2
00:00:12,230 --> 00:00:09,270

hello

3
00:00:14,230 --> 00:00:12,240

and welcome to episode number 19 of the

4
00:00:18,550 --> 00:00:14,240

point of convergence podcast

5
00:00:20,710 --> 00:00:18,560

as always i'm your host exo academian

6
00:00:22,710 --> 00:00:20,720

when we look back at the history of the

7
00:00:25,830 --> 00:00:22,720

topic collectively referred to

8
00:00:28,710 --> 00:00:25,840

as high strangeness it's clear that

9
00:00:31,589 --> 00:00:28,720

for a long time various phenomena were

10
00:00:34,389 --> 00:00:31,599

studied as distinct fields of inquiry

11
00:00:35,990 --> 00:00:34,399

and often so-called ghost hunters

12
00:00:38,709 --> 00:00:36,000

bigfoot investigators

13
00:00:39,590 --> 00:00:38,719

and ufo researchers were distinct groups

14

00:00:43,510 --> 00:00:39,600

of people

15

00:00:45,270 --> 00:00:43,520

who kept to their own lane so to speak

16

00:00:47,190 --> 00:00:45,280

as we've discussed previously on the

17

00:00:49,510 --> 00:00:47,200

point of convergence podcast

18

00:00:51,830 --> 00:00:49,520

over time it has become clear that this

19

00:00:53,110 --> 00:00:51,840

is likely not the best way to approach

20

00:00:55,029 --> 00:00:53,120

these topics

21

00:00:57,270 --> 00:00:55,039

because there appears to be a repeated

22

00:00:59,349 --> 00:00:57,280

overlap between them

23

00:01:02,150 --> 00:00:59,359

for instance a person who experiences

24

00:01:04,229 --> 00:01:02,160

one of these kinds of uncanny encounters

25

00:01:05,750 --> 00:01:04,239

is much more likely than an average

26

00:01:06,950 --> 00:01:05,760

random individual from the general

27

00:01:11,750 --> 00:01:06,960

population

28

00:01:15,749 --> 00:01:14,469

indeed one of the most useful predictors

29

00:01:18,230 --> 00:01:15,759

of someone experiencing

30

00:01:20,070 --> 00:01:18,240

any form of high strangeness whether

31

00:01:22,230 --> 00:01:20,080

that be a ufo sighting

32

00:01:23,510 --> 00:01:22,240

contact with non-human intelligence a

33

00:01:25,749 --> 00:01:23,520

near-death experience

34

00:01:26,870 --> 00:01:25,759

remote sensing or an out-of-body

35

00:01:31,190 --> 00:01:26,880

experience

36

00:01:33,910 --> 00:01:31,200

of the phenomena from this list

37

00:01:34,390 --> 00:01:33,920

that tells us that clearly some people

38

00:01:36,789 --> 00:01:34,400

seem

39

00:01:38,870 --> 00:01:36,799

hardwired to perceive and experience a

40

00:01:42,389 --> 00:01:38,880

broader bandwidth of reality

41

00:01:42,950 --> 00:01:42,399

than the general population but uniquely

42

00:01:45,510 --> 00:01:42,960

gifted

43

00:01:47,030 --> 00:01:45,520

and sensitive individuals only represent

44

00:01:49,190 --> 00:01:47,040

one of the ways that we see

45

00:01:51,429 --> 00:01:49,200

overlap between these various kinds of

46

00:01:53,510 --> 00:01:51,439

contact modalities

47

00:01:55,910 --> 00:01:53,520

another fascinating data point that has

48

00:01:58,550 --> 00:01:55,920

emerged from a cross-disciplinary study

49

00:02:00,709 --> 00:01:58,560

of various forms of high strangeness is

50

00:02:03,590 --> 00:02:00,719

that certain particular locations

51
00:02:04,149 --> 00:02:03,600
seem more prone than others to be hosts

52
00:02:07,510 --> 00:02:04,159
to such

53
00:02:11,430 --> 00:02:09,510
there are numerous examples of such

54
00:02:15,510 --> 00:02:11,440
places around the world

55
00:02:17,510 --> 00:02:15,520
the uinta basin of utah sedona arizona

56
00:02:18,630 --> 00:02:17,520
new zealand's kaikoura mountain range

57
00:02:21,190 --> 00:02:18,640
region

58
00:02:23,270 --> 00:02:21,200
the egyptian pyramids the united

59
00:02:25,910 --> 00:02:23,280
kingdom's stonehenge

60
00:02:26,710 --> 00:02:25,920
new york's hudson valley the bermuda

61
00:02:29,830 --> 00:02:26,720
triangle

62
00:02:31,830 --> 00:02:29,840
and many more often these locations are

63
00:02:33,589 --> 00:02:31,840

not only known for just one particular

64

00:02:36,309 --> 00:02:33,599

kind of paranormal encounter

65

00:02:38,309 --> 00:02:36,319

but several this has led some to

66

00:02:40,869 --> 00:02:38,319

postulate that such places may be

67

00:02:43,030 --> 00:02:40,879

paranormal through ways of some kind

68

00:02:44,390 --> 00:02:43,040

where different realities can and do

69

00:02:47,509 --> 00:02:44,400

sometimes overlap

70

00:02:49,270 --> 00:02:47,519

and interact this hypothesis suggests

71

00:02:50,869 --> 00:02:49,280

that it's not necessarily that different

72

00:02:53,509 --> 00:02:50,879

entities and phenomena

73

00:02:55,589 --> 00:02:53,519

are related to each other per se but the

74

00:02:57,670 --> 00:02:55,599

different entities are simply using the

75

00:03:01,830 --> 00:02:57,680

same interdimensional portals

76
00:03:05,589 --> 00:03:04,309
indeed these other world gates as we

77
00:03:07,589 --> 00:03:05,599
might call them

78
00:03:09,830 --> 00:03:07,599
might not just be the bridge between two

79
00:03:11,509 --> 00:03:09,840
worlds but a nexus point joining

80
00:03:14,470 --> 00:03:11,519
together multiple worlds

81
00:03:16,710 --> 00:03:14,480
and or parallel realities at least

82
00:03:18,550 --> 00:03:16,720
that's one possibility

83
00:03:19,990 --> 00:03:18,560
another possibility is that what we

84
00:03:22,550 --> 00:03:20,000
observe in these porous

85
00:03:24,149 --> 00:03:22,560
thin places between worlds is one

86
00:03:26,390 --> 00:03:24,159
singular phenomenon

87
00:03:28,390 --> 00:03:26,400
that knows how to disguise itself in

88
00:03:30,390 --> 00:03:28,400

many forms

89

00:03:32,789 --> 00:03:30,400

the existence of such portals is a

90

00:03:35,270 --> 00:03:32,799

mind-boggling notion and yet the data

91

00:03:37,509 --> 00:03:35,280

certainly points in this direction

92

00:03:39,750 --> 00:03:37,519

and it makes one wonder what might be

93

00:03:40,710 --> 00:03:39,760

possible if we could gain access to

94

00:03:44,789 --> 00:03:40,720

these through ways

95

00:03:45,990 --> 00:03:44,799

ourselves are these locations the exit

96

00:03:48,229 --> 00:03:46,000

points for wormholes

97

00:03:50,070 --> 00:03:48,239

long ago established by non-human

98

00:03:50,949 --> 00:03:50,080

intelligences from elsewhere in our

99

00:03:55,429 --> 00:03:50,959

universe

100

00:03:55,990 --> 00:03:55,439

and what does the existence of such

101
00:03:59,110 --> 00:03:56,000
portals

102
00:04:01,350 --> 00:03:59,120
suggest about ultimate reality

103
00:04:02,789 --> 00:04:01,360
these and other fascinating questions

104
00:04:04,869 --> 00:04:02,799
are the topic of this

105
00:04:13,990 --> 00:04:04,879
the 19th episode of the point of

106
00:04:16,870 --> 00:04:14,000
convergence podcast

107
00:04:17,590 --> 00:04:16,880
as we begin today's episode like last

108
00:04:19,670 --> 00:04:17,600
week

109
00:04:20,710 --> 00:04:19,680
i would just like to ask you to keep an

110
00:04:22,950 --> 00:04:20,720
open mind

111
00:04:25,270 --> 00:04:22,960
about this notion that there may exist

112
00:04:27,510 --> 00:04:25,280
portals between worlds

113
00:04:29,189 --> 00:04:27,520

i know that sounds far out it sounds

114

00:04:31,110 --> 00:04:29,199

like science fiction

115

00:04:33,110 --> 00:04:31,120

and yet when one looks at a place like

116

00:04:34,230 --> 00:04:33,120

skinwalker rants for instance which has

117

00:04:36,790 --> 00:04:34,240

been studied

118

00:04:37,990 --> 00:04:36,800

extensively this certainly seems like a

119

00:04:42,310 --> 00:04:38,000

leading hypothesis

120

00:04:44,469 --> 00:04:42,320

based on the evidence at hand

121

00:04:45,990 --> 00:04:44,479

now in the introduction to today's

122

00:04:48,310 --> 00:04:46,000

episode i mentioned

123

00:04:49,670 --> 00:04:48,320

numerous locations around the world that

124

00:04:52,469 --> 00:04:49,680

are known for

125

00:04:54,390 --> 00:04:52,479

a high occurrence of high strangeness

126
00:04:56,550 --> 00:04:54,400
but what we're going to focus on today

127
00:04:58,550 --> 00:04:56,560
is skinwalker ranch and not just

128
00:04:59,110 --> 00:04:58,560
skinwalker ranch but the entire uinta

129
00:05:02,310 --> 00:04:59,120
basin

130
00:05:04,310 --> 00:05:02,320
of utah the entire area is known for

131
00:05:07,350 --> 00:05:04,320
paranormal phenomena and has been known

132
00:05:09,189 --> 00:05:07,360
for that for a very long time

133
00:05:10,710 --> 00:05:09,199
skinwalker ranch may not be the most

134
00:05:12,950 --> 00:05:10,720
paranormal place on earth

135
00:05:16,950 --> 00:05:12,960
but it is the most studied and that's

136
00:05:21,670 --> 00:05:19,590
and to be clear when i say studied i

137
00:05:22,870 --> 00:05:21,680
don't just mean stories passed down from

138
00:05:25,110 --> 00:05:22,880

person to person

139

00:05:27,029 --> 00:05:25,120

and generation to generation although

140

00:05:29,350 --> 00:05:27,039

that's certainly part of the picture

141

00:05:31,029 --> 00:05:29,360

at skinwalker ranch and the general

142

00:05:33,350 --> 00:05:31,039

uinta basin

143

00:05:34,310 --> 00:05:33,360

now i'm talking about full on scientific

144

00:05:37,510 --> 00:05:34,320

studies

145

00:05:39,909 --> 00:05:37,520

done by well-equipped science teams

146

00:05:40,710 --> 00:05:39,919

in fact there's been not one but two

147

00:05:43,590 --> 00:05:40,720

well-equipped

148

00:05:44,310 --> 00:05:43,600

science teams on hand at skinwalker

149

00:05:45,749 --> 00:05:44,320

ranch

150

00:05:47,990 --> 00:05:45,759

and they have conducted numerous

151

00:05:50,230 --> 00:05:48,000

experiments over time

152

00:05:52,390 --> 00:05:50,240

geared to testing various hypotheses

153

00:05:52,950 --> 00:05:52,400

this is why this is such a significant

154

00:05:57,749 --> 00:05:52,960

place

155

00:06:02,309 --> 00:06:00,309

now in today's podcast episode we don't

156

00:06:03,350 --> 00:06:02,319

have time to go into the long history of

157

00:06:06,309 --> 00:06:03,360

the area

158

00:06:06,950 --> 00:06:06,319

but very quickly the term skinwalker is

159

00:06:09,830 --> 00:06:06,960

a part of

160

00:06:11,590 --> 00:06:09,840

navajo culture and beliefs and basically

161

00:06:14,629 --> 00:06:11,600

the story goes that the ute

162

00:06:16,870 --> 00:06:14,639

who are the indian population there now

163

00:06:17,909 --> 00:06:16,880

believed that the navajo put a curse on

164

00:06:21,029 --> 00:06:17,919

them the curse

165

00:06:22,870 --> 00:06:21,039

is the skinwalker now in terms of the

166

00:06:24,390 --> 00:06:22,880

area and who has lived there over the

167

00:06:26,309 --> 00:06:24,400

last several decades

168

00:06:27,749 --> 00:06:26,319

the sherman family owned what was known

169

00:06:29,830 --> 00:06:27,759

as sherman ranch

170

00:06:32,710 --> 00:06:29,840

then robert bigelow purchased from the

171

00:06:36,790 --> 00:06:32,720

shermans and he established nids

172

00:06:38,629 --> 00:06:36,800

in 1995 and then brandon fogle most

173

00:06:43,510 --> 00:06:38,639

recently is a real estate mogul who

174

00:06:47,430 --> 00:06:45,350

and in reference to the two science

175

00:06:49,510 --> 00:06:47,440

teams that i mentioned earlier

176

00:06:51,909 --> 00:06:49,520

robert bigelow set up the first one that

177

00:06:53,670 --> 00:06:51,919

was nids which is the national institute

178

00:06:55,589 --> 00:06:53,680

for discovery science

179

00:06:56,790 --> 00:06:55,599

and then brandon fogle who purchased the

180

00:06:58,870 --> 00:06:56,800

property from him

181

00:07:00,550 --> 00:06:58,880

who also has a great interest in the

182

00:07:02,390 --> 00:07:00,560

paranormal

183

00:07:04,469 --> 00:07:02,400

then set up his own science team and

184

00:07:07,749 --> 00:07:04,479

they've been conducting investigations

185

00:07:09,270 --> 00:07:07,759

ever since now

186

00:07:11,749 --> 00:07:09,280

if you've been tuning in to the point of

187

00:07:13,990 --> 00:07:11,759

convergence podcast for a while now

188

00:07:17,029 --> 00:07:14,000

you know that the premise we're going

189

00:07:18,150 --> 00:07:17,039

with is that ufos are part of a larger

190

00:07:20,309 --> 00:07:18,160

phenomenon

191

00:07:22,150 --> 00:07:20,319

that the contact modalities are all

192

00:07:23,350 --> 00:07:22,160

related that they are like spokes in the

193

00:07:25,589 --> 00:07:23,360

wheel

194

00:07:26,950 --> 00:07:25,599

of one central phenomenon and that

195

00:07:29,990 --> 00:07:26,960

perhaps consciousness

196

00:07:31,670 --> 00:07:30,000

is the bedrock that connects them all

197

00:07:33,670 --> 00:07:31,680

and skinwalker ranch is certainly a

198

00:07:36,309 --> 00:07:33,680

fascinating case in point when it comes

199

00:07:38,710 --> 00:07:36,319

to this particular way of seeing things

200

00:07:43,189 --> 00:07:38,720

because ufos are just the beginning of

201
00:07:47,430 --> 00:07:45,510
now ufos are certainly part of the

202
00:07:49,430 --> 00:07:47,440
picture at skinwalker ranch

203
00:07:51,110 --> 00:07:49,440
they've been observed there many times

204
00:07:53,670 --> 00:07:51,120
and even recently

205
00:07:54,710 --> 00:07:53,680
and all sorts of different kinds as well

206
00:07:58,150 --> 00:07:54,720
everything from

207
00:08:01,270 --> 00:07:58,160
block-like rvs up in the sky

208
00:08:04,309 --> 00:08:01,280
to your typical silvery saucer shapes

209
00:08:05,909 --> 00:08:04,319
to orbs and everything in between but

210
00:08:08,950 --> 00:08:05,919
again that's just a small

211
00:08:10,070 --> 00:08:08,960
aspect of the total phenomena noticed at

212
00:08:13,270 --> 00:08:10,080
skinwalker ranch

213
00:08:15,350 --> 00:08:13,280

over time and we have to consider

214

00:08:16,629 --> 00:08:15,360

all of the data to do justice to this

215

00:08:18,309 --> 00:08:16,639

phenomenon

216

00:08:21,110 --> 00:08:18,319

if we're to legitimately generate

217

00:08:24,830 --> 00:08:21,120

hypotheses we can't gloss over data

218

00:08:27,589 --> 00:08:24,840

we can't exclude data just because it's

219

00:08:30,150 --> 00:08:27,599

inconvenient

220

00:08:32,310 --> 00:08:30,160

now as i've stated before i certainly

221

00:08:33,829 --> 00:08:32,320

understand the temptation to exclude

222

00:08:36,230 --> 00:08:33,839

certain bizarre

223

00:08:36,870 --> 00:08:36,240

and absurd elements that are observed

224

00:08:38,790 --> 00:08:36,880

there

225

00:08:40,469 --> 00:08:38,800

because the mainstream culture will not

226

00:08:43,029 --> 00:08:40,479

take it seriously

227

00:08:43,509 --> 00:08:43,039

but that's the problem if we stick to

228

00:08:46,070 --> 00:08:43,519

only

229

00:08:46,949 --> 00:08:46,080

observing and documenting even more

230

00:08:49,110 --> 00:08:46,959

importantly

231

00:08:51,110 --> 00:08:49,120

that which fits with mainstream

232

00:08:52,310 --> 00:08:51,120

perspectives we're not likely to make

233

00:08:54,230 --> 00:08:52,320

any headway because

234

00:08:55,590 --> 00:08:54,240

clearly this is telling us something

235

00:08:58,710 --> 00:08:55,600

about reality that is

236

00:08:59,750 --> 00:08:58,720

new that breaks out of the typical

237

00:09:01,110 --> 00:08:59,760

paradigm

238

00:09:02,790 --> 00:09:01,120

that's why it's so important that we

239

00:09:04,790 --> 00:09:02,800

have to document

240

00:09:06,150 --> 00:09:04,800

accurately everything that's seen and

241

00:09:10,230 --> 00:09:06,160

generate hypotheses

242

00:09:13,509 --> 00:09:12,870

now with that rant for honest science

243

00:09:15,750 --> 00:09:13,519

and

244

00:09:16,790 --> 00:09:15,760

looking at the entire data set let's

245

00:09:18,870 --> 00:09:16,800

move on

246

00:09:20,710 --> 00:09:18,880

let's now discuss some of the phenomena

247

00:09:23,670 --> 00:09:20,720

that have been noticed at the ranch

248

00:09:25,350 --> 00:09:23,680

over time and as we begin i'd like to

249

00:09:27,990 --> 00:09:25,360

give a shout out to george knapp

250

00:09:28,949 --> 00:09:28,000

much of this research is his he's been

251
00:09:31,430 --> 00:09:28,959
on site

252
00:09:33,670 --> 00:09:31,440
many times and over years collecting

253
00:09:36,470 --> 00:09:33,680
this evidence

254
00:09:38,070 --> 00:09:36,480
let me give you one example the son of

255
00:09:40,630 --> 00:09:38,080
the family that lived there

256
00:09:42,470 --> 00:09:40,640
he and his friends moved a huge court of

257
00:09:44,310 --> 00:09:42,480
wood from one part of the property to

258
00:09:46,310 --> 00:09:44,320
another

259
00:09:47,509 --> 00:09:46,320
then they went inside to do something

260
00:09:49,509 --> 00:09:47,519
they came back

261
00:09:51,590 --> 00:09:49,519
and the entire court of wood had been

262
00:09:53,590 --> 00:09:51,600
moved back to its original location

263
00:09:55,350 --> 00:09:53,600

but not exactly in the same orientation

264

00:09:57,110 --> 00:09:55,360

but it had been moved back

265

00:09:59,269 --> 00:09:57,120

so not only did it take them a long time

266

00:10:00,230 --> 00:09:59,279

to move all this wood from one location

267

00:10:01,829 --> 00:10:00,240

to the next

268

00:10:04,790 --> 00:10:01,839

but when they went back outside the

269

00:10:07,829 --> 00:10:04,800

entire court of wood had been moved back

270

00:10:09,990 --> 00:10:07,839

no one else was there to do it

271

00:10:12,310 --> 00:10:10,000

another example now this was the first

272

00:10:14,230 --> 00:10:12,320

day on the ranch for the family

273

00:10:17,030 --> 00:10:14,240

and this gives you an idea of how

274

00:10:20,069 --> 00:10:17,040

shocking this would be

275

00:10:22,310 --> 00:10:20,079

one day as the story goes they were

276

00:10:23,430 --> 00:10:22,320

at the ranch and they noticed a very

277

00:10:25,350 --> 00:10:23,440

very large

278

00:10:26,710 --> 00:10:25,360

wolf-like looking dog or some sort of

279

00:10:29,190 --> 00:10:26,720

creature like that

280

00:10:30,470 --> 00:10:29,200

in the distance this creature got closer

281

00:10:33,030 --> 00:10:30,480

and closer

282

00:10:35,110 --> 00:10:33,040

and was quite docile with them in fact a

283

00:10:37,269 --> 00:10:35,120

couple of them even stroked its fur

284

00:10:38,150 --> 00:10:37,279

it was very large sort of came up to the

285

00:10:41,350 --> 00:10:38,160

chest of

286

00:10:43,509 --> 00:10:41,360

the father of this family

287

00:10:44,710 --> 00:10:43,519

anyway what eventually happened is this

288

00:10:47,350 --> 00:10:44,720

wolf-like creature

289

00:10:49,110 --> 00:10:47,360

caught sight of one of the calves and

290

00:10:51,269 --> 00:10:49,120

reached in and try and grab this thing

291

00:10:53,030 --> 00:10:51,279

by its jaws and pull it out

292

00:10:55,430 --> 00:10:53,040

they ended up shooting at this creature

293

00:10:57,509 --> 00:10:55,440

multiple times six times i think

294

00:11:00,230 --> 00:10:57,519

and eventually even after flesh popped

295

00:11:02,949 --> 00:11:00,240

out it still didn't look that perturbed

296

00:11:05,110 --> 00:11:02,959

and eventually it sort of trotted off

297

00:11:06,630 --> 00:11:05,120

what's strange is they followed it

298

00:11:08,389 --> 00:11:06,640

and they there was still snow on the

299

00:11:10,150 --> 00:11:08,399

ground at the time and

300

00:11:11,590 --> 00:11:10,160

they followed it out tried to follow the

301
00:11:14,069 --> 00:11:11,600
tracks of this creature

302
00:11:15,509 --> 00:11:14,079
and the tracks just ended in the snow

303
00:11:17,110 --> 00:11:15,519
just stopped

304
00:11:18,630 --> 00:11:17,120
and the thing was no longer there they

305
00:11:20,630 --> 00:11:18,640
didn't see where it went

306
00:11:22,470 --> 00:11:20,640
it's almost like it just disappeared or

307
00:11:26,150 --> 00:11:22,480
was taken away or something

308
00:11:29,590 --> 00:11:26,160
very strange now what's even stranger is

309
00:11:31,990 --> 00:11:29,600
when later on the scientific team showed

310
00:11:33,750 --> 00:11:32,000
the family each individually different

311
00:11:35,110 --> 00:11:33,760
pictures of different kinds of wolves

312
00:11:37,269 --> 00:11:35,120
and dogs

313
00:11:38,150 --> 00:11:37,279

every family member picked out this one

314

00:11:41,350 --> 00:11:38,160

particular

315

00:11:43,110 --> 00:11:41,360

photo and it was of a direwolf which is

316

00:11:46,069 --> 00:11:43,120

a huge wolf that went extinct

317

00:11:51,030 --> 00:11:46,079

10 000 years ago i'll let you chew on

318

00:11:54,949 --> 00:11:53,350

now what was also shocking and actually

319

00:11:57,750 --> 00:11:54,959

traumatizing to the family

320

00:11:58,550 --> 00:11:57,760

was cattle mutilation they lost multiple

321

00:12:02,870 --> 00:11:58,560

cattle

322

00:12:05,430 --> 00:12:02,880

of this phenomenon

323

00:12:07,350 --> 00:12:05,440

it's hard to know who's doing it and how

324

00:12:08,790 --> 00:12:07,360

it's connected to ufos exactly or

325

00:12:10,389 --> 00:12:08,800

non-human intelligence

326

00:12:12,389 --> 00:12:10,399

but it does seem to be part of the same

327

00:12:13,110 --> 00:12:12,399

phenomenon and it certainly has been

328

00:12:14,949 --> 00:12:13,120

noticed

329

00:12:17,430 --> 00:12:14,959

and happened multiple times at

330

00:12:19,110 --> 00:12:17,440

skinwalker ranch

331

00:12:21,110 --> 00:12:19,120

sometimes people would hear what sounded

332

00:12:23,110 --> 00:12:21,120

like underground machinery and again

333

00:12:24,310 --> 00:12:23,120

this is a very remote ranch out in the

334

00:12:26,389 --> 00:12:24,320

middle of nowhere

335

00:12:27,990 --> 00:12:26,399

and when no farm equipment was being

336

00:12:29,350 --> 00:12:28,000

used they would hear what sounded like

337

00:12:32,629 --> 00:12:29,360

underground machinery

338

00:12:34,069 --> 00:12:32,639

very strange in fact george knapp

339

00:12:36,629 --> 00:12:34,079

and others have brought up remote

340

00:12:38,870 --> 00:12:36,639

viewers and they actually saw what they

341

00:12:39,829 --> 00:12:38,880

perceived as underground military bases

342

00:12:41,269 --> 00:12:39,839

of some kind

343

00:12:43,190 --> 00:12:41,279

that this was perhaps making this

344

00:12:45,350 --> 00:12:43,200

machinery sound

345

00:12:51,110 --> 00:12:45,360

but the area was never dug up to

346

00:12:54,949 --> 00:12:53,030

now let's discuss another harrowing

347

00:12:57,030 --> 00:12:54,959

encounter and this involved

348

00:12:58,870 --> 00:12:57,040

two creatures very different creatures

349

00:13:01,190 --> 00:12:58,880

in the same incident

350

00:13:02,790 --> 00:13:01,200

one time it was noticed over by a

351
00:13:04,710 --> 00:13:02,800
section of trees

352
00:13:06,310 --> 00:13:04,720
two creatures were noticed the one below

353
00:13:08,550 --> 00:13:06,320
was very round

354
00:13:09,350 --> 00:13:08,560
and looked like a giant round hair ball

355
00:13:11,350 --> 00:13:09,360
basically

356
00:13:12,470 --> 00:13:11,360
almost like a bear but very round that

357
00:13:14,550 --> 00:13:12,480
kind of fur

358
00:13:15,590 --> 00:13:14,560
and above this up in the tree we're

359
00:13:18,550 --> 00:13:15,600
notice two

360
00:13:19,269 --> 00:13:18,560
huge eyes they are about the size of a

361
00:13:22,550 --> 00:13:19,279
forearm

362
00:13:23,430 --> 00:13:22,560
each and they ended up shooting at both

363
00:13:25,030 --> 00:13:23,440

creatures

364

00:13:26,710 --> 00:13:25,040
the one below was hit and then

365

00:13:30,069 --> 00:13:26,720
apparently just seemed to

366

00:13:32,230 --> 00:13:30,079
pop into non-existence above

367

00:13:33,990 --> 00:13:32,240
the other creature was also hit and it

368

00:13:35,910 --> 00:13:34,000
jumped out of the tree

369

00:13:37,910 --> 00:13:35,920
and in fact when they went over to that

370

00:13:40,310 --> 00:13:37,920
area there was still snow on the ground

371

00:13:40,949 --> 00:13:40,320
they found a huge what looked like talon

372

00:13:43,430 --> 00:13:40,959
track

373

00:13:45,750 --> 00:13:43,440
in the snow but it was huge it looked

374

00:13:48,870 --> 00:13:45,760
like the size of basically a raptor

375

00:13:52,230 --> 00:13:48,880
like a dinosaur era raptor there on the

376

00:13:56,310 --> 00:13:54,470

to be clear this was at night time and

377

00:13:58,870 --> 00:13:56,320

after finding this talon track

378

00:14:00,550 --> 00:13:58,880

they tried to scan the entire area for

379

00:14:02,710 --> 00:14:00,560

any sign of either of these creatures

380

00:14:04,470 --> 00:14:02,720

but none was found

381

00:14:06,949 --> 00:14:04,480

there have also been incidences

382

00:14:09,189 --> 00:14:06,959

involving birds that were quite strange

383

00:14:09,990 --> 00:14:09,199

modern birds though not giant dinosaur

384

00:14:12,230 --> 00:14:10,000

birds

385

00:14:13,670 --> 00:14:12,240

for instance a flock of canada geese

386

00:14:14,389 --> 00:14:13,680

were coming over and they were in your

387

00:14:16,710 --> 00:14:14,399

typical v

388

00:14:18,389 --> 00:14:16,720

formation but when they came over the

389

00:14:19,910 --> 00:14:18,399

ranch they suddenly broke up

390

00:14:22,150 --> 00:14:19,920

their formation almost like they were

391

00:14:24,550 --> 00:14:22,160

disoriented and flew around the ranch

392

00:14:26,470 --> 00:14:24,560

basically

393

00:14:27,670 --> 00:14:26,480

it's interesting because in brandon

394

00:14:29,430 --> 00:14:27,680

fugle's team

395

00:14:31,350 --> 00:14:29,440

they have found evidence that there may

396

00:14:31,750 --> 00:14:31,360

be some sort of anomaly well up in the

397

00:14:33,750 --> 00:14:31,760

air

398

00:14:35,189 --> 00:14:33,760

above the ranch in fact that's even been

399

00:14:37,269 --> 00:14:35,199

one of the hypotheses

400

00:14:41,750 --> 00:14:37,279

that perhaps the anomalous source is

401
00:14:45,269 --> 00:14:43,750
now various other kinds of strange

402
00:14:46,310 --> 00:14:45,279
humanoid creatures have also been

403
00:14:47,910 --> 00:14:46,320
noticed

404
00:14:49,670 --> 00:14:47,920
one is kind of like a predator-like

405
00:14:51,269 --> 00:14:49,680
creature and when i say predator-like

406
00:14:53,910 --> 00:14:51,279
i'm referring to the movie

407
00:14:55,670 --> 00:14:53,920
where the being is mostly transparent

408
00:14:56,069 --> 00:14:55,680
like you can see the background behind

409
00:15:01,269 --> 00:14:56,079
it

410
00:15:02,389 --> 00:15:01,279
also strange shadowy figures have been

411
00:15:05,189 --> 00:15:02,399
noticed in and around

412
00:15:06,790 --> 00:15:05,199
a couple of the different homesteads and

413
00:15:07,829 --> 00:15:06,800

we mentioned the court of wood that's

414

00:15:10,550 --> 00:15:07,839

just one of many

415

00:15:11,590 --> 00:15:10,560

poltergeist-like activities that are

416

00:15:14,949 --> 00:15:11,600

often on hand

417

00:15:18,870 --> 00:15:17,030

now some of those accounts may stretch

418

00:15:21,509 --> 00:15:18,880

your ability to comprehend

419

00:15:23,910 --> 00:15:21,519

or to believe but there are some

420

00:15:25,829 --> 00:15:23,920

accounts that are even stranger still

421

00:15:27,509 --> 00:15:25,839

and when george knapp recounted this one

422

00:15:29,350 --> 00:15:27,519

particular incident you could tell he

423

00:15:32,710 --> 00:15:29,360

was struggling with it because it sounds

424

00:15:34,550 --> 00:15:32,720

so absurd but again we can't ignore this

425

00:15:37,189 --> 00:15:34,560

and to george knapp's credit he didn't

426
00:15:37,590 --> 00:15:37,199
ignore it because absurdity seems to be

427
00:15:39,910 --> 00:15:37,600
part

428
00:15:42,470 --> 00:15:39,920
and parcel with this phenomenon the

429
00:15:43,829 --> 00:15:42,480
question of why we can get to later

430
00:15:45,910 --> 00:15:43,839
but let me first give you this

431
00:15:48,389 --> 00:15:45,920
particular account

432
00:15:49,189 --> 00:15:48,399
one time it was noticed that two six

433
00:15:51,829 --> 00:15:49,199
foot tall

434
00:15:54,150 --> 00:15:51,839
figures were standing in trench coats

435
00:15:55,749 --> 00:15:54,160
smoking cigarettes no less

436
00:15:57,829 --> 00:15:55,759
when they went to confront these two

437
00:16:00,949 --> 00:15:57,839
figures they turned around

438
00:16:03,350 --> 00:16:00,959

to reveal dog-like faces

439

00:16:04,310 --> 00:16:03,360

that's right six foot tall figures in

440

00:16:08,150 --> 00:16:04,320

trench coats

441

00:16:11,110 --> 00:16:08,160

smoking cigarettes with dog-like faces

442

00:16:12,470 --> 00:16:11,120

incredibly absurd right it stretches our

443

00:16:15,509 --> 00:16:12,480

belief to the max

444

00:16:17,189 --> 00:16:15,519

and beyond what's even stranger is even

445

00:16:18,470 --> 00:16:17,199

beyond skinwalker ranch

446

00:16:20,550 --> 00:16:18,480

these kind of creatures have been

447

00:16:22,790 --> 00:16:20,560

noticed elsewhere and are part of the

448

00:16:25,110 --> 00:16:22,800

ufo phenomenon literature

449

00:16:27,110 --> 00:16:25,120

again why is a different question what

450

00:16:29,749 --> 00:16:27,120

it means is a different question

451
00:16:31,030 --> 00:16:29,759
we have to begin with reckoning with and

452
00:16:34,069 --> 00:16:31,040
making note of this

453
00:16:37,509 --> 00:16:34,079
aspect of the data no matter how absurd

454
00:16:39,269 --> 00:16:37,519
it is

455
00:16:40,790 --> 00:16:39,279
i should also point out that it's clear

456
00:16:42,790 --> 00:16:40,800
that these were not just a couple of

457
00:16:45,670 --> 00:16:42,800
jokers a couple of human beings

458
00:16:46,389 --> 00:16:45,680
wearing dog masks when they went to try

459
00:16:48,310 --> 00:16:46,399
and investigate

460
00:16:49,990 --> 00:16:48,320
these things disappeared and i think

461
00:16:51,910 --> 00:16:50,000
from the documentation

462
00:16:53,350 --> 00:16:51,920
the cigarettes were left behind but no

463
00:16:55,430 --> 00:16:53,360

trace of these creatures

464

00:16:58,629 --> 00:16:55,440

these humanoid figures with dog-like

465

00:17:00,230 --> 00:16:58,639

faces very strange

466

00:17:02,550 --> 00:17:00,240

when we consider the evidence from

467

00:17:02,949 --> 00:17:02,560

skinwalker ranch it should also be clear

468

00:17:04,710 --> 00:17:02,959

that

469

00:17:06,150 --> 00:17:04,720

this doesn't happen all the time it's

470

00:17:08,470 --> 00:17:06,160

not like if you go to the ranch

471

00:17:10,150 --> 00:17:08,480

within a few minutes or a few hours or

472

00:17:11,350 --> 00:17:10,160

even necessarily a few days

473

00:17:13,189 --> 00:17:11,360

you're going to run into these

474

00:17:15,510 --> 00:17:13,199

paranormal phenomena

475

00:17:16,870 --> 00:17:15,520

in fact george knapp has accounted being

476

00:17:19,590 --> 00:17:16,880

there several times

477

00:17:21,270 --> 00:17:19,600

and not noticing anything it's over time

478

00:17:23,189 --> 00:17:21,280

that these things happen

479

00:17:24,870 --> 00:17:23,199

some people seem to stir up activity

480

00:17:26,309 --> 00:17:24,880

more than others

481

00:17:29,350 --> 00:17:26,319

there are other kinds of activity that

482

00:17:31,190 --> 00:17:29,360

seem to stir up this phenomenon

483

00:17:33,190 --> 00:17:31,200

that includes bringing strangers to the

484

00:17:35,990 --> 00:17:33,200

ranch making noise

485

00:17:38,470 --> 00:17:36,000

and particularly digging into the ground

486

00:17:41,830 --> 00:17:38,480

apparently causes something to rise up

487

00:17:45,029 --> 00:17:44,310

now before moving on to an analysis of

488

00:17:47,669 --> 00:17:45,039

this data

489

00:17:49,510 --> 00:17:47,679

i'd like to recount one more story and

490

00:17:51,190 --> 00:17:49,520

it has to do with ufos but

491

00:17:52,950 --> 00:17:51,200

not like a ufo you've heard of before

492

00:17:54,789 --> 00:17:52,960

probably

493

00:17:56,470 --> 00:17:54,799

one time they noticed what looked like a

494

00:17:58,870 --> 00:17:56,480

winnebago's lights or something like

495

00:18:00,950 --> 00:17:58,880

that a large vehicle rv like vehicle

496

00:18:03,510 --> 00:18:00,960

coming down the road there's only one

497

00:18:04,870 --> 00:18:03,520

road into this ranch by the way

498

00:18:06,789 --> 00:18:04,880

and they were kind of annoyed thinking

499

00:18:08,470 --> 00:18:06,799

how did someone get out here

500

00:18:10,950 --> 00:18:08,480

must be lost let's go give them

501
00:18:12,950 --> 00:18:10,960
directions help them turn around

502
00:18:13,990 --> 00:18:12,960
what happened was as they went out these

503
00:18:16,390 --> 00:18:14,000
lights got closer

504
00:18:17,110 --> 00:18:16,400
and closer and then suddenly the lights

505
00:18:21,430 --> 00:18:17,120
started going

506
00:18:23,430 --> 00:18:21,440
up and up and up went into the sky

507
00:18:26,150 --> 00:18:23,440
well above their heads thousands of feet

508
00:18:28,150 --> 00:18:26,160
and then whoosh they were gone

509
00:18:29,669 --> 00:18:28,160
very strange looked like something on

510
00:18:32,549 --> 00:18:29,679
the ground at night

511
00:18:33,190 --> 00:18:32,559
then went up into the air size of an rv

512
00:18:37,270 --> 00:18:33,200
and then

513
00:18:40,710 --> 00:18:38,870

and this is just some of the high

514

00:18:43,190 --> 00:18:40,720

strangeness that's been documented at

515

00:18:45,510 --> 00:18:43,200

the ranch but clearly you can see

516

00:18:47,669 --> 00:18:45,520

there is a plethora of paranormal

517

00:18:49,510 --> 00:18:47,679

activity here

518

00:18:51,990 --> 00:18:49,520

now let's move on to the psychological

519

00:18:53,029 --> 00:18:52,000

effects that are on display at the ranch

520

00:18:55,430 --> 00:18:53,039

as well

521

00:18:56,070 --> 00:18:55,440

and as we know and as you probably heard

522

00:18:58,710 --> 00:18:56,080

me discuss

523

00:19:01,430 --> 00:18:58,720

many times before on this podcast

524

00:19:03,909 --> 00:19:01,440

psychological psychic effects are a huge

525

00:19:05,909 --> 00:19:03,919

aspect of the phenomenon in fact some

526

00:19:08,789 --> 00:19:05,919

people like jacques villa for instance

527

00:19:10,070 --> 00:19:08,799

think it's central to the phenomenon and

528

00:19:12,549 --> 00:19:10,080

that's certainly been

529

00:19:13,909 --> 00:19:12,559

the case here at skinwalker ranch as

530

00:19:16,390 --> 00:19:13,919

well

531

00:19:18,470 --> 00:19:16,400

one time it was noted that ufos were

532

00:19:20,630 --> 00:19:18,480

seen up in the sky at night

533

00:19:21,990 --> 00:19:20,640

and what's strange is as the people went

534

00:19:25,029 --> 00:19:22,000

outside to look

535

00:19:27,510 --> 00:19:25,039

they suddenly felt giddiness like a real

536

00:19:28,630 --> 00:19:27,520

euphoria come over them almost like a

537

00:19:31,110 --> 00:19:28,640

laughter as well

538

00:19:32,150 --> 00:19:31,120

that it felt like these ufos themselves

539

00:19:34,710 --> 00:19:32,160

were directly

540

00:19:36,870 --> 00:19:34,720

impacting their consciousness making

541

00:19:38,390 --> 00:19:36,880

them feel this that somehow their brain

542

00:19:40,310 --> 00:19:38,400

waves were being manipulated

543

00:19:42,070 --> 00:19:40,320

causing this reaction there was nothing

544

00:19:42,710 --> 00:19:42,080

in the environment to make them react

545

00:19:47,190 --> 00:19:42,720

this way

546

00:19:50,230 --> 00:19:48,870

and there was more than one of these

547

00:19:52,150 --> 00:19:50,240

kinds of occurrences

548

00:19:54,470 --> 00:19:52,160

on a completely different occasion

549

00:19:56,310 --> 00:19:54,480

something else was noticed up in the sky

550

00:19:58,230 --> 00:19:56,320

and this particular object caused them

551
00:20:00,630 --> 00:19:58,240
to have an opposite reaction

552
00:20:01,990 --> 00:20:00,640
that they actually were fearful and they

553
00:20:03,350 --> 00:20:02,000
felt fear come over them

554
00:20:05,590 --> 00:20:03,360
again they didn't feel like this was

555
00:20:08,230 --> 00:20:05,600
their natural reaction it felt like

556
00:20:11,990 --> 00:20:08,240
their cerebral cortex was being directly

557
00:20:15,830 --> 00:20:14,070
now as a quick aside here i want to

558
00:20:18,230 --> 00:20:15,840
remind you that this is not

559
00:20:19,110 --> 00:20:18,240
unscientific individuals reporting these

560
00:20:22,470 --> 00:20:19,120
events

561
00:20:25,510 --> 00:20:22,480
documented by

562
00:20:26,310 --> 00:20:25,520
the science teams themselves people who

563
00:20:28,789 --> 00:20:26,320

are

564

00:20:29,350 --> 00:20:28,799

trained to be objective in how they

565

00:20:32,630 --> 00:20:29,360

observe

566

00:20:34,149 --> 00:20:32,640

and record things now let's discuss

567

00:20:35,270 --> 00:20:34,159

something to do with portals

568

00:20:37,990 --> 00:20:35,280

specifically

569

00:20:40,390 --> 00:20:38,000

in the introduction i mentioned that the

570

00:20:43,350 --> 00:20:40,400

idea that skinwalker ranch may be

571

00:20:45,669 --> 00:20:43,360

a hot spot because it is a portal

572

00:20:49,909 --> 00:20:45,679

between worlds or different dimensions

573

00:20:54,310 --> 00:20:52,149

now not only are interdimensional

574

00:20:55,590 --> 00:20:54,320

portals an intriguing hypothesis to

575

00:20:58,390 --> 00:20:55,600

potentially explain

576
00:20:59,669 --> 00:20:58,400
the various phenomena noted at the ranch

577
00:21:01,430 --> 00:20:59,679
but there were actually several

578
00:21:01,990 --> 00:21:01,440
occasions where people noticed what

579
00:21:04,870 --> 00:21:02,000
looked like

580
00:21:06,070 --> 00:21:04,880
portals opening up on more than one

581
00:21:08,870 --> 00:21:06,080
occasion for instance

582
00:21:10,789 --> 00:21:08,880
up in the sky in broad daylight a large

583
00:21:11,990 --> 00:21:10,799
orange circle would appear almost like a

584
00:21:13,669 --> 00:21:12,000
second sun

585
00:21:16,310 --> 00:21:13,679
and when they looked closely they could

586
00:21:19,510 --> 00:21:16,320
see through this like it was a hole

587
00:21:21,830 --> 00:21:19,520
and behind that a different sky

588
00:21:23,350 --> 00:21:21,840

yes indeed and on more than one occasion

589

00:21:25,190 --> 00:21:23,360

it was even noted that

590

00:21:27,510 --> 00:21:25,200

something flew out of this hole

591

00:21:29,510 --> 00:21:27,520

apparently into our reality

592

00:21:31,110 --> 00:21:29,520

sounds bizarre but this was what was

593

00:21:33,110 --> 00:21:31,120

observed

594

00:21:35,350 --> 00:21:33,120

another time about three to four feet

595

00:21:36,710 --> 00:21:35,360

off the ground a small very bright

596

00:21:38,870 --> 00:21:36,720

circle was noticed

597

00:21:40,390 --> 00:21:38,880

and this circle would expand until it

598

00:21:43,190 --> 00:21:40,400

was about three or four feet

599

00:21:45,350 --> 00:21:43,200

in diameter and it looked almost like a

600

00:21:47,990 --> 00:21:45,360

tunnel like it was three-dimensional

601
00:21:48,390 --> 00:21:48,000
even stranger a humanoid creature was

602
00:21:50,310 --> 00:21:48,400
seen

603
00:21:52,870 --> 00:21:50,320
elbowing its way out of this and

604
00:21:56,830 --> 00:21:52,880
stepping out into our reality

605
00:21:58,549 --> 00:21:56,840
again this was noted and seen at the

606
00:22:00,710 --> 00:21:58,559
ranch

607
00:22:01,590 --> 00:22:00,720
now even as i read those notes out loud

608
00:22:04,070 --> 00:22:01,600
to you i

609
00:22:05,990 --> 00:22:04,080
recognize how bizarre that sounds it

610
00:22:07,909 --> 00:22:06,000
sounds like science fiction

611
00:22:09,029 --> 00:22:07,919
a huge majority of the population would

612
00:22:11,190 --> 00:22:09,039
dismiss this

613
00:22:12,070 --> 00:22:11,200

outright they would say it's impossible

614

00:22:15,270 --> 00:22:12,080

it sounds like

615

00:22:16,710 --> 00:22:15,280

a hallucination or someone with too much

616

00:22:18,870 --> 00:22:16,720

imagination

617

00:22:20,390 --> 00:22:18,880

but i want to remind you that science

618

00:22:22,789 --> 00:22:20,400

teams two of them in fact

619

00:22:23,430 --> 00:22:22,799

have been on the ground over years

620

00:22:26,549 --> 00:22:23,440

observing

621

00:22:27,029 --> 00:22:26,559

and documenting this phenomenon and they

622

00:22:29,750 --> 00:22:27,039

focus

623

00:22:30,789 --> 00:22:29,760

on science they run experiments they

624

00:22:33,430 --> 00:22:30,799

adjust variables

625

00:22:35,590 --> 00:22:33,440

see how that changes the behavior they

626
00:22:37,110 --> 00:22:35,600
basically treat it like a paranormal

627
00:22:39,110 --> 00:22:37,120
living lab

628
00:22:41,510 --> 00:22:39,120
and they try and exclude other factors

629
00:22:42,470 --> 00:22:41,520
that may cause people to hallucinate for

630
00:22:44,230 --> 00:22:42,480
instance

631
00:22:45,510 --> 00:22:44,240
they have looked into geomagnetic

632
00:22:47,590 --> 00:22:45,520
anomalies they've looked into

633
00:22:49,669 --> 00:22:47,600
psychedelic plants that perhaps

634
00:22:51,029 --> 00:22:49,679
are perfuming in the area and causing

635
00:22:53,190 --> 00:22:51,039
people to hallucinate

636
00:22:56,549 --> 00:22:53,200
but they have found nothing to explain

637
00:23:00,310 --> 00:22:58,149
at least nothing that would explain the

638
00:23:02,549 --> 00:23:00,320

phenomenon according to the parameters

639

00:23:04,470 --> 00:23:02,559

of mainstream scientific materialism

640

00:23:06,149 --> 00:23:04,480

that is

641

00:23:07,990 --> 00:23:06,159

now let's move on to discussing the

642

00:23:10,390 --> 00:23:08,000

notion of the trickster

643

00:23:12,149 --> 00:23:10,400

now the trickster is a figure that is

644

00:23:12,870 --> 00:23:12,159

brought up when we talk about skinwalker

645

00:23:15,350 --> 00:23:12,880

ranch

646

00:23:17,750 --> 00:23:15,360

because of the psychological trickery

647

00:23:19,909 --> 00:23:17,760

that seems to be on display

648

00:23:22,070 --> 00:23:19,919

the notion of the trickster is common in

649

00:23:23,510 --> 00:23:22,080

various native american traditions and

650

00:23:25,909 --> 00:23:23,520

various shamanic traditions

651
00:23:27,190 --> 00:23:25,919
around the world the trickster is an

652
00:23:32,630 --> 00:23:27,200
archetypal figure

653
00:23:36,070 --> 00:23:34,149
now when some people talk about the

654
00:23:36,950 --> 00:23:36,080
trickster they think about it in terms

655
00:23:39,029 --> 00:23:36,960
of a joker

656
00:23:40,710 --> 00:23:39,039
that is just using psychological

657
00:23:43,190 --> 00:23:40,720
manipulation to play with us

658
00:23:45,830 --> 00:23:43,200
for no apparent reason other than it

659
00:23:47,750 --> 00:23:45,840
enjoys the process perhaps

660
00:23:49,830 --> 00:23:47,760
but there has been some deeper analysis

661
00:23:51,990 --> 00:23:49,840
suggesting that perhaps the trickster is

662
00:23:53,110 --> 00:23:52,000
a manifestation of our own collective

663
00:23:55,750 --> 00:23:53,120

subconscious

664

00:23:57,669 --> 00:23:55,760

or perhaps of the life force itself

665

00:23:58,870 --> 00:23:57,679

which is designed to force us into new

666

00:24:01,190 --> 00:23:58,880

ways of thinking

667

00:24:02,950 --> 00:24:01,200

because it exposes our assumptions

668

00:24:06,230 --> 00:24:02,960

especially our mainstream

669

00:24:08,549 --> 00:24:06,240

dominant assumptions it uses absurdity

670

00:24:10,070 --> 00:24:08,559

and psychological trickery to get us to

671

00:24:12,070 --> 00:24:10,080

think differently

672

00:24:13,110 --> 00:24:12,080

and again this would fit well with the

673

00:24:17,510 --> 00:24:13,120

documented

674

00:24:21,110 --> 00:24:19,269

now let's bring this around to a couple

675

00:24:23,830 --> 00:24:21,120

of the questions we posed in the

676
00:24:26,310 --> 00:24:23,840
introduction to today's episode

677
00:24:27,430 --> 00:24:26,320
what is the phenomena noticed at

678
00:24:30,230 --> 00:24:27,440
skinwalker ranch

679
00:24:32,630 --> 00:24:30,240
tell us about ultimate reality and how

680
00:24:34,310 --> 00:24:32,640
could we potentially explain it

681
00:24:36,310 --> 00:24:34,320
well we've discussed the idea of

682
00:24:39,110 --> 00:24:36,320
interdimensional portals

683
00:24:40,630 --> 00:24:39,120
and modern science considers this in

684
00:24:43,110 --> 00:24:40,640
terms of wormholes

685
00:24:44,950 --> 00:24:43,120
and the multiverse the idea with

686
00:24:45,830 --> 00:24:44,960
wormholes is that you can actually open

687
00:24:47,750 --> 00:24:45,840
up a connection

688
00:24:49,029 --> 00:24:47,760

between two very different aspects of

689

00:24:50,630 --> 00:24:49,039

physical reality

690

00:24:53,510 --> 00:24:50,640

for instance it would be a shortcut

691

00:24:56,630 --> 00:24:53,520

between two very distant parts of

692

00:24:58,310 --> 00:24:56,640

our physical universe perhaps even

693

00:24:59,990 --> 00:24:58,320

you could connect two different

694

00:25:02,710 --> 00:25:00,000

universes through this kind of

695

00:25:03,269 --> 00:25:02,720

shortcut that's what a wormhole is and

696

00:25:05,430 --> 00:25:03,279

when you

697

00:25:06,789 --> 00:25:05,440

listen to the postulations about what a

698

00:25:08,710 --> 00:25:06,799

wormhole would look like

699

00:25:11,430 --> 00:25:08,720

it sounds a lot like what we have

700

00:25:16,310 --> 00:25:11,440

described at skinwalker ranch when those

701
00:25:20,230 --> 00:25:18,710
i only bring this to your attention to

702
00:25:22,630 --> 00:25:20,240
make the point that this is not

703
00:25:24,230 --> 00:25:22,640
science fiction this is mainstream

704
00:25:26,230 --> 00:25:24,240
science today

705
00:25:27,590 --> 00:25:26,240
wormholes are believed to be a part of

706
00:25:30,630 --> 00:25:27,600
our physical universe

707
00:25:32,870 --> 00:25:30,640
it's not a far out idea indeed

708
00:25:33,750 --> 00:25:32,880
scientists and astronomers are already

709
00:25:35,830 --> 00:25:33,760
postulating

710
00:25:38,310 --> 00:25:35,840
ways we could use wormholes to

711
00:25:38,789 --> 00:25:38,320
facilitate travel to distant parts of

712
00:25:41,990 --> 00:25:38,799
our

713
00:25:43,269 --> 00:25:42,000

galaxy and beyond the idea is we could

714

00:25:45,430 --> 00:25:43,279

potentially open them

715

00:25:47,430 --> 00:25:45,440

the real challenge now is figuring out

716

00:25:49,909 --> 00:25:47,440

how you would stabilize them long enough

717

00:25:51,430 --> 00:25:49,919

to use them as highways of a sort to

718

00:25:55,190 --> 00:25:51,440

travel to distant parts

719

00:25:58,549 --> 00:25:57,029

now let's take this a step further and

720

00:26:01,510 --> 00:25:58,559

consider a few different ways

721

00:26:02,710 --> 00:26:01,520

that species intelligences may be able

722

00:26:04,789 --> 00:26:02,720

to traverse

723

00:26:06,710 --> 00:26:04,799

the distance between not just two

724

00:26:07,510 --> 00:26:06,720

different locations in the same physical

725

00:26:09,190 --> 00:26:07,520

universe

726
00:26:11,269 --> 00:26:09,200
but actually traverse the distance

727
00:26:13,430 --> 00:26:11,279
between two different universes

728
00:26:14,950 --> 00:26:13,440
or two different dimensions of physical

729
00:26:16,870 --> 00:26:14,960
reality

730
00:26:18,230 --> 00:26:16,880
and it's important not to conflate these

731
00:26:20,470 --> 00:26:18,240
three because i think there's more than

732
00:26:22,390 --> 00:26:20,480
one way this could happen

733
00:26:23,830 --> 00:26:22,400
technology is one way that if you

734
00:26:25,510 --> 00:26:23,840
develop a sophisticated enough

735
00:26:27,909 --> 00:26:25,520
technology perhaps you would use

736
00:26:32,149 --> 00:26:27,919
wormholes or something like that to open

737
00:26:36,310 --> 00:26:33,830
and when we consider the advanced

738
00:26:38,789 --> 00:26:36,320

spacefaring races that are encountered

739

00:26:40,549 --> 00:26:38,799

within the ufo phenomenon literature

740

00:26:41,510 --> 00:26:40,559

this may be how they are accomplishing

741

00:26:43,190 --> 00:26:41,520

this task

742

00:26:45,110 --> 00:26:43,200

they are using a shortcut like a

743

00:26:47,750 --> 00:26:45,120

wormhole opening that up

744

00:26:49,350 --> 00:26:47,760

to traverse these immense distances and

745

00:26:52,549 --> 00:26:49,360

it's their technology

746

00:26:54,390 --> 00:26:52,559

that enables this

747

00:26:56,789 --> 00:26:54,400

another possibility is that some

748

00:26:57,669 --> 00:26:56,799

creatures have an inherent evolutionary

749

00:27:00,149 --> 00:26:57,679

capacity

750

00:27:01,750 --> 00:27:00,159

that allows them to traverse the gap

751
00:27:03,029 --> 00:27:01,760
between two different aspects of

752
00:27:06,070 --> 00:27:03,039
physical reality

753
00:27:07,430 --> 00:27:06,080
two different universes as it were and

754
00:27:09,430 --> 00:27:07,440
these creatures wouldn't be using

755
00:27:11,350 --> 00:27:09,440
advanced technology they might not have

756
00:27:13,110 --> 00:27:11,360
that technology whatsoever

757
00:27:15,029 --> 00:27:13,120
their understanding of reality might

758
00:27:16,470 --> 00:27:15,039
even be quite rudimentary and yet they

759
00:27:19,510 --> 00:27:16,480
have this inherent

760
00:27:19,990 --> 00:27:19,520
uh evolutionary capacity one of the

761
00:27:22,230 --> 00:27:20,000
creatures

762
00:27:23,190 --> 00:27:22,240
in fact noticed at skinwalker ranch is

763
00:27:25,510 --> 00:27:23,200

what we would consider

764

00:27:26,470 --> 00:27:25,520

a bigfoot in fact an entire family has

765

00:27:28,149 --> 00:27:26,480

been noticed

766

00:27:30,149 --> 00:27:28,159

but only at certain times you can't

767

00:27:31,750 --> 00:27:30,159

usually find them there

768

00:27:34,230 --> 00:27:31,760

what if these creatures are actually

769

00:27:36,230 --> 00:27:34,240

interdimensional and they have an innate

770

00:27:40,870 --> 00:27:36,240

evolutionary capacity that allows them

771

00:27:45,110 --> 00:27:43,590

a third option that occurs to me is not

772

00:27:46,789 --> 00:27:45,120

a wormhole opened up through

773

00:27:49,990 --> 00:27:46,799

technological means

774

00:27:52,389 --> 00:27:50,000

nor a traversing of that gap by

775

00:27:54,230 --> 00:27:52,399

an evolutionary capacity as a creature

776

00:27:56,389 --> 00:27:54,240

like bigfoot for instance

777

00:27:58,549 --> 00:27:56,399

but what if some wormholes just have

778

00:27:59,750 --> 00:27:58,559

been opened up and stabilized between

779

00:28:01,510 --> 00:27:59,760

different worlds

780

00:28:02,950 --> 00:28:01,520

and some creatures just happen to have

781

00:28:04,870 --> 00:28:02,960

stumbled across

782

00:28:06,789 --> 00:28:04,880

these openings and they use it to

783

00:28:08,950 --> 00:28:06,799

traverse between the two worlds

784

00:28:10,710 --> 00:28:08,960

this might also be the case and this

785

00:28:12,630 --> 00:28:10,720

might explain the bizarre

786

00:28:16,549 --> 00:28:12,640

collection of creatures we find at a

787

00:28:18,070 --> 00:28:16,559

place like skinwalker ranch

788

00:28:19,750 --> 00:28:18,080

and now i'd like to share a final

789

00:28:21,510 --> 00:28:19,760

thought with you based on today's

790

00:28:23,830 --> 00:28:21,520

discussion

791

00:28:25,990 --> 00:28:23,840

we should be astonished by the plethora

792

00:28:28,070 --> 00:28:26,000

of wondrous possibilities that exist

793

00:28:29,990 --> 00:28:28,080

just beyond the periphery of our

794

00:28:32,549 --> 00:28:30,000

everyday perception

795

00:28:33,669 --> 00:28:32,559

we should be inspired and in awe of the

796

00:28:36,470 --> 00:28:33,679

complex

797

00:28:38,710 --> 00:28:36,480

interwoven tapestry of life apparently

798

00:28:41,190 --> 00:28:38,720

spawned by the energy of consciousness

799

00:28:42,630 --> 00:28:41,200

the bedrock of all reality that gives

800

00:28:45,430 --> 00:28:42,640

rise to a multiverse

801
00:28:47,430 --> 00:28:45,440
teeming with life both conventional and

802
00:28:49,590 --> 00:28:47,440
unconventional

803
00:28:52,710 --> 00:28:49,600
but just as one might go exploring in

804
00:28:55,029 --> 00:28:52,720
the rich colorful jungles of the amazon

805
00:28:56,230 --> 00:28:55,039
one should remember to bring a compass

806
00:28:59,029 --> 00:28:56,240
and a guide

807
00:29:02,470 --> 00:28:59,039
bring provisions and be aware of one's

808
00:29:06,230 --> 00:29:05,029
and on that note we've come to the close

809
00:29:08,870 --> 00:29:06,240
of another edition

810
00:29:10,710 --> 00:29:08,880
of the point of convergence podcast as

811
00:29:13,190 --> 00:29:10,720
always let's keep this conversation

812
00:29:14,789 --> 00:29:13,200
going and growing please continue to

813
00:29:17,029 --> 00:29:14,799

spread the word

814

00:29:18,789 --> 00:29:17,039

but until next time friends from deep

815

00:29:19,909 --> 00:29:18,799

within the blue ridge mountains of north

816

00:29:26,640 --> 00:29:19,919

carolina
