[Music]

2
00:00:13,200 --> 00:00:06,930

[Laughter]

3
00:00:13,210 --> 00:00:19,390

[Music]

4
00:00:24,650 --> 00:00:21,830
welcome back everyone to another episode

5
00:00:26,509 --> 00:00:24,660
of liminal frames I'm your host Nathan

6
00:00:29,750 --> 00:00:26,519
and I'm joined by my friend and co-host

7
00:00:31,490 --> 00:00:29,760
Darren EXO academian Darren the

8
00:00:33,889 --> 00:00:31,500
background that I'm looking at right now

9
00:00:36,069 --> 00:00:33,899
is markedly different than what I'm used

10
00:00:38,569 --> 00:00:36,079
to seeing a lot of

11
00:00:41,170 --> 00:00:38,579
wood veneer wood paneling it's not

12
00:00:43,610 --> 00:00:41,180
veneer it's actual wood a lot of knots

13
00:00:45,110 --> 00:00:43,620

you seem like you're in a cabin is that

14

00:00:47,330 --> 00:00:45,120

accurate to say

15

00:00:49,869 --> 00:00:47,340

is this a remote viewing exercise or is

16

00:00:52,510 --> 00:00:49,879

this the live footage

17

00:00:56,029 --> 00:00:52,520

I think it's live footage

18

00:00:59,810 --> 00:00:56,039

you are correct sir I am live from my

19

00:01:01,130 --> 00:00:59,820

new cabin uh in even more Western North

20

00:01:03,349 --> 00:01:01,140

Carolina so still in the Blue Ridge

21

00:01:06,109 --> 00:01:03,359

Mountains but further west a couple

22

00:01:08,450 --> 00:01:06,119

hours away from you now but um been here

23

00:01:10,670 --> 00:01:08,460

since uh the weekend and it's been great

24

00:01:12,350 --> 00:01:10,680

like I said I posted to social media

25

00:01:13,789 --> 00:01:12,360

when you're out for a hike and you see

26

00:01:15,050 --> 00:01:13,799

warning signs about not feeding

27

00:01:17,870 --> 00:01:15,060

Sasquatch you know you're in the right

28

00:01:19,969 --> 00:01:17,880

place yeah well I've got a chance to see

29

00:01:24,289 --> 00:01:19,979

it and uh I think it's amazing very

30

00:01:25,550 --> 00:01:24,299

excited for you uh it is uh Serene and

31

00:01:28,370 --> 00:01:25,560

everything that you've talked about

32

00:01:31,010 --> 00:01:28,380

wanting so I hope that you enjoy it that

33

00:01:32,990 --> 00:01:31,020

it brings you uh many of the things that

34

00:01:34,490 --> 00:01:33,000

you're looking for and I hope I get a

35

00:01:36,530 --> 00:01:34,500

chance to visit again it seems like a

36

00:01:39,890 --> 00:01:36,540

great little Retreat to come and hang

37

00:01:41,630 --> 00:01:39,900

out and get that nature fix

38

00:01:44,929 --> 00:01:41,640

and you know we were talking before the

39

00:01:47,510 --> 00:01:44,939

show it uh it's just remarkable we can

40

00:01:50,210 --> 00:01:47,520

be doing this show uh you know kind of

41

00:01:51,950 --> 00:01:50,220

in the conditions that we're doing it

42

00:01:54,170 --> 00:01:51,960

um you know you've got high-speed

43

00:01:55,850 --> 00:01:54,180

internet there and what is basically a

44

00:01:58,490 --> 00:01:55,860

forest I mean when I went to visit you

45

00:02:00,889 --> 00:01:58,500

there were deer literally deer running

46

00:02:02,270 --> 00:02:00,899

across your front porch uh right I

47

00:02:03,469 --> 00:02:02,280

thought you were joking I thought you

48

00:02:05,149 --> 00:02:03,479

were making sort of likeness over the

49

00:02:06,410 --> 00:02:05,159

top comment and you're like no literally

50

00:02:10,249 --> 00:02:06,420

there's deers right by your porch

51
00:02:11,930 --> 00:02:10,259
they're right there yeah no it's uh it's

52
00:02:15,050 --> 00:02:11,940
pretty amazing what a time to be alive

53
00:02:17,690 --> 00:02:15,060
and uh it does feel like amazing things

54
00:02:20,390 --> 00:02:17,700
are happening every week uh you know not

55
00:02:22,910 --> 00:02:20,400
only in the world but uh in in our topic

56
00:02:25,490 --> 00:02:22,920
of interest uh things seem to be

57
00:02:27,110 --> 00:02:25,500
developing and uh you know and maybe

58
00:02:30,229 --> 00:02:27,120
even building to something and what we

59
00:02:33,229 --> 00:02:30,239
may get into that on this episode

60
00:02:34,790 --> 00:02:33,239
um but uh you know we want to cover a

61
00:02:38,330 --> 00:02:34,800
few different things right I think we

62
00:02:39,350 --> 00:02:38,340
wanted to take this uh sort of segment

63
00:02:42,589 --> 00:02:39,360

to

64

00:02:46,430 --> 00:02:42,599

look at some of the things that some of

65

00:02:48,410 --> 00:02:46,440

the topics uh that are really closely

66

00:02:51,890 --> 00:02:48,420

held by many different folks in the

67

00:02:55,130 --> 00:02:51,900

community uh we know that everybody kind

68

00:02:56,809 --> 00:02:55,140

of has their pet Theory and when you

69

00:02:59,449 --> 00:02:56,819

have a pet Theory you also have the

70

00:03:01,430 --> 00:02:59,459

theories which you reject and we want to

71

00:03:04,250 --> 00:03:01,440

examine a little bit some of the bias

72

00:03:06,410 --> 00:03:04,260

that we have in holding on to those

73

00:03:09,229 --> 00:03:06,420

theories that that for us seem very

74

00:03:11,210 --> 00:03:09,239

compelling and then also examining like

75

00:03:13,430 --> 00:03:11,220

why some of the other the ones which we

76

00:03:15,770 --> 00:03:13,440

reject are so offensive why do they

77

00:03:18,110 --> 00:03:15,780

offend whereas these other ones seem

78

00:03:19,970 --> 00:03:18,120

really palatable and everybody is guilty

79

00:03:22,190 --> 00:03:19,980

of this and and we certainly are as well

80

00:03:24,229 --> 00:03:22,200

even with our own perspective and the

81

00:03:27,290 --> 00:03:24,239

way we look at things now we have our

82

00:03:29,089 --> 00:03:27,300

biases but uh you know I think the best

83

00:03:30,649 --> 00:03:29,099

way to look at this or kind of to walk

84

00:03:32,869 --> 00:03:30,659

through it is to kind of go back through

85

00:03:34,729 --> 00:03:32,879

some of our own Journeys and examine

86

00:03:37,790 --> 00:03:34,739

some of the the narratives and theories

87

00:03:40,130 --> 00:03:37,800

that we uh probably rejected out of hand

88

00:03:41,869 --> 00:03:40,140

initially and then the long that we got

89

00:03:43,550 --> 00:03:41,879

into this topic the more we kind of said

90

00:03:45,589 --> 00:03:43,560

wait a minute like hey

91

00:03:47,149 --> 00:03:45,599

do I actually need to reconsider this do

92

00:03:48,830 --> 00:03:47,159

I need to come back and take a look at

93

00:03:52,130 --> 00:03:48,840

that theory that I thought was totally

94

00:03:53,350 --> 00:03:52,140

bogus is there some validity to it so I

95

00:03:55,970 --> 00:03:53,360

think we're going to do a little bit of

96

00:03:58,309 --> 00:03:55,980

exploration and and kind of go through

97

00:04:00,649 --> 00:03:58,319

the Contours of these different theories

98

00:04:03,949 --> 00:04:00,659

on this episode

99

00:04:06,470 --> 00:04:03,959

yeah I mean for me that's been the most

100

00:04:09,350 --> 00:04:06,480

shocking aspect I think is how far

101
00:04:11,509 --> 00:04:09,360
reaching this topic is that it leaves no

102
00:04:14,030 --> 00:04:11,519
other topic unscathed basically that if

103
00:04:15,649 --> 00:04:14,040
you stay here long enough you end up

104
00:04:17,030 --> 00:04:15,659
working Your Way backwards and

105
00:04:19,069 --> 00:04:17,040
questioning some of the assumptions you

106
00:04:20,629 --> 00:04:19,079
came in with that you never imagined

107
00:04:22,370 --> 00:04:20,639
you'd have to question I mean just

108
00:04:24,650 --> 00:04:22,380
assumptions about the nature of reality

109
00:04:25,850 --> 00:04:24,660
the nature of our society and our

110
00:04:28,070 --> 00:04:25,860
leadership and our governmental

111
00:04:29,810 --> 00:04:28,080
structures and the history of the 20th

112
00:04:31,129 --> 00:04:29,820
century not to mention you know small

113
00:04:34,430 --> 00:04:31,139

things like the history of mankind

114

00:04:36,430 --> 00:04:34,440

things like that so I think that is the

115

00:04:38,330 --> 00:04:36,440

biggest shock we often talk about

116

00:04:40,010 --> 00:04:38,340

ontological shock in terms of

117

00:04:42,409 --> 00:04:40,020

encountering beings that are not

118

00:04:44,150 --> 00:04:42,419

supposed to exist and yet clearly do but

119

00:04:46,670 --> 00:04:44,160

there's also a kind of conceptual or

120

00:04:48,590 --> 00:04:46,680

narrative framework shock that we also

121

00:04:50,810 --> 00:04:48,600

experience I think when you get into

122

00:04:54,409 --> 00:04:50,820

this topic because as I say it leaves no

123

00:04:56,990 --> 00:04:54,419

other topic unscathed and you end up

124

00:04:59,990 --> 00:04:57,000

changing your perspective on pretty much

125

00:05:06,590 --> 00:05:02,210

you do and

126

00:05:08,450 --> 00:05:06,600

in a way this topic is it's kind of a

127

00:05:10,249 --> 00:05:08,460

catalyst right and I think maybe this is

128

00:05:13,129 --> 00:05:10,259

true for a lot of

129

00:05:15,170 --> 00:05:13,139

um unconventional thinking right so and

130

00:05:18,050 --> 00:05:15,180

we do live in a time I think it's worth

131

00:05:20,390 --> 00:05:18,060

pointing out where unconventional ideas

132

00:05:22,689 --> 00:05:20,400

are flourishing in ways that they really

133

00:05:26,210 --> 00:05:22,699

had a difficult time flourishing before

134

00:05:28,550 --> 00:05:26,220

uh so the sort of hold that consensus

135

00:05:32,029 --> 00:05:28,560

reality had on the world was actually

136

00:05:34,370 --> 00:05:32,039

very very strong uh 20 30 years ago but

137

00:05:37,129 --> 00:05:34,380

with the Advent of the internet and the

138

00:05:41,270 --> 00:05:37,139

the prevalence of social media and

139

00:05:43,969 --> 00:05:41,280

sharing different ideas have a chance to

140

00:05:47,029 --> 00:05:43,979

kind of find fertile soil and and just

141

00:05:48,710 --> 00:05:47,039

the act of entertaining those ideas even

142

00:05:50,090 --> 00:05:48,720

if you are going to discard them

143

00:05:52,310 --> 00:05:50,100

outright you know if you're going to

144

00:05:54,469 --> 00:05:52,320

just reject them and not even allow them

145

00:05:57,409 --> 00:05:54,479

to enter into your you know sort of

146

00:05:59,749 --> 00:05:57,419

closely held belief system you have to

147

00:06:01,129 --> 00:05:59,759

wrestle with them to some degree in ways

148

00:06:03,350 --> 00:06:01,139

that maybe you didn't even have to

149

00:06:06,409 --> 00:06:03,360

encounter them before and I think that

150

00:06:09,950 --> 00:06:06,419

that bear is pointing out because just

151

00:06:12,290 --> 00:06:09,960

the uh the kind of glancing pass or the

152

00:06:14,990 --> 00:06:12,300

you know the the peripherally touching

153

00:06:17,150 --> 00:06:15,000

of these ideas is going to change you in

154

00:06:19,189 --> 00:06:17,160

some way and is going to change the way

155

00:06:22,249 --> 00:06:19,199

in which you you know absorb information

156

00:06:25,249 --> 00:06:22,259

or or uh assimilate information into

157

00:06:27,110 --> 00:06:25,259

your current framework and so you know I

158

00:06:29,029 --> 00:06:27,120

think I'm I I think we can all look at

159

00:06:30,770 --> 00:06:29,039

that many ways and go oh that that's a

160

00:06:32,210 --> 00:06:30,780

bad thing because now we're kind of you

161

00:06:35,629 --> 00:06:32,220

know we're flooded with information and

162

00:06:37,909 --> 00:06:35,639

it's really messing up our our uh our in

163

00:06:39,290 --> 00:06:37,919

a sort of rigid or our helpful

164

00:06:40,909 --> 00:06:39,300

Frameworks but I look at it very

165

00:06:42,770 --> 00:06:40,919

differently that it's a positive thing

166

00:06:46,010 --> 00:06:42,780

that is actually allowing us to stretch

167

00:06:47,330 --> 00:06:46,020

to grow and to be open to different ways

168

00:06:49,670 --> 00:06:47,340

of thinking and as you've pointed out

169

00:06:51,830 --> 00:06:49,680

many times changing the way you think

170

00:06:54,409 --> 00:06:51,840

actually does change you know the

171

00:06:56,510 --> 00:06:54,419

reality that that you live in and so I

172

00:06:58,010 --> 00:06:56,520

think uh you know as we explore these

173

00:07:00,350 --> 00:06:58,020

the different theories it's really worth

174

00:07:02,689 --> 00:07:00,360

keeping that in mind

175

00:07:04,730 --> 00:07:02,699

absolutely and you know you talked there

176

00:07:06,590 --> 00:07:04,740

briefly about you know the internet and

177

00:07:08,570 --> 00:07:06,600

the the kind of society we live in where

178

00:07:10,129 --> 00:07:08,580

it's you know interconnected and we can

179

00:07:11,330 --> 00:07:10,139

talk to people all around the world and

180

00:07:13,730 --> 00:07:11,340

you know one of the great experiences

181

00:07:15,290 --> 00:07:13,740

for me and this journey has been being

182

00:07:17,629 --> 00:07:15,300

contacted with and becoming good friends

183

00:07:18,409 --> 00:07:17,639

with people you know all over the place

184

00:07:20,089 --> 00:07:18,419

um

185

00:07:23,330 --> 00:07:20,099

but I would also say one of the

186

00:07:25,070 --> 00:07:23,340

interesting shifts that's happened that

187

00:07:26,270 --> 00:07:25,080

I think no one was expecting and this

188

00:07:28,249 --> 00:07:26,280

will play into what we're going to talk

189

00:07:30,050 --> 00:07:28,259

about a bit later in terms of control

190

00:07:33,350 --> 00:07:30,060

control structures and things like that

191

00:07:35,089 --> 00:07:33,360

you say you know when the internet came

192

00:07:37,309 --> 00:07:35,099

around everyone thought well this is you

193

00:07:39,469 --> 00:07:37,319

know the bastum Bastion of real Freedom

194

00:07:41,450 --> 00:07:39,479

right because you know there's it's the

195

00:07:43,309 --> 00:07:41,460

post-censorship generation you can

196

00:07:45,529 --> 00:07:43,319

anybody can start up a blog or whatever

197

00:07:47,510 --> 00:07:45,539

and show whatever information they want

198

00:07:49,490 --> 00:07:47,520

and while of course there's those memes

199

00:07:50,689 --> 00:07:49,500

out there that say you know how do you

200

00:07:51,770 --> 00:07:50,699

know that's true some guy on the

201
00:07:53,749 --> 00:07:51,780
internet told me you know it's kind of

202
00:07:56,510 --> 00:07:53,759
like this like joke uh you know you

203
00:07:58,129 --> 00:07:56,520
don't have to have any real

204
00:07:59,629 --> 00:07:58,139
um credentials and a certain topic to be

205
00:08:00,950 --> 00:07:59,639
able to talk about them as much as you

206
00:08:02,990 --> 00:08:00,960
want and people might actually take you

207
00:08:03,770 --> 00:08:03,000
seriously which is concerning to some

208
00:08:05,749 --> 00:08:03,780
people

209
00:08:07,490 --> 00:08:05,759
but on the other hand what I think we've

210
00:08:09,770 --> 00:08:07,500
seen more recently is actually more

211
00:08:12,170 --> 00:08:09,780
consolidation in media including

212
00:08:13,790 --> 00:08:12,180
internet internet media that's that's

213
00:08:15,529 --> 00:08:13,800

quite concerning where

214

00:08:18,589 --> 00:08:15,539

for instance you know if you really want

215

00:08:20,150 --> 00:08:18,599

to have a channel like we do and I do

216

00:08:21,589 --> 00:08:20,160

with point of convergence why not then

217

00:08:24,469 --> 00:08:21,599

you really kind of need to be on YouTube

218

00:08:26,809 --> 00:08:24,479

really to reach the audience so we went

219

00:08:28,550 --> 00:08:26,819

from when the internet began this notion

220

00:08:30,170 --> 00:08:28,560

of like everyone could have a Blog and

221

00:08:32,329 --> 00:08:30,180

you know you could find so many

222

00:08:33,829 --> 00:08:32,339

different sources for information now

223

00:08:35,930 --> 00:08:33,839

most people spend the majority of their

224

00:08:38,690 --> 00:08:35,940

time on maybe three or four sites right

225

00:08:40,070 --> 00:08:38,700

social media you know YouTube that kind

226

00:08:42,170 --> 00:08:40,080

of thing

227

00:08:43,550 --> 00:08:42,180

um and really I don't think that's what

228

00:08:46,430 --> 00:08:43,560

any of us were expecting and in some

229

00:08:47,930 --> 00:08:46,440

ways it's a turn away from freedom I

230

00:08:50,090 --> 00:08:47,940

think and Freedom of Information because

231

00:08:51,829 --> 00:08:50,100

of course when you consolidate those

232

00:08:53,269 --> 00:08:51,839

those structures of course then you have

233

00:08:54,949 --> 00:08:53,279

Gatekeepers that are controlling what

234

00:08:57,110 --> 00:08:54,959

actually gets shared

235

00:08:59,329 --> 00:08:57,120

yeah that's something we need to keep in

236

00:09:00,829 --> 00:08:59,339

mind that uh that that control of the

237

00:09:03,590 --> 00:09:00,839

flow of information really does control

238

00:09:05,210 --> 00:09:03,600

the way in which we think uh you know

239

00:09:06,949 --> 00:09:05,220

because we're just exposed to it all the

240

00:09:08,930 --> 00:09:06,959

time and if you want to even function in

241

00:09:11,509 --> 00:09:08,940

the society that we have you basically

242

00:09:13,730 --> 00:09:11,519

have to be plugged in uh you can

243

00:09:16,009 --> 00:09:13,740

certainly try to not be but you might as

244

00:09:17,210 --> 00:09:16,019

well try to live off grid and and not

245

00:09:19,490 --> 00:09:17,220

you know really associate with any

246

00:09:22,250 --> 00:09:19,500

anybody in barter for your goods instead

247

00:09:24,889 --> 00:09:22,260

of you know go to a Traditional Bank for

248

00:09:27,590 --> 00:09:24,899

that matter so it's uh it's definitely a

249

00:09:29,269 --> 00:09:27,600

concerning Trend and uh something that I

250

00:09:31,490 --> 00:09:29,279

think actually even ties into some of

251
00:09:33,350 --> 00:09:31,500
the uh topics that we're going to cover

252
00:09:35,449 --> 00:09:33,360
so why don't we Jump Right In I mean the

253
00:09:36,889 --> 00:09:35,459
very first one that was on your list I

254
00:09:40,550 --> 00:09:36,899
love this one because there's a lot of

255
00:09:43,910 --> 00:09:40,560
different facets to it is this notion of

256
00:09:46,030 --> 00:09:43,920
of government cooperation with alien

257
00:09:48,769 --> 00:09:46,040
groups of some kind so we've we've heard

258
00:09:50,990 --> 00:09:48,779
uh of the stories of uh you know

259
00:09:53,630 --> 00:09:51,000
meetings with groups and Deals being

260
00:09:56,269 --> 00:09:53,640
done and uh you know they're giving us

261
00:09:57,730 --> 00:09:56,279
uh some of their Tech in exchange for

262
00:10:00,230 --> 00:09:57,740
our cooperation

263
00:10:02,449 --> 00:10:00,240

but you know of course total denial that

264

00:10:04,430 --> 00:10:02,459

we've ever done that

265

00:10:06,230 --> 00:10:04,440

um and that their Tech has influenced a

266

00:10:08,030 --> 00:10:06,240

lot of our our technology not that we're

267

00:10:10,009 --> 00:10:08,040

just using theirs we're actually kind of

268

00:10:12,230 --> 00:10:10,019

developing our own Tech based on what

269

00:10:14,269 --> 00:10:12,240

they've provided us and I think a lot of

270

00:10:15,769 --> 00:10:14,279

folks when they hear that uh you know

271

00:10:17,210 --> 00:10:15,779

like the tinfoil hats like you're

272

00:10:18,710 --> 00:10:17,220

already making it on the counter you

273

00:10:20,150 --> 00:10:18,720

know with the aluminum with the Illumina

274

00:10:22,009 --> 00:10:20,160

Ray put it on because it just seems so

275

00:10:24,889 --> 00:10:22,019

crazy you know how could our government

276

00:10:26,690 --> 00:10:24,899

be doing that but uh

277

00:10:28,009 --> 00:10:26,700

you know is there some validity to this

278

00:10:29,690 --> 00:10:28,019

I mean how do you think about this one

279

00:10:31,610 --> 00:10:29,700

and what was your initial reaction to

280

00:10:33,230 --> 00:10:31,620

that kind of uh idea

281

00:10:36,470 --> 00:10:33,240

well yeah initially I thought it was

282

00:10:37,910 --> 00:10:36,480

kind of cuckoo and um too far down the

283

00:10:39,889 --> 00:10:37,920

conspiracy train

284

00:10:42,769 --> 00:10:39,899

um you know I think this is one of the

285

00:10:46,250 --> 00:10:42,779

ones where I've had to really do a 180

286

00:10:48,889 --> 00:10:46,260

and and reconsider again my assumptions

287

00:10:51,170 --> 00:10:48,899

about the nature of leadership governing

288

00:10:52,310 --> 00:10:51,180

structures behind our civilization all

289

00:10:54,889 --> 00:10:52,320

of that

290

00:10:58,850 --> 00:10:54,899

because you know I think my initially my

291

00:11:00,590 --> 00:10:58,860

my assumption my you know preconception

292

00:11:02,449 --> 00:11:00,600

of the world and of governing structures

293

00:11:04,069 --> 00:11:02,459

was that you know mostly people that

294

00:11:06,889 --> 00:11:04,079

govern us are like us they're our

295

00:11:08,930 --> 00:11:06,899

neighbors and we elect them and they

296

00:11:10,850 --> 00:11:08,940

sure they're they sometimes are taking

297

00:11:13,250 --> 00:11:10,860

money on the side and are Power Players

298

00:11:15,949 --> 00:11:13,260

but for the most part the system works

299

00:11:17,930 --> 00:11:15,959

democratically to you know empower the

300

00:11:20,630 --> 00:11:17,940

people that elect the representatives is

301
00:11:22,250 --> 00:11:20,640
sort of the notion I had not not naively

302
00:11:25,610 --> 00:11:22,260
thinking it just worked like a charm but

303
00:11:28,730 --> 00:11:25,620
thinking again ever since sort of I was

304
00:11:31,610 --> 00:11:28,740
in high school and then seeing no moves

305
00:11:34,790 --> 00:11:31,620
in Europe towards unification and this

306
00:11:37,009 --> 00:11:34,800
sense of a global populace and Global

307
00:11:39,889 --> 00:11:37,019
civilization was really coming into the

308
00:11:41,269 --> 00:11:39,899
fore those seemed like positive moves

309
00:11:44,329 --> 00:11:41,279
um and yet

310
00:11:47,690 --> 00:11:44,339
what this topic has really confronted me

311
00:11:50,170 --> 00:11:47,700
with is the shocking degree of secrecy

312
00:11:53,150 --> 00:11:50,180
and even

313
00:11:55,329 --> 00:11:53,160

re-framing of reality uh the

314

00:11:58,370 --> 00:11:55,339

constructing of false narratives

315

00:12:00,769 --> 00:11:58,380

blatantly false narratives sometimes

316

00:12:02,930 --> 00:12:00,779

with you know some caveats that there

317

00:12:04,550 --> 00:12:02,940

are some aspects of disclosure that

318

00:12:06,769 --> 00:12:04,560

would be quite destabilizing which we've

319

00:12:09,050 --> 00:12:06,779

talked about on the show so I'm not

320

00:12:11,389 --> 00:12:09,060

saying everyone who's opted to not share

321

00:12:15,170 --> 00:12:11,399

this is doing so for nefarious means

322

00:12:16,790 --> 00:12:15,180

reasons but but a lot of it is and um

323

00:12:19,190 --> 00:12:16,800

some of it was as we've talked about

324

00:12:20,569 --> 00:12:19,200

before decided on the Fly because of the

325

00:12:23,269 --> 00:12:20,579

situation like for instance the middle

326

00:12:25,730 --> 00:12:23,279

of the Cold War and then it becomes just

327

00:12:27,650 --> 00:12:25,740

part of the culture gets entrenched and

328

00:12:29,990 --> 00:12:27,660

and goes on next thing you know it's 70

329

00:12:31,550 --> 00:12:30,000

80 years has been going on kind of thing

330

00:12:34,730 --> 00:12:31,560

so

331

00:12:36,769 --> 00:12:34,740

yes when you really take that to

332

00:12:38,690 --> 00:12:36,779

its full extent you end up with a

333

00:12:41,030 --> 00:12:38,700

question around

334

00:12:42,949 --> 00:12:41,040

dealing with these stories these

335

00:12:45,590 --> 00:12:42,959

experiences you hear about part of the

336

00:12:47,329 --> 00:12:45,600

experiential literature of people not

337

00:12:50,870 --> 00:12:47,339

only running into aliens but running

338

00:12:53,930 --> 00:12:50,880

into what look like military type humans

339

00:12:56,690 --> 00:12:53,940

which raises the question are these

340

00:12:58,970 --> 00:12:56,700

off-earth human beings which is possible

341

00:13:00,350 --> 00:12:58,980

I mean those certainly do exist the

342

00:13:02,210 --> 00:13:00,360

humanoid and even the human looking

343

00:13:05,150 --> 00:13:02,220

shape is one of the most common probably

344

00:13:06,710 --> 00:13:05,160

the most common encounter type really

345

00:13:09,110 --> 00:13:06,720

especially if you split up the Grays

346

00:13:11,690 --> 00:13:09,120

into the tall Graves and small Graves

347

00:13:13,129 --> 00:13:11,700

but it's very very common but we have

348

00:13:16,490 --> 00:13:13,139

other evidence like for instance Terry

349

00:13:18,230 --> 00:13:16,500

Lovelace uh talked about this in his

350

00:13:20,329 --> 00:13:18,240

interview with our friend James iandoli

351
00:13:22,430 --> 00:13:20,339
on engaging the phenomenon that when he

352
00:13:24,710 --> 00:13:22,440
was on board a craft and had been

353
00:13:26,210 --> 00:13:24,720
abducted he and his friend

354
00:13:28,850 --> 00:13:26,220
and of course they were in the military

355
00:13:30,410 --> 00:13:28,860
right and when he recounts the story it

356
00:13:32,389 --> 00:13:30,420
sounds like the entire thing was a setup

357
00:13:34,129 --> 00:13:32,399
he feels like they knew about it even

358
00:13:36,170 --> 00:13:34,139
the questions he was asked afterwards

359
00:13:37,610 --> 00:13:36,180
the interrogation he went through gave

360
00:13:40,069 --> 00:13:37,620
him the impression that they knew about

361
00:13:42,410 --> 00:13:40,079
this but on top of that he remembers

362
00:13:44,810 --> 00:13:42,420
very clearly being on board the craft

363
00:13:47,269 --> 00:13:44,820

and seeing human beings walking around

364

00:13:49,069 --> 00:13:47,279

with the same type of military boots

365

00:13:50,810 --> 00:13:49,079

that he was issued

366

00:13:52,250 --> 00:13:50,820

as being part of the military so not

367

00:13:53,990 --> 00:13:52,260

only did they look human

368

00:13:55,970 --> 00:13:54,000

but they were wearing the same issued

369

00:13:59,690 --> 00:13:55,980

military boots that he was issued as a

370

00:14:01,190 --> 00:13:59,700

military person so that is those kind of

371

00:14:03,530 --> 00:14:01,200

small details that I was paying very

372

00:14:05,090 --> 00:14:03,540

close attention to not so much the big

373

00:14:07,850 --> 00:14:05,100

thrust the big thrust people could make

374

00:14:08,990 --> 00:14:07,860

up but but little details like that that

375

00:14:11,329 --> 00:14:09,000

say

376

00:14:13,370 --> 00:14:11,339

okay even if you allow for off-earth

377

00:14:15,230 --> 00:14:13,380

humans why would they be wearing this

378

00:14:17,990 --> 00:14:15,240

particular brand of military boots right

379

00:14:19,730 --> 00:14:18,000

right and it's sort of you sort of like

380

00:14:22,370 --> 00:14:19,740

that's just one detail but you add them

381

00:14:24,170 --> 00:14:22,380

all together you start looking at you

382

00:14:25,550 --> 00:14:24,180

know treaties that were supposedly made

383

00:14:28,310 --> 00:14:25,560

between like the Eisenhower

384

00:14:30,050 --> 00:14:28,320

Administration and a group of aliens and

385

00:14:32,569 --> 00:14:30,060

of course at first I just thought come

386

00:14:33,710 --> 00:14:32,579

on that's ridiculous I never forget the

387

00:14:35,449 --> 00:14:33,720

first time I heard that I just thought

388

00:14:37,670 --> 00:14:35,459

like I had a hard time keeping a

389

00:14:40,370 --> 00:14:37,680

straight face and yet since then have

390

00:14:42,829 --> 00:14:40,380

had to again really eat some Humble Pie

391

00:14:45,710 --> 00:14:42,839

because over and over again I've been

392

00:14:47,389 --> 00:14:45,720

shown more and more evidence

393

00:14:48,889 --> 00:14:47,399

partly to do with you know sometimes

394

00:14:50,990 --> 00:14:48,899

people ask me what kind of evidence do I

395

00:14:53,389 --> 00:14:51,000

mean partly it's because we now have as

396

00:14:55,550 --> 00:14:53,399

I've hinted at before so much data

397

00:14:57,290 --> 00:14:55,560

that's been now

398

00:14:59,930 --> 00:14:57,300

collated and put together in these

399

00:15:03,230 --> 00:14:59,940

massive databases that we can now sort

400

00:15:05,090 --> 00:15:03,240

through with artificial intelligence to

401
00:15:06,650 --> 00:15:05,100
find these connections and find these

402
00:15:08,750 --> 00:15:06,660
parts of history that were tried to be

403
00:15:11,569 --> 00:15:08,760
buried before right but the thing is

404
00:15:13,850 --> 00:15:11,579
what you could bury in 1960 or 1980 you

405
00:15:15,769 --> 00:15:13,860
can't bury anymore and in fact what was

406
00:15:18,050 --> 00:15:15,779
buried is now Unearthed because even if

407
00:15:19,850 --> 00:15:18,060
these were documents in somebody's

408
00:15:21,590 --> 00:15:19,860
private library or something they have

409
00:15:23,569 --> 00:15:21,600
now been gathered they've been digitized

410
00:15:26,030 --> 00:15:23,579
been put into this database and we're

411
00:15:29,150 --> 00:15:26,040
finding that we're able to construct a

412
00:15:31,430 --> 00:15:29,160
narrative that is strikingly different

413
00:15:33,530 --> 00:15:31,440

than the narrative we were told and one

414

00:15:35,449 --> 00:15:33,540

of the key pieces involves yes

415

00:15:38,150 --> 00:15:35,459

cooperation and even treaties made

416

00:15:41,689 --> 00:15:38,160

between human beings human governments

417

00:15:43,970 --> 00:15:41,699

and alien groups yeah yeah I mean you

418

00:15:45,949 --> 00:15:43,980

hear uh there's that saying in a way

419

00:15:47,449 --> 00:15:45,959

that if you want to hide something just

420

00:15:49,189 --> 00:15:47,459

you know leave it in plain sight

421

00:15:52,670 --> 00:15:49,199

basically you know and so there's a lot

422

00:15:57,590 --> 00:15:52,680

of these stories that are interwoven

423

00:15:59,329 --> 00:15:57,600

with other stories and and UFO lore and

424

00:16:01,129 --> 00:15:59,339

you know it's hard hard to make heads or

425

00:16:03,170 --> 00:16:01,139

tails of all of them so you just kind of

426

00:16:05,090 --> 00:16:03,180

throw them all out

427

00:16:06,710 --> 00:16:05,100

um and I think we underestimate the

428

00:16:09,170 --> 00:16:06,720

degree to which

429

00:16:11,509 --> 00:16:09,180

maybe some minor concessions would have

430

00:16:14,750 --> 00:16:11,519

been made initially to keep something

431

00:16:17,629 --> 00:16:14,760

secret and then as time went on those

432

00:16:20,870 --> 00:16:17,639

minor concessions had to grow and grow

433

00:16:21,949 --> 00:16:20,880

and grow into larger concessions that

434

00:16:24,050 --> 00:16:21,959

may have

435

00:16:26,210 --> 00:16:24,060

kind of butt up against some of our

436

00:16:28,370 --> 00:16:26,220

societal norms and our and Norms of our

437

00:16:29,449 --> 00:16:28,380

democracy for example you know so

438

00:16:30,710 --> 00:16:29,459

there's

439

00:16:33,110 --> 00:16:30,720

um you know a little bit of a

440

00:16:34,970 --> 00:16:33,120

disconcerting sense in which

441

00:16:38,150 --> 00:16:34,980

um and I think people have an intuitive

442

00:16:40,790 --> 00:16:38,160

sense of this that not only do the

443

00:16:42,889 --> 00:16:40,800

elites you know kind of have a greater

444

00:16:44,629 --> 00:16:42,899

they operate in a kind of reality that

445

00:16:45,949 --> 00:16:44,639

none of us operate in that the rules

446

00:16:48,829 --> 00:16:45,959

don't apply to them in the way that

447

00:16:51,290 --> 00:16:48,839

rules apply to the rest of us so we all

448

00:16:54,290 --> 00:16:51,300

we all understand that just on on face

449

00:16:58,069 --> 00:16:54,300

now but to the degree to which

450

00:17:00,829 --> 00:16:58,079

their their do seem to be some kinds of

451

00:17:03,350 --> 00:17:00,839

alternate forces at work

452

00:17:06,770 --> 00:17:03,360

um that you know we would have brushed

453

00:17:08,870 --> 00:17:06,780

aside as being absolutely uh absurd but

454

00:17:09,890 --> 00:17:08,880

you know if you do think about if we if

455

00:17:19,730 --> 00:17:09,900

we

456

00:17:21,049 --> 00:17:19,740

engineering program to understand it you

457

00:17:23,210 --> 00:17:21,059

know if you can if you can make those

458

00:17:27,590 --> 00:17:23,220

kinds of concessions it's not hard to go

459

00:17:29,150 --> 00:17:27,600

from there to many other facets in the

460

00:17:31,190 --> 00:17:29,160

literature you know in terms of

461

00:17:33,890 --> 00:17:31,200

encounters with beings dealings with

462

00:17:36,470 --> 00:17:33,900

beings uh you know agreements that were

463

00:17:38,450 --> 00:17:36,480

made that really made it difficult to

464

00:17:41,390 --> 00:17:38,460

get out of those agreements you know so

465

00:17:43,010 --> 00:17:41,400

it's uh you know while we may be kind of

466

00:17:45,650 --> 00:17:43,020

short on

467

00:17:48,770 --> 00:17:45,660

the finer details I think it's not hard

468

00:17:51,590 --> 00:17:48,780

to see how some there is some truth to

469

00:17:54,350 --> 00:17:51,600

that uh you know and I remember too you

470

00:17:56,870 --> 00:17:54,360

know another aspect of this is that um

471

00:17:58,370 --> 00:17:56,880

you know I hear this from my friend d DJ

472

00:18:00,590 --> 00:17:58,380

you know from the Air Force perspective

473

00:18:02,570 --> 00:18:00,600

you know that if we had this kind of

474

00:18:04,250 --> 00:18:02,580

tech we would be using this kind of tech

475

00:18:06,650 --> 00:18:04,260

you know why aren't we using it so that

476

00:18:08,870 --> 00:18:06,660

there's that bias as well you know

477

00:18:11,810 --> 00:18:08,880

surely we would be deploying this kind

478

00:18:14,630 --> 00:18:11,820

of technology in our different you know

479

00:18:17,270 --> 00:18:14,640

theaters of operation but if we have

480

00:18:18,950 --> 00:18:17,280

Superior technology that isn't that

481

00:18:20,510 --> 00:18:18,960

advanced and we don't want people to

482

00:18:23,090 --> 00:18:20,520

know that we have that super advanced

483

00:18:24,890 --> 00:18:23,100

stuff why would we use it right so it

484

00:18:27,230 --> 00:18:24,900

you know you can understand why we might

485

00:18:29,150 --> 00:18:27,240

try to keep a tight lid on that as long

486

00:18:31,070 --> 00:18:29,160

as possible

487

00:18:32,750 --> 00:18:31,080

yeah several things to touch on there

488

00:18:35,750 --> 00:18:32,760

because you made some great points

489

00:18:38,029 --> 00:18:35,760

one I think is

490

00:18:40,250 --> 00:18:38,039

because we already have the we're really

491

00:18:41,750 --> 00:18:40,260

the only remaining superpower in the

492

00:18:44,630 --> 00:18:41,760

world right now although China is

493

00:18:45,890 --> 00:18:44,640

gaining steam pretty quickly

494

00:18:49,070 --> 00:18:45,900

um

495

00:18:51,350 --> 00:18:49,080

we can ironically even with our own

496

00:18:53,810 --> 00:18:51,360

mostly terrestrial Tech although you

497

00:18:55,450 --> 00:18:53,820

know crosso would tell you that much of

498

00:18:57,890 --> 00:18:55,460

our terrestrial attack was actually

499

00:18:59,330 --> 00:18:57,900

re-engineered alien recovered Tech in

500

00:19:02,450 --> 00:18:59,340

the 20th century

501
00:19:04,430 --> 00:19:02,460
but even our Cutting Edge Tech that's

502
00:19:07,430 --> 00:19:04,440
mostly terrestrial in terms of its

503
00:19:09,110 --> 00:19:07,440
origination is already still uh far

504
00:19:11,029 --> 00:19:09,120
superior to many other nations if not

505
00:19:14,570 --> 00:19:11,039
all nations and so

506
00:19:16,090 --> 00:19:14,580
what I'm saying is to counter what DJ's

507
00:19:19,010 --> 00:19:16,100
saying there is I think we can actually

508
00:19:20,090 --> 00:19:19,020
still be the dominant player in the

509
00:19:22,250 --> 00:19:20,100
theater of war

510
00:19:24,110 --> 00:19:22,260
with our own Tech without giving away

511
00:19:25,490 --> 00:19:24,120
that we actually have a whole nother

512
00:19:28,250 --> 00:19:25,500
level of tech

513
00:19:30,350 --> 00:19:28,260

that's Ultra top secret that you know

514

00:19:32,570 --> 00:19:30,360

uses things like reverse engine or sorry

515

00:19:34,190 --> 00:19:32,580

anti-gravity you know like

516

00:19:36,289 --> 00:19:34,200

um zero point things like that I think

517

00:19:37,970 --> 00:19:36,299

are in the picture

518

00:19:40,310 --> 00:19:37,980

um but it's just completely kept out of

519

00:19:41,930 --> 00:19:40,320

the public light all together

520

00:19:44,390 --> 00:19:41,940

which means of course yes that the

521

00:19:47,210 --> 00:19:44,400

elites who are willing to yet let um you

522

00:19:48,590 --> 00:19:47,220

know young people go to war and die in

523

00:19:50,330 --> 00:19:48,600

Wars they don't really have to fight

524

00:19:52,490 --> 00:19:50,340

that way because we have

525

00:19:54,830 --> 00:19:52,500

technology that could make that

526

00:19:56,270 --> 00:19:54,840

um you know unnecessary

527

00:19:58,430 --> 00:19:56,280

but again that's kind of the way that

528

00:20:00,049 --> 00:19:58,440

they work they as you said they live

529

00:20:01,370 --> 00:20:00,059

differently than the rest of us they

530

00:20:04,250 --> 00:20:01,380

tend to see the rest of the world as

531

00:20:05,750 --> 00:20:04,260

pawns and they're you know very much

532

00:20:08,750 --> 00:20:05,760

caught up in that kind of power play

533

00:20:11,270 --> 00:20:08,760

power player kind of mentality a

534

00:20:12,770 --> 00:20:11,280

zero-sum game that if

535

00:20:15,110 --> 00:20:12,780

um the only way for me to take more the

536

00:20:16,130 --> 00:20:15,120

cake is to give less to somebody else I

537

00:20:18,289 --> 00:20:16,140

mean that's just the kind of the way

538

00:20:20,810 --> 00:20:18,299

they think that's their mentality that's

539

00:20:22,970 --> 00:20:20,820

their level of Consciousness and so when

540

00:20:26,029 --> 00:20:22,980

you think back to the 20th century and

541

00:20:27,529 --> 00:20:26,039

uh an alien intelligence intelligence uh

542

00:20:28,789 --> 00:20:27,539

comes on the scene or you become aware

543

00:20:29,990 --> 00:20:28,799

of it anyway even if they were maybe

544

00:20:32,690 --> 00:20:30,000

here already

545

00:20:35,630 --> 00:20:32,700

and you see and are in awe of their

546

00:20:39,049 --> 00:20:35,640

degree of technological superiority and

547

00:20:41,409 --> 00:20:39,059

your entire mindset your entire modus

548

00:20:43,850 --> 00:20:41,419

operandi is around dominating

549

00:20:47,110 --> 00:20:43,860

technologically in this theater of war

550

00:20:49,310 --> 00:20:47,120

and you see what they have to offer you

551

00:20:51,890 --> 00:20:49,320

suddenly you're willing to you know

552

00:20:53,390 --> 00:20:51,900

offer a lot in return make a deal with

553

00:20:55,970 --> 00:20:53,400

the devil so to say

554

00:20:57,950 --> 00:20:55,980

um in order to obtain that Tech and in

555

00:21:00,409 --> 00:20:57,960

your in your mind think it's Justified

556

00:21:02,150 --> 00:21:00,419

because you think your nation states the

557

00:21:03,770 --> 00:21:02,160

one that should be in power and this

558

00:21:06,169 --> 00:21:03,780

will guarantee that your nation state

559

00:21:08,390 --> 00:21:06,179

will be in power for like perhaps even

560

00:21:10,970 --> 00:21:08,400

hundreds of years to come because the

561

00:21:14,570 --> 00:21:10,980

technology is so so next next next-gen

562

00:21:16,070 --> 00:21:14,580

so this is kind of what happens and it's

563

00:21:18,169 --> 00:21:16,080

a sad

564

00:21:20,210 --> 00:21:18,179

sorted pale of

565

00:21:22,970 --> 00:21:20,220

people maybe sometimes beginning with

566

00:21:24,470 --> 00:21:22,980

some of the right ideas in mind some of

567

00:21:27,770 --> 00:21:24,480

the right ends in mind and it just

568

00:21:29,390 --> 00:21:27,780

completely becoming part of a culture

569

00:21:31,730 --> 00:21:29,400

um that becomes entrenched and then you

570

00:21:34,430 --> 00:21:31,740

have a situation where you now have

571

00:21:36,350 --> 00:21:34,440

aspects of our quote-unquote government

572

00:21:39,169 --> 00:21:36,360

I even say that with hesitation because

573

00:21:41,090 --> 00:21:39,179

it's largely outside the you know the

574

00:21:42,950 --> 00:21:41,100

rule of law and any kind of democratic

575

00:21:44,870 --> 00:21:42,960

control of the American people

576

00:21:47,270 --> 00:21:44,880

you know we're now learning that

577

00:21:48,350 --> 00:21:47,280

Congress is doing its darndest to find

578

00:21:50,149 --> 00:21:48,360

out what's happening in our own

579

00:21:53,090 --> 00:21:50,159

government right when your own Congress

580

00:21:54,409 --> 00:21:53,100

is having to you know fight so hard just

581

00:21:56,090 --> 00:21:54,419

to find out what's going on and where

582

00:21:57,350 --> 00:21:56,100

all of our taxpayer money is going the

583

00:22:00,169 --> 00:21:57,360

trillions of dollars that have

584

00:22:03,169 --> 00:22:00,179

disappeared over the years

585

00:22:06,950 --> 00:22:03,179

um this is this is disconcerting um

586

00:22:11,149 --> 00:22:08,990

one thing I've hinted at before

587

00:22:12,169 --> 00:22:11,159

that we can maybe touch on later has to

588

00:22:14,750 --> 00:22:12,179

do with

589

00:22:16,850 --> 00:22:14,760

yes there are you know positive alien

590

00:22:18,649 --> 00:22:16,860

groups benevolent alien groups but

591

00:22:20,029 --> 00:22:18,659

amongst the total structure there's this

592

00:22:21,289 --> 00:22:20,039

real sense of

593

00:22:24,409 --> 00:22:21,299

um

594

00:22:25,850 --> 00:22:24,419

letting free will take its take its role

595

00:22:27,890 --> 00:22:25,860

you know just to see how it was going to

596

00:22:30,710 --> 00:22:27,900

play out and for an entire civilization

597

00:22:32,029 --> 00:22:30,720

to learn through trial and error what is

598

00:22:33,470 --> 00:22:32,039

a good thing to do what's not a good

599

00:22:35,930 --> 00:22:33,480

thing to do what's in your best interest

600

00:22:38,270 --> 00:22:35,940

what's not in the long run and so even

601
00:22:41,270 --> 00:22:38,280
though some of my question why would the

602
00:22:42,649 --> 00:22:41,280
benevolent group stand aside while

603
00:22:45,409 --> 00:22:42,659
um some Power Players in human

604
00:22:47,029 --> 00:22:45,419
leadership setting quotes make deals

605
00:22:48,710 --> 00:22:47,039
with less than benevolent or

606
00:22:51,110 --> 00:22:48,720
opportunistic groups why do they stand

607
00:22:53,270 --> 00:22:51,120
aside it's largely because you know we

608
00:22:55,909 --> 00:22:53,280
need to learn this lesson about knowing

609
00:22:58,130 --> 00:22:55,919
who we actually letting lead us and and

610
00:23:00,890 --> 00:22:58,140
and experiencing the consequences of

611
00:23:03,890 --> 00:23:00,900
when that gets out of its out of our uh

612
00:23:05,570 --> 00:23:03,900
control and gets beyond our Horizon of

613
00:23:08,149 --> 00:23:05,580

understanding so that we do take more

614

00:23:10,610 --> 00:23:08,159

responsibility but it's nevertheless put

615

00:23:12,049 --> 00:23:10,620

us in a pretty tricky situation where I

616

00:23:14,930 --> 00:23:12,059

find myself

617

00:23:16,909 --> 00:23:14,940

just kind of in shock in terms of where

618

00:23:18,169 --> 00:23:16,919

we really are what's really going on

619

00:23:20,870 --> 00:23:18,179

behind the scenes in terms of

620

00:23:22,909 --> 00:23:20,880

multinational power plays and control

621

00:23:24,649 --> 00:23:22,919

that you know the vast majority of the

622

00:23:27,649 --> 00:23:24,659

billions of people living in the world

623

00:23:29,990 --> 00:23:27,659

just have no clue about yeah well you

624

00:23:33,409 --> 00:23:30,000

did touch on you know and expanded on it

625

00:23:35,990 --> 00:23:33,419

a little bit too the uh this notion of

626
00:23:37,970 --> 00:23:36,000
you know less than benevolent aliens you

627
00:23:40,730 --> 00:23:37,980
know so that that's certainly a very

628
00:23:44,090 --> 00:23:40,740
popular idea and many circles in ufology

629
00:23:46,610 --> 00:23:44,100
that uh whatever the beings are they're

630
00:23:49,130 --> 00:23:46,620
they're just love and light any negative

631
00:23:53,390 --> 00:23:49,140
aspect of this encounter or experience

632
00:23:56,990 --> 00:23:53,400
is human in origin uh it can't possibly

633
00:23:58,549 --> 00:23:57,000
be these other beings and uh you know

634
00:24:00,409 --> 00:23:58,559
we've we've touched on this a few times

635
00:24:04,130 --> 00:24:00,419
before but it

636
00:24:06,470 --> 00:24:04,140
you know at the bias there right is that

637
00:24:09,409 --> 00:24:06,480
well you know something that would be

638
00:24:12,409 --> 00:24:09,419

more advanced than us uh surely would be

639

00:24:13,909 --> 00:24:12,419

more like morally uh Superior they would

640

00:24:15,470 --> 00:24:13,919

they would have a higher ethical

641

00:24:16,850 --> 00:24:15,480

standard they would

642

00:24:18,110 --> 00:24:16,860

um they would have nothing but our best

643

00:24:20,330 --> 00:24:18,120

interest they would have the best

644

00:24:22,430 --> 00:24:20,340

interests of all beings at heart

645

00:24:25,490 --> 00:24:22,440

um there couldn't possibly be any kind

646

00:24:27,950 --> 00:24:25,500

of negative uh you know ulterior motive

647

00:24:29,630 --> 00:24:27,960

at play in a being that is more advanced

648

00:24:32,990 --> 00:24:29,640

than that than we are that that's the

649

00:24:36,289 --> 00:24:33,000

bias right that kind of equating uh in a

650

00:24:38,149 --> 00:24:36,299

way like technological advancement or uh

651

00:24:41,630 --> 00:24:38,159

maybe even the age of a civilization

652

00:24:44,090 --> 00:24:41,640

with you know kind of moral behavior and

653

00:24:45,830 --> 00:24:44,100

uh that's not a good comparison at all

654

00:24:48,289 --> 00:24:45,840

right that's not a good conclusion to

655

00:24:50,090 --> 00:24:48,299

draw at all based on even our own

656

00:24:52,970 --> 00:24:50,100

standards we we have we've seen that

657

00:24:55,730 --> 00:24:52,980

that's not been true in human history

658

00:24:58,070 --> 00:24:55,740

um and so as we pointed out many times

659

00:25:00,470 --> 00:24:58,080

they're they're very likely are many

660

00:25:01,789 --> 00:25:00,480

groups at work uh as you just talked

661

00:25:04,850 --> 00:25:01,799

about it a little bit there

662

00:25:08,270 --> 00:25:04,860

who all have their own

663

00:25:11,230 --> 00:25:08,280

just like we do have their own paths to

664

00:25:15,230 --> 00:25:11,240

walk have their own lessons to learn

665

00:25:18,770 --> 00:25:15,240

they have the freedom to choose wisely

666

00:25:21,049 --> 00:25:18,780

or choose poorly and just like even in

667

00:25:23,630 --> 00:25:21,059

our society where we have human beings

668

00:25:26,390 --> 00:25:23,640

who want to do the right thing and a lot

669

00:25:29,149 --> 00:25:26,400

of us really work hard to try to do the

670

00:25:31,730 --> 00:25:29,159

right thing but every single day we're

671

00:25:33,409 --> 00:25:31,740

doing something that probably isn't the

672

00:25:35,149 --> 00:25:33,419

right thing you know we're because we're

673

00:25:36,110 --> 00:25:35,159

and we're complicit in that entire

674

00:25:38,390 --> 00:25:36,120

system

675

00:25:40,730 --> 00:25:38,400

right so like I have a neighbor who uh

676
00:25:42,169 --> 00:25:40,740
who loves talk about you know how he

677
00:25:44,570 --> 00:25:42,179
won't buy anything from this particular

678
00:25:46,850 --> 00:25:44,580
brand because you know oh it's it's so

679
00:25:47,870 --> 00:25:46,860
and so and you know it's so so bad I'm

680
00:25:49,789 --> 00:25:47,880
like well let's take a look at your

681
00:25:51,049 --> 00:25:49,799
stock portfolio you know what kind of

682
00:25:52,850 --> 00:25:51,059
things are you invested in that you

683
00:25:54,470 --> 00:25:52,860
don't even realize you know are you

684
00:25:56,690 --> 00:25:54,480
meticulously going through all of that

685
00:25:58,490 --> 00:25:56,700
and making sure that everything that you

686
00:26:00,649 --> 00:25:58,500
were invested in is in perfect alignment

687
00:26:03,830 --> 00:26:00,659
with your value system probably not

688
00:26:07,610 --> 00:26:03,840

right so as you just touched on this is

689

00:26:09,950 --> 00:26:07,620

a a kind of weaves into the system in

690

00:26:13,430 --> 00:26:09,960

which we have all ascertained to be part of

691

00:26:16,130 --> 00:26:13,440

that we have either built through our

692

00:26:18,470 --> 00:26:16,140

own uh you know direct volition we've

693

00:26:21,590 --> 00:26:18,480

decided I am going to further this way

694

00:26:23,930 --> 00:26:21,600

of being or I'm going to allow it to

695

00:26:27,769 --> 00:26:23,940

persist just by my mere Act of

696

00:26:30,169 --> 00:26:27,779

participation and that just just as that

697

00:26:32,930 --> 00:26:30,179

whole scenario is true for us it's true

698

00:26:35,029 --> 00:26:32,940

for other beings as well right they are

699

00:26:38,450 --> 00:26:35,039

also part of systems they also have

700

00:26:41,450 --> 00:26:38,460

things that that are you know higher

701
00:26:42,830 --> 00:26:41,460
value uh you know judgments and you know

702
00:26:44,450 --> 00:26:42,840
things that aren't good things that are

703
00:26:46,850 --> 00:26:44,460
are good so that they're a part of it

704
00:26:49,130 --> 00:26:46,860
and we're all trying to find our way and

705
00:26:50,750 --> 00:26:49,140
learn lessons along the way we all have

706
00:26:53,330 --> 00:26:50,760
to have that freedom too to make

707
00:26:55,970 --> 00:26:53,340
mistakes and do some bad things even if

708
00:26:57,950 --> 00:26:55,980
we didn't intend it

709
00:27:00,409 --> 00:26:57,960
yeah I mean there's numerous things to

710
00:27:01,610 --> 00:27:00,419
touch on there when you talked about you

711
00:27:03,049 --> 00:27:01,620
know people making the mistake of

712
00:27:04,850 --> 00:27:03,059
thinking that because the civilization

713
00:27:07,610 --> 00:27:04,860

is older or more technologically

714

00:27:09,529 --> 00:27:07,620

advanced that they would you know also

715

00:27:11,810 --> 00:27:09,539

be more morally advanced

716

00:27:13,490 --> 00:27:11,820

I see that kind of mistake happening all

717

00:27:15,409 --> 00:27:13,500

the time in kind of the guru culture

718

00:27:16,789 --> 00:27:15,419

right where I mean you've heard this so

719

00:27:18,950 --> 00:27:16,799

many times it's like a broken record

720

00:27:21,649 --> 00:27:18,960

you're like how do people not get this

721

00:27:23,269 --> 00:27:21,659

by now but people who come across some

722

00:27:25,610 --> 00:27:23,279

Guru kind of character some sort of

723

00:27:28,490 --> 00:27:25,620

spiritual uh Mystic or something that

724

00:27:30,169 --> 00:27:28,500

has real penetrating insight into the

725

00:27:32,289 --> 00:27:30,179

metaphysical aspects of reality they

726

00:27:35,210 --> 00:27:32,299

have real penetrating spiritual Insight

727

00:27:38,029 --> 00:27:35,220

that is demonstrable and so people say

728

00:27:40,070 --> 00:27:38,039

wow this is like you know Gandhi or the

729

00:27:42,830 --> 00:27:40,080

Buddha or Jesus I mean when someone has

730

00:27:44,750 --> 00:27:42,840

this much spiritual Insight they they

731

00:27:47,090 --> 00:27:44,760

must be you know like a messiah like

732

00:27:48,710 --> 00:27:47,100

figure and so they they put aside all

733

00:27:50,330 --> 00:27:48,720

their common sense all the discernment

734

00:27:52,789 --> 00:27:50,340

all the red flags that are you know

735

00:27:54,230 --> 00:27:52,799

flaring in front of their their eyes and

736

00:27:56,090 --> 00:27:54,240

they sort of blindly follow these people

737

00:27:57,430 --> 00:27:56,100

making that assumption right that if

738

00:27:59,750 --> 00:27:57,440

they're

739

00:28:01,190 --> 00:27:59,760

possessing penetrating spiritual insight

740

00:28:03,110 --> 00:28:01,200

that they must be advanced in all these

741

00:28:06,049 --> 00:28:03,120

other areas too they must be you know

742

00:28:07,370 --> 00:28:06,059

morally exemplary right and then they

743

00:28:09,289 --> 00:28:07,380

find out that they're sleeping with the

744

00:28:11,390 --> 00:28:09,299

students or they're like you know put

745

00:28:13,070 --> 00:28:11,400

building a fund for you know

746

00:28:14,570 --> 00:28:13,080

impoverished people in Tibet and then

747

00:28:16,490 --> 00:28:14,580

running off to Florida with it you know

748

00:28:18,230 --> 00:28:16,500

some that kind of thing like you hear

749

00:28:19,850 --> 00:28:18,240

these stories over and over again and

750

00:28:21,950 --> 00:28:19,860

you and you just amazes you that people

751

00:28:24,590 --> 00:28:21,960

haven't caught wind of this kind of

752

00:28:26,990 --> 00:28:24,600

scheme yet but it's largely because of

753

00:28:28,430 --> 00:28:27,000

that same error of assuming that if you

754

00:28:30,350 --> 00:28:28,440

have one kind of ability or one kind of

755

00:28:32,090 --> 00:28:30,360

intelligence one kind of capacity that

756

00:28:33,950 --> 00:28:32,100

it means you're advanced in all the

757

00:28:35,450 --> 00:28:33,960

others too and again one of the things

758

00:28:37,010 --> 00:28:35,460

that Ken Wilbur really helped teach me

759

00:28:39,590 --> 00:28:37,020

was that there's different kinds of

760

00:28:42,169 --> 00:28:39,600

intelligence and they they don't

761

00:28:44,330 --> 00:28:42,179

progress equally you know you can be

762

00:28:45,470 --> 00:28:44,340

quite advanced in one and not another so

763

00:28:48,769 --> 00:28:45,480

you could have someone who's like

764

00:28:50,510 --> 00:28:48,779

mathematically excels but their moral

765

00:28:53,149 --> 00:28:50,520

advancement or their interpersonal

766

00:28:56,390 --> 00:28:53,159

intelligence is quite low right we've

767

00:28:57,769 --> 00:28:56,400

met people like this so we should be on

768

00:28:59,269 --> 00:28:57,779

the lookout for this with the alien in

769

00:29:01,070 --> 00:28:59,279

groups and

770

00:29:02,810 --> 00:29:01,080

it's probably just that extension of

771

00:29:04,909 --> 00:29:02,820

that Messiah like they are the other

772

00:29:07,070 --> 00:29:04,919

right the proverbial other and so

773

00:29:09,529 --> 00:29:07,080

they're here to finally Deliver Us of

774

00:29:12,830 --> 00:29:09,539

all our sins and all of our problems

775

00:29:15,110 --> 00:29:12,840

but they're not they're just also

776

00:29:17,330 --> 00:29:15,120

creatures of A Sort that are like you

777

00:29:19,730 --> 00:29:17,340

said on a journey themselves and so we

778

00:29:22,010 --> 00:29:19,740

have to exercise more discernment than

779

00:29:23,630 --> 00:29:22,020

ever I would say because we have a lot

780

00:29:24,950 --> 00:29:23,640

more to be aware of and not just in

781

00:29:26,630 --> 00:29:24,960

terms of what's playing out in the world

782

00:29:28,669 --> 00:29:26,640

but as I've been hinting at more and

783

00:29:30,649 --> 00:29:28,679

more in social media and whatnot being

784

00:29:33,010 --> 00:29:30,659

aware of our psychical environment what

785

00:29:36,470 --> 00:29:33,020

is influencing us psychically

786

00:29:38,029 --> 00:29:36,480

being cognizant of what comes across

787

00:29:41,210 --> 00:29:38,039

your mind and where it comes from and

788

00:29:43,730 --> 00:29:41,220

and the origination of it because when

789

00:29:45,169 --> 00:29:43,740

we really develop a subtle skill in that

790

00:29:47,510 --> 00:29:45,179

area we find that actually there's

791

00:29:49,610 --> 00:29:47,520

thoughts impulses coming in that are not

792

00:29:50,750 --> 00:29:49,620

from us which shouldn't surprise us

793

00:29:52,430 --> 00:29:50,760

because again as we've been talking

794

00:29:55,490 --> 00:29:52,440

about with Consciousness being primary

795

00:29:57,649 --> 00:29:55,500

we are all ultimately connected now no

796

00:29:59,750 --> 00:29:57,659

individuality is an illusion we have

797

00:30:02,570 --> 00:29:59,760

porous boundaries between us and so even

798

00:30:05,630 --> 00:30:02,580

if we think everything's like a walked

799

00:30:08,029 --> 00:30:05,640

tight inside the the cell of my mind no

800

00:30:10,130 --> 00:30:08,039

such thing as the case right so

801
00:30:11,240 --> 00:30:10,140
yeah these uh these are things to keep

802
00:30:11,630 --> 00:30:11,250
in mind and

803
00:30:13,130 --> 00:30:11,640
[Music]

804
00:30:15,409 --> 00:30:13,140
um

805
00:30:17,330 --> 00:30:15,419
it's it's a lot for people to sort of

806
00:30:18,409 --> 00:30:17,340
sort of take on but uh but these are

807
00:30:20,870 --> 00:30:18,419
things people need to be aware of

808
00:30:22,310 --> 00:30:20,880
because these things are not just

809
00:30:24,830 --> 00:30:22,320
science fiction stories is actually

810
00:30:27,230 --> 00:30:24,840
happening okay

811
00:30:29,570 --> 00:30:27,240
well when we talk about tech another

812
00:30:31,850 --> 00:30:29,580
common

813
00:30:33,889 --> 00:30:31,860

you know issue that pops up is this

814

00:30:35,810 --> 00:30:33,899

notion that uh

815

00:30:39,289 --> 00:30:35,820

you know they have this Advanced Tech

816

00:30:40,970 --> 00:30:39,299

how could it possibly uh break down you

817

00:30:43,730 --> 00:30:40,980

know in Earth in Earth's atmosphere

818

00:30:46,610 --> 00:30:43,740

crash uh if it can travel between

819

00:30:48,950 --> 00:30:46,620

galaxies how could it break down I mean

820

00:30:51,850 --> 00:30:48,960

on the face it's a great

821

00:30:54,289 --> 00:30:51,860

a question uh

822

00:30:56,269 --> 00:30:54,299

if it's Superior in every single way

823

00:30:57,769 --> 00:30:56,279

like why would it fall apart when it

824

00:30:59,450 --> 00:30:57,779

gets here it just doesn't make a lot of

825

00:31:01,730 --> 00:30:59,460

sense just did it run out of gas does it

826

00:31:03,230 --> 00:31:01,740

is our atmosphere is not well suited for

827

00:31:05,149 --> 00:31:03,240

it it's just some sort of engineering

828

00:31:07,010 --> 00:31:05,159

thing they didn't plan for uh which

829

00:31:08,090 --> 00:31:07,020

seems a little bit bizarre with all

830

00:31:11,510 --> 00:31:08,100

their amazing Technology and

831

00:31:13,490 --> 00:31:11,520

metamaterial Engineering so uh what's

832

00:31:15,830 --> 00:31:13,500

going on there why why does that one

833

00:31:17,570 --> 00:31:15,840

understand why we come to that

834

00:31:19,549 --> 00:31:17,580

conclusion but why do we think that

835

00:31:21,310 --> 00:31:19,559

there's some validity to it what's at

836

00:31:23,930 --> 00:31:21,320

play there

837

00:31:25,250 --> 00:31:23,940

this one is a complex one partly because

838

00:31:28,130 --> 00:31:25,260

I think

839

00:31:29,690 --> 00:31:28,140

again people like to conflate and and to

840

00:31:32,090 --> 00:31:29,700

simplify things in their mind have less

841

00:31:33,529 --> 00:31:32,100

cognitive load they they tend to group

842

00:31:36,710 --> 00:31:33,539

these all together all these different

843

00:31:39,470 --> 00:31:36,720

crashes slash Landings slash contact

844

00:31:41,090 --> 00:31:39,480

groups and

845

00:31:43,250 --> 00:31:41,100

really you can't do that I think you

846

00:31:45,470 --> 00:31:43,260

have to try to tease out individual

847

00:31:47,090 --> 00:31:45,480

events individual different groups that

848

00:31:49,029 --> 00:31:47,100

have been contacted

849

00:31:52,190 --> 00:31:49,039

I've seen some compelling evidence

850

00:31:53,750 --> 00:31:52,200

around some of the most famous cases

851
00:31:56,810 --> 00:31:53,760
actually being different groups that are

852
00:31:59,570 --> 00:31:56,820
being caught that are in play

853
00:32:01,490 --> 00:31:59,580
and so

854
00:32:03,169 --> 00:32:01,500
one of the ways that people sort of

855
00:32:04,490 --> 00:32:03,179
quickly and I and I went through this

856
00:32:06,169 --> 00:32:04,500
season too and I think you probably did

857
00:32:08,750 --> 00:32:06,179
too I think most of us

858
00:32:10,730 --> 00:32:08,760
on the sort of Consciousness bent

859
00:32:14,210 --> 00:32:10,740
tended to land here right speaking of

860
00:32:16,070 --> 00:32:14,220
landing and that was that these were

861
00:32:17,750 --> 00:32:16,080
just gifting Fields right this was

862
00:32:20,090 --> 00:32:17,760
there's no such thing as alien craft

863
00:32:22,549 --> 00:32:20,100

that crash I mean come on they just

864

00:32:24,350 --> 00:32:22,559

you know they don't have they they can

865

00:32:26,090 --> 00:32:24,360

fly from Alpha Centauri and then just

866

00:32:28,669 --> 00:32:26,100

can't navigate a mountain range you know

867

00:32:32,269 --> 00:32:28,679

like gravity is too much for them really

868

00:32:34,430 --> 00:32:32,279

but so so we we sort of again because we

869

00:32:35,510 --> 00:32:34,440

ascribe to them all these Advanced you

870

00:32:37,610 --> 00:32:35,520

know

871

00:32:39,950 --> 00:32:37,620

um capacities we say they just couldn't

872

00:32:41,690 --> 00:32:39,960

happen it's Preposterous right it's

873

00:32:44,210 --> 00:32:41,700

offensive to even consider such a notion

874

00:32:45,950 --> 00:32:44,220

and only uneducated people would believe

875

00:32:48,649 --> 00:32:45,960

that you know alien craft that came

876

00:32:51,649 --> 00:32:48,659

across the Galaxy could crash upon

877

00:32:57,230 --> 00:32:55,070

now I think what I'm saying is that I

878

00:32:58,730 --> 00:32:57,240

think will offend sort of people on both

879

00:33:02,570 --> 00:32:58,740

sides of the equation because I think

880

00:33:05,450 --> 00:33:02,580

there have been times where some of the

881

00:33:07,549 --> 00:33:05,460

wreckage that's been come across was

882

00:33:09,529 --> 00:33:07,559

planned although I don't think it's

883

00:33:12,649 --> 00:33:09,539

always the case that the beings involved

884

00:33:14,990 --> 00:33:12,659

specifically knew that they were going

885

00:33:16,070 --> 00:33:15,000

to be kind of on a Kamikaze mission of

886

00:33:17,570 --> 00:33:16,080

sorts

887

00:33:18,470 --> 00:33:17,580

but I think that's been part of the

888

00:33:20,149 --> 00:33:18,480

picture

889

00:33:22,970 --> 00:33:20,159

I also think there's times where we

890

00:33:25,430 --> 00:33:22,980

literally have shot them down

891

00:33:26,750 --> 00:33:25,440

even with World War II kind of

892

00:33:28,850 --> 00:33:26,760

technology which I know sound a little

893

00:33:30,529 --> 00:33:28,860

bit will offend some people right we're

894

00:33:33,169 --> 00:33:30,539

talking today about offensive narratives

895

00:33:35,330 --> 00:33:33,179

some people be offended by that notion

896

00:33:38,029 --> 00:33:35,340

again how could you have technology that

897

00:33:40,130 --> 00:33:38,039

still looks so futuristic to us in 2023

898

00:33:43,850 --> 00:33:40,140

that could be shot down by a World War

899

00:33:45,950 --> 00:33:43,860

II Tech I mean come on but that seems to

900

00:33:48,889 --> 00:33:45,960

be what the evidence suggests and even

901
00:33:50,690 --> 00:33:48,899
things like a certain configuration of

902
00:33:54,350 --> 00:33:50,700
radar this has sort of come out in part

903
00:33:56,029 --> 00:33:54,360
of the AI digging of the Treasure Trove

904
00:33:57,950 --> 00:33:56,039
of historical documents from the 20th

905
00:34:01,130 --> 00:33:57,960
century is that it seems to be the case

906
00:34:03,590 --> 00:34:01,140
that a certain kind of craft a kind of

907
00:34:06,230 --> 00:34:03,600
Sentinel craft smaller craft that was

908
00:34:08,869 --> 00:34:06,240
known to be here around the middle part

909
00:34:10,490 --> 00:34:08,879
of the 20th century did get brought down

910
00:34:12,169 --> 00:34:10,500
on numerous occasions because of a

911
00:34:14,210 --> 00:34:12,179
configuration of radar that was Cutting

912
00:34:16,669 --> 00:34:14,220
Edge at the time and this can happen

913
00:34:19,129 --> 00:34:16,679

right because if you think about it if

914

00:34:21,649 --> 00:34:19,139

you for instance are in the digital age

915

00:34:24,050 --> 00:34:21,659

and you're just not planning for so even

916

00:34:26,810 --> 00:34:24,060

like our automobiles today are so

917

00:34:28,369 --> 00:34:26,820

digital right you can't in my dad's age

918

00:34:30,230 --> 00:34:28,379

like he used to you know always like to

919

00:34:33,230 --> 00:34:30,240

go out with his tool set and like fix

920

00:34:34,609 --> 00:34:33,240

his car right or fix his motorbike I

921

00:34:36,589 --> 00:34:34,619

couldn't do that if I wanted to now

922

00:34:37,730 --> 00:34:36,599

because most of it's like digital and

923

00:34:40,070 --> 00:34:37,740

you have to take it to the dealership

924

00:34:42,349 --> 00:34:40,080

and they have to order a part from a

925

00:34:44,690 --> 00:34:42,359

software manufacturer or something right

926

00:34:46,430 --> 00:34:44,700

but the point there is that people who

927

00:34:48,589 --> 00:34:46,440

are making cars now and working on cars

928

00:34:51,950 --> 00:34:48,599

aren't thinking in the mechanical sense

929

00:34:53,629 --> 00:34:51,960

that people were even 30 40 years ago so

930

00:34:55,790 --> 00:34:53,639

the same way a highly Advanced

931

00:34:57,410 --> 00:34:55,800

technological group could come here and

932

00:34:59,030 --> 00:34:57,420

not be prepared for things like radar

933

00:35:00,650 --> 00:34:59,040

which they're probably well beyond right

934

00:35:03,530 --> 00:35:00,660

so and in some ways that could be like

935

00:35:04,550 --> 00:35:03,540

an Achilles heel right uh to them that

936

00:35:06,170 --> 00:35:04,560

kind of thing that they just weren't

937

00:35:07,730 --> 00:35:06,180

prepared for so

938

00:35:09,290 --> 00:35:07,740

and again I'm not saying all of those

939

00:35:11,089 --> 00:35:09,300

this is a key part we're coming from

940

00:35:12,530 --> 00:35:11,099

across the Galaxy too some of them

941

00:35:14,450 --> 00:35:12,540

weren't so that's a big part of it as

942

00:35:16,490 --> 00:35:14,460

well so the assumption that they only

943

00:35:18,650 --> 00:35:16,500

could have been here by coming across

944

00:35:20,450 --> 00:35:18,660

the vast expansive space is also faulty

945

00:35:22,550 --> 00:35:20,460

and also based on an assumption that

946

00:35:24,410 --> 00:35:22,560

I've had to challenge over time to do

947

00:35:26,510 --> 00:35:24,420

with ultra terrestrials which is also

948

00:35:28,790 --> 00:35:26,520

one of the groups here there's numerous

949

00:35:30,470 --> 00:35:28,800

groups some are coming from elsewhere in

950

00:35:32,030 --> 00:35:30,480

our galaxies some are coming from right

951
00:35:33,589 --> 00:35:32,040
around our neighborhood some

952
00:35:36,410 --> 00:35:33,599
interdimensionally again this is where

953
00:35:38,270 --> 00:35:36,420
it gets complex but this is where the

954
00:35:41,750 --> 00:35:38,280
assumptions you come in with get

955
00:35:43,430 --> 00:35:41,760
obliterated by the time you're done yes

956
00:35:46,430 --> 00:35:43,440
this is where it gets complex everybody

957
00:35:48,290 --> 00:35:46,440
for taking notes it's pretty complex

958
00:35:49,430 --> 00:35:48,300
stuff right uh you know it makes me

959
00:35:51,710 --> 00:35:49,440
think about

960
00:35:52,790 --> 00:35:51,720
um I remember when I was a kid you know

961
00:35:56,150 --> 00:35:52,800
you think about different kind of

962
00:35:58,310 --> 00:35:56,160
fantasy scenarios and uh imagining what

963
00:36:00,589 --> 00:35:58,320

if I went back to the Medieval ages and

964

00:36:04,310 --> 00:36:00,599

I had some sort of uh modern day

965

00:36:06,109 --> 00:36:04,320

technology we you know would I be would

966

00:36:08,390 --> 00:36:06,119

would I be a

967

00:36:10,130 --> 00:36:08,400

impervious any kind of damage or you

968

00:36:12,109 --> 00:36:10,140

know what I would I basically be like a

969

00:36:15,050 --> 00:36:12,119

god to those people and not thinking at

970

00:36:17,270 --> 00:36:15,060

all about things like disease or uh you

971

00:36:19,849 --> 00:36:17,280

know some sort of medieval Weaponry I'm

972

00:36:21,470 --> 00:36:19,859

not familiar with or the the terrain at

973

00:36:22,970 --> 00:36:21,480

the time but the Norms of the time

974

00:36:25,190 --> 00:36:22,980

there's so many different things that

975

00:36:27,770 --> 00:36:25,200

would basically trip me up even though I

976
00:36:29,990 --> 00:36:27,780
had some fancy Gizmo that may uh it made

977
00:36:32,089 --> 00:36:30,000
me think like I had the the upper hand

978
00:36:33,170 --> 00:36:32,099
there so I think that's an excellent

979
00:36:35,089 --> 00:36:33,180
point

980
00:36:37,310 --> 00:36:35,099
um you know things happen and you can't

981
00:36:39,710 --> 00:36:37,320
plan for every contingency

982
00:36:42,349 --> 00:36:39,720
um well you know another interesting

983
00:36:46,250 --> 00:36:42,359
facet of this that we come across from

984
00:36:48,730 --> 00:36:46,260
time to time in the literature is uh

985
00:36:53,750 --> 00:36:48,740
this

986
00:36:56,810 --> 00:36:53,760
intermingling of alien encounter with

987
00:36:58,670 --> 00:36:56,820
Paranormal Activity so that would be

988
00:37:01,250 --> 00:36:58,680

things like

989

00:37:04,130 --> 00:37:01,260

you know seeing a deceased loved one

990

00:37:07,190 --> 00:37:04,140

that would be either present with an

991

00:37:10,010 --> 00:37:07,200

alien entity or it would appear before

992

00:37:12,410 --> 00:37:10,020

or not long after an experience with an

993

00:37:13,970 --> 00:37:12,420

alien B and

994

00:37:16,390 --> 00:37:13,980

a lot of folks have a very difficult

995

00:37:19,069 --> 00:37:16,400

time making sense of that there's this

996

00:37:20,870 --> 00:37:19,079

intuitive sense in which and I hear this

997

00:37:22,849 --> 00:37:20,880

all the time that people say you know

998

00:37:24,349 --> 00:37:22,859

these things have to be related they

999

00:37:25,810 --> 00:37:24,359

have to be connected but then that's

1000

00:37:28,430 --> 00:37:25,820

kind of where

1001
00:37:32,450 --> 00:37:28,440
they lose steam they don't understand

1002
00:37:35,390 --> 00:37:32,460
how they possibly could be connected and

1003
00:37:36,950 --> 00:37:35,400
so for and and keep in mind too about

1004
00:37:38,990 --> 00:37:36,960
Hawaii we've been studying all this

1005
00:37:40,490 --> 00:37:39,000
stuff for decades right and we have just

1006
00:37:42,109 --> 00:37:40,500
think of the camps that that we have

1007
00:37:44,690 --> 00:37:42,119
that are devoted to these different

1008
00:37:46,250 --> 00:37:44,700
topics you know we have entire folks

1009
00:37:48,589 --> 00:37:46,260
that are devoted to you know ghost

1010
00:37:50,510 --> 00:37:48,599
hunting and the Paranormal we have other

1011
00:37:52,910 --> 00:37:50,520
camps devoted to bigfoots ask watch

1012
00:37:55,190 --> 00:37:52,920
other camps doing mediumship and then we

1013
00:37:57,410 --> 00:37:55,200

have UFO people one of these very few of

1014

00:37:59,089 --> 00:37:57,420

these camps actually talk with each

1015

00:38:00,650 --> 00:37:59,099

other in fact many of them will look at

1016

00:38:03,109 --> 00:38:00,660

the other one and go you know those

1017

00:38:04,970 --> 00:38:03,119

those ghost people they're uh I don't

1018

00:38:07,010 --> 00:38:04,980

know they're they're kind of crazy you

1019

00:38:09,530 --> 00:38:07,020

know so it's it's fascinating to me the

1020

00:38:12,950 --> 00:38:09,540

things which we choose to hold on to so

1021

00:38:15,170 --> 00:38:12,960

tightly and Elevate at the expense of

1022

00:38:16,550 --> 00:38:15,180

other things even though I think now I

1023

00:38:18,650 --> 00:38:16,560

guess I may mentioned we are at a place

1024

00:38:21,530 --> 00:38:18,660

where many of us intuitively feel that

1025

00:38:24,589 --> 00:38:21,540

there must be some sort of thread which

1026

00:38:27,370 --> 00:38:24,599

which ties all these things together so

1027

00:38:31,310 --> 00:38:27,380

how do you make sense of that these uh

1028

00:38:33,950 --> 00:38:31,320

intermingling kind of uh phenomena

1029

00:38:36,950 --> 00:38:33,960

right I mean I did call my podcast point

1030

00:38:39,290 --> 00:38:36,960

of convergence for a reason and it's

1031

00:38:41,810 --> 00:38:39,300

this very this very what that um it

1032

00:38:44,390 --> 00:38:41,820

wasn't just about the revelation of

1033

00:38:45,710 --> 00:38:44,400

alien intelligence and extraordinary

1034

00:38:48,109 --> 00:38:45,720

craft in our midst but it was about

1035

00:38:49,910 --> 00:38:48,119

things like PSI phenomena you know

1036

00:38:51,410 --> 00:38:49,920

telekinesis how can you move things with

1037

00:38:52,490 --> 00:38:51,420

your mind telepathy how can you

1038

00:38:54,710 --> 00:38:52,500

communicate

1039

00:38:56,750 --> 00:38:54,720

through mental intention alone

1040

00:38:58,370 --> 00:38:56,760

you know precognition how can you know

1041

00:39:01,430 --> 00:38:58,380

about things before they actually happen

1042

00:39:03,230 --> 00:39:01,440

right all of these aspects of of PSI

1043

00:39:05,030 --> 00:39:03,240

phenomena then we have things like

1044

00:39:07,490 --> 00:39:05,040

near-death experiences out of body

1045

00:39:10,609 --> 00:39:07,500

experiences people who have these Vivid

1046

00:39:11,329 --> 00:39:10,619

encounters with you know deceased loved

1047

00:39:13,910 --> 00:39:11,339

ones

1048

00:39:14,990 --> 00:39:13,920

in a realm they consider heaven or

1049

00:39:16,609 --> 00:39:15,000

something like that right when they have

1050

00:39:19,609 --> 00:39:16,619

a near-death experience

1051

00:39:21,589 --> 00:39:19,619

coming across being sometimes even

1052

00:39:23,030 --> 00:39:21,599

that seem like gray aliens so someone

1053

00:39:25,190 --> 00:39:23,040

could have a near-death experience and

1054

00:39:27,170 --> 00:39:25,200

see you know me kind of like your your

1055

00:39:29,030 --> 00:39:27,180

standard Jesus figure in a robe then

1056

00:39:30,650 --> 00:39:29,040

walk across a room and look in and see a

1057

00:39:32,990 --> 00:39:30,660

council of gray aliens sitting around a

1058

00:39:35,150 --> 00:39:33,000

table like literally I've heard about

1059

00:39:37,490 --> 00:39:35,160

near-death experiences like that and you

1060

00:39:38,990 --> 00:39:37,500

have this blending of wait a second I

1061

00:39:41,210 --> 00:39:39,000

thought these were separate topics right

1062

00:39:43,430 --> 00:39:41,220

and to the point that you're making

1063

00:39:46,490 --> 00:39:43,440

historically because each of these

1064

00:39:48,950 --> 00:39:46,500

different fields of study have wanted to

1065

00:39:50,990 --> 00:39:48,960

gain Steam and credibility

1066

00:39:53,329 --> 00:39:51,000

and respect really what it comes down to

1067

00:39:54,950 --> 00:39:53,339

by the scientific mainstream they tend

1068

00:39:57,190 --> 00:39:54,960

to say oh don't worry we're nothing like

1069

00:40:01,670 --> 00:39:57,200

those ufologists right we're into

1070

00:40:04,250 --> 00:40:01,680

studying you know phenomological uh

1071

00:40:05,870 --> 00:40:04,260

credible accounts of deceased beings so

1072

00:40:07,550 --> 00:40:05,880

forget aliens from some other place

1073

00:40:09,050 --> 00:40:07,560

we're talking about human beings that

1074

00:40:09,829 --> 00:40:09,060

carry on in different kind of modality

1075

00:40:12,170 --> 00:40:09,839

right

1076

00:40:13,790 --> 00:40:12,180

and then you get the UFO people who say

1077

00:40:15,109 --> 00:40:13,800

listen we're not going to try and

1078

00:40:16,670 --> 00:40:15,119

pretend that you live after you die

1079

00:40:18,710 --> 00:40:16,680

we're just talking about biological

1080

00:40:20,390 --> 00:40:18,720

beings from Alpha Centauri who happen to

1081

00:40:22,130 --> 00:40:20,400

be here don't worry about those silly

1082

00:40:23,630 --> 00:40:22,140

ghost people right so like you say it

1083

00:40:26,690 --> 00:40:23,640

kind of like they both kind of discredit

1084

00:40:29,210 --> 00:40:26,700

each other and kind of uh will do their

1085

00:40:31,430 --> 00:40:29,220

Darkness to sort of um stay as far apart

1086

00:40:33,710 --> 00:40:31,440

from each other as possible

1087

00:40:36,470 --> 00:40:33,720

yet like you say what all the evidence

1088

00:40:38,750 --> 00:40:36,480

points towards for those who've you know

1089

00:40:40,790 --> 00:40:38,760

been brave enough to Veer across those

1090

00:40:43,250 --> 00:40:40,800

boundaries is that there's there's

1091

00:40:45,410 --> 00:40:43,260

plenty of link up going on and things

1092

00:40:47,170 --> 00:40:45,420

seem to be somehow connected and it

1093

00:40:49,490 --> 00:40:47,180

seems to be as I've said many many times

1094

00:40:51,470 --> 00:40:49,500

pointing to the very fabric of reality

1095

00:40:54,109 --> 00:40:51,480

it's telling us something about

1096

00:40:55,370 --> 00:40:54,119

our understanding of space-time life and

1097

00:40:58,790 --> 00:40:55,380

death all of these things are

1098

00:41:01,130 --> 00:40:58,800

fundamentally flawed at a root level

1099

00:41:03,170 --> 00:41:01,140

so

1100

00:41:05,089 --> 00:41:03,180

that's a key piece I would say that

1101
00:41:06,290 --> 00:41:05,099
that's really the question is how how is

1102
00:41:08,510 --> 00:41:06,300
all of this connected and what is it

1103
00:41:10,670 --> 00:41:08,520
saying about reality but another piece

1104
00:41:13,430 --> 00:41:10,680
specifically on this notion of

1105
00:41:15,170 --> 00:41:13,440
you know times where alien beings

1106
00:41:18,170 --> 00:41:15,180
supposedly alien beings show up with

1107
00:41:20,569 --> 00:41:18,180
deceased loved ones I remember one

1108
00:41:23,870 --> 00:41:20,579
particular uh ufologist

1109
00:41:25,010 --> 00:41:23,880
was angry uh when I said one time that

1110
00:41:26,810 --> 00:41:25,020
this was actually pointing towards

1111
00:41:28,670 --> 00:41:26,820
something about reality

1112
00:41:30,950 --> 00:41:28,680
and their response was no it's just that

1113
00:41:33,470 --> 00:41:30,960

these aliens are malevolent and they

1114

00:41:35,870 --> 00:41:33,480

will just manifest an apparition that

1115

00:41:38,450 --> 00:41:35,880

looks like your Aunt Mary or your

1116

00:41:40,430 --> 00:41:38,460

grandma but it's actually just a ruse to

1117

00:41:42,349 --> 00:41:40,440

put you at ease so they can like you

1118

00:41:43,730 --> 00:41:42,359

know take your sperm or your OVA or

1119

00:41:45,770 --> 00:41:43,740

something right

1120

00:41:47,390 --> 00:41:45,780

and a few thoughts there number one I

1121

00:41:48,950 --> 00:41:47,400

don't but then with a degree of control

1122

00:41:50,510 --> 00:41:48,960

they wield over us they don't have to do

1123

00:41:52,970 --> 00:41:50,520

that they they could just you know put

1124

00:41:54,950 --> 00:41:52,980

me under and do it kind of thing

1125

00:41:56,990 --> 00:41:54,960

um and on top of that

1126
00:41:58,370 --> 00:41:57,000
there are many many many many accounts

1127
00:42:00,410 --> 00:41:58,380
with people who have experiences with

1128
00:42:02,210 --> 00:42:00,420
benevolent others

1129
00:42:04,730 --> 00:42:02,220
and they get the sense that this is part

1130
00:42:07,370 --> 00:42:04,740
of a move to help us change our thinking

1131
00:42:09,290 --> 00:42:07,380
about reality that yes they want us to

1132
00:42:11,210 --> 00:42:09,300
have the experience of seeing that our

1133
00:42:12,230 --> 00:42:11,220
loved ones are not deceased after all

1134
00:42:13,490 --> 00:42:12,240
they're just in a kind of different

1135
00:42:14,750 --> 00:42:13,500
modality

1136
00:42:16,370 --> 00:42:14,760
but

1137
00:42:18,530 --> 00:42:16,380
the whole point of them showing

1138
00:42:21,109 --> 00:42:18,540

themselves to us and them showing our

1139

00:42:23,050 --> 00:42:21,119

deceased loved ones supposedly to us is

1140

00:42:25,370 --> 00:42:23,060

to get us to rethink it's like a

1141

00:42:27,609 --> 00:42:25,380

manifestation of a living breathing

1142

00:42:29,690 --> 00:42:27,619

zenko on right in front of you saying

1143

00:42:32,690 --> 00:42:29,700

what does this do for your thinking

1144

00:42:35,890 --> 00:42:32,700

right it stops it in its tracks

1145

00:42:38,089 --> 00:42:35,900

so absolutely these are all connected

1146

00:42:39,950 --> 00:42:38,099

absolutely I think these are legitimate

1147

00:42:42,890 --> 00:42:39,960

stories when

1148

00:42:45,349 --> 00:42:42,900

um alien beings show up with supposedly

1149

00:42:47,270 --> 00:42:45,359

deceased loved ones which isn't to say

1150

00:42:48,109 --> 00:42:47,280

there aren't some malevolent beings that

1151
00:42:51,770 --> 00:42:48,119
could

1152
00:42:53,750 --> 00:42:51,780
and do sometimes in their shape-shifting

1153
00:42:55,790 --> 00:42:53,760
ability and in their ability to

1154
00:42:57,109 --> 00:42:55,800
through mental intention alone Impact

1155
00:42:59,030 --> 00:42:57,119
Physical ready like I've talked about

1156
00:43:00,410 --> 00:42:59,040
they could do something like that some

1157
00:43:01,730 --> 00:43:00,420
of them could do that this was again

1158
00:43:04,069 --> 00:43:01,740
where

1159
00:43:05,930 --> 00:43:04,079
discernment really matters and I was

1160
00:43:07,250 --> 00:43:05,940
even dialoguing with someone today on

1161
00:43:08,270 --> 00:43:07,260
social media and they were asking and

1162
00:43:10,910 --> 00:43:08,280
they're saying are you talking about

1163
00:43:12,650 --> 00:43:10,920

like our cognitive faculties like our

1164

00:43:15,290 --> 00:43:12,660

ability to sort of reason through this

1165

00:43:17,210 --> 00:43:15,300

and go like really you know hard

1166

00:43:19,250 --> 00:43:17,220

thinking critical thinking like let me

1167

00:43:21,170 --> 00:43:19,260

add up things here and say does this add

1168

00:43:22,910 --> 00:43:21,180

up are they being are they being

1169

00:43:24,230 --> 00:43:22,920

truthful are they being deceitful and

1170

00:43:26,990 --> 00:43:24,240

I'm saying it's not that kind of list

1171

00:43:28,910 --> 00:43:27,000

it's intuitive understanding and so

1172

00:43:30,910 --> 00:43:28,920

intuition is different than conceptual

1173

00:43:33,349 --> 00:43:30,920

knowing right so it's not about

1174

00:43:35,630 --> 00:43:33,359

comparing ideas and saying which one

1175

00:43:37,809 --> 00:43:35,640

feels more true based on evidence

1176

00:43:41,450 --> 00:43:37,819

subjective evidence again that's part of

1177

00:43:44,210 --> 00:43:41,460

the deception of physicalism right that

1178

00:43:45,589 --> 00:43:44,220

that really is a more robust and

1179

00:43:47,690 --> 00:43:45,599

advantageous way to make your way

1180

00:43:49,430 --> 00:43:47,700

through the world actually the truth is

1181

00:43:51,349 --> 00:43:49,440

even for those people who think that

1182

00:43:52,970 --> 00:43:51,359

they think that way when we actually

1183

00:43:54,470 --> 00:43:52,980

study them in a laboratory we find out

1184

00:43:56,329 --> 00:43:54,480

that they're making gut instinct

1185

00:43:58,910 --> 00:43:56,339

decisions in a split second later

1186

00:44:00,589 --> 00:43:58,920

attaching it to some sort of rationale

1187

00:44:02,930 --> 00:44:00,599

and so they convince themselves even

1188

00:44:04,370 --> 00:44:02,940

that they're doing it based on objective

1189

00:44:06,710 --> 00:44:04,380

criteria and really they're not they're

1190

00:44:09,589 --> 00:44:06,720

acting on gut instinct and the problem

1191

00:44:11,690 --> 00:44:09,599

with the physicalism

1192

00:44:14,630 --> 00:44:11,700

um you know move in our culture is that

1193

00:44:17,329 --> 00:44:14,640

it's teaching us not to trust our gut to

1194

00:44:18,950 --> 00:44:17,339

to lose that capacity to have this

1195

00:44:21,050 --> 00:44:18,960

intimate awareness and intimate

1196

00:44:23,930 --> 00:44:21,060

connection relationship with everything

1197

00:44:25,609 --> 00:44:23,940

around us to recognize that that porous

1198

00:44:28,309 --> 00:44:25,619

boundary to everything and everyone

1199

00:44:30,650 --> 00:44:28,319

around us gives us information access to

1200

00:44:33,170 --> 00:44:30,660

information if we would only use it but

1201
00:44:35,270 --> 00:44:33,180
those muscles have become atrophied over

1202
00:44:37,730 --> 00:44:35,280
time because we've been taught that no

1203
00:44:38,750 --> 00:44:37,740
such thing as possible right so these

1204
00:44:39,650 --> 00:44:38,760
are the things to keep in mind and I

1205
00:44:40,970 --> 00:44:39,660
Know It kind of went on a rabbit Trail

1206
00:44:43,309 --> 00:44:40,980
there but my point is that you could

1207
00:44:45,710 --> 00:44:43,319
have malevolent aliens that are actually

1208
00:44:47,390 --> 00:44:45,720
manifesting uh for a thought form that

1209
00:44:49,309 --> 00:44:47,400
looks like your Aunt Mary and you could

1210
00:44:51,170 --> 00:44:49,319
have a benevolent group who really is

1211
00:44:52,609 --> 00:44:51,180
bringing Aunt Mary to you I think both

1212
00:44:55,670 --> 00:44:52,619
are going on both are in the picture

1213
00:44:58,309 --> 00:44:55,680

again part of the complexity

1214

00:45:03,109 --> 00:44:58,319

uh to say the least that's uh that's a

1215

00:45:04,730 --> 00:45:03,119

lot to navigate and um and I think you

1216

00:45:07,730 --> 00:45:04,740

know where you took that is is a good

1217

00:45:10,910 --> 00:45:07,740

place to go because we

1218

00:45:14,150 --> 00:45:10,920

we really want to be able to take some

1219

00:45:15,589 --> 00:45:14,160

of the the principles of our scientific

1220

00:45:18,470 --> 00:45:15,599

understanding and that's kind of this

1221

00:45:20,030 --> 00:45:18,480

notion of reproducibility and we want to

1222

00:45:23,089 --> 00:45:20,040

apply it to all of these different

1223

00:45:25,190 --> 00:45:23,099

experiences and and see if we can you

1224

00:45:26,930 --> 00:45:25,200

know make it happen again like a machine

1225

00:45:28,550 --> 00:45:26,940

if I can build the put the parts in the

1226

00:45:31,730 --> 00:45:28,560

right order in the right configuration I

1227

00:45:33,770 --> 00:45:31,740

can get the same outcome and that's

1228

00:45:36,170 --> 00:45:33,780

whether we realize it or not that's how

1229

00:45:37,790 --> 00:45:36,180

we look at the world now I just need to

1230

00:45:40,010 --> 00:45:37,800

put these things together in this kind

1231

00:45:43,069 --> 00:45:40,020

of fashion and I'm going to get exactly

1232

00:45:46,069 --> 00:45:43,079

the same kind of thing and I think as

1233

00:45:47,990 --> 00:45:46,079

you rightly pointed out that's uh We've

1234

00:45:51,349 --> 00:45:48,000

really confused

1235

00:45:54,410 --> 00:45:51,359

that ability that skill with the way

1236

00:45:56,930 --> 00:45:54,420

reality actually is we even though

1237

00:46:00,050 --> 00:45:56,940

there's some correlation there it it's

1238

00:46:01,910 --> 00:46:00,060

not actually that way and

1239

00:46:03,530 --> 00:46:01,920

um you know I recently had an amazing

1240

00:46:05,690 --> 00:46:03,540

experience which you know I hope to get

1241

00:46:08,089 --> 00:46:05,700

into more details at some point in the

1242

00:46:10,550 --> 00:46:08,099

future but you know I kind of came to

1243

00:46:14,210 --> 00:46:10,560

this realization through that experience

1244

00:46:18,589 --> 00:46:14,220

of what you just talked about that

1245

00:46:21,950 --> 00:46:18,599

um our way of knowing things is uh not

1246

00:46:25,550 --> 00:46:21,960

what we think it is and the way in which

1247

00:46:29,390 --> 00:46:25,560

we know is much more intuitive and more

1248

00:46:32,390 --> 00:46:29,400

connected to kind of a sub-layer a

1249

00:46:35,089 --> 00:46:32,400

perception than what we are cognitively

1250

00:46:37,490 --> 00:46:35,099

present to and it's just that our Co our

1251
00:46:40,430 --> 00:46:37,500
cognitive presence does exactly what you

1252
00:46:43,690 --> 00:46:40,440
described we overlay on top of our our

1253
00:46:46,309 --> 00:46:43,700
intuitive sub-layer perception this

1254
00:46:48,770 --> 00:46:46,319
explanation just so happens that some of

1255
00:46:51,290 --> 00:46:48,780
those explanations have f efficacious

1256
00:46:53,270 --> 00:46:51,300
you know power in the material world

1257
00:46:55,490 --> 00:46:53,280
that we you know we're all familiar with

1258
00:46:58,910 --> 00:46:55,500
but it's not to say that that's actually

1259
00:47:01,609 --> 00:46:58,920
how it works and so this is an important

1260
00:47:03,050 --> 00:47:01,619
concept to keep in mind and I mean like

1261
00:47:05,270 --> 00:47:03,060
you said it's a bit of a rabbit hole

1262
00:47:07,730 --> 00:47:05,280
Chase there but I think a good diversion

1263
00:47:09,829 --> 00:47:07,740

we could do a whole episode on on that

1264

00:47:10,490 --> 00:47:09,839

alone probably

1265

00:47:11,809 --> 00:47:10,500

um

1266

00:47:13,309 --> 00:47:11,819

I don't know do you want to say anything

1267

00:47:15,890 --> 00:47:13,319

else on that before we switch to the

1268

00:47:18,470 --> 00:47:15,900

next uh topic then the next one's one

1269

00:47:20,990 --> 00:47:18,480

that kind of irked me for a while and I

1270

00:47:23,150 --> 00:47:21,000

can't wait to get your take on it let's

1271

00:47:24,650 --> 00:47:23,160

go to it all right well hybrids I'm just

1272

00:47:26,650 --> 00:47:24,660

going to put it out there hybrids we

1273

00:47:29,569 --> 00:47:26,660

hear about hybrids all the time

1274

00:47:31,250 --> 00:47:29,579

uh you know when I have electric cards

1275

00:47:33,170 --> 00:47:31,260

are important part of our of our Energy

1276

00:47:35,890 --> 00:47:33,180

Future you have to put them in the mix

1277

00:47:38,390 --> 00:47:35,900

right you absolutely to reduce emissions

1278

00:47:40,910 --> 00:47:38,400

uh you know I just

1279

00:47:44,329 --> 00:47:40,920

I really struggle with this notion of

1280

00:47:46,490 --> 00:47:44,339

hybrids for various reasons

1281

00:47:48,829 --> 00:47:46,500

um some tied into the benevolent

1282

00:47:50,329 --> 00:47:48,839

benevolent alien concept that we just

1283

00:47:52,609 --> 00:47:50,339

talked about I was kind of more in that

1284

00:47:55,490 --> 00:47:52,619

camp than than the the mixed Camp there

1285

00:47:56,990 --> 00:47:55,500

I couldn't conceive of you know aliens

1286

00:48:00,109 --> 00:47:57,000

things in that word broadly that would

1287

00:48:01,670 --> 00:48:00,119

want to do something like that uh I also

1288

00:48:03,829 --> 00:48:01,680

couldn't understand it because of the

1289

00:48:04,970 --> 00:48:03,839

technology piece another piece we just

1290

00:48:06,589 --> 00:48:04,980

talked about and it'll have this

1291

00:48:08,329 --> 00:48:06,599

technology why do they even have to do

1292

00:48:11,390 --> 00:48:08,339

this like this doesn't make sense to me

1293

00:48:13,730 --> 00:48:11,400

but we're doing genetic engineering and

1294

00:48:16,130 --> 00:48:13,740

I don't have to go around kidnapping

1295

00:48:18,290 --> 00:48:16,140

people you know to do some genetic

1296

00:48:19,970 --> 00:48:18,300

experiments on them necessarily you know

1297

00:48:22,790 --> 00:48:19,980

it just didn't seem like something that

1298

00:48:25,430 --> 00:48:22,800

needed to be done uh and so I'm looking

1299

00:48:28,550 --> 00:48:25,440

at it from the vantage point of

1300

00:48:30,770 --> 00:48:28,560

benevolent aliens you know technological

1301

00:48:31,910 --> 00:48:30,780

means and I'm just saying nope nope you

1302

00:48:35,030 --> 00:48:31,920

know there's no way that this is

1303

00:48:37,309 --> 00:48:35,040

actually a thing uh you know even I

1304

00:48:39,230 --> 00:48:37,319

remember one time early on in doing some

1305

00:48:41,930 --> 00:48:39,240

of the podcasts we had someone come on

1306

00:48:44,930 --> 00:48:41,940

who was just really into the hybrid idea

1307

00:48:46,430 --> 00:48:44,940

and was basically exclaiming on you know

1308

00:48:48,890 --> 00:48:46,440

on the show I don't know it was our show

1309

00:48:50,690 --> 00:48:48,900

some show you know that the hybrids were

1310

00:48:52,430 --> 00:48:50,700

that he was seeing them everywhere you

1311

00:48:54,470 --> 00:48:52,440

know they're that they're out there that

1312

00:48:56,510 --> 00:48:54,480

and I was just kind of going I mean

1313

00:48:58,430 --> 00:48:56,520

really I mean I mean am I just not

1314

00:48:59,690 --> 00:48:58,440

looking at people the same way that this

1315

00:49:02,690 --> 00:48:59,700

guy is looking at people I'm just not

1316

00:49:04,309 --> 00:49:02,700

seeing it right so I I still have to

1317

00:49:05,390 --> 00:49:04,319

admit I still struggle with this to some

1318

00:49:07,430 --> 00:49:05,400

degree

1319

00:49:10,609 --> 00:49:07,440

um but I think in some ways it relates

1320

00:49:12,530 --> 00:49:10,619

to how I think about hybrid just

1321

00:49:15,470 --> 00:49:12,540

generally you know how I'm what my

1322

00:49:17,690 --> 00:49:15,480

expectations might be but uh I don't

1323

00:49:19,849 --> 00:49:17,700

know why why is this one a tough build

1324

00:49:22,670 --> 00:49:19,859

to swallow and I mean what what do you

1325

00:49:24,410 --> 00:49:22,680

feel is compelling about this idea

1326

00:49:27,010 --> 00:49:24,420

well

1327

00:49:30,530 --> 00:49:27,020

Hmm this is a

1328

00:49:33,109 --> 00:49:30,540

tricky one for me uh

1329

00:49:35,030 --> 00:49:33,119

I'll get to why in a minute but so I

1330

00:49:36,890 --> 00:49:35,040

would say going back in time when I

1331

00:49:38,990 --> 00:49:36,900

first heard this notion

1332

00:49:42,650 --> 00:49:39,000

yeah there's there's some aspects of the

1333

00:49:45,710 --> 00:49:42,660

literature that are confounding right

1334

00:49:48,170 --> 00:49:45,720

like like you pointed to if their goal

1335

00:49:50,569 --> 00:49:48,180

was really just to gather genetic

1336

00:49:52,370 --> 00:49:50,579

specimens or to like a scientific

1337

00:49:56,329 --> 00:49:52,380

Expedition kind of thing

1338

00:49:58,670 --> 00:49:56,339

uh or to even engineer hybrid beings

1339

00:50:01,430 --> 00:49:58,680

then you know all you need is a hair

1340

00:50:03,410 --> 00:50:01,440

follicle and you've got the entire you

1341

00:50:05,290 --> 00:50:03,420

know genome right so and we can do that

1342

00:50:09,170 --> 00:50:05,300

with our technology so

1343

00:50:10,790 --> 00:50:09,180

why would this species that's more

1344

00:50:12,770 --> 00:50:10,800

technologically advanced need to do this

1345

00:50:14,630 --> 00:50:12,780

right why they need to not only take

1346

00:50:15,950 --> 00:50:14,640

people from the comfort of their beds

1347

00:50:19,130 --> 00:50:15,960

the middle of the night

1348

00:50:22,190 --> 00:50:19,140

but also like subject them to strange

1349

00:50:25,370 --> 00:50:22,200

sexual kinds of experiments where

1350

00:50:27,109 --> 00:50:25,380

it almost seems like a s m kind of

1351

00:50:29,750 --> 00:50:27,119

session rather than you know a

1352

00:50:32,390 --> 00:50:29,760

scientific Expedition or something and I

1353

00:50:34,370 --> 00:50:32,400

think when I realized over time

1354

00:50:35,510 --> 00:50:34,380

when you try to make sense of that data

1355

00:50:37,550 --> 00:50:35,520

is that

1356

00:50:41,690 --> 00:50:37,560

part of it's because some of them either

1357

00:50:43,790 --> 00:50:41,700

lost this sexual impulse they lost some

1358

00:50:45,730 --> 00:50:43,800

of the animalistic

1359

00:50:48,290 --> 00:50:45,740

um parts of maybe their earlier history

1360

00:50:50,750 --> 00:50:48,300

or they're coming from a civilization

1361

00:50:53,510 --> 00:50:50,760

that never had it and are just truly

1362

00:50:55,490 --> 00:50:53,520

fascinated uh in an anthropological kind

1363

00:50:57,410 --> 00:50:55,500

of way with the way that we do things

1364

00:50:58,849 --> 00:50:57,420

and the way that we reproduce I've

1365

00:51:00,470 --> 00:50:58,859

talked about before I think on our last

1366

00:51:02,390 --> 00:51:00,480

episode I mentioned that

1367

00:51:04,549 --> 00:51:02,400

there's evidence for some of these

1368

00:51:05,770 --> 00:51:04,559

groups seem to Now sort of rely on

1369

00:51:08,990 --> 00:51:05,780

cloning

1370

00:51:11,990 --> 00:51:09,000

to reproduce and

1371

00:51:16,430 --> 00:51:12,000

that has created an Ever more narrow

1372

00:51:20,410 --> 00:51:16,440

genetic pool to draw from and it's

1373

00:51:22,670 --> 00:51:20,420

causing problems and they've also lost

1374

00:51:25,069 --> 00:51:22,680

in that process which is kind of a

1375

00:51:26,690 --> 00:51:25,079

cautionary tale like I said lost the

1376

00:51:28,730 --> 00:51:26,700

ability to just sort of turn on that

1377

00:51:30,890 --> 00:51:28,740

other option right at some point it just

1378

00:51:32,450 --> 00:51:30,900

sort of got bread out of them so there

1379

00:51:34,790 --> 00:51:32,460

seems to be this like strange

1380

00:51:36,589 --> 00:51:34,800

fascination with our sexuality not just

1381

00:51:39,710 --> 00:51:36,599

with our

1382

00:51:41,510 --> 00:51:39,720

biology and our physiology but actually

1383

00:51:43,609 --> 00:51:41,520

with our sexuality and that seems to be

1384

00:51:46,190 --> 00:51:43,619

what's going on here partly

1385

00:51:48,230 --> 00:51:46,200

um and you know again I started to make

1386

00:51:49,970 --> 00:51:48,240

this complex every single time but

1387

00:51:51,230 --> 00:51:49,980

there's also a matter of you know

1388

00:51:52,910 --> 00:51:51,240

there's these there's a spiritual

1389

00:51:55,010 --> 00:51:52,920

element an energetic element to

1390

00:51:56,150 --> 00:51:55,020

sexuality too that we I don't think

1391

00:51:57,770 --> 00:51:56,160

we've ever talked about on this show and

1392

00:52:01,430 --> 00:51:57,780

doesn't get talked about much and the

1393

00:52:03,589 --> 00:52:01,440

UFO phenomenon kind of field but it's a

1394

00:52:06,170 --> 00:52:03,599

strange with in a positive way you could

1395

00:52:08,930 --> 00:52:06,180

have like tantric kind of Technologies

1396

00:52:10,490 --> 00:52:08,940

around sexuality but there's also a sort

1397

00:52:13,609 --> 00:52:10,500

of a negative side of that too you know

1398

00:52:14,569 --> 00:52:13,619

if a black magic side to

1399

00:52:16,849 --> 00:52:14,579

um

1400

00:52:18,770 --> 00:52:16,859

sexuality and how it can be used as kind

1401
00:52:21,710 --> 00:52:18,780
of a power play and an exchange of

1402
00:52:23,930 --> 00:52:21,720
energetic uh information and energetic

1403
00:52:25,190 --> 00:52:23,940
impulse so people need to realize again

1404
00:52:26,770 --> 00:52:25,200
if we're talking about Consciousness

1405
00:52:29,990 --> 00:52:26,780
being primary if we're talking about

1406
00:52:32,210 --> 00:52:30,000
these energetic impulses then sexuality

1407
00:52:34,150 --> 00:52:32,220
is one of the strongest communicators

1408
00:52:36,650 --> 00:52:34,160
and transmission

1409
00:52:38,930 --> 00:52:36,660
methodologies for that kind of energetic

1410
00:52:40,549 --> 00:52:38,940
transmission and so some of these others

1411
00:52:42,170 --> 00:52:40,559
are very very interested in that for

1412
00:52:46,130 --> 00:52:42,180
that very reason so it's still a kind of

1413
00:52:46,970 --> 00:52:46,140

technology so all this is in play

1414

00:52:48,770 --> 00:52:46,980

um

1415

00:52:50,690 --> 00:52:48,780

now getting back to more of our original

1416

00:52:52,970 --> 00:52:50,700

question around hybrid so once you get

1417

00:52:54,890 --> 00:52:52,980

past all that

1418

00:52:57,349 --> 00:52:54,900

I think I've also talked on the show I

1419

00:52:59,329 --> 00:52:57,359

know I have about the templating thing

1420

00:53:01,430 --> 00:52:59,339

right the notion that there seems to

1421

00:53:04,010 --> 00:53:01,440

have been evidence for

1422

00:53:06,829 --> 00:53:04,020

a kind of seeding of a base template of

1423

00:53:08,450 --> 00:53:06,839

a kind of humanoid form across this arm

1424

00:53:11,150 --> 00:53:08,460

of our galaxy kind of thing by a

1425

00:53:12,470 --> 00:53:11,160

civilization in ancient history that

1426

00:53:14,290 --> 00:53:12,480

might have moved on by now or might have

1427

00:53:17,089 --> 00:53:14,300

moved on to a different sort of

1428

00:53:19,250 --> 00:53:17,099

post-biological form altogether

1429

00:53:21,410 --> 00:53:19,260

but that partly allows for some of the

1430

00:53:23,270 --> 00:53:21,420

genetic compatibility that allows for

1431

00:53:24,770 --> 00:53:23,280

some of the cross breeding that happens

1432

00:53:26,450 --> 00:53:24,780

right so that answers that question to

1433

00:53:29,150 --> 00:53:26,460

some degree

1434

00:53:31,370 --> 00:53:29,160

also I would say as I pointed out on my

1435

00:53:33,410 --> 00:53:31,380

most recent POC episode

1436

00:53:35,569 --> 00:53:33,420

I think hybridization and genetic

1437

00:53:37,730 --> 00:53:35,579

experimentation is fundamental to the

1438

00:53:39,530 --> 00:53:37,740

UFO phenomenon it's not some sort of

1439

00:53:41,390 --> 00:53:39,540

thing going off on the sidelines for one

1440

00:53:43,010 --> 00:53:41,400

group out of many but it's pretty

1441

00:53:46,430 --> 00:53:43,020

Central to what's going on

1442

00:53:48,530 --> 00:53:46,440

and that that hybrids to varying degrees

1443

00:53:50,569 --> 00:53:48,540

of hybridization meaning there are some

1444

00:53:52,790 --> 00:53:50,579

that are have higher human components

1445

00:53:54,770 --> 00:53:52,800

than others right and some that have

1446

00:53:56,630 --> 00:53:54,780

combination of multiple kind of beings

1447

00:53:58,069 --> 00:53:56,640

and there's definitely seems to be

1448

00:54:00,470 --> 00:53:58,079

certain groups of graves that are

1449

00:54:02,990 --> 00:54:00,480

fascinated with

1450

00:54:06,170 --> 00:54:03,000

um with just experimenting in this kind

1451
00:54:09,470 --> 00:54:06,180
of Realm they just like to see what kind

1452
00:54:10,430 --> 00:54:09,480
of uh forms and and structures are

1453
00:54:13,069 --> 00:54:10,440
developed with this kind of

1454
00:54:15,049 --> 00:54:13,079
interbreeding that goes on and you know

1455
00:54:17,990 --> 00:54:15,059
I talked about this story uh from this

1456
00:54:20,809 --> 00:54:18,000
book Rachel's eyes was with about a a

1457
00:54:22,790 --> 00:54:20,819
hybrid that had a combination of alien

1458
00:54:25,130 --> 00:54:22,800
structure along with you know the

1459
00:54:27,829 --> 00:54:25,140
combination of several different human

1460
00:54:30,109 --> 00:54:27,839
beings from Earth also added to her

1461
00:54:31,790 --> 00:54:30,119
genetic background

1462
00:54:33,410 --> 00:54:31,800
um and while she was you know growing in

1463
00:54:34,730 --> 00:54:33,420

a kind of aquarium like structure in a

1464

00:54:37,730 --> 00:54:34,740

different planet and brought here later

1465

00:54:39,829 --> 00:54:37,740

on so I think all this is going on and

1466

00:54:41,710 --> 00:54:39,839

as I say that I'm very aware that three

1467

00:54:43,849 --> 00:54:41,720

years ago I would have been a little bit

1468

00:54:45,349 --> 00:54:43,859

surprised to hear myself say that I

1469

00:54:46,730 --> 00:54:45,359

think you would have said I would have

1470

00:54:48,829 --> 00:54:46,740

said I've been abducted and they're just

1471

00:54:50,690 --> 00:54:48,839

like making my voice sound this way I

1472

00:54:51,950 --> 00:54:50,700

couldn't be saying things like that and

1473

00:54:54,530 --> 00:54:51,960

yet I am

1474

00:54:57,829 --> 00:54:54,540

and lastly let me finish off with the

1475

00:54:59,750 --> 00:54:57,839

the the real kicker is that I've met

1476
00:55:01,970 --> 00:54:59,760
people personally that I have no doubt

1477
00:55:05,270 --> 00:55:01,980
are hybrids so

1478
00:55:08,630 --> 00:55:05,280
I've seen capabilities that

1479
00:55:11,150 --> 00:55:08,640
are not just next level in terms of side

1480
00:55:13,130 --> 00:55:11,160
capacity and things like that but the

1481
00:55:16,130 --> 00:55:13,140
ability to see across time the ability

1482
00:55:18,170 --> 00:55:16,140
to be connected in with

1483
00:55:19,210 --> 00:55:18,180
all sentient life in a kind of grid

1484
00:55:21,470 --> 00:55:19,220
system

1485
00:55:23,690 --> 00:55:21,480
that is something that we see the

1486
00:55:26,150 --> 00:55:23,700
potential for in most human beings like

1487
00:55:28,130 --> 00:55:26,160
we see little seedings seedlings of a

1488
00:55:30,530 --> 00:55:28,140

possibility there we're all psychic to

1489

00:55:32,690 --> 00:55:30,540

some degree but I've seen examples of

1490

00:55:35,510 --> 00:55:32,700

people that because of their hybrid

1491

00:55:38,030 --> 00:55:35,520

nature have this to the nth degree that

1492

00:55:40,130 --> 00:55:38,040

they can be connected into the whole and

1493

00:55:42,410 --> 00:55:40,140

sometimes operate more from that in

1494

00:55:44,150 --> 00:55:42,420

terms of their sense of self with a

1495

00:55:47,450 --> 00:55:44,160

capital S than they do as an individual

1496

00:55:49,370 --> 00:55:47,460

like the rest of us do okay

1497

00:55:52,670 --> 00:55:49,380

that's powerful stuff

1498

00:55:54,470 --> 00:55:52,680

um and I think as you pointed out is

1499

00:55:55,309 --> 00:55:54,480

pretty difficult to swallow for a lot of

1500

00:55:58,130 --> 00:55:55,319

people

1501
00:56:01,250 --> 00:55:58,140
um and that's okay uh you know it's a

1502
00:56:03,470 --> 00:56:01,260
very complicated idea and if we take

1503
00:56:05,329 --> 00:56:03,480
even the biology out of it just the

1504
00:56:06,650 --> 00:56:05,339
facet of it that you touched on that I

1505
00:56:10,250 --> 00:56:06,660
particularly like

1506
00:56:13,130 --> 00:56:10,260
that there's a kind of almost like a

1507
00:56:16,490 --> 00:56:13,140
a spiritual hybridization of our own

1508
00:56:19,309 --> 00:56:16,500
identity uh at play as well and that's

1509
00:56:22,210 --> 00:56:19,319
something that I think we've touched on

1510
00:56:25,910 --> 00:56:22,220
a little bit but if you

1511
00:56:28,670 --> 00:56:25,920
if you come away from some of the uh

1512
00:56:29,930 --> 00:56:28,680
past life experience the near-death

1513
00:56:31,910 --> 00:56:29,940

experience Out of Body Experience

1514

00:56:34,910 --> 00:56:31,920

literature and as well as some of the

1515

00:56:38,510 --> 00:56:34,920

experimenter accounts there there is a

1516

00:56:40,609 --> 00:56:38,520

recurring theme that who you are who you

1517

00:56:43,430 --> 00:56:40,619

think of yourself as who you are isn't

1518

00:56:46,730 --> 00:56:43,440

who all that you are you're kind of an

1519

00:56:49,549 --> 00:56:46,740

amalgamation of different uh

1520

00:56:51,230 --> 00:56:49,559

personalities and and uh and energies

1521

00:56:55,250 --> 00:56:51,240

and beings that

1522

00:56:57,410 --> 00:56:55,260

have preceded you and will will follow

1523

00:57:00,170 --> 00:56:57,420

you and and this notion of time is sort

1524

00:57:03,230 --> 00:57:00,180

of fuzzy too right that it's not just

1525

00:57:04,790 --> 00:57:03,240

this linear kind of uh lineage right

1526

00:57:06,250 --> 00:57:04,800

that it's

1527

00:57:10,609 --> 00:57:06,260

um an active

1528

00:57:13,490 --> 00:57:10,619

interplay of identities just happen to

1529

00:57:16,730 --> 00:57:13,500

be localized in what you consider

1530

00:57:19,190 --> 00:57:16,740

yourself to be at this moment uh that

1531

00:57:23,630 --> 00:57:19,200

you can reach back and forward into

1532

00:57:27,950 --> 00:57:23,640

those different uh sort of incarnated uh

1533

00:57:30,349 --> 00:57:27,960

identities and claim aspects of them uh

1534

00:57:31,849 --> 00:57:30,359

or tap into them or remember them maybe

1535

00:57:34,490 --> 00:57:31,859

as a different way of thinking about it

1536

00:57:38,329 --> 00:57:34,500

in in an odd way remembering what what

1537

00:57:42,049 --> 00:57:38,339

they are and embody that in who you

1538

00:57:44,750 --> 00:57:42,059

manifest to be in this world in this

1539

00:57:46,849 --> 00:57:44,760

experience Incarnation so it's uh

1540

00:57:49,250 --> 00:57:46,859

there's a lot at work there Beyond just

1541

00:57:51,290 --> 00:57:49,260

the pure biology of it all and the

1542

00:57:55,309 --> 00:57:51,300

biology is probably in many ways maybe

1543

00:57:57,470 --> 00:57:55,319

the easiest aspect of it too to grasp

1544

00:58:00,049 --> 00:57:57,480

yeah I think another piece really

1545

00:58:01,309 --> 00:58:00,059

quickly that that I I finished on on POC

1546

00:58:03,049 --> 00:58:01,319

was that

1547

00:58:05,150 --> 00:58:03,059

we have to remember that all the

1548

00:58:07,790 --> 00:58:05,160

evidence seems to suggest that

1549

00:58:10,010 --> 00:58:07,800

who we are today is is already because

1550

00:58:11,329 --> 00:58:10,020

of genetic augmentation and

1551

00:58:13,010 --> 00:58:11,339

experimentation that happened in our

1552

00:58:15,109 --> 00:58:13,020

deep history tens and tens of thousands

1553

00:58:16,730 --> 00:58:15,119

of years ago that there seems to have

1554

00:58:19,190 --> 00:58:16,740

been this leap in our genetic history

1555

00:58:21,770 --> 00:58:19,200

where we suddenly became the dominant

1556

00:58:24,349 --> 00:58:21,780

Alpha species on the planet

1557

00:58:25,609 --> 00:58:24,359

in a way that didn't really fit with the

1558

00:58:27,049 --> 00:58:25,619

pace that had been happening up until

1559

00:58:29,150 --> 00:58:27,059

then right and so if if they're

1560

00:58:31,370 --> 00:58:29,160

supposedly these are naturalistic

1561

00:58:33,710 --> 00:58:31,380

processes through the process of natural

1562

00:58:35,809 --> 00:58:33,720

selection and evolution then you should

1563

00:58:38,569 --> 00:58:35,819

see a certain you know Pace to the whole

1564

00:58:40,430 --> 00:58:38,579

thing and it should be predictable right

1565

00:58:42,109 --> 00:58:40,440

and yet we have this one period where

1566

00:58:45,890 --> 00:58:42,119

there was just a sudden leap in our

1567

00:58:47,030 --> 00:58:45,900

capacity and so not only do we see it in

1568

00:58:49,250 --> 00:58:47,040

these sort of

1569

00:58:51,589 --> 00:58:49,260

deep genetic history of our species in

1570

00:58:53,809 --> 00:58:51,599

the anthropological history of our

1571

00:58:55,309 --> 00:58:53,819

species but again all of the

1572

00:58:58,130 --> 00:58:55,319

experiential literature seems to point

1573

00:58:59,750 --> 00:58:58,140

towards sure enough we are an engineered

1574

00:59:02,270 --> 00:58:59,760

species to some degree we always have

1575

00:59:04,970 --> 00:59:02,280

been but there was a major upgrade so to

1576

00:59:06,650 --> 00:59:04,980

speaking that happened you know tens and

1577

00:59:09,289 --> 00:59:06,660

tens of thousands of years ago that

1578

00:59:11,569 --> 00:59:09,299

really launched the modern homo sapien

1579

00:59:13,370 --> 00:59:11,579

sapien and

1580

00:59:15,650 --> 00:59:13,380

um and let me just say that I think part

1581

00:59:18,289 --> 00:59:15,660

of what's going on right now even as we

1582

00:59:20,809 --> 00:59:18,299

speaking is an upgrading and augmentation

1583

00:59:23,270 --> 00:59:20,819

of capacities for people around the

1584

00:59:25,430 --> 00:59:23,280

planet again I think the number of

1585

00:59:27,349 --> 00:59:25,440

people that have had some sort of even

1586

00:59:28,670 --> 00:59:27,359

recent tweaking meaning in their genetic

1587

00:59:30,710 --> 00:59:28,680

line over the last several Generations

1588

00:59:33,170 --> 00:59:30,720

is a much larger percentage than most

1589

00:59:36,890 --> 00:59:33,180

people realize and for some people it's

1590

00:59:39,289 --> 00:59:36,900

happening at an increasing Pace there

1591

00:59:41,690 --> 00:59:39,299

seems to be an urgency which suggests

1592

00:59:44,750 --> 00:59:41,700

something is coming and this is part of

1593

00:59:46,789 --> 00:59:44,760

a move towards that good

1594

00:59:49,670 --> 00:59:46,799

well I could use an upgrade so hopefully

1595

00:59:52,069 --> 00:59:49,680

uh whoever's playing right yeah please

1596

00:59:53,809 --> 00:59:52,079

put in a good word for me

1597

00:59:58,069 --> 00:59:53,819

um all right the next couple that we're

1598

01:00:01,670 --> 00:59:58,079

going to touch on are tied into uh some

1599

01:00:03,230 --> 01:00:01,680

of the kind of control ideas and and one

1600

01:00:05,870 --> 01:00:03,240

is um

1601

01:00:08,450 --> 01:00:05,880

I think in the last couple of years got

1602

01:00:09,950 --> 01:00:08,460

touched on from and I I can't remember

1603

01:00:12,230 --> 01:00:09,960

the gentleman's name

1604

01:00:14,930 --> 01:00:12,240

but uh it used to be part of the Israeli

1605

01:00:16,490 --> 01:00:14,940

space program and there was this uh sort

1606

01:00:18,829 --> 01:00:16,500

of news article that had been written

1607

01:00:21,410 --> 01:00:18,839

that he had said something the effect of

1608

01:00:25,190 --> 01:00:21,420

uh you know the Americans know and yada

1609

01:00:27,010 --> 01:00:25,200

yada but uh the Galactic Federation or

1610

01:00:29,630 --> 01:00:27,020

Council forget the phrasing that he used

1611

01:00:31,309 --> 01:00:29,640

uh just I just decided that it's just

1612

01:00:33,289 --> 01:00:31,319

we're just not ready yet we're not ready

1613

01:00:35,569 --> 01:00:33,299

to kind of for the truth to be revealed

1614

01:00:37,670 --> 01:00:35,579

so it's just gonna we're gonna put a lid

1615

01:00:40,010 --> 01:00:37,680

on that for a little bit longer and I

1616

01:00:41,870 --> 01:00:40,020

mean that was one of those sound bites

1617

01:00:44,510 --> 01:00:41,880

that you know you come across and just

1618

01:00:46,250 --> 01:00:44,520

like wow that's that guy's he's an older

1619

01:00:48,470 --> 01:00:46,260

person okay so he's just not all there

1620

01:00:51,650 --> 01:00:48,480

so I can I can totally toss that out the

1621

01:00:53,750 --> 01:00:51,660

window that seems a little bit Bonkers

1622

01:00:55,910 --> 01:00:53,760

um but uh

1623

01:00:58,250 --> 01:00:55,920

you know there's also a lot of affinity

1624

01:01:01,370 --> 01:00:58,260

for the idea right so in our popular

1625

01:01:03,770 --> 01:01:01,380

culture we have a lot of uh affinity for

1626

01:01:06,170 --> 01:01:03,780

that notion I'm thinking here of Star

1627

01:01:09,109 --> 01:01:06,180

Trek and Star Wars they're they're

1628

01:01:12,710 --> 01:01:09,119

plenty of examples in those uh universes

1629

01:01:14,450 --> 01:01:12,720

uh you know where different beings are

1630

01:01:16,130 --> 01:01:14,460

gathering together and they're trying to

1631

01:01:19,069 --> 01:01:16,140

make decisions together reach a

1632

01:01:22,069 --> 01:01:19,079

consensus uh and how that how they

1633

01:01:24,109 --> 01:01:22,079

operate in you know collectively

1634

01:01:26,930 --> 01:01:24,119

um and we in some ways kind of

1635

01:01:29,990 --> 01:01:26,940

romanticize that idea uh of

1636

01:01:32,270 --> 01:01:30,000

collaboration and it's something we we

1637

01:01:34,010 --> 01:01:32,280

look at that even as almost like not

1638

01:01:36,170 --> 01:01:34,020

just are they aliens but the concept

1639

01:01:38,450 --> 01:01:36,180

itself feels alien to us oh you can get

1640

01:01:39,770 --> 01:01:38,460

around a table and you can you can kind

1641

01:01:41,089 --> 01:01:39,780

of put aside your differences and

1642

01:01:42,890 --> 01:01:41,099

somehow come to a conclusion about

1643

01:01:45,410 --> 01:01:42,900

something and even though you're all

1644

01:01:46,250 --> 01:01:45,420

really different you can get along I

1645

01:01:48,289 --> 01:01:46,260

mean that seems like something

1646

01:01:50,390 --> 01:01:48,299

impossible that we have a difficult time

1647

01:01:52,010 --> 01:01:50,400

doing we have our United Nations of

1648

01:01:55,010 --> 01:01:52,020

course but I mean we're certainly not

1649

01:01:57,829 --> 01:01:55,020

aligned there and every facet of how

1650

01:02:00,410 --> 01:01:57,839

we're doing things and so you know it's

1651

01:02:02,870 --> 01:02:00,420

uh it's a it's a nice idea but I think

1652

01:02:04,370 --> 01:02:02,880

also just feels to sci-fi for a lot of

1653

01:02:06,410 --> 01:02:04,380

folks to go well you know there's some

1654

01:02:07,730 --> 01:02:06,420

truth to that so I don't know what do

1655

01:02:11,150 --> 01:02:07,740

you think about that I'm kind of neutral

1656

01:02:13,130 --> 01:02:11,160

on it I like it I uh I'm also not not

1657

01:02:14,630 --> 01:02:13,140

sure um but is there some good evidence

1658

01:02:16,490 --> 01:02:14,640

for that

1659

01:02:19,190 --> 01:02:16,500

so that's another one where I would say

1660

01:02:21,829 --> 01:02:19,200

to my shock and again my five-year-old

1661

01:02:23,690 --> 01:02:21,839

or my five years ago version of myself

1662

01:02:26,210 --> 01:02:23,700

would have been convinced you can you

1663

01:02:27,829 --> 01:02:26,220

kidnap me and using AI to reproduce my

1664

01:02:29,990 --> 01:02:27,839

voice at this point

1665

01:02:32,150 --> 01:02:30,000

um because yeah I think there's there's

1666

01:02:34,190 --> 01:02:32,160

absolutely evidence for this and I'm I'm

1667

01:02:36,589 --> 01:02:34,200

convinced that such a thing exists such

1668

01:02:38,510 --> 01:02:36,599

an organization and that it is a

1669

01:02:40,250 --> 01:02:38,520

controlling structure behind our reality

1670

01:02:41,930 --> 01:02:40,260

as we speak which again would be

1671

01:02:44,390 --> 01:02:41,940

something I would not have said a few

1672

01:02:46,309 --> 01:02:44,400

years ago I like you I think this is one

1673

01:02:48,710 --> 01:02:46,319

of the Notions that was the most

1674

01:02:51,370 --> 01:02:48,720

difficult for me to embrace because it

1675

01:02:54,950 --> 01:02:51,380

just sounds far too convenient far too

1676

01:02:56,809 --> 01:02:54,960

idealistic you know kind of utopian like

1677

01:02:58,490 --> 01:02:56,819

the Federation of planets you know like

1678

01:02:59,750 --> 01:02:58,500

you said Star Trek

1679

01:03:02,030 --> 01:02:59,760

um where these different civilizations

1680

01:03:04,069 --> 01:03:02,040

come together and I'm sure you have the

1681

01:03:06,170 --> 01:03:04,079

outliers like the Klingons right or the

1682

01:03:07,730 --> 01:03:06,180

romulans who are kind of ineffable

1683

01:03:10,789 --> 01:03:07,740

makers but they'll eventually come into

1684

01:03:12,650 --> 01:03:10,799

the mix too and you know we begin by

1685

01:03:14,329 --> 01:03:12,660

having a few of them on our board or

1686

01:03:17,030 --> 01:03:14,339

Starcraft too

1687

01:03:19,069 --> 01:03:17,040

um but uh

1688

01:03:20,630 --> 01:03:19,079

yes I think we can go back and forth a

1689

01:03:23,809 --> 01:03:20,640

bit on this one because

1690

01:03:25,430 --> 01:03:23,819

it is in play but it's also not in play

1691

01:03:27,470 --> 01:03:25,440

in the way that some people think it is

1692

01:03:29,089 --> 01:03:27,480

and I think that there's ways that it

1693

01:03:32,089 --> 01:03:29,099

mirrors the kind of Star Trek notion and

1694

01:03:34,190 --> 01:03:32,099

ways that it actually diverges from that

1695

01:03:36,950 --> 01:03:34,200

notion quite a bit and people sometimes

1696

01:03:40,190 --> 01:03:36,960

make the mistake of attaching their

1697

01:03:42,289 --> 01:03:40,200

assumptions based on sci-fi to the

1698

01:03:43,789 --> 01:03:42,299

reality and and then they're not sure

1699

01:03:46,250 --> 01:03:43,799

what to make sense of the reality but

1700

01:03:48,890 --> 01:03:46,260

because what I'm saying is I think the

1701

01:03:50,630 --> 01:03:48,900

discrepancy comes in how our assumptions

1702

01:03:53,089 --> 01:03:50,640

line up with reality not with the way

1703

01:03:54,069 --> 01:03:53,099

that the galactic federations

1704

01:03:58,069 --> 01:03:54,079

um

1705

01:04:01,250 --> 01:03:58,079

actual structure and modus operandi play

1706

01:04:03,230 --> 01:04:01,260

into the data that we see so

1707

01:04:06,289 --> 01:04:03,240

yes I think it's absolutely part of the

1708

01:04:09,410 --> 01:04:06,299

picture I think that the reason why you

1709

01:04:12,710 --> 01:04:09,420

see uh you know as as Hermes hermetic

1710

01:04:14,030 --> 01:04:12,720

penetrator would say you definitely see

1711

01:04:15,589 --> 01:04:14,040

um

1712

01:04:17,329 --> 01:04:15,599

what looks like some coordination that

1713

01:04:20,089 --> 01:04:17,339

even if there are different alien groups

1714

01:04:22,010 --> 01:04:20,099

there seems to be some sort of

1715

01:04:24,230 --> 01:04:22,020

set of guidelines that tend to be

1716

01:04:26,390 --> 01:04:24,240

followed right like that you don't you

1717

01:04:28,130 --> 01:04:26,400

don't land in Central Park and throw a

1718

01:04:30,589 --> 01:04:28,140

party you know and say hey this you know

1719

01:04:32,089 --> 01:04:30,599

we're here right you do things on the

1720

01:04:33,829 --> 01:04:32,099

down low

1721

01:04:35,870 --> 01:04:33,839

um you you do things in such a way that

1722

01:04:36,770 --> 01:04:35,880

it it for those who are Skeptics who

1723

01:04:38,450 --> 01:04:36,780

don't believe the whole thing is

1724

01:04:40,010 --> 01:04:38,460

happening they can continue to believe

1725

01:04:41,510 --> 01:04:40,020

that without being confronted by

1726

01:04:43,609 --> 01:04:41,520

evidence that tells them something

1727

01:04:46,970 --> 01:04:43,619

contrary

1728

01:04:48,289 --> 01:04:46,980

so there is this overarching structure

1729

01:04:49,609 --> 01:04:48,299

there are principles that are being

1730

01:04:51,349 --> 01:04:49,619

followed something like the prime

1731

01:04:53,089 --> 01:04:51,359

directive on Star Trek where there is

1732

01:04:54,289 --> 01:04:53,099

this notion that in order for our

1733

01:04:56,150 --> 01:04:54,299

civilization which from their

1734

01:04:58,789 --> 01:04:56,160

perspective is fairly young and immature

1735

01:05:00,890 --> 01:04:58,799

still has nation-states and imaginary

1736

01:05:02,930 --> 01:05:00,900

borders and not a sharing of resources

1737

01:05:05,089 --> 01:05:02,940

and things like that still have power

1738

01:05:07,069 --> 01:05:05,099

players that are dominating a kind of

1739

01:05:08,569 --> 01:05:07,079

sheep-like populace that are oblivious

1740

01:05:09,890 --> 01:05:08,579

but these are all very like low

1741

01:05:11,870 --> 01:05:09,900

Consciousness level kind of

1742

01:05:16,549 --> 01:05:11,880

civilizational

1743

01:05:19,549 --> 01:05:16,559

um kind of some signposts or Flags

1744

01:05:22,250 --> 01:05:19,559

but all that is to say in the same way

1745

01:05:25,490 --> 01:05:22,260

that we

1746

01:05:27,950 --> 01:05:25,500

have to figure out how do we live our

1747

01:05:30,250 --> 01:05:27,960

lives how do we develop our cities while

1748

01:05:33,589 --> 01:05:30,260

also allowing space for animals to live

1749

01:05:34,910 --> 01:05:33,599

for Amazonian tribes who maybe don't

1750

01:05:36,530 --> 01:05:34,920

want to be confronted by the modern

1751
01:05:38,510 --> 01:05:36,540
world to live the way they would want to

1752
01:05:39,890 --> 01:05:38,520
live right we have to sort of balance in

1753
01:05:42,470 --> 01:05:39,900
other words these different free Wells

1754
01:05:45,170 --> 01:05:42,480
we Free Will sets of different groups

1755
01:05:47,150 --> 01:05:45,180
that are coexisting on a planet right

1756
01:05:50,329 --> 01:05:47,160
in the same way I think the galactical

1757
01:05:52,549 --> 01:05:50,339
or the galactic superstructure

1758
01:05:53,690 --> 01:05:52,559
uh organizational structure has to do

1759
01:05:55,309 --> 01:05:53,700
some of the same thing but in a much

1760
01:05:58,250 --> 01:05:55,319
more complex level they have to try to

1761
01:06:00,410 --> 01:05:58,260
balance the Free Will exercise and

1762
01:06:01,789 --> 01:06:00,420
constraints on in terms of how it

1763
01:06:04,250 --> 01:06:01,799

impacts other beings and other

1764

01:06:06,289 --> 01:06:04,260

civilizations across a Galaxy not just

1765

01:06:08,329 --> 01:06:06,299

across a planet

1766

01:06:10,609 --> 01:06:08,339

so that creates some scenarios where

1767

01:06:12,410 --> 01:06:10,619

some things that are allowed

1768

01:06:14,710 --> 01:06:12,420

might surprise some people so even

1769

01:06:17,450 --> 01:06:14,720

though there is a largely benevolent

1770

01:06:20,510 --> 01:06:17,460

overarching organizational structure

1771

01:06:22,609 --> 01:06:20,520

they still allow for subgroups of for

1772

01:06:24,430 --> 01:06:22,619

instance one group of graves to make

1773

01:06:27,529 --> 01:06:24,440

Accords with some

1774

01:06:28,849 --> 01:06:27,539

governments that are not necessarily in

1775

01:06:30,470 --> 01:06:28,859

the best interest of the citizens and

1776

01:06:32,329 --> 01:06:30,480

again the reason they don't step in some

1777

01:06:33,829 --> 01:06:32,339

of these more benevolent ones that are

1778

01:06:35,510 --> 01:06:33,839

also part of this overarching structure

1779

01:06:37,910 --> 01:06:35,520

is because

1780

01:06:39,829 --> 01:06:37,920

number one like you said earlier those

1781

01:06:42,470 --> 01:06:39,839

Graves that are kind of still Power

1782

01:06:44,390 --> 01:06:42,480

Players need to learn their own lessons

1783

01:06:45,410 --> 01:06:44,400

about what happens when you do that and

1784

01:06:47,029 --> 01:06:45,420

eventually

1785

01:06:48,589 --> 01:06:47,039

again according to the law of one you

1786

01:06:49,849 --> 01:06:48,599

eventually recognize that everything is

1787

01:06:52,370 --> 01:06:49,859

connected and it's in your own best

1788

01:06:53,990 --> 01:06:52,380

interest to not dominate others

1789

01:06:55,190 --> 01:06:54,000

but you can't just tell them that you

1790

01:06:57,230 --> 01:06:55,200

can't force them that you have to let

1791

01:06:59,510 --> 01:06:57,240

them exercise their free will

1792

01:07:02,089 --> 01:06:59,520

and because there's this kind of this

1793

01:07:04,250 --> 01:07:02,099

their tendency is more to view things on

1794

01:07:05,630 --> 01:07:04,260

a civilization level rather than on an

1795

01:07:07,370 --> 01:07:05,640

individual level that's a very human

1796

01:07:09,170 --> 01:07:07,380

thing a very Earth human thing is to be

1797

01:07:11,029 --> 01:07:09,180

so focused on the individual

1798

01:07:18,049 --> 01:07:11,039

so

1799

01:07:20,569 --> 01:07:18,059

it's allowed because these are

1800

01:07:22,190 --> 01:07:20,579

considered our representatives and so

1801

01:07:24,470 --> 01:07:22,200

some semblance of our civilization

1802

01:07:26,150 --> 01:07:24,480

agreed to this and so that's why it's

1803

01:07:28,069 --> 01:07:26,160

allowed because we kind of you know were

1804

01:07:30,950 --> 01:07:28,079

part of the process so

1805

01:07:32,390 --> 01:07:30,960

uh malevolent group malevolent group

1806

01:07:34,190 --> 01:07:32,400

wouldn't be allowed to just come in and

1807

01:07:36,589 --> 01:07:34,200

dominate us against our will but when we

1808

01:07:38,690 --> 01:07:36,599

make you know willful Accords with them

1809

01:07:40,010 --> 01:07:38,700

through our leadership then that is

1810

01:07:42,829 --> 01:07:40,020

allowed within that overarching

1811

01:07:44,990 --> 01:07:42,839

structure so I think yes I've come

1812

01:07:46,549 --> 01:07:45,000

around to realize this is part of the

1813

01:07:49,730 --> 01:07:46,559

picture and it helps to explain why

1814

01:07:51,650 --> 01:07:49,740

there's a certain

1815

01:07:53,329 --> 01:07:51,660

common

1816

01:07:55,130 --> 01:07:53,339

data set in terms of how these different

1817

01:07:57,410 --> 01:07:55,140

groups show up and how they interact

1818

01:07:58,910 --> 01:07:57,420

with us but some of the Divergence we

1819

01:08:01,190 --> 01:07:58,920

see in some other being more malevolent

1820

01:08:02,809 --> 01:08:01,200

some being more malevolent benevolent is

1821

01:08:04,849 --> 01:08:02,819

because that even within that structure

1822

01:08:07,789 --> 01:08:04,859

you're quite a Divergence in terms of

1823

01:08:10,250 --> 01:08:07,799

Developmental levels yeah

1824

01:08:11,569 --> 01:08:10,260

the takeaway here is it's not just about

1825

01:08:13,010 --> 01:08:11,579

us

1826

01:08:14,990 --> 01:08:13,020

I think that's one of the hardest things

1827

01:08:19,010 --> 01:08:15,000

to understand

1828

01:08:22,130 --> 01:08:19,020

for many people is that that we are

1829

01:08:26,410 --> 01:08:22,140

super fixated on everything being about

1830

01:08:30,229 --> 01:08:26,420

us right it's about humanity and our our

1831

01:08:31,729 --> 01:08:30,239

part in the story and uh

1832

01:08:33,530 --> 01:08:31,739

you know

1833

01:08:36,590 --> 01:08:33,540

everyone's going to be so different than

1834

01:08:37,849 --> 01:08:36,600

we are uh and it's all you know whatever

1835

01:08:39,530 --> 01:08:37,859

they're going to do it's they're going

1836

01:08:41,510 --> 01:08:39,540

to do something for us or against us

1837

01:08:43,570 --> 01:08:41,520

like we're we're the central player in

1838

01:08:46,550 --> 01:08:43,580

the entire narrative I think

1839

01:08:48,769 --> 01:08:46,560

kind of if you can get rid of that

1840

01:08:51,229 --> 01:08:48,779

notion altogether it's going to help you

1841

01:08:54,709 --> 01:08:51,239

in understanding some of these Concepts

1842

01:08:56,809 --> 01:08:54,719

because uh once you

1843

01:08:58,430 --> 01:08:56,819

take a broader View

1844

01:09:00,349 --> 01:08:58,440

you know that what we're talking about

1845

01:09:02,450 --> 01:09:00,359

here and and if you haven't heard our

1846

01:09:04,070 --> 01:09:02,460

episode on unconsciousness I think this

1847

01:09:05,530 --> 01:09:04,080

was a couple episodes ago I think you

1848

01:09:09,470 --> 01:09:05,540

know start there and come back because

1849

01:09:11,349 --> 01:09:09,480

it all does layer up from there and when

1850

01:09:15,590 --> 01:09:11,359

you take that broader View

1851

01:09:20,030 --> 01:09:15,600

that that life that intelligence that

1852

01:09:23,570 --> 01:09:20,040

Consciousness is a process that is in in

1853

01:09:26,090 --> 01:09:23,580

motion uh in becoming

1854

01:09:28,990 --> 01:09:26,100

once you understand that then you can

1855

01:09:32,930 --> 01:09:29,000

look at all of these different

1856

01:09:33,950 --> 01:09:32,940

experiences players beings Etc and you

1857

01:09:35,870 --> 01:09:33,960

can see

1858

01:09:38,229 --> 01:09:35,880

that

1859

01:09:40,430 --> 01:09:38,239

motion at work you can see it in in

1860

01:09:42,950 --> 01:09:40,440

movement and then you get under you can

1861

01:09:43,849 --> 01:09:42,960

better understand it and I think that

1862

01:09:45,950 --> 01:09:43,859

gives

1863

01:09:48,709 --> 01:09:45,960

can give you some peace as well because

1864

01:09:50,030 --> 01:09:48,719

there's this and this is just like the

1865

01:09:52,970 --> 01:09:50,040

uh

1866

01:09:54,669 --> 01:09:52,980

the way in which we really cling hard to

1867

01:09:59,930 --> 01:09:54,679

our Notions of self

1868

01:10:02,150 --> 01:09:59,940

uh that it's so persistent and so

1869

01:10:05,150 --> 01:10:02,160

compelling that we we have a difficult

1870

01:10:08,390 --> 01:10:05,160

time letting that notion go that we

1871

01:10:10,669 --> 01:10:08,400

aren't just the string of stories that

1872

01:10:11,930 --> 01:10:10,679

we put together that we call Nathan or

1873

01:10:13,910 --> 01:10:11,940

that we call Darren you know there were

1874

01:10:16,310 --> 01:10:13,920

something else that uh that were not

1875

01:10:18,350 --> 01:10:16,320

that at all you know I think you know

1876

01:10:20,930 --> 01:10:18,360

we're it's difficult to get rid of that

1877

01:10:23,570 --> 01:10:20,940

idea and but what once you do once you

1878

01:10:25,810 --> 01:10:23,580

can disentangle that from uh you know

1879

01:10:28,189 --> 01:10:25,820

your world view it was a lot easier to

1880

01:10:29,990 --> 01:10:28,199

accept than understand some of these

1881

01:10:32,090 --> 01:10:30,000

other positions

1882

01:10:33,950 --> 01:10:32,100

um but but still very challenging I mean

1883

01:10:36,169 --> 01:10:33,960

you know just as you talk about it it's

1884

01:10:38,570 --> 01:10:36,179

hard for us not to anthropomorphize you

1885

01:10:41,030 --> 01:10:38,580

know the beings and the robes coming to

1886

01:10:42,950 --> 01:10:41,040

this cool Galactic table you know doing

1887

01:10:44,270 --> 01:10:42,960

some things having some conversation and

1888

01:10:45,709 --> 01:10:44,280

that's not necessarily what we're

1889

01:10:48,830 --> 01:10:45,719

talking about although it could be some

1890

01:10:50,330 --> 01:10:48,840

of that uh you know it's it's it's more

1891

01:10:51,830 --> 01:10:50,340

than that uh

1892

01:10:54,290 --> 01:10:51,840

so

1893

01:10:56,090 --> 01:10:54,300

a lot of challenges here uh we've used

1894

01:10:58,729 --> 01:10:56,100

the word complex many times this episode

1895

01:11:00,530 --> 01:10:58,739

I I don't I don't know how to get around

1896

01:11:03,830 --> 01:11:00,540

it there's no simple way to look at this

1897

01:11:06,290 --> 01:11:03,840

it's a very complicated issue

1898

01:11:07,430 --> 01:11:06,300

it is and and you know as you first

1899

01:11:08,990 --> 01:11:07,440

started talking there I thought about

1900

01:11:11,390 --> 01:11:09,000

another example

1901

01:11:13,850 --> 01:11:11,400

along these lines

1902

01:11:16,310 --> 01:11:13,860

um where you mentioned how everything's

1903

01:11:19,490 --> 01:11:16,320

about us in our perspective

1904

01:11:21,229 --> 01:11:19,500

well that's also brings to mind the fact

1905

01:11:23,149 --> 01:11:21,239

that there are some groups

1906

01:11:24,830 --> 01:11:23,159

to which we are largely an afterthought

1907

01:11:27,229 --> 01:11:24,840

you know the same way that we might not

1908

01:11:28,550 --> 01:11:27,239

spend a ton of our personal time

1909

01:11:30,770 --> 01:11:28,560

thinking about a particular turtle

1910

01:11:33,110 --> 01:11:30,780

species right

1911

01:11:35,510 --> 01:11:33,120

um in Hawaii or something

1912

01:11:37,910 --> 01:11:35,520

um we assume that we would be a big deal

1913

01:11:39,050 --> 01:11:37,920

to whoever else is out there right uh

1914

01:11:41,689 --> 01:11:39,060

whether like you say whether they want

1915

01:11:43,729 --> 01:11:41,699

to dominate us or Unite with us or throw

1916

01:11:47,870 --> 01:11:43,739

a big party or whatever we assume they'd

1917

01:11:50,390 --> 01:11:47,880

be like hey humans big deal but you know

1918

01:11:51,950 --> 01:11:50,400

not so much the case again on the

1919

01:11:54,350 --> 01:11:51,960

galactic scale where we're a fairly

1920

01:11:56,450 --> 01:11:54,360

young civilization and still fairly

1921

01:12:00,169 --> 01:11:56,460

barbaric and um

1922

01:12:01,729 --> 01:12:00,179

and part of the lesson of the atomic age

1923

01:12:03,050 --> 01:12:01,739

which again that's a complex one in

1924

01:12:05,209 --> 01:12:03,060

itself that I could spend an entire

1925

01:12:07,189 --> 01:12:05,219

episode on talk about the complexities

1926

01:12:09,110 --> 01:12:07,199

of why we saw so much of the UFO

1927

01:12:10,850 --> 01:12:09,120

phenomenon flare up right around the

1928

01:12:12,649 --> 01:12:10,860

dawn of the atomic era

1929

01:12:15,110 --> 01:12:12,659

but one of the

1930

01:12:16,850 --> 01:12:15,120

pieces in play there was that there was

1931

01:12:18,709 --> 01:12:16,860

a certain group that kind of did kind of

1932

01:12:20,810 --> 01:12:18,719

ignore us up until that point

1933

01:12:23,330 --> 01:12:20,820

coexisted you know without us being

1934

01:12:26,149 --> 01:12:23,340

really aware in a kind of Shadow biome

1935

01:12:28,250 --> 01:12:26,159

and but when we start detonating atomic

1936

01:12:30,050 --> 01:12:28,260

bombs and splitting apart the structure

1937

01:12:32,450 --> 01:12:30,060

of reality to try and play our silly

1938

01:12:35,270 --> 01:12:32,460

power play games between nation states

1939

01:12:37,250 --> 01:12:35,280

and our imaginary borders then they're

1940

01:12:39,050 --> 01:12:37,260

like okay the kids in the playground are

1941

01:12:40,250 --> 01:12:39,060

now causing some problems in the larger

1942

01:12:41,510 --> 01:12:40,260

environment you know what I mean even

1943

01:12:43,189 --> 01:12:41,520

the energetic environment the

1944

01:12:46,310 --> 01:12:43,199

interdimensional environment

1945

01:12:48,169 --> 01:12:46,320

and so we need to step in so yeah this

1946

01:12:49,729 --> 01:12:48,179

is a blow to our Collective ego that

1947

01:12:52,010 --> 01:12:49,739

sometimes we earn such a big deal and

1948

01:12:53,149 --> 01:12:52,020

it's only the damage we're doing is

1949

01:12:55,370 --> 01:12:53,159

actually forcing some of the

1950

01:12:59,930 --> 01:12:55,380

intervention that's been in play for the

1951

01:13:04,370 --> 01:13:02,149

well another

1952

01:13:05,870 --> 01:13:04,380

idea we've got a couple more ideas to

1953

01:13:07,729 --> 01:13:05,880

get through another one that kind of

1954

01:13:10,010 --> 01:13:07,739

comes up often

1955

01:13:11,689 --> 01:13:10,020

and we've started a little bit here but

1956

01:13:13,729 --> 01:13:11,699

I think it would be worth going through

1957

01:13:16,010 --> 01:13:13,739

it in a little more detail

1958

01:13:18,590 --> 01:13:16,020

and that's this notion of

1959

01:13:21,709 --> 01:13:18,600

like a control group or or a shadow

1960

01:13:26,450 --> 01:13:21,719

government uh some sort of

1961

01:13:30,890 --> 01:13:26,460

Force at work in our world that

1962

01:13:34,189 --> 01:13:30,900

is orchestrating things in a way that

1963

01:13:37,189 --> 01:13:34,199

happens below the surface right that um

1964

01:13:39,229 --> 01:13:37,199

this is I mean gosh this is tied to some

1965

01:13:40,970 --> 01:13:39,239

of the oldest conspiracy theories that

1966

01:13:43,970 --> 01:13:40,980

there are that there are you know the

1967

01:13:46,430 --> 01:13:43,980

Illuminati uh comes to mind you know

1968

01:13:48,830 --> 01:13:46,440

these secret groups that uh run the

1969

01:13:50,810 --> 01:13:48,840

world and uh make everybody make the

1970

01:13:53,450 --> 01:13:50,820

people the Sheep all think that you know

1971

01:13:54,709 --> 01:13:53,460

it's not like that at all

1972

01:13:58,070 --> 01:13:54,719

um and that's what they want you to

1973

01:13:59,870 --> 01:13:58,080

think so I mean this is a hard one many

1974

01:14:02,149 --> 01:13:59,880

of these are difficult I get it I mean I

1975

01:14:03,709 --> 01:14:02,159

think like you said uh who you would be

1976

01:14:07,189 --> 01:14:03,719

five years ago listening to this would

1977

01:14:10,070 --> 01:14:07,199

just think you've lost it but uh

1978

01:14:12,110 --> 01:14:10,080

you know how do we even wrap our heads

1979

01:14:14,689 --> 01:14:12,120

around this one that uh that this is an

1980

01:14:17,870 --> 01:14:14,699

actual thing you know and if it is an

1981

01:14:19,669 --> 01:14:17,880

actual thing I mean is it is it take the

1982

01:14:21,229 --> 01:14:19,679

shape of like a a boardroom meeting

1983

01:14:23,689 --> 01:14:21,239

where they get together and they plan

1984

01:14:25,550 --> 01:14:23,699

stuff or uh you know how is it actually

1985

01:14:28,010 --> 01:14:25,560

function if we have any insight into

1986

01:14:29,510 --> 01:14:28,020

that mall

1987

01:14:31,490 --> 01:14:29,520

well

1988

01:14:34,010 --> 01:14:31,500

not surprisingly surprisingly this could

1989

01:14:36,410 --> 01:14:34,020

also be an entire episode or several

1990

01:14:38,630 --> 01:14:36,420

but I would say that yes again this is

1991

01:14:41,390 --> 01:14:38,640

another one where I've had to eat some

1992

01:14:44,510 --> 01:14:41,400

Humble Pie and say that this is

1993

01:14:46,370 --> 01:14:44,520

definitely in play that

1994

01:14:48,310 --> 01:14:46,380

um you know Richard Dolan's talked about

1995

01:14:52,130 --> 01:14:48,320

this notion of a breakaway civilization

1996

01:14:53,090 --> 01:14:52,140

uh there are hints after World War II of

1997

01:14:55,189 --> 01:14:53,100

certain

1998

01:14:59,030 --> 01:14:55,199

Elite people groups

1999

01:15:00,470 --> 01:14:59,040

partly including Nazis or ex-nazis

2000

01:15:02,330 --> 01:15:00,480

fleeing to different parts of the world

2001

01:15:04,610 --> 01:15:02,340

and

2002

01:15:07,250 --> 01:15:04,620

taking technological advances that have

2003

01:15:09,470 --> 01:15:07,260

partly been inspired by cooperation with

2004

01:15:10,610 --> 01:15:09,480

some non-human intelligences or at least

2005

01:15:12,950 --> 01:15:10,620

some non-conventionally human

2006

01:15:14,810 --> 01:15:12,960

intelligences because sometimes future

2007

01:15:16,490 --> 01:15:14,820

humans are in the piece picture too not

2008

01:15:18,610 --> 01:15:16,500

sorry to make it more complex but that's

2009

01:15:22,310 --> 01:15:18,620

the nature of the Beast

2010

01:15:24,649 --> 01:15:22,320

that that some of those groups now are

2011

01:15:27,110 --> 01:15:24,659

this Elite and

2012

01:15:29,630 --> 01:15:27,120

um mostly hidden power structure in our

2013

01:15:31,310 --> 01:15:29,640

world which have developed capacities

2014

01:15:35,030 --> 01:15:31,320

and economic structures that allow them

2015

01:15:36,350 --> 01:15:35,040

to flourish really without having to be

2016

01:15:38,330 --> 01:15:36,360

connected to any of our economic

2017

01:15:40,970 --> 01:15:38,340

structures or our our resource base

2018

01:15:42,709 --> 01:15:40,980

because they have things like zero point

2019

01:15:45,050 --> 01:15:42,719

technology and whatnot

2020

01:15:47,390 --> 01:15:45,060

so again that sounds far-fetched it

2021

01:15:50,209 --> 01:15:47,400

sounds like a great like Sci-Fi series

2022

01:15:51,590 --> 01:15:50,219

right but I'm saying I actually think

2023

01:15:54,350 --> 01:15:51,600

this is in this is part of the picture

2024

01:15:56,090 --> 01:15:54,360

and again I understand how outlandish

2025

01:15:58,189 --> 01:15:56,100

that sounds to some people

2026

01:15:59,450 --> 01:15:58,199

but again when I look at the evidence

2027

01:16:01,430 --> 01:15:59,460

I've seen that's kind of what it's

2028

01:16:03,410 --> 01:16:01,440

pointing towards and this is where again

2029

01:16:06,050 --> 01:16:03,420

we really

2030

01:16:08,390 --> 01:16:06,060

come into this question of how much when

2031

01:16:11,270 --> 01:16:08,400

we talk about is it ours quote unquote

2032

01:16:13,610 --> 01:16:11,280

who's who's us there right who's the US

2033

01:16:15,530 --> 01:16:13,620

that that belongs to and I'm not

2034

01:16:17,390 --> 01:16:15,540

convinced it's you know Democratic

2035

01:16:19,310 --> 01:16:17,400

structures such as you know the American

2036

01:16:21,530 --> 01:16:19,320

populace or

2037

01:16:23,570 --> 01:16:21,540

other Western civilizations

2038

01:16:25,790 --> 01:16:23,580

or even part of the you know

2039

01:16:27,649 --> 01:16:25,800

acknowledged known set of nation-states

2040

01:16:29,030 --> 01:16:27,659

in the in the world it's it's some sort

2041

01:16:32,209 --> 01:16:29,040

of

2042

01:16:33,530 --> 01:16:32,219

um exopolitical group that exists apart

2043

01:16:35,750 --> 01:16:33,540

from everyone else and to some degree

2044

01:16:37,430 --> 01:16:35,760

can pull the levers in in the rest of

2045

01:16:39,590 --> 01:16:37,440

the civilization because they are so far

2046

01:16:40,970 --> 01:16:39,600

ahead in some of these areas including

2047

01:16:43,550 --> 01:16:40,980

perhaps even in Consciousness

2048

01:16:45,050 --> 01:16:43,560

Technologies right so part of what

2049

01:16:46,729 --> 01:16:45,060

happens with some of these others is

2050

01:16:48,649 --> 01:16:46,739

that they can wield this remarkable

2051

01:16:51,110 --> 01:16:48,659

psychic influence on us

2052

01:16:52,850 --> 01:16:51,120

but I think some of the these power

2053

01:16:54,890 --> 01:16:52,860

players that have involved human groups

2054

01:16:56,750 --> 01:16:54,900

have also been working on that for

2055

01:16:59,390 --> 01:16:56,760

decades and decades and decades and have

2056

01:17:01,490 --> 01:16:59,400

probably psychotronic weapons that would

2057

01:17:03,950 --> 01:17:01,500

be shocking to us what's what's possible

2058

01:17:05,630 --> 01:17:03,960

that they could you know make us do

2059

01:17:07,070 --> 01:17:05,640

something and and again if we haven't

2060

01:17:09,830 --> 01:17:07,080

developed that inner awareness

2061

01:17:12,590 --> 01:17:09,840

cultivated that inner science of growing

2062

01:17:15,050 --> 01:17:12,600

our own deep spiritual energetic

2063

01:17:17,450 --> 01:17:15,060

awareness then we are largely kind of

2064

01:17:20,149 --> 01:17:17,460

like uh an old computer system when the

2065

01:17:22,070 --> 01:17:20,159

internet first came online where we have

2066

01:17:23,209 --> 01:17:22,080

these these leaky ports right where

2067

01:17:25,070 --> 01:17:23,219

someone can wire right into your

2068

01:17:26,330 --> 01:17:25,080

computer can steal files you don't know

2069

01:17:29,030 --> 01:17:26,340

anything about it we didn't design

2070

01:17:30,229 --> 01:17:29,040

computers back then to be aware of that

2071

01:17:31,370 --> 01:17:30,239

kind of thing happening right if you

2072

01:17:33,350 --> 01:17:31,380

didn't plug something in there's nothing

2073

01:17:35,090 --> 01:17:33,360

to be worried about right think about

2074

01:17:37,430 --> 01:17:35,100

that way with human beings that we are

2075

01:17:40,070 --> 01:17:37,440

like beings walking around with leaky

2076

01:17:41,990 --> 01:17:40,080

ports and so these other entities both

2077

01:17:43,370 --> 01:17:42,000

human and non-human some

2078

01:17:46,729 --> 01:17:43,380

non-conventionally human from the future

2079

01:17:49,070 --> 01:17:46,739

some of this Breakaway civilization have

2080

01:17:50,630 --> 01:17:49,080

these capacities to connect like a Wi-Fi

2081

01:17:53,090 --> 01:17:50,640

connection into our Consciousness and

2082

01:17:54,350 --> 01:17:53,100

impact Us in different ways so and again

2083

01:17:57,290 --> 01:17:54,360

there's some benevolent groups doing

2084

01:17:58,729 --> 01:17:57,300

that for good inspiring people

2085

01:18:00,290 --> 01:17:58,739

um giving people technological

2086

01:18:01,729 --> 01:18:00,300

innovations that are meant to help our

2087

01:18:03,470 --> 01:18:01,739

society move forward I'm aware of that

2088

01:18:04,970 --> 01:18:03,480

some of that going on even right now

2089

01:18:08,870 --> 01:18:04,980

while also there are some that are

2090

01:18:10,669 --> 01:18:08,880

trying to uh foment Division and bring

2091

01:18:12,350 --> 01:18:10,679

about wars and things that Tom DeLong

2092

01:18:14,510 --> 01:18:12,360

kind of talked about that I used to kind

2093

01:18:16,790 --> 01:18:14,520

of mock at one point and it has all

2094

01:18:18,890 --> 01:18:16,800

three tumble pie in that area too so

2095

01:18:22,310 --> 01:18:18,900

this is this is all all in plan again

2096

01:18:23,689 --> 01:18:22,320

sorry that it's so complex well and I

2097

01:18:25,070 --> 01:18:23,699

was I'm glad you brought a town along

2098

01:18:27,110 --> 01:18:25,080

because I was going to bring him up as

2099

01:18:29,330 --> 01:18:27,120

well these are some thoughts and ideas

2100

01:18:33,410 --> 01:18:29,340

that were present in the secret machines

2101

01:18:34,850 --> 01:18:33,420

books uh the the um the fiction books

2102

01:18:36,950 --> 01:18:34,860

which I recommend they're really fun to

2103

01:18:40,610 --> 01:18:36,960

read but he's woven in some of these

2104

01:18:42,709 --> 01:18:40,620

ideas uh into those books as well yeah

2105

01:18:44,750 --> 01:18:42,719

fictioning quotes right a fiction yeah

2106

01:18:45,410 --> 01:18:44,760

fiction exactly

2107

01:18:47,930 --> 01:18:45,420

um

2108

01:18:55,610 --> 01:18:47,940

it's

2109

01:18:57,110 --> 01:18:55,620

think sit with these ideas because they

2110

01:18:58,490 --> 01:18:57,120

are so

2111

01:19:00,709 --> 01:18:58,500

uh

2112

01:19:04,790 --> 01:19:00,719

destabilizing

2113

01:19:07,910 --> 01:19:04,800

um and you you can leave

2114

01:19:09,830 --> 01:19:07,920

after having tried to trying to digest

2115

01:19:11,630 --> 01:19:09,840

these ideas you can come away feeling

2116

01:19:13,790 --> 01:19:11,640

like you've

2117

01:19:15,290 --> 01:19:13,800

you know you're kind of sense of self is

2118

01:19:16,610 --> 01:19:15,300

falling apart the world that you thought

2119

01:19:18,290 --> 01:19:16,620

you knew everything that you've been

2120

01:19:20,149 --> 01:19:18,300

told all these different you feel like

2121

01:19:21,530 --> 01:19:20,159

you're you know Neo in The Matrix in a

2122

01:19:25,070 --> 01:19:21,540

way it's just nothing makes sense

2123

01:19:26,450 --> 01:19:25,080

anymore and uh It Up Is Down Down is up

2124

01:19:27,950 --> 01:19:26,460

Etc

2125

01:19:31,010 --> 01:19:27,960

um

2126

01:19:32,510 --> 01:19:31,020

you know before we go to the next topic

2127

01:19:34,610 --> 01:19:32,520

I mean I think this just isn't the side

2128

01:19:36,890 --> 01:19:34,620

like how do we

2129

01:19:40,550 --> 01:19:36,900

we talk about the word discernment we

2130

01:19:42,830 --> 01:19:40,560

talk about uh you know kind of spiritual

2131

01:19:45,229 --> 01:19:42,840

hygiene things of that nature how do we

2132

01:19:48,169 --> 01:19:45,239

kind of keep it together uh in the face

2133

01:19:50,330 --> 01:19:48,179

of a lot of these Concepts

2134

01:19:52,610 --> 01:19:50,340

um and

2135

01:19:54,590 --> 01:19:52,620

you know navigate this in a healthy way

2136

01:19:57,110 --> 01:19:54,600

I mean are we

2137

01:19:59,510 --> 01:19:57,120

would you recommend in other words that

2138

01:20:02,870 --> 01:19:59,520

people uh you know kind of entertain

2139

01:20:05,870 --> 01:20:02,880

some of the these Notions feel them out

2140

01:20:06,890 --> 01:20:05,880

you know use their own discernment uh

2141

01:20:09,169 --> 01:20:06,900

you know

2142

01:20:12,110 --> 01:20:09,179

do their own Explorations like how do

2143

01:20:14,810 --> 01:20:12,120

you how do you expect people to digest a

2144

01:20:16,310 --> 01:20:14,820

lot of these ideas

2145

01:20:18,890 --> 01:20:16,320

well first of all I acknowledge that

2146

01:20:22,550 --> 01:20:18,900

it's a lot to take in and

2147

01:20:24,229 --> 01:20:22,560

I think one of my unique capacities was

2148

01:20:26,510 --> 01:20:24,239

to be able to juggle a lot of ideas at

2149

01:20:27,590 --> 01:20:26,520

the same time and sort of sort of hold

2150

01:20:30,050 --> 01:20:27,600

them all up

2151
01:20:32,450 --> 01:20:30,060
in a conceptual space where I can see

2152
01:20:33,770 --> 01:20:32,460
how they work together and I feel like

2153
01:20:36,590 --> 01:20:33,780
there's been some inspiration that's

2154
01:20:38,510 --> 01:20:36,600
allowed me to do that maybe Beyond a bit

2155
01:20:40,790 --> 01:20:38,520
of a normal capacity like I'm not sure

2156
01:20:43,189 --> 01:20:40,800
how I make sense of it all but I do kind

2157
01:20:45,950 --> 01:20:43,199
of have this clear seeing of how this

2158
01:20:47,510 --> 01:20:45,960
kind of fits together now somebody might

2159
01:20:50,209 --> 01:20:47,520
think I'm completely crazy and saying

2160
01:20:52,310 --> 01:20:50,219
that or I'm full of it I I welcome those

2161
01:20:54,530 --> 01:20:52,320
challenges I'm just trying to be honest

2162
01:20:55,910 --> 01:20:54,540
about the way I see things and I'm being

2163
01:20:57,830 --> 01:20:55,920

honest with the fact that this is as

2164

01:21:00,169 --> 01:20:57,840

much a surprise to me

2165

01:21:01,850 --> 01:21:00,179

that I think of all this as being in

2166

01:21:03,169 --> 01:21:01,860

play now compared to who I was a few

2167

01:21:05,570 --> 01:21:03,179

years ago

2168

01:21:08,390 --> 01:21:05,580

um but I think one key speaking of

2169

01:21:09,830 --> 01:21:08,400

conceptualization is to in order to

2170

01:21:11,570 --> 01:21:09,840

prepare for this world that's already

2171

01:21:13,850 --> 01:21:11,580

here but to some people it feels like

2172

01:21:16,189 --> 01:21:13,860

it's coming but it's it's already here

2173

01:21:17,450 --> 01:21:16,199

is to develop this inner awareness so

2174

01:21:19,790 --> 01:21:17,460

like you mentioned the word spiritual

2175

01:21:21,530 --> 01:21:19,800

hygiene you know and

2176
01:21:22,970 --> 01:21:21,540
again like that person I was talking to

2177
01:21:24,770 --> 01:21:22,980
in social media

2178
01:21:27,470 --> 01:21:24,780
who was wondering if I meant we should

2179
01:21:30,590 --> 01:21:27,480
just use our reasoning abilities our raw

2180
01:21:32,930 --> 01:21:30,600
sort of Left Brain critical analysis to

2181
01:21:35,390 --> 01:21:32,940
to figure out who's good and who's not

2182
01:21:38,270 --> 01:21:35,400
right I'm saying no it's none of that at

2183
01:21:40,430 --> 01:21:38,280
all it's an intuitive kind of direct

2184
01:21:42,590 --> 01:21:40,440
knowing that because there are porous

2185
01:21:44,330 --> 01:21:42,600
boundaries between all of reality we

2186
01:21:45,590 --> 01:21:44,340
don't have to just look at someone's

2187
01:21:47,810 --> 01:21:45,600
body language and say that guy's

2188
01:21:50,510 --> 01:21:47,820

fidgeting or why is his eye twitching

2189

01:21:52,910 --> 01:21:50,520

right we can tap into Source obviously

2190

01:21:54,490 --> 01:21:52,920

not completely not perfectly but I'm

2191

01:21:56,870 --> 01:21:54,500

saying

2192

01:21:58,729 --> 01:21:56,880

theoretically we can theoretically

2193

01:22:01,070 --> 01:21:58,739

whether you call it the akashic records

2194

01:22:02,990 --> 01:22:01,080

the cosmic memory or whatever because we

2195

01:22:04,370 --> 01:22:03,000

are all extent like you said in our

2196

01:22:06,350 --> 01:22:04,380

Consciousness episode we talked about

2197

01:22:08,630 --> 01:22:06,360

we're all fractal

2198

01:22:10,669 --> 01:22:08,640

um impressions of the original Source

2199

01:22:12,709 --> 01:22:10,679

the original mind

2200

01:22:15,649 --> 01:22:12,719

we in

2201

01:22:17,630 --> 01:22:15,659

in real

2202

01:22:19,550 --> 01:22:17,640

possibility

2203

01:22:22,430 --> 01:22:19,560

have access to everything that there's

2204

01:22:24,770 --> 01:22:22,440

no piece of information in space or time

2205

01:22:25,669 --> 01:22:24,780

anywhere at any time that's not

2206

01:22:27,530 --> 01:22:25,679

available

2207

01:22:29,810 --> 01:22:27,540

and some of these others are working

2208

01:22:32,090 --> 01:22:29,820

with that kind of capacity right and so

2209

01:22:34,250 --> 01:22:32,100

some of it as I've said to you in some of

2210

01:22:36,050 --> 01:22:34,260

our private conversations that makes

2211

01:22:37,550 --> 01:22:36,060

the tricky trying to figure out what's

2212

01:22:39,290 --> 01:22:37,560

going on in a match is because some of

2213

01:22:41,510 --> 01:22:39,300

these others are working

2214

01:22:42,850 --> 01:22:41,520

at various points in art

2215

01:22:44,990 --> 01:22:42,860

time

2216

01:22:47,630 --> 01:22:45,000

simultaneously so they can be working in

2217

01:22:49,430 --> 01:22:47,640

different decades towards a certain end

2218

01:22:50,990 --> 01:22:49,440

and pulling different levers from those

2219

01:22:52,490 --> 01:22:51,000

different what look to us like linear

2220

01:22:54,350 --> 01:22:52,500

points right that's not what they really

2221

01:22:56,390 --> 01:22:54,360

are but that's what they look to us so

2222

01:22:57,709 --> 01:22:56,400

it makes us kind of behind the eight

2223

01:22:59,390 --> 01:22:57,719

ball in terms of understanding what's

2224

01:23:01,370 --> 01:22:59,400

going on because we can only understand

2225

01:23:03,950 --> 01:23:01,380

things in terms of cause and effect a

2226

01:23:06,410 --> 01:23:03,960

equals b equal or a to B to C that's not

2227

01:23:08,030 --> 01:23:06,420

how they're working they're doing as uh

2228

01:23:10,250 --> 01:23:08,040

jomarkowski said to me you know that

2229

01:23:11,570 --> 01:23:10,260

it's kind of like you know 4D 5D chess

2230

01:23:12,709 --> 01:23:11,580

or whatever that's true what they're

2231

01:23:15,169 --> 01:23:12,719

doing

2232

01:23:16,850 --> 01:23:15,179

so we need to up our game we need to

2233

01:23:19,010 --> 01:23:16,860

develop those skills ourselves again

2234

01:23:22,490 --> 01:23:19,020

because we are fractal impressions of

2235

01:23:24,470 --> 01:23:22,500

that original mind we too can do this we

2236

01:23:26,990 --> 01:23:24,480

will do this in our future if we will

2237

01:23:29,810 --> 01:23:27,000

move towards it but but a hyper focal

2238

01:23:31,370 --> 01:23:29,820

focus on technology and external

2239

01:23:33,530 --> 01:23:31,380

technology specifically is the wrong

2240

01:23:36,590 --> 01:23:33,540

Focus we need to and it will be our

2241

01:23:38,689 --> 01:23:36,600

demise in as a civilization right if we

2242

01:23:40,850 --> 01:23:38,699

don't change course and recognize we

2243

01:23:43,550 --> 01:23:40,860

have to spend even more time and energy

2244

01:23:45,890 --> 01:23:43,560

and resources allocated to developing

2245

01:23:48,830 --> 01:23:45,900

inner Technologies inner science that

2246

01:23:50,570 --> 01:23:48,840

allows us to delve deep into the Bedrock

2247

01:23:53,110 --> 01:23:50,580

of all of Consciousness and begin to

2248

01:23:56,630 --> 01:23:53,120

swim there to move there to understand

2249

01:24:00,050 --> 01:23:56,640

that sort of functional apparatus

2250

01:24:01,790 --> 01:24:00,060

to really exist and thrive in this new

2251

01:24:03,229 --> 01:24:01,800

world that I say it's already here but

2252

01:24:05,930 --> 01:24:03,239

it for many people it's just slowly

2253

01:24:07,250 --> 01:24:05,940

coming into their awareness so this is

2254

01:24:08,990 --> 01:24:07,260

what we really need to do this is what I

2255

01:24:10,910 --> 01:24:09,000

would recommend to people

2256

01:24:13,550 --> 01:24:10,920

yes these were a lot of Concepts to try

2257

01:24:15,229 --> 01:24:13,560

to make sense of to juggle and yes at

2258

01:24:16,189 --> 01:24:15,239

your leisure do that as you find it

2259

01:24:18,530 --> 01:24:16,199

helpful

2260

01:24:20,990 --> 01:24:18,540

and and fascinating but spend as much

2261

01:24:23,630 --> 01:24:21,000

time if not more cultivating inner

2262

01:24:27,530 --> 01:24:23,640

awareness developing intuitive capacity

2263

01:24:29,810 --> 01:24:27,540

to dive directly into source so that you

2264

01:24:31,669 --> 01:24:29,820

can draw information Beyond just our

2265

01:24:33,169 --> 01:24:31,679

usual senses because you can't we all

2266

01:24:35,689 --> 01:24:33,179

have this capacity it's already been

2267

01:24:38,450 --> 01:24:35,699

shown so many times Dean Raiden's work

2268

01:24:40,250 --> 01:24:38,460

has made this abundantly clear all human

2269

01:24:42,290 --> 01:24:40,260

beings are psychic to different degrees

2270

01:24:43,850 --> 01:24:42,300

and we can grow these skills if we try

2271

01:24:46,070 --> 01:24:43,860

the

2272

01:24:47,630 --> 01:24:46,080

uh

2273

01:24:51,050 --> 01:24:47,640

we should

2274

01:24:53,510 --> 01:24:51,060

and uh I think that um you know your

2275

01:24:56,390 --> 01:24:53,520

point is is so well taken there that our

2276

01:25:00,290 --> 01:24:56,400

fixation on uh our technological

2277

01:25:03,590 --> 01:25:00,300

progress or the technology of

2278

01:25:07,070 --> 01:25:03,600

whatever others there may be we've got

2279

01:25:08,390 --> 01:25:07,080

this kind of uh fetishization of

2280

01:25:12,110 --> 01:25:08,400

Technology

2281

01:25:16,610 --> 01:25:12,120

that is incredibly unhealthy

2282

01:25:18,010 --> 01:25:16,620

um which by the way we all know it to be

2283

01:25:22,130 --> 01:25:18,020

unhealthy

2284

01:25:23,810 --> 01:25:22,140

uh but we feel like we are enslaved to

2285

01:25:26,090 --> 01:25:23,820

it and that should tell you something

2286

01:25:28,910 --> 01:25:26,100

right that should tell you and we all

2287

01:25:30,590 --> 01:25:28,920

have it's funny because we

2288

01:25:33,169 --> 01:25:30,600

you know we

2289

01:25:35,689 --> 01:25:33,179

we like to pretend that we don't have

2290

01:25:37,430 --> 01:25:35,699

these abilities yet we all use the the

2291

01:25:39,350 --> 01:25:37,440

notion to trust your gut you gotta

2292

01:25:40,610 --> 01:25:39,360

listen to your inner voice uh what does

2293

01:25:42,050 --> 01:25:40,620

that tell you you know if you're making

2294

01:25:43,370 --> 01:25:42,060

a big decision you know what does that

2295

01:25:45,709 --> 01:25:43,380

that tell you you should listen to that

2296

01:25:47,570 --> 01:25:45,719

not some sort of chart that you made on

2297

01:25:50,030 --> 01:25:47,580

a piece of paper uh putting down the

2298

01:25:51,229 --> 01:25:50,040

pros and the cons uh although you might

2299

01:25:53,689 --> 01:25:51,239

still do that

2300

01:25:56,570 --> 01:25:53,699

so these are

2301

01:25:59,330 --> 01:25:56,580

ideas that we are I think intimately

2302

01:26:02,570 --> 01:25:59,340

familiar with uh and and familiar with

2303

01:26:04,970 --> 01:26:02,580

in ways that are that transcend our

2304

01:26:09,350 --> 01:26:04,980

connection to our devices

2305

01:26:12,770 --> 01:26:09,360

and uh we almost need to be shaken out

2306

01:26:14,629 --> 01:26:12,780

of our our trance our stupor uh and you

2307

01:26:16,430 --> 01:26:14,639

know given a cold shower or something

2308

01:26:19,010 --> 01:26:16,440

just be like look I mean

2309

01:26:21,530 --> 01:26:19,020

this isn't it I mean there's there's

2310

01:26:23,270 --> 01:26:21,540

great stuff about that and and

2311

01:26:27,169 --> 01:26:23,280

tremendous things that can come from

2312

01:26:30,470 --> 01:26:27,179

technology don't get me wrong but our uh

2313

01:26:33,649 --> 01:26:30,480

our rabid you know pursuit of it over

2314

01:26:35,810 --> 01:26:33,659

anything else uh or basically throwing

2315

01:26:37,790 --> 01:26:35,820

people it's like think of the the uh the

2316

01:26:39,590 --> 01:26:37,800

Black Friday you know scenes at Walmart

2317

01:26:41,390 --> 01:26:39,600

you know people getting trampled just so

2318

01:26:43,310 --> 01:26:41,400

that somebody can get a you know save a

2319

01:26:46,310 --> 01:26:43,320

100 bucks on a television set or

2320

01:26:49,189 --> 01:26:46,320

something I mean that is what is wrong

2321

01:26:51,350 --> 01:26:49,199

with with Humanity

2322

01:26:52,910 --> 01:26:51,360

um and I think we all know that on some

2323

01:26:56,750 --> 01:26:52,920

level

2324

01:26:59,090 --> 01:26:56,760

um and so if you are

2325

01:27:01,070 --> 01:26:59,100

if you were if you were an advanced

2326

01:27:03,649 --> 01:27:01,080

civilization if you were you know at

2327

01:27:05,570 --> 01:27:03,659

that Galactic Council chair you know and

2328

01:27:07,490 --> 01:27:05,580

you're you're trying to make decisions

2329

01:27:09,770 --> 01:27:07,500

uh

2330

01:27:12,709 --> 01:27:09,780

would you want to welcome Humanity you

2331

01:27:16,070 --> 01:27:12,719

know into that equation right now

2332

01:27:18,410 --> 01:27:16,080

probably not right uh and so you have to

2333

01:27:20,270 --> 01:27:18,420

have a long conversation about you know

2334

01:27:23,510 --> 01:27:20,280

can we do this should we do this at all

2335

01:27:25,970 --> 01:27:23,520

uh you know is it okay

2336

01:27:27,830 --> 01:27:25,980

um and and I think that's a topic that

2337

01:27:30,350 --> 01:27:27,840

we should revisit on another episode

2338

01:27:31,550 --> 01:27:30,360

because the last one that I was going to

2339

01:27:32,990 --> 01:27:31,560

get to and I'm not even going to bring

2340

01:27:34,189 --> 01:27:33,000

it up because if I bring it up we're

2341

01:27:35,810 --> 01:27:34,199

going to spend another hour talking

2342

01:27:38,030 --> 01:27:35,820

about it I think it's a it's really it's

2343

01:27:40,729 --> 01:27:38,040

on episode probably

2344

01:27:44,689 --> 01:27:40,739

um because it does tie into all of these

2345

01:27:47,810 --> 01:27:44,699

ideas uh you know why is it why is this

2346

01:27:50,570 --> 01:27:47,820

happening now what does it all mean uh

2347

01:27:53,689 --> 01:27:50,580

what is our purpose you know

2348

01:27:56,510 --> 01:27:53,699

um you know the when and Cycles you know

2349

01:27:58,310 --> 01:27:56,520

uh so I think we're gonna hit that in a

2350

01:27:59,510 --> 01:27:58,320

future episode

2351

01:28:01,070 --> 01:27:59,520

um

2352

01:28:02,689 --> 01:28:01,080

but man it's been good to kind of cover

2353

01:28:04,850 --> 01:28:02,699

these things and I and look we've

2354

01:28:06,350 --> 01:28:04,860

covered them and I still think it's a

2355

01:28:08,149 --> 01:28:06,360

little it's a little bit wacky I get it

2356

01:28:11,390 --> 01:28:08,159

I mean people are gonna I mean really

2357

01:28:13,490 --> 01:28:11,400

it's there's a lot to digest here and uh

2358

01:28:17,090 --> 01:28:13,500

I think it's okay to

2359

01:28:19,189 --> 01:28:17,100

to both entertain these ideas and accept

2360

01:28:20,810 --> 01:28:19,199

portions of them reject portions of them

2361

01:28:22,970 --> 01:28:20,820

you know everybody's got to kind of feel

2362

01:28:24,890 --> 01:28:22,980

their way through this

2363

01:28:26,689 --> 01:28:24,900

um and it's a conversation we're not

2364

01:28:28,610 --> 01:28:26,699

trying to say you know this is exactly

2365

01:28:31,550 --> 01:28:28,620

how it is and you should believe X we're

2366

01:28:33,590 --> 01:28:31,560

really just wanting folks to examine the

2367

01:28:36,290 --> 01:28:33,600

biases that they have about why some of

2368

01:28:38,990 --> 01:28:36,300

these Notions uh are rejected outright

2369

01:28:40,430 --> 01:28:39,000

and question them and then revisit some

2370

01:28:41,930 --> 01:28:40,440

of that as well and say you know I mean

2371

01:28:43,250 --> 01:28:41,940

maybe I'm not maybe I am wrong maybe

2372

01:28:45,470 --> 01:28:43,260

there is something to this and what

2373

01:28:48,050 --> 01:28:45,480

would that be I mean if that's true what

2374

01:28:49,490 --> 01:28:48,060

does that mean for the way things are

2375

01:28:51,229 --> 01:28:49,500

now what does it mean for me as an

2376

01:28:53,149 --> 01:28:51,239

individual and is for and for us

2377

01:28:55,010 --> 01:28:53,159

collectively

2378

01:28:56,689 --> 01:28:55,020

yeah and I think you know to close here

2379

01:28:59,750 --> 01:28:56,699

I can just sort of give the analogy of

2380

01:29:01,669 --> 01:28:59,760

when people pursue spiritual training or

2381

01:29:03,649 --> 01:29:01,679

spiritual growth practices

2382

01:29:04,850 --> 01:29:03,659

the vast majority of people do that

2383

01:29:07,129 --> 01:29:04,860

because they think it's going to make

2384

01:29:10,310 --> 01:29:07,139

them feel better right I mean not many

2385

01:29:12,229 --> 01:29:10,320

people go my life's too easy and things

2386

01:29:13,790 --> 01:29:12,239

are just going great I think I'm gonna

2387

01:29:15,950 --> 01:29:13,800

you know

2388

01:29:17,330 --> 01:29:15,960

pursue some really hardcore like Zen

2389

01:29:19,970 --> 01:29:17,340

training or something so my life will

2390

01:29:22,550 --> 01:29:19,980

suck and I'll feel disappointed and and

2391

01:29:24,050 --> 01:29:22,560

aggravate it no of course not we we do

2392

01:29:26,930 --> 01:29:24,060

things we're motivated by making our

2393

01:29:28,490 --> 01:29:26,940

life simpler easier smoother right right

2394

01:29:31,070 --> 01:29:28,500

because the truth is there's plenty that

2395

01:29:32,629 --> 01:29:31,080

is challenging in Modern Life and so the

2396

01:29:35,149 --> 01:29:32,639

things that we do have control over we

2397

01:29:37,689 --> 01:29:35,159

kind of want to cultivate more calm

2398

01:29:40,129 --> 01:29:37,699

right not not more turmoil

2399

01:29:42,410 --> 01:29:40,139

so when people approach something like

2400

01:29:44,090 --> 01:29:42,420

the UFO phenomenon which most people get

2401

01:29:45,890 --> 01:29:44,100

into kind of as a fascinating kind of

2402

01:29:49,010 --> 01:29:45,900

sci-fi topic right it's fun it's

2403

01:29:52,010 --> 01:29:49,020

exciting it's next Generation right

2404

01:29:54,649 --> 01:29:52,020

so it stays fun until you start coming

2405

01:29:56,090 --> 01:29:54,659

across evidence that starts pulling the

2406

01:29:57,470 --> 01:29:56,100

rug out from underneath you and you said

2407

01:29:59,330 --> 01:29:57,480

you say wait a second hey I didn't sign

2408

01:30:01,310 --> 01:29:59,340

up for this you know I I said I wanted

2409

01:30:03,709 --> 01:30:01,320

to some cool sci-fi stuff you know like

2410

01:30:05,689 --> 01:30:03,719

give me some side phenomena give me some

2411

01:30:08,030 --> 01:30:05,699

anti-grav technology that's good stuff

2412

01:30:10,729 --> 01:30:08,040

right yeah it makes me sleep better but

2413

01:30:11,750 --> 01:30:10,739

the notion that there's these vast array

2414

01:30:13,729 --> 01:30:11,760

of beings that are psychically

2415

01:30:14,870 --> 01:30:13,739

influencing me to such a degree that I

2416

01:30:16,310 --> 01:30:14,880

don't even know where it's not I'm not

2417

01:30:18,770 --> 01:30:16,320

even aware it's happening that's not

2418

01:30:20,450 --> 01:30:18,780

what I signed up for right you saying

2419

01:30:23,330 --> 01:30:20,460

that I have to develop this inner

2420

01:30:26,149 --> 01:30:23,340

science to cultivate inner technologies

2421

01:30:29,209 --> 01:30:26,159

that allowed me to operate on this

2422

01:30:31,070 --> 01:30:29,219

porous terrain of interpenetrating

2423

01:30:33,950 --> 01:30:31,080

consciousnesses I don't remember signing

2424

01:30:35,629 --> 01:30:33,960

up for that right sorry I get it right

2425

01:30:37,850 --> 01:30:35,639

but this is in play and like you say

2426

01:30:39,709 --> 01:30:37,860

we're not asking anyone to believe this

2427

01:30:41,750 --> 01:30:39,719

prematurely it's you know everyone's on

2428

01:30:43,310 --> 01:30:41,760

their own journey I understand that I've

2429

01:30:45,050 --> 01:30:43,320

you know have some people who said to me

2430

01:30:46,970 --> 01:30:45,060

well sure you're saying you've seen

2431

01:30:48,350 --> 01:30:46,980

evidence so why should I take it as true

2432

01:30:50,450 --> 01:30:48,360

when when you're saying you've seen it

2433

01:30:53,209 --> 01:30:50,460

but I haven't seen it fair point I mean

2434

01:30:54,470 --> 01:30:53,219

if I hadn't seen and been privy to some

2435

01:30:55,669 --> 01:30:54,480

of the things I've come across I

2436

01:30:57,470 --> 01:30:55,679

probably would not hold some of the

2437

01:30:59,990 --> 01:30:57,480

positions I do now because like you say

2438

01:31:01,850 --> 01:31:00,000

they are very far-fetched based on a

2439

01:31:03,410 --> 01:31:01,860

conventional understanding they are very

2440

01:31:06,010 --> 01:31:03,420

discombobulating we have to say that

2441

01:31:10,010 --> 01:31:06,020

word at least once an episode at least

2442

01:31:11,390 --> 01:31:10,020

and disconcerting right so and yet

2443

01:31:13,669 --> 01:31:11,400

um there's also an opportunity here

2444

01:31:16,070 --> 01:31:13,679

there's a destabilization periods you go

2445

01:31:19,010 --> 01:31:16,080

through but also at the end of all that

2446

01:31:21,229 --> 01:31:19,020

When the Smoke Clears says they say it

2447

01:31:22,970 --> 01:31:21,239

reveals a horizon of potential and

2448

01:31:26,149 --> 01:31:22,980

possibility that I think is also

2449

01:31:29,330 --> 01:31:26,159

beckoning us to step into and to become

2450

01:31:30,830 --> 01:31:29,340

a new Humanity together and I would

2451

01:31:32,390 --> 01:31:30,840

argue that we can get into this in our

2452

01:31:35,390 --> 01:31:32,400

next episode like you say

2453

01:31:38,030 --> 01:31:35,400

the the the the pressures that are

2454

01:31:39,850 --> 01:31:38,040

coming across us right now that is

2455

01:31:42,290 --> 01:31:39,860

building up on our reality are actually

2456

01:31:44,330 --> 01:31:42,300

pointing towards the fact that we need

2457

01:31:45,890 --> 01:31:44,340

to take that step so it's not just a

2458

01:31:48,410 --> 01:31:45,900

voluntary thing I think we really need

2459

01:31:50,450 --> 01:31:48,420

to recognize our civilizations at a

2460

01:31:51,430 --> 01:31:50,460

Tipping Point and we need to change

2461

01:31:53,510 --> 01:31:51,440

course

2462

01:31:55,850 --> 01:31:53,520

here here

2463

01:31:58,250 --> 01:31:55,860

I look forward to that conversation I

2464

01:32:00,950 --> 01:31:58,260

want to thank all of our listeners and

2465

01:32:04,250 --> 01:32:00,960

uh appreciate all of you who are along

2466

01:32:06,590 --> 01:32:04,260

for the ride on this show uh we very

2467

01:32:09,050 --> 01:32:06,600

much appreciate hearing from you and

2468

01:32:12,110 --> 01:32:09,060

having a conversation wherever you may

2469

01:32:14,450 --> 01:32:12,120

find us and on that note

2470

01:32:17,030 --> 01:32:14,460

May the quality of our questions shaped

2471

01:32:19,729 --> 01:32:17,040

by a desire for understanding enhance

2472

01:32:21,410 --> 01:32:19,739

our journey of Discovery and may our

2473

01:32:23,510 --> 01:32:21,420

travels broaden the sphere of our

2474

01:32:27,129 --> 01:32:23,520

Consciousness reminding us that new

2475

01:32:29,270 --> 01:32:27,139

discoveries beget New Horizons as always

2476

01:32:31,189 --> 01:32:29,280

Adventure awaits

2477

01:32:35,110 --> 01:32:31,199

we'll see you next time on liminal

2478

01:32:38,910 --> 01:32:37,240

[Music]

2479

01:32:45,220 --> 01:32:38,920

[Laughter]
