

1

00:00:00,000 --> 00:00:05,000

US military pilots film a disturbing formation in the skies.

2

00:00:05,000 --> 00:00:08,000

I don't know what that is. That is some weird...

3

00:00:08,000 --> 00:00:14,000

These US pilots refer to the 12 mysterious objects in the sky as a fleet.

4

00:00:14,000 --> 00:00:18,000

They're not just lights, they're some kind of craft.

5

00:00:21,000 --> 00:00:26,000

The mayor of a Turkish city makes an extraordinary discovery.

6

00:00:26,000 --> 00:00:31,000

He claims this temple, in a place nicknamed the City of the Prophets,

7

00:00:31,000 --> 00:00:33,000

was actually built by aliens.

8

00:00:33,000 --> 00:00:37,000

We really don't know how or why it was created.

9

00:00:37,000 --> 00:00:42,000

And when Albert Einstein met E.T., the astonishing audio tape,

10

00:00:42,000 --> 00:00:47,000

that if true, proves the world's leading scientist was at Roswell.

11

00:00:47,000 --> 00:00:52,000

We apparently survived in our atmosphere and they had apparently come such a long way.

12

00:00:52,000 --> 00:00:56,000

If this is real, this is the smoking gun.

13

00:00:56,000 --> 00:01:01,000

It proves everything. Aliens, the crash, the cover-up, it goes right to the top.

14

00:01:02,000 --> 00:01:08,000

UFOs once the stuff of science fiction, now caught on camera,

15

00:01:08,000 --> 00:01:12,000

finally forcing governments to reveal what they know.

16

00:01:12,000 --> 00:01:15,000

UAPs aren't unexplained, but they are real.

17

00:01:18,000 --> 00:01:21,000

Many of these phenomena have been cited in training ranges.

18

00:01:21,000 --> 00:01:24,000

We're very much concerned about safety of flight.

19

00:01:24,000 --> 00:01:28,000

So let's just speculate for one moment that these things, whatever they are,

20

00:01:28,000 --> 00:01:30,000

are here to do not very good things.

21

00:01:30,000 --> 00:01:37,000

Impossible engineering, terrifying encounters, sinister cover-ups.

22

00:01:37,000 --> 00:01:42,000

This is evidence of the unexplained.

23

00:01:52,000 --> 00:01:57,000

I don't know what that is. That is some weird...

24

00:01:58,000 --> 00:02:06,000

24th of November, 2021, a US military pilot reacts to a disturbing phenomenon in the skies.

25

00:02:06,000 --> 00:02:10,000

They're just above the clouds.

26

00:02:10,000 --> 00:02:13,000

These three lines of light.

27

00:02:13,000 --> 00:02:17,000

They look like small craft flying in some kind of formation.

28

00:02:17,000 --> 00:02:19,000

This is something really bizarre.

29

00:02:19,000 --> 00:02:22,000

This isn't a reflection in the window of the aeroplane,

30

00:02:22,000 --> 00:02:25,000

and it's not the lights of the fishing boats on the sea below.

31

00:02:25,000 --> 00:02:28,000

These things are above the clouds.

32

00:02:28,000 --> 00:02:31,000

These are experienced military pilots.

33

00:02:31,000 --> 00:02:33,000

They've flown countless hours.

34

00:02:33,000 --> 00:02:38,000

They've seen everything there is to see up there in the skies.

35

00:02:38,000 --> 00:02:40,000

But not this.

36

00:02:42,000 --> 00:02:46,000

These US pilots refer to the US military pilots.

37

00:02:46,000 --> 00:02:52,000

They also refer to the up to 12 mysterious objects in the sky as a fleet.

38

00:02:52,000 --> 00:02:55,000

They're not just lights, they're some kind of craft.

39

00:02:58,000 --> 00:03:04,000

American military pilots are some of the most highly trained observers in the world.

40

00:03:04,000 --> 00:03:07,000

If these lights in the sky are aircraft,

41

00:03:07,000 --> 00:03:11,000

they seem to defy the rules of flight as we understand them.

42

00:03:11,000 --> 00:03:14,000

They know what a fighter jet looks like, or a helicopter,

43

00:03:14,000 --> 00:03:17,000

a drone, or a glider, you name it.

44

00:03:17,000 --> 00:03:19,000

But it's none of these things.

45

00:03:19,000 --> 00:03:23,000

They don't have wings, they don't have rudders, they don't have elevators,

46

00:03:23,000 --> 00:03:27,000

and yet they're able to defy the natural effects of Earth's gravity.

47

00:03:27,000 --> 00:03:32,000

They were seen again, but this time, directly over the island of Taiwan.

48

00:03:34,000 --> 00:03:40,000

The objects are spotted as they are being used to defy the natural effects of Earth's gravity.

49

00:03:40,000 --> 00:03:43,000

They're not just the lights, they're the lights.

50

00:03:43,000 --> 00:03:48,000

They're also the lights that are used to defy the natural effects of Earth's gravity.

51

00:03:48,000 --> 00:03:53,000

They're also the lights that are used to defy the natural effects of Earth's gravity.

52

00:03:54,000 --> 00:04:01,000

The objects are spotted and filmed from the ground this time by two local Taiwanese women.

53

00:04:08,000 --> 00:04:11,000

The illuminated shapes appear above farmland,

54

00:04:11,000 --> 00:04:16,000

weaving repeated patterns in the sky, and interacting with each other,

55

00:04:16,000 --> 00:04:20,000

once again in ways unlike any human technology.

56

00:04:20,000 --> 00:04:27,000

The footage shows the objects spinning or rotating and moving in a very, very unusual way.

57

00:04:28,000 --> 00:04:31,000

The Taiwanese military, they issue a response to the footage,

58

00:04:31,000 --> 00:04:39,000

and they say that there has been no minute tractivity or any other kinds of official aviation going on at the time of the sighting.

59

00:04:40,000 --> 00:04:45,000

Two similar unexplained phenomena in the same region within months of each other.

60

00:04:46,000 --> 00:04:52,000

It's clear that something very strange is going on, something very mysterious indeed.

61

00:04:55,000 --> 00:04:58,000

The objects appear to be classic UFOs,

62

00:04:58,000 --> 00:05:03,000

but the location of these sightings points to a highly advanced human enemy.

63

00:05:05,000 --> 00:05:11,000

The CIA analysts or whatever military intelligence arm is analyzing this footage,

64

00:05:11,000 --> 00:05:14,000

and they're going to spend days looking at it, is going to think one thing.

65

00:05:14,000 --> 00:05:15,000

China.

66

00:05:15,000 --> 00:05:18,000

So beneath that footage of those fluffy clouds,

67

00:05:18,000 --> 00:05:23,000

you have China's presence looming menacingly over independent Taiwan.

68

00:05:23,000 --> 00:05:29,000

That's a place of 23 million people that regard itself as an independent country.

69

00:05:31,000 --> 00:05:37,000

Taiwan lies in the South China Sea, just 100 miles east of the Chinese mainland,

70

00:05:37,000 --> 00:05:41,000

and it's a constant thorn in the side of the superpower.

71

00:05:41,000 --> 00:05:48,000

Communist China has viewed Taiwan as its own territory since just after the end of the Second World War,

72

00:05:48,000 --> 00:05:53,000

and that poses a threat not only to Taiwan, but also to the United States.

73

00:05:53,000 --> 00:05:57,000

Taiwan dominates what's known as the first island chain.

74

00:05:57,000 --> 00:06:03,000

Now that's a line of US-friendly islands that are totally crucial for American foreign policy.

75

00:06:04,000 --> 00:06:10,000

Analysts like retired Lieutenant Colonel Daniel Davis of the Defense Priorities think tank

76

00:06:10,000 --> 00:06:15,000

fear a terrifying armed conflict between China and the US.

77

00:06:17,000 --> 00:06:22,000

When I first saw these separate objects moving in a carefully coordinated way,

78

00:06:22,000 --> 00:06:24,000

what came to mind immediately was drones.

79

00:06:24,000 --> 00:06:28,000

China leads the world in drone development and production.

80

00:06:28,000 --> 00:06:33,000

Just go to December 2021, Global Fortune Forum in Guangzhou,

81

00:06:33,000 --> 00:06:40,000

and we see 1,180 drones perform in this incredible, complicated formation.

82

00:06:42,000 --> 00:06:48,000

And it's no surprise that China was the setting for a world record-breaking drone flight

83

00:06:48,000 --> 00:06:53,000

with 3,281 drones airborne simultaneously.

84

00:06:54,000 --> 00:06:59,000

Drones are used a lot in China to observe their own population.

85

00:06:59,000 --> 00:07:02,000

There's a lot of big brother activity there.

86

00:07:02,000 --> 00:07:06,000

There are cameras spying on citizens everywhere in China,

87

00:07:06,000 --> 00:07:11,000

and they're using artificial intelligence, facial recognition, even gate recognition.

88

00:07:11,000 --> 00:07:18,000

That is looking at the individual way that all of us walk to log the movements of Chinese citizens.

89

00:07:19,000 --> 00:07:23,000

And the Chinese drone builders are masters of disguise.

90

00:07:23,000 --> 00:07:31,000

30 Chinese government and military agencies have been using drones disguised as birds

91

00:07:31,000 --> 00:07:35,000

to spy on an unwitting population.

92

00:07:35,000 --> 00:07:41,000

The project is codenamed Dove, and it's just as sinister as the ironic name of it sounds.

93

00:07:41,000 --> 00:07:46,000

The drones are programmed to flap their wings and glide just like a real bird would.

94

00:07:48,000 --> 00:07:53,000

For any person in China, you can pretty much assume that any person you meet,

95

00:07:53,000 --> 00:07:57,000

whatever you do when you're outdoors, is being monitored.

96

00:07:57,000 --> 00:08:00,000

These drones work in total synchronicity.

97

00:08:00,000 --> 00:08:04,000

They exhibit a kind of collective artificial intelligence.

98

00:08:04,000 --> 00:08:11,000

And as a weapon of war, Chinese military drones are even more technologically advanced.

99

00:08:14,000 --> 00:08:17,000

They could be devastating.

100

00:08:17,000 --> 00:08:21,000

We're talking about autonomous decision-making as a group.

101

00:08:21,000 --> 00:08:26,000

They share sensor data, they target high-speed vessels.

102

00:08:26,000 --> 00:08:30,000

They can react to circumstances changing around them.

103

00:08:30,000 --> 00:08:33,000

I mean, these things are seriously clever.

104

00:08:33,000 --> 00:08:38,000

We've seen them hunt enemy missile launchers, or really pursue any target they're assigned to.

105

00:08:38,000 --> 00:08:42,000

How are you going to defend yourself against thousands of armed drones?

106

00:08:42,000 --> 00:08:46,000

Now, the Americans have this incredible thing called the Phalanx gun

107

00:08:46,000 --> 00:08:50,000

that can fire over four and a half thousand rounds a minute.

108

00:08:53,000 --> 00:08:59,000

But even if your opponent destroys 80% of the drone's swarm,

109

00:08:59,000 --> 00:09:03,000

that still leaves a whole bunch of drones that can accomplish the mission.

110

00:09:03,000 --> 00:09:05,000

It's a whole new type of warfare.

111

00:09:05,000 --> 00:09:09,000

And any war begins with reconnaissance.

112

00:09:09,000 --> 00:09:12,000

But these objects are behaving in one particular way

113

00:09:12,000 --> 00:09:16,000

that must have unnerved even those seasoned pilots.

114

00:09:17,000 --> 00:09:20,000

What I think really must have spooked the pilots

115

00:09:20,000 --> 00:09:25,000

is the way in which they keep appearing and then disappearing.

116

00:09:25,000 --> 00:09:28,000

These objects aren't vanishing behind a cloud.

117

00:09:28,000 --> 00:09:30,000

They're simply blinking out of existence.

118

00:09:30,000 --> 00:09:34,000

Then they seem to reappear at a different point in the sky.

119

00:09:34,000 --> 00:09:37,000

Theoretically in physics, we know it's possible.

120

00:09:37,000 --> 00:09:39,000

We call it teleportation.

121

00:09:39,000 --> 00:09:43,000

The drones currently made by our technology can't do this.

122

00:09:43,000 --> 00:09:46,000

No man-made technology can do this.

123

00:09:46,000 --> 00:09:52,000

Finally, and most remarkably, the formation dematerializes completely.

124

00:09:58,000 --> 00:10:01,000

These objects have been reported over many contested territories

125

00:10:01,000 --> 00:10:06,000

in war zones all over the world, from Ukraine to Afghanistan,

126

00:10:06,000 --> 00:10:11,000

and right back to World War II when pilots called them food fighters.

127

00:10:16,000 --> 00:10:21,000

Whatever those objects are, they may not be a good sign for the West.

128

00:10:21,000 --> 00:10:27,000

Seeing unidentified objects like this over a hotly contested area

129

00:10:27,000 --> 00:10:29,000

is of course incredibly dangerous.

130

00:10:29,000 --> 00:10:33,000

When you have so much weaponry and so many itchy trigger fingers

131

00:10:33,000 --> 00:10:35,000

in the same relatively small area,

132

00:10:35,000 --> 00:10:38,000

it's not impossible that one mistake could launch the war

133

00:10:38,000 --> 00:10:40,000

that would be the end of the solve.

134

00:10:49,000 --> 00:10:51,000

Their eyes were enormous.

135

00:10:51,000 --> 00:10:54,000

They were very prominent.

136

00:10:54,000 --> 00:10:57,000

They were the most obvious thing you'd see on their face.

137

00:10:57,000 --> 00:11:01,000

In October 2021, an audio tape emerges.

138

00:11:01,000 --> 00:11:07,000

Its contents, if true, are proof of perhaps the biggest cover-up in world history.

139

00:11:07,000 --> 00:11:14,000

The ones that I saw were approximately maybe five feet tall.

140

00:11:14,000 --> 00:11:17,000

This has the potential to change everything.

141

00:11:17,000 --> 00:11:22,000

If this is real, this is the smoking gun.

142

00:11:22,000 --> 00:11:23,000

It proves everything.

143

00:11:23,000 --> 00:11:27,000

Aliens, the crash, the cover-up, it goes right to the top.

144

00:11:27,000 --> 00:11:31,000

The female voice on the tape claims to be that of the former personal assistant

145

00:11:31,000 --> 00:11:35,000

to world-famous scientist Albert Einstein.

146

00:11:35,000 --> 00:11:39,000

And in minute detail, she describes the day she and her boss came face to face

147

00:11:39,000 --> 00:11:41,000

with the crash at Roswell.

148

00:11:41,000 --> 00:11:46,000

If the world's most intelligent man, most brilliant physicist,

149

00:11:46,000 --> 00:11:49,000

has seen aliens, then we need to start preparing.

150

00:11:49,000 --> 00:11:55,000

Roswell. It's the biggest and strangest UFO mystery of all.

151

00:11:58,000 --> 00:12:06,000

The story goes that in 1947, something crashed just outside of Roswell Army airfield.

152

00:12:06,000 --> 00:12:11,000

And the U.S. Army released a report saying that a flying disc had been recovered.

153

00:12:11,000 --> 00:12:16,000

And very quickly, they retract that statement and say it's a weather balloon that crashed.

154

00:12:16,000 --> 00:12:21,000

So rest assured, that strange saucer-like object was probably only an optical illusion.

155

00:12:21,000 --> 00:12:23,000

Actually, a stratospheric weather balloon.

156

00:12:23,000 --> 00:12:27,000

And then we heard that bodies of aliens had been recovered

157

00:12:27,000 --> 00:12:31,000

and that the authorities were engaged in a determined cover-up.

158

00:12:31,000 --> 00:12:36,000

By the early 1990s, speculation around the crash was at fever pitch,

159

00:12:36,000 --> 00:12:40,000

and the authorities were pressured into making a statement.

160

00:12:40,000 --> 00:12:46,000

In 1994, the U.S. Air Force was forced to release a report saying that the object

161

00:12:46,000 --> 00:12:50,000

was a crashed nuclear-tesque surveillance balloon.

162

00:12:50,000 --> 00:12:54,000

As if they couldn't have released it before because it was classified.

163

00:12:54,000 --> 00:13:00,000

With these rumors circulating that alien bodies had been recovered from the crash site,

164

00:13:00,000 --> 00:13:03,000

the authorities react in a very odd way.

165

00:13:03,000 --> 00:13:07,000

They say, yes, yes, there are things that look like bodies,

166

00:13:07,000 --> 00:13:11,000

but they're crash test dummies that have been dropped from high altitude.

167

00:13:11,000 --> 00:13:16,000

Well, far from scotching the rumors, that only fuels them even more.

168

00:13:16,000 --> 00:13:20,000

The government's story has changed time after time,

169

00:13:20,000 --> 00:13:22,000

or that is very suspicious.

170

00:13:22,000 --> 00:13:26,000

The person speaking on the newly released tape makes it crystal clear

171

00:13:26,000 --> 00:13:30,000

that Roswell was a real encounter with a crashed UFO,

172

00:13:30,000 --> 00:13:34,000

and its very peculiar occupants.

173

00:13:34,000 --> 00:13:38,000

Did they seem repelled by our appearance since they look so different?

174

00:13:38,000 --> 00:13:41,000

Oh, they thought we were very odd.

175

00:13:41,000 --> 00:13:45,000

The audio tape purports to be an interview with Dr. Shirley Wright.

176

00:13:45,000 --> 00:13:49,000

She claims she was the assistant to the man who put forward the theory of relativity

177

00:13:49,000 --> 00:13:53,000

and arguably the architect of the modern world, Albert Einstein.

178

00:13:53,000 --> 00:14:00,000

The recording made in 1993 describes Dr. Wright accompanying the world-famous physicist

179

00:14:00,000 --> 00:14:06,000

to inspect the Roswell crash, almost immediately after it happened.

180

00:14:06,000 --> 00:14:10,000

Albert Einstein was the greatest physicist of all time.

181

00:14:10,000 --> 00:14:13,000

His theory of relativity and his work in quantum mechanics

182

00:14:13,000 --> 00:14:17,000

laid the foundations for all modern physics.

183

00:14:17,000 --> 00:14:20,000

So, if a major scientific event happened,

184

00:14:20,000 --> 00:14:26,000

it'd make sense for the US government to call on the world's preeminent physicist to investigate.

185

00:14:26,000 --> 00:14:30,000

But nothing about his alleged visit was ever made public,

186

00:14:30,000 --> 00:14:34,000

until the appearance of the mysterious Shirley Wright tape.

187

00:14:34,000 --> 00:14:40,000

The voice on the tape claims that she and Einstein were taken to the site

188

00:14:40,000 --> 00:14:43,000

that they were ushered into a hangar.

189

00:14:43,000 --> 00:14:46,000

And within that hangar was some kind of alien craft,

190

00:14:46,000 --> 00:14:50,000

the likes of which had never been seen on Earth.

191

00:14:51,000 --> 00:14:55,000

The description on the tape is extremely specific.

192

00:14:55,000 --> 00:15:01,000

She says it was a disc-shaped object, slightly concave in structure.

193

00:15:01,000 --> 00:15:04,000

The size of this object was immense.

194

00:15:04,000 --> 00:15:09,000

She said that it was fully one-quarter the height of the hangar.

195

00:15:09,000 --> 00:15:14,000

And seemed to be made out of a material completely unknown to science.

196

00:15:14,000 --> 00:15:18,000

On the tape, Dr Shirley Wright says that, at a distance,

197

00:15:18,000 --> 00:15:24,000

the ship in her own words seemed to be made from a rather reflective material,

198

00:15:24,000 --> 00:15:26,000

but that when they got up close...

199

00:15:26,000 --> 00:15:28,000

It was rather dull.

200

00:15:28,000 --> 00:15:32,000

She says this made the team particularly curious.

201

00:15:32,000 --> 00:15:37,000

But beyond the ship lay the bodies.

202

00:15:37,000 --> 00:15:40,000

So the ship is one thing, but then you have the aliens themselves.

203

00:15:40,000 --> 00:15:44,000

And she claims that Einstein and she were allowed to look at them.

204

00:15:44,000 --> 00:15:46,000

How many were there originally?

205

00:15:46,000 --> 00:15:48,000

I saw nine.

206

00:15:48,000 --> 00:15:50,000

But they all look the same to her.

207

00:15:50,000 --> 00:15:55,000

They were about five feet high, completely hairless, with big heads,

208

00:15:55,000 --> 00:15:57,000

and enormous dark eyes.

209

00:15:57,000 --> 00:16:01,000

And a skin that was grey with a bit of greenish tinge.

210

00:16:01,000 --> 00:16:05,000

Incredibly, she says not all of these creatures were dead.

211

00:16:05,000 --> 00:16:09,000

She even claims that they communicated telepathically and breathed oxygen.

212

00:16:09,000 --> 00:16:12,000

Did they need any special breathing apparatuses?

213

00:16:12,000 --> 00:16:15,000

No, they could apparently survive in our atmosphere,

214

00:16:15,000 --> 00:16:18,000

and they had apparently come such a long way.

215

00:16:18,000 --> 00:16:21,000

According to the tape, they weren't from our galaxy,

216

00:16:21,000 --> 00:16:24,000

but from a star system unknown to Einstein.

217

00:16:24,000 --> 00:16:27,000

And they were seeking to colonise another planet.

218

00:16:27,000 --> 00:16:29,000

Hours.

219

00:16:29,000 --> 00:16:33,000

They asked the scientists what was their best system

220

00:16:33,000 --> 00:16:36,000

of going out into the atmosphere,

221

00:16:36,000 --> 00:16:38,000

or going into the ocean,

222

00:16:38,000 --> 00:16:42,000

and how deeply we had penetrated galaxies, things like that.

223

00:16:42,000 --> 00:16:47,000

And they were very quick to let us know that we didn't know anything.

224

00:16:47,000 --> 00:16:50,000

If Einstein was present at Roswell as a witness,

225

00:16:50,000 --> 00:16:53,000

I can't imagine how he would react it.

226

00:16:53,000 --> 00:16:55,000

It's mind-blowing stuff.

227

00:16:59,000 --> 00:17:02,000

If this incredibly detailed story is true,

228

00:17:02,000 --> 00:17:08,000

it indicates that some kind of unknown craft containing non-human occupants

229

00:17:08,000 --> 00:17:12,000

crashed in New Mexico in 1947,

230

00:17:12,000 --> 00:17:18,000

and that the US government has covered up the truth about it for 75 years.

231

00:17:20,000 --> 00:17:28,000

Have we come across any wreckage of any kind of object that has now been examined by you?

232

00:17:28,000 --> 00:17:32,000

The UAP Task Force doesn't have any wreckage that isn't explainable,

233

00:17:32,000 --> 00:17:35,000

that isn't consistent with being of terrestrial origin.

234

00:17:35,000 --> 00:17:39,000

Perhaps one of the reasons why people are very loathsome

235

00:17:39,000 --> 00:17:42,000

to talk about potential crash and crash retrievals,

236

00:17:42,000 --> 00:17:45,000

because by necessity you have to ask the next question,

237

00:17:45,000 --> 00:17:47,000

which is, was it occupied?

238

00:17:47,000 --> 00:17:51,000

And if it was, then what did they look like?

239

00:17:51,000 --> 00:17:52,000

Where were they from?

240

00:17:52,000 --> 00:17:54,000

Did we communicate, right?

241

00:17:54,000 --> 00:17:58,000

And all these other Pandora box questions that are going to happen

242

00:17:58,000 --> 00:18:03,000

very quickly within seconds of admitting that there was a crash.

243

00:18:03,000 --> 00:18:06,000

The formal position I have to take is,

244

00:18:06,000 --> 00:18:10,000

I really can't tell you much about it because I wasn't there.

245

00:18:10,000 --> 00:18:13,000

The informal position I can take is that,

246

00:18:13,000 --> 00:18:15,000

Roswell happened.

247

00:18:15,000 --> 00:18:18,000

Whatever it was, it happened.

248

00:18:18,000 --> 00:18:22,000

There was an event, there was a quick reaction force,

249

00:18:22,000 --> 00:18:26,000

if you will, or rapid deployment of troops to secure the area.

250

00:18:26,000 --> 00:18:30,000

Debris was recovered, whatever that debris was,

251

00:18:30,000 --> 00:18:33,000

and research and analysis was done.

252

00:18:35,000 --> 00:18:39,000

But can we trust this taped account of Dr. Shirley Wright?

253

00:18:39,000 --> 00:18:45,000

This interview was recorded 50 years after the alleged event.

254

00:18:45,000 --> 00:18:49,000

And she would have been only 19 at the time that this happened.

255

00:18:49,000 --> 00:18:53,000

Also, no other accounts anywhere near this have come out.

256

00:18:53,000 --> 00:18:56,000

So you really have to wonder, is this real?

257

00:18:56,000 --> 00:19:02,000

Why does she wait 50 years to spill the beans on what happened at Roswell

258

00:19:02,000 --> 00:19:03,000

with her and Einstein?

259

00:19:03,000 --> 00:19:06,000

So to me, you have to ask, who was Shirley Wright?

260

00:19:06,000 --> 00:19:08,000

And then see if that changes things for you.

261

00:19:08,000 --> 00:19:10,000

And to me, I think it is quite compelling.

262

00:19:10,000 --> 00:19:12,000

She was a scientist in her own right.

263

00:19:12,000 --> 00:19:16,000

Has PhDs in physical chemistry and physical science?

264

00:19:17,000 --> 00:19:21,000

The voice claiming to be Shirley Wright says she studied under Einstein

265

00:19:21,000 --> 00:19:27,000

at a summer program in nuclear physics at Princeton University in 1947.

266

00:19:27,000 --> 00:19:29,000

How was it that they crashed?

267

00:19:29,000 --> 00:19:33,000

They knew that it was a malfunction or something, but they didn't know it.

268

00:19:33,000 --> 00:19:37,000

She records the tape in the 90s, and at the time, she wasn't particularly aged.

269

00:19:37,000 --> 00:19:40,000

She was still of sound mind. She was only in her 60s.

270

00:19:40,000 --> 00:19:44,000

And then she insists that the tape isn't released until after her death.

271

00:19:44,000 --> 00:19:47,000

So there was no way for her to gain from it.

272

00:19:47,000 --> 00:19:50,000

Dr Wright claims that she was ordered to stay silent on the matter,

273

00:19:50,000 --> 00:19:53,000

but that she refused to take the information to her grave.

274

00:19:53,000 --> 00:19:57,000

No available public records firmly establish a connection

275

00:19:57,000 --> 00:20:00,000

between Dr Wright and Einstein.

276

00:20:00,000 --> 00:20:02,000

Really, the only way of knowing what went on here

277

00:20:02,000 --> 00:20:07,000

is to trace Einstein's historical movements at the time in the Roswell crash.

278

00:20:07,000 --> 00:20:11,000

Could he be traced to New Mexico or even to the airbase itself?

279

00:20:11,000 --> 00:20:14,000

And of course, all of those historical records are still classified

280

00:20:14,000 --> 00:20:16,000

and not part of the public record.

281

00:20:16,000 --> 00:20:20,000

At that time, Princeton likely had access to Einstein's diary.

282

00:20:20,000 --> 00:20:22,000

They knew about his movements,

283

00:20:22,000 --> 00:20:27,000

but all materials for that year relating to the great man himself

284

00:20:27,000 --> 00:20:30,000

are no longer available, have disappeared.

285

00:20:30,000 --> 00:20:32,000

What a surprise.

286

00:20:32,000 --> 00:20:34,000

Einstein reportedly said,

287

00:20:34,000 --> 00:20:37,000

Look, there's every reason to believe that other planets are inhabited.

288

00:20:37,000 --> 00:20:40,000

Why should Earth be the only planet sustaining life?

289

00:20:40,000 --> 00:20:43,000

We're not singular in any other regard.

290

00:20:43,000 --> 00:20:46,000

Did Einstein know something that we don't?

291

00:20:46,000 --> 00:20:50,000

Did he know what went down at Roswell?

292

00:20:57,000 --> 00:21:02,000

Shanloufa, south-eastern Turkey, a city of over 2 million people,

293

00:21:02,000 --> 00:21:06,000

presided over by Mayor Zeyno Abedan Bayazgur.

294

00:21:07,000 --> 00:21:11,000

He's a politician who trained as a lawyer at Istanbul University.

295

00:21:24,000 --> 00:21:30,000

In April 2022, he claims this temple, in a place nicknamed the City of the Prophets,

296

00:21:30,000 --> 00:21:33,000

was actually built by aliens.

297

00:21:34,000 --> 00:21:36,000

It's an extraordinary claim,

298

00:21:36,000 --> 00:21:40,000

but Gobekli Tepe, just to the north of Mayor Bayazgur's city,

299

00:21:40,000 --> 00:21:44,000

is possibly the most extraordinary temple on Earth.

300

00:21:44,000 --> 00:21:49,000

It's staggeringly older than any of the world's other great ancient sites.

301

00:21:52,000 --> 00:21:55,000

This site contains a lot of mysteries,

302

00:21:55,000 --> 00:21:58,000

and one of its mysteries is actually its age.

303

00:21:58,000 --> 00:22:01,000

It's believed to be the oldest temple in the world

304

00:22:01,000 --> 00:22:04,000

and was built around 12,000 years ago.

305

00:22:04,000 --> 00:22:08,000

For comparison, Giza's Great Pyramid is 4,500 years old.

306

00:22:08,000 --> 00:22:12,000

That was built in about 2,500 years BC.

307

00:22:14,000 --> 00:22:16,000

It is so old.

308

00:22:16,000 --> 00:22:21,000

It predates any type of other architecture on the planet, for the most part.

309

00:22:21,000 --> 00:22:24,000

And it's extremely precise.

310

00:22:24,000 --> 00:22:30,000

The way in which it is constructed demonstrates some sort of advanced knowledge or technique

311

00:22:30,000 --> 00:22:32,000

in construction building.

312

00:22:32,000 --> 00:22:35,000

You really don't know how or why it was created.

313

00:22:35,000 --> 00:22:40,000

And when Mayor Bayazgur studied the carvings at the temple of human-looking figures,

314

00:22:40,000 --> 00:22:44,000

a key detail of their clothing seemed wrong.

315

00:22:44,000 --> 00:22:51,000

Bayazgur's concern about these images was that while they are humanoid,

316

00:22:51,000 --> 00:22:53,000

they look very odd.

317

00:22:53,000 --> 00:22:57,000

They're not wearing kind of animal skins, as you might have expected from people at that time,

318

00:22:57,000 --> 00:23:00,000

but this kind of v-neck motif.

319

00:23:00,000 --> 00:23:05,000

And also they're carrying these very odd kind of handbags.

320

00:23:05,000 --> 00:23:09,000

What's interesting about these bags is we find them replicated in carvings

321

00:23:09,000 --> 00:23:12,000

almost identically all around the world.

322

00:23:19,000 --> 00:23:21,000

A coincidence, perhaps.

323

00:23:21,000 --> 00:23:26,000

But these small and distinctive bags are shown in the hands of one particular figure.

324

00:23:27,000 --> 00:23:32,000

They're all carried by what we've characterized as deities of some sort.

325

00:23:32,000 --> 00:23:39,000

In depictions of the Mexican god Quetzalcoatl and also this god-like race

326

00:23:39,000 --> 00:23:42,000

called the Anugna de Quí in Samaria.

327

00:23:42,000 --> 00:23:45,000

They're carrying their little bags with them.

328

00:23:45,000 --> 00:23:51,000

Now when you think about it, what are gods except a kind of extraterrestrial,

329

00:23:51,000 --> 00:23:54,000

a being beyond earthly?

330

00:23:55,000 --> 00:23:59,000

Perhaps it's not a giant leap to say that this is alien

331

00:23:59,000 --> 00:24:04,000

because these images, these beings are clearly not just being referenced,

332

00:24:04,000 --> 00:24:08,000

they're being worshipped, they're being venerated,

333

00:24:08,000 --> 00:24:13,000

and possibly they had visited our ancestors at Gobeckli Tepe

334

00:24:13,000 --> 00:24:16,000

and were imparting great wisdom to them.

335

00:24:17,000 --> 00:24:22,000

Mayor Bayazgul isn't the first person to make a connection

336

00:24:22,000 --> 00:24:26,000

between incredible engineering feats of the past

337

00:24:26,000 --> 00:24:29,000

and potential visitors from other worlds.

338

00:24:32,000 --> 00:24:36,000

Eric Vondanekin very effectively popularized in the 70s

339

00:24:36,000 --> 00:24:41,000

the idea that aliens came and bestowed civilization and engineering

340

00:24:41,000 --> 00:24:43,000

and things like that upon human beings.

341

00:24:44,000 --> 00:24:49,000

Vondanekin proposed that a carving on a tomb in Polenque, Mexico

342

00:24:49,000 --> 00:24:53,000

shows an ancient astronaut in a spaceship

343

00:24:53,000 --> 00:24:58,000

and that the pyramids of Egypt and Mexico, Stonehenge

344

00:24:58,000 --> 00:25:01,000

and the platforms of Pumupuncu in Polyvia

345

00:25:01,000 --> 00:25:05,000

were built with the aid of these extraterrestrial gods.

346

00:25:07,000 --> 00:25:11,000

If we take the example of pyramids and the similarity

347

00:25:11,000 --> 00:25:16,000

between pyramids in say Egypt and China and Mexico,

348

00:25:16,000 --> 00:25:18,000

does that mean extraterrestrials?

349

00:25:18,000 --> 00:25:23,000

Or does it just mean that that structure is something that's very obvious

350

00:25:23,000 --> 00:25:26,000

and very logical for human beings to create?

351

00:25:26,000 --> 00:25:30,000

If you really look at all of Vondanekin's so-called evidence

352

00:25:30,000 --> 00:25:34,000

you'll see that he was highly, highly selective with his sources.

353

00:25:34,000 --> 00:25:36,000

So we don't get a complete picture,

354

00:25:36,000 --> 00:25:40,000

we just get the conspiracy theory that he was selling.

355

00:25:40,000 --> 00:25:45,000

But the temple at Gobekli Tepe and nearby sister structures

356

00:25:45,000 --> 00:25:48,000

were not discovered until the 1990s

357

00:25:48,000 --> 00:25:52,000

and have ripped up conventional archaeological timelines.

358

00:25:55,000 --> 00:25:58,000

These things were built at a time when people were hunter-gatherers

359

00:25:58,000 --> 00:26:00,000

they were living in small nomadic communities

360

00:26:00,000 --> 00:26:05,000

and it seems incredible that at a time before agriculture was properly invented

361

00:26:05,000 --> 00:26:09,000

there would be the organizational and technical skills

362

00:26:09,000 --> 00:26:12,000

required to build a complex of this type.

363

00:26:13,000 --> 00:26:17,000

A find at a nearby 11,000-year-old sister site,

364

00:26:17,000 --> 00:26:21,000

Karahan Tepe, has baffled archaeologists even further.

365

00:26:21,000 --> 00:26:26,000

What we have at this site is carvings of humanoid figures

366

00:26:26,000 --> 00:26:30,000

but there's something very odd about these humanoid figures.

367

00:26:30,000 --> 00:26:32,000

They've got six fingers.

368

00:26:33,000 --> 00:26:37,000

These depictions of six-fingered gods

369

00:26:37,000 --> 00:26:42,000

have also been found in archaeological sites in Malta, Iran and New Mexico.

370

00:26:42,000 --> 00:26:45,000

In the Matagrosso region of Brazil,

371

00:26:45,000 --> 00:26:51,000

investigators claim to have found members of the Boris and Chavont tribespeople

372

00:26:51,000 --> 00:26:58,000

who claim that they were visited in ancient times by dwarfish figures with six fingers.

373

00:26:59,000 --> 00:27:03,000

Six-fingered humans are not unknown to science.

374

00:27:03,000 --> 00:27:06,000

It's a condition called polydactyly.

375

00:27:09,000 --> 00:27:14,000

People are born with the condition where they just have an extra digit on their hand.

376

00:27:14,000 --> 00:27:16,000

They don't suffer, their hands still work.

377

00:27:16,000 --> 00:27:21,000

So if you had a little gene pool of people who had this attribute,

378

00:27:21,000 --> 00:27:26,000

then you might have a little community of people who really did have six digits.

379

00:27:28,000 --> 00:27:34,000

But it does seem very notable that figures who are divine

380

00:27:34,000 --> 00:27:38,000

or who could be aliens do tend to have six fingers.

381

00:27:38,000 --> 00:27:44,000

Mayor Bayazgul may have claimed aliens built the temples that surround his city

382

00:27:44,000 --> 00:27:47,000

as a way of drumming up the tourist trade,

383

00:27:47,000 --> 00:27:53,000

or his lawyer's brain may have made connections mainstream archaeologists have failed to spot.

384

00:27:53,000 --> 00:28:00,000

Whatever the truth, it seems at some point people wanted these structures to be kept a secret.

385

00:28:01,000 --> 00:28:06,000

Something very mysterious about Quebec Lee Tepe is the fact that

386

00:28:06,000 --> 00:28:12,000

around about 8,000 years ago, the people who built this site, or their descendants,

387

00:28:12,000 --> 00:28:19,000

filled it in. Deliberately, they backfilled it, almost as if they were hiding it,

388

00:28:19,000 --> 00:28:24,000

maybe through a sense of shame, maybe to keep a secret, and then they abandoned it.

389

00:28:24,000 --> 00:28:32,000

Does this ancient and very mysterious civilization hold the key to the UFO mystery?

390

00:28:39,000 --> 00:28:45,000

In 2016, the CIA reveals an extraordinary report from post-war Germany,

391

00:28:45,000 --> 00:28:50,000

an incredible account that's been kept under wraps for almost 60 years.

392

00:28:50,000 --> 00:28:58,000

It's a sworn statement given by 48-year-old Oscar Linker, who lived in Turingia in communist-controlled East Germany.

393

00:28:58,000 --> 00:29:03,000

Oscar says that the incredible incident happened in June 1950,

394

00:29:03,000 --> 00:29:09,000

when he and his daughter Gabriella were on a motorcycle heading home to Gleimer's housing.

395

00:29:09,000 --> 00:29:12,000

One of the tires on the motorcycle blew, forcing them to stop.

396

00:29:12,000 --> 00:29:15,000

At the time, they were somewhere near Havelbach.

397

00:29:16,000 --> 00:29:22,000

They were walking along when Gabriella points to something that looks like a couple of deer.

398

00:29:22,000 --> 00:29:28,000

As they get closer, Oscar can see that the deer are actually two figures

399

00:29:28,000 --> 00:29:32,000

dressed in shiny metallic clothing, looking at something on the ground.

400

00:29:32,000 --> 00:29:39,000

Oscar says they are looking at a large object about 13-15 meters across, shaped like a frying pan.

401

00:29:39,000 --> 00:29:46,000

The object has two rows of holes that run around its edge, each about 30 centimeters in circumference.

402

00:29:46,000 --> 00:29:54,000

And on the top of the craft is a three-meter high conical tower, occupied by strange-looking figures.

403

00:29:54,000 --> 00:30:01,000

One of them has a lamp on the front of his body that flashes and lights up at regular intervals.

404

00:30:01,000 --> 00:30:07,000

Suddenly, Gabriella calls out to her father, and this disturbs the figures.

405

00:30:07,000 --> 00:30:11,000

They climb back into the craft via the conical tower.

406

00:30:11,000 --> 00:30:19,000

It sounds fantastical, but Oscar describes how the side of the craft began to glitter and change color from green to red.

407

00:30:19,000 --> 00:30:26,000

And the craft begins to hum as it slowly rises from the ground and starts to rotate like a top.

408

00:30:27,000 --> 00:30:32,000

It's surrounded by a ring of flames, and the whole thing then rises slowly from the ground.

409

00:30:32,000 --> 00:30:36,000

Oscar describes the eerie whistling sound, like a bomb being dropped.

410

00:30:36,000 --> 00:30:45,000

And as the vehicle sped off, Oscar estimated that its speed was an extraordinary 1,000 miles per hour.

411

00:30:45,000 --> 00:30:48,000

That's about 1,600 kilometers per hour.

412

00:30:48,000 --> 00:30:54,000

It sounds like a classic UFO story, with a flying saucer straight out of the black and white science fiction films

413

00:30:54,000 --> 00:30:58,000

that at the time were gripping audiences in the West.

414

00:30:58,000 --> 00:31:04,000

But Oscar wasn't scared of aliens, only of an enemy closer to home.

415

00:31:07,000 --> 00:31:13,000

He described the figures' suits as being thick, like polar explorers.

416

00:31:13,000 --> 00:31:16,000

He said he thought they were Russians.

417

00:31:16,000 --> 00:31:22,000

Soviet-controlled East Germany was run on censorship, control and fear.

418

00:31:22,000 --> 00:31:28,000

So, stumbling across a potential military invention and knowing about it

419

00:31:28,000 --> 00:31:34,000

could have made Oscar and his daughter the target of intense interrogation.

420

00:31:34,000 --> 00:31:41,000

He decides to get out of communist-controlled Germany in case anyone finds out what he's seen.

421

00:31:41,000 --> 00:31:48,000

And he escapes with his family into the Western-controlled part of Berlin in April 1951.

422

00:31:48,000 --> 00:31:51,000

And tells his story to the Americans.

423

00:31:51,000 --> 00:31:58,000

Berlin in the 1950s was full of American spies trying to keep the West free with whatever was necessary.

424

00:31:58,000 --> 00:32:02,000

What makes Oscar Linker's UFO account so extraordinary to the Americans

425

00:32:02,000 --> 00:32:06,000

is the level of engineering detail he provides about what he saw.

426

00:32:06,000 --> 00:32:12,000

And after the fall of the Berlin Wall in 1989, remarkable drawings were unearthed

427

00:32:12,000 --> 00:32:16,000

that show the Russians were working on a flying saucer-like craft.

428

00:32:16,000 --> 00:32:21,000

Drawings were published of a secret aerial craft called the A-keam,

429

00:32:21,000 --> 00:32:25,000

which is a kind of a rocket launcher that's made of a rocket.

430

00:32:25,000 --> 00:32:30,000

And it's published of a secret aerial craft called the A-keam or the Terrielka.

431

00:32:30,000 --> 00:32:38,000

The overall appearance of the A-keam is certainly what one would describe as a flying saucer.

432

00:32:38,000 --> 00:32:44,000

And the A-keam's nickname, Terrielka, is in fact Russian for saucer.

433

00:32:44,000 --> 00:32:48,000

It was based on the idea of a flying wing as opposed to a flying tube with wings.

434

00:32:48,000 --> 00:32:53,000

Now this design is supposed to be more efficient in the sense that every aspect of the aircraft

435

00:32:53,000 --> 00:32:56,000

that the experience is dragged would also generate lift.

436

00:32:56,000 --> 00:33:02,000

It doesn't need a runway. It could take off or land on rough ground or even water.

437

00:33:02,000 --> 00:33:09,000

In addition, there are no visible engines. They are inside the craft and the wings are small and stubby.

438

00:33:09,000 --> 00:33:15,000

The A-keam is supposed to operate like a hovercraft, sucking in air and blasting it downwards

439

00:33:15,000 --> 00:33:18,000

towards the ground to create this cushion of air.

440

00:33:18,000 --> 00:33:23,000

The jets of air can also be blasted out the back to create a forward thrust.

441

00:33:23,000 --> 00:33:28,000

But this can't be the craft that Oskar Linker saw in 1950 or can it?

442

00:33:28,000 --> 00:33:35,000

Even if this was an early prototype of the Terrielka, then there's also a big problem with the time frame.

443

00:33:35,000 --> 00:33:38,000

The A-keam was designed by Professor Lev Shukin.

444

00:33:38,000 --> 00:33:42,000

He had worked with the Soviet space program and with hovercraft design in the past.

445

00:33:42,000 --> 00:33:46,000

But this design was one he presented to the Soviet authorities in 1978.

446

00:33:46,000 --> 00:33:53,000

Yes, 1978, almost 30 years after Oskar Linker says he witnessed his flying saucer.

447

00:33:53,000 --> 00:33:59,000

And that was just the design on paper. The first prototype was actually built in the 1980s.

448

00:33:59,000 --> 00:34:05,000

Even in 1990 at the time of the first test flights, the technology was far from ready.

449

00:34:05,000 --> 00:34:09,000

The craft veered off the track and crashed.

450

00:34:09,000 --> 00:34:14,000

Which again begs the question, where did the craft that Oskar saw come from?

451

00:34:17,000 --> 00:34:23,000

Russian homegrown technology may have been in its infancy in the early 1950s.

452

00:34:23,000 --> 00:34:30,000

But in Germany, the invading Soviets might have stumbled across a revolutionary secret design.

453

00:34:30,000 --> 00:34:37,000

Abandoned by Hitler's fleeing scientists and in particular the Horton brothers.

454

00:34:37,000 --> 00:34:43,000

Reimer and Walter Horton had invented the all-wing aircraft

455

00:34:43,000 --> 00:34:51,000

and in 1943 were called upon by Hermann Göring to build an all-wing atomic bomber named America.

456

00:34:51,000 --> 00:34:59,000

I think it's fair to say that the Germans have always been interested in trying to create some sort of revolutionary technology

457

00:34:59,000 --> 00:35:06,000

that would allow a vehicle to go from point A to point B almost instantaneously and undetectable.

458

00:35:06,000 --> 00:35:15,000

Intriguingly distinguished British engineer Sir Roy Feddon visited German test sites at the end of World War II.

459

00:35:15,000 --> 00:35:23,000

He remarked that the only thing he had seen perform at the speed of UFOs was some of the Nazi engineering he had witnessed.

460

00:35:23,000 --> 00:35:30,000

He had seen enough of the design and engineering plans to surmise that if the Germans had managed to prolong the war

461

00:35:30,000 --> 00:35:38,000

for just a few more months we might have witnessed an entirely new series of deadly designs in aerial warfare.

462

00:35:38,000 --> 00:35:48,000

He refused to add any more details about them, but could it be that Oscar Linker was seeing some of these designs being put into action?

463

00:35:48,000 --> 00:35:53,000

I do think it's very interesting in the 50s especially and in the 60s.

464

00:35:53,000 --> 00:36:04,000

That was a golden era for research and development and countries were putting a lot of money and time and talent into trying to maintain that competitive edge.

465

00:36:04,000 --> 00:36:13,000

Oscar and his daughter may have seen Russians attempting to master a secret German craft capable of

unheard of speeds.

466

00:36:13,000 --> 00:36:25,000

Is it possible that the person who witnessed that quote unquote UAP UFO in fact was witnessing a prototype of some sort of revolutionary secret technology then being built by the Russians?

467

00:36:25,000 --> 00:36:37,000

Or is it possible that Russia was inspired by the observations and drawings of someone who witnessed a genuine UAP UFO?

468

00:36:38,000 --> 00:36:53,000

We may never know the answer but as with many of these UAP sightings the speed and the manoeuvrability of this 1950s craft was way beyond anything that had ever been seen in the world at that time.

469

00:36:57,000 --> 00:37:03,000

Can a woman get pregnant by an alien? It seems an absurd question to even ask.

470

00:37:04,000 --> 00:37:17,000

But a declassified 1500 page U.S. government document released in April 2022 seems to suggest concern that it may in fact already have happened.

471

00:37:19,000 --> 00:37:31,000

The report details the biological effects of human encounters with UFOs and one of the potential consequences it says is unwanted pregnancy.

472

00:37:31,000 --> 00:37:41,000

It also details an analysis of supposed human encounters with UFOs recorded between the years 1873 and 1994.

473

00:37:42,000 --> 00:37:49,000

The victim's disturbing testimony tells of abductions and bizarre fertilization procedures.

474

00:37:52,000 --> 00:37:56,000

Whatever's going on here as a woman this is harrowing stuff.

475

00:37:57,000 --> 00:38:03,000

The report finds no pattern to these cases. They seem to happen to the most ordinary of people.

476

00:38:04,000 --> 00:38:11,000

In 1992 Sierra Niblina from Colorado Springs claims to have become pregnant.

477

00:38:12,000 --> 00:38:19,000

We were in an apartment complex on the bottom floor and I was laying on the left side of the bed near the wall where the window was.

478

00:38:19,000 --> 00:38:26,000

The next thing that I know is that I had the adrenaline run through my body because I felt as though something was in the room with me.

479

00:38:27,000 --> 00:38:32,000

She says that she was visited by a three foot tall gray alien who came to visit her in her house.

480

00:38:33,000 --> 00:38:44,000

I tried to move several times and I was unable to move. There were multiple times that I woke up and passed out again because I panicked so badly and not being in solute.

481

00:38:44,000 --> 00:38:49,000

Sierra remembers the insemination happening through some sort of grotesque surgery.

482

00:38:50,000 --> 00:38:57,000

She claims to have woken up during a procedure and witnessed several taller gray aliens working on her abdomen.

483

00:38:58,000 --> 00:39:01,000

Sometime later Sierra suspects that she might be pregnant.

484

00:39:02,000 --> 00:39:06,000

So we went to the store and I bought like three or four or five different pregnancy tests.

485

00:39:07,000 --> 00:39:12,000

And pregnancy tests, after pregnancy tests, after pregnancy tests all came back positive.

486

00:39:12,000 --> 00:39:18,000

But Sierra Neblina is a lesbian and she says that she's never slept with a man.

487

00:39:20,000 --> 00:39:26,000

Five months later Sierra wakes up and whatever was growing inside her is gone.

488

00:39:27,000 --> 00:39:33,000

She says that her stomach is flat and there's no evidence of a miscarriage, no evidence of a baby at all.

489

00:39:34,000 --> 00:39:37,000

The baby disappears overnight as if the pregnancy never happened.

490

00:39:38,000 --> 00:39:44,000

Sierra isn't the only woman who claims to have been impregnated by the occupants of a UFO.

491

00:39:45,000 --> 00:39:49,000

Among those who have gone on record include American Geraldine Roscoe.

492

00:39:50,000 --> 00:39:56,000

Similar to the experience of Sierra Neblina she tells of an experience with a tall gray alien in 2013.

493

00:39:57,000 --> 00:40:05,000

Geraldine says she's been targeted multiple times by these aggressive entities and each pregnancy has ended the same way.

494

00:40:05,000 --> 00:40:13,000

She says that she suffered several miscarriages and that the fetuses were inexplicably absent afterwards.

495

00:40:14,000 --> 00:40:20,000

The claim that aliens are breeding cuckoo offspring within human women is a strange claim indeed.

496

00:40:21,000 --> 00:40:25,000

But one that has serious backers in top academic institutions.

497

00:40:26,000 --> 00:40:39,000

Dr. Young Hee Chi, a lecturer at Oxford University's Oriental Institute, claimed in 2012 that human civilization would come to an end because of alien hybridization.

498

00:40:40,000 --> 00:40:52,000

I looked at a number of abduction cases which had implications for environmental crisis and according to the Bureau of Isabelovans I have categorized them into two types.

499

00:40:52,000 --> 00:40:57,000

Chi's theories note that for several decades the reports of alien abductions have risen.

500

00:40:58,000 --> 00:41:09,000

Chi has collected testimony and researched hundreds of female abduction cases to try and better understand the motivation of the aliens he believes are at work on Earth.

501

00:41:10,000 --> 00:41:15,000

Well perhaps aliens will never tell us and will never know about it.

502

00:41:15,000 --> 00:41:20,000

What they have said so far are only three short sentences.

503

00:41:21,000 --> 00:41:26,000

This is important, we must do it, we have the right to do so.

504

00:41:27,000 --> 00:41:35,000

Dr. Chi believed this had to do with climate change and that the alien human hybrids would be better suited to survive our warming planet.

505

00:41:36,000 --> 00:41:40,000

And other academics believe these bizarre abductions are happening too.

506

00:41:40,000 --> 00:41:48,000

Former associate professor of history at Temple University, David Jacobs believes that this program is well underway.

507

00:41:49,000 --> 00:41:56,000

I think David Jacobs in particular has examined this subject and spoken to several women about this.

508

00:41:57,000 --> 00:42:03,000

He seems firmly to believe that the aliens have got some plan to produce hybrid children.

509

00:42:03,000 --> 00:42:16,000

He believes that the alien hybridization program is not an effort to help save the human race from climate change but rather to replace humans on the planet.

510

00:42:17,000 --> 00:42:19,000

He believes that they're walking amongst us now.

511

00:42:20,000 --> 00:42:28,000

Most species on Earth including humans are reproductively isolated meaning there are strong barriers preventing hybridization.

512

00:42:29,000 --> 00:42:36,000

Most animals reject the sperm or embryos of other types of animals let alone aliens.

513

00:42:37,000 --> 00:42:43,000

And we know that false pregnancy syndrome is a real and heartbreaking condition.

514

00:42:44,000 --> 00:42:49,000

False pregnancy or pseudosciesis is the mistaken belief that one is carrying a baby.

515

00:42:50,000 --> 00:42:55,000

Could somebody's subjective reality be that they are pregnant? Could they be mistaken about that?

516

00:42:55,000 --> 00:43:01,000

What experience in history teaches us yes, Mary the First, Queen of England had a false pregnancy.

517

00:43:02,000 --> 00:43:09,000

People can have false pregnancies and it's quite often associated with a very, very deep desire for a child.

518

00:43:10,000 --> 00:43:12,000

It's a well-known medical phenomenon.

519

00:43:13,000 --> 00:43:21,000

There are physical symptoms as well. These can include tender breasts, delayed periods or even the feeling of a fetus moving inside you.

520

00:43:22,000 --> 00:43:30,000

False pregnancy can be caused by medical conditions, by an imbalance of hormones. It can also be caused by trauma.

521

00:43:31,000 --> 00:43:42,000

The Pentagon document lists five compelling cases of women with very specific and often matching stories about abduction and insemination while on board a UFO.

522

00:43:43,000 --> 00:43:54,000

There is, as yet, no certain physical evidence for this phenomenon. But the commonalities of the accounts mean that the threat is being taken seriously.

523

00:43:55,000 --> 00:44:03,000

This isn't a few isolated cases. There are many, many instances of women even in highly developed societies claiming that this is happening to them.

524

00:44:04,000 --> 00:44:11,000

We empower our governments to have solutions and figure things out on our behalf so we can live our day-to-day life.

525

00:44:12,000 --> 00:44:19,000

And so if there is a threat, we want our government to recognize a threat and then offer a solution for the threat. That's what we pay our governments to do.

00:44:20,000 --> 00:44:29,000

And yet, this is a topic for which we don't really know what to do yet. And that's a hard pill to swallow because we trust our institutions to have answers.
