

Point of Convergence

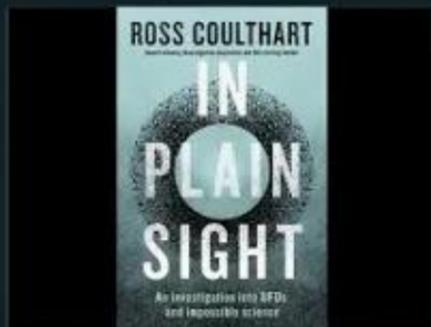

PODCAST

Hosted by ExoAcademician

EPISODE #32

*UFOs in the Mainstream:
Discussing Ross Coulthart's
New Book, In Plain Sight*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,830 --> 00:00:08,390

[Music]

2
00:00:12,070 --> 00:00:09,270

hello

3
00:00:14,150 --> 00:00:12,080

and welcome to episode number 32 of the

4
00:00:18,790 --> 00:00:14,160

point of convergence podcast

5
00:00:20,870 --> 00:00:18,800

as always i am your host exo academian

6
00:00:23,109 --> 00:00:20,880

for those of us intimately familiar with

7
00:00:25,029 --> 00:00:23,119

the details of the ufo phenomenon

8
00:00:26,470 --> 00:00:25,039

it has been exciting to see both our

9
00:00:28,630 --> 00:00:26,480

elected officials

10
00:00:30,870 --> 00:00:28,640

some of them anyway and the public at

11
00:00:32,790 --> 00:00:30,880

large some of it anyway

12
00:00:34,310 --> 00:00:32,800

finally beginning to take the entire

13
00:00:36,549 --> 00:00:34,320

matter seriously

14

00:00:38,790 --> 00:00:36,559

to us the notion that the human race is

15

00:00:39,670 --> 00:00:38,800

not only not the only true intelligent

16

00:00:42,069 --> 00:00:39,680

species

17

00:00:44,389 --> 00:00:42,079

in the cosmic neighborhood but perhaps

18

00:00:46,869 --> 00:00:44,399

playing second fiddle to intelligences

19

00:00:49,270 --> 00:00:46,879

so advanced that they run circles around

20

00:00:51,590 --> 00:00:49,280

both our most state-of-the-art aircraft

21

00:00:53,590 --> 00:00:51,600

and seemingly around our very ability to

22

00:00:54,310 --> 00:00:53,600

perceive and discern the reality around

23

00:00:59,029 --> 00:00:54,320

us

24

00:01:00,709 --> 00:00:59,039

should be the story of the century

25

00:01:02,869 --> 00:01:00,719

add in the fact that a close and

26
00:01:03,590 --> 00:01:02,879
exhaustive reading of our distant human

27
00:01:05,429 --> 00:01:03,600
lore

28
00:01:07,590 --> 00:01:05,439
suggests that human beings may have been

29
00:01:09,990 --> 00:01:07,600
interacting with these intelligences

30
00:01:11,270 --> 00:01:10,000
since basically the very beginning of

31
00:01:13,350 --> 00:01:11,280
the very beginning

32
00:01:15,429 --> 00:01:13,360
and that perhaps the very meaning models

33
00:01:17,270 --> 00:01:15,439
we look to to make sense of the world

34
00:01:20,149 --> 00:01:17,280
here i speak of our religious traditions

35
00:01:20,950 --> 00:01:20,159
etc may have been spawned by these very

36
00:01:22,950 --> 00:01:20,960
others

37
00:01:23,990 --> 00:01:22,960
this quickly becomes not just the story

38
00:01:26,469 --> 00:01:24,000

of the century

39

00:01:27,990 --> 00:01:26,479

but of all time who wouldn't want to

40

00:01:28,710 --> 00:01:28,000

delve into the very depths of this

41

00:01:31,910 --> 00:01:28,720

subject

42

00:01:32,710 --> 00:01:31,920

investigating every nook and cranny well

43

00:01:34,149 --> 00:01:32,720

as i say

44

00:01:35,830 --> 00:01:34,159

while the public and our elected

45

00:01:37,350 --> 00:01:35,840

officials have a long way to go in

46

00:01:39,990 --> 00:01:37,360

really becoming familiar

47

00:01:42,069 --> 00:01:40,000

with the nuance history of this topic

48

00:01:44,710 --> 00:01:42,079

the conversation has begun

49

00:01:47,670 --> 00:01:44,720

undoubtedly so largely spurred by

50

00:01:49,429 --> 00:01:47,680

revelations that emerged in 2017

51
00:01:54,149 --> 00:01:49,439
and have been rolling out at a fairly

52
00:01:56,310 --> 00:01:54,159
steady clip ever since

53
00:01:58,709 --> 00:01:56,320
this past week marks another important

54
00:02:00,230 --> 00:01:58,719
milestone in that march towards growing

55
00:02:03,270 --> 00:02:00,240
public awareness that

56
00:02:05,270 --> 00:02:03,280
one hopes might lead eventually to the

57
00:02:06,149 --> 00:02:05,280
disclosure many of us have been waiting

58
00:02:07,990 --> 00:02:06,159
for

59
00:02:09,510 --> 00:02:08,000
here i speak of the publication of the

60
00:02:11,990 --> 00:02:09,520
book in plain sight

61
00:02:13,670 --> 00:02:12,000
an investigation into ufos and

62
00:02:16,070 --> 00:02:13,680
impossible science

63
00:02:17,430 --> 00:02:16,080

by award-winning veteran investigative

64

00:02:20,710 --> 00:02:17,440

australian journalist

65

00:02:23,190 --> 00:02:20,720

ross coulthart in the line of books by

66

00:02:25,670 --> 00:02:23,200

american journalists such as leslie kane

67

00:02:27,750 --> 00:02:25,680

and ralph blumenthal this book seeks to

68

00:02:28,710 --> 00:02:27,760

take a nuanced historically rich

69

00:02:31,270 --> 00:02:28,720

discussion

70

00:02:35,110 --> 00:02:31,280

about the ufo phenomenon right into the

71

00:02:36,790 --> 00:02:35,120

town square of public conversation

72

00:02:38,229 --> 00:02:36,800

while there may have been more books

73

00:02:40,949 --> 00:02:38,239

written about ufos and

74

00:02:42,390 --> 00:02:40,959

alien contact than grains of sand on

75

00:02:45,190 --> 00:02:42,400

your local beach

76

00:02:47,190 --> 00:02:45,200

this new release by coldheart is special

77

00:02:48,550 --> 00:02:47,200

because it has the opportunity to reach

78

00:02:50,949 --> 00:02:48,560

a much more mainstream

79

00:02:52,390 --> 00:02:50,959

audience not the least of which includes

80

00:02:54,630 --> 00:02:52,400

cooltart's professional

81

00:02:56,630 --> 00:02:54,640

colleagues in the up until now

82

00:02:57,910 --> 00:02:56,640

notoriously dismissive field of

83

00:02:59,430 --> 00:02:57,920

journalism

84

00:03:01,509 --> 00:02:59,440

in other words this book has the

85

00:03:03,270 --> 00:03:01,519

potential to take a subject that has

86

00:03:03,990 --> 00:03:03,280

been gaining steam over the last few

87

00:03:06,070 --> 00:03:04,000

years

88

00:03:07,670 --> 00:03:06,080

and elevate it into the stratosphere of

89

00:03:09,110 --> 00:03:07,680

public conversation

90

00:03:11,350 --> 00:03:09,120

and that is something to be excited

91

00:03:13,430 --> 00:03:11,360

about to be sure

92

00:03:15,509 --> 00:03:13,440

furthermore what gives this book even

93

00:03:17,509 --> 00:03:15,519

more teeth one might say

94

00:03:20,229 --> 00:03:17,519

is that ross coldheart has done his

95

00:03:22,869 --> 00:03:20,239

homework he's taken years to carefully

96

00:03:25,110 --> 00:03:22,879

meticulously craft a book that not only

97

00:03:26,869 --> 00:03:25,120

accurately depicts ufo events

98

00:03:28,390 --> 00:03:26,879

throughout the course of history

99

00:03:29,350 --> 00:03:28,400

including events from his native

100

00:03:31,270 --> 00:03:29,360

australia

101
00:03:32,550 --> 00:03:31,280
that many american audiences will have

102
00:03:34,470 --> 00:03:32,560
never heard about

103
00:03:35,990 --> 00:03:34,480
but he has done so with a depth of

104
00:03:38,390 --> 00:03:36,000
penetrating analysis

105
00:03:39,030 --> 00:03:38,400
that makes apparent to even a naive

106
00:03:41,589 --> 00:03:39,040
reader

107
00:03:42,630 --> 00:03:41,599
just how shocking preposterous and

108
00:03:44,789 --> 00:03:42,640
disturbing

109
00:03:46,470 --> 00:03:44,799
the government treatment and cover-up of

110
00:03:48,390 --> 00:03:46,480
this essential topic

111
00:03:51,509 --> 00:03:48,400
has been over the course of the last

112
00:03:53,509 --> 00:03:51,519
eight decades or so

113
00:03:55,750 --> 00:03:53,519

not shying away from delving into even

114

00:03:58,229 --> 00:03:55,760

the most controversial but compelling

115

00:04:01,270 --> 00:03:58,239

aspects of the history of this topic

116

00:04:03,270 --> 00:04:01,280

including crashed and landed retrievals

117

00:04:06,070 --> 00:04:03,280

of apparently alien vehicles

118

00:04:07,990 --> 00:04:06,080

and their non-human pilots cool tart has

119

00:04:09,670 --> 00:04:08,000

put together an exemplary reed

120

00:04:11,589 --> 00:04:09,680

that has the potential to serve the

121

00:04:12,470 --> 00:04:11,599

cause of pushing the rock of

122

00:04:14,949 --> 00:04:12,480

confirmation

123

00:04:17,110 --> 00:04:14,959

and eventually perhaps disclosure over

124

00:04:19,189 --> 00:04:17,120

that proverbial hill

125

00:04:21,590 --> 00:04:19,199

coulthard himself finishes his book by

126

00:04:23,110 --> 00:04:21,600

claiming we may seemingly be at the cusp

127

00:04:25,030 --> 00:04:23,120

of a public revelation

128

00:04:28,150 --> 00:04:25,040

that has the potential to change the

129

00:04:30,469 --> 00:04:28,160

world ross coulthart's stellar new book

130

00:04:31,430 --> 00:04:30,479

in plain sight an investigation into

131

00:04:33,909 --> 00:04:31,440

ufos

132

00:04:34,469 --> 00:04:33,919

and impossible science and the shocking

133

00:04:37,030 --> 00:04:34,479

events

134

00:04:38,150 --> 00:04:37,040

from our shared history it uncovers of

135

00:04:40,469 --> 00:04:38,160

the topic of this

136

00:04:44,950 --> 00:04:40,479

the 32nd episode of the point of

137

00:04:51,030 --> 00:04:49,030

[Music]

138

00:04:52,070 --> 00:04:51,040

as we begin this week's episode i would

139

00:04:54,469 --> 00:04:52,080

just like to say

140

00:04:55,270 --> 00:04:54,479

go and buy this book it is a compelling

141

00:04:57,670 --> 00:04:55,280

read

142

00:04:58,710 --> 00:04:57,680

and we want to support people like ross

143

00:05:00,310 --> 00:04:58,720

coulthart

144

00:05:02,310 --> 00:05:00,320

investigative journalists coming from

145

00:05:03,270 --> 00:05:02,320

the mainstream who are willing to tackle

146

00:05:06,550 --> 00:05:03,280

this topic

147

00:05:09,110 --> 00:05:06,560

head on in a really serious way that's

148

00:05:11,430 --> 00:05:09,120

exactly what ross has done

149

00:05:13,350 --> 00:05:11,440

many who have touched on this topic in a

150

00:05:16,390 --> 00:05:13,360

cursory kind of way from the mainstream

151

00:05:18,950 --> 00:05:16,400

previously often gloss over it they

152

00:05:21,189 --> 00:05:18,960

don't really pick up on the implications

153

00:05:22,790 --> 00:05:21,199

one has to really dig deep and read

154

00:05:23,990 --> 00:05:22,800

between the lines because again the

155

00:05:26,390 --> 00:05:24,000

government has not been

156

00:05:28,070 --> 00:05:26,400

forthcoming historically about its

157

00:05:29,189 --> 00:05:28,080

knowledge and involvement with this

158

00:05:32,070 --> 00:05:29,199

topic

159

00:05:32,950 --> 00:05:32,080

one really does have to dig ross has

160

00:05:35,189 --> 00:05:32,960

done that

161

00:05:36,950 --> 00:05:35,199

he's used his seasoned understanding of

162

00:05:38,710 --> 00:05:36,960

how to really dig deep

163

00:05:40,390 --> 00:05:38,720

when you're trying to uncover truth that

164

00:05:42,629 --> 00:05:40,400

is buried deliberately

165

00:05:43,830 --> 00:05:42,639

by governments and he's come up with

166

00:05:47,909 --> 00:05:43,840

some amazing

167

00:05:50,830 --> 00:05:47,919

details this is all in his book

168

00:05:52,950 --> 00:05:50,840

in plain sight excellent book go and buy

169

00:05:54,790 --> 00:05:52,960

it

170

00:05:57,350 --> 00:05:54,800

coldheart coming from mainstream

171

00:05:59,189 --> 00:05:57,360

journalism is in a unique position

172

00:06:01,430 --> 00:05:59,199

to see how this topic has been viewed

173

00:06:03,909 --> 00:06:01,440

historically both in the public

174

00:06:05,189 --> 00:06:03,919

and in domains such as academia and

175

00:06:07,350 --> 00:06:05,199

journalism

176

00:06:09,110 --> 00:06:07,360

he acknowledges he has seen time and

177

00:06:12,870 --> 00:06:09,120

time again that this topic

178

00:06:14,469 --> 00:06:12,880

is the great taboo he writes quote

179

00:06:16,309 --> 00:06:14,479

polls show more than two-thirds of

180

00:06:18,309 --> 00:06:16,319

americans believe the u.s government

181

00:06:20,790 --> 00:06:18,319

knows more than it is letting on

182

00:06:23,110 --> 00:06:20,800

about the phenomenon although to be sure

183

00:06:24,870 --> 00:06:23,120

that does not make their belief true

184

00:06:26,629 --> 00:06:24,880

an enormous number of people believe

185

00:06:28,670 --> 00:06:26,639

there is a vast conspiracy at the

186

00:06:31,430 --> 00:06:28,680

highest levels of the u.s

187

00:06:32,150 --> 00:06:31,440

military-industrial complex concealing

188

00:06:34,790 --> 00:06:32,160

recovered

189

00:06:37,029 --> 00:06:34,800

extraterrestrial craft and perhaps even

190

00:06:39,590 --> 00:06:37,039

the existence of aliens

191

00:06:40,870 --> 00:06:39,600

i suspect scientists reluctance to

192

00:06:41,909 --> 00:06:40,880

intellectually engage with the

193

00:06:43,749 --> 00:06:41,919

phenomenon

194

00:06:46,550 --> 00:06:43,759

and their quick dismissal of any

195

00:06:49,430 --> 00:06:46,560

incidents without serious investigation

196

00:06:51,749 --> 00:06:49,440

accompanied by ridicule and mockery is

197

00:06:52,950 --> 00:06:51,759

actually encouraging this conspiratorial

198

00:06:54,950 --> 00:06:52,960

thinking

199

00:06:56,230 --> 00:06:54,960

in mainstream journalism the dominant

200

00:06:58,629 --> 00:06:56,240

view has always been

201
00:07:00,790 --> 00:06:58,639
and generally continues to be that such

202
00:07:03,670 --> 00:07:00,800
notions of dark conspiracies

203
00:07:04,710 --> 00:07:03,680
are batshit crazy and heaven help you if

204
00:07:07,909 --> 00:07:04,720
you transgress

205
00:07:11,909 --> 00:07:10,950
unquote for many americans as well as

206
00:07:13,589 --> 00:07:11,919
non-americans

207
00:07:16,150 --> 00:07:13,599
used to seeing this topic covered

208
00:07:18,230 --> 00:07:16,160
through the lens of american history

209
00:07:19,510 --> 00:07:18,240
it can be revelatory to see just how

210
00:07:21,909 --> 00:07:19,520
much these events

211
00:07:23,430 --> 00:07:21,919
have been happening historically right

212
00:07:25,670 --> 00:07:23,440
around the world

213
00:07:26,469 --> 00:07:25,680

cool tart gives many of us a new glimpse

214

00:07:28,309 --> 00:07:26,479

into events

215

00:07:29,510 --> 00:07:28,319

that were happening for instance in

216

00:07:31,430 --> 00:07:29,520

australia

217

00:07:32,710 --> 00:07:31,440

just prior to and sometimes

218

00:07:34,790 --> 00:07:32,720

contemporaneous

219

00:07:36,070 --> 00:07:34,800

to famous events happening in the united

220

00:07:38,390 --> 00:07:36,080

states

221

00:07:40,629 --> 00:07:38,400

from his book i quote again quote

222

00:07:42,070 --> 00:07:40,639

strange objects were also being seen in

223

00:07:44,629 --> 00:07:42,080

the southern hemisphere

224

00:07:46,950 --> 00:07:44,639

in february 1947 there were three

225

00:07:48,950 --> 00:07:46,960

independent and well-verified sightings

226

00:07:51,670 --> 00:07:48,960

of a formation of five egg-shaped

227

00:07:52,950 --> 00:07:51,680

wingless and tailless craft flying over

228

00:07:55,909 --> 00:07:52,960

southern australia

229

00:07:57,589 --> 00:07:55,919

which defied official explanation a

230

00:08:00,550 --> 00:07:57,599

farmer on south australia's

231

00:08:01,110 --> 00:08:00,560

ahri peninsula reported seeing five

232

00:08:03,909 --> 00:08:01,120

strange

233

00:08:05,589 --> 00:08:03,919

oblong shaped objects with narrow points

234

00:08:08,629 --> 00:08:05,599

coming up out of the sea

235

00:08:09,990 --> 00:08:08,639

with a smoky grayish color around them i

236

00:08:12,309 --> 00:08:10,000

saw them quite plainly

237

00:08:13,990 --> 00:08:12,319

a mr flabble told the adelaide

238

00:08:15,749 --> 00:08:14,000

advertiser newspaper

239

00:08:17,990 --> 00:08:15,759

they seemed to be floating in the air

240

00:08:19,110 --> 00:08:18,000

from northwest to southeast and caused a

241

00:08:21,350 --> 00:08:19,120

shadow

242

00:08:23,830 --> 00:08:21,360

his account corroborated another made

243

00:08:26,710 --> 00:08:23,840

earlier by workmen at port augusta

244

00:08:27,589 --> 00:08:26,720

260 kilometers northeast who also

245

00:08:30,150 --> 00:08:27,599

reported seeing

246

00:08:31,110 --> 00:08:30,160

five white egg-shaped objects flying in

247

00:08:35,990 --> 00:08:31,120

formation

248

00:08:39,269 --> 00:08:37,829

and now jumping to a later section of

249

00:08:41,750 --> 00:08:39,279

the same part of the book

250

00:08:42,949 --> 00:08:41,760

quote the third sighting of a formation

251
00:08:45,829 --> 00:08:42,959
of five weird

252
00:08:46,790 --> 00:08:45,839
high-speed egg-shaped uaps came two

253
00:08:49,190 --> 00:08:46,800
months later

254
00:08:50,470 --> 00:08:49,200
a thousand kilometers east in new south

255
00:08:53,590 --> 00:08:50,480
wales

256
00:08:56,710 --> 00:08:53,600
a golden-3 farmer working on his rice

257
00:08:57,990 --> 00:08:56,720
harvest looked up to also see five metal

258
00:09:00,070 --> 00:08:58,000
bodies flying in v

259
00:09:01,670 --> 00:09:00,080
formation with the sun glistening on

260
00:09:04,630 --> 00:09:01,680
them the farmer

261
00:09:06,630 --> 00:09:04,640
a mr nettlebeck reportedly estimated the

262
00:09:07,750 --> 00:09:06,640
speed at about one thousand miles an

263
00:09:10,070 --> 00:09:07,760

hour

264

00:09:11,590 --> 00:09:10,080

a curious coincidence indeed that three

265

00:09:14,389 --> 00:09:11,600

separate sets of witnesses

266

00:09:14,790 --> 00:09:14,399

independently saw a similar formation of

267

00:09:17,110 --> 00:09:14,800

five

268

00:09:18,230 --> 00:09:17,120

high-speed egg-shaped objects in

269

00:09:21,190 --> 00:09:18,240

different locations

270

00:09:22,870 --> 00:09:21,200

over 1200 kilometers apart across

271

00:09:25,590 --> 00:09:22,880

southern australia

272

00:09:28,310 --> 00:09:25,600

these events also all happen just before

273

00:09:30,949 --> 00:09:28,320

a citing event in new mexico usa

274

00:09:31,910 --> 00:09:30,959

that for many is the origin myth of the

275

00:09:34,710 --> 00:09:31,920

great modern

276

00:09:35,750 --> 00:09:34,720

extraterrestrial conspiracy theory

277

00:09:41,350 --> 00:09:35,760

roswell

278

00:09:43,110 --> 00:09:41,360

cool tart points out that part of what

279

00:09:45,269 --> 00:09:43,120

has only served to feed

280

00:09:47,030 --> 00:09:45,279

not put out the fire of controversy

281

00:09:48,710 --> 00:09:47,040

around what really happened there

282

00:09:50,070 --> 00:09:48,720

is the fact that the u.s government

283

00:09:53,430 --> 00:09:50,080

continues to change

284

00:09:54,790 --> 00:09:53,440

its account of what happened now i don't

285

00:09:56,710 --> 00:09:54,800

want to get too far into the weeds of

286

00:09:59,190 --> 00:09:56,720

the roswell event because that can be an

287

00:10:02,310 --> 00:09:59,200

entire podcast episode on its own

288

00:10:04,949 --> 00:10:02,320

and in fact will be in the coming weeks

289

00:10:06,630 --> 00:10:04,959

but i would like to recount here what

290

00:10:09,430 --> 00:10:06,640

cool tart has to say

291

00:10:11,990 --> 00:10:09,440

quote the strangest irony of the roswell

292

00:10:12,790 --> 00:10:12,000

affair is that the u.s military's clumsy

293

00:10:15,350 --> 00:10:12,800

response

294

00:10:17,190 --> 00:10:15,360

did much to encourage the perception in

295

00:10:18,550 --> 00:10:17,200

the minds of a substantial portion of

296

00:10:20,310 --> 00:10:18,560

the american public

297

00:10:22,949 --> 00:10:20,320

that there was indeed some kind of

298

00:10:23,990 --> 00:10:22,959

cover-up this is because the u.s air

299

00:10:26,550 --> 00:10:24,000

force has given

300

00:10:28,790 --> 00:10:26,560

four different explanations for what

301
00:10:32,870 --> 00:10:28,800
supposedly happened at roswell

302
00:10:36,389 --> 00:10:32,880
in 1947. officials definitely lied

303
00:10:40,470 --> 00:10:36,399
and covered up the big question is why

304
00:10:42,230 --> 00:10:40,480
unquote thus begins the astounding

305
00:10:43,990 --> 00:10:42,240
historical trend where the u.s

306
00:10:46,230 --> 00:10:44,000
government did its damndest

307
00:10:47,269 --> 00:10:46,240
to downplay and dismiss the ufo

308
00:10:50,389 --> 00:10:47,279
phenomenon

309
00:10:53,110 --> 00:10:50,399
while it simultaneously and covertly

310
00:10:54,949 --> 00:10:53,120
continue to ramp up its intense interest

311
00:10:57,509 --> 00:10:54,959
and study of it

312
00:11:00,069 --> 00:10:57,519
quoting from the book again quote so

313
00:11:03,030 --> 00:11:00,079

began a curious practice that continued

314

00:11:05,110 --> 00:11:03,040

for decades whereby the u.s air force

315

00:11:08,310 --> 00:11:05,120

publicly and aggressively

316

00:11:10,150 --> 00:11:08,320

debunked all uap sightings but inside

317

00:11:11,030 --> 00:11:10,160

america's military and intelligence

318

00:11:13,430 --> 00:11:11,040

services

319

00:11:14,710 --> 00:11:13,440

the issue was actually being taken very

320

00:11:17,590 --> 00:11:14,720

seriously

321

00:11:19,350 --> 00:11:17,600

in late 1949 the air force office of

322

00:11:21,670 --> 00:11:19,360

special investigations

323

00:11:23,110 --> 00:11:21,680

investigating green fireballs seen over

324

00:11:24,949 --> 00:11:23,120

military sites

325

00:11:26,230 --> 00:11:24,959

confidentially reported that the

326

00:11:28,870 --> 00:11:26,240

continued occurrence

327

00:11:30,550 --> 00:11:28,880

of unexplained phenomena of this nature

328

00:11:31,750 --> 00:11:30,560

in the vicinity of sensitive

329

00:11:35,430 --> 00:11:31,760

installations

330

00:11:37,430 --> 00:11:35,440

is cause for concern sightings reports

331

00:11:41,670 --> 00:11:37,440

kept on flooding into the military

332

00:11:43,829 --> 00:11:41,680

especially after marine corps veteran

333

00:11:46,310 --> 00:11:43,839

donald kehoe published his dramatic

334

00:11:48,790 --> 00:11:46,320

article flying saucers are real

335

00:11:50,790 --> 00:11:48,800

in the popular men's magazine true in

336

00:11:52,470 --> 00:11:50,800

late 1949.

337

00:11:54,949 --> 00:11:52,480

in his best-selling book of the same

338

00:11:56,470 --> 00:11:54,959

name he claimed the u.s air force knew

339

00:11:57,590 --> 00:11:56,480

that the mystery objects were

340

00:11:59,670 --> 00:11:57,600

extraterrestrial

341

00:12:01,590 --> 00:11:59,680

but that it was playing down reports to

342

00:12:03,670 --> 00:12:01,600

avoid a public panic

343

00:12:05,910 --> 00:12:03,680

in an apparent attempt to quell public

344

00:12:08,310 --> 00:12:05,920

interest the air force's first

345

00:12:09,030 --> 00:12:08,320

project grudge report was published soon

346

00:12:10,389 --> 00:12:09,040

after

347

00:12:12,230 --> 00:12:10,399

announcing that it would stop

348

00:12:13,030 --> 00:12:12,240

investigating unidentified flying

349

00:12:15,190 --> 00:12:13,040

objects

350

00:12:16,310 --> 00:12:15,200

and asserting that all such sightings

351

00:12:18,670 --> 00:12:16,320

were the result of

352

00:12:20,710 --> 00:12:18,680

mass hysteria hoaxes or the

353

00:12:24,310 --> 00:12:20,720

misinterpretation of conventional

354

00:12:27,269 --> 00:12:24,320

objects project grudge was ostensibly

355

00:12:27,509 --> 00:12:27,279

still seriously investigating ufos but

356

00:12:29,750 --> 00:12:27,519

as

357

00:12:30,550 --> 00:12:29,760

project insider edward rupelt later

358

00:12:32,710 --> 00:12:30,560

asserted

359

00:12:35,110 --> 00:12:32,720

there was a widespread view that project

360

00:12:40,629 --> 00:12:35,120

grudge was operating under a directive

361

00:12:44,949 --> 00:12:43,269

as i mentioned earlier while again much

362

00:12:46,389 --> 00:12:44,959

of the literature on the history of the

363

00:12:48,230 --> 00:12:46,399

ufo phenomenon

364

00:12:49,829 --> 00:12:48,240

tends to focus on what has happened in

365

00:12:52,069 --> 00:12:49,839

the united states

366

00:12:53,750 --> 00:12:52,079

cool tart reminds us that this was and

367

00:12:56,710 --> 00:12:53,760

of course continues to be

368

00:12:57,670 --> 00:12:56,720

a worldwide phenomenon quoting from his

369

00:13:00,470 --> 00:12:57,680

book again

370

00:13:02,230 --> 00:13:00,480

quote while the u.s air force's project

371

00:13:03,190 --> 00:13:02,240

blue book investigation was still

372

00:13:05,590 --> 00:13:03,200

ramping up

373

00:13:07,190 --> 00:13:05,600

uaps were unhelpfully frustrating

374

00:13:10,230 --> 00:13:07,200

official efforts to suppress

375

00:13:12,310 --> 00:13:10,240

interest in them by regularly showing up

376
00:13:13,670 --> 00:13:12,320
over sensitive defense sites or buzzing

377
00:13:16,389 --> 00:13:13,680
civilian aircraft in

378
00:13:16,870 --> 00:13:16,399
other parts of the world behind the iron

379
00:13:19,110 --> 00:13:16,880
curtain

380
00:13:20,710 --> 00:13:19,120
the subject of ufos had initially been

381
00:13:22,790 --> 00:13:20,720
greeted with derision

382
00:13:25,030 --> 00:13:22,800
the kremlin's tactic was to publicly

383
00:13:27,750 --> 00:13:25,040
debunk all such sightings

384
00:13:29,110 --> 00:13:27,760
however soviet pilots were also seeing

385
00:13:30,710 --> 00:13:29,120
strange things

386
00:13:32,150 --> 00:13:30,720
although the reports were being

387
00:13:35,750 --> 00:13:32,160
suppressed

388
00:13:37,509 --> 00:13:35,760

in 1955 on a visit to the soviet union

389

00:13:39,509 --> 00:13:37,519

the united states senator richard

390

00:13:40,870 --> 00:13:39,519

russell the head of the powerful armed

391

00:13:42,590 --> 00:13:40,880

services committee

392

00:13:44,310 --> 00:13:42,600

looked out of his train window in the

393

00:13:46,470 --> 00:13:44,320

trans-caucasus region

394

00:13:48,710 --> 00:13:46,480

to see a disc shaped object slowly

395

00:13:50,949 --> 00:13:48,720

ascending vertically with its outer

396

00:13:52,949 --> 00:13:50,959

surface revolving slowly and with two

397

00:13:54,870 --> 00:13:52,959

lights visible on the top

398

00:13:56,389 --> 00:13:54,880

it sped off when it hit about six

399

00:13:58,550 --> 00:13:56,399

thousand feet

400

00:14:00,829 --> 00:13:58,560

as russell and his staffer watched one

401
00:14:02,150 --> 00:14:00,839
minute later another craft made the same

402
00:14:04,150 --> 00:14:02,160
maneuver

403
00:14:06,230 --> 00:14:04,160
panicked soviet staff on the train

404
00:14:07,189 --> 00:14:06,240
reportedly shut the curtains across the

405
00:14:09,509 --> 00:14:07,199
train window

406
00:14:11,350 --> 00:14:09,519
and told the senator and his colleagues

407
00:14:14,790 --> 00:14:11,360
not to look outside again

408
00:14:19,430 --> 00:14:17,030
one aspect of cool tarts journalism that

409
00:14:21,670 --> 00:14:19,440
i really appreciate and respect

410
00:14:23,990 --> 00:14:21,680
is that he is actually suspicious of

411
00:14:26,389 --> 00:14:24,000
mass conspiracy stories

412
00:14:29,030 --> 00:14:26,399
he knows by experience that actually

413
00:14:32,230 --> 00:14:29,040

people don't hold secrets for very long

414

00:14:34,710 --> 00:14:32,240

especially large groups of people now

415

00:14:36,710 --> 00:14:34,720

speaking of conspiracies though one of

416

00:14:38,470 --> 00:14:36,720

the questions that arises from many

417

00:14:40,870 --> 00:14:38,480

people when they consider a possible

418

00:14:42,949 --> 00:14:40,880

long-term conspiracy of cover-up within

419

00:14:44,550 --> 00:14:42,959

the u.s and other governments

420

00:14:47,030 --> 00:14:44,560

is how would that kind of secret

421

00:14:49,189 --> 00:14:47,040

possibly be kept wrapped up

422

00:14:50,870 --> 00:14:49,199

wouldn't say an elected official like a

423

00:14:52,230 --> 00:14:50,880

president the supposed leader of

424

00:14:54,310 --> 00:14:52,240

american government

425

00:14:55,430 --> 00:14:54,320

when briefed on such matters decide

426

00:14:58,230 --> 00:14:55,440

enough is enough

427

00:14:58,949 --> 00:14:58,240

let's take this truth to the people well

428

00:15:02,069 --> 00:14:58,959

alas

429

00:15:04,069 --> 00:15:02,079

it's not that simple what we find is a

430

00:15:05,829 --> 00:15:04,079

siloing of information

431

00:15:07,670 --> 00:15:05,839

we're talking about the strictest form

432

00:15:10,310 --> 00:15:07,680

of compartmentalization

433

00:15:12,069 --> 00:15:10,320

where very very few people are even made

434

00:15:15,189 --> 00:15:12,079

aware of the existence

435

00:15:17,269 --> 00:15:15,199

of such programs indeed coolant

436

00:15:19,990 --> 00:15:17,279

recounts one historical occurrence

437

00:15:22,069 --> 00:15:20,000

when incoming president jimmy carter

438

00:15:24,310 --> 00:15:22,079

famous of course partly for having had

439

00:15:25,750 --> 00:15:24,320

his own personal ufo sighting

440

00:15:30,150 --> 00:15:25,760

sought to learn more about the

441

00:15:34,389 --> 00:15:32,389

quoting from the book again quote

442

00:15:34,949 --> 00:15:34,399

according to celebrated civil rights

443

00:15:37,829 --> 00:15:34,959

attorney

444

00:15:39,030 --> 00:15:37,839

daniel sheehan before carter's january

445

00:15:40,790 --> 00:15:39,040

inauguration

446

00:15:42,550 --> 00:15:40,800

he sought a meeting with the then

447

00:15:44,790 --> 00:15:42,560

director of the cia

448

00:15:46,389 --> 00:15:44,800

george herbert walker bush later the

449

00:15:48,949 --> 00:15:46,399

41st president

450

00:15:50,389 --> 00:15:48,959

but the cia director flatly refused to

451

00:15:53,509 --> 00:15:50,399

give the president-elect

452

00:15:57,350 --> 00:15:53,519

a briefing on ufos telling carter

453

00:15:59,509 --> 00:15:57,360

he had no need to know bush's term as

454

00:16:02,870 --> 00:15:59,519

cia director ended just before the

455

00:16:05,189 --> 00:16:02,880

inauguration in january 1977.

456

00:16:07,030 --> 00:16:05,199

bush suggested the incoming president

457

00:16:08,949 --> 00:16:07,040

instead seek a briefing

458

00:16:10,949 --> 00:16:08,959

through the congressional research

459

00:16:13,189 --> 00:16:10,959

service once in office

460

00:16:14,870 --> 00:16:13,199

president carter pressed the issue and

461

00:16:16,629 --> 00:16:14,880

the congressional research

462

00:16:19,030 --> 00:16:16,639

services specialist on space and

463

00:16:22,389 --> 00:16:19,040

aerospace mercia smith

464

00:16:24,870 --> 00:16:22,399

was tasked to investigate unquote

465

00:16:26,629 --> 00:16:24,880

needless to say president carter never

466

00:16:29,910 --> 00:16:26,639

apparently learned what he was looking

467

00:16:34,230 --> 00:16:31,829

now for the sake of time again i'd like

468

00:16:37,030 --> 00:16:34,240

to move forward both in history

469

00:16:37,749 --> 00:16:37,040

and further into the book enter tom

470

00:16:41,590 --> 00:16:37,759

delong

471

00:16:41,990 --> 00:16:41,600

and tsa now what cool tart has to say

472

00:16:44,150 --> 00:16:42,000

here

473

00:16:45,189 --> 00:16:44,160

as an outsider observing this entire

474

00:16:46,790 --> 00:16:45,199

scenario

475

00:16:49,110 --> 00:16:46,800

with the background of a seasoned

476
00:16:49,430 --> 00:16:49,120
journalist long-schooled in the way that

477
00:16:52,230 --> 00:16:49,440
both

478
00:16:53,030 --> 00:16:52,240
politicians and military officials tend

479
00:16:55,910 --> 00:16:53,040
to handle

480
00:16:57,910 --> 00:16:55,920
i.e spin public affairs to paint a

481
00:16:59,269 --> 00:16:57,920
prettier and even sympathetic picture of

482
00:17:00,870 --> 00:16:59,279
themselves

483
00:17:03,030 --> 00:17:00,880
in other words what i really appreciate

484
00:17:06,549 --> 00:17:03,040
about cool tart is unlike many of

485
00:17:07,829 --> 00:17:06,559
us he can see this objectively he is not

486
00:17:10,789 --> 00:17:07,839
a tsa

487
00:17:11,189 --> 00:17:10,799
fanboy so to speak he looks at it from

488
00:17:13,270 --> 00:17:11,199

the

489

00:17:16,069 --> 00:17:13,280

lens of history as an investigative

490

00:17:19,429 --> 00:17:17,990

these are some of cooltart's comments

491

00:17:23,590 --> 00:17:19,439

about tom delonge

492

00:17:25,990 --> 00:17:23,600

and ttsa quote rock star tom delong

493

00:17:27,029 --> 00:17:26,000

has given a series of strange rambling

494

00:17:29,830 --> 00:17:27,039

media interviews

495

00:17:32,310 --> 00:17:29,840

about his secret meetings about uaps

496

00:17:34,630 --> 00:17:32,320

with government and corporate officials

497

00:17:36,789 --> 00:17:34,640

perhaps the wackiest one was the one he

498

00:17:38,789 --> 00:17:36,799

recorded with podcast host

499

00:17:39,830 --> 00:17:38,799

comedian and mixed martial artist

500

00:17:42,950 --> 00:17:39,840

commentator

501
00:17:44,070 --> 00:17:42,960
joe rogan de long told rogan on the joe

502
00:17:46,150 --> 00:17:44,080
rogan experience

503
00:17:48,230 --> 00:17:46,160
that he was given the green light by his

504
00:17:49,270 --> 00:17:48,240
defense and intelligence black world

505
00:17:51,669 --> 00:17:49,280
mentors

506
00:17:53,190 --> 00:17:51,679
to spread the word about an imminent us

507
00:17:56,710 --> 00:17:53,200
government disclosure

508
00:17:58,789 --> 00:17:56,720
of amazing ufo secrets he also claimed

509
00:18:00,150 --> 00:17:58,799
he was schooled by them on how not to

510
00:18:02,710 --> 00:18:00,160
reveal too much

511
00:18:04,789 --> 00:18:02,720
of what he now knew he claimed his

512
00:18:07,110 --> 00:18:04,799
military sources even did a mock

513
00:18:09,110 --> 00:18:07,120

newsweek magazine interview with him

514

00:18:10,310 --> 00:18:09,120

so that they could analyze his answers

515

00:18:13,110 --> 00:18:10,320

and rehearse him

516

00:18:15,270 --> 00:18:13,120

before he gave a real interview it is

517

00:18:16,630 --> 00:18:15,280

instructive to get across the detail of

518

00:18:18,950 --> 00:18:16,640

what tom delong

519

00:18:20,070 --> 00:18:18,960

said in his 100 minute duration joe

520

00:18:22,310 --> 00:18:20,080

rogan interview

521

00:18:23,590 --> 00:18:22,320

and a four-hour george knapp interview

522

00:18:26,630 --> 00:18:23,600

because frankly

523

00:18:27,110 --> 00:18:26,640

if any of what he says he was told is

524

00:18:30,070 --> 00:18:27,120

true

525

00:18:30,549 --> 00:18:30,080

the implications are huge i know a lot

526

00:18:33,029 --> 00:18:30,559

of you

527

00:18:34,070 --> 00:18:33,039

will think de long sounds crazy but as

528

00:18:36,070 --> 00:18:34,080

you will see

529

00:18:37,190 --> 00:18:36,080

i believe there is strong evidence that

530

00:18:39,350 --> 00:18:37,200

certain former

531

00:18:41,110 --> 00:18:39,360

and serving senior officials of the u.s

532

00:18:43,350 --> 00:18:41,120

government and military

533

00:18:44,390 --> 00:18:43,360

definitely met with and briefed tom

534

00:18:46,870 --> 00:18:44,400

delonge

535

00:18:48,710 --> 00:18:46,880

the issue to be debated is whether what

536

00:18:52,870 --> 00:18:48,720

he claims they told him

537

00:18:57,190 --> 00:18:54,950

de long claims he was told by these

538

00:18:59,830 --> 00:18:57,200

senior officials that the u.s government

539

00:19:01,190 --> 00:18:59,840

had indeed secretly retrieved alien

540

00:19:03,669 --> 00:19:01,200

spacecraft

541

00:19:05,430 --> 00:19:03,679

and aliens that there is a secret

542

00:19:06,470 --> 00:19:05,440

struggle underway to master the

543

00:19:09,270 --> 00:19:06,480

technology

544

00:19:10,549 --> 00:19:09,280

and to protect humanity from an imminent

545

00:19:13,029 --> 00:19:10,559

threat

546

00:19:13,830 --> 00:19:13,039

i am in no doubt whatsoever that whether

547

00:19:16,470 --> 00:19:13,840

true or not

548

00:19:18,470 --> 00:19:16,480

these briefings happened i have to admit

549

00:19:20,150 --> 00:19:18,480

i still find it extraordinary

550

00:19:22,470 --> 00:19:20,160

that former and serving military

551

00:19:24,789 --> 00:19:22,480
officials decided to brief the long

552

00:19:25,510 --> 00:19:24,799
but maybe they thought what he might say

553

00:19:28,150 --> 00:19:25,520
would sound

554

00:19:28,710 --> 00:19:28,160
so bad crazy that if he went public

555

00:19:33,190 --> 00:19:28,720
with it

556

00:19:34,950 --> 00:19:33,200
no one would believe him anyway unquote

557

00:19:37,590 --> 00:19:34,960
now at this point i'd like to interject

558

00:19:40,390 --> 00:19:37,600
my own opinion about de long

559

00:19:41,669 --> 00:19:40,400
truthfully even back when tsa was

560

00:19:43,750 --> 00:19:41,679
making headlines

561

00:19:44,950 --> 00:19:43,760
i always thought the long's involvement

562

00:19:46,549 --> 00:19:44,960
was strange

563

00:19:48,150 --> 00:19:46,559

i thought that he was a strange person

564

00:19:49,909 --> 00:19:48,160

to head tsa

565

00:19:52,390 --> 00:19:49,919

i understand his money was a large

566

00:19:53,590 --> 00:19:52,400

reason why but still he was strange

567

00:19:55,909 --> 00:19:53,600

choice there

568

00:19:57,350 --> 00:19:55,919

and even more so he seemed a very

569

00:19:59,350 --> 00:19:57,360

strange choice

570

00:20:01,590 --> 00:19:59,360

for a u.s government that supposedly

571

00:20:04,470 --> 00:20:01,600

wanted to finally come clean

572

00:20:06,149 --> 00:20:04,480

about his knowledge and involvement with

573

00:20:09,270 --> 00:20:06,159

recovered ufos and

574

00:20:11,350 --> 00:20:09,280

apparently even alien beings

575

00:20:12,549 --> 00:20:11,360

the reason why i found this a stretch is

576

00:20:14,230 --> 00:20:12,559

because the long

577

00:20:16,870 --> 00:20:14,240

it's not that he's not intelligent he is

578

00:20:19,190 --> 00:20:16,880

an intelligent guy he's a thoughtful guy

579

00:20:20,149 --> 00:20:19,200

he seemed to have decades of knowledge

580

00:20:23,270 --> 00:20:20,159

of this particular

581

00:20:25,029 --> 00:20:23,280

topic but he's remarkably careless in

582

00:20:27,590 --> 00:20:25,039

the things he says

583

00:20:28,950 --> 00:20:27,600

if you wanted to handle this carefully

584

00:20:31,270 --> 00:20:28,960

which you would assume these people

585

00:20:32,710 --> 00:20:31,280

would want to do people on the inside

586

00:20:34,549 --> 00:20:32,720

then you would choose someone with the

587

00:20:36,950 --> 00:20:34,559

public relations background

588

00:20:38,070 --> 00:20:36,960

someone who meticulously chooses every

589

00:20:41,430 --> 00:20:38,080

word they speak

590

00:20:42,070 --> 00:20:41,440

or tweet this is clearly not who tom

591

00:20:45,190 --> 00:20:42,080

delong

592

00:20:47,110 --> 00:20:45,200

is now like

593

00:20:48,230 --> 00:20:47,120

cool tart i have no doubt that these

594

00:20:50,630 --> 00:20:48,240

meetings happened

595

00:20:52,870 --> 00:20:50,640

meetings between tom delong and

596

00:20:55,750 --> 00:20:52,880

high-ranking military officials

597

00:20:58,470 --> 00:20:55,760

of course historically russian hackers

598

00:21:01,430 --> 00:20:58,480

hacked into john podesta's emails

599

00:21:02,070 --> 00:21:01,440

and spilled these to the world and here

600

00:21:04,710 --> 00:21:02,080

we see

601
00:21:05,350 --> 00:21:04,720
confirmation of communication between de

602
00:21:07,750 --> 00:21:05,360
long

603
00:21:08,630 --> 00:21:07,760
podesta and high ranking military

604
00:21:10,789 --> 00:21:08,640
officials

605
00:21:12,470 --> 00:21:10,799
so we know these meetings happen the

606
00:21:14,470 --> 00:21:12,480
question has always been

607
00:21:15,669 --> 00:21:14,480
what was the true purpose of these

608
00:21:17,990 --> 00:21:15,679
meetings

609
00:21:20,149 --> 00:21:18,000
i've never bought the idea that these

610
00:21:23,190 --> 00:21:20,159
officials were encouraged because

611
00:21:23,750 --> 00:21:23,200
tom de long had a unique opportunity and

612
00:21:26,230 --> 00:21:23,760
voice

613
00:21:27,270 --> 00:21:26,240

amongst younger people that never really

614

00:21:31,029 --> 00:21:27,280

jived with me

615

00:21:33,110 --> 00:21:31,039

so what was the true purpose

616

00:21:34,789 --> 00:21:33,120

now ross coulthart has his own

617

00:21:35,590 --> 00:21:34,799

interesting theory as to why these

618

00:21:38,470 --> 00:21:35,600

officials

619

00:21:40,630 --> 00:21:38,480

may have suddenly seen tom delonge as an

620

00:21:41,350 --> 00:21:40,640

opportune escape route based on what was

621

00:21:43,510 --> 00:21:41,360

happening

622

00:21:44,630 --> 00:21:43,520

historically at the time and it has a

623

00:21:46,870 --> 00:21:44,640

lot to do with

624

00:21:48,070 --> 00:21:46,880

both hillary clinton and especially john

625

00:21:50,630 --> 00:21:48,080

podesta's

626
00:21:52,149 --> 00:21:50,640
known desire to get this secret out to

627
00:21:55,029 --> 00:21:52,159
the public

628
00:21:57,590 --> 00:21:55,039
quoting from the book quote throughout

629
00:21:59,669 --> 00:21:57,600
2015 and 2016

630
00:22:00,630 --> 00:21:59,679
the media becomes increasingly sure in

631
00:22:02,630 --> 00:22:00,640
its reporting

632
00:22:03,669 --> 00:22:02,640
that hillary clinton is assert for the

633
00:22:06,230 --> 00:22:03,679
presidency

634
00:22:08,390 --> 00:22:06,240
that donald trump does not have a chance

635
00:22:09,510 --> 00:22:08,400
as a gatekeeper you are now getting very

636
00:22:12,950 --> 00:22:09,520
nervous that come

637
00:22:15,350 --> 00:22:12,960
february 2017 post inauguration

638
00:22:16,149 --> 00:22:15,360

it might be you who is hauled in chains

639

00:22:19,029 --> 00:22:16,159

before

640

00:22:19,909 --> 00:22:19,039

a congressional inquiry to explain why

641

00:22:23,830 --> 00:22:19,919

you hid

642

00:22:26,310 --> 00:22:23,840

the big secret then imagine

643

00:22:27,270 --> 00:22:26,320

along comes tom de long he must seem

644

00:22:29,510 --> 00:22:27,280

like a gift

645

00:22:31,270 --> 00:22:29,520

with a wink and a nod he lets you know

646

00:22:33,430 --> 00:22:31,280

that he knows what you know

647

00:22:34,310 --> 00:22:33,440

it is a huge relief to be able to share

648

00:22:37,510 --> 00:22:34,320

your guilty

649

00:22:39,750 --> 00:22:37,520

70 plus years secret with de long

650

00:22:40,870 --> 00:22:39,760

even better he is offering you a way to

651
00:22:42,990 --> 00:22:40,880
let the public know

652
00:22:45,510 --> 00:22:43,000
about it that makes the entire

653
00:22:49,029 --> 00:22:45,520
military-industrial complex cover-up

654
00:22:49,990 --> 00:22:49,039
sound like a bed of roses why the long

655
00:22:52,470 --> 00:22:50,000
even suggests

656
00:22:53,350 --> 00:22:52,480
he can make young millennials actually

657
00:22:55,110 --> 00:22:53,360
like you

658
00:22:57,270 --> 00:22:55,120
he also reassures you that he

659
00:22:57,909 --> 00:22:57,280
understands all this national security

660
00:22:59,830 --> 00:22:57,919
stuff

661
00:23:01,270 --> 00:22:59,840
and that he will seek your permission

662
00:23:03,510 --> 00:23:01,280
and get your approval

663
00:23:04,870 --> 00:23:03,520

for what he is allowed to say about what

664

00:23:07,430 --> 00:23:04,880

you all knew about

665

00:23:09,350 --> 00:23:07,440

the big secret you will get to control

666

00:23:11,750 --> 00:23:09,360

the disclosure narrative

667

00:23:12,470 --> 00:23:11,760

hell yeah this is our sort of guy you

668

00:23:16,149 --> 00:23:12,480

think

669

00:23:19,110 --> 00:23:16,159

unquote now as we all know

670

00:23:19,909 --> 00:23:19,120

history continues to roll on and soon

671

00:23:22,549 --> 00:23:19,919

tom delong

672

00:23:23,510 --> 00:23:22,559

and ttsa announced they have meta

673

00:23:25,350 --> 00:23:23,520

materials

674

00:23:26,789 --> 00:23:25,360

and that they are cooperating with the

675

00:23:30,070 --> 00:23:26,799

us military

676
00:23:31,510 --> 00:23:30,080
to apparently develop reverse engineered

677
00:23:33,830 --> 00:23:31,520
craft

678
00:23:35,590 --> 00:23:33,840
now being the veteran investigative

679
00:23:38,549 --> 00:23:35,600
journalist that ross cool tart

680
00:23:40,630 --> 00:23:38,559
is again with a long story career that

681
00:23:42,070 --> 00:23:40,640
involves seeing how politicians and

682
00:23:44,310 --> 00:23:42,080
military officials

683
00:23:45,990 --> 00:23:44,320
spun events to present their own actions

684
00:23:48,149 --> 00:23:46,000
in a rosier light

685
00:23:49,590 --> 00:23:48,159
cool tart can't help but connect dots

686
00:23:51,669 --> 00:23:49,600
here answering

687
00:23:53,190 --> 00:23:51,679
this intriguing question about why this

688
00:23:56,789 --> 00:23:53,200

partnership would exist

689

00:23:59,269 --> 00:23:56,799

with his own provocative answer quote

690

00:24:00,230 --> 00:23:59,279

why would a uap disclosure activist

691

00:24:02,710 --> 00:24:00,240

organization

692

00:24:04,230 --> 00:24:02,720

cooperate with the u.s military it has

693

00:24:05,750 --> 00:24:04,240

openly suggested

694

00:24:09,029 --> 00:24:05,760

is hiding these breakthrough

695

00:24:11,269 --> 00:24:09,039

technologies i suspect the real agenda

696

00:24:12,110 --> 00:24:11,279

behind the deal with the military is

697

00:24:15,590 --> 00:24:12,120

that the

698

00:24:17,430 --> 00:24:15,600

crada will finally allow the military

699

00:24:19,510 --> 00:24:17,440

to share at least some of what it has

700

00:24:23,269 --> 00:24:19,520

known about metamaterials

701
00:24:25,669 --> 00:24:23,279
all along unquote

702
00:24:27,350 --> 00:24:25,679
now one question cooltart repeatedly

703
00:24:29,510 --> 00:24:27,360
pursues in this book

704
00:24:31,590 --> 00:24:29,520
is whether or not the us government or

705
00:24:32,390 --> 00:24:31,600
some rogue element that has broken off

706
00:24:35,510 --> 00:24:32,400
from it

707
00:24:37,430 --> 00:24:35,520
has actually recovered downed ufos the

708
00:24:40,310 --> 00:24:37,440
reason why he pursues this question

709
00:24:41,990 --> 00:24:40,320
so doggedly is not just because it keeps

710
00:24:43,909 --> 00:24:42,000
popping up again and again

711
00:24:45,430 --> 00:24:43,919
in the literature and the historical

712
00:24:47,669 --> 00:24:45,440
record but because

713
00:24:49,750 --> 00:24:47,679

coldheart being very familiar with the

714

00:24:52,390 --> 00:24:49,760

taboo nature of this topic

715

00:24:53,590 --> 00:24:52,400

amongst the general public knows that if

716

00:24:55,590 --> 00:24:53,600

proven true

717

00:24:56,710 --> 00:24:55,600

this fact would become the proverbial

718

00:24:59,029 --> 00:24:56,720

golden goose

719

00:25:00,310 --> 00:24:59,039

the game changer the discovery that

720

00:25:02,950 --> 00:25:00,320

forces the public

721

00:25:04,149 --> 00:25:02,960

and our elected officials to face up to

722

00:25:06,710 --> 00:25:04,159

a revelation that

723

00:25:08,950 --> 00:25:06,720

certainly should change our entire

724

00:25:11,510 --> 00:25:08,960

understanding of reality

725

00:25:12,070 --> 00:25:11,520

it would once and for all make what

726
00:25:14,149 --> 00:25:12,080
should be

727
00:25:15,430 --> 00:25:14,159
the story of the millennium and really

728
00:25:19,669 --> 00:25:15,440
of all time

729
00:25:23,430 --> 00:25:19,679
headline news everywhere

730
00:25:26,710 --> 00:25:23,440
now as we all know luis elizondo goes on

731
00:25:29,909 --> 00:25:26,720
to say to tucker carlson on

732
00:25:30,950 --> 00:25:29,919
national tv that it is his opinion his

733
00:25:33,510 --> 00:25:30,960
informed opinion

734
00:25:34,149 --> 00:25:33,520
that yes the us government does have

735
00:25:37,350 --> 00:25:34,159
recovered

736
00:25:40,789 --> 00:25:37,360
alien craft elizondo said the u.s

737
00:25:42,710 --> 00:25:40,799
holds alien technology period

738
00:25:44,149 --> 00:25:42,720

now this is what cool tart says about

739

00:25:47,110 --> 00:25:44,159

this revelation

740

00:25:47,669 --> 00:25:47,120

quote this is big news but there was no

741

00:25:50,630 --> 00:25:47,679

media

742

00:25:51,590 --> 00:25:50,640

apart from researcher james ian doley's

743

00:25:55,110 --> 00:25:51,600

twitter feed

744

00:25:55,990 --> 00:25:55,120

engaging the phenomenon ian doley asked

745

00:25:58,470 --> 00:25:56,000

former bigelow

746

00:25:59,350 --> 00:25:58,480

national institute of discovery science

747

00:26:02,630 --> 00:25:59,360

nids

748

00:26:04,070 --> 00:26:02,640

scientist dr eric davis his views about

749

00:26:06,950 --> 00:26:04,080

elizondo's claim

750

00:26:09,269 --> 00:26:06,960

of recovered extraterrestrial debris

751
00:26:10,230 --> 00:26:09,279
davis sent this intriguingly mischievous

752
00:26:13,029 --> 00:26:10,240
reply

753
00:26:14,950 --> 00:26:13,039
quote luis elizondo's very brief answer

754
00:26:16,870 --> 00:26:14,960
to tucker carlson's question

755
00:26:18,549 --> 00:26:16,880
about whether the u.s government is in

756
00:26:21,750 --> 00:26:18,559
possession of recovered

757
00:26:22,549 --> 00:26:21,760
crashed and landed ufo technology

758
00:26:26,149 --> 00:26:22,559
hardware

759
00:26:27,590 --> 00:26:26,159
is thousand percent accurate my national

760
00:26:29,430 --> 00:26:27,600
security ndas

761
00:26:30,789 --> 00:26:29,440
prevent me from adding any further

762
00:26:33,990 --> 00:26:30,799
comment on this

763
00:26:37,909 --> 00:26:35,830

now parenthetically i would just like to

764

00:26:38,789 --> 00:26:37,919

add that james ian doley is a good

765

00:26:41,110 --> 00:26:38,799

friend of mine

766

00:26:42,470 --> 00:26:41,120

and it's always good to see good friends

767

00:26:44,950 --> 00:26:42,480

who are doing great work

768

00:26:46,630 --> 00:26:44,960

get recognized like james is in this

769

00:26:49,110 --> 00:26:46,640

book

770

00:26:51,590 --> 00:26:49,120

now let's move forward again for the

771

00:26:54,310 --> 00:26:51,600

sake of time

772

00:26:56,630 --> 00:26:54,320

now in the final chapters of the book

773

00:26:58,310 --> 00:26:56,640

ross coulthart continues to doggedly

774

00:26:59,990 --> 00:26:58,320

pursue this question about whether or

775

00:27:03,190 --> 00:27:00,000

not the u.s government

776
00:27:06,710 --> 00:27:03,200
has indeed recovered alien technology

777
00:27:07,669 --> 00:27:06,720
craft even intact and landed craft using

778
00:27:10,789 --> 00:27:07,679
that quote from

779
00:27:11,909 --> 00:27:10,799
eric davis again cooltart goes on to

780
00:27:14,549 --> 00:27:11,919
discuss the famous

781
00:27:16,390 --> 00:27:14,559
admiral wilson documents this is all

782
00:27:18,870 --> 00:27:16,400
about what happened when

783
00:27:20,789 --> 00:27:18,880
after edgar mitchell passed documents

784
00:27:23,830 --> 00:27:20,799
were released from his estate

785
00:27:25,750 --> 00:27:23,840
and one of those documents purportedly

786
00:27:27,029 --> 00:27:25,760
talked about a meeting between eric

787
00:27:30,149 --> 00:27:27,039
davis and

788
00:27:31,269 --> 00:27:30,159

admiral tom wilson where wilson famously

789

00:27:32,950 --> 00:27:31,279

talks about

790

00:27:34,870 --> 00:27:32,960

even though he had a high position where

791

00:27:37,269 --> 00:27:34,880

he should have been able to uncover

792

00:27:38,389 --> 00:27:37,279

any kind of black ops operation and

793

00:27:41,190 --> 00:27:38,399

learn about it

794

00:27:41,990 --> 00:27:41,200

when he pursued this question of trying

795

00:27:45,029 --> 00:27:42,000

to uncover

796

00:27:46,870 --> 00:27:45,039

a supposed alien retrieval

797

00:27:48,230 --> 00:27:46,880

kind of black ops that was now

798

00:27:50,149 --> 00:27:48,240

interested in reverse

799

00:27:52,950 --> 00:27:50,159

engineering these craft he was

800

00:27:54,789 --> 00:27:52,960

stonewalled he was even told his career

801
00:27:57,510 --> 00:27:54,799
would hit a dead end if he continued to

802
00:28:02,549 --> 00:28:00,149
now cooltart also goes on to discuss and

803
00:28:04,310 --> 00:28:02,559
investigate a series of strange

804
00:28:06,789 --> 00:28:04,320
and controversial patents that were

805
00:28:09,029 --> 00:28:06,799
filed shortly afterwards

806
00:28:10,710 --> 00:28:09,039
that seemed to discuss a technology that

807
00:28:13,430 --> 00:28:10,720
should not even exist

808
00:28:13,909 --> 00:28:13,440
a technology that purportedly could

809
00:28:16,549 --> 00:28:13,919
propel

810
00:28:18,310 --> 00:28:16,559
something like a tic tac now for those

811
00:28:20,389 --> 00:28:18,320
who believe there actually is

812
00:28:21,830 --> 00:28:20,399
a functional program that has

813
00:28:24,950 --> 00:28:21,840

successfully reverse

814

00:28:26,950 --> 00:28:24,960

engineered alien technology this patent

815

00:28:28,950 --> 00:28:26,960

makes perfect sense

816

00:28:30,710 --> 00:28:28,960

now cool tart leaves open the question

817

00:28:31,350 --> 00:28:30,720

about whether or not these patents are

818

00:28:33,029 --> 00:28:31,360

real

819

00:28:36,070 --> 00:28:33,039

and whether or not they actually are

820

00:28:40,549 --> 00:28:36,080

indicative of something like the tic tac

821

00:28:43,029 --> 00:28:40,559

but quoting from the book again quote

822

00:28:44,870 --> 00:28:43,039

a field generator can create a polarized

823

00:28:46,630 --> 00:28:44,880

energy field that creates a quantum

824

00:28:49,110 --> 00:28:46,640

vacuum around the craft

825

00:28:50,389 --> 00:28:49,120

which allows it to reduce mass this

826

00:28:52,630 --> 00:28:50,399

enables it to repel

827

00:28:54,710 --> 00:28:52,640

any air or water molecules and

828

00:28:57,590 --> 00:28:54,720

supposedly also makes possible

829

00:28:59,510 --> 00:28:57,600

faster than light travel it also means

830

00:29:02,470 --> 00:28:59,520

that any occupant does not feel

831

00:29:04,230 --> 00:29:02,480

aerodynamic or hydrodynamic forces

832

00:29:05,990 --> 00:29:04,240

which would explain why they are not

833

00:29:08,870 --> 00:29:06,000

mashed up into soup

834

00:29:10,149 --> 00:29:08,880

by the extreme g-forces any such craft

835

00:29:13,669 --> 00:29:10,159

would indubitably

836

00:29:16,149 --> 00:29:13,679

inflict unquote

837

00:29:17,029 --> 00:29:16,159

now just to be absolutely clear some of

838

00:29:20,070 --> 00:29:17,039

these patents

839

00:29:21,110 --> 00:29:20,080

were awarded in other words the u.s

840

00:29:23,110 --> 00:29:21,120

patent office said

841

00:29:24,789 --> 00:29:23,120

okay this technology has been

842

00:29:26,389 --> 00:29:24,799

demonstrated to exist

843

00:29:28,789 --> 00:29:26,399

to a degree which we are willing to

844

00:29:30,630 --> 00:29:28,799

grant this patent which in itself is

845

00:29:32,870 --> 00:29:30,640

surprising and hard to understand

846

00:29:34,230 --> 00:29:32,880

because this technology purportedly

847

00:29:37,110 --> 00:29:34,240

doesn't even exist yet

848

00:29:39,029 --> 00:29:37,120

so how is this really demonstrated very

849

00:29:42,470 --> 00:29:39,039

confusing and it makes you wonder what

850

00:29:44,789 --> 00:29:42,480

is really going on behind the scenes

851
00:29:46,950 --> 00:29:44,799
now again the reason why cool tart is

852
00:29:49,990 --> 00:29:46,960
pursuing this series of questions

853
00:29:51,110 --> 00:29:50,000
so doggedly is because he knows if it

854
00:29:52,870 --> 00:29:51,120
can be proven

855
00:29:54,710 --> 00:29:52,880
that this kind of reverse engineered

856
00:29:56,950 --> 00:29:54,720
program does exist

857
00:29:58,950 --> 00:29:56,960
and even more significantly if it has

858
00:30:01,029 --> 00:29:58,960
been successful

859
00:30:02,070 --> 00:30:01,039
then this will change the world this

860
00:30:04,710 --> 00:30:02,080
will force

861
00:30:05,830 --> 00:30:04,720
his journalistic colleagues politicians

862
00:30:09,669 --> 00:30:05,840
and the general public

863
00:30:11,830 --> 00:30:09,679

everywhere to pay attention

864

00:30:13,269 --> 00:30:11,840

and now in conclusion i'd like to share

865

00:30:16,789 --> 00:30:13,279

some of ross cool tart's

866

00:30:17,269 --> 00:30:16,799

final words quote so what do i know for

867

00:30:19,830 --> 00:30:17,279

sure

868

00:30:21,269 --> 00:30:19,840

after two years down the rabbit hole i

869

00:30:23,110 --> 00:30:21,279

have no doubt at all

870

00:30:24,710 --> 00:30:23,120

that the us government is hiding

871

00:30:27,430 --> 00:30:24,720

extraordinary secrets

872

00:30:29,190 --> 00:30:27,440

about the phenomenon the categorical

873

00:30:30,789 --> 00:30:29,200

statements made by defense and

874

00:30:33,909 --> 00:30:30,799

intelligence insiders

875

00:30:36,149 --> 00:30:33,919

dr eric davis and luis elizondo and the

876

00:30:38,870 --> 00:30:36,159

more qualified assertions by christopher

877

00:30:40,870 --> 00:30:38,880

mellon and former senator harry reid

878

00:30:42,389 --> 00:30:40,880

suggests that the united states has

879

00:30:45,029 --> 00:30:42,399

indeed recovered

880

00:30:46,310 --> 00:30:45,039

non-human intelligently manufactured

881

00:30:48,870 --> 00:30:46,320

technology

882

00:30:50,710 --> 00:30:48,880

a conclusion that makes my head spin

883

00:30:53,190 --> 00:30:50,720

unquote

884

00:30:54,310 --> 00:30:53,200

and following this cool tart says this

885

00:30:56,950 --> 00:30:54,320

quote

886

00:30:57,590 --> 00:30:56,960

i venture the u.s has been wrestling for

887

00:30:59,669 --> 00:30:57,600

years

888

00:31:00,950 --> 00:30:59,679

with how to break this shocking news to

889

00:31:03,350 --> 00:31:00,960

the public

890

00:31:04,470 --> 00:31:03,360

not least because it has flatly lied to

891

00:31:07,830 --> 00:31:04,480

its citizens

892

00:31:09,190 --> 00:31:07,840

for 75 years and criminally prosecuted

893

00:31:12,149 --> 00:31:09,200

those who threatened

894

00:31:14,070 --> 00:31:12,159

the big secret too many insiders have

895

00:31:14,630 --> 00:31:14,080

dropped too many hints for me not to

896

00:31:16,789 --> 00:31:14,640

think

897

00:31:18,789 --> 00:31:16,799

that there is a reckoning coming i

898

00:31:21,190 --> 00:31:18,799

suspect the quest to unravel

899

00:31:22,470 --> 00:31:21,200

one of humanity's greatest mysteries

900

00:31:27,110 --> 00:31:22,480

will very soon

901
00:31:29,430 --> 00:31:27,120
have the beginnings of an answer unquote

902
00:31:30,630 --> 00:31:29,440
and on that note we've come to the close

903
00:31:33,509 --> 00:31:30,640
of another edition

904
00:31:34,630 --> 00:31:33,519
of the point of convergence podcast as i

905
00:31:36,789 --> 00:31:34,640
said at the outset

906
00:31:38,789 --> 00:31:36,799
let's support ross coulthart's work

907
00:31:39,590 --> 00:31:38,799
let's go buy this book and share it with

908
00:31:42,950 --> 00:31:39,600
our friends

909
00:31:44,549 --> 00:31:42,960
our family our colleagues etc because of

910
00:31:46,950 --> 00:31:44,559
the nature of this book

911
00:31:47,590 --> 00:31:46,960
it's dogged determinism to get at the

912
00:31:49,190 --> 00:31:47,600
truth

913
00:31:51,590 --> 00:31:49,200

and because it's written by a

914

00:31:53,669 --> 00:31:51,600

well-respected investigative journalist

915

00:31:54,630 --> 00:31:53,679

from the mainstream it has the

916

00:31:56,950 --> 00:31:54,640

opportunity

917

00:31:58,870 --> 00:31:56,960

to take this conversation to an entirely

918

00:32:00,870 --> 00:31:58,880

new level

919

00:32:02,230 --> 00:32:00,880

but until next time friends from deep

920

00:32:05,430 --> 00:32:02,240

within the blue ridge mountains
