1
00:00:14,629 --> 00:00:11,030
hello and welcome to episode number 79

2
00:00:19,370 --> 00:00:14,639
of the point of convergence podcast as

3
00:00:21,590 --> 00:00:19,380
always I am your host EXO academian

4
00:00:23,990 --> 00:00:21,600
within the Enigma known as the UFO

5
00:00:26,330 --> 00:00:24,000
phenomenon a few particularly troubling

6
00:00:27,470 --> 00:00:26,340
aspects have long existed as part of the

7
00:00:29,750 --> 00:00:27,480
literature

8
00:00:31,990 --> 00:00:29,760
one specific aspect that has long been

9
00:00:34,310 --> 00:00:32,000
particularly concerning to many people

10
00:00:36,889 --> 00:00:34,320
involves the knowledge of and

11
00:00:39,770 --> 00:00:36,899
cooperation in what are deemed negative

12
00:00:42,889 --> 00:00:39,780
abduction encounters by apparently human

13
00:00:44,869 --> 00:00:42,899

terrestrial powers in other words our

14

00:00:47,510 --> 00:00:44,879

very own governments or particular

15

00:00:49,790 --> 00:00:47,520

elements of them willingly signing off

16

00:00:52,910 --> 00:00:49,800

on the Abduction of and experimentation

17

00:00:55,310 --> 00:00:52,920

with Innocent citizens

18

00:00:57,410 --> 00:00:55,320

these kinds of accounts and evidence

19

00:00:59,569 --> 00:00:57,420

streams are particularly difficult to

20

00:01:01,790 --> 00:00:59,579

swallow because they not only involve

21

00:01:04,130 --> 00:01:01,800

humans agreeing to let other humans be

22

00:01:06,350 --> 00:01:04,140

experimented with though of course we've

23

00:01:08,390 --> 00:01:06,360

seen that before for instance during the

24

00:01:09,289 --> 00:01:08,400

horrors of the Nazi regime in World War

25

00:01:10,730 --> 00:01:09,299

II

26

00:01:13,310 --> 00:01:10,740

but also because they involve

27

00:01:17,090 --> 00:01:13,320

communication and Accord making between

28

00:01:19,730 --> 00:01:17,100

human beings and various alien species

29

00:01:21,830 --> 00:01:19,740

for some this is a bridge too far

30

00:01:23,749 --> 00:01:21,840

strange liminal creatures coming in and

31

00:01:26,390 --> 00:01:23,759

out of different dimensions is one thing

32

00:01:28,429 --> 00:01:26,400

but gray aliens walking into a meeting

33

00:01:30,590 --> 00:01:28,439

room with government officials and

34

00:01:32,270 --> 00:01:30,600

negotiating treaties is something else

35

00:01:34,490 --> 00:01:32,280

entirely

36

00:01:35,590 --> 00:01:34,500

and yet that's precisely what aspects of

37

00:01:37,969 --> 00:01:35,600

the experience for literature

38

00:01:40,010 --> 00:01:37,979

corroborated with additional historical

39

00:01:43,010 --> 00:01:40,020

evidence that have leaked out over time

40

00:01:46,190 --> 00:01:43,020

are suggesting has indeed taken place as

41

00:01:48,109 --> 00:01:46,200

part of our relatively recent history

42

00:01:50,149 --> 00:01:48,119

part of these agreed upon Accords

43

00:01:52,190 --> 00:01:50,159

involved not only the Abduction of Earth

44

00:01:54,590 --> 00:01:52,200

humans but also the introduction of

45

00:01:57,530 --> 00:01:54,600

apparently hybrid beings into the earth

46

00:01:59,270 --> 00:01:57,540

population entities who are part human

47

00:02:01,850 --> 00:01:59,280

and part alien

48

00:02:03,830 --> 00:02:01,860

sometimes looking shockingly unlike Us

49

00:02:05,929 --> 00:02:03,840

and other times looking so much like

50

00:02:07,910 --> 00:02:05,939

terrestrial humans that they could pass

51
00:02:09,889 --> 00:02:07,920
by unnoticed

52
00:02:12,710 --> 00:02:09,899
here we are confronted with the notion

53
00:02:14,030 --> 00:02:12,720
of them walking amongst us even as we

54
00:02:16,250 --> 00:02:14,040
speak

55
00:02:19,010 --> 00:02:16,260
in a case we're going to review today we

56
00:02:21,470 --> 00:02:19,020
have all of the above taking place first

57
00:02:23,930 --> 00:02:21,480
evidence of Accords being made with not

58
00:02:27,050 --> 00:02:23,940
just one alien group but a Consortium of

59
00:02:29,690 --> 00:02:27,060
different alien species aligned if only

60
00:02:32,390 --> 00:02:29,700
Loosely around various Endeavors they

61
00:02:34,490 --> 00:02:32,400
are engaged with on our planet with both

62
00:02:36,410 --> 00:02:34,500
Earth humans and terrestrial animal

63
00:02:38,990 --> 00:02:36,420

populations

64

00:02:41,270 --> 00:02:39,000

furthermore the Accord discussed in this

65

00:02:44,570 --> 00:02:41,280

case actually involves the directing of

66

00:02:46,130 --> 00:02:44,580

ongoing Interstellar traffic around a

67

00:02:48,650 --> 00:02:46,140

particular location in the American

68

00:02:51,229 --> 00:02:48,660

southwest which for all intents and

69

00:02:53,570 --> 00:02:51,239

purposes serves as a space hub for

70

00:02:56,750 --> 00:02:53,580

aliens coming from locations as

71

00:02:58,910 --> 00:02:56,760

far-flung as Zeta reticuli

72

00:03:00,350 --> 00:02:58,920

finally the case we're going to discuss

73

00:03:02,509 --> 00:03:00,360

today involves the attempted

74

00:03:05,210 --> 00:03:02,519

introduction of a particular hybrid

75

00:03:08,270 --> 00:03:05,220

being part human and part something else

76

00:03:10,490 --> 00:03:08,280

into the terrestrial population

77

00:03:12,589 --> 00:03:10,500

how that attempted socialization of a

78

00:03:14,390 --> 00:03:12,599

hybrid being goes speaks to the

79

00:03:16,910 --> 00:03:14,400

challenges that arise in these kinds of

80

00:03:19,250 --> 00:03:16,920

experiments not only because vastly

81

00:03:21,890 --> 00:03:19,260

different social context Origins are in

82

00:03:24,050 --> 00:03:21,900

the mix but also because the biological

83

00:03:26,089 --> 00:03:24,060

defaults are so different between the

84

00:03:27,949 --> 00:03:26,099

two species

85

00:03:29,990 --> 00:03:27,959

is it true that Earth governments have

86

00:03:32,449 --> 00:03:30,000

made Accords with Interstellar alien

87

00:03:35,330 --> 00:03:32,459

civilizations and perhaps even with

88

00:03:37,250 --> 00:03:35,340

consortiums of various alien groups

89

00:03:38,990 --> 00:03:37,260

and have these agreements included the

90

00:03:41,750 --> 00:03:39,000

experimentation with human beings

91

00:03:43,430 --> 00:03:41,760

resulting in hybrid entities who have

92

00:03:45,050 --> 00:03:43,440

then been introduced into the earth

93

00:03:47,089 --> 00:03:45,060

population

94

00:03:48,649 --> 00:03:47,099

in this particular case these are

95

00:03:51,170 --> 00:03:48,659

precisely the matters will attempt to

96

00:03:54,589 --> 00:03:51,180

face head-on seeking both for clarity

97

00:03:56,449 --> 00:03:54,599

and Confirmation in this the 79th

98

00:03:59,160 --> 00:03:56,459

episode of the point of convergence

99

00:04:05,750 --> 00:04:03,410

[Music]

100

00:04:07,309 --> 00:04:05,760

as I mentioned in the introduction the

101

00:04:08,750 --> 00:04:07,319

elements of the UFO phenomenon

102

00:04:11,869 --> 00:04:08,760

literature that we're going to discuss

103

00:04:13,910 --> 00:04:11,879

today are unsettling to many and to

104

00:04:16,069 --> 00:04:13,920

those it's not unsettling to it's just

105

00:04:18,830 --> 00:04:16,079

difficult to swallow this is a difficult

106

00:04:21,170 --> 00:04:18,840

pill to go down it speaks to a whole

107

00:04:23,570 --> 00:04:21,180

different level of cover-up

108

00:04:26,330 --> 00:04:23,580

now my journey has involved becoming

109

00:04:28,850 --> 00:04:26,340

privy to ever more expansive schemes

110

00:04:30,050 --> 00:04:28,860

supposedly designed to deceive the

111

00:04:31,850 --> 00:04:30,060

General Public

112

00:04:33,950 --> 00:04:31,860

this is a somewhat disconcerting

113

00:04:35,990 --> 00:04:33,960

revelation of course but this has been

114

00:04:37,969 --> 00:04:36,000

my journey the more you go down this

115

00:04:40,129 --> 00:04:37,979

Rabbit Hole the more you find that what

116

00:04:42,290 --> 00:04:40,139

we've been told about for instance 20th

117

00:04:44,870 --> 00:04:42,300

century history just doesn't line up

118

00:04:48,230 --> 00:04:44,880

with the evidence

119

00:04:50,450 --> 00:04:48,240

now again me included I have voted these

120

00:04:51,409 --> 00:04:50,460

aspects of the UFO phenomenon for a long

121

00:04:54,530 --> 00:04:51,419

time

122

00:04:55,969 --> 00:04:54,540

was this my bias I think it was and I

123

00:04:58,670 --> 00:04:55,979

think it's helpful for us to admit that

124

00:05:01,909 --> 00:04:58,680

when we come across it I found these

125

00:05:04,430 --> 00:05:01,919

elements too difficult to believe too

126

00:05:08,150 --> 00:05:04,440

much of a stretch involving too much of

127

00:05:10,550 --> 00:05:08,160

a vast conspiracy and a vast scheme to

128

00:05:12,590 --> 00:05:10,560

deceive the General Public

129

00:05:14,150 --> 00:05:12,600

clearly there are people in positions of

130

00:05:16,070 --> 00:05:14,160

power who've known about these things

131

00:05:18,590 --> 00:05:16,080

and have willingly kept them from the

132

00:05:20,689 --> 00:05:18,600

public for decades and decades and

133

00:05:22,730 --> 00:05:20,699

decades and of course it goes much

134

00:05:25,189 --> 00:05:22,740

Beyond just keeping Knowledge from the

135

00:05:26,870 --> 00:05:25,199

general public these agreements that I

136

00:05:28,790 --> 00:05:26,880

spoke to in the introduction have

137

00:05:31,850 --> 00:05:28,800

allowed for the abduction and

138

00:05:33,590 --> 00:05:31,860

experimentation with human beings not to

139

00:05:35,450 --> 00:05:33,600

mention of course the animal kingdom as

140

00:05:37,430 --> 00:05:35,460

well

141

00:05:39,710 --> 00:05:37,440

we're going to look at a book today that

142

00:05:42,170 --> 00:05:39,720

dives into these very topics these

143

00:05:44,210 --> 00:05:42,180

concerning disconcerting elements of the

144

00:05:46,370 --> 00:05:44,220

UFO phenomenon literature

145

00:05:48,950 --> 00:05:46,380

the book we're going to discuss is

146

00:05:51,710 --> 00:05:48,960

called Rachel's eyes the strange but

147

00:05:54,529 --> 00:05:51,720

true case of a human alien hybrid

148

00:05:56,570 --> 00:05:54,539

this is by Helen Littrell and Jean

149

00:05:59,570 --> 00:05:56,580

bilodeau

150

00:06:01,730 --> 00:05:59,580

now let me say this I've been presented

151
00:06:04,610 --> 00:06:01,740
with evidence that I cannot deny as part

152
00:06:07,550 --> 00:06:04,620
of my journey as a podcast host which

153
00:06:09,590 --> 00:06:07,560
might seem strange but again people

154
00:06:11,990 --> 00:06:09,600
reach out to you when you host a podcast

155
00:06:14,029 --> 00:06:12,000
and when they resonate with what you're

156
00:06:15,950 --> 00:06:14,039
saying what you're presenting and again

157
00:06:17,990 --> 00:06:15,960
part of this podcast has been my own

158
00:06:19,850 --> 00:06:18,000
journey in trying to understand and grow

159
00:06:21,529 --> 00:06:19,860
in my understanding of what's really

160
00:06:23,330 --> 00:06:21,539
going on and how the different pieces

161
00:06:25,249 --> 00:06:23,340
work together

162
00:06:26,689 --> 00:06:25,259
and while I can't talk about all of

163
00:06:28,850 --> 00:06:26,699

those details that have been revealed to

164

00:06:31,189 --> 00:06:28,860

me right now what I will say is that

165

00:06:32,990 --> 00:06:31,199

elements from books like this are

166

00:06:35,390 --> 00:06:33,000

corroborated by other details that have

167

00:06:38,510 --> 00:06:35,400

been presented to me even if at first

168

00:06:40,670 --> 00:06:38,520

these ideas seem Beyond The Pale so when

169

00:06:42,170 --> 00:06:40,680

we come across these obscure books it's

170

00:06:44,090 --> 00:06:42,180

worth paying attention and I'm just

171

00:06:47,749 --> 00:06:44,100

saying to you now that I've seen

172

00:06:50,210 --> 00:06:47,759

evidence that supports these books

173

00:06:52,189 --> 00:06:50,220

now as part of my journey I've been

174

00:06:54,469 --> 00:06:52,199

pointed towards certain books that

175

00:06:57,770 --> 00:06:54,479

generally fly under the radar

176

00:07:00,170 --> 00:06:57,780

that point to Real historic events and

177

00:07:01,370 --> 00:07:00,180

reveal key details about ufological

178

00:07:04,129 --> 00:07:01,380

history

179

00:07:07,689 --> 00:07:04,139

the truth is as they say lying in plain

180

00:07:09,770 --> 00:07:07,699

sight even if usually innocuously so

181

00:07:11,930 --> 00:07:09,780

sometimes in books that aren't terribly

182

00:07:15,230 --> 00:07:11,940

well written and that feature seemingly

183

00:07:17,210 --> 00:07:15,240

amateurish cupboards it is those details

184

00:07:18,469 --> 00:07:17,220

that often make these books fly under

185

00:07:20,689 --> 00:07:18,479

the radar

186

00:07:23,089 --> 00:07:20,699

that and their seemingly outlandish

187

00:07:24,950 --> 00:07:23,099

historical claims of course

188

00:07:27,290 --> 00:07:24,960

now interestingly this book was

189

00:07:29,450 --> 00:07:27,300

mentioned by Terry Lovelace a UFO

190

00:07:31,490 --> 00:07:29,460

contactee and abductee who we've

191

00:07:34,249 --> 00:07:31,500

discussed before in this podcast in two

192

00:07:36,290 --> 00:07:34,259

specific episodes in his interview with

193

00:07:38,089 --> 00:07:36,300

James Iandoli for engaging the

194

00:07:40,610 --> 00:07:38,099

phenomenon

195

00:07:43,010 --> 00:07:40,620

needless to say this recommendation was

196

00:07:45,230 --> 00:07:43,020

passed his way via an important source

197

00:07:47,510 --> 00:07:45,240

and I'll leave it there

198

00:07:49,670 --> 00:07:47,520

this is a process of following the trail

199

00:07:51,710 --> 00:07:49,680

of breadcrumbs and of connecting the

200

00:07:53,749 --> 00:07:51,720

proverbial dots

201
00:07:55,850 --> 00:07:53,759
now I also want to point out here that

202
00:07:58,550 --> 00:07:55,860
elements of the phenomenon are

203
00:08:00,409 --> 00:07:58,560
intimately involved in this process

204
00:08:02,570 --> 00:08:00,419
what I mean by this is that it's not

205
00:08:04,370 --> 00:08:02,580
just about human beings connecting dots

206
00:08:06,469 --> 00:08:04,380
and following the breadcrumb trail when

207
00:08:09,170 --> 00:08:06,479
they come across it but as I've said

208
00:08:11,150 --> 00:08:09,180
before in my own personal journey I have

209
00:08:13,610 --> 00:08:11,160
these brightness moments is what I've

210
00:08:15,170 --> 00:08:13,620
called them when something some kind of

211
00:08:17,330 --> 00:08:15,180
intelligence tells me look in this

212
00:08:18,830 --> 00:08:17,340
direction this is important here pay

213
00:08:20,570 --> 00:08:18,840

attention

214

00:08:22,730 --> 00:08:20,580

so I think the same sort of thing

215

00:08:24,710 --> 00:08:22,740

happens with other people as well

216

00:08:27,529 --> 00:08:24,720

and what I think this ultimately points

217

00:08:29,749 --> 00:08:27,539

towards is an ongoing engagement between

218

00:08:31,610 --> 00:08:29,759

elements of the phenomenon and various

219

00:08:33,649 --> 00:08:31,620

people across the planet

220

00:08:35,810 --> 00:08:33,659

supposedly in preparation for something

221

00:08:37,730 --> 00:08:35,820

and that's all I'll save for now but

222

00:08:40,130 --> 00:08:37,740

just keep that in mind this is not just

223

00:08:42,050 --> 00:08:40,140

about human beings digging for details

224

00:08:44,750 --> 00:08:42,060

it's also about elements of the

225

00:08:47,690 --> 00:08:44,760

phenomenon helping people find those

226

00:08:49,610 --> 00:08:47,700

details sometimes even while governments

227

00:08:51,710 --> 00:08:49,620

would like to keep them Secret

228

00:08:55,250 --> 00:08:51,720

now as I said in the introduction

229

00:08:58,430 --> 00:08:55,260

Central to this story is a hybrid a

230

00:09:00,290 --> 00:08:58,440

hybrid being part human part alien who

231

00:09:02,690 --> 00:09:00,300

actually becomes socialized or they

232

00:09:04,190 --> 00:09:02,700

attempt to socialize her in normal human

233

00:09:06,470 --> 00:09:04,200

situations

234

00:09:09,110 --> 00:09:06,480

now again some people find this hybrid

235

00:09:11,150 --> 00:09:09,120

possibility just too much of a stretch

236

00:09:13,190 --> 00:09:11,160

but let me just say I have no doubt

237

00:09:15,110 --> 00:09:13,200

about this I know people personally that

238

00:09:16,790 --> 00:09:15,120

I consider beyond a shadow of a doubt

239

00:09:19,009 --> 00:09:16,800

are hybrid beings

240

00:09:21,110 --> 00:09:19,019

and have also come across people who

241

00:09:23,449 --> 00:09:21,120

shared stories with me people that I

242

00:09:25,370 --> 00:09:23,459

trust intimately who shared stories

243

00:09:27,470 --> 00:09:25,380

about being introduced to their own

244

00:09:28,550 --> 00:09:27,480

hybrid children and of course this is

245

00:09:31,009 --> 00:09:28,560

part of the experience relationship

246

00:09:32,710 --> 00:09:31,019

going back decades but I'm saying people

247

00:09:35,150 --> 00:09:32,720

have personally told me these stories

248

00:09:37,850 --> 00:09:35,160

one story I'm aware of for instance

249

00:09:40,970 --> 00:09:37,860

involved this man who was introduced to

250

00:09:42,710 --> 00:09:40,980

his hybrid daughter on board a craft and

251

00:09:44,210 --> 00:09:42,720

what's interesting here is while I said

252

00:09:46,550 --> 00:09:44,220

some of them look quite like us and

253

00:09:49,190 --> 00:09:46,560

others not so much this particular one

254

00:09:51,949 --> 00:09:49,200

didn't look so much like us so his sort

255

00:09:54,889 --> 00:09:51,959

of fight or flight evolutionary tendency

256

00:09:57,350 --> 00:09:54,899

was to actually be revolted by her

257

00:09:58,970 --> 00:09:57,360

appearance and yet simultaneously he

258

00:10:01,490 --> 00:09:58,980

felt this connection this spiritual

259

00:10:03,050 --> 00:10:01,500

connection he knew immediately she was

260

00:10:04,610 --> 00:10:03,060

his daughter even though there was

261

00:10:07,190 --> 00:10:04,620

nothing that would give it away in her

262

00:10:09,650 --> 00:10:07,200

appearance very very interesting this is

263

00:10:10,730 --> 00:10:09,660

a key component of the UFO phenomenon

264

00:10:12,590 --> 00:10:10,740

literature

265

00:10:15,230 --> 00:10:12,600

this aspect involving genetic

266

00:10:17,690 --> 00:10:15,240

experiments and hybridization is Central

267

00:10:19,090 --> 00:10:17,700

you cannot get away from it while some

268

00:10:22,130 --> 00:10:19,100

people would like to make this about

269

00:10:24,769 --> 00:10:22,140

UFOs and craft coming here on scientific

270

00:10:26,030 --> 00:10:24,779

Expeditions really this is about much

271

00:10:28,190 --> 00:10:26,040

more than that there is direct

272

00:10:31,550 --> 00:10:28,200

intervention going on here with

273

00:10:33,650 --> 00:10:31,560

different elements of the phenomenon

274

00:10:36,230 --> 00:10:33,660

but again today our focus is going to be

275

00:10:38,990 --> 00:10:36,240

this one book Rachel's eyes

276
00:10:41,090 --> 00:10:39,000
which again has the subtitle the strange

277
00:10:43,610 --> 00:10:41,100
but true case of a human alien hybrid

278
00:10:45,110 --> 00:10:43,620
and this is by Helen Littrell and Jean

279
00:10:47,269 --> 00:10:45,120
bilodeau

280
00:10:49,550 --> 00:10:47,279
this is what the book promo says of its

281
00:10:51,710 --> 00:10:49,560
contents quote

282
00:10:54,650 --> 00:10:51,720
this is Marissa littrell's true story

283
00:10:56,449 --> 00:10:54,660
told by her mother Helen Marissa was

284
00:10:58,490 --> 00:10:56,459
blind and in order to help with her

285
00:11:00,889 --> 00:10:58,500
College expenses she shared her

286
00:11:02,870 --> 00:11:00,899
apartment with a mysterious Rachel

287
00:11:05,389 --> 00:11:02,880
Marissa became concerned when it

288
00:11:07,670 --> 00:11:05,399

appeared that Rachel had no past the

289

00:11:10,250 --> 00:11:07,680

little things Rachel said and did arouse

290

00:11:12,350 --> 00:11:10,260

frightening suspicions in Marissa which

291

00:11:14,569 --> 00:11:12,360

led to conclusions so incredible that

292

00:11:16,190 --> 00:11:14,579

she could not tell anyone for fear of

293

00:11:18,290 --> 00:11:16,200

being thought crazy

294

00:11:20,329 --> 00:11:18,300

Marissa had to confront her fears and

295

00:11:22,730 --> 00:11:20,339

face the consequences alone

296

00:11:24,949 --> 00:11:22,740

in doing so she was exposed to an alien

297

00:11:27,230 --> 00:11:24,959

world existing behind the Looking Glass

298

00:11:30,050 --> 00:11:27,240

an alternate reality just beyond

299

00:11:32,090 --> 00:11:30,060

everyday Consciousness a world existing

300

00:11:34,130 --> 00:11:32,100

and waiting for anyone who dares to look

301
00:11:35,389 --> 00:11:34,140
into that mirror and accept what is

302
00:11:37,490 --> 00:11:35,399
there

303
00:11:38,810 --> 00:11:37,500
it is often said that we have eyes and

304
00:11:41,449 --> 00:11:38,820
do not see

305
00:11:44,269 --> 00:11:41,459
Marissa was blind but she saw with her

306
00:11:46,190 --> 00:11:44,279
heart her roommate Rachel could see but

307
00:11:48,769 --> 00:11:46,200
her eyes held secrets

308
00:11:51,110 --> 00:11:48,779
this fantastic story even its startling

309
00:11:54,170 --> 00:11:51,120
conclusion reads like science fiction

310
00:11:56,210 --> 00:11:54,180
but it's true it answers to two

311
00:11:58,550 --> 00:11:56,220
important questions of why aliens have

312
00:12:00,310 --> 00:11:58,560
not landed on the White House lawn and

313
00:12:02,569 --> 00:12:00,320

why they haven't taken over the Earth

314

00:12:05,030 --> 00:12:02,579

Marissa's story invites the reader to

315

00:12:08,269 --> 00:12:05,040

expand his vision to see the individual

316

00:12:10,430 --> 00:12:08,279

the soul the world and ultimately the

317

00:12:13,009 --> 00:12:10,440

universe Through The Eyes of a blind

318

00:12:16,970 --> 00:12:13,019

girl her mother and most importantly

319

00:12:19,730 --> 00:12:16,980

through Rachel's eyes unquote

320

00:12:22,130 --> 00:12:19,740

so that promo kind of talked about what

321

00:12:24,590 --> 00:12:22,140

this book is about the basic premise is

322

00:12:26,449 --> 00:12:24,600

is that this girl this teenager was

323

00:12:29,150 --> 00:12:26,459

going to college her name was Marissa

324

00:12:31,009 --> 00:12:29,160

Latrell and in order to share expenses

325

00:12:33,230 --> 00:12:31,019

because she couldn't afford this room

326

00:12:35,569 --> 00:12:33,240

she took on a roommate

327

00:12:38,030 --> 00:12:35,579

now interestingly this roommate turned

328

00:12:40,550 --> 00:12:38,040

out to be this hybrid being this half

329

00:12:43,190 --> 00:12:40,560

human half something else kind of being

330

00:12:46,129 --> 00:12:43,200

and it worked well for the people that

331

00:12:48,949 --> 00:12:46,139

set up Rachel joining Marissa because as

332

00:12:50,449 --> 00:12:48,959

I said Marissa was blind at least

333

00:12:53,090 --> 00:12:50,459

partially she could only see sort of

334

00:12:55,129 --> 00:12:53,100

blurry shapes so they thought this was a

335

00:12:57,530 --> 00:12:55,139

perfect situation where they could take

336

00:13:00,769 --> 00:12:57,540

a hybrid being and actually socialize

337

00:13:02,470 --> 00:13:00,779

this being in a normal human setting but

338

00:13:05,629 --> 00:13:02,480

still with certain safeguards in place

339

00:13:07,970 --> 00:13:05,639

for instance this hybrid being Rachel

340

00:13:09,650 --> 00:13:07,980

would not actually attend classes she

341

00:13:12,050 --> 00:13:09,660

would actually do her homework

342

00:13:15,290 --> 00:13:12,060

and her classwork from the apartment

343

00:13:17,090 --> 00:13:15,300

they lived in and of course Rachel was

344

00:13:19,550 --> 00:13:17,100

not seen by Marissa in her true

345

00:13:22,490 --> 00:13:19,560

appearance at least initially because

346

00:13:24,350 --> 00:13:22,500

Marissa was partially blind so that

347

00:13:26,090 --> 00:13:24,360

gives you a sense of what the story ends

348

00:13:29,210 --> 00:13:26,100

up being about the relationship between

349

00:13:31,190 --> 00:13:29,220

these two girls and how they both

350

00:13:33,410 --> 00:13:31,200

actually end up having very interesting

351

00:13:35,569 --> 00:13:33,420

backgrounds and we'll get to that it's

352

00:13:36,650 --> 00:13:35,579

not just Rachel that has an interesting

353

00:13:38,750 --> 00:13:36,660

background

354

00:13:40,250 --> 00:13:38,760

but before we get there I just want to

355

00:13:42,710 --> 00:13:40,260

point out that this book is sort of told

356

00:13:44,569 --> 00:13:42,720

in two parts the first part is written

357

00:13:47,509 --> 00:13:44,579

like a story that you read but

358

00:13:50,090 --> 00:13:47,519

apparently it's a true story the second

359

00:13:52,250 --> 00:13:50,100

part deals with corroboration of the

360

00:13:54,410 --> 00:13:52,260

story and further details

361

00:13:56,750 --> 00:13:54,420

now what's interesting is before we get

362

00:13:58,670 --> 00:13:56,760

to the interaction between these two

363

00:14:01,970 --> 00:13:58,680

girls you learn about someone who

364

00:14:04,129 --> 00:14:01,980

becomes a colonel who is put into a

365

00:14:05,410 --> 00:14:04,139

program within the military where he is

366

00:14:07,250 --> 00:14:05,420

briefed about

367

00:14:09,590 --> 00:14:07,260

extraterrestrials and extraterrestrial

368

00:14:12,650 --> 00:14:09,600

craft and he eventually becomes Central

369

00:14:15,350 --> 00:14:12,660

to the story and plays a central role in

370

00:14:17,930 --> 00:14:15,360

being promoted to a high position where

371

00:14:19,970 --> 00:14:17,940

he actually telepathically communicates

372

00:14:22,009 --> 00:14:19,980

with these various beings that are

373

00:14:23,389 --> 00:14:22,019

coming from other parts of our physical

374

00:14:25,250 --> 00:14:23,399

universe

375

00:14:27,710 --> 00:14:25,260

so I want to jump to a part of the book

376

00:14:29,329 --> 00:14:27,720

where it talks about his training when

377

00:14:31,190 --> 00:14:29,339

he actually learned about what the

378

00:14:33,050 --> 00:14:31,200

military understood about what was

379

00:14:34,970 --> 00:14:33,060

happening with these beings and of

380

00:14:37,009 --> 00:14:34,980

course it goes far beyond knowledge it

381

00:14:39,889 --> 00:14:37,019

goes to cooperation

382

00:14:42,050 --> 00:14:39,899

quote early Monday morning Harry was

383

00:14:43,610 --> 00:14:42,060

back in his classroom part of him was

384

00:14:45,230 --> 00:14:43,620

eager to begin the next phase of his

385

00:14:48,050 --> 00:14:45,240

training but another part was

386

00:14:49,430 --> 00:14:48,060

apprehensive about what he'd learned the

387

00:14:51,470 --> 00:14:49,440

instructor began

388

00:14:53,689 --> 00:14:51,480

this week will be devoted to the various

389

00:14:56,210 --> 00:14:53,699

types of craft recovered including those

390

00:14:58,550 --> 00:14:56,220

that have landed without mishap

391

00:15:01,189 --> 00:14:58,560

NASA conducts extensive laboratory

392

00:15:03,170 --> 00:15:01,199

analysis of recovered craft and their

393

00:15:05,990 --> 00:15:03,180

findings are backed up by Labs at MIT

394

00:15:08,449 --> 00:15:06,000

and other universities the outcome is

395

00:15:09,650 --> 00:15:08,459

always the same materials and Alloys

396

00:15:12,050 --> 00:15:09,660

unknown

397

00:15:14,269 --> 00:15:12,060

likewise the method of propulsion is a

398

00:15:16,610 --> 00:15:14,279

complete mystery although the aerospace

399

00:15:18,710 --> 00:15:16,620

engineers are convinced that more than

400

00:15:20,810 --> 00:15:18,720

one method is used depending on the

401

00:15:23,269 --> 00:15:20,820

design of the individual craft

402

00:15:25,009 --> 00:15:23,279

they've tried to Retro engineer because

403

00:15:27,470 --> 00:15:25,019

there seems no other way to figure out

404

00:15:29,750 --> 00:15:27,480

how the propulsion systems work

405

00:15:31,610 --> 00:15:29,760

but the government's equipment lacks the

406

00:15:34,970 --> 00:15:31,620

proper degree of sophistication to

407

00:15:37,189 --> 00:15:34,980

accomplish anything definitive unquote

408

00:15:39,470 --> 00:15:37,199

now interesting right there we have

409

00:15:41,030 --> 00:15:39,480

information that corroborates in some

410

00:15:43,610 --> 00:15:41,040

ways what Bob Lazar has talked about

411

00:15:45,170 --> 00:15:43,620

again attempts to Retro engineer

412

00:15:48,050 --> 00:15:45,180

attempts to understand how this

413

00:15:50,090 --> 00:15:48,060

propulsion system works but often coming

414

00:15:52,370 --> 00:15:50,100

up empty because it is just so far

415

00:15:54,170 --> 00:15:52,380

beyond our understanding as we've often

416

00:15:56,150 --> 00:15:54,180

talked about it seems that Consciousness

417

00:15:59,269 --> 00:15:56,160

direct Consciousness communication

418

00:16:00,949 --> 00:15:59,279

between the craft and the beings often

419

00:16:03,769 --> 00:16:00,959

is in play

420

00:16:05,870 --> 00:16:03,779

this instructor then goes on to say what

421

00:16:07,790 --> 00:16:05,880

some of these men's roles will be when

422

00:16:09,710 --> 00:16:07,800

they actually are promoted and go to

423

00:16:12,290 --> 00:16:09,720

this new destination

424

00:16:13,910 --> 00:16:12,300

quote all you men will begin your new

425

00:16:16,910 --> 00:16:13,920

Tour of Duty as part of the security

426

00:16:19,129 --> 00:16:16,920

team at the projects your jobs will be

427

00:16:21,170 --> 00:16:19,139

to pick up the pieces of craft found at

428

00:16:24,050 --> 00:16:21,180

the crash site once the medical team has

429

00:16:26,269 --> 00:16:24,060

recovered its crew if there are any live

430

00:16:28,069 --> 00:16:26,279

aliens they'll be picked up and

431

00:16:30,290 --> 00:16:28,079

transported to the medical lab before

432

00:16:32,269 --> 00:16:30,300

you're allowed to go in if they're dead

433

00:16:34,009 --> 00:16:32,279

you'll still have to wait until they're

434

00:16:36,590 --> 00:16:34,019

put in body bags and taken to the

435

00:16:38,569 --> 00:16:36,600

Pathology Lab for analysis

436

00:16:39,829 --> 00:16:38,579

pausing the lieutenant looked around the

437

00:16:42,110 --> 00:16:39,839

room to see how his students were

438

00:16:43,970 --> 00:16:42,120

handling this information they silently

439

00:16:46,129 --> 00:16:43,980

waited for him to continue

440

00:16:47,870 --> 00:16:46,139

you'll have a grid map of the area and

441

00:16:49,910 --> 00:16:47,880

you'll be assigned to check each grid

442

00:16:52,069 --> 00:16:49,920

one by one until you're sure you picked

443

00:16:53,810 --> 00:16:52,079

up every last trace of wreckage

444

00:16:56,509 --> 00:16:53,820

most of the time you'll have to wait

445

00:16:58,310 --> 00:16:56,519

until the heat dissipates sometimes the

446

00:17:00,829 --> 00:16:58,320

heat is so intense you can't touch a

447

00:17:02,749 --> 00:17:00,839

thing for hours afterwards there's not

448

00:17:05,329 --> 00:17:02,759

that much urgency connected to that part

449

00:17:07,610 --> 00:17:05,339

of the investigation it can take as long

450

00:17:09,590 --> 00:17:07,620

as necessary you'll be undergoing a

451
00:17:11,030 --> 00:17:09,600
couple of days orientation on these

452
00:17:13,610 --> 00:17:11,040
things as soon as you get to the

453
00:17:15,230 --> 00:17:13,620
Detachment unquote

454
00:17:17,750 --> 00:17:15,240
so again these men that are being

455
00:17:19,909 --> 00:17:17,760
trained in this classroom right now are

456
00:17:21,710 --> 00:17:19,919
going to be stationed at the space and

457
00:17:24,049 --> 00:17:21,720
their job again is to actually pick up

458
00:17:26,030 --> 00:17:24,059
the wreckage from these crafts that come

459
00:17:28,130 --> 00:17:26,040
in because the point that's made in the

460
00:17:30,230 --> 00:17:28,140
book is that very often the craft do

461
00:17:31,549 --> 00:17:30,240
land intact and again they're coming

462
00:17:34,190 --> 00:17:31,559
from different parts of the physical

463
00:17:36,409 --> 00:17:34,200

universe and apparently an accord has

464

00:17:38,270 --> 00:17:36,419

been arranged so that they can land here

465

00:17:39,289 --> 00:17:38,280

it's like a space Hub like I said in the

466

00:17:41,450 --> 00:17:39,299

introduction

467

00:17:43,730 --> 00:17:41,460

but on occasion they actually seem to

468

00:17:45,830 --> 00:17:43,740

crash and it seems connected to the

469

00:17:48,470 --> 00:17:45,840

radar that is used either on the base or

470

00:17:51,169 --> 00:17:48,480

in that general area and again speaking

471

00:17:53,690 --> 00:17:51,179

corroboration we've heard other details

472

00:17:55,490 --> 00:17:53,700

like that before but even while the

473

00:17:57,830 --> 00:17:55,500

conventional wisdom is these are

474

00:17:59,990 --> 00:17:57,840

sophisticated crafts coming across the

475

00:18:02,210 --> 00:18:00,000

Galaxy how could they crash so easily

476

00:18:05,570 --> 00:18:02,220

how would we shoot them down well

477

00:18:07,970 --> 00:18:05,580

apparently a certain configuration of

478

00:18:09,470 --> 00:18:07,980

our radar could actually do this and

479

00:18:11,390 --> 00:18:09,480

perhaps again because they just weren't

480

00:18:13,250 --> 00:18:11,400

prepared for this or whatever

481

00:18:15,710 --> 00:18:13,260

but it's very interesting in this

482

00:18:17,750 --> 00:18:15,720

particular case we learned that some

483

00:18:19,070 --> 00:18:17,760

craft land intact and the alien beings

484

00:18:20,810 --> 00:18:19,080

are actually there to conduct

485

00:18:23,450 --> 00:18:20,820

experiments sometimes short terms

486

00:18:25,549 --> 00:18:23,460

sometimes long term other times the

487

00:18:27,950 --> 00:18:25,559

actual craft will crash and then the

488

00:18:29,150 --> 00:18:27,960

bodies are recovered and analyzed

489

00:18:32,990 --> 00:18:29,160

elsewhere

490

00:18:34,669 --> 00:18:33,000

so very interesting details shocking to

491

00:18:37,130 --> 00:18:34,679

many of course to some it'll seem

492

00:18:39,230 --> 00:18:37,140

far-fetched but again I just want to say

493

00:18:41,930 --> 00:18:39,240

I've come across evidence that seems to

494

00:18:44,210 --> 00:18:41,940

support these very kinds of Notions so I

495

00:18:46,070 --> 00:18:44,220

suggest we take them seriously

496

00:18:48,289 --> 00:18:46,080

and then we're going to move forward in

497

00:18:50,690 --> 00:18:48,299

the book again to a part where this

498

00:18:52,610 --> 00:18:50,700

Lieutenant continues explaining what

499

00:18:54,950 --> 00:18:52,620

kind of craft are encountered

500

00:18:57,289 --> 00:18:54,960

quote the lieutenant was explaining

501
00:18:59,930 --> 00:18:57,299
these crafts come in all sizes and

502
00:19:02,510 --> 00:18:59,940
shapes from a small oval's 15 or 20 feet

503
00:19:05,630 --> 00:19:02,520
in diameter to Long cigar-shaped craft

504
00:19:07,430 --> 00:19:05,640
the size of a football field or larger a

505
00:19:09,590 --> 00:19:07,440
few are triangular in shape and very

506
00:19:11,750 --> 00:19:09,600
shallow in depth but none of these have

507
00:19:13,490 --> 00:19:11,760
ever made a witnessed landing and we can

508
00:19:15,650 --> 00:19:13,500
only speculate on the extraterrestrial

509
00:19:16,970 --> 00:19:15,660
life forms that might pilot such exotic

510
00:19:19,090 --> 00:19:16,980
appearing craft

511
00:19:21,409 --> 00:19:19,100
every craft has two things in common

512
00:19:24,409 --> 00:19:21,419
materials and method of propulsion

513
00:19:25,970 --> 00:19:24,419

unknown some project members theorize

514

00:19:27,710 --> 00:19:25,980

that the differences in appearance of

515

00:19:30,890 --> 00:19:27,720

The Craft may be related to the purpose

516

00:19:32,570 --> 00:19:30,900

of its expedition to Earth larger craft

517

00:19:34,370 --> 00:19:32,580

with several inner compartments

518

00:19:36,470 --> 00:19:34,380

containing medical facilities and

519

00:19:39,529 --> 00:19:36,480

Equipment are used in the Abduction of

520

00:19:42,049 --> 00:19:39,539

humans and animals allowing ample space

521

00:19:43,370 --> 00:19:42,059

to run their experiments smaller ships

522

00:19:46,370 --> 00:19:43,380

are believed to be used for

523

00:19:50,390 --> 00:19:46,380

reconnaissance all of this is strictly

524

00:19:52,190 --> 00:19:50,400

conjecture no one knows for sure unquote

525

00:19:53,990 --> 00:19:52,200

so in that section there he's actually

526

00:19:56,930 --> 00:19:54,000

referring to other kinds of craft that

527

00:19:59,029 --> 00:19:56,940

have been reported seen over time and

528

00:20:01,190 --> 00:19:59,039

how the military has theorized about

529

00:20:03,529 --> 00:20:01,200

what those crafts might be what their

530

00:20:05,570 --> 00:20:03,539

purpose is and where they're coming from

531

00:20:07,909 --> 00:20:05,580

in distinction with the kinds of craft

532

00:20:10,909 --> 00:20:07,919

and beings that are part of this ongoing

533

00:20:13,730 --> 00:20:10,919

Accord in this one particular location

534

00:20:15,650 --> 00:20:13,740

and he talks about that next quote the

535

00:20:18,770 --> 00:20:15,660

hybrids participating in the exchange

536

00:20:20,090 --> 00:20:18,780

project at Area 51 and four corners by

537

00:20:23,270 --> 00:20:20,100

the way that's the name of the location

538

00:20:26,210 --> 00:20:23,280

where this supposed base is

539

00:20:28,250 --> 00:20:26,220

arrive and craft of the smaller type we

540

00:20:30,409 --> 00:20:28,260

never find Food Supplies on board a

541

00:20:32,510 --> 00:20:30,419

vehicle however we often find

542

00:20:34,789 --> 00:20:32,520

plastic-like bottles containing a liquid

543

00:20:37,070 --> 00:20:34,799

resembling water which we assume to be

544

00:20:39,169 --> 00:20:37,080

some type of nutritional supplement

545

00:20:41,930 --> 00:20:39,179

the crews on some of the ships have an

546

00:20:43,450 --> 00:20:41,940

insect-like appearance chemical analysis

547

00:20:45,529 --> 00:20:43,460

has determined that their

548

00:20:47,330 --> 00:20:45,539

chlorophyll-based life forms that seem

549

00:20:49,310 --> 00:20:47,340

to require a type of liquid nutrition

550

00:20:50,810 --> 00:20:49,320

which they absorb through their skin

551
00:20:52,370 --> 00:20:50,820
because they lack a discernible

552
00:20:54,350 --> 00:20:52,380
digestive system

553
00:20:56,630 --> 00:20:54,360
this may explain the containers of

554
00:20:58,549 --> 00:20:56,640
liquid discovered on their craft

555
00:21:00,409 --> 00:20:58,559
day after day the class studied

556
00:21:02,930 --> 00:21:00,419
photographs and plans of the various

557
00:21:04,190 --> 00:21:02,940
types of craft their heads felt as if

558
00:21:06,110 --> 00:21:04,200
they would explode with all the

559
00:21:07,789 --> 00:21:06,120
mind-boggling information

560
00:21:10,070 --> 00:21:07,799
on Friday afternoon the instructor

561
00:21:12,590 --> 00:21:10,080
finally said that's enough for this week

562
00:21:14,510 --> 00:21:12,600
I'm sure your brains need a rest but men

563
00:21:17,270 --> 00:21:14,520

take my word for it you haven't heard

564

00:21:18,950 --> 00:21:17,280

anything yet The Best Is Yet To Come

565

00:21:20,570 --> 00:21:18,960

unquote

566

00:21:23,390 --> 00:21:20,580

all right and now we're going to move

567

00:21:26,090 --> 00:21:23,400

forward in the book to win this Harry

568

00:21:29,690 --> 00:21:26,100

character has not only been stationed at

569

00:21:32,390 --> 00:21:29,700

the base but over time he excels and so

570

00:21:35,630 --> 00:21:32,400

he's actually given numerous promotions

571

00:21:38,390 --> 00:21:35,640

now importantly the question as to why

572

00:21:41,450 --> 00:21:38,400

he excels is an interesting one one of

573

00:21:43,850 --> 00:21:41,460

the most startling revealing and

574

00:21:46,549 --> 00:21:43,860

consequential aspects of this book is

575

00:21:48,770 --> 00:21:46,559

how different characters all have

576
00:21:51,529 --> 00:21:48,780
histories that have more than meets the

577
00:21:53,570 --> 00:21:51,539
eye to them they all have had different

578
00:21:56,330 --> 00:21:53,580
kinds of contact even if they weren't

579
00:21:58,610 --> 00:21:56,340
consciously aware of it so even this

580
00:22:01,850 --> 00:21:58,620
person this military person who's been

581
00:22:04,090 --> 00:22:01,860
given various promotions things he just

582
00:22:07,190 --> 00:22:04,100
had a normal human history quote unquote

583
00:22:08,870 --> 00:22:07,200
later on he finds out and we find out

584
00:22:10,730 --> 00:22:08,880
that nothing could be further from the

585
00:22:13,250 --> 00:22:10,740
truth and that's what's interesting

586
00:22:15,409 --> 00:22:13,260
about these kinds of tales and again I

587
00:22:17,570 --> 00:22:15,419
think these are true that often people

588
00:22:19,669 --> 00:22:17,580

that have encounters with these beings

589

00:22:21,350 --> 00:22:19,679

find out it stretches back into their

590

00:22:24,230 --> 00:22:21,360

childhood and sometimes even over

591

00:22:27,169 --> 00:22:24,240

multiple generations and indeed that's

592

00:22:29,450 --> 00:22:27,179

the case both for this man Harry who

593

00:22:31,789 --> 00:22:29,460

ends up being involved with Rachel we'll

594

00:22:34,310 --> 00:22:31,799

talk about that in a minute but also the

595

00:22:36,649 --> 00:22:34,320

mother of Marissa and Marissa herself as

596

00:22:38,990 --> 00:22:36,659

I already hinted at also have a unique

597

00:22:41,330 --> 00:22:39,000

history to do with the UFO phenomenon

598

00:22:44,930 --> 00:22:41,340

and so what this suggests is the entire

599

00:22:47,690 --> 00:22:44,940

thing is being schemed orchestrated by

600

00:22:49,669 --> 00:22:47,700

elements of the UFO phenomenon

601
00:22:51,590 --> 00:22:49,679
we should pay very close attention to

602
00:22:54,590 --> 00:22:51,600
that because again I think that is key

603
00:22:55,610 --> 00:22:54,600
to what is going on in our reality as we

604
00:22:57,350 --> 00:22:55,620
speak

605
00:22:59,450 --> 00:22:57,360
but I want to jump forward to a part of

606
00:23:00,890 --> 00:22:59,460
the book where this person Harry finds

607
00:23:03,710 --> 00:23:00,900
out that there is more going on at the

608
00:23:07,070 --> 00:23:03,720
base than has already been revealed

609
00:23:09,230 --> 00:23:07,080
quote Harry had nodded wondering where

610
00:23:11,149 --> 00:23:09,240
this was going Bill had continued

611
00:23:13,070 --> 00:23:11,159
there's a lot more going on at Four

612
00:23:15,289 --> 00:23:13,080
Corners than you know

613
00:23:17,029 --> 00:23:15,299

you can't talk to the others about this

614

00:23:19,010 --> 00:23:17,039

you with me on this

615

00:23:20,570 --> 00:23:19,020

again Harry nodded consumed with

616

00:23:22,490 --> 00:23:20,580

curiosity

617

00:23:25,070 --> 00:23:22,500

suddenly Bill dropped the good old boy

618

00:23:27,590 --> 00:23:25,080

Persona and became deadly serious

619

00:23:30,230 --> 00:23:27,600

Harry Four Corners is more than just a

620

00:23:33,230 --> 00:23:30,240

recovery operation it's also a kind of

621

00:23:35,630 --> 00:23:33,240

Embassy for extraterrestrials

622

00:23:38,090 --> 00:23:35,640

we have a joint team of humans and a

623

00:23:40,370 --> 00:23:38,100

small Graves working deep underground on

624

00:23:42,950 --> 00:23:40,380

several projects some of which are

625

00:23:44,990 --> 00:23:42,960

extremely complex and with some of the

626
00:23:48,049 --> 00:23:45,000
more difficult Concepts our scientists

627
00:23:50,029 --> 00:23:48,059
run into communication problems now you

628
00:23:52,070 --> 00:23:50,039
seem to have a valuable Quirk of a mind

629
00:23:54,529 --> 00:23:52,080
that lets you send and receive with our

630
00:23:56,930 --> 00:23:54,539
visitors I'm assigning you to work with

631
00:23:58,130 --> 00:23:56,940
the team as an interpreter or Ambassador

632
00:24:00,289 --> 00:23:58,140
if you will

633
00:24:02,149 --> 00:24:00,299
as a cover this special assignment will

634
00:24:04,549 --> 00:24:02,159
be in addition to your regular blue team

635
00:24:06,649 --> 00:24:04,559
duties so you'll be working long hours

636
00:24:08,390 --> 00:24:06,659
you up for that

637
00:24:10,149 --> 00:24:08,400
Harry's mind spiraled in several

638
00:24:12,230 --> 00:24:10,159

directions at once

639

00:24:14,029 --> 00:24:12,240

extraterrestrials actually working in a

640

00:24:16,669 --> 00:24:14,039

secret facility under the very ground

641

00:24:19,370 --> 00:24:16,679

they were standing on and on long-term

642

00:24:21,529 --> 00:24:19,380

assignment and I'm to be an interpreter

643

00:24:23,450 --> 00:24:21,539

for them my God

644

00:24:25,669 --> 00:24:23,460

am I to take your silence for agreement

645

00:24:27,230 --> 00:24:25,679

Bill asked enjoying watching the young

646

00:24:29,090 --> 00:24:27,240

Airmen struggling to embrace the

647

00:24:31,970 --> 00:24:29,100

bombshell he just dropped

648

00:24:33,529 --> 00:24:31,980

yes sir you bet sir when do I start

649

00:24:34,430 --> 00:24:33,539

Harry had blurted out to Bill's

650

00:24:36,409 --> 00:24:34,440

amusement

651
00:24:38,270 --> 00:24:36,419
well that's good because they asked for

652
00:24:40,070 --> 00:24:38,280
you specifically apparently they

653
00:24:42,230 --> 00:24:40,080
routinely probed the minds of the staff

654
00:24:45,169 --> 00:24:42,240
around here and seem to think you'll be

655
00:24:46,970 --> 00:24:45,179
ideal for the job as for starting no

656
00:24:49,669 --> 00:24:46,980
time like the present let's go to my

657
00:24:52,490 --> 00:24:49,679
office unquote

658
00:24:54,289 --> 00:24:52,500
now again very interesting there we hear

659
00:24:56,570 --> 00:24:54,299
that the others were actually probing

660
00:24:59,630 --> 00:24:56,580
the minds of the humans on the base and

661
00:25:01,970 --> 00:24:59,640
seemed to find almost by accident that

662
00:25:04,070 --> 00:25:01,980
this hairy person is particularly Adept

663
00:25:05,270 --> 00:25:04,080

with telepathic communication when

664

00:25:07,669 --> 00:25:05,280

they're actually picking up their

665

00:25:09,710 --> 00:25:07,679

communication again later on we find out

666

00:25:12,529 --> 00:25:09,720

this is a bit of a ruse because his

667

00:25:14,270 --> 00:25:12,539

history goes back before this time he's

668

00:25:16,430 --> 00:25:14,280

already been involved with them and ways

669

00:25:18,289 --> 00:25:16,440

that he's not conscious of and so he's

670

00:25:20,690 --> 00:25:18,299

already been tweaked in some ways

671

00:25:22,669 --> 00:25:20,700

augmented in some ways and again this is

672

00:25:24,470 --> 00:25:22,679

Central to this story and I would say

673

00:25:25,430 --> 00:25:24,480

Central to what's going on in our

674

00:25:28,669 --> 00:25:25,440

reality

675

00:25:31,010 --> 00:25:28,679

fast schemes to augment change human

676
00:25:32,990 --> 00:25:31,020
beings and also introduce hybrid beings

677
00:25:35,870 --> 00:25:33,000
in ways that most people are just

678
00:25:37,970 --> 00:25:35,880
completely unfamiliar with of course

679
00:25:40,310 --> 00:25:37,980
now as I mentioned in the introduction

680
00:25:42,230 --> 00:25:40,320
this book also goes into the supposed

681
00:25:45,070 --> 00:25:42,240
treaty that happened between the United

682
00:25:47,510 --> 00:25:45,080
States government and this Consortium of

683
00:25:49,970 --> 00:25:47,520
extraterrestrials and the book goes into

684
00:25:51,409 --> 00:25:49,980
that next very shocking details and

685
00:25:53,330 --> 00:25:51,419
again to many people this will sound

686
00:25:55,330 --> 00:25:53,340
outlandish and sound like science

687
00:25:58,010 --> 00:25:55,340
fiction but again I've seen

688
00:26:00,769 --> 00:25:58,020

corroborating evidence strong evidence

689

00:26:03,470 --> 00:26:00,779

suggesting this is absolutely true

690

00:26:05,330 --> 00:26:03,480

quoting again from the book quote Bill

691

00:26:07,130 --> 00:26:05,340

Walker had shown him a copy of a treaty

692

00:26:09,049 --> 00:26:07,140

made some years previously between the

693

00:26:11,450 --> 00:26:09,059

United States government and a group of

694

00:26:13,070 --> 00:26:11,460

extraterrestrials Harry recalled

695

00:26:16,010 --> 00:26:13,080

something about it from his orientation

696

00:26:18,230 --> 00:26:16,020

class yet as I remember em from what

697

00:26:19,909 --> 00:26:18,240

I've read since Bill the government gave

698

00:26:22,669 --> 00:26:19,919

permission to abduct and perform

699

00:26:25,370 --> 00:26:22,679

experiments on humans and animals in

700

00:26:27,590 --> 00:26:25,380

exchange for certain advanced technology

701
00:26:29,870 --> 00:26:27,600
also the government would operate a

702
00:26:32,269 --> 00:26:29,880
cover-up and discrediting program to

703
00:26:33,350 --> 00:26:32,279
quash any publicity the abductions

704
00:26:36,350 --> 00:26:33,360
generated

705
00:26:39,769 --> 00:26:36,360
however the treaty did specify a quota

706
00:26:42,169 --> 00:26:39,779
of abductions but atic suspects that the

707
00:26:43,970 --> 00:26:42,179
aliens have blatantly ignored that quota

708
00:26:46,310 --> 00:26:43,980
limit over the years

709
00:26:48,470 --> 00:26:46,320
the treaty didn't specify exactly what

710
00:26:50,930 --> 00:26:48,480
group of extraterrestrials but I have a

711
00:26:52,789 --> 00:26:50,940
gut feeling that it's the big raise

712
00:26:54,230 --> 00:26:52,799
reckon you're right there Bill replied

713
00:26:56,630 --> 00:26:54,240

reverting back to his good old boy

714

00:26:58,970 --> 00:26:56,640

persona it's them big gray buggers all

715

00:27:00,830 --> 00:26:58,980

right Harry continued so tensions

716

00:27:03,169 --> 00:27:00,840

between humans and the big Rays have

717

00:27:04,850 --> 00:27:03,179

escalated over the years according to

718

00:27:06,830 --> 00:27:04,860

the reports ranchers are finding more

719

00:27:08,750 --> 00:27:06,840

and more dead cattle with various parts

720

00:27:11,630 --> 00:27:08,760

of their Anatomy neatly removes

721

00:27:14,750 --> 00:27:11,640

primarily the rectum vagina penis and

722

00:27:16,310 --> 00:27:14,760

testicles Iris lips and mouth and

723

00:27:18,230 --> 00:27:16,320

there's never any sign of bleeding from

724

00:27:20,630 --> 00:27:18,240

the precise incisions that seem to be

725

00:27:22,850 --> 00:27:20,640

made with some kind of heated knife-like

726

00:27:25,070 --> 00:27:22,860

instrument unquote

727

00:27:26,570 --> 00:27:25,080

now of course that section there speaks

728

00:27:29,269 --> 00:27:26,580

to some of the evidence that's been

729

00:27:31,250 --> 00:27:29,279

presented over time so the literature

730

00:27:33,529 --> 00:27:31,260

that's part and parcel with the UFO

731

00:27:37,850 --> 00:27:33,539

phenomenon the Abduction of human beings

732

00:27:39,769 --> 00:27:37,860

and the mutilation of various animals

733

00:27:41,269 --> 00:27:39,779

now here I'd like to give my usual

734

00:27:43,610 --> 00:27:41,279

disclaimer that I believe there's

735

00:27:45,590 --> 00:27:43,620

different groups of the graves even the

736

00:27:48,470 --> 00:27:45,600

tall Grays and it would do a disservice

737

00:27:50,269 --> 00:27:48,480

to the entire species to say that they

738

00:27:52,549 --> 00:27:50,279

are fully responsible for what's going

739

00:27:54,409 --> 00:27:52,559

on here we don't want to blame all of

740

00:27:56,450 --> 00:27:54,419

them again I think it's a specific group

741

00:27:58,250 --> 00:27:56,460

of the tall Graves that are involved

742

00:27:59,990 --> 00:27:58,260

with this and not just the tall Grays

743

00:28:02,330 --> 00:28:00,000

but again there's different groups

744

00:28:04,010 --> 00:28:02,340

within this Consortium even and you have

745

00:28:05,930 --> 00:28:04,020

different developmental levels even

746

00:28:08,029 --> 00:28:05,940

within that Consortium

747

00:28:09,890 --> 00:28:08,039

consider this something like the

748

00:28:12,110 --> 00:28:09,900

astropolitical equivalent of the United

749

00:28:14,510 --> 00:28:12,120

Nations in the sense that you have a

750

00:28:16,909 --> 00:28:14,520

Loosely organized structure around some

751
00:28:18,710 --> 00:28:16,919
basic principles but often there's a lot

752
00:28:21,350 --> 00:28:18,720
of leeway in terms of how different

753
00:28:23,029 --> 00:28:21,360
actors behave within that overall

754
00:28:24,610 --> 00:28:23,039
structure and of course you have

755
00:28:26,870 --> 00:28:24,620
different developmental levels

756
00:28:28,789 --> 00:28:26,880
coexisting within the United Nations

757
00:28:31,130 --> 00:28:28,799
some Nations that would even be

758
00:28:32,090 --> 00:28:31,140
considered terrorists by Other Nation

759
00:28:34,430 --> 00:28:32,100
States

760
00:28:37,010 --> 00:28:34,440
do still often exist as part of the

761
00:28:38,810 --> 00:28:37,020
overall structure and again in some ways

762
00:28:41,390 --> 00:28:38,820
this is also mirrored in the

763
00:28:43,430 --> 00:28:41,400

astropolitical situation but again we

764

00:28:46,549 --> 00:28:43,440

want to be careful not to just group one

765

00:28:48,409 --> 00:28:46,559

look or one type some typology with a

766

00:28:51,289 --> 00:28:48,419

particular Behavior it's more complex

767

00:28:54,049 --> 00:28:51,299

than that but nevertheless the tall

768

00:28:56,510 --> 00:28:54,059

Grays or a group of the tall Grays were

769

00:28:59,090 --> 00:28:56,520

known to violate the spirit of this

770

00:29:00,350 --> 00:28:59,100

agreement now right away we can say what

771

00:29:02,630 --> 00:29:00,360

does Spirit have to do with it this

772

00:29:05,330 --> 00:29:02,640

notion that our government would agree

773

00:29:07,190 --> 00:29:05,340

to the Abduction of citizens innocent

774

00:29:08,930 --> 00:29:07,200

citizens from the quiet of their own

775

00:29:11,990 --> 00:29:08,940

homes in the middle of the night usually

776

00:29:14,269 --> 00:29:12,000

in exchange for technology and yet

777

00:29:17,029 --> 00:29:14,279

that's what is suggested here and again

778

00:29:19,010 --> 00:29:17,039

the people in power often power hungry

779

00:29:20,570 --> 00:29:19,020

people like this do this they justify

780

00:29:23,570 --> 00:29:20,580

this to themselves because they believe

781

00:29:27,169 --> 00:29:23,580

that getting the technology would ensure

782

00:29:29,690 --> 00:29:27,179

the ongoing superiority of that

783

00:29:32,029 --> 00:29:29,700

nation-state over other nation states on

784

00:29:33,669 --> 00:29:32,039

the planet and so in their minds they

785

00:29:36,649 --> 00:29:33,679

think it's a Justified

786

00:29:39,049 --> 00:29:36,659

sacrifice to offer up a few citizens in

787

00:29:41,389 --> 00:29:39,059

exchange for this technology again many

788

00:29:43,669 --> 00:29:41,399

of us would highly question that kind of

789

00:29:45,529 --> 00:29:43,679

notion and that kind of agreement and I

790

00:29:47,210 --> 00:29:45,539

think we need to think about power

791

00:29:49,490 --> 00:29:47,220

players and how we need to move beyond

792

00:29:51,529 --> 00:29:49,500

that zero-sum game altogether if we're

793

00:29:53,870 --> 00:29:51,539

really to reckon with what's being

794

00:29:55,970 --> 00:29:53,880

presented to us with the UFO phenomenon

795

00:29:57,710 --> 00:29:55,980

but that's what's happened historically

796

00:29:59,750 --> 00:29:57,720

and I think there's corroborating

797

00:30:01,490 --> 00:29:59,760

evidence all over the place once you

798

00:30:03,950 --> 00:30:01,500

actually start digging in and I'm

799

00:30:05,990 --> 00:30:03,960

talking about actual documentation Paper

800

00:30:07,909 --> 00:30:06,000

Trails that can be verified with

801
00:30:09,350 --> 00:30:07,919
artificial intelligence once you can

802
00:30:11,690 --> 00:30:09,360
pour this into a database you can

803
00:30:12,590 --> 00:30:11,700
corroborate these different details over

804
00:30:14,750 --> 00:30:12,600
time

805
00:30:17,570 --> 00:30:14,760
and it becomes clear that this kind of

806
00:30:19,370 --> 00:30:17,580
thing did indeed happen some of the

807
00:30:21,830 --> 00:30:19,380
details from this book might be slightly

808
00:30:23,690 --> 00:30:21,840
off that's not the point the overall

809
00:30:26,930 --> 00:30:23,700
thrust of the message of the narrative

810
00:30:29,210 --> 00:30:26,940
is accurate and that should give all of

811
00:30:31,850 --> 00:30:29,220
us pause I would think

812
00:30:34,310 --> 00:30:31,860
now getting back to the book once we get

813
00:30:36,649 --> 00:30:34,320

past this initial part of the book that

814

00:30:39,230 --> 00:30:36,659

deals with the training of the kernel

815

00:30:41,029 --> 00:30:39,240

Harry becomes a colonel gets promoted

816

00:30:43,549 --> 00:30:41,039

quickly again because we find out later

817

00:30:46,250 --> 00:30:43,559

on he's been augmented by these beings

818

00:30:48,169 --> 00:30:46,260

over time when he was a child

819

00:30:50,750 --> 00:30:48,179

but what this ends up resulting in

820

00:30:52,250 --> 00:30:50,760

basically is him running the base or at

821

00:30:55,310 --> 00:30:52,260

least running the part of the operation

822

00:30:58,310 --> 00:30:55,320

involved with ongoing communication and

823

00:31:00,830 --> 00:30:58,320

cooperation with various groups of alien

824

00:31:03,230 --> 00:31:00,840

species that are often there on a

825

00:31:05,510 --> 00:31:03,240

long-term basis again we find out later

826

00:31:07,310 --> 00:31:05,520

on that he forms relationships with

827

00:31:09,710 --> 00:31:07,320

various beings that are housed

828

00:31:11,210 --> 00:31:09,720

underground and taking part in these

829

00:31:13,130 --> 00:31:11,220

various experiments

830

00:31:15,470 --> 00:31:13,140

but again I just want to make the point

831

00:31:17,570 --> 00:31:15,480

because this is key that while it seems

832

00:31:19,430 --> 00:31:17,580

to be a strange twist of fate that he

833

00:31:21,830 --> 00:31:19,440

would end up on the base and getting

834

00:31:23,630 --> 00:31:21,840

promotions so quickly and having a

835

00:31:27,169 --> 00:31:23,640

central role in ongoing communication

836

00:31:29,870 --> 00:31:27,179

and cooperation efforts again it's not

837

00:31:31,909 --> 00:31:29,880

just coincidence and that goes to show

838

00:31:34,549 --> 00:31:31,919

just how much control some of these

839

00:31:36,230 --> 00:31:34,559

others have over our reality I just want

840

00:31:38,090 --> 00:31:36,240

to point that out something that's

841

00:31:40,610 --> 00:31:38,100

become clear to me over time is that

842

00:31:43,730 --> 00:31:40,620

time is a very interesting component in

843

00:31:45,590 --> 00:31:43,740

this entire question and often these

844

00:31:47,690 --> 00:31:45,600

connections these Loops are formed

845

00:31:50,630 --> 00:31:47,700

between the past and what we perceive as

846

00:31:52,549 --> 00:31:50,640

a present and the future and so that

847

00:31:55,250 --> 00:31:52,559

allows these others who have a very

848

00:31:58,250 --> 00:31:55,260

different relationship with time than we

849

00:32:00,769 --> 00:31:58,260

do space time in general to control the

850

00:32:02,450 --> 00:32:00,779

narrative control the situation in ways

851
00:32:05,049 --> 00:32:02,460
that we really can't keep up with

852
00:32:07,909 --> 00:32:05,059
because we usually have this linear

853
00:32:09,409 --> 00:32:07,919
step-by-step experience of time and I

854
00:32:12,049 --> 00:32:09,419
think key to understanding ultimately

855
00:32:13,970 --> 00:32:12,059
what's going on is to begin to evolve

856
00:32:16,490 --> 00:32:13,980
our sense of what time actually is

857
00:32:18,950 --> 00:32:16,500
because again as Jacques filet famously

858
00:32:21,409 --> 00:32:18,960
said what the UFO phenomenon teaches us

859
00:32:24,710 --> 00:32:21,419
is that we do not understand space-time

860
00:32:26,810 --> 00:32:24,720
we have to grow evolve our understanding

861
00:32:27,950 --> 00:32:26,820
of that if we're to make sense of what's

862
00:32:30,889 --> 00:32:27,960
going on

863
00:32:32,870 --> 00:32:30,899

in our very midst as we speak

864

00:32:34,970 --> 00:32:32,880

now moving forward in the narrative

865

00:32:37,130 --> 00:32:34,980

again this seems like it just happens to

866

00:32:39,110 --> 00:32:37,140

happen but later on we find out anything

867

00:32:41,810 --> 00:32:39,120

but is the case

868

00:32:43,310 --> 00:32:41,820

but what happens one time is that one of

869

00:32:46,190 --> 00:32:43,320

these craft come in and this one

870

00:32:47,990 --> 00:32:46,200

actually crashes comes in out of control

871

00:32:50,510 --> 00:32:48,000

again it's a bit unclear but it could

872

00:32:53,510 --> 00:32:50,520

have to do with radar interference but

873

00:32:56,570 --> 00:32:53,520

this craft crashes now Harry and his

874

00:32:58,610 --> 00:32:56,580

team go into investigate and at first

875

00:33:01,070 --> 00:32:58,620

they think there are no survivors but

876
00:33:04,370 --> 00:33:01,080
then hairy spot's movement amongst the

877
00:33:05,990 --> 00:33:04,380
fiery wreckage of this craft and he

878
00:33:08,450 --> 00:33:06,000
decides to go in and try to rescue

879
00:33:12,130 --> 00:33:08,460
whatever being might still be alive

880
00:33:14,330 --> 00:33:12,140
inside he finds this small female

881
00:33:16,789 --> 00:33:14,340
gray-like being although she doesn't

882
00:33:20,029 --> 00:33:16,799
look quite like the typical gray but

883
00:33:22,009 --> 00:33:20,039
she's near death but on the floor and he

884
00:33:24,769 --> 00:33:22,019
picks her up gets her out before the

885
00:33:26,690 --> 00:33:24,779
entire craft burns up entirely

886
00:33:29,269 --> 00:33:26,700
and what's very interesting and again

887
00:33:32,690 --> 00:33:29,279
not coincidental after all we find out

888
00:33:36,049 --> 00:33:32,700

he feels a strange bond with this female

889

00:33:38,330 --> 00:33:36,059

gray this sort of adolescent female gray

890

00:33:40,310 --> 00:33:38,340

and eventually decides that he will

891

00:33:42,889 --> 00:33:40,320

adopt her because he actually feels a

892

00:33:44,990 --> 00:33:42,899

certain fondness for her and wants to

893

00:33:46,610 --> 00:33:45,000

help her and all of her other comrades

894

00:33:50,389 --> 00:33:46,620

the other two occupants of The Craft

895

00:33:54,169 --> 00:33:50,399

died and so she has no one on our planet

896

00:33:57,169 --> 00:33:54,179

to be connected to so he adopts her and

897

00:33:59,090 --> 00:33:57,179

then as it turns out she is so Adept in

898

00:34:02,149 --> 00:33:59,100

human skills and human communication

899

00:34:04,310 --> 00:34:02,159

when compared with other hybrid beings

900

00:34:06,769 --> 00:34:04,320

that often are very still to it and very

901
00:34:09,169 --> 00:34:06,779
awkward in their communication that it

902
00:34:11,270 --> 00:34:09,179
is decided by the military group along

903
00:34:14,629 --> 00:34:11,280
with these aliens that are on the base

904
00:34:16,310 --> 00:34:14,639
that she might be a perfect fit for a

905
00:34:18,409 --> 00:34:16,320
kind of socialization experiment

906
00:34:21,050 --> 00:34:18,419
something they call the humanization

907
00:34:23,930 --> 00:34:21,060
program in the book what this basically

908
00:34:26,629 --> 00:34:23,940
comes down to is trying to teach her

909
00:34:28,430 --> 00:34:26,639
various skills of communication so that

910
00:34:30,889 --> 00:34:28,440
she could actually be inserted into

911
00:34:32,990 --> 00:34:30,899
Human Society in a way that she wouldn't

912
00:34:35,210 --> 00:34:33,000
be exposed her true identity wouldn't be

913
00:34:37,609 --> 00:34:35,220

exposed now at this point they weren't

914

00:34:39,649 --> 00:34:37,619

sure How likely this could be How likely

915

00:34:41,750 --> 00:34:39,659

this would work but they wanted to try

916

00:34:44,810 --> 00:34:41,760

because she had unusual degrees of

917

00:34:47,990 --> 00:34:44,820

understanding of human nature she had a

918

00:34:51,530 --> 00:34:48,000

fairly large human aspect to her DNA

919

00:34:53,450 --> 00:34:51,540

so she is trained by Harry and another

920

00:34:56,629 --> 00:34:53,460

alien being that's again a hybrid

921

00:34:59,210 --> 00:34:56,639

himself and also like this adolescent

922

00:35:01,609 --> 00:34:59,220

female gray has a high degree of

923

00:35:04,190 --> 00:35:01,619

capacity to interact with humans and to

924

00:35:06,609 --> 00:35:04,200

communicate with humans he also helps in

925

00:35:10,250 --> 00:35:06,619

this process of socializing and

926
00:35:12,589 --> 00:35:10,260
humanizing this female gray who we later

927
00:35:15,410 --> 00:35:12,599
find out is Rachel that's what they name

928
00:35:16,670 --> 00:35:15,420
her she becomes the adopted daughter of

929
00:35:19,550 --> 00:35:16,680
the colonel

930
00:35:21,470 --> 00:35:19,560
this takes us to when she later on as I

931
00:35:23,569 --> 00:35:21,480
said in the beginning gets inserted into

932
00:35:25,490 --> 00:35:23,579
a social situation where she is paired

933
00:35:28,069 --> 00:35:25,500
up with a human

934
00:35:29,510 --> 00:35:28,079
female who's also going to college so

935
00:35:31,490 --> 00:35:29,520
this

936
00:35:34,550 --> 00:35:31,500
Rachel character being of around

937
00:35:36,710 --> 00:35:34,560
adolescent age and looking about that he

938
00:35:38,450 --> 00:35:36,720

is inserted into this situation where

939

00:35:40,970 --> 00:35:38,460

she has a roommate they're both going to

940

00:35:43,130 --> 00:35:40,980

college but again Marissa the roommate

941

00:35:45,109 --> 00:35:43,140

doesn't have perfect vision she sees

942

00:35:47,569 --> 00:35:45,119

kind of blurry images and so the fact

943

00:35:50,510 --> 00:35:47,579

that this hybrid being doesn't look

944

00:35:53,030 --> 00:35:50,520

fully human actually goes largely

945

00:35:54,109 --> 00:35:53,040

unnoticed at first by Marissa because of

946

00:35:58,190 --> 00:35:54,119

that

947

00:36:00,670 --> 00:35:58,200

Rachel's appearance

948

00:36:03,050 --> 00:36:00,680

her skin was slightly yellowish green

949

00:36:05,990 --> 00:36:03,060

and cool and spongy to the touch

950

00:36:07,490 --> 00:36:06,000

basically the texture of mushrooms and

951
00:36:09,290 --> 00:36:07,500
we find out about that later on because

952
00:36:11,750 --> 00:36:09,300
of an unusual encounter where her

953
00:36:13,849 --> 00:36:11,760
identity is basically exposed to a

954
00:36:16,490 --> 00:36:13,859
certain small group of people

955
00:36:19,430 --> 00:36:16,500
she had large slanted eyes wraparound

956
00:36:22,190 --> 00:36:19,440
type the pupils were vertical like a

957
00:36:24,050 --> 00:36:22,200
cat's eyes and the color of avocado

958
00:36:26,569 --> 00:36:24,060
green

959
00:36:29,930 --> 00:36:26,579
now the way we find out about what she

960
00:36:31,490 --> 00:36:29,940
looks like fully and we then get to the

961
00:36:33,050 --> 00:36:31,500
part of the story where her identity is

962
00:36:34,790 --> 00:36:33,060
kind of exposed to a small group of

963
00:36:38,450 --> 00:36:34,800

people that are involved with the scene

964

00:36:40,550 --> 00:36:38,460

is because Marissa's mother Helen is

965

00:36:43,010 --> 00:36:40,560

visiting one day and of course Helen the

966

00:36:46,609 --> 00:36:43,020

mother can see fully and she notices

967

00:36:49,150 --> 00:36:46,619

that this female being doesn't quite

968

00:36:51,770 --> 00:36:49,160

look human right away but one time

969

00:36:53,390 --> 00:36:51,780

Rachel feeling awkward knowing that the

970

00:36:56,930 --> 00:36:53,400

mother can see is kind of rushing by

971

00:36:59,390 --> 00:36:56,940

them on her way out and she starts to

972

00:37:01,970 --> 00:36:59,400

trip on a rug and so Helen the mother

973

00:37:03,950 --> 00:37:01,980

reaches out to help her and when she

974

00:37:07,010 --> 00:37:03,960

does that she touches her arm and she

975

00:37:09,170 --> 00:37:07,020

feels that spongy cool texture of

976
00:37:10,550 --> 00:37:09,180
mushrooms it was a very hot day in the

977
00:37:13,730 --> 00:37:10,560
Sacramento area where I used to live

978
00:37:16,490 --> 00:37:13,740
actually and she was not expecting that

979
00:37:19,430 --> 00:37:16,500
cool feel when she touched Rachel's skin

980
00:37:21,890 --> 00:37:19,440
and on top of that Rachel used to wear

981
00:37:24,410 --> 00:37:21,900
these large wrap-around glasses dark

982
00:37:26,150 --> 00:37:24,420
glasses and at this point they kind of

983
00:37:28,329 --> 00:37:26,160
fell forward and so that was the first

984
00:37:31,310 --> 00:37:28,339
time that Helen who can see perfectly

985
00:37:33,050 --> 00:37:31,320
saw what Rachel's eyes actually looked

986
00:37:35,150 --> 00:37:33,060
like and again this is a title of the

987
00:37:37,130 --> 00:37:35,160
book kind of a double meaning because on

988
00:37:39,530 --> 00:37:37,140

the one hand she had these large slanted

989

00:37:41,510 --> 00:37:39,540

eyes that were kind of an avocado green

990

00:37:44,210 --> 00:37:41,520

color and had pupils that were vertical

991

00:37:46,069 --> 00:37:44,220

like a cat so on the one hand that's the

992

00:37:47,930 --> 00:37:46,079

startling nature of how her appearance

993

00:37:50,750 --> 00:37:47,940

was but on the other hand the book

994

00:37:53,089 --> 00:37:50,760

obviously the title is referring to life

995

00:37:54,589 --> 00:37:53,099

from the perspective of Rachel who is

996

00:37:56,569 --> 00:37:54,599

this hybrid being

997

00:37:59,450 --> 00:37:56,579

and what we later find out is that this

998

00:38:02,270 --> 00:37:59,460

Rachel hybrid being did have feelings

999

00:38:04,190 --> 00:38:02,280

that unlike some of her non-hybridized

1000

00:38:06,710 --> 00:38:04,200

comrades she had more of an emotional

1001
00:38:09,410 --> 00:38:06,720
component to her because of the human

1002
00:38:10,849 --> 00:38:09,420
DNA that had been interspersed with the

1003
00:38:12,950 --> 00:38:10,859
alien DNA

1004
00:38:15,530 --> 00:38:12,960
so basically to make a long story short

1005
00:38:17,510 --> 00:38:15,540
what basically ends up happening is it

1006
00:38:20,210 --> 00:38:17,520
gets back to the kernel that this human

1007
00:38:22,730 --> 00:38:20,220
being the mother of Marissa Rachel's

1008
00:38:24,770 --> 00:38:22,740
roommate likely knows that she's not

1009
00:38:26,930 --> 00:38:24,780
fully human not naturally human

1010
00:38:29,569 --> 00:38:26,940
conventionally human in any way

1011
00:38:31,849 --> 00:38:29,579
and so the scheme is devised to actually

1012
00:38:34,190 --> 00:38:31,859
bring her into knowledge of what's going

1013
00:38:35,990 --> 00:38:34,200

on just the two of them just Marissa and

1014

00:38:38,510 --> 00:38:36,000

her mother Helen since they already

1015

00:38:39,829 --> 00:38:38,520

probably know that something is awry and

1016

00:38:41,510 --> 00:38:39,839

they want to prevent this from getting

1017

00:38:43,310 --> 00:38:41,520

out further

1018

00:38:45,710 --> 00:38:43,320

so a meeting is arranged with the

1019

00:38:48,050 --> 00:38:45,720

colonel again the adopted father of

1020

00:38:50,390 --> 00:38:48,060

Rachel and while they are having a

1021

00:38:52,370 --> 00:38:50,400

conversation Helen and Marissa and the

1022

00:38:55,010 --> 00:38:52,380

colonel Rachel's actually in her room

1023

00:38:56,510 --> 00:38:55,020

she's too nervous to actually hear how

1024

00:38:58,010 --> 00:38:56,520

these people will respond to her because

1025

00:39:00,290 --> 00:38:58,020

again she's concerned about being

1026

00:39:02,030 --> 00:39:00,300

rejected so while she's waiting in her

1027

00:39:04,010 --> 00:39:02,040

room with the door cracked open so she

1028

00:39:05,510 --> 00:39:04,020

can hear what's happening but not be

1029

00:39:08,690 --> 00:39:05,520

exposed to the possibility of being

1030

00:39:11,410 --> 00:39:08,700

rejected the colonel communicates to

1031

00:39:14,390 --> 00:39:11,420

Helen and Marissa about the full tale

1032

00:39:16,790 --> 00:39:14,400

who Rachel actually is being a hybrid

1033

00:39:19,010 --> 00:39:16,800

being who was born on a different planet

1034

00:39:21,530 --> 00:39:19,020

raised in a kind of aquarium setting

1035

00:39:23,450 --> 00:39:21,540

never had a birthing process like a

1036

00:39:25,910 --> 00:39:23,460

human baby would have and was brought

1037

00:39:27,770 --> 00:39:25,920

here on a ship and then adopted by him

1038

00:39:29,450 --> 00:39:27,780

and now part of this humanization

1039

00:39:31,609 --> 00:39:29,460

program

1040

00:39:32,990 --> 00:39:31,619

now what's interesting again because

1041

00:39:34,910 --> 00:39:33,000

there's so many

1042

00:39:37,190 --> 00:39:34,920

twists and turns in this book that you

1043

00:39:40,190 --> 00:39:37,200

really need to pay close attention to

1044

00:39:41,870 --> 00:39:40,200

at one point the kernel realizes it's

1045

00:39:44,210 --> 00:39:41,880

difficult to explain this long story

1046

00:39:46,910 --> 00:39:44,220

quickly so what he does is he makes

1047

00:39:49,370 --> 00:39:46,920

telepathic contact with Helen with a

1048

00:39:52,790 --> 00:39:49,380

mother and basically downloads into her

1049

00:39:55,250 --> 00:39:52,800

mind the full story where Rachel came

1050

00:39:57,950 --> 00:39:55,260

from how he had been raising her how she

1051
00:40:00,470 --> 00:39:57,960
had been socialized in a setting on the

1052
00:40:02,930 --> 00:40:00,480
base before being introduced into this

1053
00:40:04,790 --> 00:40:02,940
Human Society kind of situation

1054
00:40:06,470 --> 00:40:04,800
now again of course that's very very

1055
00:40:09,050 --> 00:40:06,480
interesting and it speaks to the fact

1056
00:40:11,690 --> 00:40:09,060
that already the colonel and Helen

1057
00:40:13,910 --> 00:40:11,700
Marissa's mother are not average humans

1058
00:40:16,550 --> 00:40:13,920
either they've already been augmented

1059
00:40:18,349 --> 00:40:16,560
themselves so everyone involved in this

1060
00:40:20,270 --> 00:40:18,359
case has been part of an ongoing

1061
00:40:22,609 --> 00:40:20,280
experimentation and hybridization

1062
00:40:24,770 --> 00:40:22,619
program to some degree going back

1063
00:40:27,950 --> 00:40:24,780

Generations later we find out that

1064

00:40:31,730 --> 00:40:27,960

Helen's mother also had experiences with

1065

00:40:34,490 --> 00:40:31,740

the others and actually that she was the

1066

00:40:37,490 --> 00:40:34,500

baby of actually her aunt but at one

1067

00:40:39,890 --> 00:40:37,500

point the others took this genetic baby

1068

00:40:42,470 --> 00:40:39,900

that was connected to the ant and

1069

00:40:44,450 --> 00:40:42,480

inserted it in her mother so in other

1070

00:40:47,750 --> 00:40:44,460

words in the sister so when she was born

1071

00:40:49,910 --> 00:40:47,760

she was actually born inside the womb of

1072

00:40:53,089 --> 00:40:49,920

a woman who was the sister of her actual

1073

00:40:54,829 --> 00:40:53,099

mother very strange and again the mother

1074

00:40:56,390 --> 00:40:54,839

goes on to explain that she felt nervous

1075

00:40:58,670 --> 00:40:56,400

when the Grays approached her about

1076
00:41:00,470 --> 00:40:58,680
being part of this process because they

1077
00:41:02,210 --> 00:41:00,480
did talk to her about it but she agreed

1078
00:41:03,770 --> 00:41:02,220
because she was nervous and scared and

1079
00:41:04,550 --> 00:41:03,780
young she was quite Young when this

1080
00:41:06,530 --> 00:41:04,560
happened

1081
00:41:07,790 --> 00:41:06,540
so again these are kind of shocking

1082
00:41:09,890 --> 00:41:07,800
details

1083
00:41:12,050 --> 00:41:09,900
but we also find out that there's a

1084
00:41:14,630 --> 00:41:12,060
reason why of course the kernel feels

1085
00:41:16,130 --> 00:41:14,640
such a connection to Rachel this alien

1086
00:41:18,950 --> 00:41:16,140
human hybrid

1087
00:41:21,109 --> 00:41:18,960
and even why Helen feels a connection to

1088
00:41:23,150 --> 00:41:21,119

this alien human hybrid

1089

00:41:26,630 --> 00:41:23,160

like I said at the beginning with this

1090

00:41:28,730 --> 00:41:26,640

friend of mine who met a hybrid daughter

1091

00:41:30,530 --> 00:41:28,740

on board a craft and immediately knew

1092

00:41:33,650 --> 00:41:30,540

that he was connected to her

1093

00:41:35,870 --> 00:41:33,660

this also applies here this is why the

1094

00:41:39,650 --> 00:41:35,880

Colonel Harry felt such a connection to

1095

00:41:41,930 --> 00:41:39,660

her because his DNA had been partly used

1096

00:41:45,290 --> 00:41:41,940

in creating her

1097

00:41:48,290 --> 00:41:45,300

and likewise also Helen the mother of

1098

00:41:50,810 --> 00:41:48,300

Marissa also had DNA taken that

1099

00:41:52,790 --> 00:41:50,820

contributed to the full genetic makeup

1100

00:41:55,069 --> 00:41:52,800

of who Rachel is

1101
00:41:57,829 --> 00:41:55,079
so you see this all comes back to roost

1102
00:42:00,050 --> 00:41:57,839
that this is all connected that these

1103
00:42:01,490 --> 00:42:00,060
two human beings think they're just

1104
00:42:03,170 --> 00:42:01,500
average human beings but of course

1105
00:42:05,329 --> 00:42:03,180
they're not and later on they begin to

1106
00:42:07,069 --> 00:42:05,339
have memories about being part of this

1107
00:42:09,410 --> 00:42:07,079
hybridization and experimentation

1108
00:42:11,569 --> 00:42:09,420
program going back into their childhood

1109
00:42:14,030 --> 00:42:11,579
and even before their childhood in the

1110
00:42:16,069 --> 00:42:14,040
previous generation and so we see how

1111
00:42:18,530 --> 00:42:16,079
this is all a vast scheme that's been

1112
00:42:20,089 --> 00:42:18,540
put together and again I think what this

1113
00:42:22,849 --> 00:42:20,099

points to is that elements of the

1114

00:42:24,950 --> 00:42:22,859

phenomenon knew the full picture in ways

1115

00:42:27,170 --> 00:42:24,960

that none of these individuals ever

1116

00:42:29,030 --> 00:42:27,180

really did nor that the military really

1117

00:42:31,609 --> 00:42:29,040

did that also had agreed to these

1118

00:42:33,710 --> 00:42:31,619

Accords and set up actual treaties for

1119

00:42:35,569 --> 00:42:33,720

this Interstellar traffic

1120

00:42:37,670 --> 00:42:35,579

very key there I think we need to pay

1121

00:42:39,550 --> 00:42:37,680

close attention to that the degree of

1122

00:42:43,130 --> 00:42:39,560

control that is being exercised here

1123

00:42:44,870 --> 00:42:43,140

across time even in ways interacting

1124

00:42:47,030 --> 00:42:44,880

with time that don't make sense to us

1125

00:42:50,270 --> 00:42:47,040

that's what these others are able to do

1126

00:42:52,250 --> 00:42:50,280

and that changes the entire picture

1127

00:42:53,930 --> 00:42:52,260

now to just give you a sense of how the

1128

00:42:55,190 --> 00:42:53,940

book ends although I recommend you read

1129

00:42:57,950 --> 00:42:55,200

it if you'd like to know the full story

1130

00:42:59,870 --> 00:42:57,960

there's so many tantalizing details that

1131

00:43:02,329 --> 00:42:59,880

I think give Clues as to what's going on

1132

00:43:03,230 --> 00:43:02,339

in the big picture in our reality as we

1133

00:43:05,329 --> 00:43:03,240

speak

1134

00:43:07,990 --> 00:43:05,339

what ends up happening is these strange

1135

00:43:10,970 --> 00:43:08,000

Men In Black like characters show up

1136

00:43:12,650 --> 00:43:10,980

while Rachel is living with Marissa to

1137

00:43:15,290 --> 00:43:12,660

deliver these strange

1138

00:43:17,510 --> 00:43:15,300

packages that she uses to eat so there's

1139

00:43:20,150 --> 00:43:17,520

partly this kind of slushy spinach like

1140

00:43:22,010 --> 00:43:20,160

heated over spinach packet that she

1141

00:43:23,870 --> 00:43:22,020

would eat that she warned Marissa don't

1142

00:43:25,550 --> 00:43:23,880

eat this it wouldn't be good for you and

1143

00:43:27,470 --> 00:43:25,560

a strange kind of treated water that she

1144

00:43:29,510 --> 00:43:27,480

would also consume and it was always

1145

00:43:31,309 --> 00:43:29,520

delivered in these packages that had

1146

00:43:34,730 --> 00:43:31,319

this Insignia or this logo with a

1147

00:43:35,990 --> 00:43:34,740

triangle with three horizontal lines and

1148

00:43:38,210 --> 00:43:36,000

of course this has been mentioned

1149

00:43:39,950 --> 00:43:38,220

elsewhere in other experience for

1150

00:43:42,349 --> 00:43:39,960

Testimony so again I think we have

1151
00:43:44,450 --> 00:43:42,359
corroboration here certain details that

1152
00:43:46,910 --> 00:43:44,460
line up over time across all of these

1153
00:43:48,710 --> 00:43:46,920
different abduction and contact

1154
00:43:50,870 --> 00:43:48,720
experiences

1155
00:43:52,790 --> 00:43:50,880
but in the end partly because of the

1156
00:43:55,190 --> 00:43:52,800
fact that Rachel's identity have been

1157
00:43:56,750 --> 00:43:55,200
exposed it is ultimately determined by

1158
00:43:58,849 --> 00:43:56,760
the military that it's too much of a

1159
00:44:01,790 --> 00:43:58,859
risk at this point to keep her in that

1160
00:44:04,210 --> 00:44:01,800
kind of humanized socialized situation

1161
00:44:07,130 --> 00:44:04,220
so she disappears one day basically

1162
00:44:09,290 --> 00:44:07,140
Marissa comes home finds a note saying

1163
00:44:11,270 --> 00:44:09,300

I'm sorry I had to leave I really

1164

00:44:13,490 --> 00:44:11,280

appreciated you as a friend Marissa but

1165

00:44:14,630 --> 00:44:13,500

I have to go and I leave you with this

1166

00:44:16,309 --> 00:44:14,640

gift

1167

00:44:18,650 --> 00:44:16,319

and this is very interesting and

1168

00:44:20,210 --> 00:44:18,660

revealing here because at first Marissa

1169

00:44:21,770 --> 00:44:20,220

is confused what gift does she mean

1170

00:44:23,569 --> 00:44:21,780

she's looking around the apartment she

1171

00:44:25,790 --> 00:44:23,579

can't see anything that wasn't there

1172

00:44:28,190 --> 00:44:25,800

before and then she suddenly realizes

1173

00:44:32,270 --> 00:44:28,200

wait a minute I just read this note

1174

00:44:33,950 --> 00:44:32,280

perfectly well my vision is perfect so

1175

00:44:36,109 --> 00:44:33,960

she went from seeing only blurry images

1176
00:44:38,210 --> 00:44:36,119
and having a very difficult time reading

1177
00:44:40,910 --> 00:44:38,220
print to suddenly being able to read it

1178
00:44:43,550 --> 00:44:40,920
completely and so she realized the gift

1179
00:44:45,829 --> 00:44:43,560
had been the healing of her sight that

1180
00:44:48,170 --> 00:44:45,839
this is something that Rachel had done

1181
00:44:49,490 --> 00:44:48,180
for her which again fits with so much of

1182
00:44:52,490 --> 00:44:49,500
the experience or testimony around

1183
00:44:54,410 --> 00:44:52,500
different human beings being healed as

1184
00:44:58,010 --> 00:44:54,420
part of their contact experiences and

1185
00:44:59,870 --> 00:44:58,020
ongoing communication with these others

1186
00:45:01,790 --> 00:44:59,880
so what do you make of this narrative

1187
00:45:03,470 --> 00:45:01,800
again some people will find this

1188
00:45:05,750 --> 00:45:03,480

far-fetched some people will find this

1189

00:45:07,370 --> 00:45:05,760

very difficult to believe but what I'm

1190

00:45:09,050 --> 00:45:07,380

suggesting to you is that there is

1191

00:45:11,630 --> 00:45:09,060

corroborating evidence that points

1192

00:45:13,550 --> 00:45:11,640

towards this very kind of narrative that

1193

00:45:15,829 --> 00:45:13,560

even if some of the points are off even

1194

00:45:19,069 --> 00:45:15,839

if some of the history is not absolutely

1195

00:45:21,170 --> 00:45:19,079

correct the main thrusts I believe are

1196

00:45:24,829 --> 00:45:21,180

and surely that should be what we pay

1197

00:45:27,050 --> 00:45:24,839

attention to and not any minor detail

1198

00:45:28,130 --> 00:45:27,060

finally I leave you with this concluding

1199

00:45:30,490 --> 00:45:28,140

thought

1200

00:45:32,329 --> 00:45:30,500

we should face facts here

1201

00:45:34,790 --> 00:45:32,339

multi-generational genetic

1202

00:45:36,230 --> 00:45:34,800

experimentation and hybridization is

1203

00:45:38,089 --> 00:45:36,240

happening

1204

00:45:40,970 --> 00:45:38,099

and while there are different reasons

1205

00:45:42,170 --> 00:45:40,980

behind these practices one thing seems

1206

00:45:44,750 --> 00:45:42,180

clear

1207

00:45:47,569 --> 00:45:44,760

hybrids will play a major role in the

1208

00:45:50,089 --> 00:45:47,579

future of humanity despite how difficult

1209

00:45:52,609 --> 00:45:50,099

that might be for some to believe

1210

00:45:54,349 --> 00:45:52,619

but to that point I would add some

1211

00:45:56,030 --> 00:45:54,359

further context to put this in the

1212

00:45:58,010 --> 00:45:56,040

proper perspective

1213

00:46:00,349 --> 00:45:58,020

the truth is when you think about it

1214

00:46:02,870 --> 00:46:00,359

this notion of DNA experimentation

1215

00:46:05,089 --> 00:46:02,880

really shouldn't surprise us because

1216

00:46:07,190 --> 00:46:05,099

what existing evidence clearly points

1217

00:46:10,010 --> 00:46:07,200

towards is the fact that our very

1218

00:46:12,829 --> 00:46:10,020

presence here as the dominant species on

1219

00:46:16,130 --> 00:46:12,839

this blue pearl of a planet is a direct

1220

00:46:19,309 --> 00:46:16,140

result of an earlier iteration of the

1221

00:46:21,950 --> 00:46:19,319

same process of genetic manipulation and

1222

00:46:24,589 --> 00:46:21,960

augmentation

1223

00:46:26,870 --> 00:46:24,599

and on that note we've come to the close

1224

00:46:29,210 --> 00:46:26,880

of another edition of the point of

1225

00:46:31,309 --> 00:46:29,220

convergence podcast if you'd like to

1226

00:46:33,130 --> 00:46:31,319

support this podcast you can do so by

1227

00:46:35,809 --> 00:46:33,140

going to patreon.com

1228

00:46:38,210 --> 00:46:35,819

EXO academian

1229

00:46:40,190 --> 00:46:38,220

but until next time friends from deep

1230

00:46:43,609 --> 00:46:40,200

within the Blue Ridge Mountains of North

1231

00:46:44,910 --> 00:46:43,619

Carolina this is exo-academian signing
