

# Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #54

*Into the Den of Destiny:  
Terry Lovelace's Startling  
Revelations of Human Life  
Framed by Alien Visitation*

ON YOUTUBE & YOUR FAVORITE  
PODCASTING PLATFORM

1  
00:00:02,860 --> 00:00:07,829

[Music]

2  
00:00:13,749 --> 00:00:11,270

hello and welcome to episode number 54

3  
00:00:17,990 --> 00:00:13,759

of the point of convergence podcast as

4  
00:00:19,990 --> 00:00:18,000

always i am your host exo academian

5  
00:00:22,310 --> 00:00:20,000

over the last several months we've been

6  
00:00:25,029 --> 00:00:22,320

discussing how the totality of the data

7  
00:00:27,429 --> 00:00:25,039

behind the ufo phenomenon may include

8  
00:00:30,070 --> 00:00:27,439

different patterns that perhaps suggest

9  
00:00:33,030 --> 00:00:30,080

that different actors and agendas serve

10  
00:00:35,190 --> 00:00:33,040

as distinct parts of that whole

11  
00:00:38,069 --> 00:00:35,200

distinguishing segments within the meta

12  
00:00:40,389 --> 00:00:38,079

category known as the ufo phenomenon can

13  
00:00:42,709 --> 00:00:40,399

perhaps help us to better understand

14

00:00:45,270 --> 00:00:42,719

what's actually going on

15

00:00:47,990 --> 00:00:45,280

within that totality for instance is a

16

00:00:49,830 --> 00:00:48,000

subsection of data involving apparent

17

00:00:52,069 --> 00:00:49,840

alien abduction

18

00:00:54,950 --> 00:00:52,079

here we're speaking about human beings

19

00:00:57,830 --> 00:00:54,960

first encountering evidently non-human

20

00:01:00,709 --> 00:00:57,840

corporeal entities in their homes as

21

00:01:03,430 --> 00:01:00,719

well as elsewhere and subsequently being

22

00:01:05,750 --> 00:01:03,440

taken by these aliens on board what

23

00:01:07,270 --> 00:01:05,760

appeared to be spacecraft

24

00:01:09,750 --> 00:01:07,280

once on board these apparent

25

00:01:12,390 --> 00:01:09,760

otherworldly craft these individuals

26

00:01:14,710 --> 00:01:12,400

often find that strange invasive and

27

00:01:17,749 --> 00:01:14,720

frequently uncomfortable medical

28

00:01:19,590 --> 00:01:17,759

procedures are performed

29

00:01:21,350 --> 00:01:19,600

while medical treatment for various

30

00:01:24,070 --> 00:01:21,360

conditions that may be ailing these

31

00:01:26,310 --> 00:01:24,080

abductees is sometimes the goal

32

00:01:28,789 --> 00:01:26,320

much more often the medical procedures

33

00:01:30,550 --> 00:01:28,799

seem to revolve around some kind of vast

34

00:01:32,870 --> 00:01:30,560

reproductive scheme

35

00:01:35,670 --> 00:01:32,880

often as part of what appears to be a

36

00:01:38,149 --> 00:01:35,680

wide reaching hybridization program

37

00:01:40,710 --> 00:01:38,159

where offspring who are part human and

38

00:01:43,749 --> 00:01:40,720

part gray alien appeared to be being

39

00:01:45,429 --> 00:01:43,759

bred and then raised by these non-human

40

00:01:47,510 --> 00:01:45,439

others

41

00:01:49,990 --> 00:01:47,520

the data we've gathered over the decades

42

00:01:51,910 --> 00:01:50,000

on these kinds of encounters also

43

00:01:55,109 --> 00:01:51,920

suggests that these interactions between

44

00:01:57,990 --> 00:01:55,119

these non-human alien others and usually

45

00:01:59,910 --> 00:01:58,000

individual human beings begin early in

46

00:02:02,310 --> 00:01:59,920

childhood even though it's sometimes

47

00:02:04,789 --> 00:02:02,320

only in adulthood that these early

48

00:02:06,550 --> 00:02:04,799

memories are successfully retrieved

49

00:02:09,270 --> 00:02:06,560

sometimes as a result of some kind of

50

00:02:11,190 --> 00:02:09,280

triggering associative event or via the

51  
00:02:13,670 --> 00:02:11,200  
aid of therapeutic tools such as

52  
00:02:15,589 --> 00:02:13,680  
hypnotic regression

53  
00:02:17,910 --> 00:02:15,599  
these particular kinds of experience for

54  
00:02:19,830 --> 00:02:17,920  
accounts are widespread

55  
00:02:22,309 --> 00:02:19,840  
the fact that these particular alien

56  
00:02:24,949 --> 00:02:22,319  
abduction experiences share so many

57  
00:02:27,110 --> 00:02:24,959  
common data points suggest we can really

58  
00:02:29,830 --> 00:02:27,120  
learn a lot by really embarking on a

59  
00:02:31,670 --> 00:02:29,840  
close examination of the evidence

60  
00:02:34,309 --> 00:02:31,680  
and that's precisely what we'll be doing

61  
00:02:36,390 --> 00:02:34,319  
over the next several episodes

62  
00:02:38,309 --> 00:02:36,400  
to begin that process we'll be delving

63  
00:02:40,309 --> 00:02:38,319

into a specific case that fits well

64

00:02:42,790 --> 00:02:40,319

within the boundaries of this particular

65

00:02:44,630 --> 00:02:42,800

kind of experience for account

66

00:02:46,869 --> 00:02:44,640

terry lovelace is a man who's

67

00:02:48,390 --> 00:02:46,879

encountered these grey aliens since

68

00:02:50,949 --> 00:02:48,400

childhood

69

00:02:53,830 --> 00:02:50,959

that ongoing but usually intermittent

70

00:02:56,309 --> 00:02:53,840

interaction took a shocking turn when he

71

00:02:58,470 --> 00:02:56,319

was a young man in the military

72

00:03:01,030 --> 00:02:58,480

events in one particular scenario

73

00:03:01,910 --> 00:03:01,040

depicted in his book incident at delos

74

00:03:04,229 --> 00:03:01,920

den

75

00:03:06,390 --> 00:03:04,239

seem to suggest these alien graves have

76

00:03:09,990 --> 00:03:06,400

wielded an alarming and overarching

77

00:03:12,710 --> 00:03:10,000

control over his behavior intentions

78

00:03:15,190 --> 00:03:12,720

perception and memory

79

00:03:18,149 --> 00:03:15,200

a deep dive into the astonishing but

80

00:03:20,869 --> 00:03:18,159

revealing and all too familiar case of

81

00:03:24,149 --> 00:03:20,879

terry lovelace alien abductee

82

00:03:28,250 --> 00:03:24,159

is the topic of this the 54th episode of

83

00:03:33,670 --> 00:03:31,430

[Music]

84

00:03:35,670 --> 00:03:33,680

as we begin this week's episode i would

85

00:03:37,910 --> 00:03:35,680

just like to state again that we

86

00:03:40,630 --> 00:03:37,920

shouldn't prematurely assume that

87

00:03:43,030 --> 00:03:40,640

superficial differences equate the clear

88

00:03:44,550 --> 00:03:43,040

demarcation of distinct patterns

89

00:03:46,470 --> 00:03:44,560

revealing different groups with

90

00:03:47,910 --> 00:03:46,480

different agendas within the ufo

91

00:03:49,830 --> 00:03:47,920

phenomenon

92

00:03:52,470 --> 00:03:49,840

but nevertheless it is a worthwhile

93

00:03:54,949 --> 00:03:52,480

endeavor to as we pursue the totality of

94

00:03:56,710 --> 00:03:54,959

the data to keep our eye out for such

95

00:03:59,509 --> 00:03:56,720

possibilities

96

00:04:01,509 --> 00:03:59,519

and speaking of perusing the data we're

97

00:04:04,229 --> 00:04:01,519

going to discuss an alien abduction

98

00:04:06,070 --> 00:04:04,239

account today and go into in some detail

99

00:04:08,309 --> 00:04:06,080

over a couple of different episodes

100

00:04:10,630 --> 00:04:08,319

actually because i really want to focus

101  
00:04:12,390 --> 00:04:10,640  
in on this kind of case because there

102  
00:04:14,869 --> 00:04:12,400  
are so many like it there are so many

103  
00:04:17,110 --> 00:04:14,879  
common data points as i pointed out in

104  
00:04:19,270 --> 00:04:17,120  
the introduction

105  
00:04:21,909 --> 00:04:19,280  
now we're talking today about terry

106  
00:04:24,469 --> 00:04:21,919  
lovelace and his account much of this is

107  
00:04:25,590 --> 00:04:24,479  
recorded in his book incident at devil's

108  
00:04:27,909 --> 00:04:25,600  
den

109  
00:04:29,590 --> 00:04:27,919  
this book recounts an astonishing case

110  
00:04:31,830 --> 00:04:29,600  
of alien abduction

111  
00:04:34,790 --> 00:04:31,840  
along with a subsequently intense

112  
00:04:36,950 --> 00:04:34,800  
investigation by the usaf office of

113  
00:04:39,110 --> 00:04:36,960

special investigations

114

00:04:41,189 --> 00:04:39,120

now who is terry lovelace

115

00:04:42,870 --> 00:04:41,199

he is yet another one of the countless

116

00:04:45,030 --> 00:04:42,880

people all around the world who have

117

00:04:47,110 --> 00:04:45,040

endured these experiences these are

118

00:04:49,749 --> 00:04:47,120

average people it happens to a wide

119

00:04:52,310 --> 00:04:49,759

swath of our population

120

00:04:54,550 --> 00:04:52,320

in lovelace's case after his time in the

121

00:04:57,749 --> 00:04:54,560

military he would go on to a successful

122

00:04:59,510 --> 00:04:57,759

career in law as a felony prosecutor

123

00:05:01,990 --> 00:04:59,520

eventually becoming an assistant

124

00:05:05,110 --> 00:05:02,000

attorney general for the u.s territory

125

00:05:08,150 --> 00:05:05,120

of american samoa and state's attorney

126

00:05:10,150 --> 00:05:08,160

for vermont's board of medical practice

127

00:05:12,310 --> 00:05:10,160

that's what he went on to do after his

128

00:05:14,710 --> 00:05:12,320

time in the military

129

00:05:17,430 --> 00:05:14,720

but we want to begin this investigation

130

00:05:20,390 --> 00:05:17,440

the coverage of this case by focusing in

131

00:05:21,670 --> 00:05:20,400

on lovelace's childhood and an incident

132

00:05:24,629 --> 00:05:21,680

that happened while he was in the

133

00:05:27,270 --> 00:05:24,639

military again recounted in his book

134

00:05:29,590 --> 00:05:27,280

incident at devil's den

135

00:05:31,590 --> 00:05:29,600

now in this book lovelace actually jumps

136

00:05:33,830 --> 00:05:31,600

around a fair bit but i think it's

137

00:05:36,150 --> 00:05:33,840

helpful to retell the events in

138

00:05:38,150 --> 00:05:36,160

chronological order because it helps us

139

00:05:40,790 --> 00:05:38,160

understand what actually happened in

140

00:05:43,510 --> 00:05:40,800

terms of the timeline

141

00:05:45,670 --> 00:05:43,520

now for Lovelace this began in childhood

142

00:05:48,390 --> 00:05:45,680

as it does for many abductees and

143

00:05:51,029 --> 00:05:48,400

contactees in Lovelace's case when he

144

00:05:53,189 --> 00:05:51,039

was a child in the 1960s he would

145

00:05:55,430 --> 00:05:53,199

experience what he called monkey men

146

00:05:58,390 --> 00:05:55,440

suddenly appearing in his room these

147

00:06:00,469 --> 00:05:58,400

were small beings clearly not human that

148

00:06:02,790 --> 00:06:00,479

he believed in retrospect were grey

149

00:06:04,950 --> 00:06:02,800

aliens but they would wear a strange

150

00:06:07,110 --> 00:06:04,960

disguise trying to appear something like

151  
00:06:09,189 --> 00:06:07,120  
monkeys apparently because they thought

152  
00:06:10,710 --> 00:06:09,199  
that would scare him less

153  
00:06:13,110 --> 00:06:10,720  
now speaking of that part of the

154  
00:06:15,270 --> 00:06:13,120  
interesting dilemma we run into when we

155  
00:06:18,150 --> 00:06:15,280  
think about encounters between human

156  
00:06:20,070 --> 00:06:18,160  
beings and these alien others is how

157  
00:06:23,270 --> 00:06:20,080  
often they seem to have sometimes it

158  
00:06:26,550 --> 00:06:23,280  
appears a not very robust understanding

159  
00:06:28,629 --> 00:06:26,560  
of human behavior and human psychology

160  
00:06:31,189 --> 00:06:28,639  
one can't help but wonder why they don't

161  
00:06:33,749 --> 00:06:31,199  
appear differently so as to not surprise

162  
00:06:35,909 --> 00:06:33,759  
us not to shock us so much

163  
00:06:37,110 --> 00:06:35,919

perhaps this is because they just are so

164

00:06:39,189 --> 00:06:37,120

different than us

165

00:06:40,629 --> 00:06:39,199

and don't understand our psychology even

166

00:06:43,189 --> 00:06:40,639

after this much time when they've been

167

00:06:45,029 --> 00:06:43,199

studying us again perhaps this is not

168

00:06:47,590 --> 00:06:45,039

surprising considering we're a different

169

00:06:49,110 --> 00:06:47,600

species entirely but let me quote from a

170

00:06:51,430 --> 00:06:49,120

section in the book where Lovelace

171

00:06:53,430 --> 00:06:51,440

recounts being interrogated by his

172

00:06:55,510 --> 00:06:53,440

mother after he had one of these

173

00:06:58,469 --> 00:06:55,520

encounters with these monkey men who

174

00:07:00,469 --> 00:06:58,479

were actually small grey aliens

175

00:07:03,189 --> 00:07:00,479

quoting from the book quote

176

00:07:05,430 --> 00:07:03,199

apologetically i began mom i'm sorry

177

00:07:07,350 --> 00:07:05,440

about last night it just scared me so

178

00:07:09,189 --> 00:07:07,360

bad she said

179

00:07:11,029 --> 00:07:09,199

terry i need you to tell me about these

180

00:07:13,589 --> 00:07:11,039

nightmares so your dad and i can help

181

00:07:14,550 --> 00:07:13,599

you what do these monkeys do that scares

182

00:07:16,550 --> 00:07:14,560

you

183

00:07:18,629 --> 00:07:16,560

mom they want me to come with them like

184

00:07:20,870 --> 00:07:18,639

i told you before there are four of them

185

00:07:23,589 --> 00:07:20,880

and they're all wearing a mask they all

186

00:07:25,430 --> 00:07:23,599

wear the same mask too i said trying to

187

00:07:28,150 --> 00:07:25,440

explain something so bizarre with a

188

00:07:30,710 --> 00:07:28,160

limited vocabulary of an eight-year-old

189

00:07:33,029 --> 00:07:30,720

she pleaded help me understand are you

190

00:07:35,589 --> 00:07:33,039

afraid of all monkeys like the ones at

191

00:07:37,909 --> 00:07:35,599

the zoo or monkeys on the tv

192

00:07:39,909 --> 00:07:37,919

no mom it's just these four same monkeys

193

00:07:42,070 --> 00:07:39,919

that come in my room they look like real

194

00:07:44,550 --> 00:07:42,080

monkeys but not like on tv

195

00:07:47,110 --> 00:07:44,560

these are the monkey men the monkey men

196

00:07:49,350 --> 00:07:47,120

scare me they want me to go with them

197

00:07:51,350 --> 00:07:49,360

sometimes i think i'll go sometimes i

198

00:07:52,469 --> 00:07:51,360

even think i went with them before i

199

00:07:54,469 --> 00:07:52,479

said

200

00:07:56,790 --> 00:07:54,479

my mother pressed on but you know

201  
00:07:58,390 --> 00:07:56,800  
monkeys can't hurt you have you tried

202  
00:07:59,909 --> 00:07:58,400  
telling them to go away

203  
00:08:02,390 --> 00:07:59,919  
you just tell them you don't want to

204  
00:08:04,230 --> 00:08:02,400  
play with them anymore you can do that

205  
00:08:07,510 --> 00:08:04,240  
you can tell them to leave you alone and

206  
00:08:10,230 --> 00:08:07,520  
order them to get out you can do that

207  
00:08:12,469 --> 00:08:10,240  
okay mama i'll try i'll tell them to get

208  
00:08:14,070 --> 00:08:12,479  
out of my room and leave me alone i'm

209  
00:08:15,589 --> 00:08:14,080  
afraid that they might take me away with

210  
00:08:16,390 --> 00:08:15,599  
them and i might not be able to come

211  
00:08:18,230 --> 00:08:16,400  
home

212  
00:08:21,189 --> 00:08:18,240  
i was crying now

213  
00:08:22,710 --> 00:08:21,199

honey i i don't know you just must try

214

00:08:24,950 --> 00:08:22,720

we'll leave the hall light on at night

215

00:08:27,430 --> 00:08:24,960

now but you can't sleep with mom and dad

216

00:08:29,749 --> 00:08:27,440

anymore it's not fair to wake up your

217

00:08:31,029 --> 00:08:29,759

sisters by screaming either

218

00:08:32,790 --> 00:08:31,039

unquote

219

00:08:33,589 --> 00:08:32,800

now in that small section i just read

220

00:08:36,070 --> 00:08:33,599

from

221

00:08:38,149 --> 00:08:36,080

we understand how difficult this must

222

00:08:39,990 --> 00:08:38,159

have been for a young terry for an

223

00:08:42,630 --> 00:08:40,000

eight-year-old to try to explain to his

224

00:08:44,790 --> 00:08:42,640

mother what's really been going on

225

00:08:46,310 --> 00:08:44,800

parents it seems sometimes think that

226

00:08:48,949 --> 00:08:46,320

children going through these kinds of

227

00:08:49,990 --> 00:08:48,959

things are confusing fantasy with

228

00:08:51,990 --> 00:08:50,000

reality

229

00:08:54,310 --> 00:08:52,000

the parents assume perhaps he's watched

230

00:08:57,350 --> 00:08:54,320

tv that he shouldn't have seen too many

231

00:08:59,430 --> 00:08:57,360

sci-fi shows or been scared by monkeys

232

00:09:01,750 --> 00:08:59,440

he's seen at the zoo and that this is

233

00:09:03,110 --> 00:09:01,760

coming into his nightmares manifesting

234

00:09:05,430 --> 00:09:03,120

as nightmares

235

00:09:07,590 --> 00:09:05,440

but he clearly is cogent here he's

236

00:09:09,670 --> 00:09:07,600

saying no this is not a nightmare this

237

00:09:11,190 --> 00:09:09,680

is happening in my manifest reality

238

00:09:13,509 --> 00:09:11,200

again though that he doesn't have those

239

00:09:15,030 --> 00:09:13,519

terms to use this is what he's trying to

240

00:09:17,190 --> 00:09:15,040

explain to her

241

00:09:18,790 --> 00:09:17,200

but in her response and even more so in

242

00:09:20,870 --> 00:09:18,800

his father's response that we'll see

243

00:09:23,190 --> 00:09:20,880

later it's clear that they're getting

244

00:09:25,750 --> 00:09:23,200

frustrated because they already are a

245

00:09:27,750 --> 00:09:25,760

priori assuming these events can't be

246

00:09:30,550 --> 00:09:27,760

happening as they've been described as

247

00:09:33,110 --> 00:09:30,560

happening by this eight-year-old

248

00:09:35,350 --> 00:09:33,120

so terry like many children in his place

249

00:09:37,430 --> 00:09:35,360

over the course of history is between a

250

00:09:40,150 --> 00:09:37,440

rock and a hard place he desperately

251  
00:09:42,150 --> 00:09:40,160  
wants help he wants understanding but he

252  
00:09:44,070 --> 00:09:42,160  
also doesn't want to upset his parents

253  
00:09:46,949 --> 00:09:44,080  
anymore knowing that they already

254  
00:09:49,110 --> 00:09:46,959  
believe he is mistaking fantasy for

255  
00:09:51,430 --> 00:09:49,120  
reality and just causing too much

256  
00:09:52,949 --> 00:09:51,440  
familial disruption

257  
00:09:55,750 --> 00:09:52,959  
but i want you to think about the

258  
00:09:57,670 --> 00:09:55,760  
setting 1960s americana

259  
00:09:59,829 --> 00:09:57,680  
and what it must be like for terry when

260  
00:10:01,670 --> 00:09:59,839  
he has these kinds of experiences

261  
00:10:04,550 --> 00:10:01,680  
and that cues the next experience we're

262  
00:10:06,470 --> 00:10:04,560  
going to discuss when he sees a ufo in

263  
00:10:08,710 --> 00:10:06,480

broad daylight

264

00:10:10,630 --> 00:10:08,720

quitting from the book again quote

265

00:10:13,750 --> 00:10:10,640

i was in the backyard shooting arrows

266

00:10:15,829 --> 00:10:13,760

into a block of hay i was proud this was

267

00:10:18,150 --> 00:10:15,839

an adult bow and arrow set for target

268

00:10:20,069 --> 00:10:18,160

shooting looking back i'd never give one

269

00:10:21,910 --> 00:10:20,079

of my children such a lethal weapon when

270

00:10:24,870 --> 00:10:21,920

they were eight it really was a

271

00:10:26,470 --> 00:10:24,880

different time in so many ways back then

272

00:10:28,790 --> 00:10:26,480

while i was loading an arrow's notch

273

00:10:31,350 --> 00:10:28,800

onto my bowstring i saw a dark shadow

274

00:10:33,269 --> 00:10:31,360

move across the grass under my feet

275

00:10:35,590 --> 00:10:33,279

i assumed it was a cloud

276

00:10:38,069 --> 00:10:35,600

but the shadow made a perfect circle i

277

00:10:40,870 --> 00:10:38,079

looked up there was a large silver disc

278

00:10:42,550 --> 00:10:40,880

shaped object directly over my head

279

00:10:45,590 --> 00:10:42,560

i was dumbstruck

280

00:10:47,509 --> 00:10:45,600

my eyes tried to take in all the details

281

00:10:49,829 --> 00:10:47,519

my mind raced through everything i knew

282

00:10:52,550 --> 00:10:49,839

about things that could fly

283

00:10:54,550 --> 00:10:52,560

what could this be could it hurt me

284

00:10:56,790 --> 00:10:54,560

airplanes and helicopters i immediately

285

00:10:59,030 --> 00:10:56,800

dismissed the only thing left on my

286

00:11:01,910 --> 00:10:59,040

mental checklist was perhaps a balloon

287

00:11:04,069 --> 00:11:01,920

or dirigible of some sort

288

00:11:06,790 --> 00:11:04,079

but balloons are not made of aluminum

289

00:11:08,630 --> 00:11:06,800

and dirigibles aren't round

290

00:11:10,150 --> 00:11:08,640

balloons don't sit perfectly still in

291

00:11:11,750 --> 00:11:10,160

the spring breeze

292

00:11:14,790 --> 00:11:11,760

whatever this was it was something i'd

293

00:11:16,870 --> 00:11:14,800

never seen before i was overwhelmed it

294

00:11:18,949 --> 00:11:16,880

was exciting too

295

00:11:20,630 --> 00:11:18,959

this thing made no noise and wobbled

296

00:11:22,710 --> 00:11:20,640

slightly in the breeze

297

00:11:24,230 --> 00:11:22,720

i'd estimate it was no more than 50 feet

298

00:11:26,389 --> 00:11:24,240

over my head

299

00:11:28,389 --> 00:11:26,399

for some odd reason i felt compelled to

300

00:11:30,790 --> 00:11:28,399

put down my bow and lie down on the

301  
00:11:32,550 --> 00:11:30,800  
freshly mowed lawn and stare up at the

302  
00:11:34,710 --> 00:11:32,560  
thing for a better view

303  
00:11:36,949 --> 00:11:34,720  
in hindsight of course that made no

304  
00:11:39,030 --> 00:11:36,959  
sense but that's what i did and that

305  
00:11:40,949 --> 00:11:39,040  
puzzles me to this day

306  
00:11:43,110 --> 00:11:40,959  
this thing was amazingly beautiful it

307  
00:11:45,750 --> 00:11:43,120  
was shiny and gorgeous in the way a

308  
00:11:48,150 --> 00:11:45,760  
brand new sports car is gorgeous

309  
00:11:49,990 --> 00:11:48,160  
i called the body silver at the time it

310  
00:11:52,550 --> 00:11:50,000  
could have been highly polished aluminum

311  
00:11:54,710 --> 00:11:52,560  
or god knows what its edges curled

312  
00:11:56,389 --> 00:11:54,720  
upward but otherwise it was perfectly

313  
00:11:58,389 --> 00:11:56,399

flat like a pancake

314

00:12:00,150 --> 00:11:58,399

i remember being sorely disappointed i

315

00:12:02,470 --> 00:12:00,160

couldn't see the top of it

316

00:12:04,629 --> 00:12:02,480

i wanted to see if there were windows

317

00:12:06,389 --> 00:12:04,639

on a bottom there were no openings or

318

00:12:08,470 --> 00:12:06,399

doorways of any kind

319

00:12:10,629 --> 00:12:08,480

no seams or rivets

320

00:12:13,430 --> 00:12:10,639

there wasn't an exhaust pipe there was

321

00:12:17,990 --> 00:12:13,440

nothing printed on it i expected to see

322

00:12:20,550 --> 00:12:18,000

usaf or even cccp painted on the bottom

323

00:12:22,629 --> 00:12:20,560

there were no insignias or numbers

324

00:12:25,190 --> 00:12:22,639

the bottom was one seamless piece of

325

00:12:27,509 --> 00:12:25,200

shiny metal having assembled more than a

326

00:12:29,350 --> 00:12:27,519

few plastic model planes i had a vague

327

00:12:30,389 --> 00:12:29,360

idea of how mechanical things were put

328

00:12:31,990 --> 00:12:30,399

together

329

00:12:33,509 --> 00:12:32,000

i thought there should be rivets or

330

00:12:35,350 --> 00:12:33,519

seams visible

331

00:12:36,790 --> 00:12:35,360

whatever this was it had to have been

332

00:12:38,629 --> 00:12:36,800

put together

333

00:12:40,150 --> 00:12:38,639

i wish there were windows so i could see

334

00:12:41,509 --> 00:12:40,160

who was driving

335

00:12:42,949 --> 00:12:41,519

there could be a dome or something

336

00:12:44,389 --> 00:12:42,959

sitting on the top

337

00:12:47,509 --> 00:12:44,399

where did the wheels come down if it

338

00:12:49,590 --> 00:12:47,519

wants to land my mind continued racing

339

00:12:52,470 --> 00:12:49,600

this is anecdotal but there was an odd

340

00:12:55,430 --> 00:12:52,480

static electric charge in the air i felt

341

00:12:57,509 --> 00:12:55,440

the fine hairs on my forearms stand up

342

00:12:59,350 --> 00:12:57,519

i could smell the freshly mowed grass

343

00:13:01,190 --> 00:12:59,360

and ionized air

344

00:13:03,670 --> 00:13:01,200

it was the scent of fresh air after a

345

00:13:05,350 --> 00:13:03,680

thunderstorm mixed with the sweet smell

346

00:13:07,190 --> 00:13:05,360

of the cut grass

347

00:13:08,790 --> 00:13:07,200

there was a change in the acoustics as

348

00:13:10,550 --> 00:13:08,800

well i remember that the whole

349

00:13:12,949 --> 00:13:10,560

neighborhood was silent

350

00:13:15,670 --> 00:13:12,959

there were no cars or tvs blaring from

351  
00:13:17,829 --> 00:13:15,680  
open windows there was nothing

352  
00:13:20,389 --> 00:13:17,839  
i lay flat on my back looking up with a

353  
00:13:22,949 --> 00:13:20,399  
mixture of fear and amazement this was

354  
00:13:25,350 --> 00:13:22,959  
something new it was broad daylight in a

355  
00:13:27,350 --> 00:13:25,360  
neighborhood usually full of children

356  
00:13:29,590 --> 00:13:27,360  
surely dozens of people were staring at

357  
00:13:32,069 --> 00:13:29,600  
this thing just like me at that very

358  
00:13:33,990 --> 00:13:32,079  
minute unquote

359  
00:13:36,069 --> 00:13:34,000  
now this section i just read from

360  
00:13:38,870 --> 00:13:36,079  
demonstrates just how bizarre how

361  
00:13:40,550 --> 00:13:38,880  
amazing these incidents can be

362  
00:13:42,550 --> 00:13:40,560  
because this is happening in broad

363  
00:13:44,310 --> 00:13:42,560

daylight when there are undoubtedly

364

00:13:46,150 --> 00:13:44,320

other people around including other

365

00:13:48,470 --> 00:13:46,160

children in the neighborhood

366

00:13:50,710 --> 00:13:48,480

and not surprisingly a young terry

367

00:13:52,629 --> 00:13:50,720

lovelace assumes that other people are

368

00:13:54,710 --> 00:13:52,639

seeing this as well

369

00:13:57,670 --> 00:13:54,720

we should also note here the smell of

370

00:13:59,430 --> 00:13:57,680

ionization and a sense of a magnetic

371

00:14:01,350 --> 00:13:59,440

charge in the air

372

00:14:03,590 --> 00:14:01,360

all of these elements are quite common

373

00:14:06,389 --> 00:14:03,600

in these kinds of experiences

374

00:14:08,870 --> 00:14:06,399

now speaking of that people like dr hal

375

00:14:10,550 --> 00:14:08,880

put up when discussing these specific

376

00:14:13,030 --> 00:14:10,560

kinds of elements that are common to

377

00:14:15,670 --> 00:14:13,040

these kinds of cases have suggested that

378

00:14:18,069 --> 00:14:15,680

perhaps time has been slowed at this

379

00:14:21,430 --> 00:14:18,079

point by these others which effectively

380

00:14:23,509 --> 00:14:21,440

makes the ufo invisible to others but

381

00:14:25,269 --> 00:14:23,519

that manipulation of the environment

382

00:14:27,189 --> 00:14:25,279

shows up in the way that people who are

383

00:14:29,750 --> 00:14:27,199

experiencers pick up that kind of

384

00:14:31,990 --> 00:14:29,760

ionized smell and that magnetic charge

385

00:14:35,030 --> 00:14:32,000

and the fact that the surroundings seem

386

00:14:37,590 --> 00:14:35,040

suddenly uncannily silent

387

00:14:39,509 --> 00:14:37,600

now in regards to put off's hypothesis

388

00:14:40,949 --> 00:14:39,519

that perhaps they are slowing time in

389

00:14:42,870 --> 00:14:40,959

these situations

390

00:14:45,910 --> 00:14:42,880

think about it this way think about

391

00:14:48,389 --> 00:14:45,920

subliminal advertising the idea there is

392

00:14:51,189 --> 00:14:48,399

that advertisers can actually insert

393

00:14:52,949 --> 00:14:51,199

images that appear so quickly between

394

00:14:54,310 --> 00:14:52,959

frames in an image for instance the

395

00:14:55,990 --> 00:14:54,320

video that you see

396

00:14:59,030 --> 00:14:56,000

that your conscious brain doesn't

397

00:15:01,269 --> 00:14:59,040

actually pick up that you saw that image

398

00:15:03,030 --> 00:15:01,279

and yet nevertheless your subconscious

399

00:15:05,509 --> 00:15:03,040

brain will pick it up and it can

400

00:15:07,670 --> 00:15:05,519

actually influence your behavior

401  
00:15:09,509 --> 00:15:07,680  
and for the advertiser's point of view

402  
00:15:11,829 --> 00:15:09,519  
hopefully influence what you purchase

403  
00:15:13,430 --> 00:15:11,839  
later on and again it's very sneaky

404  
00:15:15,509 --> 00:15:13,440  
because you're not even consciously

405  
00:15:16,949 --> 00:15:15,519  
aware of the experience you don't even

406  
00:15:18,949 --> 00:15:16,959  
know it happened

407  
00:15:21,509 --> 00:15:18,959  
that may be what's happening here that

408  
00:15:23,910 --> 00:15:21,519  
because time can be manipulated by these

409  
00:15:26,550 --> 00:15:23,920  
others or perhaps just our perception of

410  
00:15:29,189 --> 00:15:26,560  
time then they could appear and sit over

411  
00:15:31,670 --> 00:15:29,199  
top of a experiencer like terry lovelace

412  
00:15:33,829 --> 00:15:31,680  
for minutes perhaps even hours and yet

413  
00:15:36,389 --> 00:15:33,839

for everyone else around perhaps that

414

00:15:38,389 --> 00:15:36,399

happens in a millisecond so quickly that

415

00:15:40,629 --> 00:15:38,399

their conscious brains don't even pick

416

00:15:43,430 --> 00:15:40,639

up that anything was there

417

00:15:45,269 --> 00:15:43,440

it's a fascinating hypothesis and again

418

00:15:47,990 --> 00:15:45,279

it fits with the elements that

419

00:15:50,550 --> 00:15:48,000

experiencers pick up the ionized smell

420

00:15:53,509 --> 00:15:50,560

and the magnetic charge etc

421

00:15:55,350 --> 00:15:53,519

now once this ufo had zoomed off terry

422

00:15:57,590 --> 00:15:55,360

did what every young child is going to

423

00:15:58,629 --> 00:15:57,600

do in a situation like that he ran

424

00:15:59,990 --> 00:15:58,639

inside

425

00:16:01,430 --> 00:16:00,000

hooting and hollering that he'd just

426

00:16:03,269 --> 00:16:01,440

seen a ufo

427

00:16:04,949 --> 00:16:03,279

of course his mother was horrified

428

00:16:06,470 --> 00:16:04,959

because again there's sort of the

429

00:16:09,269 --> 00:16:06,480

keeping up with the jones's kind of

430

00:16:11,350 --> 00:16:09,279

mentality of 1960s americana in their

431

00:16:14,470 --> 00:16:11,360

neighborhood and she was horrified that

432

00:16:16,310 --> 00:16:14,480

her son was saying such things out loud

433

00:16:19,430 --> 00:16:16,320

again the assumption is this is not

434

00:16:22,150 --> 00:16:19,440

going to reflect well on the family and

435

00:16:24,470 --> 00:16:22,160

specifically on their parenting methods

436

00:16:27,189 --> 00:16:24,480

now once terry's father gets home from a

437

00:16:28,870 --> 00:16:27,199

hard day of manual labor his mother

438

00:16:30,389 --> 00:16:28,880

immediately talks to him about what had

439

00:16:31,350 --> 00:16:30,399

just happened and how embarrassing it

440

00:16:33,430 --> 00:16:31,360

was

441

00:16:37,030 --> 00:16:33,440

and the father immediately pulls terry

442

00:16:38,470 --> 00:16:37,040

aside and says the following quote

443

00:16:40,230 --> 00:16:38,480

son you can't walk around the

444

00:16:42,389 --> 00:16:40,240

neighborhood and tell people you saw a

445

00:16:45,829 --> 00:16:42,399

flying saucer they'll think something's

446

00:16:47,030 --> 00:16:45,839

wrong with you or with us understand

447

00:16:48,550 --> 00:16:47,040

yes sir

448

00:16:50,790 --> 00:16:48,560

i could tell my dad had reached his

449

00:16:52,470 --> 00:16:50,800

limit next he would yell at me and i

450

00:16:54,629 --> 00:16:52,480

didn't like being yelled at

451  
00:16:55,910 --> 00:16:54,639  
he scared me when he yelled it made me

452  
00:16:57,590 --> 00:16:55,920  
cry

453  
00:17:00,069 --> 00:16:57,600  
well then let's agree that whatever you

454  
00:17:01,749 --> 00:17:00,079  
saw it was a shiny jet okay

455  
00:17:03,509 --> 00:17:01,759  
then we can have some supper and stop

456  
00:17:04,630 --> 00:17:03,519  
all this nonsense everything will be

457  
00:17:07,029 --> 00:17:04,640  
okay

458  
00:17:09,429 --> 00:17:07,039  
now son tell me what you saw he said

459  
00:17:12,069 --> 00:17:09,439  
leaning back with his arms folded

460  
00:17:15,189 --> 00:17:12,079  
i did the unthinkable i lied

461  
00:17:17,429 --> 00:17:15,199  
after a pause i swallowed hard and said

462  
00:17:19,429 --> 00:17:17,439  
well it could have been a jet

463  
00:17:21,590 --> 00:17:19,439

there you see how these things are

464

00:17:23,669 --> 00:17:21,600

sometimes we can't believe our eyes it's

465

00:17:25,829 --> 00:17:23,679

like the monkeys it's all over and done

466

00:17:28,870 --> 00:17:25,839

with now we can put this whole thing to

467

00:17:30,710 --> 00:17:28,880

bed dad said obviously pleased

468

00:17:33,510 --> 00:17:30,720

those would turn out to be a poor choice

469

00:17:35,909 --> 00:17:33,520

of words the flying saucer matter wasn't

470

00:17:38,630 --> 00:17:35,919

put to bed our lies hadn't changed

471

00:17:42,470 --> 00:17:38,640

reality what i saw was not a jet what i

472

00:17:44,310 --> 00:17:42,480

saw was a real flying saucer unquote

473

00:17:46,630 --> 00:17:44,320

now at this point we're going to flash

474

00:17:49,110 --> 00:17:46,640

forward to terry's adulthood his young

475

00:17:51,590 --> 00:17:49,120

adulthood when he's in the military

476  
00:17:52,470 --> 00:17:51,600  
leading up to his experience at devil's

477  
00:17:54,230 --> 00:17:52,480  
den

478  
00:17:56,310 --> 00:17:54,240  
but before we do that i just want to

479  
00:17:58,950 --> 00:17:56,320  
make note of another element that was

480  
00:18:00,630 --> 00:17:58,960  
involved with his sighting of the ufo

481  
00:18:03,190 --> 00:18:00,640  
when he was a boy

482  
00:18:06,470 --> 00:18:03,200  
notice that he inexplicably decided to

483  
00:18:09,110 --> 00:18:06,480  
lie down calmly and look up at the ufo

484  
00:18:11,110 --> 00:18:09,120  
when he first saw it he admits that that

485  
00:18:12,870 --> 00:18:11,120  
behavior doesn't make any sense to him

486  
00:18:15,110 --> 00:18:12,880  
it didn't make sense then and it doesn't

487  
00:18:17,350 --> 00:18:15,120  
make sense now even when he thinks back

488  
00:18:19,430 --> 00:18:17,360

on it all these decades later

489

00:18:22,310 --> 00:18:19,440

now of course this is a very common

490

00:18:24,870 --> 00:18:22,320

element of the ufo phenomenon they can

491

00:18:28,230 --> 00:18:24,880

control our behavior they can control

492

00:18:30,470 --> 00:18:28,240

our cognitive processing our neurology

493

00:18:32,470 --> 00:18:30,480

seemingly all of the electrochemical

494

00:18:34,789 --> 00:18:32,480

processes of our brain

495

00:18:37,110 --> 00:18:34,799

can be manipulated by them and this

496

00:18:38,710 --> 00:18:37,120

happens frequently and this is partly

497

00:18:41,110 --> 00:18:38,720

what makes it so difficult for

498

00:18:42,870 --> 00:18:41,120

experiencers to reckon with because they

499

00:18:45,430 --> 00:18:42,880

themselves do things that they can't

500

00:18:47,750 --> 00:18:45,440

explain and when people are already

501  
00:18:50,230 --> 00:18:47,760  
likely to disbelieve them and assume

502  
00:18:52,390 --> 00:18:50,240  
that they're lying or making it up or

503  
00:18:54,950 --> 00:18:52,400  
are mentally unstable

504  
00:18:57,190 --> 00:18:54,960  
then when they also share behavior that

505  
00:19:00,070 --> 00:18:57,200  
doesn't make sense even to them

506  
00:19:02,950 --> 00:19:00,080  
it makes the stories even less credible

507  
00:19:05,590 --> 00:19:02,960  
to outside sources again this adds to

508  
00:19:07,590 --> 00:19:05,600  
the stigma and it adds to the mystery of

509  
00:19:09,830 --> 00:19:07,600  
what's actually going on here and how

510  
00:19:11,430 --> 00:19:09,840  
these others are actually interacting

511  
00:19:13,590 --> 00:19:11,440  
with us

512  
00:19:16,070 --> 00:19:13,600  
all right so now let's flash forward to

513  
00:19:18,310 --> 00:19:16,080

when terry is in the military

514

00:19:20,310 --> 00:19:18,320

and has a friend named toby that he's

515

00:19:22,390 --> 00:19:20,320

very close with now terry is just

516

00:19:24,310 --> 00:19:22,400

serving a few years in the military to

517

00:19:26,310 --> 00:19:24,320

pay off his education because he wants

518

00:19:28,950 --> 00:19:26,320

to go on and get a law degree

519

00:19:31,590 --> 00:19:28,960

likewise his friend toby wants to go on

520

00:19:34,310 --> 00:19:31,600

and study astrophysics and in fact

521

00:19:36,070 --> 00:19:34,320

toby's interest in astronomy is partly

522

00:19:39,190 --> 00:19:36,080

what leads them to decide to go to

523

00:19:40,710 --> 00:19:39,200

devil's den which is a state park area

524

00:19:43,190 --> 00:19:40,720

several hours away from where they are

525

00:19:45,270 --> 00:19:43,200

located now part of the reason they

526

00:19:48,710 --> 00:19:45,280

believe they chose that location is

527

00:19:51,510 --> 00:19:48,720

because it is fairly remote which allows

528

00:19:53,350 --> 00:19:51,520

terry to take photography of wildlife

529

00:19:55,990 --> 00:19:53,360

which was a hobby of his

530

00:19:58,150 --> 00:19:56,000

and it would also allow toby to take in

531

00:19:59,190 --> 00:19:58,160

the stars without light pollution from

532

00:20:01,029 --> 00:19:59,200

the city

533

00:20:03,190 --> 00:20:01,039

at least that's their initial sense of

534

00:20:05,270 --> 00:20:03,200

why they chose that location

535

00:20:07,590 --> 00:20:05,280

later on they come to question this

536

00:20:09,669 --> 00:20:07,600

rationality and believe that actually

537

00:20:11,909 --> 00:20:09,679

they were set up to go there that they

538

00:20:13,669 --> 00:20:11,919

were directed to go there basically even

539

00:20:16,549 --> 00:20:13,679

if the direction happened at a

540

00:20:19,190 --> 00:20:16,559

subliminal subconscious level

541

00:20:21,110 --> 00:20:19,200

basically as the story goes neither one

542

00:20:23,110 --> 00:20:21,120

of them had been campers they hadn't

543

00:20:25,590 --> 00:20:23,120

camped in their lifetimes either one of

544

00:20:27,350 --> 00:20:25,600

them and yet toby got in his mind that

545

00:20:28,149 --> 00:20:27,360

they should go camping for the first

546

00:20:29,750 --> 00:20:28,159

time

547

00:20:31,909 --> 00:20:29,760

and that furthermore they should pick

548

00:20:34,390 --> 00:20:31,919

this location which is several hours

549

00:20:36,870 --> 00:20:34,400

away from where they were stationed and

550

00:20:38,310 --> 00:20:36,880

pick a very remote location to again

551  
00:20:40,549 --> 00:20:38,320  
observe stars

552  
00:20:41,750 --> 00:20:40,559  
and to allow terry to take pictures of

553  
00:20:43,510 --> 00:20:41,760  
wildlife

554  
00:20:46,470 --> 00:20:43,520  
now right off the bat things get very

555  
00:20:49,110 --> 00:20:46,480  
strange because again terry's main goal

556  
00:20:51,750 --> 00:20:49,120  
is to take photographs he's a fan of

557  
00:20:53,909 --> 00:20:51,760  
ansel adams black and white photography

558  
00:20:55,350 --> 00:20:53,919  
in state parks and of wildlife and he

559  
00:20:57,990 --> 00:20:55,360  
wants to emulate that kind of

560  
00:20:59,510 --> 00:20:58,000  
photography but strange as it seems and

561  
00:21:01,909 --> 00:20:59,520  
it certainly is strange when you think

562  
00:21:03,270 --> 00:21:01,919  
about what his goals were they leave for

563  
00:21:05,350 --> 00:21:03,280

the camping trip

564

00:21:07,909 --> 00:21:05,360

with terry for getting his camera all

565

00:21:10,230 --> 00:21:07,919

together his expensive high-powered

566

00:21:11,590 --> 00:21:10,240

camera gets left behind which is very

567

00:21:13,669 --> 00:21:11,600

interesting

568

00:21:15,990 --> 00:21:13,679

this again happens a lot in the ufo

569

00:21:17,909 --> 00:21:16,000

phenomenon literature people either just

570

00:21:19,909 --> 00:21:17,919

choose not to take pictures for whatever

571

00:21:22,230 --> 00:21:19,919

reason or they forget to bring a camera

572

00:21:24,549 --> 00:21:22,240

at all now again once they get to the

573

00:21:26,710 --> 00:21:24,559

state park area rather than camping with

574

00:21:27,990 --> 00:21:26,720

other people they decide strangely when

575

00:21:30,950 --> 00:21:28,000

you think about the fact that this is

576

00:21:33,190 --> 00:21:30,960

their first time ever camping to go to a

577

00:21:35,350 --> 00:21:33,200

very remote location away from other

578

00:21:37,750 --> 00:21:35,360

people who are camping in fact they're

579

00:21:40,549 --> 00:21:37,760

camping in an illegal area in an area

580

00:21:41,750 --> 00:21:40,559

that is actually closed off from campers

581

00:21:44,230 --> 00:21:41,760

altogether

582

00:21:46,070 --> 00:21:44,240

and to be clear in retrospect terry

583

00:21:48,149 --> 00:21:46,080

already believes this is behavior that

584

00:21:50,230 --> 00:21:48,159

is unexpected for them for either one of

585

00:21:51,750 --> 00:21:50,240

them these are young military men and

586

00:21:53,830 --> 00:21:51,760

they wouldn't want to break the law like

587

00:21:55,350 --> 00:21:53,840

this and so he doesn't understand why

588

00:21:57,830 --> 00:21:55,360

they chose that location he doesn't

589

00:21:59,909 --> 00:21:57,840

believe it was of their volition at all

590

00:22:01,990 --> 00:21:59,919

now a couple of strange events happen

591

00:22:03,909 --> 00:22:02,000

once they get to the campsite

592

00:22:05,990 --> 00:22:03,919

there are two different events in fact

593

00:22:08,230 --> 00:22:06,000

but let's jump forward for a second to

594

00:22:10,310 --> 00:22:08,240

the point where they have set up camp

595

00:22:12,390 --> 00:22:10,320

and they are watching the stars and they

596

00:22:14,310 --> 00:22:12,400

notice something strange in the corner

597

00:22:17,669 --> 00:22:14,320

of their eye what they see is something

598

00:22:20,390 --> 00:22:17,679

that appears triangular and is seemingly

599

00:22:22,710 --> 00:22:20,400

not a star but it seems too big to be

600

00:22:24,789 --> 00:22:22,720

believed in fact they are trying to

601  
00:22:27,029 --> 00:22:24,799  
ascertain how far away the object

602  
00:22:29,270 --> 00:22:27,039  
they're seeing actually is and at this

603  
00:22:30,789 --> 00:22:29,280  
point toby says and here i quote from

604  
00:22:33,110 --> 00:22:30,799  
the book quote

605  
00:22:35,110 --> 00:22:33,120  
terry man that thing is in our

606  
00:22:37,029 --> 00:22:35,120  
atmosphere it can't be outside of this

607  
00:22:38,789 --> 00:22:37,039  
solar system no way

608  
00:22:41,510 --> 00:22:38,799  
this thing is close

609  
00:22:43,510 --> 00:22:41,520  
man i hope it's a cruising height 35 000

610  
00:22:45,270 --> 00:22:43,520  
feet would make me happy

611  
00:22:49,110 --> 00:22:45,280  
no i think it looks bigger because it's

612  
00:22:51,029 --> 00:22:49,120  
getting closer to us it's really close

613  
00:22:52,549 --> 00:22:51,039

toby said it first and confirmed what we

614

00:22:55,270 --> 00:22:52,559

were both thinking

615

00:22:56,549 --> 00:22:55,280

that's a single solid object no doubt

616

00:22:59,029 --> 00:22:56,559

about it

617

00:23:00,870 --> 00:22:59,039

watch it pass over a field of stars they

618

00:23:03,669 --> 00:23:00,880

blink out for a second or two and then

619

00:23:05,909 --> 00:23:03,679

blink back on as it goes past

620

00:23:08,549 --> 00:23:05,919

i noticed that too toby

621

00:23:10,630 --> 00:23:08,559

with a feigned laugh i said i think that

622

00:23:12,310 --> 00:23:10,640

damn thing is headed toward us

623

00:23:13,990 --> 00:23:12,320

i think it's coming to sail right over

624

00:23:16,549 --> 00:23:14,000

the top of us

625

00:23:19,350 --> 00:23:16,559

toby didn't say a word once more i

626

00:23:21,669 --> 00:23:19,360

noticed how quiet the entire forest was

627

00:23:24,230 --> 00:23:21,679

the crickets and tree frogs had not

628

00:23:26,710 --> 00:23:24,240

returned as toby had predicted

629

00:23:30,470 --> 00:23:26,720

it wasn't worth mentioning at the time i

630

00:23:33,350 --> 00:23:30,480

felt uneasy but not frightened yet

631

00:23:35,750 --> 00:23:33,360

i asked toby are we safe here

632

00:23:38,070 --> 00:23:35,760

man i sure hope so toby said

633

00:23:39,029 --> 00:23:38,080

after a pause he added what could hurt

634

00:23:40,630 --> 00:23:39,039

us

635

00:23:42,710 --> 00:23:40,640

i wasn't quite sure if that was a

636

00:23:44,149 --> 00:23:42,720

question requiring a reply

637

00:23:46,470 --> 00:23:44,159

i said nothing

638

00:23:48,789 --> 00:23:46,480

we both watched as its path placed it

639

00:23:50,789 --> 00:23:48,799

directly over the meadow then it

640

00:23:53,029 --> 00:23:50,799

abruptly stopped

641

00:23:53,990 --> 00:23:53,039

toby it's not moving anymore is it

642

00:23:55,990 --> 00:23:54,000

nope

643

00:23:57,029 --> 00:23:56,000

it came to a halt directly over our

644

00:23:59,110 --> 00:23:57,039

heads

645

00:24:01,110 --> 00:23:59,120

while we watched the three points of the

646

00:24:03,990 --> 00:24:01,120

triangle spread further and further

647

00:24:05,430 --> 00:24:04,000

apart eating up entire fields of stars

648

00:24:07,430 --> 00:24:05,440

as it grew

649

00:24:09,750 --> 00:24:07,440

in a sky that was loaded with billions

650

00:24:11,909 --> 00:24:09,760

of stars it was like someone cut a giant

651

00:24:14,070 --> 00:24:11,919

triangle out of the sky

652

00:24:16,950 --> 00:24:14,080

this was a single object and it was

653

00:24:18,870 --> 00:24:16,960

enormous the three stars on each point

654

00:24:21,750 --> 00:24:18,880

of the triangle were so bright that the

655

00:24:23,269 --> 00:24:21,760

entire meadow glowed as brilliantly as

656

00:24:25,830 --> 00:24:23,279

the full moon

657

00:24:28,549 --> 00:24:25,840

it was bright enough to cast shadows

658

00:24:30,950 --> 00:24:28,559

all the anxiety had left me once it had

659

00:24:33,750 --> 00:24:30,960

parked over the meadow all emotion left

660

00:24:36,310 --> 00:24:33,760

me we lay on air mattresses completely

661

00:24:38,950 --> 00:24:36,320

fascinated we both just surrendered and

662

00:24:42,149 --> 00:24:38,960

let the calmness wash over us

663

00:24:44,230 --> 00:24:42,159

it was pleasant even soothing

664

00:24:46,470 --> 00:24:44,240

grabbing our marginal flashlight toby

665

00:24:47,909 --> 00:24:46,480

said i'm going to try and signal it and

666

00:24:49,909 --> 00:24:47,919

see what happens

667

00:24:52,390 --> 00:24:49,919

before i could object toby picked up the

668

00:24:54,070 --> 00:24:52,400

flashlight he held in his lap

669

00:24:55,830 --> 00:24:54,080

aiming it straight up he flashed the

670

00:24:57,510 --> 00:24:55,840

light three times

671

00:24:58,630 --> 00:24:57,520

i said man that might get someone's

672

00:25:00,710 --> 00:24:58,640

attention

673

00:25:02,390 --> 00:25:00,720

we waited to see what would happen we

674

00:25:03,430 --> 00:25:02,400

didn't have to wait long for something

675

00:25:05,750 --> 00:25:03,440

to happen

676  
00:25:08,149 --> 00:25:05,760  
in an instant a beam of white light no

677  
00:25:11,269 --> 00:25:08,159  
wider than a softball was focused on our

678  
00:25:13,190 --> 00:25:11,279  
near dead campfire it was about eight

679  
00:25:15,669 --> 00:25:13,200  
feet from where we lay the light beam

680  
00:25:17,990 --> 00:25:15,679  
itself was visible like a high-powered

681  
00:25:20,070 --> 00:25:18,000  
searchlight shining through the fog

682  
00:25:21,830 --> 00:25:20,080  
we never saw the beam descend it was

683  
00:25:22,710 --> 00:25:21,840  
like someone threw a switch and there it

684  
00:25:25,350 --> 00:25:22,720  
was

685  
00:25:27,430 --> 00:25:25,360  
it rested in the center of our fire pit

686  
00:25:28,470 --> 00:25:27,440  
looking up we traced the source of the

687  
00:25:30,549 --> 00:25:28,480  
light beam

688  
00:25:33,110 --> 00:25:30,559

it came from below and center of the

689

00:25:36,310 --> 00:25:33,120

triangle it stayed for no more than 30

690

00:25:37,510 --> 00:25:36,320

seconds and was gone poof it just shut

691

00:25:39,669 --> 00:25:37,520

off

692

00:25:42,230 --> 00:25:39,679

a few minutes passed then a blue light

693

00:25:44,789 --> 00:25:42,240

struck the campsite it was tiny compared

694

00:25:47,350 --> 00:25:44,799

to white light but much more intense

695

00:25:48,549 --> 00:25:47,360

it was only the diameter of a pencil or

696

00:25:51,750 --> 00:25:48,559

narrower

697

00:25:53,750 --> 00:25:51,760

lasers were still a new concept in 1977

698

00:25:55,669 --> 00:25:53,760

i'd seen them on television just like

699

00:25:57,830 --> 00:25:55,679

the white light that preceded it this

700

00:25:59,190 --> 00:25:57,840

blue light originated from the center of

701

00:26:01,430 --> 00:25:59,200

the triangle

702

00:26:04,230 --> 00:26:01,440

this intense blue light beam actively

703

00:26:06,710 --> 00:26:04,240

darted around the campsite we never saw

704

00:26:09,190 --> 00:26:06,720

it move instead it would blink out and a

705

00:26:10,870 --> 00:26:09,200

millisecond later it was back on in a

706

00:26:13,430 --> 00:26:10,880

different spot

707

00:26:15,590 --> 00:26:13,440

striking haphazardly it darted all over

708

00:26:17,510 --> 00:26:15,600

our campsite never sitting on anything

709

00:26:19,430 --> 00:26:17,520

for more than a few seconds

710

00:26:22,630 --> 00:26:19,440

it darted back and forth and it had a

711

00:26:24,870 --> 00:26:22,640

hypnotic quality to it as we watched i'm

712

00:26:26,149 --> 00:26:24,880

certain it landed on my leg and chest at

713

00:26:29,110 --> 00:26:26,159

least once

714

00:26:31,590 --> 00:26:29,120

i saw it land on toby once or twice too

715

00:26:34,310 --> 00:26:31,600

then it abruptly stopped it was with us

716

00:26:36,310 --> 00:26:34,320

for no longer than one or two minutes

717

00:26:39,110 --> 00:26:36,320

with a blue light gone we lay there

718

00:26:40,549 --> 00:26:39,120

silent and ambivalent i had no emotion

719

00:26:41,830 --> 00:26:40,559

other than a pleasant feeling of

720

00:26:43,669 --> 00:26:41,840

sedation

721

00:26:45,350 --> 00:26:43,679

this huge thing was still nearly over

722

00:26:46,950 --> 00:26:45,360

the meadow and we just watched it

723

00:26:49,190 --> 00:26:46,960

without comment

724

00:26:51,510 --> 00:26:49,200

then toby said something like show's

725

00:26:53,510 --> 00:26:51,520

over or words to that effect i don't

726

00:26:55,909 --> 00:26:53,520

think i replied those were the last

727

00:26:58,390 --> 00:26:55,919

words spoken between us that evening in

728

00:27:00,549 --> 00:26:58,400

unison we picked up our air mattresses

729

00:27:02,630 --> 00:27:00,559

and crawled into our tent

730

00:27:04,390 --> 00:27:02,640

i felt the need to keep my boots on and

731

00:27:05,990 --> 00:27:04,400

laced up tightly

732

00:27:07,430 --> 00:27:06,000

for that matter i didn't bother to

733

00:27:10,789 --> 00:27:07,440

undress at all

734

00:27:12,789 --> 00:27:10,799

the apathy felt all too familiar these

735

00:27:15,590 --> 00:27:12,799

things whatever they are and whoever

736

00:27:16,789 --> 00:27:15,600

they are controlled our actions and our

737

00:27:18,870 --> 00:27:16,799

emotions

738

00:27:21,029 --> 00:27:18,880

this was the same apathy i experienced

739

00:27:23,430 --> 00:27:21,039

in 1966

740

00:27:25,510 --> 00:27:23,440

thoughts about that 1966 experience

741

00:27:27,750 --> 00:27:25,520

flashed in my mind briefly

742

00:27:29,830 --> 00:27:27,760

i was asleep the moment my head hit the

743

00:27:31,909 --> 00:27:29,840

inflated plastic pillow

744

00:27:34,230 --> 00:27:31,919

the heat was tolerable now almost

745

00:27:37,350 --> 00:27:34,240

pleasant but the force was still dead

746

00:27:38,470 --> 00:27:37,360

silent the only sound was toby snoring

747

00:27:40,070 --> 00:27:38,480

softly

748

00:27:43,190 --> 00:27:40,080

unquote

749

00:27:44,870 --> 00:27:43,200

now as lovelace notes in that section

750

00:27:47,190 --> 00:27:44,880

there were several examples where their

751

00:27:49,430 --> 00:27:47,200

behavior their emotions seem to be

752

00:27:52,070 --> 00:27:49,440

controlled by these others

753

00:27:53,669 --> 00:27:52,080

perhaps the most astonishing aspect here

754

00:27:56,389 --> 00:27:53,679

is that they go to bed without even

755

00:27:58,070 --> 00:27:56,399

unleashing their boots and again

756

00:28:00,830 --> 00:27:58,080

lovelace later believes this is a

757

00:28:03,350 --> 00:28:00,840

direction from them even if it was

758

00:28:05,830 --> 00:28:03,360

subconscious now some time goes on and

759

00:28:08,950 --> 00:28:05,840

then lovelace wakes up and when he wakes

760

00:28:10,950 --> 00:28:08,960

up he becomes aware of his friend

761

00:28:14,630 --> 00:28:10,960

hyperventilating and looking outside the

762

00:28:16,549 --> 00:28:14,640

tent at first terry is disoriented and

763

00:28:19,430 --> 00:28:16,559

isn't sure what's going on this is what

764

00:28:21,669 --> 00:28:19,440

he says about that next event quote it

765

00:28:23,269 --> 00:28:21,679

was the lights that woke me up i first

766

00:28:25,909 --> 00:28:23,279

noticed the bright lights and then the

767

00:28:27,590 --> 00:28:25,919

low bass hum i'd heard before except

768

00:28:29,350 --> 00:28:27,600

this was more intense

769

00:28:31,750 --> 00:28:29,360

some flashes of light were bright enough

770

00:28:33,669 --> 00:28:31,760

to illuminate the tense interior as if

771

00:28:35,830 --> 00:28:33,679

we'd had an overhead light

772

00:28:37,750 --> 00:28:35,840

my eyes were sensitive to the lights

773

00:28:40,710 --> 00:28:37,760

when i maneuvered my body to get to my

774

00:28:43,029 --> 00:28:40,720

knees i realized i was in a lot of pain

775

00:28:46,149 --> 00:28:43,039

every bone in my body ached

776

00:28:48,149 --> 00:28:46,159

i was insanely thirsty and scared too

777

00:28:49,750 --> 00:28:48,159

i couldn't grasp what was happening to

778

00:28:50,630 --> 00:28:49,760

us and it was hard to shake off the

779

00:28:52,710 --> 00:28:50,640

sleep

780

00:28:55,029 --> 00:28:52,720

i finally achieved a crouching position

781

00:28:57,590 --> 00:28:55,039

and my focus turned to toby

782

00:28:59,350 --> 00:28:57,600

toby was on his knees inside the tent he

783

00:29:01,190 --> 00:28:59,360

had opened the tent flap about two

784

00:29:03,590 --> 00:29:01,200

inches and was peering out at something

785

00:29:05,590 --> 00:29:03,600

in the meadow he was crouching down and

786

00:29:06,549 --> 00:29:05,600

captivated by whatever was happening

787

00:29:08,310 --> 00:29:06,559

there

788

00:29:10,549 --> 00:29:08,320

again he muttered something but i

789

00:29:12,389 --> 00:29:10,559

couldn't make out what he was saying

790

00:29:14,070 --> 00:29:12,399

the lights outside were multi-colored

791

00:29:16,149 --> 00:29:14,080

greens and yellow

792

00:29:18,549 --> 00:29:16,159

very bright and in quick doses like a

793

00:29:20,950 --> 00:29:18,559

camera flash or a strobe light

794

00:29:23,029 --> 00:29:20,960

i was awake but still in a fog

795

00:29:25,190 --> 00:29:23,039

i wondered if this could be park rangers

796

00:29:27,110 --> 00:29:25,200

with flashlights or maybe the headlights

797

00:29:28,630 --> 00:29:27,120

of a park service jeep with emergency

798

00:29:30,870 --> 00:29:28,640

lights flashing

799

00:29:32,310 --> 00:29:30,880

but these were multi-colored lights they

800

00:29:34,310 --> 00:29:32,320

just didn't fit

801  
00:29:36,470 --> 00:29:34,320  
i was struggling to fully wake up i had

802  
00:29:38,310 --> 00:29:36,480  
to claw my way to consciousness it

803  
00:29:40,630 --> 00:29:38,320  
wasn't only the lights there was also

804  
00:29:42,950 --> 00:29:40,640  
that droning sound at first i thought it

805  
00:29:44,710 --> 00:29:42,960  
was noise made by a generator who would

806  
00:29:47,669 --> 00:29:44,720  
be running a generator in the bed of a

807  
00:29:49,750 --> 00:29:47,679  
pickup truck game poachers maybe the

808  
00:29:51,510 --> 00:29:49,760  
flashes of light illuminated the inside

809  
00:29:52,950 --> 00:29:51,520  
of the tent just enough to catch an

810  
00:29:55,430 --> 00:29:52,960  
image now and then

811  
00:29:56,470 --> 00:29:55,440  
i saw toby was trembling like a man in

812  
00:29:59,269 --> 00:29:56,480  
the cold

813  
00:30:01,110 --> 00:29:59,279

i realized i was trembling too i reached

814

00:30:02,870 --> 00:30:01,120

for the flashlight and toby roughly

815

00:30:04,789 --> 00:30:02,880

snatched it from my hand

816

00:30:06,870 --> 00:30:04,799

he held his finger across his lips and

817

00:30:09,909 --> 00:30:06,880

whispered be quiet they're still out

818

00:30:11,909 --> 00:30:09,919

there i was shocked in the flashes of

819

00:30:14,710 --> 00:30:11,919

light i could see tracks down toby's

820

00:30:17,269 --> 00:30:14,720

cheeks he'd been crying this is a man i

821

00:30:19,269 --> 00:30:17,279

knew well we were first responders and

822

00:30:20,950 --> 00:30:19,279

we'd been through some dangerous moments

823

00:30:23,029 --> 00:30:20,960

together as a team

824

00:30:25,590 --> 00:30:23,039

toby could be relied upon to keep his

825

00:30:27,909 --> 00:30:25,600

head and not panic in an emergency

826

00:30:29,909 --> 00:30:27,919

this felt like an emergency what could

827

00:30:31,990 --> 00:30:29,919

move toby to tears

828

00:30:33,029 --> 00:30:32,000

toby continued to shush me when i tried

829

00:30:34,950 --> 00:30:33,039

to speak

830

00:30:37,029 --> 00:30:34,960

with my voice just above a whisper i

831

00:30:39,909 --> 00:30:37,039

asked toby what is it tell me what's

832

00:30:41,830 --> 00:30:39,919

wrong are there park rangers outside

833

00:30:43,430 --> 00:30:41,840

toby shook his head no and stayed

834

00:30:45,029 --> 00:30:43,440

fixated on whatever was happening

835

00:30:46,870 --> 00:30:45,039

outside our tent

836

00:30:48,789 --> 00:30:46,880

i noticed his breathing was shallow and

837

00:30:51,110 --> 00:30:48,799

quick nearly panting

838

00:30:52,950 --> 00:30:51,120

i kept my voice at a whisper

839

00:30:55,110 --> 00:30:52,960

toby man you got to slow your breathing

840

00:30:57,590 --> 00:30:55,120

down you're hyperventilating toby you've

841

00:31:00,310 --> 00:30:57,600

got to tell me what's going on damn it

842

00:31:01,990 --> 00:31:00,320

then i froze i was startled by motion

843

00:31:03,750 --> 00:31:02,000

outside the tent

844

00:31:05,830 --> 00:31:03,760

there were shadows crossing between the

845

00:31:07,509 --> 00:31:05,840

tent and the source of the lights i

846

00:31:10,230 --> 00:31:07,519

heard footsteps too

847

00:31:12,070 --> 00:31:10,240

there was a rustling of leaves and grass

848

00:31:14,549 --> 00:31:12,080

i had the impression maybe a dozen

849

00:31:17,430 --> 00:31:14,559

people were walking around the campsite

850

00:31:20,070 --> 00:31:17,440

we both froze until the noises stopped

851  
00:31:23,190 --> 00:31:20,080  
the apathy we'd experienced before bed

852  
00:31:24,950 --> 00:31:23,200  
was long gone in its place was abject

853  
00:31:26,950 --> 00:31:24,960  
terror and panic

854  
00:31:27,830 --> 00:31:26,960  
i tried once more to get through to my

855  
00:31:29,990 --> 00:31:27,840  
friend

856  
00:31:30,950 --> 00:31:30,000  
toby tell me what happened tell me who's

857  
00:31:33,430 --> 00:31:30,960  
out there

858  
00:31:35,350 --> 00:31:33,440  
but why even ask i knew who was out

859  
00:31:37,669 --> 00:31:35,360  
there i knew them

860  
00:31:38,789 --> 00:31:37,679  
toby didn't answer me i thought he was

861  
00:31:40,549 --> 00:31:38,799  
in shock

862  
00:31:42,549 --> 00:31:40,559  
frustrated i struggled to my knees to

863  
00:31:44,789 --> 00:31:42,559

see what was going on in the meadow

864

00:31:46,630 --> 00:31:44,799

with my left arm i pushed toby back a

865

00:31:47,669 --> 00:31:46,640

bit and gathered the courage to look for

866

00:31:49,990 --> 00:31:47,679

myself

867

00:31:51,750 --> 00:31:50,000

i was fully awake now and the mental fog

868

00:31:53,830 --> 00:31:51,760

had mostly lifted

869

00:31:55,990 --> 00:31:53,840

squeezing next to toby i pulled back the

870

00:31:58,310 --> 00:31:56,000

canvas and there it was

871

00:32:00,789 --> 00:31:58,320

this wasn't a flying saucer at all it

872

00:32:02,389 --> 00:32:00,799

was something else something much bigger

873

00:32:04,789 --> 00:32:02,399

this was something i had never seen

874

00:32:07,110 --> 00:32:04,799

before and was unprepared for

875

00:32:08,549 --> 00:32:07,120

it was so gigantic that it filled every

876

00:32:11,590 --> 00:32:08,559

inch of the meadow

877

00:32:14,149 --> 00:32:11,600

it sat motionless in midair i estimated

878

00:32:16,789 --> 00:32:14,159

it to be 30 feet off the meadow floor

879

00:32:19,430 --> 00:32:16,799

then it registered of course this is the

880

00:32:21,590 --> 00:32:19,440

thing we watched last night before we

881

00:32:23,909 --> 00:32:21,600

went to sleep in the tent we had been

882

00:32:25,430 --> 00:32:23,919

staring at something in the sky

883

00:32:28,029 --> 00:32:25,440

i remembered we were watching the

884

00:32:31,190 --> 00:32:28,039

triangle in the sky but it was about

885

00:32:32,870 --> 00:32:31,200

2500 feet above us last evening

886

00:32:35,190 --> 00:32:32,880

this was the thing that generated so

887

00:32:36,389 --> 00:32:35,200

much disinterest in us just hours

888

00:32:37,750 --> 00:32:36,399

earlier

889

00:32:39,909 --> 00:32:37,760

unbelievable

890

00:32:42,230 --> 00:32:39,919

now it was 30 feet over the meadow we

891

00:32:44,549 --> 00:32:42,240

could see two sides clearly there were

892

00:32:47,350 --> 00:32:44,559

randomly dispersed square panels of

893

00:32:50,230 --> 00:32:47,360

light on each side it reminded me of a

894

00:32:52,310 --> 00:32:50,240

five-story office building at night with

895

00:32:53,190 --> 00:32:52,320

offices lit here and there on every

896

00:32:55,269 --> 00:32:53,200

floor

897

00:32:57,509 --> 00:32:55,279

along the very top was a row of larger

898

00:33:00,230 --> 00:32:57,519

windows that slanted outward

899

00:33:02,870 --> 00:33:00,240

they were all lit i saw faint shadows

900

00:33:04,710 --> 00:33:02,880

and movement behind these larger panels

901  
00:33:06,549 --> 00:33:04,720  
these larger panels stretched the entire

902  
00:33:08,070 --> 00:33:06,559  
length of the two sides of the triangle

903  
00:33:10,149 --> 00:33:08,080  
we could see

904  
00:33:12,310 --> 00:33:10,159  
the forest was quiet but for a load

905  
00:33:13,430 --> 00:33:12,320  
droning sound that reverberated in my

906  
00:33:15,110 --> 00:33:13,440  
chest

907  
00:33:17,830 --> 00:33:15,120  
toby shoved his way over my left

908  
00:33:20,070 --> 00:33:17,840  
shoulder now and we watched together we

909  
00:33:21,669 --> 00:33:20,080  
saw figures walking and milling around

910  
00:33:24,149 --> 00:33:21,679  
underneath this thing

911  
00:33:26,630 --> 00:33:24,159  
my god they were children maybe a dozen

912  
00:33:28,389 --> 00:33:26,640  
or more kids all about the same height

913  
00:33:29,909 --> 00:33:28,399

they were milling about in small groups

914

00:33:32,230 --> 00:33:29,919

of two or three

915

00:33:33,830 --> 00:33:32,240

i whispered to toby what the hell are

916

00:33:35,990 --> 00:33:33,840

children doing here underneath this

917

00:33:37,909 --> 00:33:36,000

giant thing in the middle of the night

918

00:33:40,389 --> 00:33:37,919

there was fear in toby's voice when he

919

00:33:42,470 --> 00:33:40,399

answered those ain't little kids those

920

00:33:44,710 --> 00:33:42,480

are not human beings terry

921

00:33:46,389 --> 00:33:44,720

they took you too they heard us both

922

00:33:49,029 --> 00:33:46,399

terry they heard us

923

00:33:51,350 --> 00:33:49,039

his voice faded into soft sobbing again

924

00:33:53,509 --> 00:33:51,360

i placed my left arm across his shoulder

925

00:33:55,669 --> 00:33:53,519

and he leaned against me crying like a

926  
00:33:58,389 --> 00:33:55,679  
child unquote

927  
00:34:00,710 --> 00:33:58,399  
so let's pause there and step back and

928  
00:34:02,710 --> 00:34:00,720  
think back on what we've just read what

929  
00:34:05,590 --> 00:34:02,720  
we've just discussed in terms of the

930  
00:34:08,550 --> 00:34:05,600  
case of terry lovelace but also how his

931  
00:34:10,950 --> 00:34:08,560  
case has so much overlap with many many

932  
00:34:13,349 --> 00:34:10,960  
other experienter accounts

933  
00:34:15,270 --> 00:34:13,359  
like many experiences perhaps even most

934  
00:34:18,230 --> 00:34:15,280  
is more accurate to say

935  
00:34:20,710 --> 00:34:18,240  
terry's experiences began in childhood

936  
00:34:22,710 --> 00:34:20,720  
when he saw these so-called monkey men

937  
00:34:25,109 --> 00:34:22,720  
that's what he nicknamed them because of

938  
00:34:26,710 --> 00:34:25,119

the strange mask that they wore

939

00:34:29,430 --> 00:34:26,720

and then later he had an experience

940

00:34:31,829 --> 00:34:29,440

where he saw a ufo in broad daylight

941

00:34:33,669 --> 00:34:31,839

even though no one else saw it

942

00:34:36,230 --> 00:34:33,679

now undoubtedly these kinds of

943

00:34:37,909 --> 00:34:36,240

experiences were disorienting for terry

944

00:34:39,750 --> 00:34:37,919

as a young child

945

00:34:41,750 --> 00:34:39,760

but like many experiencers this

946

00:34:44,550 --> 00:34:41,760

eventually goes into the background as

947

00:34:46,869 --> 00:34:44,560

he grows older these memories and these

948

00:34:49,190 --> 00:34:46,879

nightmares seem to fade to some degree

949

00:34:51,909 --> 00:34:49,200

and he goes long periods without hearing

950

00:34:54,869 --> 00:34:51,919

from or seeing anything anomalous

951  
00:34:56,470 --> 00:34:54,879  
paranormal or related to ufos or aliens

952  
00:34:58,390 --> 00:34:56,480  
whatsoever

953  
00:35:00,870 --> 00:34:58,400  
and that's why we flash forward to this

954  
00:35:02,310 --> 00:35:00,880  
experience at devil's den

955  
00:35:03,910 --> 00:35:02,320  
because there was a long period where

956  
00:35:05,589 --> 00:35:03,920  
nothing happened

957  
00:35:07,349 --> 00:35:05,599  
but we shouldn't let that fool us

958  
00:35:10,230 --> 00:35:07,359  
clearly it seems that the data is

959  
00:35:12,790 --> 00:35:10,240  
telling us that some people are selected

960  
00:35:15,349 --> 00:35:12,800  
from a very young age perhaps from birth

961  
00:35:17,390 --> 00:35:15,359  
or before because again the data tells

962  
00:35:20,069 --> 00:35:17,400  
us that many of these are

963  
00:35:22,310 --> 00:35:20,079

multi-generational scenarios where

964

00:35:24,069 --> 00:35:22,320

multiple generations are being abducted

965

00:35:26,069 --> 00:35:24,079

and perhaps having their genetics

966

00:35:27,910 --> 00:35:26,079

altered in some ways

967

00:35:29,829 --> 00:35:27,920

the evidence suggests that perhaps three

968

00:35:32,630 --> 00:35:29,839

or four generations of this has already

969

00:35:34,790 --> 00:35:32,640

been going on in our civilization

970

00:35:37,990 --> 00:35:34,800

now in the case of their camping trip

971

00:35:39,829 --> 00:35:38,000

quote unquote to devil's den state park

972

00:35:41,750 --> 00:35:39,839

we already made note of the fact that

973

00:35:44,390 --> 00:35:41,760

them even deciding to go there seemed

974

00:35:46,710 --> 00:35:44,400

like a setup of sorts that that notion

975

00:35:49,190 --> 00:35:46,720

had been implanted in their minds but it

976

00:35:51,670 --> 00:35:49,200

wasn't of their own volition it wasn't

977

00:35:54,950 --> 00:35:51,680

their idea this is basically an example

978

00:35:57,430 --> 00:35:54,960

of inception where the idea is birthed

979

00:35:59,510 --> 00:35:57,440

in their minds by these others

980

00:36:01,910 --> 00:35:59,520

and then once they get to the campsite

981

00:36:04,470 --> 00:36:01,920

they decide to go to a very remote area

982

00:36:06,470 --> 00:36:04,480

away from everyone else and in the case

983

00:36:08,390 --> 00:36:06,480

of the campsite they decide to go to

984

00:36:10,550 --> 00:36:08,400

sleep without even undressing or

985

00:36:12,710 --> 00:36:10,560

unleashing their boots which when you

986

00:36:14,790 --> 00:36:12,720

look back on what happens later seems

987

00:36:17,430 --> 00:36:14,800

like it's a prime example of these

988

00:36:19,430 --> 00:36:17,440

others prepping these two men for an

989

00:36:21,589 --> 00:36:19,440

abduction that's going to happen

990

00:36:23,430 --> 00:36:21,599

now when terry later wakes up after the

991

00:36:25,270 --> 00:36:23,440

abduction has happened

992

00:36:27,750 --> 00:36:25,280

they both see these small figures these

993

00:36:30,550 --> 00:36:27,760

small grey aliens that tarry mistakes

994

00:36:33,030 --> 00:36:30,560

for children walking around outside

995

00:36:34,310 --> 00:36:33,040

before long these small aliens walk

996

00:36:36,630 --> 00:36:34,320

underneath the light that is being

997

00:36:39,030 --> 00:36:36,640

projected from the center of this

998

00:36:41,430 --> 00:36:39,040

massive triangular craft and they seem

999

00:36:43,510 --> 00:36:41,440

to then be materialized straight up into

1000

00:36:46,310 --> 00:36:43,520

the craft and then it slowly and then

1001  
00:36:48,790 --> 00:36:46,320  
more rapidly departs from the area

1002  
00:36:51,030 --> 00:36:48,800  
the two men sit in terror for some

1003  
00:36:52,870 --> 00:36:51,040  
period of time before deciding they want

1004  
00:36:54,470 --> 00:36:52,880  
to get out of there they do not want to

1005  
00:36:56,310 --> 00:36:54,480  
spend the rest of the night they are

1006  
00:36:58,150 --> 00:36:56,320  
ready to get going

1007  
00:37:00,790 --> 00:36:58,160  
so mustering all of their strength and

1008  
00:37:02,310 --> 00:37:00,800  
their courage they rush to their car and

1009  
00:37:03,990 --> 00:37:02,320  
start driving back

1010  
00:37:06,550 --> 00:37:04,000  
now again what's interesting here is

1011  
00:37:08,150 --> 00:37:06,560  
their behavior is not as predicted

1012  
00:37:09,829 --> 00:37:08,160  
because neither one of them wants to

1013  
00:37:12,069 --> 00:37:09,839

talk about what happened

1014

00:37:14,230 --> 00:37:12,079

they just both seem to be kind of mute

1015

00:37:16,550 --> 00:37:14,240

and drive back silently

1016

00:37:18,230 --> 00:37:16,560

once they get home both of their wives

1017

00:37:19,589 --> 00:37:18,240

are surprised they're back early and

1018

00:37:21,030 --> 00:37:19,599

wonder why

1019

00:37:23,030 --> 00:37:21,040

but it's very clear based on the

1020

00:37:25,589 --> 00:37:23,040

physiological condition of these two men

1021

00:37:27,589 --> 00:37:25,599

that something traumatic has happened

1022

00:37:29,829 --> 00:37:27,599

and so it is arranged for them to have a

1023

00:37:32,069 --> 00:37:29,839

medical checkup done at the military

1024

00:37:34,069 --> 00:37:32,079

hospital once they have answered some

1025

00:37:35,670 --> 00:37:34,079

basic questions and they're very careful

1026  
00:37:37,750 --> 00:37:35,680  
to not say too much because they don't

1027  
00:37:39,670 --> 00:37:37,760  
want to reveal what really happened for

1028  
00:37:41,750 --> 00:37:39,680  
fear that they'll be discharged for

1029  
00:37:43,750 --> 00:37:41,760  
being considered crazy

1030  
00:37:46,550 --> 00:37:43,760  
but nevertheless they share enough that

1031  
00:37:49,109 --> 00:37:46,560  
seems to trip some sort of flag that

1032  
00:37:51,270 --> 00:37:49,119  
gets the attention of the upper echelons

1033  
00:37:53,910 --> 00:37:51,280  
of the military establishment and they

1034  
00:37:55,349 --> 00:37:53,920  
are soon visited by agents that ask them

1035  
00:37:58,150 --> 00:37:55,359  
a series of questions even though

1036  
00:37:59,910 --> 00:37:58,160  
they're still both in a very rough shape

1037  
00:38:02,470 --> 00:37:59,920  
and as i mentioned at the outset of this

1038  
00:38:05,910 --> 00:38:02,480

podcast they end up undergoing a very

1039

00:38:08,069 --> 00:38:05,920

intense investigation by the usaf office

1040

00:38:10,230 --> 00:38:08,079

of special investigations

1041

00:38:11,990 --> 00:38:10,240

they are even given a truth drug to make

1042

00:38:14,390 --> 00:38:12,000

sure that they tell the truth and then

1043

00:38:16,310 --> 00:38:14,400

they are hypnotized specifically we hear

1044

00:38:18,550 --> 00:38:16,320

about terry's situation where he is

1045

00:38:20,950 --> 00:38:18,560

hypnotized and the questions that he is

1046

00:38:23,270 --> 00:38:20,960

asked and what's astonishing about this

1047

00:38:25,430 --> 00:38:23,280

case is that it seems that the military

1048

00:38:28,069 --> 00:38:25,440

knows more than they are letting on that

1049

00:38:29,670 --> 00:38:28,079

something about the two men's story tips

1050

00:38:31,990 --> 00:38:29,680

off the military that this must have

1051

00:38:35,109 --> 00:38:32,000

been an abduction case that they saw

1052

00:38:37,829 --> 00:38:35,119

something to do with a ufo and perhaps

1053

00:38:40,230 --> 00:38:37,839

alien beings the nature of the ensuing

1054

00:38:43,030 --> 00:38:40,240

interrogation makes that very clear

1055

00:38:44,829 --> 00:38:43,040

these military agents seem to know much

1056

00:38:47,589 --> 00:38:44,839

more than they should if this is an

1057

00:38:49,670 --> 00:38:47,599

unknown phenomena for the military but

1058

00:38:51,109 --> 00:38:49,680

no they seem to know plenty

1059

00:38:53,190 --> 00:38:51,119

and in fact the person that is

1060

00:38:55,030 --> 00:38:53,200

interrogating them hypnotizing them

1061

00:38:57,109 --> 00:38:55,040

makes side comments to these agents

1062

00:38:59,910 --> 00:38:57,119

saying that much of what these men have

1063

00:39:02,150 --> 00:38:59,920

experienced is very common the apathy

1064

00:39:04,870 --> 00:39:02,160

the control of behavior what they see on

1065

00:39:06,950 --> 00:39:04,880

board the craft etc it seems to follow a

1066

00:39:09,270 --> 00:39:06,960

narrative that the military is very

1067

00:39:11,430 --> 00:39:09,280

familiar with and that is fascinating

1068

00:39:12,470 --> 00:39:11,440

and perhaps disturbing i'm sure you'll

1069

00:39:14,230 --> 00:39:12,480

agree

1070

00:39:16,230 --> 00:39:14,240

now next time on point of convergence we

1071

00:39:18,310 --> 00:39:16,240

will pick up where we leave off here

1072

00:39:20,790 --> 00:39:18,320

discussing in detail the military's

1073

00:39:22,950 --> 00:39:20,800

strange response including the nature of

1074

00:39:25,510 --> 00:39:22,960

the hypnotic regression session they are

1075

00:39:27,510 --> 00:39:25,520

subjected to as well as the series of

1076

00:39:30,150 --> 00:39:27,520

events that lead to the sudden end of

1077

00:39:33,270 --> 00:39:30,160

toby and terry's friendships as well as

1078

00:39:35,910 --> 00:39:33,280

terry decades on finding alien implants

1079

00:39:38,390 --> 00:39:35,920

inside his leg as well as the process of

1080

00:39:40,790 --> 00:39:38,400

him coming to peace with the experience

1081

00:39:43,349 --> 00:39:40,800

and then deciding to go public

1082

00:39:46,310 --> 00:39:43,359

we'll also discuss an apparent hybrid

1083

00:39:48,630 --> 00:39:46,320

being that seemed to watch over terry

1084

00:39:50,870 --> 00:39:48,640

and try to comfort him when these

1085

00:39:53,510 --> 00:39:50,880

abduction experiences were happening

1086

00:39:56,150 --> 00:39:53,520

we'll also discuss this hybrid's warning

1087

00:39:58,790 --> 00:39:56,160

that by going public terry is putting

1088

00:40:01,270 --> 00:39:58,800

his life at risk but not by the hand of

1089

00:40:05,109 --> 00:40:01,280

the aliens but rather by the hands of

1090

00:40:07,670 --> 00:40:05,119

the military that knows what terry knows

1091

00:40:09,349 --> 00:40:07,680

and on that note we've come to the close

1092

00:40:11,190 --> 00:40:09,359

of another edition of the point of

1093

00:40:13,030 --> 00:40:11,200

convergence podcast

1094

00:40:14,990 --> 00:40:13,040

if you'd like to support this podcast

1095
