ExoAcademian

1
00:00:04,430 --> 00:00:02,869
now what do I mean by this act two I've

2
00:00:06,710 --> 00:00:04,440
referenced this a few times in social

3
00:00:08,150 --> 00:00:06,720
media what I'm getting at here is that I

4
00:00:10,669 --> 00:00:08,160
think again this is a psychological

5
00:00:13,070 --> 00:00:10,679
operation of the largest sort I think

6
00:00:15,049 --> 00:00:13,080
this is a plan to slowly introduce to

7
00:00:16,910 --> 00:00:15,059
the American public and the world the

8
00:00:18,950 --> 00:00:16,920
notion that there are objects out there

9
00:00:20,689 --> 00:00:18,960
that we can't identify that we don't

10
00:00:23,269 --> 00:00:20,699
fully understand the physics of how they

11
00:00:26,450 --> 00:00:23,279
even work and that this suggests that

12
00:00:29,150 --> 00:00:26,460
beings Beyond human are operating them

13
00:00:32,210 --> 00:00:29,160

that this is not some Rogue human group

14

00:00:35,150 --> 00:00:32,220

nor the actions of a known nation state

15

00:00:36,950 --> 00:00:35,160

but this is actually something else

16

00:00:38,630 --> 00:00:36,960

and I think the reason why they're

17

00:00:41,270 --> 00:00:38,640

presenting that is to get people

18

00:00:43,910 --> 00:00:41,280

accustomed acclimatized to those Notions

19

00:00:45,170 --> 00:00:43,920

because I do believe disclosure is

20

00:00:47,630 --> 00:00:45,180

coming

21

00:00:49,250 --> 00:00:47,640

now things really are heating up some

22

00:00:51,350 --> 00:00:49,260

people maybe are not noticing but if you

23

00:00:54,290 --> 00:00:51,360

pay close attention especially when you

24

00:00:56,330 --> 00:00:54,300

compare it to the 75-year history of

25

00:00:59,750 --> 00:00:56,340

this topic things really have changed
