

1  
00:00:06,920 --> 00:00:05,250

[Music]

2  
00:00:13,200 --> 00:00:06,930

[Laughter]

3  
00:00:13,210 --> 00:00:21,310

[Music]

4  
00:00:26,870 --> 00:00:23,510

welcome back to another episode of

5  
00:00:28,910 --> 00:00:26,880

liminal frames I'm Nathan and I'm joined

6  
00:00:32,530 --> 00:00:28,920

by my friend and co-host Darren EXO

7  
00:00:35,990 --> 00:00:32,540

academian this is the last show of 2022

8  
00:00:38,450 --> 00:00:36,000

we hope that wherever you may be you're

9  
00:00:42,490 --> 00:00:38,460

having a wonderful end of the year and

10  
00:00:46,369 --> 00:00:42,500

looking forward to a happy and healthy

11  
00:00:48,170 --> 00:00:46,379

2023. Darren uh as is often the case

12  
00:00:50,810 --> 00:00:48,180

when you get to the end of a year you

13  
00:00:53,510 --> 00:00:50,820

start looking back and taking stock of

14

00:00:56,209 --> 00:00:53,520

what happened in the last 12 months and

15

00:00:58,970 --> 00:00:56,219

and then also you look ahead to what

16

00:00:59,990 --> 00:00:58,980

might be coming down the road and I

17

00:01:01,790 --> 00:01:00,000

think we're going to do a little bit of

18

00:01:03,709 --> 00:01:01,800

that on this show it's going to be a

19

00:01:05,810 --> 00:01:03,719

little bit of a free form uh maybe more

20

00:01:06,890 --> 00:01:05,820

so than what we normally do but I think

21

00:01:09,410 --> 00:01:06,900

we're going to have a good time with it

22

00:01:11,149 --> 00:01:09,420

but uh how you been and um what are you

23

00:01:13,850 --> 00:01:11,159

looking forward to

24

00:01:15,350 --> 00:01:13,860

well I mean I've been good but it's been

25

00:01:17,690 --> 00:01:15,360

you know when I reflect on this year

26  
00:01:20,210 --> 00:01:17,700  
it's there's been more change this year

27  
00:01:21,350 --> 00:01:20,220  
this past year than almost any year in

28  
00:01:22,969 --> 00:01:21,360  
my life I think and there's been

29  
00:01:24,230 --> 00:01:22,979  
previous years where I've said that but

30  
00:01:28,249 --> 00:01:24,240  
I really think that's true this year

31  
00:01:30,350 --> 00:01:28,259  
almost nothing uh that was the case when

32  
00:01:33,730 --> 00:01:30,360  
the year began is the case anymore in a

33  
00:01:35,929 --> 00:01:33,740  
lot of ways um so that is kind of

34  
00:01:38,090 --> 00:01:35,939  
discombobulating to use a point of

35  
00:01:39,950 --> 00:01:38,100  
convergence favorite term

36  
00:01:43,490 --> 00:01:39,960  
um but at the same time I feel like I'm

37  
00:01:45,350 --> 00:01:43,500  
slowly getting more accustomed to

38  
00:01:47,270 --> 00:01:45,360

um being familiar and comfortable with

39

00:01:49,670 --> 00:01:47,280

change you know I like this expression

40

00:01:51,830 --> 00:01:49,680

you know learning to become comfortable

41

00:01:54,170 --> 00:01:51,840

with uncomfotability

42

00:01:55,730 --> 00:01:54,180

um is is helpful and like I we talked

43

00:01:58,249 --> 00:01:55,740

about in uh the last episode you know

44

00:01:59,990 --> 00:01:58,259

when you can go through life without too

45

00:02:02,870 --> 00:02:00,000

much attachment to certain preferences

46

00:02:06,109 --> 00:02:02,880

uh you just reduce your own suffering so

47

00:02:07,670 --> 00:02:06,119

I feel like I'm slowly getting better at

48

00:02:09,830 --> 00:02:07,680

um just rolling out with when rolling

49

00:02:12,890 --> 00:02:09,840

with it when change happens so

50

00:02:14,869 --> 00:02:12,900

been a massively uh impacting year so

51  
00:02:17,750 --> 00:02:14,879  
many changes and I can't imagine the

52  
00:02:19,130 --> 00:02:17,760  
2023 will have quite the same but you

53  
00:02:22,010 --> 00:02:19,140  
know we'll see we'll see what happens

54  
00:02:25,369 --> 00:02:22,020  
but I'm definitely looking forward to it

55  
00:02:27,949 --> 00:02:25,379  
absolutely I I mean uh it's been a wild

56  
00:02:30,110 --> 00:02:27,959  
year for our show I want to say that

57  
00:02:32,570 --> 00:02:30,120  
um you know for folks who haven't been

58  
00:02:33,589 --> 00:02:32,580  
with us from the beginning

59  
00:02:35,449 --> 00:02:33,599  
um

60  
00:02:38,210 --> 00:02:35,459  
we kind of had some planning sessions

61  
00:02:40,790 --> 00:02:38,220  
about 12 months ago and started started

62  
00:02:44,210 --> 00:02:40,800  
the show in early 2022

63  
00:02:46,250 --> 00:02:44,220

and um it's been an interesting Journey

64

00:02:48,530 --> 00:02:46,260

there not only with where the show has

65

00:02:50,210 --> 00:02:48,540

gone but I'm reflecting back too on this

66

00:02:51,650 --> 00:02:50,220

on the many many times that we have met

67

00:02:53,449 --> 00:02:51,660

in person and and what you've been

68

00:02:55,130 --> 00:02:53,459

sharing with me and

69

00:02:57,589 --> 00:02:55,140

um kind of plans that you had for the

70

00:03:00,589 --> 00:02:57,599

year that changed Direction

71

00:03:03,290 --> 00:03:00,599

um a couple of times it's um

72

00:03:05,150 --> 00:03:03,300

it's been it feels like we had class has

73

00:03:07,610 --> 00:03:05,160

been in session you know for for me

74

00:03:10,430 --> 00:03:07,620

anyway I've had to learn a lot I had to

75

00:03:12,649 --> 00:03:10,440

put a lot of things into practice I'm

76

00:03:15,710 --> 00:03:12,659

finding that the more that we talk about

77

00:03:18,250 --> 00:03:15,720

this uh topic the more that we get

78

00:03:22,070 --> 00:03:18,260

deeper into I think what really matters

79

00:03:26,390 --> 00:03:22,080

at the heart of this issue uh the more

80

00:03:28,990 --> 00:03:26,400

that confronts me with parts of my own

81

00:03:32,809 --> 00:03:29,000

life that I need to examine re-examine

82

00:03:36,890 --> 00:03:32,819

it reframes the way that I approach

83

00:03:40,369 --> 00:03:36,900

situations not only in the UFO Community

84

00:03:41,890 --> 00:03:40,379

but also just interpersonally and um you

85

00:03:44,809 --> 00:03:41,900

know I'm very grateful for that change

86

00:03:47,509 --> 00:03:44,819

it's not come without you know some

87

00:03:48,710 --> 00:03:47,519

level of discomfort uh there are

88

00:03:51,470 --> 00:03:48,720

definitely moments where I don't think I

89

00:03:54,530 --> 00:03:51,480

get it right or I have to you know kind

90

00:03:56,509 --> 00:03:54,540

of change direction but I have found

91

00:03:58,789 --> 00:03:56,519

that I at least for me personally I've

92

00:04:00,770 --> 00:03:58,799

got some new Tools in my toolkit to be

93

00:04:03,410 --> 00:04:00,780

able to approach things that are

94

00:04:06,470 --> 00:04:03,420

happening in the world and that has made

95

00:04:08,509 --> 00:04:06,480

me a better person so I'm grateful for

96

00:04:10,130 --> 00:04:08,519

that and I hope that's all our listeners

97

00:04:12,369 --> 00:04:10,140

have been able to kind of take away some

98

00:04:16,009 --> 00:04:12,379

things from our show that have

99

00:04:19,069 --> 00:04:16,019

deepened their relationship with this

100

00:04:21,110 --> 00:04:19,079

journey that have given them some new

101  
00:04:24,170 --> 00:04:21,120  
questions that have you know hopefully

102  
00:04:26,629 --> 00:04:24,180  
maybe catalyzed some conversation and

103  
00:04:28,129 --> 00:04:26,639  
started them on some new Journeys and I

104  
00:04:29,930 --> 00:04:28,139  
know we've got some some exciting

105  
00:04:32,330 --> 00:04:29,940  
Journeys ahead as well I mean they're

106  
00:04:34,850 --> 00:04:32,340  
they're inevitably going to be some

107  
00:04:37,310 --> 00:04:34,860  
I think some pretty big Revelations that

108  
00:04:39,290 --> 00:04:37,320  
are coming down the pipeline

109  
00:04:41,330 --> 00:04:39,300  
some of which we can speculate on in the

110  
00:04:43,370 --> 00:04:41,340  
show today some of which will probably

111  
00:04:45,770 --> 00:04:43,380  
be all surprised to hear I mean that

112  
00:04:48,890 --> 00:04:45,780  
will be a you know kind of a fun

113  
00:04:50,390 --> 00:04:48,900

part of the the journey as well so um

114

00:04:51,950 --> 00:04:50,400

you know with all that being said I mean

115

00:04:53,689 --> 00:04:51,960

what's something that you might want to

116

00:04:55,189 --> 00:04:53,699

start with on our on our show today what

117

00:04:56,450 --> 00:04:55,199

would you like to kind of tackle maybe

118

00:04:58,790 --> 00:04:56,460

it's something we've talked about before

119

00:05:00,710 --> 00:04:58,800

but kind of revisiting

120

00:05:02,330 --> 00:05:00,720

well before we go there I just want to

121

00:05:04,010 --> 00:05:02,340

say in light of what you just shared

122

00:05:07,550 --> 00:05:04,020

that I think that's a really important

123

00:05:09,409 --> 00:05:07,560

point that we didn't design this show

124

00:05:11,090 --> 00:05:09,419

now the not that we really like spent

125

00:05:13,670 --> 00:05:11,100

you know months and months planning it

126

00:05:16,310 --> 00:05:13,680

but when we planned it I think we're

127

00:05:17,870 --> 00:05:16,320

both wired in such a way that we we just

128

00:05:20,570 --> 00:05:17,880

want to grow right like it's just a

129

00:05:22,550 --> 00:05:20,580

natural inclination and so what I would

130

00:05:24,650 --> 00:05:22,560

say to people is if you're you know

131

00:05:26,090 --> 00:05:24,660

if this is if this a different show is

132

00:05:28,070 --> 00:05:26,100

your cup of tea where it's kind of more

133

00:05:30,110 --> 00:05:28,080

like euphotainment and it's just sort of

134

00:05:31,790 --> 00:05:30,120

like you know the same stuff year after

135

00:05:33,650 --> 00:05:31,800

year after year I understand that can

136

00:05:35,810 --> 00:05:33,660

occupy people's time and kind of tickle

137

00:05:37,610 --> 00:05:35,820

their fancy but I think the way you and

138

00:05:40,610 --> 00:05:37,620

you and I are wired

139

00:05:42,409 --> 00:05:40,620

um is to grow and to take in information

140

00:05:44,810 --> 00:05:42,419

and try to do something with it like how

141

00:05:46,550 --> 00:05:44,820

does it change our perspective and the

142

00:05:48,170 --> 00:05:46,560

show is a natural

143

00:05:50,689 --> 00:05:48,180

um you know is the fruit of that in many

144

00:05:52,189 --> 00:05:50,699

ways so uh it's not like we plan hey

145

00:05:53,749 --> 00:05:52,199

halfway through the year let's go more

146

00:05:55,730 --> 00:05:53,759

spiritual you know something like that

147

00:05:57,050 --> 00:05:55,740

that's just kind of what happened uh

148

00:05:58,610 --> 00:05:57,060

because that's what what's going on in

149

00:06:00,170 --> 00:05:58,620

our lives so

150

00:06:01,150 --> 00:06:00,180

um that part's exciting because I would

151  
00:06:03,469 --> 00:06:01,160  
say that

152  
00:06:05,270 --> 00:06:03,479  
equally the case that we don't really

153  
00:06:06,950 --> 00:06:05,280  
know what 2023 is going to bring because

154  
00:06:09,110 --> 00:06:06,960  
uh we certainly couldn't have predicted

155  
00:06:11,510 --> 00:06:09,120  
2022

156  
00:06:13,370 --> 00:06:11,520  
um in terms of what we can begin on I

157  
00:06:15,110 --> 00:06:13,380  
think you know just before we went on

158  
00:06:15,770 --> 00:06:15,120  
the air we were talking about

159  
00:06:19,790 --> 00:06:15,780  
um

160  
00:06:22,309 --> 00:06:19,800  
b I uh on Theory of Everything Jeremy

161  
00:06:24,110 --> 00:06:22,319  
Corbell and George Knapp were talking uh

162  
00:06:26,629 --> 00:06:24,120  
just about some of the things coming

163  
00:06:28,189 --> 00:06:26,639

down the pipeline and even though you

164

00:06:29,930 --> 00:06:28,199

know it's stuff that you and I and

165

00:06:32,930 --> 00:06:29,940

people you know intimately familiar with

166

00:06:34,370 --> 00:06:32,940

this topic have heard before uh I still

167

00:06:36,350 --> 00:06:34,380

think sometimes when you hear it with

168

00:06:39,170 --> 00:06:36,360

fresh ears and you just say you know if

169

00:06:41,150 --> 00:06:39,180

my if my you know Aunt heard this or my

170

00:06:42,770 --> 00:06:41,160

cousin or you know my co-worker heard

171

00:06:45,290 --> 00:06:42,780

this what would it do like that we're

172

00:06:47,689 --> 00:06:45,300

actually using these kind of words you

173

00:06:49,490 --> 00:06:47,699

know and and I'll get to in a minute but

174

00:06:53,510 --> 00:06:49,500

I was just thinking how George Knapp

175

00:06:55,430 --> 00:06:53,520

talked about uh breaking this story with

176

00:06:57,230 --> 00:06:55,440

um Bob Lazar back in the day right and

177

00:06:59,809 --> 00:06:57,240

how people just even within ufology

178

00:07:02,390 --> 00:06:59,819

thought it was crazy this notion that

179

00:07:04,070 --> 00:07:02,400

someone would be employed by the federal

180

00:07:07,550 --> 00:07:04,080

government or some branch of the

181

00:07:10,430 --> 00:07:07,560

military or some private contractor uh

182

00:07:13,070 --> 00:07:10,440

on contract with the military to try to

183

00:07:15,110 --> 00:07:13,080

figure out some off-planet vehicle that

184

00:07:18,770 --> 00:07:15,120

had been recovered right and yet that's

185

00:07:20,570 --> 00:07:18,780

exactly what's on the table and in the

186

00:07:22,070 --> 00:07:20,580

conversation today George Knapp talked

187

00:07:24,170 --> 00:07:22,080

about not only the idea of

188

00:07:25,189 --> 00:07:24,180

whistleblowers going before the

189

00:07:28,670 --> 00:07:25,199

Congressional committee and giving

190

00:07:31,490 --> 00:07:28,680

testimony but that already some of the

191

00:07:33,110 --> 00:07:31,500

shift in focus and some of the

192

00:07:35,990 --> 00:07:33,120

mechanisms have been put in place with

193

00:07:38,570 --> 00:07:36,000

the language and whatnot uh with the

194

00:07:41,770 --> 00:07:38,580

task force have allowed them to actually

195

00:07:44,870 --> 00:07:41,780

figure out where the hardware is is what

196

00:07:46,249 --> 00:07:44,880

Jeremy actually said that that they've

197

00:07:48,290 --> 00:07:46,259

actually not it's no longer just a

198

00:07:50,689 --> 00:07:48,300

hypothetical right that maybe somewhere

199

00:07:51,710 --> 00:07:50,699

in some deep you know facility somewhere

200

00:07:54,050 --> 00:07:51,720

but they're saying they've actually

201  
00:07:55,570 --> 00:07:54,060  
located it I assume they mean the

202  
00:07:59,330 --> 00:07:55,580  
Congressional members that are involved

203  
00:08:00,830 --> 00:07:59,340  
have actually received Intel about where

204  
00:08:02,809 --> 00:08:00,840  
some of this stuff is and then he went

205  
00:08:05,029 --> 00:08:02,819  
on to say also like you know there's a

206  
00:08:06,950 --> 00:08:05,039  
this expression we use you know where

207  
00:08:09,290 --> 00:08:06,960  
the bodies are hidden right and in this

208  
00:08:10,909 --> 00:08:09,300  
case it's literally like gray alien

209  
00:08:12,290 --> 00:08:10,919  
bodies or something like that or is it

210  
00:08:14,990 --> 00:08:12,300  
future humans you know these are the

211  
00:08:16,790 --> 00:08:15,000  
kind of questions we have uh that we can

212  
00:08:17,570 --> 00:08:16,800  
maybe sort of start there so what do you

213  
00:08:19,790 --> 00:08:17,580

think

214

00:08:22,909 --> 00:08:19,800

yeah that's a that's a good jumping off

215

00:08:25,070 --> 00:08:22,919

point because uh in many respects

216

00:08:28,550 --> 00:08:25,080

you know we're talking about two

217

00:08:30,650 --> 00:08:28,560

figures there who have been responsible

218

00:08:33,949 --> 00:08:30,660

and in some large part

219

00:08:37,130 --> 00:08:33,959

to where we are now and and the

220

00:08:40,969 --> 00:08:37,140

the stories that they have told uh that

221

00:08:44,209 --> 00:08:40,979

in you know George with Bob Lazar and or

222

00:08:47,449 --> 00:08:44,219

Skinwalker Ranch and his many decades of

223

00:08:49,430 --> 00:08:47,459

reporting on this topic and Jeremy with

224

00:08:50,930 --> 00:08:49,440

his documentaries and you know kind of

225

00:08:54,550 --> 00:08:50,940

more of his activism

226

00:08:56,750 --> 00:08:54,560

you know that kind of allows us to

227

00:09:00,290 --> 00:08:56,760

revisit some of the

228

00:09:03,050 --> 00:09:00,300

core components of this issue right so I

229

00:09:06,590 --> 00:09:03,060

think it's it's it's a it's the on-ramp

230

00:09:09,170 --> 00:09:06,600

to for those who is I think of it this

231

00:09:11,090 --> 00:09:09,180

way right they're going to be people as

232

00:09:12,470 --> 00:09:11,100

there always are right I just remind

233

00:09:14,570 --> 00:09:12,480

myself of this too because I'm kind of

234

00:09:16,370 --> 00:09:14,580

so into this topic so often every day

235

00:09:18,170 --> 00:09:16,380

that I kind of forget that there are

236

00:09:20,449 --> 00:09:18,180

people coming on board

237

00:09:22,009 --> 00:09:20,459

every week like there are people who are

238

00:09:23,690 --> 00:09:22,019

coming new they're brand new to the

239

00:09:25,490 --> 00:09:23,700

topic they just stumbled across whatever

240

00:09:27,170 --> 00:09:25,500

and they're

241

00:09:28,310 --> 00:09:27,180

they can't they're insatiable they can't

242

00:09:31,130 --> 00:09:28,320

get enough and they're just they're

243

00:09:33,410 --> 00:09:31,140

starting with generally you know oh that

244

00:09:35,090 --> 00:09:33,420

you know maybe maybe these ETS are here

245

00:09:36,350 --> 00:09:35,100

maybe their craft have been here maybe

246

00:09:38,150 --> 00:09:36,360

Roswell was real you know they're

247

00:09:39,410 --> 00:09:38,160

starting with these things

248

00:09:41,449 --> 00:09:39,420

and so

249

00:09:42,949 --> 00:09:41,459

um remind myself that that's happening

250

00:09:44,630 --> 00:09:42,959

and that's gonna happen again you know

251  
00:09:46,790 --> 00:09:44,640  
if we get the kind of things that we're

252  
00:09:48,110 --> 00:09:46,800  
hearing from from George and Jeremy

253  
00:09:49,130 --> 00:09:48,120  
we're going to see that stuff come to

254  
00:09:50,930 --> 00:09:49,140  
fruition

255  
00:09:51,949 --> 00:09:50,940  
then we're gonna have a whole bunch of

256  
00:09:53,690 --> 00:09:51,959  
new folks that are going to be

257  
00:09:55,550 --> 00:09:53,700  
interested in this

258  
00:09:56,750 --> 00:09:55,560  
um in ways that that we haven't seen

259  
00:09:59,810 --> 00:09:56,760  
before

260  
00:10:02,990 --> 00:09:59,820  
um particularly if we can get some some

261  
00:10:05,930 --> 00:10:03,000  
hard juicy substantial reporting from

262  
00:10:10,009 --> 00:10:05,940  
Congress uh on their own interest and

263  
00:10:12,170 --> 00:10:10,019

and traction with this topic so

264

00:10:14,690 --> 00:10:12,180

um you know for me I think it might be

265

00:10:16,449 --> 00:10:14,700

good to kind of take a look at what you

266

00:10:19,850 --> 00:10:16,459

know what were some of the core claims

267

00:10:22,310 --> 00:10:19,860

of early apology and

268

00:10:25,190 --> 00:10:22,320

um you know what what parts of the those

269

00:10:28,370 --> 00:10:25,200

claims do you hold to be still

270

00:10:30,829 --> 00:10:28,380

significantly true and meaningful now

271

00:10:32,690 --> 00:10:30,839

um and what ways and what are the ways

272

00:10:35,090 --> 00:10:32,700

in which you look at those kind of core

273

00:10:37,190 --> 00:10:35,100

claims differently than you may have

274

00:10:38,630 --> 00:10:37,200

looked at them from when you started on

275

00:10:40,190 --> 00:10:38,640

this journey

276

00:10:42,590 --> 00:10:40,200

um so you know one we could take a look

277

00:10:46,009 --> 00:10:42,600

at might just be you know they're here

278

00:10:49,069 --> 00:10:46,019

right so uh there was a purported crash

279

00:10:51,050 --> 00:10:49,079

that took place in the 40s the most

280

00:10:52,670 --> 00:10:51,060

notable being Roswell

281

00:10:55,550 --> 00:10:52,680

of course we've certainly heard of

282

00:10:58,910 --> 00:10:55,560

others that have predated that that

283

00:11:01,550 --> 00:10:58,920

there were bodies recovered and and the

284

00:11:03,949 --> 00:11:01,560

prevailing hypothesis was you know these

285

00:11:06,829 --> 00:11:03,959

were beings from another

286

00:11:09,170 --> 00:11:06,839

Planet not from Earth right

287

00:11:11,750 --> 00:11:09,180

um and the government squirreled away

288

00:11:13,130 --> 00:11:11,760

that material and those bodies and and

289

00:11:14,990 --> 00:11:13,140

have been studying it trying to figure

290

00:11:18,350 --> 00:11:15,000

out whatever it happens to be and also

291

00:11:21,949 --> 00:11:18,360

that spawned the conspiracy of secrecy

292

00:11:25,250 --> 00:11:21,959

right the uh that keeping a tight lid on

293

00:11:28,250 --> 00:11:25,260

this topic some have said more more

294

00:11:32,090 --> 00:11:28,260

secret than the bomb you know the h-bomb

295

00:11:34,430 --> 00:11:32,100

so uh we could start there and you know

296

00:11:35,810 --> 00:11:34,440

what do you think about that now and and

297

00:11:37,009 --> 00:11:35,820

what did you well let's start with what

298

00:11:39,889 --> 00:11:37,019

you thought about it you know initially

299

00:11:42,470 --> 00:11:39,899

and what do you think about it now

300

00:11:44,690 --> 00:11:42,480

well it's interesting kind of turning

301  
00:11:46,210 --> 00:11:44,700  
the tables here because last time we

302  
00:11:49,610 --> 00:11:46,220  
talked about the difference between

303  
00:11:51,590 --> 00:11:49,620  
experimenter kind of concerns versus you

304  
00:11:53,329 --> 00:11:51,600  
know the general public and so we're

305  
00:11:55,190 --> 00:11:53,339  
kind of steering back towards the left

306  
00:11:56,810 --> 00:11:55,200  
here and saying let's talk about the

307  
00:11:58,370 --> 00:11:56,820  
public conversation and how that changed

308  
00:11:59,569 --> 00:11:58,380  
over time

309  
00:12:03,290 --> 00:11:59,579  
um

310  
00:12:06,710 --> 00:12:03,300  
yeah so going back to the beginning

311  
00:12:10,069 --> 00:12:06,720  
I was reading a book by Stanton Friedman

312  
00:12:12,470 --> 00:12:10,079  
recently and just sort of retracing his

313  
00:12:15,050 --> 00:12:12,480

steps in the 20th century you know

314

00:12:16,730 --> 00:12:15,060

trying to figure out what's going on

315

00:12:19,069 --> 00:12:16,740

um you know what kind of groups are

316

00:12:21,590 --> 00:12:19,079

studying this

317

00:12:23,150 --> 00:12:21,600

is Majestic 12 a real thing things like

318

00:12:26,030 --> 00:12:23,160

that right and uh

319

00:12:27,410 --> 00:12:26,040

more recently uh James iandoli our

320

00:12:28,970 --> 00:12:27,420

friend was talking with George Knapp

321

00:12:30,710 --> 00:12:28,980

about whether zodiac is a real thing

322

00:12:32,810 --> 00:12:30,720

right is that an organization is that a

323

00:12:34,490 --> 00:12:32,820

code word for a Loosely organized group

324

00:12:36,530 --> 00:12:34,500

we hear about groups like The Collins

325

00:12:38,269 --> 00:12:36,540

Elite which is also you know or the

326

00:12:40,310 --> 00:12:38,279

invisible College all these sort of

327

00:12:42,350 --> 00:12:40,320

Infamous groups right

328

00:12:44,990 --> 00:12:42,360

studying this topic sort of behind the

329

00:12:47,449 --> 00:12:45,000

scenes because like you say it was so

330

00:12:48,949 --> 00:12:47,459

carefully guarded you know and and I

331

00:12:50,329 --> 00:12:48,959

think actually if I'm unless I'm

332

00:12:51,710 --> 00:12:50,339

mistaken the name of that book that I

333

00:12:53,690 --> 00:12:51,720

was reading is actually called Above Top

334

00:12:56,210 --> 00:12:53,700

Secret referring to what you were saying

335

00:12:58,790 --> 00:12:56,220

with the age ball right that there and I

336

00:13:00,650 --> 00:12:58,800

think that kind of puts uh Paints the

337

00:13:04,129 --> 00:13:00,660

picture for people right it helps frame

338

00:13:06,110 --> 00:13:04,139

it that we know how top secret the

339

00:13:08,269 --> 00:13:06,120

h-bomb development was right that in

340

00:13:10,310 --> 00:13:08,279

many ways if uh the powers that be felt

341

00:13:12,110 --> 00:13:10,320

like the future of civilization it was a

342

00:13:15,590 --> 00:13:12,120

clash of civilizations right the Soviet

343

00:13:17,569 --> 00:13:15,600

powers and The Westerns and

344

00:13:20,090 --> 00:13:17,579

um and to imagine that something was on

345

00:13:21,769 --> 00:13:20,100

a higher degree than that right uh is is

346

00:13:24,350 --> 00:13:21,779

pretty interesting

347

00:13:26,990 --> 00:13:24,360

which of course begs the question what

348

00:13:28,670 --> 00:13:27,000

was the nature of the revelations that

349

00:13:30,889 --> 00:13:28,680

required to be

350

00:13:33,170 --> 00:13:30,899

at such a high level of secrecy right is

351  
00:13:35,990 --> 00:13:33,180  
it I've heard some people suggest and I

352  
00:13:38,509 --> 00:13:36,000  
I can come across either way this way

353  
00:13:40,370 --> 00:13:38,519  
suggest that if it was just space aliens

354  
00:13:42,590 --> 00:13:40,380  
they don't think it would you know

355  
00:13:44,569 --> 00:13:42,600  
involve this much secrecy and that's why

356  
00:13:46,310 --> 00:13:44,579  
there's been this question around could

357  
00:13:48,230 --> 00:13:46,320  
it be the DNA link that we talked about

358  
00:13:49,670 --> 00:13:48,240  
last time is that the part that people

359  
00:13:52,490 --> 00:13:49,680  
just felt like there's no way the

360  
00:13:53,389 --> 00:13:52,500  
general public can handle that you know

361  
00:13:55,490 --> 00:13:53,399  
um

362  
00:13:58,250 --> 00:13:55,500  
but I know for me like we've talked many

363  
00:13:59,990 --> 00:13:58,260

times about this and and when we again

364

00:14:01,670 --> 00:14:00,000

think about reflecting over the last

365

00:14:03,530 --> 00:14:01,680

year

366

00:14:05,269 --> 00:14:03,540

I think both of us since we first got

367

00:14:07,190 --> 00:14:05,279

into this topic

368

00:14:08,449 --> 00:14:07,200

have moved more towards conspiracy

369

00:14:11,870 --> 00:14:08,459

thinking and I don't mean in terms of

370

00:14:14,030 --> 00:14:11,880

just crazy uh schemes that are not

371

00:14:15,650 --> 00:14:14,040

supported by evidence but actually the

372

00:14:17,509 --> 00:14:15,660

contrary that when you actually start

373

00:14:18,889 --> 00:14:17,519

digging you find things that are kind of

374

00:14:21,350 --> 00:14:18,899

contrary to what you would prefer to

375

00:14:24,590 --> 00:14:21,360

believe it no one wants to believe that

376

00:14:27,710 --> 00:14:24,600

their government could be this deceitful

377

00:14:30,530 --> 00:14:27,720

and have this level of false narrative

378

00:14:32,210 --> 00:14:30,540

being presented to the public and that's

379

00:14:33,410 --> 00:14:32,220

kind of where you land so I think for me

380

00:14:36,470 --> 00:14:33,420

that's been

381

00:14:38,210 --> 00:14:36,480

the biggest shift is is that I started

382

00:14:40,310 --> 00:14:38,220

down a rabbit hole but how deep I went

383

00:14:43,189 --> 00:14:40,320

and how many side tunnels that opened up

384

00:14:46,069 --> 00:14:43,199

I was really not prepared for yeah

385

00:14:50,030 --> 00:14:46,079

yeah that's uh perhaps a cautionary Tale

386

00:14:51,829 --> 00:14:50,040

in some ways right so I think um you

387

00:14:55,129 --> 00:14:51,839

know keep in mind there's no road map

388

00:14:57,710 --> 00:14:55,139

here there's no uh you know coursework

389

00:15:01,430 --> 00:14:57,720

syllabus we can give you that it's gonna

390

00:15:05,329 --> 00:15:01,440

take you on the right quote-unquote path

391

00:15:08,810 --> 00:15:05,339

of of Discovery here and and also

392

00:15:12,410 --> 00:15:08,820

recognizing that your connection to this

393

00:15:14,629 --> 00:15:12,420

topic is is very much situated in who

394

00:15:17,090 --> 00:15:14,639

you are you know so if you've had an

395

00:15:18,769 --> 00:15:17,100

actual experience uh you have a friend

396

00:15:20,990 --> 00:15:18,779

who's having experience and you believe

397

00:15:22,610 --> 00:15:21,000

them that changes the way that you

398

00:15:26,509 --> 00:15:22,620

approach this if you haven't had an

399

00:15:30,590 --> 00:15:26,519

experience uh and yet you find

400

00:15:33,110 --> 00:15:30,600

some of the witness testimony uh the uh

401  
00:15:35,629 --> 00:15:33,120  
the evidence that we've seen from

402  
00:15:38,210 --> 00:15:35,639  
various places we find that compelling

403  
00:15:40,610 --> 00:15:38,220  
then you're coming at it from a very

404  
00:15:42,230 --> 00:15:40,620  
different angle and you're you know

405  
00:15:44,150 --> 00:15:42,240  
maybe looking at it from a national

406  
00:15:46,250 --> 00:15:44,160  
security perspective or looking at it

407  
00:15:48,230 --> 00:15:46,260  
from a technology perspective so they're

408  
00:15:50,150 --> 00:15:48,240  
all these different uh Frameworks from

409  
00:15:53,269 --> 00:15:50,160  
which you might be connecting with with

410  
00:15:55,430 --> 00:15:53,279  
the subject and you know it can be kind

411  
00:15:57,410 --> 00:15:55,440  
of jarring

412  
00:16:00,170 --> 00:15:57,420  
in my opinion the most jarring Journey

413  
00:16:01,850 --> 00:16:00,180

probably comes from that on-ramp as

414

00:16:04,009 --> 00:16:01,860

opposed to the experimenter one although

415

00:16:07,550 --> 00:16:04,019

that has its own you know sort of

416

00:16:10,189 --> 00:16:07,560

extreme uh discombobulating effect

417

00:16:11,990 --> 00:16:10,199

right so but if you come at it from a

418

00:16:14,750 --> 00:16:12,000

nuts and bolts angle like I think many

419

00:16:18,110 --> 00:16:14,760

of us do and you really kind of dig dig

420

00:16:20,090 --> 00:16:18,120

into it uh you you can kind of find

421

00:16:22,670 --> 00:16:20,100

yourself at the end or where you are my

422

00:16:24,829 --> 00:16:22,680

I are right now looking back and go wow

423

00:16:27,769 --> 00:16:24,839

like I'm not even sure

424

00:16:29,870 --> 00:16:27,779

what feels solid anymore on the on the

425

00:16:33,590 --> 00:16:29,880

ground that I'm standing on

426

00:16:35,569 --> 00:16:33,600

um and so that can be a big challenge so

427

00:16:37,370 --> 00:16:35,579

I want I say that to say just you know

428

00:16:40,069 --> 00:16:37,380

if you're coming at this from a from a

429

00:16:43,490 --> 00:16:40,079

fresh you know brand person brand new

430

00:16:46,189 --> 00:16:43,500

person perspective take your time uh you

431

00:16:49,670 --> 00:16:46,199

know don't uh jump to Quick conclusions

432

00:16:51,170 --> 00:16:49,680

you know read as much as you can weigh

433

00:16:53,810 --> 00:16:51,180

all of the different anecdotes and

434

00:16:56,210 --> 00:16:53,820

evidence that that you can and and try

435

00:16:58,009 --> 00:16:56,220

to hold that at arm's length examine it

436

00:17:00,170 --> 00:16:58,019

look at it from a variety of

437

00:17:02,509 --> 00:17:00,180

perspectives and then kind of see what

438

00:17:06,409 --> 00:17:02,519

you know percolates to the top there I

439

00:17:08,929 --> 00:17:06,419

think that will be the best way to uh

440

00:17:10,669 --> 00:17:08,939

to assimilate the content

441

00:17:13,130 --> 00:17:10,679

um

442

00:17:15,530 --> 00:17:13,140

yeah and I was I was thinking a couple

443

00:17:16,669 --> 00:17:15,540

things before I forget because

444

00:17:19,789 --> 00:17:16,679

um something encouraged me when you were

445

00:17:21,289 --> 00:17:19,799

saying this number one

446

00:17:22,850 --> 00:17:21,299

in terms of you said this thing about

447

00:17:23,750 --> 00:17:22,860

sorry there's no syllabus we can give

448

00:17:25,850 --> 00:17:23,760

you right

449

00:17:27,590 --> 00:17:25,860

not only that but I I've actually had

450

00:17:28,909 --> 00:17:27,600

people write me and say Hey you seem to

451  
00:17:31,850 --> 00:17:28,919  
have come to some fairly strong

452  
00:17:34,549 --> 00:17:31,860  
conclusions can you tell me exactly like

453  
00:17:36,590 --> 00:17:34,559  
the the nine books I need to read the

454  
00:17:38,150 --> 00:17:36,600  
three YouTube videos I need to watch and

455  
00:17:40,070 --> 00:17:38,160  
the two podcasts I need to listen to to

456  
00:17:42,049 --> 00:17:40,080  
get to that same place right you can't

457  
00:17:44,690 --> 00:17:42,059  
do it right and and

458  
00:17:46,669 --> 00:17:44,700  
I would say that number one where I've

459  
00:17:48,710 --> 00:17:46,679  
landed is piecing together all sorts of

460  
00:17:50,570 --> 00:17:48,720  
different information right is number

461  
00:17:51,830 --> 00:17:50,580  
one that I that I don't even keep track

462  
00:17:53,029 --> 00:17:51,840  
of it it's a little bit here or there

463  
00:17:54,049 --> 00:17:53,039

you get a little nugget over here

464

00:17:56,270 --> 00:17:54,059

something else over here that

465

00:17:58,310 --> 00:17:56,280

corroborates that that kind of thing but

466

00:17:59,930 --> 00:17:58,320

on top of that

467

00:18:01,850 --> 00:17:59,940

two different people

468

00:18:03,409 --> 00:18:01,860

could or three different people could be

469

00:18:04,789 --> 00:18:03,419

exposed to the exact same material and

470

00:18:07,850 --> 00:18:04,799

come to different conclusions that's

471

00:18:09,650 --> 00:18:07,860

part of the Enigma of this topic is that

472

00:18:11,810 --> 00:18:09,660

your own Consciousness comes into play

473

00:18:13,310 --> 00:18:11,820

You're you you then you know there's a

474

00:18:15,169 --> 00:18:13,320

there's an expression that says you know

475

00:18:16,730 --> 00:18:15,179

when you start taking note of the

476

00:18:18,650 --> 00:18:16,740

phenomenon the phenomenon starts taking

477

00:18:20,270 --> 00:18:18,660

note of you right

478

00:18:22,430 --> 00:18:20,280

um and

479

00:18:23,810 --> 00:18:22,440

another way to look at that is that you

480

00:18:26,029 --> 00:18:23,820

can't help but

481

00:18:28,130 --> 00:18:26,039

have your Consciousness be one of the

482

00:18:29,930 --> 00:18:28,140

factors one of the variables in play

483

00:18:31,549 --> 00:18:29,940

here and this is this is one of the

484

00:18:34,190 --> 00:18:31,559

ongoing challenges when it comes to a

485

00:18:36,169 --> 00:18:34,200

species trying to understand itself or

486

00:18:38,150 --> 00:18:36,179

understand a cosmos of which they are

487

00:18:40,909 --> 00:18:38,160

apart and entangled in a way that you

488

00:18:43,250 --> 00:18:40,919

can't really separate us from the cosmos

489

00:18:46,130 --> 00:18:43,260

we're in right so so how do you quote

490

00:18:47,750 --> 00:18:46,140

unquote objectively study that right and

491

00:18:49,549 --> 00:18:47,760

and so two different people will come to

492

00:18:51,529 --> 00:18:49,559

different conclusions because their own

493

00:18:54,169 --> 00:18:51,539

Consciousness is The X Factor right

494

00:18:56,150 --> 00:18:54,179

because the rest lines up

495

00:18:58,130 --> 00:18:56,160

and I think one thing that would be

496

00:18:59,630 --> 00:18:58,140

interesting for us to get into amidst

497

00:19:03,110 --> 00:18:59,640

these different topics that will take on

498

00:19:05,510 --> 00:19:03,120

one by one is to reckon with the fact

499

00:19:06,950 --> 00:19:05,520

that and you kind of hinted at it there

500

00:19:09,610 --> 00:19:06,960

where

501  
00:19:13,190 --> 00:19:09,620  
it starts here but by the end of the day

502  
00:19:16,909 --> 00:19:13,200  
everything is in play reality

503  
00:19:19,549 --> 00:19:16,919  
Life Death the nature of existence

504  
00:19:22,190 --> 00:19:19,559  
what is physicality right all these

505  
00:19:23,570 --> 00:19:22,200  
things a material world versus an

506  
00:19:24,830 --> 00:19:23,580  
idealistic world you know you and I

507  
00:19:27,470 --> 00:19:24,840  
before we went on the air talked about

508  
00:19:29,870 --> 00:19:27,480  
this how we've been persuaded towards

509  
00:19:32,930 --> 00:19:29,880  
this idealistic kind of persuasion

510  
00:19:34,730 --> 00:19:32,940  
perspective on reality and we've seen

511  
00:19:37,669 --> 00:19:34,740  
how difficult it is for people to really

512  
00:19:39,470 --> 00:19:37,679  
take that step and really grasp what

513  
00:19:42,549 --> 00:19:39,480

that means how far it goes so we'll

514

00:19:45,230 --> 00:19:42,559

we'll have people that will talk about

515

00:19:47,090 --> 00:19:45,240

some manifestations of the phenomenon

516

00:19:48,950 --> 00:19:47,100

being kind of a virtual reality right

517

00:19:50,570 --> 00:19:48,960

but they feel very confident that

518

00:19:53,090 --> 00:19:50,580

everything else though is solid and safe

519

00:19:54,590 --> 00:19:53,100

right and what we're saying is that

520

00:19:56,150 --> 00:19:54,600

actually the whole thing I mean there's

521

00:19:57,650 --> 00:19:56,160

no use talking about aspects that are

522

00:19:59,690 --> 00:19:57,660

virtual because the entire thing is to

523

00:20:02,330 --> 00:19:59,700

some degree it's a like I keep saying I

524

00:20:04,070 --> 00:20:02,340

shared Dreamscape or a mind space uh

525

00:20:06,230 --> 00:20:04,080

that's kind of held together in its

526

00:20:08,990 --> 00:20:06,240

cohesion that makes you and I see the

527

00:20:11,150 --> 00:20:09,000

same Sun supposedly every day is because

528

00:20:12,950 --> 00:20:11,160

uh it's mind at large so it sort of

529

00:20:14,810 --> 00:20:12,960

holds this dream in place and we are

530

00:20:17,090 --> 00:20:14,820

characters within it embedded within it

531

00:20:21,049 --> 00:20:17,100

so we can separate ourselves from the

532

00:20:22,850 --> 00:20:21,059

dream but because it's a dream uh it it

533

00:20:24,230 --> 00:20:22,860

has some malleable elements and this is

534

00:20:25,490 --> 00:20:24,240

where some of these others seem to

535

00:20:27,470 --> 00:20:25,500

understand this and that's why I

536

00:20:30,110 --> 00:20:27,480

remember saying to you sort of halfway

537

00:20:32,330 --> 00:20:30,120

through 2022 I kind of had this

538

00:20:35,330 --> 00:20:32,340

Revelation around this notion of

539

00:20:37,310 --> 00:20:35,340

intermentation right this idea that it's

540

00:20:39,950 --> 00:20:37,320

more like these different processes of

541

00:20:42,950 --> 00:20:39,960

mentation or fields of mentation and we

542

00:20:44,990 --> 00:20:42,960

exist within one that feels solid and

543

00:20:47,390 --> 00:20:45,000

coherent right just like this this I've

544

00:20:49,669 --> 00:20:47,400

got my laptop Sitting on This Island

545

00:20:51,110 --> 00:20:49,679

here in the kitchen and it feels really

546

00:20:53,029 --> 00:20:51,120

solid you know it's kind of granite

547

00:20:55,610 --> 00:20:53,039

right as much as solid as you can get of

548

00:20:57,529 --> 00:20:55,620

the diamond baby but

549

00:21:00,409 --> 00:20:57,539

even physics tells us this is mostly

550

00:21:02,270 --> 00:21:00,419

empty space with a few you know Atomic

551  
00:21:04,669 --> 00:21:02,280  
components within it and then basically

552  
00:21:07,669 --> 00:21:04,679  
a field which gives it its hook its

553  
00:21:09,770 --> 00:21:07,679  
coherence and its appearance and its

554  
00:21:12,289 --> 00:21:09,780  
um you know aspect of physicality but

555  
00:21:14,510 --> 00:21:12,299  
it's completely relative virtual in many

556  
00:21:16,070 --> 00:21:14,520  
ways you could say so that's what's so

557  
00:21:18,850 --> 00:21:16,080  
fascinating about this topic is you

558  
00:21:22,130 --> 00:21:18,860  
can't you can't I think honestly go in

559  
00:21:23,990 --> 00:21:22,140  
uh and and really dig and not end up in

560  
00:21:26,029 --> 00:21:24,000  
these places

561  
00:21:27,590 --> 00:21:26,039  
right there's a there's kind of a

562  
00:21:30,649 --> 00:21:27,600  
resonance to

563  
00:21:32,570 --> 00:21:30,659

uh not just objects as you just pointed

564

00:21:35,330 --> 00:21:32,580

out there there's a resonance to our

565

00:21:37,430 --> 00:21:35,340

experience of reality and there's a

566

00:21:41,330 --> 00:21:37,440

separate kind of resonance to other

567

00:21:43,130 --> 00:21:41,340

experiences of reality that we may not

568

00:21:45,890 --> 00:21:43,140

have direct or

569

00:21:49,190 --> 00:21:45,900

our our experience of that is uh very

570

00:21:50,570 --> 00:21:49,200

indirect and so when you have these kind

571

00:21:53,029 --> 00:21:50,580

of red think of them as resonant

572

00:21:56,330 --> 00:21:53,039

frequencies if they kind of

573

00:21:57,950 --> 00:21:56,340

you cross the streams right if you uh if

574

00:21:59,930 --> 00:21:57,960

they kind of bump up against each other

575

00:22:02,450 --> 00:21:59,940

there is a little bit of an interference

576

00:22:04,669 --> 00:22:02,460

pattern that may occur there and that

577

00:22:08,570 --> 00:22:04,679

that that interference pattern

578

00:22:11,210 --> 00:22:08,580

can present itself in both our resonant

579

00:22:14,690 --> 00:22:11,220

reality and whatever the other resonant

580

00:22:16,250 --> 00:22:14,700

reality uh is at as different types of

581

00:22:19,130 --> 00:22:16,260

phenomena

582

00:22:21,350 --> 00:22:19,140

um but but macroscopically it's it's

583

00:22:23,330 --> 00:22:21,360

those two different kinds of new season

584

00:22:26,750 --> 00:22:23,340

two kind of a binary example those two

585

00:22:28,850 --> 00:22:26,760

resonances exist within a grander

586

00:22:31,430 --> 00:22:28,860

red resonant field of mutation as you

587

00:22:33,350 --> 00:22:31,440

pointed out and so looking at it from

588

00:22:35,270 --> 00:22:33,360

that perspective at least from my

589

00:22:36,590 --> 00:22:35,280

standpoint has been extremely helpful in

590

00:22:39,049 --> 00:22:36,600

approaching this

591

00:22:40,970 --> 00:22:39,059

this topic and I also recognize that

592

00:22:44,630 --> 00:22:40,980

we've just kind of distilled in that

593

00:22:46,970 --> 00:22:44,640

little back and forth like a pretty big

594

00:22:49,730 --> 00:22:46,980

kind of different leap and jump than

595

00:22:51,049 --> 00:22:49,740

where most people land uh you know when

596

00:22:52,669 --> 00:22:51,059

they're when they're studying this from

597

00:22:54,409 --> 00:22:52,679

the first time

598

00:22:55,669 --> 00:22:54,419

um so maybe if I can rewind just a

599

00:22:58,370 --> 00:22:55,679

little bit

600

00:22:59,870 --> 00:22:58,380

going back to these uh non-human

601  
00:23:02,270 --> 00:22:59,880  
intelligences so let's just start with

602  
00:23:05,510 --> 00:23:02,280  
that you know that there that there may

603  
00:23:07,870 --> 00:23:05,520  
in fact be some some entities other than

604  
00:23:09,950 --> 00:23:07,880  
human and the prevailing initial

605  
00:23:12,230 --> 00:23:09,960  
hypothesis there was that they were

606  
00:23:13,549 --> 00:23:12,240  
extraterrestrial of course you and I

607  
00:23:17,289 --> 00:23:13,559  
know that there that isn't the only

608  
00:23:19,310 --> 00:23:17,299  
hypothesis there are other hypotheses

609  
00:23:23,630 --> 00:23:19,320  
interdimensional ultra-terrestrial

610  
00:23:25,970 --> 00:23:23,640  
crypto terrestrial extra tempestal

611  
00:23:27,890 --> 00:23:25,980  
um a lot of different uh you know

612  
00:23:30,049 --> 00:23:27,900  
typologies here

613  
00:23:32,149 --> 00:23:30,059

um and and they could all be on the

614

00:23:34,430 --> 00:23:32,159

table right so I think that that's

615

00:23:36,770 --> 00:23:34,440

what's also quite uh don't forget

616

00:23:38,750 --> 00:23:36,780

intermentational and intermentational so

617

00:23:39,350 --> 00:23:38,760

it can be quite confabulating

618

00:23:42,169 --> 00:23:39,360

um

619

00:23:44,330 --> 00:23:42,179

and uh

620

00:23:47,870 --> 00:23:44,340

you know you can to me like whatever

621

00:23:50,810 --> 00:23:47,880

hypothesis you're most uh drawn towards

622

00:23:53,029 --> 00:23:50,820

it is a mirror of the way in which you

623

00:23:55,549 --> 00:23:53,039

look at the world around you right so

624

00:23:58,130 --> 00:23:55,559

let's just take the the easiest one I

625

00:23:59,450 --> 00:23:58,140

think the Extraterrestrial one you know

626

00:24:02,090 --> 00:23:59,460

why was that such a compelling

627

00:24:04,190 --> 00:24:02,100

hypothesis well it was the dawn of the

628

00:24:05,810 --> 00:24:04,200

Space Race it was the you know our

629

00:24:07,850 --> 00:24:05,820

science was kind of just starting to do

630

00:24:09,710 --> 00:24:07,860

some pretty amazing things and we

631

00:24:11,270 --> 00:24:09,720

realized that you know here we were

632

00:24:14,390 --> 00:24:11,280

planet Earth and there were all these

633

00:24:16,130 --> 00:24:14,400

other planets out there and uh

634

00:24:18,590 --> 00:24:16,140

you know there's life here maybe there's

635

00:24:20,690 --> 00:24:18,600

life on Venus maybe there's Life on Mars

636

00:24:23,210 --> 00:24:20,700

like these were the you know kind of the

637

00:24:25,490 --> 00:24:23,220

low-hanging fruit of the cosmologies of

638

00:24:27,649 --> 00:24:25,500

that gig given day and that that's why

639

00:24:30,649 --> 00:24:27,659

those theories became the most

640

00:24:32,570 --> 00:24:30,659

prevalent you know if you go back in

641

00:24:33,890 --> 00:24:32,580

time we talked about this a little bit

642

00:24:35,029 --> 00:24:33,900

and I don't know we'll dwell on it too

643

00:24:38,149 --> 00:24:35,039

much but if you go back in time

644

00:24:40,010 --> 00:24:38,159

centuries before the human humans had

645

00:24:41,810 --> 00:24:40,020

you know sort of this deeper

646

00:24:44,149 --> 00:24:41,820

understanding of our place in the solar

647

00:24:46,149 --> 00:24:44,159

system these entities would have been

648

00:24:49,610 --> 00:24:46,159

viewed from a kind of a more

649

00:24:51,890 --> 00:24:49,620

metaphysical perspective in a demonic or

650

00:24:54,169 --> 00:24:51,900

Angelic or you know certainly not human

651  
00:24:56,330 --> 00:24:54,179  
but interacting with humans and kind of

652  
00:24:59,029 --> 00:24:56,340  
messing with us in certain ways

653  
00:25:01,370 --> 00:24:59,039  
sometimes for our benefit sometimes not

654  
00:25:03,950 --> 00:25:01,380  
for our benefit and we're all part of

655  
00:25:06,289 --> 00:25:03,960  
the larger game that is involved with

656  
00:25:08,690 --> 00:25:06,299  
kind of a war between these competing

657  
00:25:10,789 --> 00:25:08,700  
factions and you know God and Satan and

658  
00:25:13,370 --> 00:25:10,799  
all this kind of stuff so

659  
00:25:15,409 --> 00:25:13,380  
um whatever you feel most drawn to to me

660  
00:25:17,390 --> 00:25:15,419  
and is a good mirror to how you see the

661  
00:25:19,430 --> 00:25:17,400  
world but what do you think about that

662  
00:25:20,630 --> 00:25:19,440  
yeah it's a great point and I I think we

663  
00:25:21,830 --> 00:25:20,640

should really stress this for people

664

00:25:31,850 --> 00:25:21,840

that

665

00:25:34,909 --> 00:25:31,860

data was consumed changed right which

666

00:25:37,010 --> 00:25:34,919

tells you a lot so in you know medieval

667

00:25:39,169 --> 00:25:37,020

times they would have maybe seen them as

668

00:25:41,630 --> 00:25:39,179

fairies or something like that these you

669

00:25:44,269 --> 00:25:41,640

know cave dwelling beings that could you

670

00:25:46,789 --> 00:25:44,279

know sometimes disappear into the you

671

00:25:47,570 --> 00:25:46,799

know Netherworld or something like that

672

00:25:50,450 --> 00:25:47,580

um

673

00:25:53,210 --> 00:25:50,460

is it that there's so much difference in

674

00:25:54,529 --> 00:25:53,220

the actual criteria of the events not

675

00:25:56,269 --> 00:25:54,539

really I mean that's kind of what

676

00:25:58,370 --> 00:25:56,279

Jacques valet pointed out is that when

677

00:26:00,950 --> 00:25:58,380

you in passport to Magonia that when you

678

00:26:03,769 --> 00:26:00,960

actually break down the surface veneer

679

00:26:06,049 --> 00:26:03,779

which often is an interpretive layer

680

00:26:08,510 --> 00:26:06,059

the raw experience is remarkably similar

681

00:26:11,570 --> 00:26:08,520

you know you have missing time uh you

682

00:26:13,130 --> 00:26:11,580

know and uh people disappearing and then

683

00:26:16,750 --> 00:26:13,140

reappearing some people never being

684

00:26:19,070 --> 00:26:16,760

returned you know uh experiences where

685

00:26:21,529 --> 00:26:19,080

perception and Consciousness seems to be

686

00:26:24,049 --> 00:26:21,539

manipulated by these others right and

687

00:26:26,029 --> 00:26:24,059

like you hinted at in yesteryear that

688

00:26:27,470 --> 00:26:26,039

was interpreted as like spiritual Powers

689

00:26:29,149 --> 00:26:27,480

right whereas now we would say well

690

00:26:31,490 --> 00:26:29,159

these et's have some sort of like really

691

00:26:33,409 --> 00:26:31,500

advanced technology that can impact

692

00:26:35,450 --> 00:26:33,419

Consciousness but we're we're trying to

693

00:26:37,430 --> 00:26:35,460

parse it from a from a physicalist point

694

00:26:39,110 --> 00:26:37,440

of view right so this is really

695

00:26:41,029 --> 00:26:39,120

important to point out that again it's

696

00:26:44,149 --> 00:26:41,039

not so much the data is different it's

697

00:26:45,350 --> 00:26:44,159

that the models that consume that data

698

00:26:49,250 --> 00:26:45,360

and try to make sense of it are

699

00:26:51,649 --> 00:26:49,260

different another thing I would say is

700

00:26:53,210 --> 00:26:51,659

a little bit surprisingly I would say um

701  
00:26:55,850 --> 00:26:53,220  
you know even some of the people pushing

702  
00:26:56,750 --> 00:26:55,860  
for disclosure so take Chris melon as an

703  
00:27:01,130 --> 00:26:56,760  
example

704  
00:27:02,930 --> 00:27:01,140  
he's been more open recently saying you

705  
00:27:05,029 --> 00:27:02,940  
know he he was more and more he was more

706  
00:27:08,090 --> 00:27:05,039  
Coy last year than the year before right

707  
00:27:10,850 --> 00:27:08,100  
but he's becoming more outward in terms

708  
00:27:12,289 --> 00:27:10,860  
of saying the ET hypothesis fits the

709  
00:27:13,909 --> 00:27:12,299  
data you know that's probably better

710  
00:27:16,490 --> 00:27:13,919  
than anything else right now or as good

711  
00:27:18,409 --> 00:27:16,500  
as anything else and

712  
00:27:20,690 --> 00:27:18,419  
that's interesting because I think a lot

713  
00:27:23,289 --> 00:27:20,700

of us in this community earlier in the

714

00:27:25,970 --> 00:27:23,299

year and in back in 2021

715

00:27:28,370 --> 00:27:25,980

we're talking about Ultra terrestrials a

716

00:27:30,649 --> 00:27:28,380

lot right and uh

717

00:27:32,029 --> 00:27:30,659

and so this we were kind of you know

718

00:27:34,070 --> 00:27:32,039

familiar with this notion that maybe

719

00:27:36,470 --> 00:27:34,080

Ichi was not the best fit for the data

720

00:27:38,630 --> 00:27:36,480

kind of like Jacques filet and and John

721

00:27:40,310 --> 00:27:38,640

kill came to those conclusions so then

722

00:27:42,049 --> 00:27:40,320

you ask yourself and this is what I try

723

00:27:43,549 --> 00:27:42,059

to encourage people to do right when you

724

00:27:46,190 --> 00:27:43,559

hear someone like Chris Mellon making a

725

00:27:48,110 --> 00:27:46,200

statement like that don't just say this

726

00:27:49,669 --> 00:27:48,120

guy had a high ranking position in the

727

00:27:51,950 --> 00:27:49,679

U.S military so he must know what he's

728

00:27:54,169 --> 00:27:51,960

talking about he may but don't assume

729

00:27:56,450 --> 00:27:54,179

that what I would say is step back and

730

00:28:00,230 --> 00:27:56,460

ask yourself is it his level of

731

00:28:03,710 --> 00:28:00,240

Consciousness is it his biases that make

732

00:28:05,510 --> 00:28:03,720

him say ET is the best option is ET

733

00:28:07,310 --> 00:28:05,520

better than the ultra terrestrial for

734

00:28:09,110 --> 00:28:07,320

instance it may be better than a than a

735

00:28:11,930 --> 00:28:09,120

terrestrial conventional power right

736

00:28:13,669 --> 00:28:11,940

like the Russians or the Chinese or Iran

737

00:28:15,529 --> 00:28:13,679

or something but is it better than

738

00:28:18,049 --> 00:28:15,539

ultra-terrestrial or interdimensional

739

00:28:19,490 --> 00:28:18,059

and and how would he know that right I

740

00:28:21,710 --> 00:28:19,500

would pause it to you that it's not a

741

00:28:24,470 --> 00:28:21,720

better fit but he actually just prefers

742

00:28:26,390 --> 00:28:24,480

like you began this conversation he kind

743

00:28:28,130 --> 00:28:26,400

of leans towards E.T because it makes

744

00:28:31,430 --> 00:28:28,140

sense to him he he can grapple with that

745

00:28:33,409 --> 00:28:31,440

one it's exists within his worldview so

746

00:28:35,090 --> 00:28:33,419

for for his worldview that's the most

747

00:28:36,950 --> 00:28:35,100

obvious fit but that's a good example

748

00:28:39,049 --> 00:28:36,960

that just because it's the best fit for

749

00:28:41,269 --> 00:28:39,059

him doesn't mean it's ultimately the

750

00:28:43,669 --> 00:28:41,279

right answer

751  
00:28:46,730 --> 00:28:43,679  
and you know to kind of take that point

752  
00:28:50,210 --> 00:28:46,740  
a little further too it's um you know

753  
00:28:52,430 --> 00:28:50,220  
how could it not change right so if we

754  
00:28:55,789 --> 00:28:52,440  
had a time machine right now we could go

755  
00:28:58,610 --> 00:28:55,799  
into the future A Thousand Years uh and

756  
00:29:00,409 --> 00:28:58,620  
and just well let's let's kind of take

757  
00:29:02,630 --> 00:29:00,419  
you know ETS out of the equation but

758  
00:29:05,750 --> 00:29:02,640  
let's look at Future Humanity in our

759  
00:29:07,730 --> 00:29:05,760  
understanding of of reality in a

760  
00:29:09,769 --> 00:29:07,740  
thousand years right it's not going to

761  
00:29:11,930 --> 00:29:09,779  
look anything like our understanding of

762  
00:29:13,549 --> 00:29:11,940  
reality today

763  
00:29:15,590 --> 00:29:13,559

um the people of a thousand years from

764

00:29:16,909 --> 00:29:15,600

now will read about today and they'll

765

00:29:19,130 --> 00:29:16,919

think oh wow

766

00:29:20,750 --> 00:29:19,140

look how much they got wrong like like I

767

00:29:25,850 --> 00:29:20,760

mean they thought this unbelievable

768

00:29:29,450 --> 00:29:25,860

right I mean so that to me is um

769

00:29:31,430 --> 00:29:29,460

I I view that as a Core Fact of of re of

770

00:29:33,350 --> 00:29:31,440

of reality of experience that it's it's

771

00:29:35,330 --> 00:29:33,360

shifting it's changing that it's

772

00:29:37,250 --> 00:29:35,340

conditioned that it's contextual like

773

00:29:40,250 --> 00:29:37,260

these are things that are just part and

774

00:29:42,649 --> 00:29:40,260

parcel of of living and having a spatial

775

00:29:46,310 --> 00:29:42,659

temporal experience

776

00:29:49,310 --> 00:29:46,320

um and you know when I acknowledge that

777

00:29:50,389 --> 00:29:49,320

and and I'm honest with that truth I

778

00:29:54,289 --> 00:29:50,399

can't help

779

00:29:56,389 --> 00:29:54,299

but play that exercise and and play it

780

00:29:58,850 --> 00:29:56,399

backwards and forwards and then and then

781

00:30:01,130 --> 00:29:58,860

come out of that exercise going wow what

782

00:30:04,310 --> 00:30:01,140

you know what do we really know what can

783

00:30:06,289 --> 00:30:04,320

we really say definitively you know what

784

00:30:08,269 --> 00:30:06,299

what can we say ontologically about what

785

00:30:10,250 --> 00:30:08,279

what this happens to be

786

00:30:12,710 --> 00:30:10,260

and I think that's a lot of what you and

787

00:30:15,889 --> 00:30:12,720

I have really tried hard to wrestle with

788

00:30:18,789 --> 00:30:15,899

here is that uh our

789

00:30:21,169 --> 00:30:18,799

you know our taxonomy like our our

790

00:30:23,210 --> 00:30:21,179

attempts at labeling whatever this is

791

00:30:25,370 --> 00:30:23,220

like they always kind of fall short to

792

00:30:27,230 --> 00:30:25,380

some degree and they always will because

793

00:30:29,090 --> 00:30:27,240

as new information it enters the

794

00:30:31,549 --> 00:30:29,100

equation we have to take that into

795

00:30:34,909 --> 00:30:31,559

account and reframe

796

00:30:36,470 --> 00:30:34,919

uh what our understanding of it happens

797

00:30:37,130 --> 00:30:36,480

to be

798

00:30:39,590 --> 00:30:37,140

um

799

00:30:41,690 --> 00:30:39,600

as part of that exercise as well and

800

00:30:43,970 --> 00:30:41,700

we've talked about this a ton you know

801  
00:30:46,370 --> 00:30:43,980  
lies sort of the root of understanding

802  
00:30:48,409 --> 00:30:46,380  
the root of experience and that is our

803  
00:30:49,730 --> 00:30:48,419  
conscious awareness right so if we're

804  
00:30:52,190 --> 00:30:49,740  
kind of coming down into first

805  
00:30:54,710 --> 00:30:52,200  
principles you know conscious awareness

806  
00:30:57,350 --> 00:30:54,720  
for you and I has become this kind of

807  
00:31:00,409 --> 00:30:57,360  
lodestar and it's helping us uh

808  
00:31:03,169 --> 00:31:00,419  
understand and approach every facet of

809  
00:31:05,269 --> 00:31:03,179  
of the data because at the end of the

810  
00:31:07,010 --> 00:31:05,279  
day that's what some that is the most

811  
00:31:10,430 --> 00:31:07,020  
Solid Ground we feel that we can stand

812  
00:31:13,370 --> 00:31:10,440  
on is saying we have experience we are

813  
00:31:15,590 --> 00:31:13,380

conscious of having experience and that

814

00:31:17,149 --> 00:31:15,600

colors everything else

815

00:31:18,649 --> 00:31:17,159

um so I don't know if you want to kind

816

00:31:20,510 --> 00:31:18,659

of expound a little bit on that but to

817

00:31:21,230 --> 00:31:20,520

me like that's the

818

00:31:23,450 --> 00:31:21,240

um

819

00:31:25,010 --> 00:31:23,460

that that's the whole enchilada in a way

820

00:31:26,690 --> 00:31:25,020

you know kind of thinking about it from

821

00:31:29,510 --> 00:31:26,700

that perspective

822

00:31:31,310 --> 00:31:29,520

um and it definitely allows you to go

823

00:31:31,990 --> 00:31:31,320

from this

824

00:31:34,850 --> 00:31:32,000

ET

825

00:31:37,730 --> 00:31:34,860

conclusion to something else entirely

826

00:31:38,870 --> 00:31:37,740

but also not to exclude it either I

827

00:31:41,750 --> 00:31:38,880

think that's something that you you

828

00:31:44,330 --> 00:31:41,760

might like to harp on quite a bit

829

00:31:45,590 --> 00:31:44,340

yeah so I think what we can maybe sort

830

00:31:47,510 --> 00:31:45,600

of toggle back and forth a little bit

831

00:31:51,049 --> 00:31:47,520

tonight is between

832

00:31:53,289 --> 00:31:51,059

again just you know Reckoning with

833

00:31:55,310 --> 00:31:53,299

what's on the table in terms of public

834

00:31:57,110 --> 00:31:55,320

disclosure and how that might be

835

00:31:59,810 --> 00:31:57,120

received and what kind of things would

836

00:32:01,370 --> 00:31:59,820

that might include but also talk about

837

00:32:03,649 --> 00:32:01,380

you know the much deeper level what's

838

00:32:06,289 --> 00:32:03,659

what we think is really going on

839

00:32:07,909 --> 00:32:06,299

um and to get to the point you just

840

00:32:11,149 --> 00:32:07,919

brought up you know with conscious

841

00:32:12,710 --> 00:32:11,159

experience yeah the notion there is that

842

00:32:15,230 --> 00:32:12,720

when you really think about it this is

843

00:32:16,250 --> 00:32:15,240

the one thing we're sure of is that the

844

00:32:17,690 --> 00:32:16,260

fact that we're asking that question

845

00:32:19,549 --> 00:32:17,700

suggests we're having a conscious

846

00:32:21,409 --> 00:32:19,559

experience asking about our conscious

847

00:32:23,870 --> 00:32:21,419

experience right

848

00:32:25,789 --> 00:32:23,880

um when we posit the notion of a

849

00:32:28,190 --> 00:32:25,799

physical world that exists outside of

850

00:32:31,310 --> 00:32:28,200

that conscious experience that's an

851  
00:32:33,350 --> 00:32:31,320  
abstraction for which we have no proof

852  
00:32:34,490 --> 00:32:33,360  
nor could we ever have proof because of

853  
00:32:36,769 --> 00:32:34,500  
the same thing I said in the beginning

854  
00:32:38,630 --> 00:32:36,779  
you can't extract yourself from the

855  
00:32:41,690 --> 00:32:38,640  
equation you know we are part of

856  
00:32:43,789 --> 00:32:41,700  
whatever this is right our you know

857  
00:32:45,289 --> 00:32:43,799  
entanglement which again I think quantum

858  
00:32:47,510 --> 00:32:45,299  
theory only gets us part way there but

859  
00:32:49,730 --> 00:32:47,520  
it's a helpful pointer saying that you

860  
00:32:51,649 --> 00:32:49,740  
you can't ultimately separate who you

861  
00:32:53,029 --> 00:32:51,659  
are from the table you're sitting at

862  
00:32:55,730 --> 00:32:53,039  
right

863  
00:32:57,289 --> 00:32:55,740

um the reason why telepathy works you

864

00:32:59,450 --> 00:32:57,299

know and and precognition and things

865

00:33:01,190 --> 00:32:59,460

like that and I might get a Vibe about

866

00:33:02,810 --> 00:33:01,200

what Nathan's thinking without him

867

00:33:04,490 --> 00:33:02,820

telling me and without really seeing it

868

00:33:06,169 --> 00:33:04,500

in his facial expression and it's

869

00:33:08,330 --> 00:33:06,179

because there's these porous boundaries

870

00:33:10,310 --> 00:33:08,340

and some of this energy can cross over

871

00:33:11,090 --> 00:33:10,320

and and you can actually develop that

872

00:33:14,570 --> 00:33:11,100

skill

873

00:33:16,370 --> 00:33:14,580

on with someone else and of course these

874

00:33:19,850 --> 00:33:16,380

others this is why I use this word

875

00:33:22,190 --> 00:33:19,860

intermentation they excel at that right

876

00:33:24,590 --> 00:33:22,200

they just it's Child's Play for them so

877

00:33:27,350 --> 00:33:24,600

so this is kind of what's on the table

878

00:33:28,850 --> 00:33:27,360

um in terms of moving from a physicalist

879

00:33:30,529 --> 00:33:28,860

interpretation of any of those right

880

00:33:32,930 --> 00:33:30,539

ultraterrestrial extraterrestrial

881

00:33:34,610 --> 00:33:32,940

interdimensional which again when I say

882

00:33:37,669 --> 00:33:34,620

interdimensional I kind of mean more

883

00:33:39,110 --> 00:33:37,679

intermentational like you know fields of

884

00:33:41,690 --> 00:33:39,120

mentation

885

00:33:43,490 --> 00:33:41,700

um mind spaces not so much different

886

00:33:45,830 --> 00:33:43,500

physical Universe was sitting side by

887

00:33:47,269 --> 00:33:45,840

side kind of thing so I use that term a

888

00:33:49,310 --> 00:33:47,279

bit differently

889

00:33:51,110 --> 00:33:49,320

um

890

00:33:53,750 --> 00:33:51,120

but I think getting back to what we were

891

00:33:55,190 --> 00:33:53,760

talking about you know with uh with what

892

00:33:57,169 --> 00:33:55,200

Chris mellon's saying and all that kind

893

00:34:00,470 --> 00:33:57,179

of thing one thing I wanted to point out

894

00:34:04,070 --> 00:34:00,480

with him that just struck me in in this

895

00:34:06,230 --> 00:34:04,080

disclosure process as really absurd

896

00:34:08,030 --> 00:34:06,240

is how

897

00:34:10,129 --> 00:34:08,040

he's basically I was saying let me read

898

00:34:12,169 --> 00:34:10,139

a read a tweet that I wrote today

899

00:34:13,849 --> 00:34:12,179

um in regards to this I said the fact

900

00:34:16,129 --> 00:34:13,859

that Chris Mellon a former government

901

00:34:18,649 --> 00:34:16,139

employee has to do the job of

902

00:34:20,389 --> 00:34:18,659

journalists in telling them about how

903

00:34:23,030 --> 00:34:20,399

elements of the military establishment

904

00:34:26,089 --> 00:34:23,040

are actually stonewalling on the topic

905

00:34:28,730 --> 00:34:26,099

of UFO slash UAP disclosure says a lot

906

00:34:31,010 --> 00:34:28,740

about where things really stand

907

00:34:32,629 --> 00:34:31,020

and what I was getting at there was he's

908

00:34:34,609 --> 00:34:32,639

basically been saying lately hey

909

00:34:35,930 --> 00:34:34,619

journalists just so you know actually

910

00:34:38,510 --> 00:34:35,940

when you say that the military

911

00:34:40,430 --> 00:34:38,520

establishment is making major uh moves

912

00:34:41,869 --> 00:34:40,440

towards trying to release this he's like

913

00:34:43,970 --> 00:34:41,879

nothing could be further from the truth

914

00:34:47,149 --> 00:34:43,980

like he's saying that his experiences

915

00:34:49,730 --> 00:34:47,159

that every inch of disclosure we get is

916

00:34:52,190 --> 00:34:49,740

from putting feet to the fire and not

917

00:34:53,329 --> 00:34:52,200

stopping that none of these very few of

918

00:34:55,730 --> 00:34:53,339

these insiders and the military

919

00:34:57,109 --> 00:34:55,740

establishment want to disclose this

920

00:34:59,030 --> 00:34:57,119

stuff sure there are some individual

921

00:35:00,770 --> 00:34:59,040

people that do and perhaps they're the

922

00:35:02,329 --> 00:35:00,780

ones that'll finally step forward with a

923

00:35:05,030 --> 00:35:02,339

whistleblower

924

00:35:07,010 --> 00:35:05,040

um kind of elements that allow them to

925

00:35:09,530 --> 00:35:07,020

do it without being you know prosecuted

926

00:35:11,030 --> 00:35:09,540

and without having to suffer

927

00:35:14,390 --> 00:35:11,040

um jail time or something for violating

928

00:35:16,370 --> 00:35:14,400

an NDA but the truth is and we've talked

929

00:35:18,670 --> 00:35:16,380

about this before on this show that you

930

00:35:22,790 --> 00:35:18,680

have this kind of institutionalized

931

00:35:24,710 --> 00:35:22,800

secrecy campaign right that's been uh so

932

00:35:27,050 --> 00:35:24,720

built into the structure of the military

933

00:35:29,150 --> 00:35:27,060

establishment that even if it had good

934

00:35:30,890 --> 00:35:29,160

reasons early on right like maybe in the

935

00:35:32,630 --> 00:35:30,900

midst of a cold war when there really

936

00:35:34,550 --> 00:35:32,640

were a lot of double agents in the CIA

937

00:35:35,750 --> 00:35:34,560

for instance that were Soviet

938

00:35:37,790 --> 00:35:35,760

sympathizers

939

00:35:40,310 --> 00:35:37,800

I can completely understand why they

940

00:35:42,950 --> 00:35:40,320

felt like you really had to you know

941

00:35:44,810 --> 00:35:42,960

um have the siloing of information need

942

00:35:47,750 --> 00:35:44,820

to know right that made a lot of sense

943

00:35:50,150 --> 00:35:47,760

back then but what begins as making

944

00:35:52,250 --> 00:35:50,160

sense soon is just something that is

945

00:35:55,190 --> 00:35:52,260

part of the culture you know I gave this

946

00:35:57,109 --> 00:35:55,200

analogy this week to some friends

947

00:35:58,670 --> 00:35:57,119

um this one uh this one mother was

948

00:36:01,069 --> 00:35:58,680

cooking her turkey for Thanksgiving

949

00:36:03,589 --> 00:36:01,079

which pains me as a vegetarian but let's

950

00:36:05,630 --> 00:36:03,599

just go with it so she's cooking this

951  
00:36:06,890 --> 00:36:05,640  
turkey and she would cut off the edges

952  
00:36:08,990 --> 00:36:06,900  
of the turkey before she put in the oven

953  
00:36:10,130 --> 00:36:09,000  
right yeah and so one of her kids says

954  
00:36:12,530 --> 00:36:10,140  
hey Mom why do you why do you cut the

955  
00:36:14,630 --> 00:36:12,540  
edges off the turkey and the mom goes

956  
00:36:16,370 --> 00:36:14,640  
wow I'm not sure I guess just because

957  
00:36:18,170 --> 00:36:16,380  
that's what my mom did so she calls up

958  
00:36:19,790 --> 00:36:18,180  
her mom and says hey Mom why do you cut

959  
00:36:20,930 --> 00:36:19,800  
the edges off the turkey anyway she's

960  
00:36:22,550 --> 00:36:20,940  
like well that's because that's what my

961  
00:36:24,710 --> 00:36:22,560  
mom did so let's call out great grandma

962  
00:36:25,790 --> 00:36:24,720  
and ask her that color up and says why

963  
00:36:27,290 --> 00:36:25,800

do we cut off the edges of the turkey

964

00:36:28,089 --> 00:36:27,300

and she says well because we had a small

965

00:36:31,670 --> 00:36:28,099

oven

966

00:36:33,410 --> 00:36:31,680

right so so the notion there is that so

967

00:36:34,609 --> 00:36:33,420

now these modern you know families have

968

00:36:35,690 --> 00:36:34,619

these massive ovens they're still

969

00:36:37,430 --> 00:36:35,700

cutting the edges off the turkey just

970

00:36:39,410 --> 00:36:37,440

because that's the culture right yeah

971

00:36:41,150 --> 00:36:39,420

it's just inherited it's not questioned

972

00:36:43,190 --> 00:36:41,160

there's this sense that what's come

973

00:36:45,290 --> 00:36:43,200

before you there must be good reasoning

974

00:36:46,910 --> 00:36:45,300

behind it right and I think that's

975

00:36:48,650 --> 00:36:46,920

probably what we're dealing with uh with

976

00:36:51,650 --> 00:36:48,660

the entrenchment in the military

977

00:36:54,230 --> 00:36:51,660

establishment right there's inertia

978

00:36:56,930 --> 00:36:54,240

there that is unavoidable and that

979

00:36:59,270 --> 00:36:56,940

that's true of um not just of the

980

00:37:01,790 --> 00:36:59,280

military uh scenario that that you

981

00:37:03,589 --> 00:37:01,800

reference but but of our our reality as

982

00:37:06,589 --> 00:37:03,599

well right we were born into a world

983

00:37:09,109 --> 00:37:06,599

that has inherited inertia from those

984

00:37:10,910 --> 00:37:09,119

who've come before us and we're always

985

00:37:13,670 --> 00:37:10,920

we're like swimming in that

986

00:37:15,950 --> 00:37:13,680

World from from day one you know we're

987

00:37:18,230 --> 00:37:15,960

navigating it and and as we're

988

00:37:19,130 --> 00:37:18,240

navigating it we're finding oh wait a

989

00:37:21,410 --> 00:37:19,140

minute like

990

00:37:23,810 --> 00:37:21,420

uh I've discovered this other thing here

991

00:37:25,130 --> 00:37:23,820

that has anyone seen this and everyone's

992

00:37:27,650 --> 00:37:25,140

like nah actually I've never seen that

993

00:37:29,630 --> 00:37:27,660

before uh and and it's but it's been

994

00:37:31,310 --> 00:37:29,640

there the whole time that they have been

995

00:37:34,130 --> 00:37:31,320

able to see it because they don't have

996

00:37:35,390 --> 00:37:34,140

that New Perspective and when you're you

997

00:37:38,450 --> 00:37:35,400

know sort of

998

00:37:41,510 --> 00:37:38,460

thrust into that environment as a as an

999

00:37:43,910 --> 00:37:41,520

alien let's put it that way uh you don't

1000

00:37:45,890 --> 00:37:43,920

see the world the way that the residents

1001  
00:37:48,470 --> 00:37:45,900  
happen to see it you know you see it as

1002  
00:37:51,530 --> 00:37:48,480  
a foreigner and foreigners pick up on

1003  
00:37:54,349 --> 00:37:51,540  
things that that residents don't see but

1004  
00:37:55,670 --> 00:37:54,359  
they by pointing those things out they

1005  
00:37:58,310 --> 00:37:55,680  
change the world

1006  
00:37:59,930 --> 00:37:58,320  
right so by recognizing that these

1007  
00:38:03,230 --> 00:37:59,940  
things are there and and drawing

1008  
00:38:04,790 --> 00:38:03,240  
attention to them you you reshape the

1009  
00:38:07,490 --> 00:38:04,800  
fabric of the world and then that

1010  
00:38:10,010 --> 00:38:07,500  
becomes a new world that those who are

1011  
00:38:13,069 --> 00:38:10,020  
born into it inherit and that process

1012  
00:38:14,930 --> 00:38:13,079  
continues at infinitum

1013  
00:38:16,550 --> 00:38:14,940

um and so with that thought I mean I

1014

00:38:18,170 --> 00:38:16,560

wonder if we could take a second here to

1015

00:38:21,710 --> 00:38:18,180

think go through the thought experiment

1016

00:38:25,130 --> 00:38:21,720

of you know let's say that uh

1017

00:38:26,569 --> 00:38:25,140

this takes a lot of traction in 2023 and

1018

00:38:27,950 --> 00:38:26,579

you're having a conversation with a

1019

00:38:29,410 --> 00:38:27,960

family member or whatever who's new to

1020

00:38:32,390 --> 00:38:29,420

this I mean

1021

00:38:34,250 --> 00:38:32,400

how long do you take between going yeah

1022

00:38:36,410 --> 00:38:34,260

like at CT like that's pretty cool and

1023

00:38:39,230 --> 00:38:36,420

then saying but it could also be you

1024

00:38:40,490 --> 00:38:39,240

know like how do you kind of responsibly

1025

00:38:42,349 --> 00:38:40,500

and I think you have to think about it

1026  
00:38:45,349 --> 00:38:42,359  
doing responsibly how do you responsibly

1027  
00:38:48,470 --> 00:38:45,359  
kind of walk them through these other

1028  
00:38:50,510 --> 00:38:48,480  
scenarios of possibility

1029  
00:38:52,190 --> 00:38:50,520  
um all while all the while saying you

1030  
00:38:55,250 --> 00:38:52,200  
know but but I could be wrong you know

1031  
00:38:57,829 --> 00:38:55,260  
it could just really be E.T

1032  
00:39:00,170 --> 00:38:57,839  
um but it could also be that this you

1033  
00:39:02,270 --> 00:39:00,180  
know these other things and here's here

1034  
00:39:04,130 --> 00:39:02,280  
here is some evidence and some anecdote

1035  
00:39:05,870 --> 00:39:04,140  
to consider that point in those

1036  
00:39:08,569 --> 00:39:05,880  
directions so that we have to Grapple

1037  
00:39:11,870 --> 00:39:08,579  
with uh and also gets the question of

1038  
00:39:14,930 --> 00:39:11,880

who has the core answers here who has

1039

00:39:16,430 --> 00:39:14,940

the best knowledge and I think that that

1040

00:39:18,530 --> 00:39:16,440

that's kind of a false assumption that

1041

00:39:21,290 --> 00:39:18,540

many people make When approaching this

1042

00:39:24,050 --> 00:39:21,300

topic that there is some sort of grand

1043

00:39:27,589 --> 00:39:24,060

you know Wise and Record Keeper in the

1044

00:39:29,569 --> 00:39:27,599

library of you know Use lore who has

1045

00:39:32,390 --> 00:39:29,579

access to all of the grand secrets and

1046

00:39:34,609 --> 00:39:32,400

they have the the truth and I think that

1047

00:39:37,069 --> 00:39:34,619

that's something that is a is a

1048

00:39:38,750 --> 00:39:37,079

fallacious way of thinking about this

1049

00:39:40,609 --> 00:39:38,760

issue

1050

00:39:42,170 --> 00:39:40,619

yeah for sure

1051

00:39:44,510 --> 00:39:42,180

um

1052

00:39:46,190 --> 00:39:44,520

you know I think part of the irony is

1053

00:39:49,069 --> 00:39:46,200

that a lot of experiencers are waiting

1054

00:39:50,930 --> 00:39:49,079

for public disclosure from some known

1055

00:39:53,210 --> 00:39:50,940

Authority right so they can feel

1056

00:39:54,589 --> 00:39:53,220

Justified and Vindicated around friends

1057

00:39:56,750 --> 00:39:54,599

and family and colleagues that maybe

1058

00:39:57,950 --> 00:39:56,760

made fun of them or thought they had

1059

00:40:01,010 --> 00:39:57,960

lost it

1060

00:40:02,870 --> 00:40:01,020

but of course even then a lot of their

1061

00:40:04,790 --> 00:40:02,880

experience with the actual phenomenon

1062

00:40:06,530 --> 00:40:04,800

will still be a far cry from what

1063

00:40:09,230 --> 00:40:06,540

actually gets disclosed right so maybe

1064

00:40:11,990 --> 00:40:09,240

there will be this discussion about

1065

00:40:14,569 --> 00:40:12,000

um you know the ET possibility maybe but

1066

00:40:16,310 --> 00:40:14,579

but it goes a lot further than that

1067

00:40:17,270 --> 00:40:16,320

um I think for me and we were talking

1068

00:40:18,230 --> 00:40:17,280

about this before when on the Air

1069

00:40:19,970 --> 00:40:18,240

Tonight

1070

00:40:23,630 --> 00:40:19,980

just how difficult it is for people

1071

00:40:26,450 --> 00:40:23,640

again to to Really shift out of a

1072

00:40:30,109 --> 00:40:26,460

physicalist paradigm to actually say

1073

00:40:32,150 --> 00:40:30,119

it's just not that Consciousness impacts

1074

00:40:34,490 --> 00:40:32,160

physical reality but that physical

1075

00:40:35,810 --> 00:40:34,500

reality doesn't really exist that that's

1076

00:40:38,390 --> 00:40:35,820

just

1077

00:40:38,930 --> 00:40:38,400

a surface layer manifestation it's it's

1078

00:40:42,530 --> 00:40:38,940

um

1079

00:40:44,870 --> 00:40:42,540

it's Consciousness in excitation right

1080

00:40:47,569 --> 00:40:44,880

so uh the same way that you would say a

1081

00:40:49,609 --> 00:40:47,579

Whirlpool or a wheat or a wave is

1082

00:40:52,490 --> 00:40:49,619

fundamentally still water it's just

1083

00:40:54,109 --> 00:40:52,500

water and excitation right dancing water

1084

00:40:57,410 --> 00:40:54,119

that's the same notion here that

1085

00:40:59,270 --> 00:40:57,420

everything from this field that's

1086

00:41:01,970 --> 00:40:59,280

maintaining this sense of this granite

1087

00:41:04,010 --> 00:41:01,980

countertop to who you are to who I am

1088

00:41:06,710 --> 00:41:04,020

all of these are temporary

1089

00:41:09,950 --> 00:41:06,720

manifestations of Consciousness and you

1090

00:41:11,990 --> 00:41:09,960

can have a temporary localization of

1091

00:41:14,210 --> 00:41:12,000

some sort of what looks like an object

1092

00:41:16,430 --> 00:41:14,220

which you can call an object or a

1093

00:41:18,950 --> 00:41:16,440

discrete individual person but really

1094

00:41:21,410 --> 00:41:18,960

that's not what they are that's just a

1095

00:41:23,510 --> 00:41:21,420

dance of energy really is what's going

1096

00:41:25,430 --> 00:41:23,520

on so

1097

00:41:27,770 --> 00:41:25,440

again we see lots of hints of this

1098

00:41:30,170 --> 00:41:27,780

already in quantum theory and as I've

1099

00:41:32,089 --> 00:41:30,180

talked about before there are physicists

1100

00:41:34,310 --> 00:41:32,099

like Nema arkane himmed who are doing

1101  
00:41:36,050 --> 00:41:34,320  
groundbreaking work because they've

1102  
00:41:38,329 --> 00:41:36,060  
recognized that even quantum theory

1103  
00:41:40,970 --> 00:41:38,339  
doesn't go far enough that you know

1104  
00:41:42,410 --> 00:41:40,980  
space time is fundamentally broken you

1105  
00:41:44,690 --> 00:41:42,420  
know as Donald Hoffman likes to quote

1106  
00:41:46,190 --> 00:41:44,700  
Ahmed he always says space-time is

1107  
00:41:46,910 --> 00:41:46,200  
doomed right and what he means by that

1108  
00:41:49,370 --> 00:41:46,920  
is

1109  
00:41:51,589 --> 00:41:49,380  
there's no way you can rescue that model

1110  
00:41:54,109 --> 00:41:51,599  
we already know enough to say that model

1111  
00:41:55,250 --> 00:41:54,119  
is not tenable it's not even just has a

1112  
00:41:57,170 --> 00:41:55,260  
few holes we've got to figure out which

1113  
00:41:59,810 --> 00:41:57,180

is what most people tend to believe

1114

00:42:00,829 --> 00:41:59,820

right without without real evidence his

1115

00:42:02,150 --> 00:42:00,839

Guinea because like you talked about

1116

00:42:04,670 --> 00:42:02,160

it's just what they've inherited right

1117

00:42:07,790 --> 00:42:04,680

we assume that if it's this strong

1118

00:42:09,770 --> 00:42:07,800

there's so much ascribing and

1119

00:42:11,750 --> 00:42:09,780

subscription I should say to this model

1120

00:42:13,730 --> 00:42:11,760

throughout our culture we assume there

1121

00:42:15,109 --> 00:42:13,740

must be good reason for it right and in

1122

00:42:16,730 --> 00:42:15,119

some ways there are we've talked about

1123

00:42:20,569 --> 00:42:16,740

this right how

1124

00:42:22,069 --> 00:42:20,579

science has been able to transform our

1125

00:42:23,870 --> 00:42:22,079

civilization right we've been able to

1126

00:42:25,730 --> 00:42:23,880

manipulate space-time in ways that we've

1127

00:42:28,910 --> 00:42:25,740

transformed our lives so tripled life

1128

00:42:30,230 --> 00:42:28,920

expectancy and you know we've got now ai

1129

00:42:31,430 --> 00:42:30,240

systems that can do a bunch of stuff

1130

00:42:34,670 --> 00:42:31,440

that we used to have to do ourselves

1131

00:42:38,930 --> 00:42:34,680

before right that's just beginning right

1132

00:42:40,490 --> 00:42:38,940

but that's all uh modeling nature right

1133

00:42:42,290 --> 00:42:40,500

predicting what nature is going to do it

1134

00:42:43,849 --> 00:42:42,300

doesn't tell you what nature actually is

1135

00:42:46,730 --> 00:42:43,859

underlyingly and that's the question

1136

00:42:48,530 --> 00:42:46,740

here not just what is nature

1137

00:42:52,069 --> 00:42:48,540

underlyingly what is the fabric of

1138

00:42:54,170 --> 00:42:52,079

reality but how would a different answer

1139

00:42:55,790 --> 00:42:54,180

to that question completely change the

1140

00:42:57,710 --> 00:42:55,800

UFO phenomenon question and the

1141

00:42:59,450 --> 00:42:57,720

paranormality question and the life

1142

00:43:01,970 --> 00:42:59,460

after death question and The Apparition

1143

00:43:05,630 --> 00:43:01,980

question right in other words all these

1144

00:43:07,609 --> 00:43:05,640

were connected because they are

1145

00:43:09,470 --> 00:43:07,619

um you know extensions of this one

1146

00:43:13,130 --> 00:43:09,480

question what is the nature of reality

1147

00:43:15,710 --> 00:43:13,140

and I'm saying that remarkably we don't

1148

00:43:17,450 --> 00:43:15,720

need government disclosure on this all

1149

00:43:18,890 --> 00:43:17,460

the signs were already there that the

1150

00:43:20,870 --> 00:43:18,900

physicalist model that tells you that

1151

00:43:22,910 --> 00:43:20,880

there's a material world apart from your

1152

00:43:25,490 --> 00:43:22,920

Consciousness or even worse that your

1153

00:43:27,530 --> 00:43:25,500

Consciousness is actually a byproduct of

1154

00:43:29,750 --> 00:43:27,540

some of the excitation of you know

1155

00:43:32,270 --> 00:43:29,760

biochemical processes which when they

1156

00:43:34,190 --> 00:43:32,280

break down there's nothing to you we

1157

00:43:36,170 --> 00:43:34,200

know that that's not true we there's

1158

00:43:37,970 --> 00:43:36,180

there's evidence now suggesting that

1159

00:43:39,770 --> 00:43:37,980

again the physicalist model is

1160

00:43:41,450 --> 00:43:39,780

completely untenable you cannot rescue

1161

00:43:44,270 --> 00:43:41,460

it it's not going through a tough phase

1162

00:43:45,349 --> 00:43:44,280

it just cannot be rescued and for those

1163

00:43:47,170 --> 00:43:45,359

who are really interested in learning

1164

00:43:49,609 --> 00:43:47,180

more about this I'd really recommend

1165

00:43:52,849 --> 00:43:49,619

Bernardo castrip and the Essentia

1166

00:43:55,849 --> 00:43:52,859

foundations analytic uh

1167

00:43:58,849 --> 00:43:55,859

idealism course where he breaks us down

1168

00:44:00,770 --> 00:43:58,859

really helps us understand how some of

1169

00:44:02,390 --> 00:44:00,780

what he calls our our basic intuitions

1170

00:44:04,670 --> 00:44:02,400

or what I would say are our

1171

00:44:06,410 --> 00:44:04,680

preconceptions or strong biases about

1172

00:44:09,349 --> 00:44:06,420

there being a physical world he

1173

00:44:11,809 --> 00:44:09,359

demonstrates methodically step by step

1174

00:44:12,589 --> 00:44:11,819

how it's just not the case

1175

00:44:15,950 --> 00:44:12,599

um

1176

00:44:17,870 --> 00:44:15,960

so you know you I think for me this is

1177

00:44:19,250 --> 00:44:17,880

why this is so fascinating because I'm

1178

00:44:21,410 --> 00:44:19,260

interested in what's happening in the

1179

00:44:24,170 --> 00:44:21,420

public sphere but I'm also aware that

1180

00:44:25,970 --> 00:44:24,180

it's come it's really that only gets you

1181

00:44:27,650 --> 00:44:25,980

halfway there right even if you get to

1182

00:44:30,589 --> 00:44:27,660

the the disclosure that there's other

1183

00:44:31,490 --> 00:44:30,599

beings and they have craft that seem to

1184

00:44:33,770 --> 00:44:31,500

be

1185

00:44:35,030 --> 00:44:33,780

you know sort of physical but sort of

1186

00:44:36,530 --> 00:44:35,040

not you know we're not even sure what

1187

00:44:37,730 --> 00:44:36,540

that is

1188

00:44:39,589 --> 00:44:37,740

um and

1189

00:44:41,510 --> 00:44:39,599

there's that but then there's this other

1190

00:44:43,130 --> 00:44:41,520

question which completely reframes the

1191

00:44:44,569 --> 00:44:43,140

first one so it's actually the deeper

1192

00:44:47,930 --> 00:44:44,579

and more important question which is

1193

00:44:49,849 --> 00:44:47,940

what is the fabric of reality

1194

00:44:52,430 --> 00:44:49,859

yeah and I you know I think about this

1195

00:44:57,170 --> 00:44:52,440

too from the perspective of

1196

00:45:04,490 --> 00:45:01,849

I think redeems The Human Experience and

1197

00:45:06,770 --> 00:45:04,500

I look around the world that I'm in now

1198

00:45:10,309 --> 00:45:06,780

and I see

1199

00:45:13,250 --> 00:45:10,319

this Poverty of

1200

00:45:15,109 --> 00:45:13,260

of understanding a Poverty of our of our

1201  
00:45:17,690 --> 00:45:15,119  
meaning making systems like the the

1202  
00:45:19,910 --> 00:45:17,700  
they're kind of broken

1203  
00:45:22,430 --> 00:45:19,920  
um they they worked for for a very long

1204  
00:45:24,109 --> 00:45:22,440  
time and and ordered the world and as

1205  
00:45:27,410 --> 00:45:24,119  
you pointed out earlier like have

1206  
00:45:29,569 --> 00:45:27,420  
resulted in great advancements and

1207  
00:45:31,550 --> 00:45:29,579  
you know I've helped us make sense of

1208  
00:45:33,829 --> 00:45:31,560  
you know who we are as a people and a

1209  
00:45:35,329 --> 00:45:33,839  
civilization and and that you know

1210  
00:45:37,190 --> 00:45:35,339  
they've done a lot of damage too in the

1211  
00:45:38,270 --> 00:45:37,200  
process that's not well forget you have

1212  
00:45:40,309 --> 00:45:38,280  
to point that out

1213  
00:45:44,030 --> 00:45:40,319

but we are at this place this juncture

1214

00:45:46,130 --> 00:45:44,040

in time now where

1215

00:45:47,750 --> 00:45:46,140

those systems are failing you know

1216

00:45:50,990 --> 00:45:47,760

they're they're really failing they're

1217

00:45:54,170 --> 00:45:51,000

breaking falling apart at the seams and

1218

00:45:56,569 --> 00:45:54,180

uh and I think everyone

1219

00:45:59,390 --> 00:45:56,579

in most everyone that I talk to like

1220

00:46:02,510 --> 00:45:59,400

senses that feels that

1221

00:46:04,730 --> 00:46:02,520

deep in their core but

1222

00:46:07,130 --> 00:46:04,740

we don't have anything that

1223

00:46:09,950 --> 00:46:07,140

is there to replace it or we we're

1224

00:46:12,230 --> 00:46:09,960

certainly uh fumbling around in the dark

1225

00:46:14,329 --> 00:46:12,240

you know for something that may be a

1226

00:46:17,510 --> 00:46:14,339

better substitute

1227

00:46:20,569 --> 00:46:17,520

um and for me this topic

1228

00:46:22,970 --> 00:46:20,579

opens the door to that possibility

1229

00:46:24,410 --> 00:46:22,980

right so that's why I look forward to

1230

00:46:25,790 --> 00:46:24,420

this I said this in the last episode I

1231

00:46:28,069 --> 00:46:25,800

look forward to you know these greater

1232

00:46:29,270 --> 00:46:28,079

disclosures because they present these

1233

00:46:31,010 --> 00:46:29,280

opportunities for us to have

1234

00:46:33,650 --> 00:46:31,020

conversations

1235

00:46:37,069 --> 00:46:33,660

with the people that we care about that

1236

00:46:40,910 --> 00:46:39,109

change the way that they relate to

1237

00:46:43,490 --> 00:46:40,920

themselves change the way they relate to

1238

00:46:46,870 --> 00:46:43,500

the world like deepen

1239

00:46:49,430 --> 00:46:46,880

and enhance all of those experiences

1240

00:46:51,650 --> 00:46:49,440

instead of relegating experience you

1241

00:46:52,730 --> 00:46:51,660

know human experience as you said you

1242

00:46:54,770 --> 00:46:52,740

know these little sort of chemical

1243

00:46:58,690 --> 00:46:54,780

processes that basically at the end of

1244

00:47:01,370 --> 00:46:58,700

the day mean not nothing you know we we

1245

00:47:04,130 --> 00:47:01,380

instead Elevate them and say these are

1246

00:47:06,589 --> 00:47:04,140

meaningful this is what Consciousness

1247

00:47:10,670 --> 00:47:06,599

does and that's something we are all

1248

00:47:14,510 --> 00:47:10,680

partaking in and it is beautiful and uh

1249

00:47:17,390 --> 00:47:14,520

and messy and worth celebrating and

1250

00:47:18,770 --> 00:47:17,400

and those strange things that you may

1251  
00:47:20,270 --> 00:47:18,780  
have experienced or the strange things

1252  
00:47:22,609 --> 00:47:20,280  
that kind of guide you in your life

1253  
00:47:25,130 --> 00:47:22,619  
those have meaning they're not just some

1254  
00:47:27,829 --> 00:47:25,140  
kind of random you know chemical lure

1255  
00:47:29,750 --> 00:47:27,839  
that you know arises out of your gut

1256  
00:47:32,089 --> 00:47:29,760  
bacteria or something like that you know

1257  
00:47:33,829 --> 00:47:32,099  
there's a lot of deeper meaning here at

1258  
00:47:36,650 --> 00:47:33,839  
stake

1259  
00:47:38,290 --> 00:47:36,660  
yeah not to mention you know we we are

1260  
00:47:40,609 --> 00:47:38,300  
quick to ascribe all sorts of

1261  
00:47:42,190 --> 00:47:40,619  
technological sophistication to these

1262  
00:47:44,569 --> 00:47:42,200  
others right

1263  
00:47:46,550 --> 00:47:44,579

and what they're coming with is very

1264

00:47:48,530 --> 00:47:46,560

often not a physicalist message right

1265

00:47:50,150 --> 00:47:48,540

they're supposedly Beyond us many of

1266

00:47:52,130 --> 00:47:50,160

them and they're saying

1267

00:47:53,870 --> 00:47:52,140

you know you've lost your spiritual

1268

00:47:56,510 --> 00:47:53,880

connection to all that is you've

1269

00:47:59,930 --> 00:47:56,520

believed this illusion of Separation

1270

00:48:01,730 --> 00:47:59,940

right you've believed that you are a

1271

00:48:04,190 --> 00:48:01,740

finite being that is around for a few

1272

00:48:05,569 --> 00:48:04,200

decades and then you're out like a flame

1273

00:48:07,370 --> 00:48:05,579

it never really meant anything right

1274

00:48:09,349 --> 00:48:07,380

it's just a cosmic fluke that even came

1275

00:48:10,970 --> 00:48:09,359

into existence and they're they're not

1276

00:48:12,530 --> 00:48:10,980

saying that right

1277

00:48:14,809 --> 00:48:12,540

and what's interesting to me is I hear

1278

00:48:16,069 --> 00:48:14,819

some people saying uh well they could

1279

00:48:17,510 --> 00:48:16,079

just be tricksters right that might be

1280

00:48:20,450 --> 00:48:17,520

just what they're saying to like fool us

1281

00:48:23,930 --> 00:48:20,460

and I'm like well why do you go there so

1282

00:48:26,750 --> 00:48:25,370

it may have something to do with what

1283

00:48:29,450 --> 00:48:26,760

I've talked about before this this

1284

00:48:31,190 --> 00:48:29,460

integral notion that Ken Wilbur uh

1285

00:48:34,490 --> 00:48:31,200

really championed this notion that the

1286

00:48:36,349 --> 00:48:34,500

pre-trans fallacy that when you are

1287

00:48:37,910 --> 00:48:36,359

actually hearing someone espouse a

1288

00:48:39,890 --> 00:48:37,920

perspective that's beyond your level of

1289

00:48:41,270 --> 00:48:39,900

Consciousness you will misinterpret it

1290

00:48:43,370 --> 00:48:41,280

as a lower

1291

00:48:45,349 --> 00:48:43,380

spiral on the Consciousness spiral right

1292

00:48:47,329 --> 00:48:45,359

it's like a lower level because it

1293

00:48:50,569 --> 00:48:47,339

sounds similar to you so you just place

1294

00:48:52,550 --> 00:48:50,579

it wherever you can right so

1295

00:48:54,109 --> 00:48:52,560

when they hear that sounds like a

1296

00:48:56,390 --> 00:48:54,119

spiritual message you know it sounds a

1297

00:48:58,309 --> 00:48:56,400

bit like Kumbaya to me so maybe these

1298

00:48:59,870 --> 00:48:58,319

are just but clearly they're beyond it

1299

00:49:01,550 --> 00:48:59,880

because they're technological so they

1300

00:49:03,650 --> 00:49:01,560

must be just fooling us right they must

1301  
00:49:06,050 --> 00:49:03,660  
be trying to dupe us like a cult leader

1302  
00:49:07,609 --> 00:49:06,060  
or something right so you see I think

1303  
00:49:08,870 --> 00:49:07,619  
people are not conscious that this is

1304  
00:49:10,069 --> 00:49:08,880  
what's going on in their mind but I

1305  
00:49:12,050 --> 00:49:10,079  
think this is what's actually happening

1306  
00:49:14,030 --> 00:49:12,060  
a lot of the time is that all these

1307  
00:49:17,990 --> 00:49:14,040  
steps are being made and they end up at

1308  
00:49:20,089 --> 00:49:18,000  
conclusion d uh when really many of

1309  
00:49:22,130 --> 00:49:20,099  
those steps in between you could call

1310  
00:49:25,490 --> 00:49:22,140  
into question because I think we have to

1311  
00:49:27,109 --> 00:49:25,500  
look at the face of it and say okay they

1312  
00:49:29,270 --> 00:49:27,119  
certainly seem to be more sophisticated

1313  
00:49:31,430 --> 00:49:29,280

than us technologically and it doesn't

1314

00:49:34,069 --> 00:49:31,440

necessarily mean they are morally more

1315

00:49:35,990 --> 00:49:34,079

advanced but it is interesting that so

1316

00:49:37,609 --> 00:49:36,000

often there's this Corollary

1317

00:49:39,410 --> 00:49:37,619

that they're also

1318

00:49:41,089 --> 00:49:39,420

more spiritual nature where they have

1319

00:49:43,190 --> 00:49:41,099

this kind of Oneness message they talk

1320

00:49:45,770 --> 00:49:43,200

about being connected to us we hear

1321

00:49:48,230 --> 00:49:45,780

about experiencers saying that the

1322

00:49:49,609 --> 00:49:48,240

illusion of Separation can dissolve to

1323

00:49:51,410 --> 00:49:49,619

the presence of these others and it was

1324

00:49:53,030 --> 00:49:51,420

kind of confusing and I'm going to say

1325

00:49:54,530 --> 00:49:53,040

discombobulating that's three times one

1326

00:49:56,770 --> 00:49:54,540

episode that's a group of Standards

1327

00:49:59,630 --> 00:49:56,780

right there

1328

00:50:01,490 --> 00:49:59,640

you know to the point where they they

1329

00:50:02,870 --> 00:50:01,500

they they they actually almost

1330

00:50:05,210 --> 00:50:02,880

experience it like a kind of death

1331

00:50:07,130 --> 00:50:05,220

because they're like who am I if I'm not

1332

00:50:08,750 --> 00:50:07,140

this bundle of things I thought I was

1333

00:50:10,849 --> 00:50:08,760

right if I can suddenly be something

1334

00:50:13,190 --> 00:50:10,859

else and still feel this sense of i

1335

00:50:14,809 --> 00:50:13,200

am-ness what does that say about the

1336

00:50:16,609 --> 00:50:14,819

nature of reality and the nature of my

1337

00:50:19,069 --> 00:50:16,619

own consciousness

1338

00:50:21,410 --> 00:50:19,079

yeah and you just to kind of take

1339

00:50:23,809 --> 00:50:21,420

something you said there too that hits

1340

00:50:26,410 --> 00:50:23,819

me a lot recently and that's how we

1341

00:50:30,410 --> 00:50:26,420

equate in our current time we equate

1342

00:50:33,770 --> 00:50:30,420

technology with moral superiority or you

1343

00:50:37,790 --> 00:50:33,780

know there are things in our world today

1344

00:50:40,510 --> 00:50:37,800

that we have adopted that we have uh

1345

00:50:44,750 --> 00:50:40,520

lashed on to as being valuable

1346

00:50:49,250 --> 00:50:44,760

meaningful uh that that signal to our

1347

00:50:52,430 --> 00:50:49,260

society that they are worthy and because

1348

00:50:54,950 --> 00:50:52,440

of that we attach to them

1349

00:50:56,930 --> 00:50:54,960

or whatever comes from them let's put it

1350

00:50:58,910 --> 00:50:56,940

that way whatever comes from them or

1351  
00:51:04,010 --> 00:50:58,920  
whatever is associated with with those

1352  
00:51:06,170 --> 00:51:04,020  
things we we Elevate as well and then

1353  
00:51:07,970 --> 00:51:06,180  
that's really a false you know

1354  
00:51:10,430 --> 00:51:07,980  
Association

1355  
00:51:12,650 --> 00:51:10,440  
um and

1356  
00:51:14,690 --> 00:51:12,660  
you know we really we we're in this

1357  
00:51:16,490 --> 00:51:14,700  
place I think that that pre-trans

1358  
00:51:17,630 --> 00:51:16,500  
fallacy is a great example you know

1359  
00:51:19,490 --> 00:51:17,640  
we're

1360  
00:51:20,809 --> 00:51:19,500  
we just don't have the language you know

1361  
00:51:24,470 --> 00:51:20,819  
we we're

1362  
00:51:26,510 --> 00:51:24,480  
we're doing the best we can and uh we're

1363  
00:51:27,950 --> 00:51:26,520

taking some leaps and and guests and and

1364

00:51:30,049 --> 00:51:27,960

understand our guessing and our

1365

00:51:31,970 --> 00:51:30,059

understanding of what this may be but

1366

00:51:35,150 --> 00:51:31,980

all we can do is compare it to what we

1367

00:51:37,069 --> 00:51:35,160

know and and we need to be very honest

1368

00:51:39,650 --> 00:51:37,079

with ourselves these comparisons are

1369

00:51:42,589 --> 00:51:39,660

probably poor

1370

00:51:45,170 --> 00:51:42,599

right right and I I think that

1371

00:51:46,069 --> 00:51:45,180

also uh makes me think about the fact

1372

00:51:48,950 --> 00:51:46,079

that

1373

00:51:50,750 --> 00:51:48,960

we should be careful not to conflate

1374

00:51:54,710 --> 00:51:50,760

the inability for us to comprehend

1375

00:51:57,109 --> 00:51:54,720

something with an intention of Deceit or

1376

00:51:59,150 --> 00:51:57,119

uh hiddenness from these others right

1377

00:52:01,130 --> 00:51:59,160

sometimes we assume they're one one to

1378

00:52:03,349 --> 00:52:01,140

one that listen you're not laying down

1379

00:52:04,849 --> 00:52:03,359

for me nice and square man so I feel

1380

00:52:07,010 --> 00:52:04,859

like there's deception going on here

1381

00:52:09,589 --> 00:52:07,020

right now I'll be the first one to say

1382

00:52:12,589 --> 00:52:09,599

that I think there are some in this

1383

00:52:14,270 --> 00:52:12,599

plethora right Myriad beings that are

1384

00:52:16,250 --> 00:52:14,280

out there

1385

00:52:17,569 --> 00:52:16,260

um across the Spectrum in terms of moral

1386

00:52:20,270 --> 00:52:17,579

development Consciousness development

1387

00:52:23,030 --> 00:52:20,280

there are some that do deceive and

1388

00:52:25,790 --> 00:52:23,040

deliberately uh lead astray but

1389

00:52:28,670 --> 00:52:25,800

sometimes it's just that it's not that

1390

00:52:30,230 --> 00:52:28,680

they're trying to be hidden from us or

1391

00:52:33,470 --> 00:52:30,240

make it more complicated than it could

1392

00:52:35,150 --> 00:52:33,480

be it's just that our notion is that

1393

00:52:37,430 --> 00:52:35,160

we're coming to the table with just

1394

00:52:39,589 --> 00:52:37,440

can't really they're not broad enough

1395

00:52:41,569 --> 00:52:39,599

deep enough to hold these realities and

1396

00:52:43,549 --> 00:52:41,579

so they end up looking disjointed we've

1397

00:52:45,230 --> 00:52:43,559

talked before or maybe not in this show

1398

00:52:48,049 --> 00:52:45,240

we have it in the community we've talked

1399

00:52:49,970 --> 00:52:48,059

about this notion that if you had like a

1400

00:52:52,609 --> 00:52:49,980

an object that existed in multiple

1401  
00:52:54,609 --> 00:52:52,619  
Dimensions beyond the three plus time in

1402  
00:52:57,290 --> 00:52:54,619  
this one and you saw it sort of

1403  
00:52:58,970 --> 00:52:57,300  
transforming into a 3D kind of object it

1404  
00:53:00,589 --> 00:52:58,980  
would look very very strange right it

1405  
00:53:02,569 --> 00:53:00,599  
might actually look nothing like what it

1406  
00:53:04,790 --> 00:53:02,579  
really looks like it is sixth or seventh

1407  
00:53:07,849 --> 00:53:04,800  
dimensional object right so so that kind

1408  
00:53:10,430 --> 00:53:07,859  
of notion right that whenever you have

1409  
00:53:12,890 --> 00:53:10,440  
to collapse a multi-dimensional object

1410  
00:53:15,109 --> 00:53:12,900  
into a an object with fewer Dimensions

1411  
00:53:17,210 --> 00:53:15,119  
you're going to corrupt it there's just

1412  
00:53:19,910 --> 00:53:17,220  
no way you can like literally there's no

1413  
00:53:22,790 --> 00:53:19,920

way you can contain the same amount of

1414

00:53:25,309 --> 00:53:22,800

information so that's really worth

1415

00:53:28,069 --> 00:53:25,319

thinking about here that

1416

00:53:31,069 --> 00:53:28,079

that it's not just that they are hiding

1417

00:53:33,109 --> 00:53:31,079

or they're not coming clean like a lot

1418

00:53:34,910 --> 00:53:33,119

of people will say that right like

1419

00:53:36,710 --> 00:53:34,920

my biggest problem is that they're not

1420

00:53:37,970 --> 00:53:36,720

just coming forward and saying look this

1421

00:53:39,589 --> 00:53:37,980

is the deal this is where we're from

1422

00:53:41,510 --> 00:53:39,599

this is why we're here right that kind

1423

00:53:43,670 --> 00:53:41,520

of thing and people a lot of people read

1424

00:53:47,710 --> 00:53:43,680

into that immediately

1425

00:53:50,210 --> 00:53:47,720

um you know false uh intentions or

1426

00:53:52,730 --> 00:53:50,220

deceit or you know

1427

00:53:54,290 --> 00:53:52,740

something just nefarious right like if

1428

00:53:55,609 --> 00:53:54,300

you don't tell me I'm going to be I'm

1429

00:53:58,190 --> 00:53:55,619

going to question that but of course

1430

00:53:59,990 --> 00:53:58,200

what we're doing there is we're basing

1431

00:54:02,930 --> 00:54:00,000

that on our Human Experience right and

1432

00:54:05,569 --> 00:54:02,940

we forget that we are the same evolved

1433

00:54:07,250 --> 00:54:05,579

species we we share a field of mentation

1434

00:54:09,349 --> 00:54:07,260

we share an evolutionary process

1435

00:54:10,910 --> 00:54:09,359

therefore we see a lot of things in the

1436

00:54:13,730 --> 00:54:10,920

same way we can have this conversation

1437

00:54:16,250 --> 00:54:13,740

as you pointed out even going a century

1438

00:54:17,510 --> 00:54:16,260

or two forward in our own species would

1439

00:54:20,049 --> 00:54:17,520

make some conversations almost

1440

00:54:23,450 --> 00:54:20,059

impossible right we're talking about

1441

00:54:25,250 --> 00:54:23,460

these others who may be

1442

00:54:26,750 --> 00:54:25,260

having a completely different experience

1443

00:54:29,930 --> 00:54:26,760

of space-time than us which again space

1444

00:54:32,089 --> 00:54:29,940

time is only a a temporary and partial

1445

00:54:35,030 --> 00:54:32,099

construct right it's a construct it's

1446

00:54:37,010 --> 00:54:35,040

not the base reality so this is again

1447

00:54:38,770 --> 00:54:37,020

you can see how we get here all the time

1448

00:54:41,630 --> 00:54:38,780

on this show because

1449

00:54:43,250 --> 00:54:41,640

these things I hear banted about in

1450

00:54:44,750 --> 00:54:43,260

social media and what not about well I

1451

00:54:47,089 --> 00:54:44,760

think this because of this and oh look

1452

00:54:49,549 --> 00:54:47,099

at this here and I'm like there's so

1453

00:54:51,890 --> 00:54:49,559

many assumptions brought to the table uh

1454

00:54:53,809 --> 00:54:51,900

about how much we feel like we know

1455

00:54:55,190 --> 00:54:53,819

right so there's this this adage of

1456

00:54:56,930 --> 00:54:55,200

saying you know

1457

00:54:58,250 --> 00:54:56,940

there's things you know things you don't

1458

00:55:01,130 --> 00:54:58,260

know and things you don't know that you

1459

00:55:04,430 --> 00:55:01,140

don't know right and that third category

1460

00:55:06,650 --> 00:55:04,440

is really in play here I think and uh

1461

00:55:08,270 --> 00:55:06,660

that's why it's interesting to me that

1462

00:55:11,510 --> 00:55:08,280

people say sometimes

1463

00:55:13,609 --> 00:55:11,520

these others seem to want to change our

1464

00:55:15,470 --> 00:55:13,619

view of reality now that may be true

1465

00:55:16,490 --> 00:55:15,480

especially when it comes to things like

1466

00:55:18,109 --> 00:55:16,500

you know the way we're treating the

1467

00:55:20,089 --> 00:55:18,119

Earth and each other we need some sort

1468

00:55:22,790 --> 00:55:20,099

of evolution of consciousness

1469

00:55:24,710 --> 00:55:22,800

to survive maybe but sometimes I think

1470

00:55:26,870 --> 00:55:24,720

it's just

1471

00:55:28,069 --> 00:55:26,880

you know par for the course we interact

1472

00:55:29,630 --> 00:55:28,079

with these beings like you talked about

1473

00:55:31,210 --> 00:55:29,640

you live on the coast and you experience

1474

00:55:34,069 --> 00:55:31,220

people coming from different cultures

1475

00:55:35,990 --> 00:55:34,079

you're going to be forced to deal with

1476

00:55:38,630 --> 00:55:36,000

different conceptions of the world

1477

00:55:40,670 --> 00:55:38,640

then uh than someone who lives maybe in

1478

00:55:42,650 --> 00:55:40,680

the midwest right you know it's just

1479

00:55:44,210 --> 00:55:42,660

that's just the nature of the Beast so

1480

00:55:46,069 --> 00:55:44,220

this may just be par for the course that

1481

00:55:48,950 --> 00:55:46,079

what we encounter these beings are so

1482

00:55:51,650 --> 00:55:48,960

different than us it inevitably forces

1483

00:55:54,650 --> 00:55:51,660

us to reckon with reality

1484

00:55:58,970 --> 00:55:54,660

and let's not forget that our we have a

1485

00:56:01,849 --> 00:55:58,980

temptation as well to idolize uh that

1486

00:56:03,650 --> 00:56:01,859

which exceeds us

1487

00:56:07,190 --> 00:56:03,660

um we have a long history of that human

1488

00:56:09,230 --> 00:56:07,200

wool civilizations and societies uh to

1489

00:56:12,230 --> 00:56:09,240

put onto a pedestal

1490

00:56:13,130 --> 00:56:12,240

those those other

1491

00:56:17,569 --> 00:56:13,140

um

1492

00:56:19,670 --> 00:56:17,579

have better technology or whatever and

1493

00:56:23,089 --> 00:56:19,680

say well you know this is the aspiration

1494

00:56:25,309 --> 00:56:23,099

this is what we should all change our

1495

00:56:27,950 --> 00:56:25,319

lives and you know cargo cult ourselves

1496

00:56:31,010 --> 00:56:27,960

into adopting and I think that's pretty

1497

00:56:32,990 --> 00:56:31,020

rampant in in our community as well as

1498

00:56:36,470 --> 00:56:33,000

this um you know you're hanging your

1499

00:56:38,390 --> 00:56:36,480

hopes and dreams on these others uh

1500

00:56:41,690 --> 00:56:38,400

because you you're looking in some ways

1501  
00:56:44,150 --> 00:56:41,700  
for a savior and and I think you're what

1502  
00:56:47,270 --> 00:56:44,160  
you're losing there is the core truth

1503  
00:56:49,549 --> 00:56:47,280  
that that they are on the same Journey

1504  
00:56:52,010 --> 00:56:49,559  
that we are on right then that that

1505  
00:56:53,930 --> 00:56:52,020  
they're not uh

1506  
00:56:55,910 --> 00:56:53,940  
we're all part of the same story here

1507  
00:56:58,490 --> 00:56:55,920  
and um

1508  
00:57:01,490 --> 00:56:58,500  
and that that that's a fundamental truth

1509  
00:57:03,589 --> 00:57:01,500  
that when you I think sit with it and

1510  
00:57:05,990 --> 00:57:03,599  
and adopt it grasp it like it does

1511  
00:57:07,970 --> 00:57:06,000  
change everything else about how you

1512  
00:57:10,309 --> 00:57:07,980  
look at this subject

1513  
00:57:12,430 --> 00:57:10,319

um hopefully it it provides you with a

1514

00:57:15,530 --> 00:57:12,440

little bit of um

1515

00:57:20,210 --> 00:57:15,540

you know sort of appreciation more solid

1516

00:57:22,130 --> 00:57:20,220

footing or for whatever this may be and

1517

00:57:26,630 --> 00:57:22,140

um I think that's pretty important as we

1518

00:57:28,670 --> 00:57:26,640

kind of move into these new Waters ahead

1519

00:57:30,890 --> 00:57:28,680

because we're gonna we're gonna you know

1520

00:57:32,450 --> 00:57:30,900

presumably uh and I'm I you know I could

1521

00:57:34,309 --> 00:57:32,460

be wrong we're gonna get get some more

1522

00:57:37,190 --> 00:57:34,319

we're gonna get some more nuggets of

1523

00:57:39,530 --> 00:57:37,200

Truth here from whatever you know

1524

00:57:41,450 --> 00:57:39,540

happens to be the the case that our

1525

00:57:44,750 --> 00:57:41,460

government knows and it's going to be

1526

00:57:47,870 --> 00:57:44,760

very tempting for us to kind of spin out

1527

00:57:50,049 --> 00:57:47,880

from those things like these

1528

00:57:55,490 --> 00:57:53,030

Fantastical hopes and dream you know

1529

00:57:56,930 --> 00:57:55,500

kind of uh really going to latch on to

1530

00:57:59,270 --> 00:57:56,940

some of that or it would be very

1531

00:58:01,190 --> 00:57:59,280

tempting to do so and I think we have to

1532

00:58:02,870 --> 00:58:01,200

kind of be careful with that and and

1533

00:58:06,589 --> 00:58:02,880

really start thinking more deeply about

1534

00:58:08,750 --> 00:58:06,599

well what does this really mean and uh

1535

00:58:12,049 --> 00:58:08,760

how are we connected to them and they to

1536

00:58:14,809 --> 00:58:12,059

us and what is this acknowledgment

1537

00:58:17,690 --> 00:58:14,819

of this presence into this reality what

1538

00:58:19,670 --> 00:58:17,700

does it do for the way that that we live

1539

00:58:23,510 --> 00:58:19,680

our lives what does it do for for the

1540

00:58:26,630 --> 00:58:23,520

way that they interact with us uh and

1541

00:58:29,109 --> 00:58:26,640

and as our society is our world ready

1542

00:58:32,270 --> 00:58:29,119

for that new way of interaction

1543

00:58:34,670 --> 00:58:32,280

because that's that's a huge part of

1544

00:58:35,510 --> 00:58:34,680

this right I mean as as civilizations in

1545

00:58:39,890 --> 00:58:35,520

the past

1546

00:58:41,569 --> 00:58:39,900

you know who uh you know were on the

1547

00:58:43,670 --> 00:58:41,579

North American continent you know had no

1548

00:58:46,490 --> 00:58:43,680

exposure to you know European

1549

00:58:49,670 --> 00:58:46,500

civilization like it radically changed

1550

00:58:52,430 --> 00:58:49,680

their world in many ways for the worse

1551

00:58:54,890 --> 00:58:52,440

um so we're talking about something that

1552

00:58:57,950 --> 00:58:54,900

could be uh as tectonically significant

1553

00:59:00,349 --> 00:58:57,960

as that if not more so uh so huge

1554

00:59:03,410 --> 00:59:00,359

ramifications there and and a reminder

1555

00:59:07,010 --> 00:59:03,420

that we have to be uh

1556

00:59:10,130 --> 00:59:07,020

you know cautious wise patient uh

1557

00:59:14,390 --> 00:59:10,140

thoughtful and and not be you know Brash

1558

00:59:16,190 --> 00:59:14,400

or quick to uh draw conclusions

1559

00:59:18,770 --> 00:59:16,200

yeah and I was thinking

1560

00:59:21,109 --> 00:59:18,780

in terms also of

1561

00:59:23,870 --> 00:59:21,119

you know you talked about this sense

1562

00:59:26,569 --> 00:59:23,880

that we kind of idolize uh technological

1563

00:59:27,589 --> 00:59:26,579

sophistication and understandably so I

1564

00:59:29,990 --> 00:59:27,599

mean we

1565

00:59:32,089 --> 00:59:30,000

Western Civilization has has changed

1566

00:59:33,710 --> 00:59:32,099

fundamentally changed our relationship

1567

00:59:36,170 --> 00:59:33,720

with reality

1568

00:59:39,109 --> 00:59:36,180

and so sort of de facto we've sort of

1569

00:59:40,549 --> 00:59:39,119

said well scientists Bravo you know you

1570

00:59:44,329 --> 00:59:40,559

triple their lifespans you gave us

1571

00:59:46,490 --> 00:59:44,339

microwaves and cell phones so you become

1572

00:59:49,130 --> 00:59:46,500

the new de facto Priests of the

1573

00:59:50,450 --> 00:59:49,140

civilization which you say goes right in

1574

00:59:55,309 --> 00:59:50,460

a very similar way to the Catholic

1575

00:59:59,089 --> 00:59:57,650

but what's interesting there and this is

1576

01:00:01,609 --> 00:59:59,099

where you know my background and

1577

01:00:03,770 --> 01:00:01,619

integral Theory again helps because in

1578

01:00:06,530 --> 01:00:03,780

integral Theory and sort of any kind of

1579

01:00:07,849 --> 01:00:06,540

second tier level of Consciousness what

1580

01:00:09,530 --> 01:00:07,859

you get in second tier that you don't

1581

01:00:11,630 --> 01:00:09,540

get in first here

1582

01:00:13,970 --> 01:00:11,640

is and it's is recognized as a second

1583

01:00:16,130 --> 01:00:13,980

tier like a completely new way because

1584

01:00:17,630 --> 01:00:16,140

it's there's one fundamental shift from

1585

01:00:19,549 --> 01:00:17,640

the earlier stages right so you have

1586

01:00:20,870 --> 01:00:19,559

this earlier group of stages that are

1587

01:00:23,510 --> 01:00:20,880

kind of all grouped together into this

1588

01:00:25,190 --> 01:00:23,520

one meta category of tier first tier and

1589

01:00:28,010 --> 01:00:25,200

the reason they are is because they tend

1590

01:00:30,230 --> 01:00:28,020

to each time they they roll out they

1591

01:00:32,809 --> 01:00:30,240

tend to reject the previous one they say

1592

01:00:34,609 --> 01:00:32,819

that was wrong this is the way to see

1593

01:00:36,470 --> 01:00:34,619

reality and that that holds sway for a

1594

01:00:39,530 --> 01:00:36,480

while until it begins to develop cracks

1595

01:00:41,630 --> 01:00:39,540

then it gives birth to a new uh

1596

01:00:43,730 --> 01:00:41,640

worldview stage of Consciousness and

1597

01:00:45,410 --> 01:00:43,740

those people say we reject the previous

1598

01:00:47,329 --> 01:00:45,420

one this is the way to go and that keeps

1599

01:00:50,270 --> 01:00:47,339

happening when you get to second tier

1600

01:00:51,890 --> 01:00:50,280

what changes is there's this recognition

1601  
01:00:55,309 --> 01:00:51,900  
that there's truth in each of those

1602  
01:00:57,890 --> 01:00:55,319  
previous stages partial truth albeit but

1603  
01:00:59,930 --> 01:00:57,900  
nevertheless truth and that you could

1604  
01:01:01,910 --> 01:00:59,940  
argue as can Wilbur knows that any

1605  
01:01:04,309 --> 01:01:01,920  
civilization that's existed across the

1606  
01:01:06,109 --> 01:01:04,319  
face of the Earth over time that had a

1607  
01:01:07,910 --> 01:01:06,119  
certain view of reality that they worked

1608  
01:01:09,950 --> 01:01:07,920  
with for a while there's probably some

1609  
01:01:11,750 --> 01:01:09,960  
validity there because they would have

1610  
01:01:14,210 --> 01:01:11,760  
stuck with it if it didn't hold some

1611  
01:01:16,849 --> 01:01:14,220  
level of Representative representational

1612  
01:01:18,170 --> 01:01:16,859  
truth to the underlying construct

1613  
01:01:20,569 --> 01:01:18,180

and so what's interesting when you think

1614

01:01:23,329 --> 01:01:20,579

about that is that in some ways for like

1615

01:01:24,829 --> 01:01:23,339

a shamanic culture this disclosure might

1616

01:01:26,690 --> 01:01:24,839

not be such a big deal they'll be like

1617

01:01:28,430 --> 01:01:26,700

well yeah we we do with these beings

1618

01:01:31,730 --> 01:01:28,440

like every night when the shaman goes

1619

01:01:33,109 --> 01:01:31,740

goes out to you know find out where the

1620

01:01:35,270 --> 01:01:33,119

next Harvest is going to be or whatever

1621

01:01:37,130 --> 01:01:35,280

you know or you know what so-and-so

1622

01:01:38,510 --> 01:01:37,140

should do for you know where they should

1623

01:01:40,370 --> 01:01:38,520

go live or something whatever family

1624

01:01:42,589 --> 01:01:40,380

comes to the shaman and says we'd like

1625

01:01:45,049 --> 01:01:42,599

to know this or you know the tribe says

1626

01:01:46,970 --> 01:01:45,059

we in the past we need to know where the

1627

01:01:49,250 --> 01:01:46,980

food's going to be next season this is

1628

01:01:50,930 --> 01:01:49,260

like a life or death situation right so

1629

01:01:53,089 --> 01:01:50,940

this is not just again to the

1630

01:01:54,650 --> 01:01:53,099

physicalists out there who are kind of

1631

01:01:56,690 --> 01:01:54,660

worship our way of seeing the world this

1632

01:01:58,730 --> 01:01:56,700

is not just people going in you know

1633

01:02:02,210 --> 01:01:58,740

taking a bunch of Ayahuasca and making

1634

01:02:06,230 --> 01:02:02,220

some stuff up like their survival is a

1635

01:02:07,849 --> 01:02:06,240

tribe often uh hinged on the shaman

1636

01:02:10,970 --> 01:02:07,859

getting real information from these

1637

01:02:13,309 --> 01:02:10,980

otherworldly beings right right and so

1638

01:02:14,809 --> 01:02:13,319

for them they go oh yeah I mean of

1639

01:02:16,370 --> 01:02:14,819

course I remember even

1640

01:02:18,349 --> 01:02:16,380

um Ross Coulter talked about this like

1641

01:02:22,069 --> 01:02:18,359

going in speaking with indigenous

1642

01:02:23,329 --> 01:02:22,079

peoples in Australia and them kind of

1643

01:02:24,650 --> 01:02:23,339

laughing and say yeah you white people

1644

01:02:25,970 --> 01:02:24,660

you know you act like this is a new

1645

01:02:27,589 --> 01:02:25,980

thing and it's such a big deal we've

1646

01:02:29,809 --> 01:02:27,599

been talking with these beings you know

1647

01:02:31,370 --> 01:02:29,819

since time immoral kind of thing

1648

01:02:33,349 --> 01:02:31,380

so

1649

01:02:35,329 --> 01:02:33,359

it just goes to show that is not to say

1650

01:02:37,190 --> 01:02:35,339

that our technological advancement isn't

1651

01:02:39,049 --> 01:02:37,200

important and as hasn't helped it has

1652

01:02:41,510 --> 01:02:39,059

again it's a both and here not an either

1653

01:02:43,609 --> 01:02:41,520

or the goal is not to just all move back

1654

01:02:46,430 --> 01:02:43,619

to a shamanic culture we can recognize

1655

01:02:48,410 --> 01:02:46,440

some of the the gains we've had but also

1656

01:02:51,950 --> 01:02:48,420

be honest about what we've lost you know

1657

01:02:53,990 --> 01:02:51,960

what in in our now flat Landing of

1658

01:02:55,849 --> 01:02:54,000

reality where we focus on the surface

1659

01:02:57,349 --> 01:02:55,859

layer where we manipulate nature as we

1660

01:02:59,390 --> 01:02:57,359

perceive it in the space-time construct

1661

01:03:01,490 --> 01:02:59,400

we've been very very successful but one

1662

01:03:03,829 --> 01:03:01,500

of the casualties is we assume

1663

01:03:07,010 --> 01:03:03,839

everything else is you know reducible to

1664

01:03:09,170 --> 01:03:07,020

subjective mush it's not really real uh

1665

01:03:10,250 --> 01:03:09,180

and yet we have cases like in shamanic

1666

01:03:12,289 --> 01:03:10,260

cultures where they're getting real

1667

01:03:15,410 --> 01:03:12,299

information from supposedly these

1668

01:03:18,289 --> 01:03:15,420

imaginary Realms so that says something

1669

01:03:20,329 --> 01:03:18,299

about you know what the future holds in

1670

01:03:21,589 --> 01:03:20,339

terms of bringing together these

1671

01:03:24,109 --> 01:03:21,599

different views hopefully in something

1672

01:03:25,789 --> 01:03:24,119

that's synergistic and and maybe moves

1673

01:03:28,010 --> 01:03:25,799

the whole thing forward

1674

01:03:28,970 --> 01:03:28,020

well don't you think that it's going to

1675

01:03:31,549 --> 01:03:28,980

be

1676

01:03:33,770 --> 01:03:31,559

a pretty protracted process right

1677

01:03:34,970 --> 01:03:33,780

because I I think that um I think of

1678

01:03:35,990 --> 01:03:34,980

everything you just said there and I

1679

01:03:39,410 --> 01:03:36,000

think about

1680

01:03:41,089 --> 01:03:39,420

our government you know maybe pulling

1681

01:03:43,430 --> 01:03:41,099

them kicking and streaming and screaming

1682

01:03:45,829 --> 01:03:43,440

you know in front of the podium to say

1683

01:03:50,089 --> 01:03:45,839

whatever they know but but at that point

1684

01:03:55,549 --> 01:03:53,150

the mechanisms and the uh the the

1685

01:03:59,510 --> 01:03:55,559

the institutions of our world are going

1686

01:04:01,670 --> 01:03:59,520

to be focused on that and and apply the

1687

01:04:04,670 --> 01:04:01,680

skills that they have to this problem

1688

01:04:06,770 --> 01:04:04,680

right to this new to this new reality

1689

01:04:08,990 --> 01:04:06,780

and so it's it's it's all of that that

1690

01:04:11,089 --> 01:04:09,000

stuff is physical it's like all of our

1691

01:04:12,829 --> 01:04:11,099

academic institutions you know all of

1692

01:04:15,230 --> 01:04:12,839

our science like it's just gonna throw

1693

01:04:17,630 --> 01:04:15,240

itself at this and go okay well you know

1694

01:04:19,609 --> 01:04:17,640

what's at the core of this and how do we

1695

01:04:21,829 --> 01:04:19,619

you know figure out what the technology

1696

01:04:24,589 --> 01:04:21,839

is or you know all the things that you

1697

01:04:26,150 --> 01:04:24,599

know that come along with that and if

1698

01:04:28,250 --> 01:04:26,160

that's true I feel like we've got a long

1699

01:04:30,170 --> 01:04:28,260

way to go you know from from that

1700

01:04:32,630 --> 01:04:30,180

approach in perspective to what we're

1701

01:04:36,349 --> 01:04:32,640

talking about here uh that there's kind

1702

01:04:38,210 --> 01:04:36,359

of a chasm in a way that it's not that

1703

01:04:39,170 --> 01:04:38,220

it can't be crossed but there are so

1704

01:04:42,349 --> 01:04:39,180

many

1705

01:04:44,690 --> 01:04:42,359

steps that must be you know put in place

1706

01:04:47,630 --> 01:04:44,700

to get from one side to the other you

1707

01:04:51,650 --> 01:04:47,640

know do you see room here for uh come

1708

01:04:53,510 --> 01:04:51,660

some radical leaps in our understanding

1709

01:04:55,370 --> 01:04:53,520

um you know maybe

1710

01:04:56,569 --> 01:04:55,380

because these systems we've talked about

1711

01:04:58,670 --> 01:04:56,579

before

1712

01:05:00,049 --> 01:04:58,680

you know they already have the these

1713

01:05:01,309 --> 01:05:00,059

cracks they're they're already kind of

1714

01:05:03,049 --> 01:05:01,319

falling apart they're already failing

1715

01:05:05,390 --> 01:05:03,059

and describing what we what we're

1716

01:05:07,190 --> 01:05:05,400

studying now maybe they will those

1717

01:05:09,349 --> 01:05:07,200

cracks just become more apparent and

1718

01:05:11,089 --> 01:05:09,359

then and then we're we're kind of left

1719

01:05:12,530 --> 01:05:11,099

with no other choice but to adopt some

1720

01:05:14,630 --> 01:05:12,540

newer models that may make sense of

1721

01:05:18,049 --> 01:05:14,640

things but do you do you see room here

1722

01:05:20,690 --> 01:05:18,059

for some uh in a significant for

1723

01:05:23,089 --> 01:05:20,700

momentum and not just like oh well

1724

01:05:24,650 --> 01:05:23,099

here's a here's a panel we're going to

1725

01:05:27,530 --> 01:05:24,660

study this and try to figure out you

1726

01:05:29,930 --> 01:05:27,540

know how we can you know turn this uh

1727

01:05:32,329 --> 01:05:29,940

alloy that we think it's in into some

1728

01:05:35,230 --> 01:05:32,339

other thing that we can do to you know

1729

01:05:38,990 --> 01:05:35,240

create a Hypersonic you know

1730

01:05:40,789 --> 01:05:39,000

jetliner what what do you think here

1731

01:05:42,530 --> 01:05:40,799

well I mean I think your pointing at

1732

01:05:44,150 --> 01:05:42,540

something really significant here and

1733

01:05:47,089 --> 01:05:44,160

that is that part of the reason why

1734

01:05:49,250 --> 01:05:47,099

disclosure is so complex and so

1735

01:05:51,530 --> 01:05:49,260

you know stutter step in terms of actual

1736

01:05:53,870 --> 01:05:51,540

actually moving forward is that it's

1737

01:05:56,809 --> 01:05:53,880

because so much is on the table like and

1738

01:05:59,990 --> 01:05:56,819

and most journalists most politicians

1739

01:06:01,910 --> 01:06:00,000

you know Joe public out there

1740

01:06:03,950 --> 01:06:01,920

doesn't believe that this is a

1741

01:06:05,809 --> 01:06:03,960

conversation about reality right they

1742

01:06:07,730 --> 01:06:05,819

they're like well I've got my religion

1743

01:06:09,890 --> 01:06:07,740

or maybe they're an atheist they've

1744

01:06:12,770 --> 01:06:09,900

determined everything's just you know a

1745

01:06:16,130 --> 01:06:12,780

biochemical soup and nothing more

1746

01:06:18,470 --> 01:06:16,140

um and in both of those groups will be

1747

01:06:21,470 --> 01:06:18,480

confounded by this information right and

1748

01:06:24,890 --> 01:06:21,480

so when you think about how many people

1749

01:06:27,230 --> 01:06:24,900

in our society will not be really

1750

01:06:29,870 --> 01:06:27,240

challenged by the implications here it's

1751

01:06:31,789 --> 01:06:29,880

a small number right and so I think

1752

01:06:33,650 --> 01:06:31,799

that's really what's going on here is is

1753

01:06:36,170 --> 01:06:33,660

when people say why are we not seeing

1754

01:06:38,390 --> 01:06:36,180

more you know pick up from the

1755

01:06:39,710 --> 01:06:38,400

journalists of the world right and I

1756

01:06:42,049 --> 01:06:39,720

think it's a valid question that's why I

1757

01:06:43,910 --> 01:06:42,059

brought up that that comment uh you know

1758

01:06:45,349 --> 01:06:43,920

or what Chris melon's been up to like

1759

01:06:47,569 --> 01:06:45,359

he's he's trying to do their job for

1760

01:06:49,910 --> 01:06:47,579

them and say you know

1761

01:06:52,849 --> 01:06:49,920

don't be fooled I mean it just like a

1762

01:06:55,069 --> 01:06:52,859

base level of journalistic integrity and

1763

01:06:56,150 --> 01:06:55,079

commitment would show you that what

1764

01:06:57,349 --> 01:06:56,160

they're telling you and what they're

1765

01:06:59,270 --> 01:06:57,359

actually doing are two different things

1766

01:07:00,770 --> 01:06:59,280

right it's a bait and switch here and

1767

01:07:01,970 --> 01:07:00,780

it's the oldest game in the book and why

1768

01:07:04,010 --> 01:07:01,980

are you falling for it and I think part

1769

01:07:06,529 --> 01:07:04,020

of the reason they're falling for it is

1770

01:07:08,150 --> 01:07:06,539

because underlyingly they don't want to

1771

01:07:10,190 --> 01:07:08,160

really

1772

01:07:12,230 --> 01:07:10,200

wrestle with this nor do they think they

1773

01:07:14,569 --> 01:07:12,240

even have to again so is that it's that

1774

01:07:17,210 --> 01:07:14,579

hubris again it's that arrogance that

1775

01:07:21,650 --> 01:07:17,220

come on seriously we've got to have like

1776

01:07:23,630 --> 01:07:21,660

98 99 of it down by now right so so if

1777

01:07:25,250 --> 01:07:23,640

ETS are in it then surely they're just

1778

01:07:27,650 --> 01:07:25,260

in that one percent range we haven't

1779

01:07:29,329 --> 01:07:27,660

quite got narrowed down and my

1780

01:07:31,490 --> 01:07:29,339

assumptions say you know we would see

1781

01:07:34,910 --> 01:07:31,500

signs of ships in the sky we would see

1782

01:07:36,470 --> 01:07:34,920

you know signs of trajectories coming in

1783

01:07:38,870 --> 01:07:36,480

from Jupiter we're not seeing that kind

1784

01:07:40,910 --> 01:07:38,880

of thing so in other words their notion

1785

01:07:42,650 --> 01:07:40,920

of what an ET civilization would look

1786

01:07:44,690 --> 01:07:42,660

like an ET visitation would look like

1787

01:07:46,910 --> 01:07:44,700

you're sort of like next level beyond

1788

01:07:48,589 --> 01:07:46,920

our technology right that's right but as

1789

01:07:50,870 --> 01:07:48,599

you said you get out a few hundred years

1790

01:07:52,130 --> 01:07:50,880

and even human existence would look

1791

01:07:54,349 --> 01:07:52,140

completely different

1792

01:07:56,089 --> 01:07:54,359

and yet that's all that a lot of

1793

01:07:57,470 --> 01:07:56,099

journalists and politicians and the

1794

01:07:59,450 --> 01:07:57,480

average person is willing to really

1795

01:08:01,069 --> 01:07:59,460

conceive of here is like Okay so let's

1796

01:08:02,809 --> 01:08:01,079

picture an at species that's like a

1797

01:08:04,069 --> 01:08:02,819

couple hundred years ahead they don't

1798

01:08:05,809 --> 01:08:04,079

say that to themselves but that's

1799

01:08:07,910 --> 01:08:05,819

effectively what they're doing right and

1800

01:08:10,190 --> 01:08:07,920

they say look I don't see the evidence

1801

01:08:11,270 --> 01:08:10,200

when you and I know that if we went back

1802

01:08:13,609 --> 01:08:11,280

to a

1803

01:08:16,070 --> 01:08:13,619

a pre-industrial or a even older

1804

01:08:18,289 --> 01:08:16,080

civilization you'll be very simple for

1805

01:08:20,269 --> 01:08:18,299

us to really really confuse them right

1806

01:08:22,309 --> 01:08:20,279

because

1807

01:08:24,829 --> 01:08:22,319

um you know you put on this this week I

1808

01:08:27,349 --> 01:08:24,839

was using this Oculus headset right and

1809

01:08:29,150 --> 01:08:27,359

it was this amazing experience and you

1810

01:08:30,709 --> 01:08:29,160

know you move around and of course as

1811

01:08:33,530 --> 01:08:30,719

you move the world that you're

1812

01:08:35,870 --> 01:08:33,540

perceiving moves around you so you were

1813

01:08:37,910 --> 01:08:35,880

to do that to someone like why you knock

1814

01:08:39,289 --> 01:08:37,920

them out and you put an Oculus headset

1815

01:08:40,130 --> 01:08:39,299

without them realizing they'd wake up

1816

01:08:42,950 --> 01:08:40,140

and they'd think they're in a different

1817

01:08:45,829 --> 01:08:42,960

world they would have no

1818

01:08:47,630 --> 01:08:45,839

inkling not even an inkling of how to

1819

01:08:48,829 --> 01:08:47,640

make sense of this as a virtual reality

1820

01:08:51,709 --> 01:08:48,839

display

1821

01:08:53,749 --> 01:08:51,719

that was manipulating their brain in

1822

01:08:55,309 --> 01:08:53,759

such a way that because it moves with

1823

01:09:00,590 --> 01:08:55,319

you as you turn and things like that

1824

01:09:02,450 --> 01:09:00,600

that you know their belief system says

1825

01:09:04,249 --> 01:09:02,460

this must be reality this is that's just

1826

01:09:06,709 --> 01:09:04,259

what reality does I turn and things

1827

01:09:09,590 --> 01:09:06,719

change in the physical world out there

1828

01:09:11,870 --> 01:09:09,600

right well this just goes to show how

1829

01:09:14,809 --> 01:09:11,880

how much of a forest this kind of thing

1830

01:09:17,510 --> 01:09:14,819

is because we really are not much

1831

01:09:20,030 --> 01:09:17,520

further ahead than those you know

1832

01:09:21,890 --> 01:09:20,040

ancestors 100 200 300 years ago who

1833

01:09:23,390 --> 01:09:21,900

really felt like we were we had pretty

1834

01:09:26,209 --> 01:09:23,400

much figured everything out right like

1835

01:09:28,669 --> 01:09:26,219

we've talked about this before how there

1836

01:09:31,729 --> 01:09:28,679

were people you know at the in the late

1837

01:09:34,550 --> 01:09:31,739

19th century who really thought it's

1838

01:09:35,809 --> 01:09:34,560

just like dotting eyes and Crossing T's

1839

01:09:37,910 --> 01:09:35,819

at this point I mean we've pretty much

1840

01:09:40,070 --> 01:09:37,920

are the science down right and then you

1841

01:09:42,829 --> 01:09:40,080

had the quantum Revolution which ripped

1842

01:09:44,749 --> 01:09:42,839

out everything right it's like uh was

1843

01:09:46,849 --> 01:09:44,759

that famous quote

1844

01:09:50,269 --> 01:09:46,859

um you know those who haven't

1845

01:09:52,070 --> 01:09:50,279

um been profoundly impacted by the

1846

01:09:53,510 --> 01:09:52,080

revelations of quantum mechanics haven't

1847

01:09:55,850 --> 01:09:53,520

understood it it's as simple as that

1848

01:09:57,890 --> 01:09:55,860

right like if you get it you recognize

1849

01:10:01,010 --> 01:09:57,900

whoa reality is not what I thought okay

1850

01:10:03,110 --> 01:10:01,020

nothing like it right determinism is not

1851

01:10:05,390 --> 01:10:03,120

a thing right local reality is not a

1852

01:10:07,189 --> 01:10:05,400

thing right these like you talked about

1853

01:10:08,870 --> 01:10:07,199

you read that one book about these guys

1854

01:10:10,790 --> 01:10:08,880

who either became Mystics because they

1855

01:10:11,630 --> 01:10:10,800

recognized this can be what we thought

1856

01:10:13,790 --> 01:10:11,640

it was

1857

01:10:15,410 --> 01:10:13,800

or they you know become suicidal or

1858

01:10:17,990 --> 01:10:15,420

something because they're the things

1859

01:10:20,330 --> 01:10:18,000

that they were so wedded to are gone and

1860

01:10:21,649 --> 01:10:20,340

they don't know what to replace it with

1861

01:10:24,770 --> 01:10:21,659

yeah it's

1862

01:10:27,110 --> 01:10:24,780

it's kind of sad but like I it's it's as

1863

01:10:28,430 --> 01:10:27,120

if we're literally looking at our

1864

01:10:30,890 --> 01:10:28,440

universe

1865

01:10:34,189 --> 01:10:30,900

as if we were standing on the shore of

1866

01:10:36,290 --> 01:10:34,199

the ocean with a spyglass and scanning

1867

01:10:39,530 --> 01:10:36,300

The Horizon of the ocean and being like

1868

01:10:40,910 --> 01:10:39,540

well who's who's gonna show up like if

1869

01:10:42,530 --> 01:10:40,920

they're if they're if they're out there

1870

01:10:43,970 --> 01:10:42,540

they're gonna show up on a boat and

1871

01:10:46,490 --> 01:10:43,980

they're going to show up on this ocean

1872

01:10:48,830 --> 01:10:46,500

and I'll be able to see them before they

1873

01:10:50,810 --> 01:10:48,840

get here and I haven't seen any of them

1874

01:10:53,350 --> 01:10:50,820

so they're just not there right I mean

1875

01:10:56,570 --> 01:10:53,360

like that's exactly what's happening now

1876

01:11:00,290 --> 01:10:56,580

and and it you know part of the issue I

1877

01:11:02,410 --> 01:11:00,300

think that you've just revealed is that

1878

01:11:05,030 --> 01:11:02,420

the reality

1879

01:11:07,490 --> 01:11:05,040

confronts us with how profoundly wrong

1880

01:11:10,250 --> 01:11:07,500

we actually are

1881

01:11:12,229 --> 01:11:10,260

and if we really think about that

1882

01:11:14,630 --> 01:11:12,239

like that's

1883

01:11:16,430 --> 01:11:14,640

hugely destabilizing

1884

01:11:18,229 --> 01:11:16,440

right and I think that's exactly what

1885

01:11:20,990 --> 01:11:18,239

the shop file was getting at back in

1886

01:11:22,910 --> 01:11:21,000

the 70s when he says that what the UFO

1887

01:11:25,430 --> 01:11:22,920

phenomenon fundamentally teaches us is

1888

01:11:26,870 --> 01:11:25,440

that we do not understand space time

1889

01:11:29,990 --> 01:11:26,880

now I would go further now and say

1890

01:11:32,149 --> 01:11:30,000

space-time's just not a thing but

1891

01:11:33,350 --> 01:11:32,159

even then he was saying it right and I

1892

01:11:34,850 --> 01:11:33,360

think the part of the reason why he

1893

01:11:36,110 --> 01:11:34,860

calls himself the ufologist the only

1894

01:11:38,030 --> 01:11:36,120

ufologist in the world who hasn't

1895

01:11:39,950 --> 01:11:38,040

figured out what it is he's kind of

1896

01:11:42,590 --> 01:11:39,960

being you know humorous there

1897

01:11:44,750 --> 01:11:42,600

but he's also sort of steered clear of

1898

01:11:47,450 --> 01:11:44,760

ufology and those circles because he

1899

01:11:49,130 --> 01:11:47,460

recognizes so few people are willing to

1900

01:11:51,649 --> 01:11:49,140

ask the Deep questions the big questions

1901

01:11:53,090 --> 01:11:51,659

you know what can we say about this with

1902

01:11:55,189 --> 01:11:53,100

our current understanding of reality

1903

01:11:57,950 --> 01:11:55,199

when we don't understand space-time you

1904

01:12:00,350 --> 01:11:57,960

know like how do you begin to build a

1905

01:12:03,350 --> 01:12:00,360

model when your presuppositions have

1906

01:12:04,850 --> 01:12:03,360

been shown to be faulty right and that's

1907

01:12:06,530 --> 01:12:04,860

exactly like you said that's that's what

1908

01:12:07,790 --> 01:12:06,540

this shows us is that we are just not

1909

01:12:10,729 --> 01:12:07,800

prepared

1910

01:12:13,790 --> 01:12:10,739

uh to to reckon with this with our

1911

01:12:14,689 --> 01:12:13,800

current tools and so in many ways you

1912

01:12:16,310 --> 01:12:14,699

know this is where we get really

1913

01:12:18,290 --> 01:12:16,320

post-modern and it's it's a

1914

01:12:19,550 --> 01:12:18,300

deconstructionist movement right it's

1915

01:12:21,830 --> 01:12:19,560

about saying

1916

01:12:23,689 --> 01:12:21,840

you know or or in eastern spiritual

1917

01:12:26,149 --> 01:12:23,699

Traditions they'll Define God by what he

1918

01:12:28,189 --> 01:12:26,159

or what he or it or she is not right

1919

01:12:30,350 --> 01:12:28,199

there's this kind of definition by

1920

01:12:32,630 --> 01:12:30,360

negation because the notion is

1921

01:12:34,970 --> 01:12:32,640

who are we as finite beings to say what

1922

01:12:37,790 --> 01:12:34,980

the ultimate is right how can we do that

1923

01:12:39,470 --> 01:12:37,800

that's fundamentally an absurd idea so

1924

01:12:41,390 --> 01:12:39,480

we'll say what we know it isn't we're

1925

01:12:44,090 --> 01:12:41,400

pretty sure it's not but we won't dare

1926

01:12:46,310 --> 01:12:44,100

try and say what it is and in many ways

1927

01:12:48,050 --> 01:12:46,320

that's the way we should be interacting

1928

01:12:49,910 --> 01:12:48,060

with this phenomenon we should be saying

1929

01:12:51,530 --> 01:12:49,920

at this point we should be gathering

1930

01:12:53,330 --> 01:12:51,540

data and that's that's you know again to

1931

01:12:55,250 --> 01:12:53,340

his credit that's what valet has done

1932

01:12:57,830 --> 01:12:55,260

for decades right is is

1933

01:13:00,290 --> 01:12:57,840

hold open the question don't prematurely

1934

01:13:03,110 --> 01:13:00,300

commit to Solutions because the second

1935

01:13:04,130 --> 01:13:03,120

you do like we again using Omega points

1936

01:13:06,590 --> 01:13:04,140

language

1937

01:13:09,050 --> 01:13:06,600

uh you know you what you focus on will

1938

01:13:11,750 --> 01:13:09,060

determine what you miss right so so try

1939

01:13:13,850 --> 01:13:11,760

not to focus too much have the have the

1940

01:13:16,430 --> 01:13:13,860

wide gaze right

1941

01:13:18,350 --> 01:13:16,440

um and the soft focus so that you stay

1942

01:13:19,850 --> 01:13:18,360

alert for anything that could be there

1943

01:13:22,910 --> 01:13:19,860

that's giving you some sort of clue

1944

01:13:27,350 --> 01:13:22,920

about what this uh ultimately is yeah

1945

01:13:30,350 --> 01:13:27,360

yeah shock seems to have uh taken stock

1946

01:13:33,290 --> 01:13:30,360

and and made the wise decision right not

1947

01:13:35,689 --> 01:13:33,300

wetting himself too strongly to a

1948

01:13:36,709 --> 01:13:35,699

particular notion

1949

01:13:38,750 --> 01:13:36,719

um

1950

01:13:40,610 --> 01:13:38,760

that can be frustrating for many and

1951

01:13:42,890 --> 01:13:40,620

because I think we really want some

1952

01:13:46,390 --> 01:13:42,900

solid answers here

1953

01:13:49,010 --> 01:13:46,400

um and and that you know that need

1954

01:13:50,990 --> 01:13:49,020

underlies this

1955

01:13:53,810 --> 01:13:51,000

you know energy that we see in the

1956

01:13:56,330 --> 01:13:53,820

community for the next Revelation the

1957

01:13:58,550 --> 01:13:56,340

next you know video the next

1958

01:14:02,390 --> 01:13:58,560

witness whatever it is

1959

01:14:06,050 --> 01:14:02,400

we are operating in a

1960

01:14:09,950 --> 01:14:06,060

you know in a desert of information

1961

01:14:11,390 --> 01:14:09,960

um and and we've felt drops of rain we

1962

01:14:12,530 --> 01:14:11,400

know it's we know that there's water

1963

01:14:14,810 --> 01:14:12,540

somewhere

1964

01:14:16,850 --> 01:14:14,820

but we're we're really thirsty you know

1965

01:14:18,709 --> 01:14:16,860

so please give us some more water so we

1966

01:14:22,550 --> 01:14:18,719

can kind of survive here that's kind of

1967

01:14:26,149 --> 01:14:22,560

the uh the feeling that I have is that

1968

01:14:30,290 --> 01:14:26,159

there's a desperation in many ways

1969

01:14:33,110 --> 01:14:30,300

at work and um

1970

01:14:35,209 --> 01:14:33,120

and I understand that right but but I

1971

01:14:36,950 --> 01:14:35,219

think if you sit with that feeling and

1972

01:14:37,970 --> 01:14:36,960

and you think about other times in your

1973

01:14:40,370 --> 01:14:37,980

life where you've really wanted

1974

01:14:42,290 --> 01:14:40,380

something right so you really felt like

1975

01:14:44,330 --> 01:14:42,300

you had to have this thing

1976

01:14:46,310 --> 01:14:44,340

uh when you get the thing that you feel

1977

01:14:48,530 --> 01:14:46,320

like you really really wanted uh well I

1978

01:14:49,790 --> 01:14:48,540

mean what happens next

1979

01:14:51,229 --> 01:14:49,800

there's a new thing that you really

1980

01:14:52,490 --> 01:14:51,239

really want there's a new thing that you

1981

01:14:54,530 --> 01:14:52,500

really really feel like you have to have

1982

01:14:56,630 --> 01:14:54,540

and that you need and and your energy

1983

01:14:59,750 --> 01:14:56,640

and you pointed this out many times is

1984

01:15:02,450 --> 01:14:59,760

uh is then just like just that cycle

1985

01:15:04,370 --> 01:15:02,460

occurs all over again and uh and

1986

01:15:07,910 --> 01:15:04,380

ultimately you're never satisfied

1987

01:15:10,430 --> 01:15:07,920

because at the core you're not fixated

1988

01:15:11,930 --> 01:15:10,440

on the right thing you're you're what

1989

01:15:12,890 --> 01:15:11,940

you want is something you're never going

1990

01:15:15,169 --> 01:15:12,900

to have

1991

01:15:17,630 --> 01:15:15,179

you know so so kind of learning to get

1992

01:15:19,910 --> 01:15:17,640

rid of that desire is uh

1993

01:15:22,970 --> 01:15:19,920

you know what would actually be your

1994

01:15:26,810 --> 01:15:25,130

yeah and I think too I I would also

1995

01:15:29,030 --> 01:15:26,820

point out that

1996

01:15:30,229 --> 01:15:29,040

just so I don't confuse people because I

1997

01:15:32,270 --> 01:15:30,239

think in

1998

01:15:33,830 --> 01:15:32,280

based on more recent episodes both on

1999

01:15:35,149 --> 01:15:33,840

this show and on point of convergence

2000

01:15:37,370 --> 01:15:35,159

they might be

2001

01:15:38,510 --> 01:15:37,380

wondering if I'm now saying uh you know

2002

01:15:40,430 --> 01:15:38,520

my hands are in the air and I have no

2003

01:15:43,729 --> 01:15:40,440

idea what this is so I feel like I do

2004

01:15:46,970 --> 01:15:43,739

have a strong sense of of the sort of

2005

01:15:48,890 --> 01:15:46,980

metaphysical architecture if you will

2006

01:15:50,930 --> 01:15:48,900

um but as you can see as I try to roll

2007

01:15:53,990 --> 01:15:50,940

it out as I try to describe it it's it's

2008

01:15:55,729 --> 01:15:54,000

very very complex and it rips out almost

2009

01:15:57,950 --> 01:15:55,739

every

2010

01:16:00,590 --> 01:15:57,960

um you know foundational layer we have

2011

01:16:04,130 --> 01:16:00,600

everything we use to prop up the floor

2012

01:16:06,709 --> 01:16:04,140

of our existence gets pulled out and it

2013

01:16:09,350 --> 01:16:06,719

it ends up offending or confounding

2014

01:16:13,010 --> 01:16:09,360

almost every different uh kind of

2015

01:16:15,470 --> 01:16:13,020

thinking group or belief group or system

2016

01:16:20,390 --> 01:16:17,270

and I'm truly not the only one like I

2017

01:16:22,430 --> 01:16:20,400

think again uh even even Bernardo Castro

2018

01:16:25,250 --> 01:16:22,440

you know who's put forward analytic

2019

01:16:26,390 --> 01:16:25,260

idealism with the Essentia Foundation he

2020

01:16:28,850 --> 01:16:26,400

wrote a book called meaning and

2021

01:16:32,990 --> 01:16:28,860

absurdity and I talked a bit about that

2022

01:16:35,270 --> 01:16:33,000

in my presentation in New York and his

2023

01:16:38,090 --> 01:16:35,280

point is that

2024

01:16:40,790 --> 01:16:38,100

what we think of as reality quote

2025

01:16:42,950 --> 01:16:40,800

unquote is not nearly as fixed as we

2026

01:16:44,810 --> 01:16:42,960

think it is and depending on the

2027

01:16:46,310 --> 01:16:44,820

consciousness of different groups of

2028

01:16:48,350 --> 01:16:46,320

people so that you get in certain parts

2029

01:16:49,550 --> 01:16:48,360

of the world

2030

01:16:52,970 --> 01:16:49,560

you'll get a slightly different

2031

01:16:55,430 --> 01:16:52,980

rendering of reality because either it's

2032

01:16:57,110 --> 01:16:55,440

that group of people that impacts the

2033

01:16:58,729 --> 01:16:57,120

field of meditation around them right

2034

01:17:00,950 --> 01:16:58,739

you have this um

2035

01:17:03,290 --> 01:17:00,960

you have this boundary where he would

2036

01:17:05,149 --> 01:17:03,300

say you have an impinge impingement on

2037

01:17:06,709 --> 01:17:05,159

that boundary right by Consciousness it

2038

01:17:08,630 --> 01:17:06,719

begins to change

2039

01:17:10,550 --> 01:17:08,640

this structure of reality around it

2040

01:17:12,950 --> 01:17:10,560

because again those are not two things

2041

01:17:15,470 --> 01:17:12,960

that's when people go oh man that sounds

2042

01:17:17,149 --> 01:17:15,480

so new age man that you're saying my

2043

01:17:19,910 --> 01:17:17,159

Consciousness changes physical reality

2044

01:17:23,149 --> 01:17:19,920

I'm saying no what's more true is that

2045

01:17:25,729 --> 01:17:23,159

those are not two things right and so

2046

01:17:27,350 --> 01:17:25,739

there's just this field of interference

2047

01:17:29,450 --> 01:17:27,360

going on all the time between these

2048

01:17:31,729 --> 01:17:29,460

different agents that are part of which

2049

01:17:34,610 --> 01:17:31,739

again are ultimately the same thing but

2050

01:17:36,770 --> 01:17:34,620

they're temporarily excitations of

2051

01:17:39,830 --> 01:17:36,780

Consciousness taking on temporary form

2052

01:17:42,950 --> 01:17:39,840

and the same way that if you uh you know

2053

01:17:44,330 --> 01:17:42,960

you have two waves that cross you get

2054

01:17:47,030 --> 01:17:44,340

what's called an interference pattern

2055

01:17:48,290 --> 01:17:47,040

right and again we get this with a

2056

01:17:50,390 --> 01:17:48,300

double slit experiment this famous

2057

01:17:52,250 --> 01:17:50,400

Notions and and observations that were

2058

01:17:54,050 --> 01:17:52,260

made in quantum mechanics but I'm saying

2059

01:17:58,070 --> 01:17:54,060

reality is like that all the way up in a

2060

01:18:00,410 --> 01:17:58,080

way down microscopic macroscopic and so

2061

01:18:02,510 --> 01:18:00,420

his point Bernardo cavstrip was that

2062

01:18:04,010 --> 01:18:02,520

really

2063

01:18:05,270 --> 01:18:04,020

and I've heard Whitley struber say

2064

01:18:07,370 --> 01:18:05,280

similar things based just on his

2065

01:18:09,290 --> 01:18:07,380

experience that if you hear stories that

2066

01:18:11,990 --> 01:18:09,300

are too straight laced like too much

2067

01:18:14,149 --> 01:18:12,000

like an ET craft came down from Saturn

2068

01:18:15,950 --> 01:18:14,159

they came in they gave me some great

2069

01:18:18,530 --> 01:18:15,960

like geo-coordinate information about

2070

01:18:21,229 --> 01:18:18,540

like the rings of Saturn and we talked

2071

01:18:22,790 --> 01:18:21,239

about you know the the meteor belt and

2072

01:18:24,470 --> 01:18:22,800

what's going on there that he took off

2073

01:18:25,910 --> 01:18:24,480

and went back right because they've got

2074

01:18:27,590 --> 01:18:25,920

a scientific Expedition that sounds all

2075

01:18:30,590 --> 01:18:27,600

very nice and clean cut and science

2076

01:18:33,890 --> 01:18:30,600

fiction right and what we usually get is

2077

01:18:35,810 --> 01:18:33,900

these bizarre situations where

2078

01:18:37,790 --> 01:18:35,820

you know like we talked about you know

2079

01:18:40,070 --> 01:18:37,800

Jim Joe simmington with the the Italians

2080

01:18:41,630 --> 01:18:40,080

Landing right and giving giving him

2081

01:18:42,950 --> 01:18:41,640

pancakes right those kind of things

2082

01:18:46,189 --> 01:18:42,960

where

2083

01:18:48,530 --> 01:18:46,199

it it confounds us and we say that can't

2084

01:18:50,330 --> 01:18:48,540

be real because that's just too weird it

2085

01:18:51,530 --> 01:18:50,340

and it's weird in a way that doesn't

2086

01:18:55,930 --> 01:18:51,540

even

2087

01:18:58,370 --> 01:18:55,940

it's just annoyingly weird right

2088

01:19:00,290 --> 01:18:58,380

and yet these are the stories and so

2089

01:19:01,610 --> 01:19:00,300

bernardo's point is that he's more

2090

01:19:04,729 --> 01:19:01,620

likely to believe a story like Joe

2091

01:19:07,130 --> 01:19:04,739

Simmons than Bill Smith who says you

2092

01:19:09,110 --> 01:19:07,140

know this the Saturn people landed and

2093

01:19:11,689 --> 01:19:09,120

gave me some information about quantum

2094

01:19:13,370 --> 01:19:11,699

mechanics so I could build a a particle

2095

01:19:14,510 --> 01:19:13,380

accelerator that's better than CERN or

2096

01:19:16,250 --> 01:19:14,520

something like that that's that's what

2097

01:19:18,770 --> 01:19:16,260

our physicalist model wants to hear

2098

01:19:19,790 --> 01:19:18,780

that's why the journalists are saying I

2099

01:19:21,410 --> 01:19:19,800

don't think it's happening because we're

2100

01:19:23,330 --> 01:19:21,420

not seeing these beings bringing this

2101  
01:19:26,390 --> 01:19:23,340  
kind of information what we're getting

2102  
01:19:28,669 --> 01:19:26,400  
is like these these uh neo-humans that

2103  
01:19:30,830 --> 01:19:28,679  
look like Italians bringing pancakes

2104  
01:19:33,229 --> 01:19:30,840  
right things like things like that

2105  
01:19:34,910 --> 01:19:33,239  
um or Cryptids or like we've talked

2106  
01:19:36,830 --> 01:19:34,920  
before like a seven foot eight foot tall

2107  
01:19:40,130 --> 01:19:36,840  
wolf being leaning against the Pole

2108  
01:19:43,610 --> 01:19:40,140  
right or he's uh you know Dino beavers

2109  
01:19:45,410 --> 01:19:43,620  
and and skinwalkers of the Pentagon I'm

2110  
01:19:46,550 --> 01:19:45,420  
kind of laughing here not because I

2111  
01:19:49,189 --> 01:19:46,560  
don't think those things are true but

2112  
01:19:52,189 --> 01:19:49,199  
because they are true and I know that

2113  
01:19:55,610 --> 01:19:52,199

how that lands in our current milieu

2114

01:19:58,570 --> 01:19:55,620

just one one doesn't fit the other and

2115

01:20:01,430 --> 01:19:58,580

so that just pushes back the disclosure

2116

01:20:02,630 --> 01:20:01,440

piece not because in that case not

2117

01:20:04,910 --> 01:20:02,640

because government's not bringing

2118

01:20:07,130 --> 01:20:04,920

forward but people are like that's the

2119

01:20:09,470 --> 01:20:07,140

kind of disclosure I do not want right

2120

01:20:11,630 --> 01:20:09,480

sure number one is 2D stabilizing but

2121

01:20:13,490 --> 01:20:11,640

before I even get to destabilizing it's

2122

01:20:15,590 --> 01:20:13,500

just too unbelievable and therefore I

2123

01:20:17,510 --> 01:20:15,600

just I won't go there yeah I mean it's

2124

01:20:19,130 --> 01:20:17,520

incredibly frustrating and I can I can

2125

01:20:23,110 --> 01:20:19,140

just hear the complaints already you

2126

01:20:25,070 --> 01:20:23,120

know because our our models of empirical

2127

01:20:26,450 --> 01:20:25,080

observation like they're just they're

2128

01:20:29,110 --> 01:20:26,460

not even added they're not adequately

2129

01:20:31,430 --> 01:20:29,120

prepared to to understand this

2130

01:20:34,310 --> 01:20:31,440

you know that we don't have the right

2131

01:20:37,070 --> 01:20:34,320

tools and so I mean you can we just

2132

01:20:39,709 --> 01:20:37,080

throw our hands up well I mean how do I

2133

01:20:41,810 --> 01:20:39,719

how do I know what what is true at all I

2134

01:20:45,290 --> 01:20:41,820

I kind of I get the right tools to make

2135

01:20:46,910 --> 01:20:45,300

the evaluation I think that is uh where

2136

01:20:50,030 --> 01:20:46,920

many are and you know I am there too

2137

01:20:53,090 --> 01:20:50,040

sometimes I mean we um

2138

01:20:55,550 --> 01:20:53,100

when the best tool in our toolkit is a

2139

01:20:58,070 --> 01:20:55,560

metaphysical model that makes the the

2140

01:20:59,870 --> 01:20:58,080

most sense of it right like that that

2141

01:21:02,390 --> 01:20:59,880

we're already in territory that we're

2142

01:21:05,930 --> 01:21:02,400

uncomfortable in because

2143

01:21:07,610 --> 01:21:05,940

our tools look like a hammer and look

2144

01:21:10,250 --> 01:21:07,620

like a screwdriver it looked like a

2145

01:21:12,530 --> 01:21:10,260

microscope you know so you can see how

2146

01:21:15,890 --> 01:21:12,540

we're really in a tough bind in a way

2147

01:21:18,530 --> 01:21:15,900

and you know I'm interested in however

2148

01:21:21,709 --> 01:21:18,540

this unfolds like I would like to see

2149

01:21:24,410 --> 01:21:21,719

our civilization be affected and

2150

01:21:26,510 --> 01:21:24,420

impacted and changed for the better and

2151  
01:21:28,149 --> 01:21:26,520  
I would like to see that happen in in

2152  
01:21:34,370 --> 01:21:28,159  
the most

2153  
01:21:36,950 --> 01:21:34,380  
way right so right I think that we we

2154  
01:21:39,530 --> 01:21:36,960  
have a vested interest in this being a

2155  
01:21:42,110 --> 01:21:39,540  
positive change in transformation for

2156  
01:21:44,510 --> 01:21:42,120  
the world not something that you know is

2157  
01:21:46,310 --> 01:21:44,520  
going to be catastrophic and you know

2158  
01:21:47,870 --> 01:21:46,320  
runs on the grocery store at the gas

2159  
01:21:50,390 --> 01:21:47,880  
pump like this this could be very very

2160  
01:21:52,430 --> 01:21:50,400  
bad and and with that being said we

2161  
01:21:56,030 --> 01:21:52,440  
we've talked about it many times I mean

2162  
01:21:59,330 --> 01:21:56,040  
if that if that if that is a likely

2163  
01:22:01,790 --> 01:21:59,340

result of some of these Revelations if

2164

01:22:03,590 --> 01:22:01,800

you're behind the desk you know at the

2165

01:22:06,110 --> 01:22:03,600

Pentagon or whatever whoever these

2166

01:22:08,330 --> 01:22:06,120

decision makers are you're looking at

2167

01:22:12,050 --> 01:22:08,340

that and going yeah this that we don't

2168

01:22:14,030 --> 01:22:12,060

have we don't have the tools yet right

2169

01:22:16,490 --> 01:22:14,040

you're looking at the landscape and

2170

01:22:19,610 --> 01:22:16,500

saying the tools don't exist and if

2171

01:22:22,610 --> 01:22:19,620

without them we are at the mercy of our

2172

01:22:24,530 --> 01:22:22,620

base desires our base behaviors so the

2173

01:22:26,870 --> 01:22:24,540

responsible thing is to wait until the

2174

01:22:29,330 --> 01:22:26,880

tools are there and then we can have

2175

01:22:31,510 --> 01:22:29,340

this conversation

2176

01:22:34,189 --> 01:22:31,520

yeah there's there's so many

2177

01:22:36,050 --> 01:22:34,199

caveats here there's so many factors

2178

01:22:37,490 --> 01:22:36,060

that have held back disclosure but

2179

01:22:39,050 --> 01:22:37,500

that's we're back to that kicking the

2180

01:22:41,630 --> 01:22:39,060

can down the road again

2181

01:22:43,610 --> 01:22:41,640

um and that's a big part of it you know

2182

01:22:45,830 --> 01:22:43,620

it's not just that

2183

01:22:47,630 --> 01:22:45,840

we're not sure how the public will

2184

01:22:48,830 --> 01:22:47,640

handle this when we disclose it but we

2185

01:22:51,709 --> 01:22:48,840

don't even know how to describe what it

2186

01:22:53,570 --> 01:22:51,719

is that we're disclosing right and uh

2187

01:22:55,610 --> 01:22:53,580

anybody who has any kind of background

2188

01:22:58,370 --> 01:22:55,620

in public relations or marketing knows

2189

01:22:59,689 --> 01:22:58,380

that what you don't want to do is hold a

2190

01:23:01,669 --> 01:22:59,699

conference when you don't even know what

2191

01:23:02,810 --> 01:23:01,679

you're saying and and you know from the

2192

01:23:04,610 --> 01:23:02,820

get-go that it's going to sound

2193

01:23:07,310 --> 01:23:04,620

completely incomprehensible and which

2194

01:23:08,270 --> 01:23:07,320

will be interpreted as you being

2195

01:23:11,810 --> 01:23:08,280

um

2196

01:23:14,450 --> 01:23:11,820

you know just a poor Communicator or

2197

01:23:16,970 --> 01:23:14,460

just not good at your job not serving or

2198

01:23:18,890 --> 01:23:16,980

role well right so it's not going to be

2199

01:23:21,709 --> 01:23:18,900

where we don't we don't have the kind of

2200

01:23:24,709 --> 01:23:21,719

culture that has space for oh this

2201

01:23:26,450 --> 01:23:24,719

person's completely competent it's yet

2202

01:23:27,530 --> 01:23:26,460

it's just that they're delivering

2203

01:23:29,270 --> 01:23:27,540

information it's completely

2204

01:23:31,130 --> 01:23:29,280

destabilizing and we don't have that

2205

01:23:32,450 --> 01:23:31,140

category right

2206

01:23:34,610 --> 01:23:32,460

um I was also thinking about when you

2207

01:23:36,110 --> 01:23:34,620

said you know positively destabilizing

2208

01:23:39,229 --> 01:23:36,120

and it encouraged me another word for

2209

01:23:41,270 --> 01:23:39,239

that might be creative okay right like

2210

01:23:43,130 --> 01:23:41,280

um that's I think what we're hoping here

2211

01:23:44,990 --> 01:23:43,140

right that's that's the long-term goal

2212

01:23:48,770 --> 01:23:45,000

that

2213

01:23:52,370 --> 01:23:48,780

um this would be so destabilizing so

2214

01:23:58,010 --> 01:23:55,970

so change oriented to such a degree down

2215

01:24:01,490 --> 01:23:58,020

to a foundational level that you would

2216

01:24:03,890 --> 01:24:01,500

have no choice but to conceive of a

2217

01:24:05,750 --> 01:24:03,900

different model because I do think deep

2218

01:24:06,950 --> 01:24:05,760

down when people really are it takes a

2219

01:24:08,450 --> 01:24:06,960

while to get there we have all sorts of

2220

01:24:10,010 --> 01:24:08,460

biases that prevent us from getting

2221

01:24:13,370 --> 01:24:10,020

there but when we finally get to that

2222

01:24:15,050 --> 01:24:13,380

place where we go okay I I can't deny it

2223

01:24:17,570 --> 01:24:15,060

anymore this is actually what the

2224

01:24:18,890 --> 01:24:17,580

reality seems to be right it's pointing

2225

01:24:21,470 --> 01:24:18,900

in this direction there's just too much

2226

01:24:23,689 --> 01:24:21,480

evidence then people will have that

2227

01:24:25,790 --> 01:24:23,699

shift like you talked about your shift

2228

01:24:27,830 --> 01:24:25,800

from being kind of this more

2229

01:24:29,930 --> 01:24:27,840

conservative religious believer to going

2230

01:24:31,970 --> 01:24:29,940

to college to learn to specialize in it

2231

01:24:35,209 --> 01:24:31,980

and coming away going actually I'm not

2232

01:24:36,950 --> 01:24:35,219

sure the whole thing holds up uh so you

2233

01:24:38,030 --> 01:24:36,960

but you changed right you didn't say so

2234

01:24:39,890 --> 01:24:38,040

therefore I'm going to spend the next

2235

01:24:41,750 --> 01:24:39,900

few decades just believing a lie and

2236

01:24:45,290 --> 01:24:41,760

hope that nobody or living a lie and

2237

01:24:47,870 --> 01:24:45,300

hope that nobody notices no you say as a

2238

01:24:49,310 --> 01:24:47,880

person of coherence who doesn't want who

2239

01:24:50,750 --> 01:24:49,320

wants to be able to go to you know sleep

2240

01:24:53,209 --> 01:24:50,760

at night without feeling like you're a

2241

01:24:55,910 --> 01:24:53,219

fraud I'm going to change my perspective

2242

01:24:58,490 --> 01:24:55,920

so I think we can get there and one

2243

01:25:00,830 --> 01:24:58,500

hopes that when we get there on mass

2244

01:25:03,770 --> 01:25:00,840

that creates the kind of impetus for

2245

01:25:05,689 --> 01:25:03,780

this creativity to really rethink

2246

01:25:06,950 --> 01:25:05,699

how would we as a society live

2247

01:25:08,410 --> 01:25:06,960

differently not just because there's

2248

01:25:10,070 --> 01:25:08,420

aliens in our midst that are

2249

01:25:12,229 --> 01:25:10,080

interdimensional in the way that I

2250

01:25:15,229 --> 01:25:12,239

described intermentational if you will

2251

01:25:16,910 --> 01:25:15,239

but also that life and death is not a

2252

01:25:18,649 --> 01:25:16,920

solid line like we think it's more like

2253

01:25:20,570 --> 01:25:18,659

a phase shift how would you live

2254

01:25:21,590 --> 01:25:20,580

differently if you know that at the end

2255

01:25:23,090 --> 01:25:21,600

of your life you're just going to phase

2256

01:25:26,209 --> 01:25:23,100

shift into a different kind of existence

2257

01:25:29,450 --> 01:25:26,219

and that goes on and on I think it might

2258

01:25:31,010 --> 01:25:29,460

change a lot right and I think um we

2259

01:25:32,810 --> 01:25:31,020

would move more towards you know

2260

01:25:34,790 --> 01:25:32,820

non-duality because we would recognize

2261

01:25:37,669 --> 01:25:34,800

that we don't have to have some God

2262

01:25:39,530 --> 01:25:37,679

who's punishing us and the you know

2263

01:25:40,910 --> 01:25:39,540

Eternal fire is what's necessary to get

2264

01:25:43,010 --> 01:25:40,920

people to do good things in this

2265

01:25:45,350 --> 01:25:43,020

lifetime out of guilt or whatever or

2266

01:25:47,510 --> 01:25:45,360

wanting to avoid punishment but you

2267

01:25:49,250 --> 01:25:47,520

recognize that listen you're we're in

2268

01:25:51,470 --> 01:25:49,260

this for the long game we're evolving

2269

01:25:53,149 --> 01:25:51,480

we're changing as part of the system and

2270

01:25:55,729 --> 01:25:53,159

as individual manifestations that

2271

01:25:58,070 --> 01:25:55,739

excitation of Consciousness so if that's

2272

01:25:59,270 --> 01:25:58,080

the case I might as well do what's good

2273

01:26:00,470 --> 01:25:59,280

for the whole because that's what's

2274

01:26:03,110 --> 01:26:00,480

ultimately good for me too because

2275

01:26:05,689 --> 01:26:03,120

that's what I am that's fundamentally

2276

01:26:07,729 --> 01:26:05,699

what I am and I I now know it not just

2277

01:26:09,830 --> 01:26:07,739

in a conceptual way but I I Feel It In

2278

01:26:12,110 --> 01:26:09,840

My Bones and I've seen so much evidence

2279

01:26:14,570 --> 01:26:12,120

that I can't help but shift my

2280

01:26:16,790 --> 01:26:14,580

perspective like you did so one hopes

2281

01:26:19,129 --> 01:26:16,800

that's where we get to but uh but it's

2282

01:26:21,110 --> 01:26:19,139

gonna take some time because that's you

2283

01:26:22,629 --> 01:26:21,120

know that's about as uh change oriented

2284

01:26:25,850 --> 01:26:22,639

as you can possibly imagine

2285

01:26:28,370 --> 01:26:25,860

well the the encouraging thing is that

2286

01:26:31,510 --> 01:26:28,380

the seeds are there uh that the

2287

01:26:35,810 --> 01:26:31,520

possibility space is already real

2288

01:26:39,290 --> 01:26:35,820

that and that that exerts a force almost

2289

01:26:41,030 --> 01:26:39,300

a teleological force on our on our

2290

01:26:43,430 --> 01:26:41,040

future

2291

01:26:46,790 --> 01:26:43,440

um that there are things in motion right

2292

01:26:50,030 --> 01:26:46,800

now that are putting us on that

2293

01:26:53,689 --> 01:26:50,040

trajectory of change and development so

2294

01:26:56,870 --> 01:26:53,699

that is the The Optimist you know in me

2295

01:27:01,729 --> 01:26:56,880

saying you know do not be afraid you

2296

01:27:04,310 --> 01:27:01,739

know do not be anxious because uh the

2297

01:27:06,770 --> 01:27:04,320

the possibility for positive development

2298

01:27:09,410 --> 01:27:06,780

for Creative development and change like

2299

01:27:11,750 --> 01:27:09,420

it is already there in

2300

01:27:13,850 --> 01:27:11,760

in the possibility space like it exists

2301

01:27:15,770 --> 01:27:13,860

and just read

2302

01:27:16,850 --> 01:27:15,780

um that that's not to say that there

2303

01:27:20,629 --> 01:27:16,860

won't be

2304

01:27:22,430 --> 01:27:20,639

some moments of turmoil and pain and and

2305

01:27:25,129 --> 01:27:22,440

uh

2306

01:27:26,689 --> 01:27:25,139

and growth right

2307

01:27:29,330 --> 01:27:26,699

um we don't want to I don't think we

2308

01:27:33,050 --> 01:27:29,340

want to be in a world that is absent of

2309

01:27:36,290 --> 01:27:33,060

some level of discomfort

2310

01:27:39,290 --> 01:27:36,300

um so you know take take courage in that

2311

01:27:41,870 --> 01:27:39,300

that it it may not unfold the way that

2312

01:27:45,950 --> 01:27:41,880

you would want it to but

2313

01:27:46,910 --> 01:27:45,960

there is within this entire process of

2314

01:27:55,790 --> 01:27:46,920

being

2315

01:27:58,729 --> 01:27:55,800

world the sort of Arrow of of

2316

01:28:02,629 --> 01:27:58,739

progression of development of growth uh

2317

01:28:04,550 --> 01:28:02,639

uh for ultim the ultimate goal of

2318

01:28:06,050 --> 01:28:04,560

enrichment of enrichment of the entire

2319

01:28:08,570 --> 01:28:06,060

system

2320

01:28:10,910 --> 01:28:08,580

um of all that there is

2321

01:28:13,430 --> 01:28:10,920

yeah I would say hopefully people will

2322

01:28:15,490 --> 01:28:13,440

come away from this conversation with

2323

01:28:18,709 --> 01:28:15,500

some new ideas around

2324

01:28:20,990 --> 01:28:18,719

why if some of these are benevolent as I

2325

01:28:23,209 --> 01:28:21,000

would say they are why are they hanging

2326

01:28:25,490 --> 01:28:23,219

back right why are they not swooping in

2327

01:28:29,149 --> 01:28:25,500

to solve our climate process now your

2328

01:28:32,270 --> 01:28:29,159

climate challenges and our you know

2329

01:28:34,310 --> 01:28:32,280

inequal distribution challenges and all

2330

01:28:35,510 --> 01:28:34,320

that kind of thing and the reason is

2331

01:28:36,709 --> 01:28:35,520

because like we've talked about before

2332

01:28:39,290 --> 01:28:36,719

because

2333

01:28:41,689 --> 01:28:39,300

us growing into

2334

01:28:44,270 --> 01:28:41,699

deeper levels of awareness that make us

2335

01:28:46,370 --> 01:28:44,280

change our Behavior because it just

2336

01:28:48,129 --> 01:28:46,380

becomes self-evident is more important

2337

01:28:50,030 --> 01:28:48,139

right we're we're looking for

2338

01:28:52,430 --> 01:28:50,040

self-evident Revelation so they're

2339

01:28:55,430 --> 01:28:52,440

giving all sorts of prompts to get us

2340

01:28:57,470 --> 01:28:55,440

there right I I made that one tweet one

2341

01:28:59,870 --> 01:28:57,480

of my new cosmology tweets was about

2342

01:29:01,910 --> 01:28:59,880

that that sometimes these sightings are

2343

01:29:03,229 --> 01:29:01,920

meant to be prompts to like wake you up

2344

01:29:05,390 --> 01:29:03,239

to something that some part of you

2345

01:29:07,490 --> 01:29:05,400

already knows right yeah

2346

01:29:09,770 --> 01:29:07,500

um and

2347

01:29:12,110 --> 01:29:09,780

we we should be encouraged by that but

2348

01:29:15,830 --> 01:29:12,120

also at the same time recognize how much

2349

01:29:17,930 --> 01:29:15,840

is on the table how how much change is

2350

01:29:20,209 --> 01:29:17,940

exists here at least in potentia right

2351  
01:29:23,870 --> 01:29:20,219  
like I completely change it changed way

2352  
01:29:25,910 --> 01:29:23,880  
of imagining living as individuals and

2353  
01:29:27,770 --> 01:29:25,920  
as a collective right when all these

2354  
01:29:29,930 --> 01:29:27,780  
things are on are in play in terms of

2355  
01:29:32,209 --> 01:29:29,940  
life and death not seeming like a solid

2356  
01:29:34,250 --> 01:29:32,219  
boundary anymore and even things like

2357  
01:29:37,250 --> 01:29:34,260  
individual consciousness

2358  
01:29:39,649 --> 01:29:37,260  
being seen as much more malleable and

2359  
01:29:42,530 --> 01:29:39,659  
temporary amongst a series right that

2360  
01:29:44,390 --> 01:29:42,540  
maybe even go beyond and I say coyly

2361  
01:29:47,450 --> 01:29:44,400  
maybe I think it does right it goes

2362  
01:29:50,390 --> 01:29:47,460  
beyond just human incarnations so

2363  
01:29:52,430 --> 01:29:50,400

in that mind you know uh I would say

2364

01:29:53,810 --> 01:29:52,440

that we should take heart that this is

2365

01:29:55,850 --> 01:29:53,820

exactly what the benevolent ones are

2366

01:29:57,169 --> 01:29:55,860

doing and as we talked about last time I

2367

01:29:59,570 --> 01:29:57,179

think that what we're seeing evidence of

2368

01:30:01,669 --> 01:29:59,580

is a Grassroots movement where

2369

01:30:03,410 --> 01:30:01,679

individual by individual they're letting

2370

01:30:06,830 --> 01:30:03,420

that flame you know setting that spark

2371

01:30:08,570 --> 01:30:06,840

to to hopefully help that person arrive

2372

01:30:11,030 --> 01:30:08,580

at new self-evident truths for

2373

01:30:13,610 --> 01:30:11,040

themselves and then they begin to make

2374

01:30:16,010 --> 01:30:13,620

the changes that you made when you had a

2375

01:30:18,110 --> 01:30:16,020

an Awakening right and then when that

2376

01:30:19,910 --> 01:30:18,120

happens on a broad enough basis then

2377

01:30:22,669 --> 01:30:19,920

slowly but surely the entire Collective

2378

01:30:24,770 --> 01:30:22,679

changes as well

2379

01:30:28,790 --> 01:30:24,780

I think that's a great place to end it

2380

01:30:31,729 --> 01:30:28,800

and as uh we approach the end of 2023

2381

01:30:34,490 --> 01:30:31,739

uh May that change take place

2382

01:30:36,350 --> 01:30:34,500

um where you find yourself and with

2383

01:30:37,790 --> 01:30:36,360

those that you interact with and care

2384

01:30:39,350 --> 01:30:37,800

about

2385

01:30:41,750 --> 01:30:39,360

um we want to thank

2386

01:30:44,990 --> 01:30:41,760

our liminal frames listeners and

2387

01:30:47,390 --> 01:30:45,000

supporters uh every comment every tweet

2388

01:30:48,370 --> 01:30:47,400

every retweet it means a great deal to

2389

01:30:51,590 --> 01:30:48,380

us

2390

01:30:54,290 --> 01:30:51,600

I can't tell you how

2391

01:30:56,810 --> 01:30:54,300

fulfilling that is to read those

2392

01:30:59,450 --> 01:30:56,820

comments of support and um it's it's

2393

01:31:00,770 --> 01:30:59,460

Mimi's a great deal so thank you so much

2394

01:31:02,450 --> 01:31:00,780

for that and we look forward to

2395

01:31:04,970 --> 01:31:02,460

continuing this journey with all of you

2396

01:31:06,350 --> 01:31:04,980

uh in the new year

2397

01:31:09,229 --> 01:31:06,360

um

2398

01:31:11,030 --> 01:31:09,239

I think it's going to be a good one

2399

01:31:13,370 --> 01:31:11,040

so may the quality of our questions

2400

01:31:16,610 --> 01:31:13,380

shaped by a desire for understanding

2401

01:31:18,649 --> 01:31:16,620

enhance our journey of Discovery and may

2402

01:31:20,810 --> 01:31:18,659

our travels broaden the sphere of our

2403

01:31:25,370 --> 01:31:20,820

Consciousness reminding us that new

2404

01:31:28,310 --> 01:31:25,380

discoveries beget New Horizons as always

2405

01:31:34,610 --> 01:31:28,320

Adventure awaits

2406

01:31:36,750 --> 01:31:36,050

thank you

2407

01:31:38,420 --> 01:31:36,760

foreign

2408

01:31:44,700 --> 01:31:38,430

[Laughter]
