2
00:00:14,570 --> 00:00:11,390

hello and welcome to episode number 75

3
00:00:19,010 --> 00:00:14,580

of the point of convergence podcast as

4
00:00:21,290 --> 00:00:19,020

always I am your host EXO academian

5
00:00:23,450 --> 00:00:21,300

many of the people who regularly tune in

6
00:00:26,390 --> 00:00:23,460

to this podcast know that the UFO

7
00:00:28,910 --> 00:00:26,400

phenomenon General paranormality and

8
00:00:33,170 --> 00:00:28,920

other so-called contact modalities such

9
00:00:35,810 --> 00:00:33,180

as ndes obes and SCI phenomena are

10
00:00:37,490 --> 00:00:35,820

addictively fascinating matters one

11
00:00:39,350 --> 00:00:37,500

could draw the conclusion that this is

12
00:00:41,930 --> 00:00:39,360

the case simply because the nature of

13
00:00:43,549 --> 00:00:41,940

the subject matter is seductive and

14

00:00:47,090 --> 00:00:43,559

helps to distract people from the

15

00:00:49,310 --> 00:00:47,100

mundanity of their everyday existence

16

00:00:51,110 --> 00:00:49,320

while the subject's matter does indeed

17

00:00:52,970 --> 00:00:51,120

draw one deeper and deeper into the

18

00:00:55,010 --> 00:00:52,980

proverbial Rabbit Hole the longer one

19

00:00:55,970 --> 00:00:55,020

pays attention with a keen Discerning

20

00:00:57,650 --> 00:00:55,980

Eye

21

00:00:59,270 --> 00:00:57,660

think there's more than meets the eye

22

00:01:01,369 --> 00:00:59,280

going on here

23

00:01:03,470 --> 00:01:01,379

I think partly what's going on is a kind

24

00:01:05,090 --> 00:01:03,480

of remembering the future

25

00:01:07,070 --> 00:01:05,100

what I mean by that is that our

26

00:01:09,410 --> 00:01:07,080

Collective fascination with this subject

27

00:01:11,330 --> 00:01:09,420

matter reflects a kind of mental

28

00:01:13,789 --> 00:01:11,340

bookmark to what becomes a key

29

00:01:14,990 --> 00:01:13,799

inflection point in our civilization's

30

00:01:16,850 --> 00:01:15,000

history

31

00:01:18,649 --> 00:01:16,860

you could describe it as the experience

32

00:01:20,990 --> 00:01:18,659

of living through the arising of an

33

00:01:23,810 --> 00:01:21,000

interference pattern where the present

34

00:01:26,149 --> 00:01:23,820

is equally impacted by events from our

35

00:01:28,370 --> 00:01:26,159

past and our future

36

00:01:30,830 --> 00:01:28,380

particularly significant points in time

37

00:01:33,890 --> 00:01:30,840

can tend to feel like this even if it is

38

00:01:36,289 --> 00:01:33,900

confusing to those living through it

39

00:01:38,870 --> 00:01:36,299

particularly thoughtful researchers like

40

00:01:40,910 --> 00:01:38,880

the preeminent Jacques valet have noted

41

00:01:43,789 --> 00:01:40,920

that what we are seeing take place with

42

00:01:46,069 --> 00:01:43,799

the modern UFO phenomenon is simply the

43

00:01:48,230 --> 00:01:46,079

latest Wrinkle in Time of a larger

44

00:01:50,389 --> 00:01:48,240

phenomenon that has been manifesting

45

00:01:52,249 --> 00:01:50,399

since time immemorial

46

00:01:54,850 --> 00:01:52,259

here I speak of the interaction between

47

00:01:57,969 --> 00:01:54,860

human beings and other sophisticated

48

00:02:00,649 --> 00:01:57,979

bewitching non-human intelligences

49

00:02:02,929 --> 00:02:00,659

intelligence is so capable both in

50

00:02:05,630 --> 00:02:02,939

matters of the external and internal

51
00:02:08,270 --> 00:02:05,640
Sciences manifesting in both the world

52
00:02:10,490 --> 00:02:08,280
and the mind that they have undoubtedly

53
00:02:12,470 --> 00:02:10,500
played a key role in shaping the very

54
00:02:14,630 --> 00:02:12,480
meaning models that we currently shape

55
00:02:16,010 --> 00:02:14,640
our Collective existence with and

56
00:02:18,470 --> 00:02:16,020
through

57
00:02:22,309 --> 00:02:18,480
a former rock star and later founder of

58
00:02:24,890 --> 00:02:22,319
ttsa Tom DeLong ended up uttering what I

59
00:02:27,830 --> 00:02:24,900
have found in retrospect to be apt words

60
00:02:30,710 --> 00:02:27,840
in describing the nature and origin of

61
00:02:33,589 --> 00:02:30,720
many of the others of which we speak

62
00:02:35,030 --> 00:02:33,599
in one interview De Long said quote the

63
00:02:37,130 --> 00:02:35,040

evidence doesn't suggest it's

64

00:02:39,470 --> 00:02:37,140

interplanetary so people need to

65

00:02:42,170 --> 00:02:39,480

understand religion ancient texts the

66

00:02:44,449 --> 00:02:42,180

occult esoteric stuff they need to

67

00:02:46,490 --> 00:02:44,459

understand that time is not linear it's

68

00:02:49,250 --> 00:02:46,500

parallel and once you understand that

69

00:02:51,470 --> 00:02:49,260

all things past present future exist at

70

00:02:53,750 --> 00:02:51,480

one moment which is what quantum

71

00:02:55,250 --> 00:02:53,760

mechanics is kind of figuring out then

72

00:02:57,350 --> 00:02:55,260

they'll realize that there can be

73

00:02:59,270 --> 00:02:57,360

parallel realities right here with

74

00:03:02,330 --> 00:02:59,280

Advanced civilizations that are popping

75

00:03:04,729 --> 00:03:02,340

over with frequency not linear not

76
00:03:07,070 --> 00:03:04,739
coming from Alpha Centauri here and I'm

77
00:03:09,290 --> 00:03:07,080
not suggesting that can't happen too but

78
00:03:11,690 --> 00:03:09,300
what is happening here is a little bit

79
00:03:14,330 --> 00:03:11,700
different unquote

80
00:03:16,250 --> 00:03:14,340
indeed it is and I would add to this

81
00:03:17,809 --> 00:03:16,260
insightful analysis that I at first

82
00:03:20,809 --> 00:03:17,819
didn't pay close enough attention to

83
00:03:22,369 --> 00:03:20,819
when I began this journey years ago that

84
00:03:24,890 --> 00:03:22,379
it's not that some of them are not

85
00:03:27,710 --> 00:03:24,900
extraterrestrial in some very real ways

86
00:03:30,589 --> 00:03:27,720
some groups are but importantly that's

87
00:03:32,570 --> 00:03:30,599
only part of the story they are also

88
00:03:34,250 --> 00:03:32,580

interdimensional but in a way that

89

00:03:36,009 --> 00:03:34,260

diverges from some of the ways that term

90

00:03:38,750 --> 00:03:36,019

has conventionally been used by

91

00:03:40,729 --> 00:03:38,760

astrophysicists in terms of a Multiverse

92

00:03:43,610 --> 00:03:40,739

and is more in line with the way the

93

00:03:45,470 --> 00:03:43,620

term is applied as the long hints at by

94

00:03:47,630 --> 00:03:45,480

enthusiasts of the occult and other

95

00:03:50,390 --> 00:03:47,640

forms of esotericism

96

00:03:53,449 --> 00:03:50,400

notice there that I said groups plural

97

00:03:55,250 --> 00:03:53,459

and I stand by this I am more convinced

98

00:03:58,009 --> 00:03:55,260

than ever that the evidence suggests

99

00:03:59,990 --> 00:03:58,019

more than one group is involved and that

100

00:04:02,330 --> 00:04:00,000

these groups cover the gamut in terms of

101

00:04:04,430 --> 00:04:02,340

their developmental consciousness

102

00:04:06,649 --> 00:04:04,440

I speak in terms of degrees of evolution

103

00:04:08,809 --> 00:04:06,659

of Consciousness because I have found

104

00:04:11,149 --> 00:04:08,819

this is both a more helpful and a more

105

00:04:13,670 --> 00:04:11,159

accurate way of describing the situation

106

00:04:17,629 --> 00:04:13,680

than by painting in polarities of black

107

00:04:20,270 --> 00:04:17,639

and white absolutes I.E good versus evil

108

00:04:22,069 --> 00:04:20,280

now while DeLong has seemed particularly

109

00:04:23,629 --> 00:04:22,079

concerned with the ways some of the less

110

00:04:26,090 --> 00:04:23,639

mature groups have been working their

111

00:04:27,469 --> 00:04:26,100

will in our Collective lives I

112

00:04:29,810 --> 00:04:27,479

personally have experienced what it's

113

00:04:32,390 --> 00:04:29,820

like to be in contact with and be

114

00:04:34,909 --> 00:04:32,400

inspired by groups who are typical of

115

00:04:37,310 --> 00:04:34,919

the more evolved highly conscious end of

116

00:04:39,650 --> 00:04:37,320

the spectrum and it's a discussion of

117

00:04:41,570 --> 00:04:39,660

that particular interaction and the way

118

00:04:44,689 --> 00:04:41,580

that it's impacted my ongoing Journey

119

00:04:50,710 --> 00:04:44,699

that is a topic of this the 75th edition

120

00:04:54,710 --> 00:04:52,310

foreign

121

00:04:56,689 --> 00:04:54,720

I'd like to begin this week's podcast by

122

00:04:58,730 --> 00:04:56,699

saying over the last several weeks

123

00:05:00,350 --> 00:04:58,740

numerous people have reached out to say

124

00:05:02,629 --> 00:05:00,360

they've noticed a shift in my treatment

125

00:05:06,170 --> 00:05:02,639

of this topic since when the podcast

126

00:05:07,909 --> 00:05:06,180

first began almost two years ago now

127

00:05:09,409 --> 00:05:07,919

these individuals have said they've

128

00:05:11,629 --> 00:05:09,419

enjoyed the new trajectory of the

129

00:05:14,210 --> 00:05:11,639

podcast but are now very curious about

130

00:05:16,010 --> 00:05:14,220

what precipitated this change

131

00:05:18,770 --> 00:05:16,020

in other words people have been asking

132

00:05:20,450 --> 00:05:18,780

me to outline my path and process in

133

00:05:22,430 --> 00:05:20,460

evolving from a show that presented

134

00:05:24,409 --> 00:05:22,440

various speculative threads to do with

135

00:05:26,810 --> 00:05:24,419

the UFO phenomenon and general

136

00:05:29,090 --> 00:05:26,820

paranormality it's one that has become

137

00:05:31,490 --> 00:05:29,100

laser focused on a particular approach

138

00:05:33,770 --> 00:05:31,500

to this subject matter which includes

139

00:05:36,290 --> 00:05:33,780

not just UFOs and aliens and high

140

00:05:38,330 --> 00:05:36,300

strangeness but also PSI phenomena

141

00:05:40,670 --> 00:05:38,340

near-death experiences out of body

142

00:05:43,670 --> 00:05:40,680

experiences basically all of the

143

00:05:45,710 --> 00:05:43,680

so-called contact modalities

144

00:05:48,469 --> 00:05:45,720

this is certainly a fair and accurate

145

00:05:50,810 --> 00:05:48,479

statement I myself recognize this shift

146

00:05:53,629 --> 00:05:50,820

and to be sure this shift has come about

147

00:05:56,450 --> 00:05:53,639

to a large degree as a result of my own

148

00:05:58,550 --> 00:05:56,460

personal experiences it's been quite a

149

00:06:00,830 --> 00:05:58,560

journey one that from one frame of

150

00:06:02,870 --> 00:06:00,840

reference stretches out over the past

151
00:06:05,090 --> 00:06:02,880
six months or so in terms of really

152
00:06:06,409 --> 00:06:05,100
hitting a Breakneck pace of Revelation

153
00:06:08,510 --> 00:06:06,419
and clarity

154
00:06:11,330 --> 00:06:08,520
but that from another frame of reference

155
00:06:12,950 --> 00:06:11,340
is about a recontextualization of my

156
00:06:15,110 --> 00:06:12,960
entire lifetime

157
00:06:17,150 --> 00:06:15,120
in other words the further I tread on

158
00:06:19,490 --> 00:06:17,160
this new path the more and more the

159
00:06:21,650 --> 00:06:19,500
terrain of decades passed becomes

160
00:06:25,730 --> 00:06:21,660
reclaimed by this New overarching

161
00:06:28,010 --> 00:06:25,740
Perspective yes no small statement there

162
00:06:30,230 --> 00:06:28,020
it would not be its stretch to say that

163
00:06:31,969 --> 00:06:30,240

in a very real way I feel like I'm

164

00:06:34,969 --> 00:06:31,979

stepping out the actions of a script

165

00:06:36,950 --> 00:06:34,979

that has been pre-ordained that said I

166

00:06:39,050 --> 00:06:36,960

think this is as much because time is

167

00:06:40,790 --> 00:06:39,060

not what we generally think it is in

168

00:06:43,189 --> 00:06:40,800

terms of the conventional linear view

169

00:06:45,770 --> 00:06:43,199

rather than because some overarching

170

00:06:47,510 --> 00:06:45,780

Force has predestined my actions

171

00:06:49,010 --> 00:06:47,520

in other words the part of me that

172

00:06:51,409 --> 00:06:49,020

stumbles into this feeling of

173

00:06:53,390 --> 00:06:51,419

familiarity akin to what I like to call

174

00:06:56,029 --> 00:06:53,400

remembering the future

175

00:06:58,070 --> 00:06:56,039

is also synergistically connected with a

176

00:06:59,390 --> 00:06:58,080

part of me that exists outside of time

177

00:07:01,610 --> 00:06:59,400

altogether

178

00:07:03,350 --> 00:07:01,620

and of course I realize that is no small

179

00:07:06,050 --> 00:07:03,360

statement either

180

00:07:07,730 --> 00:07:06,060

okay enough with that Preamble let me

181

00:07:10,010 --> 00:07:07,740

get to what people have been asking for

182

00:07:11,990 --> 00:07:10,020

a description of the process that has

183

00:07:13,490 --> 00:07:12,000

led me to this shift in perspective and

184

00:07:15,409 --> 00:07:13,500

approach

185

00:07:17,570 --> 00:07:15,419

now as some of you have already guessed

186

00:07:19,670 --> 00:07:17,580

much of this shift first began to take

187

00:07:21,950 --> 00:07:19,680

root around the time I took part in a

188

00:07:24,710 --> 00:07:21,960

private retreat at the Monroe Institute

189

00:07:27,529 --> 00:07:24,720

titled UFOs and the Consciousness

190

00:07:29,629 --> 00:07:27,539

Connection the event was also attended

191

00:07:32,570 --> 00:07:29,639

by people known to the public including

192

00:07:34,010 --> 00:07:32,580

Prime experimenter Chris Bledsoe my

193

00:07:36,830 --> 00:07:34,020

friend and research colleague Sean

194

00:07:38,990 --> 00:07:36,840

esborne hargens and long-term UFO

195

00:07:40,969 --> 00:07:39,000

researcher both from within and from

196

00:07:44,330 --> 00:07:40,979

outside of government Colonel John

197

00:07:46,129 --> 00:07:44,340

Alexander amongst several others

198

00:07:48,050 --> 00:07:46,139

for those of you eager to learn more

199

00:07:50,150 --> 00:07:48,060

about that I discussed some of my

200

00:07:54,170 --> 00:07:50,160

experiences on that retreat in episode

201

00:07:56,450 --> 00:07:54,180

67 titled human-initiated contact on

202

00:07:59,089 --> 00:07:56,460

proactive communication with non-human

203

00:08:01,550 --> 00:07:59,099

intelligence I was also interviewed by

204

00:08:04,070 --> 00:08:01,560

James iandoli for his engaging the

205

00:08:06,650 --> 00:08:04,080

phenomenon Channel about the event and

206

00:08:08,930 --> 00:08:06,660

some of my experiences there as well

207

00:08:12,110 --> 00:08:08,940

at this Retreat we not only engaged in

208

00:08:15,050 --> 00:08:12,120

ce5 or Heist human-initiated contact

209

00:08:17,629 --> 00:08:15,060

events but we also took part in various

210

00:08:20,210 --> 00:08:17,639

practices to grow our PSY and astral

211

00:08:22,730 --> 00:08:20,220

capabilities including the use of summon

212

00:08:25,550 --> 00:08:22,740

row Institute auditory programs that

213

00:08:27,830 --> 00:08:25,560

were custom crafted for the event

214

00:08:29,629 --> 00:08:27,840

I also want to add here that while my

215

00:08:32,269 --> 00:08:29,639

experience at the Monroe event was

216

00:08:34,969 --> 00:08:32,279

transformative experiences earlier in

217

00:08:37,250 --> 00:08:34,979

the year were precursors to this and I

218

00:08:39,409 --> 00:08:37,260

think these were just as essential

219

00:08:41,750 --> 00:08:39,419

sometimes we make note of a key turning

220

00:08:44,209 --> 00:08:41,760

point like when a plant first arises

221

00:08:47,329 --> 00:08:44,219

from the ground but of course the root

222

00:08:49,490 --> 00:08:47,339

work is underway long before then to

223

00:08:51,110 --> 00:08:49,500

this point I actually made contact with

224

00:08:53,750 --> 00:08:51,120

some kind of external intelligence

225

00:08:56,690 --> 00:08:53,760

during a period of meditation around the

226

00:08:58,370 --> 00:08:56,700

year 2010 and it was then that I was

227

00:09:01,490 --> 00:08:58,380

inspired to follow a new kind of

228

00:09:03,230 --> 00:09:01,500

protocol for receiving information and

229

00:09:04,370 --> 00:09:03,240

I've been following that protocol ever

230

00:09:06,710 --> 00:09:04,380

since

231

00:09:08,810 --> 00:09:06,720

that said the sheer volume of

232

00:09:11,210 --> 00:09:08,820

information received in short periods of

233

00:09:12,290 --> 00:09:11,220

time greatly increased over the last

234

00:09:14,810 --> 00:09:12,300

year

235

00:09:17,150 --> 00:09:14,820

realizations around the non-dual nature

236

00:09:18,949 --> 00:09:17,160

of reality communicated to me via the

237

00:09:23,150 --> 00:09:18,959

dantic and Buddhist Traditions around

238

00:09:25,670 --> 00:09:23,160

that time 2010 or so also served as a

239

00:09:27,530 --> 00:09:25,680

key seating of the soil if you will for

240

00:09:29,389 --> 00:09:27,540

these later experiences over the last

241

00:09:31,130 --> 00:09:29,399

year or so

242

00:09:34,009 --> 00:09:31,140

now several things happened in the

243

00:09:35,570 --> 00:09:34,019

period just prior to Monroe including a

244

00:09:37,610 --> 00:09:35,580

couple of months closely spent with

245

00:09:40,250 --> 00:09:37,620

someone else on the experience for track

246

00:09:42,110 --> 00:09:40,260

and I know these experiences were key

247

00:09:43,850 --> 00:09:42,120

ingredients in preparing for what was to

248

00:09:45,710 --> 00:09:43,860

come later and what was to come to

249

00:09:47,570 --> 00:09:45,720

fruition

250

00:09:49,850 --> 00:09:47,580

but getting back to the Monroe Retreat

251

00:09:51,889 --> 00:09:49,860

the long and the short of it is that we

252

00:09:54,230 --> 00:09:51,899

did indeed have several encounters with

253

00:09:56,449 --> 00:09:54,240

anomalous phenomena over the course of

254

00:09:59,329 --> 00:09:56,459

the several days of that retreat

255

00:10:01,070 --> 00:09:59,339

now to be sure seeing those phenomena in

256

00:10:03,230 --> 00:10:01,080

the night skies above the Monroe

257

00:10:05,690 --> 00:10:03,240

Institute was certainly a profound

258

00:10:08,030 --> 00:10:05,700

experience for me one that seemingly

259

00:10:10,610 --> 00:10:08,040

helped to initiate A New Path

260

00:10:12,769 --> 00:10:10,620

that said I would have to say that what

261

00:10:14,870 --> 00:10:12,779

has come about since then is even more

262

00:10:17,269 --> 00:10:14,880

profound to me personally and I'll

263

00:10:19,430 --> 00:10:17,279

explain why shortly but generally

264

00:10:22,070 --> 00:10:19,440

speaking while seeking anomalous lights

265

00:10:24,170 --> 00:10:22,080

or objects in the sky representing the

266

00:10:27,110 --> 00:10:24,180

handiwork of sophisticated non-human

267

00:10:28,670 --> 00:10:27,120

intelligence is certainly amazing it

268

00:10:31,070 --> 00:10:28,680

really doesn't compare to the experience

269

00:10:32,449 --> 00:10:31,080

of direct communication with said

270

00:10:34,730 --> 00:10:32,459

intelligences

271

00:10:37,190 --> 00:10:34,740

and what I've found is that one need not

272

00:10:39,829 --> 00:10:37,200

see phenomena in the sky for the

273

00:10:41,750 --> 00:10:39,839

communication to flow even if that is

274

00:10:43,790 --> 00:10:41,760

indeed sometimes part of the initial

275

00:10:45,710 --> 00:10:43,800

priming

276

00:10:47,990 --> 00:10:45,720

not long after my experience at the

277

00:10:50,810 --> 00:10:48,000

Monroe Institute I had another perhaps

278

00:10:53,329 --> 00:10:50,820

even more profound ce5 slash Heist

279

00:10:56,030 --> 00:10:53,339

experience when I was with Chris Bledsoe

280

00:10:58,430 --> 00:10:56,040

at his home and that really rooted in my

281

00:11:01,190 --> 00:10:58,440

mind the notion that these others really

282

00:11:03,710 --> 00:11:01,200

are an ongoing part of our reality just

283

00:11:05,389 --> 00:11:03,720

as real as apple pie and taxes to those

284

00:11:07,970 --> 00:11:05,399

who've experienced them

285

00:11:10,069 --> 00:11:07,980

now many people have heard about the

286

00:11:12,230 --> 00:11:10,079

so-called hitchhiker effect

287

00:11:13,790 --> 00:11:12,240

this is a phrase coined to describe some

288

00:11:16,069 --> 00:11:13,800

of the bizarre ways people who

289

00:11:18,290 --> 00:11:16,079

experience the phenomenon subsequently

290

00:11:20,449 --> 00:11:18,300

become tied to these other intelligences

291

00:11:23,030 --> 00:11:20,459

and or phenomena

292

00:11:26,350 --> 00:11:23,040

in other words they whoever or whatever

293

00:11:28,970 --> 00:11:26,360

they are quote unquote follow you home

294

00:11:31,730 --> 00:11:28,980

manifesting in strange ways in the days

295

00:11:34,190 --> 00:11:31,740

weeks months and sometimes even years

296

00:11:36,590 --> 00:11:34,200

following the original initiation or

297

00:11:39,110 --> 00:11:36,600

contagion event

298

00:11:41,750 --> 00:11:39,120

of course most often we hear about these

299

00:11:43,910 --> 00:11:41,760

incidents in a negative frame when

300

00:11:46,250 --> 00:11:43,920

people encounter unwanted After Effects

301
00:11:48,290 --> 00:11:46,260
such as Poltergeist phenomena

302
00:11:50,449 --> 00:11:48,300
such experiences were depicted in a

303
00:11:53,210 --> 00:11:50,459
recent book by George Knapp calm

304
00:11:55,790 --> 00:11:53,220
Kelleher and James lakatsky titled

305
00:11:57,949 --> 00:11:55,800
skinwalkers at the Pentagon that book

306
00:12:00,110 --> 00:11:57,959
outlines shocking events and after

307
00:12:02,750 --> 00:12:00,120
effects for people who'd spent time with

308
00:12:05,030 --> 00:12:02,760
the so-called Skinwalker Ranch of the

309
00:12:07,130 --> 00:12:05,040
Uinta Basin in Utah

310
00:12:09,829 --> 00:12:07,140
as alarming as some of those encounters

311
00:12:12,470 --> 00:12:09,839
are it's important to note as has been

312
00:12:14,870 --> 00:12:12,480
the case in my experience this can also

313
00:12:15,590 --> 00:12:14,880

manifest as a positive phenomenon as

314

00:12:18,530 --> 00:12:15,600

well

315

00:12:20,750 --> 00:12:18,540

in other words one can become hitched to

316

00:12:23,509 --> 00:12:20,760

intelligences or phenomena of a

317

00:12:25,850 --> 00:12:23,519

decidedly positive nature as well

318

00:12:28,009 --> 00:12:25,860

what happens on these occasions is a

319

00:12:29,810 --> 00:12:28,019

matter of some debate from my own

320

00:12:31,069 --> 00:12:29,820

perspective I would say this has more to

321

00:12:33,829 --> 00:12:31,079

do with a dormant part of my

322

00:12:35,569 --> 00:12:33,839

Consciousness being brought online as it

323

00:12:38,030 --> 00:12:35,579

has to do with beings following me

324

00:12:39,889 --> 00:12:38,040

around quote unquote

325

00:12:43,190 --> 00:12:39,899

with the ones I've been connected to

326

00:12:45,410 --> 00:12:43,200

space-time is largely irrelevant so it's

327

00:12:47,090 --> 00:12:45,420

not so much that they follow you as that

328

00:12:49,490 --> 00:12:47,100

you now have an open channel for

329

00:12:51,470 --> 00:12:49,500

communication and interaction

330

00:12:53,870 --> 00:12:51,480

this channel can serve as a means for

331

00:12:55,910 --> 00:12:53,880

telepathic communication and it can even

332

00:12:58,730 --> 00:12:55,920

be a channel for telekinetic activity

333

00:13:00,410 --> 00:12:58,740

where physical effects in one space are

334

00:13:02,690 --> 00:13:00,420

observed

335

00:13:05,569 --> 00:13:02,700

regardless of how you frame it the end

336

00:13:08,090 --> 00:13:05,579

result has been in my case anyway that

337

00:13:10,430 --> 00:13:08,100

those catalytic hitching events opened

338

00:13:12,410 --> 00:13:10,440

up the possibility of an ongoing

339

00:13:14,810 --> 00:13:12,420

relationship with this otherworldly

340

00:13:17,509 --> 00:13:14,820

intelligence you could call it a kind of

341

00:13:19,850 --> 00:13:17,519

cosmic entanglement

342

00:13:21,530 --> 00:13:19,860

it's also important to note here that it

343

00:13:23,210 --> 00:13:21,540

was right around this time that I

344

00:13:26,269 --> 00:13:23,220

decided to step out from behind the

345

00:13:28,370 --> 00:13:26,279

Shadows to become more public in terms

346

00:13:30,230 --> 00:13:28,380

of revealing my name and appearing for

347

00:13:31,129 --> 00:13:30,240

the first time in video interviews and

348

00:13:33,530 --> 00:13:31,139

such

349

00:13:35,329 --> 00:13:33,540

I would say that this decision to step

350

00:13:38,509 --> 00:13:35,339

fully forward into what you might call

351

00:13:41,030 --> 00:13:38,519

the headwinds of this has been key in

352

00:13:42,230 --> 00:13:41,040

taking the communication experiences to

353

00:13:44,509 --> 00:13:42,240

the next level

354

00:13:47,269 --> 00:13:44,519

it's as if these others were waiting for

355

00:13:48,949 --> 00:13:47,279

me to take such a step in fact something

356

00:13:50,750 --> 00:13:48,959

very much to that effect has been

357

00:13:53,269 --> 00:13:50,760

communicated to me

358

00:13:56,090 --> 00:13:53,279

and when I say I was told this I of

359

00:13:59,269 --> 00:13:56,100

course mean telepathically that said

360

00:14:01,730 --> 00:13:59,279

direct linear one idea following another

361

00:14:03,530 --> 00:14:01,740

kind of communication doesn't fully

362

00:14:05,750 --> 00:14:03,540

capture my experience over the last

363

00:14:06,949 --> 00:14:05,760

several months and I'll touch on that

364

00:14:09,350 --> 00:14:06,959

next

365

00:14:11,930 --> 00:14:09,360

now in my interview with James for the

366

00:14:13,610 --> 00:14:11,940

engaging the phenomenon podcast I

367

00:14:15,470 --> 00:14:13,620

mentioned that soon after my experience

368

00:14:17,210 --> 00:14:15,480

at the Monroe Retreat I began to

369

00:14:19,730 --> 00:14:17,220

experience what has come to be referred

370

00:14:23,750 --> 00:14:19,740

to by experiencers and the researchers

371

00:14:26,030 --> 00:14:23,760

who investigate them as downloads for me

372

00:14:28,670 --> 00:14:26,040

this often has meant waking up with new

373

00:14:31,190 --> 00:14:28,680

fragments of information in my mind

374

00:14:33,650 --> 00:14:31,200

and I saved fragments because often

375

00:14:36,050 --> 00:14:33,660

these packets of information don't seem

376

00:14:38,690 --> 00:14:36,060

to make a lot of sense initially however

377

00:14:41,329 --> 00:14:38,700

what often transpires is later on

378

00:14:43,370 --> 00:14:41,339

something happens a synchronistic

379

00:14:46,250 --> 00:14:43,380

anchoring event of some kind or another

380

00:14:48,710 --> 00:14:46,260

and this packet of information drops

381

00:14:50,750 --> 00:14:48,720

into place almost like a puzzle piece

382

00:14:52,370 --> 00:14:50,760

and I suddenly understand what it means

383

00:14:55,069 --> 00:14:52,380

and how it's connected to other

384

00:14:57,530 --> 00:14:55,079

information in my mind

385

00:14:59,629 --> 00:14:57,540

now the dropping in of fragments of

386

00:15:02,030 --> 00:14:59,639

larger data sets is only one way in

387

00:15:04,310 --> 00:15:02,040

which this communication takes place

388

00:15:06,470 --> 00:15:04,320

another form arises when I am led to

389

00:15:08,090 --> 00:15:06,480

follow a certain line of thinking or

390

00:15:10,189 --> 00:15:08,100

investigative path

391

00:15:12,410 --> 00:15:10,199

sometimes this comes in the form of a

392

00:15:14,990 --> 00:15:12,420

strong hint that I should speak with one

393

00:15:17,269 --> 00:15:15,000

particular person or another even people

394

00:15:19,730 --> 00:15:17,279

who live on the other side of the planet

395

00:15:21,710 --> 00:15:19,740

other times a certain book or resource

396

00:15:24,110 --> 00:15:21,720

will come into my awareness and I'll

397

00:15:26,329 --> 00:15:24,120

have that same energetic impulse arise

398

00:15:28,430 --> 00:15:26,339

which I've come to understand means

399

00:15:30,590 --> 00:15:28,440

pursue this there is valuable

400

00:15:33,110 --> 00:15:30,600

information here

401
00:15:35,269 --> 00:15:33,120
now speaking of this energetic impulse

402
00:15:37,970 --> 00:15:35,279
if you were to ask me as some people

403
00:15:39,530 --> 00:15:37,980
have what does this feel like and how do

404
00:15:42,410 --> 00:15:39,540
you distinguish it from your personal

405
00:15:44,210 --> 00:15:42,420
imagination or inklings I would say that

406
00:15:47,269 --> 00:15:44,220
it's the nature of the impulse that

407
00:15:48,050 --> 00:15:47,279
really is key it has a distinct feel to

408
00:15:49,310 --> 00:15:48,060
it

409
00:15:51,410 --> 00:15:49,320
for people who've experienced

410
00:15:53,509 --> 00:15:51,420
Clairvoyance they will know that when

411
00:15:56,389 --> 00:15:53,519
information comes in that is extra

412
00:15:59,090 --> 00:15:56,399
sensory in nature it also has a certain

413
00:16:01,430 --> 00:15:59,100

distinct feel to it it's something like

414

00:16:02,389 --> 00:16:01,440

that like an energetic signature that is

415

00:16:04,730 --> 00:16:02,399

unique

416

00:16:06,829 --> 00:16:04,740

this requires a kind of subtle sensing

417

00:16:09,290 --> 00:16:06,839

that I've also been encouraged shall we

418

00:16:11,269 --> 00:16:09,300

say to continue to develop

419

00:16:13,730 --> 00:16:11,279

the more one has developed this subtle

420

00:16:15,290 --> 00:16:13,740

sensing the more one can identify the

421

00:16:18,410 --> 00:16:15,300

nature of the information coming in

422

00:16:20,930 --> 00:16:18,420

including its origin source and the more

423

00:16:23,509 --> 00:16:20,940

one can ascertain the intentions of

424

00:16:25,910 --> 00:16:23,519

various entities one might meet out on

425

00:16:27,949 --> 00:16:25,920

the interdimensional highways

426

00:16:29,629 --> 00:16:27,959

that being the case I'm sure you can

427

00:16:32,870 --> 00:16:29,639

understand why having an advanced

428

00:16:35,569 --> 00:16:32,880

ability in subtle sensing is key

429

00:16:38,329 --> 00:16:35,579

walking blind into the waking world is a

430

00:16:40,730 --> 00:16:38,339

tough task that challenge also extends

431

00:16:41,509 --> 00:16:40,740

into the astral or etheric Realms as

432

00:16:43,730 --> 00:16:41,519

well

433

00:16:45,710 --> 00:16:43,740

and on that note you may have heard

434

00:16:49,850 --> 00:16:45,720

various people associated with the UFO

435

00:16:51,650 --> 00:16:49,860

phenomenon suggest ce5 or Heist is

436

00:16:54,650 --> 00:16:51,660

dangerous because you just don't know

437

00:16:56,870 --> 00:16:54,660

who's going to pick up on the other end

438

00:16:58,430 --> 00:16:56,880

I think this is a misstating of the

439

00:17:01,009 --> 00:16:58,440

nature of the Endeavor

440

00:17:03,710 --> 00:17:01,019

after all a key reason why experiencers

441

00:17:05,569 --> 00:17:03,720

have been told to meditate beforehand is

442

00:17:07,549 --> 00:17:05,579

because setting intention and being

443

00:17:10,850 --> 00:17:07,559

self-aware about your own energetic

444

00:17:13,970 --> 00:17:10,860

State and or resonance is a key step in

445

00:17:16,490 --> 00:17:13,980

determining what number so to speak one

446

00:17:19,549 --> 00:17:16,500

ends up calling when reaching out via a

447

00:17:21,770 --> 00:17:19,559

protocol like ce5 or Heist

448

00:17:23,870 --> 00:17:21,780

and I think this is why the data

449

00:17:27,289 --> 00:17:23,880

suggests that the vast vast majority of

450

00:17:29,450 --> 00:17:27,299

experiences with ce5 or Heist Protocols

451
00:17:32,570 --> 00:17:29,460
are positive

452
00:17:35,090 --> 00:17:32,580
now speaking of meditation for me this

453
00:17:37,370 --> 00:17:35,100
has become a major source of contact and

454
00:17:38,570 --> 00:17:37,380
information relay with these particular

455
00:17:40,490 --> 00:17:38,580
others

456
00:17:43,190 --> 00:17:40,500
I have found that I don't need to go

457
00:17:45,110 --> 00:17:43,200
outside in order to facilitate this in

458
00:17:47,450 --> 00:17:45,120
fact very often this only becomes a

459
00:17:49,730 --> 00:17:47,460
distraction for me if I get too focused

460
00:17:51,230 --> 00:17:49,740
on the spectacle of seeing something in

461
00:17:53,990 --> 00:17:51,240
the sky

462
00:17:56,450 --> 00:17:54,000
for me I have found that the connection

463
00:17:58,730 --> 00:17:56,460

is there regardless of where one is so

464

00:17:59,810 --> 00:17:58,740

going to one place or another just isn't

465

00:18:04,490 --> 00:17:59,820

important

466

00:18:05,510 --> 00:18:04,500

quiet non-distracting place to meditate

467

00:18:10,010 --> 00:18:05,520

in

468

00:18:13,010 --> 00:18:10,020

which is like other forms of meditation

469

00:18:16,310 --> 00:18:13,020

except that I hold open an intention to

470

00:18:18,950 --> 00:18:16,320

these others various things can occur

471

00:18:21,549 --> 00:18:18,960

sometimes I'll receive a vision often

472

00:18:23,690 --> 00:18:21,559

very Vivid that just pops into my mind

473

00:18:26,330 --> 00:18:23,700

often this experience is less about

474

00:18:29,270 --> 00:18:26,340

information relay and more about a sign

475

00:18:30,470 --> 00:18:29,280

that my non-local mind has moved so to

476

00:18:32,690 --> 00:18:30,480

speak

477

00:18:35,270 --> 00:18:32,700

other times I will hold open a question

478

00:18:37,029 --> 00:18:35,280

while meditating and I'll either receive

479

00:18:39,650 --> 00:18:37,039

a sense of the answer almost immediately

480

00:18:41,930 --> 00:18:39,660

or that question will hang out like a

481

00:18:44,270 --> 00:18:41,940

cosmic request to a non-local server if

482

00:18:46,549 --> 00:18:44,280

you will and the question gets answered

483

00:18:48,470 --> 00:18:46,559

at some later time when one of those

484

00:18:49,490 --> 00:18:48,480

synchronistic anchoring events takes

485

00:18:51,950 --> 00:18:49,500

place

486

00:18:54,289 --> 00:18:51,960

and again when the latter happens I'll

487

00:18:56,090 --> 00:18:54,299

sense that energetic signature that

488

00:18:58,549 --> 00:18:56,100

makes it clear that this is one of those

489

00:19:00,950 --> 00:18:58,559

kinds of experiences it's like a strong

490

00:19:03,350 --> 00:19:00,960

sense of synchronicity

491

00:19:05,870 --> 00:19:03,360

on more rare occasions I'll experience

492

00:19:08,150 --> 00:19:05,880

an unusual degree of sudden fatigue

493

00:19:10,010 --> 00:19:08,160

which I have come to recognize is a sign

494

00:19:12,529 --> 00:19:10,020

that a particularly dense kind of

495

00:19:14,330 --> 00:19:12,539

download has arrived meaning there is a

496

00:19:16,370 --> 00:19:14,340

lot of information there or that it's

497

00:19:17,390 --> 00:19:16,380

particularly karmically impacting in

498

00:19:19,250 --> 00:19:17,400

some way

499

00:19:21,350 --> 00:19:19,260

I think the feeling of overwhelming

500

00:19:24,770 --> 00:19:21,360

fatigue has to do with the fact that the

501
00:19:26,930 --> 00:19:24,780
body mind of this 3D manifestation has a

502
00:19:29,270 --> 00:19:26,940
hard time knowing how to hold or Express

503
00:19:31,370 --> 00:19:29,280
that information in our space-time

504
00:19:33,950 --> 00:19:31,380
construct

505
00:19:35,630 --> 00:19:33,960
on even more rare occasions this has

506
00:19:37,250 --> 00:19:35,640
happened probably four or five times

507
00:19:39,650 --> 00:19:37,260
over the last year

508
00:19:42,529 --> 00:19:39,660
I'll feel intense waves of emotion

509
00:19:45,770 --> 00:19:42,539
pulsing through and over me like I'm

510
00:19:47,750 --> 00:19:45,780
surfing an ocean of pure energy on these

511
00:19:50,750 --> 00:19:47,760
occasions I don't really even experience

512
00:19:54,169 --> 00:19:50,760
having a body I am just in a Timeless

513
00:19:57,470 --> 00:19:54,179

spaceless State undifferentiated being

514

00:19:59,810 --> 00:19:57,480

overrun by these meaning waves I sense

515

00:20:02,270 --> 00:19:59,820

these are the formless waves of cosmic

516

00:20:05,210 --> 00:20:02,280

Consciousness that give rise to our

517

00:20:07,310 --> 00:20:05,220

mostly illusory physical reality

518

00:20:10,669 --> 00:20:07,320

you can think about them like the source

519

00:20:13,190 --> 00:20:10,679

code for our daily waking experience

520

00:20:14,390 --> 00:20:13,200

I cannot overstate how intense these

521

00:20:16,370 --> 00:20:14,400

waves are

522

00:20:18,710 --> 00:20:16,380

on more than one occasion I've told

523

00:20:21,650 --> 00:20:18,720

close friends that during the experience

524

00:20:23,750 --> 00:20:21,660

it feels often like I'm going to die

525

00:20:25,970 --> 00:20:23,760

of course I've come to recognize that I

526

00:20:27,770 --> 00:20:25,980

don't die from these experiences and so

527

00:20:29,810 --> 00:20:27,780

this has led me to just letting go

528

00:20:31,130 --> 00:20:29,820

letting whatever work is being done

529

00:20:32,930 --> 00:20:31,140

continue

530

00:20:35,510 --> 00:20:32,940

and that's exactly what it feels like

531

00:20:37,010 --> 00:20:35,520

that work is being done on an energetic

532

00:20:39,890 --> 00:20:37,020

level

533

00:20:42,830 --> 00:20:39,900

now part of the reason why I describe it

534

00:20:45,409 --> 00:20:42,840

that way is because after the fact in

535

00:20:47,990 --> 00:20:45,419

the days following these experiences I

536

00:20:50,990 --> 00:20:48,000

will feel a new Vitality to my beingness

537

00:20:53,570 --> 00:20:51,000

as a result of a deep clearing and or

538

00:20:55,430 --> 00:20:53,580

cleansing I've described it to some

539

00:20:58,190 --> 00:20:55,440

people as something akin to experiencing

540

00:20:59,570 --> 00:20:58,200

10 years of therapy in the course of a

541

00:21:02,330 --> 00:20:59,580

couple of hours

542

00:21:04,310 --> 00:21:02,340

that energetic tsunami has served to

543

00:21:07,370 --> 00:21:04,320

effectively wipe clean the false

544

00:21:10,310 --> 00:21:07,380

construction of self that my intellect

545

00:21:13,130 --> 00:21:10,320

built up over years as a kind of defense

546

00:21:16,130 --> 00:21:13,140

mechanism against a harsh World which

547

00:21:18,470 --> 00:21:16,140

let's be honest this one can be that way

548

00:21:21,950 --> 00:21:18,480

while I may have needed these defense

549

00:21:24,710 --> 00:21:21,960

mechanisms in decades past I no longer

550

00:21:26,450 --> 00:21:24,720

do they no longer serve me and they

551

00:21:29,750 --> 00:21:26,460

actually have become more of a hindrance

552

00:21:32,090 --> 00:21:29,760

than a help in my present reality

553

00:21:34,130 --> 00:21:32,100

and in these experiences I sense that

554

00:21:36,529 --> 00:21:34,140

some greater intelligence knows me

555

00:21:38,330 --> 00:21:36,539

better than I know myself and it

556

00:21:40,909 --> 00:21:38,340

facilitates this kind of energetic

557

00:21:43,549 --> 00:21:40,919

tsunami so as to free up my resources

558

00:21:46,070 --> 00:21:43,559

for future work

559

00:21:48,470 --> 00:21:46,080

one other piece I will add here is that

560

00:21:51,470 --> 00:21:48,480

on some occasions when I'm experiencing

561

00:21:54,289 --> 00:21:51,480

this other modality I feel as if my

562

00:21:56,149 --> 00:21:54,299

identity is decidedly different I

563

00:21:58,210 --> 00:21:56,159

effectively feel like I'm experiencing a

564

00:22:01,490 --> 00:21:58,220

part of myself that exists elsewhere

565

00:22:04,490 --> 00:22:01,500

like a simultaneously running other self

566

00:22:07,490 --> 00:22:04,500

and I really need to say self in quotes

567

00:22:09,529 --> 00:22:07,500

there because actually in these moments

568

00:22:12,110 --> 00:22:09,539

I feel like my identity is part of a

569

00:22:14,330 --> 00:22:12,120

plurality of beings that have become a

570

00:22:17,570 --> 00:22:14,340

single planetary kind of Consciousness

571

00:22:20,210 --> 00:22:17,580

that vibrates in powerful Harmony

572

00:22:23,210 --> 00:22:20,220

I will also add that in this modality

573

00:22:26,390 --> 00:22:23,220

time itself doesn't experientially exist

574

00:22:29,090 --> 00:22:26,400

for me not surprisingly when I return to

575

00:22:31,610 --> 00:22:29,100

my usual waking state in our familiar 3D

576

00:22:33,649 --> 00:22:31,620

World it can be a bit off-putting

577

00:22:36,470 --> 00:22:33,659

because then I suddenly have an

578

00:22:38,570 --> 00:22:36,480

experiential contrast that exposes just

579

00:22:41,990 --> 00:22:38,580

how constricting our linear experience

580

00:22:44,930 --> 00:22:42,000

of reality here really is

581

00:22:47,750 --> 00:22:44,940

that said there is also this knowing

582

00:22:50,149 --> 00:22:47,760

that I am here precisely because of that

583

00:22:52,549 --> 00:22:50,159

resistance because it is hard to live

584

00:22:55,730 --> 00:22:52,559

here because it is that resistance that

585

00:22:58,669 --> 00:22:55,740

helps us to grow

586

00:23:00,590 --> 00:22:58,679

now not surprisingly when I look back at

587

00:23:02,810 --> 00:23:00,600

all of this I would say that it has

588

00:23:05,690 --> 00:23:02,820

changed me in some pretty profound ways

589

00:23:07,909 --> 00:23:05,700

in terms of how it has impacted my work

590

00:23:10,250 --> 00:23:07,919

as a researcher of the UFO phenomenon

591

00:23:12,350 --> 00:23:10,260

and Consciousness itself

592

00:23:14,390 --> 00:23:12,360

I would describe the transition as going

593

00:23:17,029 --> 00:23:14,400

from being someone deeply fascinated

594

00:23:18,289 --> 00:23:17,039

with the mystery of the phenomenon and

595

00:23:21,470 --> 00:23:18,299

here I mean all of the contact

596

00:23:23,330 --> 00:23:21,480

modalities not just UFOs and aliens to

597

00:23:25,970 --> 00:23:23,340

someone who feels committed to a sense

598

00:23:28,190 --> 00:23:25,980

of mission a mission that was in very

599

00:23:30,289 --> 00:23:28,200

real ways laid out before I ever

600

00:23:31,610 --> 00:23:30,299

incarnated into this particular Body

601
00:23:33,289 --> 00:23:31,620
Mind

602
00:23:34,730 --> 00:23:33,299
and here I'd like to bring this full

603
00:23:36,710 --> 00:23:34,740
circle to where I began this

604
00:23:38,630 --> 00:23:36,720
conversation talking about how

605
00:23:40,730 --> 00:23:38,640
experiences over the last year have

606
00:23:42,950 --> 00:23:40,740
effectively reclaimed more and more

607
00:23:45,490 --> 00:23:42,960
terrain of my lifetime

608
00:23:48,110 --> 00:23:45,500
at this point my entire life feels

609
00:23:50,810 --> 00:23:48,120
recontextualized I feel something akin

610
00:23:52,970 --> 00:23:50,820
to a sleeper agent who is awoken to a

611
00:23:55,250 --> 00:23:52,980
sense of purpose a purpose that was

612
00:23:56,870 --> 00:23:55,260
always lurking in the background but now

613
00:23:59,630 --> 00:23:56,880

feels to have crystallized into

614

00:24:01,909 --> 00:23:59,640

something clear and actionable

615

00:24:04,130 --> 00:24:01,919

I could go on but I've already said a

616

00:24:07,310 --> 00:24:04,140

lot and perhaps the best is left for

617

00:24:09,350 --> 00:24:07,320

future podcast episodes to say that I

618

00:24:11,930 --> 00:24:09,360

now feel like I'm in possession of or

619

00:24:14,029 --> 00:24:11,940

have access to a wealth of cosmological

620

00:24:16,850 --> 00:24:14,039

information is perhaps the

621

00:24:18,470 --> 00:24:16,860

understatement of the century I will say

622

00:24:21,350 --> 00:24:18,480

that everything I've come across in

623

00:24:23,210 --> 00:24:21,360

terms of this new cosmology has a place

624

00:24:25,730 --> 00:24:23,220

for various elements of the UFO

625

00:24:27,710 --> 00:24:25,740

phenomenon and that includes experiences

626

00:24:29,270 --> 00:24:27,720

that are positive some that are neutral

627

00:24:32,270 --> 00:24:29,280

some that are negative or at least

628

00:24:34,549 --> 00:24:32,280

perceived that way again we have here a

629

00:24:37,010 --> 00:24:34,559

plurality of different beings indeed

630

00:24:39,590 --> 00:24:37,020

different groups some are more evolved

631

00:24:41,450 --> 00:24:39,600

than others some are still very in

632

00:24:44,510 --> 00:24:41,460

self-service and others are more

633

00:24:46,789 --> 00:24:44,520

Universal in their mind and the more

634

00:24:49,310 --> 00:24:46,799

Universal ones are very interested in

635

00:24:51,649 --> 00:24:49,320

our progress as younger siblings if you

636

00:24:54,350 --> 00:24:51,659

will the less mature ones are still

637

00:24:56,630 --> 00:24:54,360

motivated by selfish desires much like

638

00:24:59,090 --> 00:24:56,640

many of us are and many of our leaders

639

00:25:01,730 --> 00:24:59,100

are on this planet

640

00:25:03,409 --> 00:25:01,740

now recently on social media I've been

641

00:25:06,049 --> 00:25:03,419

summarizing some of these Revelations

642

00:25:08,630 --> 00:25:06,059

I've had by publishing what I'm calling

643

00:25:10,430 --> 00:25:08,640

new cosmology truths these are little

644

00:25:12,529 --> 00:25:10,440

tidbits of information that I feel have

645

00:25:14,870 --> 00:25:12,539

been communicated to me that help me

646

00:25:17,210 --> 00:25:14,880

make sense of what's going on in the

647

00:25:18,770 --> 00:25:17,220

larger sense of the picture and I'd like

648

00:25:20,450 --> 00:25:18,780

to share some of those now I've got

649

00:25:21,289 --> 00:25:20,460

eight of them that I want to pass on to

650

00:25:24,110 --> 00:25:21,299

you

651
00:25:26,870 --> 00:25:24,120
number one psychic attacks from

652
00:25:29,630 --> 00:25:26,880
non-human intelligence happen biblical

653
00:25:31,570 --> 00:25:29,640
texts reference slash translate these in

654
00:25:33,710 --> 00:25:31,580
terms of powers and principalities

655
00:25:36,710 --> 00:25:33,720
importantly we're talking about a

656
00:25:40,909 --> 00:25:36,720
category of being that collapses and

657
00:25:43,669 --> 00:25:40,919
transcends both aliens and demons and

658
00:25:46,730 --> 00:25:43,679
that's key spirituality religious

659
00:25:49,070 --> 00:25:46,740
history and the UFO phenomenon are all

660
00:25:50,870 --> 00:25:49,080
captured within this cosmology it's all

661
00:25:53,630 --> 00:25:50,880
part of the same thing and again

662
00:25:55,010 --> 00:25:53,640
non-duality is key to understanding all

663
00:25:56,690 --> 00:25:55,020

of this

664

00:25:58,789 --> 00:25:56,700

all right moving on to the next

665

00:26:01,070 --> 00:25:58,799

cosmological tidbit

666

00:26:02,570 --> 00:26:01,080

telepathy is the default mode of

667

00:26:05,149 --> 00:26:02,580

communication throughout the

668

00:26:07,730 --> 00:26:05,159

interdimensional cosmos because all

669

00:26:10,490 --> 00:26:07,740

beings are ultimately facets of the one

670

00:26:13,370 --> 00:26:10,500

undivided source of Consciousness thus

671

00:26:14,510 --> 00:26:13,380

telepathy is effectively knowing one's

672

00:26:16,010 --> 00:26:14,520

mind

673

00:26:18,830 --> 00:26:16,020

and I would point out here that

674

00:26:19,909 --> 00:26:18,840

cutting-edge neuroscience and physics is

675

00:26:22,789 --> 00:26:19,919

kind of pointing in this direction

676

00:26:24,529 --> 00:26:22,799

anyway telepathy works not because

677

00:26:26,750 --> 00:26:24,539

there's a signal sent between two

678

00:26:29,690 --> 00:26:26,760

different beings but because ultimately

679

00:26:32,750 --> 00:26:29,700

those beings are one being that they are

680

00:26:35,810 --> 00:26:32,760

in the deepest sense one source and that

681

00:26:37,610 --> 00:26:35,820

one source has access to all and of

682

00:26:39,890 --> 00:26:37,620

course that explains why many of these

683

00:26:41,390 --> 00:26:39,900

others these alien beings know

684

00:26:43,970 --> 00:26:41,400

everything about us they know about

685

00:26:45,590 --> 00:26:43,980

every facet of Our Lives again because

686

00:26:47,750 --> 00:26:45,600

if you want to call it the akashic

687

00:26:49,610 --> 00:26:47,760

records or whatever that basically

688

00:26:52,789 --> 00:26:49,620

refers to the fact that at the source

689

00:26:56,269 --> 00:26:52,799

level there are no secrets

690

00:26:58,370 --> 00:26:56,279

all right on to number three to see

691

00:27:01,250 --> 00:26:58,380

reality in terms of distinct physical

692

00:27:04,669 --> 00:27:01,260

and spiritual Realms is another form of

693

00:27:07,070 --> 00:27:04,679

Duality reality is one a physical

694

00:27:10,490 --> 00:27:07,080

manifestation is the activity of

695

00:27:12,769 --> 00:27:10,500

Consciousness a Whirlpool presents as a

696

00:27:16,190 --> 00:27:12,779

distinct something but is ultimately

697

00:27:18,529 --> 00:27:16,200

just water inactivity

698

00:27:21,110 --> 00:27:18,539

number four in the same way that

699

00:27:23,870 --> 00:27:21,120

emergent capacities come online as part

700

00:27:25,970 --> 00:27:23,880

of the process of evolution at various

701
00:27:28,130 --> 00:27:25,980
points this emergence fundamentally

702
00:27:30,470 --> 00:27:28,140
changes one's interaction with the

703
00:27:33,529 --> 00:27:30,480
environment creating a mind over matter

704
00:27:36,710 --> 00:27:33,539
scenario as evidenced in the powers of

705
00:27:38,450 --> 00:27:36,720
various non-human intelligences

706
00:27:40,549 --> 00:27:38,460
number five

707
00:27:44,029 --> 00:27:40,559
Plumbing the depths of the unconscious

708
00:27:46,010 --> 00:27:44,039
is a path back to the all in these

709
00:27:48,830 --> 00:27:46,020
depths The Mountaintop manifestations

710
00:27:52,490 --> 00:27:48,840
that appear as and are being experienced

711
00:27:54,769 --> 00:27:52,500
as individual selves merge back into

712
00:27:56,690 --> 00:27:54,779
undivided Bedrock that is their true

713
00:27:59,870 --> 00:27:56,700

source

714

00:28:03,830 --> 00:27:59,880

number six in terms of overarching

715

00:28:05,870 --> 00:28:03,840

Dynamics non-duality is key because once

716

00:28:08,090 --> 00:28:05,880

non-duality has been grasped as

717

00:28:11,029 --> 00:28:08,100

fundamental reality on a collective

718

00:28:13,669 --> 00:28:11,039

scale groups affected human and

719

00:28:16,610 --> 00:28:13,679

non-human naturally expand their scope

720

00:28:18,230 --> 00:28:16,620

of concern to all sentient life in the

721

00:28:19,870 --> 00:28:18,240

cosmos

722

00:28:22,669 --> 00:28:19,880

number seven

723

00:28:24,830 --> 00:28:22,679

disclosure complexity involves Reckoning

724

00:28:27,250 --> 00:28:24,840

with the reality that Earth humans have

725

00:28:29,450 --> 00:28:27,260

different constitutional backgrounds

726
00:28:31,850 --> 00:28:29,460
backgrounds where earth-based human

727
00:28:34,190 --> 00:28:31,860
ancestral lines are only part of the

728
00:28:36,470 --> 00:28:34,200
story these various types experience

729
00:28:38,149 --> 00:28:36,480
reality differently

730
00:28:40,070 --> 00:28:38,159
now this was controversial when I

731
00:28:42,649 --> 00:28:40,080
tweeted this people thought perhaps I

732
00:28:43,909 --> 00:28:42,659
was referring to Eugenics I'm not I'm

733
00:28:46,610 --> 00:28:43,919
just saying we have different

734
00:28:48,769 --> 00:28:46,620
constitutional backgrounds some of the

735
00:28:51,529 --> 00:28:48,779
people on the Earth today don't only

736
00:28:53,330 --> 00:28:51,539
have histories as Earth humans that's

737
00:28:55,370 --> 00:28:53,340
part of the complexity and that's partly

738
00:28:58,190 --> 00:28:55,380

why we have such a mess of a

739

00:28:59,690 --> 00:28:58,200

Consciousness situation because there

740

00:29:02,990 --> 00:28:59,700

are people at very different levels

741

00:29:05,870 --> 00:29:03,000

presently coexisting on the Earth

742

00:29:07,610 --> 00:29:05,880

and finally number eight in imagining

743

00:29:10,430 --> 00:29:07,620

exploring the edges of the physical

744

00:29:13,310 --> 00:29:10,440

Universe we fail to recognize that

745

00:29:16,430 --> 00:29:13,320

everything discoverable there is readily

746

00:29:19,370 --> 00:29:16,440

available via Journeys within ultimately

747

00:29:22,789 --> 00:29:19,380

outward and inward Journeys take us to

748

00:29:26,090 --> 00:29:22,799

the same place quote unquote outside of

749

00:29:29,450 --> 00:29:26,100

space-time altogether

750

00:29:31,730 --> 00:29:29,460

now in closing what I will say of all

751

00:29:33,950 --> 00:29:31,740

this new information however is that it

752

00:29:35,750 --> 00:29:33,960

all wondrously fits with other elements

753

00:29:38,330 --> 00:29:35,760

of truth that I had already integrated

754

00:29:40,370 --> 00:29:38,340

into my being before any of this year's

755

00:29:43,070 --> 00:29:40,380

experiences took place

756

00:29:44,570 --> 00:29:43,080

in other words this contact has also

757

00:29:47,029 --> 00:29:44,580

served as a thread that's pulled

758

00:29:49,789 --> 00:29:47,039

together previously disparate elements

759

00:29:52,610 --> 00:29:49,799

of my life spiritually intellectually

760

00:29:55,430 --> 00:29:52,620

emotionally making the entire Enterprise

761

00:29:57,070 --> 00:29:55,440

feel both directed and overarchingly

762

00:29:59,389 --> 00:29:57,080

purposeful

763

00:30:01,610 --> 00:29:59,399

importantly I would add that I believe

764

00:30:04,370 --> 00:30:01,620

this is true for each and every one of

765

00:30:06,370 --> 00:30:04,380

us none of these experiences makes me

766

00:30:08,450 --> 00:30:06,380

special these kinds of contact

767

00:30:11,210 --> 00:30:08,460

potentialities are part of our

768

00:30:13,669 --> 00:30:11,220

Birthright as facets of the one Cosmic

769

00:30:17,029 --> 00:30:13,679

intelligence that undergirds absolutely

770

00:30:19,130 --> 00:30:17,039

everything that is on every plane and

771

00:30:21,649 --> 00:30:19,140

every stage of consciousness

772

00:30:23,510 --> 00:30:21,659

despite what the Absurd message of the

773

00:30:26,450 --> 00:30:23,520

reductionistic materialist worldview

774

00:30:29,149 --> 00:30:26,460

would have you believe you are here for

775

00:30:30,950 --> 00:30:29,159

a reason and you also have a mission in

776

00:30:34,130 --> 00:30:30,960

the form of an energetic waveform that

777

00:30:37,010 --> 00:30:34,140

wants to resolve itself if you will

778

00:30:39,190 --> 00:30:37,020

this purpose also extends to us as a

779

00:30:41,930 --> 00:30:39,200

collective we as a civilization

780

00:30:45,169 --> 00:30:41,940

expressed in numerous present grades of

781

00:30:47,930 --> 00:30:45,179

progress also form unique iterations of

782

00:30:50,510 --> 00:30:47,940

Consciousness and those various grades

783

00:30:53,230 --> 00:30:50,520

are also seeking even when not fully

784

00:30:57,950 --> 00:30:53,240

aware of it to move towards Clarity

785

00:31:00,529 --> 00:30:57,960

resolution and eventually graduation

786

00:31:03,049 --> 00:31:00,539

I am as convinced of this as I am that

787

00:31:05,149 --> 00:31:03,059

tomorrow morning come rain or shine the

788

00:31:09,889 --> 00:31:05,159

sun will make its way over the horizon

789

00:31:12,409 --> 00:31:09,899

of our 3D Collective mindscape

790

00:31:14,630 --> 00:31:12,419

and on that note we've come to the close

791

00:31:16,970 --> 00:31:14,640
