2
00:00:14,930 --> 00:00:11,810

hello and welcome to episode number 47

3
00:00:18,830 --> 00:00:14,940

of the point of convergence podcast as

4
00:00:21,170 --> 00:00:18,840

always I am your host EXO academian

5
00:00:23,090 --> 00:00:21,180

for those of us intimately familiar with

6
00:00:26,210 --> 00:00:23,100

the data behind what we commonly refer

7
00:00:29,089 --> 00:00:26,220

to as the UFO phenomenon one thing is

8
00:00:32,089 --> 00:00:29,099

abundantly clear we are being visited by

9
00:00:34,910 --> 00:00:32,099

beings that are not conventionally human

10
00:00:37,670 --> 00:00:34,920

beings that for lack of a better term we

11
00:00:40,010 --> 00:00:37,680

call aliens aliens here being a term

12
00:00:42,470 --> 00:00:40,020

that in its most General sense simply

13
00:00:45,350 --> 00:00:42,480

means other and doesn't necessarily

14

00:00:49,490 --> 00:00:45,360

refer to intelligences arising from some

15

00:00:51,709 --> 00:00:49,500

far-flung star system I.E outer space

16

00:00:54,889 --> 00:00:51,719

furthermore not only are we being

17

00:00:57,290 --> 00:00:54,899

visited by these aliens but they some of

18

00:00:58,910 --> 00:00:57,300

them anyway are interacting with us in

19

00:01:02,510 --> 00:00:58,920

some very bizarre and for some

20

00:01:04,369 --> 00:01:02,520

disturbing ways including apparently for

21

00:01:06,649 --> 00:01:04,379

the sake of harvesting genetic material

22

00:01:08,750 --> 00:01:06,659

and even to create what for all

23

00:01:11,330 --> 00:01:08,760

intention purposes appeared to be

24

00:01:13,910 --> 00:01:11,340

hybridized Offspring beings that are

25

00:01:16,730 --> 00:01:13,920

part alien and part human

26

00:01:19,190 --> 00:01:16,740

that's the what of the UFO phenomenon

27

00:01:21,950 --> 00:01:19,200

that's what's been observed in terms of

28

00:01:23,929 --> 00:01:21,960

what's happening again these are complex

29

00:01:26,390 --> 00:01:23,939

matters that as I've argued time and

30

00:01:29,330 --> 00:01:26,400

time again likely involve various

31

00:01:31,969 --> 00:01:29,340

phenomena plural underlyingly consisting

32

00:01:34,850 --> 00:01:31,979

of multiple actors and multiple agendas

33

00:01:37,730 --> 00:01:34,860

and involving Origins that may be as

34

00:01:40,270 --> 00:01:37,740

diverse as the types of beings described

35

00:01:43,249 --> 00:01:40,280

in that sense extraterrestrials

36

00:01:46,789 --> 00:01:43,259

interdimensionals extra dimensionals Etc

37

00:01:49,550 --> 00:01:46,799

are very likely according to my view all

38

00:01:51,530 --> 00:01:49,560

in the picture in other words I tick the

39

00:01:54,170 --> 00:01:51,540

all of the above answer on that

40

00:01:56,209 --> 00:01:54,180

particular multiple choice question

41

00:01:58,609 --> 00:01:56,219

but now that we've identified much of

42

00:02:00,469 --> 00:01:58,619

the what's happening piece and here I'm

43

00:02:02,630 --> 00:02:00,479

specifically referring to craft in our

44

00:02:05,389 --> 00:02:02,640

skies that show evidence of technology

45

00:02:07,190 --> 00:02:05,399

that is not only sophisticated but that

46

00:02:09,889 --> 00:02:07,200

also shows clear evidence of the

47

00:02:11,809 --> 00:02:09,899

apparent warping of space-time and to

48

00:02:14,390 --> 00:02:11,819

beings that are taking people aboard

49

00:02:16,790 --> 00:02:14,400

craft and elsewhere and Performing

50

00:02:19,010 --> 00:02:16,800

strange biological experiments and

51
00:02:22,130 --> 00:02:19,020
harvesting genetic reproductive material

52
00:02:24,530 --> 00:02:22,140
and then often introducing the apparent

53
00:02:27,110 --> 00:02:24,540
hybridized Offspring to human beings

54
00:02:30,229 --> 00:02:27,120
sometimes to perform various bonding

55
00:02:33,050 --> 00:02:30,239
procedures the question now turns to the

56
00:02:35,089 --> 00:02:33,060
why why would they be doing this

57
00:02:37,550 --> 00:02:35,099
well amongst numerous postulated

58
00:02:39,890 --> 00:02:37,560
explanations one that stands out from

59
00:02:42,530 --> 00:02:39,900
the pack from my point of view is the

60
00:02:44,869 --> 00:02:42,540
notion that these others or gain a

61
00:02:47,690 --> 00:02:44,879
certain segment of them are in some way

62
00:02:49,430 --> 00:02:47,700
related to Modern human beings and that

63
00:02:51,890 --> 00:02:49,440

they're endeavored to extract genetic

64

00:02:54,170 --> 00:02:51,900

material from us is because they need

65

00:02:56,270 --> 00:02:54,180

this material somehow in fact

66

00:02:59,089 --> 00:02:56,280

experiencers have repeatedly been told

67

00:03:01,970 --> 00:02:59,099

messages such as if we could do this in

68

00:03:04,250 --> 00:03:01,980

any other way we would or we'd do this

69

00:03:06,770 --> 00:03:04,260

because it's necessary

70

00:03:07,910 --> 00:03:06,780

now while this might sound outlandish at

71

00:03:09,530 --> 00:03:07,920

first glance

72

00:03:11,930 --> 00:03:09,540

how would they be related to us some

73

00:03:14,630 --> 00:03:11,940

might ask that question becomes much

74

00:03:17,270 --> 00:03:14,640

simpler to answer once you add in the

75

00:03:19,670 --> 00:03:17,280

possibility of time travel and this

76
00:03:22,850 --> 00:03:19,680
brings us to the Future human hypothesis

77
00:03:25,309 --> 00:03:22,860
the notion that these others or again at

78
00:03:27,649 --> 00:03:25,319
least some of them are our very own

79
00:03:29,509 --> 00:03:27,659
progeny perhaps coming from the distant

80
00:03:31,789 --> 00:03:29,519
future who now look like the

81
00:03:34,070 --> 00:03:31,799
quintessential gray alien because

82
00:03:35,809 --> 00:03:34,080
they've evolved on an earth that has

83
00:03:39,050 --> 00:03:35,819
decidedly different environmental

84
00:03:41,930 --> 00:03:39,060
conditions than the one we live on today

85
00:03:43,729 --> 00:03:41,940
now when you tie in reports arising from

86
00:03:46,570 --> 00:03:43,739
deeply embedded intelligence Community

87
00:03:49,550 --> 00:03:46,580
sources suggesting there is evidence

88
00:03:52,009 --> 00:03:49,560

these aliens are indeed future humans

89

00:03:54,530 --> 00:03:52,019

and not just one group but multiple

90

00:03:57,649 --> 00:03:54,540

factions coming from different points in

91

00:03:59,570 --> 00:03:57,659

time Downstream from our present day and

92

00:04:01,850 --> 00:03:59,580

that their reason for being here is tied

93

00:04:04,130 --> 00:04:01,860

to the arising of some kind of cataclysm

94

00:04:07,009 --> 00:04:04,140

that is supposedly going to happen in

95

00:04:09,110 --> 00:04:07,019

our not very distant future then much of

96

00:04:11,630 --> 00:04:09,120

the total picture begins to take shape

97

00:04:14,030 --> 00:04:11,640

at least potentially

98

00:04:16,310 --> 00:04:14,040

but How likely is it that these others

99

00:04:19,610 --> 00:04:16,320

some of them anyway may actually be

100

00:04:21,530 --> 00:04:19,620

neo-humans our very descendants and how

101
00:04:24,469 --> 00:04:21,540
credible is the notion that they may be

102
00:04:26,749 --> 00:04:24,479
here to manipulate our timeline as it

103
00:04:29,570 --> 00:04:26,759
pertains to some near future cataclysm

104
00:04:32,270 --> 00:04:29,580
and how might this apparent apocalyptic

105
00:04:34,310 --> 00:04:32,280
event relate to previous cataclysms that

106
00:04:36,230 --> 00:04:34,320
have happened in Earth's history

107
00:04:38,510 --> 00:04:36,240
cataclysms that may actually be

108
00:04:40,909 --> 00:04:38,520
recurring events events that perhaps

109
00:04:42,050 --> 00:04:40,919
only arise once every few thousand years

110
00:04:44,210 --> 00:04:42,060
or so

111
00:04:46,670 --> 00:04:44,220
these are the Intriguing and essential

112
00:04:49,550 --> 00:04:46,680
matters we'll seek to engage with in

113
00:04:52,760 --> 00:04:49,560

this the 47th episode of the point of

114

00:04:59,150 --> 00:04:56,570

[Music]

115

00:05:01,010 --> 00:04:59,160

as we begin this week's podcast I'd just

116

00:05:03,469 --> 00:05:01,020

like to point out that this is part two

117

00:05:06,350 --> 00:05:03,479

of a series discussing this future human

118

00:05:08,810 --> 00:05:06,360

hypothesis and specifically this

119

00:05:10,790 --> 00:05:08,820

hypothesis as it pertains to Intel

120

00:05:13,249 --> 00:05:10,800

arising from intelligence Community

121

00:05:15,770 --> 00:05:13,259

sources so if you haven't heard episode

122

00:05:17,810 --> 00:05:15,780

46 yet I'd suggest you go back and

123

00:05:20,570 --> 00:05:17,820

listen to that first this will make a

124

00:05:22,850 --> 00:05:20,580

lot more sense once you've done that

125

00:05:25,010 --> 00:05:22,860

now last week we spoke about the notion

126

00:05:27,710 --> 00:05:25,020

that various intelligence sources have

127

00:05:29,749 --> 00:05:27,720

shared details suggesting that some and

128

00:05:31,969 --> 00:05:29,759

I want to stress that word some because

129

00:05:33,650 --> 00:05:31,979

we'll come back to that some of these

130

00:05:36,290 --> 00:05:33,660

beings associated with the UFO

131

00:05:39,050 --> 00:05:36,300

phenomenon are actually us from the

132

00:05:41,930 --> 00:05:39,060

future future humans who have traveled

133

00:05:44,390 --> 00:05:41,940

backwards in time not just to sightsee

134

00:05:47,029 --> 00:05:44,400

and take in an educational journey into

135

00:05:48,890 --> 00:05:47,039

understanding their ancestors but very

136

00:05:51,529 --> 00:05:48,900

specifically with the intention of

137

00:05:53,810 --> 00:05:51,539

affecting the timeline as it pertains to

138

00:05:56,450 --> 00:05:53,820

an apparent cataclysm that lies

139

00:05:58,909 --> 00:05:56,460

somewhere in our near future and as I

140

00:06:01,249 --> 00:05:58,919

explained last week when we speak of the

141

00:06:03,050 --> 00:06:01,259

near future we're talking about within a

142

00:06:05,570 --> 00:06:03,060

decade's Time

143

00:06:07,930 --> 00:06:05,580

now as I also mentioned last week this

144

00:06:10,490 --> 00:06:07,940

attempted manipulation of the timeline

145

00:06:13,249 --> 00:06:10,500

apparently involves numerous future

146

00:06:15,290 --> 00:06:13,259

human factions one or more of these

147

00:06:17,809 --> 00:06:15,300

groups come from our not very distant

148

00:06:20,990 --> 00:06:17,819

future perhaps only a few decades from

149

00:06:23,090 --> 00:06:21,000

now in fact and this faction or factions

150

00:06:25,129 --> 00:06:23,100

look the same as we do

151

00:06:27,590 --> 00:06:25,139

this element of future humans is

152

00:06:30,170 --> 00:06:27,600

apparently involved to help us avoid or

153

00:06:32,870 --> 00:06:30,180

at least mitigate this calamitous event

154

00:06:35,029 --> 00:06:32,880

that currently exists as an eventuality

155

00:06:37,909 --> 00:06:35,039

in our timeline

156

00:06:40,129 --> 00:06:37,919

the other faction or factions are coming

157

00:06:42,770 --> 00:06:40,139

from a much more distant point in the

158

00:06:44,990 --> 00:06:42,780

future so much so that the evolutionary

159

00:06:48,110 --> 00:06:45,000

curve has resulted in them looking like

160

00:06:50,450 --> 00:06:48,120

the stereotypical gray alien we're all

161

00:06:51,650 --> 00:06:50,460

familiar with in the UFO phenomenon

162

00:06:54,170 --> 00:06:51,660

literature

163

00:06:56,629 --> 00:06:54,180

this element of future neo-humans

164

00:06:59,570 --> 00:06:56,639

actually wants this cataclysm to take

165

00:07:01,129 --> 00:06:59,580

place allegedly because it is the

166

00:07:03,050 --> 00:07:01,139

historical event that leads to the

167

00:07:04,430 --> 00:07:03,060

eventuality where they come into

168

00:07:06,529 --> 00:07:04,440

existence

169

00:07:08,629 --> 00:07:06,539

now in my mind I think it may be

170

00:07:11,089 --> 00:07:08,639

somewhat more complicated than gray

171

00:07:13,309 --> 00:07:11,099

neo-aliens want the cataclysm and the

172

00:07:14,689 --> 00:07:13,319

ones that look like us do not but we'll

173

00:07:16,909 --> 00:07:14,699

get to that later

174

00:07:19,249 --> 00:07:16,919

now this week in part two of this

175

00:07:21,529 --> 00:07:19,259

discussion we'll go into greater detail

176

00:07:23,629 --> 00:07:21,539

on the reported motivations of these

177

00:07:25,790 --> 00:07:23,639

future neo-humans and we'll discuss

178

00:07:28,550 --> 00:07:25,800

whatever evidence exists to support the

179

00:07:31,129 --> 00:07:28,560

idea not only that this is going on but

180

00:07:32,870 --> 00:07:31,139

that it has been going on for some time

181

00:07:35,390 --> 00:07:32,880

indeed one of the Intriguing if

182

00:07:37,850 --> 00:07:35,400

perplexing aspects of this is that

183

00:07:40,129 --> 00:07:37,860

reports suggest different factions have

184

00:07:42,110 --> 00:07:40,139

been leapfrogging each other further and

185

00:07:44,869 --> 00:07:42,120

further into the past in order to set

186

00:07:47,450 --> 00:07:44,879

the timeline agenda as it were

187

00:07:49,909 --> 00:07:47,460

but before we get there I first want to

188

00:07:52,010 --> 00:07:49,919

back up and out of the specific line of

189

00:07:53,390 --> 00:07:52,020

intelligence that is arising from these

190

00:07:55,610 --> 00:07:53,400

sources within the intelligence

191

00:07:58,129 --> 00:07:55,620

Community as it pertains to a near

192

00:08:00,710 --> 00:07:58,139

future Calamity and discuss the

193

00:08:02,990 --> 00:08:00,720

likelihood of the possibility in general

194

00:08:06,230 --> 00:08:03,000

that part of what we're seeing in the

195

00:08:08,330 --> 00:08:06,240

UFO phenomenon is future humans even

196

00:08:12,110 --> 00:08:08,340

ones that now look quite different from

197

00:08:14,270 --> 00:08:12,120

us time traveling into our present now

198

00:08:17,089 --> 00:08:14,280

in examining the possibility that some

199

00:08:19,309 --> 00:08:17,099

of these aliens may actually be us from

200

00:08:21,290 --> 00:08:19,319

the future it would be helpful to

201

00:08:25,070 --> 00:08:21,300

consult someone who has a specific

202

00:08:27,529 --> 00:08:25,080

background in this I do not however we

203

00:08:29,570 --> 00:08:27,539

do have someone to turn to who does have

204

00:08:32,509 --> 00:08:29,580

an educational and research background

205

00:08:36,589 --> 00:08:32,519

highly pertinent to this specific topic

206

00:08:38,509 --> 00:08:36,599

and that's Dr Michael P Masters Masters

207

00:08:41,389 --> 00:08:38,519

is a professor of biological

208

00:08:44,149 --> 00:08:41,399

anthropology at Montana Tech in Butte

209

00:08:46,190 --> 00:08:44,159

Montana he received a PhD in

210

00:08:49,850 --> 00:08:46,200

anthropology from the Ohio State

211

00:08:53,509 --> 00:08:49,860

University in 2009 where he specialized

212

00:08:56,449 --> 00:08:53,519

in hominin evolutionary Anatomy modern

213

00:08:58,850 --> 00:08:56,459

human variation archeology and

214

00:09:01,070 --> 00:08:58,860

biomedicine and of course each of those

215

00:09:03,050 --> 00:09:01,080

Specialties are highly pertinent to what

216

00:09:05,449 --> 00:09:03,060

we're talking about today

217

00:09:07,250 --> 00:09:05,459

now as it turns out not only does

218

00:09:09,230 --> 00:09:07,260

Masters have a relevant educational

219

00:09:11,930 --> 00:09:09,240

background as it pertains to the

220

00:09:13,730 --> 00:09:11,940

possibility that gray aliens may

221

00:09:16,550 --> 00:09:13,740

actually be genetically related to us

222

00:09:19,070 --> 00:09:16,560

but he has a long-standing interest in

223

00:09:20,990 --> 00:09:19,080

the UFO phenomenon and really believes

224

00:09:23,810 --> 00:09:21,000

people are seeing what they're seeing

225

00:09:26,810 --> 00:09:23,820

and that abductees slash contactees

226
00:09:30,350 --> 00:09:26,820
really are being interacted with by real

227
00:09:33,290 --> 00:09:30,360
beings that look exactly as described

228
00:09:35,389 --> 00:09:33,300
furthermore Masters after having

229
00:09:37,310 --> 00:09:35,399
examined the evidence taking into

230
00:09:40,070 --> 00:09:37,320
consideration his background in

231
00:09:42,290 --> 00:09:40,080
evolutionary Anatomy archeology and

232
00:09:44,750 --> 00:09:42,300
biomedicine has written a book titled

233
00:09:46,970 --> 00:09:44,760
identified flying objects a

234
00:09:50,150 --> 00:09:46,980
multi-disciplinary scientific approach

235
00:09:53,090 --> 00:09:50,160
to the UFO phenomenon

236
00:09:55,250 --> 00:09:53,100
now as the title hints at Masters

237
00:09:57,110 --> 00:09:55,260
believes the evidence especially when

238
00:10:00,350 --> 00:09:57,120

considered within the purview of

239

00:10:03,050 --> 00:10:00,360

evolutionary biology suggests we can

240

00:10:05,569 --> 00:10:03,060

identify some of the beings piloting

241

00:10:08,150 --> 00:10:05,579

these sophisticated craft buzzing in and

242

00:10:10,730 --> 00:10:08,160

around our skies he believes the

243

00:10:13,850 --> 00:10:10,740

evidence strongly suggests these beings

244

00:10:16,310 --> 00:10:13,860

are us from the future

245

00:10:18,470 --> 00:10:16,320

let's quickly review Master's main point

246

00:10:21,290 --> 00:10:18,480

Regarding why he thinks the future human

247

00:10:23,329 --> 00:10:21,300

hypothesis is the best fit for much of

248

00:10:25,730 --> 00:10:23,339

the data we've gathered

249

00:10:27,829 --> 00:10:25,740

first from a physics point of view We

250

00:10:29,870 --> 00:10:27,839

Now understand that space and time are

251
00:10:32,449 --> 00:10:29,880
not distinct matters we discussed that

252
00:10:33,710 --> 00:10:32,459
last week but actually an integrated

253
00:10:36,230 --> 00:10:33,720
fabric

254
00:10:38,569 --> 00:10:36,240
we also now believe that time travel is

255
00:10:41,090 --> 00:10:38,579
not only possible but potentially even

256
00:10:44,329 --> 00:10:41,100
quite realizable as a pragmatic

257
00:10:47,509 --> 00:10:44,339
technology within the next few decades

258
00:10:50,269 --> 00:10:47,519
and again that time frame a few decades

259
00:10:52,250 --> 00:10:50,279
would put us into the time period where

260
00:10:54,650 --> 00:10:52,260
some of these first human groups are

261
00:10:57,710 --> 00:10:54,660
supposedly coming back according to the

262
00:11:00,350 --> 00:10:57,720
reports of these Intel sources

263
00:11:02,329 --> 00:11:00,360

secondly and most importantly as it

264

00:11:04,610 --> 00:11:02,339

pertains to Masters and his specific

265

00:11:07,069 --> 00:11:04,620

educational background the

266

00:11:09,530 --> 00:11:07,079

quintessential gray aliens are from

267

00:11:12,590 --> 00:11:09,540

Master's point of view almost certainly

268

00:11:15,230 --> 00:11:12,600

related to us in some way in fact he

269

00:11:17,810 --> 00:11:15,240

can't imagine a realistic scenario where

270

00:11:20,389 --> 00:11:17,820

they wouldn't be related to us when he

271

00:11:23,090 --> 00:11:20,399

considers three groups chimpanzees

272

00:11:25,910 --> 00:11:23,100

contemporary Homo sapiens and gray

273

00:11:29,810 --> 00:11:25,920

aliens what he sees are three groups

274

00:11:31,790 --> 00:11:29,820

that clearly share a genetic lineage

275

00:11:33,949 --> 00:11:31,800

and now I'd like to quote from Master's

276

00:11:35,269 --> 00:11:33,959

book when he talks about how he came to

277

00:11:37,910 --> 00:11:35,279

this conclusion

278

00:11:40,130 --> 00:11:37,920

quote as a young child growing up in a

279

00:11:42,530 --> 00:11:40,140

small town in the honorary Bible Belt of

280

00:11:44,630 --> 00:11:42,540

the American Midwest I knew very little

281

00:11:47,329 --> 00:11:44,640

about the process of biological change

282

00:11:49,610 --> 00:11:47,339

and even less about the long history of

283

00:11:51,769 --> 00:11:49,620

human evolution on this planet though

284

00:11:53,870 --> 00:11:51,779

even then it was evident that the human

285

00:11:56,449 --> 00:11:53,880

in the center of this mental portrait

286

00:11:59,150 --> 00:11:56,459

resembled both the chimpanzee to the

287

00:12:00,829 --> 00:11:59,160

left and the alien to the right which

288

00:12:02,210 --> 00:12:00,839

led me to wonder if they could be

289

00:12:04,550 --> 00:12:02,220

somehow related

290

00:12:07,009 --> 00:12:04,560

as a quick aside the image he's talking

291

00:12:09,590 --> 00:12:07,019

about is the image on the front cover of

292

00:12:12,110 --> 00:12:09,600

Whitley strieber's book communion

293

00:12:14,569 --> 00:12:12,120

quoting again from the book over time I

294

00:12:17,230 --> 00:12:14,579

came to understand in great detail the

295

00:12:20,810 --> 00:12:17,240

process of evolutionary change and the

296

00:12:25,009 --> 00:12:20,820

phylogenetic relationships among extant

297

00:12:26,690 --> 00:12:25,019

living and extinct non-living organisms

298

00:12:28,910 --> 00:12:26,700

while developing this Scholastic

299

00:12:31,430 --> 00:12:28,920

knowledge it became increasingly clear

300

00:12:34,250 --> 00:12:31,440

how each of these three seemingly

301
00:12:36,650 --> 00:12:34,260
distinct forms could all come to possess

302
00:12:38,930 --> 00:12:36,660
such similar traits as I would later

303
00:12:41,449 --> 00:12:38,940
understand them if they all share the

304
00:12:44,389 --> 00:12:41,459
same common ancestor as part of a shared

305
00:12:46,670 --> 00:12:44,399
evolutionary history here on Earth

306
00:12:48,829 --> 00:12:46,680
furthermore if this Suite of

307
00:12:51,050 --> 00:12:48,839
characteristics common to each of these

308
00:12:53,930 --> 00:12:51,060
three forms was a result of common

309
00:12:56,810 --> 00:12:53,940
ancestry then these extraterrestrial

310
00:12:59,569 --> 00:12:56,820
aliens would not be extraterrestrial at

311
00:13:01,430 --> 00:12:59,579
all rather they may be better understood

312
00:13:03,710 --> 00:13:01,440
as the product of further human

313
00:13:05,990 --> 00:13:03,720

evolution on this planet

314

00:13:08,810 --> 00:13:06,000

following many Millennia of continued

315

00:13:11,449 --> 00:13:08,820

biological and cultural change in other

316

00:13:13,310 --> 00:13:11,459

words these aliens rather than being

317

00:13:16,490 --> 00:13:13,320

from a different planet in a distant

318

00:13:19,310 --> 00:13:16,500

solar system May simply be us from a

319

00:13:21,889 --> 00:13:19,320

different time in the distant future our

320

00:13:24,410 --> 00:13:21,899

Tiny Branch within the 3.5 billion year

321

00:13:26,930 --> 00:13:24,420

old tree of life is known as the hominin

322

00:13:29,210 --> 00:13:26,940

lineage it began about six to eight

323

00:13:31,069 --> 00:13:29,220

million years ago when our ancestors

324

00:13:34,449 --> 00:13:31,079

started to diverge from what would

325

00:13:37,370 --> 00:13:34,459

eventually become the common and pygmy

326

00:13:40,189 --> 00:13:37,380

chimpanzees our closest living relatives

327

00:13:42,230 --> 00:13:40,199

on this planet although we each possess

328

00:13:44,689 --> 00:13:42,240

a number of unique biological and

329

00:13:47,449 --> 00:13:44,699

behavioral traits what most clearly

330

00:13:50,750 --> 00:13:47,459

defines the human lineage is our bipedal

331

00:13:53,449 --> 00:13:50,760

form of locomotion I.E habitual upright

332

00:13:55,790 --> 00:13:53,459

walking this seemingly insignificant

333

00:13:58,370 --> 00:13:55,800

change in the way we get from one place

334

00:14:00,230 --> 00:13:58,380

to another actually had far-reaching

335

00:14:02,449 --> 00:14:00,240

implications for the subsequent

336

00:14:03,650 --> 00:14:02,459

development of our Advanced culture and

337

00:14:06,290 --> 00:14:03,660

biology

338

00:14:09,230 --> 00:14:06,300

not least among these was the impact

339

00:14:11,449 --> 00:14:09,240

that bipedalism had on our brain size as

340

00:14:14,150 --> 00:14:11,459

it helped to create more space within

341

00:14:16,610 --> 00:14:14,160

the skull for a larger brain to grow

342

00:14:19,069 --> 00:14:16,620

standing and walking upright also freed

343

00:14:21,230 --> 00:14:19,079

our hands from the burdens of moving our

344

00:14:23,569 --> 00:14:21,240

bodies which meant that our hands and

345

00:14:25,850 --> 00:14:23,579

highly dexterous digits could now be

346

00:14:28,490 --> 00:14:25,860

used for all sorts of new and innovative

347

00:14:30,350 --> 00:14:28,500

tasks which also helped to advance our

348

00:14:32,449 --> 00:14:30,360

culture and intellect

349

00:14:34,790 --> 00:14:32,459

in the context of the aforementioned

350

00:14:37,430 --> 00:14:34,800

mental picture partially invoked by the

351
00:14:39,949 --> 00:14:37,440
cover image on the book communion these

352
00:14:41,810 --> 00:14:39,959
shared traits alone suggested to my

353
00:14:43,250 --> 00:14:41,820
primitive eight-year-old mind that

354
00:14:45,889 --> 00:14:43,260
modern humans could potentially

355
00:14:48,370 --> 00:14:45,899
represent an intermediate stage between

356
00:14:52,009 --> 00:14:48,380
this small-brained large-faced

357
00:14:54,850 --> 00:14:52,019
chimpanzee-like early hominin form and

358
00:14:57,889 --> 00:14:54,860
the large Brain small face alien-like

359
00:14:59,629 --> 00:14:57,899
extraterrestrial form as I work towards

360
00:15:02,509 --> 00:14:59,639
becoming a professor of biological

361
00:15:04,910 --> 00:15:02,519
anthropology with a specialization in

362
00:15:07,670 --> 00:15:04,920
human evolutionary anatomy and modern

363
00:15:10,310 --> 00:15:07,680

human variation it became increasingly

364

00:15:13,250 --> 00:15:10,320

evident that if these aliens are in fact

365

00:15:16,370 --> 00:15:13,260

real then they must be part of the

366

00:15:18,290 --> 00:15:16,380

hominin lineage and clearly towards the

367

00:15:20,650 --> 00:15:18,300

future end of our current position along

368

00:15:23,269 --> 00:15:20,660

the fourth dimension of space-time

369

00:15:24,650 --> 00:15:23,279

additionally in the same way that we

370

00:15:26,930 --> 00:15:24,660

have come to understand the current

371

00:15:29,210 --> 00:15:26,940

Human Condition by examining the

372

00:15:31,970 --> 00:15:29,220

morphology and culture of our hominin

373

00:15:34,850 --> 00:15:31,980

ancestors it it seemed reasonable that

374

00:15:37,730 --> 00:15:34,860

these aliens of time may also be working

375

00:15:39,490 --> 00:15:37,740

to probe their own evolutionary past by

376

00:15:42,110 --> 00:15:39,500

dint of the much more sophisticated

377

00:15:44,810 --> 00:15:42,120

anthropological tool of time travel

378

00:15:47,449 --> 00:15:44,820

unquote

379

00:15:49,970 --> 00:15:47,459

now even if the future human hypothesis

380

00:15:52,249 --> 00:15:49,980

was not high on your list a potential

381

00:15:54,590 --> 00:15:52,259

explanations for the UFO phenomenon

382

00:15:57,829 --> 00:15:54,600

perhaps even if it wasn't on your radar

383

00:16:01,249 --> 00:15:57,839

whatsoever I hope after considering what

384

00:16:03,829 --> 00:16:01,259

Masters said there you'll reconsider

385

00:16:06,650 --> 00:16:03,839

I certainly have after hearing his

386

00:16:08,449 --> 00:16:06,660

argument in detail and considering other

387

00:16:10,910 --> 00:16:08,459

lines of evidence that I've come across

388

00:16:13,249 --> 00:16:10,920

over the last several weeks

389

00:16:16,009 --> 00:16:13,259

now while the future human hypothesis

390

00:16:18,410 --> 00:16:16,019

does not make mute the eth the

391

00:16:20,329 --> 00:16:18,420

Extraterrestrial hypothesis in other

392

00:16:23,870 --> 00:16:20,339

words these are not at all mutually

393

00:16:26,629 --> 00:16:23,880

exclusive hypotheses the chances that

394

00:16:29,449 --> 00:16:26,639

these specific entities the bipedal

395

00:16:32,210 --> 00:16:29,459

hominids we colloquially call the graves

396

00:16:34,550 --> 00:16:32,220

are coming from a different planet are

397

00:16:37,490 --> 00:16:34,560

almost nil and that's of course because

398

00:16:39,170 --> 00:16:37,500

life arises and then adapts to its

399

00:16:41,870 --> 00:16:39,180

native environment

400

00:16:44,030 --> 00:16:41,880

and Grays not only look like us in all

401
00:16:46,550 --> 00:16:44,040
of the ways that really matter two eyes

402
00:16:48,710 --> 00:16:46,560
two ears two arms two legs walking

403
00:16:52,249 --> 00:16:48,720
upright relatively large brains of

404
00:16:53,990 --> 00:16:52,259
comparison with head and body size Etc

405
00:16:57,230 --> 00:16:54,000
but they look like creatures that have

406
00:16:59,509 --> 00:16:57,240
Arisen adapted and evolved within an

407
00:17:01,610 --> 00:16:59,519
environment like the Earth

408
00:17:04,490 --> 00:17:01,620
now considering the immensity of the

409
00:17:07,309 --> 00:17:04,500
cosmos there are very likely to be very

410
00:17:09,650 --> 00:17:07,319
earth-like planets existing elsewhere in

411
00:17:11,809 --> 00:17:09,660
some far-flung star system

412
00:17:13,669 --> 00:17:11,819
but when you think about it the chances

413
00:17:16,429 --> 00:17:13,679

that the life that arose in those

414

00:17:19,130 --> 00:17:16,439

distant planets just so happened to be

415

00:17:21,829 --> 00:17:19,140

the ones visiting our Earth is not

416

00:17:25,490 --> 00:17:21,839

nearly as elegant and simple an answer

417

00:17:27,949 --> 00:17:25,500

is that these are just us either from

418

00:17:30,770 --> 00:17:27,959

some future time period or from some

419

00:17:32,690 --> 00:17:30,780

alternate Earth a parallel reality if

420

00:17:34,010 --> 00:17:32,700

you want to lean towards the many worlds

421

00:17:36,409 --> 00:17:34,020

hypothesis

422

00:17:38,630 --> 00:17:36,419

the term Masters applies to these

423

00:17:40,850 --> 00:17:38,640

specific others groups that have Arisen

424

00:17:43,310 --> 00:17:40,860

in either one or more timelines all

425

00:17:46,789 --> 00:17:43,320

Downstream if you will from our present

426

00:17:49,310 --> 00:17:46,799

time is extra terrestrials

427

00:17:51,049 --> 00:17:49,320

now beyond the biological evidence that

428

00:17:53,330 --> 00:17:51,059

is staring Us in the face when we

429

00:17:56,330 --> 00:17:53,340

compare humanoid types like the Grays

430

00:17:58,970 --> 00:17:56,340

and contemporary Homo sapiens another

431

00:18:02,029 --> 00:17:58,980

key piece of evidence that supports the

432

00:18:03,650 --> 00:18:02,039

notion that these are future humans is

433

00:18:05,810 --> 00:18:03,660

the genetic experiments and

434

00:18:08,570 --> 00:18:05,820

hybridization programs that are such a

435

00:18:09,890 --> 00:18:08,580

dominant aspect of the alien abduction

436

00:18:12,409 --> 00:18:09,900

literature

437

00:18:14,870 --> 00:18:12,419

it should be obvious to us that while

438

00:18:17,270 --> 00:18:14,880

ETS might be interested in our genetic

439

00:18:19,370 --> 00:18:17,280

material hypothetically

440

00:18:21,110 --> 00:18:19,380

it should be obvious that a group that

441

00:18:23,330 --> 00:18:21,120

are somehow genetically related to

442

00:18:26,510 --> 00:18:23,340

humans would have a very clear reason

443

00:18:28,669 --> 00:18:26,520

for wanting to harvest genetic material

444

00:18:30,970 --> 00:18:28,679

this is even more the case when we

445

00:18:34,190 --> 00:18:30,980

connect this to our Intel information

446

00:18:36,610 --> 00:18:34,200

suggesting these graves are humans who

447

00:18:39,169 --> 00:18:36,620

have Arisen in our distant future

448

00:18:41,630 --> 00:18:39,179

post-apocalypse and because of this they

449

00:18:44,570 --> 00:18:41,640

are genetically impoverished in several

450

00:18:48,529 --> 00:18:44,580

ways and need what is called the genetic

451
00:18:51,049 --> 00:18:48,539
variants their ancestors I.E us would

452
00:18:53,690 --> 00:18:51,059
offer in order to strengthen their stock

453
00:18:55,610 --> 00:18:53,700
so as to increase the likelihood of

454
00:18:58,250 --> 00:18:55,620
their own Survival

455
00:19:00,890 --> 00:18:58,260
Masters makes the point that even with a

456
00:19:04,010 --> 00:19:00,900
sample size of millions or even billions

457
00:19:06,230 --> 00:19:04,020
if you have no novel genetic variants

458
00:19:08,470 --> 00:19:06,240
meaning everyone is breeding with people

459
00:19:11,270 --> 00:19:08,480
who share their same genetic background

460
00:19:13,430 --> 00:19:11,280
eventually you'll end up with genetic

461
00:19:14,930 --> 00:19:13,440
defects like the ones we see within

462
00:19:17,090 --> 00:19:14,940
breeding

463
00:19:18,830 --> 00:19:17,100

if the graves have evolved in an

464

00:19:20,870 --> 00:19:18,840

environment where their numbers are

465

00:19:23,390 --> 00:19:20,880

greatly diminished as compared to our

466

00:19:25,310 --> 00:19:23,400

contemporary human population then it's

467

00:19:27,830 --> 00:19:25,320

very likely that they would end up

468

00:19:28,970 --> 00:19:27,840

experiencing these detrimental genetic

469

00:19:31,990 --> 00:19:28,980

effects

470

00:19:34,970 --> 00:19:32,000

now furthermore let's be clear

471

00:19:37,789 --> 00:19:34,980

experiencers have seen babies being

472

00:19:40,190 --> 00:19:37,799

grown in test tube-like environments on

473

00:19:42,049 --> 00:19:40,200

board craft and women have repeatedly

474

00:19:45,710 --> 00:19:42,059

reported becoming spontaneously

475

00:19:47,810 --> 00:19:45,720

impregnated with no sexual contact and

476

00:19:50,510 --> 00:19:47,820

have later had babies mysteriously

477

00:19:52,010 --> 00:19:50,520

disappear from their wombs basically

478

00:19:54,710 --> 00:19:52,020

overnight

479

00:19:56,990 --> 00:19:54,720

likewise men have repeatedly reported

480

00:20:00,289 --> 00:19:57,000

having sperm extracted while they are on

481

00:20:02,690 --> 00:20:00,299

board craft and both men and women have

482

00:20:06,230 --> 00:20:02,700

repeatedly been introduced to so-called

483

00:20:07,970 --> 00:20:06,240

hybrid children that they recognize as a

484

00:20:11,330 --> 00:20:07,980

combination of their own and something

485

00:20:13,610 --> 00:20:11,340

like a gray aliens genetic material

486

00:20:16,370 --> 00:20:13,620

now to make this argument even stronger

487

00:20:19,190 --> 00:20:16,380

we might consider the Dr Edgar Mitchell

488

00:20:22,850 --> 00:20:19,200

free Foundation results as it pertains

489

00:20:25,310 --> 00:20:22,860

to the experienter research survey

490

00:20:28,130 --> 00:20:25,320

what did they find they found that the

491

00:20:30,110 --> 00:20:28,140

most common types encountered were not

492

00:20:33,169 --> 00:20:30,120

actually Graves they were second when

493

00:20:35,570 --> 00:20:33,179

you separate small and Tall Graves the

494

00:20:38,210 --> 00:20:35,580

first type encountered were human

495

00:20:40,010 --> 00:20:38,220

looking beings beings that look no

496

00:20:42,409 --> 00:20:40,020

different than us basically or if there

497

00:20:45,110 --> 00:20:42,419

were differences they were minute that

498

00:20:48,350 --> 00:20:45,120

was the number one type the second types

499

00:20:50,510 --> 00:20:48,360

were tall and small Graves of course you

500

00:20:53,330 --> 00:20:50,520

also have groups like nordics which

501
00:20:56,510 --> 00:20:53,340
again while being somewhat different are

502
00:20:58,430 --> 00:20:56,520
clearly not just humanoid but human they

503
00:21:01,190 --> 00:20:58,440
are basically us a just slightly

504
00:21:03,470 --> 00:21:01,200
different variation on us

505
00:21:05,270 --> 00:21:03,480
so when one begins to take into

506
00:21:07,669 --> 00:21:05,280
consideration all of these different

507
00:21:10,250 --> 00:21:07,679
factors then this line of thinking

508
00:21:12,710 --> 00:21:10,260
begins to make a lot of sense it seems

509
00:21:15,169 --> 00:21:12,720
like a very elegant solution to explain

510
00:21:16,490 --> 00:21:15,179
some of what's happening with the UFO

511
00:21:18,590 --> 00:21:16,500
phenomenon

512
00:21:21,470 --> 00:21:18,600
now in last week's episode I mentioned

513
00:21:23,630 --> 00:21:21,480

that two of my main sources are credible

514

00:21:26,330 --> 00:21:23,640

individuals such as veteran Australian

515

00:21:28,130 --> 00:21:26,340

journalist Ross kulthart and former

516

00:21:30,890 --> 00:21:28,140

British intelligence officer and now

517

00:21:32,810 --> 00:21:30,900

intelligence analyst Frank Milburn now

518

00:21:34,850 --> 00:21:32,820

both of these individuals have heard

519

00:21:36,409 --> 00:21:34,860

from their sources people that they

520

00:21:38,630 --> 00:21:36,419

trust and with whom they've had a

521

00:21:40,909 --> 00:21:38,640

long-standing relationship that some of

522

00:21:43,490 --> 00:21:40,919

the UFO phenomenon involves these very

523

00:21:45,409 --> 00:21:43,500

future neo-humans both factions that

524

00:21:48,289 --> 00:21:45,419

look like us and others who look more

525

00:21:50,330 --> 00:21:48,299

like quintessential Graves who have time

526
00:21:52,789 --> 00:21:50,340
traveled into our present day in order

527
00:21:54,950 --> 00:21:52,799
to impact the arising of a cataclysmic

528
00:21:57,529 --> 00:21:54,960
event that lies somewhere in our not

529
00:21:59,690 --> 00:21:57,539
very distant future again here we're

530
00:22:01,549 --> 00:21:59,700
talking about sometime between now and

531
00:22:03,470 --> 00:22:01,559
about 2030.

532
00:22:05,330 --> 00:22:03,480
now some of these factions apparently

533
00:22:08,090 --> 00:22:05,340
are endeavoring to prevent this event

534
00:22:10,130 --> 00:22:08,100
from occurring While others namely at

535
00:22:12,890 --> 00:22:10,140
least some of the graves from the more

536
00:22:15,110 --> 00:22:12,900
distant future are working to ensure it

537
00:22:17,090 --> 00:22:15,120
does take place since that event creates

538
00:22:19,789 --> 00:22:17,100

the chain of events that ultimately

539

00:22:22,490 --> 00:22:19,799

leads to their origin in other words

540

00:22:24,529 --> 00:22:22,500

they are working on survival Instinct

541

00:22:26,810 --> 00:22:24,539

these same sources within the

542

00:22:28,549 --> 00:22:26,820

intelligence Community say these Grays

543

00:22:31,130 --> 00:22:28,559

are telling contact these slash

544

00:22:33,890 --> 00:22:31,140

abductees that they are indeed aliens

545

00:22:36,890 --> 00:22:33,900

from distant planets so as to disguise

546

00:22:39,289 --> 00:22:36,900

their true intention slash reason for

547

00:22:41,390 --> 00:22:39,299

being here and now

548

00:22:43,909 --> 00:22:41,400

it's worth noting here that some of the

549

00:22:46,010 --> 00:22:43,919

nonsensical space Origins that have been

550

00:22:48,830 --> 00:22:46,020

provided historically by some of these

551
00:22:51,230 --> 00:22:48,840
Graves make more sense if one sees them

552
00:22:54,230 --> 00:22:51,240
as part of a gray neo-human

553
00:22:56,630 --> 00:22:54,240
disinformation campaign meant to appease

554
00:22:59,390 --> 00:22:56,640
our curiosity without revealing their

555
00:23:01,610 --> 00:22:59,400
true origin and agenda

556
00:23:03,950 --> 00:23:01,620
now how might we know whether or not

557
00:23:05,149 --> 00:23:03,960
this timeline manipulation is taking

558
00:23:07,130 --> 00:23:05,159
place

559
00:23:09,110 --> 00:23:07,140
well one notion has already been

560
00:23:11,810 --> 00:23:09,120
discussed in and around our society

561
00:23:14,149 --> 00:23:11,820
though not often in light of neo-human

562
00:23:16,549 --> 00:23:14,159
gray aliens from our own future

563
00:23:18,770 --> 00:23:16,559

here I speak of the so-called Mandela

564

00:23:21,169 --> 00:23:18,780

effect incidents where people have

565

00:23:23,750 --> 00:23:21,179

memories of historical events that now

566

00:23:26,330 --> 00:23:23,760

have no record of having ever taken

567

00:23:28,730 --> 00:23:26,340

place that would of course be the case

568

00:23:30,890 --> 00:23:28,740

if you were in one timeline and then

569

00:23:33,710 --> 00:23:30,900

because of some kind of manipulation

570

00:23:35,270 --> 00:23:33,720

ended up in another timeline over the

571

00:23:37,490 --> 00:23:35,280

course of your life

572

00:23:40,070 --> 00:23:37,500

according to these intelligent sources

573

00:23:42,769 --> 00:23:40,080

there also exists evidence in certain

574

00:23:45,769 --> 00:23:42,779

movies and books from over the last

575

00:23:48,590 --> 00:23:45,779

century where events described no longer

576

00:23:50,450 --> 00:23:48,600

line up with our historical record

577

00:23:52,130 --> 00:23:50,460

we already discussed the genetic

578

00:23:54,529 --> 00:23:52,140

harvesting and the hybridization

579

00:23:57,049 --> 00:23:54,539

programs as being potential lines of

580

00:23:58,909 --> 00:23:57,059

evidence to support the notion that some

581

00:24:01,070 --> 00:23:58,919

of these others are actually our future

582

00:24:03,169 --> 00:24:01,080

descendants coming back to gather

583

00:24:05,090 --> 00:24:03,179

genetic material to enrich their

584

00:24:07,490 --> 00:24:05,100

depleted genetic stock

585

00:24:09,529 --> 00:24:07,500

in addition to that it is argued that

586

00:24:11,930 --> 00:24:09,539

when certain human beings find

587

00:24:14,870 --> 00:24:11,940

themselves suddenly and miraculously

588

00:24:17,950 --> 00:24:14,880

saved by what they perceive as aliens

589

00:24:20,570 --> 00:24:17,960

it's actually these future neo-humans

590

00:24:23,510 --> 00:24:20,580

intervening because that individual's

591

00:24:26,450 --> 00:24:23,520

survival is a key component in a future

592

00:24:27,769 --> 00:24:26,460

timeline that they want to see come to

593

00:24:30,169 --> 00:24:27,779

fruition

594

00:24:32,510 --> 00:24:30,179

the so-called Butterfly Effect also

595

00:24:34,490 --> 00:24:32,520

comes into play here because with the

596

00:24:36,529 --> 00:24:34,500

aid of very sophisticated quantum

597

00:24:39,049 --> 00:24:36,539

computers and advanced artificial

598

00:24:41,750 --> 00:24:39,059

intelligence a future faction of our

599

00:24:45,350 --> 00:24:41,760

species could Target very specific and

600

00:24:47,810 --> 00:24:45,360

largely imperceptible to us changes in

601
00:24:50,269 --> 00:24:47,820
our timeline that would nevertheless be

602
00:24:54,110 --> 00:24:50,279
the minimum intervention needed to

603
00:24:56,870 --> 00:24:54,120
ensure a future outcome or timeline

604
00:24:59,210 --> 00:24:56,880
now again if these different factions of

605
00:25:02,210 --> 00:24:59,220
future humans are here primarily in

606
00:25:04,850 --> 00:25:02,220
regards to a cataclysm supposedly due to

607
00:25:07,730 --> 00:25:04,860
a rise in our near future what would the

608
00:25:10,010 --> 00:25:07,740
nature of this cataclysm be we already

609
00:25:12,830 --> 00:25:10,020
discussed the very broad brushes of

610
00:25:15,289 --> 00:25:12,840
either environmental disaster or nuclear

611
00:25:16,430 --> 00:25:15,299
catastrophe or some combination of the

612
00:25:19,370 --> 00:25:16,440
two

613
00:25:22,070 --> 00:25:19,380

now we know we are susceptible to

614

00:25:23,690 --> 00:25:22,080

objects and debris that pass near the

615

00:25:25,909 --> 00:25:23,700

orbit of the Earth

616

00:25:28,490 --> 00:25:25,919

take for instance the example of the

617

00:25:31,909 --> 00:25:28,500

Chelyabinsk meteor that struck in Russia

618

00:25:34,190 --> 00:25:31,919

in 2013. according to Wikipedia the

619

00:25:37,130 --> 00:25:34,200

object exploded in a meteor air burst

620

00:25:40,430 --> 00:25:37,140

over Chelyabinsk oblast at a height of

621

00:25:42,769 --> 00:25:40,440

around 29.7 kilometers the explosion

622

00:25:45,669 --> 00:25:42,779

generated a bright flash producing a hot

623

00:25:49,250 --> 00:25:45,679

cloud of dust and gas that penetrated to

624

00:25:52,490 --> 00:25:49,260

26.2 kilometers and many surviving small

625

00:25:54,350 --> 00:25:52,500

fragmentary meteorites the bulk of the

626
00:25:56,510 --> 00:25:54,360
object's energy was absorbed by the

627
00:25:58,730 --> 00:25:56,520
atmosphere creating a large shock wave

628
00:26:01,250 --> 00:25:58,740
with a total kinetic energy before

629
00:26:03,769 --> 00:26:01,260
atmospheric impact estimated from

630
00:26:06,289 --> 00:26:03,779
infrasound and seismic measurements to

631
00:26:09,110 --> 00:26:06,299
be equivalent to the blast yield of 4 to

632
00:26:12,590 --> 00:26:09,120
500 kilotons of TNT

633
00:26:14,570 --> 00:26:12,600
26 to 33 times as much energy as that

634
00:26:17,029 --> 00:26:14,580
released from the atomic bomb detonated

635
00:26:18,950 --> 00:26:17,039
at Hiroshima and the rough equivalent in

636
00:26:22,490 --> 00:26:18,960
energy output to the former Soviet

637
00:26:25,310 --> 00:26:22,500
Union's own mid-august 1953 initial

638
00:26:27,230 --> 00:26:25,320

attempt at a thermonuclear device

639

00:26:28,850 --> 00:26:27,240

now here this part is really key so I

640

00:26:31,430 --> 00:26:28,860

want you to listen to this again quoting

641

00:26:34,549 --> 00:26:31,440

from Wikipedia quote the object

642

00:26:37,130 --> 00:26:34,559

approached Earth undetected before its

643

00:26:40,070 --> 00:26:37,140

atmospheric entry in part because it's

644

00:26:41,810 --> 00:26:40,080

radiant Source Direction was close to

645

00:26:44,090 --> 00:26:41,820

the Sun unquote

646

00:26:46,430 --> 00:26:44,100

now compared to the size of other

647

00:26:50,330 --> 00:26:46,440

objects that may potentially impact with

648

00:26:53,210 --> 00:26:50,340

the Earth this was just a pebble objects

649

00:26:55,430 --> 00:26:53,220

miles wide exist out there and we are at

650

00:26:57,950 --> 00:26:55,440

risk of being struck by them

651
00:26:59,769 --> 00:26:57,960
we know these cataclysmic events have

652
00:27:02,750 --> 00:26:59,779
happened before in Earth's history

653
00:27:04,730 --> 00:27:02,760
repeatedly in fact the global flood

654
00:27:07,010 --> 00:27:04,740
story that is told in the Bible for

655
00:27:09,890 --> 00:27:07,020
instance resulting in a figure of Noah

656
00:27:12,230 --> 00:27:09,900
and his ark is supposedly based on a

657
00:27:14,870 --> 00:27:12,240
real event and evidence for this exists

658
00:27:16,789 --> 00:27:14,880
in the geological record of the Earth

659
00:27:19,610 --> 00:27:16,799
in more recent times we should be

660
00:27:22,490 --> 00:27:19,620
cognizant of the tunguska event which

661
00:27:24,950 --> 00:27:22,500
was a massive 12 Megaton explosion that

662
00:27:26,930 --> 00:27:24,960
occurred in the Siberia area of Russia

663
00:27:29,570 --> 00:27:26,940

in 1908

664

00:27:31,909 --> 00:27:29,580

now because of the timeline experts

665

00:27:34,190 --> 00:27:31,919

believe the tunguska event was due to an

666

00:27:37,130 --> 00:27:34,200

object arising from the torrid meteor

667

00:27:39,289 --> 00:27:37,140

belt this same trail of debris including

668

00:27:41,750 --> 00:27:39,299

some massive objects is what's thought

669

00:27:44,510 --> 00:27:41,760

to be the likely cause of the impact

670

00:27:47,269 --> 00:27:44,520

that led to the global flood recorded in

671

00:27:51,110 --> 00:27:47,279

the NOAA event we discussed earlier

672

00:27:53,149 --> 00:27:51,120

to be clear I quote every 11 600 years

673

00:27:55,789 --> 00:27:53,159

or so we pass directly through the

674

00:27:57,950 --> 00:27:55,799

torrid meteor belt Jupiter does a great

675

00:28:00,230 --> 00:27:57,960

job of deflecting most potential meteors

676

00:28:02,450 --> 00:28:00,240

from colliding with Earth but there is

677

00:28:06,350 --> 00:28:02,460

now substantial evidence to suggest that

678

00:28:08,930 --> 00:28:06,360

11 600 years ago an exceedingly large

679

00:28:11,450 --> 00:28:08,940

asteroid broke up and rained down upon

680

00:28:13,430 --> 00:28:11,460

our planet this caused the rapid melting

681

00:28:16,130 --> 00:28:13,440

of the northern hemisphere ice sheets

682

00:28:18,590 --> 00:28:16,140

ending the mini ice age and causing

683

00:28:20,389 --> 00:28:18,600

cataclysmic flooding it is fair to

684

00:28:23,210 --> 00:28:20,399

assume that this is the origin of

685

00:28:25,610 --> 00:28:23,220

biblical fire and brimstone as well as

686

00:28:28,010 --> 00:28:25,620

Noah's Ark unquote

687

00:28:29,630 --> 00:28:28,020

and by the way that quote is from Graham

688

00:28:32,570 --> 00:28:29,640

Hancock

689

00:28:34,789 --> 00:28:32,580

so clearly an object in space that

690

00:28:37,370 --> 00:28:34,799

impacts the Earth could be the impetus

691

00:28:39,350 --> 00:28:37,380

for this cataclysm being referenced by

692

00:28:41,870 --> 00:28:39,360

these intelligent sources

693

00:28:44,450 --> 00:28:41,880

another possibility is a magnetic pole

694

00:28:45,889 --> 00:28:44,460

shift which some experts say were also

695

00:28:47,930 --> 00:28:45,899

overdue for

696

00:28:49,909 --> 00:28:47,940

now to be clear there is mounting

697

00:28:52,630 --> 00:28:49,919

evidence that the magnetic pole shift

698

00:28:55,430 --> 00:28:52,640

could indeed be a cataclysmic event

699

00:28:56,210 --> 00:28:55,440

resulting in flooding across much of the

700

00:28:58,789 --> 00:28:56,220

world

701
00:29:01,130 --> 00:28:58,799
when the water is finally recede we'd be

702
00:29:03,769 --> 00:29:01,140
left with a land mass covered in a thick

703
00:29:05,510 --> 00:29:03,779
layer of mud that has buried the major

704
00:29:07,730 --> 00:29:05,520
cities of the world

705
00:29:10,010 --> 00:29:07,740
those are a couple of options in terms

706
00:29:11,930 --> 00:29:10,020
of environmental disasters that could

707
00:29:14,570 --> 00:29:11,940
result in this cataclysm that would

708
00:29:16,010 --> 00:29:14,580
vastly change if not destroy much of our

709
00:29:18,470 --> 00:29:16,020
civilization

710
00:29:20,630 --> 00:29:18,480
of course as we mentioned last week the

711
00:29:23,389 --> 00:29:20,640
nuclear option is also on the table

712
00:29:25,850 --> 00:29:23,399
again there seems to be some unclarity

713
00:29:27,889 --> 00:29:25,860

amongst these intelligent sources as to

714

00:29:30,049 --> 00:29:27,899

the ultimate nature of the cataclysm

715

00:29:32,630 --> 00:29:30,059

perhaps that's by Design

716

00:29:34,669 --> 00:29:32,640

but either way a nuclear catastrophe

717

00:29:37,190 --> 00:29:34,679

could be on the table or some

718

00:29:38,690 --> 00:29:37,200

combination of nuclear and environmental

719

00:29:41,870 --> 00:29:38,700

disaster

720

00:29:44,510 --> 00:29:41,880

now speaking of nuclear again we've

721

00:29:46,789 --> 00:29:44,520

covered many times on this podcast the

722

00:29:49,130 --> 00:29:46,799

historical record that makes clear that

723

00:29:51,169 --> 00:29:49,140

these others some of them are

724

00:29:53,149 --> 00:29:51,179

interfering with our nuclear facilities

725

00:29:56,450 --> 00:29:53,159

specifically our nuclear weapons

726

00:29:59,330 --> 00:29:56,460

facilities they are able to remotely arm

727

00:30:01,430 --> 00:29:59,340

and disarm our nukes they've done this

728

00:30:03,710 --> 00:30:01,440

both in the United States and in the

729

00:30:05,930 --> 00:30:03,720

Soviet Union during the Cold War and

730

00:30:07,909 --> 00:30:05,940

since then so that at least makes one

731

00:30:09,950 --> 00:30:07,919

think that the nuclear aspect of this

732

00:30:12,110 --> 00:30:09,960

might be part of what's going to happen

733

00:30:14,389 --> 00:30:12,120

and that's exactly why they're drawing

734

00:30:17,090 --> 00:30:14,399

attention to it and again speaking of

735

00:30:19,370 --> 00:30:17,100

the nuclear aspect we have covered on

736

00:30:22,010 --> 00:30:19,380

numerous podcasts how there seems to be

737

00:30:25,130 --> 00:30:22,020

evidence of an increase in interaction

738

00:30:27,889 --> 00:30:25,140

and intervention since the dawn of the

739

00:30:30,470 --> 00:30:27,899

atomic era that seems to be a key period

740

00:30:32,510 --> 00:30:30,480

in human history where these others or

741

00:30:35,330 --> 00:30:32,520

at least some of them began to show up

742

00:30:38,269 --> 00:30:35,340

much more often and interact and

743

00:30:39,830 --> 00:30:38,279

intervene in our Affairs this again at

744

00:30:42,169 --> 00:30:39,840

least provides provides anecdotal

745

00:30:44,750 --> 00:30:42,179

evidence suggesting the nuclear aspect

746

00:30:46,850 --> 00:30:44,760

may be part of what's going on here

747

00:30:49,669 --> 00:30:46,860

I also want to make one thing clear here

748

00:30:52,190 --> 00:30:49,679

this escalation in activity and

749

00:30:56,389 --> 00:30:52,200

intervention has not been steady since

750

00:30:58,549 --> 00:30:56,399

1945 or so no in fact part of the reason

751
00:31:01,370 --> 00:30:58,559
why there seems to be much more activity

752
00:31:04,009 --> 00:31:01,380
in Congress and deep within Black Ops

753
00:31:06,769 --> 00:31:04,019
programs that know about this secret is

754
00:31:09,110 --> 00:31:06,779
because these others are pressing the

755
00:31:11,509 --> 00:31:09,120
matter even over the last few years

756
00:31:13,970 --> 00:31:11,519
there has been a clear increase and that

757
00:31:17,330 --> 00:31:13,980
these others are making themselves very

758
00:31:20,330 --> 00:31:17,340
visible in craft engaging so far

759
00:31:22,549 --> 00:31:20,340
peacefully with our military forces

760
00:31:24,710 --> 00:31:22,559
now when I spoke with Ross cool tart

761
00:31:26,570 --> 00:31:24,720
about this matter and asked him for a

762
00:31:29,690 --> 00:31:26,580
quote pertaining to this more recent

763
00:31:32,330 --> 00:31:29,700

Brazen Behavior by whoever is piloting

764

00:31:36,649 --> 00:31:32,340

these sophisticated craft such as Tic

765

00:31:39,350 --> 00:31:36,659

Tacs saucers triangles pyramids Etc Ross

766

00:31:41,930 --> 00:31:39,360

said quote I have been told as recently

767

00:31:44,330 --> 00:31:41,940

as within the past two weeks that the

768

00:31:46,909 --> 00:31:44,340

military sightings of these objects are

769

00:31:49,490 --> 00:31:46,919

not only increasing but the number of

770

00:31:52,430 --> 00:31:49,500

objects slash craft are dramatically

771

00:31:55,370 --> 00:31:52,440

increasing the shape is not a detail I

772

00:31:57,649 --> 00:31:55,380

have so I can't say Tic Tac it has been

773

00:32:01,930 --> 00:31:57,659

suggested the phenomenon might be

774

00:32:04,909 --> 00:32:01,940

pushing the transparency agenda unquote

775

00:32:07,310 --> 00:32:04,919

now again knowing that the escalation

776

00:32:11,269 --> 00:32:07,320

seems to be ramping up the question

777

00:32:13,730 --> 00:32:11,279

again is why what's coming why are they

778

00:32:14,990 --> 00:32:13,740

choosing now of all times to push the

779

00:32:17,570 --> 00:32:15,000

envelope

780

00:32:20,029 --> 00:32:17,580

whatever the case Intel sources report

781

00:32:22,730 --> 00:32:20,039

that there is a real concern that very

782

00:32:24,950 --> 00:32:22,740

soon the matter of disclosure will be

783

00:32:27,610 --> 00:32:24,960

out of the hands of the deeply embedded

784

00:32:30,169 --> 00:32:27,620

Black Ops programs that hold this secret

785

00:32:32,810 --> 00:32:30,179

because the intelligence behind the

786

00:32:34,850 --> 00:32:32,820

phenomenon or at least some of them plan

787

00:32:37,730 --> 00:32:34,860

to make their presence known in some

788

00:32:41,090 --> 00:32:37,740

obvious plainest day way to the entire

789

00:32:45,769 --> 00:32:41,100

human population again one can't help

790

00:32:47,990 --> 00:32:45,779

but wonder why why now to what end and

791

00:32:50,269 --> 00:32:48,000

is this connected to some cataclysmic

792

00:32:53,630 --> 00:32:50,279

event that lies in our not very distant

793

00:32:56,509 --> 00:32:53,640

future has a non-conventionally human

794

00:32:58,610 --> 00:32:56,519

intelligence decided they must push the

795

00:33:01,190 --> 00:32:58,620

matter now because our Collective

796

00:33:03,649 --> 00:33:01,200

leadership has failed to prepare us for

797

00:33:06,470 --> 00:33:03,659

a challenging future perhaps a future

798

00:33:09,230 --> 00:33:06,480

that they were long ago warned about

799

00:33:11,750 --> 00:33:09,240

at this point we can only speculate but

800

00:33:13,610 --> 00:33:11,760

the Gathering storm of Clues certainly

801
00:33:17,330 --> 00:33:13,620
suggests this is one of several

802
00:33:20,810 --> 00:33:19,190
and now I'd like to leave you with a few

803
00:33:23,269 --> 00:33:20,820
concluding thoughts

804
00:33:25,310 --> 00:33:23,279
first while I think there are numerous

805
00:33:27,549 --> 00:33:25,320
players within the UFO phenomenon

806
00:33:30,830 --> 00:33:27,559
including extraterrestrial

807
00:33:33,110 --> 00:33:30,840
interdimensional and extra dimensional

808
00:33:35,570 --> 00:33:33,120
there is very strong evidence for a

809
00:33:38,330 --> 00:33:35,580
future human element as well

810
00:33:41,269 --> 00:33:38,340
and by the way if these others these

811
00:33:43,610 --> 00:33:41,279
future humans these neo-human graves are

812
00:33:45,889 --> 00:33:43,620
coming from an alternate timeline in a

813
00:33:48,710 --> 00:33:45,899

parallel reality then you could consider

814

00:33:50,690 --> 00:33:48,720

them interdimensional as well

815

00:33:53,210 --> 00:33:50,700

now the intelligence Community

816

00:33:56,210 --> 00:33:53,220

Information and extraterrestrial

817

00:33:58,909 --> 00:33:56,220

hypothesis we've discussed today are of

818

00:34:01,789 --> 00:33:58,919

course related but separate ideas you

819

00:34:03,950 --> 00:34:01,799

can accept one without the other you may

820

00:34:06,590 --> 00:34:03,960

be convinced of the likelihood of this

821

00:34:08,629 --> 00:34:06,600

extra-term pastoral hypothesis the

822

00:34:11,210 --> 00:34:08,639

notion that these others some of them

823

00:34:12,889 --> 00:34:11,220

are actually our descendants even though

824

00:34:15,409 --> 00:34:12,899

they are changed because of the

825

00:34:17,089 --> 00:34:15,419

evolutionary curve and the nature of the

826

00:34:19,550 --> 00:34:17,099

conditions on the earth at the time

827

00:34:21,589 --> 00:34:19,560

where they arise while still rejecting

828

00:34:23,569 --> 00:34:21,599

or highly questioning the Intel

829

00:34:26,889 --> 00:34:23,579

information that is arising from these

830

00:34:29,450 --> 00:34:26,899

IC sources now regarding these future

831

00:34:32,030 --> 00:34:29,460

neo-human Graves I'd also like to point

832

00:34:34,010 --> 00:34:32,040

out that while we are being told that

833

00:34:36,349 --> 00:34:34,020

they are responsible for some of the

834

00:34:38,629 --> 00:34:36,359

intentionality towards ensuring that

835

00:34:41,270 --> 00:34:38,639

this cataclysm happens because it

836

00:34:43,730 --> 00:34:41,280

results in their arising based on

837

00:34:45,829 --> 00:34:43,740

reports from experiencers who have some

838

00:34:47,930 --> 00:34:45,839

very positive experiences with Graves

839

00:34:51,050 --> 00:34:47,940

and again that's reflected in the free

840

00:34:53,810 --> 00:34:51,060

data then it seems possible to me that

841

00:34:56,510 --> 00:34:53,820

there are multiple factions of graves as

842

00:34:58,250 --> 00:34:56,520

well these neo-human future Graves and

843

00:35:00,170 --> 00:34:58,260

that some of them perhaps don't want

844

00:35:02,930 --> 00:35:00,180

this cataclysm to happen they are

845

00:35:04,730 --> 00:35:02,940

perhaps here to counter the other Graves

846

00:35:08,150 --> 00:35:04,740

from their time who are trying to ensure

847

00:35:11,390 --> 00:35:08,160

the cataclysm does happen just like the

848

00:35:13,370 --> 00:35:11,400

TV series Travelers you had two factions

849

00:35:15,410 --> 00:35:13,380

of humans one group that wanted to

850

00:35:17,810 --> 00:35:15,420

prevent a certain event and another

851
00:35:20,270 --> 00:35:17,820
group that didn't and of course in some

852
00:35:22,550 --> 00:35:20,280
ways this is highly likely we know that

853
00:35:24,530 --> 00:35:22,560
species tend not to agree on everything

854
00:35:26,690 --> 00:35:24,540
there are differences in opinion

855
00:35:29,630 --> 00:35:26,700
therefore there may even be multiple

856
00:35:32,810 --> 00:35:29,640
factions of these Graves these neo-human

857
00:35:35,510 --> 00:35:32,820
future Graves and they may be at odds in

858
00:35:38,569 --> 00:35:35,520
terms of their agenda while they're here

859
00:35:41,390 --> 00:35:38,579
now truth be told as I pointed out last

860
00:35:44,030 --> 00:35:41,400
week I didn't begin as a supporter of

861
00:35:46,690 --> 00:35:44,040
this hypothesis positing the existence

862
00:35:49,670 --> 00:35:46,700
of what Michael Masters calls extra

863
00:35:51,530 --> 00:35:49,680

tempestrials in fact I put off reading

864

00:35:54,530 --> 00:35:51,540

his book when it came out because I

865

00:35:56,690 --> 00:35:54,540

assumed notice that word assumed that he

866

00:35:59,150 --> 00:35:56,700

was simply arguing this because he had a

867

00:36:02,750 --> 00:35:59,160

bias against the notion of Little Green

868

00:36:05,390 --> 00:36:02,760

Men from Neptune but alas no he's making

869

00:36:07,490 --> 00:36:05,400

sound arguments based on the totality of

870

00:36:11,150 --> 00:36:07,500

the data and based on his strong

871

00:36:13,270 --> 00:36:11,160

background in evolutionary biology

872

00:36:15,950 --> 00:36:13,280

some people seem to think it is

873

00:36:17,810 --> 00:36:15,960

anthropocentric to focus on the future

874

00:36:20,150 --> 00:36:17,820

human hypothesis

875

00:36:21,670 --> 00:36:20,160

now I'd like to remind us all of that

876

00:36:23,750 --> 00:36:21,680

definition

877

00:36:25,910 --> 00:36:23,760

anthropocentrism is the belief that

878

00:36:28,730 --> 00:36:25,920

human beings are the central or most

879

00:36:31,270 --> 00:36:28,740

important entity in the universe the

880

00:36:33,770 --> 00:36:31,280

term can be used interchangeably with

881

00:36:36,109 --> 00:36:33,780

humanocentrism and some refer to the

882

00:36:38,870 --> 00:36:36,119

concept as human Supremacy or human

883

00:36:41,829 --> 00:36:38,880

exceptionalism now to suggest the future

884

00:36:45,109 --> 00:36:41,839

human hypothesis is by definition

885

00:36:47,210 --> 00:36:45,119

anthropocentric is faulty logic no one

886

00:36:49,430 --> 00:36:47,220

is saying the only and or most

887

00:36:53,150 --> 00:36:49,440

sophisticated intelligent life in the

888

00:36:55,190 --> 00:36:53,160

universe is human and or neo-human but

889

00:36:57,829 --> 00:36:55,200

rather that the intelligent life most

890

00:37:00,730 --> 00:36:57,839

likely to be directly impacting us on

891

00:37:03,050 --> 00:37:00,740

the earth is human and neo-human

892

00:37:05,569 --> 00:37:03,060

especially when witness slash

893

00:37:07,970 --> 00:37:05,579

experiencer accounts suggest they are

894

00:37:10,190 --> 00:37:07,980

hominids which strongly supports the

895

00:37:11,510 --> 00:37:10,200

notion that they share a genetic lineage

896

00:37:14,630 --> 00:37:11,520

with us

897

00:37:16,910 --> 00:37:14,640

now expecting aliens from Alpha Centauri

898

00:37:20,030 --> 00:37:16,920

to look and think like humans from Earth

899

00:37:22,310 --> 00:37:20,040

would be anthropocentric so the very

900

00:37:25,069 --> 00:37:22,320

people who Lobby this objection to the

901
00:37:26,870 --> 00:37:25,079
Future human hypothesis may be perhaps

902
00:37:30,230 --> 00:37:26,880
guilty of the very thing they're

903
00:37:32,990 --> 00:37:30,240
accusing others of bottom line beware of

904
00:37:35,630 --> 00:37:33,000
your biases base your arguments on the

905
00:37:37,310 --> 00:37:35,640
evidence and all of it and then try to

906
00:37:40,130 --> 00:37:37,320
talk yourself out of that perspective

907
00:37:42,530 --> 00:37:40,140
for the sake of argument be ever aware

908
00:37:45,530 --> 00:37:42,540
of our very human tendency to not only

909
00:37:47,270 --> 00:37:45,540
prefer one hypothesis over another for

910
00:37:50,210 --> 00:37:47,280
reasons that have nothing to do with the

911
00:37:52,849 --> 00:37:50,220
actual evidence at hand often but to

912
00:37:54,470 --> 00:37:52,859
actually often subconsciously ignore

913
00:37:56,630 --> 00:37:54,480

data that doesn't fit with a

914

00:37:59,270 --> 00:37:56,640

pre-existing belief system slash

915

00:38:02,810 --> 00:37:59,280

conclusion a phenomenon known as

916

00:38:06,349 --> 00:38:02,820

confirmation bias cognitive bias is a

917

00:38:08,329 --> 00:38:06,359

trap we all fall into much too easily in

918

00:38:10,250 --> 00:38:08,339

fact from my point of view that's why we

919

00:38:13,069 --> 00:38:10,260

need to stay in dialogue with people

920

00:38:15,530 --> 00:38:13,079

coming at this from multiple angles and

921

00:38:18,230 --> 00:38:15,540

different perspectives to ensure we're

922

00:38:19,790 --> 00:38:18,240

not isolating into Echo chambers that

923

00:38:21,829 --> 00:38:19,800

are based more on preconceived

924

00:38:24,589 --> 00:38:21,839

preferences than they are on the

925

00:38:27,290 --> 00:38:24,599

totality of the data at hand

926

00:38:30,050 --> 00:38:27,300

and to be sure in our modern social

927

00:38:32,569 --> 00:38:30,060

media driven world this happens in

928

00:38:36,050 --> 00:38:32,579

numerous Fields topics and spheres of

929

00:38:40,069 --> 00:38:36,060

life including politics science medicine

930

00:38:42,770 --> 00:38:40,079

religion Etc and not simply in regard to

931

00:38:44,810 --> 00:38:42,780

opinions about the potential origins of

932

00:38:47,030 --> 00:38:44,820

the intelligences behind what we

933

00:38:49,730 --> 00:38:47,040

conveniently lump into the meta category

934

00:38:52,310 --> 00:38:49,740

called the UFO phenomenon

935

00:38:54,170 --> 00:38:52,320

ultimately if we don't get better at

936

00:38:56,569 --> 00:38:54,180

learning to listen patiently and

937

00:38:58,609 --> 00:38:56,579

attentively to each other and especially

938

00:39:00,770 --> 00:38:58,619

to opinions that differ from our own

939

00:39:03,349 --> 00:39:00,780

then not only are we doomed to never

940

00:39:05,569 --> 00:39:03,359

finding robust answers to something like

941

00:39:08,030 --> 00:39:05,579

the origin and nature of the UFO

942

00:39:10,910 --> 00:39:08,040

phenomenon but were likely doomed as a

943

00:39:13,490 --> 00:39:10,920

civilization altogether regardless of

944

00:39:17,329 --> 00:39:13,500

whether or not this alleged cataclysm is

945

00:39:19,730 --> 00:39:17,339

looming on the horizon of tomorrow

946

00:39:21,770 --> 00:39:19,740

and on that note we've come to the close

947

00:39:24,230 --> 00:39:21,780

of another edition of the point of

948

00:39:26,329 --> 00:39:24,240

convergence podcast if you'd like to
