00:00:13,669 --> 00:00:11,270

hello and welcome to episode number 55

3  
00:00:18,230 --> 00:00:13,679

of the point of convergence podcast

4  
00:00:20,550 --> 00:00:18,240

as always i am your host exo academian

5  
00:00:23,109 --> 00:00:20,560

in last week's episode we kicked off a

6  
00:00:24,390 --> 00:00:23,119

discussion of a certain kind of alien

7  
00:00:27,029 --> 00:00:24,400

interaction

8  
00:00:28,950 --> 00:00:27,039

the kind well attested to in the ufo

9  
00:00:30,870 --> 00:00:28,960

phenomenon literature

10  
00:00:33,110 --> 00:00:30,880

where human beings are repeatedly

11  
00:00:35,590 --> 00:00:33,120

interacted with by non-human

12  
00:00:37,110 --> 00:00:35,600

intelligences and often from a very

13  
00:00:39,670 --> 00:00:37,120

young age

14

00:00:42,389 --> 00:00:39,680

as time goes on that interaction often

15

00:00:44,310 --> 00:00:42,399

includes abduction that is

16

00:00:46,549 --> 00:00:44,320

the taking of these people from their

17

00:00:49,350 --> 00:00:46,559

homes up onto what appeared to be

18

00:00:50,790 --> 00:00:49,360

spacecraft either orbiting the earth in

19

00:00:53,110 --> 00:00:50,800

cloaked fashion

20

00:00:55,350 --> 00:00:53,120

or existing in some kind of hyperspace

21

00:00:57,350 --> 00:00:55,360

or alternate realm of reality

22

00:00:59,830 --> 00:00:57,360

where time and space seem to function

23

00:01:01,750 --> 00:00:59,840

differently

24

00:01:05,270 --> 00:01:01,760

that level of ontological shock that

25

00:01:06,789 --> 00:01:05,280

arises for these abductees contactees as

26

00:01:08,550 --> 00:01:06,799

we've said numerous times over the

27

00:01:10,469 --> 00:01:08,560

course of this podcast

28

00:01:12,710 --> 00:01:10,479

cannot be overstated

29

00:01:13,990 --> 00:01:12,720

these encounters shake these people to

30

00:01:15,670 --> 00:01:14,000

the core

31

00:01:18,149 --> 00:01:15,680

and that's true whether they ultimately

32

00:01:20,550 --> 00:01:18,159

come to see the experiences as positive

33

00:01:22,630 --> 00:01:20,560

negative or neutral

34

00:01:24,870 --> 00:01:22,640

these meetings whether you see them as

35

00:01:28,149 --> 00:01:24,880

intergalactic or interdimensional in

36

00:01:30,630 --> 00:01:28,159

nature or some combination of the two

37

00:01:31,590 --> 00:01:30,640

seem to very often include a biological

38

00:01:33,749 --> 00:01:31,600

element

39

00:01:36,630 --> 00:01:33,759

that is to say the people who are taken

40

00:01:38,870 --> 00:01:36,640

on board these craft remember having had

41

00:01:41,109 --> 00:01:38,880

various medical experiments and

42

00:01:42,950 --> 00:01:41,119

procedures done to them

43

00:01:45,590 --> 00:01:42,960

including the collecting of reproductive

44

00:01:48,870 --> 00:01:45,600

material that seems to be part of a vast

45

00:01:51,030 --> 00:01:48,880

hybridization program of some kind

46

00:01:53,270 --> 00:01:51,040

furthering this narrative all the more

47

00:01:55,350 --> 00:01:53,280

many of these experiences also report

48

00:01:58,230 --> 00:01:55,360

having had contact with some of these

49

00:02:00,550 --> 00:01:58,240

very hybrid beings including ones they

50

00:02:03,030 --> 00:02:00,560

are told and believed to be

51  
00:02:05,429 --> 00:02:03,040  
their very offspring

52  
00:02:07,990 --> 00:02:05,439  
the case of terry lovelace fits all the

53  
00:02:10,070 --> 00:02:08,000  
above criteria to a achieve

54  
00:02:11,589 --> 00:02:10,080  
this case is fascinating for several

55  
00:02:14,150 --> 00:02:11,599  
different reasons

56  
00:02:15,990 --> 00:02:14,160  
first because it is told by a person who

57  
00:02:18,630 --> 00:02:16,000  
has had a distinguished professional

58  
00:02:21,990 --> 00:02:18,640  
career and who seems to be credible in

59  
00:02:23,910 --> 00:02:22,000  
every measure one can reasonably apply

60  
00:02:26,150 --> 00:02:23,920  
secondly because terry lovelace's

61  
00:02:28,949 --> 00:02:26,160  
retelling of his experiences

62  
00:02:31,509 --> 00:02:28,959  
extending over an entire lifetime are so

63  
00:02:33,830 --> 00:02:31,519

rich in vivid detail

64

00:02:37,030 --> 00:02:33,840  
and thirdly because as i already

65

00:02:39,670 --> 00:02:37,040  
mentioned this case is so typical of

66

00:02:42,390 --> 00:02:39,680  
many such cases catalogued within the

67

00:02:44,150 --> 00:02:42,400  
ufo phenomenon literature

68

00:02:46,309 --> 00:02:44,160  
in last week's episode a point of

69

00:02:48,710 --> 00:02:46,319  
convergence we discussed two key

70

00:02:51,589 --> 00:02:48,720  
sequences of lovelace's lifelong

71

00:02:53,830 --> 00:02:51,599  
encounters a window of time from his

72

00:02:56,150 --> 00:02:53,840  
childhood when he encountered grey

73

00:02:57,830 --> 00:02:56,160  
aliens he at the time

74

00:02:59,750 --> 00:02:57,840  
called the monkey men

75

00:03:02,229 --> 00:02:59,760  
and then a climactic event that occurred

76  
00:03:04,309 --> 00:03:02,239  
while he was a young man in the military

77  
00:03:07,990 --> 00:03:04,319  
where he and a close friend encountered

78  
00:03:10,309 --> 00:03:08,000  
a massive black triangle ufo craft while

79  
00:03:12,550 --> 00:03:10,319  
camping in a remote area

80  
00:03:15,509 --> 00:03:12,560  
this latter experience resulted in an

81  
00:03:18,470 --> 00:03:15,519  
abduction of both men and a subsequent

82  
00:03:22,550 --> 00:03:18,480  
interrogation by the air force upon

83  
00:03:24,149 --> 00:03:22,560  
their hasty return from that excursion

84  
00:03:26,390 --> 00:03:24,159  
this week we'll pick up right where we

85  
00:03:28,949 --> 00:03:26,400  
left off discussing the nature of that

86  
00:03:31,509 --> 00:03:28,959  
interrogation and what that suggested

87  
00:03:32,869 --> 00:03:31,519  
the military already knew about this

88  
00:03:35,030 --> 00:03:32,879

phenomenon

89

00:03:37,270 --> 00:03:35,040

as well as details about lovelace's

90

00:03:38,470 --> 00:03:37,280

experience while on board the triangular

91

00:03:40,229 --> 00:03:38,480

craft

92

00:03:42,630 --> 00:03:40,239

and then moving forward to events from

93

00:03:43,830 --> 00:03:42,640

later in his life after his time in the

94

00:03:46,470 --> 00:03:43,840

military

95

00:03:50,540 --> 00:03:46,480

in this the 55th episode

96

00:03:56,070 --> 00:03:53,750

[Music]

97

00:03:59,110 --> 00:03:56,080

as we begin this week's episode just to

98

00:04:01,589 --> 00:03:59,120

note that this is part two of a two-part

99

00:04:03,190 --> 00:04:01,599

series we're doing on the experiences of

100

00:04:04,869 --> 00:04:03,200

terry lovelace

101

00:04:06,070 --> 00:04:04,879

so if you have not heard the first part

102

00:04:09,030 --> 00:04:06,080

of this series i would go back and

103

00:04:13,030 --> 00:04:09,040

listen to that first episode 54 and then

104

00:04:15,750 --> 00:04:13,040

come back and check out this episode 55.

105

00:04:18,069 --> 00:04:15,760

now terry lovelace's experiences are

106

00:04:20,150 --> 00:04:18,079

documented in his book incident at

107

00:04:22,629 --> 00:04:20,160

devil's den a true story by terry

108

00:04:25,030 --> 00:04:22,639

lovelace he's also written a second book

109

00:04:27,189 --> 00:04:25,040

titled devil's den the reckoning which

110

00:04:30,310 --> 00:04:27,199

covers additional experiences as well as

111

00:04:31,990 --> 00:04:30,320

additional recollections he had later on

112

00:04:33,749 --> 00:04:32,000

as well as a section that includes

113

00:04:36,150 --> 00:04:33,759

letters he received from other people

114

00:04:37,830 --> 00:04:36,160

who've had similarly bizarre incidents

115

00:04:40,790 --> 00:04:37,840

in their life

116

00:04:42,629 --> 00:04:40,800

now last week we left off after terry

117

00:04:44,870 --> 00:04:42,639

and his friend toby had returned from

118

00:04:46,550 --> 00:04:44,880

this camping trip that turned into an

119

00:04:49,510 --> 00:04:46,560

abduction experience

120

00:04:52,390 --> 00:04:49,520

chance

121

00:04:54,629 --> 00:04:52,400

rather both of these men had concluded

122

00:04:57,270 --> 00:04:54,639

that this seems to have been a setup

123

00:04:59,670 --> 00:04:57,280

that their entire decision to go to a

124

00:05:02,070 --> 00:04:59,680

remote location like devil's den and

125

00:05:04,310 --> 00:05:02,080

even from within that a very remote

126  
00:05:07,270 --> 00:05:04,320  
location from within that camping ground

127  
00:05:10,310 --> 00:05:07,280  
was actually a suggestion implanted by

128  
00:05:12,550 --> 00:05:10,320  
these others by these alien beings and

129  
00:05:14,710 --> 00:05:12,560  
just to be even more clear about that

130  
00:05:18,150 --> 00:05:14,720  
they were directed to go to a specific

131  
00:05:20,310 --> 00:05:18,160  
meadow which is cleared and in some ways

132  
00:05:22,469 --> 00:05:20,320  
you could argue it's the perfect size

133  
00:05:25,990 --> 00:05:22,479  
for a landing spot for that massive

134  
00:05:27,270 --> 00:05:26,000  
triangular ufo they later encounter

135  
00:05:29,990 --> 00:05:27,280  
in fact one of the people that

136  
00:05:33,110 --> 00:05:30,000  
interviewed terry levelace on a podcast

137  
00:05:36,150 --> 00:05:33,120  
was able to with google maps google

138  
00:05:38,790 --> 00:05:36,160

earth was able to locate this particular

139

00:05:40,469 --> 00:05:38,800

meadow and even today it is cleared

140

00:05:42,469 --> 00:05:40,479

which is very interesting in fact terry

141

00:05:44,070 --> 00:05:42,479

lovelace wonders aloud if there's

142

00:05:45,749 --> 00:05:44,080

something to that

143

00:05:47,749 --> 00:05:45,759

perhaps there's some agreement going on

144

00:05:50,950 --> 00:05:47,759

and that this is a known location where

145

00:05:53,510 --> 00:05:50,960

this large triangular craft lands

146

00:05:55,270 --> 00:05:53,520

whatever the case that location is still

147

00:05:57,350 --> 00:05:55,280

there you can find it on google earth

148

00:05:59,350 --> 00:05:57,360

and it's still cleared and you can see

149

00:06:01,430 --> 00:05:59,360

the size of the craft because remember

150

00:06:03,189 --> 00:06:01,440

in his account he talks about the

151  
00:06:05,270 --> 00:06:03,199  
triangular craft pretty much taking up

152  
00:06:07,749 --> 00:06:05,280  
the entire meadow so by looking at that

153  
00:06:10,390 --> 00:06:07,759  
location at devil's den state park you

154  
00:06:12,469 --> 00:06:10,400  
get a sense of the size of the craft

155  
00:06:15,189 --> 00:06:12,479  
they encountered

156  
00:06:16,870 --> 00:06:15,199  
now once they left that area and went

157  
00:06:18,070 --> 00:06:16,880  
back home they left early if you

158  
00:06:19,270 --> 00:06:18,080  
remember because they were quite

159  
00:06:21,350 --> 00:06:19,280  
distracted

160  
00:06:23,270 --> 00:06:21,360  
and confused after their experience

161  
00:06:25,110 --> 00:06:23,280  
their abduction experience

162  
00:06:26,629 --> 00:06:25,120  
they went back home and then because

163  
00:06:28,230 --> 00:06:26,639

they were in rough shape

164

00:06:31,510 --> 00:06:28,240

they were taken to the hospital the

165

00:06:33,990 --> 00:06:31,520

military hospital by both of their wives

166

00:06:36,469 --> 00:06:34,000

and then after an interview that was

167

00:06:38,150 --> 00:06:36,479

part of that examination at the hospital

168

00:06:39,749 --> 00:06:38,160

certain things must have been said by

169

00:06:41,830 --> 00:06:39,759

both men that even though they were

170

00:06:44,150 --> 00:06:41,840

trying to keep under wraps what actually

171

00:06:47,510 --> 00:06:44,160

happened they never mentioned abduction

172

00:06:48,390 --> 00:06:47,520

or ufo they said enough to trip certain

173

00:06:50,309 --> 00:06:48,400

flags

174

00:06:52,870 --> 00:06:50,319

that got the attention of the upper

175

00:06:55,909 --> 00:06:52,880

echelons of the military establishment

176  
00:06:58,550 --> 00:06:55,919  
which resulted in two agents showing up

177  
00:07:00,790 --> 00:06:58,560  
to interrogate both these men

178  
00:07:02,469 --> 00:07:00,800  
now as these things often work the two

179  
00:07:04,309 --> 00:07:02,479  
men were separated so they don't know

180  
00:07:06,070 --> 00:07:04,319  
what each of them said

181  
00:07:08,070 --> 00:07:06,080  
terry recounts his particular

182  
00:07:10,390 --> 00:07:08,080  
interrogation experience

183  
00:07:12,070 --> 00:07:10,400  
and then even more shockingly he's

184  
00:07:14,230 --> 00:07:12,080  
quickly given a bunch of papers that

185  
00:07:15,589 --> 00:07:14,240  
he's asked to sign again he's still in

186  
00:07:16,629 --> 00:07:15,599  
very rough shape he's still very

187  
00:07:19,189 --> 00:07:16,639  
confused

188  
00:07:21,430 --> 00:07:19,199

and yet they basically under duress

189

00:07:23,749 --> 00:07:21,440

force him to sign these papers

190

00:07:26,390 --> 00:07:23,759

one of them is an nda saying he will

191

00:07:28,629 --> 00:07:26,400

never share these experiences so that's

192

00:07:30,390 --> 00:07:28,639

interesting in itself because by coming

193

00:07:31,909 --> 00:07:30,400

out by writing this book and sharing

194

00:07:34,469 --> 00:07:31,919

these experiences

195

00:07:36,710 --> 00:07:34,479

terry is actually breaking that nda and

196

00:07:38,870 --> 00:07:36,720

he admits that's what he's doing but at

197

00:07:40,629 --> 00:07:38,880

this point in his retirement age he

198

00:07:42,309 --> 00:07:40,639

doesn't care he feels like it's

199

00:07:44,390 --> 00:07:42,319

important that he comes forward for the

200

00:07:46,150 --> 00:07:44,400

sake of other experiencers and so that

201  
00:07:48,869 --> 00:07:46,160  
the general public will understand

202  
00:07:51,749 --> 00:07:48,879  
what's been going on and perhaps what

203  
00:07:54,150 --> 00:07:51,759  
the military already knows about it now

204  
00:07:56,869 --> 00:07:54,160  
in addition to signing an nda a

205  
00:07:58,469 --> 00:07:56,879  
non-disclosure agreement he also kind of

206  
00:08:00,070 --> 00:07:58,479  
unknowingly because these papers were

207  
00:08:02,309 --> 00:08:00,080  
just shuffled in front of him one after

208  
00:08:05,270 --> 00:08:02,319  
another and he signed away he also

209  
00:08:07,110 --> 00:08:05,280  
agreed to have a hypnosis session done

210  
00:08:08,950 --> 00:08:07,120  
and when he actually later questioned

211  
00:08:11,350 --> 00:08:08,960  
the agents and wondered why he was being

212  
00:08:12,710 --> 00:08:11,360  
hypnotized they said well you signed

213  
00:08:14,469 --> 00:08:12,720

right here saying you were willing to do

214

00:08:16,869 --> 00:08:14,479

this in addition to us searching your

215

00:08:18,950 --> 00:08:16,879

house and your vehicle etc do you want

216

00:08:21,430 --> 00:08:18,960

to renege on those agreements that you

217

00:08:22,790 --> 00:08:21,440

signed and at that point terry isn't

218

00:08:25,029 --> 00:08:22,800

sure what to do

219

00:08:27,110 --> 00:08:25,039

but this agent says if you want to

220

00:08:28,150 --> 00:08:27,120

renege you can that's within your rights

221

00:08:31,110 --> 00:08:28,160

and then i'll see you at your

222

00:08:33,430 --> 00:08:31,120

court-martial so clearly he is bluffing

223

00:08:35,829 --> 00:08:33,440

there but a young terry again he was a

224

00:08:37,430 --> 00:08:35,839

young man in his early 20s at this point

225

00:08:38,630 --> 00:08:37,440

feels the pressure he doesn't want to be

226

00:08:41,589 --> 00:08:38,640

in trouble he certainly doesn't want to

227

00:08:43,509 --> 00:08:41,599

be court-martialed so he agrees to this

228

00:08:45,110 --> 00:08:43,519

hypnosis session

229

00:08:46,870 --> 00:08:45,120

now this is very interesting because

230

00:08:49,910 --> 00:08:46,880

everything that's happened up until now

231

00:08:52,389 --> 00:08:49,920

the response of the military suggests to

232

00:08:54,230 --> 00:08:52,399

terry in reflection and i have to agree

233

00:08:56,949 --> 00:08:54,240

with him that there seems to be some

234

00:08:59,110 --> 00:08:56,959

degree of knowledge by the military

235

00:09:01,590 --> 00:08:59,120

something about this experience tripped

236

00:09:03,750 --> 00:09:01,600

certain flags that they were looking out

237

00:09:05,750 --> 00:09:03,760

for that it seems like they were aware

238

00:09:08,070 --> 00:09:05,760

of these abduction experiences that they

239

00:09:10,870 --> 00:09:08,080

can happen that they do happen and that

240

00:09:12,550 --> 00:09:10,880

they interrogate military personnel when

241

00:09:14,550 --> 00:09:12,560

they do happen

242

00:09:17,110 --> 00:09:14,560

and speaking of that the knowledge of

243

00:09:19,110 --> 00:09:17,120

the military seems to go beyond that and

244

00:09:21,030 --> 00:09:19,120

some of that becomes clear in the midst

245

00:09:23,269 --> 00:09:21,040

of this interrogation which included

246

00:09:25,590 --> 00:09:23,279

this hypnotic regression session that

247

00:09:27,590 --> 00:09:25,600

terry was subjected to

248

00:09:29,990 --> 00:09:27,600

and i now want to jump to that part of

249

00:09:31,350 --> 00:09:30,000

the book where the interrogation is

250

00:09:33,190 --> 00:09:31,360

described

251

00:09:35,190 --> 00:09:33,200

so in this next section i quote from

252

00:09:37,590 --> 00:09:35,200

just remember that at this point terry

253

00:09:39,509 --> 00:09:37,600

has been put under hypnotic regression

254

00:09:41,750 --> 00:09:39,519

although he has resisted it and he

255

00:09:44,150 --> 00:09:41,760

believes that he is not fully under

256

00:09:44,949 --> 00:09:44,160

despite this agent thinking that he's

257

00:09:47,269 --> 00:09:44,959

under

258

00:09:49,910 --> 00:09:47,279

now this person conducting this

259

00:09:52,470 --> 00:09:49,920

interrogation this hypnotic regression

260

00:09:55,269 --> 00:09:52,480

was actually a major in the air force

261

00:09:58,470 --> 00:09:55,279

but he asks terry to call him brad again

262

00:10:00,070 --> 00:09:58,480

that's a method used to make terry relax

263

00:10:02,870 --> 00:10:00,080

and then this is what happened next

264

00:10:05,350 --> 00:10:02,880

during that hypnotic regression quote

265

00:10:07,590 --> 00:10:05,360

brad asked you and tobias saw the stars

266

00:10:09,910 --> 00:10:07,600

first then the triangle and what did you

267

00:10:12,310 --> 00:10:09,920

see next we watched the ship come in

268

00:10:13,750 --> 00:10:12,320

from just three little lights it climbed

269

00:10:16,870 --> 00:10:13,760

up and over us

270

00:10:19,269 --> 00:10:16,880

god it was so big but we weren't afraid

271

00:10:20,389 --> 00:10:19,279

toby wasn't scared either we just went

272

00:10:22,389 --> 00:10:20,399

to sleep

273

00:10:23,509 --> 00:10:22,399

we were so tired and we just weren't

274

00:10:25,110 --> 00:10:23,519

interested

275

00:10:27,750 --> 00:10:25,120

i was reliving the whole thing in my

276

00:10:30,389 --> 00:10:27,760

mind and it was terrifying i could hear

277

00:10:32,389 --> 00:10:30,399

the major addressing the two agents

278

00:10:35,269 --> 00:10:32,399

i've seen this dozens of times before he

279

00:10:37,910 --> 00:10:35,279

said there is alien apathy and alien

280

00:10:39,190 --> 00:10:37,920

amnesia there are two separate phenomena

281

00:10:40,389 --> 00:10:39,200

it's common

282

00:10:42,310 --> 00:10:40,399

unquote

283

00:10:44,790 --> 00:10:42,320

so i mentioned this in passing last week

284

00:10:46,470 --> 00:10:44,800

it's very interesting here while this

285

00:10:49,509 --> 00:10:46,480

hypnotic regression session is being

286

00:10:51,509 --> 00:10:49,519

conducted and all three men present

287

00:10:53,750 --> 00:10:51,519

believe that terry is actually under and

288

00:10:55,670 --> 00:10:53,760

won't remember any of this part the

289

00:10:57,509 --> 00:10:55,680

major is turning and addressing these

290

00:11:00,790 --> 00:10:57,519

two other agents the agents that were

291

00:11:03,269 --> 00:11:00,800

first on the scene to interrogate terry

292

00:11:05,350 --> 00:11:03,279

and he says that this alien apathy in

293

00:11:07,670 --> 00:11:05,360

alien amnesia these are the terms he

294

00:11:09,829 --> 00:11:07,680

used are common

295

00:11:12,069 --> 00:11:09,839

now let's jump back into the book

296

00:11:14,470 --> 00:11:12,079

quoting again from the book quote

297

00:11:16,630 --> 00:11:14,480

the major resumed the interrogation you

298

00:11:18,230 --> 00:11:16,640

weren't interested and you went to bed

299

00:11:19,190 --> 00:11:18,240

what time did you enter your tent that

300

00:11:21,509 --> 00:11:19,200

night

301  
00:11:23,750 --> 00:11:21,519  
right before their ship docked i said it

302  
00:11:25,829 --> 00:11:23,760  
landed in the field about midnight but

303  
00:11:28,550 --> 00:11:25,839  
it was never on the ground it stayed

304  
00:11:30,790 --> 00:11:28,560  
about 30 feet over the meadow floor

305  
00:11:33,110 --> 00:11:30,800  
brad it just hung there i said as i

306  
00:11:35,269 --> 00:11:33,120  
watched it all play out in my head i was

307  
00:11:37,829 --> 00:11:35,279  
amazed at the images i saw but they were

308  
00:11:40,150 --> 00:11:37,839  
familiar too it was like seeing an old

309  
00:11:42,310 --> 00:11:40,160  
friend you'd not seen in years

310  
00:11:44,150 --> 00:11:42,320  
brad said terry tell me about the

311  
00:11:45,990 --> 00:11:44,160  
spaceship in the meadow what did it look

312  
00:11:48,870 --> 00:11:46,000  
like what did you see

313  
00:11:50,870 --> 00:11:48,880

i said a giant triangle of a spaceship

314

00:11:53,750 --> 00:11:50,880

it was hundreds of feet across it was

315

00:11:56,230 --> 00:11:53,760

huge it was so incredible i can see it

316

00:11:59,190 --> 00:11:56,240

now it was as fresh in my mind as what i

317

00:12:02,069 --> 00:11:59,200

had had for breakfast it was right there

318

00:12:04,870 --> 00:12:02,079

i paused i saw it all again and wanted

319

00:12:07,509 --> 00:12:04,880

to imprint it in my memory forever

320

00:12:09,190 --> 00:12:07,519

i said it was right there and it was so

321

00:12:11,350 --> 00:12:09,200

big it filled the meadow like a

322

00:12:13,509 --> 00:12:11,360

five-story building

323

00:12:15,750 --> 00:12:13,519

good terry that must have been exciting

324

00:12:17,269 --> 00:12:15,760

for you tell me about the ship

325

00:12:20,150 --> 00:12:17,279

when they took you and you were inside

326

00:12:22,629 --> 00:12:20,160

with toby what did you see inside

327

00:12:25,110 --> 00:12:22,639

incredible things i said this had to be

328

00:12:26,629 --> 00:12:25,120

one of their bigger ones i added almost

329

00:12:28,470 --> 00:12:26,639

as a matter of fact

330

00:12:31,829 --> 00:12:28,480

my conscious mind stopped playing the

331

00:12:34,150 --> 00:12:31,839

music it dawned on me he knows all about

332

00:12:37,190 --> 00:12:34,160

them already he is spot on with

333

00:12:39,350 --> 00:12:37,200

everything it was no star the son of a

334

00:12:41,190 --> 00:12:39,360

knew it was no star it was a

335

00:12:44,230 --> 00:12:41,200

goddamn spaceship

336

00:12:46,230 --> 00:12:44,240

how did he know how could he know he's

337

00:12:47,829 --> 00:12:46,240

leading me down a path to find out how

338

00:12:50,069 --> 00:12:47,839

much i know

339

00:12:51,269 --> 00:12:50,079

go on terry you're doing well now what

340

00:12:54,150 --> 00:12:51,279

did you see

341

00:12:55,910 --> 00:12:54,160

i said it was a big ship brad a large

342

00:12:58,550 --> 00:12:55,920

one it was different than the flying

343

00:13:00,949 --> 00:12:58,560

saucers and the giant ship i saw before

344

00:13:03,350 --> 00:13:00,959

it wasn't silver and it wasn't shiny it

345

00:13:05,430 --> 00:13:03,360

was a matte finish i'd call it very dark

346

00:13:08,069 --> 00:13:05,440

gray or black kind of like the black

347

00:13:09,750 --> 00:13:08,079

diamond we saw over kilo 5.

348

00:13:11,590 --> 00:13:09,760

by the way that's another sighting he'd

349

00:13:13,750 --> 00:13:11,600

had earlier on

350

00:13:15,509 --> 00:13:13,760

finishing off the quote quote it had

351  
00:13:17,269 --> 00:13:15,519  
lights on each corner that ran from the

352  
00:13:18,470 --> 00:13:17,279  
bottom to the top

353  
00:13:20,069 --> 00:13:18,480  
unquote

354  
00:13:21,990 --> 00:13:20,079  
now we're going to jump to the section

355  
00:13:24,870 --> 00:13:22,000  
of the hypnotic regression where terry

356  
00:13:27,509 --> 00:13:24,880  
describes the beings he saw inside this

357  
00:13:29,430 --> 00:13:27,519  
massive triangular craft and this part's

358  
00:13:31,990 --> 00:13:29,440  
very interesting because he encounters

359  
00:13:34,470 --> 00:13:32,000  
what looked to be not just humanoid but

360  
00:13:37,350 --> 00:13:34,480  
human beings that even seem to be in

361  
00:13:39,670 --> 00:13:37,360  
some kind of military regalia

362  
00:13:42,230 --> 00:13:39,680  
quoting from the book again quote

363  
00:13:43,910 --> 00:13:42,240

brad's voice startled me go on terry and

364

00:13:45,990 --> 00:13:43,920

tell me what you see

365

00:13:47,269 --> 00:13:46,000

disturbed by the unaccountable period i

366

00:13:49,750 --> 00:13:47,279

began again

367

00:13:51,990 --> 00:13:49,760

it was black and five stories tall it

368

00:13:54,949 --> 00:13:52,000

was enormous there were three saucers

369

00:13:57,430 --> 00:13:54,959

situated inside like plains on a carrier

370

00:13:59,670 --> 00:13:57,440

parked below deck there was a crowd of

371

00:14:01,990 --> 00:13:59,680

people too we're all waiting for our

372

00:14:04,550 --> 00:14:02,000

turn on the table the space people

373

00:14:05,430 --> 00:14:04,560

control us the taller aliens are milling

374

00:14:07,750 --> 00:14:05,440

about

375

00:14:09,509 --> 00:14:07,760

they are the ones who control everything

376

00:14:11,750 --> 00:14:09,519

if one of them looks at you it's like

377

00:14:13,590 --> 00:14:11,760

being naked they can see and know

378

00:14:15,829 --> 00:14:13,600

everything in your mind that was the

379

00:14:18,310 --> 00:14:15,839

scariest thing so i avoided looking at

380

00:14:19,430 --> 00:14:18,320

them how many humans did you see brad

381

00:14:22,230 --> 00:14:19,440

asked

382

00:14:24,550 --> 00:14:22,240

50 or 60 a lot of people some of the

383

00:14:25,670 --> 00:14:24,560

human beings were crew members they

384

00:14:27,269 --> 00:14:25,680

ignored us

385

00:14:28,949 --> 00:14:27,279

tell me terry tell me what the human

386

00:14:31,350 --> 00:14:28,959

crew members wore

387

00:14:33,430 --> 00:14:31,360

i said tan colored flight suits with

388

00:14:35,189 --> 00:14:33,440

orange insignias of rank on their

389

00:14:38,150 --> 00:14:35,199

shoulders i said

390

00:14:40,790 --> 00:14:38,160

that created a stir i heard gregory say

391

00:14:42,470 --> 00:14:40,800

son of a and then he said quote

392

00:14:45,030 --> 00:14:42,480

terry you'll forget about the men in 10

393

00:14:46,150 --> 00:14:45,040

flight suits tell me where did they take

394

00:14:48,069 --> 00:14:46,160

you next

395

00:14:49,990 --> 00:14:48,079

gregory wanted to know

396

00:14:51,910 --> 00:14:50,000

in retrospect i think he wanted to shift

397

00:14:52,790 --> 00:14:51,920

my focus away from the men dressed in

398

00:14:54,949 --> 00:14:52,800

tan

399

00:14:58,310 --> 00:14:54,959

terry turn your head now and look terry

400

00:14:59,910 --> 00:14:58,320

tell me about the aquariums unquote now

401  
00:15:01,829 --> 00:14:59,920  
just jumping a little bit further

402  
00:15:03,670 --> 00:15:01,839  
forward terry comes across these

403  
00:15:05,509 --> 00:15:03,680  
aquariums when he's being led down this

404  
00:15:07,030 --> 00:15:05,519  
part of the ship towards some sort of

405  
00:15:07,829 --> 00:15:07,040  
medical procedure that's going to be

406  
00:15:10,069 --> 00:15:07,839  
done

407  
00:15:11,670 --> 00:15:10,079  
and he notices these aquariums off to

408  
00:15:14,550 --> 00:15:11,680  
his side

409  
00:15:16,790 --> 00:15:14,560  
and brad keys in on this he says quote

410  
00:15:18,550 --> 00:15:16,800  
terry turn your head now and look terry

411  
00:15:19,430 --> 00:15:18,560  
tell me about the aquariums what do you

412  
00:15:22,230 --> 00:15:19,440  
see

413  
00:15:23,590 --> 00:15:22,240

terry responds they are big fish tanks

414

00:15:25,350 --> 00:15:23,600

inside them

415

00:15:27,590 --> 00:15:25,360

i thought they were puppies at first

416

00:15:30,710 --> 00:15:27,600

reptilian lizard-like things floating in

417

00:15:32,150 --> 00:15:30,720

pink water they were ugly with big eyes

418

00:15:34,629 --> 00:15:32,160

one twitched

419

00:15:37,110 --> 00:15:34,639

i must have screamed brad forced me to

420

00:15:39,110 --> 00:15:37,120

look terry they're images from the past

421

00:15:41,189 --> 00:15:39,120

and they can't hurt you now how many

422

00:15:43,350 --> 00:15:41,199

aquariums do you see

423

00:15:45,829 --> 00:15:43,360

a hundred or more aquariums i said they

424

00:15:47,670 --> 00:15:45,839

cover a whole wall there is pink water

425

00:15:50,470 --> 00:15:47,680

inside and some are bigger

426

00:15:53,030 --> 00:15:50,480

they look like no hell no these are

427

00:15:55,030 --> 00:15:53,040

human beings how can this be

428

00:15:56,389 --> 00:15:55,040

these can't be living human beings they

429

00:15:58,870 --> 00:15:56,399

are different

430

00:16:00,949 --> 00:15:58,880

oh god they are not like us one moved

431

00:16:02,550 --> 00:16:00,959

again its head turned towards us and

432

00:16:03,829 --> 00:16:02,560

it's i blinked

433

00:16:05,509 --> 00:16:03,839

unquote

434

00:16:08,389 --> 00:16:05,519

so before we move on to this section

435

00:16:10,870 --> 00:16:08,399

where an examination then happens let's

436

00:16:13,350 --> 00:16:10,880

first reflect on what we just read to be

437

00:16:15,829 --> 00:16:13,360

crystal clear here what seems to be

438

00:16:18,230 --> 00:16:15,839

implied by terry is that when he

439

00:16:20,870 --> 00:16:18,240

recognizes human beings in what seemed

440

00:16:23,269 --> 00:16:20,880

to be military regalia of some sort or

441

00:16:25,269 --> 00:16:23,279

another he believes the reactions of

442

00:16:27,749 --> 00:16:25,279

these three men these three agents the

443

00:16:29,749 --> 00:16:27,759

major and the two other agents suggest

444

00:16:32,150 --> 00:16:29,759

to him that they know about these kinds

445

00:16:35,189 --> 00:16:32,160

of human beings and that they're

446

00:16:37,829 --> 00:16:35,199

disturbed that actually an abductee like

447

00:16:40,150 --> 00:16:37,839

terry actually remembers so they're not

448

00:16:42,629 --> 00:16:40,160

surprised that human beings were on

449

00:16:43,990 --> 00:16:42,639

board but rather that terry can actually

450

00:16:46,389 --> 00:16:44,000

remember it and then they try to give

451  
00:16:48,790 --> 00:16:46,399  
him a hypnotic suggestion so that he

452  
00:16:51,430 --> 00:16:48,800  
will not remember that specific part of

453  
00:16:52,949 --> 00:16:51,440  
the encounter very curious i'm sure

454  
00:16:54,710 --> 00:16:52,959  
you'll agree

455  
00:16:57,189 --> 00:16:54,720  
alright so now let's jump ahead to when

456  
00:16:59,509 --> 00:16:57,199  
the examination is about to start

457  
00:17:01,509 --> 00:16:59,519  
quoting from the book again quote

458  
00:17:04,309 --> 00:17:01,519  
what's about to start terry

459  
00:17:05,750 --> 00:17:04,319  
the examination i say they do medical

460  
00:17:06,630 --> 00:17:05,760  
things and hurt me while i'm on the

461  
00:17:08,710 --> 00:17:06,640  
table

462  
00:17:10,309 --> 00:17:08,720  
i fill my lungs with air to scream and

463  
00:17:12,949 --> 00:17:10,319

nothing comes out

464

00:17:15,429 --> 00:17:12,959

oh god help me please there's a tall one

465

00:17:16,710 --> 00:17:15,439

there don't look at me oh god he's going

466

00:17:19,270 --> 00:17:16,720

to look at me

467

00:17:20,789 --> 00:17:19,280

sensing my anxiety brad squeezed my hand

468

00:17:22,789 --> 00:17:20,799

and said softly

469

00:17:24,949 --> 00:17:22,799

relax now terry and tell me about the

470

00:17:26,309 --> 00:17:24,959

tall one he can't hurt you now tell me

471

00:17:28,630 --> 00:17:26,319

about him

472

00:17:31,270 --> 00:17:28,640

he's not benign or malevolent if he

473

00:17:33,110 --> 00:17:31,280

could talk he'd say nothing personal

474

00:17:35,029 --> 00:17:33,120

just doing my job man

475

00:17:37,190 --> 00:17:35,039

he's a different type of entity a

476

00:17:40,390 --> 00:17:37,200

different animal entirely he's

477

00:17:42,789 --> 00:17:40,400

insect-like and as tall as the aliens

478

00:17:44,470 --> 00:17:42,799

the grey ones are their drones to do his

479

00:17:46,470 --> 00:17:44,480

bidding and help him

480

00:17:49,270 --> 00:17:46,480

they are worker bees what does the

481

00:17:50,789 --> 00:17:49,280

insect thing want with you brad asked

482

00:17:53,110 --> 00:17:50,799

i think they are trying to learn our

483

00:17:55,510 --> 00:17:53,120

anatomy learn how we work

484

00:17:57,190 --> 00:17:55,520

they show no empathy whatsoever and just

485

00:17:58,710 --> 00:17:57,200

go about their business

486

00:18:00,950 --> 00:17:58,720

they hurt me with instruments and

487

00:18:01,990 --> 00:18:00,960

mechanical stainless steel probes and

488

00:18:03,830 --> 00:18:02,000

knives

489

00:18:05,190 --> 00:18:03,840

there are tools that hang from a low

490

00:18:06,870 --> 00:18:05,200

dome ceiling

491

00:18:09,590 --> 00:18:06,880

everything is white porcelain and

492

00:18:11,990 --> 00:18:09,600

stainless steel i'm restrained and they

493

00:18:14,630 --> 00:18:12,000

did medical things to me i tried to tell

494

00:18:17,510 --> 00:18:14,640

them i wasn't anesthetized i was less

495

00:18:19,510 --> 00:18:17,520

than a human being i was their lab rat

496

00:18:20,870 --> 00:18:19,520

then they make me forget and everything

497

00:18:23,909 --> 00:18:20,880

will be okay

498

00:18:25,590 --> 00:18:23,919

unquote now speaking of this examination

499

00:18:28,230 --> 00:18:25,600

i'd like to jump forward to a section

500

00:18:31,350 --> 00:18:28,240

where this tall insectoid-like being

501  
00:18:34,390 --> 00:18:31,360  
who's conducting the medical examination

502  
00:18:36,390 --> 00:18:34,400  
seems to grow frustrated that terry is

503  
00:18:38,630 --> 00:18:36,400  
making so much noise putting up such a

504  
00:18:40,710 --> 00:18:38,640  
fuss and this again touches on what i

505  
00:18:43,830 --> 00:18:40,720  
talked about last week in terms of the

506  
00:18:45,669 --> 00:18:43,840  
misapprehension of human psychology

507  
00:18:47,830 --> 00:18:45,679  
by these others they seem to not

508  
00:18:50,150 --> 00:18:47,840  
understand how we work they still seem

509  
00:18:52,150 --> 00:18:50,160  
to make faulty assumptions about how to

510  
00:18:54,950 --> 00:18:52,160  
handle us quoting from that section of

511  
00:18:57,510 --> 00:18:54,960  
the book quote i heard his voice inside

512  
00:18:59,990 --> 00:18:57,520  
my head i heard it as clearly as any

513  
00:19:02,870 --> 00:19:00,000

spoken word he told me i had to stop

514

00:19:05,110 --> 00:19:02,880

screaming he said you know us we will

515

00:19:08,150 --> 00:19:05,120

not harm you you will go back and you

516

00:19:09,909 --> 00:19:08,160

will not remember so why do you scream

517

00:19:12,230 --> 00:19:09,919

he touched my right temple again and i

518

00:19:13,750 --> 00:19:12,240

immediately lost consciousness until

519

00:19:16,230 --> 00:19:13,760

they took me back

520

00:19:17,669 --> 00:19:16,240

unquote now again this is fascinating

521

00:19:19,750 --> 00:19:17,679

and this again speaks to the

522

00:19:22,310 --> 00:19:19,760

misunderstanding the misapprehension of

523

00:19:25,029 --> 00:19:22,320

our psychology this being assumes that

524

00:19:26,710 --> 00:19:25,039

since brad knows he will be taken back

525

00:19:28,630 --> 00:19:26,720

he won't ultimately be harmed that

526

00:19:31,190 --> 00:19:28,640

there's no logical reason for him to

527

00:19:33,350 --> 00:19:31,200

scream but of course terry is screaming

528

00:19:35,430 --> 00:19:33,360

because the moment is painful what

529

00:19:36,470 --> 00:19:35,440

they're doing in that present moment is

530

00:19:38,150 --> 00:19:36,480

painful

531

00:19:39,990 --> 00:19:38,160

again this seems to speak to a

532

00:19:42,789 --> 00:19:40,000

disconnect in terms of the way we

533

00:19:45,350 --> 00:19:42,799

communicate with them and vice versa now

534

00:19:47,830 --> 00:19:45,360

just as a quick reminder all of this is

535

00:19:50,070 --> 00:19:47,840

part of that hypnotic regression and at

536

00:19:52,470 --> 00:19:50,080

the end of this regression this major is

537

00:19:54,789 --> 00:19:52,480

going to use a hypnotic suggestion

538

00:19:56,470 --> 00:19:54,799

so that they hope anyway terry will not

539

00:19:58,789 --> 00:19:56,480

remember any of this that they will have

540

00:20:01,350 --> 00:19:58,799

recovered the intel but terry won't

541

00:20:03,830 --> 00:20:01,360

remember anything not consciously and so

542

00:20:05,430 --> 00:20:03,840

this major says quote terry in just a

543

00:20:07,990 --> 00:20:05,440

moment i'll take these ugly memories

544

00:20:10,149 --> 00:20:08,000

away forever you will forget everything

545

00:20:11,909 --> 00:20:10,159

that happened to you at devil's den you

546

00:20:14,470 --> 00:20:11,919

will forget that big ship and the

547

00:20:17,029 --> 00:20:14,480

aquariums the men in tan uniforms with

548

00:20:19,430 --> 00:20:17,039

orange insignias you will forget your

549

00:20:21,750 --> 00:20:19,440

trip to the moon the things you saw and

550

00:20:23,350 --> 00:20:21,760

the things you were told about the moon

551  
00:20:25,029 --> 00:20:23,360  
you will forget everything that happened

552  
00:20:27,510 --> 00:20:25,039  
to you at devil's den and you will

553  
00:20:28,710 --> 00:20:27,520  
forget everything that happened to toby

554  
00:20:31,029 --> 00:20:28,720  
ready

555  
00:20:33,430 --> 00:20:31,039  
unquote and then he takes terry through

556  
00:20:36,310 --> 00:20:33,440  
a count up and then has terry reach up

557  
00:20:38,630 --> 00:20:36,320  
and switch off a light mentally speaking

558  
00:20:39,909 --> 00:20:38,640  
so as to close the session and again

559  
00:20:42,149 --> 00:20:39,919  
they are hoping that terry will not

560  
00:20:43,909 --> 00:20:42,159  
remember anything at that point and just

561  
00:20:45,669 --> 00:20:43,919  
to clarify you should probably read the

562  
00:20:47,669 --> 00:20:45,679  
book if you want to know all the details

563  
00:20:48,630 --> 00:20:47,679

i do recommend it incident at devil's

564

00:20:50,149 --> 00:20:48,640

den

565

00:20:52,789 --> 00:20:50,159

but in that section there there was

566

00:20:54,630 --> 00:20:52,799

reference to the moon as part of terry's

567

00:20:56,710 --> 00:20:54,640

time on board that craft they actually

568

00:20:59,830 --> 00:20:56,720

show him the back side of the moon where

569

00:21:01,510 --> 00:20:59,840

he supposedly sees a full city structure

570

00:21:03,029 --> 00:21:01,520

and that there are human beings on the

571

00:21:05,190 --> 00:21:03,039

moon as well and they have been there

572

00:21:08,549 --> 00:21:05,200

for decades apparently that's what he's

573

00:21:10,470 --> 00:21:08,559

told by a specific hybrid being again i

574

00:21:13,909 --> 00:21:10,480

think this speaks to the fact that these

575

00:21:15,470 --> 00:21:13,919

experiences these encounters are complex

576

00:21:17,669 --> 00:21:15,480

while they can be shocking and

577

00:21:19,029 --> 00:21:17,679

discombobulating and ontologically

578

00:21:21,190 --> 00:21:19,039

confusing

579

00:21:23,430 --> 00:21:21,200

and while they are painful often

580

00:21:25,029 --> 00:21:23,440

especially during the medical procedures

581

00:21:28,230 --> 00:21:25,039

it's not as simple as saying they are

582

00:21:29,830 --> 00:21:28,240

malevolent or nefarious and terry goes

583

00:21:32,230 --> 00:21:29,840

out of his way to say that we just read

584

00:21:32,950 --> 00:21:32,240

that section and in addition to all of

585

00:21:35,190 --> 00:21:32,960

that

586

00:21:37,270 --> 00:21:35,200

while all this is happening all of these

587

00:21:39,669 --> 00:21:37,280

strange bizarre bewildering and

588

00:21:40,950 --> 00:21:39,679

sometimes painful experiences remember

589

00:21:41,990 --> 00:21:40,960

even when he comes back from the

590

00:21:44,870 --> 00:21:42,000

abduction

591

00:21:46,630 --> 00:21:44,880

both he and toby are in a lot of pain

592

00:21:48,230 --> 00:21:46,640

every bone in their body aches is the

593

00:21:50,710 --> 00:21:48,240

way he puts it

594

00:21:53,669 --> 00:21:50,720

but while all this is going on terry

595

00:21:55,830 --> 00:21:53,679

actually has a hybrid watcher this

596

00:21:58,470 --> 00:21:55,840

female figure that seems to be part grey

597

00:22:01,270 --> 00:21:58,480

alien and part human who tries to

598

00:22:02,470 --> 00:22:01,280

encourage him tries to show compassion

599

00:22:04,470 --> 00:22:02,480

towards him

600

00:22:07,110 --> 00:22:04,480

tries to counsel him through this entire

601  
00:22:09,430 --> 00:22:07,120  
experience and indeed it is she who

602  
00:22:11,990 --> 00:22:09,440  
later warns him about what the military

603  
00:22:14,070 --> 00:22:12,000  
may do not the aliens and we'll get to

604  
00:22:16,390 --> 00:22:14,080  
that in a moment but i first want to

605  
00:22:19,270 --> 00:22:16,400  
jump forward to a section later on in

606  
00:22:20,230 --> 00:22:19,280  
the book much later on where terry finds

607  
00:22:23,590 --> 00:22:20,240  
himself

608  
00:22:25,909 --> 00:22:23,600  
waking up sitting in his family room and

609  
00:22:27,830 --> 00:22:25,919  
before we jump into that section again i

610  
00:22:30,870 --> 00:22:27,840  
just want to remind you that these

611  
00:22:32,950 --> 00:22:30,880  
experiences for many people like terry

612  
00:22:35,990 --> 00:22:32,960  
happen over a lifetime

613  
00:22:39,029 --> 00:22:36,000

and in fact terry remembers this female

614

00:22:41,909 --> 00:22:39,039

figure this female hybrid human figure

615

00:22:44,149 --> 00:22:41,919

from childhood even in fact he realizes

616

00:22:46,870 --> 00:22:44,159

only in retrospect that the reason why

617

00:22:49,029 --> 00:22:46,880

his actual asian neighbor who was a

618

00:22:51,830 --> 00:22:49,039

woman that lived next door to them made

619

00:22:54,789 --> 00:22:51,840

him feel uneasy is because she reminded

620

00:22:57,750 --> 00:22:54,799

him of this hybrid being this hybrid

621

00:22:59,750 --> 00:22:57,760

female entity who had been his guide

622

00:23:02,710 --> 00:22:59,760

ever since childhood

623

00:23:05,110 --> 00:23:02,720

very interesting now she reappears again

624

00:23:07,750 --> 00:23:05,120

after a long period where he'd had no

625

00:23:09,270 --> 00:23:07,760

contact with these aliens whatsoever and

626

00:23:12,549 --> 00:23:09,280

this is the section we're going to jump

627

00:23:14,230 --> 00:23:12,559

to in the book now later in the 2000s

628

00:23:15,190 --> 00:23:14,240

quoting from that section of the book

629

00:23:17,590 --> 00:23:15,200

quote

630

00:23:20,070 --> 00:23:17,600

when i opened my eyes i found myself in

631

00:23:22,789 --> 00:23:20,080

our family room i was seated upright in

632

00:23:24,549 --> 00:23:22,799

my chair and sweating profusely

633

00:23:27,029 --> 00:23:24,559

i could see the alarm panel from my

634

00:23:27,990 --> 00:23:27,039

chair the alarm was set and had not been

635

00:23:30,070 --> 00:23:28,000

triggered

636

00:23:32,070 --> 00:23:30,080

never in my life have i walked in my

637

00:23:34,470 --> 00:23:32,080

sleep not once

638

00:23:37,990 --> 00:23:34,480

seated directly across from me is what i

639

00:23:40,710 --> 00:23:38,000

first mistook to be a small asian woman

640

00:23:43,029 --> 00:23:40,720

i would estimate her height at four feet

641

00:23:45,190 --> 00:23:43,039

she wore oversized sunglasses that hid

642

00:23:46,149 --> 00:23:45,200

her large almond eyes and part of her

643

00:23:48,070 --> 00:23:46,159

face

644

00:23:50,789 --> 00:23:48,080

she wore a red head scarf she had

645

00:23:51,830 --> 00:23:50,799

loosely tied to hide her pencil thin

646

00:23:54,230 --> 00:23:51,840

neck

647

00:23:55,590 --> 00:23:54,240

aside from the red scarf she was dressed

648

00:23:57,669 --> 00:23:55,600

all in black

649

00:24:00,390 --> 00:23:57,679

black blouse buttoned to the top with

650

00:24:02,070 --> 00:24:00,400

long sleeves that partially hid the four

651  
00:24:05,350 --> 00:24:02,080

very long digits

652  
00:24:07,269 --> 00:24:05,360

her pants and shoes were also black she

653  
00:24:10,070 --> 00:24:07,279

sat casually with a non-threatening

654  
00:24:13,430 --> 00:24:10,080

posture my first thought was the men in

655  
00:24:16,230 --> 00:24:13,440

black or the mib who supposedly confront

656  
00:24:17,990 --> 00:24:16,240

people who've had ufo experiences

657  
00:24:19,750 --> 00:24:18,000

their alleged goal is to dissuade

658  
00:24:21,190 --> 00:24:19,760

witnesses from telling others about

659  
00:24:23,430 --> 00:24:21,200

their experience

660  
00:24:26,549 --> 00:24:23,440

honestly i thought the mib stories were

661  
00:24:28,390 --> 00:24:26,559

urban legend and just a movie plot but

662  
00:24:29,830 --> 00:24:28,400

even urban legends sometimes have a

663  
00:24:32,870 --> 00:24:29,840

kernel of truth

664

00:24:34,950 --> 00:24:32,880

i felt mildly sedated the house was

665

00:24:37,350 --> 00:24:34,960

silent except for my breathing

666

00:24:40,390 --> 00:24:37,360

i caught that strange ionized scent in

667

00:24:42,789 --> 00:24:40,400

the air and the hair on my arm stood up

668

00:24:44,710 --> 00:24:42,799

i thought to call out for my wife but i

669

00:24:46,950 --> 00:24:44,720

knew she wouldn't wake up

670

00:24:50,549 --> 00:24:46,960

they made sure of that too

671

00:24:52,710 --> 00:24:50,559

i recall that in 1987 my wife woke up to

672

00:24:53,909 --> 00:24:52,720

find a tiny woman standing at the edge

673

00:24:56,789 --> 00:24:53,919

of our bed

674

00:24:59,110 --> 00:24:56,799

she spoke telepathically and told her

675

00:25:00,870 --> 00:24:59,120

quote everything is okay go back to

676

00:25:03,990 --> 00:25:00,880

sleep unquote

677

00:25:06,149 --> 00:25:04,000

an entity possibly the same entity now

678

00:25:08,549 --> 00:25:06,159

sitting across from me may have visited

679

00:25:10,630 --> 00:25:08,559

our home in 1987

680

00:25:11,669 --> 00:25:10,640

and never tripped the alarm or disturbed

681

00:25:13,430 --> 00:25:11,679

the dog

682

00:25:17,510 --> 00:25:13,440

i guess i shouldn't be surprised to find

683

00:25:19,029 --> 00:25:17,520

her in my home a second time unquote

684

00:25:21,269 --> 00:25:19,039

now just to be clear this is in the

685

00:25:23,350 --> 00:25:21,279

2000s much later on

686

00:25:25,669 --> 00:25:23,360

and again she's here to comfort him and

687

00:25:28,230 --> 00:25:25,679

to warn him to some degree jumping back

688

00:25:29,830 --> 00:25:28,240

into that section of the book quote i

689

00:25:31,669 --> 00:25:29,840

was certain i met her during that

690

00:25:32,870 --> 00:25:31,679

abduction and probably a long time

691

00:25:34,710 --> 00:25:32,880

before that

692

00:25:36,870 --> 00:25:34,720

the voice i heard in my head came as

693

00:25:38,870 --> 00:25:36,880

plainly as a spoken word

694

00:25:41,110 --> 00:25:38,880

she spoke with perfect english grammar

695

00:25:43,750 --> 00:25:41,120

with no discernible accent

696

00:25:45,590 --> 00:25:43,760

she responded to my thoughts immediately

697

00:25:48,070 --> 00:25:45,600

yes i'm that woman

698

00:25:51,430 --> 00:25:48,080

no you will not be taken tonight no more

699

00:25:54,310 --> 00:25:51,440

examinations ever i promise

700

00:25:56,549 --> 00:25:54,320

her promise ebbed my fear by a degree

701  
00:25:59,669 --> 00:25:56,559  
very soon all my fears had vanished i

702  
00:26:01,909 --> 00:25:59,679  
wasn't surprised unquote

703  
00:26:03,750 --> 00:26:01,919  
so just to set the stage here remember

704  
00:26:06,149 --> 00:26:03,760  
this is decades later this is in the

705  
00:26:08,870 --> 00:26:06,159  
2000s when terry is actually

706  
00:26:11,350 --> 00:26:08,880  
contemplating writing a book and taking

707  
00:26:13,510 --> 00:26:11,360  
this information public including the

708  
00:26:15,110 --> 00:26:13,520  
information that was supposedly

709  
00:26:17,029 --> 00:26:15,120  
classified and part of his

710  
00:26:19,590 --> 00:26:17,039  
non-disclosure agreement

711  
00:26:21,830 --> 00:26:19,600  
now she's come to warn him about the

712  
00:26:25,110 --> 00:26:21,840  
consequences if he goes ahead with his

713  
00:26:27,510 --> 00:26:25,120

plan for disclosure jumping into that

714

00:26:29,510 --> 00:26:27,520

conversation from the book quote

715

00:26:31,350 --> 00:26:29,520

what could i know that is so important

716

00:26:33,669 --> 00:26:31,360

lots of people write books and openly

717

00:26:35,029 --> 00:26:33,679

discuss their experiences why am i

718

00:26:37,669 --> 00:26:35,039

singled out

719

00:26:39,669 --> 00:26:37,679

she was unequivocal you know things and

720

00:26:42,390 --> 00:26:39,679

you have seen images of things that are

721

00:26:43,909 --> 00:26:42,400

crucial to their shared agenda

722

00:26:46,630 --> 00:26:43,919

they are important to both your

723

00:26:48,549 --> 00:26:46,640

government and to my hosts you are not

724

00:26:50,870 --> 00:26:48,559

aware of their importance and you can't

725

00:26:52,710 --> 00:26:50,880

discern which memories are sensitive and

726

00:26:54,630 --> 00:26:52,720

should not be disclosed

727

00:26:56,149 --> 00:26:54,640

to remove them now would cause you great

728

00:26:58,310 --> 00:26:56,159

harm

729

00:26:59,190 --> 00:26:58,320

it was difficult to stay on topic i

730

00:27:01,269 --> 00:26:59,200

asked

731

00:27:03,350 --> 00:27:01,279

is this thing in my leg tied to all of

732

00:27:06,390 --> 00:27:03,360

this by the way as a quick aside he

733

00:27:08,549 --> 00:27:06,400

found an implant in his leg at one point

734

00:27:10,470 --> 00:27:08,559

jumping back into the book quote

735

00:27:12,070 --> 00:27:10,480

how many people have been tagged with an

736

00:27:14,070 --> 00:27:12,080

implant like mine

737

00:27:15,669 --> 00:27:14,080

i wanted to know but i wasn't prepared

738

00:27:17,909 --> 00:27:15,679

for the answer

739

00:27:20,389 --> 00:27:17,919

many many thousands over three

740

00:27:23,590 --> 00:27:20,399

generations was her reply

741

00:27:25,750 --> 00:27:23,600

i was stunned by her answer i asked her

742

00:27:28,310 --> 00:27:25,760

please answer two questions for me what

743

00:27:30,070 --> 00:27:28,320

is the purpose of this thing in my leg

744

00:27:31,990 --> 00:27:30,080

are you here to persuade me to not

745

00:27:34,789 --> 00:27:32,000

disclose what i know

746

00:27:37,510 --> 00:27:34,799

her answers continued to astonish me

747

00:27:39,269 --> 00:27:37,520

you have devices in both of your legs

748

00:27:41,590 --> 00:27:39,279

they serve a purpose and they have

749

00:27:43,590 --> 00:27:41,600

caused you no harm if you continue to

750

00:27:46,710 --> 00:27:43,600

speak publicly and if you publish your

751  
00:27:49,510 --> 00:27:46,720  
book my hosts will recover them that is

752  
00:27:51,750 --> 00:27:49,520  
the limit of my host's concern

753  
00:27:54,230 --> 00:27:51,760  
then it occurred to me my left leg had

754  
00:27:55,830 --> 00:27:54,240  
never been x-rayed i have two of these

755  
00:27:57,590 --> 00:27:55,840  
things inside of me

756  
00:28:00,549 --> 00:27:57,600  
my next thought was

757  
00:28:02,470 --> 00:28:00,559  
why how can the devices be removed

758  
00:28:05,350 --> 00:28:02,480  
my host will not allow you to have them

759  
00:28:07,669 --> 00:28:05,360  
removed here and analyzed by terrestrial

760  
00:28:08,950 --> 00:28:07,679  
scientists for their composition

761  
00:28:11,510 --> 00:28:08,960  
they won't harm you and you'll

762  
00:28:13,830 --> 00:28:11,520  
experience no pain they'll remove them

763  
00:28:16,070 --> 00:28:13,840

from your body while you're sleeping

764

00:28:19,110 --> 00:28:16,080

your government also has interests in

765

00:28:21,830 --> 00:28:19,120

you and in your devices she added

766

00:28:24,389 --> 00:28:21,840

i asked i still don't understand can you

767

00:28:26,310 --> 00:28:24,399

answer plainly these things in my leg

768

00:28:28,549 --> 00:28:26,320

what purpose do they serve

769

00:28:31,350 --> 00:28:28,559

the devices have many purposes the

770

00:28:33,590 --> 00:28:31,360

concern among all is that once disclosed

771

00:28:35,990 --> 00:28:33,600

they will support your claims your

772

00:28:38,070 --> 00:28:36,000

government will not allow it they will

773

00:28:39,430 --> 00:28:38,080

first attempt to discredit you she said

774

00:28:41,830 --> 00:28:39,440

with emphasis

775

00:28:43,350 --> 00:28:41,840

who are your hosts i asked it seemed

776

00:28:45,590 --> 00:28:43,360

like such an odd way to refer to

777

00:28:48,230 --> 00:28:45,600

whatever entities she worked for

778

00:28:50,230 --> 00:28:48,240

host can be a verb as in to host a

779

00:28:52,549 --> 00:28:50,240

dinner party it can also be used to

780

00:28:55,350 --> 00:28:52,559

reference a symbiotic relationship that

781

00:28:57,510 --> 00:28:55,360

can be mutualistic or parasitic

782

00:28:59,990 --> 00:28:57,520

she gave an eloquent reply

783

00:29:02,230 --> 00:29:00,000

you call them aliens i refer to them as

784

00:29:03,350 --> 00:29:02,240

my hosts because they are not alien to

785

00:29:05,190 --> 00:29:03,360

me

786

00:29:06,230 --> 00:29:05,200

with that question answered i asked

787

00:29:08,310 --> 00:29:06,240

again

788

00:29:10,470 --> 00:29:08,320

a lot of people write books speak in

789

00:29:13,110 --> 00:29:10,480

public and in the media on the topic of

790

00:29:15,269 --> 00:29:13,120

extraterrestrial beings visiting earth

791

00:29:17,350 --> 00:29:15,279

why would my government not allow me to

792

00:29:20,630 --> 00:29:17,360

disclose these things why is my

793

00:29:22,310 --> 00:29:20,640

information any different unquote now at

794

00:29:24,950 --> 00:29:22,320

this point terry is still somewhat

795

00:29:27,510 --> 00:29:24,960

confused if you noticed earlier

796

00:29:29,830 --> 00:29:27,520

this hybrid being suggested that at

797

00:29:32,310 --> 00:29:29,840

first the government would attempt to

798

00:29:34,470 --> 00:29:32,320

discredit terry but their attempts to

799

00:29:36,950 --> 00:29:34,480

stop his move for disclosure would not

800

00:29:39,350 --> 00:29:36,960

stop there in fact the most poignant

801  
00:29:42,149 --> 00:29:39,360  
moment is when she says to terry quote

802  
00:29:43,830 --> 00:29:42,159  
your government will kill you unquote

803  
00:29:46,070 --> 00:29:43,840  
and here she's referring to what they

804  
00:29:49,350 --> 00:29:46,080  
will do the government if terry

805  
00:29:51,510 --> 00:29:49,360  
continues with his plan to go public

806  
00:29:53,269 --> 00:29:51,520  
now at this point i'd like to step back

807  
00:29:55,430 --> 00:29:53,279  
and reflect on everything we've talked

808  
00:29:58,070 --> 00:29:55,440  
about everything we've read from this

809  
00:30:00,870 --> 00:29:58,080  
book both in this episode and in the

810  
00:30:03,110 --> 00:30:00,880  
previous one episode 54.

811  
00:30:05,909 --> 00:30:03,120  
this clearly is yet another case of a

812  
00:30:07,110 --> 00:30:05,919  
human being who's experienced abduction

813  
00:30:10,230 --> 00:30:07,120

accounts

814

00:30:12,470 --> 00:30:10,240

repeatedly over the course of a lifetime

815

00:30:13,909 --> 00:30:12,480

but along with that we have to remember

816

00:30:15,669 --> 00:30:13,919

that there are often

817

00:30:18,070 --> 00:30:15,679

long periods of time where nothing

818

00:30:20,470 --> 00:30:18,080

apparently happens sometimes decades can

819

00:30:22,789 --> 00:30:20,480

go by for people like terry lovelace

820

00:30:24,549 --> 00:30:22,799

when nothing really happens at least

821

00:30:26,710 --> 00:30:24,559

nothing that's conscious because again

822

00:30:28,230 --> 00:30:26,720

part of the challenge here is that just

823

00:30:30,950 --> 00:30:28,240

because you don't remember something

824

00:30:33,029 --> 00:30:30,960

happening doesn't mean it hasn't

825

00:30:35,430 --> 00:30:33,039

in fact often it's only after he's

826

00:30:37,590 --> 00:30:35,440

experienced some kind of associative

827

00:30:40,549 --> 00:30:37,600

triggering event in his life that

828

00:30:43,190 --> 00:30:40,559

suddenly a memory surfaces because again

829

00:30:45,269 --> 00:30:43,200

the challenge here is that these others

830

00:30:47,830 --> 00:30:45,279

can control our memories they can take

831

00:30:49,750 --> 00:30:47,840

memories away they can cover over them

832

00:30:51,750 --> 00:30:49,760

with screen memories and they can

833

00:30:54,070 --> 00:30:51,760

implant false memories there's some

834

00:30:56,870 --> 00:30:54,080

evidence for that as well so being able

835

00:30:59,190 --> 00:30:56,880

to actually ascertain what has actually

836

00:31:02,230 --> 00:30:59,200

happened over the course of a life when

837

00:31:04,789 --> 00:31:02,240

you are an abductee or a contactee is

838

00:31:08,149 --> 00:31:04,799

very complex the degree to which they

839

00:31:11,830 --> 00:31:08,159

can control our actions our thinking our

840

00:31:14,389 --> 00:31:11,840

feelings and our behavior is astounding

841

00:31:17,190 --> 00:31:14,399

now speaking of triggering associative

842

00:31:20,310 --> 00:31:17,200

kind of events that happen that do end

843

00:31:22,149 --> 00:31:20,320

up surfacing memories in terry's case

844

00:31:23,830 --> 00:31:22,159

there were some very bizarre ones for

845

00:31:26,789 --> 00:31:23,840

instance one time he was walking with

846

00:31:29,430 --> 00:31:26,799

his wife in the mall rounded a corner

847

00:31:31,110 --> 00:31:29,440

and saw mannequins in a store window and

848

00:31:33,590 --> 00:31:31,120

that was enough for him to suddenly have

849

00:31:36,230 --> 00:31:33,600

memories of grey aliens that alone

850

00:31:37,669 --> 00:31:36,240

suddenly made his heart rate race to the

851

00:31:39,750 --> 00:31:37,679

point where he feared that he was

852

00:31:41,750 --> 00:31:39,760

actually going to have a heart attack

853

00:31:43,909 --> 00:31:41,760

and this came out of nowhere nothing had

854

00:31:45,830 --> 00:31:43,919

been happening recently to suggest that

855

00:31:48,789 --> 00:31:45,840

anything like this was going to happen

856

00:31:51,029 --> 00:31:48,799

we also mentioned how his asian neighbor

857

00:31:53,590 --> 00:31:51,039

this female asian neighbor was enough to

858

00:31:56,630 --> 00:31:53,600

trigger discomfort in him though he

859

00:31:58,630 --> 00:31:56,640

couldn't at the time understand why in

860

00:32:00,710 --> 00:31:58,640

fact when we can't relate this back to

861

00:32:02,870 --> 00:32:00,720

some memory we assume it must be

862

00:32:04,789 --> 00:32:02,880

something about that person themselves

863

00:32:06,310 --> 00:32:04,799

as it turns out it was nothing about

864

00:32:08,630 --> 00:32:06,320

this lady it turns out this neighbor

865

00:32:09,990 --> 00:32:08,640

lady was very friendly and would often

866

00:32:12,389 --> 00:32:10,000

bake cookies and whatnot for the

867

00:32:14,630 --> 00:32:12,399

neighborhood kids the reason why she

868

00:32:17,750 --> 00:32:14,640

made him uncomfortable as a kid was

869

00:32:20,630 --> 00:32:17,760

because she reminded him unconsciously

870

00:32:22,950 --> 00:32:20,640

of this hybrid being this hybrid watcher

871

00:32:25,190 --> 00:32:22,960

being that we just discussed

872

00:32:27,830 --> 00:32:25,200

and just to really highlight this aspect

873

00:32:29,909 --> 00:32:27,840

of the phenomenon where abductees will

874

00:32:31,990 --> 00:32:29,919

suddenly have triggering events that

875

00:32:33,350 --> 00:32:32,000

bring back memories that are somewhat

876

00:32:35,350 --> 00:32:33,360

traumatic

877

00:32:37,269 --> 00:32:35,360

when terry went and actually saw

878

00:32:39,750 --> 00:32:37,279

counseling at one point and had some

879

00:32:42,149 --> 00:32:39,760

brain scans done it was clear to the

880

00:32:44,470 --> 00:32:42,159

therapist who was very compassionate and

881

00:32:47,029 --> 00:32:44,480

empathetic that terry was showing all

882

00:32:49,590 --> 00:32:47,039

the signs of ptsd this was actually

883

00:32:52,470 --> 00:32:49,600

showing up in the tests they ran on him

884

00:32:54,549 --> 00:32:52,480

and she asked him again empathetically

885

00:32:56,549 --> 00:32:54,559

what kind of events had he been through

886

00:32:58,070 --> 00:32:56,559

that would bring about the eventuality

887

00:33:00,630 --> 00:32:58,080

where he was showing signs of

888

00:33:02,710 --> 00:33:00,640

post-traumatic stress disorder

889

00:33:04,470 --> 00:33:02,720

again she knew from his history that he

890

00:33:06,149 --> 00:33:04,480

had not actually been in combat when he

891

00:33:07,669 --> 00:33:06,159

was in the military he never left the

892

00:33:10,230 --> 00:33:07,679

united states

893

00:33:12,630 --> 00:33:10,240

even when they found the implant in his

894

00:33:15,190 --> 00:33:12,640

knee they wondered if that was shrapnel

895

00:33:16,870 --> 00:33:15,200

from warfare but again terry had never

896

00:33:18,630 --> 00:33:16,880

been in combat

897

00:33:20,470 --> 00:33:18,640

and to this therapist's credit she

898

00:33:22,230 --> 00:33:20,480

actually believed him although he was

899

00:33:24,310 --> 00:33:22,240

very hesitant to say much about the

900

00:33:26,470 --> 00:33:24,320

abductions at all she knew there was

901  
00:33:28,310 --> 00:33:26,480  
something he was not saying and she said

902  
00:33:30,710 --> 00:33:28,320  
to him that whatever he had experienced

903  
00:33:33,029 --> 00:33:30,720  
it clearly was real enough that it had

904  
00:33:35,509 --> 00:33:33,039  
resulted in a classic case of

905  
00:33:37,269 --> 00:33:35,519  
post-traumatic stress disorder and in

906  
00:33:39,669 --> 00:33:37,279  
fact she was ready to refer him to

907  
00:33:42,310 --> 00:33:39,679  
someone else who actually also had had

908  
00:33:44,549 --> 00:33:42,320  
experiences with something like ufos or

909  
00:33:46,710 --> 00:33:44,559  
aliens that was a therapist that she

910  
00:33:49,029 --> 00:33:46,720  
thought could help him

911  
00:33:50,950 --> 00:33:49,039  
now as we step back from a case like

912  
00:33:52,870 --> 00:33:50,960  
that of terry lovelace and the many

913  
00:33:55,990 --> 00:33:52,880

people like him who've experienced these

914

00:33:58,149 --> 00:33:56,000

kinds of encounters over a lifetime

915

00:34:00,389 --> 00:33:58,159

i think a couple things are clear

916

00:34:02,870 --> 00:34:00,399

number one this is a complex

917

00:34:05,029 --> 00:34:02,880

multi-faceted phenomenon involving

918

00:34:07,830 --> 00:34:05,039

abductions apparent hybridization

919

00:34:10,550 --> 00:34:07,840

programs memory adjustment behavior

920

00:34:13,109 --> 00:34:10,560

modification and on it goes

921

00:34:15,270 --> 00:34:13,119

in terry lovelace's case he's mostly

922

00:34:17,669 --> 00:34:15,280

made peace with these events looking

923

00:34:19,510 --> 00:34:17,679

back over the course of his lifetime he

924

00:34:22,069 --> 00:34:19,520

doesn't believe they mean him harm or

925

00:34:23,909 --> 00:34:22,079

meant him harm at any point in his life

926  
00:34:25,829 --> 00:34:23,919  
nevertheless there's no doubt that the

927  
00:34:28,310 --> 00:34:25,839  
experience was traumatic was

928  
00:34:30,710 --> 00:34:28,320  
discombobulating was ontologically

929  
00:34:32,149 --> 00:34:30,720  
shocking and therefore even if people

930  
00:34:34,869 --> 00:34:32,159  
ultimately end up seeing these

931  
00:34:36,869 --> 00:34:34,879  
experiences as positive or neutral i

932  
00:34:40,310 --> 00:34:36,879  
would argue that our response to people

933  
00:34:42,550 --> 00:34:40,320  
to experiencers abductees contact these

934  
00:34:45,750 --> 00:34:42,560  
should first and foremost be one of

935  
00:34:48,069 --> 00:34:45,760  
patience and compassion

936  
00:34:50,310 --> 00:34:48,079  
now before we sign off for this edition

937  
00:34:52,790 --> 00:34:50,320  
of point of convergence i want to bring

938
