

Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #31

Consciousness & Contruct:
*Plotting the Convergence of
the Fields of Quantum Physics,
Ufology & Parapsychology*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:07,909

[Music]

2
00:00:11,589 --> 00:00:08,870

hello

3
00:00:13,589 --> 00:00:11,599

and welcome to episode number 31 of the

4
00:00:18,150 --> 00:00:13,599

point of convergence podcast

5
00:00:20,150 --> 00:00:18,160

as always i'm your host exo academian

6
00:00:22,790 --> 00:00:20,160

for those tuned in to more recent

7
00:00:24,870 --> 00:00:22,800

developments within the field of ufology

8
00:00:26,550 --> 00:00:24,880

there is a clear recognition that the

9
00:00:28,550 --> 00:00:26,560

conversation has moved in some

10
00:00:30,790 --> 00:00:28,560

surprising directions

11
00:00:33,110 --> 00:00:30,800

what began as an assumption that we were

12
00:00:36,310 --> 00:00:33,120

witnessing the presence of spacecraft

13
00:00:38,950 --> 00:00:36,320

being piloted by extraterrestrials has

14

00:00:41,030 --> 00:00:38,960

evolved into a much broader conversation

15

00:00:42,950 --> 00:00:41,040

that involves interdimensionality

16

00:00:44,549 --> 00:00:42,960

potential crypto-terrestrials and

17

00:00:46,709 --> 00:00:44,559

ultra-terrestrials

18

00:00:47,750 --> 00:00:46,719

consciousness control the manipulation

19

00:00:50,869 --> 00:00:47,760

of space-time

20

00:00:53,110 --> 00:00:50,879

and much more in many ways one could

21

00:00:54,950 --> 00:00:53,120

argue that what began as a conversation

22

00:00:56,950 --> 00:00:54,960

singularly about the potential

23

00:00:58,709 --> 00:00:56,960

visitation of visitors from some

24

00:01:00,709 --> 00:00:58,719

far-flung star system

25

00:01:02,950 --> 00:01:00,719

has evolved into a discussion about the

26

00:01:04,869 --> 00:01:02,960

nature of reality itself

27

00:01:07,030 --> 00:01:04,879

the implications that arise from the

28

00:01:09,149 --> 00:01:07,040

so-called ufo phenomenon

29

00:01:11,109 --> 00:01:09,159

really are that far-reaching and

30

00:01:12,870 --> 00:01:11,119

paradigm-stretching

31

00:01:14,550 --> 00:01:12,880

interestingly though this kind of

32

00:01:18,149 --> 00:01:14,560

deep-seated soul-searching

33

00:01:20,630 --> 00:01:18,159

is not unique to the field of ufology

34

00:01:21,510 --> 00:01:20,640

as it turns out other fields of inquiry

35

00:01:24,469 --> 00:01:21,520

are experiencing

36

00:01:25,350 --> 00:01:24,479

similar upheavals while the often

37

00:01:27,590 --> 00:01:25,360

categorized

38

00:01:28,630 --> 00:01:27,600

soft sciences of sociology and

39

00:01:30,550 --> 00:01:28,640

psychology

40

00:01:32,390 --> 00:01:30,560

are facing these challenges the

41

00:01:35,590 --> 00:01:32,400

so-called hard sciences

42

00:01:37,590 --> 00:01:35,600

are certainly not immune either while

43

00:01:39,670 --> 00:01:37,600

the outer reaches of psychology

44

00:01:40,950 --> 00:01:39,680

often termed parapsychology for that

45

00:01:42,630 --> 00:01:40,960

very reason

46

00:01:44,870 --> 00:01:42,640

are trying to make sense of human

47

00:01:47,350 --> 00:01:44,880

capacities that apparently violate

48

00:01:49,429 --> 00:01:47,360

our notions of space-time altogether

49

00:01:50,069 --> 00:01:49,439

here i speak of various categories of

50

00:01:53,190 --> 00:01:50,079

so-called

51
00:01:56,709 --> 00:01:53,200
esp telepathy precognition

52
00:01:58,389 --> 00:01:56,719
clairvoyance and psychokinesis etc

53
00:02:01,510 --> 00:01:58,399
physics is grappling with equally

54
00:02:03,510 --> 00:02:01,520
baffling notions such as retrocausation

55
00:02:04,950 --> 00:02:03,520
where the future seemingly causes the

56
00:02:07,749 --> 00:02:04,960
past or at least

57
00:02:08,550 --> 00:02:07,759
where the arrow of time seems to operate

58
00:02:11,110 --> 00:02:08,560
equally well

59
00:02:12,550 --> 00:02:11,120
in both directions contrary to

60
00:02:13,990 --> 00:02:12,560
everything we've understood about the

61
00:02:17,830 --> 00:02:14,000
nature of reality

62
00:02:21,990 --> 00:02:20,229
tellingly several astute observers

63
00:02:24,150 --> 00:02:22,000

including pioneering researchers

64

00:02:25,589 --> 00:02:24,160

like dean raiden of the institute of

65

00:02:27,830 --> 00:02:25,599

noetic sciences

66

00:02:29,430 --> 00:02:27,840

have noticed striking parallels emerging

67

00:02:32,710 --> 00:02:29,440

between these various fields of

68

00:02:34,309 --> 00:02:32,720

inquiry specifically raiden and others

69

00:02:34,949 --> 00:02:34,319

have noted that the interconnected

70

00:02:37,350 --> 00:02:34,959

fabric of

71

00:02:38,869 --> 00:02:37,360

information that underlies the field of

72

00:02:41,670 --> 00:02:38,879

quantum mechanics

73

00:02:43,589 --> 00:02:41,680

bears remarkable similarity to the kind

74

00:02:44,550 --> 00:02:43,599

of fundamental structure that seemingly

75

00:02:46,869 --> 00:02:44,560

gives rise

76

00:02:48,470 --> 00:02:46,879

to phenomena plotted along the psi

77

00:02:50,470 --> 00:02:48,480

spectrum

78

00:02:52,309 --> 00:02:50,480

the essential question that arises from

79

00:02:54,550 --> 00:02:52,319

these fascinating observations

80

00:02:56,550 --> 00:02:54,560

is this what does this apparent

81

00:02:58,229 --> 00:02:56,560

crossover tell us about the nature of

82

00:02:59,750 --> 00:02:58,239

ultimate reality

83

00:03:01,589 --> 00:02:59,760

clearly what we're seeing here is

84

00:03:04,390 --> 00:03:01,599

evidence of a level of reality

85

00:03:05,509 --> 00:03:04,400

that is more informational and symbolic

86

00:03:08,630 --> 00:03:05,519

in nature

87

00:03:10,229 --> 00:03:08,640

and it is this substrate of reality that

88

00:03:12,229 --> 00:03:10,239

ultimately gives rise to what we

89

00:03:16,070 --> 00:03:12,239

consider the physical world

90

00:03:18,470 --> 00:03:16,080

the realm of matter and energy

91

00:03:19,910 --> 00:03:18,480

in what way are human beings operating

92

00:03:22,149 --> 00:03:19,920

usually unknowingly

93

00:03:23,990 --> 00:03:22,159

at this informational layer one that

94

00:03:25,270 --> 00:03:24,000

apparently exists beyond the constraints

95

00:03:27,589 --> 00:03:25,280

of space and time

96

00:03:29,589 --> 00:03:27,599

as we had traditionally understood them

97

00:03:32,949 --> 00:03:29,599

when we send messages to each other

98

00:03:33,509 --> 00:03:32,959

telepathically or when cia intelligence

99

00:03:35,990 --> 00:03:33,519

analysts

100

00:03:38,149 --> 00:03:36,000

employ the protocols of remote viewing

101
00:03:40,309 --> 00:03:38,159
to see into underground bases in the

102
00:03:42,309 --> 00:03:40,319
former soviet union

103
00:03:43,830 --> 00:03:42,319
furthermore in what way does this

104
00:03:45,910 --> 00:03:43,840
understanding of reality

105
00:03:48,390 --> 00:03:45,920
help to explain some of the more bizarre

106
00:03:50,309 --> 00:03:48,400
elements of the ufo phenomenon

107
00:03:52,869 --> 00:03:50,319
here we speak of events such as when

108
00:03:54,710 --> 00:03:52,879
people are passed through solid objects

109
00:03:56,789 --> 00:03:54,720
or when alien intelligences are

110
00:04:00,309 --> 00:03:56,799
apparently able to read the minds

111
00:04:01,910 --> 00:04:00,319
of abductees contactees and even see

112
00:04:04,149 --> 00:04:01,920
into their futures

113
00:04:06,309 --> 00:04:04,159

or how an alien species is able to

114

00:04:08,710 --> 00:04:06,319

traverse the immense distances

115

00:04:10,630 --> 00:04:08,720

involved in interstellar travel with

116

00:04:12,789 --> 00:04:10,640

relative ease

117

00:04:13,750 --> 00:04:12,799

the convergence of the fields we've just

118

00:04:16,870 --> 00:04:13,760

identified

119

00:04:18,390 --> 00:04:16,880

namely ufology parapsychology and

120

00:04:20,069 --> 00:04:18,400

quantum physics

121

00:04:22,150 --> 00:04:20,079

and the implications regarding the

122

00:04:24,710 --> 00:04:22,160

fundamental nature of reality

123

00:04:26,230 --> 00:04:24,720

that are arising as a result is the

124

00:04:28,550 --> 00:04:26,240

subject matter of this

125

00:04:33,140 --> 00:04:28,560

the 31st episode of the point of

126

00:04:39,670 --> 00:04:37,030

[Music]

127

00:04:41,749 --> 00:04:39,680

a couple of episodes ago i mentioned how

128

00:04:43,990 --> 00:04:41,759

i like to go back and forth between the

129

00:04:46,790 --> 00:04:44,000

micro and the macro perspective

130

00:04:48,710 --> 00:04:46,800

when it comes to the ufo phenomenon and

131

00:04:50,790 --> 00:04:48,720

larger questions about the nature of

132

00:04:53,350 --> 00:04:50,800

ultimate reality

133

00:04:53,830 --> 00:04:53,360

in this podcast i'd like to zoom back

134

00:04:56,310 --> 00:04:53,840

out

135

00:04:57,270 --> 00:04:56,320

take us to the macro perspective again

136

00:04:59,990 --> 00:04:57,280

and as i said

137

00:05:02,029 --> 00:05:00,000

talk about some of the crossover between

138

00:05:05,110 --> 00:05:02,039

fields such as ufology

139

00:05:07,110 --> 00:05:05,120

parapsychology and quantum physics

140

00:05:09,590 --> 00:05:07,120

the crossover really is telling us

141

00:05:11,430 --> 00:05:09,600

something fundamental about reality

142

00:05:13,430 --> 00:05:11,440

and the fact that we're seeing such

143

00:05:16,710 --> 00:05:13,440

similar kinds of phenomena

144

00:05:19,110 --> 00:05:16,720

arise in all three fields is remarkable

145

00:05:23,110 --> 00:05:19,120

and definitely telling something we

146

00:05:25,189 --> 00:05:23,120

should definitely be paying attention to

147

00:05:28,150 --> 00:05:25,199

so let's discuss some of the phenomena

148

00:05:31,350 --> 00:05:28,160

we see arising in each of these fields

149

00:05:32,950 --> 00:05:31,360

let's start with ufology one of the

150

00:05:33,909 --> 00:05:32,960

things that has been observed time and

151
00:05:35,990 --> 00:05:33,919
time again

152
00:05:38,070 --> 00:05:36,000
is human beings being passed through

153
00:05:41,350 --> 00:05:38,080
physical walls and

154
00:05:44,469 --> 00:05:41,360
human beings being levitated and

155
00:05:45,510 --> 00:05:44,479
supposed aliens passing through walls or

156
00:05:47,749 --> 00:05:45,520
even dissolving

157
00:05:49,590 --> 00:05:47,759
entire walls of a house so numerous

158
00:05:53,350 --> 00:05:49,600
beings can walk in

159
00:05:56,230 --> 00:05:53,360
so structures we think of as being solid

160
00:05:58,469 --> 00:05:56,240
seemingly are not for these others how

161
00:06:01,189 --> 00:05:58,479
are they accomplishing that

162
00:06:01,590 --> 00:06:01,199
we also see evidence of craft that can

163
00:06:04,629 --> 00:06:01,600

make

164

00:06:07,270 --> 00:06:04,639

90 degree turns on a dime which

165

00:06:09,749 --> 00:06:07,280

if a human being was piloting such craft

166

00:06:12,070 --> 00:06:09,759

would be crushed

167

00:06:13,430 --> 00:06:12,080

g-forces would be overwhelming how are

168

00:06:16,550 --> 00:06:13,440

these aliens

169

00:06:19,350 --> 00:06:16,560

doing this now even if they are being

170

00:06:20,070 --> 00:06:19,360

piloted remotely that there's no actual

171

00:06:22,710 --> 00:06:20,080

biological

172

00:06:24,790 --> 00:06:22,720

beings inside the craft they are still

173

00:06:26,870 --> 00:06:24,800

performing maneuvers that defy our

174

00:06:28,950 --> 00:06:26,880

current understanding of physics

175

00:06:30,710 --> 00:06:28,960

they seem to almost operate within

176

00:06:33,590 --> 00:06:30,720

bubbles of space-time

177

00:06:34,950 --> 00:06:33,600

isolated space-time isolated from the

178

00:06:38,230 --> 00:06:34,960

external environment

179

00:06:39,029 --> 00:06:38,240

of our atmosphere that's the ufo

180

00:06:40,749 --> 00:06:39,039

phenomenon

181

00:06:43,749 --> 00:06:40,759

now let's look at some examples in

182

00:06:49,430 --> 00:06:43,759

parapsychology

183

00:06:50,629 --> 00:06:49,440

traditionally includes phenomena such as

184

00:06:53,350 --> 00:06:50,639

telepathy

185

00:06:54,870 --> 00:06:53,360

precognition clairvoyance and

186

00:06:56,390 --> 00:06:54,880

telekinesis

187

00:06:58,230 --> 00:06:56,400

and because some people are more

188

00:07:00,230 --> 00:06:58,240

familiar with these terms than others

189

00:07:02,950 --> 00:07:00,240

i want to quickly go over what each of

190

00:07:05,589 --> 00:07:02,960

these represent what they mean

191

00:07:06,629 --> 00:07:05,599

telepathy first of all is mind to mind

192

00:07:09,350 --> 00:07:06,639

communication

193

00:07:09,990 --> 00:07:09,360

so no speech is involved no sight is

194

00:07:12,150 --> 00:07:10,000

involved

195

00:07:13,830 --> 00:07:12,160

none of our normal sense organs are used

196

00:07:16,950 --> 00:07:13,840

to pick up information

197

00:07:17,589 --> 00:07:16,960

and yet people can communicate thought

198

00:07:19,909 --> 00:07:17,599

to thought

199

00:07:20,629 --> 00:07:19,919

mind to mind information is passed

200

00:07:22,390 --> 00:07:20,639

somehow

201
00:07:24,710 --> 00:07:22,400
but not through any of our traditional

202
00:07:27,350 --> 00:07:24,720
sense organs

203
00:07:28,150 --> 00:07:27,360
next up we have precognition this one's

204
00:07:31,029 --> 00:07:28,160
fairly simple

205
00:07:32,710 --> 00:07:31,039
it's knowing the future ahead of time

206
00:07:34,230 --> 00:07:32,720
you're cognizing about something that

207
00:07:38,390 --> 00:07:34,240
hasn't happened yet

208
00:07:40,950 --> 00:07:38,400
hence pre-cognition clairvoyance

209
00:07:41,830 --> 00:07:40,960
is picking up information that is not

210
00:07:44,710 --> 00:07:41,840
immediately

211
00:07:46,790 --> 00:07:44,720
available to you so again remote viewing

212
00:07:47,430 --> 00:07:46,800
is one kind of clairvoyance these are

213
00:07:49,110 --> 00:07:47,440

specific

214

00:07:50,869 --> 00:07:49,120

protocols when we speak of remote

215

00:07:51,589 --> 00:07:50,879

viewing that were developed by the

216

00:07:54,070 --> 00:07:51,599

government

217

00:07:55,110 --> 00:07:54,080

to try and obtain information about

218

00:07:57,189 --> 00:07:55,120

sources that are

219

00:07:59,029 --> 00:07:57,199

non-local and as i mentioned in the

220

00:08:02,070 --> 00:07:59,039

introduction that would sometimes

221

00:08:04,469 --> 00:08:02,080

include psychic spies so-called

222

00:08:06,070 --> 00:08:04,479

looking into events going on in the

223

00:08:09,430 --> 00:08:06,080

soviet union

224

00:08:11,270 --> 00:08:09,440

but what's shocking about clairvoyance

225

00:08:13,909 --> 00:08:11,280

and even remote viewing which again is a

226

00:08:17,350 --> 00:08:13,919

more specific kind of clairvoyance

227

00:08:20,070 --> 00:08:17,360

information can supposedly be picked up

228

00:08:22,550 --> 00:08:20,080

regardless of how far away something is

229

00:08:24,469 --> 00:08:22,560

there have even been examples where

230

00:08:26,629 --> 00:08:24,479

analysts have picked up information

231

00:08:29,510 --> 00:08:26,639

about the planet mars

232

00:08:30,230 --> 00:08:29,520

furthermore time also does not seem to

233

00:08:32,310 --> 00:08:30,240

be an issue

234

00:08:34,149 --> 00:08:32,320

as i said in the introduction a lot of

235

00:08:37,110 --> 00:08:34,159

these phenomena seem to occur

236

00:08:38,070 --> 00:08:37,120

outside of space-time altogether and yes

237

00:08:41,029 --> 00:08:38,080

that means that

238

00:08:42,709 --> 00:08:41,039

via clairvoyance or remote viewing you

239

00:08:43,750 --> 00:08:42,719

could pick up information about the

240

00:08:47,030 --> 00:08:43,760

distant past

241

00:08:49,670 --> 00:08:47,040

or the distant future and finally

242

00:08:50,550 --> 00:08:49,680

telekinesis which is the manipulation of

243

00:08:53,750 --> 00:08:50,560

matter

244

00:08:56,389 --> 00:08:53,760

through pure intention through mind

245

00:08:58,550 --> 00:08:56,399

direct intention specifically that you

246

00:09:03,590 --> 00:08:58,560

can change matter in the physical world

247

00:09:08,550 --> 00:09:05,590

finally let's consider the revelations

248

00:09:10,630 --> 00:09:08,560

that arose in quantum physics and i say

249

00:09:12,949 --> 00:09:10,640

arose because this happened some time

250

00:09:15,509 --> 00:09:12,959

ago in fact many of the original

251
00:09:18,470 --> 00:09:15,519
observations that gave rise to the

252
00:09:21,750 --> 00:09:18,480
amazing revelations of quantum physics

253
00:09:24,230 --> 00:09:21,760
came about in the early 20th century

254
00:09:26,550 --> 00:09:24,240
so we've spent the next 100 years trying

255
00:09:29,750 --> 00:09:26,560
to grapple with these revelations

256
00:09:32,710 --> 00:09:29,760
trying to reconcile them with our

257
00:09:34,710 --> 00:09:32,720
classical understanding of physics when

258
00:09:35,990 --> 00:09:34,720
it comes to the quantum level of reality

259
00:09:38,949 --> 00:09:36,000
which is the very small

260
00:09:40,550 --> 00:09:38,959
scale of reality it seems like

261
00:09:44,070 --> 00:09:40,560
probability distributions

262
00:09:46,829 --> 00:09:44,080
hold sway rather than specific yes or no

263
00:09:48,710 --> 00:09:46,839

on or off one or zero kind of

264

00:09:50,630 --> 00:09:48,720

differentiations

265

00:09:52,230 --> 00:09:50,640

in other words something can be both a

266

00:09:54,150 --> 00:09:52,240

particle and a wave

267

00:09:55,990 --> 00:09:54,160

or more specifically it can be the

268

00:09:58,870 --> 00:09:56,000

potential of either

269

00:09:59,430 --> 00:09:58,880

and shockingly only when observation is

270

00:10:01,590 --> 00:09:59,440

made

271

00:10:02,790 --> 00:10:01,600

hence only when consciousness seemingly

272

00:10:05,990 --> 00:10:02,800

interacts

273

00:10:08,310 --> 00:10:06,000

with this probability distribution does

274

00:10:09,509 --> 00:10:08,320

a decision actually get rendered and

275

00:10:11,509 --> 00:10:09,519

then something

276

00:10:13,430 --> 00:10:11,519

collapses we have the collapse of the

277

00:10:14,069 --> 00:10:13,440

wave function as it's famously referred

278

00:10:17,110 --> 00:10:14,079

to

279

00:10:18,870 --> 00:10:17,120

and then and only then does that

280

00:10:20,949 --> 00:10:18,880

possibility

281

00:10:22,069 --> 00:10:20,959

resolve into one thing or another for

282

00:10:25,910 --> 00:10:22,079

instance a wave

283

00:10:26,790 --> 00:10:25,920

or a particle now even though i just

284

00:10:28,470 --> 00:10:26,800

gave examples

285

00:10:30,389 --> 00:10:28,480

in all three of those fields where we

286

00:10:32,389 --> 00:10:30,399

see striking crossover

287

00:10:34,150 --> 00:10:32,399

in terms of the manipulation or

288

00:10:36,310 --> 00:10:34,160

distortion of space-time

289

00:10:37,910 --> 00:10:36,320

sometimes the seemingly irrelevance of

290

00:10:40,470 --> 00:10:37,920

space-time altogether

291

00:10:41,030 --> 00:10:40,480

and we also see non-local effects in all

292

00:10:44,230 --> 00:10:41,040

three

293

00:10:45,750 --> 00:10:44,240

cases what's striking is that many many

294

00:10:48,790 --> 00:10:45,760

people in all three of those

295

00:10:50,550 --> 00:10:48,800

fields will simply ignore this data for

296

00:10:52,550 --> 00:10:50,560

instance in these sciences

297

00:10:54,069 --> 00:10:52,560

even though we've had the revelations of

298

00:10:57,030 --> 00:10:54,079

quantum experiments

299

00:10:58,949 --> 00:10:57,040

for over 100 years now many people will

300

00:11:01,829 --> 00:10:58,959

still either explain this away

301
00:11:03,750 --> 00:11:01,839
assume it only works on the micro scale

302
00:11:05,190 --> 00:11:03,760
of reality which kind of is a silly

303
00:11:07,269 --> 00:11:05,200
argument to make because it's still

304
00:11:09,190 --> 00:11:07,279
there we still have to account for it

305
00:11:11,190 --> 00:11:09,200
or they just hope that some way it'll go

306
00:11:13,750 --> 00:11:11,200
away someday

307
00:11:15,829 --> 00:11:13,760
in psychology the size spectrum

308
00:11:18,790 --> 00:11:15,839
experiments have also been

309
00:11:19,910 --> 00:11:18,800
done many many times and we find these

310
00:11:22,550 --> 00:11:19,920
real effects

311
00:11:23,670 --> 00:11:22,560
this significance really shows up over

312
00:11:26,230 --> 00:11:23,680
and over again

313
00:11:28,230 --> 00:11:26,240

that people really can know the future

314

00:11:29,910 --> 00:11:28,240

that people really can telepathically

315

00:11:32,470 --> 00:11:29,920

communicate with each other

316

00:11:34,310 --> 00:11:32,480

that psychokinesis where the mind really

317

00:11:36,790 --> 00:11:34,320

can affect the physical world

318

00:11:37,750 --> 00:11:36,800

all that has been documented time and

319

00:11:39,590 --> 00:11:37,760

time again

320

00:11:41,350 --> 00:11:39,600

by different researchers around the

321

00:11:43,509 --> 00:11:41,360

world and yet

322

00:11:45,350 --> 00:11:43,519

mainstream psychologists even are

323

00:11:46,870 --> 00:11:45,360

embarrassed by these results by these

324

00:11:48,150 --> 00:11:46,880

experiments because they want to be

325

00:11:51,350 --> 00:11:48,160

taken seriously

326

00:11:54,069 --> 00:11:51,360

by the other sciences so many again

327

00:11:55,430 --> 00:11:54,079

ignore it explain it away or assume

328

00:11:59,910 --> 00:11:55,440

sometimes that fraud

329

00:12:02,790 --> 00:11:59,920

is involved now speaking of parallels

330

00:12:03,670 --> 00:12:02,800

in the same way that psychologists are

331

00:12:06,870 --> 00:12:03,680

embarrassed

332

00:12:08,550 --> 00:12:06,880

by parapsychology we see something

333

00:12:11,509 --> 00:12:08,560

similar with ufology

334

00:12:13,110 --> 00:12:11,519

where nuts and bolts ufologists are

335

00:12:15,910 --> 00:12:13,120

embarrassed by

336

00:12:16,629 --> 00:12:15,920

the more psychological spiritual

337

00:12:19,590 --> 00:12:16,639

energetic

338

00:12:21,509 --> 00:12:19,600

aspects of the phenomenon that shows up

339

00:12:23,990 --> 00:12:21,519

in the data time and time again

340

00:12:24,870 --> 00:12:24,000

they would rather focus on nuts and

341

00:12:27,910 --> 00:12:24,880

bolts craft

342

00:12:29,550 --> 00:12:27,920

physical vehicles that are in our sky

343

00:12:31,590 --> 00:12:29,560

supposedly being piloted by

344

00:12:32,230 --> 00:12:31,600

extraterrestrials they'd rather leave it

345

00:12:33,590 --> 00:12:32,240

there

346

00:12:36,230 --> 00:12:33,600

because that's something that can be

347

00:12:37,990 --> 00:12:36,240

measured it is hard data that we can

348

00:12:40,230 --> 00:12:38,000

show to other scientists in other

349

00:12:42,069 --> 00:12:40,240

fields and hopefully get this field

350

00:12:44,230 --> 00:12:42,079

taken more seriously

351

00:12:45,269 --> 00:12:44,240

nevertheless the data is there there's

352

00:12:47,430 --> 00:12:45,279

much more than just

353

00:12:48,870 --> 00:12:47,440

physical craft in our skies although

354

00:12:51,269 --> 00:12:48,880

that is part of it

355

00:12:53,350 --> 00:12:51,279

but there's huge psychological effects

356

00:12:55,030 --> 00:12:53,360

there's huge psychic effects as

357

00:12:57,430 --> 00:12:55,040

valet and others have brought to our

358

00:12:59,910 --> 00:12:57,440

attention many many times

359

00:13:01,269 --> 00:12:59,920

and this seemingly goes back decades in

360

00:13:03,910 --> 00:13:01,279

fact many suggest

361

00:13:05,030 --> 00:13:03,920

that this may be a phenomenon that has

362

00:13:07,910 --> 00:13:05,040

been going on

363

00:13:08,710 --> 00:13:07,920

since time immemorial in other words

364

00:13:11,910 --> 00:13:08,720

what we're seeing

365

00:13:15,590 --> 00:13:11,920

is modern day experiences similar to

366

00:13:17,750 --> 00:13:15,600

akin to what our ancestors ran into

367

00:13:19,030 --> 00:13:17,760

when they encountered beings that have

368

00:13:22,870 --> 00:13:19,040

been long forgotten

369

00:13:25,829 --> 00:13:22,880

in the lore of distant history

370

00:13:26,310 --> 00:13:25,839

now while we have an impressive body of

371

00:13:29,190 --> 00:13:26,320

data

372

00:13:30,230 --> 00:13:29,200

when it comes to contact slash abduction

373

00:13:33,030 --> 00:13:30,240

experiences

374

00:13:34,230 --> 00:13:33,040

between human beings and these non-human

375

00:13:36,710 --> 00:13:34,240

others

376

00:13:37,750 --> 00:13:36,720

much of that information is admittedly

377

00:13:40,629 --> 00:13:37,760

anecdotal

378

00:13:42,230 --> 00:13:40,639

we do have physical aspects that show up

379

00:13:45,110 --> 00:13:42,240

scoop marks

380

00:13:47,030 --> 00:13:45,120

implantations things like that bruising

381

00:13:49,189 --> 00:13:47,040

sometimes healing

382

00:13:50,310 --> 00:13:49,199

nevertheless much of the information is

383

00:13:52,069 --> 00:13:50,320

anecdotal

384

00:13:53,910 --> 00:13:52,079

but this is where we can look to these

385

00:13:56,389 --> 00:13:53,920

other fields and

386

00:13:57,430 --> 00:13:56,399

see where we're seeing similar effects

387

00:14:00,949 --> 00:13:57,440

similar phenomena

388

00:14:03,269 --> 00:14:00,959

arise as i said phenomena that seemingly

389

00:14:05,350 --> 00:14:03,279

violate our assumptions about the way

390

00:14:07,590 --> 00:14:05,360

that reality is supposed to work

391

00:14:09,509 --> 00:14:07,600

and if we can see it happening there see

392

00:14:11,829 --> 00:14:09,519

how it's documented there

393

00:14:13,030 --> 00:14:11,839

then that gives us confidence that these

394

00:14:15,269 --> 00:14:13,040

anecdotal accounts

395

00:14:19,030 --> 00:14:15,279

really are touching on something real

396

00:14:22,470 --> 00:14:20,790

let me give you an example of the kind

397

00:14:24,310 --> 00:14:22,480

of data i'm talking about

398

00:14:25,509 --> 00:14:24,320

the kind of rigorous experimentation

399

00:14:27,430 --> 00:14:25,519

that has been done

400

00:14:29,269 --> 00:14:27,440

to demonstrate that this aspect of

401

00:14:31,910 --> 00:14:29,279

reality really is

402

00:14:32,470 --> 00:14:31,920

real i mentioned the figure of dean

403

00:14:34,949 --> 00:14:32,480

raiden

404

00:14:37,189 --> 00:14:34,959

he's been a pioneer in this field in

405

00:14:39,990 --> 00:14:37,199

looking into the psy phenomenon

406

00:14:42,069 --> 00:14:40,000

and he's done experiments that have

407

00:14:43,030 --> 00:14:42,079

demonstrated beyond a shadow of a doubt

408

00:14:45,430 --> 00:14:43,040

that this

409

00:14:46,870 --> 00:14:45,440

is real that these effects are real that

410

00:14:49,030 --> 00:14:46,880

they can be replicated

411

00:14:49,990 --> 00:14:49,040

just like any other kind of scientific

412

00:14:51,910 --> 00:14:50,000

experiment

413

00:14:53,350 --> 00:14:51,920

indeed other researchers have followed

414

00:14:56,389 --> 00:14:53,360

up his experiments

415

00:14:58,230 --> 00:14:56,399

and come to the same conclusions let me

416

00:15:00,069 --> 00:14:58,240

give you one example of a kind of

417

00:15:02,310 --> 00:15:00,079

experiment he did

418

00:15:04,870 --> 00:15:02,320

this one was to test whether or not

419

00:15:07,269 --> 00:15:04,880

human beings really do somehow

420

00:15:08,710 --> 00:15:07,279

pick up the future in other words they

421

00:15:09,189 --> 00:15:08,720

recognize something that's going to

422

00:15:13,350 --> 00:15:09,199

happen

423

00:15:16,389 --> 00:15:13,360

sounds crazy

424

00:15:18,629 --> 00:15:16,399

it sounds absurd and yet we have data

425

00:15:20,949 --> 00:15:18,639

showing this is indeed the case

426
00:15:22,310 --> 00:15:20,959
data that's very difficult to argue with

427
00:15:23,509 --> 00:15:22,320
because it's been through rigorous

428
00:15:27,110 --> 00:15:23,519
controls

429
00:15:28,710 --> 00:15:27,120
in thorough scientific environments

430
00:15:30,949 --> 00:15:28,720
the specific experiment i'd like to

431
00:15:33,670 --> 00:15:30,959
bring to your attention is where

432
00:15:34,949 --> 00:15:33,680
a series of images were pre-loaded on a

433
00:15:37,030 --> 00:15:34,959
computer system

434
00:15:38,550 --> 00:15:37,040
and then randomly at the very last

435
00:15:39,990 --> 00:15:38,560
minute the computer system would

436
00:15:42,310 --> 00:15:40,000
randomly select one

437
00:15:44,790 --> 00:15:42,320
of these images to present to a human

438
00:15:47,590 --> 00:15:44,800

being that was watching a screen

439

00:15:49,509 --> 00:15:47,600

again none of the researchers nor the

440

00:15:51,910 --> 00:15:49,519

subjects involved in the study

441

00:15:53,990 --> 00:15:51,920

knew what the next photo would be of

442

00:15:56,629 --> 00:15:54,000

even the computer didn't know it was a

443

00:15:58,550 --> 00:15:56,639

function that randomly picked an image

444

00:16:01,110 --> 00:15:58,560

right before it was shown

445

00:16:02,230 --> 00:16:01,120

some of these images were calming and

446

00:16:05,269 --> 00:16:02,240

some were

447

00:16:09,590 --> 00:16:05,279

more startling what was interesting

448

00:16:12,710 --> 00:16:09,600

is human beings showed bodily reactions

449

00:16:15,189 --> 00:16:12,720

just before the images were shown

450

00:16:17,509 --> 00:16:15,199

so let me make that clear even before

451
00:16:20,389 --> 00:16:17,519
the images showed up on the screen

452
00:16:22,230 --> 00:16:20,399
the human body would show effects

453
00:16:24,550 --> 00:16:22,240
suggesting they knew

454
00:16:25,990 --> 00:16:24,560
exactly what kind of image was going to

455
00:16:28,710 --> 00:16:26,000
show up in other words

456
00:16:29,430 --> 00:16:28,720
if it was a startling image then their

457
00:16:32,310 --> 00:16:29,440
body

458
00:16:34,389 --> 00:16:32,320
their somatic response would show that

459
00:16:36,629 --> 00:16:34,399
through things like pupil dilation

460
00:16:38,949 --> 00:16:36,639
and skin conduction and this happened

461
00:16:40,870 --> 00:16:38,959
just before the image came on the screen

462
00:16:42,389 --> 00:16:40,880
this was the case both for calming and

463
00:16:45,030 --> 00:16:42,399

startling images

464

00:16:46,790 --> 00:16:45,040

that different responses arose and this

465

00:16:49,670 --> 00:16:46,800

happened time and time again

466

00:16:50,310 --> 00:16:49,680

for subject after subject this tells us

467

00:16:52,310 --> 00:16:50,320

somehow

468

00:16:54,069 --> 00:16:52,320

even before we can cognize it before we

469

00:16:56,710 --> 00:16:54,079

can think about it

470

00:16:57,990 --> 00:16:56,720

something in our body in fact numerous

471

00:17:00,629 --> 00:16:58,000

aspects of our body

472

00:17:01,910 --> 00:17:00,639

know this is going to happen we somehow

473

00:17:06,789 --> 00:17:01,920

on some level

474

00:17:11,189 --> 00:17:08,870

now just to be clear from the

475

00:17:13,350 --> 00:17:11,199

perspective of scientific materialism

476
00:17:16,069 --> 00:17:13,360
which is the world view the paradigm

477
00:17:17,270 --> 00:17:16,079
that holds sway in western civilization

478
00:17:19,429 --> 00:17:17,280
today

479
00:17:21,829 --> 00:17:19,439
these kinds of events are virtually

480
00:17:23,750 --> 00:17:21,839
impossible to explain

481
00:17:26,150 --> 00:17:23,760
for instance with parapsychology and the

482
00:17:28,230 --> 00:17:26,160
kind of experiments i just described

483
00:17:30,230 --> 00:17:28,240
we're only supposed to be able to obtain

484
00:17:33,350 --> 00:17:30,240
information through our sensory

485
00:17:35,909 --> 00:17:33,360
apparati are hearing are seeing

486
00:17:37,430 --> 00:17:35,919
are smelling things like that and we

487
00:17:38,230 --> 00:17:37,440
should never be able to obtain

488
00:17:41,510 --> 00:17:38,240

information

489

00:17:46,870 --> 00:17:41,520

about the future that just doesn't jive

490

00:17:49,750 --> 00:17:46,880

with scientific materialism whatsoever

491

00:17:51,029 --> 00:17:49,760

now speaking of scientific materialism

492

00:17:53,990 --> 00:17:51,039

something else it really

493

00:17:54,950 --> 00:17:54,000

wrestles with trying to explain is

494

00:17:56,789 --> 00:17:54,960

consciousness

495

00:17:58,390 --> 00:17:56,799

which of course is probably the most

496

00:17:59,190 --> 00:17:58,400

important thing in the world you could

497

00:18:00,789 --> 00:17:59,200

argue

498

00:18:02,630 --> 00:18:00,799

if we weren't conscious if we didn't

499

00:18:03,350 --> 00:18:02,640

have awareness then we wouldn't be

500

00:18:06,390 --> 00:18:03,360

experiencing

501
00:18:08,390 --> 00:18:06,400
anything science wouldn't exist nothing

502
00:18:11,430 --> 00:18:08,400
would exist in terms of the endeavors we

503
00:18:13,510 --> 00:18:11,440
engage in to try and understand reality

504
00:18:14,870 --> 00:18:13,520
consciousness of course is essential to

505
00:18:16,470 --> 00:18:14,880
understand

506
00:18:18,710 --> 00:18:16,480
if we really want to claim that we

507
00:18:21,190 --> 00:18:18,720
understand reality at all

508
00:18:21,990 --> 00:18:21,200
and yet scientific materialism cannot

509
00:18:24,390 --> 00:18:22,000
explain

510
00:18:25,990 --> 00:18:24,400
consciousness you'll get a kind of

511
00:18:27,750 --> 00:18:26,000
promissory note that says

512
00:18:29,750 --> 00:18:27,760
one day we trust we'll be able to

513
00:18:30,549 --> 00:18:29,760

explain it through purely physical

514

00:18:34,230 --> 00:18:30,559

processes

515

00:18:36,310 --> 00:18:34,240

of a warm wet brain

516

00:18:37,830 --> 00:18:36,320

and yet that hasn't been the case so far

517

00:18:40,710 --> 00:18:37,840

in fact they're not even close

518

00:18:45,029 --> 00:18:40,720

there's really no working theory to try

519

00:18:50,310 --> 00:18:47,750

now very quickly i'd like to give you a

520

00:18:52,470 --> 00:18:50,320

picture of how reductive materialism

521

00:18:53,669 --> 00:18:52,480

thinks about reality i want you to

522

00:18:55,590 --> 00:18:53,679

picture a pyramid

523

00:18:57,430 --> 00:18:55,600

and on the root level of the pyramid the

524

00:19:00,310 --> 00:18:57,440

first layer you have

525

00:19:02,630 --> 00:19:00,320

physics just above there moving up in

526

00:19:05,430 --> 00:19:02,640

this pyramid you have chemistry

527

00:19:06,070 --> 00:19:05,440

then biology then psychology and then

528

00:19:08,870 --> 00:19:06,080

finally

529

00:19:10,870 --> 00:19:08,880

consciousness so from reductive

530

00:19:12,789 --> 00:19:10,880

materialism's point of view

531

00:19:14,150 --> 00:19:12,799

consciousness is merely an epi

532

00:19:16,710 --> 00:19:14,160

phenomenon that is

533

00:19:18,470 --> 00:19:16,720

a secondary effect or byproduct that

534

00:19:21,350 --> 00:19:18,480

arises from but does not

535

00:19:22,070 --> 00:19:21,360

causally influence a process in other

536

00:19:25,029 --> 00:19:22,080

words

537

00:19:26,470 --> 00:19:25,039

consciousness is merely a byproduct of a

538

00:19:29,510 --> 00:19:26,480

hot wet brain

539

00:19:32,549 --> 00:19:29,520
from a biological machine that's been

540

00:19:35,190 --> 00:19:32,559
put together by the sort of random

541

00:19:36,070 --> 00:19:35,200
firings of an evolutionary process

542

00:19:38,310 --> 00:19:36,080
that's the way that

543

00:19:39,990 --> 00:19:38,320
scientific materialism looks at the

544

00:19:42,549 --> 00:19:40,000
arising of consciousness

545

00:19:43,190 --> 00:19:42,559
that it's basically meaningless beyond

546

00:19:46,789 --> 00:19:43,200
that very

547

00:19:47,750 --> 00:19:46,799
limited role now what dean raiden would

548

00:19:50,150 --> 00:19:47,760
like to suggest

549

00:19:51,270 --> 00:19:50,160
is that the phenomena we see in

550

00:19:54,150 --> 00:19:51,280
parapsychology

551
00:19:55,909 --> 00:19:54,160
and quantum physics and such suggests

552
00:19:59,590 --> 00:19:55,919
that there is actually a layer

553
00:20:01,830 --> 00:19:59,600
below physics and while some people

554
00:20:03,909 --> 00:20:01,840
complain when they listen to raiden

555
00:20:06,390 --> 00:20:03,919
saying listen we'd have to rewrite

556
00:20:08,630 --> 00:20:06,400
all of the textbooks throughout history

557
00:20:11,029 --> 00:20:08,640
describing how reality works

558
00:20:11,909 --> 00:20:11,039
what raiden says is no we don't actually

559
00:20:14,710 --> 00:20:11,919
have to

560
00:20:15,190 --> 00:20:14,720
most of it's correct that what's amazing

561
00:20:17,750 --> 00:20:15,200
about

562
00:20:18,630 --> 00:20:17,760
science is that it has been remarkably

563
00:20:21,190 --> 00:20:18,640

capable

564

00:20:21,990 --> 00:20:21,200

of making predictions about reality that

565

00:20:24,470 --> 00:20:22,000

we can

566

00:20:26,630 --> 00:20:24,480

hold to that are trustworthy it's

567

00:20:28,630 --> 00:20:26,640

develop the modern world

568

00:20:29,830 --> 00:20:28,640

all he says we need to do is take

569

00:20:32,149 --> 00:20:29,840

consciousness

570

00:20:33,750 --> 00:20:32,159

which reductive materialism assumes is

571

00:20:36,070 --> 00:20:33,760

an epiphenomenon

572

00:20:38,149 --> 00:20:36,080

that arises at the top of the pyramid

573

00:20:40,789 --> 00:20:38,159

and put it at the very root

574

00:20:41,510 --> 00:20:40,799

if consciousness is primary and from

575

00:20:44,149 --> 00:20:41,520

there

576
00:20:46,870 --> 00:20:44,159
you have the arising of physics and then

577
00:20:50,070 --> 00:20:46,880
chemistry and then biology etc

578
00:20:51,750 --> 00:20:50,080
then everything makes sense in fact the

579
00:20:54,230 --> 00:20:51,760
very kind of phenomena we see

580
00:20:54,789 --> 00:20:54,240
in parapsychology quantum physics and

581
00:20:57,029 --> 00:20:54,799
even

582
00:20:58,630 --> 00:20:57,039
in the ufo phenomenon would be

583
00:21:01,270 --> 00:20:58,640
completely expected

584
00:21:04,789 --> 00:21:01,280
if this was actually how reality was

585
00:21:08,870 --> 00:21:06,630
so let's talk about some specific

586
00:21:10,149 --> 00:21:08,880
examples that describe how this vision

587
00:21:12,230 --> 00:21:10,159
of reality that

588
00:21:13,350 --> 00:21:12,240

people like raiden put forward where

589

00:21:15,990 --> 00:21:13,360

consciousness is

590

00:21:17,830 --> 00:21:16,000

primary and that below the physical

591

00:21:20,950 --> 00:21:17,840

structure of reality you have a more

592

00:21:22,710 --> 00:21:20,960

informational or symbolic aspect

593

00:21:24,390 --> 00:21:22,720

how that could actually give rise the

594

00:21:26,390 --> 00:21:24,400

phenomena we see

595

00:21:29,750 --> 00:21:26,400

in the ufo phenomenon and in

596

00:21:31,110 --> 00:21:29,760

parapsychology and in quantum physics

597

00:21:32,950 --> 00:21:31,120

let's start with something like

598

00:21:36,149 --> 00:21:32,960

psychokinesis which again

599

00:21:37,110 --> 00:21:36,159

is where mind impacts the physical world

600

00:21:39,510 --> 00:21:37,120

directly

601
00:21:41,750 --> 00:21:39,520
just by intending with our minds we

602
00:21:43,510 --> 00:21:41,760
somehow change the physical world

603
00:21:45,909 --> 00:21:43,520
for instance through spoon bending that

604
00:21:48,950 --> 00:21:45,919
would be an example

605
00:21:52,149 --> 00:21:48,960
now we know already with quantum physics

606
00:21:54,070 --> 00:21:52,159
that consciousness is what seemingly

607
00:21:56,549 --> 00:21:54,080
collapses the wave function

608
00:21:58,630 --> 00:21:56,559
that decides whether something ends up

609
00:21:59,909 --> 00:21:58,640
being a particle or a wave

610
00:22:01,990 --> 00:21:59,919
that before that it's just a

611
00:22:05,029 --> 00:22:02,000
potentiality of both

612
00:22:06,390 --> 00:22:05,039
but consciousness the intention of

613
00:22:09,270 --> 00:22:06,400

someone observing

614

00:22:10,470 --> 00:22:09,280

is what actually makes that become one

615

00:22:12,789 --> 00:22:10,480

or the other

616

00:22:14,470 --> 00:22:12,799

in other words consciousness is

617

00:22:16,470 --> 00:22:14,480

impacting reality

618

00:22:17,669 --> 00:22:16,480

is impacting physical reality well when

619

00:22:20,230 --> 00:22:17,679

you think about it

620

00:22:22,070 --> 00:22:20,240

that's exactly what psychokinesis is

621

00:22:23,029 --> 00:22:22,080

it's that same experiment that double

622

00:22:26,470 --> 00:22:23,039

slit experiment

623

00:22:27,190 --> 00:22:26,480

scaled up or somehow the intention of an

624

00:22:29,029 --> 00:22:27,200

observer

625

00:22:34,789 --> 00:22:29,039

consciousness itself is somehow

626
00:22:38,789 --> 00:22:37,430
now let's discuss another phenomena that

627
00:22:40,630 --> 00:22:38,799
would arise

628
00:22:42,390 --> 00:22:40,640
if really this is how reality is put

629
00:22:45,750 --> 00:22:42,400
together

630
00:22:48,870 --> 00:22:45,760
earlier on we talked about abductees

631
00:22:52,310 --> 00:22:48,880
contactees coming into contact with the

632
00:22:54,630 --> 00:22:52,320
others and learning about their future

633
00:22:55,350 --> 00:22:54,640
somehow these others know things about

634
00:22:57,669 --> 00:22:55,360
our future

635
00:22:58,950 --> 00:22:57,679
how can that be the case and it goes

636
00:23:01,909 --> 00:22:58,960
further than that

637
00:23:03,190 --> 00:23:01,919
sometimes people when they're in contact

638
00:23:05,110 --> 00:23:03,200

with these others they're in that

639

00:23:06,310 --> 00:23:05,120

alternate realm that alternate state of

640

00:23:08,950 --> 00:23:06,320

consciousness

641

00:23:09,590 --> 00:23:08,960

sometimes they just come into contact on

642

00:23:11,669 --> 00:23:09,600

their own

643

00:23:13,830 --> 00:23:11,679

with a larger sense of who they are

644

00:23:16,230 --> 00:23:13,840

including their future

645

00:23:17,990 --> 00:23:16,240

how could this be the case and even

646

00:23:19,430 --> 00:23:18,000

beyond that let's take it outside the

647

00:23:21,029 --> 00:23:19,440

ufo phenomenon

648

00:23:22,789 --> 00:23:21,039

even people who have near-death

649

00:23:24,630 --> 00:23:22,799

experiences report this

650

00:23:26,149 --> 00:23:24,640

they sometimes will know things about

651
00:23:29,510 --> 00:23:26,159
their future

652
00:23:32,149 --> 00:23:29,520
how is this the case well again

653
00:23:32,789 --> 00:23:32,159
if reality the one that we usually move

654
00:23:35,110 --> 00:23:32,799
through

655
00:23:36,149 --> 00:23:35,120
in our day-to-day lives in this 3d plus

656
00:23:38,870 --> 00:23:36,159
one world

657
00:23:40,070 --> 00:23:38,880
is actually a hologram then this gives

658
00:23:42,789 --> 00:23:40,080
us the illusion

659
00:23:45,350 --> 00:23:42,799
of the arrow of time meaning moving from

660
00:23:47,669 --> 00:23:45,360
past to present to future

661
00:23:49,990 --> 00:23:47,679
now an advanced non-human intelligence

662
00:23:52,870 --> 00:23:50,000
could look at the

663
00:23:54,789 --> 00:23:52,880

hologram from any angle any perspective

664

00:23:57,510 --> 00:23:54,799

and by looking at the hologram

665

00:23:58,950 --> 00:23:57,520

at different angles you see what to us

666

00:24:01,590 --> 00:23:58,960

would seem like our past

667

00:24:03,590 --> 00:24:01,600

present and future when you move through

668

00:24:06,149 --> 00:24:03,600

the hologram in a certain way

669

00:24:06,630 --> 00:24:06,159

a certain finite way you only get one

670

00:24:08,789 --> 00:24:06,640

image

671

00:24:10,789 --> 00:24:08,799

after another after another but if you

672

00:24:11,990 --> 00:24:10,799

see the hologram in its totality and you

673

00:24:13,669 --> 00:24:12,000

can

674

00:24:15,430 --> 00:24:13,679

navigate around it and see it from

675

00:24:17,669 --> 00:24:15,440

different angles then you're going to be

676
00:24:19,830 --> 00:24:17,679
able to access what we would consider

677
00:24:21,190 --> 00:24:19,840
the past the present or the future

678
00:24:23,190 --> 00:24:21,200
because again really

679
00:24:25,110 --> 00:24:23,200
it's all one thing it's just the way

680
00:24:26,950 --> 00:24:25,120
that we happen to

681
00:24:28,390 --> 00:24:26,960
navigate through that hologram that

682
00:24:30,390 --> 00:24:28,400
gives us the illusion

683
00:24:32,230 --> 00:24:30,400
of the arrow of time and of our

684
00:24:35,909 --> 00:24:32,240
experience of moving from the past to

685
00:24:39,590 --> 00:24:37,750
let's talk about another data point

686
00:24:41,590 --> 00:24:39,600
within the ufo phenomenon

687
00:24:42,789 --> 00:24:41,600
that makes almost zero sense from the

688
00:24:44,950 --> 00:24:42,799

perspective of

689

00:24:47,590 --> 00:24:44,960

mainstream science but that makes

690

00:24:50,630 --> 00:24:47,600

perfect sense when you see the reality

691

00:24:53,830 --> 00:24:50,640

where consciousness is primary

692

00:24:57,430 --> 00:24:53,840

and there's a substrate of informational

693

00:24:59,590 --> 00:24:57,440

symbolic kind of coding below the

694

00:25:02,950 --> 00:24:59,600

physical structure

695

00:25:05,190 --> 00:25:02,960

now astrophysicists balk at the idea

696

00:25:06,070 --> 00:25:05,200

that alien intelligences could be

697

00:25:07,990 --> 00:25:06,080

traveling

698

00:25:09,590 --> 00:25:08,000

the vast distances involved in

699

00:25:12,390 --> 00:25:09,600

interstellar travel

700

00:25:14,710 --> 00:25:12,400

they balk at that because even if you

701
00:25:17,269 --> 00:25:14,720
had spacecraft approaching the speed of

702
00:25:20,230 --> 00:25:17,279
light or even at the speed of light

703
00:25:21,029 --> 00:25:20,240
the time frames are so immense because

704
00:25:22,950 --> 00:25:21,039
again

705
00:25:24,789 --> 00:25:22,960
the distances involved are so

706
00:25:27,430 --> 00:25:24,799
astronomical the different

707
00:25:28,950 --> 00:25:27,440
galaxies and star systems are so far

708
00:25:31,909 --> 00:25:28,960
apart

709
00:25:34,549 --> 00:25:31,919
now if there's an informational symbolic

710
00:25:36,549 --> 00:25:34,559
aspect of reality below the physical

711
00:25:38,789 --> 00:25:36,559
and if consciousness especially if it's

712
00:25:41,510 --> 00:25:38,799
resonating at a high enough level

713
00:25:43,830 --> 00:25:41,520

is able to directly manipulate that

714

00:25:46,230 --> 00:25:43,840

quantum level of information

715

00:25:46,870 --> 00:25:46,240

then you could have a species that is

716

00:25:49,750 --> 00:25:46,880

able to

717

00:25:50,950 --> 00:25:49,760

almost instantaneously move from some

718

00:25:54,470 --> 00:25:50,960

distant galaxy

719

00:25:56,310 --> 00:25:54,480

to here because they are not using

720

00:25:57,990 --> 00:25:56,320

mass they are not actually moving

721

00:26:01,029 --> 00:25:58,000

physical spacecraft

722

00:26:03,190 --> 00:26:01,039

rather they are manipulating the quantum

723

00:26:05,590 --> 00:26:03,200

information the informational layer the

724

00:26:06,230 --> 00:26:05,600

coding layer of reality and in that

725

00:26:09,190 --> 00:26:06,240

sense

726

00:26:10,390 --> 00:26:09,200

they only manifest the mass of a

727

00:26:12,470 --> 00:26:10,400

spacecraft

728

00:26:14,310 --> 00:26:12,480

when they manifest in our physical

729

00:26:17,269 --> 00:26:14,320

reality here on the earth

730

00:26:18,630 --> 00:26:17,279

and in that sense suddenly that vast

731

00:26:22,470 --> 00:26:18,640

interstellar travel

732

00:26:26,149 --> 00:26:24,549

on previous podcast episodes i've

733

00:26:27,110 --> 00:26:26,159

discussed different stages of

734

00:26:29,510 --> 00:26:27,120

consciousness

735

00:26:30,549 --> 00:26:29,520

different developmental levels that both

736

00:26:33,430 --> 00:26:30,559

individuals

737

00:26:35,110 --> 00:26:33,440

and human societies go through and i

738

00:26:38,470 --> 00:26:35,120

also discussed how

739

00:26:41,430 --> 00:26:38,480

these stages all within the first tier

740

00:26:42,710 --> 00:26:41,440

tend to reject and completely want to

741

00:26:45,029 --> 00:26:42,720

supersede

742

00:26:46,549 --> 00:26:45,039

the paradigm the worldview they're

743

00:26:48,789 --> 00:26:46,559

replacing

744

00:26:50,070 --> 00:26:48,799

so when we had the scientific revolution

745

00:26:52,710 --> 00:26:50,080

as much as it was

746

00:26:54,549 --> 00:26:52,720

hugely beneficial to humankind and

747

00:26:56,390 --> 00:26:54,559

brought about the modern world we all

748

00:26:58,630 --> 00:26:56,400

exist in today where we have

749

00:26:59,750 --> 00:26:58,640

much longer lifespans where we have

750

00:27:02,310 --> 00:26:59,760

modern technology

751
00:27:03,510 --> 00:27:02,320
where we have much better healthcare

752
00:27:06,149 --> 00:27:03,520
nevertheless

753
00:27:07,110 --> 00:27:06,159
part of the casualty of that revolution

754
00:27:10,230 --> 00:27:07,120
was our loss

755
00:27:12,390 --> 00:27:10,240
of the information from distant lore

756
00:27:14,070 --> 00:27:12,400
all of our deep spiritual traditions

757
00:27:16,070 --> 00:27:14,080
were largely rejected by

758
00:27:17,510 --> 00:27:16,080
scientific materialism they were

759
00:27:20,149 --> 00:27:17,520
rejected as

760
00:27:21,029 --> 00:27:20,159
not referencing reality in any way

761
00:27:23,269 --> 00:27:21,039
whatsoever

762
00:27:24,870 --> 00:27:23,279
it was assumed that those traditions

763
00:27:25,510 --> 00:27:24,880

were working on a kind of magical

764

00:27:28,630 --> 00:27:25,520

thinking

765

00:27:30,389 --> 00:27:28,640

that wasn't based on reality

766

00:27:31,750 --> 00:27:30,399

yet what we're seeing and what we're

767

00:27:33,350 --> 00:27:31,760

describing today

768

00:27:35,190 --> 00:27:33,360

sounds a lot like some of what was

769

00:27:36,389 --> 00:27:35,200

described in some of those ancient

770

00:27:38,710 --> 00:27:36,399

traditions

771

00:27:41,590 --> 00:27:38,720

you think about the akashic records

772

00:27:44,549 --> 00:27:41,600

which is supposedly referring to some

773

00:27:44,870 --> 00:27:44,559

informational layer of reality that can

774

00:27:47,029 --> 00:27:44,880

be

775

00:27:48,870 --> 00:27:47,039

accessed through practices like

776

00:27:50,789 --> 00:27:48,880

meditation for instance

777

00:27:51,990 --> 00:27:50,799

now that sounds an awful lot like the

778

00:27:54,149 --> 00:27:52,000

informational layer

779

00:27:56,950 --> 00:27:54,159

at a quantum level that we're talking

780

00:28:01,190 --> 00:27:58,870

and this is a good reminder to each of

781

00:28:01,990 --> 00:28:01,200

us that when a new paradigm comes online

782

00:28:04,630 --> 00:28:02,000

when we discover

783

00:28:05,750 --> 00:28:04,640

new aspects of reality what we want to

784

00:28:08,470 --> 00:28:05,760

do ideally

785

00:28:09,669 --> 00:28:08,480

is transcend and include the previous

786

00:28:12,070 --> 00:28:09,679

paradigm

787

00:28:13,590 --> 00:28:12,080

the old truths don't suddenly become

788

00:28:15,909 --> 00:28:13,600

completely irrelevant

789

00:28:16,950 --> 00:28:15,919

it's more like a spiral that expands

790

00:28:19,110 --> 00:28:16,960

ever outward

791

00:28:21,510 --> 00:28:19,120

where we have more information but it

792

00:28:23,669 --> 00:28:21,520

still contains the previous information

793

00:28:24,549 --> 00:28:23,679

so transcend and include that's

794

00:28:26,870 --> 00:28:24,559

essential

795

00:28:30,389 --> 00:28:26,880

for us to have a more holistic view

796

00:28:31,669 --> 00:28:30,399

about reality

797

00:28:33,750 --> 00:28:31,679

and now i'd like to leave you with a

798

00:28:37,029 --> 00:28:33,760

couple of concluding thoughts

799

00:28:39,510 --> 00:28:37,039

first off let me offer this quote

800

00:28:40,149 --> 00:28:39,520

consciousness is a singular of which the

801
00:28:44,070 --> 00:28:40,159
plural

802
00:28:45,190 --> 00:28:44,080
is unknown i wonder who wrote that was

803
00:28:47,350 --> 00:28:45,200
it perhaps a poet

804
00:28:50,389 --> 00:28:47,360
was it perhaps a new age guru living in

805
00:28:52,549 --> 00:28:50,399
san francisco in the 1960s

806
00:28:53,510 --> 00:28:52,559
no in fact that is a quote from a man

807
00:28:57,669 --> 00:28:53,520
named erwin

808
00:29:00,230 --> 00:28:57,679
schrodinger who was a quantum physicist

809
00:29:00,870 --> 00:29:00,240
in fact he is known as one of the

810
00:29:04,070 --> 00:29:00,880
fathers

811
00:29:09,669 --> 00:29:06,630
you see schrodinger who was one of the

812
00:29:12,950 --> 00:29:09,679
pioneers of the very quantum experiments

813
00:29:13,909 --> 00:29:12,960

that i discussed earlier understood the

814

00:29:17,190 --> 00:29:13,919

implication

815

00:29:19,190 --> 00:29:17,200

he understood that consciousness must be

816

00:29:19,669 --> 00:29:19,200

primary that's the only way to make

817

00:29:22,710 --> 00:29:19,679

sense

818

00:29:23,350 --> 00:29:22,720

of the data now the quote i offered

819

00:29:26,310 --> 00:29:23,360

earlier

820

00:29:26,870 --> 00:29:26,320

was partial the full quote goes like

821

00:29:29,830 --> 00:29:26,880

this

822

00:29:32,070 --> 00:29:29,840

quote consciousness is a singular of

823

00:29:34,389 --> 00:29:32,080

which the plural is unknown

824

00:29:35,990 --> 00:29:34,399

there is only one thing and that which

825

00:29:38,710 --> 00:29:36,000

seems to be plurality

826
00:29:40,230 --> 00:29:38,720
is merely a series of different aspects

827
00:29:43,510 --> 00:29:40,240
of this one thing

828
00:29:46,950 --> 00:29:43,520
produced by a deception the indian maya

829
00:29:49,510 --> 00:29:46,960
as in a gallery of mirrors unquote

830
00:29:51,190 --> 00:29:49,520
so interestingly here schrodinger is

831
00:29:52,950 --> 00:29:51,200
referring to one of these ancient

832
00:29:55,350 --> 00:29:52,960
spiritual traditions

833
00:29:56,950 --> 00:29:55,360
and saying that whenever we have duality

834
00:29:57,750 --> 00:29:56,960
whenever we think we're separate from

835
00:30:00,950 --> 00:29:57,760
each other

836
00:30:03,510 --> 00:30:00,960
or from grey aliens or anything else we

837
00:30:04,149 --> 00:30:03,520
are deluded that actually everything is

838
00:30:08,950 --> 00:30:04,159

one

839

00:30:11,110 --> 00:30:08,960

and consciousness is primary

840

00:30:12,789 --> 00:30:11,120

and this revelation sheds light on the

841

00:30:15,269 --> 00:30:12,799

reason why i assume

842

00:30:15,909 --> 00:30:15,279

highly advanced alien species in our

843

00:30:17,830 --> 00:30:15,919

midst

844

00:30:19,669 --> 00:30:17,840

will be coming in a spirit of

845

00:30:22,549 --> 00:30:19,679

brotherhood sisterhood

846

00:30:23,350 --> 00:30:22,559

cooperation peace because they would

847

00:30:26,230 --> 00:30:23,360

recognize

848

00:30:26,549 --> 00:30:26,240

much more than we simple primitives do

849

00:30:31,190 --> 00:30:26,559

that

850

00:30:33,909 --> 00:30:31,200

separate one entity from another

851
00:30:35,990 --> 00:30:33,919
to hurt another entity another species

852
00:30:38,310 --> 00:30:36,000
is to ultimately hurt yourself

853
00:30:39,190 --> 00:30:38,320
because all that ultimately exists is

854
00:30:42,470 --> 00:30:39,200
the capital

855
00:30:44,549 --> 00:30:42,480
s self capital c consciousness

856
00:30:46,710 --> 00:30:44,559
where everything is entangled where

857
00:30:49,750 --> 00:30:46,720
ultimately everything is revealed

858
00:30:52,630 --> 00:30:49,760
as different aspects of the very same

859
00:30:56,230 --> 00:30:55,110
and on that note we've come to the close

860
00:30:59,029 --> 00:30:56,240
of another edition

861
00:30:59,669 --> 00:30:59,039
of the point of convergence podcast as

862
00:31:01,909 --> 00:30:59,679
always

863
00:31:03,110 --> 00:31:01,919

let's keep this conversation going and

864

00:31:05,190 --> 00:31:03,120

growing

865

00:31:06,710 --> 00:31:05,200

but until next time friends from deep

866

00:31:09,990 --> 00:31:06,720

within the blue ridge mountains

867

00:31:19,830 --> 00:31:10,000

of north carolina this is exo academian
