

1

00:00:00,000 --> 00:00:05,000

A sinister shape appears over an American city.

2

00:00:05,000 --> 00:00:10,000

Oh, my goodness.

3

00:00:10,000 --> 00:00:14,000

It's not clear how it got into the air in the first place,

4

00:00:14,000 --> 00:00:17,000

and it's certainly not clear how it's staying there.

5

00:00:17,000 --> 00:00:21,000

Meet the man shot by an unexplained object.

6

00:00:21,000 --> 00:00:24,000

It was an intense flash of light from this object,

7

00:00:24,000 --> 00:00:27,000

and I started having seizures within a couple of days,

8

00:00:27,000 --> 00:00:30,000

and I was going in and out of hospital with these seizures,

9

00:00:30,000 --> 00:00:31,000

and they couldn't stop them.

10

00:00:31,000 --> 00:00:33,000

Now fighting for his life.

11

00:00:33,000 --> 00:00:37,000

All the findings seem to point to significant exposure

12

00:00:37,000 --> 00:00:40,000

to high-energy radiation.

13

00:00:40,000 --> 00:00:45,000

And the US jet fighter bamboozled by a UFO in mid-flight.

14

00:00:45,000 --> 00:00:48,000

It's flying in an almost vertical line,

15

00:00:48,000 --> 00:00:50,000

straight in front of the plane.

16

00:00:50,000 --> 00:00:53,000

In the Bermuda Triangle.

17

00:00:53,000 --> 00:00:56,000

UFOs once the star of science fiction.

18

00:00:56,000 --> 00:00:58,000

Now caught on camera,

19

00:00:58,000 --> 00:01:04,000

finally forcing governments to reveal what they know.

20

00:01:04,000 --> 00:01:10,000

UAPs aren't unexplained, but they are real.

21

00:01:10,000 --> 00:01:13,000

Many of these phenomena have been cited in training ranges.

22

00:01:13,000 --> 00:01:16,000

We're very much concerned about safety of flight.

23

00:01:16,000 --> 00:01:18,000

So let's just speculate for one moment

24

00:01:18,000 --> 00:01:20,000

that these things, whatever they are,

25

00:01:20,000 --> 00:01:22,000

are here to do not very good things.

26

00:01:23,000 --> 00:01:29,000

Impossible engineering, terrifying encounters, sinister cover-ups.

27

00:01:31,000 --> 00:01:34,000

This is evidence of the unexplained.

28

00:01:53,000 --> 00:01:56,000

May 2022, Florida, USA.

29

00:02:03,000 --> 00:02:06,000

A showcase of the latest US military equipment

30

00:02:06,000 --> 00:02:09,000

for an audience of over one million spectators

31

00:02:09,000 --> 00:02:13,000

on the world-famous Miami beaches.

32

00:02:13,000 --> 00:02:17,000

As plain enthusiast David Sugarman films a military jet,

33

00:02:17,000 --> 00:02:20,000

he seems to also capture an extraordinary

34

00:02:20,000 --> 00:02:22,000

and unexpected visitor.

35

00:02:22,000 --> 00:02:25,000

The beach that day was absolutely beautiful.

36

00:02:25,000 --> 00:02:28,000

Crystal clear out, the water was flat.

37

00:02:28,000 --> 00:02:32,000

I was filming the jet because I have an infatuation

38

00:02:32,000 --> 00:02:34,000

for military aircraft,

39

00:02:34,000 --> 00:02:37,000

something I've been interested in since I was a little boy.

40

00:02:37,000 --> 00:02:39,000

I noticed the object when I went home

41

00:02:39,000 --> 00:02:41,000

and was reviewing the videos.

42

00:02:41,000 --> 00:02:43,000

It's an unidentified aerial phenomenon

43

00:02:43,000 --> 00:02:46,000

coming directly out of the water.

44

00:02:47,000 --> 00:02:50,000

My reaction, I was absolutely, absolutely shocked

45

00:02:50,000 --> 00:02:52,000

at what I had seen.

46

00:02:52,000 --> 00:02:55,000

It's clear as day that something is going on.

47

00:02:56,000 --> 00:02:59,000

It's pretty wild when you think about it.

48

00:03:00,000 --> 00:03:03,000

The fastest aircraft showcased at this event

49

00:03:03,000 --> 00:03:06,000

travels at more than 1,500 miles per hour.

50

00:03:09,000 --> 00:03:13,000

The speed of the UFO appears to far exceed that.

51

00:03:13,000 --> 00:03:17,000

My reaction to the speed of the object was, I was shocked.

52

00:03:17,000 --> 00:03:19,000

I didn't have an answer.

53

00:03:19,000 --> 00:03:23,000

Even more remarkable, the object appears to achieve this speed

54

00:03:23,000 --> 00:03:25,000

straight out of the ocean.

55

00:03:25,000 --> 00:03:30,000

To think that the object appears to be able to fully submerge in water,

56

00:03:30,000 --> 00:03:35,000

yet also travel at that speed almost vertically, is mind-blowing.

57

00:03:38,000 --> 00:03:41,000

This is no drone or missile,

58

00:03:41,000 --> 00:03:44,000

nor is it a part of the Air and Sea show.

59

00:03:46,000 --> 00:03:50,000

It's metallic and spinning, so isn't a bird or bug.

60

00:03:50,000 --> 00:03:53,000

But the strange object's exact location

61

00:03:53,000 --> 00:03:57,000

may provide an indication as to what it is.

62

00:03:59,000 --> 00:04:03,000

It's filmed at the western edge of the Bermuda Triangle,

63

00:04:04,000 --> 00:04:09,000

an area notorious for disappearing ships and aircraft.

64

00:04:10,000 --> 00:04:14,000

The mysterious triangle covers a half-million-square-mile section

65

00:04:14,000 --> 00:04:20,000

of the Atlantic Ocean between Miami, Florida, Puerto Rico, and Bermuda.

66

00:04:20,000 --> 00:04:25,000

The Bermuda Triangle is one of the world's most famous mysteries.

67

00:04:25,000 --> 00:04:28,000

Vanishing aircraft, disappearing ships,

68

00:04:28,000 --> 00:04:32,000

confused compasses, strange sightings.

69

00:04:33,000 --> 00:04:36,000

And countless lives have been lost there.

70

00:04:37,000 --> 00:04:42,000

Reports of strange events here go right back to 1492,

71

00:04:42,000 --> 00:04:46,000

and some of the very first seafarers who sailed across it.

72

00:04:47,000 --> 00:04:51,000

And right from the start, these have included UFOs.

73

00:04:52,000 --> 00:04:55,000

Christopher Columbus, the Spanish explorer,

74

00:04:55,000 --> 00:04:58,000

is sailing through the Bermuda Triangle.

75

00:04:58,000 --> 00:05:02,000

And at some point, the compasses of himself and his crew

76

00:05:02,000 --> 00:05:09,000

begin to spin around frantically as a huge light descends from the skies.

77

00:05:11,000 --> 00:05:16,000

And while it's there, the compasses are not behaving according to the way they should do.

78

00:05:17,000 --> 00:05:22,000

But when it ascends back into the skies, the compasses revert to normal.

79

00:05:23,000 --> 00:05:28,000

Weird compass movements are a kind of staple of the Bermuda Triangle mysteries.

80

00:05:28,000 --> 00:05:34,000

And this has led to a theory that there's some kind of strange magnetic anomaly in the area.

81

00:05:34,000 --> 00:05:40,000

Just last year, a boat carrying 20 passengers went missing in the Bermuda Triangle.

82

00:05:43,000 --> 00:05:47,000

Nothing was found. In fact, nothing was heard either.

83

00:05:47,000 --> 00:05:51,000

There was no distress call, no cry for help. Nothing.

84

00:05:51,000 --> 00:05:55,000

It was as if this 29-foot-long ship just vanished.

85

00:05:58,000 --> 00:06:03,000

Something in the Triangle seems able to claim ships far bigger than this.

86

00:06:04,000 --> 00:06:07,000

A well-documented disappearance occurred in 1918,

87

00:06:07,000 --> 00:06:15,000

when the 550-foot-long USS Cyclops and her 309 men vanished without trace.

88

00:06:16,000 --> 00:06:22,000

This was during the First World War, so German U-boats were, of course, immediately suspected.

89

00:06:22,000 --> 00:06:28,000

But the Germans insisted that their armed forces had absolutely nothing to do

90

00:06:28,000 --> 00:06:31,000

with the disappearance of the USS Cyclops.

91

00:06:33,000 --> 00:06:40,000

To this day, the US Navy says that this is one of the most baffling cases in its annals.

92

00:06:42,000 --> 00:06:47,000

But the mystery of the Bermuda Triangle runs deeper than mere disappearances.

93

00:06:48,000 --> 00:06:56,000

In 1971, Jim Kopp, a crewman aboard one of the United States' most prestigious aircraft carriers,

94

00:06:56,000 --> 00:07:03,000

tells of an incident that suggests ships here are being tracked by objects in the sky.

95

00:07:03,000 --> 00:07:11,000

The aircraft carrier, John F. Kennedy, was making its way across the Bermuda Triangle in the summer of 1971

96

00:07:11,000 --> 00:07:20,000

when a member of the crew reported that when below deck, all the technical equipment on the ship shut down.

97

00:07:21,000 --> 00:07:26,000

Kopp heard screaming down the communication tubes that the end of the world was happening.

98

00:07:29,000 --> 00:07:33,000

He and a friend raced onto the flight deck and what they found astounded them.

99

00:07:36,000 --> 00:07:40,000

A glowing orange disk was hovering over the flight deck.

100

00:07:41,000 --> 00:07:45,000

He said it was huge and it stayed there just hanging in the air.

101

00:07:46,000 --> 00:07:51,000

Kopp says that after the orb vanished, the power returned to the ship.

102

00:07:52,000 --> 00:07:58,000

And the crew were told never to talk about the incident again. The whole incident was classified.

103

00:08:00,000 --> 00:08:06,000

Three years later, Charles Burlitz published a hugely popular book about the mysteries of the Bermuda Triangle.

104

00:08:06,000 --> 00:08:13,000

It sold 20 million copies. Burlitz claimed to see a peculiar pattern in these events,

105

00:08:13,000 --> 00:08:17,000

although many mainstream oceanographers prefer to blame the weather.

106

00:08:20,000 --> 00:08:24,000

This area is notorious for sudden, vicious storms.

107

00:08:26,000 --> 00:08:31,000

A majority of hurricanes and tropical storms actually pass through the Bermuda Triangle.

108

00:08:32,000 --> 00:08:39,000

The problem with this explanation for the Bermuda Triangle mysteries is that at the time of some of these incidents,

109

00:08:39,000 --> 00:08:42,000

there are no reports of bad weather.

110

00:08:43,000 --> 00:08:47,000

And the huge glowing orb can't easily be dismissed as a weather event.

111

00:08:48,000 --> 00:08:55,000

What is more, 50 years on, UFOs are still being sighted over the Bermuda Triangle.

112

00:08:56,000 --> 00:09:05,000

And leaked documents on the WikiLeaks website show that objects like these might now be appearing on sophisticated military sensors too.

113

00:09:10,000 --> 00:09:13,000

Military personnel monitor missiles.

114

00:09:13,000 --> 00:09:18,000

They do this by intercepting electronic communications between satellites and Earth.

115

00:09:19,000 --> 00:09:24,000

They also use their system of extremely sensitive infrared early warning satellites.

116

00:09:24,000 --> 00:09:29,000

These satellites are 35,000 kilometers above the surface of the Earth,

117

00:09:30,000 --> 00:09:34,000

which means they can know about pretty much any satellite launch on Earth.

118

00:09:35,000 --> 00:09:39,000

But that also means that they catch a lot of other flying objects.

119

00:09:40,000 --> 00:09:46,000

Some of these objects are easily identifiable. The ones that aren't are known as fast walkers.

120

00:09:46,000 --> 00:09:56,000

Fast walkers is the military codename for objects that are moving strangely that are picked up by their infrared sensors.

121

00:09:59,000 --> 00:10:02,000

And there are a lot of them around the Bermuda Triangle.

122

00:10:04,000 --> 00:10:10,000

One kind of fast walker keeps showing up and it seems to fly and change course intelligently.

123

00:10:11,000 --> 00:10:18,000

This fast walker flies in and out of the ocean somewhere between Miami and Bermuda.

124

00:10:19,000 --> 00:10:24,000

We are seeing these UFOs can transition from underwater to the atmosphere.

125

00:10:25,000 --> 00:10:29,000

It's the telltale sign that you're looking at something truly extraordinary.

126

00:10:31,000 --> 00:10:33,000

And today we're able to track them.

127

00:10:34,000 --> 00:10:40,000

When the object enters and leaves the ocean, it gives off a unique electromagnetic signature.

128

00:10:43,000 --> 00:10:49,000

US Air Force planes on reconnaissance missions have tracked UAPs to this part of the ocean.

129

00:10:50,000 --> 00:10:56,000

They've even recorded footage of UAPs entering and leaving the ocean here.

130

00:10:57,000 --> 00:11:10,000

These UAP sightings are hugely significant because this hard data is being picked up by instruments that are known to be reliable and accurate.

131

00:11:11,000 --> 00:11:23,000

The object captured on Miami Beach certainly looks and moves like one of these so-called fast walkers, not emerging out of the distant ocean but right up by the coastline.

132

00:11:24,000 --> 00:11:32,000

Is there something under the waters of the Bermuda Triangle we should be looking for, a base or even just a dangerous natural anomaly?

133

00:11:34,000 --> 00:11:37,000

A lot of ships, planes and lives have been lost in this area.

134

00:11:38,000 --> 00:11:44,000

The military needs to throw open its sensor data so we can find out what's really going on.

135

00:11:45,000 --> 00:11:48,000

I think the governments are afraid to share what these crafts are.

136

00:11:49,000 --> 00:11:58,000

I don't know what the world reaction would be if the world found out that there are other life forms and it's something that we should be told.

137

00:12:11,000 --> 00:12:14,000

October the 6th, 2021, Chicago.

138

00:12:15,000 --> 00:12:23,000

A woman standing on the roof of her downtown apartment captures one of the strangest UFOs ever recorded.

139

00:12:30,000 --> 00:12:33,000

How is this staying in the sky like that?

140

00:12:34,000 --> 00:12:37,000

That's just a weird shape. What is that?

141

00:12:38,000 --> 00:12:42,000

It doesn't look normal at all and it appears to be just hanging there.

142

00:12:43,000 --> 00:12:48,000

It looks like a sphere with unearthly tentacles hanging from either side.

143

00:12:49,000 --> 00:12:53,000

Analysis of the footage shows no tampering or digital effects.

144

00:12:54,000 --> 00:13:01,000

The clip looks genuine. It looks like it was definitely taken on someone's mobile phone in the moment.

145

00:13:03,000 --> 00:13:07,000

The object isn't moving, not even bobbing like a balloon would.

146

00:13:08,000 --> 00:13:15,000

It's staying stock still over a city so prone to turbulent air currents. It's famously called the Windy City.

147

00:13:17,000 --> 00:13:27,000

It does experience very sustained, very cold winds because it's on the edge of Lake Michigan and the air can actually come all the way from the Arctic.

148

00:13:29,000 --> 00:13:35,000

It can't be hanging from something obscure, though it is a dull day because then it wouldn't be so steady.

149

00:13:37,000 --> 00:13:46,000

The object defies the gusts around it in a way that humans can only achieve with huge amounts of stabilizing thrust and power.

150

00:13:47,000 --> 00:13:51,000

Engineers today of course can create vehicles that hover like helicopters.

151

00:13:52,000 --> 00:13:59,000

They can even make jet engine powered vehicles hover, albeit at great expense and considerable complexity.

152

00:14:00,000 --> 00:14:12,000

The F-35B, an aircraft introduced to the US Air Force in 2015, can hover in midair, despite weighing over 27,000 kilograms.

153

00:14:13,000 --> 00:14:23,000

But the noise it gives off is up to 115 decibels, as loud as a typical rock concert.

154

00:14:24,000 --> 00:14:30,000

This object is eerily silent and its shape otherworldly.

155

00:14:31,000 --> 00:14:39,000

When it comes to things that fly, you're really looking for the kind of classic telltale signs of thrust and propulsion.

156

00:14:40,000 --> 00:14:46,000

So wings, jet engines, propellers, this object doesn't have any of that.

157

00:14:47,000 --> 00:14:54,000

It's not clear how it got into the air in the first place and it's certainly not clear how it's staying there.

158

00:14:55,000 --> 00:15:07,000

The classic UFO from science fiction is a flying saucer or disk, but much more bizarre shapes like this one caught on film over Chicago are reported by observers.

159

00:15:08,000 --> 00:15:13,000

A man in New York in 1974 reported seeing an unidentified spinning top.

160

00:15:13,000 --> 00:15:20,000

There was one spotted above Los Angeles. There to some people looked to be a humanoid holding a kind of orb.

161

00:15:22,000 --> 00:15:35,000

For the city of Chicago on the shores of Lake Michigan, bizarre UFO incidents seem to have stepped up since a weird encounter above the city's main airport witnessed by dozens of people.

162

00:15:35,000 --> 00:15:43,000

On November 7th, 2006, a classic saucer-like object was spotted over Chicago's O'Hare Airport.

163

00:15:44,000 --> 00:15:50,000

Reports varied about what this actually looked like, although they did all agree that it kind of had this saucer-like shape.

164

00:15:51,000 --> 00:15:58,000

The object was said to have hovered over Gate C-17 for several minutes before shooting off at great speed.

165

00:15:58,000 --> 00:16:05,000

It's said to have moved so fast it punched a hole in the clouds over the airport.

166

00:16:06,000 --> 00:16:15,000

People who saw this object, they work in aviation, their ground crew, their mechanics, their flight attendants, they see aircraft all the time.

167

00:16:16,000 --> 00:16:21,000

But none of them knew what this was and its proximity to the airport was very, very concerning.

168

00:16:22,000 --> 00:16:31,000

You would have thought that an object like this as close as it was to the airport would have caused some kind of investigation.

169

00:16:31,000 --> 00:16:38,000

The Federal Aviation Administration would have gotten involved. It would have been a big deal. But that didn't happen.

170

00:16:40,000 --> 00:16:45,000

Initially, the Federal Aviation Administration refuses to issue any type of report on the incident.

171

00:16:45,000 --> 00:16:53,000

But when a local paper, the Chicago Tribune, files a Freedom of Information Act, the FAA attributes to a weather phenomena.

172

00:16:55,000 --> 00:17:02,000

But the public didn't buy this explanation and from that moment, Chicago became associated with UFOs.

173

00:17:03,000 --> 00:17:12,000

Reports flood in every month. But this is a city of over two and a half million people, most of whom are not trained observers.

174

00:17:13,000 --> 00:17:23,000

More and more people are looking into the skies. More and more people will see things that they can't understand and will ascribe it to a UFO.

175

00:17:24,000 --> 00:17:29,000

And there could be a terrestrial explanation for all this activity over Chicago.

176

00:17:30,000 --> 00:17:36,000

Just north of the city, there is one of the US government's most important military installations.

177

00:17:37,000 --> 00:17:42,000

The Naval Station Great Lakes is the US Navy's largest training ground.

178

00:17:43,000 --> 00:17:52,000

It's been home to 20,000 soldiers, sailors, Marines, Department of Defense civilians. They all live there and they work there.

179

00:17:53,000 --> 00:17:59,000

The US Navy spends \$22 billion annually on technology, research and development.

180

00:18:00,000 --> 00:18:09,000

It's possible that what was seen over Chicago in 2006 and in 2021 was secret craft being tested.

181

00:18:10,000 --> 00:18:16,000

The fact that you've got a military area nearby very quickly explains that this is going to be associated with the military.

182

00:18:16,000 --> 00:18:35,000

Lest we forget the lessons when Elon Musk and SpaceX began launching their Starlink satellite constellations, a lot of people started reporting UFOs when in reality it was just a long line of satellites all moving together.

183

00:18:36,000 --> 00:18:39,000

But there is a more sinister possibility.

184

00:18:40,000 --> 00:18:55,000

The Deputy Director of Naval Intelligence Scott Bray admitted at a press conference in May 2022 that UFOs were targeting military training facilities in the United States.

185

00:18:56,000 --> 00:19:06,000

Since the early 2000s, we have seen an increasing number of unauthorized and or unidentified aircraft or objects in military controlled training areas.

186

00:19:07,000 --> 00:19:10,000

Reports of sightings are frequent and continuing.

187

00:19:11,000 --> 00:19:15,000

Incursions in our training ranges by unidentified objects represent serious hazards to safety of flight.

188

00:19:16,000 --> 00:19:23,000

Second, intrusions by unknown aircraft or objects pose potential threats to the security of our operations.

189

00:19:26,000 --> 00:19:33,000

These objects may not be interested in Chicago, but in its massive naval training complex next door.

190

00:19:34,000 --> 00:19:37,000

These sightings are repeatedly happening over training exercises.

191

00:19:38,000 --> 00:19:48,000

And the most recent report released in 2021, the most compelling findings there were also reported by a naval investigation into similar phenomena.

192

00:19:49,000 --> 00:19:50,000

Is that a coincidence?

193

00:19:51,000 --> 00:20:00,000

And the Pentagon's Advanced Aerial Threat Identification Program advised the government that these incursions may not be entirely friendly.

194

00:20:01,000 --> 00:20:14,000

What we do see is what we would consider in the military as active ISR, intelligence surveillance reconnaissance, or potentially what we call IPV, initial preparations of the battle space.

195

00:20:14,000 --> 00:20:24,000

So let's just speculate for one moment that these things, whatever they are, are here to do, are here to do not very good things.

196

00:20:25,000 --> 00:20:38,000

In this light, the weird object hovering over Chicago could be gathering intelligence about our military capabilities, our logistics, our defenses, or as preparation for an eventual invasion.

197

00:20:39,000 --> 00:20:42,000

Maybe it's something completely innocent and simple in origin.

198

00:20:43,000 --> 00:20:49,000

It may also be that this particular UAP is already known to Great Lakes military personnel.

199

00:20:50,000 --> 00:20:51,000

We just don't know.

200

00:21:02,000 --> 00:21:07,000

August the 9th, 2019, Dunedew, New South Wales, Australia.

201

00:21:09,000 --> 00:21:16,000

43-year-old Damien Knot is rushed to hospital. Doctors are aghast by what they see.

202

00:21:17,000 --> 00:21:23,000

My arm started getting red and then it started blistering. These really strange green blisters.

203

00:21:24,000 --> 00:21:31,000

And then they found that I had bone issues, a thing called hypophosphatemic osteomalacia, which is like a rare bone disease.

204

00:21:31,000 --> 00:21:38,000

They found that my bones were that weak. They were on par with a 90-year-old woman's bones.

205

00:21:39,000 --> 00:21:41,000

And there's a problem inside his head.

206

00:21:43,000 --> 00:21:51,000

Damien's had these really anomalous and strange MRI brain scans and they're really making doctors in Australia scratch their heads.

207

00:21:52,000 --> 00:21:57,000

But medics are even more shocked when they ask how Damien got these injuries.

208

00:21:57,000 --> 00:22:04,000

The story goes something like this. Damien's with his girlfriend Mel and they spot this strange object hovering over their backyard.

209

00:22:05,000 --> 00:22:12,000

You watch it for about 40 seconds before Mel was a bit freaked out and she goes back inside. Pretty sensible.

210

00:22:13,000 --> 00:22:21,000

It was an intense flash of light from this object and I don't know if it was what it was, but it kind of lit up my entire vision.

211

00:22:21,000 --> 00:22:26,000

I felt this warmth. It blinked out. It was gone.

212

00:22:27,000 --> 00:22:33,000

It was at that precise moment that Damien believes his health began to deteriorate.

213

00:22:34,000 --> 00:22:38,000

It got really bad over like three weeks and during this time I'm having seizures.

214

00:22:39,000 --> 00:22:45,000

I fell over during one of these seizures and broke my back in three places. We went to multiple doctors.

215

00:22:45,000 --> 00:22:51,000

None of them could explain my arm either. They couldn't explain the type of burn.

216

00:22:52,000 --> 00:22:55,000

It was almost like a microwave radiation burn.

217

00:22:56,000 --> 00:23:01,000

Sounds like from this range of symptoms that Damien has been exposed to a very high level of radiation.

218

00:23:02,000 --> 00:23:08,000

And when we talk about radiation exposure we're talking about high energy particles moving through the body very rapidly.

219

00:23:09,000 --> 00:23:17,000

You might think about these particles as like tiny cannon balls that shoot through your body and as they go through they damage your DNA and cells.

220

00:23:20,000 --> 00:23:24,000

Doctors believe Damien is dying from the injuries he sustained.

221

00:23:26,000 --> 00:23:32,000

It's a strange story, but it's one that is echoed in a range of reported incidents in recent history.

222

00:23:33,000 --> 00:23:46,000

Damien is ultimately one of the latest people in the line of so many others to claim that they've succumbed to these bizarre and horrific injuries after supposedly a close encounter with a UAP.

223

00:23:48,000 --> 00:23:57,000

In 1951 a group of GIs fighting in Korea report they fired on a strange light that seemed to be surveying the battlefield.

224

00:23:58,000 --> 00:24:05,000

The object seemed to shoot back hitting the men with a ray similar in description to the one that hit not.

225

00:24:07,000 --> 00:24:14,000

When they were examined by doctors they were found to have dysentery and an extremely high white blood cell count.

226

00:24:16,000 --> 00:24:22,000

In 2021 a Pentagon funded study was declassified under the Freedom of Information Act.

227

00:24:23,000 --> 00:24:28,000

It detailed reports of military personnel who had got too close to a UFO.

228

00:24:29,000 --> 00:24:36,000

There were hundreds of patients affected and their symptoms ranged in severity. Some of them had gruesome burns and sores.

229

00:24:36,000 --> 00:24:41,000

Some of them developed brain damage and some of them developed unexplained multiple sclerosis.

230

00:24:43,000 --> 00:24:50,000

Some are said to have died from injuries that scientists would normally link with radiation poisoning.

231

00:24:51,000 --> 00:24:57,000

There are some individuals that displayed some internal organ damage and also specific brain morphology.

232

00:24:58,000 --> 00:25:04,000

Now it's not unusual because the human body is mostly comprised of water and it is electrogalvanic to some degree.

233

00:25:05,000 --> 00:25:08,000

So we conduct electricity that's how nerves and everything work.

234

00:25:08,000 --> 00:25:17,000

So we're like a large biological electrical circuit and there was some patients that displayed internal organ damage consistent with some sort of

235

00:25:17,000 --> 00:25:20,000

when one might consider directed energy type weapon.

236

00:25:23,000 --> 00:25:30,000

If Damien Nott and others are purposely zapped by UAPs this may be their way of saying keep your distance.

237

00:25:32,000 --> 00:25:37,000

Damien is convinced that his injuries came as a result of contact with the UFO.

238

00:25:38,000 --> 00:25:49,000

But an event from 2016 involving another health shattering beam suggests a more earthly enemy is at work.

239

00:25:50,000 --> 00:25:56,000

An unusual set of symptoms started to afflict U.S. diplomats and CIA officers who were serving in Havana, Cuba.

240

00:25:57,000 --> 00:26:07,000

And the symptoms that they found were memory loss, hearing loss and nausea or could be explained by one thing brain injuries.

241

00:26:09,000 --> 00:26:14,000

For a while everything was kind of hushed up because of the nature of the work some of these people performed.

242

00:26:15,000 --> 00:26:20,000

When the bizarre symptoms began appearing elsewhere a disturbing commonality emerged.

243

00:26:21,000 --> 00:26:29,000

In 2018 U.S. personnel working in China began to suffer similar symptoms and some time later personnel working in Russia as well.

244

00:26:29,000 --> 00:26:33,000

And these are two nations with known antagonism towards the United States.

245

00:26:35,000 --> 00:26:40,000

Since then there have been more than a hundred reported cases of what we're calling Havana syndrome.

246

00:26:41,000 --> 00:26:46,000

This is an urgent priority for President Biden, for me, for our entire government.

247

00:26:46,000 --> 00:26:51,000

You've got people being forced into early retirement because of the severity of their illnesses.

248

00:26:52,000 --> 00:26:55,000

So you know this is really sinister stuff and it's real.

249

00:26:56,000 --> 00:26:59,000

Some are seeing it as a de facto act of war.

250

00:27:01,000 --> 00:27:09,000

It's some form of sonic weapon which is going to direct some form of radiation at American embassies.

251

00:27:10,000 --> 00:27:17,000

It's not a death ray but it's certainly an invisible beam that makes you very ill indeed.

252

00:27:19,000 --> 00:27:27,000

But even if the so-called UFO Damien and his girlfriend saw in 2019 was some sort of drone from a communist country

253

00:27:28,000 --> 00:27:33,000

the weapon it apparently fired matches nothing seen before on Earth.

254

00:27:34,000 --> 00:27:39,000

Damien not reported seeing a pulsing blue light coming out of a flying object

255

00:27:39,000 --> 00:27:44,000

and that's not what you would expect him to report if he was hit by a radar weapon.

256

00:27:44,000 --> 00:27:49,000

In fact if you were hit by a radar there wouldn't be any visible light for you to witness.

257

00:27:50,000 --> 00:27:55,000

When I think of blue light I think of NASA's ion thruster engines but those are only used in space.

258

00:27:55,000 --> 00:27:59,000

So could this be an engine from space?

259

00:28:00,000 --> 00:28:07,000

Damien claims that there's no earthly explanation that he can think of to explain what he saw so perhaps he's right.

260

00:28:09,000 --> 00:28:14,000

We may never know what exactly Damien not encountered in the winter of 2019

261

00:28:14,000 --> 00:28:20,000

but he blames whatever it was for the health problems that plague him to this day.

262

00:28:20,000 --> 00:28:24,000

What do people say that all this is positive and aliens are positive?

263

00:28:24,000 --> 00:28:30,000

That there's no evil, it's everyone's good and they have our best intentions at heart.

264

00:28:30,000 --> 00:28:33,000

How can he say something like that?

265

00:28:42,000 --> 00:28:45,000

The eyes were nothing like I'd ever seen before.

266

00:28:45,000 --> 00:28:49,000

They were very big and very dark.

267

00:28:50,000 --> 00:28:53,000

They were captivating, couldn't look away.

268

00:28:53,000 --> 00:29:00,000

Almost as though this being was looking into my soul like it knew me, like it knew who I was.

269

00:29:02,000 --> 00:29:04,000

July 25th, 2022.

270

00:29:04,000 --> 00:29:11,000

Human rights lawyer Salma Sidic speaks about a bizarre encounter she had as a little girl.

271

00:29:14,000 --> 00:29:21,000

It happened on September 16th, 1994 at Ariel School in the Zimbabwean town of Ruwa.

272

00:29:21,000 --> 00:29:24,000

15 miles from the capital, Harari.

273

00:29:25,000 --> 00:29:32,000

Salma was one of dozens of school children who said that when they were playing during their morning break

274

00:29:32,000 --> 00:29:36,000

they saw three gleaming orbs overhead.

275

00:29:36,000 --> 00:29:39,000

The orbs disappeared in a flash of light.

276

00:29:40,000 --> 00:29:43,000

Then reappeared in another part of the sky.

277

00:29:44,000 --> 00:29:50,000

If it had just been one or two school children who had noticed them, their story might have been dismissed.

278

00:29:50,000 --> 00:29:54,000

But 60 pupils reported seeing something very similar.

279

00:29:54,000 --> 00:29:57,000

We all looked at each other and said, did you see that?

280

00:29:58,000 --> 00:30:01,000

We realized that we were all seeing the same thing.

281

00:30:02,000 --> 00:30:07,000

I don't quite know how to describe it, but it was like nothing I've ever felt before.

282

00:30:08,000 --> 00:30:18,000

It was silver-esque in color, but it was a type of metal or fabrication that I'd never seen before.

283

00:30:19,000 --> 00:30:25,000

The disc ends up hovering above an adjacent playing field and the children rush to get a closer look at it.

284

00:30:26,000 --> 00:30:28,000

Then they witness something even more chilling.

285

00:30:29,000 --> 00:30:33,000

I saw what I called the being or a being.

286

00:30:34,000 --> 00:30:39,000

It was maybe about three to four feet away from me.

287

00:30:40,000 --> 00:30:43,000

Three to four feet tall, I guess.

288

00:30:43,000 --> 00:30:47,000

It did not have any hair, no hair in its head, nothing.

289

00:30:48,000 --> 00:30:51,000

The skin was almost like porcelain, really.

290

00:30:52,000 --> 00:30:57,000

The creature got so close to Selma, she could almost reach out and touch it.

291

00:30:58,000 --> 00:31:03,000

But as it got nearer still, the entire environment seemed to change.

292

00:31:05,000 --> 00:31:07,000

It moved from place to place.

293

00:31:08,000 --> 00:31:16,000

What I remember is that I would see it over here and then I would blink and it would be over on another side.

294

00:31:17,000 --> 00:31:25,000

Time seems to be the really odd thing that stuck out in that it seems like it had slowed down immensely.

295

00:31:30,000 --> 00:31:34,000

The day after the incident, the children are asked to illustrate what they had seen.

296

00:31:34,000 --> 00:31:41,000

And about 35 of the pictures drawn were very similar in their depictions of the craft and the beings.

297

00:31:42,000 --> 00:31:47,000

Some of the children said these beings had issued frightening telepathic messages.

298

00:31:49,000 --> 00:31:54,000

Oddly, some of the children say that the bipedal beings that they encountered

299

00:31:54,000 --> 00:31:58,000

spread telepathic warnings about the future state of planet Earth.

300

00:31:59,000 --> 00:32:03,000

Some claim that the beings warned that we were polluting the environment

301

00:32:03,000 --> 00:32:07,000

and that we must be careful about technological development

302

00:32:07,000 --> 00:32:12,000

and that unless we changed our ways, we'd face dire consequences.

303

00:32:19,000 --> 00:32:26,000

School pupils living and studying in close proximity are known to be susceptible to mass hysteria.

304

00:32:26,000 --> 00:32:32,000

Teachers have found that children can convince each other of the existence of all kinds of incredible things,

305

00:32:32,000 --> 00:32:38,000

including supernatural beings, and start behaving in erratic and peculiar ways.

306

00:32:39,000 --> 00:32:43,000

Interestingly enough, a lot of mass hysteria cases have been documented.

307

00:32:44,000 --> 00:32:48,000

And a particularly interesting one happened in Zimbabwe in 2009.

308

00:32:49,000 --> 00:32:51,000

The children have started screaming in terror,

309

00:32:51,000 --> 00:32:54,000

reporting that they were seeing lion and snake creatures,

310

00:32:54,000 --> 00:32:57,000

and some of them acted as if they were in a trance.

311

00:32:58,000 --> 00:33:11,000

Reports on these mass hysteria incidents surmise that they might be the result of people being under extreme stress or pressure of one sort or another.

312

00:33:13,000 --> 00:33:17,000

Just two days before the 1994 incident at Ariel School,

313

00:33:17,000 --> 00:33:22,000

the Russian Zenit II rocket passed over the skies of Southeast Africa.

314

00:33:22,000 --> 00:33:30,000

It's possible that this space spectacle could have acted as a catalyst for a fantasy shared among the pupils.

315

00:33:30,000 --> 00:33:38,000

But nearly 30 years after the strange events at Ariel School, Salma Sidig is sticking to her story.

316

00:33:39,000 --> 00:33:42,000

You know, you start to question yourself. It's like, OK, did I see that?

317

00:33:42,000 --> 00:33:48,000

But I believe in what I saw, and I thought, well, suppressing it indicates that I don't believe in what I saw,

318

00:33:48,000 --> 00:33:52,000

regardless of what everybody else thinks or may think.

319

00:33:54,000 --> 00:34:00,000

And documents produced by the Defense Intelligence Agency, released on April the 6th, 2010,

320

00:34:00,000 --> 00:34:03,000

may explain the strange sighting.

321

00:34:04,000 --> 00:34:10,000

Some of the topics discussed are remarkable, bordering on science fiction or paranormal phenomena.

322

00:34:12,000 --> 00:34:20,000

It's a high-level briefing document discussing how UFOs might be capable of appearing and disappearing instantaneously.

323

00:34:20,000 --> 00:34:23,000

A feature of many witness reports.

324

00:34:24,000 --> 00:34:26,000

Traversable wormholes are discussed.

325

00:34:26,000 --> 00:34:35,000

Still just a feature of science fiction, wormholes theoretically act as a tunnel between two distant points in space-time, making a sort of shortcut.

326

00:34:36,000 --> 00:34:42,000

This capability would mean it's possible to leave space-time and exist outside of it.

327

00:34:42,000 --> 00:34:48,000

It seems like science fiction, but it's a technology that humans are already working on.

328

00:34:48,000 --> 00:34:57,000

In 1994, the Mexican theoretical physicist Miguel Alcubier proposed the first warp drive, calling it the Alcubier Drive.

329

00:34:58,000 --> 00:35:06,000

Alcubier said that by creating a bubble of flat space-time around an object and curving space-time around that bubble,

330

00:35:06,000 --> 00:35:16,000

the distances would be reduced, creating a wormhole, allowing an object to travel any distance faster than the speed of light.

331

00:35:16,000 --> 00:35:24,000

If we're making even theoretical progress towards achieving something like a warp drive,

332

00:35:24,000 --> 00:35:32,000

was the encounter at Ruah with an alien civilization that's already achieved this theoretical warp drive technology?

333

00:35:33,000 --> 00:35:41,000

This would certainly match with Salma's description of time seeming to alter or war as the entity approached.

334

00:35:41,000 --> 00:35:47,000

I felt like I had no concept of time. Everything was moving really slowly.

335

00:35:48,000 --> 00:35:59,000

Were the children who reported seeing two beings, in fact instead seeing one being that was manipulating time and space around itself and the crowd?

336

00:35:59,000 --> 00:36:11,000

If the entity was operating outside of space-time, it could also explain its seeming ability to deliver a prophecy about events on Earth that have yet to happen.

337

00:36:12,000 --> 00:36:21,000

The 1994 mass UFO sighting in Ruah happened in an era before smartphones and digital cameras were invented.

338

00:36:24,000 --> 00:36:38,000

Today, the most significant evidence we have lies in the testimony of pupils like Salma, who, 30 years on, still believe she witnessed a creature commanding extraordinary technology.

339

00:36:39,000 --> 00:36:51,000

I think that it definitely opened up my mind to the fact that there was more than just us out there, because whatever I had seen was not of this place.

340

00:36:51,000 --> 00:36:54,000

There's definitely more than just us out there.

341

00:36:54,000 --> 00:37:11,000

On the 17th of May 2021, President Barack Obama appeared on James Corden's Late Late Show.

342

00:37:11,000 --> 00:37:17,000

James Corden, well, that's not exactly how any UFO investigations should start.

343

00:37:17,000 --> 00:37:25,000

But when the light-hearted interview turned to the subject of UFOs, the demeanor of the former president changed markedly.

344

00:37:25,000 --> 00:37:33,000

In what was the jarring break from the usual light-hearted tone of the show, Obama became deadly serious.

345

00:37:33,000 --> 00:37:37,000

The former president said to Corden and the cameras,

346

00:37:38,000 --> 00:37:43,000

There's footage and records of objects in the sky that we don't know exactly what they are.

347

00:37:43,000 --> 00:37:47,000

We can't explain how they move, their trajectory.

348

00:37:47,000 --> 00:37:52,000

Did he really say that on one of America's biggest talk shows?

349

00:37:52,000 --> 00:37:58,000

It was incredible. The interview was reported by news outlets across the world.

350

00:37:59,000 --> 00:38:01,000

And he didn't stop there.

351

00:38:01,000 --> 00:38:09,000

Just a month later, he openly discussed the government's likely response if extraterrestrial contact is ever made.

352

00:38:09,000 --> 00:38:20,000

You have a bomber telling New York Times that extraterrestrial contact would of course require the US quote to spend a lot more on defense.

353

00:38:21,000 --> 00:38:31,000

That was one hell of a statement given that the US already spends an absolutely colossal \$800 billion, probably nearly a trillion dollars annually.

354

00:38:31,000 --> 00:38:36,000

I mean, you've got to ask, what kind of alien contact is President Obama envisaging?

355

00:38:36,000 --> 00:38:46,000

What's really incredible about this is it's a complete U-turn from what he said while he was in the White House from 2009 to 2017.

356

00:38:47,000 --> 00:38:53,000

I, Barack Hussein Obama, do solemnly swear that I will faithfully execute.

357

00:38:53,000 --> 00:39:03,000

In 2011, two petitions with thousands of signatures were sent to the Obama administration seeking the truth about UFO contacts.

358

00:39:03,000 --> 00:39:15,000

One had over 12,000 calling on the American government, firstly, to disclose any knowledge or communication with extraterrestrial beings.

359

00:39:15,000 --> 00:39:22,000

And secondly, to acknowledge that there had been extraterrestrial engagement with Earth.

360

00:39:24,000 --> 00:39:37,000

The petitions referred to hundreds of military and government agency personnel who are coming forward with testimony confirming this extraterrestrial presence.

361

00:39:38,000 --> 00:39:46,000

When the petitions arrived at Obama's White House, his senior advisor for space and innovation, Phil Larson, responded.

362

00:39:46,000 --> 00:39:54,000

He just flat out denies any knowledge of extraterrestrial beings, and he tells the petitioners that the government had quote,

363

00:39:54,000 --> 00:39:59,000

no evidence that any life exists outside our planet.

364

00:40:00,000 --> 00:40:08,000

But leaked emails from 2015 paint a very different picture of behind the scenes discussions in Obama's White House.

365

00:40:09,000 --> 00:40:18,000

What WikiLeaks revealed is that there was this whole chain of emails between the late NASA astronaut Edgar Mitchell and the Obama administration.

366

00:40:21,000 --> 00:40:27,000

Mitchell was the lunar module pilot on Apollo 14, and he was only the sixth person to walk on the moon.

367

00:40:28,000 --> 00:40:36,000

And after retiring from NASA in 1972, it was Mitchell's outspoken views on UFOs that kept him in the headlines.

368

00:40:38,000 --> 00:40:48,000

He said, I happen to be privileged enough to be in on the fact that we have been visited on this planet and the UFO phenomenon is real.

369

00:40:48,000 --> 00:40:56,000

In an email sent on the 25th of June 2014, Mitchell requests a meeting with President Obama and John Podesta.

370

00:40:57,000 --> 00:41:03,000

Podesta was a prominent Democrat and very much part of the establishment at the time.

371

00:41:04,000 --> 00:41:13,000

On January 1st, 2014, John Podesta became councillor to the president, having previously spent four years in Bill Clinton's administration.

372

00:41:15,000 --> 00:41:18,000

Podesta is the ultimate Washington insider.

373

00:41:18,000 --> 00:41:23,000

There's still counting votes, and every vote gets counted.

374

00:41:23,000 --> 00:41:27,000

And he has a strong interest in UFOs.

375

00:41:27,000 --> 00:41:34,000

There are speeches where Podesta is arguing for disclosure. He says, you know, it's the right thing to do.

376

00:41:35,000 --> 00:41:47,000

A politician as high-profile as Podesta, calling for the government to disclose what it knows about UFOs, was music to Edgar Mitchell's ears, and the astronaut got in touch by email.

377

00:41:47,000 --> 00:41:53,000

He wants to discuss the next steps in terms of extraterrestrial disclosure.

378

00:41:54,000 --> 00:42:04,000

It turns out that Podesta had been talking to some of America's most senior generals with the aim of making public the knowledge of UAPs.

379

00:42:05,000 --> 00:42:11,000

But none of this frantic behind-the-scenes activity on UFOs is ever made public.

380

00:42:11,000 --> 00:42:19,000

The thing that really baffles me with the Obama administration is how little information about UFOs actually got out.

381

00:42:19,000 --> 00:42:29,000

Given their interest in disclosure, they never pushed it to the extent where the American people were given the information they deserved.

382

00:42:31,000 --> 00:42:39,000

There is a strange pattern of United States presidents showing an interest in UFOs, but being silenced once in office.

383

00:42:39,000 --> 00:42:50,000

You have Gerald Ford, who was present in the 1970s, and he said that he wanted answers to the UFO issue in 1966, but once he was in the White House, he didn't bother anymore.

384

00:42:50,000 --> 00:42:58,000

Jimmy Carter said he personally saw a UFO in the sky above a restaurant in Leary, Georgia, in 1969.

385

00:42:58,000 --> 00:43:05,000

He told journalists that once in office, he'd throw open the government's UFO files to scientists and the public.

386

00:43:05,000 --> 00:43:14,000

Attorney Daniel Sheehan says that President Jimmy Carter approached the head of the CIA, who at the time was George Bush Sr.

387

00:43:14,000 --> 00:43:27,000

Carter allegedly told Bush to reveal the truth about UFOs, and Bush allegedly replied that he, the U.S. president, didn't have the need to know.

388

00:43:28,000 --> 00:43:40,000

Obama's carefully worded admission to James Corden on primetime television is proof that whatever UFOs are, the age of absolute secrecy is coming to an end.

389

00:43:40,000 --> 00:43:49,000

There's been a political and cultural shift in Washington, D.C., and now the issues are being increasingly discussed.

390

00:43:50,000 --> 00:44:01,000

Reports claim that the military and intelligence communities are dragging their feet, but the tide is starting to turn against them, and they won't be able to swim against that tide for much longer.

391

00:44:02,000 --> 00:44:13,000

On March 10, 2022, an independent researcher investigating classified documents held in Obama's presidential library made a staggering discovery.

392

00:44:14,000 --> 00:44:21,000

Almost 30,000 pages of UAP and extraterrestrial data. I mean, that's vast.

393

00:44:22,000 --> 00:44:34,000

Obama handed back the keys to the White House in January 2017, but he may yet become the president who helps to disclose the truth about UFOs.

394

00:44:34,000 --> 00:44:49,000

How much does Obama know? Could he still become the disclosure president and share with us some of the vast information that he has on UFOs and UAPs?
