1
00:00:02,860 --> 00:00:07,829

[Music]

2
00:00:13,910 --> 00:00:11,509

hello and welcome to episode number 62

3
00:00:18,390 --> 00:00:13,920

of the point of convergence podcast

4
00:00:19,990 --> 00:00:18,400

as always i am your host exo academian

5
00:00:22,070 --> 00:00:20,000

over the course of the history of this

6
00:00:24,550 --> 00:00:22,080

podcast we've covered events and

7
00:00:27,189 --> 00:00:24,560

experiences that are so bizarre

8
00:00:29,109 --> 00:00:27,199

seemingly irrational and even absurd

9
00:00:31,669 --> 00:00:29,119

that one can't help but come away from

10
00:00:33,430 --> 00:00:31,679

an exhaustive examination of this data

11
00:00:36,150 --> 00:00:33,440

wondering how on earth it fits into our

12
00:00:38,790 --> 00:00:36,160

notion of reality at all

13
00:00:40,709 --> 00:00:38,800

put simply i don't think it does

14

00:00:41,670 --> 00:00:40,719

but not because the data is somehow an

15

00:00:43,510 --> 00:00:41,680

error

16

00:00:44,950 --> 00:00:43,520

after all at this point there's simply

17

00:00:47,830 --> 00:00:44,960

too much of it with too much

18

00:00:49,029 --> 00:00:47,840

cross-cultural consistency for that to

19

00:00:50,709 --> 00:00:49,039

be the case

20

00:00:52,910 --> 00:00:50,719

even allowing for a healthy dose of

21

00:00:55,590 --> 00:00:52,920

filtering for cases involving

22

00:00:56,830 --> 00:00:55,600

misrepresentation misapprehension

23

00:00:59,349 --> 00:00:56,840

and or mental

24

00:01:01,750 --> 00:00:59,359

instability now it being the case that

25

00:01:04,789 --> 00:01:01,760

this is a bona fide phenomenon happening

26
00:01:06,789 --> 00:01:04,799
to real people in real ways and has been

27
00:01:09,510 --> 00:01:06,799
since time immemorial

28
00:01:13,030 --> 00:01:09,520
the problem must lie not in the data but

29
00:01:15,030 --> 00:01:13,040
in our very conceptions of reality

30
00:01:17,830 --> 00:01:15,040
in today's episode we'll be unwrapping

31
00:01:20,149 --> 00:01:17,840
this enigma even further but not in the

32
00:01:22,070 --> 00:01:20,159
form of a new case we'll be studying but

33
00:01:23,350 --> 00:01:22,080
rather in the form of questions and

34
00:01:25,270 --> 00:01:23,360
answers

35
00:01:27,429 --> 00:01:25,280
the questions submitted this time around

36
00:01:30,230 --> 00:01:27,439
for this inquiring mind feature were

37
00:01:32,069 --> 00:01:30,240
again of the highest caliber and my

38
00:01:34,069 --> 00:01:32,079

thanks go out to all who took the time

39

00:01:35,830 --> 00:01:34,079

to submit a question

40

00:01:37,510 --> 00:01:35,840

since i don't have the time to answer

41

00:01:39,990 --> 00:01:37,520

all the questions submitted in this

42

00:01:41,830 --> 00:01:40,000

podcast i've chosen to engage with

43

00:01:44,389 --> 00:01:41,840

several that i think will help us keep

44

00:01:47,670 --> 00:01:44,399

our eye on this central question

45

00:01:49,749 --> 00:01:47,680

regarding the nature of reality

46

00:01:52,149 --> 00:01:49,759

and with that in mind let's get right to

47

00:01:55,190 --> 00:01:52,159

it in this the third installment of the

48

00:01:57,270 --> 00:01:55,200

inquiring mind in this the 60 second

49

00:02:00,270 --> 00:01:57,280

episode of the point of convergence

50

00:02:05,190 --> 00:02:03,429

[Music]

51
00:02:08,389 --> 00:02:05,200
all right let's get right to it question

52
00:02:10,550 --> 00:02:08,399
number one is worded as follows so i've

53
00:02:12,390 --> 00:02:10,560
been considering how old the universe is

54
00:02:14,229 --> 00:02:12,400
and the probability of other life having

55
00:02:15,670 --> 00:02:14,239
developed out there

56
00:02:18,150 --> 00:02:15,680
i was wondering if you'd ever come

57
00:02:20,790 --> 00:02:18,160
across any calculations of statistical

58
00:02:22,630 --> 00:02:20,800
probability of other life having formed

59
00:02:25,830 --> 00:02:22,640
out there somewhere

60
00:02:27,830 --> 00:02:25,840
also more interesting to me is if life

61
00:02:30,390 --> 00:02:27,840
has evolved to be intelligent and

62
00:02:32,470 --> 00:02:30,400
visited us in one form or another

63
00:02:34,830 --> 00:02:32,480

what is the probability it would be at a

64

00:02:37,030 --> 00:02:34,840

similar level of development as we are

65

00:02:38,869 --> 00:02:37,040

currently i don't know the answers to

66

00:02:41,270 --> 00:02:38,879

these questions and i'm not particularly

67

00:02:43,350 --> 00:02:41,280

mathematically minded but it seems to me

68

00:02:45,589 --> 00:02:43,360

that it'd be most likely that life would

69

00:02:47,910 --> 00:02:45,599

be a lot more advanced than us

70

00:02:49,350 --> 00:02:47,920

a lot could be millions or even billions

71

00:02:51,589 --> 00:02:49,360

of years

72

00:02:53,670 --> 00:02:51,599

meaning the chances of another life form

73

00:02:55,589 --> 00:02:53,680

being at a very similar level to us in

74

00:02:58,309 --> 00:02:55,599

the same narrow window of a few hundred

75

00:03:00,710 --> 00:02:58,319

years almost seems absurd given the

76
00:03:02,949 --> 00:03:00,720
vastness of time that has passed since

77
00:03:04,710 --> 00:03:02,959
the universe began

78
00:03:06,790 --> 00:03:04,720
comparing technology even with a

79
00:03:08,550 --> 00:03:06,800
difference of only a few hundred years

80
00:03:10,869 --> 00:03:08,560
would be close to the point of being

81
00:03:12,869 --> 00:03:10,879
indistinguishable from magic

82
00:03:16,070 --> 00:03:12,879
so what hope can we realistically have

83
00:03:17,990 --> 00:03:16,080
of understanding its origins or intent

84
00:03:19,910 --> 00:03:18,000
perhaps there could be a level that they

85
00:03:21,430 --> 00:03:19,920
get to where they move beyond the need

86
00:03:24,229 --> 00:03:21,440
for any presence in the material

87
00:03:26,309 --> 00:03:24,239
universe and exist outside of that

88
00:03:28,550 --> 00:03:26,319

the statistical side is interesting to

89

00:03:30,789 --> 00:03:28,560

me as it's quantifiable and the

90

00:03:32,630 --> 00:03:30,799

speculative side also interesting as it

91

00:03:35,350 --> 00:03:32,640

allows one to imagine

92

00:03:37,350 --> 00:03:35,360

what's possible

93

00:03:40,070 --> 00:03:37,360

this is a great question and has many

94

00:03:41,830 --> 00:03:40,080

aspects to it a lot to unravel this

95

00:03:43,430 --> 00:03:41,840

could certainly be an entire podcast

96

00:03:45,030 --> 00:03:43,440

episode on its own

97

00:03:47,350 --> 00:03:45,040

and i have addressed a few of these

98

00:03:50,390 --> 00:03:47,360

notions before but it's good to sort of

99

00:03:51,670 --> 00:03:50,400

capture it in one answer here

100

00:03:53,429 --> 00:03:51,680

first of all

101
00:03:56,229 --> 00:03:53,439
many excellent points made there and

102
00:03:58,309 --> 00:03:56,239
he's right the chances are very low that

103
00:04:00,869 --> 00:03:58,319
if we were being visited by an

104
00:04:02,309 --> 00:04:00,879
intelligence that's not human supposedly

105
00:04:03,589 --> 00:04:02,319
from somewhere else in our physical

106
00:04:06,070 --> 00:04:03,599
universe

107
00:04:08,710 --> 00:04:06,080
the chances that the technology would

108
00:04:11,350 --> 00:04:08,720
just look sophisticated to us seems

109
00:04:12,630 --> 00:04:11,360
unlikely because that would imply as he

110
00:04:15,190 --> 00:04:12,640
suggests here

111
00:04:16,550 --> 00:04:15,200
that they are only you know decades or a

112
00:04:20,710 --> 00:04:16,560
few hundred years

113
00:04:22,710 --> 00:04:20,720

he rightly points out

114

00:04:24,550 --> 00:04:22,720

the technology would likely be at a

115

00:04:27,110 --> 00:04:24,560

point where we wouldn't even recognize

116

00:04:28,629 --> 00:04:27,120

it as technology it would simply look

117

00:04:30,230 --> 00:04:28,639

like magic

118

00:04:32,710 --> 00:04:30,240

all you have to do is think back to how

119

00:04:34,469 --> 00:04:32,720

much our technology has changed over the

120

00:04:36,550 --> 00:04:34,479

last century

121

00:04:38,950 --> 00:04:36,560

and you realize these things happen very

122

00:04:41,990 --> 00:04:38,960

very quickly we went from a horse and

123

00:04:45,110 --> 00:04:42,000

buggy to rocket ships leaving our solar

124

00:04:46,790 --> 00:04:45,120

system within about a hundred years so

125

00:04:49,510 --> 00:04:46,800

imagine what would happen after a few

126
00:04:51,110 --> 00:04:49,520
hundred years thousands of years

127
00:04:53,110 --> 00:04:51,120
millions of years

128
00:04:55,189 --> 00:04:53,120
and as he points at here

129
00:04:57,270 --> 00:04:55,199
because of the age of the universe some

130
00:04:59,830 --> 00:04:57,280
of these civilizations could even be

131
00:05:02,469 --> 00:04:59,840
billions of years beyond us

132
00:05:04,629 --> 00:05:02,479
and to be quite frank at that point we

133
00:05:07,029 --> 00:05:04,639
can't even imagine we can't even begin

134
00:05:09,909 --> 00:05:07,039
to conceive what that would look like in

135
00:05:12,390 --> 00:05:09,919
terms of technology it's just so beyond

136
00:05:14,870 --> 00:05:12,400
the pale that we can't even go there

137
00:05:16,629 --> 00:05:14,880
but again the chances are very low that

138
00:05:18,310 --> 00:05:16,639

it would just look like sophisticated

139

00:05:20,150 --> 00:05:18,320

craft to us

140

00:05:22,870 --> 00:05:20,160

which again raises some interesting

141

00:05:25,909 --> 00:05:22,880

implications is it possible that they

142

00:05:28,230 --> 00:05:25,919

are dumbing down their manifestations so

143

00:05:30,629 --> 00:05:28,240

as to look a certain way to us to play

144

00:05:32,150 --> 00:05:30,639

into our cultural expectations

145

00:05:33,909 --> 00:05:32,160

that's possible

146

00:05:35,590 --> 00:05:33,919

is it also possible that some of these

147

00:05:37,990 --> 00:05:35,600

craft that are being spotted are

148

00:05:40,629 --> 00:05:38,000

actually physical in nature but they

149

00:05:42,150 --> 00:05:40,639

arise from some sort of intelligence

150

00:05:45,350 --> 00:05:42,160

that exists on the earth and some sort

151

00:05:47,830 --> 00:05:45,360

of shadow biome a kind of other humanoid

152

00:05:50,469 --> 00:05:47,840

species that's existed here perhaps in

153

00:05:52,310 --> 00:05:50,479

the oceans or whatnot whose

154

00:05:54,469 --> 00:05:52,320

history the length of their history the

155

00:05:56,550 --> 00:05:54,479

length of their civilization might be

156

00:05:58,790 --> 00:05:56,560

closer to ours because of that because

157

00:06:00,150 --> 00:05:58,800

they are also an earthly intelligence

158

00:06:01,830 --> 00:06:00,160

ultimately

159

00:06:03,510 --> 00:06:01,840

interesting implications to think about

160

00:06:05,430 --> 00:06:03,520

here

161

00:06:07,670 --> 00:06:05,440

now in terms of the original question

162

00:06:08,790 --> 00:06:07,680

around the chances that life is formed

163

00:06:10,710 --> 00:06:08,800

in the

164

00:06:12,629 --> 00:06:10,720

expanse of the cosmos

165

00:06:14,629 --> 00:06:12,639

at this point most scientists believe

166

00:06:17,110 --> 00:06:14,639

this is pretty much a slam dunk the

167

00:06:18,870 --> 00:06:17,120

numbers are just so astronomical pun

168

00:06:21,510 --> 00:06:18,880

intended that

169

00:06:23,270 --> 00:06:21,520

assuming that the chemical interactions

170

00:06:25,189 --> 00:06:23,280

across the universe are the same

171

00:06:27,029 --> 00:06:25,199

assuming that evolution would roll out

172

00:06:28,950 --> 00:06:27,039

under the same conditions generally

173

00:06:30,950 --> 00:06:28,960

although it would adapt differently

174

00:06:32,469 --> 00:06:30,960

depending on the specific environmental

175

00:06:35,670 --> 00:06:32,479

conditions of the planets in which it

176

00:06:37,990 --> 00:06:35,680

arose etc you would expect life to be

177

00:06:40,870 --> 00:06:38,000

prevalent throughout the cosmos in

178

00:06:42,629 --> 00:06:40,880

millions of planets easily and this of

179

00:06:45,749 --> 00:06:42,639

course leads to the so-called fermi

180

00:06:47,510 --> 00:06:45,759

paradox which says if life should be

181

00:06:49,510 --> 00:06:47,520

there why haven't we found it why

182

00:06:51,189 --> 00:06:49,520

haven't we seen any sign of it why have

183

00:06:53,189 --> 00:06:51,199

we not picked up any evidence that these

184

00:06:54,950 --> 00:06:53,199

civilizations exist

185

00:06:56,469 --> 00:06:54,960

now part of the problem there is that

186

00:06:58,550 --> 00:06:56,479

there are some assumptions made with the

187

00:07:00,629 --> 00:06:58,560

fermi paradox or behind the fermi

188

00:07:03,589 --> 00:07:00,639

paradox that have since been questioned

189

00:07:06,710 --> 00:07:03,599

by some groups for instance for a long

190

00:07:09,350 --> 00:07:06,720

time with our civilization as we grew in

191

00:07:12,309 --> 00:07:09,360

our sophistication and our technology

192

00:07:13,670 --> 00:07:12,319

our footprint became larger and larger

193

00:07:16,309 --> 00:07:13,680

it would have become more and more

194

00:07:19,189 --> 00:07:16,319

obvious to other planetary civilizations

195

00:07:21,510 --> 00:07:19,199

or other civilizations even existing in

196

00:07:23,430 --> 00:07:21,520

spacecraft perhaps permanently that we

197

00:07:27,029 --> 00:07:23,440

existed because we were putting out so

198

00:07:28,950 --> 00:07:27,039

much energy into the cosmos it became

199

00:07:30,710 --> 00:07:28,960

apparent that we were there

200

00:07:31,749 --> 00:07:30,720

but of course that also is tied to a

201
00:07:34,469 --> 00:07:31,759
certain

202
00:07:36,790 --> 00:07:34,479
level of development and as time goes on

203
00:07:40,230 --> 00:07:36,800
eventually that begins to change and as

204
00:07:43,270 --> 00:07:40,240
sophistication moves into its next epoch

205
00:07:45,430 --> 00:07:43,280
then actually the footprint can decrease

206
00:07:47,350 --> 00:07:45,440
and in fact there is some people who

207
00:07:50,390 --> 00:07:47,360
have even suggested that what we might

208
00:07:51,909 --> 00:07:50,400
have here is an example of so-called

209
00:07:55,749 --> 00:07:51,919
transcension

210
00:07:56,869 --> 00:07:55,759
actually addressed in one podcast

211
00:07:59,029 --> 00:07:56,879
episode

212
00:08:00,710 --> 00:07:59,039
suggests that at some point

213
00:08:02,790 --> 00:08:00,720

civilizations advance to the point where

214

00:08:05,110 --> 00:08:02,800

they can actually reduce their footprint

215

00:08:07,430 --> 00:08:05,120

they move into a micro environment

216

00:08:09,510 --> 00:08:07,440

because remember space and size is

217

00:08:12,469 --> 00:08:09,520

relative if you can make yourself

218

00:08:14,790 --> 00:08:12,479

microscopic if you can shrink down your

219

00:08:16,790 --> 00:08:14,800

entire footprint you reduce the amount

220

00:08:18,950 --> 00:08:16,800

of energy you have to produce to sustain

221

00:08:21,430 --> 00:08:18,960

yourselves and you could exist in a

222

00:08:23,510 --> 00:08:21,440

space that is so tiny that it becomes

223

00:08:25,350 --> 00:08:23,520

largely undetectable for any

224

00:08:28,550 --> 00:08:25,360

civilization that's still living in the

225

00:08:30,869 --> 00:08:28,560

previous kind of iteration

226

00:08:33,509 --> 00:08:30,879

another possibility and this is actually

227

00:08:35,829 --> 00:08:33,519

evidenced in the experienter literature

228

00:08:37,909 --> 00:08:35,839

that some civilizations may progress to

229

00:08:41,029 --> 00:08:37,919

the point where they transcend the need

230

00:08:42,709 --> 00:08:41,039

for physical presence altogether

231

00:08:44,870 --> 00:08:42,719

that some of these light beings that

232

00:08:46,870 --> 00:08:44,880

have been encountered while some of them

233

00:08:48,630 --> 00:08:46,880

suggest they've always been that way

234

00:08:51,509 --> 00:08:48,640

others said at one point they had

235

00:08:53,910 --> 00:08:51,519

physical bodies and physical iterations

236

00:08:56,310 --> 00:08:53,920

but eventually they learned to transcend

237

00:08:57,829 --> 00:08:56,320

the physical realm altogether and of

238

00:08:59,990 --> 00:08:57,839

course if that happens then this would

239

00:09:02,630 --> 00:09:00,000

not be detectable for people looking

240

00:09:04,870 --> 00:09:02,640

with telescopes and sensor systems and

241

00:09:06,949 --> 00:09:04,880

whatnot on the physical plane

242

00:09:09,110 --> 00:09:06,959

so that gives you some ideas in terms of

243

00:09:10,949 --> 00:09:09,120

where they might be assuming again that

244

00:09:13,430 --> 00:09:10,959

life should be out there

245

00:09:15,269 --> 00:09:13,440

but again that initial question around

246

00:09:18,230 --> 00:09:15,279

what are the chances that they would

247

00:09:20,150 --> 00:09:18,240

have technology so similar to ours if

248

00:09:22,389 --> 00:09:20,160

they really are coming from extra

249

00:09:24,870 --> 00:09:22,399

planetary civilizations extra solar

250

00:09:26,790 --> 00:09:24,880

civilizations potentially even extra

251

00:09:29,030 --> 00:09:26,800

galactic civilizations

252

00:09:31,509 --> 00:09:29,040

yes indeed the chances are very low and

253

00:09:33,509 --> 00:09:31,519

i think we should be suspicious of that

254

00:09:35,910 --> 00:09:33,519

in fact people like jacques vallet have

255

00:09:38,550 --> 00:09:35,920

made that very point suggesting perhaps

256

00:09:41,190 --> 00:09:38,560

therefore the et hypothesis is too

257

00:09:43,829 --> 00:09:41,200

simplistic that something more complex

258

00:09:45,269 --> 00:09:43,839

and in his words interesting is what's

259

00:09:47,350 --> 00:09:45,279

going on

260

00:09:49,670 --> 00:09:47,360

all right time for our next question

261

00:09:51,910 --> 00:09:49,680

which is worded as follows

262

00:09:54,710 --> 00:09:51,920

hi exo thank you for your research and

263

00:09:57,509 --> 00:09:54,720

conversations in regards to this topic

264

00:09:59,590 --> 00:09:57,519

i had an experience in 2010 in new

265

00:10:01,910 --> 00:09:59,600

zealand which i now understand to have

266

00:10:04,630 --> 00:10:01,920

been a ce5 event

267

00:10:07,350 --> 00:10:04,640

in a nutshell i asked in my mind for

268

00:10:10,069 --> 00:10:07,360

proof of ufo existence and then pointed

269

00:10:11,750 --> 00:10:10,079

my camera in the sky

270

00:10:13,990 --> 00:10:11,760

in the very first shot i captured a

271

00:10:16,310 --> 00:10:14,000

photo of a structured craft with a

272

00:10:17,509 --> 00:10:16,320

pattern of lights and other anomalous

273

00:10:19,990 --> 00:10:17,519

details

274

00:10:22,389 --> 00:10:20,000

it was not there in the sky before or

275

00:10:25,350 --> 00:10:22,399

after i clicked the button but seems to

276
00:10:27,670 --> 00:10:25,360
have materialized just for this moment

277
00:10:30,150 --> 00:10:27,680
i did not see or hear anything at the

278
00:10:32,550 --> 00:10:30,160
actual moment of taking the photo

279
00:10:34,550 --> 00:10:32,560
my mind blew several times as i

280
00:10:36,710 --> 00:10:34,560
processed what had happened

281
00:10:39,670 --> 00:10:36,720
not only did i get personal verification

282
00:10:41,990 --> 00:10:39,680
of ufo slash uap reality

283
00:10:43,910 --> 00:10:42,000
i also had to wrap my head around the

284
00:10:45,750 --> 00:10:43,920
fact that they had demonstrated

285
00:10:48,630 --> 00:10:45,760
capabilities of some sort of time

286
00:10:51,110 --> 00:10:48,640
manipulation and mind reading

287
00:10:52,790 --> 00:10:51,120
even after 12 years i am often still

288
00:10:54,949 --> 00:10:52,800

shaken when i think about this and

289

00:10:57,509 --> 00:10:54,959

freely admit that it consumes a great

290

00:10:59,509 --> 00:10:57,519

part of my life slash time

291

00:11:01,430 --> 00:10:59,519

which leads to my question

292

00:11:02,470 --> 00:11:01,440

how does one move on from an experience

293

00:11:05,430 --> 00:11:02,480

like this

294

00:11:09,269 --> 00:11:05,440

the inevitable questions of who what how

295

00:11:11,430 --> 00:11:09,279

why seem unanswerable yet burn fiercely

296

00:11:13,190 --> 00:11:11,440

there is every extreme of theory slash

297

00:11:15,110 --> 00:11:13,200

explanation available

298

00:11:18,069 --> 00:11:15,120

what are experiencers supposed to do

299

00:11:20,389 --> 00:11:18,079

with their proof of god only knows what

300

00:11:21,910 --> 00:11:20,399

again i thank you any thoughts would be

301
00:11:23,990 --> 00:11:21,920
appreciated

302
00:11:25,990 --> 00:11:24,000
again another excellent question and a

303
00:11:26,870 --> 00:11:26,000
fascinating encounter that is reported

304
00:11:28,790 --> 00:11:26,880
here

305
00:11:31,509 --> 00:11:28,800
and i want us to pay close attention to

306
00:11:34,230 --> 00:11:31,519
what he said here quote i asked in my

307
00:11:37,110 --> 00:11:34,240
mind for proof of ufo existence and then

308
00:11:38,870 --> 00:11:37,120
pointed my camera in the sky in the very

309
00:11:40,550 --> 00:11:38,880
first shot i captured a photo of a

310
00:11:43,430 --> 00:11:40,560
structured craft with a pattern of

311
00:11:45,910 --> 00:11:43,440
lights and other anomalous details it

312
00:11:47,990 --> 00:11:45,920
was not there in the sky before or after

313
00:11:50,550 --> 00:11:48,000

i clicked the button but seems to have

314

00:11:52,550 --> 00:11:50,560

materialized just for this moment

315

00:11:54,829 --> 00:11:52,560

i did not see or hear anything at the

316

00:11:56,470 --> 00:11:54,839

actual moment of taking the photo

317

00:11:59,190 --> 00:11:56,480

unquote

318

00:12:01,190 --> 00:11:59,200

now this is really fascinating now of

319

00:12:03,750 --> 00:12:01,200

late i've been talking a lot about the

320

00:12:05,829 --> 00:12:03,760

nature of reality and how data arising

321

00:12:08,310 --> 00:12:05,839

from the ufo phenomenon and

322

00:12:09,990 --> 00:12:08,320

paranormality in general is suggesting

323

00:12:12,949 --> 00:12:10,000

that our current mainstream working

324

00:12:15,829 --> 00:12:12,959

model of reality is not only incomplete

325

00:12:18,150 --> 00:12:15,839

but also woefully misguided

326

00:12:21,269 --> 00:12:18,160

i think the details of cases like this

327

00:12:23,110 --> 00:12:21,279

demonstrate this point to the nth degree

328

00:12:25,590 --> 00:12:23,120

it's one thing for someone to send an

329

00:12:28,230 --> 00:12:25,600

intent to commune with ufo intelligence

330

00:12:30,550 --> 00:12:28,240

at some appointed time in the future

331

00:12:31,310 --> 00:12:30,560

it's another thing entirely for this to

332

00:12:32,870 --> 00:12:31,320

happen

333

00:12:35,190 --> 00:12:32,880

instantaneously

334

00:12:37,590 --> 00:12:35,200

this suggests our intention impacts

335

00:12:39,670 --> 00:12:37,600

reality i believe this is because

336

00:12:42,550 --> 00:12:39,680

ultimately the physical stuff that we

337

00:12:44,790 --> 00:12:42,560

think of as reality is really what's

338

00:12:46,150 --> 00:12:44,800

manifesting in a kind of shared dream

339

00:12:48,389 --> 00:12:46,160

space

340

00:12:51,350 --> 00:12:48,399

and again i think cases like this are a

341

00:12:53,750 --> 00:12:51,360

perfect example of why this is the case

342

00:12:55,829 --> 00:12:53,760

again if he was communicating with some

343

00:12:57,910 --> 00:12:55,839

sort of spacecraft out in space and

344

00:12:59,269 --> 00:12:57,920

saying hey at a certain time at 9 00 pm

345

00:13:00,870 --> 00:12:59,279

will you meet me at this place and

346

00:13:03,110 --> 00:13:00,880

manifest in the sky

347

00:13:04,790 --> 00:13:03,120

that's one thing that could be something

348

00:13:07,509 --> 00:13:04,800

we would expect within our current space

349

00:13:09,269 --> 00:13:07,519

space-time construct understanding of

350

00:13:11,150 --> 00:13:09,279

mainstream reality

351

00:13:13,590 --> 00:13:11,160

but in this case he asked

352

00:13:16,310 --> 00:13:13,600

instantaneously for something pointed

353

00:13:18,470 --> 00:13:16,320

his camera and managed to capture a

354

00:13:20,550 --> 00:13:18,480

photo so it's not even that it just was

355

00:13:22,230 --> 00:13:20,560

projected into his consciousness as

356

00:13:24,829 --> 00:13:22,240

again some people have suggested might

357

00:13:26,710 --> 00:13:24,839

be happening here no in this case

358

00:13:29,509 --> 00:13:26,720

instantaneously he sends out an

359

00:13:32,069 --> 00:13:29,519

intention and then is able to capture in

360

00:13:33,430 --> 00:13:32,079

our supposed physical reality an actual

361

00:13:35,590 --> 00:13:33,440

photograph

362

00:13:37,590 --> 00:13:35,600

again i think what this points to is

363

00:13:40,310 --> 00:13:37,600

that what we think of as the physical

364

00:13:42,710 --> 00:13:40,320

world is ultimately not really that

365

00:13:45,269 --> 00:13:42,720

that's the appearance to us that's how

366

00:13:48,550 --> 00:13:45,279

we experience it but ultimately it's a

367

00:13:50,870 --> 00:13:48,560

mindscape a dream space that we share

368

00:13:53,110 --> 00:13:50,880

and that some of these others can

369

00:13:55,430 --> 00:13:53,120

interact with that dreamscape with that

370

00:13:59,030 --> 00:13:55,440

mind space can interact with our

371

00:14:01,750 --> 00:13:59,040

mentation process directly but the key

372

00:14:03,670 --> 00:14:01,760

is that reality follows the mentation

373

00:14:06,310 --> 00:14:03,680

not the other way around

374

00:14:08,150 --> 00:14:06,320

so again notions like time and space

375

00:14:10,230 --> 00:14:08,160

that's how things appear to us that's

376

00:14:12,150 --> 00:14:10,240

how we experience them but that's not

377

00:14:13,990 --> 00:14:12,160

their ultimate nature i think the

378

00:14:17,189 --> 00:14:14,000

ultimate nature is more like a kind of

379

00:14:19,110 --> 00:14:17,199

shared dreamscape as i've said again you

380

00:14:21,590 --> 00:14:19,120

can think about a dream when you're in a

381

00:14:23,670 --> 00:14:21,600

dream it feels real it feels like it's

382

00:14:26,629 --> 00:14:23,680

happening on a certain progression of

383

00:14:29,269 --> 00:14:26,639

time the time scale has a consistency to

384

00:14:32,069 --> 00:14:29,279

it space feels real there and yet we

385

00:14:34,389 --> 00:14:32,079

know none of that is actually physical

386

00:14:37,110 --> 00:14:34,399

in and of itself it's actually a

387

00:14:39,269 --> 00:14:37,120

projection of mind stuff ultimately

388

00:14:41,110 --> 00:14:39,279

that's what happens when we dream and

389

00:14:43,990 --> 00:14:41,120

what i'm suggesting here is that our

390

00:14:45,829 --> 00:14:44,000

everyday waking world is the same we

391

00:14:47,990 --> 00:14:45,839

just don't realize it

392

00:14:50,310 --> 00:14:48,000

and i think cases like this one point

393

00:14:52,310 --> 00:14:50,320

squarely in this direction

394

00:14:53,829 --> 00:14:52,320

now in terms of how one moves on from an

395

00:14:56,069 --> 00:14:53,839

experience like this

396

00:14:58,310 --> 00:14:56,079

i feel for you here this is a conundrum

397

00:15:00,710 --> 00:14:58,320

that most experiences go through many do

398

00:15:03,110 --> 00:15:00,720

anyway it's the ontological shock we've

399

00:15:05,670 --> 00:15:03,120

talked about many times because the

400

00:15:07,110 --> 00:15:05,680

implications are very often paradigm

401
00:15:09,030 --> 00:15:07,120
shattering

402
00:15:11,430 --> 00:15:09,040
but i'm concurring with that here i'm

403
00:15:13,430 --> 00:15:11,440
saying a new paradigm is in order that's

404
00:15:16,310 --> 00:15:13,440
what this data is suggesting

405
00:15:18,470 --> 00:15:16,320
i don't see any other way around it

406
00:15:20,470 --> 00:15:18,480
in my case this has been easier because

407
00:15:23,189 --> 00:15:20,480
i see this being supported by diverse

408
00:15:25,590 --> 00:15:23,199
but convergent lines of evidence arising

409
00:15:27,829 --> 00:15:25,600
in quantum mechanics which showed 100

410
00:15:29,350 --> 00:15:27,839
years ago that consciousness impacts

411
00:15:31,189 --> 00:15:29,360
reality directly

412
00:15:32,629 --> 00:15:31,199
and fields like the neuroscience of

413
00:15:35,110 --> 00:15:32,639

consciousness

414

00:15:37,509 --> 00:15:35,120

lines of evidence in parapsychology have

415

00:15:40,150 --> 00:15:37,519

been pointing in this direction for over

416

00:15:42,870 --> 00:15:40,160

100 years so it's not like i'm

417

00:15:45,110 --> 00:15:42,880

postulating this hypothesis about

418

00:15:47,670 --> 00:15:45,120

reality being ultimately mental mind

419

00:15:50,870 --> 00:15:47,680

stuff to make sense just of the ufo

420

00:15:53,749 --> 00:15:50,880

phenomenon data no i'm saying diverse

421

00:15:55,509 --> 00:15:53,759

but convergent fields are all pointing

422

00:15:56,870 --> 00:15:55,519

in this direction that's what makes the

423

00:15:59,829 --> 00:15:56,880

hypothesis

424

00:16:01,829 --> 00:15:59,839

so explanatory powerful

425

00:16:04,550 --> 00:16:01,839

all right on to question number three

426

00:16:06,870 --> 00:16:04,560

which is worded as follows

427

00:16:08,790 --> 00:16:06,880

as we move forward how much of an aha

428

00:16:11,189 --> 00:16:08,800

moment do you think the collective minds

429

00:16:14,069 --> 00:16:11,199

will have in understanding we have built

430

00:16:16,069 --> 00:16:14,079

our reality based on outdated parental

431

00:16:17,910 --> 00:16:16,079

cultural information

432

00:16:19,829 --> 00:16:17,920

that while it is comforting to have a

433

00:16:21,430 --> 00:16:19,839

sense of history and respect for what

434

00:16:23,350 --> 00:16:21,440

has come before us

435

00:16:26,069 --> 00:16:23,360

the future is being able to see what we

436

00:16:27,749 --> 00:16:26,079

haven't seen before literally

437

00:16:30,069 --> 00:16:27,759

the current metaphor the universe is

438

00:16:31,829 --> 00:16:30,079

showing us is how people can be fed the

439

00:16:35,670 --> 00:16:31,839

projected reality from a very

440

00:16:37,590 --> 00:16:35,680

controlling mind sociopath psychopath

441

00:16:40,310 --> 00:16:37,600

and they base their reality on what they

442

00:16:42,389 --> 00:16:40,320

are told afraid to question it

443

00:16:44,470 --> 00:16:42,399

from russia to north korea to

444

00:16:46,550 --> 00:16:44,480

authoritarian religions

445

00:16:48,949 --> 00:16:46,560

we as a global society are just now

446

00:16:50,710 --> 00:16:48,959

learning to identify those in our groups

447

00:16:53,509 --> 00:16:50,720

who are manipulating the reality of

448

00:16:56,389 --> 00:16:53,519

others to protect their fragile egos and

449

00:16:58,870 --> 00:16:56,399

their desire for power over others

450

00:17:01,509 --> 00:16:58,880

as a contact tea this is the purpose for

451
00:17:03,990 --> 00:17:01,519
being here lessons assigned and lessons

452
00:17:06,390 --> 00:17:04,000
learned we are able to see things as

453
00:17:09,189 --> 00:17:06,400
they are rather than how we've been told

454
00:17:11,270 --> 00:17:09,199
they are and understand the difference

455
00:17:13,990 --> 00:17:11,280
in the end the data point you allow in

456
00:17:16,230 --> 00:17:14,000
your mind becomes your reality be it

457
00:17:17,829 --> 00:17:16,240
false or true

458
00:17:19,829 --> 00:17:17,839
yet another insightful and

459
00:17:21,669 --> 00:17:19,839
thought-provoking question

460
00:17:23,110 --> 00:17:21,679
and this again speaks to what i was just

461
00:17:26,150 --> 00:17:23,120
referring to

462
00:17:28,470 --> 00:17:26,160
now some will question this arguing if

463
00:17:30,950 --> 00:17:28,480

reality is really what we make it why

464

00:17:34,150 --> 00:17:30,960

can't we fly on a whim or walk through

465

00:17:36,310 --> 00:17:34,160

walls like jesus or aliens can

466

00:17:38,710 --> 00:17:36,320

well first off we live within

467

00:17:41,430 --> 00:17:38,720

overlapping shared mindscape slash

468

00:17:43,669 --> 00:17:41,440

dreamscapes and when it is a shared

469

00:17:46,630 --> 00:17:43,679

inherited mindscape it is being

470

00:17:49,029 --> 00:17:46,640

strengthened and maintained by a very

471

00:17:51,110 --> 00:17:49,039

ingrained feedback loop

472

00:17:54,070 --> 00:17:51,120

it has a kind of inertia that makes

473

00:17:55,750 --> 00:17:54,080

fighting against its reality construct

474

00:17:58,390 --> 00:17:55,760

very difficult

475

00:18:01,110 --> 00:17:58,400

however it can happen clearly we have

476
00:18:03,270 --> 00:18:01,120
examples of this as i already pointed to

477
00:18:05,350 --> 00:18:03,280
jesus and aliens

478
00:18:07,750 --> 00:18:05,360
interestingly the implication here is

479
00:18:08,950 --> 00:18:07,760
that as more people learn to see reality

480
00:18:11,510 --> 00:18:08,960
this way

481
00:18:13,750 --> 00:18:11,520
the less this strengthens the energy

482
00:18:16,230 --> 00:18:13,760
feeding the feedback loop

483
00:18:18,789 --> 00:18:16,240
and what does this eventually lead to

484
00:18:21,270 --> 00:18:18,799
a dissolution of the boundaries of the

485
00:18:23,909 --> 00:18:21,280
construct in other words reality

486
00:18:26,870 --> 00:18:23,919
maintains its supposed objective

487
00:18:29,270 --> 00:18:26,880
strength its solidity only as long as we

488
00:18:32,710 --> 00:18:29,280

believe in it when enough people begin

489

00:18:35,669 --> 00:18:32,720

to question it then that inertia lessens

490

00:18:36,870 --> 00:18:35,679

and the construct itself begins to

491

00:18:43,270 --> 00:18:36,880

dissolve

492

00:18:44,870 --> 00:18:43,280

would say that happens over time

493

00:18:47,590 --> 00:18:44,880

something else i'd like to say in

494

00:18:50,710 --> 00:18:47,600

regards to this comes down to a podcast

495

00:18:52,310 --> 00:18:50,720

episode i did on spiral dynamics and in

496

00:18:54,390 --> 00:18:52,320

that episode i talked about how

497

00:18:57,110 --> 00:18:54,400

different world views different

498

00:18:59,909 --> 00:18:57,120

consciousness levels come online over

499

00:19:02,390 --> 00:18:59,919

time and the way that people see reality

500

00:19:03,909 --> 00:19:02,400

changes and i would suggest also along

501
00:19:06,230 --> 00:19:03,919
with what i'm saying here

502
00:19:09,029 --> 00:19:06,240
that reality itself changes that the

503
00:19:11,430 --> 00:19:09,039
construct is to some degree a mirror

504
00:19:13,029 --> 00:19:11,440
image of the conception

505
00:19:16,070 --> 00:19:13,039
so again as i pointed out in that

506
00:19:18,230 --> 00:19:16,080
podcast episode what is self-evident

507
00:19:20,950 --> 00:19:18,240
truth will vary depending on your

508
00:19:22,870 --> 00:19:20,960
worldview the very way you see the world

509
00:19:24,870 --> 00:19:22,880
and also the way actually the world

510
00:19:27,270 --> 00:19:24,880
reflects itself back to you the way

511
00:19:28,150 --> 00:19:27,280
reality is actually constructed around

512
00:19:30,150 --> 00:19:28,160
you

513
00:19:33,110 --> 00:19:30,160

and along with that we sometimes see

514

00:19:35,110 --> 00:19:33,120

something called the pre-trans fallacy

515

00:19:37,909 --> 00:19:35,120

what this means is that if you've

516

00:19:39,590 --> 00:19:37,919

transcended to a new level to someone at

517

00:19:41,430 --> 00:19:39,600

a lower level it actually might look

518

00:19:43,990 --> 00:19:41,440

like you've regressed to a previous

519

00:19:45,990 --> 00:19:44,000

level and that's because they can't see

520

00:19:48,230 --> 00:19:46,000

beyond the ceiling of their own

521

00:19:50,310 --> 00:19:48,240

consciousness level so if you've

522

00:19:52,070 --> 00:19:50,320

transcended that that literally doesn't

523

00:19:53,430 --> 00:19:52,080

exist for them it's not part of their

524

00:19:55,350 --> 00:19:53,440

mental map

525

00:19:57,830 --> 00:19:55,360

that's what this person was talking

526

00:20:00,310 --> 00:19:57,840

about here when this is new literally

527

00:20:02,310 --> 00:20:00,320

new and for someone who's not there it

528

00:20:05,350 --> 00:20:02,320

won't even exist yet and so they'll

529

00:20:07,510 --> 00:20:05,360

often misidentify it as a previous level

530

00:20:09,270 --> 00:20:07,520

a previous construct so they'll think

531

00:20:11,110 --> 00:20:09,280

someone's being magical in their

532

00:20:13,110 --> 00:20:11,120

thinking as if they're regressing to

533

00:20:15,830 --> 00:20:13,120

kind of a stone age kind of thinking

534

00:20:18,950 --> 00:20:15,840

when actually it's a transcension and an

535

00:20:22,070 --> 00:20:18,960

inclusion embodied in a higher level of

536

00:20:26,310 --> 00:20:23,909

all right time for our next question

537

00:20:28,230 --> 00:20:26,320

which is worded as follows

538

00:20:30,149 --> 00:20:28,240

does the literature indicate a strong

539

00:20:33,110 --> 00:20:30,159

relationship between an experimenter's

540

00:20:36,149 --> 00:20:33,120

nature positive slash negative or state

541

00:20:38,710 --> 00:20:36,159

of mind peace versus turmoil and the

542

00:20:40,789 --> 00:20:38,720

nature of their experience if so what

543

00:20:43,750 --> 00:20:40,799

are the implications of this information

544

00:20:45,590 --> 00:20:43,760

for our understanding of the phenomenon

545

00:20:48,070 --> 00:20:45,600

another great question

546

00:20:50,390 --> 00:20:48,080

yes there is a correlation there i've

547

00:20:52,950 --> 00:20:50,400

talked about this on numerous occasions

548

00:20:55,270 --> 00:20:52,960

what we prime and experience with often

549

00:20:57,190 --> 00:20:55,280

does produce demonstrably different

550

00:20:58,470 --> 00:20:57,200

kinds of experiences with the ufo

551
00:21:00,470 --> 00:20:58,480
phenomenon

552
00:21:03,590 --> 00:21:00,480
but very importantly this is not only

553
00:21:05,750 --> 00:21:03,600
true of the ufo phenomenon this is also

554
00:21:08,310 --> 00:21:05,760
true of out-of-body experiences and to

555
00:21:10,630 --> 00:21:08,320
some extent near-death experiences

556
00:21:12,310 --> 00:21:10,640
and is certainly true of drug induced

557
00:21:14,149 --> 00:21:12,320
experiences as well

558
00:21:16,950 --> 00:21:14,159
like when people are under the influence

559
00:21:20,310 --> 00:21:16,960
of psilocybin or dmt

560
00:21:23,350 --> 00:21:20,320
all of these are subtle reality states

561
00:21:26,390 --> 00:21:23,360
and as such are impacted changed and to

562
00:21:28,870 --> 00:21:26,400
some degree written by way of the nature

563
00:21:30,710 --> 00:21:28,880

of the energy we bring to them that we

564

00:21:33,590 --> 00:21:30,720

invest into them

565

00:21:36,149 --> 00:21:33,600

again this revelation points squarely at

566

00:21:38,549 --> 00:21:36,159

reality it's not that these experiences

567

00:21:40,870 --> 00:21:38,559

are less real they are simply more

568

00:21:42,950 --> 00:21:40,880

malleable because they are not subject

569

00:21:45,350 --> 00:21:42,960

to the inertia of the consensus

570

00:21:47,350 --> 00:21:45,360

consciousness feedback loop

571

00:21:49,830 --> 00:21:47,360

again what i'm saying here is that it's

572

00:21:52,950 --> 00:21:49,840

not that our normal waking reality is

573

00:21:55,110 --> 00:21:52,960

immune to this kind of influence by our

574

00:21:57,990 --> 00:21:55,120

energy it's just that it is held

575

00:22:00,710 --> 00:21:58,000

together strengthened sustained by a

576

00:22:03,190 --> 00:22:00,720

collective consciousness that we all

577

00:22:05,430 --> 00:22:03,200

contribute to and therefore any one

578

00:22:07,190 --> 00:22:05,440

person's individual influence is not

579

00:22:09,909 --> 00:22:07,200

going to be as strong

580

00:22:12,070 --> 00:22:09,919

in these subtle reality states this is

581

00:22:14,390 --> 00:22:12,080

the case that the energy we bring really

582

00:22:16,950 --> 00:22:14,400

can prime the experience either for the

583

00:22:19,270 --> 00:22:16,960

negative or for the positive and by the

584

00:22:21,270 --> 00:22:19,280

way this also is true when it comes to

585

00:22:23,590 --> 00:22:21,280

something like lucid dreams for instance

586

00:22:25,510 --> 00:22:23,600

when you prepare to have a lucid dream

587

00:22:27,510 --> 00:22:25,520

you'll be told that it's important to be

588

00:22:29,909 --> 00:22:27,520

aware of your energy to go in with

589

00:22:31,270 --> 00:22:29,919

positivity if you have a lot of negative

590

00:22:33,909 --> 00:22:31,280

energy or

591

00:22:35,830 --> 00:22:33,919

doubt or fear it's often suggested that

592

00:22:37,830 --> 00:22:35,840

you try and work through that first

593

00:22:40,390 --> 00:22:37,840

transmute that into a different kind of

594

00:22:42,710 --> 00:22:40,400

energy more positive or at least neutral

595

00:22:45,190 --> 00:22:42,720

before going into a subtle reality state

596

00:22:47,909 --> 00:22:45,200

like a lucid dream because again the

597

00:22:50,230 --> 00:22:47,919

energy you bring ends up being written

598

00:22:51,350 --> 00:22:50,240

into the plot so to speak of what you

599

00:22:53,750 --> 00:22:51,360

experience

600

00:22:56,710 --> 00:22:53,760

and yes this is true also of the ufo

601
00:22:58,470 --> 00:22:56,720
phenomenon very interesting

602
00:23:00,149 --> 00:22:58,480
and the implications go beyond what

603
00:23:01,990 --> 00:23:00,159
we've mentioned so far

604
00:23:05,270 --> 00:23:02,000
there is very interesting data that's

605
00:23:07,750 --> 00:23:05,280
come out of research into reincarnation

606
00:23:09,909 --> 00:23:07,760
there have been academic studies done in

607
00:23:13,270 --> 00:23:09,919
the united states where they basically

608
00:23:15,350 --> 00:23:13,280
gather information data pertaining to

609
00:23:18,149 --> 00:23:15,360
cases where people have really strong

610
00:23:19,750 --> 00:23:18,159
memories of being reincarnated

611
00:23:21,669 --> 00:23:19,760
and what they find when they are

612
00:23:23,270 --> 00:23:21,679
actually able to track back the previous

613
00:23:26,230 --> 00:23:23,280

lifetime match it up with a new

614

00:23:27,350 --> 00:23:26,240

iteration and see how long the gap was

615

00:23:30,070 --> 00:23:27,360

between

616

00:23:31,669 --> 00:23:30,080

lifetimes what they have found very

617

00:23:33,750 --> 00:23:31,679

interestingly is that there is a

618

00:23:36,710 --> 00:23:33,760

difference depending on where you are in

619

00:23:39,510 --> 00:23:36,720

the world for instance in asian cultures

620

00:23:41,190 --> 00:23:39,520

the length of time in between lives is

621

00:23:43,669 --> 00:23:41,200

different than what you find in north

622

00:23:45,909 --> 00:23:43,679

american cultures now when you think

623

00:23:47,669 --> 00:23:45,919

about this it seems that the data is

624

00:23:50,789 --> 00:23:47,679

suggesting that the cultural

625

00:23:53,990 --> 00:23:50,799

underpinnings themselves seem to play a

626
00:23:57,029 --> 00:23:54,000
role i.e can impact and to some degree

627
00:24:00,310 --> 00:23:57,039
author the nature of the in-between life

628
00:24:02,870 --> 00:24:00,320
states what entities are seen etc as

629
00:24:06,310 --> 00:24:02,880
well as how long the interval is in

630
00:24:07,750 --> 00:24:06,320
between incarnations so again yes the

631
00:24:09,909 --> 00:24:07,760
energy we bring

632
00:24:11,750 --> 00:24:09,919
really does play a role in many

633
00:24:14,149 --> 00:24:11,760
different ways not just in terms of the

634
00:24:15,830 --> 00:24:14,159
ufo phenomenon not just in terms of

635
00:24:17,590 --> 00:24:15,840
out-of-body experiences but also

636
00:24:21,029 --> 00:24:17,600
near-death experiences

637
00:24:23,909 --> 00:24:21,039
lucid dreams even what we experience in

638
00:24:26,870 --> 00:24:23,919

between lives can be impacted by the

639

00:24:29,990 --> 00:24:26,880

energy we bring both as individuals and

640

00:24:32,549 --> 00:24:30,000

as collective cultures that we belong to

641

00:24:34,710 --> 00:24:32,559

again very very interesting

642

00:24:37,029 --> 00:24:34,720

and i hope you're seeing the overarching

643

00:24:39,029 --> 00:24:37,039

theme in this episode in many of these

644

00:24:41,990 --> 00:24:39,039

different questions the way i've

645

00:24:44,230 --> 00:24:42,000

responded is indicating again the

646

00:24:46,549 --> 00:24:44,240

reality is much more malleable than we

647

00:24:49,510 --> 00:24:46,559

have long assumed it to be and that it

648

00:24:51,590 --> 00:24:49,520

is not primarily physical that the

649

00:24:53,830 --> 00:24:51,600

supposed physical nature of reality is

650

00:24:56,549 --> 00:24:53,840

more like the appearance of it think of

651
00:24:58,470 --> 00:24:56,559
the physicality more like stage props in

652
00:25:00,870 --> 00:24:58,480
a staged production

653
00:25:01,830 --> 00:25:00,880
meant to play a role but not ultimately

654
00:25:04,710 --> 00:25:01,840
real

655
00:25:07,350 --> 00:25:04,720
or at least not ultimately foundational

656
00:25:09,990 --> 00:25:07,360
mind or consciousness is what is primary

657
00:25:13,029 --> 00:25:10,000
that is the substrate to the physical

658
00:25:15,269 --> 00:25:13,039
and energetic processes that arise on

659
00:25:17,909 --> 00:25:15,279
the stage so to speak

660
00:25:20,710 --> 00:25:17,919
but underlying it it is a mentation

661
00:25:23,750 --> 00:25:20,720
process a shared mentation process and

662
00:25:26,950 --> 00:25:23,760
we both as individuals and as collective

663
00:25:31,430 --> 00:25:26,960

units can impact it can even write its

664

00:25:33,190 --> 00:25:31,440

very plot at least to some degree

665

00:25:35,430 --> 00:25:33,200

all right time for our next question

666

00:25:36,950 --> 00:25:35,440

which goes as follows

667

00:25:38,950 --> 00:25:36,960

is there a frame of reference or

668

00:25:40,870 --> 00:25:38,960

historical context that could help us

669

00:25:43,110 --> 00:25:40,880

shed some light on the bizarre

670

00:25:45,510 --> 00:25:43,120

phenomenon of wolf-like creatures

671

00:25:47,909 --> 00:25:45,520

appearing to people who have come close

672

00:25:50,390 --> 00:25:47,919

to the phenomenon how might this relate

673

00:25:52,390 --> 00:25:50,400

to the idea of a thin veil between

674

00:25:54,230 --> 00:25:52,400

dimensions

675

00:25:55,750 --> 00:25:54,240

another great question of course it fits

676
00:25:58,630 --> 00:25:55,760
perfectly with what we've been talking

677
00:26:01,110 --> 00:25:58,640
about today the overall theme

678
00:26:03,990 --> 00:26:01,120
now what i would suggest is dimensions

679
00:26:06,310 --> 00:26:04,000
are different fields of mentation

680
00:26:08,789 --> 00:26:06,320
some fed by and sustained by fewer

681
00:26:11,430 --> 00:26:08,799
inputs and some fed and sustained by

682
00:26:14,149 --> 00:26:11,440
greater inputs but what's ultimately

683
00:26:17,190 --> 00:26:14,159
dividing these different aspects of

684
00:26:19,750 --> 00:26:17,200
reality these different dimensions are

685
00:26:20,789 --> 00:26:19,760
mental processes that this is all about

686
00:26:23,269 --> 00:26:20,799
mind

687
00:26:25,430 --> 00:26:23,279
now the wall slash barriers slash

688
00:26:28,070 --> 00:26:25,440

boundaries between these fields of

689

00:26:29,430 --> 00:26:28,080

mentation or dimensions if you like

690

00:26:31,750 --> 00:26:29,440

are porous

691

00:26:35,350 --> 00:26:31,760

and some intelligences evidently know

692

00:26:37,350 --> 00:26:35,360

how to traverse these divides with ease

693

00:26:39,590 --> 00:26:37,360

now interestingly what seems to happen

694

00:26:42,070 --> 00:26:39,600

is that sometimes when one kind of

695

00:26:44,310 --> 00:26:42,080

intelligence passes through that porous

696

00:26:46,789 --> 00:26:44,320

barrier it seems to

697

00:26:50,230 --> 00:26:46,799

put a foot in the door so to speak which

698

00:26:53,110 --> 00:26:50,240

allows a variety of intelligences

699

00:26:55,190 --> 00:26:53,120

entities different fields of mentation

700

00:26:58,070 --> 00:26:55,200

or intelligences belonging to those

701
00:27:00,549 --> 00:26:58,080
dimensions to come in as well so that's

702
00:27:02,390 --> 00:27:00,559
why you sometimes find ufos and then

703
00:27:05,350 --> 00:27:02,400
suddenly you find sasquatch-like

704
00:27:08,149 --> 00:27:05,360
creatures or dinosaur-like creatures or

705
00:27:10,149 --> 00:27:08,159
seven-foot tall wolf-like creatures that

706
00:27:12,310 --> 00:27:10,159
stand on two legs often and have

707
00:27:14,789 --> 00:27:12,320
sometimes been spotted smoking

708
00:27:16,710 --> 00:27:14,799
cigarettes leaning against a light post

709
00:27:19,190 --> 00:27:16,720
sounds bizarre but this has been

710
00:27:21,510 --> 00:27:19,200
reported by credible witnesses and was

711
00:27:24,149 --> 00:27:21,520
part of the study done

712
00:27:26,470 --> 00:27:24,159
by asap funded by the united states

713
00:27:28,870 --> 00:27:26,480

government as depicted in the book

714

00:27:31,510 --> 00:27:28,880

skinwalkers at the pentagon

715

00:27:33,190 --> 00:27:31,520

now what i'm suggesting here is that

716

00:27:36,389 --> 00:27:33,200

regarding these different kinds of

717

00:27:39,269 --> 00:27:36,399

entities they are all coming through

718

00:27:41,510 --> 00:27:39,279

a door that's been held open so to speak

719

00:27:43,350 --> 00:27:41,520

a porous boundary between these

720

00:27:45,350 --> 00:27:43,360

different fields of mentation these

721

00:27:47,990 --> 00:27:45,360

different mind spaces these different

722

00:27:50,149 --> 00:27:48,000

dreamscapes that we sometimes think of

723

00:27:51,750 --> 00:27:50,159

as dimensions

724

00:27:54,149 --> 00:27:51,760

but again i think dimensions is

725

00:27:56,870 --> 00:27:54,159

sometimes the wrong word if we mean it

726

00:27:59,029 --> 00:27:56,880

in terms of strong physicality strong

727

00:28:01,269 --> 00:27:59,039

objective physicality being the root of

728

00:28:03,590 --> 00:28:01,279

reality i don't think it is i think

729

00:28:06,950 --> 00:28:03,600

again mind consciousness is what

730

00:28:08,870 --> 00:28:06,960

ultimately authors what we experience

731

00:28:11,190 --> 00:28:08,880

and in that sense a dimension is more

732

00:28:13,669 --> 00:28:11,200

like a field of mentation or a mind

733

00:28:15,669 --> 00:28:13,679

space or a dreamscape

734

00:28:17,590 --> 00:28:15,679

but in terms of these porous boundaries

735

00:28:20,470 --> 00:28:17,600

that emerge in the same way that i said

736

00:28:23,029 --> 00:28:20,480

before that our collective mentality

737

00:28:25,190 --> 00:28:23,039

creates the energy vortex

738

00:28:26,950 --> 00:28:25,200

that strengthens and sustains this

739

00:28:28,789 --> 00:28:26,960

feedback loop that gives us our

740

00:28:31,029 --> 00:28:28,799

experience of reality

741

00:28:33,909 --> 00:28:31,039

in the same way when one entity has

742

00:28:36,470 --> 00:28:33,919

passed through these mentation spaces or

743

00:28:38,630 --> 00:28:36,480

these dimensions if you like that

744

00:28:41,669 --> 00:28:38,640

actually strengthens that energetic

745

00:28:43,909 --> 00:28:41,679

signature so that it's more possible for

746

00:28:46,230 --> 00:28:43,919

other entities other intelligences

747

00:28:49,269 --> 00:28:46,240

coming from different mentation spaces

748

00:28:51,510 --> 00:28:49,279

or dimensions to use that same corridor

749

00:28:53,430 --> 00:28:51,520

or that same porous boundary that's what

750

00:28:55,110 --> 00:28:53,440

i think we're finding when we look at

751

00:28:57,110 --> 00:28:55,120

things like portals in a place like

752

00:28:58,870 --> 00:28:57,120

skinwalker ranch

753

00:29:00,710 --> 00:28:58,880

i also want to make the point here as

754

00:29:03,190 --> 00:29:00,720

i've said before on this podcast on

755

00:29:05,029 --> 00:29:03,200

numerous occasions i think multiple

756

00:29:06,950 --> 00:29:05,039

players are involved in the ufo

757

00:29:09,350 --> 00:29:06,960

phenomenon i think different actors are

758

00:29:12,389 --> 00:29:09,360

involved with different sources or

759

00:29:14,230 --> 00:29:12,399

origins so again extraterrestrials may

760

00:29:16,549 --> 00:29:14,240

very well be in the picture i think they

761

00:29:18,870 --> 00:29:16,559

likely are i'm just saying that when we

762

00:29:21,350 --> 00:29:18,880

talk about interdimensionals and them

763

00:29:24,870 --> 00:29:21,360

being in the picture i think the notion

764

00:29:26,789 --> 00:29:24,880

there in terms of dimensions uh that's

765

00:29:28,950 --> 00:29:26,799

attached to the idea of a parallel

766

00:29:31,190 --> 00:29:28,960

universe which again is still a product

767

00:29:33,190 --> 00:29:31,200

to the same underlying physicalist

768

00:29:34,870 --> 00:29:33,200

paradigm and so that's why i think

769

00:29:35,669 --> 00:29:34,880

actually that's a bit of a misnomer i

770

00:29:37,669 --> 00:29:35,679

think

771

00:29:39,990 --> 00:29:37,679

a dimension in this sense is more like a

772

00:29:42,710 --> 00:29:40,000

field of mentation that again these

773

00:29:44,789 --> 00:29:42,720

different places of mind mindscapes

774

00:29:46,149 --> 00:29:44,799

dreamscapes if you will

775

00:29:48,950 --> 00:29:46,159

i also want to make the point again that

776

00:29:50,630 --> 00:29:48,960

when i say i believe what i mean is i

777

00:29:52,470 --> 00:29:50,640

think this is where the evidence is

778

00:29:55,110 --> 00:29:52,480

clearly pointing that this is not just

779

00:29:57,669 --> 00:29:55,120

my opinion and not just in terms of the

780

00:29:59,669 --> 00:29:57,679

data arising from the ufo phenomenon and

781

00:30:01,510 --> 00:29:59,679

other forms of high strangeness

782

00:30:03,430 --> 00:30:01,520

but this is the evidence arising from

783

00:30:05,510 --> 00:30:03,440

the foundations of physics and the

784

00:30:07,350 --> 00:30:05,520

neuroscience of consciousness so again

785

00:30:09,190 --> 00:30:07,360

diverse but converging fields of

786

00:30:12,470 --> 00:30:09,200

evidence are all pointing in this

787

00:30:15,269 --> 00:30:12,480

direction where consciousness is primary

788

00:30:18,070 --> 00:30:15,279

where mind stuff is what reality is

789

00:30:19,990 --> 00:30:18,080

ultimately composed of

790

00:30:21,909 --> 00:30:20,000

lastly i think it's important to add

791

00:30:24,389 --> 00:30:21,919

that this is a lot to wrap our heads

792

00:30:26,789 --> 00:30:24,399

around again we've been taught certain

793

00:30:28,070 --> 00:30:26,799

things and certain notions of reality

794

00:30:29,909 --> 00:30:28,080

have existed

795

00:30:31,669 --> 00:30:29,919

in our consensus reality and what's

796

00:30:33,830 --> 00:30:31,679

communicated to us through mainstream

797

00:30:37,110 --> 00:30:33,840

media and whatnot and mainstream

798

00:30:39,190 --> 00:30:37,120

academia for a very very long time

799

00:30:41,110 --> 00:30:39,200

and that's the case even though as i've

800

00:30:43,110 --> 00:30:41,120

been pointing out for a while now there

801
00:30:46,310 --> 00:30:43,120
is mounting evidence suggesting that

802
00:30:48,950 --> 00:30:46,320
that mainstream conception of reality is

803
00:30:50,470 --> 00:30:48,960
not correct it's not just slightly in

804
00:30:53,430 --> 00:30:50,480
error but actually

805
00:30:55,190 --> 00:30:53,440
misguided at its root that ultimately

806
00:30:57,029 --> 00:30:55,200
the physicalist paradigm or

807
00:31:01,590 --> 00:30:57,039
reductionistic materialism whatever you

808
00:31:03,909 --> 00:31:01,600
want to call it is ultimately untenable

809
00:31:06,310 --> 00:31:03,919
so what am i saying am i saying we are

810
00:31:09,029 --> 00:31:06,320
on the cusp of a revolution are we about

811
00:31:10,470 --> 00:31:09,039
to see a mainstream acceptance of these

812
00:31:12,710 --> 00:31:10,480
notions

813
00:31:14,630 --> 00:31:12,720

not likely not in the short term

814

00:31:18,149 --> 00:31:14,640

although we are beginning to see a

815

00:31:19,990 --> 00:31:18,159

fraying of the previous confidence in

816

00:31:22,470 --> 00:31:20,000

the mainstream notion of reality the

817

00:31:24,870 --> 00:31:22,480

physicalist paradigm ironically many of

818

00:31:27,590 --> 00:31:24,880

the people who ardently

819

00:31:30,149 --> 00:31:27,600

passionately defend physicalism

820

00:31:32,310 --> 00:31:30,159

don't actually fully understand it

821

00:31:35,430 --> 00:31:32,320

and in that sense they're more defending

822

00:31:37,509 --> 00:31:35,440

a tradition or a dogma than they are

823

00:31:40,870 --> 00:31:37,519

evidence that they actually feel is

824

00:31:43,509 --> 00:31:40,880

strongly in support of their notion

825

00:31:45,350 --> 00:31:43,519

now to experiencers i would point out

826

00:31:46,630 --> 00:31:45,360

that while the experience can be

827

00:31:49,830 --> 00:31:46,640

uncomfortable

828

00:31:52,310 --> 00:31:49,840

can be ontologically disturbing

829

00:31:54,230 --> 00:31:52,320

can be difficult to incorporate into

830

00:31:56,389 --> 00:31:54,240

your everyday life

831

00:31:59,430 --> 00:31:56,399

just take heart that in many ways you

832

00:32:02,630 --> 00:31:59,440

are pioneers forebearers of what will

833

00:32:04,789 --> 00:32:02,640

become a recognized understanding of

834

00:32:06,470 --> 00:32:04,799

reality eventually

835

00:32:08,630 --> 00:32:06,480

this will happen even though it will

836

00:32:10,950 --> 00:32:08,640

take some time and again those who

837

00:32:13,110 --> 00:32:10,960

really understand this have known this

838

00:32:15,110 --> 00:32:13,120

for a very long time

839

00:32:17,909 --> 00:32:15,120

i'll leave you with the words of quantum

840

00:32:21,029 --> 00:32:17,919

physicist niels bohr who in the early

841

00:32:23,269 --> 00:32:21,039

20th century said of quantum physics and

842

00:32:26,630 --> 00:32:23,279

specifically the revelations around

843

00:32:28,789 --> 00:32:26,640

consciousness and reality he said quote

844

00:32:31,269 --> 00:32:28,799

if quantum mechanics hasn't profoundly

845

00:32:34,389 --> 00:32:31,279

shocked you you haven't understood it

846

00:32:37,509 --> 00:32:34,399

yet unquote and of course many of those

847

00:32:39,669 --> 00:32:37,519

early quantum physicists became mystics

848

00:32:42,630 --> 00:32:39,679

precisely because of the revelations

849

00:32:44,950 --> 00:32:42,640

arising from their field of scientific

850

00:32:47,830 --> 00:32:44,960

study looking at the very root of

851
00:32:50,389 --> 00:32:47,840
reality itself

852
00:32:52,149 --> 00:32:50,399
and on that note we've come to the close

853
00:32:53,909 --> 00:32:52,159
of another edition of the point of

854
00:32:55,830 --> 00:32:53,919
convergence podcast

855
00:32:57,870 --> 00:32:55,840
if you'd like to support this podcast

856
00:32:59,590 --> 00:32:57,880
you can do so by going to

857
00:33:02,630 --> 00:32:59,600
patreon.com

858
00:33:04,549 --> 00:33:02,640
exo academian and i do appreciate any

859
00:33:06,789 --> 00:33:04,559
support offered

860
00:33:08,630 --> 00:33:06,799
but until next time friends from deep

861
00:33:12,230 --> 00:33:08,640
within the blue ridge mountains of north

862
00:33:13,570 --> 00:33:12,240
carolina this is exo academian signing
