[Music]

2
00:00:13,789 --> 00:00:10,610

hello and welcome to episode number 80

3
00:00:18,470 --> 00:00:13,799

of the point of convergence podcast as

4
00:00:20,510 --> 00:00:18,480

always I am your host EXO academian

5
00:00:22,970 --> 00:00:20,520

generally speaking with this podcast

6
00:00:25,429 --> 00:00:22,980

each episode takes a different topic

7
00:00:27,769 --> 00:00:25,439

pertaining to the UFO phenomenon and

8
00:00:30,769 --> 00:00:27,779

general paranormality and does a deep

9
00:00:32,990 --> 00:00:30,779

dive into it that being the case for the

10
00:00:35,569 --> 00:00:33,000

most part point of convergence is not a

11
00:00:37,729 --> 00:00:35,579

current affairs kind of show my aim is

12
00:00:39,950 --> 00:00:37,739

to make each episode relevant regardless

13
00:00:42,530 --> 00:00:39,960

of when and where any particular

14

00:00:43,729 --> 00:00:42,540

listener happens to access and consume

15

00:00:46,310 --> 00:00:43,739

it

16

00:00:47,990 --> 00:00:46,320

that said recent events are such that I

17

00:00:50,090 --> 00:00:48,000

think that on this particular occasion

18

00:00:52,549 --> 00:00:50,100

it makes sense to Veer from that

19

00:00:54,830 --> 00:00:52,559

overarching strategy and that's because

20

00:00:57,350 --> 00:00:54,840

simply put I believe we are living

21

00:00:59,689 --> 00:00:57,360

through truly extraordinary times times

22

00:01:01,729 --> 00:00:59,699

that speak to a key inflection point in

23

00:01:03,830 --> 00:01:01,739

the history of our civilization

24

00:01:05,030 --> 00:01:03,840

while even our current ERA is the

25

00:01:07,670 --> 00:01:05,040

product of events that have been

26

00:01:10,370 --> 00:01:07,680

unfolding for decades now pertaining to

27

00:01:12,590 --> 00:01:10,380

the UFO phenomenon I believe evidence

28

00:01:16,250 --> 00:01:12,600

suggests this particular period of the

29

00:01:18,590 --> 00:01:16,260

2020s is particularly significant

30

00:01:20,090 --> 00:01:18,600

now even as I speak those words I'm

31

00:01:22,370 --> 00:01:20,100

aware of how problematic search

32

00:01:24,590 --> 00:01:22,380

statements can turn out to be

33

00:01:26,810 --> 00:01:24,600

having explored various religious and

34

00:01:28,969 --> 00:01:26,820

spiritual circles in great depth both

35

00:01:31,490 --> 00:01:28,979

personally and academically over the

36

00:01:33,890 --> 00:01:31,500

Decades of my life I've personally seen

37

00:01:36,289 --> 00:01:33,900

how many times various prognosticators

38

00:01:38,810 --> 00:01:36,299

have declared that a particular time was

39

00:01:40,550 --> 00:01:38,820

of special import for the future of our

40

00:01:43,310 --> 00:01:40,560

civilization and the fate of the world

41

00:01:46,130 --> 00:01:43,320

no less only to see various predictions

42

00:01:48,830 --> 00:01:46,140

and so-called prophecies tied to these

43

00:01:51,350 --> 00:01:48,840

prognostications failed to materialize

44

00:01:53,510 --> 00:01:51,360

time and time again

45

00:01:55,429 --> 00:01:53,520

now certainly our current state of

46

00:01:57,710 --> 00:01:55,439

affairs as it pertains to the UFO

47

00:01:59,990 --> 00:01:57,720

phenomenon is undoubtedly built upon

48

00:02:02,210 --> 00:02:00,000

decisions and actions made over the

49

00:02:05,389 --> 00:02:02,220

course of getting on for 100 years now

50

00:02:07,730 --> 00:02:05,399

but still I see those decisions and

51
00:02:10,669 --> 00:02:07,740
actions coming to a head at this

52
00:02:13,790 --> 00:02:10,679
particular period in our history as the

53
00:02:15,110 --> 00:02:13,800
saying goes history repeats itself until

54
00:02:16,790 --> 00:02:15,120
it doesn't

55
00:02:19,070 --> 00:02:16,800
while we can be bludgeoned into

56
00:02:21,650 --> 00:02:19,080
disinterest and apathy by the sheer

57
00:02:23,150 --> 00:02:21,660
repetition of certain themes over and

58
00:02:25,550 --> 00:02:23,160
over again

59
00:02:27,589 --> 00:02:25,560
that historical trend is no guarantee

60
00:02:28,970 --> 00:02:27,599
that events will always proceed as they

61
00:02:31,490 --> 00:02:28,980
have done before

62
00:02:34,250 --> 00:02:31,500
indeed at some point any and every

63
00:02:35,809 --> 00:02:34,260

historical Trend comes to an end I

64

00:02:38,210 --> 00:02:35,819

believe we're nearing one of those key

65

00:02:41,390 --> 00:02:38,220

inflection points now

66

00:02:44,270 --> 00:02:41,400

but who and what is behind this shift is

67

00:02:46,729 --> 00:02:44,280

it one party or many are they human or

68

00:02:48,050 --> 00:02:46,739

non-human how can we be sure that this

69

00:02:50,509 --> 00:02:48,060

is not just some kind of government

70

00:02:52,130 --> 00:02:50,519

psyop that will ultimately be revealed

71

00:02:54,170 --> 00:02:52,140

there's another iteration of the same

72

00:02:56,330 --> 00:02:54,180

old same old and if something

73

00:02:58,309 --> 00:02:56,340

significant really is on the cusp of

74

00:03:00,470 --> 00:02:58,319

being revealed how is it going to

75

00:03:01,369 --> 00:03:00,480

manifest and in what kind of frame of

76

00:03:03,890 --> 00:03:01,379

time

77

00:03:06,170 --> 00:03:03,900

these are the matters both essential and

78

00:03:09,830 --> 00:03:06,180

particularly timely that we'll seek to

79

00:03:13,480 --> 00:03:09,840

engage with and this the 80th episode of

80

00:03:19,190 --> 00:03:17,030

[Music]

81

00:03:20,690 --> 00:03:19,200

I'd like to begin this week's episode by

82

00:03:23,750 --> 00:03:20,700

announcing that I'm happy to say that I

83

00:03:26,809 --> 00:03:23,760

will be one of the speakers at the 2023

84

00:03:29,149 --> 00:03:26,819

Ohio UFO Heritage conference which will

85

00:03:31,910 --> 00:03:29,159

be held at Wright-Patterson Air Force

86

00:03:34,309 --> 00:03:31,920

Base yes indeed at Hope Hotel at

87

00:03:37,670 --> 00:03:34,319

Wright-Patterson Air Force Base and this

88

00:03:40,670 --> 00:03:37,680

will be on May 5th and 6th the 2023 Ohio

89

00:03:42,229 --> 00:03:40,680

UFO Heritage conference happy to see

90

00:03:44,330 --> 00:03:42,239

that I'm one of the speakers involved in

91

00:03:47,570 --> 00:03:44,340

that event along with people like James

92

00:03:50,630 --> 00:03:47,580

Fox Diana paselka Bryce Sabal Michael

93

00:03:52,789 --> 00:03:50,640

Masters Michael Hanks Kelly Chase and J

94

00:03:54,830 --> 00:03:52,799

Christopher King so I hope to see some

95

00:03:58,250 --> 00:03:54,840

of you there in May

96

00:04:00,770 --> 00:03:58,260

now moving on to today's topic as I said

97

00:04:02,990 --> 00:04:00,780

in the introduction normally I don't key

98

00:04:05,270 --> 00:04:03,000

in on current events on this podcast

99

00:04:06,949 --> 00:04:05,280

because I want the episodes to be

100

00:04:09,229 --> 00:04:06,959

relevant regardless of when people

101
00:04:10,850 --> 00:04:09,239
access and consume them I don't want to

102
00:04:13,009 --> 00:04:10,860
date the episodes

103
00:04:14,869 --> 00:04:13,019
but this week I am discussing recent

104
00:04:16,969 --> 00:04:14,879
events because I think it's important to

105
00:04:18,890 --> 00:04:16,979
record these events as they happen

106
00:04:21,530 --> 00:04:18,900
because I believe we're in the middle of

107
00:04:24,170 --> 00:04:21,540
an inflection point in history

108
00:04:26,810 --> 00:04:24,180
now I would have myself considered these

109
00:04:29,270 --> 00:04:26,820
details outlandish even Preposterous

110
00:04:30,710 --> 00:04:29,280
probably only a couple of years ago let

111
00:04:32,810 --> 00:04:30,720
me make that clear

112
00:04:34,730 --> 00:04:32,820
but such is the nature of the beast when

113
00:04:37,730 --> 00:04:34,740

you're researching the UFO phenomenon

114

00:04:39,890 --> 00:04:37,740

and when very importantly a non-human

115

00:04:42,290 --> 00:04:39,900

intelligence or a group of them is

116

00:04:45,050 --> 00:04:42,300

gutting that process not just for me

117

00:04:46,909 --> 00:04:45,060

individually but for us as a species and

118

00:04:49,610 --> 00:04:46,919

I really think that is the case that's

119

00:04:51,530 --> 00:04:49,620

one of the key takeaways here

120

00:04:53,749 --> 00:04:51,540

now the bizarre ride that this podcast

121

00:04:56,510 --> 00:04:53,759

Journey has been has been part and

122

00:04:58,670 --> 00:04:56,520

parcel with this unfolding Journey with

123

00:05:00,850 --> 00:04:58,680

both human and non-human and

124

00:05:04,850 --> 00:05:00,860

non-conventionally human intelligences

125

00:05:07,550 --> 00:05:04,860

we'll get to that in this episode

126

00:05:09,710 --> 00:05:07,560

now much of this will sound outlandish

127

00:05:11,749 --> 00:05:09,720

Preposterous to some people again

128

00:05:13,249 --> 00:05:11,759

depending on your background depending

129

00:05:15,290 --> 00:05:13,259

how much you're coming from a nuts and

130

00:05:17,870 --> 00:05:15,300

bolts perspective or not

131

00:05:20,270 --> 00:05:17,880

but let me say this much of what I'll be

132

00:05:22,490 --> 00:05:20,280

talking about today is hiding in plain

133

00:05:25,070 --> 00:05:22,500

sight in other words there are places

134

00:05:28,189 --> 00:05:25,080

you can go books you can read historical

135

00:05:30,050 --> 00:05:28,199

documents you can unearth that speak to

136

00:05:32,629 --> 00:05:30,060

these very matters it's really about

137

00:05:34,550 --> 00:05:32,639

knowing which specific bits of

138

00:05:36,830 --> 00:05:34,560

information you need to access and how

139

00:05:38,810 --> 00:05:36,840

it all fits together because of course

140

00:05:41,210 --> 00:05:38,820

another challenge is that often this

141

00:05:44,150 --> 00:05:41,220

information that's valid and essential

142

00:05:47,390 --> 00:05:44,160

even is mixed in with misinformation or

143

00:05:49,129 --> 00:05:47,400

misguided information slash details and

144

00:05:51,710 --> 00:05:49,139

historically of course that has been by

145

00:05:53,150 --> 00:05:51,720

Design to basically exhaust people who

146

00:05:55,129 --> 00:05:53,160

are trying to unearth the truth because

147

00:05:57,710 --> 00:05:55,139

even when they come across truthful

148

00:05:59,390 --> 00:05:57,720

details they also come across things

149

00:06:01,610 --> 00:05:59,400

that are make believe or things that are

150

00:06:03,710 --> 00:06:01,620

blatantly false or are meant to

151
00:06:06,529 --> 00:06:03,720
misdirect this is the nature of the

152
00:06:08,870 --> 00:06:06,539
beast in an ongoing overarching

153
00:06:10,730 --> 00:06:08,880
intelligence kind of operation

154
00:06:12,409 --> 00:06:10,740
and very importantly I would point out

155
00:06:14,689 --> 00:06:12,419
to you here that that intelligence

156
00:06:17,870 --> 00:06:14,699
operation that this ultimately is about

157
00:06:20,510 --> 00:06:17,880
has been conducted both by human and

158
00:06:22,909 --> 00:06:20,520
non-human and non-conventionally human

159
00:06:24,950 --> 00:06:22,919
parties again we'll get to some of the

160
00:06:27,529 --> 00:06:24,960
details a little bit later

161
00:06:29,330 --> 00:06:27,539
now in regards to the kinds of details

162
00:06:31,490 --> 00:06:29,340
I'm going to discuss today

163
00:06:33,409 --> 00:06:31,500

And in regards to the kinds of threats

164

00:06:35,330 --> 00:06:33,419

I've been developing over time over the

165

00:06:38,270 --> 00:06:35,340

last several months at least going well

166

00:06:40,129 --> 00:06:38,280

back into last year people often ask me

167

00:06:42,350 --> 00:06:40,139

where I'm getting this information from

168

00:06:43,490 --> 00:06:42,360

this is coming from official channels or

169

00:06:45,710 --> 00:06:43,500

people that are well plugged into

170

00:06:48,770 --> 00:06:45,720

official channels or is it perhaps

171

00:06:50,390 --> 00:06:48,780

coming from non-conventional sources and

172

00:06:52,430 --> 00:06:50,400

of course when they say non-conventional

173

00:06:55,129 --> 00:06:52,440

they mean basically alien intelligences

174

00:06:56,990 --> 00:06:55,139

or perhaps your higher self or some

175

00:06:58,550 --> 00:06:57,000

interdimensional kind of source again

176
00:07:00,469 --> 00:06:58,560
they could mean various things by that

177
00:07:02,749 --> 00:07:00,479
but they often phrase it with a term

178
00:07:05,809 --> 00:07:02,759
like non-conventional to basically

179
00:07:08,450 --> 00:07:05,819
include everything but traditional human

180
00:07:11,330 --> 00:07:08,460
means and my answer to that question is

181
00:07:13,490 --> 00:07:11,340
both and that's been part of the process

182
00:07:14,450 --> 00:07:13,500
both kinds of sources have been in play

183
00:07:16,670 --> 00:07:14,460
here

184
00:07:19,070 --> 00:07:16,680
and not just for me importantly but for

185
00:07:20,510 --> 00:07:19,080
people I'm plugged in with as well so I

186
00:07:22,550 --> 00:07:20,520
have various colleagues and friends

187
00:07:24,469 --> 00:07:22,560
around the world who are involved in

188
00:07:26,270 --> 00:07:24,479

this topic who are part of something

189

00:07:27,950 --> 00:07:26,280

that seems to be happening some

190

00:07:30,409 --> 00:07:27,960

overarching Enterprise that's being

191

00:07:31,550 --> 00:07:30,419

controlled by something much larger than

192

00:07:33,950 --> 00:07:31,560

us

193

00:07:36,050 --> 00:07:33,960

that said something I would add here is

194

00:07:38,629 --> 00:07:36,060

that when we have obtained information

195

00:07:40,909 --> 00:07:38,639

from non-conventional sources meaning

196

00:07:43,129 --> 00:07:40,919

non-human and non-conventionally human

197

00:07:44,809 --> 00:07:43,139

sources and I'll give you a clue there

198

00:07:46,969 --> 00:07:44,819

when I say non-conventionally I mean

199

00:07:49,550 --> 00:07:46,979

humans that perhaps are from the future

200

00:07:52,010 --> 00:07:49,560

or beings from our future that have

201
00:07:54,409 --> 00:07:52,020
elements of our DNA in them but they've

202
00:07:56,990 --> 00:07:54,419
also become much more than that at this

203
00:07:59,990 --> 00:07:57,000
point now the key is that information

204
00:08:00,710 --> 00:08:00,000
that's been provided by these beings has

205
00:08:03,350 --> 00:08:00,720
been

206
00:08:05,629 --> 00:08:03,360
corroborated by further research we've

207
00:08:08,150 --> 00:08:05,639
done into for instance 20th century

208
00:08:09,770 --> 00:08:08,160
history and as I pointed out both here

209
00:08:12,290 --> 00:08:09,780
on point of convergence as well as on

210
00:08:15,409 --> 00:08:12,300
liminal frames the other podcast I'm a

211
00:08:17,930 --> 00:08:15,419
part of this has also been aided by

212
00:08:20,570 --> 00:08:17,940
artificial intelligence algorithms that

213
00:08:23,210 --> 00:08:20,580

are able to dig deeply into 20th century

214

00:08:26,150 --> 00:08:23,220

history after much of that history has

215

00:08:28,550 --> 00:08:26,160

been documented collated digitized as

216

00:08:30,830 --> 00:08:28,560

part of an ongoing effort to reconstruct

217

00:08:32,870 --> 00:08:30,840

what really happened during the 20th

218

00:08:34,730 --> 00:08:32,880

century which again I'll point out to

219

00:08:37,430 --> 00:08:34,740

you is quite different than what we've

220

00:08:38,510 --> 00:08:37,440

been told and taught about 20th century

221

00:08:41,149 --> 00:08:38,520

history

222

00:08:42,829 --> 00:08:41,159

now let me provide some further context

223

00:08:43,969 --> 00:08:42,839

in regards to what I want to discuss

224

00:08:46,370 --> 00:08:43,979

today

225

00:08:48,050 --> 00:08:46,380

some of when I become privy to is via

226

00:08:49,730 --> 00:08:48,060

sources and connections that either

227

00:08:51,769 --> 00:08:49,740

can't or don't want to address

228

00:08:53,990 --> 00:08:51,779

specifically at this point

229

00:08:55,850 --> 00:08:54,000

but as I say much of the major thrust of

230

00:08:58,550 --> 00:08:55,860

what I've become aware of in terms of

231

00:09:01,009 --> 00:08:58,560

the overarching Dynamics in play is

232

00:09:02,870 --> 00:09:01,019

laying in plain sight if you know where

233

00:09:05,030 --> 00:09:02,880

to look that's the key

234

00:09:07,970 --> 00:09:05,040

so instead of addressing these sources

235

00:09:09,470 --> 00:09:07,980

directly I'm going to refer you to some

236

00:09:11,630 --> 00:09:09,480

plain of sight information that's

237

00:09:13,610 --> 00:09:11,640

already in the public sphere that you

238

00:09:16,310 --> 00:09:13,620

can access to confirm some of these

239

00:09:18,889 --> 00:09:16,320

things or at least to learn about them

240

00:09:20,750 --> 00:09:18,899

but just to be clear in regards to these

241

00:09:23,570 --> 00:09:20,760

in-plain sight resources I'm going to

242

00:09:25,910 --> 00:09:23,580

refer you to I'm not relying on their

243

00:09:28,190 --> 00:09:25,920

marriage alone for instance in the

244

00:09:29,990 --> 00:09:28,200

Rachel's Eyes episode I did

245

00:09:32,810 --> 00:09:30,000

that we'll also touch on in this episode

246

00:09:34,610 --> 00:09:32,820

by the way we discuss some elements that

247

00:09:37,009 --> 00:09:34,620

some people would consider outlandish

248

00:09:38,930 --> 00:09:37,019

too far-fetched but again the point here

249

00:09:41,389 --> 00:09:38,940

is that I've come across corroborating

250

00:09:43,610 --> 00:09:41,399

details corroborating evidence for the

251
00:09:46,009 --> 00:09:43,620
claims made in books like Rachel's eyes

252
00:09:48,710 --> 00:09:46,019
so that's key I'm going to refer you to

253
00:09:50,870 --> 00:09:48,720
and mention some in plain sight

254
00:09:52,850 --> 00:09:50,880
resources but that's not all I'm relying

255
00:09:54,889 --> 00:09:52,860
on when I make my own conclusions about

256
00:09:56,870 --> 00:09:54,899
what's going on just want to make that

257
00:09:59,630 --> 00:09:56,880
point

258
00:10:01,009 --> 00:09:59,640
now let's move on to some key aspects of

259
00:10:02,570 --> 00:10:01,019
what we're going to discuss today and

260
00:10:04,610 --> 00:10:02,580
again I'm going to refer to some things

261
00:10:06,050 --> 00:10:04,620
I've already talked about and what we'll

262
00:10:09,710 --> 00:10:06,060
do today is kind of piece it together

263
00:10:11,990 --> 00:10:09,720

into a larger overarching narrative

264

00:10:14,690 --> 00:10:12,000

okay so the first thread I want to bring

265

00:10:16,490 --> 00:10:14,700

to your attention is information I

266

00:10:19,310 --> 00:10:16,500

discussed in the three episodes I did

267

00:10:22,310 --> 00:10:19,320

last year on what Michael Masters calls

268

00:10:24,650 --> 00:10:22,320

extra terrestrials in other words beings

269

00:10:26,509 --> 00:10:24,660

that are not from our time now again

270

00:10:29,210 --> 00:10:26,519

according to Mike Master's perspective

271

00:10:31,610 --> 00:10:29,220

these could very well be beings who are

272

00:10:33,530 --> 00:10:31,620

us from the future they are extra

273

00:10:36,650 --> 00:10:33,540

tempestra because they're outside of

274

00:10:38,210 --> 00:10:36,660

time not necessarily beyond our space of

275

00:10:40,190 --> 00:10:38,220

course the Earth will be in a different

276

00:10:42,530 --> 00:10:40,200

position in the future but the point

277

00:10:44,630 --> 00:10:42,540

there is really focused on time that

278

00:10:46,490 --> 00:10:44,640

from an evolutionary perspective they

279

00:10:48,949 --> 00:10:46,500

look different than us because they've

280

00:10:50,990 --> 00:10:48,959

pursued a longer trajectory than us but

281

00:10:53,509 --> 00:10:51,000

ultimately they are us from the future

282

00:10:55,310 --> 00:10:53,519

our progeny basically

283

00:10:56,930 --> 00:10:55,320

now I'll just quickly point out here

284

00:10:59,269 --> 00:10:56,940

that I think there's some question about

285

00:11:01,130 --> 00:10:59,279

how much they are just us from the

286

00:11:03,110 --> 00:11:01,140

future I think it's probably more than

287

00:11:05,150 --> 00:11:03,120

that I've seen evidence to suggest that

288

00:11:07,250 --> 00:11:05,160

that's a component of who they are that

289

00:11:09,530 --> 00:11:07,260

they have some of our DNA in them but I

290

00:11:11,389 --> 00:11:09,540

think more than that is in play

291

00:11:13,009 --> 00:11:11,399

so we don't need to focus so much on the

292

00:11:15,170 --> 00:11:13,019

fact that they are fully us from the

293

00:11:18,410 --> 00:11:15,180

future or not they are in some way

294

00:11:20,389 --> 00:11:18,420

connected to us in terms of our DNA and

295

00:11:22,790 --> 00:11:20,399

I think it's accurate to say in some way

296

00:11:24,350 --> 00:11:22,800

that they are from our future although

297

00:11:26,150 --> 00:11:24,360

I'll just point out that this gets

298

00:11:27,829 --> 00:11:26,160

tricky I found as I've researched this

299

00:11:29,810 --> 00:11:27,839

and have dealt with some of the sources

300

00:11:32,690 --> 00:11:29,820

I've dealt with because the way they

301

00:11:34,670 --> 00:11:32,700

interact with time is different than us

302

00:11:37,009 --> 00:11:34,680

I think part of the confusion and

303

00:11:39,350 --> 00:11:37,019

complexity here is that our conventional

304

00:11:41,509 --> 00:11:39,360

understanding of how time works as a

305

00:11:43,730 --> 00:11:41,519

linear kind of rolling out it's not

306

00:11:45,829 --> 00:11:43,740

really how it works and so that confuses

307

00:11:48,290 --> 00:11:45,839

things here and even when we talk about

308

00:11:50,389 --> 00:11:48,300

these extra tempestules if you want to

309

00:11:52,250 --> 00:11:50,399

call them that they're still not exactly

310

00:11:54,949 --> 00:11:52,260

just us from the future I think that's

311

00:11:56,810 --> 00:11:54,959

part of it in play and yes our

312

00:11:59,269 --> 00:11:56,820

perception of what is past present and

313

00:12:00,710 --> 00:11:59,279

future plays into this but just keep in

314

00:12:03,230 --> 00:12:00,720

mind that I think one of the lessons

315

00:12:04,610 --> 00:12:03,240

here is that time isn't quite what we

316

00:12:07,069 --> 00:12:04,620

think it is and of course that means

317

00:12:09,650 --> 00:12:07,079

space too because that's one integrated

318

00:12:12,110 --> 00:12:09,660

fabric space Time Again part of the

319

00:12:14,030 --> 00:12:12,120

complexity here but in some sense they

320

00:12:16,730 --> 00:12:14,040

are connected to us and they are from

321

00:12:19,069 --> 00:12:16,740

what we perceive as the future although

322

00:12:21,710 --> 00:12:19,079

they can move through time in ways that

323

00:12:23,449 --> 00:12:21,720

we cannot at least not yet

324

00:12:24,769 --> 00:12:23,459

and by the way for those of you would

325

00:12:26,810 --> 00:12:24,779

like to go back and listen to those

326

00:12:28,250 --> 00:12:26,820

episodes and if you haven't heard them I

327

00:12:30,170 --> 00:12:28,260

would recommend you do because we go

328

00:12:33,470 --> 00:12:30,180

into it in quite a lot of detail that

329

00:12:36,590 --> 00:12:33,480

would be episodes 46 47 and 48 from last

330

00:12:38,569 --> 00:12:36,600

year where I discussed this notion this

331

00:12:41,269 --> 00:12:38,579

notion that these beings that look like

332

00:12:43,610 --> 00:12:41,279

what we consider gray aliens are also

333

00:12:45,710 --> 00:12:43,620

connected to us in some way but they are

334

00:12:47,629 --> 00:12:45,720

emerging from our future in some way as

335

00:12:48,590 --> 00:12:47,639

well although again they can move across

336

00:12:51,829 --> 00:12:48,600

time

337

00:12:54,050 --> 00:12:51,839

now importantly in that series of

338

00:12:55,910 --> 00:12:54,060

episodes I discussed some key

339

00:12:58,129 --> 00:12:55,920

intelligence that also has arisen

340

00:12:59,990 --> 00:12:58,139

pertaining to these beings so in other

341

00:13:02,509 --> 00:13:00,000

words this is much more than just a

342

00:13:05,090 --> 00:13:02,519

hypothesis that Michael Masters has done

343

00:13:07,009 --> 00:13:05,100

a great job in developing based on his

344

00:13:09,769 --> 00:13:07,019

understanding in evolutionary biology

345

00:13:12,290 --> 00:13:09,779

but also that we have intelligent

346

00:13:15,230 --> 00:13:12,300

circles intelligent sources who are

347

00:13:19,370 --> 00:13:15,240

speaking to what these beings are up to

348

00:13:21,530 --> 00:13:19,380

why they're here why now and to what end

349

00:13:24,230 --> 00:13:21,540

now in terms of sources if you remember

350

00:13:26,629 --> 00:13:24,240

in those three episodes I had two key

351
00:13:28,790 --> 00:13:26,639
sources Australian journalist Ross

352
00:13:30,710 --> 00:13:28,800
kulthart has spoken about his

353
00:13:33,889 --> 00:13:30,720
information he's received from sources

354
00:13:35,629 --> 00:13:33,899
he has inside U.S intelligence that

355
00:13:37,790 --> 00:13:35,639
spoke to these matters

356
00:13:40,370 --> 00:13:37,800
while doing research for those three

357
00:13:42,230 --> 00:13:40,380
episodes I also talked with former

358
00:13:44,750 --> 00:13:42,240
British intelligence analyst Frank

359
00:13:46,490 --> 00:13:44,760
Milburn and he also provided some

360
00:13:49,009 --> 00:13:46,500
excellent information some revealing

361
00:13:52,009 --> 00:13:49,019
information that he also obtained from

362
00:13:54,829 --> 00:13:52,019
Key sources in intelligent circles

363
00:13:57,650 --> 00:13:54,839

now what both of these people that spoke

364

00:14:00,170 --> 00:13:57,660

to me who had independent sources spoke

365

00:14:02,509 --> 00:14:00,180

to was this notion of there being two

366

00:14:05,870 --> 00:14:02,519

factions of others two key factions

367

00:14:08,090 --> 00:14:05,880

again the UFO phenomenon is a plurality

368

00:14:10,129 --> 00:14:08,100

there are numerous beings involved with

369

00:14:11,990 --> 00:14:10,139

different kinds of agendas but what

370

00:14:14,030 --> 00:14:12,000

we're going to focus on today like we

371

00:14:16,790 --> 00:14:14,040

did in those three episodes is around

372

00:14:18,170 --> 00:14:16,800

two key factions of others two key

373

00:14:20,810 --> 00:14:18,180

factions of beings that you might

374

00:14:23,690 --> 00:14:20,820

consider alien although again

375

00:14:25,069 --> 00:14:23,700

they have DNA in common with us let's

376

00:14:27,290 --> 00:14:25,079

remember that

377

00:14:29,870 --> 00:14:27,300

but the information coming from these

378

00:14:32,870 --> 00:14:29,880

sources was that These two factions are

379

00:14:33,650 --> 00:14:32,880

here to try to change the future as it

380

00:14:36,050 --> 00:14:33,660

were

381

00:14:38,629 --> 00:14:36,060

in other words to try to alter our

382

00:14:40,790 --> 00:14:38,639

timeline what is going to roll out for

383

00:14:42,790 --> 00:14:40,800

us as a species

384

00:14:46,069 --> 00:14:42,800

now again according to this information

385

00:14:47,569 --> 00:14:46,079

one of those factions is here to try to

386

00:14:49,610 --> 00:14:47,579

prevent something from happening

387

00:14:52,790 --> 00:14:49,620

something that has been referred to as a

388

00:14:54,410 --> 00:14:52,800

kind of cataclysm or Apocalypse Now we

389

00:14:55,790 --> 00:14:54,420

have different kinds of ideas but what

390

00:14:58,370 --> 00:14:55,800

that might mean I'll get to that a

391

00:15:00,110 --> 00:14:58,380

little bit later but again the notion is

392

00:15:02,509 --> 00:15:00,120

one of these groups is here to try to

393

00:15:05,449 --> 00:15:02,519

prevent this cataclysm from happening

394

00:15:07,310 --> 00:15:05,459

and they are working with people on the

395

00:15:09,350 --> 00:15:07,320

inside in terms of intelligent circles

396

00:15:11,870 --> 00:15:09,360

governmental circles even military

397

00:15:14,269 --> 00:15:11,880

circles to try to bring about events

398

00:15:16,550 --> 00:15:14,279

that would prevent this from happening

399

00:15:18,829 --> 00:15:16,560

on the other end of the spectrum there's

400

00:15:20,269 --> 00:15:18,839

another faction of these others not

401
00:15:23,810 --> 00:15:20,279
necessarily a different type sometimes

402
00:15:25,790 --> 00:15:23,820
of the same type but aligned with a

403
00:15:28,310 --> 00:15:25,800
different agenda in terms of this

404
00:15:29,870 --> 00:15:28,320
cataclysm in other words they do want it

405
00:15:31,790 --> 00:15:29,880
to happen now again there's different

406
00:15:33,410 --> 00:15:31,800
reasons why that might be the case and

407
00:15:35,569 --> 00:15:33,420
I've had some further Clarity on why

408
00:15:38,329 --> 00:15:35,579
that would be as compared when I talked

409
00:15:40,129 --> 00:15:38,339
about it last year but again the key to

410
00:15:41,930 --> 00:15:40,139
just focusing on here is there's two

411
00:15:43,850 --> 00:15:41,940
factions not necessarily two different

412
00:15:46,009 --> 00:15:43,860
types there are some different types

413
00:15:47,569 --> 00:15:46,019

involved but it's not so much about one

414

00:15:49,430 --> 00:15:47,579

type being on one side and a different

415

00:15:52,370 --> 00:15:49,440

type being on the other side there's

416

00:15:54,410 --> 00:15:52,380

some mixing of the types there but one

417

00:15:57,050 --> 00:15:54,420

of these factions definitely wants this

418

00:15:59,210 --> 00:15:57,060

to happen and the other one doesn't and

419

00:16:01,610 --> 00:15:59,220

there's kind of a chess game going on

420

00:16:04,069 --> 00:16:01,620

right now in terms of what will play out

421

00:16:06,350 --> 00:16:04,079

based on the interaction of these

422

00:16:08,810 --> 00:16:06,360

different others with us

423

00:16:11,689 --> 00:16:08,820

as these different agendas play out in

424

00:16:14,030 --> 00:16:11,699

terms of the Dynamics in real time in

425

00:16:16,250 --> 00:16:14,040

our space-time as we speak

426
00:16:17,689 --> 00:16:16,260
now moving on to the next puzzle piece

427
00:16:18,889 --> 00:16:17,699
that plays into this overarching

428
00:16:21,110 --> 00:16:18,899
narrative that I want to bring to your

429
00:16:23,329 --> 00:16:21,120
attention again just to remind you I'm

430
00:16:24,889 --> 00:16:23,339
referring to information that's in plain

431
00:16:27,530 --> 00:16:24,899
sight that you can find that you can

432
00:16:29,269 --> 00:16:27,540
access but I'm not just relying on these

433
00:16:31,730 --> 00:16:29,279
sources I have other sources that

434
00:16:33,170 --> 00:16:31,740
corroborate the information you find in

435
00:16:34,370 --> 00:16:33,180
these sources I am bringing your

436
00:16:36,590 --> 00:16:34,380
attention to

437
00:16:38,569 --> 00:16:36,600
the next one is this book Rachel's eyes

438
00:16:41,749 --> 00:16:38,579

that we discussed last time on point of

439

00:16:44,150 --> 00:16:41,759

convergence now if you remember that

440

00:16:46,730 --> 00:16:44,160

book speaks to coordination and

441

00:16:48,670 --> 00:16:46,740

cooperation between human governments

442

00:16:51,410 --> 00:16:48,680

especially elements within the American

443

00:16:53,569 --> 00:16:51,420

military-industrial complex and various

444

00:16:55,970 --> 00:16:53,579

alien and non-conventionally human

445

00:16:57,590 --> 00:16:55,980

groups and when I say non-conventionally

446

00:16:59,990 --> 00:16:57,600

human I hope by now you know what I mean

447

00:17:01,790 --> 00:17:00,000

I'm speaking about time there and

448

00:17:04,189 --> 00:17:01,800

differences in terms of how they appear

449

00:17:06,110 --> 00:17:04,199

then as opposed to now and having some

450

00:17:08,449 --> 00:17:06,120

of our DNA and being in some way is

451

00:17:11,030 --> 00:17:08,459

related to us now

452

00:17:13,250 --> 00:17:11,040

that book also hinted at the notion that

453

00:17:16,130 --> 00:17:13,260

different groups of aliens exist within

454

00:17:18,710 --> 00:17:16,140

a larger organizational structure even

455

00:17:21,350 --> 00:17:18,720

if their individual group agendas do

456

00:17:22,549 --> 00:17:21,360

sometimes differ and sometimes quite

457

00:17:24,770 --> 00:17:22,559

dramatically

458

00:17:26,990 --> 00:17:24,780

and if you remember from last time's

459

00:17:29,870 --> 00:17:27,000

podcast when I discussed Rachel's eyes

460

00:17:31,970 --> 00:17:29,880

in detail there's also a notion in that

461

00:17:34,789 --> 00:17:31,980

book that is supposedly representing

462

00:17:37,370 --> 00:17:34,799

history an actual events in real places

463

00:17:40,970 --> 00:17:37,380

and people that existed there was also

464

00:17:42,650 --> 00:17:40,980

discussion of vast underground bases in

465

00:17:45,110 --> 00:17:42,660

places you might consider The Usual

466

00:17:46,970 --> 00:17:45,120

Suspects like the American southwest but

467

00:17:49,270 --> 00:17:46,980

bases in slightly different places than

468

00:17:51,830 --> 00:17:49,280

people are used to like S4 for instance

469

00:17:53,510 --> 00:17:51,840

whether a vast array of these

470

00:17:55,970 --> 00:17:53,520

underground tunnels and interconnected

471

00:17:58,490 --> 00:17:55,980

bases but what's going on there is

472

00:18:00,770 --> 00:17:58,500

cooperation experiments and the

473

00:18:03,350 --> 00:18:00,780

development of Technology where both

474

00:18:06,650 --> 00:18:03,360

humans and aliens are working together

475

00:18:08,930 --> 00:18:06,660

and sometimes on a long-term basis and

476

00:18:11,090 --> 00:18:08,940

in addition to that remember this part

477

00:18:13,810 --> 00:18:11,100

of the country is also used as a kind of

478

00:18:15,470 --> 00:18:13,820

hub for craft that are coming in both

479

00:18:17,630 --> 00:18:15,480

interstellarly and also

480

00:18:19,490 --> 00:18:17,640

interdimensionally and that some beings

481

00:18:21,710 --> 00:18:19,500

come in for a short time some stay for

482

00:18:23,810 --> 00:18:21,720

longer periods of time and sometimes are

483

00:18:26,870 --> 00:18:23,820

part of ongoing experimentation that's

484

00:18:29,570 --> 00:18:26,880

going on in cooperation with elements of

485

00:18:31,310 --> 00:18:29,580

the military-industrial complex of

486

00:18:33,529 --> 00:18:31,320

course as part of that we also talked

487

00:18:35,450 --> 00:18:33,539

about there being an agreement a treaty

488

00:18:37,370 --> 00:18:35,460

with human governments specifically

489

00:18:40,070 --> 00:18:37,380

around the era of the Eisenhower

490

00:18:43,310 --> 00:18:40,080

Administration that allowed for

491

00:18:45,710 --> 00:18:43,320

basically agreed to a certain contingent

492

00:18:48,890 --> 00:18:45,720

of this Galactic Federation a certain

493

00:18:52,310 --> 00:18:48,900

group of Grays basically to abduct human

494

00:18:54,169 --> 00:18:52,320

beings to abduct American citizens and

495

00:18:55,909 --> 00:18:54,179

this would be as part of a hybridization

496

00:18:58,010 --> 00:18:55,919

program an ongoing genetic

497

00:18:59,630 --> 00:18:58,020

experimentation and that the government

498

00:19:01,370 --> 00:18:59,640

or at least elements of the government

499

00:19:04,549 --> 00:19:01,380

in the form of the military-industrial

500

00:19:06,470 --> 00:19:04,559

complex and connections to it agreed to

501
00:19:08,450 --> 00:19:06,480
these treaties and that there was even

502
00:19:11,029 --> 00:19:08,460
some sort of notion of a quota around

503
00:19:12,710 --> 00:19:11,039
how many people could be abducted and

504
00:19:14,570 --> 00:19:12,720
that while this was going on the

505
00:19:16,909 --> 00:19:14,580
military-industrial complex would work

506
00:19:19,310 --> 00:19:16,919
towards distracting the general public

507
00:19:21,289 --> 00:19:19,320
from this reality to basically make

508
00:19:23,570 --> 00:19:21,299
people skeptical of the notion and they

509
00:19:25,310 --> 00:19:23,580
were basically undermine any kind of

510
00:19:27,110 --> 00:19:25,320
human sources that were discussing this

511
00:19:29,090 --> 00:19:27,120
and saying it was a reality

512
00:19:31,970 --> 00:19:29,100
they would agree to this quota in other

513
00:19:34,190 --> 00:19:31,980

words and also distract the public from

514

00:19:37,250 --> 00:19:34,200

what was going on suppress it basically

515

00:19:39,590 --> 00:19:37,260

in exchange for technology technology

516

00:19:42,289 --> 00:19:39,600

that would give the American industrial

517

00:19:44,510 --> 00:19:42,299

complex massive superiority

518

00:19:47,990 --> 00:19:44,520

technologically over any other nation

519

00:19:50,810 --> 00:19:48,000

state and probably for centuries to come

520

00:19:52,850 --> 00:19:50,820

okay enough about Rachel's eyes and the

521

00:19:55,310 --> 00:19:52,860

kind of realities that I think points to

522

00:19:57,590 --> 00:19:55,320

now I want to discuss a third puzzle

523

00:19:59,510 --> 00:19:57,600

piece this has to do with the raw

524

00:20:01,430 --> 00:19:59,520

material also known as the law of one

525

00:20:03,350 --> 00:20:01,440

now here I want to discuss the

526
00:20:05,870 --> 00:20:03,360
metaphysical backdrop for all of what's

527
00:20:07,669 --> 00:20:05,880
been going on now I haven't done an

528
00:20:10,130 --> 00:20:07,679
episode specifically on the raw material

529
00:20:12,230 --> 00:20:10,140
yet although I have alluded to it I will

530
00:20:14,510 --> 00:20:12,240
do probably several episodes dedicated

531
00:20:16,430 --> 00:20:14,520
to this material in the future and as

532
00:20:17,750 --> 00:20:16,440
I've said on numerous podcasts now I

533
00:20:20,029 --> 00:20:17,760
think this is the best channeled

534
00:20:22,370 --> 00:20:20,039
material we've ever received I think it

535
00:20:24,409 --> 00:20:22,380
really does speak to the metaphysical

536
00:20:26,930 --> 00:20:24,419
backdrop it speaks to what's really

537
00:20:28,970 --> 00:20:26,940
going on on the biggest stage not just

538
00:20:31,190 --> 00:20:28,980

in this lifetime but across lifetimes

539

00:20:32,870 --> 00:20:31,200

and across civilizations and across

540

00:20:35,270 --> 00:20:32,880

different kinds of iterations when we

541

00:20:36,830 --> 00:20:35,280

take on the forms of different kinds of

542

00:20:39,049 --> 00:20:36,840

beings

543

00:20:40,370 --> 00:20:39,059

now again also I would point out here if

544

00:20:41,990 --> 00:20:40,380

you have a hard time with channeled

545

00:20:44,390 --> 00:20:42,000

material if that feels like a stretch to

546

00:20:47,029 --> 00:20:44,400

you you need to recalculate you need to

547

00:20:49,070 --> 00:20:47,039

reconsider this is a major way of

548

00:20:51,110 --> 00:20:49,080

obtaining information not just for

549

00:20:53,090 --> 00:20:51,120

individuals and private interests but

550

00:20:55,549 --> 00:20:53,100

governments have done this as well and

551

00:20:57,230 --> 00:20:55,559

are ongoingly doing this so again if

552

00:20:59,330 --> 00:20:57,240

this is a stretch for you the notion

553

00:21:01,430 --> 00:20:59,340

that channeling is real a legitimate

554

00:21:03,770 --> 00:21:01,440

source of gaining information you need

555

00:21:06,470 --> 00:21:03,780

to reconsider and quickly

556

00:21:08,270 --> 00:21:06,480

okay so in the raw material one of the

557

00:21:10,310 --> 00:21:08,280

things that comes up is that death is

558

00:21:11,930 --> 00:21:10,320

not the end but is rather just the

559

00:21:15,289 --> 00:21:11,940

transitioning between different

560

00:21:16,909 --> 00:21:15,299

iterations and importantly depending on

561

00:21:19,730 --> 00:21:16,919

your level of Consciousness development

562

00:21:21,770 --> 00:21:19,740

it also Presents Death does the

563

00:21:24,590 --> 00:21:21,780

opportunity to transition to a different

564

00:21:26,090 --> 00:21:24,600

dimension of reality altogether and some

565

00:21:27,590 --> 00:21:26,100

of these beings we're interacting with

566

00:21:30,169 --> 00:21:27,600

some of these different civilizations

567

00:21:32,630 --> 00:21:30,179

are working on a different dimensional

568

00:21:34,669 --> 00:21:32,640

reality in other words they're operating

569

00:21:36,289 --> 00:21:34,679

with a kind of reality that operates

570

00:21:39,409 --> 00:21:36,299

differently than the one that we work in

571

00:21:41,750 --> 00:21:39,419

because reality is actually an interplay

572

00:21:43,549 --> 00:21:41,760

between Consciousness and what seems

573

00:21:46,730 --> 00:21:43,559

like physical reality

574

00:21:49,070 --> 00:21:46,740

now civilizations come and go this is

575

00:21:51,950 --> 00:21:49,080

also something that should be noted but

576

00:21:54,049 --> 00:21:51,960

this is not by accident but actually

577

00:21:56,390 --> 00:21:54,059

according to a cosmic balancing of

578

00:21:59,450 --> 00:21:56,400

interests that are geared towards the

579

00:22:01,190 --> 00:21:59,460

greatest good okay so we need to expand

580

00:22:03,289 --> 00:22:01,200

our understanding what the greatest good

581

00:22:05,450 --> 00:22:03,299

here is it's not just for us as

582

00:22:08,690 --> 00:22:05,460

individuals our family or our nation

583

00:22:11,990 --> 00:22:08,700

state or our civilization or even our

584

00:22:14,930 --> 00:22:12,000

planet in total us beings as well as

585

00:22:17,570 --> 00:22:14,940

animals and the Earth itself but across

586

00:22:19,549 --> 00:22:17,580

the spectrum of for instance a galactic

587

00:22:22,490 --> 00:22:19,559

arm or more than that

588

00:22:24,590 --> 00:22:22,500

these different Galactic federations

589

00:22:27,230 --> 00:22:24,600

basically balance the Free Will interest

590

00:22:29,390 --> 00:22:27,240

and the greater good amongst all of

591

00:22:31,669 --> 00:22:29,400

those players so as you can imagine it

592

00:22:34,010 --> 00:22:31,679

gets quite complex but that's what goes

593

00:22:36,409 --> 00:22:34,020

on there but importantly when a

594

00:22:38,510 --> 00:22:36,419

civilization ends or when some sort of

595

00:22:41,330 --> 00:22:38,520

cataclysmic event happens that

596

00:22:42,950 --> 00:22:41,340

effectively ends that Civilization it's

597

00:22:45,470 --> 00:22:42,960

not accidental that there are

598

00:22:46,909 --> 00:22:45,480

metaphysical principles behind this and

599

00:22:48,710 --> 00:22:46,919

that when those things happen it's

600

00:22:51,169 --> 00:22:48,720

because there's a shuffling of the debt

601
00:22:53,990 --> 00:22:51,179
going on but even then again for the

602
00:22:56,690 --> 00:22:54,000
greatest good and remember individual

603
00:22:58,310 --> 00:22:56,700
consciousnesses will reiterate either in

604
00:23:00,950 --> 00:22:58,320
the same kind of form or in a different

605
00:23:03,049 --> 00:23:00,960
form altogether and they will be moved

606
00:23:04,970 --> 00:23:03,059
around into different contexts based on

607
00:23:07,430 --> 00:23:04,980
their level of Consciousness development

608
00:23:09,950 --> 00:23:07,440
so in other words even if a civilization

609
00:23:11,930 --> 00:23:09,960
was wiped out or even if someone just

610
00:23:14,029 --> 00:23:11,940
died for instance they might come back

611
00:23:15,830 --> 00:23:14,039
cycling in the same kind of dimensional

612
00:23:18,169 --> 00:23:15,840
construct as they were already in

613
00:23:20,450 --> 00:23:18,179

because they still have the same lessons

614

00:23:22,130 --> 00:23:20,460

to learn or if they developed

615

00:23:24,049 --> 00:23:22,140

sufficiently then they have the

616

00:23:26,870 --> 00:23:24,059

opportunity to ascend to a different

617

00:23:28,730 --> 00:23:26,880

kind of reality construct and that's

618

00:23:31,549 --> 00:23:28,740

what you hear about when experimenter

619

00:23:33,950 --> 00:23:31,559

groups talk about Ascension to 4D or 5D

620

00:23:35,990 --> 00:23:33,960

that's what they're talking about

621

00:23:38,090 --> 00:23:36,000

so that speaks to the metaphysical

622

00:23:41,169 --> 00:23:38,100

architecture the overarching

623

00:23:44,330 --> 00:23:41,179

metaphysical reality that basically

624

00:23:46,669 --> 00:23:44,340

unfolds what we perceive as our lives

625

00:23:49,250 --> 00:23:46,679

our civilization our physical reality

626

00:23:52,490 --> 00:23:49,260

even so keep that all in mind

627

00:23:54,289 --> 00:23:52,500

so again just to reiterate here from

628

00:23:56,450 --> 00:23:54,299

today's perspective we've discussed

629

00:23:58,970 --> 00:23:56,460

three different key puzzle pieces that I

630

00:24:01,370 --> 00:23:58,980

have found speak to other sources I've

631

00:24:04,010 --> 00:24:01,380

found that corroborate these sources and

632

00:24:06,409 --> 00:24:04,020

show how they stitch together so we have

633

00:24:08,450 --> 00:24:06,419

the notion of these extra tempestules or

634

00:24:10,850 --> 00:24:08,460

these beings that seem to be from the

635

00:24:13,010 --> 00:24:10,860

future in some fashion as we perceive it

636

00:24:14,930 --> 00:24:13,020

and have some connection to us even in

637

00:24:16,310 --> 00:24:14,940

terms of genetic connection but are

638

00:24:18,110 --> 00:24:16,320

quite different and look more like what

639

00:24:20,750 --> 00:24:18,120

you would perceive as a gray alien or

640

00:24:23,149 --> 00:24:20,760

some variation thereof we have that

641

00:24:25,970 --> 00:24:23,159

piece that are here around some sort of

642

00:24:29,270 --> 00:24:25,980

potential coming cataclysm and working

643

00:24:31,370 --> 00:24:29,280

on different sides of the equation one

644

00:24:33,409 --> 00:24:31,380

having an agenda where this would happen

645

00:24:34,970 --> 00:24:33,419

the other have the agenda where this

646

00:24:36,830 --> 00:24:34,980

wouldn't happen

647

00:24:38,450 --> 00:24:36,840

then we have the notion from Rachel's

648

00:24:40,310 --> 00:24:38,460

eyes that there's been ongoing

649

00:24:42,649 --> 00:24:40,320

cooperation between the

650

00:24:45,010 --> 00:24:42,659

military-industrial complex and a group

651
00:24:47,630 --> 00:24:45,020
or groups from within a larger

652
00:24:50,270 --> 00:24:47,640
Confederation structure and that this

653
00:24:53,750 --> 00:24:50,280
has involved not just re-engineering of

654
00:24:56,090 --> 00:24:53,760
alien Tech but also alien Tech delivered

655
00:24:58,730 --> 00:24:56,100
to the military-industrial complex in

656
00:25:00,289 --> 00:24:58,740
exchange for the ongoing hybridization

657
00:25:02,510 --> 00:25:00,299
efforts that some of these groups are

658
00:25:04,250 --> 00:25:02,520
involved with and the hiding of this

659
00:25:06,289 --> 00:25:04,260
from the General Public

660
00:25:08,630 --> 00:25:06,299
okay so keep that in mind and then

661
00:25:10,730 --> 00:25:08,640
finally the third piece is this raw

662
00:25:11,990 --> 00:25:10,740
material the law of one by the way I

663
00:25:14,270 --> 00:25:12,000

want to spell it out because some people

664

00:25:18,289 --> 00:25:14,280

keep thinking I'm saying raw as in raw

665

00:25:20,990 --> 00:25:18,299

I'm not as raw as in ra as in the Raw

666

00:25:23,690 --> 00:25:21,000

group known about in ancient Egypt so

667

00:25:25,490 --> 00:25:23,700

the raw material or the raw contact the

668

00:25:28,430 --> 00:25:25,500

law of one material you can find those

669

00:25:30,230 --> 00:25:28,440

books either on Amazon or they also

670

00:25:32,870 --> 00:25:30,240

actually publish all those channeling

671

00:25:34,310 --> 00:25:32,880

sessions for free on the law of one

672

00:25:36,169 --> 00:25:34,320

website

673

00:25:38,330 --> 00:25:36,179

but keep in mind all of those things

674

00:25:40,610 --> 00:25:38,340

right the raw material speaks to the

675

00:25:43,310 --> 00:25:40,620

overarching architecture

676
00:25:45,890 --> 00:25:43,320
Rachel's eyes speaks to hybrids that are

677
00:25:48,289 --> 00:25:45,900
here and ongoing interplanetary

678
00:25:50,570 --> 00:25:48,299
agreements that are in place and then of

679
00:25:52,610 --> 00:25:50,580
course my three episodes on Extra

680
00:25:54,710 --> 00:25:52,620
tempestules or these beings that have

681
00:25:58,070 --> 00:25:54,720
come from what we perceive as our future

682
00:25:59,450 --> 00:25:58,080
around this coming major event of some

683
00:26:01,850 --> 00:25:59,460
sort or another

684
00:26:03,769 --> 00:26:01,860
okay that gives us some context for what

685
00:26:05,210 --> 00:26:03,779
we're going to talk about next and of

686
00:26:07,370 --> 00:26:05,220
course I began this episode talking

687
00:26:09,049 --> 00:26:07,380
about recent events current affairs and

688
00:26:11,570 --> 00:26:09,059

how I think that they're particularly

689

00:26:12,950 --> 00:26:11,580

significant so what have we seen with

690

00:26:15,409 --> 00:26:12,960

recent events

691

00:26:18,049 --> 00:26:15,419

well recently we've seen a flurry of

692

00:26:20,450 --> 00:26:18,059

reports regarding objects high in our

693

00:26:22,610 --> 00:26:20,460

skies in various parts of the world that

694

00:26:24,289 --> 00:26:22,620

seem to be operating with impunity in

695

00:26:26,510 --> 00:26:24,299

regards to the usual nation-state

696

00:26:29,810 --> 00:26:26,520

borders at least until their quote

697

00:26:32,570 --> 00:26:29,820

unquote shot down right now let me Begin

698

00:26:35,149 --> 00:26:32,580

by saying all is not as it seems here

699

00:26:37,850 --> 00:26:35,159

the theory of reports coming out reflect

700

00:26:39,710 --> 00:26:37,860

both reality and unreality

701
00:26:41,690 --> 00:26:39,720
and what I mean by that is that some of

702
00:26:43,490 --> 00:26:41,700
this is tied to new objects in the sky

703
00:26:46,130 --> 00:26:43,500
and some of it has to do with an

704
00:26:48,289 --> 00:26:46,140
operation designed to Prime people so

705
00:26:51,230 --> 00:26:48,299
they become familiar with this notion of

706
00:26:52,730 --> 00:26:51,240
identifying and then intercepting in one

707
00:26:55,549 --> 00:26:52,740
way or another these apparently

708
00:26:57,890 --> 00:26:55,559
anomalous objects now some of the

709
00:27:00,769 --> 00:26:57,900
objects will be identified others will

710
00:27:02,810 --> 00:27:00,779
be left as mysteries in some way so as

711
00:27:05,090 --> 00:27:02,820
to creep open in people's minds the

712
00:27:07,730 --> 00:27:05,100
notion that something else Beyond

713
00:27:10,070 --> 00:27:07,740

terrestrial Tech may be operating in the

714

00:27:12,110 --> 00:27:10,080

skies around our planet and again

715

00:27:14,570 --> 00:27:12,120

although the nuances I just mentioned

716

00:27:17,510 --> 00:27:14,580

are by Design

717

00:27:20,210 --> 00:27:17,520

so with this in mind it's fair to say

718

00:27:22,669 --> 00:27:20,220

that what we're beholding is indeed in

719

00:27:24,830 --> 00:27:22,679

some way a kind of psyop it's a

720

00:27:28,190 --> 00:27:24,840

purposeful psychological operation in

721

00:27:31,430 --> 00:27:28,200

other words aimed at the masses however

722

00:27:33,710 --> 00:27:31,440

what is intended is what's key here this

723

00:27:36,649 --> 00:27:33,720

time around it's a preparatory operation

724

00:27:38,149 --> 00:27:36,659

not an end in itself like historical

725

00:27:40,370 --> 00:27:38,159

psyops were

726
00:27:42,470 --> 00:27:40,380
whose only purpose was to distract and

727
00:27:44,510 --> 00:27:42,480
obfuscate in order to steer people away

728
00:27:46,610 --> 00:27:44,520
from the deeper Hidden Truths that's

729
00:27:49,010 --> 00:27:46,620
what the psyops used to be about

730
00:27:51,289 --> 00:27:49,020
this time around the psyop is designed

731
00:27:52,430 --> 00:27:51,299
to prepare them for these deeper Hidden

732
00:27:55,010 --> 00:27:52,440
Truths

733
00:27:57,289 --> 00:27:55,020
after all the hoopla about incursions by

734
00:27:59,210 --> 00:27:57,299
these various aerial objects it's

735
00:28:02,149 --> 00:27:59,220
interesting to note where this has all

736
00:28:03,850 --> 00:28:02,159
landed no pun intended let's consider

737
00:28:07,250 --> 00:28:03,860
this headline from The New York Times

738
00:28:10,190 --> 00:28:07,260

quote U.S calls off search for

739

00:28:12,409 --> 00:28:10,200

unidentified objects it shot down and in

740

00:28:14,690 --> 00:28:12,419

the subtitle reads the end of the search

741

00:28:17,149 --> 00:28:14,700

for objects downed over Alaska and Lake

742

00:28:19,250 --> 00:28:17,159

Huron raises the possibility that the

743

00:28:21,710 --> 00:28:19,260

devices will never be collected and

744

00:28:24,529 --> 00:28:21,720

analyzed unquote

745

00:28:26,810 --> 00:28:24,539

now where does this leave us if this is

746

00:28:28,789 --> 00:28:26,820

a psyop but one of a different nature

747

00:28:31,490 --> 00:28:28,799

this time around how does such a

748

00:28:33,769 --> 00:28:31,500

headline impact the populace even if

749

00:28:35,810 --> 00:28:33,779

mostly on a subconscious level

750

00:28:38,450 --> 00:28:35,820

again I would suggest to you that it

751
00:28:41,390 --> 00:28:38,460
leaves the door cracked open even if on

752
00:28:44,029 --> 00:28:41,400
a largely subconscious level again

753
00:28:46,070 --> 00:28:44,039
now what has also happened recently is

754
00:28:48,769 --> 00:28:46,080
the number of historical mentions of the

755
00:28:51,049 --> 00:28:48,779
words UFO and UAP went up almost

756
00:28:52,490 --> 00:28:51,059
exponentially over the last week or week

757
00:28:55,909 --> 00:28:52,500
and a half

758
00:28:57,710 --> 00:28:55,919
in addition the term phenomenon long

759
00:29:00,289 --> 00:28:57,720
known to us intimately familiar with

760
00:29:02,870 --> 00:29:00,299
this topic was also introduced to the

761
00:29:05,810 --> 00:29:02,880
masses over the last couple of weeks by

762
00:29:08,289 --> 00:29:05,820
politicians at the highest level and not

763
00:29:12,049 --> 00:29:08,299

in a snarky snickery kind of way either

764

00:29:14,029 --> 00:29:12,059

this is not something to dismiss lightly

765

00:29:15,890 --> 00:29:14,039

I will suggest to you that this is all

766

00:29:19,070 --> 00:29:15,900

very much by Design

767

00:29:21,649 --> 00:29:19,080

NLP is in play here neuro-linguistic

768

00:29:23,870 --> 00:29:21,659

programming the use of words in a

769

00:29:26,990 --> 00:29:23,880

special order presented in certain kinds

770

00:29:28,789 --> 00:29:27,000

of scenarios by official players in such

771

00:29:31,430 --> 00:29:28,799

a way as to normalize something

772

00:29:34,370 --> 00:29:31,440

normalize an overarching narrative that

773

00:29:36,350 --> 00:29:34,380

can be developed further later on it's

774

00:29:38,630 --> 00:29:36,360

basically like a fire drill it

775

00:29:41,750 --> 00:29:38,640

normalizes the process so that when a

776

00:29:43,909 --> 00:29:41,760

fire actually occurs the kids are ready

777

00:29:45,590 --> 00:29:43,919

to deal with it because it's not this

778

00:29:48,950 --> 00:29:45,600

shock it would have been if there had

779

00:29:52,549 --> 00:29:48,960

been no preparation keep that in mind

780

00:29:54,830 --> 00:29:52,559

okay let's State some facts again the

781

00:29:56,630 --> 00:29:54,840

UFO phenomenon is an amalgam of many

782

00:29:58,310 --> 00:29:56,640

different actors and agendas I've been

783

00:29:59,990 --> 00:29:58,320

saying that on point of convergence for

784

00:30:02,570 --> 00:30:00,000

quite some time now

785

00:30:04,370 --> 00:30:02,580

that said one particular subset of the

786

00:30:06,950 --> 00:30:04,380

overall phenomenon has emerged more

787

00:30:09,110 --> 00:30:06,960

clearly over the last year or so

788

00:30:12,169 --> 00:30:09,120

and activities in that sector have been

789

00:30:14,029 --> 00:30:12,179

increasing almost to a fever pitch and

790

00:30:16,610 --> 00:30:14,039

again this speaks to the two factions

791

00:30:19,130 --> 00:30:16,620

around this coming event

792

00:30:21,830 --> 00:30:19,140

what does this all point to what is the

793

00:30:23,870 --> 00:30:21,840

nature of the reality behind all of this

794

00:30:26,870 --> 00:30:23,880

well this is not just about aliens

795

00:30:28,909 --> 00:30:26,880

visiting long existing or active in

796

00:30:31,130 --> 00:30:28,919

human affairs

797

00:30:33,409 --> 00:30:31,140

but this also involves the development

798

00:30:35,870 --> 00:30:33,419

of Legacy programs that have developed

799

00:30:38,450 --> 00:30:35,880

Tech based on Crash retrievals and

800

00:30:40,549 --> 00:30:38,460

Accord slash treaties made with groups

801
00:30:42,169 --> 00:30:40,559
of non-human intelligences

802
00:30:43,909 --> 00:30:42,179
please remember my reference to the

803
00:30:46,549 --> 00:30:43,919
kinds of Arrangements discussed In A

804
00:30:48,590 --> 00:30:46,559
Book Like Rachel's eyes a book that also

805
00:30:50,690 --> 00:30:48,600
discuss alien human hybrids of course

806
00:30:52,070 --> 00:30:50,700
which will also be important in the

807
00:30:55,010 --> 00:30:52,080
future

808
00:30:57,049 --> 00:30:55,020
now another key aspect here is that it's

809
00:30:59,630 --> 00:30:57,059
not just that there's factions with

810
00:31:01,850 --> 00:30:59,640
these others again two main factions in

811
00:31:04,250 --> 00:31:01,860
this one particular aspect of the

812
00:31:07,010 --> 00:31:04,260
overarching UFO phenomenon that have

813
00:31:08,870 --> 00:31:07,020

different agendas as it pertains to this

814

00:31:11,029 --> 00:31:08,880

coming event

815

00:31:13,310 --> 00:31:11,039

there is also factioning within

816

00:31:15,889 --> 00:31:13,320

government that's important to keep in

817

00:31:17,990 --> 00:31:15,899

mind and also that these two are not

818

00:31:19,789 --> 00:31:18,000

completely distinct in other words some

819

00:31:23,090 --> 00:31:19,799

of the factioning we see with the others

820

00:31:24,950 --> 00:31:23,100

is also represented with factioning in

821

00:31:26,930 --> 00:31:24,960

the military-industrial complex and

822

00:31:29,029 --> 00:31:26,940

governmental structures in our world

823

00:31:30,710 --> 00:31:29,039

altogether

824

00:31:33,649 --> 00:31:30,720

it's also important to keep in mind that

825

00:31:36,110 --> 00:31:33,659

this is a dynamic situation but historic

826

00:31:38,389 --> 00:31:36,120

events are in play right now

827

00:31:40,909 --> 00:31:38,399

some of what will come to light is our

828

00:31:42,529 --> 00:31:40,919

own reverse engineered Tech that

829

00:31:45,350 --> 00:31:42,539

involves things like anti-gravity

830

00:31:48,049 --> 00:31:45,360

reverse engineered anti-gravity Tech

831

00:31:51,049 --> 00:31:48,059

also things like free energy like zero

832

00:31:52,490 --> 00:31:51,059

point is also in play here again we've

833

00:31:54,830 --> 00:31:52,500

heard about these things this has been

834

00:31:56,210 --> 00:31:54,840

in the fringes right again in plain

835

00:31:57,830 --> 00:31:56,220

sight there are books there are

836

00:31:59,930 --> 00:31:57,840

resources there are podcasts

837

00:32:02,149 --> 00:31:59,940

historically that have spoken to these

838

00:32:04,490 --> 00:32:02,159

Notions and I'm saying to you that this

839

00:32:06,950 --> 00:32:04,500

is a real thing this is technology

840

00:32:09,409 --> 00:32:06,960

that's been developed in our world in

841

00:32:10,909 --> 00:32:09,419

cooperation with human beings and

842

00:32:12,649 --> 00:32:10,919

non-human groups

843

00:32:14,570 --> 00:32:12,659

and they have different aspects of

844

00:32:16,789 --> 00:32:14,580

elements of the military-industrial

845

00:32:18,409 --> 00:32:16,799

complex have achieved these kinds of

846

00:32:21,230 --> 00:32:18,419

Technology

847

00:32:23,690 --> 00:32:21,240

now in terms of recent events and this

848

00:32:25,490 --> 00:32:23,700

hoopla around objects in our skies and

849

00:32:27,110 --> 00:32:25,500

us shooting them down

850

00:32:30,110 --> 00:32:27,120

part of this is about letting

851
00:32:32,870 --> 00:32:30,120
governments save face in a rollout to

852
00:32:36,649 --> 00:32:32,880
prevent public panic when something

853
00:32:38,450 --> 00:32:36,659
comes later to our realization again the

854
00:32:39,950 --> 00:32:38,460
key here is that there's a narrative

855
00:32:42,409 --> 00:32:39,960
being set up here this is an

856
00:32:44,570 --> 00:32:42,419
intelligence operation a mass

857
00:32:47,870 --> 00:32:44,580
intelligence operation a Psy up of the

858
00:32:50,029 --> 00:32:47,880
larger scale whose design is intended to

859
00:32:53,149 --> 00:32:50,039
prepare us for some sort of major

860
00:32:55,370 --> 00:32:53,159
Revelation again hence the inflection

861
00:32:58,310 --> 00:32:55,380
point for our civilization

862
00:33:00,110 --> 00:32:58,320
now again numerous factors are in play

863
00:33:02,090 --> 00:33:00,120

don't forget whistleblowers are

864

00:33:03,590 --> 00:33:02,100

testifying before Congress as we speak

865

00:33:06,529 --> 00:33:03,600

and much of this has already happened

866

00:33:08,450 --> 00:33:06,539

and importantly this is working this

867

00:33:10,970 --> 00:33:08,460

process is exposing some of the true

868

00:33:13,070 --> 00:33:10,980

history of the 20th century including

869

00:33:15,590 --> 00:33:13,080

history regarding crash retrieval

870

00:33:18,470 --> 00:33:15,600

programs in a shocking manner by the way

871

00:33:21,350 --> 00:33:18,480

to those conducting the events

872

00:33:23,509 --> 00:33:21,360

okay so now I want to move on to a part

873

00:33:25,789 --> 00:33:23,519

of the episode where I reference

874

00:33:27,769 --> 00:33:25,799

different statements I've made on social

875

00:33:30,230 --> 00:33:27,779

media over the last four or five days

876

00:33:31,669 --> 00:33:30,240

again this is a fluid situation things

877

00:33:33,950 --> 00:33:31,679

are happening quickly I've been

878

00:33:35,509 --> 00:33:33,960

responding in real time and now I want

879

00:33:37,549 --> 00:33:35,519

to discuss some of those things I've

880

00:33:39,049 --> 00:33:37,559

said on social media and then expound on

881

00:33:41,090 --> 00:33:39,059

them and talk about how they fit

882

00:33:42,470 --> 00:33:41,100

together based on what we just talked

883

00:33:45,169 --> 00:33:42,480

about

884

00:33:46,970 --> 00:33:45,179

one of the things I said was quote the

885

00:33:50,149 --> 00:33:46,980

left hand of government is recognizing

886

00:33:52,669 --> 00:33:50,159

that constitutional Norms be damned the

887

00:33:55,370 --> 00:33:52,679

right hand is not coming clean and is

888

00:33:57,710 --> 00:33:55,380

often willfully stonewalling suppressing

889

00:34:00,470 --> 00:33:57,720

and preventing not only the reporting

890

00:34:03,230 --> 00:34:00,480

but even the Gathering of relevant data

891

00:34:04,730 --> 00:34:03,240

pertaining to the UFO phenomenon unquote

892

00:34:07,070 --> 00:34:04,740

again that's something I wrote earlier

893

00:34:09,829 --> 00:34:07,080

this week and this was in reference to

894

00:34:12,230 --> 00:34:09,839

something that Ross cool tart had talked

895

00:34:14,690 --> 00:34:12,240

about I want to quote something here

896

00:34:17,089 --> 00:34:14,700

Ross kulthart suggests that a senior

897

00:34:19,070 --> 00:34:17,099

commander of the U.S Navy went to the

898

00:34:21,649 --> 00:34:19,080

Biden White House and has accused the

899

00:34:24,589 --> 00:34:21,659

U.S Air Force of hiding UFO information

900

00:34:26,089 --> 00:34:24,599

that has created an overall weakness in

901
00:34:27,770 --> 00:34:26,099
U.S defense

902
00:34:29,750 --> 00:34:27,780
that's what one of the headlines on

903
00:34:32,450 --> 00:34:29,760
social media read and I just want to

904
00:34:34,849 --> 00:34:32,460
point out that this is key so much of

905
00:34:37,490 --> 00:34:34,859
this entire disclosure topic revolves

906
00:34:39,290 --> 00:34:37,500
around the U.S Air Force and not just

907
00:34:40,849 --> 00:34:39,300
because of the implications for U.S

908
00:34:42,710 --> 00:34:40,859
defense

909
00:34:44,210 --> 00:34:42,720
think back to those Accords that were

910
00:34:46,250 --> 00:34:44,220
made those agreements that were made

911
00:34:48,889 --> 00:34:46,260
that exchange of tech and things like

912
00:34:51,050 --> 00:34:48,899
that much of that has to do with the Air

913
00:34:52,609 --> 00:34:51,060

Force pay attention for those who have

914

00:34:54,770 --> 00:34:52,619

ears to hear

915

00:34:57,170 --> 00:34:54,780

now let me quote another tweet that I

916

00:34:59,450 --> 00:34:57,180

made this past week I said the Turning

917

00:35:01,370 --> 00:34:59,460

of the tie continues keep watching more

918

00:35:03,730 --> 00:35:01,380

to come and that was in reference to

919

00:35:06,710 --> 00:35:03,740

this headline pre-king from Washington

920

00:35:09,290 --> 00:35:06,720

President Joe Biden plans to deliver his

921

00:35:11,390 --> 00:35:09,300

most extended public remarks yet as

922

00:35:13,430 --> 00:35:11,400

early as Thursday about the unidentified

923

00:35:15,710 --> 00:35:13,440

objects that the U.S military has been

924

00:35:19,370 --> 00:35:15,720

shooting down three people familiar with

925

00:35:21,470 --> 00:35:19,380

the matter said unquote this was for NBC

926
00:35:23,329 --> 00:35:21,480
News by the way now again think about

927
00:35:25,670 --> 00:35:23,339
that headline we have reference to

928
00:35:28,069 --> 00:35:25,680
President Joe Biden delivering extended

929
00:35:30,770 --> 00:35:28,079
public remarks about unidentified

930
00:35:33,349 --> 00:35:30,780
objects that the US military has been

931
00:35:35,569 --> 00:35:33,359
shooting down think about this in terms

932
00:35:37,790 --> 00:35:35,579
of a psyop think about all the terms the

933
00:35:40,310 --> 00:35:37,800
Notions that were just introduced to the

934
00:35:41,750 --> 00:35:40,320
masses with a headline such as that

935
00:35:43,910 --> 00:35:41,760
and then around the same time

936
00:35:46,069 --> 00:35:43,920
Christopher Millen made a comment about

937
00:35:48,050 --> 00:35:46,079
POTUS as it pertains to the UFO

938
00:35:50,630 --> 00:35:48,060

phenomenon and the investigation of it

939

00:35:52,370 --> 00:35:50,640

he wrote quote the importance of today's

940

00:35:54,230 --> 00:35:52,380

announcement from the White House that

941

00:35:56,810 --> 00:35:54,240

POTUS has ordered a whole of government

942

00:36:00,109 --> 00:35:56,820

approach to investigating and mitigating

943

00:36:02,329 --> 00:36:00,119

UAP can't be overstated congrats to

944

00:36:05,690 --> 00:36:02,339

Biden for finally giving this issue the

945

00:36:07,910 --> 00:36:05,700

attention it's long deserved unquote

946

00:36:09,829 --> 00:36:07,920

now again remember this is a psyop

947

00:36:12,349 --> 00:36:09,839

designed to slowly introduce people to

948

00:36:14,569 --> 00:36:12,359

these notions to open the door a little

949

00:36:16,790 --> 00:36:14,579

bit in terms of planting in people's

950

00:36:19,970 --> 00:36:16,800

subconscious this kind of investigation

951
00:36:21,470 --> 00:36:19,980
into anomalous objects even if for now

952
00:36:24,290 --> 00:36:21,480
we're saying there's something like

953
00:36:25,910 --> 00:36:24,300
Chinese balloons but of course we have

954
00:36:27,829 --> 00:36:25,920
other comments from other political

955
00:36:30,170 --> 00:36:27,839
leaders that are hinting at something

956
00:36:31,970 --> 00:36:30,180
more than that and this is also part of

957
00:36:33,650 --> 00:36:31,980
the psy up that we have different

958
00:36:35,750 --> 00:36:33,660
messages coming from across the

959
00:36:37,490 --> 00:36:35,760
political spectrum that are slowly

960
00:36:39,950 --> 00:36:37,500
raising the temperature

961
00:36:42,050 --> 00:36:39,960
for instance Senator Blumenthal said

962
00:36:44,690 --> 00:36:42,060
this of unidentified objects in the sky

963
00:36:47,210 --> 00:36:44,700

quote the American people should be

964

00:36:50,030 --> 00:36:47,220

given more information they're ready for

965

00:36:52,910 --> 00:36:50,040

it they can handle it and they need and

966

00:36:55,790 --> 00:36:52,920

deserve to know it quote unquote

967

00:36:57,349 --> 00:36:55,800

and I said in my quote of that notice

968

00:36:59,810 --> 00:36:57,359

the shifting language more direct

969

00:37:02,150 --> 00:36:59,820

pointing to something specific keep

970

00:37:05,030 --> 00:37:02,160

watching and again if this is just about

971

00:37:06,410 --> 00:37:05,040

Chinese balloons why would he say the

972

00:37:08,930 --> 00:37:06,420

people should be given more information

973

00:37:12,050 --> 00:37:08,940

they're ready for it they can handle it

974

00:37:13,670 --> 00:37:12,060

they need and deserve to know it why is

975

00:37:15,890 --> 00:37:13,680

that relevant if it's just about Chinese

976
00:37:17,630 --> 00:37:15,900
balloons again I'm suggesting to you

977
00:37:20,030 --> 00:37:17,640
that something else is in play something

978
00:37:22,250 --> 00:37:20,040
more dramatic and that this introduces

979
00:37:24,410 --> 00:37:22,260
this into the consciousness of the

980
00:37:26,810 --> 00:37:24,420
populace at Large

981
00:37:28,730 --> 00:37:26,820
now let's consider another headline This

982
00:37:29,990 --> 00:37:28,740
Time by Micah Hanks who will also be

983
00:37:32,750 --> 00:37:30,000
speaking at that conference they'll be

984
00:37:34,130 --> 00:37:32,760
speaking about in Ohio in may he wrote

985
00:37:36,770 --> 00:37:34,140
this for the debrief this is the

986
00:37:39,170 --> 00:37:36,780
headline quote Biden addresses

987
00:37:42,290 --> 00:37:39,180
unidentified objects amidst calls for

988
00:37:43,550 --> 00:37:42,300

greater transparency from lawmakers and

989

00:37:45,829 --> 00:37:43,560

scientists

990

00:37:48,109 --> 00:37:45,839

unquote again think about that kind of

991

00:37:49,970 --> 00:37:48,119

headline and as the average American the

992

00:37:52,670 --> 00:37:49,980

average person around the world reads

993

00:37:56,750 --> 00:37:52,680

that kind of headline it normalizes and

994

00:37:58,609 --> 00:37:56,760

legitimizes this topic for the masses

995

00:38:01,010 --> 00:37:58,619

now think about what such messages

996

00:38:02,990 --> 00:38:01,020

suggest and what new possibilities are

997

00:38:05,510 --> 00:38:03,000

planted in the minds of the public who

998

00:38:07,550 --> 00:38:05,520

come across them again even if at

999

00:38:09,410 --> 00:38:07,560

emotionally subconscious level

1000

00:38:11,450 --> 00:38:09,420

what I'm suggesting to you is that this

1001
00:38:13,790 --> 00:38:11,460
all points towards an operation that one

1002
00:38:16,490 --> 00:38:13,800
might describe to use Grant Cameron's

1003
00:38:18,589 --> 00:38:16,500
terminology is something like managed

1004
00:38:19,670 --> 00:38:18,599
disclosure

1005
00:38:21,170 --> 00:38:19,680
now

1006
00:38:22,910 --> 00:38:21,180
of course in addition to the general

1007
00:38:25,250 --> 00:38:22,920
public these kinds of messages are

1008
00:38:27,589 --> 00:38:25,260
designed to awaken the interest of the

1009
00:38:30,170 --> 00:38:27,599
media supposedly another key component

1010
00:38:32,569 --> 00:38:30,180
of any functioning democracy with the

1011
00:38:34,849 --> 00:38:32,579
aim that the stories they write also

1012
00:38:36,770 --> 00:38:34,859
further crack open the door further

1013
00:38:39,530 --> 00:38:36,780

normalizing these matters in the minds

1014

00:38:41,930 --> 00:38:39,540

of the public at large in other words as

1015

00:38:43,550 --> 00:38:41,940

I wrote on social media the carrots are

1016

00:38:45,530 --> 00:38:43,560

dangling now it's a matter of how

1017

00:38:47,810 --> 00:38:45,540

quickly the mainstream media takes the

1018

00:38:50,630 --> 00:38:47,820

beat it's being willfully if somewhat

1019

00:38:53,870 --> 00:38:50,640

artfully offered I also wrote on social

1020

00:38:56,089 --> 00:38:53,880

media in Act 2 journalists need to start

1021

00:38:57,970 --> 00:38:56,099

doing their jobs digging Beyond

1022

00:39:00,829 --> 00:38:57,980

superficial statements looking for

1023

00:39:03,530 --> 00:39:00,839

inconsistencies between said statements

1024

00:39:05,810 --> 00:39:03,540

and data recognizing and asking deeper

1025

00:39:08,510 --> 00:39:05,820

questions when incongruences appear

1026
00:39:10,790 --> 00:39:08,520
between various official narratives for

1027
00:39:12,890 --> 00:39:10,800
instance between senators and presidents

1028
00:39:15,829 --> 00:39:12,900
or between the Air Force and the Navy

1029
00:39:17,450 --> 00:39:15,839
things like that now in regards to all

1030
00:39:19,730 --> 00:39:17,460
of this this is something else I wrote

1031
00:39:21,170 --> 00:39:19,740
on social media this week pertaining to

1032
00:39:23,510 --> 00:39:21,180
recent events

1033
00:39:25,910 --> 00:39:23,520
don't mistake your assumptions about how

1034
00:39:28,790 --> 00:39:25,920
disclosure will roll out for the reality

1035
00:39:31,069 --> 00:39:28,800
so far things are proceeding as expected

1036
00:39:33,410 --> 00:39:31,079
including the nature of Biden's speech

1037
00:39:34,569 --> 00:39:33,420
watch the overall narrative and the

1038
00:39:37,190 --> 00:39:34,579

percentage of the population

1039

00:39:38,930 --> 00:39:37,200

increasingly becoming acclimatized

1040

00:39:41,329 --> 00:39:38,940

unquote

1041

00:39:44,089 --> 00:39:41,339

I also wrote for those who have ears to

1042

00:39:46,190 --> 00:39:44,099

hear history repeats itself until it

1043

00:39:48,890 --> 00:39:46,200

doesn't don't assume recent events are

1044

00:39:51,050 --> 00:39:48,900

explainable and dismissable according to

1045

00:39:52,010 --> 00:39:51,060

the actions of official channels in the

1046

00:39:53,870 --> 00:39:52,020

past

1047

00:39:56,270 --> 00:39:53,880

and I also wrote expect reported

1048

00:39:58,069 --> 00:39:56,280

settings to continue to increase and not

1049

00:40:00,410 --> 00:39:58,079

just because more people are bothering

1050

00:40:02,750 --> 00:40:00,420

to look up again I think part of the

1051
00:40:04,490 --> 00:40:02,760
ongoing operation that is unfolding as

1052
00:40:07,370 --> 00:40:04,500
we speak

1053
00:40:09,589 --> 00:40:07,380
I also wrote quote a key component of

1054
00:40:12,050 --> 00:40:09,599
what's coming is a metaphysical shock to

1055
00:40:13,790 --> 00:40:12,060
the collective system not only have the

1056
00:40:16,010 --> 00:40:13,800
dominant physicalist assumptions about

1057
00:40:18,349 --> 00:40:16,020
reality been wrong but they've been

1058
00:40:20,390 --> 00:40:18,359
incalculably damaging

1059
00:40:22,849 --> 00:40:20,400
that's key too again think back to what

1060
00:40:24,770 --> 00:40:22,859
I talked about with the raw material the

1061
00:40:27,109 --> 00:40:24,780
law of one material when you reduce

1062
00:40:29,150 --> 00:40:27,119
things to just their physical nature you

1063
00:40:31,310 --> 00:40:29,160

end up doing damage that you're not even

1064

00:40:33,950 --> 00:40:31,320

calculating for and that's been the case

1065

00:40:36,230 --> 00:40:33,960

with our civilization especially from

1066

00:40:39,650 --> 00:40:36,240

the 20th century on

1067

00:40:41,390 --> 00:40:39,660

I also wrote pertaining to this quote up

1068

00:40:43,250 --> 00:40:41,400

until now we've been like the kids from

1069

00:40:45,589 --> 00:40:43,260

Lord of the Flies left to our own

1070

00:40:47,450 --> 00:40:45,599

devices but the inequities in our

1071

00:40:50,210 --> 00:40:47,460

civilization the way we've treated the

1072

00:40:52,250 --> 00:40:50,220

Earth and each other the way ego driven

1073

00:40:56,089 --> 00:40:52,260

power players have consistently courted

1074

00:40:58,910 --> 00:40:56,099

resources has not gone unnoticed

1075

00:41:00,710 --> 00:40:58,920

I also wrote quote humanity is not the

1076

00:41:02,930 --> 00:41:00,720

only party with a vested interest in

1077

00:41:04,970 --> 00:41:02,940

what happens here remember to keep that

1078

00:41:07,069 --> 00:41:04,980

in mind when considering what actions by

1079

00:41:09,530 --> 00:41:07,079

an alien superstructure are quote

1080

00:41:12,230 --> 00:41:09,540

unquote fair or not

1081

00:41:14,030 --> 00:41:12,240

finally I also said if you're here for

1082

00:41:16,730 --> 00:41:14,040

the nuts and bolts or if you have a hard

1083

00:41:18,890 --> 00:41:16,740

time seeing Earth as a living being you

1084

00:41:21,290 --> 00:41:18,900

may want to reconsider and sooner than

1085

00:41:23,810 --> 00:41:21,300

later the cosmic calculus for the

1086

00:41:26,630 --> 00:41:23,820

greater good involves much more than our

1087

00:41:29,329 --> 00:41:26,640

present civilization unquote and again

1088

00:41:31,730 --> 00:41:29,339

there I'm speaking to what is considered

1089

00:41:34,430 --> 00:41:31,740

fair or not which parties are considered

1090

00:41:36,770 --> 00:41:34,440

when the greater good is determined by

1091

00:41:38,690 --> 00:41:36,780

this overarching superstructure and

1092

00:41:41,030 --> 00:41:38,700

again what I'm referring to there also

1093

00:41:43,310 --> 00:41:41,040

is that the Earth is a living being this

1094

00:41:44,690 --> 00:41:43,320

is not a question this is true and part

1095

00:41:47,210 --> 00:41:44,700

of what's happened in our history is

1096

00:41:48,950 --> 00:41:47,220

that the Earth has called out the Gaia

1097

00:41:51,170 --> 00:41:48,960

Spirit has called out to the larger

1098

00:41:53,750 --> 00:41:51,180

superstructure complaining basically

1099

00:41:56,810 --> 00:41:53,760

about the state of affairs with us

1100

00:41:58,849 --> 00:41:56,820

on the planet like an infestation of

1101

00:42:01,370 --> 00:41:58,859

fleas basically that are not being

1102

00:42:02,510 --> 00:42:01,380

cognizant of behavior and how it affects

1103

00:42:05,210 --> 00:42:02,520

the whole

1104

00:42:07,730 --> 00:42:05,220

keep that in mind too

1105

00:42:09,230 --> 00:42:07,740

I also wrote this earlier this week I

1106

00:42:11,329 --> 00:42:09,240

said I've asked this before but it's

1107

00:42:13,310 --> 00:42:11,339

worth posting again how do you feel

1108

00:42:16,250 --> 00:42:13,320

about being engineered versus being

1109

00:42:17,990 --> 00:42:16,260

created might be a notion to get used to

1110

00:42:20,569 --> 00:42:18,000

just saying

1111

00:42:22,790 --> 00:42:20,579

but remember ultimately we're all facets

1112

00:42:26,270 --> 00:42:22,800

of original mind no matter how many

1113

00:42:28,370 --> 00:42:26,280

iterations down the line we are unquote

1114

00:42:30,290 --> 00:42:28,380

and just to be clear what I'm referring

1115

00:42:32,510 --> 00:42:30,300

to there is that this is really about

1116

00:42:34,430 --> 00:42:32,520

perception more than reality in some

1117

00:42:36,410 --> 00:42:34,440

ways engineering and creating are the

1118

00:42:38,990 --> 00:42:36,420

same thing but what I'm referring there

1119

00:42:41,510 --> 00:42:39,000

is to religious believers who might have

1120

00:42:44,030 --> 00:42:41,520

a notion of a certain kind of creation

1121

00:42:46,250 --> 00:42:44,040

narrative and how they came to be I'm

1122

00:42:48,170 --> 00:42:46,260

saying that what if who we are where we

1123

00:42:50,210 --> 00:42:48,180

came from is connected to an alien

1124

00:42:53,569 --> 00:42:50,220

intelligence that engineered us in a way

1125

00:42:55,310 --> 00:42:53,579

but that in doing so we still are part

1126

00:42:58,190 --> 00:42:55,320

of the original mind we are still

1127

00:43:00,290 --> 00:42:58,200

ultimately derivations of original mind

1128

00:43:03,589 --> 00:43:00,300

in other words aspects fractal

1129

00:43:05,569 --> 00:43:03,599

impressions of God even if alien

1130

00:43:08,089 --> 00:43:05,579

intelligences were involved in the

1131

00:43:11,150 --> 00:43:08,099

engineering of our physiological forms

1132

00:43:13,670 --> 00:43:11,160

and of the history of our civilization

1133

00:43:15,589 --> 00:43:13,680

now something else I said I know there's

1134

00:43:17,450 --> 00:43:15,599

a lot to take in here but I want to get

1135

00:43:19,609 --> 00:43:17,460

through all of it one of the things I

1136

00:43:21,890 --> 00:43:19,619

said this week was that some of the

1137

00:43:24,829 --> 00:43:21,900

historical suppression of the public and

1138

00:43:26,890 --> 00:43:24,839

press interest in the UFO phenomenon is

1139

00:43:30,109 --> 00:43:26,900

the result of a psychological operation

1140

00:43:32,390 --> 00:43:30,119

of the phenomenon or elements of it

1141

00:43:34,210 --> 00:43:32,400

that's part of the complexity of the

1142

00:43:36,770 --> 00:43:34,220

historical narrative

1143

00:43:38,870 --> 00:43:36,780

importantly this is now tipping in the

1144

00:43:41,270 --> 00:43:38,880

other direction in other words there is

1145

00:43:43,910 --> 00:43:41,280

a faction of the others now actively

1146

00:43:45,770 --> 00:43:43,920

pushing for disclosure this is one of

1147

00:43:48,410 --> 00:43:45,780

the key changes in the dynamic around

1148

00:43:50,930 --> 00:43:48,420

disclosure in our midst and the most

1149

00:43:53,150 --> 00:43:50,940

significant one by far

1150

00:43:54,950 --> 00:43:53,160

and obviously it reference to these

1151

00:43:57,589 --> 00:43:54,960

kinds of Notions the development of

1152

00:43:58,970 --> 00:43:57,599

these current events I wrote this this

1153

00:44:01,670 --> 00:43:58,980

past week

1154

00:44:04,490 --> 00:44:01,680

what a time to be alive right here right

1155

00:44:07,370 --> 00:44:04,500

now and some deep essential aspect of

1156

00:44:10,190 --> 00:44:07,380

you chose this civilization changing

1157

00:44:12,589 --> 00:44:10,200

history is being made in our generation

1158

00:44:13,910 --> 00:44:12,599

and I really do believe that that is the

1159

00:44:16,609 --> 00:44:13,920

case

1160

00:44:18,470 --> 00:44:16,619

and that will perhaps explain why I made

1161

00:44:19,609 --> 00:44:18,480

a rather cryptic tweet at the beginning

1162

00:44:22,670 --> 00:44:19,619

of the week

1163

00:44:26,329 --> 00:44:22,680

where I talked about quote picture gears

1164

00:44:28,490 --> 00:44:26,339

long Rusty starting to move unquote

1165

00:44:30,470 --> 00:44:28,500

and here of course I mean not just gears

1166

00:44:33,230 --> 00:44:30,480

within government and within elements of

1167

00:44:35,210 --> 00:44:33,240

the so-called deep state but also gears

1168

00:44:38,510 --> 00:44:35,220

related to these non-human and

1169

00:44:40,730 --> 00:44:38,520

non-conventionally human groups as well

1170

00:44:43,250 --> 00:44:40,740

when one considers this turn in advance

1171

00:44:45,650 --> 00:44:43,260

regardless of how and when exactly this

1172

00:44:47,569 --> 00:44:45,660

plays out there's really only one

1173

00:44:50,750 --> 00:44:47,579

conclusion to come to

1174

00:44:53,210 --> 00:44:50,760

buckle up Dorothy because Kansas is

1175

00:44:54,710 --> 00:44:53,220

going bye-bye

1176

00:44:57,050 --> 00:44:54,720

and now I leave you with these

1177

00:44:58,730 --> 00:44:57,060

concluding thoughts people should both

1178

00:45:01,190 --> 00:44:58,740

pay attention to the overarching

1179

00:45:03,349 --> 00:45:01,200

narrative being woven regarding recent

1180

00:45:07,430 --> 00:45:03,359

events to do with quote unquote shot

1181

00:45:09,410 --> 00:45:07,440

down UFO slash UAP while also taking the

1182

00:45:11,750 --> 00:45:09,420

details of the reports with a grain of

1183

00:45:13,670 --> 00:45:11,760

salt this approach will yield the

1184

00:45:16,970 --> 00:45:13,680

greatest insight into the greater

1185

00:45:18,950 --> 00:45:16,980

emerging picture because ultimately one

1186

00:45:21,470 --> 00:45:18,960

can both recognize that you're in the

1187

00:45:23,569 --> 00:45:21,480

midst of a psyop while also engaging

1188

00:45:26,870 --> 00:45:23,579

with it pursuing it in such a way that

1189

00:45:29,750 --> 00:45:26,880

you can as it were reverse engineer the

1190

00:45:32,089 --> 00:45:29,760

overall aim of the exercise

1191

00:45:34,250 --> 00:45:32,099

and when we do that here in light of

1192

00:45:36,290 --> 00:45:34,260

recent events what I would suggest to

1193

00:45:37,849 --> 00:45:36,300

you is that what it tells us is that we

1194

00:45:40,250 --> 00:45:37,859

are in the midst of a Changing of the

1195

00:45:41,450 --> 00:45:40,260

Guard a turning at the Historical page

1196

00:45:43,430 --> 00:45:41,460

if you will

1197

00:45:46,010 --> 00:45:43,440

and that is the result of a complex

1198

00:45:48,650 --> 00:45:46,020

interaction of an array of agendas of

1199

00:45:51,230 --> 00:45:48,660

factions of the so-called others as well

1200

00:45:53,750 --> 00:45:51,240

as the agendas of various factions in

1201
00:45:56,750 --> 00:45:53,760
the know as it were within government

1202
00:45:58,609 --> 00:45:56,760
and Military Intelligence circles

1203
00:46:00,950 --> 00:45:58,619
while there is still a push and pull

1204
00:46:02,930 --> 00:46:00,960
dynamic in play here between these

1205
00:46:05,329 --> 00:46:02,940
different factions both human and

1206
00:46:07,910 --> 00:46:05,339
non-human slash non-conventionally human

1207
00:46:10,730 --> 00:46:07,920
and this makes precise predictions or

1208
00:46:13,550 --> 00:46:10,740
expectations around dates and timelines

1209
00:46:16,790 --> 00:46:13,560
problematic what this all seems to very

1210
00:46:18,410 --> 00:46:16,800
likely Point towards ultimately is the

1211
00:46:21,349 --> 00:46:18,420
dawn of a new awareness for our

1212
00:46:23,450 --> 00:46:21,359
civilization of Revelation involving the

1213
00:46:26,030 --> 00:46:23,460

understanding that not only are we not

1214

00:46:29,270 --> 00:46:26,040

alone in the cosmos but that furthermore

1215

00:46:31,730 --> 00:46:29,280

who we are where we come from what our

1216

00:46:34,130 --> 00:46:31,740

very Origins are it's not at all what

1217

00:46:35,870 --> 00:46:34,140

we've been taught and as I said in

1218

00:46:38,390 --> 00:46:35,880

response to a journalist who recently

1219

00:46:40,250 --> 00:46:38,400

said to me in conversation around these

1220

00:46:43,790 --> 00:46:40,260

matters that this will rewrite the

1221

00:46:46,910 --> 00:46:43,800

history books I said absolutely right

1222

00:46:49,309 --> 00:46:46,920

back to the very beginning

1223

00:46:51,470 --> 00:46:49,319

and on that note we've come to the close

1224

00:46:53,750 --> 00:46:51,480

of another edition of the point of

1225

00:46:55,849 --> 00:46:53,760

convergence podcast if you'd like to

1226

00:46:58,150 --> 00:46:55,859

support this podcast you can do so by

1227

00:47:00,829 --> 00:46:58,160

going to patreon.com

1228

00:47:02,990 --> 00:47:00,839

exoacademian and next week will be an

1229

00:47:05,690 --> 00:47:03,000

OTC Squared episode specifically for

1230

00:47:07,730 --> 00:47:05,700

patreon supporters

1231

00:47:09,710 --> 00:47:07,740

but until next time friends from deep

1232

00:47:13,010 --> 00:47:09,720

within the Blue Ridge Mountains of North
