970 --> 00:24:29,280
getting more people who were

463
00:24:35,510 --> 00:24:30,980

you know

464

00:24:38,930 --> 00:24:35,520

uh doing what what ufologists of my

465

00:24:40,070 --> 00:24:38,940

generation were doing 50 years ago

466

00:24:42,470 --> 00:24:40,080

literally

467

00:24:45,890 --> 00:24:42,480

and reaching the same non-conclusion

468

00:24:47,990 --> 00:24:45,900

which is no conclusion at all just we

469

00:24:50,630 --> 00:24:48,000

believe they are extraterrestrial in

470

00:24:53,990 --> 00:24:50,640

their visiting the Earth and depending

471

00:24:57,010 --> 00:24:54,000

on how liberal

472

00:25:00,890 --> 00:24:57,020

everybody see this quotes

473

00:25:03,970 --> 00:25:00,900

how liberal they were they would say and

474

00:25:07,010 --> 00:25:03,980

perhaps some of these

475

00:25:11,029 --> 00:25:07,020

Landing cases

476
00:25:14,390 --> 00:25:11,039
who our boss is getting really mad at me

477
00:25:16,730 --> 00:25:14,400
now I can see it on his face I'm a

478
00:25:23,049 --> 00:25:16,740
person of loving kindness

479
00:25:31,850 --> 00:25:25,850
you are now a knight of the French

480
00:25:36,590 --> 00:25:34,430
I made my publisher a night but that's

481
00:25:39,049 --> 00:25:36,600
neither here nor there that's

482
00:25:40,669 --> 00:25:39,059
something we do we make on Bishops we

483
00:25:43,730 --> 00:25:40,679
make them nights we push them off into

484
00:25:46,490 --> 00:25:43,740
the ether and let them become whatever

485
00:25:48,789 --> 00:25:46,500
they want to become because

486
00:25:52,430 --> 00:25:48,799
the one thing I learned from that

487
00:25:53,570 --> 00:25:52,440
organization whose Name Escapes me is

488
00:25:57,950 --> 00:25:53,580

that

489

00:26:01,130 --> 00:25:57,960

people need to be who they are not who

490

00:26:04,090 --> 00:26:01,140

the group wishes them to be so give them

491

00:26:07,029 --> 00:26:04,100

the authority

492

00:26:09,370 --> 00:26:07,039

my fingers are disappearing what is it

493

00:26:12,710 --> 00:26:09,380

into the Dead Sea

494

00:26:15,409 --> 00:26:12,720

it means I don't own a green screen and

495

00:26:19,190 --> 00:26:15,419

I'm too poor to buy one

496

00:26:21,950 --> 00:26:19,200

right there with you buddy okay yeah I

497

00:26:24,590 --> 00:26:21,960

mean look when I chose to be a writer

498

00:26:27,710 --> 00:26:24,600

rather than a teacher or a rabbi or

499

00:26:30,289 --> 00:26:27,720

something with the credentials I had I

500

00:26:34,690 --> 00:26:30,299

can it was the 70s

501

00:26:37,490 --> 00:26:34,700

and all things were ideal in the 70s

502

00:26:39,350 --> 00:26:37,500

most have forgotten that era because

503

00:26:42,830 --> 00:26:39,360

they were way too stoned to remember it

504

00:26:44,930 --> 00:26:42,840

and anyway it's embarrassing I wasn't I

505

00:26:47,690 --> 00:26:44,940

wasn't stoned at all I would watch them

506

00:26:50,390 --> 00:26:47,700

take their hundred dollar bill go out to

507

00:26:52,370 --> 00:26:50,400

their cars from the Limelight at the

508

00:26:53,750 --> 00:26:52,380

Disco Kroger which is the local

509

00:26:56,990 --> 00:26:53,760

equivalent of

510

00:27:01,310 --> 00:26:57,000

was it called in New York this is I

511

00:27:03,649 --> 00:27:01,320

remember 71 64. uh Trump hung out there

512

00:27:05,870 --> 00:27:03,659

all of the beautiful people hung out

513

00:27:09,070 --> 00:27:05,880

what was the name of that club the Disco

514

00:27:13,390 --> 00:27:09,080

to end all discuss way before your time

515

00:27:17,350 --> 00:27:13,400

GTA 54 yes Bingo

516

00:27:17,360 --> 00:27:21,230

it was 100

517

00:27:26,289 --> 00:27:24,890

it varies you know it was like 25 on

518

00:27:29,990 --> 00:27:26,299

some episodes

519

00:27:32,570 --> 00:27:30,000

but that was just Groucho you know yeah

520

00:27:35,990 --> 00:27:32,580

we my people have a reputation of

521

00:27:37,730 --> 00:27:36,000

stinginess which is not true and I am

522

00:27:40,669 --> 00:27:37,740

taking all the money that you're paying

523

00:27:42,950 --> 00:27:40,679

me to say whatever it is you want me to

524

00:27:47,330 --> 00:27:42,960

everything we are we are paying you

525

00:27:51,169 --> 00:27:47,340

quite handsomely yes yes the the usual

526

00:27:53,210 --> 00:27:51,179

fee that most podcasts uh pay which is

527

00:27:55,370 --> 00:27:53,220

why I like to do podcasts I used to do

528

00:27:58,130 --> 00:27:55,380

television and they do pay

529

00:28:01,490 --> 00:27:58,140

but then you have to to perform like a

530

00:28:02,870 --> 00:28:01,500

trained monkey I mean quite literally

531

00:28:06,529 --> 00:28:02,880

you know

532

00:28:08,570 --> 00:28:06,539

they said okay move to your mark and see

533

00:28:12,409 --> 00:28:08,580

our hosts

534

00:28:15,049 --> 00:28:12,419

say Mark that's something from

535

00:28:19,190 --> 00:28:15,059

acting isn't it

536

00:28:22,490 --> 00:28:19,200

I am not an acouture I have on more than

537

00:28:24,409 --> 00:28:22,500

a few occasions been a performer of

538

00:28:29,870 --> 00:28:24,419

ritual

539

00:28:31,970 --> 00:28:29,880

mystery plays but I am not an acator and

540

00:28:35,570 --> 00:28:31,980

I more importantly this was in New York

541

00:28:41,269 --> 00:28:38,330

I'm not a member of the Union

542

00:28:43,909 --> 00:28:41,279

so then after this whole thing this was

543

00:28:46,990 --> 00:28:43,919

on what was it on

544

00:28:51,310 --> 00:28:47,000

uh Brad meltzer's

545

00:28:58,669 --> 00:28:55,130

with the three the three experts no

546

00:29:01,850 --> 00:28:58,679

Larry and curling and uh

547

00:29:03,529 --> 00:29:01,860

they had me do this at the end I mean we

548

00:29:06,710 --> 00:29:03,539

had sat and talked for a couple hours

549

00:29:09,049 --> 00:29:06,720

they edited my part down to like a

550

00:29:11,269 --> 00:29:09,059

minute but well it wasn't quite a minute

551
00:29:15,350 --> 00:29:11,279
it was more like three minutes and then

552
00:29:17,269 --> 00:29:15,360
they said okay but you have to greet us

553
00:29:18,889 --> 00:29:17,279
so go back to the ferry this was on

554
00:29:20,810 --> 00:29:18,899
Liberty Island

555
00:29:25,549 --> 00:29:20,820
and act like you're getting off the

556
00:29:27,710 --> 00:29:25,559
ferry move to your mark recognize us and

557
00:29:30,950 --> 00:29:27,720
we will meet and I thought

558
00:29:34,549 --> 00:29:30,960
you fakes

559
00:29:37,070 --> 00:29:34,559
[h__\h] frauds do I do this or do I just

560
00:29:40,210 --> 00:29:37,080
walk onto the ferry but no they haven't

561
00:29:42,470 --> 00:29:40,220
given me cab fare back in my hotel yet

562
00:29:44,330 --> 00:29:42,480
and anyway they're paying for the hotel

563
00:29:47,090 --> 00:29:44,340

bill and if I piss them off they

564

00:29:49,850 --> 00:29:47,100

probably will stick me with the bill so

565

00:29:52,730 --> 00:29:49,860

I said okay so I walk to the mark look

566

00:30:00,010 --> 00:29:57,710

you must be the experts Mo Larry and

567

00:30:03,590 --> 00:30:00,020

Curly Joe

568

00:30:07,190 --> 00:30:03,600

I'm sure they loved that they said go

569

00:30:09,710 --> 00:30:07,200

for take two back to the ferry so we

570

00:30:12,789 --> 00:30:09,720

went through it a number of times I

571

00:30:15,370 --> 00:30:12,799

stopped doing uh a hysteria Channel

572

00:30:19,610 --> 00:30:15,380

programs after that

573

00:30:22,549 --> 00:30:19,620

that's a good one I I'm I'm good at this

574

00:30:24,549 --> 00:30:22,559

sort of things the odor template oops

575

00:30:28,250 --> 00:30:24,559

I'm saying it again

576

00:30:30,730 --> 00:30:28,260

well it's the only cult I ever belong to

577

00:30:33,649 --> 00:30:30,740

unless you count the Boy Scouts

578

00:30:35,330 --> 00:30:33,659

and I you know I I had a better

579

00:30:38,090 --> 00:30:35,340

experience there

580

00:30:41,810 --> 00:30:38,100

and it was less expensive and

581

00:30:42,710 --> 00:30:41,820

had all the signs and grips and all of

582

00:30:48,110 --> 00:30:42,720

that

583

00:30:50,590 --> 00:30:48,120

help you get

584

00:30:53,990 --> 00:30:50,600

to those ultimate degrees

585

00:30:57,049 --> 00:30:54,000

where you get whispered in your ear

586

00:31:02,450 --> 00:30:57,059

read the document

587

00:31:07,669 --> 00:31:04,630

oh yeah right

588

00:31:13,250 --> 00:31:07,679

the guy that did way too much acid in

589

00:31:15,130 --> 00:31:13,260

the 60s so okay so anyway so

590

00:31:20,210 --> 00:31:15,140

uh

591

00:31:23,149 --> 00:31:20,220

the future outer head of the qblh hands

592

00:31:25,430 --> 00:31:23,159

me a unfortunately no longer available

593

00:31:27,830 --> 00:31:25,440

as far as I know and if anybody knows

594

00:31:30,470 --> 00:31:27,840

otherwise let me know computer program

595

00:31:34,730 --> 00:31:30,480

that was extremely sophisticated because

596

00:31:42,169 --> 00:31:38,510

was a computer whiz Way Beyond almost

597

00:31:44,810 --> 00:31:42,179

anybody that you can think of including

598

00:31:47,750 --> 00:31:44,820

the people who became billionaires the

599

00:31:50,389 --> 00:31:47,760

thing is because of I mean I'm not going

600

00:31:54,710 --> 00:31:50,399

to editorialize about this too much but

601
00:31:58,130 --> 00:31:54,720
because of her insistence on addressing

602
00:32:01,450 --> 00:31:58,140
and acting as a woman at that point in

603
00:32:04,430 --> 00:32:01,460
her transition she had to work from home

604
00:32:07,430 --> 00:32:04,440
and she was doing medical programming

605
00:32:08,990 --> 00:32:07,440
for the CDC to give you some idea of the

606
00:32:10,970 --> 00:32:09,000
level of competency

607
00:32:15,950 --> 00:32:10,980
but it was one bad thing right after

608
00:32:18,110 --> 00:32:15,960
another and her life ended not well but

609
00:32:20,450 --> 00:32:18,120
at that time she was you know very

610
00:32:24,889 --> 00:32:20,460
active in qblh which I had never even

611
00:32:30,049 --> 00:32:24,899
heard of she introduced me to the uh the

612
00:32:35,889 --> 00:32:30,059
Puba uh the well-named ahead of his time

613
00:32:43,430 --> 00:32:39,710

who had been one of the co-founders of

614

00:32:44,870 --> 00:32:43,440

that way way back in 1960

615

00:32:48,889 --> 00:32:44,880

I was

616

00:32:50,210 --> 00:32:48,899

but uh but a pimply face that in high

617

00:32:53,210 --> 00:32:50,220

school

618

00:32:58,310 --> 00:32:53,220

doing what simply faced LEDs in high

619

00:33:01,669 --> 00:32:58,320

school usually do and a lot maybe five

620

00:33:01,679 --> 00:33:04,610

Alan

621

00:33:09,289 --> 00:33:06,049

Katie

622

00:33:12,409 --> 00:33:09,299

huh we don't want to hear about that

623

00:33:16,090 --> 00:33:12,419

sure you do it's all boundary that's the

624

00:33:23,750 --> 00:33:20,090

okay I'll put my pants back on now

625

00:33:26,810 --> 00:33:23,760

who is that guy on CNN who was jerking

626
00:33:29,090 --> 00:33:26,820
off while they were having a conference

627
00:33:30,830 --> 00:33:29,100
of the reporters I mean they kept him

628
00:33:34,850 --> 00:33:30,840
off the air for like six months after

629
00:33:37,789 --> 00:33:34,860
that he was lonely it was during covid

630
00:33:41,149 --> 00:33:37,799
he did he didn't go blind you know

631
00:33:43,730 --> 00:33:41,159
that we know of well no they have him

632
00:33:47,029 --> 00:33:43,740
back now and they never mention it

633
00:33:48,950 --> 00:33:47,039
and I guess he does it either and

634
00:33:52,009 --> 00:33:48,960
he puts his hands up so that everybody

635
00:33:56,029 --> 00:33:52,019
you know who knows what who knows what

636
00:33:57,169 --> 00:33:56,039
people will do or not do so

637
00:34:00,769 --> 00:33:57,179
um

638
00:34:04,970 --> 00:34:00,779

it was built to me as

639

00:34:07,909 --> 00:34:04,980

a cipher that illuminated

640

00:34:11,750 --> 00:34:07,919

occult stuff

641

00:34:14,270 --> 00:34:11,760

and that was probably During the period

642

00:34:15,710 --> 00:34:14,280

that I was beginning to have questions

643

00:34:18,109 --> 00:34:15,720

about

644

00:34:23,030 --> 00:34:18,119

the group I was in so I got involved in

645

00:34:24,770 --> 00:34:23,040

qblh simultaneously with my other

646

00:34:27,909 --> 00:34:24,780

affiliation

647

00:34:31,730 --> 00:34:27,919

consonant with since I play by the rules

648

00:34:35,629 --> 00:34:34,430

loyalties being to the

649

00:34:38,050 --> 00:34:35,639

uh

650

00:34:42,649 --> 00:34:38,060

the group that will remain

651
00:34:45,770 --> 00:34:42,659
momentarily nameless and uh

652
00:34:47,930 --> 00:34:45,780
I was not therefore as interested as I

653
00:34:50,570 --> 00:34:47,940
would have been a year before I thought

654
00:34:54,290 --> 00:34:50,580
well another occult Cipher there are so

655
00:34:57,650 --> 00:34:54,300
many and I'm familiar with uh

656
00:34:59,570 --> 00:34:57,660
uh Hebrew Kabbalah and that's a lesser

657
00:35:02,510 --> 00:34:59,580
extent Greek cabalis so I know the

658
00:35:05,030 --> 00:35:02,520
principles involved and I read some of

659
00:35:07,490 --> 00:35:05,040
the literature from the British Journal

660
00:35:09,829 --> 00:35:07,500
of ceremonial magic which the qblh by

661
00:35:10,970 --> 00:35:09,839
then had

662
00:35:14,450 --> 00:35:10,980
um

663
00:35:23,089 --> 00:35:18,230

it seemed perfectly valid

664

00:35:26,030 --> 00:35:23,099

I asked my superiors about it and my

665

00:35:28,250 --> 00:35:26,040

superiors said oh no no no no no no this

666

00:35:31,970 --> 00:35:28,260

is not a solution to that

667

00:35:35,329 --> 00:35:31,980

so I asked some more because clearly it

668

00:35:38,630 --> 00:35:35,339

was and clearly they were being uh what

669

00:35:40,490 --> 00:35:38,640

do they say in Psychology resistant

670

00:35:42,109 --> 00:35:40,500

and

671

00:35:45,349 --> 00:35:42,119

um

672

00:35:48,470 --> 00:35:45,359

I didn't go into it in depth but the

673

00:35:52,430 --> 00:35:48,480

computer program called lexicon which

674

00:35:55,550 --> 00:35:52,440

Tina had invented using I guess since

675

00:35:57,890 --> 00:35:55,560

she's long gone I can say when she was

676
00:35:59,390 --> 00:35:57,900
working at the Ford Motor Company in

677
00:36:02,210 --> 00:35:59,400
Upstate New York

678
00:36:03,550 --> 00:36:02,220
she had access to their mainframe

679
00:36:07,670 --> 00:36:03,560
computers

680
00:36:11,170 --> 00:36:07,680
and the Lexicon was developed on their

681
00:36:13,190 --> 00:36:11,180
Mainframe I once asked her well

682
00:36:17,390 --> 00:36:13,200
when you

683
00:36:19,130 --> 00:36:17,400
made it accessible to home PCS is a

684
00:36:23,390 --> 00:36:19,140
floppy disk program which is why you

685
00:36:28,550 --> 00:36:25,790
how did you remove it and said remove it

686
00:36:32,990 --> 00:36:28,560
it's probably still running there

687
00:36:35,390 --> 00:36:33,000
so agents of the Ford Motor Company

688
00:36:38,510 --> 00:36:35,400

you've got something running in the

689

00:36:41,109 --> 00:36:38,520

background on your machines

690

00:36:43,970 --> 00:36:41,119

because there are

691

00:36:45,710 --> 00:36:43,980

gazillions of alternative ciphers now

692

00:36:48,349 --> 00:36:45,720

some of the current people that I

693

00:36:50,089 --> 00:36:48,359

respect in this say they're only a

694

00:36:53,750 --> 00:36:50,099

limited number because they're a limited

695

00:36:57,290 --> 00:36:53,760

number of combinations of the 26 letters

696

00:37:00,950 --> 00:36:57,300

of the English alphabet which is where

697

00:37:04,190 --> 00:37:00,960

I think people who try to over apply

698

00:37:06,349 --> 00:37:04,200

Hebrew Kabbalah principles

699

00:37:09,530 --> 00:37:06,359

to the English Kabbalah miss out on

700

00:37:11,810 --> 00:37:09,540

because Hebrew is a 22 letter alphabet

701
00:37:15,290 --> 00:37:11,820
with no vowels

702
00:37:19,130 --> 00:37:15,300
so a lot of stuff gets Lost in

703
00:37:20,690 --> 00:37:19,140
Translation and always has

704
00:37:23,750 --> 00:37:20,700
um

705
00:37:27,410 --> 00:37:23,760
but also it

706
00:37:30,470 --> 00:37:27,420
it makes for a

707
00:37:33,349 --> 00:37:30,480
an unsmooth transition

708
00:37:37,190 --> 00:37:33,359
and we don't have a Geniuses like Tina

709
00:37:40,670 --> 00:37:37,200
around to rearrange it we have uh really

710
00:37:45,349 --> 00:37:40,680
good people with using computers too

711
00:37:48,170 --> 00:37:45,359
sort of enshrine the use of the cipher

712
00:37:49,910 --> 00:37:48,180
against the text of

713
00:37:52,069 --> 00:37:49,920

liberal

714

00:37:54,829 --> 00:37:52,079
and come up with really really

715

00:37:56,810 --> 00:37:54,839
interesting items that pertain to

716

00:37:59,270 --> 00:37:56,820
whatever the whatever number of values

717

00:38:00,349 --> 00:37:59,280
they have generated from a word or a

718

00:38:03,589 --> 00:38:00,359
phrase

719

00:38:05,270 --> 00:38:03,599
so at some point since I was not

720

00:38:10,069 --> 00:38:05,280
enthused

721

00:38:12,349 --> 00:38:10,079
but my other hat was ufology I decided

722

00:38:16,210 --> 00:38:12,359
to try it on

723

00:38:20,810 --> 00:38:16,220
some of the strange names of

724

00:38:24,470 --> 00:38:20,820
uh planets and beings that are given out

725

00:38:27,589 --> 00:38:24,480
both in classical contact elore well

726

00:38:30,650 --> 00:38:27,599

known to people in

727

00:38:31,609 --> 00:38:30,660

in ufology who don't just simply write

728

00:38:33,050 --> 00:38:31,619

the

729

00:38:35,329 --> 00:38:33,060

uh

730

00:38:37,490 --> 00:38:35,339

trans channeling or the contact team

731

00:38:38,750 --> 00:38:37,500

movement off

732

00:38:41,750 --> 00:38:38,760

um

733

00:38:44,510 --> 00:38:41,760

which is still not as many as it should

734

00:38:47,270 --> 00:38:44,520

be although I've seen some change in

735

00:38:49,370 --> 00:38:47,280

that direction at least to understanding

736

00:38:51,230 --> 00:38:49,380

that something of significance is

737

00:38:53,690 --> 00:38:51,240

involved here

738

00:38:56,990 --> 00:38:53,700

which is something that borderline

739

00:39:01,010 --> 00:38:57,000

Sciences figured out in 1945 before even

740

00:39:03,470 --> 00:39:01,020

the term Flying Saucer came into being

741

00:39:13,010 --> 00:39:07,310

I decided to try the cipher using

742

00:39:16,130 --> 00:39:13,020

lexicon on some of those names I and

743

00:39:19,730 --> 00:39:16,140

they were immediately responsive and

744

00:39:22,130 --> 00:39:19,740

very very specific ways there was a kind

745

00:39:24,589 --> 00:39:22,140

of a signal to noise ratio I mean there

746

00:39:27,829 --> 00:39:24,599

was right nonsense stuff that came

747

00:39:30,170 --> 00:39:27,839

through but the

748

00:39:32,390 --> 00:39:30,180

the probability

749

00:39:36,050 --> 00:39:32,400

and I mean that in the formal sense of

750

00:39:38,690 --> 00:39:36,060

probability theory that the hits

751

00:39:40,970 --> 00:39:38,700

were coincidental

752

00:39:44,870 --> 00:39:40,980

was

753

00:39:46,910 --> 00:39:44,880

uh smaller than most of of this the

754

00:39:50,510 --> 00:39:46,920

similar things that are found in

755

00:39:51,609 --> 00:39:50,520

academic parapsychology that lead many

756

00:39:55,190 --> 00:39:51,619

academic

757

00:39:58,130 --> 00:39:55,200

parapsychologists to say that the case

758

00:40:01,730 --> 00:39:58,140

for PSI is overwhelming

759

00:40:05,150 --> 00:40:01,740

okay so that being the case I started

760

00:40:06,829 --> 00:40:05,160

applying it to the what I then called uh

761

00:40:11,270 --> 00:40:06,839

the funny names

762

00:40:13,849 --> 00:40:11,280

in ufology came a time when I felt that

763

00:40:17,510 --> 00:40:13,859

I needed to write a book about it

764

00:40:19,150 --> 00:40:17,520

and I went down to my hometown rented a

765

00:40:22,250 --> 00:40:19,160

trailer

766

00:40:25,910 --> 00:40:22,260

and started

767

00:40:28,550 --> 00:40:25,920

writing what became seek Secret's life

768

00:40:32,030 --> 00:40:28,560

for the euphenots and then its sequel

769

00:40:34,569 --> 00:40:32,040

which was really part of one book secret

770

00:40:37,849 --> 00:40:34,579

rituals of the Men in Black

771

00:40:40,690 --> 00:40:37,859

and secret Cipher came out it was quite

772

00:40:44,270 --> 00:40:40,700

a hit at the time uh

773

00:40:48,470 --> 00:40:44,280

illuminate press of sainted memory

774

00:40:51,410 --> 00:40:48,480

uh published it and they were a

775

00:40:52,609 --> 00:40:51,420

really conscientious publisher Ron bonds

776
00:40:56,810 --> 00:40:52,619
was the

777
00:40:59,930 --> 00:40:56,820
major mover and Shaker there and he had

778
00:41:03,349 --> 00:40:59,940
a good stable of people Jim Keith Carrie

779
00:41:05,950 --> 00:41:03,359
Thornley and other

780
00:41:09,829 --> 00:41:05,960
fellow really

781
00:41:12,849 --> 00:41:09,839
esoteric writers and uh I actually even

782
00:41:14,990 --> 00:41:12,859
sold the second volume to him but

783
00:41:18,230 --> 00:41:15,000
unavoidably I've got to talk a little

784
00:41:20,510 --> 00:41:18,240
bit about my uh the Grand Master of the

785
00:41:22,790 --> 00:41:20,520
nameless order that would actually be a

786
00:41:26,450 --> 00:41:22,800
good name for an order wouldn't it the

787
00:41:31,730 --> 00:41:26,460
nameless order of antiquity

788
00:41:35,510 --> 00:41:33,710

if you want to do something

789

00:41:39,490 --> 00:41:35,520

some cult and think you need other

790

00:41:42,950 --> 00:41:39,500

people to be around you join a coven or

791

00:41:45,290 --> 00:41:42,960

become like me a free luminous

792

00:41:47,270 --> 00:41:45,300

with a bunch of credentials that I

793

00:41:50,050 --> 00:41:47,280

generally don't use but if you want to

794

00:41:53,569 --> 00:41:50,060

have some authority

795

00:41:55,550 --> 00:41:53,579

authority people it's the big thing ask

796

00:41:58,250 --> 00:41:55,560

the Pope

797

00:41:59,870 --> 00:41:58,260

ask King Charles

798

00:42:04,010 --> 00:41:59,880

I'd save him

799

00:42:09,829 --> 00:42:07,130

I can I can give because I

800

00:42:11,690 --> 00:42:09,839

I've never been a collector but I've

801
00:42:12,650 --> 00:42:11,700
been around a long time so I've gotten

802
00:42:14,329 --> 00:42:12,660
into

803
00:42:17,390 --> 00:42:14,339
Bishop

804
00:42:19,490 --> 00:42:17,400
in fact the guy that ran UFO Hunters

805
00:42:21,950 --> 00:42:19,500
what was his name uh

806
00:42:25,490 --> 00:42:21,960
is his name he's not dead

807
00:42:27,410 --> 00:42:25,500
uh first thing they take me over to the

808
00:42:31,370 --> 00:42:27,420
Redstone Arsenal

809
00:42:33,050 --> 00:42:31,380
to do a program on Nazi UFOs which is

810
00:42:36,530 --> 00:42:33,060
mostly

811
00:42:38,870 --> 00:42:36,540
uh so

812
00:42:41,870 --> 00:42:38,880
never turning anything down in those

813
00:42:44,150 --> 00:42:41,880

days I go over there and the guy who was

814

00:42:46,190 --> 00:42:44,160

Jewish looks at me and he said how can

815

00:42:50,270 --> 00:42:46,200

you be Jewish and a bishop

816

00:42:52,550 --> 00:42:50,280

I said well it's like a masonic titles

817

00:42:54,530 --> 00:42:52,560

to me it's not a

818

00:42:57,170 --> 00:42:54,540

religious title

819

00:42:58,809 --> 00:42:57,180

I have the same perfectly good religion

820

00:43:01,730 --> 00:42:58,819

you have

821

00:43:04,010 --> 00:43:01,740

and then unfortunately this whole thing

822

00:43:06,050 --> 00:43:04,020

was taped during Space Camp

823

00:43:08,870 --> 00:43:06,060

so we're at the Redstone Arsenal and he

824

00:43:11,990 --> 00:43:08,880

would ask me essentially what is

825

00:43:13,910 --> 00:43:12,000

the meaning of the Nazi UFOs and I said

826

00:43:17,050 --> 00:43:13,920

well I don't know that and the kids

827

00:43:22,309 --> 00:43:17,060

would be between classes so I don't know

828

00:43:27,710 --> 00:43:24,410

and I had forgotten the question by then

829

00:43:28,970 --> 00:43:27,720

you know well what's the answer I said

830

00:43:33,109 --> 00:43:28,980

uh

831

00:43:37,370 --> 00:43:33,119

Tippy Canoe and Tyler too because I had

832

00:43:40,309 --> 00:43:37,380

no idea what he'd asked me and the

833

00:43:43,370 --> 00:43:40,319

uh those programs don't get me started

834

00:43:45,829 --> 00:43:43,380

on that that's my second worst thing it

835

00:43:49,190 --> 00:43:45,839

even the part of the episode that I did

836

00:43:50,630 --> 00:43:49,200

ended with a Lufthansa jet carrying me

837

00:43:53,650 --> 00:43:50,640

to Germany

838

00:43:57,050 --> 00:43:53,660

I've never been on a little tons of Jet

839

00:44:00,470 --> 00:43:57,060

and I've never been to Germany

840

00:44:02,990 --> 00:44:00,480

nor do I have any particular desire to

841

00:44:07,069 --> 00:44:03,000

go there too many I'd be walking around

842

00:44:08,089 --> 00:44:07,079

on too many of my relatives so yeah [h__h]

843

00:44:11,510 --> 00:44:08,099

them

844

00:44:12,650 --> 00:44:11,520

um I'm sorry this is a family show

845

00:44:16,630 --> 00:44:12,660

Google

846

00:44:21,770 --> 00:44:19,970

Vinnie I think uh a question came in and

847

00:44:24,530 --> 00:44:21,780

much as I want to ask you more questions

848

00:44:26,510 --> 00:44:24,540

Alan yeah no no let's let's do it so

849

00:44:28,609 --> 00:44:26,520

Chester thank you for the ten dollars uh

850

00:44:31,190 --> 00:44:28,619

says Dr Greenfield has mentioned a third

851

00:44:33,109 --> 00:44:31,200

volume uh after secret Cipher of the

852

00:44:34,970 --> 00:44:33,119

euphinox and secret rituals of the Men

853

00:44:37,069 --> 00:44:34,980

in Black can he share when he thinks

854

00:44:39,650 --> 00:44:37,079

this will come out

855

00:44:42,290 --> 00:44:39,660

I'll try but

856

00:44:43,609 --> 00:44:42,300

um I have to say my general disclaimer

857

00:44:47,030 --> 00:44:43,619

which is

858

00:44:52,210 --> 00:44:47,040

the title of I have a title that I favor

859

00:44:56,210 --> 00:44:52,220

and I'll be glad to give it it's uh the

860

00:44:58,370 --> 00:44:56,220

real black Lodge exposed

861

00:45:02,870 --> 00:44:58,380

but I that may not wind up being the

862

00:45:06,829 --> 00:45:02,880

title and a publication date is always

863

00:45:11,930 --> 00:45:06,839

up to the publisher not to me and I even

864

00:45:12,910 --> 00:45:11,940

I've been given a series of estimates

865

00:45:17,210 --> 00:45:12,920

that

866

00:45:20,510 --> 00:45:17,220

it's coming real soon so

867

00:45:23,210 --> 00:45:20,520

is that line in Buckaroo Banzai when are

868

00:45:24,670 --> 00:45:23,220

we returning to our home planet real

869

00:45:27,530 --> 00:45:24,680

soon

870

00:45:32,930 --> 00:45:27,540

it should be out but let me let me say

871

00:45:34,730 --> 00:45:32,940

this uh the current publisher uh

872

00:45:39,370 --> 00:45:34,740

uh

873

00:45:44,930 --> 00:45:42,349

publish republishing

874

00:45:46,670 --> 00:45:44,940

secret Cipher of the euphenots and

875

00:45:49,970 --> 00:45:46,680

secret rituals of the Men in Black under

876

00:45:52,670 --> 00:45:49,980

one cover call calling it The Complete

877

00:45:55,010 --> 00:45:52,680

Secret side for the euphinox and it was

878

00:45:57,430 --> 00:45:55,020

complete at that point I had always

879

00:46:02,089 --> 00:45:57,440

envisioned a trilogy

880

00:46:04,210 --> 00:46:02,099

but because I had received a lot a lot

881

00:46:06,950 --> 00:46:04,220

of flack on the second volume

882

00:46:09,950 --> 00:46:06,960

uh uh from

883

00:46:12,470 --> 00:46:09,960

my then superiors

884

00:46:15,490 --> 00:46:12,480

it was shelves for a long time I had

885

00:46:18,710 --> 00:46:15,500

sold it I had to buy it back

886

00:46:19,849 --> 00:46:18,720

and I sat on it for years

887

00:46:23,329 --> 00:46:19,859

um

888

00:46:28,250 --> 00:46:23,339

and finally when I no longer gave a damn

889

00:46:35,390 --> 00:46:32,710

even more exhausted than me level

890

00:46:38,390 --> 00:46:35,400

I said

891

00:46:40,910 --> 00:46:38,400

go ahead and publish it and I think it

892

00:46:42,770 --> 00:46:40,920

was published

893

00:46:43,790 --> 00:46:42,780

by a publishing house that no longer

894

00:46:46,069 --> 00:46:43,800

exists

895

00:46:48,770 --> 00:46:46,079

and

896

00:46:51,290 --> 00:46:48,780

I don't know what kind of circulation it

897

00:46:53,809 --> 00:46:51,300

had I know what kind of royalties I

898

00:46:56,630 --> 00:46:53,819

didn't get because I've had good

899

00:46:59,630 --> 00:46:56,640

Publishers and I've had those that

900

00:47:00,349 --> 00:46:59,640

disappear into the ether

901
00:47:02,750 --> 00:47:00,359
um

902
00:47:05,450 --> 00:47:02,760
which most

903
00:47:07,970 --> 00:47:05,460
authors

904
00:47:11,829 --> 00:47:07,980
have some experience with along with

905
00:47:18,050 --> 00:47:13,730
and

906
00:47:26,210 --> 00:47:20,690
uh it was published as the complete

907
00:47:28,430 --> 00:47:26,220
secret Cipher and then Hellyer happened

908
00:47:32,030 --> 00:47:28,440
and uh

909
00:47:34,910 --> 00:47:32,040
my good friends at the uh

910
00:47:37,190 --> 00:47:34,920
the Planet weird

911
00:47:41,030 --> 00:47:37,200
decided to interview me principally

912
00:47:42,890 --> 00:47:41,040
because apparently the uh secret Cipher

913
00:47:45,650 --> 00:47:42,900

in the original Edition which somehow

914

00:47:47,809 --> 00:47:45,660

they had which

915

00:47:50,270 --> 00:47:47,819

that means they got it on the secondary

916

00:47:52,010 --> 00:47:50,280

Market which means they paid a

917

00:47:55,790 --> 00:47:52,020

substantial amount of money for none of

918

00:47:58,550 --> 00:47:55,800

which came into my pocket yeah

919

00:48:01,430 --> 00:47:58,560

I mean you know once it's in the

920

00:48:02,410 --> 00:48:01,440

secondary Market unless you have some

921

00:48:04,089 --> 00:48:02,420

special

922

00:48:06,170 --> 00:48:04,099

contractual

923

00:48:09,230 --> 00:48:06,180

Arrangements you don't you don't get

924

00:48:11,390 --> 00:48:09,240

royalties from that so once something

925

00:48:13,609 --> 00:48:11,400

goes out of print

926

00:48:16,609 --> 00:48:13,619

if it's something that ever had any

927

00:48:18,710 --> 00:48:16,619

popularity the price goes up and up and

928

00:48:21,170 --> 00:48:18,720

up and up several of my books were in

929

00:48:23,809 --> 00:48:21,180

the several hundred dollar range and

930

00:48:27,470 --> 00:48:23,819

I've always tried

931

00:48:29,750 --> 00:48:27,480

to to make my books very accessible to

932

00:48:32,270 --> 00:48:29,760

anybody with you know

933

00:48:33,890 --> 00:48:32,280

essentially with small change

934

00:48:35,990 --> 00:48:33,900

and

935

00:48:37,970 --> 00:48:36,000

because that's the way I like to be able

936

00:48:41,510 --> 00:48:37,980

to receive books

937

00:48:48,050 --> 00:48:45,170

it this combined Edition

938

00:48:51,589 --> 00:48:48,060

found a new generation of people

939

00:48:54,050 --> 00:48:51,599

but after hell you're

940

00:48:56,569 --> 00:48:54,060

pretty much talked about the secret

941

00:49:00,109 --> 00:48:56,579

Cipher over and over again and then in

942

00:49:02,829 --> 00:49:00,119

season two did what amounted to a

943

00:49:05,450 --> 00:49:02,839

four-hour interview with me and then

944

00:49:09,170 --> 00:49:05,460

Miracle of Miracles

945

00:49:11,870 --> 00:49:09,180

good people were actually at the helm

946

00:49:14,510 --> 00:49:11,880

not just uh you know the people in the

947

00:49:16,970 --> 00:49:14,520

front but the people in the the camera

948

00:49:19,089 --> 00:49:16,980

thing and

949

00:49:24,950 --> 00:49:19,099

shout out Carl

950

00:49:25,849 --> 00:49:24,960

my man

951
00:49:30,530 --> 00:49:25,859
um

952
00:49:34,670 --> 00:49:32,450
there I don't know how long the

953
00:49:36,530 --> 00:49:34,680
interview was because I don't watch my

954
00:49:37,150 --> 00:49:36,540
own stuff it

955
00:49:40,069 --> 00:49:37,160
it's

956
00:49:42,349 --> 00:49:40,079
cringe-worthy but uh

957
00:49:44,089 --> 00:49:42,359
well that's almost true I mean most

958
00:49:47,030 --> 00:49:44,099
people in the

959
00:49:48,470 --> 00:49:47,040
uh most people don't like to watch

960
00:49:50,210 --> 00:49:48,480
themselves

961
00:49:53,690 --> 00:49:50,220
doing this

962
00:49:57,410 --> 00:49:53,700
because I do crazy stuff and I say that

963
00:50:00,710 --> 00:49:57,420

was really silly Alan you mom

964

00:50:06,349 --> 00:50:03,170

and it feels good at the time and then

965

00:50:11,630 --> 00:50:06,359

later you you question your own sanity

966

00:50:13,370 --> 00:50:11,640

and sense of taste more importantly so

967

00:50:17,390 --> 00:50:13,380

after that

968

00:50:20,150 --> 00:50:17,400

sales of complete secret Cipher went

969

00:50:21,530 --> 00:50:20,160

through the roof and I'm still with that

970

00:50:24,250 --> 00:50:21,540

same publisher

971

00:50:27,770 --> 00:50:24,260

so all I know is

972

00:50:29,690 --> 00:50:27,780

what I'm advocating anyone wondering

973

00:50:32,750 --> 00:50:29,700

yes there it is

974

00:50:35,089 --> 00:50:32,760

get it while it's hot so

975

00:50:36,950 --> 00:50:35,099

it won't be complete if this third

976

00:50:40,370 --> 00:50:36,960

volume comes out

977

00:50:42,589 --> 00:50:40,380

and it certainly will eventually I would

978

00:50:44,569 --> 00:50:42,599

say sometime in the next few months but

979

00:50:47,270 --> 00:50:44,579

that's just a ballpark I thought it

980

00:50:49,670 --> 00:50:47,280

would be out six months now I thought it

981

00:50:52,250 --> 00:50:49,680

would be out early in the year but my

982

00:50:54,109 --> 00:50:52,260

part of it's done the only thing I have

983

00:50:55,250 --> 00:50:54,119

left to do is to read through it I'm

984

00:50:58,970 --> 00:50:55,260

certainly not going to be the

985

00:51:01,370 --> 00:50:58,980

proofreader because my proofreading is

986

00:51:04,309 --> 00:51:01,380

atrocious

987

00:51:07,069 --> 00:51:04,319

and electronic proofreading misses all

988

00:51:09,230 --> 00:51:07,079

of the technical terms that we use

989

00:51:12,849 --> 00:51:09,240

including the funny names it doesn't

990

00:51:18,410 --> 00:51:12,859

want funny names it doesn't like uh

991

00:51:21,049 --> 00:51:18,420

names of stars and names of Planet P1 my

992

00:51:23,510 --> 00:51:21,059

favorite planetary name yeah that's the

993

00:51:24,410 --> 00:51:23,520

one that it's a good one yeah it's a

994

00:51:26,510 --> 00:51:24,420

great one

995

00:51:29,150 --> 00:51:26,520

we use that in fact for a friend of

996

00:51:33,049 --> 00:51:29,160

mine's ex-wife we say she she was

997

00:51:35,870 --> 00:51:33,059

visiting from planet P1 they had a very

998

00:51:40,190 --> 00:51:35,880

very very unpleasant

999

00:51:40,200 --> 00:51:43,010

and plus

1000

00:51:43,020 --> 00:51:47,210

she loved it

1001
00:51:51,349 --> 00:51:49,069
but so Hillier got your work a lot more

1002
00:51:53,510 --> 00:51:51,359
attention I think a lot of people a new

1003
00:51:57,170 --> 00:51:53,520
generation of folks came to your work

1004
00:52:01,930 --> 00:51:57,180
from Hellier yes and interestingly

1005
00:52:06,109 --> 00:52:01,940
enough whereas in American ufology

1006
00:52:12,250 --> 00:52:06,119
I have always been a voice crying in the

1007
00:52:20,510 --> 00:52:17,390
I suppose a view not unlike Valais his

1008
00:52:24,910 --> 00:52:20,520
credentials are in hard science minor in

1009
00:52:28,190 --> 00:52:24,920
humanity so I don't get that you know

1010
00:52:29,809 --> 00:52:28,200
that kind of attention because what I

1011
00:52:33,829 --> 00:52:29,819
say is

1012
00:52:37,910 --> 00:52:33,839
what you hear on various not present

1013
00:52:40,370 --> 00:52:37,920

company accepted from deranged sources

1014

00:52:44,270 --> 00:52:40,380
on YouTube

1015

00:52:49,089 --> 00:52:44,280
you know it's possible

1016

00:52:51,950 --> 00:52:49,099
that Trump is Jesus and here's the proof

1017

00:52:54,710 --> 00:52:51,960
whatever you know there are a lot of

1018

00:52:57,940 --> 00:52:54,720
crazies out there and they love seeing

1019

00:53:01,370 --> 00:52:57,950
themselves on deep

1020

00:53:03,349 --> 00:53:01,380
[Laughter]

1021

00:53:08,410 --> 00:53:03,359
I don't of course

1022

00:53:16,089 --> 00:53:13,190
I still have my teeth hair still got the

1023

00:53:20,690 --> 00:53:18,950
we believe you

1024

00:53:24,710 --> 00:53:20,700
well I had to pull it though otherwise

1025

00:53:28,849 --> 00:53:27,230
I have like a thousand Hellier related

1026

00:53:30,170 --> 00:53:28,859

questions but I want to give you a

1027

00:53:32,990 --> 00:53:30,180

chance to ask

1028

00:53:35,150 --> 00:53:33,000

some of yours too yeah no I just I think

1029

00:53:38,930 --> 00:53:35,160

it makes sense to us when it comes to

1030

00:53:41,089 --> 00:53:38,940

your research both in the occult and in

1031

00:53:42,890 --> 00:53:41,099

ufology how do you tie that together

1032

00:53:44,569 --> 00:53:42,900

because I know a lot of people come from

1033

00:53:46,549 --> 00:53:44,579

like a nuts and bolts background but

1034

00:53:49,309 --> 00:53:46,559

then you've got the Consciousness aspect

1035

00:53:51,650 --> 00:53:49,319

so how do you tile that in with a

1036

00:53:55,849 --> 00:53:51,660

cultism as well

1037

00:54:00,770 --> 00:53:55,859

I am so glad you asked that question

1038

00:54:05,930 --> 00:54:00,780

look uh I don't know anyone

1039

00:54:09,410 --> 00:54:05,940

of the first gen or second gen

1040

00:54:10,970 --> 00:54:09,420

ufologist and that second gen is my

1041

00:54:13,010 --> 00:54:10,980

generation

1042

00:54:19,089 --> 00:54:13,020

it didn't start off

1043

00:54:21,890 --> 00:54:19,099

not only with eth as their most probable

1044

00:54:24,170 --> 00:54:21,900

non-conventional solution

1045

00:54:26,329 --> 00:54:24,180

but

1046

00:54:41,870 --> 00:54:26,339

that

1047

00:54:45,950 --> 00:54:41,880

involved

1048

00:54:49,069 --> 00:54:45,960

the thing is as the late Gene duplantier

1049

00:54:52,970 --> 00:54:49,079

of salsa Space and Science

1050

00:54:54,890 --> 00:54:52,980

put it when he put out his last issue

1051
00:54:58,190 --> 00:54:54,900
and this is the way a lot of people left

1052
00:55:01,250 --> 00:54:58,200
ufology it's like I've never forgotten

1053
00:55:05,210 --> 00:55:01,260
the exact phrase It's like a long walk

1054
00:55:08,450 --> 00:55:05,220
down an endless tube well I knew the

1055
00:55:12,109 --> 00:55:08,460
phenomena happened

1056
00:55:15,890 --> 00:55:12,119
and I knew that it extended way way way

1057
00:55:18,470 --> 00:55:15,900
Beyond lights in the sky and the lights

1058
00:55:20,270 --> 00:55:18,480
in the sky can be almost anything you

1059
00:55:22,910 --> 00:55:20,280
know you can

1060
00:55:26,990 --> 00:55:22,920
it could be I know this is incredible

1061
00:55:30,410 --> 00:55:27,000
but they could be balloons from China I

1062
00:55:31,609 --> 00:55:30,420
mean anything is possible right so you

1063
00:55:34,510 --> 00:55:31,619

don't want to talk about the Chinese

1064

00:55:41,510 --> 00:55:38,089

no more Chinese balloon

1065

00:55:44,210 --> 00:55:41,520

if you got away from Knockouts mentality

1066

00:55:45,230 --> 00:55:44,220

which is they're real you can see them

1067

00:55:48,049 --> 00:55:45,240

anywhere

1068

00:55:49,809 --> 00:55:48,059

but in effect they were saying but they

1069

00:55:52,549 --> 00:55:49,819

don't land

1070

00:55:56,089 --> 00:55:52,559

at least afro

1071

00:56:00,109 --> 00:55:56,099

their Chief rival back in the day said

1072

00:56:02,569 --> 00:56:00,119

well they do land and some of the cases

1073

00:56:06,410 --> 00:56:02,579

of

1074

00:56:08,870 --> 00:56:06,420

ce2 and ce3 type cases

1075

00:56:11,030 --> 00:56:08,880

close encounter cases

1076
00:56:13,030 --> 00:56:11,040
actually happen and are worthy of

1077
00:56:16,069 --> 00:56:13,040
Investigation

1078
00:56:19,849 --> 00:56:16,079
and mufon which was a late Comer

1079
00:56:22,750 --> 00:56:19,859
probably the last of the classical large

1080
00:56:24,710 --> 00:56:22,760
UFO organizations originally the Midwest

1081
00:56:28,670 --> 00:56:24,720
UFO Network

1082
00:56:32,950 --> 00:56:28,680
later under the guidance of Walt Andrus

1083
00:56:36,230 --> 00:56:32,960
and John schustler uh

1084
00:56:38,329 --> 00:56:36,240
high-tech type well no middle attack

1085
00:56:40,150 --> 00:56:38,339
type guys you know essentially

1086
00:56:43,849 --> 00:56:40,160
engineering types

1087
00:56:47,809 --> 00:56:43,859
they were very eth but uh their

1088
00:56:51,710 --> 00:56:47,819

membership was a bit more open to

1089

00:56:52,870 --> 00:56:51,720

more esoteric explanations not

1090

00:56:56,329 --> 00:56:52,880

necessarily

1091

00:56:59,990 --> 00:56:56,339

anti-eth but like that leaves some kind

1092

00:57:01,010 --> 00:57:00,000

of gaps that we need to examine in the

1093

00:57:02,470 --> 00:57:01,020

meantime

1094

00:57:06,049 --> 00:57:02,480

I read

1095

00:57:07,569 --> 00:57:06,059

metvale once before he got involved with

1096

00:57:13,609 --> 00:57:07,579

uh

1097

00:57:18,049 --> 00:57:13,619

I met him with

1098

00:57:22,250 --> 00:57:18,059

Jim Mosley and Gene Steinberg and Rick

1099

00:57:27,109 --> 00:57:22,260

hillberg on our way to an invited trip

1100

00:57:30,829 --> 00:57:27,119

to see Ray Palmer the legendary

1101

00:57:33,470 --> 00:57:30,839

uh more or less in a sense has been

1102

00:57:35,990 --> 00:57:33,480

accused of being the founder of flying

1103

00:57:39,890 --> 00:57:36,000

saucers because he was

1104

00:57:42,849 --> 00:57:39,900

Richard Shaver's original publisher and

1105

00:57:47,950 --> 00:57:42,859

very eccentric and one of the first

1106

00:57:54,770 --> 00:57:52,010

Ray had invited us up after we had

1107

00:57:57,530 --> 00:57:54,780

Earnest young men that we were had gone

1108

00:58:00,230 --> 00:57:57,540

to 1536 Connecticut Avenue in Washington

1109

00:58:02,569 --> 00:58:00,240

which is very near where klatu was

1110

00:58:04,670 --> 00:58:02,579

killed actually that's

1111

00:58:06,349 --> 00:58:04,680

not coincidental

1112

00:58:09,530 --> 00:58:06,359

um

1113

00:58:12,290 --> 00:58:09,540

so we went to their office

1114

00:58:14,390 --> 00:58:12,300

they saw Steinberg and they said he has

1115

00:58:18,470 --> 00:58:14,400

to leave

1116

00:58:22,609 --> 00:58:18,480

and I said uh to the late

1117

00:58:23,809 --> 00:58:22,619

Richard Dickey Hall sir we came as a

1118

00:58:27,770 --> 00:58:23,819

group

1119

00:58:29,630 --> 00:58:27,780

Gene is our friend if he has to leave we

1120

00:58:30,710 --> 00:58:29,640

all have to leave and he said well if

1121

00:58:32,870 --> 00:58:30,720

that's the way it's going to be that's

1122

00:58:35,089 --> 00:58:32,880

the way it's going to be so we laughed

1123

00:58:38,690 --> 00:58:35,099

went back to our hotel room

1124

00:58:41,089 --> 00:58:38,700

and did the obvious thing we called Ray

1125

00:58:43,190 --> 00:58:41,099

Palmer and cried our eyes out and he

1126
00:58:46,930 --> 00:58:43,200
said well come on up to Amherst

1127
00:58:51,049 --> 00:58:46,940
Wisconsin I won't throw you out

1128
00:58:54,109 --> 00:58:51,059
so we stopped off in Chicago and met

1129
00:58:56,630 --> 00:58:54,119
with Dr heineck and met with valet who

1130
00:58:59,030 --> 00:58:56,640
has recounted that meeting but doesn't

1131
00:59:01,789 --> 00:58:59,040
mention my name anywhere it was just no

1132
00:59:05,329 --> 00:59:01,799
importance the big guy at that meeting

1133
00:59:06,410 --> 00:59:05,339
was Jim Mosley because Jim was at that

1134
00:59:09,829 --> 00:59:06,420
time

1135
00:59:16,010 --> 00:59:09,839
uh well he was my idol and he was also

1136
00:59:18,829 --> 00:59:16,020
uh a a very famous ufologist in first

1137
00:59:21,829 --> 00:59:18,839
gen ufology along with gray Barker and

1138
00:59:26,210 --> 00:59:21,839

other what I came to call middle

1139

00:59:29,569 --> 00:59:26,220

ufologists that has not contactees

1140

00:59:32,589 --> 00:59:29,579

and not nuts and bolts science types but

1141

00:59:35,690 --> 00:59:32,599

somewhere in between and mostly actually

1142

00:59:39,109 --> 00:59:35,700

well-educated people who had some sense

1143

00:59:42,109 --> 00:59:39,119

of discernment Beyond some background in

1144

00:59:45,349 --> 00:59:42,119

philosophy I mean Jim was a

1145

00:59:47,809 --> 00:59:45,359

Princeton man I think and one of my best

1146

00:59:51,230 --> 00:59:47,819

friends over the long home

1147

00:59:54,049 --> 00:59:51,240

so anyway uh

1148

00:59:57,829 --> 00:59:54,059

where was I going with that okay so

1149

01:00:01,010 --> 00:59:57,839

other than at that time

1150

01:00:04,430 --> 01:00:01,020

the lay and his wife Janine

1151
01:00:06,349 --> 01:00:04,440
had written a book which was I've even

1152
01:00:08,030 --> 01:00:06,359
forgotten the name of it anatomy of a

1153
01:00:10,490 --> 01:00:08,040
phenomena that's it

1154
01:00:15,130 --> 01:00:10,500
very conservative

1155
01:00:17,990 --> 01:00:15,140
not much different from keho's books or

1156
01:00:20,630 --> 01:00:18,000
the one bestseller that there has ever

1157
01:00:23,990 --> 01:00:20,640
been in regular

1158
01:00:26,329 --> 01:00:24,000
UFO lore that was Frank Edwards uh

1159
01:00:28,190 --> 01:00:26,339
flying source of serious business which

1160
01:00:30,530 --> 01:00:28,200
was very influential at the time made

1161
01:00:32,630 --> 01:00:30,540
the New York Times bestseller list and

1162
01:00:34,609 --> 01:00:32,640
this is before passport to Magonia yes

1163
01:00:37,069 --> 01:00:34,619

yes yeah

1164

01:00:40,450 --> 01:00:37,079

only like a year or two before but a

1165

01:00:44,690 --> 01:00:40,460

year or two before so passport comes out

1166

01:00:47,329 --> 01:00:44,700

I read it and I go

1167

01:00:51,349 --> 01:00:47,339

this makes a lot more sense

1168

01:00:56,690 --> 01:00:51,359

than eth it doesn't explain because the

1169

01:00:58,789 --> 01:00:56,700

underlying guts of why this happens

1170

01:01:01,190 --> 01:00:58,799

he even says at the beginning I don't

1171

01:01:04,730 --> 01:01:01,200

write this as a scientist I write this

1172

01:01:06,230 --> 01:01:04,740

as you know essentially is a ufologist

1173

01:01:08,630 --> 01:01:06,240

which I don't believe he's ever called

1174

01:01:10,609 --> 01:01:08,640

himself but that's that's the way I

1175

01:01:12,230 --> 01:01:10,619

would interpret that

1176

01:01:15,309 --> 01:01:12,240

um

1177

01:01:18,609 --> 01:01:15,319

and from that point on I was an advocate

1178

01:01:22,270 --> 01:01:18,619

of the notion that there was

1179

01:01:24,950 --> 01:01:22,280

something fundamentally wrong with eth

1180

01:01:27,349 --> 01:01:24,960

and the only thing I could come up with

1181

01:01:31,370 --> 01:01:27,359

was without

1182

01:01:36,770 --> 01:01:31,380

deep scientific backing

1183

01:01:38,630 --> 01:01:36,780

that the anomalous nature of UFOs and a

1184

01:01:43,630 --> 01:01:38,640

lot of other phenomena

1185

01:01:48,650 --> 01:01:46,089

hauntings

1186

01:01:50,150 --> 01:01:48,660

Cryptids especially

1187

01:01:51,890 --> 01:01:50,160

uh

1188

01:01:55,069 --> 01:01:51,900

fairy lore

1189

01:01:58,730 --> 01:01:55,079

which was something that uh

1190

01:02:01,609 --> 01:01:58,740

that the lay focused on right seemed to

1191

01:02:04,789 --> 01:02:01,619

all follow exactly the same pattern even

1192

01:02:07,130 --> 01:02:04,799

the same pattern that draws people into

1193

01:02:10,549 --> 01:02:07,140

being fascinated by it and forming

1194

01:02:13,430 --> 01:02:10,559

organizations the ferry research Society

1195

01:02:15,710 --> 01:02:13,440

had this uh the original had the same

1196

01:02:17,150 --> 01:02:15,720

structure that later UFO organizations

1197

01:02:21,589 --> 01:02:17,160

had

1198

01:02:23,930 --> 01:02:21,599

only it was investigating reports of the

1199

01:02:26,030 --> 01:02:23,940

Fey the fairies the

1200

01:02:27,470 --> 01:02:26,040

the little people whatever you want to

1201

01:02:31,549 --> 01:02:27,480

call them which is a worldwide

1202

01:02:34,010 --> 01:02:31,559

phenomenon and has been documented for a

1203

01:02:37,010 --> 01:02:34,020

very long time going back at least to

1204

01:02:40,030 --> 01:02:37,020

the 19th century but certainly the

1205

01:02:43,670 --> 01:02:40,040

phenomenon goes back to as remote

1206

01:02:46,190 --> 01:02:43,680

Antiquity as you care to go right so if

1207

01:02:49,549 --> 01:02:46,200

it follows the same pattern UFOs and you

1208

01:02:52,250 --> 01:02:49,559

investigate UFO cases you find it's the

1209

01:02:54,950 --> 01:02:52,260

same sort of thing

1210

01:02:56,690 --> 01:02:54,960

um you begin to think that there must be

1211

01:02:58,970 --> 01:02:56,700

a convergence

1212

01:03:01,849 --> 01:02:58,980

at some point are these different

1213

01:03:05,809 --> 01:03:01,859

aspects of the same phenomena I asked

1214

01:03:07,789 --> 01:03:05,819

rhetorically of myself and came out with

1215

01:03:10,970 --> 01:03:07,799

a little thing called alternate Horizons

1216

01:03:14,230 --> 01:03:10,980

newsletter this was way way pre-internet

1217

01:03:18,890 --> 01:03:14,240

so we would all crank out our little

1218

01:03:20,150 --> 01:03:18,900

mimeograph newsletters or since my

1219

01:03:23,589 --> 01:03:20,160

family was

1220

01:03:25,390 --> 01:03:23,599

well to do unlike me today

1221

01:03:28,609 --> 01:03:25,400

but

1222

01:03:34,130 --> 01:03:28,619

so I was able to get them printed

1223

01:03:37,549 --> 01:03:34,140

but with one draft because I was even

1224

01:03:40,789 --> 01:03:37,559

then the worst proofreader That Ever

1225

01:03:42,890 --> 01:03:40,799

Walked the face of the Earth so they had

1226

01:03:44,510 --> 01:03:42,900

lots of little embarrassing errors and

1227

01:03:47,210 --> 01:03:44,520

unfortunately

1228

01:03:48,890 --> 01:03:47,220

a lot of them are up on the internet now

1229

01:03:52,309 --> 01:03:48,900

I don't know if you're around long

1230

01:03:54,770 --> 01:03:52,319

enough everything you ever did every

1231

01:03:57,230 --> 01:03:54,780

letter you ever wrote every letter that

1232

01:03:59,150 --> 01:03:57,240

was ever written to you is plastered

1233

01:04:01,370 --> 01:03:59,160

somewhere on the internet and if it's

1234

01:04:03,069 --> 01:04:01,380

disappeared it's on the Wayback machines

1235

01:04:05,930 --> 01:04:03,079

okay

1236

01:04:08,089 --> 01:04:05,940

you know well you you were mention

1237

01:04:10,490 --> 01:04:08,099

anything about contactees though and

1238

01:04:12,470 --> 01:04:10,500

that got me thinking if you don't if you

1239

01:04:15,589 --> 01:04:12,480

don't mind you mentioned in secret

1240

01:04:17,150 --> 01:04:15,599

Cipher that you know prior to some of

1241

01:04:21,170 --> 01:04:17,160

these ciphers being cracked sometime in

1242

01:04:23,390 --> 01:04:21,180

the 70s we see a lot of UFO flaps a lot

1243

01:04:26,210 --> 01:04:23,400

of like personal contact with aliens

1244

01:04:27,650 --> 01:04:26,220

with funny names or I see I put aliens

1245

01:04:28,430 --> 01:04:27,660

in quotes

1246

01:04:30,710 --> 01:04:28,440

um

1247

01:04:33,049 --> 01:04:30,720

but that now we're going more towards

1248

01:04:35,750 --> 01:04:33,059

like the trans mediumship and individual

1249

01:04:38,450 --> 01:04:35,760

contact ce5 that kind of thing and this

1250

01:04:41,329 --> 01:04:38,460

got me thinking about the SDS method

1251
01:04:43,309 --> 01:04:41,339
sessions which you know for folks who

1252
01:04:45,230 --> 01:04:43,319
aren't familiar it's basically a

1253
01:04:48,829 --> 01:04:45,240
digitally

1254
01:04:51,410 --> 01:04:48,839
um assisted version of trans mediumship

1255
01:04:53,450 --> 01:04:51,420
um and two of the folks involved in

1256
01:04:56,990 --> 01:04:53,460
Hellyer actually developed the the the

1257
01:04:58,970 --> 01:04:57,000
method uh Connor and Carl and one of the

1258
01:05:01,010 --> 01:04:58,980
things the Hellyer crew jokes about and

1259
01:05:03,670 --> 01:05:01,020
I've even experienced this myself is

1260
01:05:06,710 --> 01:05:03,680
that once you try to use the SDS method

1261
01:05:09,470 --> 01:05:06,720
to contact supposed non-human

1262
01:05:12,109 --> 01:05:09,480
intelligence whatever you envision that

1263
01:05:13,270 --> 01:05:12,119

to be it's almost impossible to get them

1264

01:05:15,349 --> 01:05:13,280

to shut up

1265

01:05:18,950 --> 01:05:15,359

they seem to want to come back

1266

01:05:20,510 --> 01:05:18,960

repeatedly or whatever they are

1267

01:05:22,130 --> 01:05:20,520

um and so I just want to ask you know

1268

01:05:23,809 --> 01:05:22,140

have you ever tried the Essie's method

1269

01:05:25,789 --> 01:05:23,819

what do you think is going on do you

1270

01:05:30,230 --> 01:05:25,799

think there's anything too

1271

01:05:32,270 --> 01:05:30,240

that uh version of contacty

1272

01:05:36,890 --> 01:05:32,280

relationships

1273

01:05:40,010 --> 01:05:36,900

well I think classical mediumship

1274

01:05:45,230 --> 01:05:43,010

is compromised by the number of fakes

1275

01:05:47,569 --> 01:05:45,240

particularly with physical mediumship

1276

01:05:51,170 --> 01:05:47,579

but that doesn't mean that it's all

1277

01:05:53,089 --> 01:05:51,180

thing the problem is that's a real

1278

01:05:57,349 --> 01:05:53,099

difficult area to find the signal to

1279

01:05:58,750 --> 01:05:57,359

noise ratio and back in the days when

1280

01:06:02,210 --> 01:05:58,760

there was

1281

01:06:06,170 --> 01:06:02,220

serious parapsychological Research into

1282

01:06:09,410 --> 01:06:06,180

mediumship mostly done by the society

1283

01:06:12,609 --> 01:06:09,420

for psychical research and the American

1284

01:06:16,069 --> 01:06:12,619

equivalent the aspr

1285

01:06:19,309 --> 01:06:16,079

I was an elected member of the svr for a

1286

01:06:21,770 --> 01:06:19,319

while and they still trudge on you know

1287

01:06:23,690 --> 01:06:21,780

they're still there but they seem to

1288

01:06:25,150 --> 01:06:23,700

have a less

1289

01:06:27,829 --> 01:06:25,160

uh

1290

01:06:30,410 --> 01:06:27,839

lesser focus on that sort of thing which

1291

01:06:33,049 --> 01:06:30,420

is unfortunate because they're founding

1292

01:06:38,390 --> 01:06:33,059

members and the first generation after

1293

01:06:44,390 --> 01:06:41,690

expert in a wide variety of fields and

1294

01:06:47,690 --> 01:06:44,400

I'll get back to why a wide variety of

1295

01:06:49,789 --> 01:06:47,700

fields is crucial to having any

1296

01:06:51,770 --> 01:06:49,799

understanding of these things if you

1297

01:06:54,950 --> 01:06:51,780

remind me to get back to that because

1298

01:06:57,829 --> 01:06:54,960

some people say that I wander but you

1299

01:07:00,950 --> 01:06:57,839

know it's it's just people

1300

01:07:06,910 --> 01:07:02,450

JD

1301

01:07:14,569 --> 01:07:10,910

despite what they say I'm a nice guy

1302

01:07:20,990 --> 01:07:17,390

I like me a lot too but

1303

01:07:22,970 --> 01:07:21,000

no actually I don't but uh

1304

01:07:24,730 --> 01:07:22,980

where was I

1305

01:07:29,930 --> 01:07:24,740

think

1306

01:07:34,250 --> 01:07:29,940

okay yes I have um I wanted to say that

1307

01:07:37,609 --> 01:07:34,260

beginning in the 1940s with borderline

1308

01:07:41,390 --> 01:07:37,619

Sciences which is still around uh I'll

1309

01:07:43,910 --> 01:07:41,400

be at their leadership has changed over

1310

01:07:46,130 --> 01:07:43,920

and over and over and there have been

1311

01:07:47,029 --> 01:07:46,140

good periods and bad periods but back in

1312

01:07:50,569 --> 01:07:47,039

the day

1313

01:07:52,250 --> 01:07:50,579

it was organized by Meade Lane who is in

1314

01:07:55,670 --> 01:07:52,260
the complete secret site for the

1315

01:07:58,190 --> 01:07:55,680
euphenots uh because he was

1316

01:08:00,069 --> 01:07:58,200
quite an influence on me

1317

01:08:01,809 --> 01:08:00,079
and

1318

01:08:05,329 --> 01:08:01,819
he

1319

01:08:08,210 --> 01:08:05,339
began looking into

1320

01:08:11,650 --> 01:08:08,220
not only the mystery of what he called

1321

01:08:15,529 --> 01:08:11,660
the Guardians the uh basically UFOs

1322

01:08:17,090 --> 01:08:15,539
which they started looking at 1945 when

1323

01:08:20,050 --> 01:08:17,100
they were

1324

01:08:22,610 --> 01:08:20,060
a new organization

1325

01:08:25,130 --> 01:08:22,620
long before the international flying

1326

01:08:27,349 --> 01:08:25,140

salsa Bureau or apro which

1327

01:08:30,410 --> 01:08:27,359

have been variously claimed to be the

1328

01:08:33,829 --> 01:08:30,420

first flying saucer groups

1329

01:08:38,990 --> 01:08:36,110

they immediately

1330

01:08:42,110 --> 01:08:39,000

became interested in classical trans

1331

01:08:44,450 --> 01:08:42,120

channeling that applied not to the

1332

01:08:46,030 --> 01:08:44,460

spirits of the Dead

1333

01:08:49,849 --> 01:08:46,040

but to

1334

01:08:52,610 --> 01:08:49,859

ascended masters unlike most groups that

1335

01:08:56,709 --> 01:08:52,620

got involved in that they did not have a

1336

01:09:00,050 --> 01:08:56,719

basis in William Dudley pelly's

1337

01:09:02,749 --> 01:09:00,060

fascist organizations from the 1930s

1338

01:09:05,229 --> 01:09:02,759

which have had many derivatives coming

1339

01:09:07,669 --> 01:09:05,239

up even unto today

1340

01:09:08,349 --> 01:09:07,679

uh so

1341

01:09:11,450 --> 01:09:08,359

um

1342

01:09:13,570 --> 01:09:11,460

their strain of Trance

1343

01:09:16,249 --> 01:09:13,580

channeling mostly

1344

01:09:18,289 --> 01:09:16,259

through the very talented Channel Mark

1345

01:09:20,990 --> 01:09:18,299

Probert

1346

01:09:22,440 --> 01:09:21,000

um I'm not convinced

1347

01:09:23,689 --> 01:09:22,450

that there are sources

1348

01:09:25,789 --> 01:09:23,699

[Music]

1349

01:09:27,769 --> 01:09:25,799

were

1350

01:09:31,189 --> 01:09:27,779

telling the truth

1351

01:09:33,110 --> 01:09:31,199

that's an interesting thing but I am

1352

01:09:35,510 --> 01:09:33,120

convinced that their sources were

1353

01:09:37,970 --> 01:09:35,520

sources it wasn't you know stuff they

1354

01:09:40,189 --> 01:09:37,980

were making up as they went along and

1355

01:09:43,610 --> 01:09:40,199

then you come through the period of the

1356

01:09:47,630 --> 01:09:43,620

cess material and the raw material the

1357

01:09:51,189 --> 01:09:47,640

raw material I sort of I knew the people

1358

01:09:52,729 --> 01:09:51,199

who generated that uh

1359

01:09:55,729 --> 01:09:52,739

uh

1360

01:09:58,189 --> 01:09:55,739

Don Elkins who was an Eastern Airline

1361

01:10:00,229 --> 01:09:58,199

Pilot by day and a trans Channel by

1362

01:10:02,810 --> 01:10:00,239

night I've been president when he

1363

01:10:05,030 --> 01:10:02,820

channeled in my own living room and

1364

01:10:07,990 --> 01:10:05,040

Carla ruckert who was a good good friend

1365

01:10:11,209 --> 01:10:08,000

of mine they had no

1366

01:10:13,010 --> 01:10:11,219

Doctrine to go with the Trans channeling

1367

01:10:14,750 --> 01:10:13,020

stuff that they did and that's

1368

01:10:17,630 --> 01:10:14,760

relatively unique you know they said

1369

01:10:19,910 --> 01:10:17,640

take this stuff for what it's worth we

1370

01:10:23,709 --> 01:10:19,920

think it's worth a lot we can teach

1371

01:10:27,830 --> 01:10:23,719

anybody to do this anybody

1372

01:10:30,590 --> 01:10:27,840

and they seem to be not just legit but

1373

01:10:34,490 --> 01:10:30,600

Ultra legit and not in it in any sense

1374

01:10:35,990 --> 01:10:34,500

for the for the money right come forward

1375

01:10:39,050 --> 01:10:36,000

in time

1376

01:10:40,930 --> 01:10:39,060

to uh

1377

01:10:44,450 --> 01:10:40,940

what's the name of that hotel

1378

01:10:46,550 --> 01:10:44,460

Stanley Stanley Hotel welcome to

1379

01:10:53,750 --> 01:10:46,560

Colorado

1380

01:10:59,149 --> 01:10:56,990

you can find them here Stanley Kubrick's

1381

01:11:01,490 --> 01:10:59,159

near

1382

01:11:03,649 --> 01:11:01,500

so

1383

01:11:08,810 --> 01:11:03,659

I made that up just now

1384

01:11:12,590 --> 01:11:10,490

why not other people have look at Dr

1385

01:11:18,370 --> 01:11:12,600

sleep

1386

01:11:23,870 --> 01:11:20,630

you don't remember that I just said that

1387

01:11:27,649 --> 01:11:23,880

oh well what you were saying was what

1388

01:11:29,290 --> 01:11:27,659

about the sg's method yes I do have the

1389

01:11:34,790 --> 01:11:29,300

devices

1390

01:11:37,850 --> 01:11:34,800

and I have tried the sg's method and

1391

01:11:41,689 --> 01:11:37,860

I think that it works but it works in a

1392

01:11:44,149 --> 01:11:41,699

way a little bit more peculiar than

1393

01:11:46,669 --> 01:11:44,159

simply skipping from channel to channel

1394

01:11:49,550 --> 01:11:46,679

what happens is I completely agree yeah

1395

01:11:52,370 --> 01:11:49,560

you go through that for a while and you

1396

01:11:54,470 --> 01:11:52,380

cut off in a sensory thing and I've done

1397

01:11:56,630 --> 01:11:54,480

isolation tanks I don't know if that's

1398

01:11:59,590 --> 01:11:56,640

way before your day or if you've heard

1399

01:12:02,930 --> 01:11:59,600

of them but that's

1400

01:12:04,490 --> 01:12:02,940

I have an appointment next month for one

1401

01:12:07,550 --> 01:12:04,500

first time so

1402

01:12:12,610 --> 01:12:10,430

how are you on claustrophobia

1403

01:12:15,169 --> 01:12:12,620

not great

1404

01:12:18,770 --> 01:12:15,179

okay make sure it's one of those where

1405

01:12:23,149 --> 01:12:18,780

the door opens from the inside and

1406

01:12:25,729 --> 01:12:23,159

there's no lock on the outside okay

1407

01:12:29,930 --> 01:12:25,739

because once you get in the dark and

1408

01:12:31,270 --> 01:12:29,940

you're floating you lose most bodily

1409

01:12:36,770 --> 01:12:31,280

Sensations

1410

01:12:39,729 --> 01:12:36,780

stop I'm excited for it okay

1411

01:12:41,950 --> 01:12:39,739

I'll be there with you

1412

01:12:45,649 --> 01:12:41,960

back to Estes

1413

01:12:48,169 --> 01:12:45,659

okay so well the point is it works in

1414

01:12:50,810 --> 01:12:48,179

the sort of the same way except it's not

1415

01:12:55,490 --> 01:12:50,820

a whole body experience but if you cut

1416

01:12:57,770 --> 01:12:55,500

yourself off from uh Sight and Sound

1417

01:12:59,570 --> 01:12:57,780

uh and then there's the other end of it

1418

01:13:00,530 --> 01:12:59,580

that questions are being asked that you

1419

01:13:03,590 --> 01:13:00,540

can't hear

1420

01:13:06,770 --> 01:13:03,600

and you're listening to the

1421

01:13:10,430 --> 01:13:06,780

I guess FM radio is skipping through its

1422

01:13:13,910 --> 01:13:10,440

Channels with this little Chinese device

1423

01:13:17,209 --> 01:13:13,920

uh which usually costs 19.95 and comes

1424

01:13:19,390 --> 01:13:17,219

straight from uh Shanghai and it's going

1425

01:13:23,209 --> 01:13:19,400

back 30

1426

01:13:26,090 --> 01:13:23,219

21. at some point you're no longer

1427

01:13:28,250 --> 01:13:26,100

hearing those you think you are but

1428

01:13:32,209 --> 01:13:28,260

you're hearing words that are not being

1429

01:13:34,370 --> 01:13:32,219

said by various Radio broadcasters I

1430

01:13:37,250 --> 01:13:34,380

always wondered what do you do if you do

1431

01:13:40,310 --> 01:13:37,260

that on an AM radio stations and there's

1432

01:13:44,530 --> 01:13:40,320

nothing left on am but Ultra Ultra right

1433

01:13:50,630 --> 01:13:48,169

yes really racist non-human intelligence

1434

01:13:53,390 --> 01:13:50,640

man yes

1435

01:13:55,149 --> 01:13:53,400

and we all know about replacement theory

1436

01:13:58,490 --> 01:13:55,159

of a replacement

1437

01:14:00,649 --> 01:13:58,500

but you stop hearing it and my hunch is

1438

01:14:02,390 --> 01:14:00,659

the same thing would happen no matter

1439

01:14:05,090 --> 01:14:02,400

what frequency you're on try it with

1440

01:14:08,390 --> 01:14:05,100

shortwave I think would be really

1441

01:14:11,870 --> 01:14:08,400

interesting anyway I found that you

1442

01:14:14,570 --> 01:14:11,880

start to drift into

1443

01:14:17,570 --> 01:14:14,580

a Paranormal State of Consciousness

1444

01:14:20,630 --> 01:14:17,580

which is very altered from ordinary

1445

01:14:23,510 --> 01:14:20,640

Consciousness and then you start to

1446

01:14:26,510 --> 01:14:23,520

without knowing it being responsive to

1447

01:14:28,910 --> 01:14:26,520

what's being asked of you by an external

1448

01:14:31,550 --> 01:14:28,920

source and that's how it becomes

1449

01:14:35,209 --> 01:14:31,560

responsive or if you're doing it alone

1450

01:14:38,950 --> 01:14:35,219

if you are recording what you

1451

01:14:40,850 --> 01:14:38,960

hear by saying it you know

1452

01:14:43,850 --> 01:14:40,860

transmutation

1453

01:14:45,770 --> 01:14:43,860

they don't say that on radio ever they

1454

01:14:50,090 --> 01:14:45,780

don't know the word anything more than

1455

01:14:53,750 --> 01:14:50,100

three syllables you know is unlikely

1456

01:14:56,570 --> 01:14:55,250

no I'm glad that I'm glad that's your

1457

01:14:57,590 --> 01:14:56,580

perspective on it because that's what I

1458

01:14:59,810 --> 01:14:57,600

found is

1459

01:15:01,729 --> 01:14:59,820

when P you first start learning how to

1460

01:15:03,530 --> 01:15:01,739

do it it is very much just what you're

1461

01:15:07,010 --> 01:15:03,540

hearing and then you almost go into the

1462

01:15:08,810 --> 01:15:07,020

state where it's almost intuitive

1463

01:15:10,669 --> 01:15:08,820

um and you're at least for me getting

1464

01:15:12,050 --> 01:15:10,679

Impressions

1465

01:15:13,430 --> 01:15:12,060

um and I know that other folks I mean

1466

01:15:15,410 --> 01:15:13,440

other folks are spontaneously remote

1467

01:15:17,689 --> 01:15:15,420

viewed while doing it which I think is

1468

01:15:22,490 --> 01:15:17,699

fascinating so do you think a lot of

1469

01:15:28,790 --> 01:15:25,610

I think that

1470

01:15:31,130 --> 01:15:28,800

the Estes method is a good tool for

1471

01:15:34,669 --> 01:15:31,140

getting to that place in Consciousness

1472

01:15:35,990 --> 01:15:34,679

especially for people who have been

1473

01:15:40,250 --> 01:15:36,000

uh

1474

01:15:42,950 --> 01:15:40,260

raised on electronic media

1475

01:15:45,770 --> 01:15:42,960

in other words virtually everyone living

1476

01:15:48,649 --> 01:15:45,780

now you know so

1477

01:15:51,590 --> 01:15:48,659

unless they're somewhere in the

1478

01:15:56,770 --> 01:15:51,600

way back of Borneo you know and even

1479

01:16:00,070 --> 01:15:56,780

there who knows I mean I've seen uh

1480

01:16:05,649 --> 01:16:00,080

documentaries about the uh quote

1481

01:16:09,590 --> 01:16:05,659

primitive people in the upper Amazon

1482

01:16:11,450 --> 01:16:09,600

where the chief goes into his Hut with

1483

01:16:16,310 --> 01:16:11,460

his you know little loincloths and

1484

01:16:20,350 --> 01:16:16,320

things and turns on his transceiver to

1485

01:16:23,870 --> 01:16:20,360

talk to people on the outside about

1486

01:16:26,630 --> 01:16:23,880

the encroachment by people who are

1487

01:16:29,390 --> 01:16:26,640

tearing down the Amazon forest and

1488

01:16:32,590 --> 01:16:29,400

choking the rest of us all to death so

1489

01:16:35,090 --> 01:16:32,600

there there's you know a technology

1490

01:16:41,270 --> 01:16:35,100

everywhere and

1491

01:16:43,729 --> 01:16:41,280

raised in a technological Society like

1492

01:16:46,910 --> 01:16:43,739

it hate it or otherwise you're going to

1493

01:16:48,430 --> 01:16:46,920

be responsible responsive to

1494

01:16:52,970 --> 01:16:48,440

technological

1495

01:16:55,790 --> 01:16:52,980

assistance for paranormal States not

1496

01:16:58,610 --> 01:16:55,800

necessarily because there are gifted

1497

01:17:02,870 --> 01:16:58,620

people that don't need any of that but

1498

01:17:03,790 --> 01:17:02,880

if you are just plain Joe or Alan you

1499

01:17:06,950 --> 01:17:03,800

know

1500

01:17:08,149 --> 01:17:06,960

you probably can use that assistance I

1501
01:17:10,070 --> 01:17:08,159
mean

1502
01:17:12,590 --> 01:17:10,080
well let's see

1503
01:17:15,770 --> 01:17:12,600
I have a brainwave synchronizer right

1504
01:17:20,330 --> 01:17:15,780
here you know so I believe this stuff

1505
01:17:23,450 --> 01:17:20,340
helps enhance you but I also think that

1506
01:17:25,669 --> 01:17:23,460
with passengers

1507
01:17:29,390 --> 01:17:25,679
excessively materialist point of view

1508
01:17:31,090 --> 01:17:29,400
nevertheless he is correct that uh the

1509
01:17:32,990 --> 01:17:31,100
uh

1510
01:17:36,770 --> 01:17:33,000
electromagnetic field of the earth

1511
01:17:39,530 --> 01:17:36,780
affects Visionary experiences to which I

1512
01:17:42,590 --> 01:17:39,540
would add the very very temperamental

1513
01:17:44,229 --> 01:17:42,600

behavior of the sun right now throwing

1514

01:17:46,669 --> 01:17:44,239

uh

1515

01:17:51,169 --> 01:17:46,679

electromagnetic effects at us all the

1516

01:17:53,689 --> 01:17:51,179

time is causing very interesting effects

1517

01:17:56,330 --> 01:17:53,699

in the population in general and of

1518

01:17:58,910 --> 01:17:56,340

course I don't know of anyone who is

1519

01:18:01,810 --> 01:17:58,920

collecting that now if you if you work

1520

01:18:04,850 --> 01:18:01,820

with the person you're a God helmet

1521

01:18:07,970 --> 01:18:04,860

uh there is a device in the computer

1522

01:18:10,729 --> 01:18:07,980

programming for it that lets you know

1523

01:18:13,850 --> 01:18:10,739

what's going on with the uh

1524

01:18:19,070 --> 01:18:13,860

the invisible em effects that are going

1525

01:18:21,350 --> 01:18:19,080

on in the earth's vicinity it's like

1526

01:18:23,270 --> 01:18:21,360

best be aware of that before you even

1527

01:18:27,110 --> 01:18:23,280

put the helmet on because you might be

1528

01:18:29,630 --> 01:18:27,120

getting natural effects but um

1529

01:18:32,810 --> 01:18:29,640

passenger thinks well that explains it

1530

01:18:36,229 --> 01:18:32,820

it's all in the brain the brain is the

1531

01:18:39,890 --> 01:18:36,239

thing but I think that it's

1532

01:18:44,270 --> 01:18:39,900

I think mostly the anatomy of the human

1533

01:18:45,530 --> 01:18:44,280

brain is a focusing and a damping

1534

01:18:48,169 --> 01:18:45,540

mechanism

1535

01:18:51,950 --> 01:18:48,179

it's not the source of anything you

1536

01:18:52,990 --> 01:18:51,960

examine the brain as is The Fad in in

1537

01:18:56,590 --> 01:18:53,000

science

1538

01:18:59,169 --> 01:18:56,600

since Penfield in the 70s and mostly

1539

01:19:03,350 --> 01:18:59,179

since uh

1540

01:19:06,470 --> 01:19:03,360

magnetic resonance oh this lights up

1541

01:19:10,430 --> 01:19:06,480

when you think about gold therefore this

1542

01:19:12,709 --> 01:19:10,440

produces gold well you know that's it's

1543

01:19:17,149 --> 01:19:12,719

measuring Heat

1544

01:19:18,830 --> 01:19:17,159

flow of blood to that area but if you

1545

01:19:21,709 --> 01:19:18,840

measured your shoulder when you're doing

1546

01:19:24,290 --> 01:19:21,719

exercises it would generate more heat

1547

01:19:28,490 --> 01:19:24,300

too so as your shoulders doing your

1548

01:19:29,270 --> 01:19:28,500

thinking for you but I think therefore I

1549

01:19:34,250 --> 01:19:29,280

am

1550

01:19:36,290 --> 01:19:34,260

hello I'm Alan's hat I mean much of what

1551
01:19:37,669 --> 01:19:36,300
and that brings me to the one point I

1552
01:19:40,910 --> 01:19:37,679
wanted to get in

1553
01:19:42,890 --> 01:19:40,920
somewhere on your program

1554
01:19:44,689 --> 01:19:42,900
about disclosure

1555
01:19:47,930 --> 01:19:44,699
now this is where they're all going to

1556
01:19:50,630 --> 01:19:47,940
switch off that that don't have an

1557
01:19:54,709 --> 01:19:50,640
Explorer's mentality

1558
01:19:56,470 --> 01:19:54,719
to to have government disclosure of the

1559
01:20:00,290 --> 01:19:56,480
truth about

1560
01:20:01,910 --> 01:20:00,300
UFO's paranormal phenomena any of that

1561
01:20:03,130 --> 01:20:01,920
that they may or may not have

1562
01:20:05,930 --> 01:20:03,140
investigated

1563
01:20:10,189 --> 01:20:05,940

you have to have something to disclose

1564

01:20:13,669 --> 01:20:10,199

yes I mean I think there are things that

1565

01:20:16,070 --> 01:20:13,679

are secret but they mostly involve or

1566

01:20:18,709 --> 01:20:16,080

entirely involve weapon systems that

1567

01:20:19,669 --> 01:20:18,719

have yet to make their way onto the

1568

01:20:23,570 --> 01:20:19,679

market

1569

01:20:27,070 --> 01:20:23,580

so to speak and in these troubled times

1570

01:20:29,450 --> 01:20:27,080

ask any Ukrainian about that

1571

01:20:31,610 --> 01:20:29,460

don't ask any Russian about that they'll

1572

01:20:34,669 --> 01:20:31,620

say what troubled times it's

1573

01:20:37,689 --> 01:20:34,679

I'm I'm going to Saks Fifth Avenue only

1574

01:20:42,770 --> 01:20:40,310

because it's the local version sax

1575

01:20:43,790 --> 01:20:42,780

having gone back to New York

1576

01:20:46,610 --> 01:20:43,800

um

1577

01:20:47,630 --> 01:20:46,620

it is a good thing that those things are

1578

01:20:49,810 --> 01:20:47,640

secret

1579

01:20:53,630 --> 01:20:49,820

and developmental

1580

01:20:57,430 --> 01:20:53,640

and therefore I think that a chasing

1581

01:21:04,430 --> 01:21:01,430

agencies that are built on and Dedicated

1582

01:21:06,590 --> 01:21:04,440

To Nuts and Bolts

1583

01:21:09,830 --> 01:21:06,600

is never going to find any more than

1584

01:21:14,470 --> 01:21:09,840

private ufologists have who are nuts and

1585

01:21:19,910 --> 01:21:16,250

factoids

1586

01:21:21,530 --> 01:21:19,920

but no conclusions what I would suggest

1587

01:21:24,610 --> 01:21:21,540

is

1588

01:21:29,810 --> 01:21:27,649

the integration of these various

1589

01:21:33,430 --> 01:21:29,820

elements and some others that we haven't

1590

01:21:37,870 --> 01:21:33,440

discussed of paranormal phenomena

1591

01:21:45,910 --> 01:21:41,930

Estes method other methods including

1592

01:21:52,130 --> 01:21:45,920

those that Wilhelm like put forward

1593

01:21:58,970 --> 01:21:56,510

different types of beings that are being

1594

01:22:03,110 --> 01:21:58,980

seen and

1595

01:22:05,709 --> 01:22:03,120

because UFO organizations have a pinch

1596

01:22:07,310 --> 01:22:05,719

on for

1597

01:22:10,669 --> 01:22:07,320

lists

1598

01:22:12,110 --> 01:22:10,679

they will ask a witness was it bigger

1599

01:22:13,729 --> 01:22:12,120

than a donut

1600

01:22:16,910 --> 01:22:13,739

you know

1601

01:22:18,550 --> 01:22:16,920

held at Arms links that used to be a

1602

01:22:22,189 --> 01:22:18,560

standard question

1603

01:22:25,310 --> 01:22:22,199

you ask a silly question you get a silly

1604

01:22:28,669 --> 01:22:25,320

answer it's an old cliché but it is very

1605

01:22:31,729 --> 01:22:28,679

true so if you're asking the same

1606

01:22:33,770 --> 01:22:31,739

questions they were asking in

1607

01:22:36,830 --> 01:22:33,780

the international Flying Saucer Bureau

1608

01:22:39,669 --> 01:22:36,840

in 1953 you're going to get the same

1609

01:22:43,189 --> 01:22:39,679

answer which is

1610

01:22:46,310 --> 01:22:43,199

this guy appears to have seen something

1611

01:22:48,470 --> 01:22:46,320

this woman appears to have experienced

1612

01:22:51,649 --> 01:22:48,480

something and that's as far as it goes

1613

01:22:56,990 --> 01:22:51,659

you're not able to go beyond that

1614

01:22:59,450 --> 01:22:57,000

but available but not integrated

1615

01:23:02,209 --> 01:22:59,460

are the other phenomena that have the

1616

01:23:04,669 --> 01:23:02,219

same characteristics and that's the

1617

01:23:07,610 --> 01:23:04,679

first thing that one should do the

1618

01:23:08,810 --> 01:23:07,620

second thing is in my opinion and this

1619

01:23:12,729 --> 01:23:08,820

is something

1620

01:23:18,290 --> 01:23:12,739

20 years ago I would not have emphasized

1621

01:23:21,830 --> 01:23:18,300

you need to integrate the findings

1622

01:23:24,470 --> 01:23:21,840

and projecting into the future the

1623

01:23:28,729 --> 01:23:24,480

findings of quantum mechanics right

1624

01:23:32,390 --> 01:23:28,739

because with quantum mechanics comes

1625

01:23:36,530 --> 01:23:32,400

not necessarily the correct Theory

1626

01:23:39,590 --> 01:23:36,540

as of now but projecting outward you

1627

01:23:42,470 --> 01:23:39,600

have the many worlds interpretation you

1628

01:23:43,870 --> 01:23:42,480

have the interesting stuff that's coming

1629

01:23:49,430 --> 01:23:43,880

from people like

1630

01:23:54,649 --> 01:23:51,130

other August

1631

01:23:56,870 --> 01:23:54,659

physicists and now just beginning I ran

1632

01:23:59,450 --> 01:23:56,880

something today on my Twitter feed I'm

1633

01:24:02,450 --> 01:23:59,460

on Twitter every day giving the truth

1634

01:24:03,770 --> 01:24:02,460

the light but not the way the way is up

1635

01:24:04,970 --> 01:24:03,780

to you

1636

01:24:07,310 --> 01:24:04,980

um

1637

01:24:09,649 --> 01:24:07,320

whatever that means

1638

01:24:16,130 --> 01:24:13,490

the notion that the universe is sort of

1639

01:24:18,470 --> 01:24:16,140

the nietzschean thing that

1640

01:24:20,990 --> 01:24:18,480

you have eternal returns there's a

1641

01:24:23,390 --> 01:24:21,000

universe it expands

1642

01:24:26,770 --> 01:24:23,400

develops a sufficient entropy it

1643

01:24:29,870 --> 01:24:26,780

collapses and then expands again

1644

01:24:32,030 --> 01:24:29,880

endlessly whatever a term like endlessly

1645

01:24:35,630 --> 01:24:32,040

would mean in a universe where there's

1646

01:24:37,930 --> 01:24:35,640

no space and there's no time those are

1647

01:24:39,890 --> 01:24:37,940

only constructs

1648

01:24:43,790 --> 01:24:39,900

after

1649

01:24:46,010 --> 01:24:43,800

the Big Bang or Big Bangs or you know

1650

01:24:47,689 --> 01:24:46,020

when I was a kid big bang was not the

1651

01:24:50,030 --> 01:24:47,699

accepted Theory

1652

01:24:52,010 --> 01:24:50,040

you know dinosaurs were the accepted

1653

01:24:54,649 --> 01:24:52,020

Theory don't let them eat your kid if

1654

01:24:56,330 --> 01:24:54,659

you go in the yard and it's a T-Rex get

1655

01:24:58,490 --> 01:24:56,340

back in the house and tell them to eat

1656

01:25:00,830 --> 01:24:58,500

another dinosaur

1657

01:25:03,830 --> 01:25:00,840

that was the principle the uh the

1658

01:25:07,010 --> 01:25:03,840

counselor said oh they won't hurt you

1659

01:25:08,390 --> 01:25:07,020

he was later eaten unfortunately good

1660

01:25:10,790 --> 01:25:08,400

guy

1661

01:25:11,709 --> 01:25:10,800

eaten by a Tyrannosaurus Rex what a

1662

01:25:16,130 --> 01:25:11,719

shame

1663

01:25:18,709 --> 01:25:16,140

yeah no he was eaten by a Stegosaurus a

1664

01:25:25,930 --> 01:25:18,719

purely vegetarian thing who regarded him

1665

01:25:33,410 --> 01:25:30,410

so that is my main rant these days

1666

01:25:35,930 --> 01:25:33,420

if you integrate the various phenomena

1667

01:25:37,250 --> 01:25:35,940

and say they have such similar

1668

01:25:39,950 --> 01:25:37,260

characteristics they're probably

1669

01:25:41,110 --> 01:25:39,960

different heads of the same Hydra so to

1670

01:25:43,010 --> 01:25:41,120

speak

1671

01:25:46,250 --> 01:25:43,020

and then

1672

01:25:48,169 --> 01:25:46,260

integrate that with the most Cutting

1673

01:25:50,169 --> 01:25:48,179

Edge physics which I think may

1674

01:25:52,669 --> 01:25:50,179

eventually overthrow physics altogether

1675

01:25:54,770 --> 01:25:52,679

and I'm certainly not the first person

1676

01:25:58,250 --> 01:25:54,780

to say that

1677

01:26:01,070 --> 01:25:58,260

um May overthrow the notion of

1678

01:26:04,310 --> 01:26:01,080

scientific explanations for reality

1679

01:26:07,930 --> 01:26:04,320

period we may be dealing with something

1680

01:26:13,129 --> 01:26:07,940

better understood in terms of

1681

01:26:19,129 --> 01:26:16,970

and Mythos in the Joseph Campbell sense

1682

01:26:22,610 --> 01:26:19,139

then we're dealing with something that

1683

01:26:25,070 --> 01:26:22,620

has a rigid scientific explanation that

1684

01:26:27,970 --> 01:26:25,080

I can't know at this point but I would

1685

01:26:32,090 --> 01:26:27,980

suggest if the Next Generation

1686

01:26:35,450 --> 01:26:32,100

integrates these things they will

1687

01:26:37,729 --> 01:26:35,460

be able to follow the synchronicities to

1688

01:26:39,290 --> 01:26:37,739

a much better perspective on all this

1689

01:26:40,930 --> 01:26:39,300

stuff

1690

01:26:42,910 --> 01:26:40,940

oh

1691

01:26:46,790 --> 01:26:42,920

man

1692

01:26:51,770 --> 01:26:49,490

wrap this up on I don't know what

1693

01:26:55,310 --> 01:26:51,780

she's there shutting me up now they're

1694

01:26:59,450 --> 01:26:57,110

I'm just worried about Vinnie I think

1695

01:27:01,669 --> 01:26:59,460

he's looking at what 2 30 a.m for you

1696

01:27:04,390 --> 01:27:01,679

bud it is it is yeah I have to be up in

1697

01:27:08,390 --> 01:27:04,400

a few hours at my door as well

1698

01:27:12,229 --> 01:27:08,400

oh well ask me didn't any of your your

1699

01:27:15,590 --> 01:27:12,239

Watchers ask any questions they did we

1700

01:27:18,530 --> 01:27:15,600

had one other question Carolina Garcia

1701

01:27:20,629 --> 01:27:18,540

are there any new theories or areas of

1702

01:27:22,970 --> 01:27:20,639

research that you find particularly

1703

01:27:24,709 --> 01:27:22,980

intriguing or promising

1704

01:27:27,290 --> 01:27:24,719

I think I just answered that question

1705

01:27:30,169 --> 01:27:27,300

yeah I don't I don't know that it's

1706

01:27:32,689 --> 01:27:30,179

exactly new but it's new to

1707

01:27:35,629 --> 01:27:32,699

Enigma research

1708

01:27:37,490 --> 01:27:35,639

I don't call myself a ufologist I have

1709

01:27:38,689 --> 01:27:37,500

for many years called myself a Para

1710

01:27:41,689 --> 01:27:38,699

ufologist

1711

01:27:43,550 --> 01:27:41,699

and I would love if that term had more

1712

01:27:47,390 --> 01:27:43,560

uh

1713

01:27:50,270 --> 01:27:47,400

agency that it now does because I think

1714

01:27:52,189 --> 01:27:50,280

that what we're doing if we want to

1715

01:27:54,350 --> 01:27:52,199

really understand this stuff is that

1716

01:27:56,450 --> 01:27:54,360

it's Perry ufology is your shoulder

1717

01:27:58,850 --> 01:27:56,460

still bothering you

1718

01:28:03,410 --> 01:27:58,860

then he let me do a healing on you right

1719

01:28:05,510 --> 01:28:03,420

now okay you want to heal it why not is

1720

01:28:23,990 --> 01:28:05,520

your shoulder still bothering you it's

1721

01:28:29,870 --> 01:28:26,750

it's the most distant healing that I've

1722

01:28:32,030 --> 01:28:29,880

ever done but I do do distant stuff that

1723

01:28:34,370 --> 01:28:32,040

works pretty well

1724

01:28:35,810 --> 01:28:34,380

um and I wanted to say one other thing

1725

01:28:37,729 --> 01:28:35,820

about

1726

01:28:39,970 --> 01:28:37,739

do I get to do a plug at the end of this

1727

01:28:43,550 --> 01:28:39,980

of course okay

1728

01:28:47,629 --> 01:28:43,560

but this is not the plug this is just

1729

01:28:51,470 --> 01:28:47,639

during The Long Dark period when it was

1730

01:28:53,030 --> 01:28:51,480

just belay famous and Allen who the hell

1731

01:28:54,010 --> 01:28:53,040

is he

1732

01:28:57,950 --> 01:28:54,020

um

1733

01:29:00,610 --> 01:28:57,960

shouting in the wilderness as it were

1734

01:29:04,669 --> 01:29:00,620

on this side of the pond

1735

01:29:08,390 --> 01:29:04,679

I was treated as the odd step child Walt

1736

01:29:11,030 --> 01:29:08,400

Andrus once jumped on B4 one year I had

1737

01:29:13,610 --> 01:29:11,040

on a suit because that was in those days

1738

01:29:15,890 --> 01:29:13,620

I owned a suit and the next year at the

1739

01:29:20,270 --> 01:29:15,900

mufon Gathering

1740

01:29:23,450 --> 01:29:20,280

I had on my full hippie regalia now

1741

01:29:26,810 --> 01:29:23,460

bottoms my hair down well out to here

1742

01:29:29,030 --> 01:29:26,820

because if if Jewish people try to grow

1743

01:29:32,330 --> 01:29:29,040

their hair down like Jimmy Page or

1744

01:29:35,149 --> 01:29:32,340

something it goes out so I call it a Jew

1745

01:29:37,910 --> 01:29:35,159

fro you know so so there I was that you

1746

01:29:39,169 --> 01:29:37,920

throwing beads and stuff and Walt looks

1747

01:29:41,450 --> 01:29:39,179

at me and he said

1748

01:29:43,550 --> 01:29:41,460

it used to be a clean-cut guy what

1749

01:29:47,450 --> 01:29:43,560

happened to you

1750

01:29:53,330 --> 01:29:47,460

and I smiled and said out of Vietnam now

1751

01:29:59,930 --> 01:29:56,930

um at that same period which was a long

1752

01:30:02,810 --> 01:29:59,940

long period of decades

1753

01:30:06,830 --> 01:30:05,149

I have to be careful here the British

1754

01:30:08,689 --> 01:30:06,840

ufologists particularly English

1755

01:30:11,810 --> 01:30:08,699

ufologists

1756

01:30:14,870 --> 01:30:11,820

were always more sympathetic and open to

1757

01:30:17,390 --> 01:30:14,880

my ideas and we're glad to publish them

1758

01:30:20,629 --> 01:30:17,400

and commented on them favorably that

1759

01:30:22,870 --> 01:30:20,639

would be uh the the big hitters of that

1760

01:30:28,129 --> 01:30:22,880

period Flying Saucer review

1761

01:30:30,410 --> 01:30:28,139

uh and uh Gordon Creighton and I were

1762

01:30:35,050 --> 01:30:30,420

pretty tight

1763

01:30:38,510 --> 01:30:35,060

um brinsley trench invited me to dinner

1764

01:30:40,070 --> 01:30:38,520

later Lord trench

1765

01:30:43,850 --> 01:30:40,080

um

1766

01:30:45,530 --> 01:30:43,860

what was at first the mercy side UFO

1767

01:30:48,410 --> 01:30:45,540

Bulletin

1768

01:30:51,530 --> 01:30:48,420

which later became begonia

1769

01:30:54,350 --> 01:30:51,540

after presumably a passport was

1770

01:30:58,010 --> 01:30:54,360

published the most literate magazine

1771

01:31:01,610 --> 01:30:58,020

ever in ufology anywhere in the world

1772

01:31:04,669 --> 01:31:01,620

uh was very sympathetic to me as was the

1773

01:31:06,890 --> 01:31:04,679

British UFO research Association before

1774

01:31:08,689 --> 01:31:06,900

and those were the Heavy Hitters of

1775

01:31:13,070 --> 01:31:08,699

those times

1776

01:31:15,770 --> 01:31:13,080

and I have eternally been appreciative

1777

01:31:18,470 --> 01:31:15,780

of that because it meant that I wasn't

1778

01:31:21,770 --> 01:31:18,480

just in the wilderness I was simply in

1779

01:31:26,030 --> 01:31:24,890

which is sometimes slow to pick up on

1780

01:31:29,870 --> 01:31:26,040

uh

1781

01:31:34,490 --> 01:31:29,880

radically new ideas and the same is true

1782

01:31:37,669 --> 01:31:34,500

now I I get more offers to speak

1783

01:31:40,970 --> 01:31:37,679

from Mostly from northern England for

1784

01:31:43,669 --> 01:31:40,980

some reason but uh and from the Scots

1785

01:31:47,270 --> 01:31:43,679

you know I'm all

1786

01:31:49,149 --> 01:31:47,280

for the Scottish people

1787

01:31:52,550 --> 01:31:49,159

um

1788

01:31:55,790 --> 01:31:52,560

that's been very important for me and

1789

01:31:59,149 --> 01:31:55,800

has continued to be although now you

1790

01:32:04,850 --> 01:32:01,910

people who grew up

1791

01:32:08,590 --> 01:32:04,860

integrating the occult

1792

01:32:10,189 --> 01:32:08,600

so-called with ufology

1793

01:32:17,110 --> 01:32:10,199

and

1794

01:32:23,629 --> 01:32:19,830

oh beautiful

1795

01:32:28,310 --> 01:32:25,850

yeah before we finish that one please

1796

01:32:29,510 --> 01:32:28,320

plug whatever you want to plug

1797

01:32:32,570 --> 01:32:29,520

okay

1798

01:32:43,209 --> 01:32:36,229

hold on let me take a little of my Irish

1799

01:32:47,870 --> 01:32:45,470

no no

1800

01:32:49,189 --> 01:32:47,880

by the rising of no I better not do that

1801

01:32:53,510 --> 01:32:49,199

when I'm talking about my British

1802

01:33:01,510 --> 01:32:57,970

um I didn't say that I didn't say that

1803

01:33:05,990 --> 01:33:03,890

Scottish independence

1804

01:33:08,689 --> 01:33:06,000

Wales I don't know they can't understand

1805

01:33:12,470 --> 01:33:08,699

what I say and I certainly don't

1806

01:33:14,930 --> 01:33:12,480

understand what they say no too many L's

1807

01:33:18,590 --> 01:33:14,940

too many else and other words and

1808

01:33:23,629 --> 01:33:18,600

Llewellyn once rejected a book of mine

1809

01:33:28,250 --> 01:33:25,310

um

1810

01:33:29,990 --> 01:33:28,260

don't hesitate to buy the complete

1811

01:33:32,090 --> 01:33:30,000

Secret side for the euphenots even

1812

01:33:34,310 --> 01:33:32,100

though I said when the new book comes

1813

01:33:36,709 --> 01:33:34,320

out it won't be complete because one of

1814

01:33:41,990 --> 01:33:36,719

two things well yes

1815

01:33:47,810 --> 01:33:42,000

oh it reflects and those are Mo Larry

1816

01:33:55,669 --> 01:33:51,970

um I don't do the covers I used to like

1817

01:33:57,649 --> 01:33:55,679

covers and have great title ideas and

1818

01:33:58,850 --> 01:33:57,659

they almost get batted down by my

1819

01:34:00,709 --> 01:33:58,860

publishers

1820

01:34:04,370 --> 01:34:00,719

but

1821

01:34:06,229 --> 01:34:04,380

I I my understanding is when it comes

1822

01:34:08,270 --> 01:34:06,239

out which will be soon

1823

01:34:12,169 --> 01:34:08,280

I'm not going to put a date on it

1824

01:34:14,950 --> 01:34:12,179

because I don't know but soon the the

1825

01:34:18,830 --> 01:34:14,960

real Black Lodge

1826

01:34:21,050 --> 01:34:18,840

revealed or exposed

1827

01:34:25,430 --> 01:34:21,060

um will definitely be

1828

01:34:27,950 --> 01:34:25,440

the long-awaited third volume and will

1829

01:34:31,250 --> 01:34:27,960

be a standalone book available from all

1830

01:34:32,709 --> 01:34:31,260

the usual sellers you get it from Amazon

1831

01:34:35,450 --> 01:34:32,719

UK

1832

01:34:37,729 --> 01:34:35,460

Used to Be The Book Depository but I

1833

01:34:41,390 --> 01:34:37,739

hear Amazon bought them and are putting

1834

01:34:43,570 --> 01:34:41,400

them out of business I mean after this

1835

01:34:46,970 --> 01:34:43,580

month actually that they're

1836

01:34:47,590 --> 01:34:46,980

ceasing to be

1837

01:34:50,270 --> 01:34:47,600

um

1838

01:34:54,470 --> 01:34:50,280

and then there's uh

1839

01:34:56,530 --> 01:34:54,480

Barnes and Noble and virtually any of

1840

01:35:02,270 --> 01:34:56,540

the major

1841

01:35:02,280 --> 01:35:06,050

sorry uh

1842

01:35:13,189 --> 01:35:09,290

and uh so it will be a freestanding book

1843

01:35:14,750 --> 01:35:13,199

but if my publisher follows my advice

1844

01:35:16,729 --> 01:35:14,760

eventually

1845

01:35:19,189 --> 01:35:16,739

it will be

1846

01:35:20,810 --> 01:35:19,199

have an edition of complete secret

1847

01:35:25,189 --> 01:35:20,820

Cipher

1848

01:35:26,810 --> 01:35:25,199

which will contain all three so now they

1849

01:35:29,990 --> 01:35:26,820

may not follow my advice you know

1850

01:35:32,450 --> 01:35:30,000

there's not a necessity of that and I

1851

01:35:35,450 --> 01:35:32,460

just write on my own you know have

1852

01:35:39,110 --> 01:35:35,460

authority over them but uh

1853

01:35:42,770 --> 01:35:39,120

but I would like that to be the case and

1854

01:35:46,550 --> 01:35:42,780

hopefully it will so you can

1855

01:35:48,770 --> 01:35:46,560

if you you buy the current version it

1856

01:35:50,570 --> 01:35:48,780

will become a rare volume someday if

1857

01:35:53,689 --> 01:35:50,580

they if the third one happens and if not

1858

01:35:56,810 --> 01:35:53,699

you've got those two and if you get the

1859

01:35:58,550 --> 01:35:56,820

three the third volume

1860

01:36:01,430 --> 01:35:58,560

um

1861

01:36:04,070 --> 01:36:01,440

as a freestanding thing then you can put

1862

01:36:05,750 --> 01:36:04,080

it next to the complete secret Cipher on

1863

01:36:09,050 --> 01:36:05,760

your bookshelf and be proud about it

1864

01:36:11,709 --> 01:36:09,060

other books if you're interested in

1865

01:36:14,870 --> 01:36:11,719

sexual Magic

1866

01:36:16,550 --> 01:36:14,880

from a point of view that you don't get

1867

01:36:19,370 --> 01:36:16,560

anywhere else

1868

01:36:20,090 --> 01:36:19,380

in public anyway

1869

01:36:23,570 --> 01:36:20,100

um

1870

01:36:26,990 --> 01:36:23,580

uh the Grail within is my book on that

1871

01:36:29,689 --> 01:36:27,000

subject that was originally printed but

1872

01:36:32,930 --> 01:36:29,699

not published only for initiates and is

1873

01:36:35,330 --> 01:36:32,940

now available to a greater public that

1874

01:36:36,129 --> 01:36:35,340

is people who are really interested in

1875

01:36:40,370 --> 01:36:36,139

that

1876

01:36:42,350 --> 01:36:40,380

and what else do I have saucers and

1877

01:36:45,530 --> 01:36:42,360

saucers if you want to know about the

1878

01:36:47,450 --> 01:36:45,540

good old days in ufology

1879

01:36:50,570 --> 01:36:47,460

uh why not

1880

01:36:54,830 --> 01:36:50,580

well there's a photo in it of the first

1881

01:36:57,410 --> 01:36:54,840

uh National UFO conference in 1964 which

1882

01:36:59,930 --> 01:36:57,420

I took and all of The Luminaries of that

1883

01:37:01,370 --> 01:36:59,940

period are in it it's a good photo I've

1884

01:37:06,350 --> 01:37:01,380

kept it all these years I think it was

1885

01:37:08,390 --> 01:37:06,360

originally a Polaroid and one of my uh

1886

01:37:10,490 --> 01:37:08,400

devotees on

1887

01:37:12,350 --> 01:37:10,500

Twitter said

1888

01:37:15,169 --> 01:37:12,360

how come there no women in the picture

1889

01:37:18,350 --> 01:37:15,179

and I was thinking the question I ask

1890

01:37:22,310 --> 01:37:18,360

now of UFO conferences well that that's

1891

01:37:25,370 --> 01:37:22,320

my point there is a dearth of women in

1892

01:37:28,629 --> 01:37:25,380

most of these fields and there are a

1893

01:37:31,490 --> 01:37:28,639

variety of reasons for that but being

1894

01:37:33,290 --> 01:37:31,500

exclusionistic is one of those reasons

1895

01:37:35,750 --> 01:37:33,300

and

1896

01:37:39,590 --> 01:37:35,760

I don't know I did a stint as a lodge

1897

01:37:45,110 --> 01:37:39,600

master and we had people of every stripe

1898

01:37:47,629 --> 01:37:45,120

in you and point of view and that ceased

1899

01:37:51,290 --> 01:37:47,639

after I I was the launch master

1900

01:37:55,729 --> 01:37:51,300

it's the right thing to be it's also the

1901

01:37:58,970 --> 01:37:55,739

richest way to be able to get ideas from

1902

01:38:01,490 --> 01:37:58,980

everywhere yeah except we didn't allow

1903

01:38:07,570 --> 01:38:01,500

Nazis we beat them up in the behind the

1904

01:38:12,169 --> 01:38:10,370

yeah well you know I'm

1905

01:38:14,410 --> 01:38:12,179

I have a

1906

01:38:16,910 --> 01:38:14,420

a dog in that hunt

1907

01:38:18,950 --> 01:38:16,920

well listen Alan I have popped in the

1908

01:38:20,750 --> 01:38:18,960

description of this video links to where

1909

01:38:22,129 --> 01:38:20,760

people can go and buy your books and

1910

01:38:24,770 --> 01:38:22,139

also to where they can follow you on

1911

01:38:25,610 --> 01:38:24,780

Twitter so any information about the the

1912

01:38:28,310 --> 01:38:25,620

Third

1913

01:38:30,649 --> 01:38:28,320

uh book when it comes out people can can

1914

01:38:32,270 --> 01:38:30,659

get the the information on it but I just

1915

01:38:34,310 --> 01:38:32,280

want to say a massive thank you to to

1916

01:38:37,010 --> 01:38:34,320

you to Katie and to everyone watching

1917

01:38:39,010 --> 01:38:37,020

it's been a really fun conversation and

1918

01:38:41,990 --> 01:38:39,020

I really do appreciate it so thank you

1919

01:38:44,990 --> 01:38:42,000

oh it's been delightful how long have we

1920

01:38:46,930 --> 01:38:45,000

been doing this uh as they've all gone

1921

01:38:54,470 --> 01:38:46,940

to sleep

1922

01:38:59,030 --> 01:38:56,990

that's monkeying so so much Alan it's

1923

01:39:02,330 --> 01:38:59,040

been a pleasure just to kind of

1924

01:39:05,510 --> 01:39:02,340

integrate some new ideas into our

1925

01:39:08,390 --> 01:39:05,520

disclosure uh community and we

1926

01:39:10,729 --> 01:39:08,400

appreciate that uh

1927

01:39:13,189 --> 01:39:10,739

the education you've given us a bit

1928

01:39:15,590 --> 01:39:13,199

today you know and we hope to hear more

1929

01:39:16,729 --> 01:39:15,600

from you and I can't wait to read your

1930

01:39:19,729 --> 01:39:16,739

new book

1931

01:39:22,370 --> 01:39:19,739

absolutely hey that's great endorsement

1932

01:39:24,709 --> 01:39:22,380

there don't forget Katie said I didn't

1933

01:39:26,870 --> 01:39:24,719

say that and I didn't prompt your checks

1934

01:39:29,870 --> 01:39:26,880

in the mail I didn't want her to say

1935

01:39:31,430 --> 01:39:29,880

that you're welcome plus an extra 10

1936

01:39:32,930 --> 01:39:31,440

percent

1937

01:39:34,970 --> 01:39:32,940

okay

1938

01:39:37,790 --> 01:39:34,980

so yeah guys thank you so much for

1939

01:39:41,030 --> 01:39:37,800

watching please follow subscribe like

1940

01:39:43,610 --> 01:39:41,040

and go and follow and Alan and by his

1941

01:39:45,410 --> 01:39:43,620

books but until next time guys we'll see
