1
00:00:02,860 --> 00:00:07,909

[Music]

2
00:00:14,070 --> 00:00:11,430

hello and welcome to episode number 67

3
00:00:18,470 --> 00:00:14,080

of the point of convergence podcast as

4
00:00:20,230 --> 00:00:18,480

always i am your host exo academian

5
00:00:23,750 --> 00:00:20,240

when we think back to the dawn of the

6
00:00:25,509 --> 00:00:23,760

modern ufo era in the 1940s and the

7
00:00:27,429 --> 00:00:25,519

subsequent reports of sightings and

8
00:00:29,189 --> 00:00:27,439

interactions ever since

9
00:00:32,950 --> 00:00:29,199

whether they be of the quintessential

10
00:00:34,310 --> 00:00:32,960

flying saucers black triangles tic tacs

11
00:00:36,549 --> 00:00:34,320

or orbs

12
00:00:38,869 --> 00:00:36,559

the focus has largely been on how these

13
00:00:41,750 --> 00:00:38,879

strange and sophisticated craft and or

14
00:00:43,190 --> 00:00:41,760
phenomena seem to suddenly appear in our

15
00:00:45,270 --> 00:00:43,200
skies

16
00:00:46,950 --> 00:00:45,280
where are they coming from who are they

17
00:00:49,270 --> 00:00:46,960
what is their agenda

18
00:00:52,470 --> 00:00:49,280
all of these questions inevitably arise

19
00:00:54,389 --> 00:00:52,480
as we perceive them entering our reality

20
00:00:56,709 --> 00:00:54,399
it goes without saying that it is these

21
00:00:58,709 --> 00:00:56,719
others whoever and whatever they may

22
00:01:00,869 --> 00:00:58,719
ultimately prove to be whether

23
00:01:02,590 --> 00:01:00,879
extraterrestrial interdimensional

24
00:01:05,509 --> 00:01:02,600
time-traveling humans

25
00:01:07,429 --> 00:01:05,519
ultra-terrestrials or all of the above

26

00:01:09,590 --> 00:01:07,439

it is they who have been in charge of

27

00:01:11,830 --> 00:01:09,600

the interaction with us

28

00:01:14,710 --> 00:01:11,840

and it is this revelation that has set

29

00:01:17,109 --> 00:01:14,720

many a human being on edge

30

00:01:19,030 --> 00:01:17,119

why is this off-putting for some

31

00:01:21,910 --> 00:01:19,040

well because we humans like to believe

32

00:01:24,070 --> 00:01:21,920

we're in control of our daily lives

33

00:01:26,469 --> 00:01:24,080

of course this fragile sense of control

34

00:01:28,550 --> 00:01:26,479

is only further perturbed when we learn

35

00:01:30,789 --> 00:01:28,560

of so-called abductions

36

00:01:33,270 --> 00:01:30,799

where these others or at least a subset

37

00:01:35,109 --> 00:01:33,280

of them reportedly take human beings

38

00:01:38,390 --> 00:01:35,119

from the comfort of their own homes and

39

00:01:40,630 --> 00:01:38,400

up into their craft and elsewhere

40

00:01:43,910 --> 00:01:40,640

while when i just outlined describes the

41

00:01:45,990 --> 00:01:43,920

typical narrative around ufos and aliens

42

00:01:48,149 --> 00:01:46,000

and our interaction with them

43

00:01:50,149 --> 00:01:48,159

it is not the full story

44

00:01:52,789 --> 00:01:50,159

for decades now there have existed

45

00:01:54,950 --> 00:01:52,799

groups of curious and bold people who

46

00:01:57,510 --> 00:01:54,960

have sought to take the front foot as it

47

00:02:00,789 --> 00:01:57,520

were in regards to the encounters with

48

00:02:02,389 --> 00:02:00,799

these apparently non-human intelligences

49

00:02:05,510 --> 00:02:02,399

these groups have sought to define a

50

00:02:07,990 --> 00:02:05,520

series of protocols around which contact

51
00:02:10,550 --> 00:02:08,000
and ongoing communication with these for

52
00:02:11,910 --> 00:02:10,560
lack of a better term aliens can take

53
00:02:13,830 --> 00:02:11,920
place

54
00:02:16,869 --> 00:02:13,840
while these attempts at human initiated

55
00:02:18,710 --> 00:02:16,879
contact may seem surprising to some what

56
00:02:20,630 --> 00:02:18,720
is even more interesting is that the

57
00:02:23,430 --> 00:02:20,640
historical record has shown that these

58
00:02:26,229 --> 00:02:23,440
efforts have proven successful

59
00:02:28,390 --> 00:02:26,239
not always but often enough so as to be

60
00:02:30,470 --> 00:02:28,400
considered effective

61
00:02:32,229 --> 00:02:30,480
of course what this also suggests is

62
00:02:35,110 --> 00:02:32,239
that there really is an opportunity for

63
00:02:37,589 --> 00:02:35,120

a relationship here a two-way dialogue

64

00:02:39,350 --> 00:02:37,599

so to speak human to other and vice

65

00:02:40,710 --> 00:02:39,360

versa

66

00:02:42,710 --> 00:02:40,720

but what are the nature of these

67

00:02:44,309 --> 00:02:42,720

protocols and what makes them quote

68

00:02:46,790 --> 00:02:44,319

unquote work

69

00:02:49,509 --> 00:02:46,800

and who really are we contacting when

70

00:02:52,710 --> 00:02:49,519

these efforts do prove successful

71

00:02:54,150 --> 00:02:52,720

are we being deceived perhaps even used

72

00:02:55,509 --> 00:02:54,160

are we opening ourselves up to

73

00:02:57,509 --> 00:02:55,519

manipulation

74

00:02:59,670 --> 00:02:57,519

or are these interactions exactly what

75

00:03:01,190 --> 00:02:59,680

they often appear to be peaceful and

76

00:03:04,070 --> 00:03:01,200

cooperative

77

00:03:06,309 --> 00:03:04,080

are these others our moral superiors or

78

00:03:08,550 --> 00:03:06,319

are they just technological giants with

79

00:03:10,550 --> 00:03:08,560

no qualms about using less advanced

80

00:03:12,390 --> 00:03:10,560

species

81

00:03:14,630 --> 00:03:12,400

these have always been and will continue

82

00:03:16,869 --> 00:03:14,640

to be the pressing and pertinent

83

00:03:19,910 --> 00:03:16,879

questions in play when it comes to human

84

00:03:22,149 --> 00:03:19,920

contact with alien others

85

00:03:24,630 --> 00:03:22,159

speaking of these matters i personally

86

00:03:27,350 --> 00:03:24,640

had an opportunity recently to engage

87

00:03:30,070 --> 00:03:27,360

these very questions in a very direct up

88

00:03:32,070 --> 00:03:30,080

close and personal manner when i joined

89

00:03:35,110 --> 00:03:32,080

a special group of experiencers and

90

00:03:37,350 --> 00:03:35,120

researchers to both pursue contact and

91

00:03:39,509 --> 00:03:37,360

explore consciousness as part of a

92

00:03:41,430 --> 00:03:39,519

multi-day retreat

93

00:03:43,830 --> 00:03:41,440

it is the nature of the experiences we

94

00:03:46,710 --> 00:03:43,840

had as well as the lessons learned as a

95

00:03:49,430 --> 00:03:46,720

result that are the topic of this the

96

00:03:52,540 --> 00:03:49,440

67th episode of the point of convergence

97

00:03:57,910 --> 00:03:55,750

[Music]

98

00:04:00,390 --> 00:03:57,920

as we begin this week's episode let me

99

00:04:02,550 --> 00:04:00,400

just take a few minutes to set the scene

100

00:04:04,789 --> 00:04:02,560

as i describe how i became involved with

101
00:04:06,229 --> 00:04:04,799
this group to begin with

102
00:04:08,229 --> 00:04:06,239
first of all i should point out that

103
00:04:10,949 --> 00:04:08,239
i've been investigating the ufo

104
00:04:13,030 --> 00:04:10,959
phenomenon and general paranormality

105
00:04:14,789 --> 00:04:13,040
within the larger context of

106
00:04:17,590 --> 00:04:14,799
consciousness really

107
00:04:19,909 --> 00:04:17,600
for years now and officially as part of

108
00:04:21,749 --> 00:04:19,919
this podcast point of convergence for

109
00:04:24,230 --> 00:04:21,759
about a year and a half now it was

110
00:04:25,590 --> 00:04:24,240
december of 2020 that i first began this

111
00:04:27,350 --> 00:04:25,600
podcast

112
00:04:29,430 --> 00:04:27,360
and for the first year or so i really

113
00:04:31,350 --> 00:04:29,440

was just looking at the different

114

00:04:32,950 --> 00:04:31,360

hypotheses the different notions that

115

00:04:34,950 --> 00:04:32,960

were arising and have arisen

116

00:04:38,230 --> 00:04:34,960

historically to make sense of the

117

00:04:40,070 --> 00:04:38,240

phenomena we are experiencing and seeing

118

00:04:42,469 --> 00:04:40,080

and i was taking you along with me on

119

00:04:44,390 --> 00:04:42,479

the journey as we discuss the pros and

120

00:04:46,390 --> 00:04:44,400

cons of these different elements of

121

00:04:48,790 --> 00:04:46,400

these different hypotheses

122

00:04:51,830 --> 00:04:48,800

and as we try to see which of them

123

00:04:53,909 --> 00:04:51,840

either individually or in combination

124

00:04:55,350 --> 00:04:53,919

could make sense of all of the data we

125

00:04:56,950 --> 00:04:55,360

are seeing

126

00:04:59,430 --> 00:04:56,960

and over time i think it's probably

127

00:05:01,830 --> 00:04:59,440

become pretty clear as i've showed my

128

00:05:04,310 --> 00:05:01,840

hand so to speak that i lean towards a

129

00:05:06,550 --> 00:05:04,320

combination of these hypotheses

130

00:05:08,710 --> 00:05:06,560

being in play in terms of explaining the

131

00:05:10,790 --> 00:05:08,720

totality of what we're seeing

132

00:05:12,870 --> 00:05:10,800

i think we're seeing a complex array of

133

00:05:14,710 --> 00:05:12,880

different phenomena that we tend to

134

00:05:17,270 --> 00:05:14,720

group together only because they're

135

00:05:19,029 --> 00:05:17,280

equally strange in many ways but just

136

00:05:21,590 --> 00:05:19,039

because they're equally strange doesn't

137

00:05:23,029 --> 00:05:21,600

mean they're one thing one entity one

138

00:05:25,430 --> 00:05:23,039

phenomenon

139

00:05:27,909 --> 00:05:25,440

i would suggest it is our bias in paying

140

00:05:29,830 --> 00:05:27,919

so much attention to the strangeness the

141

00:05:32,390 --> 00:05:29,840

absurdity even that jacques villa

142

00:05:34,870 --> 00:05:32,400

identified that tends to make us draw

143

00:05:36,629 --> 00:05:34,880

the conclusion even unconsciously that

144

00:05:38,390 --> 00:05:36,639

this is one thing

145

00:05:40,310 --> 00:05:38,400

that because it's so strange it is an

146

00:05:42,550 --> 00:05:40,320

outlier from the rest of reality and

147

00:05:43,590 --> 00:05:42,560

should be thought of as one thing

148

00:05:46,150 --> 00:05:43,600

i don't think that's the best

149

00:05:48,629 --> 00:05:46,160

explanation of the data even amidst the

150

00:05:51,270 --> 00:05:48,639

high strangeness we see across a variety

151
00:05:53,510 --> 00:05:51,280
of phenomena i think distinct patterns

152
00:05:55,350 --> 00:05:53,520
have emerged over time when you pay

153
00:05:57,430 --> 00:05:55,360
close attention at least that's my

154
00:05:59,749 --> 00:05:57,440
working hypothesis and that's what i've

155
00:06:02,309 --> 00:05:59,759
been investigating as i've looked into

156
00:06:04,150 --> 00:06:02,319
different cases and different groups of

157
00:06:05,749 --> 00:06:04,160
cases that fall under a certain kind of

158
00:06:07,350 --> 00:06:05,759
pattern structure

159
00:06:09,990 --> 00:06:07,360
so all that is to say that little

160
00:06:11,990 --> 00:06:10,000
preamble there was just to describe what

161
00:06:14,629 --> 00:06:12,000
this podcast has been about what my

162
00:06:16,390 --> 00:06:14,639
journey has been about i've had several

163
00:06:18,150 --> 00:06:16,400

listeners write in to say that they

164

00:06:20,469 --> 00:06:18,160

enjoy this podcast partly because it

165

00:06:22,950 --> 00:06:20,479

feels like they're along for the ride as

166

00:06:25,270 --> 00:06:22,960

i myself explore this phenomenon more

167

00:06:27,909 --> 00:06:25,280

deeply and take different twists and

168

00:06:28,870 --> 00:06:27,919

turns as the data becomes more and more

169

00:06:31,110 --> 00:06:28,880

clear

170

00:06:33,189 --> 00:06:31,120

or to be more precise as certain

171

00:06:35,510 --> 00:06:33,199

patterns seem to emerge from within the

172

00:06:37,670 --> 00:06:35,520

totality of the data

173

00:06:40,309 --> 00:06:37,680

now of course much of this analysis has

174

00:06:42,790 --> 00:06:40,319

happened at a 30 000 foot view so to

175

00:06:45,189 --> 00:06:42,800

speak in other words my personality is

176

00:06:47,830 --> 00:06:45,199

such that i like to step back take the

177

00:06:50,150 --> 00:06:47,840

broad perspective as much as i can see

178

00:06:52,790 --> 00:06:50,160

the totality see the lay of the land so

179

00:06:53,589 --> 00:06:52,800

to speak and look for patterns within

180

00:06:57,270 --> 00:06:53,599

that

181

00:06:59,670 --> 00:06:57,280

familiarize myself with the data with

182

00:07:02,309 --> 00:06:59,680

the raw data as much as i can in other

183

00:07:03,909 --> 00:07:02,319

words the literature around experimenter

184

00:07:06,230 --> 00:07:03,919

accounts and whatnot and witness

185

00:07:09,110 --> 00:07:06,240

accounts and i try to separate that from

186

00:07:11,110 --> 00:07:09,120

the interpretations around those events

187

00:07:13,749 --> 00:07:11,120

so that i can get a good sense of the

188

00:07:15,510 --> 00:07:13,759

overall data first and foremost and only

189

00:07:18,230 --> 00:07:15,520

then do i then look into different

190

00:07:19,749 --> 00:07:18,240

hypotheses to make sense of that data at

191

00:07:21,749 --> 00:07:19,759

least potentially

192

00:07:23,749 --> 00:07:21,759

so that's the 30 000 foot view that's

193

00:07:26,230 --> 00:07:23,759

been my general approach and i think i

194

00:07:28,309 --> 00:07:26,240

would recommend it to anyone

195

00:07:30,230 --> 00:07:28,319

that said there's only so much you can

196

00:07:32,629 --> 00:07:30,240

learn by looking from that thirty

197

00:07:35,350 --> 00:07:32,639

thousand foot view perspective there's

198

00:07:37,270 --> 00:07:35,360

another kind of data set you can bring

199

00:07:39,830 --> 00:07:37,280

into the picture when you personally

200

00:07:41,510 --> 00:07:39,840

experience this phenomenon because as we

201
00:07:42,870 --> 00:07:41,520
know the impact on individuals

202
00:07:44,710 --> 00:07:42,880
themselves

203
00:07:47,189 --> 00:07:44,720
is one of the most interesting and

204
00:07:48,790 --> 00:07:47,199
significant data points and it's one

205
00:07:50,710 --> 00:07:48,800
thing to read accounts of people's

206
00:07:52,550 --> 00:07:50,720
experience with a phenomenon it's

207
00:07:54,629 --> 00:07:52,560
something else entirely to have your own

208
00:07:56,950 --> 00:07:54,639
experience with it and then to draw

209
00:07:58,629 --> 00:07:56,960
conclusions based on how it's changing

210
00:08:00,629 --> 00:07:58,639
you if at all

211
00:08:03,189 --> 00:08:00,639
and of course here self-awareness really

212
00:08:05,350 --> 00:08:03,199
matters knowing yourself really matters

213
00:08:07,909 --> 00:08:05,360

the more you are self-aware the more

214

00:08:10,150 --> 00:08:07,919

you're able to distinguish differences

215

00:08:11,749 --> 00:08:10,160

potentially that emerge in you as a

216

00:08:13,589 --> 00:08:11,759

result of interacting with the

217

00:08:15,749 --> 00:08:13,599

phenomenon

218

00:08:17,990 --> 00:08:15,759

now as many of you probably are already

219

00:08:19,990 --> 00:08:18,000

aware i have had my own personal

220

00:08:22,390 --> 00:08:20,000

experiences with the phenomenon that

221

00:08:25,189 --> 00:08:22,400

just happened to me the first one that i

222

00:08:27,189 --> 00:08:25,199

remember clearly anyway happened in 2005

223

00:08:29,110 --> 00:08:27,199

in a hotel and there's an episode where

224

00:08:31,350 --> 00:08:29,120

i discussed that in some detail so i

225

00:08:33,509 --> 00:08:31,360

won't go back over it again now but i

226

00:08:35,029 --> 00:08:33,519

have had experiences before but of

227

00:08:36,949 --> 00:08:35,039

course those were not

228

00:08:39,269 --> 00:08:36,959

by my initiative they just happened to

229

00:08:41,350 --> 00:08:39,279

me as is often the case for people who

230

00:08:43,190 --> 00:08:41,360

experience the phenomenon but of course

231

00:08:45,190 --> 00:08:43,200

there are different kinds of experiences

232

00:08:47,190 --> 00:08:45,200

where humans are actually the ones

233

00:08:49,509 --> 00:08:47,200

taking the front foot as i mentioned in

234

00:08:52,230 --> 00:08:49,519

the introduction where human beings are

235

00:08:54,949 --> 00:08:52,240

proactive in trying to contact these

236

00:08:57,910 --> 00:08:54,959

others again just as a quick disclaimer

237

00:08:59,910 --> 00:08:57,920

here when i say others my contention is

238

00:09:02,310 --> 00:08:59,920

that there are probably multiple others

239

00:09:04,870 --> 00:09:02,320

multiple groups of others arising from

240

00:09:06,310 --> 00:09:04,880

different sources different origins

241

00:09:08,310 --> 00:09:06,320

i just want to make that clear so you

242

00:09:10,150 --> 00:09:08,320

don't assume that when i say make

243

00:09:11,670 --> 00:09:10,160

contact with these others that i mean

244

00:09:13,829 --> 00:09:11,680

they're all one thing and then once

245

00:09:15,910 --> 00:09:13,839

you've done one you've covered it all i

246

00:09:17,750 --> 00:09:15,920

don't think that's the case not likely

247

00:09:20,710 --> 00:09:17,760

but nevertheless there are people who

248

00:09:23,590 --> 00:09:20,720

have engaged in trying to contact and

249

00:09:25,110 --> 00:09:23,600

interact with groups of these others

250

00:09:26,550 --> 00:09:25,120

and that's what i was interested in

251
00:09:28,949 --> 00:09:26,560
doing as well

252
00:09:31,190 --> 00:09:28,959
in other words in addition to taking the

253
00:09:33,190 --> 00:09:31,200
30 000 foot view and looking at the data

254
00:09:35,110 --> 00:09:33,200
of other people's experiences

255
00:09:37,269 --> 00:09:35,120
and in addition to reflecting on my own

256
00:09:38,949 --> 00:09:37,279
personal experiences that just happened

257
00:09:41,750 --> 00:09:38,959
to me so to speak

258
00:09:44,070 --> 00:09:41,760
i was also open to having my own

259
00:09:45,910 --> 00:09:44,080
encounters where i am the one taking the

260
00:09:47,590 --> 00:09:45,920
initiative and i was even more

261
00:09:49,750 --> 00:09:47,600
interested in the notion of doing this

262
00:09:51,910 --> 00:09:49,760
as part of a group of people because i

263
00:09:53,829 --> 00:09:51,920

think the amplitude so to speak goes up

264

00:09:55,990 --> 00:09:53,839

even more when you can do that

265

00:09:58,630 --> 00:09:56,000

especially when you're joining forces

266

00:10:01,509 --> 00:09:58,640

with what joseph burks would call prime

267

00:10:03,829 --> 00:10:01,519

contactees that is people who've had

268

00:10:06,550 --> 00:10:03,839

often lifelong encounters with this

269

00:10:08,949 --> 00:10:06,560

phenomenon and who seem to demonstrate a

270

00:10:10,870 --> 00:10:08,959

certain kind of repeatability with their

271

00:10:13,190 --> 00:10:10,880

encounters in other words they don't

272

00:10:15,829 --> 00:10:13,200

just have these few and far in between

273

00:10:18,230 --> 00:10:15,839

but they can happen quite regularly

274

00:10:20,069 --> 00:10:18,240

and recently a few months ago the

275

00:10:22,870 --> 00:10:20,079

opportunity of rose that fit this

276

00:10:24,949 --> 00:10:22,880

description exactly i was invited to be

277

00:10:27,350 --> 00:10:24,959

part of a group of people that were

278

00:10:29,509 --> 00:10:27,360

going to do a retreat over several days

279

00:10:31,910 --> 00:10:29,519

in a very unique location

280

00:10:33,990 --> 00:10:31,920

as part of an endeavor to make contact

281

00:10:35,990 --> 00:10:34,000

to try to make contact with some of

282

00:10:37,350 --> 00:10:36,000

these others as well as explore

283

00:10:39,670 --> 00:10:37,360

consciousness

284

00:10:41,590 --> 00:10:39,680

so when this opportunity arose i jumped

285

00:10:43,910 --> 00:10:41,600

at it because it really was a very

286

00:10:46,710 --> 00:10:43,920

unique opportunity with a very very

287

00:10:48,630 --> 00:10:46,720

promising group of people and speaking

288

00:10:50,710 --> 00:10:48,640

of who was involved it's important to

289

00:10:53,030 --> 00:10:50,720

stop and make this point here too

290

00:10:54,870 --> 00:10:53,040

just as your chances of making contact

291

00:10:57,750 --> 00:10:54,880

go up when you're associated with people

292

00:10:59,990 --> 00:10:57,760

who would be considered prime contactees

293

00:11:01,829 --> 00:11:00,000

according to joseph burke's definition

294

00:11:03,670 --> 00:11:01,839

by the same token if you're joined by

295

00:11:06,150 --> 00:11:03,680

the wrong group of people that are too

296

00:11:08,470 --> 00:11:06,160

cynical or too skeptical or just carry

297

00:11:10,630 --> 00:11:08,480

too much negative energy that can

298

00:11:13,430 --> 00:11:10,640

actually decrease the likelihood of an

299

00:11:16,389 --> 00:11:13,440

interaction that was my sense of this my

300

00:11:18,069 --> 00:11:16,399

felt sense and it also is backed up by

301
00:11:19,670 --> 00:11:18,079
the data itself

302
00:11:21,269 --> 00:11:19,680
that is to say when you look at

303
00:11:23,350 --> 00:11:21,279
experiencer accounts this seems to be

304
00:11:25,110 --> 00:11:23,360
backed up in the data

305
00:11:27,590 --> 00:11:25,120
so again just to make that point crystal

306
00:11:29,910 --> 00:11:27,600
clear if you join forces with people who

307
00:11:32,069 --> 00:11:29,920
have had repeated encounters with these

308
00:11:34,550 --> 00:11:32,079
others your chances of making contact

309
00:11:36,069 --> 00:11:34,560
along with them go up but likewise if

310
00:11:38,630 --> 00:11:36,079
you associate with the wrong group of

311
00:11:40,550 --> 00:11:38,640
people who are too cynical skeptical or

312
00:11:43,350 --> 00:11:40,560
just bring too much negative energy or

313
00:11:46,150 --> 00:11:43,360

even too much vein energy it seems to

314

00:11:47,990 --> 00:11:46,160

just diminish the signal altogether and

315

00:11:50,470 --> 00:11:48,000

no contact happens this has been

316

00:11:52,870 --> 00:11:50,480

demonstrated in the historical data even

317

00:11:55,910 --> 00:11:52,880

in contact attempts that were made in

318

00:11:58,069 --> 00:11:55,920

south america for instance decades ago

319

00:11:59,990 --> 00:11:58,079

now as i already mentioned there are

320

00:12:02,550 --> 00:12:00,000

likely different types of entities

321

00:12:04,550 --> 00:12:02,560

different kinds of intelligences arising

322

00:12:07,670 --> 00:12:04,560

from very different origin sources at

323

00:12:09,670 --> 00:12:07,680

least that's my working hypothesis

324

00:12:12,069 --> 00:12:09,680

also there are different means of

325

00:12:12,870 --> 00:12:12,079

contact they're not all the same and

326

00:12:15,110 --> 00:12:12,880

some

327

00:12:16,470 --> 00:12:15,120

may target one group over another even

328

00:12:18,470 --> 00:12:16,480

without us being aware that we're

329

00:12:21,670 --> 00:12:18,480

targeting one group over another with a

330

00:12:23,590 --> 00:12:21,680

certain protocol rather than another

331

00:12:26,310 --> 00:12:23,600

the protocol i was interested in

332

00:12:29,269 --> 00:12:26,320

pursuing was what is often referred to

333

00:12:31,750 --> 00:12:29,279

as ce5 which is short for close

334

00:12:34,790 --> 00:12:31,760

encounters of the fifth kind of course

335

00:12:37,030 --> 00:12:34,800

now the second i bring up that term ce5

336

00:12:38,870 --> 00:12:37,040

some people are going to be put off

337

00:12:39,910 --> 00:12:38,880

because they immediately think of steven

338

00:12:42,470 --> 00:12:39,920

greer

339

00:12:44,389 --> 00:12:42,480

now as i've said many times before i'm

340

00:12:46,470 --> 00:12:44,399

thankful for the contributions that

341

00:12:48,710 --> 00:12:46,480

stephen greer has made especially

342

00:12:50,790 --> 00:12:48,720

historically he helped to bring this

343

00:12:52,629 --> 00:12:50,800

notion that we can contact these others

344

00:12:54,870 --> 00:12:52,639

that we can initiate a kind of

345

00:12:56,870 --> 00:12:54,880

relational dynamic

346

00:12:59,110 --> 00:12:56,880

wasn't necessarily pioneered by him but

347

00:13:01,110 --> 00:12:59,120

it was certainly popularized by him

348

00:13:03,110 --> 00:13:01,120

especially in north america

349

00:13:06,310 --> 00:13:03,120

now i think whenever we broach this

350

00:13:08,870 --> 00:13:06,320

topic of ce5 we also need to acknowledge

351

00:13:11,590 --> 00:13:08,880

that while stephen greer made some great

352

00:13:14,230 --> 00:13:11,600

historical contributions to this field

353

00:13:15,910 --> 00:13:14,240

he also more recently has brought some

354

00:13:19,190 --> 00:13:15,920

shade on the entire community and the

355

00:13:21,509 --> 00:13:19,200

entire endeavor of ce5 or that is the

356

00:13:22,389 --> 00:13:21,519

attempt to make contact with these

357

00:13:24,710 --> 00:13:22,399

others

358

00:13:26,710 --> 00:13:24,720

by way of human initiative because he's

359

00:13:28,870 --> 00:13:26,720

not only employed some techniques that

360

00:13:30,550 --> 00:13:28,880

some people would question

361

00:13:32,550 --> 00:13:30,560

in terms of their validity and their

362

00:13:34,790 --> 00:13:32,560

honesty their sincerity

363

00:13:37,030 --> 00:13:34,800

but because he's also monetized this to

364

00:13:39,350 --> 00:13:37,040

such a degree that to many it just seems

365

00:13:41,750 --> 00:13:39,360

like a swindler's kind of way of

366

00:13:43,990 --> 00:13:41,760

gathering riches that might seem harsh

367

00:13:46,310 --> 00:13:44,000

but when you look at the situation over

368

00:13:48,310 --> 00:13:46,320

the last decade or so that seems to be

369

00:13:49,269 --> 00:13:48,320

what's going on those are fair critiques

370

00:13:51,110 --> 00:13:49,279

i think

371

00:13:54,470 --> 00:13:51,120

but again we have to separate the

372

00:13:56,550 --> 00:13:54,480

techniques the protocols of ce5 from a

373

00:13:58,710 --> 00:13:56,560

person like steven greer even if he was

374

00:13:59,750 --> 00:13:58,720

the one that popularized them within our

375

00:14:02,230 --> 00:13:59,760

culture

376

00:14:05,110 --> 00:14:02,240

so let's make that clear from the outset

377

00:14:07,829 --> 00:14:05,120

ce5 does not equal steven greer steven

378

00:14:10,230 --> 00:14:07,839

grier does not equal ce5 we need to look

379

00:14:13,350 --> 00:14:10,240

at these protocols and the

380

00:14:15,269 --> 00:14:13,360

results of employing them at face value

381

00:14:16,470 --> 00:14:15,279

we need to look at what it produces in

382

00:14:19,750 --> 00:14:16,480

terms of data

383

00:14:21,910 --> 00:14:19,760

and not get distracted by personalities

384

00:14:23,750 --> 00:14:21,920

and culture personalities that may have

385

00:14:25,189 --> 00:14:23,760

been historically associated with the

386

00:14:27,030 --> 00:14:25,199

protocols

387

00:14:29,590 --> 00:14:27,040

i should also add that as i already

388

00:14:31,670 --> 00:14:29,600

alluded to this retreat that took place

389

00:14:34,629 --> 00:14:31,680

over several days and several nights at

390

00:14:37,670 --> 00:14:34,639

a rather well-known location

391

00:14:39,910 --> 00:14:37,680

didn't only involve testing out the ce5

392

00:14:41,670 --> 00:14:39,920

protocols we did do that on each of the

393

00:14:43,750 --> 00:14:41,680

nights we were there but there were

394

00:14:46,150 --> 00:14:43,760

other consciousness experiments we were

395

00:14:49,590 --> 00:14:46,160

interested in including remote viewing

396

00:14:51,829 --> 00:14:49,600

telepathy astral projection and the like

397

00:14:53,829 --> 00:14:51,839

we tried all these things with rather

398

00:14:56,230 --> 00:14:53,839

impressive sensor systems as well so we

399

00:14:57,750 --> 00:14:56,240

could really try to get robust data to

400

00:15:00,230 --> 00:14:57,760

later examine

401
00:15:02,790 --> 00:15:00,240
now as i already mentioned you're much

402
00:15:04,629 --> 00:15:02,800
more likely to have a positive encounter

403
00:15:06,310 --> 00:15:04,639
with these others if you're joined by

404
00:15:09,110 --> 00:15:06,320
people who already seem to have a

405
00:15:10,949 --> 00:15:09,120
capacity to make contact

406
00:15:12,470 --> 00:15:10,959
that isn't to say you can't make contact

407
00:15:15,269 --> 00:15:12,480
on your own i know people who've done

408
00:15:17,269 --> 00:15:15,279
that many many times however as joseph

409
00:15:19,829 --> 00:15:17,279
burks would argue and i think

410
00:15:22,069 --> 00:15:19,839
compellingly so when you join forces

411
00:15:24,470 --> 00:15:22,079
with prime contactees who seem to have

412
00:15:26,629 --> 00:15:24,480
been selected by these others for some

413
00:15:27,430 --> 00:15:26,639

reason or another that perhaps is beyond

414

00:15:29,590 --> 00:15:27,440

us

415

00:15:31,990 --> 00:15:29,600

the chances of making connection and

416

00:15:34,629 --> 00:15:32,000

contact go up all the more

417

00:15:36,790 --> 00:15:34,639

so i will say that without naming names

418

00:15:38,470 --> 00:15:36,800

because i don't want to do that we had

419

00:15:40,790 --> 00:15:38,480

several what i would consider prime

420

00:15:43,189 --> 00:15:40,800

contactees along with us

421

00:15:44,870 --> 00:15:43,199

one from here in the united states who

422

00:15:46,949 --> 00:15:44,880

has become a good friend of mine by the

423

00:15:48,949 --> 00:15:46,959

way and it's this person that i'm also

424

00:15:50,870 --> 00:15:48,959

involved in a separate project with

425

00:15:51,990 --> 00:15:50,880

which i'll have more to say about later

426
00:15:54,310 --> 00:15:52,000
this year

427
00:15:56,470 --> 00:15:54,320
so that person was involved as well as

428
00:15:57,990 --> 00:15:56,480
some people from south america and

429
00:16:00,230 --> 00:15:58,000
elsewhere

430
00:16:02,790 --> 00:16:00,240
now before i get to the first night and

431
00:16:05,590 --> 00:16:02,800
our first interaction let me first say

432
00:16:07,189 --> 00:16:05,600
that for those who are not familiar ce5

433
00:16:10,069 --> 00:16:07,199
which again is close encounters of the

434
00:16:12,870 --> 00:16:10,079
fifth kind also referred to as heiss and

435
00:16:15,590 --> 00:16:12,880
this is a term that joseph burks coined

436
00:16:16,710 --> 00:16:15,600
which stands for human initiated contact

437
00:16:19,509 --> 00:16:16,720
events

438
00:16:22,150 --> 00:16:19,519

is all about human beings proactively

439

00:16:24,069 --> 00:16:22,160

aiming to make contact with these others

440

00:16:25,990 --> 00:16:24,079

through intentionality focused

441

00:16:29,350 --> 00:16:26,000

intentionality a high degree of

442

00:16:30,790 --> 00:16:29,360

consciousness positivity etc

443

00:16:33,590 --> 00:16:30,800

those of you who've listened to this

444

00:16:35,350 --> 00:16:33,600

podcast for any duration of time know i

445

00:16:37,829 --> 00:16:35,360

frequently mention that the

446

00:16:39,670 --> 00:16:37,839

intentionality the energy the level of

447

00:16:41,430 --> 00:16:39,680

consciousness we bring

448

00:16:44,389 --> 00:16:41,440

to these kinds of encounters is

449

00:16:47,269 --> 00:16:44,399

essential because as been noted by me as

450

00:16:49,749 --> 00:16:47,279

well as many others we are often given a

451

00:16:52,310 --> 00:16:49,759

reflection of what we put out in other

452

00:16:53,670 --> 00:16:52,320

words the energy we carry gets reflected

453

00:16:55,509 --> 00:16:53,680

back to us

454

00:16:57,829 --> 00:16:55,519

and i'm not saying that's a simple one

455

00:16:59,749 --> 00:16:57,839

for one equation we get back more than

456

00:17:03,910 --> 00:16:59,759

just what we put out but i am saying

457

00:17:05,990 --> 00:17:03,920

that the end result can be and often is

458

00:17:08,069 --> 00:17:06,000

impacted by the energy we bring so it's

459

00:17:10,150 --> 00:17:08,079

important that we're aware of that

460

00:17:12,710 --> 00:17:10,160

i would also add that it's not as simple

461

00:17:14,789 --> 00:17:12,720

as simply adopting the right energy

462

00:17:16,949 --> 00:17:14,799

signature on the day of the event while

463

00:17:19,029 --> 00:17:16,959

that does matter we do need to be aware

464

00:17:20,069 --> 00:17:19,039

of what we're bringing on the day of the

465

00:17:21,750 --> 00:17:20,079

event

466

00:17:23,990 --> 00:17:21,760

it has more to do with who we are as a

467

00:17:25,270 --> 00:17:24,000

person altogether our level of

468

00:17:26,710 --> 00:17:25,280

consciousness

469

00:17:28,470 --> 00:17:26,720

our priorities

470

00:17:29,430 --> 00:17:28,480

our spiritual clarity those kind of

471

00:17:31,029 --> 00:17:29,440

things

472

00:17:32,870 --> 00:17:31,039

so it's much more than just a simple

473

00:17:34,230 --> 00:17:32,880

equation on the day of i want to make

474

00:17:36,230 --> 00:17:34,240

that clear

475

00:17:38,470 --> 00:17:36,240

but that said when it does come to the

476

00:17:40,710 --> 00:17:38,480

day of the event as in the case with

477

00:17:43,510 --> 00:17:40,720

those of us involved in this event we

478

00:17:46,549 --> 00:17:43,520

took the time to meditate beforehand

479

00:17:48,310 --> 00:17:46,559

both as a group and as individuals

480

00:17:50,789 --> 00:17:48,320

in our particular case what we actually

481

00:17:52,230 --> 00:17:50,799

did was we came together first as a

482

00:17:54,230 --> 00:17:52,240

group and discussed what we were going

483

00:17:56,390 --> 00:17:54,240

to attempt and then we went into our

484

00:17:58,310 --> 00:17:56,400

separate chambers and actually used

485

00:18:00,390 --> 00:17:58,320

meditation and a kind of astral

486

00:18:03,029 --> 00:18:00,400

projection protocol

487

00:18:05,990 --> 00:18:03,039

to really focus our intention as a group

488

00:18:08,549 --> 00:18:06,000

as a collective and we did this prior to

489

00:18:10,870 --> 00:18:08,559

going outside to actually skywatch as it

490

00:18:13,029 --> 00:18:10,880

were and to see if we could make contact

491

00:18:15,110 --> 00:18:13,039

with these others

492

00:18:17,590 --> 00:18:15,120

okay so after we had all done that

493

00:18:19,909 --> 00:18:17,600

individual and collective preparation we

494

00:18:21,750 --> 00:18:19,919

went out into the central meadow

495

00:18:24,230 --> 00:18:21,760

where we would have a really expansive

496

00:18:26,470 --> 00:18:24,240

view of the night sky while we tried to

497

00:18:28,310 --> 00:18:26,480

make contact and by the way i would add

498

00:18:30,470 --> 00:18:28,320

that this happened when we had really

499

00:18:32,549 --> 00:18:30,480

great weather so we were really lucky in

500

00:18:34,549 --> 00:18:32,559

that sense because actually had been

501
00:18:36,390 --> 00:18:34,559
pouring with rain in that area in the

502
00:18:38,630 --> 00:18:36,400
days previous to this event but during

503
00:18:40,310 --> 00:18:38,640
the retreat we had clear skies pretty

504
00:18:42,230 --> 00:18:40,320
much throughout

505
00:18:44,789 --> 00:18:42,240
so as we gathered in this sort of

506
00:18:46,950 --> 00:18:44,799
semi-circular kind of formation in this

507
00:18:49,190 --> 00:18:46,960
central meadow i wasn't sure exactly

508
00:18:50,789 --> 00:18:49,200
what to expect i will admit to you that

509
00:18:52,390 --> 00:18:50,799
i thought if something's going to happen

510
00:18:53,350 --> 00:18:52,400
it's going to happen later in the

511
00:18:55,190 --> 00:18:53,360
evening

512
00:18:56,390 --> 00:18:55,200
now we got out there i think around 9 00

513
00:18:58,710 --> 00:18:56,400

p.m

514

00:19:00,870 --> 00:18:58,720

and when did we have our first contact

515

00:19:03,750 --> 00:19:00,880

it actually happened about 30 minutes

516

00:19:06,230 --> 00:19:03,760

later just after 9 30 p.m

517

00:19:07,669 --> 00:19:06,240

suddenly to my surprise and believe me i

518

00:19:09,590 --> 00:19:07,679

was surprised because i wasn't really

519

00:19:13,110 --> 00:19:09,600

expecting it that quickly

520

00:19:15,990 --> 00:19:13,120

a large yellow orb manifested in front

521

00:19:18,870 --> 00:19:16,000

of us in the sky just above the mountain

522

00:19:20,710 --> 00:19:18,880

that was i believe to the west of us

523

00:19:23,029 --> 00:19:20,720

and just to clarify when i say

524

00:19:25,270 --> 00:19:23,039

manifested what i mean is i didn't see

525

00:19:27,190 --> 00:19:25,280

it track across the sky

526
00:19:29,830 --> 00:19:27,200
from behind the horizon and then come in

527
00:19:31,830 --> 00:19:29,840
our direction i just saw it manifest in

528
00:19:33,669 --> 00:19:31,840
front of us now perhaps there was a

529
00:19:36,390 --> 00:19:33,679
track before that but i didn't see it

530
00:19:38,950 --> 00:19:36,400
what i saw was this yellow orb suddenly

531
00:19:41,350 --> 00:19:38,960
manifest in front of us people shouted

532
00:19:43,669 --> 00:19:41,360
out 12 o'clock because that's what we

533
00:19:45,350 --> 00:19:43,679
had already designated as this way of

534
00:19:48,150 --> 00:19:45,360
communicating to each other where in the

535
00:19:50,470 --> 00:19:48,160
sky certain objects or phenomena were

536
00:19:52,230 --> 00:19:50,480
manifesting so even those of us who

537
00:19:54,230 --> 00:19:52,240
didn't see it right away and i did see

538
00:19:56,230 --> 00:19:54,240

it right away but even for those that

539

00:19:58,710 --> 00:19:56,240

didn't once we had shouted out 12

540

00:20:01,029 --> 00:19:58,720

o'clock everyone knew in which direction

541

00:20:03,270 --> 00:20:01,039

to look and then everyone saw it we all

542

00:20:05,830 --> 00:20:03,280

saw it this was a fairly large group

543

00:20:07,350 --> 00:20:05,840

almost 20 people or so were there to

544

00:20:09,110 --> 00:20:07,360

witness this

545

00:20:10,470 --> 00:20:09,120

and again just for the sake of clarity

546

00:20:12,950 --> 00:20:10,480

for those of you who are not familiar

547

00:20:15,190 --> 00:20:12,960

with this term orb what i basically mean

548

00:20:16,149 --> 00:20:15,200

is a ball of light a yellow ball of

549

00:20:18,390 --> 00:20:16,159

light

550

00:20:20,710 --> 00:20:18,400

that's what we saw it didn't look like a

551
00:20:22,390 --> 00:20:20,720
physical object in terms of being made

552
00:20:23,750 --> 00:20:22,400
of metal or plastic or something or

553
00:20:25,990 --> 00:20:23,760
something that you could knock your

554
00:20:27,830 --> 00:20:26,000
finger against and get a pinging sound

555
00:20:30,789 --> 00:20:27,840
it looked like a ball of energy or a

556
00:20:33,110 --> 00:20:30,799
ball of light that manifested before us

557
00:20:35,750 --> 00:20:33,120
so right away for me that was deeply

558
00:20:38,230 --> 00:20:35,760
impacting i had now beheld this large

559
00:20:39,990 --> 00:20:38,240
orb and had done so while having

560
00:20:41,430 --> 00:20:40,000
numerous other witnesses that were there

561
00:20:43,190 --> 00:20:41,440
alongside me

562
00:20:45,590 --> 00:20:43,200
but i should add that as i already

563
00:20:48,630 --> 00:20:45,600

alluded to we had numerous other sensor

564

00:20:51,270 --> 00:20:48,640

systems on hand to track all of these

565

00:20:54,230 --> 00:20:51,280

events we had sophisticated cameras

566

00:20:56,630 --> 00:20:54,240

video cameras we had radar equipment in

567

00:20:58,310 --> 00:20:56,640

addition we had a random number

568

00:21:01,029 --> 00:20:58,320

generator that was stationed on the side

569

00:21:02,630 --> 00:21:01,039

of one of the mountains in our location

570

00:21:04,870 --> 00:21:02,640

and the idea here for those of you who

571

00:21:07,350 --> 00:21:04,880

are not familiar is that random number

572

00:21:09,590 --> 00:21:07,360

generators just basically pump out

573

00:21:11,909 --> 00:21:09,600

numbers in a random fashion so you

574

00:21:13,590 --> 00:21:11,919

shouldn't see any particular

575

00:21:16,230 --> 00:21:13,600

pattern emerge because it should be

576

00:21:18,230 --> 00:21:16,240

random but what we have found what

577

00:21:20,390 --> 00:21:18,240

various consciousness studies have found

578

00:21:23,110 --> 00:21:20,400

well beyond just the ufo phenomenon but

579

00:21:24,950 --> 00:21:23,120

even investigating psy phenomena what

580

00:21:27,190 --> 00:21:24,960

has been found is that human

581

00:21:29,510 --> 00:21:27,200

intentionality itself consciousness

582

00:21:32,549 --> 00:21:29,520

itself seems to be able to

583

00:21:35,669 --> 00:21:32,559

affect random number generators so as to

584

00:21:37,350 --> 00:21:35,679

make them go non-random so to speak and

585

00:21:39,909 --> 00:21:37,360

what we mean by that is a distinct

586

00:21:42,070 --> 00:21:39,919

pattern does emerge that's not random it

587

00:21:44,630 --> 00:21:42,080

doesn't look anything like random when

588

00:21:47,750 --> 00:21:44,640

that happens it seems to be indicating

589

00:21:50,149 --> 00:21:47,760

that consciousness itself in some way is

590

00:21:52,310 --> 00:21:50,159

impacting our physical reality and this

591

00:21:54,549 --> 00:21:52,320

is being reflected in a random number

592

00:21:56,549 --> 00:21:54,559

generator that is basically a computer

593

00:21:58,870 --> 00:21:56,559

program that again according to the

594

00:22:01,270 --> 00:21:58,880

physicalist model according to the

595

00:22:03,750 --> 00:22:01,280

notions found in reductionistic

596

00:22:06,070 --> 00:22:03,760

materialism should not be possible there

597

00:22:08,789 --> 00:22:06,080

should be no way that consciousness of

598

00:22:10,870 --> 00:22:08,799

any kind should impact physical reality

599

00:22:12,390 --> 00:22:10,880

like this and yet that's exactly what

600

00:22:13,830 --> 00:22:12,400

often happens

601
00:22:16,230 --> 00:22:13,840
so that's what's been shown to be the

602
00:22:19,029 --> 00:22:16,240
case historically the consciousness does

603
00:22:21,669 --> 00:22:19,039
indeed seem to be able to impact these

604
00:22:24,870 --> 00:22:21,679
machines these sensors that should be

605
00:22:26,630 --> 00:22:24,880
impervious to this kind of influence

606
00:22:29,110 --> 00:22:26,640
so then of course the question is what

607
00:22:31,110 --> 00:22:29,120
happened with us did our encounter and

608
00:22:32,470 --> 00:22:31,120
our shared intentionality make any

609
00:22:35,350 --> 00:22:32,480
difference

610
00:22:37,270 --> 00:22:35,360
well as it turns out yes it did

611
00:22:38,149 --> 00:22:37,280
and let me break down how this was the

612
00:22:39,990 --> 00:22:38,159
case

613
00:22:41,669 --> 00:22:40,000

first of all as one of the technicians

614

00:22:43,510 --> 00:22:41,679

later showed us when he showed us the

615

00:22:44,630 --> 00:22:43,520

actual graph of this random number

616

00:22:46,710 --> 00:22:44,640

generator

617

00:22:49,430 --> 00:22:46,720

what you first saw was that it went

618

00:22:51,510 --> 00:22:49,440

non-random when we got together with a

619

00:22:54,310 --> 00:22:51,520

shared intentionality in other words

620

00:22:56,870 --> 00:22:54,320

when we had a moment of intense focus

621

00:22:59,190 --> 00:22:56,880

shared meditative intention then you

622

00:23:01,350 --> 00:22:59,200

would see this reflected in the output

623

00:23:03,190 --> 00:23:01,360

of the random number generator

624

00:23:04,950 --> 00:23:03,200

that was the first kind of impact that

625

00:23:07,029 --> 00:23:04,960

was visible when you looked at the

626

00:23:09,590 --> 00:23:07,039

actual graph that was produced

627

00:23:11,990 --> 00:23:09,600

the second kind was when the actual

628

00:23:15,590 --> 00:23:12,000

phenomena showed up so when that orb

629

00:23:18,230 --> 00:23:15,600

showed up to the very moment the random

630

00:23:21,190 --> 00:23:18,240

number generator really did go crazy so

631

00:23:23,909 --> 00:23:21,200

to speak it went non-random to the tune

632

00:23:25,990 --> 00:23:23,919

of two deviations which is highly

633

00:23:28,310 --> 00:23:26,000

significant if you know your statistics

634

00:23:30,950 --> 00:23:28,320

from psychology and whatnot this was a

635

00:23:33,270 --> 00:23:30,960

highly statistically significant result

636

00:23:35,669 --> 00:23:33,280

that happened at the very moment we

637

00:23:37,190 --> 00:23:35,679

observed this orb in the sky what we're

638

00:23:38,549 --> 00:23:37,200

saying here is that we have a second

639

00:23:40,549 --> 00:23:38,559

sensor system

640

00:23:42,470 --> 00:23:40,559

validating that that it wasn't just in

641

00:23:44,789 --> 00:23:42,480

our consciousness or if it was just in

642

00:23:47,190 --> 00:23:44,799

our consciousness it was also happening

643

00:23:50,390 --> 00:23:47,200

within the wiring of this random number

644

00:23:53,350 --> 00:23:50,400

generator computer system program so

645

00:23:54,789 --> 00:23:53,360

that's highly impacting highly relevant

646

00:23:56,310 --> 00:23:54,799

and i wanted to bring that to your

647

00:23:58,070 --> 00:23:56,320

attention

648

00:23:59,990 --> 00:23:58,080

if nothing else it certainly seems to

649

00:24:02,630 --> 00:24:00,000

exclude the possibility of a shared

650

00:24:04,549 --> 00:24:02,640

delusion or a shared hallucination

651
00:24:06,630 --> 00:24:04,559
because if that's what we experienced

652
00:24:09,350 --> 00:24:06,640
why was this random number generator

653
00:24:12,230 --> 00:24:09,360
this computer program impacted in a

654
00:24:14,950 --> 00:24:12,240
similar manner at the very same time at

655
00:24:17,029 --> 00:24:14,960
the very same location

656
00:24:20,149 --> 00:24:17,039
so that's what happened on night number

657
00:24:22,470 --> 00:24:20,159
one very impacting for all of us the

658
00:24:24,710 --> 00:24:22,480
next day the technician came to us and

659
00:24:26,230 --> 00:24:24,720
showed us this output from the random

660
00:24:28,310 --> 00:24:26,240
number generator and that's when we

661
00:24:30,390 --> 00:24:28,320
became aware of this second

662
00:24:32,549 --> 00:24:30,400
data point that corroborated the first

663
00:24:34,310 --> 00:24:32,559

one which was of course our experience

664

00:24:36,390 --> 00:24:34,320

in real time

665

00:24:38,630 --> 00:24:36,400

but again we had multiple nights so the

666

00:24:40,390 --> 00:24:38,640

next night we also set up with the same

667

00:24:41,750 --> 00:24:40,400

sort of protocols although we tweaked

668

00:24:44,070 --> 00:24:41,760

things a little bit because again this

669

00:24:45,350 --> 00:24:44,080

was an ongoing experiment so we tried a

670

00:24:47,510 --> 00:24:45,360

few different things we tried a

671

00:24:49,430 --> 00:24:47,520

different kind of preparation organized

672

00:24:51,750 --> 00:24:49,440

the group slightly differently we tried

673

00:24:53,990 --> 00:24:51,760

to go in with even more shared focus

674

00:24:54,950 --> 00:24:54,000

this next time now from this point on

675

00:24:56,230 --> 00:24:54,960

i'm going to give you just the

676
00:24:58,070 --> 00:24:56,240
highlights of what happened over the

677
00:25:00,549 --> 00:24:58,080
next several nights rather than going

678
00:25:03,269 --> 00:25:00,559
into so much detail but i will say that

679
00:25:05,669 --> 00:25:03,279
on the second night we also had a

680
00:25:08,310 --> 00:25:05,679
positive experience in other words we

681
00:25:10,230 --> 00:25:08,320
did see phenomena in the sky although

682
00:25:11,190 --> 00:25:10,240
this time it happened much later in the

683
00:25:13,269 --> 00:25:11,200
evening

684
00:25:15,669 --> 00:25:13,279
what's also important to note here is

685
00:25:18,149 --> 00:25:15,679
that it was specifically when a couple

686
00:25:21,190 --> 00:25:18,159
of the people from south america really

687
00:25:22,950 --> 00:25:21,200
had an intense focus and were actually

688
00:25:25,510 --> 00:25:22,960

sending their intention to one

689

00:25:27,430 --> 00:25:25,520

particular point in the sky that we had

690

00:25:29,430 --> 00:25:27,440

something manifest in the sky we had

691

00:25:32,390 --> 00:25:29,440

phenomena manifest in that very part of

692

00:25:35,110 --> 00:25:32,400

the sky at that very moment which again

693

00:25:37,510 --> 00:25:35,120

just highlights the degree to which our

694

00:25:39,909 --> 00:25:37,520

consciousness our intentionality plays

695

00:25:41,669 --> 00:25:39,919

such a central role in what ends up

696

00:25:43,269 --> 00:25:41,679

happening

697

00:25:44,950 --> 00:25:43,279

now here i'd like to pause for a moment

698

00:25:47,190 --> 00:25:44,960

especially for the sake of those of you

699

00:25:48,390 --> 00:25:47,200

who are more skeptical about this entire

700

00:25:50,470 --> 00:25:48,400

kind of event

701
00:25:52,789 --> 00:25:50,480
to make the point that not only did we

702
00:25:54,950 --> 00:25:52,799
have multiple sensor systems on hand to

703
00:25:57,430 --> 00:25:54,960
try to validate and corroborate these

704
00:26:00,310 --> 00:25:57,440
experiences but on top of that we had

705
00:26:02,549 --> 00:26:00,320
people involved who were trained in

706
00:26:04,950 --> 00:26:02,559
examining these kinds of events in other

707
00:26:07,669 --> 00:26:04,960
words people who had logged hundreds or

708
00:26:10,470 --> 00:26:07,679
thousands of hours looking at the sky at

709
00:26:13,269 --> 00:26:10,480
night filming it using radar and whatnot

710
00:26:15,909 --> 00:26:13,279
and becoming highly highly familiar with

711
00:26:17,909 --> 00:26:15,919
every object that's up in the sky

712
00:26:22,789 --> 00:26:17,919
anything that's prozac in other words

713
00:26:24,470 --> 00:26:22,799

satellites meteors planets stars planes

714

00:26:26,070 --> 00:26:24,480

the international space station when

715

00:26:27,750 --> 00:26:26,080

that would go over we would call out to

716

00:26:30,390 --> 00:26:27,760

each other we're tracking that that's

717

00:26:31,190 --> 00:26:30,400

the iss at three o'clock or what have

718

00:26:35,190 --> 00:26:31,200

you

719

00:26:36,950 --> 00:26:35,200

might wonder if this is just a case of

720

00:26:38,870 --> 00:26:36,960

confirmation bias that we're looking in

721

00:26:41,269 --> 00:26:38,880

one part of the sky and eventually we

722

00:26:43,590 --> 00:26:41,279

see something and misidentified as

723

00:26:46,230 --> 00:26:43,600

something anomalous what i'm saying is

724

00:26:48,149 --> 00:26:46,240

we went in with a clear intention to be

725

00:26:50,630 --> 00:26:48,159

aware of anything that's prosaic or

726
00:26:52,870 --> 00:26:50,640
conventional and look specifically with

727
00:26:55,430 --> 00:26:52,880
an expert's eye to see things that

728
00:26:57,590 --> 00:26:55,440
really did stand out as anomalous and

729
00:27:00,710 --> 00:26:57,600
indeed that did happen on each of the

730
00:27:03,590 --> 00:27:00,720
nights that we were gathered together

731
00:27:05,590 --> 00:27:03,600
now with that said i will also make the

732
00:27:08,870 --> 00:27:05,600
point that a key lesson that emerged

733
00:27:11,590 --> 00:27:08,880
from this entire retreat involved our

734
00:27:13,430 --> 00:27:11,600
intentionality but specifically it also

735
00:27:15,909 --> 00:27:13,440
involved us being aware that having an

736
00:27:18,710 --> 00:27:15,919
open mind and an open heart was

737
00:27:20,389 --> 00:27:18,720
essential in the process and that is to

738
00:27:22,630 --> 00:27:20,399

say even when something was coming over

739

00:27:25,029 --> 00:27:22,640

that initially could be identified as a

740

00:27:27,110 --> 00:27:25,039

satellite we wouldn't shut it out as

741

00:27:29,590 --> 00:27:27,120

being such at least we learned not to at

742

00:27:31,269 --> 00:27:29,600

first we did but eventually one of the

743

00:27:33,830 --> 00:27:31,279

key experiencers one of the prime

744

00:27:35,510 --> 00:27:33,840

contactees that i identified earlier

745

00:27:38,389 --> 00:27:35,520

made the point that it's important to

746

00:27:40,230 --> 00:27:38,399

not prematurely make that assumption

747

00:27:42,789 --> 00:27:40,240

that it's something conventional because

748

00:27:44,549 --> 00:27:42,799

when you do that you close off the

749

00:27:46,549 --> 00:27:44,559

possibilities you close off the

750

00:27:48,950 --> 00:27:46,559

consciousness connection that can be

751

00:27:51,750 --> 00:27:48,960

made with whatever is up there and

752

00:27:53,909 --> 00:27:51,760

whatever we're contacting in ce5 seems

753

00:27:56,149 --> 00:27:53,919

to have a spiritual element an energetic

754

00:27:58,710 --> 00:27:56,159

element connected to our consciousness

755

00:28:01,269 --> 00:27:58,720

so if we go in with too much skepticism

756

00:28:03,110 --> 00:28:01,279

too much of a scientific mindset where

757

00:28:05,830 --> 00:28:03,120

we're quick to say that's a satellite

758

00:28:07,590 --> 00:28:05,840

for sure before we know it is

759

00:28:09,110 --> 00:28:07,600

we can actually end up severing the

760

00:28:10,950 --> 00:28:09,120

connection with something that's not

761

00:28:13,350 --> 00:28:10,960

actually a satellite but is just

762

00:28:15,750 --> 00:28:13,360

tracking like a satellite initially and

763

00:28:18,389 --> 00:28:15,760

thus rob ourselves of a potentially

764

00:28:20,630 --> 00:28:18,399

amazing experience and to make that

765

00:28:22,630 --> 00:28:20,640

point to really underline it i will say

766

00:28:23,750 --> 00:28:22,640

that several of the people involved with

767

00:28:25,590 --> 00:28:23,760

this event

768

00:28:27,590 --> 00:28:25,600

talked about exactly that kind of

769

00:28:29,909 --> 00:28:27,600

occurrence where on previous occasions

770

00:28:31,269 --> 00:28:29,919

they saw something coming across the sky

771

00:28:33,430 --> 00:28:31,279

that looked like it was following the

772

00:28:35,029 --> 00:28:33,440

trajectory of a traditional satellite

773

00:28:38,230 --> 00:28:35,039

looked to be about the right size as a

774

00:28:41,510 --> 00:28:38,240

satellite the right elevation etc but

775

00:28:44,310 --> 00:28:41,520

then this object would suddenly stop or

776

00:28:46,710 --> 00:28:44,320

make a 90 degree turn or shoot straight

777

00:28:48,549 --> 00:28:46,720

up into space and then it became clear

778

00:28:51,029 --> 00:28:48,559

abundantly clear that it was not a

779

00:28:53,029 --> 00:28:51,039

satellite and one of the key lessons we

780

00:28:55,590 --> 00:28:53,039

learned was that it's important to not

781

00:28:58,310 --> 00:28:55,600

prematurely identify something as

782

00:29:00,630 --> 00:28:58,320

conventional because in doing so you may

783

00:29:02,230 --> 00:29:00,640

sever the very consciousness connection

784

00:29:04,710 --> 00:29:02,240

that is connecting to something

785

00:29:07,110 --> 00:29:04,720

non-prosaic that is about to show you

786

00:29:11,190 --> 00:29:07,120

something truly stupendous that will

787

00:29:13,110 --> 00:29:11,200

identify it as something anomalous

788

00:29:14,870 --> 00:29:13,120

so thus far i've identified two

789

00:29:16,789 --> 00:29:14,880

different occasions two different nights

790

00:29:18,310 --> 00:29:16,799

where something showed up and by the way

791

00:29:20,149 --> 00:29:18,320

the second night was a different kind of

792

00:29:21,909 --> 00:29:20,159

phenomena than the first the second

793

00:29:23,669 --> 00:29:21,919

night was more like flashes that

794

00:29:25,909 --> 00:29:23,679

appeared in that one particular part of

795

00:29:27,990 --> 00:29:25,919

the sky where these two people were

796

00:29:29,909 --> 00:29:28,000

focusing their attention

797

00:29:32,389 --> 00:29:29,919

now i'd like to share one more event

798

00:29:34,310 --> 00:29:32,399

that happened on a different night again

799

00:29:36,310 --> 00:29:34,320

and on this third night what ended up

800

00:29:37,830 --> 00:29:36,320

happening was that several of the

801
00:29:39,590 --> 00:29:37,840
members of the group were having a bit

802
00:29:41,909 --> 00:29:39,600
of a disagreement an agreeable

803
00:29:44,149 --> 00:29:41,919
disagreement but a disagreement around

804
00:29:46,630 --> 00:29:44,159
how we should refer to these events and

805
00:29:48,149 --> 00:29:46,640
these objects or phenomena as we notice

806
00:29:50,070 --> 00:29:48,159
them in the sky

807
00:29:51,909 --> 00:29:50,080
now again here i want to highlight that

808
00:29:54,070 --> 00:29:51,919
things never got too heated but there

809
00:29:55,750 --> 00:29:54,080
was a disagreement happening and i think

810
00:29:57,510 --> 00:29:55,760
some of us in the group recognized that

811
00:30:00,230 --> 00:29:57,520
this was perhaps putting a bit of a

812
00:30:01,909 --> 00:30:00,240
damper a cooling effect on what might

813
00:30:03,669 --> 00:30:01,919

occur in the sky

814

00:30:06,310 --> 00:30:03,679

because by this point we were clearly

815

00:30:08,470 --> 00:30:06,320

all aware that our shared intention our

816

00:30:11,510 --> 00:30:08,480

collective consciousness was a key

817

00:30:13,990 --> 00:30:11,520

element in the entire endeavor

818

00:30:15,909 --> 00:30:14,000

now to be clear on this particular night

819

00:30:19,029 --> 00:30:15,919

we hadn't noticed anything that seemed

820

00:30:21,830 --> 00:30:19,039

anomalous in the skies above our heads

821

00:30:23,590 --> 00:30:21,840

now these three people kept talking kept

822

00:30:25,750 --> 00:30:23,600

dialoguing about what was the right way

823

00:30:27,190 --> 00:30:25,760

to proceed and then some people actually

824

00:30:29,110 --> 00:30:27,200

ended up going off to bed because it was

825

00:30:31,190 --> 00:30:29,120

getting later in the evening was after

826

00:30:33,909 --> 00:30:31,200

midnight at this point but these three

827

00:30:36,789 --> 00:30:33,919

people to their credit kept dialoguing

828

00:30:39,350 --> 00:30:36,799

and eventually they came to a shared

829

00:30:41,990 --> 00:30:39,360

understanding and surrendered their egos

830

00:30:44,389 --> 00:30:42,000

and all got together and had a group hug

831

00:30:46,230 --> 00:30:44,399

and asked each other for forgiveness and

832

00:30:47,830 --> 00:30:46,240

in the process turned it into a

833

00:30:50,310 --> 00:30:47,840

teachable moment where they all learned

834

00:30:52,549 --> 00:30:50,320

something in the process and what's

835

00:30:55,430 --> 00:30:52,559

truly fascinating and revealing

836

00:30:58,710 --> 00:30:55,440

ultimately is that it was at that very

837

00:31:01,190 --> 00:30:58,720

very moment that again phenomena

838

00:31:02,789 --> 00:31:01,200

manifested in the sky orbs above the

839

00:31:05,750 --> 00:31:02,799

location where they were actually

840

00:31:07,830 --> 00:31:05,760

dialoguing appeared at just that moment

841

00:31:10,149 --> 00:31:07,840

and once again just as on the previous

842

00:31:12,470 --> 00:31:10,159

nights the random number generator

843

00:31:14,710 --> 00:31:12,480

showed this in the output at the very

844

00:31:17,190 --> 00:31:14,720

moment that they came together in this

845

00:31:19,590 --> 00:31:17,200

point of shared connection and mutual

846

00:31:21,990 --> 00:31:19,600

admiration and love for each other

847

00:31:25,190 --> 00:31:22,000

that strong conscious intention

848

00:31:27,590 --> 00:31:25,200

broadcast something that produced an

849

00:31:29,990 --> 00:31:27,600

effect where these orbs showed up at

850

00:31:32,870 --> 00:31:30,000

that very moment when they hadn't during

851
00:31:35,830 --> 00:31:32,880
all the hours previous to that moment

852
00:31:39,509 --> 00:31:35,840
so again a very very impacting and

853
00:31:41,669 --> 00:31:39,519
revelatory moment for everyone involved

854
00:31:43,350 --> 00:31:41,679
so there you have it i've shared three

855
00:31:45,750 --> 00:31:43,360
different nights and three different

856
00:31:48,310 --> 00:31:45,760
experiences we all had and the lessons

857
00:31:50,870 --> 00:31:48,320
in consciousness we all learned as a

858
00:31:52,870 --> 00:31:50,880
result of our shared intention

859
00:31:55,350 --> 00:31:52,880
now this was a wonderful retreat i hope

860
00:31:57,269 --> 00:31:55,360
we do it again a year from now or at

861
00:31:59,029 --> 00:31:57,279
some other point in the future

862
00:32:00,389 --> 00:31:59,039
it was an experience i will personally

863
00:32:02,549 --> 00:32:00,399

never forget

864

00:32:04,389 --> 00:32:02,559

not just because of the lessons learned

865

00:32:06,230 --> 00:32:04,399

but because of the shared bonds we

866

00:32:08,149 --> 00:32:06,240

formed as a group

867

00:32:11,029 --> 00:32:08,159

where again consciousness was

868

00:32:13,269 --> 00:32:11,039

fundamental to the entire endeavor

869

00:32:16,070 --> 00:32:13,279

we all feel like we've been infected so

870

00:32:17,669 --> 00:32:16,080

to speak not just by these others that

871

00:32:19,830 --> 00:32:17,679

intermingled with us

872

00:32:21,830 --> 00:32:19,840

but also with each other's consciousness

873

00:32:23,830 --> 00:32:21,840

we are somehow part of something larger

874

00:32:25,990 --> 00:32:23,840

than ourselves as a result of this

875

00:32:29,830 --> 00:32:26,000

retreat

876

00:32:31,990 --> 00:32:29,840

several days and several nights there's

877

00:32:34,310 --> 00:32:32,000

much i have not been able to share yet

878

00:32:36,789 --> 00:32:34,320

and i will no doubt refer to this event

879

00:32:38,549 --> 00:32:36,799

in future podcast episodes but i at

880

00:32:40,789 --> 00:32:38,559

least wanted to do this initial one

881

00:32:43,190 --> 00:32:40,799

where i gave a bit of a debrief on some

882

00:32:45,590 --> 00:32:43,200

of the key elements that were discovered

883

00:32:48,630 --> 00:32:45,600

as a result of our shared consciousness

884

00:32:50,630 --> 00:32:48,640

and contact experiment

885

00:32:53,509 --> 00:32:50,640

to be honest the entire experience was

886

00:32:56,149 --> 00:32:53,519

so profound so deeply moving that i'm

887

00:32:57,990 --> 00:32:56,159

still personally processing much of what

888

00:33:00,070 --> 00:32:58,000

happened and i've heard the very same

889

00:33:02,630 --> 00:33:00,080

thing from the others that were involved

890

00:33:06,950 --> 00:33:05,110

and on that note we've come to the close

891

00:33:09,190 --> 00:33:06,960

of another edition of the point of

892

00:33:11,509 --> 00:33:09,200

convergence podcast if you'd like to

893

00:33:12,509 --> 00:33:11,519

support this podcast you can do so by

894

00:33:14,070 --> 00:33:12,519

going to

895

00:33:16,149 --> 00:33:14,080

patreon.com

896

00:33:18,470 --> 00:33:16,159

exo academian

897

00:33:20,470 --> 00:33:18,480

but until next time friends from deep

898

00:33:23,909 --> 00:33:20,480

within the blue ridge mountains of north

899

00:33:25,240 --> 00:33:23,919

carolina this is exo academian signing
