[Music]

2
00:00:14,450 --> 00:00:11,089

hello and welcome to episode number 76

3
00:00:19,010 --> 00:00:14,460

of the point of conversions podcast as

4
00:00:21,769 --> 00:00:19,020

always I am your host EXO academian

5
00:00:24,050 --> 00:00:21,779

the so-called UFO phenomenon is a tricky

6
00:00:26,150 --> 00:00:24,060

affair because no matter when and from

7
00:00:27,890 --> 00:00:26,160

where you enter the discussion you're

8
00:00:30,349 --> 00:00:27,900

inevitably going to face having your

9
00:00:33,770 --> 00:00:30,359

assumptions and expectations stretched

10
00:00:35,990 --> 00:00:33,780

to the max indeed to those really paying

11
00:00:37,970 --> 00:00:36,000

close attention to for instance the

12
00:00:40,430 --> 00:00:37,980

wealth of experience or data that's been

13
00:00:42,350 --> 00:00:40,440

amassed over decades it's clear that a

14

00:00:45,889 --> 00:00:42,360

discourse around the nature of potential

15

00:00:48,290 --> 00:00:45,899

UFOs and aliens in our midst eventually

16

00:00:50,090 --> 00:00:48,300

leads to a much deeper Rabbit Hole where

17

00:00:53,450 --> 00:00:50,100

our place in the universe and the Very

18

00:00:55,670 --> 00:00:53,460

nature of reality are in play

19

00:00:58,310 --> 00:00:55,680

of course one of the biggest leaps those

20

00:01:00,770 --> 00:00:58,320

who entered this discussion face is the

21

00:01:03,049 --> 00:01:00,780

notion not simply that aliens exist out

22

00:01:05,810 --> 00:01:03,059

there somewhere perhaps in some corner

23

00:01:07,670 --> 00:01:05,820

of the vast expanse of the cosmos but

24

00:01:10,429 --> 00:01:07,680

that they're here and perhaps have been

25

00:01:12,770 --> 00:01:10,439

for as long and undoubtedly even longer

26

00:01:15,230 --> 00:01:12,780

than we've been looking for them

27

00:01:17,030 --> 00:01:15,240

but if that's true Skeptics ask why

28

00:01:19,250 --> 00:01:17,040

aren't we finding clear undeniable

29

00:01:21,050 --> 00:01:19,260

evidence for their presence and for that

30

00:01:22,969 --> 00:01:21,060

matter why don't they simply land on the

31

00:01:24,770 --> 00:01:22,979

White House lawn to put the matter to

32

00:01:27,469 --> 00:01:24,780

rest once and for all

33

00:01:29,570 --> 00:01:27,479

it's absurd to think they're here these

34

00:01:31,969 --> 00:01:29,580

Skeptics confidently assert but then

35

00:01:35,330 --> 00:01:31,979

choose this bizarre stealthiness

36

00:01:37,910 --> 00:01:35,340

absurdity you say indeed we've got that

37

00:01:40,130 --> 00:01:37,920

in Spades even welcome to the UFO

38

00:01:42,289 --> 00:01:40,140

phenomenon as it actually exists rather

39

00:01:44,390 --> 00:01:42,299

than how you'd like it to be based on

40

00:01:47,270 --> 00:01:44,400

your 21st century Western expectations

41

00:01:49,490 --> 00:01:47,280

and assumptions one of the largest and

42

00:01:51,289 --> 00:01:49,500

most questionable of which is the belief

43

00:01:54,230 --> 00:01:51,299

that if they were here we'd be able to

44

00:01:56,749 --> 00:01:54,240

detect them with relative ease

45

00:01:58,910 --> 00:01:56,759

another major Deep dive into the

46

00:02:01,010 --> 00:01:58,920

proverbial Rabbit Hole comes when one

47

00:02:03,190 --> 00:02:01,020

comes to grips that these various others

48

00:02:05,630 --> 00:02:03,200

are not only here but are actually

49

00:02:08,449 --> 00:02:05,640

interacting with various human beings

50

00:02:10,790 --> 00:02:08,459

and that this circumstance is much more

51
00:02:12,770 --> 00:02:10,800
commonplace than the mainstream media

52
00:02:14,150 --> 00:02:12,780
and present political set would have you

53
00:02:16,250 --> 00:02:14,160
believe

54
00:02:18,350 --> 00:02:16,260
and even once you've digested that

55
00:02:20,210 --> 00:02:18,360
interactions really are happening you're

56
00:02:22,070 --> 00:02:20,220
then confronted by just how diverse

57
00:02:24,110 --> 00:02:22,080
these interactions are

58
00:02:26,330 --> 00:02:24,120
indeed they seem to cover the proverbial

59
00:02:28,790 --> 00:02:26,340
gamut from positive encounters with

60
00:02:30,650 --> 00:02:28,800
supportive inspirational entities to

61
00:02:32,869 --> 00:02:30,660
frightening encounters with beings who

62
00:02:35,690 --> 00:02:32,879
conduct obtuse medical procedures and

63
00:02:37,790 --> 00:02:35,700

examinations that seem on the face of it

64

00:02:40,190 --> 00:02:37,800

to be much more invasive than is

65

00:02:42,770 --> 00:02:40,200

necessary especially if these beings are

66

00:02:44,869 --> 00:02:42,780

as advanced as they purport to be

67

00:02:46,610 --> 00:02:44,879

get an even more Paradigm stretching

68

00:02:49,009 --> 00:02:46,620

matter arises when people hear of

69

00:02:52,190 --> 00:02:49,019

encounters with beings that humans come

70

00:02:55,309 --> 00:02:52,200

to find they recognize and even feel a

71

00:02:56,869 --> 00:02:55,319

pre-incarnate familial connection to and

72

00:02:59,270 --> 00:02:56,879

often these encounters involve the

73

00:03:01,430 --> 00:02:59,280

person being reminded of a particular

74

00:03:05,330 --> 00:03:01,440

Mission they are here in this

75

00:03:07,369 --> 00:03:05,340

Incarnation as an earth human to fulfill

76

00:03:09,530 --> 00:03:07,379

of course this brings to mind for some

77

00:03:12,050 --> 00:03:09,540

people the religious notion of Angels

78

00:03:13,430 --> 00:03:12,060

and Demons as old as human civilization

79

00:03:15,229 --> 00:03:13,440

itself

80

00:03:17,149 --> 00:03:15,239

but these beings often arrive in

81

00:03:19,910 --> 00:03:17,159

spacecraft and have their own home

82

00:03:22,430 --> 00:03:19,920

planets are these the same entities as

83

00:03:24,050 --> 00:03:22,440

are reported in religious Traditions or

84

00:03:25,970 --> 00:03:24,060

different ones altogether

85

00:03:28,070 --> 00:03:25,980

and how are we to make sense of these

86

00:03:30,290 --> 00:03:28,080

particular encounters from within the

87

00:03:31,729 --> 00:03:30,300

dazzling complexity that is the UFO

88

00:03:33,830 --> 00:03:31,739

phenomenon

89

00:03:37,790 --> 00:03:33,840

these are the very matters we'll seek to

90

00:03:42,910 --> 00:03:37,800

disentangle in this the 76th episode of

91

00:03:46,910 --> 00:03:44,509

foreign

92

00:03:49,190 --> 00:03:46,920

I'd like to begin this week's episode by

93

00:03:51,710 --> 00:03:49,200

reminding people that I also am part of

94

00:03:54,350 --> 00:03:51,720

another podcast titled liminal frames

95

00:03:56,149 --> 00:03:54,360

which happens on the in between weeks so

96

00:03:58,190 --> 00:03:56,159

in other words you can get it on the in

97

00:04:00,770 --> 00:03:58,200

between weeks again on Saturday nights

98

00:04:03,009 --> 00:04:00,780

at 8pm Eastern Standard Time is when it

99

00:04:06,410 --> 00:04:03,019

gets released on the weeks in between

100

00:04:08,149 --> 00:04:06,420

POC episodes that's liminal frames and

101
00:04:10,550 --> 00:04:08,159
that's a conversational kind of format

102
00:04:12,649 --> 00:04:10,560
with my friend Nathan and we cover

103
00:04:15,289 --> 00:04:12,659
topics similar to this and also cover

104
00:04:17,990 --> 00:04:15,299
religious history and other esoteric

105
00:04:20,509 --> 00:04:18,000
topics as well conversational and runs

106
00:04:22,330 --> 00:04:20,519
for about 90 minutes each episode you

107
00:04:24,650 --> 00:04:22,340
can find that on my YouTube channel

108
00:04:26,810 --> 00:04:24,660
exoacademian and if you're looking for a

109
00:04:29,810 --> 00:04:26,820
podcast liminal frames is a dedicated

110
00:04:31,550 --> 00:04:29,820
podcast that has its own publication so

111
00:04:34,070 --> 00:04:31,560
you want to look for liminal frames on

112
00:04:38,150 --> 00:04:34,080
your favorite podcast platform frames

113
00:04:41,350 --> 00:04:38,160

spelled with a pH inspired by phenomenon

114

00:04:44,030 --> 00:04:41,360

okay so today's topic discussing

115

00:04:46,550 --> 00:04:44,040

interactions with beings alien entities

116

00:04:48,290 --> 00:04:46,560

apparently that people have a familial

117

00:04:50,749 --> 00:04:48,300

connection to they somehow feel

118

00:04:52,850 --> 00:04:50,759

connected to these beings and often they

119

00:04:55,550 --> 00:04:52,860

will remember having interactions with

120

00:04:58,490 --> 00:04:55,560

them close intimate interactions from

121

00:05:00,650 --> 00:04:58,500

even before birth and this often happens

122

00:05:02,390 --> 00:05:00,660

initially in early childhood that they

123

00:05:04,730 --> 00:05:02,400

have these encounters and then remember

124

00:05:08,629 --> 00:05:04,740

sometimes having encounters from even

125

00:05:11,629 --> 00:05:08,639

before they incarnated as a human being

126
00:05:13,670 --> 00:05:11,639
now specifically this topic today is

127
00:05:16,129 --> 00:05:13,680
part of my ongoing discussion of a new

128
00:05:18,710 --> 00:05:16,139
cosmology and there's a lot to it it's

129
00:05:20,390 --> 00:05:18,720
very complex but it's also coherent but

130
00:05:21,350 --> 00:05:20,400
it's going to take some time to roll it

131
00:05:23,930 --> 00:05:21,360
all out

132
00:05:25,850 --> 00:05:23,940
and since uh last week's episode I've

133
00:05:28,730 --> 00:05:25,860
published two additional of these new

134
00:05:31,070 --> 00:05:28,740
cosmology truth nuggets and number 10

135
00:05:33,710 --> 00:05:31,080
and 13 specifically apply to today's

136
00:05:34,790 --> 00:05:33,720
topic so I wanted to begin by discussing

137
00:05:37,450 --> 00:05:34,800
those

138
00:05:39,710 --> 00:05:37,460

new cosmology truth number 10 says

139

00:05:42,469 --> 00:05:39,720

sightings of anomalous phenomena

140

00:05:44,990 --> 00:05:42,479

sometimes serve as signal flares for

141

00:05:47,529 --> 00:05:45,000

human beings with histories Beyond this

142

00:05:51,230 --> 00:05:47,539

Incarnation and Beyond merely human

143

00:05:52,790 --> 00:05:51,240

ancestry the aim is to wake them up in

144

00:05:55,070 --> 00:05:52,800

other words these are strategic

145

00:05:57,409 --> 00:05:55,080

activation prompts

146

00:06:00,350 --> 00:05:57,419

and then new cosmology truth number 13

147

00:06:02,629 --> 00:06:00,360

states a Life review that comes at the

148

00:06:05,390 --> 00:06:02,639

end of a particular Incarnation is not

149

00:06:08,150 --> 00:06:05,400

intended as a means to justify punitive

150

00:06:10,670 --> 00:06:08,160

action but as an opportunity for a soul

151
00:06:13,670 --> 00:06:10,680
to have a transparent view into the

152
00:06:15,170 --> 00:06:13,680
impact of actions and experiences on a

153
00:06:17,629 --> 00:06:15,180
field of Consciousness that is

154
00:06:20,090 --> 00:06:17,639
intrinsically connected when people

155
00:06:22,309 --> 00:06:20,100
imagine punitive action in this scenario

156
00:06:24,830 --> 00:06:22,319
they tend to see that as being at the

157
00:06:26,930 --> 00:06:24,840
hands of a god figure who is comparing

158
00:06:29,749 --> 00:06:26,940
their actions to a list of arbitrary

159
00:06:31,790 --> 00:06:29,759
do's and don'ts but here the soul is

160
00:06:34,670 --> 00:06:31,800
left to consider the implications of

161
00:06:37,670 --> 00:06:34,680
actions and experiences on the field

162
00:06:41,749 --> 00:06:37,680
quote unquote so those are two important

163
00:06:43,730 --> 00:06:41,759

nuggets that apply to today's topic

164

00:06:45,950 --> 00:06:43,740

all right let's dig in

165

00:06:48,409 --> 00:06:45,960

as I pointed out numerous times on this

166

00:06:50,629 --> 00:06:48,419

podcast I think the evidence presented

167

00:06:52,490 --> 00:06:50,639

in the body of historical experimenter

168

00:06:55,129 --> 00:06:52,500

accounts suggests that what we

169

00:06:56,930 --> 00:06:55,139

colloquially call the UFO phenomenon is

170

00:06:59,090 --> 00:06:56,940

an amalgam of different groups with

171

00:07:01,730 --> 00:06:59,100

different agendas coming from different

172

00:07:03,529 --> 00:07:01,740

Origins many of you familiar with my

173

00:07:06,469 --> 00:07:03,539

work will have heard me say that many

174

00:07:08,870 --> 00:07:06,479

times that said there's another key

175

00:07:10,670 --> 00:07:08,880

element to add to the mix here that is

176

00:07:12,469 --> 00:07:10,680

usually missed entirely in the public

177

00:07:16,070 --> 00:07:12,479

conversation around the discussion of

178

00:07:17,330 --> 00:07:16,080

UFOs and aliens and that is stages of

179

00:07:19,430 --> 00:07:17,340

consciousness

180

00:07:21,469 --> 00:07:19,440

in other words not only is the UFO

181

00:07:22,969 --> 00:07:21,479

phenomenon composed of different groups

182

00:07:25,909 --> 00:07:22,979

with different agendas and different

183

00:07:28,370 --> 00:07:25,919

Origins but also very significantly

184

00:07:30,589 --> 00:07:28,380

working under different developmental

185

00:07:32,809 --> 00:07:30,599

levels of consciousness

186

00:07:35,629 --> 00:07:32,819

truth be told this is the most Central

187

00:07:37,249 --> 00:07:35,639

variable to be aware of here and of

188

00:07:40,129 --> 00:07:37,259

course agendas and levels of

189

00:07:41,689 --> 00:07:40,139

consciousness overlap the higher on the

190

00:07:44,510 --> 00:07:41,699

spiral one's level of Consciousness

191

00:07:45,950 --> 00:07:44,520

development is the more one's agenda is

192

00:07:48,770 --> 00:07:45,960

underlined with an increasingly

193

00:07:51,469 --> 00:07:48,780

expansive sphere of concern until

194

00:07:54,589 --> 00:07:51,479

ultimately upon a truly non-dual

195

00:07:58,490 --> 00:07:54,599

realization one sees no real distinction

196

00:08:02,330 --> 00:07:58,500

between other any other alien or not and

197

00:08:04,550 --> 00:08:02,340

self all sentient life is included

198

00:08:06,469 --> 00:08:04,560

now it's worth pausing for a moment here

199

00:08:08,089 --> 00:08:06,479

to address a concern that is sometimes

200

00:08:10,010 --> 00:08:08,099

raised at this point

201
00:08:13,309 --> 00:08:10,020
having to do with what some people see

202
00:08:15,230 --> 00:08:13,319
as a focus on human consciousness as a

203
00:08:17,150 --> 00:08:15,240
kind of anthropocentrism

204
00:08:19,010 --> 00:08:17,160
what makes you assume alien life would

205
00:08:20,869 --> 00:08:19,020
be anything like Humanity these people

206
00:08:22,490 --> 00:08:20,879
say what makes you think their

207
00:08:24,110 --> 00:08:22,500
Consciousness would have anything in

208
00:08:25,730 --> 00:08:24,120
common with our own

209
00:08:27,350 --> 00:08:25,740
well here again I would Point such

210
00:08:30,050 --> 00:08:27,360
people to the body of historical

211
00:08:32,630 --> 00:08:30,060
experience or accounts truth be told

212
00:08:35,209 --> 00:08:32,640
many people raising that objection are

213
00:08:36,589 --> 00:08:35,219

not familiar with said material and when

214

00:08:37,850 --> 00:08:36,599

they are aware of it they quickly

215

00:08:40,610 --> 00:08:37,860

dismiss it

216

00:08:43,130 --> 00:08:40,620

but what that expansive data tells us is

217

00:08:45,410 --> 00:08:43,140

that often these various others do have

218

00:08:46,430 --> 00:08:45,420

a Consciousness not so dissimilar from

219

00:08:49,310 --> 00:08:46,440

our own

220

00:08:51,590 --> 00:08:49,320

are there good and bad ones well in a

221

00:08:54,290 --> 00:08:51,600

shallow interpretation yes just as there

222

00:08:57,410 --> 00:08:54,300

are with human beings but a closer more

223

00:08:59,329 --> 00:08:57,420

nuanced more realistic examination shows

224

00:09:02,269 --> 00:08:59,339

us that the various alien entities that

225

00:09:04,910 --> 00:09:02,279

are encountered cover range from lowly

226

00:09:06,829 --> 00:09:04,920

to highly developed along a familiar

227

00:09:08,389 --> 00:09:06,839

spectrum of consciousness

228

00:09:10,250 --> 00:09:08,399

and if you'd like to know more about

229

00:09:12,530 --> 00:09:10,260

that spiral of Consciousness development

230

00:09:14,690 --> 00:09:12,540

I covered that in depth way back in

231

00:09:17,329 --> 00:09:14,700

episode 9 which was titled disclosure

232

00:09:20,990 --> 00:09:17,339

dilemma examining the impact of a public

233

00:09:23,389 --> 00:09:21,000

revelation of a superior alien presence

234

00:09:25,790 --> 00:09:23,399

now that episode was primarily focused

235

00:09:27,889 --> 00:09:25,800

on the varying levels of consciousness

236

00:09:30,650 --> 00:09:27,899

currently coexisting on the earth

237

00:09:32,389 --> 00:09:30,660

amongst humans the point being that

238

00:09:35,030 --> 00:09:32,399

asking about the nature of a singular

239

00:09:36,829 --> 00:09:35,040

planetary response to the disclosure of

240

00:09:39,230 --> 00:09:36,839

aliens in our midst is a largely

241

00:09:41,630 --> 00:09:39,240

incoherent question because the

242

00:09:43,910 --> 00:09:41,640

responses will vary greatly depending on

243

00:09:46,610 --> 00:09:43,920

the stage of Consciousness a particular

244

00:09:48,769 --> 00:09:46,620

people group is working under indeed

245

00:09:51,470 --> 00:09:48,779

there are three major different levels

246

00:09:54,350 --> 00:09:51,480

of consciousness coexisting just within

247

00:09:56,509 --> 00:09:54,360

the United States in 2022 so you can

248

00:09:58,790 --> 00:09:56,519

imagine how complex it gets when you

249

00:10:01,070 --> 00:09:58,800

consider the entire globe

250

00:10:03,110 --> 00:10:01,080

now in that episode I also pointed out

251
00:10:05,570 --> 00:10:03,120
that these steps along the Consciousness

252
00:10:07,730 --> 00:10:05,580
spiral are predictable and that's

253
00:10:09,710 --> 00:10:07,740
important in other words the

254
00:10:12,050 --> 00:10:09,720
sociological study of various cultures

255
00:10:13,970 --> 00:10:12,060
from around the world shows this

256
00:10:16,910 --> 00:10:13,980
repeated progression in Consciousness

257
00:10:18,470 --> 00:10:16,920
the steps are always Progressive and

258
00:10:20,810 --> 00:10:18,480
always predictable

259
00:10:22,790 --> 00:10:20,820
importantly these various levels of

260
00:10:25,130 --> 00:10:22,800
consciousness not only shape the way one

261
00:10:27,949 --> 00:10:25,140
interprets reality but they also change

262
00:10:28,970 --> 00:10:27,959
the very way one sees and experiences

263
00:10:31,430 --> 00:10:28,980

reality

264

00:10:33,590 --> 00:10:31,440

new capacities come online as people

265

00:10:36,230 --> 00:10:33,600

progress along the spiral

266

00:10:38,750 --> 00:10:36,240

now when one pursues the vast experience

267

00:10:41,509 --> 00:10:38,760

for literature available a very similar

268

00:10:43,970 --> 00:10:41,519

picture emerges people have experiences

269

00:10:46,069 --> 00:10:43,980

with beings that vary but that can be

270

00:10:47,569 --> 00:10:46,079

mapped back to the same Consciousness

271

00:10:50,389 --> 00:10:47,579

spiral

272

00:10:52,370 --> 00:10:50,399

indeed what we see really is something

273

00:10:54,710 --> 00:10:52,380

like a foundational set of principles

274

00:10:56,990 --> 00:10:54,720

around Consciousness that apply

275

00:10:58,370 --> 00:10:57,000

throughout the cosmos

276

00:11:00,650 --> 00:10:58,380

of course this says something

277

00:11:03,829 --> 00:11:00,660

significant about the nature of reality

278

00:11:05,990 --> 00:11:03,839

itself which as I've stated before I see

279

00:11:08,150 --> 00:11:06,000

based on evidence arising in numerous

280

00:11:10,850 --> 00:11:08,160

diverse but converging fields of inquiry

281

00:11:12,889 --> 00:11:10,860

is more like a collective mindscape or

282

00:11:15,769 --> 00:11:12,899

shared Dreamscape

283

00:11:17,569 --> 00:11:15,779

very importantly and fundamentally the

284

00:11:20,269 --> 00:11:17,579

reason why Consciousness follows a

285

00:11:22,670 --> 00:11:20,279

predictable trajectory across the vast

286

00:11:25,250 --> 00:11:22,680

expanse of the cosmos or perhaps better

287

00:11:26,990 --> 00:11:25,260

put based on what we just said across

288

00:11:29,870 --> 00:11:27,000

the mental construct of our shared

289

00:11:32,569 --> 00:11:29,880

Dreamscape is that all sentient life is

290

00:11:34,910 --> 00:11:32,579

ultimately a facet of the one underlying

291

00:11:36,769 --> 00:11:34,920

Consciousness that is the Bedrock of

292

00:11:39,170 --> 00:11:36,779

reality itself

293

00:11:41,870 --> 00:11:39,180

all this one and all is God is another

294

00:11:44,090 --> 00:11:41,880

way to put that though in the forgetting

295

00:11:46,250 --> 00:11:44,100

process that is part of the fragmenting

296

00:11:48,710 --> 00:11:46,260

that happens with the one Cosmic

297

00:11:50,930 --> 00:11:48,720

intelligence as its subsets subdivide

298

00:11:53,509 --> 00:11:50,940

yet again that awareness of being

299

00:11:55,970 --> 00:11:53,519

intricately and indivisibly Connected To

300

00:11:58,490 --> 00:11:55,980

Source is temporarily lost

301
00:12:01,069 --> 00:11:58,500
importantly that voluntary forgetting

302
00:12:03,769 --> 00:12:01,079
happens in order to encounter novel

303
00:12:05,769 --> 00:12:03,779
experience and the variable nature of

304
00:12:08,449 --> 00:12:05,779
complete Free Will and what it brings

305
00:12:10,670 --> 00:12:08,459
and then through experience to

306
00:12:13,370 --> 00:12:10,680
contribute those Lessons Learned in

307
00:12:15,530 --> 00:12:13,380
terms of truth beauty and love back to

308
00:12:17,990 --> 00:12:15,540
the one ultimately undivided

309
00:12:20,930 --> 00:12:18,000
Consciousness as part of its ongoing

310
00:12:24,170 --> 00:12:20,940
journey of self-discovery self with a

311
00:12:26,690 --> 00:12:24,180
capital S there a cells comprising all

312
00:12:28,910 --> 00:12:26,700
of the sentient life in the cosmos

313
00:12:31,310 --> 00:12:28,920

and again in terms of our topic here

314

00:12:33,710 --> 00:12:31,320

this holds true for all sentient life

315

00:12:36,470 --> 00:12:33,720

across the cosmos whether human being

316

00:12:38,569 --> 00:12:36,480

gray alien or an amalgam of the two in

317

00:12:40,730 --> 00:12:38,579

the form of a hybrid

318

00:12:42,769 --> 00:12:40,740

as I've already pointed out the body of

319

00:12:45,290 --> 00:12:42,779

historical experimenter accounts when

320

00:12:47,210 --> 00:12:45,300

taken in Toto paint a picture of

321

00:12:49,670 --> 00:12:47,220

encounters with beings that fall at

322

00:12:52,430 --> 00:12:49,680

various points along the spiral of

323

00:12:55,370 --> 00:12:52,440

Developmental Consciousness that said

324

00:12:57,829 --> 00:12:55,380

because negativity and fear tend to

325

00:13:00,110 --> 00:12:57,839

dominate our shared mindscape in western

326

00:13:02,930 --> 00:13:00,120

civilization the more negative

327

00:13:05,030 --> 00:13:02,940

encounters tend to get a lot of play and

328

00:13:06,550 --> 00:13:05,040

by negative I mean both encounters that

329

00:13:08,389 --> 00:13:06,560

really do involve encountering

330

00:13:10,910 --> 00:13:08,399

self-serving and thus seemingly

331

00:13:12,650 --> 00:13:10,920

malevolent entities as well as more

332

00:13:14,810 --> 00:13:12,660

nuanced encounters that were at least

333

00:13:17,090 --> 00:13:14,820

initially perceived as negative because

334

00:13:19,250 --> 00:13:17,100

of the discomfort the sheer ontological

335

00:13:22,490 --> 00:13:19,260

shock produced in the body mind

336

00:13:24,650 --> 00:13:22,500

experience of a particular human being

337

00:13:27,350 --> 00:13:24,660

without a doubt abduction accounts

338

00:13:30,050 --> 00:13:27,360

involving seemingly uncaring indifferent

339

00:13:31,250 --> 00:13:30,060

business-like entities tend to get most

340

00:13:33,110 --> 00:13:31,260

of the press

341

00:13:35,329 --> 00:13:33,120

but to those paying attention to the

342

00:13:37,430 --> 00:13:35,339

fullness of accounts available there are

343

00:13:40,730 --> 00:13:37,440

decidedly positive encounters involving

344

00:13:42,530 --> 00:13:40,740

apparent history slash familiarity with

345

00:13:44,569 --> 00:13:42,540

beings that in the experience of the

346

00:13:47,150 --> 00:13:44,579

person having the encounter as we've

347

00:13:49,670 --> 00:13:47,160

been saying seem to extend to a period

348

00:13:52,610 --> 00:13:49,680

from before birth sometimes remembered

349

00:13:53,990 --> 00:13:52,620

from a time between incarnations and

350

00:13:56,750 --> 00:13:54,000

sometimes remembered from a previous

351

00:13:58,910 --> 00:13:56,760

lifetime altogether interestingly

352

00:14:00,769 --> 00:13:58,920

sometimes those previous lifetimes were

353

00:14:03,110 --> 00:14:00,779

not as a human being and that's

354

00:14:05,449 --> 00:14:03,120

significant this is a big part of the

355

00:14:08,210 --> 00:14:05,459

cosmology a big part of what makes this

356

00:14:10,430 --> 00:14:08,220

so complex is not just the many others

357

00:14:13,310 --> 00:14:10,440

that are in our midst but how even human

358

00:14:16,490 --> 00:14:13,320

beings coexisting on the earth do not

359

00:14:18,470 --> 00:14:16,500

have the same constitutional background

360

00:14:20,870 --> 00:14:18,480

of course knowing that some of these

361

00:14:22,790 --> 00:14:20,880

encounters have a familial feel to them

362

00:14:24,949 --> 00:14:22,800

and sometimes involve memories of a

363

00:14:27,590 --> 00:14:24,959

human being being a different kind of

364

00:14:30,170 --> 00:14:27,600

entity in a previous lifetime certainly

365

00:14:33,110 --> 00:14:30,180

complicates or to co-opt a joffrelay

366

00:14:35,990 --> 00:14:33,120

phrase makes more interesting the

367

00:14:38,269 --> 00:14:36,000

question around us and them and puts a

368

00:14:40,910 --> 00:14:38,279

new Wrinkle in the ongoing mystery of

369

00:14:43,250 --> 00:14:40,920

the UFO phenomenon

370

00:14:45,230 --> 00:14:43,260

to make better sense of what is entailed

371

00:14:47,090 --> 00:14:45,240

in these kinds of encounters let's

372

00:14:48,170 --> 00:14:47,100

consider a few that I personally am

373

00:14:50,210 --> 00:14:48,180

aware of

374

00:14:52,790 --> 00:14:50,220

in each of these you'll find some unique

375

00:14:55,430 --> 00:14:52,800

elements but also an overarching theme

376

00:14:56,930 --> 00:14:55,440

involving purpose that cuts across all

377

00:14:58,850 --> 00:14:56,940

of them

378

00:15:01,310 --> 00:14:58,860

the first case I have that relates to

379

00:15:03,550 --> 00:15:01,320

this episode's theme involves a man who

380

00:15:05,930 --> 00:15:03,560

was injured by way of a wayward gunshot

381

00:15:08,150 --> 00:15:05,940

this happened when the person was a

382

00:15:10,250 --> 00:15:08,160

child while they were being rushed to

383

00:15:12,290 --> 00:15:10,260

the hospital they found themselves on

384

00:15:15,230 --> 00:15:12,300

board a craft outside the Earth's

385

00:15:17,090 --> 00:15:15,240

atmosphere looking back at the Earth

386

00:15:19,250 --> 00:15:17,100

now during this part of the encounter

387

00:15:22,210 --> 00:15:19,260

the person felt no pain from the gunshot

388

00:15:24,590 --> 00:15:22,220

wound but was in fear of these decidedly

389

00:15:26,689 --> 00:15:24,600

non-human looking beings

390

00:15:29,030 --> 00:15:26,699

sensing his fear these beings

391

00:15:31,250 --> 00:15:29,040

communicated telepathically that they

392

00:15:33,829 --> 00:15:31,260

meant the person no harm that they were

393

00:15:35,750 --> 00:15:33,839

there to help him indeed they assured

394

00:15:38,750 --> 00:15:35,760

him that despite the severe injury he

395

00:15:40,970 --> 00:15:38,760

had suffered he was going to be okay

396

00:15:42,949 --> 00:15:40,980

in fact their communication went much

397

00:15:45,590 --> 00:15:42,959

further than that for they told him

398

00:15:47,990 --> 00:15:45,600

again telepathically that they had known

399

00:15:50,689 --> 00:15:48,000

him from before he ever came into this

400

00:15:52,790 --> 00:15:50,699

Incarnation as an earth human and that

401
00:15:55,009 --> 00:15:52,800
they were always watching over him

402
00:15:57,590 --> 00:15:55,019
interestingly this person then began to

403
00:16:00,530 --> 00:15:57,600
feel very distant memory surface where

404
00:16:03,590 --> 00:16:00,540
he did indeed know these beings or it

405
00:16:06,110 --> 00:16:03,600
seems so this feeling of familiarity was

406
00:16:07,910 --> 00:16:06,120
startling to his rational mind

407
00:16:10,370 --> 00:16:07,920
and while in the presence of these

408
00:16:13,129 --> 00:16:10,380
beings they also reminded him that he

409
00:16:15,110 --> 00:16:13,139
had a purpose on the earth a mission if

410
00:16:17,389 --> 00:16:15,120
you will that would become clear to him

411
00:16:19,550 --> 00:16:17,399
later in his lifetime

412
00:16:22,189 --> 00:16:19,560
sure enough that sense of calling or

413
00:16:24,530 --> 00:16:22,199

vocation if you will did become clear to

414

00:16:26,090 --> 00:16:24,540

him decades after this early childhood

415

00:16:28,069 --> 00:16:26,100

encounter

416

00:16:29,990 --> 00:16:28,079

now some people might hear a story like

417

00:16:34,850 --> 00:16:30,000

this and assume what we're talking about

418

00:16:37,610 --> 00:16:34,860

here are not et's or aliens but angels

419

00:16:39,650 --> 00:16:37,620

well that designation might fit except

420

00:16:42,350 --> 00:16:39,660

for the fact that they proceeded to take

421

00:16:45,170 --> 00:16:42,360

this person on a space Voyage to their

422

00:16:47,569 --> 00:16:45,180

home planet during this encounter

423

00:16:49,790 --> 00:16:47,579

and after spending some time there and

424

00:16:53,269 --> 00:16:49,800

communing with them they returned him to

425

00:16:55,129 --> 00:16:53,279

Earth again via a trip in their craft at

426
00:16:58,610 --> 00:16:55,139
which point he awoke in a hospital bed

427
00:17:00,650 --> 00:16:58,620
where he eventually made a full recovery

428
00:17:03,710 --> 00:17:00,660
so as you can see these beings seem to

429
00:17:05,809 --> 00:17:03,720
defy our traditional categories they act

430
00:17:07,429 --> 00:17:05,819
in ways that seem Angelic on the one

431
00:17:09,650 --> 00:17:07,439
hand according to most people's

432
00:17:11,630 --> 00:17:09,660
understanding and or assumptions

433
00:17:14,090 --> 00:17:11,640
but they also had a home base on another

434
00:17:16,490 --> 00:17:14,100
planet and traveled via an apparent

435
00:17:17,829 --> 00:17:16,500
spacecraft which is more typical of

436
00:17:21,230 --> 00:17:17,839
conventional Notions of

437
00:17:22,549 --> 00:17:21,240
extraterrestrials I.E biological alien

438
00:17:25,010 --> 00:17:22,559

entities

439

00:17:27,169 --> 00:17:25,020

I think a third category that collapses

440

00:17:29,450 --> 00:17:27,179

both these Notions is a better fit here

441

00:17:32,510 --> 00:17:29,460

and I will describe this Transcendent

442

00:17:34,490 --> 00:17:32,520

category later in the podcast

443

00:17:35,990 --> 00:17:34,500

a second case that shares these

444

00:17:38,390 --> 00:17:36,000

overarching characteristics of

445

00:17:41,270 --> 00:17:38,400

encounters with benevolent entities that

446

00:17:42,830 --> 00:17:41,280

seem strangely familiar arises in an

447

00:17:44,930 --> 00:17:42,840

experience that someone shared with me

448

00:17:47,570 --> 00:17:44,940

that also came about following a

449

00:17:49,970 --> 00:17:47,580

childhood accident in this case the

450

00:17:52,490 --> 00:17:49,980

individual had swallowed paper while her

451
00:17:54,770 --> 00:17:52,500
parents were in another room they came

452
00:17:57,230 --> 00:17:54,780
back to find her blue and on death's

453
00:17:58,850 --> 00:17:57,240
door but while this was happening she

454
00:18:02,150 --> 00:17:58,860
found herself in the presence of what

455
00:18:04,130 --> 00:18:02,160
she described to me as light beings and

456
00:18:05,750 --> 00:18:04,140
just to clarify she was just a baby at

457
00:18:06,830 --> 00:18:05,760
this point but she remembers this

458
00:18:09,350 --> 00:18:06,840
encounter

459
00:18:12,230 --> 00:18:09,360
and sure enough she realized they were

460
00:18:14,570 --> 00:18:12,240
familiar familial even just like with

461
00:18:16,909 --> 00:18:14,580
the previous case I discussed and she

462
00:18:18,950 --> 00:18:16,919
felt connected to them and that they had

463
00:18:20,450 --> 00:18:18,960

known her since before this Earthly

464

00:18:23,090 --> 00:18:20,460

incarnation

465

00:18:25,070 --> 00:18:23,100

now interestingly she was cogent enough

466

00:18:27,830 --> 00:18:25,080

to explain that she really didn't want

467

00:18:29,870 --> 00:18:27,840

to go back that her baby body was too

468

00:18:31,909 --> 00:18:29,880

constricting and difficult to maneuver

469

00:18:34,549 --> 00:18:31,919

with which is funny when you think about

470

00:18:37,130 --> 00:18:34,559

but quite apt if you really had memory

471

00:18:40,190 --> 00:18:37,140

from before being a human being then a

472

00:18:42,350 --> 00:18:40,200

baby's body would seem very cumbersome

473

00:18:45,110 --> 00:18:42,360

but they then reminded her that she was

474

00:18:47,510 --> 00:18:45,120

on Earth for a purpose specifically to

475

00:18:49,850 --> 00:18:47,520

help people and soon after she was

476
00:18:51,470 --> 00:18:49,860
returned to her Earthly baby body where

477
00:18:53,870 --> 00:18:51,480
her parents had just managed to clear

478
00:18:55,610 --> 00:18:53,880
her throat and she soon made a full

479
00:18:58,250 --> 00:18:55,620
recovery

480
00:19:00,470 --> 00:18:58,260
now earlier on I mentioned in thinking

481
00:19:02,930 --> 00:19:00,480
about these kinds of encounters that

482
00:19:05,990 --> 00:19:02,940
conventional Notions of angels and

483
00:19:07,430 --> 00:19:06,000
Aliens don't quite fit the bill on the

484
00:19:09,529 --> 00:19:07,440
one hand these are very positive

485
00:19:11,870 --> 00:19:09,539
benevolent helping kinds of entities

486
00:19:14,570 --> 00:19:11,880
seemingly like Guardians so in that

487
00:19:16,789 --> 00:19:14,580
sense they fit the angel category but

488
00:19:19,370 --> 00:19:16,799

then they often arrive in spaceships and

489

00:19:20,930 --> 00:19:19,380

supposedly come from home planets in

490

00:19:23,390 --> 00:19:20,940

fact sometimes they even take people

491

00:19:25,070 --> 00:19:23,400

back to their home planet and so that

492

00:19:28,130 --> 00:19:25,080

doesn't really fit with Angel it sounds

493

00:19:31,250 --> 00:19:28,140

more like E.T extraterrestrial or alien

494

00:19:33,110 --> 00:19:31,260

so how do we make sense of this I think

495

00:19:34,909 --> 00:19:33,120

a lot of it comes down to this notion of

496

00:19:37,070 --> 00:19:34,919

non-duality which I've been mentioning a

497

00:19:40,370 --> 00:19:37,080

lot in this podcast especially over the

498

00:19:42,350 --> 00:19:40,380

last few months now again depending on

499

00:19:45,169 --> 00:19:42,360

the background and the interpretive grid

500

00:19:47,990 --> 00:19:45,179

of the experienter they may or may not

501
00:19:49,669 --> 00:19:48,000
fully grasp this notion in other words

502
00:19:52,909 --> 00:19:49,679
even when you have an experience with

503
00:19:55,549 --> 00:19:52,919
beings who basically exude this sense of

504
00:19:58,190 --> 00:19:55,559
non-dual source you don't necessarily

505
00:20:00,409 --> 00:19:58,200
really interpret it that way if your

506
00:20:03,169 --> 00:20:00,419
grid isn't prepared for it in other

507
00:20:05,450 --> 00:20:03,179
words again along this line This spiral

508
00:20:07,850 --> 00:20:05,460
of Developmental Consciousness the

509
00:20:09,590 --> 00:20:07,860
particular Consciousness stage of the

510
00:20:12,470 --> 00:20:09,600
person right now when they have the

511
00:20:15,110 --> 00:20:12,480
experience matters as well

512
00:20:16,970 --> 00:20:15,120
in other words if you're nowhere near a

513
00:20:19,130 --> 00:20:16,980

non-dual understanding then sometimes

514

00:20:21,770 --> 00:20:19,140

even when you have an experience which

515

00:20:23,570 --> 00:20:21,780

exudes non-dual characteristics you

516

00:20:26,029 --> 00:20:23,580

won't necessarily interpret it that way

517

00:20:28,549 --> 00:20:26,039

in fact I know people who've had these

518

00:20:30,770 --> 00:20:28,559

kinds of encounters and wrestled to come

519

00:20:33,529 --> 00:20:30,780

to grips with it and sometimes feel this

520

00:20:36,110 --> 00:20:33,539

overwhelming sense of violation because

521

00:20:38,390 --> 00:20:36,120

their sense of self is transcended in

522

00:20:40,370 --> 00:20:38,400

these encounters but rather than tuning

523

00:20:42,650 --> 00:20:40,380

into this non-dual connection they have

524

00:20:44,630 --> 00:20:42,660

with these others they rather see it as

525

00:20:46,010 --> 00:20:44,640

a kind of violation and a loss of their

526

00:20:47,750 --> 00:20:46,020

sense of self

527

00:20:50,630 --> 00:20:47,760

so again if you still have a very

528

00:20:53,150 --> 00:20:50,640

attached sense of ego a very defined

529

00:20:55,010 --> 00:20:53,160

sense of ego who I am in this body mind

530

00:20:57,049 --> 00:20:55,020

in this lifetime and I came from these

531

00:20:59,330 --> 00:20:57,059

parents and I live in this country and

532

00:21:01,490 --> 00:20:59,340

that's really solid and well defined for

533

00:21:04,010 --> 00:21:01,500

you and you have no notion of being

534

00:21:05,510 --> 00:21:04,020

something beyond that then often you

535

00:21:07,610 --> 00:21:05,520

will not be able to ground these

536

00:21:10,430 --> 00:21:07,620

experiences not in a way that is truly

537

00:21:12,190 --> 00:21:10,440

non-dual even when again the attributes

538

00:21:15,710 --> 00:21:12,200

of the beings being interacted with

539

00:21:17,390 --> 00:21:15,720

suggests this very kind of reality

540

00:21:20,029 --> 00:21:17,400

now in the next case we're going to

541

00:21:22,010 --> 00:21:20,039

discuss you'll see this come front and

542

00:21:24,770 --> 00:21:22,020

center and in this case this person

543

00:21:26,870 --> 00:21:24,780

wrestled for years decades even trying

544

00:21:29,270 --> 00:21:26,880

to make sense of his encounter and

545

00:21:32,630 --> 00:21:29,280

eventually did arrive at this non-dual

546

00:21:34,850 --> 00:21:32,640

source and it's because it so resembled

547

00:21:36,350 --> 00:21:34,860

what he picked up from them he had a

548

00:21:38,390 --> 00:21:36,360

short experience with them and yet it

549

00:21:40,370 --> 00:21:38,400

was so mind-blowing so life-changing

550

00:21:42,649 --> 00:21:40,380

that he spent decades trying to track

551
00:21:45,049 --> 00:21:42,659
down what this meant and ultimately

552
00:21:47,270 --> 00:21:45,059
that's where he landed at the sense of

553
00:21:50,149 --> 00:21:47,280
non-dual source everything being

554
00:21:52,070 --> 00:21:50,159
connected everything being one indeed

555
00:21:55,430 --> 00:21:52,080
that is the name of his book he titled

556
00:21:57,529 --> 00:21:55,440
his book about his experiences one I'd

557
00:21:59,450 --> 00:21:57,539
like to discuss that now and by the way

558
00:22:02,029 --> 00:21:59,460
for those of you interested I also

559
00:22:05,390 --> 00:22:02,039
covered this case in depth in episode

560
00:22:08,029 --> 00:22:05,400
number 39 titled the veil Between Worlds

561
00:22:10,549 --> 00:22:08,039
yossi ronan's encounters with aliens and

562
00:22:12,049 --> 00:22:10,559
experience of non-duality and that's

563
00:22:15,710 --> 00:22:12,059

whose case we're going to discuss next

564

00:22:17,510 --> 00:22:15,720

yossi Ronin now I already mentioned how

565

00:22:19,430 --> 00:22:17,520

sometimes these encounters with these

566

00:22:22,490 --> 00:22:19,440

various beings seem to completely

567

00:22:25,430 --> 00:22:22,500

collapse and transcend our Notions our

568

00:22:27,169 --> 00:22:25,440

pre-existing Notions or conceptions that

569

00:22:29,149 --> 00:22:27,179

happened in a very interesting way here

570

00:22:31,070 --> 00:22:29,159

as well and not just because of this

571

00:22:33,710 --> 00:22:31,080

realization of non-dual source that

572

00:22:35,630 --> 00:22:33,720

Ronan eventually came to as a result of

573

00:22:38,390 --> 00:22:35,640

these experiences directly

574

00:22:40,370 --> 00:22:38,400

but also because initially he had an

575

00:22:42,950 --> 00:22:40,380

encounter with these beings in a dream

576

00:22:44,810 --> 00:22:42,960

state he very clearly knows that he was

577

00:22:47,270 --> 00:22:44,820

dreaming and he encountered these beings

578

00:22:48,950 --> 00:22:47,280

in a dream and it was playful and

579

00:22:51,890 --> 00:22:48,960

enjoyable and it was something to think

580

00:22:54,710 --> 00:22:51,900

back on in a refreshing way

581

00:22:56,770 --> 00:22:54,720

but then he awoke and heard strange

582

00:22:59,750 --> 00:22:56,780

sounds in his apartment in Los Angeles

583

00:23:01,549 --> 00:22:59,760

and then realized the beings were there

584

00:23:03,649 --> 00:23:01,559

in the room with him and it was no

585

00:23:05,570 --> 00:23:03,659

longer Just a Dream they were in his

586

00:23:07,730 --> 00:23:05,580

waking State as well which is very

587

00:23:09,950 --> 00:23:07,740

interesting and again it shows you how

588

00:23:12,529 --> 00:23:09,960

our Notions of this really hard line

589

00:23:14,810 --> 00:23:12,539

between dream states and reality setting

590

00:23:17,330 --> 00:23:14,820

quotes is not nearly as solid as we

591

00:23:19,130 --> 00:23:17,340

would assume again this very much fits

592

00:23:21,049 --> 00:23:19,140

with what I've been saying that even our

593

00:23:24,529 --> 00:23:21,059

waking state is very much a shared

594

00:23:26,090 --> 00:23:24,539

Dreamscape a mind space if you will

595

00:23:27,950 --> 00:23:26,100

but of course it's one thing to

596

00:23:30,230 --> 00:23:27,960

encounter these kinds of beings in a

597

00:23:33,049 --> 00:23:30,240

dream state we're prepared for this to

598

00:23:34,490 --> 00:23:33,059

some degree we have our guard down but

599

00:23:37,450 --> 00:23:34,500

when we encounter these strange

600

00:23:40,669 --> 00:23:37,460

non-human beings in our waking State

601
00:23:43,250 --> 00:23:40,679
alarms go off our evolutionary State

602
00:23:44,450 --> 00:23:43,260
goes into fight or flight and we don't

603
00:23:46,190 --> 00:23:44,460
know what to do it's very

604
00:23:48,649 --> 00:23:46,200
discombobulating

605
00:23:50,810 --> 00:23:48,659
it was very shocking to Ronan at first

606
00:23:52,430 --> 00:23:50,820
and really it took him decades to come

607
00:23:54,830 --> 00:23:52,440
to grips with it

608
00:23:56,630 --> 00:23:54,840
now again as I said it took Ronan some

609
00:23:59,270 --> 00:23:56,640
time to really ground this experience

610
00:24:01,730 --> 00:23:59,280
and to arrive at a new understanding of

611
00:24:04,490 --> 00:24:01,740
reality as a result of his experience

612
00:24:06,770 --> 00:24:04,500
but eventually he did get there and it

613
00:24:09,590 --> 00:24:06,780

partly came even as he observed closely

614

00:24:12,230 --> 00:24:09,600

now with a new lens so to speak his

615

00:24:15,830 --> 00:24:12,240

everyday world and I want to quote now a

616

00:24:17,930 --> 00:24:15,840

section from his book one quote in my

617

00:24:20,210 --> 00:24:17,940

regular state every object around me

618

00:24:22,789 --> 00:24:20,220

seems separate from the other the tree

619

00:24:26,510 --> 00:24:22,799

is distinct apart from the ground and

620

00:24:28,130 --> 00:24:26,520

likewise air sun and so on but now as

621

00:24:30,169 --> 00:24:28,140

some resonance to the experience of

622

00:24:32,570 --> 00:24:30,179

sharing all my different senses jointly

623

00:24:35,570 --> 00:24:32,580

I was seeing the same connection that

624

00:24:37,789 --> 00:24:35,580

had always been there all around now the

625

00:24:40,250 --> 00:24:37,799

trees are a clear continuation of the

626

00:24:43,190 --> 00:24:40,260

ground below and of the sun and the air

627

00:24:45,830 --> 00:24:43,200

above without any intermission or pause

628

00:24:48,289 --> 00:24:45,840

between any of them like one continuous

629

00:24:50,090 --> 00:24:48,299

body the trees were nourished by the

630

00:24:52,190 --> 00:24:50,100

Earth the food and the water that

631

00:24:54,590 --> 00:24:52,200

nourished it flowed through the trees as

632

00:24:56,570 --> 00:24:54,600

well all so they were in fact a direct

633

00:24:58,669 --> 00:24:56,580

continuation of the ground

634

00:25:01,250 --> 00:24:58,679

sunlight descended and permeated the

635

00:25:03,049 --> 00:25:01,260

leaves merged with the water and became

636

00:25:05,570 --> 00:25:03,059

part of the plant

637

00:25:07,549 --> 00:25:05,580

the tree was also the condensation of

638

00:25:09,470 --> 00:25:07,559

the sunlight the light flowed through

639

00:25:11,630 --> 00:25:09,480

the leaves downwards descending right

640

00:25:14,029 --> 00:25:11,640

into the heart of the earth along with

641

00:25:16,250 --> 00:25:14,039

the roots and making it fertile one

642

00:25:18,350 --> 00:25:16,260

complete cycle of Life traveled from the

643

00:25:20,810 --> 00:25:18,360

ground below to the sun above and back

644

00:25:23,450 --> 00:25:20,820

down again sunlight met with the earth

645

00:25:25,490 --> 00:25:23,460

and the water in each Leaf where they

646

00:25:28,070 --> 00:25:25,500

connected as though making love with one

647

00:25:30,890 --> 00:25:28,080

another Fire and Water converged into

648

00:25:32,870 --> 00:25:30,900

one giving life in the process

649

00:25:34,909 --> 00:25:32,880

I looked at the tree leaves right in

650

00:25:36,950 --> 00:25:34,919

front of me then I went deeper into

651
00:25:39,350 --> 00:25:36,960
feeling the sensation of the leaves at

652
00:25:41,690 --> 00:25:39,360
the top of the tree which faced upwards

653
00:25:44,570 --> 00:25:41,700
to the blue sky and for the first time

654
00:25:47,090 --> 00:25:44,580
ever noticed something else the tree was

655
00:25:50,269 --> 00:25:47,100
conscious and in a deep continuing state

656
00:25:54,890 --> 00:25:50,279
of thankfulness for its existence and

657
00:25:59,330 --> 00:25:57,049
now I already mentioned that his initial

658
00:26:01,310 --> 00:25:59,340
contact came in a dream and then he

659
00:26:03,230 --> 00:26:01,320
awoke to found them in his apartment in

660
00:26:05,330 --> 00:26:03,240
his waking State as well

661
00:26:06,769 --> 00:26:05,340
what's interesting is they find other

662
00:26:09,529 --> 00:26:06,779
ways to communicate with him through

663
00:26:11,149 --> 00:26:09,539

dreams later on which again from my

664

00:26:12,950 --> 00:26:11,159

perspective speaks again to the fact

665

00:26:14,990 --> 00:26:12,960

that there is not this clear distinction

666

00:26:16,970 --> 00:26:15,000

that these are just different modalities

667

00:26:19,549 --> 00:26:16,980

and we can go back and forth between

668

00:26:22,130 --> 00:26:19,559

them toggle between them and they are

669

00:26:23,870 --> 00:26:22,140

both equally real in some ways and

670

00:26:26,090 --> 00:26:23,880

what's more important is the lessons we

671

00:26:28,130 --> 00:26:26,100

learn and how that changes us and how we

672

00:26:31,010 --> 00:26:28,140

contribute that back to the totality

673

00:26:33,049 --> 00:26:31,020

when we move between lifetimes carrying

674

00:26:35,330 --> 00:26:33,059

that deep wisdom even if we don't always

675

00:26:37,070 --> 00:26:35,340

carry the direct memories

676

00:26:39,950 --> 00:26:37,080

now this is another quote in the book

677

00:26:42,110 --> 00:26:39,960

where Ronan talks about later dreams he

678

00:26:44,149 --> 00:26:42,120

had quoting from the book again quote

679

00:26:46,970 --> 00:26:44,159

during the time from the first meeting

680

00:26:48,649 --> 00:26:46,980

to today the visitors have come up with

681

00:26:50,890 --> 00:26:48,659

several dreams designed to help me

682

00:26:53,510 --> 00:26:50,900

understand and cope with the contact

683

00:26:56,630 --> 00:26:53,520

they differ completely from ordinary

684

00:26:59,149 --> 00:26:56,640

dreams being clear and detailed not like

685

00:27:01,070 --> 00:26:59,159

my subjective dreams for many years now

686

00:27:03,590 --> 00:27:01,080

I continue to explore the depths of

687

00:27:05,510 --> 00:27:03,600

these dreams unquote

688

00:27:07,909 --> 00:27:05,520

this is what the visitors said to him in

689

00:27:10,010 --> 00:27:07,919

one of the dreams quote communication

690

00:27:12,110 --> 00:27:10,020

from us given to you is other than

691

00:27:13,850 --> 00:27:12,120

language our way of thinking is

692

00:27:16,730 --> 00:27:13,860

different from yours but our

693

00:27:18,710 --> 00:27:16,740

communication nevertheless exists the

694

00:27:21,529 --> 00:27:18,720

communication that passes from us to you

695

00:27:24,049 --> 00:27:21,539

is fully understood only for the deepest

696

00:27:26,090 --> 00:27:24,059

part of your Consciousness a place that

697

00:27:28,549 --> 00:27:26,100

is currently almost oblivious to you

698

00:27:31,549 --> 00:27:28,559

it's the place from which your choice of

699

00:27:33,950 --> 00:27:31,559

thinking arises in this primary space of

700

00:27:36,769 --> 00:27:33,960

Consciousness you are connected to us

701

00:27:38,510 --> 00:27:36,779

and all the life around you this deep

702

00:27:41,330 --> 00:27:38,520

and hidden part of you does understand

703

00:27:44,570 --> 00:27:41,340

the information from us since it is also

704

00:27:46,730 --> 00:27:44,580

a kind of language language of the one

705

00:27:48,590 --> 00:27:46,740

when you become physically aware of your

706

00:27:51,529 --> 00:27:48,600

thoughts it is only after it already

707

00:27:53,690 --> 00:27:51,539

takes the shape of words emotions or a

708

00:27:56,390 --> 00:27:53,700

picture in your minds slash brains

709

00:27:58,190 --> 00:27:56,400

language at this point you are forced to

710

00:28:00,950 --> 00:27:58,200

translate and convert the deeper

711

00:28:03,890 --> 00:28:00,960

unconscious Oneness experience into

712

00:28:06,230 --> 00:28:03,900

separate dual Concepts to understand it

713

00:28:08,930 --> 00:28:06,240

through separate Essences such as a

714

00:28:11,450 --> 00:28:08,940

point in time point in place distinct

715

00:28:13,730 --> 00:28:11,460

shapes and figures and separate words or

716

00:28:15,110 --> 00:28:13,740

names for them your mind slash brain

717

00:28:17,990 --> 00:28:15,120

makes it through finding close

718

00:28:20,029 --> 00:28:18,000

associations and memory in your familiar

719

00:28:22,070 --> 00:28:20,039

World unquote

720

00:28:24,049 --> 00:28:22,080

and again I can completely relate to

721

00:28:25,490 --> 00:28:24,059

that if you think back to some of the

722

00:28:28,010 --> 00:28:25,500

experiences I've shared in recent

723

00:28:30,470 --> 00:28:28,020

podcasts I have a very similar kind of

724

00:28:32,930 --> 00:28:30,480

experience where an immense amount of

725

00:28:35,390 --> 00:28:32,940

information is immediately granted to me

726

00:28:37,310 --> 00:28:35,400

and I know initially kind of

727

00:28:40,070 --> 00:28:37,320

symbolically exactly what it means and

728

00:28:42,590 --> 00:28:40,080

it's very extensive information but then

729

00:28:44,750 --> 00:28:42,600

I have to in sharing with others break

730

00:28:46,789 --> 00:28:44,760

it down into individual Concepts that I

731

00:28:49,130 --> 00:28:46,799

can share in a linear format so that it

732

00:28:51,710 --> 00:28:49,140

is understandable and comprehensible in

733

00:28:53,810 --> 00:28:51,720

terms of how we usually communicate but

734

00:28:56,450 --> 00:28:53,820

again initially it all comes in in one

735

00:28:58,909 --> 00:28:56,460

go and it's symbolic usually and yet I

736

00:29:00,470 --> 00:28:58,919

know multi-dimensionally what it means

737

00:29:02,630 --> 00:29:00,480

so I very much understand what he's

738

00:29:04,850 --> 00:29:02,640

talking about here and I understand the

739

00:29:08,930 --> 00:29:04,860

process we go through to then be able to

740

00:29:11,330 --> 00:29:08,940

translate it into 3D reality

741

00:29:13,490 --> 00:29:11,340

now in ronin's encounter just like the

742

00:29:14,990 --> 00:29:13,500

other ones we discussed earlier he

743

00:29:17,450 --> 00:29:15,000

eventually gets to the point where he

744

00:29:19,149 --> 00:29:17,460

realizes he had his first encounter with

745

00:29:21,830 --> 00:29:19,159

these beings when he was a young child

746

00:29:23,149 --> 00:29:21,840

and they then tell him about why they

747

00:29:25,490 --> 00:29:23,159

showed up to him then and how that

748

00:29:27,049 --> 00:29:25,500

connected to who he was as an adult and

749

00:29:29,210 --> 00:29:27,059

how it connected to this sense of

750

00:29:30,830 --> 00:29:29,220

mission or purpose

751
00:29:32,810 --> 00:29:30,840
and that will jump to a point where he's

752
00:29:35,210 --> 00:29:32,820
recalling a childhood experience with

753
00:29:37,789 --> 00:29:35,220
these others again his defenses were

754
00:29:39,529 --> 00:29:37,799
down more because he was a child and

755
00:29:41,750 --> 00:29:39,539
often people do have more of these

756
00:29:43,549 --> 00:29:41,760
encounters when their children because

757
00:29:46,130 --> 00:29:43,559
they do have their guards down because

758
00:29:47,930 --> 00:29:46,140
it is not so outlandish to the rational

759
00:29:50,450 --> 00:29:47,940
mind which hasn't really developed at

760
00:29:52,370 --> 00:29:50,460
that point and fight or flight is not

761
00:29:54,950 --> 00:29:52,380
the only response we have when we're

762
00:29:57,769 --> 00:29:54,960
children that sense of wonder that sense

763
00:29:59,389 --> 00:29:57,779

of open-endedness is still there and

764

00:30:01,490 --> 00:29:59,399

that allows us to experience reality

765

00:30:04,010 --> 00:30:01,500

sometimes in a deeper and broader way

766

00:30:06,610 --> 00:30:04,020

than we can as adults and sometimes

767

00:30:09,409 --> 00:30:06,620

having those encounters is partly about

768

00:30:11,690 --> 00:30:09,419

planting in the mind in the body mind

769

00:30:13,370 --> 00:30:11,700

experience of the person some sort of

770

00:30:15,430 --> 00:30:13,380

familiarity with that experience so that

771

00:30:17,870 --> 00:30:15,440

when they do have the more traumatic

772

00:30:19,970 --> 00:30:17,880

ontologically shocking experience as

773

00:30:22,190 --> 00:30:19,980

adults when the rational mind is online

774

00:30:24,409 --> 00:30:22,200

and fight or flight is the usual

775

00:30:27,470 --> 00:30:24,419

response so that they can begin to

776

00:30:29,630 --> 00:30:27,480

ground it more and move past that fear

777

00:30:32,210 --> 00:30:29,640

quoting from this part of the book quote

778

00:30:34,610 --> 00:30:32,220

we have chosen to do it like this so

779

00:30:36,830 --> 00:30:34,620

that your Consciousness now within a

780

00:30:39,049 --> 00:30:36,840

child's body can easily store this

781

00:30:41,210 --> 00:30:39,059

encounter for many years inside of your

782

00:30:43,909 --> 00:30:41,220

body you will not think about this

783

00:30:45,769 --> 00:30:43,919

experience or try to understand it then

784

00:30:48,529 --> 00:30:45,779

the memory of these moments will remain

785

00:30:50,630 --> 00:30:48,539

intact behind the defensive walls that

786

00:30:53,570 --> 00:30:50,640

your adult body and mind will create

787

00:30:55,789 --> 00:30:53,580

over time there is a possibility that in

788

00:30:57,649 --> 00:30:55,799

the future when you are older you will

789

00:30:59,930 --> 00:30:57,659

remember this experience and be able to

790

00:31:02,389 --> 00:30:59,940

translate it into the words of a mature

791

00:31:05,149 --> 00:31:02,399

person and maybe use it

792

00:31:07,549 --> 00:31:05,159

and then Ronan says me use it and then

793

00:31:10,130 --> 00:31:07,559

they say yes the memories of this

794

00:31:11,990 --> 00:31:10,140

reunion will serve you in the future in

795

00:31:14,450 --> 00:31:12,000

the first phase the reunion will serve

796

00:31:17,210 --> 00:31:14,460

you for yourself if you choose to speak

797

00:31:20,330 --> 00:31:17,220

about it will also serve others in your

798

00:31:22,669 --> 00:31:20,340

world and it will serve me and Us in my

799

00:31:25,250 --> 00:31:22,679

world as well and eventually also the

800

00:31:27,529 --> 00:31:25,260

other dimensions unquote

801
00:31:29,269 --> 00:31:27,539
and that last part is really key I've

802
00:31:32,029 --> 00:31:29,279
talked about this as well we have

803
00:31:33,649 --> 00:31:32,039
interpenetrating dimensions and they're

804
00:31:36,710 --> 00:31:33,659
into penetrating in the sense that they

805
00:31:38,870 --> 00:31:36,720
also interact and impact each other when

806
00:31:40,190 --> 00:31:38,880
we talk about nuclear weapons and why

807
00:31:42,769 --> 00:31:40,200
some of these others have said that

808
00:31:44,990 --> 00:31:42,779
there are impacts in other dimensions

809
00:31:47,269 --> 00:31:45,000
that we are not aware of because this

810
00:31:49,730 --> 00:31:47,279
interpenetrating nature of reality is

811
00:31:51,590 --> 00:31:49,740
just that way and we are kind of

812
00:31:53,870 --> 00:31:51,600
foolishly doing this not only to our own

813
00:31:55,250 --> 00:31:53,880

biosphere but being completely unaware

814

00:31:57,889 --> 00:31:55,260

of the damage we're doing in other

815

00:31:59,630 --> 00:31:57,899

dimensions and far beyond just the

816

00:32:01,850 --> 00:31:59,640

notion of atomic weapons and what that

817

00:32:04,010 --> 00:32:01,860

does I've mentioned before that whenever

818

00:32:06,110 --> 00:32:04,020

we even have a thought or we act on a

819

00:32:08,690 --> 00:32:06,120

thought we are sending energy between

820

00:32:11,510 --> 00:32:08,700

dimensions that's one of the Notions I

821

00:32:13,669 --> 00:32:11,520

understood in my contact experience was

822

00:32:16,730 --> 00:32:13,679

that these dimensions are interacting

823

00:32:18,350 --> 00:32:16,740

all the time we are being impacted by

824

00:32:20,630 --> 00:32:18,360

vamon that makes us make decisions

825

00:32:23,210 --> 00:32:20,640

differently sometimes and likewise the

826

00:32:26,269 --> 00:32:23,220

decisions we make the energy we exude

827

00:32:28,430 --> 00:32:26,279

into the world for good or for bad also

828

00:32:30,169 --> 00:32:28,440

impacts these other dimensions and

829

00:32:32,450 --> 00:32:30,179

sometimes these other dimensions also

830

00:32:35,210 --> 00:32:32,460

involve different incarnations of us

831

00:32:36,710 --> 00:32:35,220

different iterations of us so again like

832

00:32:38,990 --> 00:32:36,720

I said last time it's not so much

833

00:32:40,970 --> 00:32:39,000

necessarily about multiple lifetimes

834

00:32:42,830 --> 00:32:40,980

lived in a linear way one after the

835

00:32:45,289 --> 00:32:42,840

other but sometimes these different

836

00:32:47,269 --> 00:32:45,299

aspects of ourselves are online at the

837

00:32:49,430 --> 00:32:47,279

same time if you will that's one way to

838

00:32:52,190 --> 00:32:49,440

think about it really time doesn't exist

839

00:32:54,230 --> 00:32:52,200

here but it's very complex but it makes

840

00:32:57,289 --> 00:32:54,240

us all the more or should make us all

841

00:33:00,049 --> 00:32:57,299

the more self-aware and self-cognizant

842

00:33:02,750 --> 00:33:00,059

about our decisions and the actions we

843

00:33:05,570 --> 00:33:02,760

take because the ramifications are much

844

00:33:07,850 --> 00:33:05,580

more widespread and far-reaching than we

845

00:33:09,889 --> 00:33:07,860

realize and that's exactly what these

846

00:33:11,169 --> 00:33:09,899

others were saying to Ronan in this

847

00:33:13,549 --> 00:33:11,179

experience when he was a child

848

00:33:15,769 --> 00:33:13,559

implanting these memories that would

849

00:33:18,049 --> 00:33:15,779

serve him when he was an adult and could

850

00:33:20,149 --> 00:33:18,059

translate those into adult rational

851
00:33:22,009 --> 00:33:20,159
thinking

852
00:33:23,090 --> 00:33:22,019
and now I'd like to close with a few

853
00:33:24,769 --> 00:33:23,100
additional thoughts for your

854
00:33:26,750 --> 00:33:24,779
consideration

855
00:33:28,970 --> 00:33:26,760
hearing about these kinds of encounters

856
00:33:32,210 --> 00:33:28,980
it's understandable that some people are

857
00:33:34,909 --> 00:33:32,220
left feeling perplexed overwhelmed after

858
00:33:37,190 --> 00:33:34,919
all as I already stated so often people

859
00:33:40,250 --> 00:33:37,200
are presented with a few static and

860
00:33:41,930 --> 00:33:40,260
clearly defined choices aliens meaning

861
00:33:44,149 --> 00:33:41,940
strange looking extraterrestrial

862
00:33:47,330 --> 00:33:44,159
entities here to conduct scientific

863
00:33:50,090 --> 00:33:47,340

experiments or medical examinations or

864

00:33:52,610 --> 00:33:50,100

Angels and Demons spiritual entities who

865

00:33:54,529 --> 00:33:52,620

manifest an awesome appearance to humans

866

00:33:56,810 --> 00:33:54,539

who feel fright at the mere sight of

867

00:33:59,330 --> 00:33:56,820

such beings even when in the case of

868

00:34:00,830 --> 00:33:59,340

angelic Celestial entities they come

869

00:34:03,289 --> 00:34:00,840

with good news

870

00:34:04,970 --> 00:34:03,299

but the cases we've discussed today defy

871

00:34:06,289 --> 00:34:04,980

these simple clearly delineated

872

00:34:08,389 --> 00:34:06,299

categories

873

00:34:10,970 --> 00:34:08,399

sometimes people encounter beings that

874

00:34:13,310 --> 00:34:10,980

have the benevolent demeanor and intent

875

00:34:16,070 --> 00:34:13,320

of conventional Notions of angelic

876

00:34:19,369 --> 00:34:16,080

beings but they arrive in spacecraft and

877

00:34:21,470 --> 00:34:19,379

seem to originate from a planet as do we

878

00:34:24,050 --> 00:34:21,480

other times as in the case of yossi

879

00:34:27,290 --> 00:34:24,060

ronin they suddenly appear both in dream

880

00:34:29,329 --> 00:34:27,300

states and or in waking States defying

881

00:34:31,609 --> 00:34:29,339

yet more supposedly clearly defined

882

00:34:34,070 --> 00:34:31,619

categories of human experience without

883

00:34:35,270 --> 00:34:34,080

needing to Traverse great expanses via

884

00:34:37,250 --> 00:34:35,280

spacecraft

885

00:34:39,409 --> 00:34:37,260

but yet they can still in the blink of

886

00:34:41,510 --> 00:34:39,419

an eye take a human being to their home

887

00:34:43,430 --> 00:34:41,520

planet indeed that's what happened with

888

00:34:45,530 --> 00:34:43,440

Yoshi Ronan without the need of

889

00:34:47,930 --> 00:34:45,540

spacecraft they took him to their planet

890

00:34:51,470 --> 00:34:47,940

and then brought him back home all via

891

00:34:53,270 --> 00:34:51,480

the power of mentation or thought alone

892

00:34:56,030 --> 00:34:53,280

now how are we to make sense of this

893

00:34:57,829 --> 00:34:56,040

diversity of experience of otherness

894

00:35:00,349 --> 00:34:57,839

well the first thing we should be clear

895

00:35:02,089 --> 00:35:00,359

about is that our traditional Notions of

896

00:35:04,790 --> 00:35:02,099

how these things work is simply

897

00:35:06,829 --> 00:35:04,800

insufficient at best and woefully

898

00:35:09,230 --> 00:35:06,839

misleading at worst

899

00:35:10,930 --> 00:35:09,240

here again we're back at a termite often

900

00:35:14,030 --> 00:35:10,940

discussed on this podcast

901
00:35:16,970 --> 00:35:14,040
non-duality this as I've said many times

902
00:35:19,310 --> 00:35:16,980
is Central it seems like a simple term

903
00:35:22,430 --> 00:35:19,320
representing a fairly simple singular

904
00:35:24,829 --> 00:35:22,440
idea everything is one all the way up

905
00:35:27,589 --> 00:35:24,839
and all the way down and that any sense

906
00:35:29,510 --> 00:35:27,599
or form of separateness is relative and

907
00:35:31,430 --> 00:35:29,520
ultimately illusory

908
00:35:34,550 --> 00:35:31,440
and yet in most people's experience

909
00:35:36,589 --> 00:35:34,560
fully embedded within this illusion this

910
00:35:39,829 --> 00:35:36,599
is much harder to grasp than one might

911
00:35:41,930 --> 00:35:39,839
first assume the thing is as one moves

912
00:35:44,630 --> 00:35:41,940
further and further into a stage where

913
00:35:46,370 --> 00:35:44,640

this awareness really holds sway rather

914

00:35:48,589 --> 00:35:46,380

than appearing as a brief flash of

915

00:35:51,650 --> 00:35:48,599

insight that later Fades amongst the

916

00:35:54,770 --> 00:35:51,660

bombardment of everyday mundanity beings

917

00:35:56,510 --> 00:35:54,780

begin to change their behavior they do

918

00:35:58,790 --> 00:35:56,520

so because the very way they see

919

00:36:02,510 --> 00:35:58,800

themselves and by extension everything

920

00:36:05,089 --> 00:36:02,520

and everyone else has evolved they now

921

00:36:06,890 --> 00:36:05,099

have a felt lived fully embodied

922

00:36:10,130 --> 00:36:06,900

experience of being connected to

923

00:36:12,170 --> 00:36:10,140

everything and everyone and as such they

924

00:36:15,530 --> 00:36:12,180

begin to act in ways that might look to

925

00:36:17,510 --> 00:36:15,540

us Angelic in other words they seem

926

00:36:19,730 --> 00:36:17,520

decidedly benevolent having our best

927

00:36:21,589 --> 00:36:19,740

interests in mind and acting in ways

928

00:36:24,109 --> 00:36:21,599

that work to that end

929

00:36:26,150 --> 00:36:24,119

but importantly some of these beings get

930

00:36:29,569 --> 00:36:26,160

to this place while walking out a

931

00:36:31,609 --> 00:36:29,579

relative existence just like us and as

932

00:36:33,829 --> 00:36:31,619

they proceed as individuals and as

933

00:36:36,109 --> 00:36:33,839

civilizations they grow both in

934

00:36:38,810 --> 00:36:36,119

technological prowess hence the advanced

935

00:36:41,030 --> 00:36:38,820

spacecraft witnessed while also growing

936

00:36:42,950 --> 00:36:41,040

into an advanced stage of Consciousness

937

00:36:45,890 --> 00:36:42,960

development again we're back at the

938

00:36:48,650 --> 00:36:45,900

spiral of Consciousness development

939

00:36:50,750 --> 00:36:48,660

at this Advanced stage the technology is

940

00:36:53,390 --> 00:36:50,760

there to Aid their college of service

941

00:36:55,790 --> 00:36:53,400

and they are not serving because they

942

00:36:58,069 --> 00:36:55,800

were programmed to do so as is typically

943

00:36:59,930 --> 00:36:58,079

depicted of angels who are said to be

944

00:37:02,390 --> 00:36:59,940

immortal but also lacking some of the

945

00:37:05,210 --> 00:37:02,400

experiential qualities of mortal beings

946

00:37:08,410 --> 00:37:05,220

but rather because this has become part

947

00:37:11,270 --> 00:37:08,420

of these embodied beings felt sense of

948

00:37:13,130 --> 00:37:11,280

self-interest they have a desire to

949

00:37:15,829 --> 00:37:13,140

serve Us in the same way we might have a

950

00:37:18,050 --> 00:37:15,839

desire to help our own injured hand when

951
00:37:21,109 --> 00:37:18,060
we've injured it by caressing it with

952
00:37:22,970 --> 00:37:21,119
the other hand it's the same notion in

953
00:37:27,349 --> 00:37:22,980
terms of how they think about us versus

954
00:37:29,750 --> 00:37:27,359
them Inseparable ultimately indivisible

955
00:37:32,089 --> 00:37:29,760
importantly this is not to say the more

956
00:37:34,510 --> 00:37:32,099
traditional depictions of angels are

957
00:37:37,910 --> 00:37:34,520
simply Antiquated and quaint fantasies

958
00:37:40,790 --> 00:37:37,920
these Notions also point if not

959
00:37:42,890 --> 00:37:40,800
perfectly to real entities who are

960
00:37:45,290 --> 00:37:42,900
intimately connected to the one Cosmic

961
00:37:47,870 --> 00:37:45,300
intelligence and who do differ in

962
00:37:49,970 --> 00:37:47,880
composition and nature from these other

963
00:37:52,849 --> 00:37:49,980

kinds of beings we've discussed who

964

00:37:55,130 --> 00:37:52,859

begin as biological entities who then

965

00:37:58,010 --> 00:37:55,140

Ascend to a place of service and to a

966

00:38:00,230 --> 00:37:58,020

felt sense of cosmic siblinghood via the

967

00:38:01,910 --> 00:38:00,240

process of mortal quote-unquote

968

00:38:04,069 --> 00:38:01,920

experience

969

00:38:06,470 --> 00:38:04,079

the lessons we can draw from encounters

970

00:38:08,030 --> 00:38:06,480

such as those we've discussed today are

971

00:38:10,370 --> 00:38:08,040

at least twofold

972

00:38:12,349 --> 00:38:10,380

firstly a huge part of the reason why

973

00:38:14,930 --> 00:38:12,359

disclosure is so much more complicated

974

00:38:16,790 --> 00:38:14,940

than many first realize is that it

975

00:38:19,550 --> 00:38:16,800

involves the eventual public awareness

976
00:38:22,310 --> 00:38:19,560
of a vast assortment of beings existing

977
00:38:23,930 --> 00:38:22,320
on numerous planes or dimensions of

978
00:38:26,510 --> 00:38:23,940
existence

979
00:38:29,510 --> 00:38:26,520
these various interpenetrating planes or

980
00:38:32,750 --> 00:38:29,520
Dimensions represent gradations of

981
00:38:36,230 --> 00:38:32,760
graduations populated by various beings

982
00:38:38,210 --> 00:38:36,240
all partaking in novel experience and

983
00:38:40,970 --> 00:38:38,220
learning via their reaction to it

984
00:38:43,609 --> 00:38:40,980
through their expression of free will on

985
00:38:46,190 --> 00:38:43,619
a quest towards ultimate Union and

986
00:38:48,230 --> 00:38:46,200
reunion with Cosmic source

987
00:38:50,750 --> 00:38:48,240
now amongst the complexity of these

988
00:38:52,730 --> 00:38:50,760

various types of beings even humans

989

00:38:54,530 --> 00:38:52,740

currently present on the earth as I

990

00:38:56,450 --> 00:38:54,540

already pointed out have different

991

00:38:58,609 --> 00:38:56,460

compositional aspects to their

992

00:39:00,950 --> 00:38:58,619

backgrounds some have histories

993

00:39:03,829 --> 00:39:00,960

involving incarnations as other kinds of

994

00:39:05,870 --> 00:39:03,839

entities hence this connection on a

995

00:39:07,970 --> 00:39:05,880

familial level with some of these

996

00:39:10,310 --> 00:39:07,980

various others

997

00:39:12,890 --> 00:39:10,320

secondly the significant takeaway from

998

00:39:15,230 --> 00:39:12,900

this overarching cosmology is that we

999

00:39:17,150 --> 00:39:15,240

are all here for a purpose despite what

1000

00:39:19,130 --> 00:39:17,160

the Preposterous message of the

1001
00:39:21,109 --> 00:39:19,140
reductionistic materialist model would

1002
00:39:23,870 --> 00:39:21,119
have us believe

1003
00:39:26,030 --> 00:39:23,880
ultimately the sooner we wake up to this

1004
00:39:29,089 --> 00:39:26,040
fact the sooner we can begin to embody

1005
00:39:31,550 --> 00:39:29,099
that purposeful presence and thus move

1006
00:39:33,770 --> 00:39:31,560
our own energy forward in such a way

1007
00:39:35,990 --> 00:39:33,780
that helps to directly determine our

1008
00:39:39,230 --> 00:39:36,000
next Incarnation which as we've already

1009
00:39:41,810 --> 00:39:39,240
discussed is a win-win both for us and

1010
00:39:44,870 --> 00:39:41,820
for the cosmic community at Large

1011
00:39:46,970 --> 00:39:44,880
and why because as both the ascended

1012
00:39:48,829 --> 00:39:46,980
masters of human history and these

1013
00:39:51,109 --> 00:39:48,839

various benevolent others have already

1014

00:39:56,030 --> 00:39:51,119

made abundantly clear in the most

1015

00:39:58,670 --> 00:39:56,040

ultimate sense these are not two

1016

00:40:00,890 --> 00:39:58,680

and on that note we've come to the close

1017

00:40:03,290 --> 00:40:00,900

of another edition of the point of

1018

00:40:05,390 --> 00:40:03,300
