2
00:00:12,150 --> 00:00:09,190

hello

3
00:00:14,310 --> 00:00:12,160

and welcome to episode number 28 of the

4
00:00:18,870 --> 00:00:14,320

point of convergence podcast

5
00:00:21,349 --> 00:00:18,880

as always i'm your host exo academian

6
00:00:23,990 --> 00:00:21,359

ever since the release of videos showing

7
00:00:26,790 --> 00:00:24,000

images of strangely behaving vehicles

8
00:00:28,230 --> 00:00:26,800

officially classified as unidentified

9
00:00:31,589 --> 00:00:28,240

aerial phenomena

10
00:00:33,830 --> 00:00:31,599

entered the public sphere in 2017

11
00:00:35,590 --> 00:00:33,840

there has been a rising tide of public

12
00:00:37,270 --> 00:00:35,600

and even government interest

13
00:00:38,790 --> 00:00:37,280

in what have more commonly and

14

00:00:43,190 --> 00:00:38,800

historically been referred to

15

00:00:45,590 --> 00:00:43,200

as ufos unidentified flying objects

16

00:00:46,229 --> 00:00:45,600

this rise in interest crescendoed in a

17

00:00:48,630 --> 00:00:46,239

dod

18

00:00:50,150 --> 00:00:48,640

report delivered to congress recently

19

00:00:51,430 --> 00:00:50,160

which has resulted in further

20

00:00:53,189 --> 00:00:51,440

speculation

21

00:00:54,790 --> 00:00:53,199

here in the united states and right

22

00:00:57,270 --> 00:00:54,800

around the world

23

00:00:59,189 --> 00:00:57,280

not surprisingly the speculation tends

24

00:01:03,590 --> 00:00:59,199

to revolve around the nature

25

00:01:09,030 --> 00:01:05,950

as i and others predicted the final

26

00:01:11,510 --> 00:01:09,040

uaptf report delivered to the public

27

00:01:12,550 --> 00:01:11,520

i.e the unclassified version of the

28

00:01:15,590 --> 00:01:12,560

report

29

00:01:17,429 --> 00:01:15,600

is nebulous enough to at times

30

00:01:19,030 --> 00:01:17,439

seemingly talk out of both sides of its

31

00:01:20,550 --> 00:01:19,040

proverbial mouth

32

00:01:22,789 --> 00:01:20,560

and because of that deliberate

33

00:01:25,429 --> 00:01:22,799

meticulously crafted wording

34

00:01:27,910 --> 00:01:25,439

conversation near and far does still

35

00:01:30,550 --> 00:01:27,920

touch on the possibility of these craft

36

00:01:31,590 --> 00:01:30,560

being those of foreign adversaries

37

00:01:33,510 --> 00:01:31,600

though no one

38

00:01:36,069 --> 00:01:33,520

in the know so to speak in the

39

00:01:37,749 --> 00:01:36,079

government really believes that anymore

40

00:01:40,710 --> 00:01:37,759

because the leap in technology

41

00:01:43,670 --> 00:01:40,720

demonstrated is simply too great

42

00:01:45,830 --> 00:01:43,680

that said because the extraterrestrial

43

00:01:46,870 --> 00:01:45,840

possibility was not excluded from

44

00:01:49,270 --> 00:01:46,880

consideration

45

00:01:50,069 --> 00:01:49,280

in the report even those who have

46

00:01:52,630 --> 00:01:50,079

historically

47

00:01:54,550 --> 00:01:52,640

steered away from speculation about

48

00:01:56,870 --> 00:01:54,560

non-human visitation

49

00:01:59,030 --> 00:01:56,880

are now bridging that conversation all

50

00:02:02,149 --> 00:01:59,040

across the globe

51
00:02:04,550 --> 00:02:02,159
that is in itself something to celebrate

52
00:02:05,990 --> 00:02:04,560
this marks a turning point never before

53
00:02:08,790 --> 00:02:06,000
seen in the history

54
00:02:10,309 --> 00:02:08,800
of our civilization and we really should

55
00:02:13,270 --> 00:02:10,319
take a moment to recognize

56
00:02:14,869 --> 00:02:13,280
and revel in that new reality even if

57
00:02:15,990 --> 00:02:14,879
most of us who've been looking at the

58
00:02:18,630 --> 00:02:16,000
data for years

59
00:02:19,350 --> 00:02:18,640
if not decades will argue that this is

60
00:02:22,550 --> 00:02:19,360
of course

61
00:02:25,589 --> 00:02:22,560
well overdue but a win is a win

62
00:02:27,270 --> 00:02:25,599
so we'll take it the conversation

63
00:02:29,350 --> 00:02:27,280

which those of us really immersed in

64

00:02:32,309 --> 00:02:29,360

this topic know is mystifying

65

00:02:33,910 --> 00:02:32,319

and multifaceted is just beginning for

66

00:02:35,589 --> 00:02:33,920

much of the general public

67

00:02:38,229 --> 00:02:35,599

and even for many of our elected

68

00:02:40,949 --> 00:02:38,239

officials but it is beginning

69

00:02:41,750 --> 00:02:40,959

and again that's worth celebrating one

70

00:02:44,869 --> 00:02:41,760

can't finish

71

00:02:47,589 --> 00:02:44,879

what one hasn't begun

72

00:02:49,509 --> 00:02:47,599

that said when one pays close attention

73

00:02:51,110 --> 00:02:49,519

to the conversations that are being had

74

00:02:53,750 --> 00:02:51,120

all around the world

75

00:02:55,750 --> 00:02:53,760

one thing becomes clear when the

76

00:02:57,990 --> 00:02:55,760

non-human origin possibility

77

00:02:59,430 --> 00:02:58,000

is breached it is almost solely in the

78

00:03:02,470 --> 00:02:59,440

form of so-called

79

00:03:04,309 --> 00:03:02,480

extraterrestrial visitors i.e physical

80

00:03:07,190 --> 00:03:04,319

beings who traveled here from some

81

00:03:08,710 --> 00:03:07,200

far-flung star system in sophisticated

82

00:03:11,030 --> 00:03:08,720

spacecraft

83

00:03:13,830 --> 00:03:11,040

in this sense the conversation quickly

84

00:03:16,790 --> 00:03:13,840

jumps into the well-grooved category

85

00:03:18,229 --> 00:03:16,800

of space aliens which has been served up

86

00:03:22,790 --> 00:03:18,239

time and time again

87

00:03:25,589 --> 00:03:22,800

via our society's entertainment industry

88

00:03:27,589 --> 00:03:25,599

the space alien notion in media is so

89

00:03:29,750 --> 00:03:27,599

ubiquitous now in fact

90

00:03:31,750 --> 00:03:29,760

that most people can't even consciously

91

00:03:34,470 --> 00:03:31,760

separate fact from fiction

92

00:03:36,390 --> 00:03:34,480

in their mind's eye anymore as diana

93

00:03:39,509 --> 00:03:36,400

pasoka argued in her book

94

00:03:41,509 --> 00:03:39,519

american cosmic but those of us who

95

00:03:43,670 --> 00:03:41,519

studied the ufo phenomenon in a

96

00:03:45,750 --> 00:03:43,680

dedicated and granular way

97

00:03:46,710 --> 00:03:45,760

have long realized that this familiar

98

00:03:49,509 --> 00:03:46,720

category

99

00:03:51,750 --> 00:03:49,519

namely that of space aliens may only

100

00:03:53,509 --> 00:03:51,760

represent one small piece of a much

101
00:03:55,509 --> 00:03:53,519
larger puzzle

102
00:03:57,350 --> 00:03:55,519
indeed the revelations that inevitably

103
00:03:58,550 --> 00:03:57,360
arise from a close study of this

104
00:04:00,550 --> 00:03:58,560
phenomenon

105
00:04:01,589 --> 00:04:00,560
seemingly give birth to a whole new set

106
00:04:04,070 --> 00:04:01,599
of questions

107
00:04:05,110 --> 00:04:04,080
for everyone that it often only

108
00:04:08,229 --> 00:04:05,120
tentatively

109
00:04:11,030 --> 00:04:08,239
answers knowing this is the case

110
00:04:12,869 --> 00:04:11,040
we might ask is the general public ready

111
00:04:16,150 --> 00:04:12,879
for these revelations

112
00:04:18,550 --> 00:04:16,160
can they quote unquote handle the truth

113
00:04:19,189 --> 00:04:18,560

as complex and convoluted as it

114

00:04:21,990 --> 00:04:19,199

apparently

115

00:04:23,110 --> 00:04:22,000

is and can they stomach entering into a

116

00:04:25,430 --> 00:04:23,120

conversation

117

00:04:27,270 --> 00:04:25,440

that has not yet served up clear

118

00:04:30,230 --> 00:04:27,280

unequivocal answers

119

00:04:32,390 --> 00:04:30,240

even after decades of underground study

120

00:04:33,590 --> 00:04:32,400

do they even have the attention span to

121

00:04:36,710 --> 00:04:33,600

do so

122

00:04:39,510 --> 00:04:36,720

unlikely i would argue for vast swaths

123

00:04:41,670 --> 00:04:39,520

of the population anyway

124

00:04:43,430 --> 00:04:41,680

modern human societies are simply not

125

00:04:46,870 --> 00:04:43,440

accustomed to this degree

126

00:04:49,110 --> 00:04:46,880

of unclarity about the nature of reality

127

00:04:50,629 --> 00:04:49,120

and make no mistake that's where these

128

00:04:52,790 --> 00:04:50,639

revelations lead

129

00:04:53,990 --> 00:04:52,800

to questions about the very fabric of

130

00:04:56,790 --> 00:04:54,000

all that exists

131

00:04:58,870 --> 00:04:56,800

and to how it is all connected the

132

00:05:01,189 --> 00:04:58,880

current models of reality will not only

133

00:05:03,510 --> 00:05:01,199

have to be revised as a result

134

00:05:04,790 --> 00:05:03,520

but they will need to be re-categorized

135

00:05:07,510 --> 00:05:04,800

as understandings that

136

00:05:08,150 --> 00:05:07,520

only apply to microenvironments seen at

137

00:05:10,469 --> 00:05:08,160

a certain

138

00:05:12,390 --> 00:05:10,479

local level that in light of the

139

00:05:14,710 --> 00:05:12,400

totality of all that is

140

00:05:16,629 --> 00:05:14,720

these notions are almost trite and

141

00:05:18,950 --> 00:05:16,639

simplistic

142

00:05:19,950 --> 00:05:18,960

these are vast issues giving way to

143

00:05:22,550 --> 00:05:19,960

bewildering

144

00:05:23,990 --> 00:05:22,560

discombobulating questions the likes of

145

00:05:26,310 --> 00:05:24,000

which our civilization

146

00:05:27,990 --> 00:05:26,320

has never yet had to deal with in a

147

00:05:30,150 --> 00:05:28,000

direct way

148

00:05:32,150 --> 00:05:30,160

how will this be handled what will the

149

00:05:34,870 --> 00:05:32,160

process look like as it rolls out

150

00:05:35,830 --> 00:05:34,880

in the months and years ahead these are

151
00:05:38,230 --> 00:05:35,840
the thorny

152
00:05:39,749 --> 00:05:38,240
and yet fascinating topics we'll

153
00:05:42,790 --> 00:05:39,759
endeavor to address

154
00:05:47,140 --> 00:05:42,800
in this the 28th episode of the point of

155
00:05:53,510 --> 00:05:51,189
[Music]

156
00:05:55,029 --> 00:05:53,520
as we begin this week's podcast let's

157
00:05:56,550 --> 00:05:55,039
first lay out the details

158
00:05:58,870 --> 00:05:56,560
so we're clear about what we're dealing

159
00:05:59,270 --> 00:05:58,880
with here and just how deep this rabbit

160
00:06:02,710 --> 00:05:59,280
hole

161
00:06:04,309 --> 00:06:02,720
goes but first off let's discuss the

162
00:06:06,950 --> 00:06:04,319
nature of the conversation

163
00:06:07,990 --> 00:06:06,960

currently being had amongst the public

164

00:06:10,629 --> 00:06:08,000

just so we can see

165

00:06:12,230 --> 00:06:10,639

how far this conversation has to go how

166

00:06:14,870 --> 00:06:12,240

far it has to progress

167

00:06:15,430 --> 00:06:14,880

before the public catches up with what

168

00:06:18,469 --> 00:06:15,440

this

169

00:06:20,710 --> 00:06:18,479

discussion actually involves

170

00:06:22,790 --> 00:06:20,720

now if you do hear discussion about any

171

00:06:25,189 --> 00:06:22,800

kind of non-human intelligence

172

00:06:25,830 --> 00:06:25,199

it's almost always in the form of space

173

00:06:29,270 --> 00:06:25,840

aliens

174

00:06:32,870 --> 00:06:29,280

as i just mentioned now recently

175

00:06:35,350 --> 00:06:32,880

i saw a debate amongst the uk

176

00:06:38,230 --> 00:06:35,360

house of lords discussing the

177

00:06:42,950 --> 00:06:38,240

consequences of this very uaptf

178

00:06:43,670 --> 00:06:42,960

report now first off again we have to

179

00:06:47,270 --> 00:06:43,680

acknowledge

180

00:06:49,430 --> 00:06:47,280

how historic this was here was

181

00:06:51,270 --> 00:06:49,440

a live debate amongst the united

182

00:06:54,710 --> 00:06:51,280

kingdom's house of lords

183

00:06:57,110 --> 00:06:54,720

discussing the uaptf report

184

00:06:58,309 --> 00:06:57,120

discussing the notion of unidentified

185

00:07:01,350 --> 00:06:58,319

aerial phenomena

186

00:07:02,550 --> 00:07:01,360

ufos this was being discussed in the

187

00:07:08,710 --> 00:07:02,560

light of day

188

00:07:12,390 --> 00:07:11,270

that said anyone with any familiarity

189

00:07:13,909 --> 00:07:12,400

with this topic

190

00:07:16,790 --> 00:07:13,919

would have been frustrated by this

191

00:07:18,790 --> 00:07:16,800

conversation this discussion

192

00:07:20,309 --> 00:07:18,800

it was remarkably simplistic and

193

00:07:22,710 --> 00:07:20,319

one-dimensional

194

00:07:23,830 --> 00:07:22,720

for instance one particular politician

195

00:07:27,909 --> 00:07:23,840

said something like

196

00:07:29,589 --> 00:07:27,919

and i paraphrase here if these were ets

197

00:07:32,710 --> 00:07:29,599

we'd be photographing them with our

198

00:07:34,550 --> 00:07:32,720

modern smartphones left right and center

199

00:07:36,550 --> 00:07:34,560

in other words he assumes they'd just be

200

00:07:39,749 --> 00:07:36,560

parading across the skies

201
00:07:41,830 --> 00:07:39,759
in objects we could see and

202
00:07:42,870 --> 00:07:41,840
videotape and photograph with our

203
00:07:46,070 --> 00:07:42,880
smartphones

204
00:07:48,150 --> 00:07:46,080
willy-nilly number one this of course

205
00:07:49,830 --> 00:07:48,160
assumes they want to be seen

206
00:07:52,550 --> 00:07:49,840
and number two that they don't have the

207
00:07:55,749 --> 00:07:52,560
technology or control of our perceptions

208
00:07:56,950 --> 00:07:55,759
to remain hidden if they so chose now of

209
00:07:59,830 --> 00:07:56,960
course there's plenty of

210
00:08:00,469 --> 00:07:59,840
literature behind the ufo phenomenon to

211
00:08:03,510 --> 00:08:00,479
suggest

212
00:08:05,430 --> 00:08:03,520
all of these are faulty assumptions of

213
00:08:07,670 --> 00:08:05,440

course this individual didn't think to

214

00:08:10,070 --> 00:08:07,680

look into any of that literature

215

00:08:11,189 --> 00:08:10,080

it was a ridiculous level of sloppy

216

00:08:13,670 --> 00:08:11,199

research

217

00:08:17,589 --> 00:08:13,680

and an astounding level of assumption

218

00:08:19,749 --> 00:08:17,599

and this was amongst our politicians

219

00:08:21,110 --> 00:08:19,759

of course part of the problem here is in

220

00:08:24,629 --> 00:08:21,120

regards to where

221

00:08:27,029 --> 00:08:24,639

one usually finds such a record academic

222

00:08:29,670 --> 00:08:27,039

studies for instance are often looked to

223

00:08:31,749 --> 00:08:29,680

from political circles but of course

224

00:08:34,389 --> 00:08:31,759

that's a huge part of the problem here

225

00:08:34,870 --> 00:08:34,399

because academia has long ignored this

226

00:08:37,750 --> 00:08:34,880

question

227

00:08:39,029 --> 00:08:37,760

altogether so while the literature does

228

00:08:41,430 --> 00:08:39,039

indeed exist

229

00:08:42,630 --> 00:08:41,440

and it's an extensive body of data at

230

00:08:44,949 --> 00:08:42,640

this point

231

00:08:45,910 --> 00:08:44,959

it's not going to be found by making

232

00:08:48,550 --> 00:08:45,920

inquiries

233

00:08:50,150 --> 00:08:48,560

with our society's usual mainstream

234

00:08:55,110 --> 00:08:50,160

record keepers

235

00:08:56,550 --> 00:08:55,120

i.e academics another aspect of the

236

00:08:59,110 --> 00:08:56,560

problem when it comes to

237

00:08:59,829 --> 00:08:59,120

trying to advance a sophisticated

238

00:09:02,870 --> 00:08:59,839

nuanced

239

00:09:06,070 --> 00:09:02,880

discussion about the ufo phenomenon is

240

00:09:08,310 --> 00:09:06,080

the nature of our media landscape today

241

00:09:09,350 --> 00:09:08,320

this is no longer the era of walter

242

00:09:11,670 --> 00:09:09,360

cronkite

243

00:09:13,269 --> 00:09:11,680

where the vast majority of the american

244

00:09:17,350 --> 00:09:13,279

population for instance

245

00:09:20,070 --> 00:09:17,360

would tune into one of three or so

246

00:09:22,389 --> 00:09:20,080

tv networks to hear from trusted

247

00:09:24,470 --> 00:09:22,399

authorities when it came to the day's

248

00:09:27,350 --> 00:09:24,480

news

249

00:09:29,509 --> 00:09:27,360

demographically speaking today anyone

250

00:09:32,630 --> 00:09:29,519

under about the age of 55

251
00:09:36,389 --> 00:09:32,640
is more likely to log onto the internet

252
00:09:39,269 --> 00:09:36,399
and find their desired news sources

253
00:09:40,150 --> 00:09:39,279
to consume content and of course this

254
00:09:42,710 --> 00:09:40,160
has produced

255
00:09:43,350 --> 00:09:42,720
a series of echo chambers where people

256
00:09:45,670 --> 00:09:43,360
seek out

257
00:09:46,790 --> 00:09:45,680
and hear from voices that tell them what

258
00:09:49,269 --> 00:09:46,800
they already know

259
00:09:50,870 --> 00:09:49,279
and in many ways already know they want

260
00:09:53,269 --> 00:09:50,880
to hear

261
00:09:54,150 --> 00:09:53,279
so in that sense it's not surprising in

262
00:09:56,070 --> 00:09:54,160
fact that

263
00:09:58,150 --> 00:09:56,080

supposedly some aspects of the

264

00:10:00,870 --> 00:09:58,160

government involved with the ufo

265

00:10:03,509 --> 00:10:00,880

phenomenon or the study of it anyway

266

00:10:04,550 --> 00:10:03,519

have sought out specific individuals

267

00:10:07,030 --> 00:10:04,560

that can help

268

00:10:08,310 --> 00:10:07,040

disperse this conversation amongst the

269

00:10:10,630 --> 00:10:08,320

larger public

270

00:10:11,750 --> 00:10:10,640

i speak here of people who have unique

271

00:10:14,470 --> 00:10:11,760

audiences

272

00:10:15,750 --> 00:10:14,480

people like sam harris who has said that

273

00:10:18,389 --> 00:10:15,760

he was approached

274

00:10:22,310 --> 00:10:18,399

to perform exactly such an action on

275

00:10:26,230 --> 00:10:24,550

now if nothing else this tells us that

276

00:10:28,710 --> 00:10:26,240

some people within the government

277

00:10:30,230 --> 00:10:28,720

with a deep knowledge of this topic have

278

00:10:32,550 --> 00:10:30,240

given great thought

279

00:10:34,470 --> 00:10:32,560

to how this is going to roll out how

280

00:10:35,509 --> 00:10:34,480

they can control the narrative so to

281

00:10:37,350 --> 00:10:35,519

speak

282

00:10:38,870 --> 00:10:37,360

they have therefore reached out to

283

00:10:41,509 --> 00:10:38,880

specific individuals

284

00:10:43,190 --> 00:10:41,519

that have a unique and authoritative

285

00:10:44,230 --> 00:10:43,200

voice with different segments of the

286

00:10:46,150 --> 00:10:44,240

population

287

00:10:47,430 --> 00:10:46,160

so they can try and roll this out in a

288

00:10:49,670 --> 00:10:47,440

controlled way

289

00:10:53,509 --> 00:10:49,680

in the midst of a media landscape that's

290

00:10:56,870 --> 00:10:55,750

and just to clarify i'm not suggesting

291

00:10:59,190 --> 00:10:56,880

we should necessarily

292

00:11:00,710 --> 00:10:59,200

trust the motivations of these

293

00:11:02,790 --> 00:11:00,720

individuals within government

294

00:11:03,750 --> 00:11:02,800

who are thinking about these things

295

00:11:05,990 --> 00:11:03,760

there's plenty of

296

00:11:07,190 --> 00:11:06,000

historical evidence in fact to suggest

297

00:11:10,230 --> 00:11:07,200

we shouldn't

298

00:11:10,870 --> 00:11:10,240

70 plus years or so in fact all i'm

299

00:11:13,829 --> 00:11:10,880

getting to

300

00:11:16,470 --> 00:11:13,839

hear is that clearly these individuals

301
00:11:18,710 --> 00:11:16,480
recognize how difficult it's going to be

302
00:11:20,310 --> 00:11:18,720
to roll out any kind of conversation in

303
00:11:23,430 --> 00:11:20,320
a controlled way

304
00:11:27,030 --> 00:11:23,440
it's very difficult to have a concise

305
00:11:29,590 --> 00:11:27,040
sophisticated nuanced ongoing

306
00:11:31,350 --> 00:11:29,600
conversation about something as complex

307
00:11:33,190 --> 00:11:31,360
as the ufo phenomenon

308
00:11:35,670 --> 00:11:33,200
when we have huge segments of the

309
00:11:36,230 --> 00:11:35,680
population tuning into completely

310
00:11:38,710 --> 00:11:36,240
different

311
00:11:39,350 --> 00:11:38,720
media sources and they're likely going

312
00:11:41,829 --> 00:11:39,360
to hear

313
00:11:42,630 --> 00:11:41,839

very different takes about the ufo

314

00:11:45,430 --> 00:11:42,640

phenomenon

315

00:11:47,110 --> 00:11:45,440

from the get go based on the world view

316

00:11:52,150 --> 00:11:47,120

perspectives of those

317

00:11:56,150 --> 00:11:54,150

part of the challenge here involves

318

00:11:57,190 --> 00:11:56,160

critical thinking skills or the lack

319

00:12:00,389 --> 00:11:57,200

thereof

320

00:12:02,069 --> 00:12:00,399

in our modern society for instance some

321

00:12:04,150 --> 00:12:02,079

people are just quick to jump on

322

00:12:05,990 --> 00:12:04,160

conspiracy theories period

323

00:12:08,470 --> 00:12:06,000

so when they hear that the ufo

324

00:12:10,389 --> 00:12:08,480

phenomenon involves a conspiracy theory

325

00:12:12,790 --> 00:12:10,399

of the government covering up

326

00:12:15,269 --> 00:12:12,800

information for 70 plus years

327

00:12:17,590 --> 00:12:15,279

they'll quickly jump on board they'll be

328

00:12:19,670 --> 00:12:17,600

persuaded in a heartbeat

329

00:12:21,190 --> 00:12:19,680

the challenge though is that these same

330

00:12:23,110 --> 00:12:21,200

people don't show

331

00:12:24,470 --> 00:12:23,120

basic critical thinking skills when it

332

00:12:27,110 --> 00:12:24,480

comes to distinguishing

333

00:12:28,710 --> 00:12:27,120

something that is evidentially true like

334

00:12:31,509 --> 00:12:28,720

the ufo phenomenon

335

00:12:33,030 --> 00:12:31,519

from other ideas other conspiracies that

336

00:12:35,269 --> 00:12:33,040

are quickly demonstrably

337

00:12:36,150 --> 00:12:35,279

false for anyone who does any kind of

338

00:12:38,629 --> 00:12:36,160

research

339

00:12:41,110 --> 00:12:38,639

and exercises basic critical thinking

340

00:12:43,590 --> 00:12:41,120

skills

341

00:12:44,470 --> 00:12:43,600

and that often muddies the water amongst

342

00:12:46,389 --> 00:12:44,480

a different

343

00:12:48,150 --> 00:12:46,399

completely different section of the

344

00:12:51,110 --> 00:12:48,160

public that assumes that

345

00:12:51,990 --> 00:12:51,120

oh if this group believes that a and

346

00:12:55,190 --> 00:12:52,000

they also believe

347

00:12:56,150 --> 00:12:55,200

b then the entire thing must be hogwash

348

00:12:59,670 --> 00:12:56,160

because we know

349

00:13:01,910 --> 00:12:59,680

a is hogwash therefore by association b

350

00:13:03,910 --> 00:13:01,920

must be hogwash as well

351
00:13:05,670 --> 00:13:03,920
and of course this second segment is

352
00:13:07,990 --> 00:13:05,680
also the kind of group

353
00:13:09,590 --> 00:13:08,000
that assumes that if this was real we

354
00:13:11,590 --> 00:13:09,600
would already know about it

355
00:13:13,350 --> 00:13:11,600
so you have two very different groups

356
00:13:14,069 --> 00:13:13,360
who come on board for very different

357
00:13:15,910 --> 00:13:14,079
reasons

358
00:13:19,030 --> 00:13:15,920
and it doesn't move the conversation

359
00:13:22,150 --> 00:13:21,190
now i just mentioned a second segment of

360
00:13:24,470 --> 00:13:22,160
the population

361
00:13:25,910 --> 00:13:24,480
that has a strong confidence in the

362
00:13:29,110 --> 00:13:25,920
controlling narrative

363
00:13:30,629 --> 00:13:29,120

in the mainstream perspective now there

364

00:13:33,350 --> 00:13:30,639

are various ways that this

365

00:13:34,629 --> 00:13:33,360

narrative is rolled out one of them that

366

00:13:37,190 --> 00:13:34,639

has real gravity

367

00:13:38,069 --> 00:13:37,200

in today's world is search engine

368

00:13:40,470 --> 00:13:38,079

rankings

369

00:13:42,870 --> 00:13:40,480

and of course as we all know there's

370

00:13:45,110 --> 00:13:42,880

only a few companies that control

371

00:13:46,550 --> 00:13:45,120

the vast majority of data that is

372

00:13:51,670 --> 00:13:46,560

produced when people

373

00:13:55,110 --> 00:13:53,189

now in the midst of something like a

374

00:13:57,670 --> 00:13:55,120

pandemic we can of course

375

00:13:59,350 --> 00:13:57,680

most of us anyway understand why it's

376

00:14:01,670 --> 00:13:59,360

important to be able to control

377

00:14:03,269 --> 00:14:01,680

the quality of data when you're trying

378

00:14:04,949 --> 00:14:03,279

to ensure public safety

379

00:14:07,269 --> 00:14:04,959

you want to make sure people are getting

380

00:14:09,829 --> 00:14:07,279

accurate scientifically backed

381

00:14:11,509 --> 00:14:09,839

data now i understand even there there's

382

00:14:13,590 --> 00:14:11,519

some nuance to the discussion

383

00:14:15,110 --> 00:14:13,600

but as a general rule that makes a lot

384

00:14:17,509 --> 00:14:15,120

of sense

385

00:14:18,790 --> 00:14:17,519

the challenge comes in learning where to

386

00:14:23,189 --> 00:14:18,800

draw the line

387

00:14:25,750 --> 00:14:23,199

when the controlling narrative

388

00:14:27,189 --> 00:14:25,760

is wrong as in the case of the ufo

389

00:14:29,189 --> 00:14:27,199

phenomenon

390

00:14:30,629 --> 00:14:29,199

then that means people will continue to

391

00:14:33,189 --> 00:14:30,639

be served up

392

00:14:33,910 --> 00:14:33,199

less quality information time and time

393

00:14:35,750 --> 00:14:33,920

again

394

00:14:37,829 --> 00:14:35,760

the less quality results will show up

395

00:14:39,829 --> 00:14:37,839

ahead of the better quality results

396

00:14:42,790 --> 00:14:39,839

because the controlling narrative

397

00:14:44,710 --> 00:14:42,800

dictates that that should be the case

398

00:14:46,710 --> 00:14:44,720

behind the scenes these algorithms are

399

00:14:50,150 --> 00:14:46,720

being tweaked to make sure this

400

00:14:52,150 --> 00:14:50,160

is the case again the challenge is

401
00:14:54,629 --> 00:14:52,160
when the mainstream narrative is

402
00:14:58,230 --> 00:14:54,639
incorrect this only

403
00:15:01,590 --> 00:14:58,240
elongates persists the exact problem

404
00:15:05,269 --> 00:15:03,990
okay so i think that serves as a pretty

405
00:15:07,829 --> 00:15:05,279
useful summary

406
00:15:09,030 --> 00:15:07,839
of the overall challenges we face in

407
00:15:11,189 --> 00:15:09,040
trying to advance

408
00:15:12,230 --> 00:15:11,199
a nuanced discussion of the ufo

409
00:15:14,949 --> 00:15:12,240
phenomenon

410
00:15:16,710 --> 00:15:14,959
in the general public now let's move on

411
00:15:19,430 --> 00:15:16,720
to the second part of the podcast

412
00:15:21,430 --> 00:15:19,440
when we talk about what issues we

413
00:15:23,509 --> 00:15:21,440

actually need to bring forward

414

00:15:27,670 --> 00:15:23,519

what kind of deep questions do we need

415

00:15:30,790 --> 00:15:27,680

to get people to start thinking about

416

00:15:32,069 --> 00:15:30,800

question number one who are they as

417

00:15:34,310 --> 00:15:32,079

we've already discussed

418

00:15:36,949 --> 00:15:34,320

when the question of who these beings

419

00:15:39,790 --> 00:15:36,959

may be if they are indeed non-human

420

00:15:41,350 --> 00:15:39,800

is put forward the assumption is

421

00:15:43,749 --> 00:15:41,360

extraterrestrial

422

00:15:44,710 --> 00:15:43,759

that assumption is so ubiquitous in fact

423

00:15:46,870 --> 00:15:44,720

that no one

424

00:15:47,990 --> 00:15:46,880

stops to ask the question about other

425

00:15:50,870 --> 00:15:48,000

possibilities

426

00:15:52,550 --> 00:15:50,880

it's just assumed that et is the only

427

00:15:54,470 --> 00:15:52,560

other option

428

00:15:56,230 --> 00:15:54,480

but of course as we've discussed on this

429

00:15:59,030 --> 00:15:56,240

podcast many times

430

00:16:00,470 --> 00:15:59,040

there are actually numerous options and

431

00:16:02,310 --> 00:16:00,480

my perspective has been

432

00:16:04,230 --> 00:16:02,320

and continues to be that there are

433

00:16:06,230 --> 00:16:04,240

likely numerous actors

434

00:16:07,749 --> 00:16:06,240

with different origins and perhaps

435

00:16:10,790 --> 00:16:07,759

different agendas

436

00:16:13,990 --> 00:16:10,800

all acting at the same time that only

437

00:16:17,509 --> 00:16:14,000

makes this already complex conversation

438

00:16:20,710 --> 00:16:18,949

now because we've discussed these

439

00:16:21,590 --> 00:16:20,720

different options many times in this

440

00:16:23,430 --> 00:16:21,600

podcast

441

00:16:25,189 --> 00:16:23,440

here i'll just give a quick overview of

442

00:16:26,870 --> 00:16:25,199

the different options

443

00:16:28,310 --> 00:16:26,880

they could be et that is

444

00:16:30,949 --> 00:16:28,320

extraterrestrial as

445

00:16:33,269 --> 00:16:30,959

conventionally conceived they could also

446

00:16:33,829 --> 00:16:33,279

be a kind of et that is more complex

447

00:16:36,550 --> 00:16:33,839

than we

448

00:16:37,629 --> 00:16:36,560

understand yet there is also the

449

00:16:40,470 --> 00:16:37,639

possibility of

450

00:16:42,110 --> 00:16:40,480

cryptoterrestrials as discussed by

451

00:16:43,670 --> 00:16:42,120

mactones in his book the

452

00:16:46,790 --> 00:16:43,680

cryptoterrestrials

453

00:16:47,749 --> 00:16:46,800

here we speak of physical beings who are

454

00:16:50,949 --> 00:16:47,759

stealthy

455

00:16:51,430 --> 00:16:50,959

but are here physical beings in our very

456

00:16:53,670 --> 00:16:51,440

midst

457

00:16:55,990 --> 00:16:53,680

in our physical dimension just

458

00:16:57,749 --> 00:16:56,000

stealthily staying out of our way

459

00:16:59,430 --> 00:16:57,759

now for some that will be even more

460

00:17:02,069 --> 00:16:59,440

frightening than the idea of

461

00:17:02,550 --> 00:17:02,079

extraterrestrials only recently visiting

462

00:17:06,710 --> 00:17:02,560

us

463

00:17:10,309 --> 00:17:06,720

exist then they've likely been here

464

00:17:13,029 --> 00:17:10,319

all along another possibility of course

465

00:17:14,029 --> 00:17:13,039

is ultra-terrestrials and this opens up

466

00:17:15,990 --> 00:17:14,039

notions like

467

00:17:17,510 --> 00:17:16,000

interdimensionality which again is going

468

00:17:20,309 --> 00:17:17,520

to be a huge stretch

469

00:17:22,069 --> 00:17:20,319

for vast wasps of the population here

470

00:17:24,549 --> 00:17:22,079

we're speaking of beings that are

471

00:17:26,710 --> 00:17:24,559

sometimes here and sometimes not

472

00:17:27,669 --> 00:17:26,720

and then can pop in and out of our

473

00:17:29,510 --> 00:17:27,679

existence

474

00:17:32,549 --> 00:17:29,520

that this partially may explain why we

475

00:17:37,909 --> 00:17:32,559

see even vehicles that seem to pop in

476
00:17:42,150 --> 00:17:40,870
another possibility is entities that are

477
00:17:44,230 --> 00:17:42,160
time traveling

478
00:17:45,190 --> 00:17:44,240
there has even been suggestions that

479
00:17:47,830 --> 00:17:45,200
these others

480
00:17:48,789 --> 00:17:47,840
some of them anyway may be us from the

481
00:17:50,870 --> 00:17:48,799
future

482
00:17:52,390 --> 00:17:50,880
in fact i did an entire podcast on the

483
00:17:54,950 --> 00:17:52,400
notion that these could be

484
00:17:55,669 --> 00:17:54,960
us from the future but with a genome

485
00:18:00,549 --> 00:17:55,679
spliced

486
00:18:02,470 --> 00:18:00,559
with other life forms from our planet

487
00:18:04,470 --> 00:18:02,480
regardless of which of those origin

488
00:18:06,710 --> 00:18:04,480

stories we turn to

489

00:18:08,070 --> 00:18:06,720

one thing the data does seem to point to

490

00:18:10,390 --> 00:18:08,080

is that these others

491

00:18:11,110 --> 00:18:10,400

many of them anyway seem to be able to

492

00:18:13,750 --> 00:18:11,120

manipulate

493

00:18:15,669 --> 00:18:13,760

both space and time or at least our

494

00:18:17,510 --> 00:18:15,679

perception of those

495

00:18:18,950 --> 00:18:17,520

and when that's the case as jacques

496

00:18:20,789 --> 00:18:18,960

valet has said

497

00:18:22,230 --> 00:18:20,799

then from our point of view they could

498

00:18:25,190 --> 00:18:22,240

be from anywhere

499

00:18:27,430 --> 00:18:25,200

or any time and that only further

500

00:18:30,150 --> 00:18:27,440

complicates an already convoluted

501
00:18:33,990 --> 00:18:32,390
now as i mentioned in the introduction

502
00:18:35,750 --> 00:18:34,000
and as i've touched on on previous

503
00:18:38,710 --> 00:18:35,760
podcast episodes

504
00:18:40,950 --> 00:18:38,720
part of the enigma of the ufo phenomenon

505
00:18:43,190 --> 00:18:40,960
is that questions that begin here

506
00:18:45,029 --> 00:18:43,200
eventually spiral out into larger

507
00:18:48,630 --> 00:18:45,039
questions about the nature of

508
00:18:51,029 --> 00:18:48,640
ultimate reality itself that we find

509
00:18:53,029 --> 00:18:51,039
crossover phenomena that even though we

510
00:18:55,029 --> 00:18:53,039
used to think of different categories

511
00:18:56,549 --> 00:18:55,039
as distinct that should be studied in

512
00:18:58,470 --> 00:18:56,559
their own right

513
00:19:00,230 --> 00:18:58,480

this phenomenon suggests that these are

514

00:19:02,310 --> 00:19:00,240

somehow all connected

515

00:19:04,950 --> 00:19:02,320

that some sort of meta-analysis is

516

00:19:08,390 --> 00:19:04,960

needed to make sense of it all

517

00:19:12,310 --> 00:19:08,400

one such crossover is between the others

518

00:19:14,310 --> 00:19:12,320

and the dead by the way for those of you

519

00:19:16,950 --> 00:19:14,320

curious to pursue this further

520

00:19:18,549 --> 00:19:16,960

i did an entire podcast episode on this

521

00:19:20,789 --> 00:19:18,559

very topic

522

00:19:23,029 --> 00:19:20,799

and whitley strieber is an individual

523

00:19:25,270 --> 00:19:23,039

that we're all familiar with no doubt

524

00:19:26,390 --> 00:19:25,280

who's had frequent interactions that

525

00:19:29,510 --> 00:19:26,400

involved both the

526

00:19:31,110 --> 00:19:29,520

others and the dead he's not only

527

00:19:32,630 --> 00:19:31,120

experienced this but so have other

528

00:19:35,909 --> 00:19:32,640

people in his presence

529

00:19:38,950 --> 00:19:35,919

often at his cabin in new york

530

00:19:40,549 --> 00:19:38,960

now while this seems counter to common

531

00:19:42,630 --> 00:19:40,559

sense at first

532

00:19:43,990 --> 00:19:42,640

this actually makes sense when you think

533

00:19:46,789 --> 00:19:44,000

about the fact that

534

00:19:49,110 --> 00:19:46,799

many of these encounters with the others

535

00:19:50,789 --> 00:19:49,120

seem to happen in an altered state of

536

00:19:52,950 --> 00:19:50,799

consciousness

537

00:19:54,630 --> 00:19:52,960

but of course this inevitably leads to a

538

00:19:58,150 --> 00:19:54,640

necessary reframing

539

00:20:00,070 --> 00:19:58,160

of what counts as quote-unquote reality

540

00:20:01,270 --> 00:20:00,080

what if our awakened conscious state is

541

00:20:04,549 --> 00:20:01,280

only one of many

542

00:20:05,110 --> 00:20:04,559

possible modalities this is again a new

543

00:20:07,990 --> 00:20:05,120

question

544

00:20:09,750 --> 00:20:08,000

that our society needs to think about

545

00:20:13,669 --> 00:20:09,760

needs to confront in a real

546

00:20:14,789 --> 00:20:13,679

and meaningful way what if some of these

547

00:20:17,190 --> 00:20:14,799

entities cross

548

00:20:17,830 --> 00:20:17,200

back and forth regularly what if their

549

00:20:20,390 --> 00:20:17,840

normal

550

00:20:21,909 --> 00:20:20,400

quote-unquote home base is one of these

551
00:20:24,070 --> 00:20:21,919
other modalities

552
00:20:25,990 --> 00:20:24,080
and we only sometimes come into contact

553
00:20:28,950 --> 00:20:26,000
with them because of that

554
00:20:29,909 --> 00:20:28,960
what if our dead who actually are not

555
00:20:32,630 --> 00:20:29,919
dead at all

556
00:20:33,590 --> 00:20:32,640
but just in a different modality now are

557
00:20:35,830 --> 00:20:33,600
somehow able to

558
00:20:37,510 --> 00:20:35,840
interact with these others because of

559
00:20:40,789 --> 00:20:37,520
these different modalities

560
00:20:42,310 --> 00:20:40,799
and maybe the entities are able to serve

561
00:20:46,230 --> 00:20:42,320
as bridges

562
00:20:49,110 --> 00:20:46,240
to allow these people who've left this

563
00:20:50,070 --> 00:20:49,120

plane to come back and visit us this

564

00:20:52,710 --> 00:20:50,080

could be the case

565

00:20:54,310 --> 00:20:52,720

and of course this completely reframes

566

00:20:59,190 --> 00:20:54,320

our current understanding

567

00:21:03,270 --> 00:21:01,029

now if that wasn't already bizarre

568

00:21:06,710 --> 00:21:03,280

enough this rabbit hole of course

569

00:21:09,590 --> 00:21:06,720

only gets deeper the thing is

570

00:21:10,230 --> 00:21:09,600

if they can control human perception by

571

00:21:13,669 --> 00:21:10,240

servicing up

572

00:21:15,830 --> 00:21:13,679

distinct simulations for thousands

573

00:21:18,149 --> 00:21:15,840

maybe even millions or billions of

574

00:21:20,630 --> 00:21:18,159

people at the same time

575

00:21:23,270 --> 00:21:20,640

how does one go about studying this from

576
00:21:26,310 --> 00:21:23,280
within the confines and assumptions

577
00:21:29,510 --> 00:21:28,470
and just to be really clear here i'm not

578
00:21:32,230 --> 00:21:29,520
talking about

579
00:21:33,029 --> 00:21:32,240
them serving up a simulation to

580
00:21:34,630 --> 00:21:33,039
thousands

581
00:21:37,110 --> 00:21:34,640
perhaps even millions of people at the

582
00:21:37,750 --> 00:21:37,120
same time i'm talking about their

583
00:21:40,789 --> 00:21:37,760
ability

584
00:21:44,149 --> 00:21:40,799
to serve up distinct simulations

585
00:21:46,789 --> 00:21:44,159
or experiences for each person

586
00:21:47,830 --> 00:21:46,799
amongst a group of thousands or millions

587
00:21:50,789 --> 00:21:47,840
or maybe even

588
00:21:51,350 --> 00:21:50,799

billions how does that complicate our

589

00:21:54,390 --> 00:21:51,360

notion

590

00:21:57,110 --> 00:21:54,400

of how we can understand study and

591

00:21:59,669 --> 00:21:57,120

draw conclusions about quote-unquote

592

00:22:02,310 --> 00:21:59,679

reality

593

00:22:04,789 --> 00:22:02,320

of course in my podcast episode about

594

00:22:05,830 --> 00:22:04,799

the events at fatima and the apparitions

595

00:22:07,830 --> 00:22:05,840

scene there

596

00:22:09,510 --> 00:22:07,840

that many believe is an example of the

597

00:22:12,070 --> 00:22:09,520

ufo phenomenon

598

00:22:13,510 --> 00:22:12,080

that's exactly what happened thousands

599

00:22:15,510 --> 00:22:13,520

of people saw something

600

00:22:18,070 --> 00:22:15,520

even from 10 miles away from the

601
00:22:21,350 --> 00:22:18,080
epicenter but what people saw

602
00:22:23,990 --> 00:22:21,360
even the messages they received varied

603
00:22:25,750 --> 00:22:24,000
and yet stations astronomical

604
00:22:26,549 --> 00:22:25,760
observatories and whatnot that were

605
00:22:29,750 --> 00:22:26,559
using

606
00:22:32,310 --> 00:22:29,760
devices to measure didn't pick up

607
00:22:33,750 --> 00:22:32,320
anything and again though seventy

608
00:22:36,549 --> 00:22:33,760
thousand people will tell you

609
00:22:39,430 --> 00:22:36,559
otherwise that shows you how complex

610
00:22:45,590 --> 00:22:42,710
and again this begs the question if even

611
00:22:47,750 --> 00:22:45,600
time and the order of events can be

612
00:22:50,950 --> 00:22:47,760
manipulated by these others

613
00:22:53,029 --> 00:22:50,960

even within our shared physical reality

614

00:22:54,149 --> 00:22:53,039

what does this say for the sufficiency

615

00:22:57,029 --> 00:22:54,159

of the scientific

616

00:22:58,470 --> 00:22:57,039

method to make headway in studying such

617

00:23:00,789 --> 00:22:58,480

matters

618

00:23:02,630 --> 00:23:00,799

now retired u.s army intelligence

619

00:23:05,110 --> 00:23:02,640

colonel john alexander

620

00:23:06,950 --> 00:23:05,120

has discussed this very thing and he

621

00:23:10,070 --> 00:23:06,960

calls it pre-cognitive

622

00:23:11,990 --> 00:23:10,080

sentient phenomena he talks about how

623

00:23:14,630 --> 00:23:12,000

this made scientific study

624

00:23:16,710 --> 00:23:14,640

very difficult if not nearly impossible

625

00:23:18,710 --> 00:23:16,720

at skinwalker ranch

626
00:23:19,750 --> 00:23:18,720
basically whenever they would try and

627
00:23:21,510 --> 00:23:19,760
set up

628
00:23:23,270 --> 00:23:21,520
variables by which they could study

629
00:23:24,390 --> 00:23:23,280
something they would find that the

630
00:23:27,669 --> 00:23:24,400
experiment had been

631
00:23:29,990 --> 00:23:27,679
messed with in some way that made study

632
00:23:32,789 --> 00:23:30,000
and drawing conclusions virtually

633
00:23:36,870 --> 00:23:34,630
and just to be abundantly clear the

634
00:23:37,950 --> 00:23:36,880
reason why john alexander coined this

635
00:23:40,710 --> 00:23:37,960
expression

636
00:23:42,230 --> 00:23:40,720
precognitive sentient phenomena is

637
00:23:45,110 --> 00:23:42,240
because he saw

638
00:23:45,750 --> 00:23:45,120

what looked like entities knowing the

639

00:23:47,350 --> 00:23:45,760

future

640

00:23:49,190 --> 00:23:47,360

knowing what was going to happen ahead

641

00:23:51,909 --> 00:23:49,200

of time so that made

642

00:23:53,430 --> 00:23:51,919

using the scientific method to conduct

643

00:23:57,110 --> 00:23:53,440

research

644

00:23:58,789 --> 00:23:57,120

practically impossible

645

00:24:01,590 --> 00:23:58,799

now as if the rabbit hole was not

646

00:24:03,430 --> 00:24:01,600

already deep enough it goes deeper yet

647

00:24:05,510 --> 00:24:03,440

remember earlier i mentioned that

648

00:24:08,149 --> 00:24:05,520

various phenomena that were once

649

00:24:09,029 --> 00:24:08,159

part of different fields of inquiry have

650

00:24:11,590 --> 00:24:09,039

been shown to

651
00:24:13,990 --> 00:24:11,600
be somehow connected there's some sort

652
00:24:16,230 --> 00:24:14,000
of crossover

653
00:24:18,310 --> 00:24:16,240
contact with non-human intelligence is

654
00:24:20,310 --> 00:24:18,320
one form and this isn't just space

655
00:24:22,149 --> 00:24:20,320
aliens or interdimensionals it could be

656
00:24:25,750 --> 00:24:22,159
a variety of forms

657
00:24:27,909 --> 00:24:25,760
all non-human intelligence though also

658
00:24:28,789 --> 00:24:27,919
near-death experiences out-of-body

659
00:24:32,630 --> 00:24:28,799
experiences

660
00:24:35,110 --> 00:24:32,640
remote viewing contact with apparitions

661
00:24:37,110 --> 00:24:35,120
all of these different categories are

662
00:24:38,710 --> 00:24:37,120
somehow connected that's what the data

663
00:24:41,350 --> 00:24:38,720

suggests

664

00:24:43,029 --> 00:24:41,360

many people who have had any one or more

665

00:24:45,909 --> 00:24:43,039

of these experiences

666

00:24:47,029 --> 00:24:45,919

also come back with increased capacities

667

00:24:49,669 --> 00:24:47,039

as compared to

668

00:24:50,870 --> 00:24:49,679

who they were before these increased

669

00:24:54,310 --> 00:24:50,880

capacities

670

00:24:56,630 --> 00:24:54,320

fall often along the side spectrum

671

00:24:59,669 --> 00:24:56,640

including for instance precognitive

672

00:25:03,190 --> 00:25:02,390

now as i've mentioned before we can't go

673

00:25:05,590 --> 00:25:03,200

very long

674

00:25:06,710 --> 00:25:05,600

asking questions about who they are

675

00:25:09,029 --> 00:25:06,720

without eventually

676
00:25:10,390 --> 00:25:09,039
ending up with questions about who we

677
00:25:12,630 --> 00:25:10,400
are

678
00:25:14,830 --> 00:25:12,640
and it's not just the ufo phenomenon

679
00:25:17,110 --> 00:25:14,840
that leads us here

680
00:25:17,990 --> 00:25:17,120
parapsychology is another field of

681
00:25:20,870 --> 00:25:18,000
inquiry

682
00:25:21,750 --> 00:25:20,880
that is finding very similar results

683
00:25:23,909 --> 00:25:21,760
results that

684
00:25:26,230 --> 00:25:23,919
question the dominant narrative as to

685
00:25:28,950 --> 00:25:26,240
the nature of reality

686
00:25:30,470 --> 00:25:28,960
many of these results evidenced in both

687
00:25:33,590 --> 00:25:30,480
the ufo phenomenon

688
00:25:36,310 --> 00:25:33,600

and parapsychology fall along the psi

689

00:25:37,269 --> 00:25:36,320

spectrum here we're talking about human

690

00:25:41,269 --> 00:25:37,279

capacities

691

00:25:46,630 --> 00:25:41,279

for telepathy telekinesis precognition

692

00:25:49,750 --> 00:25:49,269

in other words many of the capacities

693

00:25:51,830 --> 00:25:49,760

that

694

00:25:53,830 --> 00:25:51,840

some people will look at and consider

695

00:25:56,470 --> 00:25:53,840

quote unquote alien

696

00:25:57,830 --> 00:25:56,480

may actually be something innate to

697

00:26:00,149 --> 00:25:57,840

human beings

698

00:26:00,950 --> 00:26:00,159

even if it is mostly dormant or at an

699

00:26:04,149 --> 00:26:00,960

early stage

700

00:26:05,990 --> 00:26:04,159

of its evolutionary development

701
00:26:08,149 --> 00:26:06,000
more importantly the fact that these

702
00:26:10,870 --> 00:26:08,159
capacities not only belong

703
00:26:12,310 --> 00:26:10,880
to quote unquote aliens but also to

704
00:26:13,909 --> 00:26:12,320
human beings

705
00:26:15,430 --> 00:26:13,919
and the fact that we find so much

706
00:26:18,470 --> 00:26:15,440
crossover between

707
00:26:20,470 --> 00:26:18,480
various categories like

708
00:26:22,310 --> 00:26:20,480
contact with non-human intelligence

709
00:26:24,549 --> 00:26:22,320
contact with the dead

710
00:26:25,590 --> 00:26:24,559
near-death experiences out-of-body

711
00:26:28,789 --> 00:26:25,600
experiences

712
00:26:31,830 --> 00:26:28,799
remote viewing etc all of these

713
00:26:34,630 --> 00:26:31,840

seem to serve as spokes

714

00:26:36,789 --> 00:26:34,640

connecting to some central hub where

715

00:26:39,269 --> 00:26:36,799

consciousness may be at the root

716

00:26:41,029 --> 00:26:39,279

that's one way to look at it another way

717

00:26:44,310 --> 00:26:41,039

to see it is this is just

718

00:26:46,870 --> 00:26:44,320

reality this is just at the root level

719

00:26:47,750 --> 00:26:46,880

how reality is constructed and what

720

00:26:50,549 --> 00:26:47,760

we're observing

721

00:26:52,070 --> 00:26:50,559

is merely phenomena produced by this

722

00:26:54,230 --> 00:26:52,080

phenomena that up until

723

00:26:55,110 --> 00:26:54,240

now we've either dismissed is not

724

00:26:57,990 --> 00:26:55,120

existing

725

00:26:59,909 --> 00:26:58,000

or if we have acknowledged its existence

726

00:27:03,190 --> 00:26:59,919

we've assumed it's distinct

727

00:27:04,310 --> 00:27:03,200

separate and unconnected what recent

728

00:27:07,269 --> 00:27:04,320

data is showing us

729

00:27:08,070 --> 00:27:07,279

is that this is anything but this is

730

00:27:10,230 --> 00:27:08,080

what we need to

731

00:27:11,750 --> 00:27:10,240

introduce to the general public this is

732

00:27:13,909 --> 00:27:11,760

the complexity

733

00:27:18,389 --> 00:27:13,919

the fascinating complexity that we need

734

00:27:22,549 --> 00:27:20,870

now what has been clearly evidenced both

735

00:27:24,630 --> 00:27:22,559

by what i described today

736

00:27:26,710 --> 00:27:24,640

and what you've no doubt noticed when it

737

00:27:27,669 --> 00:27:26,720

comes to the public nature of the

738

00:27:31,269 --> 00:27:27,679

conversation

739

00:27:33,350 --> 00:27:31,279

right now we have a long way to go

740

00:27:34,950 --> 00:27:33,360

most of what we discussed today has not

741

00:27:37,990 --> 00:27:34,960

even been touched on

742

00:27:40,070 --> 00:27:38,000

this is very much about the iceberg and

743

00:27:41,510 --> 00:27:40,080

people are just now acknowledging that

744

00:27:44,149 --> 00:27:41,520

they're seeing something

745

00:27:44,630 --> 00:27:44,159

surface above the water little do they

746

00:27:47,269 --> 00:27:44,640

know

747

00:27:47,990 --> 00:27:47,279

there's a massive structure that goes

748

00:27:51,669 --> 00:27:48,000

well below the

749

00:27:56,389 --> 00:27:51,679

surface and in this case it touches

750

00:27:59,990 --> 00:27:58,669

i would also argue perhaps somewhat

751
00:28:02,470 --> 00:28:00,000
counter-intuitively

752
00:28:04,070 --> 00:28:02,480
that the further along we get in terms

753
00:28:06,789 --> 00:28:04,080
of the public conversation

754
00:28:09,269 --> 00:28:06,799
acknowledging these other aspects the

755
00:28:11,269 --> 00:28:09,279
messier this is going to get

756
00:28:12,310 --> 00:28:11,279
things are going to be tumultuous for

757
00:28:15,190 --> 00:28:12,320
some time

758
00:28:16,149 --> 00:28:15,200
until we reach a new plateau or sink

759
00:28:19,510 --> 00:28:16,159
point

760
00:28:22,470 --> 00:28:19,520
remember we're just beginning now

761
00:28:24,149 --> 00:28:22,480
one thing i do know patience and grace

762
00:28:27,590 --> 00:28:24,159
both to help others

763
00:28:29,029 --> 00:28:27,600

and to preserve our own sanity and

764

00:28:32,389 --> 00:28:29,039

mental health really

765

00:28:33,909 --> 00:28:32,399

is going to be essential

766

00:28:36,389 --> 00:28:33,919

i make that point for a couple of

767

00:28:38,389 --> 00:28:36,399

different reasons number one

768

00:28:40,149 --> 00:28:38,399

these revelations are going to be

769

00:28:43,510 --> 00:28:40,159

completely utterly

770

00:28:46,789 --> 00:28:43,520

overwhelming for some people indeed

771

00:28:49,110 --> 00:28:46,799

vast swaths of the population probably

772

00:28:51,269 --> 00:28:49,120

remember we talked about people only

773

00:28:53,430 --> 00:28:51,279

being able to ground information

774

00:28:55,190 --> 00:28:53,440

within their current paradigm they're

775

00:28:57,750 --> 00:28:55,200

going to try to make sense of

776

00:28:59,110 --> 00:28:57,760

these revelations based on their current

777

00:29:03,990 --> 00:28:59,120

model of reality

778

00:29:07,350 --> 00:29:05,669

this is true both of people's

779

00:29:09,830 --> 00:29:07,360

intellectual conclusions

780

00:29:11,029 --> 00:29:09,840

and their emotive responses and we'll

781

00:29:13,590 --> 00:29:11,039

need to exercise

782

00:29:14,470 --> 00:29:13,600

patience and grace to help these people

783

00:29:16,950 --> 00:29:14,480

because

784

00:29:17,510 --> 00:29:16,960

not many of them will be responding from

785

00:29:21,110 --> 00:29:17,520

the most

786

00:29:23,669 --> 00:29:21,120

enlightened perspectives we'll also need

787

00:29:24,149 --> 00:29:23,679

patience and grace because for some time

788

00:29:26,310 --> 00:29:24,159

yet

789

00:29:27,430 --> 00:29:26,320

we're likely to be confronted with

790

00:29:29,909 --> 00:29:27,440

arrogance and

791

00:29:30,950 --> 00:29:29,919

ignorance from the gatekeepers of our

792

00:29:34,630 --> 00:29:30,960

society

793

00:29:37,269 --> 00:29:34,640

those who adhere almost religiously so

794

00:29:40,789 --> 00:29:37,279

to the current dominant paradigm of

795

00:29:42,470 --> 00:29:40,799

scientific materialism

796

00:29:43,990 --> 00:29:42,480

but i would just leave you with this one

797

00:29:46,310 --> 00:29:44,000

note of encouragement

798

00:29:47,430 --> 00:29:46,320

in the long run this will be well worth

799

00:29:49,750 --> 00:29:47,440

it because

800

00:29:50,789 --> 00:29:49,760

not only does it afford us a new way of

801
00:29:54,070 --> 00:29:50,799
understanding

802
00:29:58,070 --> 00:29:54,080
as a civilization but more importantly

803
00:30:01,990 --> 00:30:00,470
never forget these profound words of

804
00:30:04,549 --> 00:30:02,000
arthur schopenhauer

805
00:30:05,430 --> 00:30:04,559
that have been demonstrated to be oh so

806
00:30:09,190 --> 00:30:05,440
true

807
00:30:11,990 --> 00:30:09,200
time and time again in our history quote

808
00:30:12,470 --> 00:30:12,000
all truth passes through three stages

809
00:30:16,070 --> 00:30:12,480
first

810
00:30:19,190 --> 00:30:16,080
it is ridiculed second it is violently

811
00:30:23,990 --> 00:30:19,200
opposed third it is accepted

812
00:30:26,470 --> 00:30:24,000
as being self-evident unquote

813
00:30:27,590 --> 00:30:26,480

and on that note we've come to the close

814

00:30:29,990 --> 00:30:27,600

of another edition

815

00:30:31,430 --> 00:30:30,000

of the point of convergence podcast

816

00:30:34,710 --> 00:30:31,440

let's keep this conversation

817

00:30:35,350 --> 00:30:34,720

going and growing but until next time

818

00:30:36,789 --> 00:30:35,360

friends

819

00:30:38,870 --> 00:30:36,799

from deep within the blue ridge

820

00:30:51,269 --> 00:30:38,880

mountains of north carolina
