2
00:00:14,070 --> 00:00:11,669

hello and welcome to episode number 52

3
00:00:18,790 --> 00:00:14,080

of the point of convergence podcast

4
00:00:20,870 --> 00:00:18,800

as always i am your host exo academian

5
00:00:23,830 --> 00:00:20,880

as we approach the one year anniversary

6
00:00:25,990 --> 00:00:23,840

of this podcast now only days away

7
00:00:27,830 --> 00:00:26,000

it's useful to stop and reflect on the

8
00:00:30,070 --> 00:00:27,840

sheer wealth of the diverse and

9
00:00:32,389 --> 00:00:30,080

captivating material we've covered

10
00:00:34,950 --> 00:00:32,399

during the past 12 months

11
00:00:37,830 --> 00:00:34,960

over the past 50 plus episodes we've

12
00:00:39,430 --> 00:00:37,840

pivoted between a micro and a macro view

13
00:00:41,830 --> 00:00:39,440

of this phenomenon

14

00:00:44,310 --> 00:00:41,840

discussing the mind-boggling details of

15

00:00:47,430 --> 00:00:44,320

individual encounters with these beings

16

00:00:49,590 --> 00:00:47,440

perhaps best described as the others

17

00:00:52,310 --> 00:00:49,600

while also examining the overarching

18

00:00:54,310 --> 00:00:52,320

trends and common data points observed

19

00:00:55,990 --> 00:00:54,320

as we've endeavored to piece together a

20

00:00:59,270 --> 00:00:56,000

meaningful narrative to help us

21

00:01:01,430 --> 00:00:59,280

understand at least in part the totality

22

00:01:03,670 --> 00:01:01,440

of what is going on

23

00:01:05,670 --> 00:01:03,680

and during these last 12 months while

24

00:01:07,830 --> 00:01:05,680

we've been busy perusing the so-called

25

00:01:10,230 --> 00:01:07,840

experiential literature that has grown

26
00:01:11,350 --> 00:01:10,240
into an enormous volume of data over the

27
00:01:13,830 --> 00:01:11,360
decades

28
00:01:16,390 --> 00:01:13,840
we've seen out of the corner of our eye

29
00:01:19,429 --> 00:01:16,400
as it were that this topic commonly

30
00:01:21,749 --> 00:01:19,439
referred to as the ufo phenomenon has

31
00:01:23,350 --> 00:01:21,759
even begun to finally pierce the veil of

32
00:01:25,830 --> 00:01:23,360
the mainstream

33
00:01:29,109 --> 00:01:25,840
indeed in recent weeks we've seen the

34
00:01:31,830 --> 00:01:29,119
momentum that began in 2017 with a

35
00:01:33,270 --> 00:01:31,840
remarkable piece in the new york times

36
00:01:35,429 --> 00:01:33,280
culminate in the passing of

37
00:01:37,350 --> 00:01:35,439
congressional amendments that are poised

38
00:01:40,870 --> 00:01:37,360

to create an officially sanctioned

39

00:01:43,429 --> 00:01:40,880

office to gather process and collate

40

00:01:47,429 --> 00:01:43,439

information pertaining specifically to

41

00:01:48,789 --> 00:01:47,439

uap unidentified aerial phenomena aka

42

00:01:50,870 --> 00:01:48,799

ufos

43

00:01:53,830 --> 00:01:50,880

but our journey together has been about

44

00:01:56,630 --> 00:01:53,840

much more than an investigation of the

45

00:01:59,190 --> 00:01:56,640

strange and sophisticated craft buzzing

46

00:02:01,830 --> 00:01:59,200

in and around our skies

47

00:02:04,389 --> 00:02:01,840

we've also traced a point of convergence

48

00:02:07,030 --> 00:02:04,399

if you will where capacities that exist

49

00:02:10,389 --> 00:02:07,040

along the so-called psi spectrum seem to

50

00:02:12,309 --> 00:02:10,399

overlap with the data belonging to ufos

51
00:02:14,790 --> 00:02:12,319
and aliens

52
00:02:17,190 --> 00:02:14,800
fascinatingly not only do these others

53
00:02:19,670 --> 00:02:17,200
these non-human intelligences seem to

54
00:02:21,510 --> 00:02:19,680
demonstrate a startling capacity for

55
00:02:24,150 --> 00:02:21,520
abilities such as telepathy

56
00:02:26,869 --> 00:02:24,160
psychokinesis and clairvoyance

57
00:02:29,430 --> 00:02:26,879
but so too do human beings suggesting

58
00:02:31,750 --> 00:02:29,440
perhaps our connection to them is closer

59
00:02:34,229 --> 00:02:31,760
than many of us have first imagined

60
00:02:37,110 --> 00:02:34,239
indeed other non-conventional human

61
00:02:38,869 --> 00:02:37,120
experiences reported across time here we

62
00:02:41,030 --> 00:02:38,879
speak of events such as out-of-body

63
00:02:44,550 --> 00:02:41,040

experiences near-death experiences

64

00:02:45,990 --> 00:02:44,560

subtle state sensing and astral travel

65

00:02:48,790 --> 00:02:46,000

also seem to meet at a point of

66

00:02:51,750 --> 00:02:48,800

convergence with data usually squarely

67

00:02:54,150 --> 00:02:51,760

bookmarked within the ufo phenomenon and

68

00:02:55,910 --> 00:02:54,160

we've discussed how in total this

69

00:02:58,229 --> 00:02:55,920

remarkably illuminating point of

70

00:03:00,630 --> 00:02:58,239

convergence seems to be suggesting

71

00:03:02,710 --> 00:03:00,640

something fundamental about ultimate

72

00:03:05,589 --> 00:03:02,720

reality itself

73

00:03:07,910 --> 00:03:05,599

laying bare the evidently central role

74

00:03:11,190 --> 00:03:07,920

the capital c consciousness seems to

75

00:03:13,110 --> 00:03:11,200

play as the bedrock of all that is

76

00:03:15,750 --> 00:03:13,120

serving as a substrate that not only

77

00:03:18,309 --> 00:03:15,760

gives rise to secondary phenomena such

78

00:03:20,869 --> 00:03:18,319

as matter and energy but that seems to

79

00:03:23,990 --> 00:03:20,879

connect everything and everyone in the

80

00:03:26,550 --> 00:03:24,000

cosmos which is perhaps best described

81

00:03:29,350 --> 00:03:26,560

as a multi-dimensional multiverse

82

00:03:31,110 --> 00:03:29,360

potentially teeming with life

83

00:03:33,030 --> 00:03:31,120

as we've tracked this trajectory that

84

00:03:35,030 --> 00:03:33,040

has i'm sure you'll agree

85

00:03:37,589 --> 00:03:35,040

proven to be at times as equally

86

00:03:39,990 --> 00:03:37,599

baffling and bewildering as it has been

87

00:03:42,070 --> 00:03:40,000

bewitching and transfixing

88

00:03:44,869 --> 00:03:42,080

no doubt questions have arisen in the

89

00:03:46,710 --> 00:03:44,879

minds of you the audience and that's

90

00:03:48,949 --> 00:03:46,720

probably true whether you hopped on this

91

00:03:51,110 --> 00:03:48,959

train at the first stop around this time

92

00:03:53,190 --> 00:03:51,120

last year or whether you've jumped on

93

00:03:54,470 --> 00:03:53,200

board on one of our more recent episode

94

00:03:57,110 --> 00:03:54,480

stops

95

00:03:59,030 --> 00:03:57,120

either way now seems like an apt time to

96

00:04:01,509 --> 00:03:59,040

explore some of these questions in the

97

00:04:04,070 --> 00:04:01,519

second edition of a feature titled the

98

00:04:05,750 --> 00:04:04,080

inquiring mind where i engage with some

99

00:04:08,789 --> 00:04:05,760

of the thoughtful and insightful

100

00:04:11,190 --> 00:04:08,799

questions you the audience have sent in

101
00:04:13,670 --> 00:04:11,200
over the last couple of months

102
00:04:15,270 --> 00:04:13,680
and so now without further ado let's

103
00:04:17,590 --> 00:04:15,280
jump into these thought-provoking

104
00:04:18,550 --> 00:04:17,600
questions as part of this inquiring mind

105
00:04:19,590 --> 00:04:18,560
feature

106
00:04:21,830 --> 00:04:19,600
in this

107
00:04:25,310 --> 00:04:21,840
the 52nd episode of the point of

108
00:04:28,710 --> 00:04:25,320
convergence podcast

109
00:04:30,550 --> 00:04:28,720
[Music]

110
00:04:33,270 --> 00:04:30,560
all right let's jump right in question

111
00:04:35,430 --> 00:04:33,280
number one is worded as follows

112
00:04:37,749 --> 00:04:35,440
congratulations on 50 quite an

113
00:04:39,030 --> 00:04:37,759

accomplishment all high quality episodes

114

00:04:41,030 --> 00:04:39,040

too

115

00:04:43,270 --> 00:04:41,040

bear in mind that the aliens themselves

116

00:04:46,469 --> 00:04:43,280

have emerged science that deals with all

117

00:04:48,870 --> 00:04:46,479

phenomena so we know it's possible

118

00:04:51,030 --> 00:04:48,880

also abductees tell us that the graves

119

00:04:52,710 --> 00:04:51,040

say we must pay closer attention to our

120

00:04:54,790 --> 00:04:52,720

spiritual side

121

00:04:57,510 --> 00:04:54,800

as usual they seem to know a lot more

122

00:04:59,830 --> 00:04:57,520

than we do during the next year i would

123

00:05:01,909 --> 00:04:59,840

ask you and other thinkers on this topic

124

00:05:04,230 --> 00:05:01,919

to consider more closely the role that

125

00:05:06,469 --> 00:05:04,240

the visitors themselves are playing in

126

00:05:08,150 --> 00:05:06,479

quote-unquote disclosure

127

00:05:10,230 --> 00:05:08,160

we talk about the role of governments

128

00:05:12,550 --> 00:05:10,240

and of ufologists but never of the

129

00:05:13,670 --> 00:05:12,560

visitors are they in communication with

130

00:05:15,510 --> 00:05:13,680

governments

131

00:05:16,710 --> 00:05:15,520

are there agreements that permit

132

00:05:18,230 --> 00:05:16,720

abduction

133

00:05:21,110 --> 00:05:18,240

are government efforts to limit

134

00:05:23,590 --> 00:05:21,120

disclosure mandated by the visitors

135

00:05:25,110 --> 00:05:23,600

are some of the players actually aliens

136

00:05:28,710 --> 00:05:25,120

rather than humans

137

00:05:30,469 --> 00:05:28,720

for instance the mib the men in black

138

00:05:32,230 --> 00:05:30,479

alright so this is a great question and

139

00:05:33,830 --> 00:05:32,240

there's a lot to it so let's take it

140

00:05:36,310 --> 00:05:33,840

piece by piece

141

00:05:37,670 --> 00:05:36,320

now first of all in terms of the grays

142

00:05:39,749 --> 00:05:37,680

telling us we should pay closer

143

00:05:42,230 --> 00:05:39,759

attention to our spiritual side

144

00:05:44,150 --> 00:05:42,240

yes indeed that's certainly attested to

145

00:05:45,909 --> 00:05:44,160

in much of the literature again while

146

00:05:47,909 --> 00:05:45,919

some people have negative experiences

147

00:05:49,990 --> 00:05:47,919

with the graves there are many many that

148

00:05:51,189 --> 00:05:50,000

have either positive or neutral

149

00:05:53,110 --> 00:05:51,199

experiences

150

00:05:56,390 --> 00:05:53,120

and yes those who have had positive

151
00:05:58,550 --> 00:05:56,400
experiences often discuss that the greys

152
00:06:00,790 --> 00:05:58,560
try to point them towards some deeper

153
00:06:02,550 --> 00:06:00,800
understanding of the meaning of life

154
00:06:05,110 --> 00:06:02,560
even of a life that stretches over

155
00:06:08,070 --> 00:06:05,120
multiple lifetimes as we've talked about

156
00:06:10,550 --> 00:06:08,080
before people like susie hansen have

157
00:06:12,710 --> 00:06:10,560
discussed in their encounters coming to

158
00:06:15,590 --> 00:06:12,720
recognize that they actually have a dual

159
00:06:17,270 --> 00:06:15,600
human and gray identity again this is

160
00:06:20,070 --> 00:06:17,280
where this information gets really

161
00:06:21,909 --> 00:06:20,080
complex but really interesting and

162
00:06:23,749 --> 00:06:21,919
people like susie hansen have pointed

163
00:06:25,990 --> 00:06:23,759

out that when they're in the presence of

164

00:06:27,830 --> 00:06:26,000

these others they're reminded that they

165

00:06:30,629 --> 00:06:27,840

signed up for this that they came into

166

00:06:32,870 --> 00:06:30,639

this lifetime as a human being to play a

167

00:06:34,870 --> 00:06:32,880

role to move everything forward to

168

00:06:37,110 --> 00:06:34,880

mature their own energy as well as to

169

00:06:38,870 --> 00:06:37,120

work in service towards the evolution of

170

00:06:41,110 --> 00:06:38,880

the entire planet and all of the

171

00:06:42,790 --> 00:06:41,120

consciousnesses here now again i'm not

172

00:06:45,430 --> 00:06:42,800

suggesting that all people have these

173

00:06:47,590 --> 00:06:45,440

experiences with the graves but many do

174

00:06:49,350 --> 00:06:47,600

and susie hansen's case is particularly

175

00:06:51,270 --> 00:06:49,360

interesting and we did discuss this in

176

00:06:53,510 --> 00:06:51,280

one of our first episodes

177

00:06:55,110 --> 00:06:53,520

because she has so much recall about

178

00:06:57,430 --> 00:06:55,120

these encounters with the graves that

179

00:06:59,830 --> 00:06:57,440

have been happening her entire lifetime

180

00:07:03,029 --> 00:06:59,840

and as i discussed in that episode even

181

00:07:05,589 --> 00:07:03,039

goes back before this lifetime for her

182

00:07:07,670 --> 00:07:05,599

secondly this person asks about the role

183

00:07:09,670 --> 00:07:07,680

that the visitors or the others may be

184

00:07:12,469 --> 00:07:09,680

playing in disclosure that we shouldn't

185

00:07:13,909 --> 00:07:12,479

limit the discussion to just ufologists

186

00:07:16,629 --> 00:07:13,919

and governments

187

00:07:18,950 --> 00:07:16,639

i wholeheartedly agree here in fact i

188

00:07:21,749 --> 00:07:18,960

think that the biggest player in this

189

00:07:23,670 --> 00:07:21,759

entire question is the visitors now

190

00:07:25,670 --> 00:07:23,680

what's interesting is recently when i

191

00:07:27,670 --> 00:07:25,680

spoke with ross coulthart the australian

192

00:07:30,629 --> 00:07:27,680

investigative journalist who's covered

193

00:07:32,790 --> 00:07:30,639

the ufo phenomenon in great detail

194

00:07:34,950 --> 00:07:32,800

he talked about this sense that the

195

00:07:37,589 --> 00:07:34,960

intelligence behind the phenomenon may

196

00:07:40,469 --> 00:07:37,599

be pushing the envelope especially of

197

00:07:42,710 --> 00:07:40,479

late he talked about how strike groups

198

00:07:45,909 --> 00:07:42,720

out in the oceans are encountering

199

00:07:49,189 --> 00:07:45,919

sometimes 50 of these vehicles a day 50

200

00:07:51,430 --> 00:07:49,199

of these uap slash ufos a day and

201
00:07:53,350 --> 00:07:51,440
furthermore that the types of vehicles

202
00:07:55,830 --> 00:07:53,360
that are showing up continue to increase

203
00:07:57,909 --> 00:07:55,840
as well so greater numbers of

204
00:07:59,430 --> 00:07:57,919
appearances and a greater number of

205
00:08:01,110 --> 00:07:59,440
different types

206
00:08:03,510 --> 00:08:01,120
and so there's this sense amongst the

207
00:08:06,150 --> 00:08:03,520
military brass anyway that the

208
00:08:08,469 --> 00:08:06,160
phenomenon may be ramping things up with

209
00:08:10,710 --> 00:08:08,479
the intention that disclosure must

210
00:08:12,230 --> 00:08:10,720
happen soon because they are the ones

211
00:08:13,270 --> 00:08:12,240
who are going to be driving this

212
00:08:15,909 --> 00:08:13,280
narrative

213
00:08:17,749 --> 00:08:15,919

the concern amongst the secret keepers

214

00:08:19,749 --> 00:08:17,759

is that the others are going to make

215

00:08:22,230 --> 00:08:19,759

their presence known in some plain as

216

00:08:24,950 --> 00:08:22,240

they way and then the secrets will be

217

00:08:27,990 --> 00:08:24,960

irrelevant because everyone will know

218

00:08:31,029 --> 00:08:28,000

that we are in contact and communication

219

00:08:32,469 --> 00:08:31,039

and ongoing interaction with non-human

220

00:08:34,870 --> 00:08:32,479

intelligences

221

00:08:36,949 --> 00:08:34,880

now the question goes on to ask is it

222

00:08:39,029 --> 00:08:36,959

possible that we have agreements or our

223

00:08:41,909 --> 00:08:39,039

governments have agreements with some of

224

00:08:44,230 --> 00:08:41,919

these others that permits abduction that

225

00:08:46,230 --> 00:08:44,240

basically the governments of the world

226

00:08:48,949 --> 00:08:46,240

will look the other way while these

227

00:08:51,030 --> 00:08:48,959

others supposedly abduct human beings

228

00:08:52,949 --> 00:08:51,040

conducting experiments gathering genetic

229

00:08:54,550 --> 00:08:52,959

material what have you

230

00:08:56,870 --> 00:08:54,560

and i should add here by the way that

231

00:08:59,110 --> 00:08:56,880

for the most part this is discussing the

232

00:09:01,269 --> 00:08:59,120

us government not all governments but

233

00:09:03,030 --> 00:09:01,279

particularly the u.s government

234

00:09:05,670 --> 00:09:03,040

and supposedly this happened this

235

00:09:08,550 --> 00:09:05,680

agreement this treaty that was signed

236

00:09:10,230 --> 00:09:08,560

under the eisenhower administration now

237

00:09:13,110 --> 00:09:10,240

i would say take this with a grain of

238

00:09:15,030 --> 00:09:13,120

salt or two or three because again it's

239

00:09:17,509 --> 00:09:15,040

hard to get any kind of credible

240

00:09:19,670 --> 00:09:17,519

confirmation of these details but the

241

00:09:21,430 --> 00:09:19,680

way the story goes anyway is that a

242

00:09:23,430 --> 00:09:21,440

treaty was signed that basically stated

243

00:09:25,430 --> 00:09:23,440

that we would not interfere in their

244

00:09:26,389 --> 00:09:25,440

affairs and they would not interfere in

245

00:09:28,310 --> 00:09:26,399

ours

246

00:09:30,790 --> 00:09:28,320

that basically in exchange for them

247

00:09:32,790 --> 00:09:30,800

providing us with technology that was

248

00:09:35,190 --> 00:09:32,800

next-gen technology far beyond what

249

00:09:36,710 --> 00:09:35,200

humans had at the current moment

250

00:09:38,949 --> 00:09:36,720

they would be able to

251
00:09:40,470 --> 00:09:38,959
abduct human beings while the government

252
00:09:42,150 --> 00:09:40,480
looked the other way

253
00:09:43,910 --> 00:09:42,160
now the agreement was human beings would

254
00:09:45,670 --> 00:09:43,920
be put back in their homes or back in

255
00:09:47,269 --> 00:09:45,680
their cars as has been the case

256
00:09:49,590 --> 00:09:47,279
according to the literature they would

257
00:09:51,670 --> 00:09:49,600
not be harmed but that the aliens would

258
00:09:53,829 --> 00:09:51,680
have free reign to do this as they

259
00:09:56,150 --> 00:09:53,839
needed as part of their experiments and

260
00:09:59,030 --> 00:09:56,160
again in exchange the us government

261
00:10:00,710 --> 00:09:59,040
would receive advanced technology

262
00:10:02,470 --> 00:10:00,720
now again for the most part this was

263
00:10:05,110 --> 00:10:02,480

described as a generally friendly

264

00:10:06,870 --> 00:10:05,120

exchange and there was even kind of an

265

00:10:09,910 --> 00:10:06,880

arrangement where each side would

266

00:10:11,590 --> 00:10:09,920

exchange 16 personnel so that each side

267

00:10:13,590 --> 00:10:11,600

could learn about each other kind of

268

00:10:16,069 --> 00:10:13,600

like a diplomatic envoy

269

00:10:18,550 --> 00:10:16,079

now how would we confirm these kind of

270

00:10:21,190 --> 00:10:18,560

details there have been some who've

271

00:10:22,389 --> 00:10:21,200

suggested that various technologies such

272

00:10:24,230 --> 00:10:22,399

as those that allowed for the

273

00:10:25,910 --> 00:10:24,240

development of the stealth fighter

274

00:10:28,710 --> 00:10:25,920

basically had their roots in this

275

00:10:31,030 --> 00:10:28,720

technology that was provided by these

276

00:10:32,870 --> 00:10:31,040

alien others it's really difficult to

277

00:10:35,590 --> 00:10:32,880

know either way certainly the stealth

278

00:10:37,350 --> 00:10:35,600

technology that we now use in our jets

279

00:10:39,269 --> 00:10:37,360

was next gen especially when you think

280

00:10:41,750 --> 00:10:39,279

about when it was first being used back

281

00:10:43,910 --> 00:10:41,760

in the 70s and 80s but it's hard to say

282

00:10:45,190 --> 00:10:43,920

that that technology didn't arise

283

00:10:46,949 --> 00:10:45,200

naturally

284

00:10:49,750 --> 00:10:46,959

in fact in terms of each of the

285

00:10:52,790 --> 00:10:49,760

technologies supposedly ascribed to

286

00:10:54,630 --> 00:10:52,800

these others one could argue that the

287

00:10:56,710 --> 00:10:54,640

seeds of these different technologies

288

00:10:59,190 --> 00:10:56,720

already existed amongst humankind and

289

00:11:01,430 --> 00:10:59,200

therefore it's difficult to say for sure

290

00:11:03,590 --> 00:11:01,440

that such technologies must have come

291

00:11:04,870 --> 00:11:03,600

from an alien species and alien

292

00:11:06,710 --> 00:11:04,880

intelligence

293

00:11:09,030 --> 00:11:06,720

again i've heard arguments on both sides

294

00:11:11,350 --> 00:11:09,040

of this equation i'm not convinced

295

00:11:12,790 --> 00:11:11,360

either way i think it's possible that

296

00:11:15,110 --> 00:11:12,800

there was some sort of agreement and

297

00:11:16,790 --> 00:11:15,120

that there was an exchange of technology

298

00:11:18,949 --> 00:11:16,800

but again it's hard to say with

299

00:11:20,949 --> 00:11:18,959

certainty either way

300

00:11:23,430 --> 00:11:20,959

now in regards to the aspect where the

301
00:11:26,150 --> 00:11:23,440
government in exchange agreed that these

302
00:11:27,509 --> 00:11:26,160
others could abduct people abduct

303
00:11:29,750 --> 00:11:27,519
citizens

304
00:11:31,910 --> 00:11:29,760
that's a little difficult to swallow for

305
00:11:34,230 --> 00:11:31,920
me because the truth is

306
00:11:35,750 --> 00:11:34,240
what other option do we have

307
00:11:37,990 --> 00:11:35,760
are we really in a position where we

308
00:11:40,310 --> 00:11:38,000
could stop them or even put up a fight

309
00:11:42,630 --> 00:11:40,320
if they wanted to abduct citizens

310
00:11:44,389 --> 00:11:42,640
i'm not convinced we could when you

311
00:11:47,110 --> 00:11:44,399
think about the degree of consciousness

312
00:11:49,590 --> 00:11:47,120
and perception control that these others

313
00:11:51,829 --> 00:11:49,600

wield over human beings it's not clear

314

00:11:53,910 --> 00:11:51,839

at all that we could do anything about

315

00:11:55,670 --> 00:11:53,920

it even if we wanted to

316

00:11:57,430 --> 00:11:55,680

i think what's more likely is that the

317

00:11:59,030 --> 00:11:57,440

government knows it's going on at least

318

00:12:01,110 --> 00:11:59,040

some elements of the government know

319

00:12:03,030 --> 00:12:01,120

that abductions are going on

320

00:12:05,110 --> 00:12:03,040

but the truth is because they know they

321

00:12:07,110 --> 00:12:05,120

can't do anything about it they just

322

00:12:09,350 --> 00:12:07,120

don't talk about it not because there's

323

00:12:12,470 --> 00:12:09,360

some secret agreement but because they

324

00:12:15,030 --> 00:12:12,480

don't want to seem so impotent in front

325

00:12:16,790 --> 00:12:15,040

of the public were this to come out

326

00:12:18,790 --> 00:12:16,800

because again even if they wanted to

327

00:12:21,269 --> 00:12:18,800

there's perhaps nothing they can do to

328

00:12:22,550 --> 00:12:21,279

stop this and if people knew about it

329

00:12:24,790 --> 00:12:22,560

and they knew that the government

330

00:12:27,990 --> 00:12:24,800

couldn't prevent it basically that could

331

00:12:30,550 --> 00:12:28,000

very likely produce a mass panic

332

00:12:33,430 --> 00:12:30,560

so all that is to say do the others play

333

00:12:35,269 --> 00:12:33,440

a major role in disclosure absolutely i

334

00:12:37,430 --> 00:12:35,279

agree they do in fact i think they play

335

00:12:38,949 --> 00:12:37,440

the chief role and in fact evidence

336

00:12:41,190 --> 00:12:38,959

suggests they may be pushing the

337

00:12:43,190 --> 00:12:41,200

envelope even as we speak

338

00:12:45,190 --> 00:12:43,200

but in terms of some historic agreement

339

00:12:47,350 --> 00:12:45,200

between a government or several

340

00:12:49,350 --> 00:12:47,360

governments and these others

341

00:12:51,590 --> 00:12:49,360

while i think it's possible i don't

342

00:12:54,150 --> 00:12:51,600

think it's likely that those agreements

343

00:12:56,710 --> 00:12:54,160

have driven the course of history over

344

00:12:58,629 --> 00:12:56,720

the last several decades as some people

345

00:13:01,269 --> 00:12:58,639

seem to suggest

346

00:13:03,829 --> 00:13:01,279

all right time for question number two

347

00:13:06,150 --> 00:13:03,839

which is worded as follows

348

00:13:08,790 --> 00:13:06,160

i recently saw a segment on skinwalker

349

00:13:11,430 --> 00:13:08,800

ranch and i was thinking that any highly

350

00:13:14,069 --> 00:13:11,440

advanced civilization would be aware of

351
00:13:16,870 --> 00:13:14,079
a crew of humans trying to research them

352
00:13:18,790 --> 00:13:16,880
and their actions and what they're up to

353
00:13:21,030 --> 00:13:18,800
assuming that a civilization far

354
00:13:22,949 --> 00:13:21,040
advanced beyond ours would be able to

355
00:13:25,750 --> 00:13:22,959
thwart our attempts at investigating

356
00:13:27,430 --> 00:13:25,760
their activity on our planet isn't it

357
00:13:29,750 --> 00:13:27,440
reasonable to assume that they would

358
00:13:31,590 --> 00:13:29,760
purposefully make it difficult for us to

359
00:13:32,710 --> 00:13:31,600
collect reliable data about their

360
00:13:35,509 --> 00:13:32,720
activity

361
00:13:37,350 --> 00:13:35,519
as seen at places like skinwalker ranch

362
00:13:39,509 --> 00:13:37,360
they seem to be throwing a wrench in the

363
00:13:41,509 --> 00:13:39,519

gears of our research and possibly

364

00:13:43,990 --> 00:13:41,519

intentionally projecting false

365

00:13:45,990 --> 00:13:44,000

information and fake phenomena to

366

00:13:48,470 --> 00:13:46,000

intermingle it all so that it's

367

00:13:50,230 --> 00:13:48,480

impossible to discern which activity is

368

00:13:52,389 --> 00:13:50,240

truly theirs

369

00:13:54,710 --> 00:13:52,399

so that's a great and insightful

370

00:13:57,030 --> 00:13:54,720

question and my short answer is it's

371

00:13:59,269 --> 00:13:57,040

certainly a possibility that's one way

372

00:14:01,910 --> 00:13:59,279

you could make sense of the data that

373

00:14:05,110 --> 00:14:01,920

perhaps there's some vast sophisticated

374

00:14:06,949 --> 00:14:05,120

intelligence that has at its disposal

375

00:14:10,150 --> 00:14:06,959

these various phenomena that it can

376

00:14:12,230 --> 00:14:10,160

basically manifest which confuses us

377

00:14:14,949 --> 00:14:12,240

making us think perhaps there's many

378

00:14:17,350 --> 00:14:14,959

different intelligences or entities

379

00:14:19,670 --> 00:14:17,360

present on the ranch and effectively

380

00:14:22,310 --> 00:14:19,680

scuttle our ability to be able to draw

381

00:14:24,550 --> 00:14:22,320

conclusions or make any headway in our

382

00:14:26,790 --> 00:14:24,560

research perhaps even to the point where

383

00:14:29,509 --> 00:14:26,800

we become so frustrated that we give up

384

00:14:31,189 --> 00:14:29,519

or run out of money in the meantime

385

00:14:33,509 --> 00:14:31,199

and just to be clear here we're talking

386

00:14:35,350 --> 00:14:33,519

about sophisticated scientific

387

00:14:38,550 --> 00:14:35,360

expeditions that were present on the

388

00:14:40,949 --> 00:14:38,560

ranch trying to gather data hard data

389

00:14:43,110 --> 00:14:40,959

with sensor systems and whatnot to draw

390

00:14:45,189 --> 00:14:43,120

conclusions about what's going on there

391

00:14:47,189 --> 00:14:45,199

and also to be able to convince others

392

00:14:49,750 --> 00:14:47,199

who are more skeptical that something

393

00:14:52,069 --> 00:14:49,760

anomalous really is going on this

394

00:14:54,710 --> 00:14:52,079

happened of course under robert bigelow

395

00:14:57,750 --> 00:14:54,720

and this happened more recently with the

396

00:14:59,910 --> 00:14:57,760

group being funded by brandon fogle

397

00:15:01,430 --> 00:14:59,920

now speaking of these various teams we

398

00:15:03,590 --> 00:15:01,440

should remember that a big part of

399

00:15:06,310 --> 00:15:03,600

bigelow's work was funded by the

400

00:15:08,790 --> 00:15:06,320

government under the ossap program which

401
00:15:12,710 --> 00:15:08,800
had a broad purview not just to study

402
00:15:14,949 --> 00:15:12,720
ufos but also other co-arising anomalous

403
00:15:17,269 --> 00:15:14,959
phenomena which of course is central to

404
00:15:19,269 --> 00:15:17,279
this show and essential to this show

405
00:15:21,110 --> 00:15:19,279
because that's central to reality we

406
00:15:22,949 --> 00:15:21,120
find these colorizing phenomena

407
00:15:24,949 --> 00:15:22,959
happening all the time

408
00:15:26,870 --> 00:15:24,959
so that gives you a bit of background on

409
00:15:29,670 --> 00:15:26,880
this question what's been happening at

410
00:15:32,069 --> 00:15:29,680
skinwalker ranch and what this person is

411
00:15:34,389 --> 00:15:32,079
suggesting is perhaps this is all

412
00:15:37,749 --> 00:15:34,399
basically a counterintelligence

413
00:15:40,150 --> 00:15:37,759

psyop conducted by this sophisticated

414

00:15:41,509 --> 00:15:40,160

intelligence to throw us off their scent

415

00:15:43,990 --> 00:15:41,519

basically

416

00:15:45,509 --> 00:15:44,000

again it's certainly a possibility

417

00:15:47,350 --> 00:15:45,519

however we should also remember that

418

00:15:49,509 --> 00:15:47,360

skinwalker ranch is not the only place

419

00:15:51,990 --> 00:15:49,519

in the world that has these kinds of

420

00:15:55,269 --> 00:15:52,000

co-arising phenomena there are other

421

00:15:57,350 --> 00:15:55,279

places too where seemingly a variety of

422

00:15:59,189 --> 00:15:57,360

different phenomena manifest we're

423

00:16:01,910 --> 00:15:59,199

talking about everything from

424

00:16:04,550 --> 00:16:01,920

seven foot tall wolf creatures

425

00:16:09,189 --> 00:16:04,560

that seem to walk on two legs

426
00:16:11,110 --> 00:16:09,199
to sasquatch to ufos to shadow people to

427
00:16:13,030 --> 00:16:11,120
mysterious human figures that turn out

428
00:16:16,389 --> 00:16:13,040
to not be human or disappear into the

429
00:16:18,230 --> 00:16:16,399
mist never to be found again etc now of

430
00:16:21,030 --> 00:16:18,240
course one possibility that's been put

431
00:16:23,350 --> 00:16:21,040
forth to explain this vast array of

432
00:16:25,749 --> 00:16:23,360
phenomena is that perhaps there's a

433
00:16:27,670 --> 00:16:25,759
wormhole present on the ranch not

434
00:16:29,829 --> 00:16:27,680
specifically on the ground but perhaps

435
00:16:31,990 --> 00:16:29,839
well up in the air or perhaps below the

436
00:16:33,910 --> 00:16:32,000
surface of the ground in the general

437
00:16:36,230 --> 00:16:33,920
proximity of the ranch

438
00:16:38,790 --> 00:16:36,240

in fact in more recent research that's

439

00:16:40,310 --> 00:16:38,800

been done by fugle's team

440

00:16:42,230 --> 00:16:40,320

it has been suggested that there's a

441

00:16:44,710 --> 00:16:42,240

kind of triangulation

442

00:16:47,030 --> 00:16:44,720

of magnetic anomalies that suggest there

443

00:16:49,910 --> 00:16:47,040

could be some sort of massive magnetic

444

00:16:52,150 --> 00:16:49,920

anomaly perhaps a wormhole situated

445

00:16:54,710 --> 00:16:52,160

either high above the property or deep

446

00:16:56,310 --> 00:16:54,720

below the property so that would suggest

447

00:17:00,069 --> 00:16:56,320

therefore that this is not one

448

00:17:03,110 --> 00:17:00,079

intelligence confounding our efforts by

449

00:17:05,590 --> 00:17:03,120

manifesting disorientingly nonsensical

450

00:17:07,750 --> 00:17:05,600

phenomena but rather that there are just

451
00:17:10,710 --> 00:17:07,760
many different entities that are able to

452
00:17:12,710 --> 00:17:10,720
pour into our reality because of the

453
00:17:15,270 --> 00:17:12,720
presence of this wormhole

454
00:17:17,510 --> 00:17:15,280
to me that seems like the more likely

455
00:17:20,069 --> 00:17:17,520
answer to this puzzle but i admit that

456
00:17:21,909 --> 00:17:20,079
the other one is still a possibility the

457
00:17:23,909 --> 00:17:21,919
fact that we also see creatures that

458
00:17:26,309 --> 00:17:23,919
seem to be not only out of place but

459
00:17:27,990 --> 00:17:26,319
outside of time for instance creatures

460
00:17:30,070 --> 00:17:28,000
that seem to be better described as

461
00:17:32,230 --> 00:17:30,080
coming from the jurassic era also

462
00:17:34,150 --> 00:17:32,240
showing up on the property suggests

463
00:17:37,270 --> 00:17:34,160

again that some sort of distortion of

464

00:17:39,350 --> 00:17:37,280

the space-time continuum is going on at

465

00:17:41,750 --> 00:17:39,360

the ranch or very close to the ranch

466

00:17:44,150 --> 00:17:41,760

either high above or deep below and that

467

00:17:46,950 --> 00:17:44,160

this allows for various phenomena

468

00:17:49,990 --> 00:17:46,960

outside our conventional time and space

469

00:17:52,390 --> 00:17:50,000

to pour in to our reality again that's

470

00:17:54,710 --> 00:17:52,400

my working hypothesis to explain places

471

00:17:56,150 --> 00:17:54,720

like skinwalker ranch but i admit that

472

00:17:57,750 --> 00:17:56,160

the possibility of this

473

00:18:00,230 --> 00:17:57,760

hyperintelligence running a

474

00:18:01,669 --> 00:18:00,240

disinformation campaign is also a

475

00:18:03,830 --> 00:18:01,679

possibility

476

00:18:06,710 --> 00:18:03,840

and let me just quickly say also that

477

00:18:09,110 --> 00:18:06,720

this co-arising of anomalous phenomena

478

00:18:11,669 --> 00:18:09,120

is perhaps the most astounding

479

00:18:13,510 --> 00:18:11,679

fascinating and bewildering aspect of

480

00:18:15,669 --> 00:18:13,520

this entire phenomenon

481

00:18:18,710 --> 00:18:15,679

and speaking of that i will address one

482

00:18:21,029 --> 00:18:18,720

particularly bizarre historical event

483

00:18:23,590 --> 00:18:21,039

where we saw this take place later in

484

00:18:25,830 --> 00:18:23,600

this podcast episode

485

00:18:28,549 --> 00:18:25,840

okay time for the next question which is

486

00:18:31,029 --> 00:18:28,559

worded as follows greetings from

487

00:18:33,270 --> 00:18:31,039

arkansas i enjoy the content of your

488

00:18:35,590 --> 00:18:33,280

podcast i have a question pertaining to

489

00:18:38,549 --> 00:18:35,600

something related to the phenomenon but

490

00:18:40,630 --> 00:18:38,559

geared more specifically to humans

491

00:18:42,789 --> 00:18:40,640

why is it in your opinion that so many

492

00:18:45,909 --> 00:18:42,799

people begin to forget their experiences

493

00:18:48,390 --> 00:18:45,919

with the uap phenomenon mere days after

494

00:18:49,430 --> 00:18:48,400

the interaction while others remember it

495

00:18:51,590 --> 00:18:49,440

clearly

496

00:18:54,070 --> 00:18:51,600

do you believe this is an intentionally

497

00:18:56,230 --> 00:18:54,080

directed psychological trick or an

498

00:18:58,950 --> 00:18:56,240

unintended reaction to time and

499

00:19:01,590 --> 00:18:58,960

dimensional disruptions

500

00:19:03,029 --> 00:19:01,600

great question and even in the

501
00:19:04,870 --> 00:19:03,039
body of the question there you can see

502
00:19:06,470 --> 00:19:04,880
that this person has already considered

503
00:19:08,789 --> 00:19:06,480
some possibilities

504
00:19:10,789 --> 00:19:08,799
dimensional disruptions being that

505
00:19:13,750 --> 00:19:10,799
because this happens outside of our

506
00:19:15,990 --> 00:19:13,760
normal flow of time and space it quickly

507
00:19:18,310 --> 00:19:16,000
loses its ability to be grounded into

508
00:19:20,310 --> 00:19:18,320
our reality after the fact

509
00:19:21,750 --> 00:19:20,320
that's a possibility

510
00:19:22,950 --> 00:19:21,760
some other possibilities we should

511
00:19:24,950 --> 00:19:22,960
consider

512
00:19:27,110 --> 00:19:24,960
one is genetic and physiological

513
00:19:29,110 --> 00:19:27,120

differences between people

514

00:19:32,150 --> 00:19:29,120

we know that researchers such as gary

515

00:19:34,950 --> 00:19:32,160

nolan have been studying actual physical

516

00:19:37,430 --> 00:19:34,960

differences in the brains of some people

517

00:19:40,470 --> 00:19:37,440

that allow them to seemingly perceive

518

00:19:42,230 --> 00:19:40,480

anomalous events more so than others

519

00:19:44,150 --> 00:19:42,240

so it may be that some people just have

520

00:19:46,710 --> 00:19:44,160

physiological differences that allow

521

00:19:49,669 --> 00:19:46,720

them to ground or experience these

522

00:19:51,909 --> 00:19:49,679

events more so than others

523

00:19:54,789 --> 00:19:51,919

another major factor from my point of

524

00:19:56,470 --> 00:19:54,799

view is contextual hooks in other words

525

00:19:58,470 --> 00:19:56,480

if you're never taught about this you've

526

00:20:01,590 --> 00:19:58,480

never heard about such things

527

00:20:03,430 --> 00:20:01,600

when you have these anomalous encounters

528

00:20:05,350 --> 00:20:03,440

it kind of gets stored away in some part

529

00:20:07,669 --> 00:20:05,360

of your brain where you can't really

530

00:20:09,430 --> 00:20:07,679

think about it or form long-term

531

00:20:11,669 --> 00:20:09,440

memories about it in some ways because

532

00:20:13,190 --> 00:20:11,679

it's so anomalous so it has nowhere to

533

00:20:15,830 --> 00:20:13,200

land so to speak

534

00:20:17,669 --> 00:20:15,840

no hook to be put on and grounded into

535

00:20:18,950 --> 00:20:17,679

your experience and your long-term

536

00:20:20,950 --> 00:20:18,960

memory

537

00:20:22,470 --> 00:20:20,960

this is especially the case when people

538

00:20:24,710 --> 00:20:22,480

aren't able to talk about such

539

00:20:26,549 --> 00:20:24,720

experiences with other people because

540

00:20:28,549 --> 00:20:26,559

that kind of social interaction that

541

00:20:31,110 --> 00:20:28,559

kind of sound boarding that other people

542

00:20:33,750 --> 00:20:31,120

offer us is a key part of the process to

543

00:20:35,590 --> 00:20:33,760

ground this into our memory

544

00:20:36,789 --> 00:20:35,600

this person also mentioned the

545

00:20:38,390 --> 00:20:36,799

possibility of this being a

546

00:20:40,310 --> 00:20:38,400

psychological trick

547

00:20:43,029 --> 00:20:40,320

perhaps that's definitely on the table

548

00:20:45,590 --> 00:20:43,039

as well and that could be two malevolent

549

00:20:48,390 --> 00:20:45,600

ends but i would also point out that

550

00:20:50,390 --> 00:20:48,400

this could also be a mercy because the

551
00:20:52,630 --> 00:20:50,400
conscious memory may be too much for

552
00:20:55,909 --> 00:20:52,640
some people and that's why the memory is

553
00:20:57,750 --> 00:20:55,919
wiped or covered over in some way

554
00:20:59,190 --> 00:20:57,760
we know that numerous experiencers have

555
00:21:02,310 --> 00:20:59,200
claimed that they have been allowed to

556
00:21:04,630 --> 00:21:02,320
remember more later on when they ask to

557
00:21:06,310 --> 00:21:04,640
remember more once these others are

558
00:21:09,750 --> 00:21:06,320
confident that these people will not

559
00:21:11,350 --> 00:21:09,760
respond like frantic spooked animals you

560
00:21:13,510 --> 00:21:11,360
could think about this like an animal

561
00:21:15,590 --> 00:21:13,520
that begins to trust human beings that

562
00:21:16,630 --> 00:21:15,600
are perhaps treating it in the wild and

563
00:21:19,590 --> 00:21:16,640

it gets to the point where they no

564

00:21:21,029 --> 00:21:19,600

longer have to tranquilize that animal

565

00:21:22,390 --> 00:21:21,039

i understand that's somewhat of a crude

566

00:21:24,470 --> 00:21:22,400

analogy and some people aren't

567

00:21:27,510 --> 00:21:24,480

comfortable with it but i'm just saying

568

00:21:28,870 --> 00:21:27,520

that's what some experiencers describe

569

00:21:31,669 --> 00:21:28,880

that as they develop more of a

570

00:21:33,909 --> 00:21:31,679

relational dynamic with these others

571

00:21:36,549 --> 00:21:33,919

they are permitted to remember more and

572

00:21:39,110 --> 00:21:36,559

they're told that this memory wipe this

573

00:21:40,390 --> 00:21:39,120

memory screening is done as a mercy for

574

00:21:41,830 --> 00:21:40,400

these people

575

00:21:44,310 --> 00:21:41,840

but i also think it's important to

576

00:21:46,310 --> 00:21:44,320

remember that this goes well beyond just

577

00:21:47,909 --> 00:21:46,320

whether or not people remember something

578

00:21:50,470 --> 00:21:47,919

that's anomalous

579

00:21:52,070 --> 00:21:50,480

we need to remember that these others

580

00:21:53,909 --> 00:21:52,080

some of them anyway because again

581

00:21:55,669 --> 00:21:53,919

there's probably numerous groups we're

582

00:21:58,390 --> 00:21:55,679

interacting with and we shouldn't make

583

00:22:00,470 --> 00:21:58,400

the mistake of conflating them all but

584

00:22:03,350 --> 00:22:00,480

some of them seem to have masterful

585

00:22:05,110 --> 00:22:03,360

control over our perceptions and even

586

00:22:07,190 --> 00:22:05,120

over our memories

587

00:22:09,110 --> 00:22:07,200

so there's two ways you could look at it

588

00:22:11,430 --> 00:22:09,120

either that some are remembering while

589

00:22:14,070 --> 00:22:11,440

others are forgetting or that some

590

00:22:16,470 --> 00:22:14,080

recall correctly that a certain event

591

00:22:18,870 --> 00:22:16,480

never happened while others falsely

592

00:22:21,270 --> 00:22:18,880

recall a non-event that was actually an

593

00:22:23,750 --> 00:22:21,280

implanted false memory

594

00:22:25,990 --> 00:22:23,760

that's possible what seems more likely

595

00:22:28,630 --> 00:22:26,000

however is that when a false memory is

596

00:22:30,710 --> 00:22:28,640

implanted it is to cover over something

597

00:22:32,710 --> 00:22:30,720

else that really did happen

598

00:22:35,510 --> 00:22:32,720

as in what we have often heard referred

599

00:22:38,470 --> 00:22:35,520

to as screen memories for instance when

600

00:22:41,909 --> 00:22:38,480

people remember seeing owls or deer or

601
00:22:44,230 --> 00:22:41,919
workmen on the road and only later under

602
00:22:46,390 --> 00:22:44,240
hypnotic regression for instance they

603
00:22:47,830 --> 00:22:46,400
gained additional clarity and they then

604
00:22:50,470 --> 00:22:47,840
realized that what was actually

605
00:22:52,950 --> 00:22:50,480
encountered was for instance a group of

606
00:22:55,190 --> 00:22:52,960
grey aliens

607
00:22:57,190 --> 00:22:55,200
okay on to our next question which is

608
00:22:59,270 --> 00:22:57,200
worded as follows

609
00:23:01,430 --> 00:22:59,280
can you elaborate on what materialist

610
00:23:03,590 --> 00:23:01,440
and reductionistic mean in the context

611
00:23:06,470 --> 00:23:03,600
of limitations of science

612
00:23:09,430 --> 00:23:06,480
are quantum particles material are the

613
00:23:11,190 --> 00:23:09,440

four fundamental forces material is

614

00:23:13,909 --> 00:23:11,200

explaining nature as quantum

615

00:23:16,149 --> 00:23:13,919

interactions reductionistic

616

00:23:18,390 --> 00:23:16,159

okay great question and yes you are

617

00:23:20,470 --> 00:23:18,400

right that i often say that that

618

00:23:23,350 --> 00:23:20,480

part of the problem with reductionistic

619

00:23:25,350 --> 00:23:23,360

materialistic science is that it would

620

00:23:27,190 --> 00:23:25,360

not allow for these kinds of

621

00:23:29,990 --> 00:23:27,200

interactions because they don't fit with

622

00:23:31,590 --> 00:23:30,000

a prevailing paradigm but what do i mean

623

00:23:34,870 --> 00:23:31,600

when i say materialist and

624

00:23:36,630 --> 00:23:34,880

reductionistic really this comes down to

625

00:23:38,870 --> 00:23:36,640

the tendency for

626
00:23:41,029 --> 00:23:38,880
scientific materialists to reduce

627
00:23:42,310 --> 00:23:41,039
everything to what ken wilbur has called

628
00:23:43,110 --> 00:23:42,320
flat land

629
00:23:45,190 --> 00:23:43,120
where

630
00:23:47,590 --> 00:23:45,200
while we have depth and breadth to

631
00:23:49,590 --> 00:23:47,600
reality and to human experience

632
00:23:51,990 --> 00:23:49,600
what science does is reduces it

633
00:23:54,230 --> 00:23:52,000
collapses it into a single

634
00:23:55,110 --> 00:23:54,240
one-dimensional surface that you can

635
00:23:57,430 --> 00:23:55,120
measure

636
00:23:59,750 --> 00:23:57,440
and it then goes one step further and

637
00:24:01,990 --> 00:23:59,760
says that all that really counts all

638
00:24:04,710 --> 00:24:02,000

that's really real is what you can

639

00:24:06,630 --> 00:24:04,720

measure at that collapsed surface level

640

00:24:09,430 --> 00:24:06,640

that's why it's reductionistic because

641

00:24:11,669 --> 00:24:09,440

it takes a multi-dimensional plurality

642

00:24:14,070 --> 00:24:11,679

and reduces it to something that's

643

00:24:15,750 --> 00:24:14,080

measurable and then on top of that

644

00:24:18,390 --> 00:24:15,760

assumes that only that which is

645

00:24:20,149 --> 00:24:18,400

measurable is actually real

646

00:24:22,630 --> 00:24:20,159

to make this point further i'd like to

647

00:24:25,669 --> 00:24:22,640

offer a few quotes and to be clear this

648

00:24:28,390 --> 00:24:25,679

reductionism happens all over the place

649

00:24:31,110 --> 00:24:28,400

it is rampant throughout the sciences

650

00:24:33,110 --> 00:24:31,120

for instance thomas nagle says quote

651

00:24:36,149 --> 00:24:33,120

physical chemical reductionism in

652

00:24:38,630 --> 00:24:36,159

biology is the orthodox view and any

653

00:24:41,669 --> 00:24:38,640

resistance to it is regarded as not only

654

00:24:43,669 --> 00:24:41,679

scientifically but politically incorrect

655

00:24:45,830 --> 00:24:43,679

but for a long time i have found the

656

00:24:48,149 --> 00:24:45,840

materialist account of how we and our

657

00:24:49,510 --> 00:24:48,159

fellow organisms came to exist

658

00:24:51,190 --> 00:24:49,520

hard to believe

659

00:24:53,590 --> 00:24:51,200

including the standard version of how

660

00:24:55,269 --> 00:24:53,600

the evolutionary process works

661

00:24:57,750 --> 00:24:55,279

the more details we learn about the

662

00:24:59,669 --> 00:24:57,760

chemical basis of life and the intricacy

663

00:25:01,669 --> 00:24:59,679

of the genetic code the more

664

00:25:04,470 --> 00:25:01,679

unbelievable the standard historical

665

00:25:06,630 --> 00:25:04,480

account becomes unquote

666

00:25:08,630 --> 00:25:06,640

terence mckenna said quote the

667

00:25:10,870 --> 00:25:08,640

intellectual tension that seems to work

668

00:25:13,350 --> 00:25:10,880

its way through this society almost like

669

00:25:15,990 --> 00:25:13,360

fat through meat is the tension between

670

00:25:18,710 --> 00:25:16,000

scientific reductionism and the deeply

671

00:25:20,710 --> 00:25:18,720

felt intuition of most people that there

672

00:25:23,909 --> 00:25:20,720

is a spiritual dimension or a hidden

673

00:25:26,870 --> 00:25:23,919

dimension or a transcendental dimension

674

00:25:28,390 --> 00:25:26,880

unquote and to be clear those aspects

675

00:25:30,630 --> 00:25:28,400

those hidden dimensions those

676
00:25:32,870 --> 00:25:30,640
transcendental dimensions even those

677
00:25:35,350 --> 00:25:32,880
spiritual dimensions are front and

678
00:25:37,029 --> 00:25:35,360
center with the ufo phenomenon and

679
00:25:39,830 --> 00:25:37,039
that's partly why so much of the

680
00:25:42,230 --> 00:25:39,840
experience or testimony specifically is

681
00:25:43,590 --> 00:25:42,240
completely dismissed by many many

682
00:25:45,990 --> 00:25:43,600
scientists

683
00:25:47,830 --> 00:25:46,000
making this point further t colin

684
00:25:50,390 --> 00:25:47,840
campbell said quote

685
00:25:52,630 --> 00:25:50,400
there's another pitfall of reductionism

686
00:25:55,350 --> 00:25:52,640
until scientists have the means to

687
00:25:58,310 --> 00:25:55,360
isolate and measure things they insist

688
00:26:01,190 --> 00:25:58,320

those things don't and can't exist and

689

00:26:03,750 --> 00:26:01,200

anyone who says otherwise is ignorant

690

00:26:05,269 --> 00:26:03,760

and superstitious unquote

691

00:26:07,990 --> 00:26:05,279

so again that's a big part of the

692

00:26:10,149 --> 00:26:08,000

problem that the assumption is not only

693

00:26:12,230 --> 00:26:10,159

that it can't be measured but because it

694

00:26:14,310 --> 00:26:12,240

can't be measured it can't be real it

695

00:26:17,350 --> 00:26:14,320

can't exist it must be some sort of

696

00:26:19,190 --> 00:26:17,360

psychological fancy or delusion

697

00:26:21,029 --> 00:26:19,200

finally i would like to add that part of

698

00:26:23,590 --> 00:26:21,039

the reason why i think there is so much

699

00:26:26,230 --> 00:26:23,600

resistance to these notions within the

700

00:26:29,190 --> 00:26:26,240

scientific establishment is because the

701
00:26:31,909 --> 00:26:29,200
implications of this phenomenon go so

702
00:26:34,230 --> 00:26:31,919
deep they really do call into question

703
00:26:37,110 --> 00:26:34,240
assumptions that are basically dogmatic

704
00:26:39,190 --> 00:26:37,120
assumptions held by most scientists and

705
00:26:41,909 --> 00:26:39,200
that's why to a large degree many of

706
00:26:44,470 --> 00:26:41,919
them will fight to the death to resist

707
00:26:46,950 --> 00:26:44,480
these kinds of notions these kinds of

708
00:26:49,830 --> 00:26:46,960
possibilities because it turns on its

709
00:26:53,029 --> 00:26:49,840
head their entire way of thinking

710
00:26:55,990 --> 00:26:53,039
viewing perceiving and making sense of

711
00:26:57,590 --> 00:26:56,000
the quote unquote real world

712
00:26:59,990 --> 00:26:57,600
all right we have time for one

713
00:27:02,230 --> 00:27:00,000

additional question in this round of the

714

00:27:04,230 --> 00:27:02,240

inquiring mind don't forget we'll do it

715

00:27:06,149 --> 00:27:04,240

again in about 10 episodes so if you

716

00:27:07,350 --> 00:27:06,159

have questions send them in i will try

717

00:27:09,750 --> 00:27:07,360

to get to them

718

00:27:11,029 --> 00:27:09,760

the question we end with is stated as

719

00:27:13,029 --> 00:27:11,039

follows

720

00:27:15,029 --> 00:27:13,039

i always appreciate how you seem to have

721

00:27:18,230 --> 00:27:15,039

your finger on the pulse of what's going

722

00:27:20,549 --> 00:27:18,240

on as much as anyone can anyway because

723

00:27:23,669 --> 00:27:20,559

as you say clarity is elusive when it

724

00:27:26,149 --> 00:27:23,679

comes to this ufo phenomenon topic

725

00:27:28,789 --> 00:27:26,159

but that said i'm curious as to what has

726

00:27:30,870 --> 00:27:28,799

really peaked your interest of late

727

00:27:32,830 --> 00:27:30,880

what element of the phenomenon has

728

00:27:34,470 --> 00:27:32,840

lately made your jaw

729

00:27:36,630 --> 00:27:34,480

drop

730

00:27:38,870 --> 00:27:36,640

interesting question and let me first

731

00:27:41,029 --> 00:27:38,880

say i'm frequently surprised by what i

732

00:27:42,870 --> 00:27:41,039

discover that even though i've been

733

00:27:45,350 --> 00:27:42,880

familiar with this literature for a long

734

00:27:47,430 --> 00:27:45,360

time while i've been familiar with the

735

00:27:50,230 --> 00:27:47,440

crossover between for instance the size

736

00:27:52,630 --> 00:27:50,240

spectrum or phenomena such as near-death

737

00:27:55,590 --> 00:27:52,640

experiences and out-of-body experiences

738

00:27:57,830 --> 00:27:55,600

and ufos and aliens i still do come

739

00:28:00,070 --> 00:27:57,840

across elements of the data that do

740

00:28:01,350 --> 00:28:00,080

surprise me that make me step back and

741

00:28:03,110 --> 00:28:01,360

really again

742

00:28:05,430 --> 00:28:03,120

wonder about the big picture wonder

743

00:28:07,350 --> 00:28:05,440

about what's going on and wonder what

744

00:28:10,070 --> 00:28:07,360

these revelations tell us about the

745

00:28:11,590 --> 00:28:10,080

nature of ultimate reality

746

00:28:13,830 --> 00:28:11,600

let me share one that i came across

747

00:28:15,269 --> 00:28:13,840

recently that again really did make my

748

00:28:17,590 --> 00:28:15,279

jaw drop

749

00:28:19,430 --> 00:28:17,600

i was reading about uri geller now as

750

00:28:22,710 --> 00:28:19,440

many of you probably already know uri

751

00:28:25,990 --> 00:28:22,720

geller is well known for his psi

752

00:28:28,149 --> 00:28:26,000

abilities he can manifest along the side

753

00:28:30,950 --> 00:28:28,159

spectrum to an astounding degree he's

754

00:28:33,190 --> 00:28:30,960

one of the most telekinetic telepathic

755

00:28:35,750 --> 00:28:33,200

people in the history of the world

756

00:28:37,750 --> 00:28:35,760

you may have seen him spoon bending or

757

00:28:39,669 --> 00:28:37,760

moving soccer balls with his mind with

758

00:28:41,190 --> 00:28:39,679

the help of others when it's clear he's

759

00:28:43,029 --> 00:28:41,200

not getting anywhere close to the table

760

00:28:44,870 --> 00:28:43,039

where a soccer ball is sitting

761

00:28:47,669 --> 00:28:44,880

he's famous for those kinds of

762

00:28:50,549 --> 00:28:47,679

demonstrations but it's not just on tv

763

00:28:53,190 --> 00:28:50,559

shows or call-in shows or podcasts that

764

00:28:55,669 --> 00:28:53,200

uri geller demonstrates these abilities

765

00:28:58,389 --> 00:28:55,679

he's also been studied in scientific

766

00:29:00,070 --> 00:28:58,399

circles and in governmental circles that

767

00:29:02,549 --> 00:29:00,080

are trying to get to the heart of what

768

00:29:05,110 --> 00:29:02,559

goes on here how is it that people seem

769

00:29:07,110 --> 00:29:05,120

to have these psi abilities and again

770

00:29:09,590 --> 00:29:07,120

uri geller is recognized even within

771

00:29:11,990 --> 00:29:09,600

governmental circles as one of the most

772

00:29:13,430 --> 00:29:12,000

psy capable people in the history of the

773

00:29:15,029 --> 00:29:13,440

world

774

00:29:17,190 --> 00:29:15,039

now in this one particular case i'm

775

00:29:19,830 --> 00:29:17,200

thinking about what happened was a

776

00:29:22,389 --> 00:29:19,840

regular was tasked with trying to

777

00:29:24,950 --> 00:29:22,399

interfere with or manipulate

778

00:29:26,710 --> 00:29:24,960

a laser that was being fired at a target

779

00:29:28,789 --> 00:29:26,720

that was the first of two experiments

780

00:29:31,269 --> 00:29:28,799

actually that were conducted with uri

781

00:29:33,590 --> 00:29:31,279

geller in the second test these

782

00:29:36,630 --> 00:29:33,600

scientists placed magnetic computer

783

00:29:39,350 --> 00:29:36,640

cards inside a lead container that was

784

00:29:41,750 --> 00:29:39,360

completely sealed off the question was

785

00:29:43,190 --> 00:29:41,760

could uri geller interfere with those

786

00:29:45,590 --> 00:29:43,200

cards

787

00:29:48,070 --> 00:29:45,600

now what they found was yes indeed uri

788

00:29:49,669 --> 00:29:48,080

geller was successful in both cases in

789

00:29:51,990 --> 00:29:49,679

both experiments

790

00:29:54,549 --> 00:29:52,000

but that's the less interesting aspect

791

00:29:55,830 --> 00:29:54,559

of this particular account partly

792

00:29:58,389 --> 00:29:55,840

because i already knew about uri

793

00:29:59,830 --> 00:29:58,399

geller's success in these psi areas

794

00:30:02,070 --> 00:29:59,840

again it's remarkable but i've heard

795

00:30:04,630 --> 00:30:02,080

about that many times before

796

00:30:07,590 --> 00:30:04,640

what was interesting was that

797

00:30:09,990 --> 00:30:07,600

to document this experiment

798

00:30:13,269 --> 00:30:10,000

these nuclear physicists were brought in

799

00:30:15,350 --> 00:30:13,279

to actually make notice of what happened

800

00:30:17,430 --> 00:30:15,360

perhaps try and come up with

801
00:30:19,190 --> 00:30:17,440
explanations for how irregular was doing

802
00:30:21,909 --> 00:30:19,200
it but mainly they were there to

803
00:30:24,789 --> 00:30:21,919
document scientifically what went on and

804
00:30:28,070 --> 00:30:24,799
to ensure there was no trickery involved

805
00:30:30,310 --> 00:30:28,080
so again the experiments ran uri geller

806
00:30:32,389 --> 00:30:30,320
showed his capacity in this area as he

807
00:30:34,389 --> 00:30:32,399
has done many times before

808
00:30:35,750 --> 00:30:34,399
what's fascinating about this account is

809
00:30:38,230 --> 00:30:35,760
what happened to those nuclear

810
00:30:40,549 --> 00:30:38,240
physicists afterwards

811
00:30:43,590 --> 00:30:40,559
now because these are nuclear physicists

812
00:30:45,430 --> 00:30:43,600
working in secure locations involving

813
00:30:47,510 --> 00:30:45,440

nuclear material and nuclear weapons

814

00:30:49,590 --> 00:30:47,520

often these people are watched quite

815

00:30:52,070 --> 00:30:49,600

closely because it is assumed that

816

00:30:54,149 --> 00:30:52,080

foreign adversaries may try to intercept

817

00:30:55,750 --> 00:30:54,159

these people to bring them into their

818

00:30:57,990 --> 00:30:55,760

programs because of their knowledge

819

00:31:00,149 --> 00:30:58,000

around nuclear weapons and such

820

00:31:03,750 --> 00:31:00,159

so these people these physicists are

821

00:31:05,750 --> 00:31:03,760

always asked to declare any strange

822

00:31:07,509 --> 00:31:05,760

events that have happened to them since

823

00:31:09,029 --> 00:31:07,519

they were last at work so basically

824

00:31:10,870 --> 00:31:09,039

every time they check in for work they

825

00:31:12,789 --> 00:31:10,880

have to give an account for anything

826

00:31:14,389 --> 00:31:12,799

strange that has occurred

827

00:31:16,149 --> 00:31:14,399

so what ended up happening to these

828

00:31:18,470 --> 00:31:16,159

nuclear physicists who just happened to

829

00:31:19,990 --> 00:31:18,480

be witnesses for uri geller's psi

830

00:31:22,310 --> 00:31:20,000

capacities

831

00:31:24,630 --> 00:31:22,320

well they seem to take home what's

832

00:31:27,029 --> 00:31:24,640

called hitchhiker phenomena in other

833

00:31:29,110 --> 00:31:27,039

words in their homes later that night

834

00:31:32,310 --> 00:31:29,120

and on into the week they would

835

00:31:34,549 --> 00:31:32,320

experience bizarre anomalous phenomena

836

00:31:37,350 --> 00:31:34,559

for instance a couple of these different

837

00:31:39,430 --> 00:31:37,360

physicists saw orbs floating in their

838

00:31:42,230 --> 00:31:39,440

hallway we've of course come across as

839

00:31:44,950 --> 00:31:42,240

many times after people experience ufos

840

00:31:47,590 --> 00:31:44,960

or alien contact in this case it was

841

00:31:49,830 --> 00:31:47,600

just scientists who happened to observe

842

00:31:52,710 --> 00:31:49,840

sign capacity demonstrated by a human

843

00:31:54,549 --> 00:31:52,720

being specifically uri geller

844

00:31:58,070 --> 00:31:54,559

another nuclear physicist recounted

845

00:32:00,630 --> 00:31:58,080

seeing a giant black raven manifest

846

00:32:03,990 --> 00:32:00,640

inside his bedroom at night

847

00:32:07,269 --> 00:32:04,000

even stranger still his wife also saw it

848

00:32:09,190 --> 00:32:07,279

a very large black raven perched at the

849

00:32:11,750 --> 00:32:09,200

end of their bed there was no open

850

00:32:12,950 --> 00:32:11,760

windows or open doors and both of them

851
00:32:16,230 --> 00:32:12,960
saw it

852
00:32:18,310 --> 00:32:16,240
in another case a severed limb an arm

853
00:32:21,029 --> 00:32:18,320
seemed to be floating in midair and

854
00:32:23,909 --> 00:32:21,039
rotating this was observed as well

855
00:32:26,389 --> 00:32:23,919
out of the blue these bizarre phenomena

856
00:32:29,029 --> 00:32:26,399
manifested either in the consciousness

857
00:32:31,269 --> 00:32:29,039
or in the consensus reality of these

858
00:32:33,509 --> 00:32:31,279
people and again on several occasions

859
00:32:35,269 --> 00:32:33,519
there was more than one witness to this

860
00:32:37,269 --> 00:32:35,279
this of course is called hitchhiker

861
00:32:39,909 --> 00:32:37,279
phenomena and we're very familiar with

862
00:32:41,269 --> 00:32:39,919
it in places like skinwalker ranch we

863
00:32:43,269 --> 00:32:41,279

talked about this when we discussed the

864

00:32:46,470 --> 00:32:43,279

skinwalkers at the pentagon book over

865

00:32:48,470 --> 00:32:46,480

two episodes not all that long ago

866

00:32:50,470 --> 00:32:48,480

but what i find particularly fascinating

867

00:32:53,029 --> 00:32:50,480

about this particular case and why it

868

00:32:56,470 --> 00:32:53,039

makes my jaw drop is there were no

869

00:32:59,909 --> 00:32:56,480

sasquatches involved there were no ufos

870

00:33:03,190 --> 00:32:59,919

no aliens involved no shadow people

871

00:33:04,310 --> 00:33:03,200

no reptilians no grey aliens

872

00:33:07,190 --> 00:33:04,320

none of it

873

00:33:09,509 --> 00:33:07,200

all that happened was a human being uri

874

00:33:12,710 --> 00:33:09,519

geller specifically was demonstrating

875

00:33:14,870 --> 00:33:12,720

psi capacity and this seemed to bring

876

00:33:17,269 --> 00:33:14,880

about a circumstance where hitchhiker

877

00:33:19,990 --> 00:33:17,279

phenomena attached to these nuclear

878

00:33:22,149 --> 00:33:20,000

physicists who were innocent bystanders

879

00:33:24,389 --> 00:33:22,159

basically they had no interest in these

880

00:33:26,070 --> 00:33:24,399

kind of anomalous activities they

881

00:33:28,470 --> 00:33:26,080

probably were the very reductionistic

882

00:33:30,549 --> 00:33:28,480

scientists we talked about not long ago

883

00:33:32,149 --> 00:33:30,559

and yet this still happened to them just

884

00:33:34,630 --> 00:33:32,159

because they were witnesses to what

885

00:33:36,630 --> 00:33:34,640

happened with uri geller

886

00:33:38,389 --> 00:33:36,640

now this is so fascinating how can we

887

00:33:40,549 --> 00:33:38,399

describe what's happening

888

00:33:42,870 --> 00:33:40,559

what is the cause and effect equation in

889

00:33:43,909 --> 00:33:42,880

a situation such as this

890

00:33:45,909 --> 00:33:43,919

there are a couple different

891

00:33:48,230 --> 00:33:45,919

possibilities that occurred to me

892

00:33:50,549 --> 00:33:48,240

on the one hand it could be that when

893

00:33:53,590 --> 00:33:50,559

someone like erie geller demonstrates

894

00:33:56,149 --> 00:33:53,600

this side capacity it somehow tears the

895

00:33:58,630 --> 00:33:56,159

space-time continuum and that this

896

00:34:01,029 --> 00:33:58,640

creates basically a wormhole or tear in

897

00:34:03,830 --> 00:34:01,039

the space-time fabric which just like at

898

00:34:05,990 --> 00:34:03,840

skinwalker ranch creates the possibility

899

00:34:08,710 --> 00:34:06,000

of a portal opening up through which

900

00:34:10,629 --> 00:34:08,720

then these other phenomena can manifest

901
00:34:12,069 --> 00:34:10,639
that could be what's going on here and

902
00:34:14,470 --> 00:34:12,079
of course that raises all sorts of

903
00:34:16,389 --> 00:34:14,480
interesting implications in terms of

904
00:34:19,109 --> 00:34:16,399
what's actually happening when human

905
00:34:20,790 --> 00:34:19,119
beings demonstrate side capacity

906
00:34:23,030 --> 00:34:20,800
another possibility that someone pointed

907
00:34:24,790 --> 00:34:23,040
out to me that's also intriguing is that

908
00:34:27,030 --> 00:34:24,800
perhaps this creates a kind of

909
00:34:29,829 --> 00:34:27,040
earthquake or perhaps we would call it a

910
00:34:32,470 --> 00:34:29,839
psyquake that reverberates in such a way

911
00:34:34,869 --> 00:34:32,480
that these entities perhaps even in

912
00:34:37,030 --> 00:34:34,879
different dimensions can pick up on it

913
00:34:39,669 --> 00:34:37,040

and they somehow attach to it

914

00:34:41,909 --> 00:34:39,679

either like a virus or with conscious

915

00:34:44,149 --> 00:34:41,919

intention it could work either way

916

00:34:45,589 --> 00:34:44,159

but as a result people who just happen

917

00:34:48,230 --> 00:34:45,599

to be in the vicinity end up

918

00:34:51,190 --> 00:34:48,240

experiencing these hitchhiker phenomena

919

00:34:54,310 --> 00:34:51,200

these anomalous events as a result

920

00:34:55,589 --> 00:34:54,320

truly is mind-bending and fascinating to

921

00:34:57,910 --> 00:34:55,599

the extreme

922

00:35:00,550 --> 00:34:57,920

the bottom line is when we consider

923

00:35:02,470 --> 00:35:00,560

these kinds of events that happen across

924

00:35:04,230 --> 00:35:02,480

time and across cultures to various

925

00:35:07,190 --> 00:35:04,240

people including those who have no

926
00:35:10,069 --> 00:35:07,200
belief no pre-existing conception of

927
00:35:13,190 --> 00:35:10,079
such events we're left to conclude that

928
00:35:15,750 --> 00:35:13,200
we are entering uncharted waters

929
00:35:18,390 --> 00:35:15,760
to quote from the original matrix film

930
00:35:20,710 --> 00:35:18,400
buckle your seat dorothy because kansas

931
00:35:22,950 --> 00:35:20,720
is going bye-bye

932
00:35:24,630 --> 00:35:22,960
and on that note we've come to the close

933
00:35:26,950 --> 00:35:24,640
of another edition of the point of
