

Point of Convergence

PODCAST

Hosted by **ExoAcademician**

EPISODE #64

*The Sequestered Society:
Examining the Notion of a
Breakaway Human Group*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,860 --> 00:00:07,829

[Music]

2
00:00:13,749 --> 00:00:11,430

hello and welcome to episode number 64

3
00:00:18,390 --> 00:00:13,759

of the point of convergence podcast

4
00:00:20,550 --> 00:00:18,400

as always i am your host exo academian

5
00:00:22,870 --> 00:00:20,560

when strange and sophisticated aerial

6
00:00:25,029 --> 00:00:22,880

vehicles were first spotted buzzing in

7
00:00:27,910 --> 00:00:25,039

and around our skies in a series of

8
00:00:29,669 --> 00:00:27,920

flaps during the period of the 1940s

9
00:00:31,750 --> 00:00:29,679

many assumed these represented the

10
00:00:33,030 --> 00:00:31,760

visitation of an extraterrestrial

11
00:00:35,510 --> 00:00:33,040

species

12
00:00:37,590 --> 00:00:35,520

the beyond next-gen characteristics of

13
00:00:39,830 --> 00:00:37,600

these advanced craft where they could

14

00:00:42,630 --> 00:00:39,840

travel at incredible rates of speed

15

00:00:45,590 --> 00:00:42,640

hover in place and make 90 degree turns

16

00:00:47,910 --> 00:00:45,600

on a dime suggested to most that these

17

00:00:50,630 --> 00:00:47,920

could not logically be the property of

18

00:00:52,389 --> 00:00:50,640

any known nation-state actor

19

00:00:54,950 --> 00:00:52,399

the technological prowess of these

20

00:00:56,869 --> 00:00:54,960

so-called unidentified flying objects

21

00:00:59,110 --> 00:00:56,879

was simply too advanced to be of

22

00:01:01,110 --> 00:00:59,120

terrestrial origin

23

00:01:03,670 --> 00:01:01,120

it is therefore not surprising that the

24

00:01:04,630 --> 00:01:03,680

seemingly logical conclusion that many

25

00:01:06,789 --> 00:01:04,640

came to

26
00:01:08,789 --> 00:01:06,799
was that these simply must be visitors

27
00:01:10,789 --> 00:01:08,799
from beyond our planet

28
00:01:13,190 --> 00:01:10,799
at first when the barrenness of the

29
00:01:15,830 --> 00:01:13,200
planets of our own solar system was not

30
00:01:19,270 --> 00:01:15,840
yet fully realized many assumed these to

31
00:01:21,429 --> 00:01:19,280
be visiting martians or venusians

32
00:01:23,429 --> 00:01:21,439
and then as our surveying of the planets

33
00:01:25,910 --> 00:01:23,439
of our own solar neighborhood showed

34
00:01:28,789 --> 00:01:25,920
them to be lifeless ufologists and the

35
00:01:31,270 --> 00:01:28,799
public alike began to wonder from which

36
00:01:32,469 --> 00:01:31,280
extrasolar source these beings were

37
00:01:34,630 --> 00:01:32,479
coming from

38
00:01:37,830 --> 00:01:34,640

but again the assumption was still that

39

00:01:39,910 --> 00:01:37,840

these must be visitors from outer space

40

00:01:42,870 --> 00:01:39,920

after all that seemed to be the only

41

00:01:44,630 --> 00:01:42,880

frontier we had yet to explore

42

00:01:47,749 --> 00:01:44,640

since those early days of the flying

43

00:01:50,469 --> 00:01:47,759

saucer phenomenon other and to most more

44

00:01:52,069 --> 00:01:50,479

exotic hypotheses have arisen

45

00:01:54,469 --> 00:01:52,079

suggesting these others may be

46

00:01:56,630 --> 00:01:54,479

interdimensional in nature or perhaps

47

00:01:57,990 --> 00:01:56,640

even time traveling humans from our

48

00:01:59,830 --> 00:01:58,000

future

49

00:02:02,230 --> 00:01:59,840

some researchers suggest both

50

00:02:04,149 --> 00:02:02,240

extraterrestrials and interdimensionals

51
00:02:06,550 --> 00:02:04,159
may be in the mix

52
00:02:08,469 --> 00:02:06,560
in the course of that conversation again

53
00:02:11,910 --> 00:02:08,479
the assumption has been that these must

54
00:02:13,990 --> 00:02:11,920
be something non-terrestrial in nature

55
00:02:16,470 --> 00:02:14,000
because the sophistication of the craft

56
00:02:18,949 --> 00:02:16,480
themselves suggests no known

57
00:02:22,309 --> 00:02:18,959
nation-state actor could have developed

58
00:02:24,229 --> 00:02:22,319
such beyond next-gen technology

59
00:02:26,710 --> 00:02:24,239
however there is one key assumption

60
00:02:29,110 --> 00:02:26,720
being made here and that is that it is

61
00:02:31,910 --> 00:02:29,120
only the known nation-state actors the

62
00:02:34,390 --> 00:02:31,920
united states russia etc that could

63
00:02:37,190 --> 00:02:34,400

possibly even get close to this level of

64

00:02:39,750 --> 00:02:37,200

technological sophistication

65

00:02:41,830 --> 00:02:39,760

the pertinent question to ask here is is

66

00:02:44,150 --> 00:02:41,840

that a fair assumption to make

67

00:02:45,990 --> 00:02:44,160

is it only nation state actors that we

68

00:02:48,630 --> 00:02:46,000

need to account for

69

00:02:51,509 --> 00:02:48,640

or is it possible that some other human

70

00:02:53,670 --> 00:02:51,519

group not usually accounted for could

71

00:02:56,470 --> 00:02:53,680

actually be responsible for the design

72

00:02:58,470 --> 00:02:56,480

and development of these ufos or at

73

00:03:00,550 --> 00:02:58,480

least some of them

74

00:03:02,149 --> 00:03:00,560

perhaps to many people's surprise there

75

00:03:04,309 --> 00:03:02,159

is a rather daunting amount of

76

00:03:06,790 --> 00:03:04,319

historical evidence suggesting the

77

00:03:08,149 --> 00:03:06,800

possibility that these craft or gain at

78

00:03:09,990 --> 00:03:08,159

least some of them

79

00:03:12,470 --> 00:03:10,000

could actually be the property of a

80

00:03:14,949 --> 00:03:12,480

rogue group of scientifically oriented

81

00:03:17,509 --> 00:03:14,959

techno-military elites that may have

82

00:03:18,949 --> 00:03:17,519

broken off from conventional society

83

00:03:21,670 --> 00:03:18,959

sometime during the middle part of the

84

00:03:24,149 --> 00:03:21,680

20th century not long after we should

85

00:03:26,149 --> 00:03:24,159

note the first series of sightings of

86

00:03:28,309 --> 00:03:26,159

disc-like craft

87

00:03:30,309 --> 00:03:28,319

but what is the nature of this evidence

88

00:03:32,309 --> 00:03:30,319

and does it get even close to passing

89

00:03:35,430 --> 00:03:32,319

muster in terms of suggesting that a

90

00:03:37,030 --> 00:03:35,440

truly sequestered society might exist in

91

00:03:38,949 --> 00:03:37,040

our very midst

92

00:03:41,030 --> 00:03:38,959

is it possible that some of the beyond

93

00:03:43,430 --> 00:03:41,040

next-gen vehicles that have been spotted

94

00:03:46,309 --> 00:03:43,440

in our skies might actually be of

95

00:03:48,270 --> 00:03:46,319

terrestrial origin after all even if

96

00:03:50,309 --> 00:03:48,280

that terrestrial origin is of a

97

00:03:52,390 --> 00:03:50,319

non-conventional nature

98

00:03:55,030 --> 00:03:52,400

one that exists beyond the scope of our

99

00:03:57,030 --> 00:03:55,040

nation-state global system

100

00:04:00,949 --> 00:03:57,040

these are the very questions we'll seek

101
00:04:05,100 --> 00:04:00,959
to engage with in this the 64th episode

102
00:04:10,949 --> 00:04:08,550
[Music]

103
00:04:12,869 --> 00:04:10,959
as we begin this week's podcast i want

104
00:04:15,830 --> 00:04:12,879
to restate something i've said multiple

105
00:04:18,069 --> 00:04:15,840
times on this podcast and that is that i

106
00:04:21,110 --> 00:04:18,079
believe it's most likely that the ufo

107
00:04:24,550 --> 00:04:21,120
phenomenon is a totality comprised of

108
00:04:26,469 --> 00:04:24,560
different actors from different origins

109
00:04:29,430 --> 00:04:26,479
i think we should resist the temptation

110
00:04:31,990 --> 00:04:29,440
to collapse multiple actors and origins

111
00:04:34,469 --> 00:04:32,000
into one when the data doesn't strongly

112
00:04:36,790 --> 00:04:34,479
suggest we should do so

113
00:04:39,030 --> 00:04:36,800

when we even unconsciously proceed with

114

00:04:41,909 --> 00:04:39,040

the working assumption that it's all one

115

00:04:44,550 --> 00:04:41,919

thing with one overarching agenda from

116

00:04:46,870 --> 00:04:44,560

one source it can lead to some strange

117

00:04:49,189 --> 00:04:46,880

conclusions being drawn from what may

118

00:04:51,670 --> 00:04:49,199

actually be multiple distinct and

119

00:04:54,950 --> 00:04:51,680

divergent patterns of behavior within

120

00:04:56,790 --> 00:04:54,960

the totality of the phenomenon

121

00:04:58,469 --> 00:04:56,800

now in what we're going to explore today

122

00:05:00,230 --> 00:04:58,479

i think there are avenues with greater

123

00:05:01,510 --> 00:05:00,240

credibility and others with less

124

00:05:03,110 --> 00:05:01,520

credibility

125

00:05:05,350 --> 00:05:03,120

much of what we will discuss is

126
00:05:07,430 --> 00:05:05,360
speculative that's a given with much of

127
00:05:09,430 --> 00:05:07,440
the ufo phenomenon

128
00:05:12,790 --> 00:05:09,440
but today we will discuss speculative

129
00:05:15,029 --> 00:05:12,800
threads in terms of our own history

130
00:05:17,350 --> 00:05:15,039
but one thing i will say is that while i

131
00:05:18,710 --> 00:05:17,360
am generally not a conspiracy theorist

132
00:05:21,110 --> 00:05:18,720
proponent

133
00:05:23,270 --> 00:05:21,120
over time my faith in the mainstream

134
00:05:25,990 --> 00:05:23,280
conventional story that has been told to

135
00:05:28,629 --> 00:05:26,000
us in school and whatnot about our

136
00:05:29,990 --> 00:05:28,639
history has suffered some setbacks you

137
00:05:31,990 --> 00:05:30,000
could say

138
00:05:34,310 --> 00:05:32,000

we should remember that history is told

139

00:05:37,029 --> 00:05:34,320

through the viewpoint of the victors and

140

00:05:38,870 --> 00:05:37,039

of those who continue to hold power

141

00:05:41,189 --> 00:05:38,880

and as such we should always keep a

142

00:05:43,749 --> 00:05:41,199

skeptical eye on the spotlight being

143

00:05:45,510 --> 00:05:43,759

shown from the halls of power

144

00:05:47,990 --> 00:05:45,520

those of us deeply involved in this

145

00:05:49,990 --> 00:05:48,000

topic know that project blue book and

146

00:05:51,909 --> 00:05:50,000

the like make it clear that the

147

00:05:54,390 --> 00:05:51,919

government has frequently lied to its

148

00:05:57,110 --> 00:05:54,400

people about highly important

149

00:05:59,270 --> 00:05:57,120

civilization changing matters it would

150

00:06:01,189 --> 00:05:59,280

be naive to think that's the only time

151

00:06:03,990 --> 00:06:01,199

they opted for such a course of

152

00:06:06,550 --> 00:06:04,000

revisionist history telling

153

00:06:09,270 --> 00:06:06,560

i titled today's episode the sequestered

154

00:06:11,590 --> 00:06:09,280

society and this is based very much on

155

00:06:13,270 --> 00:06:11,600

something richard dolan first proposed

156

00:06:14,790 --> 00:06:13,280

in his notion of a breakaway

157

00:06:16,870 --> 00:06:14,800

civilization

158

00:06:19,110 --> 00:06:16,880

you can actually purchase a short book

159

00:06:20,390 --> 00:06:19,120

based on a lecture that dolan gave

160

00:06:22,390 --> 00:06:20,400

describing this

161

00:06:23,510 --> 00:06:22,400

and this is the description of that

162

00:06:24,629 --> 00:06:23,520

lecture

163

00:06:26,710 --> 00:06:24,639

quote

164

00:06:29,430 --> 00:06:26,720

is there a secret space program that is

165

00:06:31,670 --> 00:06:29,440

connected in some way to ufos

166

00:06:33,749 --> 00:06:31,680

in this booklet historian richard dolan

167

00:06:36,230 --> 00:06:33,759

delves into this question one of the

168

00:06:38,309 --> 00:06:36,240

most discussed in ufology today

169

00:06:40,150 --> 00:06:38,319

providing a wealth of data and context

170

00:06:42,950 --> 00:06:40,160

for the reader he offers his own

171

00:06:45,510 --> 00:06:42,960

conclusion yes there is indeed such a

172

00:06:47,430 --> 00:06:45,520

program but this program is not a simple

173

00:06:49,749 --> 00:06:47,440

extension of the normal operations of

174

00:06:51,589 --> 00:06:49,759

the us government or military

175

00:06:53,350 --> 00:06:51,599

much less of nasa

176

00:06:56,070 --> 00:06:53,360

instead it seems to be the product of

177

00:06:58,070 --> 00:06:56,080

what dolan has previously termed a

178

00:07:00,150 --> 00:06:58,080

breakaway civilization

179

00:07:02,070 --> 00:07:00,160

a radically advanced and increasingly

180

00:07:05,189 --> 00:07:02,080

separate structure that has access to

181

00:07:07,909 --> 00:07:05,199

classified science and data denied to

182

00:07:09,830 --> 00:07:07,919

the rest of us unquote

183

00:07:12,150 --> 00:07:09,840

so that gives you a sense of what dolan

184

00:07:14,950 --> 00:07:12,160

means by this notion of a breakaway

185

00:07:17,029 --> 00:07:14,960

civilization it's a rogue group that may

186

00:07:20,150 --> 00:07:17,039

have begun within the governments of the

187

00:07:23,270 --> 00:07:20,160

world the united states nazi germany the

188

00:07:25,749 --> 00:07:23,280

soviet union etc but at some point broke

189

00:07:27,990 --> 00:07:25,759

away and became a sequestered society

190

00:07:31,189 --> 00:07:28,000

functioning independently of any

191

00:07:33,430 --> 00:07:31,199

nation-state actor now in a moment we'll

192

00:07:36,309 --> 00:07:33,440

get into the history the details of

193

00:07:37,589 --> 00:07:36,319

history that suggests such a road group

194

00:07:39,830 --> 00:07:37,599

may exist

195

00:07:43,270 --> 00:07:39,840

but before we get there i want to touch

196

00:07:45,189 --> 00:07:43,280

on some of the data that suggests to me

197

00:07:47,670 --> 00:07:45,199

the likelihood that such a group might

198

00:07:49,990 --> 00:07:47,680

exist and it has to do with the nature

199

00:07:51,670 --> 00:07:50,000

of the ufo crap that have been observed

200

00:07:53,589 --> 00:07:51,680

or at least some of them

201
00:07:57,270 --> 00:07:53,599
and even some of the remains that have

202
00:07:59,670 --> 00:07:57,280
been gathered from supposed ufo crashes

203
00:08:01,990 --> 00:07:59,680
what i find peculiar when i think about

204
00:08:03,430 --> 00:08:02,000
some of the technology we see displayed

205
00:08:05,589 --> 00:08:03,440
with ufos

206
00:08:08,950 --> 00:08:05,599
is that while it is sophisticated

207
00:08:11,430 --> 00:08:08,960
compared to our technology it's not so

208
00:08:13,110 --> 00:08:11,440
beyond what we might get to within a

209
00:08:15,189 --> 00:08:13,120
generation or two

210
00:08:17,150 --> 00:08:15,199
and that's just strange when you think

211
00:08:19,510 --> 00:08:17,160
about the idea that these would be

212
00:08:21,029 --> 00:08:19,520
extraterrestrial visitors if we're

213
00:08:23,670 --> 00:08:21,039

talking about an extra solar

214

00:08:24,869 --> 00:08:23,680

civilization that is visiting us the

215

00:08:27,110 --> 00:08:24,879

likelihood that they would have

216

00:08:31,029 --> 00:08:27,120

technology within a few generations of

217

00:08:33,269 --> 00:08:31,039

ours is very very very low i really

218

00:08:36,630 --> 00:08:33,279

can't stress that enough when you think

219

00:08:38,550 --> 00:08:36,640

about the vast age of the cosmos we may

220

00:08:40,870 --> 00:08:38,560

be interacting with civilizations that

221

00:08:43,909 --> 00:08:40,880

could be millions or billions of years

222

00:08:45,910 --> 00:08:43,919

older than us or anywhere in between

223

00:08:47,750 --> 00:08:45,920

so when you think about how technology

224

00:08:50,310 --> 00:08:47,760

develops and you think about the notion

225

00:08:51,910 --> 00:08:50,320

that even luella zondo has suggested

226

00:08:53,990 --> 00:08:51,920

some of this technology is now

227

00:08:55,990 --> 00:08:54,000

understood theoretically and that we

228

00:08:58,870 --> 00:08:56,000

probably could develop it on our own

229

00:09:00,949 --> 00:08:58,880

within about 50 years or less

230

00:09:03,350 --> 00:09:00,959

that's very strange again when you think

231

00:09:05,350 --> 00:09:03,360

about what are the chances that a et

232

00:09:08,230 --> 00:09:05,360

civilization that just happens to visit

233

00:09:10,150 --> 00:09:08,240

us is within a few generation cycles of

234

00:09:12,389 --> 00:09:10,160

our own technology

235

00:09:15,509 --> 00:09:12,399

i'm not saying all ufos match that

236

00:09:17,030 --> 00:09:15,519

description but some seem to including

237

00:09:20,310 --> 00:09:17,040

some of the remains that have been

238

00:09:22,710 --> 00:09:20,320

gathered from supposed ufo crashes that

239

00:09:25,509 --> 00:09:22,720

has always been suspect to me has made

240

00:09:26,870 --> 00:09:25,519

me wonder has made me ask questions and

241

00:09:29,750 --> 00:09:26,880

when i came across this breakaway

242

00:09:32,150 --> 00:09:29,760

civilization hypothesis i was surprised

243

00:09:34,550 --> 00:09:32,160

as i dug deeper how much evidence there

244

00:09:37,110 --> 00:09:34,560

is at least suggesting the possibility

245

00:09:38,470 --> 00:09:37,120

that such a rogue group does indeed

246

00:09:40,949 --> 00:09:38,480

exist

247

00:09:43,590 --> 00:09:40,959

now as i mentioned earlier much of this

248

00:09:46,550 --> 00:09:43,600

ties back to the history of nazi germany

249

00:09:48,070 --> 00:09:46,560

the soviet union and the united states

250

00:09:50,790 --> 00:09:48,080

and that's because we should remember

251
00:09:52,949 --> 00:09:50,800
that at the end of the second world war

252
00:09:55,670 --> 00:09:52,959
the united states and the soviet union

253
00:09:57,269 --> 00:09:55,680
both gathered former nazi scientists

254
00:09:59,829 --> 00:09:57,279
people who were at the cutting edge of

255
00:10:02,389 --> 00:09:59,839
their fields and took them back into

256
00:10:04,230 --> 00:10:02,399
their own nations and then gave them

257
00:10:06,150 --> 00:10:04,240
control of their own programs for

258
00:10:08,310 --> 00:10:06,160
instance space programs when they were

259
00:10:10,550 --> 00:10:08,320
still part of the military structure and

260
00:10:12,310 --> 00:10:10,560
nasa didn't yet exist

261
00:10:14,389 --> 00:10:12,320
now a book that i would highly recommend

262
00:10:15,910 --> 00:10:14,399
you read if you're interested in this

263
00:10:18,069 --> 00:10:15,920

series of threads

264

00:10:20,870 --> 00:10:18,079

is a book called the hunt for zero point

265

00:10:23,269 --> 00:10:20,880

by nick cook who is an experienced

266

00:10:24,550 --> 00:10:23,279

aviation writer who knows that of which

267

00:10:26,790 --> 00:10:24,560

he speaks

268

00:10:27,670 --> 00:10:26,800

this is the description of that book

269

00:10:29,990 --> 00:10:27,680

quote

270

00:10:32,310 --> 00:10:30,000

the atomic bomb was not the only project

271

00:10:34,150 --> 00:10:32,320

to occupy government scientists during

272

00:10:36,550 --> 00:10:34,160

the 1940s

273

00:10:38,790 --> 00:10:36,560

anti-gravity technology originally

274

00:10:41,910 --> 00:10:38,800

spearheaded by scientists in nazi

275

00:10:44,630 --> 00:10:41,920

germany was another high priority one

276

00:10:46,470 --> 00:10:44,640

that still may be in effect today

277

00:10:48,949 --> 00:10:46,480

now for the first time an acclaimed

278

00:10:51,190 --> 00:10:48,959

journalist with unprecedented access to

279

00:10:53,750 --> 00:10:51,200

key sources in the intelligence and

280

00:10:56,150 --> 00:10:53,760

military communities reveals suppressed

281

00:10:58,310 --> 00:10:56,160

evidence that tells the story of a quest

282

00:11:01,110 --> 00:10:58,320

for a discovery that could prove as

283

00:11:02,949 --> 00:11:01,120

powerful as the atomic bomb

284

00:11:05,590 --> 00:11:02,959

the hunt for zero point explores the

285

00:11:08,230 --> 00:11:05,600

scientific speculation that zero-point

286

00:11:10,870 --> 00:11:08,240

energy a limitless source of potential

287

00:11:13,750 --> 00:11:10,880

power that may hold the key to defying

288

00:11:16,870 --> 00:11:13,760

and thereby controlling gravity exist in

289

00:11:18,710 --> 00:11:16,880

the universe and can be replicated

290

00:11:21,590 --> 00:11:18,720

the pressure to be the first nation to

291

00:11:23,350 --> 00:11:21,600

harness gravity is immense as it means

292

00:11:26,550 --> 00:11:23,360

having the ability to build military

293

00:11:28,630 --> 00:11:26,560

planes of unlimited speed and range

294

00:11:30,710 --> 00:11:28,640

along with the most deadly weaponry the

295

00:11:33,350 --> 00:11:30,720

world has ever seen

296

00:11:36,630 --> 00:11:33,360

the ideal shape for a gravity-defying

297

00:11:39,110 --> 00:11:36,640

vehicle happens to be a perfect disc

298

00:11:42,310 --> 00:11:39,120

making anti-gravity tests a possible

299

00:11:44,870 --> 00:11:42,320

explanation for numerous ufo sightings

300

00:11:46,389 --> 00:11:44,880

during the past 50 years

301
00:11:48,470 --> 00:11:46,399
drawn from interviews with those

302
00:11:50,949 --> 00:11:48,480
involved in the research and visits to

303
00:11:52,949 --> 00:11:50,959
labs in europe and the united states the

304
00:11:55,350 --> 00:11:52,959
hunt for zero point is a captivating

305
00:11:58,550 --> 00:11:55,360
account of the 20th century's most

306
00:12:01,509 --> 00:11:58,560
puzzling unexplained phenomenon

307
00:12:05,350 --> 00:12:03,670
now while as i mentioned at the outset

308
00:12:06,470 --> 00:12:05,360
much of this information is somewhat

309
00:12:09,269 --> 00:12:06,480
speculative

310
00:12:11,990 --> 00:12:09,279
some of it is very well documented

311
00:12:13,670 --> 00:12:12,000
for instance operation paperclip now

312
00:12:15,350 --> 00:12:13,680
what was that

313
00:12:17,990 --> 00:12:15,360

operation paperclip according to

314

00:12:20,150 --> 00:12:18,000

wikipedia was a secret united states

315

00:12:22,949 --> 00:12:20,160

intelligence program in which more than

316

00:12:26,470 --> 00:12:22,959

sixteen hundred that's one thousand six

317

00:12:29,030 --> 00:12:26,480

hundred nazi german scientists engineers

318

00:12:31,750 --> 00:12:29,040

and technicians were taken from former

319

00:12:34,310 --> 00:12:31,760

nazi germany to the us for government

320

00:12:39,430 --> 00:12:34,320

employment after the end of world war ii

321

00:12:41,509 --> 00:12:39,440

in europe between 1945 and 1959

322

00:12:44,550 --> 00:12:41,519

conducted by the joint intelligence

323

00:12:47,230 --> 00:12:44,560

objectives agency it was largely carried

324

00:12:50,470 --> 00:12:47,240

out by special agents of the us army's

325

00:12:52,150 --> 00:12:50,480

counterintelligence corps cic

326

00:12:54,629 --> 00:12:52,160

many of these personnel were former

327

00:12:56,550 --> 00:12:54,639

members and some were former leaders of

328

00:12:58,389 --> 00:12:56,560

the nazi party

329

00:13:01,269 --> 00:12:58,399

the primary purpose for operation

330

00:13:04,310 --> 00:13:01,279

paperclip was u.s military advantage in

331

00:13:05,590 --> 00:13:04,320

the soviet american cold war and the

332

00:13:07,829 --> 00:13:05,600

space race

333

00:13:10,550 --> 00:13:07,839

in a comparable operation the soviet

334

00:13:13,430 --> 00:13:10,560

union relocated more than two thousand

335

00:13:15,509 --> 00:13:13,440

two hundred german specialists a total

336

00:13:18,829 --> 00:13:15,519

of more than six thousand people

337

00:13:21,590 --> 00:13:18,839

including family members with operation

338

00:13:23,069 --> 00:13:21,600

azervakiam during one night on october

339

00:13:24,710 --> 00:13:23,079

22nd

340

00:13:26,389 --> 00:13:24,720

1946

341

00:13:28,629 --> 00:13:26,399

unquote

342

00:13:31,269 --> 00:13:28,639

and this is a key point i want us to pay

343

00:13:33,670 --> 00:13:31,279

attention to here these were not just

344

00:13:36,389 --> 00:13:33,680

low-level nazi scientists who weren't

345

00:13:39,430 --> 00:13:36,399

really affiliated with the party and its

346

00:13:41,750 --> 00:13:39,440

pagan cult-like belief system

347

00:13:43,829 --> 00:13:41,760

some of these were very high-ranking

348

00:13:46,230 --> 00:13:43,839

members of the nazi party

349

00:13:49,430 --> 00:13:46,240

ss officers suggesting they actually

350

00:13:52,629 --> 00:13:49,440

were true believers in the pagan cult

351
00:13:53,910 --> 00:13:52,639
like belief system that underpinned

352
00:13:55,430 --> 00:13:53,920
nazism

353
00:13:58,310 --> 00:13:55,440
and again we really want to highlight

354
00:14:00,550 --> 00:13:58,320
this point and historian peter lavender

355
00:14:01,590 --> 00:14:00,560
has made this argument in several of his

356
00:14:05,110 --> 00:14:01,600
books

357
00:14:06,710 --> 00:14:05,120
these nazi officers were true believers

358
00:14:08,710 --> 00:14:06,720
what we mean by that is that they

359
00:14:10,550 --> 00:14:08,720
weren't just aligning from one political

360
00:14:13,030 --> 00:14:10,560
system and then switching to another

361
00:14:15,030 --> 00:14:13,040
when they were taken to the u.s system

362
00:14:16,949 --> 00:14:15,040
rather they were true believers in a

363
00:14:19,509 --> 00:14:16,959

pagan dogma

364

00:14:22,230 --> 00:14:19,519
and like any cult-like system that

365

00:14:25,350 --> 00:14:22,240
suggests they are not likely to quickly

366

00:14:27,590 --> 00:14:25,360
abandon that belief system and lavender

367

00:14:29,670 --> 00:14:27,600
argues to the contrary that they

368

00:14:32,150 --> 00:14:29,680
actually remained true believers that

369

00:14:34,230 --> 00:14:32,160
many of them never adopted american

370

00:14:36,550 --> 00:14:34,240
identities or western identities they

371

00:14:39,590 --> 00:14:36,560
were nazis to the core believing in the

372

00:14:41,269 --> 00:14:39,600
dogma set from start to finish

373

00:14:44,069 --> 00:14:41,279
and understanding that historical

374

00:14:47,030 --> 00:14:44,079
context helps us understand how perhaps

375

00:14:49,189 --> 00:14:47,040
both ex-nazis in the u.s and other

376

00:14:51,509 --> 00:14:49,199

ex-nazis in the soviet union were

377

00:14:54,150 --> 00:14:51,519

perhaps working behind the scenes

378

00:14:56,629 --> 00:14:54,160

conspiratorially to build a kind of deep

379

00:14:58,870 --> 00:14:56,639

state that was a sub-government

380

00:15:01,269 --> 00:14:58,880

underpinning other governments like the

381

00:15:03,670 --> 00:15:01,279

us and the soviet union suggesting

382

00:15:05,829 --> 00:15:03,680

perhaps that even the space race or at

383

00:15:08,310 --> 00:15:05,839

least the commonly understood narrative

384

00:15:10,470 --> 00:15:08,320

about it was to some degree of farce

385

00:15:12,629 --> 00:15:10,480

that the public had one notion of it and

386

00:15:14,230 --> 00:15:12,639

even political leaders had one notion of

387

00:15:16,150 --> 00:15:14,240

it but actually much of it was

388

00:15:19,670 --> 00:15:16,160

controlled according to this narrative

389

00:15:22,310 --> 00:15:19,680

anyway by these ex-nazis both in the u.s

390

00:15:24,949 --> 00:15:22,320

and the soviet union who remained true

391

00:15:27,829 --> 00:15:24,959

believers of the pagan cult system of

392

00:15:29,430 --> 00:15:27,839

nazism now as i mentioned previously

393

00:15:31,350 --> 00:15:29,440

it's important to remember that the

394

00:15:34,069 --> 00:15:31,360

rocket technology we were developing

395

00:15:36,470 --> 00:15:34,079

when we took these nazis and put people

396

00:15:38,870 --> 00:15:36,480

like vermour von braun in charge of our

397

00:15:42,310 --> 00:15:38,880

space program this was still a military

398

00:15:45,110 --> 00:15:42,320

structure nasa was only launched later

399

00:15:46,710 --> 00:15:45,120

on as a civilian organization and many

400

00:15:48,710 --> 00:15:46,720

argued that that was really a change in

401
00:15:50,949 --> 00:15:48,720
name only that the same people were

402
00:15:53,030 --> 00:15:50,959
still running it and largely doing so

403
00:15:55,350 --> 00:15:53,040
behind the scenes and without much

404
00:15:58,389 --> 00:15:55,360
oversight one of the arguments that

405
00:16:00,629 --> 00:15:58,399
several historians make is that it's

406
00:16:03,350 --> 00:16:00,639
surprising how little oversight these

407
00:16:05,430 --> 00:16:03,360
nazis had within the us for instance

408
00:16:08,150 --> 00:16:05,440
considering they were actually former

409
00:16:10,550 --> 00:16:08,160
enemies so in other words if they wanted

410
00:16:13,189 --> 00:16:10,560
to be in collusion with another group of

411
00:16:14,949 --> 00:16:13,199
ex-nazis in the soviet union forming a

412
00:16:17,350 --> 00:16:14,959
kind of rogue government that was

413
00:16:19,269 --> 00:16:17,360

actually controlling the space program

414

00:16:21,430 --> 00:16:19,279

behind the scenes it seems like

415

00:16:23,590 --> 00:16:21,440

historically that could be possible they

416

00:16:24,790 --> 00:16:23,600

really were not given the oversight they

417

00:16:27,110 --> 00:16:24,800

should have been and that you would

418

00:16:29,670 --> 00:16:27,120

expect them to have been

419

00:16:33,030 --> 00:16:29,680

and some historians like lavender and

420

00:16:35,110 --> 00:16:33,040

dolan and jason reza giorgiani suggest

421

00:16:38,310 --> 00:16:35,120

that it is during this period that the

422

00:16:39,749 --> 00:16:38,320

so-called secret space program was truly

423

00:16:41,629 --> 00:16:39,759

born

424

00:16:44,550 --> 00:16:41,639

and in terms of the build-up of the

425

00:16:45,990 --> 00:16:44,560

military-industrial complex in general

426

00:16:48,389 --> 00:16:46,000

that began

427

00:16:50,870 --> 00:16:48,399

in the late 40s and went into the 1960s

428

00:16:52,629 --> 00:16:50,880

and beyond were reminded of course of

429

00:16:55,110 --> 00:16:52,639

the warning that president dwight

430

00:16:58,629 --> 00:16:55,120

eisenhower gave on his farewell address

431

00:17:00,550 --> 00:16:58,639

in 1961 when he said quote in the

432

00:17:02,870 --> 00:17:00,560

councils of government we must guard

433

00:17:05,909 --> 00:17:02,880

against the acquisition of unwarranted

434

00:17:08,789 --> 00:17:05,919

influence whether sought or unsought by

435

00:17:11,110 --> 00:17:08,799

the military-industrial complex the

436

00:17:14,710 --> 00:17:11,120

potential for the disastrous rise of

437

00:17:16,150 --> 00:17:14,720

misplaced power exists and will persist

438

00:17:18,150 --> 00:17:16,160

unquote

439

00:17:20,069 --> 00:17:18,160

and this speaks to eisenhower's sense

440

00:17:21,510 --> 00:17:20,079

that there was a vast structure a

441

00:17:23,829 --> 00:17:21,520

growing structure the

442

00:17:26,390 --> 00:17:23,839

military-industrial complex as he called

443

00:17:29,270 --> 00:17:26,400

it which was running amok that was

444

00:17:32,310 --> 00:17:29,280

building in power and influence almost

445

00:17:34,950 --> 00:17:32,320

exponentially and largely unchecked and

446

00:17:38,390 --> 00:17:34,960

he warned the american people of this in

447

00:17:40,230 --> 00:17:38,400

his farewell address in 1961

448

00:17:42,789 --> 00:17:40,240

and it's certainly worth noting that if

449

00:17:45,029 --> 00:17:42,799

even an american president is concerned

450

00:17:47,350 --> 00:17:45,039

about this and offering this as a

451
00:17:49,190 --> 00:17:47,360
warning at his farewell address it

452
00:17:51,430 --> 00:17:49,200
certainly should raise eyebrows about

453
00:17:54,310 --> 00:17:51,440
the nature of the power structure of our

454
00:17:55,909 --> 00:17:54,320
government especially in deeply embedded

455
00:17:58,150 --> 00:17:55,919
circles

456
00:17:59,909 --> 00:17:58,160
now what might we look to in terms of

457
00:18:03,190 --> 00:17:59,919
evidence suggesting there was some sort

458
00:18:05,110 --> 00:18:03,200
of collusion between ex-nazi scientists

459
00:18:07,029 --> 00:18:05,120
in both the soviet union

460
00:18:09,270 --> 00:18:07,039
and the american government that were

461
00:18:11,669 --> 00:18:09,280
actually running the space race behind

462
00:18:14,230 --> 00:18:11,679
the scenes and only putting forward a

463
00:18:15,830 --> 00:18:14,240

farce of a narrative for everyone else

464

00:18:18,150 --> 00:18:15,840

to digest

465

00:18:20,789 --> 00:18:18,160

well what lavender peter levinda points

466

00:18:23,350 --> 00:18:20,799

to is the fact that sputnik was the

467

00:18:25,830 --> 00:18:23,360

first artificial earth satellite put

468

00:18:30,549 --> 00:18:25,840

into orbit and of course that was by the

469

00:18:32,870 --> 00:18:30,559

soviets that was in october 1957

470

00:18:35,270 --> 00:18:32,880

he argues if we had the creme de la

471

00:18:36,630 --> 00:18:35,280

creme of the nazi scientists running our

472

00:18:39,190 --> 00:18:36,640

rocket program

473

00:18:41,270 --> 00:18:39,200

why was it that the soviets managed to

474

00:18:43,830 --> 00:18:41,280

launch an artificial earth satellite

475

00:18:45,909 --> 00:18:43,840

first that seems suspect according to

476

00:18:47,510 --> 00:18:45,919

his understanding and he thinks it

477

00:18:50,070 --> 00:18:47,520

suggests that there was a collusion

478

00:18:52,150 --> 00:18:50,080

going on and that perhaps even the nazi

479

00:18:53,909 --> 00:18:52,160

scientists running our rocket program

480

00:18:56,950 --> 00:18:53,919

and then later nasa when it became a

481

00:18:58,789 --> 00:18:56,960

civilian organization again only in name

482

00:19:01,590 --> 00:18:58,799

is that the nazi scientists running it

483

00:19:03,750 --> 00:19:01,600

weren't even really trying and perhaps

484

00:19:06,390 --> 00:19:03,760

no one else had the expertise to realize

485

00:19:08,470 --> 00:19:06,400

that perhaps they were just stalling and

486

00:19:10,390 --> 00:19:08,480

letting the soviet side get ahead

487

00:19:12,630 --> 00:19:10,400

because that was part of their

488

00:19:14,950 --> 00:19:12,640

overarching plan

489

00:19:17,750 --> 00:19:14,960

now earlier we talked about nick cook's

490

00:19:19,669 --> 00:19:17,760

excellent book the hunt for zero point

491

00:19:22,310 --> 00:19:19,679

which discussed the possibility that the

492

00:19:24,470 --> 00:19:22,320

nazis were on the verge or perhaps had

493

00:19:25,750 --> 00:19:24,480

achieved a breakthrough in this

494

00:19:27,430 --> 00:19:25,760

technology

495

00:19:29,510 --> 00:19:27,440

which again would not only shear

496

00:19:31,430 --> 00:19:29,520

space-time and create space-time

497

00:19:34,310 --> 00:19:31,440

distortion as a result

498

00:19:36,710 --> 00:19:34,320

but would perhaps open a vortex allowing

499

00:19:38,870 --> 00:19:36,720

for the channeling of an unlimited

500

00:19:40,789 --> 00:19:38,880

source of energy

501
00:19:43,430 --> 00:19:40,799
now the actual device we're speaking

502
00:19:45,669 --> 00:19:43,440
about here is called diglock which is

503
00:19:47,990 --> 00:19:45,679
german for the bell this is often

504
00:19:50,150 --> 00:19:48,000
referred to as the nazi bell because it

505
00:19:52,870 --> 00:19:50,160
was a bell-shaped device with

506
00:19:55,350 --> 00:19:52,880
counter-rotating drums and the notion

507
00:19:56,549 --> 00:19:55,360
here was that it used electromagnetic

508
00:19:58,870 --> 00:19:56,559
stresses

509
00:19:59,830 --> 00:19:58,880
and subjected these to the serum within

510
00:20:02,310 --> 00:19:59,840
the bell

511
00:20:04,950 --> 00:20:02,320
which made a change at a quantum level

512
00:20:07,350 --> 00:20:04,960
opening a vortex as in a supermassive

513
00:20:10,149 --> 00:20:07,360

black hole which then functioned

514

00:20:13,190 --> 00:20:10,159

hypothetically anyway like a power plant

515

00:20:14,870 --> 00:20:13,200

providing unlimited free energy

516

00:20:16,470 --> 00:20:14,880

so again the implication here is not

517

00:20:18,549 --> 00:20:16,480

only that you would have free energy

518

00:20:20,549 --> 00:20:18,559

that once you've expended the energy to

519

00:20:22,149 --> 00:20:20,559

open the vortex from then on you could

520

00:20:25,190 --> 00:20:22,159

pull free energy

521

00:20:28,310 --> 00:20:25,200

from the ether so to speak forever

522

00:20:30,149 --> 00:20:28,320

but it also as a byproduct because the

523

00:20:31,350 --> 00:20:30,159

forces actually sheared space time

524

00:20:34,230 --> 00:20:31,360

itself

525

00:20:36,870 --> 00:20:34,240

allowed even for the possibility of time

526

00:20:40,630 --> 00:20:36,880

travel and that's why this was titled by

527

00:20:43,510 --> 00:20:40,640

the nazis project kronos named of course

528

00:20:45,669 --> 00:20:43,520

after the greek god of time

529

00:20:46,710 --> 00:20:45,679

now speaking of the possibility of time

530

00:20:49,510 --> 00:20:46,720

travel

531

00:20:52,310 --> 00:20:49,520

some theorists some researchers such as

532

00:20:55,909 --> 00:20:52,320

jason reza giorgiani have suggested that

533

00:20:57,750 --> 00:20:55,919

perhaps these nazis both within the us

534

00:21:00,310 --> 00:20:57,760

government and the soviet government

535

00:21:03,510 --> 00:21:00,320

became aware of the likelihood or

536

00:21:06,710 --> 00:21:03,520

perhaps even the definite eventuality of

537

00:21:08,870 --> 00:21:06,720

catastrophic climate change on the earth

538

00:21:10,470 --> 00:21:08,880

and this led these elites to prepare for

539

00:21:12,470 --> 00:21:10,480

life elsewhere

540

00:21:15,510 --> 00:21:12,480

and some have suggested this may have

541

00:21:17,990 --> 00:21:15,520

been the planet mars but not mars of

542

00:21:20,470 --> 00:21:18,000

today but rather mars of the distant

543

00:21:23,350 --> 00:21:20,480

past when it was a vibrant flourishing

544

00:21:24,710 --> 00:21:23,360

planet with a sustaining atmosphere much

545

00:21:26,710 --> 00:21:24,720

like earth

546

00:21:29,029 --> 00:21:26,720

and of course this fits him with the

547

00:21:31,669 --> 00:21:29,039

secret space program narrative

548

00:21:34,789 --> 00:21:31,679

suggesting that actually some of these

549

00:21:38,630 --> 00:21:34,799

elites managed to achieve space travel

550

00:21:40,870 --> 00:21:38,640

to mars as early as the 1960s

551

00:21:42,549 --> 00:21:40,880

now in addition to the nazi scientists

552

00:21:44,789 --> 00:21:42,559

that were recruited by both the united

553

00:21:46,470 --> 00:21:44,799

states and the soviet union at the close

554

00:21:48,630 --> 00:21:46,480

of world war ii

555

00:21:51,110 --> 00:21:48,640

we should remember that many nazis

556

00:21:53,270 --> 00:21:51,120

escaped to south america and even to the

557

00:21:55,590 --> 00:21:53,280

middle east apparently there is a fair

558

00:21:57,990 --> 00:21:55,600

amount of evidence that these nazis

559

00:22:01,590 --> 00:21:58,000

managed to populate places such as

560

00:22:03,430 --> 00:22:01,600

argentina paraguay uruguay etc

561

00:22:06,789 --> 00:22:03,440

and when you think about how far south

562

00:22:08,710 --> 00:22:06,799

argentina is geographically we also

563

00:22:11,430 --> 00:22:08,720

think of the fact that there are rumors

564

00:22:14,310 --> 00:22:11,440

again that there may even be secret nazi

565

00:22:16,789 --> 00:22:14,320

bases in antarctica and of course part

566

00:22:19,990 --> 00:22:16,799

of those rumors include the notion of

567

00:22:22,710 --> 00:22:20,000

flying saucers that are stored in secret

568

00:22:25,029 --> 00:22:22,720

subterranean bases there

569

00:22:26,470 --> 00:22:25,039

now interestingly in potential support

570

00:22:28,630 --> 00:22:26,480

of this notion

571

00:22:30,630 --> 00:22:28,640

one can find evidence that google earth

572

00:22:33,190 --> 00:22:30,640

for instance blocks out certain

573

00:22:34,470 --> 00:22:33,200

high-definition views of parts of

574

00:22:37,190 --> 00:22:34,480

antarctica

575

00:22:38,950 --> 00:22:37,200

again this raises the question why

576
00:22:41,029 --> 00:22:38,960
now perhaps these are secret american

577
00:22:43,270 --> 00:22:41,039
bases or something like that

578
00:22:45,750 --> 00:22:43,280
but nevertheless it raises the question

579
00:22:47,590 --> 00:22:45,760
something seems to be there justifying

580
00:22:48,870 --> 00:22:47,600
the blocking out of high definition

581
00:22:50,950 --> 00:22:48,880
views

582
00:22:53,750 --> 00:22:50,960
now speaking of the nazis and the

583
00:22:56,230 --> 00:22:53,760
development perhaps of flying saucers we

584
00:22:58,390 --> 00:22:56,240
noted earlier that apparently the ideal

585
00:23:00,470 --> 00:22:58,400
shape for an advanced craft was

586
00:23:01,990 --> 00:23:00,480
determined to be a disc

587
00:23:04,950 --> 00:23:02,000
and this has to do with something that's

588
00:23:07,190 --> 00:23:04,960

called the suction of the boundary layer

589

00:23:09,510 --> 00:23:07,200

basically this refers to how resistance

590

00:23:11,750 --> 00:23:09,520

builds up around wings when planes are

591

00:23:14,870 --> 00:23:11,760

flying at high speeds now originally

592

00:23:17,110 --> 00:23:14,880

slots were used to remove excess air but

593

00:23:19,190 --> 00:23:17,120

the reason a disc is the perfect shape

594

00:23:21,430 --> 00:23:19,200

the ideal shape is that you can equally

595

00:23:23,430 --> 00:23:21,440

distribute the air resistance around the

596

00:23:26,950 --> 00:23:23,440

entire craft and according to some of

597

00:23:29,909 --> 00:23:26,960

the rumors the nazi technology used disc

598

00:23:32,070 --> 00:23:29,919

shape craft and used slots at equal

599

00:23:35,270 --> 00:23:32,080

positions around the entire perimeter of

600

00:23:37,430 --> 00:23:35,280

the structure to remove excess air

601
00:23:39,590 --> 00:23:37,440
not only did this allow for maximum

602
00:23:42,070 --> 00:23:39,600
speed because it took away the air

603
00:23:44,710 --> 00:23:42,080
resistance but it also allowed for

604
00:23:46,549 --> 00:23:44,720
maximum maneuverability and again we

605
00:23:48,950 --> 00:23:46,559
think about these 90 degree turns that

606
00:23:50,470 --> 00:23:48,960
some of these craft have been observed

607
00:23:52,070 --> 00:23:50,480
making

608
00:23:55,190 --> 00:23:52,080
so what we basically have here

609
00:23:57,669 --> 00:23:55,200
apparently hypothetically is technology

610
00:23:59,510 --> 00:23:57,679
of flying saucers that combined this

611
00:24:01,990 --> 00:23:59,520
disc shape and the suctioning of the

612
00:24:04,230 --> 00:24:02,000
boundary layer along with the technology

613
00:24:07,430 --> 00:24:04,240

that the nazi bell that the glock

614

00:24:09,750 --> 00:24:07,440

produced via a shearing of space-time

615

00:24:12,149 --> 00:24:09,760

now in terms of potential additional

616

00:24:14,710 --> 00:24:12,159

lines of evidence we might look to

617

00:24:16,630 --> 00:24:14,720

colonel corso's book the day after

618

00:24:18,470 --> 00:24:16,640

roswell in which he discussed the

619

00:24:21,510 --> 00:24:18,480

materials that were found from the

620

00:24:23,830 --> 00:24:21,520

roswell crash now as rumor suggests and

621

00:24:26,070 --> 00:24:23,840

as corso suggests in his book these

622

00:24:29,110 --> 00:24:26,080

materials were then farmed out to u.s

623

00:24:31,269 --> 00:24:29,120

industry to allow the u.s to develop via

624

00:24:33,510 --> 00:24:31,279

reverse engineering technological

625

00:24:35,430 --> 00:24:33,520

advancements that gave it a superiority

626
00:24:37,990 --> 00:24:35,440
over rival nations

627
00:24:40,950 --> 00:24:38,000
now the technology gathered from the

628
00:24:44,230 --> 00:24:40,960
craft debris at roswell

629
00:24:46,390 --> 00:24:44,240
apparently included things like kevlar

630
00:24:47,990 --> 00:24:46,400
night vision lasers

631
00:24:49,590 --> 00:24:48,000
perforated metal

632
00:24:52,230 --> 00:24:49,600
now that was certainly cutting edge

633
00:24:53,990 --> 00:24:52,240
technology for 1947

634
00:24:56,950 --> 00:24:54,000
but not so cutting edge that it would

635
00:24:59,669 --> 00:24:56,960
seem to suggest that the origin source

636
00:25:01,430 --> 00:24:59,679
was of extraterrestrial nature

637
00:25:02,549 --> 00:25:01,440
and what these various theorists are

638
00:25:04,789 --> 00:25:02,559

proposing

639

00:25:07,110 --> 00:25:04,799

is that actually what was recovered

640

00:25:10,149 --> 00:25:07,120

was debris from craft that were being

641

00:25:10,950 --> 00:25:10,159

tested by this breakaway civilization by

642

00:25:13,750 --> 00:25:10,960

this

643

00:25:16,230 --> 00:25:13,760

secret deeply embedded sequestered

644

00:25:19,430 --> 00:25:16,240

society that at this point existed

645

00:25:22,070 --> 00:25:19,440

beyond the purview or control or perhaps

646

00:25:23,190 --> 00:25:22,080

even knowledge of any nation-state

647

00:25:25,669 --> 00:25:23,200

player

648

00:25:28,789 --> 00:25:25,679

furthermore again theorists such as

649

00:25:31,110 --> 00:25:28,799

giorgiani suggest that even the cover

650

00:25:33,350 --> 00:25:31,120

stories for the roswell crash

651
00:25:35,830 --> 00:25:33,360
point to the possibility that some

652
00:25:38,070 --> 00:25:35,840
segments of the us government became

653
00:25:41,029 --> 00:25:38,080
aware that this was of terrestrial

654
00:25:43,110 --> 00:25:41,039
origin but not of a nation-state actor

655
00:25:45,269 --> 00:25:43,120
and that in addition to offering cover

656
00:25:48,549 --> 00:25:45,279
stories such as weather balloons the

657
00:25:51,510 --> 00:25:48,559
alien ufo narrative was also a cover

658
00:25:54,630 --> 00:25:51,520
story to cover over the fact that

659
00:25:57,510 --> 00:25:54,640
a powerful non-nation-state player had

660
00:26:00,549 --> 00:25:57,520
the ability to fly into u.s airspace and

661
00:26:02,870 --> 00:26:00,559
access a highly restricted nuclear

662
00:26:05,909 --> 00:26:02,880
facility because again at that point

663
00:26:08,230 --> 00:26:05,919

roswell was a key location of the u.s

664

00:26:09,830 --> 00:26:08,240

nuclear arsenal this is not something

665

00:26:13,029 --> 00:26:09,840

the u.s government would have wanted to

666

00:26:14,870 --> 00:26:13,039

admit to its people so the suggestion is

667

00:26:18,310 --> 00:26:14,880

again according to some theorists that

668

00:26:19,830 --> 00:26:18,320

even the ufo et explanation was actually

669

00:26:23,190 --> 00:26:19,840

a cover story

670

00:26:26,230 --> 00:26:23,200

to hide what was actually going on

671

00:26:28,230 --> 00:26:26,240

now speaking of interaction between ufos

672

00:26:30,789 --> 00:26:28,240

and nuclear facilities we would be

673

00:26:33,350 --> 00:26:30,799

remiss to not also discuss the fact that

674

00:26:34,470 --> 00:26:33,360

this has happened historically many many

675

00:26:36,310 --> 00:26:34,480

times

676
00:26:39,029 --> 00:26:36,320
robert hastings for instance has

677
00:26:41,510 --> 00:26:39,039
documented this time and time again

678
00:26:44,149 --> 00:26:41,520
where ufos show up at sensitive nuclear

679
00:26:46,870 --> 00:26:44,159
facilities and not only do they show up

680
00:26:49,190 --> 00:26:46,880
but they're able to at their will

681
00:26:51,430 --> 00:26:49,200
shut down our nuclear warheads and

682
00:26:52,630 --> 00:26:51,440
they've also done this in the soviet

683
00:26:55,510 --> 00:26:52,640
union

684
00:26:58,870 --> 00:26:55,520
so some actor is apparently showing up

685
00:27:01,750 --> 00:26:58,880
and controlling manipulating both the us

686
00:27:05,269 --> 00:27:01,760
and the soviet nuclear arsenal

687
00:27:07,269 --> 00:27:05,279
now what if perhaps it is this rogue

688
00:27:09,430 --> 00:27:07,279

breakaway civilization

689

00:27:11,830 --> 00:27:09,440

and that counter to the common narrative

690

00:27:14,070 --> 00:27:11,840

that perhaps this is aliens from an

691

00:27:16,070 --> 00:27:14,080

extraterrestrial source trying to send

692

00:27:17,750 --> 00:27:16,080

us some coded message about the danger

693

00:27:19,630 --> 00:27:17,760

of our nuclear weapons

694

00:27:22,149 --> 00:27:19,640

what if instead it is this

695

00:27:23,990 --> 00:27:22,159

non-nation-state player this breakaway

696

00:27:26,149 --> 00:27:24,000

civilization that has reached a level of

697

00:27:29,029 --> 00:27:26,159

technological sophistication

698

00:27:31,190 --> 00:27:29,039

far beyond conventional society and that

699

00:27:34,230 --> 00:27:31,200

actually what they are doing is a dry

700

00:27:37,110 --> 00:27:34,240

run to make sure they can control the

701
00:27:39,190 --> 00:27:37,120
entire nuclear capabilities of all

702
00:27:40,950 --> 00:27:39,200
nation-state players

703
00:27:43,510 --> 00:27:40,960
i think that's a counter-explanation

704
00:27:45,590 --> 00:27:43,520
that we at least have to consider

705
00:27:48,710 --> 00:27:45,600
and by the way perhaps you're wondering

706
00:27:50,230 --> 00:27:48,720
if nazi germany had fallen at the point

707
00:27:52,310 --> 00:27:50,240
that the craft were observed for

708
00:27:54,630 --> 00:27:52,320
instance in 1947

709
00:27:57,029 --> 00:27:54,640
by kenneth arnold near mount ray near

710
00:28:00,310 --> 00:27:57,039
washington let us not forget that there

711
00:28:03,750 --> 00:28:00,320
still existed a fascist dictatorship in

712
00:28:05,190 --> 00:28:03,760
europe this was francisco franco's reign

713
00:28:07,830 --> 00:28:05,200

in spain

714

00:28:10,950 --> 00:28:07,840

and apparently as rumor has it they were

715

00:28:13,590 --> 00:28:10,960

actually developing disc like technology

716

00:28:16,230 --> 00:28:13,600

flying saucers were being developed by

717

00:28:18,789 --> 00:28:16,240

spain at this time right around the same

718

00:28:21,029 --> 00:28:18,799

time that the first ufo sightings were

719

00:28:23,350 --> 00:28:21,039

spotted in the united states that at

720

00:28:25,269 --> 00:28:23,360

least offers a possibility of a

721

00:28:27,029 --> 00:28:25,279

terrestrial origin for these flying

722

00:28:29,510 --> 00:28:27,039

saucers which again would be an

723

00:28:31,590 --> 00:28:29,520

extension of the technology that had

724

00:28:32,630 --> 00:28:31,600

been developed by the nazis during the

725

00:28:34,710 --> 00:28:32,640

war

726

00:28:36,950 --> 00:28:34,720

and of course let us not forget that

727

00:28:39,750 --> 00:28:36,960

spain of course is spanish-speaking and

728

00:28:43,430 --> 00:28:39,760

so is argentina and other places that

729

00:28:46,070 --> 00:28:43,440

these nazis apparently escape to

730

00:28:48,070 --> 00:28:46,080

one final historical point of note that

731

00:28:50,789 --> 00:28:48,080

may relate to all of this

732

00:28:54,070 --> 00:28:50,799

is that of the strange airship sightings

733

00:28:56,549 --> 00:28:54,080

that happened in the late 19th and early

734

00:28:59,350 --> 00:28:56,559

20th century both in places like the

735

00:29:00,470 --> 00:28:59,360

american southwest and places in south

736

00:29:02,070 --> 00:29:00,480

america

737

00:29:04,710 --> 00:29:02,080

if you think back to some of those

738

00:29:07,350 --> 00:29:04,720

strange stories sometimes these craft

739

00:29:10,310 --> 00:29:07,360

that looked next gen at the time but

740

00:29:12,870 --> 00:29:10,320

still terrestrial in nature involved

741

00:29:15,269 --> 00:29:12,880

human beings landing asking for basic

742

00:29:17,510 --> 00:29:15,279

supplies like water and such and even

743

00:29:18,549 --> 00:29:17,520

offering various farmers in texas for

744

00:29:21,190 --> 00:29:18,559

instance

745

00:29:23,510 --> 00:29:21,200

rides to places like south america at

746

00:29:24,710 --> 00:29:23,520

what was considered then remarkable

747

00:29:26,549 --> 00:29:24,720

speeds

748

00:29:29,110 --> 00:29:26,559

when asked about these craft and where

749

00:29:31,510 --> 00:29:29,120

they come from it was suggested that

750

00:29:33,269 --> 00:29:31,520

prussian nationalists were backing

751
00:29:36,070 --> 00:29:33,279
this technology that was being developed

752
00:29:37,549 --> 00:29:36,080
in places like sonora california by a

753
00:29:40,070 --> 00:29:37,559
group that involved a kind of

754
00:29:42,549 --> 00:29:40,080
transatlantic cooperation between

755
00:29:45,029 --> 00:29:42,559
germanic and american sources that had

756
00:29:47,510 --> 00:29:45,039
deep ancestral links to prussian

757
00:29:50,149 --> 00:29:47,520
nationalism in other words both in

758
00:29:52,230 --> 00:29:50,159
america and in germany there was this

759
00:29:53,510 --> 00:29:52,240
common link of this deep prussian

760
00:29:56,149 --> 00:29:53,520
background

761
00:29:59,669 --> 00:29:56,159
and some very well-known americans like

762
00:30:01,830 --> 00:29:59,679
rockefeller and ford and dulles allen

763
00:30:05,110 --> 00:30:01,840

dillis the first civilian director of

764

00:30:07,190 --> 00:30:05,120

the central intelligence agency the cia

765

00:30:09,909 --> 00:30:07,200

and the famous american investment

766

00:30:12,470 --> 00:30:09,919

banker j.p morgan

767

00:30:15,909 --> 00:30:12,480

were highly involved in funding the

768

00:30:18,070 --> 00:30:15,919

early rise of nazi germany henry ford

769

00:30:20,549 --> 00:30:18,080

has been known to be involved with

770

00:30:22,310 --> 00:30:20,559

anti-semitic literature again not only

771

00:30:25,029 --> 00:30:22,320

did their ancestral roots go back to

772

00:30:27,510 --> 00:30:25,039

germany but they were actually funding

773

00:30:30,070 --> 00:30:27,520

prussian nationalists in germany and

774

00:30:31,269 --> 00:30:30,080

they themselves had prussian nationalist

775

00:30:34,149 --> 00:30:31,279

backgrounds

776

00:30:36,230 --> 00:30:34,159

again suggesting a transatlantic nexus

777

00:30:38,549 --> 00:30:36,240

that was perhaps planting the early

778

00:30:40,870 --> 00:30:38,559

seeds for this future breakaway

779

00:30:42,950 --> 00:30:40,880

civilization

780

00:30:45,430 --> 00:30:42,960

now as we draw this episode to a

781

00:30:47,669 --> 00:30:45,440

conclusion i would say that while it may

782

00:30:49,909 --> 00:30:47,679

seem a stretch to consider these various

783

00:30:53,190 --> 00:30:49,919

threads of what we might call alt

784

00:30:54,950 --> 00:30:53,200

history as being legitimate genuine

785

00:30:57,430 --> 00:30:54,960

actually historical

786

00:30:59,830 --> 00:30:57,440

it's worth noting that if the technology

787

00:31:02,389 --> 00:30:59,840

to harness zero-point energy and to

788

00:31:04,549 --> 00:31:02,399

therefore manipulate space-time was

789

00:31:07,990 --> 00:31:04,559

achieved at some point during the 20th

790

00:31:11,029 --> 00:31:08,000

century by some deeply black scientific

791

00:31:13,990 --> 00:31:11,039

techno-elites the implications would be

792

00:31:15,990 --> 00:31:14,000

profound and incredibly far-reaching

793

00:31:18,630 --> 00:31:16,000

allowing for not only the harnessing of

794

00:31:21,190 --> 00:31:18,640

limitless power but also the creation of

795

00:31:24,710 --> 00:31:21,200

devices resembling the shape and

796

00:31:27,430 --> 00:31:24,720

capabilities of classical ufos

797

00:31:30,789 --> 00:31:27,440

while also making possible time travel

798

00:31:32,789 --> 00:31:30,799

and thus of history manipulation that at

799

00:31:34,710 --> 00:31:32,799

least could happen without the rest of

800

00:31:37,509 --> 00:31:34,720

the conventional nation-state

801
00:31:39,110 --> 00:31:37,519
civilization structure being any the

802
00:31:42,070 --> 00:31:39,120
wiser

803
00:31:43,750 --> 00:31:42,080
speculative yes absolutely

804
00:31:46,230 --> 00:31:43,760
worth considering as yet another

805
00:31:49,669 --> 00:31:46,240
possible thread within the totality of

806
00:31:52,070 --> 00:31:49,679
the tapestry we call the ufo phenomenon

807
00:31:54,710 --> 00:31:52,080
absolutely i believe we should answer

808
00:31:57,590 --> 00:31:54,720
that in the affirmative

809
00:31:59,509 --> 00:31:57,600
and on that note we've come to the close

810
00:32:01,350 --> 00:31:59,519
of another edition of the point of

811
00:32:03,269 --> 00:32:01,360
convergence podcast

812
00:32:06,710 --> 00:32:03,279
if you'd like to support this podcast

813
00:32:09,110 --> 00:32:06,720

you can do so by going to patreon.com

814

00:32:11,350 --> 00:32:09,120

exo academian

815

00:32:13,190 --> 00:32:11,360

but until next time friends from deep

816

00:32:16,710 --> 00:32:13,200

within the blue ridge mountains of north
