

Point of Convergence

PODCAST

Hosted by **ExoAcademician**

EPISODE #27

*The Cosmic Connection:
Considering Messages of
UFO Intelligence Within the
Spiral of Consciousness*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:07,990

[Music]

2
00:00:11,669 --> 00:00:08,950

hello

3
00:00:13,910 --> 00:00:11,679

and welcome to episode number 27 of the

4
00:00:18,550 --> 00:00:13,920

point of convergence podcast

5
00:00:20,870 --> 00:00:18,560

as always i'm your host exo academian

6
00:00:22,390 --> 00:00:20,880

over the last several weeks and months

7
00:00:24,630 --> 00:00:22,400

leading up to a uap

8
00:00:25,670 --> 00:00:24,640

task force report delivered to congress

9
00:00:27,429 --> 00:00:25,680

recently

10
00:00:29,589 --> 00:00:27,439

the chatter about evidence for the

11
00:00:32,310 --> 00:00:29,599

presence of bona fide ufos

12
00:00:32,950 --> 00:00:32,320

unidentified flying objects already in

13
00:00:35,270 --> 00:00:32,960

our midst

14

00:00:36,549 --> 00:00:35,280

here on planet earth buzzing in and

15

00:00:39,510 --> 00:00:36,559

around our skies

16

00:00:41,350 --> 00:00:39,520

has risen to a near fever pitch and

17

00:00:43,350 --> 00:00:41,360

while some are determined to dismiss

18

00:00:45,750 --> 00:00:43,360

every one of these sightings no matter

19

00:00:47,510 --> 00:00:45,760

how well attested by a combination of

20

00:00:49,510 --> 00:00:47,520

expert witness testimony and

21

00:00:51,750 --> 00:00:49,520

sophisticated sensor data

22

00:00:53,510 --> 00:00:51,760

as merely misunderstood examples of

23

00:00:55,750 --> 00:00:53,520

prosaic phenomena

24

00:00:58,470 --> 00:00:55,760

there is a growing openness even amongst

25

00:01:01,029 --> 00:00:58,480

a skeptical slice of mainstream media

26

00:01:03,029 --> 00:01:01,039

academia and the political set to at

27

00:01:05,109 --> 00:01:03,039

least consider the possibility that

28

00:01:07,270 --> 00:01:05,119

these craft are being controlled by a

29

00:01:11,190 --> 00:01:07,280

genuine form of advanced

30

00:01:15,429 --> 00:01:13,350

while the pace at which this openness to

31

00:01:17,510 --> 00:01:15,439

non-conventional explanations

32

00:01:19,510 --> 00:01:17,520

has grown steadily over the last few

33

00:01:21,350 --> 00:01:19,520

months and really years

34

00:01:23,030 --> 00:01:21,360

it's of course still not happening to a

35

00:01:25,590 --> 00:01:23,040

degree that satisfies

36

00:01:26,070 --> 00:01:25,600

most of us who are convinced and have

37

00:01:28,310 --> 00:01:26,080

been for

38

00:01:29,590 --> 00:01:28,320

years in fact after having studied the

39

00:01:32,710 --> 00:01:29,600

data closely

40

00:01:35,109 --> 00:01:32,720

that the ufo phenomenon is real

41

00:01:36,710 --> 00:01:35,119

nevertheless whether one is a veteran in

42

00:01:39,670 --> 00:01:36,720

non-terrestrial affairs

43

00:01:39,990 --> 00:01:39,680

or somewhat new to the entire topic a

44

00:01:43,109 --> 00:01:40,000

key

45

00:01:43,510 --> 00:01:43,119

question that inevitably arises is if

46

00:01:46,230 --> 00:01:43,520

these

47

00:01:46,870 --> 00:01:46,240

others really are not just out there but

48

00:01:49,670 --> 00:01:46,880

here

49

00:01:51,190 --> 00:01:49,680

stationed in and around our planet what

50

00:01:53,670 --> 00:01:51,200

are their intentions

51
00:01:55,590 --> 00:01:53,680
what do they intend to do and are their

52
00:01:57,350 --> 00:01:55,600
ultimate intentions benevolent or

53
00:01:59,190 --> 00:01:57,360
nefarious

54
00:02:00,709 --> 00:01:59,200
as has been discussed before on this

55
00:02:02,630 --> 00:02:00,719
very podcast

56
00:02:03,830 --> 00:02:02,640
when it comes to our attempt to answer

57
00:02:06,310 --> 00:02:03,840
that question

58
00:02:07,109 --> 00:02:06,320
we are not as some strangely seem to

59
00:02:09,350 --> 00:02:07,119
assume

60
00:02:11,270 --> 00:02:09,360
working with nothing but our own biases

61
00:02:13,910 --> 00:02:11,280
and assumptions here

62
00:02:15,830 --> 00:02:13,920
no in fact there is a very extensive and

63
00:02:16,869 --> 00:02:15,840

well-supported body of literature that

64

00:02:19,110 --> 00:02:16,879

now exists

65

00:02:20,150 --> 00:02:19,120

that speaks to this very question as to

66

00:02:22,630 --> 00:02:20,160

the intentions

67

00:02:24,309 --> 00:02:22,640

of these sophisticated non-human

68

00:02:26,150 --> 00:02:24,319

intelligences

69

00:02:28,550 --> 00:02:26,160

here i speak of what is often referred

70

00:02:30,790 --> 00:02:28,560

to as the experienter literature

71

00:02:32,229 --> 00:02:30,800

the body of data that represents what

72

00:02:34,790 --> 00:02:32,239

these apparent others

73

00:02:36,229 --> 00:02:34,800

have told human beings who've come into

74

00:02:38,710 --> 00:02:36,239

contact with them

75

00:02:42,550 --> 00:02:38,720

about their very aims and intentions

76
00:02:46,790 --> 00:02:44,630
now some will look at this body of data

77
00:02:49,190 --> 00:02:46,800
much of which is self-corroborating

78
00:02:50,070 --> 00:02:49,200
and argue that while that's all well and

79
00:02:51,910 --> 00:02:50,080
good

80
00:02:53,670 --> 00:02:51,920
how do we know we're not just advancing

81
00:02:55,750 --> 00:02:53,680
our own hopes and biases

82
00:02:57,430 --> 00:02:55,760
in the form of a kind of collective

83
00:03:00,229 --> 00:02:57,440
wishful thinking

84
00:03:02,309 --> 00:03:00,239
after all some of these people would ask

85
00:03:04,229 --> 00:03:02,319
what evidence do we have to suggest

86
00:03:06,309 --> 00:03:04,239
they would regard us as any more

87
00:03:09,830 --> 00:03:06,319
significant and worthy of

88
00:03:11,190 --> 00:03:09,840

keeping around than ants if they really

89

00:03:13,430 --> 00:03:11,200

are as sophisticated

90

00:03:15,190 --> 00:03:13,440

both in terms of technological prowess

91

00:03:17,830 --> 00:03:15,200

and advanced intelligence

92

00:03:19,830 --> 00:03:17,840

as compared to us what's to say they

93

00:03:21,990 --> 00:03:19,840

would give us the time of day

94

00:03:23,589 --> 00:03:22,000

any more than we would do to a mound of

95

00:03:26,949 --> 00:03:23,599

insects making a mess

96

00:03:28,789 --> 00:03:26,959

of our backyard while these are fair

97

00:03:30,869 --> 00:03:28,799

questions one certainly worthy of

98

00:03:31,990 --> 00:03:30,879

addressing considering the clear

99

00:03:35,190 --> 00:03:32,000

superiority these

100

00:03:36,869 --> 00:03:35,200

apparent others do demonstrate over us

101

00:03:39,509 --> 00:03:36,879

there is actually more than just the

102

00:03:41,830 --> 00:03:39,519

experimenter literature available to us

103

00:03:43,750 --> 00:03:41,840

that suggests that we can indeed draw

104

00:03:46,630 --> 00:03:43,760

some tentative conclusions

105

00:03:47,509 --> 00:03:46,640

as to the purpose and intent of these

106

00:03:50,710 --> 00:03:47,519

quote-unquote

107

00:03:52,710 --> 00:03:50,720

aliens these non-human intelligences now

108

00:03:54,390 --> 00:03:52,720

making our acquaintance

109

00:03:56,470 --> 00:03:54,400

here i speak of the predictable

110

00:03:59,589 --> 00:03:56,480

directionality of the evolutionary

111

00:04:00,949 --> 00:03:59,599

development of sentient species

112

00:04:03,429 --> 00:04:00,959

what does this predictable

113

00:04:04,550 --> 00:04:03,439

directionality tell us about the likely

114

00:04:07,589 --> 00:04:04,560

perspectives

115

00:04:09,350 --> 00:04:07,599

of these advanced non-human others and

116

00:04:11,229 --> 00:04:09,360

what assurance do we have

117

00:04:13,589 --> 00:04:11,239

these notions are not merely

118

00:04:16,150 --> 00:04:13,599

species-centric prejudices

119

00:04:18,229 --> 00:04:16,160

projected onto species that are anything

120

00:04:20,550 --> 00:04:18,239

but human

121

00:04:21,830 --> 00:04:20,560

these are intriguing and considering our

122

00:04:23,990 --> 00:04:21,840

current situation

123

00:04:26,390 --> 00:04:24,000

essential questions for us as a

124

00:04:28,550 --> 00:04:26,400

civilization to address

125

00:04:29,510 --> 00:04:28,560

these are the very issues we'll tackle

126
00:04:31,909 --> 00:04:29,520
head on

127
00:04:36,200 --> 00:04:31,919
here in the 27th episode of the point of

128
00:04:42,629 --> 00:04:39,909
[Music]

129
00:04:43,990 --> 00:04:42,639
as we begin this week's podcast let's

130
00:04:46,469 --> 00:04:44,000
address this issue of

131
00:04:47,270 --> 00:04:46,479
the credibility of witnesses because

132
00:04:49,189 --> 00:04:47,280
skeptics

133
00:04:50,950 --> 00:04:49,199
regarding the ufo phenomenon will

134
00:04:54,310 --> 00:04:50,960
frequently bring this up

135
00:04:57,110 --> 00:04:54,320
they think believers quote unquote

136
00:04:59,749 --> 00:04:57,120
lean too much on witness testimony so

137
00:05:01,990 --> 00:04:59,759
what can we say about witness testimony

138
00:05:04,390 --> 00:05:02,000

and its validity when it comes to trying

139

00:05:06,950 --> 00:05:04,400

to make decisions about the credibility

140

00:05:10,710 --> 00:05:06,960

of something as world shattering as the

141

00:05:13,189 --> 00:05:10,720

ufo phenomenon

142

00:05:14,790 --> 00:05:13,199

well first off not all witnesses are

143

00:05:17,270 --> 00:05:14,800

created equal

144

00:05:18,150 --> 00:05:17,280

we do need to be discerning about who we

145

00:05:20,469 --> 00:05:18,160

listen to

146

00:05:22,550 --> 00:05:20,479

we do need to check people's backgrounds

147

00:05:26,230 --> 00:05:22,560

we do need to look into if they have

148

00:05:27,749 --> 00:05:26,240

other motivations for coming forward

149

00:05:30,070 --> 00:05:27,759

jacques villa is a good example of

150

00:05:31,830 --> 00:05:30,080

someone who does his homework

151
00:05:33,909 --> 00:05:31,840
he does as much as he can

152
00:05:34,870 --> 00:05:33,919
preparatorially to find out if the

153
00:05:39,029 --> 00:05:34,880
witnesses he

154
00:05:41,510 --> 00:05:39,039
interviews are likely credible

155
00:05:43,590 --> 00:05:41,520
now one of the ways that valet finds out

156
00:05:45,029 --> 00:05:43,600
about the potential credibility of a

157
00:05:47,590 --> 00:05:45,039
potential witness

158
00:05:48,230 --> 00:05:47,600
is by looking into their background

159
00:05:50,310 --> 00:05:48,240
interviewing

160
00:05:51,990 --> 00:05:50,320
their family and friends looking into

161
00:05:53,510 --> 00:05:52,000
their professional career

162
00:05:55,830 --> 00:05:53,520
sometimes even looking into their

163
00:05:56,309 --> 00:05:55,840

financial background to find out again

164

00:05:58,070 --> 00:05:56,319

if they

165

00:05:59,749 --> 00:05:58,080

would have some sort of financial

166

00:06:01,510 --> 00:05:59,759

interest in coming forward

167

00:06:03,350 --> 00:06:01,520

even though people don't make nearly as

168

00:06:06,070 --> 00:06:03,360

much money off this kind of thing as

169

00:06:07,749 --> 00:06:06,080

skeptics sometimes assume but we can

170

00:06:11,749 --> 00:06:07,759

look into all those things

171

00:06:13,590 --> 00:06:11,759

because for our own credibility in terms

172

00:06:15,189 --> 00:06:13,600

of people who want to put this forward

173

00:06:16,309 --> 00:06:15,199

as something that's valid that needs to

174

00:06:18,870 --> 00:06:16,319

be studied

175

00:06:21,270 --> 00:06:18,880

by our scientific community we need to

176

00:06:23,670 --> 00:06:21,280

do our homework not make assumptions

177

00:06:25,749 --> 00:06:23,680

do our best job of determining the

178

00:06:28,150 --> 00:06:25,759

credibility of witnesses we want to put

179

00:06:30,070 --> 00:06:28,160

forward

180

00:06:32,309 --> 00:06:30,080

now there's also the matter of strength

181

00:06:34,230 --> 00:06:32,319

in numbers last week we discussed the

182

00:06:37,189 --> 00:06:34,240

figure of richard lang

183

00:06:38,309 --> 00:06:37,199

who is a researcher who has worked for

184

00:06:40,870 --> 00:06:38,319

airport authorities

185

00:06:42,629 --> 00:06:40,880

and the department of homeland security

186

00:06:44,230 --> 00:06:42,639

he admitted that when he first started

187

00:06:46,710 --> 00:06:44,240

interviewing witnesses

188

00:06:48,469 --> 00:06:46,720

who had apparently come into contact

189

00:06:51,670 --> 00:06:48,479

with non-human intelligences

190

00:06:53,830 --> 00:06:51,680

aliens he was highly skeptical in fact

191

00:06:54,870 --> 00:06:53,840

he assumed these people were mentally

192

00:06:58,390 --> 00:06:54,880

unstable

193

00:07:00,070 --> 00:06:58,400

or were looking for fame or money

194

00:07:01,990 --> 00:07:00,080

but as he interviewed more and more of

195

00:07:04,230 --> 00:07:02,000

them he began to realize

196

00:07:05,749 --> 00:07:04,240

their stories were remarkably similar

197

00:07:07,270 --> 00:07:05,759

even though they didn't know each other

198

00:07:09,110 --> 00:07:07,280

sometimes they were even from quite

199

00:07:11,990 --> 00:07:09,120

different cultural backgrounds

200

00:07:14,150 --> 00:07:12,000

different class backgrounds across the

201
00:07:15,909 --> 00:07:14,160
board there were remarkable similarities

202
00:07:17,189 --> 00:07:15,919
and whenever that happens that's a

203
00:07:19,430 --> 00:07:17,199
strong indicator

204
00:07:23,029 --> 00:07:19,440
that something real is happening and

205
00:07:26,150 --> 00:07:23,039
being reported by these people

206
00:07:26,629 --> 00:07:26,160
lastly let me just add that contrary to

207
00:07:29,430 --> 00:07:26,639
the

208
00:07:30,629 --> 00:07:29,440
opinion of many skeptics many

209
00:07:33,110 --> 00:07:30,639
experiencers

210
00:07:33,670 --> 00:07:33,120
do not want to come forward do not want

211
00:07:36,230 --> 00:07:33,680
to be

212
00:07:36,710 --> 00:07:36,240
associated with this topic because they

213
00:07:39,110 --> 00:07:36,720

know

214

00:07:40,550 --> 00:07:39,120

about the stigma in our culture even

215

00:07:43,110 --> 00:07:40,560

today

216

00:07:45,270 --> 00:07:43,120

many people would indeed rather be

217

00:07:47,350 --> 00:07:45,280

considered mentally ill find out they

218

00:07:49,510 --> 00:07:47,360

are indeed mentally ill

219

00:07:50,950 --> 00:07:49,520

than have to confront this idea that

220

00:07:54,550 --> 00:07:50,960

they've been contacted

221

00:07:55,589 --> 00:07:54,560

or abducted by aliens sherry wilde is an

222

00:07:57,510 --> 00:07:55,599

american

223

00:07:59,270 --> 00:07:57,520

experencer that we've discussed before

224

00:08:00,469 --> 00:07:59,280

who went through this very phase

225

00:08:02,790 --> 00:08:00,479

she actually went to several

226

00:08:04,390 --> 00:08:02,800

psychologists hoping they would prove

227

00:08:06,150 --> 00:08:04,400

that she was mentally ill

228

00:08:08,869 --> 00:08:06,160

so she wouldn't have to confront this

229

00:08:09,510 --> 00:08:08,879

very notion that aliens were contacting

230

00:08:13,990 --> 00:08:09,520

her

231

00:08:17,670 --> 00:08:16,469

so now that we've established who these

232

00:08:19,749 --> 00:08:17,680

experiencers are

233

00:08:21,830 --> 00:08:19,759

that actually it's a broad swath of

234

00:08:24,070 --> 00:08:21,840

people from all across the planet

235

00:08:26,070 --> 00:08:24,080

with very different backgrounds some who

236

00:08:29,510 --> 00:08:26,080

had zero interest in this topic

237

00:08:32,310 --> 00:08:29,520

whatsoever let's now talk about the

238

00:08:34,790 --> 00:08:32,320

messages they have received

239

00:08:36,230 --> 00:08:34,800

first off before we go there let's just

240

00:08:39,110 --> 00:08:36,240

remind ourselves of just

241

00:08:41,589 --> 00:08:39,120

how many people have been contacted this

242

00:08:43,430 --> 00:08:41,599

is actually not a rare occurrence

243

00:08:45,829 --> 00:08:43,440

as i discussed with stuart davis

244

00:08:49,030 --> 00:08:45,839

yesterday when he interviewed me for the

245

00:08:51,110 --> 00:08:49,040

aliens and artists podcast very few

246

00:08:54,389 --> 00:08:51,120

people who have these experiences come

247

00:08:57,110 --> 00:08:54,399

forward even today now some have put

248

00:08:59,829 --> 00:08:57,120

forward numbers like one in ten

249

00:09:01,990 --> 00:08:59,839

i think as the steward that it's much

250

00:09:04,550 --> 00:09:02,000

less common than that

251
00:09:05,030 --> 00:09:04,560
i think this is so discombobulating for

252
00:09:07,110 --> 00:09:05,040
people

253
00:09:08,790 --> 00:09:07,120
not just because of the stigma and how

254
00:09:12,070 --> 00:09:08,800
this is going to be received

255
00:09:15,430 --> 00:09:12,080
but because the experience is so far out

256
00:09:18,710 --> 00:09:15,440
of our usual expectation of reality

257
00:09:20,790 --> 00:09:18,720
that many just compartmentalize it never

258
00:09:24,070 --> 00:09:20,800
deal with it try not to anyway

259
00:09:25,829 --> 00:09:24,080
so only a few people of the totality are

260
00:09:27,110 --> 00:09:25,839
actually coming forward let's keep that

261
00:09:28,790 --> 00:09:27,120
in mind

262
00:09:31,269 --> 00:09:28,800
but of those that are coming forward

263
00:09:33,110 --> 00:09:31,279

there is a remarkable consistency

264

00:09:34,829 --> 00:09:33,120

in the reporting of the messages they

265

00:09:37,670 --> 00:09:34,839

receive from these

266

00:09:39,190 --> 00:09:37,680

others

267

00:09:41,030 --> 00:09:39,200

now before we go through this bullet

268

00:09:43,990 --> 00:09:41,040

list of the common threads

269

00:09:46,230 --> 00:09:44,000

shared with human beings by these others

270

00:09:47,190 --> 00:09:46,240

let me just offer the caveat as i often

271

00:09:49,990 --> 00:09:47,200

like to do

272

00:09:50,870 --> 00:09:50,000

that while we refer to this as the ufo

273

00:09:53,030 --> 00:09:50,880

phenomenon

274

00:09:54,550 --> 00:09:53,040

because it's convenient it's almost

275

00:09:57,110 --> 00:09:54,560

certainly phenomena

276

00:09:58,470 --> 00:09:57,120

involving multiple actors with perhaps

277

00:10:00,949 --> 00:09:58,480

very different origins

278

00:10:02,230 --> 00:10:00,959

some may be extraterrestrial some may be

279

00:10:04,230 --> 00:10:02,240

ultra-terrestrial

280

00:10:05,350 --> 00:10:04,240

some may be of an origin that we haven't

281

00:10:07,190 --> 00:10:05,360

even imagined yet

282

00:10:08,389 --> 00:10:07,200

i think that's quite likely all of the

283

00:10:10,949 --> 00:10:08,399

above

284

00:10:11,750 --> 00:10:10,959

and not all of them share the same

285

00:10:15,030 --> 00:10:11,760

intentions

286

00:10:16,310 --> 00:10:15,040

motivations agendas let's keep that in

287

00:10:18,870 --> 00:10:16,320

mind

288

00:10:20,310 --> 00:10:18,880

nevertheless what the body of data shows

289

00:10:21,430 --> 00:10:20,320

us and we talked about this when we

290

00:10:24,150 --> 00:10:21,440

discussed the free

291

00:10:24,710 --> 00:10:24,160

experimenter study for instance what it

292

00:10:27,430 --> 00:10:24,720

shows us

293

00:10:28,790 --> 00:10:27,440

is there is a remarkable consistency in

294

00:10:31,590 --> 00:10:28,800

what people are told

295

00:10:35,110 --> 00:10:31,600

by many of these highly advanced

296

00:10:39,190 --> 00:10:37,509

so let's go through this bullet list of

297

00:10:40,230 --> 00:10:39,200

messages that have been shared with

298

00:10:42,470 --> 00:10:40,240

human beings

299

00:10:44,630 --> 00:10:42,480

by these others with remarkable

300

00:10:46,949 --> 00:10:44,640

consistency

301
00:10:49,269 --> 00:10:46,959
number one people often hear about a

302
00:10:52,550 --> 00:10:49,279
sense of brother and sisterhood

303
00:10:54,150 --> 00:10:52,560
that they see us as family that they

304
00:10:56,389 --> 00:10:54,160
have developed beyond

305
00:10:58,310 --> 00:10:56,399
dualistic notions and they have moved

306
00:11:01,590 --> 00:10:58,320
towards a sense of oneness

307
00:11:02,630 --> 00:11:01,600
and they see us as part and parcel with

308
00:11:05,990 --> 00:11:02,640
them

309
00:11:10,550 --> 00:11:06,000
significant

310
00:11:12,550 --> 00:11:10,560
important and in some ways indivisible

311
00:11:14,310 --> 00:11:12,560
number two they have a concern about the

312
00:11:15,990 --> 00:11:14,320
particularly perilous stage of

313
00:11:16,790 --> 00:11:16,000

development we're currently going

314

00:11:18,550 --> 00:11:16,800

through

315

00:11:21,110 --> 00:11:18,560

specifically since the dawn of the

316

00:11:22,790 --> 00:11:21,120

atomic age

317

00:11:24,389 --> 00:11:22,800

we've talked about this before when we

318

00:11:28,150 --> 00:11:24,399

discussed the latest book by

319

00:11:29,110 --> 00:11:28,160

jacques valle since the atomic age there

320

00:11:31,430 --> 00:11:29,120

seems to have been an

321

00:11:32,710 --> 00:11:31,440

uptick in their presence here and their

322

00:11:35,190 --> 00:11:32,720

level of intervention

323

00:11:37,350 --> 00:11:35,200

arguably anyway and that would make

324

00:11:39,910 --> 00:11:37,360

sense because we have been

325

00:11:41,110 --> 00:11:39,920

at the precipice of self-disaster ever

326

00:11:44,630 --> 00:11:41,120

since we detonated

327

00:11:49,110 --> 00:11:47,269

they have also shared with consistency

328

00:11:50,629 --> 00:11:49,120

that their concern is not just for the

329

00:11:52,870 --> 00:11:50,639

human species

330

00:11:54,550 --> 00:11:52,880

again because they are highly advanced

331

00:11:56,790 --> 00:11:54,560

in terms of consciousness

332

00:11:58,710 --> 00:11:56,800

they also have great concerns for the

333

00:12:01,430 --> 00:11:58,720

entire biosphere of the planet

334

00:12:02,230 --> 00:12:01,440

for animal species and even there has

335

00:12:05,590 --> 00:12:02,240

been some

336

00:12:06,790 --> 00:12:05,600

sense of the gaia energy the spirit of

337

00:12:09,910 --> 00:12:06,800

the earth itself

338

00:12:10,870 --> 00:12:09,920

reaching out across the cosmos to these

339

00:12:12,710 --> 00:12:10,880

others

340

00:12:13,990 --> 00:12:12,720

in distress because of what we're doing

341

00:12:16,150 --> 00:12:14,000

to the planet

342

00:12:17,430 --> 00:12:16,160

now some may find that a stretch some

343

00:12:19,910 --> 00:12:17,440

may find that

344

00:12:22,550 --> 00:12:19,920

as if it sounds too new-agey and yet

345

00:12:24,629 --> 00:12:22,560

this has been reported consistently

346

00:12:26,150 --> 00:12:24,639

concern for the biosphere concern for

347

00:12:28,710 --> 00:12:26,160

animals as well as

348

00:12:32,470 --> 00:12:28,720

human civilization and even concern for

349

00:12:35,670 --> 00:12:34,150

now as i've mentioned before on this

350

00:12:39,350 --> 00:12:35,680

podcast what

351

00:12:40,470 --> 00:12:39,360

is bizarre intriguing but bewildering

352

00:12:42,150 --> 00:12:40,480

about this topic

353

00:12:43,670 --> 00:12:42,160

is that if you look into it with any

354

00:12:46,790 --> 00:12:43,680

degree of

355

00:12:49,350 --> 00:12:46,800

energy and consistency over time

356

00:12:51,509 --> 00:12:49,360

looking at all the data one aspect of

357

00:12:52,150 --> 00:12:51,519

the phenomenon inevitably leads you to

358

00:12:54,790 --> 00:12:52,160

another

359

00:12:56,629 --> 00:12:54,800

and it begins to stretch into larger

360

00:12:57,350 --> 00:12:56,639

questions about the nature of reality

361

00:12:58,790 --> 00:12:57,360

itself

362

00:13:00,389 --> 00:12:58,800

the nature of what it means to be a

363

00:13:02,389 --> 00:13:00,399

human being

364

00:13:05,030 --> 00:13:02,399

this entire journey about understanding

365

00:13:07,750 --> 00:13:05,040

this phenomenon is as much about who we

366

00:13:08,150 --> 00:13:07,760

are as who they are i've said it before

367

00:13:11,590 --> 00:13:08,160

and

368

00:13:13,910 --> 00:13:11,600

again

369

00:13:15,670 --> 00:13:13,920

now speaking of that one of the messages

370

00:13:17,750 --> 00:13:15,680

shared by these others

371

00:13:20,069 --> 00:13:17,760

is that our connection with them goes

372

00:13:22,230 --> 00:13:20,079

beyond this lifetime

373

00:13:23,350 --> 00:13:22,240

and it's not just that they tell us that

374

00:13:25,350 --> 00:13:23,360

we hear from

375

00:13:26,949 --> 00:13:25,360

experiencers that when they're on board

376

00:13:28,470 --> 00:13:26,959

the ships or in their

377

00:13:30,310 --> 00:13:28,480

altered state of consciousness where

378

00:13:32,870 --> 00:13:30,320

they're in direct contact with these

379

00:13:36,629 --> 00:13:32,880

others these non-human intelligences

380

00:13:38,949 --> 00:13:36,639

they remember knowing these entities

381

00:13:40,949 --> 00:13:38,959

both when they were young as children

382

00:13:43,829 --> 00:13:40,959

and even before them

383

00:13:46,629 --> 00:13:43,839

in between lifetimes sometimes and

384

00:13:49,030 --> 00:13:46,639

sometimes even in previous lifetimes

385

00:13:50,790 --> 00:13:49,040

and it gets even stranger yet because

386

00:13:53,990 --> 00:13:50,800

some people remember

387

00:13:56,310 --> 00:13:54,000

multiple lifetimes and not always

388

00:13:58,150 --> 00:13:56,320

incarnating as human beings they

389

00:14:00,069 --> 00:13:58,160

sometimes remember that they

390

00:14:02,790 --> 00:14:00,079

in a previous lifetime may have been a

391

00:14:05,110 --> 00:14:02,800

grave for instance

392

00:14:06,949 --> 00:14:05,120

some even find that they have a hybrid

393

00:14:09,110 --> 00:14:06,959

nature that even now

394

00:14:11,590 --> 00:14:09,120

when they are in that modality when they

395

00:14:13,269 --> 00:14:11,600

are on board the ship or in that altered

396

00:14:16,389 --> 00:14:13,279

state of consciousness

397

00:14:18,230 --> 00:14:16,399

they come into contact with a sense of

398

00:14:20,389 --> 00:14:18,240

themselves or something comes online

399

00:14:23,269 --> 00:14:20,399

that reminds them they have an identity

400

00:14:24,389 --> 00:14:23,279

that is partly non-human some hybrids

401
00:14:26,629 --> 00:14:24,399
only realize this

402
00:14:27,509 --> 00:14:26,639
at least initially when they have these

403
00:14:29,829 --> 00:14:27,519
experiences

404
00:14:33,829 --> 00:14:29,839
on board the craft or in this altered

405
00:14:37,829 --> 00:14:36,230
now speaking of hybrids one of the

406
00:14:40,389 --> 00:14:37,839
messages reported

407
00:14:42,790 --> 00:14:40,399
to human beings by these others is that

408
00:14:43,509 --> 00:14:42,800
there are indeed hybridization programs

409
00:14:46,710 --> 00:14:43,519
going on

410
00:14:49,590 --> 00:14:46,720
even vast hybridization programs

411
00:14:51,110 --> 00:14:49,600
and indeed experiences reports seeing

412
00:14:54,069 --> 00:14:51,120
life forms both

413
00:14:55,269 --> 00:14:54,079

infants and toddlers and whatnot on

414

00:14:57,670 --> 00:14:55,279

board these craft

415

00:14:58,870 --> 00:14:57,680

that reportedly look like a cross

416

00:15:01,189 --> 00:14:58,880

between a human being

417

00:15:03,030 --> 00:15:01,199

and something like a gray there's been a

418

00:15:06,069 --> 00:15:03,040

wide variety of life forms

419

00:15:08,470 --> 00:15:06,079

observed that only look partly human

420

00:15:10,550 --> 00:15:08,480

there are also some entities that look

421

00:15:12,870 --> 00:15:10,560

remarkably human that could pass as a

422

00:15:16,069 --> 00:15:12,880

human being but nevertheless

423

00:15:17,750 --> 00:15:16,079

have alien dna in them as well and it's

424

00:15:19,910 --> 00:15:17,760

not just dna it's even

425

00:15:21,269 --> 00:15:19,920

a kind of energetic signature that goes

426

00:15:22,629 --> 00:15:21,279

beyond that it

427

00:15:24,310 --> 00:15:22,639

shows up in a way we don't fully

428

00:15:26,230 --> 00:15:24,320

understand yet

429

00:15:28,069 --> 00:15:26,240

now in terms of why this hybridization

430

00:15:30,629 --> 00:15:28,079

program is going on

431

00:15:31,509 --> 00:15:30,639

one of the messages shared is that it's

432

00:15:34,550 --> 00:15:31,519

to dilute

433

00:15:34,870 --> 00:15:34,560

our more destructive elements that not

434

00:15:36,629 --> 00:15:34,880

just

435

00:15:38,710 --> 00:15:36,639

hybrids are being introduced into the

436

00:15:42,310 --> 00:15:38,720

world but that many people

437

00:15:44,949 --> 00:15:42,320

over time have had their dna manipulated

438

00:15:46,389 --> 00:15:44,959

tweaked in some ways to try and lessen

439

00:15:49,269 --> 00:15:46,399

our more destructive

440

00:15:51,590 --> 00:15:49,279

aggressive tendencies because that sort

441

00:15:54,710 --> 00:15:51,600

of lizard part of our brain that still

442

00:15:56,629 --> 00:15:54,720

acts with fight or flight primarily is

443

00:15:59,269 --> 00:15:56,639

really dangerous especially when we have

444

00:16:01,590 --> 00:15:59,279

the kind of technology we have today

445

00:16:03,749 --> 00:16:01,600

so there's been genetic tweaking going

446

00:16:06,550 --> 00:16:03,759

on to try and diminish those

447

00:16:07,990 --> 00:16:06,560

aspects of who we are as well as

448

00:16:10,310 --> 00:16:08,000

hybridization programs

449

00:16:11,670 --> 00:16:10,320

where beings that are a cross between

450

00:16:14,550 --> 00:16:11,680

these species

451
00:16:15,590 --> 00:16:14,560
and humans are introduced on our planet

452
00:16:18,790 --> 00:16:15,600
and many of these

453
00:16:22,230 --> 00:16:18,800
apparently walk amongst us right now

454
00:16:23,509 --> 00:16:22,240
now as we've discussed before some see

455
00:16:25,990 --> 00:16:23,519
this as a nefarious

456
00:16:27,269 --> 00:16:26,000
strategy that it's a plan to take over

457
00:16:29,350 --> 00:16:27,279
the world

458
00:16:30,389 --> 00:16:29,360
i don't see it that way i fully

459
00:16:32,790 --> 00:16:30,399
understand that we

460
00:16:35,430 --> 00:16:32,800
are a self-destructive species that we

461
00:16:37,670 --> 00:16:35,440
are on the precipice of self-destruction

462
00:16:40,230 --> 00:16:37,680
more so than ever before in our history

463
00:16:41,990 --> 00:16:40,240

because of the nature of our weapons

464

00:16:43,829 --> 00:16:42,000

so this makes sense to me i can

465

00:16:44,470 --> 00:16:43,839

understand it from a consciousness point

466

00:16:47,269 --> 00:16:44,480

of view

467

00:16:47,749 --> 00:16:47,279

and this is indeed what experiences are

468

00:16:51,590 --> 00:16:47,759

told

469

00:16:52,389 --> 00:16:51,600

by these others so i know that was a lot

470

00:16:54,069 --> 00:16:52,399

to take in

471

00:16:55,670 --> 00:16:54,079

but i just wanted to give us a sense of

472

00:16:56,230 --> 00:16:55,680

the general messages that have been

473

00:16:59,910 --> 00:16:56,240

shared

474

00:17:02,069 --> 00:16:59,920

the general tone of the messages overall

475

00:17:03,430 --> 00:17:02,079

very consistently the message shared is

476

00:17:05,350 --> 00:17:03,440

that they mean us well

477

00:17:07,029 --> 00:17:05,360

they're here for our benefit as well as

478

00:17:07,909 --> 00:17:07,039

the benefit of other species on the

479

00:17:10,230 --> 00:17:07,919

planet

480

00:17:12,230 --> 00:17:10,240

and the earth itself and they're here to

481

00:17:13,429 --> 00:17:12,240

help us navigate a particularly

482

00:17:16,549 --> 00:17:13,439

dangerous

483

00:17:17,590 --> 00:17:16,559

stage in our history they also have told

484

00:17:19,990 --> 00:17:17,600

us that they don't see

485

00:17:22,949 --> 00:17:20,000

us as completely independent of them

486

00:17:25,110 --> 00:17:22,959

that we indeed share a history with them

487

00:17:27,189 --> 00:17:25,120

some experiencers have even learned that

488

00:17:29,750 --> 00:17:27,199

there was a vast seating program

489

00:17:32,070 --> 00:17:29,760

that happened billions maybe even

490

00:17:34,870 --> 00:17:32,080

trillions of years ago

491

00:17:37,430 --> 00:17:34,880

across the cosmos and that that partly

492

00:17:39,510 --> 00:17:37,440

explains why the humanoid human looking

493

00:17:42,230 --> 00:17:39,520

kind of entities are encountered so

494

00:17:45,669 --> 00:17:44,070

now that we've covered the messages

495

00:17:47,270 --> 00:17:45,679

shared by these others

496

00:17:49,510 --> 00:17:47,280

let's turn to the second part of this

497

00:17:51,750 --> 00:17:49,520

podcast where we discussed

498

00:17:53,350 --> 00:17:51,760

the evolution of consciousness because

499

00:17:55,669 --> 00:17:53,360

indeed there is evidence

500

00:17:56,470 --> 00:17:55,679

that evolution happens not just on the

501
00:17:59,909 --> 00:17:56,480
exterior

502
00:18:02,390 --> 00:17:59,919
in terms of physiology but that actual

503
00:18:04,230 --> 00:18:02,400
interior evolution happens as well the

504
00:18:07,510 --> 00:18:04,240
evolution of consciousness

505
00:18:10,150 --> 00:18:07,520
for all sentient beings

506
00:18:11,909 --> 00:18:10,160
now in a previous podcast episode titled

507
00:18:14,950 --> 00:18:11,919
disclosure dilemma

508
00:18:16,630 --> 00:18:14,960
i address the fact that how this notion

509
00:18:19,990 --> 00:18:16,640
that non-human intelligences

510
00:18:21,510 --> 00:18:20,000
are here already in our midst will be

511
00:18:23,029 --> 00:18:21,520
handled very differently will be

512
00:18:25,669 --> 00:18:23,039
received very differently

513
00:18:27,669 --> 00:18:25,679

by different cultures around the world

514

00:18:31,029 --> 00:18:27,679

because of the very fact that

515

00:18:32,950 --> 00:18:31,039

those various cultures are operating at

516

00:18:34,950 --> 00:18:32,960

a different level of consciousness that

517

00:18:37,110 --> 00:18:34,960

there's a center of gravity that varies

518

00:18:39,430 --> 00:18:37,120

across the planet

519

00:18:41,430 --> 00:18:39,440

we can look at a center of gravity for

520

00:18:41,990 --> 00:18:41,440

consciousness not just for an individual

521

00:18:44,950 --> 00:18:42,000

but for an

522

00:18:46,549 --> 00:18:44,960

entire culture and depending on the

523

00:18:47,350 --> 00:18:46,559

level of consciousness both of an

524

00:18:49,510 --> 00:18:47,360

individual

525

00:18:50,710 --> 00:18:49,520

and a culture that will largely

526

00:18:52,470 --> 00:18:50,720

determine

527

00:18:54,070 --> 00:18:52,480

how this notion that non-human

528

00:18:57,350 --> 00:18:54,080

intelligences are here

529

00:18:59,990 --> 00:18:57,360

that aliens are here we discussed

530

00:19:02,070 --> 00:19:00,000

something called spiral dynamics which

531

00:19:04,789 --> 00:19:02,080

describes a predictable way

532

00:19:05,510 --> 00:19:04,799

that both individuals and cultures

533

00:19:09,510 --> 00:19:05,520

develop

534

00:19:12,950 --> 00:19:11,270

and now i'd like us to look at the

535

00:19:15,270 --> 00:19:12,960

evolution of consciousness

536

00:19:16,710 --> 00:19:15,280

through a couple of different lenses

537

00:19:19,669 --> 00:19:16,720

first off let's look at

538

00:19:21,830 --> 00:19:19,679

value systems the earliest human beings

539

00:19:23,590 --> 00:19:21,840

had very archaic values we're talking

540

00:19:24,390 --> 00:19:23,600

about the most rudimentary forms of

541

00:19:27,830 --> 00:19:24,400

humanity

542

00:19:28,789 --> 00:19:27,840

and survival basically we evolved from

543

00:19:31,430 --> 00:19:28,799

there to having

544

00:19:32,070 --> 00:19:31,440

magical values here for instance we

545

00:19:34,070 --> 00:19:32,080

would

546

00:19:35,110 --> 00:19:34,080

use rituals and whatnot to try and

547

00:19:38,310 --> 00:19:35,120

change

548

00:19:39,270 --> 00:19:38,320

reality from there we evolved yet again

549

00:19:40,950 --> 00:19:39,280

to what you could call

550

00:19:43,350 --> 00:19:40,960

traditional values here's when the

551
00:19:45,830 --> 00:19:43,360
monotheistic religions came online

552
00:19:46,630 --> 00:19:45,840
and notions that there was a god in

553
00:19:48,390 --> 00:19:46,640
heaven

554
00:19:50,230 --> 00:19:48,400
that determined reality and that you

555
00:19:53,430 --> 00:19:50,240
needed to respond to this god

556
00:19:55,350 --> 00:19:53,440
in order to have favorable outcomes

557
00:19:57,430 --> 00:19:55,360
as we've mentioned before many people

558
00:19:58,390 --> 00:19:57,440
are still at this stage actually around

559
00:20:00,310 --> 00:19:58,400
the world

560
00:20:02,390 --> 00:20:00,320
that while there are more advanced forms

561
00:20:03,669 --> 00:20:02,400
of for instance christianity and islam

562
00:20:05,669 --> 00:20:03,679
and judaism

563
00:20:07,590 --> 00:20:05,679

the majority of people who adopt one of

564

00:20:08,549 --> 00:20:07,600

those religions and are practicing it

565

00:20:11,190 --> 00:20:08,559

today

566

00:20:12,470 --> 00:20:11,200

are practicing an earlier version of it

567

00:20:14,470 --> 00:20:12,480

where there's a quite literal

568

00:20:15,750 --> 00:20:14,480

understanding that there are three tiers

569

00:20:18,789 --> 00:20:15,760

to reality

570

00:20:19,350 --> 00:20:18,799

god and angels above human beings and

571

00:20:22,149 --> 00:20:19,360

animals

572

00:20:22,470 --> 00:20:22,159

on the earth and satan and demons below

573

00:20:25,350 --> 00:20:22,480

and

574

00:20:25,830 --> 00:20:25,360

often these others are mistaken either

575

00:20:29,190 --> 00:20:25,840

for

576
00:20:34,310 --> 00:20:29,200
angels or demons that's the traditional

577
00:20:37,110 --> 00:20:34,320
value set

578
00:20:38,149 --> 00:20:37,120
from there we move to rational modern

579
00:20:40,149 --> 00:20:38,159
values

580
00:20:41,750 --> 00:20:40,159
and here notions like the scientific

581
00:20:43,230 --> 00:20:41,760
method came online

582
00:20:45,190 --> 00:20:43,240
the notion that we could use

583
00:20:48,149 --> 00:20:45,200
experimentation to

584
00:20:49,669 --> 00:20:48,159
find out about the running of reality

585
00:20:52,549 --> 00:20:49,679
that we could understand it

586
00:20:54,230 --> 00:20:52,559
and grow from that develop technologies

587
00:20:55,590 --> 00:20:54,240
that could benefit all of humankind

588
00:20:58,549 --> 00:20:55,600

because of this

589

00:21:00,870 --> 00:20:58,559

this is a rational modern phase with

590

00:21:03,190 --> 00:21:00,880

values that followed suit

591

00:21:05,270 --> 00:21:03,200

also notions like the equality of all

592

00:21:07,669 --> 00:21:05,280

human beings regardless of

593

00:21:09,510 --> 00:21:07,679

their background came online at this

594

00:21:11,270 --> 00:21:09,520

stage

595

00:21:13,270 --> 00:21:11,280

and then we have the adoption of

596

00:21:15,270 --> 00:21:13,280

postmodern values which was

597

00:21:16,390 --> 00:21:15,280

a reaction in many ways to the modern

598

00:21:18,549 --> 00:21:16,400

values

599

00:21:20,870 --> 00:21:18,559

here there was a notion that some of

600

00:21:23,669 --> 00:21:20,880

those systems were actually demeaning

601
00:21:24,710 --> 00:21:23,679
to humankind and that hierarchies were

602
00:21:27,669 --> 00:21:24,720
developing

603
00:21:28,549 --> 00:21:27,679
that belittled some people and favored

604
00:21:31,029 --> 00:21:28,559
others

605
00:21:33,270 --> 00:21:31,039
and there was a notion that these value

606
00:21:35,909 --> 00:21:33,280
structures should be deconstructed

607
00:21:39,750 --> 00:21:35,919
because they were actually dangerous and

608
00:21:43,190 --> 00:21:41,830
at this post-modern stage there was also

609
00:21:44,950 --> 00:21:43,200
a recognition that

610
00:21:46,950 --> 00:21:44,960
some of the gains that came with

611
00:21:48,149 --> 00:21:46,960
modernism in terms of the development of

612
00:21:50,789 --> 00:21:48,159
technology and

613
00:21:52,310 --> 00:21:50,799

industry had actually caused great

614

00:21:53,909 --> 00:21:52,320

damage to the earth

615

00:21:55,510 --> 00:21:53,919

and this birth for instance the

616

00:21:57,990 --> 00:21:55,520

environmental movement

617

00:21:59,430 --> 00:21:58,000

this came as a result of understanding

618

00:22:00,549 --> 00:21:59,440

that while there were gains that came

619

00:22:02,630 --> 00:22:00,559

with modernism

620

00:22:04,070 --> 00:22:02,640

there were a lot of downsides too and

621

00:22:08,230 --> 00:22:04,080

post-modern values

622

00:22:12,070 --> 00:22:09,909

now what's interesting about each of

623

00:22:15,029 --> 00:22:12,080

those different stages and the value

624

00:22:16,149 --> 00:22:15,039

sets belonging to those stages is that

625

00:22:17,830 --> 00:22:16,159

each one

626
00:22:19,510 --> 00:22:17,840
thought it was right and the one

627
00:22:21,110 --> 00:22:19,520
previous to it was wrong

628
00:22:22,870 --> 00:22:21,120
and not just partially wrong but

629
00:22:25,510 --> 00:22:22,880
completely wrong

630
00:22:26,789 --> 00:22:25,520
each stage felt like it had completely

631
00:22:29,990 --> 00:22:26,799
superseded

632
00:22:31,830 --> 00:22:30,000
and made irrelevant and wanted to toss

633
00:22:34,470 --> 00:22:31,840
into the dustbin of history

634
00:22:35,669 --> 00:22:34,480
any and all previous stages this was the

635
00:22:38,149 --> 00:22:35,679
assumption

636
00:22:39,190 --> 00:22:38,159
and these are therefore all called first

637
00:22:42,390 --> 00:22:39,200
tier stages

638
00:22:43,190 --> 00:22:42,400

because of that next up we move into the

639

00:22:44,789 --> 00:22:43,200

second tier

640

00:22:46,470 --> 00:22:44,799

where there actually was a recognition

641

00:22:49,750 --> 00:22:46,480

that each of these stages

642

00:22:51,430 --> 00:22:49,760

in unique ways contributed to human

643

00:22:55,909 --> 00:22:51,440

consciousness and needed to be

644

00:22:59,990 --> 00:22:58,230

so for instance when we get into teal

645

00:23:03,190 --> 00:23:00,000

and turquoise stages that we talked

646

00:23:06,149 --> 00:23:03,200

about on a previous podcast episode

647

00:23:09,110 --> 00:23:06,159

we have notions that while modernism did

648

00:23:09,990 --> 00:23:09,120

indeed cause damage it also contributed

649

00:23:13,029 --> 00:23:10,000

greatly to

650

00:23:16,070 --> 00:23:13,039

human advancement and that while

651
00:23:19,029 --> 00:23:16,080
post-modernism was correct in wanting to

652
00:23:20,149 --> 00:23:19,039
take apart dominator hierarchies that

653
00:23:22,950 --> 00:23:20,159
had formed

654
00:23:23,590 --> 00:23:22,960
artificial hierarchies in a way that

655
00:23:25,510 --> 00:23:23,600
there were

656
00:23:26,789 --> 00:23:25,520
things called growth hierarchies that

657
00:23:29,029 --> 00:23:26,799
appeared in nature that

658
00:23:31,669 --> 00:23:29,039
actually were completely helpful and

659
00:23:35,430 --> 00:23:31,679
part of the evolution of consciousness

660
00:23:37,909 --> 00:23:35,440
we can call these holar keys where each

661
00:23:39,110 --> 00:23:37,919
section becomes part of the next level

662
00:23:42,070 --> 00:23:39,120
of development

663
00:23:44,310 --> 00:23:42,080

so a whole becomes part of the next

664

00:23:48,549 --> 00:23:44,320

level that's a hierarchy where it's

665

00:23:52,789 --> 00:23:50,390

and i've discussed this before on

666

00:23:55,430 --> 00:23:52,799

previous episodes of this podcast

667

00:23:56,630 --> 00:23:55,440

it's about ever-expanding circles of

668

00:23:58,549 --> 00:23:56,640

inclusion

669

00:23:59,750 --> 00:23:58,559

and again just to make this point really

670

00:24:02,230 --> 00:23:59,760

clear

671

00:24:03,909 --> 00:24:02,240

researchers like claire graves who began

672

00:24:05,909 --> 00:24:03,919

spiral dynamics and others who have

673

00:24:08,070 --> 00:24:05,919

taken up this cause since then

674

00:24:09,590 --> 00:24:08,080

have consistently found that there are

675

00:24:11,830 --> 00:24:09,600

predictable ways

676
00:24:12,870 --> 00:24:11,840
that both individuals and entire

677
00:24:15,830 --> 00:24:12,880
societies

678
00:24:17,029 --> 00:24:15,840
evolve that they follow this predictable

679
00:24:19,750 --> 00:24:17,039
trajectory

680
00:24:20,950 --> 00:24:19,760
that leads towards ever increasing ever

681
00:24:24,070 --> 00:24:20,960
expanding

682
00:24:27,269 --> 00:24:24,080
circles of inclusion and even circles of

683
00:24:31,669 --> 00:24:29,590
so if we were to name these different

684
00:24:35,669 --> 00:24:31,679
evolutions of consciousness

685
00:24:39,750 --> 00:24:35,679
we go from egocentric i me mine

686
00:24:43,110 --> 00:24:39,760
to ethnocentric us we ours

687
00:24:45,830 --> 00:24:43,120
to world-centric all human beings

688
00:24:48,310 --> 00:24:45,840

to planet-centric meaning all life on

689

00:24:51,350 --> 00:24:48,320

earth not just human beings

690

00:24:54,549 --> 00:24:51,360

solar centric everything and everyone

691

00:24:57,269 --> 00:24:54,559

in our solar system galactocentric

692

00:24:58,390 --> 00:24:57,279

everyone and everything in the milky way

693

00:25:01,669 --> 00:24:58,400

and finally

694

00:25:04,549 --> 00:25:01,679

cosmocentric and here some will use the

695

00:25:05,669 --> 00:25:04,559

letter k because in this sense cosmos

696

00:25:08,870 --> 00:25:05,679

means not just

697

00:25:10,710 --> 00:25:08,880

the manifest reality physically but also

698

00:25:13,750 --> 00:25:10,720

the unmanifest cosmos

699

00:25:16,149 --> 00:25:13,760

so cosmocentric with a k this is the

700

00:25:17,350 --> 00:25:16,159

predictable trajectory of consciousness

701
00:25:21,110 --> 00:25:17,360
that we find

702
00:25:25,110 --> 00:25:23,990
and when i say all sentient species what

703
00:25:27,110 --> 00:25:25,120
i'm suggesting is

704
00:25:28,390 --> 00:25:27,120
number one we've seen this demonstrated

705
00:25:30,950 --> 00:25:28,400
time and time again

706
00:25:31,669 --> 00:25:30,960
with all various human cultures around

707
00:25:33,430 --> 00:25:31,679
the world

708
00:25:35,430 --> 00:25:33,440
and it is still happening and being

709
00:25:37,909 --> 00:25:35,440
evidenced today

710
00:25:39,750 --> 00:25:37,919
but also this matches remarkably well

711
00:25:41,190 --> 00:25:39,760
with what these others are saying in

712
00:25:42,310 --> 00:25:41,200
terms of their evolution of

713
00:25:44,630 --> 00:25:42,320

consciousness

714

00:25:46,789 --> 00:25:44,640

and if indeed they are more superior

715

00:25:48,870 --> 00:25:46,799

than us they are at a higher level

716

00:25:50,310 --> 00:25:48,880

and their technology certainly suggests

717

00:25:53,269 --> 00:25:50,320

that's the case

718

00:25:55,190 --> 00:25:53,279

then they are sending messages to us

719

00:25:58,070 --> 00:25:55,200

exactly as we would expect

720

00:25:59,750 --> 00:25:58,080

based on a more advanced civilization

721

00:26:02,230 --> 00:25:59,760

they are at a second tier level

722

00:26:05,909 --> 00:26:02,240

or beyond and are communicating from

723

00:26:09,350 --> 00:26:07,590

so i'm saying we can look at this from

724

00:26:11,510 --> 00:26:09,360

two different angles

725

00:26:13,350 --> 00:26:11,520

not only do we hear a consistent message

726

00:26:16,390 --> 00:26:13,360

of peace cooperation

727

00:26:18,789 --> 00:26:16,400

and even oneness from these others

728

00:26:19,990 --> 00:26:18,799

many of them anyway especially the ones

729

00:26:21,990 --> 00:26:20,000

showing signs of

730

00:26:23,750 --> 00:26:22,000

extremely advanced intelligence and

731

00:26:25,750 --> 00:26:23,760

technology

732

00:26:27,669 --> 00:26:25,760

but based on our understanding of the

733

00:26:30,789 --> 00:26:27,679

evolution of consciousness

734

00:26:32,950 --> 00:26:30,799

as discussed in today's podcast

735

00:26:34,870 --> 00:26:32,960

this is exactly the kind of behavior and

736

00:26:37,909 --> 00:26:34,880

message we would predict

737

00:26:40,070 --> 00:26:37,919

based on spiral dynamics this is

738

00:26:42,070 --> 00:26:40,080

somewhat akin to a news reporter who is

739

00:26:42,950 --> 00:26:42,080

able to establish the credibility of one

740

00:26:45,590 --> 00:26:42,960

account

741

00:26:47,430 --> 00:26:45,600

by finding a second unrelated source

742

00:26:50,549 --> 00:26:47,440

that confirms the details

743

00:26:53,269 --> 00:26:50,559

of the first account

744

00:26:54,870 --> 00:26:53,279

so interestingly and tellingly when we

745

00:26:56,310 --> 00:26:54,880

step back and look at what we talked

746

00:26:57,909 --> 00:26:56,320

about today

747

00:27:00,149 --> 00:26:57,919

i think this is telling us something

748

00:27:02,710 --> 00:27:00,159

fundamental about reality

749

00:27:05,510 --> 00:27:02,720

fundamental about the cosmos we live in

750

00:27:08,230 --> 00:27:05,520

the multiverse we live in

751
00:27:10,310 --> 00:27:08,240
not only do we see that humankind

752
00:27:13,830 --> 00:27:10,320
follows a predictable trajectory

753
00:27:17,190 --> 00:27:13,840
of greater levels of inclusion and

754
00:27:19,909 --> 00:27:17,200
awareness and even identity over time

755
00:27:20,630 --> 00:27:19,919
to the point where eventually one sees

756
00:27:23,750 --> 00:27:20,640
oneself

757
00:27:26,870 --> 00:27:23,760
as one with everything else that is

758
00:27:27,430 --> 00:27:26,880
alive and sentient in the cosmos but

759
00:27:29,590 --> 00:27:27,440
that these

760
00:27:31,590 --> 00:27:29,600
others these aliens that are a

761
00:27:33,830 --> 00:27:31,600
completely different species

762
00:27:34,870 --> 00:27:33,840
with a different origin many of them

763
00:27:37,430 --> 00:27:34,880

also show

764

00:27:39,190 --> 00:27:37,440

signs of following that same track that

765

00:27:41,430 --> 00:27:39,200

same trajectory

766

00:27:42,630 --> 00:27:41,440

this tells us that at the heart of

767

00:27:44,630 --> 00:27:42,640

reality

768

00:27:45,990 --> 00:27:44,640

evolution happens not just

769

00:27:49,990 --> 00:27:46,000

physiologically

770

00:27:51,669 --> 00:27:50,000

but also on the interior of a being

771

00:27:53,350 --> 00:27:51,679

and that it leads to these ever

772

00:27:56,470 --> 00:27:53,360

increasing ever expanding

773

00:27:56,789 --> 00:27:56,480

understandings of self and connectivity

774

00:28:04,310 --> 00:27:56,799

to

775

00:28:07,190 --> 00:28:04,320

of another edition

776

00:28:07,990 --> 00:28:07,200

of the point of convergence podcast as

777

00:28:10,310 --> 00:28:08,000

always

778

00:28:11,430 --> 00:28:10,320

let's keep this conversation going and

779

00:28:13,190 --> 00:28:11,440

growing

780

00:28:15,510 --> 00:28:13,200

please continue to spread the word about

781

00:28:16,470 --> 00:28:15,520

this podcast on social media and

782

00:28:18,230 --> 00:28:16,480

elsewhere

783

00:28:21,909 --> 00:28:18,240

so others can join us in this

784

00:28:24,149 --> 00:28:21,919

fascinating and essential conversation

785

00:28:26,070 --> 00:28:24,159

but until next time friends from deep

786

00:28:27,110 --> 00:28:26,080

within the blue ridge mountains of north
