00:00:02,880 --> 00:00:07,909

[Music]

2  
00:00:13,830 --> 00:00:11,350

hello and welcome to episode number 49

3  
00:00:15,110 --> 00:00:13,840

of the point of convergence podcast

4  
00:00:18,710 --> 00:00:15,120

as always

5  
00:00:21,109 --> 00:00:18,720

i am your host exo academian

6  
00:00:23,109 --> 00:00:21,119

when luis elizondo made the bold and

7  
00:00:25,509 --> 00:00:23,119

life-changing decision to leave his

8  
00:00:27,509 --> 00:00:25,519

career within the u.s military by

9  
00:00:29,910 --> 00:00:27,519

resigning from his role spearheading

10  
00:00:32,549 --> 00:00:29,920

atip the advanced aerospace threat

11  
00:00:34,549 --> 00:00:32,559

identification program it wasn't because

12  
00:00:36,549 --> 00:00:34,559

he wanted a change in scenery or a

13  
00:00:39,030 --> 00:00:36,559

change in direction

14

00:00:40,709 --> 00:00:39,040

no on the contrary he has repeatedly

15

00:00:43,030 --> 00:00:40,719

stated that the decision to leave his

16

00:00:45,430 --> 00:00:43,040

position was the hardest one he's ever

17

00:00:47,670 --> 00:00:45,440

made one that he wouldn't have made if

18

00:00:48,950 --> 00:00:47,680

he had seen any other legitimate way

19

00:00:51,510 --> 00:00:48,960

forward

20

00:00:53,430 --> 00:00:51,520

furthermore he has repeatedly asserted

21

00:00:55,189 --> 00:00:53,440

that his decision to resign was brought

22

00:00:58,950 --> 00:00:55,199

about by his desire

23

00:01:00,790 --> 00:00:58,960

first and foremost to serve his country

24

00:01:02,950 --> 00:01:00,800

in the end it became apparent to

25

00:01:04,869 --> 00:01:02,960

elizondo that the intelligence he was

26

00:01:07,429 --> 00:01:04,879

trying to deliver of his chain of

27

00:01:09,830 --> 00:01:07,439

command was being brick-walled before it

28

00:01:12,390 --> 00:01:09,840

could get to where it needed to

29

00:01:14,390 --> 00:01:12,400

in short there were people above him who

30

00:01:16,550 --> 00:01:14,400

not only had no interest in seeing the

31

00:01:18,870 --> 00:01:16,560

intelligence gathered being delivered to

32

00:01:21,830 --> 00:01:18,880

the top of the chain where it could be

33

00:01:23,350 --> 00:01:21,840

as elizondo had hoped acted upon

34

00:01:24,830 --> 00:01:23,360

but there were individuals who had

35

00:01:27,190 --> 00:01:24,840

apparently decided that the

36

00:01:29,510 --> 00:01:27,200

investigation shouldn't be happening at

37

00:01:32,789 --> 00:01:29,520

all that to investigate the matter of

38

00:01:36,149 --> 00:01:32,799

these unidentified aerial phenomena aka

39

00:01:38,550 --> 00:01:36,159  
ufos was in itself a foolhardy and

40

00:01:41,510 --> 00:01:38,560  
ill-advised endeavor

41

00:01:43,590 --> 00:01:41,520  
of course this begs the question why

42

00:01:46,069 --> 00:01:43,600  
why was there a contingent within the us

43

00:01:47,590 --> 00:01:46,079  
military intelligence apparatus that not

44

00:01:50,149 --> 00:01:47,600  
only wanted to halt someone like

45

00:01:52,950 --> 00:01:50,159  
elizondo from delivering intel to his

46

00:01:56,230 --> 00:01:52,960  
superiors but who had seemingly already

47

00:01:58,789 --> 00:01:56,240  
decided that an investigation into ufos

48

00:02:01,270 --> 00:01:58,799  
was not only ill-advised but more

49

00:02:03,749 --> 00:02:01,280  
significantly actually a dangerous

50

00:02:05,910 --> 00:02:03,759  
endeavor to even pursue

51  
00:02:08,309 --> 00:02:05,920  
according to elizondo this group's

52  
00:02:09,350 --> 00:02:08,319  
objection was based solely on religious

53  
00:02:11,510 --> 00:02:09,360  
grounds

54  
00:02:13,830 --> 00:02:11,520  
when he had been told in no uncertain

55  
00:02:16,070 --> 00:02:13,840  
terms that the best course of action was

56  
00:02:18,309 --> 00:02:16,080  
to drop the matter altogether

57  
00:02:20,630 --> 00:02:18,319  
elizondo wondered if perhaps that's

58  
00:02:23,670 --> 00:02:20,640  
because these vehicles were top secret

59  
00:02:25,670 --> 00:02:23,680  
next-gen us craft after all

60  
00:02:28,869 --> 00:02:25,680  
when he asked if this was the case he

61  
00:02:30,710 --> 00:02:28,879  
was told no that's not what was meant

62  
00:02:33,030 --> 00:02:30,720  
he was then told that if he had read his

63  
00:02:34,869 --> 00:02:33,040

bible recently he would already know

64

00:02:37,190 --> 00:02:34,879

what they were

65

00:02:39,830 --> 00:02:37,200

in short these individuals within

66

00:02:43,509 --> 00:02:39,840

elizondo's chain of command believed the

67

00:02:46,390 --> 00:02:43,519

intelligence behind uaps ufos was

68

00:02:49,030 --> 00:02:46,400

actually demonic in nature and not in

69

00:02:52,150 --> 00:02:49,040

some abstract these are bad news kind of

70

00:02:54,470 --> 00:02:52,160

way no these individuals seem to believe

71

00:02:57,030 --> 00:02:54,480

that these intelligences were in fact

72

00:03:00,390 --> 00:02:57,040

the very demons they believed the bible

73

00:03:03,110 --> 00:03:00,400

laid bare as the evil minions of satan

74

00:03:05,670 --> 00:03:03,120

dark and deceptive nefarious entities

75

00:03:08,710 --> 00:03:05,680

whose only true aim was to corrupt and

76  
00:03:12,390 --> 00:03:08,720  
lead humanity away from a reliance on

77  
00:03:14,949 --> 00:03:12,400  
and relationship with the one true god

78  
00:03:17,430 --> 00:03:14,959  
now to be sure a predetermined position

79  
00:03:19,430 --> 00:03:17,440  
rooted in religious fundamentalism was

80  
00:03:20,790 --> 00:03:19,440  
central to this group's thinking

81  
00:03:23,589 --> 00:03:20,800  
had there been no christian

82  
00:03:25,430 --> 00:03:23,599  
fundamentalists in positions of power

83  
00:03:27,670 --> 00:03:25,440  
this notion likely wouldn't have gotten

84  
00:03:29,910 --> 00:03:27,680  
off the ground to begin with

85  
00:03:31,589 --> 00:03:29,920  
but as it turns out the conclusions this

86  
00:03:34,390 --> 00:03:31,599  
group of government and military

87  
00:03:36,149 --> 00:03:34,400  
insiders had come to was not solely

88  
00:03:37,670 --> 00:03:36,159

based on pre-existing religious

89

00:03:39,910 --> 00:03:37,680

conviction

90

00:03:42,309 --> 00:03:39,920

rather events that had taken place

91

00:03:44,309 --> 00:03:42,319

earlier in the 20th century events such

92

00:03:47,350 --> 00:03:44,319

as those tied to the first ever modern

93

00:03:50,070 --> 00:03:47,360

sighting of ufos by kenneth arnold and

94

00:03:52,550 --> 00:03:50,080

of the purported crash of an alien craft

95

00:03:55,509 --> 00:03:52,560

along with the alleged recovery of alien

96

00:03:57,910 --> 00:03:55,519

lifeforms at roswell new mexico were

97

00:04:00,710 --> 00:03:57,920

central to this group's conclusions

98

00:04:03,429 --> 00:04:00,720

put succinctly this group who came to be

99

00:04:06,070 --> 00:04:03,439

known as the collins elite believed that

100

00:04:08,710 --> 00:04:06,080

occultic practices foolishly pursued by

101  
00:04:11,429 --> 00:04:08,720  
human beings in the early to mid 20th

102  
00:04:13,990 --> 00:04:11,439  
century had opened a kind of portal to

103  
00:04:15,509 --> 00:04:14,000  
an alternate dimension a netherworld

104  
00:04:18,310 --> 00:04:15,519  
that was home to these dark and

105  
00:04:20,390 --> 00:04:18,320  
deceptive intelligences and that now

106  
00:04:22,790 --> 00:04:20,400  
these demonic forces were laying siege

107  
00:04:25,270 --> 00:04:22,800  
to humanity under the ruse of a

108  
00:04:28,310 --> 00:04:25,280  
visitation from extraterrestrials

109  
00:04:30,469 --> 00:04:28,320  
piloting sophisticated spacecraft

110  
00:04:32,310 --> 00:04:30,479  
but what were the actual specific

111  
00:04:34,390 --> 00:04:32,320  
historical events that had led the

112  
00:04:35,590 --> 00:04:34,400  
collins elite to these rather startling

113  
00:04:37,270 --> 00:04:35,600

conclusions

114

00:04:38,790 --> 00:04:37,280  
and how was it that the personal

115

00:04:41,350 --> 00:04:38,800  
convictions of these religious

116

00:04:44,150 --> 00:04:41,360  
fundamentalists went so far as to

117

00:04:46,230 --> 00:04:44,160  
influence and some might even say shape

118

00:04:49,189 --> 00:04:46,240  
much of the unofficial response of the

119

00:04:51,110 --> 00:04:49,199  
us government to the ufo phenomenon

120

00:04:54,710 --> 00:04:51,120  
these are the very matters we'll seek to

121

00:04:58,660 --> 00:04:54,720  
understand in this the 49th episode of

122

00:05:04,629 --> 00:05:02,390  
[Music]

123

00:05:06,150 --> 00:05:04,639  
as we begin this week's podcast i would

124

00:05:08,469 --> 00:05:06,160  
just like to point out that much of

125

00:05:11,110 --> 00:05:08,479  
today's material comes from nick

126  
00:05:13,029 --> 00:05:11,120  
redfern's excellent book final events

127  
00:05:16,230 --> 00:05:13,039  
and the secret government group on

128  
00:05:18,550 --> 00:05:16,240  
demonic ufos and the afterlife

129  
00:05:21,270 --> 00:05:18,560  
this is a fascinating book covering

130  
00:05:23,270 --> 00:05:21,280  
remarkable details from 20th century

131  
00:05:25,749 --> 00:05:23,280  
history and the history of the us

132  
00:05:28,310 --> 00:05:25,759  
government now before we get into the

133  
00:05:29,590 --> 00:05:28,320  
events covered in nick redfern's book i

134  
00:05:31,270 --> 00:05:29,600  
would just like to remind you of

135  
00:05:34,150 --> 00:05:31,280  
something i've said before about

136  
00:05:36,870 --> 00:05:34,160  
religious fundamentalism as it pertains

137  
00:05:39,029 --> 00:05:36,880  
to its understanding about reality

138  
00:05:41,350 --> 00:05:39,039

generally there's a kind of three-tiered

139

00:05:44,230 --> 00:05:41,360

notion to reality that you have the

140

00:05:46,230 --> 00:05:44,240

upper world heaven if you will with god

141

00:05:49,189 --> 00:05:46,240

and his angels than kind of a middle

142

00:05:51,749 --> 00:05:49,199

world with human beings and animals

143

00:05:55,670 --> 00:05:51,759

and a lower world or the demon world

144

00:05:57,670 --> 00:05:55,680

where satan and his minions exist

145

00:05:59,830 --> 00:05:57,680

now to be clear there are some who

146

00:06:02,710 --> 00:05:59,840

believe that extraterrestrials might

147

00:06:04,550 --> 00:06:02,720

also exist within that middle plane that

148

00:06:06,950 --> 00:06:04,560

would be part of that middle section of

149

00:06:09,350 --> 00:06:06,960

those three tiers but as we've discussed

150

00:06:11,830 --> 00:06:09,360

before there are many who don't see

151

00:06:13,510 --> 00:06:11,840

extraterrestrials in the picture at all

152

00:06:15,909 --> 00:06:13,520

because they don't see them mentioned in

153

00:06:18,230 --> 00:06:15,919

the bible although that itself is a

154

00:06:19,270 --> 00:06:18,240

questionable conclusion and we'll get to

155

00:06:21,189 --> 00:06:19,280

that later

156

00:06:23,189 --> 00:06:21,199

but i just want you to keep in mind this

157

00:06:25,909 --> 00:06:23,199

three-tiered notion of reality because

158

00:06:27,749 --> 00:06:25,919

it is central to some of the conclusions

159

00:06:29,590 --> 00:06:27,759

this group later drew

160

00:06:31,749 --> 00:06:29,600

the next thing i'd like to point out is

161

00:06:34,550 --> 00:06:31,759

that the us government is a complex

162

00:06:37,350 --> 00:06:34,560

assortment of organizations and people

163

00:06:39,110 --> 00:06:37,360

it is not a single homogeneous unit even

164

00:06:40,070 --> 00:06:39,120

though many people talk about it that

165

00:06:42,150 --> 00:06:40,080

way

166

00:06:44,790 --> 00:06:42,160

and from a developmental level slash

167

00:06:46,710 --> 00:06:44,800

worldview perspective the us government

168

00:06:49,029 --> 00:06:46,720

represents a cross-section of the

169

00:06:52,390 --> 00:06:49,039

american public meaning you have

170

00:06:55,909 --> 00:06:52,400

christians muslims buddhists atheists

171

00:06:58,469 --> 00:06:55,919

agnostics and everything in between

172

00:07:00,950 --> 00:06:58,479

that said christianity has certainly

173

00:07:03,830 --> 00:07:00,960

enjoyed a bit of a charmed life within

174

00:07:05,670 --> 00:07:03,840

the u.s government and u.s society since

175

00:07:07,830 --> 00:07:05,680

the nation's inception

176  
00:07:09,990 --> 00:07:07,840  
even though the founding fathers clearly

177  
00:07:12,790 --> 00:07:10,000  
saw the need to keep a clear separation

178  
00:07:14,710 --> 00:07:12,800  
between church and state

179  
00:07:17,670 --> 00:07:14,720  
now as i mentioned in the introduction

180  
00:07:19,749 --> 00:07:17,680  
luis elizondo clearly ran into examples

181  
00:07:22,390 --> 00:07:19,759  
of this charmed existence that

182  
00:07:25,189 --> 00:07:22,400  
specifically fundamentalist evangelical

183  
00:07:27,510 --> 00:07:25,199  
christians enjoy within government

184  
00:07:30,309 --> 00:07:27,520  
he had his very attempts to investigate

185  
00:07:33,589 --> 00:07:30,319  
this phenomenon brickwalled by these

186  
00:07:35,670 --> 00:07:33,599  
people because they believed a priori

187  
00:07:38,230 --> 00:07:35,680  
that these intelligences represented

188  
00:07:41,830 --> 00:07:38,240

demonic forces as depicted in their

189

00:07:43,510 --> 00:07:41,840

particular version of christianity

190

00:07:44,469 --> 00:07:43,520

but as i also pointed out in the

191

00:07:46,710 --> 00:07:44,479

introduction

192

00:07:49,430 --> 00:07:46,720

it was not simply their deeply held

193

00:07:51,830 --> 00:07:49,440

pre-existing religious beliefs that led

194

00:07:56,309 --> 00:07:51,840

these individuals to try to halt any

195

00:07:58,550 --> 00:07:56,319

investigation into ufos slash uaps

196

00:08:00,790 --> 00:07:58,560

rather their actions were related to the

197

00:08:03,510 --> 00:08:00,800

investigations and findings of an

198

00:08:06,150 --> 00:08:03,520

historic group composed of military and

199

00:08:08,869 --> 00:08:06,160

political insiders who came to be known

200

00:08:11,510 --> 00:08:08,879

as the collins elite

201  
00:08:14,150 --> 00:08:11,520  
the cullens elite as it turns out didn't

202  
00:08:16,710 --> 00:08:14,160  
begin as a group solely convinced that

203  
00:08:18,150 --> 00:08:16,720  
all aliens are actually demons

204  
00:08:19,990 --> 00:08:18,160  
because their interpretation of the

205  
00:08:22,469 --> 00:08:20,000  
bible told them so

206  
00:08:24,469 --> 00:08:22,479  
that was a big part of it to be sure

207  
00:08:26,309 --> 00:08:24,479  
but they also came to this conclusion

208  
00:08:28,790 --> 00:08:26,319  
because of overlapping events that

209  
00:08:31,270 --> 00:08:28,800  
happened earlier in the 20th century

210  
00:08:34,709 --> 00:08:31,280  
suggesting that the occultic rituals and

211  
00:08:37,750 --> 00:08:34,719  
practices engaged in by certain key

212  
00:08:40,550 --> 00:08:37,760  
influential individuals served as the

213  
00:08:43,430 --> 00:08:40,560

catalytic action that gave birth to the

214

00:08:44,949 --> 00:08:43,440

events and activities we've collectively

215

00:08:47,750 --> 00:08:44,959

come to refer to

216

00:08:49,750 --> 00:08:47,760

as the ufo phenomenon

217

00:08:51,509 --> 00:08:49,760

now speaking of that if there's one

218

00:08:54,389 --> 00:08:51,519

individual you can point to that the

219

00:08:56,630 --> 00:08:54,399

collins elite believed was the seed for

220

00:08:59,269 --> 00:08:56,640

this entire series of events

221

00:09:00,790 --> 00:08:59,279

you can look to aleister crowley

222

00:09:03,350 --> 00:09:00,800

now who was he

223

00:09:06,389 --> 00:09:03,360

according to wikipedia crowley was an

224

00:09:10,230 --> 00:09:06,399

english occultist ceremonial magician

225

00:09:12,470 --> 00:09:10,240

poet painter novelist and mountaineer

226

00:09:14,470 --> 00:09:12,480

he founded the religion of thalema

227

00:09:16,949 --> 00:09:14,480

identifying himself as the prophet

228

00:09:20,710 --> 00:09:16,959

entrusted with guiding humanity into the

229

00:09:23,269 --> 00:09:20,720

eon of oris in the early 20th century

230

00:09:25,350 --> 00:09:23,279

a prolific writer he published widely

231

00:09:27,670 --> 00:09:25,360

over the course of his life

232

00:09:30,790 --> 00:09:27,680

eventually crowley married rose edith

233

00:09:33,269 --> 00:09:30,800

kelly and in 1904 they honeymooned in

234

00:09:35,670 --> 00:09:33,279

cairo egypt where crowley claimed to

235

00:09:39,110 --> 00:09:35,680

have been contacted by a supernatural

236

00:09:41,829 --> 00:09:39,120

entity named aiwas who provided him with

237

00:09:44,870 --> 00:09:41,839

the book of the law a sacred text that

238

00:09:47,829 --> 00:09:44,880

served as the basis for thalema

239

00:09:49,590 --> 00:09:47,839

announcing the start of the eon of aorus

240

00:09:52,389 --> 00:09:49,600

the book declared that its followers

241

00:09:54,949 --> 00:09:52,399

should do what thou wilt and seek to

242

00:10:00,710 --> 00:09:54,959

align themselves with their true will

243

00:10:05,670 --> 00:10:02,829

now in that description i just read from

244

00:10:08,630 --> 00:10:05,680

wikipedia you can see that crowley was

245

00:10:11,190 --> 00:10:08,640

interested in and actually endeavored to

246

00:10:13,670 --> 00:10:11,200

connect to make contact with

247

00:10:15,430 --> 00:10:13,680

entities outside of the normal realm of

248

00:10:17,590 --> 00:10:15,440

human existence

249

00:10:20,470 --> 00:10:17,600

now that becomes key to what later

250

00:10:22,870 --> 00:10:20,480

happens that the collins elite conclude

251  
00:10:25,350 --> 00:10:22,880  
kicked off this entire series of events

252  
00:10:27,430 --> 00:10:25,360  
that opened the door to these demonic

253  
00:10:29,269 --> 00:10:27,440  
entities that are parading as

254  
00:10:30,790 --> 00:10:29,279  
extraterrestrials according to their

255  
00:10:32,710 --> 00:10:30,800  
point of view

256  
00:10:35,110 --> 00:10:32,720  
this is how the story goes

257  
00:10:37,430 --> 00:10:35,120  
in an altered state under the influence

258  
00:10:39,509 --> 00:10:37,440  
of mescaline and hashish

259  
00:10:42,790 --> 00:10:39,519  
crowley apparently attempted to and

260  
00:10:45,509 --> 00:10:42,800  
successfully opened a doorway or portal

261  
00:10:47,990 --> 00:10:45,519  
to another realm slash dimension

262  
00:10:49,910 --> 00:10:48,000  
and came into contact with an entity

263  
00:10:51,829 --> 00:10:49,920

named lamb

264

00:10:54,230 --> 00:10:51,839

which many have pointed out since then

265

00:10:57,190 --> 00:10:54,240

bears a striking resemblance to a gray

266

00:10:58,949 --> 00:10:57,200

alien because of its bald oversized

267

00:11:01,990 --> 00:10:58,959

bulbous cranium

268

00:11:03,430 --> 00:11:02,000

small nose and mouth small body and

269

00:11:05,509 --> 00:11:03,440

pointed chin

270

00:11:07,509 --> 00:11:05,519

and just to remind you this happened

271

00:11:10,230 --> 00:11:07,519

well before any grey aliens had been

272

00:11:12,470 --> 00:11:10,240

identified or described by anyone this

273

00:11:15,269 --> 00:11:12,480

is far before for instance whitley

274

00:11:17,350 --> 00:11:15,279

strieber's famous cover of communion so

275

00:11:19,990 --> 00:11:17,360

many found it very interesting that this

276

00:11:22,550 --> 00:11:20,000

figure lamb this entity that crowley

277

00:11:26,470 --> 00:11:22,560

contacted looks so much like what we

278

00:11:29,190 --> 00:11:26,480

later came to refer to as grey aliens

279

00:11:32,550 --> 00:11:29,200

now according to some lam is actually an

280

00:11:34,790 --> 00:11:32,560

alien entity similar to a grey alien who

281

00:11:37,110 --> 00:11:34,800

dwelt on the dark side of the planet

282

00:11:40,069 --> 00:11:37,120

mars now supposedly this

283

00:11:44,790 --> 00:11:40,079

extraterrestrial intelligence named lamb

284

00:11:46,710 --> 00:11:44,800

was contacted by crowley in 1919.

285

00:11:48,470 --> 00:11:46,720

that's how some look at the history but

286

00:11:50,629 --> 00:11:48,480

again i want to remind you that to the

287

00:11:53,430 --> 00:11:50,639

collins elite this was not an

288

00:11:55,750 --> 00:11:53,440

extraterrestrial biological being but

289

00:11:57,990 --> 00:11:55,760

actually a demon disguised as an

290

00:12:00,550 --> 00:11:58,000

extraterrestrial and this was the first

291

00:12:02,870 --> 00:12:00,560

event of several that led to the door

292

00:12:05,910 --> 00:12:02,880

opening for many of these entities to

293

00:12:09,030 --> 00:12:05,920

pour into our plane of existence

294

00:12:11,910 --> 00:12:09,040

ushering in the so-called modern ufo and

295

00:12:13,990 --> 00:12:11,920

abduction phenomenon

296

00:12:16,310 --> 00:12:14,000

now let's jump forward to the next key

297

00:12:17,910 --> 00:12:16,320

piece of this puzzle according to the

298

00:12:20,310 --> 00:12:17,920

collins elite

299

00:12:24,069 --> 00:12:20,320

we now want to speak of a man named jack

300

00:12:26,790 --> 00:12:24,079

parsons from california he was a devotee

301  
00:12:29,670 --> 00:12:26,800  
of crowleys and he founded the aerojet

302  
00:12:32,069 --> 00:12:29,680  
company that made for instance solid

303  
00:12:34,150 --> 00:12:32,079  
rocket boosters for nasa

304  
00:12:37,509 --> 00:12:34,160  
parsons was not only a brilliant rocket

305  
00:12:39,670 --> 00:12:37,519  
scientist but also a major occultist

306  
00:12:41,829 --> 00:12:39,680  
jack parsons was at first seen as a

307  
00:12:43,190 --> 00:12:41,839  
brilliant rocket scientist who was just

308  
00:12:44,949 --> 00:12:43,200  
a bit eccentric

309  
00:12:47,670 --> 00:12:44,959  
he would invoke for instance the greek

310  
00:12:49,190 --> 00:12:47,680  
god pan to ensure successful rocket

311  
00:12:51,509 --> 00:12:49,200  
launches

312  
00:12:52,389 --> 00:12:51,519  
his brilliance made his eccentricity

313  
00:12:55,110 --> 00:12:52,399

bearable

314

00:12:56,870 --> 00:12:55,120

to his scientific colleagues even if his

315

00:12:58,389 --> 00:12:56,880

actions were somewhat annoying and

316

00:13:00,629 --> 00:12:58,399

embarrassing

317

00:13:03,829 --> 00:13:00,639

and to be clear parsons worked alongside

318

00:13:05,990 --> 00:13:03,839

the u.s air force navy and army and

319

00:13:08,230 --> 00:13:06,000

parsons had a top secret clearance in

320

00:13:10,550 --> 00:13:08,240

all three agencies

321

00:13:13,110 --> 00:13:10,560

eventually parsons got himself into hot

322

00:13:15,030 --> 00:13:13,120

water with the us military because he

323

00:13:17,110 --> 00:13:15,040

took some documents to show to the

324

00:13:19,590 --> 00:13:17,120

israeli government in hopes that they

325

00:13:21,590 --> 00:13:19,600

would fund his company to build rockets

326

00:13:23,670 --> 00:13:21,600

for the new nation of israel

327

00:13:25,829 --> 00:13:23,680

now when this was first discovered it

328

00:13:27,670 --> 00:13:25,839

was assumed that perhaps parsons was a

329

00:13:29,030 --> 00:13:27,680

spy and that this was an act of

330

00:13:31,269 --> 00:13:29,040

espionage

331

00:13:33,750 --> 00:13:31,279

as it turns out that wasn't the case he

332

00:13:35,670 --> 00:13:33,760

just full-heartedly took these documents

333

00:13:37,670 --> 00:13:35,680

because he didn't really have a resume

334

00:13:39,030 --> 00:13:37,680

but he wanted to impress the israelis

335

00:13:41,829 --> 00:13:39,040

again with the hopes that they would

336

00:13:43,910 --> 00:13:41,839

fund him building rockets by way of his

337

00:13:46,150 --> 00:13:43,920

company for that nation

338

00:13:48,790 --> 00:13:46,160

now as a result of this foolish action

339

00:13:50,870 --> 00:13:48,800

by parsons he lost his top secret

340

00:13:53,509 --> 00:13:50,880

clearance and was left to then run his

341

00:13:56,150 --> 00:13:53,519

own rocket company and as i mentioned he

342

00:13:58,150 --> 00:13:56,160

was investigated for espionage and it

343

00:14:00,790 --> 00:13:58,160

was during that investigation that the

344

00:14:03,430 --> 00:14:00,800

extent of parsons exploration of the

345

00:14:05,350 --> 00:14:03,440

occult became fully known

346

00:14:08,389 --> 00:14:05,360

and it was found out that parsons had

347

00:14:10,629 --> 00:14:08,399

met none other than kenneth arnold the

348

00:14:13,189 --> 00:14:10,639

man who ushered in the modern day flying

349

00:14:16,069 --> 00:14:13,199

saucer era with his sightings near mount

350

00:14:18,150 --> 00:14:16,079

rainier in 1947.

351  
00:14:20,389 --> 00:14:18,160  
another key piece in the puzzle

352  
00:14:22,069 --> 00:14:20,399  
according to the collins elite during

353  
00:14:24,230 --> 00:14:22,079  
this investigation it was also

354  
00:14:25,670 --> 00:14:24,240  
discovered that parsons had a colleague

355  
00:14:27,670 --> 00:14:25,680  
at roswell

356  
00:14:30,069 --> 00:14:27,680  
and this was also seen as a connection

357  
00:14:32,310 --> 00:14:30,079  
between the occult and the roswell

358  
00:14:34,629 --> 00:14:32,320  
quote-unquote crash that the collins

359  
00:14:37,350 --> 00:14:34,639  
elite didn't believe was a crash at all

360  
00:14:38,710 --> 00:14:37,360  
but again another ruse by this demonic

361  
00:14:41,350 --> 00:14:38,720  
intelligence

362  
00:14:43,189 --> 00:14:41,360  
but as you see this led to a cascade of

363  
00:14:45,910 --> 00:14:43,199

loose correlations that were taken as

364

00:14:48,389 --> 00:14:45,920

sure signs of something complex and

365

00:14:51,430 --> 00:14:48,399

nefarious taking place that connected

366

00:14:54,069 --> 00:14:51,440

occult practices with the ushering in of

367

00:14:55,430 --> 00:14:54,079

the modern day ufo and abduction

368

00:14:58,230 --> 00:14:55,440

phenomenon

369

00:15:00,389 --> 00:14:58,240

now as it turns out jack parsons died a

370

00:15:03,350 --> 00:15:00,399

rather infamous death

371

00:15:06,470 --> 00:15:03,360

it was in june 1952 when he was engaging

372

00:15:08,790 --> 00:15:06,480

in an experiment in pasadena california

373

00:15:10,470 --> 00:15:08,800

now some say it was a rocket experiment

374

00:15:13,350 --> 00:15:10,480

while others say he was trying to

375

00:15:15,910 --> 00:15:13,360

conjure up a homunculus an animated life

376

00:15:19,030 --> 00:15:15,920

form in the form of a little man again

377

00:15:20,710 --> 00:15:19,040

we think of lamb or a gray alien

378

00:15:22,949 --> 00:15:20,720

apparently there was a huge explosion

379

00:15:25,110 --> 00:15:22,959

when the experiment went wrong

380

00:15:26,710 --> 00:15:25,120

parsons made it as far as the hospital

381

00:15:28,710 --> 00:15:26,720

but he died there

382

00:15:31,030 --> 00:15:28,720

the collins elite took this as another

383

00:15:33,829 --> 00:15:31,040

sign that if you mess with the occult it

384

00:15:35,509 --> 00:15:33,839

will end badly for you it certainly did

385

00:15:37,030 --> 00:15:35,519

for parsons

386

00:15:38,710 --> 00:15:37,040

now in terms of the historical

387

00:15:43,910 --> 00:15:38,720

connections that the cullens elite

388

00:15:46,710 --> 00:15:43,920

noticed just as rituals in 1946 and 47

389

00:15:49,749 --> 00:15:46,720

were soon followed by arnold who had met

390

00:15:51,670 --> 00:15:49,759

parsons seeing ufos that launched the

391

00:15:53,829 --> 00:15:51,680

modern ufo movement

392

00:15:56,389 --> 00:15:53,839

there was also a huge wave of ufo

393

00:15:58,790 --> 00:15:56,399

sightings over washington dc

394

00:16:00,949 --> 00:15:58,800

not long after parsons death leading the

395

00:16:03,189 --> 00:16:00,959

collins elite to conclude that he was

396

00:16:07,110 --> 00:16:03,199

somehow either successful in opening a

397

00:16:09,430 --> 00:16:07,120

portal further or establishing a new one

398

00:16:11,670 --> 00:16:09,440

and just to be abundantly clear we're

399

00:16:14,230 --> 00:16:11,680

talking about establishing a portal

400

00:16:16,069 --> 00:16:14,240

through which these demonic entities

401  
00:16:19,430 --> 00:16:16,079  
could come through and interfere with

402  
00:16:22,069 --> 00:16:19,440  
the lives of humans under the ruse of an

403  
00:16:23,990 --> 00:16:22,079  
extraterrestrial visitation

404  
00:16:26,470 --> 00:16:24,000  
so perhaps you're wondering how this

405  
00:16:28,069 --> 00:16:26,480  
collins elite was formed

406  
00:16:30,949 --> 00:16:28,079  
well at first the group gathered

407  
00:16:33,110 --> 00:16:30,959  
informally over drinks in after work

408  
00:16:35,749 --> 00:16:33,120  
hours to discuss what intelligence

409  
00:16:38,710 --> 00:16:35,759  
sources had learned about parsons as

410  
00:16:41,430 --> 00:16:38,720  
part of his espionage investigation

411  
00:16:43,430 --> 00:16:41,440  
and as this picture began to emerge it

412  
00:16:45,749 --> 00:16:43,440  
was thought that perhaps this was best

413  
00:16:48,310 --> 00:16:45,759

investigated as a kind of under the

414

00:16:51,430 --> 00:16:48,320  
table semi-official and eventually

415

00:16:53,350 --> 00:16:51,440  
official think tank that became the

416

00:16:55,509 --> 00:16:53,360  
collins elite

417

00:16:57,749 --> 00:16:55,519  
from their perspective all of the people

418

00:17:00,470 --> 00:16:57,759  
they were looking into seem to have

419

00:17:03,350 --> 00:17:00,480  
connections to crowley parsons and the

420

00:17:05,829 --> 00:17:03,360  
occult one way or another

421

00:17:08,870 --> 00:17:05,839  
now to be clear many of these members of

422

00:17:11,429 --> 00:17:08,880  
the so-called collins elite already held

423

00:17:13,750 --> 00:17:11,439  
a fundamentalist worldview or they were

424

00:17:16,789 --> 00:17:13,760  
talked into adopting this worldview

425

00:17:18,870 --> 00:17:16,799  
after the result of these investigations

426  
00:17:21,110 --> 00:17:18,880  
now when we think of the various events

427  
00:17:23,350 --> 00:17:21,120  
that were timed in very close proximity

428  
00:17:25,270 --> 00:17:23,360  
to each other we seem to have a clear

429  
00:17:28,069 --> 00:17:25,280  
case of correlation

430  
00:17:29,990 --> 00:17:28,079  
that can be supported by the evidence

431  
00:17:31,830 --> 00:17:30,000  
where the members of the collins elite

432  
00:17:34,390 --> 00:17:31,840  
seem to venture into unsupported

433  
00:17:37,510 --> 00:17:34,400  
territory is when they seemingly assume

434  
00:17:39,750 --> 00:17:37,520  
that correlation implies causation

435  
00:17:41,590 --> 00:17:39,760  
the thing is it doesn't that key

436  
00:17:45,590 --> 00:17:41,600  
distinction has been demonstrated in

437  
00:17:47,669 --> 00:17:45,600  
scientific circles time and time again

438  
00:17:48,950 --> 00:17:47,679

now could these various phenomena be

439

00:17:51,350 --> 00:17:48,960

related

440

00:17:53,430 --> 00:17:51,360

certainly it may very well be the case

441

00:17:56,310 --> 00:17:53,440

that when an interdimensional portal of

442

00:17:59,350 --> 00:17:56,320

sorts has been established that various

443

00:18:01,750 --> 00:17:59,360

entities can then pass in and out of our

444

00:18:04,710 --> 00:18:01,760

world we've talked about skinwalker

445

00:18:06,630 --> 00:18:04,720

ranch and places like that many times

446

00:18:08,870 --> 00:18:06,640

there may indeed be a kind of portal

447

00:18:10,549 --> 00:18:08,880

there or a wormhole depending on your

448

00:18:12,870 --> 00:18:10,559

perspective

449

00:18:15,590 --> 00:18:12,880

the problem here beyond assuming

450

00:18:17,669 --> 00:18:15,600

correlation implies causation is that

451

00:18:20,870 --> 00:18:17,679

these members of the collins elite

452

00:18:23,110 --> 00:18:20,880

seemed intent on seeing all phenomena as

453

00:18:24,870 --> 00:18:23,120

underlyingly the machinations of a

454

00:18:28,549 --> 00:18:24,880

single intelligence

455

00:18:30,789 --> 00:18:28,559

i.e satan and his demon servants again

456

00:18:33,350 --> 00:18:30,799

this leap in logic is largely connected

457

00:18:36,390 --> 00:18:33,360

to these individuals truncated

458

00:18:39,510 --> 00:18:36,400

three-tiered picture of reality

459

00:18:41,830 --> 00:18:39,520

that said it's not quite that simple

460

00:18:44,630 --> 00:18:41,840

there was evidence they uncovered that

461

00:18:46,630 --> 00:18:44,640

seem to point to something nefarious and

462

00:18:49,029 --> 00:18:46,640

disturbing for instance within the

463

00:18:51,830 --> 00:18:49,039

so-called abduction phenomenon which

464

00:18:53,909 --> 00:18:51,840

they also investigated

465

00:18:56,150 --> 00:18:53,919

now interestingly partly because of

466

00:18:58,070 --> 00:18:56,160

their predetermined position and their

467

00:18:59,990 --> 00:18:58,080

position they came to as a result of

468

00:19:02,549 --> 00:19:00,000

their investigations

469

00:19:05,190 --> 00:19:02,559

the collins elite believed that no one

470

00:19:07,669 --> 00:19:05,200

was actually being physically abducted

471

00:19:10,470 --> 00:19:07,679

into a ufo in other words they were not

472

00:19:11,750 --> 00:19:10,480

being taken into a craft up in the sky

473

00:19:13,830 --> 00:19:11,760

somewhere

474

00:19:15,990 --> 00:19:13,840

they believed rather that a hologram was

475

00:19:18,230 --> 00:19:16,000

being used and that this hologram was

476

00:19:21,110 --> 00:19:18,240

extremely sophisticated to the point

477

00:19:23,510 --> 00:19:21,120

where it actually had physical traits

478

00:19:26,470 --> 00:19:23,520

furthermore they believed the key

479

00:19:29,590 --> 00:19:26,480

intention of this group of demons that

480

00:19:31,990 --> 00:19:29,600

were parading as ets was to separate the

481

00:19:33,750 --> 00:19:32,000

human soul from the body

482

00:19:36,310 --> 00:19:33,760

from their point of view they believed

483

00:19:37,510 --> 00:19:36,320

these demons were voracious for our

484

00:19:39,990 --> 00:19:37,520

souls

485

00:19:42,230 --> 00:19:40,000

now interestingly this perspective that

486

00:19:43,510 --> 00:19:42,240

a hologram was used that had physical

487

00:19:45,590 --> 00:19:43,520

traits to it

488

00:19:48,549 --> 00:19:45,600

is quite similar to joseph burke's

489

00:19:51,110 --> 00:19:48,559

virtual reality model that model also

490

00:19:53,029 --> 00:19:51,120

describes a similar notion that these

491

00:19:56,390 --> 00:19:53,039

beings are so sophisticated that they

492

00:19:58,470 --> 00:19:56,400

can project a reality into our minds and

493

00:20:00,150 --> 00:19:58,480

we can't tell the difference

494

00:20:01,990 --> 00:20:00,160

now beyond the fact that they didn't

495

00:20:04,310 --> 00:20:02,000

believe these abductions were actually

496

00:20:05,750 --> 00:20:04,320

physical events in other words people

497

00:20:07,990 --> 00:20:05,760

were never actually leaving their

498

00:20:09,430 --> 00:20:08,000

bedrooms or their cars according to the

499

00:20:12,149 --> 00:20:09,440

collins elite

500

00:20:14,549 --> 00:20:12,159

they also believed that these demons

501  
00:20:16,950 --> 00:20:14,559  
parading as extraterrestrials were

502  
00:20:20,230 --> 00:20:16,960  
trying to get people to move away from

503  
00:20:22,149 --> 00:20:20,240  
christianity christianity specifically

504  
00:20:24,470 --> 00:20:22,159  
now what's strange about this conclusion

505  
00:20:26,630 --> 00:20:24,480  
is that while there may be some reports

506  
00:20:28,310 --> 00:20:26,640  
that do fit this description

507  
00:20:29,510 --> 00:20:28,320  
there are plenty of reports to the

508  
00:20:31,669 --> 00:20:29,520  
contrary

509  
00:20:34,390 --> 00:20:31,679  
in fact many reports according to for

510  
00:20:36,390 --> 00:20:34,400  
instance the data uncovered in the dr

511  
00:20:38,789 --> 00:20:36,400  
edgar mitchell free foundation's

512  
00:20:41,270 --> 00:20:38,799  
experiencer research study suggests that

513  
00:20:44,390 --> 00:20:41,280

many of these encounters feature a very

514

00:20:46,070 --> 00:20:44,400

overarchingly spiritual element

515

00:20:48,630 --> 00:20:46,080

and here we're talking about a very

516

00:20:52,070 --> 00:20:48,640

positive spiritual element discussing

517

00:20:53,830 --> 00:20:52,080

the connectivity of all living beings

518

00:20:56,310 --> 00:20:53,840

so why would the collins elite not be

519

00:20:59,029 --> 00:20:56,320

aware of these specific cases

520

00:21:01,430 --> 00:20:59,039

well sometimes religious adherents can

521

00:21:04,549 --> 00:21:01,440

tend to hear any philosophy or

522

00:21:07,029 --> 00:21:04,559

perspective that transcends their own as

523

00:21:09,430 --> 00:21:07,039

simply refuting their own but these are

524

00:21:11,510 --> 00:21:09,440

not the same thing in other words these

525

00:21:14,549 --> 00:21:11,520

entities may have been trying to get

526  
00:21:17,270 --> 00:21:14,559  
people to see beyond the division and

527  
00:21:18,470 --> 00:21:17,280  
the small-mindedness of traditional

528  
00:21:19,909 --> 00:21:18,480  
religion

529  
00:21:22,149 --> 00:21:19,919  
that doesn't mean they were trying to

530  
00:21:23,750 --> 00:21:22,159  
alienate them from spirituality but

531  
00:21:26,390 --> 00:21:23,760  
rather that they were trying to mature

532  
00:21:28,310 --> 00:21:26,400  
their spirituality but again to someone

533  
00:21:30,230 --> 00:21:28,320  
within a christian fundamentalist

534  
00:21:32,230 --> 00:21:30,240  
worldview they're not going to see it

535  
00:21:34,070 --> 00:21:32,240  
that way because they can't see beyond

536  
00:21:35,830 --> 00:21:34,080  
the ceiling of their own particular

537  
00:21:38,390 --> 00:21:35,840  
world view as we've discussed on

538  
00:21:40,950 --> 00:21:38,400

previous podcasts so rather than seeing

539

00:21:43,750 --> 00:21:40,960

that this teaching by these others was

540

00:21:46,390 --> 00:21:43,760

meant to transcend the current view the

541

00:21:48,710 --> 00:21:46,400

cullen's elite simply assumed it was an

542

00:21:51,110 --> 00:21:48,720

attempt to lead people astray from the

543

00:21:53,270 --> 00:21:51,120

teachings of and relationship with the

544

00:21:55,430 --> 00:21:53,280

one true god

545

00:21:58,310 --> 00:21:55,440

now at this point i want to make one

546

00:22:01,430 --> 00:21:58,320

thing clear i'm not trying to whitewash

547

00:22:03,510 --> 00:22:01,440

from the record all negative experiences

548

00:22:05,590 --> 00:22:03,520

people clearly do have

549

00:22:07,510 --> 00:22:05,600

interdimensional experiences that are

550

00:22:11,270 --> 00:22:07,520

negative whether they perceive these

551  
00:22:13,510 --> 00:22:11,280  
entities as ets or interdimensionals or

552  
00:22:15,350 --> 00:22:13,520  
demons or what have you

553  
00:22:17,430 --> 00:22:15,360  
that's somewhat irrelevant

554  
00:22:18,630 --> 00:22:17,440  
and by that i mean the label is

555  
00:22:20,549 --> 00:22:18,640  
irrelevant

556  
00:22:23,830 --> 00:22:20,559  
the bottom line is people do have

557  
00:22:25,909 --> 00:22:23,840  
experiences they see as negative all i'm

558  
00:22:28,789 --> 00:22:25,919  
suggesting is that the collins elite

559  
00:22:31,430 --> 00:22:28,799  
seemed to be only aware of those kinds

560  
00:22:33,750 --> 00:22:31,440  
of experiences and either didn't take

561  
00:22:34,950 --> 00:22:33,760  
into account or somehow weren't made

562  
00:22:37,590 --> 00:22:34,960  
aware of

563  
00:22:39,350 --> 00:22:37,600

the rest of the body of data suggesting

564

00:22:40,630 --> 00:22:39,360

many of these encounters are actually

565

00:22:42,470 --> 00:22:40,640

positive

566

00:22:44,950 --> 00:22:42,480

again according to the free foundation

567

00:22:48,470 --> 00:22:44,960

data many of the experiences perhaps

568

00:22:52,149 --> 00:22:48,480

even the majority are largely positive

569

00:22:54,070 --> 00:22:52,159

and if not positive than neutral

570

00:22:56,630 --> 00:22:54,080

now of course some of that data has come

571

00:22:58,630 --> 00:22:56,640

to light after the collins elite was

572

00:23:01,110 --> 00:22:58,640

active and we'll get to their current

573

00:23:02,630 --> 00:23:01,120

state of activity in a moment but i just

574

00:23:05,669 --> 00:23:02,640

want to make it clear that there seems

575

00:23:08,789 --> 00:23:05,679

to be a truncating of the data or of the

576

00:23:12,390 --> 00:23:08,799

awareness of the data one or the other

577

00:23:15,270 --> 00:23:12,400

now interestingly in 1998 the collins

578

00:23:17,510 --> 00:23:15,280

elite released a two-volume document

579

00:23:19,830 --> 00:23:17,520

known as the collins report that was

580

00:23:22,390 --> 00:23:19,840

printed and made available to members of

581

00:23:25,270 --> 00:23:22,400

the collins elite now nick redfern was

582

00:23:27,669 --> 00:23:25,280

actually given parts of this document by

583

00:23:30,310 --> 00:23:27,679

a supposed former member of the collins

584

00:23:32,390 --> 00:23:30,320

elite now if you're wondering why they

585

00:23:34,870 --> 00:23:32,400

would give this document to redfern we

586

00:23:36,549 --> 00:23:34,880

will get to that reason shortly

587

00:23:38,630 --> 00:23:36,559

now earlier i mentioned that the collins

588

00:23:41,990 --> 00:23:38,640

elite didn't really believe that the

589

00:23:43,909 --> 00:23:42,000

roswell crash was actually a crash but

590

00:23:44,870 --> 00:23:43,919

they did believe it was an anomalous

591

00:23:47,510 --> 00:23:44,880

event

592

00:23:49,590 --> 00:23:47,520

in the end this is what they concluded

593

00:23:52,149 --> 00:23:49,600

they believed that the so-called memory

594

00:23:54,230 --> 00:23:52,159

metal that was found at the so-called

595

00:23:57,909 --> 00:23:54,240

crash site was actually a kind of

596

00:24:00,310 --> 00:23:57,919

technology produced by demonic alchemy

597

00:24:02,710 --> 00:24:00,320

and deposited on the desert floor to

598

00:24:04,950 --> 00:24:02,720

simulate crash material

599

00:24:07,590 --> 00:24:04,960

they also concluded that the biological

600

00:24:10,549 --> 00:24:07,600

materials slash bodies found at the

601  
00:24:13,830 --> 00:24:10,559  
crash site were actually also created by

602  
00:24:15,990 --> 00:24:13,840  
demons at a genetic molecular level in

603  
00:24:18,470 --> 00:24:16,000  
other words still a ruse these were not

604  
00:24:20,630 --> 00:24:18,480  
actual living beings they never were

605  
00:24:23,029 --> 00:24:20,640  
these pieces of entities were placed in

606  
00:24:25,669 --> 00:24:23,039  
the desert to make them look like pilots

607  
00:24:26,630 --> 00:24:25,679  
of craft arriving from some distant star

608  
00:24:28,710 --> 00:24:26,640  
system

609  
00:24:32,390 --> 00:24:28,720  
but again of course this was all the

610  
00:24:33,909 --> 00:24:32,400  
ruse according to the cullens elite

611  
00:24:35,830 --> 00:24:33,919  
and if you're wondering how they would

612  
00:24:37,590 --> 00:24:35,840  
have concluded such a thing much of it

613  
00:24:38,789 --> 00:24:37,600

comes down again to their reading of

614

00:24:42,149 --> 00:24:38,799

scripture

615

00:24:44,390 --> 00:24:42,159

they saw lucifer satan as the prince and

616

00:24:48,070 --> 00:24:44,400

principality over the air

617

00:24:50,390 --> 00:24:48,080

in other words they saw lucifer satan as

618

00:24:54,470 --> 00:24:50,400

a being that could manifest physical

619

00:24:56,149 --> 00:24:54,480

objects in our 3d consensus reality and

620

00:24:58,710 --> 00:24:56,159

much of this belief was rooted in a

621

00:25:00,789 --> 00:24:58,720

passage of scripture which states quote

622

00:25:03,029 --> 00:25:00,799

in which you previously walked according

623

00:25:05,909 --> 00:25:03,039

to the course of this world according to

624

00:25:07,909 --> 00:25:05,919

the prince of the power of the heir of

625

00:25:09,830 --> 00:25:07,919

the spirit that is now working and the

626

00:25:11,909 --> 00:25:09,840

sons of disobedience that's from

627

00:25:13,750 --> 00:25:11,919

ephesians 2 2.

628

00:25:15,669 --> 00:25:13,760

and to be clear in that scripture

629

00:25:19,350 --> 00:25:15,679

reference the prince of the power of the

630

00:25:21,430 --> 00:25:19,360

air is believed to be satan lucifer i.e

631

00:25:24,230 --> 00:25:21,440

the being that is at the root of this

632

00:25:27,190 --> 00:25:24,240

demonic deception according at least to

633

00:25:29,110 --> 00:25:27,200

the perspective of the collins elite now

634

00:25:31,269 --> 00:25:29,120

speaking of the collins elite and how

635

00:25:33,510 --> 00:25:31,279

their particular reading of scripture

636

00:25:35,909 --> 00:25:33,520

informed their perspectives one of the

637

00:25:37,190 --> 00:25:35,919

people that nick redfern talked to said

638

00:25:38,149 --> 00:25:37,200

the following

639

00:25:39,990 --> 00:25:38,159

quote

640

00:25:41,669 --> 00:25:40,000

one of the things that made me believe

641

00:25:43,590 --> 00:25:41,679

there could be some sort of physical

642

00:25:46,789 --> 00:25:43,600

interaction is the mention of the

643

00:25:49,190 --> 00:25:46,799

nephilim in genesis in the bible

644

00:25:51,909 --> 00:25:49,200

whatever these otherworldly beings were

645

00:25:53,990 --> 00:25:51,919

angels fallen angels they were able to

646

00:25:56,549 --> 00:25:54,000

interact physically and create some sort

647

00:25:58,710 --> 00:25:56,559

of progeny here on earth

648

00:26:01,029 --> 00:25:58,720

more prosaic interpretations of the

649

00:26:03,830 --> 00:26:01,039

passages regarding the nephilim that

650

00:26:06,390 --> 00:26:03,840

they were simply mighty men for instance

651  
00:26:08,070 --> 00:26:06,400  
are accepted by most scholars but i

652  
00:26:10,149 --> 00:26:08,080  
don't see overwhelming evidence to

653  
00:26:11,909 --> 00:26:10,159  
completely eliminate the possibility

654  
00:26:15,990 --> 00:26:11,919  
that they were of a spiritual or

655  
00:26:18,710 --> 00:26:16,000  
supernatural nature unquote

656  
00:26:20,870 --> 00:26:18,720  
now perhaps you're wondering to what end

657  
00:26:23,110 --> 00:26:20,880  
what does this all lead to

658  
00:26:26,149 --> 00:26:23,120  
well according to the collins elite this

659  
00:26:28,390 --> 00:26:26,159  
all leads up to the end times and even

660  
00:26:30,070 --> 00:26:28,400  
to the final battle between christ and

661  
00:26:31,830 --> 00:26:30,080  
the antichrist

662  
00:26:34,390 --> 00:26:31,840  
now one of the people that nick redfern

663  
00:26:37,909 --> 00:26:34,400

consulted for this book was a man named

664

00:26:40,070 --> 00:26:37,919

ray boucher who is an evangelical pastor

665

00:26:42,310 --> 00:26:40,080

but someone also very interested in the

666

00:26:44,870 --> 00:26:42,320

ufo phenomenon he actually has been

667

00:26:47,350 --> 00:26:44,880

involved with mufon in the past and he

668

00:26:49,269 --> 00:26:47,360

was the very person that some of the

669

00:26:51,510 --> 00:26:49,279

collins elite sought out for his

670

00:26:53,590 --> 00:26:51,520

perspective on these matters

671

00:26:56,390 --> 00:26:53,600

and this is what ray boucher had to say

672

00:26:57,350 --> 00:26:56,400

to nick redfern regarding this end times

673

00:26:58,310 --> 00:26:57,360

battle

674

00:27:00,070 --> 00:26:58,320

quote

675

00:27:02,310 --> 00:27:00,080

i think that what will happen is that

676  
00:27:04,950 --> 00:27:02,320  
there will be a worldwide disclosure and

677  
00:27:06,470 --> 00:27:04,960  
a revealing of an alien presence here

678  
00:27:09,750 --> 00:27:06,480  
which will be a lie

679  
00:27:11,669 --> 00:27:09,760  
their lie the fallen angels lie

680  
00:27:13,510 --> 00:27:11,679  
believe in alien life forms here on

681  
00:27:15,990 --> 00:27:13,520  
earth whether they're real or not

682  
00:27:17,750 --> 00:27:16,000  
demands that we become a united world

683  
00:27:19,590 --> 00:27:17,760  
and that is exactly what the bible

684  
00:27:21,510 --> 00:27:19,600  
describes will happen

685  
00:27:23,510 --> 00:27:21,520  
what i believe is that the disclosure

686  
00:27:25,990 --> 00:27:23,520  
will be the catalyst that unites the

687  
00:27:27,350 --> 00:27:26,000  
world under the one world leader the

688  
00:27:29,190 --> 00:27:27,360

antichrist

689

00:27:32,389 --> 00:27:29,200

he will be the leader of the one world

690

00:27:33,909 --> 00:27:32,399

government one religion and one economy

691

00:27:36,149 --> 00:27:33,919

what we're getting into here is

692

00:27:39,029 --> 00:27:36,159

eschatology we are talking about the

693

00:27:40,630 --> 00:27:39,039

futuristic view of revelations where you

694

00:27:43,269 --> 00:27:40,640

believe that what is in the book of

695

00:27:45,590 --> 00:27:43,279

revelation describes the future the end

696

00:27:47,669 --> 00:27:45,600

of the age and a final confrontation

697

00:27:49,590 --> 00:27:47,679

between good and evil

698

00:27:51,909 --> 00:27:49,600

and this is why we have these ufo

699

00:27:54,630 --> 00:27:51,919

deceptions it's leading to the final

700

00:27:57,590 --> 00:27:54,640

battle described in revelation the final

701  
00:28:00,149 --> 00:27:57,600  
judgment on our souls and these entities

702  
00:28:04,630 --> 00:28:00,159  
working at the end to seduce as many of

703  
00:28:06,549 --> 00:28:04,640  
us our souls as they can unquote

704  
00:28:08,710 --> 00:28:06,559  
now in reference to the summary

705  
00:28:11,190 --> 00:28:08,720  
conclusions of the cullens elite and

706  
00:28:13,750 --> 00:28:11,200  
their sources that they look to

707  
00:28:14,710 --> 00:28:13,760  
this is what redfern's book has to say

708  
00:28:16,950 --> 00:28:14,720  
quote

709  
00:28:19,269 --> 00:28:16,960  
taken as a whole the text mentioned by

710  
00:28:22,549 --> 00:28:19,279  
boucher's informants suggests that

711  
00:28:25,350 --> 00:28:22,559  
deceptive demons whose unholy existence

712  
00:28:28,630 --> 00:28:25,360  
and actions can be traced back at least

713  
00:28:31,029 --> 00:28:28,640

as far as ancient babylonia and rome are

714

00:28:33,510 --> 00:28:31,039

manipulating the human race for dark and

715

00:28:34,870 --> 00:28:33,520

sinister purposes having to do with the

716

00:28:36,789 --> 00:28:34,880

human soul

717

00:28:39,350 --> 00:28:36,799

and they have done so for thousands of

718

00:28:41,590 --> 00:28:39,360

years under various guises the most

719

00:28:44,310 --> 00:28:41,600

recent one being that of benevolent

720

00:28:46,789 --> 00:28:44,320

extraterrestrials from far off star

721

00:28:49,350 --> 00:28:46,799

systems unquote

722

00:28:51,830 --> 00:28:49,360

now earlier i mentioned that some of the

723

00:28:53,750 --> 00:28:51,840

people that talked to redfirm did so

724

00:28:56,950 --> 00:28:53,760

because they no longer agreed with some

725

00:28:58,950 --> 00:28:56,960

of the perspectives of the collins elite

726  
00:29:01,350 --> 00:28:58,960  
now very specifically and you may find

727  
00:29:03,669 --> 00:29:01,360  
this shocking what one person told

728  
00:29:05,990 --> 00:29:03,679  
redfern was that some of those within

729  
00:29:08,789 --> 00:29:06,000  
the collins elite actually believed this

730  
00:29:11,029 --> 00:29:08,799  
was so important that it would justify

731  
00:29:14,149 --> 00:29:11,039  
them using some kind of giant

732  
00:29:17,510 --> 00:29:14,159  
holographic technology to project for

733  
00:29:20,389 --> 00:29:17,520  
instance an image of christ into the sky

734  
00:29:22,630 --> 00:29:20,399  
all around the world so as to induce

735  
00:29:23,990 --> 00:29:22,640  
religious belief specifically in

736  
00:29:25,590 --> 00:29:24,000  
christianity

737  
00:29:27,990 --> 00:29:25,600  
and some within the collins elite

738  
00:29:30,710 --> 00:29:28,000

believe this is what they should do to

739

00:29:31,909 --> 00:29:30,720

counter the actions of these deceptive

740

00:29:34,310 --> 00:29:31,919

demons

741

00:29:36,230 --> 00:29:34,320

now to be sure some of the collins elite

742

00:29:38,389 --> 00:29:36,240

were not on board with this plan

743

00:29:41,190 --> 00:29:38,399

including this person who came out and

744

00:29:42,950 --> 00:29:41,200

talked to redfern they believed in human

745

00:29:45,190 --> 00:29:42,960

free will they did not believe they

746

00:29:47,590 --> 00:29:45,200

would be any better than the demons if

747

00:29:51,590 --> 00:29:47,600

they were to deceive human beings even

748

00:29:53,110 --> 00:29:51,600

if it was to supposedly save their souls

749

00:29:55,669 --> 00:29:53,120

now perhaps you're wondering about the

750

00:29:57,830 --> 00:29:55,679

current state of the collins elite for

751

00:29:59,669 --> 00:29:57,840

instance are they still active perhaps

752

00:30:02,310 --> 00:29:59,679

you're wondering that

753

00:30:04,870 --> 00:30:02,320

well according to redfern because they

754

00:30:06,950 --> 00:30:04,880

the collins elite feel like they've made

755

00:30:09,029 --> 00:30:06,960

the case that this is a demonic

756

00:30:10,950 --> 00:30:09,039

deception leading up to an end times

757

00:30:13,110 --> 00:30:10,960

battle involving the rise of the

758

00:30:15,350 --> 00:30:13,120

antichrist etc

759

00:30:17,269 --> 00:30:15,360

they believe these demons are trying to

760

00:30:19,110 --> 00:30:17,279

undermine belief in religion

761

00:30:21,669 --> 00:30:19,120

specifically christianity and

762

00:30:24,310 --> 00:30:21,679

specifically conservative evangelical

763

00:30:26,789 --> 00:30:24,320

fundamentalist christianity again they

764

00:30:29,029 --> 00:30:26,799

believe they have made this case case

765

00:30:30,710 --> 00:30:29,039

closed from their perspective and in

766

00:30:33,029 --> 00:30:30,720

that sense there's nothing more to

767

00:30:35,269 --> 00:30:33,039

investigate from their point of view

768

00:30:37,350 --> 00:30:35,279

at this point all they are hoping is

769

00:30:40,149 --> 00:30:37,360

that they can convince others that their

770

00:30:41,830 --> 00:30:40,159

perspective is the correct one

771

00:30:43,669 --> 00:30:41,840

and now i'd like to leave you with a few

772

00:30:46,470 --> 00:30:43,679

concluding thoughts

773

00:30:48,470 --> 00:30:46,480

first off in reflection it seems that

774

00:30:51,590 --> 00:30:48,480

what the collins elites seem to suffer

775

00:30:52,710 --> 00:30:51,600

from is a severe case of circular

776

00:30:54,710 --> 00:30:52,720

reasoning

777

00:30:57,029 --> 00:30:54,720

it seems apparent that the combination

778

00:30:59,110 --> 00:30:57,039

of a lack of understanding regarding the

779

00:31:01,269 --> 00:30:59,120

complex nuanced nature of

780

00:31:03,190 --> 00:31:01,279

multi-dimensional reality

781

00:31:05,110 --> 00:31:03,200

combined with a reliance on a kind of

782

00:31:07,590 --> 00:31:05,120

thinking that assumed that anything that

783

00:31:10,630 --> 00:31:07,600

wasn't green must be read

784

00:31:13,110 --> 00:31:10,640

led them to some very biased conclusions

785

00:31:15,509 --> 00:31:13,120

to be clear one can acknowledge the

786

00:31:18,070 --> 00:31:15,519

events they witnessed were historical

787

00:31:20,230 --> 00:31:18,080

i.e they actually happened and i

788

00:31:22,389 --> 00:31:20,240

personally believe that's true

789

00:31:24,470 --> 00:31:22,399

while still questioning the conclusions

790

00:31:26,389 --> 00:31:24,480

they ultimately drew

791

00:31:28,710 --> 00:31:26,399

one thing seems clear to me after

792

00:31:31,509 --> 00:31:28,720

investigating these historical events in

793

00:31:33,509 --> 00:31:31,519

preparation for this podcast

794

00:31:35,590 --> 00:31:33,519

not only does the desire to lump the

795

00:31:37,509 --> 00:31:35,600

various phenomena observed within the

796

00:31:40,870 --> 00:31:37,519

meta category known as the ufo

797

00:31:42,950 --> 00:31:40,880

phenomenon into one predetermined basket

798

00:31:45,509 --> 00:31:42,960

lead to the exclusion of some very

799

00:31:48,230 --> 00:31:45,519

significant data but it can and

800

00:31:51,029 --> 00:31:48,240

apparently has led some semi-official

801  
00:31:54,070 --> 00:31:51,039  
and official sources to cut off the

802  
00:31:56,630 --> 00:31:54,080  
investigation into the ufo phenomenon

803  
00:31:59,029 --> 00:31:56,640  
just when it was uncovering elements

804  
00:32:01,509 --> 00:31:59,039  
that could have and should have served

805  
00:32:03,909 --> 00:32:01,519  
to open up new questions and new lines

806  
00:32:06,070 --> 00:32:03,919  
of evidence to pursue

807  
00:32:09,110 --> 00:32:06,080  
at the end of the day if you begin with

808  
00:32:11,509 --> 00:32:09,120  
a predetermined view of what is possible

809  
00:32:14,470 --> 00:32:11,519  
you will simply be forced to ignore or

810  
00:32:16,310 --> 00:32:14,480  
explain away anything and everything

811  
00:32:19,350 --> 00:32:16,320  
that you come across that seems to

812  
00:32:21,430 --> 00:32:19,360  
suggest anything to the contrary

813  
00:32:24,070 --> 00:32:21,440

and of course that doesn't get us closer

814

00:32:27,190 --> 00:32:24,080

to reality in fact it accomplishes the

815

00:32:29,509 --> 00:32:27,200

very opposite it is ultimately an

816

00:32:30,789 --> 00:32:29,519

allegiance with subjective bias and

817

00:32:33,430 --> 00:32:30,799

fantasy

818

00:32:35,990 --> 00:32:33,440

over reality

819

00:32:37,669 --> 00:32:36,000

and on that note we've come to the close

820

00:32:39,509 --> 00:32:37,679

of another edition of the point of

821

00:32:41,430 --> 00:32:39,519

convergence podcast

822

00:32:44,789 --> 00:32:41,440

if you'd like to support this podcast

823

00:32:47,590 --> 00:32:44,799

you can do so at [patreon.com](https://patreon.com)

824

00:32:49,269 --> 00:32:47,600

exo academian i very much appreciate any

825

00:32:51,269 --> 00:32:49,279

support offered

826

00:32:53,029 --> 00:32:51,279

but until next time friends from deep

827

00:32:56,389 --> 00:32:53,039

within the blue ridge mountains of north

828

00:32:57,850 --> 00:32:56,399

carolina this is exo academian signing
