PODCAST

Hosted by **ExoAcademician**

EPISODE #22

*UFOs & the Atomic Dawn:  
A Discussion of Vallee &  
Harris' New Book TRINITY:  
THE BEST-KEPT SECRET*

ON YOUTUBE & YOUR FAVORITE  
PODCASTING PLATFORM

1  
00:00:02,830 --> 00:00:08,470

[Music]

2  
00:00:12,150 --> 00:00:09,350

hello

3  
00:00:14,230 --> 00:00:12,160

and welcome to episode number 22 of the

4  
00:00:19,109 --> 00:00:14,240

point of convergence podcast

5  
00:00:21,750 --> 00:00:19,119

as always i am your host exo academian

6  
00:00:22,470 --> 00:00:21,760

when ufo enthusiasts think back to the

7  
00:00:25,349 --> 00:00:22,480

origins

8  
00:00:26,710 --> 00:00:25,359

of the modern ufo phenomenon the decade

9  
00:00:29,509 --> 00:00:26,720

of the 1940s

10  
00:00:31,669 --> 00:00:29,519

certainly stands out of course this was

11  
00:00:33,190 --> 00:00:31,679

the decade that saw the roswell event

12  
00:00:35,430 --> 00:00:33,200

reportedly happen

13  
00:00:38,069 --> 00:00:35,440

when a craft apparently piloted by

14

00:00:41,430 --> 00:00:38,079

beings who were decidedly non-human

15

00:00:43,830 --> 00:00:41,440

crashed into the desert of new mexico

16

00:00:45,910 --> 00:00:43,840

rumors of crass retrievals attempts at

17

00:00:47,910 --> 00:00:45,920

reverse engineered technologies

18

00:00:50,150 --> 00:00:47,920

and the recovery of alien bodies of

19

00:00:50,709 --> 00:00:50,160

course swirl around the historical

20

00:00:53,750 --> 00:00:50,719

account

21

00:00:55,350 --> 00:00:53,760

of this famous event an event now seared

22

00:00:59,349 --> 00:00:55,360

into the collective memory

23

00:01:01,430 --> 00:00:59,359

of our entire culture the 1940s also

24

00:01:02,869 --> 00:01:01,440

birthed the first mention of the term

25

00:01:05,030 --> 00:01:02,879

flying saucer

26  
00:01:05,990 --> 00:01:05,040  
when private pilot kenneth arnold

27  
00:01:09,350 --> 00:01:06,000  
reportedly saw

28  
00:01:10,630 --> 00:01:09,360  
shiny unidentified flying objects flying

29  
00:01:13,750 --> 00:01:10,640  
past mount rainier

30  
00:01:15,670 --> 00:01:13,760  
at remarkable velocity this sighting

31  
00:01:18,230 --> 00:01:15,680  
created an uproar in the media

32  
00:01:20,469 --> 00:01:18,240  
and in american popular culture and

33  
00:01:23,109 --> 00:01:20,479  
arnold's description of these ufos

34  
00:01:23,749 --> 00:01:23,119  
subsequently led the press to coin the

35  
00:01:26,950 --> 00:01:23,759  
terms

36  
00:01:29,510 --> 00:01:26,960  
flying saucer and flying disc as popular

37  
00:01:31,670 --> 00:01:29,520  
descriptors

38  
00:01:33,270 --> 00:01:31,680

according to a new book by ufology

39

00:01:36,310 --> 00:01:33,280

legend jacques vallet

40

00:01:38,310 --> 00:01:36,320

and his co-author paola harris

41

00:01:40,469 --> 00:01:38,320

the popular historical record as it

42

00:01:42,870 --> 00:01:40,479

pertains to the ufo phenomenon

43

00:01:44,550 --> 00:01:42,880

is missing a major milestone from that

44

00:01:46,230 --> 00:01:44,560

remarkable decade

45

00:01:48,310 --> 00:01:46,240

here they refer to an event that

46

00:01:50,389 --> 00:01:48,320

predates both of the aforementioned

47

00:01:54,069 --> 00:01:50,399

famous occurrences

48

00:01:55,910 --> 00:01:54,079

in 1945 two years previous to roswell

49

00:01:57,270 --> 00:01:55,920

there was another crash in the desert of

50

00:01:59,670 --> 00:01:57,280

new mexico

51  
00:02:01,350 --> 00:01:59,680  
and this event had witnesses witnesses

52  
00:02:03,109 --> 00:02:01,360  
still alive today

53  
00:02:05,749 --> 00:02:03,119  
witnesses that were interviewed at

54  
00:02:07,830 --> 00:02:05,759  
length by both valet and harris

55  
00:02:09,270 --> 00:02:07,840  
and in addition to extensive interviews

56  
00:02:10,869 --> 00:02:09,280  
with the living witnesses of that

57  
00:02:13,030 --> 00:02:10,879  
remarkable event

58  
00:02:15,670 --> 00:02:13,040  
valet and harris spent much time in the

59  
00:02:17,990 --> 00:02:15,680  
very location of the reported crash

60  
00:02:19,430 --> 00:02:18,000  
examining the land and circumstances

61  
00:02:24,390 --> 00:02:19,440  
that surround the event

62  
00:02:28,309 --> 00:02:26,550  
of course that particular location is

63  
00:02:29,750 --> 00:02:28,319

famous for more than the crash of a

64

00:02:32,869 --> 00:02:29,760

sophisticated craft

65

00:02:35,350 --> 00:02:32,879

piloted by non-human beings it is also

66

00:02:38,630 --> 00:02:35,360

the very same location of the detonation

67

00:02:39,589 --> 00:02:38,640

of the very first atomic bomb and as if

68

00:02:41,910 --> 00:02:39,599

that coincidence

69

00:02:43,990 --> 00:02:41,920

doesn't already grab your attention the

70

00:02:45,110 --> 00:02:44,000

two events happened within weeks of each

71

00:02:47,509 --> 00:02:45,120

other

72

00:02:48,309 --> 00:02:47,519

these historical details to valet and

73

00:02:51,030 --> 00:02:48,319

harris

74

00:02:52,949 --> 00:02:51,040

are too striking to be explained away as

75

00:02:55,509 --> 00:02:52,959

mere coincidence

76

00:02:56,550 --> 00:02:55,519

no in fact the authors postulate that

77

00:02:59,110 --> 00:02:56,560

there is a profound

78

00:03:00,309 --> 00:02:59,120

meaning needing to be dusted off and

79

00:03:02,830 --> 00:03:00,319

considered here

80

00:03:03,990 --> 00:03:02,840

along with the artifacts of the event

81

00:03:06,470 --> 00:03:04,000

itself

82

00:03:07,430 --> 00:03:06,480

and jacques-vallee and paula harris go

83

00:03:09,350 --> 00:03:07,440

further

84

00:03:11,430 --> 00:03:09,360

openly questioning the idea that this

85

00:03:13,509 --> 00:03:11,440

was an accident at all

86

00:03:15,030 --> 00:03:13,519

to them it has all the hallmarks of a

87

00:03:16,630 --> 00:03:15,040

staged event

88

00:03:18,390 --> 00:03:16,640

one that was meant to send a clear

89

00:03:21,430 --> 00:03:18,400

message to humankind

90

00:03:23,830 --> 00:03:21,440

at the very dawn of the atomic age a

91

00:03:24,949 --> 00:03:23,840

dark era that erupted onto the canvas of

92

00:03:27,350 --> 00:03:24,959

human history

93

00:03:31,190 --> 00:03:27,360

with the light of a thousand suns as the

94

00:03:35,030 --> 00:03:33,430

was this a warning an attempt at the

95

00:03:37,589 --> 00:03:35,040

opening of a dialogue

96

00:03:38,229 --> 00:03:37,599

or something else many profound

97

00:03:40,710 --> 00:03:38,239

questions

98

00:03:42,470 --> 00:03:40,720

arise as one learns about the details of

99

00:03:44,229 --> 00:03:42,480

this remarkable event

100

00:03:46,070 --> 00:03:44,239

an event that involved not just an

101  
00:03:48,229 --> 00:03:46,080  
apparently alien vehicle

102  
00:03:49,270 --> 00:03:48,239  
piloted by potentially off-world

103  
00:03:51,670 --> 00:03:49,280  
visitors

104  
00:03:52,869 --> 00:03:51,680  
but telepathic communication between

105  
00:03:55,270 --> 00:03:52,879  
these others

106  
00:03:56,630 --> 00:03:55,280  
and the witnesses that valet and harris

107  
00:03:58,869 --> 00:03:56,640  
interviewed

108  
00:04:01,350 --> 00:03:58,879  
even communication offering glimpses

109  
00:04:03,190 --> 00:04:01,360  
into the future of our civilization

110  
00:04:04,949 --> 00:04:03,200  
including some events that have already

111  
00:04:08,070 --> 00:04:04,959  
come to pass in the time

112  
00:04:09,350 --> 00:04:08,080  
since the stellar dedicated

113  
00:04:12,149 --> 00:04:09,360

investigatory work

114

00:04:13,190 --> 00:04:12,159

done by valet and harris is catalogued

115

00:04:16,069 --> 00:04:13,200

in their excellent

116

00:04:16,710 --> 00:04:16,079

thorough and highly readable new book

117

00:04:19,909 --> 00:04:16,720

trinity

118

00:04:22,390 --> 00:04:19,919

the best kept secret this book offers

119

00:04:24,870 --> 00:04:22,400

they suggest evidence that rewrites the

120

00:04:26,870 --> 00:04:24,880

modern history of ufology

121

00:04:28,070 --> 00:04:26,880

and it shines light on an event that

122

00:04:30,710 --> 00:04:28,080

raises profound

123

00:04:31,350 --> 00:04:30,720

questions as to the intentions of these

124

00:04:33,189 --> 00:04:31,360

others

125

00:04:34,469 --> 00:04:33,199

who have been interacting with us in

126

00:04:38,150 --> 00:04:34,479

equally profound

127

00:04:39,670 --> 00:04:38,160

yet mysterious ways ever since

128

00:04:41,510 --> 00:04:39,680

a discussion around these

129

00:04:42,950 --> 00:04:41,520

thought-provoking questions that stem

130

00:04:46,469 --> 00:04:42,960

from that remarkably and

131

00:04:49,590 --> 00:04:46,479

uncannily timed event in 1945

132

00:04:59,670 --> 00:04:49,600

are the topic of this the 22nd episode

133

00:05:03,909 --> 00:05:01,830

as we begin this week's episode i'd just

134

00:05:05,670 --> 00:05:03,919

like to share how excited i was when i

135

00:05:08,150 --> 00:05:05,680

learned there was a new book coming up

136

00:05:09,990 --> 00:05:08,160

by jacques vallet of course jacques

137

00:05:11,830 --> 00:05:10,000

valet is the gold standard from

138

00:05:13,670 --> 00:05:11,840

many people's point of view including

139

00:05:16,469 --> 00:05:13,680

mine when it comes to research

140

00:05:18,390 --> 00:05:16,479

into the ufo phenomenon not only has he

141

00:05:21,830 --> 00:05:18,400

been at it longer than almost anyone

142

00:05:22,469 --> 00:05:21,840

since the 1960s indeed but he's been the

143

00:05:24,950 --> 00:05:22,479

champion

144

00:05:26,469 --> 00:05:24,960

of new ways of thinking of new paradigms

145

00:05:28,390 --> 00:05:26,479

new hypotheses

146

00:05:29,830 --> 00:05:28,400

that have been cutting edge in this

147

00:05:31,990 --> 00:05:29,840

field

148

00:05:33,350 --> 00:05:32,000

of course i was partly excited by the

149

00:05:35,670 --> 00:05:33,360

material of this book

150

00:05:36,469 --> 00:05:35,680

i knew it was going to include crash

151  
00:05:38,870 --> 00:05:36,479  
retrieval

152  
00:05:40,150 --> 00:05:38,880  
discussion and perhaps the study of

153  
00:05:42,550 --> 00:05:40,160  
exotic materials

154  
00:05:44,629 --> 00:05:42,560  
even at the microscopic level but

155  
00:05:45,510 --> 00:05:44,639  
overall whenever jacques valet has a new

156  
00:05:47,909 --> 00:05:45,520  
book coming out

157  
00:05:51,670 --> 00:05:47,919  
pertaining to the ufo phenomenon it's

158  
00:05:55,189 --> 00:05:54,070  
now jacques fillet's co-author paola

159  
00:05:57,350 --> 00:05:55,199  
harris

160  
00:05:58,230 --> 00:05:57,360  
became involved in this case even before

161  
00:06:00,629 --> 00:05:58,240  
ballet

162  
00:06:02,870 --> 00:06:00,639  
she had been investigating this case for

163  
00:06:05,830 --> 00:06:02,880

years in fact and had already conducted

164

00:06:07,430 --> 00:06:05,840

excellent interviews with the witnesses

165

00:06:09,270 --> 00:06:07,440

so that raises the question how did

166

00:06:10,070 --> 00:06:09,280

jacques valet get involved in this

167

00:06:12,790 --> 00:06:10,080

trinity case

168

00:06:13,270 --> 00:06:12,800

how did that begin quoting from their

169

00:06:16,309 --> 00:06:13,280

book

170

00:06:18,629 --> 00:06:16,319

trinity quote if my friend

171

00:06:21,270 --> 00:06:18,639

ron brinkley hadn't insisted on buying

172

00:06:24,070 --> 00:06:21,280

me a drink at the legendary owl bar

173

00:06:25,990 --> 00:06:24,080

and cafe in san antonio new mexico i

174

00:06:28,710 --> 00:06:26,000

would never have become absorbed

175

00:06:30,870 --> 00:06:28,720

in the complex drama of trinity and in

176

00:06:31,909 --> 00:06:30,880

the forgotten records about the first

177

00:06:34,870 --> 00:06:31,919

ufo crash

178

00:06:37,270 --> 00:06:34,880

in modern history you need to see this

179

00:06:37,830 --> 00:06:37,280

place ron said as we were sliding into a

180

00:06:40,390 --> 00:06:37,840

booth

181

00:06:41,909 --> 00:06:40,400

past dozens of old pictures on the walls

182

00:06:44,469 --> 00:06:41,919

memorabilia from world war

183

00:06:46,150 --> 00:06:44,479

ii bits of letters and many dollar bills

184

00:06:48,070 --> 00:06:46,160

stapled to the plaster

185

00:06:49,830 --> 00:06:48,080

fluttering in the air every time someone

186

00:06:52,510 --> 00:06:49,840

swung the door open

187

00:06:53,830 --> 00:06:52,520

this is where it all started he went on

188

00:06:55,350 --> 00:06:53,840

1945.

189

00:06:57,830 --> 00:06:55,360

forget everything you've heard about the

190

00:06:59,029 --> 00:06:57,840

roswell crash it's a very significant

191

00:07:01,430 --> 00:06:59,039

story obviously

192

00:07:03,350 --> 00:07:01,440

but it came two years later there are

193

00:07:05,990 --> 00:07:03,360

many conflicting tales about it

194

00:07:08,870 --> 00:07:06,000

but no tangible evidence remains and

195

00:07:11,029 --> 00:07:08,880

nobody was there to watch it fall

196

00:07:13,110 --> 00:07:11,039

as for the kenneth arnold sighting which

197

00:07:16,309 --> 00:07:13,120

led to the term flying saucer

198

00:07:18,390 --> 00:07:16,319

that was also in june 1947 that's

199

00:07:19,670 --> 00:07:18,400

important but only in terms of what the

200

00:07:22,790 --> 00:07:19,680

public was told

201  
00:07:25,589 --> 00:07:22,800  
or not told yes but the journalists

202  
00:07:25,909 --> 00:07:25,599  
loved it i said people could relate to

203  
00:07:32,390 --> 00:07:25,919  
it

204  
00:07:34,710 --> 00:07:32,400  
ron replied but in the process everybody

205  
00:07:37,110 --> 00:07:34,720  
had missed the most significant case

206  
00:07:39,270 --> 00:07:37,120  
it had quietly taken place here

207  
00:07:42,150 --> 00:07:39,280  
precisely one month after the first

208  
00:07:44,070 --> 00:07:42,160  
nuclear explosion in history as if in

209  
00:07:46,469 --> 00:07:44,080  
direct response to it

210  
00:07:48,230 --> 00:07:46,479  
nobody spoke about it for many years it

211  
00:07:49,029 --> 00:07:48,240  
happened just a few miles from this

212  
00:07:53,189 --> 00:07:49,039  
diner

213  
00:07:54,790 --> 00:07:53,199

that's where we've got to start unquote

214

00:07:57,189 --> 00:07:54,800

one of the aspects of this book that

215

00:07:59,830 --> 00:07:57,199

makes it so compelling and so readable

216

00:08:01,189 --> 00:07:59,840

is not just the detailed analysis of the

217

00:08:03,510 --> 00:08:01,199

crash itself

218

00:08:04,550 --> 00:08:03,520

and the interaction with the occupants

219

00:08:06,869 --> 00:08:04,560

as well

220

00:08:07,589 --> 00:08:06,879

but also the discussion of the entire

221

00:08:09,589 --> 00:08:07,599

environment

222

00:08:11,749 --> 00:08:09,599

of the culture surrounding the trinity

223

00:08:13,510 --> 00:08:11,759

site the families that lived in that

224

00:08:15,990 --> 00:08:13,520

sparsely populated area

225

00:08:17,589 --> 00:08:16,000

etc and now i'd like to quote from a

226

00:08:19,350 --> 00:08:17,599

section of the book where we set that

227

00:08:22,390 --> 00:08:19,360

initial stage

228

00:08:23,830 --> 00:08:22,400

quote living so close to ground zero the

229

00:08:26,550 --> 00:08:23,840

families of jose

230

00:08:28,150 --> 00:08:26,560

and remy would soon experience a sudden

231

00:08:29,830 --> 00:08:28,160

change in their world

232

00:08:32,149 --> 00:08:29,840

and the two boys would be the first

233

00:08:34,550 --> 00:08:32,159

witnesses to the extraordinary event

234

00:08:36,790 --> 00:08:34,560

that marks the true beginning of the ufo

235

00:08:39,029 --> 00:08:36,800

era in the united states

236

00:08:40,550 --> 00:08:39,039

still unexplained today in spite of its

237

00:08:43,589 --> 00:08:40,560

obvious repercussions

238

00:08:45,509 --> 00:08:43,599

in the current debates to the army the

239

00:08:46,870 --> 00:08:45,519

event would just be one more local

240

00:08:49,190 --> 00:08:46,880

mission to investigate

241

00:08:51,030 --> 00:08:49,200

the destruction of a radio tower and to

242

00:08:52,829 --> 00:08:51,040

recover a strange craft

243

00:08:55,190 --> 00:08:52,839

fallen from the sky during a

244

00:08:57,190 --> 00:08:55,200

thunderstorm the young soldiers

245

00:08:59,590 --> 00:08:57,200

in the unit barely realized where they

246

00:09:01,350 --> 00:08:59,600

were the history of the place or the

247

00:09:02,790 --> 00:09:01,360

long traditions of the people who

248

00:09:05,110 --> 00:09:02,800

actually lived there

249

00:09:06,550 --> 00:09:05,120

nor did they care they came in with a

250

00:09:08,389 --> 00:09:06,560

jeep and a big truck

251  
00:09:11,430 --> 00:09:08,399  
did what they were told to do and went

252  
00:09:13,829 --> 00:09:11,440  
back to white sands a few days later

253  
00:09:16,230 --> 00:09:13,839  
to us however analyzing the events in

254  
00:09:17,030 --> 00:09:16,240  
the light of 75 years of accumulated

255  
00:09:18,870 --> 00:09:17,040  
data

256  
00:09:20,310 --> 00:09:18,880  
what the two boys experienced at that

257  
00:09:21,990 --> 00:09:20,320  
special location

258  
00:09:24,870 --> 00:09:22,000  
needs to be brought to light and

259  
00:09:27,590 --> 00:09:24,880  
analyzed in the full context of american

260  
00:09:27,990 --> 00:09:27,600  
technology and culture at the critical

261  
00:09:30,230 --> 00:09:28,000  
time

262  
00:09:33,670 --> 00:09:30,240  
of the end of the second world war

263  
00:09:37,350 --> 00:09:35,670

as i already mentioned what partly makes

264

00:09:39,190 --> 00:09:37,360

this book so compelling

265

00:09:42,150 --> 00:09:39,200

is the description of the characters

266

00:09:44,389 --> 00:09:42,160

involved specifically the two boys who

267

00:09:46,949 --> 00:09:44,399

were the chief witnesses to the crash

268

00:09:48,949 --> 00:09:46,959

and who actually interacted with and saw

269

00:09:51,990 --> 00:09:48,959

the occupants of the craft

270

00:09:53,750 --> 00:09:52,000

after it crashed now these two boys

271

00:09:55,430 --> 00:09:53,760

lived a very interesting life

272

00:09:57,590 --> 00:09:55,440

a life very different than the lives

273

00:09:59,670 --> 00:09:57,600

lived by kids today

274

00:10:00,870 --> 00:09:59,680

they would typically spend most of their

275

00:10:03,509 --> 00:10:00,880

day roaming

276

00:10:04,630 --> 00:10:03,519

the land roaming their family's ranch

277

00:10:07,269 --> 00:10:04,640

which consisted of

278

00:10:08,870 --> 00:10:07,279

tens of thousands of acres and they

279

00:10:10,069 --> 00:10:08,880

would basically be out there keeping

280

00:10:12,069 --> 00:10:10,079

track of cattle

281

00:10:13,430 --> 00:10:12,079

and on this particular day their father

282

00:10:16,230 --> 00:10:13,440

had sent them out

283

00:10:18,790 --> 00:10:16,240

asking them to keep track of a specific

284

00:10:22,069 --> 00:10:18,800

cow that was about to have a calf

285

00:10:24,630 --> 00:10:22,079

and on this day there was a thunderstorm

286

00:10:26,630 --> 00:10:24,640

and they heard a loud bang and then

287

00:10:27,829 --> 00:10:26,640

something went down and in the distance

288

00:10:30,069 --> 00:10:27,839

in this hilly area

289

00:10:31,430 --> 00:10:30,079

they saw smoke rising they knew

290

00:10:32,870 --> 00:10:31,440

something had crashed they thought

291

00:10:34,470 --> 00:10:32,880

perhaps it was a plane

292

00:10:39,350 --> 00:10:34,480

and even though these boys were quite

293

00:10:43,110 --> 00:10:42,150

so these two boys on horseback travel

294

00:10:45,670 --> 00:10:43,120

some distance

295

00:10:47,030 --> 00:10:45,680

to arrive at the crash scene and they

296

00:10:48,870 --> 00:10:47,040

get fairly close

297

00:10:51,670 --> 00:10:48,880

and what they see is a craft they

298

00:10:54,710 --> 00:10:51,680

describe as avocado in shape

299

00:10:56,630 --> 00:10:54,720

and it was metallic in material and

300

00:10:58,790 --> 00:10:56,640

fairly smooth

301  
00:11:00,550 --> 00:10:58,800  
and there was an opening whether that

302  
00:11:01,350 --> 00:11:00,560  
was from the accident or something else

303  
00:11:03,030 --> 00:11:01,360  
is unclear

304  
00:11:04,949 --> 00:11:03,040  
but there was an opening and they could

305  
00:11:05,990 --> 00:11:04,959  
see creatures inside that looked

306  
00:11:08,630 --> 00:11:06,000  
decidedly

307  
00:11:09,670 --> 00:11:08,640  
non-human and so now we pick up in a

308  
00:11:11,430 --> 00:11:09,680  
portion of the book

309  
00:11:12,710 --> 00:11:11,440  
where they describe what the creatures

310  
00:11:15,110 --> 00:11:12,720  
looked like

311  
00:11:16,230 --> 00:11:15,120  
quote what happened to the creatures the

312  
00:11:18,870 --> 00:11:16,240  
two boys had seen

313  
00:11:19,990 --> 00:11:18,880

after the crash what did they look like

314

00:11:21,990 --> 00:11:20,000

were they human

315

00:11:23,829 --> 00:11:22,000

and if they were not human what could we

316

00:11:25,670 --> 00:11:23,839

learn about them

317

00:11:27,030 --> 00:11:25,680

paola moved the discussion back to the

318

00:11:29,190 --> 00:11:27,040

beginning the very first

319

00:11:31,269 --> 00:11:29,200

afternoon during this storm when the

320

00:11:32,069 --> 00:11:31,279

object plowed into the hillside and came

321

00:11:34,230 --> 00:11:32,079

to rest

322

00:11:36,470 --> 00:11:34,240

with a big open gash and several

323

00:11:39,750 --> 00:11:36,480

creatures in obvious distress

324

00:11:41,590 --> 00:11:39,760

inside the damaged craft paula asks

325

00:11:43,509 --> 00:11:41,600

did you ever both when you were

326

00:11:44,710 --> 00:11:43,519

discussing as kids did you ever discuss

327

00:11:46,389 --> 00:11:44,720

the beings

328

00:11:49,590 --> 00:11:46,399

remy says yes their heads were

329

00:11:52,310 --> 00:11:49,600

comparable to a kampamoka

330

00:11:53,750 --> 00:11:52,320

that's what we saw paula says what do

331

00:11:54,470 --> 00:11:53,760

you mean you saw them and they look like

332

00:11:56,629 --> 00:11:54,480

a bug

333

00:11:59,590 --> 00:11:56,639

remy says yes they were ugly to us at

334

00:12:01,670 --> 00:11:59,600

first their heads look like a kampamoka

335

00:12:03,670 --> 00:12:01,680

paula says would you say it in english

336

00:12:04,629 --> 00:12:03,680

remy says the closest translation would

337

00:12:10,069 --> 00:12:04,639

be like

338

00:12:12,230 --> 00:12:10,079

heck a bug a praying mantis unquote

339

00:12:14,550 --> 00:12:12,240

now when i read this account regarding

340

00:12:17,350 --> 00:12:14,560

the appearance of these others

341

00:12:19,430 --> 00:12:17,360

i was taken aback not because it's new

342

00:12:20,870 --> 00:12:19,440

because of course we find these praying

343

00:12:23,430 --> 00:12:20,880

mantis type figures

344

00:12:23,990 --> 00:12:23,440

referred to time and time again i don't

345

00:12:25,829 --> 00:12:24,000

know how many

346

00:12:27,509 --> 00:12:25,839

times we've already discussed them on

347

00:12:29,350 --> 00:12:27,519

the various episodes of the point of

348

00:12:31,990 --> 00:12:29,360

convergence podcast

349

00:12:34,190 --> 00:12:32,000

but here we have the very first event in

350

00:12:37,269 --> 00:12:34,200

modern ufo history

351

00:12:40,550 --> 00:12:37,279

1945 right at the beginning

352

00:12:42,310 --> 00:12:40,560

and we see an event that involves these

353

00:12:44,310 --> 00:12:42,320

praying mantis beings

354

00:12:46,629 --> 00:12:44,320

and interestingly they hint at it here

355

00:12:49,829 --> 00:12:46,639

and it's discussed elsewhere in the book

356

00:12:51,590 --> 00:12:49,839

these beings didn't really walk as if

357

00:12:54,150 --> 00:12:51,600

their feet were touching the ground it's

358

00:12:56,550 --> 00:12:54,160

more like they glided back and forth

359

00:12:58,069 --> 00:12:56,560

and the boys describe it as they just

360

00:12:58,870 --> 00:12:58,079

wheeled themselves from one place to

361

00:13:00,870 --> 00:12:58,880

another

362

00:13:03,590 --> 00:13:00,880

and as the book described and as we just

363

00:13:05,430 --> 00:13:03,600

touched on they were in some distress

364

00:13:06,870 --> 00:13:05,440

the scene at least what the boys were

365

00:13:08,790 --> 00:13:06,880

intended to see

366

00:13:10,470 --> 00:13:08,800

was apparently involving creatures who

367

00:13:12,069 --> 00:13:10,480

were in distress because they had just

368

00:13:13,990 --> 00:13:12,079

crashed a craft

369

00:13:15,910 --> 00:13:14,000

they even let out a high-pitched wine

370

00:13:17,269 --> 00:13:15,920

that the boys perceived as a kind of

371

00:13:21,509 --> 00:13:17,279

crying almost like an

372

00:13:24,069 --> 00:13:21,519

infant crying

373

00:13:25,110 --> 00:13:24,079

now as i mentioned in the introduction

374

00:13:27,829 --> 00:13:25,120

this interaction

375

00:13:28,870 --> 00:13:27,839

also involved telepathic communication

376

00:13:31,350 --> 00:13:28,880

and of course this is

377

00:13:32,470 --> 00:13:31,360

also very common in the ufo phenomenon

378

00:13:33,990 --> 00:13:32,480

literature

379

00:13:35,829 --> 00:13:34,000

and i want to quote again from the book

380

00:13:38,550 --> 00:13:35,839

where this is discussed

381

00:13:40,310 --> 00:13:38,560

quote remy confirms to paula that the

382

00:13:42,150 --> 00:13:40,320

situation was emotional

383

00:13:43,829 --> 00:13:42,160

but something else then comes into his

384

00:13:45,590 --> 00:13:43,839

recollection something

385

00:13:48,310 --> 00:13:45,600

more than the realization that they've

386

00:13:50,629 --> 00:13:48,320

just watched an airplane crash

387

00:13:51,350 --> 00:13:50,639

he says then we saw these pictures in

388

00:13:54,150 --> 00:13:51,360

our heads

389

00:13:55,590 --> 00:13:54,160

he says surprised she asked him to

390

00:13:57,350 --> 00:13:55,600

repeat that statement

391

00:13:59,350 --> 00:13:57,360

and he confirms there were pictures

392

00:13:59,910 --> 00:13:59,360

adding i don't know what the heck they

393

00:14:03,350 --> 00:13:59,920

were

394

00:14:06,310 --> 00:14:03,360

pictures

395

00:14:07,750 --> 00:14:06,320

but i don't know what they meant then

396

00:14:10,550 --> 00:14:07,760

and i still don't know

397

00:14:11,910 --> 00:14:10,560

they must have known we were there this

398

00:14:13,590 --> 00:14:11,920

statement is

399

00:14:15,590 --> 00:14:13,600

important because it marks the first

400

00:14:18,150 --> 00:14:15,600

instance of a kind of interaction

401  
00:14:19,030 --> 00:14:18,160  
between the phenomenon and its witnesses

402  
00:14:20,710 --> 00:14:19,040  
that may

403  
00:14:22,870 --> 00:14:20,720  
be fundamental to our eventual

404  
00:14:23,829 --> 00:14:22,880  
understanding of the ufo problem in

405  
00:14:25,990 --> 00:14:23,839  
general

406  
00:14:30,069 --> 00:14:26,000  
witnesses are an integral part of the

407  
00:14:31,910 --> 00:14:30,079  
event unquote

408  
00:14:33,350 --> 00:14:31,920  
so there was a lot discussed there so

409  
00:14:34,790 --> 00:14:33,360  
let's break it down a little bit

410  
00:14:37,509 --> 00:14:34,800  
let me paint the picture a little

411  
00:14:39,829 --> 00:14:37,519  
clearer so the boys were looking

412  
00:14:41,030 --> 00:14:39,839  
from some distance but not too far away

413  
00:14:42,790 --> 00:14:41,040

and they could see these creatures

414

00:14:44,550 --> 00:14:42,800

moving back and forth

415

00:14:46,470 --> 00:14:44,560

at no point did the creatures actually

416

00:14:47,910 --> 00:14:46,480

turn and look at them directly from what

417

00:14:51,030 --> 00:14:47,920

they recall

418

00:14:52,629 --> 00:14:51,040

and yet pictures suddenly appeared in

419

00:14:54,790 --> 00:14:52,639

their head that didn't come from their

420

00:14:57,110 --> 00:14:54,800

own imagination or from their memory

421

00:14:58,470 --> 00:14:57,120

just spontaneously these images started

422

00:15:00,470 --> 00:14:58,480

coming into their heads

423

00:15:02,150 --> 00:15:00,480

and that's what makes remy conclude they

424

00:15:04,389 --> 00:15:02,160

must have known we were there

425

00:15:05,829 --> 00:15:04,399

because these messages were being sent

426

00:15:07,509 --> 00:15:05,839

it was either being sent from these

427

00:15:10,710 --> 00:15:07,519

creatures or someone else

428

00:15:12,550 --> 00:15:10,720

in the vicinity but clearly these images

429

00:15:14,470 --> 00:15:12,560

these thoughts that came into their head

430

00:15:15,670 --> 00:15:14,480

telepathically were coming from

431

00:15:17,910 --> 00:15:15,680

somewhere

432

00:15:19,509 --> 00:15:17,920

and what's truly fascinating it's only

433

00:15:21,509 --> 00:15:19,519

just touched on in the book

434

00:15:24,230 --> 00:15:21,519

but paula harris has discussed it in

435

00:15:26,389 --> 00:15:24,240

more detail in some other podcasts

436

00:15:29,350 --> 00:15:26,399

one of the images they saw was of human

437

00:15:31,030 --> 00:15:29,360

beings falling from tall buildings

438

00:15:33,030 --> 00:15:31,040

and of course when you read this you

439

00:15:36,150 --> 00:15:33,040

immediately think of 911

440

00:15:40,310 --> 00:15:36,160

and people jumping from the two towers

441

00:15:42,629 --> 00:15:40,320

was this what they saw in 1945

442

00:15:44,230 --> 00:15:42,639

one really wonders which raises all

443

00:15:46,550 --> 00:15:44,240

sorts of interesting questions

444

00:15:50,710 --> 00:15:46,560

of where these creatures come from and

445

00:15:55,269 --> 00:15:52,949

it's also important to note that here

446

00:15:57,829 --> 00:15:55,279

valet states how important it is

447

00:15:58,710 --> 00:15:57,839

that we pay attention to witnesses how

448

00:16:00,710 --> 00:15:58,720

central their

449

00:16:02,310 --> 00:16:00,720

testimony is in order for us to

450

00:16:05,110 --> 00:16:02,320

reconstruct the events

451  
00:16:07,590 --> 00:16:05,120  
and understand the underlying meaning of

452  
00:16:10,389 --> 00:16:07,600  
the ufo phenomenon

453  
00:16:10,949 --> 00:16:10,399  
now this is key and valet returns to

454  
00:16:13,509 --> 00:16:10,959  
this point

455  
00:16:14,470 --> 00:16:13,519  
time and time again in his writing he

456  
00:16:16,470 --> 00:16:14,480  
believes the

457  
00:16:18,310 --> 00:16:16,480  
main purpose of these events these

458  
00:16:20,230 --> 00:16:18,320  
sightings and these interactions with

459  
00:16:22,629 --> 00:16:20,240  
apparently non-human intelligence

460  
00:16:23,269 --> 00:16:22,639  
is primarily psychical that it's meant

461  
00:16:25,910 --> 00:16:23,279  
to

462  
00:16:27,749 --> 00:16:25,920  
play a role in shaping our consciousness

463  
00:16:28,629 --> 00:16:27,759

and that's why he pays so much attention

464

00:16:30,629 --> 00:16:28,639

to it here

465

00:16:32,310 --> 00:16:30,639

and he makes note of this very first

466

00:16:33,350 --> 00:16:32,320

case where we have telepathic

467

00:16:38,629 --> 00:16:33,360

communication

468

00:16:42,710 --> 00:16:40,629

now these boys were very curious and

469

00:16:46,230 --> 00:16:42,720

they didn't just see the crashed craft

470

00:16:48,069 --> 00:16:46,240

one time no they went back several times

471

00:16:49,990 --> 00:16:48,079

one time they went back even after the

472

00:16:53,269 --> 00:16:50,000

military had shown up and were preparing

473

00:16:55,509 --> 00:16:53,279

to haul away the debris and on an

474

00:16:57,269 --> 00:16:55,519

evening when the military personnel had

475

00:16:59,590 --> 00:16:57,279

already gone to the owl

476  
00:17:00,470 --> 00:16:59,600  
for drinks and whatnot the boys snuck

477  
00:17:03,350 --> 00:17:00,480  
into the site

478  
00:17:04,870 --> 00:17:03,360  
and actually went aboard the craft and

479  
00:17:07,350 --> 00:17:04,880  
they took some debris

480  
00:17:07,990 --> 00:17:07,360  
back with them and they buried it in a

481  
00:17:10,789 --> 00:17:08,000  
barn

482  
00:17:11,990 --> 00:17:10,799  
on their property and then we come to a

483  
00:17:14,150 --> 00:17:12,000  
very interesting

484  
00:17:15,029 --> 00:17:14,160  
fascinating incident that involves the

485  
00:17:17,270 --> 00:17:15,039  
sheep herder

486  
00:17:20,549 --> 00:17:17,280  
who had an experience with these others

487  
00:17:25,110 --> 00:17:22,710  
so let's set the scene here the boys

488  
00:17:27,990 --> 00:17:25,120

come back to the property of the ranch

489

00:17:29,270 --> 00:17:28,000

and they bury this debris which they

490

00:17:31,990 --> 00:17:29,280

consider treasure or

491

00:17:33,750 --> 00:17:32,000

tesoro that's what they keep calling it

492

00:17:34,549 --> 00:17:33,760

and they buried underneath a residence

493

00:17:36,230 --> 00:17:34,559

on the property

494

00:17:38,310 --> 00:17:36,240

where sometimes different workers would

495

00:17:40,150 --> 00:17:38,320

live within and underneath this

496

00:17:42,390 --> 00:17:40,160

residence was a gap between the ground

497

00:17:44,630 --> 00:17:42,400

floor and the actual ground

498

00:17:46,390 --> 00:17:44,640

that was left open in case of flooding

499

00:17:48,950 --> 00:17:46,400

so the boys buried this

500

00:17:49,990 --> 00:17:48,960

treasure quote unquote underneath this

501  
00:17:52,390 --> 00:17:50,000  
residence

502  
00:17:53,909 --> 00:17:52,400  
and there was a sheep herder staying in

503  
00:17:55,430 --> 00:17:53,919  
that very residence

504  
00:17:57,029 --> 00:17:55,440  
and this leads to an experience where

505  
00:17:58,310 --> 00:17:57,039  
the sheepherder is woken up in the

506  
00:18:00,470 --> 00:17:58,320  
middle of the night

507  
00:18:03,110 --> 00:18:00,480  
by strange beings and he has a

508  
00:18:05,350 --> 00:18:03,120  
telepathic interaction with them

509  
00:18:07,110 --> 00:18:05,360  
basically the way it goes the

510  
00:18:07,909 --> 00:18:07,120  
sheepherder comes and knocks on the door

511  
00:18:10,950 --> 00:18:07,919  
the next morning

512  
00:18:14,230 --> 00:18:10,960  
says he needs to speak to the father

513  
00:18:15,830 --> 00:18:14,240

and he says alejandro you know i'm going

514

00:18:18,549 --> 00:18:15,840

to have to leave this place

515

00:18:20,310 --> 00:18:18,559

why the father asks well he says you

516

00:18:21,190 --> 00:18:20,320

know last night i was asleep and i got

517

00:18:23,190 --> 00:18:21,200

woke up

518

00:18:25,430 --> 00:18:23,200

i saw this light out there by the well

519

00:18:27,750 --> 00:18:25,440

there was this light out there and i

520

00:18:29,350 --> 00:18:27,760

and here remy hesitates the book says

521

00:18:31,270 --> 00:18:29,360

because he was emotional

522

00:18:32,950 --> 00:18:31,280

paula says okay he saw a light by the

523

00:18:34,950 --> 00:18:32,960

well remy says

524

00:18:36,870 --> 00:18:34,960

by the well and he says i looked out the

525

00:18:37,909 --> 00:18:36,880

window and the next thing there's these

526

00:18:41,270 --> 00:18:37,919

three critters

527

00:18:43,430 --> 00:18:41,280

in my room and the doors locked

528

00:18:45,510 --> 00:18:43,440

and so he points towards the floor and

529

00:18:47,270 --> 00:18:45,520

they're saying to sorrow

530

00:18:48,950 --> 00:18:47,280

paula oh no you never told me this part

531

00:18:49,750 --> 00:18:48,960

of the story this is incredible oh my

532

00:18:51,590 --> 00:18:49,760

lord

533

00:18:53,590 --> 00:18:51,600

remy says and so they're pointing there

534

00:18:54,950 --> 00:18:53,600

and so he says to sorrow there's a

535

00:18:56,870 --> 00:18:54,960

treasure down there

536

00:18:59,430 --> 00:18:56,880

and so these guys are doing that pedro

537

00:19:01,190 --> 00:18:59,440

says i got my rifle and i'm going to

538

00:19:02,390 --> 00:19:01,200

shoot them because they have no business

539

00:19:04,870 --> 00:19:02,400

in my house

540

00:19:06,470 --> 00:19:04,880

and so i got my rifle and they're gone

541

00:19:07,510 --> 00:19:06,480

but you know what they went right

542

00:19:13,029 --> 00:19:07,520

through the wall

543

00:19:18,310 --> 00:19:15,110

now this is such a fascinating account

544

00:19:21,430 --> 00:19:18,320

such a incredible part of the book

545

00:19:24,070 --> 00:19:21,440

to describe again what happens the boys

546

00:19:25,190 --> 00:19:24,080

bury this treasure to sorrow underneath

547

00:19:27,029 --> 00:19:25,200

this residence

548

00:19:28,310 --> 00:19:27,039

in the middle of the night this poor

549

00:19:29,830 --> 00:19:28,320

sheepherder who's staying in this

550

00:19:31,590 --> 00:19:29,840

residence

551  
00:19:33,669 --> 00:19:31,600  
sees a light outside the next thing he

552  
00:19:35,190 --> 00:19:33,679  
knows there's three critters again these

553  
00:19:36,470 --> 00:19:35,200  
insect-like beings these praying

554  
00:19:38,870 --> 00:19:36,480  
mantis-like beings

555  
00:19:40,549 --> 00:19:38,880  
are inside the residence even though the

556  
00:19:41,669 --> 00:19:40,559  
door is locked he doesn't know how they

557  
00:19:43,270 --> 00:19:41,679  
got in there

558  
00:19:45,590 --> 00:19:43,280  
and they keep referring to

559  
00:19:48,070 --> 00:19:45,600  
telepathically it's assumed

560  
00:19:49,430 --> 00:19:48,080  
this tesoro they're pointing underneath

561  
00:19:50,630 --> 00:19:49,440  
the residence he doesn't know what

562  
00:19:52,310 --> 00:19:50,640  
they're talking about

563  
00:19:53,830 --> 00:19:52,320

of course this is referring to what the

564

00:19:55,590 --> 00:19:53,840

boys had buried there

565

00:19:57,029 --> 00:19:55,600

and even what they called it so these

566

00:19:59,110 --> 00:19:57,039

creatures knew

567

00:20:00,950 --> 00:19:59,120

what the boys were thinking and saying

568

00:20:03,590 --> 00:20:00,960

on the property

569

00:20:05,750 --> 00:20:03,600

and this sheep herder goes to get his

570

00:20:07,990 --> 00:20:05,760

rifle to shoot at these creatures

571

00:20:09,110 --> 00:20:08,000

and they go right through the wall and

572

00:20:13,350 --> 00:20:09,120

are gone

573

00:20:16,870 --> 00:20:15,029

now you have a sense of the general

574

00:20:18,149 --> 00:20:16,880

outline of events you know about the

575

00:20:20,470 --> 00:20:18,159

boys witnessing this

576

00:20:22,789 --> 00:20:20,480

initial crash you know about these boys

577

00:20:24,870 --> 00:20:22,799

having telepathic communications

578

00:20:25,990 --> 00:20:24,880

with these creatures involving visions

579

00:20:28,230 --> 00:20:26,000

of future events

580

00:20:29,669 --> 00:20:28,240

even events that seemingly have come to

581

00:20:31,909 --> 00:20:29,679

pass since then

582

00:20:33,350 --> 00:20:31,919

and you know about later occurrences

583

00:20:35,350 --> 00:20:33,360

involving communication

584

00:20:36,870 --> 00:20:35,360

and appearances involving these

585

00:20:39,110 --> 00:20:36,880

creatures inside

586

00:20:40,630 --> 00:20:39,120

the barn residence with this sheep

587

00:20:42,310 --> 00:20:40,640

herder

588

00:20:44,230 --> 00:20:42,320

now i'd like to move to a section of the

589

00:20:46,310 --> 00:20:44,240

book where valet and harris begin to

590

00:20:49,350 --> 00:20:46,320

draw some tentative conclusions

591

00:20:50,470 --> 00:20:49,360

and ask some provocative questions and

592

00:20:52,630 --> 00:20:50,480

they don't just discuss

593

00:20:53,990 --> 00:20:52,640

this case they also draw parallels with

594

00:20:56,470 --> 00:20:54,000

the roswell case

595

00:20:58,070 --> 00:20:56,480

as well as the lani zamora case from

596

00:20:59,990 --> 00:20:58,080

socorro new mexico

597

00:21:01,669 --> 00:21:00,000

and they make note that the craft looked

598

00:21:03,990 --> 00:21:01,679

quite similar between

599

00:21:06,230 --> 00:21:04,000

the lani zamora case and what was

600

00:21:09,510 --> 00:21:06,240

witnessed at trinity

601  
00:21:11,909 --> 00:21:09,520  
and this is what the book says quote

602  
00:21:12,630 --> 00:21:11,919  
the few scientists who doggedly followed

603  
00:21:14,470 --> 00:21:12,640  
the reports

604  
00:21:15,669 --> 00:21:14,480  
interviewed witnesses and compiled

605  
00:21:17,350 --> 00:21:15,679  
serious files

606  
00:21:18,870 --> 00:21:17,360  
could only look at each other shake

607  
00:21:20,870 --> 00:21:18,880  
their heads and ask

608  
00:21:22,549 --> 00:21:20,880  
if you were smart enough to come here

609  
00:21:26,149 --> 00:21:22,559  
from alpha centauri

610  
00:21:27,990 --> 00:21:26,159  
why would you crash on that guy's farm

611  
00:21:30,390 --> 00:21:28,000  
i still don't have a good answer to that

612  
00:21:31,510 --> 00:21:30,400  
one but what if you didn't come from

613  
00:21:34,310 --> 00:21:31,520

alpha centauri

614

00:21:35,909 --> 00:21:34,320

at all what if your spacecraft was

615

00:21:39,110 --> 00:21:35,919

designed to crash

616

00:21:40,310 --> 00:21:39,120

what if it was a gift or a signal or a

617

00:21:43,750 --> 00:21:40,320

warning

618

00:21:45,909 --> 00:21:43,760

the hopeful inception of a strategic

619

00:21:47,350 --> 00:21:45,919

what if it wasn't a spacecraft quote

620

00:21:49,669 --> 00:21:47,360

unquote in our current

621

00:21:52,230 --> 00:21:49,679

primitive sense of the word what if you

622

00:21:54,549 --> 00:21:52,240

didn't care if the occupants died

623

00:21:56,830 --> 00:21:54,559

nobody had seriously considered those

624

00:21:59,190 --> 00:21:56,840

alternatives

625

00:22:01,510 --> 00:21:59,200

unquote

626  
00:22:02,390 --> 00:22:01,520  
as i mentioned in the introduction valet

627  
00:22:05,190 --> 00:22:02,400  
and harris go

628  
00:22:05,909 --> 00:22:05,200  
out of their way to point to the uncanny

629  
00:22:08,950 --> 00:22:05,919  
timing

630  
00:22:10,310 --> 00:22:08,960  
and location of this event this event

631  
00:22:13,510 --> 00:22:10,320  
that saw the first

632  
00:22:14,310 --> 00:22:13,520  
ever interaction with a ufo and its

633  
00:22:17,190 --> 00:22:14,320  
occupants

634  
00:22:19,669 --> 00:22:17,200  
in the modern era this happened at the

635  
00:22:20,310 --> 00:22:19,679  
very location and at the very same time

636  
00:22:23,110 --> 00:22:20,320  
period

637  
00:22:23,909 --> 00:22:23,120  
that humankind detonated its first

638  
00:22:27,510 --> 00:22:23,919

atomic

639

00:22:30,549 --> 00:22:27,520

weapon and this is what valet and harris

640

00:22:34,310 --> 00:22:30,559

say to frame this event quote on

641

00:22:37,590 --> 00:22:34,320

august 15 1945 the emperor of japan

642

00:22:39,750 --> 00:22:37,600

broken humiliated and confused issued an

643

00:22:41,750 --> 00:22:39,760

imperial rescript of surrender

644

00:22:43,029 --> 00:22:41,760

accepting the terms of the pos dam

645

00:22:46,070 --> 00:22:43,039

declaration

646

00:22:48,390 --> 00:22:46,080

and on september 2nd 1945 his

647

00:22:51,750 --> 00:22:48,400

envoy signed the instrument of surrender

648

00:22:53,669 --> 00:22:51,760

on the flight deck of the uss missouri

649

00:22:54,950 --> 00:22:53,679

and two days after the emperor's

650

00:22:57,190 --> 00:22:54,960

surrender just

651  
00:22:58,789 --> 00:22:57,200  
one month after the awesome atomic test

652  
00:23:01,110 --> 00:22:58,799  
by robert oppenheimer

653  
00:23:02,230 --> 00:23:01,120  
and rico fermi and their star team of

654  
00:23:04,950 --> 00:23:02,240  
physicists

655  
00:23:06,070 --> 00:23:04,960  
a weird object came out of nowhere

656  
00:23:08,390 --> 00:23:06,080  
circled in the sky

657  
00:23:10,630 --> 00:23:08,400  
over the mesquite-infested hills only

658  
00:23:13,750 --> 00:23:10,640  
some 10 miles north of trinity

659  
00:23:14,149 --> 00:23:13,760  
and crashed on a new mexico ranch as if

660  
00:23:16,470 --> 00:23:14,159  
to

661  
00:23:17,430 --> 00:23:16,480  
underline the enormity of what had taken

662  
00:23:20,070 --> 00:23:17,440  
place

663  
00:23:21,110 --> 00:23:20,080

or to acknowledge it or to offer a

664

00:23:22,870 --> 00:23:21,120

warning perhaps

665

00:23:24,149 --> 00:23:22,880

a sign that somebody else had been

666

00:23:27,350 --> 00:23:24,159

watching

667

00:23:29,350 --> 00:23:27,360

or even in my own speculation to open a

668

00:23:32,149 --> 00:23:29,360

parallel historical and strategic

669

00:23:34,149 --> 00:23:32,159

path one that superseded even the taming

670

00:23:37,110 --> 00:23:34,159

of the atomic force

671

00:23:37,750 --> 00:23:37,120

is that why a few years later canadian

672

00:23:40,310 --> 00:23:37,760

government

673

00:23:41,110 --> 00:23:40,320

scientist wilbert smith of project

674

00:23:43,669 --> 00:23:41,120

magnet

675

00:23:44,870 --> 00:23:43,679

would be quietly briefed on u.s research

676  
00:23:47,590 --> 00:23:44,880  
on ufos

677  
00:23:49,510 --> 00:23:47,600  
and told it was classified quote higher

678  
00:23:53,350 --> 00:23:49,520  
than the atomic weapon

679  
00:23:57,669 --> 00:23:55,269  
now one thing that really sets valet

680  
00:24:01,029 --> 00:23:57,679  
apart from other ufo researchers

681  
00:24:03,669 --> 00:24:01,039  
is that he doesn't accept simple answers

682  
00:24:05,669 --> 00:24:03,679  
he asks deeper questions and most

683  
00:24:07,750 --> 00:24:05,679  
importantly he pays attention to

684  
00:24:08,950 --> 00:24:07,760  
all the data even when it seems

685  
00:24:10,789 --> 00:24:08,960  
contradictory

686  
00:24:12,630 --> 00:24:10,799  
and he assumes when he sees that there

687  
00:24:14,390 --> 00:24:12,640  
must be some deeper meaning

688  
00:24:16,230 --> 00:24:14,400

one that is perhaps different than what

689

00:24:18,870 --> 00:24:16,240

we see and understand

690

00:24:20,310 --> 00:24:18,880

at the surface level clearly the

691

00:24:22,870 --> 00:24:20,320

phenomenon defies

692

00:24:24,149 --> 00:24:22,880

simple analysis according to valet and

693

00:24:26,149 --> 00:24:24,159

harris

694

00:24:27,430 --> 00:24:26,159

this is something else they postulate

695

00:24:30,390 --> 00:24:27,440

about in the book

696

00:24:32,470 --> 00:24:30,400

quote to us it seems that the phenomenon

697

00:24:34,710 --> 00:24:32,480

and in particular the three detailed

698

00:24:36,470 --> 00:24:34,720

cases we have reviewed here

699

00:24:38,230 --> 00:24:36,480

functions with reference to a more

700

00:24:40,549 --> 00:24:38,240

complex strategy

701  
00:24:41,350 --> 00:24:40,559  
it displays just enough to intrigue the

702  
00:24:43,750 --> 00:24:41,360  
witnesses

703  
00:24:44,470 --> 00:24:43,760  
and the society around them and it uses

704  
00:24:46,789 --> 00:24:44,480  
imagery

705  
00:24:48,390 --> 00:24:46,799  
recognizable to us but it is

706  
00:24:51,269 --> 00:24:48,400  
sufficiently flexible

707  
00:24:52,549 --> 00:24:51,279  
in time and in space to defeat simple

708  
00:24:55,110 --> 00:24:52,559  
analysis

709  
00:24:55,750 --> 00:24:55,120  
if that is true then it's unlikely that

710  
00:24:58,390 --> 00:24:55,760  
we will learn

711  
00:25:00,390 --> 00:24:58,400  
anything really useful or operational

712  
00:25:01,269 --> 00:25:00,400  
about the phenomenon as long as our

713  
00:25:04,230 --> 00:25:01,279

studies

714

00:25:05,830 --> 00:25:04,240

overt or secret only concern themselves

715

00:25:08,789 --> 00:25:05,840

with the overt technology

716

00:25:12,830 --> 00:25:08,799

on the scene as staged for our benefit

717

00:25:16,470 --> 00:25:14,310

unquote

718

00:25:17,750 --> 00:25:16,480

now on previous episodes of the point of

719

00:25:20,710 --> 00:25:17,760

convergence podcast

720

00:25:22,549 --> 00:25:20,720

i've talked about various scenarios that

721

00:25:24,789 --> 00:25:22,559

await us in our future

722

00:25:25,669 --> 00:25:24,799

scenarios that are potentially dangerous

723

00:25:28,710 --> 00:25:25,679

and are even

724

00:25:31,110 --> 00:25:28,720

potentially civilization ending events

725

00:25:32,950 --> 00:25:31,120

one of these i've discussed is the

726

00:25:33,750 --> 00:25:32,960

singularity the technological

727

00:25:36,710 --> 00:25:33,760

singularity

728

00:25:39,190 --> 00:25:36,720

that is fast approaching i've described

729

00:25:41,669 --> 00:25:39,200

it like a tsunami that is coming at us

730

00:25:43,350 --> 00:25:41,679

that most people aren't even aware of it

731

00:25:45,669 --> 00:25:43,360

is going to happen likely within our

732

00:25:47,350 --> 00:25:45,679

lifetimes within the next few decades

733

00:25:48,789 --> 00:25:47,360

it's going to be a convergence of

734

00:25:50,870 --> 00:25:48,799

various technologies

735

00:25:52,630 --> 00:25:50,880

that will create a very unique point in

736

00:25:54,950 --> 00:25:52,640

history that we will either

737

00:25:57,190 --> 00:25:54,960

evolve from and come out on the other

738

00:25:57,590 --> 00:25:57,200

side or perhaps collapse under the

739

00:26:00,630 --> 00:25:57,600

weight

740

00:26:03,990 --> 00:26:00,640

of our own gap between technology

741

00:26:07,029 --> 00:26:04,000

and consciousness and valley and harris

742

00:26:08,149 --> 00:26:07,039

also touched on this in the book and i

743

00:26:10,310 --> 00:26:08,159

quote

744

00:26:12,149 --> 00:26:10,320

we believe the phenomenon is not trying

745

00:26:13,110 --> 00:26:12,159

to teach us physics or advanced

746

00:26:14,870 --> 00:26:13,120

propulsion

747

00:26:16,310 --> 00:26:14,880

although most researchers will keep

748

00:26:19,590 --> 00:26:16,320

trying to extract such

749

00:26:22,070 --> 00:26:19,600

data or turn it into new weapons

750

00:26:24,710 --> 00:26:22,080

instead we believe it is trying to teach

751  
00:26:27,590 --> 00:26:24,720  
us to transcend our own humanity

752  
00:26:28,549 --> 00:26:27,600  
or perish in a toxic mental cloud of our

753  
00:26:31,269 --> 00:26:28,559  
own making

754  
00:26:32,789 --> 00:26:31,279  
when our civilization reaches its point

755  
00:26:36,789 --> 00:26:32,799  
of singularity

756  
00:26:39,909 --> 00:26:36,799  
unquote and now i'd like to offer a

757  
00:26:42,390 --> 00:26:39,919  
final thought for your consideration

758  
00:26:43,830 --> 00:26:42,400  
what many researchers politicians and

759  
00:26:46,070 --> 00:26:43,840  
members of the general public

760  
00:26:47,110 --> 00:26:46,080  
seem to miss in regards to the likely

761  
00:26:49,350 --> 00:26:47,120  
intentions

762  
00:26:51,190 --> 00:26:49,360  
behind the visitation and subtle

763  
00:26:52,390 --> 00:26:51,200

intervention of a more advanced

764

00:26:54,950 --> 00:26:52,400

technological

765

00:26:56,230 --> 00:26:54,960

and moral intelligence is that they are

766

00:26:58,789 --> 00:26:56,240

likely here

767

00:26:59,510 --> 00:26:58,799

not to study us like we do with lesser

768

00:27:01,590 --> 00:26:59,520

species

769

00:27:03,830 --> 00:27:01,600

at our level of consciousness embedded

770

00:27:06,870 --> 00:27:03,840

within the supposedly objective period

771

00:27:07,990 --> 00:27:06,880

of materialistic science but rather in

772

00:27:10,710 --> 00:27:08,000

hopes of enabling

773

00:27:12,950 --> 00:27:10,720

our evolution which of course begins

774

00:27:14,789 --> 00:27:12,960

with assuring our survival

775

00:27:16,470 --> 00:27:14,799

and if they can see into our own

776

00:27:18,549 --> 00:27:16,480

civilization's future

777

00:27:20,630 --> 00:27:18,559

as evidence from this trinity case and

778

00:27:22,389 --> 00:27:20,640

many others suggest

779

00:27:23,669 --> 00:27:22,399

perhaps they are involved in order to

780

00:27:26,470 --> 00:27:23,679

help us avoid

781

00:27:28,630 --> 00:27:26,480

one particularly dark timeline that may

782

00:27:32,070 --> 00:27:28,640

exist in our future

783

00:27:33,669 --> 00:27:32,080

based on our present trajectory in fact

784

00:27:35,350 --> 00:27:33,679

perhaps they have determined that

785

00:27:38,070 --> 00:27:35,360

without such intervention

786

00:27:39,669 --> 00:27:38,080

we are almost certainly headed towards a

787

00:27:42,310 --> 00:27:39,679

catastrophic future

788

00:27:44,310 --> 00:27:42,320

that they may have already witnessed and

789

00:27:46,149 --> 00:27:44,320

of course if that's the case

790

00:27:48,230 --> 00:27:46,159

then we would do well to heed their

791

00:27:53,350 --> 00:27:48,240

warning with open eyes

792

00:27:56,950 --> 00:27:55,830

and on that note we've come to the close

793

00:27:59,750 --> 00:27:56,960

of another edition

794

00:28:00,389 --> 00:27:59,760

of the point of convergence podcast as

795

00:28:02,870 --> 00:28:00,399

always

796

00:28:03,750 --> 00:28:02,880

let's keep this conversation going and

797

00:28:06,070 --> 00:28:03,760

growing

798

00:28:07,669 --> 00:28:06,080

this past week we moved past 500

799

00:28:10,310 --> 00:28:07,679

subscribers on youtube

800

00:28:11,029 --> 00:28:10,320

and many more on various podcast

801

00:28:13,029 --> 00:28:11,039

networks

802

00:28:14,870 --> 00:28:13,039

that's a great sign let's keep this

803

00:28:17,269 --> 00:28:14,880

conversation moving forward thank you

804

00:28:19,350 --> 00:28:17,279

for sharing this with others

805

00:28:20,789 --> 00:28:19,360

but until next time friends from deep

806

00:28:24,070 --> 00:28:20,799

within the blue ridge mountains
