

Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #16

*The Visitors from Beyond:
Exploring the Link Between
Alien Contact and the Dead*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:08,230

[Music]

2
00:00:12,150 --> 00:00:09,110

hello

3
00:00:14,230 --> 00:00:12,160

and welcome to episode number 16 of the

4
00:00:18,710 --> 00:00:14,240

point of convergence podcast

5
00:00:20,950 --> 00:00:18,720

as always i'm your host exo academian

6
00:00:23,269 --> 00:00:20,960

for almost as long as human beings have

7
00:00:25,589 --> 00:00:23,279

been attempting to document and study

8
00:00:26,790 --> 00:00:25,599

what is often collectively termed high

9
00:00:28,310 --> 00:00:26,800

strangeness

10
00:00:30,070 --> 00:00:28,320

it has been assumed that various

11
00:00:33,350 --> 00:00:30,080

phenomena should be studied

12
00:00:35,830 --> 00:00:33,360

separately as distinct fields of inquiry

13
00:00:36,549 --> 00:00:35,840

thus when researchers wanted to conduct

14

00:00:38,709 --> 00:00:36,559

research

15

00:00:40,790 --> 00:00:38,719

and or look for evidence suggesting

16

00:00:41,590 --> 00:00:40,800

human consciousness could survive bodily

17

00:00:43,990 --> 00:00:41,600

death

18

00:00:45,750 --> 00:00:44,000

they would do so by isolating factors

19

00:00:49,430 --> 00:00:45,760

only related to that particular

20

00:00:51,110 --> 00:00:49,440

inquiry and if

21

00:00:53,189 --> 00:00:51,120

for instance another group of

22

00:00:55,670 --> 00:00:53,199

researchers wanting to investigate

23

00:00:57,510 --> 00:00:55,680

the psychic and personality effects

24

00:00:58,069 --> 00:00:57,520

brought on by supposed contact with

25

00:01:00,630 --> 00:00:58,079

non-human

26
00:01:02,549 --> 00:01:00,640
intelligence they would proceed by only

27
00:01:04,390 --> 00:01:02,559
considering factors related to that

28
00:01:06,310 --> 00:01:04,400
narrow field of study

29
00:01:09,109 --> 00:01:06,320
it was assumed this was the best way to

30
00:01:09,670 --> 00:01:09,119
proceed so as to tease out data that was

31
00:01:11,990 --> 00:01:09,680
already

32
00:01:13,270 --> 00:01:12,000
difficult to ascertain because these

33
00:01:15,830 --> 00:01:13,280
kinds of phenomena

34
00:01:19,109 --> 00:01:15,840
tend not to be easily reproducible under

35
00:01:24,550 --> 00:01:22,149
however almost by accident when data was

36
00:01:26,149 --> 00:01:24,560
compiled and looked at as a whole

37
00:01:28,149 --> 00:01:26,159
it was discovered that various

38
00:01:29,350 --> 00:01:28,159

presumably unrelated forms of high

39

00:01:30,789 --> 00:01:29,360

strangeness

40

00:01:33,109 --> 00:01:30,799

seemed to correlate with each other

41

00:01:35,030 --> 00:01:33,119

somehow that is to say

42

00:01:36,230 --> 00:01:35,040

a person who'd experienced one form of

43

00:01:38,870 --> 00:01:36,240

high strangeness

44

00:01:41,030 --> 00:01:38,880

was much more likely than say a random

45

00:01:42,870 --> 00:01:41,040

person from the general population

46

00:01:44,230 --> 00:01:42,880

to have experienced other forms of

47

00:01:47,590 --> 00:01:44,240

paranormal phenomena

48

00:01:48,710 --> 00:01:47,600

as well interestingly this curious and

49

00:01:51,030 --> 00:01:48,720

surprising result

50

00:01:52,950 --> 00:01:51,040

has persisted even with rigorous

51
00:01:53,670 --> 00:01:52,960
controls in place to ensure other

52
00:01:56,709 --> 00:01:53,680
artifacts

53
00:01:59,030 --> 00:01:56,719
aren't creeping in to corrupt the data

54
00:01:59,990 --> 00:01:59,040
and as a result a new paradigm has

55
00:02:01,910 --> 00:02:00,000
emerged

56
00:02:03,749 --> 00:02:01,920
one so new that we're still really

57
00:02:05,830 --> 00:02:03,759
getting acquainted with questions

58
00:02:06,870 --> 00:02:05,840
around how one might study this apparent

59
00:02:09,190 --> 00:02:06,880
connection

60
00:02:10,389 --> 00:02:09,200
and what the implications might be in

61
00:02:13,430 --> 00:02:10,399
terms of our framing

62
00:02:15,910 --> 00:02:13,440
of ultimate reality

63
00:02:17,670 --> 00:02:15,920

sometimes even beyond this astonishing

64

00:02:20,070 --> 00:02:17,680

correlation in the data

65

00:02:20,790 --> 00:02:20,080

these various anomalous phenomena

66

00:02:23,670 --> 00:02:20,800

manifest

67

00:02:24,390 --> 00:02:23,680

in the same single experience that is to

68

00:02:26,630 --> 00:02:24,400

say

69

00:02:28,550 --> 00:02:26,640

not only is person a more likely than a

70

00:02:30,150 --> 00:02:28,560

person from the general population

71

00:02:31,830 --> 00:02:30,160

to have experienced two or more

72

00:02:32,949 --> 00:02:31,840

seemingly distinct forms of high

73

00:02:35,430 --> 00:02:32,959

strangeness

74

00:02:36,309 --> 00:02:35,440

but sometimes these paranormal effects

75

00:02:41,270 --> 00:02:36,319

are observed

76
00:02:43,350 --> 00:02:41,280
and experienced in the very same event

77
00:02:44,790 --> 00:02:43,360
one such example of this kind of

78
00:02:47,589 --> 00:02:44,800
mind-boggling event

79
00:02:49,350 --> 00:02:47,599
reported on numerous occasions by

80
00:02:51,350 --> 00:02:49,360
unrelated individuals

81
00:02:54,390 --> 00:02:51,360
is an experience where contact with

82
00:02:57,190 --> 00:02:54,400
non-human apparently alien intelligence

83
00:02:57,750 --> 00:02:57,200
also involves contact and interaction

84
00:03:00,149 --> 00:02:57,760
with

85
00:03:01,190 --> 00:03:00,159
deceased individuals from that person's

86
00:03:03,670 --> 00:03:01,200
life

87
00:03:05,030 --> 00:03:03,680
yes indeed people sometimes experience

88
00:03:07,430 --> 00:03:05,040

meeting the others

89

00:03:08,149 --> 00:03:07,440

as they're often called as well as

90

00:03:12,550 --> 00:03:08,159

deceased

91

00:03:14,550 --> 00:03:12,560

loved ones in the very same encounter

92

00:03:16,309 --> 00:03:14,560

this apparent point of convergence

93

00:03:16,949 --> 00:03:16,319

between what were previously assumed to

94

00:03:19,670 --> 00:03:16,959

be

95

00:03:21,190 --> 00:03:19,680

completely unrelated forms of anomalous

96

00:03:23,750 --> 00:03:21,200

phenomenology

97

00:03:25,830 --> 00:03:23,760

is as mind-bendingly confounding as it

98

00:03:27,830 --> 00:03:25,840

is utterly fascinating

99

00:03:29,350 --> 00:03:27,840

and of course the exploration of

100

00:03:32,229 --> 00:03:29,360

interrelated modalities

101
00:03:33,270 --> 00:03:32,239
such as these is ideal fodder for a

102
00:03:36,550 --> 00:03:33,280
podcast just

103
00:03:37,830 --> 00:03:36,560
such as this an exploration of these

104
00:03:39,830 --> 00:03:37,840
kinds of encounters

105
00:03:42,149 --> 00:03:39,840
as well as a consideration of the

106
00:03:43,110 --> 00:03:42,159
bewildering implications that arise as a

107
00:03:46,149 --> 00:03:43,120
result

108
00:03:51,340 --> 00:03:46,159
are the topic of this the 16th episode

109
00:03:57,750 --> 00:03:55,030
[Music]

110
00:04:00,229 --> 00:03:57,760
as we begin this podcast episode a quick

111
00:04:01,670 --> 00:04:00,239
reminder about what we mean by contact

112
00:04:04,229 --> 00:04:01,680
modalities

113
00:04:05,990 --> 00:04:04,239

here we're speaking of phenomena such as

114

00:04:07,030 --> 00:04:06,000

contact with apparently non-human

115

00:04:09,429 --> 00:04:07,040

intelligence

116

00:04:10,470 --> 00:04:09,439

near-death experiences out-of-body

117

00:04:13,030 --> 00:04:10,480

experiences

118

00:04:15,030 --> 00:04:13,040

remote viewing and other psy aspects

119

00:04:17,110 --> 00:04:15,040

such as telekinesis

120

00:04:18,469 --> 00:04:17,120

sightings and interactions with the dead

121

00:04:20,390 --> 00:04:18,479

etc

122

00:04:22,390 --> 00:04:20,400

the premise we've been proceeding with

123

00:04:24,710 --> 00:04:22,400

on the point of convergence podcast

124

00:04:27,030 --> 00:04:24,720

because the data points this direction

125

00:04:29,350 --> 00:04:27,040

is that these are all related phenomena

126
00:04:30,550 --> 00:04:29,360
and point to something fundamental about

127
00:04:31,909 --> 00:04:30,560
reality

128
00:04:33,830 --> 00:04:31,919
and we're also proceeding with the

129
00:04:37,510 --> 00:04:33,840
notion that consciousness may be the

130
00:04:39,830 --> 00:04:37,520
bedrock that connects them all

131
00:04:41,189 --> 00:04:39,840
and speaking of terminology you'll often

132
00:04:43,990 --> 00:04:41,199
hear me referring to

133
00:04:45,110 --> 00:04:44,000
aliens now just to be clear i don't

134
00:04:47,430 --> 00:04:45,120
necessarily mean

135
00:04:48,150 --> 00:04:47,440
extraterrestrials when i say that word

136
00:04:50,550 --> 00:04:48,160
though that is

137
00:04:51,270 --> 00:04:50,560
certainly part of it i also may be

138
00:04:53,590 --> 00:04:51,280

referring to

139

00:04:55,590 --> 00:04:53,600

interdimensionals or some form of entity

140

00:04:57,830 --> 00:04:55,600

that is a bit of both

141

00:04:59,270 --> 00:04:57,840

we also use terms like the others or

142

00:05:02,230 --> 00:04:59,280

visitors these are all

143

00:05:04,390 --> 00:05:02,240

somewhat interrelated exchangeable terms

144

00:05:07,430 --> 00:05:04,400

and i basically refer to anything

145

00:05:10,230 --> 00:05:07,440

any entity any being any species

146

00:05:11,270 --> 00:05:10,240

that is not human and even more

147

00:05:13,790 --> 00:05:11,280

specifically

148

00:05:15,350 --> 00:05:13,800

recently i've begun using the term

149

00:05:18,230 --> 00:05:15,360

non-conventional human

150

00:05:20,230 --> 00:05:18,240

intelligence because interestingly in

151
00:05:22,469 --> 00:05:20,240
that free experimenter study

152
00:05:23,430 --> 00:05:22,479
the number one type of entity

153
00:05:26,390 --> 00:05:23,440
encountered

154
00:05:27,510 --> 00:05:26,400
was humanoid basically looked human so

155
00:05:29,670 --> 00:05:27,520
when we say

156
00:05:31,430 --> 00:05:29,680
contact with non-human intelligence we

157
00:05:33,909 --> 00:05:31,440
don't necessarily know that it's not

158
00:05:34,790 --> 00:05:33,919
human we do know it's not conventionally

159
00:05:36,550 --> 00:05:34,800
human

160
00:05:41,350 --> 00:05:36,560
that's just a clarification on the

161
00:05:45,270 --> 00:05:43,670
as i stated in today's introduction to

162
00:05:47,510 --> 00:05:45,280
the podcast

163
00:05:49,029 --> 00:05:47,520

often these various contact modalities

164

00:05:51,270 --> 00:05:49,039

happen to the same person

165

00:05:52,469 --> 00:05:51,280

in other words one person experiences

166

00:05:55,029 --> 00:05:52,479

more than one of these

167

00:05:56,469 --> 00:05:55,039

often several this has been confirmed

168

00:05:59,510 --> 00:05:56,479

time and time again

169

00:06:02,150 --> 00:05:59,520

in the data and one such correlation

170

00:06:03,749 --> 00:06:02,160

is with the others aliens visitors

171

00:06:07,110 --> 00:06:03,759

whatever you want to call them

172

00:06:09,590 --> 00:06:07,120

and the dead people who have experienced

173

00:06:11,110 --> 00:06:09,600

the others the aliens the non-human

174

00:06:13,830 --> 00:06:11,120

civilization

175

00:06:15,430 --> 00:06:13,840

have also encountered the dead that is

176

00:06:17,749 --> 00:06:15,440

deceased loved ones

177

00:06:20,790 --> 00:06:17,759

and sometimes these even happen in the

178

00:06:23,270 --> 00:06:20,800

same event

179

00:06:25,510 --> 00:06:23,280

now i don't know about you but for me

180

00:06:28,230 --> 00:06:25,520

when i consider that statistic

181

00:06:30,070 --> 00:06:28,240

that somehow the others and the dead are

182

00:06:30,629 --> 00:06:30,080

related that the same people who

183

00:06:34,790 --> 00:06:30,639

experience

184

00:06:37,909 --> 00:06:34,800

truly fascinating

185

00:06:40,070 --> 00:06:37,919

astonishing it makes you sit back in awe

186

00:06:42,629 --> 00:06:40,080

and wonder what does it mean in terms of

187

00:06:44,790 --> 00:06:42,639

ultimate reality

188

00:06:45,749 --> 00:06:44,800

whitley strieber along with his wife ann

189

00:06:47,749 --> 00:06:45,759

strieber

190

00:06:49,990 --> 00:06:47,759

put together a book called the communion

191

00:06:52,469 --> 00:06:50,000

letters which is a series of letters

192

00:06:54,309 --> 00:06:52,479

written to them by other experiencers

193

00:06:57,110 --> 00:06:54,319

and when it comes to the others and the

194

00:06:59,430 --> 00:06:57,120

dead they actually dedicate an entire

195

00:07:04,070 --> 00:06:59,440

chapter to just such a phenomenon

196

00:07:07,350 --> 00:07:05,589

now for any of you who've read

197

00:07:08,390 --> 00:07:07,360

streamer's work you're very familiar

198

00:07:10,150 --> 00:07:08,400

with his famous

199

00:07:11,430 --> 00:07:10,160

or infamous depending on your point of

200

00:07:13,830 --> 00:07:11,440

view cabin

201
00:07:14,550 --> 00:07:13,840
in new york state this is what strieber

202
00:07:17,990 --> 00:07:14,560
has to say

203
00:07:19,830 --> 00:07:18,000
about experiences at that cabin quote

204
00:07:22,150 --> 00:07:19,840
among the half dozen or so group

205
00:07:23,029 --> 00:07:22,160
experiences at my old cabin in upstate

206
00:07:24,870 --> 00:07:23,039
new york

207
00:07:26,790 --> 00:07:24,880
there was a continuous link between the

208
00:07:28,950 --> 00:07:26,800
visitors and the dead

209
00:07:30,710 --> 00:07:28,960
in one situation seven people on the

210
00:07:32,390 --> 00:07:30,720
ground floor of the cabin

211
00:07:35,189 --> 00:07:32,400
were having a conventional close

212
00:07:37,110 --> 00:07:35,199
encounter while a couple in the basement

213
00:07:39,430 --> 00:07:37,120

saw a friend who had died in an

214

00:07:42,550 --> 00:07:39,440

earthquake in mexico city

215

00:07:44,550 --> 00:07:42,560

in another our secretary and friend lori

216

00:07:45,749 --> 00:07:44,560

barnes was walking down the road in

217

00:07:47,589 --> 00:07:45,759

front of the cabin

218

00:07:49,749 --> 00:07:47,599

when she came face to face with a

219

00:07:50,550 --> 00:07:49,759

brother who had disappeared many years

220

00:07:53,589 --> 00:07:50,560

before

221

00:07:55,189 --> 00:07:53,599

and had long since been declared dead he

222

00:07:57,430 --> 00:07:55,199

told her that he was well

223

00:07:58,950 --> 00:07:57,440

and then dissolved into invisibility

224

00:08:01,110 --> 00:07:58,960

before her eyes

225

00:08:04,390 --> 00:08:01,120

that night the visitors came to the

226

00:08:06,309 --> 00:08:04,400

cabin unquote

227

00:08:08,790 --> 00:08:06,319

now these are clearly fascinating

228

00:08:10,950 --> 00:08:08,800

accounts what does it mean

229

00:08:11,990 --> 00:08:10,960

what are the possibilities is there

230

00:08:15,189 --> 00:08:12,000

something about that

231

00:08:17,029 --> 00:08:15,199

cabin that area of upstate new york we

232

00:08:18,710 --> 00:08:17,039

are aware that there apparently are hot

233

00:08:21,350 --> 00:08:18,720

spots where not only

234

00:08:22,950 --> 00:08:21,360

are ufos cited but sometimes other

235

00:08:27,670 --> 00:08:22,960

entities are sighted

236

00:08:29,749 --> 00:08:27,680

skinwalker ranch is just such a place

237

00:08:31,909 --> 00:08:29,759

indeed these kinds of places these

238

00:08:34,949 --> 00:08:31,919

various locations around the world

239

00:08:35,350 --> 00:08:34,959

are often called thin places meaning

240

00:08:38,149 --> 00:08:35,360

that

241

00:08:40,630 --> 00:08:38,159

there is a porous nature to the fabric

242

00:08:42,870 --> 00:08:40,640

of reality supposedly in these places

243

00:08:47,269 --> 00:08:42,880

which allows an interaction between

244

00:08:50,710 --> 00:08:49,190

is that how we can make sense of this

245

00:08:53,269 --> 00:08:50,720

recounting streamer gave

246

00:08:53,990 --> 00:08:53,279

of one particular night or on one floor

247

00:08:55,910 --> 00:08:54,000

of the cabin

248

00:08:57,990 --> 00:08:55,920

a group of people were having a close

249

00:09:00,150 --> 00:08:58,000

encounter with alien beings

250

00:09:01,509 --> 00:09:00,160

while at the very same time on another

251

00:09:03,829 --> 00:09:01,519

floor of the same cabin

252

00:09:05,670 --> 00:09:03,839

on the same night another couple were

253

00:09:06,310 --> 00:09:05,680

having experience with a deceased human

254

00:09:08,949 --> 00:09:06,320

being

255

00:09:09,750 --> 00:09:08,959

did the portal open up and allow various

256

00:09:12,550 --> 00:09:09,760

entities

257

00:09:14,150 --> 00:09:12,560

to spill out perhaps that's one

258

00:09:17,829 --> 00:09:14,160

possibility

259

00:09:20,550 --> 00:09:17,839

serve as a kind of conduit

260

00:09:22,790 --> 00:09:20,560

and that they actually are the magnet

261

00:09:24,949 --> 00:09:22,800

and the portal that allows different

262

00:09:26,949 --> 00:09:24,959

entities to interact with us

263

00:09:29,509 --> 00:09:26,959

perhaps whitley strieber is just one of

264

00:09:30,870 --> 00:09:29,519

those people

265

00:09:32,630 --> 00:09:30,880

and we'll touch more on the

266

00:09:34,870 --> 00:09:32,640

possibilities later

267

00:09:35,990 --> 00:09:34,880

for now let's move on to another letter

268

00:09:38,550 --> 00:09:36,000

within this chapter

269

00:09:41,269 --> 00:09:38,560

on the visitors and the dead within

270

00:09:43,350 --> 00:09:41,279

strieber's book the communion letters

271

00:09:44,389 --> 00:09:43,360

this letter is about an interaction with

272

00:09:47,829 --> 00:09:44,399

a dead brother

273

00:09:48,230 --> 00:09:47,839

and i quote i'm 22 years old and was

274

00:09:50,949 --> 00:09:48,240

born

275

00:09:53,509 --> 00:09:50,959

and raised in a suburb of a big city

276

00:09:54,870 --> 00:09:53,519

after nineteen years i met my father

277

00:09:57,030 --> 00:09:54,880

and then learned that i had a

278

00:09:57,990 --> 00:09:57,040

sixteen-year-old brother who was killed

279

00:10:01,430 --> 00:09:58,000

in a hit-and-run

280

00:10:02,949 --> 00:10:01,440

accident his name was donnie i'm writing

281

00:10:05,110 --> 00:10:02,959

you with the hope you can shed some

282

00:10:06,389 --> 00:10:05,120

light on a situation i feel is driving

283

00:10:08,069 --> 00:10:06,399

me crazy

284

00:10:10,710 --> 00:10:08,079

i'll start with a dream i had three

285

00:10:13,190 --> 00:10:10,720

years ago i was sitting on the sofa

286

00:10:15,110 --> 00:10:13,200

of my dad's at christmas time i fell

287

00:10:15,750 --> 00:10:15,120

asleep and suddenly the christmas tree

288

00:10:18,389 --> 00:10:15,760

behind me

289

00:10:19,350 --> 00:10:18,399

gave off a blinding white light my

290

00:10:21,269 --> 00:10:19,360

brother donnie

291

00:10:23,190 --> 00:10:21,279

walked out of this light and told me to

292

00:10:26,069 --> 00:10:23,200

be sure not to wake my dad

293

00:10:26,550 --> 00:10:26,079

and to follow him he led me to the back

294

00:10:28,389 --> 00:10:26,560

door

295

00:10:29,910 --> 00:10:28,399

and as soon as we stepped out we were in

296

00:10:31,590 --> 00:10:29,920

a wooded area

297

00:10:33,990 --> 00:10:31,600

as we walked down a path through the

298

00:10:35,350 --> 00:10:34,000

woods donny told me not to blame myself

299

00:10:37,269 --> 00:10:35,360

for not knowing him

300

00:10:39,350 --> 00:10:37,279

that he was always there when i needed

301
00:10:41,829 --> 00:10:39,360
him he talked more

302
00:10:42,630 --> 00:10:41,839
but i'm not clear about what he said the

303
00:10:44,310 --> 00:10:42,640
last thing

304
00:10:46,949 --> 00:10:44,320
he said was that there was something he

305
00:10:49,190 --> 00:10:46,959
had to show me he led me to a tree stump

306
00:10:53,030 --> 00:10:49,200
with a blue photo album sitting on it

307
00:10:57,750 --> 00:10:55,590
when i opened it i found numerous pages

308
00:11:00,310 --> 00:10:57,760
with pictures of ufos

309
00:11:01,829 --> 00:11:00,320
the disc shaped objects were brown and

310
00:11:03,829 --> 00:11:01,839
seemed to be bi-level

311
00:11:06,069 --> 00:11:03,839
with a row of windows on their top

312
00:11:08,470 --> 00:11:06,079
halves and a row on their bottom halves

313
00:11:10,470 --> 00:11:08,480

that looked to be tinted black

314

00:11:11,670 --> 00:11:10,480

the pictures all seemed to be of the

315

00:11:13,509 --> 00:11:11,680

same disc

316

00:11:15,030 --> 00:11:13,519

some of them were up in the air and some

317

00:11:17,590 --> 00:11:15,040

were on the ground with a door

318

00:11:19,190 --> 00:11:17,600

open and a light shining out of it all

319

00:11:21,350 --> 00:11:19,200

were close up shots

320

00:11:22,389 --> 00:11:21,360

i can't even begin to explain how real

321

00:11:25,110 --> 00:11:22,399

this was

322

00:11:27,430 --> 00:11:25,120

i even have trouble calling it a dream

323

00:11:27,990 --> 00:11:27,440

when i awoke my body was cold and i

324

00:11:30,389 --> 00:11:28,000

could still

325

00:11:31,670 --> 00:11:30,399

smell the night air as if i had been

326

00:11:33,509 --> 00:11:31,680

outside

327

00:11:35,670 --> 00:11:33,519

what concerns me is that this was more

328

00:11:36,710 --> 00:11:35,680

than a dream because when i described it

329

00:11:39,269 --> 00:11:36,720

to my dad

330

00:11:41,509 --> 00:11:39,279

he unpacked one of donny's boxes and

331

00:11:42,150 --> 00:11:41,519

showed me the same clothes he had worn

332

00:11:45,430 --> 00:11:42,160

in my

333

00:11:46,550 --> 00:11:45,440

quote-unquote dream i was fine for some

334

00:11:49,190 --> 00:11:46,560

time after that

335

00:11:51,670 --> 00:11:49,200

then suddenly i became paranoid if i was

336

00:11:53,750 --> 00:11:51,680

left alone for any period of time

337

00:11:55,509 --> 00:11:53,760

even in my apartment i would not enter a

338

00:11:57,590 --> 00:11:55,519

dark room without reaching around the

339

00:11:59,590 --> 00:11:57,600

corner to turn on the light first

340

00:12:01,829 --> 00:11:59,600

and i constantly felt like i was being

341

00:12:04,389 --> 00:12:01,839

watched from around a corner

342

00:12:06,230 --> 00:12:04,399

my girlfriend became concerned she said

343

00:12:07,910 --> 00:12:06,240

i looked like i'd seen a ghost

344

00:12:10,949 --> 00:12:07,920

when a car's headlights hit our living

345

00:12:13,269 --> 00:12:10,959

room window one night

346

00:12:15,030 --> 00:12:13,279

i remember my reaction but i didn't

347

00:12:17,030 --> 00:12:15,040

realize she'd noticed until she

348

00:12:19,190 --> 00:12:17,040

mentioned it a week later

349

00:12:20,550 --> 00:12:19,200

about a month ago i became fascinated

350

00:12:22,310 --> 00:12:20,560

with ufos

351

00:12:24,550 --> 00:12:22,320

i went to the library and checked out

352

00:12:27,030 --> 00:12:24,560

every book they had on this subject

353

00:12:28,550 --> 00:12:27,040

that is how i discovered communion you

354

00:12:29,509 --> 00:12:28,560

mentioned a little white ghost-like

355

00:12:31,590 --> 00:12:29,519

figure

356

00:12:33,670 --> 00:12:31,600

one night when i was a young child i was

357

00:12:34,470 --> 00:12:33,680

in the state of not being quite awake or

358

00:12:36,550 --> 00:12:34,480

asleep

359

00:12:38,870 --> 00:12:36,560

when a white hand came up from the end

360

00:12:40,870 --> 00:12:38,880

of my bed and grabbed my foot

361

00:12:43,750 --> 00:12:40,880

i shook it loose and when i opened my

362

00:12:47,829 --> 00:12:43,760

eyes i saw the hand go back down

363

00:12:50,230 --> 00:12:47,839

unquote now there are numerous

364

00:12:51,190 --> 00:12:50,240

fascinating aspects to this particular

365

00:12:53,030 --> 00:12:51,200

account

366

00:12:54,389 --> 00:12:53,040

and they touch on things we've talked

367

00:12:56,629 --> 00:12:54,399

about before

368

00:12:58,310 --> 00:12:56,639

for one we have this person recounting a

369

00:12:59,269 --> 00:12:58,320

dream that seemed to be more than a

370

00:13:02,230 --> 00:12:59,279

dream

371

00:13:04,310 --> 00:13:02,240

we've touched on this before and many

372

00:13:05,509 --> 00:13:04,320

people recount having dreams that

373

00:13:08,389 --> 00:13:05,519

somehow seem more

374

00:13:09,910 --> 00:13:08,399

real more substantial than our everyday

375

00:13:12,710 --> 00:13:09,920

waking world

376

00:13:13,350 --> 00:13:12,720

how do we make sense of this i would

377

00:13:15,030 --> 00:13:13,360

suggest

378

00:13:17,509 --> 00:13:15,040

it means that our understanding of

379

00:13:21,110 --> 00:13:17,519

states of consciousness is incomplete

380

00:13:22,310 --> 00:13:21,120

perhaps even quite wrong secondly this

381

00:13:25,509 --> 00:13:22,320

person talks about

382

00:13:27,829 --> 00:13:25,519

later on having a recounting

383

00:13:28,790 --> 00:13:27,839

recall of an experience when they were a

384

00:13:32,550 --> 00:13:28,800

young child

385

00:13:35,990 --> 00:13:32,560

and a white ghost-like gray small figure

386

00:13:36,550 --> 00:13:36,000

appeared in his room again even whitley

387

00:13:39,189 --> 00:13:36,560

strieber

388

00:13:39,910 --> 00:13:39,199

goes on to remember accounts uh with

389

00:13:41,829 --> 00:13:39,920

these

390

00:13:43,829 --> 00:13:41,839

others that happened ever since he was a

391

00:13:44,790 --> 00:13:43,839

child and as we've discussed in recent

392

00:13:47,110 --> 00:13:44,800

episodes

393

00:13:51,350 --> 00:13:47,120

often it even goes back generations

394

00:13:55,509 --> 00:13:53,350

but in terms of really interesting data

395

00:13:58,470 --> 00:13:55,519

points here we have a situation

396

00:13:59,590 --> 00:13:58,480

in a supposed dream like state where

397

00:14:01,430 --> 00:13:59,600

someone recounts

398

00:14:03,350 --> 00:14:01,440

a brother leading them into the woods

399

00:14:04,069 --> 00:14:03,360

but when he shares this story with his

400

00:14:07,509 --> 00:14:04,079

father

401
00:14:09,509 --> 00:14:07,519
clothes that this brother used to wear

402
00:14:10,389 --> 00:14:09,519
and they match what this person saw in

403
00:14:11,990 --> 00:14:10,399
the dream

404
00:14:13,990 --> 00:14:12,000
even though they had never actually met

405
00:14:15,189 --> 00:14:14,000
this brother nor seen those clothes

406
00:14:17,829 --> 00:14:15,199
before

407
00:14:18,710 --> 00:14:17,839
even more interestingly he leads him

408
00:14:21,030 --> 00:14:18,720
into the woods

409
00:14:23,269 --> 00:14:21,040
and shows him a photo book which is a

410
00:14:24,790 --> 00:14:23,279
collection of pictures of ufos a

411
00:14:28,150 --> 00:14:24,800
particular ufo

412
00:14:30,389 --> 00:14:28,160
and then from there this brother becomes

413
00:14:32,949 --> 00:14:30,399

interested in ufos starts researching

414

00:14:35,750 --> 00:14:32,959

them and later on starts having recall

415

00:14:37,030 --> 00:14:35,760

of his own encounters with ufos or ufo

416

00:14:39,590 --> 00:14:37,040

beings anyway

417

00:14:40,389 --> 00:14:39,600

that happened when he was a young child

418

00:14:42,470 --> 00:14:40,399

fascinating

419

00:14:46,550 --> 00:14:42,480

somehow it's all connected that's what

420

00:14:50,389 --> 00:14:48,790

of course whitley strieber has had

421

00:14:52,629 --> 00:14:50,399

plenty of time to think about

422

00:14:53,590 --> 00:14:52,639

the possible implications of these kinds

423

00:14:56,389 --> 00:14:53,600

of letters

424

00:14:57,030 --> 00:14:56,399

that depict experiences where people

425

00:14:59,269 --> 00:14:57,040

experience

426

00:15:00,389 --> 00:14:59,279

both the others or as streeper calls

427

00:15:03,030 --> 00:15:00,399

them the visitors

428

00:15:04,710 --> 00:15:03,040

as well as deceased relatives this is

429

00:15:06,629 --> 00:15:04,720

what strieber has to say

430

00:15:08,550 --> 00:15:06,639

in this chapter about the visitors and

431

00:15:10,710 --> 00:15:08,560

the dead quote

432

00:15:12,629 --> 00:15:10,720

this group of letters suggests at the

433

00:15:15,030 --> 00:15:12,639

least that the world of the dead

434

00:15:17,350 --> 00:15:15,040

is very close to that of the living and

435

00:15:18,710 --> 00:15:17,360

that it either uses the alien form as a

436

00:15:20,949 --> 00:15:18,720

disguise

437

00:15:22,389 --> 00:15:20,959

or is connected to alien life in ways

438

00:15:24,949 --> 00:15:22,399

that we are not

439

00:15:26,710 --> 00:15:24,959

in any case i believe that these stories

440

00:15:28,949 --> 00:15:26,720

and all the others like them

441

00:15:30,389 --> 00:15:28,959

are right at the heart of the mystery if

442

00:15:31,269 --> 00:15:30,399

we could understand the visitor

443

00:15:33,189 --> 00:15:31,279

experience

444

00:15:34,710 --> 00:15:33,199

i have no doubt that we would also

445

00:15:37,350 --> 00:15:34,720

understand ourselves

446

00:15:38,389 --> 00:15:37,360

our true history the meaning of death

447

00:15:43,189 --> 00:15:38,399

and the destiny

448

00:15:47,509 --> 00:15:45,509

now as strieber is hinting at here and

449

00:15:49,829 --> 00:15:47,519

as we've touched on before

450

00:15:51,590 --> 00:15:49,839

it may be that our connection with the

451
00:15:54,710 --> 00:15:51,600
others the visitors

452
00:15:55,509 --> 00:15:54,720
is more intimate than we imagine they

453
00:15:58,550 --> 00:15:55,519
may be us

454
00:16:01,430 --> 00:15:58,560
we may be them in some form or another

455
00:16:03,350 --> 00:16:01,440
and we may have lifetimes even as other

456
00:16:05,829 --> 00:16:03,360
kinds of alien species

457
00:16:07,749 --> 00:16:05,839
that even if reincarnation is real it

458
00:16:10,870 --> 00:16:07,759
doesn't necessarily mean that we always

459
00:16:13,350 --> 00:16:10,880
incarnate as human forms

460
00:16:14,870 --> 00:16:13,360
in fact this touches on another letter

461
00:16:16,629 --> 00:16:14,880
that was written to strieber in this

462
00:16:18,150 --> 00:16:16,639
book the communion letters

463
00:16:20,389 --> 00:16:18,160

and here someone talks about

464

00:16:22,310 --> 00:16:20,399

reconnecting with their cosmic family

465

00:16:23,990 --> 00:16:22,320

which again is very interesting and

466

00:16:27,350 --> 00:16:24,000

sounds very familiar to us

467

00:16:30,550 --> 00:16:27,360

based on previous podcasts and i quote

468

00:16:32,949 --> 00:16:30,560

in 1989 i was living in california

469

00:16:34,470 --> 00:16:32,959

on a cold saturday morning in october i

470

00:16:36,870 --> 00:16:34,480

saw an amazing sight

471

00:16:38,230 --> 00:16:36,880

in broad daylight i saw an oblong

472

00:16:41,110 --> 00:16:38,240

egg-shaped ship

473

00:16:42,069 --> 00:16:41,120

maybe 30 feet long moving slowly up the

474

00:16:45,110 --> 00:16:42,079

canal

475

00:16:47,189 --> 00:16:45,120

it was easily 30 feet above the water it

476

00:16:49,189 --> 00:16:47,199
moved at about 8 miles per hour

477

00:16:50,230 --> 00:16:49,199
and acted as if it didn't have a care in

478

00:16:52,710 --> 00:16:50,240
the world

479

00:16:53,910 --> 00:16:52,720
it was blue and had oblong portholes

480

00:16:56,310 --> 00:16:53,920
down its middle

481

00:16:57,350 --> 00:16:56,320
from front to back this was never

482

00:16:59,350 --> 00:16:57,360
reported

483

00:17:01,829 --> 00:16:59,360
it was as if i was the only person who

484

00:17:02,870 --> 00:17:01,839
saw it in broad daylight in a populated

485

00:17:05,029 --> 00:17:02,880
area

486

00:17:06,390 --> 00:17:05,039
that was frustrating everyone thought i

487

00:17:09,270 --> 00:17:06,400
was crazy

488

00:17:11,510 --> 00:17:09,280

in 1992 i think i screwed up i was

489

00:17:14,549 --> 00:17:11,520

living in the heart of a downtown area

490

00:17:16,150 --> 00:17:14,559

i awoke at 3am to see one of your little

491

00:17:17,270 --> 00:17:16,160

visitor friends crawling through my

492

00:17:19,990 --> 00:17:17,280

window

493

00:17:21,189 --> 00:17:20,000

i don't know why but i said not yet i'm

494

00:17:23,029 --> 00:17:21,199

not ready

495

00:17:25,429 --> 00:17:23,039

the little guy just turned around and

496

00:17:27,429 --> 00:17:25,439

left and i fell back to sleep

497

00:17:29,190 --> 00:17:27,439

i had just broken up with the woman i

498

00:17:30,870 --> 00:17:29,200

thought was the love of my life

499

00:17:33,190 --> 00:17:30,880

the breakup was devastating

500

00:17:35,029 --> 00:17:33,200

psychologically i was a vacuum

501
00:17:37,190 --> 00:17:35,039
for the next three years i lived in

502
00:17:38,310 --> 00:17:37,200
isolation and spent every day reading

503
00:17:40,870 --> 00:17:38,320
every book i could

504
00:17:41,990 --> 00:17:40,880
on philosophy esoteric knowledge and

505
00:17:44,710 --> 00:17:42,000
religion

506
00:17:46,150 --> 00:17:44,720
literally hundreds of texts last year i

507
00:17:48,230 --> 00:17:46,160
had an amazing dream

508
00:17:49,830 --> 00:17:48,240
i was on a ship with people who didn't

509
00:17:52,710 --> 00:17:49,840
quite look like people

510
00:17:53,750 --> 00:17:52,720
about 20 of them they seemed overjoyed

511
00:17:56,390 --> 00:17:53,760
to see me

512
00:17:57,909 --> 00:17:56,400
one said you've been gone so long it's

513
00:17:59,990 --> 00:17:57,919

good to see you again

514

00:18:01,029 --> 00:18:00,000

i felt as if i'd come out of a state of

515

00:18:02,549 --> 00:18:01,039

amnesia

516

00:18:04,070 --> 00:18:02,559

as though this was a place i'd

517

00:18:06,470 --> 00:18:04,080

originated from

518

00:18:07,990 --> 00:18:06,480

i awoke then and the memory faded but

519

00:18:10,470 --> 00:18:08,000

not completely

520

00:18:11,430 --> 00:18:10,480

when i think now about the dreamship and

521

00:18:13,430 --> 00:18:11,440

those people

522

00:18:15,590 --> 00:18:13,440

i feel overwhelming love and a deep

523

00:18:19,590 --> 00:18:15,600

connection like family

524

00:18:20,390 --> 00:18:19,600

unquote now speaking of the visitors and

525

00:18:23,190 --> 00:18:20,400

the dead

526

00:18:24,310 --> 00:18:23,200

we would be remiss to cover this topic

527

00:18:27,430 --> 00:18:24,320

without discussing

528

00:18:29,510 --> 00:18:27,440

orbs now for those of you not familiar

529

00:18:31,990 --> 00:18:29,520

orbs are these kind of circular or

530

00:18:34,710 --> 00:18:32,000

spherical balls of energy that appear

531

00:18:36,390 --> 00:18:34,720

often with ufos they don't seem to have

532

00:18:39,190 --> 00:18:36,400

physical form they look more like

533

00:18:40,789 --> 00:18:39,200

balls of energy pulsating and vibrating

534

00:18:42,230 --> 00:18:40,799

there's some great footage online that

535

00:18:45,029 --> 00:18:42,240

you can find both pictures

536

00:18:45,830 --> 00:18:45,039

and video it has been suggested that

537

00:18:48,549 --> 00:18:45,840

these

538

00:18:50,230 --> 00:18:48,559

sometimes are either post biological

539

00:18:53,830 --> 00:18:50,240

entities that therefore don't have

540

00:18:56,230 --> 00:18:53,840

form or that sometimes they are even

541

00:18:57,750 --> 00:18:56,240

human souls that are in between

542

00:18:59,909 --> 00:18:57,760

incarnations

543

00:19:02,230 --> 00:18:59,919

and very interesting for today's topic

544

00:19:04,390 --> 00:19:02,240

again there's some great footage online

545

00:19:06,470 --> 00:19:04,400

chris bledsoe for instance has captured

546

00:19:09,510 --> 00:19:06,480

some amazing footage that you can find

547

00:19:13,110 --> 00:19:11,590

and again touching on the various

548

00:19:15,430 --> 00:19:13,120

contact modalities

549

00:19:17,270 --> 00:19:15,440

there are often very similar elements to

550

00:19:19,430 --> 00:19:17,280

these different experiences

551
00:19:20,549 --> 00:19:19,440
for instance let's consider near-death

552
00:19:23,510 --> 00:19:20,559
experiences and

553
00:19:25,430 --> 00:19:23,520
contact with non-human intelligence one

554
00:19:28,390 --> 00:19:25,440
thing that is common to both

555
00:19:29,990 --> 00:19:28,400
is often a life review yes we're very

556
00:19:30,710 --> 00:19:30,000
familiar that people who have near death

557
00:19:32,870 --> 00:19:30,720
experiences

558
00:19:33,830 --> 00:19:32,880
often see their entire life flash before

559
00:19:36,390 --> 00:19:33,840
their eyes

560
00:19:37,350 --> 00:19:36,400
and it's not just a visual experience

561
00:19:40,950 --> 00:19:37,360
they are able to

562
00:19:43,110 --> 00:19:40,960
feel every interaction they ever had

563
00:19:44,789 --> 00:19:43,120

that means they know how they felt and

564

00:19:45,510 --> 00:19:44,799

they also become aware of how they made

565

00:19:47,669 --> 00:19:45,520

others feel

566

00:19:49,909 --> 00:19:47,679

as a result of their actions in other

567

00:19:53,430 --> 00:19:49,919

words it's like full conscious awareness

568

00:19:55,110 --> 00:19:53,440

of everything that happens now that same

569

00:19:57,669 --> 00:19:55,120

kind of experience has actually been

570

00:20:00,630 --> 00:19:57,679

reported on ufos believe it or not

571

00:20:03,029 --> 00:20:00,640

that the other somehow can access this

572

00:20:06,710 --> 00:20:03,039

information and provide it to someone

573

00:20:08,470 --> 00:20:06,720

when they are in the realm of the others

574

00:20:10,870 --> 00:20:08,480

now speaking of experiences that are

575

00:20:12,950 --> 00:20:10,880

common to both near-death experiences

576
00:20:14,070 --> 00:20:12,960
and interactions with non-human

577
00:20:16,630 --> 00:20:14,080
intelligence

578
00:20:17,430 --> 00:20:16,640
in both cases people experience

579
00:20:20,070 --> 00:20:17,440
remembering

580
00:20:22,070 --> 00:20:20,080
larger aspects of who they are that

581
00:20:24,149 --> 00:20:22,080
means past life memories emerge

582
00:20:26,630 --> 00:20:24,159
and also a scope of history that goes

583
00:20:28,870 --> 00:20:26,640
beyond that lifetime even

584
00:20:29,990 --> 00:20:28,880
something else that's essential to both

585
00:20:32,470 --> 00:20:30,000
these experiences

586
00:20:33,350 --> 00:20:32,480
is that often both near-death

587
00:20:36,789 --> 00:20:33,360
experiences

588
00:20:39,350 --> 00:20:36,799

and contact experiencers become changed

589

00:20:41,110 --> 00:20:39,360

spiritually and psychologically as a

590

00:20:43,190 --> 00:20:41,120

result of these encounters

591

00:20:45,029 --> 00:20:43,200

now as we've touched on recently

592

00:20:47,669 --> 00:20:45,039

sometimes the initial change

593

00:20:49,830 --> 00:20:47,679

is to a kind of traumatic state because

594

00:20:52,230 --> 00:20:49,840

these are very shocking events

595

00:20:53,909 --> 00:20:52,240

but eventually it leads to a spiritual

596

00:20:55,750 --> 00:20:53,919

awakening for many people

597

00:20:57,830 --> 00:20:55,760

and in fact it changes how they live

598

00:20:59,190 --> 00:20:57,840

their lives that's the case both for

599

00:21:01,190 --> 00:20:59,200

near-death experiences

600

00:21:02,630 --> 00:21:01,200

as well as contact with non-human

601
00:21:06,950 --> 00:21:02,640
intelligence i.e

602
00:21:08,310 --> 00:21:06,960
the others now as we step back for a

603
00:21:09,909 --> 00:21:08,320
moment and consider

604
00:21:12,230 --> 00:21:09,919
the fact that sometimes people

605
00:21:15,909 --> 00:21:12,240
experience the others the visitors

606
00:21:16,230 --> 00:21:15,919
as well as the dead deceased ancestors

607
00:21:19,110 --> 00:21:16,240
or

608
00:21:21,190 --> 00:21:19,120
friends in the same experience when we

609
00:21:23,590 --> 00:21:21,200
step back from that we consider that

610
00:21:25,590 --> 00:21:23,600
we also consider the common elements

611
00:21:28,390 --> 00:21:25,600
between near-death experiences

612
00:21:29,510 --> 00:21:28,400
and contact with non-human intelligence

613
00:21:32,870 --> 00:21:29,520

what does it all mean

614

00:21:34,870 --> 00:21:32,880

what can we say about it now some will

615

00:21:36,310 --> 00:21:34,880

undoubtedly want to point to screen

616

00:21:37,190 --> 00:21:36,320

memories that's what they're referred to

617

00:21:40,870 --> 00:21:37,200

as

618

00:21:43,110 --> 00:21:40,880

given to someone

619

00:21:44,710 --> 00:21:43,120

that covers up what's actually happening

620

00:21:47,590 --> 00:21:44,720

so it's a false memory

621

00:21:49,510 --> 00:21:47,600

a false image implanted on top of the

622

00:21:50,789 --> 00:21:49,520

person's consciousness so they perceive

623

00:21:53,190 --> 00:21:50,799

something other than

624

00:21:55,110 --> 00:21:53,200

what is really happening and some people

625

00:21:56,390 --> 00:21:55,120

will suggest the others are doing this

626
00:21:58,549 --> 00:21:56,400
to deceive us

627
00:21:59,909 --> 00:21:58,559
again there is a group out there who are

628
00:22:02,310 --> 00:21:59,919
convinced the others

629
00:22:03,669 --> 00:22:02,320
are malevolent and that do not mean us

630
00:22:05,510 --> 00:22:03,679
well at all

631
00:22:07,029 --> 00:22:05,520
and that these kind of experiences

632
00:22:09,029 --> 00:22:07,039
including when they bring along

633
00:22:10,230 --> 00:22:09,039
our supposed relatives our loved ones

634
00:22:13,110 --> 00:22:10,240
who've passed on

635
00:22:13,750 --> 00:22:13,120
it's all a ruse it's deception meant to

636
00:22:19,270 --> 00:22:13,760
confuse

637
00:22:23,350 --> 00:22:21,669
now perhaps not surprisingly to you if

638
00:22:24,310 --> 00:22:23,360

you've been tuning into this podcast for

639

00:22:27,270 --> 00:22:24,320

a while

640

00:22:28,149 --> 00:22:27,280

that is not my perspective i think we

641

00:22:30,789 --> 00:22:28,159

can trust

642

00:22:32,149 --> 00:22:30,799

these experiences i think that when we

643

00:22:34,870 --> 00:22:32,159

get down to the

644

00:22:35,990 --> 00:22:34,880

way they transform us ultimately we see

645

00:22:39,029 --> 00:22:36,000

people being

646

00:22:41,750 --> 00:22:39,039

changed in positive ways to become

647

00:22:43,510 --> 00:22:41,760

deeper people less shallow people more

648

00:22:45,909 --> 00:22:43,520

spiritually integrated people

649

00:22:47,590 --> 00:22:45,919

more mature people more concerned with

650

00:22:49,510 --> 00:22:47,600

others than they were before

651
00:22:51,110 --> 00:22:49,520
these are good things these would be

652
00:22:53,510 --> 00:22:51,120
strange byproducts

653
00:22:55,190 --> 00:22:53,520
of a malevolent intention on the behalf

654
00:22:56,710 --> 00:22:55,200
of an evil species

655
00:22:58,950 --> 00:22:56,720
or a species that is completely

656
00:23:01,990 --> 00:22:58,960
self-serving here to bend us to their

657
00:23:07,990 --> 00:23:05,510
that said presentation does happen

658
00:23:08,630 --> 00:23:08,000
what i mean by that is i do think they

659
00:23:11,270 --> 00:23:08,640
frame

660
00:23:11,990 --> 00:23:11,280
our experiences in ways that help us

661
00:23:13,830 --> 00:23:12,000
grow

662
00:23:15,990 --> 00:23:13,840
that what we're seeing and experiencing

663
00:23:18,390 --> 00:23:16,000

may not be the base reality

664

00:23:20,230 --> 00:23:18,400

is unlikely to be the ultimate reality

665

00:23:22,070 --> 00:23:20,240

that they experience and understand

666

00:23:24,390 --> 00:23:22,080

because we're just not there yet we

667

00:23:25,190 --> 00:23:24,400

can't perceive at that level what

668

00:23:28,230 --> 00:23:25,200

they're doing

669

00:23:30,710 --> 00:23:28,240

as guardians and caretakers if you will

670

00:23:33,029 --> 00:23:30,720

celestial beings if you will is they're

671

00:23:34,630 --> 00:23:33,039

giving us what we need to experience in

672

00:23:37,350 --> 00:23:34,640

order to take the next leap

673

00:23:39,510 --> 00:23:37,360

in our own evolution there is some

674

00:23:41,909 --> 00:23:39,520

creative force being employed here

675

00:23:44,149 --> 00:23:41,919

and like jacques valet i think it's

676

00:23:46,310 --> 00:23:44,159

largely psychical in nature

677

00:23:48,789 --> 00:23:46,320

but it is a creative force it does

678

00:23:52,630 --> 00:23:48,799

change us even if it happens largely

679

00:23:55,750 --> 00:23:54,549

and now i'd like to offer a couple

680

00:23:57,590 --> 00:23:55,760

additional thoughts for your

681

00:23:59,669 --> 00:23:57,600

consideration

682

00:24:00,789 --> 00:23:59,679

time and time again on this podcast

683

00:24:02,630 --> 00:24:00,799

we've discussed how

684

00:24:04,390 --> 00:24:02,640

elements of interactions with this

685

00:24:06,470 --> 00:24:04,400

non-human intelligence

686

00:24:07,750 --> 00:24:06,480

collapses categories that we used to

687

00:24:11,269 --> 00:24:07,760

think of as

688

00:24:13,110 --> 00:24:11,279

exclusive and absolute that goes for our

689

00:24:15,190 --> 00:24:13,120

experience of time for instance

690

00:24:17,350 --> 00:24:15,200

that in the realm of the others we move

691

00:24:18,870 --> 00:24:17,360

back and forth seamlessly into the past

692

00:24:21,510 --> 00:24:18,880

the present the future

693

00:24:23,190 --> 00:24:21,520

and we are told by them according to

694

00:24:26,149 --> 00:24:23,200

experiences themselves

695

00:24:27,430 --> 00:24:26,159

that our experience of time as linear is

696

00:24:29,669 --> 00:24:27,440

illusory

697

00:24:31,510 --> 00:24:29,679

and in fact even science now tells us

698

00:24:33,590 --> 00:24:31,520

that that is the case

699

00:24:34,549 --> 00:24:33,600

i think this is also true of states of

700

00:24:36,549 --> 00:24:34,559

consciousness

701
00:24:38,310 --> 00:24:36,559
we draw these hard lines between

702
00:24:41,029 --> 00:24:38,320
dreaming and waking

703
00:24:42,390 --> 00:24:41,039
but that largely is illusory too and we

704
00:24:44,149 --> 00:24:42,400
see evidence of this

705
00:24:45,750 --> 00:24:44,159
in these experiences even ones we

706
00:24:48,549 --> 00:24:45,760
discuss today

707
00:24:50,950 --> 00:24:48,559
finally this hard line between life and

708
00:24:53,990 --> 00:24:50,960
death that we used to consider

709
00:24:55,350 --> 00:24:54,000
absolute and final is proven to be

710
00:24:57,590 --> 00:24:55,360
anything but

711
00:24:59,510 --> 00:24:57,600
again what the others are doing here is

712
00:25:00,470 --> 00:24:59,520
trying to change our perspective about

713
00:25:02,549 --> 00:25:00,480

reality

714

00:25:06,070 --> 00:25:02,559

and perhaps change the way we live our

715

00:25:09,750 --> 00:25:08,549

and on that note we've come to the close

716

00:25:12,470 --> 00:25:09,760

of another edition

717

00:25:13,029 --> 00:25:12,480

of the point of convergence podcast as

718

00:25:15,350 --> 00:25:13,039

always

719

00:25:16,630 --> 00:25:15,360

let's keep this conversation going and

720

00:25:19,190 --> 00:25:16,640

growing

721

00:25:20,310 --> 00:25:19,200

please remember to like this podcast if

722

00:25:22,710 --> 00:25:20,320

you enjoyed it

723

00:25:23,750 --> 00:25:22,720

subscribe either on the podcast platform

724

00:25:26,149 --> 00:25:23,760

you're listening to

725

00:25:28,390 --> 00:25:26,159

or on youtube if you'd be so kind as to

726

00:25:29,590 --> 00:25:28,400

leave a positive review if you enjoy

727

00:25:32,149 --> 00:25:29,600

this podcast

728

00:25:33,750 --> 00:25:32,159

that helps to spread the word as well

729

00:25:34,630 --> 00:25:33,760

and please let others know that would be

730

00:25:37,909 --> 00:25:34,640

interested

731

00:25:38,630 --> 00:25:37,919

about this podcast but until next time

732

00:25:39,909 --> 00:25:38,640

friends

733

00:25:42,710 --> 00:25:39,919

from deep within the blue ridge

734

00:25:43,669 --> 00:25:42,720

mountains of north carolina this is exo
