

Point of Convergence

PODCAST

Hosted by **ExoAcademician**

EPISODE #25

*Conceptions of UFO Origin:
Reviewing Psychic, Physical
& Transphysical Explanations
for the UFO Phenomenon*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:08,390

[Music]

2
00:00:12,230 --> 00:00:09,350

hello

3
00:00:14,310 --> 00:00:12,240

and welcome to episode number 25 of the

4
00:00:18,710 --> 00:00:14,320

point of convergence podcast

5
00:00:21,029 --> 00:00:18,720

as always i'm your host exo academian

6
00:00:21,910 --> 00:00:21,039

for anyone who spent any degree of time

7
00:00:24,150 --> 00:00:21,920

and energy

8
00:00:26,150 --> 00:00:24,160

researching the collective enigma known

9
00:00:28,950 --> 00:00:26,160

as the ufo phenomenon

10
00:00:31,429 --> 00:00:28,960

one thing is clear this topic is as

11
00:00:34,470 --> 00:00:31,439

elusive almost absurdly so

12
00:00:36,229 --> 00:00:34,480

as it is obsessively fascinating not

13
00:00:37,030 --> 00:00:36,239

only do the manifestations of these

14

00:00:40,549 --> 00:00:37,040

phenomena

15

00:00:42,790 --> 00:00:40,559

in and of themselves tantalize mesmerize

16

00:00:43,590 --> 00:00:42,800

and bewilder anyone who's paying close

17

00:00:45,990 --> 00:00:43,600

attention

18

00:00:48,549 --> 00:00:46,000

to the bizarre array of feats performed

19

00:00:52,869 --> 00:00:48,559

by the apparently non-humanly crafted

20

00:00:54,869 --> 00:00:52,879

aerial vehicles coined ufos or uap

21

00:00:56,069 --> 00:00:54,879

but the way the intelligences behind

22

00:00:58,549 --> 00:00:56,079

this phenomenon

23

00:01:00,150 --> 00:00:58,559

are able to manipulate human perception

24

00:01:02,389 --> 00:01:00,160

and or experience

25

00:01:03,189 --> 00:01:02,399

only further complicates this already

26

00:01:05,830 --> 00:01:03,199

murky

27

00:01:08,149 --> 00:01:05,840

if astonishing and invigorating subject

28

00:01:10,230 --> 00:01:08,159

matter

29

00:01:11,429 --> 00:01:10,240

regardless of how someone enters this

30

00:01:13,670 --> 00:01:11,439

conversation

31

00:01:15,749 --> 00:01:13,680

whether that be as a result of a nuts

32

00:01:17,030 --> 00:01:15,759

and bolts interest in next-gen

33

00:01:18,710 --> 00:01:17,040

technology

34

00:01:21,990 --> 00:01:18,720

and or an interaction with an

35

00:01:24,710 --> 00:01:22,000

intelligent non-human biological species

36

00:01:25,590 --> 00:01:24,720

or via a profoundly spiritual personal

37

00:01:27,749 --> 00:01:25,600

encounter

38

00:01:28,870 --> 00:01:27,759

with entities that are perceived as so

39

00:01:31,270 --> 00:01:28,880

superior and

40

00:01:32,710 --> 00:01:31,280

otherworldly that an expression like

41

00:01:35,109 --> 00:01:32,720

celestial being

42

00:01:35,990 --> 00:01:35,119

seems more appropriate than a blunt and

43

00:01:39,109 --> 00:01:36,000

crude term

44

00:01:41,429 --> 00:01:39,119

like alien this subject matter quickly

45

00:01:44,389 --> 00:01:41,439

expands into a wide-ranging

46

00:01:46,789 --> 00:01:44,399

and profound mystery one that inevitably

47

00:01:50,389 --> 00:01:46,799

leads to questions about the very nature

48

00:01:51,510 --> 00:01:50,399

of reality itself with decades of data

49

00:01:53,030 --> 00:01:51,520

now behind us

50

00:01:54,950 --> 00:01:53,040

there have been no shortage of

51

00:01:58,230 --> 00:01:54,960

hypotheses put forth

52

00:02:00,230 --> 00:01:58,240

to explain the nature meaning and origin

53

00:02:01,990 --> 00:02:00,240

of this phenomenon

54

00:02:03,670 --> 00:02:02,000

of course sometimes a particular

55

00:02:05,510 --> 00:02:03,680

hypothesis put forward

56

00:02:07,030 --> 00:02:05,520

will say as much about the worldview of

57

00:02:09,029 --> 00:02:07,040

the group proposing it

58

00:02:10,630 --> 00:02:09,039

as it does the nature of the encounters

59

00:02:13,190 --> 00:02:10,640

themselves

60

00:02:14,710 --> 00:02:13,200

and this is of course because regardless

61

00:02:16,390 --> 00:02:14,720

of how discombobulating these

62

00:02:19,190 --> 00:02:16,400

experiences can be

63

00:02:20,470 --> 00:02:19,200

for witnesses and or contactees slash

64

00:02:22,790 --> 00:02:20,480

abductees

65

00:02:24,949 --> 00:02:22,800

at the end of the day as with anything

66

00:02:26,949 --> 00:02:24,959

we have to try to make sense of them

67

00:02:28,070 --> 00:02:26,959

by slotting them into pre-ordained

68

00:02:31,589 --> 00:02:28,080

possibilities

69

00:02:33,910 --> 00:02:31,599

dictated by our reality paradigm

70

00:02:36,150 --> 00:02:33,920

even when a researcher tries to focus on

71

00:02:38,949 --> 00:02:36,160

a singular aspect of the data

72

00:02:41,270 --> 00:02:38,959

an honest thorough assessment of reports

73

00:02:44,309 --> 00:02:41,280

will often quickly lead the inquiry

74

00:02:45,190 --> 00:02:44,319

into another area altogether and that

75

00:02:48,229 --> 00:02:45,200

often creates

76

00:02:51,030 --> 00:02:48,239

understandable confusion for instance

77

00:02:52,630 --> 00:02:51,040

oftentimes these events are so complex

78

00:02:54,949 --> 00:02:52,640

that one is left wondering

79

00:02:57,270 --> 00:02:54,959

if the psychological aspect somehow

80

00:03:01,670 --> 00:02:57,280

manifests the apparent physicality

81

00:03:03,990 --> 00:03:01,680

or vice versa by way of example

82

00:03:05,509 --> 00:03:04,000

when physical phenomena are observed

83

00:03:08,229 --> 00:03:05,519

that supposedly violate

84

00:03:09,190 --> 00:03:08,239

our very notions of physics of how we

85

00:03:12,070 --> 00:03:09,200

assume the world

86

00:03:13,350 --> 00:03:12,080

works we're left wondering does this

87

00:03:16,070 --> 00:03:13,360

mean our perception

88

00:03:18,070 --> 00:03:16,080

is being played with somehow or that our

89

00:03:21,190 --> 00:03:18,080

very understanding of reality is

90

00:03:25,110 --> 00:03:21,200

being exposed as woefully incomplete

91

00:03:27,190 --> 00:03:25,120

if not almost wholly misguided

92

00:03:28,229 --> 00:03:27,200

as mentioned already over the last

93

00:03:30,710 --> 00:03:28,239

several decades

94

00:03:31,509 --> 00:03:30,720

a wide variety of hypotheses have been

95

00:03:33,350 --> 00:03:31,519

advanced

96

00:03:34,869 --> 00:03:33,360

to try to make sense of the ufo

97

00:03:36,789 --> 00:03:34,879

phenomenon

98

00:03:38,229 --> 00:03:36,799

so many possible explanations have

99

00:03:40,070 --> 00:03:38,239

emerged in fact

100

00:03:42,710 --> 00:03:40,080

that any attempt to keep track of the

101

00:03:46,070 --> 00:03:42,720

plethora of proposed explanations

102

00:03:48,229 --> 00:03:46,080

can in itself be dizzying that

103

00:03:49,670 --> 00:03:48,239

said one way one can organize these

104

00:03:52,149 --> 00:03:49,680

various hypotheses

105

00:03:53,110 --> 00:03:52,159

into a digestible and comprehensible

106

00:03:55,110 --> 00:03:53,120

whole

107

00:03:57,270 --> 00:03:55,120

is to view them from three different

108

00:03:59,750 --> 00:03:57,280

high altitude perspectives

109

00:04:01,030 --> 00:03:59,760

the psychic the physical and the trans

110

00:04:02,789 --> 00:04:01,040

physical

111

00:04:05,110 --> 00:04:02,799

and that's exactly the approach we'll

112

00:04:05,910 --> 00:04:05,120

employ to make sense of this enigmatic

113

00:04:08,949 --> 00:04:05,920

topic

114

00:04:17,909 --> 00:04:08,959

in this the 25th episode of the point of

115

00:04:21,030 --> 00:04:20,150

part of what makes studying the ufo

116

00:04:23,909 --> 00:04:21,040

phenomenon

117

00:04:25,990 --> 00:04:23,919

so challenging is that it's not exactly

118

00:04:26,870 --> 00:04:26,000

something you can recreate in a lab

119

00:04:29,270 --> 00:04:26,880

scenario

120

00:04:31,030 --> 00:04:29,280

to make sure that your hypothesis holds

121

00:04:34,070 --> 00:04:31,040

its weight

122

00:04:35,510 --> 00:04:34,080

now different researchers will examine

123

00:04:37,909 --> 00:04:35,520

different kinds of evidence

124

00:04:39,590 --> 00:04:37,919

different bodies of evidence and there

125

00:04:41,350 --> 00:04:39,600

isn't even an agreed upon

126

00:04:43,189 --> 00:04:41,360

assessment of what should count as

127

00:04:44,870 --> 00:04:43,199

evidence and so therefore it's not

128

00:04:46,150 --> 00:04:44,880

surprising that we end up with different

129

00:04:47,749 --> 00:04:46,160

hypotheses

130

00:04:52,550 --> 00:04:47,759

because different researchers are

131

00:04:55,590 --> 00:04:54,390

and of course that's only one of the

132

00:04:57,670 --> 00:04:55,600

challenges

133

00:04:59,670 --> 00:04:57,680

another challenge is that we just don't

134

00:05:01,510 --> 00:04:59,680

know how many players there are within

135

00:05:04,150 --> 00:05:01,520

the ufo phenomenon

136

00:05:04,710 --> 00:05:04,160

as i've mentioned numerous times before

137

00:05:08,150 --> 00:05:04,720

while we

138

00:05:10,390 --> 00:05:08,160

refer to it as a phenomenon singular

139

00:05:11,670 --> 00:05:10,400

it's almost certainly a collection of

140

00:05:14,950 --> 00:05:11,680

phenomena

141

00:05:16,870 --> 00:05:14,960

perhaps by multiple actors and different

142

00:05:17,590 --> 00:05:16,880

hypotheses could apply to different

143

00:05:19,990 --> 00:05:17,600

actors

144

00:05:21,909 --> 00:05:20,000

and perhaps where we're going wrong is

145

00:05:23,510 --> 00:05:21,919

that we're trying too often to slot it

146

00:05:26,150 --> 00:05:23,520

into one category

147

00:05:27,830 --> 00:05:26,160

perhaps that's a ill-advised way to

148

00:05:29,909 --> 00:05:27,840

approach this

149

00:05:31,510 --> 00:05:29,919

another issue is that of course the

150

00:05:32,550 --> 00:05:31,520

world views of the researchers

151
00:05:35,830 --> 00:05:32,560
themselves

152
00:05:38,070 --> 00:05:35,840
bleed into the data they bleed into the

153
00:05:39,270 --> 00:05:38,080
process by which researchers even

154
00:05:41,830 --> 00:05:39,280
consider something as

155
00:05:42,790 --> 00:05:41,840
possible and when you exclude certain

156
00:05:45,510 --> 00:05:42,800
phenomena

157
00:05:46,629 --> 00:05:45,520
from the get-go you're going to end up

158
00:05:48,790 --> 00:05:46,639
skewing the data

159
00:05:51,029 --> 00:05:48,800
and that happens time and time again

160
00:05:54,790 --> 00:05:51,039
because of the worldview bias

161
00:05:56,870 --> 00:05:54,800
on behalf of some of the researchers

162
00:05:58,870 --> 00:05:56,880
and the truth is even if you have an

163
00:06:01,909 --> 00:05:58,880

open mind and you're willing to consider

164

00:06:03,510 --> 00:06:01,919

almost every hypothesis in the book even

165

00:06:05,909 --> 00:06:03,520

ones that expand

166

00:06:07,270 --> 00:06:05,919

or completely collapse our former view

167

00:06:09,510 --> 00:06:07,280

of reality

168

00:06:11,430 --> 00:06:09,520

you're still left with very confusing

169

00:06:13,110 --> 00:06:11,440

confounding data

170

00:06:14,710 --> 00:06:13,120

and that may be part of the challenge

171

00:06:16,870 --> 00:06:14,720

that the government is running into

172

00:06:19,029 --> 00:06:16,880

in terms of trying to make sense of this

173

00:06:20,870 --> 00:06:19,039

they're not even sure what laws to apply

174

00:06:23,909 --> 00:06:20,880

to it for instance

175

00:06:26,070 --> 00:06:23,919

now dr eric davis is a scientist who

176

00:06:28,469 --> 00:06:26,080

advises the us government

177

00:06:30,790 --> 00:06:28,479

he was involved in atip the advanced

178

00:06:33,670 --> 00:06:30,800

aerospace threat identification program

179

00:06:33,990 --> 00:06:33,680

headed by luella zondo and he was also

180

00:06:35,830 --> 00:06:34,000

part

181

00:06:37,510 --> 00:06:35,840

of the advanced weapons special

182

00:06:39,350 --> 00:06:37,520

application program

183

00:06:40,710 --> 00:06:39,360

as well as other programs run by the

184

00:06:42,870 --> 00:06:40,720

government

185

00:06:45,670 --> 00:06:42,880

he knows as much as anyone when it comes

186

00:06:48,710 --> 00:06:45,680

to privileged classified information

187

00:06:52,469 --> 00:06:48,720

pertaining to the ufo slash uap

188

00:06:54,070 --> 00:06:52,479

subject and according to dr davis quote

189

00:06:56,629 --> 00:06:54,080

there is a lot of evidence that the

190

00:06:59,029 --> 00:06:56,639

government has known but the problem is

191

00:07:00,390 --> 00:06:59,039

it's so outside the realm of human

192

00:07:01,990 --> 00:07:00,400

comprehension

193

00:07:03,670 --> 00:07:02,000

that they can't deal with it on a

194

00:07:05,749 --> 00:07:03,680

legislative basis

195

00:07:07,350 --> 00:07:05,759

they can't deal with it on a military

196

00:07:09,270 --> 00:07:07,360

operational basis

197

00:07:11,029 --> 00:07:09,280

they can't deal with it on the basis of

198

00:07:14,790 --> 00:07:11,039

presidential policy

199

00:07:16,629 --> 00:07:14,800

unquote as i mentioned

200

00:07:18,550 --> 00:07:16,639

in the introduction today we're going to

201

00:07:21,670 --> 00:07:18,560

look at the ufo phenomenon

202

00:07:24,150 --> 00:07:21,680

from three high altitude perspectives

203

00:07:25,510 --> 00:07:24,160

the psychic the physical and the trans

204

00:07:26,870 --> 00:07:25,520

physical

205

00:07:28,950 --> 00:07:26,880

and this can be helpful because

206

00:07:30,950 --> 00:07:28,960

sometimes if you have a preferred

207

00:07:31,589 --> 00:07:30,960

hypothesis and you're always drilling

208

00:07:33,589 --> 00:07:31,599

down

209

00:07:34,870 --> 00:07:33,599

and trying to fit the data within that

210

00:07:37,430 --> 00:07:34,880

hypothesis

211

00:07:38,230 --> 00:07:37,440

you can actually lose your way sometimes

212

00:07:39,830 --> 00:07:38,240

you can become

213

00:07:41,990 --> 00:07:39,840

biased because you're so committed to

214

00:07:44,629 --> 00:07:42,000

that hypothesis we're all guilty of that

215

00:07:45,510 --> 00:07:44,639

or at least potentially so it's always

216

00:07:48,070 --> 00:07:45,520

good to

217

00:07:49,189 --> 00:07:48,080

question your questions and periodically

218

00:07:50,950 --> 00:07:49,199

step back

219

00:07:52,790 --> 00:07:50,960

and look at the entire thing from a

220

00:07:54,469 --> 00:07:52,800

different perspective

221

00:07:56,629 --> 00:07:54,479

and again as i said today we're going to

222

00:08:00,230 --> 00:07:56,639

look at a variety of hypotheses

223

00:08:03,430 --> 00:08:00,240

but within this lens of physical

224

00:08:05,350 --> 00:08:03,440

trans physical and psychical now this

225

00:08:06,790 --> 00:08:05,360

term psychic or psychical

226

00:08:08,469 --> 00:08:06,800

we're using in the way that jacques

227

00:08:10,390 --> 00:08:08,479

valet has used it

228

00:08:11,510 --> 00:08:10,400

and for valet it referred to the

229

00:08:16,070 --> 00:08:11,520

relationship between

230

00:08:20,390 --> 00:08:18,390

now the reason why valet was so focused

231

00:08:22,629 --> 00:08:20,400

on this psychical aspect

232

00:08:25,430 --> 00:08:22,639

is because when he would interview

233

00:08:27,430 --> 00:08:25,440

different witnesses different contactees

234

00:08:30,550 --> 00:08:27,440

he would find that it was such a

235

00:08:33,430 --> 00:08:30,560

profound and transformative experience

236

00:08:34,790 --> 00:08:33,440

for the individual that it sometimes is

237

00:08:37,269 --> 00:08:34,800

difficult to tell if the

238

00:08:39,029 --> 00:08:37,279

change was primarily happening inside

239

00:08:41,909 --> 00:08:39,039

their consciousness

240

00:08:42,870 --> 00:08:41,919

or in the reality out there in other

241

00:08:45,269 --> 00:08:42,880

words

242

00:08:46,389 --> 00:08:45,279

is this phenomena manifesting in the

243

00:08:48,710 --> 00:08:46,399

real world

244

00:08:49,430 --> 00:08:48,720

that a another observer could see it as

245

00:08:51,590 --> 00:08:49,440

well

246

00:08:53,269 --> 00:08:51,600

or is it only happening within the

247

00:08:55,670 --> 00:08:53,279

consciousness the perception

248

00:08:57,829 --> 00:08:55,680

of a particular individual there

249

00:08:59,829 --> 00:08:57,839

definitely seems to be cases where

250

00:09:02,070 --> 00:08:59,839

it can manifest just inside the

251
00:09:04,070 --> 00:09:02,080
consciousness of one individual

252
00:09:05,750 --> 00:09:04,080
and in fact two different people can

253
00:09:08,949 --> 00:09:05,760
have two different

254
00:09:11,509 --> 00:09:08,959
uh experiences of the same event and

255
00:09:14,790 --> 00:09:11,519
this is why the psychic aspect is so key

256
00:09:16,710 --> 00:09:14,800
for valet and others and of course valet

257
00:09:18,790 --> 00:09:16,720
also talked about his control system

258
00:09:22,310 --> 00:09:18,800
hypothesis for which i dedicated

259
00:09:23,269 --> 00:09:22,320
an entire podcast episode to the idea

260
00:09:25,110 --> 00:09:23,279
there is that

261
00:09:27,590 --> 00:09:25,120
whatever is behind the phenomenon or

262
00:09:29,910 --> 00:09:27,600
this aspect of the phenomenon

263
00:09:31,269 --> 00:09:29,920

may be trying to change our culture

264

00:09:32,710 --> 00:09:31,279

change our civilization

265

00:09:35,110 --> 00:09:32,720

which of course is a collection of

266

00:09:37,590 --> 00:09:35,120

cultures and it does this

267

00:09:39,829 --> 00:09:37,600

incrementally over time by adjusting

268

00:09:41,990 --> 00:09:39,839

boundaries of a control system

269

00:09:44,630 --> 00:09:42,000

this could be an intelligence a group of

270

00:09:46,630 --> 00:09:44,640

entities or even a vast ai system

271

00:09:49,670 --> 00:09:46,640

there's different ways it could work

272

00:09:50,230 --> 00:09:49,680

but the idea is this works incrementally

273

00:09:53,030 --> 00:09:50,240

and

274

00:09:53,750 --> 00:09:53,040

subversively on the level of the

275

00:09:56,949 --> 00:09:53,760

collective

276

00:09:58,790 --> 00:09:56,959

subconscious of humankind and

277

00:10:00,870 --> 00:09:58,800

in that sense it's very difficult to

278

00:10:03,430 --> 00:10:00,880

track and to understand even that

279

00:10:05,509 --> 00:10:03,440

as it's happening but the result is

280

00:10:08,389 --> 00:10:05,519

still inevitable it helps

281

00:10:10,310 --> 00:10:08,399

manage human evolution this is a key

282

00:10:13,829 --> 00:10:10,320

aspect of the psychic aspect

283

00:10:17,590 --> 00:10:15,910

now of course anyone who studied this

284

00:10:19,910 --> 00:10:17,600

for any amount of time

285

00:10:22,069 --> 00:10:19,920

also knows there are definitely physical

286

00:10:23,990 --> 00:10:22,079

aspects to this phenomenon too

287

00:10:25,430 --> 00:10:24,000

it's not an either or it's definitely a

288

00:10:27,670 --> 00:10:25,440

both and

289

00:10:28,949 --> 00:10:27,680

physical aspects include things like

290

00:10:31,750 --> 00:10:28,959

radar returns

291

00:10:33,110 --> 00:10:31,760

and even markings in the ground burnt

292

00:10:35,750 --> 00:10:33,120

markings in the ground or

293

00:10:36,470 --> 00:10:35,760

indentations where a craft has landed

294

00:10:38,949 --> 00:10:36,480

people have

295

00:10:40,389 --> 00:10:38,959

markings on their body implants have

296

00:10:42,949 --> 00:10:40,399

even been removed from people

297

00:10:44,470 --> 00:10:42,959

so there's a variety of ways that this

298

00:10:47,269 --> 00:10:44,480

definitely seems to

299

00:10:49,750 --> 00:10:47,279

show up in ways that suggest it's

300

00:10:51,990 --> 00:10:49,760

manifesting in our reality as

301
00:10:53,590 --> 00:10:52,000
physical objects that can be measured by

302
00:10:56,790 --> 00:10:53,600
instruments not just by human

303
00:11:00,470 --> 00:10:58,389
and of course what's even more

304
00:11:02,870 --> 00:11:00,480
interesting and perplexing

305
00:11:05,990 --> 00:11:02,880
is that often both psychic and physical

306
00:11:08,630 --> 00:11:06,000
effects are observed in the same event

307
00:11:09,829 --> 00:11:08,640
recently i did an entire podcast on the

308
00:11:11,670 --> 00:11:09,839
events at fatima

309
00:11:12,949 --> 00:11:11,680
and of course that's a prime example of

310
00:11:14,710 --> 00:11:12,959
where the

311
00:11:16,550 --> 00:11:14,720
effects were noticed in the

312
00:11:18,230 --> 00:11:16,560
consciousness of the individuals and

313
00:11:20,550 --> 00:11:18,240

that different individuals would have

314

00:11:21,670 --> 00:11:20,560

different experiences even different

315

00:11:23,590 --> 00:11:21,680

messages they even

316

00:11:25,509 --> 00:11:23,600

saw different things in terms of what

317

00:11:27,670 --> 00:11:25,519

they reported afterwards

318

00:11:29,269 --> 00:11:27,680

but there were also physical aspects

319

00:11:32,310 --> 00:11:29,279

that manifested as well that were

320

00:11:35,670 --> 00:11:32,320

observed by people even 10 miles away

321

00:11:37,430 --> 00:11:35,680

this includes light phenomenon

322

00:11:39,829 --> 00:11:37,440

atmospheric phenomena temperature

323

00:11:40,150 --> 00:11:39,839

effects all of these things were noticed

324

00:11:42,150 --> 00:11:40,160

by

325

00:11:45,509 --> 00:11:42,160

a broad assortment of people even very

326
00:11:47,430 --> 00:11:45,519
far away remember up to 70 000 people

327
00:11:51,750 --> 00:11:47,440
witnessed the penultimate event at

328
00:11:56,870 --> 00:11:54,230
also let us not forget as i mentioned in

329
00:11:59,910 --> 00:11:56,880
that podcast episode on fatima

330
00:12:00,389 --> 00:11:59,920
what's intriguing is even though 70 000

331
00:12:03,990 --> 00:12:00,399
people

332
00:12:06,470 --> 00:12:04,000
saw something even up to 10 miles away

333
00:12:07,829 --> 00:12:06,480
and we're talking major things were

334
00:12:10,949 --> 00:12:07,839
observed the atmosphere

335
00:12:12,710 --> 00:12:10,959
changed drastically the sun dim to the

336
00:12:13,750 --> 00:12:12,720
point where stars and the moon were

337
00:12:17,590 --> 00:12:13,760
observed

338
00:12:20,230 --> 00:12:17,600

in the background and yet astronomical

339

00:12:21,910 --> 00:12:20,240

observatories did not pick up anything

340

00:12:23,750 --> 00:12:21,920

in other words if you weren't in that

341

00:12:25,430 --> 00:12:23,760

region if you were looking at the data

342

00:12:27,670 --> 00:12:25,440

returns from

343

00:12:29,670 --> 00:12:27,680

observatories from well beyond that

344

00:12:31,430 --> 00:12:29,680

region nothing was seen

345

00:12:33,670 --> 00:12:31,440

there was nothing in instrumentation to

346

00:12:34,790 --> 00:12:33,680

say that something quote unquote really

347

00:12:37,110 --> 00:12:34,800

happened

348

00:12:38,870 --> 00:12:37,120

and yet seventy thousand people will

349

00:12:41,110 --> 00:12:38,880

tell you otherwise

350

00:12:43,990 --> 00:12:41,120

so what does that suggest it suggests

351
00:12:46,710 --> 00:12:44,000
that this phenomenon is somehow able to

352
00:12:48,949 --> 00:12:46,720
manipulate the consciousness of perhaps

353
00:12:51,430 --> 00:12:48,959
tens of thousands of people

354
00:12:52,069 --> 00:12:51,440
because what are we left with if we know

355
00:12:54,629 --> 00:12:52,079
that our

356
00:12:55,750 --> 00:12:54,639
instruments are not picking this up we

357
00:12:58,069 --> 00:12:55,760
assume that it's not

358
00:12:59,509 --> 00:12:58,079
really manifesting in physical reality

359
00:13:01,670 --> 00:12:59,519
the way that we really think

360
00:13:02,949 --> 00:13:01,680
physical reality is supposed to work

361
00:13:05,269 --> 00:13:02,959
which again makes us

362
00:13:07,110 --> 00:13:05,279
question when you really look into this

363
00:13:11,430 --> 00:13:07,120

is our notion of reality

364

00:13:15,509 --> 00:13:13,269

and that's a perfect example to lead us

365

00:13:16,710 --> 00:13:15,519

into the third category the third lens

366

00:13:17,750 --> 00:13:16,720

through which we're looking at this

367

00:13:20,629 --> 00:13:17,760

phenomenon

368

00:13:21,190 --> 00:13:20,639

the trans physical here we're talking

369

00:13:23,350 --> 00:13:21,200

about

370

00:13:24,629 --> 00:13:23,360

the fact that sometimes even though

371

00:13:27,590 --> 00:13:24,639

these things are observed

372

00:13:29,829 --> 00:13:27,600

in physical reality it seems to be a

373

00:13:31,990 --> 00:13:29,839

kind of physical reality that violates

374

00:13:34,150 --> 00:13:32,000

our notion of how physics is supposed to

375

00:13:36,389 --> 00:13:34,160

work even our cutting edge notion

376

00:13:38,790 --> 00:13:36,399

of physics here we're talking about

377

00:13:40,710 --> 00:13:38,800

things like objects that start as one

378

00:13:42,710 --> 00:13:40,720

break up into multiple objects and then

379

00:13:45,509 --> 00:13:42,720

seamlessly come back together

380

00:13:46,949 --> 00:13:45,519

or objects that change shape vastly

381

00:13:50,310 --> 00:13:46,959

change shape

382

00:13:53,110 --> 00:13:50,320

or when contactees slash

383

00:13:54,069 --> 00:13:53,120

abductees report noticing a craft that's

384

00:13:55,670 --> 00:13:54,079

a certain size

385

00:13:57,750 --> 00:13:55,680

when they see it outside but once

386

00:14:00,150 --> 00:13:57,760

they're inside it seems much much

387

00:14:01,750 --> 00:14:00,160

larger and sometimes the entire

388

00:14:02,550 --> 00:14:01,760

structure inside seems completely

389

00:14:05,110 --> 00:14:02,560

different

390

00:14:06,389 --> 00:14:05,120

than what they saw on the outside or

391

00:14:08,310 --> 00:14:06,399

sometimes again

392

00:14:10,389 --> 00:14:08,320

this is where it crosses over into is it

393

00:14:12,870 --> 00:14:10,399

physical or is it cyclical

394

00:14:14,230 --> 00:14:12,880

different contactees will even notice

395

00:14:15,030 --> 00:14:14,240

completely different shapes on the

396

00:14:16,629 --> 00:14:15,040

outside

397

00:14:18,470 --> 00:14:16,639

but then the same shape once they're

398

00:14:20,230 --> 00:14:18,480

inside and once they're inside they can

399

00:14:22,389 --> 00:14:20,240

also recognize each other

400

00:14:24,470 --> 00:14:22,399

so this is the trans physical aspect

401
00:14:25,670 --> 00:14:24,480
where it seems to be happening in

402
00:14:28,550 --> 00:14:25,680
physical reality

403
00:14:33,750 --> 00:14:28,560
but in a way that violates our notion of

404
00:14:37,750 --> 00:14:36,629
and of course within this trans physical

405
00:14:40,710 --> 00:14:37,760
lens we're also

406
00:14:41,910 --> 00:14:40,720
thinking of interdimensional aspects

407
00:14:45,269 --> 00:14:41,920
here we're talking about

408
00:14:48,389 --> 00:14:45,279
both entities and craft that seemingly

409
00:14:50,230 --> 00:14:48,399
pop into existence within our reality

410
00:14:52,310 --> 00:14:50,240
like a window opens and suddenly they're

411
00:14:55,350 --> 00:14:52,320
there where they weren't a second ago

412
00:14:56,550 --> 00:14:55,360
and just as easily they can vanish and

413
00:14:59,189 --> 00:14:56,560

this suggests that they

414

00:14:59,590 --> 00:14:59,199

are indeed manifesting in our reality

415

00:15:01,790 --> 00:14:59,600

but

416

00:15:03,350 --> 00:15:01,800

they are perhaps coming in

417

00:15:05,350 --> 00:15:03,360

instantaneously

418

00:15:06,389 --> 00:15:05,360

from a portal of some sort from a

419

00:15:09,350 --> 00:15:06,399

different dimension

420

00:15:10,629 --> 00:15:09,360

perhaps a mirror universe or an

421

00:15:12,470 --> 00:15:10,639

alternate earth

422

00:15:14,230 --> 00:15:12,480

but it doesn't seem like distance or

423

00:15:17,350 --> 00:15:14,240

travel is involved so

424

00:15:19,350 --> 00:15:17,360

again you have this complication of it's

425

00:15:20,790 --> 00:15:19,360

manifesting in physical reality but

426

00:15:22,629 --> 00:15:20,800

manifesting in a way

427

00:15:23,990 --> 00:15:22,639

we can't make sense of based on our

428

00:15:27,269 --> 00:15:24,000

current understanding

429

00:15:29,509 --> 00:15:27,279

of how physics works

430

00:15:30,550 --> 00:15:29,519

so so far we've discussed different ways

431

00:15:33,110 --> 00:15:30,560

that this

432

00:15:34,310 --> 00:15:33,120

phenomenon manifests in ways that are so

433

00:15:36,150 --> 00:15:34,320

perplexing

434

00:15:37,670 --> 00:15:36,160

that we can't really wrap our minds

435

00:15:40,230 --> 00:15:37,680

around it uh

436

00:15:41,590 --> 00:15:40,240

based on our current notions of reality

437

00:15:43,590 --> 00:15:41,600

now sometimes

438

00:15:45,030 --> 00:15:43,600

in fact often times when it comes to

439

00:15:46,629 --> 00:15:45,040

science if you find

440

00:15:48,710 --> 00:15:46,639

you keep banging your head against a

441

00:15:50,470 --> 00:15:48,720

wall because some data just won't fit

442

00:15:52,550 --> 00:15:50,480

within a hypothesis

443

00:15:53,509 --> 00:15:52,560

this often is a sure sign that your

444

00:15:56,230 --> 00:15:53,519

hypothesis

445

00:15:58,150 --> 00:15:56,240

is wrong or perhaps the assumptions that

446

00:15:58,550 --> 00:15:58,160

you bring to your hypothesis because

447

00:16:01,749 --> 00:15:58,560

almost

448

00:16:03,430 --> 00:16:01,759

every hypothesis begins with some givens

449

00:16:05,110 --> 00:16:03,440

some assumptions about the nature of

450

00:16:08,310 --> 00:16:05,120

reality and

451
00:16:09,990 --> 00:16:08,320
if the data refuses to fit in total

452
00:16:12,470 --> 00:16:10,000
then that might be telling you something

453
00:16:14,150 --> 00:16:12,480
about either your hypothesis being wrong

454
00:16:15,990 --> 00:16:14,160
or the assumptions you bring to the

455
00:16:18,949 --> 00:16:16,000
hypothesis

456
00:16:21,590 --> 00:16:18,959
and here we think of john mack and how

457
00:16:23,590 --> 00:16:21,600
he rejected these dualistic notions

458
00:16:25,189 --> 00:16:23,600
that we bring to the table when we try

459
00:16:28,230 --> 00:16:25,199
and form hypotheses

460
00:16:29,350 --> 00:16:28,240
about the ufo phenomenon this is what

461
00:16:32,150 --> 00:16:29,360
john mack said

462
00:16:33,189 --> 00:16:32,160
quote i object to the either ordinance

463
00:16:36,069 --> 00:16:33,199

of this

464

00:16:37,590 --> 00:16:36,079

why couldn't aliens be real and not real

465

00:16:40,870 --> 00:16:37,600

at the same time

466

00:16:43,189 --> 00:16:40,880

inhabiting some liminal zone modern

467

00:16:45,749 --> 00:16:43,199

physics was replete with contradictions

468

00:16:47,030 --> 00:16:45,759

as in quantum superposition where chunks

469

00:16:49,749 --> 00:16:47,040

of matter could occupy

470

00:16:50,069 --> 00:16:49,759

two different places at the same time in

471

00:16:52,310 --> 00:16:50,079

any

472

00:16:54,230 --> 00:16:52,320

case he said the phenomenon could not be

473

00:16:55,990 --> 00:16:54,240

explained psychiatrically

474

00:16:57,350 --> 00:16:56,000

the people with whom i have been working

475

00:17:01,110 --> 00:16:57,360

as far as i can tell

476

00:17:03,030 --> 00:17:01,120

are telling the truth unquote

477

00:17:05,429 --> 00:17:03,040

and by the way that quote was from ralph

478

00:17:08,470 --> 00:17:05,439

blumenthal's excellent biography

479

00:17:09,990 --> 00:17:08,480

of dr john mack called the believer and

480

00:17:12,230 --> 00:17:10,000

i did a review of that book

481

00:17:15,350 --> 00:17:12,240

in episode number 11 of the point of

482

00:17:17,429 --> 00:17:15,360

convergence podcast

483

00:17:19,029 --> 00:17:17,439

okay so at this point i think i've set

484

00:17:21,270 --> 00:17:19,039

the table sufficiently

485

00:17:23,429 --> 00:17:21,280

in terms of discussing how the data

486

00:17:25,750 --> 00:17:23,439

regarding the ufo phenomenon

487

00:17:26,789 --> 00:17:25,760

can be seen from these different lenses

488

00:17:29,909 --> 00:17:26,799

the psychic

489

00:17:32,549 --> 00:17:29,919

the physical and the trans physical

490

00:17:34,150 --> 00:17:32,559

keep that in mind as we now look at each

491

00:17:36,310 --> 00:17:34,160

of the main hypotheses

492

00:17:38,950 --> 00:17:36,320

put forward to address the ufo

493

00:17:41,110 --> 00:17:38,960

phenomenon

494

00:17:41,990 --> 00:17:41,120

so let's begin with the prosaic

495

00:17:45,909 --> 00:17:42,000

explanations

496

00:17:46,789 --> 00:17:45,919

ago dismissed because they definitely

497

00:17:48,470 --> 00:17:46,799

don't

498

00:17:51,029 --> 00:17:48,480

take into account the fullness of the

499

00:17:53,110 --> 00:17:51,039

data in any way whatsoever

500

00:17:54,870 --> 00:17:53,120

but prosaic explanations would be

501
00:17:57,990 --> 00:17:54,880
something of human origin or

502
00:18:01,350 --> 00:17:58,000
otherwise mundane explanations could be

503
00:18:03,110 --> 00:18:01,360
a military exercise could be atmospheric

504
00:18:05,990 --> 00:18:03,120
conditions that are noticed of course

505
00:18:07,990 --> 00:18:06,000
some people have mentioned birds

506
00:18:09,750 --> 00:18:08,000
these are prosaic explanations put

507
00:18:10,870 --> 00:18:09,760
forward to make sense of the ufo

508
00:18:14,470 --> 00:18:10,880
phenomenon

509
00:18:16,950 --> 00:18:14,480
that's number one prosaic

510
00:18:18,230 --> 00:18:16,960
next let's take a look at hypotheses

511
00:18:21,350 --> 00:18:18,240
that you could group within

512
00:18:23,750 --> 00:18:21,360
the physical nuts and bolts category

513
00:18:25,430 --> 00:18:23,760

these are consisting of material objects

514

00:18:27,190 --> 00:18:25,440

or creatures

515

00:18:29,190 --> 00:18:27,200

so we've discussed the extraterrestrial

516

00:18:30,230 --> 00:18:29,200

hypothesis of course many times on this

517

00:18:31,830 --> 00:18:30,240

podcast

518

00:18:33,350 --> 00:18:31,840

that would fit within the physical

519

00:18:35,270 --> 00:18:33,360

category

520

00:18:37,510 --> 00:18:35,280

because these are actual beings within

521

00:18:40,630 --> 00:18:37,520

our physical universe that are traveling

522

00:18:43,190 --> 00:18:40,640

vast distances in spacecraft presumably

523

00:18:44,150 --> 00:18:43,200

to interact with us everything about

524

00:18:46,789 --> 00:18:44,160

that

525

00:18:47,350 --> 00:18:46,799

explanation is physical and fits within

526

00:18:51,190 --> 00:18:47,360

our

527

00:18:53,110 --> 00:18:51,200

understanding of physics

528

00:18:55,110 --> 00:18:53,120

the crypto-terrestrial hypothesis which

529

00:18:55,909 --> 00:18:55,120

we've also discussed on this podcast in

530

00:18:59,110 --> 00:18:55,919

fact there was one

531

00:19:00,549 --> 00:18:59,120

entire episode dedicated to it also fits

532

00:19:03,029 --> 00:19:00,559

within this physical

533

00:19:05,350 --> 00:19:03,039

nuts and bolts kind of category because

534

00:19:07,270 --> 00:19:05,360

this is a sister humanoid species

535

00:19:08,789 --> 00:19:07,280

living again in our physical reality

536

00:19:11,830 --> 00:19:08,799

within our physical universe

537

00:19:13,270 --> 00:19:11,840

in fact living here on the earth albeit

538

00:19:15,430 --> 00:19:13,280

in stealthy ways

539

00:19:16,310 --> 00:19:15,440

so both of those fit within the physical

540

00:19:19,510 --> 00:19:16,320

category

541

00:19:21,909 --> 00:19:19,520

nuts and bolts so to speak

542

00:19:22,950 --> 00:19:21,919

next up are a series of hypotheses you

543

00:19:25,510 --> 00:19:22,960

could group within

544

00:19:27,190 --> 00:19:25,520

the mental category in other words

545

00:19:30,549 --> 00:19:27,200

produced by the mind's function

546

00:19:32,789 --> 00:19:30,559

or its dysfunction now one kind of

547

00:19:33,750 --> 00:19:32,799

mental explanation would be remotely

548

00:19:35,510 --> 00:19:33,760

induced

549

00:19:37,669 --> 00:19:35,520

this could be things like psychotronic

550

00:19:39,590 --> 00:19:37,679

weapons where energy weapons are

551
00:19:41,350 --> 00:19:39,600
directed at people's minds and it makes

552
00:19:43,110 --> 00:19:41,360
them see things or experience

553
00:19:45,029 --> 00:19:43,120
aspects of reality that are not quote

554
00:19:47,350 --> 00:19:45,039
unquote really there

555
00:19:49,190 --> 00:19:47,360
hypnosis could be another kind of mental

556
00:19:50,950 --> 00:19:49,200
control that makes people experience

557
00:19:54,230 --> 00:19:50,960
these kinds of things

558
00:19:56,470 --> 00:19:54,240
telepathy is another kind of course

559
00:19:57,350 --> 00:19:56,480
disinformation campaigns where people

560
00:19:59,990 --> 00:19:57,360
read things

561
00:20:01,190 --> 00:20:00,000
and it changes their view of reality and

562
00:20:03,270 --> 00:20:01,200
makes them

563
00:20:05,270 --> 00:20:03,280

then end up perceiving things presumably

564

00:20:07,270 --> 00:20:05,280

that they wouldn't otherwise

565

00:20:09,190 --> 00:20:07,280

this is all fitting within the mental

566

00:20:12,789 --> 00:20:09,200

category

567

00:20:14,230 --> 00:20:12,799

neurological problems like medical

568

00:20:16,070 --> 00:20:14,240

conditions

569

00:20:17,909 --> 00:20:16,080

this would also fit within a mental

570

00:20:20,470 --> 00:20:17,919

explanation

571

00:20:22,870 --> 00:20:20,480

we also have psychosocial elements would

572

00:20:24,630 --> 00:20:22,880

also fit within this mental category

573

00:20:27,029 --> 00:20:24,640

so for instance religions that are

574

00:20:28,950 --> 00:20:27,039

formed around ufos or uap

575

00:20:31,830 --> 00:20:28,960

would also fit within this again it's

576

00:20:35,830 --> 00:20:31,840

all about the mind projecting ideas

577

00:20:38,310 --> 00:20:35,840

that determine people's views

578

00:20:39,669 --> 00:20:38,320

as we continue our quick trip around the

579

00:20:42,310 --> 00:20:39,679

full spectrum

580

00:20:45,110 --> 00:20:42,320

of hypotheses put forward to explain the

581

00:20:47,110 --> 00:20:45,120

origins of ufos or uap

582

00:20:48,390 --> 00:20:47,120

next up we have the interdimensional

583

00:20:49,909 --> 00:20:48,400

category

584

00:20:52,310 --> 00:20:49,919

and as i have talked about on different

585

00:20:53,270 --> 00:20:52,320

podcasts this can cover a variety of

586

00:20:55,510 --> 00:20:53,280

hypotheses

587

00:20:57,190 --> 00:20:55,520

and it's postulated different ways by

588

00:20:59,029 --> 00:20:57,200

different people

589

00:21:01,669 --> 00:20:59,039

of course a parallel universe would fit

590

00:21:04,149 --> 00:21:01,679

within this interdimensional hypothesis

591

00:21:05,830 --> 00:21:04,159

and chocolate's passport to magonia

592

00:21:07,590 --> 00:21:05,840

would be a good book to look into to

593

00:21:09,990 --> 00:21:07,600

learn more about that

594

00:21:11,029 --> 00:21:10,000

the idea is that these beings these

595

00:21:13,270 --> 00:21:11,039

intelligences are

596

00:21:15,669 --> 00:21:13,280

traveling to or interacting with our

597

00:21:16,470 --> 00:21:15,679

universe from an external position in

598

00:21:19,669 --> 00:21:16,480

other words from

599

00:21:21,270 --> 00:21:19,679

outside of our physical universe time

600

00:21:23,510 --> 00:21:21,280

travel would also fit within this

601
00:21:26,149 --> 00:21:23,520
interdimensional category

602
00:21:27,590 --> 00:21:26,159
a colliding universe which was discussed

603
00:21:30,549 --> 00:21:27,600
in whitley strieber's

604
00:21:35,029 --> 00:21:30,559
a new world would also fit here as would

605
00:21:38,950 --> 00:21:37,029
so as you're probably noticing we're

606
00:21:40,710 --> 00:21:38,960
stepping it up a couple notches with

607
00:21:42,789 --> 00:21:40,720
each of these categories

608
00:21:44,870 --> 00:21:42,799
we began with the most simple the

609
00:21:45,430 --> 00:21:44,880
prosaic explanations suggesting that

610
00:21:47,510 --> 00:21:45,440
nothing at

611
00:21:49,190 --> 00:21:47,520
all unusual is really happening it's

612
00:21:52,549 --> 00:21:49,200
just meteorological

613
00:21:54,950 --> 00:21:52,559

uh effects or foreign adversaries

614

00:21:57,510 --> 00:21:54,960

aircraft things like that then we move

615

00:21:59,350 --> 00:21:57,520

to the physical nuts and bolts which is

616

00:22:00,789 --> 00:21:59,360

more complicated and obviously involves

617

00:22:03,270 --> 00:22:00,799

things like ets

618

00:22:05,110 --> 00:22:03,280

or cryptoterrestrials but it still

619

00:22:07,110 --> 00:22:05,120

involves our physical universe and

620

00:22:09,669 --> 00:22:07,120

doesn't diverge from any of our known

621

00:22:12,149 --> 00:22:09,679

understandings of physics we also

622

00:22:13,830 --> 00:22:12,159

consider the mental aspect which steps

623

00:22:15,990 --> 00:22:13,840

it up a notch because it might involve

624

00:22:18,789 --> 00:22:16,000

things like psychotronic weapons

625

00:22:19,750 --> 00:22:18,799

or neurological disorders or even

626

00:22:21,990 --> 00:22:19,760

complex

627

00:22:24,070 --> 00:22:22,000

psychosocial elements tied to religion

628

00:22:25,909 --> 00:22:24,080

and things like that

629

00:22:28,789 --> 00:22:25,919

then we move to the interdimensional

630

00:22:30,390 --> 00:22:28,799

category and that really upped the ante

631

00:22:32,549 --> 00:22:30,400

to discussing things like parallel

632

00:22:35,110 --> 00:22:32,559

universes time travel by the way

633

00:22:37,029 --> 00:22:35,120

i did an entire podcast episode on the

634

00:22:38,870 --> 00:22:37,039

possibility that perhaps

635

00:22:40,149 --> 00:22:38,880

the beings visiting us or at least some

636

00:22:42,870 --> 00:22:40,159

of them are

637

00:22:44,230 --> 00:22:42,880

us from the future but perhaps with a

638

00:22:48,230 --> 00:22:44,240

genome spliced with

639

00:22:50,390 --> 00:22:48,240

other biological life forms from earth

640

00:22:51,990 --> 00:22:50,400

again cladding universe hyperspace all

641

00:22:53,350 --> 00:22:52,000

fits within the interdimensional

642

00:22:55,750 --> 00:22:53,360

category

643

00:22:59,110 --> 00:22:55,760

we've got one more left that's the extra

644

00:23:02,390 --> 00:23:00,710

now to be clear with the

645

00:23:05,110 --> 00:23:02,400

ultra-terrestrial category

646

00:23:06,830 --> 00:23:05,120

that involved various hypotheses that

647

00:23:08,070 --> 00:23:06,840

had to do with the manipulation of

648

00:23:10,149 --> 00:23:08,080

space-time

649

00:23:12,549 --> 00:23:10,159

using methods beyond our current

650

00:23:15,669 --> 00:23:12,559

scientific understanding

651
00:23:17,909 --> 00:23:15,679
the extra-dimensional category is

652
00:23:19,590 --> 00:23:17,919
about having a fundamentally different

653
00:23:22,710 --> 00:23:19,600
relationship to space-time

654
00:23:23,830 --> 00:23:22,720
altogether and this groups together a

655
00:23:25,830 --> 00:23:23,840
variety of

656
00:23:27,350 --> 00:23:25,840
hypotheses everything from the

657
00:23:30,230 --> 00:23:27,360
simulation hypothesis

658
00:23:30,789 --> 00:23:30,240
which takes it up an entire different

659
00:23:32,630 --> 00:23:30,799
league

660
00:23:37,270 --> 00:23:32,640
because here we're talking about reality

661
00:23:39,029 --> 00:23:37,280
itself being not what we think it is

662
00:23:40,870 --> 00:23:39,039
by the way for those of you interested

663
00:23:43,350 --> 00:23:40,880

in this simulation hypothesis

664

00:23:44,630 --> 00:23:43,360

i would point you to episodes number 12

665

00:23:46,230 --> 00:23:44,640

and 18

666

00:23:47,669 --> 00:23:46,240

if you haven't heard them already where

667

00:23:49,190 --> 00:23:47,679

we discussed that from a couple

668

00:23:50,710 --> 00:23:49,200

different angles

669

00:23:52,950 --> 00:23:50,720

and in the future by the way we're going

670

00:23:55,029 --> 00:23:52,960

to do a podcast episode dedicated to

671

00:23:58,710 --> 00:23:55,039

michael taubo's excellent book

672

00:24:00,630 --> 00:23:58,720

the holographic universe now also within

673

00:24:02,549 --> 00:24:00,640

this extra-dimensional category

674

00:24:05,110 --> 00:24:02,559

would be the beings of light or the

675

00:24:06,070 --> 00:24:05,120

celestial beings that people often refer

676
00:24:08,310 --> 00:24:06,080
to

677
00:24:09,269 --> 00:24:08,320
this is somewhat of a subset of the ufo

678
00:24:11,029 --> 00:24:09,279
phenomenon

679
00:24:13,669 --> 00:24:11,039
some people might not even consider part

680
00:24:17,110 --> 00:24:13,679
of the same category really not really

681
00:24:17,990 --> 00:24:17,120
a ufo experience but really it does all

682
00:24:19,909 --> 00:24:18,000
fit together

683
00:24:21,909 --> 00:24:19,919
and it's complicated because often

684
00:24:23,750 --> 00:24:21,919
people's world view will determine how

685
00:24:26,149 --> 00:24:23,760
they describe these things

686
00:24:27,590 --> 00:24:26,159
so someone with a religious background

687
00:24:29,110 --> 00:24:27,600
particularly christianity

688
00:24:30,789 --> 00:24:29,120

is going to describe these things

689

00:24:34,070 --> 00:24:30,799

literally as angels

690

00:24:36,390 --> 00:24:34,080

and in some cases demons because that's

691

00:24:37,909 --> 00:24:36,400

what makes sense to them based on how

692

00:24:39,750 --> 00:24:37,919

they think about reality how they've

693

00:24:41,430 --> 00:24:39,760

been taught about reality

694

00:24:43,909 --> 00:24:41,440

but even people who aren't particularly

695

00:24:47,190 --> 00:24:43,919

religious will describe these entities

696

00:24:49,430 --> 00:24:47,200

as beings of light as very much

697

00:24:51,590 --> 00:24:49,440

not physical beings in any sense that

698

00:24:53,190 --> 00:24:51,600

they don't have a relationship with our

699

00:24:55,029 --> 00:24:53,200

physical reality

700

00:24:57,029 --> 00:24:55,039

and in that sense they often think of

701
00:24:57,590 --> 00:24:57,039
them as creator kind of beings that are

702
00:24:59,909 --> 00:24:57,600
coming

703
00:25:00,950 --> 00:24:59,919
into this universe from some external

704
00:25:02,950 --> 00:25:00,960
position

705
00:25:07,269 --> 00:25:02,960
that really is outside space time

706
00:25:10,630 --> 00:25:09,510
now beyond the main categories we've

707
00:25:12,470 --> 00:25:10,640
already discussed

708
00:25:14,710 --> 00:25:12,480
and the various hypotheses that fall

709
00:25:17,029 --> 00:25:14,720
within those different categories

710
00:25:18,390 --> 00:25:17,039
there are some even more out there ideas

711
00:25:21,430 --> 00:25:18,400
that really stretch

712
00:25:23,669 --> 00:25:21,440
things even more ideas like tulpas

713
00:25:25,830 --> 00:25:23,679

here the idea is that human beings are

714

00:25:28,310 --> 00:25:25,840

actually somehow manifesting

715

00:25:30,630 --> 00:25:28,320

these realities that they are real that

716

00:25:32,870 --> 00:25:30,640

they have a physical reality

717

00:25:33,990 --> 00:25:32,880

they are actually manifesting in

718

00:25:36,630 --> 00:25:34,000

measurable ways

719

00:25:37,590 --> 00:25:36,640

in our reality but it's still a

720

00:25:40,870 --> 00:25:37,600

projection

721

00:25:42,390 --> 00:25:40,880

that ultimately finds its root in human

722

00:25:44,789 --> 00:25:42,400

consciousness

723

00:25:46,710 --> 00:25:44,799

now you might think this sounds bizarre

724

00:25:48,470 --> 00:25:46,720

and unlikely but there have been some

725

00:25:51,269 --> 00:25:48,480

amazing cases

726
00:25:53,029 --> 00:25:51,279
where groups have got together imagined

727
00:25:55,909 --> 00:25:53,039
a certain character

728
00:25:56,950 --> 00:25:55,919
projected this and then started getting

729
00:25:59,510 --> 00:25:56,960
responses

730
00:26:01,669 --> 00:25:59,520
in things like a seance to suggest that

731
00:26:04,310 --> 00:26:01,679
this being that they imagined together

732
00:26:08,230 --> 00:26:04,320
has taken on some sort of reality

733
00:26:10,950 --> 00:26:08,240
bizarre and yet documented as true

734
00:26:13,029 --> 00:26:10,960
another possibility is that this is a

735
00:26:15,830 --> 00:26:13,039
manifestation of our collective

736
00:26:16,549 --> 00:26:15,840
unconscious or of the life force itself

737
00:26:18,549 --> 00:26:16,559
that

738
00:26:20,230 --> 00:26:18,559

the life force whatever you consider

739

00:26:22,950 --> 00:26:20,240

that to be manifest

740

00:26:24,789 --> 00:26:22,960

certain realities at certain points in

741

00:26:29,430 --> 00:26:24,799

our evolutionary history

742

00:26:33,909 --> 00:26:32,070

now as i mentioned in the introduction

743

00:26:36,230 --> 00:26:33,919

when you look into this phenomenon

744

00:26:38,310 --> 00:26:36,240

for any amount of time with any amount

745

00:26:40,390 --> 00:26:38,320

of committed energy

746

00:26:42,950 --> 00:26:40,400

it inevitably leads to some very

747

00:26:46,149 --> 00:26:42,960

perplexing but fascinating questions

748

00:26:47,269 --> 00:26:46,159

about ultimate reality itself it's

749

00:26:49,830 --> 00:26:47,279

almost impossible

750

00:26:51,590 --> 00:26:49,840

to not end up there when you really look

751
00:26:53,909 --> 00:26:51,600
at the data

752
00:26:56,390 --> 00:26:53,919
the truth is from what we can see not

753
00:26:58,789 --> 00:26:56,400
just in the ufo phenomenon but even

754
00:27:01,110 --> 00:26:58,799
in psychic research that's been done in

755
00:27:03,190 --> 00:27:01,120
parapsychological circles

756
00:27:04,230 --> 00:27:03,200
it seems to be the case that reality is

757
00:27:07,430 --> 00:27:04,240
amorphous

758
00:27:09,350 --> 00:27:07,440
and really nebulous in nature

759
00:27:11,909 --> 00:27:09,360
and right now even though some won't

760
00:27:15,110 --> 00:27:11,919
admit it there are some crises going on

761
00:27:16,950 --> 00:27:15,120
within various scientific endeavors

762
00:27:18,950 --> 00:27:16,960
this is true certainly in the behavioral

763
00:27:21,110 --> 00:27:18,960

sciences in the physical sciences the

764

00:27:23,750 --> 00:27:21,120

biological sciences

765

00:27:25,590 --> 00:27:23,760

where they are coming across data much

766

00:27:27,350 --> 00:27:25,600

like what happened with physics with the

767

00:27:28,389 --> 00:27:27,360

double slit experiment and the quantum

768

00:27:31,350 --> 00:27:28,399

world

769

00:27:31,990 --> 00:27:31,360

where former notions are being thrown

770

00:27:35,430 --> 00:27:32,000

out the door

771

00:27:37,830 --> 00:27:35,440

so to speak

772

00:27:41,029 --> 00:27:37,840

and by the way speaking of that as the

773

00:27:43,750 --> 00:27:41,039

reality of the ufo phenomenon hits home

774

00:27:44,389 --> 00:27:43,760

both in the public and in our academic

775

00:27:48,149 --> 00:27:44,399

circles

776
00:27:50,470 --> 00:27:48,159
is happening now

777
00:27:52,630 --> 00:27:50,480
almost daily there are stories coming

778
00:27:54,710 --> 00:27:52,640
out now in mainstream media

779
00:27:56,710 --> 00:27:54,720
this seems to be finally hitting home

780
00:27:59,590 --> 00:27:56,720
for millions of people

781
00:28:01,029 --> 00:27:59,600
and soon will be billions of people as

782
00:28:03,590 --> 00:28:01,039
that begins to hit home

783
00:28:04,230 --> 00:28:03,600
you're going to see some major wrestling

784
00:28:07,750 --> 00:28:04,240
going on

785
00:28:09,510 --> 00:28:07,760
in society because as i just pointed out

786
00:28:11,590 --> 00:28:09,520
the reality of this phenomenon

787
00:28:14,389 --> 00:28:11,600
inevitably leads to some very

788
00:28:15,990 --> 00:28:14,399

complex perplexing questions about

789

00:28:17,269 --> 00:28:16,000

reality itself

790

00:28:19,510 --> 00:28:17,279

and you're going to have all that

791

00:28:20,710 --> 00:28:19,520

happening at the same time now you might

792

00:28:22,630 --> 00:28:20,720

not see it happening

793

00:28:24,870 --> 00:28:22,640

all at the same time you might see it

794

00:28:25,510 --> 00:28:24,880

happen step by step by step because it's

795

00:28:27,909 --> 00:28:25,520

going to take

796

00:28:29,430 --> 00:28:27,919

people some time to catch up with this

797

00:28:31,029 --> 00:28:29,440

data and process it

798

00:28:33,350 --> 00:28:31,039

remember a lot of us that are obsessed

799

00:28:36,549 --> 00:28:33,360

with this topic have been

800

00:28:38,630 --> 00:28:36,559

you know digesting this data for years

801
00:28:40,389 --> 00:28:38,640
but this is now hitting the general

802
00:28:43,669 --> 00:28:40,399
society and that's going to be very

803
00:28:47,190 --> 00:28:46,389
now speaking of that some people are

804
00:28:49,590 --> 00:28:47,200
frustrated

805
00:28:51,990 --> 00:28:49,600
and even disappointed some are even

806
00:28:53,029 --> 00:28:52,000
disturbed by the fact that we don't have

807
00:28:55,029 --> 00:28:53,039
a solid

808
00:28:56,470 --> 00:28:55,039
polished perspective on the nature of

809
00:28:57,990 --> 00:28:56,480
reality itself

810
00:29:00,389 --> 00:28:58,000
let alone on the nature of these

811
00:29:02,389 --> 00:29:00,399
apparently non-human intelligences

812
00:29:03,830 --> 00:29:02,399
already in our midst and interacting

813
00:29:06,389 --> 00:29:03,840

with us

814

00:29:07,830 --> 00:29:06,399

now i don't take that view because as

815

00:29:09,750 --> 00:29:07,840

i've said before

816

00:29:11,990 --> 00:29:09,760

i believe this journey is as much an

817

00:29:14,389 --> 00:29:12,000

adventure to be embarked upon

818

00:29:15,350 --> 00:29:14,399

with the enthusiasm and wonder of a

819

00:29:19,110 --> 00:29:15,360

child

820

00:29:21,750 --> 00:29:19,120

as it is a problem to be solved

821

00:29:22,950 --> 00:29:21,760

and on that note we've come to the close

822

00:29:25,750 --> 00:29:22,960

of another edition

823

00:29:26,389 --> 00:29:25,760

of the point of convergence podcast as

824

00:29:29,029 --> 00:29:26,399

always

825

00:29:30,389 --> 00:29:29,039

let's keep this conversation going and

826

00:29:32,710 --> 00:29:30,399

growing

827

00:29:34,230 --> 00:29:32,720

but until next time friends from deep

828

00:29:37,669 --> 00:29:34,240

within the blue ridge mountains
