

Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #69

*The Inquiring Mind (Q&A):
On Light Beings, MILABs,
& the Contact Modalities*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:02,860 --> 00:00:08,549

[Music]

2
00:00:14,870 --> 00:00:12,230

hello and welcome to episode number 69

3
00:00:15,829 --> 00:00:14,880

of the point of convergence podcast as

4
00:00:19,429 --> 00:00:15,839

always

5
00:00:21,029 --> 00:00:19,439

i am your host exo academian

6
00:00:23,189 --> 00:00:21,039

over the course of the history of this

7
00:00:25,269 --> 00:00:23,199

podcast i have taken several

8
00:00:27,830 --> 00:00:25,279

opportunities to publish a special

9
00:00:30,150 --> 00:00:27,840

edition of the podcast where i answer

10
00:00:31,990 --> 00:00:30,160

audience questions in a feature i call

11
00:00:33,830 --> 00:00:32,000

the inquiring mind

12
00:00:36,389 --> 00:00:33,840

this week's episode marks the occasion

13
00:00:38,069 --> 00:00:36,399

where i do this for a fourth time

14

00:00:40,229 --> 00:00:38,079

now since the third edition of the

15

00:00:42,470 --> 00:00:40,239

inquiring mind feature which launched

16

00:00:45,029 --> 00:00:42,480

several months ago you could say a few

17

00:00:47,350 --> 00:00:45,039

things have changed perhaps the most

18

00:00:50,069 --> 00:00:47,360

significant change came recently

19

00:00:52,310 --> 00:00:50,079

when i posted an actual photo of myself

20

00:00:54,150 --> 00:00:52,320

to social media platforms like twitter

21

00:00:55,990 --> 00:00:54,160

and facebook

22

00:00:58,389 --> 00:00:56,000

i followed that up this past week with

23

00:01:00,790 --> 00:00:58,399

my first two video interviews

24

00:01:03,349 --> 00:01:00,800

first for james ian doley's engaging the

25

00:01:05,509 --> 00:01:03,359

phenomenon podcast and youtube channel

26

00:01:07,670 --> 00:01:05,519

and then for kelly chase's the ufo

27

00:01:09,270 --> 00:01:07,680

rabbit hole youtube channel

28

00:01:11,429 --> 00:01:09,280

there are other interviews scheduled in

29

00:01:12,950 --> 00:01:11,439

the near future as well which i will let

30

00:01:14,870 --> 00:01:12,960

people know about as they become

31

00:01:16,390 --> 00:01:14,880

available

32

00:01:18,630 --> 00:01:16,400

part of the interest that has arisen

33

00:01:21,190 --> 00:01:18,640

lately relates to an event i attended at

34

00:01:22,070 --> 00:01:21,200

the monroe institute back at the end of

35

00:01:24,830 --> 00:01:22,080

may

36

00:01:26,950 --> 00:01:24,840

titled ufos and the consciousness

37

00:01:29,109 --> 00:01:26,960

connection regular listeners to the

38

00:01:31,350 --> 00:01:29,119

podcast may recall that i discussed

39

00:01:34,310 --> 00:01:31,360

events from that multi-day retreat in

40

00:01:36,710 --> 00:01:34,320

episode 67 which was titled human

41

00:01:38,310 --> 00:01:36,720

initiated contact on proactive

42

00:01:39,670 --> 00:01:38,320

communication with non-human

43

00:01:41,830 --> 00:01:39,680

intelligence

44

00:01:43,830 --> 00:01:41,840

that event marked a new season in my

45

00:01:46,310 --> 00:01:43,840

history as a researcher of the ufo

46

00:01:48,389 --> 00:01:46,320

phenomenon and its intersection with

47

00:01:50,389 --> 00:01:48,399

other topics of interest such as

48

00:01:52,830 --> 00:01:50,399

near-death experiences out-of-body

49

00:01:57,109 --> 00:01:52,840

experiences and psy phenomena like

50

00:01:59,429 --> 00:01:57,119

telepathy psychokinesis and precognition

51
00:02:01,990 --> 00:01:59,439
this new season involves me doing actual

52
00:02:04,069 --> 00:02:02,000
field research where i travel to various

53
00:02:06,630 --> 00:02:04,079
locations to join with others in

54
00:02:09,430 --> 00:02:06,640
actively exploring these various points

55
00:02:11,350 --> 00:02:09,440
of convergence as it turns out at the

56
00:02:14,070 --> 00:02:11,360
time of the launch of this podcast

57
00:02:16,390 --> 00:02:14,080
episode i will be away for a second time

58
00:02:18,150 --> 00:02:16,400
doing active field research

59
00:02:20,830 --> 00:02:18,160
the fruit of that experience i hope to

60
00:02:22,470 --> 00:02:20,840
report on in future episodes of this

61
00:02:24,309 --> 00:02:22,480
podcast

62
00:02:26,949 --> 00:02:24,319
these new opportunities to connect with

63
00:02:29,510 --> 00:02:26,959

various players in this field including

64

00:02:33,110 --> 00:02:29,520

both leading researchers and individuals

65

00:02:34,869 --> 00:02:33,120

joseph burks has deemed prime contactees

66

00:02:37,190 --> 00:02:34,879

is yet another of the many profound

67

00:02:39,670 --> 00:02:37,200

opportunities that have arisen since i

68

00:02:41,430 --> 00:02:39,680

first started this podcast some 18

69

00:02:43,110 --> 00:02:41,440

months ago

70

00:02:45,750 --> 00:02:43,120

it goes without saying that i really had

71

00:02:48,150 --> 00:02:45,760

no idea then the many avenues this

72

00:02:49,430 --> 00:02:48,160

profound path of discovery would open up

73

00:02:51,509 --> 00:02:49,440

before me

74

00:02:54,309 --> 00:02:51,519

here's to that journey of adventure and

75

00:02:56,790 --> 00:02:54,319

fascination as it continues to manifest

76

00:02:59,350 --> 00:02:56,800

in each of our lives

77

00:03:01,750 --> 00:02:59,360

but for now without further ado let's

78

00:03:03,509 --> 00:03:01,760

get back to the matter at hand which has

79

00:03:05,509 --> 00:03:03,519

to do with me answering more of the

80

00:03:07,750 --> 00:03:05,519

thoughtful and thought-provoking

81

00:03:09,910 --> 00:03:07,760

questions that you the audience have

82

00:03:13,430 --> 00:03:09,920

sent in for this latest edition of the

83

00:03:15,589 --> 00:03:13,440

inquiring mind feature in this the 69th

84

00:03:21,030 --> 00:03:15,599

episode of the point of convergence

85

00:03:25,670 --> 00:03:22,710

all right let's jump right into the

86

00:03:27,830 --> 00:03:25,680

questions the first question sent in is

87

00:03:29,910 --> 00:03:27,840

worded as follows

88

00:03:32,309 --> 00:03:29,920

there are many theories about why cattle

89

00:03:34,869 --> 00:03:32,319

mutilations occur which theory do you

90

00:03:36,229 --> 00:03:34,879

personally lean towards and why thank

91

00:03:40,390 --> 00:03:36,239

you

92

00:03:42,869 --> 00:03:40,400

well this is a controversial one of

93

00:03:44,949 --> 00:03:42,879

course many people who look at the ufo

94

00:03:47,910 --> 00:03:44,959

phenomenon and want to see only love and

95

00:03:50,869 --> 00:03:47,920

light will look at this matter and be

96

00:03:53,030 --> 00:03:50,879

concerned or perhaps explain it away as

97

00:03:54,550 --> 00:03:53,040

only a military exercise or something

98

00:03:56,470 --> 00:03:54,560

like that

99

00:03:57,830 --> 00:03:56,480

i personally don't think that answer is

100

00:04:00,630 --> 00:03:57,840

sufficient

101
00:04:03,110 --> 00:04:00,640
i think the cattle mutilation phenomenon

102
00:04:04,710 --> 00:04:03,120
has been happening for a very long time

103
00:04:05,830 --> 00:04:04,720
there are stories going back hundreds of

104
00:04:07,990 --> 00:04:05,840
years

105
00:04:09,750 --> 00:04:08,000
and in each of them or many of them

106
00:04:11,030 --> 00:04:09,760
anyway there is a high degree of

107
00:04:13,190 --> 00:04:11,040
precision

108
00:04:15,190 --> 00:04:13,200
and this traces back from before we

109
00:04:17,189 --> 00:04:15,200
could actually do this so while we could

110
00:04:19,430 --> 00:04:17,199
possibly do this now

111
00:04:20,789 --> 00:04:19,440
with our cutting edge technology no pun

112
00:04:22,550 --> 00:04:20,799
intended

113
00:04:24,310 --> 00:04:22,560

200 years ago or something we couldn't

114

00:04:26,629 --> 00:04:24,320

have done it to this degree of precision

115

00:04:28,870 --> 00:04:26,639

the kind of precise incisions that are

116

00:04:31,110 --> 00:04:28,880

made before these carcasses are then

117

00:04:33,749 --> 00:04:31,120

left on the ground so that to me

118

00:04:34,710 --> 00:04:33,759

suggests that this is technology beyond

119

00:04:37,990 --> 00:04:34,720

human

120

00:04:40,070 --> 00:04:38,000

it would have to be time traveling

121

00:04:42,070 --> 00:04:40,080

humans because the humans of the time

122

00:04:44,710 --> 00:04:42,080

the conventional humans of society at

123

00:04:47,830 --> 00:04:44,720

the time certainly couldn't do this

124

00:04:49,110 --> 00:04:47,840

but outside of the human time traveler

125

00:04:51,350 --> 00:04:49,120

possibility

126

00:04:54,629 --> 00:04:51,360

i think it's very likely that some group

127

00:04:57,030 --> 00:04:54,639

of the ufo phenomenon is responsible

128

00:04:59,110 --> 00:04:57,040

now here i would just say as i often

129

00:05:01,590 --> 00:04:59,120

offer as a disclaimer while i

130

00:05:04,710 --> 00:05:01,600

conveniently refer to this as the ufo

131

00:05:07,670 --> 00:05:04,720

phenomenon it is not one single thing it

132

00:05:10,870 --> 00:05:07,680

is not one monolithic endeavor i think

133

00:05:13,510 --> 00:05:10,880

that this phenomenon likely is composed

134

00:05:15,990 --> 00:05:13,520

of many many different actors likely

135

00:05:17,270 --> 00:05:16,000

arising from different origin sources

136

00:05:18,710 --> 00:05:17,280

altogether

137

00:05:20,870 --> 00:05:18,720

and i don't think it's all love and

138

00:05:24,150 --> 00:05:20,880

light nor do i think it's all demons and

139

00:05:27,390 --> 00:05:24,160

darkness i think we have a vast array of

140

00:05:29,909 --> 00:05:27,400

different others here and we see an

141

00:05:33,350 --> 00:05:29,919

across-the-board spectrum in terms of

142

00:05:35,990 --> 00:05:33,360

good bad mature immature etc

143

00:05:38,790 --> 00:05:36,000

self-centered or more communally

144

00:05:40,390 --> 00:05:38,800

oriented and what have you so what i'm

145

00:05:42,870 --> 00:05:40,400

getting at here is i would caution

146

00:05:45,430 --> 00:05:42,880

people towards not tending towards

147

00:05:47,670 --> 00:05:45,440

grouping everything in one category

148

00:05:50,310 --> 00:05:47,680

don't assume all of these others are our

149

00:05:53,270 --> 00:05:50,320

moral and technological superiors

150

00:05:55,110 --> 00:05:53,280

some may be some may not be some may be

151

00:05:57,909 --> 00:05:55,120

our technological superiors but not

152

00:05:58,950 --> 00:05:57,919

necessarily our moral superiors and vice

153

00:06:00,870 --> 00:05:58,960

versa

154

00:06:02,629 --> 00:06:00,880

so there really is an array here there's

155

00:06:04,950 --> 00:06:02,639

a spectrum and i think that's what the

156

00:06:06,629 --> 00:06:04,960

data actually shows and where i think

157

00:06:08,150 --> 00:06:06,639

some people get confused

158

00:06:11,350 --> 00:06:08,160

is they look at the

159

00:06:14,150 --> 00:06:11,360

data and try to draw from it an agenda a

160

00:06:15,909 --> 00:06:14,160

narrative around one group of others

161

00:06:18,309 --> 00:06:15,919

which is difficult because it often

162

00:06:21,029 --> 00:06:18,319

looks contradictory but i think the

163

00:06:23,350 --> 00:06:21,039

contradictions underlyingly arise from

164

00:06:26,230 --> 00:06:23,360

different patterns in the data that only

165

00:06:28,070 --> 00:06:26,240

become confusing and paradoxical largely

166

00:06:32,390 --> 00:06:28,080

when we try to draw from it one

167

00:06:34,790 --> 00:06:32,400

narrative one agenda one group of others

168

00:06:37,270 --> 00:06:34,800

now as to why this one particular group

169

00:06:39,110 --> 00:06:37,280

would be interested in cattle i don't

170

00:06:41,749 --> 00:06:39,120

know your guess is as good as mine there

171

00:06:43,909 --> 00:06:41,759

i've heard different hypotheses but

172

00:06:45,670 --> 00:06:43,919

really none stand out to me

173

00:06:47,909 --> 00:06:45,680

are they doing this as a part of some

174

00:06:50,629 --> 00:06:47,919

scientific expedition the same way that

175

00:06:51,990 --> 00:06:50,639

we might cut up a frog like we did in

176
00:06:54,230 --> 00:06:52,000
science class

177
00:06:56,469 --> 00:06:54,240
perhaps i don't know the degree of

178
00:06:58,710 --> 00:06:56,479
precision certainly lends towards that

179
00:07:01,270 --> 00:06:58,720
kind of interpretation for me anyway

180
00:07:03,350 --> 00:07:01,280
it's not just this crass butchering that

181
00:07:05,350 --> 00:07:03,360
you might expect if it was just a pure

182
00:07:07,189 --> 00:07:05,360
act of cruelty

183
00:07:08,629 --> 00:07:07,199
i would also add that there have been

184
00:07:11,510 --> 00:07:08,639
occasions where

185
00:07:13,670 --> 00:07:11,520
camera footage has shown suddenly cattle

186
00:07:15,589 --> 00:07:13,680
being there and suddenly not being there

187
00:07:17,909 --> 00:07:15,599
and then at some later point you might

188
00:07:20,950 --> 00:07:17,919

see just the carcass the highly

189

00:07:22,870 --> 00:07:20,960

precision sliced up carcass and this

190

00:07:25,270 --> 00:07:22,880

suggests they can actually manipulate

191

00:07:27,110 --> 00:07:25,280

space-time either that or they actually

192

00:07:28,230 --> 00:07:27,120

are just manipulating our camera

193

00:07:29,350 --> 00:07:28,240

equipment

194

00:07:30,790 --> 00:07:29,360

directly

195

00:07:32,870 --> 00:07:30,800

even though we don't see evidence of

196

00:07:35,990 --> 00:07:32,880

that what seems more likely is that they

197

00:07:37,990 --> 00:07:36,000

literally can freeze local space time as

198

00:07:39,830 --> 00:07:38,000

we've heard elsewhere in other

199

00:07:42,070 --> 00:07:39,840

narratives around this entire ufo

200

00:07:43,830 --> 00:07:42,080

phenomenon and to us it looks like

201
00:07:45,350 --> 00:07:43,840
something is just there and not there

202
00:07:47,270 --> 00:07:45,360
and then there again

203
00:07:49,510 --> 00:07:47,280
we can't make sense of that but as

204
00:07:51,749 --> 00:07:49,520
jacques valley famously said what the

205
00:07:54,309 --> 00:07:51,759
ufo phenomenon demonstrates is that we

206
00:07:55,029 --> 00:07:54,319
really don't understand space-time at

207
00:07:56,790 --> 00:07:55,039
all

208
00:07:59,189 --> 00:07:56,800
and this is certainly the case with the

209
00:08:02,230 --> 00:07:59,199
cattle mutilation phenomenon

210
00:08:04,550 --> 00:08:02,240
again thanks for the question

211
00:08:06,869 --> 00:08:04,560
all right on to our next question which

212
00:08:09,110 --> 00:08:06,879
is worded as follows

213
00:08:11,430 --> 00:08:09,120

what is your opinion on manifesting our

214

00:08:13,270 --> 00:08:11,440

reality via conscious practice and

215

00:08:14,710 --> 00:08:13,280

application

216

00:08:15,749 --> 00:08:14,720

all right thank you for that excellent

217

00:08:17,990 --> 00:08:15,759

question

218

00:08:20,070 --> 00:08:18,000

thought-provoking it is and perhaps this

219

00:08:20,950 --> 00:08:20,080

arises partly because i've spoken about

220

00:08:24,309 --> 00:08:20,960

my

221

00:08:26,230 --> 00:08:24,319

tending towards an idea like idealism to

222

00:08:29,029 --> 00:08:26,240

explain reality that that's a more

223

00:08:31,510 --> 00:08:29,039

powerful explanatory mechanism in my

224

00:08:33,430 --> 00:08:31,520

mind than something like physicalism as

225

00:08:35,829 --> 00:08:33,440

i mentioned on this podcast and on

226

00:08:36,630 --> 00:08:35,839

recent interviews when we look at things

227

00:08:39,190 --> 00:08:36,640

like

228

00:08:40,630 --> 00:08:39,200

the implications of quantum theory and

229

00:08:42,389 --> 00:08:40,640

we look at the heart problem of

230

00:08:44,149 --> 00:08:42,399

consciousness and how the gray matter of

231

00:08:47,430 --> 00:08:44,159

our brain doesn't seem to be able to

232

00:08:49,590 --> 00:08:47,440

explain how consciousness arises at all

233

00:08:52,829 --> 00:08:49,600

and then we look at phenomena such as

234

00:08:54,949 --> 00:08:52,839

psi psychic capacities telepathy

235

00:08:57,110 --> 00:08:54,959

psychokinesis and we look of course at

236

00:08:59,509 --> 00:08:57,120

the ufo phenomenon and all of the high

237

00:09:00,949 --> 00:08:59,519

strangeness and paranormality that seems

238

00:09:03,110 --> 00:09:00,959

baked into it

239

00:09:06,310 --> 00:09:03,120

what that lends me towards is a notion

240

00:09:08,470 --> 00:09:06,320

like idealism to explain reality itself

241

00:09:10,230 --> 00:09:08,480

that only a completely different model

242

00:09:13,110 --> 00:09:10,240

of reality that more resembles something

243

00:09:15,350 --> 00:09:13,120

like idealism would explain all of this

244

00:09:17,269 --> 00:09:15,360

that physicalism fails time and time

245

00:09:19,030 --> 00:09:17,279

again even when you take the ufo

246

00:09:21,269 --> 00:09:19,040

phenomenon and high strangeness out of

247

00:09:23,750 --> 00:09:21,279

it altogether i think the implications

248

00:09:25,750 --> 00:09:23,760

arising from quantum theory and the hard

249

00:09:27,670 --> 00:09:25,760

problem of consciousness itself just

250

00:09:31,030 --> 00:09:27,680

those alone make it clear that

251

00:09:33,190 --> 00:09:31,040

physicalism is not a tenable model

252

00:09:35,509 --> 00:09:33,200

but does that mean that we can shape our

253

00:09:38,070 --> 00:09:35,519

reality through conscious intention if

254

00:09:39,670 --> 00:09:38,080

it's really a dreamscape in a way

255

00:09:42,310 --> 00:09:39,680

well here i think we have to distinguish

256

00:09:43,590 --> 00:09:42,320

between something called solipsism and

257

00:09:45,910 --> 00:09:43,600

idealism

258

00:09:48,310 --> 00:09:45,920

now what is solipsism the meaning of

259

00:09:50,470 --> 00:09:48,320

solipsism is a theory holding that the

260

00:09:52,949 --> 00:09:50,480

self can know nothing but its own

261

00:09:55,190 --> 00:09:52,959

modifications and that the self is the

262

00:09:57,829 --> 00:09:55,200

only existent thing

263

00:09:59,990 --> 00:09:57,839

said differently quote solipsism is

264

00:10:02,710 --> 00:10:00,000

sometimes expressed as the view that i

265

00:10:05,350 --> 00:10:02,720

am the only mind which exists or my

266

00:10:06,870 --> 00:10:05,360

mental states are the only mental states

267

00:10:09,269 --> 00:10:06,880

unquote

268

00:10:11,430 --> 00:10:09,279

now it's interesting recently when i

269

00:10:13,110 --> 00:10:11,440

mentioned that when we had the contact

270

00:10:15,350 --> 00:10:13,120

experience at monroe

271

00:10:17,350 --> 00:10:15,360

i felt like somehow we were connected to

272

00:10:18,790 --> 00:10:17,360

that other intelligence up there

273

00:10:20,630 --> 00:10:18,800

whatever they are

274

00:10:21,990 --> 00:10:20,640

and someone wondered if that

275

00:10:23,350 --> 00:10:22,000

meant that i was leaning towards

276

00:10:25,670 --> 00:10:23,360

solipsism that that was just a

277

00:10:27,590 --> 00:10:25,680

reflection of my own consciousness in

278

00:10:28,949 --> 00:10:27,600

other words all that exists is what's in

279

00:10:30,790 --> 00:10:28,959

my mind

280

00:10:31,670 --> 00:10:30,800

and i clarified that that's not what i

281

00:10:33,910 --> 00:10:31,680

meant

282

00:10:37,190 --> 00:10:33,920

what i tend towards is something called

283

00:10:39,030 --> 00:10:37,200

idealism which can be expressed as

284

00:10:41,670 --> 00:10:39,040

any of various systems of thought in

285

00:10:43,750 --> 00:10:41,680

which the objects of knowledge are held

286

00:10:47,670 --> 00:10:43,760

to be in some way dependent on the

287

00:10:49,509 --> 00:10:47,680

activity of mind now the key point here

288

00:10:52,470 --> 00:10:49,519

is this doesn't mean human mind it just

289

00:10:54,710 --> 00:10:52,480

means mind in general mind at large that

290

00:10:57,110 --> 00:10:54,720

you could say god's mind or the cosmic

291

00:10:59,269 --> 00:10:57,120

intelligence mind but that everything

292

00:11:02,710 --> 00:10:59,279

ultimately that even appears physical to

293

00:11:04,710 --> 00:11:02,720

us is ultimately mind stuff and here i

294

00:11:07,110 --> 00:11:04,720

would point to what i've learned through

295

00:11:09,509 --> 00:11:07,120

my lucid dreaming experiences that in

296

00:11:12,630 --> 00:11:09,519

those experiences everything feels just

297

00:11:14,790 --> 00:11:12,640

as physical in that state as our waking

298

00:11:16,230 --> 00:11:14,800

experience does but of course no one

299

00:11:18,630 --> 00:11:16,240

would say to me that it's actually

300

00:11:21,030 --> 00:11:18,640

physical they would say my mind is

301
00:11:22,710 --> 00:11:21,040
generating all of that phenomena

302
00:11:23,910 --> 00:11:22,720
well in the same way what we're saying

303
00:11:25,829 --> 00:11:23,920
here is that

304
00:11:27,990 --> 00:11:25,839
idealism suggests that all of the

305
00:11:30,389 --> 00:11:28,000
physical world that we interact with

306
00:11:32,710 --> 00:11:30,399
even when we fall and cut our leg it's

307
00:11:35,269 --> 00:11:32,720
still ultimately a mind experience and

308
00:11:38,230 --> 00:11:35,279
that the phenomena such as material

309
00:11:40,949 --> 00:11:38,240
matter is actually an epiphenomenon of

310
00:11:43,269 --> 00:11:40,959
mind stuff of mind at large

311
00:11:45,509 --> 00:11:43,279
and very specifically i leaned towards a

312
00:11:47,509 --> 00:11:45,519
notion called analytic idealism which

313
00:11:50,230 --> 00:11:47,519

was postulated by philosopher and

314

00:11:52,230 --> 00:11:50,240

computer scientist bernardo castro who's

315

00:11:54,230 --> 00:11:52,240

been a major influence on me

316

00:11:57,269 --> 00:11:54,240

and here's a quick snippet describing

317

00:11:59,190 --> 00:11:57,279

his overarching thesis

318

00:12:01,110 --> 00:11:59,200

quote this thesis articulates an

319

00:12:03,910 --> 00:12:01,120

analytic version of the ontology of

320

00:12:06,550 --> 00:12:03,920

idealism according to which universal

321

00:12:07,990 --> 00:12:06,560

phenomenal consciousness is all there

322

00:12:09,590 --> 00:12:08,000

ultimately is

323

00:12:12,870 --> 00:12:09,600

everything else in nature being

324

00:12:14,550 --> 00:12:12,880

reducible to patterns of excitation of

325

00:12:16,470 --> 00:12:14,560

this consciousness

326

00:12:18,069 --> 00:12:16,480

the core idea of this thesis can be

327

00:12:20,949 --> 00:12:18,079

summarized thus

328

00:12:24,310 --> 00:12:20,959

we as well as all living organisms are

329

00:12:26,389 --> 00:12:24,320

disassociated alters of universal

330

00:12:28,629 --> 00:12:26,399

phenomenal consciousness

331

00:12:30,069 --> 00:12:28,639

unquote in other words what he's saying

332

00:12:32,389 --> 00:12:30,079

here is that in the same way that

333

00:12:34,790 --> 00:12:32,399

someone with disassociated personality

334

00:12:37,110 --> 00:12:34,800

disorder can actually have multiple

335

00:12:38,949 --> 00:12:37,120

subjective experiences of the world

336

00:12:40,790 --> 00:12:38,959

within one mind

337

00:12:43,470 --> 00:12:40,800

in the same way castropur suggesting

338

00:12:45,910 --> 00:12:43,480

that all of us are basically

339

00:12:47,750 --> 00:12:45,920

disassociations of the one universal

340

00:12:50,389 --> 00:12:47,760

mind god's mind or the mind of the

341

00:12:52,470 --> 00:12:50,399

cosmic intelligence or the very mind of

342

00:12:53,910 --> 00:12:52,480

reality itself because ultimately you

343

00:12:55,110 --> 00:12:53,920

could suggest from a non-dual

344

00:12:58,230 --> 00:12:55,120

perspective

345

00:13:00,629 --> 00:12:58,240

all there is is consciousness and we in

346

00:13:03,670 --> 00:13:00,639

each of our individual experiences as

347

00:13:06,710 --> 00:13:03,680

little eyes little selves are actually

348

00:13:08,870 --> 00:13:06,720

just little cells of this one

349

00:13:11,110 --> 00:13:08,880

overarching consciousness and that

350

00:13:13,190 --> 00:13:11,120

partly explains among other things why

351

00:13:14,949 --> 00:13:13,200

we can have experiences with telepathy

352

00:13:17,030 --> 00:13:14,959

and whatnot and understand each other's

353

00:13:19,190 --> 00:13:17,040

thoughts and how alien beings can

354

00:13:20,949 --> 00:13:19,200

perhaps interact with us and know our

355

00:13:23,509 --> 00:13:20,959

thoughts and sometimes seem to be inside

356

00:13:26,550 --> 00:13:23,519

our heads because ultimately the

357

00:13:28,870 --> 00:13:26,560

boundaries between ourselves are porous

358

00:13:30,949 --> 00:13:28,880

that we ultimately are part of the same

359

00:13:33,670 --> 00:13:30,959

bedrock of reality which is ultimately

360

00:13:35,750 --> 00:13:33,680

composed of consciousness this explains

361

00:13:38,470 --> 00:13:35,760

a lot the more and more you look into it

362

00:13:41,990 --> 00:13:38,480

and consider this as an overarching

363

00:13:44,069 --> 00:13:42,000

model of reality itself

364

00:13:45,829 --> 00:13:44,079

with that preamble aside let's get back

365

00:13:48,550 --> 00:13:45,839

to this central question

366

00:13:51,110 --> 00:13:48,560

can we with conscious intention change

367

00:13:53,350 --> 00:13:51,120

our reality or as this person put it can

368

00:13:55,590 --> 00:13:53,360

we manifest our reality via conscious

369

00:13:57,750 --> 00:13:55,600

practice and application

370

00:13:59,590 --> 00:13:57,760

what i would say here is again we want

371

00:14:02,629 --> 00:13:59,600

to focus on the difference between mind

372

00:14:03,509 --> 00:14:02,639

at large and our individual mind we are

373

00:14:05,990 --> 00:14:03,519

still

374

00:14:07,670 --> 00:14:06,000

within this mind at large that's why we

375

00:14:09,910 --> 00:14:07,680

all might look in a room and see the

376

00:14:12,310 --> 00:14:09,920

same objects in a room they're not

377

00:14:14,389 --> 00:14:12,320

ultimately objects it's still mind stuff

378

00:14:16,230 --> 00:14:14,399

like we're sharing the same dreamscape

379

00:14:18,629 --> 00:14:16,240

that we're meeting up in this one dream

380

00:14:21,269 --> 00:14:18,639

room but it's the mind at large

381

00:14:23,350 --> 00:14:21,279

consciousness or the mind of god that is

382

00:14:25,030 --> 00:14:23,360

manifesting all of that what we're

383

00:14:27,350 --> 00:14:25,040

seeing and we have to remember that

384

00:14:29,350 --> 00:14:27,360

we're still one unit within that larger

385

00:14:31,829 --> 00:14:29,360

consciousness so we can't just

386

00:14:33,430 --> 00:14:31,839

unilaterally change things i'm sure

387

00:14:35,269 --> 00:14:33,440

you've tried this there might be things

388

00:14:38,710 --> 00:14:35,279

you wish were different in your life but

389

00:14:41,030 --> 00:14:38,720

just wishing it so doesn't make it so

390

00:14:44,230 --> 00:14:41,040

that said many of us have experienced

391

00:14:47,350 --> 00:14:44,240

synchronicity where if we align with

392

00:14:49,829 --> 00:14:47,360

some larger sense of a move happening

393

00:14:52,150 --> 00:14:49,839

within consciousness when we align

394

00:14:54,069 --> 00:14:52,160

ourselves with the flow of the river

395

00:14:55,990 --> 00:14:54,079

where it feels like we are

396

00:14:58,710 --> 00:14:56,000

aligning ourselves with the intention of

397

00:15:02,069 --> 00:14:58,720

something larger than us perhaps from

398

00:15:05,110 --> 00:15:02,079

mind at large or some larger ecosystem

399

00:15:07,590 --> 00:15:05,120

of minds we find sometimes that reality

400

00:15:09,990 --> 00:15:07,600

seems to follow suit i would say that's

401
00:15:11,590 --> 00:15:10,000
partly what synchronicity is or that

402
00:15:13,990 --> 00:15:11,600
synchronicity is what it looks like to

403
00:15:15,829 --> 00:15:14,000
us when we experience this

404
00:15:18,790 --> 00:15:15,839
again we are part of a larger

405
00:15:21,110 --> 00:15:18,800
consciousness field and it is that which

406
00:15:23,110 --> 00:15:21,120
wills reality you might say

407
00:15:25,509 --> 00:15:23,120
and because we too are part of that

408
00:15:27,590 --> 00:15:25,519
larger stream of consciousness we can

409
00:15:31,030 --> 00:15:27,600
learn to discern impulses that are

410
00:15:33,590 --> 00:15:31,040
arising from there from the larger field

411
00:15:35,350 --> 00:15:33,600
rather than from our own small ego

412
00:15:37,829 --> 00:15:35,360
which in some ways acts more like a

413
00:15:39,910 --> 00:15:37,839

cancer cell in a body if and when it

414

00:15:42,389 --> 00:15:39,920

only cares about its own benefit

415

00:15:44,470 --> 00:15:42,399

regardless of how that activity would

416

00:15:45,829 --> 00:15:44,480

affect the overall body of which it is

417

00:15:47,749 --> 00:15:45,839

apart

418

00:15:49,509 --> 00:15:47,759

but once we learn to discern impulses

419

00:15:52,550 --> 00:15:49,519

arising from that larger stream of

420

00:15:54,550 --> 00:15:52,560

consciousness coming from mind at large

421

00:15:56,870 --> 00:15:54,560

then when we try to manifest certain

422

00:15:59,910 --> 00:15:56,880

future realities we often find that it

423

00:16:02,550 --> 00:15:59,920

does work the reality moves before us in

424

00:16:04,550 --> 00:16:02,560

a way to make this happen but the key is

425

00:16:06,550 --> 00:16:04,560

that it's because our motivation has

426

00:16:09,509 --> 00:16:06,560

arisen from that overarching stream of

427

00:16:11,189 --> 00:16:09,519

consciousness or mind at large that's

428

00:16:12,629 --> 00:16:11,199

what i would say in general to that

429

00:16:14,470 --> 00:16:12,639

question and i know that was quite the

430

00:16:15,990 --> 00:16:14,480

rabbit trail but that's where i have to

431

00:16:18,790 --> 00:16:16,000

go to feel like i'm answering that

432

00:16:21,030 --> 00:16:18,800

question adequately

433

00:16:23,509 --> 00:16:21,040

all right on to our next question which

434

00:16:24,710 --> 00:16:23,519

is worded as follows

435

00:16:27,509 --> 00:16:24,720

how could

436

00:16:29,670 --> 00:16:27,519

should one choose between modalities

437

00:16:32,550 --> 00:16:29,680

if you wanted to make contact

438

00:16:35,430 --> 00:16:32,560

example heist meditation driven slash

439

00:16:36,870 --> 00:16:35,440

psychedelics slash astral travel

440

00:16:38,790 --> 00:16:36,880

ce5

441

00:16:41,670 --> 00:16:38,800

is there a way of increasing the chances

442

00:16:44,310 --> 00:16:41,680

of the type of contact initiated or the

443

00:16:46,470 --> 00:16:44,320

type of entity being contacted

444

00:16:48,949 --> 00:16:46,480

how could one guard against being given

445

00:16:51,749 --> 00:16:48,959

or taken in misleading messianic

446

00:16:53,829 --> 00:16:51,759

messages i note keel and to a lesser

447

00:16:56,230 --> 00:16:53,839

extent valet who highlight the

448

00:16:57,829 --> 00:16:56,240

propensity for trickster-ish or absurd

449

00:17:00,069 --> 00:16:57,839

themes to creep into contact

450

00:17:01,990 --> 00:17:00,079

communications there would appear to be

451
00:17:04,789 --> 00:17:02,000
very mixed results with regard to the

452
00:17:07,270 --> 00:17:04,799
long-term impact on those confessing to

453
00:17:09,669 --> 00:17:07,280
repeated contact

454
00:17:11,110 --> 00:17:09,679
okay great question and several aspects

455
00:17:13,029 --> 00:17:11,120
to it

456
00:17:14,870 --> 00:17:13,039
first thing i would say here the person

457
00:17:17,590 --> 00:17:14,880
in the question kind of distinguished

458
00:17:18,949 --> 00:17:17,600
heist in c5 i would say largely they are

459
00:17:21,270 --> 00:17:18,959
the same thing they're basically

460
00:17:23,669 --> 00:17:21,280
identical protocols the difference is

461
00:17:25,350 --> 00:17:23,679
really in name only and relates to

462
00:17:27,669 --> 00:17:25,360
trying to distance the protocols

463
00:17:30,310 --> 00:17:27,679

themselves which are employable by

464

00:17:31,990 --> 00:17:30,320

anyone anywhere without cost

465

00:17:33,430 --> 00:17:32,000

from the cult of personality that has

466

00:17:36,470 --> 00:17:33,440

built up around someone like stephen

467

00:17:38,870 --> 00:17:36,480

greer specifically because so much of c5

468

00:17:41,190 --> 00:17:38,880

is tainted in the public for some people

469

00:17:42,710 --> 00:17:41,200

anyway because of stephen greer's more

470

00:17:45,190 --> 00:17:42,720

recent actions

471

00:17:47,190 --> 00:17:45,200

heist has emerged as a conception put

472

00:17:49,270 --> 00:17:47,200

forward by joseph burks

473

00:17:51,350 --> 00:17:49,280

to offer a different name that we can

474

00:17:53,350 --> 00:17:51,360

gather around that at the end of the day

475

00:17:56,070 --> 00:17:53,360

is still about the same protocols

476

00:17:57,990 --> 00:17:56,080

meditation driven intention driven

477

00:18:00,630 --> 00:17:58,000

it's about preparing ourselves and then

478

00:18:02,950 --> 00:18:00,640

reaching out to make proactive contact

479

00:18:05,029 --> 00:18:02,960

with a certain group of others we are

480

00:18:07,830 --> 00:18:05,039

reaching out with our intention which is

481

00:18:10,789 --> 00:18:07,840

positive benevolent to meet with others

482

00:18:13,909 --> 00:18:10,799

who also have a positive benevolent

483

00:18:17,190 --> 00:18:13,919

communal kind of thinking or being

484

00:18:18,950 --> 00:18:17,200

that's what's key to high slash ce5

485

00:18:19,990 --> 00:18:18,960

now as i've mentioned on a couple recent

486

00:18:21,830 --> 00:18:20,000

interviews

487

00:18:23,830 --> 00:18:21,840

relating to your question about how we

488

00:18:25,270 --> 00:18:23,840

can control which ones we actually make

489

00:18:27,510 --> 00:18:25,280

contact with

490

00:18:29,350 --> 00:18:27,520

i think the evidence suggests that high

491

00:18:32,070 --> 00:18:29,360

slash ce5

492

00:18:34,870 --> 00:18:32,080

results the vast majority of the time in

493

00:18:37,029 --> 00:18:34,880

having positive contact with benevolent

494

00:18:38,549 --> 00:18:37,039

entities in other words it's not like

495

00:18:40,549 --> 00:18:38,559

you're just picking up the phone and

496

00:18:42,470 --> 00:18:40,559

hitting speed dial not knowing who

497

00:18:43,830 --> 00:18:42,480

you're going to get on the other end or

498

00:18:45,029 --> 00:18:43,840

that you have the wheel of fortune and

499

00:18:46,870 --> 00:18:45,039

you're just spinning it and you might

500

00:18:48,150 --> 00:18:46,880

hit bankrupt and you might hit the

501
00:18:49,350 --> 00:18:48,160

jackpot

502
00:18:51,350 --> 00:18:49,360

rather

503
00:18:54,070 --> 00:18:51,360

these protocols themselves and the

504
00:18:56,789 --> 00:18:54,080

intention we bring the energy we bring

505
00:18:59,110 --> 00:18:56,799

is like calling a certain number which

506
00:19:01,110 --> 00:18:59,120

tends to be picked up on the other end

507
00:19:03,669 --> 00:19:01,120

by a certain group resonating at that

508
00:19:05,270 --> 00:19:03,679

same kind of frequency now i know some

509
00:19:07,190 --> 00:19:05,280

people are going to resist that kind of

510
00:19:09,669 --> 00:19:07,200

language because it sounds too woo it

511
00:19:10,470 --> 00:19:09,679

sounds too new age but at the end of the

512
00:19:12,710 --> 00:19:10,480

day

513
00:19:15,510 --> 00:19:12,720

reality is such that these vibrations

514

00:19:17,430 --> 00:19:15,520

these frequencies these resonant fields

515

00:19:19,430 --> 00:19:17,440

really do matter they have much to do

516

00:19:21,590 --> 00:19:19,440

with what actually happens in our own

517

00:19:23,669 --> 00:19:21,600

lives for instance and i'm saying it's

518

00:19:26,230 --> 00:19:23,679

the same thing here when we set a

519

00:19:28,789 --> 00:19:26,240

certain resonant field then we tend to

520

00:19:30,549 --> 00:19:28,799

make contact with others that overlap

521

00:19:33,750 --> 00:19:30,559

with that resonant field i think that's

522

00:19:36,310 --> 00:19:33,760

why c5 and heist so often results in

523

00:19:38,470 --> 00:19:36,320

positive encounters and as i've said

524

00:19:40,710 --> 00:19:38,480

elsewhere in the couple occasions where

525

00:19:43,270 --> 00:19:40,720

i'm aware of negative interactions

526

00:19:45,909 --> 00:19:43,280

arising because of these protocols i

527

00:19:47,830 --> 00:19:45,919

think they were mitigating circumstances

528

00:19:50,470 --> 00:19:47,840

and by that i'm not just guessing i know

529

00:19:52,870 --> 00:19:50,480

about specific cases where there were

530

00:19:55,669 --> 00:19:52,880

other issues going on coming into those

531

00:19:57,669 --> 00:19:55,679

events and i think those other issues

532

00:19:59,990 --> 00:19:57,679

ended up impacting the nature of the

533

00:20:01,830 --> 00:20:00,000

protocols themselves so in other words

534

00:20:03,510 --> 00:20:01,840

you weren't really dialing that number

535

00:20:05,590 --> 00:20:03,520

because of the energy that was actually

536

00:20:08,230 --> 00:20:05,600

brought so you have to look beyond that

537

00:20:09,909 --> 00:20:08,240

superficial level

538

00:20:13,350 --> 00:20:09,919

now getting to some of the other

539

00:20:15,669 --> 00:20:13,360

protocols or the other means of contact

540

00:20:17,190 --> 00:20:15,679

now when we think about psychedelics uh

541

00:20:19,110 --> 00:20:17,200

terence mckenna famously said

542

00:20:21,590 --> 00:20:19,120

psychedelics are a guaranteed way to

543

00:20:23,350 --> 00:20:21,600

have a supranormal experience

544

00:20:25,669 --> 00:20:23,360

some of those experiences include making

545

00:20:27,750 --> 00:20:25,679

contact with seemingly alien or

546

00:20:30,070 --> 00:20:27,760

non-human intelligence

547

00:20:32,310 --> 00:20:30,080

with psilocybin that encounters more

548

00:20:35,669 --> 00:20:32,320

with something that feels like it's

549

00:20:37,830 --> 00:20:35,679

otherworldly some overarching sense of

550

00:20:39,909 --> 00:20:37,840

interacting with something else whether

551

00:20:43,029 --> 00:20:39,919

it's a deeper sense of you

552

00:20:45,270 --> 00:20:43,039

your future self a more overarching self

553

00:20:47,190 --> 00:20:45,280

that we're not usually in contact with

554

00:20:49,590 --> 00:20:47,200

or if you're actually contacting some

555

00:20:52,310 --> 00:20:49,600

alien intelligence i don't know it may

556

00:20:54,710 --> 00:20:52,320

be that the spores themselves represent

557

00:20:56,789 --> 00:20:54,720

a gateway to contact with another kind

558

00:20:59,110 --> 00:20:56,799

of intelligence and as i mentioned i

559

00:21:00,950 --> 00:20:59,120

think on a liminal frames episode

560

00:21:02,710 --> 00:21:00,960

that would make sense if you want to see

561

00:21:05,110 --> 00:21:02,720

the universe with the possibility to

562

00:21:06,789 --> 00:21:05,120

make contact then spores would be a

563

00:21:09,110 --> 00:21:06,799

great way to do it because you could

564

00:21:11,350 --> 00:21:09,120

spread it around the universe on meteors

565

00:21:13,350 --> 00:21:11,360

and whatnot and then when the local

566

00:21:14,950 --> 00:21:13,360

indigenous population evolved to the

567

00:21:17,029 --> 00:21:14,960

point where they actually consumed those

568

00:21:19,190 --> 00:21:17,039

spores that had become mushrooms and

569

00:21:21,990 --> 00:21:19,200

whatnot at that point then that would

570

00:21:23,669 --> 00:21:22,000

facilitate an interaction with this

571

00:21:26,710 --> 00:21:23,679

intelligence that had been spread across

572

00:21:30,390 --> 00:21:26,720

the cosmos that was pre-existing that

573

00:21:32,950 --> 00:21:30,400

might be what's going on with psilocybin

574

00:21:34,630 --> 00:21:32,960

now with dmt it's very common to make

575

00:21:37,350 --> 00:21:34,640

contact with beings such as those

576

00:21:38,870 --> 00:21:37,360

described as the machine elves

577

00:21:40,149 --> 00:21:38,880

especially once you're at a sufficiently

578

00:21:42,710 --> 00:21:40,159

high dose

579

00:21:45,190 --> 00:21:42,720

this is almost a guaranteed means of

580

00:21:47,350 --> 00:21:45,200

contact but of course it's also illegal

581

00:21:49,029 --> 00:21:47,360

in many places that will eventually

582

00:21:51,430 --> 00:21:49,039

change of course but take that into

583

00:21:53,750 --> 00:21:51,440

consideration

584

00:21:55,830 --> 00:21:53,760

now another option is astral travel this

585

00:21:58,149 --> 00:21:55,840

is also a known means of communication

586

00:22:00,230 --> 00:21:58,159

and contact as well as well as a great

587

00:22:02,149 --> 00:22:00,240

way to experience yourself outside of

588

00:22:04,870 --> 00:22:02,159

your physical body outside the

589

00:22:06,470 --> 00:22:04,880

constraints of the executive ego

590

00:22:08,149 --> 00:22:06,480

but i will say the cases i'm most

591

00:22:11,029 --> 00:22:08,159

familiar with involved people who had

592

00:22:13,430 --> 00:22:11,039

already been contacted by alien others

593

00:22:15,190 --> 00:22:13,440

for instance i covered a case several

594

00:22:17,909 --> 00:22:15,200

episodes ago going back several months

595

00:22:20,870 --> 00:22:17,919

now where someone actually made contact

596

00:22:22,710 --> 00:22:20,880

via astral projection but to be clear

597

00:22:25,270 --> 00:22:22,720

that individual had already had

598

00:22:27,830 --> 00:22:25,280

interaction with alien others the graves

599

00:22:30,630 --> 00:22:27,840

and whatnot had originally contacted him

600

00:22:32,789 --> 00:22:30,640

abducted he and his son actually later

601
00:22:34,789 --> 00:22:32,799
he was able to reach out and contact

602
00:22:36,789 --> 00:22:34,799
them through astral travel but that

603
00:22:38,390 --> 00:22:36,799
happened afterwards so i'm not saying

604
00:22:40,470 --> 00:22:38,400
it's not possible to do this as an

605
00:22:42,789 --> 00:22:40,480
initiatory kind of experience

606
00:22:45,590 --> 00:22:42,799
i've even had one of my own one time

607
00:22:47,430 --> 00:22:45,600
but it's less clear and it's not as much

608
00:22:49,430 --> 00:22:47,440
of a well-worn path as some of these

609
00:22:51,270 --> 00:22:49,440
other protocols

610
00:22:53,270 --> 00:22:51,280
but nevertheless i highly recommend this

611
00:22:54,710 --> 00:22:53,280
practice for the expansion of your own

612
00:22:56,549 --> 00:22:54,720
consciousness

613
00:22:58,310 --> 00:22:56,559

now in regards to the second part of the

614

00:23:00,870 --> 00:22:58,320

question how could one guard against

615

00:23:03,669 --> 00:23:00,880

being given or taking in misleading

616

00:23:05,909 --> 00:23:03,679

example messianic messages

617

00:23:08,390 --> 00:23:05,919

i would say there very basically you

618

00:23:09,990 --> 00:23:08,400

would judge by the fruit in other words

619

00:23:12,390 --> 00:23:10,000

if you feel like the information that's

620

00:23:15,270 --> 00:23:12,400

been given actually leads to positive

621

00:23:17,590 --> 00:23:15,280

outcomes then take it more seriously

622

00:23:19,750 --> 00:23:17,600

if it feels like negative outcomes are

623

00:23:22,149 --> 00:23:19,760

the result then don't take it seriously

624

00:23:23,990 --> 00:23:22,159

or question the motives of the

625

00:23:26,950 --> 00:23:24,000

intelligences that supposedly gave you

626
00:23:28,950 --> 00:23:26,960
the information are there other agendas

627
00:23:31,510 --> 00:23:28,960
in play for instance and if you

628
00:23:34,070 --> 00:23:31,520
sometimes have a bit of both and like

629
00:23:37,110 --> 00:23:34,080
the trickster phenomena that john keel

630
00:23:38,710 --> 00:23:37,120
so famously wrote about will then just

631
00:23:40,950 --> 00:23:38,720
chalk it up to possibly being

632
00:23:43,350 --> 00:23:40,960
interacting with some sort of trickster

633
00:23:45,110 --> 00:23:43,360
whose ultimate aims we do not seem to be

634
00:23:46,870 --> 00:23:45,120
able to discern

635
00:23:49,350 --> 00:23:46,880
if there are any aims of a specific

636
00:23:51,590 --> 00:23:49,360
nature at all sometimes it just seems to

637
00:23:53,909 --> 00:23:51,600
frustrate us although some would argue

638
00:23:55,430 --> 00:23:53,919

even there that the overarching purpose

639

00:23:56,789 --> 00:23:55,440

of the trickster

640

00:23:59,269 --> 00:23:56,799

is arising from something like the

641

00:24:01,269 --> 00:23:59,279

collective unconscious to try to get us

642

00:24:04,230 --> 00:24:01,279

to change the nature of the way we see

643

00:24:06,470 --> 00:24:04,240

reality itself that it's deliberately

644

00:24:08,310 --> 00:24:06,480

confounding our attempts to understand

645

00:24:10,470 --> 00:24:08,320

and to make headway because we are

646

00:24:12,710 --> 00:24:10,480

somehow missing something and that this

647

00:24:14,789 --> 00:24:12,720

arises from the collective unconscious

648

00:24:16,549 --> 00:24:14,799

to set us on the right course even

649

00:24:19,350 --> 00:24:16,559

though it's frustrating in the short

650

00:24:21,430 --> 00:24:19,360

term

651
00:24:23,990 --> 00:24:21,440
all right on to the next question which

652
00:24:25,750 --> 00:24:24,000
is worded as follows

653
00:24:28,310 --> 00:24:25,760
it seems that over time you've been

654
00:24:30,710 --> 00:24:28,320
granted access or come across footage

655
00:24:33,190 --> 00:24:30,720
and or information that perhaps goes

656
00:24:35,510 --> 00:24:33,200
beyond what the general public has seen

657
00:24:37,430 --> 00:24:35,520
if that's the case what's the craziest

658
00:24:39,110 --> 00:24:37,440
most startling or most compelling

659
00:24:42,070 --> 00:24:39,120
footage you've seen

660
00:24:44,310 --> 00:24:42,080
pertaining to the ufo phenomenon

661
00:24:46,549 --> 00:24:44,320
thank you for the question

662
00:24:49,430 --> 00:24:46,559
well as it turns out there are a few

663
00:24:52,230 --> 00:24:49,440

video clips and or photos that i've seen

664

00:24:54,070 --> 00:24:52,240

that do fit this bill i would say

665

00:24:55,909 --> 00:24:54,080

the first one that comes to mind which i

666

00:24:57,990 --> 00:24:55,919

saw earlier this year

667

00:25:00,710 --> 00:24:58,000

was footage of what appears to be what

668

00:25:02,310 --> 00:25:00,720

we commonly refer to as a light being

669

00:25:04,950 --> 00:25:02,320

this is a being that basically looks

670

00:25:06,149 --> 00:25:04,960

humanoid but is lit up like a light bulb

671

00:25:07,430 --> 00:25:06,159

basically

672

00:25:09,350 --> 00:25:07,440

and what's fascinating with this

673

00:25:11,909 --> 00:25:09,360

particular footage i saw

674

00:25:13,669 --> 00:25:11,919

which was shot down in patagonia region

675

00:25:15,909 --> 00:25:13,679

in south america

676
00:25:18,950 --> 00:25:15,919
is that this particular light being was

677
00:25:22,070 --> 00:25:18,960
shot from across a lake from a boat

678
00:25:23,669 --> 00:25:22,080
and it was in broad daylight and this

679
00:25:25,990 --> 00:25:23,679
light being appeared to be walking

680
00:25:28,070 --> 00:25:26,000
through the edge of a forest

681
00:25:30,710 --> 00:25:28,080
off of the shore of this lake and the

682
00:25:32,870 --> 00:25:30,720
footage was shot from this boat

683
00:25:34,630 --> 00:25:32,880
so it was quite fascinating because

684
00:25:37,830 --> 00:25:34,640
again often when we think of light

685
00:25:40,630 --> 00:25:37,840
beings we think about ufos and entities

686
00:25:43,190 --> 00:25:40,640
people see at night against this stark

687
00:25:45,590 --> 00:25:43,200
dark background this was in broad

688
00:25:47,510 --> 00:25:45,600

daylight and even in broad daylight you

689

00:25:49,269 --> 00:25:47,520

could see this thing lit up like a bulb

690

00:25:52,390 --> 00:25:49,279

this humanoid creature

691

00:25:54,070 --> 00:25:52,400

being walking through the forest from

692

00:25:56,310 --> 00:25:54,080

the perspective of this boat that was

693

00:25:58,630 --> 00:25:56,320

going along the lake so that was really

694

00:26:00,630 --> 00:25:58,640

really fascinating and shocking footage

695

00:26:03,029 --> 00:26:00,640

honestly that i had not seen anything

696

00:26:04,870 --> 00:26:03,039

the like before

697

00:26:07,750 --> 00:26:04,880

the second bit of footage that comes to

698

00:26:10,230 --> 00:26:07,760

mind was taken in a similar location in

699

00:26:11,269 --> 00:26:10,240

south america and it involves what is

700

00:26:13,909 --> 00:26:11,279

clearly

701
00:26:15,750 --> 00:26:13,919
a ufo a craft and this footage is

702
00:26:17,430 --> 00:26:15,760
actually taken at night and what's

703
00:26:19,669 --> 00:26:17,440
fascinating is that this stationary

704
00:26:22,149 --> 00:26:19,679
craft hovering above the ground

705
00:26:23,190 --> 00:26:22,159
taken from the perspective of a security

706
00:26:25,269 --> 00:26:23,200
camera

707
00:26:28,070 --> 00:26:25,279
actually seems to change shape you can

708
00:26:30,310 --> 00:26:28,080
see it literally change shape live on

709
00:26:31,830 --> 00:26:30,320
the footage and then it shoots up into

710
00:26:33,669 --> 00:26:31,840
the sky so you basically have what's

711
00:26:34,950 --> 00:26:33,679
called instantaneous acceleration at

712
00:26:36,470 --> 00:26:34,960
that point

713
00:26:38,710 --> 00:26:36,480

i don't know how to explain that through

714

00:26:41,110 --> 00:26:38,720

prosaic means again you have something

715

00:26:42,549 --> 00:26:41,120

that's stationary it's not blurry it's

716

00:26:44,950 --> 00:26:42,559

not the greatest footage it's not

717

00:26:46,470 --> 00:26:44,960

crystal clear hd footage it's from a

718

00:26:49,350 --> 00:26:46,480

security camera

719

00:26:51,990 --> 00:26:49,360

nevertheless it's very clearly an object

720

00:26:53,669 --> 00:26:52,000

above the ground that changes shape and

721

00:26:56,230 --> 00:26:53,679

then shoots up into the sky

722

00:26:59,510 --> 00:26:56,240

instantaneously so that also was footage

723

00:27:01,190 --> 00:26:59,520

that was very very compelling

724

00:27:03,590 --> 00:27:01,200

the third bit of footage that comes to

725

00:27:05,269 --> 00:27:03,600

mind that is also compelling equally so

726

00:27:06,789 --> 00:27:05,279

equally startling

727

00:27:08,950 --> 00:27:06,799

was of a

728

00:27:10,470 --> 00:27:08,960

craft that was moving against a mountain

729

00:27:12,630 --> 00:27:10,480

range i'm not going to say where it was

730

00:27:14,070 --> 00:27:12,640

because again this is not public yet but

731

00:27:16,070 --> 00:27:14,080

it was a mountain range somewhere in

732

00:27:17,669 --> 00:27:16,080

north america i'll say that and this

733

00:27:19,350 --> 00:27:17,679

craft was moving in front of this

734

00:27:22,549 --> 00:27:19,360

mountain range so not that high off the

735

00:27:24,470 --> 00:27:22,559

ground maybe 100 200 feet off the ground

736

00:27:26,310 --> 00:27:24,480

moving in front of this mountain range

737

00:27:27,990 --> 00:27:26,320

in broad daylight again i would say this

738

00:27:29,990 --> 00:27:28,000

is not night footage and it's pretty

739

00:27:32,549 --> 00:27:30,000

high quality footage and you can see

740

00:27:34,870 --> 00:27:32,559

this craft or object or whatever it is

741

00:27:36,149 --> 00:27:34,880

moving strangely and it definitely seems

742

00:27:37,990 --> 00:27:36,159

solid it doesn't look like it's just

743

00:27:40,549 --> 00:27:38,000

some trick of light it looks like a

744

00:27:42,630 --> 00:27:40,559

solid object that's moving strangely in

745

00:27:45,590 --> 00:27:42,640

front of this mountain range and what's

746

00:27:48,630 --> 00:27:45,600

most startling is that it then proceeds

747

00:27:50,789 --> 00:27:48,640

to fly straight into the mountain

748

00:27:52,310 --> 00:27:50,799

and when i say into the mountain you one

749

00:27:54,789 --> 00:27:52,320

second you see it there and the next

750

00:27:56,789 --> 00:27:54,799

second you don't it seems to disappear

751
00:27:59,510 --> 00:27:56,799
into the mountain you don't see any kind

752
00:28:02,470 --> 00:27:59,520
of impact there's no smoke there's no

753
00:28:04,310 --> 00:28:02,480
collision no signs of collision it just

754
00:28:05,430 --> 00:28:04,320
seems to disappear straight into the

755
00:28:07,350 --> 00:28:05,440
mountain

756
00:28:09,430 --> 00:28:07,360
of course that's very very fascinating

757
00:28:11,750 --> 00:28:09,440
very very startling and we of course

758
00:28:12,630 --> 00:28:11,760
have nothing prosaic that would explain

759
00:28:14,870 --> 00:28:12,640
that

760
00:28:16,950 --> 00:28:14,880
and here i bring up the notion of trans

761
00:28:18,950 --> 00:28:16,960
medium vehicles which we've heard about

762
00:28:21,510 --> 00:28:18,960
now often when we think of trans medium

763
00:28:24,310 --> 00:28:21,520

vehicles we think of vehicles that can

764

00:28:26,549 --> 00:28:24,320

fly into space perhaps and then into our

765

00:28:29,350 --> 00:28:26,559

atmosphere but then also can go into our

766

00:28:31,990 --> 00:28:29,360

oceans and we're amazed when these craft

767

00:28:34,630 --> 00:28:32,000

can at high speeds fly straight into the

768

00:28:35,909 --> 00:28:34,640

ocean and seemingly not leave any wake

769

00:28:38,070 --> 00:28:35,919

they just seem to go straight into the

770

00:28:40,310 --> 00:28:38,080

water and not even leave a splash

771

00:28:43,269 --> 00:28:40,320

sometimes and then they often are

772

00:28:45,750 --> 00:28:43,279

spotted or actually filmed or cataloged

773

00:28:48,549 --> 00:28:45,760

moving through the water at basically

774

00:28:49,750 --> 00:28:48,559

supersonic speeds which again we can't

775

00:28:55,029 --> 00:28:49,760

do

776

00:28:57,590 --> 00:28:55,039

also means that some of these objects

777

00:28:59,590 --> 00:28:57,600

some of these vehicles can fly straight

778

00:29:01,430 --> 00:28:59,600

into solid objects

779

00:29:02,470 --> 00:29:01,440

so perhaps they're phasing into some

780

00:29:04,789 --> 00:29:02,480

other

781

00:29:06,630 --> 00:29:04,799

form of matter at that point or perhaps

782

00:29:08,389 --> 00:29:06,640

again they're doing something with space

783

00:29:09,110 --> 00:29:08,399

time that we just don't understand at

784

00:29:11,830 --> 00:29:09,120

all

785

00:29:13,190 --> 00:29:11,840

again from an idealistic point of view

786

00:29:15,029 --> 00:29:13,200

getting back to that metaphysical

787

00:29:16,950 --> 00:29:15,039

conception of reality

788

00:29:19,029 --> 00:29:16,960

matter isn't ultimately real so what

789

00:29:21,590 --> 00:29:19,039

they're maybe doing there is

790

00:29:23,510 --> 00:29:21,600

manipulating the consciousness stuff

791

00:29:27,350 --> 00:29:23,520

that's necessary to manipulate in order

792

00:29:30,149 --> 00:29:27,360

to do what appears to us like a physical

793

00:29:32,710 --> 00:29:30,159

object flying straight into a large

794

00:29:34,950 --> 00:29:32,720

physical structure like a mountain

795

00:29:37,110 --> 00:29:34,960

and do so seamlessly

796

00:29:39,750 --> 00:29:37,120

of course we know grey aliens and all

797

00:29:42,070 --> 00:29:39,760

sorts of other types reptilians and

798

00:29:43,430 --> 00:29:42,080

whatnot can walk straight through walls

799

00:29:45,430 --> 00:29:43,440

and they can take people straight

800

00:29:46,789 --> 00:29:45,440

through walls so again we already know

801
00:29:48,870 --> 00:29:46,799
that this kind of

802
00:29:50,950 --> 00:29:48,880
movement through solid objects is a

803
00:29:52,789 --> 00:29:50,960
breeze for some of these others so we

804
00:29:55,269 --> 00:29:52,799
shouldn't therefore be surprised that

805
00:29:56,710 --> 00:29:55,279
that's also the case for the craft but

806
00:29:58,870 --> 00:29:56,720
it was quite a thing for me to see this

807
00:30:01,029 --> 00:29:58,880
footage where you see it happen in broad

808
00:30:03,990 --> 00:30:01,039
daylight a craft flies straight into a

809
00:30:05,830 --> 00:30:04,000
mountain and it's gone

810
00:30:08,870 --> 00:30:05,840
all right we have time for one final

811
00:30:11,269 --> 00:30:08,880
question which is worded as follows

812
00:30:14,070 --> 00:30:11,279
hi xo i'm curious what your perspective

813
00:30:16,389 --> 00:30:14,080

is on my labs slash military alien

814

00:30:17,350 --> 00:30:16,399

cooperation and the hybridization

815

00:30:19,350 --> 00:30:17,360

program

816

00:30:21,750 --> 00:30:19,360

to me this sometimes sounds like science

817

00:30:24,310 --> 00:30:21,760

fiction or is there some validity what

818

00:30:26,789 --> 00:30:24,320

are your thoughts

819

00:30:28,950 --> 00:30:26,799

okay well i'd begin by saying initially

820

00:30:30,870 --> 00:30:28,960

i probably agreed with you i used to

821

00:30:32,230 --> 00:30:30,880

look at this more like a science fiction

822

00:30:34,310 --> 00:30:32,240

kind of notion

823

00:30:35,590 --> 00:30:34,320

it seemed like a stretch to me

824

00:30:38,789 --> 00:30:35,600

that there could be this kind of

825

00:30:41,590 --> 00:30:38,799

military alien cooperation going on

826
00:30:44,310 --> 00:30:41,600
and us not know about it it just seemed

827
00:30:46,710 --> 00:30:44,320
like too big an operation to fly under

828
00:30:48,470 --> 00:30:46,720
the radar in fact that's often the

829
00:30:50,549 --> 00:30:48,480
argument that people would put forward

830
00:30:52,950 --> 00:30:50,559
for any kind of large-scale cover-up

831
00:30:55,350 --> 00:30:52,960
over time because it's just very hard to

832
00:30:57,110 --> 00:30:55,360
keep things that are secret secret for

833
00:30:59,509 --> 00:30:57,120
very long and the more people that are

834
00:31:01,669 --> 00:30:59,519
involved the harder it is to do

835
00:31:04,149 --> 00:31:01,679
and often government is actually not all

836
00:31:06,230 --> 00:31:04,159
that efficient and these secrets become

837
00:31:08,470 --> 00:31:06,240
difficult to keep

838
00:31:10,710 --> 00:31:08,480

also when people used to talk about my

839

00:31:13,269 --> 00:31:10,720

labs more as just a military operation

840

00:31:15,669 --> 00:31:13,279

like a psyop where they're basically

841

00:31:17,909 --> 00:31:15,679

faking an alien abduction and then doing

842

00:31:20,070 --> 00:31:17,919

other things to human beings while i

843

00:31:22,310 --> 00:31:20,080

think that possibly and probably has

844

00:31:24,389 --> 00:31:22,320

happened i didn't think it could be at

845

00:31:26,950 --> 00:31:24,399

the same level as an actual alien

846

00:31:29,350 --> 00:31:26,960

abduction and wouldn't confuse that many

847

00:31:31,669 --> 00:31:29,360

people so even if the kinds that it's a

848

00:31:33,750 --> 00:31:31,679

military operation faking an alien

849

00:31:34,870 --> 00:31:33,760

abduction in order to do something else

850

00:31:37,029 --> 00:31:34,880

to people

851
00:31:38,549 --> 00:31:37,039
i think that would be a small portion of

852
00:31:39,990 --> 00:31:38,559
the totality in other words that would

853
00:31:42,149 --> 00:31:40,000
be a very small

854
00:31:44,870 --> 00:31:42,159
portion of the entire collection of

855
00:31:47,509 --> 00:31:44,880
abduction stories we know exist in the

856
00:31:48,950 --> 00:31:47,519
literature left right and center

857
00:31:51,430 --> 00:31:48,960
so in other words i wouldn't want people

858
00:31:53,509 --> 00:31:51,440
to just dismiss the entire thing as some

859
00:31:55,430 --> 00:31:53,519
rogue operations done by some military

860
00:31:56,710 --> 00:31:55,440
types and that the abduction phenomenon

861
00:31:59,190 --> 00:31:56,720
doesn't exist

862
00:32:02,230 --> 00:31:59,200
the abduction phenomenon does exist and

863
00:32:04,470 --> 00:32:02,240

it is being done by some alien others

864

00:32:06,149 --> 00:32:04,480

even though my contention would be that

865

00:32:08,070 --> 00:32:06,159

these are not the same alien others for

866

00:32:11,029 --> 00:32:08,080

instance that we contact through

867

00:32:13,350 --> 00:32:11,039

protocols such as heist or ce5 that's

868

00:32:16,149 --> 00:32:13,360

again where i see different distinct

869

00:32:19,909 --> 00:32:16,159

patterns in the data and so for me it

870

00:32:24,070 --> 00:32:21,990

but beyond that i'd have to say that

871

00:32:27,029 --> 00:32:24,080

more recently i've come across

872

00:32:29,669 --> 00:32:27,039

information that suggests that my labs

873

00:32:32,149 --> 00:32:29,679

really is real it really does happen and

874

00:32:33,509 --> 00:32:32,159

not just as some small rogue element of

875

00:32:35,669 --> 00:32:33,519

the military

876

00:32:38,710 --> 00:32:35,679

but that there actually is a cooperative

877

00:32:42,310 --> 00:32:38,720

program being run by some elements of

878

00:32:44,630 --> 00:32:42,320

our military and alien groups involving

879

00:32:47,029 --> 00:32:44,640

both graves and reptilians and what have

880

00:32:49,509 --> 00:32:47,039

you this really does seem to be going on

881

00:32:51,590 --> 00:32:49,519

there's actually data-driven evidence i

882

00:32:54,389 --> 00:32:51,600

think that supports this and part of

883

00:32:56,470 --> 00:32:54,399

this is also the hybridization program

884

00:32:58,310 --> 00:32:56,480

so while i used to look at that part as

885

00:33:00,149 --> 00:32:58,320

kind of science fiction i've seen

886

00:33:02,789 --> 00:33:00,159

evidence more recently suggesting that

887

00:33:05,430 --> 00:33:02,799

this really is happening as shocking as

888

00:33:08,149 --> 00:33:05,440

that is although again i caution people

889

00:33:11,269 --> 00:33:08,159

not to group that in as all one activity

890

00:33:13,909 --> 00:33:11,279

all one agenda of some overarching alien

891

00:33:16,310 --> 00:33:13,919

agenda i think there's different groups

892

00:33:18,230 --> 00:33:16,320

even the greys are likely represented by

893

00:33:20,470 --> 00:33:18,240

multiple different groups

894

00:33:22,789 --> 00:33:20,480

and may even be a kind of way that

895

00:33:25,430 --> 00:33:22,799

certain alien beings maybe even

896

00:33:27,909 --> 00:33:25,440

interdimensional beings manifest in our

897

00:33:30,389 --> 00:33:27,919

reality they could be wearing the gray

898

00:33:32,149 --> 00:33:30,399

facade as a kind of suit

899

00:33:35,029 --> 00:33:32,159

or that may be just the way that they

900

00:33:37,350 --> 00:33:35,039

manifest when they come into our dance

901
00:33:40,470 --> 00:33:37,360
3d world from whatever interdimensional

902
00:33:42,310 --> 00:33:40,480
locale they're coming from

903
00:33:43,909 --> 00:33:42,320
and one final note to add on this

904
00:33:45,830 --> 00:33:43,919
particular topic

905
00:33:48,470 --> 00:33:45,840
is that i do believe the hybridization

906
00:33:50,950 --> 00:33:48,480
program is absolutely real i do believe

907
00:33:52,549 --> 00:33:50,960
there are hybrids walking amongst us and

908
00:33:55,110 --> 00:33:52,559
i do believe the technology is

909
00:33:57,110 --> 00:33:55,120
sophisticated enough that these people

910
00:33:59,430 --> 00:33:57,120
would be indistinguishable from anyone

911
00:34:03,669 --> 00:33:59,440
else even if they were given a complex

912
00:34:06,149 --> 00:34:03,679
biological exam by a doctor for instance

913
00:34:08,869 --> 00:34:06,159

but nevertheless i've seen evidence that

914

00:34:10,629 --> 00:34:08,879

for me makes clear that this is

915

00:34:13,829 --> 00:34:10,639

definitely real and it's actually

916

00:34:16,470 --> 00:34:13,839

happening right underneath our noses

917

00:34:19,109 --> 00:34:16,480

but that said it's not necessarily

918

00:34:21,030 --> 00:34:19,119

nefarious or malevolent i think like

919

00:34:21,990 --> 00:34:21,040

many of these matters it's more complex

920

00:34:23,510 --> 00:34:22,000

than that

921

00:34:26,230 --> 00:34:23,520

and this is where i would differ from

922

00:34:30,629 --> 00:34:26,240

for instance the work of dr david jacobs

923

00:34:34,790 --> 00:34:33,030

and on that note we've come to the close

924

00:34:37,190 --> 00:34:34,800

of another edition of the point of

925

00:34:39,589 --> 00:34:37,200

convergence podcast if you'd like to

926

00:34:42,149 --> 00:34:39,599

support this podcast you can do so by

927

00:34:44,470 --> 00:34:42,159

going to patreon.com

928

00:34:46,629 --> 00:34:44,480

exo academian

929

00:34:48,470 --> 00:34:46,639

but until next time friends from deep

930

00:34:49,669 --> 00:34:48,480

within the blue ridge mountains of north
