2
00:00:13,430 --> 00:00:11,110

hello and welcome to episode number 56

3
00:00:17,750 --> 00:00:13,440

of the point of convergence podcast

4
00:00:19,750 --> 00:00:17,760

as always i am your host exo academian

5
00:00:22,310 --> 00:00:19,760

in the two previous episodes of the

6
00:00:24,870 --> 00:00:22,320

podcast we covered the key elements of

7
00:00:26,870 --> 00:00:24,880

the case of terry lovelace a man who's

8
00:00:28,790 --> 00:00:26,880

had a lifetime of experiences with

9
00:00:30,950 --> 00:00:28,800

apparently non-human

10
00:00:33,670 --> 00:00:30,960

alien intelligences

11
00:00:36,310 --> 00:00:33,680

lovelace's case is punctuated by events

12
00:00:38,549 --> 00:00:36,320

known as abductions which involve human

13
00:00:41,110 --> 00:00:38,559

beings being visited by these alien

14

00:00:42,709 --> 00:00:41,120

others and then transported by way of

15

00:00:45,430 --> 00:00:42,719

their technology

16

00:00:47,990 --> 00:00:45,440

up into craft either situated above a

17

00:00:49,830 --> 00:00:48,000

particular location or apparently

18

00:00:52,150 --> 00:00:49,840

orbiting the earth

19

00:00:54,869 --> 00:00:52,160

in one instance Lovelace recounts being

20

00:00:57,029 --> 00:00:54,879

transported to a massive mothership

21

00:00:59,430 --> 00:00:57,039

so large that it needed to be parked on

22

00:01:02,150 --> 00:00:59,440

the far side of the moon in order to not

23

00:01:03,750 --> 00:01:02,160

be visible to the naked eye of those on

24

00:01:06,149 --> 00:01:03,760

earth

25

00:01:08,230 --> 00:01:06,159

as it turns out a case such as Lovelace's

26

00:01:09,910 --> 00:01:08,240

is not terribly unique

27

00:01:12,630 --> 00:01:09,920

in fact beyond certain fairly

28

00:01:15,350 --> 00:01:12,640

superficial differences this case bears

29

00:01:18,070 --> 00:01:15,360

remarkable similarity to a host of other

30

00:01:20,789 --> 00:01:18,080

cases documented within the annals of

31

00:01:22,870 --> 00:01:20,799

the ufo phenomenon literature

32

00:01:24,870 --> 00:01:22,880

in fact it is not a stretch to say that

33

00:01:27,510 --> 00:01:24,880

this particular kind of alien

34

00:01:28,789 --> 00:01:27,520

interaction is one of the most commonly

35

00:01:30,789 --> 00:01:28,799

reported

36

00:01:33,429 --> 00:01:30,799

and of course that's precisely why i

37

00:01:35,510 --> 00:01:33,439

picked lovelace's case to highlight

38

00:01:37,990 --> 00:01:35,520

because it is so representative of a

39

00:01:40,310 --> 00:01:38,000

larger phenomenon that speaks to a group

40

00:01:42,870 --> 00:01:40,320

of alien others interacting with human

41

00:01:45,830 --> 00:01:42,880

beings all across the planet and over

42

00:01:47,270 --> 00:01:45,840

the course of multiple generations

43

00:01:49,109 --> 00:01:47,280

so now that we've taken the time to

44

00:01:51,510 --> 00:01:49,119

highlight some of the specifics of

45

00:01:53,590 --> 00:01:51,520

lovelace's case and how it played out

46

00:01:55,590 --> 00:01:53,600

over the course of his lifetime

47

00:01:57,830 --> 00:01:55,600

in this episode i'd like to dive into

48

00:02:00,550 --> 00:01:57,840

the key elements of these particular

49

00:02:02,709 --> 00:02:00,560

kinds of cases that again are well

50

00:02:04,069 --> 00:02:02,719

attested throughout the ufo phenomenon

51

00:02:06,709 --> 00:02:04,079

literature

52

00:02:09,270 --> 00:02:06,719

what the data tells us is that barring

53

00:02:11,350 --> 00:02:09,280

some massive disinformation campaign

54

00:02:14,070 --> 00:02:11,360

involving thousands of people all across

55

00:02:16,550 --> 00:02:14,080

the world co-conspiring to enact some

56

00:02:18,869 --> 00:02:16,560

bizarre and unwieldy psyop

57

00:02:20,390 --> 00:02:18,879

these events really are happening in one

58

00:02:22,550 --> 00:02:20,400

way or another

59

00:02:26,229 --> 00:02:22,560

this particular kind of human alien

60

00:02:27,750 --> 00:02:26,239

interaction is going on on mass as we

61

00:02:29,830 --> 00:02:27,760

speak

62

00:02:32,710 --> 00:02:29,840

this answers the what's happening or

63

00:02:34,949 --> 00:02:32,720

what is it aspect of the ufo phenomenon

64

00:02:36,390 --> 00:02:34,959

or at least in relation to one aspect of

65

00:02:38,790 --> 00:02:36,400

it because again

66

00:02:40,869 --> 00:02:38,800

as i keep trying to drive home from my

67

00:02:43,910 --> 00:02:40,879

perspective what we conveniently call

68

00:02:46,070 --> 00:02:43,920

the ufo phenomenon is likely an amalgam

69

00:02:48,309 --> 00:02:46,080

of numerous phenomena arising from

70

00:02:50,630 --> 00:02:48,319

different intelligences with likely

71

00:02:52,470 --> 00:02:50,640

different origin stories not to mention

72

00:02:54,630 --> 00:02:52,480

different agendas

73

00:02:56,630 --> 00:02:54,640

but in relation to this one key element

74

00:02:58,790 --> 00:02:56,640

of the larger phenomenon

75

00:03:02,070 --> 00:02:58,800

knowing what's happening only serves to

76

00:03:03,670 --> 00:03:02,080

beg certain key questions such as

77

00:03:05,990 --> 00:03:03,680

who's involved

78

00:03:07,110 --> 00:03:06,000

why are they doing it and how are they

79

00:03:09,670 --> 00:03:07,120

doing it

80

00:03:12,390 --> 00:03:09,680

we might also ask how is it that this is

81

00:03:14,470 --> 00:03:12,400

happening seemingly under the very noses

82

00:03:16,790 --> 00:03:14,480

of the world's populace

83

00:03:19,350 --> 00:03:16,800

said differently why the societal

84

00:03:20,949 --> 00:03:19,360

ignorance and or disinterest

85

00:03:23,589 --> 00:03:20,959

and to what degree are the governments

86

00:03:25,350 --> 00:03:23,599

of the world aware of this phenomenon

87

00:03:27,190 --> 00:03:25,360

and to what degree might they actually

88

00:03:29,430 --> 00:03:27,200

be involved

89

00:03:31,270 --> 00:03:29,440

these are the very thorny but essential

90

00:03:32,390 --> 00:03:31,280

questions we'll seek to find some

91

00:03:35,670 --> 00:03:32,400

clarity on

92

00:03:39,160 --> 00:03:35,680

in this the 56th episode of the point of

93

00:03:44,309 --> 00:03:42,309

[Music]

94

00:03:46,630 --> 00:03:44,319

as i mentioned in the introduction in

95

00:03:49,110 --> 00:03:46,640

the two episodes previous to this we

96

00:03:50,390 --> 00:03:49,120

discussed the terry lovelace case in

97

00:03:52,390 --> 00:03:50,400

some detail

98

00:03:54,149 --> 00:03:52,400

and while we'll only be touching on that

99

00:03:56,710 --> 00:03:54,159

case in passing today because we're

100

00:03:58,789 --> 00:03:56,720

going to focus more on the key trends

101
00:04:00,630 --> 00:03:58,799
that are found within these cases you

102
00:04:03,670 --> 00:04:00,640
may want to go back and listen to those

103
00:04:06,149 --> 00:04:03,680
two podcast episodes first episodes 54

104
00:04:07,830 --> 00:04:06,159
and 55 so that you'll fully understand

105
00:04:09,350 --> 00:04:07,840
what's going on in what we discussed

106
00:04:11,990 --> 00:04:09,360
today

107
00:04:13,270 --> 00:04:12,000
now terry's case is one of thousands

108
00:04:15,670 --> 00:04:13,280
just like it

109
00:04:18,150 --> 00:04:15,680
are so closely aligned with numerous

110
00:04:20,710 --> 00:04:18,160
other encounters so as to suggest that

111
00:04:23,350 --> 00:04:20,720
this kind of encounter is descriptive of

112
00:04:25,670 --> 00:04:23,360
a specific kind of event or series of

113
00:04:28,950 --> 00:04:25,680

events orchestrated by the same

114

00:04:31,030 --> 00:04:28,960

definitive type of entities

115

00:04:32,870 --> 00:04:31,040

now let's first discuss what's involved

116

00:04:34,469 --> 00:04:32,880

with these kinds of cases there are

117

00:04:35,430 --> 00:04:34,479

numerous elements we want to touch on

118

00:04:37,909 --> 00:04:35,440

here

119

00:04:40,390 --> 00:04:37,919

number one the people being interacted

120

00:04:42,950 --> 00:04:40,400

with by these non-human beings

121

00:04:45,590 --> 00:04:42,960

often begin to experience this kind of

122

00:04:47,830 --> 00:04:45,600

event in childhood now it's worth noting

123

00:04:50,230 --> 00:04:47,840

that sometimes it's only later in life

124

00:04:53,189 --> 00:04:50,240

in adulthood that certain

125

00:04:55,510 --> 00:04:53,199

associative events trigger memories

126

00:04:56,950 --> 00:04:55,520

that help these individuals realized

127

00:04:59,510 --> 00:04:56,960

they had had encounters with these

128

00:05:01,189 --> 00:04:59,520

beings even as young children so that's

129

00:05:03,749 --> 00:05:01,199

the first element that it begins in

130

00:05:05,670 --> 00:05:03,759

childhood very commonly that's the case

131

00:05:08,230 --> 00:05:05,680

in fact you could almost argue that for

132

00:05:10,870 --> 00:05:08,240

these kinds of entities and these kinds

133

00:05:13,029 --> 00:05:10,880

of cases if you're already an adult and

134

00:05:15,110 --> 00:05:13,039

you do not have any memory of these

135

00:05:17,510 --> 00:05:15,120

kinds of cases unless they've been

136

00:05:19,830 --> 00:05:17,520

repressed the chances are if you've not

137

00:05:21,990 --> 00:05:19,840

been interacted with yet one could argue

138

00:05:23,749 --> 00:05:22,000

that you won't because it seems like a

139

00:05:25,749 --> 00:05:23,759

very common trend that those that do

140

00:05:27,430 --> 00:05:25,759

have these experiences have them from

141

00:05:29,590 --> 00:05:27,440

childhood on

142

00:05:31,670 --> 00:05:29,600

sometimes it lasts into early adulthood

143

00:05:33,749 --> 00:05:31,680

and then cuts off and then sometimes it

144

00:05:36,469 --> 00:05:33,759

happens throughout the entire lifetime

145

00:05:38,469 --> 00:05:36,479

and sometimes it happens with long spans

146

00:05:40,629 --> 00:05:38,479

in between a decade or more or two

147

00:05:41,749 --> 00:05:40,639

decades even when nothing seemingly

148

00:05:43,510 --> 00:05:41,759

happens

149

00:05:46,070 --> 00:05:43,520

of course because these others can

150

00:05:48,710 --> 00:05:46,080

control perception and consciousness we

151

00:05:50,390 --> 00:05:48,720

can't be sure of that last metric

152

00:05:52,550 --> 00:05:50,400

it may be that they are interacting with

153

00:05:54,230 --> 00:05:52,560

us even in those in-between times but

154

00:05:55,830 --> 00:05:54,240

we're just not aware of it

155

00:05:58,790 --> 00:05:55,840

i should also bring to your attention

156

00:06:01,270 --> 00:05:58,800

that there is one suggestion out there

157

00:06:03,350 --> 00:06:01,280

that posits that perhaps everyone is

158

00:06:05,189 --> 00:06:03,360

being interacted with by these beings

159

00:06:08,070 --> 00:06:05,199

that everyone or at least almost

160

00:06:10,870 --> 00:06:08,080

everyone is being abducted or at least

161

00:06:12,469 --> 00:06:10,880

vast segments of the population are and

162

00:06:15,430 --> 00:06:12,479

it's just that a certain segment a

163

00:06:18,550 --> 00:06:15,440

certain subsection of the population has

164

00:06:20,070 --> 00:06:18,560

the capacity to remember these events

165

00:06:22,629 --> 00:06:20,080

now as i also mentioned in the

166

00:06:25,110 --> 00:06:22,639

introduction the next element is that

167

00:06:27,029 --> 00:06:25,120

these people are taken by these others

168

00:06:29,670 --> 00:06:27,039

and then transported on board what

169

00:06:31,350 --> 00:06:29,680

seemed to be some kind of craft

170

00:06:33,990 --> 00:06:31,360

now it should be pointed out here that

171

00:06:36,150 --> 00:06:34,000

some will argue this is an illusion that

172

00:06:38,230 --> 00:06:36,160

actually these people are only being

173

00:06:40,950 --> 00:06:38,240

interacted with in their consciousness

174

00:06:42,950 --> 00:06:40,960

so to speak in other words they perceive

175

00:06:44,469 --> 00:06:42,960

being taken to another craft but perhaps

176

00:06:46,390 --> 00:06:44,479

they never left their bedrooms that's

177

00:06:48,950 --> 00:06:46,400

what some people would posit

178

00:06:51,430 --> 00:06:48,960

but of course this begs the question how

179

00:06:53,749 --> 00:06:51,440

do we explain artifacts in manifest

180

00:06:55,589 --> 00:06:53,759

reality that are tied to these events

181

00:06:58,390 --> 00:06:55,599

here we're talking about elements like

182

00:07:01,670 --> 00:06:58,400

radar returns soil indentations

183

00:07:03,350 --> 00:07:01,680

shrubby burns markings on the grass of

184

00:07:05,749 --> 00:07:03,360

course in terms of the individuals

185

00:07:08,550 --> 00:07:05,759

themselves they very often have marks

186

00:07:09,830 --> 00:07:08,560

left on their bodies or radiation burns

187

00:07:11,510 --> 00:07:09,840

etc

188

00:07:14,070 --> 00:07:11,520

so that seems to suggest that this is

189

00:07:16,870 --> 00:07:14,080

happening at a level of reality beyond

190

00:07:18,710 --> 00:07:16,880

just the people's perception alone

191

00:07:20,710 --> 00:07:18,720

now in terms of the kinds of craft they

192

00:07:22,469 --> 00:07:20,720

are transported to

193

00:07:24,230 --> 00:07:22,479

this really covers the gamut you get

194

00:07:25,270 --> 00:07:24,240

everything from your traditional flying

195

00:07:28,309 --> 00:07:25,280

saucer

196

00:07:31,189 --> 00:07:28,319

to triangles to massive orbital craft

197

00:07:32,710 --> 00:07:31,199

that look like massive rectangles and

198

00:07:34,629 --> 00:07:32,720

people have actually put together

199

00:07:36,790 --> 00:07:34,639

illustrative charts showing all the

200

00:07:39,510 --> 00:07:36,800

different variations on the different

201
00:07:41,990 --> 00:07:39,520
kinds of craft described and it really

202
00:07:43,830 --> 00:07:42,000
does cover the gamut it is quite amazing

203
00:07:46,070 --> 00:07:43,840
so much so that one actually wonders if

204
00:07:47,909 --> 00:07:46,080
perhaps shape-shifting is part and

205
00:07:49,510 --> 00:07:47,919
parcel with these craft and some people

206
00:07:51,909 --> 00:07:49,520
have actually seen that happening

207
00:07:54,390 --> 00:07:51,919
perhaps they have no fixed shape it's

208
00:07:56,230 --> 00:07:54,400
worth considering that as well

209
00:07:58,550 --> 00:07:56,240
all right let's move on to the next very

210
00:08:00,869 --> 00:07:58,560
common element attributed to these kinds

211
00:08:03,510 --> 00:08:00,879
of encounters the next one on our list

212
00:08:05,110 --> 00:08:03,520
is the control of space-time now here we

213
00:08:07,909 --> 00:08:05,120

think back to the case of richard

214

00:08:10,469 --> 00:08:07,919

hastings and his book confession our

215

00:08:13,350 --> 00:08:10,479

hidden alien encounters revealed which

216

00:08:15,430 --> 00:08:13,360

he co-authored with bob jacobs and by

217

00:08:17,909 --> 00:08:15,440

the way that case was covered in episode

218

00:08:20,950 --> 00:08:17,919

number 30. and in that case you may

219

00:08:23,830 --> 00:08:20,960

recall that hastings was returned to his

220

00:08:26,469 --> 00:08:23,840

family home after an abduction and found

221

00:08:28,869 --> 00:08:26,479

his family seated around the dinner

222

00:08:31,270 --> 00:08:28,879

table frozen in place

223

00:08:34,070 --> 00:08:31,280

we're talking about absolute complete

224

00:08:35,909 --> 00:08:34,080

suspended animation you can picture a

225

00:08:37,990 --> 00:08:35,919

fork held halfway towards someone's

226

00:08:40,469 --> 00:08:38,000

mouth their mouth the gape and they're

227

00:08:43,110 --> 00:08:40,479

just frozen in place like that it's

228

00:08:45,030 --> 00:08:43,120

accounts like these that suggest that

229

00:08:47,990 --> 00:08:45,040

their level of control over what we

230

00:08:50,630 --> 00:08:48,000

consider space-time is enormous and

231

00:08:53,269 --> 00:08:50,640

extensive only once richard hastings sat

232

00:08:55,990 --> 00:08:53,279

down at the table again did his family

233

00:08:57,829 --> 00:08:56,000

members reanimate and then it's not hard

234

00:08:59,910 --> 00:08:57,839

to imagine that from their perspective

235

00:09:02,230 --> 00:08:59,920

there was no gap they had been eating at

236

00:09:04,550 --> 00:09:02,240

the table all along and richard never

237

00:09:07,030 --> 00:09:04,560

left the table of course for the others

238

00:09:09,110 --> 00:09:07,040

they were able to freeze the family

239

00:09:10,870 --> 00:09:09,120

remove richard conduct whatever

240

00:09:12,790 --> 00:09:10,880

experiments they did or whatever kind of

241

00:09:14,790 --> 00:09:12,800

training they did for him which he only

242

00:09:16,630 --> 00:09:14,800

partially recalls and then when he was

243

00:09:19,269 --> 00:09:16,640

returned to his family everything

244

00:09:21,269 --> 00:09:19,279

resumed as if nothing had happened

245

00:09:24,070 --> 00:09:21,279

and again this is a key element of these

246

00:09:26,230 --> 00:09:24,080

encounters and it helps explain why so

247

00:09:28,310 --> 00:09:26,240

much of this can be going on

248

00:09:31,430 --> 00:09:28,320

why this kind of manipulation of the

249

00:09:33,750 --> 00:09:31,440

human populace can be so extensive so

250

00:09:35,990 --> 00:09:33,760

wide reaching and yet most people are

251
00:09:37,829 --> 00:09:36,000
completely oblivious because when you

252
00:09:39,350 --> 00:09:37,839
control space-time or at least the

253
00:09:41,590 --> 00:09:39,360
perception of it because again it's

254
00:09:43,350 --> 00:09:41,600
relative then you can conduct almost any

255
00:09:46,470 --> 00:09:43,360
kind of activity you want with the

256
00:09:48,389 --> 00:09:46,480
majority of the populace being oblivious

257
00:09:50,870 --> 00:09:48,399
and here we're reminded of the element

258
00:09:53,430 --> 00:09:50,880
we discussed last time where there's

259
00:09:55,030 --> 00:09:53,440
often the sense of silence for abductees

260
00:09:57,590 --> 00:09:55,040
just before an abduction is about to

261
00:10:00,790 --> 00:09:57,600
happen or a sighting they'll notice this

262
00:10:02,230 --> 00:10:00,800
uncanny lack of sound the usual sounds

263
00:10:04,310 --> 00:10:02,240

that they would hear in the forest for

264

00:10:06,069 --> 00:10:04,320

instance in the case from last week

265

00:10:08,069 --> 00:10:06,079

where terry lovelace was abducted along

266

00:10:10,470 --> 00:10:08,079

with his friend toby or even it could be

267

00:10:13,670 --> 00:10:10,480

a bustling city street that suddenly

268

00:10:16,310 --> 00:10:13,680

seems uncannily quiet it's because the

269

00:10:18,389 --> 00:10:16,320

relative space-time has been frozen or

270

00:10:20,550 --> 00:10:18,399

slowed down to such a degree that that's

271

00:10:23,350 --> 00:10:20,560

what it ends up sounding like that the

272

00:10:26,069 --> 00:10:23,360

experiencer and the entities themselves

273

00:10:27,990 --> 00:10:26,079

are in one relative space time while the

274

00:10:29,590 --> 00:10:28,000

rest of the populace is in a different

275

00:10:30,630 --> 00:10:29,600

one again when you have this kind of

276
00:10:33,590 --> 00:10:30,640
control

277
00:10:36,389 --> 00:10:33,600
you can conduct massive operations and

278
00:10:38,389 --> 00:10:36,399
it's largely undetected and by the way

279
00:10:39,910 --> 00:10:38,399
as an aside this is partly why i find

280
00:10:42,069 --> 00:10:39,920
the notion that we could defend

281
00:10:44,389 --> 00:10:42,079
ourselves against these others so

282
00:10:46,230 --> 00:10:44,399
ludicrous because regardless of how many

283
00:10:48,230 --> 00:10:46,240
weapons you have and how fast they are

284
00:10:49,990 --> 00:10:48,240
and how weaponized they are and we

285
00:10:52,150 --> 00:10:50,000
already know we are far behind them in

286
00:10:54,710 --> 00:10:52,160
that regard when they can control your

287
00:10:56,550 --> 00:10:54,720
perception of space-time then those

288
00:10:59,430 --> 00:10:56,560

weapons and those defenses are

289

00:11:01,350 --> 00:10:59,440

effectively rendered useless

290

00:11:02,310 --> 00:11:01,360

okay let's move on to the next element

291

00:11:04,550 --> 00:11:02,320

which is

292

00:11:06,389 --> 00:11:04,560

people having various medical procedures

293

00:11:08,389 --> 00:11:06,399

conducted upon them

294

00:11:11,030 --> 00:11:08,399

this seems to contain both elements of

295

00:11:13,670 --> 00:11:11,040

exploration in other words these others

296

00:11:15,509 --> 00:11:13,680

trying to understand our anatomy in fact

297

00:11:17,110 --> 00:11:15,519

terry lovelace mentions this that he

298

00:11:19,430 --> 00:11:17,120

gets the sense that this is partly what

299

00:11:21,590 --> 00:11:19,440

they're doing when he finds himself

300

00:11:23,509 --> 00:11:21,600

under their scalpel so to speak

301
00:11:25,990 --> 00:11:23,519
but it's also for the sake of harvesting

302
00:11:27,910 --> 00:11:26,000
of genetic material again that is front

303
00:11:30,630 --> 00:11:27,920
and center with this phenomenon

304
00:11:32,790 --> 00:11:30,640
particularly in these kinds of cases

305
00:11:35,350 --> 00:11:32,800
now the medical procedures can often be

306
00:11:38,069 --> 00:11:35,360
painful leaving not necessarily physical

307
00:11:40,310 --> 00:11:38,079
scars in fact they are very adept at not

308
00:11:43,110 --> 00:11:40,320
leaving any scars in fact in the two

309
00:11:45,190 --> 00:11:43,120
implants that terry lovelace later finds

310
00:11:47,910 --> 00:11:45,200
there is no evidence of how they were

311
00:11:49,910 --> 00:11:47,920
ever put in and doctors are even

312
00:11:52,150 --> 00:11:49,920
perplexed by this because they say that

313
00:11:54,550 --> 00:11:52,160

any kind of surgery that would involve

314

00:11:55,750 --> 00:11:54,560

placing something under the skin would

315

00:11:57,829 --> 00:11:55,760

leave some

316

00:12:00,949 --> 00:11:57,839

form of scar tissue even if it was

317

00:12:03,670 --> 00:12:00,959

microscopic and yet they could find none

318

00:12:04,870 --> 00:12:03,680

but while there are no superficial scars

319

00:12:07,509 --> 00:12:04,880

on the skin

320

00:12:11,190 --> 00:12:07,519

there are no doubt subconscious mental

321

00:12:13,750 --> 00:12:11,200

scars producing for instance ptsd

322

00:12:15,990 --> 00:12:13,760

post-traumatic stress disorder as we saw

323

00:12:18,790 --> 00:12:16,000

in terry's case and if you remember from

324

00:12:20,949 --> 00:12:18,800

last week the large insectoid kind of

325

00:12:21,750 --> 00:12:20,959

mantid creature that was operating on

326

00:12:24,629 --> 00:12:21,760

him

327

00:12:26,629 --> 00:12:24,639

seemed perplexed even annoyed that terry

328

00:12:29,269 --> 00:12:26,639

was screaming while this medical

329

00:12:31,190 --> 00:12:29,279

procedure was being undertaken and based

330

00:12:33,829 --> 00:12:31,200

on the dialogue at least according to

331

00:12:36,069 --> 00:12:33,839

how terry remembers it this being didn't

332

00:12:38,150 --> 00:12:36,079

understand how if terry knew that they

333

00:12:39,670 --> 00:12:38,160

never actually hurt him and that he's

334

00:12:41,509 --> 00:12:39,680

always returned

335

00:12:43,750 --> 00:12:41,519

basically unharmed they didn't

336

00:12:46,150 --> 00:12:43,760

understand why he continued to scream

337

00:12:48,069 --> 00:12:46,160

during these kinds of incidences but of

338

00:12:51,269 --> 00:12:48,079

course it's because partly he was

339

00:12:53,190 --> 00:12:51,279

experiencing physical pain in real time

340

00:12:54,870 --> 00:12:53,200

now what's interesting is that this

341

00:12:57,350 --> 00:12:54,880

creature tapped the side of his head and

342

00:12:59,190 --> 00:12:57,360

then he went black which tells us again

343

00:13:01,750 --> 00:12:59,200

they could have done that all along

344

00:13:04,230 --> 00:13:01,760

which begs the question why don't they

345

00:13:05,590 --> 00:13:04,240

is this just a translation issue that

346

00:13:07,430 --> 00:13:05,600

they just don't understand our

347

00:13:09,829 --> 00:13:07,440

psychology enough to incorporate this

348

00:13:11,990 --> 00:13:09,839

basic bedside manner or is there

349

00:13:14,550 --> 00:13:12,000

something else going on is some kind of

350

00:13:16,470 --> 00:13:14,560

trauma being deliberately induced

351
00:13:18,870 --> 00:13:16,480
that's worth considering as well because

352
00:13:20,710 --> 00:13:18,880
the fact that they don't take more care

353
00:13:21,829 --> 00:13:20,720
when they clearly have the capacity to

354
00:13:24,069 --> 00:13:21,839
do so

355
00:13:25,829 --> 00:13:24,079
makes one wonder and in fact in all

356
00:13:27,910 --> 00:13:25,839
these different kinds of scenarios that

357
00:13:29,590 --> 00:13:27,920
we describe i want you to think about

358
00:13:30,829 --> 00:13:29,600
that is there possibly some sort of

359
00:13:34,069 --> 00:13:30,839
subversive

360
00:13:36,550 --> 00:13:34,079
psychological aim with any particular

361
00:13:38,629 --> 00:13:36,560
element of these cases that's especially

362
00:13:41,509 --> 00:13:38,639
worth considering when the particular

363
00:13:43,590 --> 00:13:41,519

element seems unnecessary at least on a

364

00:13:45,990 --> 00:13:43,600

physical level and i will bring to your

365

00:13:48,790 --> 00:13:46,000

attention that abductees slash

366

00:13:51,670 --> 00:13:48,800

contactees like whitley strieber have

367

00:13:54,150 --> 00:13:51,680

suggested that this level of trauma can

368

00:13:56,710 --> 00:13:54,160

be conducive to a kind of psychological

369

00:13:59,590 --> 00:13:56,720

and spiritual opening which allows for

370

00:14:01,110 --> 00:13:59,600

profound spiritual transformation

371

00:14:02,949 --> 00:14:01,120

i understand some people will find that

372

00:14:05,430 --> 00:14:02,959

controversial and it seems to make an

373

00:14:07,670 --> 00:14:05,440

excuse for this kind of behavior by

374

00:14:10,550 --> 00:14:07,680

these others but this is an experimenter

375

00:14:12,949 --> 00:14:10,560

himself describing this and noticing the

376

00:14:15,350 --> 00:14:12,959

end result in himself so it's worth

377

00:14:18,389 --> 00:14:15,360

considering now of course another key

378

00:14:19,990 --> 00:14:18,399

element of these medical procedures

379

00:14:21,110 --> 00:14:20,000

involves the harvesting of genetic

380

00:14:23,110 --> 00:14:21,120

material

381

00:14:26,310 --> 00:14:23,120

and these kinds of encounters often

382

00:14:29,189 --> 00:14:26,320

involve sexual elements some as simple

383

00:14:32,230 --> 00:14:29,199

and cold as a machine extracting sperm

384

00:14:34,310 --> 00:14:32,240

or eggs or human beings being introduced

385

00:14:36,790 --> 00:14:34,320

to what appear to be examples of that

386

00:14:37,829 --> 00:14:36,800

individual's ideal physical sexual

387

00:14:40,150 --> 00:14:37,839

partner

388

00:14:43,269 --> 00:14:40,160

in order to facilitate a sexual

389

00:14:45,990 --> 00:14:43,279

encounter and then direct impregnation

390

00:14:48,790 --> 00:14:46,000

both of these kinds of scenarios are

391

00:14:51,829 --> 00:14:48,800

rampant in these abductions both are

392

00:14:54,790 --> 00:14:51,839

kind of cold machine-like extraction as

393

00:14:57,030 --> 00:14:54,800

well as the inducement of actual sexual

394

00:14:59,430 --> 00:14:57,040

encounters with beings that are not

395

00:15:01,670 --> 00:14:59,440

exactly what they appear to be

396

00:15:04,230 --> 00:15:01,680

sometimes these human beings even see

397

00:15:06,389 --> 00:15:04,240

these supposed sexual partners having

398

00:15:07,269 --> 00:15:06,399

their facial features shifting in real

399

00:15:09,189 --> 00:15:07,279

time

400

00:15:11,189 --> 00:15:09,199

giving hints again that they are not

401
00:15:13,590 --> 00:15:11,199
exactly what they appear to be and that

402
00:15:16,949 --> 00:15:13,600
a screen memory of some sort is being

403
00:15:19,189 --> 00:15:16,959
used to bring about the desired outcome

404
00:15:21,670 --> 00:15:19,199
and speaking of that in terry's second

405
00:15:23,829 --> 00:15:21,680
book which is titled devil's den the

406
00:15:25,990 --> 00:15:23,839
reckoning which includes a series of

407
00:15:28,230 --> 00:15:26,000
letters that other people have sent him

408
00:15:30,310 --> 00:15:28,240
following reading his book one man

409
00:15:32,790 --> 00:15:30,320
recounts an experience where first he

410
00:15:35,189 --> 00:15:32,800
was sprayed with some kind of substance

411
00:15:37,430 --> 00:15:35,199
that basically caused physical arousal

412
00:15:40,069 --> 00:15:37,440
in him and then he was introduced to a

413
00:15:42,470 --> 00:15:40,079

being that seemed like his ideal human

414

00:15:44,550 --> 00:15:42,480

physical partner again in situations

415

00:15:47,829 --> 00:15:44,560

like this it's hard to argue for some

416

00:15:50,710 --> 00:15:47,839

sort of subversive psychological ploy it

417

00:15:52,870 --> 00:15:50,720

seems like the end goal is to obtain

418

00:15:54,949 --> 00:15:52,880

sperm and in these cases with an actual

419

00:15:57,670 --> 00:15:54,959

partner is being used though perhaps in

420

00:15:58,949 --> 00:15:57,680

disguise for the sake of impregnation

421

00:16:01,030 --> 00:15:58,959

directly

422

00:16:03,670 --> 00:16:01,040

again this element is very common in the

423

00:16:06,230 --> 00:16:03,680

literature and likewise follow-up

424

00:16:07,269 --> 00:16:06,240

encounters with what appeared to be the

425

00:16:10,790 --> 00:16:07,279

actual

426
00:16:13,590 --> 00:16:10,800
human alien hybrid offspring of these

427
00:16:15,509 --> 00:16:13,600
humans are often introduced to them

428
00:16:17,829 --> 00:16:15,519
sometimes with the hopes that some sort

429
00:16:19,990 --> 00:16:17,839
of bonding will occur between the

430
00:16:21,749 --> 00:16:20,000
offspring and the human being

431
00:16:24,150 --> 00:16:21,759
which again in itself is somewhat

432
00:16:26,389 --> 00:16:24,160
strange because apparently it seems like

433
00:16:28,150 --> 00:16:26,399
often they're given a few minutes as if

434
00:16:31,110 --> 00:16:28,160
these aliens are trying to check off the

435
00:16:33,269 --> 00:16:31,120
list okay bonding has happened when we

436
00:16:35,990 --> 00:16:33,279
know when it comes to the raising of

437
00:16:38,629 --> 00:16:36,000
healthy human beings you need to have an

438
00:16:40,949 --> 00:16:38,639

ongoing relationship with the parents

439

00:16:43,670 --> 00:16:40,959

especially the mother in order to

440

00:16:46,069 --> 00:16:43,680

promote a healthy overall psychology and

441

00:16:48,310 --> 00:16:46,079

the emergence of a healthy sense of self

442

00:16:50,870 --> 00:16:48,320

so these one and done introductions seem

443

00:16:52,949 --> 00:16:50,880

somewhat strange in that sense again

444

00:16:54,389 --> 00:16:52,959

this could be again a translation error

445

00:16:56,870 --> 00:16:54,399

that they just don't understand the

446

00:16:58,790 --> 00:16:56,880

psychology perhaps they do not raise

447

00:17:01,110 --> 00:16:58,800

their young this way it's hard to know

448

00:17:03,910 --> 00:17:01,120

but again a very strange element but no

449

00:17:05,429 --> 00:17:03,920

doubt very commonly these human beings

450

00:17:07,429 --> 00:17:05,439

who've had their genetic material

451
00:17:10,230 --> 00:17:07,439
harvested by these others later

452
00:17:13,189 --> 00:17:10,240
encounter their very own offspring which

453
00:17:15,669 --> 00:17:13,199
clearly look to be only part human but

454
00:17:17,750 --> 00:17:15,679
also part alien but from the part that

455
00:17:20,150 --> 00:17:17,760
is human they do recognize their own

456
00:17:21,990 --> 00:17:20,160
biological traits in other words they do

457
00:17:24,309 --> 00:17:22,000
believe that these are actually their

458
00:17:26,150 --> 00:17:24,319
offspring and they often experience a

459
00:17:28,710 --> 00:17:26,160
kind of love between the entity and

460
00:17:31,270 --> 00:17:28,720
themselves but again one really cannot

461
00:17:33,190 --> 00:17:31,280
overstate this aspect of the phenomenon

462
00:17:36,150 --> 00:17:33,200
the harvesting of genetic material

463
00:17:39,430 --> 00:17:36,160

resulting in hybrid offspring seems to

464

00:17:41,909 --> 00:17:39,440

be front and center much of the time

465

00:17:43,830 --> 00:17:41,919

another key element that often arises in

466

00:17:46,070 --> 00:17:43,840

these kinds of experiences

467

00:17:49,110 --> 00:17:46,080

is a kind of schooling especially when

468

00:17:51,510 --> 00:17:49,120

the human beings are children and indeed

469

00:17:54,390 --> 00:17:51,520

terry lovelace mentions this as well

470

00:17:56,310 --> 00:17:54,400

often this kind of training or schooling

471

00:17:58,630 --> 00:17:56,320

involves training in telepathic

472

00:18:01,029 --> 00:17:58,640

communication as well as telekinetic

473

00:18:02,950 --> 00:18:01,039

manipulation of the environment and

474

00:18:05,669 --> 00:18:02,960

interestingly if you remember from last

475

00:18:07,669 --> 00:18:05,679

week the hybrid being who is kind of a

476

00:18:09,830 --> 00:18:07,679

guide for terry throughout his life

477

00:18:12,549 --> 00:18:09,840

informs him that while he tends to feel

478

00:18:14,630 --> 00:18:12,559

psychologically exposed she says to him

479

00:18:16,630 --> 00:18:14,640

that he can learn to guard his thoughts

480

00:18:18,070 --> 00:18:16,640

even though they are using telepathic

481

00:18:19,990 --> 00:18:18,080

communication

482

00:18:22,310 --> 00:18:20,000

so that's interesting as well because in

483

00:18:25,350 --> 00:18:22,320

addition to hybrid offspring being

484

00:18:28,870 --> 00:18:25,360

produced by a combination of these human

485

00:18:30,950 --> 00:18:28,880

donors and alien others there also seems

486

00:18:33,110 --> 00:18:30,960

to be a training of these actual human

487

00:18:35,830 --> 00:18:33,120

beings so they develop their psi

488

00:18:38,230 --> 00:18:35,840

capacities one wonders why is this the

489

00:18:40,789 --> 00:18:38,240

case is this partly to bring about a

490

00:18:43,430 --> 00:18:40,799

scenario where communication happens

491

00:18:45,750 --> 00:18:43,440

more easily between the two species

492

00:18:48,710 --> 00:18:45,760

because presumably you could argue that

493

00:18:50,789 --> 00:18:48,720

if terry learns how to use telepathy and

494

00:18:53,430 --> 00:18:50,799

telekinetic powers that he could perhaps

495

00:18:54,630 --> 00:18:53,440

pass that on to his lineage even on

496

00:18:56,230 --> 00:18:54,640

earth

497

00:18:58,230 --> 00:18:56,240

and when you add to that the next

498

00:19:00,150 --> 00:18:58,240

element we're going to discuss which is

499

00:19:02,950 --> 00:19:00,160

that these are multi-generational

500

00:19:05,029 --> 00:19:02,960

encounters that makes even more sense

501
00:19:07,590 --> 00:19:05,039
that perhaps in addition to a tweaking

502
00:19:10,230 --> 00:19:07,600
of the genome of those specific genetic

503
00:19:12,630 --> 00:19:10,240
lineages there's also a kind of training

504
00:19:15,350 --> 00:19:12,640
that happens to develop certain psy

505
00:19:17,750 --> 00:19:15,360
capacities again perhaps for the sake of

506
00:19:20,310 --> 00:19:17,760
some sort of future communication or

507
00:19:22,710 --> 00:19:20,320
future intermingling of the species when

508
00:19:25,990 --> 00:19:22,720
a more pronounced and direct

509
00:19:27,990 --> 00:19:26,000
introduction actually takes place

510
00:19:29,750 --> 00:19:28,000
all right moving on to the next element

511
00:19:31,110 --> 00:19:29,760
that is common in these kinds of

512
00:19:33,909 --> 00:19:31,120
scenarios

513
00:19:36,789 --> 00:19:33,919

these human beings often see aliens of

514

00:19:39,510 --> 00:19:36,799

course on board these craft and often

515

00:19:41,990 --> 00:19:39,520

more than one kind of alien your typical

516

00:19:44,150 --> 00:19:42,000

gray alien is often seen sometimes the

517

00:19:45,029 --> 00:19:44,160

short and the tall grays or one or the

518

00:19:53,350 --> 00:19:45,039

other

519

00:19:56,150 --> 00:19:53,360

of insectoid types or reptilians or even

520

00:19:58,630 --> 00:19:56,160

more humanoid but not purely human

521

00:20:00,630 --> 00:19:58,640

figures like nordics for instance

522

00:20:02,630 --> 00:20:00,640

and of course as we've already discussed

523

00:20:05,029 --> 00:20:02,640

beings that look to be hybrids part

524

00:20:06,710 --> 00:20:05,039

human and part alien are often

525

00:20:08,789 --> 00:20:06,720

encountered as well

526

00:20:10,870 --> 00:20:08,799

now as we learned in terry's case last

527

00:20:13,830 --> 00:20:10,880

week sometimes what's seen is

528

00:20:15,909 --> 00:20:13,840

aquarium-like areas where entities seem

529

00:20:18,149 --> 00:20:15,919

to be being grown in a kind of

530

00:20:20,390 --> 00:20:18,159

artificial environment again perhaps

531

00:20:23,029 --> 00:20:20,400

this is an insight into the difference

532

00:20:25,029 --> 00:20:23,039

between how human bonding happens and

533

00:20:27,750 --> 00:20:25,039

how relationship happens between

534

00:20:29,669 --> 00:20:27,760

offspring and the mother even in the

535

00:20:32,149 --> 00:20:29,679

womb and the way that these other

536

00:20:34,390 --> 00:20:32,159

entities are formed in artificial

537

00:20:36,149 --> 00:20:34,400

environments as embryos

538

00:20:38,230 --> 00:20:36,159

now we've already touched on this in

539

00:20:40,470 --> 00:20:38,240

part but of course this raises the

540

00:20:42,870 --> 00:20:40,480

question where are these hybrid children

541

00:20:45,590 --> 00:20:42,880

going are they being introduced to the

542

00:20:47,510 --> 00:20:45,600

earth well some yes it appears that

543

00:20:49,669 --> 00:20:47,520

especially the ones that could pass for

544

00:20:51,990 --> 00:20:49,679

us physically i mean they are

545

00:20:54,390 --> 00:20:52,000

repopulated on the earth at times but

546

00:20:56,710 --> 00:20:54,400

that is far from the full picture

547

00:20:59,270 --> 00:20:56,720

many experiencers learned that these

548

00:21:02,310 --> 00:20:59,280

hybrids are being repopulated elsewhere

549

00:21:04,070 --> 00:21:02,320

that the galaxy and the larger cosmos is

550

00:21:06,870 --> 00:21:04,080

teeming with life and that there are

551

00:21:09,350 --> 00:21:06,880

various humanoid or hybridoid

552

00:21:11,590 --> 00:21:09,360

civilizations across the cosmos

553

00:21:13,830 --> 00:21:11,600

apparently some of these beings live on

554

00:21:16,789 --> 00:21:13,840

ships most of their lives while others

555

00:21:18,470 --> 00:21:16,799

are repopulated to planets in our and

556

00:21:19,909 --> 00:21:18,480

other galaxies

557

00:21:21,110 --> 00:21:19,919

but the bottom line is here we should

558

00:21:23,350 --> 00:21:21,120

not assume that all of this

559

00:21:25,270 --> 00:21:23,360

hybridization that is happening is

560

00:21:27,350 --> 00:21:25,280

purely for the introduction of these

561

00:21:29,029 --> 00:21:27,360

beings onto the earth

562

00:21:32,230 --> 00:21:29,039

especially when people think about some

563

00:21:34,470 --> 00:21:32,240

sort of takeover scenario that just does

564

00:21:37,110 --> 00:21:34,480

not seem to be realistic and it's not

565

00:21:38,470 --> 00:21:37,120

what is described to experiencers

566

00:21:40,149 --> 00:21:38,480

generally

567

00:21:42,070 --> 00:21:40,159

the next element we want to discuss

568

00:21:44,230 --> 00:21:42,080

which is related to the beings that are

569

00:21:46,230 --> 00:21:44,240

encountered while on board the craft is

570

00:21:49,510 --> 00:21:46,240

what appears to be a kind of social or

571

00:21:51,909 --> 00:21:49,520

professional hierarchy of these beings

572

00:21:54,470 --> 00:21:51,919

now the mantids the seven foot tall

573

00:21:56,630 --> 00:21:54,480

insectoid beings that bear remarkable

574

00:21:59,270 --> 00:21:56,640

resemblance to praying mantis insects

575

00:22:01,830 --> 00:21:59,280

from the earth seem to be very often at

576

00:22:03,909 --> 00:22:01,840

the top of the chain so to speak then

577

00:22:06,390 --> 00:22:03,919

come the tall graves which are often

578

00:22:08,230 --> 00:22:06,400

seen in a kind of overseer role

579

00:22:10,870 --> 00:22:08,240

and then you have the small graves which

580

00:22:12,470 --> 00:22:10,880

are often depicted or understood to be a

581

00:22:15,270 --> 00:22:12,480

kind of automaton

582

00:22:17,270 --> 00:22:15,280

perhaps semi-organic ai

583

00:22:19,270 --> 00:22:17,280

now note i see some people trying to

584

00:22:21,190 --> 00:22:19,280

make hard-line distinctions here all i

585

00:22:23,110 --> 00:22:21,200

can say is that would be very difficult

586

00:22:24,870 --> 00:22:23,120

to do in other words it's very difficult

587

00:22:28,149 --> 00:22:24,880

to know for sure whether or not these

588

00:22:30,390 --> 00:22:28,159

are robots or something more biological

589

00:22:32,310 --> 00:22:30,400

they may be an amalgam of the two

590

00:22:34,710 --> 00:22:32,320

perhaps using a kind of technology we

591

00:22:37,110 --> 00:22:34,720

just don't understand yet but trying to

592

00:22:39,909 --> 00:22:37,120

distinguish whether they are robots or

593

00:22:42,230 --> 00:22:39,919

androids or something more biological by

594

00:22:44,070 --> 00:22:42,240

using the naked eye is kind of like us

595

00:22:46,310 --> 00:22:44,080

today trying to distinguish between a

596

00:22:48,070 --> 00:22:46,320

photo that has been photoshopped versus

597

00:22:50,310 --> 00:22:48,080

one that has not been

598

00:22:52,549 --> 00:22:50,320

one can no longer trust the naked eye

599

00:22:54,870 --> 00:22:52,559

because the technology is so good now

600

00:22:57,830 --> 00:22:54,880

either way these small grays are often

601
00:23:00,390 --> 00:22:57,840
described as automatons or servants of

602
00:23:03,350 --> 00:23:00,400
the taller beings whether they be the

603
00:23:05,190 --> 00:23:03,360
taller greys or the mantid beings

604
00:23:08,310 --> 00:23:05,200
terry himself describes these small

605
00:23:10,149 --> 00:23:08,320
greys as quote unquote worker bees

606
00:23:12,149 --> 00:23:10,159
another element that is sometimes found

607
00:23:13,990 --> 00:23:12,159
in these cases and indeed it was part of

608
00:23:16,390 --> 00:23:14,000
the terry lovelace case and we've

609
00:23:19,029 --> 00:23:16,400
already touched on it in passing is that

610
00:23:20,390 --> 00:23:19,039
implants are found inside humans bodies

611
00:23:22,310 --> 00:23:20,400
later on

612
00:23:24,630 --> 00:23:22,320
apparently they can track us with these

613
00:23:27,510 --> 00:23:24,640

devices and we should also note that

614

00:23:29,510 --> 00:23:27,520

some contact these slash abductees have

615

00:23:31,909 --> 00:23:29,520

been told that their health is monitored

616

00:23:33,830 --> 00:23:31,919

by these devices as well

617

00:23:36,470 --> 00:23:33,840

in other words they are not only for

618

00:23:39,029 --> 00:23:36,480

potentially nefarious purposes

619

00:23:41,990 --> 00:23:39,039

now again one wonders here couldn't they

620

00:23:43,430 --> 00:23:42,000

use more microscopic implants to the

621

00:23:45,430 --> 00:23:43,440

point where they would be almost

622

00:23:48,470 --> 00:23:45,440

undetectable when you think about how

623

00:23:50,310 --> 00:23:48,480

small how microscopic our tech is now if

624

00:23:52,789 --> 00:23:50,320

they are supposedly further along than

625

00:23:55,669 --> 00:23:52,799

us why couldn't they use something so

626

00:23:58,710 --> 00:23:55,679

tiny that it's largely imperceptible

627

00:24:00,630 --> 00:23:58,720

certainly hardly visually perceptible

628

00:24:02,630 --> 00:24:00,640

again one wonders is there more than

629

00:24:05,269 --> 00:24:02,640

meets the eye going on there is there

630

00:24:07,269 --> 00:24:05,279

something beyond face value

631

00:24:10,149 --> 00:24:07,279

that said one of the letters that was

632

00:24:12,630 --> 00:24:10,159

written to terry in his second book

633

00:24:14,710 --> 00:24:12,640

depicted a situation where a child was

634

00:24:16,950 --> 00:24:14,720

visited and to some degree haunted

635

00:24:18,710 --> 00:24:16,960

because he didn't understand it by these

636

00:24:20,310 --> 00:24:18,720

greys who would show up in his room when

637

00:24:22,470 --> 00:24:20,320

he was a child

638

00:24:24,870 --> 00:24:22,480

and as is often the case it was also the

639

00:24:26,789 --> 00:24:24,880

case for terry this particular child

640

00:24:28,310 --> 00:24:26,799

couldn't get his parents to believe him

641

00:24:31,909 --> 00:24:28,320

they thought he was making the entire

642

00:24:34,070 --> 00:24:31,919

thing up one day he was sneezing and out

643

00:24:35,830 --> 00:24:34,080

came some sort of object from deeply

644

00:24:37,669 --> 00:24:35,840

embedded in his brain

645

00:24:39,190 --> 00:24:37,679

he actually took it out and showed his

646

00:24:40,710 --> 00:24:39,200

mother hoping that she would finally

647

00:24:41,750 --> 00:24:40,720

believe him because clearly this was

648

00:24:43,830 --> 00:24:41,760

something

649

00:24:46,070 --> 00:24:43,840

non-organic that had been implanted

650

00:24:47,590 --> 00:24:46,080

inside his brain she didn't believe him

651

00:24:50,310 --> 00:24:47,600

she just threw it away didn't want to

652

00:24:53,269 --> 00:24:50,320

talk about it but interestingly the

653

00:24:55,669 --> 00:24:53,279

visits stopped after that and so this

654

00:24:57,909 --> 00:24:55,679

particular person who is writing terry

655

00:24:59,909 --> 00:24:57,919

as an adult now believed that that's how

656

00:25:01,750 --> 00:24:59,919

they tracked him and perhaps once they

657

00:25:03,669 --> 00:25:01,760

no longer had that tracking device

658

00:25:05,510 --> 00:25:03,679

perhaps they could no longer find him

659

00:25:07,590 --> 00:25:05,520

again that seems hard to believe based

660

00:25:09,590 --> 00:25:07,600

on their technology but perhaps they

661

00:25:11,510 --> 00:25:09,600

decided it wasn't worth tracking him at

662

00:25:13,590 --> 00:25:11,520

that point or following him or

663

00:25:15,830 --> 00:25:13,600

interacting with him anymore because of

664

00:25:17,909 --> 00:25:15,840

what happened with the implant

665

00:25:20,789 --> 00:25:17,919

the next element we will discuss is a

666

00:25:23,029 --> 00:25:20,799

notion of a coming apocalypse an

667

00:25:25,830 --> 00:25:23,039

imminent collapse of some kind perhaps

668

00:25:28,470 --> 00:25:25,840

environmental or perhaps a disaster that

669

00:25:30,149 --> 00:25:28,480

happens via some object from space

670

00:25:31,990 --> 00:25:30,159

or something like that

671

00:25:34,390 --> 00:25:32,000

this is often part of the narrative as

672

00:25:36,310 --> 00:25:34,400

well for experiencers contact these

673

00:25:37,669 --> 00:25:36,320

slash abductees

674

00:25:39,590 --> 00:25:37,679

and of course this is interesting

675

00:25:41,669 --> 00:25:39,600

because it aligns with

676

00:25:43,750 --> 00:25:41,679

information we discussed during the

677

00:25:47,510 --> 00:25:43,760

three-part series on the future human

678

00:25:48,789 --> 00:25:47,520

hypothesis which was episodes 46 47 and

679

00:25:51,510 --> 00:25:48,799

48.

680

00:25:53,990 --> 00:25:51,520

now if you remember in those episodes we

681

00:25:56,070 --> 00:25:54,000

talked about the notion that some people

682

00:25:59,269 --> 00:25:56,080

within the intelligence community

683

00:26:01,909 --> 00:25:59,279

reported by people such as frank milburn

684

00:26:03,909 --> 00:26:01,919

and ross coulthart were claiming that

685

00:26:05,909 --> 00:26:03,919

some of the graves were actually future

686

00:26:08,390 --> 00:26:05,919

humans different factions of future

687

00:26:10,789 --> 00:26:08,400

humans who were coming back in time in

688

00:26:13,990 --> 00:26:10,799

order to change our timeline as it

689

00:26:15,510 --> 00:26:14,000

pertains to some coming apocalypse now

690

00:26:17,430 --> 00:26:15,520

whether or not that's the case we don't

691

00:26:19,430 --> 00:26:17,440

know there's not definitive evidence

692

00:26:21,510 --> 00:26:19,440

either way of course but it is

693

00:26:23,750 --> 00:26:21,520

interesting how this overlaps with

694

00:26:25,830 --> 00:26:23,760

messages that are given to experiencers

695

00:26:28,149 --> 00:26:25,840

from the graves that don't claim to be

696

00:26:30,070 --> 00:26:28,159

time traveling humans why is it that

697

00:26:32,390 --> 00:26:30,080

there is such a common ground here

698

00:26:34,630 --> 00:26:32,400

between different experiencer stories

699

00:26:37,510 --> 00:26:34,640

where the narratives often include some

700

00:26:39,669 --> 00:26:37,520

element of coming apocalypse now to be

701
00:26:41,750 --> 00:26:39,679
clear this happens both in cases where

702
00:26:44,390 --> 00:26:41,760
people have positive and negative

703
00:26:46,710 --> 00:26:44,400
experiences with these others

704
00:26:49,669 --> 00:26:46,720
in other words some people for instance

705
00:26:52,070 --> 00:26:49,679
susie hansen report having a positive

706
00:26:53,909 --> 00:26:52,080
ongoing cooperative relationship with

707
00:26:54,950 --> 00:26:53,919
these others that again began in

708
00:26:56,549 --> 00:26:54,960
childhood

709
00:26:58,630 --> 00:26:56,559
but even though she has a positive

710
00:27:00,470 --> 00:26:58,640
experience with these others she feels

711
00:27:03,110 --> 00:27:00,480
that part of her role is to become an

712
00:27:05,669 --> 00:27:03,120
ambassador to be able to help when some

713
00:27:06,470 --> 00:27:05,679

sort of apocalypse does arise in our

714

00:27:07,830 --> 00:27:06,480

future

715

00:27:09,590 --> 00:27:07,840

and she seems to believe this will

716

00:27:11,590 --> 00:27:09,600

happen in her lifetime and with her

717

00:27:13,750 --> 00:27:11,600

being in her 60s now i believe that's

718

00:27:15,510 --> 00:27:13,760

not that far in the future if indeed

719

00:27:17,909 --> 00:27:15,520

that is true

720

00:27:21,029 --> 00:27:17,919

now the next element we want to discuss

721

00:27:24,549 --> 00:27:21,039

is the military knowledge collusion and

722

00:27:26,470 --> 00:27:24,559

potential involvement with these others

723

00:27:29,269 --> 00:27:26,480

remember in terry's case

724

00:27:32,310 --> 00:27:29,279

we had the involvement of humans in tan

725

00:27:33,590 --> 00:27:32,320

flight suits with orange insignias of

726

00:27:36,230 --> 00:27:33,600

rank

727

00:27:38,549 --> 00:27:36,240

now terry wonders aloud if those are u.s

728

00:27:40,389 --> 00:27:38,559

military personnel of one kind or

729

00:27:41,750 --> 00:27:40,399

another and this of course is connected

730

00:27:43,909 --> 00:27:41,760

to his sense that during his

731

00:27:46,549 --> 00:27:43,919

interrogation and his hypnotic

732

00:27:48,950 --> 00:27:46,559

regression conducted by the office of

733

00:27:50,950 --> 00:27:48,960

special investigations he got the sense

734

00:27:53,510 --> 00:27:50,960

that they knew more than they should

735

00:27:55,750 --> 00:27:53,520

that the abduction phenomenon was not a

736

00:27:57,909 --> 00:27:55,760

new matter to them so putting two and

737

00:27:59,830 --> 00:27:57,919

two together he wonders if actually

738

00:28:02,470 --> 00:27:59,840

there is a collusion between the two

739

00:28:05,029 --> 00:28:02,480

groups and that u.s military personnel

740

00:28:08,470 --> 00:28:05,039

are actually serving on board some of

741

00:28:10,630 --> 00:28:08,480

these spacecraft being run by the aliens

742

00:28:12,389 --> 00:28:10,640

now i would make a couple points here

743

00:28:15,029 --> 00:28:12,399

again we shouldn't assume that just

744

00:28:17,590 --> 00:28:15,039

because we see humans or humanoid

745

00:28:19,909 --> 00:28:17,600

figures on board these craft that these

746

00:28:21,750 --> 00:28:19,919

are necessarily earthly humans

747

00:28:24,310 --> 00:28:21,760

earthlings if you will

748

00:28:26,710 --> 00:28:24,320

again a common theme throughout these

749

00:28:29,669 --> 00:28:26,720

narratives is that there are humans all

750

00:28:32,149 --> 00:28:29,679

over the cosmos humanoid figures perhaps

751
00:28:34,549 --> 00:28:32,159
as part of some cosmic seeding program

752
00:28:36,389 --> 00:28:34,559
that happened in the distant past

753
00:28:38,549 --> 00:28:36,399
we've also discussed the possibility of

754
00:28:40,789 --> 00:28:38,559
convergent evolution and how that might

755
00:28:42,950 --> 00:28:40,799
have brought about the rising of

756
00:28:45,110 --> 00:28:42,960
humanoid or human-like figures on

757
00:28:47,190 --> 00:28:45,120
different planets even so we shouldn't

758
00:28:49,750 --> 00:28:47,200
assume that if we come across humans on

759
00:28:51,669 --> 00:28:49,760
board these craft that they are humans

760
00:28:53,909 --> 00:28:51,679
from earth that have been transplanted

761
00:28:55,669 --> 00:28:53,919
into these craft nor should we assume

762
00:28:57,590 --> 00:28:55,679
that if they look like military

763
00:29:00,310 --> 00:28:57,600

personnel that they are actually from

764

00:29:03,110 --> 00:29:00,320

the us military for instance or some

765

00:29:05,269 --> 00:29:03,120

other earthly nation state in fact from

766

00:29:07,909 --> 00:29:05,279

my point of view if they are connected

767

00:29:10,070 --> 00:29:07,919

to the earth i believe it's more likely

768

00:29:13,269 --> 00:29:10,080

these humans service part of some kind

769

00:29:15,590 --> 00:29:13,279

of planted or embedded or breakaway

770

00:29:18,389 --> 00:29:15,600

civilization on the earth rather than

771

00:29:20,549 --> 00:29:18,399

from some official nation state that is

772

00:29:23,350 --> 00:29:20,559

known to us but again most likely i

773

00:29:25,590 --> 00:29:23,360

think these are humans from elsewhere

774

00:29:26,470 --> 00:29:25,600

now we've already partly discussed who's

775

00:29:28,950 --> 00:29:26,480

involved

776

00:29:30,789 --> 00:29:28,960

but let's get more specific about that

777

00:29:33,269 --> 00:29:30,799

what we seem to often find is a

778

00:29:34,710 --> 00:29:33,279

coordinated association of different

779

00:29:38,310 --> 00:29:34,720

alien types

780

00:29:41,029 --> 00:29:38,320

mantids greys sometimes hybrids humanoid

781

00:29:43,029 --> 00:29:41,039

humans etc that seem to be working

782

00:29:45,269 --> 00:29:43,039

together or at least seem to have some

783

00:29:47,430 --> 00:29:45,279

sort of cooperative agreement

784

00:29:49,750 --> 00:29:47,440

now are all these aliens coming from

785

00:29:51,669 --> 00:29:49,760

some far-flung star system

786

00:29:54,149 --> 00:29:51,679

have they come here from some other

787

00:29:56,710 --> 00:29:54,159

planetary system well i would say that's

788

00:29:59,029 --> 00:29:56,720

complicated perhaps originally or

789

00:30:01,029 --> 00:29:59,039

perhaps not for some of them but

790

00:30:03,029 --> 00:30:01,039

experiencers share the sense that some

791

00:30:05,269 --> 00:30:03,039

of them have been here longer than we

792

00:30:07,909 --> 00:30:05,279

have and that these others may even be

793

00:30:10,230 --> 00:30:07,919

responsible for our origin or at least

794

00:30:12,870 --> 00:30:10,240

for our genetic enhancement along the

795

00:30:14,549 --> 00:30:12,880

way now think for instance of a turkey

796

00:30:17,350 --> 00:30:14,559

and how that is actually supposedly a

797

00:30:19,750 --> 00:30:17,360

descendant of a creature like a t-rex

798

00:30:22,389 --> 00:30:19,760

they've gotten smaller over time because

799

00:30:25,029 --> 00:30:22,399

of evolutionary responses to changes in

800

00:30:26,870 --> 00:30:25,039

the physical environment of the earth

801

00:30:30,070 --> 00:30:26,880

now think of this in terms of how we

802

00:30:32,870 --> 00:30:30,080

find insects and reptiles on the earth

803

00:30:34,789 --> 00:30:32,880

that often bear a striking similarity to

804

00:30:37,430 --> 00:30:34,799

some of these beings

805

00:30:39,430 --> 00:30:37,440

suggesting the possibility of a tied to

806

00:30:41,990 --> 00:30:39,440

the earth a direct connection to the

807

00:30:43,029 --> 00:30:42,000

earth at least at some point in its

808

00:30:44,710 --> 00:30:43,039

history

809

00:30:46,230 --> 00:30:44,720

so you see how it gets complicated

810

00:30:48,789 --> 00:30:46,240

because even if they originally came

811

00:30:49,830 --> 00:30:48,799

from some far-flung star system or

812

00:30:51,750 --> 00:30:49,840

because they've developed

813

00:30:54,950 --> 00:30:51,760

technologically so much that they've

814

00:30:57,430 --> 00:30:54,960

become a multi-system civilization they

815

00:30:59,110 --> 00:30:57,440

may have come from here originally so

816

00:31:01,990 --> 00:30:59,120

while i've pointed out that the term

817

00:31:04,710 --> 00:31:02,000

alien in its most root form just means

818

00:31:06,630 --> 00:31:04,720

other and they certainly are other to us

819

00:31:09,190 --> 00:31:06,640

we should be cautious in assuming that

820

00:31:12,230 --> 00:31:09,200

alien means space alien or that they've

821

00:31:14,070 --> 00:31:12,240

come from somewhere else necessarily

822

00:31:16,549 --> 00:31:14,080

perhaps they have not perhaps they've

823

00:31:19,110 --> 00:31:16,559

been here longer than we have

824

00:31:20,310 --> 00:31:19,120

now speaking of where they come from we

825

00:31:22,789 --> 00:31:20,320

would be remiss to have this

826
00:31:25,269 --> 00:31:22,799
conversation without also acknowledging

827
00:31:27,509 --> 00:31:25,279
that there seems to be a sense that

828
00:31:30,149 --> 00:31:27,519
these others especially

829
00:31:33,029 --> 00:31:30,159
creatures like the mantids don't usually

830
00:31:35,269 --> 00:31:33,039
exist in our sort of 3d plus one kind of

831
00:31:37,669 --> 00:31:35,279
reality that they have a different

832
00:31:39,830 --> 00:31:37,679
fundamental relationship to space time

833
00:31:41,669 --> 00:31:39,840
than we do and that's why often our

834
00:31:44,230 --> 00:31:41,679
experiences with them can feel quite

835
00:31:46,070 --> 00:31:44,240
disjointed and because of that i'm

836
00:31:48,149 --> 00:31:46,080
suspicious of the notion that they are

837
00:31:50,789 --> 00:31:48,159
trying to create some sort of takeover

838
00:31:52,630 --> 00:31:50,799

mechanism so that they can run the world

839

00:31:54,950 --> 00:31:52,640

i don't think that's their intention and

840

00:31:57,029 --> 00:31:54,960

i don't think they will ever want to or

841

00:31:58,389 --> 00:31:57,039

perhaps even be capable of living

842

00:32:00,310 --> 00:31:58,399

alongside us

843

00:32:02,710 --> 00:32:00,320

in the world that we inhabit in our

844

00:32:05,350 --> 00:32:02,720

daily lives again this may be the point

845

00:32:07,350 --> 00:32:05,360

of the hybrids to create beings that are

846

00:32:08,149 --> 00:32:07,360

something like us and something like

847

00:32:09,830 --> 00:32:08,159

them

848

00:32:12,549 --> 00:32:09,840

not only beings that therefore could

849

00:32:14,549 --> 00:32:12,559

live with us alongside us in the kind of

850

00:32:16,710 --> 00:32:14,559

reality we exist within

851
00:32:19,029 --> 00:32:16,720
but beings that would be partly them and

852
00:32:22,070 --> 00:32:19,039
partly us so they would create a bridge

853
00:32:25,269 --> 00:32:22,080
of understanding somewhat like spock on

854
00:32:27,830 --> 00:32:25,279
star trek who was part vulcan alien and

855
00:32:29,909 --> 00:32:27,840
part human something like that maybe in

856
00:32:32,470 --> 00:32:29,919
the cards

857
00:32:34,310 --> 00:32:32,480
and speaking of that one final note i

858
00:32:37,190 --> 00:32:34,320
would like to leave you with

859
00:32:39,750 --> 00:32:37,200
is a question around why the hybrids may

860
00:32:42,230 --> 00:32:39,760
be here why the hybrids may be in the

861
00:32:43,909 --> 00:32:42,240
process of being introduced into our

862
00:32:45,750 --> 00:32:43,919
civilization

863
00:32:48,310 --> 00:32:45,760

why would this be the case

864

00:32:51,669 --> 00:32:48,320

and why is it also possible that our

865

00:32:53,909 --> 00:32:51,679

genome is being manipulated as we speak

866

00:32:56,230 --> 00:32:53,919

how might that be connected to our

867

00:32:58,549 --> 00:32:56,240

collective dance with death the

868

00:33:00,950 --> 00:32:58,559

misalignment that exists between our

869

00:33:03,990 --> 00:33:00,960

technological capacity to destroy

870

00:33:06,549 --> 00:33:04,000

ourselves and our consciousness capacity

871

00:33:08,389 --> 00:33:06,559

to come together in a sense of global

872

00:33:10,789 --> 00:33:08,399

communion

873

00:33:13,110 --> 00:33:10,799

and if it is the case that they have

874

00:33:16,230 --> 00:33:13,120

decided that perhaps without

875

00:33:19,110 --> 00:33:16,240

intervention either via direct genetic

876

00:33:21,509 --> 00:33:19,120

manipulation or a diluting of the

877

00:33:24,789 --> 00:33:21,519

aggressive tendencies in our population

878

00:33:27,029 --> 00:33:24,799

by introducing hybrids that the chances

879

00:33:29,750 --> 00:33:27,039

that we will end up destroying ourselves

880

00:33:32,149 --> 00:33:29,760

and taking along innocent bystanders

881

00:33:34,310 --> 00:33:32,159

that exist as part of the symbiotic

882

00:33:37,190 --> 00:33:34,320

biosphere that we are a part of

883

00:33:38,389 --> 00:33:37,200

is simply too high a likelihood to leave

884

00:33:40,470 --> 00:33:38,399

alone

885

00:33:43,029 --> 00:33:40,480

is that an argument that when you look

886

00:33:45,750 --> 00:33:43,039

at the current state of our civilization

887

00:33:47,509 --> 00:33:45,760

you can actually in good conscience

888

00:33:49,430 --> 00:33:47,519

disagree with

889

00:33:51,110 --> 00:33:49,440

a question worth pondering i would

890

00:33:53,750 --> 00:33:51,120

suggest

891

00:33:55,590 --> 00:33:53,760

and on that note we've come to the close

892

00:33:57,430 --> 00:33:55,600

of another edition of the point of
