1
00:00:02,860 --> 00:00:07,909

[Music]

2
00:00:13,749 --> 00:00:11,190

hello and welcome to episode number 60

3
00:00:17,670 --> 00:00:13,759

of the point of convergence podcast as

4
00:00:19,670 --> 00:00:17,680

always i am your host exo academian

5
00:00:22,470 --> 00:00:19,680

when it comes to the so-called ufo

6
00:00:24,550 --> 00:00:22,480

phenomenon the levels of complexity go

7
00:00:26,950 --> 00:00:24,560

much deeper than the general public and

8
00:00:28,710 --> 00:00:26,960

the political and media mainstream

9
00:00:30,710 --> 00:00:28,720

generally realize

10
00:00:33,510 --> 00:00:30,720

in other words the conversation that's

11
00:00:35,750 --> 00:00:33,520

finally being had in those circles

12
00:00:37,910 --> 00:00:35,760

because of revelations arising primarily

13
00:00:39,670 --> 00:00:37,920

since 2017

14

00:00:42,150 --> 00:00:39,680

is still a far cry from the nature of

15

00:00:44,549 --> 00:00:42,160

the discussion being had by people

16

00:00:47,350 --> 00:00:44,559

really familiar with the nuances of this

17

00:00:49,110 --> 00:00:47,360

thorny but enthralling topic

18

00:00:51,990 --> 00:00:49,120

the first layer is the notion that

19

00:00:54,549 --> 00:00:52,000

sophisticated alien entities may be in

20

00:00:57,350 --> 00:00:54,559

our midst supposedly piloting or at

21

00:00:59,510 --> 00:00:57,360

least controlling even if remotely the

22

00:01:01,990 --> 00:00:59,520

strangely exotic craft that have been

23

00:01:03,670 --> 00:01:02,000

regularly spotted buzzing in and around

24

00:01:05,590 --> 00:01:03,680

our skies

25

00:01:07,910 --> 00:01:05,600

that part of the conversation is finally

26
00:01:10,149 --> 00:01:07,920
being had in at least some elements of

27
00:01:12,149 --> 00:01:10,159
the mainstream the widespread

28
00:01:13,830 --> 00:01:12,159
acknowledgement of this fact is still a

29
00:01:15,749 --> 00:01:13,840
long way off

30
00:01:17,590 --> 00:01:15,759
further inward from that surface layer

31
00:01:19,749 --> 00:01:17,600
of the proverbial onion

32
00:01:22,550 --> 00:01:19,759
is discussion regarding how these alien

33
00:01:25,590 --> 00:01:22,560
others seem to be both contacting and

34
00:01:28,390 --> 00:01:25,600
ongoingly interacting with human beings

35
00:01:30,710 --> 00:01:28,400
as we speak and most likely have been

36
00:01:33,429 --> 00:01:30,720
for as long as our species has been

37
00:01:35,270 --> 00:01:33,439
around to have such experiences

38
00:01:37,270 --> 00:01:35,280

another layer deeper from that part of

39

00:01:38,550 --> 00:01:37,280

the narrative which is already much more

40

00:01:40,469 --> 00:01:38,560

than the general public and the

41

00:01:42,389 --> 00:01:40,479

political and media mainstream are

42

00:01:44,870 --> 00:01:42,399

willing to even discuss

43

00:01:47,030 --> 00:01:44,880

is a notion even more shocking

44

00:01:49,350 --> 00:01:47,040

that being that some people are taking a

45

00:01:52,069 --> 00:01:49,360

proactive role and are reaching out to

46

00:01:54,069 --> 00:01:52,079

these alien others taking the front foot

47

00:01:56,630 --> 00:01:54,079

as it were in the contact and

48

00:01:59,109 --> 00:01:56,640

communication process

49

00:02:01,910 --> 00:01:59,119

ce5 short for close encounters of the

50

00:02:04,310 --> 00:02:01,920

fifth kind is a term used to describe a

51
00:02:06,550 --> 00:02:04,320
certain form of this kind of interaction

52
00:02:08,790 --> 00:02:06,560
with alien others

53
00:02:11,589 --> 00:02:08,800
ce5 involves a series of general

54
00:02:14,470 --> 00:02:11,599
protocols designed to peacefully invite

55
00:02:15,830 --> 00:02:14,480
contact with sophisticated non-human

56
00:02:18,630 --> 00:02:15,840
intelligence

57
00:02:21,110 --> 00:02:18,640
a person may for instance communicate

58
00:02:23,990 --> 00:02:21,120
via the aid of meditation and directed

59
00:02:26,550 --> 00:02:24,000
intention a desire to see a craft

60
00:02:29,030 --> 00:02:26,560
presumed by many if not most to be

61
00:02:31,750 --> 00:02:29,040
extraterrestrial in origin to show

62
00:02:33,830 --> 00:02:31,760
itself in a particular place in the sky

63
00:02:36,150 --> 00:02:33,840

at a particular time

64

00:02:38,630 --> 00:02:36,160

interestingly while ce5 is the most

65

00:02:40,790 --> 00:02:38,640

familiar form of proactive human

66

00:02:43,110 --> 00:02:40,800

initiated contact with apparently

67

00:02:45,750 --> 00:02:43,120

non-human alien intelligence

68

00:02:47,830 --> 00:02:45,760

it is not the only method that has and

69

00:02:50,550 --> 00:02:47,840

is being employed

70

00:02:52,630 --> 00:02:50,560

astral travel is another form of contact

71

00:02:54,949 --> 00:02:52,640

slash communication

72

00:02:57,670 --> 00:02:54,959

communion that is being used to reach

73

00:03:00,229 --> 00:02:57,680

out and bridge whatever divide separates

74

00:03:02,309 --> 00:03:00,239

us and them

75

00:03:04,309 --> 00:03:02,319

of course the fact that astral travel

76

00:03:06,550 --> 00:03:04,319

seems to after the correct kind of

77

00:03:08,790 --> 00:03:06,560

training and preparation

78

00:03:12,630 --> 00:03:08,800

be just as effective in achieving this

79

00:03:14,630 --> 00:03:12,640

close encounter contact as is ce5

80

00:03:17,270 --> 00:03:14,640

this only begs the question as to the

81

00:03:19,589 --> 00:03:17,280

nature of the divide that does actually

82

00:03:21,509 --> 00:03:19,599

separate us from them

83

00:03:24,630 --> 00:03:21,519

indeed the fact that we seem to be able

84

00:03:27,350 --> 00:03:24,640

to travel via consciousness as it were

85

00:03:29,509 --> 00:03:27,360

without physically going anywhere and

86

00:03:32,229 --> 00:03:29,519

still not only contact these alien

87

00:03:34,229 --> 00:03:32,239

others but even spend time aboard their

88

00:03:36,470 --> 00:03:34,239

in-orbit spacecraft

89

00:03:38,869 --> 00:03:36,480

suggests that the nature of the contact

90

00:03:41,350 --> 00:03:38,879

or at least some of it is perhaps not

91

00:03:43,270 --> 00:03:41,360

what many first assume it to be

92

00:03:45,030 --> 00:03:43,280

and really once you really think about

93

00:03:47,270 --> 00:03:45,040

it it becomes clear that the

94

00:03:50,229 --> 00:03:47,280

implications here even call into

95

00:03:52,149 --> 00:03:50,239

question the very nature of what we call

96

00:03:54,390 --> 00:03:52,159

reality

97

00:03:57,350 --> 00:03:54,400

without doubt these implications are as

98

00:04:00,070 --> 00:03:57,360

fascinating as they are mind-bending and

99

00:04:02,949 --> 00:04:00,080

are without question as simultaneously

100

00:04:04,630 --> 00:04:02,959

bizarre as they are profound

101
00:04:06,550 --> 00:04:04,640
and these are the very matters we'll

102
00:04:09,670 --> 00:04:06,560
seek to delve deep into

103
00:04:13,320 --> 00:04:09,680
in this the 60th episode of the point of

104
00:04:17,830 --> 00:04:16,550
[Music]

105
00:04:20,390 --> 00:04:17,840
as i already mentioned in the

106
00:04:23,350 --> 00:04:20,400
introduction for some people the notion

107
00:04:25,189 --> 00:04:23,360
that these others are contacting people

108
00:04:28,070 --> 00:04:25,199
and then apparently taking them from

109
00:04:30,469 --> 00:04:28,080
their homes and up into their craft is

110
00:04:32,469 --> 00:04:30,479
already a stretch too far

111
00:04:34,469 --> 00:04:32,479
the main reason for this lack of belief

112
00:04:36,230 --> 00:04:34,479
of course is that this is not happening

113
00:04:38,150 --> 00:04:36,240

to them personally

114

00:04:40,469 --> 00:04:38,160

they also tend to believe that if such a

115

00:04:42,870 --> 00:04:40,479

thing were going on we would be hearing

116

00:04:44,870 --> 00:04:42,880

about it in the mainstream media

117

00:04:45,830 --> 00:04:44,880

of course this is not how such things

118

00:04:47,590 --> 00:04:45,840

work

119

00:04:50,310 --> 00:04:47,600

there is a notion of what we call

120

00:04:53,189 --> 00:04:50,320

consensus reality and that is not the

121

00:04:54,830 --> 00:04:53,199

sum total of all that happens but it is

122

00:04:57,030 --> 00:04:54,840

what the mainstream is willing to

123

00:04:59,749 --> 00:04:57,040

discuss we should always remember that

124

00:05:01,909 --> 00:04:59,759

this notion of a consensus reality which

125

00:05:03,749 --> 00:05:01,919

evolves over time of course

126

00:05:06,710 --> 00:05:03,759

is as much about a narrative we tell

127

00:05:09,270 --> 00:05:06,720

ourselves as it is an objective truth

128

00:05:11,430 --> 00:05:09,280

referencing what's out there

129

00:05:13,830 --> 00:05:11,440

in fact this notion of an objective

130

00:05:15,830 --> 00:05:13,840

truth out there as if we're in a

131

00:05:18,790 --> 00:05:15,840

position to know it to perceive it

132

00:05:20,310 --> 00:05:18,800

directly to apprehend it is already a

133

00:05:22,390 --> 00:05:20,320

dicey assumption

134

00:05:24,710 --> 00:05:22,400

but we'll save a deep dive into that for

135

00:05:26,710 --> 00:05:24,720

another time although we will touch on

136

00:05:28,629 --> 00:05:26,720

it again a little bit later in this

137

00:05:30,629 --> 00:05:28,639

podcast

138

00:05:33,029 --> 00:05:30,639

now beyond the notion of these others

139

00:05:35,990 --> 00:05:33,039

contacting and interacting with us at

140

00:05:38,310 --> 00:05:36,000

their whim apparently beyond all that is

141

00:05:39,749 --> 00:05:38,320

this next level notion we discussed in

142

00:05:41,749 --> 00:05:39,759

the introduction

143

00:05:44,230 --> 00:05:41,759

that of human beings actually

144

00:05:46,870 --> 00:05:44,240

proactively reaching out to initiate

145

00:05:50,310 --> 00:05:46,880

contact and communication with these

146

00:05:52,790 --> 00:05:50,320

alien others and apparently successfully

147

00:05:55,110 --> 00:05:52,800

as i said in the introduction this is a

148

00:05:57,749 --> 00:05:55,120

step even beyond what some who accept

149

00:05:59,749 --> 00:05:57,759

notion number one they're here and

150

00:06:01,830 --> 00:05:59,759

notion number two they choose to

151

00:06:03,350 --> 00:06:01,840

interact with us at their whim

152

00:06:05,749 --> 00:06:03,360

can handle

153

00:06:07,909 --> 00:06:05,759

and yet there is a wealth of evidence to

154

00:06:11,189 --> 00:06:07,919

suggest that these human initiated

155

00:06:13,590 --> 00:06:11,199

contact events do actually take place

156

00:06:15,430 --> 00:06:13,600

and that even more interestingly they

157

00:06:17,990 --> 00:06:15,440

actually work

158

00:06:20,390 --> 00:06:18,000

in other words when people use directed

159

00:06:22,950 --> 00:06:20,400

intention and a positive mindset

160

00:06:25,830 --> 00:06:22,960

to invite the presence of these others

161

00:06:28,309 --> 00:06:25,840

they do actually often show up

162

00:06:29,830 --> 00:06:28,319

often at the very time and place

163

00:06:31,909 --> 00:06:29,840

expected

164

00:06:35,189 --> 00:06:31,919

what people then observe are lights in

165

00:06:38,230 --> 00:06:35,199

the sky of a non-prosaic nature or what

166

00:06:40,790 --> 00:06:38,240

looked to be solid craft around the sky

167

00:06:43,029 --> 00:06:40,800

often doing exactly the maneuvers that

168

00:06:44,550 --> 00:06:43,039

the people on the ground watching them

169

00:06:46,309 --> 00:06:44,560

ask to see

170

00:06:49,909 --> 00:06:46,319

like move to the left

171

00:06:51,670 --> 00:06:49,919

now to the right blink three times etc

172

00:06:54,230 --> 00:06:51,680

some people will even bring high-powered

173

00:06:55,909 --> 00:06:54,240

flashlights or lasers to signal these

174

00:06:58,870 --> 00:06:55,919

craft directly

175

00:07:02,070 --> 00:06:58,880

this is ce5 close encounters of the

176
00:07:04,550 --> 00:07:02,080
fifth kind also known as human initiated

177
00:07:06,550 --> 00:07:04,560
contact events heists

178
00:07:08,230 --> 00:07:06,560
and again it works

179
00:07:10,469 --> 00:07:08,240
it's very difficult to disagree with the

180
00:07:12,309 --> 00:07:10,479
data as to this point

181
00:07:15,430 --> 00:07:12,319
it doesn't work all the time it doesn't

182
00:07:16,950 --> 00:07:15,440
work for everyone but the data clearly

183
00:07:19,990 --> 00:07:16,960
points to the fact that this does

184
00:07:22,629 --> 00:07:20,000
actually work and surprisingly often and

185
00:07:25,430 --> 00:07:22,639
by following this very same protocol

186
00:07:27,350 --> 00:07:25,440
involving meditation directed intention

187
00:07:29,430 --> 00:07:27,360
etc

188
00:07:31,670 --> 00:07:29,440

lastly we should also point out that the

189

00:07:34,390 --> 00:07:31,680

vast vast majority of these kinds of

190

00:07:35,430 --> 00:07:34,400

encounters with these particular alien

191

00:07:38,469 --> 00:07:35,440

others

192

00:07:39,909 --> 00:07:38,479

end up being positive encounters

193

00:07:42,629 --> 00:07:39,919

i know people who've been in these

194

00:07:45,270 --> 00:07:42,639

circles for decades james ian doley and

195

00:07:47,189 --> 00:07:45,280

joseph burks being two of them and they

196

00:07:50,230 --> 00:07:47,199

report overwhelmingly positive

197

00:07:51,670 --> 00:07:50,240

interactions based on the ce5 or heist

198

00:07:53,830 --> 00:07:51,680

protocols

199

00:07:55,990 --> 00:07:53,840

does this mean these particular others

200

00:07:58,629 --> 00:07:56,000

are of a different nature a different

201
00:08:00,629 --> 00:07:58,639
origin even perhaps than the others who

202
00:08:02,230 --> 00:08:00,639
are abducting people from their beds in

203
00:08:04,950 --> 00:08:02,240
the middle of the night

204
00:08:07,189 --> 00:08:04,960
perhaps the data does draw a distinction

205
00:08:09,990 --> 00:08:07,199
there from what we can tell so we should

206
00:08:12,390 --> 00:08:10,000
at least consider that possibility

207
00:08:14,869 --> 00:08:12,400
as i've said many times on this podcast

208
00:08:16,629 --> 00:08:14,879
amongst the totality of the data we

209
00:08:19,189 --> 00:08:16,639
should look for unique patterns that

210
00:08:21,830 --> 00:08:19,199
show up that might indicate to us

211
00:08:24,150 --> 00:08:21,840
specific groups within the totality of

212
00:08:27,350 --> 00:08:24,160
the ufo phenomenon

213
00:08:30,790 --> 00:08:27,360

but as i said in the introduction ce5 or

214

00:08:33,509 --> 00:08:30,800

heise as controversial as it is for some

215

00:08:36,469 --> 00:08:33,519

is actually not the only form of human

216

00:08:38,310 --> 00:08:36,479

initiated contact with this apparently

217

00:08:40,949 --> 00:08:38,320

alien others

218

00:08:43,269 --> 00:08:40,959

another form that is used by some people

219

00:08:46,470 --> 00:08:43,279

is what is commonly known as astral

220

00:08:49,430 --> 00:08:46,480

travel or astral projection

221

00:08:52,070 --> 00:08:49,440

now what is astral projection

222

00:08:54,949 --> 00:08:52,080

according to wikipedia quote astral

223

00:08:57,509 --> 00:08:54,959

projection also known as astral travel

224

00:09:00,070 --> 00:08:57,519

is a term used in esotericism to

225

00:09:02,230 --> 00:09:00,080

describe an intentional out-of-body

226

00:09:04,389 --> 00:09:02,240

experience obe

227

00:09:07,269 --> 00:09:04,399

that assumes the existence of a subtle

228

00:09:09,590 --> 00:09:07,279

body called an astral body through which

229

00:09:11,910 --> 00:09:09,600

consciousness can function separately

230

00:09:14,710 --> 00:09:11,920

from the physical body and travel

231

00:09:17,350 --> 00:09:14,720

throughout the astral plane

232

00:09:19,750 --> 00:09:17,360

the idea of astral travel is ancient and

233

00:09:21,990 --> 00:09:19,760

occurs in multiple cultures

234

00:09:24,470 --> 00:09:22,000

the modern terminology of astral

235

00:09:27,190 --> 00:09:24,480

projection was coined and promoted by

236

00:09:29,590 --> 00:09:27,200

19th century theosophists

237

00:09:32,630 --> 00:09:29,600

it is sometimes reported in association

238

00:09:34,150 --> 00:09:32,640

with dreams and forms of meditation

239

00:09:36,230 --> 00:09:34,160

some individuals have reported

240

00:09:38,710 --> 00:09:36,240

perceptions similar to descriptions of

241

00:09:40,470 --> 00:09:38,720

astral projection that were induced

242

00:09:42,150 --> 00:09:40,480

through various hallucinogenic and

243

00:09:45,829 --> 00:09:42,160

hypnotic means

244

00:09:48,230 --> 00:09:45,839

including self-hypnosis unquote

245

00:09:50,070 --> 00:09:48,240

now what we are discussing today is the

246

00:09:52,470 --> 00:09:50,080

fact that there are individuals who

247

00:09:54,870 --> 00:09:52,480

employ the techniques of self-hypnosis

248

00:09:57,829 --> 00:09:54,880

and astral projection to actually

249

00:10:00,310 --> 00:09:57,839

initiate experiences that result in them

250

00:10:03,190 --> 00:10:00,320

not just seeing at a distance as it were

251
00:10:05,350 --> 00:10:03,200
craft or phenomena in their mind's eye

252
00:10:07,430 --> 00:10:05,360
version of the night sky

253
00:10:08,389 --> 00:10:07,440
now while that can and does actually

254
00:10:10,550 --> 00:10:08,399
happen

255
00:10:13,990 --> 00:10:10,560
some individuals will employ this form

256
00:10:17,030 --> 00:10:14,000
of protocol so as to astrally travel up

257
00:10:18,949 --> 00:10:17,040
into the craft of these alien others

258
00:10:21,910 --> 00:10:18,959
where they then can interact with the

259
00:10:23,750 --> 00:10:21,920
alien beings aboard those craft

260
00:10:26,150 --> 00:10:23,760
and specifically we're going to discuss

261
00:10:28,870 --> 00:10:26,160
the case of one particular individual

262
00:10:31,110 --> 00:10:28,880
who regularly uses these very techniques

263
00:10:33,269 --> 00:10:31,120

and successfully so

264

00:10:35,350 --> 00:10:33,279

now while some skeptics within this

265

00:10:37,590 --> 00:10:35,360

community might immediately dismiss this

266

00:10:40,230 --> 00:10:37,600

notion and draw certain conclusions

267

00:10:42,150 --> 00:10:40,240

about the likely nature of this person

268

00:10:44,230 --> 00:10:42,160

it should be noted that this person

269

00:10:46,470 --> 00:10:44,240

actually saw himself as much more of a

270

00:10:47,990 --> 00:10:46,480

nuts and bolts kind of individual

271

00:10:50,150 --> 00:10:48,000

and he didn't regard himself as

272

00:10:52,630 --> 00:10:50,160

particularly spiritual so it's important

273

00:10:54,310 --> 00:10:52,640

to note that from the outset

274

00:10:56,550 --> 00:10:54,320

that this is not merely about the

275

00:10:59,269 --> 00:10:56,560

fanciful imagination of a person who

276

00:11:01,350 --> 00:10:59,279

already leans in this direction

277

00:11:03,829 --> 00:11:01,360

interestingly this person decided to

278

00:11:06,069 --> 00:11:03,839

initiate these kinds of contact

279

00:11:08,550 --> 00:11:06,079

after having experienced classical

280

00:11:10,710 --> 00:11:08,560

abduction encounters including one that

281

00:11:12,069 --> 00:11:10,720

happened with both he and his young

282

00:11:13,910 --> 00:11:12,079

infant son

283

00:11:16,710 --> 00:11:13,920

and for the record he saw these

284

00:11:18,630 --> 00:11:16,720

encounters as absolutely terrifying

285

00:11:21,910 --> 00:11:18,640

where he experienced all of the standard

286

00:11:24,630 --> 00:11:21,920

paralysis and ontological shock when

287

00:11:27,110 --> 00:11:24,640

being suddenly appeared in his room in

288

00:11:28,870 --> 00:11:27,120

the middle of the night etc

289

00:11:31,350 --> 00:11:28,880

here is a short bio of the person we're

290

00:11:33,670 --> 00:11:31,360

going to discuss today his name is peter

291

00:11:35,910 --> 00:11:33,680

whitley now he has been abducted by

292

00:11:38,389 --> 00:11:35,920

aliens three times

293

00:11:40,949 --> 00:11:38,399

and he has astrally traveled to

294

00:11:43,110 --> 00:11:40,959

unidentified flying objects the craft

295

00:11:45,110 --> 00:11:43,120

used by these beings apparently

296

00:11:46,870 --> 00:11:45,120

over 40 times

297

00:11:49,269 --> 00:11:46,880

now he is originally from the pacific

298

00:11:51,670 --> 00:11:49,279

northwest region of the united states

299

00:11:53,829 --> 00:11:51,680

but he is now the national director for

300

00:11:56,389 --> 00:11:53,839

mufon of japan

301
00:11:57,829 --> 00:11:56,399
and he's a member of mufon's experiencer

302
00:12:00,389 --> 00:11:57,839
research team

303
00:12:02,230 --> 00:12:00,399
so he enjoyed japan after visiting there

304
00:12:03,750 --> 00:12:02,240
many years and eventually decided to

305
00:12:04,949 --> 00:12:03,760
move there and become a permanent

306
00:12:07,590 --> 00:12:04,959
resident

307
00:12:09,509 --> 00:12:07,600
now as an experiencer himself his

308
00:12:12,629 --> 00:12:09,519
primary focus is on reports of

309
00:12:14,710 --> 00:12:12,639
interaction with non-human intelligence

310
00:12:16,949 --> 00:12:14,720
i.e aliens

311
00:12:20,150 --> 00:12:16,959
more recently he's been exploring the

312
00:12:22,949 --> 00:12:20,160
use of astral travel to gain insight

313
00:12:25,910 --> 00:12:22,959

into the activities and motivations of

314

00:12:27,990 --> 00:12:25,920

these mysterious others

315

00:12:30,230 --> 00:12:28,000

now how does he do this how does he

316

00:12:33,190 --> 00:12:30,240

develop the protocol in the first place

317

00:12:35,110 --> 00:12:33,200

to manage to interact with these others

318

00:12:37,350 --> 00:12:35,120

via astral travel

319

00:12:39,750 --> 00:12:37,360

well he uses techniques he was taught as

320

00:12:42,310 --> 00:12:39,760

part of a program run by the monroe

321

00:12:44,710 --> 00:12:42,320

institute which is an organization as

322

00:12:47,750 --> 00:12:44,720

many of you might know that was begun by

323

00:12:49,910 --> 00:12:47,760

robert munroe in the 1970s following

324

00:12:52,470 --> 00:12:49,920

monroe's experience of sudden

325

00:12:55,430 --> 00:12:52,480

unpredicted and at least initially

326

00:12:58,230 --> 00:12:55,440

unwanted out-of-body experiences

327

00:13:00,310 --> 00:12:58,240

now parenthetically a person who was

328

00:13:03,590 --> 00:13:00,320

hired to help monroe to prove the

329

00:13:05,590 --> 00:13:03,600

validity of obese and even the notion

330

00:13:08,069 --> 00:13:05,600

that people can bring these about

331

00:13:10,150 --> 00:13:08,079

following certain protocols was none

332

00:13:12,389 --> 00:13:10,160

other than tom campbell

333

00:13:15,430 --> 00:13:12,399

tom campbell is probably known to many

334

00:13:18,069 --> 00:13:15,440

of you as a major teacher now that our

335

00:13:21,269 --> 00:13:18,079

reality is a simulation of sorts a

336

00:13:23,430 --> 00:13:21,279

virtual reality that is iterated by a

337

00:13:25,350 --> 00:13:23,440

consciousness system of which we are a

338

00:13:28,550 --> 00:13:25,360

part and that our local bodies are

339

00:13:30,150 --> 00:13:28,560

basically avatars within a simulation

340

00:13:32,150 --> 00:13:30,160

initially he was brought on as a

341

00:13:33,910 --> 00:13:32,160

physicist to help come up with model

342

00:13:37,190 --> 00:13:33,920

scientific models to demonstrate the

343

00:13:38,949 --> 00:13:37,200

validity of obese but eventually he

344

00:13:41,750 --> 00:13:38,959

himself started having amazing

345

00:13:43,350 --> 00:13:41,760

experiences with out-of-body experiences

346

00:13:45,670 --> 00:13:43,360

and to make a long story short he

347

00:13:48,470 --> 00:13:45,680

eventually wrote a book called my big

348

00:13:50,710 --> 00:13:48,480

toe which is short for my big theory of

349

00:13:52,710 --> 00:13:50,720

everything and that book entails not

350

00:13:54,870 --> 00:13:52,720

just these encounters he had while

351
00:13:56,949 --> 00:13:54,880
having out-of-body experiences

352
00:13:59,509 --> 00:13:56,959
but it explains how he was able to test

353
00:14:01,430 --> 00:13:59,519
various ideas about reality and he

354
00:14:02,389 --> 00:14:01,440
developed an entire model of reality

355
00:14:04,870 --> 00:14:02,399
based on

356
00:14:06,949 --> 00:14:04,880
experiments he would basically run

357
00:14:08,790 --> 00:14:06,959
while having an out of body experience

358
00:14:10,949 --> 00:14:08,800
and he had many many of these and he

359
00:14:14,069 --> 00:14:10,959
found to his surprise that he was able

360
00:14:16,230 --> 00:14:14,079
to have these almost at will

361
00:14:17,829 --> 00:14:16,240
but tom campbell and his tale is a tale

362
00:14:20,470 --> 00:14:17,839
for another time

363
00:14:23,350 --> 00:14:20,480

we will explore his experiences as well

364

00:14:25,030 --> 00:14:23,360

as his model in a subsequent podcast

365

00:14:27,189 --> 00:14:25,040

episode

366

00:14:28,550 --> 00:14:27,199

let's get back to peter whitley and his

367

00:14:30,150 --> 00:14:28,560

encounters

368

00:14:31,509 --> 00:14:30,160

now the first thing i want to point out

369

00:14:33,350 --> 00:14:31,519

here is that

370

00:14:36,629 --> 00:14:33,360

like many people we've discussed on this

371

00:14:38,629 --> 00:14:36,639

podcast over 60 episodes now

372

00:14:40,550 --> 00:14:38,639

initially when he had abduction

373

00:14:42,870 --> 00:14:40,560

experiences in other words when they

374

00:14:45,590 --> 00:14:42,880

came to him and took him up onto their

375

00:14:47,350 --> 00:14:45,600

craft while he had experiences that

376

00:14:49,110 --> 00:14:47,360

weren't traumatizing in the sense of

377

00:14:50,790 --> 00:14:49,120

they didn't do anything to him that

378

00:14:52,389 --> 00:14:50,800

seemed harmful they didn't seem

379

00:14:55,110 --> 00:14:52,399

malevolent to him

380

00:14:56,710 --> 00:14:55,120

the experiences were still terrifying

381

00:14:59,750 --> 00:14:56,720

initially that was his experience of

382

00:15:01,509 --> 00:14:59,760

them because again the ontological shock

383

00:15:03,990 --> 00:15:01,519

these beings showed up in his room in

384

00:15:05,990 --> 00:15:04,000

the middle of the night he couldn't move

385

00:15:09,110 --> 00:15:06,000

then he was taken on board a spacecraft

386

00:15:11,189 --> 00:15:09,120

etc all this was very shocking both to

387

00:15:12,470 --> 00:15:11,199

his understanding of what could happen

388

00:15:14,150 --> 00:15:12,480

in reality

389

00:15:17,030 --> 00:15:14,160

and the fact that he seemingly had no

390

00:15:20,629 --> 00:15:17,040

control so initially terror was his

391

00:15:22,550 --> 00:15:20,639

response however over time he began to

392

00:15:24,150 --> 00:15:22,560

see it differently and again we've

393

00:15:25,670 --> 00:15:24,160

talked about this progression and

394

00:15:28,550 --> 00:15:25,680

people's interpretation of their

395

00:15:31,110 --> 00:15:28,560

experiences many times it doesn't always

396

00:15:33,430 --> 00:15:31,120

happen this way but it often does and

397

00:15:36,230 --> 00:15:33,440

eventually curiosity got the better of

398

00:15:38,470 --> 00:15:36,240

him and he thought perhaps i should try

399

00:15:41,269 --> 00:15:38,480

to reach out to them perhaps i can learn

400

00:15:43,430 --> 00:15:41,279

things about them so he ended up taking

401
00:15:46,310 --> 00:15:43,440
this course from the monroe institute

402
00:15:48,550 --> 00:15:46,320
that taught him how to astrally project

403
00:15:50,470 --> 00:15:48,560
and then via a combination of what he

404
00:15:52,629 --> 00:15:50,480
learned in that course and what he also

405
00:15:55,509 --> 00:15:52,639
learned about self-hypnosis

406
00:15:58,550 --> 00:15:55,519
he actually went about recording his own

407
00:16:01,030 --> 00:15:58,560
self-hypnosis induction technique he

408
00:16:03,030 --> 00:16:01,040
would record this and then play this

409
00:16:05,189 --> 00:16:03,040
back to himself and use the

410
00:16:08,550 --> 00:16:05,199
methodologies he's learned through the

411
00:16:10,629 --> 00:16:08,560
monroe course in order to create an

412
00:16:13,590 --> 00:16:10,639
out-of-body experience which would

413
00:16:16,069 --> 00:16:13,600

enable him to astrally travel and

414

00:16:18,550 --> 00:16:16,079

contact these alien others and he didn't

415

00:16:21,189 --> 00:16:18,560

just call them down he would actually be

416

00:16:23,269 --> 00:16:21,199

able to go up into their craft

417

00:16:25,990 --> 00:16:23,279

now of course the question of in what

418

00:16:28,870 --> 00:16:26,000

sense is he going anywhere is a separate

419

00:16:30,629 --> 00:16:28,880

question and we'll get to that and it is

420

00:16:33,430 --> 00:16:30,639

fascinating and i would say perhaps it

421

00:16:35,350 --> 00:16:33,440

is the most important aspect of all

422

00:16:37,829 --> 00:16:35,360

these different kinds of cases and we

423

00:16:39,829 --> 00:16:37,839

should pay very close attention to these

424

00:16:42,870 --> 00:16:39,839

details because it points to something

425

00:16:44,949 --> 00:16:42,880

about the very fabric of reality

426
00:16:47,910 --> 00:16:44,959
again more on that later

427
00:16:50,230 --> 00:16:47,920
so what has he learned when he went via

428
00:16:52,069 --> 00:16:50,240
astral projection up into the craft and

429
00:16:54,069 --> 00:16:52,079
visited these others

430
00:16:56,629 --> 00:16:54,079
by the way he came across various

431
00:16:58,949 --> 00:16:56,639
different kinds of aliens most commonly

432
00:17:01,110 --> 00:16:58,959
the greys though although he also came

433
00:17:04,230 --> 00:17:01,120
across the mantis type and had a long

434
00:17:06,789 --> 00:17:04,240
conversation with a particular mantis

435
00:17:10,150 --> 00:17:06,799
now the greys told him when he asked

436
00:17:13,270 --> 00:17:10,160
that they are biological robots created

437
00:17:15,110 --> 00:17:13,280
biological entities but unlike us they

438
00:17:17,750 --> 00:17:15,120

do not have souls

439

00:17:20,949 --> 00:17:17,760

now he was told there are others other

440

00:17:22,710 --> 00:17:20,959

alien types that are soulful so to speak

441

00:17:23,829 --> 00:17:22,720

in other words they do have souls just

442

00:17:26,390 --> 00:17:23,839

like us

443

00:17:28,069 --> 00:17:26,400

but these particular graves do not have

444

00:17:31,270 --> 00:17:28,079

souls apparently that's what they told

445

00:17:33,909 --> 00:17:31,280

him they are engineered created but

446

00:17:35,990 --> 00:17:33,919

biological beings again this is i think

447

00:17:38,630 --> 00:17:36,000

where some of our conceptions kind of

448

00:17:41,270 --> 00:17:38,640

collapse we think of either ai robots as

449

00:17:43,350 --> 00:17:41,280

these kind of metallic plastic types or

450

00:17:46,390 --> 00:17:43,360

you have kind of organic biological

451
00:17:48,630 --> 00:17:46,400
beings with souls he's saying that these

452
00:17:51,190 --> 00:17:48,640
are some amalgam of the two they are

453
00:17:53,590 --> 00:17:51,200
biological they are organic in a way

454
00:17:55,669 --> 00:17:53,600
they do develop they do have personality

455
00:17:57,750 --> 00:17:55,679
but they don't have souls so they're not

456
00:18:00,070 --> 00:17:57,760
quite like us even though there are

457
00:18:01,430 --> 00:18:00,080
alien types that are more like us in

458
00:18:03,669 --> 00:18:01,440
that sense

459
00:18:05,270 --> 00:18:03,679
now it's also interesting that perhaps

460
00:18:08,630 --> 00:18:05,280
one of the reasons why he steered away

461
00:18:11,110 --> 00:18:08,640
from ce5 is because he has never taken

462
00:18:13,110 --> 00:18:11,120
well to meditation now for me personally

463
00:18:14,470 --> 00:18:13,120

meditation is a big part of my

464

00:18:16,470 --> 00:18:14,480

everyday practice

465

00:18:18,390 --> 00:18:16,480

but for peter meditation never really

466

00:18:20,070 --> 00:18:18,400

worked for him so he found that

467

00:18:22,230 --> 00:18:20,080

self-hypnosis

468

00:18:24,390 --> 00:18:22,240

and astral projection worked better so

469

00:18:27,190 --> 00:18:24,400

maybe that's why he opted for this

470

00:18:29,590 --> 00:18:27,200

kind of contact this kind of initiation

471

00:18:31,669 --> 00:18:29,600

rather than ce5

472

00:18:33,350 --> 00:18:31,679

as i mentioned in the beginning it's

473

00:18:36,310 --> 00:18:33,360

also important to point out that peter

474

00:18:38,150 --> 00:18:36,320

is not a kind of spiritual woo-woo kind

475

00:18:39,669 --> 00:18:38,160

of individual not a new age kind of

476

00:18:42,070 --> 00:18:39,679

individual he doesn't even consider

477

00:18:43,430 --> 00:18:42,080

himself spiritual really and he says

478

00:18:45,590 --> 00:18:43,440

that if you would have told him that he

479

00:18:47,830 --> 00:18:45,600

would be attempting astral travel at

480

00:18:49,350 --> 00:18:47,840

some point in his life five ten years

481

00:18:51,029 --> 00:18:49,360

ago he would have laughed at you he

482

00:18:53,510 --> 00:18:51,039

would have seen it as an impossibility

483

00:18:55,669 --> 00:18:53,520

it just wasn't who he was

484

00:18:57,510 --> 00:18:55,679

but once he opened his mind to this kind

485

00:18:59,510 --> 00:18:57,520

of possibility

486

00:19:01,909 --> 00:18:59,520

and following his abduction encounters

487

00:19:03,590 --> 00:19:01,919

he was willing to try this and by the

488

00:19:06,150 --> 00:19:03,600

way if you're interested the course he

489

00:19:07,590 --> 00:19:06,160

took is the monroe institute's gateway

490

00:19:09,590 --> 00:19:07,600

experience

491

00:19:11,270 --> 00:19:09,600

and he basically took this on a whim

492

00:19:13,029 --> 00:19:11,280

thought he would try something new what

493

00:19:15,029 --> 00:19:13,039

the heck we'll see what happens little

494

00:19:16,630 --> 00:19:15,039

did he know at the time that he would

495

00:19:19,190 --> 00:19:16,640

not only have a good experience with

496

00:19:21,750 --> 00:19:19,200

this course but then would be able to

497

00:19:23,750 --> 00:19:21,760

almost at will create out of body

498

00:19:25,669 --> 00:19:23,760

experiences it happened very commonly

499

00:19:27,909 --> 00:19:25,679

for him it was not a difficult

500

00:19:30,070 --> 00:19:27,919

transition that isn't to say it will be

501
00:19:33,110 --> 00:19:30,080
that way for everyone but he had a

502
00:19:34,390 --> 00:19:33,120
particular ability to facilitate these

503
00:19:36,070 --> 00:19:34,400
obes

504
00:19:37,669 --> 00:19:36,080
pretty much at will

505
00:19:41,350 --> 00:19:37,679
now of course based on things we've

506
00:19:44,070 --> 00:19:41,360
discussed before one asks is it possible

507
00:19:45,830 --> 00:19:44,080
that the contact he had with them first

508
00:19:47,990 --> 00:19:45,840
when they abducted him

509
00:19:50,150 --> 00:19:48,000
could have turned something on in his

510
00:19:52,230 --> 00:19:50,160
brain so to speak that made him more

511
00:19:54,390 --> 00:19:52,240
capable of having obese because we know

512
00:19:56,549 --> 00:19:54,400
these all come together they all overlap

513
00:19:57,909 --> 00:19:56,559

in some way there is a point of

514

00:19:59,830 --> 00:19:57,919

convergence

515

00:20:01,669 --> 00:19:59,840

perhaps but again we think of someone

516

00:20:03,830 --> 00:20:01,679

like tom campbell who we mentioned

517

00:20:05,430 --> 00:20:03,840

earlier and he also found to his

518

00:20:06,950 --> 00:20:05,440

surprise that he was surprisingly good

519

00:20:09,510 --> 00:20:06,960

at obese

520

00:20:11,990 --> 00:20:09,520

although again even in his case it turns

521

00:20:14,470 --> 00:20:12,000

out he had experiences as a child with a

522

00:20:16,390 --> 00:20:14,480

kind of non-human intelligence

523

00:20:18,070 --> 00:20:16,400

so again this is all interesting how

524

00:20:19,590 --> 00:20:18,080

this overlaps we're still trying to

525

00:20:22,390 --> 00:20:19,600

unravel that

526

00:20:24,710 --> 00:20:22,400

now let's get to what he learned what

527

00:20:27,270 --> 00:20:24,720

peter learned when he was on board the

528

00:20:29,830 --> 00:20:27,280

craft communicating with these greys

529

00:20:31,909 --> 00:20:29,840

with the mantis types etc with hybrids

530

00:20:33,510 --> 00:20:31,919

even and he remembers all this this is

531

00:20:35,990 --> 00:20:33,520

conscious memory it's not like this had

532

00:20:37,669 --> 00:20:36,000

to be drug out of him through hypnotic

533

00:20:40,230 --> 00:20:37,679

regression or something even though

534

00:20:43,270 --> 00:20:40,240

that's very useful technique for many

535

00:20:44,789 --> 00:20:43,280

people who were abducted but in his case

536

00:20:47,430 --> 00:20:44,799

because he is initiating these

537

00:20:48,549 --> 00:20:47,440

encounters he remembers all of this the

538

00:20:50,710 --> 00:20:48,559

same way that he's telling you about

539

00:20:53,270 --> 00:20:50,720

what he had for breakfast the day before

540

00:20:54,630 --> 00:20:53,280

and by the way these are classic obese

541

00:20:55,990 --> 00:20:54,640

that he's having

542

00:20:58,230 --> 00:20:56,000

now to

543

00:21:00,070 --> 00:20:58,240

create the obese what he would use is a

544

00:21:02,710 --> 00:21:00,080

combination of self-hypnosis like i

545

00:21:05,430 --> 00:21:02,720

mentioned and then he would vibrate his

546

00:21:06,870 --> 00:21:05,440

body and this is a bit too much to get

547

00:21:09,750 --> 00:21:06,880

into right here but you can learn about

548

00:21:11,990 --> 00:21:09,760

this if you want to basically he

549

00:21:13,669 --> 00:21:12,000

visualizes this energy running up and

550

00:21:16,230 --> 00:21:13,679

down his spine up and down his entire

551
00:21:18,549 --> 00:21:16,240
body and he increases the rate at which

552
00:21:21,029 --> 00:21:18,559
it's vibrating this is sort of via the

553
00:21:23,350 --> 00:21:21,039
use of imagination initially and then

554
00:21:25,669 --> 00:21:23,360
you begin to really feel it and this

555
00:21:27,350 --> 00:21:25,679
kind of loosens your astral body from

556
00:21:29,510 --> 00:21:27,360
your physical body

557
00:21:31,350 --> 00:21:29,520
and i say it's a classical obe type

558
00:21:33,190 --> 00:21:31,360
experience because when asked he said

559
00:21:35,990 --> 00:21:33,200
that yes when he would first come out of

560
00:21:38,710 --> 00:21:36,000
his body so to speak he could look down

561
00:21:40,710 --> 00:21:38,720
from the ceiling and still see his body

562
00:21:42,549 --> 00:21:40,720
lying on the bed and he would notice

563
00:21:44,470 --> 00:21:42,559

details like the fact that his foam was

564

00:21:47,830 --> 00:21:44,480

upside down the way that he had said it

565

00:21:50,070 --> 00:21:47,840

just before he tried to induce the obe

566

00:21:51,430 --> 00:21:50,080

so he really did sense that he was now

567

00:21:54,070 --> 00:21:51,440

out of his body and he could actually

568

00:21:55,830 --> 00:21:54,080

look down at his physical space and see

569

00:21:57,990 --> 00:21:55,840

his physical body

570

00:22:00,549 --> 00:21:58,000

from the vantage point of his astral

571

00:22:03,110 --> 00:22:00,559

body which was now on the ceiling

572

00:22:04,789 --> 00:22:03,120

now from there he would travel up to the

573

00:22:06,230 --> 00:22:04,799

craft themselves and it's not like he

574

00:22:08,390 --> 00:22:06,240

would actually picture himself going

575

00:22:10,710 --> 00:22:08,400

through the sky and after about 25

576

00:22:13,029 --> 00:22:10,720

minutes get there it's more like a

577

00:22:15,110 --> 00:22:13,039

transition happened almost spontaneously

578

00:22:17,590 --> 00:22:15,120

he would go from out of his body out of

579

00:22:20,070 --> 00:22:17,600

the room and then be up in the craft

580

00:22:21,110 --> 00:22:20,080

now while he was on the craft what did

581

00:22:23,190 --> 00:22:21,120

he see

582

00:22:25,990 --> 00:22:23,200

one thing he saw evidence of was the

583

00:22:27,750 --> 00:22:26,000

hybridization process which again is

584

00:22:30,630 --> 00:22:27,760

front and center with this phenomenon

585

00:22:32,630 --> 00:22:30,640

we've talked about this many many times

586

00:22:35,350 --> 00:22:32,640

what he saw at first was what he

587

00:22:37,510 --> 00:22:35,360

perceived as human nurses in a kind of

588

00:22:39,110 --> 00:22:37,520

futuristic nursery

589

00:22:40,870 --> 00:22:39,120

and in fact a grade that he was there

590

00:22:43,270 --> 00:22:40,880

with asked him if he wanted to hold one

591

00:22:46,149 --> 00:22:43,280

of the babies that was being attended to

592

00:22:48,310 --> 00:22:46,159

in this nursery now peter later realized

593

00:22:50,390 --> 00:22:48,320

or perceived more directly that these

594

00:22:53,990 --> 00:22:50,400

nurses which he had first saw as kind of

595

00:22:55,990 --> 00:22:54,000

humanoid were actually also graves and

596

00:22:58,470 --> 00:22:56,000

then he saw that the nursery itself was

597

00:23:00,870 --> 00:22:58,480

a projection over top of the actual

598

00:23:02,310 --> 00:23:00,880

appearance of this part of the interior

599

00:23:04,710 --> 00:23:02,320

of the craft

600

00:23:07,510 --> 00:23:04,720

what he saw then once this kind of

601
00:23:10,310 --> 00:23:07,520
projection had been removed was a sparse

602
00:23:12,470 --> 00:23:10,320
area with minimal furnishings mostly

603
00:23:15,029 --> 00:23:12,480
everything was colored white

604
00:23:17,270 --> 00:23:15,039
and the white light came from the walls

605
00:23:19,350 --> 00:23:17,280
themselves there was no direct source

606
00:23:20,950 --> 00:23:19,360
observed as to where the light came from

607
00:23:23,510 --> 00:23:20,960
it just seemed to emanate from the

608
00:23:24,789 --> 00:23:23,520
entire interior of the craft and again

609
00:23:26,630 --> 00:23:24,799
that's something we've heard from people

610
00:23:28,470 --> 00:23:26,640
before as well

611
00:23:30,630 --> 00:23:28,480
now regarding the fact that he initially

612
00:23:32,710 --> 00:23:30,640
perceived these nurses as more humanoid

613
00:23:35,029 --> 00:23:32,720

and then later saw them as greys and the

614

00:23:37,669 --> 00:23:35,039

fact that he initially saw this area as

615

00:23:39,669 --> 00:23:37,679

a nursery and only later realized it was

616

00:23:42,549 --> 00:23:39,679

more sparse than that

617

00:23:44,470 --> 00:23:42,559

he was told by the graves that they will

618

00:23:47,269 --> 00:23:44,480

often show us images that are

619

00:23:49,990 --> 00:23:47,279

translations so to speak to help us make

620

00:23:50,870 --> 00:23:50,000

better sense of or relate to what we're

621

00:23:53,350 --> 00:23:50,880

seeing

622

00:23:56,149 --> 00:23:53,360

so they told him this that they do this

623

00:23:59,350 --> 00:23:56,159

for our sake so again in this kind of

624

00:24:02,710 --> 00:23:59,360

subtle reality what we see is a complex

625

00:24:04,789 --> 00:24:02,720

tapestry of what's actually there and

626

00:24:08,070 --> 00:24:04,799

what our minds dream up and also what

627

00:24:09,510 --> 00:24:08,080

these others facilitate to show us

628

00:24:11,269 --> 00:24:09,520

for our sake

629

00:24:13,190 --> 00:24:11,279

and maybe for their sake too that's

630

00:24:14,789 --> 00:24:13,200

something we should consider as well

631

00:24:16,710 --> 00:24:14,799

many people have questioned whether or

632

00:24:19,510 --> 00:24:16,720

not they show us things that are not

633

00:24:21,830 --> 00:24:19,520

real for their own purposes that's quite

634

00:24:24,310 --> 00:24:21,840

likely i will lean towards this being a

635

00:24:26,230 --> 00:24:24,320

kind of symbiotic arrangement ultimately

636

00:24:27,830 --> 00:24:26,240

but i'll get to that later the bottom

637

00:24:31,110 --> 00:24:27,840

line is we shouldn't necessarily take

638

00:24:33,269 --> 00:24:31,120

every element that is seen as literal

639

00:24:36,230 --> 00:24:33,279

in these subtle realms there are many

640

00:24:38,149 --> 00:24:36,240

nuances here many subtle layers but we

641

00:24:40,070 --> 00:24:38,159

should note that when he asked to see

642

00:24:41,190 --> 00:24:40,080

things as they really are once he

643

00:24:42,950 --> 00:24:41,200

realized that there was a kind of

644

00:24:45,430 --> 00:24:42,960

projection going on

645

00:24:47,110 --> 00:24:45,440

a kind of hologram on top of what he was

646

00:24:49,430 --> 00:24:47,120

actually seeing

647

00:24:52,070 --> 00:24:49,440

they did show him other images and he

648

00:24:54,149 --> 00:24:52,080

saw something that looked less familiar

649

00:24:55,909 --> 00:24:54,159

less comforting in some ways

650

00:24:57,909 --> 00:24:55,919

but according to what they told him

651
00:25:00,870 --> 00:24:57,919
closer to the actual reality of the

652
00:25:03,110 --> 00:25:00,880
interior of the craft now something else

653
00:25:05,430 --> 00:25:03,120
he saw was another gray in a kind of

654
00:25:07,190 --> 00:25:05,440
laboratory area and again he makes the

655
00:25:09,590 --> 00:25:07,200
point here peter does are saying at

656
00:25:12,710 --> 00:25:09,600
least it was presented like a laboratory

657
00:25:15,029 --> 00:25:12,720
area and this gray was using a long

658
00:25:16,230 --> 00:25:15,039
metal rod to insert something into a

659
00:25:17,669 --> 00:25:16,240
capsule

660
00:25:19,510 --> 00:25:17,679
when he was done inserting something

661
00:25:20,789 --> 00:25:19,520
into one capsule that would shoot away

662
00:25:22,710 --> 00:25:20,799
and another one would appear and he

663
00:25:25,590 --> 00:25:22,720

would do the same thing

664

00:25:27,510 --> 00:25:25,600

when peter asked what they were doing

665

00:25:30,149 --> 00:25:27,520

he was basically told by the grace that

666

00:25:32,630 --> 00:25:30,159

this is how they manage our evolution

667

00:25:35,110 --> 00:25:32,640

that they're trying to evolve our souls

668

00:25:36,630 --> 00:25:35,120

and then they do it this way now this is

669

00:25:37,510 --> 00:25:36,640

interesting because again when we think

670

00:25:39,430 --> 00:25:37,520

about

671

00:25:41,990 --> 00:25:39,440

the evolution of souls we think of a

672

00:25:43,590 --> 00:25:42,000

more spiritual kind of process but what

673

00:25:46,149 --> 00:25:43,600

they're doing here is kind of using

674

00:25:48,390 --> 00:25:46,159

chemicals and organics and things like

675

00:25:51,029 --> 00:25:48,400

that again maybe we shouldn't take it at

676

00:25:52,710 --> 00:25:51,039

face value or maybe it's some amalgam of

677

00:25:55,190 --> 00:25:52,720

the two that we don't fully understand

678

00:25:56,789 --> 00:25:55,200

yet in fact many times they told him he

679

00:25:58,710 --> 00:25:56,799

wouldn't really understand if even if

680

00:26:01,590 --> 00:25:58,720

they tried to explain it

681

00:26:04,310 --> 00:26:01,600

but this is what he saw this gray

682

00:26:06,710 --> 00:26:04,320

inserting some sort of substance via a

683

00:26:08,950 --> 00:26:06,720

long metal rod into a capsule

684

00:26:11,510 --> 00:26:08,960

and that this somehow was to manage our

685

00:26:13,110 --> 00:26:11,520

evolution and to evolve our souls that's

686

00:26:14,310 --> 00:26:13,120

what he was actually told by these

687

00:26:16,230 --> 00:26:14,320

graves

688

00:26:18,549 --> 00:26:16,240

now i already mentioned that sometimes

689

00:26:20,149 --> 00:26:18,559

they kind of intimated that he wouldn't

690

00:26:21,590 --> 00:26:20,159

really understand some of the answers

691

00:26:23,510 --> 00:26:21,600

that they could give

692

00:26:25,990 --> 00:26:23,520

many of his questions were dismissed as

693

00:26:28,149 --> 00:26:26,000

being misguided or they would redirect

694

00:26:29,669 --> 00:26:28,159

him to a better question a more helpful

695

00:26:31,990 --> 00:26:29,679

question and that actually seems

696

00:26:33,750 --> 00:26:32,000

realistic to me if they are further

697

00:26:35,430 --> 00:26:33,760

along than us at least these graves that

698

00:26:37,510 --> 00:26:35,440

he was interacting with i'm not saying

699

00:26:40,310 --> 00:26:37,520

they all are but if these particular

700

00:26:42,310 --> 00:26:40,320

ones really are further along than us

701
00:26:44,630 --> 00:26:42,320
then it makes sense that sometimes our

702
00:26:46,310 --> 00:26:44,640
questions wouldn't be useful because

703
00:26:47,510 --> 00:26:46,320
they would be based on assumptions that

704
00:26:49,430 --> 00:26:47,520
are faulty

705
00:26:52,070 --> 00:26:49,440
so for this to be a real kind of

706
00:26:53,750 --> 00:26:52,080
experience i would actually expect that

707
00:26:56,390 --> 00:26:53,760
this kind of scenario would happen where

708
00:26:59,350 --> 00:26:56,400
they would try to redirect us try to ask

709
00:27:01,029 --> 00:26:59,360
better questions etc but we should point

710
00:27:03,029 --> 00:27:01,039
out that sometimes he just knew that the

711
00:27:05,110 --> 00:27:03,039
implication was that he wouldn't

712
00:27:07,750 --> 00:27:05,120
understand even if they tried to explain

713
00:27:10,070 --> 00:27:07,760

it to him they were always kind and

714

00:27:12,070 --> 00:27:10,080

amicable towards him but sometimes they

715

00:27:14,149 --> 00:27:12,080

wouldn't answer his questions mainly

716

00:27:16,070 --> 00:27:14,159

because he didn't have the capacity to

717

00:27:17,830 --> 00:27:16,080

understand the answer

718

00:27:19,190 --> 00:27:17,840

now another thing one of these graves

719

00:27:20,549 --> 00:27:19,200

asked him was whether or not he would

720

00:27:22,789 --> 00:27:20,559

like to hold

721

00:27:26,230 --> 00:27:22,799

one of these hybrid babies and as it

722

00:27:28,470 --> 00:27:26,240

turns out this hybrid baby looked 100

723

00:27:30,149 --> 00:27:28,480

human to him it wasn't like what we

724

00:27:32,470 --> 00:27:30,159

sometimes see which is

725

00:27:34,470 --> 00:27:32,480

a child that looks partially human and

726

00:27:36,789 --> 00:27:34,480

partially something like a gray

727

00:27:38,950 --> 00:27:36,799

to peter's eyes this baby looked

728

00:27:40,710 --> 00:27:38,960

completely human

729

00:27:42,710 --> 00:27:40,720

you wouldn't be able to tell it

730

00:27:44,789 --> 00:27:42,720

apart from any other baby in a nursery

731

00:27:46,870 --> 00:27:44,799

for instance and yet he was told that

732

00:27:49,590 --> 00:27:46,880

this was a hybrid baby and he sensed

733

00:27:51,510 --> 00:27:49,600

this as well which again raises the

734

00:27:54,070 --> 00:27:51,520

possibility that these hybrid babies

735

00:27:56,389 --> 00:27:54,080

have been introduced into our population

736

00:27:58,310 --> 00:27:56,399

and are walking around amongst us and we

737

00:28:00,389 --> 00:27:58,320

are none the wiser

738

00:28:02,389 --> 00:28:00,399

now as i already mentioned peter goes

739

00:28:04,310 --> 00:28:02,399

out of his way to point out that these

740

00:28:06,310 --> 00:28:04,320

different graves and including the

741

00:28:09,029 --> 00:28:06,320

mantis that he saw as well

742

00:28:10,470 --> 00:28:09,039

all had unique personalities so again i

743

00:28:11,590 --> 00:28:10,480

think that challenges some of our

744

00:28:13,350 --> 00:28:11,600

assumptions

745

00:28:15,110 --> 00:28:13,360

even though they are

746

00:28:16,470 --> 00:28:15,120

beings without souls apparently that's

747

00:28:19,029 --> 00:28:16,480

what they told him

748

00:28:21,830 --> 00:28:19,039

they are created organic biological

749

00:28:23,750 --> 00:28:21,840

being some amalgamation of a robot and

750

00:28:25,510 --> 00:28:23,760

an organic being they still had

751

00:28:28,149 --> 00:28:25,520

personalities and they still like to

752

00:28:29,750 --> 00:28:28,159

experience things and in fact one time

753

00:28:32,230 --> 00:28:29,760

he had a really profound experience that

754

00:28:33,669 --> 00:28:32,240

was also somewhat disconcerting and

755

00:28:35,830 --> 00:28:33,679

uncomfortable

756

00:28:37,430 --> 00:28:35,840

where one of the graves asked him if he

757

00:28:39,590 --> 00:28:37,440

would like to do a consciousness

758

00:28:41,510 --> 00:28:39,600

exchange now we should note here the

759

00:28:43,590 --> 00:28:41,520

grey did ask him he didn't force it on

760

00:28:44,470 --> 00:28:43,600

him but peter being a curious person

761

00:28:46,549 --> 00:28:44,480

agreed

762

00:28:48,630 --> 00:28:46,559

said he would like to try it what he

763

00:28:51,110 --> 00:28:48,640

experienced was suddenly his

764

00:28:53,510 --> 00:28:51,120

consciousness was inside a larger

765

00:28:56,070 --> 00:28:53,520

container of the gray's consciousness

766

00:28:59,590 --> 00:28:56,080

and it was very foreign feeling to him

767

00:29:02,870 --> 00:28:59,600

and likewise the gray was able to embody

768

00:29:05,909 --> 00:29:02,880

his human form down on earth his

769

00:29:08,070 --> 00:29:05,919

physical form and peter also somehow

770

00:29:10,310 --> 00:29:08,080

accessed this feeling was a part of that

771

00:29:11,990 --> 00:29:10,320

as well and the entire experience was

772

00:29:14,149 --> 00:29:12,000

very overwhelming and somewhat

773

00:29:15,590 --> 00:29:14,159

uncomfortable and again we've talked

774

00:29:17,510 --> 00:29:15,600

about this before

775

00:29:19,750 --> 00:29:17,520

some people describe this almost like a

776

00:29:21,909 --> 00:29:19,760

feeling of death because

777

00:29:24,870 --> 00:29:21,919

we are feeling separated from what we're

778

00:29:26,470 --> 00:29:24,880

used to feeling as ourselves and this

779

00:29:28,549 --> 00:29:26,480

gray was actually imposing its

780

00:29:30,710 --> 00:29:28,559

consciousness after asking that it could

781

00:29:31,669 --> 00:29:30,720

do so we should point out but it was

782

00:29:33,830 --> 00:29:31,679

then

783

00:29:36,789 --> 00:29:33,840

interspersing its consciousness within

784

00:29:38,710 --> 00:29:36,799

the body of peter and peter experienced

785

00:29:40,789 --> 00:29:38,720

this as quite overwhelming and not

786

00:29:42,630 --> 00:29:40,799

exactly comfortable and by the way he

787

00:29:44,789 --> 00:29:42,640

does point out that the grey seem to

788

00:29:47,029 --> 00:29:44,799

enjoy the experience that the greys do

789

00:29:49,750 --> 00:29:47,039

like to know what it's like to be human

790

00:29:51,590 --> 00:29:49,760

that that's part of their curiosity

791

00:29:55,110 --> 00:29:51,600

now peter goes on to describe that he

792

00:29:57,269 --> 00:29:55,120

has met five distinct alien entities as

793

00:30:00,230 --> 00:29:57,279

a part of his astral projection

794

00:30:03,110 --> 00:30:00,240

experiences he's met the small grays the

795

00:30:05,750 --> 00:30:03,120

tallgraves and mantis type as well as

796

00:30:07,430 --> 00:30:05,760

the hybrid types now interestingly one

797

00:30:10,149 --> 00:30:07,440

time he met a hybrid that we should

798

00:30:12,149 --> 00:30:10,159

describe here because it's very curious

799

00:30:15,110 --> 00:30:12,159

peter says the hybrid looked pretty much

800

00:30:17,029 --> 00:30:15,120

like a full grown ken doll and what he

801
00:30:19,029 --> 00:30:17,039
meant by that was that it was a humanoid

802
00:30:22,070 --> 00:30:19,039
looking being a being that basically

803
00:30:24,710 --> 00:30:22,080
looked human but it was too perfect to

804
00:30:26,070 --> 00:30:24,720
be human in other words it looked like a

805
00:30:29,750 --> 00:30:26,080
life-size

806
00:30:33,029 --> 00:30:29,760
fully embodied ken doll with skin so

807
00:30:35,190 --> 00:30:33,039
perfect it looked unreal and he was also

808
00:30:37,590 --> 00:30:35,200
told by this being this being that

809
00:30:40,149 --> 00:30:37,600
looked like a ken doll this hybrid

810
00:30:42,230 --> 00:30:40,159
that while they grow up from babies into

811
00:30:44,789 --> 00:30:42,240
adult form from then on they actually

812
00:30:46,630 --> 00:30:44,799
don't age and this may be part of the

813
00:30:48,549 --> 00:30:46,640

engineering process that has been going

814

00:30:50,789 --> 00:30:48,559

on but we should point out here that

815

00:30:52,789 --> 00:30:50,799

peter was not told that these beings are

816

00:30:54,310 --> 00:30:52,799

destined to be implanted on the earth

817

00:30:55,590 --> 00:30:54,320

and that they plan to take over or

818

00:30:57,909 --> 00:30:55,600

something like that

819

00:30:59,990 --> 00:30:57,919

this being indicated that its home was

820

00:31:01,750 --> 00:31:00,000

elsewhere and we've talked about this

821

00:31:03,509 --> 00:31:01,760

many times before too

822

00:31:04,870 --> 00:31:03,519

that many of the humanoid or even

823

00:31:07,430 --> 00:31:04,880

human-looking beings that are

824

00:31:09,669 --> 00:31:07,440

encountered on craft aren't necessarily

825

00:31:11,830 --> 00:31:09,679

from the earth nor are they intended to

826

00:31:13,909 --> 00:31:11,840

go to the earth some of them live on

827

00:31:16,630 --> 00:31:13,919

other planets and some of them seemingly

828

00:31:19,350 --> 00:31:16,640

spend their entire lifetimes on board

829

00:31:21,269 --> 00:31:19,360

these craft very interesting

830

00:31:22,950 --> 00:31:21,279

now something else that peter describes

831

00:31:25,990 --> 00:31:22,960

is going through a kind of virtual

832

00:31:27,990 --> 00:31:26,000

reality kind of process where

833

00:31:30,710 --> 00:31:28,000

he was entrained to be able to

834

00:31:32,870 --> 00:31:30,720

communicate more smoothly with them and

835

00:31:34,549 --> 00:31:32,880

from then on more of his communication

836

00:31:36,950 --> 00:31:34,559

happened with them

837

00:31:39,110 --> 00:31:36,960

one thing that the mantis showed him was

838

00:31:41,750 --> 00:31:39,120

this crystal which

839

00:31:44,470 --> 00:31:41,760

was in one part of the craft and peter

840

00:31:47,110 --> 00:31:44,480

notices that the mantis seems to have an

841

00:31:48,870 --> 00:31:47,120

almost worshipful kind of reverence for

842

00:31:50,310 --> 00:31:48,880

this crystal and he says that it's

843

00:31:52,549 --> 00:31:50,320

almost like the

844

00:31:54,230 --> 00:31:52,559

the mantis expected him to also have

845

00:31:56,070 --> 00:31:54,240

that feeling of reverence

846

00:31:57,830 --> 00:31:56,080

peter's very honest and says eventually

847

00:31:59,750 --> 00:31:57,840

he got bored looking at this crystal

848

00:32:02,549 --> 00:31:59,760

after about 20 minutes very interesting

849

00:32:05,430 --> 00:32:02,559

these little details now apparently the

850

00:32:08,630 --> 00:32:05,440

mantis says that this crystal was

851

00:32:10,630 --> 00:32:08,640

created via this kind of cone

852

00:32:13,590 --> 00:32:10,640

that he has also shown

853

00:32:16,070 --> 00:32:13,600

now this kind of orange or tan cone was

854

00:32:17,029 --> 00:32:16,080

rever was revered to an even greater

855

00:32:19,110 --> 00:32:17,039

degree

856

00:32:22,070 --> 00:32:19,120

and when asked about it he was told that

857

00:32:23,830 --> 00:32:22,080

this cone basically allowed for

858

00:32:25,750 --> 00:32:23,840

everything it allowed for their manner

859

00:32:28,070 --> 00:32:25,760

of travel for the way they powered their

860

00:32:29,909 --> 00:32:28,080

craft everything that it seemed to

861

00:32:31,990 --> 00:32:29,919

create the entire scenario that was

862

00:32:32,870 --> 00:32:32,000

enabling them to be here in the first

863

00:32:35,110 --> 00:32:32,880

place

864

00:32:37,190 --> 00:32:35,120

and peter asked them did you create this

865

00:32:40,070 --> 00:32:37,200

this is part of your technology and they

866

00:32:40,870 --> 00:32:40,080

said no we didn't create this we found

867

00:32:42,630 --> 00:32:40,880

it

868

00:32:45,750 --> 00:32:42,640

and very interestingly they apparently

869

00:32:48,149 --> 00:32:45,760

found it eons ago in a period so far

870

00:32:49,509 --> 00:32:48,159

back in the history of that species the

871

00:32:51,269 --> 00:32:49,519

mantis types

872

00:32:53,190 --> 00:32:51,279

that peter couldn't even really wrap his

873

00:32:56,630 --> 00:32:53,200

head around it it happened in ancient

874

00:32:58,549 --> 00:32:56,640

history for them eons ago and apparently

875

00:33:00,630 --> 00:32:58,559

it took them a long long time to learn

876

00:33:03,750 --> 00:33:00,640

how to use this cone without being

877

00:33:05,750 --> 00:33:03,760

destroyed by it when initial creatures

878

00:33:08,230 --> 00:33:05,760

of the mantis types would actually touch

879

00:33:10,230 --> 00:33:08,240

this cone they would simply dissolve

880

00:33:12,470 --> 00:33:10,240

and basically over millennia we're

881

00:33:15,190 --> 00:33:12,480

talking here they eventually learned how

882

00:33:18,310 --> 00:33:15,200

to use it to harness its power as a

883

00:33:19,750 --> 00:33:18,320

means to develop technology etc

884

00:33:22,470 --> 00:33:19,760

very interesting here and this is

885

00:33:24,149 --> 00:33:22,480

details i have not heard before

886

00:33:26,630 --> 00:33:24,159

now in this interview with peter that i

887

00:33:28,789 --> 00:33:26,640

listen to he says that after his 40

888

00:33:30,549 --> 00:33:28,799

experiences via astral travel

889

00:33:32,630 --> 00:33:30,559

communicating with these others he

890

00:33:34,389 --> 00:33:32,640

decided to take a break partially

891

00:33:36,230 --> 00:33:34,399

because that last encounter where he had

892

00:33:38,470 --> 00:33:36,240

the exchange of consciousness the

893

00:33:40,549 --> 00:33:38,480

intermingling of consciousness was quite

894

00:33:42,230 --> 00:33:40,559

overwhelming for him but he makes it

895

00:33:46,149 --> 00:33:42,240

clear that he does intend to pick up the

896

00:33:48,230 --> 00:33:46,159

practice again in this year 2022

897

00:33:50,149 --> 00:33:48,240

now let's discuss a few takeaways that

898

00:33:51,190 --> 00:33:50,159

we can pull from what we've discussed

899

00:33:53,430 --> 00:33:51,200

today

900

00:33:56,470 --> 00:33:53,440

number one our understanding is always

901
00:33:58,070 --> 00:33:56,480
the result of a translation process and

902
00:34:00,549 --> 00:33:58,080
depends partly on the level of

903
00:34:02,549 --> 00:34:00,559
development and the assumptions and

904
00:34:03,909 --> 00:34:02,559
history of the individual being

905
00:34:05,669 --> 00:34:03,919
contacted

906
00:34:07,750 --> 00:34:05,679
this partly explains why there is some

907
00:34:09,990 --> 00:34:07,760
discrepancy in terms of how people

908
00:34:12,389 --> 00:34:10,000
experience the graves and whatnot and we

909
00:34:14,629 --> 00:34:12,399
can learn more by considering the full

910
00:34:17,430 --> 00:34:14,639
body of data in other words rather than

911
00:34:19,909 --> 00:34:17,440
relying too much on any one case any one

912
00:34:22,149 --> 00:34:19,919
encounter any one remembrance that

913
00:34:24,310 --> 00:34:22,159

someone puts forward of encountering

914

00:34:27,270 --> 00:34:24,320

these graves we should look at the full

915

00:34:29,030 --> 00:34:27,280

body of data and see patterns and try to

916

00:34:31,349 --> 00:34:29,040

draw conclusions from that i would say

917

00:34:34,230 --> 00:34:31,359

that's a more helpful way a more

918

00:34:36,310 --> 00:34:34,240

fruitful way to make sense of this data

919

00:34:38,629 --> 00:34:36,320

now speaking of this the varied

920

00:34:41,030 --> 00:34:38,639

encounters suggest there are different

921

00:34:42,950 --> 00:34:41,040

groups of grays perhaps and maybe even

922

00:34:45,270 --> 00:34:42,960

distinct sources for these graves we

923

00:34:47,270 --> 00:34:45,280

shouldn't assume they're all one group

924

00:34:49,109 --> 00:34:47,280

and we've been told by some experiencers

925

00:34:50,710 --> 00:34:49,119

of course and sometimes by the grays

926
00:34:53,030 --> 00:34:50,720
themselves apparently

927
00:34:55,669 --> 00:34:53,040
that some of these are more like suits

928
00:34:57,990 --> 00:34:55,679
that some beings wear like a gray suit

929
00:35:00,790 --> 00:34:58,000
they put on that looks like the gray

930
00:35:03,430 --> 00:35:00,800
alien that we're used to but they wear

931
00:35:06,470 --> 00:35:03,440
this in order to be able to enter into

932
00:35:08,150 --> 00:35:06,480
our dense 3d reality some of them were

933
00:35:09,670 --> 00:35:08,160
told are even more like light beings

934
00:35:11,430 --> 00:35:09,680
they've transcended the need for a

935
00:35:13,750 --> 00:35:11,440
physical body or maybe they never had

936
00:35:16,630 --> 00:35:13,760
one to begin with and they use these

937
00:35:19,589 --> 00:35:16,640
kind of suits to be able to enter into

938
00:35:21,670 --> 00:35:19,599

our dance reality not all of them but

939

00:35:24,230 --> 00:35:21,680

some of them so again i think we should

940

00:35:27,030 --> 00:35:24,240

be careful to assume that all of this is

941

00:35:28,550 --> 00:35:27,040

one group of grey aliens it most likely

942

00:35:31,829 --> 00:35:28,560

is not

943

00:35:33,510 --> 00:35:31,839

finally let's reflect on ce5 versus

944

00:35:35,910 --> 00:35:33,520

astral projection

945

00:35:38,630 --> 00:35:35,920

now let me be clear regarding these two

946

00:35:41,030 --> 00:35:38,640

types of contact i don't think one is

947

00:35:43,030 --> 00:35:41,040

more real than the other and if you're

948

00:35:45,990 --> 00:35:43,040

still thinking that way then you haven't

949

00:35:47,990 --> 00:35:46,000

fully grasped why this is the case yet

950

00:35:49,670 --> 00:35:48,000

but fear not we will go into more of

951
00:35:51,430 --> 00:35:49,680
this over time

952
00:35:53,030 --> 00:35:51,440
because it does go against the grain in

953
00:35:55,270 --> 00:35:53,040
terms of what we've been taught and in

954
00:35:58,310 --> 00:35:55,280
terms of what our senses sometimes

955
00:36:00,390 --> 00:35:58,320
deceivingly lead us to believe but here

956
00:36:02,550 --> 00:36:00,400
we should remember what donald hoffman

957
00:36:05,109 --> 00:36:02,560
professor of cognitive sciences at the

958
00:36:07,990 --> 00:36:05,119
university of california irvine has

959
00:36:09,910 --> 00:36:08,000
posited and convincingly so

960
00:36:12,470 --> 00:36:09,920
he says that our very perception of the

961
00:36:15,670 --> 00:36:12,480
world is not a truthful representation

962
00:36:18,790 --> 00:36:15,680
of what's actually out there but rather

963
00:36:21,270 --> 00:36:18,800

more like a desktop computer interface

964

00:36:22,390 --> 00:36:21,280

full of icons that help us navigate

965

00:36:25,109 --> 00:36:22,400

reality

966

00:36:27,589 --> 00:36:25,119

this desktop interface is what evolution

967

00:36:29,510 --> 00:36:27,599

has served up so as to serve its purpose

968

00:36:31,750 --> 00:36:29,520

of keeping us alive and therefore

969

00:36:33,510 --> 00:36:31,760

allowing us to reproduce

970

00:36:34,390 --> 00:36:33,520

again this is a lot to wrap one's head

971

00:36:36,950 --> 00:36:34,400

around

972

00:36:38,630 --> 00:36:36,960

if it still feels abstract obtuse and

973

00:36:40,310 --> 00:36:38,640

difficult to digest

974

00:36:43,030 --> 00:36:40,320

fear not we will be discussing and

975

00:36:43,990 --> 00:36:43,040

developing these notions much more over

976
00:36:45,990 --> 00:36:44,000
time

977
00:36:47,750 --> 00:36:46,000
and cases like that of peter whitley

978
00:36:50,069 --> 00:36:47,760
that we discussed today

979
00:36:52,470 --> 00:36:50,079
help provide the background evidence to

980
00:36:54,710 --> 00:36:52,480
lead us in this new direction

981
00:36:57,030 --> 00:36:54,720
a direction that as i've been saying

982
00:36:58,790 --> 00:36:57,040
points squarely at the very fabric of

983
00:37:01,430 --> 00:36:58,800
ultimate reality

984
00:37:03,510 --> 00:37:01,440
and to clarify what i mean by that is

985
00:37:06,069 --> 00:37:03,520
that our current model our current

986
00:37:07,589 --> 00:37:06,079
mainstream model as to the nature of

987
00:37:10,550 --> 00:37:07,599
ultimate reality

988
00:37:13,589 --> 00:37:10,560

is shown to be inadequate in fact

989

00:37:15,589 --> 00:37:13,599

i would argue grossly misguided

990

00:37:17,829 --> 00:37:15,599

by revelations we've been discussing

991

00:37:19,510 --> 00:37:17,839

over the last 60 episodes

992

00:37:21,589 --> 00:37:19,520

and i would suggest to you that the

993

00:37:23,510 --> 00:37:21,599

truth behind the ufo phenomenon and

994

00:37:24,710 --> 00:37:23,520

other forms of so-called high

995

00:37:29,030 --> 00:37:24,720

strangeness

996

00:37:30,550 --> 00:37:29,040

lie precisely there and nowhere else

997

00:37:32,310 --> 00:37:30,560

and on that note

998

00:37:34,230 --> 00:37:32,320

we've come to the close of another

999

00:37:35,430 --> 00:37:34,240

edition of the point of convergence

1000

00:37:40,790 --> 00:37:35,440

podcast

1001

00:37:42,870 --> 00:37:40,800

you can do so at patreon.com

1002

00:37:45,109 --> 00:37:42,880

exo academian

1003

00:37:47,030 --> 00:37:45,119

but until next time friends from deep

1004

00:37:50,710 --> 00:37:47,040

within the blue ridge mountains of north

1005

00:37:52,050 --> 00:37:50,720

carolina this is exo academian signing
