[Music]

2
00:00:11,110 --> 00:00:08,710

hello

3
00:00:13,350 --> 00:00:11,120

and welcome to episode number eight of

4
00:00:18,230 --> 00:00:13,360

the point of convergence podcast

5
00:00:20,310 --> 00:00:18,240

as always i'm your host exo academian

6
00:00:21,910 --> 00:00:20,320

when one considers the history of the

7
00:00:23,990 --> 00:00:21,920

ufo phenomenon

8
00:00:26,230 --> 00:00:24,000

both recent and going well back to the

9
00:00:29,269 --> 00:00:26,240

middle part of the 20th century

10
00:00:31,589 --> 00:00:29,279

one thing is clear subterfuge is an

11
00:00:33,750 --> 00:00:31,599

ongoing and ever-present element of the

12
00:00:36,310 --> 00:00:33,760

entire enterprise

13
00:00:38,470 --> 00:00:36,320

when these elusive craft are seen it's

14

00:00:41,430 --> 00:00:38,480

often at night and on average

15

00:00:43,430 --> 00:00:41,440

in less densely populated areas when

16

00:00:45,190 --> 00:00:43,440

they are spotted over city centers

17

00:00:46,470 --> 00:00:45,200

some people will see these unidentified

18

00:00:49,350 --> 00:00:46,480

aerial phenomena

19

00:00:50,470 --> 00:00:49,360

while others will not because on top of

20

00:00:52,950 --> 00:00:50,480

being elusive

21

00:00:54,790 --> 00:00:52,960

the intelligence behind these craft show

22

00:00:57,430 --> 00:00:54,800

a clear ability to manipulate

23

00:00:57,990 --> 00:00:57,440

human perception directly in whatever

24

00:01:01,110 --> 00:00:58,000

way it

25

00:01:01,990 --> 00:01:01,120

sees fit it is fair to say that you only

26

00:01:07,350 --> 00:01:02,000

see them

27

00:01:08,390 --> 00:01:07,360

and then there are the witnesses the

28

00:01:11,350 --> 00:01:08,400

abductees

29

00:01:13,190 --> 00:01:11,360

and the contactees known collectively as

30

00:01:15,109 --> 00:01:13,200

the experiencers

31

00:01:16,950 --> 00:01:15,119

when these people do remember coming

32

00:01:19,030 --> 00:01:16,960

into contact with these apparently

33

00:01:21,749 --> 00:01:19,040

non-human intelligences

34

00:01:24,310 --> 00:01:21,759

it's often in fits and starts the

35

00:01:25,910 --> 00:01:24,320

memories are foggy and disjointed

36

00:01:28,630 --> 00:01:25,920

for this reason many of these

37

00:01:31,510 --> 00:01:28,640

experiencers seek out trained therapists

38

00:01:33,429 --> 00:01:31,520

to conduct hypnotic regression in hopes

39

00:01:36,870 --> 00:01:33,439

of pulling additional details

40

00:01:38,390 --> 00:01:36,880

from the ether of the deep subconscious

41

00:01:40,469 --> 00:01:38,400

and when the embedded events do

42

00:01:42,469 --> 00:01:40,479

eventually arise in memory

43

00:01:44,469 --> 00:01:42,479

it's often clear that significant

44

00:01:46,230 --> 00:01:44,479

portions of the experiencer's life

45

00:01:47,510 --> 00:01:46,240

have either been blocked from conscious

46

00:01:49,990 --> 00:01:47,520

memory or

47

00:01:50,710 --> 00:01:50,000

masked as other events that didn't tell

48

00:01:54,069 --> 00:01:50,720

the whole

49

00:01:57,190 --> 00:01:54,079

or true story these shards of recall

50

00:01:58,469 --> 00:01:57,200

often touch on genetic manipulation even

51
00:02:03,030 --> 00:01:58,479
the witnessing of apparent

52
00:02:06,149 --> 00:02:03,040
alien humid hybridization programs

53
00:02:07,109 --> 00:02:06,159
the question we're left with is why why

54
00:02:09,669 --> 00:02:07,119
the secrecy

55
00:02:11,350 --> 00:02:09,679
why the hiddenness what's behind the

56
00:02:12,710 --> 00:02:11,360
stealthy nature of this alien

57
00:02:14,470 --> 00:02:12,720
intelligence

58
00:02:16,470 --> 00:02:14,480
what can we tease from the data

59
00:02:18,470 --> 00:02:16,480
regarding the potential motivations

60
00:02:20,390 --> 00:02:18,480
behind these actions

61
00:02:22,869 --> 00:02:20,400
is this sign of a daunting looming

62
00:02:24,710 --> 00:02:22,879
threat of enormous proportions

63
00:02:27,190 --> 00:02:24,720

or is a completely different future in

64

00:02:28,949 --> 00:02:27,200

play one that involves a cooperative

65

00:02:31,430 --> 00:02:28,959

inter-species relationship

66

00:02:33,509 --> 00:02:31,440

and a subsequently completely changed

67

00:02:35,670 --> 00:02:33,519

human civilization

68

00:02:36,550 --> 00:02:35,680

these compelling questions are the topic

69

00:02:38,309 --> 00:02:36,560

of this

70

00:02:41,430 --> 00:02:38,319

the eighth episode of the point of

71

00:02:43,990 --> 00:02:41,440

convergence podcast

72

00:02:45,030 --> 00:02:44,000

to set the scene for today's episode i'd

73

00:02:47,190 --> 00:02:45,040

like to read

74

00:02:48,390 --> 00:02:47,200

a section from a book written by an

75

00:02:51,990 --> 00:02:48,400

experiencer

76

00:02:52,630 --> 00:02:52,000

was for now though it doesn't really

77

00:02:55,190 --> 00:02:52,640

matter

78

00:02:57,990 --> 00:02:55,200

this is a very common occurrence this is

79

00:03:01,110 --> 00:02:58,000

quite typical for any experimenter

80

00:03:01,910 --> 00:03:01,120

i quote at some point we reach the brow

81

00:03:04,630 --> 00:03:01,920

of a hill

82

00:03:05,589 --> 00:03:04,640

and below in the valley a long stretch

83

00:03:07,509 --> 00:03:05,599

of road ran

84

00:03:09,910 --> 00:03:07,519

parallel to a line of hills for some

85

00:03:12,229 --> 00:03:09,920

distance it was then that we noticed

86

00:03:13,430 --> 00:03:12,239

two bright white lights large and

87

00:03:15,589 --> 00:03:13,440

stationary

88

00:03:16,470 --> 00:03:15,599

side by side in the sky some distance

89

00:03:18,949 --> 00:03:16,480

ahead of us

90

00:03:20,790 --> 00:03:18,959

and off to the left above the hills

91

00:03:23,670 --> 00:03:20,800

helicopter said pete

92

00:03:24,470 --> 00:03:23,680

it's not moving i replied hovering he

93

00:03:27,190 --> 00:03:24,480

said

94

00:03:29,190 --> 00:03:27,200

landing lights i thought perhaps they

95

00:03:32,149 --> 00:03:29,200

were the lights of a top dresser

96

00:03:33,990 --> 00:03:32,159

heading directly towards us flying to a

97

00:03:36,470 --> 00:03:34,000

farm airstrip for the night

98

00:03:39,910 --> 00:03:36,480

helicopter pete insisted but the lights

99

00:03:41,990 --> 00:03:39,920

remained in the same position

100

00:03:44,390 --> 00:03:42,000

by now we were descending towards the

101
00:03:46,149 --> 00:03:44,400
strait and that anxious feeling returned

102
00:03:48,229 --> 00:03:46,159
as we watched the lights

103
00:03:50,229 --> 00:03:48,239
i looked briefly at pete and saw a

104
00:03:51,110 --> 00:03:50,239
mixture of interest and uncertainty on

105
00:03:52,949 --> 00:03:51,120
his face

106
00:03:54,789 --> 00:03:52,959
which i attributed to him wanting to be

107
00:03:57,030 --> 00:03:54,799
right about it being a helicopter

108
00:03:58,229 --> 00:03:57,040
rather than a light aircraft he liked to

109
00:04:00,869 --> 00:03:58,239
be right

110
00:04:01,750 --> 00:04:00,879
abruptly the light switched off or

111
00:04:04,070 --> 00:04:01,760
disappeared

112
00:04:05,270 --> 00:04:04,080
and reappeared together instantaneously

113
00:04:07,429 --> 00:04:05,280

above the hills

114

00:04:09,509 --> 00:04:07,439

directly to our left and parallel with

115

00:04:11,670 --> 00:04:09,519

our car

116

00:04:13,670 --> 00:04:11,680

pete instinctively eased off on the

117

00:04:14,550 --> 00:04:13,680

accelerator and changed down into second

118

00:04:16,469 --> 00:04:14,560

gear

119

00:04:18,789 --> 00:04:16,479

the two lights hung motionless and

120

00:04:21,509 --> 00:04:18,799

exceedingly bright in the sky

121

00:04:24,230 --> 00:04:21,519

close over an adjacent hill too close

122

00:04:26,550 --> 00:04:24,240

for comfort as far as i was concerned

123

00:04:27,350 --> 00:04:26,560

only a few seconds had elapsed since we

124

00:04:29,830 --> 00:04:27,360

first saw them

125

00:04:31,590 --> 00:04:29,840

and for a few seconds more nothing else

126

00:04:33,749 --> 00:04:31,600

untoward happened

127

00:04:34,790 --> 00:04:33,759

i felt a flood of relief and pete's

128

00:04:36,710 --> 00:04:34,800

emphatic words

129

00:04:38,629 --> 00:04:36,720

it's a bloody helicopter had a

130

00:04:41,270 --> 00:04:38,639

reassuring ring about them

131

00:04:42,550 --> 00:04:41,280

in those suspended seconds in time my

132

00:04:44,950 --> 00:04:42,560

rational mind was

133

00:04:46,870 --> 00:04:44,960

already telling me everything was okay

134

00:04:49,749 --> 00:04:46,880

trying to fit a bizarre occurrence

135

00:04:51,110 --> 00:04:49,759

into a familiar box to appease my senses

136

00:04:53,909 --> 00:04:51,120

and emotions

137

00:04:55,749 --> 00:04:53,919

it must be a fast-moving helicopter but

138

00:04:57,909 --> 00:04:55,759

this was not to be

139

00:04:58,790 --> 00:04:57,919

with alarming speed the lights again

140

00:05:01,270 --> 00:04:58,800

switched off

141

00:05:03,670 --> 00:05:01,280

and reappeared instantaneously back

142

00:05:07,029 --> 00:05:03,680

along the line of hills ahead of us

143

00:05:09,270 --> 00:05:07,039

near where we had first sighted them

144

00:05:11,430 --> 00:05:09,280

now fear and panic really gripped us

145

00:05:12,550 --> 00:05:11,440

both and we were barely crawling along

146

00:05:14,950 --> 00:05:12,560

in second gear

147

00:05:15,749 --> 00:05:14,960

eyes fastened on the lights pete

148

00:05:18,469 --> 00:05:15,759

murmured

149

00:05:20,150 --> 00:05:18,479

what the hell is that uncertainty tinged

150

00:05:22,070 --> 00:05:20,160

his voice now

151
00:05:23,990 --> 00:05:22,080
the lights pulsed several times in quick

152
00:05:24,870 --> 00:05:24,000
succession before expanding and

153
00:05:27,990 --> 00:05:24,880
brightening

154
00:05:31,350 --> 00:05:28,000
as if merging into one larger light pete

155
00:05:33,590 --> 00:05:31,360
halted the car completely

156
00:05:35,430 --> 00:05:33,600
the light switched off again we

157
00:05:37,909 --> 00:05:35,440
frantically swiveled our heads around

158
00:05:38,550 --> 00:05:37,919
scanning the sky expecting to see them

159
00:05:41,270 --> 00:05:38,560
reappear

160
00:05:42,790 --> 00:05:41,280
somewhere else i wound my window right

161
00:05:45,350 --> 00:05:42,800
down for a better look

162
00:05:46,950 --> 00:05:45,360
nothing i think it's gone what do you

163
00:05:48,469 --> 00:05:46,960

think it was i asked

164

00:05:50,310 --> 00:05:48,479

how the hell would i know let's get out

165

00:05:52,629 --> 00:05:50,320

of here this is really weird

166

00:05:53,510 --> 00:05:52,639

pete accelerated off and in his haste to

167

00:05:55,670 --> 00:05:53,520

get away

168

00:05:58,710 --> 00:05:55,680

crunched the gears and swore loudly

169

00:06:01,110 --> 00:05:58,720

thrashing into third gear

170

00:06:02,469 --> 00:06:01,120

within seconds pete's voice broke the

171

00:06:05,110 --> 00:06:02,479

secure silence

172

00:06:06,070 --> 00:06:05,120

oh god he said quietly what what's the

173

00:06:07,749 --> 00:06:06,080

matter

174

00:06:10,150 --> 00:06:07,759

pete's eyes were fixed on the rear

175

00:06:12,230 --> 00:06:10,160

vision mirror all the color had drained

176
00:06:15,110 --> 00:06:12,240
from his face and his mouth was a thin

177
00:06:16,150 --> 00:06:15,120
purple line it's coming up behind us he

178
00:06:17,510 --> 00:06:16,160
shouted

179
00:06:19,590 --> 00:06:17,520
i stuck my head out the window

180
00:06:21,909 --> 00:06:19,600
struggling to hold on to my long hair

181
00:06:23,110 --> 00:06:21,919
flailing in the wind for some reason i

182
00:06:25,430 --> 00:06:23,120
had to see it myself

183
00:06:26,950 --> 00:06:25,440
even though terrible fear was mixed with

184
00:06:30,469 --> 00:06:26,960
an equally terrible sense of

185
00:06:31,749 --> 00:06:30,479
awe and curiosity an enormous sphere of

186
00:06:34,070 --> 00:06:31,759
brilliant white light

187
00:06:34,950 --> 00:06:34,080
as wide as the road was racing up behind

188
00:06:37,990 --> 00:06:34,960

our car

189

00:06:39,830 --> 00:06:38,000

about 30 meters or so above the ground

190

00:06:42,150 --> 00:06:39,840

it was too bright to look at directly

191

00:06:44,469 --> 00:06:42,160

and my eyes squinted and watered in a

192

00:06:46,629 --> 00:06:44,479

struggle to see anything at all

193

00:06:48,230 --> 00:06:46,639

pete was absolutely yelling now quick

194

00:06:52,309 --> 00:06:48,240

get your head in the bloody window

195

00:06:54,710 --> 00:06:52,319

hey what's going on the car's motor died

196

00:06:56,390 --> 00:06:54,720

it was upon us i could hear pete

197

00:06:57,270 --> 00:06:56,400

shouting and swearing and someone

198

00:06:58,950 --> 00:06:57,280

screaming

199

00:07:01,350 --> 00:06:58,960

a piercing high-pitched shrill

200

00:07:01,990 --> 00:07:01,360

descending to a guttural choking sound

201
00:07:06,870 --> 00:07:02,000
as breath

202
00:07:12,309 --> 00:07:09,670
dazzling white light radiated around us

203
00:07:14,150 --> 00:07:12,319
as if we had been swallowed up by it

204
00:07:16,070 --> 00:07:14,160
surely this thing would pass over us and

205
00:07:18,150 --> 00:07:16,080
carry on down the road

206
00:07:20,390 --> 00:07:18,160
in the midst of the hell and confusion

207
00:07:22,550 --> 00:07:20,400
my brain registered the fact that pete

208
00:07:24,710 --> 00:07:22,560
had suddenly lapsed into silence

209
00:07:26,469 --> 00:07:24,720
and it seemed to take ages to turn my

210
00:07:28,309 --> 00:07:26,479
head in his direction

211
00:07:30,230 --> 00:07:28,319
i could only just see him sitting

212
00:07:32,870 --> 00:07:30,240
motionless as if asleep

213
00:07:33,990 --> 00:07:32,880

with his arms flopped at his sides an

214

00:07:36,309 --> 00:07:34,000

intense buzzing

215

00:07:37,830 --> 00:07:36,319

a rasping electronic sound reverberated

216

00:07:40,309 --> 00:07:37,840

through my entire body

217

00:07:42,830 --> 00:07:40,319

and my ears hurt as if a forceful

218

00:07:43,990 --> 00:07:42,840

suction was being applied to my ear

219

00:07:46,869 --> 00:07:44,000

canals

220

00:07:48,150 --> 00:07:46,879

the car vibrated violently followed by a

221

00:07:50,710 --> 00:07:48,160

feeling of compression

222

00:07:51,909 --> 00:07:50,720

and then smoothness as if the car had

223

00:07:54,550 --> 00:07:51,919

actually left the road

224

00:07:56,150 --> 00:07:54,560

and become airborne and i could liken it

225

00:07:56,869 --> 00:07:56,160

to the feeling you get in the pit of

226

00:07:59,990 --> 00:07:56,879

your stomach

227

00:08:02,230 --> 00:08:00,000

as an aircraft rises from the tarmac

228

00:08:03,270 --> 00:08:02,240

using every remaining bit of energy and

229

00:08:05,589 --> 00:08:03,280

determination

230

00:08:06,950 --> 00:08:05,599

i tried to shut the window and the last

231

00:08:09,430 --> 00:08:06,960

image i recall seeing

232

00:08:11,830 --> 00:08:09,440

through narrowed eyelids was my arm

233

00:08:13,350 --> 00:08:11,840

moving as if in slow motion towards the

234

00:08:14,950 --> 00:08:13,360

window winder

235

00:08:16,950 --> 00:08:14,960

the intensity of the light was

236

00:08:19,110 --> 00:08:16,960

excruciating and the continuous

237

00:08:21,350 --> 00:08:19,120

buzzing noise had increased in both

238

00:08:23,830 --> 00:08:21,360

pitch and rate of vibration

239

00:08:25,909 --> 00:08:23,840

until it was almost unbearable

240

00:08:27,029 --> 00:08:25,919

everything surrounding me became so

241

00:08:29,749 --> 00:08:27,039

blindingly white

242

00:08:31,110 --> 00:08:29,759

that i can only assume my body and mind

243

00:08:33,909 --> 00:08:31,120

must have shut down

244

00:08:36,709 --> 00:08:33,919

at that point i too must have lost

245

00:08:39,990 --> 00:08:39,110

a sharp cracking sound in my eardrums

246

00:08:42,469 --> 00:08:40,000

woke me from what

247

00:08:44,070 --> 00:08:42,479

i thought was a deep sleep into pitch

248

00:08:46,470 --> 00:08:44,080

black surroundings

249

00:08:47,829 --> 00:08:46,480

i felt vague and confused uncertain

250

00:08:49,990 --> 00:08:47,839

where i was

251
00:08:51,430 --> 00:08:50,000
there was a soothing rocking sensation

252
00:08:53,990 --> 00:08:51,440
like floatation

253
00:08:55,910 --> 00:08:54,000
and forward movement a whooshing sound

254
00:08:57,670 --> 00:08:55,920
of rushing air and my hair was blowing

255
00:08:59,350 --> 00:08:57,680
all around my face

256
00:09:01,590 --> 00:08:59,360
someone moved near me and a loud

257
00:09:03,190 --> 00:09:01,600
familiar voice jolted me abruptly into a

258
00:09:05,990 --> 00:09:03,200
strange reality

259
00:09:07,990 --> 00:09:06,000
what the hell is going on i bounced and

260
00:09:10,790 --> 00:09:08,000
lurched forward on the seat belt as the

261
00:09:12,790 --> 00:09:10,800
car hit the ground with a terrific thud

262
00:09:15,269 --> 00:09:12,800
the motor revved into life and lights

263
00:09:17,190 --> 00:09:15,279

came on in front of me

264

00:09:18,949 --> 00:09:17,200

snapping me instantly into full

265

00:09:21,670 --> 00:09:18,959

awareness and i cried out

266

00:09:23,590 --> 00:09:21,680

gripping the seat belt to steady myself

267

00:09:24,790 --> 00:09:23,600

pete was swearing and fighting to regain

268

00:09:26,310 --> 00:09:24,800

control of the car

269

00:09:28,470 --> 00:09:26,320

as the bridge at the far end of the

270

00:09:30,470 --> 00:09:28,480

street loomed up in front of us

271

00:09:33,030 --> 00:09:30,480

roaring and ringing sounds blared in my

272

00:09:35,990 --> 00:09:33,040

ears and i was unbearably thirsty

273

00:09:37,990 --> 00:09:36,000

my mouth devoid of moisture memory of

274

00:09:38,710 --> 00:09:38,000

some lights in the sky sprang into my

275

00:09:40,790 --> 00:09:38,720

mind

276

00:09:43,110 --> 00:09:40,800

along with confusion and panic about

277

00:09:45,910 --> 00:09:43,120

something where's the light pete

278

00:09:47,430 --> 00:09:45,920

i asked tentatively what light you know

279

00:09:49,750 --> 00:09:47,440

we saw some lights

280

00:09:52,150 --> 00:09:49,760

i scanned the sky now transformed from

281

00:09:55,190 --> 00:09:52,160

my memory of late afternoon sunlight

282

00:09:57,670 --> 00:09:55,200

to complete darkness a rising sense of

283

00:09:59,829 --> 00:09:57,680

panic gripped me as vague memories began

284

00:10:01,829 --> 00:09:59,839

to filter back of the lights

285

00:10:02,870 --> 00:10:01,839

shut the bloody window it's freezing

286

00:10:05,350 --> 00:10:02,880

pete roared

287

00:10:06,150 --> 00:10:05,360

it's dark something's happened remember

288

00:10:10,790 --> 00:10:06,160

the lights

289

00:10:13,910 --> 00:10:13,030

now while the details of this person's

290

00:10:17,350 --> 00:10:13,920

experience

291

00:10:20,310 --> 00:10:17,360

may be unique the overall scenario is

292

00:10:21,910 --> 00:10:20,320

all too familiar strange lights in the

293

00:10:25,430 --> 00:10:21,920

sky

294

00:10:28,150 --> 00:10:25,440

moving in peculiar ways engine failure

295

00:10:29,430 --> 00:10:28,160

missing time paralysis and the

296

00:10:32,710 --> 00:10:29,440

incapacitation of

297

00:10:35,990 --> 00:10:32,720

others these are all elements of the ufo

298

00:10:40,230 --> 00:10:38,870

now perhaps not surprisingly to you i

299

00:10:42,150 --> 00:10:40,240

hold to the hypothesis

300

00:10:43,350 --> 00:10:42,160

that there are actually good reasons for

301
00:10:45,430 --> 00:10:43,360
the stealthiness

302
00:10:47,190 --> 00:10:45,440
of ufo intelligence and that their

303
00:10:51,190 --> 00:10:47,200
ultimate intentions towards us

304
00:10:53,350 --> 00:10:51,200
are benevolent now to be certain

305
00:10:54,949 --> 00:10:53,360
not everyone agrees with me there are

306
00:10:56,470 --> 00:10:54,959
some who have studied this topic

307
00:10:58,150 --> 00:10:56,480
in depth and have come to different

308
00:11:00,870 --> 00:10:58,160
conclusions

309
00:11:02,790 --> 00:11:00,880
in the podcast review of richard dolan's

310
00:11:06,310 --> 00:11:02,800
the alien agendas book

311
00:11:09,350 --> 00:11:06,320
i mentioned dr david jacobs

312
00:11:10,949 --> 00:11:09,360
now dr jacob's work suggests something

313
00:11:13,350 --> 00:11:10,959

entirely different

314

00:11:14,230 --> 00:11:13,360

he conducts hypnotic regression on

315

00:11:16,310 --> 00:11:14,240

clients

316

00:11:17,670 --> 00:11:16,320

and then draws conclusions based on what

317

00:11:21,670 --> 00:11:17,680

he notices

318

00:11:23,430 --> 00:11:21,680

comparing data points on those clients

319

00:11:24,870 --> 00:11:23,440

and again for those who are not familiar

320

00:11:27,509 --> 00:11:24,880

with this technique

321

00:11:29,030 --> 00:11:27,519

hypnotic regression involves putting

322

00:11:31,750 --> 00:11:29,040

clients into a kind of

323

00:11:32,389 --> 00:11:31,760

trance-like state in which the idea is

324

00:11:34,550 --> 00:11:32,399

you can

325

00:11:37,110 --> 00:11:34,560

uncover memories that have been buried

326

00:11:39,269 --> 00:11:37,120

deep in the subconscious

327

00:11:40,949 --> 00:11:39,279

and when david jacobs considers the

328

00:11:42,470 --> 00:11:40,959

evidence he's gathered from

329

00:11:45,509 --> 00:11:42,480

doing many regressions on different

330

00:11:48,310 --> 00:11:45,519

clients he comes to the conclusion

331

00:11:49,829 --> 00:11:48,320

that the news is not good he has

332

00:11:52,790 --> 00:11:49,839

concluded that there is an

333

00:11:54,470 --> 00:11:52,800

alien species present on the earth that

334

00:11:57,590 --> 00:11:54,480

is actively trying to

335

00:12:00,150 --> 00:11:57,600

take over the world

336

00:12:02,629 --> 00:12:00,160

now to jacobs this fully explains the

337

00:12:04,550 --> 00:12:02,639

stealthiness of ufo intelligence

338

00:12:06,710 --> 00:12:04,560

from his point of view they are planning

339

00:12:08,230 --> 00:12:06,720

on plotting a massive takeover of the

340

00:12:10,790 --> 00:12:08,240

entire planet

341

00:12:12,470 --> 00:12:10,800

they see us as obstacles in the way of

342

00:12:14,790 --> 00:12:12,480

their domination

343

00:12:17,670 --> 00:12:14,800

and he goes further he believes there is

344

00:12:20,069 --> 00:12:17,680

an active hybridization program going on

345

00:12:21,670 --> 00:12:20,079

where alien human hybrids are created

346

00:12:23,509 --> 00:12:21,680

that look just like us

347

00:12:25,670 --> 00:12:23,519

but the human part of them is basically

348

00:12:29,430 --> 00:12:25,680

zombie-like and they walk around

349

00:12:33,509 --> 00:12:30,790

so what do you think of jacob's

350

00:12:34,470 --> 00:12:33,519

conclusions it certainly fits some of

351
00:12:37,670 --> 00:12:34,480
the data

352
00:12:38,629 --> 00:12:37,680
it would explain why these ufos slash

353
00:12:42,069 --> 00:12:38,639
uaps

354
00:12:44,310 --> 00:12:42,079
are elusive why they would be in hiding

355
00:12:45,110 --> 00:12:44,320
it also explains why people have missing

356
00:12:48,230 --> 00:12:45,120
time

357
00:12:52,310 --> 00:12:48,240
and scary memories of being on board uap

358
00:12:54,949 --> 00:12:52,320
craft it would also explain why

359
00:12:57,430 --> 00:12:54,959
some abductees remember strange medical

360
00:13:00,150 --> 00:12:57,440
procedures being done upon them

361
00:13:02,069 --> 00:13:00,160
when dna seems to be extracted and it

362
00:13:03,990 --> 00:13:02,079
would also explain why some people

363
00:13:06,710 --> 00:13:04,000

have vivid memories of seeing what

364

00:13:11,269 --> 00:13:06,720

looked like alien human hybrids

365

00:13:15,829 --> 00:13:13,350

and lastly it would also explain why

366

00:13:17,509 --> 00:13:15,839

some abductees remember these beings

367

00:13:20,069 --> 00:13:17,519

these grays

368

00:13:20,949 --> 00:13:20,079

being surprisingly cold and seemingly

369

00:13:25,110 --> 00:13:20,959

unfeeling

370

00:13:27,110 --> 00:13:25,120

in their attitude towards the abductees

371

00:13:28,550 --> 00:13:27,120

so again some of the data points that

372

00:13:31,269 --> 00:13:28,560

jacobs has put together

373

00:13:32,790 --> 00:13:31,279

do seem to at least plausibly support

374

00:13:36,230 --> 00:13:32,800

his hypothesis

375

00:13:38,550 --> 00:13:36,240

this takeover hypothesis

376

00:13:39,670 --> 00:13:38,560

but as i mentioned on a previous podcast

377

00:13:41,670 --> 00:13:39,680

some people have

378

00:13:45,110 --> 00:13:41,680

problems and take issue with the way

379

00:13:46,790 --> 00:13:45,120

jacobs approaches this work

380

00:13:48,870 --> 00:13:46,800

some people question the entire

381

00:13:51,030 --> 00:13:48,880

objectivity of the process

382

00:13:52,870 --> 00:13:51,040

when the same person are writing books

383

00:13:55,030 --> 00:13:52,880

about this drawing conclusions

384

00:13:56,310 --> 00:13:55,040

is the one conducting these hypnotic

385

00:13:58,150 --> 00:13:56,320

regressions

386

00:14:00,150 --> 00:13:58,160

and there has been some suggestion that

387

00:14:01,269 --> 00:14:00,160

not everyone gets included in these

388

00:14:03,350 --> 00:14:01,279

regressions

389

00:14:04,550 --> 00:14:03,360

and we have no way of knowing whether

390

00:14:06,629 --> 00:14:04,560

jacobs is only

391

00:14:08,150 --> 00:14:06,639

cherry picking you could say which

392

00:14:11,829 --> 00:14:08,160

regressions he includes

393

00:14:13,990 --> 00:14:11,839

in putting together these data points

394

00:14:16,150 --> 00:14:14,000

and to be clear i'm not suggesting that

395

00:14:17,910 --> 00:14:16,160

david jacobs is doing this consciously

396

00:14:19,350 --> 00:14:17,920

deliberately that he's trying to skew

397

00:14:20,949 --> 00:14:19,360

the data

398

00:14:23,269 --> 00:14:20,959

what i'm suggesting is that there are

399

00:14:24,949 --> 00:14:23,279

reasons why safeguards are in place with

400

00:14:27,750 --> 00:14:24,959

these kinds of studies

401
00:14:31,189 --> 00:14:27,760
because very often unconscious bias

402
00:14:34,230 --> 00:14:31,199
comes into the process

403
00:14:35,750 --> 00:14:34,240
and lastly as i mentioned in the podcast

404
00:14:36,389 --> 00:14:35,760
episode where we discussed richard

405
00:14:39,350 --> 00:14:36,399
dolan's

406
00:14:40,870 --> 00:14:39,360
the alien agendas book there are other

407
00:14:42,949 --> 00:14:40,880
hypnotic regressionist

408
00:14:44,310 --> 00:14:42,959
therapists who come to very different

409
00:14:46,069 --> 00:14:44,320
conclusions

410
00:14:48,790 --> 00:14:46,079
i brought up barbara lamb in that

411
00:14:51,030 --> 00:14:48,800
episode she is someone who's conducted

412
00:14:52,949 --> 00:14:51,040
many many of these regressions over

413
00:14:55,030 --> 00:14:52,959

decades in fact

414

00:14:56,829 --> 00:14:55,040

and she's come to precisely the the

415

00:15:00,069 --> 00:14:56,839

opposite conclusions as

416

00:15:02,629 --> 00:15:00,079

jacobs in the vast majority of her cases

417

00:15:05,750 --> 00:15:02,639

she reports clients who remember very

418

00:15:07,590 --> 00:15:05,760

positive experiences with these others

419

00:15:09,030 --> 00:15:07,600

and even those who initially have

420

00:15:11,670 --> 00:15:09,040

frightening experiences

421

00:15:13,829 --> 00:15:11,680

because of the sheer ontological shock

422

00:15:16,790 --> 00:15:13,839

often come to see their experiences in a

423

00:15:19,110 --> 00:15:16,800

positive light given enough time

424

00:15:21,350 --> 00:15:19,120

so again one has to question why the

425

00:15:23,110 --> 00:15:21,360

discrepancy in the data

426

00:15:25,509 --> 00:15:23,120

and as i mentioned in that podcast

427

00:15:27,030 --> 00:15:25,519

episode apparently barbara lam has

428

00:15:29,030 --> 00:15:27,040

reached out to jacobs to

429

00:15:30,949 --> 00:15:29,040

ask that they get together and compare

430

00:15:32,150 --> 00:15:30,959

data to try and reconcile these

431

00:15:34,150 --> 00:15:32,160

differences

432

00:15:36,230 --> 00:15:34,160

and from her perspective she did not

433

00:15:40,150 --> 00:15:36,240

hear back from jacobs

434

00:15:42,629 --> 00:15:40,160

again that does raise some questions and

435

00:15:44,870 --> 00:15:42,639

as you may have noticed by now we keep

436

00:15:48,389 --> 00:15:44,880

coming back to this issue of

437

00:15:49,829 --> 00:15:48,399

sheer ontological shock one really can't

438

00:15:51,829 --> 00:15:49,839

overstate this

439

00:15:52,870 --> 00:15:51,839

when one comes into contact with these

440

00:15:56,310 --> 00:15:52,880

beings suddenly

441

00:15:58,470 --> 00:15:56,320

and unexpectedly shock and

442

00:15:59,910 --> 00:15:58,480

a fight or flight kind of mentality

443

00:16:02,230 --> 00:15:59,920

kicks in

444

00:16:03,189 --> 00:16:02,240

but again with time and perspective

445

00:16:05,110 --> 00:16:03,199

often the

446

00:16:07,189 --> 00:16:05,120

experience or the interpretation of the

447

00:16:09,990 --> 00:16:07,199

experience changes

448

00:16:12,230 --> 00:16:10,000

travis walton is just such an example

449

00:16:14,870 --> 00:16:12,240

recently on the joe rogan show

450

00:16:16,790 --> 00:16:14,880

he discussed how over time he began to

451

00:16:18,710 --> 00:16:16,800

see that these beings that

452

00:16:21,350 --> 00:16:18,720

took him up into their craft were

453

00:16:23,110 --> 00:16:21,360

actually trying to help him to heal him

454

00:16:25,110 --> 00:16:23,120

that from his point of view he was

455

00:16:26,710 --> 00:16:25,120

accidentally injured when he got too

456

00:16:29,430 --> 00:16:26,720

close to the craft

457

00:16:31,590 --> 00:16:29,440

they took him on board and worked on him

458

00:16:33,590 --> 00:16:31,600

medically to heal him

459

00:16:36,069 --> 00:16:33,600

and he says that the movie made about

460

00:16:38,389 --> 00:16:36,079

his experience fire in the sky

461

00:16:39,430 --> 00:16:38,399

inaccurately describes what actually

462

00:16:40,949 --> 00:16:39,440

happened

463

00:16:42,870 --> 00:16:40,959

in that movie it looks like these

464

00:16:44,949 --> 00:16:42,880
creatures are cold and unfeeling

465

00:16:46,710 --> 00:16:44,959
and sort of striking him while he's

466

00:16:48,949 --> 00:16:46,720
lying on a medical table

467

00:16:49,749 --> 00:16:48,959
he says the actual experience was quite

468

00:16:52,069 --> 00:16:49,759
different

469

00:16:53,910 --> 00:16:52,079
he was the one lashing out at them again

470

00:16:57,189 --> 00:16:53,920
because of just the sheer shock of the

471

00:17:00,470 --> 00:16:59,430
travis walton also shared another

472

00:17:03,350 --> 00:17:00,480
interesting

473

00:17:04,549 --> 00:17:03,360
perspective that's changed for him again

474

00:17:07,669 --> 00:17:04,559
we've talked about the

475

00:17:09,350 --> 00:17:07,679
sort of cold unfeeling stairs uh from

476

00:17:12,390 --> 00:17:09,360

these greys

477

00:17:14,309 --> 00:17:12,400

what walton came to as a conclusion over

478

00:17:15,270 --> 00:17:14,319

time when he had decades to think about

479

00:17:17,110 --> 00:17:15,280

it was

480

00:17:18,630 --> 00:17:17,120

if these are telepathic creatures which

481

00:17:21,110 --> 00:17:18,640

he experienced

482

00:17:22,789 --> 00:17:21,120

then eventually you would evolve to the

483

00:17:23,909 --> 00:17:22,799

point where you wouldn't need facial

484

00:17:26,150 --> 00:17:23,919

expressions

485

00:17:28,549 --> 00:17:26,160

and to a human being who's used to

486

00:17:31,510 --> 00:17:28,559

relying on these expressions to

487

00:17:32,390 --> 00:17:31,520

understand the feeling the intent of the

488

00:17:34,789 --> 00:17:32,400

other

489

00:17:35,750 --> 00:17:34,799

it could understandably be misconstrued

490

00:17:38,470 --> 00:17:35,760

misunderstood

491

00:17:39,750 --> 00:17:38,480

as cold and unfeeling but again that

492

00:17:42,310 --> 00:17:39,760

just has to do with the difference

493

00:17:44,230 --> 00:17:42,320

between the species

494

00:17:45,990 --> 00:17:44,240

after all why would you need facial

495

00:17:47,510 --> 00:17:46,000

expressions or body language

496

00:17:49,430 --> 00:17:47,520

for that matter when you can

497

00:17:52,230 --> 00:17:49,440

telepathically send

498

00:17:53,909 --> 00:17:52,240

a perfect clear crystalline message of

499

00:17:56,310 --> 00:17:53,919

your full feeling and intent

500

00:17:59,350 --> 00:17:56,320

to another and that seems to be the case

501
00:18:02,789 --> 00:18:01,110
near the beginning of this podcast

502
00:18:05,110 --> 00:18:02,799
episode i read

503
00:18:07,830 --> 00:18:05,120
a segment from a book from an

504
00:18:10,630 --> 00:18:07,840
experiencer who had a very frightening

505
00:18:12,150 --> 00:18:10,640
abduction experience you recall it

506
00:18:14,789 --> 00:18:12,160
involved lights in the sky

507
00:18:16,710 --> 00:18:14,799
suddenly a craft or bright lights anyway

508
00:18:19,510 --> 00:18:16,720
being over top of their car

509
00:18:20,870 --> 00:18:19,520
and then loss of consciousness followed

510
00:18:24,310 --> 00:18:20,880
by missing time

511
00:18:26,390 --> 00:18:24,320
and a feeling of paranoia

512
00:18:27,430 --> 00:18:26,400
after all who wouldn't initially feel

513
00:18:29,669 --> 00:18:27,440

paranoia

514

00:18:30,950 --> 00:18:29,679

after recognizing that time was missing

515

00:18:32,549 --> 00:18:30,960

hours in fact

516

00:18:33,990 --> 00:18:32,559

and that you had to sense that something

517

00:18:36,230 --> 00:18:34,000

was done to you that you

518

00:18:38,870 --> 00:18:36,240

did not have knowledge of and did not

519

00:18:41,830 --> 00:18:38,880

consent to

520

00:18:42,789 --> 00:18:41,840

and again this kind of scenario is not

521

00:18:45,590 --> 00:18:42,799

uncommon

522

00:18:46,789 --> 00:18:45,600

in fact it's extremely common thousands

523

00:18:47,990 --> 00:18:46,799

and thousands of people

524

00:18:50,150 --> 00:18:48,000

all around the world have had

525

00:18:52,470 --> 00:18:50,160

experiences just like this

526

00:18:54,150 --> 00:18:52,480

and that's the ones we know about who

527

00:18:55,430 --> 00:18:54,160

knows how many people have kept these

528

00:18:58,470 --> 00:18:55,440

stories to themselves

529

00:18:59,510 --> 00:18:58,480

suffering silently well in this

530

00:19:01,110 --> 00:18:59,520

particular case

531

00:19:02,950 --> 00:19:01,120

that account was written by someone

532

00:19:05,270 --> 00:19:02,960

named susie hansen

533

00:19:06,950 --> 00:19:05,280

who's an experiencer from new zealand

534

00:19:09,590 --> 00:19:06,960

she's from a part of new zealand that's

535

00:19:11,510 --> 00:19:09,600

famous for ufo sightings actually

536

00:19:12,789 --> 00:19:11,520

and she's written a very compelling book

537

00:19:16,630 --> 00:19:12,799

which i highly recommend

538

00:19:18,630 --> 00:19:16,640

called the dual soul connection

539

00:19:19,830 --> 00:19:18,640

in fact the part of the book i read is

540

00:19:22,470 --> 00:19:19,840

from that very book

541

00:19:24,230 --> 00:19:22,480

the dual soul connection what's

542

00:19:28,070 --> 00:19:24,240

fascinating about this book

543

00:19:30,630 --> 00:19:28,080

is that over time hansen had a variety

544

00:19:32,070 --> 00:19:30,640

an onslaught of memories come back about

545

00:19:34,470 --> 00:19:32,080

these experiences

546

00:19:35,750 --> 00:19:34,480

what actually happened to her when her

547

00:19:40,950 --> 00:19:35,760

car was lifted

548

00:19:43,590 --> 00:19:40,960

up into a craft and she met beings there

549

00:19:45,270 --> 00:19:43,600

now try and imagine the level of shock

550

00:19:47,510 --> 00:19:45,280

she experienced when

551
00:19:50,150 --> 00:19:47,520
the memories began to emerge what

552
00:19:52,549 --> 00:19:50,160
happened during that missing time

553
00:19:53,750 --> 00:19:52,559
what she recalled during regression and

554
00:19:56,870 --> 00:19:53,760
elsewhere

555
00:19:58,710 --> 00:19:56,880
was that she was lifted up into a craft

556
00:20:01,750 --> 00:19:58,720
and greeted by beings

557
00:20:03,270 --> 00:20:01,760
that she recognized in fact not only did

558
00:20:05,510 --> 00:20:03,280
she recognize them

559
00:20:06,630 --> 00:20:05,520
but she had known them for her entire

560
00:20:09,590 --> 00:20:06,640
life

561
00:20:11,990 --> 00:20:09,600
in fact it goes beyond that she realizes

562
00:20:14,710 --> 00:20:12,000
over time that she knew these beings

563
00:20:15,750 --> 00:20:14,720

even before she incarnated into this

564

00:20:20,310 --> 00:20:15,760

iteration

565

00:20:22,549 --> 00:20:20,320

as a human being and there's more

566

00:20:23,909 --> 00:20:22,559

not only did she realize she knew these

567

00:20:25,669 --> 00:20:23,919

beings intimately

568

00:20:27,110 --> 00:20:25,679

and that she had known them not only her

569

00:20:29,510 --> 00:20:27,120

entire human life

570

00:20:30,390 --> 00:20:29,520

but even at a time before that when she

571

00:20:33,590 --> 00:20:30,400

was between

572

00:20:36,630 --> 00:20:33,600

incarnations furthermore she

573

00:20:38,630 --> 00:20:36,640

over time realized that she had what she

574

00:20:41,669 --> 00:20:38,640

calls a dual soul

575

00:20:43,909 --> 00:20:41,679

she was part gray part human

576

00:20:45,669 --> 00:20:43,919

yes indeed she was one of these very

577

00:20:49,590 --> 00:20:45,679

alien human hybrids

578

00:20:51,750 --> 00:20:49,600

we've heard about now just like david

579

00:20:53,029 --> 00:20:51,760

jacobs reports we have some of the same

580

00:20:56,470 --> 00:20:53,039

phenomena happening

581

00:20:59,350 --> 00:20:56,480

to someone like susie hansen she's taken

582

00:21:00,470 --> 00:20:59,360

from her car abducted you could say

583

00:21:03,750 --> 00:21:00,480

taken into an

584

00:21:06,470 --> 00:21:03,760

ufo a craft and there she sees

585

00:21:07,270 --> 00:21:06,480

graves and other kinds of aliens and she

586

00:21:09,669 --> 00:21:07,280

sees

587

00:21:10,390 --> 00:21:09,679

these babies that are clearly hybrids

588

00:21:13,909 --> 00:21:10,400

between

589

00:21:17,669 --> 00:21:17,029

and just like david jacobs susie hansen

590

00:21:20,950 --> 00:21:17,679

becomes

591

00:21:23,750 --> 00:21:20,960

aware over time of a vast scheme a grand

592

00:21:25,830 --> 00:21:23,760

plan to change human civilization to

593

00:21:30,070 --> 00:21:25,840

change the future of humanity

594

00:21:31,669 --> 00:21:30,080

and the destiny of planet earth itself

595

00:21:34,630 --> 00:21:31,679

but that's where the similarities

596

00:21:37,590 --> 00:21:34,640

between jacobs and someone like hansen

597

00:21:38,310 --> 00:21:37,600

ends because her knowledge of the plan

598

00:21:41,190 --> 00:21:38,320

involves

599

00:21:42,070 --> 00:21:41,200

a future where good is intended for

600

00:21:44,070 --> 00:21:42,080

humankind

601
00:21:45,350 --> 00:21:44,080
where the growth of human consciousness

602
00:21:47,430 --> 00:21:45,360
is the aim

603
00:21:49,430 --> 00:21:47,440
and the benefit of the entire planet

604
00:21:50,470 --> 00:21:49,440
human beings and every other animal

605
00:21:54,470 --> 00:21:50,480
species

606
00:21:55,590 --> 00:21:54,480
present and from her perspective the

607
00:21:58,630 --> 00:21:55,600
stealthiness

608
00:22:01,029 --> 00:21:58,640
of ufo intelligence the delay

609
00:22:02,230 --> 00:22:01,039
in disclosure is all about trying to

610
00:22:06,549 --> 00:22:02,240
avoid

611
00:22:08,630 --> 00:22:06,559
a destabilizing of the human population

612
00:22:10,710 --> 00:22:08,640
again from her book the dual soul

613
00:22:12,630 --> 00:22:10,720

connection i quote

614

00:22:14,110 --> 00:22:12,640

many of us have considered the instant

615

00:22:15,590 --> 00:22:14,120

and potentially devastating

616

00:22:18,070 --> 00:22:15,600

ramifications

617

00:22:20,230 --> 00:22:18,080

to our civilization if disclosure takes

618

00:22:22,070 --> 00:22:20,240

place before we are ready

619

00:22:23,990 --> 00:22:22,080

it makes sense that when the time of

620

00:22:26,710 --> 00:22:24,000

global disclosure comes

621

00:22:28,470 --> 00:22:26,720

in whatever way it may manifest a

622

00:22:30,230 --> 00:22:28,480

structure will be needed to deal with

623

00:22:32,310 --> 00:22:30,240

those ramifications

624

00:22:34,230 --> 00:22:32,320

since it will be such a major global

625

00:22:36,870 --> 00:22:34,240

shift that not everyone

626
00:22:38,830 --> 00:22:36,880
or every societal group or organization

627
00:22:43,029 --> 00:22:38,840
will be able to make that leap

628
00:22:45,590 --> 00:22:43,039
easily now while this explanation

629
00:22:47,029 --> 00:22:45,600
for the stealthiness the hiddenness of

630
00:22:49,590 --> 00:22:47,039
ufo intelligence

631
00:22:51,350 --> 00:22:49,600
will be astonishing to some especially

632
00:22:52,630 --> 00:22:51,360
if they haven't come across these ideas

633
00:22:54,549 --> 00:22:52,640
before

634
00:22:55,750 --> 00:22:54,559
let me assure you that susie hansen is

635
00:22:57,590 --> 00:22:55,760
not the only person

636
00:22:59,909 --> 00:22:57,600
saying this she is not the only

637
00:23:00,789 --> 00:22:59,919
experiencer recounting these kind of

638
00:23:03,350 --> 00:23:00,799

memories

639

00:23:03,990 --> 00:23:03,360

and a sense of some larger grand plan

640

00:23:06,470 --> 00:23:04,000

for good

641

00:23:11,270 --> 00:23:06,480

and for the betterment of humanity and

642

00:23:15,510 --> 00:23:13,590

now in the interest of time i won't go

643

00:23:16,230 --> 00:23:15,520

into any of those other accounts right

644

00:23:17,909 --> 00:23:16,240

now

645

00:23:19,750 --> 00:23:17,919

but i would refer you to a couple of

646

00:23:20,830 --> 00:23:19,760

books if you're interested in pursuing

647

00:23:24,070 --> 00:23:20,840

this

648

00:23:24,549 --> 00:23:24,080

further yossi ronan has written a book

649

00:23:27,830 --> 00:23:24,559

called

650

00:23:30,149 --> 00:23:27,840

one face-to-face contact experiencing et

651
00:23:31,270 --> 00:23:30,159
consciousness and human consciousness

652
00:23:33,990 --> 00:23:31,280
evolution

653
00:23:35,270 --> 00:23:34,000
and he describes a knowledge of a plan

654
00:23:37,750 --> 00:23:35,280
very similar to what

655
00:23:39,190 --> 00:23:37,760
suzy hansen talks about and that at some

656
00:23:42,070 --> 00:23:39,200
future point he will become

657
00:23:42,870 --> 00:23:42,080
like an active agent in the disclosure

658
00:23:45,269 --> 00:23:42,880
process

659
00:23:46,789 --> 00:23:45,279
to help human beings adjust to this

660
00:23:49,269 --> 00:23:46,799
reality

661
00:23:50,630 --> 00:23:49,279
and sherry wilde is a u.s experimenter

662
00:23:53,750 --> 00:23:50,640
who like hansen

663
00:23:54,870 --> 00:23:53,760

over time began to remember recall these

664

00:23:57,990 --> 00:23:54,880

experiences

665

00:24:00,310 --> 00:23:58,000

going back an entire lifetime and before

666

00:24:01,750 --> 00:24:00,320

that she had indeed been a volunteer for

667

00:24:04,390 --> 00:24:01,760

this program

668

00:24:05,029 --> 00:24:04,400

and her book is titled the forgotten

669

00:24:08,789 --> 00:24:05,039

promise

670

00:24:11,029 --> 00:24:08,799

rejoining our cosmic family

671

00:24:12,630 --> 00:24:11,039

what's fascinating about susie hansen's

672

00:24:14,149 --> 00:24:12,640

book is that she is not

673

00:24:16,549 --> 00:24:14,159

vague about the plans and the

674

00:24:18,549 --> 00:24:16,559

implementation in fact she goes into

675

00:24:20,950 --> 00:24:18,559

astounding detail

676
00:24:23,110 --> 00:24:20,960
and i quote from her book before

677
00:24:25,029 --> 00:24:23,120
completing the regression the therapist

678
00:24:27,190 --> 00:24:25,039
asked me if i felt the humans who were

679
00:24:29,029 --> 00:24:27,200
on board the craft on this occasion were

680
00:24:31,350 --> 00:24:29,039
military personnel

681
00:24:32,070 --> 00:24:31,360
i made the following statements they are

682
00:24:34,710 --> 00:24:32,080
like a police

683
00:24:36,149 --> 00:24:34,720
force but not actually a police force i

684
00:24:37,990 --> 00:24:36,159
understand they are trained and

685
00:24:39,110 --> 00:24:38,000
integrated right across societies

686
00:24:41,029 --> 00:24:39,120
worldwide

687
00:24:43,190 --> 00:24:41,039
indicative of a behind-the-scenes

688
00:24:44,149 --> 00:24:43,200

preparation for when the public becomes

689

00:24:46,470 --> 00:24:44,159

more aware

690

00:24:48,470 --> 00:24:46,480

of the extraterrestrial presence or a

691

00:24:52,789 --> 00:24:48,480

specific form of disclosure

692

00:24:55,190 --> 00:24:52,799

occurs she goes on to say

693

00:24:56,310 --> 00:24:55,200

they are part of a preparatory structure

694

00:24:58,710 --> 00:24:56,320

a framework

695

00:25:01,590 --> 00:24:58,720

so that when contact becomes more open

696

00:25:03,110 --> 00:25:01,600

and accepted by mankind in the future

697

00:25:04,789 --> 00:25:03,120

these people will assist with a

698

00:25:06,149 --> 00:25:04,799

transition process

699

00:25:08,870 --> 00:25:06,159

and there will be this immediate

700

00:25:11,909 --> 00:25:08,880

organizational structure in place

701
00:25:14,070 --> 00:25:11,919
more readily accepted by humans

702
00:25:16,070 --> 00:25:14,080
it is a societal framework upon which

703
00:25:18,149 --> 00:25:16,080
contact can rest

704
00:25:19,269 --> 00:25:18,159
the time frame for this is rather like a

705
00:25:22,070 --> 00:25:19,279
piece of elastic

706
00:25:24,149 --> 00:25:22,080
it can expand and contract constantly

707
00:25:25,990 --> 00:25:24,159
adjusting according to the ups and downs

708
00:25:29,190 --> 00:25:26,000
of the whole awareness process

709
00:25:30,710 --> 00:25:29,200
of humans it is a spiral process rather

710
00:25:33,669 --> 00:25:30,720
than a linear process

711
00:25:35,909 --> 00:25:33,679
which may take many years i believe a

712
00:25:36,870 --> 00:25:35,919
societal framework upon which contact

713
00:25:39,590 --> 00:25:36,880

can rest

714

00:25:41,510 --> 00:25:39,600

are significant words many people are

715

00:25:42,149 --> 00:25:41,520

pushing for governments and militaries

716

00:25:43,830 --> 00:25:42,159

worldwide

717

00:25:46,070 --> 00:25:43,840

to divulge what they know about

718

00:25:48,070 --> 00:25:46,080

extraterrestrial visitation

719

00:25:49,990 --> 00:25:48,080

but perhaps they will never divulge this

720

00:25:52,390 --> 00:25:50,000

to us instead

721

00:25:53,669 --> 00:25:52,400

bearing in mind there may be any number

722

00:25:56,149 --> 00:25:53,679

of human groups working

723

00:25:58,149 --> 00:25:56,159

with any number of alien visitors it

724

00:26:00,230 --> 00:25:58,159

would seem that some groups at least

725

00:26:02,390 --> 00:26:00,240

are putting a structure in place to

726
00:26:03,190 --> 00:26:02,400
assist mankind when we do finally

727
00:26:07,590 --> 00:26:03,200
acknowledge

728
00:26:11,669 --> 00:26:10,070
in wrapping up this episode let's

729
00:26:14,310 --> 00:26:11,679
consider the fact that we've looked at

730
00:26:15,350 --> 00:26:14,320
two very different hypotheses two very

731
00:26:18,470 --> 00:26:15,360
different ways

732
00:26:19,029 --> 00:26:18,480
of making sense of the data but make no

733
00:26:22,070 --> 00:26:19,039
mistake

734
00:26:24,310 --> 00:26:22,080
the secrecy and stealthiness is real it

735
00:26:27,029 --> 00:26:24,320
is a fact of the matter

736
00:26:29,909 --> 00:26:27,039
they meaning ufo intelligence are not

737
00:26:32,789 --> 00:26:29,919
accidentally being clandestine

738
00:26:34,149 --> 00:26:32,799

the question is which hypothesis better

739

00:26:37,269 --> 00:26:34,159

fits the data

740

00:26:42,630 --> 00:26:40,549

now again some people perhaps those more

741

00:26:44,149 --> 00:26:42,640

focused on the nuts and bolts nature of

742

00:26:46,149 --> 00:26:44,159

ufo craft

743

00:26:47,750 --> 00:26:46,159

will be put off by accounts like susie

744

00:26:51,830 --> 00:26:47,760

hanson and sherry wilde

745

00:26:53,590 --> 00:26:51,840

and yossi ronan and yet we've seen

746

00:26:55,350 --> 00:26:53,600

as we've discussed these various

747

00:26:56,310 --> 00:26:55,360

modalities these various contact

748

00:26:58,149 --> 00:26:56,320

modalities

749

00:27:00,390 --> 00:26:58,159

that these different categories of high

750

00:27:03,029 --> 00:27:00,400

strangeness keep occurring together

751
00:27:04,549 --> 00:27:03,039
that often ufo experiences have a

752
00:27:06,950 --> 00:27:04,559
spiritual nature to them

753
00:27:08,789 --> 00:27:06,960
and that it's not unusual for past lives

754
00:27:12,149 --> 00:27:08,799
or the period in between lives

755
00:27:15,750 --> 00:27:13,750
just a couple of additional points i'd

756
00:27:16,630 --> 00:27:15,760
like to make i think you know which

757
00:27:18,870 --> 00:27:16,640
hypothesis

758
00:27:21,510 --> 00:27:18,880
i lean towards i've kind of shown my

759
00:27:23,830 --> 00:27:21,520
cards over time on this podcast

760
00:27:24,630 --> 00:27:23,840
i would just say if their goal was

761
00:27:26,870 --> 00:27:24,640
domination

762
00:27:28,149 --> 00:27:26,880
or annihilation they could have done it

763
00:27:29,750 --> 00:27:28,159

a long time ago

764

00:27:33,590 --> 00:27:29,760

because they have such a clear

765

00:27:36,470 --> 00:27:33,600

technological superiority

766

00:27:38,470 --> 00:27:36,480

i'd also add that if a slow bleed kind

767

00:27:41,029 --> 00:27:38,480

of disclosure is what the aim is

768

00:27:42,149 --> 00:27:41,039

amongst these others that seems to be

769

00:27:44,549 --> 00:27:42,159

working

770

00:27:47,110 --> 00:27:44,559

the larger culture beyond those of us

771

00:27:49,110 --> 00:27:47,120

fascinated and obsessed with ufology

772

00:27:50,950 --> 00:27:49,120

is only slowly and incrementally

773

00:27:53,990 --> 00:27:50,960

becoming aware of this

774

00:27:56,549 --> 00:27:54,000

larger phenomenon

775

00:27:57,029 --> 00:27:56,559

lastly what is most compelling of all to

776
00:27:59,350 --> 00:27:57,039
me

777
00:28:00,710 --> 00:27:59,360
in terms of this benevolent e.t

778
00:28:03,190 --> 00:28:00,720
hypothesis

779
00:28:04,630 --> 00:28:03,200
is the fact that as i've said before

780
00:28:07,669 --> 00:28:04,640
oneness consciousness

781
00:28:10,149 --> 00:28:07,679
seems to be the inevitable trajectory of

782
00:28:12,470 --> 00:28:10,159
evolution

783
00:28:14,230 --> 00:28:12,480
and on that note we've come to the close

784
00:28:16,470 --> 00:28:14,240
of another edition of the point of

785
00:28:17,990 --> 00:28:16,480
convergence podcast i hope you've

786
00:28:19,990 --> 00:28:18,000
enjoyed it

787
00:28:22,149 --> 00:28:20,000
as always let's keep the conversation

788
00:28:23,590 --> 00:28:22,159

going and let's keep the conversation

789

00:28:25,909 --> 00:28:23,600

growing

790

00:28:28,389 --> 00:28:25,919

but until next time from deep in the
