[Music]

2
00:00:14,330 --> 00:00:11,330

thank you

3
00:00:17,210 --> 00:00:14,340

they were complex narratives of being

4
00:00:21,189 --> 00:00:17,220

taken by alien beings into UFOs on beams

5
00:00:31,910 --> 00:00:24,170

the Air Force is trying to cover up with

6
00:00:36,709 --> 00:00:34,370

from my own point of view I'm going to

7
00:00:38,630 --> 00:00:36,719

be very disappointed if UFOs turned out

8
00:00:39,889 --> 00:00:38,640

to be nothing more than visitors from

9
00:00:45,770 --> 00:00:39,899

another planet because I think there

10
00:01:06,890 --> 00:00:47,510

I'm not telling you the United States

11
00:01:10,490 --> 00:01:09,230

welcome back guys I hope everyone is

12
00:01:12,830 --> 00:01:10,500

doing well

13
00:01:15,109 --> 00:01:12,840

oh what a week we've had this is my

14

00:01:17,270 --> 00:01:15,119

first show since everything's gone crazy

15

00:01:17,870 --> 00:01:17,280

in the subject

16

00:01:21,770 --> 00:01:17,880

um

17

00:01:23,990 --> 00:01:21,780

boy oh boy but obviously it became

18

00:01:26,990 --> 00:01:24,000

clear that David grush was talking about

19

00:01:28,490 --> 00:01:27,000

this 1933 Italy crash so I thought you

20

00:01:31,370 --> 00:01:28,500

know we'll go over kind of what's been

21

00:01:32,570 --> 00:01:31,380

said about this in the past and I've

22

00:01:34,969 --> 00:01:32,580

spent the last couple of days looking

23

00:01:37,010 --> 00:01:34,979

into it and there's so much conflicting

24

00:01:38,749 --> 00:01:37,020

information out there I've found this a

25

00:01:41,450 --> 00:01:38,759

lot more difficult than I thought so

26

00:01:44,090 --> 00:01:41,460

we've got two good friends joining me

27

00:01:45,890 --> 00:01:44,100

today to kind of go over this before I

28

00:01:48,590 --> 00:01:45,900

bring them on though uh as always please

29

00:01:49,850 --> 00:01:48,600

keep the chat nice and respectful I'd

30

00:01:52,310 --> 00:01:49,860

appreciate that

31

00:01:54,109 --> 00:01:52,320

my um all my shows now are actually

32

00:01:56,330 --> 00:01:54,119

going to go over to patreon as audio

33

00:01:58,670 --> 00:01:56,340

only as well for sort of giving back to

34

00:02:00,410 --> 00:01:58,680

patreon and I've lowered that right down

35

00:02:02,149 --> 00:02:00,420

to one dollar as well so if you wanted

36

00:02:04,609 --> 00:02:02,159

them audio only you can get them on

37

00:02:06,170 --> 00:02:04,619

patreon for a dollar and it just helps

38

00:02:08,029 --> 00:02:06,180

support what we do here

39

00:02:10,309 --> 00:02:08,039

other than that guys if you have any

40

00:02:12,050 --> 00:02:10,319

questions pop them in capital letters in

41

00:02:13,250 --> 00:02:12,060

the chat so I get a better chance of

42

00:02:15,229 --> 00:02:13,260

seeing them

43

00:02:18,110 --> 00:02:15,239

and let's get into it let's let's bring

44

00:02:20,390 --> 00:02:18,120

in my guests first up my good friend

45

00:02:23,030 --> 00:02:20,400

Sean Rash of witness citizen Sean how

46

00:02:24,949 --> 00:02:23,040

are you good how are you sir I'm not too

47

00:02:27,770 --> 00:02:24,959

bad not too bad been a very busy week

48

00:02:29,869 --> 00:02:27,780

but uh yeah yeah you have this whole

49

00:02:32,690 --> 00:02:29,879

case solved figured out you're ready to

50

00:02:35,449 --> 00:02:32,700

in the bag yeah

51
00:02:37,970 --> 00:02:35,459
and please also welcome my good friend

52
00:02:40,910 --> 00:02:37,980
and colleague at UAP media UK Mr Graham

53
00:02:44,330 --> 00:02:40,920
Randall Graham how are you hello Vinnie

54
00:02:46,850 --> 00:02:44,340
hello Sean how are you both doing good

55
00:02:49,190 --> 00:02:46,860
yeah not bad not bad this this case has

56
00:02:52,009 --> 00:02:49,200
been uh turning my brain to Mush the

57
00:02:54,410 --> 00:02:52,019
last couple of days you and me both it's

58
00:02:57,650 --> 00:02:54,420
unbelievable

59
00:02:59,390 --> 00:02:57,660
so yeah let's um let's uh so I've asked

60
00:03:02,089 --> 00:02:59,400
both of you what did you guys know about

61
00:03:03,350 --> 00:03:02,099
this case before sort of it sort of

62
00:03:05,990 --> 00:03:03,360
before it came back into the news

63
00:03:12,050 --> 00:03:08,750

uh grab you wanna it goes a long way

64

00:03:15,229 --> 00:03:12,060

back uh Tim good wrote about rs33 back

65

00:03:16,729 --> 00:03:15,239

in the late 80s early in the early 90s

66

00:03:18,649 --> 00:03:16,739

um I can't remember which off the top of

67

00:03:20,630 --> 00:03:18,659

my head which book it's in uh but it's

68

00:03:22,910 --> 00:03:20,640

definitely one of them um so yeah he

69

00:03:26,330 --> 00:03:22,920

talked about it quite a lot quite early

70

00:03:31,550 --> 00:03:28,610

Sean

71

00:03:33,649 --> 00:03:31,560

I this is one that was always kind of

72

00:03:35,930 --> 00:03:33,659

like in the back of my head as far as

73

00:03:37,070 --> 00:03:35,940

it's something I want to get to you know

74

00:03:38,869 --> 00:03:37,080

I know

75

00:03:41,149 --> 00:03:38,879

um Christopher sharp at Liberation Times

76
00:03:43,070 --> 00:03:41,159
Release something I know Lewis mentioned

77
00:03:45,970 --> 00:03:43,080
it and it's kind of been floating around

78
00:03:48,470 --> 00:03:45,980
but it you know it's one of those where

79
00:03:50,390 --> 00:03:48,480
I also felt like I didn't have the

80
00:03:52,550 --> 00:03:50,400
resources I needed to successfully

81
00:03:53,869 --> 00:03:52,560
investigate it like I can't find much of

82
00:03:56,869 --> 00:03:53,879
anything other than what's already

83
00:03:58,070 --> 00:03:56,879
available and so it just kind of feels

84
00:03:59,750 --> 00:03:58,080
stuck at some point and you're right

85
00:04:01,729 --> 00:03:59,760
it's like how do you verify anything at

86
00:04:03,710 --> 00:04:01,739
this point too so I always kind of get

87
00:04:06,050 --> 00:04:03,720
just got stuck against a wall but but

88
00:04:08,570 --> 00:04:06,060

here we are looking at it man so yeah

89

00:04:10,070 --> 00:04:08,580

you just never know no absolutely and

90

00:04:11,809 --> 00:04:10,080

like I said in the last couple of days

91

00:04:12,890 --> 00:04:11,819

I've been trying to dig deep into it and

92

00:04:15,229 --> 00:04:12,900

there is a lot of conflicting

93

00:04:17,569 --> 00:04:15,239

information out there on on a lot of the

94

00:04:20,270 --> 00:04:17,579

sort of major points of the story there

95

00:04:22,129 --> 00:04:20,280

are some good uh Italian articles which

96

00:04:24,050 --> 00:04:22,139

I'm going to be working off today going

97

00:04:25,969 --> 00:04:24,060

through the story

98

00:04:28,010 --> 00:04:25,979

um it's not it doesn't seem as biased

99

00:04:31,189 --> 00:04:28,020

there seems to be two sides or two

100

00:04:33,950 --> 00:04:31,199

factions one that believes this is you

101
00:04:35,450 --> 00:04:33,960
know true others where there's a lot of

102
00:04:37,610 --> 00:04:35,460
questions being asked and there doesn't

103
00:04:38,990 --> 00:04:37,620
seem to be much Middle Ground so that's

104
00:04:41,390 --> 00:04:39,000
what I really struggled with is trying

105
00:04:44,150 --> 00:04:41,400
not to to come from one angle

106
00:04:46,249 --> 00:04:44,160
so um the best thing to do is just give

107
00:04:48,650 --> 00:04:46,259
a really brief outline of what

108
00:04:51,409 --> 00:04:48,660
apparently occurred a lot of this I

109
00:04:53,810 --> 00:04:51,419
think is I'm I I'm not going to say I

110
00:04:54,350 --> 00:04:53,820
believe it at all it's too difficult but

111
00:04:56,510 --> 00:04:54,360
um

112
00:04:58,310 --> 00:04:56,520
I'm just going to start reading in fact

113
00:05:00,050 --> 00:04:58,320

I'm going to share my screen and do it

114

00:05:02,510 --> 00:05:00,060

that way and then we can go kind of go

115

00:05:04,070 --> 00:05:02,520

chapter by chapter not chapter paragraph

116

00:05:06,790 --> 00:05:04,080

by paragraph

117

00:05:09,230 --> 00:05:06,800

on this so on the morning of June 13

118

00:05:11,030 --> 00:05:09,240

1933 an unidentified flying object

119

00:05:13,850 --> 00:05:11,040

appeared in the clouds covering the

120

00:05:15,590 --> 00:05:13,860

Skies of Lombardy can I just caveat this

121

00:05:17,689 --> 00:05:15,600

is translated from Italian so the

122

00:05:19,249 --> 00:05:17,699

wording might be a little bit out

123

00:05:21,530 --> 00:05:19,259

the aircraft landed shortly after

124

00:05:24,650 --> 00:05:21,540

possibly crashing near the municipality

125

00:05:26,450 --> 00:05:24,660

of version 8 in the province of verrazi

126

00:05:29,210 --> 00:05:26,460

the security organs immediately

127

00:05:31,189 --> 00:05:29,220

activated the remains of the mysterious

128

00:05:34,850 --> 00:05:31,199

aircraft were hurriedly transported to a

129

00:05:37,550 --> 00:05:34,860

nearby SI Al marchetti plant and the

130

00:05:40,969 --> 00:05:37,560

bodies of two deceased Pilots tall

131

00:05:42,770 --> 00:05:40,979

blonde with blue eyes which everyone you

132

00:05:45,350 --> 00:05:42,780

know Associates that with the Nordic

133

00:05:46,850 --> 00:05:45,360

beings but you know this is all this is

134

00:05:48,830 --> 00:05:46,860

the all I could really find about the

135

00:05:53,330 --> 00:05:48,840

pilots across all of the documentation

136

00:05:56,029 --> 00:05:53,340

it's 1.8 meters two of them tall Fair

137

00:05:57,409 --> 00:05:56,039

hair and the eyes that's it that's all I

138

00:05:59,330 --> 00:05:57,419

could find

139

00:06:00,230 --> 00:05:59,340

apparently preserved in form four

140

00:06:03,350 --> 00:06:00,240

million but I think it means

141

00:06:05,330 --> 00:06:03,360

formaldehyde Benito Mussolini informed

142

00:06:07,189 --> 00:06:05,340

of the facts was at first convinced that

143

00:06:12,170 --> 00:06:07,199

it was a foreign prototype and I think

144

00:06:15,050 --> 00:06:12,180

he believed it was French or German

145

00:06:17,390 --> 00:06:15,060

uh or unauthorized fight over Italian

146

00:06:20,090 --> 00:06:17,400

skies and ordered that the incident kept

147

00:06:22,129 --> 00:06:20,100

in the strictest secrecy in the days

148

00:06:24,110 --> 00:06:22,139

following the event the mystery became

149

00:06:26,270 --> 00:06:24,120

more intense the mysterious aircraft had

150

00:06:29,330 --> 00:06:26,280

not yet been identified and could have

151

00:06:32,210 --> 00:06:29,340

been of extraterrestrial origin

152

00:06:34,550 --> 00:06:32,220

now that part so initially Mussolini

153

00:06:37,129 --> 00:06:34,560

thought it was just a foreign aircraft

154

00:06:39,070 --> 00:06:37,139

and I think it was Marconi was the one

155

00:06:42,170 --> 00:06:39,080

that went no no I think this is

156

00:06:44,210 --> 00:06:42,180

extraterrestrial so

157

00:06:46,490 --> 00:06:44,220

Graham what what do you think about that

158

00:06:49,010 --> 00:06:46,500

about some kind of aircraft in 1933

159

00:06:52,670 --> 00:06:49,020

coming from France or Germany that you

160

00:06:55,909 --> 00:06:52,680

know that fits those kind of strange

161

00:06:57,890 --> 00:06:55,919

you know well prototypes based on what

162

00:06:59,930 --> 00:06:57,900

they talk about I mean aircraft back

163

00:07:02,270 --> 00:06:59,940

then so you're looking at what 1933

164

00:07:03,469 --> 00:07:02,280

there were still like flying biplanes

165

00:07:05,570 --> 00:07:03,479

basically

166

00:07:06,290 --> 00:07:05,580

um it was right at the end of the kind

167

00:07:10,430 --> 00:07:06,300

of

168

00:07:12,469 --> 00:07:10,440

new fighter airplanes so high

169

00:07:14,809 --> 00:07:12,479

performance for those days we're still

170

00:07:17,029 --> 00:07:14,819

biplanes there were a few monoplanes

171

00:07:18,710 --> 00:07:17,039

coming on this onto the scene but there

172

00:07:20,570 --> 00:07:18,720

were still largely mucking about the

173

00:07:22,249 --> 00:07:20,580

biplanes because I was still considered

174

00:07:25,010 --> 00:07:22,259

to be the the sort of particular

175

00:07:27,529 --> 00:07:25,020

technology and engine development hadn't

176

00:07:29,390 --> 00:07:27,539

really got much better since the first

177

00:07:31,850 --> 00:07:29,400

world war so you're not looking at very

178

00:07:34,730 --> 00:07:31,860

very high performance airplanes however

179

00:07:38,450 --> 00:07:34,740

you know your top speed is around about

180

00:07:40,790 --> 00:07:38,460

200 miles an hour for that maybe 250 260

181

00:07:43,610 --> 00:07:40,800

miles an hour for that take your time so

182

00:07:44,990 --> 00:07:43,620

nothing here matches uh particularly

183

00:07:48,050 --> 00:07:45,000

what the French or even the Germans were

184

00:07:49,249 --> 00:07:48,060

mucking about with in in 1933 or even

185

00:07:51,189 --> 00:07:49,259

the Italians might have had on their

186

00:07:53,930 --> 00:07:51,199

books or anybody else for that matter

187

00:07:56,450 --> 00:07:53,940

matches this kind of you know shape and

188

00:07:58,430 --> 00:07:56,460

performance and all the rest of it

189

00:07:59,990 --> 00:07:58,440

um let alone you know nordics and

190

00:08:01,330 --> 00:08:00,000

everything else

191

00:08:05,089 --> 00:08:01,340

um

192

00:08:07,550 --> 00:08:05,099

my when I first heard this and I I

193

00:08:08,990 --> 00:08:07,560

caught wind of some of these details a

194

00:08:11,510 --> 00:08:09,000

long time ago

195

00:08:13,309 --> 00:08:11,520

my thinking was where does this

196

00:08:15,170 --> 00:08:13,319

information come from

197

00:08:16,730 --> 00:08:15,180

where can we see

198

00:08:19,309 --> 00:08:16,740

you know how it was reported in

199

00:08:21,350 --> 00:08:19,319

Mussolini where are the documents where

200

00:08:24,350 --> 00:08:21,360

is the you know the the paper trail

201
00:08:26,570 --> 00:08:24,360
because you could make a claim like that

202
00:08:29,150 --> 00:08:26,580
first paragraph about almost anything

203
00:08:31,490 --> 00:08:29,160
and just present it as fact and it's a

204
00:08:33,829 --> 00:08:31,500
lovely story but where does you know

205
00:08:35,570 --> 00:08:33,839
where's the truth of it what lies behind

206
00:08:38,449 --> 00:08:35,580
it and that's not me trying to like

207
00:08:41,329 --> 00:08:38,459
debunk this this case it's just a

208
00:08:42,829 --> 00:08:41,339
standard kind of you know sort of kind

209
00:08:45,050 --> 00:08:42,839
of procedure that you would use to

210
00:08:47,329 --> 00:08:45,060
verify any you know kind of claim any

211
00:08:49,550 --> 00:08:47,339
story so that's what I would love to see

212
00:08:51,230 --> 00:08:49,560
I want to see that before you know

213
00:08:55,130 --> 00:08:51,240

really you should comment any further

214

00:08:57,470 --> 00:08:55,140

about how true this is because again up

215

00:08:59,570 --> 00:08:57,480

until that point it's a claim yeah and

216

00:09:02,150 --> 00:08:59,580

it's making some fairly bold claims as

217

00:09:04,310 --> 00:09:02,160

well that Mussolini you know was

218

00:09:05,930 --> 00:09:04,320

informed of what happened

219

00:09:08,150 --> 00:09:05,940

um and that there were bodies on board

220

00:09:09,889 --> 00:09:08,160

and that the cyan marshetti Factory

221

00:09:11,870 --> 00:09:09,899

because that's how you mentioned that uh

222

00:09:14,329 --> 00:09:11,880

it's a it was actually a um you know a

223

00:09:17,090 --> 00:09:14,339

well-known Aviation concern back then uh

224

00:09:19,190 --> 00:09:17,100

that the the the craft the ledgecraft

225

00:09:21,949 --> 00:09:19,200

rather was was stored in those hangers

226

00:09:23,750 --> 00:09:21,959

and apparently even stayed there until

227

00:09:27,829 --> 00:09:23,760

um you know it was it was Spirited Away

228

00:09:30,110 --> 00:09:27,839

in what 1944 1945 or something so um you

229

00:09:32,870 --> 00:09:30,120

know it was there for quite a long time

230

00:09:34,190 --> 00:09:32,880

yeah so there's quite a few elements to

231

00:09:37,310 --> 00:09:34,200

even just that first part of the story

232

00:09:40,070 --> 00:09:37,320

that do require some kind of independent

233

00:09:42,829 --> 00:09:40,080

cooperation so we can move forward

234

00:09:45,910 --> 00:09:42,839

yeah so it's not like a real Society

235

00:09:49,389 --> 00:09:45,920

secret Tech from the third

236

00:09:52,250 --> 00:09:49,399

you know how to push my buttons

237

00:09:53,949 --> 00:09:52,260

I think I heard it was actually a Horton

238

00:09:57,829 --> 00:09:53,959

Brothers

239

00:09:59,930 --> 00:09:57,839

you don't you start either

240

00:10:01,850 --> 00:09:59,940

so let's jump to I'm going to jump

241

00:10:03,110 --> 00:10:01,860

around a bit because I want to come to

242

00:10:05,389 --> 00:10:03,120

the point where these letters and

243

00:10:08,269 --> 00:10:05,399

telegrams come into play so I'm going to

244

00:10:09,470 --> 00:10:08,279

share my screen back to that article

245

00:10:11,930 --> 00:10:09,480

um

246

00:10:14,990 --> 00:10:11,940

because we'll show the these as well so

247

00:10:17,570 --> 00:10:15,000

the documents and sources of Mr X so

248

00:10:20,810 --> 00:10:17,580

during a ufological symposium organized

249

00:10:24,350 --> 00:10:20,820

in San Marino in 2000 Roberto panotti

250

00:10:25,810 --> 00:10:24,360

writer ufologist and founder in 1967 of

251
00:10:28,970 --> 00:10:25,820
the national youthological Center

252
00:10:31,250 --> 00:10:28,980
revealed that in 1996 he had received

253
00:10:33,350 --> 00:10:31,260
some official documents which suggested

254
00:10:36,410 --> 00:10:33,360
the existence of fascist archives on

255
00:10:38,930 --> 00:10:36,420
UFOs the first envelope contained two

256
00:10:41,449 --> 00:10:38,940
letters on Senate letterhead and three

257
00:10:43,009 --> 00:10:41,459
telegrams the two letters were the

258
00:10:45,350 --> 00:10:43,019
confirmation of the sending of a highly

259
00:10:47,269 --> 00:10:45,360
confidential personal note and a note

260
00:10:49,670 --> 00:10:47,279
giving instructions on how to manage

261
00:10:52,970 --> 00:10:49,680
events following this discovery of

262
00:10:54,949 --> 00:10:52,980
adversiate or 38 38t I don't know how to

263
00:10:56,870 --> 00:10:54,959

pronounce these Italian things so what

264

00:10:59,569 --> 00:10:56,880

I'll do is uh let me bring up these

265

00:11:05,750 --> 00:11:02,329

this is the first one where it does

266

00:11:09,889 --> 00:11:05,760

mention here gabonetto rs33 so the

267

00:11:13,009 --> 00:11:09,899

irs-33 cabinets this this kind of mj-12

268

00:11:16,370 --> 00:11:13,019

style Italian group of scientists tasked

269

00:11:18,590 --> 00:11:16,380

with uh looking into this so we can see

270

00:11:21,050 --> 00:11:18,600

that with the Senate head here and then

271

00:11:25,910 --> 00:11:21,060

this is the list on how to

272

00:11:29,509 --> 00:11:25,920

uh and what did he say how to deal with

273

00:11:31,430 --> 00:11:29,519

let's have a look excuse me a second

274

00:11:32,630 --> 00:11:31,440

how to manage the events following the

275

00:11:34,430 --> 00:11:32,640

discovery

276

00:11:36,530 --> 00:11:34,440

it's in this document that we find for

277

00:11:39,050 --> 00:11:36,540

the first time a reference to RS3 and

278

00:11:40,970 --> 00:11:39,060

then the three telegrams testify to the

279

00:11:43,490 --> 00:11:40,980

agitated Communications between the

280

00:11:45,190 --> 00:11:43,500

government apparatuses during the day of

281

00:11:49,550 --> 00:11:45,200

June 13

282

00:11:53,329 --> 00:11:49,560

1933 and if we look at the telegrams

283

00:11:55,670 --> 00:11:53,339

this one here shows all three and this

284

00:11:58,250 --> 00:11:55,680

is said to have been a color photocopies

285

00:12:00,590 --> 00:11:58,260

of The Originals

286

00:12:03,530 --> 00:12:00,600

um and then if I go back

287

00:12:05,870 --> 00:12:03,540

these are kind of breakdowns of what

288

00:12:08,389 --> 00:12:05,880

they say but the thing is it doesn't say

289

00:12:11,210 --> 00:12:08,399

much about kind of a UFO or anything

290

00:12:13,910 --> 00:12:11,220

like that there's there's a uh aircraft

291

00:12:16,430 --> 00:12:13,920

of unknown nature which still kind of is

292

00:12:18,230 --> 00:12:16,440

a bit vague to me and it's just saying

293

00:12:20,449 --> 00:12:18,240

you know don't talk about it and this is

294

00:12:23,750 --> 00:12:20,459

all coming from Mussolini it's pretty

295

00:12:25,389 --> 00:12:23,760

much the same across all three

296

00:12:28,550 --> 00:12:25,399

the news

297

00:12:30,590 --> 00:12:28,560

it's all translated bearing in mind at

298

00:12:32,630 --> 00:12:30,600

the time there was also a flap in terms

299

00:12:35,210 --> 00:12:32,640

of like unknown airplanes

300

00:12:36,530 --> 00:12:35,220

all through the 20s and in the 1930s

301
00:12:39,530 --> 00:12:36,540
there was what they called the coolest

302
00:12:41,269 --> 00:12:39,540
airplanes you know um you heard the

303
00:12:42,769 --> 00:12:41,279
ghost Rockets from 1946 well actually

304
00:12:44,150 --> 00:12:42,779
there was a further phenomenon that

305
00:12:45,650 --> 00:12:44,160
happened back then so there's mystery

306
00:12:47,329 --> 00:12:45,660
aircraft flying around at least that's

307
00:12:48,590 --> 00:12:47,339
what the reporter does you know John

308
00:12:49,850 --> 00:12:48,600
Keel has written about this kind of

309
00:12:51,410 --> 00:12:49,860
stuff other people have written about it

310
00:12:53,449 --> 00:12:51,420
as well in the past

311
00:12:55,190 --> 00:12:53,459
um that these aircraft were seen uh

312
00:12:56,810 --> 00:12:55,200
flying and showing spotlights down to

313
00:12:58,310 --> 00:12:56,820

the ground and they were seen in all

314

00:13:00,110 --> 00:12:58,320

different types of weather that were

315

00:13:01,850 --> 00:13:00,120

seen in Whaler conditions where no

316

00:13:04,550 --> 00:13:01,860

self-respecting pilot at that time would

317

00:13:06,350 --> 00:13:04,560

fly a fairly flimsy airplane because

318

00:13:07,610 --> 00:13:06,360

that's what they were back then

319

00:13:10,310 --> 00:13:07,620

um so you know you've got this other

320

00:13:12,110 --> 00:13:10,320

dimension to this story where it lends a

321

00:13:14,629 --> 00:13:12,120

bit of credibility to it but at the same

322

00:13:16,370 --> 00:13:14,639

time as as you said there Vinnie there's

323

00:13:17,990 --> 00:13:16,380

not enough there to actually definitely

324

00:13:19,910 --> 00:13:18,000

state that this was something you know

325

00:13:21,829 --> 00:13:19,920

that we maybe should be interested in

326

00:13:23,629 --> 00:13:21,839

again they're coming down as mystery

327

00:13:25,069 --> 00:13:23,639

aircraft or mystery airships you know

328

00:13:26,810 --> 00:13:25,079

there's all this kind of wording it

329

00:13:29,030 --> 00:13:26,820

might just be done at the time but also

330

00:13:31,250 --> 00:13:29,040

you have to start wondering you know is

331

00:13:33,110 --> 00:13:31,260

it really or is it not so yeah yeah

332

00:13:35,810 --> 00:13:33,120

there's a bit of ambiguity there isn't

333

00:13:38,509 --> 00:13:35,820

it in the language I find the I find the

334

00:13:42,949 --> 00:13:38,519

whole idea of what is the rs33 I find

335

00:13:43,910 --> 00:13:42,959

the whole idea of rs33 in it kind of

336

00:13:46,370 --> 00:13:43,920

being

337

00:13:48,290 --> 00:13:46,380

an mj-12 thing except in an Italian

338

00:13:51,230 --> 00:13:48,300

version I find that extremely

339

00:13:54,350 --> 00:13:51,240

interesting because what uh you know the

340

00:13:57,230 --> 00:13:54,360

idea that plays out and what it suggests

341

00:13:58,850 --> 00:13:57,240

is that the secrecy may have you know if

342

00:14:01,790 --> 00:13:58,860

this case in fact it's true and these

343

00:14:05,569 --> 00:14:01,800

are true it implies that secrecy started

344

00:14:08,269 --> 00:14:05,579

before the United States and in in Italy

345

00:14:10,670 --> 00:14:08,279

and that we took you know we took it

346

00:14:12,910 --> 00:14:10,680

from them pretty much you know and it

347

00:14:15,829 --> 00:14:12,920

kind of set a record straight which is

348

00:14:18,470 --> 00:14:15,839

interestingly enough was was kind of

349

00:14:20,030 --> 00:14:18,480

discussed in that original article of

350

00:14:22,190 --> 00:14:20,040

one of the other people who spoke up

351
00:14:24,949 --> 00:14:22,200
about the the misnomer that the United

352
00:14:26,690 --> 00:14:24,959
States was just

353
00:14:28,430 --> 00:14:26,700
um you know in charge of all the secrecy

354
00:14:30,110 --> 00:14:28,440
and everything this would kind of you

355
00:14:31,370 --> 00:14:30,120
know blow that out of the park so to

356
00:14:33,769 --> 00:14:31,380
speak if it turned out that could be

357
00:14:36,190 --> 00:14:33,779
proven and true the one thing I would

358
00:14:39,889 --> 00:14:36,200
ask Vinnie would be you know it's called

359
00:14:41,870 --> 00:14:39,899
rs33 a couple of rs33 for a reason would

360
00:14:44,509 --> 00:14:41,880
there be any other like you know

361
00:14:46,370 --> 00:14:44,519
instances where they set up similar kind

362
00:14:49,129 --> 00:14:46,380
of cabinets you know or groups or

363
00:14:54,230 --> 00:14:49,139

whatever for other reasons can people

364

00:14:56,329 --> 00:14:54,240

point to rs32 or rs-31 or or something

365

00:14:58,970 --> 00:14:56,339

similar so you've got an idea that this

366

00:15:01,250 --> 00:14:58,980

wasn't just like a one-off is there like

367

00:15:02,689 --> 00:15:01,260

a kind of like a present for this you

368

00:15:05,629 --> 00:15:02,699

know for setting up things like this for

369

00:15:07,910 --> 00:15:05,639

kind of strange events or for other

370

00:15:09,470 --> 00:15:07,920

situations where the felt you know even

371

00:15:10,910 --> 00:15:09,480

just something mundane but they need to

372

00:15:13,189 --> 00:15:10,920

set up a special commission or something

373

00:15:14,569 --> 00:15:13,199

like that to investigate something and

374

00:15:17,210 --> 00:15:14,579

therefore this was a kind of methodology

375

00:15:19,069 --> 00:15:17,220

that they used to actually identify a

376

00:15:20,689 --> 00:15:19,079

special group or maybe even a secret

377

00:15:23,150 --> 00:15:20,699

group because that would actually then

378

00:15:25,009 --> 00:15:23,160

lend credibility to this as well if you

379

00:15:27,290 --> 00:15:25,019

could show you know something previous

380

00:15:28,430 --> 00:15:27,300

that actually went yeah okay they've

381

00:15:30,769 --> 00:15:28,440

done this before for something else

382

00:15:32,210 --> 00:15:30,779

they're now doing it for this or is this

383

00:15:33,769 --> 00:15:32,220

something that somebody's just plucked

384

00:15:36,949 --> 00:15:33,779

out of their head somewhere like maybe

385

00:15:38,389 --> 00:15:36,959

mj-12 you know because you know you know

386

00:15:41,210 --> 00:15:38,399

you know that I don't necessarily

387

00:15:43,910 --> 00:15:41,220

believe in LV 12. um so I'm a bit kind

388

00:15:47,449 --> 00:15:43,920

of I'd love if one of these things I'd

389

00:15:49,250 --> 00:15:47,459

love to be true but I'm just ah no I'm

390

00:15:50,870 --> 00:15:49,260

just can't get there is it yeah isn't

391

00:15:52,850 --> 00:15:50,880

that isn't that like the the big

392

00:15:55,430 --> 00:15:52,860

question in ufology for almost like

393

00:15:57,889 --> 00:15:55,440

every kind of case or whatever even then

394

00:16:00,170 --> 00:15:57,899

you know David does recent uh uh

395

00:16:02,449 --> 00:16:00,180

whistleblower a lot of people are saying

396

00:16:04,790 --> 00:16:02,459

the same very thing you know like I I

397

00:16:07,370 --> 00:16:04,800

wish I could say I think this would be

398

00:16:09,829 --> 00:16:07,380

true but but I can't you know and that's

399

00:16:11,509 --> 00:16:09,839

kind that's a natural thing to say right

400

00:16:14,269 --> 00:16:11,519

if you're about to have your Paradigm

401
00:16:15,829 --> 00:16:14,279
Shift like you're gonna hold on to it's

402
00:16:17,629 --> 00:16:15,839
like being in a tornado you're gonna

403
00:16:20,090 --> 00:16:17,639
hold on to that light pole for dear life

404
00:16:21,710 --> 00:16:20,100
until it rips you off and now you're

405
00:16:23,449 --> 00:16:21,720
just in Eglin you know there's nothing

406
00:16:26,750 --> 00:16:23,459
you can do so it's pretty interesting

407
00:16:29,590 --> 00:16:26,760
yeah yeah but when it comes to rs33 The

408
00:16:32,410 --> 00:16:29,600
Story Goes that it was rs33 because of

409
00:16:35,509 --> 00:16:32,420
1933 and it said that the group

410
00:16:37,850 --> 00:16:35,519
disbanded in 1940 at the you know almost

411
00:16:41,030 --> 00:16:37,860
at the start of World War II that that

412
00:16:44,650 --> 00:16:41,040
they had investigated other cases uh in

413
00:16:48,129 --> 00:16:44,660

the decade prior 1931 incident 933 and

414

00:16:50,629 --> 00:16:48,139

936. so you know that's it all sounds

415

00:16:52,730 --> 00:16:50,639

violent oh it sounds plausible it does

416

00:16:55,850 --> 00:16:52,740

the whole story is All sounded plausible

417

00:16:58,370 --> 00:16:55,860

to a point exactly but then again you

418

00:16:59,870 --> 00:16:58,380

know the the best cases always do

419

00:17:02,150 --> 00:16:59,880

um and even some of the hoaxes that

420

00:17:04,010 --> 00:17:02,160

we've we all we all know and love do as

421

00:17:05,449 --> 00:17:04,020

well so I think it's one of these ones

422

00:17:07,610 --> 00:17:05,459

where we do need more information about

423

00:17:10,309 --> 00:17:07,620

a lot of this to be and from other

424

00:17:11,870 --> 00:17:10,319

sources some cooperation and that would

425

00:17:14,150 --> 00:17:11,880

go a long way to actually you know

426

00:17:15,710 --> 00:17:14,160

verifying what's being said here

427

00:17:17,870 --> 00:17:15,720

um otherwise it just becomes under the

428

00:17:19,549 --> 00:17:17,880

claim albeit a really interesting one

429

00:17:20,689 --> 00:17:19,559

because I'm not prepared to say all the

430

00:17:23,329 --> 00:17:20,699

way I'm not going to say this doesn't

431

00:17:26,329 --> 00:17:23,339

this never existed because I can't but

432

00:17:27,949 --> 00:17:26,339

neither can I also sort of handle heart

433

00:17:30,890 --> 00:17:27,959

say you know oh there's definitely

434

00:17:32,750 --> 00:17:30,900

something to it yeah and I think sorry I

435

00:17:34,909 --> 00:17:32,760

think that Mr X does provide at some

436

00:17:36,250 --> 00:17:34,919

point in this story he provides names of

437

00:17:38,930 --> 00:17:36,260

some of these scientists he just

438

00:17:40,610 --> 00:17:38,940

supposedly make up the group but does

439

00:17:42,310 --> 00:17:40,620

that I mean that doesn't prove it either

440

00:17:45,890 --> 00:17:42,320

because you know the people in

441

00:17:48,710 --> 00:17:45,900

mj-12 we're all real real this doesn't

442

00:17:51,529 --> 00:17:48,720

prove that mj-12 was a real thing and

443

00:17:52,970 --> 00:17:51,539

you know for the same amount of time but

444

00:17:55,310 --> 00:17:52,980

in Nazi Germany there was always a

445

00:17:58,070 --> 00:17:55,320

saying you know a lie a lies best hidden

446

00:17:59,810 --> 00:17:58,080

between two truths you know so this is

447

00:18:01,490 --> 00:17:59,820

the kind of thing that people did back

448

00:18:03,529 --> 00:18:01,500

then as well and I'll see this still do

449

00:18:05,570 --> 00:18:03,539

now so you have to also treat things

450

00:18:09,350 --> 00:18:05,580

with a pinch of salt I'm afraid yeah

451
00:18:11,450 --> 00:18:09,360
absolutely let's jump back in to the

452
00:18:14,270 --> 00:18:11,460
article

453
00:18:16,370 --> 00:18:14,280
so it goes on here Mussolini authorized

454
00:18:19,789 --> 00:18:16,380
the investigations to be conducted by

455
00:18:22,150 --> 00:18:19,799
the rs-33 cabinet of the Opera the Opera

456
00:18:24,470 --> 00:18:22,160
vigilanza repression

457
00:18:26,870 --> 00:18:24,480
anti-fascismo the secret police of

458
00:18:29,390 --> 00:18:26,880
fascist Italy the files relating to the

459
00:18:31,370 --> 00:18:29,400
research conducted by the rs-33 cabinet

460
00:18:33,830 --> 00:18:31,380
coordinated I'm not even going to try

461
00:18:35,510 --> 00:18:33,840
his first name coordinated by Marconi

462
00:18:38,210 --> 00:18:35,520
would later be accessible to the

463
00:18:40,370 --> 00:18:38,220

authorities of Nazi Germany as well

464

00:18:42,289 --> 00:18:40,380

based on those documents the development

465

00:18:44,770 --> 00:18:42,299

of The Wonder of Athen which is I guess

466

00:18:46,909 --> 00:18:44,780

is the Wonder Weapons of Germany began

467

00:18:49,850 --> 00:18:46,919

experimental secret weapons including

468

00:18:52,549 --> 00:18:49,860

the V7 the aircraft very similar to a

469

00:18:55,130 --> 00:18:52,559

flying saucer Andy glocker a bell-shaped

470

00:18:56,990 --> 00:18:55,140

armored device that moved suspended in

471

00:18:58,549 --> 00:18:57,000

the air let's just stop it there because

472

00:19:00,350 --> 00:18:58,559

I want to talk about this point because

473

00:19:03,890 --> 00:19:00,360

a lot of people have been saying that

474

00:19:05,990 --> 00:19:03,900

this crashed craft in 33 is the glocker

475

00:19:09,289 --> 00:19:06,000

and I mean there are so many things that

476
00:19:12,310 --> 00:19:09,299
don't point to that you know the glocker

477
00:19:15,230 --> 00:19:12,320
was supposedly 3.7 meters this object

478
00:19:18,230 --> 00:19:15,240
according to David grush was 10 meters

479
00:19:21,350 --> 00:19:18,240
that's a vast difference for a start the

480
00:19:24,289 --> 00:19:21,360
glocker was you know surely that was

481
00:19:26,450 --> 00:19:24,299
produced made worked on in the 40s I

482
00:19:30,650 --> 00:19:26,460
mean I'm sure you've got a lot to say

483
00:19:35,870 --> 00:19:32,930
um right the glocker still hasn't been

484
00:19:38,270 --> 00:19:35,880
proven it's based as far as I'm away

485
00:19:41,870 --> 00:19:38,280
um on the ratings of one Hugo vitauski

486
00:19:44,390 --> 00:19:41,880
uh who who's a pole but also he from

487
00:19:46,610 --> 00:19:44,400
what I understand he alleges that the

488
00:19:50,029 --> 00:19:46,620

information about the glocker comes from

489

00:19:52,610 --> 00:19:50,039

polish intelligence interrogations of

490

00:19:55,250 --> 00:19:52,620

one Jakob sparenberg after the war and

491

00:19:56,390 --> 00:19:55,260

Jacob sverenberg was an SS officer he

492

00:19:58,130 --> 00:19:56,400

was what they call the higher police

493

00:20:00,770 --> 00:19:58,140

leader so he was basically in charge of

494

00:20:03,169 --> 00:20:00,780

a hit a fairly large part of Poland but

495

00:20:04,730 --> 00:20:03,179

at the end like in November 1944 he was

496

00:20:08,990 --> 00:20:04,740

shipped off to Norway to look after

497

00:20:10,430 --> 00:20:09,000

things there on behalf of the SS so he

498

00:20:12,350 --> 00:20:10,440

wasn't really around at the end of the

499

00:20:13,789 --> 00:20:12,360

war when you know or the last six months

500

00:20:15,049 --> 00:20:13,799

of the war when all this stuff of the

501
00:20:17,090 --> 00:20:15,059
o'clocking was supposed to be going on

502
00:20:18,890 --> 00:20:17,100
and you know the fact that that either

503
00:20:20,870 --> 00:20:18,900
make the Spirited Away from there or it

504
00:20:23,090 --> 00:20:20,880
was buried when the blew the facility

505
00:20:25,370 --> 00:20:23,100
open all these other stories that have

506
00:20:27,350 --> 00:20:25,380
circulated around

507
00:20:29,590 --> 00:20:27,360
um the Bell you know that that's dick

508
00:20:32,390 --> 00:20:29,600
lockers that's the English translation

509
00:20:34,730 --> 00:20:32,400
vitasco as far as I'm aware as well

510
00:20:36,770 --> 00:20:34,740
wrote some rather well let's let's put

511
00:20:38,750 --> 00:20:36,780
it in air quotes dodgy

512
00:20:40,850 --> 00:20:38,760
um books about wonderful I think

513
00:20:43,850 --> 00:20:40,860

beforehand as well

514

00:20:45,770 --> 00:20:43,860

um and once I've seen bits of them you

515

00:20:49,430 --> 00:20:45,780

know they sometimes make some maybe

516

00:20:51,590 --> 00:20:49,440

possibly wild claims as well so

517

00:20:54,049 --> 00:20:51,600

it's always been something where it's

518

00:20:56,750 --> 00:20:54,059

one of those words to be a love to have

519

00:20:58,970 --> 00:20:56,760

kind of story you know to be true but

520

00:21:00,890 --> 00:20:58,980

you know Nick cook looked at it years

521

00:21:02,690 --> 00:21:00,900

ago you know 100 for zero points there

522

00:21:04,789 --> 00:21:02,700

was a Channel 4 documentary where um

523

00:21:06,409 --> 00:21:04,799

where your visit of the hinge with with

524

00:21:08,930 --> 00:21:06,419

vitavsky

525

00:21:11,210 --> 00:21:08,940

um it could equally be um your cooling

526
00:21:12,289 --> 00:21:11,220
tower base you know there was nothing to

527
00:21:13,730 --> 00:21:12,299
suggest

528
00:21:15,169 --> 00:21:13,740
just because it looks like something

529
00:21:16,370 --> 00:21:15,179
that you can describe oh yeah that's

530
00:21:18,230 --> 00:21:16,380
definitely you know to something to do

531
00:21:19,789 --> 00:21:18,240
with a central point for this thing to

532
00:21:21,529 --> 00:21:19,799
sit in and bounce up and down because

533
00:21:22,669 --> 00:21:21,539
it's like powered by anti-gravity or

534
00:21:24,350 --> 00:21:22,679
something

535
00:21:26,990 --> 00:21:24,360
um you know there's there's no

536
00:21:28,730 --> 00:21:27,000
documentation about it at all you know

537
00:21:30,409 --> 00:21:28,740
anything that you see on the internet is

538
00:21:32,270 --> 00:21:30,419

probably forged

539

00:21:35,390 --> 00:21:32,280

um you know the stories don't add up

540

00:21:37,130 --> 00:21:35,400

there's no independent cooperation of

541

00:21:40,549 --> 00:21:37,140

anything to do with this particular

542

00:21:42,770 --> 00:21:40,559

device it came out of nowhere you know

543

00:21:45,470 --> 00:21:42,780

in in about the 1990s

544

00:21:46,970 --> 00:21:45,480

um you it's like the NASA UFOs you go

545

00:21:48,830 --> 00:21:46,980

back far enough in history and you hit a

546

00:21:51,590 --> 00:21:48,840

brick wall in terms of people talking

547

00:21:53,510 --> 00:21:51,600

about it you know so from that alone you

548

00:21:56,029 --> 00:21:53,520

can sort of think this is where this

549

00:21:58,010 --> 00:21:56,039

really started you know so

550

00:22:00,649 --> 00:21:58,020

um yeah I would I would treat all kind

551
00:22:02,510 --> 00:22:00,659
of references to the bell and any links

552
00:22:05,210 --> 00:22:02,520
with a bell and whatever we're talking

553
00:22:07,430 --> 00:22:05,220
about here that if you again if that's

554
00:22:09,770 --> 00:22:07,440
true with a huge not just a pinch

555
00:22:12,049 --> 00:22:09,780
assault but a really sackful

556
00:22:13,789 --> 00:22:12,059
yeah and what about these v7s because

557
00:22:16,789 --> 00:22:13,799
that seems to come up an awful lot oh

558
00:22:20,210 --> 00:22:16,799
God I know I know yeah so where was the

559
00:22:21,470 --> 00:22:20,220
V4 V5 V6 as well you know this is the

560
00:22:24,649 --> 00:22:21,480
way it works

561
00:22:28,010 --> 00:22:24,659
um no it's a figment of imagination

562
00:22:29,990 --> 00:22:28,020
again the V7 is something yes somebody

563
00:22:32,090 --> 00:22:30,000

called you know Herman of birth who was

564

00:22:33,649 --> 00:22:32,100

like a kind of rocket engineer and

565

00:22:35,330 --> 00:22:33,659

somebody who was quite respected talked

566

00:22:37,190 --> 00:22:35,340

about it in the 50s and said yeah it

567

00:22:40,130 --> 00:22:37,200

definitely existed uh he's quoted in

568

00:22:42,289 --> 00:22:40,140

fine sorcerer uh review the magazine in

569

00:22:44,210 --> 00:22:42,299

the 1950s saying that you know there was

570

00:22:46,549 --> 00:22:44,220

an article about him in that um that he

571

00:22:48,289 --> 00:22:46,559

wrote mentioning the V7 and that that

572

00:22:49,430 --> 00:22:48,299

doesn't mean to say it's true though

573

00:22:51,169 --> 00:22:49,440

um and again it's one of these things

574

00:22:53,270 --> 00:22:51,179

where there is no evidence there is no

575

00:22:55,490 --> 00:22:53,280

documentation nothing that doesn't look

576

00:22:57,110 --> 00:22:55,500

really suspect to say that you know the

577

00:22:59,750 --> 00:22:57,120

V7 existed

578

00:23:02,270 --> 00:22:59,760

um it probably and

579

00:23:03,649 --> 00:23:02,280

people should read UFOs before Roswell

580

00:23:05,270 --> 00:23:03,659

if they want to break down things like

581

00:23:06,890 --> 00:23:05,280

that and all the other Village that you

582

00:23:08,870 --> 00:23:06,900

know it's been talked about Nazi UFOs

583

00:23:11,990 --> 00:23:08,880

and dish-shaped craft that the Germans

584

00:23:13,789 --> 00:23:12,000

built it's based on effectively it boils

585

00:23:16,430 --> 00:23:13,799

down to a whole lot of people claiming

586

00:23:18,770 --> 00:23:16,440

to be to be various Engineers of one

587

00:23:21,350 --> 00:23:18,780

stripe or another talking to newspapers

588

00:23:22,730 --> 00:23:21,360

in the 1950s either to try and gain

589

00:23:25,610 --> 00:23:22,740

publicity for things that they were

590

00:23:27,950 --> 00:23:25,620

working on or trying to push then so

591

00:23:29,870 --> 00:23:27,960

another one who had a fireworks company

592

00:23:32,990 --> 00:23:29,880

would you believe and in the shapes of

593

00:23:34,730 --> 00:23:33,000

V2s for kids and he was trying to push

594

00:23:35,930 --> 00:23:34,740

that and he was trying to claim that

595

00:23:37,970 --> 00:23:35,940

he'd been part of the German secret

596

00:23:39,830 --> 00:23:37,980

weapons program during the war

597

00:23:42,649 --> 00:23:39,840

um somebody who allegedly worked on an

598

00:23:44,750 --> 00:23:42,659

Egyptian missile system who claimed he

599

00:23:46,789 --> 00:23:44,760

worked on them as well another one who

600

00:23:49,010 --> 00:23:46,799

nobody's ever been able to work out who

601
00:23:51,950 --> 00:23:49,020
he was let alone any documentation about

602
00:23:54,350 --> 00:23:51,960
him and somebody else who ends up in CIA

603
00:23:55,909 --> 00:23:54,360
and FBI documents because these

604
00:23:57,770 --> 00:23:55,919
translations of foreign newspaper

605
00:24:00,350 --> 00:23:57,780
reports and this was That's supposed to

606
00:24:02,390 --> 00:24:00,360
be truth you go far enough backwards you

607
00:24:05,090 --> 00:24:02,400
get to 1950 and there's no mention

608
00:24:07,310 --> 00:24:05,100
before that there is no documentation no

609
00:24:09,230 --> 00:24:07,320
mention of it in anywhere before that

610
00:24:10,970 --> 00:24:09,240
date that's when they start talking

611
00:24:15,049 --> 00:24:10,980
about these things

612
00:24:16,610 --> 00:24:15,059
um so you wonder why don't can't you

613
00:24:18,830 --> 00:24:16,620

find any reference to them beforehand

614

00:24:20,450 --> 00:24:18,840

it's because that's when they started

615

00:24:22,850 --> 00:24:20,460

talking about it that's when they made

616

00:24:25,370 --> 00:24:22,860

this stuff up and that's where the whole

617

00:24:27,950 --> 00:24:25,380

kind of you know Mythos about Nazi UFO

618

00:24:29,510 --> 00:24:27,960

started it was never in the war

619

00:24:31,909 --> 00:24:29,520

um they didn't have that technology

620

00:24:33,649 --> 00:24:31,919

there's other things that are that are

621

00:24:34,730 --> 00:24:33,659

pretty interesting about this case too

622

00:24:36,470 --> 00:24:34,740

that

623

00:24:39,590 --> 00:24:36,480

um you know it actually

624

00:24:41,570 --> 00:24:39,600

like the lore or the the kind of uh

625

00:24:44,090 --> 00:24:41,580

Flying Saucer I guess before flying

626

00:24:47,210 --> 00:24:44,100

saucers existed uh or the conspiracies

627

00:24:49,190 --> 00:24:47,220

were the the death ray you know and oh

628

00:24:52,310 --> 00:24:49,200

yeah and we see that mentioned within

629

00:24:53,870 --> 00:24:52,320

this article or this piece too which I

630

00:24:55,370 --> 00:24:53,880

find pretty interesting because if you

631

00:24:57,230 --> 00:24:55,380

look back at the newspaper as you can

632

00:24:59,210 --> 00:24:57,240

see it goes from death rate to flying

633

00:25:01,430 --> 00:24:59,220

saucers you know and they're actually

634

00:25:04,310 --> 00:25:01,440

people talking about successfully making

635

00:25:05,630 --> 00:25:04,320

a death ray whether it be uh one guy I

636

00:25:08,210 --> 00:25:05,640

think successfully took down like

637

00:25:11,210 --> 00:25:08,220

pigeons he said or something

638

00:25:14,149 --> 00:25:11,220

um actually this one Northrup uh

639

00:25:16,549 --> 00:25:14,159

engineer said that uh

640

00:25:18,289 --> 00:25:16,559

that Engineers took their ideas from

641

00:25:19,549 --> 00:25:18,299

science fiction and look what's

642

00:25:21,710 --> 00:25:19,559

happening with the radar we're going to

643

00:25:23,270 --> 00:25:21,720

have a Death Race soon so people you

644

00:25:25,750 --> 00:25:23,280

know I I don't know so that's pretty

645

00:25:28,250 --> 00:25:25,760

interesting too and then right

646

00:25:29,510 --> 00:25:28,260

yeah right right yeah because they were

647

00:25:31,490 --> 00:25:29,520

looking for death rate they were trying

648

00:25:33,409 --> 00:25:31,500

to build a death rate in the 30s and

649

00:25:34,669 --> 00:25:33,419

that's where radar came out of

650

00:25:35,810 --> 00:25:34,679

um right because they couldn't get a

651

00:25:38,149 --> 00:25:35,820

death rate but they could get rid of

652

00:25:39,890 --> 00:25:38,159

them yes yeah notice some other kind of

653

00:25:42,769 --> 00:25:39,900

familiar Laura and it was around that

654

00:25:44,330 --> 00:25:42,779

time too when the death ray was in the

655

00:25:46,430 --> 00:25:44,340

newspapers wasn't it great I think it

656

00:25:47,750 --> 00:25:46,440

was around like the 30s yeah it was yeah

657

00:25:50,710 --> 00:25:47,760

they were talking about it quite a lot

658

00:25:52,490 --> 00:25:50,720

that's interesting yeah

659

00:25:54,289 --> 00:25:52,500

I guess

660

00:25:56,750 --> 00:25:54,299

but then we have these

661

00:26:00,049 --> 00:25:56,760

stories and Wild

662

00:26:02,390 --> 00:26:00,059

stories about the real society and that

663

00:26:04,549 --> 00:26:02,400

they were in communication with a Nordic

664

00:26:07,070 --> 00:26:04,559

extraterrestrial race who then gave them

665

00:26:08,630 --> 00:26:07,080

the technology that allowed the Germans

666

00:26:10,610 --> 00:26:08,640

to create UFOs and then they went to

667

00:26:14,330 --> 00:26:10,620

Antarctica and

668

00:26:15,529 --> 00:26:14,340

you know all of this well people put all

669

00:26:18,649 --> 00:26:15,539

this together

670

00:26:20,630 --> 00:26:18,659

to paint a picture of of Truth and of

671

00:26:22,510 --> 00:26:20,640

course there is no truth to it at all

672

00:26:24,470 --> 00:26:22,520

and it just muddies the waters and

673

00:26:26,330 --> 00:26:24,480

really uh

674

00:26:28,549 --> 00:26:26,340

yeah I just really struggle with it and

675

00:26:30,169 --> 00:26:28,559

I hate talking yeah here's something

676

00:26:32,450 --> 00:26:30,179

really controversial if you want to

677

00:26:34,070 --> 00:26:32,460

discredit somebody give them a lot of

678

00:26:36,830 --> 00:26:34,080

information and insert stuff like those

679

00:26:39,049 --> 00:26:36,840

into it sure and then it just wipes them

680

00:26:41,269 --> 00:26:39,059

out because people will not you know you

681

00:26:42,950 --> 00:26:41,279

can't take somebody seriously to a point

682

00:26:45,230 --> 00:26:42,960

if they're talking about stuff like that

683

00:26:46,310 --> 00:26:45,240

you know you know nasty technology and

684

00:26:48,230 --> 00:26:46,320

all the rest of it because it's just

685

00:26:51,529 --> 00:26:48,240

rubbish and if they had it surely they

686

00:26:54,230 --> 00:26:51,539

would have won the war damn right yeah

687

00:26:55,549 --> 00:26:54,240

well that's that's kind of you would

688

00:26:57,350 --> 00:26:55,559

have found it somewhere there would be

689

00:26:59,149 --> 00:26:57,360

bits of them in the museum in museums by

690

00:27:01,730 --> 00:26:59,159

now people will be talking about it you

691

00:27:03,230 --> 00:27:01,740

know there's not a scrap of evidence and

692

00:27:06,110 --> 00:27:03,240

the stuff that people purport to be

693

00:27:09,350 --> 00:27:06,120

evidence is second hand it's claims that

694

00:27:11,930 --> 00:27:09,360

have no Foundation just fake photographs

695

00:27:13,610 --> 00:27:11,940

that's not there's nothing there but

696

00:27:15,830 --> 00:27:13,620

what what what does that make you think

697

00:27:18,230 --> 00:27:15,840

of the Whistleblower then Gray because

698

00:27:21,110 --> 00:27:18,240

you seem like passionately against this

699

00:27:22,810 --> 00:27:21,120

case and he's coming out the thing don't

700

00:27:25,190 --> 00:27:22,820

get me wrong

701
00:27:28,250 --> 00:27:25,200
I need to have more information about

702
00:27:30,289 --> 00:27:28,260
the rs33 thing before I'm gonna come

703
00:27:32,990 --> 00:27:30,299
down on one side the other just little

704
00:27:34,250 --> 00:27:33,000
bits of it don't add up but that doesn't

705
00:27:35,870 --> 00:27:34,260
mean to say the whole thing just because

706
00:27:37,549 --> 00:27:35,880
if you're gonna have a if you're gonna

707
00:27:38,570 --> 00:27:37,559
run a disinformation campaign about

708
00:27:40,430 --> 00:27:38,580
something

709
00:27:41,870 --> 00:27:40,440
you know you're always through a bit say

710
00:27:43,789 --> 00:27:41,880
in the mix that make people think oh

711
00:27:45,289 --> 00:27:43,799
well there's nothing to this all that's

712
00:27:47,870 --> 00:27:45,299
suspect but that doesn't mean to say

713
00:27:50,390 --> 00:27:47,880

other bits of it aren't true so you know

714

00:27:51,649 --> 00:27:50,400

we still have to step back and go we

715

00:27:52,970 --> 00:27:51,659

still need more information and that's

716

00:27:54,529 --> 00:27:52,980

how I always work with everything you

717

00:27:56,330 --> 00:27:54,539

know I'm not going to come down on one

718

00:27:58,130 --> 00:27:56,340

side that's why I don't even say you

719

00:27:59,810 --> 00:27:58,140

know what we're looking at Full Stop

720

00:28:01,370 --> 00:27:59,820

about you know what we're all

721

00:28:06,430 --> 00:28:01,380

investigating because I don't know I

722

00:28:11,390 --> 00:28:09,169

UFO Tech stuff that is part of this

723

00:28:12,710 --> 00:28:11,400

story and and Robert pinotti you know he

724

00:28:15,289 --> 00:28:12,720

actually does go on to this a bit later

725

00:28:16,970 --> 00:28:15,299

on about the German you know the the he

726

00:28:18,590 --> 00:28:16,980

just mentioned them by name

727

00:28:20,630 --> 00:28:18,600

you just start throwing that into the

728

00:28:23,390 --> 00:28:20,640

mix and saying because it does actually

729

00:28:24,830 --> 00:28:23,400

mention in in one in a an article he

730

00:28:28,130 --> 00:28:24,840

wrote for phenomenon magazine as well

731

00:28:30,049 --> 00:28:28,140

which I've got uh that's about rs33 he

732

00:28:33,230 --> 00:28:30,059

mentions the the kind of Nazi UFO

733

00:28:35,990 --> 00:28:33,240

technology as being essentially true

734

00:28:37,970 --> 00:28:36,000

but it's not really you know so uh I

735

00:28:40,850 --> 00:28:37,980

mean that could have even been made up

736

00:28:42,710 --> 00:28:40,860

to you know it all we're left to do is

737

00:28:44,330 --> 00:28:42,720

like fill in the blanks and speculate

738

00:28:45,710 --> 00:28:44,340

and that's partially why these stories

739

00:28:49,870 --> 00:28:45,720

kind of come together the way they do

740

00:28:52,130 --> 00:28:49,880

but um like the the more uh imaginative

741

00:28:55,970 --> 00:28:52,140

Storyteller kind of gets remembered for

742

00:28:57,590 --> 00:28:55,980

that right yeah but he says in the

743

00:28:59,510 --> 00:28:57,600

phenomenon

744

00:29:02,390 --> 00:28:59,520

IC says that it's also possible that the

745

00:29:04,490 --> 00:29:02,400

German V7 it's a revolutionary disc

746

00:29:06,230 --> 00:29:04,500

shaped aircraft here's existence as a

747

00:29:07,370 --> 00:29:06,240

prototype was confirmed by Herman of

748

00:29:09,909 --> 00:29:07,380

birth

749

00:29:13,970 --> 00:29:12,350

you know so there's a bit of a leap

750

00:29:16,490 --> 00:29:13,980

there but also you know nobody's

751

00:29:18,529 --> 00:29:16,500

confirmed that the V7 existed it's just

752

00:29:20,090 --> 00:29:18,539

somebody said it did you know who

753

00:29:21,529 --> 00:29:20,100

apparently you know who was quite well

754

00:29:24,710 --> 00:29:21,539

respected but that doesn't say that

755

00:29:26,990 --> 00:29:24,720

everything he said was true yeah so yeah

756

00:29:29,029 --> 00:29:27,000

and big seven you know you're not going

757

00:29:30,409 --> 00:29:29,039

to get anywhere if you try to research

758

00:29:33,169 --> 00:29:30,419

that because you are going to hit a

759

00:29:35,330 --> 00:29:33,179

brick wall Very quickly yeah and try to

760

00:29:38,330 --> 00:29:35,340

try to actually research it and prove it

761

00:29:42,049 --> 00:29:38,340

yeah let's jump back into the article

762

00:29:43,549 --> 00:29:42,059

and go from there so according to this

763

00:29:45,950 --> 00:29:43,559

narrative the political history of

764

00:29:47,450 --> 00:29:45,960

ufology contacts with aliens kept hidden

765

00:29:50,149 --> 00:29:47,460

from the population by a precise

766

00:29:52,730 --> 00:29:50,159

government will would begin with the

767

00:29:54,289 --> 00:29:52,740

discovery of 38 14 years before the

768

00:29:57,230 --> 00:29:54,299

flying source of crashed in Roswell New

769

00:29:59,690 --> 00:29:57,240

Mexico the rs-33 cabinet

770

00:30:01,909 --> 00:29:59,700

some speculate the RS is the acronym for

771

00:30:03,590 --> 00:30:01,919

special research would have operated in

772

00:30:05,630 --> 00:30:03,600

the buildings of Le Sapienza University

773

00:30:07,909 --> 00:30:05,640

of Rome and liaise with the leading

774

00:30:09,529 --> 00:30:07,919

figures of the regime the cabinet whose

775

00:30:11,570 --> 00:30:09,539

meetings were attended by senators and

776

00:30:13,850 --> 00:30:11,580

scientists was the fascist version of

777

00:30:16,789 --> 00:30:13,860

Majestic 12 the secret U.S organization

778

00:30:19,130 --> 00:30:16,799

that was allegedly formed in 1947 to

779

00:30:21,289 --> 00:30:19,140

investigate Roswell the Curious Italian

780

00:30:23,210 --> 00:30:21,299

story thus described is based on a

781

00:30:25,789 --> 00:30:23,220

series of documents some Originals of

782

00:30:27,350 --> 00:30:25,799

copies send by post starting in 96 from

783

00:30:31,010 --> 00:30:27,360

an anonymous source

784

00:30:32,990 --> 00:30:31,020

yeah we've kind of gone over that

785

00:30:34,610 --> 00:30:33,000

the doubts of the Skeptics this is an

786

00:30:36,230 --> 00:30:34,620

important point the answer the Skeptics

787

00:30:37,789 --> 00:30:36,240

are concentrated precisely on the

788

00:30:39,950 --> 00:30:37,799

documentation that emerged after more

789

00:30:40,970 --> 00:30:39,960

than 50 years and during the research

790

00:30:43,010 --> 00:30:40,980

that I've been doing in the last couple

791

00:30:45,830 --> 00:30:43,020

of days I've seen arguments on both

792

00:30:48,649 --> 00:30:45,840

sides arguments where these documents

793

00:30:50,990 --> 00:30:48,659

have been analyzed and claimed to have

794

00:30:53,029 --> 00:30:51,000

been proven to be real but then others

795

00:30:54,950 --> 00:30:53,039

saying there are so many missing pieces

796

00:30:56,930 --> 00:30:54,960

of information that that take away from

797

00:30:58,430 --> 00:30:56,940

the authenticity of what would have been

798

00:31:00,169 --> 00:30:58,440

written at the time how it would have

799

00:31:03,409 --> 00:31:00,179

been written how it would have been sent

800

00:31:04,430 --> 00:31:03,419

and all many many things like that

801

00:31:06,769 --> 00:31:04,440

um

802

00:31:08,269 --> 00:31:06,779

yeah yeah and this goes into the sources

803

00:31:10,789 --> 00:31:08,279

and the documents because they've got

804

00:31:13,070 --> 00:31:10,799

somebody called Antonio garavaggio to

805

00:31:15,710 --> 00:31:13,080

actually use a allegedly uh well I don't

806

00:31:17,810 --> 00:31:15,720

know how again I don't know a huge

807

00:31:19,490 --> 00:31:17,820

amount of detail about the case in terms

808

00:31:22,190 --> 00:31:19,500

of you know what is professional kind of

809

00:31:25,370 --> 00:31:22,200

qualifications were but he did allegedly

810

00:31:27,649 --> 00:31:25,380

did a professional forensic analysis

811

00:31:28,970 --> 00:31:27,659

into the documents uh and apparently

812

00:31:32,510 --> 00:31:28,980

there were chemical tests on the paper

813

00:31:35,090 --> 00:31:32,520

and the ink Etc uh he apparently had the

814

00:31:36,830 --> 00:31:35,100

originals not copies and he concluded

815

00:31:38,870 --> 00:31:36,840

that there were authentic handwritten

816

00:31:40,850 --> 00:31:38,880

documents from the fascist era uh the

817

00:31:43,010 --> 00:31:40,860

color of the paper and the ink aging

818

00:31:44,510 --> 00:31:43,020

process lender to believe they were

819

00:31:46,190 --> 00:31:44,520

absolutely genuine and the weren't

820

00:31:50,330 --> 00:31:46,200

modern forgeries

821

00:31:53,269 --> 00:31:50,340

what I would love to have is another

822

00:31:55,070 --> 00:31:53,279

analysis by somebody else yeah well

823

00:31:58,250 --> 00:31:55,080

because the more you if you've got two

824

00:31:59,810 --> 00:31:58,260

or say three different people you know

825

00:32:01,010 --> 00:31:59,820

coming and having a look at it and then

826

00:32:03,590 --> 00:32:01,020

you could probably then come up with

827

00:32:05,810 --> 00:32:03,600

consensus I'm not suggesting that the

828

00:32:07,070 --> 00:32:05,820

chat that had do it you know was wrong

829

00:32:09,590 --> 00:32:07,080

or you didn't know what he was talking

830

00:32:11,690 --> 00:32:09,600

about but it would be nice to have you

831

00:32:13,310 --> 00:32:11,700

know another one so you can compare them

832

00:32:16,250 --> 00:32:13,320

as well because I think that's you know

833

00:32:18,710 --> 00:32:16,260

if there's nothing to hide here you know

834

00:32:20,510 --> 00:32:18,720

you probably should you know throw some

835

00:32:22,669 --> 00:32:20,520

more kind of resources at it just to

836

00:32:24,409 --> 00:32:22,679

prove it Beyond shadow of a doubt that

837

00:32:25,909 --> 00:32:24,419

they are genuine because that would be

838

00:32:27,649 --> 00:32:25,919

great because that would move that

839

00:32:29,330 --> 00:32:27,659

forward and then you could you know you

840

00:32:31,430 --> 00:32:29,340

wouldn't have left out

841

00:32:34,130 --> 00:32:31,440

um but yeah I would like to see that

842

00:32:36,889 --> 00:32:34,140

yeah because wouldn't you kind of expect

843

00:32:38,389 --> 00:32:36,899

like whoever owns the paperwork to do

844

00:32:41,029 --> 00:32:38,399

something like that to if they really

845

00:32:43,549 --> 00:32:41,039

wanted to to know yeah right they would

846

00:32:45,830 --> 00:32:43,559

get multiple analysis yeah well one

847

00:32:47,690 --> 00:32:45,840

group of Italian researchers apparently

848

00:32:49,430 --> 00:32:47,700

contacted the the people that had the

849

00:32:51,169 --> 00:32:49,440

documents to say you know can we can we

850

00:32:53,029 --> 00:32:51,179

get a look at them and they just didn't

851

00:32:54,289 --> 00:32:53,039

hear back from them and you know that's

852

00:32:57,230 --> 00:32:54,299

unfortunate because that would have

853

00:32:58,610 --> 00:32:57,240

again like added more Credence to it but

854

00:32:59,990 --> 00:32:58,620

this is kind of what this this paragraph

855

00:33:02,450 --> 00:33:00,000

I'm going to skip here is just talking

856

00:33:04,190 --> 00:33:02,460

about how Mr X you know there were other

857

00:33:07,190 --> 00:33:04,200

documents sent over the the years

858

00:33:09,049 --> 00:33:07,200

between 96 and 2000 and it all comes

859

00:33:10,730 --> 00:33:09,059

down to the reliability of said

860

00:33:12,110 --> 00:33:10,740

documents

861

00:33:14,029 --> 00:33:12,120

um I'm just going to skip right here to

862

00:33:16,190 --> 00:33:14,039

the bottom where it says Nazi Germany

863

00:33:18,769 --> 00:33:16,200

did not have the time to exploit them

864

00:33:21,409 --> 00:33:18,779

and thus this Heritage ended up in the

865

00:33:24,230 --> 00:33:21,419

hands of the Allies so it is said that

866

00:33:26,810 --> 00:33:24,240

in 1945 the materials

867

00:33:29,269 --> 00:33:26,820

um the documents and this craft There

868

00:33:31,130 --> 00:33:29,279

Was You Know stored in in Italy in this

869

00:33:35,750 --> 00:33:31,140

Hangar was

870

00:33:37,370 --> 00:33:35,760

picked up by OSS this a US agency and

871

00:33:39,409 --> 00:33:37,380

taken back to the US so Sean have you

872

00:33:43,430 --> 00:33:39,419

come across OSS merch in your research

873

00:33:48,169 --> 00:33:43,440

yeah well OSS is a precursor to CS or uh

874

00:33:53,090 --> 00:33:48,179

CIA right so CIA like many other things

875

00:33:55,190 --> 00:33:53,100

uh began in 1947 strangely enough right

876

00:33:59,029 --> 00:33:55,200

um so

877

00:34:00,470 --> 00:33:59,039

and and they were just like the CIA I

878

00:34:01,789 --> 00:34:00,480

haven't done a lot of research into them

879

00:34:03,110 --> 00:34:01,799

but I know

880

00:34:05,330 --> 00:34:03,120

um just about their existence and

881

00:34:07,669 --> 00:34:05,340

everything but uh you can't find a lot

882

00:34:10,609 --> 00:34:07,679

of documentation on them online which

883

00:34:12,530 --> 00:34:10,619

really stinks because you know there's

884

00:34:15,649 --> 00:34:12,540

probably a lot of stuff there that that

885

00:34:18,530 --> 00:34:15,659

could help in our UFO search in those

886

00:34:20,210 --> 00:34:18,540

OSS files perhaps and they're not there

887

00:34:23,089 --> 00:34:20,220

and even like the start of them using

888

00:34:25,849 --> 00:34:23,099

like LSD and stuff uh those would be in

889

00:34:27,050 --> 00:34:25,859

those files too so it's it's too bad

890

00:34:29,690 --> 00:34:27,060

that they're not available but that

891

00:34:31,849 --> 00:34:29,700

could be for a reason too yeah um you

892

00:34:34,010 --> 00:34:31,859

know that this case uh

893

00:34:37,849 --> 00:34:34,020

you know just lately I've been going

894

00:34:39,829 --> 00:34:37,859

into cases that go back you know to 1860

895

00:34:42,530 --> 00:34:39,839

you know in the newspapers written about

896

00:34:45,530 --> 00:34:42,540

mysterious lights you know

897

00:34:48,050 --> 00:34:45,540

um so and even a crash you know in the

898

00:34:50,270 --> 00:34:48,060

United States in like 1896 there's an

899

00:34:53,510 --> 00:34:50,280

article written about it you know so

900

00:34:56,329 --> 00:34:53,520

this stuff happens you know and and I

901
00:35:03,190 --> 00:35:00,170
this story could be the first version of

902
00:35:05,630 --> 00:35:03,200
what our Roswell became you know almost

903
00:35:08,570 --> 00:35:05,640
where you have something really exciting

904
00:35:10,670 --> 00:35:08,580
people know something exists and you

905
00:35:12,230 --> 00:35:10,680
have one person who's recollecting truth

906
00:35:14,390 --> 00:35:12,240
you have another person who doesn't want

907
00:35:16,130 --> 00:35:14,400
people to know the truth and you have

908
00:35:17,870 --> 00:35:16,140
various things going out there in the

909
00:35:20,329 --> 00:35:17,880
public because of those you know

910
00:35:22,670 --> 00:35:20,339
different factions it seems like almost

911
00:35:24,530 --> 00:35:22,680
like the could be the first version of

912
00:35:27,109 --> 00:35:24,540
that now if it's because it was like the

913
00:35:29,089 --> 00:35:27,119

first blimp or because it was a flying

914

00:35:30,950 --> 00:35:29,099

saucer like how do we find that out I

915

00:35:33,410 --> 00:35:30,960

don't know

916

00:35:35,329 --> 00:35:33,420

yeah no absolutely I just wanted to

917

00:35:37,670 --> 00:35:35,339

highlight as well that John Greenwald at

918

00:35:39,349 --> 00:35:37,680

The Black Vault urn has some

919

00:35:40,730 --> 00:35:39,359

I'm going to share my screen again for

920

00:35:41,810 --> 00:35:40,740

anybody that wants to go and dig into

921

00:35:44,770 --> 00:35:41,820

this

922

00:35:48,130 --> 00:35:44,780

um so again it's about the fish

923

00:35:50,750 --> 00:35:48,140

oh what where's uh

924

00:35:52,190 --> 00:35:50,760

OSS in Italy that's interesting wow I

925

00:35:54,370 --> 00:35:52,200

didn't know that

926
00:35:56,750 --> 00:35:54,380
but yeah

927
00:35:59,030 --> 00:35:56,760
information is on the black bowl and

928
00:36:01,190 --> 00:35:59,040
this is from the book UFO contacts in

929
00:36:04,670 --> 00:36:01,200
Italy Volume 2 published by Philip

930
00:36:07,250 --> 00:36:04,680
Mantle's flying disc press and in that

931
00:36:11,150 --> 00:36:07,260
book I wanted to highlight

932
00:36:13,430 --> 00:36:11,160
this it's uh William Bill Brophy Jr and

933
00:36:16,670 --> 00:36:13,440
Roberto pinotti in the photograph in

934
00:36:18,290 --> 00:36:16,680
2009 Mr William Bill Brophy Jr contacted

935
00:36:20,329 --> 00:36:18,300
us informing us that his late father

936
00:36:23,270 --> 00:36:20,339
United States Air Force Lieutenant

937
00:36:25,670 --> 00:36:23,280
Colonel William Brophy Jr had cooperated

938
00:36:27,609 --> 00:36:25,680

in the covered up operations to recover

939

00:36:29,930 --> 00:36:27,619

crashed UFOs in the United States

940

00:36:32,569 --> 00:36:29,940

besides he would have told his son that

941

00:36:34,790 --> 00:36:32,579

in 1945 after the defeat of the Germans

942

00:36:36,650 --> 00:36:34,800

in Northern Italy the Americans found

943

00:36:39,050 --> 00:36:36,660

and took to the state's important

944

00:36:41,950 --> 00:36:39,060

material about an Italian UFO crash

945

00:36:44,510 --> 00:36:41,960

including the corpses of the two pilots

946

00:36:48,710 --> 00:36:44,520

I mean that's pretty you know

947

00:36:52,010 --> 00:36:48,720

interesting stuff yeah and then I'm just

948

00:36:54,950 --> 00:36:52,020

gonna jump to the statement made this

949

00:36:57,890 --> 00:36:54,960

week by David grush so he was asked in

950

00:36:59,329 --> 00:36:57,900

La Parisienne the French newspaper by

951
00:37:02,150 --> 00:36:59,339
the reporter can we know more about

952
00:37:04,130 --> 00:37:02,160
these ships were recovered where these

953
00:37:06,349 --> 00:37:04,140
ships were recovered one was recovered

954
00:37:09,170 --> 00:37:06,359
in Italy in 1933 which is the earliest

955
00:37:11,210 --> 00:37:09,180
case I've been I can't talk about the

956
00:37:12,890 --> 00:37:11,220
others which I find strange why he's

957
00:37:15,109 --> 00:37:12,900
able to talk about this but that no

958
00:37:17,569 --> 00:37:15,119
others but hey ho hopefully we'll under

959
00:37:19,490 --> 00:37:17,579
I heard because it was overseas or

960
00:37:22,250 --> 00:37:19,500
something okay

961
00:37:24,589 --> 00:37:22,260
possibly yeah I mean maybe and then what

962
00:37:26,690 --> 00:37:24,599
allegedly happened there so in 1933 a

963
00:37:28,670 --> 00:37:26,700

bell like craft around 10 meters in size

964

00:37:30,650 --> 00:37:28,680

was recovered in magenta Northern Italy

965

00:37:34,210 --> 00:37:30,660

it was kept by Mussolini's government

966

00:37:37,069 --> 00:37:34,220

until 1944 where it was recovered by OSS

967

00:37:38,510 --> 00:37:37,079

ironically it predates Roswell so this

968

00:37:40,310 --> 00:37:38,520

is where it's interesting that he says

969

00:37:43,609 --> 00:37:40,320

it was kept by Mussolini's government

970

00:37:47,329 --> 00:37:43,619

until 44 assuming when OSS picked it up

971

00:37:49,190 --> 00:37:47,339

then so this object didn't go to Germany

972

00:37:50,630 --> 00:37:49,200

and I've seen this in some of the other

973

00:37:52,430 --> 00:37:50,640

research that I did in the last couple

974

00:37:55,490 --> 00:37:52,440

of days where it was just the the

975

00:37:58,069 --> 00:37:55,500

research documents from rs-33 that went

976

00:38:00,290 --> 00:37:58,079

to Germany not an object that they could

977

00:38:02,530 --> 00:38:00,300

back engineer in Germany so I found that

978

00:38:08,109 --> 00:38:02,540

really interesting

979

00:38:14,089 --> 00:38:11,390

yeah what just kind of came to me was um

980

00:38:17,150 --> 00:38:14,099

you know and Roswell it was it was such

981

00:38:19,730 --> 00:38:17,160

an interesting situation how they came

982

00:38:21,410 --> 00:38:19,740

out in the paper and said yeah like you

983

00:38:23,990 --> 00:38:21,420

know they'd interest say we recovered an

984

00:38:25,010 --> 00:38:24,000

unknown device they said the rumors are

985

00:38:28,069 --> 00:38:25,020

true

986

00:38:29,990 --> 00:38:28,079

you know flag saucers exist we have one

987

00:38:31,810 --> 00:38:30,000

and then came out you know the next day

988

00:38:34,490 --> 00:38:31,820

or whatever and said no it was a kite

989

00:38:36,650 --> 00:38:34,500

wound up lying about that getting caught

990

00:38:39,109 --> 00:38:36,660

about that too so what what I'm trying

991

00:38:41,990 --> 00:38:39,119

to get to is if there is a secret thing

992

00:38:43,790 --> 00:38:42,000

in process already at that point like a

993

00:38:46,550 --> 00:38:43,800

like a retrieval process or whatever

994

00:38:50,089 --> 00:38:46,560

when that came up that would already be

995

00:38:53,450 --> 00:38:50,099

in place so that mistake to me probably

996

00:38:56,510 --> 00:38:53,460

wouldn't have happened so maybe

997

00:38:58,790 --> 00:38:56,520

maybe you know the thing

998

00:39:00,710 --> 00:38:58,800

um 47 crashes or whatever those people

999

00:39:02,450 --> 00:39:00,720

who are dealing with it have no idea

1000

00:39:06,170 --> 00:39:02,460

what's going on the people who got the

1001
00:39:08,530 --> 00:39:06,180
Mussolini UFO are like hey no idiot tell

1002
00:39:10,910 --> 00:39:08,540
them it was a kite

1003
00:39:13,550 --> 00:39:10,920
no I'm just speculating but you know

1004
00:39:20,410 --> 00:39:13,560
that's uh that's the only fun thing I

1005
00:39:26,030 --> 00:39:23,810
but then on the other hand

1006
00:39:27,770 --> 00:39:26,040
um the Americans cover it in 45 after

1007
00:39:30,890 --> 00:39:27,780
the after the Germans surrender in the

1008
00:39:32,510 --> 00:39:30,900
north which one's right because quick

1009
00:39:34,930 --> 00:39:32,520
history lesson for people um you know

1010
00:39:37,730 --> 00:39:34,940
the Italy surrounded in in in in

1011
00:39:39,109 --> 00:39:37,740
1943 uh and the country was split into

1012
00:39:41,270 --> 00:39:39,119
two half so you have the what they call

1013
00:39:42,710 --> 00:39:41,280

the cobal engine forces who basically

1014

00:39:44,569 --> 00:39:42,720

cooperated with the Americans of the

1015

00:39:46,130 --> 00:39:44,579

British in the South and in the north it

1016

00:39:47,390 --> 00:39:46,140

was called the salad well she wasn't

1017

00:39:49,670 --> 00:39:47,400

called this but it was more or less

1018

00:39:52,190 --> 00:39:49,680

called The salar Republic and they were

1019

00:39:54,170 --> 00:39:52,200

the fascists uh and they had a kind of

1020

00:39:56,390 --> 00:39:54,180

rub State and they got most of their

1021

00:39:58,130 --> 00:39:56,400

weapons from the Germans because by then

1022

00:39:59,329 --> 00:39:58,140

um you know they couldn't be a splinter

1023

00:40:00,890 --> 00:39:59,339

two kind of thing and they were

1024

00:40:03,290 --> 00:40:00,900

dependent on the Germans for a lot of

1025

00:40:05,089 --> 00:40:03,300

their aircraft and a lot of stuff got

1026

00:40:06,589 --> 00:40:05,099

Spirited Away as well because obviously

1027

00:40:08,690 --> 00:40:06,599

the Germans didn't want the Italians

1028

00:40:10,069 --> 00:40:08,700

like surrendering and passing stuff back

1029

00:40:12,890 --> 00:40:10,079

over to the Allies so they were very

1030

00:40:14,930 --> 00:40:12,900

Kelly as to what they let the Italians

1031

00:40:17,329 --> 00:40:14,940

have plus you know any kind of

1032

00:40:18,950 --> 00:40:17,339

Technology like yes if the Germans have

1033

00:40:21,650 --> 00:40:18,960

got wind of it they would have seized it

1034

00:40:23,630 --> 00:40:21,660

from the Italians you know so it

1035

00:40:24,829 --> 00:40:23,640

wouldn't be just paperwork it would have

1036

00:40:26,569 --> 00:40:24,839

been the Craft

1037

00:40:28,670 --> 00:40:26,579

um probably the bodies as well would

1038

00:40:31,010 --> 00:40:28,680

have been taken to Germany

1039

00:40:32,810 --> 00:40:31,020

um if if they'd heard that they had them

1040

00:40:34,849 --> 00:40:32,820

yeah because the Italians were

1041

00:40:36,170 --> 00:40:34,859

definitely the junior partner in the

1042

00:40:38,150 --> 00:40:36,180

access

1043

00:40:40,670 --> 00:40:38,160

it makes a lot more sense if it would

1044

00:40:42,710 --> 00:40:40,680

have been delivered to your 1933 to me

1045

00:40:44,210 --> 00:40:42,720

for whatever reason

1046

00:40:45,470 --> 00:40:44,220

um one of the things is like I was

1047

00:40:47,750 --> 00:40:45,480

telling you before

1048

00:40:49,730 --> 00:40:47,760

um before the show that finding some

1049

00:40:52,670 --> 00:40:49,740

newspaper articles about how Mussolini

1050

00:40:55,310 --> 00:40:52,680

and like 70 some planes flew from Italy

1051
00:40:56,870 --> 00:40:55,320
to Chicago on the day of the crash which

1052
00:40:59,030 --> 00:40:56,880
you know if you want to start putting

1053
00:41:01,310 --> 00:40:59,040
pieces together that could be a great

1054
00:41:04,130 --> 00:41:01,320
idea to cover up you transporting a

1055
00:41:05,569 --> 00:41:04,140
craft to the United States you know and

1056
00:41:08,450 --> 00:41:05,579
they owed a lot of money to the United

1057
00:41:10,430 --> 00:41:08,460
States apparently so what if they said

1058
00:41:12,290 --> 00:41:10,440
you know uh I don't know we can't pay it

1059
00:41:14,569 --> 00:41:12,300
but here's a alien spacecraft you know

1060
00:41:16,370 --> 00:41:14,579
so that kind of stuff you know even

1061
00:41:18,170 --> 00:41:16,380
though it's far-fetched I can you know

1062
00:41:20,450 --> 00:41:18,180
at least speculate some dots there where

1063
00:41:23,329 --> 00:41:20,460

in 1944 I feel like it becomes more

1064

00:41:24,650 --> 00:41:23,339

complicated but yeah in the early 1930s

1065

00:41:26,690 --> 00:41:24,660

again just for a little historical

1066

00:41:28,730 --> 00:41:26,700

perspective the Italian Air Force was

1067

00:41:31,130 --> 00:41:28,740

possibly one of the best in Europe in

1068

00:41:32,810 --> 00:41:31,140

not at that particular time in terms of

1069

00:41:34,970 --> 00:41:32,820

you know how professional the the pilots

1070

00:41:37,069 --> 00:41:34,980

were how good their aircraft were

1071

00:41:39,890 --> 00:41:37,079

um and they did a lot of these kind of

1072

00:41:42,650 --> 00:41:39,900

big aerial events back then

1073

00:41:44,510 --> 00:41:42,660

um so all right they have this they

1074

00:41:45,890 --> 00:41:44,520

would get a big group of aircraft and

1075

00:41:48,050 --> 00:41:45,900

have them flying formation it was called

1076

00:41:49,550 --> 00:41:48,060

a Balboa it's still called a Balboa now

1077

00:41:51,829 --> 00:41:49,560

and it was knitted after the German

1078

00:41:52,910 --> 00:41:51,839

after the Italian Air Force general of

1079

00:41:54,410 --> 00:41:52,920

the time

1080

00:41:55,370 --> 00:41:54,420

um who was quite a famous General about

1081

00:41:59,450 --> 00:41:55,380

what

1082

00:42:01,670 --> 00:41:59,460

so you know they were quite air-minded

1083

00:42:03,470 --> 00:42:01,680

they were quite um they were quite good

1084

00:42:05,270 --> 00:42:03,480

at setting up an Air Force and it was

1085

00:42:06,589 --> 00:42:05,280

quite a good Air Force back then so

1086

00:42:07,910 --> 00:42:06,599

there's all various reasons why they

1087

00:42:09,290 --> 00:42:07,920

might have sent aircraft across to

1088

00:42:11,510 --> 00:42:09,300

America because obviously you know

1089

00:42:13,730 --> 00:42:11,520

that's what they did and also North

1090

00:42:15,290 --> 00:42:13,740

Africa and Ethiopia they were getting

1091

00:42:17,750 --> 00:42:15,300

involved in in that part of the world as

1092

00:42:20,810 --> 00:42:17,760

well and air travel and Air transport

1093

00:42:23,210 --> 00:42:20,820

and um and Military air arm kind of side

1094

00:42:25,010 --> 00:42:23,220

of things was a big thing then so I

1095

00:42:26,630 --> 00:42:25,020

wouldn't necessarily read too much into

1096

00:42:28,609 --> 00:42:26,640

the fact that they flew there the same

1097

00:42:31,010 --> 00:42:28,619

day but you're right you know you can't

1098

00:42:34,490 --> 00:42:31,020

rule it out as well well it's just weird

1099

00:42:35,810 --> 00:42:34,500

timing here it is yeah yeah and if you

1100

00:42:38,150 --> 00:42:35,820

were going to cover something up you'd

1101
00:42:40,609 --> 00:42:38,160
be like well that's crazy to happen as

1102
00:42:42,770 --> 00:42:40,619
well let's do this

1103
00:42:44,390 --> 00:42:42,780
well it's it's like to the point where

1104
00:42:45,829 --> 00:42:44,400
we have this whistleblower coming out

1105
00:42:49,430 --> 00:42:45,839
right and he has plenty of people

1106
00:42:50,870 --> 00:42:49,440
backing them up plenty of people who are

1107
00:42:53,329 --> 00:42:50,880
um you know well qualified and

1108
00:42:54,829 --> 00:42:53,339
everything oh yeah and I'm assuming more

1109
00:42:56,990 --> 00:42:54,839
people are going to come forward to and

1110
00:43:00,650 --> 00:42:57,000
this person is saying uh on the record

1111
00:43:02,990 --> 00:43:00,660
that this crash happened so if we don't

1112
00:43:04,609 --> 00:43:03,000
know all the facts which we don't you

1113
00:43:06,829 --> 00:43:04,619

know which is common in ufology right

1114

00:43:09,109 --> 00:43:06,839

like all we could do is try to

1115

00:43:10,550 --> 00:43:09,119

like play Connect the Dots I guess right

1116

00:43:12,230 --> 00:43:10,560

of course well that's what we do anyway

1117

00:43:13,849 --> 00:43:12,240

isn't it and if you want if you wanted

1118

00:43:16,190 --> 00:43:13,859

to discredit somebody coming out with

1119

00:43:18,050 --> 00:43:16,200

some information you would give them you

1120

00:43:19,609 --> 00:43:18,060

know you give them the truth but you'd

1121

00:43:21,530 --> 00:43:19,619

also put some other stuff in it as well

1122

00:43:24,170 --> 00:43:21,540

so when they come out with it all as a

1123

00:43:26,030 --> 00:43:24,180

whole you know some of it might not look

1124

00:43:28,130 --> 00:43:26,040

right or end up being proven to be

1125

00:43:30,230 --> 00:43:28,140

incorrect and then that basically tense

1126

00:43:33,290 --> 00:43:30,240

everything else is sent uh that sat

1127

00:43:35,030 --> 00:43:33,300

around it so yeah also sometimes you

1128

00:43:37,010 --> 00:43:35,040

have to wonder how much of this is

1129

00:43:38,510 --> 00:43:37,020

actually true this particular section

1130

00:43:41,930 --> 00:43:38,520

that doesn't mean to say everything else

1131

00:43:45,410 --> 00:43:41,940

he's saying is respect uh and also vice

1132

00:43:46,970 --> 00:43:45,420

versa as well so yeah it's I don't know

1133

00:43:48,710 --> 00:43:46,980

about you know I'm a bit like you see

1134

00:43:50,450 --> 00:43:48,720

what happens someday I've heard other

1135

00:43:51,349 --> 00:43:50,460

bits yeah I've read bits of this and

1136

00:43:53,750 --> 00:43:51,359

some of it doesn't make sense

1137

00:43:55,970 --> 00:43:53,760

something's a bit conflicting

1138

00:43:57,290 --> 00:43:55,980

um you know and I'll just one more thing

1139

00:43:58,790 --> 00:43:57,300

if you don't mind there's actually for

1140

00:44:01,010 --> 00:43:58,800

this article he wrote at the pinocular

1141

00:44:03,170 --> 00:44:01,020

roach for uh phenomenon he talks about a

1142

00:44:05,630 --> 00:44:03,180

German uh engineer or a designer called

1143

00:44:07,910 --> 00:44:05,640

nordum uh he says besides since that

1144

00:44:10,069 --> 00:44:07,920

since the end of the 30s a German

1145

00:44:12,349 --> 00:44:10,079

aircraft designer named nordung have

1146

00:44:14,510 --> 00:44:12,359

been trying to build a solar flying disc

1147

00:44:16,370 --> 00:44:14,520

to be sent out the space subsequently

1148

00:44:18,530 --> 00:44:16,380

renamed the flying wheel well actually

1149

00:44:20,270 --> 00:44:18,540

her um this murder it was actually a

1150

00:44:22,670 --> 00:44:20,280

pseudonym for somebody called Hermann

1151

00:44:25,309 --> 00:44:22,680

patokane and he was actually he died in

1152

00:44:28,430 --> 00:44:25,319

1929. um he was there he was an aircraft

1153

00:44:29,870 --> 00:44:28,440

designer from uh austro-hungary

1154

00:44:32,210 --> 00:44:29,880

um so you know he wasn't even around

1155

00:44:33,650 --> 00:44:32,220

when theoretically he was supposed to

1156

00:44:35,030 --> 00:44:33,660

design this thing he did actually design

1157

00:44:37,430 --> 00:44:35,040

something called The Flying wheel it was

1158

00:44:39,290 --> 00:44:37,440

a spare station effectively uh but you

1159

00:44:41,870 --> 00:44:39,300

know so there's a few details there

1160

00:44:44,510 --> 00:44:41,880

which are a bit out as well I'm again

1161

00:44:47,690 --> 00:44:44,520

I'm not gonna like say that all this is

1162

00:44:50,089 --> 00:44:47,700

a are you because I can't but I always

1163

00:44:51,829 --> 00:44:50,099

have this Instinct you know it's like

1164

00:44:54,050 --> 00:44:51,839

everyone has this instinct to take all

1165

00:44:55,250 --> 00:44:54,060

this stuff and attach it to to man-made

1166

00:44:57,589 --> 00:44:55,260

all the time right because they're

1167

00:44:59,690 --> 00:44:57,599

trying to avoid that Paradigm Shift

1168

00:45:00,950 --> 00:44:59,700

breakage almost you know and I'm not

1169

00:45:03,050 --> 00:45:00,960

saying they're trying to but maybe

1170

00:45:06,829 --> 00:45:03,060

subconsciously here is a way to avoid it

1171

00:45:08,210 --> 00:45:06,839

or whatever but like it's also true that

1172

00:45:10,730 --> 00:45:08,220

throughout history so many different

1173

00:45:12,770 --> 00:45:10,740

people have created flying saucers or

1174

00:45:15,170 --> 00:45:12,780

have tried to oh yeah definitely you

1175

00:45:17,450 --> 00:45:15,180

know so so again there's this mix of

1176

00:45:20,089 --> 00:45:17,460

well a lot of people have tried it so

1177

00:45:22,430 --> 00:45:20,099

maybe you know but then there's there's

1178

00:45:24,650 --> 00:45:22,440

no proof the best thing we found was a

1179

00:45:27,290 --> 00:45:24,660

broken down UFO with rollerblades in

1180

00:45:28,790 --> 00:45:27,300

Maryland in like 1950 for a gram or

1181

00:45:31,730 --> 00:45:28,800

whatever year that

1182

00:45:34,190 --> 00:45:31,740

yeah but people have tried to do that

1183

00:45:36,109 --> 00:45:34,200

forever too so I'm just running humans

1184

00:45:37,790 --> 00:45:36,119

are good somebody's just written window

1185

00:45:40,670 --> 00:45:37,800

office so the stories and rumors of the

1186

00:45:41,890 --> 00:45:40,680

Nazi belts true amazing world yeah I was

1187

00:45:49,010 --> 00:45:41,900

like

1188

00:45:51,050 --> 00:45:49,020

done that yeah yeah but this stuff you

1189

00:45:53,569 --> 00:45:51,060

can track to the beginning too like like

1190

00:45:55,430 --> 00:45:53,579

the jet engine like there are records

1191

00:45:57,770 --> 00:45:55,440

going back to the beginning of how it

1192

00:46:00,109 --> 00:45:57,780

was designed and the Italians have their

1193

00:46:02,329 --> 00:46:00,119

own jet aircraft in 1940 yeah it's

1194

00:46:03,650 --> 00:46:02,339

called the N1 but it wasn't a jet

1195

00:46:05,329 --> 00:46:03,660

aircraft to the true sense of the word

1196

00:46:07,849 --> 00:46:05,339

because it had a piston engine in it as

1197

00:46:10,130 --> 00:46:07,859

well to drive the compressor so to

1198

00:46:11,569 --> 00:46:10,140

squirt the jet fuel into to ignite it to

1199

00:46:13,670 --> 00:46:11,579

set it going

1200

00:46:15,170 --> 00:46:13,680

um it was a dead end technology and it

1201
00:46:16,550 --> 00:46:15,180
was much slower than the Contemporary

1202
00:46:18,530 --> 00:46:16,560
aircraft at the period anyway the ones

1203
00:46:21,109 --> 00:46:18,540
that weren't jet powered so if they have

1204
00:46:23,630 --> 00:46:21,119
this wonderful technology on you know

1205
00:46:25,430 --> 00:46:23,640
literally falling into their laps why

1206
00:46:27,890 --> 00:46:25,440
didn't the Italians do something with it

1207
00:46:29,630 --> 00:46:27,900
because the word band Engineers they had

1208
00:46:32,930 --> 00:46:29,640
some really really good aircraft in

1209
00:46:35,270 --> 00:46:32,940
World War II everything started out why

1210
00:46:36,950 --> 00:46:35,280
did France why didn't more happen with

1211
00:46:38,930 --> 00:46:36,960
it you know especially when if they'd

1212
00:46:40,790 --> 00:46:38,940
got it in 1933

1213
00:46:42,410 --> 00:46:40,800

um you know or something like that they

1214

00:46:44,270 --> 00:46:42,420

had a head start and everybody in Europe

1215

00:46:47,230 --> 00:46:44,280

they had a head start of the Germans had

1216

00:46:49,790 --> 00:46:47,240

a head start of the French

1217

00:46:51,650 --> 00:46:49,800

why didn't they do more with it you know

1218

00:46:53,630 --> 00:46:51,660

why were they taking it apart and trying

1219

00:46:55,370 --> 00:46:53,640

to reverse engineering it like people

1220

00:46:58,430 --> 00:46:55,380

say that the Germans did you know with

1221

00:47:00,290 --> 00:46:58,440

with other things so yeah it doesn't it

1222

00:47:02,329 --> 00:47:00,300

doesn't add up either yeah it's a

1223

00:47:03,770 --> 00:47:02,339

reverse engineering alien spacecraft and

1224

00:47:06,730 --> 00:47:03,780

in their lives well you've heard the

1225

00:47:09,290 --> 00:47:06,740

stories about the Germans

1226
00:47:12,770 --> 00:47:09,300
have picked their own figures and that

1227
00:47:13,910 --> 00:47:12,780
also makes my eyes roll so yeah I think

1228
00:47:15,530 --> 00:47:13,920
one thing I'd like to do is just

1229
00:47:17,930 --> 00:47:15,540
encourage people if they're genuinely

1230
00:47:19,430 --> 00:47:17,940
interested in this case is to go and do

1231
00:47:21,650 --> 00:47:19,440
what I did for the last couple of days

1232
00:47:23,089 --> 00:47:21,660
and go and research it I'm just going to

1233
00:47:25,010 --> 00:47:23,099
show you something because there's so

1234
00:47:27,470 --> 00:47:25,020
much information out there but so much

1235
00:47:28,750 --> 00:47:27,480
of it is in Italian and this for example

1236
00:47:31,910 --> 00:47:28,760
is just

1237
00:47:34,490 --> 00:47:31,920
nicely laid out with pop-ups but it's

1238
00:47:35,990 --> 00:47:34,500

got all this information in it but I

1239

00:47:39,530 --> 00:47:36,000

mean I didn't have time to translate it

1240

00:47:41,690 --> 00:47:39,540

you know but oh come on dude maybe there

1241

00:47:43,309 --> 00:47:41,700

is just yesterday there's a lot of

1242

00:47:46,010 --> 00:47:43,319

information on the Wayback machine as

1243

00:47:47,270 --> 00:47:46,020

well that I came across and you know the

1244

00:47:49,010 --> 00:47:47,280

thing is you have to troll through it

1245

00:47:51,710 --> 00:47:49,020

because there's a lot of nonsense in

1246

00:47:53,270 --> 00:47:51,720

there and it's uh you know if anyone

1247

00:47:55,849 --> 00:47:53,280

does this you'll see why it's a very

1248

00:47:57,710 --> 00:47:55,859

very messy case but if anybody does do

1249

00:47:59,870 --> 00:47:57,720

any work on this and finds any Little

1250

00:48:02,030 --> 00:47:59,880

Gems or anything please feel free to

1251
00:48:04,010 --> 00:48:02,040
send it to me my email addresses is

1252
00:48:05,569 --> 00:48:04,020
everywhere you can find it easily it's

1253
00:48:07,609 --> 00:48:05,579
in in the description or the about

1254
00:48:09,950 --> 00:48:07,619
section here on YouTube and you know

1255
00:48:12,050 --> 00:48:09,960
let's keep looking into it I'm hoping

1256
00:48:14,809 --> 00:48:12,060
that on Sunday when we get this

1257
00:48:16,809 --> 00:48:14,819
interview with uh David Rush that maybe

1258
00:48:19,010 --> 00:48:16,819
we get more information

1259
00:48:21,109 --> 00:48:19,020
it might just be

1260
00:48:22,910 --> 00:48:21,119
his word because it's not like we're

1261
00:48:25,550 --> 00:48:22,920
suddenly gonna get the evidence and the

1262
00:48:28,190 --> 00:48:25,560
documentation presented to us publicly

1263
00:48:29,809 --> 00:48:28,200

hopefully one day we get that as part of

1264

00:48:31,849 --> 00:48:29,819

this process

1265

00:48:32,990 --> 00:48:31,859

uh so I guess yeah guys before we finish

1266

00:48:34,670 --> 00:48:33,000

up what are you what are your guys

1267

00:48:38,510 --> 00:48:34,680

thoughts on how this has played out in

1268

00:48:41,990 --> 00:48:38,520

the last week and what are you hoping

1269

00:48:44,630 --> 00:48:42,000

uh well let me let me share a moment I

1270

00:48:47,750 --> 00:48:44,640

had today with you that kind of uh sums

1271

00:48:50,030 --> 00:48:47,760

up how I feel about everything right now

1272

00:48:52,430 --> 00:48:50,040

um and it's it's a simple moment but uh

1273

00:48:55,069 --> 00:48:52,440

you know it it really hit me deep so I'm

1274

00:48:57,829 --> 00:48:55,079

driving in my car and you know when I'm

1275

00:48:59,750 --> 00:48:57,839

not listening to a like a UFO podcast or

1276

00:49:01,910 --> 00:48:59,760

you know something like that

1277

00:49:03,770 --> 00:49:01,920

um I listen to the local radio the local

1278

00:49:06,470 --> 00:49:03,780

sports radio because I do like my sports

1279

00:49:08,770 --> 00:49:06,480

team so I I turn it on to there and

1280

00:49:12,530 --> 00:49:08,780

there's the local uh personalities

1281

00:49:16,910 --> 00:49:12,540

talking about this story on the local

1282

00:49:18,710 --> 00:49:16,920

sports channel right and the one guy is

1283

00:49:20,390 --> 00:49:18,720

going like but it could be the end of

1284

00:49:22,790 --> 00:49:20,400

the world you know this homework guy is

1285

00:49:25,130 --> 00:49:22,800

super loud and you know that's his

1286

00:49:26,930 --> 00:49:25,140

personality and the other guy's like no

1287

00:49:30,050 --> 00:49:26,940

it ain't why you know and I'm just

1288

00:49:30,890 --> 00:49:30,060

listening to like two regular people who

1289

00:49:33,589 --> 00:49:30,900

don't

1290

00:49:34,609 --> 00:49:33,599

think about this nearly you know as much

1291

00:49:37,010 --> 00:49:34,619

as we do

1292

00:49:39,470 --> 00:49:37,020

getting hit with this news and talking

1293

00:49:42,349 --> 00:49:39,480

about it on the radio and and how that

1294

00:49:46,370 --> 00:49:42,359

plays out and it just hit me like this

1295

00:49:48,650 --> 00:49:46,380

went really freaking big man and it has

1296

00:49:50,630 --> 00:49:48,660

a lot of potential because it's reaching

1297

00:49:53,329 --> 00:49:50,640

people that I would have never thought

1298

00:49:56,329 --> 00:49:53,339

it would reach and it makes me think

1299

00:49:58,670 --> 00:49:56,339

like whatever happens with this

1300

00:50:00,410 --> 00:49:58,680

it it gives me a little more you know

1301
00:50:02,809 --> 00:50:00,420
for better for worse purpose that I'm

1302
00:50:04,790 --> 00:50:02,819
here like remember I'm here because I

1303
00:50:06,650 --> 00:50:04,800
saw something that was crazy you know

1304
00:50:08,870 --> 00:50:06,660
not nearly as crazy as a lot of what

1305
00:50:11,210 --> 00:50:08,880
other people describe but for me it was

1306
00:50:14,089 --> 00:50:11,220
uh shocking and because of that I'm here

1307
00:50:17,270 --> 00:50:14,099
doing this at this point in time right

1308
00:50:20,450 --> 00:50:17,280
now when everybody

1309
00:50:23,450 --> 00:50:20,460
you know has gotten news that aliens and

1310
00:50:25,730 --> 00:50:23,460
craft may very well exist and that may

1311
00:50:27,710 --> 00:50:25,740
not be a conspiracy theory and I just

1312
00:50:31,190 --> 00:50:27,720
find it so

1313
00:50:35,150 --> 00:50:31,200

um amazing you know so like the truth of

1314

00:50:38,329 --> 00:50:35,160

the matter if if uh like somebody's you

1315

00:50:41,109 --> 00:50:38,339

know makes up this lie to cover up this

1316

00:50:45,410 --> 00:50:41,119

or that or whatever like

1317

00:50:47,569 --> 00:50:45,420

we're at the the we're at the boiling

1318

00:50:49,609 --> 00:50:47,579

point of finding out whatever the truth

1319

00:50:51,410 --> 00:50:49,619

of the matter is like so if you're

1320

00:50:53,750 --> 00:50:51,420

someone who thinks this is a conspiracy

1321

00:50:56,510 --> 00:50:53,760

and you think this is all Bs well guess

1322

00:50:59,270 --> 00:50:56,520

what like we're at the Tipping Point of

1323

00:51:01,190 --> 00:50:59,280

finding that kind of thing out so like

1324

00:51:03,589 --> 00:51:01,200

why don't you help us push for

1325

00:51:05,390 --> 00:51:03,599

transparency to figure this out once and

1326

00:51:08,089 --> 00:51:05,400

for all so we can be done with it prove

1327

00:51:09,890 --> 00:51:08,099

that you you don't want to argue for the

1328

00:51:12,170 --> 00:51:09,900

rest of your life about blurry videos

1329

00:51:15,410 --> 00:51:12,180

you know like let's get to the bottom of

1330

00:51:18,589 --> 00:51:15,420

this and we've never been closer you

1331

00:51:20,569 --> 00:51:18,599

know and you cannot

1332

00:51:22,250 --> 00:51:20,579

um get past the guy's credentials and

1333

00:51:23,690 --> 00:51:22,260

the credentials of the people that have

1334

00:51:26,569 --> 00:51:23,700

spoken

1335

00:51:29,270 --> 00:51:26,579

um you know out on on his behalf like

1336

00:51:32,390 --> 00:51:29,280

you can't get past that and I know it's

1337

00:51:36,410 --> 00:51:32,400

tough but it's real you know so whatever

1338

00:51:40,730 --> 00:51:36,420

the reason is why we're here right now

1339

00:51:43,430 --> 00:51:40,740

um we're here you know and just put your

1340

00:51:44,930 --> 00:51:43,440

best face on and I guess buckle up but

1341

00:51:48,109 --> 00:51:44,940

yeah I think it's pretty amazing yeah

1342

00:51:54,290 --> 00:51:50,109

Graham

1343

00:51:56,870 --> 00:51:54,300

I am in the same boat as Sean really and

1344

00:52:00,109 --> 00:51:56,880

that's how my kind of heart thinks if

1345

00:52:02,270 --> 00:52:00,119

you like my head however sort of looks

1346

00:52:03,950 --> 00:52:02,280

at it a bit more dispassionately and and

1347

00:52:05,809 --> 00:52:03,960

sees

1348

00:52:08,809 --> 00:52:05,819

a clever for information from everybody

1349

00:52:10,490 --> 00:52:08,819

you know who's concerned with us issue

1350

00:52:12,170 --> 00:52:10,500

whether you know whichever side they

1351
00:52:13,790 --> 00:52:12,180
fall on or even if they're like me

1352
00:52:16,250 --> 00:52:13,800
they're in the middle

1353
00:52:17,750 --> 00:52:16,260
um and you know they have this kind of

1354
00:52:19,730 --> 00:52:17,760
clamor for more people to come forward

1355
00:52:21,829 --> 00:52:19,740
and as soon as they do they're all

1356
00:52:23,569 --> 00:52:21,839
jumped on you know for oh you know oh

1357
00:52:26,089 --> 00:52:23,579
it's rubbish or or it's the best thing

1358
00:52:27,589 --> 00:52:26,099
since sliced bread yo so they can't win

1359
00:52:28,910 --> 00:52:27,599
basically if you come forward and say

1360
00:52:31,250 --> 00:52:28,920
something you're going to be pulled

1361
00:52:32,630 --> 00:52:31,260
apart one way or another uh but at the

1362
00:52:35,510 --> 00:52:32,640
same time everybody's saying oh we need

1363
00:52:38,390 --> 00:52:35,520

more information but my frustration lies

1364

00:52:40,609 --> 00:52:38,400

in when people do come forward it's

1365

00:52:43,069 --> 00:52:40,619

never enough there's not that categoric

1366

00:52:44,809 --> 00:52:43,079

proof there's not that kind of you know

1367

00:52:46,010 --> 00:52:44,819

that Smoking Gun there's not that you

1368

00:52:48,049 --> 00:52:46,020

know kind of

1369

00:52:50,270 --> 00:52:48,059

um that that Silver Bullet kind of thing

1370

00:52:52,910 --> 00:52:50,280

that just go you know bang you know and

1371

00:52:55,730 --> 00:52:52,920

everybody wakes up and goes this is

1372

00:52:57,290 --> 00:52:55,740

definitely it we're not there yet

1373

00:52:59,210 --> 00:52:57,300

um so we're gonna need a lot more people

1374

00:53:01,490 --> 00:52:59,220

with a lot more information and stuff

1375

00:53:03,890 --> 00:53:01,500

that we can tie up together and stuff

1376
00:53:05,990 --> 00:53:03,900
that isn't just somebody making a claim

1377
00:53:09,290 --> 00:53:06,000
like what we've sort of been discussing

1378
00:53:12,049 --> 00:53:09,300
here which yes has a certain amount of

1379
00:53:14,569 --> 00:53:12,059
kind of backstory to it but it's not

1380
00:53:16,190 --> 00:53:14,579
conclusive by any means

1381
00:53:17,710 --> 00:53:16,200
um and I think you know everything just

1382
00:53:20,329 --> 00:53:17,720
that we're getting

1383
00:53:22,430 --> 00:53:20,339
is it still has all these little holes

1384
00:53:24,710 --> 00:53:22,440
in it and we don't have any of the so

1385
00:53:27,410 --> 00:53:24,720
you know they're so well-rounded and

1386
00:53:29,690 --> 00:53:27,420
that you can't pick it apart and I think

1387
00:53:32,210 --> 00:53:29,700
until we get to that point we'll still

1388
00:53:33,589 --> 00:53:32,220

be searching for that information uh and

1389

00:53:35,630 --> 00:53:33,599

we'll still be having discussions like

1390

00:53:37,370 --> 00:53:35,640

the one we've had tonight and the ones

1391

00:53:39,109 --> 00:53:37,380

that people are having you know like

1392

00:53:40,549 --> 00:53:39,119

round tables and the water cooler and

1393

00:53:42,650 --> 00:53:40,559

all the rest of it around the world

1394

00:53:44,930 --> 00:53:42,660

about the story that Sean's mentioned

1395

00:53:46,849 --> 00:53:44,940

that is local Sports reporters were

1396

00:53:49,010 --> 00:53:46,859

talking about because I've heard people

1397

00:53:52,130 --> 00:53:49,020

mentioning it as well people who had

1398

00:53:54,589 --> 00:53:52,140

never expect to talk about it and yet

1399

00:53:56,210 --> 00:53:54,599

they're not dismissed it but they've

1400

00:53:58,250 --> 00:53:56,220

actually just went oh it's interesting

1401
00:53:59,870 --> 00:53:58,260
but that's it whereas if it was

1402
00:54:02,210 --> 00:53:59,880
something that was kind of categorically

1403
00:54:04,250 --> 00:54:02,220
true and you could like you know pin it

1404
00:54:05,750 --> 00:54:04,260
down and say right you know there's no

1405
00:54:09,230 --> 00:54:05,760
argument about this then they wouldn't

1406
00:54:11,089 --> 00:54:09,240
stop talking about it yeah it would be a

1407
00:54:12,589 --> 00:54:11,099
new day it would be a new chapter in

1408
00:54:14,049 --> 00:54:12,599
Earth's history

1409
00:54:16,910 --> 00:54:14,059
um yeah

1410
00:54:18,650 --> 00:54:16,920
right well right now we're we're like

1411
00:54:20,630 --> 00:54:18,660
again we're we're at that Tipping Point

1412
00:54:23,270 --> 00:54:20,640
right because the the people there are

1413
00:54:25,730 --> 00:54:23,280

some people that you're Requiem look at

1414

00:54:28,069 --> 00:54:25,740

this in and think it's

1415

00:54:30,530 --> 00:54:28,079

they can't get past the headline or the

1416

00:54:32,569 --> 00:54:30,540

claim because whether it be the

1417

00:54:35,270 --> 00:54:32,579

government or ourselves or however you

1418

00:54:37,730 --> 00:54:35,280

want to frame it it you know it's been

1419

00:54:39,589 --> 00:54:37,740

curated and made to be this way so that

1420

00:54:42,109 --> 00:54:39,599

when the headlines do come out like this

1421

00:54:43,549 --> 00:54:42,119

you do think they're nuts you know and a

1422

00:54:46,490 --> 00:54:43,559

lot of people can't get past that

1423

00:54:50,809 --> 00:54:46,500

headline to actually see like wow this

1424

00:54:52,670 --> 00:54:50,819

guy is that and he's saying this you

1425

00:54:54,109 --> 00:54:52,680

know like so that's the kind of struggle

1426
00:54:56,030 --> 00:54:54,119
we're up against too in the one part of

1427
00:54:59,510 --> 00:54:56,040
that radio show I I didn't mention was

1428
00:55:02,450 --> 00:54:59,520
the guy who is genuinely pissed about

1429
00:55:04,010 --> 00:55:02,460
about it like this is a Psy up like they

1430
00:55:10,630 --> 00:55:04,020
don't have any evidence he was like

1431
00:55:16,790 --> 00:55:13,609
it's like yeah this is like Twitter

1432
00:55:18,890 --> 00:55:16,800
every day all the time about UFOs right

1433
00:55:20,210 --> 00:55:18,900
now on my Sports Talk Radio Show yeah so

1434
00:55:21,950 --> 00:55:20,220
it hits people in different ways it's

1435
00:55:23,450 --> 00:55:21,960
pretty interesting yeah and I look at it

1436
00:55:25,309 --> 00:55:23,460
in two different ways you know I do this

1437
00:55:28,010 --> 00:55:25,319
every day and I have these conversations

1438
00:55:30,650 --> 00:55:28,020

private privately with many people we

1439

00:55:33,109 --> 00:55:30,660

hear all sorts of rumors and and talk

1440

00:55:34,970 --> 00:55:33,119

behind the scenes and there's that part

1441

00:55:37,010 --> 00:55:34,980

of my conversation where you know I'm

1442

00:55:40,309 --> 00:55:37,020

not expecting Sunday's interview to give

1443

00:55:42,049 --> 00:55:40,319

us a massive um disclosure let's say but

1444

00:55:44,030 --> 00:55:42,059

I'm hoping it just continues to move the

1445

00:55:45,950 --> 00:55:44,040

ball forward and with some credibility

1446

00:55:47,630 --> 00:55:45,960

and maybe then we get more

1447

00:55:49,849 --> 00:55:47,640

whistleblowers and we just keep moving

1448

00:55:52,309 --> 00:55:49,859

forward I'm not expecting

1449

00:55:55,010 --> 00:55:52,319

it all to change on Sunday but then at

1450

00:55:57,230 --> 00:55:55,020

the same time this week you know I go I

1451

00:55:58,849 --> 00:55:57,240

I take my daughter to school every

1452

00:56:02,510 --> 00:55:58,859

morning I stand in a playground full of

1453

00:56:04,190 --> 00:56:02,520

other people most of them are mums and

1454

00:56:05,990 --> 00:56:04,200

they know a few of them know what I do

1455

00:56:08,210 --> 00:56:06,000

and I've started getting WhatsApp

1456

00:56:09,650 --> 00:56:08,220

messages from school mums with like oh

1457

00:56:11,270 --> 00:56:09,660

look at the story made it into the

1458

00:56:14,630 --> 00:56:11,280

guardian and things like this I'm like

1459

00:56:16,430 --> 00:56:14,640

wow this is crazy and that really just

1460

00:56:18,770 --> 00:56:16,440

makes me really happy it puts a smile on

1461

00:56:20,270 --> 00:56:18,780

my face that's the other side of my life

1462

00:56:22,430 --> 00:56:20,280

you know there's just a lot to do with

1463

00:56:24,349 --> 00:56:22,440

UFOs and it's and it's creeping in now

1464

00:56:26,630 --> 00:56:24,359

I'm not sure something about these

1465

00:56:28,130 --> 00:56:26,640

people who I was like oh they're gonna

1466

00:56:30,849 --> 00:56:28,140

find out and they're gonna think I'm

1467

00:56:32,809 --> 00:56:30,859

crazy you know

1468

00:56:34,130 --> 00:56:32,819

people surprise me when they come

1469

00:56:35,990 --> 00:56:34,140

forward like that don't they because I

1470

00:56:38,690 --> 00:56:36,000

have people in in some of the other

1471

00:56:40,490 --> 00:56:38,700

circles I'm I'm moving as well who come

1472

00:56:42,049 --> 00:56:40,500

up and talk to me and say have you know

1473

00:56:43,910 --> 00:56:42,059

again the similar sort of thing have you

1474

00:56:45,890 --> 00:56:43,920

seen this have you heard about this and

1475

00:56:48,049 --> 00:56:45,900

people who I never even knew were

1476

00:56:50,329 --> 00:56:48,059

interested long term in the subject as

1477

00:56:53,329 --> 00:56:50,339

well who I would never have dreamed that

1478

00:56:54,950 --> 00:56:53,339

was that was the case so it's weird what

1479

00:56:57,950 --> 00:56:54,960

I'm and what I would look forward to

1480

00:57:00,530 --> 00:56:57,960

from Sunday is some idea of how how he

1481

00:57:02,809 --> 00:57:00,540

got this information about rs33 you know

1482

00:57:04,309 --> 00:57:02,819

where did it come from or did it just

1483

00:57:06,530 --> 00:57:04,319

come from you know kind of putting out

1484

00:57:10,130 --> 00:57:06,540

his research and stuff because if that's

1485

00:57:12,049 --> 00:57:10,140

the case then yeah it's gonna be right

1486

00:57:13,190 --> 00:57:12,059

well you're just kind of you know you've

1487

00:57:14,930 --> 00:57:13,200

found some information that's already

1488

00:57:16,190 --> 00:57:14,940

out there it hasn't come from somewhere

1489

00:57:19,069 --> 00:57:16,200

else because if it came from somewhere

1490

00:57:20,690 --> 00:57:19,079

else that's a big deal yeah to me you

1491

00:57:22,190 --> 00:57:20,700

know and that would actually blow the

1492

00:57:24,770 --> 00:57:22,200

lid off this and it would actually

1493

00:57:27,049 --> 00:57:24,780

establish some you know some proper

1494

00:57:28,250 --> 00:57:27,059

Credence to it whereas if it's a case of

1495

00:57:31,910 --> 00:57:28,260

you know oh well that's where the

1496

00:57:33,349 --> 00:57:31,920

information came from then okay yeah

1497

00:57:34,790 --> 00:57:33,359

because it's very easy to get excited

1498

00:57:36,290 --> 00:57:34,800

about the chit chatter that people are

1499

00:57:38,990 --> 00:57:36,300

saying oh well you know it's going to be

1500

00:57:40,549 --> 00:57:39,000

good buckle up everyone and it's so easy

1501
00:57:43,069 --> 00:57:40,559
to go oh God this is going to be great

1502
00:57:44,690 --> 00:57:43,079
but you know I think if you spend any

1503
00:57:46,430 --> 00:57:44,700
decent amount of time in this subject

1504
00:57:49,190 --> 00:57:46,440
you know that it doesn't work like that

1505
00:57:51,589 --> 00:57:49,200
your expectations folks you know Reign

1506
00:57:53,809 --> 00:57:51,599
it in and that's not just like

1507
00:57:56,450 --> 00:57:53,819
preparing for the worst it's just really

1508
00:57:58,910 --> 00:57:56,460
let's just be realistic come on he's

1509
00:58:00,890 --> 00:57:58,920
like this guy is no holds bar dude like

1510
00:58:03,109 --> 00:58:00,900
he's coming out swinging man like

1511
00:58:06,589 --> 00:58:03,119
talking about bodies and stuff and yeah

1512
00:58:09,290 --> 00:58:06,599
maybe even you know like maybe it wasn't

1513
00:58:11,450 --> 00:58:09,300

supposed to I don't know what the story

1514

00:58:13,150 --> 00:58:11,460

is behind that it's kind of awkward but

1515

00:58:16,549 --> 00:58:13,160

he's talking about it

1516

00:58:19,069 --> 00:58:16,559

you know like and

1517

00:58:20,390 --> 00:58:19,079

you know it's what that that uh I bring

1518

00:58:23,450 --> 00:58:20,400

that up because this is one of those

1519

00:58:25,250 --> 00:58:23,460

things where like if it's true yes

1520

00:58:26,930 --> 00:58:25,260

freaking talk about it and let's go

1521

00:58:28,250 --> 00:58:26,940

there you know but if it's not then it's

1522

00:58:30,069 --> 00:58:28,260

like why are you talking about body

1523

00:58:32,990 --> 00:58:30,079

stuff yeah yeah

1524

00:58:35,089 --> 00:58:33,000

I think I think it's gonna be like that

1525

00:58:37,130 --> 00:58:35,099

it's gonna be kind of explosive to a

1526

00:58:38,870 --> 00:58:37,140

sense I think I think it's been handled

1527

00:58:40,430 --> 00:58:38,880

well across the board you know Ross has

1528

00:58:43,190 --> 00:58:40,440

obviously been sitting on this for a

1529

00:58:44,930 --> 00:58:43,200

long time hats off to Ross the way the

1530

00:58:46,670 --> 00:58:44,940

whole debrief handled it with the work

1531

00:58:49,549 --> 00:58:46,680

that they did on their own independent

1532

00:58:51,230 --> 00:58:49,559

verifications of of grush and and all

1533

00:58:53,270 --> 00:58:51,240

these things so shout out Tim and the

1534

00:58:54,950 --> 00:58:53,280

team I think they did amazing and

1535

00:58:57,289 --> 00:58:54,960

everybody else that's sort of related to

1536

00:58:59,690 --> 00:58:57,299

it and linked to it uh have been great

1537

00:59:01,010 --> 00:58:59,700

and you know this new news Nation the

1538

00:59:02,329 --> 00:59:01,020

way that you know people are saying why

1539

00:59:04,010 --> 00:59:02,339

are they just teasing it all the way up

1540

00:59:05,750 --> 00:59:04,020

but they're they're kind of I think

1541

00:59:07,190 --> 00:59:05,760

that's a good thing for people that may

1542

00:59:09,289 --> 00:59:07,200

not know anything about this subject

1543

00:59:11,630 --> 00:59:09,299

kind of a crime acclimatize them to it

1544

00:59:13,309 --> 00:59:11,640

so get their interest pick it with these

1545

00:59:15,950 --> 00:59:13,319

little short interviews and I think it's

1546

00:59:19,870 --> 00:59:15,960

great personally what do you call that a

1547

00:59:23,930 --> 00:59:22,250

I think it's been good I like the way

1548

00:59:25,609 --> 00:59:23,940

it's been handled it's it's you know

1549

00:59:28,609 --> 00:59:25,619

leading up to it you know because if you

1550

00:59:30,109 --> 00:59:28,619

just had one thing on one day it's the

1551

00:59:31,970 --> 00:59:30,119

next Story the next week completely

1552

00:59:33,950 --> 00:59:31,980

drowns it out you know let's keep it in

1553

00:59:35,809 --> 00:59:33,960

people's minds a little bit more that's

1554

00:59:37,789 --> 00:59:35,819

the way I look at it so good quick

1555

00:59:39,710 --> 00:59:37,799

question for you once there's disclosure

1556

00:59:40,970 --> 00:59:39,720

are you gonna change the name of your

1557

00:59:42,470 --> 00:59:40,980

show

1558

00:59:44,109 --> 00:59:42,480

yeah but I can't really call it

1559

00:59:47,390 --> 00:59:44,119

post-disclosure team

1560

00:59:49,450 --> 00:59:47,400

I feel like a good friend Ryan might

1561

00:59:52,130 --> 00:59:49,460

absolutely say that right yeah

1562

00:59:54,109 --> 00:59:52,140

this is the thing and I actually I get

1563

00:59:58,010 --> 00:59:54,119

asked that question all the time oh

1564

01:00:00,349 --> 00:59:58,020

really yeah I really do and no and it's

1565

01:00:02,450 --> 01:00:00,359

a good question because whatever happens

1566

01:00:04,309 --> 01:00:02,460

I will still it's not like I'm just

1567

01:00:07,089 --> 01:00:04,319

gonna go right and crack that one what

1568

01:00:10,010 --> 01:00:07,099

can we do next like yeah

1569

01:00:12,109 --> 01:00:10,020

if disclosure happens we've got a whole

1570

01:00:14,450 --> 01:00:12,119

lot of other questions have we it's the

1571

01:00:16,789 --> 01:00:14,460

case how much out of the rich history

1572

01:00:19,010 --> 01:00:16,799

and kind of reporting a UFOs is true

1573

01:00:22,730 --> 01:00:19,020

right how much of it was actually made

1574

01:00:24,410 --> 01:00:22,740

up yeah especially yeah aren't they so

1575

01:00:25,910 --> 01:00:24,420

you know if if you know you're

1576

01:00:27,470 --> 01:00:25,920

three-headed alien turns up with the

1577

01:00:29,150 --> 01:00:27,480

white house loan and you speak English

1578

01:00:30,470 --> 01:00:29,160

and you can actually have a conversation

1579

01:00:33,130 --> 01:00:30,480

with him the first thing you're going to

1580

01:00:36,069 --> 01:00:33,140

ask him is what happened to Roswell

1581

01:00:39,370 --> 01:00:36,079

you know all these other things

1582

01:00:42,589 --> 01:00:39,380

gotta rewrite every book

1583

01:00:44,030 --> 01:00:42,599

I'll be happy I would happily do it you

1584

01:00:46,789 --> 01:00:44,040

know if I had that chance to actually

1585

01:00:48,710 --> 01:00:46,799

talk to talk to a being you know that

1586

01:00:51,770 --> 01:00:48,720

that could give me the answers yeah they

1587

01:00:53,270 --> 01:00:51,780

can prove it for you yeah but that's

1588

01:00:55,069 --> 01:00:53,280

what you would do wouldn't you if you

1589

01:00:57,049 --> 01:00:55,079

have certainly could get those have

1590

01:00:59,150 --> 01:00:57,059

those conversations with with you know

1591

01:01:01,190 --> 01:00:59,160

with some other entity or intelligence

1592

01:01:02,990 --> 01:01:01,200

or whatever you'll be asking them you

1593

01:01:05,270 --> 01:01:03,000

know what what in the record is true

1594

01:01:06,650 --> 01:01:05,280

because then you can then you know build

1595

01:01:08,390 --> 01:01:06,660

your history of couldn't you so that

1596

01:01:10,490 --> 01:01:08,400

you're the Phantom airships the ghost

1597

01:01:12,109 --> 01:01:10,500

airplanes the Foo Fighters um you know

1598

01:01:14,510 --> 01:01:12,119

flying saucers all the rest of it you

1599

01:01:16,130 --> 01:01:14,520

would ask those questions so it wouldn't

1600

01:01:17,630 --> 01:01:16,140

just be disclosure all right okay as

1601
01:01:18,950 --> 01:01:17,640
Vinnie says we'll move on to something

1602
01:01:20,750 --> 01:01:18,960
else you know

1603
01:01:23,329 --> 01:01:20,760
um there'll be do it would just open up

1604
01:01:24,950 --> 01:01:23,339
a whole whole new Avenue of you know

1605
01:01:26,809 --> 01:01:24,960
what's true what isn't and and what

1606
01:01:29,349 --> 01:01:26,819
about this and what about that so we'll

1607
01:01:31,670 --> 01:01:29,359
still have a podcast like this

1608
01:01:33,589 --> 01:01:31,680
stuff because you can bet your bottom

1609
01:01:35,930 --> 01:01:33,599
dollar you wouldn't get all the answers

1610
01:01:38,390 --> 01:01:35,940
in one group no and you'd need people

1611
01:01:40,250 --> 01:01:38,400
like uh historians like Huger and like

1612
01:01:41,990 --> 01:01:40,260
uh otherwise people will be stuck like

1613
01:01:44,510 --> 01:01:42,000

listening to people like we're on my

1614

01:01:46,370 --> 01:01:44,520

Sports Talk Show talking about this who

1615

01:01:48,650 --> 01:01:46,380

the one guy was bringing up like no this

1616

01:01:52,010 --> 01:01:48,660

is like Bible is our where it's just not

1617

01:01:54,770 --> 01:01:52,020

like at all you know

1618

01:01:56,870 --> 01:01:54,780

um because of just the many reasons but

1619

01:01:58,849 --> 01:01:56,880

and I'm not saying that good or bad I'm

1620

01:02:00,530 --> 01:01:58,859

not doing that I'm just saying it's

1621
