[Music]

2  
00:00:16,369 --> 00:00:13,549

they were complex narratives of being

3  
00:00:20,529 --> 00:00:16,379

taken by alien beings into UFOs on beams

4  
00:00:31,130 --> 00:00:23,450

the Air Force is trying to cover up with

5  
00:00:36,110 --> 00:00:33,530

from my own point of view I'm going to

6  
00:00:37,850 --> 00:00:36,120

be very disappointed if UFOs turn out to

7  
00:00:39,170 --> 00:00:37,860

be nothing more than visitors from

8  
00:00:42,170 --> 00:00:39,180

another planet because I think there

9  
00:00:45,880 --> 00:00:42,180

could be something much more interesting

10  
00:01:08,330 --> 00:01:05,149

[Music]

11  
00:01:10,910 --> 00:01:08,340

whole thing yet I need to upload a lot

26  
00:01:42,890 --> 00:01:41,220

00:01:55,249 --> 00:01:52,560  
respectful both towards each other and

32  
00:01:57,230 --> 00:01:55,259  
towards our guest uh now I'm really

33  
00:01:59,330 --> 00:01:57,240  
excited for this conversation I find the

34  
00:02:02,569 --> 00:01:59,340  
2004 Nimitz encounter one of the most

35  
00:02:04,490 --> 00:02:02,579  
compelling cases there is so without

36  
00:02:06,649 --> 00:02:04,500  
further Ado let's bring on my guest guys

37  
00:02:09,109 --> 00:02:06,659  
please welcome retired operations

38  
00:02:10,729 --> 00:02:09,119

specialist Senior Chief Petty Officer

39

00:02:13,610 --> 00:02:10,739

Kevin Day

40

00:02:15,710 --> 00:02:13,620

Kevin how are you thank you very I'm

41

00:02:17,930 --> 00:02:15,720

doing awesome and I first out of the bag

42

00:02:19,490 --> 00:02:17,940

want to thank you um quite honestly for

43

00:02:20,809 --> 00:02:19,500

the opportunity to be here and speak

44

00:02:23,089 --> 00:02:20,819

with you today

45

00:02:25,430 --> 00:02:23,099

well I appreciate that but the the honor

46

00:02:27,650 --> 00:02:25,440

is all mine and my wife Kimberly would

47

00:02:29,809 --> 00:02:27,660

be here next to me but she's in the

48

00:02:31,729 --> 00:02:29,819

middle of grooming dogs right now well

49

00:02:33,290 --> 00:02:31,739

if you heard maybe the dogs barking

50

00:02:35,210 --> 00:02:33,300

because someone showed up with the dog

51  
00:02:38,570 --> 00:02:35,220  
well they're welcome to join at any

52  
00:02:42,290 --> 00:02:40,610  
so Kevin but I'd love to jump straight

53  
00:02:44,330 --> 00:02:42,300  
in and I think that the first question

54  
00:02:45,589 --> 00:02:44,340  
with two would be I'd be really

55  
00:02:47,390 --> 00:02:45,599  
appreciate it if you could kind of

56  
00:02:50,449 --> 00:02:47,400  
describe your role and responsibilities

57  
00:02:52,670 --> 00:02:50,459  
on board the Princeton during the 2004

58  
00:02:56,030 --> 00:02:52,680  
incident

59  
00:02:59,150 --> 00:02:56,040  
I had been uh operating in the same

60  
00:03:01,430 --> 00:02:59,160  
Waters in the world for about 18 and a

61  
00:03:04,009 --> 00:03:01,440  
half years on three different spy one

62  
00:03:06,050 --> 00:03:04,019  
radar ships and also three different

63  
00:03:07,130 --> 00:03:06,060

aircraft carriers as a part of Admiral

64

00:03:10,729 --> 00:03:07,140  
staffs

65

00:03:13,790 --> 00:03:10,739  
and I was a very very senior uh training

66

00:03:15,350 --> 00:03:13,800  
person in the role of air defense

67

00:03:17,390 --> 00:03:15,360  
um taking aircraft off their aircraft

68

00:03:20,089 --> 00:03:17,400  
carriers sitting in a defense formation

69

00:03:23,690 --> 00:03:20,099  
it enter things that are hostile or

70

00:03:24,770 --> 00:03:23,700  
unknown coming from uh some suspect uh

71

00:03:26,750 --> 00:03:24,780  
source

72

00:03:30,050 --> 00:03:26,760  
and it's called air intercept control

73

00:03:32,229 --> 00:03:30,060  
this um I was a Top Gun graduate

74

00:03:35,690 --> 00:03:32,239  
had hundreds of intercepts in my logbook

75

00:03:38,570 --> 00:03:35,700  
and they need the thing that stopped me

76  
00:03:41,449 --> 00:03:38,580  
in my tracks this this was the very last

77  
00:03:45,470 --> 00:03:41,459  
time I was ever going to be underway

78  
00:03:47,750 --> 00:03:45,480  
let that sink in for a second wow yeah

79  
00:03:50,509 --> 00:03:47,760  
and I walked up into combat information

80  
00:03:51,350 --> 00:03:50,519  
center cic or combat like we like to

81  
00:03:53,809 --> 00:03:51,360  
call it

82  
00:03:56,630 --> 00:03:53,819  
and I I stopped and I was like I was

83  
00:03:58,430 --> 00:03:56,640  
looking at the radar I was on watch

84  
00:04:00,589 --> 00:03:58,440  
and because I also stood a watch

85  
00:04:01,670 --> 00:04:00,599  
position called anti-air Warfare

86  
00:04:03,649 --> 00:04:01,680  
coordinator

87  
00:04:06,410 --> 00:04:03,659  
where I was the guy that um coordinated

88  
00:04:08,630 --> 00:04:06,420

all the sources of information and my

89

00:04:10,369 --> 00:04:08,640

job in that position was to deliver it

90

00:04:12,229 --> 00:04:10,379

to the front table so that people like

91

00:04:13,910 --> 00:04:12,239

the captain and the Tactical actions

92

00:04:15,470 --> 00:04:13,920

officer can make decisions whether to

93

00:04:17,509 --> 00:04:15,480

kill things or not

94

00:04:19,250 --> 00:04:17,519

or investigating further or not using

95

00:04:21,590 --> 00:04:19,260

aircraft

96

00:04:24,350 --> 00:04:21,600

or just assign them as an unknown and

97

00:04:27,290 --> 00:04:24,360

leave them peacefully alone so I was in

98

00:04:30,530 --> 00:04:27,300

that position when all of the sudden our

99

00:04:33,650 --> 00:04:30,540

ballistic missile defense team detected

100

00:04:36,830 --> 00:04:33,660

on spy radar objects descending from low

101  
00:04:39,650 --> 00:04:36,840  
earth orbit down to about 80 000 feet

102  
00:04:42,050 --> 00:04:39,660  
right off the coast of Catalina Island

103  
00:04:43,730 --> 00:04:42,060  
and they would sit there for a little

104  
00:04:47,629 --> 00:04:43,740  
while and then they would suddenly

105  
00:04:50,510 --> 00:04:47,639  
descend as a group down to 28 000 feet

106  
00:04:52,790 --> 00:04:50,520  
and then one by one they would Transit

107  
00:04:56,330 --> 00:04:52,800  
right through our operating area real

108  
00:04:58,430 --> 00:04:56,340  
slow 200 100 knots 28 000 feet

109  
00:04:59,990 --> 00:04:58,440  
usually Things fall out of the sky going

110  
00:05:03,230 --> 00:05:00,000  
not slow that high

111  
00:05:05,409 --> 00:05:03,240  
but I was frantically searching for any

112  
00:05:08,090 --> 00:05:05,419  
type of documentation or any type of

113  
00:05:09,710 --> 00:05:08,100

message that we had received explaining

114

00:05:12,290 --> 00:05:09,720

what these were because my suspicion at

115

00:05:13,790 --> 00:05:12,300

the time as was everyone else was in the

116

00:05:16,010 --> 00:05:13,800

strike group the name of strike group we

117

00:05:18,170 --> 00:05:16,020

had more than one spy one ship out there

118

00:05:20,330 --> 00:05:18,180

where we're all seeing them

119

00:05:22,969 --> 00:05:20,340

I was trying to assign some sort of

120

00:05:24,409 --> 00:05:22,979

credible civilian reason and perhaps

121

00:05:27,710 --> 00:05:24,419

they just didn't know we were there and

122

00:05:30,590 --> 00:05:27,720

they forgot to inform us

123

00:05:32,689 --> 00:05:30,600

until the day of our scheduled air

124

00:05:35,029 --> 00:05:32,699

defense exercise

125

00:05:37,010 --> 00:05:35,039

that's when senior Chef Pierre Yasser

126

00:05:38,930 --> 00:05:37,020

Renee became very concerned because we

127

00:05:41,990 --> 00:05:38,940

were about ready to launch aircraft off

128

00:05:43,850 --> 00:05:42,000

the USS Nimitz and operate in that same

129

00:05:46,550 --> 00:05:43,860

piece of sky

130

00:05:49,070 --> 00:05:46,560

and I was Gravely in concerned about

131

00:05:51,890 --> 00:05:49,080

safety of flight

132

00:05:53,749 --> 00:05:51,900

cap our captain comes down to combat and

133

00:05:55,670 --> 00:05:53,759

I captain Smith and I said Hey sir you

134

00:05:57,230 --> 00:05:55,680

know everyone in the Strat group has

135

00:05:59,570 --> 00:05:57,240

been

136

00:06:01,270 --> 00:05:59,580

um tracking and Reporting these objects

137

00:06:03,770 --> 00:06:01,280

over our data links back to the beach

138

00:06:06,350 --> 00:06:03,780

and literally no one knows what they are

139

00:06:07,850 --> 00:06:06,360

and I very very strongly recommend we

140

00:06:11,150 --> 00:06:07,860

intercept one

141

00:06:14,270 --> 00:06:11,160

and look at it with our eyeballs so we

142

00:06:15,890 --> 00:06:14,280

know because we don't and I happen to

143

00:06:17,689 --> 00:06:15,900

run into one of these things with our

144

00:06:19,610 --> 00:06:17,699

aircraft

145

00:06:21,830 --> 00:06:19,620

we're going to get in trouble brother I

146

00:06:23,830 --> 00:06:21,840

didn't say the word of course but that's

147

00:06:26,450 --> 00:06:23,840

what I was thinking yeah absolutely

148

00:06:29,270 --> 00:06:26,460

explained to me at the time and then

149

00:06:31,129 --> 00:06:29,280

leading up to that day November sorry go

150

00:06:32,809 --> 00:06:31,139

ahead no I was just going to quickly ask

151

00:06:34,909 --> 00:06:32,819

how long what sort of time period were

152

00:06:37,430 --> 00:06:34,919

you seeing these for before you you know

153

00:06:40,249 --> 00:06:37,440

the intercept happened on November 14th

154

00:06:41,629 --> 00:06:40,259

it was four days it had elapsed in in

155

00:06:43,550 --> 00:06:41,639

that's a very good question because

156

00:06:45,290 --> 00:06:43,560

during that four days we saw several

157

00:06:46,969 --> 00:06:45,300

groups of these things right they

158

00:06:49,189 --> 00:06:46,979

appeared in groups of five to ten at a

159

00:06:51,710 --> 00:06:49,199

time and if you added them all up it was

160

00:06:53,390 --> 00:06:51,720

about 100 objects and to follow on to

161

00:06:55,189 --> 00:06:53,400

your excellent question

162

00:06:57,590 --> 00:06:55,199

these things were detected off San

163

00:07:00,469 --> 00:06:57,600

Clement or excuse me Catalina Island

164

00:07:02,930 --> 00:07:00,479

they would Transit one by one

165

00:07:04,969 --> 00:07:02,940

and they would all disappear in exactly

166

00:07:06,770 --> 00:07:04,979

the same latitude and longitude and

167

00:07:10,370 --> 00:07:06,780

altitude in the sky

168

00:07:12,469 --> 00:07:10,380

directly directly about 60 miles north

169

00:07:13,969 --> 00:07:12,479

of Guadalupe island off the coast of

170

00:07:15,650 --> 00:07:13,979

Mexico

171

00:07:17,390 --> 00:07:15,660

so they were disappearing in the air

172

00:07:19,249 --> 00:07:17,400

they weren't you know going into the

173

00:07:21,770 --> 00:07:19,259

ocean or anything like that well I don't

174

00:07:23,870 --> 00:07:21,780

know because my my radar envelope didn't

175

00:07:25,969 --> 00:07:23,880

have the ability to because I would see

176

00:07:29,150 --> 00:07:25,979

above it right

177

00:07:31,249 --> 00:07:29,160

we you know I can't I'm only out and by

178

00:07:32,930 --> 00:07:31,259

the way I'm never gonna say or um

179

00:07:34,969 --> 00:07:32,940

discuss anything that's classified

180

00:07:36,770 --> 00:07:34,979

everything I'm about to tell you is can

181

00:07:39,469 --> 00:07:36,780

be found on Wikipedia and open sources

182

00:07:41,330 --> 00:07:39,479

sure no and let's just suffice it to say

183

00:07:43,070 --> 00:07:41,340

our Radars didn't have the ability to

184

00:07:44,930 --> 00:07:43,080

track them going into the water they

185

00:07:47,029 --> 00:07:44,940

just simply disappeared off radar at the

186

00:07:49,730 --> 00:07:47,039

same spot in the sky

187

00:07:51,770 --> 00:07:49,740

and we coordinating with sonar as well

188

00:07:53,930 --> 00:07:51,780

at the same time

189

00:07:56,990 --> 00:07:53,940

um during the Nimitz Tic Tac encounter

190

00:07:58,010 --> 00:07:57,000

it was not my own situation or awareness

191

00:08:00,230 --> 00:07:58,020

at the time

192

00:08:02,390 --> 00:08:00,240

but I learned later that yes there was

193

00:08:04,850 --> 00:08:02,400

detections on Sonar

194

00:08:06,890 --> 00:08:04,860

yeah I didn't personally observe that

195

00:08:08,330 --> 00:08:06,900

yes did it feel did it feel like in any

196

00:08:10,490 --> 00:08:08,340

way that these objects were actually

197

00:08:12,050 --> 00:08:10,500

tracking you guys or do you think it's

198

00:08:15,350 --> 00:08:12,060

more just a coincidence that they were

199

00:08:18,650 --> 00:08:15,360

so close to Catalina being such a UFO

200

00:08:21,550 --> 00:08:18,660

hotspot and it has been for some time

201  
00:08:24,350 --> 00:08:21,560  
that's a very very good question

202  
00:08:26,029 --> 00:08:24,360  
in fact I have to be honest and I didn't

203  
00:08:28,010 --> 00:08:26,039  
vocalize this at the time because even

204  
00:08:30,469 --> 00:08:28,020  
now it sounds crazy as hell

205  
00:08:31,490 --> 00:08:30,479  
but I just had this overwhelming feeling

206  
00:08:34,130 --> 00:08:31,500  
that

207  
00:08:36,649 --> 00:08:34,140  
these things were there for the whales

208  
00:08:38,510 --> 00:08:36,659  
all right yeah believe it or not because

209  
00:08:41,630 --> 00:08:38,520  
it was November

210  
00:08:43,850 --> 00:08:41,640  
and being a long time person out in

211  
00:08:45,769 --> 00:08:43,860  
those Waters I loved watching the whales

212  
00:08:47,329 --> 00:08:45,779  
they would always Mike the gray whales

213  
00:08:49,910 --> 00:08:47,339

they would migrate from

214

00:08:51,050 --> 00:08:49,920

that same spot in Catalina and guess

215

00:08:54,290 --> 00:08:51,060

where they go

216

00:08:56,449 --> 00:08:54,300

right off Guadalupe Island

217

00:08:58,490 --> 00:08:56,459

and so I kind of put two and two

218

00:09:01,250 --> 00:08:58,500

together and that's and not only that

219

00:09:03,650 --> 00:09:01,260

but the overwhelming um

220

00:09:06,470 --> 00:09:03,660

feeling that I had from these things and

221

00:09:08,150 --> 00:09:06,480

I have to say right now there was not a

222

00:09:10,009 --> 00:09:08,160

single moment when this was taking place

223

00:09:11,030 --> 00:09:10,019

when I ever felt these things were

224

00:09:13,310 --> 00:09:11,040

hostile

225

00:09:15,530 --> 00:09:13,320

right quite the opposite

226

00:09:17,630 --> 00:09:15,540

quite the opposite and this is important

227

00:09:19,490 --> 00:09:17,640

because I'm gonna I'm gonna reflect back

228

00:09:20,509 --> 00:09:19,500

on that word hostile after a little

229

00:09:23,030 --> 00:09:20,519

while

230

00:09:25,550 --> 00:09:23,040

and what I've learned since about about

231

00:09:28,430 --> 00:09:25,560

the possibility of of hostilities and

232

00:09:31,250 --> 00:09:28,440

why the government might be so concerned

233

00:09:34,970 --> 00:09:31,260

after all as it turns out but anyway

234

00:09:37,730 --> 00:09:34,980

during this encounter I

235

00:09:39,590 --> 00:09:37,740

never felt directly threatened in any

236

00:09:41,750 --> 00:09:39,600

way shape and form in fact I felt the

237

00:09:43,730 --> 00:09:41,760

benevolence I couldn't describe and I

238

00:09:45,949 --> 00:09:43,740

can't now

239

00:09:47,509 --> 00:09:45,959

that's really interesting

240

00:09:49,310 --> 00:09:47,519

right

241

00:09:51,290 --> 00:09:49,320

that's that's quite powerful that's

242

00:09:53,570 --> 00:09:51,300

something you know if that stands out

243

00:09:54,949 --> 00:09:53,580

that says a lot do you think you know

244

00:09:57,470 --> 00:09:54,959

you mentioned the whales there but could

245

00:09:59,269 --> 00:09:57,480

there be anything else around that area

246

00:10:01,130 --> 00:09:59,279

that may attract phenomenal objects

247

00:10:04,070 --> 00:10:01,140

anything to do with the makeup of the

248

00:10:06,410 --> 00:10:04,080

sea floor or anything like that another

249

00:10:07,730 --> 00:10:06,420

another excellent question

250

00:10:10,250 --> 00:10:07,740

and

251

00:10:13,009 --> 00:10:10,260

I have this um when this all happened

252

00:10:16,490 --> 00:10:13,019

and oh by the way some people as we now

253

00:10:18,110 --> 00:10:16,500

know are profoundly affected by these

254

00:10:19,490 --> 00:10:18,120

encounters and by the way they don't

255

00:10:20,810 --> 00:10:19,500

even have to be you don't actually have

256

00:10:22,970 --> 00:10:20,820

to touch one of these things it can

257

00:10:26,269 --> 00:10:22,980

happen from across the universe right

258

00:10:28,430 --> 00:10:26,279

but contact with this Tech Tac

259

00:10:31,070 --> 00:10:28,440

intelligence can affect people

260

00:10:32,509 --> 00:10:31,080

and for me I was profoundly affected by

261

00:10:34,009 --> 00:10:32,519

it and you know the story of me

262

00:10:35,389 --> 00:10:34,019

publishing the book in the Library of

263

00:10:37,970 --> 00:10:35,399

Congress and one thing led to another

264

00:10:40,009 --> 00:10:37,980

but I let it I ended up in the

265

00:10:42,230 --> 00:10:40,019

wilderness out here

266

00:10:45,050 --> 00:10:42,240

research in a family mining claim 100

267

00:10:47,870 --> 00:10:45,060

years old no knowing nothing about

268

00:10:49,850 --> 00:10:47,880

geology or mining but I was able to

269

00:10:52,430 --> 00:10:49,860

figure out that our mining claim was

270

00:10:55,490 --> 00:10:52,440

actually related to a piece of geology

271

00:10:58,370 --> 00:10:55,500

nor another Josephine ophiolite and it

272

00:11:01,490 --> 00:10:58,380

extends from Northern California to to

273

00:11:04,069 --> 00:11:01,500

Northern Washington and what it is it's

274

00:11:05,870 --> 00:11:04,079

it's a sea bottle from the Pacific

275

00:11:08,630 --> 00:11:05,880

spreading arcs and it's got mineral

276  
00:11:11,090 --> 00:11:08,640  
deposits laid down by hydrothermal vents

277  
00:11:13,009 --> 00:11:11,100  
wow okay in the ground below my feet

278  
00:11:14,090 --> 00:11:13,019  
right here probably eight to ten miles

279  
00:11:18,050 --> 00:11:14,100  
deep

280  
00:11:21,829 --> 00:11:18,060  
is is loaded with layered layers and

281  
00:11:24,710 --> 00:11:21,839  
layers and layers of sorted minerals

282  
00:11:27,170 --> 00:11:24,720  
because hydrothermal vents are Earth's

283  
00:11:28,490 --> 00:11:27,180  
original mineral sorters and that's how

284  
00:11:30,470 --> 00:11:28,500  
these things are found here I got some

285  
00:11:32,230 --> 00:11:30,480  
examples of the Rocks right here right

286  
00:11:36,710 --> 00:11:32,240  
behind me

287  
00:11:40,069 --> 00:11:36,720  
this is an ultramafic peridotitic Rock

288  
00:11:42,710 --> 00:11:40,079

this is a hundred is actually probably

289

00:11:46,370 --> 00:11:42,720

um billions of years old

290

00:11:47,990 --> 00:11:46,380

plus the 157 million years old it took

291

00:11:50,210 --> 00:11:48,000

to get here from

292

00:11:51,650 --> 00:11:50,220

the Pacific's brooding offices are very

293

00:11:55,310 --> 00:11:51,660

very old rock

294

00:11:58,069 --> 00:11:55,320

wow so when you ask about geology

295

00:12:00,610 --> 00:11:58,079

have long suspected that these objects

296

00:12:03,710 --> 00:12:00,620

are related to geology

297

00:12:07,310 --> 00:12:03,720

and and just today I read an article

298

00:12:10,130 --> 00:12:07,320

that just came out in msn.com

299

00:12:13,190 --> 00:12:10,140

they just made a discovery and not long

300

00:12:14,990 --> 00:12:13,200

ago that was just reported on they now

301  
00:12:16,310 --> 00:12:15,000  
know that and they've proved this in the

302  
00:12:18,590 --> 00:12:16,320  
laboratory

303  
00:12:22,130 --> 00:12:18,600  
a single photon

304  
00:12:24,949 --> 00:12:22,140  
can spawn life

305  
00:12:26,030 --> 00:12:24,959  
in other words in other words a single

306  
00:12:28,610 --> 00:12:26,040  
photon

307  
00:12:31,190 --> 00:12:28,620  
when it's it comes in contact with the

308  
00:12:35,449 --> 00:12:31,200  
lifeless I'm gonna I even gave it a term

309  
00:12:37,730 --> 00:12:35,459  
the lifeless Quantum womb of rocks

310  
00:12:41,449 --> 00:12:37,740  
when that Photon interacts with that

311  
00:12:44,990 --> 00:12:41,459  
Quantum it in this case it created

312  
00:12:46,730 --> 00:12:45,000  
a a purple uh bacteria and I forgot the

313  
00:12:50,090 --> 00:12:46,740

name of it because you know I'm not a

314

00:12:55,370 --> 00:12:52,490

and and this is why and this is why I

315

00:12:58,250 --> 00:12:55,380

think they're interested in geology

316

00:13:01,310 --> 00:12:58,260

okay because I think in in given the

317

00:13:04,090 --> 00:13:01,320

fact that our planet is so damn rare and

318

00:13:07,910 --> 00:13:04,100

given the fact that our planet does have

319

00:13:10,910 --> 00:13:07,920

biological life on it then in

320

00:13:13,190 --> 00:13:10,920

extrapolating from that that Discovery

321

00:13:14,990 --> 00:13:13,200

it just stands the reason that there

322

00:13:17,030 --> 00:13:15,000

exists a certain types of rock on our

323

00:13:20,449 --> 00:13:17,040

blue planet that when it comes in

324

00:13:23,389 --> 00:13:20,459

contact with photons guess what happens

325

00:13:28,129 --> 00:13:23,399

it creates life right

326

00:13:30,949 --> 00:13:28,139

and and just maybe just maybe that is

327

00:13:35,569 --> 00:13:30,959

the true Mission Behind these things

328

00:13:37,790 --> 00:13:35,579

they have long been here mining

329

00:13:40,490 --> 00:13:37,800

certain types of rocks that they happen

330

00:13:42,290 --> 00:13:40,500

to need given maybe even a different

331

00:13:44,329 --> 00:13:42,300

physics they find

332

00:13:45,829 --> 00:13:44,339

different geologies that they find

333

00:13:48,829 --> 00:13:45,839

unhostable

334

00:13:53,750 --> 00:13:48,839

bodies in the universe maybe they are

335

00:13:55,910 --> 00:13:53,760

mining the minerals that is needed to

336

00:13:57,829 --> 00:13:55,920

spread life in other places in this

337

00:13:59,990 --> 00:13:57,839

universe

338

00:14:03,350 --> 00:14:00,000

and and

339

00:14:06,410 --> 00:14:03,360

they are they are

340

00:14:08,569 --> 00:14:06,420

um motivated by an intent that you

341

00:14:11,150 --> 00:14:08,579

cannot believe and this is this is my

342

00:14:14,090 --> 00:14:11,160

concern now and I've just realized this

343

00:14:15,710 --> 00:14:14,100

maybe that is why our the governments

344

00:14:17,269 --> 00:14:15,720

around the world are so damn concerned

345

00:14:19,970 --> 00:14:17,279

because they know

346

00:14:21,710 --> 00:14:19,980

they know their intent is so strong that

347

00:14:24,889 --> 00:14:21,720

unfortunately

348

00:14:26,750 --> 00:14:24,899

some of these things will do anything to

349

00:14:30,050 --> 00:14:26,760

get at these minerals

350

00:14:32,629 --> 00:14:30,060

and but there's also another Force out

351

00:14:36,590 --> 00:14:32,639

there that's entirely benevolent

352

00:14:39,949 --> 00:14:36,600

just like as I witnessed in 2004.

353

00:14:44,090 --> 00:14:39,959

and there's a battle going on if you

354

00:14:46,250 --> 00:14:44,100

will sure and humanity is actually we

355

00:14:48,230 --> 00:14:46,260

actually have an ally in space I know

356

00:14:50,269 --> 00:14:48,240

this is hard to get your head around

357

00:14:52,250 --> 00:14:50,279

but I have to be honest and the reason

358

00:14:55,370 --> 00:14:52,260

why I can be honest any

359

00:14:56,990 --> 00:14:55,380

I don't have a career to protect sure I

360

00:15:00,110 --> 00:14:57,000

haven't accepted money

361

00:15:03,949 --> 00:15:00,120

I have no strings attached yeah I don't

362

00:15:05,509 --> 00:15:03,959

owe anybody anything absolutely so I can

363

00:15:07,670 --> 00:15:05,519

speaking the truth

364

00:15:09,050 --> 00:15:07,680

that's all we want to hear I can use my

365

00:15:12,829 --> 00:15:09,060

own brain to think

366

00:15:14,810 --> 00:15:12,839

without strings attached 100.00 and I

367

00:15:17,030 --> 00:15:14,820

think they're powerful absolutely

368

00:15:19,670 --> 00:15:17,040

they're viable they make a hell of a lot

369

00:15:22,910 --> 00:15:19,680

of sense don't you think 100 agree they

370

00:15:24,949 --> 00:15:22,920

are such viable thoughts and they do the

371

00:15:28,069 --> 00:15:24,959

way you lay it all out makes makes sense

372

00:15:31,189 --> 00:15:28,079

I find it fascinating so I appreciate it

373

00:15:32,750 --> 00:15:31,199

and this has been a journey man yeah I

374

00:15:35,030 --> 00:15:32,760

didn't know that all this or even

375

00:15:36,829 --> 00:15:35,040

suspected

376

00:15:39,050 --> 00:15:36,839

yeah but yeah you know you highly

377

00:15:42,110 --> 00:15:39,060

appreciated and I'm sure you know though

378

00:15:44,590 --> 00:15:42,120

yeah I hope you do I didn't ask for this

379

00:15:48,050 --> 00:15:44,600

no one in this encounter asked for this

380

00:15:52,430 --> 00:15:48,060

absolutely but because I for whatever

381

00:16:03,290 --> 00:15:54,230

I

382

00:16:05,810 --> 00:16:03,300

higher now you know the reason for my

383

00:16:08,269 --> 00:16:05,820

motivation because here's my theory just

384

00:16:10,610 --> 00:16:08,279

like Colonel Corso said once

385

00:16:13,189 --> 00:16:10,620

he said

386

00:16:14,629 --> 00:16:13,199

if there is a mouse and a paraphrase it

387

00:16:16,910 --> 00:16:14,639

because I can't remember the exact words

388

00:16:19,129 --> 00:16:16,920

if there is a mass encounter

389

00:16:21,230 --> 00:16:19,139

there is there are simply not enough

390

00:16:23,090 --> 00:16:21,240

psychotic drugs on this planet to keep

391

00:16:25,910 --> 00:16:23,100

up the sudden need

392

00:16:28,550 --> 00:16:25,920

and he's right because I personally

393

00:16:30,769 --> 00:16:28,560

found that contact with these things can

394

00:16:33,110 --> 00:16:30,779

and does change people let me tell you

395

00:16:35,870 --> 00:16:33,120

man when when I ended up quitting my job

396

00:16:37,790 --> 00:16:35,880

in the dod because I was so damn

397

00:16:40,430 --> 00:16:37,800

frustrated no one would listen to me

398

00:16:42,530 --> 00:16:40,440

yeah all they heard was UFO

399

00:16:45,290 --> 00:16:42,540

and laughed at me

400

00:16:46,910 --> 00:16:45,300

I said damn it no way I went home

401  
00:16:48,889 --> 00:16:46,920  
published a book in the Library of

402  
00:16:51,110 --> 00:16:48,899  
Congress fictionalize the whole damn

403  
00:16:54,110 --> 00:16:51,120  
thing just in case this thing was ever

404  
00:16:57,170 --> 00:16:54,120  
found out my book would be evidence that

405  
00:16:59,629 --> 00:16:57,180  
it really friggin happened

406  
00:17:01,730 --> 00:16:59,639  
believe it or not and it did happen it

407  
00:17:03,530 --> 00:17:01,740  
happened just that way

408  
00:17:05,090 --> 00:17:03,540  
absolutely can you just tell us a little

409  
00:17:06,350 --> 00:17:05,100  
bit more about that book because you

410  
00:17:08,090 --> 00:17:06,360  
know I've heard the story but just for

411  
00:17:11,689 --> 00:17:08,100  
anyone that may not have done

412  
00:17:14,449 --> 00:17:11,699  
yeah um I quit my job out of frustration

413  
00:17:17,329 --> 00:17:14,459

um after in my last straw was I was on

414

00:17:19,370 --> 00:17:17,339

an ex a training Expedition with my then

415

00:17:21,409 --> 00:17:19,380

current company in Boston I won't say

416

00:17:23,150 --> 00:17:21,419

their names and stuff okay

417

00:17:25,370 --> 00:17:23,160

because I don't have permission and

418

00:17:28,010 --> 00:17:25,380

maybe not the honorable thing to do if I

419

00:17:29,690 --> 00:17:28,020

ever have I apologize but anyway I I

420

00:17:33,770 --> 00:17:29,700

quit

421

00:17:35,270 --> 00:17:33,780

um it was um the summer of 09 I went

422

00:17:37,430 --> 00:17:35,280

back to Phoenix I was living there then

423

00:17:39,470 --> 00:17:37,440

and I said I know what I'm gonna do I'm

424

00:17:43,130 --> 00:17:39,480

gonna I'm gonna write a short story

425

00:17:45,470 --> 00:17:43,140

about what happened in the Tic Tac event

426

00:17:47,450 --> 00:17:45,480

and I'm going to name all the ships I'm

427

00:17:49,730 --> 00:17:47,460

gonna name all what what describe what

428

00:17:52,070 --> 00:17:49,740

happened and I'm gonna name the you know

429

00:17:54,890 --> 00:17:52,080

everything about it except for

430

00:17:58,070 --> 00:17:54,900

the actual date and the actual names of

431

00:18:00,169 --> 00:17:58,080

people involved sure yeah and for two

432

00:18:04,210 --> 00:18:00,179

reasons I didn't have permission from

433

00:18:07,730 --> 00:18:04,220

them and also I knew I might go to jail

434

00:18:10,370 --> 00:18:07,740

and it's that simple so what I did

435

00:18:12,470 --> 00:18:10,380

I not only did it help me do something

436

00:18:14,090 --> 00:18:12,480

positive with what I was feeling at the

437

00:18:16,730 --> 00:18:14,100

time

438

00:18:19,909 --> 00:18:16,740

but I knew that if

439

00:18:21,470 --> 00:18:19,919

my book that if this everything this

440

00:18:22,789 --> 00:18:21,480

thing ever did come to life my book

441

00:18:24,529 --> 00:18:22,799

would be evidence

442

00:18:25,750 --> 00:18:24,539

and you know what Denny that's exactly

443

00:18:28,190 --> 00:18:25,760

what happened

444

00:18:29,750 --> 00:18:28,200

after coming out of the will the

445

00:18:32,330 --> 00:18:29,760

Wilderness here in Cave Junction Oregon

446

00:18:34,010 --> 00:18:32,340

up in the calmiopsis wilderness and

447

00:18:35,990 --> 00:18:34,020

Publishing my research

448

00:18:37,850 --> 00:18:36,000

I rolled off the mountains because

449

00:18:40,730 --> 00:18:37,860

winter took me off the mountain I ended

450

00:18:42,350 --> 00:18:40,740

up at my first home here and I had three

451  
00:18:44,210 --> 00:18:42,360  
times so I was volunteering at the local

452  
00:18:45,950 --> 00:18:44,220  
golf course and I had just reopened the

453  
00:18:47,450 --> 00:18:45,960  
kitchen

454  
00:18:48,950 --> 00:18:47,460  
carrying out a plate of fish and chips

455  
00:18:50,450 --> 00:18:48,960  
if I remember correctly and we were

456  
00:18:52,490 --> 00:18:50,460  
watching the golf tournament of course

457  
00:18:53,930 --> 00:18:52,500  
and all of a sudden Here Comes breaking

458  
00:18:57,830 --> 00:18:53,940  
CNN News

459  
00:19:01,490 --> 00:18:57,840  
and oh my God guess what I saw

460  
00:19:03,169 --> 00:19:01,500  
I saw the same MPEG video of the Nimitz

461  
00:19:06,470 --> 00:19:03,179  
Tic Tac encounter that went with the

462  
00:19:08,990 --> 00:19:06,480  
object going off to the left real quick

463  
00:19:11,270 --> 00:19:09,000

that I had in my secret email account

464

00:19:13,610 --> 00:19:11,280

the morning after

465

00:19:16,190 --> 00:19:13,620

Commander framers intercept

466

00:19:18,470 --> 00:19:16,200

the that was the the video from their

467

00:19:21,289 --> 00:19:18,480

gun cameras

468

00:19:24,110 --> 00:19:21,299

can you imagine my my shock

469

00:19:25,549 --> 00:19:24,120

so many years later yeah I dropped the

470

00:19:27,529 --> 00:19:25,559

plate of food

471

00:19:29,810 --> 00:19:27,539

and y'all I'll be back later I'll

472

00:19:31,970 --> 00:19:29,820

explain and got home as safely as I

473

00:19:34,669 --> 00:19:31,980

could because you know what I knew in

474

00:19:37,190 --> 00:19:34,679

that moment my life was about to

475

00:19:38,510 --> 00:19:37,200

freaking change I bet yeah because I

476

00:19:40,130 --> 00:19:38,520

knew where evidence I knew where

477

00:19:41,330 --> 00:19:40,140

evidence was hidden that it really

478

00:19:45,470 --> 00:19:41,340

happened

479

00:19:48,289 --> 00:19:45,480

I I didn't in that story I didn't um try

480

00:19:50,270 --> 00:19:48,299

to say what it was I just said yes it

481

00:19:52,450 --> 00:19:50,280

happened and this is this is the

482

00:19:55,010 --> 00:19:52,460

description of it

483

00:19:59,390 --> 00:19:55,020

and and a lot of things I said in that

484

00:20:01,430 --> 00:19:59,400

book um have been proven true yeah

485

00:20:03,049 --> 00:20:01,440

it's amazing I mean you mentioned that

486

00:20:06,710 --> 00:20:03,059

that's incredible it really is

487

00:20:08,210 --> 00:20:06,720

incredible what a story you know it's I

488

00:20:11,270 --> 00:20:08,220

was gonna say you couldn't write it but

489

00:20:13,549 --> 00:20:11,280

you actually did so yeah it's incredible

490

00:20:14,930 --> 00:20:13,559

it really is I mean you mentioned you

491

00:20:17,450 --> 00:20:14,940

mentioned there that you saw this this

492

00:20:19,250 --> 00:20:17,460

gun camera video you know on the CNN and

493

00:20:22,730 --> 00:20:19,260

when you had seen it originally back in

494

00:20:24,890 --> 00:20:22,740

2004 do you recall it being a higher

495

00:20:26,630 --> 00:20:24,900

quality or longer in any way or was it

496

00:20:29,570 --> 00:20:26,640

literally exactly the same quality and

497

00:20:32,150 --> 00:20:29,580

time length it was a the one I received

498

00:20:34,850 --> 00:20:32,160

in 2004 my secret email inbox was

499

00:20:37,610 --> 00:20:34,860

exactly the same right the impact video

500

00:20:39,710 --> 00:20:37,620

that we see today no changes or in time

501  
00:20:41,510 --> 00:20:39,720  
length or quality that's interesting

502  
00:20:43,310 --> 00:20:41,520  
there have been rumors you see over the

503  
00:20:44,990 --> 00:20:43,320  
last few years that you know there was

504  
00:20:47,390 --> 00:20:45,000  
more footage or that it was a little bit

505  
00:20:50,870 --> 00:20:47,400  
higher definition well there there could

506  
00:20:53,090 --> 00:20:50,880  
in fact be because maybe what what was

507  
00:20:55,370 --> 00:20:53,100  
um delivered back in 2000 were just a

508  
00:20:57,529 --> 00:20:55,380  
snippet from something longer sure and I

509  
00:21:01,010 --> 00:20:57,539  
just don't know so it is it is possible

510  
00:21:02,630 --> 00:21:01,020  
because normally normally it is a valid

511  
00:21:05,029 --> 00:21:02,640  
question because normally a gun and

512  
00:21:07,130 --> 00:21:05,039  
camera is going to get turned on from

513  
00:21:08,990 --> 00:21:07,140

the moment an Eric who takes the

514

00:21:11,090 --> 00:21:09,000

intercept order right all the way

515

00:21:12,890 --> 00:21:11,100

through the intercept because I use that

516

00:21:15,230 --> 00:21:12,900

for a number of reasons one is um

517

00:21:17,570 --> 00:21:15,240

justification in the end for you know

518

00:21:19,549 --> 00:21:17,580

the reacting in the way they do it and

519

00:21:22,070 --> 00:21:19,559

also you know Lessons Learned you know

520

00:21:23,750 --> 00:21:22,080

how to improve um what they do next time

521

00:21:27,289 --> 00:21:23,760

I mean there's reasons why they do that

522

00:21:29,210 --> 00:21:27,299

yeah but that makes sense yeah yep

523

00:21:30,770 --> 00:21:29,220

Andrea as well during while you were in

524

00:21:32,930 --> 00:21:30,780

the radar room just going back to kind

525

00:21:35,390 --> 00:21:32,940

of the you know you seeing these objects

526  
00:21:37,669 --> 00:21:35,400  
after you after a few days was there any

527  
00:21:39,350 --> 00:21:37,679  
like attempts to make communication

528  
00:21:40,570 --> 00:21:39,360  
establish communication with these

529  
00:21:43,610 --> 00:21:40,580  
objects

530  
00:21:47,750 --> 00:21:43,620  
not to my knowledge right

531  
00:21:49,370 --> 00:21:47,760  
I I personally didn't do it now there in

532  
00:21:51,049 --> 00:21:49,380  
whether or not there were certain cells

533  
00:21:52,850 --> 00:21:51,059  
onboard the ships

534  
00:21:54,470 --> 00:21:52,860  
um with TS clearances and that kind of

535  
00:21:56,330 --> 00:21:54,480  
thing that

536  
00:21:58,250 --> 00:21:56,340  
I have to say it's possible but I I

537  
00:22:01,370 --> 00:21:58,260  
highly highly highly highly doubt it

538  
00:22:03,830 --> 00:22:01,380

right okay yep and at the same time

539

00:22:05,990 --> 00:22:03,840

would there have been any Crews on board

540

00:22:07,970 --> 00:22:06,000

trying to get eyes on you know with big

541

00:22:10,850 --> 00:22:07,980

eyes or anything like that you try and

542

00:22:12,169 --> 00:22:10,860

actually capture visual definitely in

543

00:22:14,570 --> 00:22:12,179

fact I myself

544

00:22:17,570 --> 00:22:14,580

um would go up on my off time

545

00:22:19,549 --> 00:22:17,580

um during this this time period of time

546

00:22:20,990 --> 00:22:19,559

and I would find the closest one on

547

00:22:23,270 --> 00:22:21,000

radar and I would run up to the bridge

548

00:22:23,990 --> 00:22:23,280

and get on the big eyes and and look at

549

00:22:25,970 --> 00:22:24,000

it

550

00:22:27,289 --> 00:22:25,980

but unfortunately for me every time I

551  
00:22:29,049 --> 00:22:27,299  
looked at it was just a boring white

552  
00:22:31,610 --> 00:22:29,059  
light going real slow in the sky but

553  
00:22:33,470 --> 00:22:31,620  
some of my um

554  
00:22:35,810 --> 00:22:33,480  
my Shipmates up on the bridge that stood

555  
00:22:37,669 --> 00:22:35,820  
watch it there all the time did in fact

556  
00:22:40,250 --> 00:22:37,679  
um state that they did in fact see these

557  
00:22:42,230 --> 00:22:40,260  
things do some amazing Maneuvers well I

558  
00:22:43,850 --> 00:22:42,240  
I personally didn't see them that's

559  
00:22:45,529 --> 00:22:43,860  
interesting still that you know people

560  
00:22:47,270 --> 00:22:45,539  
did see these Maneuvers because you

561  
00:22:50,210 --> 00:22:47,280  
mentioned there the speed because these

562  
00:22:52,490 --> 00:22:50,220  
objects were going unusually slow

563  
00:22:54,049 --> 00:22:52,500

so you just talk talk on that for a

564

00:22:56,149 --> 00:22:54,059  
minute

565

00:22:58,070 --> 00:22:56,159  
and that that's another thing that stood

566

00:23:00,649 --> 00:22:58,080  
out is um

567

00:23:03,049 --> 00:23:00,659  
out of all the um things in the sky that

568

00:23:06,289 --> 00:23:03,059  
I've absorbed on radar and have

569

00:23:08,149 --> 00:23:06,299  
intercepted I know from experience and

570

00:23:11,390 --> 00:23:08,159  
also just from

571

00:23:15,950 --> 00:23:11,400  
um my knowledge about it is things at 28

572

00:23:20,270 --> 00:23:18,110  
I think it's strange it's not physically

573

00:23:23,510 --> 00:23:20,280  
possible is it

574

00:23:25,610 --> 00:23:23,520  
Maybe I'm Wrong unless I'm in a glider

575

00:23:27,529 --> 00:23:25,620  
can't I mean the glider can't go that

576

00:23:29,270 --> 00:23:27,539

high in altitude can it I mean you know

577

00:23:31,789 --> 00:23:29,280

or a hot air balloon or maybe I don't

578

00:23:34,250 --> 00:23:31,799

know I'm not sure hot air balloon I

579

00:23:37,010 --> 00:23:34,260

don't know it's gonna go that slow

580

00:23:38,630 --> 00:23:37,020

but yeah it most certainly isn't gonna

581

00:23:40,970 --> 00:23:38,640

hot air balloon most certainly isn't

582

00:23:43,970 --> 00:23:40,980

going to react the way that the Tic Tap

583

00:23:45,890 --> 00:23:43,980

object did after when being intercepted

584

00:23:47,930 --> 00:23:45,900

yeah and these things you know these

585

00:23:49,909 --> 00:23:47,940

were 80 000 feet as well and that's

586

00:23:51,470 --> 00:23:49,919

that's not not going to be a regular

587

00:23:54,770 --> 00:23:51,480

balloon or glider

588

00:23:57,289 --> 00:23:54,780

but I want to follow up on that question

589

00:24:00,850 --> 00:23:57,299

you had about Communications

590

00:24:02,510 --> 00:24:00,860

I had long wondered how and why

591

00:24:04,730 --> 00:24:02,520

post-intercept

592

00:24:07,010 --> 00:24:04,740

um after Commander fraver

593

00:24:09,409 --> 00:24:07,020

had intercepted the Tic Tac object down

594

00:24:11,630 --> 00:24:09,419

at 80 feet and they they did they did

595

00:24:13,130 --> 00:24:11,640

error combat maneuvering dog fighting if

596

00:24:14,930 --> 00:24:13,140

you will this thing turned on you should

597

00:24:17,450 --> 00:24:14,940

have heard him on the radio oh my God oh

598

00:24:21,110 --> 00:24:17,460

my God I'm against and we're all like

599

00:24:24,110 --> 00:24:21,120

what uh yeah right after that happened

600

00:24:25,970 --> 00:24:24,120

bam and these are these are his words

601  
00:24:27,950 --> 00:24:25,980  
that thing that he had intercepted

602  
00:24:29,630 --> 00:24:27,960  
disappeared right in front of him right

603  
00:24:31,370 --> 00:24:29,640  
in front of the air crew those are his

604  
00:24:34,130 --> 00:24:31,380  
words yeah and guess what happened

605  
00:24:38,390 --> 00:24:34,140  
didn't he that thing

606  
00:24:41,090 --> 00:24:38,400  
went to his air cruises signed combat

607  
00:24:42,590 --> 00:24:41,100  
Air Patrol station because a combat air

608  
00:24:44,270 --> 00:24:42,600  
defense like let's say this is the

609  
00:24:46,130 --> 00:24:44,280  
aircraft carrier

610  
00:24:47,930 --> 00:24:46,140  
we're suspecting the threat from this

611  
00:24:49,370 --> 00:24:47,940  
direction we're going to set up points

612  
00:24:52,370 --> 00:24:49,380  
in the sky and be ready to defend

613  
00:24:53,510 --> 00:24:52,380

ourselves yeah and each each plane has a

614

00:24:56,029 --> 00:24:53,520

separate lat

615

00:24:59,390 --> 00:24:56,039

in long and maybe even a a separate

616

00:25:02,930 --> 00:24:59,400

altitude to sign the object that his air

617

00:25:04,549 --> 00:25:02,940

career intercepted went exactly to their

618

00:25:06,950 --> 00:25:04,559

cap station

619

00:25:09,289 --> 00:25:06,960

and that's quite a distance exactly on

620

00:25:11,090 --> 00:25:09,299

the latitude and exactly at the assigned

621

00:25:12,649 --> 00:25:11,100

altitude

622

00:25:15,409 --> 00:25:12,659

wow and I won't tell you what that

623

00:25:17,930 --> 00:25:15,419

altitude was because yeah no problem and

624

00:25:20,270 --> 00:25:17,940

we're talking 60 miles am I right

625

00:25:24,610 --> 00:25:20,280

yeah it was 60 miles and about it was

626

00:25:29,810 --> 00:25:27,890

the one that I saw

627

00:25:32,630 --> 00:25:29,820

um because what happened after the

628

00:25:33,590 --> 00:25:32,640

Nimitz Tic Tac encounter it was my job

629

00:25:36,289 --> 00:25:33,600

to

630

00:25:38,630 --> 00:25:36,299

um be the guy that drafted the initial

631

00:25:40,070 --> 00:25:38,640

messages and then I would and then the

632

00:25:41,510 --> 00:25:40,080

team would chop them up to the chain of

633

00:25:43,070 --> 00:25:41,520

command through the captain so I roll up

634

00:25:45,649 --> 00:25:43,080

to combat I was going to do an after

635

00:25:47,269 --> 00:25:45,659

action report and what had just happened

636

00:25:49,370 --> 00:25:47,279

and normally I'm gonna I'm gonna check

637

00:25:51,350 --> 00:25:49,380

out the data from the from Computer

638

00:25:53,330 --> 00:25:51,360

Central and put everything together so I

639

00:25:55,250 --> 00:25:53,340

can make a detailed report

640

00:25:57,950 --> 00:25:55,260

well guess what I was getting ready to

641

00:25:59,750 --> 00:25:57,960

do that and uh the lead petty officer

642

00:26:01,370 --> 00:25:59,760

from data central comes up and says uh

643

00:26:03,350 --> 00:26:01,380

see your teeth I got something to tell

644

00:26:05,690 --> 00:26:03,360

you you're not going to believe

645

00:26:08,450 --> 00:26:05,700

and I said what's going on

646

00:26:10,909 --> 00:26:08,460

he said during the night a helicopter

647

00:26:12,590 --> 00:26:10,919

arrived on the ship and they took all of

648

00:26:15,649 --> 00:26:12,600

our data

649

00:26:17,450 --> 00:26:15,659

and they even had us erase all the blank

650

00:26:20,450 --> 00:26:17,460

tapes

651  
00:26:21,649 --> 00:26:20,460  
the blank ones too down in Computer

652  
00:26:23,210 --> 00:26:21,659  
Central

653  
00:26:26,510 --> 00:26:23,220  
and therefore I couldn't write a message

654  
00:26:28,310 --> 00:26:26,520  
I I at that point knew that

655  
00:26:30,169 --> 00:26:28,320  
um I was barking up the wrong tree

656  
00:26:32,049 --> 00:26:30,179  
perhaps and I gave up the idea right

657  
00:26:35,570 --> 00:26:32,059  
that report

658  
00:26:37,730 --> 00:26:35,580  
so Amy included with with that I've

659  
00:26:40,149 --> 00:26:37,740  
included the radar data as well then oh

660  
00:26:43,130 --> 00:26:40,159  
yeah all of it yeah wow okay so that's

661  
00:26:46,190 --> 00:26:43,140  
somewhere and probably even the sonar

662  
00:26:48,529 --> 00:26:46,200  
data ah okay I'm guessing on that one

663  
00:26:51,169 --> 00:26:48,539

because I I it wasn't my situation

664

00:26:53,269 --> 00:26:51,179

awareness at the time sure sure and yes

665

00:26:56,269 --> 00:26:53,279

and yes and yes I have to believe that

666

00:26:58,370 --> 00:26:56,279

the data exist yes yeah you'd have

667

00:26:59,750 --> 00:26:58,380

thought so that you know well why else

668

00:27:02,690 --> 00:26:59,760

would they take the time and effort to

669

00:27:03,769 --> 00:27:02,700

get it yeah it doesn't make sense and

670

00:27:06,409 --> 00:27:03,779

here's the reason

671

00:27:08,870 --> 00:27:06,419

um well we've already discussed it um

672

00:27:10,370 --> 00:27:08,880

about the potential for these things

673

00:27:12,830 --> 00:27:10,380

being hostile

674

00:27:15,830 --> 00:27:12,840

in certain cases

675

00:27:17,750 --> 00:27:15,840

it just like it does that surprise you

676

00:27:19,789 --> 00:27:17,760

um does that sound familiar

677

00:27:22,250 --> 00:27:19,799

that some other thing would need

678

00:27:25,549 --> 00:27:22,260

resources does that doesn't that sound

679

00:27:28,430 --> 00:27:25,559

familiar yeah I mean Humanity right yeah

680

00:27:30,769 --> 00:27:28,440

exactly yeah haven't haven't we fought

681

00:27:34,370 --> 00:27:30,779

Wars here on our blue planet for the

682

00:27:36,769 --> 00:27:34,380

same damn reason too many question mark

683

00:27:38,450 --> 00:27:36,779

yeah so does it stand the reason that

684

00:27:41,269 --> 00:27:38,460

that might be happening in the universe

685

00:27:44,269 --> 00:27:41,279

too given the case

686

00:27:45,470 --> 00:27:44,279

that what we're talking about is even

687

00:27:48,049 --> 00:27:45,480

true

688

00:27:49,789 --> 00:27:48,059

yeah

689

00:27:52,430 --> 00:27:49,799

that's thinking about

690

00:27:54,169 --> 00:27:52,440

yeah and I also think a missing key to

691

00:27:55,310 --> 00:27:54,179

all this and by the way what I'm about

692

00:27:58,010 --> 00:27:55,320

to tell you

693

00:28:00,289 --> 00:27:58,020

I am in direct communication for some of

694

00:28:02,810 --> 00:28:00,299

the top Minds on our planet top you know

695

00:28:04,789 --> 00:28:02,820

top Quantum physicists and I had bounced

696

00:28:07,190 --> 00:28:04,799

a question off all of them

697

00:28:09,289 --> 00:28:07,200

and some of them kind of agree with

698

00:28:10,789 --> 00:28:09,299

where I'm going on this question and

699

00:28:12,649 --> 00:28:10,799

this question is this

700

00:28:14,810 --> 00:28:12,659

we all kind of

701  
00:28:17,930 --> 00:28:14,820  
agree with the notion of the Big Bang am

702  
00:28:20,810 --> 00:28:17,940  
I wrong of course but I have a question

703  
00:28:23,930 --> 00:28:20,820  
was the Big Bang intentional

704  
00:28:25,970 --> 00:28:23,940  
or unintentional

705  
00:28:28,430 --> 00:28:25,980  
okay that's that's a that's a quick

706  
00:28:30,470 --> 00:28:28,440  
question yeah right question mark and we

707  
00:28:34,370 --> 00:28:30,480  
don't know therefore

708  
00:28:36,769 --> 00:28:34,380  
I think we have to assign 50 50 odds yep

709  
00:28:39,830 --> 00:28:36,779  
stop me stop me now if I'm wrong no you

710  
00:28:43,430 --> 00:28:39,840  
know okay and therefore because

711  
00:28:47,690 --> 00:28:43,440  
a 50 chance apparently exists

712  
00:28:50,330 --> 00:28:47,700  
that the Big Bang was intentional

713  
00:28:53,450 --> 00:28:50,340

just what might an intended Universe

714

00:28:54,769 --> 00:28:53,460

look like question mark

715

00:28:58,549 --> 00:28:54,779

um

716

00:29:00,830 --> 00:28:58,559

and and this is even more important

717

00:29:02,029 --> 00:29:00,840

with the thing that caused the Big Bang

718

00:29:05,630 --> 00:29:02,039

intention

719

00:29:06,890 --> 00:29:05,640

choose to continue to survive after the

720

00:29:09,830 --> 00:29:06,900

big bang

721

00:29:11,330 --> 00:29:09,840

or would it choose to commit a cosmic

722

00:29:15,710 --> 00:29:11,340

suicide

723

00:29:20,269 --> 00:29:17,990

questions

724

00:29:23,330 --> 00:29:20,279

I think it chose to survive given the

725

00:29:25,370 --> 00:29:23,340

case given the 50 chance

726

00:29:27,350 --> 00:29:25,380

that I haven't driven to the ditch on

727

00:29:31,130 --> 00:29:27,360

this one

728

00:29:34,250 --> 00:29:31,140

I think it chose to survive and we we

729

00:29:36,769 --> 00:29:34,260

know about fundamental forces in nature

730

00:29:38,330 --> 00:29:36,779

right absolutely you can name them off

731

00:29:40,669 --> 00:29:38,340

as well as I did

732

00:29:46,330 --> 00:29:40,679

is that can or anyone can right it's

733

00:29:50,750 --> 00:29:48,590

maybe just perhaps maybe there's

734

00:29:52,850 --> 00:29:50,760

actually a fifth

735

00:29:55,730 --> 00:29:52,860

fundamental force in nature called

736

00:30:01,250 --> 00:29:58,130

question mark

737

00:30:04,430 --> 00:30:01,260

and because I think that's probably true

738

00:30:07,310 --> 00:30:04,440

I have taken the Liberty to name

739

00:30:10,789 --> 00:30:07,320

that physics intention and the force

740

00:30:13,370 --> 00:30:10,799

carriers of intention and tentatons

741

00:30:15,230 --> 00:30:13,380

just like gravitons and photons but

742

00:30:18,289 --> 00:30:15,240

intentatons

743

00:30:20,930 --> 00:30:18,299

and I have chosen to name the physical

744

00:30:23,330 --> 00:30:20,940

objects UAP if you will

745

00:30:25,730 --> 00:30:23,340

that are engineered from this school of

746

00:30:27,110 --> 00:30:25,740

physics in tentatonix

747

00:30:30,590 --> 00:30:27,120

okay

748

00:30:33,289 --> 00:30:30,600

UAP are intentatonic objects

749

00:30:38,389 --> 00:30:33,299

based on a type of physics we did not

750

00:30:41,450 --> 00:30:40,070

do you think these objects are actually

751  
00:30:42,970 --> 00:30:41,460  
piloted or do you think they are

752  
00:30:47,269 --> 00:30:42,980  
controlled by something

753  
00:30:54,889 --> 00:30:49,610  
I don't know

754  
00:30:56,029 --> 00:30:54,899  
yeah it might be a type of life that

755  
00:30:58,789 --> 00:30:56,039  
we're not

756  
00:31:01,669 --> 00:30:58,799  
even privy to yet

757  
00:31:04,730 --> 00:31:01,679  
I mean life exists in lots of different

758  
00:31:06,529 --> 00:31:04,740  
forms so

759  
00:31:08,269 --> 00:31:06,539  
did you notice any physiological or

760  
00:31:10,789 --> 00:31:08,279  
psychological effects experienced by

761  
00:31:12,830 --> 00:31:10,799  
other crew members during these these

762  
00:31:16,190 --> 00:31:12,840  
four days

763  
00:31:19,070 --> 00:31:16,200

uh not that I observed nope and I myself

764

00:31:20,870 --> 00:31:19,080

didn't have any nope that's yeah

765

00:31:23,870 --> 00:31:20,880

interesting in fact there was a there

766

00:31:26,690 --> 00:31:23,880

was a long long long time

767

00:31:28,730 --> 00:31:26,700

um and here's and here's my fear

768

00:31:30,230 --> 00:31:28,740

is when I ended up in the wilderness

769

00:31:32,389 --> 00:31:30,240

everyone around me thought I had gone

770

00:31:34,549 --> 00:31:32,399

crazy

771

00:31:37,310 --> 00:31:34,559

all of a sudden I was a top trainer that

772

00:31:39,649 --> 00:31:37,320

went from being a top trainer in the U.S

773

00:31:42,289 --> 00:31:39,659

Navy and then the defense department

774

00:31:44,450 --> 00:31:42,299

to do and what me doing what in the

775

00:31:46,669 --> 00:31:44,460

wilderness what the hell are you doing

776

00:31:49,850 --> 00:31:46,679

in the wilderness is he losing his

777

00:31:52,010 --> 00:31:49,860

brains his mind everyone my former

778

00:31:53,750 --> 00:31:52,020

colleagues my own family my friends

779

00:31:55,430 --> 00:31:53,760

everyone

780

00:31:56,510 --> 00:31:55,440

and that's my fear with this thing

781

00:31:59,750 --> 00:31:56,520

because

782

00:32:03,590 --> 00:31:59,760

I have a question just what if

783

00:32:07,029 --> 00:32:03,600

there was a global contact event

784

00:32:10,909 --> 00:32:07,039

and literally everybody on the planet

785

00:32:14,210 --> 00:32:10,919

started to change like I did

786

00:32:17,810 --> 00:32:14,220

and nobody on the planet knew why or how

787

00:32:18,950 --> 00:32:17,820

right question mark that might not end

788

00:32:22,130 --> 00:32:18,960

so well

789

00:32:24,049 --> 00:32:22,140

just like I don't think it ended well in

790

00:32:26,630 --> 00:32:24,059

Antiquity when this was attempted before

791

00:32:29,029 --> 00:32:26,640

on this blue planet

792

00:32:32,810 --> 00:32:29,039

I think this has been

793

00:32:34,730 --> 00:32:32,820

Humanity's been contacted before and for

794

00:32:37,190 --> 00:32:34,740

whatever reason it didn't go well in

795

00:32:39,649 --> 00:32:37,200

some cases and that explains a lot of

796

00:32:40,789 --> 00:32:39,659

the disasters that are recorded in

797

00:32:43,490 --> 00:32:40,799

history

798

00:32:46,549 --> 00:32:43,500

yeah absolutely possible of course

799

00:32:48,950 --> 00:32:46,559

because it was too much too soon and

800

00:32:50,870 --> 00:32:48,960

that is why I think these things largely

801  
00:32:54,049 --> 00:32:50,880  
leave us alone

802  
00:32:56,570 --> 00:32:54,059  
because they know contact changes us and

803  
00:32:58,130 --> 00:32:56,580  
they don't want it to end badly for us

804  
00:32:59,930 --> 00:32:58,140  
again

805  
00:33:02,330 --> 00:32:59,940  
yeah and we might not be ready

806  
00:33:04,730 --> 00:33:02,340  
right so but the question comes up Okay

807  
00:33:06,649 --> 00:33:04,740  
Kevin why now then

808  
00:33:07,610 --> 00:33:06,659  
well that's a damn good question I don't

809  
00:33:12,830 --> 00:33:07,620  
know

810  
00:33:14,450 --> 00:33:12,840  
because it certainly appears to be

811  
00:33:17,210 --> 00:33:14,460  
happening doesn't it

812  
00:33:19,850 --> 00:33:17,220  
we have um governments all over this

813  
00:33:23,570 --> 00:33:19,860

blue planet of ours now holding hearings

814

00:33:26,930 --> 00:33:23,580

about these damn things and I am in

815

00:33:28,310 --> 00:33:26,940

personal contact with people that have

816

00:33:29,450 --> 00:33:28,320

um then in front of the Senate

817

00:33:31,070 --> 00:33:29,460

committees

818

00:33:31,909 --> 00:33:31,080

I won't say their name but I don't have

819

00:33:34,789 --> 00:33:31,919

permission

820

00:33:38,149 --> 00:33:36,289

is that something that you what's

821

00:33:39,830 --> 00:33:38,159

happening would you do that would you

822

00:33:41,029 --> 00:33:39,840

appear in front of these committees I

823

00:33:42,950 --> 00:33:41,039

mean I'm surprised you've not been

824

00:33:44,870 --> 00:33:42,960

subpoenaed or called before

825

00:33:47,269 --> 00:33:44,880

well think of it though

826

00:33:48,830 --> 00:33:47,279

um there's there's two types of um

827

00:33:50,389 --> 00:33:48,840

individuals involved in this thing

828

00:33:52,130 --> 00:33:50,399

you've got whistleblowers and you've got

829

00:33:55,370 --> 00:33:52,140

witnesses

830

00:33:57,049 --> 00:33:55,380

I am only a witness sure if I was

831

00:33:58,909 --> 00:33:57,059

making the decisions in our government

832

00:34:00,649 --> 00:33:58,919

in the Congress I would do what's

833

00:34:03,769 --> 00:34:00,659

exactly being done I would call up the

834

00:34:07,430 --> 00:34:05,870

yeah and because they only have so much

835

00:34:10,010 --> 00:34:07,440

time and money and they have to make

836

00:34:12,230 --> 00:34:10,020

decisions and choose priorities and I

837

00:34:16,129 --> 00:34:12,240

100 percent support what they're doing

838

00:34:19,010 --> 00:34:16,139

yeah and I also have told my attorney if

839

00:34:20,690 --> 00:34:19,020

they need me I will go good uh

840

00:34:22,310 --> 00:34:20,700

I think it'd be valuable if you were

841

00:34:26,030 --> 00:34:22,320

cold absolutely

842

00:34:27,829 --> 00:34:26,040

well let me tell you this

843

00:34:31,550 --> 00:34:27,839

I will have some of those members in

844

00:34:37,810 --> 00:34:33,710

yeah

845

00:34:40,730 --> 00:34:37,820

because what I have to say is powerful

846

00:34:43,790 --> 00:34:40,740

and I think it's right

847

00:34:45,889 --> 00:34:43,800

I thought long and hard about this and

848

00:34:48,050 --> 00:34:45,899

and people ask me all the time how how

849

00:34:49,369 --> 00:34:48,060

come you well from time to time I'm

850

00:34:51,530 --> 00:34:49,379

asked how come you haven't tried to

851  
00:34:53,450 --> 00:34:51,540  
monetize this thing Kevin

852  
00:34:54,710 --> 00:34:53,460  
and I never will I never have and I

853  
00:34:56,869 --> 00:34:54,720  
never will

854  
00:34:59,990 --> 00:34:56,879  
and there's reasons for that

855  
00:35:02,510 --> 00:35:00,000  
there's reasons for that number one I

856  
00:35:06,109 --> 00:35:02,520  
can speak freely yeah

857  
00:35:07,970 --> 00:35:06,119  
I don't have a career to defend

858  
00:35:10,370 --> 00:35:07,980  
unlike some of the members of Congress

859  
00:35:12,530 --> 00:35:10,380  
you've seen some of their comments about

860  
00:35:13,810 --> 00:35:12,540  
the recent officer Rush that came out

861  
00:35:15,950 --> 00:35:13,820  
yeah

862  
00:35:17,150 --> 00:35:15,960  
they're couching a lot of their comments

863  
00:35:19,730 --> 00:35:17,160

and they have to because there's

864

00:35:22,150 --> 00:35:19,740

elections coming up absolutely you know

865

00:35:24,829 --> 00:35:22,160

what I mean it makes sense you know

866

00:35:26,690 --> 00:35:24,839

they're protecting their own voters if

867

00:35:30,050 --> 00:35:26,700

you will right yeah but I don't have

868

00:35:32,089 --> 00:35:30,060

that and also at some point in this I

869

00:35:33,770 --> 00:35:32,099

want to be able to walk away

870

00:35:35,510 --> 00:35:33,780

and leave this whole thing in better

871

00:35:38,210 --> 00:35:35,520

capable hands

872

00:35:40,550 --> 00:35:38,220

without any strings attached of course

873

00:35:43,550 --> 00:35:40,560

yeah Financial or otherwise

874

00:35:44,690 --> 00:35:43,560

and and plus in addition to those

875

00:35:46,849 --> 00:35:44,700

reasons

876

00:35:50,870 --> 00:35:46,859

for me it's not honorable

877

00:35:52,550 --> 00:35:50,880

okay Integrity yes yeah

878

00:35:54,829 --> 00:35:52,560

totally understand I believe in three

879

00:35:59,270 --> 00:35:54,839

things Vinnie

880

00:36:04,849 --> 00:36:02,210

three very good things to believe in

881

00:36:06,950 --> 00:36:04,859

call me naive and what a Boy Scout if

882

00:36:10,069 --> 00:36:06,960

you want

883

00:36:12,650 --> 00:36:10,079

but that's what I believe

884

00:36:14,150 --> 00:36:12,660

I respect that I I respect that an awful

885

00:36:16,069 --> 00:36:14,160

lot and you mentioned there the

886

00:36:18,410 --> 00:36:16,079

whistleblowers and David grush and I'd

887

00:36:20,150 --> 00:36:18,420

love we are I do plan on getting into

888

00:36:22,370 --> 00:36:20,160

that just had a couple more questions

889

00:36:24,230 --> 00:36:22,380

with regards to the actual you know the

890

00:36:26,030 --> 00:36:24,240

incident and more about kind of the

891

00:36:27,950 --> 00:36:26,040

higher ups and the authorities you know

892

00:36:29,030 --> 00:36:27,960

where you debriefed or anything or was

893

00:36:31,670 --> 00:36:29,040

it kind of just

894

00:36:35,329 --> 00:36:31,680

pushed aside and forgotten about

895

00:36:36,530 --> 00:36:35,339

during the Tic Tac encounter yeah

896

00:36:37,730 --> 00:36:36,540

um

897

00:36:41,569 --> 00:36:37,740

no

898

00:36:44,450 --> 00:36:41,579

um in fact let me tell you a little

899

00:36:46,370 --> 00:36:44,460

story of how the Tic Tac term came into

900

00:36:47,329 --> 00:36:46,380

being was

901  
00:36:49,670 --> 00:36:47,339  
um

902  
00:36:52,370 --> 00:36:49,680  
after all of our exercise training

903  
00:36:53,990 --> 00:36:52,380  
exercises in actual real world

904  
00:36:56,930 --> 00:36:54,000  
um deployments we would get together as

905  
00:36:58,609 --> 00:36:56,940  
a strat group and the different Warfare

906  
00:37:00,310 --> 00:36:58,619  
areas we do their own things but in our

907  
00:37:03,410 --> 00:37:00,320  
case with every defense we get together

908  
00:37:05,810 --> 00:37:03,420  
and I I approached Commander framer and

909  
00:37:06,950 --> 00:37:05,820  
I asked Hey sir uh what did that object

910  
00:37:09,050 --> 00:37:06,960  
look like

911  
00:37:11,810 --> 00:37:09,060  
and you said Senior Chief believe it or

912  
00:37:13,250 --> 00:37:11,820  
not they look like a giant white Tic Tac

913  
00:37:16,490 --> 00:37:13,260

candy

914

00:37:19,190 --> 00:37:16,500

with no doors no windows no nothing

915

00:37:21,170 --> 00:37:19,200

and that's where that word Tic Tac first

916

00:37:23,089 --> 00:37:21,180

I first heard the word Tic Tac and

917

00:37:25,609 --> 00:37:23,099

that's why I wrote it in my book called

918

00:37:28,069 --> 00:37:25,619

my short story called the cedar I named

919

00:37:29,630 --> 00:37:28,079

my short story The Seer right and by the

920

00:37:34,210 --> 00:37:29,640

way I published a bunch of other short

921

00:37:38,870 --> 00:37:37,370

yeah so the Intel guys wouldn't catch on

922

00:37:42,130 --> 00:37:38,880

to what I was trying to do which

923

00:37:46,490 --> 00:37:44,690

I can give you my library control number

924

00:37:48,650 --> 00:37:46,500

and everything you know it's in it's in

925

00:37:52,069 --> 00:37:48,660

the Library of Congress so

926  
00:37:54,050 --> 00:37:52,079  
yeah and I had I got a Anonymous phone

927  
00:37:55,790 --> 00:37:54,060  
call it was very strange you said Kevin

928  
00:37:57,829 --> 00:37:55,800  
I can't tell you who I am but I have to

929  
00:38:00,410 --> 00:37:57,839  
tell you two things he said I was like

930  
00:38:03,530 --> 00:38:00,420  
what's that he said your decision to

931  
00:38:05,630 --> 00:38:03,540  
publish your book in the and I named the

932  
00:38:07,670 --> 00:38:05,640  
book sailor's anthology

933  
00:38:09,170 --> 00:38:07,680  
he said your decision to publish the

934  
00:38:12,530 --> 00:38:09,180  
book in the Library of Congress was

935  
00:38:15,710 --> 00:38:12,540  
smart but your decision to act to

936  
00:38:18,069 --> 00:38:15,720  
fictionalize it to that I have to tell

937  
00:38:21,109 --> 00:38:18,079  
you was brilliant

938  
00:38:22,569 --> 00:38:21,119

excellent that's what he told me that's

939

00:38:26,390 --> 00:38:22,579

really cool

940

00:38:28,370 --> 00:38:26,400

I couldn't be prosecuted yeah I mean how

941

00:38:31,060 --> 00:38:28,380

can you get prosecuted for writing the

942

00:38:33,829 --> 00:38:31,070

fictional story of course you can't

943

00:38:37,430 --> 00:38:33,839

[Laughter]

944

00:38:40,609 --> 00:38:37,440

that's brilliant oh I love that yeah I

945

00:38:45,349 --> 00:38:42,829

how I was able to figure that out no

946

00:38:47,870 --> 00:38:45,359

nine now you tell me I don't know I just

947

00:38:49,609 --> 00:38:47,880

felt right at the time sure it just yep

948

00:38:52,790 --> 00:38:49,619

followed your instincts I suppose I did

949

00:38:54,290 --> 00:38:52,800

indeed I did in fact do that yes yeah I

950

00:38:56,150 --> 00:38:54,300

mean and with everything we're talking

951  
00:38:58,069 --> 00:38:56,160  
about here is during the workups leading

952  
00:39:00,109 --> 00:38:58,079  
to deployment am I right

953  
00:39:01,849 --> 00:39:00,119  
correct so I mean after this happened

954  
00:39:05,150 --> 00:39:01,859  
what was the cruise morale like going

955  
00:39:09,050 --> 00:39:05,160  
into real world situations

956  
00:39:11,810 --> 00:39:09,060  
well um as it turns out this was my very

957  
00:39:15,109 --> 00:39:11,820  
last time underway on a ship ever in

958  
00:39:17,210 --> 00:39:15,119  
uniform yep when the ship when the USS

959  
00:39:19,910 --> 00:39:17,220  
Princeton pulled back in the port

960  
00:39:21,950 --> 00:39:19,920  
I transferred off the ship just a few

961  
00:39:23,450 --> 00:39:21,960  
days later and ended up at my last

962  
00:39:27,230 --> 00:39:23,460  
command

963  
00:39:30,349 --> 00:39:27,240

Pacific over

964

00:39:31,790 --> 00:39:30,359

over on the island and from I stayed

965

00:39:33,710 --> 00:39:31,800

there a couple years and I retired that

966

00:39:36,589 --> 00:39:33,720

that just happened to be my last time

967

00:39:39,349 --> 00:39:36,599

ever on a ship in uniform

968

00:39:43,609 --> 00:39:39,359

I went on other ships after I retired as

969

00:39:44,569 --> 00:39:43,619

a civilian at work yeah but

970

00:39:46,550 --> 00:39:44,579

um

971

00:39:49,010 --> 00:39:46,560

so I'll answer your question is I don't

972

00:39:51,290 --> 00:39:49,020

know how it affected morale and I also

973

00:39:52,490 --> 00:39:51,300

don't know if others were affected in

974

00:39:56,690 --> 00:39:52,500

the way I was

975

00:39:59,810 --> 00:39:56,700

right I've long wondered that in

976

00:40:01,790 --> 00:39:59,820

um and I will never ever ever say

977

00:40:05,329 --> 00:40:01,800

anyone's name that was involved I don't

978

00:40:07,790 --> 00:40:05,339

have permission it's it's their own call

979

00:40:10,270 --> 00:40:07,800

yeah because that's a very very personal

980

00:40:12,710 --> 00:40:10,280

decision I mean these they've got

981

00:40:14,329 --> 00:40:12,720

families on the line they've got careers

982

00:40:15,530 --> 00:40:14,339

on the line they've got everything on

983

00:40:17,930 --> 00:40:15,540

the line

984

00:40:20,030 --> 00:40:17,940

so if they ever do come out then I will

985

00:40:21,890 --> 00:40:20,040

give them hugs but if they never do then

986

00:40:24,589 --> 00:40:21,900

I will give them hugs too yeah

987

00:40:26,690 --> 00:40:24,599

understood I get it I understand I am

988

00:40:28,970 --> 00:40:26,700

just I just happen to be in a unique

989

00:40:31,790 --> 00:40:28,980

position where I don't have a lot of

990

00:40:34,550 --> 00:40:31,800

concerns others do and it gives me the

991

00:40:36,890 --> 00:40:34,560

freedom and power to speak my mind

992

00:40:38,650 --> 00:40:36,900

and if I ever do say something that's

993

00:40:41,210 --> 00:40:38,660

out of school I want to get slapped down

994

00:40:43,370 --> 00:40:41,220

please bring it on

995

00:40:45,410 --> 00:40:43,380

and I will correct my behavior I will

996

00:40:49,069 --> 00:40:45,420

correct my thoughts and I will learn

997

00:40:50,630 --> 00:40:49,079

from it I hope yeah and I have to tell

998

00:40:52,130 --> 00:40:50,640

you one thing that's I've learned from

999

00:40:53,569 --> 00:40:52,140

this too

1000

00:40:57,530 --> 00:40:53,579

is

1001  
00:41:01,849 --> 00:40:57,540  
whole journey

1002  
00:41:03,770 --> 00:41:01,859  
and even recently is I always try to

1003  
00:41:05,630 --> 00:41:03,780  
when something that's stressful happens

1004  
00:41:06,890 --> 00:41:05,640  
or a situation happens I wasn't

1005  
00:41:09,589 --> 00:41:06,900  
expecting

1006  
00:41:12,050 --> 00:41:09,599  
I always try to

1007  
00:41:13,910 --> 00:41:12,060  
behave in that moment

1008  
00:41:18,710 --> 00:41:13,920  
as if I was

1009  
00:41:23,870 --> 00:41:21,290  
in the way I should have looking back on

1010  
00:41:26,750 --> 00:41:23,880  
it from the future

1011  
00:41:30,950 --> 00:41:26,760  
does that make sense I I reflect quickly

1012  
00:41:32,750 --> 00:41:30,960  
okay how would if I react A or B how am

1013  
00:41:34,490 --> 00:41:32,760

I going to look at that for from the

1014

00:41:37,130 --> 00:41:34,500

standpoint of the future which way would

1015

00:41:39,349 --> 00:41:37,140

I have chosen with the knowledge of what

1016

00:41:40,790 --> 00:41:39,359

turned out to be based on my decision

1017

00:41:43,370 --> 00:41:40,800

right

1018

00:41:47,990 --> 00:41:43,380

yeah so I always try to reflect on that

1019

00:41:54,470 --> 00:41:52,069

it really has too in a real way yeah the

1020

00:41:56,510 --> 00:41:54,480

simple thing you can do yep I mean don't

1021

00:41:57,829 --> 00:41:56,520

get angry yeah don't get angry having a

1022

00:42:00,470 --> 00:41:57,839

little voice hey don't

1023

00:42:02,210 --> 00:42:00,480

don't get angry you know it tells me

1024

00:42:03,770 --> 00:42:02,220

loud and clear that's good that you've

1025

00:42:06,109 --> 00:42:03,780

got this you're gonna hate yourself

1026  
00:42:07,910 --> 00:42:06,119  
later if you do yeah yeah exactly you've

1027  
00:42:09,589 --> 00:42:07,920  
got this awareness before you act hurt

1028  
00:42:11,870 --> 00:42:09,599  
like yeah I think that's really yeah

1029  
00:42:13,310 --> 00:42:11,880  
it's important yeah cognitive

1030  
00:42:16,790 --> 00:42:13,320  
suppressants

1031  
00:42:19,430 --> 00:42:16,800  
the results of my behavior might have

1032  
00:42:20,930 --> 00:42:19,440  
you know yeah absolutely I just want to

1033  
00:42:22,790 --> 00:42:20,940  
take a second to everybody in the live

1034  
00:42:23,930 --> 00:42:22,800  
chat just to everyone in the live chat

1035  
00:42:25,970 --> 00:42:23,940  
like um

1036  
00:42:28,010 --> 00:42:25,980  
if if I've missed any questions I

1037  
00:42:29,990 --> 00:42:28,020  
apologize I just have to you know make

1038  
00:42:32,150 --> 00:42:30,000

sure that I respect my guest and and you

1039

00:42:33,670 --> 00:42:32,160

know listen to everything they say but

1040

00:42:36,890 --> 00:42:33,680

um

1041

00:42:38,930 --> 00:42:36,900

I I appreciate your ramblings Kevin I

1042

00:42:41,089 --> 00:42:38,940

really do it's really really deep and

1043

00:42:42,470 --> 00:42:41,099

Powerful so but I just wanted to extend

1044

00:42:44,089 --> 00:42:42,480

to everyone in the live chat if you do

1045

00:42:46,250 --> 00:42:44,099

have any questions pop them in capital

1046

00:42:49,069 --> 00:42:46,260

letters because then I do see them a

1047

00:42:50,870 --> 00:42:49,079

little bit better in my small chat I've

1048

00:42:52,910 --> 00:42:50,880

got next to me I do want to take a quick

1049

00:42:55,010 --> 00:42:52,920

second to thank Oliver Jenkin for the

1050

00:42:57,230 --> 00:42:55,020

five pound donation and he says bless

1051  
00:42:58,670 --> 00:42:57,240  
you for your bravery I know how hard you

1052  
00:42:59,750 --> 00:42:58,680  
have striven for the truth of your

1053  
00:43:01,609 --> 00:42:59,760  
experience

1054  
00:43:03,829 --> 00:43:01,619  
uh and then he goes on to say what was

1055  
00:43:06,290 --> 00:43:03,839  
it like for you when David Rush went

1056  
00:43:10,250 --> 00:43:06,300  
public so so let's get into that

1057  
00:43:12,290 --> 00:43:10,260  
I I stood up and applauded

1058  
00:43:14,510 --> 00:43:12,300  
because I looked in that Man's eyes and

1059  
00:43:16,430 --> 00:43:14,520  
looked in that man's face and heard

1060  
00:43:18,349 --> 00:43:16,440  
echoes of my own voice

1061  
00:43:20,270 --> 00:43:18,359  
right

1062  
00:43:23,329 --> 00:43:20,280  
and let me ask you a question about him

1063  
00:43:30,710 --> 00:43:26,210

he has everything to lose

1064

00:43:35,329 --> 00:43:32,150

it's a fair point

1065

00:43:38,809 --> 00:43:35,339

yeah and so why would he be lying

1066

00:43:41,870 --> 00:43:38,819

especially given his credentials yeah my

1067

00:43:44,510 --> 00:43:41,880

God come on yeah that guy has had

1068

00:43:48,170 --> 00:43:44,520

multiple he has had multiple polygraph

1069

00:43:49,490 --> 00:43:48,180

tests over his career he is a legitimate

1070

00:43:51,589 --> 00:43:49,500

person

1071

00:43:53,329 --> 00:43:51,599

and not only that the the folks that

1072

00:43:56,510 --> 00:43:53,339

have befriended him and supported him

1073

00:43:58,550 --> 00:43:56,520

they've got their own protection uh

1074

00:43:59,930 --> 00:43:58,560

reputations to protect they know he's

1075

00:44:01,970 --> 00:43:59,940

legit

1076  
00:44:03,410 --> 00:44:01,980  
yeah or else they wouldn't be supporting

1077  
00:44:04,609 --> 00:44:03,420  
him he would not have been in front of

1078  
00:44:09,670 --> 00:44:04,619  
Congress

1079  
00:44:13,030 --> 00:44:09,680  
the Senate of in fact I agree question

1080  
00:44:16,370 --> 00:44:13,040  
yeah they're not that stupid no yeah

1081  
00:44:18,890 --> 00:44:16,380  
senators are not stupid people trust me

1082  
00:44:20,690 --> 00:44:18,900  
it doesn't make sense to me I know he

1083  
00:44:23,089 --> 00:44:20,700  
hasn't provided the evidence to the

1084  
00:44:25,069 --> 00:44:23,099  
public he can't it's it's classified but

1085  
00:44:27,050 --> 00:44:25,079  
you're right in asking the question why

1086  
00:44:28,309 --> 00:44:27,060  
would he go to this trouble to swear

1087  
00:44:31,430 --> 00:44:28,319  
under oath

1088  
00:44:33,410 --> 00:44:31,440

uh you know with you know causing

1089

00:44:35,630 --> 00:44:33,420

himself to be you know commit perjury

1090

00:44:37,370 --> 00:44:35,640

and the repercussions of that it doesn't

1091

00:44:40,370 --> 00:44:37,380

make sense and I actually spoke to

1092

00:44:42,710 --> 00:44:40,380

somebody yesterday that whose friend was

1093

00:44:44,870 --> 00:44:42,720

in Intel training with grush and and he

1094

00:44:47,170 --> 00:44:44,880

supports him you know as his character

1095

00:44:50,270 --> 00:44:47,180

and that so yeah it really is

1096

00:44:51,710 --> 00:44:50,280

fascinating so yeah I just don't know

1097

00:44:54,589 --> 00:44:51,720

what to make of it

1098

00:44:57,770 --> 00:44:54,599

um I think it's a really a bold step

1099

00:45:01,430 --> 00:44:57,780

forward and I think it's I hope it it

1100

00:45:05,870 --> 00:45:04,430

yeah I think it's going to actually I

1101

00:45:07,609 --> 00:45:05,880

think it's um

1102

00:45:09,230 --> 00:45:07,619

as a matter of fact what I think is

1103

00:45:10,130 --> 00:45:09,240

going to happen with this whole stigma

1104

00:45:13,069 --> 00:45:10,140

thing

1105

00:45:15,530 --> 00:45:13,079

is we're all familiar with stigma

1106

00:45:18,290 --> 00:45:15,540

but at some point in the not too distant

1107

00:45:21,170 --> 00:45:18,300

future that think stigma is going to get

1108

00:45:23,510 --> 00:45:21,180

toned turned completely on its head

1109

00:45:26,349 --> 00:45:23,520

at some point the next generation is

1110

00:45:28,430 --> 00:45:26,359

going to be asking us

1111

00:45:30,550 --> 00:45:28,440

what do you mean you didn't think there

1112

00:45:32,750 --> 00:45:30,560

was life out there

1113

00:45:34,490 --> 00:45:32,760

are you nuts

1114

00:45:36,589 --> 00:45:34,500

it won't make any they won't even

1115

00:45:38,750 --> 00:45:36,599

understand it yeah

1116

00:45:40,309 --> 00:45:38,760

they won't understand it how it could

1117

00:45:41,809 --> 00:45:40,319

have even been the case in the first arm

1118

00:45:43,329 --> 00:45:41,819

please

1119

00:45:46,010 --> 00:45:43,339

that's what I think is going to happen

1120

00:45:49,010 --> 00:45:46,020

stigma is going to bite the dust

1121

00:45:50,750 --> 00:45:49,020

yeah I agree I completely agree I think

1122

00:45:52,370 --> 00:45:50,760

that's what we're all striving for at

1123

00:45:54,170 --> 00:45:52,380

the moment isn't it and it's happening I

1124

00:45:56,030 --> 00:45:54,180

see it I see it

1125

00:45:57,470 --> 00:45:56,040

starting to disappear I still come

1126

00:45:59,089 --> 00:45:57,480

across it here and there but I think

1127

00:46:00,410 --> 00:45:59,099

we've made some serious steps in the

1128

00:46:01,609 --> 00:46:00,420

last few years

1129

00:46:04,250 --> 00:46:01,619

me too

1130

00:46:05,710 --> 00:46:04,260

yep Amen to that and I'm not even

1131

00:46:07,849 --> 00:46:05,720

religious

1132

00:46:09,770 --> 00:46:07,859

well let's jump in I've got a couple of

1133

00:46:12,109 --> 00:46:09,780

questions coming in here Kevin so let's

1134

00:46:14,030 --> 00:46:12,119

jump to my class with says Kevin has

1135

00:46:16,309 --> 00:46:14,040

your cognitive abilities been increasing

1136

00:46:21,230 --> 00:46:16,319

and do you meditate

1137

00:46:24,710 --> 00:46:21,240

absolutely yep I um for whatever reason

1138

00:46:27,170 --> 00:46:24,720

and we play games with this what

1139

00:46:29,329 --> 00:46:27,180

um when I ended up in the wilderness my

1140

00:46:31,670 --> 00:46:29,339

it was my cousin Jack that first noticed

1141

00:46:33,050 --> 00:46:31,680

this he would say something random like

1142

00:46:34,790 --> 00:46:33,060

marbles

1143

00:46:37,370 --> 00:46:34,800

we're way out in the Wilderness at a

1144

00:46:39,230 --> 00:46:37,380

mining camp and all all of a sudden

1145

00:46:41,930 --> 00:46:39,240

somehow or some way a marble would make

1146

00:46:44,990 --> 00:46:41,940

an appearance in her life so he

1147

00:46:47,690 --> 00:46:45,000

he would he would think of weird stuff

1148

00:46:49,430 --> 00:46:47,700

in I would think about it for a while

1149

00:46:50,210 --> 00:46:49,440

and I know this is hard to get your head

1150

00:46:52,970 --> 00:46:50,220

around

1151  
00:46:54,710 --> 00:46:52,980  
and I could be crazy I admit that but it

1152  
00:46:58,510 --> 00:46:54,720  
was happening

1153  
00:47:01,910 --> 00:46:58,520  
so to answer the question it's yes yep

1154  
00:47:05,510 --> 00:47:01,920  
it comes in a form of being able to

1155  
00:47:07,670 --> 00:47:05,520  
manifest stuff right

1156  
00:47:10,370 --> 00:47:07,680  
and I think there's a reason I think

1157  
00:47:11,329 --> 00:47:10,380  
there's a it's not magic and it's not

1158  
00:47:13,670 --> 00:47:11,339  
woo

1159  
00:47:16,430 --> 00:47:13,680  
I think there's a physics reason behind

1160  
00:47:19,069 --> 00:47:16,440  
it just like there's gravity just like

1161  
00:47:20,170 --> 00:47:19,079  
there's photons and in light just like

1162  
00:47:26,630 --> 00:47:20,180  
there's

1163  
00:47:29,930 --> 00:47:26,640

an actual physics behind what I have

1164

00:47:31,609 --> 00:47:29,940

experienced yeah a real no [h\_\_h] physics

1165

00:47:33,950 --> 00:47:31,619

almost like a physics behind

1166

00:47:37,130 --> 00:47:33,960

Consciousness something that's unknown

1167

00:47:39,530 --> 00:47:37,140

to us at this time there definitely is a

1168

00:47:41,569 --> 00:47:39,540

physics behind Consciousness yep that's

1169

00:47:42,829 --> 00:47:41,579

interesting that's what I think it's

1170

00:47:45,770 --> 00:47:42,839

great answers the question yeah

1171

00:47:49,550 --> 00:47:45,780

absolutely I have become more

1172

00:47:51,470 --> 00:47:49,560

wonderful thank you yep uh the next

1173

00:47:53,569 --> 00:47:51,480

question comes from skate VFX he says

1174

00:47:55,010 --> 00:47:53,579

Kevin seems happy how's life treating

1175

00:47:56,690 --> 00:47:55,020

him generally

1176

00:48:00,050 --> 00:47:56,700

awesome

1177

00:48:02,690 --> 00:48:00,060

um I haven't been this happy in decades

1178

00:48:05,089 --> 00:48:02,700

amazing so good to hear it

1179

00:48:07,190 --> 00:48:05,099

I'm so damn blessed

1180

00:48:10,609 --> 00:48:07,200

I can't even believe it

1181

00:48:17,450 --> 00:48:14,450

I don't need to get paid you know why

1182

00:48:21,530 --> 00:48:17,460

I've been repaid

1183

00:48:23,329 --> 00:48:21,540

the journey itself repaid me yeah in my

1184

00:48:26,150 --> 00:48:23,339

ability to

1185

00:48:29,569 --> 00:48:26,160

tell others what

1186

00:48:33,650 --> 00:48:29,579

to help this world get prepared

1187

00:48:38,089 --> 00:48:37,130

yeah there's not enough money printed on

1188

00:48:40,849 --> 00:48:38,099

this planet

1189

00:48:43,190 --> 00:48:40,859

for all of human history that is worth

1190

00:48:46,130 --> 00:48:43,200

the journey that I had

1191

00:48:49,430 --> 00:48:46,140

you couldn't buy it yeah it literally

1192

00:48:50,870 --> 00:48:49,440

could not buy my journey

1193

00:48:52,069 --> 00:48:50,880

and

1194

00:48:59,329 --> 00:48:52,079

that

1195

00:49:04,309 --> 00:49:01,849

is payment enough for me

1196

00:49:06,950 --> 00:49:04,319

that's amazing I haven't been this happy

1197

00:49:08,690 --> 00:49:06,960

in decades that's so good to hear Kevin

1198

00:49:11,270 --> 00:49:08,700

or this healthy

1199

00:49:13,370 --> 00:49:11,280

brilliant you know what I've been um I

1200

00:49:15,890 --> 00:49:13,380

do have the condition I've had two grand

1201  
00:49:17,750 --> 00:49:15,900  
mal seizures and I do have a condition

1202  
00:49:20,030 --> 00:49:17,760  
called petite Ball series and I'm on

1203  
00:49:21,609 --> 00:49:20,040  
medication right

1204  
00:49:25,550 --> 00:49:21,619  
um but every time I go to the doctor

1205  
00:49:27,530 --> 00:49:25,560  
they're kind of astonished by my labs

1206  
00:49:30,470 --> 00:49:27,540  
um they've even said it like Kevin you

1207  
00:49:32,030 --> 00:49:30,480  
have uh the labs of a much much younger

1208  
00:49:34,430 --> 00:49:32,040  
man

1209  
00:49:36,530 --> 00:49:34,440  
and and I have to tell you Vinny and I'm

1210  
00:49:41,589 --> 00:49:36,540  
pretty humble I literally have not

1211  
00:49:46,210 --> 00:49:45,170  
oh that's funny I haven't I won't prove

1212  
00:49:53,690 --> 00:49:46,220  
it

1213  
00:49:55,730 --> 00:49:53,700

course we eat right here and I

1214

00:49:58,010 --> 00:49:55,740

as you can see we live on a big property

1215

00:50:00,349 --> 00:49:58,020

and I I'm outside working all day so

1216

00:50:02,030 --> 00:50:00,359

that's a big part of it and you have the

1217

00:50:05,870 --> 00:50:02,040

love of a wonderful woman

1218

00:50:08,809 --> 00:50:05,880

Amen to that yep Ah that's amazing scare

1219

00:50:11,329 --> 00:50:08,819

me like you can't believe yep wonderful

1220

00:50:13,010 --> 00:50:11,339

uh I've got a question here another gift

1221

00:50:15,170 --> 00:50:13,020

from God another another of those

1222

00:50:17,089 --> 00:50:15,180

payments I was telling you about there

1223

00:50:18,710 --> 00:50:17,099

you go there you go

1224

00:50:20,630 --> 00:50:18,720

so we've got a question here from Roan

1225

00:50:22,490 --> 00:50:20,640

uh you seem much wiser for the

1226

00:50:24,170 --> 00:50:22,500

experience and the question is what

1227

00:50:28,550 --> 00:50:24,180

would you most like to see acknowledged

1228

00:50:30,950 --> 00:50:30,230

three things

1229

00:50:32,809 --> 00:50:30,960

um

1230

00:50:36,050 --> 00:50:32,819

and they've already done one of them the

1231

00:50:38,150 --> 00:50:36,060

reality of that these things exist

1232

00:50:40,730 --> 00:50:38,160

I would like to see a dedicated effort

1233

00:50:42,670 --> 00:50:40,740

for research that is now starting to

1234

00:50:45,890 --> 00:50:42,680

happen and luckily has been happening

1235

00:50:51,049 --> 00:50:45,900

and for me the most important thing

1236

00:50:53,690 --> 00:50:51,059

is we definitely need to start educating

1237

00:50:55,970 --> 00:50:53,700

the reality in physics of these things

1238

00:50:58,910 --> 00:50:55,980

in our Public School Systems all over

1239

00:51:03,410 --> 00:51:01,849

and in that way that way

1240

00:51:05,089 --> 00:51:03,420

that's how stigma is going to go away

1241

00:51:07,609 --> 00:51:05,099

because here's what's going to happen

1242

00:51:09,290 --> 00:51:07,619

and even now School teachers are seeing

1243

00:51:10,670 --> 00:51:09,300

it when this subject comes up all of a

1244

00:51:12,410 --> 00:51:10,680

sudden kids are putting down their cell

1245

00:51:14,930 --> 00:51:12,420

phones and they're they're listening

1246

00:51:17,270 --> 00:51:14,940

this really interests them and here's

1247

00:51:20,270 --> 00:51:17,280

what will happen if this subject is

1248

00:51:22,609 --> 00:51:20,280

suddenly being taught in school when

1249

00:51:24,230 --> 00:51:22,619

Mommy picks up the kids from school and

1250

00:51:26,450 --> 00:51:24,240

is taking them home and suddenly Sally

1251  
00:51:27,950 --> 00:51:26,460  
says look Joey there's one of those

1252  
00:51:30,109 --> 00:51:27,960  
things we learned about in Mrs Smith

1253  
00:51:33,770 --> 00:51:30,119  
class

1254  
00:51:35,450 --> 00:51:33,780  
is it any big deal then question mark

1255  
00:51:37,730 --> 00:51:35,460  
what about when they get home and tell

1256  
00:51:40,190 --> 00:51:37,740  
Daddy and others about it is it any big

1257  
00:51:42,290 --> 00:51:40,200  
deal then question mark

1258  
00:51:45,170 --> 00:51:42,300  
you tell me

1259  
00:51:47,210 --> 00:51:45,180  
my answer is no it's gone

1260  
00:51:49,309 --> 00:51:47,220  
the next generation won't know stigma

1261  
00:51:50,329 --> 00:51:49,319  
like we did in fact they're gonna laugh

1262  
00:51:52,549 --> 00:51:50,339  
at us

1263  
00:51:55,069 --> 00:51:52,559

yeah I hope they do

1264

00:51:58,490 --> 00:51:55,079

yeah we will get laughed at

1265

00:52:00,049 --> 00:51:58,500

yeah that's brilliant just like the

1266

00:52:03,230 --> 00:52:00,059

Ancient Ancient people would probably

1267

00:52:05,390 --> 00:52:03,240

laugh at us if they could

1268

00:52:07,130 --> 00:52:05,400

so do you feel like at what stage will

1269

00:52:08,630 --> 00:52:07,140

you walk away from this do you think do

1270

00:52:10,370 --> 00:52:08,640

you think it is when the government does

1271

00:52:11,990 --> 00:52:10,380

acknowledge something like is there is

1272

00:52:15,109 --> 00:52:12,000

there something that you're just waiting

1273

00:52:17,450 --> 00:52:15,119

to kind of to hear and then that's it

1274

00:52:19,250 --> 00:52:17,460

when I see public education it's

1275

00:52:22,730 --> 00:52:19,260

starting to happen right that's when I

1276

00:52:24,589 --> 00:52:22,740

plan to walk and I'm currently I haven't

1277

00:52:27,410 --> 00:52:24,599

worked on it uh most recently but I

1278

00:52:30,170 --> 00:52:27,420

started my autobiography oh I've kind of

1279

00:52:32,930 --> 00:52:30,180

got um I've kind of got the the outline

1280

00:52:35,870 --> 00:52:32,940

of stuff pinned for it what I want to do

1281

00:52:38,990 --> 00:52:35,880

and my target date is February this year

1282

00:52:40,370 --> 00:52:39,000

or next year yeah uh can't wait and I've

1283

00:52:42,829 --> 00:52:40,380

had a lot of people message me saying

1284

00:52:46,010 --> 00:52:42,839

ask him about if he's writing a book

1285

00:52:47,450 --> 00:52:46,020

yeah February 9th next year is my target

1286

00:52:49,609 --> 00:52:47,460

date

1287

00:52:51,890 --> 00:52:49,619

and I'm going to donate if if it if it

1288

00:52:54,589 --> 00:52:51,900

even sells one copy I'm gonna donate all

1289

00:52:56,569 --> 00:52:54,599

the proceeds to either research or

1290

00:52:58,329 --> 00:52:56,579

um probably charity for kids

1291

00:53:01,190 --> 00:52:58,339

it's amazing

1292

00:53:03,530 --> 00:53:01,200

it's like Johnny Depp recently did I

1293

00:53:06,589 --> 00:53:03,540

don't need the money I don't want it I'm

1294

00:53:09,770 --> 00:53:06,599

sure it'll sell very well I really do

1295

00:53:12,710 --> 00:53:09,780

and that's really really amazing of you

1296

00:53:14,630 --> 00:53:12,720

really is I've got a question from Ender

1297

00:53:16,130 --> 00:53:14,640

Williams do you look at your experience

1298

00:53:19,030 --> 00:53:16,140

any differently because of the recent

1299

00:53:23,690 --> 00:53:21,829

hell yeah

1300

00:53:26,809 --> 00:53:23,700

um I feel Vindicated

1301

00:53:26,819 --> 00:53:33,230

I feel Vindicated in

1302

00:53:33,240 --> 00:53:37,790

wow yeah that must be some feeling

1303

00:53:42,349 --> 00:53:40,010

you can't believe it

1304

00:53:44,210 --> 00:53:42,359

I hope it continues and I hope that that

1305

00:53:48,170 --> 00:53:44,220

Vindication continues as well you

1306

00:53:49,790 --> 00:53:48,180

deserve it it's going to yep yeah it is

1307

00:53:52,670 --> 00:53:49,800

going to

1308

00:53:55,010 --> 00:53:52,680

okay well listen Kevin before we wrap

1309

00:53:57,589 --> 00:53:55,020

this up I just wanted to kind of give

1310

00:54:00,349 --> 00:53:57,599

you the floor as it were if there's any

1311

00:54:02,470 --> 00:54:00,359

any messages you want to give to to the

1312

00:54:05,270 --> 00:54:02,480

people or anything you want to say

1313

00:54:07,250 --> 00:54:05,280

there is one thing I wanted there is one

1314

00:54:10,970 --> 00:54:07,260

thing I want to say

1315

00:54:13,549 --> 00:54:10,980

um please know that if you yourself or

1316

00:54:16,069 --> 00:54:13,559

someone close to you has an encounter

1317

00:54:18,410 --> 00:54:16,079

with these objects whatever they are

1318

00:54:21,109 --> 00:54:18,420

and you are they

1319

00:54:22,490 --> 00:54:21,119

start to change suddenly out of the blue

1320

00:54:25,250 --> 00:54:22,500

for example

1321

00:54:27,410 --> 00:54:25,260

your cousin is a famous chef

1322

00:54:30,109 --> 00:54:27,420

and all sudden she wants to start paint

1323

00:54:33,049 --> 00:54:30,119

playing piano and become a famous piano

1324

00:54:37,309 --> 00:54:34,910

there's a reason why that might be

1325

00:54:38,630 --> 00:54:37,319

happening and she isn't necessarily

1326  
00:54:41,510 --> 00:54:38,640  
insane

1327  
00:54:43,069 --> 00:54:41,520  
she was profoundly affected by her

1328  
00:54:45,710 --> 00:54:43,079  
encounter

1329  
00:54:48,950 --> 00:54:45,720  
and the reason is physics it's not magic

1330  
00:54:52,250 --> 00:54:48,960  
and it's not Wu there is a physics

1331  
00:54:54,109 --> 00:54:52,260  
reason why she was changed and they are

1332  
00:54:55,250 --> 00:54:54,119  
learning that when I say Bae I mean the

1333  
00:54:58,069 --> 00:54:55,260  
researchers

1334  
00:55:00,470 --> 00:54:58,079  
that for whatever reason not everyone is

1335  
00:55:02,750 --> 00:55:00,480  
affected the same way that kind of makes

1336  
00:55:06,650 --> 00:55:02,760  
sense to me too

1337  
00:55:10,849 --> 00:55:06,660  
but in the case that you yourself become

1338  
00:55:12,589 --> 00:55:10,859

start starting to change like I did

1339

00:55:14,030 --> 00:55:12,599

please understand there might be a

1340

00:55:15,530 --> 00:55:14,040

reason you're not and you're probably

1341

00:55:20,450 --> 00:55:15,540

not going crazy

1342

00:55:25,190 --> 00:55:23,210

that's my message thank you so much I

1343

00:55:26,930 --> 00:55:25,200

really appreciate it accept it and go

1344

00:55:30,770 --> 00:55:26,940

with it yep accept it and go with it

1345

00:55:32,690 --> 00:55:30,780

become that piano player

1346

00:55:34,970 --> 00:55:32,700

yeah thank you so much Kevin it's been

1347

00:55:37,670 --> 00:55:34,980

an absolute honor to speak with you uh I

1348

00:55:39,290 --> 00:55:37,680

I really can't say that enough

1349

00:55:40,670 --> 00:55:39,300

thank you for everything you've done for

1350

00:55:42,530 --> 00:55:40,680

this subject over the years for being

1351  
00:55:44,510 --> 00:55:42,540  
brave enough to come forward and be an

1352  
00:55:46,910 --> 00:55:44,520  
inspiration to a lot of people

1353  
00:55:48,890 --> 00:55:46,920  
uh I know it certainly means a lot to us

1354  
00:55:51,530 --> 00:55:48,900  
I've had the conversation many times

1355  
00:55:53,750 --> 00:55:51,540  
with many people so thank you seriously

1356  
00:55:56,030 --> 00:55:53,760  
thank you so much

1357  
00:55:58,609 --> 00:55:56,040  
my the honor is mine

1358  
00:56:00,890 --> 00:55:58,619  
wonderful I hope to talk again before

1359  
00:56:02,690 --> 00:56:00,900

00:56:10,930 --> 00:56:08,099
