

1  
00:00:00,179 --> 00:00:05,220  
foreign

2  
00:00:05,230 --> 00:00:18,790  
[Laughter]

3  
00:00:24,950 --> 00:00:21,830  
welcome back to another episode of

4  
00:00:28,910 --> 00:00:24,960  
liminal frames I'm your host Nathan and

5  
00:00:32,089 --> 00:00:28,920  
I'm joined Fireside by my co-host Darren

6  
00:00:34,150 --> 00:00:32,099  
EXO academian Darren I want to quickly

7  
00:00:38,630 --> 00:00:34,160  
kind of set the scene for folks

8  
00:00:40,069 --> 00:00:38,640  
we are outside again no I'm sorry to

9  
00:00:42,069 --> 00:00:40,079  
disappoint our listeners we're not at

10  
00:00:43,850 --> 00:00:42,079  
the soccer field this time

11  
00:00:47,090 --> 00:00:43,860  
we are

12  
00:00:48,790 --> 00:00:47,100  
uh sitting by a nice fire actually out

13  
00:00:52,790 --> 00:00:48,800

at my house

14

00:00:54,470 --> 00:00:52,800

and the sky is fairly cloudy but the

15

00:00:56,810 --> 00:00:54,480

clouds are moving at a good clip and we

16

00:00:59,029 --> 00:00:56,820

can see the moon really brightly through

17

00:01:02,270 --> 00:00:59,039

the clouds and it's just painting a

18

00:01:04,189 --> 00:01:02,280

beautiful picture if you can hear any

19

00:01:06,170 --> 00:01:04,199

background noise you're likely to hear

20

00:01:09,590 --> 00:01:06,180

the crackle of the fire

21

00:01:13,670 --> 00:01:09,600

the rustle of the leaves as well as the

22

00:01:16,429 --> 00:01:13,680

wind in the air but EXO we've not done

23

00:01:18,469 --> 00:01:16,439

this in a long time I'm a little fearful

24

00:01:21,289 --> 00:01:18,479

what our listeners will say how are you

25

00:01:24,469 --> 00:01:21,299

feeling about our second episode live

26  
00:01:27,170 --> 00:01:24,479  
outside so far so good you know I think

27  
00:01:28,210 --> 00:01:27,180  
that initial attempt we didn't know how

28  
00:01:31,249 --> 00:01:28,220  
many

29  
00:01:32,990 --> 00:01:31,259  
atmospheric noises there would be but

30  
00:01:35,749 --> 00:01:33,000  
this time we kind of took a precaution

31  
00:01:37,130 --> 00:01:35,759  
and you know like Nathan said we're in

32  
00:01:38,690 --> 00:01:37,140  
his front yard actually where he's got

33  
00:01:40,910 --> 00:01:38,700  
this beautiful fire pit with these

34  
00:01:44,569 --> 00:01:40,920  
chairs around it and kind of a rock

35  
00:01:47,330 --> 00:01:44,579  
formation backdrop and we can see the

36  
00:01:50,030 --> 00:01:47,340  
Blue Ridge Mountains off in the distance

37  
00:01:52,130 --> 00:01:50,040  
through the trees beautiful scene and

38  
00:01:53,450 --> 00:01:52,140

it's very quiet other than the subtle

39

00:01:55,609 --> 00:01:53,460

crackle of the fire so I think we're

40

00:01:56,389 --> 00:01:55,619

going to be good yeah it's really quite

41

00:02:00,230 --> 00:01:56,399

nice

42

00:02:02,690 --> 00:02:00,240

uh well tonight we're going to explore

43

00:02:04,730 --> 00:02:02,700

the intersection of physics

44

00:02:06,350 --> 00:02:04,740

and metaphysics

45

00:02:07,850 --> 00:02:06,360

and we're going to explore that we're

46

00:02:09,529 --> 00:02:07,860

going to jump off into that topic

47

00:02:10,969 --> 00:02:09,539

through something that I think a lot of

48

00:02:13,210 --> 00:02:10,979

our listeners are familiar with it

49

00:02:17,150 --> 00:02:13,220

certainly talked about quite frequently

50

00:02:19,850 --> 00:02:17,160

in UFO circles and that is the infamous

51  
00:02:20,809 --> 00:02:19,860  
slide nine and so I've got slide 9 up in

52  
00:02:23,089 --> 00:02:20,819  
front of me I'm going to read through

53  
00:02:24,589 --> 00:02:23,099  
that and then we're going to just going

54  
00:02:28,510 --> 00:02:24,599  
to go into some of the the different

55  
00:02:30,650 --> 00:02:28,520  
things that come to mind related to this

56  
00:02:33,290 --> 00:02:30,660  
important slide

57  
00:02:35,869 --> 00:02:33,300  
so the title of the slide is DoD threat

58  
00:02:40,790 --> 00:02:35,879  
scenario and there's a parenthetical

59  
00:02:44,089 --> 00:02:40,800  
there in the title atip Sub Focus areas

60  
00:02:46,190 --> 00:02:44,099  
and the content reads the science exists

61  
00:02:48,949 --> 00:02:46,200  
for an enemy of the United States to

62  
00:02:51,830 --> 00:02:48,959  
manipulate both physical and cognitive

63  
00:02:55,369 --> 00:02:51,840

environments in order to penetrate U.S

64

00:02:58,910 --> 00:02:55,379

facilities influence decision makers and

65

00:03:01,630 --> 00:02:58,920

compromise National Security

66

00:03:03,710 --> 00:03:01,640

and then it lists the following bullets

67

00:03:08,390 --> 00:03:03,720

psychotronic weapons

68

00:03:11,710 --> 00:03:08,400

cognitive human interface or Chi

69

00:03:15,670 --> 00:03:11,720

penetration of solid surfaces

70

00:03:18,770 --> 00:03:15,680

instantaneous sensor disassembly

71

00:03:21,949 --> 00:03:18,780

alteration slash manipulation of

72

00:03:27,050 --> 00:03:21,959

biological organisms

73

00:03:30,710 --> 00:03:27,060

anomalies in the space-time construct

74

00:03:33,110 --> 00:03:30,720

unique cognitive human interface

75

00:03:35,050 --> 00:03:33,120

experiences

76

00:03:37,970 --> 00:03:35,060

and then it states

77

00:03:40,729 --> 00:03:37,980

DOD advantages

78

00:03:42,770 --> 00:03:40,739

DOD has been involved in similar

79

00:03:45,589 --> 00:03:42,780

experiments in the past

80

00:03:47,750 --> 00:03:45,599

DOD has relationships with renowned

81

00:03:51,170 --> 00:03:47,760

subject matter experts

82

00:03:54,649 --> 00:03:51,180

DOD controls several facilities where

83

00:03:58,430 --> 00:03:54,659

activities have been detected

84

00:03:59,930 --> 00:03:58,440

and the bottom of this slide

85

00:04:01,250 --> 00:03:59,940

probably one of the more powerful

86

00:04:04,190 --> 00:04:01,260

statements

87

00:04:10,570 --> 00:04:04,200

what was considered quote unquote

88

00:04:18,349 --> 00:04:12,830

all right well there's a lot in that

89

00:04:20,689 --> 00:04:18,359

slide and more and more I'm finding that

90

00:04:22,370 --> 00:04:20,699

folks raise the slide as kind of a get

91

00:04:24,710 --> 00:04:22,380

out of jail free card to talk about

92

00:04:27,830 --> 00:04:24,720

really insert your phenomena of choice

93

00:04:30,290 --> 00:04:27,840

and say hey we're we're studying this

94

00:04:33,950 --> 00:04:30,300

clearly we have some insights into this

95

00:04:36,409 --> 00:04:33,960

look at slide nine and usually where

96

00:04:38,689 --> 00:04:36,419

they will land is exactly where the

97

00:04:41,689 --> 00:04:38,699

slide lands and that is in the realm of

98

00:04:43,969 --> 00:04:41,699

quantum physics that quantum physics our

99

00:04:46,129 --> 00:04:43,979

understanding of quantum mechanics is

100

00:04:49,850 --> 00:04:46,139

pointing in the direction of many of

101  
00:04:52,790 --> 00:04:49,860  
these observed phenomena and the subtext

102  
00:04:55,730 --> 00:04:52,800  
really being that our science is now

103  
00:04:57,830 --> 00:04:55,740  
getting to a place where these phenomena

104  
00:05:00,890 --> 00:04:57,840  
are entering into the realm of

105  
00:05:03,469 --> 00:05:00,900  
understandable Science and Technology

106  
00:05:04,610 --> 00:05:03,479  
and I think that's a very powerful

107  
00:05:07,150 --> 00:05:04,620  
statement

108  
00:05:10,430 --> 00:05:07,160  
I also find it to be quite seductive

109  
00:05:12,409 --> 00:05:10,440  
because it implies that we are on the

110  
00:05:14,990 --> 00:05:12,419  
cusp if we haven't already arrived at

111  
00:05:18,950 --> 00:05:15,000  
being able to do many of the things the

112  
00:05:21,050 --> 00:05:18,960  
slide States and that we're able to do

113  
00:05:24,350 --> 00:05:21,060

so through our knowledge of and

114

00:05:29,029 --> 00:05:24,360

manipulation of quantum science and

115

00:05:31,850 --> 00:05:29,039

Quantum reality but so you know I wanna

116

00:05:33,170 --> 00:05:31,860

explore this a little bit more you know

117

00:05:35,450 --> 00:05:33,180

what what are some things that you think

118

00:05:37,550 --> 00:05:35,460

about when you see this brought up in

119

00:05:40,189 --> 00:05:37,560

conversation and and folks pointing to

120

00:05:42,050 --> 00:05:40,199

this as uh you know oh wow look here it

121

00:05:43,969 --> 00:05:42,060

is here's the answer

122

00:05:45,469 --> 00:05:43,979

yeah we probably will go back and forth

123

00:05:46,969 --> 00:05:45,479

on this a few times

124

00:05:49,670 --> 00:05:46,979

um I think that'll be helpful for people

125

00:05:50,510 --> 00:05:49,680

because there's a lot to break down

126  
00:05:53,029 --> 00:05:50,520  
um

127  
00:05:54,350 --> 00:05:53,039  
you know one of the things I studied is

128  
00:05:55,430 --> 00:05:54,360  
something called neuro-linguistic

129  
00:05:58,490 --> 00:05:55,440  
programming

130  
00:06:00,469 --> 00:05:58,500  
and basically it comes down to

131  
00:06:03,770 --> 00:06:00,479  
the way you say things the way you

132  
00:06:05,930 --> 00:06:03,780  
communicate is meant to program people's

133  
00:06:08,029 --> 00:06:05,940  
brain it's meant to produce certain kind

134  
00:06:11,450 --> 00:06:08,039  
of responses in people's brains

135  
00:06:13,010 --> 00:06:11,460  
and when I read slide nine it's very

136  
00:06:15,110 --> 00:06:13,020  
clear to me that it's written for a very

137  
00:06:17,870 --> 00:06:15,120  
specific audience and it's meant to

138  
00:06:19,969 --> 00:06:17,880

communicate some unusual unorthodox

139

00:06:22,129 --> 00:06:19,979

unconventional ideas to that audience

140

00:06:24,529 --> 00:06:22,139

right and to do it in such a way that

141

00:06:26,809 --> 00:06:24,539

they feel less freaked out about it and

142

00:06:27,710 --> 00:06:26,819

see it as a

143

00:06:30,309 --> 00:06:27,720

um

144

00:06:32,809 --> 00:06:30,319

sort of a recipe for

145

00:06:35,629 --> 00:06:32,819

advantageous military infrastructure

146

00:06:38,749 --> 00:06:35,639

even moving forward versus other Earth

147

00:06:41,570 --> 00:06:38,759

adversaries right Other Nation States

148

00:06:43,610 --> 00:06:41,580

um so what I really hear in a lot of

149

00:06:44,749 --> 00:06:43,620

that is when they say at the end it's

150

00:06:46,909 --> 00:06:44,759

kind of strange at the end they don't

151

00:06:49,070 --> 00:06:46,919

even say anomalous phenomena they just

152

00:06:50,689 --> 00:06:49,080

say phenomena which is actually not very

153

00:06:52,070 --> 00:06:50,699

well stated right that's kind of vague

154

00:06:53,990 --> 00:06:52,080

right but what they're really saying is

155

00:06:56,510 --> 00:06:54,000

anomalous phenomena

156

00:06:59,570 --> 00:06:56,520

is now just quantum physics you could

157

00:07:02,090 --> 00:06:59,580

also say magic is really just quantum

158

00:07:05,689 --> 00:07:02,100

physics so they're taking it out of woo

159

00:07:08,409 --> 00:07:05,699

land and saying listen this lands

160

00:07:12,170 --> 00:07:08,419

squarely within our model of physicalism

161

00:07:14,390 --> 00:07:12,180

albeit with uh the quantum realities and

162

00:07:16,730 --> 00:07:14,400

quantum theory if you go there then

163

00:07:18,610 --> 00:07:16,740

suddenly all this makes sense and not

164

00:07:21,950 --> 00:07:18,620

only that but it's potentially

165

00:07:24,350 --> 00:07:21,960

actionable information that could again

166

00:07:26,089 --> 00:07:24,360

Aid our military infrastructure moving

167

00:07:28,029 --> 00:07:26,099

forward

168

00:07:30,770 --> 00:07:28,039

I love that perspective

169

00:07:32,689 --> 00:07:30,780

and I think that's important to remind

170

00:07:34,909 --> 00:07:32,699

folks that it is

171

00:07:37,629 --> 00:07:34,919

it comes out of a context that's

172

00:07:40,550 --> 00:07:37,639

something that we really try hard to

173

00:07:43,850 --> 00:07:40,560

emphasize in our conversation when we

174

00:07:45,950 --> 00:07:43,860

take a look at any topic that I always

175

00:07:48,890 --> 00:07:45,960

understand the context in which the

176

00:07:51,230 --> 00:07:48,900

conversation is being had or the the

177

00:07:53,089 --> 00:07:51,240

understanding or conclusion it has been

178

00:07:55,610 --> 00:07:53,099

reached and if you can understand that

179

00:07:58,550 --> 00:07:55,620

context then you you really know what

180

00:08:00,110 --> 00:07:58,560

folks are trying to get at there I think

181

00:08:04,909 --> 00:08:00,120

the way you put it this kind of Bridging

182

00:08:07,089 --> 00:08:04,919

the Divide between in a magical or what

183

00:08:09,290 --> 00:08:07,099

would I'm sure seem like insane

184

00:08:12,830 --> 00:08:09,300

abilities that were listed in some of

185

00:08:15,830 --> 00:08:12,840

those bullet points and to bring that

186

00:08:17,809 --> 00:08:15,840

into an approachable space for an

187

00:08:20,570 --> 00:08:17,819

audience that may not be familiar with

188

00:08:22,790 --> 00:08:20,580

it or even take it seriously yeah and to

189

00:08:25,010 --> 00:08:22,800

say hey this is actually a lot of what

190

00:08:28,129 --> 00:08:25,020

our quantum physics and understanding

191

00:08:30,170 --> 00:08:28,139

it's now pointing to the fact that these

192

00:08:33,110 --> 00:08:30,180

capabilities which seem like magic and

193

00:08:34,089 --> 00:08:33,120

so strange are actually capable way

194

00:08:37,370 --> 00:08:34,099

possible

195

00:08:41,930 --> 00:08:37,380

and it's it's a it's really quite

196

00:08:45,050 --> 00:08:41,940

profound on the other hand I think that

197

00:08:48,610 --> 00:08:45,060

in looking at this I'm reminded of

198

00:08:50,170 --> 00:08:48,620

periods in history where a lot of

199

00:08:53,630 --> 00:08:50,180

unexplainable

200

00:08:57,730 --> 00:08:53,640

phenomena were observed and discussed

201  
00:09:01,009 --> 00:08:57,740  
within the intelligency of the day and

202  
00:09:04,070 --> 00:09:01,019  
the conclusions they came to about that

203  
00:09:07,790 --> 00:09:04,080  
phenomena to get it from unexplainable

204  
00:09:10,610 --> 00:09:07,800  
to explainable were brought about by

205  
00:09:13,790 --> 00:09:10,620  
just the latest scientific advancements

206  
00:09:16,610 --> 00:09:13,800  
and understandings of reality and

207  
00:09:19,490 --> 00:09:16,620  
because I'm aware of this it reminds me

208  
00:09:21,530 --> 00:09:19,500  
that while this might be useful in that

209  
00:09:23,389 --> 00:09:21,540  
context we just talked about it

210  
00:09:25,970 --> 00:09:23,399  
certainly can't be the end of the story

211  
00:09:29,570 --> 00:09:25,980  
that that really there is more to it

212  
00:09:32,050 --> 00:09:29,580  
than just OG whiz we've now learned that

213  
00:09:35,570 --> 00:09:32,060

quantum physics allows us to do magic

214

00:09:38,090 --> 00:09:35,580

that there is going to be sort of future

215

00:09:41,389 --> 00:09:38,100

areas of understanding that aren't

216

00:09:43,670 --> 00:09:41,399

related in any way at all to our Quantum

217

00:09:46,610 --> 00:09:43,680

understanding of the world that will

218

00:09:48,470 --> 00:09:46,620

eventually be part and parcel of the the

219

00:09:51,230 --> 00:09:48,480

world we inhabit and won't be strange

220

00:09:54,050 --> 00:09:51,240

and and we'll go ah well that that must

221

00:09:55,970 --> 00:09:54,060

be what it is now uh you know it's

222

00:09:58,550 --> 00:09:55,980

actually this it's no longer Quantum

223

00:09:59,990 --> 00:09:58,560

stuff it's actually something else so

224

00:10:01,910 --> 00:10:00,000

we're always kind of dealing with these

225

00:10:05,990 --> 00:10:01,920

sort of transitional

226  
00:10:07,850 --> 00:10:06,000  
periods and translating the days uh best

227  
00:10:11,590 --> 00:10:07,860  
knowledge and understanding of reality

228  
00:10:14,210 --> 00:10:11,600  
uh trying to make sense of the unknown

229  
00:10:16,310 --> 00:10:14,220  
yeah absolutely and you can see that

230  
00:10:18,650 --> 00:10:16,320  
looking back at history and I'm reminded

231  
00:10:21,410 --> 00:10:18,660  
of that famous quote by Arthur C Clarke

232  
00:10:23,150 --> 00:10:21,420  
that said something to the effect of any

233  
00:10:25,550 --> 00:10:23,160  
sufficiently advanced technology will

234  
00:10:28,970 --> 00:10:25,560  
appear like magic to a less Advanced

235  
00:10:30,769 --> 00:10:28,980  
civilization and so again what the slide

236  
00:10:34,250 --> 00:10:30,779  
is trying to do is say

237  
00:10:36,350 --> 00:10:34,260  
let's use language and words that people

238  
00:10:38,389 --> 00:10:36,360

are familiar with but it's how we put

239

00:10:40,310 --> 00:10:38,399

them together and what that is implying

240

00:10:42,170 --> 00:10:40,320

that is really interesting right so

241

00:10:44,870 --> 00:10:42,180

they're not going to use words like

242

00:10:45,590 --> 00:10:44,880

telepathy right even though

243

00:10:47,449 --> 00:10:45,600

um

244

00:10:50,329 --> 00:10:47,459

that might be what it's pointing towards

245

00:10:53,630 --> 00:10:50,339

they'll use words that again a military

246

00:10:54,650 --> 00:10:53,640

audience that this was a initially or an

247

00:10:56,389 --> 00:10:54,660

intelligence audience anyway

248

00:10:57,710 --> 00:10:56,399

intelligence Community audience that I

249

00:11:00,769 --> 00:10:57,720

think this was originally

250

00:11:02,750 --> 00:11:00,779

four can understand right and again it's

251  
00:11:04,370 --> 00:11:02,760  
all about intelligence and what's

252  
00:11:05,630 --> 00:11:04,380  
actionable so again that's the audience

253  
00:11:07,670 --> 00:11:05,640  
they're speaking to that's why they're

254  
00:11:08,630 --> 00:11:07,680  
going to use that language when you and

255  
00:11:10,310 --> 00:11:08,640  
I

256  
00:11:13,090 --> 00:11:10,320  
studied religious studies and biblical

257  
00:11:15,530 --> 00:11:13,100  
studies we learned that different genres

258  
00:11:17,509 --> 00:11:15,540  
are such because they're actually trying

259  
00:11:20,509 --> 00:11:17,519  
to speak to different audiences so even

260  
00:11:21,829 --> 00:11:20,519  
within the gospels you have some that

261  
00:11:24,290 --> 00:11:21,839  
are pitched differently than others

262  
00:11:26,210 --> 00:11:24,300  
because one might be geared towards a

263  
00:11:28,970 --> 00:11:26,220

Jewish audience another one more towards

264

00:11:30,350 --> 00:11:28,980

a Hellenistic audience and that are not

265

00:11:31,970 --> 00:11:30,360

going to be so familiar with Jewish

266

00:11:32,870 --> 00:11:31,980

traditions and so you're going to pitch

267

00:11:34,790 --> 00:11:32,880

it differently you're going to use

268

00:11:37,130 --> 00:11:34,800

different words to say the same thing

269

00:11:39,650 --> 00:11:37,140

effectively right and in this case again

270

00:11:43,910 --> 00:11:39,660

we have these words are being used very

271

00:11:47,410 --> 00:11:43,920

carefully to be able to convey some very

272

00:11:51,410 --> 00:11:47,420

strange ideas to to an audience

273

00:11:53,210 --> 00:11:51,420

but to your point yeah I think

274

00:11:54,949 --> 00:11:53,220

a couple things come to mind about this

275

00:11:56,170 --> 00:11:54,959

number one when you think about times

276

00:11:59,329 --> 00:11:56,180

where

277

00:12:02,750 --> 00:11:59,339

a notion seemed outlandish right like

278

00:12:04,610 --> 00:12:02,760

splitting the atom right the idea that

279

00:12:08,150 --> 00:12:04,620

you could to even think about it right

280

00:12:10,190 --> 00:12:08,160

to even fathom this notion that you can

281

00:12:13,190 --> 00:12:10,200

um

282

00:12:14,690 --> 00:12:13,200

think back to when we would say what

283

00:12:16,730 --> 00:12:14,700

kind of weapon could we create if we

284

00:12:18,650 --> 00:12:16,740

could actually split the atom right it's

285

00:12:20,389 --> 00:12:18,660

a crazy notion

286

00:12:22,430 --> 00:12:20,399

um but what I think about with that is

287

00:12:24,470 --> 00:12:22,440

we go from something maybe that was

288

00:12:26,329 --> 00:12:24,480

originally intended you know something

289

00:12:28,310 --> 00:12:26,339

could be used for energy something for

290

00:12:30,889 --> 00:12:28,320

good purposes and instead what ends up

291

00:12:32,449 --> 00:12:30,899

being is turns into a weapon that you

292

00:12:34,250 --> 00:12:32,459

know kills hundreds of thousands of

293

00:12:36,530 --> 00:12:34,260

people right and may one day be the

294

00:12:38,810 --> 00:12:36,540

demise of our entire civilization so

295

00:12:40,490 --> 00:12:38,820

what I think about also when I listen or

296

00:12:42,889 --> 00:12:40,500

read slide nine is what are the

297

00:12:45,350 --> 00:12:42,899

implications if we do manage to manage

298

00:12:48,530 --> 00:12:45,360

you know Master some of these next level

299

00:12:50,629 --> 00:12:48,540

text Technologies what ways will the

300

00:12:53,269 --> 00:12:50,639

military-industrial complex perhaps use

301  
00:12:56,230 --> 00:12:53,279  
those to be even more threatening to our

302  
00:12:58,370 --> 00:12:56,240  
civilization what kind of mind control

303  
00:12:59,990 --> 00:12:58,380  
techniques might be developed from this

304  
00:13:01,129 --> 00:13:00,000  
kind of thing when it gets pursued right

305  
00:13:02,930 --> 00:13:01,139  
right

306  
00:13:04,610 --> 00:13:02,940  
um You and I talked before we went on

307  
00:13:06,769 --> 00:13:04,620  
the air tonight that I think there's

308  
00:13:08,930 --> 00:13:06,779  
plenty of evidence that psychic

309  
00:13:11,030 --> 00:13:08,940  
influence happens from various others

310  
00:13:13,250 --> 00:13:11,040  
very groups various groups of of others

311  
00:13:16,009 --> 00:13:13,260  
some positive sometimes not so positive

312  
00:13:17,210 --> 00:13:16,019  
that can influence people's behavior and

313  
00:13:19,310 --> 00:13:17,220

in such a way that people don't even

314

00:13:21,050 --> 00:13:19,320

know necessarily that an outside

315

00:13:23,030 --> 00:13:21,060

influence is impacting their thought

316

00:13:25,009 --> 00:13:23,040

process so what happens when the

317

00:13:28,730 --> 00:13:25,019

military finds out how to do that right

318

00:13:31,550 --> 00:13:28,740

you go into a um a war zone and instead

319

00:13:33,050 --> 00:13:31,560

of attacking the the opposite troops you

320

00:13:35,030 --> 00:13:33,060

just control them with mind control

321

00:13:36,650 --> 00:13:35,040

right things like that which on the one

322

00:13:37,730 --> 00:13:36,660

hand that could maybe create fewer

323

00:13:40,490 --> 00:13:37,740

casualties

324

00:13:42,829 --> 00:13:40,500

but on the other hand the the history of

325

00:13:45,410 --> 00:13:42,839

the military-industrial complex in 10 in

326

00:13:47,690 --> 00:13:45,420

terms of using things for you know only

327

00:13:49,670 --> 00:13:47,700

the best of intentions doesn't work out

328

00:13:51,350 --> 00:13:49,680

so well so

329

00:13:53,329 --> 00:13:51,360

um that's another thing I think about

330

00:13:54,949 --> 00:13:53,339

and I'll turn it over for you for some

331

00:13:57,410 --> 00:13:54,959

thoughts on that but but after that we

332

00:14:00,350 --> 00:13:57,420

can also jump into like you kind of

333

00:14:02,389 --> 00:14:00,360

hinted at what maybe Beyond quantum

334

00:14:05,329 --> 00:14:02,399

physics does this point towards and and

335

00:14:07,190 --> 00:14:05,339

does Quantum really capture the the the

336

00:14:08,750 --> 00:14:07,200

fullness of what's being implied with

337

00:14:11,030 --> 00:14:08,760

some of those Technologies and some of

338

00:14:13,310 --> 00:14:11,040

those uh seemingly magical kind of

339

00:14:15,170 --> 00:14:13,320

Notions right well one thing that came

340

00:14:17,690 --> 00:14:15,180

to mind is you were you know

341

00:14:20,090 --> 00:14:17,700

highlighting that point uh that the

342

00:14:22,310 --> 00:14:20,100

sirens were literally going off uh as

343

00:14:24,829 --> 00:14:22,320

you were talking about the dangers of

344

00:14:27,350 --> 00:14:24,839

militarizing this technology and I I'm

345

00:14:29,210 --> 00:14:27,360

laughing because we those are you're

346

00:14:31,370 --> 00:14:29,220

listening we've been outside by this

347

00:14:34,730 --> 00:14:31,380

fire for over an hour and a half without

348

00:14:36,170 --> 00:14:34,740

any Sirens or any uh sort of Greater

349

00:14:37,250 --> 00:14:36,180

background music other than the sound of

350

00:14:39,829 --> 00:14:37,260

some insects and then all of a sudden

351  
00:14:42,650 --> 00:14:39,839  
it's starting going crazy for quite a

352  
00:14:44,569 --> 00:14:42,660  
long time but I'm also reminded I just

353  
00:14:48,769 --> 00:14:44,579  
finished a reading an excellent book

354  
00:14:50,569 --> 00:14:48,779  
that was recommended by Leia on UFO

355  
00:14:54,290 --> 00:14:50,579  
Twitter called when we cease to

356  
00:14:56,329 --> 00:14:54,300  
understand and much of that book talks

357  
00:14:59,230 --> 00:14:56,339  
about some of the early

358  
00:15:02,530 --> 00:14:59,240  
kind of founding minds of quantum theory

359  
00:15:05,689 --> 00:15:02,540  
and how many of them

360  
00:15:08,949 --> 00:15:05,699  
were essentially driven to Madness or

361  
00:15:12,230 --> 00:15:08,959  
had had intense bouts of Madness Romania

362  
00:15:15,129 --> 00:15:12,240  
as they were grappling with and

363  
00:15:18,410 --> 00:15:15,139

discovering some of the fundamental

364

00:15:21,949 --> 00:15:18,420

mathematics related to the understanding

365

00:15:24,530 --> 00:15:21,959

of quantum reality and and many of their

366

00:15:26,629 --> 00:15:24,540

conclusions after going through these

367

00:15:29,569 --> 00:15:26,639

intense periods of Discovery were that

368

00:15:33,410 --> 00:15:29,579

we we shouldn't no one should know this

369

00:15:35,210 --> 00:15:33,420

that that it's too dangerous it's uh you

370

00:15:36,970 --> 00:15:35,220

know in the wrong context it could be

371

00:15:40,610 --> 00:15:36,980

really deadly

372

00:15:43,430 --> 00:15:40,620

and so some of them I I you know I think

373

00:15:44,470 --> 00:15:43,440

even actively tried to destroy their own

374

00:15:47,449 --> 00:15:44,480

work

375

00:15:51,170 --> 00:15:47,459

because of the the implications that

376

00:15:53,449 --> 00:15:51,180

they I think felt in in the unlocking

377

00:15:55,430 --> 00:15:53,459

the ability of that understanding to

378

00:15:58,009 --> 00:15:55,440

unlock Realms of reality and

379

00:16:00,700 --> 00:15:58,019

capabilities that we probably don't have

380

00:16:01,910 --> 00:16:00,710

the maturity to to deal with

381

00:16:04,009 --> 00:16:01,920

[Music]

382

00:16:05,509 --> 00:16:04,019

yeah I mean when you bring that up I

383

00:16:07,550 --> 00:16:05,519

think about the analogy of Lord of the

384

00:16:11,150 --> 00:16:07,560

Rings right and it's like it's very

385

00:16:13,250 --> 00:16:11,160

tempting and seductive to say well if

386

00:16:14,629 --> 00:16:13,260

the good guys have the ring then you

387

00:16:17,509 --> 00:16:14,639

know maybe we can keep the peace right

388

00:16:19,610 --> 00:16:17,519

right but the understanding from the

389

00:16:22,250 --> 00:16:19,620

wise ones was that you know Gandalf will

390

00:16:25,129 --> 00:16:22,260

be quick to point out to whatever Hobbit

391

00:16:26,509 --> 00:16:25,139

he's speaking to that um the only way to

392

00:16:29,449 --> 00:16:26,519

deal with that kind of thing is to

393

00:16:32,090 --> 00:16:29,459

destroy it to not let it be wielded by

394

00:16:34,189 --> 00:16:32,100

uh you know mortal beings because they

395

00:16:36,050 --> 00:16:34,199

will be corrupted by it and I think with

396

00:16:38,449 --> 00:16:36,060

that same thing again we talked already

397

00:16:41,810 --> 00:16:38,459

about Atomic technology right and atomic

398

00:16:44,269 --> 00:16:41,820

weapons and the the threat we all

399

00:16:46,850 --> 00:16:44,279

you know sleep under every night knowing

400

00:16:49,490 --> 00:16:46,860

that there's this potential to destroy

401  
00:16:51,050 --> 00:16:49,500  
our civilization several times over it's

402  
00:16:53,749 --> 00:16:51,060  
a collective Insanity when you really

403  
00:16:56,150 --> 00:16:53,759  
think about it right that we we live

404  
00:16:58,430 --> 00:16:56,160  
under this kind of um constant threat

405  
00:17:00,530 --> 00:16:58,440  
even though it's usually dark and cold

406  
00:17:03,189 --> 00:17:00,540  
right

407  
00:17:06,230 --> 00:17:03,199  
um but but yeah with the the quantum

408  
00:17:08,689 --> 00:17:06,240  
aspect that's true too I mean I think on

409  
00:17:10,909 --> 00:17:08,699  
a couple different ways uh I think about

410  
00:17:13,189 --> 00:17:10,919  
that number one yes if you could

411  
00:17:14,449 --> 00:17:13,199  
weaponize that kind of understanding

412  
00:17:16,970 --> 00:17:14,459  
that kind of

413  
00:17:20,329 --> 00:17:16,980

um level of reality that could be game

414

00:17:21,829 --> 00:17:20,339

over right that could put to shame uh

415

00:17:24,110 --> 00:17:21,839

nuclear technology it could be even more

416

00:17:25,669 --> 00:17:24,120

devastating right you could there's

417

00:17:28,069 --> 00:17:25,679

people even talked about you know what

418

00:17:31,190 --> 00:17:28,079

if you accidentally open up a black hole

419

00:17:33,169 --> 00:17:31,200

you know and and everything collapses

420

00:17:34,310 --> 00:17:33,179

into a singularity you know in a split

421

00:17:35,450 --> 00:17:34,320

second you know something like that

422

00:17:37,070 --> 00:17:35,460

right

423

00:17:38,690 --> 00:17:37,080

um

424

00:17:40,070 --> 00:17:38,700

but you know what what's also

425

00:17:42,049 --> 00:17:40,080

interesting is that some of those guys

426

00:17:44,029 --> 00:17:42,059

also became Mystics you know some of

427

00:17:45,770 --> 00:17:44,039

those early Quantum researchers that's

428

00:17:48,110 --> 00:17:45,780

right because they recognized that there

429

00:17:51,650 --> 00:17:48,120

was a kind of like magic behind reality

430

00:17:53,570 --> 00:17:51,660

itself that it wasn't nearly as solid as

431

00:17:54,950 --> 00:17:53,580

it seemed right

432

00:17:57,590 --> 00:17:54,960

um that even something like local

433

00:17:59,810 --> 00:17:57,600

realism is not really a thing right it

434

00:18:01,370 --> 00:17:59,820

just looks that way which is a good

435

00:18:03,770 --> 00:18:01,380

jumping off point for us to move into

436

00:18:05,870 --> 00:18:03,780

the next part of the discussion but but

437

00:18:07,490 --> 00:18:05,880

you can go either way you know you could

438

00:18:08,930 --> 00:18:07,500

either be driven to Madness because

439

00:18:11,150 --> 00:18:08,940

everything you thought about the world

440

00:18:13,010 --> 00:18:11,160

and reality of some suddenly that rug is

441

00:18:15,130 --> 00:18:13,020

pulled up from under you

442

00:18:18,529 --> 00:18:15,140

on the other hand you could from there

443

00:18:20,450 --> 00:18:18,539

develop much more of a spiritual or

444

00:18:23,210 --> 00:18:20,460

meaningful energetic kind of

445

00:18:24,710 --> 00:18:23,220

understanding of reality where

446

00:18:27,830 --> 00:18:24,720

um

447

00:18:30,409 --> 00:18:27,840

somehow this underlying meaning

448

00:18:33,169 --> 00:18:30,419

structure and energy becomes what looks

449

00:18:35,090 --> 00:18:33,179

like physicality right and that opens up

450

00:18:37,130 --> 00:18:35,100

for new freedoms in terms of how to

451

00:18:39,289 --> 00:18:37,140

think about the physical world but again

452

00:18:43,130 --> 00:18:39,299

depending on who approaches that topic

453

00:18:45,409 --> 00:18:43,140

they might have very different responses

454

00:18:47,090 --> 00:18:45,419

well it all gets really it's something

455

00:18:49,010 --> 00:18:47,100

you you know you've already touched on

456

00:18:51,169 --> 00:18:49,020

and that's just

457

00:18:54,770 --> 00:18:51,179

the the maturity of our

458

00:18:56,570 --> 00:18:54,780

species to kind of grapple with these

459

00:18:59,210 --> 00:18:56,580

deeper layers of reality

460

00:19:00,830 --> 00:18:59,220

and when our knee-jerk reaction is how

461

00:19:03,049 --> 00:19:00,840

can weaponize it

462

00:19:04,549 --> 00:19:03,059

uh that often that to me kind of tells

463

00:19:07,190 --> 00:19:04,559

you all you need to know

464

00:19:09,230 --> 00:19:07,200  
about where we are in that in the

465

00:19:10,630 --> 00:19:09,240  
spectrum of uh sort of conscious

466

00:19:13,669 --> 00:19:10,640  
development there

467

00:19:16,070 --> 00:19:13,679  
how big of a role does that play in your

468

00:19:18,110 --> 00:19:16,080  
mind in in understanding

469

00:19:20,510 --> 00:19:18,120  
what's really going on with the

470

00:19:23,210 --> 00:19:20,520  
phenomenon we've spent a lot of time

471

00:19:25,370 --> 00:19:23,220  
tonight before the show

472

00:19:27,110 --> 00:19:25,380  
you know talking through the

473

00:19:29,450 --> 00:19:27,120  
implications of

474

00:19:31,970 --> 00:19:29,460  
phenomenal experience and the deeper

475

00:19:34,730 --> 00:19:31,980  
kind of cosmology and and much of that

476

00:19:37,070 --> 00:19:34,740

conversation did come back to you know

477

00:19:40,310 --> 00:19:37,080

really where are we in our development

478

00:19:43,909 --> 00:19:40,320

and uh where do we where are we supposed

479

00:19:47,750 --> 00:19:43,919

to go what is the journey like what are

480

00:19:51,890 --> 00:19:47,760

the lessons to be learned and I find

481

00:19:55,690 --> 00:19:51,900

after that conversation reflecting on

482

00:19:57,770 --> 00:19:55,700

so much of what we fixate on in our UFO

483

00:20:00,289 --> 00:19:57,780

conversation circles

484

00:20:04,549 --> 00:20:00,299

seems to be misplaced because it really

485

00:20:06,289 --> 00:20:04,559

is often on the technology and how can

486

00:20:08,230 --> 00:20:06,299

we understand it and Advance our

487

00:20:11,090 --> 00:20:08,240

understanding and science

488

00:20:13,730 --> 00:20:11,100

and and that in many ways is kind of

489

00:20:16,549 --> 00:20:13,740

missing the underlying point

490

00:20:19,450 --> 00:20:16,559

and that's that we are here for

491

00:20:23,270 --> 00:20:19,460

a greater reason

492

00:20:27,430 --> 00:20:23,280

Beyond just mastering our environment

493

00:20:31,430 --> 00:20:27,440

and overcoming physical matter

494

00:20:35,029 --> 00:20:31,440

gaining a kind of godhood over our our

495

00:20:36,430 --> 00:20:35,039

world through any means necessary and

496

00:20:41,450 --> 00:20:36,440

skipping over

497

00:20:45,650 --> 00:20:41,460

important phases of our maturation to do

498

00:20:47,270 --> 00:20:45,660

so damn the consequences what you know

499

00:20:49,070 --> 00:20:47,280

what are you thinking about there in

500

00:20:50,930 --> 00:20:49,080

terms of the macro conversation we're

501  
00:20:54,049 --> 00:20:50,940  
having right now I mean we're on the

502  
00:20:57,590 --> 00:20:54,059  
cusp of this new UAP report and all eyes

503  
00:21:01,370 --> 00:20:57,600  
are really on that and fixated on more

504  
00:21:04,430 --> 00:21:01,380  
nuts and bolts nuggets and and hopes for

505  
00:21:06,430 --> 00:21:04,440  
this greater disclosure of this

506  
00:21:09,650 --> 00:21:06,440  
underlying reality that we're not alone

507  
00:21:12,289 --> 00:21:09,660  
but you know stepping back from that you

508  
00:21:15,770 --> 00:21:12,299  
know how do you assess where we are in

509  
00:21:18,409 --> 00:21:15,780  
light of what we just talked about

510  
00:21:19,970 --> 00:21:18,419  
yeah that's probably the most important

511  
00:21:22,130 --> 00:21:19,980  
question and yet it's a question that's

512  
00:21:24,950 --> 00:21:22,140  
hardly ever talked about on UFO Twitter

513  
00:21:27,529 --> 00:21:24,960

for instance or other media that we tend

514

00:21:29,750 --> 00:21:27,539

to spend time on

515

00:21:31,789 --> 00:21:29,760

I mean even as we we talk about the

516

00:21:34,190 --> 00:21:31,799

history with the development of atomic

517

00:21:37,130 --> 00:21:34,200

weapons and and then things like bio

518

00:21:39,409 --> 00:21:37,140

weapons right and the the concern that

519

00:21:41,390 --> 00:21:39,419

some people have that you know

520

00:21:43,190 --> 00:21:41,400

the coronavirus was something that was

521

00:21:45,110 --> 00:21:43,200

developed in a lab right because it was

522

00:21:46,430 --> 00:21:45,120

technology that was being worked on to

523

00:21:48,950 --> 00:21:46,440

be a potential weapon in the future

524

00:21:50,870 --> 00:21:48,960

right or something like that or even if

525

00:21:53,870 --> 00:21:50,880

someone was defensively trying to create

526

00:21:55,970 --> 00:21:53,880

an antidote to something negative and it

527

00:21:58,070 --> 00:21:55,980

just went awry whatever the case

528

00:22:01,010 --> 00:21:58,080

this is still our Collective mentality

529

00:22:04,430 --> 00:22:01,020

right is that we still look across the

530

00:22:07,430 --> 00:22:04,440

pond uh you know or across a field and

531

00:22:09,830 --> 00:22:07,440

see somebody else behind a border a

532

00:22:11,450 --> 00:22:09,840

different nation state and we have an US

533

00:22:13,010 --> 00:22:11,460

versus them kind of mentality a very

534

00:22:15,890 --> 00:22:13,020

tribal mentality

535

00:22:17,990 --> 00:22:15,900

and my sense is in terms of the the

536

00:22:20,330 --> 00:22:18,000

positive elements of the UFO phenomenon

537

00:22:22,310 --> 00:22:20,340

that is our you know our biggest

538

00:22:24,169 --> 00:22:22,320

Achilles heel you know our most Central

539

00:22:27,230 --> 00:22:24,179

Achilles heels that we still don't think

540

00:22:28,789 --> 00:22:27,240

like a planetary civilization we still

541

00:22:30,830 --> 00:22:28,799

don't make decisions based on the

542

00:22:33,049 --> 00:22:30,840

benefit of the all we would do it based

543

00:22:35,210 --> 00:22:33,059

on nation states and the the latest

544

00:22:37,070 --> 00:22:35,220

edition of what a tribal kind of

545

00:22:38,590 --> 00:22:37,080

understanding means to us

546

00:22:41,450 --> 00:22:38,600

so

547

00:22:42,610 --> 00:22:41,460

historically even it's been the case and

548

00:22:45,049 --> 00:22:42,620

we've kind of talked about this before

549

00:22:47,029 --> 00:22:45,059

that when different non-human

550

00:22:49,669 --> 00:22:47,039

intelligence groups have interacted for

551

00:22:52,669 --> 00:22:49,679

instance with leaders I stay I say in

552

00:22:55,250 --> 00:22:52,679

quotes of different nations the

553

00:22:57,409 --> 00:22:55,260

Temptation has been how can we make an

554

00:22:59,210 --> 00:22:57,419

agreement an accord with this non-human

555

00:23:01,669 --> 00:22:59,220

intelligence that could make it such

556

00:23:04,610 --> 00:23:01,679

that we won't lose some sort of you know

557

00:23:06,830 --> 00:23:04,620

Arena Battle for the next Century right

558

00:23:08,690 --> 00:23:06,840

or the next 500 years you sometimes have

559

00:23:10,730 --> 00:23:08,700

these strange occurrences in history

560

00:23:13,010 --> 00:23:10,740

with very various uh military people

561

00:23:15,230 --> 00:23:13,020

have said things like that off the

562

00:23:17,870 --> 00:23:15,240

Record said things like in the United

563

00:23:20,450 --> 00:23:17,880

States will not lose a military campaign

564

00:23:22,610 --> 00:23:20,460

battle in the next you know Century or

565

00:23:25,010 --> 00:23:22,620

500 years right which is certainly

566

00:23:27,230 --> 00:23:25,020

hinting at because we have technology

567

00:23:29,690 --> 00:23:27,240

that's so next Generation that no other

568

00:23:32,570 --> 00:23:29,700

country could hope to match it on their

569

00:23:34,430 --> 00:23:32,580

own human development scale for

570

00:23:36,770 --> 00:23:34,440

centuries yet right so they're hinting

571

00:23:40,370 --> 00:23:36,780

at what kind of they've stumbled across

572

00:23:42,490 --> 00:23:40,380

but undoubtedly while we're still stuck

573

00:23:45,289 --> 00:23:42,500

in that kind of mentality

574

00:23:47,930 --> 00:23:45,299

it's going to hold back our progression

575

00:23:50,210 --> 00:23:47,940

it's going to definitely hold back the

576

00:23:52,789 --> 00:23:50,220

disclosure process because

577

00:23:55,310 --> 00:23:52,799

you know kind of willy-nilly the

578

00:23:57,909 --> 00:23:55,320

military-industrial complex will say

579

00:24:00,470 --> 00:23:57,919

you know they'll claim National Security

580

00:24:02,930 --> 00:24:00,480

everywhere you look right and so even

581

00:24:04,909 --> 00:24:02,940

now there's battles going on within

582

00:24:07,490 --> 00:24:04,919

government how much can we get away with

583

00:24:10,850 --> 00:24:07,500

not seeing with this report right how

584

00:24:12,770 --> 00:24:10,860

can we again use neuralist linguistic

585

00:24:16,010 --> 00:24:12,780

programming to release a report that

586

00:24:19,070 --> 00:24:16,020

says as little as possible while still

587

00:24:20,270 --> 00:24:19,080

technically fulfilling the Mandate from

588

00:24:22,130 --> 00:24:20,280

Congress right that's kind of where

589

00:24:23,630 --> 00:24:22,140

we're at because the military-industrial

590

00:24:26,510 --> 00:24:23,640

complex wants to keep up with this for

591

00:24:28,669 --> 00:24:26,520

themselves so that they can you know

592

00:24:31,970 --> 00:24:28,679

again create advantageous situations

593

00:24:35,090 --> 00:24:31,980

over adversaries and again I would just

594

00:24:36,470 --> 00:24:35,100

point out that in the in the frame of

595

00:24:38,510 --> 00:24:36,480

reference for non-human intelligence

596

00:24:41,630 --> 00:24:38,520

that's positive that's an incredibly

597

00:24:42,830 --> 00:24:41,640

barbaric uh kind of mentality yet we

598

00:24:45,529 --> 00:24:42,840

have to be honest with ourselves that's

599

00:24:46,909 --> 00:24:45,539

where we basically are right well I

600

00:24:49,909 --> 00:24:46,919

wanted to ask I mean what does it look

601  
00:24:52,549 --> 00:24:49,919  
like for us to

602  
00:24:56,090 --> 00:24:52,559  
have a different perspective on

603  
00:25:00,230 --> 00:24:56,100  
the phenomena that we observe one that's

604  
00:25:03,350 --> 00:25:00,240  
not rooted in How can I

605  
00:25:05,570 --> 00:25:03,360  
manipulate this and and Master this to

606  
00:25:08,169 --> 00:25:05,580  
my own Advantage

607  
00:25:10,730 --> 00:25:08,179  
um what are

608  
00:25:12,890 --> 00:25:10,740  
to shift our perspective and look at it

609  
00:25:15,470 --> 00:25:12,900  
you know from different angles what are

610  
00:25:17,590 --> 00:25:15,480  
the conclusions that we might come to

611  
00:25:20,390 --> 00:25:17,600  
about reality itself

612  
00:25:22,070 --> 00:25:20,400  
just by

613  
00:25:24,710 --> 00:25:22,080

thinking through some of the

614

00:25:26,450 --> 00:25:24,720

implications of The observed phenomena

615

00:25:29,029 --> 00:25:26,460

that in some of which that I just listed

616

00:25:32,149 --> 00:25:29,039

at the beginning of the show

617

00:25:34,490 --> 00:25:32,159

well we've we've talked a few times now

618

00:25:38,029 --> 00:25:34,500

about a notion like idealism

619

00:25:41,330 --> 00:25:38,039

this notion that reality is ultimately a

620

00:25:43,190 --> 00:25:41,340

process of mentation or a derivative of

621

00:25:45,590 --> 00:25:43,200

a process of mentation

622

00:25:47,390 --> 00:25:45,600

which basically means everything we see

623

00:25:50,210 --> 00:25:47,400

around us are basically thought forms

624

00:25:53,090 --> 00:25:50,220

that that all of the physicality is part

625

00:25:55,970 --> 00:25:53,100

of the illusion that has consistency

626

00:25:59,029 --> 00:25:55,980

within itself but ultimately we kind of

627

00:26:02,630 --> 00:25:59,039

live in a kind of Dreamscape and

628

00:26:04,789 --> 00:26:02,640

we've also talked about how

629

00:26:06,529 --> 00:26:04,799

I think several shows ago maybe a few

630

00:26:09,230 --> 00:26:06,539

months ago now before the summer we

631

00:26:11,149 --> 00:26:09,240

talked about this notion that initially

632

00:26:13,850 --> 00:26:11,159

you had this kind of one Cosmic

633

00:26:16,370 --> 00:26:13,860

intelligence and from that you have

634

00:26:18,769 --> 00:26:16,380

these disassociated altars is what

635

00:26:21,289 --> 00:26:18,779

Bernardo Castro calls them basically

636

00:26:24,289 --> 00:26:21,299

that one Cosmic intelligence splits off

637

00:26:25,810 --> 00:26:24,299

into different versions of itself

638

00:26:29,750 --> 00:26:25,820

um

639

00:26:31,789 --> 00:26:29,760

and by doing that these individual cells

640

00:26:33,890 --> 00:26:31,799

that are kind of relative can have novel

641

00:26:36,350 --> 00:26:33,900

experience which then can be contributed

642

00:26:40,010 --> 00:26:36,360

back to the cosmic intelligence so the

643

00:26:41,810 --> 00:26:40,020

entire system learns and grows and

644

00:26:44,149 --> 00:26:41,820

develops and evolves so that even the

645

00:26:46,490 --> 00:26:44,159

notion of you could say God evolves over

646

00:26:48,289 --> 00:26:46,500

time through these iterations of Novel

647

00:26:49,370 --> 00:26:48,299

experience

648

00:26:52,970 --> 00:26:49,380

um

649

00:26:56,149 --> 00:26:52,980

but uh uh you know an implication of

650

00:26:59,690 --> 00:26:56,159

that is that the boundaries between

651  
00:27:01,250 --> 00:26:59,700  
each of us and everybody else and all of

652  
00:27:02,870 --> 00:27:01,260  
the beings in the cosmos all the

653  
00:27:04,850 --> 00:27:02,880  
sentient life is that those boundaries

654  
00:27:06,409 --> 00:27:04,860  
are porous that

655  
00:27:08,269 --> 00:27:06,419  
um this is why telepathy and

656  
00:27:10,669 --> 00:27:08,279  
precognition and things like that and

657  
00:27:13,190 --> 00:27:10,679  
psychokinesis are possible because

658  
00:27:15,769 --> 00:27:13,200  
ultimately it is all about thought forms

659  
00:27:17,690 --> 00:27:15,779  
it is all about a mentation process that

660  
00:27:19,490 --> 00:27:17,700  
when you think about that slide nine a

661  
00:27:22,370 --> 00:27:19,500  
lot of that is what that's getting at is

662  
00:27:25,490 --> 00:27:22,380  
that when you can operate on a level of

663  
00:27:27,230 --> 00:27:25,500

reality where thought actually changes

664

00:27:29,450 --> 00:27:27,240

the manifestation of what looks like

665

00:27:31,370 --> 00:27:29,460

physical reality and what seems to

666

00:27:33,289 --> 00:27:31,380

penetrate it even said one of the one of

667

00:27:36,769 --> 00:27:33,299

the points was penetrate Solid Surfaces

668

00:27:39,049 --> 00:27:36,779

but even penetrating skulls right in the

669

00:27:41,570 --> 00:27:39,059

terms of being able to read minds

670

00:27:43,850 --> 00:27:41,580

um control minds send thoughts things

671

00:27:45,230 --> 00:27:43,860

like that all of this is pointing

672

00:27:47,330 --> 00:27:45,240

towards the Notions we've talked about

673

00:27:49,909 --> 00:27:47,340

with idealism and fits really well with

674

00:27:52,730 --> 00:27:49,919

bernardo's notion of analytic idealism

675

00:27:54,190 --> 00:27:52,740

and this model he's developed where we

676  
00:27:57,289 --> 00:27:54,200  
are all

677  
00:27:59,690 --> 00:27:57,299  
disassociations of this one Cosmic

678  
00:28:01,450 --> 00:27:59,700  
intelligence and that's what allows for

679  
00:28:04,250 --> 00:28:01,460  
the poorest nature between all of us

680  
00:28:07,250 --> 00:28:04,260  
that ultimately our sense of selfhood is

681  
00:28:09,190 --> 00:28:07,260  
is relative and not absolute and there

682  
00:28:11,510 --> 00:28:09,200  
are porous boundaries between all of us

683  
00:28:14,210 --> 00:28:11,520  
and some of these others understand that

684  
00:28:15,710 --> 00:28:14,220  
much more than we do again which opens

685  
00:28:18,049 --> 00:28:15,720  
up things like the possibility of

686  
00:28:20,330 --> 00:28:18,059  
psychic manipulation from positive and

687  
00:28:23,210 --> 00:28:20,340  
negative which is part of what I believe

688  
00:28:25,190 --> 00:28:23,220

is going on but that's the kind of

689

00:28:28,310 --> 00:28:25,200

reality that that the implications of

690

00:28:30,350 --> 00:28:28,320

slide 9 point towards on the irony here

691

00:28:32,390 --> 00:28:30,360

is that we like to think of ourselves as

692

00:28:34,490 --> 00:28:32,400

the masters of matter

693

00:28:38,090 --> 00:28:34,500

and the material but really we're

694

00:28:42,529 --> 00:28:38,100

actually this we're enslaved to it uh we

695

00:28:46,250 --> 00:28:42,539

cannot see beyond that which we sense

696

00:28:49,549 --> 00:28:46,260

and uh it's it strikes me that so much

697

00:28:53,029 --> 00:28:49,559

of the phenomena uh what it does so well

698

00:28:55,430 --> 00:28:53,039

is it creates cracks in that veneer and

699

00:28:59,690 --> 00:28:55,440

exposes the deeper connections that are

700

00:29:02,330 --> 00:28:59,700

really there and when you begin to

701  
00:29:05,269 --> 00:29:02,340  
really wrestle with those implications

702  
00:29:07,669 --> 00:29:05,279  
just as you say this deeper connection

703  
00:29:11,029 --> 00:29:07,679  
that we really have with one another and

704  
00:29:14,269 --> 00:29:11,039  
and to these non-human entities all of

705  
00:29:17,690 --> 00:29:14,279  
the beings in the cosmos from the the

706  
00:29:20,269 --> 00:29:17,700  
sort of greatest in a

707  
00:29:22,630 --> 00:29:20,279  
a conglomeration of a being down to the

708  
00:29:25,250 --> 00:29:22,640  
the smallest instantiation

709  
00:29:28,549 --> 00:29:25,260  
when you when you begin to wrestle with

710  
00:29:30,830 --> 00:29:28,559  
that you come away with some very

711  
00:29:33,230 --> 00:29:30,840  
profound I think conclusions and that

712  
00:29:35,330 --> 00:29:33,240  
you know the things which I do

713  
00:29:38,450 --> 00:29:35,340

to another

714

00:29:40,549 --> 00:29:38,460  
being I'm really doing to myself

715

00:29:44,810 --> 00:29:40,559  
and how does that change the way in

716

00:29:47,630 --> 00:29:44,820  
which we live act in the world uh I

717

00:29:51,289 --> 00:29:47,640  
think it it it changes it in dramatic

718

00:29:52,669 --> 00:29:51,299  
ways and maybe part of one of the

719

00:29:55,190 --> 00:29:52,679  
challenge one of the challenges that we

720

00:29:57,409 --> 00:29:55,200  
wrestle with here with disclosure itself

721

00:30:00,130 --> 00:29:57,419  
is we're not ready to have that

722

00:30:02,690 --> 00:30:00,140  
conversation we're not ready to face

723

00:30:05,870 --> 00:30:02,700  
that that's the that's the implication

724

00:30:10,930 --> 00:30:05,880  
we would much rather continue on in our

725

00:30:13,549 --> 00:30:10,940  
ways and continue to more even more

726

00:30:15,710 --> 00:30:13,559

rigidly and then bold face marker to

727

00:30:19,190 --> 00:30:15,720

find these boundaries between ourselves

728

00:30:21,710 --> 00:30:19,200

and our Nations and and kind of plug our

729

00:30:24,590 --> 00:30:21,720

ears and our eyes and say no

730

00:30:27,649 --> 00:30:24,600

we're not connected uh I I am an

731

00:30:29,210 --> 00:30:27,659

individual we are a nation state we're

732

00:30:31,850 --> 00:30:29,220

not going to have any interaction at all

733

00:30:34,430 --> 00:30:31,860

we're going to defend our people against

734

00:30:36,529 --> 00:30:34,440

your people at any cost

735

00:30:39,769 --> 00:30:36,539

even if it means the destruction of our

736

00:30:42,430 --> 00:30:39,779

entire habitat which is a very real

737

00:30:46,010 --> 00:30:42,440

threat that we seem to be facing today

738

00:30:47,450 --> 00:30:46,020

but in a in the grander cosmology uh

739

00:30:50,330 --> 00:30:47,460

we've talked about this a good bit

740

00:30:52,430 --> 00:30:50,340

tonight as well before the show

741

00:30:54,830 --> 00:30:52,440

um you know what kind of damage are we

742

00:30:57,649 --> 00:30:54,840

doing am I perpetuating that kind of

743

00:31:01,010 --> 00:30:59,750

yeah it's it's a really important

744

00:31:01,909 --> 00:31:01,020

question

745

00:31:05,750 --> 00:31:01,919

um

746

00:31:07,549 --> 00:31:05,760

I also want to be cautious to not

747

00:31:08,630 --> 00:31:07,559

make people think that I think the

748

00:31:11,090 --> 00:31:08,640

answer is

749

00:31:12,529 --> 00:31:11,100

plain and obvious and just sitting in

750

00:31:15,169 --> 00:31:12,539

front of us and we just need to act on

751  
00:31:16,970 --> 00:31:15,179  
it because

752  
00:31:20,510 --> 00:31:16,980  
this is where we really get into Nuance

753  
00:31:21,950 --> 00:31:20,520  
which we tend to like on this show

754  
00:31:24,049 --> 00:31:21,960  
um

755  
00:31:26,269 --> 00:31:24,059  
by the way I think when we chose the

756  
00:31:28,310 --> 00:31:26,279  
title liminal frames we had no idea how

757  
00:31:31,010 --> 00:31:28,320  
relevant and how apt that would end up

758  
00:31:34,310 --> 00:31:31,020  
being you know I mean it's the way that

759  
00:31:37,010 --> 00:31:34,320  
my understanding of the phenomenon has

760  
00:31:40,010 --> 00:31:37,020  
shaped and been informed by and changed

761  
00:31:42,110 --> 00:31:40,020  
my perspective on human history and the

762  
00:31:43,730 --> 00:31:42,120  
development of civilization and the

763  
00:31:46,190 --> 00:31:43,740

origins of religion and everything in

764

00:31:48,409 --> 00:31:46,200

our meeting structures limo frames

765

00:31:49,430 --> 00:31:48,419

couldn't be you know it's just a perfect

766

00:31:51,049 --> 00:31:49,440

title

767

00:31:52,789 --> 00:31:51,059

but

768

00:31:56,450 --> 00:31:52,799

you know one of the things we talked

769

00:32:01,370 --> 00:31:58,010

for people who are not familiar there's

770

00:32:02,990 --> 00:32:01,380

this group this Infamous group that are

771

00:32:06,049 --> 00:32:03,000

within U.S government known as the

772

00:32:08,149 --> 00:32:06,059

Collins Elite and they are a group who

773

00:32:10,190 --> 00:32:08,159

are convinced that the evidence suggests

774

00:32:13,370 --> 00:32:10,200

that

775

00:32:16,130 --> 00:32:13,380

a large segment of the ufoil phenomenon

776

00:32:18,889 --> 00:32:16,140

anyway is of a negative sort and it's

777

00:32:21,470 --> 00:32:18,899

spiritual in nature and its desires to

778

00:32:23,570 --> 00:32:21,480

deceive humanity and to even pay

779

00:32:25,789 --> 00:32:23,580

attention to it to acknowledge its

780

00:32:29,710 --> 00:32:25,799

existence is to give it a foot in the

781

00:32:32,750 --> 00:32:29,720

door that can only go into bad places

782

00:32:35,389 --> 00:32:32,760

can only result in bad outcomes for

783

00:32:37,610 --> 00:32:35,399

Humanity and so they've used that

784

00:32:39,590 --> 00:32:37,620

understanding to justify

785

00:32:41,630 --> 00:32:39,600

keeping this under wraps and part of

786

00:32:43,490 --> 00:32:41,640

what I have no doubt is slowing the

787

00:32:45,950 --> 00:32:43,500

process of disclosure even now as we

788

00:32:48,289 --> 00:32:45,960

await this report is there are elements

789

00:32:50,690 --> 00:32:48,299

that are convinced to the core of their

790

00:32:52,789 --> 00:32:50,700

being that it is not a good idea to

791

00:32:55,310 --> 00:32:52,799

acknowledge this whatsoever they will

792

00:32:58,310 --> 00:32:55,320

perhaps even to the death some of them

793

00:32:59,570 --> 00:32:58,320

do their darndest to prevent that from

794

00:33:01,850 --> 00:32:59,580

happening because they are convinced

795

00:33:04,130 --> 00:33:01,860

that it's the the only way that can go

796

00:33:04,970 --> 00:33:04,140

is the demise of our civilization and

797

00:33:07,669 --> 00:33:04,980

even

798

00:33:09,529 --> 00:33:07,679

Eternal damnation for human beings now

799

00:33:11,029 --> 00:33:09,539

of course

800

00:33:14,870 --> 00:33:11,039

as I said you before we went on the show

801  
00:33:16,310 --> 00:33:14,880  
I think what's strange about their

802  
00:33:17,870 --> 00:33:16,320  
situation is that I think they've got

803  
00:33:20,090 --> 00:33:17,880  
some of the initial

804  
00:33:22,850 --> 00:33:20,100  
data right but I think it's their

805  
00:33:23,930 --> 00:33:22,860  
interpretation that really

806  
00:33:25,970 --> 00:33:23,940  
um

807  
00:33:27,529 --> 00:33:25,980  
pushes that in one direction that could

808  
00:33:28,850 --> 00:33:27,539  
go in numerous directions and is more

809  
00:33:30,830 --> 00:33:28,860  
complicated than they're willing to

810  
00:33:33,049 --> 00:33:30,840  
accept although Again part of the

811  
00:33:35,029 --> 00:33:33,059  
challenge is when you have a world view

812  
00:33:37,190 --> 00:33:35,039  
you often are blind to the limitations

813  
00:33:38,950 --> 00:33:37,200

of your world view so they're not I'm

814

00:33:43,730 --> 00:33:38,960

not suggesting they are

815

00:33:45,470 --> 00:33:43,740

being negative or domineering

816

00:33:47,269 --> 00:33:45,480

in their actions I understand some

817

00:33:48,950 --> 00:33:47,279

people are thinking what right do they

818

00:33:50,870 --> 00:33:48,960

have to make this decision for all of us

819

00:33:52,789 --> 00:33:50,880

and that's a fair point that's not

820

00:33:54,950 --> 00:33:52,799

usually how democracies work

821

00:33:57,710 --> 00:33:54,960

but on the other hand these people in

822

00:33:59,450 --> 00:33:57,720

their defense really do believe this now

823

00:34:01,190 --> 00:33:59,460

you can be sincere and be sincerely

824

00:34:02,389 --> 00:34:01,200

wrong that's right and I think they are

825

00:34:05,330 --> 00:34:02,399

in this case

826

00:34:08,210 --> 00:34:05,340

but that but on

827

00:34:11,210 --> 00:34:08,220

on the other hand while I don't think

828

00:34:12,889 --> 00:34:11,220

their answer is the correct one I also

829

00:34:14,810 --> 00:34:12,899

recognize that

830

00:34:17,889 --> 00:34:14,820

you can't just

831

00:34:21,250 --> 00:34:17,899

broadcast these

832

00:34:24,950 --> 00:34:21,260

Foundation level

833

00:34:27,589 --> 00:34:24,960

Revelations to the masses overnight and

834

00:34:30,889 --> 00:34:27,599

not expect turmoil not expect massive

835

00:34:32,810 --> 00:34:30,899

disruption and so that's why I think you

836

00:34:34,609 --> 00:34:32,820

partly have seen evidence and people

837

00:34:37,190 --> 00:34:34,619

like Grand Canyon Cameron have talked

838

00:34:39,609 --> 00:34:37,200

about this manage disclosure that over

839

00:34:41,690 --> 00:34:39,619

decades they've been slowly leaking this

840

00:34:44,990 --> 00:34:41,700

acclimatizing the public to it so that

841

00:34:46,790 --> 00:34:45,000

when they do eventually talk about it

842

00:34:48,710 --> 00:34:46,800

um it's less of a shock and there's less

843

00:34:50,629 --> 00:34:48,720

shock and awe because of that

844

00:34:52,730 --> 00:34:50,639

but all that is to say

845

00:34:55,430 --> 00:34:52,740

while everything I said is true about we

846

00:34:57,710 --> 00:34:55,440

do tend to in our current situation

847

00:35:00,170 --> 00:34:57,720

think about how can we militarize this

848

00:35:03,170 --> 00:35:00,180

how can we use this to dominate

849

00:35:05,270 --> 00:35:03,180

our enemies setting quotes

850

00:35:08,150 --> 00:35:05,280

on the other hand

851  
00:35:10,490 --> 00:35:08,160  
there are some people who are

852  
00:35:11,810 --> 00:35:10,500  
very early in their evolution let's say

853  
00:35:13,310 --> 00:35:11,820  
it that way it's not about being people

854  
00:35:15,170 --> 00:35:13,320  
being evil

855  
00:35:17,569 --> 00:35:15,180  
it's also not about these others being

856  
00:35:19,670 --> 00:35:17,579  
evil it's about level of progression and

857  
00:35:22,010 --> 00:35:19,680  
Consciousness there are some people in

858  
00:35:23,630 --> 00:35:22,020  
the world some human beings that still

859  
00:35:26,150 --> 00:35:23,640  
think with kind of a warlord kind of

860  
00:35:27,710 --> 00:35:26,160  
mentality if you don't if your gang

861  
00:35:29,990 --> 00:35:27,720  
doesn't take over this neighborhood mine

862  
00:35:31,550 --> 00:35:30,000  
will right and and that happens on a

863  
00:35:34,870 --> 00:35:31,560

nation-state scale sometimes we think

864

00:35:37,010 --> 00:35:34,880

about Vladimir Putin so

865

00:35:38,390 --> 00:35:37,020

knowing people like that are still in

866

00:35:40,609 --> 00:35:38,400

the world and knowing some of them have

867

00:35:42,050 --> 00:35:40,619

immense power and that's that's on us

868

00:35:44,690 --> 00:35:42,060

that we've given people like that power

869

00:35:46,609 --> 00:35:44,700

but because of that there are real

870

00:35:48,950 --> 00:35:46,619

there's a real gravity to this

871

00:35:50,630 --> 00:35:48,960

conversation you know we it is not

872

00:35:52,010 --> 00:35:50,640

simple answers I know some people are

873

00:35:55,790 --> 00:35:52,020

convinced that

874

00:35:57,589 --> 00:35:55,800

come on disclosure yesterday please and

875

00:35:59,630 --> 00:35:57,599

um I definitely want us to move towards

876

00:36:00,770 --> 00:35:59,640

disclosure but I also recognize to your

877

00:36:02,990 --> 00:36:00,780

earlier point

878

00:36:04,250 --> 00:36:03,000

that we have to really think about this

879

00:36:06,470 --> 00:36:04,260

entire matter

880

00:36:09,109 --> 00:36:06,480

within the larger framework of

881

00:36:11,150 --> 00:36:09,119

Consciousness development as individuals

882

00:36:13,550 --> 00:36:11,160

and as a collective civilization because

883

00:36:15,470 --> 00:36:13,560

that's the only way we can move forward

884

00:36:17,030 --> 00:36:15,480

in a positive way ultimately when it

885

00:36:19,130 --> 00:36:17,040

comes to the revelations that are coming

886

00:36:21,589 --> 00:36:19,140

with this phenomenon

887

00:36:23,329 --> 00:36:21,599

right and we've talked about before that

888

00:36:26,450 --> 00:36:23,339

there really aren't

889

00:36:27,950 --> 00:36:26,460

we can't take shortcuts

890

00:36:30,950 --> 00:36:27,960

and

891

00:36:34,010 --> 00:36:30,960

in in some respects even though I agree

892

00:36:36,589 --> 00:36:34,020

with you that um

893

00:36:37,849 --> 00:36:36,599

some of the reasons why things have been

894

00:36:41,030 --> 00:36:37,859

kept secret

895

00:36:43,670 --> 00:36:41,040

may not be the right reasons on the

896

00:36:45,230 --> 00:36:43,680

other hand I think about really where we

897

00:36:46,550 --> 00:36:45,240

are as a society

898

00:36:49,190 --> 00:36:46,560

and

899

00:36:51,290 --> 00:36:49,200

the conclusions we may come to

900

00:36:53,990 --> 00:36:51,300

even with some of the more simplistic

901  
00:36:56,569 --> 00:36:54,000  
Revelations that may come

902  
00:36:58,670 --> 00:36:56,579  
are we

903  
00:37:01,430 --> 00:36:58,680  
will that Aid our development or will it

904  
00:37:04,730 --> 00:37:01,440  
hinder it are we in other words are we

905  
00:37:07,329 --> 00:37:04,740  
on a path already as a civilization that

906  
00:37:11,569 --> 00:37:07,339  
is so

907  
00:37:14,990 --> 00:37:11,579  
perverted so distorted from an ability

908  
00:37:18,109 --> 00:37:15,000  
to mature that that this kind of

909  
00:37:20,569 --> 00:37:18,119  
knowledge it it won't catalyze the

910  
00:37:24,349 --> 00:37:20,579  
change that we need to see it will only

911  
00:37:28,970 --> 00:37:24,359  
further entrench Us in uh some some very

912  
00:37:30,829 --> 00:37:28,980  
powerful and and negative ways uh in in

913  
00:37:33,470 --> 00:37:30,839

the habits that we've developed and

914

00:37:34,730 --> 00:37:33,480

nurtured for so long

915

00:37:36,290 --> 00:37:34,740

um we

916

00:37:37,609 --> 00:37:36,300

and we've talked about this as well

917

00:37:40,490 --> 00:37:37,619

we're at this

918

00:37:44,210 --> 00:37:40,500

sort of juncture in our in our modern

919

00:37:46,069 --> 00:37:44,220

world where we're looking for meaning uh

920

00:37:48,109 --> 00:37:46,079

we feel an absence of meaning let's put

921

00:37:51,950 --> 00:37:48,119

it that way and so many of our

922

00:37:54,670 --> 00:37:51,960

institutions we've lost faith in uh in

923

00:37:58,010 --> 00:37:54,680

their purpose uh the the lack of trust

924

00:38:00,170 --> 00:37:58,020

in our leadership seems to be a pretty

925

00:38:01,609 --> 00:38:00,180

common theme no matter what party you

926  
00:38:03,109 --> 00:38:01,619  
are a part of

927  
00:38:05,829 --> 00:38:03,119  
and

928  
00:38:11,050 --> 00:38:05,839  
you know that points in the direction

929  
00:38:13,609 --> 00:38:11,060  
that we we've lost these kind of deeper

930  
00:38:16,069 --> 00:38:13,619  
modes of understanding and of being in

931  
00:38:18,770 --> 00:38:16,079  
the world that nurture us on an

932  
00:38:20,630 --> 00:38:18,780  
individual and societal level

933  
00:38:23,690 --> 00:38:20,640  
you know we we've had a tremendous

934  
00:38:25,190 --> 00:38:23,700  
advances in our understanding of the

935  
00:38:27,370 --> 00:38:25,200  
material world

936  
00:38:31,150 --> 00:38:27,380  
but at what cost

937  
00:38:33,589 --> 00:38:31,160  
and to continue to pursue

938  
00:38:36,589 --> 00:38:33,599

technology for Technology's sake or

939

00:38:39,109 --> 00:38:36,599

knowledge for knowledge's sake all the

940

00:38:41,750 --> 00:38:39,119

while ignoring

941

00:38:44,810 --> 00:38:41,760

the trauma that we are inflicting on

942

00:38:48,470 --> 00:38:44,820

ourselves and our successive Generations

943

00:38:50,890 --> 00:38:48,480

By ignoring who we are on a fundamental

944

00:38:54,109 --> 00:38:50,900

level

945

00:38:55,910 --> 00:38:54,119

we can't help but do real damage there

946

00:38:57,770 --> 00:38:55,920

and I think about a lot of the

947

00:38:59,630 --> 00:38:57,780

encounters that we hear about from the

948

00:39:02,630 --> 00:38:59,640

experience or community

949

00:39:05,210 --> 00:39:02,640

and uh from various different entity

950

00:39:07,069 --> 00:39:05,220

encounters and it's a it's a mixed bag

951  
00:39:09,950 --> 00:39:07,079  
there as well some of those encounters

952  
00:39:11,810 --> 00:39:09,960  
seem to be very instructional seem to be

953  
00:39:14,230 --> 00:39:11,820  
very cautionary you know you should

954  
00:39:16,210 --> 00:39:14,240  
focus on this and and avoid doing that

955  
00:39:20,770 --> 00:39:16,220  
others are

956  
00:39:23,390 --> 00:39:20,780  
to be blunt very exploitative they are

957  
00:39:26,150 --> 00:39:23,400  
the kinds of behavior that you hear

958  
00:39:28,970 --> 00:39:26,160  
about from some of the experiences match

959  
00:39:31,370 --> 00:39:28,980  
the things that we would do if we had

960  
00:39:33,410 --> 00:39:31,380  
the capability that these beings have

961  
00:39:35,329 --> 00:39:33,420  
and I think when you when you step back

962  
00:39:39,530 --> 00:39:35,339  
and you look at it in the totality there

963  
00:39:44,089 --> 00:39:39,540

you you it's obvious that that the the

964

00:39:46,130 --> 00:39:44,099

sort of multiple uh the grand diversity

965

00:39:48,530 --> 00:39:46,140

of beings that exist in the universe and

966

00:39:50,750 --> 00:39:48,540

the cosmos that that there are some that

967

00:39:53,450 --> 00:39:50,760

are just like us but just have abilities

968

00:39:55,730 --> 00:39:53,460

that we don't have and there are some

969

00:39:58,370 --> 00:39:55,740

that have far transcended where we are

970

00:40:00,410 --> 00:39:58,380

even our most enlightened uh humans that

971

00:40:03,890 --> 00:40:00,420

we we might all point to and say look at

972

00:40:06,290 --> 00:40:03,900

this person as a as the Pinnacle of

973

00:40:09,470 --> 00:40:06,300

virtue of human virtue you know that

974

00:40:11,870 --> 00:40:09,480

they far exceed that individual and so

975

00:40:14,870 --> 00:40:11,880

it I get the very real sense that

976

00:40:18,410 --> 00:40:14,880

there's a lot at stake and that we are

977

00:40:21,170 --> 00:40:18,420

in a kind of training ground if you will

978

00:40:22,910 --> 00:40:21,180

um and we're in many cases just

979

00:40:23,990 --> 00:40:22,920

completely missing the Met message that

980

00:40:25,910 --> 00:40:24,000

we receive

981

00:40:28,430 --> 00:40:25,920

whether it's coming from a phenomenal

982

00:40:30,349 --> 00:40:28,440

Source or not

983

00:40:32,810 --> 00:40:30,359

yeah it's as we continue this

984

00:40:35,810 --> 00:40:32,820

conversation I'm just being made ever

985

00:40:38,690 --> 00:40:35,820

more aware of how nuanced it is or how

986

00:40:40,370 --> 00:40:38,700

much Nuance is necessary because I think

987

00:40:41,750 --> 00:40:40,380

no matter what direction we go here

988

00:40:44,210 --> 00:40:41,760

we're going to defend some group or

989

00:40:45,130 --> 00:40:44,220

another you know there are there are

990

00:40:47,390 --> 00:40:45,140

some

991

00:40:49,609 --> 00:40:47,400

well-meaning people so we we have on the

992

00:40:51,829 --> 00:40:49,619

one hand like the Collins Elite types

993

00:40:53,750 --> 00:40:51,839

who have a background in fundamentalist

994

00:40:55,910 --> 00:40:53,760

Christianity or they were LED in that

995

00:40:57,069 --> 00:40:55,920

direction by colleagues and what they

996

00:40:59,750 --> 00:40:57,079

were seeing

997

00:41:01,670 --> 00:40:59,760

to interpret it in a certain way and

998

00:41:04,910 --> 00:41:01,680

largely a negative way that these are

999

00:41:07,010 --> 00:41:04,920

nefarious interdimensional beings better

1000

00:41:09,109 --> 00:41:07,020

known as demons in Christian Theology

1001

00:41:11,270 --> 00:41:09,119

and you do not nothing good comes from

1002

00:41:13,490 --> 00:41:11,280

dealing with them right

1003

00:41:14,990 --> 00:41:13,500

on the other hand

1004

00:41:18,109 --> 00:41:15,000

um

1005

00:41:19,609 --> 00:41:18,119

you have some groups in ufology you know

1006

00:41:21,950 --> 00:41:19,619

following kind of a Stephen Greer kind

1007

00:41:24,650 --> 00:41:21,960

of mentality who believe there can be no

1008

00:41:28,310 --> 00:41:24,660

such thing as a negative alien or a less

1009

00:41:31,730 --> 00:41:28,320

than benevolent alien that they uh

1010

00:41:33,650 --> 00:41:31,740

believe that we are the anomaly in terms

1011

00:41:36,650 --> 00:41:33,660

of being a destructive race but all

1012

00:41:38,930 --> 00:41:36,660

these ET races are coming with messages

1013

00:41:41,569 --> 00:41:38,940

of love and Brotherhood and Universal

1014

00:41:45,890 --> 00:41:41,579

you know solidarity they can do no wrong

1015

00:41:48,349 --> 00:41:45,900

exactly and and both of those

1016

00:41:51,190 --> 00:41:48,359

takes are

1017

00:41:53,750 --> 00:41:51,200

lacking in Nuance I would suggest and

1018

00:41:55,490 --> 00:41:53,760

just as we would not pick a certain

1019

00:41:58,790 --> 00:41:55,500

group of people

1020

00:42:01,490 --> 00:41:58,800

I don't know Thai people or Canadians or

1021

00:42:03,829 --> 00:42:01,500

Australians you know or whatever we

1022

00:42:05,210 --> 00:42:03,839

wouldn't say ah there's nothing bad to

1023

00:42:06,710 --> 00:42:05,220

say about Australians you know they're

1024

00:42:08,270 --> 00:42:06,720

all good every single one I ever met I

1025

00:42:10,310 --> 00:42:08,280

mean I don't believe you if you tell me

1026  
00:42:11,569 --> 00:42:10,320  
you met an Australian who was rude I

1027  
00:42:13,430 --> 00:42:11,579  
just don't think it's possible they are

1028  
00:42:15,410 --> 00:42:13,440  
pretty great you know it's that kind of

1029  
00:42:18,050 --> 00:42:15,420  
thing like we laugh at that because we

1030  
00:42:22,490 --> 00:42:18,060  
realize Australians are a mix of people

1031  
00:42:25,069 --> 00:42:22,500  
just like we are as Americans and uh as

1032  
00:42:27,290 --> 00:42:25,079  
human beings and what I'm saying is you

1033  
00:42:29,750 --> 00:42:27,300  
also find that in different ET species

1034  
00:42:31,910 --> 00:42:29,760  
and the

1035  
00:42:33,109 --> 00:42:31,920  
um the process of Consciousness

1036  
00:42:34,670 --> 00:42:33,119  
development

1037  
00:42:36,950 --> 00:42:34,680  
again

1038  
00:42:38,810 --> 00:42:36,960

happens across the board for all of

1039

00:42:40,609 --> 00:42:38,820

these different groups whether you think

1040

00:42:42,290 --> 00:42:40,619

about them in terms of extraterrestrial

1041

00:42:43,750 --> 00:42:42,300

or interdimensional or some combination

1042

00:42:47,630 --> 00:42:43,760

of the two

1043

00:42:49,130 --> 00:42:47,640

and therefore the expectation I think

1044

00:42:50,690 --> 00:42:49,140

you should go with

1045

00:42:52,670 --> 00:42:50,700

which I think is later supported by

1046

00:42:54,050 --> 00:42:52,680

evidence by the way in some of the data

1047

00:42:56,450 --> 00:42:54,060

you just talked about some people having

1048

00:42:58,190 --> 00:42:56,460

very benevolent encounters some people

1049

00:42:59,870 --> 00:42:58,200

having encounters that seem very

1050

00:43:01,790 --> 00:42:59,880

exploitative like you said

1051  
00:43:04,609 --> 00:43:01,800  
you know like the writing's on the wall

1052  
00:43:05,930 --> 00:43:04,619  
there rather than trying to exclude one

1053  
00:43:09,290 --> 00:43:05,940  
part of the data because it doesn't fit

1054  
00:43:11,870 --> 00:43:09,300  
with your your preferred notion

1055  
00:43:13,670 --> 00:43:11,880  
rather look at the data and say what is

1056  
00:43:15,349 --> 00:43:13,680  
this really suggesting

1057  
00:43:16,849 --> 00:43:15,359  
and I think it's suggesting there's

1058  
00:43:19,130 --> 00:43:16,859  
groups of different levels of

1059  
00:43:22,609 --> 00:43:19,140  
development some are more again it's not

1060  
00:43:26,089 --> 00:43:22,619  
about good versus evil it's about less

1061  
00:43:27,410 --> 00:43:26,099  
developed versus more developed and

1062  
00:43:29,089 --> 00:43:27,420  
um

1063  
00:43:31,430 --> 00:43:29,099

that really explains what's going on

1064

00:43:33,349 --> 00:43:31,440

here but again as you can imagine that

1065

00:43:36,770 --> 00:43:33,359

really makes complicated this matter

1066

00:43:38,089 --> 00:43:36,780

because for those who believe that come

1067

00:43:40,490 --> 00:43:38,099

on let's have disclosure yesterday

1068

00:43:43,210 --> 00:43:40,500

because once these ones are interacting

1069

00:43:45,950 --> 00:43:43,220

with us they'll give us free energy

1070

00:43:47,150 --> 00:43:45,960

they'll resolve climate change you know

1071

00:43:48,710 --> 00:43:47,160

they'll reverse all these negative

1072

00:43:52,069 --> 00:43:48,720

things that we've produced you know over

1073

00:43:53,690 --> 00:43:52,079

the last century but that assumes of

1074

00:43:55,670 --> 00:43:53,700

course that all you'll open up the door

1075

00:43:58,370 --> 00:43:55,680

to is the positive ones and again

1076

00:43:59,809 --> 00:43:58,380

there's real question about that so

1077

00:44:01,550 --> 00:43:59,819

based on what we're seeing already with

1078

00:44:04,130 --> 00:44:01,560

experiencer accounts so that's at least

1079

00:44:05,809 --> 00:44:04,140

a cautionary tale that I think both of

1080

00:44:06,950 --> 00:44:05,819

those groups and there's there's other

1081

00:44:09,230 --> 00:44:06,960

groups of course too but just even

1082

00:44:10,910 --> 00:44:09,240

painting those two initial ones I think

1083

00:44:12,950 --> 00:44:10,920

it's a cautionary tale that either of

1084

00:44:15,349 --> 00:44:12,960

those sort of black and white kind of

1085

00:44:17,410 --> 00:44:15,359

World Views don't play well with the

1086

00:44:20,450 --> 00:44:17,420

data and don't

1087

00:44:21,829 --> 00:44:20,460

promise very positive outcomes for us

1088

00:44:23,349 --> 00:44:21,839

either way I think we need something

1089

00:44:26,270 --> 00:44:23,359

more nuanced

1090

00:44:29,210 --> 00:44:26,280

and the

1091

00:44:31,730 --> 00:44:29,220

the geopolitical stage beyond the Earth

1092

00:44:34,609 --> 00:44:31,740

is in some ways just as complex as the

1093

00:44:36,170 --> 00:44:34,619

one within the borders of the earth so

1094

00:44:39,170 --> 00:44:36,180

that's something I think people should

1095

00:44:44,210 --> 00:44:42,290

I'm sensitive to a lot of our listeners

1096

00:44:47,569 --> 00:44:44,220

who might be really frustrated by this

1097

00:44:49,550 --> 00:44:47,579

because uh and I can think about my own

1098

00:44:51,890 --> 00:44:49,560

self on the journey that I've been here

1099

00:44:52,730 --> 00:44:51,900

I've been on here for for these few

1100

00:44:55,550 --> 00:44:52,740

years

1101

00:44:58,010 --> 00:44:55,560

uh

1102

00:44:59,710 --> 00:44:58,020

none of these sound like easy answers

1103

00:45:04,370 --> 00:44:59,720

and

1104

00:45:07,069 --> 00:45:04,380

folks that

1105

00:45:10,130 --> 00:45:07,079

don't want to hear that that they would

1106

00:45:13,190 --> 00:45:10,140

rather it just be give us the craft give

1107

00:45:16,790 --> 00:45:13,200

us the technology let's be welcomed into

1108

00:45:20,329 --> 00:45:16,800

uh the you know Cosmic neighborhood and

1109

00:45:24,470 --> 00:45:20,339

all will be well because in their minds

1110

00:45:26,870 --> 00:45:24,480

the truth is is obscured from us and uh

1111

00:45:29,089 --> 00:45:26,880

and that is the truth

1112

00:45:31,490 --> 00:45:29,099

um and the truth quite frankly is as it

1113

00:45:35,150 --> 00:45:31,500

always often is far more complex than

1114

00:45:38,329 --> 00:45:35,160

that and the introduction of uh you know

1115

00:45:42,470 --> 00:45:38,339

the free energy or uh revolutionary

1116

00:45:44,990 --> 00:45:42,480

Transportation or reverse aging uh or

1117

00:45:48,109 --> 00:45:45,000

whatever insert your technology Miracle

1118

00:45:52,130 --> 00:45:48,119

of choice uh if you think about that

1119

00:45:54,230 --> 00:45:52,140

those things as amazing as they would be

1120

00:45:56,030 --> 00:45:54,240

in and of themselves they don't solve

1121

00:45:57,950 --> 00:45:56,040

any of our core problems

1122

00:45:59,870 --> 00:45:57,960

if anything they just create more

1123

00:46:00,950 --> 00:45:59,880

problems at least for for us where we

1124

00:46:03,230 --> 00:46:00,960

are right now

1125

00:46:04,550 --> 00:46:03,240

and and here's where I will Echo what

1126

00:46:06,710 --> 00:46:04,560

you said earlier we might get a little

1127

00:46:07,910 --> 00:46:06,720

bit uncomfortable with some of our our

1128

00:46:10,730 --> 00:46:07,920

audience

1129

00:46:13,010 --> 00:46:10,740

because I recognize that a lot of what

1130

00:46:15,890 --> 00:46:13,020

we're talking about in in our

1131

00:46:20,630 --> 00:46:15,900

conversation is is quite frankly deeply

1132

00:46:22,849 --> 00:46:20,640

spiritual uh and uh and our culture has

1133

00:46:26,750 --> 00:46:22,859

done a very good job for for a long time

1134

00:46:30,470 --> 00:46:26,760

now uh really coming down hard on

1135

00:46:33,349 --> 00:46:30,480

spirituality uh and and look I I totally

1136

00:46:36,170 --> 00:46:33,359

understand I've been a part of that uh I

1137

00:46:38,450 --> 00:46:36,180

as many of you know I grew up in a

1138

00:46:41,089 --> 00:46:38,460

spiritual home and had a spiritual

1139

00:46:43,309 --> 00:46:41,099

practice for half of my life and then I

1140

00:46:46,609 --> 00:46:43,319

rejected it a wholesale for many many

1141

00:46:49,370 --> 00:46:46,619

years and would be quick to jump on

1142

00:46:52,069 --> 00:46:49,380

those who would share a spiritual

1143

00:46:54,829 --> 00:46:52,079

experience or view the world through a

1144

00:46:57,109 --> 00:46:54,839

traditional spiritual perspective and

1145

00:46:59,750 --> 00:46:57,119

just write it all off as a you know

1146

00:47:01,790 --> 00:46:59,760

Fantastical thinking or uh you know

1147

00:47:03,349 --> 00:47:01,800

being delusionary

1148

00:47:07,370 --> 00:47:03,359

and

1149

00:47:09,650 --> 00:47:07,380

um

1150

00:47:11,690 --> 00:47:09,660

what a jerk

1151

00:47:14,750 --> 00:47:11,700

you know what what kind of person does

1152

00:47:16,970 --> 00:47:14,760

that and and treats another human being

1153

00:47:18,410 --> 00:47:16,980

and their experience and their their

1154

00:47:22,430 --> 00:47:18,420

world view

1155

00:47:25,670 --> 00:47:22,440

in that way uh and now that I have begun

1156

00:47:27,530 --> 00:47:25,680

to take it seriously again

1157

00:47:30,530 --> 00:47:27,540

ironically through the lens of the

1158

00:47:32,390 --> 00:47:30,540

phenomena which as many people I think

1159

00:47:36,349 --> 00:47:32,400

Who start on this journey it starts out

1160

00:47:37,609 --> 00:47:36,359

as this nuts and bolts scientism you

1161

00:47:38,750 --> 00:47:37,619

know ooh there's this neat thing

1162

00:47:40,430 --> 00:47:38,760

happening that we just need to

1163

00:47:43,190 --> 00:47:40,440

understand and it's going to add to our

1164

00:47:46,910 --> 00:47:43,200

knowledge uh where I'm where I have

1165

00:47:48,710 --> 00:47:46,920

landed is in a in a strange place a

1166

00:47:51,950 --> 00:47:48,720

place that is familiar to me in some

1167

00:47:55,130 --> 00:47:51,960

respects but also very alien uh in in

1168

00:47:57,349 --> 00:47:55,140

many others and so I you know I struggle

1169

00:48:00,829 --> 00:47:57,359

with how to

1170

00:48:04,370 --> 00:48:00,839

do the work of translating uh these

1171

00:48:06,589 --> 00:48:04,380

insights to an audience that is not

1172

00:48:08,870 --> 00:48:06,599

really ready or wanting to hear it and

1173

00:48:11,450 --> 00:48:08,880

and I and and I I want to recognize I

1174

00:48:13,250 --> 00:48:11,460

put myself in that audience uh I'm in

1175

00:48:17,089 --> 00:48:13,260

that audience I have a difficult time

1176

00:48:19,849 --> 00:48:17,099

with it on the one hand I I it is

1177

00:48:22,370 --> 00:48:19,859

familiar to me and it's exciting and it

1178

00:48:24,650 --> 00:48:22,380

kind of it Taps into this part of myself

1179

00:48:27,230 --> 00:48:24,660

that I've ignored for a very long time

1180

00:48:29,930 --> 00:48:27,240

on the other hand I know how it sounds

1181

00:48:33,050 --> 00:48:29,940

you know I I'm just as a part of the

1182

00:48:34,910 --> 00:48:33,060

culture as many of our listeners are and

1183

00:48:36,470 --> 00:48:34,920

I think through all of the kinds of

1184

00:48:38,329 --> 00:48:36,480

counter arguments that they're thinking

1185

00:48:41,270 --> 00:48:38,339

through when we begin to talk about

1186

00:48:45,710 --> 00:48:41,280

things in this way and so you know

1187

00:48:47,569 --> 00:48:45,720

Darren how do you where can we begin in

1188

00:48:50,390 --> 00:48:47,579

you know sort of

1189

00:48:54,230 --> 00:48:50,400

writing this imbalance that we have in

1190

00:48:57,470 --> 00:48:54,240

our in our world and I think giving

1191

00:48:59,569 --> 00:48:57,480

spirituality a healthy place and a

1192

00:49:01,910 --> 00:48:59,579

better understanding of of the grand

1193

00:49:03,890 --> 00:49:01,920

scheme of reality

1194

00:49:05,630 --> 00:49:03,900

yeah it's a really key question and I

1195

00:49:07,309 --> 00:49:05,640

think it would be good for us to unpack

1196

00:49:08,870 --> 00:49:07,319

that a bit and go back and forth a bit

1197

00:49:10,430 --> 00:49:08,880

on this because

1198

00:49:11,990 --> 00:49:10,440

I think a lot of times people have

1199

00:49:14,150 --> 00:49:12,000

Notions of what we mean when we say

1200

00:49:15,770 --> 00:49:14,160

spirituality or we bring up religion or

1201

00:49:16,970 --> 00:49:15,780

something and

1202

00:49:18,290 --> 00:49:16,980

um there are still some people who don't

1203

00:49:21,230 --> 00:49:18,300

understand how that has anything to do

1204

00:49:22,550 --> 00:49:21,240

with aliens and UFOs and we have to

1205

00:49:24,290 --> 00:49:22,560

break it down

1206

00:49:26,030 --> 00:49:24,300

but I think one way I would sort of

1207

00:49:28,370 --> 00:49:26,040

summarize what you're pointing towards

1208

00:49:31,730 --> 00:49:28,380

there is that

1209

00:49:35,210 --> 00:49:31,740

the solution is not technology

1210

00:49:37,309 --> 00:49:35,220

the solution is not the introduction of

1211

00:49:40,970 --> 00:49:37,319

powerful allies

1212

00:49:43,069 --> 00:49:40,980

the solution is always in Consciousness

1213

00:49:44,809 --> 00:49:43,079

and

1214

00:49:46,609 --> 00:49:44,819

in the same way that when we learned how

1215

00:49:49,790 --> 00:49:46,619

to split the atom we turned it into a

1216

00:49:52,069 --> 00:49:49,800

bomb that could kill Millions because

1217

00:49:54,050 --> 00:49:52,079

that's what our Consciousness dictated

1218

00:49:56,809 --> 00:49:54,060

at that time

1219

00:49:59,510 --> 00:49:56,819

if we get given even more powerful

1220

00:50:02,150 --> 00:49:59,520

Technologies without the requisite

1221

00:50:04,910 --> 00:50:02,160

Consciousness stage to do good things

1222

00:50:07,309 --> 00:50:04,920

with it the same thing will happen and

1223

00:50:09,170 --> 00:50:07,319

my understanding from the intelligences

1224

00:50:11,630 --> 00:50:09,180

I've been in contact with which are the

1225

00:50:13,910 --> 00:50:11,640

benevolent ones

1226

00:50:15,589 --> 00:50:13,920

um they are not interested in in having

1227

00:50:18,770 --> 00:50:15,599

a nanny state where they basically have

1228

00:50:20,270 --> 00:50:18,780

to become an occupying Force to hold our

1229

00:50:22,849 --> 00:50:20,280

hands while we deal with these

1230

00:50:24,109 --> 00:50:22,859

incredibly powerful Technologies and

1231

00:50:25,550 --> 00:50:24,119

make sure that we don't destroy

1232

00:50:28,250 --> 00:50:25,560

ourselves while doing good things with

1233

00:50:30,950 --> 00:50:28,260

them that's not what they're in the

1234

00:50:32,870 --> 00:50:30,960

business of doing because the entire

1235

00:50:33,950 --> 00:50:32,880

Enterprise I would suggest to you and we

1236

00:50:35,089 --> 00:50:33,960

talked about this before we went on the

1237

00:50:38,150 --> 00:50:35,099

Air Tonight

1238

00:50:39,890 --> 00:50:38,160

is that the point of the entire you know

1239

00:50:42,349 --> 00:50:39,900

the point of being here in this

1240

00:50:44,809 --> 00:50:42,359

Incarnation both as individuals and as a

1241

00:50:47,270 --> 00:50:44,819

collective civilization is to wake up

1242

00:50:49,069 --> 00:50:47,280

and to grow up and waking up to

1243

00:50:51,230 --> 00:50:49,079

recognize and we are more than the

1244

00:50:52,970 --> 00:50:51,240

bodies that are around for a few decades

1245

00:50:55,069 --> 00:50:52,980

and then decompose

1246

00:50:57,589 --> 00:50:55,079

and that we are more connected to each

1247

00:50:59,569 --> 00:50:57,599

other than than seems sometimes the case

1248

00:51:01,730 --> 00:50:59,579

based on the way our culture treats

1249

00:51:04,190 --> 00:51:01,740

people

1250

00:51:05,750 --> 00:51:04,200

so what we need to focus on is a

1251  
00:51:08,329 --> 00:51:05,760  
step-by-step development in

1252  
00:51:09,470 --> 00:51:08,339  
Consciousness that means it'll be

1253  
00:51:11,569 --> 00:51:09,480  
different for different people and

1254  
00:51:13,069 --> 00:51:11,579  
different even for different cultural

1255  
00:51:15,470 --> 00:51:13,079  
groups around the world we've talked

1256  
00:51:18,170 --> 00:51:15,480  
before about how there are numerous

1257  
00:51:20,030 --> 00:51:18,180  
different stages of Consciousness online

1258  
00:51:22,250 --> 00:51:20,040  
in the world right now even within our

1259  
00:51:24,349 --> 00:51:22,260  
own country there's three major

1260  
00:51:27,349 --> 00:51:24,359  
different sort of Developmental stages

1261  
00:51:29,450 --> 00:51:27,359  
online at the same time which means I

1262  
00:51:31,450 --> 00:51:29,460  
will again remind people it means that

1263  
00:51:34,670 --> 00:51:31,460

they see the world effectively different

1264

00:51:36,109 --> 00:51:34,680

and some people at a and again I've

1265

00:51:38,030 --> 00:51:36,119

pointed this up before too it's called

1266

00:51:40,730 --> 00:51:38,040

the pre-trans policy

1267

00:51:42,589 --> 00:51:40,740

someone who's at a less evolved

1268

00:51:44,750 --> 00:51:42,599

Consciousness stage we'll look at some

1269

00:51:46,849 --> 00:51:44,760

of the what we're talking about and I

1270

00:51:49,430 --> 00:51:46,859

think it sounds ridiculous and like

1271

00:51:50,870 --> 00:51:49,440

magical thinking again because for them

1272

00:51:52,609 --> 00:51:50,880

it's beyond the ceiling of their

1273

00:51:55,190 --> 00:51:52,619

Consciousness so they go to the next

1274

00:51:56,930 --> 00:51:55,200

level down on the Consciousness spiral

1275

00:51:59,390 --> 00:51:56,940

and to them it sounds a lot like magical

1276

00:52:01,730 --> 00:51:59,400

thinking right that we're just leading

1277

00:52:04,670 --> 00:52:01,740

on you know the sun gods or something to

1278

00:52:08,750 --> 00:52:04,680

save us right kind of thinking again

1279

00:52:10,790 --> 00:52:08,760

um so like you said no easy answers and

1280

00:52:13,430 --> 00:52:10,800

it has to be step by step but we do have

1281

00:52:15,230 --> 00:52:13,440

to start we have to start somewhere and

1282

00:52:17,690 --> 00:52:15,240

we have to recognize I think When the

1283

00:52:19,970 --> 00:52:17,700

UFO phenomenon that means that that also

1284

00:52:22,430 --> 00:52:19,980

is a complex situation involving

1285

00:52:24,290 --> 00:52:22,440

multiple Consciousness stages then we

1286

00:52:27,049 --> 00:52:24,300

need to do a good job of discerning we

1287

00:52:28,670 --> 00:52:27,059

need to do a better job of discerning

1288

00:52:32,030 --> 00:52:28,680

the motivations of these different

1289

00:52:33,410 --> 00:52:32,040

groups as I pointed out to you my

1290

00:52:34,990 --> 00:52:33,420

understanding is that some of the most

1291

00:52:37,670 --> 00:52:35,000

benevolent groups some of the most

1292

00:52:39,970 --> 00:52:37,680

evolved groups are also the ones that

1293

00:52:42,890 --> 00:52:39,980

are most concerned about not

1294

00:52:44,630 --> 00:52:42,900

biasing our future by helping us to

1295

00:52:46,849 --> 00:52:44,640

really they because they want us to

1296

00:52:48,410 --> 00:52:46,859

learn the lessons that really matter

1297

00:52:51,950 --> 00:52:48,420

they don't want to just come in and

1298

00:52:55,069 --> 00:52:51,960

solve problems because this iteration is

1299

00:52:56,990 --> 00:52:55,079

not the ultimate end game it's what

1300

00:52:59,030 --> 00:52:57,000

happens to our souls if you will it

1301  
00:53:01,250 --> 00:52:59,040  
happens to the part of us that never

1302  
00:53:03,589 --> 00:53:01,260  
dies but just reiterates

1303  
00:53:05,089 --> 00:53:03,599  
and what happens to the planetary

1304  
00:53:08,030 --> 00:53:05,099  
Consciousness that we are a part of

1305  
00:53:09,950 --> 00:53:08,040  
because again in a non-dual sense we are

1306  
00:53:11,569 --> 00:53:09,960  
all connected to each other how can we

1307  
00:53:13,609 --> 00:53:11,579  
grow up as a collective and as

1308  
00:53:15,890 --> 00:53:13,619  
individuals that's what the most

1309  
00:53:17,630 --> 00:53:15,900  
benevolent ones are interested in

1310  
00:53:21,170 --> 00:53:17,640  
some of the less benevolent wines are

1311  
00:53:23,329 --> 00:53:21,180  
more interested in trying to further

1312  
00:53:25,069 --> 00:53:23,339  
um less than Universal aims because they

1313  
00:53:27,170 --> 00:53:25,079

themselves are not yet at that level of

1314

00:53:29,450 --> 00:53:27,180

Consciousness and so we need to be very

1315

00:53:31,910 --> 00:53:29,460

wary of groups that are promising

1316

00:53:33,710 --> 00:53:31,920

certain kinds of things but at what cost

1317

00:53:36,710 --> 00:53:33,720

and at what price and or what are we

1318

00:53:38,150 --> 00:53:36,720

exchanging to get that kind of deal and

1319

00:53:40,069 --> 00:53:38,160

we've talked before about even

1320

00:53:42,589 --> 00:53:40,079

administrations who have perhaps made

1321

00:53:44,750 --> 00:53:42,599

Accords with various groups of others

1322

00:53:47,569 --> 00:53:44,760

that allowed for things like abductions

1323

00:53:49,130 --> 00:53:47,579

of citizens in exchange for technology

1324

00:53:50,690 --> 00:53:49,140

that's the kind of Accord that's been

1325

00:53:53,870 --> 00:53:50,700

made in the past

1326

00:53:56,030 --> 00:53:53,880

so again this points to fundamentally a

1327

00:53:58,609 --> 00:53:56,040

problem in Consciousness more than about

1328

00:54:02,150 --> 00:53:58,619

technology or anything else

1329

00:54:04,790 --> 00:54:02,160

are there any uh signs of encouragement

1330

00:54:07,430 --> 00:54:04,800

that we can look at and say hey this is

1331

00:54:09,829 --> 00:54:07,440

a good development because you know

1332

00:54:11,750 --> 00:54:09,839

quite frankly I'm looking at the

1333

00:54:14,329 --> 00:54:11,760

governments and their handling of this

1334

00:54:17,690 --> 00:54:14,339

topic and I understand that they may

1335

00:54:19,309 --> 00:54:17,700

have done certain things for good reason

1336

00:54:21,230 --> 00:54:19,319

but I look at where we are with that

1337

00:54:24,170 --> 00:54:21,240

conversation and where we are as a

1338

00:54:27,710 --> 00:54:24,180

society I I'm struggling to find some

1339

00:54:30,670 --> 00:54:27,720

real glimmers of Hope here that there

1340

00:54:35,450 --> 00:54:32,750

individuals or leaders having the

1341

00:54:37,930 --> 00:54:35,460

conversation that needs to be had about

1342

00:54:41,150 --> 00:54:37,940

what is really happening

1343

00:54:42,890 --> 00:54:41,160

and and the fact that we're

1344

00:54:44,510 --> 00:54:42,900

and really just kind of beginning to

1345

00:54:47,210 --> 00:54:44,520

throw in the police in our in a public

1346

00:54:49,790 --> 00:54:47,220

way we're throwing our science at it you

1347

00:54:51,470 --> 00:54:49,800

know through this NASA study and uh

1348

00:54:54,410 --> 00:54:51,480

through some of the individuals that are

1349

00:54:57,349 --> 00:54:54,420

involved with the UAP task force you

1350

00:54:59,809 --> 00:54:57,359

don't really see a lot of uh individuals

1351  
00:55:02,470 --> 00:54:59,819  
at least not in in the public Realm

1352  
00:55:05,690 --> 00:55:02,480  
who come from other disciplines

1353  
00:55:09,710 --> 00:55:05,700  
who might be inclined to look at this

1354  
00:55:11,750 --> 00:55:09,720  
and promote an understanding that is uh

1355  
00:55:15,010 --> 00:55:11,760  
that goes beyond you know scientific

1356  
00:55:17,690 --> 00:55:15,020  
exploitation of Technology

1357  
00:55:21,349 --> 00:55:17,700  
are there any glimmers of hope that you

1358  
00:55:22,970 --> 00:55:21,359  
see and if not uh to me then that the

1359  
00:55:25,690 --> 00:55:22,980  
conclusion I would come to is it's kind

1360  
00:55:29,569 --> 00:55:25,700  
of up to us at the individual level

1361  
00:55:32,270 --> 00:55:29,579  
or a more local level to be the change

1362  
00:55:35,990 --> 00:55:32,280  
that needs to take place and and to take

1363  
00:55:39,589 --> 00:55:36,000

charge of our own development and not

1364

00:55:42,530 --> 00:55:39,599

lean on you know somebody else to kind

1365

00:55:44,990 --> 00:55:42,540

of solve our problems for us and and

1366

00:55:47,510 --> 00:55:45,000

quite frankly that's uh you know a big

1367

00:55:50,450 --> 00:55:47,520

part of many spiritual teachings

1368

00:55:53,049 --> 00:55:50,460

throughout history it's it's the journey

1369

00:55:56,809 --> 00:55:53,059

that we all have to take in our lifetime

1370

00:55:58,849 --> 00:55:56,819

of of maturing and gaining wit wisdom

1371

00:56:01,370 --> 00:55:58,859

and how we treat one another these are

1372

00:56:03,170 --> 00:56:01,380

not things that the state and solve so

1373

00:56:06,530 --> 00:56:03,180

how do you think about this and do you

1374

00:56:09,170 --> 00:56:06,540

see any areas of optimism here

1375

00:56:11,210 --> 00:56:09,180

that's also a huge question which we

1376  
00:56:13,790 --> 00:56:11,220  
could spend good luck with that seven

1377  
00:56:15,290 --> 00:56:13,800  
months unpacking yeah and we talked

1378  
00:56:16,910 --> 00:56:15,300  
about some of the implications before we

1379  
00:56:18,829 --> 00:56:16,920  
went on the air there's a few different

1380  
00:56:19,430 --> 00:56:18,839  
directions I want to go with that

1381  
00:56:21,710 --> 00:56:19,440  
um

1382  
00:56:23,270 --> 00:56:21,720  
one in terms of you know what glimmers

1383  
00:56:25,250 --> 00:56:23,280  
of Hope are there well I would say this

1384  
00:56:26,270 --> 00:56:25,260  
I would say that

1385  
00:56:28,430 --> 00:56:26,280  
um

1386  
00:56:30,290 --> 00:56:28,440  
in the same way I've been impacted with

1387  
00:56:31,910 --> 00:56:30,300  
a positive interaction with some of

1388  
00:56:34,910 --> 00:56:31,920

these intelligences

1389

00:56:37,609 --> 00:56:34,920

and it's helped reframe my understanding

1390

00:56:39,890 --> 00:56:37,619

it's helped me wake up to a larger

1391

00:56:43,069 --> 00:56:39,900

reality that extends Beyond this

1392

00:56:44,690 --> 00:56:43,079

iteration and this material existence

1393

00:56:46,190 --> 00:56:44,700

that looks material and physical and

1394

00:56:48,530 --> 00:56:46,200

solid but is actually again more of a

1395

00:56:50,630 --> 00:56:48,540

Dreamscape kind of thing

1396

00:56:53,690 --> 00:56:50,640

um there there are many people there

1397

00:56:55,569 --> 00:56:53,700

being woken up in similar ways and I'm

1398

00:56:59,390 --> 00:56:55,579

contacted pretty regularly

1399

00:57:01,849 --> 00:56:59,400

because of my podcast by people who are

1400

00:57:04,430 --> 00:57:01,859

on the same kind of trajectory and have

1401

00:57:06,410 --> 00:57:04,440

felt almost like activated that when

1402

00:57:07,849 --> 00:57:06,420

they heard my voice they said I feel

1403

00:57:10,069 --> 00:57:07,859

like I'm supposed to get in a hold of

1404

00:57:11,510 --> 00:57:10,079

this person and maybe somehow be

1405

00:57:12,890 --> 00:57:11,520

involved in something they're involved

1406

00:57:15,770 --> 00:57:12,900

in in the future and so there actually

1407

00:57:17,390 --> 00:57:15,780

are you know movements underway I've

1408

00:57:19,670 --> 00:57:17,400

told you about some of them

1409

00:57:21,770 --> 00:57:19,680

um you know to to hopefully manifest

1410

00:57:24,230 --> 00:57:21,780

some of this in some practical ways not

1411

00:57:27,290 --> 00:57:24,240

just be all wishful thinking but begin

1412

00:57:30,049 --> 00:57:27,300

to actually model ways that human beings

1413

00:57:32,630 --> 00:57:30,059

together could live differently and

1414

00:57:34,370 --> 00:57:32,640

prioritize differently

1415

00:57:36,530 --> 00:57:34,380

um

1416

00:57:37,970 --> 00:57:36,540

I think also we talked before we went on

1417

00:57:39,589 --> 00:57:37,980

the air about something called spiritual

1418

00:57:41,690 --> 00:57:39,599

bypass that's something we have to be

1419

00:57:43,309 --> 00:57:41,700

aware of too is that

1420

00:57:44,930 --> 00:57:43,319

um

1421

00:57:47,030 --> 00:57:44,940

you brought up a very good point that

1422

00:57:49,910 --> 00:57:47,040

you know how do we keep that sort of

1423

00:57:51,670 --> 00:57:49,920

bigger picture in mind well not at the

1424

00:57:55,730 --> 00:57:51,680

same time you know

1425

00:57:57,589 --> 00:57:55,740

undermining or downplaying or belittling

1426

00:57:58,849 --> 00:57:57,599

the very real things we need to be

1427

00:58:01,670 --> 00:57:58,859

concerned about you know with our

1428

00:58:03,170 --> 00:58:01,680

families and what's going on in the

1429

00:58:05,510 --> 00:58:03,180

environment things that are happening in

1430

00:58:07,490 --> 00:58:05,520

this iteration and I think the balance

1431

00:58:10,130 --> 00:58:07,500

as I often try to say is to toggle

1432

00:58:12,049 --> 00:58:10,140

between the two I think having both the

1433

00:58:13,970 --> 00:58:12,059

relative and an absolute View and being

1434

00:58:16,970 --> 00:58:13,980

able to toggle between the two and see

1435

00:58:20,270 --> 00:58:16,980

how they relate really matters in the

1436

00:58:22,430 --> 00:58:20,280

same way that Donald Hoffman says

1437

00:58:23,809 --> 00:58:22,440

he doesn't jump in front of a train not

1438

00:58:26,210 --> 00:58:23,819

because he takes the train literally

1439

00:58:28,549 --> 00:58:26,220

there actually is no train right

1440

00:58:31,010 --> 00:58:28,559

but because that signifies something

1441

00:58:32,750 --> 00:58:31,020

that is real that it's it's

1442

00:58:34,490 --> 00:58:32,760

um it's significant even though it's not

1443

00:58:35,870 --> 00:58:34,500

literally there

1444

00:58:38,690 --> 00:58:35,880

um and there will be real implications

1445

00:58:41,329 --> 00:58:38,700

in the same way the things we do even if

1446

00:58:44,450 --> 00:58:41,339

this is a Dreamscape the things we do

1447

00:58:46,490 --> 00:58:44,460

here have real implications on what we

1448

00:58:49,250 --> 00:58:46,500

take with us both as a collective

1449

00:58:52,309 --> 00:58:49,260

culture a kind of you know Collective

1450

00:58:54,950 --> 00:58:52,319

mind and as individuals so it all plays

1451

00:58:57,109 --> 00:58:54,960

together I think the freedom is that it

1452

00:58:58,490 --> 00:58:57,119

allows us to not be completely caught up

1453

00:59:00,530 --> 00:58:58,500

in what happens in this iteration

1454

00:59:02,390 --> 00:59:00,540

because there will always be another one

1455

00:59:04,849 --> 00:59:02,400

and what matters most of all is the

1456

00:59:07,069 --> 00:59:04,859

lessons we learn in this one but ideally

1457

00:59:09,470 --> 00:59:07,079

we want to work on both levels that we

1458

00:59:11,870 --> 00:59:09,480

want to make decisions that will help

1459

00:59:13,609 --> 00:59:11,880

the here and now and the people around

1460

00:59:14,870 --> 00:59:13,619

us the animals around us the environment

1461

00:59:16,910 --> 00:59:14,880

around us

1462

00:59:19,309 --> 00:59:16,920

but also that are based on principles

1463

00:59:20,630 --> 00:59:19,319

that will help evolve our souls and that

1464

00:59:22,370 --> 00:59:20,640

we take that with us into the next

1465

00:59:24,650 --> 00:59:22,380

iteration

1466

00:59:25,789 --> 00:59:24,660

um but again to your point that you sort

1467

00:59:27,589 --> 00:59:25,799

of brought up at the end of what you

1468

00:59:30,170 --> 00:59:27,599

said there I think it's very important

1469

00:59:33,170 --> 00:59:30,180

that we need to really watch for when

1470

00:59:35,390 --> 00:59:33,180

we're trying to have some sort of mommy

1471

00:59:37,910 --> 00:59:35,400

or daddy figure come in and fix the

1472

00:59:39,370 --> 00:59:37,920

problem for us because the truth I think

1473

00:59:41,569 --> 00:59:39,380

of this

1474

00:59:43,490 --> 00:59:41,579

multi-dimensional Cosmos we live in

1475

00:59:45,829 --> 00:59:43,500

that's richly populated with all these

1476

00:59:49,430 --> 00:59:45,839

different different intelligences is

1477

00:59:51,349 --> 00:59:49,440

that we are given

1478

00:59:55,370 --> 00:59:51,359

the opportunity

1479

00:59:58,010 --> 00:59:55,380

to thrive or die and it's on us and

1480

00:59:59,870 --> 00:59:58,020

largely the ones above us Beyond us are

1481

01:00:01,910 --> 00:59:59,880

trying to be hands off

1482

01:00:03,410 --> 01:00:01,920

so that we learn the lessons for the

1483

01:00:06,349 --> 01:00:03,420

right reasons we don't do it because

1484

01:00:08,870 --> 01:00:06,359

some God told us you can't do that or

1485

01:00:10,789 --> 01:00:08,880

because some overarching benevolent ET

1486

01:00:13,549 --> 01:00:10,799

says you can't do that but because we

1487

01:00:15,770 --> 01:00:13,559

understand in our core why it's not

1488

01:00:18,210 --> 01:00:15,780

helpful ultimately to do that as

1489

01:00:19,309 --> 01:00:18,220

individuals and as a collective Society

1490

01:00:21,230 --> 01:00:19,319

[Music]

1491

01:00:23,870 --> 01:00:21,240

it uh

1492

01:00:27,470 --> 01:00:23,880

reminds me that even mundane experience

1493

01:00:27,480 --> 01:00:30,589

in that

1494

01:00:36,230 --> 01:00:32,750

there are so many moments of opportunity

1495

01:00:39,109 --> 01:00:36,240

to learn from what what is happening in

1496

01:00:42,490 --> 01:00:39,119

in any iteration or any experience

1497

01:00:45,349 --> 01:00:42,500

and as you pointed out even if we

1498

01:00:46,789 --> 01:00:45,359

we can we can continue to improve or

1499

01:00:48,589 --> 01:00:46,799

have another chance have another crack

1500

01:00:50,630 --> 01:00:48,599

it you know getting our development

1501  
01:00:51,910 --> 01:00:50,640  
right or getting back on the right track

1502  
01:00:55,250 --> 01:00:51,920  
or path

1503  
01:00:57,049 --> 01:00:55,260  
it still ultimately means that the

1504  
01:00:58,210 --> 01:00:57,059  
entire journey is significant and

1505  
01:01:01,970 --> 01:00:58,220  
important

1506  
01:01:03,650 --> 01:01:01,980  
there's again there's no you can't you

1507  
01:01:06,289 --> 01:01:03,660  
can't skip a class here

1508  
01:01:08,089 --> 01:01:06,299  
you know so that means that every

1509  
01:01:11,150 --> 01:01:08,099  
experience that we have every moment

1510  
01:01:14,690 --> 01:01:11,160  
every encounter every hardship every Joy

1511  
01:01:17,510 --> 01:01:14,700  
all of these things are a part of and a

1512  
01:01:19,069 --> 01:01:17,520  
necessary part of this journey of this

1513  
01:01:21,770 --> 01:01:19,079

becoming

1514

01:01:25,069 --> 01:01:21,780

and I think that's an important takeaway

1515

01:01:28,430 --> 01:01:25,079

that we can get really often very

1516

01:01:29,930 --> 01:01:28,440

fixated on the future uh certainly

1517

01:01:32,030 --> 01:01:29,940

Within

1518

01:01:35,030 --> 01:01:32,040

I believe you know Circles of belief

1519

01:01:37,789 --> 01:01:35,040

there's often a fixation on the

1520

01:01:40,490 --> 01:01:37,799

afterlife or you know on the end and how

1521

01:01:42,410 --> 01:01:40,500

all the problems of of the day my my

1522

01:01:43,970 --> 01:01:42,420

problems that exist in my life you know

1523

01:01:45,650 --> 01:01:43,980

they'll be resolved and solved and

1524

01:01:48,230 --> 01:01:45,660

everything's great we're all singing

1525

01:01:50,569 --> 01:01:48,240

hymns and everything's fine and I think

1526

01:01:52,849 --> 01:01:50,579

that does an incredible disservice to

1527

01:01:54,829 --> 01:01:52,859

the lessons and experiences that we have

1528

01:01:58,789 --> 01:01:54,839

in our life

1529

01:02:01,730 --> 01:01:58,799

um that that contribute to who we are

1530

01:02:03,650 --> 01:02:01,740

and who we become and and and the wisdom

1531

01:02:05,870 --> 01:02:03,660

that we will gain and if we go through

1532

01:02:09,410 --> 01:02:05,880

all of that and we don't come away from

1533

01:02:10,370 --> 01:02:09,420

that a better person we have completely

1534

01:02:13,309 --> 01:02:10,380

failed

1535

01:02:15,349 --> 01:02:13,319

right and and that's just that that's

1536

01:02:17,750 --> 01:02:15,359

not a you know sort of a fanciful

1537

01:02:19,910 --> 01:02:17,760

statement I can tell you that is true

1538

01:02:21,950 --> 01:02:19,920

just by you know the interactions I have

1539

01:02:24,170 --> 01:02:21,960

with people that I care about you know

1540

01:02:25,910 --> 01:02:24,180

if I have experiences with them or I let

1541

01:02:28,910 --> 01:02:25,920

them down or I make the wrong choice I

1542

01:02:31,069 --> 01:02:28,920

mean that has a real impact on me and on

1543

01:02:33,950 --> 01:02:31,079

them and our relationship

1544

01:02:36,049 --> 01:02:33,960

um those are gross opportunities and we

1545

01:02:37,730 --> 01:02:36,059

all we can point to those points in our

1546

01:02:39,410 --> 01:02:37,740

lives where we can say yeah I messed up

1547

01:02:41,569 --> 01:02:39,420

and I I learned something there and I

1548

01:02:44,109 --> 01:02:41,579

won't do that again because doing that

1549

01:02:46,490 --> 01:02:44,119

again is a step back not a step forward

1550

01:02:48,470 --> 01:02:46,500

and essentially that's kind of what

1551

01:02:51,470 --> 01:02:48,480

we're getting at here and I know I'm

1552

01:02:54,349 --> 01:02:51,480

sounding very preachy but I think it's

1553

01:02:56,390 --> 01:02:54,359

hard not to come to those conclusions uh

1554

01:02:58,910 --> 01:02:56,400

given the kinds of things that we're

1555

01:03:01,030 --> 01:02:58,920

talking about uh anything that has

1556

01:03:02,990 --> 01:03:01,040

ultimate significance

1557

01:03:05,569 --> 01:03:03,000

yeah I think

1558

01:03:07,789 --> 01:03:05,579

that's right on I think that you know to

1559

01:03:11,150 --> 01:03:07,799

get back to your earlier question

1560

01:03:12,650 --> 01:03:11,160

what we can take away from this is that

1561

01:03:14,930 --> 01:03:12,660

regardless of what's happening on the

1562

01:03:16,370 --> 01:03:14,940

geopolitical stage and regardless of

1563

01:03:19,730 --> 01:03:16,380

what the US government is doing in terms

1564

01:03:21,770 --> 01:03:19,740

of admitting what it knows

1565

01:03:24,650 --> 01:03:21,780

we can always

1566

01:03:26,569 --> 01:03:24,660

make changes now that are positive we

1567

01:03:28,190 --> 01:03:26,579

are always in the position even when we

1568

01:03:30,109 --> 01:03:28,200

feel like we're in a tight space we

1569

01:03:31,430 --> 01:03:30,119

don't have much wiggle room there's

1570

01:03:33,349 --> 01:03:31,440

always that little bit of wiggle room

1571

01:03:35,510 --> 01:03:33,359

and maybe by making Positive Choices

1572

01:03:38,510 --> 01:03:35,520

there you create a bit more

1573

01:03:40,329 --> 01:03:38,520

People based on their situation you know

1574

01:03:43,130 --> 01:03:40,339

which nation state they're born into

1575

01:03:44,390 --> 01:03:43,140

their economic class how loving their

1576

01:03:45,770 --> 01:03:44,400

parents were all those things matter

1577

01:03:47,030 --> 01:03:45,780

right in terms of how much Freedom

1578

01:03:49,130 --> 01:03:47,040

people have

1579

01:03:51,770 --> 01:03:49,140

we're not saying it's all equal right

1580

01:03:55,130 --> 01:03:51,780

but we are saying that wherever you are

1581

01:03:57,470 --> 01:03:55,140

do what you can to move forward and that

1582

01:03:59,089 --> 01:03:57,480

what you do in moving forward doesn't

1583

01:04:00,829 --> 01:03:59,099

just mean for you it means for everybody

1584

01:04:03,230 --> 01:04:00,839

because again what we're seeing here and

1585

01:04:04,910 --> 01:04:03,240

this is really essential and it's really

1586

01:04:06,589 --> 01:04:04,920

hard to get across to people who are not

1587

01:04:08,210 --> 01:04:06,599

familiar with this idea but it's Central

1588

01:04:11,150 --> 01:04:08,220

to this entire question about

1589

01:04:13,010 --> 01:04:11,160

spirituality about ultimate meaning

1590

01:04:15,950 --> 01:04:13,020

about the UFO phenomenon about

1591

01:04:20,510 --> 01:04:15,960

everything is that

1592

01:04:23,030 --> 01:04:20,520

a revelation of non-duality is key that

1593

01:04:24,109 --> 01:04:23,040

to harm another is to harm myself and I

1594

01:04:26,150 --> 01:04:24,119

don't just mean in some sort of

1595

01:04:28,370 --> 01:04:26,160

principle because some God again told me

1596

01:04:31,730 --> 01:04:28,380

that because that's just fundamentally

1597

01:04:34,130 --> 01:04:31,740

true that's as much or even more true

1598

01:04:36,530 --> 01:04:34,140

than gravity you know this is this is a

1599

01:04:38,150 --> 01:04:36,540

law of the cosmos not a law because

1600

01:04:40,010 --> 01:04:38,160

someone said it has to be this way but

1601

01:04:42,650 --> 01:04:40,020

just because that is the nature of it

1602

01:04:44,270 --> 01:04:42,660

that um in the same way we recognize

1603

01:04:46,970 --> 01:04:44,280

that it doesn't make any sense for one

1604

01:04:48,349 --> 01:04:46,980

nation to make decisions about how it's

1605

01:04:49,789 --> 01:04:48,359

going to pollute and everybody else

1606

01:04:52,250 --> 01:04:49,799

makes their own decisions because we

1607

01:04:54,710 --> 01:04:52,260

live in one planet that shares an

1608

01:04:57,230 --> 01:04:54,720

atmosphere and what one country does

1609

01:04:58,970 --> 01:04:57,240

affects every other country and we are

1610

01:05:00,950 --> 01:04:58,980

now in the process of wrestling

1611

01:05:02,630 --> 01:05:00,960

awkwardly between

1612

01:05:04,309 --> 01:05:02,640

having weapons of mass destruction

1613

01:05:05,750 --> 01:05:04,319

pointed at each other while at the same

1614

01:05:08,089 --> 01:05:05,760

time trying to make a course about

1615

01:05:10,670 --> 01:05:08,099

pollution right this is kind of the the

1616

01:05:12,710 --> 01:05:10,680

bizarreness of the situation

1617

01:05:15,950 --> 01:05:12,720

but again

1618

01:05:18,770 --> 01:05:15,960

whenever we make decisions that can help

1619

01:05:21,349 --> 01:05:18,780

all of us move forward

1620

01:05:23,030 --> 01:05:21,359

we either can or we either do or we

1621

01:05:24,890 --> 01:05:23,040

don't and when we don't there's real

1622

01:05:26,569 --> 01:05:24,900

ramifications too and I don't just mean

1623

01:05:28,730 --> 01:05:26,579

here because you maybe will get ahead

1624

01:05:30,530 --> 01:05:28,740

right maybe you can cheat and steal and

1625

01:05:32,329 --> 01:05:30,540

get ahead for a little while but there's

1626

01:05:33,829 --> 01:05:32,339

no way in the long term and then in

1627

01:05:35,569 --> 01:05:33,839

moving from the relative to the absolute

1628

01:05:36,289 --> 01:05:35,579

scale that that's going to pay off for

1629

01:05:41,270 --> 01:05:36,299

you

1630

01:05:42,650 --> 01:05:41,280

level of first principles not from the

1631

01:05:44,569 --> 01:05:42,660

point of view that you may go to jail if

1632

01:05:46,730 --> 01:05:44,579

you get caught right or you may get

1633

01:05:48,349 --> 01:05:46,740

punished and put in hell if a god finds

1634

01:05:50,690 --> 01:05:48,359

out you did it right right it's not

1635

01:05:54,770 --> 01:05:50,700

about that it's about really we are

1636

01:05:56,329 --> 01:05:54,780

given the powers of gods to make all the

1637

01:05:58,190 --> 01:05:56,339

right or wrong decisions and to

1638

01:06:00,349 --> 01:05:58,200

experience the consequences of those

1639

01:06:02,930 --> 01:06:00,359

decisions and that those consequences

1640

01:06:04,670 --> 01:06:02,940

are meant to be realized over many

1641

01:06:07,069 --> 01:06:04,680

lifetimes and that's why what happens

1642

01:06:08,569 --> 01:06:07,079

here while it does matter it's not the

1643

01:06:10,910 --> 01:06:08,579

ultimate meaning it's not the ultimate

1644

01:06:13,010 --> 01:06:10,920

context and so that's what we're facing

1645

01:06:16,309 --> 01:06:13,020

here it's it's it is complex it is

1646

01:06:18,770 --> 01:06:16,319

nuanced and on the one hand it's it's

1647

01:06:20,510 --> 01:06:18,780

about trying to make decisions about

1648

01:06:22,970 --> 01:06:20,520

moving forward with the right groups of

1649

01:06:25,609 --> 01:06:22,980

these others and moving together in in

1650

01:06:28,250 --> 01:06:25,619

one Accord as one planetary civilization

1651

01:06:29,809 --> 01:06:28,260

big questions around that but it also

1652

01:06:31,730 --> 01:06:29,819

comes down to what can I do for my

1653

01:06:33,890 --> 01:06:31,740

neighbor today you know what can I do in

1654

01:06:35,930 --> 01:06:33,900

small ways to make the world better

1655

01:06:37,849 --> 01:06:35,940

because ultimately I know I'm benefiting

1656

01:06:39,770 --> 01:06:37,859

every everyone including myself when I

1657

01:06:43,430 --> 01:06:39,780

think with that mentality

1658

01:06:45,109 --> 01:06:43,440

right we are deeply entangled uh not

1659

01:06:48,470 --> 01:06:45,119

just with each other but with these

1660

01:06:52,010 --> 01:06:48,480

others and and the cosmos itself

1661

01:06:53,690 --> 01:06:52,020

um and that's an inescapable truth

1662

01:06:56,150 --> 01:06:53,700

um

1663

01:06:58,130 --> 01:06:56,160

yeah I'm reminded of

1664

01:07:00,829 --> 01:06:58,140

a couple of things the aerial School

1665

01:07:01,910 --> 01:07:00,839

incident where the children were told

1666

01:07:04,849 --> 01:07:01,920

you know we were becoming too

1667

01:07:07,040 --> 01:07:04,859

technologied and it certainly Rings true

1668

01:07:08,270 --> 01:07:07,050

in this conversation

1669

01:07:10,609 --> 01:07:08,280

[Music]

1670

01:07:12,770 --> 01:07:10,619

and you know we we so often taken that

1671

01:07:15,950 --> 01:07:12,780

in the direction of our nuclear weapons

1672

01:07:18,230 --> 01:07:15,960

or uh other things but it's ironic to me

1673

01:07:21,289 --> 01:07:18,240

that we live in a day and age where our

1674

01:07:22,910 --> 01:07:21,299

technology allows us to be connected in

1675

01:07:24,130 --> 01:07:22,920

in in ways that we've never been

1676

01:07:26,390 --> 01:07:24,140

connected before

1677

01:07:28,849 --> 01:07:26,400

uh and yet

1678

01:07:29,870 --> 01:07:28,859

we we seem really far apart from one

1679

01:07:33,410 --> 01:07:29,880

another

1680

01:07:35,990 --> 01:07:33,420

and so you know that is almost a case in

1681

01:07:39,349 --> 01:07:36,000

point to say that the technology on its

1682

01:07:42,049 --> 01:07:39,359

own accord is not going to save us it

1683

01:07:44,510 --> 01:07:42,059

doesn't solve these fundamental issues

1684

01:07:47,510 --> 01:07:44,520

about how we treat one another and how

1685

01:07:49,730 --> 01:07:47,520

we relate to one another uh you know we

1686

01:07:51,710 --> 01:07:49,740

can go on to Twitter and we can we can

1687

01:07:54,470 --> 01:07:51,720

connect all day long or we can go on to

1688

01:07:56,329 --> 01:07:54,480

Facebook and in a reach out to that old

1689

01:07:58,010 --> 01:07:56,339

high school classmate for many years ago

1690

01:08:00,529 --> 01:07:58,020

and you know

1691

01:08:01,849 --> 01:08:00,539

share stories or you know catch up on

1692

01:08:03,710 --> 01:08:01,859

their families and feel like we're

1693

01:08:05,329 --> 01:08:03,720

really connecting but the truth of the

1694

01:08:08,089 --> 01:08:05,339

matter is it takes a lot more work than

1695

01:08:11,750 --> 01:08:08,099

that and it takes a lot more work than

1696

01:08:13,370 --> 01:08:11,760

just uh you know signing in and lobbying

1697

01:08:15,470 --> 01:08:13,380

a virtual stone at somebody who we just

1698

01:08:17,630 --> 01:08:15,480

happened to disagree with in that moment

1699

01:08:19,309 --> 01:08:17,640

and I and that's what's also frustrating

1700

01:08:22,370 --> 01:08:19,319

to me is we can look out at the

1701  
01:08:24,530 --> 01:08:22,380  
landscape of our culture right now no

1702  
01:08:27,590 --> 01:08:24,540  
matter what party you find yourself in

1703  
01:08:29,390 --> 01:08:27,600  
uh on the political divide and I think

1704  
01:08:30,890 --> 01:08:29,400  
you can agree that that we're not

1705  
01:08:34,070 --> 01:08:30,900  
listening to each other you know we're

1706  
01:08:34,849 --> 01:08:34,080  
not giving each other space to be Who We

1707  
01:08:38,150 --> 01:08:34,859  
Are

1708  
01:08:41,990 --> 01:08:38,160  
uh we are not uh being charitable

1709  
01:08:44,090 --> 01:08:42,000  
and a lot of uh you know what what it

1710  
01:08:48,110 --> 01:08:44,100  
will require is charity and Grace and

1711  
01:08:50,689 --> 01:08:48,120  
and uh and being open to change

1712  
01:08:53,329 --> 01:08:50,699  
um and not being quick to judge and uh

1713  
01:08:55,610 --> 01:08:53,339

and to get you know easy points and wins

1714

01:08:58,789 --> 01:08:55,620

over somebody else

1715

01:09:01,789 --> 01:08:58,799

um and it's it's if if we can look at

1716

01:09:03,829 --> 01:09:01,799

our world today and come away with that

1717

01:09:06,289 --> 01:09:03,839

kind of insight imagine what other

1718

01:09:09,169 --> 01:09:06,299

beings who might be at different

1719

01:09:11,630 --> 01:09:09,179

developmental stages than us imagine how

1720

01:09:13,729 --> 01:09:11,640

they think about where we are

1721

01:09:15,769 --> 01:09:13,739

um and I wonder too you know do they

1722

01:09:17,450 --> 01:09:15,779

reflect on their own Journeys and go

1723

01:09:20,870 --> 01:09:17,460

yeah I remember kind of what it was like

1724

01:09:23,829 --> 01:09:20,880

when I was trapped in in that way of

1725

01:09:29,749 --> 01:09:27,289

yeah I think of several directions to go

1726

01:09:31,490 --> 01:09:29,759

in reflecting on what you just said

1727

01:09:34,610 --> 01:09:31,500

one is that

1728

01:09:38,390 --> 01:09:34,620

again having a nuanced perspective we're

1729

01:09:41,570 --> 01:09:38,400

not saying that laws don't matter or

1730

01:09:43,370 --> 01:09:41,580

that we should never legislate something

1731

01:09:44,450 --> 01:09:43,380

to be good and something to be bad you

1732

01:09:46,130 --> 01:09:44,460

know there's we do have to make

1733

01:09:47,990 --> 01:09:46,140

decisions for the benefit of the of the

1734

01:09:48,950 --> 01:09:48,000

whole or at least the benefit of the

1735

01:09:50,930 --> 01:09:48,960

majority

1736

01:09:54,050 --> 01:09:50,940

but what we are saying is that you can't

1737

01:09:56,630 --> 01:09:54,060

just legislate morality

1738

01:09:58,910 --> 01:09:56,640

outside of a context of relationship and

1739

01:10:01,970 --> 01:09:58,920

conversation that if we disagree with

1740

01:10:04,430 --> 01:10:01,980

people politically or around moral laws

1741

01:10:05,810 --> 01:10:04,440

or whatever then let's be in

1742

01:10:06,970 --> 01:10:05,820

conversation about it let's be in

1743

01:10:09,350 --> 01:10:06,980

dialogue

1744

01:10:11,750 --> 01:10:09,360

to legislate morality while

1745

01:10:13,850 --> 01:10:11,760

simultaneously suppressing people who

1746

01:10:16,189 --> 01:10:13,860

think differently will not make the

1747

01:10:18,350 --> 01:10:16,199

problem go away right and to this to the

1748

01:10:20,570 --> 01:10:18,360

same principle that I was pointing to

1749

01:10:22,669 --> 01:10:20,580

before that these more sophisticated

1750

01:10:24,770 --> 01:10:22,679

others that are benevolent

1751

01:10:26,930 --> 01:10:24,780

what they're interested in is that the

1752

01:10:29,030 --> 01:10:26,940

kids grow up the kids graduate Having

1753

01:10:31,850 --> 01:10:29,040

learned the lessons themselves so they

1754

01:10:34,610 --> 01:10:31,860

can become responsible adults and and

1755

01:10:36,890 --> 01:10:34,620

Lead families and civilizations and so

1756

01:10:38,630 --> 01:10:36,900

in the same way you know when we talk

1757

01:10:42,050 --> 01:10:38,640

about moving forward as a civilization

1758

01:10:45,890 --> 01:10:42,060

it has to be in dialogue we have to

1759

01:10:48,830 --> 01:10:45,900

get beyond my team versus your team and

1760

01:10:51,890 --> 01:10:48,840

get beyond the notion that ideas alone

1761

01:10:54,950 --> 01:10:51,900

or how you build strong societies strong

1762

01:10:56,630 --> 01:10:54,960

societies have to be in dialogue you

1763

01:10:59,030 --> 01:10:56,640

have to allow some room for difference

1764

01:11:00,649 --> 01:10:59,040

of opinion because if you don't it just

1765

01:11:02,149 --> 01:11:00,659

gets suppressed and becomes Shadow and

1766

01:11:04,250 --> 01:11:02,159

then it just flares up and becomes more

1767

01:11:06,470 --> 01:11:04,260

of a problem later on and most

1768

01:11:08,990 --> 01:11:06,480

fundamentally you never dealt with the

1769

01:11:11,030 --> 01:11:09,000

actual problem then it's like burying

1770

01:11:13,790 --> 01:11:11,040

sewage or something or or you know

1771

01:11:15,229 --> 01:11:13,800

taking nuclear waste and putting it in a

1772

01:11:17,209 --> 01:11:15,239

third world country so they can deal

1773

01:11:19,430 --> 01:11:17,219

with it that's into anybody good in the

1774

01:11:22,149 --> 01:11:19,440

long run that's the kind of mentality we

1775

01:11:27,290 --> 01:11:22,159

need to bring to this

1776

01:11:32,930 --> 01:11:30,470

the problem could could evacuate you

1777

01:11:35,570 --> 01:11:32,940

into this just now it could get worse

1778

01:11:37,490 --> 01:11:35,580

uh that if we can't resolve some of the

1779

01:11:41,570 --> 01:11:37,500

behavior that we have

1780

01:11:45,169 --> 01:11:41,580

that are just as a child inevitably does

1781

01:11:47,870 --> 01:11:45,179

grow into an adult if they don't come to

1782

01:11:50,450 --> 01:11:47,880

an awareness of how to behave you know

1783

01:11:51,590 --> 01:11:50,460

with others and and gain that kind of

1784

01:11:53,510 --> 01:11:51,600

maturity

1785

01:11:56,570 --> 01:11:53,520

they're still going to inhabit an adult

1786

01:11:58,790 --> 01:11:56,580

body and can do a much greater degree of

1787

01:12:01,010 --> 01:11:58,800

damage than they could as a child

1788

01:12:02,450 --> 01:12:01,020

uh and I think we're seeing some of that

1789

01:12:05,270 --> 01:12:02,460

I don't know what you would say about

1790

01:12:07,610 --> 01:12:05,280

this but it seems to me that we see some

1791

01:12:09,770 --> 01:12:07,620

of that on display with some of the

1792

01:12:12,050 --> 01:12:09,780

encounters that we hear about that there

1793

01:12:16,250 --> 01:12:12,060

are entities that have greater

1794

01:12:18,590 --> 01:12:16,260

capability than we have uh to manipulate

1795

01:12:19,970 --> 01:12:18,600

the the world that we inhabit but

1796

01:12:22,430 --> 01:12:19,980

they're incredibly destructive at the

1797

01:12:24,290 --> 01:12:22,440

same time it's it's literally like a kid

1798

01:12:26,689 --> 01:12:24,300

who's grown up into an adult and they're

1799

01:12:28,189 --> 01:12:26,699

just wreaking havoc inside of the

1800

01:12:30,890 --> 01:12:28,199

department store or something because

1801  
01:12:32,930 --> 01:12:30,900  
they didn't understand how to behave or

1802  
01:12:35,330 --> 01:12:32,940  
I think of Lord of the Flies right that

1803  
01:12:36,890 --> 01:12:35,340  
story is about these kids who are you

1804  
01:12:38,270 --> 01:12:36,900  
know kind of left on an island to rule

1805  
01:12:39,229 --> 01:12:38,280  
themselves and it doesn't go so well

1806  
01:12:45,229 --> 01:12:39,239  
right

1807  
01:12:50,750 --> 01:12:47,689  
so we're really sort of pointing people

1808  
01:12:53,390 --> 01:12:50,760  
towards the the idea of context here

1809  
01:12:57,709 --> 01:12:53,400  
make context in terms of it being about

1810  
01:12:59,750 --> 01:12:57,719  
more than just me and my tribe but also

1811  
01:13:03,530 --> 01:12:59,760  
being about more than just this

1812  
01:13:05,530 --> 01:13:03,540  
iteration right and this planet and that

1813  
01:13:08,270 --> 01:13:05,540

we're also saying there's an incredible

1814

01:13:10,490 --> 01:13:08,280

responsibility here

1815

01:13:12,169 --> 01:13:10,500

um because again I think what I'm trying

1816

01:13:14,689 --> 01:13:12,179

to say to people is rather than there

1817

01:13:16,370 --> 01:13:14,699

being a spiritual realm and then a

1818

01:13:18,350 --> 01:13:16,380

Physical Realm however you want to you

1819

01:13:20,090 --> 01:13:18,360

know describe that and that you have

1820

01:13:22,810 --> 01:13:20,100

this like you kind of pointed out before

1821

01:13:25,490 --> 01:13:22,820

this notion of these you know benevolent

1822

01:13:27,169 --> 01:13:25,500

angels that serve a God who sits on a

1823

01:13:28,570 --> 01:13:27,179

cloud and people playing Harps and

1824

01:13:31,550 --> 01:13:28,580

hanging out and having a good time

1825

01:13:33,830 --> 01:13:31,560

singing hymns and then you have the rest

1826

01:13:37,610 --> 01:13:33,840

of creation which is a bunch of

1827

01:13:40,310 --> 01:13:37,620

sentient entities that are finite beings

1828

01:13:42,530 --> 01:13:40,320

that will ultimately be punished or

1829

01:13:44,990 --> 01:13:42,540

rewarded by this God figure

1830

01:13:47,750 --> 01:13:45,000

rather than having that very dualistic

1831

01:13:50,570 --> 01:13:47,760

notion of reality what I'm saying is

1832

01:13:56,930 --> 01:13:53,630

the meaning of spirituality is invested

1833

01:13:59,450 --> 01:13:56,940

in the entire Cosmos that there is no

1834

01:14:00,350 --> 01:13:59,460

separation between the two one of the

1835

01:14:01,850 --> 01:14:00,360

things I was saying to you before we

1836

01:14:03,649 --> 01:14:01,860

went on the air is that

1837

01:14:06,229 --> 01:14:03,659

almost everything we see a physical

1838

01:14:08,090 --> 01:14:06,239

manifestation of is actually a

1839

01:14:10,010 --> 01:14:08,100

derivative of an underlying spiritual

1840

01:14:12,350 --> 01:14:10,020

reality so I think this is why even

1841

01:14:14,030 --> 01:14:12,360

things like sometimes astrology gets

1842

01:14:16,970 --> 01:14:14,040

some things right that's why the the

1843

01:14:19,250 --> 01:14:16,980

idea of Ley lines in a planet

1844

01:14:22,250 --> 01:14:19,260

um you know or chakras and a human being

1845

01:14:23,870 --> 01:14:22,260

these really are

1846

01:14:24,169 --> 01:14:23,880

physical

1847

01:14:25,610 --> 01:14:24,179

[Music]

1848

01:14:28,850 --> 01:14:25,620

um

1849

01:14:30,890 --> 01:14:28,860

aspects of underlying realities that are

1850

01:14:32,990 --> 01:14:30,900

whether there's physical in a human body

1851

01:14:35,510 --> 01:14:33,000

or in a cosmological scale they have

1852

01:14:37,310 --> 01:14:35,520

spiritual meanings behind or energetic

1853

01:14:40,910 --> 01:14:37,320

meanings behind the physical

1854

01:14:42,649 --> 01:14:40,920

manifestation so it's it's a lot of

1855

01:14:44,149 --> 01:14:42,659

responsibility and it's also a lot of

1856

01:14:49,130 --> 01:14:44,159

opportunity that's what I'm saying

1857

01:14:53,630 --> 01:14:51,410

not about some overarching God that

1858

01:14:55,310 --> 01:14:53,640

wants to punish or set a bunch of rules

1859

01:14:57,550 --> 01:14:55,320

because they're just arbitrarily decided

1860

01:15:01,010 --> 01:14:57,560

and he likes to be in power

1861

01:15:01,850 --> 01:15:01,020

but because but rather that we each of

1862

01:15:04,010 --> 01:15:01,860

us

1863

01:15:06,649 --> 01:15:04,020

are given all the freedom in the world

1864

01:15:07,790 --> 01:15:06,659

to destroy ourselves or to liberate

1865

01:15:10,970 --> 01:15:07,800

ourselves that's what we're really

1866

01:15:13,189 --> 01:15:10,980

coming down to here and that's that's a

1867

01:15:15,169 --> 01:15:13,199

that's a weighty you know there's a lot

1868

01:15:17,390 --> 01:15:15,179

of gravity to that and some people are

1869

01:15:19,310 --> 01:15:17,400

not prepared for that some people

1870

01:15:20,750 --> 01:15:19,320

I would even argue as I said to you

1871

01:15:22,490 --> 01:15:20,760

before we went on the Air Tonight

1872

01:15:24,950 --> 01:15:22,500

that some of the origins of our

1873

01:15:26,870 --> 01:15:24,960

religions were about some of these other

1874

01:15:29,390 --> 01:15:26,880

groups that were more advanced than us

1875

01:15:31,490 --> 01:15:29,400

and benevolent coming and trying to

1876

01:15:33,590 --> 01:15:31,500

inspire us and we

1877

01:15:36,290 --> 01:15:33,600

kind of like the whole cargo cult motion

1878

01:15:37,910 --> 01:15:36,300

assumed they were Gods right not again

1879

01:15:40,910 --> 01:15:37,920

we're back to Duality again they're not

1880

01:15:42,530 --> 01:15:40,920

like us anyways they're God beings and

1881

01:15:44,830 --> 01:15:42,540

so we have to serve them what do we need

1882

01:15:48,169 --> 01:15:44,840

to do to sacrifice whatever it takes

1883

01:15:51,290 --> 01:15:48,179

animals children whatever to appease

1884

01:15:54,050 --> 01:15:51,300

them rather than realizing

1885

01:15:57,060 --> 01:15:54,060

that we actually are just like them just

1886

01:15:57,290 --> 01:15:57,070

not quite as evolved yet so this is the

1887

01:15:58,130 --> 01:15:57,300

[Music]

1888

01:16:00,110 --> 01:15:58,140

um

1889

01:16:01,070 --> 01:16:00,120

this is the challenge because a lot of

1890

01:16:03,530 --> 01:16:01,080

people

1891

01:16:07,970 --> 01:16:03,540

just like in history took these messages

1892

01:16:11,030 --> 01:16:07,980

of Brotherhood right of siblinghood and

1893

01:16:13,390 --> 01:16:11,040

have turned it into an US versus them in

1894

01:16:17,090 --> 01:16:13,400

terms of the god beings and the the

1895

01:16:18,709 --> 01:16:17,100

Lesser Mortals and

1896

01:16:20,570 --> 01:16:18,719

in the same way that those were

1897

01:16:22,669 --> 01:16:20,580

perverted eventually by people who

1898

01:16:24,350 --> 01:16:22,679

wanted power you know whether it's the

1899

01:16:26,149 --> 01:16:24,360

ancient Egyptians and what happened with

1900

01:16:28,550 --> 01:16:26,159

the pyramids as I was saying to before

1901

01:16:31,209 --> 01:16:28,560

we went on the air or the message of

1902

01:16:35,030 --> 01:16:31,219

Jesus of Nazareth which was very

1903

01:16:37,669 --> 01:16:35,040

non-dual in nature and yet

1904

01:16:39,709 --> 01:16:37,679

it's been remarkably

1905

01:16:42,830 --> 01:16:39,719

um distorted over time

1906

01:16:45,050 --> 01:16:42,840

to now we have some very regressive

1907

01:16:48,649 --> 01:16:45,060

aspects of American culture that have

1908

01:16:51,110 --> 01:16:48,659

defined a notion of religion tied to

1909

01:16:53,630 --> 01:16:51,120

that figure historically but at the same

1910

01:16:55,189 --> 01:16:53,640

time arguing for you know

1911

01:16:57,169 --> 01:16:55,199

all sorts of other crazy ideas I'm not

1912

01:17:00,229 --> 01:16:57,179

going to name them but it's basically

1913

01:17:02,090 --> 01:17:00,239

you know your your wish list of

1914

01:17:04,370 --> 01:17:02,100

regressive thinking and you just throw

1915

01:17:06,950 --> 01:17:04,380

Jesus on top to make it sound like it's

1916

01:17:08,750 --> 01:17:06,960

somehow Justified right um

1917

01:17:10,910 --> 01:17:08,760

this is this is the this is the

1918

01:17:13,550 --> 01:17:10,920

challenge we face again it comes down to

1919

01:17:15,410 --> 01:17:13,560

the problem fundamentally and the

1920

01:17:17,930 --> 01:17:15,420

opportunity fundamentally and the

1921

01:17:21,050 --> 01:17:17,940

solution fundamentally is always about

1922

01:17:29,689 --> 01:17:25,790

well I'm cognizant of where we are uh in

1923

01:17:33,350 --> 01:17:31,189

you know we've had a great conversation

1924

01:17:36,649 --> 01:17:33,360

this evening and and the fire has been

1925

01:17:39,770 --> 01:17:36,659

really nice to uh to watch uh and just

1926

01:17:40,729 --> 01:17:39,780

the atmosphere has been really Pleasant

1927

01:17:44,090 --> 01:17:40,739

um

1928

01:17:46,750 --> 01:17:44,100

but not just this this moment that we

1929

01:17:50,390 --> 01:17:46,760

have and are sharing together but also

1930

01:17:53,390 --> 01:17:50,400

this time we are in uh and where we are

1931

01:17:56,270 --> 01:17:53,400

all waiting uh for you know hopefully

1932

01:18:01,250 --> 01:17:56,280

the next Revelation from uh the powers

1933

01:18:04,330 --> 01:18:01,260

that be uh what would you advise is the

1934

01:18:08,570 --> 01:18:04,340

you know it's the right stance the the

1935

01:18:11,410 --> 01:18:08,580

well-placed intention uh as we

1936

01:18:16,669 --> 01:18:11,420

not only wait for this next announcement

1937

01:18:19,490 --> 01:18:16,679

but uh wait for whatever it is insert uh

1938

01:18:22,490 --> 01:18:19,500

for our listeners you know insert desire

1939

01:18:24,610 --> 01:18:22,500

of choice that disclosure

1940

01:18:27,649 --> 01:18:24,620

solves for you

1941

01:18:31,850 --> 01:18:27,659

what would be your advice on on how to

1942

01:18:35,270 --> 01:18:31,860

reframe uh our mindset and and

1943

01:18:38,229 --> 01:18:36,890

well I think the first thing I would say

1944

01:18:44,330 --> 01:18:38,239

is

1945

01:18:46,550 --> 01:18:44,340

self-awareness which I've often lobbied

1946

01:18:49,250 --> 01:18:46,560

for on this show

1947

01:18:52,370 --> 01:18:49,260

be wary of

1948

01:18:54,350 --> 01:18:52,380

the spectacle of the UFO phenomenon be

1949

01:18:56,930 --> 01:18:54,360

wary of

1950

01:19:00,169 --> 01:18:56,940

putting your own development to the side

1951

01:19:02,750 --> 01:19:00,179

and being caught up in the spectacle of

1952

01:19:06,410 --> 01:19:02,760

the notion of intelligent others being

1953

01:19:08,090 --> 01:19:06,420

here with a sophisticated craft

1954

01:19:10,490 --> 01:19:08,100

don't get caught up so much in that that

1955

01:19:14,270 --> 01:19:10,500

you forget the most important aspect of

1956

01:19:16,189 --> 01:19:14,280

why you're here and let that inform your

1957

01:19:18,530 --> 01:19:16,199

decisions about why you're here

1958

01:19:20,510 --> 01:19:18,540

but don't let it

1959

01:19:22,130 --> 01:19:20,520

you know take you off track because

1960

01:19:25,250 --> 01:19:22,140

regardless of whether disclosure happens

1961

01:19:29,330 --> 01:19:25,260

tomorrow or next year or for a decade

1962

01:19:35,270 --> 01:19:31,850

your place here your role here your task

1963

01:19:37,850 --> 01:19:35,280

here is the same and and also it adds to

1964

01:19:40,850 --> 01:19:37,860

that the messages from the benevolent

1965

01:19:42,709 --> 01:19:40,860

groups we already know we don't have to

1966

01:19:45,950 --> 01:19:42,719

wait for them to say it on the White

1967

01:19:47,990 --> 01:19:45,960

House lawn right I mean when you look

1968

01:19:49,250 --> 01:19:48,000

back at the history both in terms of the

1969

01:19:51,169 --> 01:19:49,260

initial

1970

01:19:53,090 --> 01:19:51,179

uh origins of some of our religious

1971

01:19:54,830 --> 01:19:53,100

Traditions which again were later kind

1972

01:19:57,590 --> 01:19:54,840

of became more

1973

01:19:59,149 --> 01:19:57,600

um about laws and do's and don'ts but

1974

01:20:00,590 --> 01:19:59,159

were initially about this kind of

1975

01:20:02,450 --> 01:20:00,600

invitation

1976

01:20:05,689 --> 01:20:02,460

to meaning

1977

01:20:08,450 --> 01:20:05,699

um and cooperation in the same way that

1978

01:20:10,430 --> 01:20:08,460

and you know add to that the notion of

1979

01:20:12,410 --> 01:20:10,440

people like me and other people who've

1980

01:20:13,970 --> 01:20:12,420

had positive encounters with these

1981

01:20:15,709 --> 01:20:13,980

beings and have heard very positive

1982

01:20:18,770 --> 01:20:15,719

encouraging messages

1983

01:20:21,649 --> 01:20:18,780

that say that you are Eternal you can't

1984

01:20:23,810 --> 01:20:21,659

die but the decisions you make have real

1985

01:20:26,149 --> 01:20:23,820

impact not only in this life but in

1986

01:20:28,370 --> 01:20:26,159

future iterations things you do now in

1987

01:20:29,689 --> 01:20:28,380

this lifetime will very much set up what

1988

01:20:31,250 --> 01:20:29,699

will or won't happen or what

1989

01:20:33,290 --> 01:20:31,260

opportunities are presented to you or

1990

01:20:36,290 --> 01:20:33,300

not in the next lifetime again not

1991

01:20:38,510 --> 01:20:36,300

because of some punitive punitive God

1992

01:20:40,850 --> 01:20:38,520

figure or some overarching alien

1993

01:20:43,010 --> 01:20:40,860

intelligence that because consequences

1994

01:20:45,110 --> 01:20:43,020

are real and you are given total freedom

1995

01:20:46,250 --> 01:20:45,120

we were all given total freedom in this

1996

01:20:48,530 --> 01:20:46,260

Cosmos

1997

01:20:51,110 --> 01:20:48,540

to make decisions

1998

01:20:53,390 --> 01:20:51,120

that either benefit us or not and to

1999

01:20:55,430 --> 01:20:53,400

learn the lessons thereof that's what it

2000

01:20:56,630 --> 01:20:55,440

really comes down to

2001

01:21:00,110 --> 01:20:56,640

um that's what I would encourage people

2002

01:21:01,490 --> 01:21:00,120

to to focus on is what can I do to keep

2003

01:21:03,830 --> 01:21:01,500

moving forward

2004

01:21:06,290 --> 01:21:03,840

How can I

2005

01:21:08,590 --> 01:21:06,300

be a part of the best parts of the UFO

2006

01:21:11,570 --> 01:21:08,600

phenomenon by but at the same time being

2007

01:21:13,610 --> 01:21:11,580

conscious of and Discerning of some of

2008

01:21:16,669 --> 01:21:13,620

the elements that might not be in our

2009

01:21:18,229 --> 01:21:16,679

best interest and like we talk about

2010

01:21:20,570 --> 01:21:18,239

tonight

2011

01:21:23,030 --> 01:21:20,580

don't fall for the notion that if we

2012

01:21:24,770 --> 01:21:23,040

just get the right technological tools

2013

01:21:27,350 --> 01:21:24,780

that that will solve the problems

2014

01:21:29,270 --> 01:21:27,360

because it will not in some ways it

2015

01:21:31,610 --> 01:21:29,280

could exacerbate the problems it could

2016

01:21:34,729 --> 01:21:31,620

perpetuate the same situation especially

2017

01:21:36,770 --> 01:21:34,739

if these Technologies help us to wield

2018

01:21:39,350 --> 01:21:36,780

more power over the physical world

2019

01:21:40,910 --> 01:21:39,360

setting quotes we may be caught up more

2020

01:21:42,649 --> 01:21:40,920

and more in the delusion more and more

2021

01:21:44,930 --> 01:21:42,659

caught up in the whirlpool

2022

01:21:46,850 --> 01:21:44,940

rather than recognizing the whirlpool is

2023

01:21:49,790 --> 01:21:46,860

ultimately just the water it's just the

2024

01:21:51,290 --> 01:21:49,800

ocean so you know be careful what you

2025

01:21:53,390 --> 01:21:51,300

ask for you know this is a cautionary

2026

01:21:55,610 --> 01:21:53,400

tale at the same time I'm saying

2027

01:21:58,189 --> 01:21:55,620

everything you need is already there for

2028

01:22:00,169 --> 01:21:58,199

you and um and that there are others

2029

01:22:01,669 --> 01:22:00,179

that are willing to help us as we move

2030

01:22:04,010 --> 01:22:01,679

forward whether people think about these

2031

01:22:05,750 --> 01:22:04,020

in terms of their Angels or their Spirit

2032

01:22:08,090 --> 01:22:05,760

guides or whatever however you wanted to

2033

01:22:10,689 --> 01:22:08,100

describe them benevolent aliens it

2034

01:22:13,970 --> 01:22:10,699

doesn't really matter what label you use

2035

01:22:16,250 --> 01:22:13,980

just like you know we now like to help

2036

01:22:18,169 --> 01:22:16,260

and lift up the animal species and take

2037

01:22:19,729 --> 01:22:18,179

care of them in the same way some of

2038

01:22:23,810 --> 01:22:19,739

these others definitely want to help us

2039

01:22:26,510 --> 01:22:23,820

move forward too but it has to be

2040

01:22:28,669 --> 01:22:26,520

bias learning the principled lessons not

2041

01:22:30,830 --> 01:22:28,679

by just solving the problem today you

2042

01:22:32,209 --> 01:22:30,840

know give someone a fish or teach them

2043

01:22:33,590 --> 01:22:32,219

to fish right it's that kind of

2044

01:22:36,050 --> 01:22:33,600

difference right that's what they're

2045

01:22:38,450 --> 01:22:36,060

interested in is the second and we can

2046

01:22:39,950 --> 01:22:38,460

move forward make positive decisions and

2047

01:22:42,530 --> 01:22:39,960

also expect help from them in that

2048

01:22:46,189 --> 01:22:44,209

and I'm reminded too of something that

2049

01:22:47,810 --> 01:22:46,199

we talked about before we went on the

2050

01:22:49,669 --> 01:22:47,820

air and that's the importance of

2051

01:22:53,270 --> 01:22:49,679

relational

2052

01:22:58,430 --> 01:22:53,280

uh learning and meaning to be in

2053

01:23:00,770 --> 01:22:58,440

dialogue with others to

2054

01:23:02,810 --> 01:23:00,780

invest part of yourself in another

2055

01:23:06,130 --> 01:23:02,820

person and to be vulnerable with another

2056

01:23:09,130 --> 01:23:06,140

person and reciprocate and kind

2057

01:23:13,130 --> 01:23:09,140

in those relationships because

2058

01:23:15,290 --> 01:23:13,140

uh really relationality is is also

2059

01:23:18,229 --> 01:23:15,300

fundamentally part of

2060

01:23:22,010 --> 01:23:18,239

of reality itself

2061

01:23:25,490 --> 01:23:22,020

that there's a reason why we are

2062

01:23:28,510 --> 01:23:25,500

individuated consciousnesses having an

2063

01:23:32,510 --> 01:23:28,520

experience it's not just for our own

2064

01:23:33,950 --> 01:23:32,520

sake that there are more things we can

2065

01:23:36,950 --> 01:23:33,960

learn

2066

01:23:39,430 --> 01:23:36,960

through our collective experience with

2067

01:23:44,510 --> 01:23:39,440

one another our engagement with reality

2068

01:23:46,610 --> 01:23:44,520

and experience that adds to the whole so

2069

01:23:47,950 --> 01:23:46,620

it's cumulative it has a compounding

2070

01:23:51,890 --> 01:23:47,960

benefit

2071

01:23:55,930 --> 01:23:51,900

and to look for opportunities to get

2072

01:23:59,870 --> 01:23:55,940

into dialogue with others to help others

2073

01:24:02,510 --> 01:23:59,880

to you know put others before yourself

2074

01:24:04,310 --> 01:24:02,520

you know these are time-honored things

2075

01:24:06,649 --> 01:24:04,320

that I'm not making it up these are

2076

01:24:10,430 --> 01:24:06,659

things that are part of some of our our

2077

01:24:13,550 --> 01:24:10,440

grandest traditions and I think

2078

01:24:14,410 --> 01:24:13,560

if you find yourself in in doing those

2079

01:24:18,110 --> 01:24:14,420

things

2080

01:24:19,970 --> 01:24:18,120

the value is self-evident

2081

01:24:21,770 --> 01:24:19,980

um and it's not you know as we've talked

2082

01:24:24,229 --> 01:24:21,780

about tonight it's not just that we

2083

01:24:25,669 --> 01:24:24,239

might be having a conversation with a

2084

01:24:27,590 --> 01:24:25,679

fellow human we might be having a

2085

01:24:31,189 --> 01:24:27,600

conversation with a fellow human who may

2086

01:24:34,669 --> 01:24:31,199

also be uh you know someone who's who's

2087

01:24:37,430 --> 01:24:34,679

who's in a human instantiation that they

2088

01:24:39,770 --> 01:24:37,440

have had other experiences uh throughout

2089

01:24:43,669 --> 01:24:39,780

their throughout their lifetimes

2090

01:24:46,070 --> 01:24:43,679

uh and other in other modalities and and

2091

01:24:48,410 --> 01:24:46,080

uh and and there are opportunities there

2092

01:24:52,130 --> 01:24:48,420

there's wisdom to mine there from that

2093

01:24:55,070 --> 01:24:52,140

interaction and so uh you know it's it's

2094

01:24:57,649 --> 01:24:55,080

incredibly valuable uh to do so I found

2095

01:24:59,990 --> 01:24:57,659

it to be incredibly valuable to be in

2096

01:25:02,810 --> 01:25:00,000

dialogue with you and with those others

2097

01:25:05,750 --> 01:25:02,820

in our community who have a good faith

2098

01:25:08,209 --> 01:25:05,760

interest in in having the conversation

2099

01:25:12,350 --> 01:25:08,219

uh so I would say to those that are

2100

01:25:14,030 --> 01:25:12,360

waiting on this report to uh to relax a

2101

01:25:15,950 --> 01:25:14,040

little bit not worry too much about it

2102

01:25:20,330 --> 01:25:15,960

as you said the answers were already

2103

01:25:24,229 --> 01:25:20,340

here in many many ways uh to instead not

2104

01:25:25,270 --> 01:25:24,239

fixate on the spectacle but engage Where

2105

01:25:28,910 --> 01:25:25,280

You Are

2106

01:25:32,330 --> 01:25:28,920

uh and and and look for ways that that

2107

01:25:35,689 --> 01:25:32,340

living and being can get deeper than it

2108

01:25:38,570 --> 01:25:35,699

is uh you know there are tremendous

2109

01:25:40,310 --> 01:25:38,580

benefits to that way of um of being in

2110

01:25:44,209 --> 01:25:40,320

the world and

2111

01:25:46,370 --> 01:25:44,219

um if we get sidetracked by you know the

2112

01:25:49,610 --> 01:25:46,380

shiny things in the sky then I think we

2113

01:25:51,830 --> 01:25:49,620

can often miss the point

2114

01:25:53,510 --> 01:25:51,840

yeah that and getting caught up in the

2115

01:25:55,310 --> 01:25:53,520

the shiny things that we like to collect

2116

01:25:57,110 --> 01:25:55,320

so we think we're winning the game right

2117

01:25:58,370 --> 01:25:57,120

I mean I was thinking about when you

2118

01:25:59,750 --> 01:25:58,380

mentioned earlier you know calling an

2119

01:26:01,189 --> 01:25:59,760

old high school friend and often what

2120

01:26:02,689 --> 01:26:01,199

that comes down to is

2121

01:26:04,189 --> 01:26:02,699

talking about really silly

2122

01:26:05,270 --> 01:26:04,199

inconsequential things like you know

2123

01:26:06,470 --> 01:26:05,280

what kind of house you're living in now

2124

01:26:09,110 --> 01:26:06,480

what are you driving where do you live

2125

01:26:10,910 --> 01:26:09,120

you know and

2126

01:26:12,470 --> 01:26:10,920

rather than talking about I mean how

2127

01:26:14,870 --> 01:26:12,480

many of those conversations are of the

2128

01:26:16,370 --> 01:26:14,880

nature where we say so what what kind of

2129

01:26:17,629 --> 01:26:16,380

uh you know what kind of energetic

2130

01:26:19,310 --> 01:26:17,639

things are you working through what kind

2131

01:26:20,870 --> 01:26:19,320

of uh

2132

01:26:22,729 --> 01:26:20,880

um you know impurities are you have you

2133

01:26:24,470 --> 01:26:22,739

burned through this year as you seek to

2134

01:26:26,330 --> 01:26:24,480

grow your soul right you don't usually

2135

01:26:27,950 --> 01:26:26,340

have those kind of conversations whether

2136

01:26:29,629 --> 01:26:27,960

it's at the supermarket or on the phone

2137

01:26:31,550 --> 01:26:29,639

with someone we went to high school with

2138

01:26:33,169 --> 01:26:31,560

or whatever or sometimes even the people

2139

01:26:34,610 --> 01:26:33,179

we spend the most time with right that's

2140

01:26:36,830 --> 01:26:34,620

the conversations we should be having

2141

01:26:39,590 --> 01:26:36,840

and again I think when you think about

2142

01:26:42,110 --> 01:26:39,600

it from this perspective you realize

2143

01:26:44,090 --> 01:26:42,120

it's in your best interest and it's in

2144

01:26:47,030 --> 01:26:44,100

everybody else's best interest and

2145

01:26:48,729 --> 01:26:47,040

ultimately that is the same interest yes

2146

01:26:52,430 --> 01:26:48,739

yeah well said

2147

01:26:54,649 --> 01:26:52,440

well I enjoyed this uh second experience

2148

01:26:57,830 --> 01:26:54,659

in the outdoors I'm hopeful that it was

2149

01:27:01,010 --> 01:26:57,840

a little quieter than the last uh I

2150

01:27:03,350 --> 01:27:01,020

apologize for any uh errant noises that

2151  
01:27:06,050 --> 01:27:03,360  
bother some of our listeners I'm sure

2152  
01:27:08,629 --> 01:27:06,060  
we'll hear about it nonetheless uh thank

2153  
01:27:12,590 --> 01:27:08,639  
you for investing your time in in our

2154  
01:27:16,490 --> 01:27:12,600  
show we don't take that for granted we

2155  
01:27:18,050 --> 01:27:16,500  
very much enjoy your feedback and you

2156  
01:27:21,770 --> 01:27:18,060  
know we haven't done a listener question

2157  
01:27:23,390 --> 01:27:21,780  
show really in quite some time it might

2158  
01:27:24,169 --> 01:27:23,400  
be something worth tackling in the

2159  
01:27:27,050 --> 01:27:24,179  
future

2160  
01:27:30,910 --> 01:27:27,060  
uh as our audience uh continues to

2161  
01:27:34,310 --> 01:27:30,920  
engage with us in this important topic

2162  
01:27:36,410 --> 01:27:34,320  
so as we close I mean the quality of our

2163  
01:27:39,050 --> 01:27:36,420

questions shaped by a desire for
