1  
00:00:14,450 --> 00:00:11,089  
hello and welcome to episode number 78

2  
00:00:19,070 --> 00:00:14,460  
of the point of convergence podcast as

3  
00:00:21,769 --> 00:00:19,080  
always I am your host EXO academian

4  
00:00:23,570 --> 00:00:21,779  
while the modern UFO era may have begun

5  
00:00:26,330 --> 00:00:23,580  
with the emergence of saucer sightings

6  
00:00:28,189 --> 00:00:26,340  
in the early to mid 20th century that

7  
00:00:30,650 --> 00:00:28,199  
picture eventually grew to include not

8  
00:00:32,749 --> 00:00:30,660  
only those initial sightings but also

9  
00:00:35,709 --> 00:00:32,759  
reported interactions with the supposed

10  
00:00:39,350 --> 00:00:35,719  
beings piloting these sophisticated

11  
00:00:41,389 --> 00:00:39,360  
non-conventional craft yes indeed aliens

12  
00:00:44,590 --> 00:00:41,399  
or as they're often called in modern

13  
00:00:46,850 --> 00:00:44,600

ufology circles non-human intelligences

14

00:00:48,830 --> 00:00:46,860

often to clarify that we don't actually

15

00:00:50,990 --> 00:00:48,840

know where they're from just that

16

00:00:53,810 --> 00:00:51,000

they're not human at least we're pretty

17

00:00:56,810 --> 00:00:53,820

sure of that fact if by human we mean

18

00:00:59,389 --> 00:00:56,820

beings akin to contemporary Homo sapiens

19

00:01:01,490 --> 00:00:59,399

sapiens of course as we'll see in

20

00:01:04,310 --> 00:01:01,500

today's episode that clear-cut

21

00:01:06,469 --> 00:01:04,320

distinction between us and Them might

22

00:01:09,109 --> 00:01:06,479

not be so easy to delineate after all

23

00:01:11,450 --> 00:01:09,119

but we'll get to that

24

00:01:14,030 --> 00:01:11,460

from sightings of supposed alien beings

25

00:01:16,789 --> 00:01:14,040

or apparently non-human but very often

26  
00:01:19,429 --> 00:01:16,799  
humanoid beings the picture filled out

27  
00:01:22,249 --> 00:01:19,439  
even more to include the now Infamous

28  
00:01:25,429 --> 00:01:22,259  
abduction phenomenon where Modern Earth

29  
00:01:27,289 --> 00:01:25,439  
humans are taken aboard craft often from

30  
00:01:29,390 --> 00:01:27,299  
the comfort and quiet of their bedrooms

31  
00:01:31,310 --> 00:01:29,400  
in the middle of the night but they are

32  
00:01:34,609 --> 00:01:31,320  
then subjected to a wide variety of

33  
00:01:37,090 --> 00:01:34,619  
experiences including in some cases of a

34  
00:01:39,550 --> 00:01:37,100  
perhaps less apparently positive nature

35  
00:01:42,530 --> 00:01:39,560  
invasive medical procedures and supposed

36  
00:01:44,109 --> 00:01:42,540  
hybridization programs and in more

37  
00:01:46,730 --> 00:01:44,119  
apparently positive reports

38  
00:01:49,310 --> 00:01:46,740

opportunities to see the cause most and

39

00:01:51,950 --> 00:01:49,320

even on occasion to learn to maneuver

40

00:01:54,469 --> 00:01:51,960

the craft often via mental intention

41

00:01:57,350 --> 00:01:54,479

alone no less

42

00:01:59,149 --> 00:01:57,360

in terms of the beings often seen while

43

00:02:01,609 --> 00:01:59,159

there really is a broad spectrum of

44

00:02:04,310 --> 00:02:01,619

others one particular form has come to

45

00:02:06,050 --> 00:02:04,320

represent the quintessential alien in

46

00:02:08,150 --> 00:02:06,060

our cultural zeitgeist

47

00:02:10,910 --> 00:02:08,160

here I speak of the proverbial gray

48

00:02:14,150 --> 00:02:10,920

alien the emergence of this particular

49

00:02:15,949 --> 00:02:14,160

form had much to do one could argue with

50

00:02:18,250 --> 00:02:15,959

the front cover of Whitley strieber's

51  
00:02:22,010 --> 00:02:18,260  
groundbreaking and nerve-rattling book

52  
00:02:24,050 --> 00:02:22,020  
communion published in 1987.

53  
00:02:26,390 --> 00:02:24,060  
of course that image wouldn't have made

54  
00:02:28,330 --> 00:02:26,400  
the waves it did if it were not for the

55  
00:02:31,130 --> 00:02:28,340  
fact that many thousands of people

56  
00:02:35,030 --> 00:02:31,140  
reportedly recognized that prototypical

57  
00:02:38,210 --> 00:02:35,040  
face sometimes much to their Chagrin

58  
00:02:41,150 --> 00:02:38,220  
after all if they recognized the image

59  
00:02:44,089 --> 00:02:41,160  
it was somehow familiar to them even if

60  
00:02:47,150 --> 00:02:44,099  
Mercury so did this mean they too were

61  
00:02:49,009 --> 00:02:47,160  
perhaps alien abductees these were

62  
00:02:51,710 --> 00:02:49,019  
chilling questions for a plethora of

63  
00:02:53,570 --> 00:02:51,720

human beings to contemplate

64

00:02:56,089 --> 00:02:53,580

of course the fact that these beings

65

00:02:58,809 --> 00:02:56,099

were if not exactly human looking then

66

00:03:01,550 --> 00:02:58,819

certainly humanoid raised many questions

67

00:03:03,770 --> 00:03:01,560

why would an alien being look so much

68

00:03:05,809 --> 00:03:03,780

like us wouldn't The evolutionary

69

00:03:07,630 --> 00:03:05,819

trajectory of their own planet have

70

00:03:09,890 --> 00:03:07,640

taken them in very different directions

71

00:03:11,690 --> 00:03:09,900

the conventional thinking of these

72

00:03:14,149 --> 00:03:11,700

matters assume this would be the case

73

00:03:16,970 --> 00:03:14,159

and it's partly this that led to so much

74

00:03:18,890 --> 00:03:16,980

ridicule and scoff many took these

75

00:03:21,589 --> 00:03:18,900

humanoid forms as a good reason to

76

00:03:23,690 --> 00:03:21,599

ignore the entire Affair altogether

77

00:03:26,270 --> 00:03:23,700

it's as if these people decided that

78

00:03:28,490 --> 00:03:26,280

since aliens wouldn't look like this the

79

00:03:31,009 --> 00:03:28,500

entire Affair must be reducible to make

80

00:03:33,350 --> 00:03:31,019

believe or delusion

81

00:03:36,410 --> 00:03:33,360

and yet the Enigma of this particular

82

00:03:38,149 --> 00:03:36,420

form of otherness has endured to the

83

00:03:40,369 --> 00:03:38,159

point where it's now a Mainstay in our

84

00:03:42,530 --> 00:03:40,379

cultural heritage both for those who

85

00:03:44,690 --> 00:03:42,540

believe and don't believe aliens are

86

00:03:47,509 --> 00:03:44,700

here and are actually interacting with

87

00:03:49,610 --> 00:03:47,519

human beings on an ongoing basis

88

00:03:51,710 --> 00:03:49,620

of course another possibility that's

89

00:03:53,330 --> 00:03:51,720

emerged more recently and this would

90

00:03:55,910 --> 00:03:53,340

explain why these others look so much

91

00:03:58,850 --> 00:03:55,920

like us is that they actually may be us

92

00:04:01,430 --> 00:03:58,860

but us from the future our descendants

93

00:04:03,830 --> 00:04:01,440

who have been taken in some strange

94

00:04:05,149 --> 00:04:03,840

evolutionary directions based on future

95

00:04:07,970 --> 00:04:05,159

events

96

00:04:10,390 --> 00:04:07,980

so what is it are Grays from an extra

97

00:04:12,649 --> 00:04:10,400

planetary Source I.E are they

98

00:04:15,050 --> 00:04:12,659

extraterrestrials or are they future

99

00:04:18,349 --> 00:04:15,060

humans what Michael Masters has aptly

100

00:04:21,050 --> 00:04:18,359

deemed extra-term pestrials or is it

101

00:04:23,090 --> 00:04:21,060

perhaps that both options exist and

102

00:04:25,010 --> 00:04:23,100

furthermore could the prevalence of this

103

00:04:28,070 --> 00:04:25,020

form and its evident ongoing connection

104

00:04:30,530 --> 00:04:28,080

to us Point towards an even deeper and

105

00:04:32,990 --> 00:04:30,540

more primary construct that might not

106

00:04:35,810 --> 00:04:33,000

only speak to Common Origins but perhaps

107

00:04:37,790 --> 00:04:35,820

also to a common Terminus maybe in the

108

00:04:40,310 --> 00:04:37,800

form of the singularity that rushes to

109

00:04:43,070 --> 00:04:40,320

meet us at the end of time

110

00:04:46,129 --> 00:04:43,080

these are the perplexing yet fascinating

111

00:04:48,830 --> 00:04:46,139

ideas we'll Endeavor to explore in this

112

00:04:52,050 --> 00:04:48,840

the 78th episode of the point of

113

00:04:57,830 --> 00:04:55,249

[Music]

114

00:05:00,890 --> 00:04:57,840

I call this episode The quintessential

115

00:05:03,830 --> 00:05:00,900

other because this form the gray alien

116

00:05:06,230 --> 00:05:03,840

form really has taken on an iconic role

117

00:05:08,570 --> 00:05:06,240

in our contemporary culture almost

118

00:05:10,490 --> 00:05:08,580

everyone in the west is familiar with

119

00:05:14,150 --> 00:05:10,500

the typical features of this humanoid

120

00:05:17,150 --> 00:05:14,160

but so-called alien form you can see it

121

00:05:19,850 --> 00:05:17,160

on bumper stickers on cars regularly you

122

00:05:23,330 --> 00:05:19,860

can get t-shirts mugs like this

123

00:05:25,310 --> 00:05:23,340

simply put the gray alien form is part

124

00:05:27,710 --> 00:05:25,320

of pop culture

125

00:05:31,490 --> 00:05:27,720

this is what Wikipedia says of the gray

126  
00:05:34,670 --> 00:05:31,500  
alien quote gray aliens also referred to

127  
00:05:37,610 --> 00:05:34,680  
as Zeta reticulins Roswell Graves or

128  
00:05:40,370 --> 00:05:37,620  
Graves as in spelled a y instead of e y

129  
00:05:42,469 --> 00:05:40,380  
are purported extraterrestrial beings

130  
00:05:44,689 --> 00:05:42,479  
they are frequent subjects of Close

131  
00:05:47,390 --> 00:05:44,699  
Encounters and alien abduction claims

132  
00:05:49,730 --> 00:05:47,400  
the details of such claims vary widely

133  
00:05:52,550 --> 00:05:49,740  
but typically Grays are described as

134  
00:05:55,310 --> 00:05:52,560  
being human-like with small bodies with

135  
00:05:59,150 --> 00:05:55,320  
smooth Gray colored skin enlarged

136  
00:06:01,070 --> 00:05:59,160  
hairless heads and large black eyes the

137  
00:06:02,870 --> 00:06:01,080  
Barney and Betty Hill abduction claim

138  
00:06:06,469 --> 00:06:02,880

which purportedly took place in New

139

00:06:09,110 --> 00:06:06,479

Hampshire in 1961 popularized gray

140

00:06:11,330 --> 00:06:09,120

aliens precursor figures have been

141

00:06:13,070 --> 00:06:11,340

described in science fiction and similar

142

00:06:16,730 --> 00:06:13,080

descriptions appeared in early accounts

143

00:06:19,790 --> 00:06:16,740

of the 1948 Aztec UFO hoax and later

144

00:06:22,610 --> 00:06:19,800

accounts of the 1947 Roswell UFO

145

00:06:24,710 --> 00:06:22,620

incident the gray alien has emerged as

146

00:06:27,409 --> 00:06:24,720

an archetypal image of an intelligent

147

00:06:30,230 --> 00:06:27,419

non-human creature and extraterrestrial

148

00:06:32,930 --> 00:06:30,240

life in general as well as an iconic

149

00:06:35,689 --> 00:06:32,940

Trope of popular culture in the age of

150

00:06:38,570 --> 00:06:35,699

space exploration unquote

151  
00:06:41,510 --> 00:06:38,580  
indeed because this form this figure the

152  
00:06:43,670 --> 00:06:41,520  
gray alien figure is so common in pop

153  
00:06:45,890 --> 00:06:43,680  
culture it may be hard for some people

154  
00:06:48,469 --> 00:06:45,900  
to take it seriously because it's been

155  
00:06:50,930 --> 00:06:48,479  
mocked and ridiculed for so long almost

156  
00:06:52,670 --> 00:06:50,940  
like a comedic Trope it's going to be

157  
00:06:54,350 --> 00:06:52,680  
hard for some people to recognize that

158  
00:06:56,629 --> 00:06:54,360  
these beings are real and actually

159  
00:06:58,129 --> 00:06:56,639  
interacting with people he had all the

160  
00:07:00,409 --> 00:06:58,139  
evidence in the world suggests that's

161  
00:07:01,430 --> 00:07:00,419  
exactly what's going on and has been

162  
00:07:03,170 --> 00:07:01,440  
going on

163  
00:07:04,909 --> 00:07:03,180

though even in that description in

164

00:07:07,010 --> 00:07:04,919

Wikipedia you'll notice they brought up

165

00:07:08,749 --> 00:07:07,020

Betty and Barney Hill and there have

166

00:07:12,230 --> 00:07:08,759

been some people who suggested they may

167

00:07:14,629 --> 00:07:12,240

have seen some images of Science Fiction

168

00:07:16,490 --> 00:07:14,639

aliens beforehand and then use that kind

169

00:07:18,710 --> 00:07:16,500

of description to describe what they saw

170

00:07:21,110 --> 00:07:18,720

or maybe didn't see for those who are

171

00:07:22,909 --> 00:07:21,120

really skeptical and eventually this

172

00:07:25,790 --> 00:07:22,919

took hold and became part of our

173

00:07:28,730 --> 00:07:25,800

cultural fabric if you will

174

00:07:31,249 --> 00:07:28,740

I think this is far too cynical far too

175

00:07:32,749 --> 00:07:31,259

skeptical these beings are real and

176

00:07:35,270 --> 00:07:32,759

people have been interacting with them

177

00:07:38,089 --> 00:07:35,280

for decades and decades if not for

178

00:07:39,950 --> 00:07:38,099

centuries or longer and again the fact

179

00:07:42,890 --> 00:07:39,960

that they can control our Consciousness

180

00:07:45,050 --> 00:07:42,900

control our perception largely makes it

181

00:07:47,330 --> 00:07:45,060

possible for them to carry on this sort

182

00:07:49,370 --> 00:07:47,340

of double agent scheme where on the one

183

00:07:51,589 --> 00:07:49,380

hand they're well known within our

184

00:07:53,450 --> 00:07:51,599

popular culture and yet many many people

185

00:07:55,189 --> 00:07:53,460

assume it's not really happening they're

186

00:07:57,370 --> 00:07:55,199

not really real they're not really

187

00:08:00,110 --> 00:07:57,380

abducting people and yet that happens

188

00:08:01,790 --> 00:08:00,120

but again we have to toggle back and

189

00:08:03,650 --> 00:08:01,800

forth between the ones that are

190

00:08:05,330 --> 00:08:03,660

perceived positively and those that are

191

00:08:07,189 --> 00:08:05,340

perceived negatively as well as

192

00:08:09,589 --> 00:08:07,199

somewhere in between because you really

193

00:08:12,230 --> 00:08:09,599

do get the full range here

194

00:08:15,650 --> 00:08:12,240

for some this form the gray alien form

195

00:08:17,749 --> 00:08:15,660

strikes fear into hearts for others it

196

00:08:20,510 --> 00:08:17,759

is a warm familiar feeling of being

197

00:08:22,670 --> 00:08:20,520

reminded of a friend or even family

198

00:08:25,010 --> 00:08:22,680

we've discussed before people like Susie

199

00:08:27,350 --> 00:08:25,020

Hansen who actually consider themselves

200

00:08:30,110 --> 00:08:27,360

part gray in her dual Soul connection

201  
00:08:32,630 --> 00:08:30,120  
book she mentions how basically when

202  
00:08:34,850 --> 00:08:32,640  
she's with them she has a gray identity

203  
00:08:37,250 --> 00:08:34,860  
that comes online and a human identity

204  
00:08:38,149 --> 00:08:37,260  
when she's in the everyday world that we

205  
00:08:39,529 --> 00:08:38,159  
live in

206  
00:08:41,690 --> 00:08:39,539  
we're going to learn about someone else

207  
00:08:43,909 --> 00:08:41,700  
today who also has a similar kind of

208  
00:08:46,130 --> 00:08:43,919  
account and again it goes back decades

209  
00:08:48,350 --> 00:08:46,140  
and again just like Susie Hansen it

210  
00:08:50,210 --> 00:08:48,360  
began with fear but later became more

211  
00:08:54,110 --> 00:08:50,220  
like a relationship and a very close

212  
00:08:56,449 --> 00:08:54,120  
relationship where trust was Central

213  
00:08:58,250 --> 00:08:56,459

now in the introduction I mentioned the

214

00:08:59,930 --> 00:08:58,260

communion cover Whitley Strieber's

215

00:09:02,570 --> 00:08:59,940

famous book probably his most famous

216

00:09:04,730 --> 00:09:02,580

book his first book about alien

217

00:09:07,670 --> 00:09:04,740

abduction abductions that were happening

218

00:09:09,949 --> 00:09:07,680

to him and this was before this was part

219

00:09:11,750 --> 00:09:09,959

of our cultural fabric of course this

220

00:09:16,009 --> 00:09:11,760

really was a groundbreaking book because

221

00:09:19,190 --> 00:09:16,019

it made it part of our cultural heritage

222

00:09:21,110 --> 00:09:19,200

now gray aliens are humanoid like I said

223

00:09:23,150 --> 00:09:21,120

in the introduction and that alone is

224

00:09:26,329 --> 00:09:23,160

somewhat surprising based on

225

00:09:28,009 --> 00:09:26,339

evolutionary expectations we really need

226

00:09:29,570 --> 00:09:28,019

to highlight this here because those of

227

00:09:32,570 --> 00:09:29,580

us who are intimately familiar with this

228

00:09:35,150 --> 00:09:32,580

topic by now are so familiar with these

229

00:09:38,630 --> 00:09:35,160

humanoid looking figures whether they're

230

00:09:40,850 --> 00:09:38,640

gray aliens or nordics or the tall

231

00:09:43,670 --> 00:09:40,860

whites or what have you we see these

232

00:09:45,710 --> 00:09:43,680

beings that are regularly humanoid even

233

00:09:48,290 --> 00:09:45,720

the reptilians are kind of a cross

234

00:09:50,990 --> 00:09:48,300

between a lizard or a reptile and a

235

00:09:52,370 --> 00:09:51,000

human being still very humanoid so what

236

00:09:54,050 --> 00:09:52,380

is the deal with that that's not really

237

00:09:56,829 --> 00:09:54,060

what you would expect that's not what we

238

00:09:59,870 --> 00:09:56,839

were taught in Biology class growing up

239

00:10:01,850 --> 00:09:59,880

we were taught the expectation that a

240

00:10:03,590 --> 00:10:01,860

different planet would produce very

241

00:10:04,670 --> 00:10:03,600

different looking life because they

242

00:10:06,949 --> 00:10:04,680

would likely have very different

243

00:10:08,509 --> 00:10:06,959

conditions on that planet and it's the

244

00:10:10,850 --> 00:10:08,519

conditions of the Planet of the

245

00:10:14,269 --> 00:10:10,860

environment that shape The evolutionary

246

00:10:15,889 --> 00:10:14,279

trajectory of the life there so why

247

00:10:18,470 --> 00:10:15,899

would they look so much like a status

248

00:10:21,110 --> 00:10:18,480

alone is a very very curious item

249

00:10:23,509 --> 00:10:21,120

perhaps one of the most curious

250

00:10:26,509 --> 00:10:23,519

and we'll look into in depth what that

251  
00:10:28,970 --> 00:10:26,519  
might mean in today's episode

252  
00:10:31,370 --> 00:10:28,980  
now as I said there are numerous groups

253  
00:10:33,470 --> 00:10:31,380  
of graves I don't think it's just that

254  
00:10:35,329 --> 00:10:33,480  
some people have positive accounts some

255  
00:10:36,530 --> 00:10:35,339  
people have negative accounts and you

256  
00:10:38,509 --> 00:10:36,540  
can really reduce that to their

257  
00:10:40,730 --> 00:10:38,519  
personality whether or not they're a

258  
00:10:42,710 --> 00:10:40,740  
fearful person or not there are some

259  
00:10:44,210 --> 00:10:42,720  
people of the love and light crowd who

260  
00:10:46,370 --> 00:10:44,220  
want to believe that all alien

261  
00:10:48,410 --> 00:10:46,380  
encounters are positive and if they're

262  
00:10:50,870 --> 00:10:48,420  
reported as negative then it's just that

263  
00:10:52,610 --> 00:10:50,880

people haven't got past their own fear

264

00:10:55,730 --> 00:10:52,620

they're projecting Their Fear basically

265

00:10:58,610 --> 00:10:55,740

on positive peaceful entities

266

00:11:01,490 --> 00:10:58,620

I think that as a disservice to people

267

00:11:03,710 --> 00:11:01,500

I think I've interacted with people who

268

00:11:05,630 --> 00:11:03,720

are telling the truth they're giving a

269

00:11:07,790 --> 00:11:05,640

very accurate account of course

270

00:11:11,030 --> 00:11:07,800

subjective interpretation is always part

271

00:11:13,310 --> 00:11:11,040

of the mix in any event a human being is

272

00:11:15,350 --> 00:11:13,320

involved in and yet I don't think we can

273

00:11:17,509 --> 00:11:15,360

deny the fact that across the board

274

00:11:20,690 --> 00:11:17,519

there are both positive and negative

275

00:11:23,810 --> 00:11:20,700

encounters Beyond just interpretation

276

00:11:26,150 --> 00:11:23,820

now yes some begin as shocking and later

277

00:11:28,970 --> 00:11:26,160

become spiritually transformative and

278

00:11:31,430 --> 00:11:28,980

positive that's one kind but there are

279

00:11:33,230 --> 00:11:31,440

other kinds that involve invasive

280

00:11:35,630 --> 00:11:33,240

medical procedures and things like that

281

00:11:37,069 --> 00:11:35,640

that really stay in the negative

282

00:11:39,170 --> 00:11:37,079

category I think or at least

283

00:11:41,329 --> 00:11:39,180

self-serving I think that's the way we

284

00:11:44,630 --> 00:11:41,339

should look at this that these beings

285

00:11:46,190 --> 00:11:44,640

cover the gamut of moral development now

286

00:11:48,290 --> 00:11:46,200

that might be confusing to some people

287

00:11:50,150 --> 00:11:48,300

because they say well if they're just a

288

00:11:52,250 --> 00:11:50,160

gray alien one type why would there be

289

00:11:53,810 --> 00:11:52,260

so much Divergence in terms of their

290

00:11:56,090 --> 00:11:53,820

moral development

291

00:11:58,250 --> 00:11:56,100

well for one we can see a lot of that

292

00:12:00,650 --> 00:11:58,260

even with human beings

293

00:12:04,069 --> 00:12:00,660

at any given point in time including

294

00:12:05,870 --> 00:12:04,079

here in the 21st century

295

00:12:08,269 --> 00:12:05,880

another thing I would say here to

296

00:12:09,829 --> 00:12:08,279

interject into the conversation is that

297

00:12:12,050 --> 00:12:09,839

when you read the raw material for

298

00:12:15,050 --> 00:12:12,060

instance there are fourth density

299

00:12:17,569 --> 00:12:15,060

entities entities that are Beyond Us in

300

00:12:20,690 --> 00:12:17,579

terms of evolution they've dimensionally

301  
00:12:23,509 --> 00:12:20,700  
shifted Beyond 3D which is kind of the

302  
00:12:26,569 --> 00:12:23,519  
state that we're in and these beings are

303  
00:12:28,910 --> 00:12:26,579  
both positive and negative or serving

304  
00:12:30,650 --> 00:12:28,920  
others or serving the all and serving

305  
00:12:33,350 --> 00:12:30,660  
themselves so you still have that

306  
00:12:34,970 --> 00:12:33,360  
Divergence there in terms of some beings

307  
00:12:37,490 --> 00:12:34,980  
are still kind of Power Players looking

308  
00:12:38,389 --> 00:12:37,500  
to dominate others playing that zero-sum

309  
00:12:40,490 --> 00:12:38,399  
game

310  
00:12:42,829 --> 00:12:40,500  
While others are more non-dual in their

311  
00:12:44,870 --> 00:12:42,839  
perspective and they're seeking to help

312  
00:12:46,129 --> 00:12:44,880  
and I think that partly explains what

313  
00:12:48,590 --> 00:12:46,139

we're seeing here I think that's a good

314

00:12:51,290 --> 00:12:48,600

depiction of what we see it lines up

315

00:12:52,970 --> 00:12:51,300

well that even with one form this gray

316

00:12:55,790 --> 00:12:52,980

alien you get some that are very

317

00:12:58,790 --> 00:12:55,800

benevolent non-dual in realization and

318

00:13:01,069 --> 00:12:58,800

helping human beings others that either

319

00:13:03,170 --> 00:13:01,079

are self-serving or have kind of a

320

00:13:05,389 --> 00:13:03,180

symbiotic relationship but are still

321

00:13:07,850 --> 00:13:05,399

ultimately in it for themselves and

322

00:13:09,110 --> 00:13:07,860

playing the power game I think some of

323

00:13:11,210 --> 00:13:09,120

these ones are the ones that have made

324

00:13:13,190 --> 00:13:11,220

Accords with various human governments

325

00:13:15,230 --> 00:13:13,200

or maybe even governments that are kind

326

00:13:18,230 --> 00:13:15,240

of Shadow governments in order to

327

00:13:19,670 --> 00:13:18,240

dominate the human population again not

328

00:13:21,590 --> 00:13:19,680

trying to instill fear there I think

329

00:13:23,690 --> 00:13:21,600

there's plenty of good ones and I think

330

00:13:25,930 --> 00:13:23,700

the most benevolent ones are the most

331

00:13:28,370 --> 00:13:25,940

advanced the most dimensionally shifted

332

00:13:32,210 --> 00:13:28,380

dimensionally Advanced along the

333

00:13:34,069 --> 00:13:32,220

spectrum of Consciousness development

334

00:13:36,230 --> 00:13:34,079

what else can we say of these gray

335

00:13:37,430 --> 00:13:36,240

aliens well another thing to make note

336

00:13:39,590 --> 00:13:37,440

of is that there are almost always

337

00:13:42,170 --> 00:13:39,600

telepathic and this is true of both the

338

00:13:43,970 --> 00:13:42,180

ones that are seen as benevolent and

339

00:13:46,970 --> 00:13:43,980

those that are seen as more malevolent

340

00:13:48,769 --> 00:13:46,980

or less mature shall we say

341

00:13:51,470 --> 00:13:48,779

now of course we all are familiar with

342

00:13:54,050 --> 00:13:51,480

the large wrap around almond-shaped eyes

343

00:13:56,210 --> 00:13:54,060

these are often described as oily black

344

00:13:57,590 --> 00:13:56,220

and are known to have a hypnotic effect

345

00:13:59,629 --> 00:13:57,600

on people

346

00:14:01,490 --> 00:13:59,639

now the benevolent ones are known to go

347

00:14:03,769 --> 00:14:01,500

out of their way to communicate in ways

348

00:14:05,449 --> 00:14:03,779

humans will understand waving and

349

00:14:07,730 --> 00:14:05,459

sometimes even forming the semblance of

350

00:14:09,710 --> 00:14:07,740

a smile even though this is usually not

351

00:14:11,750 --> 00:14:09,720

part of their normal behavior

352

00:14:13,610 --> 00:14:11,760

considering again they are fully

353

00:14:15,470 --> 00:14:13,620

telepathic with each other they don't

354

00:14:18,350 --> 00:14:15,480

use things like facial expressions and

355

00:14:21,829 --> 00:14:18,360

speech for that matter actual speech by

356

00:14:23,990 --> 00:14:21,839

moving their mouths much anymore

357

00:14:26,509 --> 00:14:24,000

now in that Wikipedia article I quoted

358

00:14:29,269 --> 00:14:26,519

from you'll notice that these were often

359

00:14:31,310 --> 00:14:29,279

known as Zetas and that's because there

360

00:14:34,550 --> 00:14:31,320

is this belief that they come from Zeta

361

00:14:36,769 --> 00:14:34,560

reticuli now both the good and the bad

362

00:14:38,690 --> 00:14:36,779

or the mature and less mature is maybe a

363

00:14:41,210 --> 00:14:38,700

better way to put that groups are known

364

00:14:43,550 --> 00:14:41,220

to exist and are known to come from that

365

00:14:45,769 --> 00:14:43,560

part of the cosmos

366

00:14:48,650 --> 00:14:45,779

now often people who have had encounters

367

00:14:50,810 --> 00:14:48,660

with one have a hard time Imagining the

368

00:14:52,550 --> 00:14:50,820

other again this is where human bias

369

00:14:54,889 --> 00:14:52,560

comes in in other words if you're

370

00:14:57,170 --> 00:14:54,899

someone who's had extremely benevolent

371

00:14:59,329 --> 00:14:57,180

encounters with these beings that this

372

00:15:02,150 --> 00:14:59,339

form represents everything love and

373

00:15:03,650 --> 00:15:02,160

light goodness to you incarnate it's

374

00:15:05,150 --> 00:15:03,660

very hard for you to imagine that

375

00:15:07,910 --> 00:15:05,160

someone could have a negative experience

376  
00:15:09,410 --> 00:15:07,920  
with them try to imagine Santa Claus for

377  
00:15:11,389 --> 00:15:09,420  
instance and someone says to you

378  
00:15:13,189 --> 00:15:11,399  
negative Santa Claus comes down the

379  
00:15:14,990 --> 00:15:13,199  
chimney for me and it's never good you

380  
00:15:16,850 --> 00:15:15,000  
have a hard time imagining that because

381  
00:15:20,090 --> 00:15:16,860  
you've always seen them as this Jolly

382  
00:15:22,370 --> 00:15:20,100  
elf who brings gifts you get the point

383  
00:15:24,949 --> 00:15:22,380  
and of course the opposite is also true

384  
00:15:26,449 --> 00:15:24,959  
as well and of course it's important to

385  
00:15:28,730 --> 00:15:26,459  
point out that there are also those

386  
00:15:30,530 --> 00:15:28,740  
kinds that people have interactions with

387  
00:15:32,930 --> 00:15:30,540  
that are kind of a middle of the road

388  
00:15:35,030 --> 00:15:32,940

kind of moral trajectory in other words

389

00:15:37,430 --> 00:15:35,040

they seem a Lot Like Us business like

390

00:15:39,590 --> 00:15:37,440

perhaps they have a job to do but

391

00:15:42,470 --> 00:15:39,600

they're not necessarily seen as evil or

392

00:15:44,509 --> 00:15:42,480

good benevolent or malevolent just here

393

00:15:46,129 --> 00:15:44,519

to do a job so to speak even if

394

00:15:49,069 --> 00:15:46,139

sometimes they're a bit business-like

395

00:15:50,750 --> 00:15:49,079

and arm's length in terms of their

396

00:15:53,090 --> 00:15:50,760

interaction with us they don't seem very

397

00:15:56,269 --> 00:15:53,100

emotional sometimes is what's reported

398

00:15:58,790 --> 00:15:56,279

even when they're not outright negative

399

00:16:00,710 --> 00:15:58,800

now speaking of the ones that are seen

400

00:16:03,410 --> 00:16:00,720

as negative and really do include some

401  
00:16:06,490 --> 00:16:03,420  
negative elements these encounters often

402  
00:16:09,110 --> 00:16:06,500  
involve mind control and an animal or

403  
00:16:11,509 --> 00:16:09,120  
commodity-like treatment of human beings

404  
00:16:13,670 --> 00:16:11,519  
again we see this in the so-called alien

405  
00:16:16,370 --> 00:16:13,680  
abduction phenomenon

406  
00:16:18,290 --> 00:16:16,380  
this phenomenon often involves invasive

407  
00:16:20,090 --> 00:16:18,300  
medical procedures

408  
00:16:21,889 --> 00:16:20,100  
procedures that really could be

409  
00:16:24,069 --> 00:16:21,899  
conducted in a different way that would

410  
00:16:27,050 --> 00:16:24,079  
involve less pain you would think

411  
00:16:28,670 --> 00:16:27,060  
sometimes the aliens the graves that are

412  
00:16:29,930 --> 00:16:28,680  
interacting with human beings and

413  
00:16:32,509 --> 00:16:29,940

actually performing these medical

414

00:16:34,970 --> 00:16:32,519

procedures sometimes seem more

415

00:16:37,310 --> 00:16:34,980

frustrated by the human being screaming

416

00:16:39,170 --> 00:16:37,320

and making noise than they are with the

417

00:16:41,150 --> 00:16:39,180

fact that the human being is expressing

418

00:16:41,990 --> 00:16:41,160

the fact that they're in some degree of

419

00:16:43,730 --> 00:16:42,000

pain

420

00:16:45,410 --> 00:16:43,740

now again I'm not saying there aren't

421

00:16:47,269 --> 00:16:45,420

benevolent ones that go out of their way

422

00:16:49,490 --> 00:16:47,279

to make us feel comfortable but there

423

00:16:51,829 --> 00:16:49,500

are also these negative encounters

424

00:16:54,710 --> 00:16:51,839

in which human Comfort doesn't seem to

425

00:16:56,569 --> 00:16:54,720

be very much of a high priority

426  
00:16:58,790 --> 00:16:56,579  
now speaking of abduction accounts

427  
00:17:01,009 --> 00:16:58,800  
involving these gray alien forms these

428  
00:17:02,629 --> 00:17:01,019  
great alien types these are often

429  
00:17:04,850 --> 00:17:02,639  
multi-generational

430  
00:17:07,010 --> 00:17:04,860  
now parents feel particularly helpless

431  
00:17:10,010 --> 00:17:07,020  
in these cases when they are seen as

432  
00:17:12,049 --> 00:17:10,020  
negative or not very positive it's

433  
00:17:14,270 --> 00:17:12,059  
helpless feeling for these parents when

434  
00:17:16,189 --> 00:17:14,280  
they cannot stop this from happening to

435  
00:17:17,329 --> 00:17:16,199  
their children knowing what they went

436  
00:17:19,669 --> 00:17:17,339  
through

437  
00:17:22,130 --> 00:17:19,679  
now these often involve various apparent

438  
00:17:23,449 --> 00:17:22,140

hybridization programs as I mentioned in

439

00:17:25,250 --> 00:17:23,459

the introduction

440

00:17:26,630 --> 00:17:25,260

now what's strange about these is

441

00:17:28,850 --> 00:17:26,640

sometimes even there'll be these strange

442

00:17:30,770 --> 00:17:28,860

bonding rituals that are requested by

443

00:17:32,930 --> 00:17:30,780

these Graves or basically it's almost

444

00:17:36,529 --> 00:17:32,940

like a force thing where a human being

445

00:17:38,450 --> 00:17:36,539

is abducted and then asked to hold one

446

00:17:41,810 --> 00:17:38,460

of these hybrid babies that look

447

00:17:43,730 --> 00:17:41,820

something like half human half gray and

448

00:17:45,890 --> 00:17:43,740

they hold them for maybe 10 minutes half

449

00:17:47,330 --> 00:17:45,900

an hour an hour and then they're taken

450

00:17:49,070 --> 00:17:47,340

back on the craft and the human being

451  
00:17:51,049 --> 00:17:49,080  
has re you know returned to Earth

452  
00:17:52,490 --> 00:17:51,059  
sometimes that hybrid might be taken to

453  
00:17:54,710 --> 00:17:52,500  
a different planet they're told or

454  
00:17:56,750 --> 00:17:54,720  
somewhere else in the Galaxy but again

455  
00:17:59,150 --> 00:17:56,760  
you have to ask yourself what did that

456  
00:18:01,549 --> 00:17:59,160  
half hour or an hour really do in terms

457  
00:18:03,350 --> 00:18:01,559  
of bonding is this because they

458  
00:18:04,789 --> 00:18:03,360  
awkwardly don't really understand human

459  
00:18:07,250 --> 00:18:04,799  
bonding and this is just a really

460  
00:18:09,230 --> 00:18:07,260  
superficial way of trying to sort of

461  
00:18:10,850 --> 00:18:09,240  
just check that off the list oh yeah

462  
00:18:12,710 --> 00:18:10,860  
bonding we had to do that that's what

463  
00:18:14,390 --> 00:18:12,720

human beings do so we'll do that for

464

00:18:16,669 --> 00:18:14,400

half an hour so we can say we've done it

465

00:18:18,590 --> 00:18:16,679

or is it that there's more than meets

466

00:18:20,750 --> 00:18:18,600

the eye here that this is more of a

467

00:18:22,190 --> 00:18:20,760

psychological Ploy doing something in

468

00:18:23,330 --> 00:18:22,200

our deep subconscious that we don't

469

00:18:25,730 --> 00:18:23,340

really understand

470

00:18:27,470 --> 00:18:25,740

in other words the bonding ritual is

471

00:18:28,549 --> 00:18:27,480

kind of a ruse for something else that's

472

00:18:30,590 --> 00:18:28,559

going on

473

00:18:32,450 --> 00:18:30,600

now in terms of these hybridization

474

00:18:34,610 --> 00:18:32,460

programs of course this begs a whole

475

00:18:37,010 --> 00:18:34,620

series of new questions why would they

476

00:18:38,930 --> 00:18:37,020

be hybridizing with human beings how can

477

00:18:40,970 --> 00:18:38,940

they hybridize with human beings again

478

00:18:42,650 --> 00:18:40,980

we're back to this question of not only

479

00:18:44,990 --> 00:18:42,660

do they have a human form that's so

480

00:18:47,330 --> 00:18:45,000

similar to us but apparently they seem

481

00:18:49,610 --> 00:18:47,340

to be genetically compatible with us in

482

00:18:51,710 --> 00:18:49,620

some way which you could argue suggests

483

00:18:54,710 --> 00:18:51,720

a common background in terms of DNA

484

00:18:56,630 --> 00:18:54,720

Heritage now some might suggest that

485

00:18:58,430 --> 00:18:56,640

with their advanced technology they've

486

00:19:01,010 --> 00:18:58,440

just found ways to get beyond that that

487

00:19:02,870 --> 00:19:01,020

they can actually make compatible to

488

00:19:05,570 --> 00:19:02,880

kinds of species that weren't beforehand

489

00:19:07,130 --> 00:19:05,580

but this at least begs the question why

490

00:19:10,010 --> 00:19:07,140

are these hybridization programs going

491

00:19:11,810 --> 00:19:10,020

on and how are they even possible

492

00:19:14,630 --> 00:19:11,820

now again there's been a few suggestions

493

00:19:17,390 --> 00:19:14,640

in terms of why they're going on one

494

00:19:19,850 --> 00:19:17,400

idea is that they just like to play

495

00:19:21,529 --> 00:19:19,860

games they like to experiment with

496

00:19:23,810 --> 00:19:21,539

different kinds of species and so this

497

00:19:25,909 --> 00:19:23,820

is part of a game to them to take two

498

00:19:28,549 --> 00:19:25,919

different forms put them together and

499

00:19:29,870 --> 00:19:28,559

see what comes out another possibility

500

00:19:31,430 --> 00:19:29,880

is that they're highly Advanced and

501  
00:19:33,770 --> 00:19:31,440  
they're actually populating different

502  
00:19:36,409 --> 00:19:33,780  
planets with new life forms that they

503  
00:19:37,549 --> 00:19:36,419  
are basically the progenitors of these

504  
00:19:39,830 --> 00:19:37,559  
different species these different

505  
00:19:41,930 --> 00:19:39,840  
civilizations the origins of these

506  
00:19:44,390 --> 00:19:41,940  
different civilizations owe their

507  
00:19:46,370 --> 00:19:44,400  
Beginnings to these beings and perhaps

508  
00:19:48,230 --> 00:19:46,380  
they are hybridizing with us and then

509  
00:19:50,270 --> 00:19:48,240  
are going to use this to start some new

510  
00:19:52,549 --> 00:19:50,280  
planetary civilization

511  
00:19:54,770 --> 00:19:52,559  
another possibility of course is that

512  
00:19:57,350 --> 00:19:54,780  
perhaps some of them have an

513  
00:19:59,150 --> 00:19:57,360

impoverished genetic fool they have come

514

00:20:01,549 --> 00:19:59,160

into a kind of a dead end where they

515

00:20:04,490 --> 00:20:01,559

need some genetic variance in order to

516

00:20:06,770 --> 00:20:04,500

inject New Life new Vitality into their

517

00:20:08,450 --> 00:20:06,780

genetic pool and perhaps they have found

518

00:20:10,610 --> 00:20:08,460

that human beings are compatible in a

519

00:20:13,010 --> 00:20:10,620

way that serves this purpose

520

00:20:15,169 --> 00:20:13,020

indeed to this end I'll have you know

521

00:20:17,570 --> 00:20:15,179

that some very interesting letters were

522

00:20:19,610 --> 00:20:17,580

uncovered that were written in the 20th

523

00:20:22,190 --> 00:20:19,620

century written to various government

524

00:20:24,529 --> 00:20:22,200

figures within the United States

525

00:20:27,049 --> 00:20:24,539

government basically making this claim

526

00:20:30,230 --> 00:20:27,059

that it was known by some elements of

527

00:20:32,990 --> 00:20:30,240

the US government that an ET species had

528

00:20:35,750 --> 00:20:33,000

come here needing our genetic variants

529

00:20:37,370 --> 00:20:35,760

to remedies some sort of malady and

530

00:20:40,310 --> 00:20:37,380

their genetic Heritage that had gone

531

00:20:42,529 --> 00:20:40,320

wrong and that some human governments

532

00:20:44,810 --> 00:20:42,539

had actually agreed to let this happen

533

00:20:47,270 --> 00:20:44,820

under their watch basically the

534

00:20:49,549 --> 00:20:47,280

Abduction of citizens and The Taking of

535

00:20:52,070 --> 00:20:49,559

various genetic materials in exchange

536

00:20:53,750 --> 00:20:52,080

for technology for instance that's one

537

00:20:55,430 --> 00:20:53,760

of not only the stories that came out

538

00:20:57,890 --> 00:20:55,440

but I've actually seen letters written

539

00:20:59,930 --> 00:20:57,900

credible letters written that are now in

540

00:21:01,190 --> 00:20:59,940

various archives that speak to this very

541

00:21:03,110 --> 00:21:01,200

kind of event

542

00:21:05,390 --> 00:21:03,120

and of course speaking of different

543

00:21:07,669 --> 00:21:05,400

Notions of why this hybridization would

544

00:21:09,770 --> 00:21:07,679

be going on I would be remiss to not

545

00:21:12,529 --> 00:21:09,780

mention there is like that put forward

546

00:21:15,529 --> 00:21:12,539

by Dr David Jacobs suggesting this

547

00:21:17,570 --> 00:21:15,539

hybridization program is a nefarious

548

00:21:20,210 --> 00:21:17,580

kind of affair where ultimately they

549

00:21:23,090 --> 00:21:20,220

want to take over planet Earth and they

550

00:21:25,390 --> 00:21:23,100

are slowly injecting their DNA into ours

551  
00:21:28,250 --> 00:21:25,400  
to turn us into kind of zombie humans

552  
00:21:30,470 --> 00:21:28,260  
that will be basically passive when they

553  
00:21:33,350 --> 00:21:30,480  
eventually take over or in another

554  
00:21:35,330 --> 00:21:33,360  
scenario we have part of them in us our

555  
00:21:36,950 --> 00:21:35,340  
future descendants to anyway so there

556  
00:21:38,990 --> 00:21:36,960  
really isn't any kind of fight or even

557  
00:21:40,669 --> 00:21:39,000  
argument when they eventually come and

558  
00:21:45,049 --> 00:21:40,679  
take over because we are effectively

559  
00:21:47,570 --> 00:21:45,059  
them as well so either fully gray alien

560  
00:21:50,810 --> 00:21:47,580  
or half and half or something like that

561  
00:21:53,570 --> 00:21:50,820  
some sort of hybrid form alien and human

562  
00:21:56,029 --> 00:21:53,580  
that has basically been bred to be well

563  
00:21:59,029 --> 00:21:56,039

adapted well adjusted to the notion of

564

00:22:00,950 --> 00:21:59,039

this takeover by this alien species in

565

00:22:03,890 --> 00:22:00,960

the future of course by then the notion

566

00:22:05,990 --> 00:22:03,900

is so many of us would be zombie humans

567

00:22:07,850 --> 00:22:06,000

or these kind of alien human hybrids

568

00:22:10,970 --> 00:22:07,860

that there wouldn't be much of a fuss at

569

00:22:12,529 --> 00:22:10,980

all when the Takeover actually happened

570

00:22:14,330 --> 00:22:12,539

needless to say I'm sure it's not

571

00:22:16,730 --> 00:22:14,340

surprising to you I don't put a lot of

572

00:22:18,350 --> 00:22:16,740

stock in that kind of notion but I would

573

00:22:19,430 --> 00:22:18,360

be remiss to not at least bring it to

574

00:22:21,350 --> 00:22:19,440

your attention

575

00:22:23,390 --> 00:22:21,360

one other notion put forward to explain

576

00:22:25,490 --> 00:22:23,400

why this hybridization will be going on

577

00:22:27,950 --> 00:22:25,500

and not just the hybridization but also

578

00:22:29,990 --> 00:22:27,960

the Gathering of genetic material is

579

00:22:31,909 --> 00:22:30,000

because they are concerned that we will

580

00:22:34,370 --> 00:22:31,919

blow ourselves up that we are on the

581

00:22:35,990 --> 00:22:34,380

precipice of self-destruction and

582

00:22:37,909 --> 00:22:36,000

perhaps According to some experience for

583

00:22:40,250 --> 00:22:37,919

accounts they claim they've even seen

584

00:22:43,250 --> 00:22:40,260

other species get to this point and

585

00:22:45,049 --> 00:22:43,260

basically self-destruct so on the one

586

00:22:46,730 --> 00:22:45,059

hand they're trying to help us behind

587

00:22:48,830 --> 00:22:46,740

the scenes to prevent that from

588

00:22:50,330 --> 00:22:48,840

happening but in case they're not able

589

00:22:52,490 --> 00:22:50,340

to prevent it and we do end up

590

00:22:55,310 --> 00:22:52,500

self-destructing they want to have our

591

00:22:58,190 --> 00:22:55,320

DNA on tap basically so they can

592

00:23:00,649 --> 00:22:58,200

reproduce us somewhere else if necessary

593

00:23:03,230 --> 00:23:00,659

because they recognize the value of

594

00:23:05,690 --> 00:23:03,240

human DNA of life in general and kind of

595

00:23:07,669 --> 00:23:05,700

like scientists on an expedition they

596

00:23:09,890 --> 00:23:07,679

want to hold on to that material in case

597

00:23:11,870 --> 00:23:09,900

they need to repopulate us so we don't

598

00:23:14,570 --> 00:23:11,880

completely get wiped off the cosmic

599

00:23:15,890 --> 00:23:14,580

scene if we do self-destruct here on

600

00:23:17,990 --> 00:23:15,900

planet Earth

601  
00:23:19,850 --> 00:23:18,000  
one final reason I'll put forward in

602  
00:23:22,250 --> 00:23:19,860  
terms of why this hybridization might be

603  
00:23:24,950 --> 00:23:22,260  
happening is because perhaps they are

604  
00:23:27,110 --> 00:23:24,960  
setting up a series of ambassadorships

605  
00:23:30,409 --> 00:23:27,120  
that they want a group of ambassadors

606  
00:23:32,930 --> 00:23:30,419  
basically half human half alien that can

607  
00:23:34,669 --> 00:23:32,940  
help some sort of transition not

608  
00:23:36,529 --> 00:23:34,679  
necessarily A nefarious transition in

609  
00:23:38,029 --> 00:23:36,539  
terms of them taking over but maybe

610  
00:23:40,430 --> 00:23:38,039  
because they're going to become more

611  
00:23:42,710 --> 00:23:40,440  
public they will expose themselves to us

612  
00:23:45,110 --> 00:23:42,720  
in a mass way it'll become part of

613  
00:23:47,510 --> 00:23:45,120

public knowledge that they're here and

614

00:23:50,090 --> 00:23:47,520

to Aid in that transition to reduce the

615

00:23:52,669 --> 00:23:50,100

shock the idea is there will be human

616

00:23:55,250 --> 00:23:52,679

beings that are basically hybrids across

617

00:23:56,270 --> 00:23:55,260

a planet that can help navigate this

618

00:23:58,549 --> 00:23:56,280

transition

619

00:24:01,250 --> 00:23:58,559

it also should be pointed out here that

620

00:24:04,370 --> 00:24:01,260

these ambassadors these hybrid human

621

00:24:06,770 --> 00:24:04,380

alien types would also be able to help

622

00:24:09,470 --> 00:24:06,780

with communication not just in terms of

623

00:24:11,330 --> 00:24:09,480

aliens communicating with us but with us

624

00:24:14,510 --> 00:24:11,340

communicating with them in other words

625

00:24:16,610 --> 00:24:14,520

by having half alien half human DNA or

626  
00:24:18,950 --> 00:24:16,620  
something like that they understand both

627  
00:24:21,470 --> 00:24:18,960  
species to some degree and this helps

628  
00:24:23,990 --> 00:24:21,480  
with the communication process you can

629  
00:24:26,330 --> 00:24:24,000  
think of Spock on Star Trek who is half

630  
00:24:28,430 --> 00:24:26,340  
Vulcan half human and seem to understand

631  
00:24:30,830 --> 00:24:28,440  
both groups to some degree because of

632  
00:24:32,990 --> 00:24:30,840  
this even though sometimes as a

633  
00:24:34,430 --> 00:24:33,000  
character he was kind of torn by this

634  
00:24:36,470 --> 00:24:34,440  
dual nature

635  
00:24:39,049 --> 00:24:36,480  
I would also point out that I really do

636  
00:24:41,390 --> 00:24:39,059  
believe evidence suggests these beings

637  
00:24:43,610 --> 00:24:41,400  
already exist these hybrids and some of

638  
00:24:45,110 --> 00:24:43,620

them are walking amongst us and part of

639

00:24:47,090 --> 00:24:45,120

the reason why I believe that's the case

640

00:24:48,830 --> 00:24:47,100

and you're not seeing them necessarily

641

00:24:50,810 --> 00:24:48,840

and saying that looks an awful lot like

642

00:24:53,330 --> 00:24:50,820

something like a cross between a gray

643

00:24:55,610 --> 00:24:53,340

and a human is because often they look

644

00:24:57,890 --> 00:24:55,620

fully human again I think we have to

645

00:24:59,990 --> 00:24:57,900

remember that they are highly Advanced

646

00:25:01,789 --> 00:25:00,000

technologically and they can pull this

647

00:25:03,350 --> 00:25:01,799

off in a way that is kind of going to

648

00:25:05,570 --> 00:25:03,360

dupe us we're not going to know the

649

00:25:08,210 --> 00:25:05,580

difference necessarily until it's time

650

00:25:10,250 --> 00:25:08,220

and then they can be revealed again it's

651  
00:25:12,470 --> 00:25:10,260  
not so much about the form here as it is

652  
00:25:14,090 --> 00:25:12,480  
about the shared understanding the

653  
00:25:16,850 --> 00:25:14,100  
bridge between the two different sides

654  
00:25:19,250 --> 00:25:16,860  
in terms of communication if indeed this

655  
00:25:21,110 --> 00:25:19,260  
is what these ambassadors are for if

656  
00:25:22,730 --> 00:25:21,120  
these hybrids are actually ambassadors

657  
00:25:25,850 --> 00:25:22,740  
and I'll just remind you that people

658  
00:25:29,210 --> 00:25:25,860  
like Susie Hansen have spoken in this

659  
00:25:31,610 --> 00:25:29,220  
way about her own ability to communicate

660  
00:25:34,010 --> 00:25:31,620  
between both sides and she suggested

661  
00:25:36,289 --> 00:25:34,020  
this is the mission she has to basically

662  
00:25:38,269 --> 00:25:36,299  
be an Ambassador when some sort of

663  
00:25:40,430 --> 00:25:38,279

massive transition happens in the future

664

00:25:42,409 --> 00:25:40,440

again we talked about that recently in

665

00:25:44,810 --> 00:25:42,419

the cataclysm episode

666

00:25:46,669 --> 00:25:44,820

now interestingly Susie Hansen is not

667

00:25:48,950 --> 00:25:46,679

the only person saying these kinds of

668

00:25:51,590 --> 00:25:48,960

things in fact right in her home

669

00:25:54,230 --> 00:25:51,600

Australia New Zealand kind of area there

670

00:25:56,630 --> 00:25:54,240

is another person named Judy Carroll who

671

00:25:58,850 --> 00:25:56,640

has a very similar story about initially

672

00:26:01,250 --> 00:25:58,860

being shocked by having encounters with

673

00:26:02,630 --> 00:26:01,260

what she realized were aliens and then

674

00:26:06,289 --> 00:26:02,640

later realizing these were very

675

00:26:08,870 --> 00:26:06,299

benevolent very non-dual realized beings

676

00:26:10,669 --> 00:26:08,880

who are here to help and that she even

677

00:26:12,890 --> 00:26:10,679

realized that she had some sort of

678

00:26:15,649 --> 00:26:12,900

connection to them and even that she

679

00:26:18,769 --> 00:26:15,659

like Susie Hansen had kind of a dual

680

00:26:21,049 --> 00:26:18,779

nature half gray half-human and when you

681

00:26:22,850 --> 00:26:21,059

read her book The Zeta message again

682

00:26:24,769 --> 00:26:22,860

because she believes they are from Zeta

683

00:26:26,930 --> 00:26:24,779

reticuli that's what she says they have

684

00:26:29,570 --> 00:26:26,940

told her she believes they are basically

685

00:26:32,029 --> 00:26:29,580

non-dual realized beings fully

686

00:26:34,130 --> 00:26:32,039

benevolent siblings in Cosmic

687

00:26:35,690 --> 00:26:34,140

Consciousness if you will here to help

688

00:26:37,669 --> 00:26:35,700

us and here to help us make the

689

00:26:40,130 --> 00:26:37,679

transition from a technologically

690

00:26:41,810 --> 00:26:40,140

sophisticated species who's on the brink

691

00:26:43,970 --> 00:26:41,820

of self-destruction because of our

692

00:26:46,430 --> 00:26:43,980

technology magical prowess that has not

693

00:26:49,130 --> 00:26:46,440

seen an equivalent increase in

694

00:26:51,529 --> 00:26:49,140

Consciousness capacity navigate these

695

00:26:54,110 --> 00:26:51,539

tricky Waters in our history

696

00:26:56,870 --> 00:26:54,120

so that covers some of the main points

697

00:26:59,390 --> 00:26:56,880

within the Extraterrestrial aspect of

698

00:27:01,610 --> 00:26:59,400

this conversation but of course as I

699

00:27:03,890 --> 00:27:01,620

hinted at in the introduction there's

700

00:27:06,470 --> 00:27:03,900

another possibility here and this has

701  
00:27:09,049 --> 00:27:06,480  
been gaining steam you might say now

702  
00:27:11,149 --> 00:27:09,059  
Professor Michael Masters says that

703  
00:27:12,710 --> 00:27:11,159  
these beings these gray aliens when he

704  
00:27:15,230 --> 00:27:12,720  
looks at them and when he thinks about

705  
00:27:16,190 --> 00:27:15,240  
them as an evolutionary biologist more

706  
00:27:18,169 --> 00:27:16,200  
importantly

707  
00:27:19,789 --> 00:27:18,179  
he claims they are almost certainly

708  
00:27:21,470 --> 00:27:19,799  
related to us

709  
00:27:24,590 --> 00:27:21,480  
he also believes that the future human

710  
00:27:26,149 --> 00:27:24,600  
hypothesis is more parsimonious takes

711  
00:27:28,549 --> 00:27:26,159  
less of a stretch you don't have to

712  
00:27:30,409 --> 00:27:28,559  
include aliens in the picture all you

713  
00:27:32,630 --> 00:27:30,419

need is time travel and we already

714

00:27:35,450 --> 00:27:32,640

believe hypothetically theoretically

715

00:27:36,830 --> 00:27:35,460

even that time travel is possible we

716

00:27:37,850 --> 00:27:36,840

already have ways we can think about

717

00:27:40,610 --> 00:27:37,860

that

718

00:27:43,310 --> 00:27:40,620

in other words practically pragmatically

719

00:27:45,950 --> 00:27:43,320

it's logical to assume that if time

720

00:27:47,510 --> 00:27:45,960

travel is theoretically possible and

721

00:27:49,190 --> 00:27:47,520

leading theorists believe it basically

722

00:27:51,230 --> 00:27:49,200

is there are some who don't but

723

00:27:53,090 --> 00:27:51,240

generally there's growing consensus that

724

00:27:55,010 --> 00:27:53,100

it is part of the picture that

725

00:27:57,409 --> 00:27:55,020

space-time is one fabric when you warp

726

00:28:00,289 --> 00:27:57,419

it enough you can both travel in time

727

00:28:02,230 --> 00:28:00,299

and space so if that's the case then

728

00:28:04,490 --> 00:28:02,240

it's logical to assume that eventually

729

00:28:07,610 --> 00:28:04,500

assuming we don't blow ourselves up

730

00:28:10,010 --> 00:28:07,620

anytime soon that our descendants will

731

00:28:12,710 --> 00:28:10,020

develop the capacity to travel in time

732

00:28:15,350 --> 00:28:12,720

and based on our history you can almost

733

00:28:18,049 --> 00:28:15,360

guarantee that if if we can do it we

734

00:28:19,370 --> 00:28:18,059

will do it and what Michael Masters is

735

00:28:22,310 --> 00:28:19,380

saying is that when you look at gray

736

00:28:25,610 --> 00:28:22,320

aliens what we see is evidence plainly

737

00:28:28,490 --> 00:28:25,620

in front of us that this is us from the

738

00:28:30,649 --> 00:28:28,500

Future come back to do something the

739

00:28:32,630 --> 00:28:30,659

question is what are they here on some

740

00:28:35,450 --> 00:28:32,640

sort of scientific expedition to just

741

00:28:38,390 --> 00:28:35,460

study their ancient ancestors in a up

742

00:28:40,730 --> 00:28:38,400

close and personal way or are they here

743

00:28:42,590 --> 00:28:40,740

to change something in the timeline to

744

00:28:44,690 --> 00:28:42,600

prevent something from happening or to

745

00:28:45,950 --> 00:28:44,700

ensure something is going to happen I

746

00:28:48,049 --> 00:28:45,960

already talked about in previous

747

00:28:51,110 --> 00:28:48,059

episodes and we touched on it again last

748

00:28:52,549 --> 00:28:51,120

time in the cataclysm episode that part

749

00:28:54,730 --> 00:28:52,559

of the Intel

750

00:28:58,010 --> 00:28:54,740

that I found from various sources

751

00:29:00,289 --> 00:28:58,020

suggests that there are Notions in the

752

00:29:03,409 --> 00:29:00,299

intelligence communities suggesting that

753

00:29:05,510 --> 00:29:03,419

there are more than one faction of these

754

00:29:07,549 --> 00:29:05,520

future humans here and that they are

755

00:29:09,769 --> 00:29:07,559

here in relation to some sort of

756

00:29:11,930 --> 00:29:09,779

cataclysm that's coming in a non-very

757

00:29:13,610 --> 00:29:11,940

distant future I won't go into this in

758

00:29:15,470 --> 00:29:13,620

detail because I've already discussed it

759

00:29:17,210 --> 00:29:15,480

elsewhere again if you didn't hear last

760

00:29:20,630 --> 00:29:17,220

times episode I go back and listen to

761

00:29:22,490 --> 00:29:20,640

that episode 77 where I discuss this in

762

00:29:24,710 --> 00:29:22,500

more detail and even in previous

763

00:29:27,169 --> 00:29:24,720

episodes I did three episodes in a row

764

00:29:30,409 --> 00:29:27,179

covering this time traveling future

765

00:29:32,930 --> 00:29:30,419

human hypothesis again Masters calls

766

00:29:35,149 --> 00:29:32,940

these extra tempestules because they're

767

00:29:38,029 --> 00:29:35,159

not extraterrestrial they're not beyond

768

00:29:41,269 --> 00:29:38,039

the Earth they're beyond time our time

769

00:29:42,830 --> 00:29:41,279

hence extra tempestrial now of course

770

00:29:44,450 --> 00:29:42,840

that also means they're from elsewhere

771

00:29:45,950 --> 00:29:44,460

because the Earth is going to be in a

772

00:29:48,950 --> 00:29:45,960

different place a different location in

773

00:29:52,730 --> 00:29:48,960

space in the future nevertheless extra

774

00:29:54,230 --> 00:29:52,740

tempestrial focuses on this time aspect

775

00:29:55,190 --> 00:29:54,240

and we just want to make this really

776  
00:29:57,470 --> 00:29:55,200  
clear

777  
00:29:59,510 --> 00:29:57,480  
Masters is an evolutionary biologist

778  
00:30:02,750 --> 00:29:59,520  
this is his specialty he has a

779  
00:30:05,450 --> 00:30:02,760  
specialization in the hominid line and

780  
00:30:07,130 --> 00:30:05,460  
interestingly even he says when he saw

781  
00:30:09,289 --> 00:30:07,140  
the front cover of communion all those

782  
00:30:11,870 --> 00:30:09,299  
years ago when he was a kid he

783  
00:30:13,909 --> 00:30:11,880  
immediately thought that being must be

784  
00:30:16,669 --> 00:30:13,919  
related to us in some way

785  
00:30:19,310 --> 00:30:16,679  
as it turns out he went on and got a PhD

786  
00:30:21,529 --> 00:30:19,320  
in this very field so he could study it

787  
00:30:23,149 --> 00:30:21,539  
again you might ask yourself is that

788  
00:30:24,950 --> 00:30:23,159

kind of an interesting coincidence that

789

00:30:26,570 --> 00:30:24,960

he went into that what's that all about

790

00:30:29,029 --> 00:30:26,580

maybe we'll hear more from him in the

791

00:30:31,610 --> 00:30:29,039

future about that but nevertheless it's

792

00:30:33,889 --> 00:30:31,620

put him in a prime position to look at

793

00:30:36,230 --> 00:30:33,899

this look at the evidence in an

794

00:30:39,710 --> 00:30:36,240

objective way based on a specialization

795

00:30:41,149 --> 00:30:39,720

in this specific kind of study and he's

796

00:30:43,850 --> 00:30:41,159

saying that when he looks at them

797

00:30:46,310 --> 00:30:43,860

considers their different aspects they

798

00:30:48,950 --> 00:30:46,320

almost certainly are related to us

799

00:30:51,529 --> 00:30:48,960

and furthermore based on the current

800

00:30:53,810 --> 00:30:51,539

trajectory of The evolutionary line of

801  
00:30:56,149 --> 00:30:53,820  
human beings he says if you just follow

802  
00:30:57,710 --> 00:30:56,159  
that out a few thousand years you will

803  
00:31:00,289 --> 00:30:57,720  
end up with something that looks a lot

804  
00:31:02,029 --> 00:31:00,299  
like a gray alien and that's without any

805  
00:31:04,370 --> 00:31:02,039  
kind of major event happening in the

806  
00:31:07,130 --> 00:31:04,380  
future that the larger head the larger

807  
00:31:09,529 --> 00:31:07,140  
eyes the more childlike features those

808  
00:31:12,049 --> 00:31:09,539  
kinds of things are already Something

809  
00:31:13,430 --> 00:31:12,059  
That We're evolving towards so it's not

810  
00:31:16,010 --> 00:31:13,440  
a stretch in his mind that we would

811  
00:31:17,510 --> 00:31:16,020  
eventually look like gray aliens and

812  
00:31:20,210 --> 00:31:17,520  
again from his point of view the

813  
00:31:22,010 --> 00:31:20,220

humanoid thing you can't get past they

814

00:31:24,409 --> 00:31:22,020

look so much like humans because they

815

00:31:27,230 --> 00:31:24,419

actually are humans just humans further

816

00:31:29,570 --> 00:31:27,240

along the evolutionary trajectory

817

00:31:31,669 --> 00:31:29,580

now we already discussed why the ETS

818

00:31:33,710 --> 00:31:31,679

might be here and why they may be doing

819

00:31:35,330 --> 00:31:33,720

this hybridization

820

00:31:37,730 --> 00:31:35,340

but what if these are actually extra

821

00:31:39,049 --> 00:31:37,740

tempestules why would they be doing this

822

00:31:41,210 --> 00:31:39,059

why would they be conducting

823

00:31:43,130 --> 00:31:41,220

hybridization programs and Gathering

824

00:31:44,630 --> 00:31:43,140

genetic material

825

00:31:47,210 --> 00:31:44,640

we already talked about there possibly

826

00:31:50,029 --> 00:31:47,220

here in relation to this timeline and

827

00:31:52,610 --> 00:31:50,039

the cataclysm issue but taken apart from

828

00:31:54,769 --> 00:31:52,620

that we need to reckon with the fact

829

00:31:56,389 --> 00:31:54,779

that genetic material is being gathered

830

00:31:59,450 --> 00:31:56,399

and if these beings are actually extra

831

00:32:01,669 --> 00:31:59,460

tempestules you ask yourself why

832

00:32:04,250 --> 00:32:01,679

now one of the main arguments has been

833

00:32:06,470 --> 00:32:04,260

that they somehow end up in a

834

00:32:08,149 --> 00:32:06,480

genetically impoverished condition again

835

00:32:10,430 --> 00:32:08,159

kind of like the ETS we talked about

836

00:32:12,470 --> 00:32:10,440

where they actually are lacking genetic

837

00:32:14,330 --> 00:32:12,480

variants and they're suffering birth

838

00:32:16,130 --> 00:32:14,340

defects basically likely you have an

839

00:32:17,870 --> 00:32:16,140

inbreeding because there just aren't

840

00:32:20,510 --> 00:32:17,880

enough of them and not enough variants

841

00:32:23,810 --> 00:32:20,520

to ensure a healthy stock so the only

842

00:32:26,149 --> 00:32:23,820

way they can remedy that malady is to

843

00:32:27,590 --> 00:32:26,159

come back in time and find beings that

844

00:32:30,950 --> 00:32:27,600

are compatible with them because they're

845

00:32:33,769 --> 00:32:30,960

their ancestors who have been lost to

846

00:32:35,269 --> 00:32:33,779

the Arc of time but because there's more

847

00:32:37,789 --> 00:32:35,279

variance in our time they're able to

848

00:32:40,370 --> 00:32:37,799

come back take genetic material inject

849

00:32:43,190 --> 00:32:40,380

it back into future populations and to

850

00:32:45,049 --> 00:32:43,200

remedy these maladies that assumes some

851  
00:32:47,810 --> 00:32:45,059  
sort of again genetic impoverishment

852  
00:32:50,389 --> 00:32:47,820  
some sort of disease-like issue that's

853  
00:32:51,950 --> 00:32:50,399  
been brought into the genetic stock but

854  
00:32:53,450 --> 00:32:51,960  
there are other possibilities too some

855  
00:32:55,610 --> 00:32:53,460  
people have talked about the fact that

856  
00:32:58,549 --> 00:32:55,620  
they may have or we may have in the

857  
00:33:01,070 --> 00:32:58,559  
future basically bred emotion out of us

858  
00:33:02,870 --> 00:33:01,080  
that this was actually something we aim

859  
00:33:05,149 --> 00:33:02,880  
to do at some point but then later

860  
00:33:07,490 --> 00:33:05,159  
regretted it perhaps we realized that

861  
00:33:09,769 --> 00:33:07,500  
like Spock you kind of need a bit of

862  
00:33:11,870 --> 00:33:09,779  
human and a bit of Vulcan to really make

863  
00:33:14,029 --> 00:33:11,880

wise decisions you don't want to lose

864

00:33:15,889 --> 00:33:14,039

emotional intelligence and perhaps

865

00:33:18,350 --> 00:33:15,899

that's what we did so one of the

866

00:33:20,690 --> 00:33:18,360

arguments one of the even accounts put

867

00:33:23,389 --> 00:33:20,700

forward by experiencers is that these

868

00:33:25,610 --> 00:33:23,399

beings say they've lost the ability to

869

00:33:27,470 --> 00:33:25,620

be emotional and they've suffered

870

00:33:29,750 --> 00:33:27,480

because of it not just individually but

871

00:33:31,430 --> 00:33:29,760

as a collective so by coming back and

872

00:33:33,889 --> 00:33:31,440

taking some of our stock they're hoping

873

00:33:36,590 --> 00:33:33,899

to inject that element back into their

874

00:33:38,330 --> 00:33:36,600

own future so again it's interesting how

875

00:33:40,549 --> 00:33:38,340

much overlap there is here in terms of

876

00:33:42,649 --> 00:33:40,559

the accounts provided by experiencers

877

00:33:44,210 --> 00:33:42,659

based on what they've been told told by

878

00:33:45,889 --> 00:33:44,220

these other beings

879

00:33:47,810 --> 00:33:45,899

now one thing I would point out to you

880

00:33:50,029 --> 00:33:47,820

here is that part of the account we hear

881

00:33:52,130 --> 00:33:50,039

from intelligent circles is that these

882

00:33:54,289 --> 00:33:52,140

extra tempestules these beings from the

883

00:33:56,210 --> 00:33:54,299

future who look like great aliens but

884

00:33:59,350 --> 00:33:56,220

are actually just neo-humans future

885

00:34:01,250 --> 00:33:59,360

humans want us to believe they're

886

00:34:03,529 --> 00:34:01,260

extraterrestrials because they don't

887

00:34:06,110 --> 00:34:03,539

want to interfere with our timeline by

888

00:34:08,149 --> 00:34:06,120

us knowing they are future humans that

889

00:34:11,329 --> 00:34:08,159

somehow they will do less damage to the

890

00:34:13,609 --> 00:34:11,339

timeline be less interventionary by

891

00:34:15,649 --> 00:34:13,619

letting us believe they are space aliens

892

00:34:17,629 --> 00:34:15,659

from Zeta reticuli or somewhere else

893

00:34:19,010 --> 00:34:17,639

when really they are just our

894

00:34:20,810 --> 00:34:19,020

descendants

895

00:34:23,329 --> 00:34:20,820

now I'll leave it up to you to decide

896

00:34:24,770 --> 00:34:23,339

how compelling that argument is but

897

00:34:26,210 --> 00:34:24,780

that's not only what some people have

898

00:34:28,609 --> 00:34:26,220

suggested but that's even what

899

00:34:30,649 --> 00:34:28,619

intelligent sources have suggested they

900

00:34:32,510 --> 00:34:30,659

were told by these extra-term pastorals

901  
00:34:34,550 --> 00:34:32,520  
that they are actually us from the

902  
00:34:37,250 --> 00:34:34,560  
future but they let the public believe

903  
00:34:39,230 --> 00:34:37,260  
they are space aliens so they cause less

904  
00:34:42,770 --> 00:34:39,240  
damage to the timeline at least

905  
00:34:44,869 --> 00:34:42,780  
potentially that is one story anyway

906  
00:34:47,210 --> 00:34:44,879  
and now I like to offer you a few other

907  
00:34:48,950 --> 00:34:47,220  
kind of ideas to consider that might

908  
00:34:51,530 --> 00:34:48,960  
make sense of the fact that these are

909  
00:34:54,649 --> 00:34:51,540  
humanoid beings that look very human in

910  
00:34:57,650 --> 00:34:54,659  
some ways even if not precisely human

911  
00:35:00,710 --> 00:34:57,660  
one possibility involves ancient common

912  
00:35:03,170 --> 00:35:00,720  
seeding the idea here is that there is a

913  
00:35:05,210 --> 00:35:03,180

cosmic seeding program and evolutionary

914

00:35:07,130 --> 00:35:05,220

Divergence has happened based on

915

00:35:09,410 --> 00:35:07,140

circumstance and different planetary

916

00:35:11,750 --> 00:35:09,420

factors in other words what if you

917

00:35:13,970 --> 00:35:11,760

originally had the seeding of one sort

918

00:35:16,430 --> 00:35:13,980

of base level kind of being

919

00:35:18,109 --> 00:35:16,440

and then based on the environmental

920

00:35:20,750 --> 00:35:18,119

conditions of whatever Planet they were

921

00:35:22,550 --> 00:35:20,760

planted on they developed slightly

922

00:35:24,829 --> 00:35:22,560

differently so you still get a humanoid

923

00:35:27,349 --> 00:35:24,839

form but you get some Divergence because

924

00:35:30,170 --> 00:35:27,359

of different environmental conditions

925

00:35:31,550 --> 00:35:30,180

presumably on different planets that's

926  
00:35:34,069 --> 00:35:31,560  
another possibility that would make

927  
00:35:36,770 --> 00:35:34,079  
sense of why we see so much common

928  
00:35:38,210 --> 00:35:36,780  
humanoid characteristics

929  
00:35:41,690 --> 00:35:38,220  
another possibility that's very

930  
00:35:44,210 --> 00:35:41,700  
intriguing speaking of time involves an

931  
00:35:45,950 --> 00:35:44,220  
alternate Earth timeline so what if

932  
00:35:49,190 --> 00:35:45,960  
these actually are beings not from our

933  
00:35:51,050 --> 00:35:49,200  
future but from our past but that took a

934  
00:35:53,810 --> 00:35:51,060  
different evolutionary trajectory than

935  
00:35:55,790 --> 00:35:53,820  
us in an alternate Earth that's

936  
00:35:58,190 --> 00:35:55,800  
certainly possible all it would take is

937  
00:36:00,050 --> 00:35:58,200  
perhaps one more meteor hitting the

938  
00:36:01,970 --> 00:36:00,060

Earth and you know blotting up the Sun

939

00:36:03,650 --> 00:36:01,980

for a long period of time where you

940

00:36:05,750 --> 00:36:03,660

would end up with beings human beings

941

00:36:07,490 --> 00:36:05,760

that looked different that had that

942

00:36:09,230 --> 00:36:07,500

paler skin because there wasn't much

943

00:36:11,390 --> 00:36:09,240

sunlight because being blocked out by

944

00:36:14,569 --> 00:36:11,400

the clouds they would develop these huge

945

00:36:16,190 --> 00:36:14,579

eyes because they needed to draw as much

946

00:36:17,630 --> 00:36:16,200

light from the environment as they could

947

00:36:20,329 --> 00:36:17,640

again because it's darker because

948

00:36:23,150 --> 00:36:20,339

perhaps this planet this planet earth

949

00:36:25,310 --> 00:36:23,160

has been covered by clouds and perhaps

950

00:36:27,589 --> 00:36:25,320

because of various difficulties they

951

00:36:29,990 --> 00:36:27,599

learned telepathy to a greater degree

952

00:36:32,690 --> 00:36:30,000

than we have because of again different

953

00:36:34,790 --> 00:36:32,700

planetary conditions even though the

954

00:36:37,370 --> 00:36:34,800

ultimate planet is the same one Earth

955

00:36:40,910 --> 00:36:37,380

just an alternate Earth in a different

956

00:36:42,470 --> 00:36:40,920

timeline that's possible too

957

00:36:44,450 --> 00:36:42,480

one other piece to bring to your

958

00:36:47,150 --> 00:36:44,460

attention is the notion of convergent

959

00:36:50,450 --> 00:36:47,160

evolution which is defined like this

960

00:36:53,630 --> 00:36:50,460

quote convergent evolution occurs when

961

00:36:56,390 --> 00:36:53,640

species occupy similar ecological niches

962

00:36:59,750 --> 00:36:56,400

and adapt in similar ways in response to

963

00:37:02,630 --> 00:36:59,760

similar selective pressures traits that

964

00:37:05,870 --> 00:37:02,640

arise through convergent evolution are

965

00:37:08,030 --> 00:37:05,880

referred to as analogous structures

966

00:37:10,010 --> 00:37:08,040

they are contrasted with homologous

967

00:37:11,510 --> 00:37:10,020

structures which have a common origin

968

00:37:13,910 --> 00:37:11,520

unquote

969

00:37:15,410 --> 00:37:13,920

so the notion here is kind of countered

970

00:37:17,690 --> 00:37:15,420

to this common claim that we learned

971

00:37:19,849 --> 00:37:17,700

about in biology growing up suggesting

972

00:37:21,050 --> 00:37:19,859

that likely alien life would look very

973

00:37:22,910 --> 00:37:21,060

different because they had different

974

00:37:24,650 --> 00:37:22,920

planetary conditions

975

00:37:27,050 --> 00:37:24,660

but we know that actually there's

976  
00:37:29,150 --> 00:37:27,060  
constraints across the cosmos that might

977  
00:37:31,609 --> 00:37:29,160  
cause some very similar kinds of planets

978  
00:37:33,290 --> 00:37:31,619  
to form so the notion here is even if

979  
00:37:35,630 --> 00:37:33,300  
you had different planets and different

980  
00:37:38,270 --> 00:37:35,640  
parts of the Galaxy if there are enough

981  
00:37:39,710 --> 00:37:38,280  
common shaping elements in those

982  
00:37:43,609 --> 00:37:39,720  
environments that you would end up with

983  
00:37:46,790 --> 00:37:43,619  
fewer and fewer idealize her optimized

984  
00:37:49,190 --> 00:37:46,800  
forms to emerge from that sort of

985  
00:37:50,750 --> 00:37:49,200  
evolutionary trajectory so in other

986  
00:37:52,310 --> 00:37:50,760  
words what you would end up with is

987  
00:37:53,390 --> 00:37:52,320  
especially at the higher ends of the

988  
00:37:55,069 --> 00:37:53,400

food chain

989

00:37:56,870 --> 00:37:55,079

beings that looked very very similar

990

00:37:58,849 --> 00:37:56,880

even if they're from originally very

991

00:38:00,829 --> 00:37:58,859

different contexts so this is the notion

992

00:38:02,690 --> 00:38:00,839

of convergent evolution that they're

993

00:38:05,210 --> 00:38:02,700

converging towards the same kind of form

994

00:38:06,650 --> 00:38:05,220

because of similar pressures even if

995

00:38:08,030 --> 00:38:06,660

they come from originally different

996

00:38:11,150 --> 00:38:08,040

environments

997

00:38:13,490 --> 00:38:11,160

so that's another possibility as well

998

00:38:15,230 --> 00:38:13,500

we would also be remiss to not at least

999

00:38:17,690 --> 00:38:15,240

consider the fact that these forms

1000

00:38:19,910 --> 00:38:17,700

aren't their true forms in fact even

1001  
00:38:22,910 --> 00:38:19,920  
some of the experiencers who encounter

1002  
00:38:24,950 --> 00:38:22,920  
these Graves these Zetas will sometimes

1003  
00:38:28,190 --> 00:38:24,960  
learn that this is just a kind of suit

1004  
00:38:30,410 --> 00:38:28,200  
or form they took on that allows them to

1005  
00:38:33,530 --> 00:38:30,420  
navigate in our kind of dense 3D plus

1006  
00:38:35,990 --> 00:38:33,540  
one structure of reality this construct

1007  
00:38:37,910 --> 00:38:36,000  
and also sometimes people are told they

1008  
00:38:40,550 --> 00:38:37,920  
take on this form to make it easier on

1009  
00:38:42,650 --> 00:38:40,560  
us that they look like us but different

1010  
00:38:44,390 --> 00:38:42,660  
enough that it's shocking without being

1011  
00:38:46,550 --> 00:38:44,400  
completely overwhelming although some

1012  
00:38:48,050 --> 00:38:46,560  
might disagree with that but this is

1013  
00:38:50,870 --> 00:38:48,060

part of the notion too that they take

1014

00:38:53,089 --> 00:38:50,880

this form on for our sake so that we can

1015

00:38:53,990 --> 00:38:53,099

see something physical even though some

1016

00:38:57,050 --> 00:38:54,000

of them

1017

00:38:59,030 --> 00:38:57,060

our post biological or even post form

1018

00:39:01,670 --> 00:38:59,040

they basically are immaterial at this

1019

00:39:03,650 --> 00:39:01,680

point light forms basically but they

1020

00:39:05,690 --> 00:39:03,660

take on this form for our sake so they

1021

00:39:07,670 --> 00:39:05,700

can communicate with us

1022

00:39:09,710 --> 00:39:07,680

now there's one other possibility that

1023

00:39:12,290 --> 00:39:09,720

would explain this common humanoid form

1024

00:39:13,730 --> 00:39:12,300

that I would like to make you aware of I

1025

00:39:15,650 --> 00:39:13,740

actually think it's the most compelling

1026

00:39:16,970 --> 00:39:15,660

argument based on the evidence I've seen

1027

00:39:19,250 --> 00:39:16,980

and based on the material I've come

1028

00:39:21,470 --> 00:39:19,260

across and what I've studied and my

1029

00:39:22,849 --> 00:39:21,480

understanding of reality I think this is

1030

00:39:24,650 --> 00:39:22,859

the best fit

1031

00:39:26,030 --> 00:39:24,660

and this is also covered in the raw

1032

00:39:27,890 --> 00:39:26,040

material you've probably heard me

1033

00:39:29,630 --> 00:39:27,900

mention this more and more again I've

1034

00:39:30,890 --> 00:39:29,640

said elsewhere that I think that's the

1035

00:39:33,410 --> 00:39:30,900

best channeled material we've ever

1036

00:39:35,210 --> 00:39:33,420

received I think that it's good not just

1037

00:39:37,370 --> 00:39:35,220

because I believe the people who channel

1038

00:39:39,710 --> 00:39:37,380

the material but also because it lines

1039

00:39:41,930 --> 00:39:39,720

up so well with other non-dual sources

1040

00:39:44,210 --> 00:39:41,940

the deepest spiritual traditions of our

1041

00:39:45,829 --> 00:39:44,220

history as well so I'm not putting all

1042

00:39:47,870 --> 00:39:45,839

my eggs in that basket because I just

1043

00:39:49,970 --> 00:39:47,880

happen to believe that people that say

1044

00:39:52,849 --> 00:39:49,980

they channeled this extraterrestrial

1045

00:39:53,990 --> 00:39:52,859

slash interdimensional Source because I

1046

00:39:56,210 --> 00:39:54,000

like them and I think they're

1047

00:39:58,490 --> 00:39:56,220

trustworthy but also because the

1048

00:40:01,250 --> 00:39:58,500

material itself just seems very

1049

00:40:02,930 --> 00:40:01,260

self-evident to me I think it speaks to

1050

00:40:04,670 --> 00:40:02,940

truths that actually exist it

1051  
00:40:07,130 --> 00:40:04,680  
corresponds to reality as I understand

1052  
00:40:09,950 --> 00:40:07,140  
it so in other words the metaphysical

1053  
00:40:11,990 --> 00:40:09,960  
architecture lines up with mine not just

1054  
00:40:14,690 --> 00:40:12,000  
based on my own studies and my own

1055  
00:40:17,329 --> 00:40:14,700  
history my own journeying but also based

1056  
00:40:19,550 --> 00:40:17,339  
on experiences I've had with other kinds

1057  
00:40:22,069 --> 00:40:19,560  
of intelligences lines up very very much

1058  
00:40:24,530 --> 00:40:22,079  
with this and as I've said on other

1059  
00:40:27,050 --> 00:40:24,540  
podcasts I came across this raw material

1060  
00:40:29,270 --> 00:40:27,060  
after I'd had my experiences my

1061  
00:40:31,550 --> 00:40:29,280  
experiences with this contact with

1062  
00:40:33,829 --> 00:40:31,560  
another kind of intelligence and I was

1063  
00:40:34,970 --> 00:40:33,839

amazed by how much it lined up and I had

1064

00:40:36,829 --> 00:40:34,980

one of these sort of brightness

1065

00:40:38,750 --> 00:40:36,839

experiences is what I call them

1066

00:40:40,310 --> 00:40:38,760

something that kind of makes it clear to

1067

00:40:41,810 --> 00:40:40,320

me I need to look in a certain direction

1068

00:40:43,790 --> 00:40:41,820

I get these kind of indications

1069

00:40:45,890 --> 00:40:43,800

sometimes and that's what happened when

1070

00:40:47,930 --> 00:40:45,900

I came across this raw material I had

1071

00:40:49,550 --> 00:40:47,940

this kind of brightness effect that is

1072

00:40:51,829 --> 00:40:49,560

hard to describe it's kind of extra

1073

00:40:52,970 --> 00:40:51,839

sensory but it just says to me you need

1074

00:40:55,010 --> 00:40:52,980

to look in this direction there's

1075

00:40:57,290 --> 00:40:55,020

something here for you so when I started

1076  
00:40:58,490 --> 00:40:57,300  
reading the raw material I was amazed by

1077  
00:41:00,710 --> 00:40:58,500  
how much it lined up with the

1078  
00:41:03,109 --> 00:41:00,720  
revelations I'd experienced and

1079  
00:41:04,790 --> 00:41:03,119  
teachings I've come across over time so

1080  
00:41:07,490 --> 00:41:04,800  
in some ways it is kind of the

1081  
00:41:09,890 --> 00:41:07,500  
amalgamation or the summit of all the

1082  
00:41:11,450 --> 00:41:09,900  
things I've ever learned and that's one

1083  
00:41:13,849 --> 00:41:11,460  
of the things about this phenomenon is

1084  
00:41:16,550 --> 00:41:13,859  
sometimes as time goes on you feel like

1085  
00:41:19,069 --> 00:41:16,560  
it re-contextualizes your entire history

1086  
00:41:21,170 --> 00:41:19,079  
that's been my case where suddenly not

1087  
00:41:23,569 --> 00:41:21,180  
just this year and the previous years in

1088  
00:41:26,270 --> 00:41:23,579

the previous decade but all the Decades

1089

00:41:28,790 --> 00:41:26,280

of my life somehow take on a new meaning

1090

00:41:31,030 --> 00:41:28,800

and a new kind of transcendence and a

1091

00:41:33,290 --> 00:41:31,040

new trajectory based on this

1092

00:41:35,390 --> 00:41:33,300

recontextualization that's all come

1093

00:41:37,970 --> 00:41:35,400

about fairly recently through these

1094

00:41:39,290 --> 00:41:37,980

revelatory kind of experiences so that's

1095

00:41:40,910 --> 00:41:39,300

another reason why I think the raw

1096

00:41:42,710 --> 00:41:40,920

material is just really really good and

1097

00:41:45,109 --> 00:41:42,720

I trust it

1098

00:41:47,390 --> 00:41:45,119

but that said the raw material speaks to

1099

00:41:48,950 --> 00:41:47,400

this notion that in different parts of

1100

00:41:51,410 --> 00:41:48,960

the cosmos you kind of have this

1101  
00:41:53,089 --> 00:41:51,420  
metaphysical seating that happens so the

1102  
00:41:55,609 --> 00:41:53,099  
cosmic seating part we talked about

1103  
00:41:58,790 --> 00:41:55,619  
before but it's not just a biological

1104  
00:42:01,190 --> 00:41:58,800  
thing it's actually a spiritual focus a

1105  
00:42:02,810 --> 00:42:01,200  
Consciousness Focus which also has a

1106  
00:42:05,329 --> 00:42:02,820  
physical element to it or at least the

1107  
00:42:07,430 --> 00:42:05,339  
illusory nature of kind of the physical

1108  
00:42:08,510 --> 00:42:07,440  
so we have kind of that non-dual kind of

1109  
00:42:11,810 --> 00:42:08,520  
thinking here

1110  
00:42:15,050 --> 00:42:11,820  
but the idea is that a sub logic kind

1111  
00:42:18,230 --> 00:42:15,060  
of entity or intelligence seeds a part

1112  
00:42:20,930 --> 00:42:18,240  
of the Galaxy with certain kind of forms

1113  
00:42:23,810 --> 00:42:20,940

Common forms and that these become part

1114

00:42:25,130 --> 00:42:23,820

of the archetypal unconscious even of a

1115

00:42:26,690 --> 00:42:25,140

species so when you look at our

1116

00:42:28,730 --> 00:42:26,700

unconscious and our Collective

1117

00:42:30,829 --> 00:42:28,740

unconscious that Carl Jung spoke a lot

1118

00:42:33,650 --> 00:42:30,839

about which you have is these kind of

1119

00:42:36,349 --> 00:42:33,660

archetypal forms they're basically like

1120

00:42:38,390 --> 00:42:36,359

templates these pre-made forms that are

1121

00:42:40,970 --> 00:42:38,400

populated in certain parts of the cosmos

1122

00:42:43,970 --> 00:42:40,980

that are then injected with kind of

1123

00:42:46,849 --> 00:42:43,980

Vitality that is the entire Cosmos the

1124

00:42:48,290 --> 00:42:46,859

entire creation kind of emerges and

1125

00:42:51,410 --> 00:42:48,300

evolves to these kind of different

1126  
00:42:54,050 --> 00:42:51,420  
dimensional layers that these templates

1127  
00:42:56,210 --> 00:42:54,060  
are then filled with energetic resonance

1128  
00:42:58,430 --> 00:42:56,220  
and become what look like physical

1129  
00:43:00,050 --> 00:42:58,440  
beings and so basically that would

1130  
00:43:02,809 --> 00:43:00,060  
explain why you get something like a

1131  
00:43:04,670 --> 00:43:02,819  
gray alien and a reptilian and a mantis

1132  
00:43:06,770 --> 00:43:04,680  
being why do we have mantis beings look

1133  
00:43:08,470 --> 00:43:06,780  
so much like these insects from our

1134  
00:43:11,450 --> 00:43:08,480  
planet because again there's these

1135  
00:43:14,630 --> 00:43:11,460  
seating templates or these archetypes

1136  
00:43:17,410 --> 00:43:14,640  
these starting forms that seated into

1137  
00:43:19,670 --> 00:43:17,420  
the very evolutionary and

1138  
00:43:22,190 --> 00:43:19,680

multi-dimensional development of a

1139

00:43:24,470 --> 00:43:22,200

certain part of the creation that's

1140

00:43:25,970 --> 00:43:24,480

basically what we see happening here so

1141

00:43:28,250 --> 00:43:25,980

in this sense I think this would explain

1142

00:43:30,470 --> 00:43:28,260

well why we have these different kinds

1143

00:43:32,270 --> 00:43:30,480

of entities different beings who I

1144

00:43:34,849 --> 00:43:32,280

really do think are from different parts

1145

00:43:37,609 --> 00:43:34,859

of our physical universe that actually

1146

00:43:39,349 --> 00:43:37,619

share this common seating but again the

1147

00:43:42,170 --> 00:43:39,359

key here is to recognize this is a

1148

00:43:44,270 --> 00:43:42,180

metaphysical kind of endeavor that the

1149

00:43:47,030 --> 00:43:44,280

physical element the physical Universe

1150

00:43:48,950 --> 00:43:47,040

element that we see is again just a

1151  
00:43:51,230 --> 00:43:48,960  
construct just a derivative of some

1152  
00:43:53,089 --> 00:43:51,240  
deeper structure I've been talking about

1153  
00:43:56,030 --> 00:43:53,099  
this a lot that even physicists like

1154  
00:43:58,730 --> 00:43:56,040  
Nima arkani Hamed these days recognize

1155  
00:44:00,890 --> 00:43:58,740  
that space-time is not a thing he says

1156  
00:44:03,230 --> 00:44:00,900  
it's doomed because he recognizes as a

1157  
00:44:05,690 --> 00:44:03,240  
model it's just not tenable it can't

1158  
00:44:07,730 --> 00:44:05,700  
make sense of what we know about what we

1159  
00:44:09,650 --> 00:44:07,740  
see around us there must be some deeper

1160  
00:44:12,109 --> 00:44:09,660  
structure to reality body from which you

1161  
00:44:14,690 --> 00:44:12,119  
get the derivatives of quantum theory

1162  
00:44:16,069 --> 00:44:14,700  
and space time and I'm saying this lines

1163  
00:44:18,410 --> 00:44:16,079

up with the raw material and the

1164

00:44:20,390 --> 00:44:18,420

revelations I've had that underlyingly

1165

00:44:22,790 --> 00:44:20,400

you have this metaphysical kind of

1166

00:44:25,609 --> 00:44:22,800

architecture which has a derivative of

1167

00:44:27,589 --> 00:44:25,619

what looks like the physical universe

1168

00:44:30,109 --> 00:44:27,599

all that is to say in terms of what we

1169

00:44:32,930 --> 00:44:30,119

talked about today I actually think both

1170

00:44:36,109 --> 00:44:32,940

are in play extraterrestrial or slash

1171

00:44:38,690 --> 00:44:36,119

interdimensional and extra tempostril

1172

00:44:42,170 --> 00:44:38,700

future humans I think both are in play

1173

00:44:44,089 --> 00:44:42,180

and the common humanoid form is because

1174

00:44:46,730 --> 00:44:44,099

of this underlying metaphysical

1175

00:44:49,309 --> 00:44:46,740

architecture either way but I actually

1176

00:44:51,770 --> 00:44:49,319

think the best interpretation of the

1177

00:44:54,770 --> 00:44:51,780

available evidence is that both exist

1178

00:44:57,170 --> 00:44:54,780

both are here extraterrestrial slash

1179

00:45:00,770 --> 00:44:57,180

interdimensional as well as extra

1180

00:45:03,410 --> 00:45:00,780

tempestules but again the common seeding

1181

00:45:08,329 --> 00:45:03,420

form this templating this archetypal

1182

00:45:10,910 --> 00:45:08,339

origin is what's key to all of it

1183

00:45:13,250 --> 00:45:10,920

and on that note we've come to the close

1184

00:45:15,829 --> 00:45:13,260

of another edition of the point of

1185

00:45:17,870 --> 00:45:15,839

convergence podcast if you'd like to

1186

00:45:20,230 --> 00:45:17,880

support this podcast you can do so by

00:45:23,089 --> 00:45:20,240
