2  
00:00:14,230 --> 00:00:11,589

hello and welcome to episode number 41

3  
00:00:18,550 --> 00:00:14,240

of the point of convergence podcast as

4  
00:00:20,790 --> 00:00:18,560

always i am your host exo academian

5  
00:00:23,509 --> 00:00:20,800

to anyone with the faintest familiarity

6  
00:00:25,349 --> 00:00:23,519

with the topic of the ufo phenomenon it

7  
00:00:28,390 --> 00:00:25,359

is well understood that a central and

8  
00:00:29,990 --> 00:00:28,400

long-standing aspect of this phenomenon

9  
00:00:32,310 --> 00:00:30,000

involves not just sightings of

10  
00:00:33,750 --> 00:00:32,320

unexplained manifestations in the skies

11  
00:00:36,389 --> 00:00:33,760

above our heads

12  
00:00:38,790 --> 00:00:36,399

but also contact and communication

13  
00:00:41,510 --> 00:00:38,800

between human beings and supposed

14

00:00:44,310 --> 00:00:41,520

intelligent entities from elsewhere and

15

00:00:46,630 --> 00:00:44,320

perhaps even elsewhere as what we might

16

00:00:48,950 --> 00:00:46,640

perceive as movement through time might

17

00:00:52,470 --> 00:00:48,960

be as commonplace for them as what we

18

00:00:55,350 --> 00:00:52,480

perceive as movement through space

19

00:00:57,350 --> 00:00:55,360

that said as much as both monologues and

20

00:00:59,990 --> 00:00:57,360

dialogues are a key aspect of this

21

00:01:02,389 --> 00:01:00,000

endeavor the manner of communication has

22

00:01:04,229 --> 00:01:02,399

been decidedly varied even though there

23

00:01:06,789 --> 00:01:04,239

are some key components that repeat

24

00:01:08,870 --> 00:01:06,799

themselves time and time again

25

00:01:11,030 --> 00:01:08,880

in terms of the differences sometimes

26

00:01:12,950 --> 00:01:11,040

the messages are delivered in a linear

27

00:01:14,710 --> 00:01:12,960

chain of thought kind of way

28

00:01:16,789 --> 00:01:14,720

somewhat akin to how human beings

29

00:01:19,510 --> 00:01:16,799

communicate with each other

30

00:01:21,990 --> 00:01:19,520

other times entire bodies of knowledge

31

00:01:25,109 --> 00:01:22,000

just suddenly for lack of a better word

32

00:01:26,950 --> 00:01:25,119

arrive in the mind of the contact t

33

00:01:29,590 --> 00:01:26,960

these so-called downloads are

34

00:01:31,590 --> 00:01:29,600

astonishing because unlike computer

35

00:01:33,910 --> 00:01:31,600

files streaming from a server for

36

00:01:36,710 --> 00:01:33,920

instance these packets of information

37

00:01:39,510 --> 00:01:36,720

seem to be instantaneous no matter how

38

00:01:42,230 --> 00:01:39,520

vast the data being received is

39  
00:01:43,910 --> 00:01:42,240  
and these downloads often can overwhelm

40  
00:01:45,109 --> 00:01:43,920  
the recipient in the sense that

41  
00:01:47,190 --> 00:01:45,119  
sometimes

42  
00:01:49,190 --> 00:01:47,200  
these involve technical information that

43  
00:01:50,630 --> 00:01:49,200  
the individual doesn't have the capacity

44  
00:01:53,030 --> 00:01:50,640  
to understand

45  
00:01:54,710 --> 00:01:53,040  
often leading them to seek out others

46  
00:01:56,149 --> 00:01:54,720  
who do

47  
00:01:58,069 --> 00:01:56,159  
i mentioned there are also key

48  
00:02:00,149 --> 00:01:58,079  
components that repeat themselves time

49  
00:02:02,230 --> 00:02:00,159  
and time again when we look across the

50  
00:02:05,670 --> 00:02:02,240  
body of data obtained regarding the

51  
00:02:08,070 --> 00:02:05,680  
literature behind the ufo phenomenon

52  
00:02:10,550 --> 00:02:08,080  
a key aspect that appears almost every

53  
00:02:13,910 --> 00:02:10,560  
time we hear of supposed contact between

54  
00:02:17,110 --> 00:02:13,920  
these others and human beings is that of

55  
00:02:19,670 --> 00:02:17,120  
telepathy mind to mind communication

56  
00:02:21,670 --> 00:02:19,680  
that bypasses the need for speech

57  
00:02:23,990 --> 00:02:21,680  
altogether

58  
00:02:26,550 --> 00:02:24,000  
one should note here however that often

59  
00:02:29,510 --> 00:02:26,560  
the kind of telepathy reported between

60  
00:02:32,150 --> 00:02:29,520  
human beings and aliens is of a much

61  
00:02:35,350 --> 00:02:32,160  
more robust nature than types reported

62  
00:02:38,070 --> 00:02:35,360  
between two human beings for instance

63  
00:02:40,070 --> 00:02:38,080

when telepathy occurs between people

64

00:02:42,390 --> 00:02:40,080

information still tends to be chained

65

00:02:46,390 --> 00:02:42,400

together piece by piece in linear

66

00:02:48,150 --> 00:02:46,400

fashion and shared directly mind to mind

67

00:02:50,550 --> 00:02:48,160

in the case of alien to human

68

00:02:52,790 --> 00:02:50,560

communication however the nature of the

69

00:02:55,910 --> 00:02:52,800

communication often involves much more

70

00:02:58,790 --> 00:02:55,920

than simply ideas or thought forms

71

00:03:00,149 --> 00:02:58,800

but also rich multi-faceted elements of

72

00:03:03,430 --> 00:03:00,159

emotion

73

00:03:05,430 --> 00:03:03,440

so much so that total presence telepathy

74

00:03:09,190 --> 00:03:05,440

might be a better way to describe this

75

00:03:11,190 --> 00:03:09,200

particular kind of communication

76

00:03:13,910 --> 00:03:11,200

another key piece of the communication

77

00:03:16,229 --> 00:03:13,920

between the others and human beings that

78

00:03:18,949 --> 00:03:16,239

occurs with striking regularity

79

00:03:21,270 --> 00:03:18,959

is the nature of the messages themselves

80

00:03:23,910 --> 00:03:21,280

repeated elements include concern for

81

00:03:26,149 --> 00:03:23,920

the trajectory of human civilization

82

00:03:28,710 --> 00:03:26,159

concern over our disproportionate rate

83

00:03:30,830 --> 00:03:28,720

of growth in technology when compared

84

00:03:33,430 --> 00:03:30,840

with our snails pace growth in

85

00:03:35,589 --> 00:03:33,440

consciousness concern over our seeming

86

00:03:38,149 --> 00:03:35,599

negligence in caring for the planet that

87

00:03:40,710 --> 00:03:38,159

is home to not only us but countless

88

00:03:42,630 --> 00:03:40,720

animal species and perhaps even to

89

00:03:43,589 --> 00:03:42,640

beings living in some kind of shadow

90

00:03:45,509 --> 00:03:43,599

biome

91

00:03:46,869 --> 00:03:45,519

beyond the parameters of normal human

92

00:03:49,350 --> 00:03:46,879

perception

93

00:03:51,750 --> 00:03:49,360

and concern with our overall propensity

94

00:03:53,990 --> 00:03:51,760

towards violence and aggression within

95

00:03:55,830 --> 00:03:54,000

our own species

96

00:03:58,390 --> 00:03:55,840

without a doubt the revelations that

97

00:04:00,390 --> 00:03:58,400

have emerged in this particular arena

98

00:04:02,949 --> 00:04:00,400

are amongst the most compelling and the

99

00:04:04,949 --> 00:04:02,959

most telling of the entire ufo

100

00:04:07,030 --> 00:04:04,959

phenomenon

101

00:04:09,190 --> 00:04:07,040

what do both the nature of the messages

102

00:04:11,429 --> 00:04:09,200

received as well as the fascinating

103

00:04:12,149 --> 00:04:11,439

manner in which they are communicated to

104

00:04:17,189 --> 00:04:12,159

us

105

00:04:18,949 --> 00:04:17,199

alien intelligences

106

00:04:22,550 --> 00:04:18,959

these are the very matters we'll seek to

107

00:04:26,780 --> 00:04:22,560

engage with in this the 41st episode of

108

00:04:32,070 --> 00:04:30,150

[Music]

109

00:04:34,310 --> 00:04:32,080

as i mentioned in the introduction

110

00:04:36,870 --> 00:04:34,320

perhaps the most common type of

111

00:04:39,749 --> 00:04:36,880

communication that is reported between

112

00:04:43,030 --> 00:04:39,759

human beings and apparent aliens

113

00:04:44,950 --> 00:04:43,040

is telepathic communication that is mind

114

00:04:47,510 --> 00:04:44,960

to mind communication that doesn't

115

00:04:49,990 --> 00:04:47,520

involve speech at all

116

00:04:51,830 --> 00:04:50,000

in fact this form is so common that i

117

00:04:53,909 --> 00:04:51,840

sometimes wonder if people are just

118

00:04:56,390 --> 00:04:53,919

misremembering or are filling in the

119

00:04:58,870 --> 00:04:56,400

blanks so to speak based on previous

120

00:05:01,670 --> 00:04:58,880

experience amongst human beings when

121

00:05:03,430 --> 00:05:01,680

they claim these others do speak audibly

122

00:05:05,749 --> 00:05:03,440

from my point of view they may have had

123

00:05:07,590 --> 00:05:05,759

vocal cords at one point but may very

124

00:05:11,189 --> 00:05:07,600

well have evolved beyond the need for

125

00:05:13,029 --> 00:05:11,199

them once telepathy became paramount

126

00:05:15,110 --> 00:05:13,039

so what i'm saying is

127

00:05:17,749 --> 00:05:15,120

for those who do claim they hear them

128

00:05:19,909 --> 00:05:17,759

audibly perhaps people are just assuming

129

00:05:22,150 --> 00:05:19,919

that because we're so accustomed to

130

00:05:24,070 --> 00:05:22,160

communicating in that fashion

131

00:05:25,909 --> 00:05:24,080

when actually it may be happening inside

132

00:05:27,990 --> 00:05:25,919

their brain and they're just having a

133

00:05:30,469 --> 00:05:28,000

hard time recognizing the difference

134

00:05:32,150 --> 00:05:30,479

between that and actually processing

135

00:05:34,070 --> 00:05:32,160

audible speech

136

00:05:35,990 --> 00:05:34,080

that isn't to say it's not possible

137

00:05:38,310 --> 00:05:36,000

perhaps they can still

138

00:05:40,710 --> 00:05:38,320

do this again they can project into our

139

00:05:43,029 --> 00:05:40,720

consciousness it seems to be

140

00:05:45,590 --> 00:05:43,039

based on the historical data

141

00:05:47,670 --> 00:05:45,600

so in that sense they certainly might do

142

00:05:50,710 --> 00:05:47,680

that if they choose to in certain

143

00:05:53,590 --> 00:05:50,720

occasions perhaps to put us at ease but

144

00:05:55,670 --> 00:05:53,600

again by default the usual form of

145

00:05:59,510 --> 00:05:55,680

communication by far

146

00:06:01,670 --> 00:05:59,520

is telepathic in nature

147

00:06:04,230 --> 00:06:01,680

but as i mentioned in the introduction

148

00:06:06,550 --> 00:06:04,240

this is much more than traditional

149

00:06:08,550 --> 00:06:06,560

telepathy as it's understood

150

00:06:11,029 --> 00:06:08,560

for instance there have been

151  
00:06:13,350 --> 00:06:11,039  
proven cases where telepathy happens

152  
00:06:15,830 --> 00:06:13,360  
between human beings this seems to be

153  
00:06:18,070 --> 00:06:15,840  
something underlyingly true about all

154  
00:06:20,150 --> 00:06:18,080  
conscious agents in the cosmos that we

155  
00:06:22,550 --> 00:06:20,160  
have this capacity

156  
00:06:24,950 --> 00:06:22,560  
but what human beings report when they

157  
00:06:27,749 --> 00:06:24,960  
are in contact with the others these

158  
00:06:29,749 --> 00:06:27,759  
supposed alien intelligences is a much

159  
00:06:31,029 --> 00:06:29,759  
more robust form of telepathic

160  
00:06:33,189 --> 00:06:31,039  
communication

161  
00:06:36,710 --> 00:06:33,199  
where as i said it's not just thought

162  
00:06:38,790 --> 00:06:36,720  
forms pieced together in linear thought

163  
00:06:41,110 --> 00:06:38,800

but a much more multi-dimensional

164

00:06:42,550 --> 00:06:41,120

sharing of the entire presence of that

165

00:06:44,390 --> 00:06:42,560

other being

166

00:06:47,590 --> 00:06:44,400

sometimes it even happens that a human

167

00:06:50,550 --> 00:06:47,600

being picks up the entire presences of

168

00:06:52,870 --> 00:06:50,560

multiple entities and this is again

169

00:06:54,629 --> 00:06:52,880

extremely overwhelming for people

170

00:06:56,629 --> 00:06:54,639

because we are not accustomed to this

171

00:06:58,790 --> 00:06:56,639

kind of experience

172

00:07:00,950 --> 00:06:58,800

and speaking of that i'd like to engage

173

00:07:02,790 --> 00:07:00,960

in a little bit of speculation here

174

00:07:04,309 --> 00:07:02,800

after all this is the ufo phenomenon

175

00:07:07,270 --> 00:07:04,319

we're talking about plenty of

176

00:07:09,670 --> 00:07:07,280

speculation goes on here

177

00:07:12,070 --> 00:07:09,680

it may be that when people feel

178

00:07:14,950 --> 00:07:12,080

this sense of death even they've used

179

00:07:17,189 --> 00:07:14,960

that term almost like self erasure when

180

00:07:19,189 --> 00:07:17,199

they are in the presence of these others

181

00:07:20,629 --> 00:07:19,199

it could be for this very reason we're

182

00:07:22,469 --> 00:07:20,639

pointing at here

183

00:07:25,990 --> 00:07:22,479

that when they are in the presence of

184

00:07:28,870 --> 00:07:26,000

these others a complete sharing happens

185

00:07:31,110 --> 00:07:28,880

of entire presences your presence feels

186

00:07:34,150 --> 00:07:31,120

completely vulnerable and exposed to

187

00:07:37,029 --> 00:07:34,160

them the totality of who you are past

188

00:07:39,189 --> 00:07:37,039

present future every fear every mistake

189

00:07:40,070 --> 00:07:39,199

you've ever made every deep sense of

190

00:07:43,430 --> 00:07:40,080

guilt

191

00:07:45,909 --> 00:07:43,440

and shame all of that is laid bare

192

00:07:48,309 --> 00:07:45,919

and likewise their entire presence is

193

00:07:51,270 --> 00:07:48,319

laid bare before you and so in that

194

00:07:54,550 --> 00:07:51,280

process our usual sense of a dividing

195

00:07:57,270 --> 00:07:54,560

line between ourselves and others

196

00:07:59,909 --> 00:07:57,280

is erased effectively and this may lead

197

00:08:02,230 --> 00:07:59,919

to that sense of death that overwhelm

198

00:08:04,710 --> 00:08:02,240

that makes people feel so lost

199

00:08:06,710 --> 00:08:04,720

so completely bewildered by the nature

200

00:08:08,710 --> 00:08:06,720

of the experience

201  
00:08:11,589 --> 00:08:08,720  
so in terms of various mediums of

202  
00:08:13,990 --> 00:08:11,599  
communication by far telepathy is the

203  
00:08:16,790 --> 00:08:14,000  
most common form

204  
00:08:18,950 --> 00:08:16,800  
next up i'd like to discuss channeling

205  
00:08:21,029 --> 00:08:18,960  
now what is channeling

206  
00:08:22,550 --> 00:08:21,039  
according to a book titled the science

207  
00:08:24,629 --> 00:08:22,560  
of channeling

208  
00:08:27,430 --> 00:08:24,639  
quote channeling is the process of

209  
00:08:29,510 --> 00:08:27,440  
revealing information and energy not

210  
00:08:32,230 --> 00:08:29,520  
limited by our conventional notions of

211  
00:08:34,949 --> 00:08:32,240  
space and time that can appear receptive

212  
00:08:37,269 --> 00:08:34,959  
or expressive unquote

213  
00:08:39,589 --> 00:08:37,279

now when most people think of channeling

214

00:08:41,350 --> 00:08:39,599

they're familiar with a kind of trans

215

00:08:43,829 --> 00:08:41,360

channeling in other words a person seems

216

00:08:46,949 --> 00:08:43,839

to be in a state of trance

217

00:08:49,750 --> 00:08:46,959

and they allow a supposed entity other

218

00:08:53,110 --> 00:08:49,760

than themselves to take over their body

219

00:08:56,230 --> 00:08:53,120

take over their vocal cords etc and use

220

00:08:58,870 --> 00:08:56,240

their body as a vehicle to communicate

221

00:09:01,190 --> 00:08:58,880

this can happen with deceased spirits in

222

00:09:04,070 --> 00:09:01,200

other words deceased human beings

223

00:09:07,190 --> 00:09:04,080

of course angels a higher self perhaps

224

00:09:09,269 --> 00:09:07,200

even and certainly aliens

225

00:09:11,670 --> 00:09:09,279

by the way another word for channeling

226

00:09:14,070 --> 00:09:11,680

is mediumship both those terms are

227

00:09:17,350 --> 00:09:14,080

interchangeable and it basically refers

228

00:09:19,670 --> 00:09:17,360

to as i said a human being's body being

229

00:09:22,870 --> 00:09:19,680

taken over so that it can become a

230

00:09:25,110 --> 00:09:22,880

vehicle for expression by some entity

231

00:09:27,509 --> 00:09:25,120

often an entity that's not physically

232

00:09:28,870 --> 00:09:27,519

present some sort of energetic presence

233

00:09:30,790 --> 00:09:28,880

instead

234

00:09:33,430 --> 00:09:30,800

in religious circles of course this is

235

00:09:35,350 --> 00:09:33,440

often known as possession and is often

236

00:09:37,030 --> 00:09:35,360

thought of as a negative thing

237

00:09:39,829 --> 00:09:37,040

but there are many examples where this

238

00:09:41,829 --> 00:09:39,839

is a positive occurrence as well

239

00:09:44,310 --> 00:09:41,839

i'd like to give you an example of what

240

00:09:47,990 --> 00:09:44,320

this tends to look like by quoting from

241

00:09:48,829 --> 00:09:48,000

a book called a primer of the zetta race

242

00:09:51,670 --> 00:09:48,839

which

243

00:09:53,990 --> 00:09:51,680

purportedly contains information that

244

00:09:55,430 --> 00:09:54,000

was channeled through a person named

245

00:09:57,269 --> 00:09:55,440

paul hamden

246

00:10:00,070 --> 00:09:57,279

by these entities

247

00:10:03,269 --> 00:10:00,080

known as zettas thus named because they

248

00:10:06,230 --> 00:10:03,279

are supposedly from zetta reticuli

249

00:10:08,550 --> 00:10:06,240

quoting from this book quote

250

00:10:11,110 --> 00:10:08,560

the information given through paul comes

251  
00:10:12,790 --> 00:10:11,120  
from different races of conscious beings

252  
00:10:13,990 --> 00:10:12,800  
that can live in the energetic

253  
00:10:16,310 --> 00:10:14,000  
environment

254  
00:10:18,630 --> 00:10:16,320  
the most prominent is the zetta race

255  
00:10:19,910 --> 00:10:18,640  
said to be from the zeta reticuli star

256  
00:10:22,069 --> 00:10:19,920  
system

257  
00:10:25,030 --> 00:10:22,079  
like us beings of this race have a

258  
00:10:27,430 --> 00:10:25,040  
physical and an energetic existence but

259  
00:10:29,269 --> 00:10:27,440  
are able to project their energetic body

260  
00:10:32,470 --> 00:10:29,279  
and or their consciousness to other

261  
00:10:34,630 --> 00:10:32,480  
places in the energetic realms this

262  
00:10:37,350 --> 00:10:34,640  
ability enables them to interact with

263  
00:10:39,990 --> 00:10:37,360

paul's body in order to speak using his

264

00:10:41,829 --> 00:10:40,000

physical vocal apparatus

265

00:10:44,389 --> 00:10:41,839

while paul is in the altered state of

266

00:10:47,110 --> 00:10:44,399

consciousness he gives control of his

267

00:10:49,910 --> 00:10:47,120

body to the external communicator

268

00:10:53,509 --> 00:10:49,920

he becomes a passive observer able to

269

00:10:55,750 --> 00:10:53,519

monitor any conversation in the now

270

00:10:57,190 --> 00:10:55,760

but unable to participate in any

271

00:10:59,030 --> 00:10:57,200

conversation

272

00:11:01,430 --> 00:10:59,040

he does not hold any received

273

00:11:03,990 --> 00:11:01,440

information in memory and he is

274

00:11:06,870 --> 00:11:04,000

typically unable to remember it later in

275

00:11:08,710 --> 00:11:06,880

his normal state of awareness

276

00:11:10,630 --> 00:11:08,720

therefore audio recordings of the

277

00:11:12,550 --> 00:11:10,640

sittings are always made

278

00:11:15,269 --> 00:11:12,560

this process is difficult for most

279

00:11:17,269 --> 00:11:15,279

people to comprehend and so i offer a

280

00:11:19,910 --> 00:11:17,279

number of reasons why i believe that

281

00:11:20,949 --> 00:11:19,920

paul interacts with extraterrestrial

282

00:11:23,350 --> 00:11:20,959

beings

283

00:11:26,150 --> 00:11:23,360

these include the nature of some errors

284

00:11:28,069 --> 00:11:26,160

in the use of language the complexity of

285

00:11:31,030 --> 00:11:28,079

the subject matter discussed and the

286

00:11:33,590 --> 00:11:31,040

direct personal experiences that seem to

287

00:11:34,790 --> 00:11:33,600

originate in the zeta being

288

00:11:37,190 --> 00:11:34,800

unquote

289

00:11:39,350 --> 00:11:37,200

now regarding that section i just quoted

290

00:11:42,150 --> 00:11:39,360

and specifically the last part i want to

291

00:11:44,150 --> 00:11:42,160

bring a couple points to your attention

292

00:11:48,150 --> 00:11:44,160

number one the being doing the

293

00:11:49,670 --> 00:11:48,160

channeling is limited by the vocabulary

294

00:11:51,190 --> 00:11:49,680

of the person through which they're

295

00:11:54,550 --> 00:11:51,200

channeling

296

00:11:57,750 --> 00:11:54,560

so in other words this alien entity can

297

00:12:01,030 --> 00:11:57,760

only use the vocabulary available in

298

00:12:03,110 --> 00:12:01,040

paul's mind it searches that mind tries

299

00:12:05,110 --> 00:12:03,120

to find language that

300

00:12:07,670 --> 00:12:05,120

somewhat fits with what they're trying

301

00:12:11,509 --> 00:12:07,680

to express but sometimes you get

302

00:12:14,069 --> 00:12:11,519

peculiar uses of wording and language

303

00:12:15,509 --> 00:12:14,079

because of course english is not their

304

00:12:17,750 --> 00:12:15,519

native language

305

00:12:19,430 --> 00:12:17,760

so sometimes you get the sense that it

306

00:12:21,509 --> 00:12:19,440

is almost like someone whose native

307

00:12:23,430 --> 00:12:21,519

tongue is not english is trying to

308

00:12:25,190 --> 00:12:23,440

express something in other words it

309

00:12:27,430 --> 00:12:25,200

doesn't sound like something paul would

310

00:12:29,910 --> 00:12:27,440

say on his own

311

00:12:31,430 --> 00:12:29,920

another key point is that sometimes

312

00:12:33,509 --> 00:12:31,440

complex

313

00:12:35,910 --> 00:12:33,519

information is shared sometimes even of

314

00:12:37,829 --> 00:12:35,920

a technical nature or sometimes it may

315

00:12:39,509 --> 00:12:37,839

be because these beings are sharing

316

00:12:41,190 --> 00:12:39,519

something about their culture or their

317

00:12:43,269 --> 00:12:41,200

civilization

318

00:12:45,350 --> 00:12:43,279

and again this doesn't seem to be

319

00:12:46,710 --> 00:12:45,360

something that a human being would make

320

00:12:48,550 --> 00:12:46,720

up on the spot

321

00:12:51,030 --> 00:12:48,560

that isn't to say it's impossible

322

00:12:52,710 --> 00:12:51,040

perhaps a really good salesperson could

323

00:12:54,629 --> 00:12:52,720

convince you of this even if they were

324

00:12:56,150 --> 00:12:54,639

making the entire thing up

325

00:12:58,230 --> 00:12:56,160

but in the cases that are the most

326  
00:12:59,750 --> 00:12:58,240  
convincing where this seems to actually

327  
00:13:02,230 --> 00:12:59,760  
be happening

328  
00:13:03,670 --> 00:13:02,240  
it does seem that the vocabulary is

329  
00:13:05,509 --> 00:13:03,680  
limited by the

330  
00:13:06,550 --> 00:13:05,519  
mind of the individual being channeled

331  
00:13:08,230 --> 00:13:06,560  
through

332  
00:13:10,790 --> 00:13:08,240  
and sometimes you get strange

333  
00:13:12,710 --> 00:13:10,800  
translation errors because of that and

334  
00:13:15,910 --> 00:13:12,720  
on top of that you get information that

335  
00:13:18,629 --> 00:13:15,920  
sometimes is very complex more complex

336  
00:13:20,710 --> 00:13:18,639  
than would be typical for the individual

337  
00:13:22,790 --> 00:13:20,720  
who's being channeled through

338  
00:13:25,509 --> 00:13:22,800

next up in our perusal through the

339

00:13:28,310 --> 00:13:25,519

various mediums of communication

340

00:13:29,990 --> 00:13:28,320

used by non-human supposed alien

341

00:13:32,470 --> 00:13:30,000

intelligences

342

00:13:34,949 --> 00:13:32,480

we have what are often referred to as

343

00:13:36,870 --> 00:13:34,959

direct downloads

344

00:13:39,509 --> 00:13:36,880

this term of course arises from the

345

00:13:41,430 --> 00:13:39,519

computer era where we are used to for

346

00:13:43,829 --> 00:13:41,440

instance streaming information from a

347

00:13:46,310 --> 00:13:43,839

server onto our local computer

348

00:13:48,470 --> 00:13:46,320

downloading information

349

00:13:50,550 --> 00:13:48,480

what's interesting with this kind of

350

00:13:52,710 --> 00:13:50,560

download when it comes to alien

351

00:13:54,629 --> 00:13:52,720

intelligences sending information to

352

00:13:56,790 --> 00:13:54,639

human beings though

353

00:13:59,030 --> 00:13:56,800

as i mentioned in the introduction

354

00:14:01,670 --> 00:13:59,040

is that there seems to be no

355

00:14:03,430 --> 00:14:01,680

time gap between when the message begins

356

00:14:05,750 --> 00:14:03,440

and when it ends

357

00:14:08,310 --> 00:14:05,760

often a human being will just suddenly

358

00:14:10,310 --> 00:14:08,320

have a new packet of information

359

00:14:13,910 --> 00:14:10,320

sometimes of a vast amount of

360

00:14:15,670 --> 00:14:13,920

information that wasn't there previously

361

00:14:17,829 --> 00:14:15,680

to give you an example if you think back

362

00:14:19,910 --> 00:14:17,839

to the movie the matrix they would

363

00:14:21,670 --> 00:14:19,920

sometimes send a

364

00:14:24,230 --> 00:14:21,680

packet of information regarding how to

365

00:14:25,670 --> 00:14:24,240

fly a helicopter for instance and almost

366

00:14:27,430 --> 00:14:25,680

instantaneously

367

00:14:30,710 --> 00:14:27,440

someone who couldn't do it previously

368

00:14:33,189 --> 00:14:30,720

somehow now had the capacity to do so

369

00:14:35,509 --> 00:14:33,199

because of this download

370

00:14:38,550 --> 00:14:35,519

now with these others they send this

371

00:14:40,629 --> 00:14:38,560

information and it's instantaneous and

372

00:14:42,790 --> 00:14:40,639

again it can sometimes include very

373

00:14:45,350 --> 00:14:42,800

technical information

374

00:14:47,189 --> 00:14:45,360

and sometimes a human being will wake up

375

00:14:49,509 --> 00:14:47,199

and suddenly realize that something's

376

00:14:52,069 --> 00:14:49,519

happened overnight that now they have

377

00:14:54,710 --> 00:14:52,079

this new information in their minds and

378

00:14:57,030 --> 00:14:54,720

they have no idea where it came from

379

00:14:59,350 --> 00:14:57,040

now there are various cases in history

380

00:15:02,230 --> 00:14:59,360

where people supposedly had this kind of

381

00:15:04,470 --> 00:15:02,240

download and it involved for instance

382

00:15:06,949 --> 00:15:04,480

revolutionary technology

383

00:15:09,670 --> 00:15:06,959

for instance a woman was communicated to

384

00:15:12,710 --> 00:15:09,680

about a perpetual motion machine

385

00:15:15,509 --> 00:15:12,720

that in other words produces more energy

386

00:15:17,430 --> 00:15:15,519

than you put in which of course if that

387

00:15:18,790 --> 00:15:17,440

were true when we achieved something

388

00:15:21,509 --> 00:15:18,800

like that

389

00:15:24,069 --> 00:15:21,519

that would revolutionize our entire

390

00:15:26,790 --> 00:15:24,079

economy because you would now not need

391

00:15:29,030 --> 00:15:26,800

to rely on fossil fuels and you wouldn't

392

00:15:32,150 --> 00:15:29,040

need to rely on nuclear

393

00:15:34,310 --> 00:15:32,160

technology either you could simply start

394

00:15:35,910 --> 00:15:34,320

up this machine and it would perpetually

395

00:15:38,389 --> 00:15:35,920

produce energy

396

00:15:41,030 --> 00:15:38,399

of a vast amount enough to power every

397

00:15:41,910 --> 00:15:41,040

city in the world and it's basically

398

00:15:45,590 --> 00:15:41,920

free

399

00:15:47,990 --> 00:15:45,600

now again the record as to how likely

400

00:15:48,949 --> 00:15:48,000

how specific these kinds of downloads

401  
00:15:51,990 --> 00:15:48,959  
are

402  
00:15:54,310 --> 00:15:52,000  
i would say that the history is somewhat

403  
00:15:56,550 --> 00:15:54,320  
sketchy in other words there haven't

404  
00:15:58,629 --> 00:15:56,560  
been many cases that i'm aware of where

405  
00:16:01,829 --> 00:15:58,639  
this has really panned out

406  
00:16:04,069 --> 00:16:01,839  
now perhaps this was a translation error

407  
00:16:06,310 --> 00:16:04,079  
perhaps there are errors in the way the

408  
00:16:08,230 --> 00:16:06,320  
person's interpreting the download

409  
00:16:10,629 --> 00:16:08,240  
that's sitting in their mind there could

410  
00:16:12,710 --> 00:16:10,639  
be a lot of reasons but that's just

411  
00:16:15,749 --> 00:16:12,720  
cases where extremely technical

412  
00:16:16,949 --> 00:16:15,759  
supposedly revolutionary technology was

413  
00:16:19,189 --> 00:16:16,959

shared

414

00:16:20,949 --> 00:16:19,199

there are many other times where people

415

00:16:23,030 --> 00:16:20,959

do seem to have demonstrable

416

00:16:25,350 --> 00:16:23,040

understandings of data that they

417

00:16:26,949 --> 00:16:25,360

previously had no understanding of

418

00:16:29,590 --> 00:16:26,959

people who had understandings for

419

00:16:32,470 --> 00:16:29,600

instance in areas of science that they

420

00:16:34,470 --> 00:16:32,480

had no capacity for before nor any

421

00:16:36,870 --> 00:16:34,480

history for so these are very

422

00:16:39,189 --> 00:16:36,880

fascinating cases where again the

423

00:16:41,910 --> 00:16:39,199

download comes from these others

424

00:16:45,509 --> 00:16:41,920

seemingly is instantaneous and can

425

00:16:47,749 --> 00:16:45,519

contain vast amounts of information

426  
00:16:50,550 --> 00:16:47,759  
now in terms of my take on these

427  
00:16:51,990 --> 00:16:50,560  
supposed downloads i really do think

428  
00:16:54,710 --> 00:16:52,000  
this happens

429  
00:16:58,230 --> 00:16:54,720  
while again the case for revolutionary

430  
00:17:01,509 --> 00:16:58,240  
technologies may be somewhat scant

431  
00:17:03,749 --> 00:17:01,519  
i personally know of cases where people

432  
00:17:06,630 --> 00:17:03,759  
whom i consider trustworthy

433  
00:17:08,710 --> 00:17:06,640  
have said that it was during a contact

434  
00:17:11,429 --> 00:17:08,720  
or abduction experience when they were

435  
00:17:14,230 --> 00:17:11,439  
young sometimes as a teenager

436  
00:17:16,230 --> 00:17:14,240  
that propelled their interest in or

437  
00:17:18,789 --> 00:17:16,240  
their capacity for

438  
00:17:20,630 --> 00:17:18,799

a certain field of study specifically in

439

00:17:23,110 --> 00:17:20,640

scientific endeavors

440

00:17:25,510 --> 00:17:23,120

capacities that they showed no signs for

441

00:17:27,909 --> 00:17:25,520

beforehand in other words they really

442

00:17:30,150 --> 00:17:27,919

did seem to change it's not even that

443

00:17:32,710 --> 00:17:30,160

their natural capacities were just being

444

00:17:35,430 --> 00:17:32,720

enhanced there seems to be examples

445

00:17:39,270 --> 00:17:35,440

where entirely new giftings were

446

00:17:41,990 --> 00:17:39,280

basically granted given by these others

447

00:17:43,990 --> 00:17:42,000

and in some cases it changed the course

448

00:17:45,909 --> 00:17:44,000

of some people's lives

449

00:17:49,190 --> 00:17:45,919

okay so that covers some of the most

450

00:17:52,549 --> 00:17:49,200

common mediums of communication between

451  
00:17:54,310 --> 00:17:52,559  
these alien non-human intelligences and

452  
00:17:56,070 --> 00:17:54,320  
human beings

453  
00:17:57,350 --> 00:17:56,080  
now let's talk about the messages

454  
00:17:59,350 --> 00:17:57,360  
themselves

455  
00:18:00,950 --> 00:17:59,360  
of course there's more than one there's

456  
00:18:02,630 --> 00:18:00,960  
different kinds of messages that are

457  
00:18:05,830 --> 00:18:02,640  
communicated

458  
00:18:09,110 --> 00:18:05,840  
that said there are a few messages that

459  
00:18:11,110 --> 00:18:09,120  
are front and center time and time again

460  
00:18:14,230 --> 00:18:11,120  
there definitely seems to be a certain

461  
00:18:17,110 --> 00:18:14,240  
theme that these others very commonly

462  
00:18:19,510 --> 00:18:17,120  
want to relay to human beings

463  
00:18:21,750 --> 00:18:19,520

specifically they want to express their

464

00:18:25,190 --> 00:18:21,760

concerns over the far-reaching

465

00:18:27,510 --> 00:18:25,200

consequences of nuclear weapons

466

00:18:29,990 --> 00:18:27,520

and also of the environmental damage

467

00:18:32,470 --> 00:18:30,000

being done directly and indirectly to

468

00:18:35,669 --> 00:18:32,480

the planet as a consequence of human

469

00:18:38,710 --> 00:18:35,679

actions and even as a result a direct

470

00:18:40,390 --> 00:18:38,720

consequence of current human economic

471

00:18:42,789 --> 00:18:40,400

structures

472

00:18:44,230 --> 00:18:42,799

and to be clear this is not just about

473

00:18:46,310 --> 00:18:44,240

messaging

474

00:18:49,510 --> 00:18:46,320

it's much more than that the way that

475

00:18:51,430 --> 00:18:49,520

these others impress the

476  
00:18:54,310 --> 00:18:51,440  
perilous nature of the place we

477  
00:18:56,070 --> 00:18:54,320  
currently find ourselves in is quite

478  
00:18:58,230 --> 00:18:56,080  
astounding

479  
00:19:01,110 --> 00:18:58,240  
for instance contact these slash

480  
00:19:03,190 --> 00:19:01,120  
abductees are very often shown actual

481  
00:19:06,710 --> 00:19:03,200  
scenes of apocalypse

482  
00:19:09,430 --> 00:19:06,720  
so as to drive home the perilous nature

483  
00:19:12,230 --> 00:19:09,440  
of our current trajectory

484  
00:19:14,549 --> 00:19:12,240  
they seem to know us well enough to know

485  
00:19:17,270 --> 00:19:14,559  
we're much more likely to act on

486  
00:19:20,870 --> 00:19:17,280  
something if we felt the consequences

487  
00:19:22,630 --> 00:19:20,880  
directly emotionally viscerally

488  
00:19:25,430 --> 00:19:22,640

rather than merely being warned about

489

00:19:29,270 --> 00:19:25,440

some possible future that we may come

490

00:19:32,390 --> 00:19:29,280

across in a somewhat abstract way

491

00:19:35,430 --> 00:19:32,400

now as i say this theme is very common

492

00:19:37,350 --> 00:19:35,440

this messaging is very common

493

00:19:39,590 --> 00:19:37,360

and to demonstrate this i'd now like to

494

00:19:41,669 --> 00:19:39,600

quote from the book real encounters

495

00:19:42,630 --> 00:19:41,679

different dimensions and otherworldly

496

00:19:46,310 --> 00:19:42,640

beings

497

00:19:49,590 --> 00:19:46,320

by brad steiger and sherry hansensteiger

498

00:19:52,390 --> 00:19:49,600

and they call this the cosmic gospel

499

00:19:54,789 --> 00:19:52,400

from the space brothers again

500

00:19:57,350 --> 00:19:54,799

various entities various intelligences

501  
00:19:59,510 --> 00:19:57,360  
even different races purportedly share

502  
00:20:01,909 --> 00:19:59,520  
this message but the nature of the

503  
00:20:04,070 --> 00:20:01,919  
message is very common

504  
00:20:06,310 --> 00:20:04,080  
quoting from the book quote

505  
00:20:07,830 --> 00:20:06,320  
the essence of the cosmic gospel of the

506  
00:20:11,190 --> 00:20:07,840  
space brothers

507  
00:20:13,750 --> 00:20:11,200  
contains such concepts as the following

508  
00:20:16,789 --> 00:20:13,760  
number one humankind is not alone in the

509  
00:20:19,029 --> 00:20:16,799  
solar system and what humans do somehow

510  
00:20:21,350 --> 00:20:19,039  
affects the entire universe

511  
00:20:22,950 --> 00:20:21,360  
after the explosions of atomic bombs in

512  
00:20:24,549 --> 00:20:22,960  
1945

513  
00:20:25,990 --> 00:20:24,559

signaled that earth had entered the

514

00:20:27,909 --> 00:20:26,000

nuclear age

515

00:20:30,149 --> 00:20:27,919

brothers and sisters from outer space

516

00:20:31,909 --> 00:20:30,159

have come to earth to help those humans

517

00:20:34,390 --> 00:20:31,919

who will listen to their promise of a

518

00:20:36,230 --> 00:20:34,400

larger universe and heed their warnings

519

00:20:37,510 --> 00:20:36,240

to become better caretakers of the

520

00:20:39,510 --> 00:20:37,520

planet

521

00:20:42,230 --> 00:20:39,520

number two the space beings want

522

00:20:45,270 --> 00:20:42,240

humankind to become eligible to join an

523

00:20:47,430 --> 00:20:45,280

intergalactic spiritual federation

524

00:20:49,669 --> 00:20:47,440

number three the space beings have come

525

00:20:52,230 --> 00:20:49,679

to assist the people of earth to lift

526

00:20:54,710 --> 00:20:52,240

their spiritual vibratory rate so they

527

00:20:57,110 --> 00:20:54,720

may enter new dimensions

528

00:20:59,909 --> 00:20:57,120

according to the space beings jesus

529

00:21:02,230 --> 00:20:59,919

krishna confucius and many of the other

530

00:21:04,470 --> 00:21:02,240

leaders of the great religions came to

531

00:21:05,830 --> 00:21:04,480

earth to teach humanity these very same

532

00:21:08,470 --> 00:21:05,840

abilities

533

00:21:11,029 --> 00:21:08,480

number four the citizens of earth stand

534

00:21:13,430 --> 00:21:11,039

now in a transitional period before the

535

00:21:14,870 --> 00:21:13,440

dawn of a new age of peace love and

536

00:21:17,510 --> 00:21:14,880

understanding

537

00:21:19,590 --> 00:21:17,520

and number five if the earthlings should

538

00:21:22,630 --> 00:21:19,600

not raise their vibratory rate within a

539

00:21:25,510 --> 00:21:22,640

set period of time severe earth changes

540

00:21:28,149 --> 00:21:25,520

and major cataclysms will take place and

541

00:21:29,830 --> 00:21:28,159

a larger portion of the human population

542

00:21:31,909 --> 00:21:29,840

will be destroyed

543

00:21:35,110 --> 00:21:31,919

unquote

544

00:21:37,110 --> 00:21:35,120

now to some people that kind of wording

545

00:21:39,510 --> 00:21:37,120

sounds a little bit hokey it sounds a

546

00:21:42,149 --> 00:21:39,520

little bit like a science fiction film

547

00:21:43,590 --> 00:21:42,159

from the 1950s or 60s

548

00:21:46,870 --> 00:21:43,600

but when you take out some of the

549

00:21:49,909 --> 00:21:46,880

specific language the underlying theme

550

00:21:52,710 --> 00:21:49,919

is consistently shared across time

551  
00:21:55,510 --> 00:21:52,720  
across cultures and by supposedly

552  
00:21:58,070 --> 00:21:55,520  
different kinds of alien beings

553  
00:22:00,310 --> 00:21:58,080  
there seems to be indeed more than one

554  
00:22:03,110 --> 00:22:00,320  
kind of entity more than one kind of

555  
00:22:05,430 --> 00:22:03,120  
species that shares this message

556  
00:22:07,909 --> 00:22:05,440  
and in that sense there does seem to be

557  
00:22:10,390 --> 00:22:07,919  
some cohesion around something like a

558  
00:22:12,710 --> 00:22:10,400  
galactic federation or at least

559  
00:22:15,430 --> 00:22:12,720  
a somewhat loose agreement between

560  
00:22:18,549 --> 00:22:15,440  
non-human intelligences to make human

561  
00:22:22,789 --> 00:22:18,559  
beings aware of again the perilous

562  
00:22:28,470 --> 00:22:24,950  
again when you think back on some of the

563  
00:22:30,870 --> 00:22:28,480

most compelling cases of contact between

564

00:22:33,990 --> 00:22:30,880

these others and human beings

565

00:22:35,350 --> 00:22:34,000

you see this warning this message front

566

00:22:37,590 --> 00:22:35,360

and center

567

00:22:40,230 --> 00:22:37,600

think for instance of the aerial school

568

00:22:43,669 --> 00:22:40,240

encounter from zimbabwe

569

00:22:46,789 --> 00:22:43,679

those kids not only saw ufos

570

00:22:49,990 --> 00:22:46,799

but they interacted with alien beings

571

00:22:52,870 --> 00:22:50,000

and they had various telepathic messages

572

00:22:54,950 --> 00:22:52,880

communicated to them and these messages

573

00:22:57,590 --> 00:22:54,960

again were all about impending

574

00:23:00,230 --> 00:22:57,600

apocalypse and concerns about the way

575

00:23:02,950 --> 00:23:00,240

human beings are treating the planet

576

00:23:05,750 --> 00:23:02,960

other species and even each other

577

00:23:07,990 --> 00:23:05,760

cross-culturally and what not

578

00:23:10,470 --> 00:23:08,000

if there is one central message that is

579

00:23:13,830 --> 00:23:10,480

communicated most commonly by these

580

00:23:15,590 --> 00:23:13,840

others to human beings across decades

581

00:23:17,510 --> 00:23:15,600

and across cultures

582

00:23:20,149 --> 00:23:17,520

this is it

583

00:23:21,350 --> 00:23:20,159

and of course also as part of that quote

584

00:23:23,590 --> 00:23:21,360

i shared

585

00:23:25,430 --> 00:23:23,600

there is a spiritual element to the

586

00:23:28,950 --> 00:23:25,440

message very often

587

00:23:31,830 --> 00:23:28,960

and a promise of a potential ascension

588

00:23:33,350 --> 00:23:31,840

to a higher dimensional reality again i

589

00:23:36,710 --> 00:23:33,360

understand some people are triggered by

590

00:23:40,070 --> 00:23:36,720

that vibratory rate or dimension

591

00:23:43,110 --> 00:23:40,080

kind of wording but underlyingly it's

592

00:23:45,430 --> 00:23:43,120

talking about a transition where if

593

00:23:48,230 --> 00:23:45,440

human consciousness can evolve to a

594

00:23:49,510 --> 00:23:48,240

certain degree then the entire way

595

00:23:52,470 --> 00:23:49,520

humankind

596

00:23:54,390 --> 00:23:52,480

basically interacts with reality and all

597

00:23:55,510 --> 00:23:54,400

these other entities that are supposedly

598

00:23:58,070 --> 00:23:55,520

around us

599

00:24:00,870 --> 00:23:58,080

can and will change

600

00:24:03,669 --> 00:24:00,880

likewise if we fail to make that

601  
00:24:05,990 --> 00:24:03,679  
ascension if we fail to heed these

602  
00:24:07,830 --> 00:24:06,000  
warnings and change our behavior and

603  
00:24:11,590 --> 00:24:07,840  
raise our consciousness

604  
00:24:13,990 --> 00:24:11,600  
then the consequences may be indeed very

605  
00:24:16,630 --> 00:24:14,000  
very dire

606  
00:24:19,190 --> 00:24:16,640  
and by the way i would be remiss to not

607  
00:24:22,710 --> 00:24:19,200  
add that the nature of these messages

608  
00:24:24,470 --> 00:24:22,720  
seem to be both explicit and implicit

609  
00:24:27,750 --> 00:24:24,480  
for instance of course we have famous

610  
00:24:30,149 --> 00:24:27,760  
historical cases like that accounted in

611  
00:24:33,510 --> 00:24:30,159  
jacques vallee and paula harris's most

612  
00:24:36,390 --> 00:24:33,520  
recent book trinity the best kept secret

613  
00:24:39,029 --> 00:24:36,400

that talked about supposed in quotes

614

00:24:41,190 --> 00:24:39,039

crashes of vehicles

615

00:24:45,350 --> 00:24:41,200

right around the areas where human

616

00:24:47,510 --> 00:24:45,360

beings first began testing atomic bombs

617

00:24:49,669 --> 00:24:47,520

now many will look at this and say this

618

00:24:52,149 --> 00:24:49,679

seems to be not a crash in the

619

00:24:55,029 --> 00:24:52,159

conventional sense but rather

620

00:24:57,110 --> 00:24:55,039

a indirect message trying to draw our

621

00:24:58,789 --> 00:24:57,120

attention to that specific place and

622

00:25:00,630 --> 00:24:58,799

that specific time

623

00:25:02,870 --> 00:25:00,640

and what was happening in that specific

624

00:25:05,110 --> 00:25:02,880

place at that specific time

625

00:25:06,630 --> 00:25:05,120

it was the testing of the first atomic

626  
00:25:08,310 --> 00:25:06,640  
bomb

627  
00:25:10,470 --> 00:25:08,320  
and of course there's a lot more to go

628  
00:25:11,909 --> 00:25:10,480  
on than just that specific case and

629  
00:25:15,750 --> 00:25:11,919  
cases like it

630  
00:25:19,110 --> 00:25:15,760  
we also have repeated cases of ufos

631  
00:25:21,110 --> 00:25:19,120  
hovering over nuclear weapons facilities

632  
00:25:23,510 --> 00:25:21,120  
both in the united states and in the

633  
00:25:24,870 --> 00:25:23,520  
former soviet union for instance during

634  
00:25:27,350 --> 00:25:24,880  
the cold war

635  
00:25:30,470 --> 00:25:27,360  
there were even times where

636  
00:25:32,710 --> 00:25:30,480  
an apparent ufo would take down a

637  
00:25:35,029 --> 00:25:32,720  
warhead that was being tested for

638  
00:25:37,350 --> 00:25:35,039

instance off of big sur off the coast of

639

00:25:39,029 --> 00:25:37,360

california this actually happened

640

00:25:40,870 --> 00:25:39,039

historically

641

00:25:43,430 --> 00:25:40,880

and when they hovered over the nuclear

642

00:25:46,549 --> 00:25:43,440

weapons facilities they often took

643

00:25:49,750 --> 00:25:46,559

offline our nuclear weapons so that for

644

00:25:51,909 --> 00:25:49,760

instance if one of the cold war actors

645

00:25:53,990 --> 00:25:51,919

were to launch an attack the other one

646

00:25:56,390 --> 00:25:54,000

would not be able to respond from that

647

00:25:57,590 --> 00:25:56,400

particular silo because the weapons were

648

00:26:00,549 --> 00:25:57,600

offline

649

00:26:02,230 --> 00:26:00,559

so ironically as much as people say

650

00:26:04,470 --> 00:26:02,240

come on aliens why don't you just show

651  
00:26:06,070 --> 00:26:04,480  
up on the lawn of the white house

652  
00:26:08,630 --> 00:26:06,080  
instead what they've been doing is

653  
00:26:11,590 --> 00:26:08,640  
drawing our attention to our nuclear

654  
00:26:13,750 --> 00:26:11,600  
weapons facilities time and time again

655  
00:26:15,830 --> 00:26:13,760  
that if there's one place where they

656  
00:26:18,149 --> 00:26:15,840  
show up and seemingly are trying to

657  
00:26:19,990 --> 00:26:18,159  
point something out it is in those

658  
00:26:21,990 --> 00:26:20,000  
specific places

659  
00:26:24,390 --> 00:26:22,000  
which of course have the potential to

660  
00:26:27,029 --> 00:26:24,400  
destroy our entire civilization

661  
00:26:28,390 --> 00:26:27,039  
and take much of the planet's biosphere

662  
00:26:30,549 --> 00:26:28,400  
along with it

663  
00:26:32,310 --> 00:26:30,559

now speaking of messages from these

664

00:26:34,549 --> 00:26:32,320

others to human beings

665

00:26:36,710 --> 00:26:34,559

while the nuclear devastation and the

666

00:26:37,750 --> 00:26:36,720

environmental warnings are front and

667

00:26:39,350 --> 00:26:37,760

center

668

00:26:41,350 --> 00:26:39,360

those of course are not the only

669

00:26:43,590 --> 00:26:41,360

messages shared

670

00:26:46,549 --> 00:26:43,600

another key aspect has to do with the

671

00:26:48,149 --> 00:26:46,559

supposed genetic aspects and the

672

00:26:50,630 --> 00:26:48,159

hybridization programs that are

673

00:26:53,190 --> 00:26:50,640

supposedly taking place

674

00:26:55,190 --> 00:26:53,200

now while some people are very alarmed

675

00:26:57,269 --> 00:26:55,200

by these events and they certainly seem

676  
00:26:59,830 --> 00:26:57,279  
to be supported by the data something

677  
00:27:02,230 --> 00:26:59,840  
really is happening of this nature when

678  
00:27:04,549 --> 00:27:02,240  
human beings get beyond the ontological

679  
00:27:07,269 --> 00:27:04,559  
shock aspect where they respond like

680  
00:27:08,310 --> 00:27:07,279  
frightened animals and actually develop

681  
00:27:10,950 --> 00:27:08,320  
more of a

682  
00:27:12,549 --> 00:27:10,960  
friendly and participatory relationship

683  
00:27:15,110 --> 00:27:12,559  
with these others

684  
00:27:17,350 --> 00:27:15,120  
they are communicated to about these

685  
00:27:19,510 --> 00:27:17,360  
hybridization programs

686  
00:27:21,669 --> 00:27:19,520  
specifically they have been told for

687  
00:27:23,510 --> 00:27:21,679  
instance that if they could do it in any

688  
00:27:25,830 --> 00:27:23,520

other way they would but that the

689

00:27:29,590 --> 00:27:25,840

genetic encounters and the hybridization

690

00:27:32,149 --> 00:27:29,600

programs are absolutely necessary

691

00:27:34,470 --> 00:27:32,159

now of course that begs the question to

692

00:27:37,029 --> 00:27:34,480

whom one might ask

693

00:27:39,190 --> 00:27:37,039

is it possibly for both

694

00:27:41,830 --> 00:27:39,200

and this is one of the aspects of the

695

00:27:44,070 --> 00:27:41,840

data that most makes me think about the

696

00:27:47,430 --> 00:27:44,080

notion the possibility

697

00:27:48,950 --> 00:27:47,440

that these others may in some way be us

698

00:27:51,830 --> 00:27:48,960

from the future

699

00:27:52,950 --> 00:27:51,840

in fact they've shared this idea some of

700

00:27:55,590 --> 00:27:52,960

them anyway

701  
00:27:58,950 --> 00:27:55,600  
that at some point in their evolutionary

702  
00:28:00,789 --> 00:27:58,960  
history emotions were bred out of them

703  
00:28:04,149 --> 00:28:00,799  
and they are now trying to breed them

704  
00:28:06,470 --> 00:28:04,159  
back in by creating hybrids that include

705  
00:28:08,310 --> 00:28:06,480  
our genetic material

706  
00:28:10,870 --> 00:28:08,320  
in other words a future course of

707  
00:28:13,029 --> 00:28:10,880  
engineered human evolution is trying to

708  
00:28:16,630 --> 00:28:13,039  
be averted by these others you could

709  
00:28:19,029 --> 00:28:16,640  
argue again time travel may be central

710  
00:28:20,389 --> 00:28:19,039  
to this entire phenomenon or at least to

711  
00:28:22,950 --> 00:28:20,399  
the aspect that involves the

712  
00:28:24,389 --> 00:28:22,960  
hybridization programs

713  
00:28:25,750 --> 00:28:24,399

and now i'd like to share a few

714

00:28:27,750 --> 00:28:25,760

concluding thoughts for your

715

00:28:31,190 --> 00:28:27,760

consideration

716

00:28:34,310 --> 00:28:31,200

first some will complain and suggest it

717

00:28:36,310 --> 00:28:34,320

is a weakness of the data when we come

718

00:28:38,950 --> 00:28:36,320

across these kinds of messages about

719

00:28:41,750 --> 00:28:38,960

ascension about consciousness

720

00:28:43,110 --> 00:28:41,760

and about concerns that seem decidedly

721

00:28:45,590 --> 00:28:43,120

human

722

00:28:47,909 --> 00:28:45,600

this suggests to some critics that this

723

00:28:50,230 --> 00:28:47,919

is actually not a message from aliens

724

00:28:52,389 --> 00:28:50,240

whatsoever but actually something from

725

00:28:55,269 --> 00:28:52,399

the imagination the overactive

726

00:28:57,750 --> 00:28:55,279

imagination of human beings

727

00:28:59,430 --> 00:28:57,760

their argument goes like this

728

00:29:01,269 --> 00:28:59,440

alien beings would have followed a

729

00:29:04,070 --> 00:29:01,279

completely different evolutionary

730

00:29:05,830 --> 00:29:04,080

trajectory therefore the likelihood that

731

00:29:06,950 --> 00:29:05,840

they would have the same concerns that

732

00:29:09,909 --> 00:29:06,960

we do

733

00:29:12,870 --> 00:29:09,919

is not very high in fact they find it

734

00:29:15,350 --> 00:29:12,880

very suspect when their concerns seem

735

00:29:17,830 --> 00:29:15,360

very aligned with perhaps the most

736

00:29:19,350 --> 00:29:17,840

advanced human beings in terms of

737

00:29:22,310 --> 00:29:19,360

consciousness

738

00:29:25,430 --> 00:29:22,320

but from my perspective i think this

739

00:29:29,110 --> 00:29:25,440

concern is based on an over reliance on

740

00:29:33,510 --> 00:29:29,120

evolution as the only explanatory theory

741

00:29:35,590 --> 00:29:33,520

to explain development across the cosmos

742

00:29:37,590 --> 00:29:35,600

from my perspective there are certain

743

00:29:38,950 --> 00:29:37,600

fundamentals that actually differ from

744

00:29:40,950 --> 00:29:38,960

this perspective

745

00:29:43,190 --> 00:29:40,960

one of them as i have said many times on

746

00:29:45,990 --> 00:29:43,200

this podcast is the notion that

747

00:29:47,269 --> 00:29:46,000

consciousness may actually be primary to

748

00:29:49,990 --> 00:29:47,279

existence

749

00:29:52,310 --> 00:29:50,000

and aspects like matter and energy are

750

00:29:55,029 --> 00:29:52,320

mere derivatives and of course this

751  
00:29:56,950 --> 00:29:55,039  
completely turns on its head the

752  
00:29:59,269 --> 00:29:56,960  
argument i just described regarding

753  
00:30:01,590 --> 00:29:59,279  
evolutionary history which supposedly is

754  
00:30:03,430 --> 00:30:01,600  
just an arbitrary and somewhat random

755  
00:30:06,470 --> 00:30:03,440  
process

756  
00:30:09,190 --> 00:30:06,480  
if consciousness is fundamental then it

757  
00:30:11,190 --> 00:30:09,200  
seems likely in fact almost guaranteed

758  
00:30:14,389 --> 00:30:11,200  
from my perspective that there would be

759  
00:30:16,230 --> 00:30:14,399  
certain constants across the cosmos

760  
00:30:19,110 --> 00:30:16,240  
in other words whatever creative

761  
00:30:20,950 --> 00:30:19,120  
intelligence is behind the cosmos itself

762  
00:30:22,630 --> 00:30:20,960  
or the multiverse if you'd rather use

763  
00:30:25,990 --> 00:30:22,640

that term

764

00:30:29,430 --> 00:30:26,000

then the beings the entities the species

765

00:30:31,669 --> 00:30:29,440

that developed across that great expanse

766

00:30:33,990 --> 00:30:31,679

would very likely follow similar

767

00:30:36,310 --> 00:30:34,000

trajectories where the same lessons are

768

00:30:38,950 --> 00:30:36,320

learned because there are certain cosmic

769

00:30:40,950 --> 00:30:38,960

constants that are true across the

770

00:30:43,110 --> 00:30:40,960

entire spectrum

771

00:30:44,950 --> 00:30:43,120

and therefore i find it actually

772

00:30:48,149 --> 00:30:44,960

compelling that these supposedly

773

00:30:50,630 --> 00:30:48,159

superior alien intelligences are sharing

774

00:30:52,230 --> 00:30:50,640

the messages they are sharing

775

00:30:54,470 --> 00:30:52,240

and why

776  
00:30:56,870 --> 00:30:54,480  
because as i've explained before these

777  
00:30:59,830 --> 00:30:56,880  
are precisely the kinds of messages i

778  
00:31:01,909 --> 00:30:59,840  
would expect from a species from an

779  
00:31:06,549 --> 00:31:01,919  
intelligence that is on the higher

780  
00:31:09,190 --> 00:31:06,559  
levels of the spectrum of consciousness

781  
00:31:12,149 --> 00:31:09,200  
now considering all of the subliminal

782  
00:31:13,909 --> 00:31:12,159  
and subtle implicit waves these others

783  
00:31:15,830 --> 00:31:13,919  
are trying to change our perspective

784  
00:31:17,430 --> 00:31:15,840  
about things like the environment and

785  
00:31:19,990 --> 00:31:17,440  
nuclear weapons

786  
00:31:22,549 --> 00:31:20,000  
it may be that these others are trying

787  
00:31:24,630 --> 00:31:22,559  
to raise a grassroots awareness to the

788  
00:31:26,549 --> 00:31:24,640

dangers of nuclear weapons and

789

00:31:29,990 --> 00:31:26,559

environmental collapse

790

00:31:32,149 --> 00:31:30,000

so as to have us embrace and thus own

791

00:31:35,269 --> 00:31:32,159

our collective responsibility to turn

792

00:31:38,710 --> 00:31:35,279

ourselves away from the precipice we now

793

00:31:40,710 --> 00:31:38,720

stand perishly close to the edge of

794

00:31:43,590 --> 00:31:40,720

this may be the tightrope balance of

795

00:31:46,630 --> 00:31:43,600

intervention and non-interference they

796

00:31:49,430 --> 00:31:46,640

are presently trying to walk

797

00:31:51,190 --> 00:31:49,440

on the other hand if you knew the future

798

00:31:53,750 --> 00:31:51,200

you may be able to calculate the

799

00:31:56,230 --> 00:31:53,760

smallest degree of intervention needed

800

00:31:58,630 --> 00:31:56,240

to bring about a sea change

801  
00:32:01,830 --> 00:31:58,640  
after all moving a big ship is much

802  
00:32:04,070 --> 00:32:01,840  
easier if you have time on your side if

803  
00:32:06,149 --> 00:32:04,080  
you can plan ahead

804  
00:32:08,950 --> 00:32:06,159  
perhaps that's why so much of this seems

805  
00:32:13,590 --> 00:32:08,960  
to be happening via implicit messaging

806  
00:32:15,830 --> 00:32:13,600  
and subliminal subconscious imprinting

807  
00:32:18,470 --> 00:32:15,840  
regardless who these others ultimately

808  
00:32:20,950 --> 00:32:18,480  
end up being and being from

809  
00:32:23,269 --> 00:32:20,960  
it truly is remarkable to me how

810  
00:32:24,389 --> 00:32:23,279  
consistent the messaging has been over

811  
00:32:26,549 --> 00:32:24,399  
time

812  
00:32:28,950 --> 00:32:26,559  
and whether they end up being us from

813  
00:32:31,669 --> 00:32:28,960

the future coming from a time where the

814

00:32:33,990 --> 00:32:31,679

drastic and far-reaching consequences of

815

00:32:35,990 --> 00:32:34,000

nuclear weapons and or environmental

816

00:32:37,509 --> 00:32:36,000

collapse are being felt by that

817

00:32:39,909 --> 00:32:37,519

civilization

818

00:32:42,470 --> 00:32:39,919

or they end up being as has been claimed

819

00:32:45,190 --> 00:32:42,480

fairly frequently in the literature

820

00:32:48,710 --> 00:32:45,200

from another world another civilization

821

00:32:51,590 --> 00:32:48,720

unrelated to ours but who made their own

822

00:32:53,830 --> 00:32:51,600

world uninhabitable by following a

823

00:32:56,310 --> 00:32:53,840

similar trajectory that we are currently

824

00:33:01,190 --> 00:32:56,320

on we would do well to take their

825

00:33:05,590 --> 00:33:03,909

and on that note we've come to the close

826

00:33:07,509 --> 00:33:05,600

of another edition of the point of

827

00:33:09,669 --> 00:33:07,519

convergence podcast

00:33:20,389 --> 00:33:16,960

be interested in these fascinating and

832

00:33:22,710 --> 00:33:20,399

compelling and essential matters
