EPISODE #9

*Disclosure Dilemma:
Examining the Impact of
a Public Revelation of a
Superior Alien Presence*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:08,310

[Music]

2
00:00:11,589 --> 00:00:09,190

hello

3
00:00:13,749 --> 00:00:11,599

and welcome to episode number nine of

4
00:00:18,710 --> 00:00:13,759

the point of convergence podcast

5
00:00:23,269 --> 00:00:21,429

for a very long time now many if not

6
00:00:24,070 --> 00:00:23,279

most people across the globe have

7
00:00:27,029 --> 00:00:24,080

wondered

8
00:00:28,630 --> 00:00:27,039

who else is out there are we alone can

9
00:00:30,070 --> 00:00:28,640

our species really be the only

10
00:00:33,030 --> 00:00:30,080

intelligence in the immensity

11
00:00:34,150 --> 00:00:33,040

of the cosmos and as our understanding

12
00:00:36,150 --> 00:00:34,160

of the mind-boggling

13
00:00:37,750 --> 00:00:36,160

vastness of the physical universe has

14

00:00:39,270 --> 00:00:37,760

grown over time

15

00:00:41,510 --> 00:00:39,280

along with the development of a much

16

00:00:43,030 --> 00:00:41,520

more nuanced fine-tuned understanding of

17

00:00:45,029 --> 00:00:43,040

just how many galaxies

18

00:00:46,069 --> 00:00:45,039

star systems and planets that likely

19

00:00:48,069 --> 00:00:46,079

entails

20

00:00:51,430 --> 00:00:48,079

the preposterousness of the notion that

21

00:00:53,270 --> 00:00:51,440

we're all alone has only escalated

22

00:00:55,590 --> 00:00:53,280

but to answer that question we've been

23

00:00:58,229 --> 00:00:55,600

sending probes out into our solar system

24

00:01:00,709 --> 00:00:58,239

and now beyond as well as exploratory

25

00:01:05,109 --> 00:01:00,719

rovers to neighboring worlds like mars

26

00:01:08,870 --> 00:01:07,190

but from that very large collection of

27

00:01:10,950 --> 00:01:08,880

nearly everyone on the planet who's

28

00:01:13,670 --> 00:01:10,960

asked the question about us being alone

29

00:01:15,749 --> 00:01:13,680

in the universe there is a subsection

30

00:01:19,429 --> 00:01:15,759

that asks a different question

31

00:01:21,510 --> 00:01:19,439

are we alone here right here on earth

32

00:01:23,910 --> 00:01:21,520

or is it possible that we have already

33

00:01:26,149 --> 00:01:23,920

been and perhaps are presently being

34

00:01:27,670 --> 00:01:26,159

surveilled by an alien presence much

35

00:01:29,109 --> 00:01:27,680

more advanced than us

36

00:01:30,950 --> 00:01:29,119

to the point where our intelligence

37

00:01:32,149 --> 00:01:30,960

gathering capabilities have thus far

38

00:01:33,990 --> 00:01:32,159

failed miserably

39

00:01:35,350 --> 00:01:34,000

in our attempt to answer that question

40

00:01:37,749 --> 00:01:35,360

definitively

41

00:01:39,670 --> 00:01:37,759

even though tantalizing hints exist

42

00:01:41,510 --> 00:01:39,680

almost everywhere we look

43

00:01:42,789 --> 00:01:41,520

especially since our sensing tools and

44

00:01:45,429 --> 00:01:42,799

apparatus have taken

45

00:01:49,429 --> 00:01:45,439

gargantuan leaps in capability over the

46

00:01:54,230 --> 00:01:52,069

as i say tantalizing hints exist

47

00:01:54,789 --> 00:01:54,240

suggesting that we are not alone even

48

00:01:57,749 --> 00:01:54,799

here

49

00:01:59,749 --> 00:01:57,759

in our own backyard as it were these

50

00:02:00,870 --> 00:01:59,759

hints include verified unidentified

51
00:02:02,389 --> 00:02:00,880
flying objects

52
00:02:04,149 --> 00:02:02,399
or as they're currently referenced in

53
00:02:07,109 --> 00:02:04,159
government intelligence circles

54
00:02:08,949 --> 00:02:07,119
unidentified aerial phenomena buzzing in

55
00:02:11,110 --> 00:02:08,959
and around our airspace

56
00:02:13,750 --> 00:02:11,120
even some of our most supposedly secure

57
00:02:16,150 --> 00:02:13,760
protected military airspace

58
00:02:18,390 --> 00:02:16,160
many of us would go much further arguing

59
00:02:20,470 --> 00:02:18,400
there is actually persuasive evidence

60
00:02:22,630 --> 00:02:20,480
for those unbiased enough to really look

61
00:02:23,110 --> 00:02:22,640
with clear vision to suggest the

62
00:02:25,350 --> 00:02:23,120
question

63
00:02:26,150 --> 00:02:25,360

as to their presence here on and around

64

00:02:30,550 --> 00:02:26,160

the earth

65

00:02:33,030 --> 00:02:30,560

is a long-settled one in the positive

66

00:02:34,470 --> 00:02:33,040

but if they're here as we asked in last

67

00:02:36,470 --> 00:02:34,480

week's podcast

68

00:02:38,229 --> 00:02:36,480

why the hiddenness why are their

69

00:02:41,270 --> 00:02:38,239

operations so evidently

70

00:02:43,589 --> 00:02:41,280

clandestine many experiencers

71

00:02:45,509 --> 00:02:43,599

who claimed contact with these others

72

00:02:47,589 --> 00:02:45,519

share a familiar narrative regarding the

73

00:02:50,309 --> 00:02:47,599

reason they've been told about

74

00:02:51,110 --> 00:02:50,319

they the others are waiting not

75

00:02:53,190 --> 00:02:51,120

passively

76
00:02:55,030 --> 00:02:53,200
but while employing various means to

77
00:02:57,509 --> 00:02:55,040
speed the process along

78
00:02:59,270 --> 00:02:57,519
for a consciousness upgrade as it were

79
00:03:01,030 --> 00:02:59,280
amongst the human race

80
00:03:03,350 --> 00:03:01,040
so that we can arrive at a point in our

81
00:03:04,390 --> 00:03:03,360
history where a revelation of a superior

82
00:03:06,630 --> 00:03:04,400
alien presence

83
00:03:08,070 --> 00:03:06,640
would be welcomed and considered good

84
00:03:11,190 --> 00:03:08,080
news for humanity

85
00:03:15,350 --> 00:03:13,030
some are frustrated with this proposed

86
00:03:17,190 --> 00:03:15,360
reasoning surely the revelation of a

87
00:03:19,670 --> 00:03:17,200
more technologically capable

88
00:03:20,550 --> 00:03:19,680

benign alien presence would be good news

89

00:03:22,949 --> 00:03:20,560

today

90

00:03:25,589 --> 00:03:22,959

this very day were these others to

91

00:03:26,229 --> 00:03:25,599

suddenly in some worldwide plain as day

92

00:03:27,830 --> 00:03:26,239

way

93

00:03:29,350 --> 00:03:27,840

make themselves known to human

94

00:03:31,270 --> 00:03:29,360

civilization

95

00:03:32,390 --> 00:03:31,280

and surely countless challenges

96

00:03:34,630 --> 00:03:32,400

including disease

97

00:03:35,990 --> 00:03:34,640

climate change international and

98

00:03:38,630 --> 00:03:36,000

inter-religious strife

99

00:03:39,670 --> 00:03:38,640

etc could be well on their way to being

100

00:03:42,949 --> 00:03:39,680

resolved

101
00:03:45,190 --> 00:03:42,959
where this to happen i actually think

102
00:03:46,149 --> 00:03:45,200
that perspective is misguided and makes

103
00:03:47,830 --> 00:03:46,159
various assumptions

104
00:03:49,509 --> 00:03:47,840
about the nature of the world as it

105
00:03:52,630 --> 00:03:49,519
presently exists

106
00:03:54,949 --> 00:03:52,640
that simply don't hold water so what

107
00:03:56,869 --> 00:03:54,959
would really happen if a superior alien

108
00:03:59,030 --> 00:03:56,879
intelligence suddenly made its presence

109
00:04:01,509 --> 00:03:59,040
known on a global scale

110
00:04:02,550 --> 00:04:01,519
an intriguing question one that is the

111
00:04:04,390 --> 00:04:02,560
topic of this

112
00:04:08,940 --> 00:04:04,400
the ninth episode of the point of

113
00:04:15,750 --> 00:04:12,869

[Music]

114

00:04:17,349 --> 00:04:15,760

now just a point of clarity as we begin

115

00:04:18,550 --> 00:04:17,359

the kind of disclosure we're talking

116

00:04:21,110 --> 00:04:18,560

about today

117

00:04:24,150 --> 00:04:21,120

is done by the ufo intelligence not by

118

00:04:26,550 --> 00:04:24,160

the governments of our world

119

00:04:28,390 --> 00:04:26,560

now even if we assume their presence and

120

00:04:30,469 --> 00:04:28,400

intentions are benign

121

00:04:31,909 --> 00:04:30,479

we cannot begin to answer the question

122

00:04:33,909 --> 00:04:31,919

regarding how capital d

123

00:04:36,469 --> 00:04:33,919

disclosure would impact the human

124

00:04:38,469 --> 00:04:36,479

population i would argue

125

00:04:41,110 --> 00:04:38,479

without first understanding what that

126
00:04:43,189 --> 00:04:41,120
population actually looks like

127
00:04:44,469 --> 00:04:43,199
because there are at least two factors

128
00:04:47,749 --> 00:04:44,479
in this equation

129
00:04:50,230 --> 00:04:47,759
them and us and i find that often people

130
00:04:51,909 --> 00:04:50,240
overlook the second part of the equation

131
00:04:55,510 --> 00:04:51,919
when they attempt to answer this

132
00:04:58,950 --> 00:04:58,310
now in terms of the question who are we

133
00:05:01,110 --> 00:04:58,960
what is

134
00:05:02,870 --> 00:05:01,120
human civilization well that's a

135
00:05:04,710 --> 00:05:02,880
complicated question

136
00:05:05,990 --> 00:05:04,720
we are an array of different people

137
00:05:08,390 --> 00:05:06,000
groups and cultures

138
00:05:09,749 --> 00:05:08,400

around the globe subscribing to very

139

00:05:11,189 --> 00:05:09,759

different world views

140

00:05:13,189 --> 00:05:11,199

and we really have to consider this

141

00:05:14,950 --> 00:05:13,199

complicated scenario

142

00:05:17,430 --> 00:05:14,960

when it comes to what capital d

143

00:05:19,430 --> 00:05:17,440

disclosure would actually look like

144

00:05:20,710 --> 00:05:19,440

and to look into those various world

145

00:05:23,029 --> 00:05:20,720

views and how

146

00:05:25,350 --> 00:05:23,039

different ones would respond we're going

147

00:05:26,790 --> 00:05:25,360

to be aided by something called spiral

148

00:05:30,790 --> 00:05:26,800

dynamics

149

00:05:32,469 --> 00:05:30,800

wikipedia is a model of the evolutionary

150

00:05:35,189 --> 00:05:32,479

development of individuals

151
00:05:36,469 --> 00:05:35,199
organizations and societies it was

152
00:05:38,950 --> 00:05:36,479
initially developed by

153
00:05:41,029 --> 00:05:38,960
don edward beck and christopher cohen

154
00:05:41,510 --> 00:05:41,039
based on the emergent cyclical theory of

155
00:05:44,710 --> 00:05:41,520
claire

156
00:05:48,550 --> 00:05:46,710
so basically what we're going to do here

157
00:05:50,070 --> 00:05:48,560
is quickly peruse through the different

158
00:05:52,230 --> 00:05:50,080
levels of consciousness

159
00:05:54,150 --> 00:05:52,240
that currently exists on the planet

160
00:05:57,909 --> 00:05:54,160
according to spiral dynamics

161
00:05:59,990 --> 00:05:57,919
this is a very helpful model and yes

162
00:06:01,909 --> 00:06:00,000
cultures and individuals tend to follow

163
00:06:03,909 --> 00:06:01,919

fairly predictable trajectories when it

164

00:06:05,510 --> 00:06:03,919

comes to development

165

00:06:07,749 --> 00:06:05,520

and not only will we go through each of

166

00:06:09,830 --> 00:06:07,759

these consciousness stages currently

167

00:06:11,189 --> 00:06:09,840

existing on the planet but we'll also

168

00:06:12,309 --> 00:06:11,199

discuss what percentage of the

169

00:06:14,550 --> 00:06:12,319

population

170

00:06:15,590 --> 00:06:14,560

is constituted in that group and how

171

00:06:19,670 --> 00:06:15,600

much power or

172

00:06:23,029 --> 00:06:21,590

first up we have what is called the

173

00:06:25,189 --> 00:06:23,039

beige stage

174

00:06:26,550 --> 00:06:25,199

yes each of these have a color to help

175

00:06:29,110 --> 00:06:26,560

you track them

176

00:06:30,150 --> 00:06:29,120

and the key word at this page stage is

177

00:06:31,830 --> 00:06:30,160

survival

178

00:06:33,670 --> 00:06:31,840

in other words do what you have to to

179

00:06:35,990 --> 00:06:33,680

stay alive

180

00:06:38,710 --> 00:06:36,000

key beliefs and actions of this beige

181

00:06:41,830 --> 00:06:38,720

stage of consciousness development are

182

00:06:45,270 --> 00:06:41,840

an individual uses instincts and habits

183

00:06:48,710 --> 00:06:45,280

just to stay alive the distinct self

184

00:06:51,830 --> 00:06:48,720

is barely awakened or sustained at all

185

00:06:54,629 --> 00:06:51,840

what matters are water food warmth

186

00:06:56,309 --> 00:06:54,639

sex and safety these have priority over

187

00:06:59,029 --> 00:06:56,319

anything else

188

00:06:59,909 --> 00:06:59,039

and beige individuals form into family

189

00:07:03,110 --> 00:06:59,919

units

190

00:07:05,749 --> 00:07:03,120

to perpetuate life

191

00:07:06,230 --> 00:07:05,759

now just to keep track of timelines here

192

00:07:09,749 --> 00:07:06,240

this

193

00:07:10,790 --> 00:07:09,759

bay stage emerged about 100 000 or more

194

00:07:13,749 --> 00:07:10,800

years ago

195

00:07:15,909 --> 00:07:13,759

and currently takes up only about one

196

00:07:17,350 --> 00:07:15,919

tenth of a single percent of the world's

197

00:07:22,629 --> 00:07:17,360

adult population

198

00:07:25,909 --> 00:07:24,629

now again as we go through each of these

199

00:07:28,830 --> 00:07:25,919

i want you to think about

200

00:07:30,230 --> 00:07:28,840

how disclosure would be handled by that

201
00:07:32,629 --> 00:07:30,240
group

202
00:07:35,430 --> 00:07:32,639
next up we have the purple stage and the

203
00:07:38,950 --> 00:07:35,440
key word for this stage is safety

204
00:07:41,029 --> 00:07:38,960
as consciousness of humanity evolves

205
00:07:43,990 --> 00:07:41,039
it goes into the purple stage that

206
00:07:46,390 --> 00:07:44,000
happened about 50 000 years ago

207
00:07:48,230 --> 00:07:46,400
the main point here is keep the spirits

208
00:07:51,189 --> 00:07:48,240
happy and the tribe's nest

209
00:07:53,670 --> 00:07:51,199
warm and safe the key beliefs and

210
00:07:55,749 --> 00:07:53,680
actions of the purple stage are

211
00:07:58,950 --> 00:07:55,759
thinking is animistic in other words

212
00:08:01,350 --> 00:07:58,960
magical spirits both good and bad exist

213
00:08:02,550 --> 00:08:01,360

obeying the desires of spirit beings and

214

00:08:05,830 --> 00:08:02,560

mystical signs

215

00:08:06,390 --> 00:08:05,840

is essential you need to show allegiance

216

00:08:08,790 --> 00:08:06,400

to the

217

00:08:10,550 --> 00:08:08,800

chief the elders the ancestors and the

218

00:08:12,309 --> 00:08:10,560

clan

219

00:08:13,670 --> 00:08:12,319

there is a preservation of sacred

220

00:08:17,270 --> 00:08:13,680

objects places

221

00:08:19,990 --> 00:08:17,280

memories and events and the observance

222

00:08:23,270 --> 00:08:20,000

of rites of passage seasonal cycles and

223

00:08:26,070 --> 00:08:23,280

customs of the tribe are paramount

224

00:08:28,230 --> 00:08:26,080

the purple stage currently takes up ten

225

00:08:30,629 --> 00:08:28,240

percent of the world population

226
00:08:34,389 --> 00:08:30,639
and has about one percent of the power

227
00:08:38,149 --> 00:08:36,149
next up in our quick trip through the

228
00:08:40,709 --> 00:08:38,159
history of human consciousness

229
00:08:42,389 --> 00:08:40,719
about ten thousand years ago the red

230
00:08:45,670 --> 00:08:42,399
stage came online

231
00:08:47,670 --> 00:08:45,680
and the keyword stage is significance

232
00:08:49,350 --> 00:08:47,680
it's all about the individual and nobody

233
00:08:51,350 --> 00:08:49,360
tells me what to do

234
00:08:52,870 --> 00:08:51,360
not surprisingly many teenagers are

235
00:08:53,750 --> 00:08:52,880
considered to be at the red stage

236
00:08:56,470 --> 00:08:53,760
because again

237
00:08:57,670 --> 00:08:56,480
this includes human individual

238
00:09:01,269 --> 00:08:57,680

development as well as

239

00:09:03,350 --> 00:09:01,279

societal development at this stage the

240

00:09:05,750 --> 00:09:03,360

key beliefs and actions are

241

00:09:07,509 --> 00:09:05,760

that the world is seen as a jungle full

242

00:09:09,430 --> 00:09:07,519

of threats and predators

243

00:09:11,430 --> 00:09:09,440

and the individual breaks free from any

244

00:09:14,470 --> 00:09:11,440

constraints to please self

245

00:09:16,790 --> 00:09:14,480

as self desires

246

00:09:18,470 --> 00:09:16,800

now here we're at a stage where a much

247

00:09:20,150 --> 00:09:18,480

more significant part of the human

248

00:09:22,230 --> 00:09:20,160

population exists

249

00:09:23,509 --> 00:09:22,240

about 15 to 20 percent of the world's

250

00:09:26,310 --> 00:09:23,519

population

251
00:09:28,230 --> 00:09:26,320
exist at this red stage but only five

252
00:09:34,230 --> 00:09:28,240
percent of the power or influence

253
00:09:37,269 --> 00:09:36,310
next up in our journey comes the blue

254
00:09:39,670 --> 00:09:37,279
stage

255
00:09:41,590 --> 00:09:39,680
and this happened about 5 000 years ago

256
00:09:45,110 --> 00:09:41,600
that this stage came online

257
00:09:47,190 --> 00:09:45,120
the key word in this stage is order

258
00:09:49,030 --> 00:09:47,200
and once again here we have more of a

259
00:09:51,910 --> 00:09:49,040
community-focused orientation

260
00:09:56,230 --> 00:09:51,920
as opposed to the individual centric

261
00:09:59,910 --> 00:09:58,230
now here at the blue stage there is a

262
00:10:02,230 --> 00:09:59,920
sense that life indeed has

263
00:10:04,230 --> 00:10:02,240

meaning it is meaningful and it has

264

00:10:06,630 --> 00:10:04,240

direction and purpose

265

00:10:08,069 --> 00:10:06,640

and that the outcomes of this life are

266

00:10:10,870 --> 00:10:08,079

determined by

267

00:10:12,870 --> 00:10:10,880

some all-powerful other or order a

268

00:10:18,310 --> 00:10:12,880

god-like figure in other words

269

00:10:20,710 --> 00:10:18,320

and the key is to follow a higher order

270

00:10:21,670 --> 00:10:20,720

and islamic fundamentalism and puritan

271

00:10:23,910 --> 00:10:21,680

america

272

00:10:25,430 --> 00:10:23,920

and singapore strict discipline all

273

00:10:30,630 --> 00:10:25,440

exist at this stage

274

00:10:32,550 --> 00:10:30,640

girl scouts and patriotism

275

00:10:34,389 --> 00:10:32,560

and this is a much more significant

276

00:10:38,150 --> 00:10:34,399

portion of the human population

277

00:10:39,350 --> 00:10:38,160

here in 2021 about 35 to 40 percent of

278

00:10:42,470 --> 00:10:39,360

the world population

279

00:10:43,910 --> 00:10:42,480

are at this stage this blue stage

280

00:10:45,750 --> 00:10:43,920

although the figures are somewhat lower

281

00:10:48,790 --> 00:10:45,760

in the united states

282

00:10:50,949 --> 00:10:48,800

this blue stage currently holds 25 to 30

283

00:10:53,990 --> 00:10:50,959

percent of the influence or power

284

00:10:58,949 --> 00:10:56,389

and again the blue stage came online

285

00:11:01,190 --> 00:10:58,959

about 5 000 years ago

286

00:11:02,230 --> 00:11:01,200

next up we have the orange stage and

287

00:11:04,790 --> 00:11:02,240

this came online

288

00:11:05,990 --> 00:11:04,800

only about 300 years ago so this is much

289

00:11:08,870 --> 00:11:06,000

more recent

290

00:11:10,870 --> 00:11:08,880

uh development in the timeline and

291

00:11:12,829 --> 00:11:10,880

development of human consciousness

292

00:11:14,470 --> 00:11:12,839

the key word in the orange stage is

293

00:11:16,710 --> 00:11:14,480

prosperity

294

00:11:17,910 --> 00:11:16,720

the key here is again acting in

295

00:11:20,870 --> 00:11:17,920

self-interest

296

00:11:22,710 --> 00:11:20,880

but by playing the game in other words

297

00:11:26,230 --> 00:11:22,720

adhering to the rules of the game but

298

00:11:31,190 --> 00:11:28,310

at the orange stage we have concepts

299

00:11:33,750 --> 00:11:31,200

like the american founding fathers

300

00:11:35,430 --> 00:11:33,760

and rand's atlas shrugged wall street

301
00:11:38,150 --> 00:11:35,440
the riviera

302
00:11:40,230 --> 00:11:38,160
the cosmetics industry emerging middle

303
00:11:43,590 --> 00:11:40,240
classes around the world

304
00:11:45,990 --> 00:11:43,600
chambers of commerce forbes magazine uh

305
00:11:46,949 --> 00:11:46,000
corporate america materialism those kind

306
00:11:49,110 --> 00:11:46,959
of things

307
00:11:50,550 --> 00:11:49,120
and 25 to 30 percent of the world

308
00:11:53,110 --> 00:11:50,560
population is currently

309
00:11:54,949 --> 00:11:53,120
at this orange stage in the united

310
00:11:57,670 --> 00:11:54,959
states the figure is closer to 50

311
00:12:00,629 --> 00:11:57,680
percent of the population

312
00:12:01,509 --> 00:12:00,639
and worldwide 45 to 50 percent of the

313
00:12:06,389 --> 00:12:01,519

influence or

314

00:12:11,110 --> 00:12:08,230

now remember the orange stage came

315

00:12:13,269 --> 00:12:11,120

online about 300 years ago

316

00:12:14,710 --> 00:12:13,279

following that we have the emergence of

317

00:12:16,870 --> 00:12:14,720

the green stage

318

00:12:18,150 --> 00:12:16,880

and the key word for this stage is

319

00:12:20,870 --> 00:12:18,160

community

320

00:12:22,470 --> 00:12:20,880

this came online about 150 years ago so

321

00:12:25,590 --> 00:12:22,480

even more recent

322

00:12:27,190 --> 00:12:25,600

the key here is to seek peace within the

323

00:12:29,190 --> 00:12:27,200

inner self and to explore

324

00:12:30,389 --> 00:12:29,200

with others the caring dimension of

325

00:12:32,310 --> 00:12:30,399

community

326

00:12:35,910 --> 00:12:32,320

another way to think of this stage is as

327

00:12:39,190 --> 00:12:38,629

within this green stage you have things

328

00:12:42,470 --> 00:12:39,200

like

329

00:12:43,910 --> 00:12:42,480

john lennon's music greenpeace a deep

330

00:12:47,110 --> 00:12:43,920

sense of ecology

331

00:12:48,110 --> 00:12:47,120

animal rights woodstock humanistic

332

00:12:51,110 --> 00:12:48,120

psychology

333

00:12:53,110 --> 00:12:51,120

multiculturalism that kind of thing

334

00:12:55,590 --> 00:12:53,120

10 of the world's population is

335

00:12:57,990 --> 00:12:55,600

currently at this green stage

336

00:12:59,190 --> 00:12:58,000

and they currently hold 15 percent of

337

00:13:00,949 --> 00:12:59,200

the power

338

00:13:03,750 --> 00:13:00,959

in the united states you can double

339

00:13:07,269 --> 00:13:05,269

and just to be clear i'm not

340

00:13:09,590 --> 00:13:07,279

highlighting the united states because i

341

00:13:11,509 --> 00:13:09,600

happen to be american

342

00:13:13,110 --> 00:13:11,519

but because most listeners happen to be

343

00:13:14,790 --> 00:13:13,120

within the united states

344

00:13:16,230 --> 00:13:14,800

for what it's worth in the nordic

345

00:13:17,910 --> 00:13:16,240

countries of europe

346

00:13:20,150 --> 00:13:17,920

a greater percentage of the population

347

00:13:23,910 --> 00:13:20,160

is further along into these latter

348

00:13:27,910 --> 00:13:26,069

and we're not quite done yet the

349

00:13:30,230 --> 00:13:27,920

consciousness train rolls on

350

00:13:32,230 --> 00:13:30,240

so to speak but we have come to a

351

00:13:33,430 --> 00:13:32,240

dividing line an important dividing line

352

00:13:34,550 --> 00:13:33,440

when it comes to consciousness

353

00:13:35,829 --> 00:13:34,560

development

354

00:13:37,750 --> 00:13:35,839

we're now entering into what's

355

00:13:39,110 --> 00:13:37,760

considered the second tier of

356

00:13:40,870 --> 00:13:39,120

consciousness development

357

00:13:43,189 --> 00:13:40,880

and this is categorically different than

358

00:13:45,750 --> 00:13:43,199

the previous stages

359

00:13:48,790 --> 00:13:45,760

next up we have the turquoise stage and

360

00:13:51,350 --> 00:13:48,800

the key word here is harmony

361

00:13:53,430 --> 00:13:51,360

and the basic idea here is to experience

362

00:13:56,550 --> 00:13:53,440

the wholeness of existence through mind

363

00:13:58,710 --> 00:13:56,560

and spirit here you find things like ken

364

00:14:01,269 --> 00:13:58,720

wilbur's spectrum of consciousness

365

00:14:03,430 --> 00:14:01,279

rupert sheldrake's morphic fields

366

00:14:05,350 --> 00:14:03,440

marshall mcluhan's global village

367

00:14:06,870 --> 00:14:05,360

and gandhi's ideas of pluralistic

368

00:14:09,590 --> 00:14:06,880

harmony

369

00:14:11,750 --> 00:14:09,600

0.01 percentage of the world population

370

00:14:13,590 --> 00:14:11,760

are currently at this stage it's fairly

371

00:14:15,590 --> 00:14:13,600

rare error so to speak

372

00:14:17,110 --> 00:14:15,600

but they already hold about one percent

373

00:14:18,870 --> 00:14:17,120

of the power

374

00:14:20,710 --> 00:14:18,880

and you'll notice that at these higher

375

00:14:21,670 --> 00:14:20,720

stages they have disproportionately

376

00:14:25,110 --> 00:14:21,680

strong levels of

377

00:14:29,350 --> 00:14:27,990

now of course as time goes on additional

378

00:14:31,750 --> 00:14:29,360

stages of consciousness

379

00:14:33,750 --> 00:14:31,760

will emerge that's how this works it's

380

00:14:35,350 --> 00:14:33,760

an emergent process

381

00:14:37,350 --> 00:14:35,360

but when you think back to what i just

382

00:14:39,110 --> 00:14:37,360

shared it should be clear that the vast

383

00:14:40,230 --> 00:14:39,120

majority of people in the world right

384

00:14:43,350 --> 00:14:40,240

now

385

00:14:46,150 --> 00:14:43,360

are in the red blue orange green

386

00:14:47,350 --> 00:14:46,160

stages both in terms of the percentage

387

00:14:49,829 --> 00:14:47,360

of the population

388

00:14:52,230 --> 00:14:49,839

as well as the percentage of control in

389

00:14:55,189 --> 00:14:52,240

the world

390

00:14:56,550 --> 00:14:55,199

now just to be clear if 95 percent of

391

00:14:58,150 --> 00:14:56,560

the world's population

392

00:14:59,990 --> 00:14:58,160

was at the turquoise stage of

393

00:15:02,470 --> 00:15:00,000

consciousness development

394

00:15:03,509 --> 00:15:02,480

then capital d disclosure would be no

395

00:15:05,670 --> 00:15:03,519

big deal

396

00:15:08,069 --> 00:15:05,680

the others could reveal themselves on

397

00:15:09,269 --> 00:15:08,079

mass and we would welcome them with open

398

00:15:11,509 --> 00:15:09,279

arms

399

00:15:13,750 --> 00:15:11,519

in fact much of the world's population

400

00:15:16,230 --> 00:15:13,760

if they were indeed at turquoise

401
00:15:16,870 --> 00:15:16,240
would likely already be perceiving and

402
00:15:19,030 --> 00:15:16,880
perhaps

403
00:15:21,030 --> 00:15:19,040
interacting with these others as it

404
00:15:22,230 --> 00:15:21,040
tends to happen more commonly at these

405
00:15:24,790 --> 00:15:22,240
higher stages

406
00:15:25,590 --> 00:15:24,800
because different qualities different

407
00:15:28,870 --> 00:15:25,600
abilities

408
00:15:32,550 --> 00:15:31,189
i also think it's helpful to clarify

409
00:15:34,949 --> 00:15:32,560
that there's a difference between

410
00:15:36,150 --> 00:15:34,959
states of consciousness and stages of

411
00:15:37,990 --> 00:15:36,160
consciousness

412
00:15:39,430 --> 00:15:38,000
when it comes to spiral dynamics and

413
00:15:40,710 --> 00:15:39,440

integral theory which i'm quite

414

00:15:43,430 --> 00:15:40,720

interested in

415

00:15:45,110 --> 00:15:43,440

a state of consciousness can involve a

416

00:15:47,910 --> 00:15:45,120

sudden peak experience

417

00:15:49,269 --> 00:15:47,920

which goes beyond the normal level of

418

00:15:51,590 --> 00:15:49,279

consciousness

419

00:15:53,030 --> 00:15:51,600

now someone might have a and very

420

00:15:54,629 --> 00:15:53,040

enlightening experience

421

00:15:56,150 --> 00:15:54,639

but they're still going to ground that

422

00:15:57,829 --> 00:15:56,160

experience in terms of the

423

00:15:59,189 --> 00:15:57,839

level of consciousness they're currently

424

00:16:01,509 --> 00:15:59,199

at

425

00:16:03,269 --> 00:16:01,519

and these can happen here and there but

426

00:16:04,710 --> 00:16:03,279

the center of gravity tends to be at one

427

00:16:07,030 --> 00:16:04,720

level of consciousness

428

00:16:08,069 --> 00:16:07,040

once you actually ground a higher stage

429

00:16:10,069 --> 00:16:08,079

of consciousness

430

00:16:11,910 --> 00:16:10,079

these events can become much more

431

00:16:12,790 --> 00:16:11,920

commonplace and you have different hooks

432

00:16:15,910 --> 00:16:12,800

to hang them on

433

00:16:17,110 --> 00:16:15,920

so to speak but where things actually

434

00:16:19,590 --> 00:16:17,120

stand in the world now

435

00:16:20,150 --> 00:16:19,600

is the center of gravity is around red

436

00:16:23,110 --> 00:16:20,160

blue

437

00:16:24,710 --> 00:16:23,120

orange green that should be clear from

438

00:16:26,150 --> 00:16:24,720

what we just discussed in terms of the

439

00:16:27,749 --> 00:16:26,160

statistics

440

00:16:29,430 --> 00:16:27,759

fifteen to twenty percent of the world's

441

00:16:31,189 --> 00:16:29,440

population is at red

442

00:16:33,829 --> 00:16:31,199

and they control five percent of the

443

00:16:35,269 --> 00:16:33,839

influence the blue stage is thirty five

444

00:16:36,310 --> 00:16:35,279

to forty percent of the world's

445

00:16:38,870 --> 00:16:36,320

population

446

00:16:39,910 --> 00:16:38,880

and they control 25 to 30 percent of the

447

00:16:43,269 --> 00:16:39,920

influence

448

00:16:44,550 --> 00:16:43,279

the orange stage is 25 to 30 percent of

449

00:16:47,670 --> 00:16:44,560

the world population

450

00:16:48,790 --> 00:16:47,680

and they control 45 to 50 percent of the

451
00:16:51,430 --> 00:16:48,800
influence

452
00:16:52,470 --> 00:16:51,440
and the green stage is 10 of the world

453
00:16:54,949 --> 00:16:52,480
population

454
00:16:58,389 --> 00:16:54,959
and they control about 15 percent of the

455
00:17:03,269 --> 00:17:01,189
i hope it's clear now why i've laid out

456
00:17:03,990 --> 00:17:03,279
these different levels of consciousness

457
00:17:07,110 --> 00:17:04,000
these different

458
00:17:09,669 --> 00:17:07,120
stages of development because clearly

459
00:17:10,150 --> 00:17:09,679
the way someone at the red level the red

460
00:17:12,230 --> 00:17:10,160
stage

461
00:17:14,230 --> 00:17:12,240
responds to something like the presence

462
00:17:15,110 --> 00:17:14,240
of an alien intelligence that's superior

463
00:17:16,870 --> 00:17:15,120

to us

464

00:17:18,150 --> 00:17:16,880

is going to be very different than how

465

00:17:19,669 --> 00:17:18,160

someone responds

466

00:17:22,150 --> 00:17:19,679

at the green and definitely at the

467

00:17:22,870 --> 00:17:22,160

turquoise level remember to the red

468

00:17:24,870 --> 00:17:22,880

level

469

00:17:25,909 --> 00:17:24,880

the world is seen as a jungle full of

470

00:17:28,870 --> 00:17:25,919

predators

471

00:17:30,710 --> 00:17:28,880

it's us versus them so imagine how that

472

00:17:31,990 --> 00:17:30,720

stage of development is going to respond

473

00:17:34,710 --> 00:17:32,000

to something like an alien

474

00:17:38,870 --> 00:17:34,720

presence that's not even human let alone

475

00:17:42,390 --> 00:17:40,549

now with a firm understanding of the

476
00:17:43,669 --> 00:17:42,400
different consciousness levels around

477
00:17:45,190 --> 00:17:43,679
the world today

478
00:17:46,789 --> 00:17:45,200
we're ready to move on to the next

479
00:17:49,190 --> 00:17:46,799
section when we really

480
00:17:51,110 --> 00:17:49,200
dive into what would the impact of

481
00:17:52,390 --> 00:17:51,120
disclosure be

482
00:17:54,630 --> 00:17:52,400
let's first discuss some of the

483
00:17:56,150 --> 00:17:54,640
potential positives and i would just

484
00:17:58,070 --> 00:17:56,160
warn you here i think some of these are

485
00:17:58,710 --> 00:17:58,080
double-edged swords there are positive

486
00:18:01,750 --> 00:17:58,720
aspects

487
00:18:03,110 --> 00:18:01,760
but some negative too the first one

488
00:18:05,830 --> 00:18:03,120

would be the scientific

489

00:18:07,510 --> 00:18:05,840

eye opener this would be redemption for

490

00:18:10,549 --> 00:18:07,520

many in ufology

491

00:18:12,870 --> 00:18:10,559

it would be your classic i told you so

492

00:18:15,029 --> 00:18:12,880

if the presence of an alien intelligence

493

00:18:16,950 --> 00:18:15,039

suddenly became

494

00:18:20,549 --> 00:18:16,960

undeniable then the scientific

495

00:18:22,870 --> 00:18:20,559

establishment would have to do a 180.

496

00:18:24,789 --> 00:18:22,880

we would also have advances in disease

497

00:18:27,110 --> 00:18:24,799

treatment and even prevention

498

00:18:28,070 --> 00:18:27,120

likely given to us by this alien species

499

00:18:29,430 --> 00:18:28,080

that's very possible

500

00:18:32,310 --> 00:18:29,440

and that would be of course very

501
00:18:33,029 --> 00:18:32,320
positive we would also likely have

502
00:18:35,669 --> 00:18:33,039
access to

503
00:18:37,190 --> 00:18:35,679
new renewable forms of energy that are

504
00:18:38,710 --> 00:18:37,200
categorically different than what we

505
00:18:41,029 --> 00:18:38,720
have now

506
00:18:42,230 --> 00:18:41,039
and this could help provide potential

507
00:18:46,230 --> 00:18:42,240
solutions for

508
00:18:49,430 --> 00:18:47,669
with assistance of this alien

509
00:18:52,150 --> 00:18:49,440
intelligence we could also lift the

510
00:18:54,390 --> 00:18:52,160
developing world out of extreme poverty

511
00:18:56,230 --> 00:18:54,400
and there may be even perhaps ways to

512
00:18:58,630 --> 00:18:56,240
terraform parts of the earth that are

513
00:19:01,350 --> 00:18:58,640

presently deserts

514

00:19:02,870 --> 00:19:01,360

and also we could potentially resolve

515

00:19:04,549 --> 00:19:02,880

religious disputes

516

00:19:06,710 --> 00:19:04,559

about the nature of ultimate reality

517

00:19:08,470 --> 00:19:06,720

based on the revelations given to us by

518

00:19:10,230 --> 00:19:08,480

this alien intelligence

519

00:19:11,590 --> 00:19:10,240

these are all potentially positive

520

00:19:14,950 --> 00:19:11,600

aspects from

521

00:19:18,950 --> 00:19:16,789

but i would also argue that this is a

522

00:19:19,350 --> 00:19:18,960

somewhat superficial way of looking at

523

00:19:22,549 --> 00:19:19,360

this

524

00:19:24,070 --> 00:19:22,559

issue most people or many people anyway

525

00:19:26,470 --> 00:19:24,080

around the world again based on the

526

00:19:28,150 --> 00:19:26,480

consciousness levels we just discussed

527

00:19:30,950 --> 00:19:28,160

do not make decisions based on

528

00:19:33,430 --> 00:19:30,960

rationality and reason

529

00:19:35,190 --> 00:19:33,440

the meaning making that people use to

530

00:19:36,310 --> 00:19:35,200

make sense of their lives is very

531

00:19:38,950 --> 00:19:36,320

different

532

00:19:40,630 --> 00:19:38,960

and how they would actually respond not

533

00:19:42,710 --> 00:19:40,640

based on what it could provide but just

534

00:19:44,630 --> 00:19:42,720

a sheer ontological shock

535

00:19:46,310 --> 00:19:44,640

uh the revelation of an alien

536

00:19:49,590 --> 00:19:46,320

intelligence that's been here

537

00:19:51,990 --> 00:19:49,600

perhaps all along would be drastic

538

00:19:53,510 --> 00:19:52,000

in my mind and here i'd remind you of

539

00:19:56,470 --> 00:19:53,520

the buddhist perspective that

540

00:19:58,230 --> 00:19:56,480

what looks good might not be so or don't

541

00:20:00,950 --> 00:19:58,240

be so quick to assume what is good and

542

00:20:02,710 --> 00:20:00,960

what is bad

543

00:20:03,990 --> 00:20:02,720

next up i think it would be helpful to

544

00:20:06,230 --> 00:20:04,000

consider this question

545

00:20:08,789 --> 00:20:06,240

from various key domains when it comes

546

00:20:10,549 --> 00:20:08,799

to our civilization

547

00:20:12,870 --> 00:20:10,559

the first one i'd like to look at is the

548

00:20:15,830 --> 00:20:12,880

economic impact

549

00:20:17,029 --> 00:20:15,840

we have a largely petroleum-based energy

550

00:20:19,430 --> 00:20:17,039

sector

551
00:20:20,470 --> 00:20:19,440
that controls much of our economy even

552
00:20:21,990 --> 00:20:20,480
today

553
00:20:24,070 --> 00:20:22,000
and this would be completely

554
00:20:25,669 --> 00:20:24,080
destabilized i would argue

555
00:20:27,750 --> 00:20:25,679
with the revelation of an alien

556
00:20:28,230 --> 00:20:27,760
intelligence that's vastly superior to

557
00:20:30,310 --> 00:20:28,240
us

558
00:20:31,830 --> 00:20:30,320
and this is a huge keg in our global

559
00:20:33,830 --> 00:20:31,840
economy

560
00:20:35,110 --> 00:20:33,840
the financial markets which are by

561
00:20:37,909 --> 00:20:35,120
nature speculative

562
00:20:39,110 --> 00:20:37,919
and psychologically framed would go into

563
00:20:41,590 --> 00:20:39,120

disarray

564

00:20:43,350 --> 00:20:41,600

many will panic sell because the entire

565

00:20:47,029 --> 00:20:43,360

idea of what it means to make a market

566

00:20:50,070 --> 00:20:48,710

now let's think clearly about this for a

567

00:20:52,070 --> 00:20:50,080

second when an

568

00:20:53,830 --> 00:20:52,080

alien intelligence clearly demonstrates

569

00:20:57,510 --> 00:20:53,840

the use of an energy source

570

00:20:59,590 --> 00:20:57,520

that is perhaps limitless and free

571

00:21:02,549 --> 00:20:59,600

perhaps pulled from the ether or the

572

00:21:04,549 --> 00:21:02,559

vacuum of space itself then

573

00:21:05,909 --> 00:21:04,559

any kind of economy that's built on

574

00:21:07,990 --> 00:21:05,919

something like

575

00:21:09,590 --> 00:21:08,000

fossils that we pull from the ground

576

00:21:13,029 --> 00:21:09,600

from the dinosaur era

577

00:21:15,110 --> 00:21:13,039

is going to crash and crash fast

578

00:21:16,549 --> 00:21:15,120

now also consider how remote viewing and

579

00:21:20,310 --> 00:21:16,559

telepathy might

580

00:21:21,909 --> 00:21:20,320

affect markets if it becomes clear

581

00:21:25,029 --> 00:21:21,919

perhaps with the assistance of these

582

00:21:27,909 --> 00:21:25,039

aliens then human beings even

583

00:21:28,630 --> 00:21:27,919

can use retrocausation to change the

584

00:21:31,990 --> 00:21:28,640

past

585

00:21:34,390 --> 00:21:32,000

or precognition to know the future

586

00:21:35,830 --> 00:21:34,400

then our entire capitalistic structure

587

00:21:38,310 --> 00:21:35,840

comes into question

588

00:21:41,350 --> 00:21:38,320

again this is collapse on a massive

589

00:21:45,830 --> 00:21:42,950

take for instance what happened in the

590

00:21:47,510 --> 00:21:45,840

housing crash of 2008 2009

591

00:21:49,029 --> 00:21:47,520

which took a lot of effort and

592

00:21:52,070 --> 00:21:49,039

government intervention to

593

00:21:54,350 --> 00:21:52,080

ever overcome it took years in fact and

594

00:21:56,070 --> 00:21:54,360

that happened because of a massive shift

595

00:21:58,710 --> 00:21:56,080

psychologically

596

00:21:59,990 --> 00:21:58,720

in the markets when it came to the faith

597

00:22:02,070 --> 00:22:00,000

in the housing sector

598

00:22:03,029 --> 00:22:02,080

and the fact that it had always gone up

599

00:22:06,310 --> 00:22:03,039

historically and so

600

00:22:07,990 --> 00:22:06,320

incredibly crazy uh speculative uh

601
00:22:09,590 --> 00:22:08,000
investments were done around the housing

602
00:22:11,830 --> 00:22:09,600
sector but when that suddenly

603
00:22:13,190 --> 00:22:11,840
came into question the entire house of

604
00:22:15,270 --> 00:22:13,200
cards collapsed

605
00:22:16,789 --> 00:22:15,280
and i hate to tell you but much of our

606
00:22:18,950 --> 00:22:16,799
economy is still built

607
00:22:20,390 --> 00:22:18,960
on some of these various levels of

608
00:22:23,909 --> 00:22:20,400
houses of cards

609
00:22:26,630 --> 00:22:23,919
and something like the ontological shock

610
00:22:28,230 --> 00:22:26,640
just the sheer what does this mean for

611
00:22:29,909 --> 00:22:28,240
us and for reality

612
00:22:31,830 --> 00:22:29,919
moment that comes with capital d

613
00:22:35,270 --> 00:22:31,840

disclosure would certainly be

614

00:22:36,950 --> 00:22:35,280

that and a lot more

615

00:22:38,789 --> 00:22:36,960

next let's move on to the religious

616

00:22:40,470 --> 00:22:38,799

element the religious domain

617

00:22:43,669 --> 00:22:40,480

this is the meaning maker sector of

618

00:22:45,270 --> 00:22:43,679

people's lives and it's important

619

00:22:46,950 --> 00:22:45,280

now i think the religious response would

620

00:22:48,789 --> 00:22:46,960

be somewhat mixed

621

00:22:50,630 --> 00:22:48,799

many catholics and this might surprise

622

00:22:52,310 --> 00:22:50,640

some people but many catholics will

623

00:22:54,230 --> 00:22:52,320

handle it all right

624

00:22:55,669 --> 00:22:54,240

considering the vatican even has done

625

00:22:59,430 --> 00:22:55,679

some preparatory work

626

00:23:01,350 --> 00:22:59,440

preparing people for this eventuality

627

00:23:03,430 --> 00:23:01,360

most evangelical christians on the other

628

00:23:05,029 --> 00:23:03,440

hand will likely not respond well or at

629

00:23:06,149 --> 00:23:05,039

least vast swathes of them will not

630

00:23:08,310 --> 00:23:06,159

respond well

631

00:23:09,190 --> 00:23:08,320

and they will insist these are demonic

632

00:23:11,110 --> 00:23:09,200

in nature

633

00:23:12,470 --> 00:23:11,120

no matter how much evidence is gathered

634

00:23:15,350 --> 00:23:12,480

to the contrary

635

00:23:18,789 --> 00:23:15,360

again rationality and reason don't

636

00:23:22,230 --> 00:23:20,870

fundamentalists around the world both

637

00:23:24,950 --> 00:23:22,240

christian and islamic

638

00:23:25,669 --> 00:23:24,960

many of them anyway will not take this

639

00:23:28,310 --> 00:23:25,679

well

640

00:23:30,310 --> 00:23:28,320

again not only will they likely launch

641

00:23:31,590 --> 00:23:30,320

attacks on the others if they can

642

00:23:34,789 --> 00:23:31,600

because they will be convinced they're

643

00:23:36,630 --> 00:23:34,799

demonic but they may even launch attacks

644

00:23:38,630 --> 00:23:36,640

against any and all human groups who

645

00:23:40,390 --> 00:23:38,640

make accords with these others

646

00:23:42,149 --> 00:23:40,400

again because that's what the worldview

647

00:23:42,950 --> 00:23:42,159

dictates that's the level of

648

00:23:46,950 --> 00:23:42,960

consciousness

649

00:23:50,870 --> 00:23:48,470

and before we move on i just want to

650

00:23:52,310 --> 00:23:50,880

make one thing clear even within

651
00:23:54,149 --> 00:23:52,320
religions you have different

652
00:23:57,269 --> 00:23:54,159
consciousness levels a

653
00:23:58,950 --> 00:23:57,279
liberal mainline presbyterian is going

654
00:24:01,029 --> 00:23:58,960
to have very different beliefs and be at

655
00:24:03,590 --> 00:24:01,039
a very different level of consciousness

656
00:24:04,549 --> 00:24:03,600
than perhaps a fundamentalist baptist so

657
00:24:06,310 --> 00:24:04,559
i'm not

658
00:24:08,149 --> 00:24:06,320
putting all religious people in these

659
00:24:09,669 --> 00:24:08,159
groups i was specifically referring to

660
00:24:13,430 --> 00:24:09,679
fundamentalist groups

661
00:24:15,269 --> 00:24:13,440
and the consciousness level they're at

662
00:24:18,149 --> 00:24:15,279
next let's turn to the domain of

663
00:24:19,830 --> 00:24:18,159

medicine western medicine in particular

664

00:24:22,149 --> 00:24:19,840

has long ignored subjects like

665

00:24:24,390 --> 00:24:22,159

spirituality intentionality

666

00:24:26,630 --> 00:24:24,400

mind over matter as it were as it

667

00:24:28,630 --> 00:24:26,640

applies to disease treatment

668

00:24:30,630 --> 00:24:28,640

and its assumptions will largely be

669

00:24:33,110 --> 00:24:30,640

stripped out from underneath it

670

00:24:34,789 --> 00:24:33,120

as the alien presence exposes a much

671

00:24:37,029 --> 00:24:34,799

more holistic

672

00:24:38,950 --> 00:24:37,039

viewpoint and while this may not

673

00:24:42,789 --> 00:24:38,960

collapse the medical infrastructure it

674

00:24:45,990 --> 00:24:44,789

next let's turn to the socio-political

675

00:24:49,029 --> 00:24:46,000

arena now

676
00:24:50,149 --> 00:24:49,039
first off if alien disclosure involves

677
00:24:52,710 --> 00:24:50,159
revelations about

678
00:24:54,710 --> 00:24:52,720
government cover-up and lies that go

679
00:24:56,470 --> 00:24:54,720
back 70 plus years

680
00:24:57,990 --> 00:24:56,480
then this will cause incredible

681
00:24:59,990 --> 00:24:58,000
stressors in the society

682
00:25:01,110 --> 00:25:00,000
it will call into question the authority

683
00:25:03,430 --> 00:25:01,120
of government

684
00:25:05,269 --> 00:25:03,440
and people will greatly question the

685
00:25:07,909 --> 00:25:05,279
government's ability to defend

686
00:25:10,549 --> 00:25:07,919
a people which is key to what a

687
00:25:12,710 --> 00:25:10,559
government is supposed to be about

688
00:25:14,230 --> 00:25:12,720

and the very definition and existence of

689

00:25:16,870 --> 00:25:14,240

nation nation-states themselves

690

00:25:18,390 --> 00:25:16,880

will begin to be called into question

691

00:25:20,149 --> 00:25:18,400

now that might sound good

692

00:25:23,110 --> 00:25:20,159

and indicative of where the world is

693

00:25:26,470 --> 00:25:23,120

headed in terms of sharing resources

694

00:25:29,190 --> 00:25:26,480

but if forced suddenly in the short term

695

00:25:29,830 --> 00:25:29,200

it can cause major stressors conflict

696

00:25:32,549 --> 00:25:29,840

turmoil

697

00:25:33,269 --> 00:25:32,559

and war and there could be international

698

00:25:36,390 --> 00:25:33,279

conflict

699

00:25:38,230 --> 00:25:36,400

nation versus nation because one nation

700

00:25:40,710 --> 00:25:38,240

might embrace this alien presence while

701
00:25:42,950 --> 00:25:40,720
another one again with a critical mass

702
00:25:45,190 --> 00:25:42,960
of consciousness at a much lower level

703
00:25:47,110 --> 00:25:45,200
might not embrace it whatsoever

704
00:25:51,510 --> 00:25:47,120
and this can create a warring

705
00:25:54,549 --> 00:25:52,950
and here are a couple of other

706
00:25:56,549 --> 00:25:54,559
considerations when it comes to

707
00:26:00,149 --> 00:25:56,559
implications of this kind of

708
00:26:02,390 --> 00:26:00,159
revelation of alien presence now again i

709
00:26:05,510 --> 00:26:02,400
think this would fundamentally change us

710
00:26:06,630 --> 00:26:05,520
we see how experiencers are changed well

711
00:26:08,710 --> 00:26:06,640
i think this would happen

712
00:26:10,870 --> 00:26:08,720
to the nth degree into a much larger

713
00:26:12,950 --> 00:26:10,880

swath of the population

714

00:26:15,190 --> 00:26:12,960

so imagine that telepathic abilities

715

00:26:17,990 --> 00:26:15,200

long latent in human beings

716

00:26:19,830 --> 00:26:18,000

suddenly leap forward this would bring

717

00:26:20,870 --> 00:26:19,840

all sorts of privacy concerns to the

718

00:26:22,310 --> 00:26:20,880

forefront

719

00:26:24,630 --> 00:26:22,320

and that would happen before we've had

720

00:26:27,510 --> 00:26:24,640

the necessary non-dual consciousness

721

00:26:29,909 --> 00:26:27,520

upgrades to support this new reality

722

00:26:32,149 --> 00:26:29,919

again the context at which these

723

00:26:33,269 --> 00:26:32,159

new emergent properties come online

724

00:26:35,430 --> 00:26:33,279

really does matter

725

00:26:39,669 --> 00:26:35,440

you need to have a supportive context

726

00:26:41,669 --> 00:26:39,679

for this stuff to be handled peacefully

727

00:26:44,230 --> 00:26:41,679

i've also considered the possibility of

728

00:26:46,230 --> 00:26:44,240

a kind of collective kundalini blowout

729

00:26:48,070 --> 00:26:46,240

of massive proportions

730

00:26:49,750 --> 00:26:48,080

again kundalini blowouts happen to

731

00:26:51,590 --> 00:26:49,760

people when they suddenly

732

00:26:53,029 --> 00:26:51,600

have experiences that are far beyond

733

00:26:55,350 --> 00:26:53,039

what they're ready for

734

00:26:56,789 --> 00:26:55,360

and it basically overwhelms their

735

00:26:58,950 --> 00:26:56,799

consciousness

736

00:27:00,230 --> 00:26:58,960

now imagine that happening to millions

737

00:27:03,750 --> 00:27:00,240

even billions of people

738

00:27:05,830 --> 00:27:03,760

at the same time key point here is that

739

00:27:06,310 --> 00:27:05,840

the various support beams holding many

740

00:27:08,870 --> 00:27:06,320

people

741

00:27:10,549 --> 00:27:08,880

and many societal structures together

742

00:27:14,630 --> 00:27:10,559

may very well collapse under

743

00:27:18,389 --> 00:27:16,870

now some will argue and to some degree i

744

00:27:20,549 --> 00:27:18,399

understand this argument

745

00:27:21,990 --> 00:27:20,559

couldn't this alien intelligence help us

746

00:27:23,830 --> 00:27:22,000

with this transition

747

00:27:26,070 --> 00:27:23,840

couldn't they support us through these

748

00:27:28,230 --> 00:27:26,080

uh difficult times

749

00:27:30,389 --> 00:27:28,240

well indeed they could but it would not

750

00:27:32,870 --> 00:27:30,399

be a small task it would basically

751

00:27:34,230 --> 00:27:32,880

involve them establishing a kind of

752

00:27:37,669 --> 00:27:34,240

massive

753

00:27:40,710 --> 00:27:37,679

thorough incubation chamber so to speak

754

00:27:42,070 --> 00:27:40,720

to support our entire civilization and

755

00:27:43,750 --> 00:27:42,080

all of the different world views that

756

00:27:44,389 --> 00:27:43,760

exist within it the different people

757

00:27:46,389 --> 00:27:44,399

groups

758

00:27:49,350 --> 00:27:46,399

all that complexity would have to be

759

00:27:52,549 --> 00:27:49,360

basically controlled overtaken

760

00:27:55,669 --> 00:27:52,559

by this alien presence and from what

761

00:27:58,549 --> 00:27:55,679

we've heard from experiencers

762

00:27:59,590 --> 00:27:58,559

the law of non-interference holds sway

763

00:28:01,669 --> 00:27:59,600

most of the time

764

00:28:03,669 --> 00:28:01,679

and i think that's what's happening here

765

00:28:05,830 --> 00:28:03,679

they are not interfering because to do

766

00:28:07,590 --> 00:28:05,840

so to reveal themselves on a massive

767

00:28:10,470 --> 00:28:07,600

scale

768

00:28:11,510 --> 00:28:10,480

would require this kind of massive

769

00:28:13,110 --> 00:28:11,520

interference

770

00:28:15,269 --> 00:28:13,120

and that's again what they're trying to

771

00:28:16,630 --> 00:28:15,279

avoid so instead

772

00:28:18,310 --> 00:28:16,640

what i would argue is that they're

773

00:28:20,950 --> 00:28:18,320

working behind the scenes

774

00:28:22,710 --> 00:28:20,960

uh in a preparatory way to raise

775

00:28:24,549 --> 00:28:22,720

consciousness incrementally and they're

776

00:28:27,430 --> 00:28:24,559

putting support structures in place

777

00:28:29,029 --> 00:28:27,440

even stealthily as we heard from susie

778

00:28:30,710 --> 00:28:29,039

hansen and her

779

00:28:32,310 --> 00:28:30,720

description of what she was told in

780

00:28:35,830 --> 00:28:32,320

terms of the plan

781

00:28:37,430 --> 00:28:35,840

and that's what's actually happening

782

00:28:39,190 --> 00:28:37,440

now regardless of where you stand on

783

00:28:39,990 --> 00:28:39,200

these issues and whether you think that

784

00:28:42,310 --> 00:28:40,000

scenario

785

00:28:44,789 --> 00:28:42,320

in terms of alien intentions sounds

786

00:28:46,870 --> 00:28:44,799

realistic or not i hope today's

787

00:28:49,029 --> 00:28:46,880

discussion has demonstrated just the

788

00:28:51,590 --> 00:28:49,039

level of complexity involved

789

00:28:52,389 --> 00:28:51,600

in this kind of revelation of alien

790

00:28:53,830 --> 00:28:52,399

presence

791

00:28:55,510 --> 00:28:53,840

when we have all these different

792

00:28:59,110 --> 00:28:55,520

structures of consciousness

793

00:29:01,430 --> 00:28:59,120

coexisting in the world today

794

00:29:03,190 --> 00:29:01,440

the bottom line is if indeed there is an

795

00:29:05,830 --> 00:29:03,200

alien presence here

796

00:29:06,950 --> 00:29:05,840

and it is benign it means well towards

797

00:29:09,590 --> 00:29:06,960

humanity

798

00:29:11,430 --> 00:29:09,600

then i think these issues demonstrate

799

00:29:13,029 --> 00:29:11,440

why there could be very good reasons why

800

00:29:15,190 --> 00:29:13,039

they are delaying disclosure

801
00:29:19,269 --> 00:29:15,200
why they are working stealthily behind

802
00:29:22,710 --> 00:29:21,590
and on that note we've come to the close

803
00:29:25,029 --> 00:29:22,720
of another edition

804
00:29:26,870 --> 00:29:25,039
of the point of convergence podcast i

805
00:29:28,549 --> 00:29:26,880
hope you'll tune in again next week

806
00:29:30,230 --> 00:29:28,559
as we continue this fascinating

807
00:29:32,070 --> 00:29:30,240
discussion

808
00:29:33,990 --> 00:29:32,080
as always let's keep the conversation

809
00:29:36,149 --> 00:29:34,000
going and growing

810
00:29:37,909 --> 00:29:36,159
but for now from deep in the blue ridge
