

Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #21

*The Psychokineticon:
The Compelling Case of
Ted Owens, A Claimed
Conduit for Alien Powers*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:08,150

[Music]

2
00:00:11,990 --> 00:00:09,110

hello

3
00:00:14,150 --> 00:00:12,000

and welcome to episode number 21 of the

4
00:00:18,710 --> 00:00:14,160

point of convergence podcast

5
00:00:20,630 --> 00:00:18,720

as always i'm your host exo academian

6
00:00:22,150 --> 00:00:20,640

for some time now here on the point of

7
00:00:23,990 --> 00:00:22,160

convergence podcast

8
00:00:26,070 --> 00:00:24,000

we've been discussing the many ways that

9
00:00:29,750 --> 00:00:26,080

various forms of high strangeness

10
00:00:30,950 --> 00:00:29,760

tend to well converge as we've discussed

11
00:00:32,790 --> 00:00:30,960

previously

12
00:00:34,950 --> 00:00:32,800

often that means an individual who's

13
00:00:36,790 --> 00:00:34,960

experienced one form of high strangeness

14

00:00:38,869 --> 00:00:36,800

is quite likely to have experienced

15

00:00:41,190 --> 00:00:38,879

others as well

16

00:00:42,310 --> 00:00:41,200

the crossover effect as one might call

17

00:00:44,950 --> 00:00:42,320

it

18

00:00:45,830 --> 00:00:44,960

involves everything from ndes near-death

19

00:00:48,229 --> 00:00:45,840

experiences

20

00:00:49,270 --> 00:00:48,239

to contact with deceased discarnate

21

00:00:52,950 --> 00:00:49,280

human beings

22

00:00:53,590 --> 00:00:52,960

to obes out-of-body experiences to ufo

23

00:00:55,510 --> 00:00:53,600

sightings

24

00:00:56,790 --> 00:00:55,520

and apparent contact with non-human

25

00:00:58,549 --> 00:00:56,800

intelligences

26

00:01:00,950 --> 00:00:58,559

as well as a wide variety of psi

27

00:01:04,390 --> 00:01:00,960

phenomena or what used to be called

28

00:01:05,350 --> 00:01:04,400

esp or extrasensory perception including

29

00:01:08,789 --> 00:01:05,360

clairvoyance

30

00:01:13,429 --> 00:01:08,799

telepathy psychokinesis precognition

31

00:01:15,190 --> 00:01:13,439

and more a central question that arises

32

00:01:15,830 --> 00:01:15,200

from the wella-tested data we've just

33

00:01:18,390 --> 00:01:15,840

discussed

34

00:01:20,230 --> 00:01:18,400

is what makes these more sensitive

35

00:01:21,749 --> 00:01:20,240

people the way they are

36

00:01:23,670 --> 00:01:21,759

how is it that they are so much more

37

00:01:24,469 --> 00:01:23,680

attuned to this apparently broader

38

00:01:26,310 --> 00:01:24,479

bandwidth

39

00:01:27,990 --> 00:01:26,320
of reality than the rest of the

40

00:01:30,710 --> 00:01:28,000
population

41

00:01:32,789 --> 00:01:30,720
are they harbingers of what's to come a

42

00:01:35,350 --> 00:01:32,799
glimpse into the emerging evolutionary

43

00:01:37,190 --> 00:01:35,360
track of humankind in general

44

00:01:38,390 --> 00:01:37,200
and regarding this shift into these new

45

00:01:40,390 --> 00:01:38,400
capacities

46

00:01:42,069 --> 00:01:40,400
are these gifts as one might refer to

47

00:01:43,910 --> 00:01:42,079
them natural

48

00:01:45,429 --> 00:01:43,920
or have such people been genetically

49

00:01:47,270 --> 00:01:45,439
enhanced somehow

50

00:01:51,429 --> 00:01:47,280
perhaps by the intervention of a more

51
00:01:55,910 --> 00:01:53,910
the fascinating but bewildering case of

52
00:01:56,709 --> 00:01:55,920
ted owens is an interesting case in

53
00:01:58,389 --> 00:01:56,719
point

54
00:02:00,149 --> 00:01:58,399
as it pertains to this question

55
00:02:02,389 --> 00:02:00,159
specifically

56
00:02:03,910 --> 00:02:02,399
not only was ted owens a man who seemed

57
00:02:05,670 --> 00:02:03,920
to know the future

58
00:02:07,429 --> 00:02:05,680
and be able to to absolutely

59
00:02:10,309 --> 00:02:07,439
discombobulating degrees

60
00:02:11,830 --> 00:02:10,319
actually manifest it but he claimed to

61
00:02:13,750 --> 00:02:11,840
have had these astounding and

62
00:02:15,270 --> 00:02:13,760
well-documented powers

63
00:02:19,589 --> 00:02:15,280

because of the very kind of alien

64

00:02:25,030 --> 00:02:22,869

in fact owens went further not only did

65

00:02:26,790 --> 00:02:25,040

he claim that he had been entrained

66

00:02:29,670 --> 00:02:26,800

and led into certain kinds of life

67

00:02:31,670 --> 00:02:29,680

experiences from early childhood on

68

00:02:32,949 --> 00:02:31,680

by these highly advanced non-human

69

00:02:34,790 --> 00:02:32,959

intelligences

70

00:02:36,869 --> 00:02:34,800

but he also insisted he had been

71

00:02:39,589 --> 00:02:36,879

operated on neurologically

72

00:02:41,589 --> 00:02:39,599

to fine-tune and further greatly enhance

73

00:02:44,710 --> 00:02:41,599

his innate predispositions

74

00:02:46,869 --> 00:02:44,720

for psychic and psychokinetic activity

75

00:02:48,550 --> 00:02:46,879

indeed owens claims all of the

76

00:02:49,509 --> 00:02:48,560

psychokinetic feats he went on to

77

00:02:51,670 --> 00:02:49,519

perform

78

00:02:53,830 --> 00:02:51,680

were done in partnership with what he

79

00:02:55,990 --> 00:02:53,840

called space intelligences

80

00:02:57,830 --> 00:02:56,000

who were orbiting the earth in vast

81

00:02:59,830 --> 00:02:57,840

sophisticated spacecraft

82

00:03:02,790 --> 00:02:59,840

that remained cloaked to the majority of

83

00:03:07,190 --> 00:03:04,790

regardless of whether or not you believe

84

00:03:08,390 --> 00:03:07,200

owen's account about how he received his

85

00:03:11,430 --> 00:03:08,400

unique gifts

86

00:03:13,589 --> 00:03:11,440

one thing is clear he had these gifts

87

00:03:14,470 --> 00:03:13,599

and he had them to degrees it is fair to

88

00:03:16,790 --> 00:03:14,480

say

89

00:03:19,350 --> 00:03:16,800

not seen perhaps in any other human

90

00:03:21,990 --> 00:03:19,360

being in the history of the world

91

00:03:22,710 --> 00:03:22,000

and most compellingly this is not merely

92

00:03:24,630 --> 00:03:22,720

hearsay

93

00:03:27,190 --> 00:03:24,640

pieced together from accounts found here

94

00:03:32,229 --> 00:03:30,309

no owen's case is very well attested as

95

00:03:34,789 --> 00:03:32,239

well respected parapsychologist

96

00:03:36,710 --> 00:03:34,799

jeffrey mishlov long known in the public

97

00:03:39,110 --> 00:03:36,720

sphere for his role as host

98

00:03:41,430 --> 00:03:39,120

of the program new thinking aloud

99

00:03:42,149 --> 00:03:41,440

followed and documented owen's exploits

100

00:03:44,949 --> 00:03:42,159

for a full

101
00:03:46,229 --> 00:03:44,959
decade ultimately resulting in mishlov's

102
00:03:50,630 --> 00:03:46,239
much respected book

103
00:03:52,869 --> 00:03:50,640
the pk man how is it that a human being

104
00:03:54,390 --> 00:03:52,879
is able to will into existence phenomena

105
00:03:57,350 --> 00:03:54,400
such as hurricanes

106
00:03:58,949 --> 00:03:57,360
tornadoes power blackouts broadly

107
00:04:01,830 --> 00:03:58,959
reported ufo sightings

108
00:04:03,750 --> 00:04:01,840
lightning strikes droughts and more

109
00:04:06,390 --> 00:04:03,760
almost on demand

110
00:04:08,550 --> 00:04:06,400
as astounding as these exploits were was

111
00:04:10,470 --> 00:04:08,560
this more about precognition

112
00:04:12,070 --> 00:04:10,480
did owens somehow just know this was

113
00:04:14,149 --> 00:04:12,080

going to happen

114

00:04:15,350 --> 00:04:14,159

which is of course astounding enough all

115

00:04:18,069 --> 00:04:15,360

on its own

116

00:04:19,430 --> 00:04:18,079

or did he actually in reality manifest

117

00:04:21,349 --> 00:04:19,440

these events

118

00:04:22,629 --> 00:04:21,359

and if the latter is the case did he

119

00:04:24,469 --> 00:04:22,639

indeed do so

120

00:04:26,950 --> 00:04:24,479

with the assistance and sometimes

121

00:04:28,950 --> 00:04:26,960

inspiration of an alien intelligence

122

00:04:30,310 --> 00:04:28,960

that was orbiting the planet at the very

123

00:04:32,790 --> 00:04:30,320

times these events

124

00:04:35,189 --> 00:04:32,800

were predicted and then occurred as

125

00:04:36,870 --> 00:04:35,199

owens himself claimed

126
00:04:38,390 --> 00:04:36,880
regardless of where we land with these

127
00:04:40,150 --> 00:04:38,400
particular questions

128
00:04:42,070 --> 00:04:40,160
the implications for the future of the

129
00:04:44,710 --> 00:04:42,080
human race and for our very

130
00:04:46,469 --> 00:04:44,720
models of reality are perplexing and

131
00:04:48,950 --> 00:04:46,479
profound

132
00:04:50,070 --> 00:04:48,960
these paradigm fracturing issues are the

133
00:04:52,230 --> 00:04:50,080
topic of this

134
00:04:57,010 --> 00:04:52,240
the 21st episode of the point of

135
00:05:00,950 --> 00:04:57,020
convergence podcast

136
00:05:02,870 --> 00:05:00,960
[Music]

137
00:05:04,469 --> 00:05:02,880
i'd like to begin this week's episode

138
00:05:07,189 --> 00:05:04,479

with a question

139

00:05:09,029 --> 00:05:07,199

why is this case the case of ted owens

140

00:05:12,550 --> 00:05:09,039

as compelling as it is

141

00:05:14,550 --> 00:05:12,560

so little disgust in ufology circles

142

00:05:15,909 --> 00:05:14,560

you do hear about it sometimes but not

143

00:05:17,590 --> 00:05:15,919

very often

144

00:05:20,870 --> 00:05:17,600

you're more likely in fact to hear it

145

00:05:23,430 --> 00:05:20,880

discussed in parapsychology circles

146

00:05:24,870 --> 00:05:23,440

is it because it's just simply too weird

147

00:05:28,230 --> 00:05:24,880

there's too much of a blend

148

00:05:29,830 --> 00:05:28,240

of ufos mixed with parapsychological

149

00:05:31,590 --> 00:05:29,840

aspects

150

00:05:33,749 --> 00:05:31,600

it's certainly probably too weird for

151
00:05:35,590 --> 00:05:33,759
many of the nuts and bolts researchers

152
00:05:38,150 --> 00:05:35,600
who are looking for clear questions and

153
00:05:41,189 --> 00:05:38,160
clear answers to do with space aliens

154
00:05:42,950 --> 00:05:41,199
and nothing else but this case is much

155
00:05:45,510 --> 00:05:42,960
more complex than that

156
00:05:49,110 --> 00:05:45,520
it's as much about who we are as who

157
00:05:53,350 --> 00:05:51,270
as i mentioned in the introduction part

158
00:05:56,309 --> 00:05:53,360
of what makes this case so compelling

159
00:05:58,230 --> 00:05:56,319
is not just the feats of ted owens but

160
00:05:59,350 --> 00:05:58,240
the fact that many of these feats were

161
00:06:01,590 --> 00:05:59,360
documented

162
00:06:04,469 --> 00:06:01,600
by jeffrey mishlov a well-known and

163
00:06:06,469 --> 00:06:04,479

well-respected parapsychologist

164

00:06:08,070 --> 00:06:06,479

now michelle first heard about the owens

165

00:06:10,150 --> 00:06:08,080

case from russell tark

166

00:06:11,510 --> 00:06:10,160

and hal puthoff who were conducting a

167

00:06:15,189 --> 00:06:11,520

remote viewing program

168

00:06:17,270 --> 00:06:15,199

at sri run on behalf of and funded by

169

00:06:19,270 --> 00:06:17,280

the cia

170

00:06:21,590 --> 00:06:19,280

when targ and puthoff congratulated

171

00:06:23,590 --> 00:06:21,600

owens for some predictions that he made

172

00:06:24,629 --> 00:06:23,600

he actually boasted i didn't just

173

00:06:27,670 --> 00:06:24,639

predict them i

174

00:06:29,590 --> 00:06:27,680

caused them but they ultimately had to

175

00:06:30,870 --> 00:06:29,600

pass this case on to mishlov because

176

00:06:32,710 --> 00:06:30,880

they already had the feeling

177

00:06:34,550 --> 00:06:32,720

that there was heat on them because they

178

00:06:37,430 --> 00:06:34,560

were involved in so many controversial

179

00:06:41,029 --> 00:06:39,430

and now i'd like to quote from jeffrey

180

00:06:43,270 --> 00:06:41,039

mishlov's book the pk

181

00:06:44,230 --> 00:06:43,280

man a true story of mind over matter

182

00:06:46,790 --> 00:06:44,240

which again

183

00:06:48,550 --> 00:06:46,800

documents 10 years of studying this ted

184

00:06:51,110 --> 00:06:48,560

owens case

185

00:06:53,270 --> 00:06:51,120

quote i was particularly interested in

186

00:06:54,309 --> 00:06:53,280

the signed statement from mensa director

187

00:06:58,150 --> 00:06:54,319

of science

188

00:07:00,150 --> 00:06:58,160

and education max I fogle phd

189

00:07:02,950 --> 00:07:00,160

stating that owens had produced a bona

190

00:07:06,029 --> 00:07:02,960

fide ufo sighting on demand

191

00:07:07,589 --> 00:07:06,039

owens had written to fogle on october 23

192

00:07:09,270 --> 00:07:07,599

1973

193

00:07:10,790 --> 00:07:09,280

claiming that he was about to contact

194

00:07:13,589 --> 00:07:10,800

the space intelligences

195

00:07:14,390 --> 00:07:13,599

and make a ufo appear to police within a

196

00:07:17,589 --> 00:07:14,400

hundred miles

197

00:07:20,469 --> 00:07:17,599

of cape charles virginia two days later

198

00:07:24,950 --> 00:07:20,479

a ufo appeared directly over the head of

199

00:07:29,029 --> 00:07:27,589

now again this was early on in mishlov's

200

00:07:31,830 --> 00:07:29,039

involvement with owens

201
00:07:33,670 --> 00:07:31,840
but this was impressive to mishlov and

202
00:07:36,469 --> 00:07:33,680
then we move on to a section where

203
00:07:38,309 --> 00:07:36,479
mishlov asks if owens can do it again

204
00:07:40,070 --> 00:07:38,319
and in a way that mishlov can actually

205
00:07:42,870 --> 00:07:40,080
document and verify

206
00:07:44,710 --> 00:07:42,880
and quoting from the book again quote i

207
00:07:46,629 --> 00:07:44,720
suggested to owens that he'd try to

208
00:07:48,710 --> 00:07:46,639
replicate this type of demonstration in

209
00:07:50,550 --> 00:07:48,720
the san francisco area

210
00:07:52,150 --> 00:07:50,560
at the time i did not realize just what

211
00:07:54,309 --> 00:07:52,160
i was getting into

212
00:07:56,390 --> 00:07:54,319
owens wrote back to me on november 7th

213
00:07:58,790 --> 00:07:56,400

promising a performance more provocative

214

00:08:00,550 --> 00:07:58,800

than a simple ufo appearance

215

00:08:01,990 --> 00:08:00,560

in the interest of science i am going to

216

00:08:03,909 --> 00:08:02,000

give a demonstration of my

217

00:08:05,830 --> 00:08:03,919

psi force abilities to the people who

218

00:08:08,309 --> 00:08:05,840

live in the san francisco area

219

00:08:10,230 --> 00:08:08,319

a hundred miles in circumference using

220

00:08:13,110 --> 00:08:10,240

san francisco as the bulls eye

221

00:08:14,550 --> 00:08:13,120

target as of today and daily for the

222

00:08:17,029 --> 00:08:14,560

following 90 days

223

00:08:18,230 --> 00:08:17,039

i will telepath to living entities in

224

00:08:20,230 --> 00:08:18,240

another dimension

225

00:08:22,150 --> 00:08:20,240

for them to appear in the above target

226

00:08:24,550 --> 00:08:22,160

area so that they may be

227

00:08:25,990 --> 00:08:24,560

seen by police scientists and other

228

00:08:27,510 --> 00:08:26,000

responsible observers

229

00:08:29,990 --> 00:08:27,520

who are qualified to report the

230

00:08:32,550 --> 00:08:30,000

sightings also for them to cause

231

00:08:34,149 --> 00:08:32,560

electromagnetic and magnetic anomalies

232

00:08:37,269 --> 00:08:34,159

within the above described

233

00:08:39,829 --> 00:08:37,279

area it is my intent to produce not one

234

00:08:41,350 --> 00:08:39,839

but at least three major ufo sightings

235

00:08:44,149 --> 00:08:41,360

as described above

236

00:08:46,150 --> 00:08:44,159

within the above name time period to be

237

00:08:48,470 --> 00:08:46,160

reported in the newspapers in order for

238

00:08:53,110 --> 00:08:48,480

the experiment to be a valid one

239

00:08:55,190 --> 00:08:53,120

unquote now that is quite the prediction

240

00:08:56,470 --> 00:08:55,200

quite the promise that owens made to

241

00:08:58,310 --> 00:08:56,480

mishlov

242

00:09:00,230 --> 00:08:58,320

usually you would dismiss someone like

243

00:09:02,310 --> 00:09:00,240

this i would certainly

244

00:09:04,230 --> 00:09:02,320

it sounds like they are perhaps not well

245

00:09:07,269 --> 00:09:04,240

adjusted to reality

246

00:09:09,509 --> 00:09:07,279

and yet owens came through

247

00:09:11,990 --> 00:09:09,519

when astounding well attested ufos were

248

00:09:14,870 --> 00:09:12,000

seen this is what mishlov concluded

249

00:09:16,230 --> 00:09:14,880

quote it was an unusual sighting as well

250

00:09:18,310 --> 00:09:16,240

as a stunning one

251
00:09:19,829 --> 00:09:18,320
the fact that it occurred so soon after

252
00:09:22,710 --> 00:09:19,839
owen's specific prediction

253
00:09:24,150 --> 00:09:22,720
is especially noteworthy now with the

254
00:09:26,470 --> 00:09:24,160
advent of camcorders

255
00:09:27,590 --> 00:09:26,480
filming of presumed ufos are much more

256
00:09:29,350 --> 00:09:27,600
common

257
00:09:31,590 --> 00:09:29,360
i have a shelf full of videotaped

258
00:09:33,590 --> 00:09:31,600
documentaries on this subject

259
00:09:35,670 --> 00:09:33,600
still they are rare enough and i do not

260
00:09:37,910 --> 00:09:35,680
know of another sighting as dramatic as

261
00:09:40,630 --> 00:09:37,920
this one in the san francisco bay area

262
00:09:42,630 --> 00:09:40,640
in the decades following this event

263
00:09:44,150 --> 00:09:42,640

crystallized my thinking with regard to

264

00:09:45,670 --> 00:09:44,160

owen's claims

265

00:09:47,509 --> 00:09:45,680

i could not determine whether he

266

00:09:50,150 --> 00:09:47,519

predicted this ufo sighting

267

00:09:52,070 --> 00:09:50,160

or caused it through psychokinesis or

268

00:09:53,110 --> 00:09:52,080

arranged for it by telepathically

269

00:09:55,910 --> 00:09:53,120

communicating

270

00:09:57,509 --> 00:09:55,920

with alien space intelligences but it

271

00:09:59,509 --> 00:09:57,519

was clear to me that such a dramatic

272

00:10:01,829 --> 00:09:59,519

event was no mere coincidence

273

00:10:04,230 --> 00:10:01,839

it had to involve some combination of

274

00:10:07,269 --> 00:10:04,240

the aforementioned three factors

275

00:10:09,670 --> 00:10:07,279

unquote now

276
00:10:11,670 --> 00:10:09,680
as impressive as that was that owens was

277
00:10:14,550 --> 00:10:11,680
able to predict or in his words

278
00:10:15,350 --> 00:10:14,560
manifest a ufo sighting over san

279
00:10:17,910 --> 00:10:15,360
francisco

280
00:10:18,870 --> 00:10:17,920
in fact multiple ones that was just the

281
00:10:20,949 --> 00:10:18,880
beginning

282
00:10:21,910 --> 00:10:20,959
and to give you a sense of just how wide

283
00:10:24,230 --> 00:10:21,920
ranging

284
00:10:26,949 --> 00:10:24,240
the powers of ted owens were i'd like to

285
00:10:28,630 --> 00:10:26,959
mention a few historical cases

286
00:10:30,389 --> 00:10:28,640
first let's discuss an early weather

287
00:10:32,870 --> 00:10:30,399
manipulation experiment

288
00:10:34,790 --> 00:10:32,880

quoting from the book again quote in a

289

00:10:35,910 --> 00:10:34,800

discussion among the parapsychology

290

00:10:37,750 --> 00:10:35,920

laboratory workers

291

00:10:39,750 --> 00:10:37,760

someone had brought up the subject of

292

00:10:43,030 --> 00:10:39,760

native american rain dances

293

00:10:45,350 --> 00:10:43,040

and their alleged efficacy since he had

294

00:10:47,190 --> 00:10:45,360

no reason to doubt that pk could be used

295

00:10:49,269 --> 00:10:47,200

to produce precipitation

296

00:10:50,790 --> 00:10:49,279

owens figured that perhaps he possessed

297

00:10:52,630 --> 00:10:50,800

the same ability

298

00:10:54,630 --> 00:10:52,640

as these thoughts came back to him it

299

00:10:56,790 --> 00:10:54,640

dawned on him what he should do

300

00:10:57,910 --> 00:10:56,800

he told martha that a sudden idea had

301
00:10:59,509 --> 00:10:57,920
entered his head

302
00:11:01,990 --> 00:10:59,519
and he went out into the yard behind the

303
00:11:04,069 --> 00:11:02,000
house pointed his finger at the sky

304
00:11:05,590 --> 00:11:04,079
envisioned lightning emanating from it

305
00:11:09,750 --> 00:11:05,600
and projected the words

306
00:11:11,910 --> 00:11:09,760
rain storm lightning into the air

307
00:11:13,750 --> 00:11:11,920
martha looked on sympathetically and

308
00:11:15,829 --> 00:11:13,760
after owens engaged in his little

309
00:11:18,069 --> 00:11:15,839
exercise for a few minutes asked him if

310
00:11:20,389 --> 00:11:18,079
it was all there was to it

311
00:11:21,269 --> 00:11:20,399
owens reported it wasn't too long before

312
00:11:23,750 --> 00:11:21,279
the sky grew

313
00:11:24,389 --> 00:11:23,760

black and they had a knock-down drag-out

314

00:11:26,310 --> 00:11:24,399

storm

315

00:11:28,069 --> 00:11:26,320

with lightning hitting everywhere and

316

00:11:30,949 --> 00:11:28,079

rain pouring down

317

00:11:33,190 --> 00:11:30,959

it hadn't rained in months there so i

318

00:11:33,829 --> 00:11:33,200

said to martha that on a semi-scientific

319

00:11:36,230 --> 00:11:33,839

basis

320

00:11:38,389 --> 00:11:36,240

the storm didn't prove anything because

321

00:11:40,870 --> 00:11:38,399

it could have been coincidence

322

00:11:42,069 --> 00:11:40,880

so i'll have to wait some more so i

323

00:11:44,310 --> 00:11:42,079

waited two or three days

324

00:11:45,990 --> 00:11:44,320

until it got hot and sunny again and

325

00:11:47,269 --> 00:11:46,000

then i went out and repeated my

326

00:11:49,430 --> 00:11:47,279

demonstration

327

00:11:52,230 --> 00:11:49,440

i also wrote to the newspapers about my

328

00:11:54,470 --> 00:11:52,240

plan but of course they ignored me

329

00:11:56,870 --> 00:11:54,480

rain came down in buckets according to

330

00:11:57,350 --> 00:11:56,880

owens but this time his wife's reaction

331

00:11:59,750 --> 00:11:57,360

wasn't

332

00:12:01,750 --> 00:11:59,760

awe she had hung up her wash earlier in

333

00:12:06,310 --> 00:12:01,760

the day and was not delighted

334

00:12:07,910 --> 00:12:06,320

unquote now as i said that was one of

335

00:12:10,949 --> 00:12:07,920

owen's earlier

336

00:12:13,590 --> 00:12:10,959

experiments with weather manipulation

337

00:12:14,470 --> 00:12:13,600

but he really perfected this technique

338

00:12:16,069 --> 00:12:14,480

and later on

339

00:12:18,710 --> 00:12:16,079

he made predictions that were then

340

00:12:21,190 --> 00:12:18,720

documented and verified by professionals

341

00:12:23,829 --> 00:12:21,200

like mishlov and others

342

00:12:25,670 --> 00:12:23,839

quoting from the book again quote the

343

00:12:27,910 --> 00:12:25,680

psychic made his next prediction on

344

00:12:29,990 --> 00:12:27,920

october 17th when he told one of his

345

00:12:32,550 --> 00:12:30,000

contacts a philadelphia lawyer

346

00:12:34,069 --> 00:12:32,560

named dennis capussin that he was about

347

00:12:35,190 --> 00:12:34,079

to interfere with the course of a

348

00:12:37,269 --> 00:12:35,200

hurricane

349

00:12:38,389 --> 00:12:37,279

then bellowing off florida's western

350

00:12:40,870 --> 00:12:38,399

coast

351
00:12:42,470 --> 00:12:40,880
he thereupon drew a map of the hurricane

352
00:12:45,269 --> 00:12:42,480
area for his friend

353
00:12:47,269 --> 00:12:45,279
showing gladys then still only a storm

354
00:12:47,990 --> 00:12:47,279
veering away from florida as it had been

355
00:12:51,110 --> 00:12:48,000
doing during

356
00:12:52,310 --> 00:12:51,120
its normal northwest bearings owens told

357
00:12:54,870 --> 00:12:52,320
capuzin that he was

358
00:12:55,590 --> 00:12:54,880
planning to erect a wall in front of the

359
00:12:58,069 --> 00:12:55,600
hurricane

360
00:12:59,750 --> 00:12:58,079
and make it turn towards the east right

361
00:13:01,670 --> 00:12:59,760
into florida

362
00:13:04,949 --> 00:13:01,680
the very afternoon of owen's visit to

363
00:13:07,030 --> 00:13:04,959

capucin gladys came to a complete stop

364

00:13:09,350 --> 00:13:07,040

began changing direction and proceeded

365

00:13:11,509 --> 00:13:09,360

to head directly for florida

366

00:13:13,190 --> 00:13:11,519

this was quite a surprise to weathermen

367

00:13:15,910 --> 00:13:13,200

who had already announced that florida

368

00:13:18,150 --> 00:13:15,920

was out of danger from the storm's wrath

369

00:13:20,230 --> 00:13:18,160

the reason for gladys's abrupt about

370

00:13:20,870 --> 00:13:20,240

face according to the national hurricane

371

00:13:22,710 --> 00:13:20,880

center

372

00:13:24,550 --> 00:13:22,720

was the formation of a high pressure

373

00:13:25,750 --> 00:13:24,560

area that had developed west of the

374

00:13:28,550 --> 00:13:25,760

hurricane

375

00:13:30,470 --> 00:13:28,560

this itself might sound reasonable but

376

00:13:32,870 --> 00:13:30,480

gladys was behaving in a peculiar

377

00:13:35,350 --> 00:13:32,880

fashion by hurricane standards

378

00:13:37,190 --> 00:13:35,360

in october 18th story about the storm

379

00:13:39,110 --> 00:13:37,200

printed in the new york times

380

00:13:40,470 --> 00:13:39,120

especially noted that the hurricane

381

00:13:42,710 --> 00:13:40,480

veered suddenly

382

00:13:45,509 --> 00:13:42,720

and had caught many of the cities more

383

00:13:47,670 --> 00:13:45,519

than a million residents by surprise

384

00:13:49,829 --> 00:13:47,680

the story further related that because

385

00:13:51,910 --> 00:13:49,839

of its prior due north course

386

00:13:54,069 --> 00:13:51,920

florida residents had already relaxed

387

00:13:55,670 --> 00:13:54,079

their guard and even weathermen were

388

00:13:59,189 --> 00:13:55,680

taken by surprise

389

00:14:02,389 --> 00:13:59,199

unquote again

390

00:14:03,110 --> 00:14:02,399

these accounts sound outlandish they do

391

00:14:05,750 --> 00:14:03,120

away with

392

00:14:06,949 --> 00:14:05,760

typical paradigms about reality and how

393

00:14:09,350 --> 00:14:06,959

it works

394

00:14:11,350 --> 00:14:09,360

even people who do believe psychokinesis

395

00:14:13,910 --> 00:14:11,360

which is what pk stands for

396

00:14:15,350 --> 00:14:13,920

is possible don't usually think it can

397

00:14:17,670 --> 00:14:15,360

be used to this degree

398

00:14:19,590 --> 00:14:17,680

that a human being can direct the course

399

00:14:21,430 --> 00:14:19,600

of a hurricane

400

00:14:23,189 --> 00:14:21,440

and it wasn't just hurricanes again

401

00:14:26,389 --> 00:14:23,199

tornadoes lightning

402

00:14:29,750 --> 00:14:26,399

blackouts owens also predicted

403

00:14:31,269 --> 00:14:29,760

and ended droughts both in florida

404

00:14:34,310 --> 00:14:31,279

california as well as in

405

00:14:36,389 --> 00:14:34,320

england it really was amazing how

406

00:14:38,470 --> 00:14:36,399

wide-ranging the events

407

00:14:40,150 --> 00:14:38,480

he apparently not only predicted but

408

00:14:41,670 --> 00:14:40,160

manifested somehow

409

00:14:43,269 --> 00:14:41,680

again he would try and get people to

410

00:14:45,990 --> 00:14:43,279

take him seriously about this

411

00:14:47,670 --> 00:14:46,000

he would contact journalists and various

412

00:14:49,030 --> 00:14:47,680

government officials to tell them what

413

00:14:50,629 --> 00:14:49,040

was going to happen

414

00:14:52,230 --> 00:14:50,639

in hopes that they would want to hire

415

00:14:56,829 --> 00:14:52,240

him so he could use his

416

00:14:58,069 --> 00:14:56,839

gift for good but mostly he was just

417

00:15:00,310 --> 00:14:58,079

ignored

418

00:15:01,990 --> 00:15:00,320

as outrageous and unlikely as these

419

00:15:06,150 --> 00:15:02,000

events seem today

420

00:15:08,230 --> 00:15:06,160

in 2021 remember this was the 1970s

421

00:15:10,470 --> 00:15:08,240

when such notions were even more

422

00:15:12,710 --> 00:15:10,480

outlandish

423

00:15:13,670 --> 00:15:12,720

now let's discuss another of owens

424

00:15:16,629 --> 00:15:13,680

exploits

425

00:15:19,189 --> 00:15:16,639

this involved a radar experiment as it

426
00:15:21,910 --> 00:15:19,199
turns out owens knew a radar operator

427
00:15:24,629 --> 00:15:21,920
and he managed to get himself into this

428
00:15:27,750 --> 00:15:24,639
facility that had radar equipment

429
00:15:30,870 --> 00:15:27,760
and what basically owens tried to do was

430
00:15:32,230 --> 00:15:30,880
psychically manifest objects that would

431
00:15:34,870 --> 00:15:32,240
show up on the radar

432
00:15:37,110 --> 00:15:34,880
so he would psycho kinetically project

433
00:15:39,990 --> 00:15:37,120
objects into the atmosphere

434
00:15:41,189 --> 00:15:40,000
in the area that this radar covered and

435
00:15:43,509 --> 00:15:41,199
sure enough

436
00:15:45,110 --> 00:15:43,519
this radar operator confirmed in fact

437
00:15:47,509 --> 00:15:45,120
for people like mishlov

438
00:15:49,189 --> 00:15:47,519

that indeed blips did show up on the

439

00:15:52,550 --> 00:15:49,199

radar showing that

440

00:15:53,749 --> 00:15:52,560

this experiment was successful that is

441

00:15:56,629 --> 00:15:53,759

amazing enough

442

00:15:57,030 --> 00:15:56,639

what is shocking though is that not long

443

00:15:59,829 --> 00:15:57,040

after

444

00:16:01,509 --> 00:15:59,839

in the days following two planes

445

00:16:04,470 --> 00:16:01,519

actually crashed in the very

446

00:16:06,150 --> 00:16:04,480

area that owens had been conducting his

447

00:16:08,389 --> 00:16:06,160

experiment in

448

00:16:10,069 --> 00:16:08,399

and it suggested that perhaps there is a

449

00:16:10,550 --> 00:16:10,079

lingering effect there's some evidence

450

00:16:13,350 --> 00:16:10,560

of this

451
00:16:14,949 --> 00:16:13,360
on multiple occasions where owens would

452
00:16:17,910 --> 00:16:14,959
do things psychokinetically

453
00:16:19,670 --> 00:16:17,920
and the uh change would last for a while

454
00:16:20,470 --> 00:16:19,680
it would affect the environment for some

455
00:16:22,790 --> 00:16:20,480
time

456
00:16:24,470 --> 00:16:22,800
and so here people postulate perhaps

457
00:16:26,870 --> 00:16:24,480
these planes crashed

458
00:16:31,509 --> 00:16:26,880
because of anomalies in the atmosphere

459
00:16:35,749 --> 00:16:33,910
now just to be clear of course owens had

460
00:16:37,509 --> 00:16:35,759
no idea this was going to happen

461
00:16:40,150 --> 00:16:37,519
at this point he had no idea that this

462
00:16:43,110 --> 00:16:40,160
lingering effect was even an issue

463
00:16:44,710 --> 00:16:43,120

but it just raises to our attention how

464

00:16:46,870 --> 00:16:44,720

serious these matters are

465

00:16:48,870 --> 00:16:46,880

and how responsible people who can

466

00:16:53,590 --> 00:16:48,880

conduct these kind of experiments

467

00:16:57,590 --> 00:16:55,749

to really drive this point home i'd like

468

00:17:00,710 --> 00:16:57,600

to recount one additional

469

00:17:01,749 --> 00:17:00,720

event that happened around owens and his

470

00:17:03,749 --> 00:17:01,759

powers

471

00:17:05,750 --> 00:17:03,759

and in this case owens actually was

472

00:17:07,669 --> 00:17:05,760

responsible and even mishlov

473

00:17:09,270 --> 00:17:07,679

holds him morally culpable for what

474

00:17:11,990 --> 00:17:09,280

happened

475

00:17:13,590 --> 00:17:12,000

as it turns out owens was flying back to

476
00:17:15,750 --> 00:17:13,600
the united states

477
00:17:16,949 --> 00:17:15,760
and was drunk actually which was not

478
00:17:18,549 --> 00:17:16,959
uncommon for him

479
00:17:20,630 --> 00:17:18,559
and sometimes this would actually

480
00:17:22,549 --> 00:17:20,640
increase his capacity somehow

481
00:17:24,150 --> 00:17:22,559
in a way we don't fully understand nor

482
00:17:26,789 --> 00:17:24,160
did he understand

483
00:17:28,789 --> 00:17:26,799
but on this plane trip back he was

484
00:17:30,070 --> 00:17:28,799
bragging to a stewardess about his

485
00:17:32,950 --> 00:17:30,080
ability to

486
00:17:34,070 --> 00:17:32,960
manifest lightning on demand and he was

487
00:17:36,789 --> 00:17:34,080
actually showing her

488
00:17:37,430 --> 00:17:36,799

a magazine article that was talking

489

00:17:40,470 --> 00:17:37,440

about

490

00:17:41,590 --> 00:17:40,480

his exploits with lightning and as it

491

00:17:43,750 --> 00:17:41,600

turns out

492

00:17:46,310 --> 00:17:43,760

believe it or not the plane in front of

493

00:17:50,390 --> 00:17:46,320

them was struck by lightning

494

00:17:52,390 --> 00:17:50,400

and crashed people died it is not common

495

00:17:54,230 --> 00:17:52,400

for planes to be struck by lightning

496

00:17:56,150 --> 00:17:54,240

and crash they are struck by lightning

497

00:17:57,350 --> 00:17:56,160

but generally it doesn't force them down

498

00:17:59,350 --> 00:17:57,360

out of the sky

499

00:18:01,350 --> 00:17:59,360

that's what happened in this case it

500

00:18:03,350 --> 00:18:01,360

happened at the very time

501
00:18:05,190 --> 00:18:03,360
owens was talking to this stewardess

502
00:18:07,750 --> 00:18:05,200
about his ability to manifest

503
00:18:08,630 --> 00:18:07,760
lightning and so it makes you wonder is

504
00:18:11,270 --> 00:18:08,640
it connected

505
00:18:11,990 --> 00:18:11,280
it's certainly a massive coincidence if

506
00:18:14,310 --> 00:18:12,000
not

507
00:18:15,190 --> 00:18:14,320
and again it just shows how morally

508
00:18:17,990 --> 00:18:15,200
responsible

509
00:18:18,710 --> 00:18:18,000
such people need to be and unfortunately

510
00:18:27,350 --> 00:18:18,720
owens

511
00:18:28,310 --> 00:18:27,360
culpable in the sense that he intended

512
00:18:31,350 --> 00:18:28,320
for this plane to be

513
00:18:33,750 --> 00:18:31,360

hit by lightning he certainly did not it

514

00:18:36,070 --> 00:18:33,760

was an occurrence that seemed to arise

515

00:18:37,750 --> 00:18:36,080

suddenly spontaneously because he was

516

00:18:39,750 --> 00:18:37,760

talking about it perhaps

517

00:18:41,110 --> 00:18:39,760

but he still needs to be responsible and

518

00:18:43,590 --> 00:18:41,120

anyone with that kind of gifting

519

00:18:46,310 --> 00:18:43,600

still needs to be aware of that when

520

00:18:48,310 --> 00:18:46,320

they can manifest this spontaneously

521

00:18:49,750 --> 00:18:48,320

and perhaps when his consciousness level

522

00:18:51,029 --> 00:18:49,760

is lowered because he actually is

523

00:18:53,990 --> 00:18:51,039

consuming alcohol

524

00:18:55,270 --> 00:18:54,000

that might be more likely and believe it

525

00:18:58,390 --> 00:18:55,280

or not

526
00:18:59,270 --> 00:18:58,400
j alan heineck indeed was aware of ted

527
00:19:01,510 --> 00:18:59,280
owens

528
00:19:03,190 --> 00:19:01,520
and when michelle asked heinek if he'd

529
00:19:05,590 --> 00:19:03,200
like to meet owens

530
00:19:06,310 --> 00:19:05,600
hunek said no thank you he fully

531
00:19:09,350 --> 00:19:06,320
believed

532
00:19:11,190 --> 00:19:09,360
that owens had this gift but he also

533
00:19:14,070 --> 00:19:11,200
recognized that his consciousness level

534
00:19:15,669 --> 00:19:14,080
often didn't rise to the challenge and

535
00:19:18,710 --> 00:19:15,679
hanek felt that sometimes

536
00:19:20,549 --> 00:19:18,720
unconsciously owens was manifesting

537
00:19:22,549 --> 00:19:20,559
things around him and so

538
00:19:24,230 --> 00:19:22,559

heinek basically didn't consider him

539

00:19:29,190 --> 00:19:24,240

safe to be around because of this

540

00:19:32,789 --> 00:19:31,510

now when parapsychologists look at the

541

00:19:35,430 --> 00:19:32,799

owens case

542

00:19:37,110 --> 00:19:35,440

a curiosity occurs to them it's

543

00:19:39,350 --> 00:19:37,120

sometimes difficult to know

544

00:19:40,390 --> 00:19:39,360

which psi abilities he was actually

545

00:19:42,789 --> 00:19:40,400

demonstrating

546

00:19:44,230 --> 00:19:42,799

because they can blend into each other

547

00:19:47,350 --> 00:19:44,240

quoting from the book again

548

00:19:49,909 --> 00:19:47,360

quote ed may is correct in pointing out

549

00:19:50,950 --> 00:19:49,919

the uncanny relationship between

550

00:19:53,990 --> 00:19:50,960

ostensible

551

00:19:56,310 --> 00:19:54,000

psychokinesis and precognition

552

00:19:57,190 --> 00:19:56,320

in many instances it is not so easy to

553

00:20:00,549 --> 00:19:57,200

determine

554

00:20:03,110 --> 00:20:00,559

whether an event was caused or predicted

555

00:20:04,789 --> 00:20:03,120

in fact my dissertation chairman at

556

00:20:05,510 --> 00:20:04,799

berkeley the noted philosopher of

557

00:20:08,070 --> 00:20:05,520

science

558

00:20:09,510 --> 00:20:08,080

michael scriven showed me that the very

559

00:20:12,310 --> 00:20:09,520

concept of causation

560

00:20:13,430 --> 00:20:12,320

is riddled with problems in normal

561

00:20:16,149 --> 00:20:13,440

language we assume

562

00:20:18,149 --> 00:20:16,159

causation to function like glue linking

563

00:20:20,470 --> 00:20:18,159

one event to the next

564

00:20:22,870 --> 00:20:20,480

philosophically however the concept is

565

00:20:25,830 --> 00:20:22,880

vulnerable to much criticism

566

00:20:26,470 --> 00:20:25,840

our concept of time is not as neat and

567

00:20:28,630 --> 00:20:26,480

tidy

568

00:20:31,909 --> 00:20:28,640

as it seems when we sit watching the

569

00:20:36,710 --> 00:20:34,149

so what mishlov is basically saying here

570

00:20:38,549 --> 00:20:36,720

is in regards to ted owens it's

571

00:20:40,870 --> 00:20:38,559

sometimes difficult to determine

572

00:20:42,710 --> 00:20:40,880

whether he was merely precognizing in

573

00:20:44,870 --> 00:20:42,720

other words knowing ahead of time

574

00:20:48,070 --> 00:20:44,880

that something was going to happen and

575

00:20:50,070 --> 00:20:48,080

claiming it as his ability to create

576
00:20:51,350 --> 00:20:50,080
or if he actually was psychokinetically

577
00:20:54,630 --> 00:20:51,360
manifesting things

578
00:20:56,549 --> 00:20:54,640
into reality as he claimed

579
00:20:58,630 --> 00:20:56,559
in some ways all we have to go by is

580
00:21:00,950 --> 00:20:58,640
what owen said he was doing

581
00:21:03,350 --> 00:21:00,960
it's difficult to know with some degree

582
00:21:05,270 --> 00:21:03,360
of certainty either way

583
00:21:06,950 --> 00:21:05,280
that said there were occasions in the

584
00:21:07,750 --> 00:21:06,960
midst of a conversation with someone

585
00:21:09,669 --> 00:21:07,760
like mishlov

586
00:21:10,950 --> 00:21:09,679
and others that owens would seem to

587
00:21:12,230 --> 00:21:10,960
spontaneously say

588
00:21:14,310 --> 00:21:12,240

watch this and then he would do

589

00:21:16,710 --> 00:21:14,320

something sometimes in response to

590

00:21:18,710 --> 00:21:16,720

someone asking him to do such a thing

591

00:21:20,310 --> 00:21:18,720

so accounts like that certainly lend

592

00:21:23,029 --> 00:21:20,320

credence to this idea that he was

593

00:21:23,750 --> 00:21:23,039

actually psychokinetically manifesting

594

00:21:27,830 --> 00:21:23,760

reality

595

00:21:31,430 --> 00:21:30,070

now as i mentioned in the introduction

596

00:21:34,549 --> 00:21:31,440

central to this story

597

00:21:35,990 --> 00:21:34,559

is the inclusion of apparently non-human

598

00:21:38,110 --> 00:21:36,000

alien intelligences

599

00:21:41,110 --> 00:21:38,120

who owens referred to as both

600

00:21:43,830 --> 00:21:41,120

extraterrestrial and interdimensional

601
00:21:45,350 --> 00:21:43,840
owens claimed these ets made contact

602
00:21:47,830 --> 00:21:45,360
with him as a child

603
00:21:48,390 --> 00:21:47,840
and eventually abducted and operated on

604
00:21:51,750 --> 00:21:48,400
him

605
00:21:53,510 --> 00:21:51,760
to enhance his innate capabilities

606
00:21:54,789 --> 00:21:53,520
they also led him through a series of

607
00:21:58,310 --> 00:21:54,799
life experiences

608
00:22:01,029 --> 00:21:58,320
and jobs in preparation for his later

609
00:22:02,070 --> 00:22:01,039
tasks and quoting from the book again

610
00:22:04,230 --> 00:22:02,080
quote

611
00:22:05,230 --> 00:22:04,240
after talking personally to owens about

612
00:22:08,390 --> 00:22:05,240
this matter

613
00:22:10,310 --> 00:22:08,400

parapsychologist d scott rogo and i

614

00:22:11,590 --> 00:22:10,320

have come to accept the fact that owens

615

00:22:14,630 --> 00:22:11,600

really did believe

616

00:22:16,789 --> 00:22:14,640

this operation took place he had

617

00:22:17,990 --> 00:22:16,799

an odd indentation running along the

618

00:22:19,909 --> 00:22:18,000

base of his skull

619

00:22:21,110 --> 00:22:19,919

that he claimed was a remnant of this

620

00:22:22,870 --> 00:22:21,120

operation

621

00:22:25,350 --> 00:22:22,880

but whether this was a result of a bone

622

00:22:27,990 --> 00:22:25,360

deformation accident or whatever

623

00:22:30,070 --> 00:22:28,000

we were in no position to say it was

624

00:22:31,909 --> 00:22:30,080

such a curious indentation though

625

00:22:33,669 --> 00:22:31,919

that owens liked to show it to people

626

00:22:35,669 --> 00:22:33,679

claiming it was physical proof

627

00:22:39,270 --> 00:22:35,679

that he had been abducted and operated

628

00:22:43,990 --> 00:22:41,029

now it's important to make one point

629

00:22:45,990 --> 00:22:44,000

very clear as amazing as these feats of

630

00:22:48,070 --> 00:22:46,000

psychokinetic ability were

631

00:22:49,350 --> 00:22:48,080

owens didn't claim to be doing this all

632

00:22:51,590 --> 00:22:49,360

on his own

633

00:22:53,029 --> 00:22:51,600

now he claimed to be doing these feats

634

00:22:55,350 --> 00:22:53,039

in partnership with

635

00:22:56,070 --> 00:22:55,360

an alien intelligence that was orbiting

636

00:22:59,510 --> 00:22:56,080

the earth

637

00:23:01,669 --> 00:22:59,520

in cloaked spacecraft and regarding how

638

00:23:03,669 --> 00:23:01,679

communication happened with these

639

00:23:04,549 --> 00:23:03,679

intelligences this is what owens had to

640

00:23:07,029 --> 00:23:04,559

say

641

00:23:09,029 --> 00:23:07,039

quoting again from the book quote while

642

00:23:11,510 --> 00:23:09,039

ted owens could not recall ever meeting

643

00:23:12,789 --> 00:23:11,520

the space intelligences face to face

644

00:23:15,029 --> 00:23:12,799

he developed several ways of

645

00:23:17,110 --> 00:23:15,039

communicating with them some of these

646

00:23:18,310 --> 00:23:17,120

contacts were instantaneous

647

00:23:20,230 --> 00:23:18,320

the commands from the space

648

00:23:21,230 --> 00:23:20,240

intelligences would be complete and

649

00:23:23,750 --> 00:23:21,240

transmitted

650

00:23:25,510 --> 00:23:23,760

instantaneously one moment you are

651
00:23:27,110 --> 00:23:25,520
working at something he claimed and the

652
00:23:29,110 --> 00:23:27,120
next moment you have received

653
00:23:30,230 --> 00:23:29,120
all of this space intelligence's

654
00:23:33,590 --> 00:23:30,240
information

655
00:23:36,950 --> 00:23:35,830
now in that passage was an important

656
00:23:38,950 --> 00:23:36,960
nugget

657
00:23:40,070 --> 00:23:38,960
when owens talked about receiving these

658
00:23:43,190 --> 00:23:40,080
instantaneous

659
00:23:45,909 --> 00:23:43,200
and complete instruction packs basically

660
00:23:47,350 --> 00:23:45,919
they would just download instantaneously

661
00:23:50,390 --> 00:23:47,360
that's what we often call them

662
00:23:52,470 --> 00:23:50,400
in today's discussion downloads

663
00:23:53,750 --> 00:23:52,480

that wasn't so much the term used in the

664

00:23:55,350 --> 00:23:53,760

1970s

665

00:23:57,510 --> 00:23:55,360

but that's what we use now because we

666

00:23:59,510 --> 00:23:57,520

have the metaphor of computers

667

00:24:01,990 --> 00:23:59,520

basically sometimes people do experience

668

00:24:04,230 --> 00:24:02,000

this this is part of the ufo phenomenon

669

00:24:05,269 --> 00:24:04,240

that people will suddenly completely

670

00:24:07,190 --> 00:24:05,279

download

671

00:24:09,029 --> 00:24:07,200

full packets of large amounts of

672

00:24:10,310 --> 00:24:09,039

information sometimes even data that

673

00:24:12,710 --> 00:24:10,320

they don't understand

674

00:24:14,950 --> 00:24:12,720

sometimes even technical information for

675

00:24:16,870 --> 00:24:14,960

someone who's not particularly technical

676
00:24:19,029 --> 00:24:16,880
and they can't even really grapple with

677
00:24:20,549 --> 00:24:19,039
or comprehend what they've downloaded

678
00:24:22,390 --> 00:24:20,559
and sometimes they have to seek out

679
00:24:23,590 --> 00:24:22,400
others who do specialize in those

680
00:24:26,950 --> 00:24:23,600
technical areas

681
00:24:30,870 --> 00:24:28,630
now another interesting tidbit of

682
00:24:33,029 --> 00:24:30,880
information from owen's recounting

683
00:24:34,070 --> 00:24:33,039
of his experiences with the space

684
00:24:36,470 --> 00:24:34,080
intelligence

685
00:24:38,310 --> 00:24:36,480
is their appearance he actually said

686
00:24:38,990 --> 00:24:38,320
they resembled grasshoppers they were

687
00:24:41,510 --> 00:24:39,000
basically

688
00:24:43,750 --> 00:24:41,520

insectoid-like in appearance and of

689

00:24:46,870 --> 00:24:43,760

course we see this quite commonly

690

00:24:49,350 --> 00:24:46,880

in the literature of the ufo phenomenon

691

00:24:51,669 --> 00:24:49,360

quoting again from the book here quote

692

00:24:53,029 --> 00:24:51,679

another way owens initiated contact with

693

00:24:55,029 --> 00:24:53,039

the space intelligences

694

00:24:56,549 --> 00:24:55,039

is through a visualization technique

695

00:24:58,549 --> 00:24:56,559

that he claimed he learned from the

696

00:25:01,430 --> 00:24:58,559

entities themselves

697

00:25:04,070 --> 00:25:01,440

owens wrote in his 1969 book how to

698

00:25:06,470 --> 00:25:04,080

contact space people

699

00:25:07,110 --> 00:25:06,480

they showed me in my mind's eye a small

700

00:25:11,190 --> 00:25:07,120

chamber

701
00:25:14,390 --> 00:25:11,200
creatures resembling grasshoppers

702
00:25:16,470 --> 00:25:14,400
and insect-like but standing on two legs

703
00:25:18,310 --> 00:25:16,480
these creatures looked down into a large

704
00:25:21,190 --> 00:25:18,320
round oval machine

705
00:25:23,110 --> 00:25:21,200
in it they could see me if i talked they

706
00:25:24,230 --> 00:25:23,120
heard the sound but the machine quickly

707
00:25:27,190 --> 00:25:24,240
turned the sound

708
00:25:28,149 --> 00:25:27,200
into symbols then the cymbals into very

709
00:25:31,269 --> 00:25:28,159
high frequency

710
00:25:32,950 --> 00:25:31,279
sound which they could understand thus i

711
00:25:34,149 --> 00:25:32,960
would talk to them in english which

712
00:25:36,549 --> 00:25:34,159
would jump around

713
00:25:38,549 --> 00:25:36,559

into odd symbols on the screen then

714

00:25:40,830 --> 00:25:38,559

result in a high whistling sound which

715

00:25:44,149 --> 00:25:40,840

they understood

716

00:25:44,630 --> 00:25:44,159

unquote now i found this particular

717

00:25:46,549 --> 00:25:44,640

account

718

00:25:48,070 --> 00:25:46,559

of the communication process between

719

00:25:49,990 --> 00:25:48,080

owens and these

720

00:25:51,190 --> 00:25:50,000

non-human intelligences quite

721

00:25:53,909 --> 00:25:51,200

interesting

722

00:25:54,630 --> 00:25:53,919

because in this case as much as owens

723

00:25:57,510 --> 00:25:54,640

demonstrated

724

00:25:59,430 --> 00:25:57,520

real psy capabilities the communication

725

00:26:01,430 --> 00:25:59,440

actually wasn't telepathic

726
00:26:02,870 --> 00:26:01,440
it actually involved this translation

727
00:26:04,950 --> 00:26:02,880
technique with symbols

728
00:26:06,789 --> 00:26:04,960
and one frequency of sound being

729
00:26:08,470 --> 00:26:06,799
converted to another frequency of sound

730
00:26:09,590 --> 00:26:08,480
so the communication could happen back

731
00:26:13,510 --> 00:26:09,600
and forth

732
00:26:17,750 --> 00:26:16,390
now clearly this case of ted owens and

733
00:26:20,310 --> 00:26:17,760
his interaction with

734
00:26:21,909 --> 00:26:20,320
these space intelligences is as

735
00:26:25,269 --> 00:26:21,919
fascinating as it is

736
00:26:28,710 --> 00:26:25,279
bewildering and it raises some complex

737
00:26:31,510 --> 00:26:28,720
and mystifying questions number one

738
00:26:33,990 --> 00:26:31,520

what does this mean for human potentials

739

00:26:36,830 --> 00:26:34,000

how much power do we already possess

740

00:26:37,990 --> 00:26:36,840

though for most of us it is a dormant

741

00:26:40,789 --> 00:26:38,000

potentiality

742

00:26:42,630 --> 00:26:40,799

perhaps if consciousness is central and

743

00:26:44,710 --> 00:26:42,640

therefore matter and energy are merely

744

00:26:47,669 --> 00:26:44,720

derivatives of consciousness

745

00:26:48,230 --> 00:26:47,679

and we are agents of consciousness then

746

00:26:50,549 --> 00:26:48,240

perhaps

747

00:26:51,510 --> 00:26:50,559

almost limitless capacities are within

748

00:26:54,710 --> 00:26:51,520

our reach

749

00:26:56,870 --> 00:26:54,720

at least potentially

750

00:26:58,710 --> 00:26:56,880

now just think if more people could

751
00:27:01,510 --> 00:26:58,720
manifest these kinds of powers

752
00:27:02,390 --> 00:27:01,520
and even do it collectively then

753
00:27:04,549 --> 00:27:02,400
problems such as

754
00:27:05,750 --> 00:27:04,559
energy challenges and the related matter

755
00:27:09,190 --> 00:27:05,760
of global warming

756
00:27:10,950 --> 00:27:09,200
could be solved almost overnight

757
00:27:12,549 --> 00:27:10,960
of course this highlights the larger

758
00:27:14,789 --> 00:27:12,559
issue which has to do with our

759
00:27:17,110 --> 00:27:14,799
consciousness or more specifically

760
00:27:18,070 --> 00:27:17,120
the lack of moral maturity our present

761
00:27:21,269 --> 00:27:18,080
civilization

762
00:27:23,269 --> 00:27:21,279
operates under this same conundrum was

763
00:27:24,389 --> 00:27:23,279

demonstrated in the mercurial figure of

764

00:27:26,950 --> 00:27:24,399

ted owens

765

00:27:27,830 --> 00:27:26,960

who began by wanting to do good and help

766

00:27:30,310 --> 00:27:27,840

humanity

767

00:27:32,310 --> 00:27:30,320

but sometimes grew vengeful and angry

768

00:27:35,269 --> 00:27:32,320

when others refused to acknowledge

769

00:27:38,310 --> 00:27:35,279

or in most cases even entertain his

770

00:27:41,350 --> 00:27:40,470

also central to this discussion is to

771

00:27:44,630 --> 00:27:41,360

what degree

772

00:27:46,389 --> 00:27:44,640

and outside non-human alien intelligence

773

00:27:48,310 --> 00:27:46,399

whether extraterrestrial or

774

00:27:51,029 --> 00:27:48,320

interdimensional or both

775

00:27:52,630 --> 00:27:51,039

is involved either directly or

776

00:27:55,430 --> 00:27:52,640

indirectly

777

00:27:56,070 --> 00:27:55,440

regardless one thing seems clear these

778

00:27:59,430 --> 00:27:56,080

issues

779

00:28:00,470 --> 00:27:59,440

are connected this is what mishlov

780

00:28:03,830 --> 00:28:00,480

concluded

781

00:28:06,070 --> 00:28:03,840

quote i was convinced in 1976 that the

782

00:28:08,710 --> 00:28:06,080

mystery of extrasensory perception

783

00:28:10,710 --> 00:28:08,720

was inextricably intertwined with the

784

00:28:12,710 --> 00:28:10,720

mystery of ufos

785

00:28:14,470 --> 00:28:12,720

i had written as much in the roots of

786

00:28:16,070 --> 00:28:14,480

consciousness while i was still a

787

00:28:18,389 --> 00:28:16,080

graduate student

788

00:28:19,590 --> 00:28:18,399

it seemed self-evident to me but the

789

00:28:22,230 --> 00:28:19,600

idea was threatening

790

00:28:23,750 --> 00:28:22,240

to other parapsychological researchers

791

00:28:25,190 --> 00:28:23,760

they had enough trouble with one

792

00:28:27,590 --> 00:28:25,200

paranormal field

793

00:28:28,950 --> 00:28:27,600

all by itself and did not want to suffer

794

00:28:31,430 --> 00:28:28,960

the additional stigma

795

00:28:34,789 --> 00:28:31,440

of being associated with a second

796

00:28:39,110 --> 00:28:36,789

and now i offer this concluding thought

797

00:28:41,350 --> 00:28:39,120

for your consideration

798

00:28:42,950 --> 00:28:41,360

we keep coming back to this notion that

799

00:28:45,909 --> 00:28:42,960

currently we are a people

800

00:28:48,470 --> 00:28:45,919

a species standing at the precipice of a

801
00:28:51,590 --> 00:28:48,480
newly perceived and still emerging model

802
00:28:52,470 --> 00:28:51,600
of reality one that is deeper broader

803
00:28:54,630 --> 00:28:52,480
and richer

804
00:28:55,510 --> 00:28:54,640
than the one we've entertained and lived

805
00:28:58,789 --> 00:28:55,520
according to

806
00:28:59,590 --> 00:28:58,799
up until now this dawning paradigm

807
00:29:02,230 --> 00:28:59,600
promises

808
00:29:04,070 --> 00:29:02,240
the possibility not just of the enhanced

809
00:29:06,470 --> 00:29:04,080
capacities we've discussed

810
00:29:07,190 --> 00:29:06,480
in light of the ted owens case but of a

811
00:29:10,230 --> 00:29:07,200
new world

812
00:29:13,110 --> 00:29:10,240
entirely if we can take it

813
00:29:14,789 --> 00:29:13,120

that is both entertain it and embrace

814

00:29:16,950 --> 00:29:14,799

and embody it

815

00:29:18,710 --> 00:29:16,960

and perhaps not surprisingly we are

816

00:29:20,789 --> 00:29:18,720

finding ironically

817

00:29:23,430 --> 00:29:20,799

that the greatest and perhaps only

818

00:29:27,990 --> 00:29:23,440

obstacle currently standing in our way

819

00:29:31,590 --> 00:29:30,389

and on that note we've come to the close

820

00:29:34,070 --> 00:29:31,600

of another edition

821

00:29:35,510 --> 00:29:34,080

of the point of convergence podcast

822

00:29:38,630 --> 00:29:35,520

let's keep this conversation

823

00:29:39,190 --> 00:29:38,640

going and growing but until next time

824

00:29:40,549 --> 00:29:39,200

friends

825

00:29:42,549 --> 00:29:40,559

from deep within the blue ridge
