[Music]

5  
00:00:28,009 --> 00:00:24,950  
welcome back to another episode of

6  
00:00:29,870 --> 00:00:28,019  
liminal frames I am your host Nathan

7  
00:00:32,690 --> 00:00:29,880  
and I'm joined by my friend and co-host

8  
00:00:35,690 --> 00:00:32,700  
Aaron exo-academian now you're listening

9  
00:00:38,330 --> 00:00:35,700  
to episode 20 of the show and we are in

10  
00:00:40,790 --> 00:00:38,340  
uh to the month of December of 2022.

11  
00:00:43,850 --> 00:00:40,800  
it's been quite a year Darren uh there's

12  
00:00:45,650 --> 00:00:43,860  
a lot that has gone on and I don't know

13  
00:00:47,750 --> 00:00:45,660

about you but I feel that this year has

14

00:00:51,229 --> 00:00:47,760

had uh some pretty highs and some pretty

15

00:00:53,690 --> 00:00:51,239

big lows as well with regard to this

16

00:00:55,130 --> 00:00:53,700

topic at least from sort of the public

17

00:00:57,130 --> 00:00:55,140

conversation

18

00:00:59,209 --> 00:00:57,140

um and pretty UFO Twitter in particular

19

00:01:01,790 --> 00:00:59,219

certainly goes through this kind of

20

00:01:04,250 --> 00:01:01,800

pattern of uh intense engagement and

21

00:01:05,750 --> 00:01:04,260

excitement and then almost this sort of

22

00:01:07,910 --> 00:01:05,760

period of grief because we're just not

23

00:01:10,210 --> 00:01:07,920

getting the progress that we want to see

24

00:01:13,190 --> 00:01:10,220

but nevertheless progress is being made

25

00:01:16,250 --> 00:01:13,200

and we know very recently that the house

26

00:01:19,010 --> 00:01:16,260

passed a bill uh with some pretty strong

27

00:01:22,490 --> 00:01:19,020

language in it uh moving this ball

28

00:01:24,170 --> 00:01:22,500

further down uh the the field and I'm

29

00:01:26,390 --> 00:01:24,180

very excited about what might come from

30

00:01:29,469 --> 00:01:26,400

that but even with that said we're still

31

00:01:32,630 --> 00:01:29,479

waiting on this uapf

32

00:01:35,210 --> 00:01:32,640

uapf report that we've I guess now over

33

00:01:36,770 --> 00:01:35,220

a month late on and then the Senate

34

00:01:38,149 --> 00:01:36,780

still has to approve the bill and of

35

00:01:41,149 --> 00:01:38,159

course has to be signed by the president

36

00:01:42,530 --> 00:01:41,159

so a lot of work left to be done and I'm

37

00:01:44,210 --> 00:01:42,540

not sure if it's going to happen by the

38

00:01:47,030 --> 00:01:44,220

end of the year I think that would be

39

00:01:49,789 --> 00:01:47,040

pretty cool but uh perhaps not perhaps

40

00:01:52,370 --> 00:01:49,799

we'll have to wait until 2023 to see

41

00:01:55,190 --> 00:01:52,380

some of this more public process

42

00:01:56,569 --> 00:01:55,200

continue to move forward but uh what

43

00:01:59,510 --> 00:01:56,579

comes to mind for you in terms of like

44

00:02:00,590 --> 00:01:59,520

where we are looking back and uh you

45

00:02:03,170 --> 00:02:00,600

know what we've been through the last

46

00:02:05,569 --> 00:02:03,180

Almost 12 months now

47

00:02:07,670 --> 00:02:05,579

yeah first it's uh it's worth uh

48

00:02:10,550 --> 00:02:07,680

remarking and and celebrating that we're

49

00:02:13,190 --> 00:02:10,560

on episode two zero twenty episodes of

50

00:02:15,170 --> 00:02:13,200

liminal frames and almost a almost a

51  
00:02:17,270 --> 00:02:15,180  
year right the the anniversary is

52  
00:02:18,770 --> 00:02:17,280  
sometime in January I think right that's

53  
00:02:21,470 --> 00:02:18,780  
right

54  
00:02:23,809 --> 00:02:21,480  
um yeah and in terms of the the public

55  
00:02:26,030 --> 00:02:23,819  
conversation it's funny because I

56  
00:02:28,070 --> 00:02:26,040  
remember even talking to some some close

57  
00:02:31,330 --> 00:02:28,080  
friends of mine

58  
00:02:33,710 --> 00:02:31,340  
who you know have some high level access

59  
00:02:35,089 --> 00:02:33,720  
who really felt like in the summer that

60  
00:02:37,490 --> 00:02:35,099  
this was going to break any time like

61  
00:02:39,410 --> 00:02:37,500  
there really was a sense that uh you

62  
00:02:42,110 --> 00:02:39,420  
know who knows what books are coming out

63  
00:02:43,610 --> 00:02:42,120

in the fall but it might be a moot point

64

00:02:45,949 --> 00:02:43,620

at that point because this might all

65

00:02:47,089 --> 00:02:45,959

sort of like have hit the fan so to

66

00:02:49,070 --> 00:02:47,099

speak

67

00:02:50,210 --> 00:02:49,080

um but that didn't happen right um I

68

00:02:52,550 --> 00:02:50,220

think that

69

00:02:54,530 --> 00:02:52,560

this has been an interesting exercise in

70

00:02:57,110 --> 00:02:54,540

tempering expectations and shaping

71

00:02:58,490 --> 00:02:57,120

expectations and before we went on

72

00:03:00,050 --> 00:02:58,500

tonight you and I were talking about how

73

00:03:01,970 --> 00:03:00,060

on the one hand

74

00:03:04,970 --> 00:03:01,980

it's still historic what's happened the

75

00:03:06,470 --> 00:03:04,980

last few years you know compared to what

76  
00:03:09,410 --> 00:03:06,480  
people have had to endure who have been

77  
00:03:11,390 --> 00:03:09,420  
at this for decades right unlike us

78  
00:03:13,430 --> 00:03:11,400  
um you know I for sure this is uh

79  
00:03:15,890 --> 00:03:13,440  
unprecedented unprecedented at times you

80  
00:03:17,630 --> 00:03:15,900  
know like uh ever since the New York

81  
00:03:19,009 --> 00:03:17,640  
Times articles and and that kind of

82  
00:03:20,930 --> 00:03:19,019  
thing

83  
00:03:23,030 --> 00:03:20,940  
um you know just the nature of the

84  
00:03:24,830 --> 00:03:23,040  
language of this legislation is is you

85  
00:03:25,790 --> 00:03:24,840  
know the writings on the wall and I

86  
00:03:27,830 --> 00:03:25,800  
think we'll get into some of that

87  
00:03:29,390 --> 00:03:27,840  
tonight but um

88  
00:03:30,649 --> 00:03:29,400

yeah I know that one of the things we

89

00:03:32,630 --> 00:03:30,659

want to talk about

90

00:03:34,790 --> 00:03:32,640

tonight is the the difference between

91

00:03:37,610 --> 00:03:34,800

the conversation that experiencers are

92

00:03:39,410 --> 00:03:37,620

having around these topics rather than

93

00:03:40,970 --> 00:03:39,420

what the or as opposed to what's

94

00:03:43,070 --> 00:03:40,980

happening in the public conversation or

95

00:03:45,410 --> 00:03:43,080

for the nuts and bolts crowd the sort of

96

00:03:46,670 --> 00:03:45,420

traditional ufologists

97

00:03:49,670 --> 00:03:46,680

um and I think

98

00:03:51,470 --> 00:03:49,680

how you look back at what's happened and

99

00:03:54,410 --> 00:03:51,480

what you're expecting and your

100

00:03:55,789 --> 00:03:54,420

expectations and all of that really is

101

00:03:57,470 --> 00:03:55,799

shaped by which of those two

102

00:04:00,229 --> 00:03:57,480

conversations you're in I think in many

103

00:04:02,570 --> 00:04:00,239

ways and I think you know another thing

104

00:04:04,729 --> 00:04:02,580

we want to get into is just how what

105

00:04:06,830 --> 00:04:04,739

it's been like for us sort of seeing

106

00:04:08,270 --> 00:04:06,840

those two different conversations and

107

00:04:10,850 --> 00:04:08,280

sometimes it's almost like you know

108

00:04:12,170 --> 00:04:10,860

ships passing in the night uh in terms

109

00:04:14,390 --> 00:04:12,180

one doesn't really understand what's

110

00:04:16,189 --> 00:04:14,400

going on in the other one and that'll be

111

00:04:17,509 --> 00:04:16,199

some interesting dialogue for us to get

112

00:04:19,849 --> 00:04:17,519

into tonight

113

00:04:21,770 --> 00:04:19,859

definitely yeah it almost even seems

114

00:04:23,270 --> 00:04:21,780

like uh some are on the ship and some

115

00:04:25,610 --> 00:04:23,280

are on an airplane they're just not even

116

00:04:28,430 --> 00:04:25,620

in the same right mode of transportation

117

00:04:30,590 --> 00:04:28,440

here and and I'm glad you point that out

118

00:04:32,450 --> 00:04:30,600

that um you know we've both been

119

00:04:33,650 --> 00:04:32,460

involved with different groups and who

120

00:04:36,290 --> 00:04:33,660

are looking at this from different

121

00:04:38,629 --> 00:04:36,300

perspectives I think that that it's

122

00:04:40,310 --> 00:04:38,639

important for folks to kind of pay

123

00:04:42,409 --> 00:04:40,320

attention to that to some degree you

124

00:04:45,469 --> 00:04:42,419

know who who are the who are the voices

125

00:04:47,590 --> 00:04:45,479

that you surround yourself with when it

126

00:04:50,570 --> 00:04:47,600

comes to this topic and who do you wait

127

00:04:52,670 --> 00:04:50,580

uh more seriously than others and I

128

00:04:54,710 --> 00:04:52,680

think when it comes to the experience or

129

00:04:56,689 --> 00:04:54,720

conversation anyway if you're not an

130

00:04:59,090 --> 00:04:56,699

experiencer so I can speak from my own

131

00:05:00,890 --> 00:04:59,100

experience here because I'm not uh you

132

00:05:03,290 --> 00:05:00,900

know the challenge is how how do you

133

00:05:05,210 --> 00:05:03,300

weight all of that experience that

134

00:05:07,909 --> 00:05:05,220

you're getting from all of these

135

00:05:10,189 --> 00:05:07,919

different people and and it seems on the

136

00:05:11,210 --> 00:05:10,199

face of it anyway pretty disparate

137

00:05:13,129 --> 00:05:11,220

there's a lot of different things

138

00:05:16,129 --> 00:05:13,139

happening different entities different

139

00:05:18,710 --> 00:05:16,139

some positive some negative it can be a

140

00:05:20,570 --> 00:05:18,720

whole lot to kind of Juggle and it's not

141

00:05:22,969 --> 00:05:20,580

it doesn't it's not clean by any means

142

00:05:25,610 --> 00:05:22,979

and and I Think We crave this sort of

143

00:05:27,290 --> 00:05:25,620

clarity this night nice neat package

144

00:05:29,090 --> 00:05:27,300

with a bow on the top and I can you know

145

00:05:31,129 --> 00:05:29,100

look at that and here here's some data

146

00:05:33,110 --> 00:05:31,139

that's clean and then there it is we

147

00:05:35,450 --> 00:05:33,120

just don't seem to have that and on the

148

00:05:38,450 --> 00:05:35,460

other hand we have uh some government

149

00:05:40,249 --> 00:05:38,460

movement here we've got some legislation

150

00:05:42,830 --> 00:05:40,259

I can point to with some actual language

151

00:05:44,210 --> 00:05:42,840

we've got some insiders who have worked

152

00:05:47,150 --> 00:05:44,220

in the government some within secret

153

00:05:50,090 --> 00:05:47,160

programs who have spoken about what they

154

00:05:53,450 --> 00:05:50,100

can share and that has this at least for

155

00:05:56,150 --> 00:05:53,460

some a greater degree of uh

156

00:05:58,670 --> 00:05:56,160

um value and uh and you can get more

157

00:06:00,710 --> 00:05:58,680

Credence to that but you know if you're

158

00:06:02,390 --> 00:06:00,720

on the experienter side interestingly

159

00:06:04,370 --> 00:06:02,400

enough when you hear those people talk

160

00:06:05,390 --> 00:06:04,380

the Insiders you're going I don't

161

00:06:07,730 --> 00:06:05,400

believe anything I don't believe

162

00:06:09,890 --> 00:06:07,740

anything that those people are saying I

163

00:06:11,629 --> 00:06:09,900

have my own truth and and the other side

164

00:06:13,310 --> 00:06:11,639

is the same way when they when they hear

165

00:06:14,990 --> 00:06:13,320

the experiencers talk they're like I

166

00:06:16,730 --> 00:06:15,000

don't know about that you know I only

167

00:06:19,850 --> 00:06:16,740

want to know what we're studying in some

168

00:06:22,430 --> 00:06:19,860

sort of secret uh Private Industry lab

169

00:06:25,189 --> 00:06:22,440

or at some you know Department of energy

170

00:06:27,710 --> 00:06:25,199

uh complex that is you know in in the

171

00:06:29,029 --> 00:06:27,720

black budget somewhere so it's it's just

172

00:06:30,950 --> 00:06:29,039

very interesting the two conversations

173

00:06:32,450 --> 00:06:30,960

that are being had and I think for those

174

00:06:35,510 --> 00:06:32,460

that are trying to figure all this out

175

00:06:37,370 --> 00:06:35,520

you know how do you approach that how do

176

00:06:39,409 --> 00:06:37,380

you kind of balance these things and and

177

00:06:40,550 --> 00:06:39,419

come to some sort of place where you

178

00:06:42,170 --> 00:06:40,560

feel like you're getting some

179

00:06:43,790 --> 00:06:42,180

information and making some progress

180

00:06:47,029 --> 00:06:43,800

here

181

00:06:49,189 --> 00:06:47,039

yeah it's uh It's Tricky Tricky stuff

182

00:06:50,570 --> 00:06:49,199

and um I know that we'll we'll get into

183

00:06:52,550 --> 00:06:50,580

it and we'll get into some of the Nuance

184

00:06:54,350 --> 00:06:52,560

because

185

00:06:57,050 --> 00:06:54,360

um I think there's numerous things to

186

00:06:58,189 --> 00:06:57,060

keep keep in mind at the same time

187

00:07:00,650 --> 00:06:58,199

um one of the things I was saying to you

188

00:07:04,730 --> 00:07:00,660

before we went on the air too was just

189

00:07:07,010 --> 00:07:04,740

it's not just you know about

190

00:07:10,189 --> 00:07:07,020

which side you land on but there's also

191

00:07:12,409 --> 00:07:10,199

like which which Prejudice prejudices do

192

00:07:15,590 --> 00:07:12,419

you already have so

193

00:07:18,230 --> 00:07:15,600

um when there isn't a lot of you know

194

00:07:20,510 --> 00:07:18,240

data that is considered by everyone to

195

00:07:23,029 --> 00:07:20,520

be legitimate and and you know well

196

00:07:24,350 --> 00:07:23,039

attested you know across the board like

197

00:07:25,490 --> 00:07:24,360

say something like gravity or something

198

00:07:28,010 --> 00:07:25,500

right

199

00:07:31,370 --> 00:07:28,020

um then although that that that also is

200

00:07:34,010 --> 00:07:31,380

has nuances but um when that's not the

201

00:07:37,070 --> 00:07:34,020

case it allows people to sort of

202

00:07:39,170 --> 00:07:37,080

exercise their biases without

203

00:07:40,790 --> 00:07:39,180

being called on it in some ways right so

204

00:07:42,589 --> 00:07:40,800

I was saying to you before we went on

205

00:07:44,749 --> 00:07:42,599

the air that I've been surprised how

206

00:07:47,990 --> 00:07:44,759

even some of the people working on

207

00:07:49,969 --> 00:07:48,000

government disclosure on that push to me

208

00:07:53,029 --> 00:07:49,979

seemed like they are

209

00:07:55,309 --> 00:07:53,039

excluding some kinds of information

210

00:07:57,230 --> 00:07:55,319

some elements because it just doesn't

211

00:07:59,749 --> 00:07:57,240

fit with their view of reality whereas I

212

00:08:02,029 --> 00:07:59,759

see it like our view of reality should

213

00:08:06,950 --> 00:08:02,039

be dictated by the data not the other

214

00:08:09,830 --> 00:08:06,960

way around and it it for me anyway you

215

00:08:12,650 --> 00:08:09,840

know it tempers my hopes for what's

216

00:08:14,749 --> 00:08:12,660

going to come out of this because as

217

00:08:16,610 --> 00:08:14,759

Omega point you know made this excellent

218

00:08:19,309 --> 00:08:16,620

observation that I think we touched on

219

00:08:21,469 --> 00:08:19,319

last time too what you focus on will

220

00:08:23,749 --> 00:08:21,479

inevitably determine what you miss right

221

00:08:25,249 --> 00:08:23,759

so if you if you assume something can't

222

00:08:27,409 --> 00:08:25,259

be the case and so you look everywhere

223

00:08:29,629 --> 00:08:27,419

else sure enough you probably won't find

224

00:08:31,790 --> 00:08:29,639

it it doesn't mean it doesn't exist it

225

00:08:32,930 --> 00:08:31,800

just it just means that you you from the

226

00:08:35,930 --> 00:08:32,940

get-go

227

00:08:38,510 --> 00:08:35,940

you know set up this less than objective

228

00:08:39,529 --> 00:08:38,520

study that found exactly what it was

229

00:08:41,510 --> 00:08:39,539

looking for

230

00:08:43,610 --> 00:08:41,520

um and that kind of bias you know that

231

00:08:44,630 --> 00:08:43,620

that kind of precognitive bias that kind

232

00:08:45,410 --> 00:08:44,640

of

233

00:08:47,630 --> 00:08:45,420

um

234

00:08:49,910 --> 00:08:47,640

you know issue where you find exactly

235

00:08:52,310 --> 00:08:49,920

what you're looking for is is well known

236

00:08:53,870 --> 00:08:52,320

in science and in other sciences that

237

00:08:55,910 --> 00:08:53,880

are considered like the hard Sciences

238

00:08:57,610 --> 00:08:55,920

you know where there's a lot of rigid

239

00:08:59,810 --> 00:08:57,620

protocols and whatnot and peer review

240

00:09:02,210 --> 00:08:59,820

there are procedures in place to make

241

00:09:04,009 --> 00:09:02,220

sure that doesn't happen right but as I

242

00:09:05,750 --> 00:09:04,019

pointed out before in this topic it's

243

00:09:07,670 --> 00:09:05,760

it's sort of the Wild West right it's

244

00:09:09,889 --> 00:09:07,680

whatever you want to believe and

245

00:09:11,870 --> 00:09:09,899

whatever data you know Smiles at you

246

00:09:13,970 --> 00:09:11,880

based on your particular view you lean

247

00:09:15,110 --> 00:09:13,980

on that and ignore the rest and if we're

248

00:09:17,090 --> 00:09:15,120

really trying to get to the bottom of

249

00:09:18,610 --> 00:09:17,100

that uh what this is then that's just

250

00:09:22,009 --> 00:09:18,620

not the way to go forward

251

00:09:25,430 --> 00:09:22,019

we in some ways need some breakthrough

252

00:09:28,790 --> 00:09:25,440

knowledge and I think that looking back

253

00:09:30,889 --> 00:09:28,800

in in our history when we've had moments

254

00:09:35,449 --> 00:09:30,899

of you know technological breakthrough

255

00:09:38,329 --> 00:09:35,459

or uh explorative breakthroughs like

256

00:09:40,310 --> 00:09:38,339

think about uh when the West realized

257

00:09:42,769 --> 00:09:40,320

that there were people living on you

258

00:09:44,570 --> 00:09:42,779

know across the ocean in North America I

259

00:09:47,410 --> 00:09:44,580

mean that was a game changer for the

260

00:09:49,670 --> 00:09:47,420

world and so some ways not not great

261

00:09:52,750 --> 00:09:49,680

but you know what you have there are

262

00:09:55,970 --> 00:09:52,760

people who took it upon themselves to

263

00:09:57,710 --> 00:09:55,980

not necessarily live within the realm of

264

00:09:59,750 --> 00:09:57,720

what was determined to be possible at

265

00:10:02,030 --> 00:09:59,760

the time and they they kind of looked at

266

00:10:03,650 --> 00:10:02,040

that and said you know what I I'm not

267

00:10:05,990 --> 00:10:03,660

going to do that I'm going to go I'm

268

00:10:08,210 --> 00:10:06,000

going to go my own way here and yes

269

00:10:10,550 --> 00:10:08,220

maybe it is crazy you know maybe I am

270

00:10:13,730 --> 00:10:10,560

getting laughed at for hopping on this

271

00:10:15,710 --> 00:10:13,740

boat and going west but I believe

272

00:10:17,630 --> 00:10:15,720

there's something there and and lo and

273

00:10:20,389 --> 00:10:17,640

behold there was and that new knowledge

274

00:10:22,130 --> 00:10:20,399

really became a paradigm shifting moment

275

00:10:23,990 --> 00:10:22,140

for the entire world and so that's

276

00:10:26,329 --> 00:10:24,000

essentially what I think we're looking

277

00:10:28,670 --> 00:10:26,339

for here but the irony of all that is

278

00:10:30,889 --> 00:10:28,680

that for many people for most I would

279

00:10:34,190 --> 00:10:30,899

say you know what we're looking for that

280

00:10:36,530 --> 00:10:34,200

kind of stamp of legitimacy which can

281

00:10:38,750 --> 00:10:36,540

really only come from these existing

282

00:10:41,449 --> 00:10:38,760

institutions who prop up the way things

283

00:10:43,550 --> 00:10:41,459

already are and have already defined the

284

00:10:45,650 --> 00:10:43,560

realm of what what is possible and so

285

00:10:49,730 --> 00:10:45,660

what we we really kind of need is almost

286

00:10:51,590 --> 00:10:49,740

this uh uh uh in a sort of jolt that

287

00:10:55,730 --> 00:10:51,600

comes from outside of those institutions

288

00:10:57,590 --> 00:10:55,740

that has uh this tremendous efficacial

289

00:11:00,769 --> 00:10:57,600

power you know it's it's extremely

290

00:11:02,990 --> 00:11:00,779

meaningful that it it sorts itself into

291

00:11:05,090 --> 00:11:03,000

those paradigms and and they cannot help

292

00:11:07,670 --> 00:11:05,100

but take notice of it because it has so

293

00:11:09,949 --> 00:11:07,680

much greater explanatory power and

294

00:11:11,509 --> 00:11:09,959

efficacy so I think that that's kind of

295

00:11:13,370 --> 00:11:11,519

what we're looking for and who are who

296

00:11:15,230 --> 00:11:13,380

are those people going to be who will

297

00:11:16,730 --> 00:11:15,240

kind of push us into that direction I

298

00:11:18,949 --> 00:11:16,740

think there are some folks out there as

299

00:11:21,170 --> 00:11:18,959

you know but uh certainly not the

300

00:11:22,790 --> 00:11:21,180

loudest voices in the room right now

301

00:11:25,430 --> 00:11:22,800

right and I was thinking about your

302

00:11:27,829 --> 00:11:25,440

analogy there with you know the finding

303

00:11:29,449 --> 00:11:27,839

of the new world and it's of course the

304

00:11:31,310 --> 00:11:29,459

the lesson from history is that they

305

00:11:33,170 --> 00:11:31,320

ended up calling those people Indians

306

00:11:34,430 --> 00:11:33,180

right and they called them Indians

307

00:11:36,410 --> 00:11:34,440

because initially they thought well we

308

00:11:39,230 --> 00:11:36,420

must have landed on at any in India

309

00:11:42,350 --> 00:11:39,240

right and uh wow so these are Indians

310

00:11:44,930 --> 00:11:42,360

and so that that's a really great case

311

00:11:47,569 --> 00:11:44,940

in point about sometimes we can come

312

00:11:49,430 --> 00:11:47,579

across new information new data but

313

00:11:52,009 --> 00:11:49,440

again if we have a bias about what that

314

00:11:53,630 --> 00:11:52,019

data must mean right then we can

315

00:11:54,889 --> 00:11:53,640

sometimes put it in the wrong category

316

00:11:56,930 --> 00:11:54,899

and I think that's been part of the

317

00:11:58,910 --> 00:11:56,940

issue with the whole extraterrestrial

318

00:12:01,910 --> 00:11:58,920

versus interdimensional versus Ultra

319

00:12:04,610 --> 00:12:01,920

terrestrial question right is um or you

320

00:12:07,610 --> 00:12:04,620

know extra Tempest real is is when we

321

00:12:11,090 --> 00:12:07,620

find a group of others what about our

322

00:12:13,370 --> 00:12:11,100

pre-existing biases uh makes us conclude

323

00:12:15,769 --> 00:12:13,380

prematurely sometimes that it's one

324

00:12:18,350 --> 00:12:15,779

group or over another so you know for

325

00:12:20,569 --> 00:12:18,360

instance one of the kind of hilarious

326

00:12:22,910 --> 00:12:20,579

things that's happening right now is how

327

00:12:24,170 --> 00:12:22,920

NASA keeps coming out and saying just be

328

00:12:25,970 --> 00:12:24,180

clear there's no evidence that this is

329

00:12:27,290 --> 00:12:25,980

extraterrestrial right right it's like

330

00:12:29,150 --> 00:12:27,300

well well what exactly does that

331

00:12:31,850 --> 00:12:29,160

evidence look like right it's the first

332

00:12:32,990 --> 00:12:31,860

question and number two who said we've

333

00:12:35,810 --> 00:12:33,000

necessarily concluded it's

334

00:12:37,490 --> 00:12:35,820

extraterrestrial so even in our present

335

00:12:39,230 --> 00:12:37,500

day and age the Modern Age what we've

336

00:12:41,990 --> 00:12:39,240

learned you would hope so many lessons

337

00:12:44,449 --> 00:12:42,000

from history about prematurely making

338

00:12:46,790 --> 00:12:44,459

drawing conclusions we're still doing

339

00:12:49,370 --> 00:12:46,800

that today like we're saying like either

340

00:12:51,590 --> 00:12:49,380

it's like Earthbound human technology or

341

00:12:54,470 --> 00:12:51,600

you know it's the Martians one of those

342

00:12:56,210 --> 00:12:54,480

two and and it's kind of hilarious that

343

00:12:59,509 --> 00:12:56,220

in 2022 those are kind of the options

344

00:13:00,949 --> 00:12:59,519

put on the table and even more kind of I

345

00:13:02,509 --> 00:13:00,959

think frustrating to those of us who

346

00:13:04,730 --> 00:13:02,519

really intimately involved with this

347

00:13:06,110 --> 00:13:04,740

topic is that to the average you know

348

00:13:07,550 --> 00:13:06,120

Joe Blow in the public they don't pick

349

00:13:09,889 --> 00:13:07,560

up on any of that they just they hear

350

00:13:12,710 --> 00:13:09,899

what NASA says like oh I guess it's not

351

00:13:14,329 --> 00:13:12,720

it's not ET voting home after all and

352

00:13:16,850 --> 00:13:14,339

they're you know oblivious to the entire

353

00:13:19,610 --> 00:13:16,860

rest of the conversation

354

00:13:21,290 --> 00:13:19,620

yeah for sure I mean what uh it begs the

355

00:13:23,889 --> 00:13:21,300

question what is kind of our what is the

356

00:13:26,810 --> 00:13:23,899

operational tolerance of civilization

357

00:13:28,210 --> 00:13:26,820

for I think what I would consider to be

358

00:13:34,250 --> 00:13:28,220

ambiguous

359

00:13:37,129 --> 00:13:34,260

you know because really there's this

360

00:13:41,569 --> 00:13:39,350

at a certain level like the level in

361

00:13:44,930 --> 00:13:41,579

which we're operating on the globe are

362

00:13:46,910 --> 00:13:44,940

interconnected economies and markets and

363

00:13:52,850 --> 00:13:46,920

you know the way that we interact right

364

00:13:55,250 --> 00:13:52,860

now we we really can't tolerate a uh a

365

00:13:58,970 --> 00:13:55,260

version of reality that is

366

00:14:00,530 --> 00:13:58,980

too many degrees departed from what kind

367

00:14:04,129 --> 00:14:00,540

of makes things run you know what what

368

00:14:06,170 --> 00:14:04,139

the status quo essentially demands and

369

00:14:07,550 --> 00:14:06,180

so you know I think it's for me it's

370

00:14:09,769 --> 00:14:07,560

looking at that sort of system and going

371

00:14:11,870 --> 00:14:09,779

well how do we get from that system

372

00:14:14,870 --> 00:14:11,880

at least a couple of degrees further

373

00:14:16,970 --> 00:14:14,880

than that to where we can incorporate a

374

00:14:19,670 --> 00:14:16,980

different way of looking at reality than

375

00:14:21,350 --> 00:14:19,680

what we currently use and and I struggle

376

00:14:24,650 --> 00:14:21,360

with this a lot as well because I think

377

00:14:26,990 --> 00:14:24,660

at a very personal level not just from

378

00:14:28,910 --> 00:14:27,000

my own person but for the others that I

379

00:14:30,730 --> 00:14:28,920

interact with and through social media

380

00:14:33,710 --> 00:14:30,740

and in person in real life

381

00:14:35,750 --> 00:14:33,720

in meat space I guess I think most

382

00:14:37,790 --> 00:14:35,760

people have this sense in which their

383

00:14:40,370 --> 00:14:37,800

current system isn't working as intended

384

00:14:42,350 --> 00:14:40,380

something is kind of broken about the

385

00:14:44,870 --> 00:14:42,360

way the world is operating and we we see

386

00:14:47,210 --> 00:14:44,880

this almost every week now examples of

387

00:14:48,769 --> 00:14:47,220

this uh our corporate institutions just

388

00:14:51,530 --> 00:14:48,779

continually fail and have been failing

389

00:14:53,870 --> 00:14:51,540

us for decades and how they kind of put

390

00:14:55,970 --> 00:14:53,880

profits over people our government

391

00:14:58,550 --> 00:14:55,980

institutions continue to do the very

392

00:15:00,530 --> 00:14:58,560

same thing with special interests and of

393

00:15:02,990 --> 00:15:00,540

course money in politics which creates

394

00:15:05,509 --> 00:15:03,000

so many problems so the average

395

00:15:07,970 --> 00:15:05,519

individual you know bumps up against

396

00:15:09,710 --> 00:15:07,980

this all the time yet we're kind of

397

00:15:12,290 --> 00:15:09,720

willing to go along with this one

398

00:15:14,210 --> 00:15:12,300

function because we have nothing better

399

00:15:16,250 --> 00:15:14,220

to take its place it's almost like we

400

00:15:18,050 --> 00:15:16,260

yearn for something else and we we

401  
00:15:20,090 --> 00:15:18,060  
intuitively know that there's a better

402  
00:15:22,430 --> 00:15:20,100  
way but we haven't been shown how that

403  
00:15:24,530 --> 00:15:22,440  
could work and the vested interests that

404  
00:15:26,990 --> 00:15:24,540  
are in power now have just too much sway

405  
00:15:28,730 --> 00:15:27,000  
over the way things are

406  
00:15:30,050 --> 00:15:28,740  
yeah it's a bit of a predicament for

407  
00:15:31,910 --> 00:15:30,060  
sure I was talking to a friend about

408  
00:15:34,310 --> 00:15:31,920  
that on the weekend just you know

409  
00:15:37,250 --> 00:15:34,320  
thinking back to the last sort of

410  
00:15:39,050 --> 00:15:37,260  
financial crisis and and how this you

411  
00:15:41,750 --> 00:15:39,060  
know phrase came into the vernacular

412  
00:15:43,910 --> 00:15:41,760  
which is too big to fail right the this

413  
00:15:46,850 --> 00:15:43,920

notion that some of these corporations

414

00:15:49,009 --> 00:15:46,860

these multinational corporations

415

00:15:52,189 --> 00:15:49,019

um are so Central to the way the whole

416

00:15:53,329 --> 00:15:52,199

system runs that they can take massive

417

00:15:55,730 --> 00:15:53,339

gamble

418

00:15:57,889 --> 00:15:55,740

and you know benefit their shareholders

419

00:15:59,870 --> 00:15:57,899

when things are going well and when

420

00:16:01,990 --> 00:15:59,880

things aren't going well they know that

421

00:16:04,430 --> 00:16:02,000

things will only sink so far before

422

00:16:06,470 --> 00:16:04,440

their linchpin

423

00:16:08,569 --> 00:16:06,480

um place in our society ensures that

424

00:16:10,069 --> 00:16:08,579

they'll get bailouts whatever to get

425

00:16:12,290 --> 00:16:10,079

things back up and running again so it's

426  
00:16:14,810 --> 00:16:12,300  
kind of a rigged system in that way and

427  
00:16:16,129 --> 00:16:14,820  
I agree with you that people sense that

428  
00:16:17,389 --> 00:16:16,139  
it's broken

429  
00:16:19,970 --> 00:16:17,399  
but I think and I've mentioned this

430  
00:16:23,329 --> 00:16:19,980  
before you know people tend to be

431  
00:16:26,210 --> 00:16:23,339  
motivated in principle by two different

432  
00:16:29,090 --> 00:16:26,220  
kinds of calculus one is what you can

433  
00:16:30,949 --> 00:16:29,100  
gain and one is what you might lose and

434  
00:16:34,189 --> 00:16:30,959  
a lot of people the way that our society

435  
00:16:36,050 --> 00:16:34,199  
has been set up a very um risk-averse

436  
00:16:38,509 --> 00:16:36,060  
kind of situation in some ways in terms

437  
00:16:40,670 --> 00:16:38,519  
of the totality that

438  
00:16:43,189 --> 00:16:40,680

um people think more about what might go

439

00:16:45,769 --> 00:16:43,199

wrong if we really try to change the

440

00:16:48,350 --> 00:16:45,779

system then what in the long term might

441

00:16:50,749 --> 00:16:48,360

we get right you know like what what

442

00:16:53,449 --> 00:16:50,759

potential good could come from really

443

00:16:57,530 --> 00:16:53,459

really rethinking and and you know

444

00:16:59,389 --> 00:16:57,540

pouring resources and Minds into really

445

00:17:01,670 --> 00:16:59,399

coming up with a different model

446

00:17:03,949 --> 00:17:01,680

um you know you think back to the the

447

00:17:05,870 --> 00:17:03,959

push during the Manhattan Project you

448

00:17:07,789 --> 00:17:05,880

know you just get all the money you need

449

00:17:09,829 --> 00:17:07,799

and the best Minds in the world you

450

00:17:11,929 --> 00:17:09,839

build a new town in the middle of the

451  
00:17:12,949 --> 00:17:11,939  
desert and you just come hell or high

452  
00:17:15,350 --> 00:17:12,959  
water we're going to figure out how to

453  
00:17:17,210 --> 00:17:15,360  
do this right what if we did that on

454  
00:17:20,090 --> 00:17:17,220  
this kind of scale you know and what if

455  
00:17:21,949 --> 00:17:20,100  
the the the people that are the the

456  
00:17:24,049 --> 00:17:21,959  
capitalists that are the you know the

457  
00:17:26,390 --> 00:17:24,059  
Goldman Sachs of the world and that kind

458  
00:17:29,510 --> 00:17:26,400  
of thing said hey we've made enough

459  
00:17:31,970 --> 00:17:29,520  
money how can we really you know invest

460  
00:17:35,270 --> 00:17:31,980  
this in a new system like and and we'll

461  
00:17:37,190 --> 00:17:35,280  
front it so that you know it can gain

462  
00:17:38,870 --> 00:17:37,200  
Equity over time kind of thing

463  
00:17:39,830 --> 00:17:38,880

so it gets its legs under it kind of

464

00:17:41,029 --> 00:17:39,840

thing that kind of thing you know is

465

00:17:43,870 --> 00:17:41,039

what I'm talking about

466

00:17:46,250 --> 00:17:43,880

um and because like you say the the

467

00:17:48,590 --> 00:17:46,260

strange situation we find ourselves in

468

00:17:50,330 --> 00:17:48,600

now is that people on the one hand smile

469

00:17:52,430 --> 00:17:50,340

and say hi to their neighbors at Walmart

470

00:17:53,690 --> 00:17:52,440

or whatever but at the same time there's

471

00:17:55,250 --> 00:17:53,700

this kind of sneaking feeling that

472

00:17:56,570 --> 00:17:55,260

things are kind of crumbling right like

473

00:17:58,310 --> 00:17:56,580

uh

474

00:17:59,930 --> 00:17:58,320

I mean I know I bring this one up a lot

475

00:18:02,450 --> 00:17:59,940

and I'm not saying that it's as simple

476

00:18:03,850 --> 00:18:02,460

as it's all man-made I think there's

477

00:18:06,529 --> 00:18:03,860

actually

478

00:18:08,029 --> 00:18:06,539

numerous factors that are impacting

479

00:18:10,669 --> 00:18:08,039

climate change and what's going on there

480

00:18:13,190 --> 00:18:10,679

and I think some of my views would be

481

00:18:14,510 --> 00:18:13,200

offensive to you know people on both

482

00:18:16,610 --> 00:18:14,520

sides of that argument because I think

483

00:18:18,590 --> 00:18:16,620

there's also a kind of a Consciousness

484

00:18:20,870 --> 00:18:18,600

aspect to it that it's not just as pure

485

00:18:22,730 --> 00:18:20,880

physicalist kind of model of like you

486

00:18:23,870 --> 00:18:22,740

put so much CO2 in the atmosphere this

487

00:18:25,490 --> 00:18:23,880

is going to be the result I think that's

488

00:18:27,350 --> 00:18:25,500

a huge part of it but I think it's more

489

00:18:28,970 --> 00:18:27,360

than that and even even when you look at

490

00:18:31,130 --> 00:18:28,980

that that's still a Consciousness issue

491

00:18:32,870 --> 00:18:31,140

fundamentally because right we're

492

00:18:34,669 --> 00:18:32,880

willing to sacrifice the long term or

493

00:18:36,230 --> 00:18:34,679

the good of the planet or the good of

494

00:18:38,210 --> 00:18:36,240

our children's and grandchildren's

495

00:18:40,610 --> 00:18:38,220

future for you know profits now kind of

496

00:18:43,370 --> 00:18:40,620

thing we're not causing too much stress

497

00:18:45,590 --> 00:18:43,380

in the in the economy now

498

00:18:47,870 --> 00:18:45,600

all it is to say it is a bit of a

499

00:18:49,130 --> 00:18:47,880

strange situation because you know on

500

00:18:52,549 --> 00:18:49,140

the one hand I was just thinking about

501  
00:18:53,330 --> 00:18:52,559  
this just today I was out shopping and

502  
00:18:56,029 --> 00:18:53,340  
um

503  
00:18:57,950 --> 00:18:56,039  
just seeing some genuine like goodness

504  
00:18:59,510 --> 00:18:57,960  
in people like see people coming across

505  
00:19:01,549 --> 00:18:59,520  
people they know and hey how you doing

506  
00:19:03,770 --> 00:19:01,559  
and really the sense of like Brotherhood

507  
00:19:05,270 --> 00:19:03,780  
Sisterhood kind of thing but at the same

508  
00:19:07,490 --> 00:19:05,280  
time you know

509  
00:19:10,070 --> 00:19:07,500  
we're we're kind of all part of a system

510  
00:19:12,289 --> 00:19:10,080  
that seems unsustainable and and people

511  
00:19:13,610 --> 00:19:12,299  
kind of know it but they they number one

512  
00:19:16,310 --> 00:19:13,620  
they feel

513  
00:19:18,289 --> 00:19:16,320

kind of powerless to change it and

514

00:19:19,130 --> 00:19:18,299

number two

515

00:19:21,650 --> 00:19:19,140

um

516

00:19:23,690 --> 00:19:21,660

there's this real lack of trust in

517

00:19:25,610 --> 00:19:23,700

government or in our you know the powers

518

00:19:26,930 --> 00:19:25,620

that be kind of thing and I know that

519

00:19:29,150 --> 00:19:26,940

you and I talked about maybe getting

520

00:19:31,390 --> 00:19:29,160

into this tonight because it's not just

521

00:19:33,830 --> 00:19:31,400

sort of the the extreme right-wing

522

00:19:35,510 --> 00:19:33,840

anti-government crowd that that is

523

00:19:37,490 --> 00:19:35,520

thinking that now but even those of us

524

00:19:39,409 --> 00:19:37,500

who come from a more Progressive

525

00:19:41,570 --> 00:19:39,419

background but have seen how the UFO

526

00:19:44,270 --> 00:19:41,580

phenomenon has been suppressed by the

527

00:19:46,490 --> 00:19:44,280

powers that be I've talked to people on

528

00:19:48,470 --> 00:19:46,500

the inside who are very aware that even

529

00:19:50,930 --> 00:19:48,480

the way that you know Google tends to

530

00:19:53,750 --> 00:19:50,940

handle with its algorithm things around

531

00:19:56,090 --> 00:19:53,760

this topic and topics like this

532

00:19:57,650 --> 00:19:56,100

there's a distinct difference from other

533

00:20:00,350 --> 00:19:57,660

kinds of topics so there's you know it's

534

00:20:01,909 --> 00:20:00,360

not an equal playing field and and when

535

00:20:03,830 --> 00:20:01,919

that is the

536

00:20:06,409 --> 00:20:03,840

the setting of the table of the Public's

537

00:20:08,990 --> 00:20:06,419

you know public sphere uh and the Public

538

00:20:10,970 --> 00:20:09,000

Square then that is going to determine

539

00:20:13,090 --> 00:20:10,980

what what the possibilities are so it's

540

00:20:15,830 --> 00:20:13,100

it's a it's a conundrum for sure

541

00:20:18,049 --> 00:20:15,840

and and I think we find too that those

542

00:20:21,590 --> 00:20:18,059

efforts often end up backfiring so a lot

543

00:20:23,090 --> 00:20:21,600

of uh work being put to uh turn down the

544

00:20:25,190 --> 00:20:23,100

volume of some of these other uh

545

00:20:27,169 --> 00:20:25,200

conversations ends up only amplifying

546

00:20:28,610 --> 00:20:27,179

them because they become it's just like

547

00:20:30,110 --> 00:20:28,620

when you tell your teenage kid you know

548

00:20:32,150 --> 00:20:30,120

now you can't do this you know you're

549

00:20:34,070 --> 00:20:32,160

never gonna be able to do this and it's

550

00:20:36,289 --> 00:20:34,080

like the one thing they they can't wait

551

00:20:38,450 --> 00:20:36,299

to do to stick it to you you know so

552

00:20:40,970 --> 00:20:38,460

it's uh it's just like that and I think

553

00:20:43,730 --> 00:20:40,980

you know we're seeing that kind of

554

00:20:46,909 --> 00:20:43,740

conflict of interest really uh bubble to

555

00:20:49,090 --> 00:20:46,919

the surface and in many areas now but it

556

00:20:51,650 --> 00:20:49,100

does speak to me to the responsibility

557

00:20:53,990 --> 00:20:51,660

that and we've touched on this before on

558

00:20:56,630 --> 00:20:54,000

the show but there is a responsibility

559

00:20:58,909 --> 00:20:56,640

that people who are in in charge of

560

00:21:00,950 --> 00:20:58,919

these institutions uh particularly the

561

00:21:02,810 --> 00:21:00,960

government institutions the military

562

00:21:05,330 --> 00:21:02,820

institutions the have a very strong

563

00:21:07,909 --> 00:21:05,340

sense of responsibility for the people

564

00:21:10,669 --> 00:21:07,919

that they are that are under their care

565

00:21:12,770 --> 00:21:10,679

and and we honestly we want them to have

566

00:21:14,750 --> 00:21:12,780

that strong sense of responsibility but

567

00:21:18,409 --> 00:21:14,760

keep in mind that the inertia associated

568

00:21:20,270 --> 00:21:18,419

with that is very much to maintain the

569

00:21:23,029 --> 00:21:20,280

current system maintain the current

570

00:21:25,549 --> 00:21:23,039

order and the current order is flawed as

571

00:21:26,810 --> 00:21:25,559

it is and even those on the inside who

572

00:21:28,490 --> 00:21:26,820

are who who have taken that

573

00:21:30,830 --> 00:21:28,500

responsibility understand that it has

574

00:21:33,169 --> 00:21:30,840

its problems but it's that devil you

575

00:21:36,230 --> 00:21:33,179

know they would rather continue to move

576

00:21:38,870 --> 00:21:36,240

that system very slowly but in very

577

00:21:41,570 --> 00:21:38,880

familiar ways maintain it in that way

578

00:21:43,310 --> 00:21:41,580

then make dramatic changes then do

579

00:21:47,210 --> 00:21:43,320

anything that they can't really game out

580

00:21:49,430 --> 00:21:47,220

and so that I think really does move us

581

00:21:50,330 --> 00:21:49,440

into you know what we want to one of the

582

00:21:52,730 --> 00:21:50,340

things we want to talk about tonight

583

00:21:54,409 --> 00:21:52,740

which is you know what disclosure means

584

00:21:56,750 --> 00:21:54,419

for these different groups you know so

585

00:21:59,450 --> 00:21:56,760

you have a kind of disclosure from that

586

00:22:01,310 --> 00:21:59,460

mindset which says you know we can do a

587

00:22:02,810 --> 00:22:01,320

little bit perhaps but we don't want to

588

00:22:04,070 --> 00:22:02,820

upset the order order because the order

589

00:22:05,330 --> 00:22:04,080

is very important we have a lot of

590

00:22:07,610 --> 00:22:05,340

people that we have to kind of think

591

00:22:09,529 --> 00:22:07,620

about in this situation so we don't want

592

00:22:10,730 --> 00:22:09,539

to do something too crazy because then

593

00:22:13,070 --> 00:22:10,740

we just don't know how they're going to

594

00:22:15,110 --> 00:22:13,080

react but then you have the other side

595

00:22:17,510 --> 00:22:15,120

of this issue where there are people who

596

00:22:19,370 --> 00:22:17,520

are living this you know they've lived

597

00:22:20,870 --> 00:22:19,380

it and are living it day in and day out

598

00:22:23,710 --> 00:22:20,880

they've had very intense personal

599

00:22:26,750 --> 00:22:23,720

experiences the sense of imminence

600

00:22:28,789 --> 00:22:26,760

immediacy is very strongly felt from

601  
00:22:30,950 --> 00:22:28,799  
many of the experience or community and

602  
00:22:33,230 --> 00:22:30,960  
so you have that side of the coin and

603  
00:22:35,390 --> 00:22:33,240  
it's like well what do we do here you

604  
00:22:37,549 --> 00:22:35,400  
know how do we kind of navigate the this

605  
00:22:41,149 --> 00:22:37,559  
challenge to where we can have some

606  
00:22:43,850 --> 00:22:41,159  
meaningful change but not it not be so

607  
00:22:46,310 --> 00:22:43,860  
glacially slow that we can't even

608  
00:22:49,789 --> 00:22:46,320  
perceive it

609  
00:22:51,890 --> 00:22:49,799  
yeah tricky questions I mean

610  
00:22:53,510 --> 00:22:51,900  
I was just thinking as you were sort of

611  
00:22:55,850 --> 00:22:53,520  
prepping this part of the conversation

612  
00:22:57,649 --> 00:22:55,860  
that

613  
00:22:58,669 --> 00:22:57,659

what's ironic to me is when I look at

614

00:23:01,010 --> 00:22:58,679

even the people who are kind of

615

00:23:02,450 --> 00:23:01,020

spearheading the push for government

616

00:23:04,789 --> 00:23:02,460

disclosure

617

00:23:07,310 --> 00:23:04,799

I don't sense that even they've really

618

00:23:09,890 --> 00:23:07,320

thought through

619

00:23:10,909 --> 00:23:09,900

the implications here the consequences I

620

00:23:13,310 --> 00:23:10,919

don't know that they've thought through

621

00:23:14,810 --> 00:23:13,320

what is the I know I know they've

622

00:23:16,789 --> 00:23:14,820

considered it I know they've considered

623

00:23:19,250 --> 00:23:16,799

that there's some big big issues on the

624

00:23:20,870 --> 00:23:19,260

table here in terms of disruption

625

00:23:22,730 --> 00:23:20,880

but I don't know that they've really

626

00:23:24,590 --> 00:23:22,740

gamed it out nor do I know you really

627

00:23:27,350 --> 00:23:24,600

can in some ways right there's just so

628

00:23:28,190 --> 00:23:27,360

many moving Parts it's very difficult to

629

00:23:30,169 --> 00:23:28,200

know

630

00:23:32,570 --> 00:23:30,179

how that's all going to land right and

631

00:23:35,810 --> 00:23:32,580

when you when you

632

00:23:37,669 --> 00:23:35,820

when you finally swing that bat you know

633

00:23:39,169 --> 00:23:37,679

how many things will change

634

00:23:41,210 --> 00:23:39,179

um

635

00:23:43,310 --> 00:23:41,220

so so I think that one things we've

636

00:23:45,549 --> 00:23:43,320

talked about before on this show is is

637

00:23:47,690 --> 00:23:45,559

again about Nuance about balance

638

00:23:49,370 --> 00:23:47,700

recognizing that sometimes issues are

639

00:23:52,010 --> 00:23:49,380

not black and white but Shades of Gray

640

00:23:54,049 --> 00:23:52,020

and

641

00:23:55,789 --> 00:23:54,059

you've mentioned to me for instance you

642

00:23:58,430 --> 00:23:55,799

know like your kids are younger than

643

00:24:01,370 --> 00:23:58,440

mine right so when you've got you know

644

00:24:03,710 --> 00:24:01,380

younger kids in school and stuff you

645

00:24:06,529 --> 00:24:03,720

um you know you think about how these

646

00:24:08,570 --> 00:24:06,539

issues impact them right and that might

647

00:24:09,470 --> 00:24:08,580

be different than someone who's like you

648

00:24:11,090 --> 00:24:09,480

know

649

00:24:12,049 --> 00:24:11,100

70 years old and single or something

650

00:24:14,570 --> 00:24:12,059

right

651  
00:24:17,029 --> 00:24:14,580  
um or or 20 and hasn't got married yet

652  
00:24:19,850 --> 00:24:17,039  
you know so in other words like again

653  
00:24:21,950 --> 00:24:19,860  
our perspective changes are

654  
00:24:23,750 --> 00:24:21,960  
um or our life experience and our life

655  
00:24:26,090 --> 00:24:23,760  
season changes how we look at these

656  
00:24:29,210 --> 00:24:26,100  
issues and like you said these people

657  
00:24:31,669 --> 00:24:29,220  
who are in power for good or for bad

658  
00:24:35,630 --> 00:24:31,679  
have to make decisions for good or for

659  
00:24:37,970 --> 00:24:35,640  
bad for for the for the entire populace

660  
00:24:40,010 --> 00:24:37,980  
um and you know I use this expression um

661  
00:24:41,510 --> 00:24:40,020  
I think in our last show when I said you

662  
00:24:43,130 --> 00:24:41,520  
know Kick the Can down the road I think

663  
00:24:46,130 --> 00:24:43,140

that's where a lot of people land it's

664

00:24:47,990 --> 00:24:46,140

just they really don't know which way

665

00:24:49,850 --> 00:24:48,000

they should go and so they go the safe

666

00:24:51,649 --> 00:24:49,860

bet is just to like not do anything for

667

00:24:53,210 --> 00:24:51,659

now you know and and

668

00:24:55,789 --> 00:24:53,220

um if no one's like beating down our

669

00:24:57,710 --> 00:24:55,799

door saying there's no journalist saying

670

00:24:59,510 --> 00:24:57,720

listen we know there's a there what's

671

00:25:01,789 --> 00:24:59,520

really going on if no one's doing that

672

00:25:04,370 --> 00:25:01,799

job which is you know supposed to be a

673

00:25:06,350 --> 00:25:04,380

functioning part of our democracy is a

674

00:25:08,510 --> 00:25:06,360

strong press who can you know press

675

00:25:11,510 --> 00:25:08,520

government when it's not being truthful

676  
00:25:13,430 --> 00:25:11,520  
but when you know there's clear evidence

677  
00:25:14,810 --> 00:25:13,440  
as people often are quick to point out

678  
00:25:17,330 --> 00:25:14,820  
to me

679  
00:25:19,250 --> 00:25:17,340  
that many people see the press as being

680  
00:25:20,990 --> 00:25:19,260  
you know in the pocket of some of these

681  
00:25:22,669 --> 00:25:21,000  
government groups

682  
00:25:24,470 --> 00:25:22,679  
um and I've seen clear evidence even

683  
00:25:26,810 --> 00:25:24,480  
with like the New York Times for

684  
00:25:29,630 --> 00:25:26,820  
instance you know like this Bastion of

685  
00:25:32,269 --> 00:25:29,640  
you know journalism in the world there

686  
00:25:32,990 --> 00:25:32,279  
certainly seems to be a quick

687  
00:25:36,049 --> 00:25:33,000  
um

688  
00:25:38,149 --> 00:25:36,059

tidy way of letting

689

00:25:40,370 --> 00:25:38,159

the military establishment decide how

690

00:25:42,710 --> 00:25:40,380

things are going to be pitched

691

00:25:44,690 --> 00:25:42,720

um which which is concerning you know

692

00:25:46,549 --> 00:25:44,700

like I think I understand that

693

00:25:47,750 --> 00:25:46,559

if you're the person who has sources on

694

00:25:49,730 --> 00:25:47,760

the other on the other end of the phone

695

00:25:51,289 --> 00:25:49,740

or in the parking garage or whatever you

696

00:25:52,610 --> 00:25:51,299

know you don't want to offend them

697

00:25:54,350 --> 00:25:52,620

because they're your sources right

698

00:25:56,210 --> 00:25:54,360

that's how you get those those breaking

699

00:25:57,950 --> 00:25:56,220

stories but of course it's that fine

700

00:26:00,049 --> 00:25:57,960

balance because if you let them dictate

701  
00:26:02,330 --> 00:26:00,059  
the terms by which you will share

702  
00:26:03,710 --> 00:26:02,340  
information with the public then in some

703  
00:26:04,669 --> 00:26:03,720  
ways they're just you've just become

704  
00:26:06,890 --> 00:26:04,679  
another arm of the military

705  
00:26:09,409 --> 00:26:06,900  
establishment so

706  
00:26:13,370 --> 00:26:11,570  
and you know I know that you and I have

707  
00:26:15,950 --> 00:26:13,380  
both wrestled with this since we really

708  
00:26:17,210 --> 00:26:15,960  
got into this topic which is you know

709  
00:26:19,669 --> 00:26:17,220  
again

710  
00:26:21,470 --> 00:26:19,679  
things that would have seemed to us like

711  
00:26:24,710 --> 00:26:21,480  
conspiracy theory kind of stuff

712  
00:26:26,870 --> 00:26:24,720  
initially now we're like wow what you

713  
00:26:28,430 --> 00:26:26,880

get down this Rabbit Hole many of the

714

00:26:29,810 --> 00:26:28,440

things you just took for granted you

715

00:26:32,750 --> 00:26:29,820

almost look back and you feel a little

716

00:26:36,769 --> 00:26:32,760

bit ignorant and naive even about it

717

00:26:39,190 --> 00:26:36,779

right and um I remember Jon Stewart you

718

00:26:41,690 --> 00:26:39,200

know back in the 2010s I think it was

719

00:26:44,210 --> 00:26:41,700

one time was talking to someone who was

720

00:26:46,490 --> 00:26:44,220

sort of an anti-government person and

721

00:26:47,990 --> 00:26:46,500

he's like listen these people are just

722

00:26:49,669 --> 00:26:48,000

our neighbors right like we say the

723

00:26:51,470 --> 00:26:49,679

government it's just like Joe my next

724

00:26:53,630 --> 00:26:51,480

door neighbor right and to some extent

725

00:26:55,250 --> 00:26:53,640

that's true and that's kind of the way I

726

00:26:56,990 --> 00:26:55,260

looked at it back then was that this

727

00:26:59,330 --> 00:26:57,000

sort of big bad like government thing

728

00:27:02,350 --> 00:26:59,340

was a bit silly but on the other hand

729

00:27:04,909 --> 00:27:02,360

there are some really really entrenched

730

00:27:08,450 --> 00:27:04,919

interests that

731

00:27:11,330 --> 00:27:08,460

because it's run by finance and whatnot

732

00:27:13,310 --> 00:27:11,340

and there's only so many groups and

733

00:27:15,110 --> 00:27:13,320

families in the world with that level of

734

00:27:18,049 --> 00:27:15,120

Finance

735

00:27:20,990 --> 00:27:18,059

and when those huge groups or I mean

736

00:27:23,330 --> 00:27:21,000

huge in terms of hugely funded right

737

00:27:25,850 --> 00:27:23,340

um are able to control

738

00:27:28,370 --> 00:27:25,860

journalism and the Press because they

739

00:27:30,409 --> 00:27:28,380

can buy up huge portions of that

740

00:27:33,769 --> 00:27:30,419

and in today's age where we don't even

741

00:27:35,930 --> 00:27:33,779

have the you know the the the sense that

742

00:27:38,029 --> 00:27:35,940

the Press really is supposed to be the

743

00:27:39,769 --> 00:27:38,039

spokesperson for the people now it's

744

00:27:41,390 --> 00:27:39,779

more like you know how can you make

745

00:27:43,130 --> 00:27:41,400

money and how you can get the most hits

746

00:27:45,350 --> 00:27:43,140

and all this kind of thing in the

747

00:27:46,850 --> 00:27:45,360

internet culture really has changed so

748

00:27:48,649 --> 00:27:46,860

much right and and so you've got someone

749

00:27:51,409 --> 00:27:48,659

like Elon Musk coming forward and saying

750

00:27:53,269 --> 00:27:51,419

that Twitter is going to like kill

751

00:27:55,010 --> 00:27:53,279

journalism right there'd be no need

752

00:27:56,149 --> 00:27:55,020

because it'll all be on Twitter All The

753

00:27:58,190 --> 00:27:56,159

Cutting Edge stuff will be on Twitter

754

00:27:59,630 --> 00:27:58,200

because it'll be your speech Bastion

755

00:28:01,010 --> 00:27:59,640

kind of thing

756

00:28:04,190 --> 00:28:01,020

um

757

00:28:05,570 --> 00:28:04,200

Tricky Tricky Tricky stuff and uh

758

00:28:06,470 --> 00:28:05,580

but you know we probably shouldn't spend

759

00:28:08,090 --> 00:28:06,480

too much time there because I know you

760

00:28:10,310 --> 00:28:08,100

want to get into this thing about the

761

00:28:11,570 --> 00:28:10,320

different conversations and

762

00:28:14,390 --> 00:28:11,580

um

763

00:28:16,010 --> 00:28:14,400

yeah I would say that

764

00:28:17,090 --> 00:28:16,020

you know I know a lot of experiencers

765

00:28:18,529 --> 00:28:17,100

and I think because the point of

766

00:28:20,690 --> 00:28:18,539

convergence a lot of people reach out to

767

00:28:22,210 --> 00:28:20,700

me and I know people personally and I

768

00:28:23,870 --> 00:28:22,220

really feel like

769

00:28:25,610 --> 00:28:23,880

synchronistically I've been connected

770

00:28:28,010 --> 00:28:25,620

with people around the world that are

771

00:28:29,149 --> 00:28:28,020

experiencers and we've talked about some

772

00:28:32,029 --> 00:28:29,159

of that before

773

00:28:33,769 --> 00:28:32,039

and it's it's it really is humorous when

774

00:28:36,110 --> 00:28:33,779

I think about the kind of conversations

775

00:28:38,930 --> 00:28:36,120

I have with those people versus sort of

776

00:28:42,110 --> 00:28:38,940

the nuts and bolts conversations because

777

00:28:43,789 --> 00:28:42,120

when you have like numbers of people you

778

00:28:46,789 --> 00:28:43,799

know reaching out to me and us talking

779

00:28:48,830 --> 00:28:46,799

about like pre-incarnative experiences

780

00:28:51,289 --> 00:28:48,840

and memories and

781

00:28:53,570 --> 00:28:51,299

beings that we knew before this lifetime

782

00:28:55,010 --> 00:28:53,580

and things like that and coming into

783

00:28:56,990 --> 00:28:55,020

contact with

784

00:28:59,090 --> 00:28:57,000

aspects of ourselves that are like you

785

00:29:00,909 --> 00:28:59,100

know simultaneously existing in other

786

00:29:03,289 --> 00:29:00,919

dimensions

787

00:29:06,049 --> 00:29:03,299

I mean you can kind of hear it right

788

00:29:07,669 --> 00:29:06,059

that's so different than right hey man

789

00:29:08,990 --> 00:29:07,679

there's some cool Tech up in the sky

790

00:29:11,630 --> 00:29:09,000

that I think you know could be from

791

00:29:13,549 --> 00:29:11,640

Alpha Centauri you know like it's I'm

792

00:29:14,930 --> 00:29:13,559

not trying to mock it but it's like I'm

793

00:29:16,730 --> 00:29:14,940

just trying to point out how different

794

00:29:18,889 --> 00:29:16,740

the conversations are it's like night

795

00:29:21,409 --> 00:29:18,899

and day uh I think some people think

796

00:29:24,590 --> 00:29:21,419

sometimes maybe who are not really that

797

00:29:26,029 --> 00:29:24,600

into it uh as deep as as I am maybe they

798

00:29:27,710 --> 00:29:26,039

think it's sort of the same conversation

799

00:29:29,810 --> 00:29:27,720

but I'm saying to you it's really a

800

00:29:31,310 --> 00:29:29,820

different conversation and and when you

801  
00:29:32,990 --> 00:29:31,320  
think about like you know our friend Jay

802  
00:29:34,970 --> 00:29:33,000  
runs you know the experienter group and

803  
00:29:36,769 --> 00:29:34,980  
things like that the conversations that

804  
00:29:38,090 --> 00:29:36,779  
are had on those kind of forums are

805  
00:29:41,029 --> 00:29:38,100  
totally different you know it's like

806  
00:29:42,769 --> 00:29:41,039  
people are getting on to how do I make

807  
00:29:45,409 --> 00:29:42,779  
sense of my life how do I make sense of

808  
00:29:46,789 --> 00:29:45,419  
my life purpose how do I carry on a

809  
00:29:48,529 --> 00:29:46,799  
quote unquote normal life when I'm

810  
00:29:50,630 --> 00:29:48,539  
having these ongoing encounters with

811  
00:29:52,250 --> 00:29:50,640  
non-human intelligence like just

812  
00:29:54,049 --> 00:29:52,260  
practical how do I get up on Monday

813  
00:29:56,510 --> 00:29:54,059

morning and go to work you know when I

814

00:29:57,830 --> 00:29:56,520

lost sleep because I was on board a

815

00:30:00,470 --> 00:29:57,840

craft last night you know or something

816

00:30:01,850 --> 00:30:00,480

like that I mean uh and and I got mud on

817

00:30:03,289 --> 00:30:01,860

the carpet because you know I came back

818

00:30:04,610 --> 00:30:03,299

in through the garden kind of thing with

819

00:30:05,930 --> 00:30:04,620

no clothes on and my clothes were on

820

00:30:07,370 --> 00:30:05,940

backwards I mean things like that right

821

00:30:09,409 --> 00:30:07,380

it's just so

822

00:30:11,690 --> 00:30:09,419

it's so completely different than the

823

00:30:13,610 --> 00:30:11,700

public conversation

824

00:30:16,310 --> 00:30:13,620

yeah I

825

00:30:20,330 --> 00:30:16,320

I think about this too in the sense that

826

00:30:22,549 --> 00:30:20,340

how do what what kind of disclosure is

827

00:30:25,070 --> 00:30:22,559

the right kind and I I know that's a

828

00:30:28,549 --> 00:30:25,080

very kind of simplifying that quite a

829

00:30:30,950 --> 00:30:28,559

bit so I recognize that but but and it

830

00:30:33,409 --> 00:30:30,960

doesn't have to be binary in any way as

831

00:30:35,570 --> 00:30:33,419

well but there's the public disclosure

832

00:30:37,430 --> 00:30:35,580

there's the private disclosure there's

833

00:30:39,710 --> 00:30:37,440

the there's the journey we take together

834

00:30:42,769 --> 00:30:39,720

as a people and there's the journey that

835

00:30:45,470 --> 00:30:42,779

we take as individuals and that journey

836

00:30:47,990 --> 00:30:45,480

is in some way similar but in in many

837

00:30:50,090 --> 00:30:48,000

ways it is not and you know I think it

838

00:30:52,850 --> 00:30:50,100

begs the question just for conscious

839

00:30:56,330 --> 00:30:52,860

agents just generally right so you know

840

00:30:58,970 --> 00:30:56,340

for for intelligences that are on this

841

00:31:01,850 --> 00:30:58,980

journey you know what kind of knowledge

842

00:31:04,370 --> 00:31:01,860

is pertinent and important and valuable

843

00:31:06,769 --> 00:31:04,380

for that journey to reach its

844

00:31:09,710 --> 00:31:06,779

destination or or to enhance its journey

845

00:31:12,950 --> 00:31:09,720

and what kind of knowledge in an

846

00:31:14,810 --> 00:31:12,960

experience is valuable at a collective

847

00:31:16,789 --> 00:31:14,820

level and I think you know we talked

848

00:31:18,889 --> 00:31:16,799

about this to some degree before but the

849

00:31:21,350 --> 00:31:18,899

there's there's individual intelligence

850

00:31:23,690 --> 00:31:21,360

and his intelligence is kind of connect

851  
00:31:27,169 --> 00:31:23,700  
with one another uh and kind of sync up

852  
00:31:29,750 --> 00:31:27,179  
in a way they also form another layer or

853  
00:31:31,850 --> 00:31:29,760  
level of intelligence so so it's not

854  
00:31:33,590 --> 00:31:31,860  
it's certainly not either or I don't

855  
00:31:36,470 --> 00:31:33,600  
look at it that way I do think that it

856  
00:31:38,870 --> 00:31:36,480  
has to be you know both but I think that

857  
00:31:41,630 --> 00:31:38,880  
plays into where we are in the in this

858  
00:31:45,230 --> 00:31:41,640  
moment as well it's you know what

859  
00:31:47,029 --> 00:31:45,240  
personal disclosure is required uh for

860  
00:31:49,669 --> 00:31:47,039  
us to to feel like we're moving

861  
00:31:52,850 --> 00:31:49,679  
ourselves forward what public level

862  
00:31:56,090 --> 00:31:52,860  
disclosure is required to move our world

863  
00:31:57,590 --> 00:31:56,100

forward where do those two intersect and

864

00:31:59,389 --> 00:31:57,600

does one have to come before the other

865

00:32:01,909 --> 00:31:59,399

you know what what is the relationship

866

00:32:03,830 --> 00:32:01,919

there and how do you think about that

867

00:32:05,090 --> 00:32:03,840

well I think one thing I've definitely

868

00:32:07,909 --> 00:32:05,100

noticed

869

00:32:10,190 --> 00:32:07,919

um and

870

00:32:12,409 --> 00:32:10,200

I've stepped back and said this is

871

00:32:13,970 --> 00:32:12,419

interesting so this is this is rolling

872

00:32:15,529 --> 00:32:13,980

out differently than I think a lot of

873

00:32:18,470 --> 00:32:15,539

the traditional ufologists thought it

874

00:32:22,130 --> 00:32:18,480

would so I think the notion was back in

875

00:32:25,190 --> 00:32:22,140

the you know 60s 70s 80s even 90s

876

00:32:27,049 --> 00:32:25,200

this idea that you know eventually

877

00:32:28,970 --> 00:32:27,059

there would be enough of a push that

878

00:32:30,470 --> 00:32:28,980

these different government institutions

879

00:32:32,870 --> 00:32:30,480

and these different private corporations

880

00:32:34,549 --> 00:32:32,880

that were given these contracts on

881

00:32:36,409 --> 00:32:34,559

reverse engineering projects and things

882

00:32:39,010 --> 00:32:36,419

like that would eventually have to come

883

00:32:41,330 --> 00:32:39,020

clean because you know the the the

884

00:32:42,889 --> 00:32:41,340

ravenous journalistic culture would

885

00:32:44,450 --> 00:32:42,899

eventually get a whiff of it and

886

00:32:46,789 --> 00:32:44,460

wouldn't let up until it kind of came

887

00:32:49,789 --> 00:32:46,799

clean that hasn't happened

888

00:32:52,070 --> 00:32:49,799

what I notice is that there's this

889

00:32:54,470 --> 00:32:52,080

Grassroots movement that you know as

890

00:32:55,970 --> 00:32:54,480

I've said before when I think what the

891

00:32:59,149 --> 00:32:55,980

number of people that are reaching out

892

00:33:01,130 --> 00:32:59,159

to me talking about how their entire

893

00:33:03,950 --> 00:33:01,140

sense of life purpose is being directed

894

00:33:05,810 --> 00:33:03,960

by these experiences and not in a

895

00:33:06,590 --> 00:33:05,820

controlling way like they feel like they

896

00:33:08,210 --> 00:33:06,600

are

897

00:33:10,010 --> 00:33:08,220

this is their life purpose and it feels

898

00:33:10,970 --> 00:33:10,020

right you know it feels like core to who

899

00:33:12,649 --> 00:33:10,980

they are

900

00:33:14,269 --> 00:33:12,659

and I think what how many of those

901  
00:33:16,430 --> 00:33:14,279  
people reaching out to me and I'm I'm

902  
00:33:19,250 --> 00:33:16,440  
probably just hearing from you know a

903  
00:33:21,529 --> 00:33:19,260  
tiny proportion of the total you know

904  
00:33:24,110 --> 00:33:21,539  
um so that makes me think that there's

905  
00:33:26,269 --> 00:33:24,120  
this Grassroots push and on top of that

906  
00:33:28,190 --> 00:33:26,279  
you know that's basically what some of

907  
00:33:30,289 --> 00:33:28,200  
the the experience for literature talks

908  
00:33:31,909 --> 00:33:30,299  
about as well is that

909  
00:33:33,830 --> 00:33:31,919  
um some of these

910  
00:33:36,169 --> 00:33:33,840  
and I've come across some of this as

911  
00:33:38,750 --> 00:33:36,179  
well in some of my own experiences in

912  
00:33:40,190 --> 00:33:38,760  
terms of there was a time where

913  
00:33:43,310 --> 00:33:40,200

some of these others did approach

914

00:33:45,110 --> 00:33:43,320

governments and were basically turned

915

00:33:47,090 --> 00:33:45,120

down you know like I mean this is one of

916

00:33:49,430 --> 00:33:47,100

the the the most shocking

917

00:33:51,769 --> 00:33:49,440

um aspects of If This Were to ever hit

918

00:33:53,690 --> 00:33:51,779

the public sphere it would be shocking

919

00:33:55,070 --> 00:33:53,700

and that is this notion that there

920

00:33:58,490 --> 00:33:55,080

really have been

921

00:34:00,049 --> 00:33:58,500

non-human groups who've contacted you

922

00:34:02,029 --> 00:34:00,059

know administrations like the Eisenhower

923

00:34:05,090 --> 00:34:02,039

Administration and made overtures

924

00:34:07,789 --> 00:34:05,100

towards offering free energy and

925

00:34:09,409 --> 00:34:07,799

cooperation in exchange for disarmament

926  
00:34:11,510 --> 00:34:09,419  
and kind of a realigning of our

927  
00:34:12,889 --> 00:34:11,520  
priorities and things like that and

928  
00:34:15,349 --> 00:34:12,899  
those those overtures were turned down

929  
00:34:16,790 --> 00:34:15,359  
as I've said before which on the face of

930  
00:34:19,550 --> 00:34:16,800  
it is just so shocking you know like

931  
00:34:20,930 --> 00:34:19,560  
that alone what kind of shock waves

932  
00:34:22,909 --> 00:34:20,940  
would that send through the culture

933  
00:34:24,950 --> 00:34:22,919  
right if we if that really came out as

934  
00:34:25,609 --> 00:34:24,960  
something that really happened

935  
00:34:26,869 --> 00:34:25,619  
um

936  
00:34:28,970 --> 00:34:26,879  
but

937  
00:34:31,430 --> 00:34:28,980  
the the more important point there maybe

938  
00:34:33,169 --> 00:34:31,440

is that the Overture was turned down

939

00:34:36,250 --> 00:34:33,179

right I mean here you have this

940

00:34:39,169 --> 00:34:36,260

incredibly powerful and Powerful I mean

941

00:34:42,649 --> 00:34:39,179

sophisticated you know capable

942

00:34:43,849 --> 00:34:42,659

uh intelligence that was peaceful I'm

943

00:34:45,230 --> 00:34:43,859

not saying all of them are peaceful but

944

00:34:46,970 --> 00:34:45,240

there's some of the ones that approach

945

00:34:48,770 --> 00:34:46,980

these administrations were

946

00:34:54,310 --> 00:34:48,780

and

947

00:34:57,349 --> 00:34:54,320

chance to turn Humanity around

948

00:34:59,570 --> 00:34:57,359

these leaders said in quotes you know

949

00:35:01,490 --> 00:34:59,580

turned down and opted for a different

950

00:35:02,750 --> 00:35:01,500

approach probably for some of the same

951  
00:35:04,730 --> 00:35:02,760  
reasons you and I already talked about

952  
00:35:06,890 --> 00:35:04,740  
like you know what's the safe thing how

953  
00:35:08,630 --> 00:35:06,900  
can we kick this can down the road how

954  
00:35:11,150 --> 00:35:08,640  
can we first win the Cold War then worry

955  
00:35:12,109 --> 00:35:11,160  
about this things like that right

956  
00:35:14,030 --> 00:35:12,119  
um

957  
00:35:17,030 --> 00:35:14,040  
the I mean think it's never going to be

958  
00:35:19,310 --> 00:35:17,040  
convenient right to to rework your

959  
00:35:20,690 --> 00:35:19,320  
entire uh human civilization on the

960  
00:35:22,430 --> 00:35:20,700  
planet there's never gonna be a time

961  
00:35:24,530 --> 00:35:22,440  
where you go hey this looks like

962  
00:35:25,490 --> 00:35:24,540  
everything's lining up let's do it I

963  
00:35:27,410 --> 00:35:25,500

mean it's always going to be this

964

00:35:29,089 --> 00:35:27,420

massive push but if ever there was a

965

00:35:30,410 --> 00:35:29,099

time to do it it'd be when uh a

966

00:35:31,849 --> 00:35:30,420

non-human intelligence that's very

967

00:35:33,829 --> 00:35:31,859

capable is here and saying they're

968

00:35:35,810 --> 00:35:33,839

willing to assist right

969

00:35:37,430 --> 00:35:35,820

um

970

00:35:39,349 --> 00:35:37,440

but yeah for me that's that's what I

971

00:35:41,270 --> 00:35:39,359

think about is that I think about you

972

00:35:43,069 --> 00:35:41,280

know

973

00:35:45,109 --> 00:35:43,079

at this point from my point of view

974

00:35:47,990 --> 00:35:45,119

based on the people that I am in contact

975

00:35:49,849 --> 00:35:48,000

with I see the real change coming from

976

00:35:51,109 --> 00:35:49,859

the Grassroots on up not the other way

977

00:35:53,810 --> 00:35:51,119

around

978

00:35:56,870 --> 00:35:53,820

mm-hmm well you've talked about this

979

00:35:58,190 --> 00:35:56,880

before maybe we can expound on it a

980

00:36:00,230 --> 00:35:58,200

little bit further

981

00:36:02,569 --> 00:36:00,240

but just with the anecdote that you gave

982

00:36:05,870 --> 00:36:02,579

about the Eisenhower you know connection

983

00:36:08,089 --> 00:36:05,880

there there's also this degree to which

984

00:36:11,450 --> 00:36:08,099

the others

985

00:36:14,990 --> 00:36:11,460

you know have their own

986

00:36:17,810 --> 00:36:15,000

excuse me their own Notions of what this

987

00:36:20,329 --> 00:36:17,820

process might look like you know so they

988

00:36:22,130 --> 00:36:20,339

may have really good intentions and

989

00:36:25,130 --> 00:36:22,140

think that oh you know if we do this for

990

00:36:27,170 --> 00:36:25,140

Humanity then it's going to be great and

991

00:36:29,990 --> 00:36:27,180

it would be the right decision but then

992

00:36:32,750 --> 00:36:30,000

after attempting that they might come

993

00:36:34,849 --> 00:36:32,760

away from that and go oh yeah we really

994

00:36:36,470 --> 00:36:34,859

judge that interaction completely wrong

995

00:36:40,730 --> 00:36:36,480

and we may have actually done some

996

00:36:42,290 --> 00:36:40,740

damage by making that attempt so you

997

00:36:45,290 --> 00:36:42,300

know we have as you said many times

998

00:36:48,470 --> 00:36:45,300

competing groups competing interests uh

999

00:36:50,569 --> 00:36:48,480

competing ideas about what our level of

1000

00:36:51,470 --> 00:36:50,579

relationship should be and when it

1001  
00:36:53,870 --> 00:36:51,480  
should be

1002  
00:36:56,569 --> 00:36:53,880  
and if you look at it from that

1003  
00:36:58,310 --> 00:36:56,579  
perspective you use really I think see

1004  
00:37:00,170 --> 00:36:58,320  
all the things that we do see in the

1005  
00:37:01,849 --> 00:37:00,180  
literature you know so many different

1006  
00:37:05,650 --> 00:37:01,859  
kinds of experiences so many different

1007  
00:37:10,550 --> 00:37:05,660  
kinds of accounts this is not a uniform

1008  
00:37:13,130 --> 00:37:10,560  
uh you know robotic kind of other that

1009  
00:37:15,410 --> 00:37:13,140  
has uh as necessarily some sort of

1010  
00:37:17,390 --> 00:37:15,420  
master plan and is putting that into

1011  
00:37:18,829 --> 00:37:17,400  
into action

1012  
00:37:20,990 --> 00:37:18,839  
um which is not to say that there might

1013  
00:37:22,849 --> 00:37:21,000

be some others who who have a good sense

1014

00:37:24,650 --> 00:37:22,859

of how it should go but they may

1015

00:37:26,990 --> 00:37:24,660

actually be more non-interventionists

1016

00:37:28,670 --> 00:37:27,000

than the ones who who are so I don't

1017

00:37:30,410 --> 00:37:28,680

know do you want to kind of tackle that

1018

00:37:32,270 --> 00:37:30,420

we haven't maybe gone into as much

1019

00:37:34,190 --> 00:37:32,280

detail on that before

1020

00:37:35,390 --> 00:37:34,200

yeah I think that's a great piece I

1021

00:37:37,190 --> 00:37:35,400

think it's really important too and I

1022

00:37:38,690 --> 00:37:37,200

think you were kind of hinting at

1023

00:37:40,430 --> 00:37:38,700

something that's very true and that is

1024

00:37:42,349 --> 00:37:40,440

that this is another one of those

1025

00:37:43,550 --> 00:37:42,359

assumptions that people go in with um

1026  
00:37:44,450 --> 00:37:43,560  
that we don't necessarily have evidence

1027  
00:37:46,670 --> 00:37:44,460  
for

1028  
00:37:48,950 --> 00:37:46,680  
uh either way I mean I'm going to give

1029  
00:37:50,510 --> 00:37:48,960  
some evidence I think but but prior to

1030  
00:37:51,829 --> 00:37:50,520  
hearing this I think people go in

1031  
00:37:53,870 --> 00:37:51,839  
thinking that

1032  
00:37:55,490 --> 00:37:53,880  
well considering how capable some of

1033  
00:37:57,890 --> 00:37:55,500  
these others are and they're so much

1034  
00:38:00,589 --> 00:37:57,900  
more sophisticated surely they have

1035  
00:38:02,390 --> 00:38:00,599  
thought through you know they've they've

1036  
00:38:04,130 --> 00:38:02,400  
run through these quantum computers and

1037  
00:38:06,349 --> 00:38:04,140  
know exactly like all the probability

1038  
00:38:07,609 --> 00:38:06,359

streams and they've decided this is

1039

00:38:09,349 --> 00:38:07,619

exactly how you should do it at this

1040

00:38:12,349 --> 00:38:09,359

time talking to these people

1041

00:38:13,849 --> 00:38:12,359

but actually you know for instance when

1042

00:38:15,349 --> 00:38:13,859

you look back at the raw material which

1043

00:38:16,670 --> 00:38:15,359

I think is is really really great

1044

00:38:18,650 --> 00:38:16,680

material I think it's the best channeled

1045

00:38:22,069 --> 00:38:18,660

material we've ever received that I

1046

00:38:24,950 --> 00:38:22,079

think is um remarkably uh

1047

00:38:27,349 --> 00:38:24,960

spot on and and very much fits and

1048

00:38:29,569 --> 00:38:27,359

corroborates and sort of

1049

00:38:33,170 --> 00:38:29,579

um Builds on some of my own Revelations

1050

00:38:36,109 --> 00:38:33,180

so I I take it really seriously and

1051

00:38:38,210 --> 00:38:36,119

in in those dialogues it becomes very

1052

00:38:40,130 --> 00:38:38,220

clear that there were kind of sometimes

1053

00:38:43,069 --> 00:38:40,140

that the these more intelligent groups

1054

00:38:45,109 --> 00:38:43,079

that were at a non-dual place

1055

00:38:46,670 --> 00:38:45,119

we're a little bit naive in how they

1056

00:38:48,650 --> 00:38:46,680

approached humankind and even they will

1057

00:38:51,710 --> 00:38:48,660

like use that language and saying in

1058

00:38:53,270 --> 00:38:51,720

retrospect you know um that didn't work

1059

00:38:55,430 --> 00:38:53,280

so well we need to rethink how we do

1060

00:38:57,349 --> 00:38:55,440

this kind of thing because when you are

1061

00:38:58,910 --> 00:38:57,359

at a place of non-duality as a

1062

00:39:00,410 --> 00:38:58,920

collective right and when you're at a

1063

00:39:02,569 --> 00:39:00,420

place where literally

1064

00:39:04,310 --> 00:39:02,579

somebody can't be a smiling politician

1065

00:39:06,050 --> 00:39:04,320

who's really stuffing his pockets behind

1066

00:39:07,670 --> 00:39:06,060

the scenes because everything is known

1067

00:39:10,550 --> 00:39:07,680

like at their level right so once you

1068

00:39:12,950 --> 00:39:10,560

get Beyond to the 3D level you have

1069

00:39:14,630 --> 00:39:12,960

uh total transparency right so it's not

1070

00:39:16,250 --> 00:39:14,640

like you can have

1071

00:39:18,710 --> 00:39:16,260

um a double agent it's just not possible

1072

00:39:20,270 --> 00:39:18,720

everybody knows right so the things

1073

00:39:21,470 --> 00:39:20,280

we're already seeing that some of you

1074

00:39:22,910 --> 00:39:21,480

and I talked about before we went on the

1075

00:39:25,130 --> 00:39:22,920

air in terms of remote viewing and

1076  
00:39:28,069 --> 00:39:25,140  
different side capacities making it very

1077  
00:39:30,230 --> 00:39:28,079  
clear that in principle anything in

1078  
00:39:32,829 --> 00:39:30,240  
space and time is observable anything

1079  
00:39:35,810 --> 00:39:32,839  
and even it's even

1080  
00:39:37,310 --> 00:39:35,820  
malleable after quote unquote after the

1081  
00:39:39,770 --> 00:39:37,320  
fact right

1082  
00:39:41,030 --> 00:39:39,780  
so we already know that in principle and

1083  
00:39:42,349 --> 00:39:41,040  
all I'm saying is that at these

1084  
00:39:44,390 --> 00:39:42,359  
different dimensional levels these

1085  
00:39:46,250 --> 00:39:44,400  
others live in that reality totally so

1086  
00:39:48,349 --> 00:39:46,260  
it's not just partial it's not glimpses

1087  
00:39:51,650 --> 00:39:48,359  
like that is their daily reality

1088  
00:39:54,109 --> 00:39:51,660

so think about if you lived in that for

1089

00:39:55,670 --> 00:39:54,119

a long period of time you come here to a

1090

00:39:57,370 --> 00:39:55,680

sort of a 3D sphere where there's so

1091

00:39:59,030 --> 00:39:57,380

much division there's so much

1092

00:40:00,890 --> 00:39:59,040

misrepresentation of what people

1093

00:40:02,990 --> 00:40:00,900

actually believe and feel

1094

00:40:05,030 --> 00:40:03,000

they're not aware of any of that right

1095

00:40:08,030 --> 00:40:05,040

so the complexity of how you actually

1096

00:40:10,970 --> 00:40:08,040

roll this out for a 3D culture is a

1097

00:40:12,349 --> 00:40:10,980

complex issue for sure and um I think

1098

00:40:15,650 --> 00:40:12,359

that

1099

00:40:18,230 --> 00:40:15,660

partly the shift to this this Grassroots

1100

00:40:20,450 --> 00:40:18,240

movement is because even some of these

1101

00:40:22,250 --> 00:40:20,460

others that are the most benevolent kind

1102

00:40:24,109 --> 00:40:22,260

that try to be non-interventionists

1103

00:40:25,609 --> 00:40:24,119

generally they've opted for this

1104

00:40:28,430 --> 00:40:25,619

Grassroots because what that really does

1105

00:40:31,069 --> 00:40:28,440

is it puts the impetus on us right it

1106

00:40:32,690 --> 00:40:31,079

says when you're ready when you call for

1107

00:40:34,730 --> 00:40:32,700

help because your Consciousness has hit

1108

00:40:36,170 --> 00:40:34,740

that level we will help you and then if

1109

00:40:38,150 --> 00:40:36,180

your friend does the same thing we will

1110

00:40:40,670 --> 00:40:38,160

help them and if enough of you join

1111

00:40:42,890 --> 00:40:40,680

together like you hinted at earlier you

1112

00:40:46,490 --> 00:40:42,900

became you become this new synergistic

1113

00:40:48,470 --> 00:40:46,500

Force right this new coherent field that

1114

00:40:50,930 --> 00:40:48,480

now sends ripples into the world and the

1115

00:40:52,790 --> 00:40:50,940

more more of us there are the stronger

1116

00:40:55,609 --> 00:40:52,800

that coherent field is the more it's

1117

00:40:58,370 --> 00:40:55,619

able to actually slowly begin to change

1118

00:41:00,170 --> 00:40:58,380

the entire situation so it's kind of

1119

00:41:02,390 --> 00:41:00,180

like you know when you have a massive

1120

00:41:04,849 --> 00:41:02,400

downpour and for a while the rivers kind

1121

00:41:06,109 --> 00:41:04,859

of run wild right and new channels are

1122

00:41:07,970 --> 00:41:06,119

formed but then when it dries up things

1123

00:41:09,349 --> 00:41:07,980

go back to where they were we're talking

1124

00:41:11,569 --> 00:41:09,359

about eventually getting to the point

1125

00:41:12,710 --> 00:41:11,579

where there's enough of a downpour that

1126

00:41:14,930 --> 00:41:12,720

the

1127

00:41:17,329 --> 00:41:14,940

fundamental course of those River change

1128

00:41:19,130 --> 00:41:17,339

those Rivers change for good

1129

00:41:21,290 --> 00:41:19,140

I mean that double meaning they're good

1130

00:41:23,270 --> 00:41:21,300

in terms of the good of all but also I

1131

00:41:24,349 --> 00:41:23,280

mean forever that really it gets to the

1132

00:41:26,210 --> 00:41:24,359

point where there becomes this

1133

00:41:27,349 --> 00:41:26,220

fundamental shift that it doesn't go

1134

00:41:29,930 --> 00:41:27,359

back to the way it was before when

1135

00:41:31,670 --> 00:41:29,940

enough people are woken up uh to this

1136

00:41:33,530 --> 00:41:31,680

this greater reality which again is

1137

00:41:35,329 --> 00:41:33,540

based in Consciousness not about based

1138

00:41:36,650 --> 00:41:35,339

in you know extraterrestrial or

1139

00:41:39,410 --> 00:41:36,660

interdimensional whatever it's about

1140

00:41:42,170 --> 00:41:39,420

this recognition about the the connected

1141

00:41:44,750 --> 00:41:42,180

nature of everything so so that's what I

1142

00:41:47,750 --> 00:41:44,760

think about that is that um that it's an

1143

00:41:50,810 --> 00:41:47,760

excellent point you make that

1144

00:41:52,970 --> 00:41:50,820

not only have some of the overtures in

1145

00:41:54,290 --> 00:41:52,980

history not been perfectly done and even

1146

00:41:55,910 --> 00:41:54,300

some of these others will admit this

1147

00:41:57,410 --> 00:41:55,920

right that even comes up in the raw

1148

00:41:59,329 --> 00:41:57,420

material

1149

00:42:01,370 --> 00:41:59,339

um

1150

00:42:03,890 --> 00:42:01,380

but this is part of the translation

1151

00:42:06,290 --> 00:42:03,900

problem you get not just between two

1152

00:42:08,390 --> 00:42:06,300

different civilizations but when you've

1153

00:42:10,670 --> 00:42:08,400

got one civilization that now is at a

1154

00:42:13,550 --> 00:42:10,680

collective thinking level right versus

1155

00:42:15,530 --> 00:42:13,560

one that's very very divided with many

1156

00:42:17,270 --> 00:42:15,540

many different World Views coexisting at

1157

00:42:19,670 --> 00:42:17,280

the same time like I say many many times

1158

00:42:21,710 --> 00:42:19,680

in our own country there's three main

1159

00:42:24,170 --> 00:42:21,720

like majorly different ways of seeing

1160

00:42:26,150 --> 00:42:24,180

reality itself we've got half of the

1161

00:42:27,650 --> 00:42:26,160

populists just in one country

1162

00:42:29,210 --> 00:42:27,660

who has a completely different view of

1163

00:42:31,370 --> 00:42:29,220

reality and a completely different

1164

00:42:32,810 --> 00:42:31,380

definition of government than the other

1165

00:42:35,690 --> 00:42:32,820

half right and that's just in one

1166

00:42:37,970 --> 00:42:35,700

country so so for some of these others

1167

00:42:43,190 --> 00:42:37,980

who were experiencing this remarkable

1168

00:42:44,870 --> 00:42:43,200

degree of unity and uniformity to come

1169

00:42:47,870 --> 00:42:44,880

in and try and

1170

00:42:49,910 --> 00:42:47,880

work with us sometimes you know it's

1171

00:42:53,210 --> 00:42:49,920

more complicated than they realize even

1172

00:42:57,290 --> 00:42:55,130

in that sense we probably should give

1173

00:42:59,150 --> 00:42:57,300

some Grace to some of the the the groups

1174

00:43:01,309 --> 00:42:59,160

that have had to make these decisions in

1175

00:43:04,250 --> 00:43:01,319

the past because they know it maybe is

1176

00:43:05,390 --> 00:43:04,260

not as simple as it seems but but these

1177

00:43:06,890 --> 00:43:05,400

are some of the complexities that are

1178

00:43:09,290 --> 00:43:06,900

involved and I think it's good to point

1179

00:43:12,530 --> 00:43:09,300

out to people that

1180

00:43:14,510 --> 00:43:12,540

even if you really look to the positive

1181

00:43:17,210 --> 00:43:14,520

ones the benevolent ones the the morally

1182

00:43:19,910 --> 00:43:17,220

Advanced ones to come and help us

1183

00:43:21,650 --> 00:43:19,920

it's still complex because again like

1184

00:43:23,630 --> 00:43:21,660

you and I have talked about before

1185

00:43:24,710 --> 00:43:23,640

if the goal is to actually grow our

1186

00:43:26,870 --> 00:43:24,720

souls

1187

00:43:29,210 --> 00:43:26,880

if the goal is to actually also speaking

1188

00:43:30,890 --> 00:43:29,220

of this conscious agents that group

1189

00:43:32,210 --> 00:43:30,900

together to form new conscious agents

1190

00:43:34,069 --> 00:43:32,220

and eventually that becomes like a

1191

00:43:35,630 --> 00:43:34,079

planetary consciousness of all the

1192

00:43:38,809 --> 00:43:35,640

people on the planet

1193

00:43:40,970 --> 00:43:38,819

then then fixing short-term problems

1194

00:43:43,069 --> 00:43:40,980

with a with a nanny State you know

1195

00:43:45,710 --> 00:43:43,079

interdimensional or ET group that comes

1196

00:43:48,650 --> 00:43:45,720

in kind of defeats the ultimate goal

1197

00:43:50,569 --> 00:43:48,660

which is the growth of individual souls

1198

00:43:52,730 --> 00:43:50,579

and Collective Consciousness so so

1199

00:43:54,710 --> 00:43:52,740

that's why it's a win-win when you focus

1200

00:43:57,829 --> 00:43:54,720

on the Grassroots Consciousness thing

1201

00:44:00,470 --> 00:43:57,839

because number one that puts the the

1202

00:44:03,490 --> 00:44:00,480

impetus on change on us which is more

1203

00:44:05,870 --> 00:44:03,500

likely to work right and it also

1204

00:44:08,270 --> 00:44:05,880

accomplishes both eventually changing

1205

00:44:10,670 --> 00:44:08,280

the nature of our society but it also

1206

00:44:12,470 --> 00:44:10,680

more fundamentally changes our level of

1207

00:44:15,349 --> 00:44:12,480

Consciousness and that's something we

1208

00:44:16,849 --> 00:44:15,359

take Beyond just this lifetime

1209

00:44:18,650 --> 00:44:16,859

well I wanna

1210

00:44:20,750 --> 00:44:18,660

keep getting into this because I think

1211

00:44:22,910 --> 00:44:20,760

you know some might

1212

00:44:25,609 --> 00:44:22,920

have a visceral reaction to to some of

1213

00:44:27,470 --> 00:44:25,619

these conclusions and I and personally I

1214

00:44:30,170 --> 00:44:27,480

on some level I kind of understand

1215

00:44:32,450 --> 00:44:30,180

because I mean there's a lot about our

1216

00:44:35,870 --> 00:44:32,460

material world that that we enjoy that

1217

00:44:38,750 --> 00:44:35,880

we like you know and so what I hear you

1218

00:44:42,710 --> 00:44:38,760

saying is that uh you know materiality

1219

00:44:44,870 --> 00:44:42,720

in in itself is uh is very transient

1220

00:44:46,970 --> 00:44:44,880

it's not necessarily it's not the last

1221

00:44:48,470 --> 00:44:46,980

stop in the in the train station line

1222

00:44:51,349 --> 00:44:48,480

you know it's not where we're going

1223

00:44:53,089 --> 00:44:51,359

we're going beyond that but but man

1224

00:44:54,470 --> 00:44:53,099

materiality is fun you know I like

1225

00:44:56,150 --> 00:44:54,480

having things and I like having

1226

00:44:59,270 --> 00:44:56,160

interactions in this you know 3D

1227

00:45:00,470 --> 00:44:59,280

experience and uh you know it's it's a

1228

00:45:03,770 --> 00:45:00,480

little jarring to sometimes

1229

00:45:06,050 --> 00:45:03,780

conceptualize a kind of existence that

1230

00:45:08,870 --> 00:45:06,060

would be post-material

1231

00:45:10,490 --> 00:45:08,880

um and you know what would that have art

1232

00:45:12,230 --> 00:45:10,500

would that have music would that have

1233

00:45:14,329 --> 00:45:12,240

you know you can you've had you've heard

1234

00:45:15,650 --> 00:45:14,339

these kinds of arguments before

1235

00:45:17,630 --> 00:45:15,660

um and I think it you know maybe we can

1236

00:45:21,170 --> 00:45:17,640

spend some time talking about that I I

1237

00:45:23,510 --> 00:45:21,180

because I value that experience and I I

1238

00:45:25,730 --> 00:45:23,520

think it's probably safe to say that the

1239

00:45:28,010 --> 00:45:25,740

Consciousness values that experience as

1240

00:45:30,230 --> 00:45:28,020

well because it's it's imperative to

1241

00:45:34,190 --> 00:45:30,240

have it as part of that that

1242

00:45:35,930 --> 00:45:34,200

Consciousness Journey but uh you know is

1243

00:45:39,230 --> 00:45:35,940

the end goal like what are the stakes

1244

00:45:42,050 --> 00:45:39,240

here is it just total Transcendence and

1245

00:45:44,030 --> 00:45:42,060

you know unification like where are we

1246

00:45:45,530 --> 00:45:44,040

headed in your mind and is there is

1247

00:45:47,270 --> 00:45:45,540

there room there for individuated

1248

00:45:48,650 --> 00:45:47,280

experience at all at the at the end of

1249

00:45:50,510 --> 00:45:48,660

the day

1250

00:45:51,770 --> 00:45:50,520

well this is where the conversation gets

1251  
00:45:53,510 --> 00:45:51,780  
tricky because

1252  
00:45:55,190 --> 00:45:53,520  
um you know

1253  
00:45:56,809 --> 00:45:55,200  
um

1254  
00:46:00,050 --> 00:45:56,819  
you know from some of our private

1255  
00:46:01,910 --> 00:46:00,060  
conversations that I'm uh Zen Buddhism

1256  
00:46:03,230 --> 00:46:01,920  
has been a major influence on my life

1257  
00:46:05,150 --> 00:46:03,240  
and

1258  
00:46:08,450 --> 00:46:05,160  
um

1259  
00:46:10,430 --> 00:46:08,460  
and you know the most benevolent and

1260  
00:46:12,829 --> 00:46:10,440  
Progressive and advanced ones of these

1261  
00:46:14,630 --> 00:46:12,839  
that I'm aware of and and even the ones

1262  
00:46:17,089 --> 00:46:14,640  
that I've been in contact with are

1263  
00:46:18,530 --> 00:46:17,099

definitely Beyond materiality you know

1264

00:46:23,030 --> 00:46:18,540

and

1265

00:46:26,030 --> 00:46:23,040

that that's those same things that you

1266

00:46:28,910 --> 00:46:26,040

love and that you appreciate also cause

1267

00:46:29,809 --> 00:46:28,920

all of your suffering right because

1268

00:46:31,730 --> 00:46:29,819

um

1269

00:46:34,309 --> 00:46:31,740

the second you have something shiny in

1270

00:46:35,750 --> 00:46:34,319

you you worry about what happens when it

1271

00:46:37,130 --> 00:46:35,760

gets dented and damaged right when it's

1272

00:46:38,870 --> 00:46:37,140

not so shiny in you anymore what if

1273

00:46:40,430 --> 00:46:38,880

someone someone can take it right the

1274

00:46:41,990 --> 00:46:40,440

second you like something that's

1275

00:46:44,750 --> 00:46:42,000

material then you worry about what if

1276

00:46:47,510 --> 00:46:44,760

someone steals it right so we we you

1277

00:46:50,329 --> 00:46:47,520

know build fences and we you know put up

1278

00:46:51,950 --> 00:46:50,339

borders and we you know creating US

1279

00:46:54,650 --> 00:46:51,960

versus them you know all in other words

1280

00:46:56,569 --> 00:46:54,660

all of the second you allow for any kind

1281

00:46:58,970 --> 00:46:56,579

of differentiation right

1282

00:47:01,130 --> 00:46:58,980

I like this more than this the second

1283

00:47:03,710 --> 00:47:01,140

you do that right

1284

00:47:04,609 --> 00:47:03,720

um in like in in the law of one the raw

1285

00:47:06,829 --> 00:47:04,619

material that's one of the first

1286

00:47:09,349 --> 00:47:06,839

distortions is the second you have free

1287

00:47:10,970 --> 00:47:09,359

will you then can make distinction and

1288

00:47:14,270 --> 00:47:10,980

this is this is Central to Buddhism too

1289

00:47:17,030 --> 00:47:14,280

this notion that the second you have a

1290

00:47:18,530 --> 00:47:17,040

preference you've introduced suffering

1291

00:47:19,730 --> 00:47:18,540

because the second you have a preference

1292

00:47:21,589 --> 00:47:19,740

then your preference might not be

1293

00:47:25,430 --> 00:47:21,599

fulfilled and then you suffer

1294

00:47:26,630 --> 00:47:25,440

so sort of a an admonition there is you

1295

00:47:31,190 --> 00:47:26,640

know

1296

00:47:33,950 --> 00:47:31,200

not suffer right

1297

00:47:35,750 --> 00:47:33,960

um and I understand on the one hand that

1298

00:47:36,890 --> 00:47:35,760

that sounds very Pie in the Sky to some

1299

00:47:39,530 --> 00:47:36,900

people

1300

00:47:41,450 --> 00:47:39,540

but I'm talking about like you know

1301

00:47:43,490 --> 00:47:41,460

whether it's something you desire or

1302

00:47:46,309 --> 00:47:43,500

something you're and you know you you

1303

00:47:49,309 --> 00:47:46,319

have an aversion to right either one can

1304

00:47:50,930 --> 00:47:49,319

cause suffering and it's hard to live in

1305

00:47:53,210 --> 00:47:50,940

a material world without both of those

1306

00:47:55,130 --> 00:47:53,220

things coming into play and so as much

1307

00:47:57,470 --> 00:47:55,140

as you can say we appreciate those

1308

00:48:00,589 --> 00:47:57,480

things I think when you really sit down

1309

00:48:02,630 --> 00:48:00,599

and and work it out you realize that all

1310

00:48:05,750 --> 00:48:02,640

of our suffering also comes from those

1311

00:48:08,630 --> 00:48:05,760

things right so for instance we we avoid

1312

00:48:10,130 --> 00:48:08,640

talking about death in our culture right

1313

00:48:11,329 --> 00:48:10,140

there are some cultures where they get

1314

00:48:12,650 --> 00:48:11,339

together and drink wine have a

1315

00:48:15,410 --> 00:48:12,660

celebration right because they're like

1316

00:48:17,630 --> 00:48:15,420

hey that person's gone into a maybe a

1317

00:48:19,069 --> 00:48:17,640

post-material existence or they're

1318

00:48:20,809 --> 00:48:19,079

coming back to learn a new bunch of

1319

00:48:22,430 --> 00:48:20,819

lessons you know or whatever whatever

1320

00:48:24,530 --> 00:48:22,440

one it is but you know even when it

1321

00:48:26,569 --> 00:48:24,540

comes to sort of the Eastern spiritual

1322

00:48:28,370 --> 00:48:26,579

Traditions what westerners often don't

1323

00:48:30,770 --> 00:48:28,380

realize is that

1324

00:48:32,930 --> 00:48:30,780

the whole point of life after death is

1325

00:48:35,150 --> 00:48:32,940

not so you can keep reincarnating the

1326

00:48:37,190 --> 00:48:35,160

goal is ultimately to transcend the need

1327

00:48:39,829 --> 00:48:37,200

to reincarnate that that's the whole

1328

00:48:41,329 --> 00:48:39,839

point that the whole point is that you

1329

00:48:43,790 --> 00:48:41,339

know you get to the point where you

1330

00:48:46,010 --> 00:48:43,800

learn enough lessons work out your karma

1331

00:48:48,290 --> 00:48:46,020

enough that you transcend and you become

1332

00:48:49,849 --> 00:48:48,300

post material so

1333

00:48:52,069 --> 00:48:49,859

um the idea that

1334

00:48:53,930 --> 00:48:52,079

cool man so I get to come back and buy a

1335

00:48:55,130 --> 00:48:53,940

Ferrari all over again and eat pizza I

1336

00:48:56,870 --> 00:48:55,140

mean you know what I mean like that that

1337

00:48:59,809 --> 00:48:56,880

kind of misses the point and it's one of

1338

00:49:01,130 --> 00:48:59,819

the ways that uh Western Society is kind

1339

00:49:03,650 --> 00:49:01,140

of like you know

1340

00:49:05,750 --> 00:49:03,660

perverted some of these initial Eastern

1341

00:49:07,730 --> 00:49:05,760

Traditions like we like the life after

1342

00:49:10,670 --> 00:49:07,740

death part but we forget the whole

1343

00:49:12,589 --> 00:49:10,680

Transcendence part right or look past it

1344

00:49:19,790 --> 00:49:12,599

so

1345

00:49:21,170 --> 00:49:19,800

more than we can tackle in one podcast

1346

00:49:22,730 --> 00:49:21,180

and one of the reasons why I would love

1347

00:49:24,770 --> 00:49:22,740

to and you and I have talked about this

1348

00:49:26,990 --> 00:49:24,780

eventually do Retreats and things like

1349

00:49:29,150 --> 00:49:27,000

that is because some of this deep

1350

00:49:32,270 --> 00:49:29,160

meditation work some of this deep um

1351

00:49:33,829 --> 00:49:32,280

non-dual work some of this uh really

1352

00:49:36,770 --> 00:49:33,839

delving into the depth of who you are

1353

00:49:38,450 --> 00:49:36,780

and and and actually coming into contact

1354

00:49:40,550 --> 00:49:38,460

with that part of you that connects with

1355

00:49:43,609 --> 00:49:40,560

the Bedrock of all Consciousness and

1356

00:49:46,970 --> 00:49:43,619

actually experiencing that is so freeing

1357

00:49:48,950 --> 00:49:46,980

so fulfilling that those of us who've

1358

00:49:52,190 --> 00:49:48,960

had that experience nothing in the

1359

00:49:56,089 --> 00:49:52,200

material world Compares because you have

1360

00:49:58,550 --> 00:49:56,099

in potentia everything is there right

1361

00:49:59,930 --> 00:49:58,560

so so why would you want to then come

1362

00:50:02,030 --> 00:49:59,940

back to the it's almost like you know

1363

00:50:04,430 --> 00:50:02,040

the this notion of you know coming back

1364

00:50:05,990 --> 00:50:04,440

and you live in the in the pig slop and

1365

00:50:07,790 --> 00:50:06,000

you know you like your mud and things

1366

00:50:09,170 --> 00:50:07,800

like that and you don't want someone to

1367

00:50:11,210 --> 00:50:09,180

take it away it's a little bit like that

1368

00:50:12,710 --> 00:50:11,220

in comparison right

1369

00:50:15,349 --> 00:50:12,720

um

1370

00:50:16,970 --> 00:50:15,359

but but that is kind of the the notion

1371

00:50:18,650 --> 00:50:16,980

that you kind of spiral up until

1372

00:50:22,130 --> 00:50:18,660

eventually you can have a unification

1373

00:50:24,109 --> 00:50:22,140

with with the cosmic intelligence right

1374

00:50:25,849 --> 00:50:24,119

that you are kind of on that level right

1375

00:50:27,890 --> 00:50:25,859

that that each like we've talked about

1376

00:50:30,829 --> 00:50:27,900

in the last episode each of us is sort

1377

00:50:33,170 --> 00:50:30,839

of a fractal holographic image of the

1378

00:50:35,150 --> 00:50:33,180

original intelligence right and so in

1379

00:50:38,510 --> 00:50:35,160

each of each of us is the possibility

1380

00:50:40,910 --> 00:50:38,520

the potential to eventually uh fully

1381

00:50:44,030 --> 00:50:40,920

realize what is already in us right so

1382

00:50:46,250 --> 00:50:44,040

one of the main points in Buddhism is

1383

00:50:47,809 --> 00:50:46,260

that you are already a Buddha each and

1384

00:50:48,770 --> 00:50:47,819

every one of us is already a Buddha when

1385

00:50:56,750 --> 00:50:48,780

you

1386

00:50:58,609 --> 00:50:56,760

that not just sort of as the sort of pie

1387

00:51:00,950 --> 00:50:58,619

in the sky you know let's look like nice

1388

00:51:02,870 --> 00:51:00,960

people but it it's because really

1389

00:51:04,910 --> 00:51:02,880

there's that sense of that fractal

1390

00:51:07,430 --> 00:51:04,920

holographic image in every single one of

1391

00:51:09,890 --> 00:51:07,440

us that really each of us has the

1392

00:51:12,829 --> 00:51:09,900

possibility or that we already actually

1393

00:51:15,109 --> 00:51:12,839

are a Buddha and that the only thing

1394

00:51:17,450 --> 00:51:15,119

that gets in the way is the distortions

1395

00:51:19,809 --> 00:51:17,460

that prevent us from seeing so if we

1396

00:51:22,549 --> 00:51:19,819

want to say distortions in terms of like

1397

00:51:25,549 --> 00:51:22,559

frequencies that kind of like obscure

1398

00:51:27,230 --> 00:51:25,559

our view or our focus on materiality

1399

00:51:28,730 --> 00:51:27,240

that that prevents us from seeing

1400

00:51:30,290 --> 00:51:28,740

further into the Horizon and realizing

1401  
00:51:31,790 --> 00:51:30,300  
wait wait a second everything is there

1402  
00:51:33,109 --> 00:51:31,800  
like you know I'm connected to

1403  
00:51:35,030 --> 00:51:33,119  
absolutely everything why would I worry

1404  
00:51:36,049 --> 00:51:35,040  
about my car and my house on my blah

1405  
00:51:37,370 --> 00:51:36,059  
blah

1406  
00:51:39,170 --> 00:51:37,380  
so

1407  
00:51:40,730 --> 00:51:39,180  
this is kind of what's on the table and

1408  
00:51:43,609 --> 00:51:40,740  
that's why for me

1409  
00:51:45,470 --> 00:51:43,619  
this work you know even when I go and

1410  
00:51:47,630 --> 00:51:45,480  
live in this tiny cabin for two and a

1411  
00:51:50,030 --> 00:51:47,640  
half months meditation is going to be a

1412  
00:51:53,270 --> 00:51:50,040  
huge part of it because to me contact

1413  
00:51:56,390 --> 00:51:53,280

work is part and parcel with meditation

1414

00:51:58,069 --> 00:51:56,400

and there's a reason why cu5 and Heist

1415

00:52:00,109 --> 00:51:58,079

has had

1416

00:52:02,510 --> 00:52:00,119

you know elements like meditation and

1417

00:52:04,970 --> 00:52:02,520

vegetarianism is a big part of it

1418

00:52:06,589 --> 00:52:04,980

because the way you are or the way you

1419

00:52:08,150 --> 00:52:06,599

think changes the way you are and the

1420

00:52:10,970 --> 00:52:08,160

way you are changes how you interact

1421

00:52:13,609 --> 00:52:10,980

with reality which opens up new avenues

1422

00:52:15,650 --> 00:52:13,619

of of communication with some of these

1423

00:52:17,390 --> 00:52:15,660

other intelligences and so sometimes

1424

00:52:19,790 --> 00:52:17,400

people will ask me you know how do I

1425

00:52:21,950 --> 00:52:19,800

give me the magic recipe how I can make

1426

00:52:23,510 --> 00:52:21,960

contact tonight I'm like well you got to

1427

00:52:25,069 --> 00:52:23,520

kind of change who you are right like I

1428

00:52:26,870 --> 00:52:25,079

mean yes you might be able to go out and

1429

00:52:29,089 --> 00:52:26,880

have a C5 experience tonight but if you

1430

00:52:31,190 --> 00:52:29,099

really want ultimately to be

1431

00:52:32,630 --> 00:52:31,200

on the track that these other ones are

1432

00:52:34,670 --> 00:52:32,640

encouraging that the more benevolent

1433

00:52:36,470 --> 00:52:34,680

ones then this is really what what's on

1434

00:52:38,870 --> 00:52:36,480

the table

1435

00:52:40,250 --> 00:52:38,880

well and that's super helpful and I I

1436

00:52:43,010 --> 00:52:40,260

but I also and we talked about this

1437

00:52:44,870 --> 00:52:43,020

before privately that you know it's and

1438

00:52:45,890 --> 00:52:44,880

I think you touched on this with the the

1439

00:52:48,109 --> 00:52:45,900

Buddhist

1440

00:52:50,150 --> 00:52:48,119

interpretation you know everyone that

1441

00:52:53,450 --> 00:52:50,160

you meet is you treat them as the Buddha

1442

00:52:56,150 --> 00:52:53,460

and that's the the the various

1443

00:52:58,250 --> 00:52:56,160

experiences that we have are embodied

1444

00:53:01,309 --> 00:52:58,260

experiences are are meaningful you know

1445

00:53:03,109 --> 00:53:01,319

are valuable that um it's not and there

1446

00:53:06,170 --> 00:53:03,119

really are no

1447

00:53:07,790 --> 00:53:06,180

there are no shortcuts right so you know

1448

00:53:09,170 --> 00:53:07,800

you talked about Lamborghinis and pizza

1449

00:53:11,270 --> 00:53:09,180

you know if you want to come back and

1450

00:53:13,069 --> 00:53:11,280

eat ice cream and pizza or whatever that

1451

00:53:14,809 --> 00:53:13,079

Lamborghini all right you just told me

1452

00:53:17,210 --> 00:53:14,819

you're biased right there okay exactly

1453

00:53:18,470 --> 00:53:17,220

well you know I'm a Lambo guy

1454

00:53:20,150 --> 00:53:18,480

um but you know you could come back and

1455

00:53:22,069 --> 00:53:20,160

do that right so maybe you come back and

1456

00:53:23,630 --> 00:53:22,079

and you you say you know I did enjoy

1457

00:53:25,250 --> 00:53:23,640

that a lot I want to come back and do

1458

00:53:27,829 --> 00:53:25,260

that again and I want to do it again

1459

00:53:29,510 --> 00:53:27,839

until until just like you experience in

1460

00:53:31,970 --> 00:53:29,520

your own life if you eat too much ice

1461

00:53:33,290 --> 00:53:31,980

cream because it tastes good you're

1462

00:53:35,270 --> 00:53:33,300

gonna get sick and then you're not going

1463

00:53:37,190 --> 00:53:35,280

to eat it anymore you know you know it

1464

00:53:39,349 --> 00:53:37,200

really hurts you so it's the same kind

1465

00:53:41,170 --> 00:53:39,359

of concept that so I think it's it's to

1466

00:53:43,430 --> 00:53:41,180

me it's exciting that there are these

1467

00:53:47,270 --> 00:53:43,440

these corollaries in our lived

1468

00:53:49,430 --> 00:53:47,280

experience to these larger uh themes in

1469

00:53:51,230 --> 00:53:49,440

our in our spiritual journey because I

1470

00:53:53,390 --> 00:53:51,240

think it gives us these touch points of

1471

00:53:55,190 --> 00:53:53,400

understanding but but I want to make

1472

00:53:56,750 --> 00:53:55,200

sure it emphasizes well because this is

1473

00:53:57,829 --> 00:53:56,760

this is kind of where my heart really is

1474

00:54:01,790 --> 00:53:57,839

is that

1475

00:54:04,069 --> 00:54:01,800

it's uh you know celebrating each sort

1476

00:54:07,490 --> 00:54:04,079

of ladder in the rung in the latter

1477

00:54:09,589 --> 00:54:07,500

right is important that uh you know

1478

00:54:11,930 --> 00:54:09,599

where you are now and and what you feel

1479

00:54:14,329 --> 00:54:11,940

energetically in tune with and attracted

1480

00:54:15,890 --> 00:54:14,339

to like that is important you know feel

1481

00:54:17,930 --> 00:54:15,900

into that

1482

00:54:19,549 --> 00:54:17,940

and explore that

1483

00:54:22,010 --> 00:54:19,559

um don't kind of just mindlessly go

1484

00:54:25,010 --> 00:54:22,020

through it you know really get into that

1485

00:54:28,430 --> 00:54:25,020

and and celebrate that uh if you're not

1486

00:54:30,170 --> 00:54:28,440

you know sort of a a an enlightened

1487

00:54:32,089 --> 00:54:30,180

master or something don't kind of beat

1488

00:54:34,010 --> 00:54:32,099

yourself up about it because that's just

1489

00:54:36,470 --> 00:54:34,020

not it's not part of the journey you're

1490

00:54:40,010 --> 00:54:36,480

on right now and um and that's okay

1491

00:54:42,710 --> 00:54:40,020

because I think eventually you will and

1492

00:54:44,089 --> 00:54:42,720

um and a part of you already has as you

1493

00:54:47,450 --> 00:54:44,099

pointed out before you know it's already

1494

00:54:50,270 --> 00:54:47,460

within and it's already there so you

1495

00:54:52,250 --> 00:54:50,280

know to me like we talk about what's at

1496

00:54:54,230 --> 00:54:52,260

stake and you know kind of the fixations

1497

00:54:55,910 --> 00:54:54,240

on certain kinds of disclosure I mean it

1498

00:54:58,609 --> 00:54:55,920

is kind of interesting that the nuts and

1499

00:55:01,370 --> 00:54:58,619

bolts disclosure crowd is is very much

1500

00:55:03,349 --> 00:55:01,380

more kind of that chasing of the

1501  
00:55:05,150 --> 00:55:03,359  
experience that materialism you know

1502  
00:55:06,589 --> 00:55:05,160  
like I want to just I want to I want to

1503  
00:55:08,089 --> 00:55:06,599  
have it I want to taste it I want to

1504  
00:55:09,950 --> 00:55:08,099  
feel it I want to touch it whatever it

1505  
00:55:11,809 --> 00:55:09,960  
is and then the experiencer side of it

1506  
00:55:13,549 --> 00:55:11,819  
you know there really as you said

1507  
00:55:15,829 --> 00:55:13,559  
earlier they're trying to live into this

1508  
00:55:17,870 --> 00:55:15,839  
you know what does it mean for me on a

1509  
00:55:20,030 --> 00:55:17,880  
spiritual level what does it mean for us

1510  
00:55:22,910 --> 00:55:20,040  
as a people you know how do I make sense

1511  
00:55:25,130 --> 00:55:22,920  
of this so I think those two factions

1512  
00:55:28,130 --> 00:55:25,140  
you know really illustrate kind of the

1513  
00:55:29,870 --> 00:55:28,140

the overall journey and as far as what

1514

00:55:31,370 --> 00:55:29,880

is at stake I mean

1515

00:55:33,890 --> 00:55:31,380

I think we could talk about that that's

1516

00:55:35,990 --> 00:55:33,900

some as well but you know we tend to

1517

00:55:37,730 --> 00:55:36,000

fixate and I think rightly so on like

1518

00:55:39,230 --> 00:55:37,740

the bad things you know in terms of what

1519

00:55:42,410 --> 00:55:39,240

is at stake like if we don't do this

1520

00:55:45,410 --> 00:55:42,420

right now you know the world's gonna end

1521

00:55:47,750 --> 00:55:45,420

and and it's game over man but that's

1522

00:55:50,089 --> 00:55:47,760

not really the way it to think about it

1523

00:55:52,250 --> 00:55:50,099

you know you know that we if you have to

1524

00:55:54,829 --> 00:55:52,260

take a much more expansive view of

1525

00:55:57,530 --> 00:55:54,839

what's happening in in reality and it's

1526

00:55:59,569 --> 00:55:57,540

not just you know that this this

1527

00:56:01,609 --> 00:55:59,579

iteration of your experience on this

1528

00:56:03,589 --> 00:56:01,619

Earth You know there are many things

1529

00:56:05,450 --> 00:56:03,599

that are gonna that are happening have

1530

00:56:07,309 --> 00:56:05,460

happened and will happen in your

1531

00:56:09,170 --> 00:56:07,319

spiritual journey and so I think that

1532

00:56:11,630 --> 00:56:09,180

that's important to keep in mind that

1533

00:56:13,190 --> 00:56:11,640

just because we may not get it right you

1534

00:56:16,010 --> 00:56:13,200

know in this one instance and we don't

1535

00:56:17,990 --> 00:56:16,020

maybe you know hit disclosure hit that

1536

00:56:20,089 --> 00:56:18,000

ball right out of the park uh you know

1537

00:56:22,309 --> 00:56:20,099

on the first swing doesn't mean it's

1538

00:56:23,630 --> 00:56:22,319

like well I guess we screwed that up and

1539

00:56:24,829 --> 00:56:23,640

it's game over

1540

00:56:26,510 --> 00:56:24,839

so I don't know if you want to talk to

1541

00:56:27,710 --> 00:56:26,520

that some but I think that you know kind

1542

00:56:29,270 --> 00:56:27,720

of keeping these things in perspective

1543

00:56:31,790 --> 00:56:29,280

is important

1544

00:56:33,829 --> 00:56:31,800

I totally agree and I think that um

1545

00:56:37,130 --> 00:56:33,839

something to understand about a non-dual

1546

00:56:38,109 --> 00:56:37,140

perspective is unlike sort of a a more

1547

00:56:40,849 --> 00:56:38,119

Western

1548

00:56:42,470 --> 00:56:40,859

monotheistic kind of perspective

1549

00:56:45,349 --> 00:56:42,480

um where people are really paranoid

1550

00:56:47,210 --> 00:56:45,359

about disobeying and angering God and

1551  
00:56:49,790 --> 00:56:47,220  
and potentially losing their Eternal

1552  
00:56:51,130 --> 00:56:49,800  
Soul as a result

1553  
00:56:54,410 --> 00:56:51,140  
um in in

1554  
00:56:56,750 --> 00:56:54,420  
non-dual kind of thinking no such thing

1555  
00:56:58,670 --> 00:56:56,760  
can happen you know because you are an

1556  
00:57:00,349 --> 00:56:58,680  
extension of the cosmic intelligence or

1557  
00:57:02,630 --> 00:57:00,359  
God if you can you know say that without

1558  
00:57:04,849 --> 00:57:02,640  
too much baggage

1559  
00:57:06,770 --> 00:57:04,859  
um and so

1560  
00:57:10,609 --> 00:57:06,780  
you know if someone

1561  
00:57:13,549 --> 00:57:10,619  
some 25 year old wants to spend 25 years

1562  
00:57:14,990 --> 00:57:13,559  
you know from then on just playing video

1563  
00:57:18,109 --> 00:57:15,000

games or something

1564

00:57:21,950 --> 00:57:18,119

that's totally okay like they're not

1565

00:57:23,809 --> 00:57:21,960

angering a God by doing that you know

1566

00:57:28,430 --> 00:57:23,819

and it's not even like

1567

00:57:30,950 --> 00:57:28,440

um some you know six density uh highly

1568

00:57:33,650 --> 00:57:30,960

evolved non-dual groups going man what a

1569

00:57:36,349 --> 00:57:33,660

waste you know too much Pac-Man

1570

00:57:38,510 --> 00:57:36,359

um that's not it either because

1571

00:57:41,450 --> 00:57:38,520

whatever you're doing if you're living

1572

00:57:44,089 --> 00:57:41,460

into what feels alive to you now

1573

00:57:45,910 --> 00:57:44,099

you're serving the all in other words

1574

00:57:48,109 --> 00:57:45,920

therefore you're serving God you know

1575

00:57:52,130 --> 00:57:48,119

it's as simple as that because like you

1576  
00:57:54,230 --> 00:57:52,140  
say every rung of the ladder is sacred

1577  
00:57:58,370 --> 00:57:54,240  
equally sacred

1578  
00:58:01,490 --> 00:57:58,380  
and um and like you said you can't jump

1579  
00:58:03,589 --> 00:58:01,500  
steps so it's not like you can say oh so

1580  
00:58:05,750 --> 00:58:03,599  
you know eighth density sounds like like

1581  
00:58:06,950 --> 00:58:05,760  
the top dog so I'm gonna like you know

1582  
00:58:09,230 --> 00:58:06,960  
do whatever it takes to go to eighth

1583  
00:58:12,230 --> 00:58:09,240  
density from 3D it's not gonna happen

1584  
00:58:13,609 --> 00:58:12,240  
right and nor is it supposed to like

1585  
00:58:15,950 --> 00:58:13,619  
it's it's again that's sort of that

1586  
00:58:18,470 --> 00:58:15,960  
that's dualistic thinking right that's

1587  
00:58:20,150 --> 00:58:18,480  
dualistic thinking and non-dual and

1588  
00:58:22,010 --> 00:58:20,160

that's why I bring this up so much like

1589

00:58:24,770 --> 00:58:22,020

in on social media and in my podcast

1590

00:58:26,210 --> 00:58:24,780

because to get people to really wrestle

1591

00:58:28,130 --> 00:58:26,220

especially westerners it's hard for

1592

00:58:31,630 --> 00:58:28,140

westerners to really grapple with what

1593

00:58:34,010 --> 00:58:31,640

non-duality really means right and and

1594

00:58:35,569 --> 00:58:34,020

non-distinction or or you know not

1595

00:58:38,089 --> 00:58:35,579

differentiating between what's good and

1596

00:58:40,849 --> 00:58:38,099

bad is part of it right so

1597

00:58:42,710 --> 00:58:40,859

um and and to the point you made earlier

1598

00:58:44,990 --> 00:58:42,720

we've talked about this before in terms

1599

00:58:46,549 --> 00:58:45,000

of you know my integral background and I

1600

00:58:49,549 --> 00:58:46,559

know this has been influential for you

1601  
00:58:52,010 --> 00:58:49,559  
too that whatever perspective you're

1602  
00:58:53,930 --> 00:58:52,020  
currently holding whatever worldview or

1603  
00:58:57,190 --> 00:58:53,940  
stage of Consciousness you're at

1604  
00:59:00,530 --> 00:58:57,200  
you have to in a healthy way mature that

1605  
00:59:02,750 --> 00:59:00,540  
fully embody that before then you begin

1606  
00:59:04,789 --> 00:59:02,760  
to see the cracks that are the seeds of

1607  
00:59:07,490 --> 00:59:04,799  
the next you know sort of transcendence

1608  
00:59:09,530 --> 00:59:07,500  
into a butterfly kind of thing right but

1609  
00:59:10,910 --> 00:59:09,540  
you you don't you don't get there

1610  
00:59:12,770 --> 00:59:10,920  
overnight you still have that

1611  
00:59:15,170 --> 00:59:12,780  
metamorphosis has to happen in a certain

1612  
00:59:17,690 --> 00:59:15,180  
progression and it always has to be

1613  
00:59:21,710 --> 00:59:17,700

through a healthy embodiment of whatever

1614

00:59:23,690 --> 00:59:21,720

you're at now so even when it comes to

1615

00:59:26,510 --> 00:59:23,700

um sometimes we may be frustrated by

1616

00:59:28,849 --> 00:59:26,520

some of the the level of conversation on

1617

00:59:31,910 --> 00:59:28,859

UFO Twitter for instance but all we can

1618

00:59:34,730 --> 00:59:31,920

ever do is help people

1619

00:59:37,970 --> 00:59:34,740

embody and more healthily live into

1620

00:59:40,549 --> 00:59:37,980

whatever stage they're at and as that

1621

00:59:42,589 --> 00:59:40,559

happens then as a natural progression

1622

00:59:44,930 --> 00:59:42,599

it's just a part of the natural process

1623

00:59:47,270 --> 00:59:44,940

just like leaves eventually come out of

1624

00:59:49,309 --> 00:59:47,280

the tree in the spring right the tree

1625

00:59:50,870 --> 00:59:49,319

doesn't have to try it's just naturally

1626  
00:59:53,750 --> 00:59:50,880  
part of the process I'm saying that's

1627  
00:59:55,549 --> 00:59:53,760  
true for us too that's part of the the

1628  
00:59:58,130 --> 00:59:55,559  
embracing of the non-duality is to

1629  
00:59:59,750 --> 00:59:58,140  
recognize that if I can live naturally

1630  
01:00:01,309 --> 00:59:59,760  
right in Buddhism this is a big thing

1631  
01:00:04,430 --> 01:00:01,319  
about how do you live naturally right

1632  
01:00:07,670 --> 01:00:04,440  
because the irony is the second you try

1633  
01:00:10,490 --> 01:00:07,680  
right you you bring you know intention

1634  
01:00:14,030 --> 01:00:10,500  
and action to something you're kind of

1635  
01:00:17,510 --> 01:00:14,040  
um you're losing your subtle awareness

1636  
01:00:20,870 --> 01:00:17,520  
of this deeper reality so it's more like

1637  
01:00:23,569 --> 01:00:20,880  
relaxing into it again getting out of

1638  
01:00:26,630 --> 01:00:23,579

your own way that kind of thing but

1639

01:00:30,109 --> 01:00:26,640

for sure the um this is really about

1640

01:00:33,349 --> 01:00:30,119

embracing all levels all all rungs on

1641

01:00:35,630 --> 01:00:33,359

the the developmental spiral or ladder

1642

01:00:37,670 --> 01:00:35,640

wrong wrong analogy there

1643

01:00:41,030 --> 01:00:37,680

um you know or different levels of the

1644

01:00:42,710 --> 01:00:41,040

Spiral and um

1645

01:00:44,690 --> 01:00:42,720

and and that's a it's a good point to

1646

01:00:46,250 --> 01:00:44,700

sort of you know make a final point on

1647

01:00:48,589 --> 01:00:46,260

this here

1648

01:00:50,630 --> 01:00:48,599

is that you know

1649

01:00:51,890 --> 01:00:50,640

don't get too caught up in the whole

1650

01:00:54,609 --> 01:00:51,900

public disclosure thing because

1651

01:00:58,030 --> 01:00:54,619

everything you need to fulfill yourself

1652

01:01:01,010 --> 01:00:58,040

to become who you're supposed to be to

1653

01:01:02,990 --> 01:01:01,020

take whatever steps are necessary for

1654

01:01:04,190 --> 01:01:03,000

you to feel fulfilled are available to

1655

01:01:07,190 --> 01:01:04,200

you right now

1656

01:01:09,650 --> 01:01:07,200

no government organization can't can

1657

01:01:11,150 --> 01:01:09,660

bring that to you even if they did

1658

01:01:12,470 --> 01:01:11,160

announce things on the White House lawn

1659

01:01:14,390 --> 01:01:12,480

tomorrow so that's something to keep in

1660

01:01:16,490 --> 01:01:14,400

mind as well is that

1661

01:01:17,930 --> 01:01:16,500

um not only is that maybe not going to

1662

01:01:19,069 --> 01:01:17,940

happen the way people want it to but

1663

01:01:20,510 --> 01:01:19,079

that's not really what's going to

1664

01:01:22,789 --> 01:01:20,520

fulfill you in the long run anyway and

1665

01:01:24,650 --> 01:01:22,799

that's not really what this entire game

1666

01:01:26,510 --> 01:01:24,660

quote unquote is about you know like if

1667

01:01:28,730 --> 01:01:26,520

it's about really

1668

01:01:30,349 --> 01:01:28,740

living into who we are and just and

1669

01:01:31,809 --> 01:01:30,359

enjoying that like you say you know like

1670

01:01:35,569 --> 01:01:31,819

just uh really

1671

01:01:37,970 --> 01:01:35,579

fully embodying in a somatic sense every

1672

01:01:40,370 --> 01:01:37,980

step of the of the process you know like

1673

01:01:42,890 --> 01:01:40,380

when I think back to who I was 10 years

1674

01:01:44,089 --> 01:01:42,900

ago it would do me no good to go back

1675

01:01:45,230 --> 01:01:44,099

you know you often hear about these

1676  
01:01:47,150 --> 01:01:45,240  
things what would you say to yourself if

1677  
01:01:49,069 --> 01:01:47,160  
you could say like two sentences to

1678  
01:01:51,289 --> 01:01:49,079  
yourself 10 or 20 years ago

1679  
01:01:52,849 --> 01:01:51,299  
and the truth is the wisdom you have now

1680  
01:01:54,230 --> 01:01:52,859  
is not really going to help who you are

1681  
01:01:56,390 --> 01:01:54,240  
then because you're not the same person

1682  
01:01:59,210 --> 01:01:56,400  
right that's what people don't realize

1683  
01:02:00,710 --> 01:01:59,220  
when they ask that question so I think

1684  
01:02:02,329 --> 01:02:00,720  
all you can do is

1685  
01:02:03,589 --> 01:02:02,339  
um you know it sort of comes down to the

1686  
01:02:05,750 --> 01:02:03,599  
sort of cliché you know there are no

1687  
01:02:07,609 --> 01:02:05,760  
mistakes you know in the sense that you

1688  
01:02:09,230 --> 01:02:07,619

know whatever either you win or you

1689

01:02:11,569 --> 01:02:09,240

learn and if you learn then you win

1690

01:02:14,089 --> 01:02:11,579

right in the long run so uh just keep

1691

01:02:16,549 --> 01:02:14,099

living into it and and don't get caught

1692

01:02:18,770 --> 01:02:16,559

up too much in these external issues

1693

01:02:21,589 --> 01:02:18,780

like public disclosure

1694

01:02:24,349 --> 01:02:21,599

yeah I'm so glad you you talked about

1695

01:02:27,289 --> 01:02:24,359

that uh you know I think I'm definitely

1696

01:02:29,030 --> 01:02:27,299

in that place right now as opposed to

1697

01:02:31,970 --> 01:02:29,040

maybe where I was a year ago or two

1698

01:02:34,190 --> 01:02:31,980

years ago certainly uh fixated on every

1699

01:02:36,890 --> 01:02:34,200

sort of news sound bite was going to be

1700

01:02:40,309 --> 01:02:36,900

coming out and you know reading every

1701

01:02:41,569 --> 01:02:40,319

bit of uh sort of nugget between the

1702

01:02:43,549 --> 01:02:41,579

lines and saying what does this really

1703

01:02:45,650 --> 01:02:43,559

mean and how do I crack this code and

1704

01:02:47,270 --> 01:02:45,660

you know how do I know where they're

1705

01:02:48,530 --> 01:02:47,280

actually from and what the craft can do

1706

01:02:51,650 --> 01:02:48,540

and it's

1707

01:02:52,910 --> 01:02:51,660

you know for me now it's almost uh it's

1708

01:02:54,890 --> 01:02:52,920

actually kind of more of a distraction

1709

01:02:57,710 --> 01:02:54,900

quite frankly

1710

01:02:59,690 --> 01:02:57,720

um and and I find that

1711

01:03:01,730 --> 01:02:59,700

if I'm really quiet with myself and

1712

01:03:03,829 --> 01:03:01,740

understand this you know at a deep level

1713

01:03:06,170 --> 01:03:03,839

it's not just that that's a distraction

1714

01:03:07,849 --> 01:03:06,180

it's that that most of the things that

1715

01:03:10,849 --> 01:03:07,859

we're doing in our day-to-day life are

1716

01:03:14,089 --> 01:03:10,859

distractions and so you know it's not

1717

01:03:16,130 --> 01:03:14,099

it's not that UFOs necessarily are you

1718

01:03:18,650 --> 01:03:16,140

know that much more important you know

1719

01:03:21,049 --> 01:03:18,660

that they somehow unlock you know the

1720

01:03:23,150 --> 01:03:21,059

magic knowledge like the the reality is

1721

01:03:24,890 --> 01:03:23,160

that all of these things that that we

1722

01:03:26,450 --> 01:03:24,900

come into and that we place so much

1723

01:03:28,609 --> 01:03:26,460

importance on in our life and that we

1724

01:03:31,789 --> 01:03:28,619

feel like we need uh some sort of

1725

01:03:33,650 --> 01:03:31,799

revelatory experience of this XYZ thing

1726  
01:03:36,349 --> 01:03:33,660  
because it's going to change us and make

1727  
01:03:39,309 --> 01:03:36,359  
us a better whoever you know those

1728  
01:03:42,770 --> 01:03:39,319  
fixations that that that that that

1729  
01:03:44,930 --> 01:03:42,780  
incessant need to know is really part of

1730  
01:03:47,930 --> 01:03:44,940  
the part of the problem it's an obstacle

1731  
01:03:49,370 --> 01:03:47,940  
to you you know so and I know that look

1732  
01:03:50,569 --> 01:03:49,380  
I I get it you know if you're listening

1733  
01:03:52,970 --> 01:03:50,579  
to us and you've been listening to this

1734  
01:03:54,289 --> 01:03:52,980  
show for the last I don't know 10

1735  
01:03:55,490 --> 01:03:54,299  
episodes perhaps I don't know how long

1736  
01:03:56,690 --> 01:03:55,500  
it's been where we've been on this kind

1737  
01:03:59,089 --> 01:03:56,700  
of kick but

1738  
01:04:01,490 --> 01:03:59,099

it's been a very spiritual show you know

1739

01:04:03,470 --> 01:04:01,500

we started out I think uh talking a lot

1740

01:04:05,930 --> 01:04:03,480

more about some of the different you

1741

01:04:07,670 --> 01:04:05,940

know permutations and uh you know kind

1742

01:04:09,470 --> 01:04:07,680

of keeping up in mind and then building

1743

01:04:11,569 --> 01:04:09,480

your your tool kit to interpret these

1744

01:04:13,670 --> 01:04:11,579

things and you know we spent more time

1745

01:04:17,270 --> 01:04:13,680

recently getting into I think the very

1746

01:04:20,690 --> 01:04:17,280

personal uh aspects of of the phenomena

1747

01:04:22,250 --> 01:04:20,700

and uh and of our own Journeys and and

1748

01:04:24,230 --> 01:04:22,260

look I mean I'm telling you if you're

1749

01:04:26,450 --> 01:04:24,240

listening like that that's part of the

1750

01:04:28,250 --> 01:04:26,460

process right I mean like you're gonna

1751

01:04:30,130 --> 01:04:28,260

end up there you know if you're not

1752

01:04:33,410 --> 01:04:30,140

there already you're gonna end up there

1753

01:04:35,450 --> 01:04:33,420

and I think it's important to you know

1754

01:04:37,130 --> 01:04:35,460

kind of feel into that

1755

01:04:39,170 --> 01:04:37,140

um I don't think either of us are trying

1756

01:04:41,089 --> 01:04:39,180

to you know sell something to anyone

1757

01:04:43,670 --> 01:04:41,099

we're not trying to convince people to

1758

01:04:45,349 --> 01:04:43,680

you know buy a certain colored robe and

1759

01:04:46,670 --> 01:04:45,359

you know say a certain kind of chant or

1760

01:04:49,250 --> 01:04:46,680

anything like that but what we're saying

1761

01:04:51,549 --> 01:04:49,260

is that there there are aspects of the

1762

01:04:55,010 --> 01:04:51,559

of our lived experience

1763

01:04:59,089 --> 01:04:55,020

that are intimately tied into what

1764

01:05:01,069 --> 01:04:59,099

whatever this is is saying to us you

1765

01:05:03,770 --> 01:05:01,079

know and whether it's saying it to us at

1766

01:05:06,650 --> 01:05:03,780

a civilization-wide level or it's saying

1767

01:05:08,410 --> 01:05:06,660

it to us on a on a personal level or

1768

01:05:11,329 --> 01:05:08,420

we've had some kind of personal

1769

01:05:13,609 --> 01:05:11,339

revelation of of something bizarre and

1770

01:05:16,069 --> 01:05:13,619

strange that is broken into our our

1771

01:05:19,730 --> 01:05:16,079

reality like it's all of those things

1772

01:05:21,289 --> 01:05:19,740

are pointing in this direction and you

1773

01:05:22,670 --> 01:05:21,299

know these are opportunities I mean

1774

01:05:24,770 --> 01:05:22,680

that's essentially what it comes down to

1775

01:05:28,849 --> 01:05:24,780

you know these are opportunities

1776

01:05:31,069 --> 01:05:28,859

to go deeper into who you are and why

1777

01:05:34,670 --> 01:05:31,079

you are here and how you relate to other

1778

01:05:36,170 --> 01:05:34,680

people and and is that preachy yes but I

1779

01:05:37,670 --> 01:05:36,180

mean look if you got everything that you

1780

01:05:38,930 --> 01:05:37,680

wanted on your disclosure wish list

1781

01:05:41,809 --> 01:05:38,940

tomorrow

1782

01:05:44,170 --> 01:05:41,819

does that solve your your problems does

1783

01:05:48,470 --> 01:05:44,180

it make you an instantly a better person

1784

01:05:50,450 --> 01:05:48,480

no it doesn't and you know

1785

01:05:51,890 --> 01:05:50,460

to me that's what it's all about you

1786

01:05:53,329 --> 01:05:51,900

know perhaps I'm wrong and perhaps I've

1787

01:05:55,609 --> 01:05:53,339

been indoctrinated as a young person

1788

01:05:58,130 --> 01:05:55,619

just to you know kind of focus on those

1789

01:06:00,770 --> 01:05:58,140

things but the these are the higher

1790

01:06:04,190 --> 01:06:00,780

goals I believe it's not just you know

1791

01:06:06,530 --> 01:06:04,200

chasing that next Great Piece of tech so

1792

01:06:08,270 --> 01:06:06,540

I can you know zip from here to Tokyo in

1793

01:06:10,430 --> 01:06:08,280

two minutes

1794

01:06:13,250 --> 01:06:10,440

yeah and getting back to what we talked

1795

01:06:15,710 --> 01:06:13,260

about before where I mentioned how

1796

01:06:19,130 --> 01:06:15,720

suffering comes from desire and

1797

01:06:21,230 --> 01:06:19,140

diversion equally right

1798

01:06:23,930 --> 01:06:21,240

um sometimes without being fully

1799

01:06:26,630 --> 01:06:23,940

cognizant of it people look to

1800

01:06:29,329 --> 01:06:26,640

disclosure as that shiny Lamborghini

1801

01:06:30,829 --> 01:06:29,339

right I mean that that's the the thing

1802

01:06:32,690 --> 01:06:30,839

that does it for them right people have

1803

01:06:39,829 --> 01:06:32,700

different

1804

01:06:41,150 --> 01:06:39,839

oh if I only had that that would be it

1805

01:06:42,349 --> 01:06:41,160

you know

1806

01:06:43,910 --> 01:06:42,359

um and and as we've talked about before

1807

01:06:46,069 --> 01:06:43,920

and as we talked about in that small

1808

01:06:48,470 --> 01:06:46,079

group we did online in the summer with

1809

01:06:50,150 --> 01:06:48,480

two of our friends you know the very

1810

01:06:51,770 --> 01:06:50,160

second you get the thing you think is

1811

01:06:54,410 --> 01:06:51,780

going to fulfill you

1812

01:06:56,390 --> 01:06:54,420

you in that Split Second it happens you

1813

01:06:58,910 --> 01:06:56,400

suddenly feel connected to everything

1814

01:07:01,010 --> 01:06:58,920

and you and all your

1815

01:07:03,770 --> 01:07:01,020

yearning goes away right you have that

1816

01:07:06,049 --> 01:07:03,780

feeling of completion but ironically

1817

01:07:07,309 --> 01:07:06,059

as I said back then you know it's

1818

01:07:09,770 --> 01:07:07,319

because

1819

01:07:13,670 --> 01:07:09,780

um you've actually

1820

01:07:15,829 --> 01:07:13,680

rested in non-dual Source in that moment

1821

01:07:17,390 --> 01:07:15,839

because you fulfilled the thing that was

1822

01:07:19,549 --> 01:07:17,400

in the way and so it's out of the way

1823

01:07:21,049 --> 01:07:19,559

it's what you actually feel is that

1824

01:07:22,250 --> 01:07:21,059

connection to everything for a Split

1825

01:07:25,010 --> 01:07:22,260

Second

1826

01:07:27,349 --> 01:07:25,020

and then the next thing comes up that

1827

01:07:30,049 --> 01:07:27,359

that feeling comes back again right and

1828

01:07:32,029 --> 01:07:30,059

then we quickly go well last time the

1829

01:07:33,650 --> 01:07:32,039

way I got to that we don't call it a

1830

01:07:35,029 --> 01:07:33,660

non-dual realization but when I got to

1831

01:07:37,010 --> 01:07:35,039

that good feeling it was when I finally

1832

01:07:39,710 --> 01:07:37,020

got that Ferrari or when I ate that

1833

01:07:41,630 --> 01:07:39,720

pizza or when I moved to California you

1834

01:07:43,309 --> 01:07:41,640

know whatever it is right

1835

01:07:45,049 --> 01:07:43,319

um

1836

01:07:46,849 --> 01:07:45,059

and so we think I just need to do that

1837

01:07:48,650 --> 01:07:46,859

again and so we keep chasing these

1838

01:07:51,470 --> 01:07:48,660

things right and of course we live in a

1839

01:07:52,910 --> 01:07:51,480

materialist culture where yeah you know

1840

01:07:54,349 --> 01:07:52,920

there's no shortage of options for the

1841

01:07:56,450 --> 01:07:54,359

shiny things that are offered to you

1842

01:07:58,309 --> 01:07:56,460

right and and that becomes the game that

1843

01:08:00,950 --> 01:07:58,319

we became become the rats that just

1844

01:08:02,150 --> 01:08:00,960

Chase things in the Maze right

1845

01:08:03,950 --> 01:08:02,160

um

1846

01:08:08,510 --> 01:08:03,960

so

1847

01:08:09,770 --> 01:08:08,520

our audience and my guess is you know

1848

01:08:11,150 --> 01:08:09,780

you mentioned how the last 10 episodes

1849

01:08:13,309 --> 01:08:11,160

whatever we've kind of gone in this

1850

01:08:16,070 --> 01:08:13,319

direction my guess is whoever's still

1851  
01:08:17,630 --> 01:08:16,080  
with us probably leans this way already

1852  
01:08:19,729 --> 01:08:17,640  
you know because if if you're looking

1853  
01:08:21,110 --> 01:08:19,739  
for that super nuts and bolts show where

1854  
01:08:23,689 --> 01:08:21,120  
you're trying to say is there a there

1855  
01:08:26,090 --> 01:08:23,699  
there that's not really this show right

1856  
01:08:28,669 --> 01:08:26,100  
um and there are some people that you

1857  
01:08:30,289 --> 01:08:28,679  
and I both know uh that you know kind of

1858  
01:08:31,550 --> 01:08:30,299  
have been frustrated by the whole thing

1859  
01:08:33,050 --> 01:08:31,560  
and backed out and said I'm not

1860  
01:08:34,610 --> 01:08:33,060  
convinced that there's any there there

1861  
01:08:36,950 --> 01:08:34,620  
at all right

1862  
01:08:38,990 --> 01:08:36,960  
um I'll leave it up to the audience to

1863  
01:08:42,110 --> 01:08:39,000

decide if that maybe is more motivated

1864

01:08:43,490 --> 01:08:42,120

by some people's personal issues and how

1865

01:08:47,030 --> 01:08:43,500

some of these very things I'm talking

1866

01:08:49,249 --> 01:08:47,040

about desire and diversion play into how

1867

01:08:51,229 --> 01:08:49,259

they even enter into quote unquote

1868

01:08:52,550 --> 01:08:51,239

community and deal with people and deal

1869

01:08:54,650 --> 01:08:52,560

with this issue

1870

01:08:57,050 --> 01:08:54,660

I think what we're saying is

1871

01:08:59,510 --> 01:08:57,060

we're we're looking for something that

1872

01:09:02,090 --> 01:08:59,520

sort of transcends just this topic right

1873

01:09:04,130 --> 01:09:02,100

and I would also say to people

1874

01:09:05,809 --> 01:09:04,140

I hope it doesn't you know

1875

01:09:07,610 --> 01:09:05,819

uh

1876

01:09:09,650 --> 01:09:07,620

and I hope people don't overlook this

1877

01:09:11,269 --> 01:09:09,660

and that is that so you begin this

1878

01:09:13,910 --> 01:09:11,279

journey with a sense of trying to figure

1879

01:09:16,630 --> 01:09:13,920

out who these others are and what

1880

01:09:19,370 --> 01:09:16,640

they're doing and my experience has been

1881

01:09:21,229 --> 01:09:19,380

they've met me halfway right and they've

1882

01:09:23,150 --> 01:09:21,239

changed my perspective and I've gotten a

1883

01:09:24,769 --> 01:09:23,160

lot of the answers I wanted right and

1884

01:09:26,689 --> 01:09:24,779

whether like in your case it's sort of

1885

01:09:28,309 --> 01:09:26,699

like vicariously through the people that

1886

01:09:30,590 --> 01:09:28,319

are around you but how that also changes

1887

01:09:32,390 --> 01:09:30,600

your view and we become part of this you

1888

01:09:34,490 --> 01:09:32,400

know liminal frames as its own conscious

1889

01:09:36,709 --> 01:09:34,500

agent and then you know not just us but

1890

01:09:38,570 --> 01:09:36,719

the people that are with us on this

1891

01:09:42,130 --> 01:09:38,580

conversation

1892

01:09:45,110 --> 01:09:42,140

um you know in other words

1893

01:09:46,910 --> 01:09:45,120

interaction is already happening and and

1894

01:09:49,669 --> 01:09:46,920

that's evident in these kinds of

1895

01:09:52,070 --> 01:09:49,679

situations and if you think it can only

1896

01:09:54,470 --> 01:09:52,080

happen you know by a shiny craft Landing

1897

01:09:56,270 --> 01:09:54,480

in your backyard and in Gray aliens

1898

01:09:57,709 --> 01:09:56,280

coming in for tea and biscuits then I

1899

01:09:59,689 --> 01:09:57,719

think then you're maybe missing what's

1900

01:10:01,010 --> 01:09:59,699

been happening over the last year

1901

01:10:03,470 --> 01:10:01,020

hmm

1902

01:10:05,090 --> 01:10:03,480

so well said well you know a lot of this

1903

01:10:06,950 --> 01:10:05,100

is um

1904

01:10:08,750 --> 01:10:06,960

you know wrapped up and needing to be

1905

01:10:10,910 --> 01:10:08,760

validated right so maybe we talk about

1906

01:10:13,370 --> 01:10:10,920

that just for a few minutes and and

1907

01:10:15,410 --> 01:10:13,380

different motivations right so

1908

01:10:18,070 --> 01:10:15,420

from a nuts and bolts standpoint there's

1909

01:10:20,750 --> 01:10:18,080

a validation in

1910

01:10:22,550 --> 01:10:20,760

knowing that there are some sort of

1911

01:10:25,070 --> 01:10:22,560

secret government programs that have

1912

01:10:27,169 --> 01:10:25,080

been doing you know things without our

1913

01:10:29,209 --> 01:10:27,179

public awareness and we just want to put

1914

01:10:31,669 --> 01:10:29,219

the spotlight on that and say haha you

1915

01:10:32,930 --> 01:10:31,679

know we knew it you know that all of

1916

01:10:35,090 --> 01:10:32,940

breadcrumbs that we've been looking at

1917

01:10:36,830 --> 01:10:35,100

like they were right and I'm validated

1918

01:10:38,750 --> 01:10:36,840

and pointing that direction now now

1919

01:10:40,669 --> 01:10:38,760

conversely there are also those that

1920

01:10:43,250 --> 01:10:40,679

want to be validated in the opposite

1921

01:10:45,590 --> 01:10:43,260

direction so there are those who spend a

1922

01:10:48,290 --> 01:10:45,600

lot of energy saying there's no there

1923

01:10:49,970 --> 01:10:48,300

there this is just a bunch of Hui you

1924

01:10:51,709 --> 01:10:49,980

know you can ignore it all because it's

1925

01:10:54,290 --> 01:10:51,719

just you know big old psychological

1926

01:10:56,090 --> 01:10:54,300

operation and and they're looking for

1927

01:10:57,470 --> 01:10:56,100

their own kind of validation you know

1928

01:11:00,649 --> 01:10:57,480

it's just a different a different

1929

01:11:02,270 --> 01:11:00,659

perspective on the experimenter side of

1930

01:11:04,010 --> 01:11:02,280

things you know the motivations are

1931

01:11:06,350 --> 01:11:04,020

similar too so you know I've had this

1932

01:11:08,390 --> 01:11:06,360

weird experience I don't know what to

1933

01:11:10,149 --> 01:11:08,400

make of it you know I was in New York I

1934

01:11:12,770 --> 01:11:10,159

heard Whitley Street were talking person

1935

01:11:15,950 --> 01:11:12,780

and you know sharing his very personal

1936

01:11:17,870 --> 01:11:15,960

story of his experience and you can tell

1937

01:11:22,310 --> 01:11:17,880

how it's affected his entire life

1938

01:11:25,010 --> 01:11:22,320

uh and so in some ways you know the the

1939

01:11:26,990 --> 01:11:25,020

powers that be coming out and saying

1940

01:11:28,790 --> 01:11:27,000

yeah you know this is real and these

1941

01:11:30,350 --> 01:11:28,800

beings that you ran into like you know

1942

01:11:32,330 --> 01:11:30,360

we've gotten one in the in in the

1943

01:11:34,970 --> 01:11:32,340

freezer over here you know like that

1944

01:11:37,430 --> 01:11:34,980

would be validating in some way to the

1945

01:11:39,530 --> 01:11:37,440

Whitley streamers of the world

1946

01:11:42,890 --> 01:11:39,540

um because they want to be taken

1947

01:11:45,050 --> 01:11:42,900

seriously by their peers and to walk

1948

01:11:48,110 --> 01:11:45,060

amongst you know other human beings and

1949

01:11:50,330 --> 01:11:48,120

feel like you are alone you know to feel

1950

01:11:53,110 --> 01:11:50,340

like no one will take you seriously that

1951  
01:11:56,750 --> 01:11:53,120  
you are a joke nobody wants to feel that

1952  
01:11:58,850 --> 01:11:56,760  
and uh you know interestingly enough

1953  
01:12:00,590 --> 01:11:58,860  
we all carry that kind of feeling with

1954  
01:12:02,750 --> 01:12:00,600  
us whether we've had an experience like

1955  
01:12:04,850 --> 01:12:02,760  
that or not you know so we're always

1956  
01:12:06,830 --> 01:12:04,860  
seeking validation in our interaction

1957  
01:12:09,229 --> 01:12:06,840  
and and I guess what I'm trying to say

1958  
01:12:10,610 --> 01:12:09,239  
here is like we're looking outside of

1959  
01:12:13,430 --> 01:12:10,620  
ourselves with that kind of validation

1960  
01:12:15,530 --> 01:12:13,440  
we don't need it you know we we are

1961  
01:12:16,970 --> 01:12:15,540  
valid in enough in and of ourselves as

1962  
01:12:18,950 --> 01:12:16,980  
being Who We Are

1963  
01:12:21,950 --> 01:12:18,960

and and I hope that people can kind of

1964

01:12:24,470 --> 01:12:21,960

hear that and feel into that because uh

1965

01:12:26,149 --> 01:12:24,480

as we've already touched on earlier in

1966

01:12:28,189 --> 01:12:26,159

the show and on other shows I mean

1967

01:12:30,350 --> 01:12:28,199

getting what you what you want isn't

1968

01:12:32,090 --> 01:12:30,360

going to change isn't really going to

1969

01:12:34,130 --> 01:12:32,100

change you in the way that you think it

1970

01:12:36,470 --> 01:12:34,140

will and and the power to change

1971

01:12:39,110 --> 01:12:36,480

yourself and to feel validated is within

1972

01:12:41,330 --> 01:12:39,120

your reach right now

1973

01:12:43,790 --> 01:12:41,340

write it and and

1974

01:12:44,930 --> 01:12:43,800

um but but coming from a place that

1975

01:12:47,510 --> 01:12:44,940

maybe you weren't expecting you know

1976

01:12:49,370 --> 01:12:47,520

like so for instance if you again create

1977

01:12:51,890 --> 01:12:49,380

differentiation and say I would rather

1978

01:12:53,630 --> 01:12:51,900

have this be the case than this the

1979

01:12:56,630 --> 01:12:53,640

second you set that up you create

1980

01:12:59,149 --> 01:12:56,640

potential suffering until you get there

1981

01:13:01,669 --> 01:12:59,159

um and then even when you get that

1982

01:13:04,430 --> 01:13:01,679

pretty quickly you realize it's it's not

1983

01:13:07,010 --> 01:13:04,440

long-term solving the problem so I

1984

01:13:08,510 --> 01:13:07,020

really do believe that if say say you

1985

01:13:10,430 --> 01:13:08,520

know as I've said many times there are

1986

01:13:12,229 --> 01:13:10,440

many different groups at different

1987

01:13:15,470 --> 01:13:12,239

developmental levels but say if we even

1988

01:13:19,850 --> 01:13:15,480

had like a a mid-level

1989

01:13:21,290 --> 01:13:19,860

ET group who because I you know my

1990

01:13:22,850 --> 01:13:21,300

argument is that these these groups

1991

01:13:24,050 --> 01:13:22,860

exist

1992

01:13:26,870 --> 01:13:24,060

um

1993

01:13:29,030 --> 01:13:26,880

and they are more technologically

1994

01:13:30,649 --> 01:13:29,040

advanced than us right so say if they

1995

01:13:32,810 --> 01:13:30,659

came here and they made sort of some

1996

01:13:35,149 --> 01:13:32,820

agreement for us with us for some sort

1997

01:13:37,130 --> 01:13:35,159

of exchange of free energy in exchange

1998

01:13:38,209 --> 01:13:37,140

that they could take gold or something I

1999

01:13:40,850 --> 01:13:38,219

don't know some something like that

2000

01:13:42,290 --> 01:13:40,860

minerals something they want right

2001

01:13:44,149 --> 01:13:42,300

um

2002

01:13:46,070 --> 01:13:44,159

within about 10 or 20 years maybe less

2003

01:13:48,169 --> 01:13:46,080

maybe five years people kind of go oh

2004

01:13:50,149 --> 01:13:48,179

yeah there's the uh

2005

01:13:51,770 --> 01:13:50,159

the the ETS you know on one of their

2006

01:13:54,169 --> 01:13:51,780

mining runs and you know they're giving

2007

01:13:55,910 --> 01:13:54,179

us like you know this this

2008

01:13:57,830 --> 01:13:55,920

um you know

2009

01:14:00,470 --> 01:13:57,840

what would it be antimatter material

2010

01:14:01,669 --> 01:14:00,480

that we use to like run our massive wind

2011

01:14:03,770 --> 01:14:01,679

farms or something I don't know what it

2012

01:14:06,590 --> 01:14:03,780

is right I mean but eventually that

2013

01:14:08,450 --> 01:14:06,600

would become normal and something else

2014

01:14:09,470 --> 01:14:08,460

would be the pie and Sky thing that you

2015

01:14:10,970 --> 01:14:09,480

want next you know that our

2016

01:14:13,610 --> 01:14:10,980

grandchildren would want I mean really

2017

01:14:16,189 --> 01:14:13,620

would be like I want people to stop and

2018

01:14:19,070 --> 01:14:16,199

really think about

2019

01:14:21,050 --> 01:14:19,080

what would you get really if you got

2020

01:14:22,850 --> 01:14:21,060

what you wanted what would you really

2021

01:14:24,590 --> 01:14:22,860

get if you got what you wanted you know

2022

01:14:26,689 --> 01:14:24,600

but where would that really go and

2023

01:14:28,669 --> 01:14:26,699

really this is so much where meditation

2024

01:14:30,950 --> 01:14:28,679

comes into it because you

2025

01:14:33,530 --> 01:14:30,960

you sit down and you say what is this

2026

01:14:35,209 --> 01:14:33,540

you know be beyond what our society and

2027

01:14:39,709 --> 01:14:35,219

our physicalist culture tells us right

2028

01:14:41,570 --> 01:14:39,719

what is this what is life what am I am I

2029

01:14:43,070 --> 01:14:41,580

am I this person that's of a certain

2030

01:14:44,990 --> 01:14:43,080

citizenship that was born in a certain

2031

01:14:46,850 --> 01:14:45,000

family in a certain part of the world in

2032

01:14:48,410 --> 01:14:46,860

a certain period of time

2033

01:14:50,030 --> 01:14:48,420

um but if that's the case am I really

2034

01:14:52,370 --> 01:14:50,040

the same person that I was 10 years ago

2035

01:14:54,290 --> 01:14:52,380

and is it only the fact that I can

2036

01:14:56,750 --> 01:14:54,300

string together a series of events in a

2037

01:14:58,729 --> 01:14:56,760

calendar or in a journal that tells me

2038

01:15:01,310 --> 01:14:58,739

that I'm really that person I mean you

2039

01:15:02,330 --> 01:15:01,320

know this sense of I am-ness that stays

2040

01:15:05,750 --> 01:15:02,340

with us

2041

01:15:08,450 --> 01:15:05,760

that's real but me being Darren and you

2042

01:15:10,370 --> 01:15:08,460

being Nathan uh is not so much real

2043

01:15:13,370 --> 01:15:10,380

that's more illusory and that's ever

2044

01:15:14,990 --> 01:15:13,380

shifting and we the the irony is we

2045

01:15:16,310 --> 01:15:15,000

already have evidence for that you and I

2046

01:15:18,830 --> 01:15:16,320

have talked about many times on this

2047

01:15:20,930 --> 01:15:18,840

show that former versions of ourselves

2048

01:15:22,610 --> 01:15:20,940

wouldn't be doing this right so in what

2049

01:15:24,229 --> 01:15:22,620

sense are we those same people right

2050

01:15:26,990 --> 01:15:24,239

other than that we can string together

2051  
01:15:28,610 --> 01:15:27,000  
this thing in a linear frame when we

2052  
01:15:30,770 --> 01:15:28,620  
know that time is not really what we

2053  
01:15:32,209 --> 01:15:30,780  
think it is either right so

2054  
01:15:33,410 --> 01:15:32,219  
kind of like what we're saying you know

2055  
01:15:35,570 --> 01:15:33,420  
before we went on the air we talked

2056  
01:15:37,010 --> 01:15:35,580  
about how

2057  
01:15:39,229 --> 01:15:37,020  
without

2058  
01:15:41,930 --> 01:15:39,239  
the government quote unquote saying it

2059  
01:15:44,090 --> 01:15:41,940  
many many highly authoritative people

2060  
01:15:45,350 --> 01:15:44,100  
have come forward with deep knowledge

2061  
01:15:47,689 --> 01:15:45,360  
and have said everything you need to

2062  
01:15:49,550 --> 01:15:47,699  
know right that really this is happening

2063  
01:15:51,950 --> 01:15:49,560

we know it's been happening

2064

01:15:54,950 --> 01:15:51,960

maybe you want your Uncle Bill or your

2065

01:15:56,630 --> 01:15:54,960

Aunt Mary or your sister or your parents

2066

01:15:58,729 --> 01:15:56,640

to finally say okay we believe you now

2067

01:16:00,649 --> 01:15:58,739

because such and such congressperson

2068

01:16:03,110 --> 01:16:00,659

said yes it's real

2069

01:16:04,430 --> 01:16:03,120

but beyond that all the evidence is

2070

01:16:06,729 --> 01:16:04,440

already there

2071

01:16:09,229 --> 01:16:06,739

um and I'm saying in the same way

2072

01:16:10,970 --> 01:16:09,239

all the evidence to show you that the

2073

01:16:12,370 --> 01:16:10,980

things you think you want that make you

2074

01:16:15,110 --> 01:16:12,380

that you think will make you happy

2075

01:16:17,510 --> 01:16:15,120

really won't and you already know it if

2076

01:16:19,130 --> 01:16:17,520

you really sit down and look at them and

2077

01:16:20,930 --> 01:16:19,140

do some deep introspective work and I

2078

01:16:22,729 --> 01:16:20,940

know some people hate the idea of being

2079

01:16:25,189 --> 01:16:22,739

alone with their thoughts

2080

01:16:27,110 --> 01:16:25,199

but you sometimes have to go through

2081

01:16:29,510 --> 01:16:27,120

that suffering it's a kind of suffering

2082

01:16:31,370 --> 01:16:29,520

because of habit once you can get

2083

01:16:34,130 --> 01:16:31,380

breakthrough that and that that will

2084

01:16:35,810 --> 01:16:34,140

eventually clear then suddenly for the

2085

01:16:38,149 --> 01:16:35,820

first time in your life you can see this

2086

01:16:40,430 --> 01:16:38,159

connection to non-dual source and you

2087

01:16:42,470 --> 01:16:40,440

can realize that

2088

01:16:44,330 --> 01:16:42,480

the only person that really puts you on

2089

01:16:46,729 --> 01:16:44,340

this puts you in this maze that you're

2090

01:16:48,110 --> 01:16:46,739

running around in was yourself and you

2091

01:16:50,450 --> 01:16:48,120

have all the power in the world to exit

2092

01:16:52,430 --> 01:16:50,460

that maze whenever you want to and no

2093

01:16:55,250 --> 01:16:52,440

government can make you do it or it can

2094

01:16:58,490 --> 01:16:55,260

stop you from doing it

2095

01:17:00,890 --> 01:16:58,500

yeah I mean don't don't let this be an

2096

01:17:04,130 --> 01:17:00,900

obstacle right and this has kind of been

2097

01:17:07,850 --> 01:17:04,140

maybe this is the episode where you know

2098

01:17:11,149 --> 01:17:07,860

Nathan has gotten super spiritual but uh

2099

01:17:14,030 --> 01:17:11,159

you know don't don't let this interest

2100

01:17:16,790 --> 01:17:14,040

be an obstacle for you

2101

01:17:18,229 --> 01:17:16,800

to grow in the ways that you need to

2102

01:17:20,510 --> 01:17:18,239

grow to be present to the people you

2103

01:17:22,189 --> 01:17:20,520

need to be present to you know I can

2104

01:17:25,070 --> 01:17:22,199

think of a lot of folks who are so

2105

01:17:27,770 --> 01:17:25,080

fixated on needing

2106

01:17:29,030 --> 01:17:27,780

so and so public official to say you

2107

01:17:31,790 --> 01:17:29,040

know X

2108

01:17:33,649 --> 01:17:31,800

that when they're with people that they

2109

01:17:35,270 --> 01:17:33,659

care about you know that they can't even

2110

01:17:37,970 --> 01:17:35,280

focus on them because they're just fixed

2111

01:17:39,770 --> 01:17:37,980

status on you know when is Chris Mellon

2112

01:17:42,169 --> 01:17:39,780

going to say you know whatever you know

2113

01:17:44,689 --> 01:17:42,179

like it so just think about that for a

2114

01:17:48,530 --> 01:17:44,699

second you know think about that and

2115

01:17:50,450 --> 01:17:48,540

think about you know our ancestors uh

2116

01:17:52,310 --> 01:17:50,460

you know your your family you know those

2117

01:17:53,870 --> 01:17:52,320

who've come before you you know who who

2118

01:17:55,189 --> 01:17:53,880

aren't where we are now and we can't

2119

01:17:56,510 --> 01:17:55,199

continue to think of ourselves as like

2120

01:17:58,430 --> 01:17:56,520

oh man we're at this cool time in

2121

01:17:59,689 --> 01:17:58,440

history and you know what a time to be

2122

01:18:03,229 --> 01:17:59,699

alive we're about to get these amazing

2123

01:18:05,229 --> 01:18:03,239

secrets and I mean what if we don't you

2124

01:18:07,729 --> 01:18:05,239

know so so

2125

01:18:10,250 --> 01:18:07,739

don't put all of your eggs in that

2126

01:18:13,430 --> 01:18:10,260

basket because it's really not you know

2127

01:18:14,810 --> 01:18:13,440

it's it's not the right fixation

2128

01:18:17,090 --> 01:18:14,820

um you know I think you want to get to

2129

01:18:20,630 --> 01:18:17,100

the point in your life where if your

2130

01:18:23,030 --> 01:18:20,640

life were you know to end the next day

2131

01:18:24,110 --> 01:18:23,040

that you know you live the life that you

2132

01:18:25,550 --> 01:18:24,120

want to live that you've thought about

2133

01:18:27,649 --> 01:18:25,560

the things you need to think about that

2134

01:18:29,689 --> 01:18:27,659

you've given of yourself to the people

2135

01:18:31,910 --> 01:18:29,699

that you care about

2136

01:18:34,310 --> 01:18:31,920

um and I think you know for many people

2137

01:18:35,990 --> 01:18:34,320

and I understand look I get it I mean if

2138

01:18:39,350 --> 01:18:36,000

you've been impacted by this in a way

2139

01:18:41,209 --> 01:18:39,360

that has upended your life and has made

2140

01:18:44,169 --> 01:18:41,219

it difficult for you to maybe integrate

2141

01:18:47,990 --> 01:18:44,179

into society I get it

2142

01:18:51,830 --> 01:18:48,000

but at the same time you know I think

2143

01:18:53,390 --> 01:18:51,840

don't don't dwell on that just as people

2144

01:18:56,030 --> 01:18:53,400

who who've never had that experience

2145

01:18:57,530 --> 01:18:56,040

will dwell on you know getting that car

2146

01:18:59,570 --> 01:18:57,540

that they want or that big house that

2147

01:19:01,010 --> 01:18:59,580

they want you know don't dwell on that

2148

01:19:03,229 --> 01:19:01,020

because that that's not going to really

2149

01:19:06,610 --> 01:19:03,239

bring you the satisfaction that that you

2150

01:19:11,390 --> 01:19:09,830

yeah so true and I think that uh you

2151  
01:19:12,590 --> 01:19:11,400  
know just to highlight this one more

2152  
01:19:14,450 --> 01:19:12,600  
time I think what we're saying to people

2153  
01:19:20,630 --> 01:19:14,460  
is

2154  
01:19:23,090 --> 01:19:20,640  
shiny object that prevents you from

2155  
01:19:25,550 --> 01:19:23,100  
uh moving towards the Fulfillment that's

2156  
01:19:28,970 --> 01:19:25,560  
already available to you right now

2157  
01:19:31,189 --> 01:19:28,980  
um and I think for me you know when I

2158  
01:19:34,430 --> 01:19:31,199  
think about what I'm excited about with

2159  
01:19:37,610 --> 01:19:36,110  
so let me just reflect for a second here

2160  
01:19:39,290 --> 01:19:37,620  
because on the one hand sometimes I'll

2161  
01:19:41,090 --> 01:19:39,300  
talk about my experiences and I'll have

2162  
01:19:43,189 --> 01:19:41,100  
some people who maybe are not

2163  
01:19:44,330 --> 01:19:43,199

experiencers and and are maybe coming

2164

01:19:45,410 --> 01:19:44,340

from more of a nuts and bolts

2165

01:19:47,570 --> 01:19:45,420

perspective and they'll just say things

2166

01:19:49,070 --> 01:19:47,580

like you know how hard that is to

2167

01:19:51,709 --> 01:19:49,080

believe you know they'll say things like

2168

01:19:54,050 --> 01:19:51,719

that right and I can't help that right

2169

01:19:56,570 --> 01:19:54,060

like I can't

2170

01:19:58,970 --> 01:19:56,580

um I think more and more there are

2171

01:20:01,310 --> 01:19:58,980

experiencers who are saying amongst

2172

01:20:02,870 --> 01:20:01,320

ourselves that it almost sometimes feels

2173

01:20:03,830 --> 01:20:02,880

like we're in a different timeline or a

2174

01:20:05,750 --> 01:20:03,840

different we're definitely in a

2175

01:20:08,030 --> 01:20:05,760

different perception of reality than

2176  
01:20:09,590 --> 01:20:08,040  
other people and and one of the first

2177  
01:20:11,870 --> 01:20:09,600  
things I think that people need to let

2178  
01:20:13,850 --> 01:20:11,880  
go of is this idea that if it's really

2179  
01:20:15,169 --> 01:20:13,860  
real then everybody should be

2180  
01:20:16,850 --> 01:20:15,179  
experiencing it or seeing or whatever

2181  
01:20:19,430 --> 01:20:16,860  
like that's just not true number one

2182  
01:20:22,070 --> 01:20:19,440  
that um part of my background in

2183  
01:20:24,169 --> 01:20:22,080  
integral integral Theory makes that very

2184  
01:20:25,430 --> 01:20:24,179  
clear that as you progress through these

2185  
01:20:27,410 --> 01:20:25,440  
different World Views these different

2186  
01:20:29,390 --> 01:20:27,420  
levels of consciousness

2187  
01:20:31,130 --> 01:20:29,400  
it's not just that you see the world

2188  
01:20:31,910 --> 01:20:31,140

differently but the world you see is

2189

01:20:35,689 --> 01:20:31,920

different

2190

01:20:37,910 --> 01:20:35,699

right and and that also happens when you

2191

01:20:40,669 --> 01:20:37,920

experience contact with these others

2192

01:20:42,050 --> 01:20:40,679

and for me uh speaking of what

2193

01:20:43,189 --> 01:20:42,060

disclosure means for different people I

2194

01:20:44,090 --> 01:20:43,199

just want to make it really clear to

2195

01:20:46,610 --> 01:20:44,100

people

2196

01:20:48,950 --> 01:20:46,620

I I don't

2197

01:20:51,950 --> 01:20:48,960

um it's not this big Shangri-La moment

2198

01:20:54,709 --> 01:20:51,960

for me anymore uh when when disclosure

2199

01:20:57,169 --> 01:20:54,719

happens publicly number one because I

2200

01:20:59,450 --> 01:20:57,179

unlike some people and I definitely feel

2201

01:21:02,209 --> 01:20:59,460

for them but I never had

2202

01:21:03,770 --> 01:21:02,219

um stigma applied to me I never had

2203

01:21:05,270 --> 01:21:03,780

family members you know think I was

2204

01:21:06,169 --> 01:21:05,280

crazy

2205

01:21:07,729 --> 01:21:06,179

um

2206

01:21:10,550 --> 01:21:07,739

you know I never had that kind of thing

2207

01:21:12,709 --> 01:21:10,560

happen I never had co-workers or

2208

01:21:14,270 --> 01:21:12,719

fellow military personnel you know

2209

01:21:16,550 --> 01:21:14,280

suggest that maybe I'd gone off my

2210

01:21:18,290 --> 01:21:16,560

rocker kind of thing so I understand how

2211

01:21:21,410 --> 01:21:18,300

how all of that is real and and you kind

2212

01:21:23,709 --> 01:21:21,420

of want Vindication I get that

2213

01:21:27,950 --> 01:21:23,719

um but I'm saying for me personally

2214

01:21:30,830 --> 01:21:27,960

these uh experiences I have

2215

01:21:31,669 --> 01:21:30,840

I can't really imagine anything more

2216

01:21:34,189 --> 01:21:31,679

um

2217

01:21:35,750 --> 01:21:34,199

more enlightening and more impacting I

2218

01:21:37,310 --> 01:21:35,760

mean I would like other people to also

2219

01:21:40,910 --> 01:21:37,320

experience it you know

2220

01:21:41,990 --> 01:21:40,920

um but but I I you know Joe Biden

2221

01:21:43,189 --> 01:21:42,000

announcing it from the White House law

2222

01:21:45,470 --> 01:21:43,199

and tomorrow wouldn't change anything

2223

01:21:46,570 --> 01:21:45,480

for me you know it you know it might be

2224

01:21:48,950 --> 01:21:46,580

interesting to see what kind of

2225

01:21:50,030 --> 01:21:48,960

sociological waves that sets off but it

2226

01:21:52,550 --> 01:21:50,040

does it's not going to change my

2227

01:21:54,050 --> 01:21:52,560

experience and and what I get excited

2228

01:21:55,490 --> 01:21:54,060

about is

2229

01:21:57,050 --> 01:21:55,500

you know when I talk about like

2230

01:21:58,990 --> 01:21:57,060

eventually building a retreat center and

2231

01:22:01,490 --> 01:21:59,000

having people come out and do these

2232

01:22:03,709 --> 01:22:01,500

week-long things or weekend long things

2233

01:22:06,530 --> 01:22:03,719

or whatever I'm talking about the stuff

2234

01:22:08,510 --> 01:22:06,540

we talked about tonight like how to get

2235

01:22:09,830 --> 01:22:08,520

in touch with this non-dual source that

2236

01:22:12,290 --> 01:22:09,840

some of these others that I've been in

2237

01:22:14,330 --> 01:22:12,300

contact with live in regularly like

2238

01:22:15,290 --> 01:22:14,340

that's just their state of being you

2239

01:22:16,189 --> 01:22:15,300

know

2240

01:22:18,830 --> 01:22:16,199

um

2241

01:22:20,870 --> 01:22:18,840

I think of you know my friend yossi

2242

01:22:22,850 --> 01:22:20,880

Ronan you know in his book one he had

2243

01:22:25,130 --> 01:22:22,860

the same experience that when he

2244

01:22:29,330 --> 01:22:25,140

initially encountered these beings he

2245

01:22:31,010 --> 01:22:29,340

was rocked by how there was no

2246

01:22:34,250 --> 01:22:31,020

um there was just total transparency

2247

01:22:36,590 --> 01:22:34,260

right every secret every you know dark

2248

01:22:38,270 --> 01:22:36,600

place in him was available for them to

2249

01:22:41,570 --> 01:22:38,280

see and and vice versa right there was

2250

01:22:43,610 --> 01:22:41,580

just this total openness and they almost

2251

01:22:45,770 --> 01:22:43,620

seemed like innocently

2252

01:22:49,189 --> 01:22:45,780

um shocked by how it wasn't that way for

2253

01:22:50,450 --> 01:22:49,199

him right so it's it's hard for us I

2254

01:22:53,209 --> 01:22:50,460

think in this

2255

01:22:55,130 --> 01:22:53,219

iteration to realize just what an

2256

01:22:57,229 --> 01:22:55,140

aberration this is in some ways to some

2257

01:22:59,930 --> 01:22:57,239

of the experience of the others they to

2258

01:23:02,090 --> 01:22:59,940

us we think this is just normal and and

2259

01:23:03,649 --> 01:23:02,100

people will make these comments about oh

2260

01:23:04,850 --> 01:23:03,659

that sounds like like the Borg or

2261

01:23:06,470 --> 01:23:04,860

something you know like what's up with

2262

01:23:08,209 --> 01:23:06,480

this Collective conscious Consciousness

2263

01:23:09,709 --> 01:23:08,219

thing and I'm like no it's not that way

2264

01:23:10,430 --> 01:23:09,719

at all and

2265

01:23:14,030 --> 01:23:10,440

um

2266

01:23:17,930 --> 01:23:16,910

yeah I won't get into it again because I

2267

01:23:19,310 --> 01:23:17,940

could describe it again but really

2268

01:23:22,189 --> 01:23:19,320

people have to experience it but all it

2269

01:23:25,729 --> 01:23:22,199

is to say that's what excites me is is

2270

01:23:27,350 --> 01:23:25,739

not like setting up a helicopter pad at

2271

01:23:28,970 --> 01:23:27,360

this Retreat Center so that the beings

2272

01:23:30,490 --> 01:23:28,980

could come down in the craft every

2273

01:23:33,110 --> 01:23:30,500

Sunday kind of thing

2274

01:23:35,750 --> 01:23:33,120

but more that it would be human beings

2275

01:23:37,550 --> 01:23:35,760

coming together and

2276

01:23:39,530 --> 01:23:37,560

developing a series of practices

2277

01:23:41,750 --> 01:23:39,540

together and thinking about how to do

2278

01:23:44,630 --> 01:23:41,760

Humanity differently how to do community

2279

01:23:46,850 --> 01:23:44,640

differently in every facet of Our Lives

2280

01:23:49,130 --> 01:23:46,860

that we really begin to integrate these

2281

01:23:51,950 --> 01:23:49,140

things which is what I feel inspired by

2282

01:23:54,890 --> 01:23:51,960

these others to do and inspired by and

2283

01:23:56,630 --> 01:23:54,900

this is the key again a non-duality from

2284

01:23:58,010 --> 01:23:56,640

my deepest Source that's what I want too

2285

01:23:59,450 --> 01:23:58,020

and what they want and what I want is

2286

01:24:02,450 --> 01:23:59,460

the same thing because ultimately we're

2287

01:24:04,729 --> 01:24:02,460

the same thing so that's where I want to

2288

01:24:06,169 --> 01:24:04,739

go and Nothing Stops me from doing that

2289

01:24:08,030 --> 01:24:06,179

already tomorrow you know there's

2290

01:24:10,010 --> 01:24:08,040

nothing I need to wait on from any kind

2291

01:24:10,930 --> 01:24:10,020

of public disclosure for that to take

2292

01:24:13,370 --> 01:24:10,940

place

2293

01:24:15,770 --> 01:24:13,380

yeah I was about to say I mean this is

2294

01:24:18,890 --> 01:24:15,780

It's relational and that's what

2295

01:24:20,810 --> 01:24:18,900

Consciousness wants it's relationship uh

2296

01:24:22,669 --> 01:24:20,820

you know so it

2297

01:24:25,790 --> 01:24:22,679

it's this

2298

01:24:28,610 --> 01:24:25,800

mining the depths of experience and and

2299

01:24:30,709 --> 01:24:28,620

how better to do that than to engage

2300

01:24:33,830 --> 01:24:30,719

with other intelligences and and

2301

01:24:36,050 --> 01:24:33,840

recognize and that expression

2302

01:24:38,630 --> 01:24:36,060

a part of Who You Are

2303

01:24:40,910 --> 01:24:38,640

uh you know that that you that you

2304

01:24:43,430 --> 01:24:40,920

aren't present to

2305

01:24:45,649 --> 01:24:43,440

but you can be right I mean it's this

2306

01:24:48,530 --> 01:24:45,659

this beauty of interaction

2307

01:24:51,229 --> 01:24:48,540

and uh you know so that

2308

01:24:54,169 --> 01:24:51,239

I I celebrate that that impulse that

2309

01:24:56,390 --> 01:24:54,179

that you have I and I know you know for

2310

01:24:58,910 --> 01:24:56,400

a lot of folks that some of what we

2311

01:25:00,890 --> 01:24:58,920

talked about tonight is very

2312

01:25:03,050 --> 01:25:00,900

um

2313

01:25:04,910 --> 01:25:03,060

it may come with a lot of baggage you

2314

01:25:06,770 --> 01:25:04,920

know I get that you know I've I've got

2315

01:25:08,689 --> 01:25:06,780

the same baggage you know I've got I've

2316

01:25:10,550 --> 01:25:08,699

got the whole luggage set in the closet

2317

01:25:12,169 --> 01:25:10,560

and I know what it looks like you know I

2318

01:25:14,209 --> 01:25:12,179

really do

2319

01:25:16,850 --> 01:25:14,219

um and and I would say too you know I I

2320

01:25:19,189 --> 01:25:16,860

don't know exactly what it looks like or

2321

01:25:22,070 --> 01:25:19,199

you know I'm not perfect at living it

2322

01:25:24,169 --> 01:25:22,080

out or practicing it or whatnot but you

2323

01:25:27,709 --> 01:25:24,179

know what where I feel like I find it

2324

01:25:30,169 --> 01:25:27,719

though is when I lean into

2325

01:25:32,510 --> 01:25:30,179

into into my own experience and lean

2326

01:25:33,950 --> 01:25:32,520

into the to those that I that I interact

2327

01:25:37,370 --> 01:25:33,960

with you know where I really try to be

2328

01:25:38,870 --> 01:25:37,380

present to to others and into into life

2329

01:25:40,310 --> 01:25:38,880

itself

2330

01:25:44,149 --> 01:25:40,320

um as opposed to kind of checking out

2331

01:25:46,550 --> 01:25:44,159

into you know the the all of the things

2332

01:25:49,790 --> 01:25:46,560

you know kind of just fixating onto the

2333

01:25:52,669 --> 01:25:49,800

things and and confusing the things for

2334

01:25:57,050 --> 01:25:55,610

um so anyway I hope that folks are kind

2335

01:25:59,030 --> 01:25:57,060

of uh

2336

01:26:00,770 --> 01:25:59,040

I hope that people kind of feel into

2337

01:26:03,649 --> 01:26:00,780

that and are kind of hearing that from

2338

01:26:05,270 --> 01:26:03,659

us and I know it's tough and uh and

2339

01:26:07,850 --> 01:26:05,280

maybe we'll come back to some topics in

2340

01:26:09,950 --> 01:26:07,860

in future episodes where that are a

2341

01:26:12,110 --> 01:26:09,960

little bit easier for some folks to uh

2342

01:26:14,149 --> 01:26:12,120

to connect to but

2343

01:26:15,950 --> 01:26:14,159

um this was this was a personal one for

2344

01:26:18,709 --> 01:26:15,960

me tonight

2345

01:26:21,410 --> 01:26:18,719

yeah for me too I think that um you know

2346

01:26:23,030 --> 01:26:21,420

we we want this show to be

2347

01:26:24,770 --> 01:26:23,040

uh something that lots of people can

2348

01:26:27,649 --> 01:26:24,780

relate to that are in different seasons

2349

01:26:29,090 --> 01:26:27,659

of life and uh on different

2350

01:26:32,450 --> 01:26:29,100

um you know levels of the Consciousness

2351  
01:26:34,729 --> 01:26:32,460  
spiral but at the same time like we said

2352  
01:26:36,530 --> 01:26:34,739  
earlier we have to live into wherever we

2353  
01:26:38,870 --> 01:26:36,540  
really are right and so does everyone

2354  
01:26:41,570 --> 01:26:38,880  
else that's listening right now and for

2355  
01:26:44,689 --> 01:26:41,580  
us this this is what being genuine looks

2356  
01:26:46,970 --> 01:26:44,699  
like is is being honest about

2357  
01:26:49,070 --> 01:26:46,980  
um how the importance of the public

2358  
01:26:50,510 --> 01:26:49,080  
disclosure piece has shifted for us over

2359  
01:26:52,790 --> 01:26:50,520  
time

2360  
01:26:55,129 --> 01:26:52,800  
um and it's not because we become jaded

2361  
01:26:57,050 --> 01:26:55,139  
or cynical at all it's actually the very

2362  
01:26:59,870 --> 01:26:57,060  
opposite I think

2363  
01:27:01,490 --> 01:26:59,880

um and I would just encourage others to

2364

01:27:03,250 --> 01:27:01,500

do the same thing to figure out where

2365

01:27:05,930 --> 01:27:03,260

you are live in fully to where you are

2366

01:27:07,669 --> 01:27:05,940

don't apologize for it you're not going

2367

01:27:09,590 --> 01:27:07,679

to offend

2368

01:27:11,930 --> 01:27:09,600

you know some external God figure or

2369

01:27:14,140 --> 01:27:11,940

some external E.T or interdimensional

2370

01:27:14,510 --> 01:27:14,150

intelligence by whatever you choose

2371

01:27:15,470 --> 01:27:14,520

[Music]

2372

01:27:18,169 --> 01:27:15,480

um

2373

01:27:20,270 --> 01:27:18,179

that you know part of what we're doing

2374

01:27:22,550 --> 01:27:20,280

is in a kind of play school kind of way

2375

01:27:24,110 --> 01:27:22,560

is as fractal

2376

01:27:24,890 --> 01:27:24,120

um holographic

2377

01:27:27,410 --> 01:27:24,900

um

2378

01:27:29,090 --> 01:27:27,420

facets of the one Cosmic intelligence is

2379

01:27:31,189 --> 01:27:29,100

to live

2380

01:27:33,229 --> 01:27:31,199

with free will you know to be able to

2381

01:27:35,450 --> 01:27:33,239

make decisions based on what we want to

2382

01:27:36,649 --> 01:27:35,460

do and then we learn like I said we

2383

01:27:38,149 --> 01:27:36,659

either win or we learn in terms of

2384

01:27:40,550 --> 01:27:38,159

decisions we make and the consequences

2385

01:27:43,010 --> 01:27:40,560

we experience and then we keep spiraling

2386

01:27:44,990 --> 01:27:43,020

up we keep you know that process can't

2387

01:27:46,310 --> 01:27:45,000

help but work that's that's why it's

2388

01:27:48,649 --> 01:27:46,320

such a

2389

01:27:51,169 --> 01:27:48,659

a cosmic Norm because it just tends to

2390

01:27:53,629 --> 01:27:51,179

work we have total free will to act like

2391

01:27:55,610 --> 01:27:53,639

little Gods experience the consequences

2392

01:27:58,370 --> 01:27:55,620

of our actions make adjustments because

2393

01:28:00,110 --> 01:27:58,380

of that for our own good and to make

2394

01:28:02,209 --> 01:28:00,120

ourselves happy and then along the

2395

01:28:03,649 --> 01:28:02,219

journey we begin to realize that what

2396

01:28:05,090 --> 01:28:03,659

makes us happy is what makes other

2397

01:28:08,149 --> 01:28:05,100

people happy and then the whole thing

2398

01:28:10,129 --> 01:28:08,159

spirals up into this sort of cosmic

2399

01:28:11,390 --> 01:28:10,139

sensuality where where everything works

2400

01:28:13,550 --> 01:28:11,400

for the greater good

2401

01:28:15,310 --> 01:28:13,560

hmm yeah if that's not a spiritual

2402

01:28:18,950 --> 01:28:15,320

message to end on I don't know what is

2403

01:28:21,709 --> 01:28:18,960

exactly well look uh you know I hope we

2404

01:28:24,410 --> 01:28:21,719

get this uh legislation signed I hope we

2405

01:28:26,390 --> 01:28:24,420

get the Whistleblower protections you

2406

01:28:29,209 --> 01:28:26,400

know I'd love to see the uapf report

2407

01:28:33,770 --> 01:28:29,219

you know I want those things too

2408

01:28:36,649 --> 01:28:33,780

um and uh I think for me the

2409

01:28:39,709 --> 01:28:36,659

the salience of those things

2410

01:28:43,129 --> 01:28:39,719

at least I hope is that it it presents

2411

01:28:46,010 --> 01:28:43,139

an invitation to take this journey

2412

01:28:47,030 --> 01:28:46,020

and that invitation is is received by

2413

01:28:50,149 --> 01:28:47,040

more people

2414

01:28:52,610 --> 01:28:50,159

right so you know I I have taken the

2415

01:28:54,770 --> 01:28:52,620

leap of looking at the facts and looking

2416

01:28:58,129 --> 01:28:54,780

at the statements looking at the history

2417

01:29:00,290 --> 01:28:58,139

and and believing and I think you know

2418

01:29:02,510 --> 01:29:00,300

maybe and I could be wrong but believing

2419

01:29:04,790 --> 01:29:02,520

that there is something there

2420

01:29:07,669 --> 01:29:04,800

and and the belief and there is

2421

01:29:09,470 --> 01:29:07,679

something there in those things and the

2422

01:29:12,169 --> 01:29:09,480

people who I interact with who tell me

2423

01:29:15,169 --> 01:29:12,179

of what they've experienced

2424

01:29:17,750 --> 01:29:15,179

that has changed me so I have answered

2425

01:29:18,530 --> 01:29:17,760

that invitation and it has changed who I

2426

01:29:21,010 --> 01:29:18,540

am

2427

01:29:24,590 --> 01:29:21,020

and I only can hope that

2428

01:29:27,169 --> 01:29:24,600

disclosure on a public scale will do the

2429

01:29:28,910 --> 01:29:27,179

same because you know not because I I

2430

01:29:31,189 --> 01:29:28,920

you know oh it's going to be some great

2431

01:29:34,010 --> 01:29:31,199

you know techno Utopia but because I I

2432

01:29:36,050 --> 01:29:34,020

really believe that it creates an

2433

01:29:38,149 --> 01:29:36,060

opportunity for us

2434

01:29:39,470 --> 01:29:38,159

to be better than where we are right now

2435

01:29:42,530 --> 01:29:39,480

as a people

2436

01:29:44,870 --> 01:29:42,540

and and I'd like to believe that

2437

01:29:47,270 --> 01:29:44,880

Consciousness cares about that that it

2438

01:29:49,729 --> 01:29:47,280

wants to see that happen as opposed to

2439

01:29:53,510 --> 01:29:49,739

the alternative which would be you know

2440

01:29:56,330 --> 01:29:53,520

the death of our entire civilization

2441

01:29:58,490 --> 01:29:56,340

indeed well said

2442

01:30:00,910 --> 01:29:58,500

we'll leave it at that uh thank you

2443

01:30:04,729 --> 01:30:00,920

everyone for joining us on this journey

2444

01:30:07,370 --> 01:30:04,739

and uh we'll see you again soon

2445

01:30:09,890 --> 01:30:07,380

May the quality of our questions shaped

2446

01:30:12,410 --> 01:30:09,900

by a desire of for understanding enhance

2447

01:30:14,330 --> 01:30:12,420

our journey of Discovery and may our

2448

01:30:17,030 --> 01:30:14,340

travels broaden the sphere of our

2449

01:30:21,010 --> 01:30:17,040

Consciousness reminding us that new

2450

01:30:24,110 --> 01:30:21,020

discoveries beget New Horizons as always

2451

01:30:29,160 --> 01:30:24,120

Adventure awaits we'll see you next time

2452

01:30:32,960 --> 01:30:31,290

[Music]

2453

01:30:39,240 --> 01:30:32,970

[Laughter]
