00:00:12,390 --> 00:00:09,430

hello

3
00:00:14,470 --> 00:00:12,400

and welcome to episode number 61 of the

4
00:00:19,269 --> 00:00:14,480

point of convergence podcast

5
00:00:21,429 --> 00:00:19,279

as always i am your host exo academian

6
00:00:23,910 --> 00:00:21,439

in recent years numerous accounts

7
00:00:25,670 --> 00:00:23,920

involving the ufo phenomenon have been

8
00:00:27,509 --> 00:00:25,680

made public that contain a broad

9
00:00:29,990 --> 00:00:27,519

assortment of bizarre

10
00:00:32,389 --> 00:00:30,000

paradigm stretching and for many

11
00:00:34,630 --> 00:00:32,399

credibility challenging elements of

12
00:00:37,510 --> 00:00:34,640

so-called high strangeness

13
00:00:39,830 --> 00:00:37,520

i.e elements that seem to contradict our

14

00:00:41,350 --> 00:00:39,840

consensus understanding of what is

15

00:00:43,430 --> 00:00:41,360

possible

16

00:00:44,389 --> 00:00:43,440

recent books such as skinwalkers at the

17

00:00:46,229 --> 00:00:44,399

pentagon

18

00:00:48,150 --> 00:00:46,239

have helped to turn the spotlight on

19

00:00:50,709 --> 00:00:48,160

these colorizing elements of

20

00:00:54,790 --> 00:00:50,719

paranormality that tend to emerge

21

00:00:56,229 --> 00:00:54,800

alongside standard ufo sightings

22

00:00:58,389 --> 00:00:56,239

now some might look at these recent

23

00:01:00,709 --> 00:00:58,399

revelations and wonder if perhaps these

24

00:01:03,510 --> 00:01:00,719

elements are only now being presented

25

00:01:05,189 --> 00:01:03,520

because paranormality has become in

26

00:01:06,870 --> 00:01:05,199

vogue so to speak

27

00:01:08,870 --> 00:01:06,880

in other words skeptics might look at

28

00:01:11,429 --> 00:01:08,880

these recent revelations and suggest

29

00:01:13,670 --> 00:01:11,439

ufology has become corrupted by the

30

00:01:15,510 --> 00:01:13,680

imagination of our time

31

00:01:18,390 --> 00:01:15,520

as if people's reports have become

32

00:01:20,310 --> 00:01:18,400

sprinkled with elements they internalize

33

00:01:22,390 --> 00:01:20,320

while watching too much netflix or

34

00:01:24,390 --> 00:01:22,400

something of the sort

35

00:01:26,950 --> 00:01:24,400

but the truth is these elements of high

36

00:01:29,429 --> 00:01:26,960

strangeness are not new

37

00:01:31,350 --> 00:01:29,439

not in the slightest the truth is that

38

00:01:33,590 --> 00:01:31,360

the reason we see more reporting of

39

00:01:35,670 --> 00:01:33,600

these elements today is because there is

40

00:01:37,749 --> 00:01:35,680

less repression of these elements and

41

00:01:41,350 --> 00:01:37,759

these particular encounters by the

42

00:01:43,830 --> 00:01:41,360

ufological gatekeepers who historically

43

00:01:46,149 --> 00:01:43,840

wanted to present a cohesive nuts and

44

00:01:49,749 --> 00:01:46,159

bolts narrative so as to garner the

45

00:01:51,910 --> 00:01:49,759

attention and they hoped respect of the

46

00:01:54,950 --> 00:01:51,920

scientific mainstream

47

00:01:57,270 --> 00:01:54,960

in other words historically ufologists

48

00:01:59,510 --> 00:01:57,280

themselves often censored elements of

49

00:02:01,109 --> 00:01:59,520

high strangeness in the data that was

50

00:02:02,950 --> 00:02:01,119

collated

51
00:02:04,069 --> 00:02:02,960
but again these reports have always

52
00:02:07,030 --> 00:02:04,079
existed

53
00:02:08,790 --> 00:02:07,040
paranormality and ufos go together like

54
00:02:10,710 --> 00:02:08,800
ocean and sand

55
00:02:12,869 --> 00:02:10,720
in other words not only do they simply

56
00:02:15,030 --> 00:02:12,879
coexist together but they seem to be

57
00:02:15,910 --> 00:02:15,040
directly linked in some kind of causal

58
00:02:17,830 --> 00:02:15,920
chain

59
00:02:20,830 --> 00:02:17,840
even if the specifics have long eluded

60
00:02:23,670 --> 00:02:20,840
the grasp of researchers and theorists

61
00:02:26,550 --> 00:02:23,680
alike the curious encounters of a french

62
00:02:29,830 --> 00:02:26,560
man who in order to maintain his privacy

63
00:02:31,830 --> 00:02:29,840

came to be referred to simply as dr x is

64

00:02:34,470 --> 00:02:31,840

a perfect case in point

65

00:02:36,790 --> 00:02:34,480

this case is from the late 1960s long

66

00:02:38,070 --> 00:02:36,800

before the current eras focus on high

67

00:02:40,949 --> 00:02:38,080

strangeness

68

00:02:42,949 --> 00:02:40,959

and yet it has it all physical healing

69

00:02:46,390 --> 00:02:42,959

the spontaneous appearance of triangular

70

00:02:48,949 --> 00:02:46,400

skin marks memory manipulation future

71

00:02:53,670 --> 00:02:48,959

casting poltergeist and hitchhiker

72

00:02:55,670 --> 00:02:53,680

effects multi-generational impacts etc

73

00:02:58,470 --> 00:02:55,680

what are we to make of this bizarre menu

74

00:03:00,470 --> 00:02:58,480

of elements that seem to effectively

75

00:03:02,869 --> 00:03:00,480

turn on their head almost all of our

76

00:03:04,869 --> 00:03:02,879

modern notions as to how reality is

77

00:03:06,949 --> 00:03:04,879

supposed to unfold

78

00:03:08,710 --> 00:03:06,959

do these elements merely demonstrate the

79

00:03:10,790 --> 00:03:08,720

impressive capabilities of a more

80

00:03:12,070 --> 00:03:10,800

sophisticated extraterrestrial

81

00:03:13,830 --> 00:03:12,080

intelligence

82

00:03:15,750 --> 00:03:13,840

or do they perhaps provide hints

83

00:03:18,470 --> 00:03:15,760

regarding an origin for some of these

84

00:03:21,270 --> 00:03:18,480

mysterious others that flies in the face

85

00:03:23,589 --> 00:03:21,280

of the standard hypotheses put forth to

86

00:03:25,430 --> 00:03:23,599

make sense of this phenomenon

87

00:03:26,470 --> 00:03:25,440

these are the very matters we'll seek to

88

00:03:29,910 --> 00:03:26,480

explore

89

00:03:33,590 --> 00:03:29,920

in this the 61st episode of the point of

90

00:03:39,830 --> 00:03:36,869

[Music]

91

00:03:41,110 --> 00:03:39,840

now as we consider this case the case of

92

00:03:43,190 --> 00:03:41,120

dr x

93

00:03:44,630 --> 00:03:43,200

i want you to keep in mind other cases

94

00:03:46,550 --> 00:03:44,640

we've discussed

95

00:03:48,710 --> 00:03:46,560

what do the cases have in common and

96

00:03:51,110 --> 00:03:48,720

what elements are different

97

00:03:52,869 --> 00:03:51,120

and overarchingly how are we to make

98

00:03:54,869 --> 00:03:52,879

sense of these encounters

99

00:03:56,630 --> 00:03:54,879

considering they often fly in the face

100

00:03:58,869 --> 00:03:56,640

of our mainstream physicalist

101
00:04:01,110 --> 00:03:58,879
interpretation of what can happen in

102
00:04:03,910 --> 00:04:01,120
reality whenever we discuss the

103
00:04:05,670 --> 00:04:03,920
specifics of these particular cases my

104
00:04:08,470 --> 00:04:05,680
goal is for all of us to keep in mind

105
00:04:10,630 --> 00:04:08,480
the overarching questions what is this

106
00:04:12,789 --> 00:04:10,640
saying about reality itself and our

107
00:04:14,630 --> 00:04:12,799
conception of it

108
00:04:16,390 --> 00:04:14,640
now one of the reasons why i like this

109
00:04:18,550 --> 00:04:16,400
case is because it has many of the

110
00:04:20,629 --> 00:04:18,560
elements of high strangeness that are so

111
00:04:21,830 --> 00:04:20,639
often front and center in this

112
00:04:23,830 --> 00:04:21,840
phenomenon

113
00:04:25,990 --> 00:04:23,840

but even more specifically i like this

114

00:04:28,629 --> 00:04:26,000

case because it has been vouched for and

115

00:04:31,189 --> 00:04:28,639

researched by people like jacques valet

116

00:04:32,870 --> 00:04:31,199

and his colleague amy michelle who was

117

00:04:35,830 --> 00:04:32,880

actually the person who interacted with

118

00:04:39,030 --> 00:04:35,840

dr x specifically when these events

119

00:04:41,110 --> 00:04:39,040

happened in the late 1960s

120

00:04:43,189 --> 00:04:41,120

so let's get right to this case here's

121

00:04:47,030 --> 00:04:43,199

the general overview

122

00:04:48,150 --> 00:04:47,040

in the fall of 1968 a 38 year old french

123

00:04:51,270 --> 00:04:48,160

physician

124

00:04:52,310 --> 00:04:51,280

observed two luminous objects outside a

125

00:04:54,629 --> 00:04:52,320

window

126
00:04:56,710 --> 00:04:54,639
and they later merged into one object

127
00:04:59,110 --> 00:04:56,720
now these very specifically looked like

128
00:05:02,310 --> 00:04:59,120
objects actual three-dimensional objects

129
00:05:04,310 --> 00:05:02,320
in the sky not just lights

130
00:05:06,550 --> 00:05:04,320
then they disappeared from the scene

131
00:05:09,110 --> 00:05:06,560
after they had merged into one in a

132
00:05:10,629 --> 00:05:09,120
flash and a puff as it were but we'll

133
00:05:13,189 --> 00:05:10,639
get to that

134
00:05:15,830 --> 00:05:13,199
now interestingly one of the effects of

135
00:05:19,590 --> 00:05:15,840
this encounter was that this physician

136
00:05:21,270 --> 00:05:19,600
this dr x was healed of not one but two

137
00:05:24,390 --> 00:05:21,280
serious injuries

138
00:05:27,270 --> 00:05:24,400

following his encounter with these ufos

139

00:05:30,310 --> 00:05:27,280

and subsequently experienced years of

140

00:05:32,629 --> 00:05:30,320

anomalous experiences that seemed linked

141

00:05:34,870 --> 00:05:32,639

to this initial sighting

142

00:05:37,430 --> 00:05:34,880

now as i said this account is documented

143

00:05:38,469 --> 00:05:37,440

by the famous french ufologist amy

144

00:05:40,310 --> 00:05:38,479

michelle

145

00:05:42,790 --> 00:05:40,320

who is a colleague of our favorite

146

00:05:44,390 --> 00:05:42,800

ufologist jacques vallet

147

00:05:46,469 --> 00:05:44,400

now i already mentioned that there are

148

00:05:49,670 --> 00:05:46,479

healings involved in this case

149

00:05:52,070 --> 00:05:49,680

specifically dr x had muscle problems

150

00:05:54,070 --> 00:05:52,080

and a limp in one leg following the

151

00:05:56,150 --> 00:05:54,080

suffering of an injury which involved

152

00:05:59,189 --> 00:05:56,160

him stepping on a land mine during the

153

00:06:01,510 --> 00:05:59,199

algerian war a decade previous to this

154

00:06:03,830 --> 00:06:01,520

encounter with this ufo

155

00:06:05,830 --> 00:06:03,840

his second injury was much more recent

156

00:06:08,629 --> 00:06:05,840

and was result of a self-inflicted

157

00:06:11,350 --> 00:06:08,639

injury to his ankle as a result of an

158

00:06:13,510 --> 00:06:11,360

axe slipping while he was cutting wood

159

00:06:16,550 --> 00:06:13,520

resulting in swelling and a fairly

160

00:06:18,629 --> 00:06:16,560

serious hematoma thus he found walking

161

00:06:21,830 --> 00:06:18,639

and even standing difficult at this

162

00:06:24,070 --> 00:06:21,840

point just prior to this encounter

163

00:06:26,790 --> 00:06:24,080

okay so that sets the table now let's

164

00:06:28,790 --> 00:06:26,800

get to the encounter itself

165

00:06:30,390 --> 00:06:28,800

just several days following the wood

166

00:06:33,270 --> 00:06:30,400

chopping accident

167

00:06:35,830 --> 00:06:33,280

dr x awoke to the sound of his young son

168

00:06:37,830 --> 00:06:35,840

calling him from his bedroom

169

00:06:40,629 --> 00:06:37,840

when he went to investigate he found his

170

00:06:42,950 --> 00:06:40,639

son jumping up and down excitedly on his

171

00:06:44,629 --> 00:06:42,960

bed pointing towards the window while

172

00:06:45,990 --> 00:06:44,639

mentioning something about a bright

173

00:06:48,629 --> 00:06:46,000

light

174

00:06:51,029 --> 00:06:48,639

outside a storm was raging at this point

175

00:06:53,350 --> 00:06:51,039

with heavy wind and rain and what the

176
00:06:54,550 --> 00:06:53,360
doctor first assumed to be flashes of

177
00:06:57,189 --> 00:06:54,560
lightning

178
00:06:59,189 --> 00:06:57,199
however later in reflecting on the

179
00:07:01,350 --> 00:06:59,199
incident with amy michelle

180
00:07:03,510 --> 00:07:01,360
the doctor realized that there were no

181
00:07:05,270 --> 00:07:03,520
corresponding sounds of thunder that

182
00:07:07,749 --> 00:07:05,280
would have been present were these

183
00:07:09,990 --> 00:07:07,759
flashes of actual lightning

184
00:07:12,469 --> 00:07:10,000
the flashes also seem to appear at

185
00:07:15,350 --> 00:07:12,479
intervals suggesting something more than

186
00:07:17,510 --> 00:07:15,360
random atmospheric phenomena in other

187
00:07:19,350 --> 00:07:17,520
words they happened regularly on a

188
00:07:21,670 --> 00:07:19,360

schedule almost

189

00:07:23,430 --> 00:07:21,680

now while up the doctor heard what

190

00:07:26,390 --> 00:07:23,440

sounded like a shutter that had come

191

00:07:28,710 --> 00:07:26,400

loose in the storm so after tucking his

192

00:07:30,870 --> 00:07:28,720

son back into bed with a glass of water

193

00:07:32,950 --> 00:07:30,880

he went to investigate this slamming

194

00:07:35,270 --> 00:07:32,960

sound where he thought a shutter was

195

00:07:38,150 --> 00:07:35,280

slamming against the house perhaps it

196

00:07:40,309 --> 00:07:38,160

had come loose during the storm

197

00:07:42,469 --> 00:07:40,319

while he went to investigate he saw

198

00:07:44,710 --> 00:07:42,479

through the window that these flashes of

199

00:07:46,710 --> 00:07:44,720

light were happening again like i said

200

00:07:49,110 --> 00:07:46,720

regularly and he realized it was at

201
00:07:51,189 --> 00:07:49,120
about a one second interval

202
00:07:53,110 --> 00:07:51,199
and it appeared to be the same color as

203
00:07:55,110 --> 00:07:53,120
that of the full moon

204
00:07:58,070 --> 00:07:55,120
these flashes would extend for about two

205
00:08:00,230 --> 00:07:58,080
and a half miles however no source for

206
00:08:02,070 --> 00:08:00,240
the light flashes was seen

207
00:08:04,790 --> 00:08:02,080
he then went downstairs to pour himself

208
00:08:09,749 --> 00:08:04,800
a glass of water and noted at that time

209
00:08:12,309 --> 00:08:09,759
that the kitchen clock read 3 55 am

210
00:08:15,029 --> 00:08:12,319
then looking at his twin french windows

211
00:08:18,230 --> 00:08:15,039
in his living room the doctor spotted

212
00:08:21,589 --> 00:08:18,240
two identical luminous objects hovering

213
00:08:23,270 --> 00:08:21,599

over the valley just over a mile away

214

00:08:25,430 --> 00:08:23,280

now they were moving in an eastward

215

00:08:27,830 --> 00:08:25,440

direction each shining down a bright

216

00:08:29,510 --> 00:08:27,840

spotlight to the ground below

217

00:08:31,830 --> 00:08:29,520

at this point he was seeing them in

218

00:08:34,550 --> 00:08:31,840

profile at which point they appeared

219

00:08:36,709 --> 00:08:34,560

elliptical in shape with two distinct

220

00:08:39,029 --> 00:08:36,719

parts for each object

221

00:08:41,029 --> 00:08:39,039

the upper part was colored white almost

222

00:08:43,350 --> 00:08:41,039

like the color of the moon while the

223

00:08:46,310 --> 00:08:43,360

lower section was a deep red

224

00:08:47,670 --> 00:08:46,320

each object contained three antenna-like

225

00:08:50,070 --> 00:08:47,680

protrusions

226

00:08:52,070 --> 00:08:50,080

one vertical and two horizontal

227

00:08:53,350 --> 00:08:52,080

stretching to the right and left of each

228

00:08:55,590 --> 00:08:53,360

object

229

00:08:58,070 --> 00:08:55,600

the lower section also seemed to have a

230

00:09:00,790 --> 00:08:58,080

distinct bulging section from which the

231

00:09:02,949 --> 00:09:00,800

beams of light originated again he's

232

00:09:04,310 --> 00:09:02,959

thinking of a mechanical kind of object

233

00:09:06,230 --> 00:09:04,320

here

234

00:09:08,630 --> 00:09:06,240

as the flashes of light were absorbed

235

00:09:11,269 --> 00:09:08,640

through the antenna of each object

236

00:09:14,389 --> 00:09:11,279

another flash passed between the two

237

00:09:15,990 --> 00:09:14,399

objects leading dr x to surmise that

238

00:09:18,470 --> 00:09:16,000

perhaps the craft were drawing

239

00:09:19,590 --> 00:09:18,480

electrical energy from the atmosphere

240

00:09:21,910 --> 00:09:19,600

around them

241

00:09:23,670 --> 00:09:21,920

refueling as it were that's what it

242

00:09:25,750 --> 00:09:23,680

looked like to him

243

00:09:28,310 --> 00:09:25,760

now eventually the two objects move

244

00:09:31,269 --> 00:09:28,320

closer together until they seemingly

245

00:09:34,710 --> 00:09:31,279

merged seamlessly into a single object

246

00:09:36,550 --> 00:09:34,720

of the same general shape but now larger

247

00:09:39,509 --> 00:09:36,560

from there the doctor was surprised to

248

00:09:41,670 --> 00:09:39,519

find the now single anomalous object

249

00:09:44,070 --> 00:09:41,680

approaching him it started moving

250

00:09:46,630 --> 00:09:44,080

towards him and eventually it stopped

251
00:09:49,430 --> 00:09:46,640
only a few hundred feet from where he

252
00:09:50,949 --> 00:09:49,440
stood watching in awe

253
00:09:52,790 --> 00:09:50,959
from this closer vantage point the

254
00:09:55,110 --> 00:09:52,800
doctor felt he could discern a

255
00:09:58,070 --> 00:09:55,120
metal-like superstructure at least from

256
00:09:59,590 --> 00:09:58,080
the bottom section of this ufo and he

257
00:10:00,630 --> 00:09:59,600
sensed that the metal was lit from

258
00:10:03,590 --> 00:10:00,640
within

259
00:10:06,389 --> 00:10:03,600
he also noticed different sections 11

260
00:10:08,389 --> 00:10:06,399
sections in fact in total on this object

261
00:10:10,870 --> 00:10:08,399
as well as moving lines

262
00:10:13,350 --> 00:10:10,880
along the outside of the object

263
00:10:15,829 --> 00:10:13,360

then the object tilted on its side

264

00:10:19,110 --> 00:10:15,839

suddenly and simultaneously directed its

265

00:10:21,350 --> 00:10:19,120

large energy beam directly onto the

266

00:10:24,389 --> 00:10:21,360

doctor he was immersed in this energy

267

00:10:26,470 --> 00:10:24,399

beam as this object over top of him

268

00:10:28,870 --> 00:10:26,480

tilted to its side

269

00:10:30,550 --> 00:10:28,880

then to the doctor's shock and surprise

270

00:10:33,430 --> 00:10:30,560

as if he wasn't already shocked and

271

00:10:35,590 --> 00:10:33,440

surprised a loud booming cracking sound

272

00:10:38,470 --> 00:10:35,600

was heard to mark the moment when the

273

00:10:40,870 --> 00:10:38,480

ufo seemingly dematerialized that's the

274

00:10:42,470 --> 00:10:40,880

word he used dematerialized

275

00:10:44,550 --> 00:10:42,480

instantaneously

276
00:10:46,470 --> 00:10:44,560
leaving behind a cloud which quickly

277
00:10:47,990 --> 00:10:46,480
floated away

278
00:10:49,910 --> 00:10:48,000
he could then see what looked to be a

279
00:10:51,829 --> 00:10:49,920
thin luminous line that extended from

280
00:10:54,630 --> 00:10:51,839
where the ufo had been

281
00:10:57,829 --> 00:10:54,640
to a point of light far far above

282
00:10:59,590 --> 00:10:57,839
presumably the new location of the ufo

283
00:11:02,150 --> 00:10:59,600
suggesting it had moved away at an

284
00:11:05,190 --> 00:11:02,160
incredible rate of speed

285
00:11:08,230 --> 00:11:05,200
he then heard a second crack or bang and

286
00:11:10,310 --> 00:11:08,240
all trace of the object was gone

287
00:11:12,630 --> 00:11:10,320
now back inside still in a state of

288
00:11:15,590 --> 00:11:12,640

shock the doctor noted that the kitchen

289

00:11:18,069 --> 00:11:15,600

clock now read 405 am

290

00:11:20,870 --> 00:11:18,079

remember earlier on he noted it said 3

291

00:11:22,870 --> 00:11:20,880

55 am so not that much time has elapsed

292

00:11:24,630 --> 00:11:22,880

only about 10 minutes

293

00:11:26,150 --> 00:11:24,640

now because he didn't want to forget a

294

00:11:28,150 --> 00:11:26,160

single element of what he just

295

00:11:29,670 --> 00:11:28,160

experienced this is like nothing else

296

00:11:30,550 --> 00:11:29,680

he'd ever experienced in his life of

297

00:11:32,230 --> 00:11:30,560

course

298

00:11:35,509 --> 00:11:32,240

the doctor immediately took out some

299

00:11:38,470 --> 00:11:35,519

paper and began taking notes and drawing

300

00:11:40,870 --> 00:11:38,480

sketches of the objects and object he

301
00:11:42,870 --> 00:11:40,880
had seen and heard

302
00:11:45,350 --> 00:11:42,880
next he went back up to his bedroom and

303
00:11:46,630 --> 00:11:45,360
awoke his wife to share the experience

304
00:11:48,870 --> 00:11:46,640
with her

305
00:11:51,750 --> 00:11:48,880
seeing him she immediately noticed that

306
00:11:53,990 --> 00:11:51,760
he was no longer walking with a limp

307
00:11:55,910 --> 00:11:54,000
now when he examined his leg he was

308
00:11:58,389 --> 00:11:55,920
shocked to see that his injury had

309
00:12:00,710 --> 00:11:58,399
virtually disappeared leaving only the

310
00:12:03,670 --> 00:12:00,720
faintest scar and the swelling and pain

311
00:12:06,230 --> 00:12:03,680
had completely and suddenly subsided

312
00:12:08,790 --> 00:12:06,240
remember he had two injuries one that he

313
00:12:11,670 --> 00:12:08,800

endured during the war which led to his

314

00:12:13,829 --> 00:12:11,680

limp and a more recent injury where he

315

00:12:16,069 --> 00:12:13,839

entered his ankle with the axe

316

00:12:18,550 --> 00:12:16,079

both of these injuries were completely

317

00:12:21,190 --> 00:12:18,560

healed he walked without a limp he had

318

00:12:23,509 --> 00:12:21,200

no pain he had full muscle function for

319

00:12:26,230 --> 00:12:23,519

the first time in a decade since the

320

00:12:27,430 --> 00:12:26,240

time he had the accident in the algerian

321

00:12:29,590 --> 00:12:27,440

war

322

00:12:31,910 --> 00:12:29,600

now after their excited conversation he

323

00:12:34,230 --> 00:12:31,920

and his wife the doctor finally calmed

324

00:12:35,990 --> 00:12:34,240

down enough to fall back to sleep but

325

00:12:38,949 --> 00:12:36,000

then of course it was into the morning

326

00:12:41,030 --> 00:12:38,959

hours of the next day it was at that

327

00:12:43,430 --> 00:12:41,040

time that his wife heard him for the

328

00:12:46,389 --> 00:12:43,440

first time she could ever remember

329

00:12:48,710 --> 00:12:46,399

talking in his sleep now he said many

330

00:12:51,430 --> 00:12:48,720

things but one distinct sentence struck

331

00:12:54,069 --> 00:12:51,440

her when he was heard proclaiming

332

00:12:57,110 --> 00:12:54,079

contact will be reestablished by falling

333

00:12:58,790 --> 00:12:57,120

down the stairs on november 2nd

334

00:13:01,430 --> 00:12:58,800

let me say that one more time she heard

335

00:13:03,430 --> 00:13:01,440

him say in his sleep contact will be

336

00:13:07,110 --> 00:13:03,440

re-established by falling down the

337

00:13:09,430 --> 00:13:07,120

stairs on november 2nd now perhaps she

338

00:13:10,949 --> 00:13:09,440

thought this was gobbly nonsense

339

00:13:12,069 --> 00:13:10,959

doesn't make a lot of sense out of

340

00:13:13,750 --> 00:13:12,079

context

341

00:13:15,269 --> 00:13:13,760

it will make sense once you hear what

342

00:13:17,509 --> 00:13:15,279

happens

343

00:13:18,949 --> 00:13:17,519

now the doctor continued to sleep well

344

00:13:21,509 --> 00:13:18,959

into the next day

345

00:13:23,509 --> 00:13:21,519

into the afternoon hours indeed and his

346

00:13:25,509 --> 00:13:23,519

wife continued to hear him talking in

347

00:13:26,790 --> 00:13:25,519

his sleep throughout those hours of

348

00:13:29,269 --> 00:13:26,800

sleep

349

00:13:30,949 --> 00:13:29,279

the next day when he finally did awake

350

00:13:33,829 --> 00:13:30,959

his wife bridged the topic of the

351
00:13:34,949 --> 00:13:33,839
previous night's slash early morning ufo

352
00:13:36,710 --> 00:13:34,959
encounter

353
00:13:38,710 --> 00:13:36,720
now what's weird here is

354
00:13:40,230 --> 00:13:38,720
at this point the doctor looked at her

355
00:13:43,350 --> 00:13:40,240
dumbfounded

356
00:13:45,829 --> 00:13:43,360
he had no idea what she was referring to

357
00:13:47,990 --> 00:13:45,839
perplexed and somewhat worried she

358
00:13:50,150 --> 00:13:48,000
showed him the notes and drawings he had

359
00:13:52,949 --> 00:13:50,160
made the previous night were talking

360
00:13:54,310 --> 00:13:52,959
only one night previous before he went

361
00:13:57,030 --> 00:13:54,320
to sleep

362
00:13:59,829 --> 00:13:57,040
at that point the doctor's jaw dropped

363
00:14:03,189 --> 00:13:59,839

because he recognized these drawings and

364

00:14:06,389 --> 00:14:03,199

these notes as being his own handwriting

365

00:14:08,550 --> 00:14:06,399

but he had no recollection at all of

366

00:14:10,629 --> 00:14:08,560

making the notes nor the events which

367

00:14:13,110 --> 00:14:10,639

inspired them

368

00:14:14,949 --> 00:14:13,120

then as it turns out his sleep talk that

369

00:14:16,990 --> 00:14:14,959

i mentioned and that strange phrase he

370

00:14:19,910 --> 00:14:17,000

muttered turned into a form of

371

00:14:22,550 --> 00:14:19,920

precognition future casting

372

00:14:24,949 --> 00:14:22,560

because later that day he did indeed

373

00:14:27,590 --> 00:14:24,959

fall down the stairs leading into his

374

00:14:28,949 --> 00:14:27,600

living room and he banged his head on

375

00:14:32,389 --> 00:14:28,959

the ground

376
00:14:35,670 --> 00:14:32,399
and upon doing so suddenly full recall

377
00:14:37,430 --> 00:14:35,680
of the ufo encounter came back to him

378
00:14:38,710 --> 00:14:37,440
he remembered everything suddenly

379
00:14:40,550 --> 00:14:38,720
everything that his wife was saying

380
00:14:42,629 --> 00:14:40,560
suddenly made sense because he could

381
00:14:45,269 --> 00:14:42,639
remember it again and of course that

382
00:14:47,430 --> 00:14:45,279
completely suggests that what he was

383
00:14:50,230 --> 00:14:47,440
muttering in his sleep ended up coming

384
00:14:53,189 --> 00:14:50,240
true that the contact or in this case

385
00:14:54,949 --> 00:14:53,199
recall of the event came back to him

386
00:14:56,629 --> 00:14:54,959
when he hit his head

387
00:14:59,189 --> 00:14:56,639
now it's important to note here that his

388
00:15:01,030 --> 00:14:59,199

wife had not told him about what she'd

389

00:15:03,430 --> 00:15:01,040

heard him saying in his sleep so he had

390

00:15:05,990 --> 00:15:03,440

no notion of this suggestion that

391

00:15:08,389 --> 00:15:06,000

falling down the stairs and then banging

392

00:15:09,829 --> 00:15:08,399

his head as it turns out would create

393

00:15:12,150 --> 00:15:09,839

this recall

394

00:15:14,310 --> 00:15:12,160

it was only after the fall down the

395

00:15:16,790 --> 00:15:14,320

stairs that she was struck by the

396

00:15:18,790 --> 00:15:16,800

coincidence and decided to share what

397

00:15:20,629 --> 00:15:18,800

she had heard him saying in his sleep

398

00:15:22,470 --> 00:15:20,639

the previous night

399

00:15:25,509 --> 00:15:22,480

by the way the doctor described feeling

400

00:15:28,310 --> 00:15:25,519

as if an invisible hook had manifested

401
00:15:30,310 --> 00:15:28,320
between his leg and that caused his fall

402
00:15:31,269 --> 00:15:30,320
so he's basically tripped by some sort

403
00:15:33,350 --> 00:15:31,279
of

404
00:15:35,350 --> 00:15:33,360
physical manifestation between his legs

405
00:15:37,590 --> 00:15:35,360
that made him collapse

406
00:15:39,829 --> 00:15:37,600
very very strange

407
00:15:42,310 --> 00:15:39,839
now at the urging of his wife the doctor

408
00:15:44,870 --> 00:15:42,320
decided to contact famed french

409
00:15:47,829 --> 00:15:44,880
ufologist amy michelle who we've already

410
00:15:49,829 --> 00:15:47,839
mentioned a colleague of jacques valet

411
00:15:50,710 --> 00:15:49,839
upon arriving at their house three days

412
00:15:52,629 --> 00:15:50,720
later

413
00:15:55,110 --> 00:15:52,639

michelle noted that the doctor seemed

414

00:15:57,350 --> 00:15:55,120
still to be in a state of ontological

415

00:15:58,550 --> 00:15:57,360
shock regarding the nature of his

416

00:16:00,870 --> 00:15:58,560
experience

417

00:16:03,189 --> 00:16:00,880
again this was three days previous now

418

00:16:04,550 --> 00:16:03,199
again this is not surprising so often

419

00:16:07,350 --> 00:16:04,560
this is front and center with this

420

00:16:09,269 --> 00:16:07,360
phenomenon people are struck by how

421

00:16:10,230 --> 00:16:09,279
something has seemingly happened to them

422

00:16:11,990 --> 00:16:10,240
that they

423

00:16:13,269 --> 00:16:12,000
know happened they know it's not just

424

00:16:14,949 --> 00:16:13,279
delusion

425

00:16:16,949 --> 00:16:14,959
and yet it doesn't fit with our

426

00:16:19,590 --> 00:16:16,959

understanding of what can happen in

427

00:16:22,069 --> 00:16:19,600

reality thus people feel this strange

428

00:16:23,990 --> 00:16:22,079

cognitive dissonance

429

00:16:25,829 --> 00:16:24,000

now while his leg and muscle injuries

430

00:16:28,069 --> 00:16:25,839

were completely healed

431

00:16:30,790 --> 00:16:28,079

on this day the doctor began to feel a

432

00:16:33,030 --> 00:16:30,800

cramping pain around his navel so this

433

00:16:35,269 --> 00:16:33,040

is a new physiological symptom he

434

00:16:37,509 --> 00:16:35,279

suddenly started feeling when

435

00:16:40,069 --> 00:16:37,519

amy michelle arrived on the scene again

436

00:16:42,790 --> 00:16:40,079

three days after the original sighting

437

00:16:45,030 --> 00:16:42,800

now this sensation on his navel

438

00:16:47,110 --> 00:16:45,040

eventually evolved into an itching and a

439

00:16:50,230 --> 00:16:47,120

prickling sensation

440

00:16:52,870 --> 00:16:50,240

then on november 13th the doctor had

441

00:16:55,269 --> 00:16:52,880

another dream in which he saw a triangle

442

00:16:58,389 --> 00:16:55,279

appear along with the ufo he had seen

443

00:17:00,710 --> 00:16:58,399

previously now soon after that pain on

444

00:17:03,350 --> 00:17:00,720

his navel that prickling feeling that

445

00:17:06,710 --> 00:17:03,360

itching feeling resolved into the shape

446

00:17:08,870 --> 00:17:06,720

of a perfect isosceles triangle that was

447

00:17:11,189 --> 00:17:08,880

visible on his skin to himself and

448

00:17:13,590 --> 00:17:11,199

everyone else and this looked exactly

449

00:17:15,829 --> 00:17:13,600

like the object he'd seen in his dream

450

00:17:18,789 --> 00:17:15,839

the triangle he had seen in his dream

451

00:17:20,549 --> 00:17:18,799

alongside the ufo at this point there

452

00:17:22,949 --> 00:17:20,559

was no more pain where the triangle

453

00:17:24,949 --> 00:17:22,959

appeared and when he saw a dermatologist

454

00:17:27,909 --> 00:17:24,959

he had no explanation

455

00:17:30,470 --> 00:17:27,919

now michelle a pragmatic man suggested

456

00:17:32,549 --> 00:17:30,480

perhaps the mark was of psychosomatic

457

00:17:34,950 --> 00:17:32,559

origin in other words he was causing it

458

00:17:36,630 --> 00:17:34,960

with his mind somehow by worrying about

459

00:17:38,549 --> 00:17:36,640

these things or something

460

00:17:41,830 --> 00:17:38,559

but then to everyone including

461

00:17:44,470 --> 00:17:41,840

michelle's surprise an identical mark

462

00:17:47,990 --> 00:17:44,480

appeared in the same location on the

463

00:17:49,909 --> 00:17:48,000

couple's young son the very next day

464

00:17:52,390 --> 00:17:49,919

this was the same son who had first

465

00:17:54,630 --> 00:17:52,400

awoken the doctor after having seen

466

00:17:56,789 --> 00:17:54,640

lights outside his window

467

00:17:59,190 --> 00:17:56,799

now for two years following this this

468

00:18:01,909 --> 00:17:59,200

strange biological mark manifested on

469

00:18:04,630 --> 00:18:01,919

the doctor's body about every three

470

00:18:07,190 --> 00:18:04,640

weeks and would then show up on his son

471

00:18:10,150 --> 00:18:07,200

approximately 12 hours later

472

00:18:12,070 --> 00:18:10,160

the marks would then fade later

473

00:18:15,909 --> 00:18:12,080

this actually continued to happen the

474

00:18:17,750 --> 00:18:15,919

less regularly for the next 20 years so

475

00:18:20,230 --> 00:18:17,760

we talk about people having paranormal

476
00:18:22,470 --> 00:18:20,240
effects after these kinds of encounters

477
00:18:23,750 --> 00:18:22,480
in the case of dr x it went on for

478
00:18:26,150 --> 00:18:23,760
decades

479
00:18:29,029 --> 00:18:26,160
now on top of that various bizarre

480
00:18:31,190 --> 00:18:29,039
synchronicities continued to arise in

481
00:18:33,110 --> 00:18:31,200
the months and years following that

482
00:18:35,350 --> 00:18:33,120
initial encounter

483
00:18:38,150 --> 00:18:35,360
one particularly strange one involved

484
00:18:40,470 --> 00:18:38,160
amy michelle and the doctor

485
00:18:41,830 --> 00:18:40,480
michelle had a particular melody that

486
00:18:44,549 --> 00:18:41,840
wasn't all that familiar to him

487
00:18:46,710 --> 00:18:44,559
beforehand stuck in his head on this one

488
00:18:49,669 --> 00:18:46,720

particular week that winter

489

00:18:51,430 --> 00:18:49,679

the same time frame as when the initial

490

00:18:53,510 --> 00:18:51,440

experience happened

491

00:18:54,789 --> 00:18:53,520

now when michelle met up with a doctor

492

00:18:56,630 --> 00:18:54,799

after the doctor had been through a

493

00:18:58,470 --> 00:18:56,640

hypnosis session

494

00:19:01,029 --> 00:18:58,480

he noticed the doctor seemed tense and

495

00:19:03,110 --> 00:19:01,039

he suggested that the doctor play piano

496

00:19:05,430 --> 00:19:03,120

which tend to calm him down and he was a

497

00:19:08,310 --> 00:19:05,440

very accomplished pianist

498

00:19:10,870 --> 00:19:08,320

now the doctor agreed and acting on the

499

00:19:13,990 --> 00:19:10,880

suggestion proceeded to start playing

500

00:19:16,230 --> 00:19:14,000

this very strange melody the same one

501
00:19:17,990 --> 00:19:16,240
that had been stuck in michelle's head

502
00:19:19,990 --> 00:19:18,000
all week long

503
00:19:21,909 --> 00:19:20,000
now michelle had no other recollection

504
00:19:23,909 --> 00:19:21,919
of having heard that tune during the

505
00:19:27,669 --> 00:19:23,919
time period leading up to this strangely

506
00:19:29,350 --> 00:19:27,679
synchronous event but the doctor dr x

507
00:19:31,990 --> 00:19:29,360
who had not been around michelle that

508
00:19:33,750 --> 00:19:32,000
week said he'd been practicing that song

509
00:19:35,669 --> 00:19:33,760
all week long

510
00:19:38,230 --> 00:19:35,679
so notice the synchronicity here these

511
00:19:41,350 --> 00:19:38,240
two were not together and yet on the one

512
00:19:43,990 --> 00:19:41,360
hand dr x was practicing this song on

513
00:19:46,150 --> 00:19:44,000

the piano a song that was not known to

514

00:19:48,630 --> 00:19:46,160

amy michelle and separately in a

515

00:19:50,310 --> 00:19:48,640

different location amy michelle was

516

00:19:52,789 --> 00:19:50,320

surprised to find this melody kept

517

00:19:56,150 --> 00:19:52,799

coming up in his mind all week long the

518

00:19:57,750 --> 00:19:56,160

same time frame as dr x was practicing

519

00:20:00,870 --> 00:19:57,760

this song and then when they got

520

00:20:04,149 --> 00:20:00,880

together to his surprise amy michelle

521

00:20:06,149 --> 00:20:04,159

finds dr x playing this very song on the

522

00:20:08,549 --> 00:20:06,159

piano that's exactly the kind of

523

00:20:10,870 --> 00:20:08,559

synchronicities that happen in this case

524

00:20:13,750 --> 00:20:10,880

time and time again and tend to happen

525

00:20:15,990 --> 00:20:13,760

with this phenomenon time and time again

526

00:20:18,470 --> 00:20:16,000

even people who had no experience with a

527

00:20:21,510 --> 00:20:18,480

ufo or alien beings or anything of the

528

00:20:24,710 --> 00:20:21,520

sort can still get drawn into it merely

529

00:20:26,710 --> 00:20:24,720

by being in contact or association with

530

00:20:28,310 --> 00:20:26,720

the people who did have the contact

531

00:20:29,909 --> 00:20:28,320

experience

532

00:20:31,669 --> 00:20:29,919

now here we should make clear that this

533

00:20:34,149 --> 00:20:31,679

kind of synchronicity did not just

534

00:20:36,149 --> 00:20:34,159

happen between a doctor and his wife and

535

00:20:38,230 --> 00:20:36,159

someone like amy michelle

536

00:20:40,149 --> 00:20:38,240

but various people that the doctor and

537

00:20:42,789 --> 00:20:40,159

his wife knew began to experience

538

00:20:44,789 --> 00:20:42,799

strange synchronicities around them or

539

00:20:47,029 --> 00:20:44,799

in connection with them and again here

540

00:20:49,029 --> 00:20:47,039

we're reminded of more recent events

541

00:20:50,310 --> 00:20:49,039

depicted in a book like skinwalkers at

542

00:20:52,310 --> 00:20:50,320

the pentagon

543

00:20:54,630 --> 00:20:52,320

which i mentioned in the introduction

544

00:20:57,190 --> 00:20:54,640

having to do with what has been termed a

545

00:20:58,870 --> 00:20:57,200

kind of social contagion

546

00:21:00,630 --> 00:20:58,880

where it appears that even being

547

00:21:03,430 --> 00:21:00,640

socially linked to someone who

548

00:21:06,390 --> 00:21:03,440

experiences a ufo or co-arising

549

00:21:08,710 --> 00:21:06,400

anomalous phenomena can seemingly become

550

00:21:10,070 --> 00:21:08,720

the triggering event which spreads to

551
00:21:12,310 --> 00:21:10,080
others

552
00:21:14,230 --> 00:21:12,320
now we might ask is this a form of

553
00:21:17,430 --> 00:21:14,240
energy now associated with the

554
00:21:19,190 --> 00:21:17,440
individual that can be caught as it were

555
00:21:22,230 --> 00:21:19,200
or is it perhaps even a kind of

556
00:21:24,870 --> 00:21:22,240
biological contagion like a virus

557
00:21:27,029 --> 00:21:24,880
there seem to be cases where people even

558
00:21:30,710 --> 00:21:27,039
who haven't been in actual physical

559
00:21:31,510 --> 00:21:30,720
proximity can still catch this from each

560
00:21:33,990 --> 00:21:31,520
other

561
00:21:35,750 --> 00:21:34,000
suggesting the social connection alone

562
00:21:39,510 --> 00:21:35,760
can become the pathway through which

563
00:21:41,270 --> 00:21:39,520

this contagion can and does travel so

564

00:21:43,029 --> 00:21:41,280

let's make that really clear

565

00:21:46,149 --> 00:21:43,039

in skill markers at the pentagon we have

566

00:21:48,470 --> 00:21:46,159

cases where someone would see a ufo or a

567

00:21:51,590 --> 00:21:48,480

skin walker or some sort of strange

568

00:21:54,470 --> 00:21:51,600

entity while on the ranch in utah and

569

00:21:57,029 --> 00:21:54,480

then fly back home and then relatives

570

00:21:58,630 --> 00:21:57,039

friends and associates colleagues of

571

00:22:00,630 --> 00:21:58,640

these people who had these initial

572

00:22:02,870 --> 00:22:00,640

encounters would then begin to

573

00:22:05,110 --> 00:22:02,880

experience high strangeness themselves

574

00:22:07,669 --> 00:22:05,120

sometimes it was the sons the daughters

575

00:22:09,590 --> 00:22:07,679

the wives the husbands sometimes even

576
00:22:12,789 --> 00:22:09,600
cousins or people that lived on the same

577
00:22:15,750 --> 00:22:12,799
street again it seems that it's not just

578
00:22:17,430 --> 00:22:15,760
having been in actual physical proximity

579
00:22:20,149 --> 00:22:17,440
like how you would pass a biological

580
00:22:22,470 --> 00:22:20,159
virus but that even somehow the social

581
00:22:24,870 --> 00:22:22,480
connection or the mental overlay we

582
00:22:26,630 --> 00:22:24,880
might even say between these people the

583
00:22:30,230 --> 00:22:26,640
consciousness of these two people was

584
00:22:33,029 --> 00:22:30,240
enough for this kind of viral entity to

585
00:22:35,270 --> 00:22:33,039
pass over from one person to another

586
00:22:37,830 --> 00:22:35,280
now the implications there are certainly

587
00:22:39,990 --> 00:22:37,840
no less than paradigm shattering i'm

588
00:22:42,470 --> 00:22:40,000

sure you'll agree again for many it's

589

00:22:45,110 --> 00:22:42,480

just too bizarre to reckon with many

590

00:22:47,350 --> 00:22:45,120

will just reject it out of hand because

591

00:22:48,630 --> 00:22:47,360

again it flies in the face of what we

592

00:22:51,110 --> 00:22:48,640

understand

593

00:22:53,270 --> 00:22:51,120

can happen with reality and yet as i've

594

00:22:55,190 --> 00:22:53,280

said numerous times on this podcast

595

00:22:57,669 --> 00:22:55,200

that's not how we should make sense of

596

00:23:00,390 --> 00:22:57,679

these things we don't exclude data or

597

00:23:02,390 --> 00:23:00,400

ignore data or repress data certainly

598

00:23:04,549 --> 00:23:02,400

not delete data just because it doesn't

599

00:23:06,950 --> 00:23:04,559

fit with our prevailing paradigm

600

00:23:09,510 --> 00:23:06,960

if there is outlier data that seems to

601
00:23:11,750 --> 00:23:09,520
question our notion of reality we should

602
00:23:14,070 --> 00:23:11,760
let it be we should collect more and

603
00:23:16,230 --> 00:23:14,080
more and perhaps that will lead to a

604
00:23:19,029 --> 00:23:16,240
revolution of sorts in terms of our

605
00:23:20,070 --> 00:23:19,039
understanding of what reality actually

606
00:23:22,870 --> 00:23:20,080
is

607
00:23:25,110 --> 00:23:22,880
more on that later now the doctor and

608
00:23:27,909 --> 00:23:25,120
his wife also experienced strange

609
00:23:31,270 --> 00:23:27,919
electrical surges and outages in their

610
00:23:32,950 --> 00:23:31,280
home following this event and strangely

611
00:23:34,549 --> 00:23:32,960
when the electric company was brought in

612
00:23:36,630 --> 00:23:34,559
to investigate

613
00:23:38,549 --> 00:23:36,640

while they too noticed the anomalies

614

00:23:40,390 --> 00:23:38,559

they could find no source for the

615

00:23:42,390 --> 00:23:40,400

arising of these anomalies the

616

00:23:44,630 --> 00:23:42,400

electricity would go on and off

617

00:23:46,950 --> 00:23:44,640

seemingly arbitrarily they couldn't make

618

00:23:48,630 --> 00:23:46,960

heads or tails of it and one of these

619

00:23:51,029 --> 00:23:48,640

electricians that worked for the

620

00:23:53,029 --> 00:23:51,039

government entity that was investigating

621

00:23:54,950 --> 00:23:53,039

this said believe it or not that they

622

00:23:57,590 --> 00:23:54,960

believed the house was probably haunted

623

00:23:59,750 --> 00:23:57,600

and the couple should just move

624

00:24:02,470 --> 00:23:59,760

now the doctor and his wife also noted

625

00:24:04,549 --> 00:24:02,480

various poltergeist phenomena including

626
00:24:07,110 --> 00:24:04,559
various household objects that seem to

627
00:24:08,710 --> 00:24:07,120
randomly move by themselves or they

628
00:24:11,190 --> 00:24:08,720
would find them in places that neither

629
00:24:13,350 --> 00:24:11,200
one of them moved them to

630
00:24:16,070 --> 00:24:13,360
in addition to that an old mechanical

631
00:24:19,110 --> 00:24:16,080
clock started behaving strangely falling

632
00:24:21,590 --> 00:24:19,120
several hours behind on occasion

633
00:24:23,669 --> 00:24:21,600
now this next element is truly shocking

634
00:24:25,669 --> 00:24:23,679
and surprising and again many people

635
00:24:28,070 --> 00:24:25,679
will reject it outright because it goes

636
00:24:29,669 --> 00:24:28,080
against our normal understanding of what

637
00:24:31,510 --> 00:24:29,679
can happen

638
00:24:34,070 --> 00:24:31,520

but before i share it i want to remind

639

00:24:36,310 --> 00:24:34,080

you that before these incidences before

640

00:24:38,870 --> 00:24:36,320

this initial encounter with these two

641

00:24:41,669 --> 00:24:38,880

ufos that turned into one

642

00:24:43,909 --> 00:24:41,679

this doctor was a straight shooting

643

00:24:45,830 --> 00:24:43,919

mild-mannered physician who didn't look

644

00:24:47,909 --> 00:24:45,840

for attention he was known for his

645

00:24:50,710 --> 00:24:47,919

clarity of critical thinking skills and

646

00:24:52,149 --> 00:24:50,720

a lack of fanciful imagination this is

647

00:24:54,470 --> 00:24:52,159

not the kind of person that makes this

648

00:24:56,549 --> 00:24:54,480

stuff up or even thinks about it or is

649

00:24:58,710 --> 00:24:56,559

even interested in it we need to

650

00:25:01,350 --> 00:24:58,720

remember that because people often

651
00:25:03,750 --> 00:25:01,360
assume this is just happening to people

652
00:25:06,390 --> 00:25:03,760
who tend towards these things already

653
00:25:08,070 --> 00:25:06,400
they do not often it happens to people

654
00:25:10,390 --> 00:25:08,080
who've never even thought about these

655
00:25:13,110 --> 00:25:10,400
things never considered them at all

656
00:25:15,190 --> 00:25:13,120
no contemplation beforehand whatsoever

657
00:25:17,110 --> 00:25:15,200
that was certainly the case with dr x

658
00:25:18,710 --> 00:25:17,120
and his wife

659
00:25:21,350 --> 00:25:18,720
this is what happened

660
00:25:23,750 --> 00:25:21,360
on numerous occasions after the incident

661
00:25:26,630 --> 00:25:23,760
of seeing the initial ufos

662
00:25:29,750 --> 00:25:26,640
he reported incidences of spontaneous

663
00:25:31,830 --> 00:25:29,760

levitation where he would float 20 feet

664

00:25:33,830 --> 00:25:31,840

or more into the air

665

00:25:36,710 --> 00:25:33,840

and in one specific case he happened to

666

00:25:39,430 --> 00:25:36,720

have fly paper stuck on his hand and

667

00:25:41,750 --> 00:25:39,440

when he levitated to the ceiling 20 feet

668

00:25:43,269 --> 00:25:41,760

up he took this fly paper and stuck it

669

00:25:45,590 --> 00:25:43,279

to the ceiling so he could show it to

670

00:25:47,750 --> 00:25:45,600

amy michelle later on

671

00:25:49,669 --> 00:25:47,760

so again just try and imagine this

672

00:25:51,430 --> 00:25:49,679

person who is mild-mannered

673

00:25:53,909 --> 00:25:51,440

not prone to this kind of thinking not

674

00:25:55,750 --> 00:25:53,919

prone to talking or thinking about ufos

675

00:25:58,070 --> 00:25:55,760

at all certainly not thinking about

676
00:26:00,070 --> 00:25:58,080
paranormality and suddenly after an

677
00:26:02,630 --> 00:26:00,080
encounter like this he's doing things

678
00:26:05,830 --> 00:26:02,640
like floating up to the ceiling

679
00:26:07,830 --> 00:26:05,840
on another occasion later on he started

680
00:26:10,390 --> 00:26:07,840
hearing a voice that on numerous

681
00:26:11,750 --> 00:26:10,400
occasions informed him that something

682
00:26:13,909 --> 00:26:11,760
anomalous

683
00:26:16,630 --> 00:26:13,919
of significance would happen on the

684
00:26:18,310 --> 00:26:16,640
one-year anniversary of that initial

685
00:26:20,230 --> 00:26:18,320
encounter

686
00:26:23,269 --> 00:26:20,240
now because of this the doctor and his

687
00:26:25,909 --> 00:26:23,279
wife invited amy michelle and his wife

688
00:26:26,789 --> 00:26:25,919

to spend that anniversary evening with

689

00:26:28,630 --> 00:26:26,799

them

690

00:26:31,029 --> 00:26:28,640

and at the same time he had their young

691

00:26:33,190 --> 00:26:31,039

son taken to the grandparents house so

692

00:26:35,190 --> 00:26:33,200

the young son was at the grandparents

693

00:26:36,630 --> 00:26:35,200

while amy michelle and his wife came to

694

00:26:39,430 --> 00:26:36,640

spend the evening

695

00:26:41,909 --> 00:26:39,440

with dr x and his wife on the one year

696

00:26:43,510 --> 00:26:41,919

anniversary of that initial sighting and

697

00:26:45,830 --> 00:26:43,520

encounter

698

00:26:46,789 --> 00:26:45,840

now upon arriving at the scene at the

699

00:26:48,870 --> 00:26:46,799

house

700

00:26:51,350 --> 00:26:48,880

amy michelle asked if there were any

701
00:26:54,149 --> 00:26:51,360
unusual markings on the doctor's body at

702
00:26:55,110 --> 00:26:54,159
that moment to mark the occasion so to

703
00:26:57,510 --> 00:26:55,120
speak

704
00:26:58,710 --> 00:26:57,520
the doctor showed him there were not

705
00:27:00,630 --> 00:26:58,720
however

706
00:27:03,590 --> 00:27:00,640
later that night sensing something

707
00:27:06,549 --> 00:27:03,600
coming over him the doctor stood up

708
00:27:08,789 --> 00:27:06,559
saying it's here it's beginning again

709
00:27:11,990 --> 00:27:08,799
and upon lifting his shirt they could

710
00:27:14,710 --> 00:27:12,000
all see a precisely defined triangle

711
00:27:17,669 --> 00:27:14,720
trace itself that very moment onto the

712
00:27:20,950 --> 00:27:17,679
surface of the doctor's abdomen again at

713
00:27:22,950 --> 00:27:20,960

that very moment and earlier on when amy

714

00:27:25,350 --> 00:27:22,960

Michelle looked there was nothing there

715

00:27:27,350 --> 00:27:25,360

on the abdomen it happened in real time

716

00:27:29,590 --> 00:27:27,360

while they were all there and very

717

00:27:32,070 --> 00:27:29,600

importantly the doctor sensed it he

718

00:27:34,389 --> 00:27:32,080

sensed something coming over him just as

719

00:27:36,630 --> 00:27:34,399

it began and that's what made him stand

720

00:27:39,590 --> 00:27:36,640

up and lift up his shirt to begin with

721

00:27:42,230 --> 00:27:39,600

again shocking and fascinating

722

00:27:43,669 --> 00:27:42,240

now interestingly even though they had

723

00:27:45,669 --> 00:27:43,679

sent their son to spend the night with

724

00:27:48,149 --> 00:27:45,679

the grandparents like I said

725

00:27:50,710 --> 00:27:48,159

they later found out that the very same

726

00:27:53,029 --> 00:27:50,720

mark had appeared yet again on the son's

727

00:27:55,350 --> 00:27:53,039

abdomen even though he wasn't even at

728

00:27:57,029 --> 00:27:55,360

the same location of course as the

729

00:27:58,389 --> 00:27:57,039

doctor and his wife

730

00:28:00,470 --> 00:27:58,399

the grandmother was actually quite

731

00:28:02,470 --> 00:28:00,480

distraught because she noticed this mark

732

00:28:03,590 --> 00:28:02,480

on the young boy and wondered what was

733

00:28:05,590 --> 00:28:03,600

going on

734

00:28:09,110 --> 00:28:05,600

now interestingly while the doctor

735

00:28:10,870 --> 00:28:09,120

didn't recall alien beings or abductions

736

00:28:13,990 --> 00:28:10,880

like they're often depicted

737

00:28:15,430 --> 00:28:14,000

his son experienced insomnia of a pretty

738

00:28:17,510 --> 00:28:15,440

extreme degree

739

00:28:19,830 --> 00:28:17,520

following this most recent case of the

740

00:28:22,149 --> 00:28:19,840

triangle mark on his body

741

00:28:24,950 --> 00:28:22,159

and he was known as often telling his

742

00:28:28,070 --> 00:28:24,960

classmates that at night he would go off

743

00:28:29,990 --> 00:28:28,080

into the big red machine in the sky the

744

00:28:31,909 --> 00:28:30,000

one that made the loud noises and the

745

00:28:34,310 --> 00:28:31,919

flashes of light

746

00:28:36,710 --> 00:28:34,320

so even though the doctor himself

747

00:28:38,070 --> 00:28:36,720

doesn't remember being abducted or taken

748

00:28:40,950 --> 00:28:38,080

into a craft

749

00:28:42,630 --> 00:28:40,960

the son clearly is having experiences

750

00:28:45,190 --> 00:28:42,640

that suggest that is what is happening

751
00:28:47,510 --> 00:28:45,200
that a more classical abduction case is

752
00:28:49,430 --> 00:28:47,520
happening with the sun so once again as

753
00:28:52,230 --> 00:28:49,440
i mentioned in the introduction

754
00:28:54,470 --> 00:28:52,240
we have a multi-generational incident

755
00:28:56,789 --> 00:28:54,480
here this is very common that this

756
00:29:00,149 --> 00:28:56,799
happens across bloodlines sometimes over

757
00:29:02,149 --> 00:29:00,159
three or four generations at this point

758
00:29:04,710 --> 00:29:02,159
now we've often discussed the matter of

759
00:29:06,389 --> 00:29:04,720
how these seemingly otherworldly events

760
00:29:08,710 --> 00:29:06,399
change people

761
00:29:10,830 --> 00:29:08,720
in the case of the doctor and his wife

762
00:29:13,590 --> 00:29:10,840
they went on to develop a renewed

763
00:29:14,789 --> 00:29:13,600

appreciation for life and its deep

764

00:29:17,110 --> 00:29:14,799

mysteries

765

00:29:18,070 --> 00:29:17,120

and they both became deeply spiritual

766

00:29:19,990 --> 00:29:18,080

people

767

00:29:21,510 --> 00:29:20,000

both coming to recognize the great

768

00:29:24,070 --> 00:29:21,520

wonder of it all

769

00:29:26,470 --> 00:29:24,080

and while he was initially set back by

770

00:29:28,630 --> 00:29:26,480

the ontological shock he was quite put

771

00:29:31,269 --> 00:29:28,640

off by the experience

772

00:29:33,830 --> 00:29:31,279

they both began to eventually come to

773

00:29:35,990 --> 00:29:33,840

see it as wondrous and they were okay

774

00:29:37,830 --> 00:29:36,000

with not fully understanding it but they

775

00:29:39,029 --> 00:29:37,840

knew it was somehow something

776

00:29:42,070 --> 00:29:39,039

awesome

777

00:29:44,549 --> 00:29:42,080

amazing and world changing and of course

778

00:29:46,710 --> 00:29:44,559

we should not forget that he was healed

779

00:29:48,470 --> 00:29:46,720

pretty profoundly as a result of this

780

00:29:50,950 --> 00:29:48,480

experience

781

00:29:53,510 --> 00:29:50,960

now in a much later interview the doctor

782

00:29:56,149 --> 00:29:53,520

also described being sometimes visited

783

00:29:59,110 --> 00:29:56,159

over the years by a man who never seemed

784

00:30:01,269 --> 00:29:59,120

to age so he would see him only after

785

00:30:03,430 --> 00:30:01,279

numerous years had gone by but even

786

00:30:05,830 --> 00:30:03,440

though the doctor had aged this man he

787

00:30:07,830 --> 00:30:05,840

met up with never seemed to age

788

00:30:10,149 --> 00:30:07,840

and after his encounters with this

789

00:30:12,950 --> 00:30:10,159

mysterious figure the doctor would note

790

00:30:14,870 --> 00:30:12,960

that he had experienced missing time

791

00:30:17,909 --> 00:30:14,880

again of course another common data

792

00:30:19,190 --> 00:30:17,919

point of the ufo abduction phenomenon

793

00:30:21,510 --> 00:30:19,200

even though some elements don't

794

00:30:23,430 --> 00:30:21,520

completely line up with what we think of

795

00:30:25,510 --> 00:30:23,440

as abduction

796

00:30:28,310 --> 00:30:25,520

now as i mentioned amy michelle was the

797

00:30:29,909 --> 00:30:28,320

person who documented most of this case

798

00:30:32,389 --> 00:30:29,919

it became well known because jacques

799

00:30:35,190 --> 00:30:32,399

villa picked up on the case he recounted

800

00:30:37,190 --> 00:30:35,200

the doctor's case in passport to madonia

801
00:30:38,630 --> 00:30:37,200
as well as in later books and it's

802
00:30:41,269 --> 00:30:38,640
because of this that this case has

803
00:30:42,230 --> 00:30:41,279
become part of the worldwide ufological

804
00:30:44,630 --> 00:30:42,240
lore

805
00:30:46,310 --> 00:30:44,640
even though often it's not spoken about

806
00:30:48,870 --> 00:30:46,320
as much as i wish it was because it

807
00:30:51,750 --> 00:30:48,880
truly is an outstanding case it's well

808
00:30:54,070 --> 00:30:51,760
documented it was looked into by very

809
00:30:56,470 --> 00:30:54,080
credible ufologists and we have all the

810
00:30:58,710 --> 00:30:56,480
elements of high strangeness happening

811
00:31:00,789 --> 00:30:58,720
in one encounter

812
00:31:03,029 --> 00:31:00,799
now as i mentioned in the introduction

813
00:31:05,750 --> 00:31:03,039

while many people might assume skeptics

814

00:31:08,470 --> 00:31:05,760

might assume that the more paranormal

815

00:31:10,870 --> 00:31:08,480

elements of these more recent encounters

816

00:31:13,190 --> 00:31:10,880

are perhaps a byproduct of overactive

817

00:31:14,630 --> 00:31:13,200

imaginations who've consumed too much

818

00:31:16,310 --> 00:31:14,640

sci-fi

819

00:31:18,470 --> 00:31:16,320

cases like this remind us that this has

820

00:31:20,870 --> 00:31:18,480

been happening for a very long time

821

00:31:22,950 --> 00:31:20,880

as long as ufology has been a thing

822

00:31:24,630 --> 00:31:22,960

these kinds of events have been going on

823

00:31:27,110 --> 00:31:24,640

that involve elements of high

824

00:31:29,509 --> 00:31:27,120

strangeness and of course following the

825

00:31:31,350 --> 00:31:29,519

work of people like chocolate we're very

826

00:31:33,909 --> 00:31:31,360

aware that this kind of thing's been

827

00:31:35,830 --> 00:31:33,919

happening long before modern ufology

828

00:31:37,830 --> 00:31:35,840

that when we look at fairy lore when we

829

00:31:40,070 --> 00:31:37,840

look at religious experiences many of

830

00:31:42,389 --> 00:31:40,080

the same elements are in play

831

00:31:44,789 --> 00:31:42,399

so perhaps this is pointing to something

832

00:31:46,389 --> 00:31:44,799

that's been going on all along basically

833

00:31:48,789 --> 00:31:46,399

as long as our species

834

00:31:50,789 --> 00:31:48,799

has been around

835

00:31:51,909 --> 00:31:50,799

now when we step back and reflect on

836

00:31:54,389 --> 00:31:51,919

this case

837

00:31:56,470 --> 00:31:54,399

while some of the details are unique

838

00:31:57,830 --> 00:31:56,480

many of the key data points are quite

839

00:32:00,630 --> 00:31:57,840

familiar

840

00:32:02,549 --> 00:32:00,640

missing time memory manipulation

841

00:32:04,070 --> 00:32:02,559

physiological effects

842

00:32:06,789 --> 00:32:04,080

time distortion

843

00:32:09,029 --> 00:32:06,799

future telling healing

844

00:32:10,789 --> 00:32:09,039

contact that reaches across generations

845

00:32:12,549 --> 00:32:10,799

in a single bloodline

846

00:32:14,950 --> 00:32:12,559

poltergeist phenomena

847

00:32:17,509 --> 00:32:14,960

synchronicities to the extreme and even

848

00:32:18,789 --> 00:32:17,519

paranormal social contagion like we

849

00:32:21,430 --> 00:32:18,799

talked about

850

00:32:23,830 --> 00:32:21,440

we also see as i just noted that people

851

00:32:26,310 --> 00:32:23,840

are often forever changed by these

852

00:32:28,630 --> 00:32:26,320

encounters and seemingly not just

853

00:32:30,389 --> 00:32:28,640

because they're so bizarre but also

854

00:32:31,509 --> 00:32:30,399

because they often seem to have a

855

00:32:33,909 --> 00:32:31,519

built-in

856

00:32:36,389 --> 00:32:33,919

element of primarily spiritual

857

00:32:38,389 --> 00:32:36,399

existential relevance

858

00:32:41,430 --> 00:32:38,399

so much so that some have suggested that

859

00:32:43,430 --> 00:32:41,440

these effects are perhaps more important

860

00:32:45,509 --> 00:32:43,440

than the phenomena that gave rise to

861

00:32:47,430 --> 00:32:45,519

them in the first place

862

00:32:50,149 --> 00:32:47,440

on the other hand in a case like this

863

00:32:52,710 --> 00:32:50,159

one we see evidence of craft that seem

864

00:32:55,669 --> 00:32:52,720

to show evidence of an advanced kind of

865

00:32:58,710 --> 00:32:55,679

seemingly nuts and bolts technology with

866

00:33:00,950 --> 00:32:58,720

energy absorbing antenna and the like

867

00:33:02,070 --> 00:33:00,960

and of course this too is not all that

868

00:33:04,389 --> 00:33:02,080

unique

869

00:33:06,710 --> 00:33:04,399

again with this phenomenon we frequently

870

00:33:08,870 --> 00:33:06,720

see the collapse of our usual

871

00:33:11,190 --> 00:33:08,880

categories of understanding

872

00:33:13,909 --> 00:33:11,200

or terms of differentiation like

873

00:33:16,710 --> 00:33:13,919

spiritual versus technological

874

00:33:18,950 --> 00:33:16,720

seem suddenly misguided and insufficient

875

00:33:21,830 --> 00:33:18,960

in their usual function

876
00:33:24,710 --> 00:33:21,840
if nothing else with this phenomenon we

877
00:33:27,269 --> 00:33:24,720
frequently see evidence of both and

878
00:33:29,190 --> 00:33:27,279
rather than either or

879
00:33:29,990 --> 00:33:29,200
now ultimately what i would suggest to

880
00:33:31,990 --> 00:33:30,000
you

881
00:33:33,190 --> 00:33:32,000
as i have been for some time now on this

882
00:33:35,350 --> 00:33:33,200
podcast

883
00:33:37,350 --> 00:33:35,360
is that the implications arising from

884
00:33:39,990 --> 00:33:37,360
revelations pertaining to the ufo

885
00:33:41,350 --> 00:33:40,000
phenomenon and forms of high strangeness

886
00:33:44,230 --> 00:33:41,360
beyond that

887
00:33:46,950 --> 00:33:44,240
are pointing squarely to reality itself

888
00:33:48,310 --> 00:33:46,960

and more specifically to our conception

889

00:33:49,990 --> 00:33:48,320

of reality

890

00:33:52,389 --> 00:33:50,000

i would suggest to you that it's not

891

00:33:55,029 --> 00:33:52,399

just our convenient distinctions like

892

00:33:57,430 --> 00:33:55,039

technological versus spiritual that are

893

00:34:00,789 --> 00:33:57,440

faulty but more generally even

894

00:34:01,990 --> 00:34:00,799

differentiations around physical versus

895

00:34:03,830 --> 00:34:02,000

mental

896

00:34:06,470 --> 00:34:03,840

i would go so far as to suggest that

897

00:34:09,190 --> 00:34:06,480

what this phenomenon is telling us is

898

00:34:10,470 --> 00:34:09,200

that reality itself does not exist as we

899

00:34:12,470 --> 00:34:10,480

think it does

900

00:34:15,349 --> 00:34:12,480

and that it is actually not really

901
00:34:16,869 --> 00:34:15,359
primarily physical at all

902
00:34:19,510 --> 00:34:16,879
in other words what we have is

903
00:34:21,669 --> 00:34:19,520
gradations of what you might call mind

904
00:34:23,829 --> 00:34:21,679
stuff though that will require some

905
00:34:24,869 --> 00:34:23,839
unpacking in the weeks and months to

906
00:34:26,550 --> 00:34:24,879
come

907
00:34:29,030 --> 00:34:26,560
but i'm referring generally to

908
00:34:30,790 --> 00:34:29,040
overlapping waves of what you might call

909
00:34:33,109 --> 00:34:30,800
mental experience

910
00:34:35,430 --> 00:34:33,119
suggesting our reality is more like a

911
00:34:37,750 --> 00:34:35,440
shared collective dream which is

912
00:34:39,990 --> 00:34:37,760
stubbornly convincing as primarily

913
00:34:40,790 --> 00:34:40,000

physical because we experience it that

914

00:34:46,389 --> 00:34:40,800

way

915

00:34:48,869 --> 00:34:46,399

so long now that it's become ubiquitous

916

00:34:50,710 --> 00:34:48,879

of course a dream feels fully physical

917

00:34:52,710 --> 00:34:50,720

when you're within it because that is

918

00:34:55,270 --> 00:34:52,720

what dreamscapes are

919

00:34:56,790 --> 00:34:55,280

fully immersive world spaces

920

00:34:58,870 --> 00:34:56,800

now consider this

921

00:35:00,950 --> 00:34:58,880

just as an alarm clock or the sound of

922

00:35:03,750 --> 00:35:00,960

running water coming from outside a

923

00:35:05,750 --> 00:35:03,760

dream can impact the world space within

924

00:35:07,829 --> 00:35:05,760

the dream like you'll suddenly think

925

00:35:10,230 --> 00:35:07,839

you're by a stream when you hear water

926
00:35:13,030 --> 00:35:10,240
coming from outside the dream

927
00:35:15,670 --> 00:35:13,040
so too can these others it would seem

928
00:35:16,630 --> 00:35:15,680
enter into our shared dream space our

929
00:35:19,510 --> 00:35:16,640
world

930
00:35:21,190 --> 00:35:19,520
and manifest qualities within it

931
00:35:23,910 --> 00:35:21,200
even qualities that are fully

932
00:35:25,750 --> 00:35:23,920
quantitative and thus measurable like

933
00:35:27,990 --> 00:35:25,760
solid objects

934
00:35:31,910 --> 00:35:28,000
what i'm referring to here is a model of

935
00:35:33,670 --> 00:35:31,920
reality known as metaphysical idealism

936
00:35:35,349 --> 00:35:33,680
and not only do i think it best fits

937
00:35:38,710 --> 00:35:35,359
with the data we've seen arise from the

938
00:35:40,630 --> 00:35:38,720

ufo phenomenon over many decades now

939

00:35:42,550 --> 00:35:40,640

but i also think it clearly makes the

940

00:35:45,750 --> 00:35:42,560

best sense of converging streams of

941

00:35:48,230 --> 00:35:45,760

evidence arising in other fields such as

942

00:35:50,710 --> 00:35:48,240

neuroscience and quantum mechanics as

943

00:35:53,750 --> 00:35:50,720

i've touched on before

944

00:35:55,349 --> 00:35:53,760

now again this is a lot to digest

945

00:35:57,270 --> 00:35:55,359

rest assured that we will be breaking

946

00:35:59,829 --> 00:35:57,280

this down in the weeks and months to

947

00:36:02,470 --> 00:35:59,839

come so bear with me there's a lot to

948

00:36:04,870 --> 00:36:02,480

get to and much of it while very well

949

00:36:06,790 --> 00:36:04,880

supported in terms of evidence does

950

00:36:09,670 --> 00:36:06,800

often fly in the face of the way we've

951

00:36:11,589 --> 00:36:09,680

been raised to think about reality

952

00:36:13,750 --> 00:36:11,599

but this at least gives you some sense

953

00:36:15,829 --> 00:36:13,760

of where we're headed and some sense of

954

00:36:18,630 --> 00:36:15,839

what terrain will be traversing as we

955

00:36:22,310 --> 00:36:18,640

continue to pursue clarity in this most

956

00:36:24,950 --> 00:36:22,320

thorny but enthralling of topics

957

00:36:26,790 --> 00:36:24,960

and on that note we've come to the close

958

00:36:28,550 --> 00:36:26,800

of another edition of the point of

959

00:36:30,630 --> 00:36:28,560
