00:00:14,629 --> 00:00:12,310

hello and welcome to episode number 38

3
00:00:15,829 --> 00:00:14,639

of the point of convergence podcast

4
00:00:19,429 --> 00:00:15,839

as always

5
00:00:21,830 --> 00:00:19,439

i am your host exo academian

6
00:00:23,830 --> 00:00:21,840

the ufo phenomenon is a topic that has

7
00:00:25,750 --> 00:00:23,840

undoubtedly seen a rise in interest

8
00:00:26,870 --> 00:00:25,760

amongst the general public in recent

9
00:00:28,710 --> 00:00:26,880

years

10
00:00:31,269 --> 00:00:28,720

this of course has much to do with

11
00:00:32,549 --> 00:00:31,279

startling videos of officially declared

12
00:00:34,870 --> 00:00:32,559

uap

13
00:00:36,950 --> 00:00:34,880

that is unidentified aerial phenomena

14

00:00:39,590 --> 00:00:36,960

that were discussed in some detail in a

15

00:00:42,150 --> 00:00:39,600

groundbreaking new york times article in

16

00:00:44,150 --> 00:00:42,160

2017

17

00:00:46,470 --> 00:00:44,160

more recently discussions have only

18

00:00:49,430 --> 00:00:46,480

increased following a classified report

19

00:00:51,510 --> 00:00:49,440

delivered to congress in 2021

20

00:00:53,750 --> 00:00:51,520

by an officially sanctioned department

21

00:00:55,750 --> 00:00:53,760

of defense task force

22

00:00:57,910 --> 00:00:55,760

indeed this momentum really has helped

23

00:01:00,630 --> 00:00:57,920

to make this topic if not exactly

24

00:01:02,389 --> 00:01:00,640

headline news around the world

25

00:01:04,950 --> 00:01:02,399

at least a subject that no longer

26

00:01:07,109 --> 00:01:04,960

garners outright ridicule and derision

27

00:01:09,590 --> 00:01:07,119

in the mainstream

28

00:01:11,510 --> 00:01:09,600

still that said what is perhaps an even

29

00:01:13,830 --> 00:01:11,520

more intriguing startling and

30

00:01:16,469 --> 00:01:13,840

consequential aspect of the ufo

31

00:01:18,310 --> 00:01:16,479

phenomenon still tends to fly under the

32

00:01:19,830 --> 00:01:18,320

radar when it comes to mainstream

33

00:01:21,670 --> 00:01:19,840

coverage

34

00:01:23,990 --> 00:01:21,680

here i speak of contact with the

35

00:01:27,030 --> 00:01:24,000

apparently non-human intelligences

36

00:01:29,109 --> 00:01:27,040

piloting these craft as those of us

37

00:01:30,950 --> 00:01:29,119

intimately familiar with this enigmatic

38

00:01:33,510 --> 00:01:30,960

topic know all too well

39

00:01:36,069 --> 00:01:33,520

this aspect is central to our quest to

40

00:01:39,670 --> 00:01:36,079

understand the ultimate origin and

41

00:01:41,749 --> 00:01:39,680

intentions of these others

42

00:01:43,510 --> 00:01:41,759

contrary to what many cynics and

43

00:01:45,270 --> 00:01:43,520

naysayers might claim

44

00:01:47,990 --> 00:01:45,280

those who do experience this kind of

45

00:01:50,069 --> 00:01:48,000

contact with alien entities are not

46

00:01:52,230 --> 00:01:50,079

necessarily conspiracy theorists

47

00:01:54,550 --> 00:01:52,240

obsessed with this topic

48

00:01:56,630 --> 00:01:54,560

in fact many who have experienced this

49

00:01:59,910 --> 00:01:56,640

kind of sudden and initially unwanted

50

00:02:02,310 --> 00:01:59,920

contact known as abduction had no

51
00:02:03,830 --> 00:02:02,320
interest nor familiarity with this topic

52
00:02:06,230 --> 00:02:03,840
beforehand

53
00:02:08,949 --> 00:02:06,240
from their point of view it was an event

54
00:02:11,110 --> 00:02:08,959
or more commonly a series of events that

55
00:02:13,990 --> 00:02:11,120
seem to be suddenly thrust upon them

56
00:02:16,790 --> 00:02:14,000
from out of nowhere

57
00:02:18,630 --> 00:02:16,800
one such individual is jim sparks

58
00:02:21,589 --> 00:02:18,640
with a background as a run-of-the-mill

59
00:02:23,510 --> 00:02:21,599
real estate developer from south florida

60
00:02:25,910 --> 00:02:23,520
only really concerned with fulfilling

61
00:02:27,910 --> 00:02:25,920
his vision of the american dream

62
00:02:29,990 --> 00:02:27,920
the last thing on his radar was

63
00:02:32,630 --> 00:02:30,000

otherworldly visitors and trips to their

64

00:02:35,190 --> 00:02:32,640

apparently sophisticated spacecraft

65

00:02:36,710 --> 00:02:35,200

and yes at some point in his adult life

66

00:02:38,470 --> 00:02:36,720

this is precisely what he started

67

00:02:40,869 --> 00:02:38,480

experiencing

68

00:02:42,710 --> 00:02:40,879

and these events were far from rare at

69

00:02:46,550 --> 00:02:42,720

the height of his experiences he was

70

00:02:48,790 --> 00:02:46,560

being abducted multiple times a month

71

00:02:51,589 --> 00:02:48,800

unlike some contact slash abduction

72

00:02:54,070 --> 00:02:51,599

experiences that offer up only foggy

73

00:02:56,869 --> 00:02:54,080

jumbled memories of alien figures and

74

00:02:59,430 --> 00:02:56,879

supposed off-world technology

75

00:03:01,750 --> 00:02:59,440

sparks experienced full-on education

76

00:03:04,149 --> 00:03:01,760

sessions where these others sought to

77

00:03:06,550 --> 00:03:04,159

teach them their own language and

78

00:03:07,589 --> 00:03:06,560

fostered his capacities along the side

79

00:03:09,750 --> 00:03:07,599

spectrum

80

00:03:12,309 --> 00:03:09,760

including abilities such as telepathy

81

00:03:14,550 --> 00:03:12,319

and psychokinesis

82

00:03:15,430 --> 00:03:14,560

what's even more striking about spark's

83

00:03:17,270 --> 00:03:15,440

case

84

00:03:19,270 --> 00:03:17,280

making it even more difficult for

85

00:03:21,110 --> 00:03:19,280

naysayers to dismiss

86

00:03:23,350 --> 00:03:21,120

is that all of these memories were

87

00:03:25,509 --> 00:03:23,360

recalled consciously

88

00:03:28,550 --> 00:03:25,519

that is without the need for what is

89

00:03:30,710 --> 00:03:28,560

commonly known as regression therapy

90

00:03:32,630 --> 00:03:30,720

in retelling events sparks makes it

91

00:03:34,869 --> 00:03:32,640

clear that from the onset of these

92

00:03:37,670 --> 00:03:34,879

experiences as frightening as they

93

00:03:39,910 --> 00:03:37,680

initially were he made a mental note to

94

00:03:41,030 --> 00:03:39,920

do his very best to remain conscious

95

00:03:43,350 --> 00:03:41,040

throughout

96

00:03:46,229 --> 00:03:43,360

and unlike many others who wished to do

97

00:03:47,830 --> 00:03:46,239

the same he was surprisingly successful

98

00:03:49,830 --> 00:03:47,840

in this endeavor

99

00:03:52,550 --> 00:03:49,840

ultimately remembering almost every

100

00:03:54,470 --> 00:03:52,560

aspect of the events

101
00:03:56,229 --> 00:03:54,480
what was the nature of these consciously

102
00:03:58,070 --> 00:03:56,239
recalled experiences

103
00:04:01,030 --> 00:03:58,080
and what did the communication between

104
00:04:03,509 --> 00:04:01,040
sparks and these apparent alien others

105
00:04:07,350 --> 00:04:03,519
reveal about their ultimate intentions

106
00:04:09,350 --> 00:04:07,360
not just for him but for all of humanity

107
00:04:11,589 --> 00:04:09,360
the answers that emerged according to

108
00:04:13,910 --> 00:04:11,599
sparks experience reveal a kind of

109
00:04:16,949 --> 00:04:13,920
symbiotic arrangement that some might

110
00:04:19,110 --> 00:04:16,959
find as disconcerting and disturbing as

111
00:04:20,629 --> 00:04:19,120
others may find encouraging and

112
00:04:22,390 --> 00:04:20,639
enlightening

113
00:04:26,310 --> 00:04:22,400

and these are the very matters we'll

114

00:04:31,350 --> 00:04:26,320

seek to explore in this the 38th episode

115

00:04:38,310 --> 00:04:35,590

[Music]

116

00:04:40,310 --> 00:04:38,320

as we begin this week's episode you'll

117

00:04:41,830 --> 00:04:40,320

probably note that we've discussed

118

00:04:44,230 --> 00:04:41,840

multiple

119

00:04:46,870 --> 00:04:44,240

slash contact experiences

120

00:04:48,629 --> 00:04:46,880

over the course of this podcast

121

00:04:50,629 --> 00:04:48,639

i think it's important to return to

122

00:04:53,110 --> 00:04:50,639

these rather than just always looking

123

00:04:55,430 --> 00:04:53,120

from the big picture because

124

00:04:57,830 --> 00:04:55,440

the events people experience the details

125

00:05:00,550 --> 00:04:57,840

of those events should inform our

126
00:05:02,710 --> 00:05:00,560
understanding of the entire phenomenon

127
00:05:05,110 --> 00:05:02,720
and i'd like to start now with what jim

128
00:05:07,830 --> 00:05:05,120
sparks begins to experience what kind of

129
00:05:09,350 --> 00:05:07,840
events he endures and how he is

130
00:05:11,670 --> 00:05:09,360
determined as i mentioned in the

131
00:05:13,909 --> 00:05:11,680
introduction to remain conscious

132
00:05:16,390 --> 00:05:13,919
throughout

133
00:05:19,189 --> 00:05:16,400
by the way as we begin here i would just

134
00:05:20,710 --> 00:05:19,199
recommend that you go ahead and buy this

135
00:05:23,110 --> 00:05:20,720
book that he's written i think it's a

136
00:05:24,629 --> 00:05:23,120
very compelling read i don't always say

137
00:05:27,270 --> 00:05:24,639
that but i really do think this one is

138
00:05:29,029 --> 00:05:27,280

good and has a lot of detail covers a

139

00:05:31,029 --> 00:05:29,039

lot of events that we can't get to in

140

00:05:33,909 --> 00:05:31,039

the course of this podcast

141

00:05:36,870 --> 00:05:33,919

jim sparks book is titled the keepers an

142

00:05:39,909 --> 00:05:36,880

alien message for the human race

143

00:05:42,469 --> 00:05:39,919

okay now let's get to his experience

144

00:05:44,629 --> 00:05:42,479

quoting from the book quote

145

00:05:46,469 --> 00:05:44,639

if i had a history of strangeness in my

146

00:05:48,950 --> 00:05:46,479

life i might have taken this all in

147

00:05:51,510 --> 00:05:48,960

stride but the truth was that i'd never

148

00:05:52,950 --> 00:05:51,520

had a paranormal experience before in my

149

00:05:54,790 --> 00:05:52,960

entire life

150

00:05:56,870 --> 00:05:54,800

surely this kind of thing just didn't

151
00:05:58,710 --> 00:05:56,880
happen to a businessman

152
00:06:00,870 --> 00:05:58,720
as i got out the vacuum cleaner from the

153
00:06:03,510 --> 00:06:00,880
laundry room and vacuumed the carpet

154
00:06:05,830 --> 00:06:03,520
making sure to remove every flower twig

155
00:06:07,430 --> 00:06:05,840
or blade of grass by the way as a quick

156
00:06:09,430 --> 00:06:07,440
aside that came from a previous

157
00:06:10,710 --> 00:06:09,440
abduction experience

158
00:06:12,870 --> 00:06:10,720
back to the quote

159
00:06:14,390 --> 00:06:12,880
i thought how relieved i was that teresa

160
00:06:16,870 --> 00:06:14,400
was out of the house

161
00:06:18,710 --> 00:06:16,880
i wouldn't tell her not yet i couldn't

162
00:06:20,870 --> 00:06:18,720
hide this from myself

163
00:06:22,070 --> 00:06:20,880

i was consumed with questions about what

164

00:06:24,710 --> 00:06:22,080

had happened

165

00:06:27,189 --> 00:06:24,720

i wanted to talk to teresa i was pretty

166

00:06:29,749 --> 00:06:27,199

rattled and i started flubbing up on my

167

00:06:31,590 --> 00:06:29,759

job but i also didn't want to scare my

168

00:06:34,550 --> 00:06:31,600

wife and i certainly didn't want to give

169

00:06:36,550 --> 00:06:34,560

her cause to think i was crazy

170

00:06:37,990 --> 00:06:36,560

no it was best to just wait and make

171

00:06:40,390 --> 00:06:38,000

sure myself

172

00:06:42,629 --> 00:06:40,400

i would wait for it to happen again

173

00:06:44,950 --> 00:06:42,639

also i decided that the next time i had

174

00:06:48,150 --> 00:06:44,960

one of these weird dreams i would make

175

00:06:50,469 --> 00:06:48,160

an effort to remember more detail

176
00:06:51,749 --> 00:06:50,479
about a week later the same dream came

177
00:06:54,790 --> 00:06:51,759
to me again

178
00:06:57,350 --> 00:06:54,800
and i sensed a presence at my bedside

179
00:06:58,950 --> 00:06:57,360
theresa lay beside me sleeping soundly

180
00:07:01,589 --> 00:06:58,960
and i can remember thinking in my

181
00:07:02,950 --> 00:07:01,599
semi-conscious state dream it's just a

182
00:07:05,749 --> 00:07:02,960
dream

183
00:07:07,830 --> 00:07:05,759
my resolution to remember kicked in

184
00:07:11,510 --> 00:07:07,840
i was going to try to see who was doing

185
00:07:13,990 --> 00:07:11,520
this focus i thought pay attention who

186
00:07:15,990 --> 00:07:14,000
or what was this presence

187
00:07:17,909 --> 00:07:16,000
in the dimness i was able to make out

188
00:07:19,350 --> 00:07:17,919

that these beings were shorter than the

189

00:07:21,749 --> 00:07:19,360

average human

190

00:07:23,830 --> 00:07:21,759

then the familiar dream unrolled

191

00:07:25,830 --> 00:07:23,840

being pulled from the bed walking down

192

00:07:28,870 --> 00:07:25,840

the hall the shock of passing through

193

00:07:30,629 --> 00:07:28,880

the window and wall into the lawn

194

00:07:32,150 --> 00:07:30,639

crossing the street and going into the

195

00:07:35,430 --> 00:07:32,160

woods beyond

196

00:07:37,430 --> 00:07:35,440

then the aroma of honeysuckle

197

00:07:39,749 --> 00:07:37,440

next morning as soon as i experienced

198

00:07:41,350 --> 00:07:39,759

the familiar paralysis i headed straight

199

00:07:43,430 --> 00:07:41,360

for the guest room

200

00:07:44,629 --> 00:07:43,440

sure enough there were the footprints in

201
00:07:46,790 --> 00:07:44,639
the carpet

202
00:07:48,550 --> 00:07:46,800
and the honeysuckle flowers

203
00:07:50,790 --> 00:07:48,560
while i had gained a valuable piece of

204
00:07:53,110 --> 00:07:50,800
information about these events

205
00:07:54,790 --> 00:07:53,120
why was i being carried from my house by

206
00:07:56,950 --> 00:07:54,800
short creatures

207
00:07:58,950 --> 00:07:56,960
strange and upsetting as all this was

208
00:08:01,029 --> 00:07:58,960
though it was nothing compared to the

209
00:08:03,270 --> 00:08:01,039
events that came next

210
00:08:05,270 --> 00:08:03,280
with all my strength and will i thought

211
00:08:06,150 --> 00:08:05,280
if this bizarre experience happens to me

212
00:08:08,710 --> 00:08:06,160
again

213
00:08:09,990 --> 00:08:08,720

i will be present and conscious i will

214

00:08:12,150 --> 00:08:10,000

remember

215

00:08:14,390 --> 00:08:12,160

i showed teresa the honeysuckle told her

216

00:08:16,230 --> 00:08:14,400

about the incident and my feelings

217

00:08:17,670 --> 00:08:16,240

she insisted i was playing some kind of

218

00:08:19,589 --> 00:08:17,680

strange joke

219

00:08:22,070 --> 00:08:19,599

people in the bedroom i would have heard

220

00:08:24,469 --> 00:08:22,080

them she said don't be silly

221

00:08:26,869 --> 00:08:24,479

unquote

222

00:08:29,350 --> 00:08:26,879

now there is much that is captured in

223

00:08:30,950 --> 00:08:29,360

that retelling of that early experience

224

00:08:32,469 --> 00:08:30,960

at least an early experience that he

225

00:08:34,389 --> 00:08:32,479

recalled

226

00:08:37,190 --> 00:08:34,399

first of all he initially thought these

227

00:08:39,350 --> 00:08:37,200

were strange dreams he was having so he

228

00:08:41,029 --> 00:08:39,360

decided to try and become lucid in them

229

00:08:44,790 --> 00:08:41,039

basically

230

00:08:45,829 --> 00:08:44,800

but as that unfolded and he saw actual

231

00:08:48,470 --> 00:08:45,839

evidence

232

00:08:50,870 --> 00:08:48,480

on the carpet leading towards a window

233

00:08:53,110 --> 00:08:50,880

as if he had been led by something

234

00:08:55,670 --> 00:08:53,120

from the outside back into the house and

235

00:08:56,710 --> 00:08:55,680

that it left flowers and grass on the

236

00:08:58,630 --> 00:08:56,720

carpet

237

00:09:02,389 --> 00:08:58,640

he obviously realized this seemed like

238

00:09:04,470 --> 00:09:02,399

an actual tangible physical event

239

00:09:06,389 --> 00:09:04,480

so he decided next time he was going to

240

00:09:09,030 --> 00:09:06,399

try and be even more conscious so he

241

00:09:11,670 --> 00:09:09,040

could really find out what was happening

242

00:09:14,150 --> 00:09:11,680

now what's also interesting is his wife

243

00:09:16,710 --> 00:09:14,160

remains asleep the entire time

244

00:09:18,550 --> 00:09:16,720

we're familiar with that scenario where

245

00:09:20,550 --> 00:09:18,560

a spouse or a friend

246

00:09:22,870 --> 00:09:20,560

is out of it completely comatose

247

00:09:24,310 --> 00:09:22,880

seemingly while abduction experiences

248

00:09:26,389 --> 00:09:24,320

apparently happen

249

00:09:29,430 --> 00:09:26,399

this demonstrates the control these

250

00:09:32,470 --> 00:09:29,440

others have not only over us but of all

251

00:09:34,870 --> 00:09:32,480

human beings that are around

252

00:09:36,389 --> 00:09:34,880

now what's interesting here in this case

253

00:09:37,670 --> 00:09:36,399

is despite her

254

00:09:40,630 --> 00:09:37,680

protests

255

00:09:42,790 --> 00:09:40,640

his wife teresa actually has more memory

256

00:09:44,949 --> 00:09:42,800

more familiarity with these others and

257

00:09:46,150 --> 00:09:44,959

these experiences than she initially

258

00:09:48,790 --> 00:09:46,160

lets on

259

00:09:50,710 --> 00:09:48,800

but we'll get to that

260

00:09:53,430 --> 00:09:50,720

now because this is yet another

261

00:09:55,750 --> 00:09:53,440

abduction slash contact case and because

262

00:09:57,829 --> 00:09:55,760

we've discussed a few of these now

263

00:09:59,670 --> 00:09:57,839

it might be helpful to step back a

264

00:10:01,509 --> 00:09:59,680

little bit and look at the big picture

265

00:10:04,389 --> 00:10:01,519

point of view

266

00:10:07,190 --> 00:10:04,399

these cases these abduction scenarios

267

00:10:10,389 --> 00:10:07,200

are actually controversial even within

268

00:10:12,470 --> 00:10:10,399

those familiar with the ufo phenomenon

269

00:10:15,030 --> 00:10:12,480

they're controversial because on one

270

00:10:16,829 --> 00:10:15,040

side you have people who believe

271

00:10:19,110 --> 00:10:16,839

these are real but

272

00:10:20,790 --> 00:10:19,120

dreamlike and you also have a different

273

00:10:22,949 --> 00:10:20,800

group that believes these are real and

274

00:10:24,870 --> 00:10:22,959

actually physically happening in our

275

00:10:27,190 --> 00:10:24,880

physical universe

276

00:10:29,030 --> 00:10:27,200

and then you have a third set which is

277

00:10:30,710 --> 00:10:29,040

sort of a combination of the two but

278

00:10:33,750 --> 00:10:30,720

more nuanced in a way

279

00:10:36,550 --> 00:10:33,760

because the idea is that real events are

280

00:10:38,389 --> 00:10:36,560

happening but that in addition to

281

00:10:40,630 --> 00:10:38,399

perhaps happening in an altered state of

282

00:10:42,949 --> 00:10:40,640

consciousness there is also kind of

283

00:10:46,230 --> 00:10:42,959

screening going on where

284

00:10:48,710 --> 00:10:46,240

images and scenarios are projected into

285

00:10:51,670 --> 00:10:48,720

the consciousness of the individual so

286

00:10:53,829 --> 00:10:51,680

they experience one kind of scenario but

287

00:10:55,509 --> 00:10:53,839

that only hides what is going on

288

00:10:57,910 --> 00:10:55,519

underneath

289

00:11:00,470 --> 00:10:57,920

now you're probably familiar that many

290

00:11:02,710 --> 00:11:00,480

people who experience abductions have

291

00:11:04,949 --> 00:11:02,720

screen memories that involves things

292

00:11:07,910 --> 00:11:04,959

like seeing an owl which we'll get to by

293

00:11:08,949 --> 00:11:07,920

the way that plays a strong role in this

294

00:11:11,430 --> 00:11:08,959

case

295

00:11:13,590 --> 00:11:11,440

they see owls or they see deer or they

296

00:11:15,750 --> 00:11:13,600

might see workmen on the road and then

297

00:11:18,310 --> 00:11:15,760

only later sometimes through hypnotic

298

00:11:21,590 --> 00:11:18,320

regression do they remember that those

299

00:11:23,590 --> 00:11:21,600

actually weren't workmen or owls or deer

300

00:11:26,550 --> 00:11:23,600

they were actually something like gray

301
00:11:28,310 --> 00:11:26,560
aliens or reptilians or mantids or what

302
00:11:30,389 --> 00:11:28,320
have you

303
00:11:33,750 --> 00:11:30,399
now a possibility that some have brought

304
00:11:36,150 --> 00:11:33,760
up is that if we indeed already strongly

305
00:11:39,670 --> 00:11:36,160
believe that screen memories are used

306
00:11:42,710 --> 00:11:39,680
where we see a deer or an owl or workman

307
00:11:44,470 --> 00:11:42,720
when really what's going on is aliens

308
00:11:46,710 --> 00:11:44,480
are showing up on the scene

309
00:11:47,670 --> 00:11:46,720
then what's to say the entire event

310
00:11:50,230 --> 00:11:47,680
isn't

311
00:11:52,230 --> 00:11:50,240
another layer of a screen memory in

312
00:11:53,269 --> 00:11:52,240
other words pull back the onion one more

313
00:11:55,350 --> 00:11:53,279

layer

314

00:11:57,590 --> 00:11:55,360

and even that the entire abduction

315

00:11:58,949 --> 00:11:57,600

scenario what if that also is a screen

316

00:12:01,269 --> 00:11:58,959

memory

317

00:12:03,509 --> 00:12:01,279

what if these actually aren't aliens at

318

00:12:05,269 --> 00:12:03,519

all and they don't really look that way

319

00:12:07,990 --> 00:12:05,279

and you're not really being taken to a

320

00:12:10,310 --> 00:12:08,000

spacecraft even though you remember that

321

00:12:12,550 --> 00:12:10,320

even if it takes one level of regression

322

00:12:14,389 --> 00:12:12,560

to get to that memory what's to say

323

00:12:16,150 --> 00:12:14,399

there aren't even deeper memories or

324

00:12:17,350 --> 00:12:16,160

deeper levels of reality that this is

325

00:12:19,509 --> 00:12:17,360

happening in

326

00:12:21,430 --> 00:12:19,519

because they have so much control over

327

00:12:24,389 --> 00:12:21,440

our consciousness and our experience of

328

00:12:27,269 --> 00:12:24,399

reality our perception of reality these

329

00:12:29,190 --> 00:12:27,279

are valid questions

330

00:12:31,509 --> 00:12:29,200

that said while i think there is some

331

00:12:33,509 --> 00:12:31,519

appeal to that argument it is somewhat

332

00:12:36,150 --> 00:12:33,519

self-defeating because it assumes that

333

00:12:37,750 --> 00:12:36,160

we can never really know what's going on

334

00:12:39,110 --> 00:12:37,760

i think we can do better than that

335

00:12:41,110 --> 00:12:39,120

personally

336

00:12:42,790 --> 00:12:41,120

i also think that some people who put

337

00:12:45,110 --> 00:12:42,800

forward that argument

338

00:12:47,750 --> 00:12:45,120

don't like the abduction scenarios they

339

00:12:50,470 --> 00:12:47,760

often are people who prefer more of a

340

00:12:52,550 --> 00:12:50,480

love and light or enlightened being kind

341

00:12:53,590 --> 00:12:52,560

of experience and they don't like some

342

00:12:56,870 --> 00:12:53,600

of the

343

00:12:59,590 --> 00:12:56,880

nasty or at least challenging startling

344

00:13:01,990 --> 00:12:59,600

disturbing details that sometimes arise

345

00:13:03,670 --> 00:13:02,000

in these experiences

346

00:13:05,430 --> 00:13:03,680

i don't think we can be so quick to

347

00:13:07,269 --> 00:13:05,440

dismiss those aspects though and say

348

00:13:10,230 --> 00:13:07,279

that's just a screen memory and there's

349

00:13:11,910 --> 00:13:10,240

a deeper reality that is always positive

350

00:13:14,790 --> 00:13:11,920

but these are issues we should think

351

00:13:18,069 --> 00:13:14,800

about because this is complex

352

00:13:21,190 --> 00:13:20,069

okay so putting aside for a moment the

353

00:13:22,790 --> 00:13:21,200

question of

354

00:13:25,430 --> 00:13:22,800

in what level of reality do these

355

00:13:27,030 --> 00:13:25,440

experiences take place and how literally

356

00:13:30,470 --> 00:13:27,040

do we remember them

357

00:13:32,710 --> 00:13:30,480

let's return to jim sparks experiences

358

00:13:34,710 --> 00:13:32,720

now as i mentioned in the introduction

359

00:13:35,590 --> 00:13:34,720

one of the interesting aspects about his

360

00:13:37,829 --> 00:13:35,600

case

361

00:13:39,670 --> 00:13:37,839

is that these abduction experiences

362

00:13:42,069 --> 00:13:39,680

weren't just random and it's not like he

363

00:13:43,990 --> 00:13:42,079

was taken on board a craft and then came

364

00:13:46,629 --> 00:13:44,000

back and didn't remember anything of

365

00:13:49,509 --> 00:13:46,639

import actually taking place

366

00:13:52,230 --> 00:13:49,519

to the contrary he actually underwent a

367

00:13:53,990 --> 00:13:52,240

kind of schooling by these others

368

00:13:57,110 --> 00:13:54,000

of course people like whitley strieber

369

00:13:59,350 --> 00:13:57,120

have talked about similar experiences

370

00:14:01,030 --> 00:13:59,360

in this case jim was learning about the

371

00:14:02,389 --> 00:14:01,040

alien alphabet

372

00:14:03,990 --> 00:14:02,399

and i want to quote from that part of

373

00:14:04,949 --> 00:14:04,000

the book

374

00:14:07,590 --> 00:14:04,959

quote

375

00:14:11,110 --> 00:14:07,600

the letter a appeared on the wall screen

376

00:14:13,030 --> 00:14:11,120

next to it was some strange hieroglyph

377

00:14:15,189 --> 00:14:13,040

somehow i sensed that it was supposed to

378

00:14:17,189 --> 00:14:15,199

be another language's equivalent the

379

00:14:19,509 --> 00:14:17,199

alien letter faded and then traced

380

00:14:21,509 --> 00:14:19,519

itself out again as though to instruct

381

00:14:23,350 --> 00:14:21,519

me on its formation

382

00:14:25,590 --> 00:14:23,360

i grasped immediately that i was

383

00:14:27,829 --> 00:14:25,600

supposed to write the alien letter out

384

00:14:31,269 --> 00:14:27,839

on the table screen before me with a

385

00:14:33,110 --> 00:14:31,279

forefinger unquote

386

00:14:35,269 --> 00:14:33,120

now this part of the book is very

387

00:14:37,430 --> 00:14:35,279

interesting somewhat disturbing it

388

00:14:39,189 --> 00:14:37,440

definitely makes you think anyway

389

00:14:41,590 --> 00:14:39,199

because it's very clear that these

390

00:14:44,710 --> 00:14:41,600

others these apparent alien beings that

391

00:14:46,629 --> 00:14:44,720

initially jim sparks assumes our et's

392

00:14:48,710 --> 00:14:46,639

extraterrestrials

393

00:14:51,509 --> 00:14:48,720

are using a kind of

394

00:14:55,189 --> 00:14:51,519

punishment and reward kind of scenario

395

00:14:57,670 --> 00:14:55,199

to get him to learn their alien language

396

00:14:59,750 --> 00:14:57,680

now some will find this alarming because

397

00:15:01,910 --> 00:14:59,760

they don't seem to ask his permission

398

00:15:03,030 --> 00:15:01,920

before they embark on these teaching

399

00:15:04,870 --> 00:15:03,040

sessions

400

00:15:07,189 --> 00:15:04,880

he feels a kind of pressure in his head

401
00:15:11,030 --> 00:15:07,199
when he refuses to learn and feels a

402
00:15:12,629 --> 00:15:11,040
kind of euphoria when he obeys so he

403
00:15:14,310 --> 00:15:12,639
definitely gets the sense that they are

404
00:15:15,990 --> 00:15:14,320
the ones in control

405
00:15:18,550 --> 00:15:16,000
and this is what you're confronted with

406
00:15:21,990 --> 00:15:18,560
early in his book the sense that he is

407
00:15:23,829 --> 00:15:22,000
taken against his permission sometimes

408
00:15:25,110 --> 00:15:23,839
in fact most times not knowing when it's

409
00:15:26,949 --> 00:15:25,120
going to happen

410
00:15:29,430 --> 00:15:26,959
and in addition to that they are very

411
00:15:32,310 --> 00:15:29,440
much in control throughout the process

412
00:15:33,829 --> 00:15:32,320
and they very much steer the nature of

413
00:15:37,910 --> 00:15:33,839

his experiences

414

00:15:40,069 --> 00:15:37,920

basically forcing him to learn or else

415

00:15:42,230 --> 00:15:40,079

now the nature of the relationship does

416

00:15:44,150 --> 00:15:42,240

change over time as we've seen with many

417

00:15:47,430 --> 00:15:44,160

of these encounters

418

00:15:53,110 --> 00:15:49,829

now earlier on i mentioned screen

419

00:15:54,870 --> 00:15:53,120

memories and symbolic kind of images

420

00:15:57,189 --> 00:15:54,880

such as owls

421

00:15:58,710 --> 00:15:57,199

in the abduction literature owls are

422

00:16:00,629 --> 00:15:58,720

front and center

423

00:16:03,509 --> 00:16:00,639

they often use that screen memory

424

00:16:05,910 --> 00:16:03,519

apparently to cover over a more alarming

425

00:16:07,590 --> 00:16:05,920

reality which is that an alien is in

426
00:16:09,910 --> 00:16:07,600
your midst

427
00:16:12,710 --> 00:16:09,920
often when people have regression done

428
00:16:13,910 --> 00:16:12,720
they realize those owls aren't actually

429
00:16:15,350 --> 00:16:13,920
owls

430
00:16:17,110 --> 00:16:15,360
and of course the most famous

431
00:16:19,189 --> 00:16:17,120
experiencer this happened to is probably

432
00:16:21,749 --> 00:16:19,199
whitley strieber and he covers this

433
00:16:22,949 --> 00:16:21,759
aspect in a lot of detail in the first

434
00:16:24,710 --> 00:16:22,959
three books

435
00:16:26,870 --> 00:16:24,720
that he wrote about the phenomenon the

436
00:16:28,870 --> 00:16:26,880
communion trilogy

437
00:16:31,590 --> 00:16:28,880
now sparks talks about his own

438
00:16:33,509 --> 00:16:31,600

experience with these owls and reflects

439

00:16:36,629 --> 00:16:33,519

on strieber's writing

440

00:16:38,629 --> 00:16:36,639

quoting from his book again quote later

441

00:16:40,230 --> 00:16:38,639

however because of specialists who

442

00:16:42,389 --> 00:16:40,240

helped me understand that i was not

443

00:16:44,710 --> 00:16:42,399

alone in these experiences i learned

444

00:16:47,430 --> 00:16:44,720

that while every abductee has his own

445

00:16:48,870 --> 00:16:47,440

unique encounters with aliens there are

446

00:16:51,430 --> 00:16:48,880

some elements of the abduction

447

00:16:54,389 --> 00:16:51,440

phenomenon that keep recurring

448

00:16:56,230 --> 00:16:54,399

for instance this translucent owl which

449

00:16:58,389 --> 00:16:56,240

gave me the feeling of the presence of a

450

00:17:00,389 --> 00:16:58,399

great wisdom

451
00:17:02,310 --> 00:17:00,399
now whether or not that was because i'd

452
00:17:05,750 --> 00:17:02,320
always thought about owls as symbols of

453
00:17:08,470 --> 00:17:05,760
wisdom i don't know my friend tim from

454
00:17:11,029 --> 00:17:08,480
my alien abductees support group which i

455
00:17:12,789 --> 00:17:11,039
didn't join alas until years after my

456
00:17:15,110 --> 00:17:12,799
first experiences

457
00:17:17,350 --> 00:17:15,120
told me owls figured prominently in

458
00:17:19,590 --> 00:17:17,360
whitley strieber's communion

459
00:17:21,909 --> 00:17:19,600
striper saw lots of owls in the woods by

460
00:17:23,750 --> 00:17:21,919
his cabin where he had many of his

461
00:17:27,350 --> 00:17:23,760
abduction encounters

462
00:17:30,230 --> 00:17:27,360
the visitors liked symbols i guess

463
00:17:32,630 --> 00:17:30,240

to me it soon became apparent that what

464

00:17:34,070 --> 00:17:32,640

the spectral al signified

465

00:17:36,710 --> 00:17:34,080

it meant school

466

00:17:39,430 --> 00:17:36,720

it meant time for class i got to know it

467

00:17:41,510 --> 00:17:39,440

as a symbol meaning get ready to learn

468

00:17:43,510 --> 00:17:41,520

jim sparks

469

00:17:46,150 --> 00:17:43,520

almost every time the visitors take me

470

00:17:48,470 --> 00:17:46,160

they show me a symbol perhaps it keys

471

00:17:49,830 --> 00:17:48,480

off some kind of subliminal response in

472

00:17:51,830 --> 00:17:49,840

my psyche

473

00:17:53,750 --> 00:17:51,840

i gather for my abductee brothers and

474

00:17:56,070 --> 00:17:53,760

sisters that whitley strieber's thoughts

475

00:17:58,710 --> 00:17:56,080

on owls have gone very deep in the

476

00:18:00,549 --> 00:17:58,720

abductee mindset

477

00:18:03,110 --> 00:18:00,559

for me though it was simple a

478

00:18:05,830 --> 00:18:03,120

representation or symbol of an owl meant

479

00:18:07,990 --> 00:18:05,840

to adjust my mindset to learn

480

00:18:10,390 --> 00:18:08,000

it's become obvious to me that there are

481

00:18:12,549 --> 00:18:10,400

subtle shadings of meaning introduced

482

00:18:13,669 --> 00:18:12,559

with the alteration of these holographic

483

00:18:15,830 --> 00:18:13,679

forms

484

00:18:18,549 --> 00:18:15,840

that night though sitting on my couch

485

00:18:22,390 --> 00:18:18,559

staring at that perched owl with large

486

00:18:25,029 --> 00:18:22,400

strange round eyes horns feathers beacon

487

00:18:27,669 --> 00:18:25,039

talons staring down at me you can bet i

488

00:18:30,150 --> 00:18:27,679

wasn't paging through freud's book about

489

00:18:32,390 --> 00:18:30,160

dream meanings

490

00:18:33,830 --> 00:18:32,400

so just to be clear about what sparks

491

00:18:35,510 --> 00:18:33,840

just referred to

492

00:18:37,830 --> 00:18:35,520

what he mentions in the book quite

493

00:18:40,070 --> 00:18:37,840

frequently is that before he's abducted

494

00:18:42,390 --> 00:18:40,080

before these experiences happen

495

00:18:43,270 --> 00:18:42,400

he's given some sort of holographic

496

00:18:44,710 --> 00:18:43,280

symbol

497

00:18:46,470 --> 00:18:44,720

which gives him some sort of

498

00:18:47,350 --> 00:18:46,480

understanding of what's going to take

499

00:18:49,830 --> 00:18:47,360

place

500

00:18:51,510 --> 00:18:49,840

while on board the supposed craft

501
00:18:54,630 --> 00:18:51,520
what's going to happen in the hours he's

502
00:18:56,549 --> 00:18:54,640
gone sometimes it's a learning session

503
00:18:59,190 --> 00:18:56,559
what he calls school and when that was

504
00:19:00,870 --> 00:18:59,200
the case he would see an owl

505
00:19:02,549 --> 00:19:00,880
other times it would be a medical

506
00:19:03,669 --> 00:19:02,559
session either they would be checking on

507
00:19:06,310 --> 00:19:03,679
his health

508
00:19:09,029 --> 00:19:06,320
or they may be extracting semen because

509
00:19:11,510 --> 00:19:09,039
he definitely seemed to be involved in a

510
00:19:13,590 --> 00:19:11,520
hybridization program again some people

511
00:19:16,230 --> 00:19:13,600
find that difficult to deal with we'll

512
00:19:18,230 --> 00:19:16,240
discuss it more a little bit later but

513
00:19:20,870 --> 00:19:18,240

when that was going to be the case he

514

00:19:22,549 --> 00:19:20,880

would see some sort of medical tool

515

00:19:24,710 --> 00:19:22,559

again in the form of some kind of

516

00:19:27,029 --> 00:19:24,720

holographic projection that would let

517

00:19:30,710 --> 00:19:27,039

him know that the experience that night

518

00:19:32,950 --> 00:19:30,720

was going to be of that variety

519

00:19:35,669 --> 00:19:32,960

now when it came to the nature of these

520

00:19:38,310 --> 00:19:35,679

others it became clear to sparks that

521

00:19:40,710 --> 00:19:38,320

they were clearly superior to us that

522

00:19:43,590 --> 00:19:40,720

they thought much more quickly

523

00:19:45,830 --> 00:19:43,600

and in a more advanced way than we do

524

00:19:47,190 --> 00:19:45,840

and indeed as he continued to have these

525

00:19:49,669 --> 00:19:47,200

sessions where he would learn their

526

00:19:52,070 --> 00:19:49,679

alphabet he recognized it wasn't a

527

00:19:55,029 --> 00:19:52,080

simple one to one in terms of the letter

528

00:19:57,110 --> 00:19:55,039

a corresponding to a symbol in their

529

00:19:57,909 --> 00:19:57,120

language there was more than that going

530

00:19:59,669 --> 00:19:57,919

on

531

00:20:01,750 --> 00:19:59,679

they were beginning to change the way

532

00:20:04,549 --> 00:20:01,760

his brain worked somehow this was

533

00:20:06,549 --> 00:20:04,559

happening behind the scenes he began to

534

00:20:09,350 --> 00:20:06,559

get a sense of this and of course with

535

00:20:11,510 --> 00:20:09,360

this we're reminded of the movie arrival

536

00:20:13,270 --> 00:20:11,520

where something similar happens where

537

00:20:14,789 --> 00:20:13,280

the character in that movie who is a

538

00:20:16,789 --> 00:20:14,799

linguist who's brought on board to try

539

00:20:19,590 --> 00:20:16,799

and understand their language

540

00:20:22,470 --> 00:20:19,600

finds that the way she perceives reality

541

00:20:24,789 --> 00:20:22,480

and even time begins to change as she

542

00:20:26,470 --> 00:20:24,799

learns their language

543

00:20:28,390 --> 00:20:26,480

now this is fascinating and in my

544

00:20:30,950 --> 00:20:28,400

background with psychology

545

00:20:33,430 --> 00:20:30,960

we learned about this how linguistics is

546

00:20:35,350 --> 00:20:33,440

tied very closely to thought when we

547

00:20:37,990 --> 00:20:35,360

learn a language it very much

548

00:20:40,390 --> 00:20:38,000

encompasses what we can even conceive of

549

00:20:42,070 --> 00:20:40,400

in terms of structuring thought

550

00:20:44,710 --> 00:20:42,080

there's very much a close relationship

551
00:20:46,390 --> 00:20:44,720
there and in this case as

552
00:20:48,470 --> 00:20:46,400
sparks learned their language he

553
00:20:51,990 --> 00:20:48,480
realized things were beginning to change

554
00:20:53,590 --> 00:20:52,000
in the way his brain processed reality

555
00:20:55,830 --> 00:20:53,600
and i want to quote from that section of

556
00:20:58,230 --> 00:20:55,840
the book quote

557
00:20:59,830 --> 00:20:58,240
the letter a appeared next to it was the

558
00:21:01,110 --> 00:20:59,840
alien equivalent

559
00:21:03,990 --> 00:21:01,120
at the time i thought it was a

560
00:21:06,070 --> 00:21:04,000
conversion from our alphabet to theirs

561
00:21:08,310 --> 00:21:06,080
i'm no linguist but i figure that just

562
00:21:10,230 --> 00:21:08,320
because the english alphabet has 26

563
00:21:12,789 --> 00:21:10,240

letters doesn't mean that alien

564

00:21:14,870 --> 00:21:12,799

creatures from wherever have an alphabet

565

00:21:17,270 --> 00:21:14,880

or language of their own that directly

566

00:21:19,350 --> 00:21:17,280

corresponds to our alphabet

567

00:21:21,510 --> 00:21:19,360

however for some reason this was the way

568

00:21:23,750 --> 00:21:21,520

they taught there must have been some

569

00:21:26,390 --> 00:21:23,760

other kind of process going on inside my

570

00:21:28,870 --> 00:21:26,400

mind and this was the way i interpreted

571

00:21:31,750 --> 00:21:28,880

it in a literal kind of way

572

00:21:35,590 --> 00:21:31,760

whatever these guys sure were working on

573

00:21:40,630 --> 00:21:38,149

now what you'll find interesting about

574

00:21:42,789 --> 00:21:40,640

these various abduction experiences is

575

00:21:44,470 --> 00:21:42,799

how many commonalities there are i find

576
00:21:46,310 --> 00:21:44,480
that very striking

577
00:21:47,590 --> 00:21:46,320
that tells me that something really is

578
00:21:48,870 --> 00:21:47,600
happening

579
00:21:51,350 --> 00:21:48,880
now the question of whether or not it's

580
00:21:53,750 --> 00:21:51,360
a screen memory or something literal is

581
00:21:54,789 --> 00:21:53,760
a different conversation but the fact

582
00:21:56,789 --> 00:21:54,799
that these

583
00:21:59,110 --> 00:21:56,799
various people are having such similar

584
00:22:01,110 --> 00:21:59,120
experiences suggest that these are more

585
00:22:02,470 --> 00:22:01,120
than just anomalies of the brain or

586
00:22:04,390 --> 00:22:02,480
something like that

587
00:22:07,590 --> 00:22:04,400
something external really is putting

588
00:22:09,990 --> 00:22:07,600

people through the paces so to speak

589

00:22:12,950 --> 00:22:10,000

and one of the interesting commonalities

590

00:22:15,110 --> 00:22:12,960

we find is the kind of beings that are

591

00:22:18,710 --> 00:22:15,120

encountered again we mentioned some of

592

00:22:21,270 --> 00:22:18,720

them earlier the grays the reptilians

593

00:22:23,510 --> 00:22:21,280

the mantids and on it goes of course we

594

00:22:25,990 --> 00:22:23,520

have the nordics and the tall whites

595

00:22:28,789 --> 00:22:26,000

other kind of humanoid figures as well

596

00:22:31,270 --> 00:22:28,799

now as we've discussed before

597

00:22:34,070 --> 00:22:31,280

sometimes people conclude that the small

598

00:22:36,149 --> 00:22:34,080

grays may be robots or androids of a

599

00:22:38,549 --> 00:22:36,159

sort or some sort of

600

00:22:41,270 --> 00:22:38,559

hybrid combination of an organic being

601
00:22:42,230 --> 00:22:41,280
and something programmed

602
00:22:44,310 --> 00:22:42,240
now

603
00:22:46,310 --> 00:22:44,320
in addition there are the taller grays

604
00:22:47,750 --> 00:22:46,320
or beings that look somewhat like the

605
00:22:49,430 --> 00:22:47,760
grays there are some distinct

606
00:22:51,510 --> 00:22:49,440
differences too

607
00:22:53,190 --> 00:22:51,520
and this is exactly what jim sparks

608
00:22:55,669 --> 00:22:53,200
encounters in his

609
00:22:57,909 --> 00:22:55,679
abduction scenarios he encounters the

610
00:22:59,430 --> 00:22:57,919
small grays and he perceives them as a

611
00:23:01,110 --> 00:22:59,440
kind of robot

612
00:23:03,350 --> 00:23:01,120
then there are those that are taller

613
00:23:06,070 --> 00:23:03,360

about five feet tall and he refers to

614

00:23:08,710 --> 00:23:06,080

these as supervisors these seemed like

615

00:23:10,390 --> 00:23:08,720

fully organic biological beings to him

616

00:23:12,549 --> 00:23:10,400

and he would even notice details like

617

00:23:14,070 --> 00:23:12,559

wrinkles in their skin suggesting that

618

00:23:16,149 --> 00:23:14,080

they age

619

00:23:18,630 --> 00:23:16,159

and it was very clear to him that these

620

00:23:21,430 --> 00:23:18,640

were the ones really running the scenes

621

00:23:22,870 --> 00:23:21,440

these were the ones in charge

622

00:23:25,909 --> 00:23:22,880

and i want to quote from a section of

623

00:23:27,990 --> 00:23:25,919

the book right now where he discusses

624

00:23:31,430 --> 00:23:28,000

having a very up close and personal

625

00:23:32,390 --> 00:23:31,440

experience with one of these supervisors

626
00:23:34,789 --> 00:23:32,400
quote

627
00:23:36,630 --> 00:23:34,799
i could sense this being leaning down i

628
00:23:39,029 --> 00:23:36,640
could feel its head no more than three

629
00:23:41,110 --> 00:23:39,039
inches from mine i couldn't quite make

630
00:23:43,350 --> 00:23:41,120
out him directly but i got the

631
00:23:44,789 --> 00:23:43,360
suggestion of an outline of a face and a

632
00:23:47,190 --> 00:23:44,799
taller body

633
00:23:50,149 --> 00:23:47,200
in retrospect i realized that this thing

634
00:23:52,630 --> 00:23:50,159
was some sort of manager or supervisor

635
00:23:55,110 --> 00:23:52,640
while the others were underlings

636
00:23:57,029 --> 00:23:55,120
this was organized like a beehive with

637
00:23:59,590 --> 00:23:57,039
drones and workers

638
00:24:01,269 --> 00:23:59,600

as i think back on my experiences now i

639

00:24:03,669 --> 00:24:01,279

realized that i noticed something about

640

00:24:06,070 --> 00:24:03,679

those first two aliens i encountered

641

00:24:08,710 --> 00:24:06,080

they seemed a little robotic with rather

642

00:24:11,110 --> 00:24:08,720

unnatural movements their mannerisms

643

00:24:13,269 --> 00:24:11,120

were more programmed and methodical

644

00:24:14,310 --> 00:24:13,279

whereas the larger supervisors had a

645

00:24:17,190 --> 00:24:14,320

fluid

646

00:24:19,590 --> 00:24:17,200

more definitively biological movement

647

00:24:23,750 --> 00:24:19,600

even then i thought the workers were the

648

00:24:26,230 --> 00:24:23,760

creation of the other taller visitors

649

00:24:29,190 --> 00:24:26,240

the workers are shorter with large eyes

650

00:24:31,110 --> 00:24:29,200

and featureless blank faces

651
00:24:34,070 --> 00:24:31,120
the supervisors as i was beginning to

652
00:24:36,310 --> 00:24:34,080
make out now were tall with that same

653
00:24:38,230 --> 00:24:36,320
leathery texture to their faces

654
00:24:40,390 --> 00:24:38,240
their eyes and heads are a little bigger

655
00:24:42,870 --> 00:24:40,400
than ours but not nearly as large as the

656
00:24:45,750 --> 00:24:42,880
workers and their eyes are much more

657
00:24:48,390 --> 00:24:45,760
focused both the supervisor beings and

658
00:24:50,149 --> 00:24:48,400
workers have bodies that are very skinny

659
00:24:52,630 --> 00:24:50,159
almost atrophied

660
00:24:54,470 --> 00:24:52,640
unquote

661
00:24:56,710 --> 00:24:54,480
now speaking of the appearance and

662
00:24:59,669 --> 00:24:56,720
nature of these others

663
00:25:01,710 --> 00:24:59,679

over time various clues suggested jim

664

00:25:03,909 --> 00:25:01,720

sparks that perhaps these beings aren't

665

00:25:06,390 --> 00:25:03,919

extraterrestrial so much as

666

00:25:08,630 --> 00:25:06,400

interdimensional and there are a variety

667

00:25:10,149 --> 00:25:08,640

of reasons why he concludes that

668

00:25:11,830 --> 00:25:10,159

now of course this is interesting

669

00:25:12,950 --> 00:25:11,840

because this is one of the main

670

00:25:16,470 --> 00:25:12,960

questions

671

00:25:18,710 --> 00:25:16,480

banned about amongst the ufo community

672

00:25:20,470 --> 00:25:18,720

where do these beings come from are they

673

00:25:22,789 --> 00:25:20,480

extraterrestrial meaning coming from

674

00:25:25,110 --> 00:25:22,799

some other planet within our physical

675

00:25:27,430 --> 00:25:25,120

construct of a universe or are they

676
00:25:29,669 --> 00:25:27,440
perhaps from some alternate dimension

677
00:25:32,710 --> 00:25:29,679
and hopping back and forth from that

678
00:25:34,070 --> 00:25:32,720
locale to our dimension

679
00:25:36,149 --> 00:25:34,080
now i'd like to quote from a section of

680
00:25:37,350 --> 00:25:36,159
the book where sparks is talking about

681
00:25:38,230 --> 00:25:37,360
this

682
00:25:40,070 --> 00:25:38,240
quote

683
00:25:42,310 --> 00:25:40,080
this was also about the time that

684
00:25:44,870 --> 00:25:42,320
despite my ragged state i was beginning

685
00:25:47,190 --> 00:25:44,880
to perceive other strangeness and i

686
00:25:49,990 --> 00:25:47,200
began formulating a theory

687
00:25:52,230 --> 00:25:50,000
namely that these things or creatures

688
00:25:54,230 --> 00:25:52,240

may not be from another planet so much

689

00:25:56,149 --> 00:25:54,240

as from another dimension

690

00:25:59,350 --> 00:25:56,159

i'd noticed that when i saw them in this

691

00:26:01,909 --> 00:25:59,360

world they only seemed to be partly here

692

00:26:03,430 --> 00:26:01,919

also i would see these visitors walking

693

00:26:05,510 --> 00:26:03,440

through walls

694

00:26:07,110 --> 00:26:05,520

my dimension theory would explain this

695

00:26:09,430 --> 00:26:07,120

since it would afford them the ability

696

00:26:11,750 --> 00:26:09,440

to work in our dimension and yet be in

697

00:26:14,630 --> 00:26:11,760

theirs at the same time

698

00:26:16,070 --> 00:26:14,640

a kind of phasing effect if you will

699

00:26:19,110 --> 00:26:16,080

anyway that's what i was starting to

700

00:26:20,710 --> 00:26:19,120

think and future experience bore me out

701

00:26:22,950 --> 00:26:20,720

this business with the dancing

702

00:26:25,590 --> 00:26:22,960

knickknacks in the house was the result

703

00:26:27,590 --> 00:26:25,600

of my interaction with the field

704

00:26:29,830 --> 00:26:27,600

the more i got abducted the stronger

705

00:26:31,750 --> 00:26:29,840

this residual effect got

706

00:26:33,190 --> 00:26:31,760

the paranormal activity i discovered

707

00:26:35,669 --> 00:26:33,200

later when i got involved with

708

00:26:39,190 --> 00:26:35,679

researchers and groups happens to most

709

00:26:41,190 --> 00:26:39,200

abductees as do precognitive activities

710

00:26:43,029 --> 00:26:41,200

which i'll discuss later

711

00:26:44,950 --> 00:26:43,039

unquote

712

00:26:47,909 --> 00:26:44,960

so very interesting here

713

00:26:50,310 --> 00:26:47,919

we have sparks theorizing that perhaps

714

00:26:52,950 --> 00:26:50,320

because they are somewhat translucent

715

00:26:54,710 --> 00:26:52,960

this might mean they're only partly here

716

00:26:56,390 --> 00:26:54,720

and we've definitely talked about this

717

00:26:59,750 --> 00:26:56,400

this would allow them to appear and

718

00:27:01,909 --> 00:26:59,760

disappear on demand basically

719

00:27:03,909 --> 00:27:01,919

now what's also interesting is he begins

720

00:27:06,710 --> 00:27:03,919

to experience these poltergeist like

721

00:27:08,630 --> 00:27:06,720

effects and we've discussed this before

722

00:27:11,110 --> 00:27:08,640

in fact we talked about it last week in

723

00:27:13,190 --> 00:27:11,120

the john keel episode

724

00:27:14,950 --> 00:27:13,200

the fact that this does happen to many

725

00:27:17,269 --> 00:27:14,960

experiencers that once they've had

726

00:27:19,029 --> 00:27:17,279

contact with these others

727

00:27:21,110 --> 00:27:19,039

their reality around them in their

728

00:27:23,269 --> 00:27:21,120

everyday experience begins to show

729

00:27:25,750 --> 00:27:23,279

strange side effects things like

730

00:27:28,149 --> 00:27:25,760

electrical charges surges

731

00:27:30,630 --> 00:27:28,159

power going in and out devices not

732

00:27:33,430 --> 00:27:30,640

working properly that kind of thing

733

00:27:35,110 --> 00:27:33,440

that seems to happen quite often

734

00:27:36,630 --> 00:27:35,120

an interesting question of course is

735

00:27:38,789 --> 00:27:36,640

what causes this

736

00:27:41,269 --> 00:27:38,799

as i mentioned last week i've theorized

737

00:27:43,269 --> 00:27:41,279

that once that door has been opened

738

00:27:44,149 --> 00:27:43,279

something seems to be flipped on like a

739

00:27:47,510 --> 00:27:44,159

switch

740

00:27:49,830 --> 00:27:47,520

and this allows various different

741

00:27:52,149 --> 00:27:49,840

realities to interact with you that

742

00:27:54,470 --> 00:27:52,159

might be part of it it may also just be

743

00:27:56,070 --> 00:27:54,480

that there is kind of a residual effect

744

00:27:58,230 --> 00:27:56,080

and that's what sparks seems to be

745

00:28:00,710 --> 00:27:58,240

hinting at here and this will for a

746

00:28:03,350 --> 00:28:00,720

period of time show up in strange

747

00:28:06,070 --> 00:28:03,360

manifestations around electrical devices

748

00:28:09,510 --> 00:28:07,830

now at this point i want to make it

749

00:28:12,230 --> 00:28:09,520

clearer that this was not just an

750

00:28:14,549 --> 00:28:12,240

interesting intellectual exercise

751
00:28:16,549 --> 00:28:14,559
for jim to ponder about

752
00:28:19,269 --> 00:28:16,559
now these experiences were having

753
00:28:21,750 --> 00:28:19,279
profound effects on his everyday life

754
00:28:23,669 --> 00:28:21,760
profound effects on his job and on his

755
00:28:25,430 --> 00:28:23,679
marriage and i want to quote from the

756
00:28:27,990 --> 00:28:25,440
section of the book where he talks about

757
00:28:29,110 --> 00:28:28,000
the strain becoming too much

758
00:28:30,870 --> 00:28:29,120
quote

759
00:28:34,149 --> 00:28:30,880
in real life though things started

760
00:28:35,909 --> 00:28:34,159
falling apart i was an emotional mess

761
00:28:38,950 --> 00:28:35,919
all the things that keep a normal life

762
00:28:42,070 --> 00:28:38,960
functioning friends family business and

763
00:28:44,070 --> 00:28:42,080

personal life began to disintegrate

764

00:28:45,510 --> 00:28:44,080

people began to suggest to me that i

765

00:28:48,230 --> 00:28:45,520

seem to be having some sort of

766

00:28:51,269 --> 00:28:48,240

psychological difficulty i knew that

767

00:28:54,389 --> 00:28:51,279

already they just didn't know why

768

00:28:55,269 --> 00:28:54,399

in mid-march 1989 the strain was too

769

00:28:57,750 --> 00:28:55,279

much

770

00:28:59,830 --> 00:28:57,760

i was on the verge of losing my mind and

771

00:29:01,510 --> 00:28:59,840

i felt like a pressure relief valve

772

00:29:04,149 --> 00:29:01,520

about to blow

773

00:29:06,149 --> 00:29:04,159

should i confess to teresa i was still

774

00:29:08,549 --> 00:29:06,159

concerned that it would frighten her and

775

00:29:10,470 --> 00:29:08,559

maybe wedge something between us

776

00:29:12,549 --> 00:29:10,480

i knew nothing about people like bud

777

00:29:14,630 --> 00:29:12,559

hopkins or alien abduction support

778

00:29:16,630 --> 00:29:14,640

groups at the time

779

00:29:17,669 --> 00:29:16,640

you would think i'd go to a library and

780

00:29:19,350 --> 00:29:17,679

research

781

00:29:21,750 --> 00:29:19,360

all i can say was that i just didn't

782

00:29:22,549 --> 00:29:21,760

realize that other people could be like

783

00:29:27,269 --> 00:29:22,559

me

784

00:29:30,470 --> 00:29:27,279

besides i guess just wasn't thinking

785

00:29:32,870 --> 00:29:30,480

straight unquote

786

00:29:35,350 --> 00:29:32,880

now of course this is very common people

787

00:29:37,830 --> 00:29:35,360

go through this quite frequently and we

788

00:29:40,549 --> 00:29:37,840

should always remember this part of the

789

00:29:42,310 --> 00:29:40,559

phenomenon that it turns people's lives

790

00:29:44,310 --> 00:29:42,320

upside down

791

00:29:46,470 --> 00:29:44,320

perhaps now it's somewhat easier that

792

00:29:48,549 --> 00:29:46,480

people can get in contact with support

793

00:29:51,430 --> 00:29:48,559

groups more easily

794

00:29:53,190 --> 00:29:51,440

and even jim mentions that nowadays this

795

00:29:54,389 --> 00:29:53,200

is much more accepted and seems to be

796

00:29:57,110 --> 00:29:54,399

part of the

797

00:29:58,789 --> 00:29:57,120

lore of our history as a civilization

798

00:30:00,070 --> 00:29:58,799

people have at least heard about these

799

00:30:02,149 --> 00:30:00,080

kind of things

800

00:30:05,430 --> 00:30:02,159

but when it was happening to jim back in

801

00:30:07,110 --> 00:30:05,440

the 1980s it was much less known he

802

00:30:08,950 --> 00:30:07,120

certainly didn't know much about it and

803

00:30:11,590 --> 00:30:08,960

he didn't realize at first that other

804

00:30:13,350 --> 00:30:11,600

people may be having the same experience

805

00:30:15,110 --> 00:30:13,360

as he was having

806

00:30:16,630 --> 00:30:15,120

and again it made him even question his

807

00:30:18,149 --> 00:30:16,640

own sanity

808

00:30:20,310 --> 00:30:18,159

at this point he still hadn't talked to

809

00:30:22,149 --> 00:30:20,320

his wife either hadn't confessed what

810

00:30:23,830 --> 00:30:22,159

had been happening to him or at least

811

00:30:25,510 --> 00:30:23,840

what he had perceived was happening to

812

00:30:27,750 --> 00:30:25,520

him because again

813

00:30:31,269 --> 00:30:27,760

often people wrestle with the nature of

814

00:30:34,070 --> 00:30:31,279

these experiences the reality of them

815

00:30:36,070 --> 00:30:34,080

now as i just mentioned at this point he

816

00:30:38,630 --> 00:30:36,080

hadn't even shared with his wife what

817

00:30:40,149 --> 00:30:38,640

was going on he didn't want her to think

818

00:30:42,149 --> 00:30:40,159

he was crazy

819

00:30:45,110 --> 00:30:42,159

but something happened that made him

820

00:30:47,269 --> 00:30:45,120

much more ready to talk to her about it

821

00:30:49,430 --> 00:30:47,279

what happened was in the middle of one

822

00:30:51,669 --> 00:30:49,440

of these abduction scenarios when he is

823

00:30:55,029 --> 00:30:51,679

learning the alien language in one of

824

00:30:57,190 --> 00:30:55,039

these school sessions aboard a starship

825

00:30:58,789 --> 00:30:57,200

a wall becomes transparent and in

826

00:31:01,269 --> 00:30:58,799

another room

827

00:31:04,710 --> 00:31:01,279

sitting and staring at a screen was his

828

00:31:07,350 --> 00:31:04,720

wife was teresa she was apparently also

829

00:31:09,509 --> 00:31:07,360

being schooled in this alien language

830

00:31:11,990 --> 00:31:09,519

and again not just language but a

831

00:31:14,630 --> 00:31:12,000

different kind of thinking

832

00:31:16,950 --> 00:31:14,640

now you might think this could have just

833

00:31:20,070 --> 00:31:16,960

been a hallucination this could have

834

00:31:21,990 --> 00:31:20,080

just been a projection by these others

835

00:31:23,430 --> 00:31:22,000

again they can manipulate our perception

836

00:31:25,190 --> 00:31:23,440

in many ways

837

00:31:27,110 --> 00:31:25,200

that's a fair assumption or at least

838

00:31:29,990 --> 00:31:27,120

postulation to make

839

00:31:32,389 --> 00:31:30,000

but later on jim actually confronts his

840

00:31:35,509 --> 00:31:32,399

wife back in the waking world

841

00:31:38,389 --> 00:31:35,519

and eventually she admits yes indeed

842

00:31:40,389 --> 00:31:38,399

she's had experiences with these others

843

00:31:41,909 --> 00:31:40,399

in fact going all the way back to

844

00:31:43,590 --> 00:31:41,919

childhood

845

00:31:45,509 --> 00:31:43,600

she doesn't call them aliens though she

846

00:31:48,230 --> 00:31:45,519

doesn't see them like that again from

847

00:31:51,830 --> 00:31:48,240

her background her cultural milieu what

848

00:31:53,350 --> 00:31:51,840

she calls them is my helpers from heaven

849

00:31:55,430 --> 00:31:53,360

but she's clearly

850

00:31:57,350 --> 00:31:55,440

compartmentalized that part of her life

851
00:31:58,870 --> 00:31:57,360
she doesn't talk about it she knows that

852
00:32:01,509 --> 00:31:58,880
they don't really want her to talk about

853
00:32:03,590 --> 00:32:01,519
it so she follows orders that part of

854
00:32:04,710 --> 00:32:03,600
her life happens but kind of in the

855
00:32:06,230 --> 00:32:04,720
background

856
00:32:08,630 --> 00:32:06,240
and she doesn't even want to talk about

857
00:32:11,110 --> 00:32:08,640
it anymore with jim so even though he

858
00:32:13,590 --> 00:32:11,120
has this common experience with his wife

859
00:32:15,029 --> 00:32:13,600
he still has to go it alone from then on

860
00:32:17,990 --> 00:32:15,039
trying to make sense of these

861
00:32:22,870 --> 00:32:20,630
now speaking of family connections if

862
00:32:25,190 --> 00:32:22,880
you read the book you'll find out that

863
00:32:26,630 --> 00:32:25,200

eventually jim shares his experiences

864

00:32:28,149 --> 00:32:26,640

with his parents

865

00:32:30,789 --> 00:32:28,159

now his father doesn't really want to

866

00:32:33,269 --> 00:32:30,799

hear about it he's fairly dismissive

867

00:32:36,149 --> 00:32:33,279

but his mother eventually confesses to

868

00:32:38,630 --> 00:32:36,159

jim that she too has had lifelong

869

00:32:40,870 --> 00:32:38,640

experiences with these others

870

00:32:42,789 --> 00:32:40,880

again though the frame of reference for

871

00:32:44,389 --> 00:32:42,799

her is different the way she interprets

872

00:32:47,430 --> 00:32:44,399

them is different

873

00:32:50,070 --> 00:32:47,440

she calls them doctors and she sees them

874

00:32:52,149 --> 00:32:50,080

as somehow helping her medically but she

875

00:32:54,549 --> 00:32:52,159

too tends to compartmentalize it like

876

00:32:56,470 --> 00:32:54,559

his wife and doesn't talk about it much

877

00:32:59,430 --> 00:32:56,480

beyond that

878

00:33:01,669 --> 00:32:59,440

now eventually as i mentioned earlier

879

00:33:04,389 --> 00:33:01,679

the nature of the relationship with

880

00:33:06,070 --> 00:33:04,399

these others begins to change

881

00:33:09,350 --> 00:33:06,080

and he begins to refer to his

882

00:33:10,870 --> 00:33:09,360

experiences as going from resistance to

883

00:33:13,909 --> 00:33:10,880

cooperation

884

00:33:15,350 --> 00:33:13,919

he sees these others more like equals

885

00:33:17,669 --> 00:33:15,360

even though they are clearly still in

886

00:33:19,509 --> 00:33:17,679

charge in some ways and in control

887

00:33:21,750 --> 00:33:19,519

they begin to treat him more like an

888

00:33:22,870 --> 00:33:21,760

equal once they feel that they can trust

889

00:33:24,710 --> 00:33:22,880

him

890

00:33:27,350 --> 00:33:24,720

and speaking of that they actually put

891

00:33:29,669 --> 00:33:27,360

him through various tests to prove to

892

00:33:31,110 --> 00:33:29,679

themselves that they can trust him and

893

00:33:33,509 --> 00:33:31,120

after that the nature of the

894

00:33:35,269 --> 00:33:33,519

relationship begins to change

895

00:33:37,590 --> 00:33:35,279

and this part of the phenomenon has been

896

00:33:40,470 --> 00:33:37,600

discussed before it does seem to be the

897

00:33:43,029 --> 00:33:40,480

case that our fight-or-flight reactions

898

00:33:44,549 --> 00:33:43,039

are perhaps overwhelming to them and

899

00:33:47,190 --> 00:33:44,559

that's partly why they have such a

900

00:33:49,750 --> 00:33:47,200

standoffish attitude towards us

901
00:33:51,590 --> 00:33:49,760
and can come across as uncaring and

902
00:33:53,669 --> 00:33:51,600
unfeeling

903
00:33:55,909 --> 00:33:53,679
but eventually again the relationship

904
00:33:59,110 --> 00:33:55,919
does change for jim as it has for other

905
00:34:01,350 --> 00:33:59,120
people we've discussed on this podcast

906
00:34:04,070 --> 00:34:01,360
he also begins to get what he perceives

907
00:34:06,549 --> 00:34:04,080
as direct answers to his questions and

908
00:34:08,950 --> 00:34:06,559
that's a new turn of events

909
00:34:11,109 --> 00:34:08,960
quoting from the book again quote

910
00:34:12,389 --> 00:34:11,119
i appreciated this new kind of attitude

911
00:34:13,990 --> 00:34:12,399
toward me

912
00:34:15,669 --> 00:34:14,000
what are you creatures that you can do

913
00:34:18,710 --> 00:34:15,679

something like that

914

00:34:20,310 --> 00:34:18,720

the energy they radiated was not a bluff

915

00:34:22,230 --> 00:34:20,320

i knew they were going to give me a

916

00:34:24,550 --> 00:34:22,240

truthful answer

917

00:34:27,349 --> 00:34:24,560

we are star people

918

00:34:29,990 --> 00:34:27,359

okay so you say but what exactly is that

919

00:34:33,510 --> 00:34:30,000

supposed to mean star people like you're

920

00:34:35,510 --> 00:34:33,520

from another star okay but people look

921

00:34:36,869 --> 00:34:35,520

humans are people and you're not human

922

00:34:39,030 --> 00:34:36,879

certainly

923

00:34:40,710 --> 00:34:39,040

they had no response to that but i've

924

00:34:42,310 --> 00:34:40,720

been thinking about something else and

925

00:34:44,790 --> 00:34:42,320

as long as they seem to be listening to

926
00:34:45,990 --> 00:34:44,800
me i figured i might as well let go with

927
00:34:48,149 --> 00:34:46,000
it

928
00:34:49,829 --> 00:34:48,159
okay so you're from another star which

929
00:34:52,389 --> 00:34:49,839
means you get back and forth in some

930
00:34:54,550 --> 00:34:52,399
sort of starship so if i wanted to go

931
00:34:56,310 --> 00:34:54,560
with you you know travel the universe

932
00:34:57,910 --> 00:34:56,320
would you take me

933
00:34:59,829 --> 00:34:57,920
yes

934
00:35:02,310 --> 00:34:59,839
much time passed and thought because i

935
00:35:03,829 --> 00:35:02,320
knew they meant what they said if i

936
00:35:05,030 --> 00:35:03,839
didn't like it would you bring me back

937
00:35:06,390 --> 00:35:05,040
home

938
00:35:08,150 --> 00:35:06,400

no

939

00:35:10,870 --> 00:35:08,160

clearly they could do what they wanted

940

00:35:12,870 --> 00:35:10,880

with me at any time they had proven that

941

00:35:14,950 --> 00:35:12,880

nonetheless i sensed that they were

942

00:35:17,270 --> 00:35:14,960

telling the truth they would take me

943

00:35:18,230 --> 00:35:17,280

away if i requested it for whatever

944

00:35:19,829 --> 00:35:18,240

reason

945

00:35:22,230 --> 00:35:19,839

they were actually responding and

946

00:35:23,589 --> 00:35:22,240

listening to me and i found their offer

947

00:35:26,390 --> 00:35:23,599

intriguing

948

00:35:29,349 --> 00:35:26,400

then i began thinking no more hot dogs

949

00:35:31,270 --> 00:35:29,359

hamburgers steaks and oh my god no beer

950

00:35:32,790 --> 00:35:31,280

plus the smell of cut grass that gave me

951

00:35:35,030 --> 00:35:32,800

a warm feeling

952

00:35:37,190 --> 00:35:35,040

i contemplated this for a moment

953

00:35:39,910 --> 00:35:37,200

then said i love the earth and as much

954

00:35:41,349 --> 00:35:39,920

as i'd like to go i better pass for now

955

00:35:43,750 --> 00:35:41,359

but just for now

956

00:35:45,990 --> 00:35:43,760

unquote

957

00:35:48,069 --> 00:35:46,000

so let's be clear about what jim

958

00:35:50,710 --> 00:35:48,079

determined in terms of the nature of the

959

00:35:53,109 --> 00:35:50,720

relationship between himself and these

960

00:35:56,069 --> 00:35:53,119

others and in fact between many human

961

00:35:57,990 --> 00:35:56,079

beings apparently and these others

962

00:35:58,950 --> 00:35:58,000

they apparently have been interacting

963

00:36:01,990 --> 00:35:58,960

with us

964

00:36:04,710 --> 00:36:02,000

for generation millennia in fact at one

965

00:36:07,190 --> 00:36:04,720

point they showed him these projections

966

00:36:09,510 --> 00:36:07,200

of various previous incarnations going

967

00:36:10,390 --> 00:36:09,520

back in time a couple centuries at a

968

00:36:13,750 --> 00:36:10,400

time

969

00:36:15,430 --> 00:36:13,760

all the way back indeed to early

970

00:36:17,109 --> 00:36:15,440

humanity where we were basically not

971

00:36:18,710 --> 00:36:17,119

much more than apes

972

00:36:21,910 --> 00:36:18,720

and it was clear that they had been

973

00:36:23,430 --> 00:36:21,920

interacting with us throughout

974

00:36:26,150 --> 00:36:23,440

in addition there was clearly a

975

00:36:28,310 --> 00:36:26,160

hybridization program going on and of

976

00:36:30,550 --> 00:36:28,320

course this is very familiar to us this

977

00:36:33,030 --> 00:36:30,560

kind of scenario is discussed often in

978

00:36:34,710 --> 00:36:33,040

the ufo phenomenon it happens to people

979

00:36:37,990 --> 00:36:34,720

a lot of the time

980

00:36:40,790 --> 00:36:38,000

indeed jim goes on to one day meet a

981

00:36:42,950 --> 00:36:40,800

daughter that he recognizes that he sees

982

00:36:45,030 --> 00:36:42,960

her as having some of his features

983

00:36:47,829 --> 00:36:45,040

even though she has the larger eyes and

984

00:36:50,230 --> 00:36:47,839

various other aspects the small nose the

985

00:36:53,430 --> 00:36:50,240

slit for her mouth that definitely show

986

00:36:55,829 --> 00:36:53,440

that she is also partly alien

987

00:36:59,910 --> 00:36:55,839

the interaction they have is warm even

988

00:37:03,190 --> 00:37:01,670

now again some people will still be

989

00:37:04,470 --> 00:37:03,200
disturbed by the nature of these

990

00:37:06,630 --> 00:37:04,480
interactions

991

00:37:08,950 --> 00:37:06,640
because even though they become more

992

00:37:11,349 --> 00:37:08,960
cooperative with him more sharing with

993

00:37:13,109 --> 00:37:11,359
him over time once they trust him and

994

00:37:14,069 --> 00:37:13,119
sense that he won't act like a caged

995

00:37:15,910 --> 00:37:14,079
animal

996

00:37:18,150 --> 00:37:15,920
from another perspective they are still

997

00:37:20,790 --> 00:37:18,160
very much the ones in control they are

998

00:37:22,790 --> 00:37:20,800
the overseers they are the ones taking

999

00:37:25,670 --> 00:37:22,800
human beings supposedly on board these

1000

00:37:28,390 --> 00:37:25,680
craft and extracting either semen or

1001
00:37:31,990 --> 00:37:28,400
eggs in the case of females and using

1002
00:37:34,069 --> 00:37:32,000
these to supposedly create hybrids

1003
00:37:35,670 --> 00:37:34,079
now there is another side of things

1004
00:37:38,870 --> 00:37:35,680
though and that is that they do give

1005
00:37:41,430 --> 00:37:38,880
things in return for instance jim finds

1006
00:37:43,349 --> 00:37:41,440
that they often will operate on him

1007
00:37:46,069 --> 00:37:43,359
medically when something is wrong with

1008
00:37:48,950 --> 00:37:46,079
him at one point he was very very sick

1009
00:37:50,710 --> 00:37:48,960
with a very severe flu that perhaps it

1010
00:37:52,150 --> 00:37:50,720
seemed like he might not recover from

1011
00:37:53,270 --> 00:37:52,160
even though he didn't get sick very

1012
00:37:55,109 --> 00:37:53,280
often

1013
00:37:57,510 --> 00:37:55,119

they showed up on the scene

1014

00:37:59,349 --> 00:37:57,520

did some various operations and some

1015

00:38:02,230 --> 00:37:59,359

explorations into the nature of his

1016

00:38:04,790 --> 00:38:02,240

illness and the next morning he woke up

1017

00:38:07,190 --> 00:38:04,800

and was completely healed

1018

00:38:09,589 --> 00:38:07,200

also as i mentioned earlier there was

1019

00:38:12,390 --> 00:38:09,599

various capacities that came online

1020

00:38:14,710 --> 00:38:12,400

along the side spectrum and he sees this

1021

00:38:16,550 --> 00:38:14,720

as directly connected to teachings that

1022

00:38:18,390 --> 00:38:16,560

they gave him

1023

00:38:20,790 --> 00:38:18,400

again as i mentioned earlier

1024

00:38:22,950 --> 00:38:20,800

he begins to realize the implications of

1025

00:38:24,870 --> 00:38:22,960

their teachings were much deeper than he

1026

00:38:26,470 --> 00:38:24,880

first understood

1027

00:38:28,550 --> 00:38:26,480

that the nature of the teaching was

1028

00:38:29,910 --> 00:38:28,560

somehow changing the way his brain

1029

00:38:31,829 --> 00:38:29,920

operated

1030

00:38:33,829 --> 00:38:31,839

that he could begin to think at the

1031

00:38:36,150 --> 00:38:33,839

speed that they could and that he could

1032

00:38:37,910 --> 00:38:36,160

also begin to manipulate his physical

1033

00:38:41,270 --> 00:38:37,920

environment through the use of

1034

00:38:43,670 --> 00:38:41,280

capacities such as telekinesis

1035

00:38:45,990 --> 00:38:43,680

so this is why i referred to the nature

1036

00:38:49,349 --> 00:38:46,000

of the relationship between human beings

1037

00:38:52,069 --> 00:38:49,359

and these others as symbiotic

1038

00:38:54,150 --> 00:38:52,079

because we clearly seem to have been

1039

00:38:55,910 --> 00:38:54,160

for a very long period of time perhaps

1040

00:38:58,150 --> 00:38:55,920

our entire history

1041

00:39:01,510 --> 00:38:58,160

connected to and associated with these

1042

00:39:03,990 --> 00:39:01,520

others and they get things from us and

1043

00:39:06,230 --> 00:39:04,000

in exchange they do things for us they

1044

00:39:09,990 --> 00:39:06,240

take care of us medically and what not

1045

00:39:11,990 --> 00:39:10,000

and also perhaps increase our capacities

1046

00:39:12,950 --> 00:39:12,000

perhaps preparing us for something to

1047

00:39:15,510 --> 00:39:12,960

come

1048

00:39:18,630 --> 00:39:15,520

in fact jim senses that this is exactly

1049

00:39:23,670 --> 00:39:20,630

now one of the penultimate scenes in the

1050

00:39:26,390 --> 00:39:23,680

book is when a group of these others

1051

00:39:28,950 --> 00:39:26,400

reveal their true appearance to jim

1052

00:39:31,510 --> 00:39:28,960

according to them anyway what he sees is

1053

00:39:33,430 --> 00:39:31,520

a group of very large reptilians and

1054

00:39:34,710 --> 00:39:33,440

indeed they are quite daunting in

1055

00:39:36,870 --> 00:39:34,720

appearance

1056

00:39:38,470 --> 00:39:36,880

they say to him that they hid their true

1057

00:39:41,510 --> 00:39:38,480

appearance because they knew it would

1058

00:39:43,030 --> 00:39:41,520

put quote fear in his heart

1059

00:39:45,030 --> 00:39:43,040

they go on to say that they have

1060

00:39:47,109 --> 00:39:45,040

actually been in contact with human

1061

00:39:49,589 --> 00:39:47,119

governments and they've tried to help

1062

00:39:51,430 --> 00:39:49,599

humanity to transcend its level of

1063

00:39:54,550 --> 00:39:51,440

consciousness

1064

00:39:55,829 --> 00:39:54,560

this is what they say to him quote

1065

00:39:58,150 --> 00:39:55,839

there are some things you need to

1066

00:40:00,069 --> 00:39:58,160

understand yes it's true that we have

1067

00:40:01,349 --> 00:40:00,079

been in contact with your government and

1068

00:40:03,190 --> 00:40:01,359

heads of power

1069

00:40:05,030 --> 00:40:03,200

it is also true that agreements have

1070

00:40:07,670 --> 00:40:05,040

been made and kept secret from your

1071

00:40:09,589 --> 00:40:07,680

people it is also true that in the past

1072

00:40:12,550 --> 00:40:09,599

some of your people have lost their

1073

00:40:13,910 --> 00:40:12,560

lives or have been badly hurt to protect

1074

00:40:16,150 --> 00:40:13,920

this secret

1075

00:40:17,910 --> 00:40:16,160

our hands had no part in this we

1076

00:40:20,630 --> 00:40:17,920

contacted your leaders because your

1077

00:40:21,990 --> 00:40:20,640

planet is in grave trouble your leaders

1078

00:40:24,150 --> 00:40:22,000

said the vast majority of your

1079

00:40:26,630 --> 00:40:24,160

population wasn't ready for anything

1080

00:40:28,870 --> 00:40:26,640

like us yet so we made the agreements

1081

00:40:31,349 --> 00:40:28,880

with your leaders as to when your people

1082

00:40:33,589 --> 00:40:31,359

would be made aware of our presence

1083

00:40:34,950 --> 00:40:33,599

this part of the agreement has not at

1084

00:40:37,510 --> 00:40:34,960

all been kept

1085

00:40:39,349 --> 00:40:37,520

it was also agreed that in the meantime

1086

00:40:42,150 --> 00:40:39,359

steps will be taken to correct the

1087

00:40:44,870 --> 00:40:42,160

environmental condition of your planet

1088

00:40:47,349 --> 00:40:44,880

with our advice and technology

1089

00:40:50,309 --> 00:40:47,359

we say advice because we respect the

1090

00:40:52,470 --> 00:40:50,319

fact that this is your planet not ours

1091

00:40:54,950 --> 00:40:52,480

they also broke this agreement

1092

00:40:57,109 --> 00:40:54,960

unquote

1093

00:40:59,589 --> 00:40:57,119

and here again we're reminded of this

1094

00:41:01,750 --> 00:40:59,599

symbiotic kind of relationship yes

1095

00:41:03,910 --> 00:41:01,760

perhaps they want things from us our

1096

00:41:06,550 --> 00:41:03,920

biological material apparently

1097

00:41:08,069 --> 00:41:06,560

but they also want to help us some

1098

00:41:10,150 --> 00:41:08,079

people might look at that like they're

1099

00:41:12,390 --> 00:41:10,160

just enabling a kind of

1100

00:41:14,069 --> 00:41:12,400

cattle that they own but i think it's

1101

00:41:15,030 --> 00:41:14,079

more than that it's more complicated

1102

00:41:17,030 --> 00:41:15,040

than that

1103

00:41:18,870 --> 00:41:17,040

they clearly want to help human beings

1104

00:41:21,270 --> 00:41:18,880

transcend their current level of

1105

00:41:23,510 --> 00:41:21,280

consciousness they're very aware for

1106

00:41:25,349 --> 00:41:23,520

instance that we are doing grave damage

1107

00:41:27,589 --> 00:41:25,359

to our planet

1108

00:41:29,190 --> 00:41:27,599

and of course this is a theme that comes

1109

00:41:32,390 --> 00:41:29,200

up repeatedly

1110

00:41:34,230 --> 00:41:32,400

in the ufo phenomenon literature

1111

00:41:36,790 --> 00:41:34,240

human beings that are abducted or

1112

00:41:39,589 --> 00:41:36,800

contacted whatever words you prefer are

1113

00:41:42,309 --> 00:41:39,599

shown apocalyptic images are shown the

1114

00:41:44,069 --> 00:41:42,319

world on fire that kind of thing

1115

00:41:46,710 --> 00:41:44,079

in fact jim goes on to say that there

1116

00:41:48,470 --> 00:41:46,720

are actually implants put into human

1117

00:41:51,030 --> 00:41:48,480

beings while they are watching these

1118

00:41:53,829 --> 00:41:51,040

projections of these apocalyptic images

1119

00:41:56,630 --> 00:41:53,839

which only increase the emotional

1120

00:41:59,270 --> 00:41:56,640

turmoil and urgency people feel when

1121

00:42:01,910 --> 00:41:59,280

they see these scenes

1122

00:42:04,710 --> 00:42:01,920

it seems like some sort of subconscious

1123

00:42:05,589 --> 00:42:04,720

subliminal kind of messaging is taking

1124

00:42:08,230 --> 00:42:05,599

place

1125

00:42:11,109 --> 00:42:08,240

perhaps with the hopes that a large

1126
00:42:14,230 --> 00:42:11,119
group of human beings will really become

1127
00:42:16,630 --> 00:42:14,240
enabled and equipped to start teaching

1128
00:42:18,790 --> 00:42:16,640
others about the grave damage we are

1129
00:42:20,550 --> 00:42:18,800
doing to the planet

1130
00:42:23,030 --> 00:42:20,560
now also according to that section of

1131
00:42:25,190 --> 00:42:23,040
the book i just read from at some point

1132
00:42:28,390 --> 00:42:25,200
these others supposedly contacted our

1133
00:42:30,870 --> 00:42:28,400
governments and wanted a mass disclosure

1134
00:42:33,510 --> 00:42:30,880
to take place where their presence would

1135
00:42:35,349 --> 00:42:33,520
be made known to all of us and that they

1136
00:42:37,190 --> 00:42:35,359
would then help us to deal with the

1137
00:42:38,390 --> 00:42:37,200
maladies we were facing

1138
00:42:40,150 --> 00:42:38,400

not the least of which was the

1139

00:42:42,790 --> 00:42:40,160

environmental damage we were doing to

1140

00:42:47,109 --> 00:42:44,950

and of course also according to these

1141

00:42:48,790 --> 00:42:47,119

others the governments of the world did

1142

00:42:50,870 --> 00:42:48,800

not honor agreements that were

1143

00:42:52,790 --> 00:42:50,880

apparently made

1144

00:42:54,790 --> 00:42:52,800

whether this actually happened is hard

1145

00:42:56,630 --> 00:42:54,800

to tell for sure it seems like that

1146

00:42:59,030 --> 00:42:56,640

would be quite a secret to keep under

1147

00:43:01,670 --> 00:42:59,040

wraps for this long even though we have

1148

00:43:04,550 --> 00:43:01,680

heard hints here and there

1149

00:43:06,950 --> 00:43:04,560

that said if that did happen perhaps

1150

00:43:09,510 --> 00:43:06,960

that's why these others changed their

1151
00:43:12,230 --> 00:43:09,520
approach and decided more of a mass

1152
00:43:15,109 --> 00:43:12,240
subversive kind of contact where a kind

1153
00:43:17,589 --> 00:43:15,119
of subliminal subconscious kind of

1154
00:43:19,829 --> 00:43:17,599
entraining goes on amongst perhaps

1155
00:43:23,990 --> 00:43:19,839
millions of human beings in order to

1156
00:43:26,550 --> 00:43:24,000
facilitate a change that way

1157
00:43:28,390 --> 00:43:26,560
and on that note we've come to the close

1158
00:43:30,390 --> 00:43:28,400
of another edition of the point of

1159
00:43:32,790 --> 00:43:30,400
convergence podcast

1160
00:43:34,870 --> 00:43:32,800
as always let's keep this conversation

1161
00:43:37,030 --> 00:43:34,880
going and growing

1162
00:43:38,870 --> 00:43:37,040
but until next time friends from deep

1163
00:43:42,230 --> 00:43:38,880

within the blue ridge mountains of north
