

Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #77

*The State & Fate of Earth:
Considering Whisperings of
Apocalypse & Alien Presence*

ON YOUTUBE & YOUR FAVORITE
PODCASTING PLATFORM

1
00:00:14,450 --> 00:00:11,150
hello and welcome to episode number 77

2
00:00:19,250 --> 00:00:14,460
of the point of convergence podcast as

3
00:00:20,689 --> 00:00:19,260
always I am your host EXO academian

4
00:00:23,210 --> 00:00:20,699
while the push towards government

5
00:00:25,070 --> 00:00:23,220
disclosure around its knowledge of UFOs

6
00:00:26,689 --> 00:00:25,080
and even its knowledge of the attempted

7
00:00:28,970 --> 00:00:26,699
reverse engineering of apparently

8
00:00:31,310 --> 00:00:28,980
recovered craft of anomalous origin

9
00:00:33,889 --> 00:00:31,320
really is kicking into a higher gear of

10
00:00:35,270 --> 00:00:33,899
late it's still a far cry from the kinds

11
00:00:37,870 --> 00:00:35,280
of matters that the people known as

12
00:00:40,190 --> 00:00:37,880
experiencers are concerned with

13
00:00:41,990 --> 00:00:40,200

experiencers those who have witnessed

14
00:00:44,209 --> 00:00:42,000
and interacted with anomalous phenomena

15
00:00:46,729 --> 00:00:44,219
personally including those who've had

16
00:00:48,350 --> 00:00:46,739
actual encounters with beings with a

17
00:00:50,869 --> 00:00:48,360
decidedly non-conventionally human

18
00:00:53,810 --> 00:00:50,879
variety are dealing with the way these

19
00:00:56,330 --> 00:00:53,820
experiences have changed them

20
00:00:58,729 --> 00:00:56,340
that is to say the question of UFOs and

21
00:00:59,810 --> 00:00:58,739
aliens is no longer an open question for

22
00:01:02,330 --> 00:00:59,820
these people

23
00:01:04,009 --> 00:01:02,340
that matter is settled while the public

24
00:01:06,410 --> 00:01:04,019
debate rages on

25
00:01:08,030 --> 00:01:06,420
what experiencers have largely moved on

26

00:01:10,070 --> 00:01:08,040

to is how to make sense of these

27

00:01:12,950 --> 00:01:10,080

experiences and how to incorporate them

28

00:01:14,510 --> 00:01:12,960

into their daily reality no small task

29

00:01:17,690 --> 00:01:14,520

when one considers just how

30

00:01:19,789 --> 00:01:17,700

life-altering such experiences can be

31

00:01:22,550 --> 00:01:19,799

one key aspect of the encounters

32

00:01:25,070 --> 00:01:22,560

experiencers report has to do with

33

00:01:28,249 --> 00:01:25,080

messages messages received from the

34

00:01:30,070 --> 00:01:28,259

beings coming from elsewhere whether one

35

00:01:33,109 --> 00:01:30,080

sees that as an extraterrestrial

36

00:01:35,630 --> 00:01:33,119

interdimensional extra-term pastoral or

37

00:01:38,330 --> 00:01:35,640

extra-dimensional in nature

38

00:01:39,890 --> 00:01:38,340

if there is one theme that arises more

39

00:01:42,050 --> 00:01:39,900
than any other in these reported

40

00:01:44,390 --> 00:01:42,060
encounters it's one dealing with

41

00:01:46,390 --> 00:01:44,400
warnings and admonitions around a

42

00:01:48,710 --> 00:01:46,400
Dawning cataclysm of some sort

43

00:01:52,730 --> 00:01:48,720
supposedly arising in the not too

44

00:01:55,069 --> 00:01:52,740
distant future of human civilization

45

00:01:57,469 --> 00:01:55,079
sometimes these warnings and admonitions

46

00:02:00,109 --> 00:01:57,479
are more symbolic in nature such as when

47

00:02:02,929 --> 00:02:00,119
contact the slash abductees are shown

48

00:02:05,149 --> 00:02:02,939
images of the Earth on fire or when for

49

00:02:06,709 --> 00:02:05,159
instance one particular person saw an

50

00:02:09,290 --> 00:02:06,719
image of what looked like the Earth as

51
00:02:10,669 --> 00:02:09,300
an organism experiencing labored

52
00:02:12,949 --> 00:02:10,679
breathing

53
00:02:15,890 --> 00:02:12,959
other times a message or vision is laid

54
00:02:18,530 --> 00:02:15,900
out more plainly when for instance giant

55
00:02:20,750 --> 00:02:18,540
waves are seen engulfing the coasts or

56
00:02:23,570 --> 00:02:20,760
when an extra planetary object is seen

57
00:02:26,089 --> 00:02:23,580
smashing into the Earth from outer space

58
00:02:28,490 --> 00:02:26,099
take it alone these messages and Visions

59
00:02:30,229 --> 00:02:28,500
are concerning enough so much so that

60
00:02:32,630 --> 00:02:30,239
some experiencers have historically

61
00:02:34,430 --> 00:02:32,640
started changing lifestyle because they

62
00:02:36,650 --> 00:02:34,440
have expected this massive shift in

63
00:02:38,570 --> 00:02:36,660

Earth Affairs to be imminent

64

00:02:41,030 --> 00:02:38,580

but the thing is the UFO phenomenon

65

00:02:43,070 --> 00:02:41,040

experiences literature is not the only

66

00:02:45,830 --> 00:02:43,080

source for these kinds of messages and

67

00:02:47,750 --> 00:02:45,840

Visions one need look no further than

68

00:02:49,729 --> 00:02:47,760

our religious history to see that

69

00:02:51,170 --> 00:02:49,739

various scriptural texts which are of

70

00:02:53,390 --> 00:02:51,180

course ultimately derived from the

71

00:02:56,210 --> 00:02:53,400

accounts of anomalous encounters from

72

00:02:58,910 --> 00:02:56,220

distant history also attest to these

73

00:03:01,550 --> 00:02:58,920

same themes both in terms of Beginnings

74

00:03:04,670 --> 00:03:01,560

such as in the Genesis account and its

75

00:03:07,670 --> 00:03:04,680

older Babylonian and Sumerian sources as

76

00:03:09,589 --> 00:03:07,680

well as in prophesied endings like what

77

00:03:11,030 --> 00:03:09,599

we find in apocalyptic literature such

78

00:03:12,530 --> 00:03:11,040

as the new testament's book of

79

00:03:14,570 --> 00:03:12,540

Revelation

80

00:03:16,490 --> 00:03:14,580

and then we have the geological and

81

00:03:19,250 --> 00:03:16,500

archaeological records that leave

82

00:03:21,410 --> 00:03:19,260

similar tantalizing Clues perhaps even

83

00:03:23,509 --> 00:03:21,420

suggesting that this notion of cataclysm

84

00:03:26,330 --> 00:03:23,519

is actually part of a recurring cycle

85

00:03:28,490 --> 00:03:26,340

perhaps even one who is repeated arising

86

00:03:30,350 --> 00:03:28,500

is coming due again soon

87

00:03:31,790 --> 00:03:30,360

is this what ancient ruins and

88

00:03:34,190 --> 00:03:31,800

whisperings of former Advanced

89

00:03:35,149 --> 00:03:34,200

civilizations like Atlantis are pointing

90

00:03:37,130 --> 00:03:35,159

towards

91

00:03:39,410 --> 00:03:37,140

many would suggest this is indeed the

92

00:03:41,509 --> 00:03:39,420

case and that the writing is on the

93

00:03:43,910 --> 00:03:41,519

proverbial wall even if that's in the

94

00:03:45,830 --> 00:03:43,920

form of ancient cave paintings

95

00:03:48,110 --> 00:03:45,840

but what are we to make of all of this

96

00:03:51,050 --> 00:03:48,120

why are human beings being shown images

97

00:03:53,210 --> 00:03:51,060

of seeming impending doom without being

98

00:03:55,610 --> 00:03:53,220

given requisite knowledge regarding how

99

00:03:58,190 --> 00:03:55,620

to avoid it and how does this repeated

100

00:04:01,250 --> 00:03:58,200

message of the need for us to raise our

101
00:04:03,229 --> 00:04:01,260
vibration quote unquote come into play

102
00:04:05,270 --> 00:04:03,239
is this about advancing our level of

103
00:04:07,490 --> 00:04:05,280
collective Consciousness so as to be

104
00:04:09,410 --> 00:04:07,500
able to avoid this apocalypse

105
00:04:11,030 --> 00:04:09,420
or is it about preparing ourselves for

106
00:04:13,429 --> 00:04:11,040
the dimensional shift that will happen

107
00:04:15,050 --> 00:04:13,439
at least potentially immediately

108
00:04:18,110 --> 00:04:15,060
afterwards

109
00:04:19,550 --> 00:04:18,120
tricky Waters to navigate to be sure but

110
00:04:23,210 --> 00:04:19,560
that's precisely what we'll attempt to

111
00:04:26,440 --> 00:04:23,220
do in this the 77th episode of the point

112
00:04:32,090 --> 00:04:29,930
[Music]

113
00:04:34,370 --> 00:04:32,100

on one of the most recent episodes of

114

00:04:36,230 --> 00:04:34,380

liminal frames I talked about how

115

00:04:39,409 --> 00:04:36,240

starkly different the conversations

116

00:04:40,850 --> 00:04:39,419

being had in nuts and bolt circles are

117

00:04:42,170 --> 00:04:40,860

from those being had amongst

118

00:04:44,450 --> 00:04:42,180

experiencers

119

00:04:46,670 --> 00:04:44,460

a major aspect of experienter accounts

120

00:04:49,010 --> 00:04:46,680

which has seen a dramatic uptick in

121

00:04:51,590 --> 00:04:49,020

recent years and even months has to do

122

00:04:53,870 --> 00:04:51,600

with the notion of a coming cataclysm

123

00:04:55,670 --> 00:04:53,880

before we continue here though I want to

124

00:04:57,350 --> 00:04:55,680

address some people's concerns that to

125

00:04:59,930 --> 00:04:57,360

even talk about an event like a

126
00:05:02,810 --> 00:04:59,940
cataclysm unnecessarily triggers people

127
00:05:05,570 --> 00:05:02,820
and thus does more harm than good and

128
00:05:07,310 --> 00:05:05,580
should therefore be avoided altogether

129
00:05:09,830 --> 00:05:07,320
personally this is not the way I think

130
00:05:12,230 --> 00:05:09,840
about these things I think truth is our

131
00:05:13,610 --> 00:05:12,240
friend always even when it's

132
00:05:15,710 --> 00:05:13,620
inconvenient

133
00:05:18,710 --> 00:05:15,720
and because I see this lifetime as just

134
00:05:20,990 --> 00:05:18,720
one lifetime amongst many I am not

135
00:05:23,090 --> 00:05:21,000
putting all of my existential eggs in

136
00:05:24,469 --> 00:05:23,100
this one basket the basket of this

137
00:05:26,629 --> 00:05:24,479
lifetime

138
00:05:28,969 --> 00:05:26,639

furthermore when you consider the notion

139

00:05:29,990 --> 00:05:28,979

of pre-incarnative decisions chosen

140

00:05:32,270 --> 00:05:30,000

before

141

00:05:34,909 --> 00:05:32,280

this lifetime that lead to the growth

142

00:05:36,890 --> 00:05:34,919

opportunity of an underlying soul to

143

00:05:38,749 --> 00:05:36,900

avoid discussion of these matters may

144

00:05:41,629 --> 00:05:38,759

very well be to miss the true point of

145

00:05:43,430 --> 00:05:41,639

the entire exercise altogether

146

00:05:45,590 --> 00:05:43,440

in other words sometimes these trigger

147

00:05:47,450 --> 00:05:45,600

warnings arise from a physicalist

148

00:05:50,150 --> 00:05:47,460

mentality in terms of this lifetime

149

00:05:52,310 --> 00:05:50,160

being all there is I reject that notion

150

00:05:54,230 --> 00:05:52,320

and I think we should therefore discuss

151

00:05:56,270 --> 00:05:54,240

these kinds of events because they

152

00:05:59,689 --> 00:05:56,280

always have underlying metaphysical

153

00:06:01,310 --> 00:05:59,699

meaning I would suggest

154

00:06:03,770 --> 00:06:01,320

now let's begin by talking about

155

00:06:05,930 --> 00:06:03,780

experiencer premonitions when we think

156

00:06:08,330 --> 00:06:05,940

about cataclysms that's one of the first

157

00:06:11,210 --> 00:06:08,340

things that comes to mind I personally

158

00:06:14,390 --> 00:06:11,220

hear from many friends and acquaintances

159

00:06:17,450 --> 00:06:14,400

of the experience or sort who are having

160

00:06:20,510 --> 00:06:17,460

premonitions ongoingly of various kind

161

00:06:22,730 --> 00:06:20,520

of cataclysmic events and this has seen

162

00:06:25,249 --> 00:06:22,740

an optic recently some people have

163

00:06:27,110 --> 00:06:25,259

dreams about this sometimes have daytime

164

00:06:29,450 --> 00:06:27,120

Visions Etc

165

00:06:32,029 --> 00:06:29,460

and what are the nature of these well

166

00:06:34,490 --> 00:06:32,039

sometimes they're floods sometimes they

167

00:06:36,830 --> 00:06:34,500

involve magnetic or tectonic shifts in

168

00:06:38,210 --> 00:06:36,840

the earth which as a consequence can

169

00:06:40,850 --> 00:06:38,220

cause flooding

170

00:06:43,129 --> 00:06:40,860

now experiencers for some time now have

171

00:06:45,710 --> 00:06:43,139

felt this need to get away from the

172

00:06:48,170 --> 00:06:45,720

coast to move to Higher Ground in fact

173

00:06:50,930 --> 00:06:48,180

even when I was in New York that topic

174

00:06:53,350 --> 00:06:50,940

got raised that subject this notion that

175

00:06:56,150 --> 00:06:53,360

the coasts don't feel entirely safe

176

00:06:59,150 --> 00:06:56,160

especially in light of these dreams

177

00:07:00,529 --> 00:06:59,160

visions of impending apocalypse now it's

178

00:07:02,510 --> 00:07:00,539

important to point out that these are

179

00:07:05,570 --> 00:07:02,520

not always negative in nature these

180

00:07:07,550 --> 00:07:05,580

Visions these premonitions nor without a

181

00:07:10,010 --> 00:07:07,560

sense of overarching guidance in the

182

00:07:11,570 --> 00:07:10,020

midst of these coming Earth changes in

183

00:07:14,510 --> 00:07:11,580

other words while we sometimes hear

184

00:07:16,490 --> 00:07:14,520

about experiencers encountering beings

185

00:07:18,529 --> 00:07:16,500

who show them these kinds of visions of

186

00:07:20,150 --> 00:07:18,539

impending doom with the earth going

187

00:07:21,529 --> 00:07:20,160

through some sort of Destruction or

188

00:07:24,110 --> 00:07:21,539

great distress

189

00:07:25,909 --> 00:07:24,120

they're not always left with no sense of

190

00:07:28,490 --> 00:07:25,919

what the purpose is or what they can do

191

00:07:30,050 --> 00:07:28,500

about it that happens sometimes to be

192

00:07:32,150 --> 00:07:30,060

sure and sometimes there's kind of the

193

00:07:34,610 --> 00:07:32,160

sense of this vague you need to raise

194

00:07:35,990 --> 00:07:34,620

your vibration message being passed on

195

00:07:37,550 --> 00:07:36,000

and people don't really have a sense of

196

00:07:39,950 --> 00:07:37,560

what that involves

197

00:07:41,589 --> 00:07:39,960

we'll get to that shortly but I also

198

00:07:44,089 --> 00:07:41,599

want to discuss situations where

199

00:07:46,730 --> 00:07:44,099

experiences are shown images of

200

00:07:49,189 --> 00:07:46,740

impending doom or impending distress in

201
00:07:50,809 --> 00:07:49,199
the earth the earth civilization and

202
00:07:51,650 --> 00:07:50,819
around climate change and things like

203
00:07:53,809 --> 00:07:51,660
that

204
00:07:56,150 --> 00:07:53,819
but again sometimes they are given

205
00:07:57,589 --> 00:07:56,160
messages and given guidance about how to

206
00:07:59,570 --> 00:07:57,599
navigate these things how to navigate

207
00:08:02,150 --> 00:07:59,580
these Waters so to speak in terms of a

208
00:08:04,430 --> 00:08:02,160
flood and we should also point out that

209
00:08:05,749 --> 00:08:04,440
it's not always a complete cataclysm in

210
00:08:07,670 --> 00:08:05,759
terms of the end of our civilization

211
00:08:10,610 --> 00:08:07,680
there's a bit of variance there

212
00:08:12,110 --> 00:08:10,620
sometimes it's a massive uh event we

213
00:08:13,909 --> 00:08:12,120

have to go through but it's something we

214

00:08:16,010 --> 00:08:13,919

can survive and see on the other side

215

00:08:18,230 --> 00:08:16,020

other times it more is like a

216

00:08:20,510 --> 00:08:18,240

civilization or greatly civilization

217

00:08:23,270 --> 00:08:20,520

changing event

218

00:08:26,330 --> 00:08:23,280

now in an earlier podcast on this point

219

00:08:29,330 --> 00:08:26,340

of conversion podcast I talked about the

220

00:08:31,129 --> 00:08:29,340

case of Susie Hansen now she is your

221

00:08:33,230 --> 00:08:31,139

typical situation where she initially

222

00:08:35,570 --> 00:08:33,240

had a shocking event where she was

223

00:08:38,630 --> 00:08:35,580

abducted with a friend right from their

224

00:08:41,750 --> 00:08:38,640

car up into a craft the entire car was

225

00:08:43,370 --> 00:08:41,760

taken up and at first she had that kind

226
00:08:45,590 --> 00:08:43,380
of shocking feeling of what's happening

227
00:08:47,090 --> 00:08:45,600
and it was terrifying but to her

228
00:08:49,910 --> 00:08:47,100
surprise she later realized she

229
00:08:52,850 --> 00:08:49,920
recognized the beings on the craft and

230
00:08:55,009 --> 00:08:52,860
that she had had long-term associations

231
00:08:57,530 --> 00:08:55,019
with him in fact she had memory of being

232
00:09:00,050 --> 00:08:57,540
with them before this lifetime and again

233
00:09:01,850 --> 00:09:00,060
we have to keep this big picture in mind

234
00:09:03,470 --> 00:09:01,860
whenever we're talking about these

235
00:09:05,630 --> 00:09:03,480
things

236
00:09:08,750 --> 00:09:05,640
now in her book The Dual Soul connection

237
00:09:11,570 --> 00:09:08,760
Susie Hansen talks about basically being

238
00:09:14,750 --> 00:09:11,580

given Decades of training by these

239

00:09:17,329 --> 00:09:14,760

Graves by these non-human others in

240

00:09:18,889 --> 00:09:17,339

preparation not just for the next life

241

00:09:20,509 --> 00:09:18,899

but also in preparation for something

242

00:09:23,210 --> 00:09:20,519

that's going to happen during this

243

00:09:25,130 --> 00:09:23,220

lifetime in the world and I now want to

244

00:09:27,470 --> 00:09:25,140

quote from the book this is the Dual

245

00:09:30,350 --> 00:09:27,480

Soul connection which is subtitled the

246

00:09:33,590 --> 00:09:30,360

alien agenda for human advancement quote

247

00:09:35,269 --> 00:09:33,600

in February 2010 I retained memory of

248

00:09:37,490 --> 00:09:35,279

attending a somewhat disturbing meeting

249

00:09:40,009 --> 00:09:37,500

with hundreds of other people in an

250

00:09:42,110 --> 00:09:40,019

underground facility unquote

251
00:09:44,090 --> 00:09:42,120
now that sets the stage in terms of

252
00:09:46,370 --> 00:09:44,100
where she was when this event is about

253
00:09:48,889 --> 00:09:46,380
to take place and I want to jump forward

254
00:09:50,269 --> 00:09:48,899
in the book when she talks about what

255
00:09:52,130 --> 00:09:50,279
she was actually exposed to what

256
00:09:54,590 --> 00:09:52,140
actually happened while she was in that

257
00:09:56,690 --> 00:09:54,600
underground facility basically ready to

258
00:09:58,550 --> 00:09:56,700
take part in a training

259
00:10:01,430 --> 00:09:58,560
gonna jump ahead now to when she was

260
00:10:03,530 --> 00:10:01,440
seeing images of Apocalypse cataclysm

261
00:10:05,570 --> 00:10:03,540
along with other human beings who were

262
00:10:08,570 --> 00:10:05,580
in the facility for the training

263
00:10:10,850 --> 00:10:08,580

quote images began flashing on the

264

00:10:13,730 --> 00:10:10,860

screen initially one every few seconds

265

00:10:15,949 --> 00:10:13,740

or so however as our concentration was

266

00:10:17,810 --> 00:10:15,959

established and maintained this then

267

00:10:20,090 --> 00:10:17,820

increased to one image roughly every

268

00:10:23,150 --> 00:10:20,100

second and then several images each

269

00:10:25,670 --> 00:10:23,160

second there was no time to Blink

270

00:10:27,170 --> 00:10:25,680

we are registering them all but we

271

00:10:29,570 --> 00:10:27,180

cannot dwell in any particular one

272

00:10:31,550 --> 00:10:29,580

because of the terrific speed it makes

273

00:10:34,009 --> 00:10:31,560

my eyes jerk and water

274

00:10:36,110 --> 00:10:34,019

oh they are tragic images tragic images

275

00:10:37,670 --> 00:10:36,120

and then in Brackets we see that she was

276

00:10:39,590 --> 00:10:37,680

crying and deeply disturbed by the

277

00:10:42,230 --> 00:10:39,600

images when she was talking about this

278

00:10:44,569 --> 00:10:42,240

in a regression afterwards

279

00:10:46,670 --> 00:10:44,579

I see speaking altogether and my entire

280

00:10:48,650 --> 00:10:46,680

body shook as if in a state of sudden

281

00:10:51,170 --> 00:10:48,660

shock according to the regression

282

00:10:53,389 --> 00:10:51,180

therapist I hyperventilated and my teeth

283

00:10:55,370 --> 00:10:53,399

hammered together loudly for a full two

284

00:10:57,230 --> 00:10:55,380

and a half minutes as I relive the

285

00:10:59,690 --> 00:10:57,240

intensity of hundreds of futuristic

286

00:11:02,210 --> 00:10:59,700

images they depicted shocking natural

287

00:11:04,730 --> 00:11:02,220

disasters on our planet extremes of

288

00:11:07,850 --> 00:11:04,740

weather internal and international Wars

289

00:11:10,190 --> 00:11:07,860
and Chaos in societies all involving

290

00:11:12,050 --> 00:11:10,200
massive loss of life and suffering a

291

00:11:13,730 --> 00:11:12,060
stream of tragedy sending a bolt of

292

00:11:15,650 --> 00:11:13,740
Terror through us all

293

00:11:17,990 --> 00:11:15,660
everyone was shaken but our eyes

294

00:11:20,509 --> 00:11:18,000
remained fixed and riveted to the screen

295

00:11:21,889 --> 00:11:20,519
with tears streaming down our faces is

296

00:11:24,949 --> 00:11:21,899
all within the space of a couple of

297

00:11:27,590 --> 00:11:24,959
minutes we were given a dire insight a

298

00:11:29,870 --> 00:11:27,600
warning of events to come on our planet

299

00:11:32,509 --> 00:11:29,880
then equally as quickly the atmosphere

300

00:11:34,850 --> 00:11:32,519
switched as the images ended

301
00:11:36,530 --> 00:11:34,860
and then she says to the regressionist

302
00:11:39,290 --> 00:11:36,540
um we are calming down now he has

303
00:11:41,449 --> 00:11:39,300
cleared it away who has cleared away

304
00:11:43,850 --> 00:11:41,459
that's why this particular mantis entity

305
00:11:45,650 --> 00:11:43,860
is here he's the one showing them he's

306
00:11:47,630 --> 00:11:45,660
got some extraordinary ability and I

307
00:11:49,670 --> 00:11:47,640
know it's coming from him the entity

308
00:11:51,730 --> 00:11:49,680
sent out a telepathic blanket of calm

309
00:11:53,810 --> 00:11:51,740
that descended over us all

310
00:11:56,329 --> 00:11:53,820
instantaneously soothing our jangled

311
00:11:59,050 --> 00:11:56,339
emotions with his mind as the shock

312
00:12:01,370 --> 00:11:59,060
dissipated and we felt composed again

313
00:12:03,230 --> 00:12:01,380

the understanding of what we had seen

314

00:12:05,630 --> 00:12:03,240

was still in our minds but because of

315

00:12:07,730 --> 00:12:05,640

his influence we could now think about

316

00:12:10,730 --> 00:12:07,740

the implications calmly and clinically

317

00:12:12,530 --> 00:12:10,740

and put emotions aside unquote

318

00:12:15,470 --> 00:12:12,540

again she's talking about the mantis

319

00:12:17,630 --> 00:12:15,480

being was able to send this calm to them

320

00:12:19,730 --> 00:12:17,640

all that we're witnessing these events

321

00:12:20,990 --> 00:12:19,740

these premonitions of what was going to

322

00:12:22,730 --> 00:12:21,000

happen to the Earth

323

00:12:24,470 --> 00:12:22,740

now we're going to jump to a section now

324

00:12:26,630 --> 00:12:24,480

where another human being is now

325

00:12:28,970 --> 00:12:26,640

explaining to them what's going to

326

00:12:30,949 --> 00:12:28,980

happen and what it all means when we say

327

00:12:32,449 --> 00:12:30,959

human here again just to remind you this

328

00:12:34,490 --> 00:12:32,459

doesn't necessarily mean Earth human

329

00:12:36,889 --> 00:12:34,500

there are plenty of times where human

330

00:12:38,870 --> 00:12:36,899

looking entities are encountered but

331

00:12:40,490 --> 00:12:38,880

they're not actually Earth humans but

332

00:12:42,590 --> 00:12:40,500

carrying on again from the book quote

333

00:12:44,930 --> 00:12:42,600

the human explained the futuristic

334

00:12:47,030 --> 00:12:44,940

images of Earth changes Wars and

335

00:12:50,030 --> 00:12:47,040

societal upheaval were events that will

336

00:12:52,310 --> 00:12:50,040

occur however the timing intensity and

337

00:12:55,190 --> 00:12:52,320

duration may vary according to Mankind's

338

00:12:57,590 --> 00:12:55,200

decisions in the interim in other words

339

00:13:00,129 --> 00:12:57,600

our Mass Consciousness and actions play

340

00:13:02,690 --> 00:13:00,139

a part in creating our Collective future

341

00:13:05,090 --> 00:13:02,700

tragic events sometimes promote growth

342

00:13:06,710 --> 00:13:05,100

and change he went on to say that as

343

00:13:08,930 --> 00:13:06,720

people who have been trained by the

344

00:13:10,370 --> 00:13:08,940

Grays we were now being asked to take on

345

00:13:13,069 --> 00:13:10,380

a different role

346

00:13:14,810 --> 00:13:13,079

that of tutoring for them this was

347

00:13:16,790 --> 00:13:14,820

conveyed as a request but at the same

348

00:13:19,490 --> 00:13:16,800

time there was a subtle element of

349

00:13:21,889 --> 00:13:19,500

requiring us to do this we understood it

350

00:13:24,530 --> 00:13:21,899

as not a threat or an imposition but

351
00:13:26,629 --> 00:13:24,540
rather an expectation of commitment and

352
00:13:29,090 --> 00:13:26,639
having seen tragic future portends

353
00:13:31,910 --> 00:13:29,100
affecting our civilization our very

354
00:13:33,470 --> 00:13:31,920
consciences required us to cooperate

355
00:13:35,449 --> 00:13:33,480
unquote

356
00:13:38,750 --> 00:13:35,459
so just to quickly summarize what we

357
00:13:41,269 --> 00:13:38,760
just read basically over time Susie

358
00:13:43,069 --> 00:13:41,279
Hansen along with other humans have been

359
00:13:44,690 --> 00:13:43,079
initially abducted but then they realize

360
00:13:47,090 --> 00:13:44,700
it's not a negative thing it's more like

361
00:13:49,430 --> 00:13:47,100
a contact and it's connected to a

362
00:13:51,470 --> 00:13:49,440
pre-incarnated decision they made along

363
00:13:54,410 --> 00:13:51,480

with these others and she was sort of

364

00:13:56,389 --> 00:13:54,420

waking up to her other aspect of herself

365

00:13:58,190 --> 00:13:56,399

when she was on board craft and in the

366

00:13:59,990 --> 00:13:58,200

presence of these others and that's

367

00:14:02,389 --> 00:14:00,000

indeed was she calls this book The Dual

368

00:14:04,430 --> 00:14:02,399

Soul connection because she's part gray

369

00:14:06,590 --> 00:14:04,440

part human but sometimes the gray

370

00:14:08,030 --> 00:14:06,600

identity doesn't come online until she's

371

00:14:10,129 --> 00:14:08,040

with them

372

00:14:12,110 --> 00:14:10,139

but either way the notion here is that

373

00:14:14,329 --> 00:14:12,120

different humans are being prepared as

374

00:14:17,269 --> 00:14:14,339

ambassadors if you will to help other

375

00:14:20,090 --> 00:14:17,279

humans when these cataclysms do occur

376

00:14:23,329 --> 00:14:20,100

when these events that are apocalyptic

377

00:14:25,490 --> 00:14:23,339

in nature do arise I also want to point

378

00:14:27,829 --> 00:14:25,500

out there that she was told along with

379

00:14:29,990 --> 00:14:27,839

others that the exact timing was

380

00:14:31,550 --> 00:14:30,000

somewhat up in the air and that's a

381

00:14:33,829 --> 00:14:31,560

major theme that I've come across time

382

00:14:35,389 --> 00:14:33,839

and time again even in the raw material

383

00:14:36,829 --> 00:14:35,399

that we will discuss later which I

384

00:14:39,170 --> 00:14:36,839

personally think is the best channeled

385

00:14:41,810 --> 00:14:39,180

material we've ever received from an

386

00:14:43,970 --> 00:14:41,820

extra human Source they talk about that

387

00:14:46,610 --> 00:14:43,980

as well that because our Free Will human

388

00:14:48,889 --> 00:14:46,620

Free Will and there being billions of us

389

00:14:51,230 --> 00:14:48,899

that the exact timing is partly

390

00:14:54,230 --> 00:14:51,240

dependent on the decisions we make the

391

00:14:56,389 --> 00:14:54,240

actions we take in the coming years and

392

00:14:58,790 --> 00:14:56,399

so because there's this recognition and

393

00:15:00,710 --> 00:14:58,800

this valuing of free will it's the

394

00:15:02,210 --> 00:15:00,720

intermix of all those things the

395

00:15:04,370 --> 00:15:02,220

collective Consciousness on the earth

396

00:15:06,650 --> 00:15:04,380

together along with these things that

397

00:15:09,410 --> 00:15:06,660

were planned beforehand which we'll get

398

00:15:11,509 --> 00:15:09,420

to which ultimately determine the timing

399

00:15:13,910 --> 00:15:11,519

so that is to say even some of these

400

00:15:15,410 --> 00:15:13,920

others don't know the exact timing but

401
00:15:18,410 --> 00:15:15,420
they do have a sense of the general

402
00:15:20,269 --> 00:15:18,420
thrust of what is to come

403
00:15:22,189 --> 00:15:20,279
so before we move on to the next section

404
00:15:24,290 --> 00:15:22,199
I want to again just highlight two

405
00:15:26,810 --> 00:15:24,300
important things here number one the

406
00:15:29,629 --> 00:15:26,820
sense of a coming cataclysm is a major

407
00:15:31,490 --> 00:15:29,639
part of experienter accounts that this

408
00:15:34,189 --> 00:15:31,500
is very often Central to these

409
00:15:36,889 --> 00:15:34,199
situations even the kids in Zimbabwe

410
00:15:38,329 --> 00:15:36,899
were shown images telepathically told

411
00:15:40,550 --> 00:15:38,339
things that made them worry about

412
00:15:42,949 --> 00:15:40,560
Earth's future and they were told that

413
00:15:45,949 --> 00:15:42,959

you need to change course basically so

414

00:15:47,269 --> 00:15:45,959

that's a key aspect of what goes on in

415

00:15:49,430 --> 00:15:47,279

these situations

416

00:15:51,470 --> 00:15:49,440

but whereas those kids were not given

417

00:15:53,150 --> 00:15:51,480

really the tools to know what to do to

418

00:15:55,670 --> 00:15:53,160

prevent these things there were other

419

00:15:56,930 --> 00:15:55,680

cases like here with Susie Hansen where

420

00:15:59,509 --> 00:15:56,940

she and others are actually being

421

00:16:03,050 --> 00:15:59,519

trained specifically about how to help

422

00:16:04,610 --> 00:16:03,060

when these events eventually do arise

423

00:16:07,269 --> 00:16:04,620

okay and that has to do with the

424

00:16:09,410 --> 00:16:07,279

experience for accounts dealing with ETS

425

00:16:11,810 --> 00:16:09,420

extraterrestrials which is how these

426

00:16:14,629 --> 00:16:11,820

others identify themselves here

427

00:16:16,730 --> 00:16:14,639

but the question is is it only in these

428

00:16:19,069 --> 00:16:16,740

kind of experienter accounts to do with

429

00:16:21,889 --> 00:16:19,079

ETS or interdimensionals that we hear

430

00:16:24,290 --> 00:16:21,899

about this notion of a coming cataclysm

431

00:16:25,730 --> 00:16:24,300

well as it turns out no that's not the

432

00:16:28,490 --> 00:16:25,740

only place we hear about these things

433

00:16:29,870 --> 00:16:28,500

this is not the only source I mentioned

434

00:16:31,910 --> 00:16:29,880

that in the introduction there's

435

00:16:34,550 --> 00:16:31,920

numerous other places other kinds of

436

00:16:36,949 --> 00:16:34,560

sources that also Point towards this

437

00:16:39,590 --> 00:16:36,959

sense of a coming cataclysm that this is

438

00:16:41,930 --> 00:16:39,600

part of human history and perhaps it's

439

00:16:43,249 --> 00:16:41,940

even been cyclical in nature that this

440

00:16:45,230 --> 00:16:43,259

would not be the first time this has

441

00:16:46,670 --> 00:16:45,240

happened that in fact maybe there have

442

00:16:48,050 --> 00:16:46,680

been different civilizations on the

443

00:16:50,329 --> 00:16:48,060

earth perhaps even previous

444

00:16:52,670 --> 00:16:50,339

sophisticated civilizations like

445

00:16:55,009 --> 00:16:52,680

Atlantis like we talked about that have

446

00:16:57,050 --> 00:16:55,019

since gone by the wayside and it's kind

447

00:16:58,850 --> 00:16:57,060

of our hubris that leads us to believe

448

00:17:01,670 --> 00:16:58,860

we're the first ones here

449

00:17:04,030 --> 00:17:01,680

but what are some of these other sources

450

00:17:06,650 --> 00:17:04,040

well we need to look next to the extra

451
00:17:08,689 --> 00:17:06,660
tempestriles those of you tuning into

452
00:17:10,429 --> 00:17:08,699
this podcast for a long time you'll

453
00:17:12,230 --> 00:17:10,439
remember that I dedicated three episodes

454
00:17:14,990 --> 00:17:12,240
to the notion of some groups of the

455
00:17:17,890 --> 00:17:15,000
graves actually being us from the future

456
00:17:21,350 --> 00:17:17,900
or what Michael Masters calls extra

457
00:17:23,510 --> 00:17:21,360
tempestules who are here now partly in

458
00:17:26,510 --> 00:17:23,520
relation to the notion of a coming

459
00:17:28,429 --> 00:17:26,520
cataclysm now one group apparently is

460
00:17:30,289 --> 00:17:28,439
for this cataclysm they are here to try

461
00:17:32,150 --> 00:17:30,299
and ensure it does happen whereas

462
00:17:34,789 --> 00:17:32,160
another faction another group of future

463
00:17:37,250 --> 00:17:34,799

humans is here to try to help us prevent

464

00:17:39,289 --> 00:17:37,260

it from happening in terms of choosing

465

00:17:40,610 --> 00:17:39,299

one timeline over another based on our

466

00:17:42,710 --> 00:17:40,620

actions

467

00:17:44,510 --> 00:17:42,720

now the sense is that this is imminent

468

00:17:47,150 --> 00:17:44,520

within a decade or less I would

469

00:17:48,890 --> 00:17:47,160

generally say and intelligence groups

470

00:17:50,330 --> 00:17:48,900

were trying to keep this under wraps

471

00:17:52,490 --> 00:17:50,340

according to what I discussed in those

472

00:17:54,590 --> 00:17:52,500

three episodes for fear that public

473

00:17:56,690 --> 00:17:54,600

knowledge alone could change the

474

00:17:57,830 --> 00:17:56,700

timeline and in a way that would not be

475

00:18:00,529 --> 00:17:57,840

good

476

00:18:03,049 --> 00:18:00,539

now interestingly former CIA analyst

477

00:18:05,630 --> 00:18:03,059

John Ramirez has spoken to the notion

478

00:18:06,890 --> 00:18:05,640

that for quite some time now there has

479

00:18:09,049 --> 00:18:06,900

been knowledge within various

480

00:18:10,850 --> 00:18:09,059

intelligent circles that some kind of

481

00:18:13,370 --> 00:18:10,860

major event is coming

482

00:18:16,370 --> 00:18:13,380

in fact he suggested the change in tone

483

00:18:17,930 --> 00:18:16,380

that happened around 2017 around the

484

00:18:19,850 --> 00:18:17,940

time of the publication of those famous

485

00:18:22,730 --> 00:18:19,860

New York Times articles

486

00:18:25,549 --> 00:18:22,740

was the kickoff to a 10-year preparation

487

00:18:27,049 --> 00:18:25,559

for a major public reveal of some kind

488

00:18:31,190 --> 00:18:27,059

in other words something that's coming

489

00:18:33,890 --> 00:18:31,200

online around 2027. now importantly this

490

00:18:37,250 --> 00:18:33,900

reveal seems not to be about a cataclysm

491

00:18:39,230 --> 00:18:37,260

directly but something else one wonders

492

00:18:41,510 --> 00:18:39,240

could this Revelation be in relation to

493

00:18:44,630 --> 00:18:41,520

the presence of these extra tempestules

494

00:18:47,029 --> 00:18:44,640

or extraterrestrials which in the long

495

00:18:49,909 --> 00:18:47,039

run is related to this coming cataclysm

496

00:18:52,430 --> 00:18:49,919

in other words is 2027 the time where

497

00:18:55,310 --> 00:18:52,440

they will reveal themselves in a vast

498

00:18:58,190 --> 00:18:55,320

public way and then join forces with us

499

00:19:00,169 --> 00:18:58,200

to perhaps prepare for or prevent this

500

00:19:01,730 --> 00:19:00,179

cataclysm again I think it's an open

501
00:19:03,650 --> 00:19:01,740
question of what's actually on the table

502
00:19:05,570 --> 00:19:03,660
here and I'll leave that up to you to

503
00:19:08,390 --> 00:19:05,580
decide but I just want to discuss some

504
00:19:11,029 --> 00:19:08,400
of the details that often come up

505
00:19:12,350 --> 00:19:11,039
now Ramirez also stressed the idea and

506
00:19:14,870 --> 00:19:12,360
I've heard this personally from other

507
00:19:16,549 --> 00:19:14,880
credible sources as well that part of

508
00:19:19,130 --> 00:19:16,559
the reason for the cover-up of the

509
00:19:21,470 --> 00:19:19,140
Roswell event was because the beings

510
00:19:24,650 --> 00:19:21,480
recovered from the craft showed signs of

511
00:19:27,049 --> 00:19:24,660
having a genetic Heritage in common with

512
00:19:29,450 --> 00:19:27,059
us so here again interesting

513
00:19:31,669 --> 00:19:29,460

possibilities arise could these have

514

00:19:34,310 --> 00:19:31,679

been the initial extra-term pastoral

515

00:19:36,289 --> 00:19:34,320

voyages if you will going back in time

516

00:19:38,450 --> 00:19:36,299

and coming into our timeline and things

517

00:19:40,130 --> 00:19:38,460

going wrong that's possible perhaps they

518

00:19:43,610 --> 00:19:40,140

weren't ETS perhaps they were extra

519

00:19:45,890 --> 00:19:43,620

tempestules future humans or could this

520

00:19:47,210 --> 00:19:45,900

hint to our distant history being one

521

00:19:49,370 --> 00:19:47,220

that was connected to an

522

00:19:51,590 --> 00:19:49,380

extraterrestrial intelligence who seated

523

00:19:53,750 --> 00:19:51,600

Us in other words was the fact that they

524

00:19:55,789 --> 00:19:53,760

shared a genetic lineage with us to do

525

00:19:57,710 --> 00:19:55,799

with the fact that they seated us so

526

00:20:01,130 --> 00:19:57,720

they weren't necessarily us from the

527

00:20:03,590 --> 00:20:01,140

future but ETS who have a common genetic

528

00:20:04,850 --> 00:20:03,600

linkage with us and this was the notion

529

00:20:06,770 --> 00:20:04,860

that would have been shocking to the

530

00:20:09,350 --> 00:20:06,780

public and this supposedly was a big

531

00:20:12,230 --> 00:20:09,360

reason why the cover-up was so massive

532

00:20:14,810 --> 00:20:12,240

and so dedicated so that's two sources

533

00:20:16,970 --> 00:20:14,820

so far we've had the Extraterrestrial or

534

00:20:19,310 --> 00:20:16,980

interdimensional encounters with

535

00:20:22,549 --> 00:20:19,320

experiencers and warnings about a coming

536

00:20:24,289 --> 00:20:22,559

cataclysm and then sometimes some

537

00:20:26,750 --> 00:20:24,299

training and some preparation for this

538

00:20:28,850 --> 00:20:26,760

like in the case of Susie Hansen we've

539

00:20:31,130 --> 00:20:28,860

also had the notion of extra tempestules

540

00:20:32,450 --> 00:20:31,140

and supposedly intelligent sources that

541

00:20:35,570 --> 00:20:32,460

have been in contact with these extra

542

00:20:38,090 --> 00:20:35,580

tempestules around a coming cataclysm

543

00:20:40,130 --> 00:20:38,100

and these future humans are the ones

544

00:20:41,810 --> 00:20:40,140

that arise after this cataclysm and

545

00:20:43,010 --> 00:20:41,820

that's partly why they look the way they

546

00:20:43,970 --> 00:20:43,020

do

547

00:20:45,950 --> 00:20:43,980

Etc

548

00:20:47,930 --> 00:20:45,960

but now let's move on to another source

549

00:20:52,010 --> 00:20:47,940

that also touches on this notion of a

550

00:20:54,169 --> 00:20:52,020

coming cataclysm religion now a major

551
00:20:56,750 --> 00:20:54,179
long-term aspect of various religious

552
00:20:59,450 --> 00:20:56,760
Traditions involves this notion of a

553
00:21:02,029 --> 00:20:59,460
future apocalypse the so-called end

554
00:21:05,029 --> 00:21:02,039
times followed by a new peaceful order

555
00:21:05,930 --> 00:21:05,039
on what is termed a new Heaven and a new

556
00:21:08,270 --> 00:21:05,940
Earth

557
00:21:10,669 --> 00:21:08,280
now many people often interpret that in

558
00:21:13,549 --> 00:21:10,679
biblical circles in Christian circles as

559
00:21:16,070 --> 00:21:13,559
literally a new planet but it perhaps is

560
00:21:18,409 --> 00:21:16,080
more like either a renewed planet or a

561
00:21:20,570 --> 00:21:18,419
dimensionally shifted Planet like what

562
00:21:21,770 --> 00:21:20,580
you learn about in the raw material and

563
00:21:24,169 --> 00:21:21,780

this is again what's so interesting

564

00:21:26,210 --> 00:21:24,179

we'll get to that in a moment Notions

565

00:21:28,549 --> 00:21:26,220

like the raw material channeled material

566

00:21:31,190 --> 00:21:28,559

from extraterrestrial extra-dimensional

567

00:21:33,470 --> 00:21:31,200

beings has a lot of similar themes as

568

00:21:36,350 --> 00:21:33,480

what we find in ancient religion even

569

00:21:38,149 --> 00:21:36,360

this notion of a new Earth

570

00:21:40,430 --> 00:21:38,159

now here we should pause to point out

571

00:21:42,350 --> 00:21:40,440

that plenty of people have suggested in

572

00:21:43,730 --> 00:21:42,360

regards to religion and evidence

573

00:21:45,770 --> 00:21:43,740

certainly seems to point in this

574

00:21:47,750 --> 00:21:45,780

direction that the intelligence is

575

00:21:50,090 --> 00:21:47,760

influencing the seating of those early

576
00:21:52,970 --> 00:21:50,100
religious Traditions that later became

577
00:21:55,490 --> 00:21:52,980
dogmatic traditions where the very same

578
00:21:58,370 --> 00:21:55,500
intelligences behind contact encounters

579
00:22:00,590 --> 00:21:58,380
via the more modern UFO phenomenon

580
00:22:02,510 --> 00:22:00,600
literature in our time

581
00:22:04,909 --> 00:22:02,520
Dennis just say you could argue that

582
00:22:06,830 --> 00:22:04,919
this message from these same groups of

583
00:22:09,230 --> 00:22:06,840
beings has been part of the picture for

584
00:22:11,450 --> 00:22:09,240
us as long as we've been interacting

585
00:22:13,250 --> 00:22:11,460
with them which you could argue was

586
00:22:15,710 --> 00:22:13,260
around the time of the seeding of our

587
00:22:18,350 --> 00:22:15,720
civilization on or at least since our

588
00:22:20,390 --> 00:22:18,360

most recent genetic tweaks that made us

589

00:22:23,210 --> 00:22:20,400

capable of more advanced abstract

590

00:22:25,909 --> 00:22:23,220

thought and communication with them

591

00:22:28,010 --> 00:22:25,919

now earlier I mentioned John Ramirez as

592

00:22:30,350 --> 00:22:28,020

a former CIA analyst saying that there

593

00:22:32,990 --> 00:22:30,360

was knowledge within the CIA and other

594

00:22:36,409 --> 00:22:33,000

intelligence circles about events in the

595

00:22:38,570 --> 00:22:36,419

future things like a major event in 2027

596

00:22:40,490 --> 00:22:38,580

and perhaps that has to do with a major

597

00:22:42,470 --> 00:22:40,500

reveal of some kind

598

00:22:44,450 --> 00:22:42,480

in terms of these others making their

599

00:22:47,450 --> 00:22:44,460

presence known on a wide public level

600

00:22:49,370 --> 00:22:47,460

and that's perhaps why we see a shift in

601
00:22:51,110 --> 00:22:49,380
approach now by the government because

602
00:22:53,090 --> 00:22:51,120
they're preparing for this and again

603
00:22:56,450 --> 00:22:53,100
perhaps this change in Focus began

604
00:22:58,789 --> 00:22:56,460
around 2017 in terms of a 10-year run-up

605
00:23:02,690 --> 00:22:58,799
to this reveal

606
00:23:04,970 --> 00:23:02,700
but the CIA also has had hints inklings

607
00:23:07,549 --> 00:23:04,980
of a common cataclysm You could argue

608
00:23:10,549 --> 00:23:07,559
there's the famous case of a book called

609
00:23:13,310 --> 00:23:10,559
The Adam and Eve story which supposedly

610
00:23:15,470 --> 00:23:13,320
was at one point held back by the CIA

611
00:23:18,110 --> 00:23:15,480
that they actually classified aspects of

612
00:23:19,789 --> 00:23:18,120
this and supposedly even today why you

613
00:23:23,029 --> 00:23:19,799

can get a copy of this book on Amazon

614

00:23:25,490 --> 00:23:23,039

for instance supposedly aspects of it

615

00:23:27,230 --> 00:23:25,500

are still redacted and you'd ask

616

00:23:29,270 --> 00:23:27,240

yourself why would this be the case this

617

00:23:30,890 --> 00:23:29,280

is a book that someone wrote kind of

618

00:23:33,590 --> 00:23:30,900

just an average person not well known

619

00:23:35,270 --> 00:23:33,600

who wrote a book about cataclysms and

620

00:23:37,789 --> 00:23:35,280

even how biblical Traditions were

621

00:23:39,890 --> 00:23:37,799

actually referencing cyclical cataclysms

622

00:23:40,850 --> 00:23:39,900

rather than the beginning of time so to

623

00:23:43,010 --> 00:23:40,860

speak

624

00:23:45,049 --> 00:23:43,020

now what's discussed in this book is the

625

00:23:47,870 --> 00:23:45,059

possibility that a magnetic pole shift

626
00:23:50,390 --> 00:23:47,880
of a massive variety would be the

627
00:23:52,549 --> 00:23:50,400
impetus for a cataclysmic event that

628
00:23:54,169 --> 00:23:52,559
basically destroys everything or resets

629
00:23:55,549 --> 00:23:54,179
human civilization

630
00:23:57,770 --> 00:23:55,559
and again as I already talked about

631
00:23:59,930 --> 00:23:57,780
there's also a different take on the

632
00:24:01,789 --> 00:23:59,940
Genesis story in this book suggesting

633
00:24:03,289 --> 00:24:01,799
that what was actually depicted or

634
00:24:05,510 --> 00:24:03,299
interpreted as the beginning of the

635
00:24:08,390 --> 00:24:05,520
world was actually just the beginning of

636
00:24:11,210 --> 00:24:08,400
the most recent reset prior to our time

637
00:24:13,490 --> 00:24:11,220
following the last cataclysm and again

638
00:24:15,830 --> 00:24:13,500

the notion here is that we're coming due

639

00:24:19,070 --> 00:24:15,840

for this cyclical cataclysm yet again

640

00:24:21,529 --> 00:24:19,080

and perhaps people suggest that this is

641

00:24:23,630 --> 00:24:21,539

something the CIA knows about and this

642

00:24:25,850 --> 00:24:23,640

is why this book was initially

643

00:24:28,789 --> 00:24:25,860

classified and then later published but

644

00:24:31,070 --> 00:24:28,799

only with a redacted version available

645

00:24:34,190 --> 00:24:31,080

now in terms of additional potentially

646

00:24:36,049 --> 00:24:34,200

corroborating evidence in this regard I

647

00:24:38,630 --> 00:24:36,059

remember Linda Moulton Howe talked about

648

00:24:41,810 --> 00:24:38,640

being contacted by someone supposedly in

649

00:24:45,409 --> 00:24:41,820

intelligent circles back around 2013 or

650

00:24:47,690 --> 00:24:45,419

so I believe and he said that the CIA or

651
00:24:49,909 --> 00:24:47,700
intelligence groups anyway were in

652
00:24:53,510 --> 00:24:49,919
knowledge of a coming cataclysm of some

653
00:24:55,430 --> 00:24:53,520
sort in the 2020s and that interestingly

654
00:24:56,990 --> 00:24:55,440
this lines up with what we've been

655
00:24:58,730 --> 00:24:57,000
talking about here in terms of these

656
00:25:00,890 --> 00:24:58,740
extra tempestules and what they're

657
00:25:03,230 --> 00:25:00,900
saying in terms of what experiencers are

658
00:25:05,930 --> 00:25:03,240
hearing even people like Chris Bledsoe

659
00:25:08,570 --> 00:25:05,940
have heard this timelines in the 2020s

660
00:25:10,549 --> 00:25:08,580
going into the 2030s this is a repeating

661
00:25:12,230 --> 00:25:10,559
theme quite often

662
00:25:14,690 --> 00:25:12,240
and by the way I'd like to point out

663
00:25:17,149 --> 00:25:14,700

that to Linda moultonhouse credit she

664

00:25:19,130 --> 00:25:17,159

suggested that if indeed we are the

665

00:25:21,529 --> 00:25:19,140

people that are here during this massive

666

00:25:23,750 --> 00:25:21,539

cataclysmic event that perhaps we

667

00:25:25,430 --> 00:25:23,760

planned this that we actually meant to

668

00:25:27,769 --> 00:25:25,440

be part of this reset that it's part of

669

00:25:29,990 --> 00:25:27,779

what we planned in terms of our sole

670

00:25:32,029 --> 00:25:30,000

Evolution that we're not just victims of

671

00:25:33,529 --> 00:25:32,039

circumstance and I think that's actually

672

00:25:35,870 --> 00:25:33,539

a really important way to look at this

673

00:25:38,450 --> 00:25:35,880

and I think there's much truth there and

674

00:25:40,250 --> 00:25:38,460

we'll touch on that a little bit later

675

00:25:42,470 --> 00:25:40,260

now in terms of other potentially

676

00:25:44,930 --> 00:25:42,480

corroborating sources that go beyond the

677

00:25:47,450 --> 00:25:44,940

UFO phenomenon I also mentioned Heather

678

00:25:50,269 --> 00:25:47,460

a hints in the geological record and in

679

00:25:51,649 --> 00:25:50,279

the archaeological record now often the

680

00:25:53,810 --> 00:25:51,659

mainstream doesn't want to talk about

681

00:25:55,730 --> 00:25:53,820

this the archaeological mainstream but

682

00:25:58,970 --> 00:25:55,740

Graham Hancock has done a lot of great

683

00:26:00,470 --> 00:25:58,980

work looking into ancient apocalypses in

684

00:26:03,169 --> 00:26:00,480

fact he has a new series on Netflix

685

00:26:05,409 --> 00:26:03,179

called that ancient apocalypse and he

686

00:26:08,450 --> 00:26:05,419

looks at evidence that previous

687

00:26:11,149 --> 00:26:08,460

sophisticated civilizations lived on the

688

00:26:12,529 --> 00:26:11,159

earth much earlier than the conventional

689

00:26:15,110 --> 00:26:12,539

mainstream is willing to acknowledge

690

00:26:17,870 --> 00:26:15,120

perhaps tens of thousands of years and

691

00:26:19,789 --> 00:26:17,880

he sees this record suggesting that

692

00:26:21,890 --> 00:26:19,799

perhaps these cataclysms happen

693

00:26:24,289 --> 00:26:21,900

somewhere between every 10 to 12 000

694

00:26:26,330 --> 00:26:24,299

years and based on when the last one was

695

00:26:28,970 --> 00:26:26,340

again that would suggest that we're

696

00:26:31,250 --> 00:26:28,980

coming due for this again soon so yet

697

00:26:33,649 --> 00:26:31,260

again we have another piece of evidence

698

00:26:36,230 --> 00:26:33,659

potentially suggesting this is the case

699

00:26:38,930 --> 00:26:36,240

lining up in terms of timelines

700

00:26:41,750 --> 00:26:38,940

And in regards to Hancock I mentioned

701
00:26:43,690 --> 00:26:41,760
how he's been frustrated by the

702
00:26:46,070 --> 00:26:43,700
mainstream and how they often tried to

703
00:26:47,690 --> 00:26:46,080
minimize his work and basically try to

704
00:26:49,669 --> 00:26:47,700
prevent people from being aware of his

705
00:26:52,070 --> 00:26:49,679
work and this is something that Graham

706
00:26:54,409 --> 00:26:52,080
Hancock recently said in this Regard in

707
00:26:56,990 --> 00:26:54,419
terms of the conventional archaeological

708
00:27:00,110 --> 00:26:57,000
mainstream trying to censor his new

709
00:27:02,390 --> 00:27:00,120
series on Netflix he said quote the

710
00:27:04,549 --> 00:27:02,400
society for American archeology issues

711
00:27:06,769 --> 00:27:04,559
an open letter calling for censorship of

712
00:27:08,930 --> 00:27:06,779
my Netflix docu-series ancient

713
00:27:10,850 --> 00:27:08,940

apocalypse but when asked to

714

00:27:13,310 --> 00:27:10,860

substantiate the claims made in the

715

00:27:14,510 --> 00:27:13,320

letter has quote unquote No Further

716

00:27:16,789 --> 00:27:14,520

comment

717

00:27:18,470 --> 00:27:16,799

so Hancock's frustration there and I

718

00:27:21,409 --> 00:27:18,480

tend to agree with him is that rather

719

00:27:23,690 --> 00:27:21,419

than presenting an argument why this

720

00:27:26,090 --> 00:27:23,700

series should be censored they're merely

721

00:27:27,470 --> 00:27:26,100

relying on their badges so to speak the

722

00:27:29,690 --> 00:27:27,480

fact that they are the archaeological

723

00:27:32,090 --> 00:27:29,700

mainstream and saying we're telling you

724

00:27:34,370 --> 00:27:32,100

this should be censors to just do it

725

00:27:36,289 --> 00:27:34,380

now what a lot of this comes down to is

726

00:27:37,850 --> 00:27:36,299

the sense that the only reason why

727

00:27:40,430 --> 00:27:37,860

there's this really clear sense of what

728

00:27:42,289 --> 00:27:40,440

happened in deep human history is that

729

00:27:44,450 --> 00:27:42,299

there's this consensus that's just been

730

00:27:46,730 --> 00:27:44,460

put forward as Truth by the

731

00:27:48,710 --> 00:27:46,740

archaeological mainstream but at best

732

00:27:50,450 --> 00:27:48,720

this is a soft science and you could

733

00:27:52,669 --> 00:27:50,460

even argue it's a pseudoscience there's

734

00:27:56,029 --> 00:27:52,679

a lot of subjective interpretation here

735

00:27:57,350 --> 00:27:56,039

a lot of assumption and what Hancock is

736

00:27:59,210 --> 00:27:57,360

really doing is coming with some

737

00:28:01,310 --> 00:27:59,220

different possibilities who's saying

738

00:28:02,570 --> 00:28:01,320

when we look at the evidence is there

739

00:28:04,490 --> 00:28:02,580

different possibilities that could

740

00:28:05,990 --> 00:28:04,500

present themselves here suggesting

741

00:28:08,149 --> 00:28:06,000

perhaps there were previous

742

00:28:10,070 --> 00:28:08,159

sophisticated civilizations that were

743

00:28:12,649 --> 00:28:10,080

not the first Kids on the Block so to

744

00:28:14,750 --> 00:28:12,659

speak and rather than fighting that with

745

00:28:16,669 --> 00:28:14,760

evidence backing up their claims that

746

00:28:17,930 --> 00:28:16,679

they should be censored they merely say

747

00:28:19,610 --> 00:28:17,940

listen where the archaeological

748

00:28:22,310 --> 00:28:19,620

mainstream you know what we're talking

749

00:28:25,130 --> 00:28:22,320

about so just do it so I really think

750

00:28:27,710 --> 00:28:25,140

Hancock has a good point here and 2R

751

00:28:29,630 --> 00:28:27,720

aimed today to talk about this notion of

752

00:28:31,970 --> 00:28:29,640

a cataclysm and perhaps even a cyclical

753

00:28:35,029 --> 00:28:31,980

cataclysm that is perhaps coming to A

754

00:28:36,409 --> 00:28:35,039

again soon again I think Hancock's done

755

00:28:37,970 --> 00:28:36,419

some great work looking at

756

00:28:39,830 --> 00:28:37,980

archaeological digs and whatnot

757

00:28:41,870 --> 00:28:39,840

suggesting that this has happened before

758

00:28:44,029 --> 00:28:41,880

and that based on the intervals in

759

00:28:46,610 --> 00:28:44,039

history it could very well be happening

760

00:28:48,289 --> 00:28:46,620

again soon

761

00:28:50,450 --> 00:28:48,299

and now I'd like to discuss what's known

762

00:28:52,850 --> 00:28:50,460

as the raw material or the raw contact

763

00:28:55,130 --> 00:28:52,860

material now first of all I just want to

764

00:28:56,810 --> 00:28:55,140

say I think this is great material I

765

00:28:59,630 --> 00:28:56,820

mentioned this on the most recent

766

00:29:01,669 --> 00:28:59,640

episode of liminal frames really I think

767

00:29:03,710 --> 00:29:01,679

this is the best Channel material we've

768

00:29:05,269 --> 00:29:03,720

ever come across I really am

769

00:29:07,070 --> 00:29:05,279

appreciative of the three people that

770

00:29:10,370 --> 00:29:07,080

were involved in this channel material

771

00:29:12,950 --> 00:29:10,380

in the early 1980s and I find that the

772

00:29:14,690 --> 00:29:12,960

messages provided seem very legitimate

773

00:29:16,370 --> 00:29:14,700

to me they also line up with deep

774

00:29:18,950 --> 00:29:16,380

spiritual principles from Eastern

775

00:29:20,870 --> 00:29:18,960

tradition and non-duality which I feel

776

00:29:22,850 --> 00:29:20,880

has been revealed to me as Central to

777

00:29:25,250 --> 00:29:22,860

reality and I'm certainly not the only

778

00:29:27,409 --> 00:29:25,260

one again there's a lot of common ground

779

00:29:29,029 --> 00:29:27,419

there so yeah just as an aside if you've

780

00:29:31,010 --> 00:29:29,039

not read the raw material I highly

781

00:29:33,049 --> 00:29:31,020

suggest you do it's pretty dense

782

00:29:35,930 --> 00:29:33,059

material but the underlying nuggets of

783

00:29:37,730 --> 00:29:35,940

Truth are pure gold and I will do a deep

784

00:29:39,169 --> 00:29:37,740

dive into the raw material at some time

785

00:29:41,029 --> 00:29:39,179

in the future

786

00:29:42,350 --> 00:29:41,039

now this is what I want to say about the

787

00:29:44,510 --> 00:29:42,360

raw material

788

00:29:46,669 --> 00:29:44,520

one key question that often goes

789

00:29:48,649 --> 00:29:46,679

overlooked in this matter of cataclysms

790

00:29:51,049 --> 00:29:48,659

and even more so in terms of cyclical

791

00:29:53,149 --> 00:29:51,059

cataclysms is whether these are merely

792

00:29:55,549 --> 00:29:53,159

natural events that follow the orbital

793

00:29:58,070 --> 00:29:55,559

patterns of objects in space or the

794

00:29:59,570 --> 00:29:58,080

magnetic meanderings of our planet or is

795

00:30:01,909 --> 00:29:59,580

it that they are connected to the

796

00:30:04,250 --> 00:30:01,919

seating or resetting of the planet by

797

00:30:06,169 --> 00:30:04,260

some overarching intelligence who

798

00:30:08,810 --> 00:30:06,179

perhaps uses these events as the

799

00:30:11,149 --> 00:30:08,820

mechanism by which Consciousness is

800

00:30:12,830 --> 00:30:11,159

reset so the focus here is on

801
00:30:15,110 --> 00:30:12,840
Consciousness not on these physical

802
00:30:17,570 --> 00:30:15,120
events that these are just a mechanism

803
00:30:19,850 --> 00:30:17,580
or the surface layer of what is actually

804
00:30:22,549 --> 00:30:19,860
a move in Consciousness I think this is

805
00:30:24,409 --> 00:30:22,559
key I keep returning to this and the raw

806
00:30:27,409 --> 00:30:24,419
material makes this front and center

807
00:30:28,850 --> 00:30:27,419
really important and in that regard I

808
00:30:31,190 --> 00:30:28,860
think it's important to point out that

809
00:30:33,169 --> 00:30:31,200
according to the raw material when these

810
00:30:35,570 --> 00:30:33,179
cataclysmic events do happen when these

811
00:30:37,789 --> 00:30:35,580
resetting events do happen it's not like

812
00:30:39,350 --> 00:30:37,799
everything just returns to zero that

813
00:30:40,730 --> 00:30:39,360

according to the physicalist model for

814

00:30:42,950 --> 00:30:40,740

instance when you're dead you're dead

815

00:30:45,470 --> 00:30:42,960

that's not the case that even even if

816

00:30:47,090 --> 00:30:45,480

the beings on the planet go through one

817

00:30:49,370 --> 00:30:47,100

of these cataclysms again let's

818

00:30:51,529 --> 00:30:49,380

underlyingly the case is it a

819

00:30:53,210 --> 00:30:51,539

metaphysical reset is happening or a

820

00:30:55,610 --> 00:30:53,220

metaphysical shift is perhaps a better

821

00:30:57,230 --> 00:30:55,620

way to describe it and the reset is just

822

00:30:59,570 --> 00:30:57,240

what it looks like on the physical level

823

00:31:02,029 --> 00:30:59,580

and what that means is according to the

824

00:31:03,710 --> 00:31:02,039

raw material depending on the level of

825

00:31:06,470 --> 00:31:03,720

consciousness of the various people on

826

00:31:08,810 --> 00:31:06,480

the planet they will be repopulated or

827

00:31:10,669 --> 00:31:08,820

reincarnated elsewhere perhaps on the

828

00:31:12,830 --> 00:31:10,679

planet if they're ready when the planet

829

00:31:14,330 --> 00:31:12,840

goes to 4D which is the actual

830

00:31:16,130 --> 00:31:14,340

expectation according to the raw

831

00:31:18,710 --> 00:31:16,140

material that again the entire planet

832

00:31:21,529 --> 00:31:18,720

goes to this dimensional shift and those

833

00:31:23,510 --> 00:31:21,539

who are ready go along with it others

834

00:31:25,490 --> 00:31:23,520

are repopulated elsewhere perhaps on

835

00:31:27,289 --> 00:31:25,500

other planets that are at a sort of 3D

836

00:31:30,049 --> 00:31:27,299

stage so you have this entire

837

00:31:32,750 --> 00:31:30,059

metaphysical architecture you could call

838

00:31:34,610 --> 00:31:32,760

it that underlies these physical events

839

00:31:37,130 --> 00:31:34,620

that are really only part of the story

840

00:31:39,289 --> 00:31:37,140

and you really misunderstand the main

841

00:31:41,389 --> 00:31:39,299

thrust of the story if you only pay

842

00:31:43,130 --> 00:31:41,399

attention to them which again is one of

843

00:31:44,870 --> 00:31:43,140

the implications versions of a

844

00:31:46,970 --> 00:31:44,880

physicalist mindset and I'm suggesting

845

00:31:48,950 --> 00:31:46,980

we get beyond that and we can look at

846

00:31:51,649 --> 00:31:48,960

something like a cataclysm and not look

847

00:31:53,630 --> 00:31:51,659

at it with fear and trembling and dismay

848

00:31:55,669 --> 00:31:53,640

because there's deeper things deeper

849

00:31:58,010 --> 00:31:55,679

moves in Consciousness going on

850

00:31:59,690 --> 00:31:58,020

underlyingly

851
00:32:01,549 --> 00:31:59,700
and now I'd like to leave you with a few

852
00:32:03,769 --> 00:32:01,559
concluding thoughts

853
00:32:06,049 --> 00:32:03,779
when we reflect on this notion of the

854
00:32:08,389 --> 00:32:06,059
possibility of a coming cataclysm it's

855
00:32:11,269 --> 00:32:08,399
important to keep a few things in mind

856
00:32:13,430 --> 00:32:11,279
number one achieving Clarity on exactly

857
00:32:15,769 --> 00:32:13,440
when this is going to happen if indeed

858
00:32:17,990 --> 00:32:15,779
it is going to take place is a tricky

859
00:32:20,149 --> 00:32:18,000
Endeavor not the least of which is

860
00:32:22,010 --> 00:32:20,159
because as I already stated numerous

861
00:32:24,470 --> 00:32:22,020
variables seem to be contributing to

862
00:32:27,049 --> 00:32:24,480
this so becoming too focused on this

863
00:32:28,850 --> 00:32:27,059

particular matter of when exactly this

864

00:32:30,529 --> 00:32:28,860

is going to happen is perhaps

865

00:32:33,289 --> 00:32:30,539

ill-advised

866

00:32:35,330 --> 00:32:33,299

number two according to much of the

867

00:32:37,190 --> 00:32:35,340

relevant experience for literature the

868

00:32:39,470 --> 00:32:37,200

overarching spiritual principles that

869

00:32:41,750 --> 00:32:39,480

underlie this event are more important

870

00:32:43,789 --> 00:32:41,760

than the event itself and these

871

00:32:45,710 --> 00:32:43,799

principles speak to Natural dimensional

872

00:32:47,330 --> 00:32:45,720

progressions that are part of the

873

00:32:49,250 --> 00:32:47,340

overarching plan

874

00:32:51,350 --> 00:32:49,260

in other words there are metaphysical

875

00:32:53,630 --> 00:32:51,360

principles seeking for the greater good

876

00:32:55,970 --> 00:32:53,640

that underlie any surface layer

877

00:32:58,430 --> 00:32:55,980

manifestation even surface layer

878

00:33:00,049 --> 00:32:58,440

manifestations that look negative by

879

00:33:02,990 --> 00:33:00,059

themselves

880

00:33:05,330 --> 00:33:03,000

number three even if these events are

881

00:33:07,310 --> 00:33:05,340

inevitable and even Skeptics to all of

882

00:33:09,649 --> 00:33:07,320

these matters will acknowledge that some

883

00:33:11,990 --> 00:33:09,659

kind of Earth or Cosmic cataclysm is

884

00:33:14,509 --> 00:33:12,000

indeed going to happen eventually it's

885

00:33:16,250 --> 00:33:14,519

just a matter of when not if we still

886

00:33:19,130 --> 00:33:16,260

have a key role to play in what

887

00:33:21,350 --> 00:33:19,140

ultimately happens to us based on our

888

00:33:23,570 --> 00:33:21,360

response to it our level of

889

00:33:26,269 --> 00:33:23,580

Consciousness both individually and

890

00:33:28,730 --> 00:33:26,279

collectively will play a role in quote

891

00:33:32,210 --> 00:33:28,740

unquote what comes next

892

00:33:33,950 --> 00:33:32,220

finally speaking of what comes next we

893

00:33:36,110 --> 00:33:33,960

should keep in mind amidst all of these

894

00:33:37,850 --> 00:33:36,120

matters that ultimately the spiritual

895

00:33:39,889 --> 00:33:37,860

principles outlined in the best

896

00:33:41,990 --> 00:33:39,899

experience for literature not to mention

897

00:33:44,509 --> 00:33:42,000

in the non-dual teachings of the world's

898

00:33:47,090 --> 00:33:44,519

deepest spiritual Traditions all point

899

00:33:49,070 --> 00:33:47,100

to the fact that ultimately we are

900

00:33:51,769 --> 00:33:49,080

Eternal beings experiencing a long line

901
00:33:54,049 --> 00:33:51,779
of temporary manifestations like this

902
00:33:56,269 --> 00:33:54,059
present Earthling one on our path

903
00:33:58,549 --> 00:33:56,279
towards ultimate Transcendence and

904
00:34:00,830 --> 00:33:58,559
reunion with Cosmic source

905
00:34:02,889 --> 00:34:00,840
and in that sense there really is

906
00:34:05,870 --> 00:34:02,899
nothing to fear from these local

907
00:34:07,789 --> 00:34:05,880
cataclysms they can do nothing to Rob us

908
00:34:10,070 --> 00:34:07,799
of what really matters for the

909
00:34:12,230 --> 00:34:10,080
metaphysical reality that undergirds the

910
00:34:14,750 --> 00:34:12,240
somewhat illusory nature of this

911
00:34:17,510 --> 00:34:14,760
space-time construct can never be

912
00:34:20,450 --> 00:34:17,520
destroyed for it was never created it

913
00:34:22,790 --> 00:34:20,460

just is and that being the case what

914

00:34:25,550 --> 00:34:22,800

this really comes down to is a question

915

00:34:27,290 --> 00:34:25,560

around how we respond to this and any

916

00:34:29,149 --> 00:34:27,300

other challenges or what the raw

917

00:34:31,129 --> 00:34:29,159

material would call Catalyst the

918

00:34:33,109 --> 00:34:31,139

resistance we train against in the

919

00:34:35,149 --> 00:34:33,119

growing of our individual souls and our

920

00:34:36,770 --> 00:34:35,159

shared Collective Consciousness that

921

00:34:39,409 --> 00:34:36,780

come our way

922

00:34:41,210 --> 00:34:39,419

a key element in finding peace with

923

00:34:42,829 --> 00:34:41,220

these and any other matters that are

924

00:34:45,409 --> 00:34:42,839

concerning within this particular

925

00:34:47,810 --> 00:34:45,419

manifestation is to learn to toggle

926
00:34:50,270 --> 00:34:47,820
between the relative and absolute

927
00:34:52,730 --> 00:34:50,280
aspects of reality

928
00:34:54,290 --> 00:34:52,740
by keeping in mind the absolute the

929
00:34:56,109 --> 00:34:54,300
aspects that are Eternal and

930
00:34:58,790 --> 00:34:56,119
indestructible and ultimately

931
00:35:01,010 --> 00:34:58,800
indivisible were able to not only

932
00:35:03,650 --> 00:35:01,020
navigate the relative aspects that make

933
00:35:06,109 --> 00:35:03,660
up our local space-time experience with

934
00:35:07,790 --> 00:35:06,119
Grace and strength but also with this

935
00:35:09,829 --> 00:35:07,800
overarching knowledge that whatever

936
00:35:12,530 --> 00:35:09,839
lessons we learn in these temporary

937
00:35:14,930 --> 00:35:12,540
manifestations are the very lessons that

938
00:35:17,150 --> 00:35:14,940

we get to take with us in terms of the

939

00:35:20,089 --> 00:35:17,160

deep abiding wisdom that is passed on

940

00:35:23,030 --> 00:35:20,099

from one lifetime to the next and also

941

00:35:25,370 --> 00:35:23,040

contribute back to Cosmic source as part

942

00:35:29,870 --> 00:35:25,380

of the overarching evolution of the

943

00:35:34,730 --> 00:35:32,390

and on that note we've come to the close

944

00:35:37,069 --> 00:35:34,740

of another edition of the point of

945

00:35:39,109 --> 00:35:37,079

convergence podcast if you'd like to

946

00:35:43,730 --> 00:35:39,119

support this podcast you can do so by

947

00:35:45,890 --> 00:35:43,740

going to patreon.com EXO academian

948

00:35:47,870 --> 00:35:45,900

but until next time friends from deep

949

00:35:51,109 --> 00:35:47,880

within the Blue Ridge Mountains of North
