

Point of

Convergence

PODCAST

Hosted by ExoAcademian

EPISODE #29

*Anomalous Case in Point:
Examining the Details and
Impact of Entity Contact*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,790 --> 00:00:08,390

[Music]

2
00:00:12,310 --> 00:00:09,350

hello

3
00:00:14,470 --> 00:00:12,320

and welcome to episode number 29 of the

4
00:00:19,349 --> 00:00:14,480

point of convergence podcast

5
00:00:21,590 --> 00:00:19,359

as always i'm your host exo academian

6
00:00:22,550 --> 00:00:21,600

for many the notion that non-human

7
00:00:24,150 --> 00:00:22,560

intelligences

8
00:00:26,790 --> 00:00:24,160

whether extraterrestrial

9
00:00:28,950 --> 00:00:26,800

interdimensional or ultra-terrestrial

10
00:00:30,470 --> 00:00:28,960

may be operating advanced vehicles in

11
00:00:32,870 --> 00:00:30,480

the skies above our heads

12
00:00:33,990 --> 00:00:32,880

is a stretch but one they can wrap their

13
00:00:35,990 --> 00:00:34,000

heads around

14

00:00:38,549 --> 00:00:36,000

it only makes sense to most people

15

00:00:40,630 --> 00:00:38,559

anyway that an advanced species would

16

00:00:42,389 --> 00:00:40,640

have technology that might very well

17

00:00:44,549 --> 00:00:42,399

outclass our own

18

00:00:45,990 --> 00:00:44,559

and if a non-terrestrial species wanted

19

00:00:47,990 --> 00:00:46,000

to visit our planet

20

00:00:49,990 --> 00:00:48,000

most can imagine them buzzing around our

21

00:00:51,990 --> 00:00:50,000

atmosphere before moving on to other

22

00:00:53,750 --> 00:00:52,000

points of interest

23

00:00:55,590 --> 00:00:53,760

what is a more difficult notion for

24

00:00:57,510 --> 00:00:55,600

people to really track with

25

00:00:58,950 --> 00:00:57,520

is that the intelligences behind these

26

00:01:01,510 --> 00:00:58,960

vehicles may be

27

00:01:03,110 --> 00:01:01,520

interacting with us in a more direct and

28

00:01:05,270 --> 00:01:03,120

personal way

29

00:01:07,030 --> 00:01:05,280

when you advanced evidence suggesting

30

00:01:08,230 --> 00:01:07,040

these intelligences may be entering

31

00:01:10,070 --> 00:01:08,240

people's homes

32

00:01:12,550 --> 00:01:10,080

and are often taking them back to their

33

00:01:13,190 --> 00:01:12,560

craft in order to perform a variety of

34

00:01:15,510 --> 00:01:13,200

actions

35

00:01:17,670 --> 00:01:15,520

some of a medical variety and many

36

00:01:20,070 --> 00:01:17,680

people will balk

37

00:01:21,990 --> 00:01:20,080

one has to ask is this knee-jerk

38

00:01:24,070 --> 00:01:22,000

rejection of this notion

39

00:01:25,190 --> 00:01:24,080

based on a rational consideration of the

40

00:01:27,429 --> 00:01:25,200

evidence

41

00:01:28,310 --> 00:01:27,439

or is it fueled more by a subconscious

42

00:01:31,910 --> 00:01:28,320

fear

43

00:01:33,590 --> 00:01:31,920

of loss of power and agency we are so

44

00:01:35,429 --> 00:01:33,600

accustomed to being the apex

45

00:01:36,710 --> 00:01:35,439

intelligence around these parts

46

00:01:38,950 --> 00:01:36,720

that when we're confronted with

47

00:01:42,069 --> 00:01:38,960

compelling evidence suggesting we may

48

00:01:43,990 --> 00:01:42,079

very well not be many people respond out

49

00:01:46,230 --> 00:01:44,000

of deep seated fear

50

00:01:48,310 --> 00:01:46,240

we suddenly remember all the less than

51
00:01:50,389 --> 00:01:48,320
humane actions we've performed on

52
00:01:53,510 --> 00:01:50,399
animals over the centuries

53
00:01:55,190 --> 00:01:53,520
continuing even to today and we wonder

54
00:02:00,389 --> 00:01:55,200
what it would be like to be treated in

55
00:02:05,109 --> 00:02:02,389
when you add into the mix the apparent

56
00:02:07,830 --> 00:02:05,119
ability of these non-human intelligences

57
00:02:08,389 --> 00:02:07,840
to alter human perception and to even

58
00:02:10,550 --> 00:02:08,399
control

59
00:02:12,550 --> 00:02:10,560
behavior and you've now entered

60
00:02:15,190 --> 00:02:12,560
territory that makes most people

61
00:02:16,550 --> 00:02:15,200
turn around and walk the other way not

62
00:02:19,670 --> 00:02:16,560
interested in engaging

63
00:02:21,430 --> 00:02:19,680

in such a conversation and yet that's

64

00:02:21,990 --> 00:02:21,440

exactly what the literature behind the

65

00:02:25,190 --> 00:02:22,000

ufo

66

00:02:27,670 --> 00:02:25,200

phenomenon suggests all of the above

67

00:02:28,869 --> 00:02:27,680

craft of an advanced nature operating in

68

00:02:31,509 --> 00:02:28,879

our skies

69

00:02:33,190 --> 00:02:31,519

entities entering our homes passing

70

00:02:34,070 --> 00:02:33,200

through solid walls with no more

71

00:02:36,309 --> 00:02:34,080

difficulty

72

00:02:37,670 --> 00:02:36,319

than us passing through a fine mist on a

73

00:02:39,990 --> 00:02:37,680

morning walk

74

00:02:42,869 --> 00:02:40,000

and seemingly near total control of

75

00:02:45,030 --> 00:02:42,879

human consciousness

76
00:02:46,949 --> 00:02:45,040
to the point where people look back with

77
00:02:49,270 --> 00:02:46,959
confusion and bewilderment

78
00:02:51,750 --> 00:02:49,280
at the nature of their own actions

79
00:02:53,589 --> 00:02:51,760
during such experiences

80
00:02:55,190 --> 00:02:53,599
yet another piece of the puzzle that is

81
00:02:57,830 --> 00:02:55,200
simply too much to consider

82
00:02:59,830 --> 00:02:57,840
for many people in the general public is

83
00:03:02,309 --> 00:02:59,840
the sheer number of life forms

84
00:03:03,270 --> 00:03:02,319
apparently involved and interacting with

85
00:03:05,750 --> 00:03:03,280
us

86
00:03:06,470 --> 00:03:05,760
yes you have the grays both short and

87
00:03:08,630 --> 00:03:06,480
tall

88
00:03:09,830 --> 00:03:08,640

with their large inky black wrap around

89

00:03:11,190 --> 00:03:09,840

eyes

90

00:03:13,750 --> 00:03:11,200

a face that has become the

91

00:03:14,949 --> 00:03:13,760

quintessential face of the alien for

92

00:03:17,110 --> 00:03:14,959

millions

93

00:03:19,030 --> 00:03:17,120

but you also have entities that appear

94

00:03:21,030 --> 00:03:19,040

almost totally human

95

00:03:22,149 --> 00:03:21,040

as well as hybrid species that look very

96

00:03:25,110 --> 00:03:22,159

much like a cross

97

00:03:26,949 --> 00:03:25,120

between a human and something else and

98

00:03:29,670 --> 00:03:26,959

of course you have seven foot tall

99

00:03:31,430 --> 00:03:29,680

praying mantis type beings and equally

100

00:03:34,390 --> 00:03:31,440

tall reptilian types

101
00:03:35,910 --> 00:03:34,400
and the list goes on for those who've

102
00:03:39,470 --> 00:03:35,920
had such experiences

103
00:03:41,430 --> 00:03:39,480
of what is often coined high strangeness

104
00:03:42,710 --> 00:03:41,440
discombobulation is the inevitable

105
00:03:44,789 --> 00:03:42,720
result

106
00:03:46,789 --> 00:03:44,799
these kinds of experiences are simply

107
00:03:47,750 --> 00:03:46,799
not of the sort that can be easily

108
00:03:50,390 --> 00:03:47,760
assimilated

109
00:03:51,509 --> 00:03:50,400
into most people's working notions of

110
00:03:54,710 --> 00:03:51,519
the quote unquote

111
00:03:56,789 --> 00:03:54,720
real world indeed without support and

112
00:03:57,910 --> 00:03:56,799
the ability to process such experiences

113
00:04:00,710 --> 00:03:57,920

with others

114

00:04:02,470 --> 00:04:00,720

these kinds of encounters can lead many

115

00:04:06,789 --> 00:04:02,480

to question their very grip

116

00:04:09,350 --> 00:04:06,799

on reality but this is not about

117

00:04:10,149 --> 00:04:09,360

a tenuous grip on reality these

118

00:04:13,350 --> 00:04:10,159

experiences

119

00:04:14,229 --> 00:04:13,360

are in every way real events these kinds

120

00:04:16,710 --> 00:04:14,239

of encounters

121

00:04:19,349 --> 00:04:16,720

are happening all around the world and

122

00:04:22,390 --> 00:04:19,359

have been for a very long time

123

00:04:23,830 --> 00:04:22,400

as it turns out i'm no stranger to high

124

00:04:25,990 --> 00:04:23,840

strangeness

125

00:04:27,990 --> 00:04:26,000

and on this week's podcast i'd like to

126

00:04:31,270 --> 00:04:28,000

offer some of my own families

127

00:04:33,350 --> 00:04:31,280

personal experiences of this nature

128

00:04:34,790 --> 00:04:33,360

these are events that shattered former

129

00:04:38,150 --> 00:04:34,800

notions of what is

130

00:04:38,550 --> 00:04:38,160

and what is not possible leading to a

131

00:04:40,950 --> 00:04:38,560

long

132

00:04:42,469 --> 00:04:40,960

complicated journey in understanding the

133

00:04:44,870 --> 00:04:42,479

broader richer

134

00:04:46,390 --> 00:04:44,880

more colorful totality of all that

135

00:04:48,310 --> 00:04:46,400

exists

136

00:04:49,909 --> 00:04:48,320

a reflection on the personal

137

00:04:52,310 --> 00:04:49,919

generational encounters

138

00:04:53,590 --> 00:04:52,320

that have impacted me and my family are

139

00:04:55,670 --> 00:04:53,600

the topic of this

140

00:05:00,390 --> 00:04:55,680

the 29th episode of the point of

141

00:05:06,790 --> 00:05:04,230

[Music]

142

00:05:07,670 --> 00:05:06,800

as we begin this week's podcast let me

143

00:05:10,230 --> 00:05:07,680

just say

144

00:05:11,110 --> 00:05:10,240

that i find it very helpful to move back

145

00:05:13,670 --> 00:05:11,120

and forth

146

00:05:15,350 --> 00:05:13,680

between the macro and the micro with

147

00:05:16,870 --> 00:05:15,360

this topic

148

00:05:19,670 --> 00:05:16,880

it's important to consider this

149

00:05:22,230 --> 00:05:19,680

phenomenon from both perspectives

150

00:05:23,670 --> 00:05:22,240

additional details here and there help

151
00:05:26,629 --> 00:05:23,680
to fill out the picture

152
00:05:27,590 --> 00:05:26,639
when we zoom in but pulling back in

153
00:05:30,870 --> 00:05:27,600
order to see with

154
00:05:33,029 --> 00:05:30,880
wide focus regularly is also essential

155
00:05:35,990 --> 00:05:33,039
in order to identify patterns that

156
00:05:40,230 --> 00:05:37,749
now speaking of patterns that have

157
00:05:42,230 --> 00:05:40,240
emerged it has become clear

158
00:05:43,909 --> 00:05:42,240
to those who've studied this in the

159
00:05:46,070 --> 00:05:43,919
context of other

160
00:05:47,510 --> 00:05:46,080
elements of high strangeness that the

161
00:05:50,870 --> 00:05:47,520
ufo phenomenon

162
00:05:53,590 --> 00:05:50,880
is one of several so-called contact

163
00:05:54,230 --> 00:05:53,600

modalities ray hernandez of the free

164

00:05:57,590 --> 00:05:54,240

foundation

165

00:05:59,830 --> 00:05:57,600

coined that term and it's apt and again

166

00:06:01,189 --> 00:05:59,840

the ufo phenomenon contact with

167

00:06:04,950 --> 00:06:01,199

non-human intelligence

168

00:06:08,230 --> 00:06:04,960

as well as sightings of uap or ufos

169

00:06:12,790 --> 00:06:08,240

are one of many modalities within

170

00:06:17,029 --> 00:06:14,870

for instance one of the correlations we

171

00:06:19,189 --> 00:06:17,039

see is that if a human being

172

00:06:20,309 --> 00:06:19,199

has experienced any one of the contact

173

00:06:22,070 --> 00:06:20,319

modalities

174

00:06:23,510 --> 00:06:22,080

then they're much more likely than

175

00:06:26,629 --> 00:06:23,520

chance to have

176
00:06:28,230 --> 00:06:26,639
experienced another as well often people

177
00:06:29,670 --> 00:06:28,240
experience several of these

178
00:06:32,230 --> 00:06:29,680
and when i speak of the context

179
00:06:34,870 --> 00:06:32,240
modalities i'm talking about

180
00:06:36,870 --> 00:06:34,880
aspects like contact with non-human

181
00:06:39,110 --> 00:06:36,880
intelligence not just space aliens

182
00:06:40,469 --> 00:06:39,120
any kind of non-human intelligence

183
00:06:42,629 --> 00:06:40,479
remote viewing

184
00:06:43,830 --> 00:06:42,639
near-death experiences out-of-body

185
00:06:46,710 --> 00:06:43,840
experiences

186
00:06:47,350 --> 00:06:46,720
psychokinetic activity pre-cognitive

187
00:06:49,430 --> 00:06:47,360
dreams

188
00:06:50,550 --> 00:06:49,440

and other kinds of visions where people

189

00:06:53,350 --> 00:06:50,560

see the future

190

00:06:55,029 --> 00:06:53,360

etc all of these are different kinds of

191

00:06:57,510 --> 00:06:55,039

contact modalities

192

00:06:59,350 --> 00:06:57,520

and if a person has experienced one

193

00:06:59,909 --> 00:06:59,360

they're much more likely than anyone

194

00:07:02,309 --> 00:06:59,919

from the

195

00:07:03,110 --> 00:07:02,319

general population to have experienced

196

00:07:06,309 --> 00:07:03,120

another

197

00:07:10,150 --> 00:07:06,319

tells us somehow

198

00:07:14,550 --> 00:07:11,909

and now i'd like to quote from the book

199

00:07:15,990 --> 00:07:14,560

beyond ufos that discusses the various

200

00:07:18,950 --> 00:07:16,000

contact modalities

201
00:07:19,670 --> 00:07:18,960
and the connection between them quote

202
00:07:22,230 --> 00:07:19,680
finally

203
00:07:22,950 --> 00:07:22,240
as will be presented later in this paper

204
00:07:25,990 --> 00:07:22,960
the uap

205
00:07:29,189 --> 00:07:26,000
experience is primarily a paranormal

206
00:07:31,189 --> 00:07:29,199
anomalous phenomenon even though as dr j

207
00:07:34,070 --> 00:07:31,199
allen heineck and dr jacques villa

208
00:07:34,790 --> 00:07:34,080
acknowledge the uap phenomenon is both a

209
00:07:38,150 --> 00:07:34,800
physical

210
00:07:39,870 --> 00:07:38,160
and psychic phenomenon all of the topics

211
00:07:41,189 --> 00:07:39,880
currently being studied by the field of

212
00:07:43,589 --> 00:07:41,199
parapsychology

213
00:07:45,350 --> 00:07:43,599

are also being experienced by the uap

214

00:07:47,270 --> 00:07:45,360

contact experiencers

215

00:07:49,189 --> 00:07:47,280

out-of-body experiences near-death

216

00:07:51,510 --> 00:07:49,199

experiences energy healing

217

00:07:53,990 --> 00:07:51,520

and all of the psy phenomena currently

218

00:07:56,950 --> 00:07:54,000

studied in parapsychology

219

00:07:58,309 --> 00:07:56,960

thus why shun and disdain the uap

220

00:08:01,589 --> 00:07:58,319

contact phenomenon

221

00:08:04,070 --> 00:08:01,599

from the field of parapsychology instead

222

00:08:05,350 --> 00:08:04,080

research on the uap contact phenomenon

223

00:08:07,029 --> 00:08:05,360

should be embraced

224

00:08:09,350 --> 00:08:07,039

just like the position of free

225

00:08:12,309 --> 00:08:09,360

co-founders dr edgar mitchell

226

00:08:12,790 --> 00:08:12,319

dr rudy shield and free research chair

227

00:08:15,990 --> 00:08:12,800

dr

228

00:08:18,469 --> 00:08:16,000

john clemo as the possible solution or

229

00:08:20,629 --> 00:08:18,479

key that will unlock the door to

230

00:08:24,469 --> 00:08:20,639

understanding parapsychology

231

00:08:24,790 --> 00:08:24,479

unquote now the reason why i bring all

232

00:08:27,830 --> 00:08:24,800

this

233

00:08:30,869 --> 00:08:27,840

up in the context of today's podcast

234

00:08:34,310 --> 00:08:30,879

is because my experience has been just

235

00:08:36,469 --> 00:08:34,320

this that primarily my wife

236

00:08:38,149 --> 00:08:36,479

is one of these people that experiences

237

00:08:39,509 --> 00:08:38,159

these different kinds of contact

238

00:08:41,750 --> 00:08:39,519

modalities

239

00:08:42,709 --> 00:08:41,760

and while i've had many of my own as

240

00:08:44,870 --> 00:08:42,719

well

241

00:08:45,750 --> 00:08:44,880

to a large degree i feel like i'm along

242

00:08:47,829 --> 00:08:45,760

for the ride

243

00:08:49,430 --> 00:08:47,839

and the experiences i've had are very

244

00:08:54,870 --> 00:08:49,440

much part and parcel

245

00:08:57,190 --> 00:08:54,880

with her nature as a kind of conduit

246

00:08:59,350 --> 00:08:57,200

up until now i've avoided too much

247

00:09:01,030 --> 00:08:59,360

discussion of my own experiences

248

00:09:02,870 --> 00:09:01,040

because i want people to be able to

249

00:09:04,230 --> 00:09:02,880

engage with these podcasts

250

00:09:06,949 --> 00:09:04,240

from the perspective that they are

251
00:09:10,230 --> 00:09:06,959
objectively based not hack jobs

252
00:09:12,310 --> 00:09:10,240
completely colored by my own experiences

253
00:09:14,230 --> 00:09:12,320
that said i also don't want to

254
00:09:14,990 --> 00:09:14,240
communicate that one has to be quote

255
00:09:18,389 --> 00:09:15,000
unquote

256
00:09:20,389 --> 00:09:18,399
experienceless in order to be objective

257
00:09:22,870 --> 00:09:20,399
of course in so many fields of life that

258
00:09:25,030 --> 00:09:22,880
would be simply impossible

259
00:09:27,030 --> 00:09:25,040
i also want to be part of the movement

260
00:09:27,829 --> 00:09:27,040
that encourages experiences to come

261
00:09:29,990 --> 00:09:27,839
forward

262
00:09:31,190 --> 00:09:30,000
to share their own experiences because

263
00:09:34,949 --> 00:09:31,200

we all benefit

264

00:09:37,190 --> 00:09:34,959
as a result also like jacques valet

265

00:09:38,310 --> 00:09:37,200
i firmly believe that hearing from

266

00:09:40,790 --> 00:09:38,320
experiencers

267

00:09:44,150 --> 00:09:40,800
is key to understanding the ufo

268

00:09:47,509 --> 00:09:45,910
and now in sharing several different

269

00:09:50,230 --> 00:09:47,519
encounters i've had

270

00:09:52,230 --> 00:09:50,240
i want to begin with the episode that

271

00:09:55,269 --> 00:09:52,240
was the most discombobulating

272

00:09:56,550 --> 00:09:55,279
the most bizarre and uncanny most full

273

00:10:00,550 --> 00:09:56,560
of high strangeness of

274

00:10:05,350 --> 00:10:03,590
here's the setting my wife and i

275

00:10:07,110 --> 00:10:05,360
along with our young daughter and my

276

00:10:08,389 --> 00:10:07,120

wife was also pregnant at the time

277

00:10:10,310 --> 00:10:08,399

several months pregnant

278

00:10:11,829 --> 00:10:10,320

we were traveling across the country

279

00:10:14,470 --> 00:10:11,839

from the east

280

00:10:16,389 --> 00:10:14,480

to the west and at this point in the

281

00:10:19,990 --> 00:10:16,399

trip we were about a day or two in

282

00:10:23,350 --> 00:10:20,000

basically at illinois on our trip

283

00:10:24,550 --> 00:10:23,360

to the west coast and we were staying in

284

00:10:26,470 --> 00:10:24,560

a hotel

285

00:10:28,069 --> 00:10:26,480

everything was normal up until that

286

00:10:30,550 --> 00:10:28,079

point

287

00:10:32,230 --> 00:10:30,560

then in the early morning hours my wife

288

00:10:34,150 --> 00:10:32,240

and i were in one bed

289

00:10:35,350 --> 00:10:34,160

and my young daughter was in the bed

290

00:10:38,790 --> 00:10:35,360

next to us

291

00:10:42,069 --> 00:10:38,800

in the early morning hours i noticed

292

00:10:44,310 --> 00:10:42,079

movement at the end of our bed so i sat

293

00:10:46,790 --> 00:10:44,320

up thinking our daughter must have

294

00:10:48,069 --> 00:10:46,800

gotten up perhaps she's confused for

295

00:10:49,509 --> 00:10:48,079

getting where she is

296

00:10:51,509 --> 00:10:49,519

looking for the bathroom or something

297

00:10:54,470 --> 00:10:51,519

like that i get up to

298

00:10:55,750 --> 00:10:54,480

speak with her and pretty quickly it

299

00:10:59,190 --> 00:10:55,760

becomes clear

300

00:11:01,190 --> 00:10:59,200

based on the appearance and the size

301
00:11:03,269 --> 00:11:01,200
of this being at the end of our bed that

302
00:11:06,069 --> 00:11:03,279
this is not our daughter

303
00:11:08,790 --> 00:11:06,079
that that was the first element of

304
00:11:11,110 --> 00:11:08,800
bizarreness for me was i just assumed

305
00:11:13,350 --> 00:11:11,120
if there's somebody at the end of our

306
00:11:13,990 --> 00:11:13,360
bed it's got to be our daughter who else

307
00:11:16,230 --> 00:11:14,000
is in the room

308
00:11:18,310 --> 00:11:16,240
with us but it very quickly becomes

309
00:11:21,269 --> 00:11:18,320
clear this is not our daughter

310
00:11:22,550 --> 00:11:21,279
it was humanoid human looking but

311
00:11:25,990 --> 00:11:22,560
clearly not our daughter

312
00:11:27,829 --> 00:11:26,000
and had various strange kind of effects

313
00:11:29,509 --> 00:11:27,839

in and around it as well though very

314

00:11:31,430 --> 00:11:29,519

hard to explain i'll come back to that a

315

00:11:34,069 --> 00:11:31,440

little bit later

316

00:11:35,350 --> 00:11:34,079

anyway i proceeded then to get up and

317

00:11:39,030 --> 00:11:35,360

move towards

318

00:11:40,310 --> 00:11:39,040

this being that looked again mostly

319

00:11:43,190 --> 00:11:40,320

human and

320

00:11:45,430 --> 00:11:43,200

we perceived it as female i say we

321

00:11:47,990 --> 00:11:45,440

notice that i'll get to that in a second

322

00:11:50,470 --> 00:11:48,000

i proceeded to move towards it at this

323

00:11:52,629 --> 00:11:50,480

point it seemed surprised it

324

00:11:54,310 --> 00:11:52,639

she seemed surprised that i actually

325

00:11:57,509 --> 00:11:54,320

could see her

326

00:12:00,069 --> 00:11:57,519

and it she began backing up

327

00:12:01,269 --> 00:12:00,079

towards the wall proceeded to back up

328

00:12:03,910 --> 00:12:01,279

right to the wall

329

00:12:06,470 --> 00:12:03,920

and threw it and disappeared disappeared

330

00:12:09,030 --> 00:12:06,480

right through the wall

331

00:12:11,430 --> 00:12:09,040

then i did a very strange thing i turned

332

00:12:13,269 --> 00:12:11,440

around and i marched right back to bed

333

00:12:15,910 --> 00:12:13,279

as if i was just going to go to sleep as

334

00:12:18,389 --> 00:12:15,920

if nothing strange had happened at all

335

00:12:19,990 --> 00:12:18,399

of course that's not unusual for people

336

00:12:23,030 --> 00:12:20,000

in these kinds of encounters

337

00:12:25,670 --> 00:12:23,040

but we'll get to that later as well

338

00:12:26,870 --> 00:12:25,680

thankfully as it turns out my wife

339

00:12:29,269 --> 00:12:26,880

perceived the whole thing

340

00:12:31,350 --> 00:12:29,279

she saw the whole thing as well she woke

341

00:12:32,069 --> 00:12:31,360

up as well and was sitting next to me

342

00:12:33,670 --> 00:12:32,079

sitting up

343

00:12:38,150 --> 00:12:33,680

without me being aware of this at the

344

00:12:40,069 --> 00:12:38,160

time and saw the entire event

345

00:12:41,590 --> 00:12:40,079

now the fact that my wife was awake and

346

00:12:44,870 --> 00:12:41,600

saw the entire thing

347

00:12:46,790 --> 00:12:44,880

was essential because as i say i was

348

00:12:48,949 --> 00:12:46,800

about to try and go back to sleep

349

00:12:51,269 --> 00:12:48,959

i just turned around went right back to

350

00:12:53,829 --> 00:12:51,279

bed as if i was going to go to sleep

351

00:12:55,590 --> 00:12:53,839

she shook me and said you know basically

352

00:12:56,470 --> 00:12:55,600

what are you doing how can you possibly

353

00:12:58,949 --> 00:12:56,480

go to sleep

354

00:13:01,350 --> 00:12:58,959

after what we just witnessed and i was

355

00:13:02,949 --> 00:13:01,360

in a kind of strange stupor a strange

356

00:13:05,829 --> 00:13:02,959

state of consciousness

357

00:13:07,190 --> 00:13:05,839

my behavior didn't make any sense to me

358

00:13:08,790 --> 00:13:07,200

it certainly doesn't make any sense to

359

00:13:11,430 --> 00:13:08,800

me thinking back on it

360

00:13:12,389 --> 00:13:11,440

but thankfully my wife engaged with me

361

00:13:14,550 --> 00:13:12,399

shook me

362

00:13:17,350 --> 00:13:14,560

and basically woke me out of that kind

363

00:13:19,509 --> 00:13:17,360

of weird state that i was in

364

00:13:20,629 --> 00:13:19,519

and we sat up and we talked about the

365

00:13:22,470 --> 00:13:20,639

experience

366

00:13:23,910 --> 00:13:22,480

and then my wife decided to get up and

367

00:13:25,430 --> 00:13:23,920

check on our daughter

368

00:13:27,350 --> 00:13:25,440

this is where it gets even stranger

369

00:13:29,990 --> 00:13:27,360

still because it turns out

370

00:13:30,870 --> 00:13:30,000

my daughter had strange welts all over

371

00:13:33,350 --> 00:13:30,880

her body

372

00:13:35,190 --> 00:13:33,360

the kind that she's never had before and

373

00:13:37,030 --> 00:13:35,200

never had since

374

00:13:38,710 --> 00:13:37,040

and perhaps it could have been some

375

00:13:41,030 --> 00:13:38,720

allergic reaction to the sheets or

376

00:13:43,590 --> 00:13:41,040

something but it was very strange

377

00:13:44,550 --> 00:13:43,600

anyway at that point my wife became

378

00:13:46,629 --> 00:13:44,560

concerned

379

00:13:48,389 --> 00:13:46,639

what had we just experienced and was

380

00:13:48,790 --> 00:13:48,399

that responsible for what happened to my

381

00:13:50,790 --> 00:13:48,800

daughter

382

00:13:51,829 --> 00:13:50,800

we didn't know but we weren't about to

383

00:13:54,310 --> 00:13:51,839

stick around

384

00:13:56,389 --> 00:13:54,320

for the breakfast or to discuss it any

385

00:13:56,870 --> 00:13:56,399

longer in that hotel room so we packed

386

00:13:59,110 --> 00:13:56,880

up

387

00:14:00,710 --> 00:13:59,120

we left in the early morning hours and

388

00:14:03,110 --> 00:14:00,720

hit the road

389

00:14:03,750 --> 00:14:03,120

thankfully within a couple hours my

390

00:14:05,829 --> 00:14:03,760

daughter's

391

00:14:10,069 --> 00:14:05,839

condition improved all of those welts

392

00:14:13,829 --> 00:14:11,750

now there's a couple important points

393

00:14:15,189 --> 00:14:13,839

i'd like to make about the experience

394

00:14:18,629 --> 00:14:15,199

itself

395

00:14:21,110 --> 00:14:18,639

number one if it were not for my wife

396

00:14:23,269 --> 00:14:21,120

preventing me from going to sleep i

397

00:14:26,629 --> 00:14:23,279

certainly would have gone to sleep

398

00:14:27,829 --> 00:14:26,639

and i am 99 certain that i would have

399

00:14:30,870 --> 00:14:27,839

woken in the morning

400

00:14:33,590 --> 00:14:30,880

and just thought i had a strange dream

401
00:14:35,110 --> 00:14:33,600
i'm as i say pretty much certain that

402
00:14:37,990 --> 00:14:35,120
would have been my response

403
00:14:39,269 --> 00:14:38,000
i had no hook to hang this experience on

404
00:14:41,189 --> 00:14:39,279
so i would have woken up the next

405
00:14:42,790 --> 00:14:41,199
morning and just assumed it was a

406
00:14:45,030 --> 00:14:42,800
strange dream

407
00:14:46,389 --> 00:14:45,040
and you have to ask yourself how many

408
00:14:47,189 --> 00:14:46,399
people are having those kind of

409
00:14:50,069 --> 00:14:47,199
experiences

410
00:14:50,710 --> 00:14:50,079
and drawing that very conclusion

411
00:14:52,710 --> 00:14:50,720
thankfully

412
00:14:54,470 --> 00:14:52,720
my wife was there with me prevented me

413
00:14:55,670 --> 00:14:54,480

from going to sleep and that helped

414

00:14:58,470 --> 00:14:55,680

anchor the experience

415

00:14:59,350 --> 00:14:58,480

in reality for me not to mention of

416

00:15:01,910 --> 00:14:59,360

course

417

00:15:03,110 --> 00:15:01,920

we had each other to dialogue with to

418

00:15:05,269 --> 00:15:03,120

process with

419

00:15:07,189 --> 00:15:05,279

to try and make sense of this really

420

00:15:11,670 --> 00:15:07,199

bizarre discombobulating

421

00:15:11,990 --> 00:15:11,680

experience and this is by the way why i

422

00:15:13,990 --> 00:15:12,000

feel

423

00:15:15,509 --> 00:15:14,000

for people who experience these things

424

00:15:17,910 --> 00:15:15,519

on their own

425

00:15:19,430 --> 00:15:17,920

as individuals because it's that much

426

00:15:22,550 --> 00:15:19,440

more discombobulating

427

00:15:25,750 --> 00:15:22,560

it's that much more unanchored from

428

00:15:28,310 --> 00:15:25,760

reality from the everyday world and

429

00:15:29,590 --> 00:15:28,320

they don't have that ability to process

430

00:15:31,189 --> 00:15:29,600

with someone else

431

00:15:33,430 --> 00:15:31,199

and they certainly don't have the sort

432

00:15:35,110 --> 00:15:33,440

of mental check that makes you feel

433

00:15:35,749 --> 00:15:35,120

better knowing that you weren't the only

434

00:15:39,910 --> 00:15:35,759

one

435

00:15:41,350 --> 00:15:39,920

that saw this and now i'd like to add

436

00:15:43,749 --> 00:15:41,360

some additional details

437

00:15:46,230 --> 00:15:43,759

about the experience itself because

438

00:15:49,110 --> 00:15:46,240

while both my wife and i experienced

439

00:15:50,470 --> 00:15:49,120

this entity this humanoid figure at the

440

00:15:52,230 --> 00:15:50,480

end of our bed

441

00:15:55,030 --> 00:15:52,240

and we both saw it disappear through the

442

00:15:56,150 --> 00:15:55,040

wall there were various elements that

443

00:15:58,550 --> 00:15:56,160

were different

444

00:15:59,990 --> 00:15:58,560

we saw slightly different things which

445

00:16:03,110 --> 00:16:00,000

is fascinating

446

00:16:06,629 --> 00:16:03,120

but also again kind of bewildering

447

00:16:10,870 --> 00:16:06,639

for instance i saw a full body

448

00:16:14,470 --> 00:16:10,880

and my wife saw just the upper torso

449

00:16:17,269 --> 00:16:14,480

to me i saw hair but it looked normal

450

00:16:18,550 --> 00:16:17,279

my wife saw hair that was blowing as if

451
00:16:20,949 --> 00:16:18,560
there was a breeze

452
00:16:22,550 --> 00:16:20,959
blowing pretty strong and making the

453
00:16:25,430 --> 00:16:22,560
hair move

454
00:16:27,749 --> 00:16:25,440
very strange on top of that when i

455
00:16:30,629 --> 00:16:27,759
turned around to come back to bed

456
00:16:32,150 --> 00:16:30,639
my wife saw this entity come back out

457
00:16:34,550 --> 00:16:32,160
through the wall

458
00:16:35,990 --> 00:16:34,560
proceed to go down the sort of hall in

459
00:16:39,749 --> 00:16:36,000
front of the two beds

460
00:16:41,269 --> 00:16:39,759
and out the front door of the hotel room

461
00:16:43,030 --> 00:16:41,279
not opening the door of course just

462
00:16:46,870 --> 00:16:43,040
passed right through the door

463
00:16:48,389 --> 00:16:46,880

so my wife saw the entity a second time

464

00:16:49,990 --> 00:16:48,399

but again i want to draw your attention

465

00:16:53,269 --> 00:16:50,000

to the fact that we both

466

00:16:55,990 --> 00:16:53,279

saw this entity but we saw different

467

00:16:57,670 --> 00:16:56,000

characteristics slight differences that

468

00:17:00,069 --> 00:16:57,680

make you really wonder what is that

469

00:17:03,430 --> 00:17:00,079

about and it certainly makes you realize

470

00:17:06,470 --> 00:17:03,440

that this phenomenon has the ability to

471

00:17:08,309 --> 00:17:06,480

effect perception consciousness we both

472

00:17:09,350 --> 00:17:08,319

saw it but we saw slightly different

473

00:17:11,669 --> 00:17:09,360

things

474

00:17:14,069 --> 00:17:11,679

that of course brings back memories of

475

00:17:15,189 --> 00:17:14,079

the podcast episode i did on the events

476
00:17:17,909 --> 00:17:15,199
at fatima

477
00:17:18,630 --> 00:17:17,919
where thousands of people saw something

478
00:17:20,870 --> 00:17:18,640
but they saw

479
00:17:21,909 --> 00:17:20,880
different things even the messages they

480
00:17:25,270 --> 00:17:21,919
received

481
00:17:30,310 --> 00:17:27,990
i'd also like to add that clearly i am

482
00:17:32,150 --> 00:17:30,320
someone who's devoted a lot of time to

483
00:17:34,950 --> 00:17:32,160
studying this phenomenon

484
00:17:35,750 --> 00:17:34,960
years and years and years i've

485
00:17:37,830 --> 00:17:35,760
researched it

486
00:17:39,590 --> 00:17:37,840
i've studied as much of the literature

487
00:17:42,630 --> 00:17:39,600
as i can get my hands on

488
00:17:43,990 --> 00:17:42,640

i've listened to many many accounts from

489

00:17:45,990 --> 00:17:44,000

different experiencers

490

00:17:48,150 --> 00:17:46,000

and i've tried to connect the dots as

491

00:17:51,110 --> 00:17:48,160

much as i can look for patterns

492

00:17:52,470 --> 00:17:51,120

and whatnot but i still have to say

493

00:17:54,950 --> 00:17:52,480

after all this time

494

00:17:55,990 --> 00:17:54,960

after having reported all these other

495

00:17:59,029 --> 00:17:56,000

experiences that

496

00:18:01,669 --> 00:17:59,039

different people have had that event is

497

00:18:03,350 --> 00:18:01,679

still very discombobulating

498

00:18:05,909 --> 00:18:03,360

even after all these years and by the

499

00:18:08,310 --> 00:18:05,919

way that happened in 2005

500

00:18:10,470 --> 00:18:08,320

after all these years i still don't know

501
00:18:14,070 --> 00:18:10,480
exactly how to wrap my head

502
00:18:17,669 --> 00:18:14,080
around that experience it had a kind of

503
00:18:20,390 --> 00:18:17,679
texture to it a kind of ethos that i

504
00:18:20,789 --> 00:18:20,400
can't quite wrap my head around it was

505
00:18:22,870 --> 00:18:20,799
just

506
00:18:24,390 --> 00:18:22,880
very discombobulating almost like an

507
00:18:26,390 --> 00:18:24,400
altered state of consciousness

508
00:18:27,590 --> 00:18:26,400
or almost like we were in a different

509
00:18:30,630 --> 00:18:27,600
realm of reality

510
00:18:34,950 --> 00:18:30,640
altogether for that period of time

511
00:18:38,230 --> 00:18:36,390
now i'd like to share an experience

512
00:18:40,390 --> 00:18:38,240
that's much more recent it's happened

513
00:18:43,190 --> 00:18:40,400

since we moved here to north carolina

514

00:18:46,710 --> 00:18:43,200

which happened in 2018 so this was

515

00:18:48,710 --> 00:18:46,720

within the last couple of years

516

00:18:50,310 --> 00:18:48,720

this is what happened on a particular

517

00:18:53,590 --> 00:18:50,320

evening my wife

518

00:18:56,710 --> 00:18:53,600

and my son were in

519

00:18:58,789 --> 00:18:56,720

a bedroom and my wife was playing a

520

00:19:00,150 --> 00:18:58,799

large shamanic mother drum we have a

521

00:19:03,990 --> 00:19:00,160

series of drums

522

00:19:06,150 --> 00:19:04,000

we used to host drum circles and

523

00:19:07,510 --> 00:19:06,160

we would have shamanic groups and what

524

00:19:10,390 --> 00:19:07,520

not come over

525

00:19:11,590 --> 00:19:10,400

and anyway my wife was playing this drum

526

00:19:14,230 --> 00:19:11,600

and they were both

527

00:19:15,350 --> 00:19:14,240

basically inviting contact and

528

00:19:17,190 --> 00:19:15,360

communication

529

00:19:19,830 --> 00:19:17,200

with benevolent entities was the

530

00:19:21,510 --> 00:19:19,840

intention i wasn't involved at all i was

531

00:19:22,870 --> 00:19:21,520

actually in my office at the time in a

532

00:19:26,390 --> 00:19:22,880

different room

533

00:19:27,990 --> 00:19:26,400

but in the same house and what proceeded

534

00:19:28,630 --> 00:19:28,000

to happen was suddenly it sounded like

535

00:19:30,549 --> 00:19:28,640

there was a

536

00:19:31,750 --> 00:19:30,559

loud rain storm outside we assumed it

537

00:19:35,830 --> 00:19:31,760

was raining

538

00:19:37,909 --> 00:19:35,840

and then we heard a very very loud hum

539

00:19:40,470 --> 00:19:37,919

fill the entire house and it sounded

540

00:19:42,470 --> 00:19:40,480

like the hum was coming from directly

541

00:19:45,190 --> 00:19:42,480

above the house

542

00:19:46,390 --> 00:19:45,200

very loud not really mechanical in a

543

00:19:49,909 --> 00:19:46,400

clicking kind of way

544

00:19:51,909 --> 00:19:49,919

more like a loud steady hum and

545

00:19:53,510 --> 00:19:51,919

we could hear each other talk but it was

546

00:19:54,230 --> 00:19:53,520

very loud it was the most dominant thing

547

00:19:57,590 --> 00:19:54,240

on both

548

00:20:00,150 --> 00:19:57,600

floors of the house what's strange is

549

00:20:02,470 --> 00:20:00,160

none of us not my wife not myself nor my

550

00:20:04,789 --> 00:20:02,480

son went outside to look above the house

551
00:20:07,110 --> 00:20:04,799
to see what was there

552
00:20:09,909 --> 00:20:07,120
to be honest with you i had a kind of

553
00:20:12,789 --> 00:20:09,919
strange fear come over me a kind of

554
00:20:13,590 --> 00:20:12,799
feeling of overwhelm and i didn't want

555
00:20:16,789 --> 00:20:13,600
to look

556
00:20:17,750 --> 00:20:16,799
and to some degree i felt like maybe i

557
00:20:20,230 --> 00:20:17,760
wasn't supposed to

558
00:20:22,149 --> 00:20:20,240
it's hard to know looking back at the

559
00:20:23,990 --> 00:20:22,159
same time it's hard to imagine that i

560
00:20:24,549 --> 00:20:24,000
wouldn't have convinced myself to go and

561
00:20:27,110 --> 00:20:24,559
look

562
00:20:30,149 --> 00:20:27,120
but for whatever reason we didn't i

563
00:20:32,950 --> 00:20:30,159

didn't my wife didn't my son didn't

564

00:20:34,710 --> 00:20:32,960

eventually after a few minutes the sound

565

00:20:37,590 --> 00:20:34,720

stopped and the rain

566

00:20:39,669 --> 00:20:37,600

apparently stopped my daughter then

567

00:20:42,470 --> 00:20:39,679

proceeded to come in the house

568

00:20:44,710 --> 00:20:42,480

and she asked what was up because we

569

00:20:46,470 --> 00:20:44,720

seem to be acting strangely

570

00:20:48,470 --> 00:20:46,480

and we said didn't you hear that

571

00:20:49,750 --> 00:20:48,480

insanely loud sound

572

00:20:52,310 --> 00:20:49,760

and didn't you get caught in the

573

00:20:54,549 --> 00:20:52,320

rainstorm she proceeded to tell us there

574

00:20:56,310 --> 00:20:54,559

was no rainstorm it's not raining she

575

00:20:58,230 --> 00:20:56,320

was only just down the block

576
00:21:00,830 --> 00:20:58,240
at the time that this happened and she

577
00:21:03,029 --> 00:21:00,840
didn't hear any strange hum

578
00:21:05,430 --> 00:21:03,039
whatsoever

579
00:21:06,390 --> 00:21:05,440
again now in regards to us not going to

580
00:21:08,710 --> 00:21:06,400
look

581
00:21:10,070 --> 00:21:08,720
maybe we thought because it's raining or

582
00:21:11,350 --> 00:21:10,080
we thought it was raining anyway we

583
00:21:13,350 --> 00:21:11,360
won't get a good look

584
00:21:14,830 --> 00:21:13,360
but again i still can't convince myself

585
00:21:17,350 --> 00:21:14,840
that would have been enough of a

586
00:21:19,029 --> 00:21:17,360
justification for me not having gone and

587
00:21:20,789 --> 00:21:19,039
at least tried to see if i could see

588
00:21:22,310 --> 00:21:20,799

anything

589

00:21:24,789 --> 00:21:22,320

of course this happens a lot with the

590

00:21:26,630 --> 00:21:24,799

ufo phenomenon people's behavior

591

00:21:28,070 --> 00:21:26,640

is controlled the responses are

592

00:21:30,789 --> 00:21:28,080

controlled

593

00:21:32,710 --> 00:21:30,799

like in the hotel encounter when i just

594

00:21:34,310 --> 00:21:32,720

decided it was a good idea to go back to

595

00:21:36,950 --> 00:21:34,320

bed

596

00:21:38,070 --> 00:21:36,960

i recently read robert hastings talk

597

00:21:41,750 --> 00:21:38,080

about

598

00:21:43,270 --> 00:21:41,760

seeing a ufo above his house and somehow

599

00:21:44,789 --> 00:21:43,280

he had this thought that he shouldn't

600

00:21:47,669 --> 00:21:44,799

take a picture

601
00:21:49,029 --> 00:21:47,679
that he knows looking back that makes no

602
00:21:51,270 --> 00:21:49,039
sense whatsoever

603
00:21:53,350 --> 00:21:51,280
and having a background in photography

604
00:21:54,230 --> 00:21:53,360
he absolutely would have wanted to take

605
00:21:57,350 --> 00:21:54,240
a picture

606
00:21:59,669 --> 00:21:57,360
after having talked about ufos

607
00:22:01,350 --> 00:21:59,679
and the nuclear connection for years and

608
00:22:03,029 --> 00:22:01,360
years and lecturing on this

609
00:22:05,110 --> 00:22:03,039
he certainly would have wanted to have

610
00:22:07,990 --> 00:22:05,120
the evidence of a photo

611
00:22:10,070 --> 00:22:08,000
and yet at the time he just sensed that

612
00:22:12,070 --> 00:22:10,080
he was not supposed to take a photo so

613
00:22:14,310 --> 00:22:12,080

he just looked with his naked eye

614

00:22:16,390 --> 00:22:14,320

but never took a photo there are a lot

615

00:22:17,590 --> 00:22:16,400

of experiences like that that people

616

00:22:19,909 --> 00:22:17,600

report where

617

00:22:20,870 --> 00:22:19,919

their behavior doesn't match what they

618

00:22:25,590 --> 00:22:20,880

would normally

619

00:22:26,310 --> 00:22:25,600

do now in the introduction to today's

620

00:22:28,950 --> 00:22:26,320

episode

621

00:22:31,190 --> 00:22:28,960

as well as on previous podcasts i've

622

00:22:32,710 --> 00:22:31,200

mentioned the generational aspect of

623

00:22:35,430 --> 00:22:32,720

this phenomenon

624

00:22:36,710 --> 00:22:35,440

that often when people do remember

625

00:22:39,029 --> 00:22:36,720

having experiences

626
00:22:40,470 --> 00:22:39,039
with these non-human intelligences or

627
00:22:43,990 --> 00:22:40,480
these

628
00:22:46,230 --> 00:22:44,000
non-conventionally

629
00:22:47,830 --> 00:22:46,240
human intelligences again they take a

630
00:22:50,230 --> 00:22:47,840
variety of forms

631
00:22:51,110 --> 00:22:50,240
but when people remember having these

632
00:22:54,070 --> 00:22:51,120
experiences

633
00:22:56,070 --> 00:22:54,080
and they then ask family members they

634
00:22:57,110 --> 00:22:56,080
often find there's a generational

635
00:22:59,590 --> 00:22:57,120
component

636
00:23:00,630 --> 00:22:59,600
that their parents may very well have

637
00:23:02,230 --> 00:23:00,640
had experiences

638
00:23:04,310 --> 00:23:02,240

even though they may not have talked

639

00:23:04,870 --> 00:23:04,320

about it before then sometimes it even

640

00:23:08,149 --> 00:23:04,880

goes back

641

00:23:10,549 --> 00:23:08,159

several generations well after

642

00:23:11,990 --> 00:23:10,559

our experiences my wife and i decided to

643

00:23:14,149 --> 00:23:12,000

follow up with her family

644

00:23:15,669 --> 00:23:14,159

to see if they remembered anything

645

00:23:17,909 --> 00:23:15,679

because my wife did have

646

00:23:20,230 --> 00:23:17,919

a recall of her parents talking vaguely

647

00:23:22,549 --> 00:23:20,240

about something when she was younger

648

00:23:25,270 --> 00:23:22,559

so we asked them about a particular

649

00:23:27,909 --> 00:23:25,280

event that she remembered hearing about

650

00:23:29,430 --> 00:23:27,919

and reluctantly they both talked to us

651
00:23:29,750 --> 00:23:29,440
about it but you could tell they were

652
00:23:32,470 --> 00:23:29,760
still

653
00:23:34,230 --> 00:23:32,480
fearful and fearful not just because of

654
00:23:34,789 --> 00:23:34,240
the nature of the experience but more

655
00:23:37,669 --> 00:23:34,799
because

656
00:23:38,870 --> 00:23:37,679
the unknown in general just scares them

657
00:23:40,310 --> 00:23:38,880
they don't like

658
00:23:42,149 --> 00:23:40,320
not being able to wrap their heads

659
00:23:43,029 --> 00:23:42,159
around something and that's definitely

660
00:23:46,630 --> 00:23:43,039
what happened

661
00:23:51,590 --> 00:23:49,430
this is how the narrative goes when my

662
00:23:54,310 --> 00:23:51,600
wife was a very young girl

663
00:23:54,630 --> 00:23:54,320

her family lived for a period of time on

664

00:24:20,070 --> 00:23:54,640

a

665

00:24:21,750 --> 00:24:20,080

so these very bright kind of bluish

666

00:24:24,390 --> 00:24:21,760

white lights were streaming through

667

00:24:26,230 --> 00:24:24,400

into the bedroom he was immediately

668

00:24:28,630 --> 00:24:26,240

terrified because again they're in the

669

00:24:30,149 --> 00:24:28,640

middle of nowhere they're not used to

670

00:24:31,830 --> 00:24:30,159

seeing planes around there

671

00:24:33,269 --> 00:24:31,840

they didn't hear helicopter sound or

672

00:24:35,350 --> 00:24:33,279

anything like that

673

00:24:37,029 --> 00:24:35,360

he turned over and tried to wake up my

674

00:24:39,750 --> 00:24:37,039

wife's mom

675

00:24:42,070 --> 00:24:39,760

but she would not wake up no matter how

676

00:24:44,630 --> 00:24:42,080

much he shook her she would not wake up

677

00:24:45,590 --> 00:24:44,640

it was almost like she was unconscious

678

00:24:48,149 --> 00:24:45,600

at this point

679

00:24:49,590 --> 00:24:48,159

he then heard what sounded like noise

680

00:24:52,230 --> 00:24:49,600

coming from downstairs

681

00:24:52,630 --> 00:24:52,240

and of course my wife as a young girl

682

00:24:55,510 --> 00:24:52,640

was

683

00:24:56,149 --> 00:24:55,520

downstairs at the time so he proceeded

684

00:25:00,070 --> 00:24:56,159

to get a

685

00:25:02,149 --> 00:25:00,080

rifle a shotgun and go downstairs

686

00:25:03,750 --> 00:25:02,159

and from there he perceived that the

687

00:25:05,269 --> 00:25:03,760

noise was actually coming from the

688

00:25:08,470 --> 00:25:05,279

basement that goes

689

00:25:11,190 --> 00:25:08,480

underground basically so he then

690

00:25:13,029 --> 00:25:11,200

proceeded to go into the basement

691

00:25:15,830 --> 00:25:13,039

started going down the stairs

692

00:25:17,350 --> 00:25:15,840

into the underground basement he got

693

00:25:20,549 --> 00:25:17,360

halfway down the stairs

694

00:25:22,789 --> 00:25:20,559

and had fear come over him

695

00:25:24,070 --> 00:25:22,799

then he had a very strange notion coming

696

00:25:27,190 --> 00:25:24,080

to his mind

697

00:25:28,950 --> 00:25:27,200

you should go back and go to sleep so

698

00:25:29,909 --> 00:25:28,960

that's exactly what he did he turned

699

00:25:32,950 --> 00:25:29,919

around he marched

700

00:25:35,430 --> 00:25:32,960

up the stairs into the first floor

701
00:25:36,470 --> 00:25:35,440
didn't check on the kids walked up to

702
00:25:39,750 --> 00:25:36,480
the second floor

703
00:25:42,549 --> 00:25:39,760
back to his bedroom and went to sleep

704
00:25:43,190 --> 00:25:42,559
and that's what happened very strange

705
00:25:45,430 --> 00:25:43,200
and again

706
00:25:46,390 --> 00:25:45,440
it is uncanny how just like my

707
00:25:48,390 --> 00:25:46,400
experience

708
00:25:49,750 --> 00:25:48,400
he chose to go to sleep in the most

709
00:25:53,510 --> 00:25:49,760
bizarre experience

710
00:25:54,950 --> 00:25:53,520
you can imagine and i'd just like to

711
00:25:55,990 --> 00:25:54,960
finish with a couple of additional

712
00:25:59,430 --> 00:25:56,000
experiences that i've

713
00:26:00,870 --> 00:25:59,440

had this first one is strange and kind

714

00:26:03,430 --> 00:26:00,880

of funny in a way

715

00:26:04,390 --> 00:26:03,440

because on a couple different occasions

716

00:26:07,510 --> 00:26:04,400

i've

717

00:26:10,149 --> 00:26:07,520

tried to engage with the c5 protocols

718

00:26:11,190 --> 00:26:10,159

and after doing so i've gone outside

719

00:26:13,029 --> 00:26:11,200

late at night

720

00:26:14,549 --> 00:26:13,039

onto our street where we often have a

721

00:26:16,789 --> 00:26:14,559

really amazing view

722

00:26:18,630 --> 00:26:16,799

of the stars over the mountains here in

723

00:26:21,590 --> 00:26:18,640

the blue ridge mountains

724

00:26:22,630 --> 00:26:21,600

and on these two occasions i didn't see

725

00:26:24,950 --> 00:26:22,640

anything in the sky

726
00:26:25,830 --> 00:26:24,960
i scanned the sky all i saw was

727
00:26:28,870 --> 00:26:25,840
satellites

728
00:26:29,669 --> 00:26:28,880
planes and stars could see mars and

729
00:26:32,149 --> 00:26:29,679
whatnot but

730
00:26:34,070 --> 00:26:32,159
no sign of something i would call a ufo

731
00:26:35,830 --> 00:26:34,080
on those occasions

732
00:26:37,830 --> 00:26:35,840
what did happen though on two different

733
00:26:39,590 --> 00:26:37,840
occasions is as i'm looking up and

734
00:26:41,990 --> 00:26:39,600
scanning across the sky

735
00:26:43,190 --> 00:26:42,000
i notice movement in my peripheral

736
00:26:46,310 --> 00:26:43,200
vision

737
00:26:49,350 --> 00:26:46,320
both times to the left and i would turn

738
00:26:49,750 --> 00:26:49,360

and just catch glimpse of what looked

739

00:26:54,470 --> 00:26:49,760

like

740

00:26:56,470 --> 00:26:54,480

two shadowy figures going around a hedge

741

00:26:58,310 --> 00:26:56,480

and all i can tell you is as soon as it

742

00:27:00,789 --> 00:26:58,320

happened i immediately thought

743

00:27:02,149 --> 00:27:00,799

was that a rabbit was that a black bear

744

00:27:03,909 --> 00:27:02,159

was that a dog

745

00:27:05,990 --> 00:27:03,919

you know what was that was it deer we

746

00:27:07,590 --> 00:27:06,000

have all those things around here but

747

00:27:08,390 --> 00:27:07,600

all i can tell you is it looked like it

748

00:27:11,110 --> 00:27:08,400

was

749

00:27:11,750 --> 00:27:11,120

standing upright humanoid looking but a

750

00:27:13,669 --> 00:27:11,760

very

751

00:27:16,390 --> 00:27:13,679

dark colored shape almost like two

752

00:27:17,909 --> 00:27:16,400

silhouettes that went around quickly and

753

00:27:19,909 --> 00:27:17,919

behind a hedge

754

00:27:22,230 --> 00:27:19,919

and it always happens in my peripheral

755

00:27:24,389 --> 00:27:22,240

vision i've had those experiences

756

00:27:25,750 --> 00:27:24,399

on numerous occasions this particular

757

00:27:27,750 --> 00:27:25,760

event happened

758

00:27:29,830 --> 00:27:27,760

when i'm in the midst of the c5

759

00:27:32,149 --> 00:27:29,840

protocols and looking at the sky

760

00:27:34,470 --> 00:27:32,159

and then ironically see something off to

761

00:27:35,029 --> 00:27:34,480

my left in my peripheral vision but just

762

00:27:39,269 --> 00:27:35,039

for

763

00:27:42,389 --> 00:27:41,510

i'd also like to add that my usual

764

00:27:44,549 --> 00:27:42,399

method

765

00:27:46,870 --> 00:27:44,559

where i feel like i sometimes make a

766

00:27:50,310 --> 00:27:46,880

kind of contact but it's a very

767

00:27:52,070 --> 00:27:50,320

kind of obtuse abstract kind of

768

00:27:53,750 --> 00:27:52,080

contact where it feels more like i

769

00:27:55,830 --> 00:27:53,760

receive downloads

770

00:27:57,510 --> 00:27:55,840

is during my meditation practice i

771

00:27:58,789 --> 00:27:57,520

meditate in the morning and in the

772

00:28:02,230 --> 00:27:58,799

evening

773

00:28:04,549 --> 00:28:02,240

practice

774

00:28:05,990 --> 00:28:04,559

i will sometimes enter a kind of

775

00:28:07,190 --> 00:28:06,000

modality a kind of state of

776

00:28:08,950 --> 00:28:07,200

consciousness

777

00:28:10,789 --> 00:28:08,960

where i feel like information is

778

00:28:14,310 --> 00:28:10,799

downloading and

779

00:28:15,909 --> 00:28:14,320

often the next day certain courses of

780

00:28:17,990 --> 00:28:15,919

action will occur to me that i'm

781

00:28:19,990 --> 00:28:18,000

surprised at that i'm surprised i want

782

00:28:23,029 --> 00:28:20,000

to do that or that's what i've decided

783

00:28:25,110 --> 00:28:23,039

and yet something becomes really clear

784

00:28:26,549 --> 00:28:25,120

you could argue this is my higher self

785

00:28:29,750 --> 00:28:26,559

that i'm getting in touch with

786

00:28:29,990 --> 00:28:29,760

and that's why it resonates with me but

787

00:28:32,230 --> 00:28:30,000

it

788

00:28:34,630 --> 00:28:32,240

often feels like something else feels

789

00:28:37,830 --> 00:28:34,640

like some other kind of intelligence

790

00:28:40,470 --> 00:28:37,840

is communicating but not in a typical

791

00:28:41,110 --> 00:28:40,480

telepathic you know thought to thought

792

00:28:43,830 --> 00:28:41,120

kind of way

793

00:28:47,029 --> 00:28:43,840

more like direct downloads that's been

794

00:28:51,269 --> 00:28:48,789

at the end of the day what do these

795

00:28:53,110 --> 00:28:51,279

kinds of experiences tell us

796

00:28:55,510 --> 00:28:53,120

they tell us that the conventional

797

00:28:58,789 --> 00:28:55,520

mechanistic view of the universe

798

00:29:00,230 --> 00:28:58,799

is woefully lacking it may indeed have

799

00:29:03,830 --> 00:29:00,240

everything precisely

800

00:29:06,950 --> 00:29:03,840

upside down in the sense that actually

801
00:29:10,310 --> 00:29:06,960
consciousness is primary and matter

802
00:29:12,149 --> 00:29:10,320
and energy are derivatives rather than

803
00:29:14,230 --> 00:29:12,159
the other way around as

804
00:29:16,470 --> 00:29:14,240
scientific materialism would have you

805
00:29:19,190 --> 00:29:16,480
believe

806
00:29:20,389 --> 00:29:19,200
and on that note we've come to the close

807
00:29:23,190 --> 00:29:20,399
of another edition

808
00:29:23,990 --> 00:29:23,200
of the point of convergence podcast as

809
00:29:26,470 --> 00:29:24,000
always

810
00:29:27,669 --> 00:29:26,480
let's keep this conversation going and

811
00:29:29,830 --> 00:29:27,679
growing

812
00:29:31,909 --> 00:29:29,840
but until next time friends from deep

813
00:29:33,029 --> 00:29:31,919

within the blue ridge mountains of north
