00:00:02,830 --> 00:00:08,390

[Music]

2  
00:00:10,870 --> 00:00:09,030

hello

3  
00:00:12,789 --> 00:00:10,880

and welcome to the fifth edition of the

4  
00:00:16,630 --> 00:00:12,799

point of convergence podcast

5  
00:00:19,109 --> 00:00:16,640

as always i am your host exo academian

6  
00:00:21,109 --> 00:00:19,119

you know amidst the ongoing surge of

7  
00:00:22,150 --> 00:00:21,119

interest regarding reports of elusive

8  
00:00:25,029 --> 00:00:22,160

ufos

9  
00:00:26,790 --> 00:00:25,039

uaps that are being seen by the military

10  
00:00:28,630 --> 00:00:26,800

and civilians alike

11  
00:00:30,470 --> 00:00:28,640

many seem to have missed the fact that a

12  
00:00:31,830 --> 00:00:30,480

movement has emerged over the last

13  
00:00:33,910 --> 00:00:31,840

couple of decades

14

00:00:35,750 --> 00:00:33,920

geared specifically towards taking the

15

00:00:37,750 --> 00:00:35,760

front foot in the relationship with

16

00:00:40,310 --> 00:00:37,760

these mysterious others

17

00:00:41,670 --> 00:00:40,320

ce5 which is short for close encounters

18

00:00:43,830 --> 00:00:41,680

of the fifth kind

19

00:00:45,830 --> 00:00:43,840

is all about human beings initiating

20

00:00:49,110 --> 00:00:45,840

contact and communication

21

00:00:50,630 --> 00:00:49,120

with these non-human intelligences ce5

22

00:00:51,830 --> 00:00:50,640

seeks not only to bring about the

23

00:00:54,389 --> 00:00:51,840

appearance of strange

24

00:00:55,350 --> 00:00:54,399

perhaps extraterrestrial craft in our

25

00:00:57,189 --> 00:00:55,360

skies

26

00:00:58,950 --> 00:00:57,199

but also to establish an ongoing

27

00:01:01,270 --> 00:00:58,960

relationship with these beings

28

00:01:02,510 --> 00:01:01,280

from elsewhere are these

29

00:01:04,789 --> 00:01:02,520

extraterrestrials

30

00:01:05,830 --> 00:01:04,799

interdimensionals some combination of

31

00:01:08,230 --> 00:01:05,840

the two

32

00:01:11,350 --> 00:01:08,240

something else entirely and how

33

00:01:13,350 --> 00:01:11,360

effective is ce5 for its proponents

34

00:01:14,469 --> 00:01:13,360

we'll discuss these in related matters

35

00:01:17,910 --> 00:01:14,479

in today's show

36

00:01:20,230 --> 00:01:17,920

with our special guest james ian doley

37

00:01:23,030 --> 00:01:20,240

a long-term ce5 practitioner and the

38

00:01:24,710 --> 00:01:23,040

founder of engaging the phenomenon

39

00:01:26,630 --> 00:01:24,720

who's not only experienced many of his

40

00:01:27,270 --> 00:01:26,640

own astounding encounters with these

41

00:01:29,510 --> 00:01:27,280

others

42

00:01:31,350 --> 00:01:29,520

but who has also championed the ce5

43

00:01:32,870 --> 00:01:31,360

cause helping to grow it into the

44

00:01:37,030 --> 00:01:32,880

thriving global community

45

00:01:41,270 --> 00:01:39,190

so without further ado let's jump into

46

00:01:45,030 --> 00:01:41,280

the interview with our special guest

47

00:01:45,350 --> 00:01:45,040

james iandoli first off just wanted to

48

00:01:47,350 --> 00:01:45,360

say

49

00:01:49,030 --> 00:01:47,360

you know as i got to know you more i

50

00:01:50,870 --> 00:01:49,040

realized that you're quite an authority

51  
00:01:53,109 --> 00:01:50,880  
when it comes to cu5 and you have quite

52  
00:01:54,870 --> 00:01:53,119  
a background in it

53  
00:01:56,149 --> 00:01:54,880  
and so for people who maybe aren't so

54  
00:01:58,389 --> 00:01:56,159  
familiar with it uh

55  
00:02:01,350 --> 00:01:58,399  
how would you say ce5 got started like

56  
00:02:04,149 --> 00:02:01,360  
what era are we talking about

57  
00:02:04,870 --> 00:02:04,159  
yeah well um you know you really have to

58  
00:02:06,550 --> 00:02:04,880  
start with the

59  
00:02:08,229 --> 00:02:06,560  
the modern era and you would have to

60  
00:02:09,990 --> 00:02:08,239  
track backwards when you were talking

61  
00:02:13,430 --> 00:02:10,000  
about cd5

62  
00:02:15,670 --> 00:02:13,440  
because ce5 in itself in the terminology

63  
00:02:17,750 --> 00:02:15,680

was only created in the early 1990s by

64

00:02:21,910 --> 00:02:17,760

dr stephen greer

65

00:02:23,190 --> 00:02:21,920

but before that there were other groups

66

00:02:25,750 --> 00:02:23,200

doing

67

00:02:27,830 --> 00:02:25,760

similar if not the same things you know

68

00:02:31,110 --> 00:02:27,840

i think the one of the most

69

00:02:31,670 --> 00:02:31,120

prominent groups doing a very similar

70

00:02:35,030 --> 00:02:31,680

work

71

00:02:39,110 --> 00:02:35,040

was called mission rama which was

72

00:02:41,830 --> 00:02:39,120

a group in peru with six dope as well

73

00:02:43,430 --> 00:02:41,840

and his friends and family where they

74

00:02:46,229 --> 00:02:43,440

were

75

00:02:47,830 --> 00:02:46,239

doing exactly what c5 describes a human

76

00:02:50,070 --> 00:02:47,840

initiated contact

77

00:02:52,070 --> 00:02:50,080

with ufo intelligence and you know they

78

00:02:54,390 --> 00:02:52,080

were utilizing

79

00:02:55,830 --> 00:02:54,400

meditation and concentration and

80

00:02:58,070 --> 00:02:55,840

intention

81

00:02:59,190 --> 00:02:58,080

to have encounters in sightings with

82

00:03:01,910 --> 00:02:59,200

ufos and it was

83

00:03:02,470 --> 00:03:01,920

very well documented but if you want to

84

00:03:05,830 --> 00:03:02,480

go back

85

00:03:09,350 --> 00:03:05,840

further than that even in

86

00:03:12,790 --> 00:03:09,360

the 1950s you have to contact these

87

00:03:16,869 --> 00:03:12,800

talking about um meditation telepathy

88

00:03:20,550 --> 00:03:16,879

and having alleged ufo encounters

89

00:03:21,270 --> 00:03:20,560

and you know actually uh jacques villa's

90

00:03:24,470 --> 00:03:21,280

book

91

00:03:27,350 --> 00:03:24,480

um ufo is a psychic solution

92

00:03:29,190 --> 00:03:27,360

uh talks about people like john d the

93

00:03:31,430 --> 00:03:29,200

original double o seven

94

00:03:32,789 --> 00:03:31,440

using you know a nokian tables and a

95

00:03:34,309 --> 00:03:32,799

nokian magic to have

96

00:03:36,630 --> 00:03:34,319

interactions with non-human

97

00:03:37,750 --> 00:03:36,640

intelligences uh and you know the

98

00:03:39,589 --> 00:03:37,760

further you go back

99

00:03:41,350 --> 00:03:39,599

um you'll see all these different

100

00:03:43,430 --> 00:03:41,360

accounts where humans are interacting

101  
00:03:46,949 --> 00:03:43,440  
with the non-human intelligence

102  
00:03:51,910 --> 00:03:46,959  
with um kind of similar mode of

103  
00:03:57,030 --> 00:03:54,229  
interesting and um you mentioned dr

104  
00:03:58,309 --> 00:03:57,040  
greer in the 90s

105  
00:04:00,309 --> 00:03:58,319  
would you say that any of his

106  
00:04:01,830 --> 00:04:00,319  
perspectives have changed since then he

107  
00:04:04,070 --> 00:04:01,840  
sort of initiated

108  
00:04:05,670 --> 00:04:04,080  
the protocols around ce5 could you maybe

109  
00:04:06,949 --> 00:04:05,680  
talk a bit about how he established

110  
00:04:09,429 --> 00:04:06,959  
those protocols

111  
00:04:11,350 --> 00:04:09,439  
and if his views have changed about c5

112  
00:04:14,390 --> 00:04:11,360  
since that time

113  
00:04:16,949 --> 00:04:14,400

uh well actually uh dr stephen greer has

114

00:04:18,710 --> 00:04:16,959

been incredibly persistent

115

00:04:20,629 --> 00:04:18,720

with his views i think that actually

116

00:04:23,110 --> 00:04:20,639

might be one of the setbacks is that

117

00:04:24,390 --> 00:04:23,120

nothing has changed um you know for

118

00:04:27,990 --> 00:04:24,400

better or worse

119

00:04:31,030 --> 00:04:28,000

but he's um pretty set in his

120

00:04:33,670 --> 00:04:31,040

uh conclusions that um

121

00:04:35,030 --> 00:04:33,680

you know ce5 is your he's initiating

122

00:04:37,909 --> 00:04:35,040

contact

123

00:04:39,990 --> 00:04:37,919

um with extraterrestrial intelligence he

124

00:04:43,510 --> 00:04:40,000

specifically states it as that

125

00:04:46,550 --> 00:04:43,520

and just that uh for the most part

126

00:04:49,990 --> 00:04:46,560

his original story and um

127

00:04:52,469 --> 00:04:50,000

creating the cd5 protocols goes back to

128

00:04:53,909 --> 00:04:52,479

an experience uh when he was a late

129

00:04:56,710 --> 00:04:53,919

teenager

130

00:04:58,469 --> 00:04:56,720

and he was doing in his transcendental

131

00:05:01,990 --> 00:04:58,479

meditation in the

132

00:05:04,469 --> 00:05:02,000

mountains of north carolina and

133

00:05:07,029 --> 00:05:04,479

after a very deep and transcendental

134

00:05:09,029 --> 00:05:07,039

meditation experience

135

00:05:10,230 --> 00:05:09,039

a craft appeared that he had seen when

136

00:05:13,110 --> 00:05:10,240

he was a child that

137

00:05:15,029 --> 00:05:13,120

reappeared you know this is it maybe 10

138

00:05:19,749 --> 00:05:15,039

15 years later

139

00:05:22,310 --> 00:05:19,759

and um a whole contact experience

140

00:05:25,029 --> 00:05:22,320

began where he claims he had basically a

141

00:05:27,029 --> 00:05:25,039

ce4 so he had an onboard experience he

142

00:05:28,469 --> 00:05:27,039

saw a being that came down

143

00:05:30,070 --> 00:05:28,479

the beam took him on the craft

144

00:05:32,710 --> 00:05:30,080

teleported him

145

00:05:34,790 --> 00:05:32,720

and he was on allegedly on this craft

146

00:05:38,150 --> 00:05:34,800

with the beings and

147

00:05:39,909 --> 00:05:38,160

together you know they um

148

00:05:41,430 --> 00:05:39,919

you know through telepathy and

149

00:05:44,310 --> 00:05:41,440

consciousness

150

00:05:46,950 --> 00:05:44,320

uh developed these protocols the ce5

151

00:05:49,990 --> 00:05:46,960

protocols as a method for humans

152

00:05:52,550 --> 00:05:50,000

to make contact with uh

153

00:05:55,350 --> 00:05:52,560

them the the alleged uh extraterrestrial

154

00:05:58,550 --> 00:05:57,510

interesting so is it the case there he

155

00:05:59,990 --> 00:05:58,560

therefore that he was

156

00:06:02,230 --> 00:06:00,000

at first was just meditating in the

157

00:06:03,430 --> 00:06:02,240

mountains and sort of stumbled across

158

00:06:05,909 --> 00:06:03,440

this as a protocol

159

00:06:06,550 --> 00:06:05,919

and then in ongoing communication with

160

00:06:10,390 --> 00:06:06,560

these

161

00:06:12,710 --> 00:06:10,400

what the protocols would look like from

162

00:06:15,189 --> 00:06:12,720

there on in

163

00:06:16,469 --> 00:06:15,199

yeah for the most part he had a previous

164

00:06:19,510 --> 00:06:16,479

sighting

165

00:06:21,510 --> 00:06:19,520

um when he was just seven eight year

166

00:06:22,790 --> 00:06:21,520

seven or eight year old boy which he

167

00:06:24,950 --> 00:06:22,800

describes

168

00:06:27,029 --> 00:06:24,960

and i think he had other experiences he

169

00:06:30,309 --> 00:06:27,039

doesn't talk about publicly much

170

00:06:32,629 --> 00:06:30,319

but um so it did seem like a whole

171

00:06:33,430 --> 00:06:32,639

process that he was kind of primed for

172

00:06:35,909 --> 00:06:33,440

it

173

00:06:38,230 --> 00:06:35,919

um in what um actually dr joseph burks

174

00:06:41,350 --> 00:06:38,240

calls um

175

00:06:43,270 --> 00:06:41,360

prime contactees who are almost

176  
00:06:45,189 --> 00:06:43,280  
seem to be trained by this intelligence

177  
00:06:48,469 --> 00:06:45,199  
from a younger age

178  
00:06:52,230 --> 00:06:48,479  
to you know um

179  
00:06:54,070 --> 00:06:52,240  
develop the maybe the sensitivity or the

180  
00:06:58,070 --> 00:06:54,080  
ability of the capacity

181  
00:07:01,909 --> 00:06:59,909  
right and that's interesting and you

182  
00:07:04,230 --> 00:07:01,919  
know speaking of dr greer

183  
00:07:05,670 --> 00:07:04,240  
obviously he's very central to cu5 kind

184  
00:07:06,950 --> 00:07:05,680  
of you know came up with the initial

185  
00:07:09,270 --> 00:07:06,960  
protocols

186  
00:07:11,830 --> 00:07:09,280  
um i know that you've personally sort of

187  
00:07:14,469 --> 00:07:11,840  
championed the idea of ce5 being

188  
00:07:15,270 --> 00:07:14,479

much bigger than dr greer and i'm just

189

00:07:17,749 --> 00:07:15,280

curious how

190

00:07:18,870 --> 00:07:17,759

how resistant or open are people to that

191

00:07:20,790 --> 00:07:18,880

idea

192

00:07:24,550 --> 00:07:20,800

do people still generally see him as a

193

00:07:27,909 --> 00:07:24,560

central hub for all ce5 matters

194

00:07:31,029 --> 00:07:27,919

i think there's some people who do

195

00:07:32,629 --> 00:07:31,039

and there's a spectrum to that so people

196

00:07:35,430 --> 00:07:32,639

who are newer

197

00:07:36,870 --> 00:07:35,440

um for sure i mean they're just being

198

00:07:38,309 --> 00:07:36,880

introduced to this and they see him as

199

00:07:41,670 --> 00:07:38,319

an authority

200

00:07:44,390 --> 00:07:41,680

um but people who have kind of

201  
00:07:46,150 --> 00:07:44,400  
been involved or aware of cd5 for a long

202  
00:07:48,390 --> 00:07:46,160  
time and spent a lot of time thinking

203  
00:07:50,869 --> 00:07:48,400  
about studying researching

204  
00:07:52,469 --> 00:07:50,879  
the contact phenomenon they see that

205  
00:07:54,710 --> 00:07:52,479  
this is not something new and not

206  
00:07:57,029 --> 00:07:54,720  
something that he created

207  
00:07:58,629 --> 00:07:57,039  
so i think when people realize that they

208  
00:08:01,830 --> 00:07:58,639  
can kind of see beyond

209  
00:08:03,990 --> 00:08:01,840  
just um you know dr greer himself and

210  
00:08:06,869 --> 00:08:04,000  
see the bigger picture which is

211  
00:08:08,710 --> 00:08:06,879  
um contact with this these non-human

212  
00:08:11,749 --> 00:08:08,720  
intelligence which is

213  
00:08:15,430 --> 00:08:11,759

um incredible that you know

214

00:08:18,869 --> 00:08:15,440

a person a person can choose to

215

00:08:21,749 --> 00:08:18,879

engage in in contact rather than contact

216

00:08:24,950 --> 00:08:23,990

right and and you know before we get

217

00:08:27,110 --> 00:08:24,960

into

218

00:08:27,990 --> 00:08:27,120

some of the specifics about ce5 i'm just

219

00:08:30,710 --> 00:08:28,000

curious

220

00:08:32,310 --> 00:08:30,720

so from that time when dr first came up

221

00:08:35,350 --> 00:08:32,320

with these protocols

222

00:08:36,630 --> 00:08:35,360

uh how would you describe c5's growth in

223

00:08:37,750 --> 00:08:36,640

terms of the number of people that are

224

00:08:39,589 --> 00:08:37,760

actively

225

00:08:42,070 --> 00:08:39,599

using these protocols across the world

226

00:08:43,430 --> 00:08:42,080

is it been slow and steady progress has

227

00:08:45,030 --> 00:08:43,440

it really taken off

228

00:08:46,630 --> 00:08:45,040

the last couple years what's what's been

229

00:08:49,030 --> 00:08:46,640

the progress there

230

00:08:51,910 --> 00:08:49,040

um it's actually been exponential uh

231

00:08:54,790 --> 00:08:51,920

it's been tremendous

232

00:08:55,670 --> 00:08:54,800

i will say just on a side a side note

233

00:08:58,949 --> 00:08:55,680

that

234

00:09:01,670 --> 00:08:58,959

and there's been a lot of kind of c5

235

00:09:02,870 --> 00:09:01,680

work that i meant i mentioned before

236

00:09:04,470 --> 00:09:02,880

mission rama

237

00:09:07,670 --> 00:09:04,480

so there have been groups in south

238

00:09:10,550 --> 00:09:07,680

america doing

239

00:09:12,070 --> 00:09:10,560

what we would call ce5 which they call

240

00:09:16,070 --> 00:09:12,080

mission rama

241

00:09:17,829 --> 00:09:16,080

um so they're down in south america

242

00:09:19,430 --> 00:09:17,839

they've been doing a lot of this work

243

00:09:20,949 --> 00:09:19,440

for decades

244

00:09:23,590 --> 00:09:20,959

you know they go out into large groups

245

00:09:26,070 --> 00:09:23,600

in the desert and they use their own

246

00:09:30,790 --> 00:09:26,080

protocols and initiate contact

247

00:09:32,550 --> 00:09:30,800

but that had not really made it

248

00:09:34,310 --> 00:09:32,560

into what you can like call american

249

00:09:36,710 --> 00:09:34,320

ufology

250

00:09:37,670 --> 00:09:36,720

at least prominently it's not very well

251  
00:09:41,829 --> 00:09:37,680  
known

252  
00:09:46,070 --> 00:09:41,839  
uh but ce5 itself as far as um

253  
00:09:47,590 --> 00:09:46,080  
dr greer's um interpretation and kind of

254  
00:09:51,670 --> 00:09:47,600  
mission with it

255  
00:09:55,430 --> 00:09:51,680  
uh like back uh several years ago

256  
00:09:58,230 --> 00:09:55,440  
i created uh social networking platforms

257  
00:10:01,110 --> 00:09:58,240  
for cd5 because i wanted to you know

258  
00:10:02,870 --> 00:10:01,120  
i mean it was just like an obvious idea

259  
00:10:05,910 --> 00:10:02,880  
to me to do that so we can connect with

260  
00:10:08,949 --> 00:10:05,920  
other c5 participants and there was like

261  
00:10:10,870 --> 00:10:08,959  
200 people that i can find on

262  
00:10:11,990 --> 00:10:10,880  
um you know facebook and social

263  
00:10:15,750 --> 00:10:12,000

networking

264

00:10:19,350 --> 00:10:15,760

that are actively involved and now

265

00:10:22,470 --> 00:10:19,360

um there's you know there's like over 20

266

00:10:25,750 --> 00:10:22,480

000 um people at least

267

00:10:29,350 --> 00:10:25,760

you know engaged online discussing it

268

00:10:31,590 --> 00:10:29,360

and um you know trying to form groups so

269

00:10:33,590 --> 00:10:31,600

um you know i really actually have to

270

00:10:36,310 --> 00:10:33,600

say you know dr grier's

271

00:10:37,750 --> 00:10:36,320

latest film uh close encounters the

272

00:10:41,350 --> 00:10:37,760

fifth kind

273

00:10:42,870 --> 00:10:41,360

uh really um took it to a whole new

274

00:10:46,470 --> 00:10:42,880

level

275

00:10:49,430 --> 00:10:46,480

uh it it was growing over the years

276

00:10:50,389 --> 00:10:49,440

um you know pretty steadily it was on

277

00:10:53,990 --> 00:10:50,399

uphill

278

00:10:55,829 --> 00:10:54,000

as and as youtube became more popular

279

00:10:57,269 --> 00:10:55,839

and you know i guess people would

280

00:10:59,910 --> 00:10:57,279

discover

281

00:11:02,150 --> 00:10:59,920

uh dr grier's work on youtube you know

282

00:11:07,030 --> 00:11:02,160

and the rise of the internet

283

00:11:10,310 --> 00:11:07,040

um it became more popular but once

284

00:11:12,069 --> 00:11:10,320

dr grier's um feature film started

285

00:11:16,230 --> 00:11:12,079

coming out starting with uh

286

00:11:17,670 --> 00:11:16,240

sirius in 2012 unacknowledged i think in

287

00:11:21,269 --> 00:11:17,680

2016

288

00:11:23,350 --> 00:11:21,279

and then now the c5 film in 2020 it's

289

00:11:24,710 --> 00:11:23,360

you know millions of people are aware of

290

00:11:27,509 --> 00:11:24,720

the idea of ce5

291

00:11:29,670 --> 00:11:27,519

and contact and human initiated contact

292

00:11:32,949 --> 00:11:29,680

which before was probably

293

00:11:35,190 --> 00:11:32,959

tens of thousands at the best

294

00:11:36,389 --> 00:11:35,200

right very interesting um i've

295

00:11:39,030 --> 00:11:36,399

definitely noticed the

296

00:11:39,430 --> 00:11:39,040

the talk about it really increased seems

297

00:11:46,710 --> 00:11:39,440

a

298

00:11:48,150 --> 00:11:46,720

ce5 protocols

299

00:11:50,069 --> 00:11:48,160

to reach out to supposed

300

00:11:51,750 --> 00:11:50,079

extraterrestrials

301  
00:11:53,670 --> 00:11:51,760  
some have suggested that they think this

302  
00:11:55,750 --> 00:11:53,680  
is unwise to do

303  
00:11:57,190 --> 00:11:55,760  
this kind of deliberate willful contact

304  
00:11:58,389 --> 00:11:57,200  
with an intelligence that we don't

305  
00:11:59,990 --> 00:11:58,399  
understand

306  
00:12:02,310 --> 00:12:00,000  
and that seems to be much more advanced

307  
00:12:04,949 --> 00:12:02,320  
than us some would even claim it's

308  
00:12:07,030 --> 00:12:04,959  
outright irresponsible and dangerous

309  
00:12:08,870 --> 00:12:07,040  
even stephen hawking famously warned us

310  
00:12:10,710 --> 00:12:08,880  
about what we may invite by reaching out

311  
00:12:12,230 --> 00:12:10,720  
to the stars quote unquote

312  
00:12:15,030 --> 00:12:12,240  
what is your response to those people

313  
00:12:18,069 --> 00:12:15,040

and those concerns

314

00:12:19,670 --> 00:12:18,079

well um first of all i wouldn't

315

00:12:21,430 --> 00:12:19,680

i wouldn't dismiss their idea and just

316

00:12:24,629 --> 00:12:21,440

say they're wrong you know

317

00:12:26,389 --> 00:12:24,639

ultimately you know we we can't make

318

00:12:27,430 --> 00:12:26,399

definitive and ultimate statements

319

00:12:30,870 --> 00:12:27,440

completely

320

00:12:33,750 --> 00:12:30,880

um not yet but um

321

00:12:34,389 --> 00:12:33,760

at the same time if you if you look well

322

00:12:36,310 --> 00:12:34,399

number one

323

00:12:38,790 --> 00:12:36,320

they're already here they've been here

324

00:12:41,350 --> 00:12:38,800

it seems for a long time

325

00:12:44,629 --> 00:12:41,360

and again c5 is nothing new this has

326

00:12:48,470 --> 00:12:47,110

but i understand people's concern with

327

00:12:52,629 --> 00:12:48,480

that

328

00:12:55,910 --> 00:12:52,639

but at the same time you know probably

329

00:12:58,870 --> 00:12:55,920

i want to say like 99 you know plus

330

00:12:59,829 --> 00:12:58,880

percent of people that are going out

331

00:13:03,269 --> 00:12:59,839

doing the

332

00:13:05,110 --> 00:13:03,279

c5 and contact work are having what i

333

00:13:06,629 --> 00:13:05,120

could consider life enhancing

334

00:13:10,629 --> 00:13:06,639

experiences

335

00:13:16,150 --> 00:13:10,639

uh you know so they seem to benefit

336

00:13:20,069 --> 00:13:17,590

interesting so you said that that sort

337

00:13:21,430 --> 00:13:20,079

of figured 95 so uh

338

00:13:23,430 --> 00:13:21,440

your understanding is from the people

339

00:13:24,310 --> 00:13:23,440

that you've talked with around the world

340

00:13:26,230 --> 00:13:24,320

that have

341

00:13:27,829 --> 00:13:26,240

uh tried these protocols that this

342

00:13:30,949 --> 00:13:27,839

particular kind of protocol

343

00:13:32,310 --> 00:13:30,959

um it's well over 90 percent uh tends to

344

00:13:34,470 --> 00:13:32,320

be positive experiences would you say

345

00:13:37,910 --> 00:13:34,480

that's true uh yeah

346

00:13:40,550 --> 00:13:37,920

even more than that and um and

347

00:13:42,550 --> 00:13:40,560

me maybe there's something to that you

348

00:13:44,389 --> 00:13:42,560

know when you're doing the c5

349

00:13:45,990 --> 00:13:44,399

you know you're going out with the

350

00:13:49,750 --> 00:13:46,000

intention of

351

00:13:52,949 --> 00:13:49,760

uh you know peaceful contact with

352

00:13:54,790 --> 00:13:52,959

um you know ufo intelligence and

353

00:13:56,310 --> 00:13:54,800

maybe that has something to do with what

354

00:13:58,790 --> 00:13:56,320

you're attracting

355

00:13:59,910 --> 00:13:58,800

um you know you're kind of going out

356

00:14:02,949 --> 00:13:59,920

there with

357

00:14:05,189 --> 00:14:02,959

uh an open mind and and

358

00:14:08,310 --> 00:14:05,199

you're you're in like what people would

359

00:14:10,710 --> 00:14:08,320

call elevated states of awareness

360

00:14:11,750 --> 00:14:10,720

so uh that might play a factor into why

361

00:14:13,750 --> 00:14:11,760

that is

362

00:14:14,870 --> 00:14:13,760

and you know i've worked with hundreds

363

00:14:17,189 --> 00:14:14,880

of people

364

00:14:19,030 --> 00:14:17,199

in the field in person and and you know

365

00:14:21,509 --> 00:14:19,040

c5

366

00:14:23,990 --> 00:14:21,519

you know retreats and events and i've

367

00:14:28,230 --> 00:14:24,000

spoken to thousands over the years

368

00:14:29,910 --> 00:14:28,240

and you know you don't have people

369

00:14:32,550 --> 00:14:29,920

you know having negative experiences

370

00:14:34,870 --> 00:14:32,560

when they're involved in the c5 work

371

00:14:36,150 --> 00:14:34,880

um maybe there's more to that that we

372

00:14:39,189 --> 00:14:36,160

just don't understand at

373

00:14:39,990 --> 00:14:39,199

this time but that just seems to be what

374

00:14:46,790 --> 00:14:40,000

the

375

00:14:48,790 --> 00:14:46,800

okay so that's some great background on

376

00:14:50,310 --> 00:14:48,800

sort of the beginnings of ce5 and some

377

00:14:51,670 --> 00:14:50,320

general questions there

378

00:14:53,509 --> 00:14:51,680

uh i'm really curious about your

379

00:14:56,069 --> 00:14:53,519

personal background uh

380

00:14:57,509 --> 00:14:56,079

what first drew you to c5 what part of

381

00:14:57,990 --> 00:14:57,519

your life was that and what was the

382

00:15:01,590 --> 00:14:58,000

catalyst

383

00:15:02,470 --> 00:15:01,600

for your interest well what got me

384

00:15:06,310 --> 00:15:02,480

involved in

385

00:15:09,509 --> 00:15:06,320

in cd5 specifically was that

386

00:15:12,230 --> 00:15:09,519

you know i was having

387

00:15:13,829 --> 00:15:12,240

contact experiences or contact events

388

00:15:17,189 --> 00:15:13,839

and

389

00:15:20,150 --> 00:15:17,199

they came to a point um where there was

390

00:15:22,150 --> 00:15:20,160

a culmination of these events that

391

00:15:23,990 --> 00:15:22,160

you know for more or less you know took

392

00:15:26,550 --> 00:15:24,000

me over the edge where i would just

393

00:15:28,150 --> 00:15:26,560

at that point i i felt that i had to

394

00:15:31,269 --> 00:15:28,160

have answers

395

00:15:34,310 --> 00:15:31,279

um you know more or less that

396

00:15:36,870 --> 00:15:34,320

became a mission for me to

397

00:15:39,189 --> 00:15:36,880

to try to understand what the these

398

00:15:41,189 --> 00:15:39,199

contact events were about

399

00:15:42,949 --> 00:15:41,199

um and you know maybe why it was

400

00:15:44,710 --> 00:15:42,959

happening and

401  
00:15:45,990 --> 00:15:44,720  
you know because you know sometimes you

402  
00:15:48,870 --> 00:15:46,000  
have these

403  
00:15:49,670 --> 00:15:48,880  
these contact events and they just uh i

404  
00:15:53,030 --> 00:15:49,680  
mean they change

405  
00:15:56,470 --> 00:15:53,040  
everything they can be almost

406  
00:15:59,509 --> 00:15:56,480  
traumatic in a sense um not always in a

407  
00:16:01,030 --> 00:15:59,519  
in a bad way but they will make you

408  
00:16:02,550 --> 00:16:01,040  
question everything that you know about

409  
00:16:04,710 --> 00:16:02,560  
reality so that's

410  
00:16:07,749 --> 00:16:04,720  
you know going to really send you on on

411  
00:16:11,189 --> 00:16:07,759  
a on a truth-seeking

412  
00:16:14,949 --> 00:16:11,199  
mission or even soul-searching right so

413  
00:16:18,550 --> 00:16:14,959

um in that i you know

414

00:16:22,069 --> 00:16:18,560  
went to the internet and i started

415

00:16:23,910 --> 00:16:22,079  
doing research and i i i first came

416

00:16:27,509 --> 00:16:23,920  
across um

417

00:16:29,990 --> 00:16:27,519  
dr steven greer's disclosure project

418

00:16:31,670 --> 00:16:30,000  
and to me that i was you know just in

419

00:16:34,870 --> 00:16:31,680  
that alone i was amazed that

420

00:16:38,069 --> 00:16:34,880  
some event in washington dc occurred

421

00:16:39,990 --> 00:16:38,079  
in 2001 where all these top-level

422

00:16:42,310 --> 00:16:40,000  
witnesses

423

00:16:44,790 --> 00:16:42,320  
um you know gave their testimony of you

424

00:16:47,509 --> 00:16:44,800  
know first-hand experience

425

00:16:47,990 --> 00:16:47,519  
while in the government and contract

426  
00:16:54,310 --> 00:16:48,000  
with

427  
00:16:56,389 --> 00:16:54,320  
and so it was hosted by um

428  
00:16:57,749 --> 00:16:56,399  
dr steven grier so i'm like who you know

429  
00:16:59,990 --> 00:16:57,759  
who is this guy right

430  
00:17:00,870 --> 00:17:00,000  
he's just some random doctor that got

431  
00:17:03,990 --> 00:17:00,880  
all these

432  
00:17:07,110 --> 00:17:04,000  
you know top officials together to give

433  
00:17:09,350 --> 00:17:07,120  
this presentation in washington dc

434  
00:17:12,230 --> 00:17:09,360  
called the disclosure project so

435  
00:17:13,829 --> 00:17:12,240  
you know i started researching his work

436  
00:17:17,270 --> 00:17:13,839  
and

437  
00:17:20,309 --> 00:17:17,280  
i found some of his talks about contact

438  
00:17:23,189 --> 00:17:20,319

and and cd5 and

439

00:17:24,949 --> 00:17:23,199

what struck me from the very beginning

440

00:17:28,230 --> 00:17:24,959

from the very first

441

00:17:31,350 --> 00:17:28,240

um talk that i heard from him

442

00:17:35,270 --> 00:17:31,360

was that what he was describing

443

00:17:37,110 --> 00:17:35,280

as contact was completely parallel to

444

00:17:38,310 --> 00:17:37,120

what i had experienced and i had never

445

00:17:41,510 --> 00:17:38,320

heard anybody

446

00:17:43,029 --> 00:17:41,520

talk about contact and such of a way of

447

00:17:44,630 --> 00:17:43,039

you know understanding

448

00:17:47,029 --> 00:17:44,640

you know not just like a theoretical

449

00:17:49,750 --> 00:17:47,039

thing but um

450

00:17:51,909 --> 00:17:49,760

when he was describing a lot of it that

451  
00:17:52,310 --> 00:17:51,919  
stuff that i experienced so if to me it

452  
00:17:54,310 --> 00:17:52,320  
was

453  
00:17:56,710 --> 00:17:54,320  
you know further than a validation it

454  
00:17:59,990 --> 00:17:56,720  
seemed like he actually understood

455  
00:18:02,310 --> 00:18:00,000  
um the you know the actual

456  
00:18:04,549 --> 00:18:02,320  
contact and so that's how i came across

457  
00:18:06,390 --> 00:18:04,559  
ce5

458  
00:18:08,230 --> 00:18:06,400  
interesting now you said there that you

459  
00:18:09,430 --> 00:18:08,240  
had already had some contact experiences

460  
00:18:10,470 --> 00:18:09,440  
and that's that was the original

461  
00:18:12,950 --> 00:18:10,480  
catalyst

462  
00:18:14,150 --> 00:18:12,960  
so c5 is all about the you know human

463  
00:18:17,110 --> 00:18:14,160

beings initiating

464

00:18:18,789 --> 00:18:17,120

the the process uh was that the case

465

00:18:22,070 --> 00:18:18,799

with those initial contact experiences

466

00:18:27,430 --> 00:18:25,750

uh you know for me as far as i know that

467

00:18:31,270 --> 00:18:27,440

they just happened

468

00:18:34,310 --> 00:18:31,280

and i believe it or not

469

00:18:35,190 --> 00:18:34,320

as silly as it may sound in retrospect i

470

00:18:38,630 --> 00:18:35,200

had never

471

00:18:41,510 --> 00:18:38,640

thought really of um

472

00:18:44,470 --> 00:18:41,520

of trying to take a proactive role and

473

00:18:47,190 --> 00:18:44,480

to me that's why cfc5 was so

474

00:18:48,710 --> 00:18:47,200

um compelling um because i was like oh

475

00:18:50,870 --> 00:18:48,720

my god you know i

476

00:18:52,870 --> 00:18:50,880

the idea that you cannot you know be

477

00:18:55,669 --> 00:18:52,880

actively involved and not

478

00:18:56,710 --> 00:18:55,679

this is just something happening to you

479

00:18:58,390 --> 00:18:56,720

um

480

00:19:00,070 --> 00:18:58,400

with you know i had an affinity towards

481

00:19:02,230 --> 00:19:00,080

that approach and

482

00:19:06,070 --> 00:19:02,240

you know because of that i got pretty

483

00:19:09,750 --> 00:19:08,950

interesting and i'm sure people would

484

00:19:11,430 --> 00:19:09,760

love to hear

485

00:19:12,870 --> 00:19:11,440

some of the details of the kind of

486

00:19:14,630 --> 00:19:12,880

things you

487

00:19:16,710 --> 00:19:14,640

saw you experienced when you first

488

00:19:17,430 --> 00:19:16,720

started practicing the ce5 protocols so

489

00:19:18,870 --> 00:19:17,440

can you

490

00:19:20,470 --> 00:19:18,880

so to just give us some highlights of

491

00:19:21,510 --> 00:19:20,480

some of the initial experiences you had

492

00:19:23,750 --> 00:19:21,520

when you started

493

00:19:26,150 --> 00:19:23,760

using these protocols that dr greer had

494

00:19:29,430 --> 00:19:26,160

established

495

00:19:30,710 --> 00:19:29,440

yeah sure um so

496

00:19:33,590 --> 00:19:30,720

you know when you're when you're talking

497

00:19:35,750 --> 00:19:33,600

about ce5 um

498

00:19:36,830 --> 00:19:35,760

a lot of people think you know okay you

499

00:19:38,150 --> 00:19:36,840

know you're gonna go out you do a

500

00:19:41,750 --> 00:19:38,160

meditation

501  
00:19:44,390 --> 00:19:41,760  
and you see lights in the sky

502  
00:19:45,029 --> 00:19:44,400  
but it's not as simple as that because

503  
00:19:50,710 --> 00:19:45,039  
it's

504  
00:19:58,470 --> 00:19:54,789  
when you do the c5 and you know for me

505  
00:20:01,110 --> 00:19:58,480  
you know i was seeing

506  
00:20:02,149 --> 00:20:01,120  
things but some the things that may

507  
00:20:05,110 --> 00:20:02,159  
manifest

508  
00:20:07,110 --> 00:20:05,120  
um they correlate with your intention

509  
00:20:10,950 --> 00:20:07,120  
and thought process

510  
00:20:14,230 --> 00:20:10,960  
and are interactive in a way where

511  
00:20:16,230 --> 00:20:14,240  
um like i can give one example

512  
00:20:17,590 --> 00:20:16,240  
and you know i'll advise in in this

513  
00:20:20,630 --> 00:20:17,600

sense for people

514

00:20:23,029 --> 00:20:20,640

not to use a laser even though in this

515

00:20:27,909 --> 00:20:23,039

sense i i was using a laser

516

00:20:31,110 --> 00:20:27,919

um but uh there was a time

517

00:20:32,950 --> 00:20:31,120

you know i went out and i did meditation

518

00:20:33,990 --> 00:20:32,960

outside i went through the basic c5

519

00:20:36,230 --> 00:20:34,000

protocols which

520

00:20:38,789 --> 00:20:36,240

is more or less projecting intentions

521

00:20:42,149 --> 00:20:38,799

for a contact experience

522

00:20:44,470 --> 00:20:42,159

and you know you know

523

00:20:45,909 --> 00:20:44,480

right in the direction where i was

524

00:20:47,990 --> 00:20:45,919

looking

525

00:20:50,549 --> 00:20:48,000

you know an orb appeared in the sky out

526

00:20:54,390 --> 00:20:50,559

of nowhere you know it was perfectly

527

00:20:55,510 --> 00:20:54,400

uh clear sky and this orb appeared and

528

00:20:58,310 --> 00:20:55,520

it started moving

529

00:20:59,990 --> 00:20:58,320

so i figured okay i have a laser here

530

00:21:02,470 --> 00:21:00,000

let me signal to it because i

531

00:21:04,950 --> 00:21:02,480

saw that in c5 videos and dr greer talks

532

00:21:08,230 --> 00:21:04,960

about in his trainings and whatnot

533

00:21:10,070 --> 00:21:08,240

um so i i shine the laser you know not

534

00:21:13,270 --> 00:21:10,080

in the path of the object but

535

00:21:14,549 --> 00:21:13,280

in proximity to it uh you know from

536

00:21:18,230 --> 00:21:14,559

where it was going

537

00:21:21,669 --> 00:21:18,240

and i you know signaled the laser once

538

00:21:23,270 --> 00:21:21,679

so it flashed once

539

00:21:24,710 --> 00:21:23,280

so i said you know it's possible that

540

00:21:25,669 --> 00:21:24,720

this is a satellite and it just so

541

00:21:28,149 --> 00:21:25,679

happened

542

00:21:29,669 --> 00:21:28,159

that it's rotating or you know it there

543

00:21:32,230 --> 00:21:29,679

was an iridium flash at

544

00:21:33,029 --> 00:21:32,240

at the right time so i'm being skeptical

545

00:21:37,110 --> 00:21:33,039

of the

546

00:21:45,350 --> 00:21:37,120

so

547

00:21:48,230 --> 00:21:45,360

three flashes with the laser and

548

00:21:50,149 --> 00:21:48,240

the object flashed three times so at

549

00:21:53,190 --> 00:21:50,159

this point i'm like okay this is

550

00:21:55,270 --> 00:21:53,200

that's pretty uncanny so i

551  
00:21:56,230 --> 00:21:55,280  
at that point i'm not really doubting so

552  
00:21:58,230 --> 00:21:56,240  
much

553  
00:21:59,430 --> 00:21:58,240  
that there was an interaction taking

554  
00:22:01,270 --> 00:21:59,440  
place

555  
00:22:02,870 --> 00:22:01,280  
but then i said let me just really put

556  
00:22:05,029 --> 00:22:02,880  
this to the test

557  
00:22:07,110 --> 00:22:05,039  
so instead of flashing the this the

558  
00:22:09,990 --> 00:22:07,120  
laser like signaling like i was

559  
00:22:13,190 --> 00:22:10,000  
i just held it down for like three or

560  
00:22:16,950 --> 00:22:13,200  
four seconds and then shut it off

561  
00:22:20,470 --> 00:22:16,960  
and then the you know the object

562  
00:22:26,149 --> 00:22:23,990  
instead of flashing it for those three

563  
00:22:29,190 --> 00:22:26,159

or four seconds it got super super super

564

00:22:31,669 --> 00:22:29,200

super bright in the same like

565

00:22:32,390 --> 00:22:31,679

length of time that i had held the laser

566

00:22:34,310 --> 00:22:32,400

down

567

00:22:35,669 --> 00:22:34,320

and then it flashed and just completely

568

00:22:38,830 --> 00:22:35,679

disappeared

569

00:22:41,190 --> 00:22:38,840

um so that kind of demonstrates the the

570

00:22:41,750 --> 00:22:41,200

interactive quality that goes along with

571

00:22:45,430 --> 00:22:41,760

it

572

00:22:48,630 --> 00:22:45,440

um but you know you can see

573

00:22:50,789 --> 00:22:48,640

anything from what people call

574

00:22:52,470 --> 00:22:50,799

flash bulbs in the sky which are

575

00:22:54,630 --> 00:22:52,480

pinpoints of light

576

00:22:56,630 --> 00:22:54,640

and um again with the interactive

577

00:22:59,669 --> 00:22:56,640

quality sometimes you can

578

00:23:02,549 --> 00:22:59,679

intend for maybe you know

579

00:23:03,750 --> 00:23:02,559

if if it's you know a true contact two

580

00:23:06,789 --> 00:23:03,760

flashes and you

581

00:23:08,390 --> 00:23:06,799

you might get two flashes you know uh or

582

00:23:11,510 --> 00:23:08,400

things like that but

583

00:23:12,870 --> 00:23:11,520

there's also things that can occur right

584

00:23:15,909 --> 00:23:12,880

in the immediate

585

00:23:19,430 --> 00:23:15,919

um field site so you know there was

586

00:23:22,390 --> 00:23:19,440

were times when um like an

587

00:23:24,070 --> 00:23:22,400

orb clearly you know i mean this kind of

588

00:23:25,350 --> 00:23:24,080

sounds unbelievable

589

00:23:27,190 --> 00:23:25,360

um it's something you have to really

590

00:23:29,190 --> 00:23:27,200

experience to

591

00:23:30,470 --> 00:23:29,200

to really um come to grips with i think

592

00:23:35,270 --> 00:23:30,480

for some people

593

00:23:37,909 --> 00:23:35,280

but an orb a purple and a green orb

594

00:23:38,630 --> 00:23:37,919

right after each other came from what

595

00:23:41,269 --> 00:23:38,640

seemed

596

00:23:41,909 --> 00:23:41,279

you know from the sky i only saw it when

597

00:23:45,190 --> 00:23:41,919

it was about

598

00:23:47,830 --> 00:23:45,200

about 15 feet in the air coming down and

599

00:23:48,870 --> 00:23:47,840

it came almost to like head shoulder

600

00:23:51,029 --> 00:23:48,880

level

601  
00:23:52,230 --> 00:23:51,039  
and then it was very bright and

602  
00:23:53,990 --> 00:23:52,240  
disappeared

603  
00:23:56,789 --> 00:23:54,000  
so there's things like that that can

604  
00:24:00,310 --> 00:23:58,470  
interesting and you know one of the

605  
00:24:02,630 --> 00:24:00,320  
things i i really appreciate about your

606  
00:24:03,430 --> 00:24:02,640  
approach with ce5 and the phenomenon in

607  
00:24:05,510 --> 00:24:03,440  
general

608  
00:24:07,990 --> 00:24:05,520  
is i found you'd be very objective you

609  
00:24:10,070 --> 00:24:08,000  
don't exaggerate things you don't

610  
00:24:12,710 --> 00:24:10,080  
sugarcoat it you are very much an

611  
00:24:15,510 --> 00:24:12,720  
objective researcher i appreciate that

612  
00:24:17,909 --> 00:24:15,520  
and i'm thinking about people who want

613  
00:24:19,110 --> 00:24:17,919

to try ce5 for the first time and you

614

00:24:21,909 --> 00:24:19,120

know i'm just thinking about

615

00:24:23,190 --> 00:24:21,919

what their expectations should be so if

616

00:24:24,789 --> 00:24:23,200

you were to estimate

617

00:24:27,029 --> 00:24:24,799

how many times do you feel like you've

618

00:24:28,950 --> 00:24:27,039

personally experienced a successful

619

00:24:30,630 --> 00:24:28,960

cu5 endeavor maybe you can define what

620

00:24:31,990 --> 00:24:30,640

that is to you successful

621

00:24:34,230 --> 00:24:32,000

and what percentage of the time would

622

00:24:34,950 --> 00:24:34,240

you say something anomalous happens when

623

00:24:38,390 --> 00:24:34,960

people

624

00:24:39,750 --> 00:24:38,400

practice these protocols you know that's

625

00:24:42,710 --> 00:24:39,760

a very

626

00:24:44,830 --> 00:24:42,720

independent question it's going to be

627

00:24:47,990 --> 00:24:44,840

different for everybody

628

00:24:51,669 --> 00:24:48,000

um you know and

629

00:24:53,750 --> 00:24:51,679

and c5 is is uh a skill

630

00:24:55,350 --> 00:24:53,760

to an extent where it's something that

631

00:24:57,190 --> 00:24:55,360

you can get better at

632

00:24:58,549 --> 00:24:57,200

um you also have to take into the

633

00:25:00,230 --> 00:24:58,559

account that

634

00:25:02,710 --> 00:25:00,240

you know ultimately at the end of the

635

00:25:05,830 --> 00:25:02,720

day you know the

636

00:25:08,310 --> 00:25:05,840

kind of result is gonna

637

00:25:09,990 --> 00:25:08,320

also depend on the phenomenon it's not

638

00:25:12,789 --> 00:25:10,000

just completely you

639

00:25:14,070 --> 00:25:12,799

it's a two-way street so you might not

640

00:25:17,510 --> 00:25:14,080

get a response every single

641

00:25:19,110 --> 00:25:17,520

time and you know i can't say why that

642

00:25:21,430 --> 00:25:19,120

is

643

00:25:22,789 --> 00:25:21,440

um but you know one thing i would

644

00:25:26,630 --> 00:25:22,799

encourage

645

00:25:28,630 --> 00:25:26,640

to increase the probability of having a

646

00:25:32,470 --> 00:25:28,640

successful c5

647

00:25:34,789 --> 00:25:32,480

would be kind of to prepare beforehand

648

00:25:35,669 --> 00:25:34,799

so rather than just going out to a field

649

00:25:39,350 --> 00:25:35,679

site

650

00:25:42,630 --> 00:25:39,360

and doing the c5 protocols on the spot

651  
00:25:45,269 --> 00:25:42,640  
and expecting a response right away

652  
00:25:46,070 --> 00:25:45,279  
you know i would say oh well plan your

653  
00:25:49,590 --> 00:25:46,080  
c5

654  
00:25:51,190 --> 00:25:49,600  
a few days in advance and

655  
00:25:53,430 --> 00:25:51,200  
you know during those few days leading

656  
00:25:56,789 --> 00:25:53,440  
up to it do the c5

657  
00:25:59,269 --> 00:25:56,799  
protocols whenever you have a chance

658  
00:26:00,390 --> 00:25:59,279  
um you know even just like once or twice

659  
00:26:03,590 --> 00:26:00,400  
a day

660  
00:26:05,909 --> 00:26:03,600  
leading up to the event and you you'll

661  
00:26:07,269 --> 00:26:05,919  
likely have a much higher probability in

662  
00:26:10,390 --> 00:26:07,279  
my experience

663  
00:26:13,510 --> 00:26:10,400

of having a successful ce5

664

00:26:18,070 --> 00:26:13,520

but also i would encourage

665

00:26:20,710 --> 00:26:18,080

that people not have expectations

666

00:26:23,430 --> 00:26:20,720

at least when they're involved in the

667

00:26:25,909 --> 00:26:23,440

actual process of the cd5 itself

668

00:26:27,750 --> 00:26:25,919

you know because um when you're doing

669

00:26:31,350 --> 00:26:27,760

ce5 you want to be

670

00:26:35,269 --> 00:26:31,360

present and in the moment and if you're

671

00:26:38,710 --> 00:26:35,279

kind of projecting expectations

672

00:26:40,630 --> 00:26:38,720

um you're not truly present

673

00:26:43,190 --> 00:26:40,640

so there has to be a period of time

674

00:26:46,070 --> 00:26:43,200

where all that is let go

675

00:26:47,029 --> 00:26:46,080

um and also in this and there's a part

676  
00:26:50,830 --> 00:26:47,039  
to it where

677  
00:26:52,149 --> 00:26:50,840  
you want to kind of put contact into a

678  
00:26:54,310 --> 00:26:52,159  
box

679  
00:26:55,909 --> 00:26:54,320  
and expect what's going to happen you

680  
00:26:58,470 --> 00:26:55,919  
know i'm sure we're all human we have

681  
00:27:00,950 --> 00:26:58,480  
human nature and we have expectations

682  
00:27:03,750 --> 00:27:00,960  
but just being aware of the idea that

683  
00:27:07,510 --> 00:27:03,760  
you don't want to limit

684  
00:27:09,669 --> 00:27:07,520  
what you think contact is supposed to be

685  
00:27:10,870 --> 00:27:09,679  
you have to kind of let it happen and

686  
00:27:12,950 --> 00:27:10,880  
unfold

687  
00:27:14,390 --> 00:27:12,960  
and realize it for what it is rather

688  
00:27:18,070 --> 00:27:14,400

than trying to

689

00:27:22,149 --> 00:27:18,080

make it something that it's not

690

00:27:23,830 --> 00:27:22,159

right you know and it's interesting um i

691

00:27:25,510 --> 00:27:23,840

think one question that a lot of people

692

00:27:27,669 --> 00:27:25,520

would wonder about is you know

693

00:27:29,110 --> 00:27:27,679

who are you talking to you know and

694

00:27:30,630 --> 00:27:29,120

we've already discussed how

695

00:27:33,029 --> 00:27:30,640

dr grier's view is that these are

696

00:27:35,830 --> 00:27:33,039

extraterrestrial civilizations

697

00:27:37,830 --> 00:27:35,840

that are space-faring but having studied

698

00:27:39,510 --> 00:27:37,840

this topic as long as you have

699

00:27:41,590 --> 00:27:39,520

uh with plenty of personal experience

700

00:27:42,710 --> 00:27:41,600

with contact with apparently non-human

701  
00:27:44,630 --> 00:27:42,720  
intelligence

702  
00:27:45,830 --> 00:27:44,640  
who do you think you're talking to who

703  
00:27:47,669 --> 00:27:45,840  
are these others

704  
00:27:49,029 --> 00:27:47,679  
and your experiences at one group is it

705  
00:27:50,710 --> 00:27:49,039  
more than that what would you say to

706  
00:27:53,909 --> 00:27:50,720  
that

707  
00:27:57,350 --> 00:27:53,919  
question um

708  
00:28:03,029 --> 00:28:00,789  
you know you have personally

709  
00:28:04,630 --> 00:28:03,039  
when i've had some encounters i've had

710  
00:28:07,350 --> 00:28:04,640  
the intelligence

711  
00:28:08,950 --> 00:28:07,360  
more or less you know directly say in

712  
00:28:11,590 --> 00:28:08,960  
you know through what

713  
00:28:12,470 --> 00:28:11,600

you would call like a lock on telepathy

714

00:28:15,510 --> 00:28:12,480

that they were

715

00:28:16,070 --> 00:28:15,520

extraterrestrial um and at first i kind

716

00:28:19,269 --> 00:28:16,080

of

717

00:28:22,389 --> 00:28:19,279

just took that at face value um

718

00:28:24,789 --> 00:28:22,399

but over time i really began to question

719

00:28:25,669 --> 00:28:24,799

um you know is that something i

720

00:28:29,110 --> 00:28:25,679

translated

721

00:28:32,549 --> 00:28:29,120

um or is that something that um

722

00:28:34,149 --> 00:28:32,559

is just a matter of fact so

723

00:28:36,310 --> 00:28:34,159

um you know personally i've had

724

00:28:38,230 --> 00:28:36,320

encounters where i um

725

00:28:40,310 --> 00:28:38,240

the the encounters were distinctly

726

00:28:42,549 --> 00:28:40,320

different from others

727

00:28:44,310 --> 00:28:42,559

so in that regard i think there are

728

00:28:48,149 --> 00:28:44,320

several phenomena

729

00:28:50,789 --> 00:28:48,159

that occur even within ce5 you know

730

00:28:53,669 --> 00:28:50,799

and you can kind of speculate whether

731

00:28:56,230 --> 00:28:53,679

these are just different kind of et

732

00:28:59,110 --> 00:28:56,240

intelligences or maybe some are et and

733

00:29:03,990 --> 00:28:59,120

some are interdimensional

734

00:29:09,269 --> 00:29:07,669

that is um that's a tough one to

735

00:29:11,750 --> 00:29:09,279

completely answer as to

736

00:29:13,830 --> 00:29:11,760

who this you know what's the the

737

00:29:16,070 --> 00:29:13,840

intelligence behind the phenomenon

738

00:29:17,269 --> 00:29:16,080

i don't think anybody kind of knows for

739

00:29:20,470 --> 00:29:17,279

sure

740

00:29:21,750 --> 00:29:20,480

and our concepts and ideas of even

741

00:29:23,269 --> 00:29:21,760

say extraterrestrial right

742

00:29:23,830 --> 00:29:23,279

extraterrestrials kind of like an easy

743

00:29:26,070 --> 00:29:23,840

one

744

00:29:27,269 --> 00:29:26,080

okay we hit you know beings from other

745

00:29:28,789 --> 00:29:27,279

star systems

746

00:29:30,630 --> 00:29:28,799

that kind of makes sense but when you

747

00:29:32,710 --> 00:29:30,640

get into

748

00:29:34,230 --> 00:29:32,720

inter-dimensional like what is what does

749

00:29:36,789 --> 00:29:34,240

that even mean

750

00:29:38,070 --> 00:29:36,799

um you know are they from a different

751

00:29:41,669 --> 00:29:38,080

dimension

752

00:29:46,070 --> 00:29:41,679

that's

753

00:29:47,029 --> 00:29:46,080

sure and you know like you're sort of

754

00:29:49,110 --> 00:29:47,039

hinting at there

755

00:29:50,470 --> 00:29:49,120

uh a lot of this depends you know how

756

00:29:52,389 --> 00:29:50,480

accurate our categories are

757

00:29:53,669 --> 00:29:52,399

and it might be some category that we

758

00:29:56,549 --> 00:29:53,679

haven't even imagined yet

759

00:29:57,909 --> 00:29:56,559

quite possibly so this is some great

760

00:29:59,269 --> 00:29:57,919

background on c5

761

00:30:01,110 --> 00:29:59,279

we really appreciate hearing some of

762

00:30:02,389 --> 00:30:01,120

your experiences um

763

00:30:04,310 --> 00:30:02,399

for someone who'd like to learn more

764

00:30:06,310 --> 00:30:04,320

about ce5 what do you suggest

765

00:30:08,789 --> 00:30:06,320

what resources or communities would you

766

00:30:11,590 --> 00:30:08,799

point them towards

767

00:30:12,710 --> 00:30:11,600

well i have a group called the cd5

768

00:30:15,669 --> 00:30:12,720

initiative

769

00:30:16,389 --> 00:30:15,679

on facebook and you're there's there's

770

00:30:18,149 --> 00:30:16,399

uh

771

00:30:19,830 --> 00:30:18,159

a lot of experienced people in that

772

00:30:21,510 --> 00:30:19,840

group

773

00:30:24,149 --> 00:30:21,520

you know who have had decades of

774

00:30:27,430 --> 00:30:24,159

experience in cd5 work

775

00:30:29,830 --> 00:30:27,440

um i would say that you know

776  
00:30:31,510 --> 00:30:29,840  
although for some people dr steven greer

777  
00:30:35,909 --> 00:30:31,520  
is a sore subject

778  
00:30:39,029 --> 00:30:35,919  
um his his work is extremely important

779  
00:30:42,470 --> 00:30:39,039  
not just to ce5 but i think the entire

780  
00:30:46,070 --> 00:30:42,480  
field of ufos and contact in general

781  
00:30:48,470 --> 00:30:46,080  
so even though

782  
00:30:49,990 --> 00:30:48,480  
you know for some people dr stephen

783  
00:30:52,950 --> 00:30:50,000  
greer is not popular

784  
00:30:54,630 --> 00:30:52,960  
his i think his work in the c5 work is

785  
00:30:56,950 --> 00:30:54,640  
incredibly important so i would

786  
00:30:58,870 --> 00:30:56,960  
consider him a a resource that you

787  
00:31:02,230 --> 00:30:58,880  
should look into

788  
00:31:05,269 --> 00:31:02,240

but i would also say look at

789

00:31:07,269 --> 00:31:05,279

you know other contact other contactees

790

00:31:11,830 --> 00:31:07,279

look at uh mission rama

791

00:31:13,509 --> 00:31:11,840

sixto paswells um enrique villanueva

792

00:31:15,830 --> 00:31:13,519

other people that were associated with

793

00:31:18,870 --> 00:31:15,840

rama who have basically been doing the

794

00:31:21,590 --> 00:31:18,880

same thing as c5 just under different

795

00:31:25,830 --> 00:31:24,470

very good um it's been really helpful i

796

00:31:26,710 --> 00:31:25,840

think people have a much better

797

00:31:28,230 --> 00:31:26,720

understanding if they didn't know

798

00:31:29,830 --> 00:31:28,240

anything about ce5 they would have some

799

00:31:31,509 --> 00:31:29,840

understandings now

800

00:31:33,750 --> 00:31:31,519

before we sign off is there anything

801  
00:31:34,630 --> 00:31:33,760  
you'd like to clarify any misconceptions

802  
00:31:36,470 --> 00:31:34,640  
you'd like to

803  
00:31:38,149 --> 00:31:36,480  
rectify when it comes to ce5 what would

804  
00:31:40,950 --> 00:31:38,159  
you like people to know more about with

805  
00:31:45,509 --> 00:31:44,310  
oh wow well that's there could be a lot

806  
00:31:49,750 --> 00:31:45,519  
to unload there

807  
00:31:52,230 --> 00:31:49,760  
um one one thing would be

808  
00:31:53,750 --> 00:31:52,240  
you know it's kind of it kind of sounds

809  
00:31:55,990 --> 00:31:53,760  
a little silly but people

810  
00:31:57,430 --> 00:31:56,000  
often say oh you're you're praying to

811  
00:31:59,830 --> 00:31:57,440  
the et's

812  
00:32:02,070 --> 00:31:59,840  
and that's that's not what ce5 is or

813  
00:32:05,269 --> 00:32:02,080

what c5 is about

814

00:32:05,830 --> 00:32:05,279

meditation is utilized in ce5 a lot of

815

00:32:09,430 --> 00:32:05,840

times

816

00:32:11,509 --> 00:32:09,440

because it's you're you're bringing your

817

00:32:12,549 --> 00:32:11,519

attention and awareness into a place

818

00:32:16,389 --> 00:32:12,559

where

819

00:32:20,070 --> 00:32:16,399

it's it's clearer and it seems that

820

00:32:22,630 --> 00:32:20,080

that these intelligences um

821

00:32:24,630 --> 00:32:22,640

operate on levels in which we would

822

00:32:26,310 --> 00:32:24,640

consider elevated states of awareness

823

00:32:28,789 --> 00:32:26,320

you know whether that's

824

00:32:30,549 --> 00:32:28,799

you know a clearer perception or you

825

00:32:33,830 --> 00:32:30,559

know what have you so

826

00:32:37,269 --> 00:32:33,840

um that would be one thing um

827

00:32:40,630 --> 00:32:37,279

another thing i kind of think is

828

00:32:43,509 --> 00:32:40,640

um kind of a misconception

829

00:32:45,029 --> 00:32:43,519

is the idea of summoning and i i know

830

00:32:47,430 --> 00:32:45,039

that to some people that might sound

831

00:32:49,669 --> 00:32:47,440

accurate like okay you're summoning ufos

832

00:32:50,630 --> 00:32:49,679

but it that's that to me is the wrong

833

00:32:53,110 --> 00:32:50,640

mindset

834

00:32:53,990 --> 00:32:53,120

it's it's an interaction it's a two-way

835

00:32:57,509 --> 00:32:54,000

street

836

00:33:00,549 --> 00:32:57,519

it's more of a relationship

837

00:33:02,950 --> 00:33:00,559

in a sense than than

838

00:33:04,070 --> 00:33:02,960

um like summoning rather than summoning

839

00:33:07,110 --> 00:33:04,080

it's a it's an

840

00:33:10,710 --> 00:33:09,190

i understood um i think that's a good

841

00:33:11,590 --> 00:33:10,720

good point of clarification for people

842

00:33:13,669 --> 00:33:11,600

as well

843

00:33:15,430 --> 00:33:13,679

um so i really encourage people to check

844

00:33:17,029 --> 00:33:15,440

out james's work uh he's

845

00:33:19,509 --> 00:33:17,039

really been a major catalyst and

846

00:33:21,350 --> 00:33:19,519

expanding c5 around the world and the

847

00:33:23,029 --> 00:33:21,360

social media work that he's done

848

00:33:24,389 --> 00:33:23,039

uh definitely check out who's engaging

849

00:33:26,789 --> 00:33:24,399

the phenomenon

850

00:33:28,149 --> 00:33:26,799

youtube channel if you haven't already

851  
00:33:29,909 --> 00:33:28,159  
and james i just really want to thank

852  
00:33:32,549 --> 00:33:29,919  
you for joining us on the

853  
00:33:34,149 --> 00:33:32,559  
point of convergence podcast absolutely

854  
00:33:34,950 --> 00:33:34,159  
i'm a big fan of your work i really

855  
00:33:38,789 --> 00:33:34,960  
appreciate

856  
00:33:40,870 --> 00:33:38,799  
the the uh level-headed

857  
00:33:42,149 --> 00:33:40,880  
skepticism that's very open-minded at

858  
00:33:44,310 --> 00:33:42,159  
the same time

859  
00:33:48,870 --> 00:33:44,320  
great i appreciate it james thank you

860  
00:33:52,710 --> 00:33:50,389  
again i'd like to thank our special

861  
00:33:54,630 --> 00:33:52,720  
guest from today james ian doley who

862  
00:33:57,350 --> 00:33:54,640  
shared his wealth of information

863  
00:33:59,350 --> 00:33:57,360

and personal history with this topic

864

00:34:01,909 --> 00:33:59,360

clearly from james point of view

865

00:34:03,590 --> 00:34:01,919

consciousness is essential and central

866

00:34:05,029 --> 00:34:03,600

to ce5

867

00:34:07,190 --> 00:34:05,039

understanding consciousness and

868

00:34:07,990 --> 00:34:07,200

meditation takes you a long way towards

869

00:34:11,270 --> 00:34:08,000

understanding

870

00:34:12,629 --> 00:34:11,280

what's going on and how this works and i

871

00:34:14,069 --> 00:34:12,639

definitely encourage you to check out

872

00:34:16,950 --> 00:34:14,079

james youtube channel

873

00:34:17,750 --> 00:34:16,960

engaging the phenomenon for conversation

874

00:34:20,389 --> 00:34:17,760

insights

875

00:34:23,109 --> 00:34:20,399

tips and advice regarding ce5 and

876

00:34:26,869 --> 00:34:25,109

and that brings us to a close of this

877

00:34:28,149 --> 00:34:26,879

edition of the point of convergence

878

00:34:30,310 --> 00:34:28,159

podcast

879

00:34:31,349 --> 00:34:30,320

be sure to like subscribe share this

880

00:34:33,430 --> 00:34:31,359

with your friends with

881

00:34:35,109 --> 00:34:33,440

other people you think may be interested

882

00:34:38,950 --> 00:34:35,119

let's keep the conversation going and

883

00:34:42,869 --> 00:34:40,790

and as always i hope you'll tune in

884

00:34:44,389 --> 00:34:42,879

again next week as we continue this

885

00:34:47,589 --> 00:34:44,399

fascinating journey

886

00:34:49,669 --> 00:34:47,599

into a paradigm shaking topic

887

00:34:51,349 --> 00:34:49,679

until then from deep in the blue ridge
