[Laughter]

3
00:00:13,210 --> 00:00:19,570

[Music]

4
00:00:24,290 --> 00:00:21,590
all right welcome back to another

5
00:00:26,570 --> 00:00:24,300
episode of liminal frames I'm your host

6
00:00:29,750 --> 00:00:26,580
Nathan and I'm joined by my friend and

7
00:00:31,970 --> 00:00:29,760
co-host Darren EXO Academia Darren I

8
00:00:34,430 --> 00:00:31,980
don't have the energy that my other

9
00:00:35,870 --> 00:00:34,440
co-host DJ has on cab I was trying to

10
00:00:40,010 --> 00:00:35,880
Channel A little bit of his enthusiasm

11
00:00:41,750 --> 00:00:40,020
to kick this episode off because we are

12
00:00:43,250 --> 00:00:41,760
going to talk about channeling today so

13
00:00:44,869 --> 00:00:43,260

I'm very excited to get into that but

14

00:00:47,150 --> 00:00:44,879

before we do I want to catch up with you

15

00:00:49,910 --> 00:00:47,160

really quick uh how's it been what's

16

00:00:52,250 --> 00:00:49,920

going on uh just another normal day in

17

00:00:53,270 --> 00:00:52,260

the woods where you are give us an

18

00:00:56,029 --> 00:00:53,280

update

19

00:00:59,330 --> 00:00:56,039

right you could say that or not

20

00:01:02,750 --> 00:00:59,340

um yeah it's been uh I've I've hinted

21

00:01:05,149 --> 00:01:02,760

before if not said outright just how

22

00:01:06,649 --> 00:01:05,159

you know synchronistically orchestrated

23

00:01:08,630 --> 00:01:06,659

everything seems to be over the last

24

00:01:10,969 --> 00:01:08,640

year and a half or so and I have

25

00:01:13,130 --> 00:01:10,979

mentioned how 2023 seems to be kicking

26

00:01:16,370 --> 00:01:13,140

off at an even greater Pace in 2022

27

00:01:18,410 --> 00:01:16,380

which seems you know impossible and yet

28

00:01:21,050 --> 00:01:18,420

it seems to be the case and that is not

29

00:01:22,789 --> 00:01:21,060

let up the last last week's probably

30

00:01:25,130 --> 00:01:22,799

been one of the craziest weeks of my

31

00:01:27,050 --> 00:01:25,140

life if not number one which you know is

32

00:01:29,030 --> 00:01:27,060

is saying a lot so he lied to us the

33

00:01:30,530 --> 00:01:29,040

last year so yeah I'll do great how you

34

00:01:33,590 --> 00:01:30,540

doing

35

00:01:36,289 --> 00:01:33,600

uh I'm great man I'm great I'm uh I'm

36

00:01:38,630 --> 00:01:36,299

here to kind of mellow out your insane

37

00:01:39,590 --> 00:01:38,640

experiences uh because my life is

38

00:01:42,950 --> 00:01:39,600

totally

39

00:01:46,910 --> 00:01:42,960

pretty normal uh nothing crazy happening

40

00:01:48,530 --> 00:01:46,920

just usual work family obligations uh

41

00:01:49,550 --> 00:01:48,540

and enjoying some of this warmer weather

42

00:01:52,609 --> 00:01:49,560

I guess it's good about to get a little

43

00:01:54,410 --> 00:01:52,619

bit cool again so uh you and I both will

44

00:01:57,230 --> 00:01:54,420

be getting a little cold snap over the

45

00:02:00,170 --> 00:01:57,240

next couple of days but it seems like

46

00:02:02,210 --> 00:02:00,180

winter is on the way out and spring is

47

00:02:04,069 --> 00:02:02,220

on the way in which I'm very excited

48

00:02:06,109 --> 00:02:04,079

about other than the pollen I just can't

49

00:02:09,109 --> 00:02:06,119

stand the pollen but I love to see the

50

00:02:11,270 --> 00:02:09,119

transcript absolutely yeah

51
00:02:12,650 --> 00:02:11,280
well we're going to jump into a topic

52
00:02:14,510 --> 00:02:12,660
that I know a lot of folks are

53
00:02:17,449 --> 00:02:14,520
interested in I certainly am interested

54
00:02:19,790 --> 00:02:17,459
in it and it's not a topic uh without

55
00:02:22,130 --> 00:02:19,800
some degree of controversy which of

56
00:02:23,809 --> 00:02:22,140
course is pretty much every topic that

57
00:02:25,970 --> 00:02:23,819
we touch on it has some level of

58
00:02:29,690 --> 00:02:25,980
controversy around it but this one in

59
00:02:32,809 --> 00:02:29,700
particular can get pretty uh heated even

60
00:02:36,770 --> 00:02:32,819
amongst those who are into this broad

61
00:02:38,869 --> 00:02:36,780
topic of ufology or phenomenology and

62
00:02:41,449 --> 00:02:38,879
that's the topic of channeling

63
00:02:44,750 --> 00:02:41,459

um and so we're going to cover I think a

64

00:02:47,630 --> 00:02:44,760

pretty good bit of territory here uh

65

00:02:49,790 --> 00:02:47,640

with respect to this issue I know you've

66

00:02:52,070 --> 00:02:49,800

got some unique insight on it and we

67

00:02:54,530 --> 00:02:52,080

also want to kind of land as well at the

68

00:02:58,610 --> 00:02:54,540

end of the episode on how it fits into

69

00:03:01,070 --> 00:02:58,620

the sort of overall uh cosmology that we

70

00:03:03,350 --> 00:03:01,080

have about the nature of reality but

71

00:03:05,030 --> 00:03:03,360

maybe we can start with a definition uh

72

00:03:06,410 --> 00:03:05,040

which you share with me and I like this

73

00:03:09,470 --> 00:03:06,420

definition thing is pretty fitting so

74

00:03:11,630 --> 00:03:09,480

I'm going to read it here uh channeling

75

00:03:14,990 --> 00:03:11,640

is the process of revealing information

76

00:03:17,390 --> 00:03:15,000

and energy not limited by our

77

00:03:21,229 --> 00:03:17,400

conventional Notions of space and time

78

00:03:23,570 --> 00:03:21,239

that can appear receptive or expressive

79

00:03:26,449 --> 00:03:23,580

uh so a couple of different interesting

80

00:03:28,729 --> 00:03:26,459

tidbits there to dig into the one that

81

00:03:31,550 --> 00:03:28,739

jumps out of me right away is not

82

00:03:33,710 --> 00:03:31,560

limited to sort of space and time uh

83

00:03:35,449 --> 00:03:33,720

this sort of non-local quality of

84

00:03:37,369 --> 00:03:35,459

information

85

00:03:40,070 --> 00:03:37,379

um but

86

00:03:41,809 --> 00:03:40,080

when you dig into this as you as you and

87

00:03:43,550 --> 00:03:41,819

I have you find there are lots of

88

00:03:45,710 --> 00:03:43,560

different definitions for channeling

89

00:03:48,289 --> 00:03:45,720

there and it goes by many there are

90

00:03:50,030 --> 00:03:48,299

different names as well so even if the

91

00:03:52,490 --> 00:03:50,040

word channeling might be off-putting to

92

00:03:53,869 --> 00:03:52,500

some of our audience we might use a

93

00:03:55,729 --> 00:03:53,879

different phrase and they might go oh

94

00:03:57,890 --> 00:03:55,739

well yeah I I get that I have that all

95

00:04:00,050 --> 00:03:57,900

the time so it's under some degree it's

96

00:04:02,030 --> 00:04:00,060

about how you package it so what are

97

00:04:04,910 --> 00:04:02,040

your thoughts on uh you know kind of the

98

00:04:06,649 --> 00:04:04,920

uh the word itself how it's used and and

99

00:04:09,649 --> 00:04:06,659

where people are just in general being

100

00:04:11,809 --> 00:04:09,659

receptive to this notion of channeling

101
00:04:15,050 --> 00:04:11,819
information that comes from somewhere

102
00:04:16,849 --> 00:04:15,060
other than maybe the immediate itself

103
00:04:18,530 --> 00:04:16,859
right and I think we will probably go

104
00:04:19,909 --> 00:04:18,540
back and forth on this a little bit uh

105
00:04:21,949 --> 00:04:19,919
for a while because I think we kind of

106
00:04:24,409 --> 00:04:21,959
want to describe the general territory

107
00:04:26,330 --> 00:04:24,419
and then talk about different ways that

108
00:04:28,189 --> 00:04:26,340
channeling can be described within that

109
00:04:30,530 --> 00:04:28,199
larger territory because this kind of

110
00:04:32,629 --> 00:04:30,540
Falls within General kind of psychic

111
00:04:35,030 --> 00:04:32,639
phenomena in general and PSY phenomena

112
00:04:37,790 --> 00:04:35,040
in general sometimes when people think

113
00:04:39,890 --> 00:04:37,800

of channeling they think of what is more

114

00:04:42,350 --> 00:04:39,900

specifically defined as like trans

115

00:04:45,110 --> 00:04:42,360

channeling where you kind of go into a

116

00:04:47,270 --> 00:04:45,120

trench State and basically some sort of

117

00:04:49,850 --> 00:04:47,280

other being sometimes a non-corporeal

118

00:04:51,590 --> 00:04:49,860

kind of being or an alien intelligence

119

00:04:54,650 --> 00:04:51,600

will actually basically take over your

120

00:04:58,310 --> 00:04:54,660

body and be able to use your your

121

00:05:01,010 --> 00:04:58,320

muscles and your vocal cords to

122

00:05:03,350 --> 00:05:01,020

make sounds and to actually generate

123

00:05:06,170 --> 00:05:03,360

speech off there's a sense that even

124

00:05:08,330 --> 00:05:06,180

it's limited to the vocabulary of the

125

00:05:10,850 --> 00:05:08,340

person who's the receptive nature or

126

00:05:13,310 --> 00:05:10,860

receptive uh sort of

127

00:05:15,670 --> 00:05:13,320

um vessel for the for the channeling

128

00:05:17,770 --> 00:05:15,680

right so it might be really complex

129

00:05:21,409 --> 00:05:17,780

scientific or technical information

130

00:05:23,029 --> 00:05:21,419

which the being that's doing the

131

00:05:26,150 --> 00:05:23,039

channeling has a hard time expressing

132

00:05:28,249 --> 00:05:26,160

based on the limited vocabulary uh of

133

00:05:30,350 --> 00:05:28,259

the person other times there's cases

134

00:05:33,290 --> 00:05:30,360

like in the raw material where

135

00:05:35,330 --> 00:05:33,300

they seem to be able to access the

136

00:05:37,189 --> 00:05:35,340

entire history of the English language

137

00:05:39,350 --> 00:05:37,199

but because they do so and because the

138

00:05:41,930 --> 00:05:39,360

English language has evolved over time

139

00:05:43,730 --> 00:05:41,940

they will sometimes use these old

140

00:05:46,189 --> 00:05:43,740

English words that haven't been used for

141

00:05:48,170 --> 00:05:46,199

like 150 years or something so the part

142

00:05:50,570 --> 00:05:48,180

where the people actually being involved

143

00:05:52,310 --> 00:05:50,580

in the channeling session have to go

144

00:05:53,990 --> 00:05:52,320

find old dictionaries and look this up

145

00:05:55,850 --> 00:05:54,000

and figure out what the heck did we just

146

00:05:58,189 --> 00:05:55,860

say you know so so that's really

147

00:05:59,749 --> 00:05:58,199

interesting but yeah in that in that

148

00:06:02,930 --> 00:05:59,759

more narrow definition of trans

149

00:06:04,610 --> 00:06:02,940

channeling basically either

150

00:06:06,469 --> 00:06:04,620

you have a situation where it's almost

151

00:06:08,629 --> 00:06:06,479

like the person goes into a sleep state

152

00:06:10,430 --> 00:06:08,639

or dormant state where they sometimes

153

00:06:12,950 --> 00:06:10,440

are not even aware of what's going on

154

00:06:14,330 --> 00:06:12,960

they have to be told afterwards you know

155

00:06:15,590 --> 00:06:14,340

what happened and they have to listen to

156

00:06:17,510 --> 00:06:15,600

a tape because sometimes they don't even

157

00:06:19,610 --> 00:06:17,520

remember what was said through them

158

00:06:21,529 --> 00:06:19,620

basically through their vocal cords

159

00:06:24,770 --> 00:06:21,539

other times more recently it's described

160

00:06:26,689 --> 00:06:24,780

more like you sort of step aside and you

161

00:06:28,730 --> 00:06:26,699

can witness some other kind of

162

00:06:30,650 --> 00:06:28,740

intelligence working through your body

163

00:06:32,510 --> 00:06:30,660

moving your vocal cords but you really

164

00:06:35,090 --> 00:06:32,520

feel like you're you're accessing it

165

00:06:37,189 --> 00:06:35,100

like a witness so that's that's trans

166

00:06:39,710 --> 00:06:37,199

channeling and so some people want us to

167

00:06:41,570 --> 00:06:39,720

Define it that way but the reason we

168

00:06:42,890 --> 00:06:41,580

Define it the way that you did

169

00:06:44,809 --> 00:06:42,900

which I'm just going to read it one more

170

00:06:47,090 --> 00:06:44,819

time channeling is the process of

171

00:06:49,309 --> 00:06:47,100

revealing information and energy not

172

00:06:51,770 --> 00:06:49,319

limited by our conventional Notions of

173

00:06:53,210 --> 00:06:51,780

space and time that can appear receptive

174

00:06:55,850 --> 00:06:53,220

or expressive

175

00:06:58,790 --> 00:06:55,860

now there's some experts in the field

176

00:07:00,350 --> 00:06:58,800

even within the Institute of noetic

177

00:07:03,230 --> 00:07:00,360

Sciences who've actually come up with

178

00:07:05,050 --> 00:07:03,240

that definition so that's why I actually

179

00:07:08,930 --> 00:07:05,060

trust that this is people

180

00:07:11,390 --> 00:07:08,940

who have spent decades studying this PhD

181

00:07:12,890 --> 00:07:11,400

level people who are saying this is the

182

00:07:14,870 --> 00:07:12,900

best definition they have of what

183

00:07:16,850 --> 00:07:14,880

channeling actually is and and trans

184

00:07:19,969 --> 00:07:16,860

channeling is a more specific kind

185

00:07:22,189 --> 00:07:19,979

within that so and of course the reason

186

00:07:23,089 --> 00:07:22,199

why we yeah you hinted already space and

187

00:07:25,550 --> 00:07:23,099

time

188

00:07:27,529 --> 00:07:25,560

this is really key here the notion of

189

00:07:30,650 --> 00:07:27,539

non-local Consciousness right and once

190

00:07:32,390 --> 00:07:30,660

you establish that that's probably the

191

00:07:34,969 --> 00:07:32,400

case that our Consciousness is not

192

00:07:37,909 --> 00:07:34,979

combined or you know confined within our

193

00:07:39,529 --> 00:07:37,919

mind or brain within our skull the

194

00:07:42,230 --> 00:07:39,539

initially that opens up all sorts of

195

00:07:43,909 --> 00:07:42,240

possibilities and really channeling

196

00:07:47,330 --> 00:07:43,919

along with all of this kind of Sci

197

00:07:49,370 --> 00:07:47,340

phenomena very much says to us that

198

00:07:52,249 --> 00:07:49,380

physicalism as we've said before is not

199

00:07:55,370 --> 00:07:52,259

tenable because these phenomena simply

200

00:07:57,350 --> 00:07:55,380

cannot exist if physicalism is true and

201
00:07:59,990 --> 00:07:57,360
yet we have so much research that's been

202
00:08:02,270 --> 00:08:00,000
done by ions by Dane Raiden people like

203
00:08:03,950 --> 00:08:02,280
that to suggest to us this is absolutely

204
00:08:06,550 --> 00:08:03,960
true this is actually saying something

205
00:08:09,110 --> 00:08:06,560
fundamental about reality

206
00:08:12,890 --> 00:08:09,120
well and the uh the critique that's

207
00:08:15,110 --> 00:08:12,900
leveled to this many times is that uh

208
00:08:18,650 --> 00:08:15,120
what how is this really different from

209
00:08:20,689 --> 00:08:18,660
just using your imagination right so uh

210
00:08:21,890 --> 00:08:20,699
when somebody says uh you know I had

211
00:08:27,409 --> 00:08:21,900
this

212
00:08:29,510 --> 00:08:27,419
it just sort of came out of me I don't

213
00:08:31,790 --> 00:08:29,520

know where it came from well the skeptic

214

00:08:34,070 --> 00:08:31,800

will say well I mean the mind's very

215

00:08:36,290 --> 00:08:34,080

powerful and you just imagined it and

216

00:08:38,389 --> 00:08:36,300

you know that's what happened here it's

217

00:08:40,370 --> 00:08:38,399

not something that uh you know something

218

00:08:42,589 --> 00:08:40,380

spooky about it it just kind of came out

219

00:08:43,670 --> 00:08:42,599

of out of your subconscious or what have

220

00:08:44,690 --> 00:08:43,680

you but

221

00:08:46,250 --> 00:08:44,700

um that definition is kind of

222

00:08:50,410 --> 00:08:46,260

interesting or perception is kind of

223

00:08:53,690 --> 00:08:50,420

interesting because some of the

224

00:08:57,170 --> 00:08:53,700

output from channeling or instances like

225

00:08:59,030 --> 00:08:57,180

that uh are quite extraordinary uh that

226

00:09:01,670 --> 00:08:59,040

I think the person giving the

227

00:09:04,009 --> 00:09:01,680

information would argue like they

228

00:09:07,070 --> 00:09:04,019

literally have no corollary in their

229

00:09:09,710 --> 00:09:07,080

lived experience by which to generate

230

00:09:11,570 --> 00:09:09,720

that kind of content and that does

231

00:09:13,910 --> 00:09:11,580

certainly I think raise some questions

232

00:09:16,130 --> 00:09:13,920

right it's like I I can my imagination's

233

00:09:18,970 --> 00:09:16,140

pretty good but I mean I can't just you

234

00:09:22,550 --> 00:09:18,980

know create some elaborate complex ideas

235

00:09:24,230 --> 00:09:22,560

uh out of out of The Ether you know

236

00:09:26,509 --> 00:09:24,240

um if I'm just if we're just talking

237

00:09:27,769 --> 00:09:26,519

about imagination here so that I wonder

238

00:09:29,930 --> 00:09:27,779

if you could speak to that a little bit

239

00:09:31,009 --> 00:09:29,940

uh you know some of the critique of this

240

00:09:34,190 --> 00:09:31,019

idea

241

00:09:36,530 --> 00:09:34,200

yeah absolutely I think just like I

242

00:09:38,150 --> 00:09:36,540

alluded to a minute ago with the sort of

243

00:09:39,889 --> 00:09:38,160

confines of physicalism and the

244

00:09:41,990 --> 00:09:39,899

assumptions and the presuppositions

245

00:09:43,430 --> 00:09:42,000

about the nature of reality and the

246

00:09:46,130 --> 00:09:43,440

nature of what's possible within

247

00:09:48,290 --> 00:09:46,140

physicalism so if that is someone's

248

00:09:50,030 --> 00:09:48,300

model though they they believe that that

249

00:09:51,530 --> 00:09:50,040

accurately depicts reality then they

250

00:09:52,910 --> 00:09:51,540

have to come up with some reason why

251

00:09:55,550 --> 00:09:52,920

people are having these experiences

252

00:09:58,790 --> 00:09:55,560

right and so the lumishread imagination

253

00:10:00,769 --> 00:09:58,800

you know whatever comes to mind for them

254

00:10:01,970 --> 00:10:00,779

to try to explain what's going on but as

255

00:10:03,889 --> 00:10:01,980

you say

256

00:10:05,630 --> 00:10:03,899

that doesn't really deal with the data

257

00:10:07,790 --> 00:10:05,640

because some of the data suggests that

258

00:10:11,389 --> 00:10:07,800

we really do get information

259

00:10:13,730 --> 00:10:11,399

that either doesn't seem to be normally

260

00:10:15,530 --> 00:10:13,740

attainable by anyone for instance it

261

00:10:17,389 --> 00:10:15,540

could be something uh to do with future

262

00:10:19,310 --> 00:10:17,399

information which no one has access to

263

00:10:20,990 --> 00:10:19,320

generally according to this model

264

00:10:23,290 --> 00:10:21,000

anywhere physicalism

265

00:10:26,930 --> 00:10:23,300

but like you say also sometimes people

266

00:10:29,030 --> 00:10:26,940

will receive information that is far

267

00:10:30,829 --> 00:10:29,040

beyond what they could make up even if

268

00:10:32,810 --> 00:10:30,839

they you know read science fiction their

269

00:10:35,570 --> 00:10:32,820

entire lives you know I know I know

270

00:10:37,610 --> 00:10:35,580

cases personally where people who have

271

00:10:39,110 --> 00:10:37,620

no scientific background really are

272

00:10:41,690 --> 00:10:39,120

suddenly channeling differential

273

00:10:43,130 --> 00:10:41,700

equations like really Advanced quantum

274

00:10:45,889 --> 00:10:43,140

physics so

275

00:10:48,470 --> 00:10:45,899

I know personally that I've seen this

276
00:10:49,910 --> 00:10:48,480
happen and it's not just what I've seen

277
00:10:51,829 --> 00:10:49,920
in people around me but you know this

278
00:10:53,990 --> 00:10:51,839
has been well well documented that this

279
00:10:57,290 --> 00:10:54,000
happens I also want to point out too

280
00:10:59,269 --> 00:10:57,300
based on something you said there

281
00:11:01,130 --> 00:10:59,279
as I've pointed out before any kind of

282
00:11:04,490 --> 00:11:01,140
event is always an interpreted

283
00:11:07,069 --> 00:11:04,500
experience right so we never just have a

284
00:11:08,690 --> 00:11:07,079
raw experience and just explain it to

285
00:11:10,970 --> 00:11:08,700
people as if we're just being completely

286
00:11:13,190 --> 00:11:10,980
objective we're already always putting

287
00:11:14,690 --> 00:11:13,200
it through some sort of filter and so

288
00:11:16,910 --> 00:11:14,700

what's interesting is even when you ask

289

00:11:18,590 --> 00:11:16,920

people who are channelers who experience

290

00:11:20,569 --> 00:11:18,600

channeling

291

00:11:22,250 --> 00:11:20,579

they themselves will have different

292

00:11:24,050 --> 00:11:22,260

answers as to where they think it's

293

00:11:25,790 --> 00:11:24,060

coming from and really comes down to

294

00:11:28,009 --> 00:11:25,800

what they believe the possibilities are

295

00:11:30,410 --> 00:11:28,019

based on their model of reality

296

00:11:31,610 --> 00:11:30,420

so some people think that they

297

00:11:33,290 --> 00:11:31,620

are getting it from their own

298

00:11:34,910 --> 00:11:33,300

subconscious but that there's a much

299

00:11:36,350 --> 00:11:34,920

more robust

300

00:11:38,269 --> 00:11:36,360

um knowledge base than we're aware of

301

00:11:39,889 --> 00:11:38,279

other people think they're getting it

302

00:11:41,389 --> 00:11:39,899

from the collective unconscious like

303

00:11:43,310 --> 00:11:41,399

kind of a union kind of perspective

304

00:11:44,990 --> 00:11:43,320

other people think they're getting it

305

00:11:46,370 --> 00:11:45,000

from their higher self

306

00:11:48,470 --> 00:11:46,380

and then other people think they're

307

00:11:51,110 --> 00:11:48,480

going up from Alien intelligences so it

308

00:11:53,870 --> 00:11:51,120

really and some are all the above right

309

00:11:56,329 --> 00:11:53,880

um Spirit guides right so it speaks to

310

00:11:58,430 --> 00:11:56,339

just how broad and deep the

311

00:12:00,290 --> 00:11:58,440

possibilities are and and you know me by

312

00:12:02,870 --> 00:12:00,300

now my answer is going to be it's all of

313

00:12:05,150 --> 00:12:02,880

the above then that this is just the

314

00:12:06,710 --> 00:12:05,160

nature of reality is incredibly rich and

315

00:12:09,050 --> 00:12:06,720

diverse with all these different kinds

316

00:12:12,170 --> 00:12:09,060

of intelligences and as we progress

317

00:12:14,690 --> 00:12:12,180

along the Consciousness Spectrum we

318

00:12:16,730 --> 00:12:14,700

become aware of and can interact with

319

00:12:19,790 --> 00:12:16,740

and draw from more and more of these

320

00:12:21,470 --> 00:12:19,800

other pools of information and again

321

00:12:23,810 --> 00:12:21,480

when you whether you call it the akashic

322

00:12:26,150 --> 00:12:23,820

records or the cosmic memory or whatever

323

00:12:29,210 --> 00:12:26,160

ultimately like I've said before

324

00:12:31,790 --> 00:12:29,220

any bit of information from any space

325

00:12:34,430 --> 00:12:31,800

and any time is always available that's

326

00:12:36,110 --> 00:12:34,440

that's the fundamental truth that gets

327

00:12:38,389 --> 00:12:36,120

revealed in all of this SCI phenomena

328

00:12:41,630 --> 00:12:38,399

and of course that's uh that's Paradigm

329

00:12:44,150 --> 00:12:41,640

shattering stuff certainly is well and I

330

00:12:48,290 --> 00:12:44,160

maybe we could speak a little bit to the

331

00:12:50,329 --> 00:12:48,300

ways in which uh channeling appears in

332

00:12:52,090 --> 00:12:50,339

you know human history

333

00:12:54,470 --> 00:12:52,100

um and here I'm thinking of

334

00:12:56,329 --> 00:12:54,480

uh you know let's talk about

335

00:12:58,850 --> 00:12:56,339

Christianity and we kind of go there

336

00:13:00,590 --> 00:12:58,860

fairly often but the idea of divine

337

00:13:02,269 --> 00:13:00,600

inspiration a lot of and not just with

338

00:13:04,670 --> 00:13:02,279

Christianity but a lot of the kind of

339

00:13:07,730 --> 00:13:04,680

different religious Traditions have a

340

00:13:12,230 --> 00:13:07,740

concept like this where uh some kind of

341

00:13:13,850 --> 00:13:12,240

divine information is received by uh you

342

00:13:16,430 --> 00:13:13,860

know a devout person or maybe someone

343

00:13:18,590 --> 00:13:16,440

who's not devout at all uh and then that

344

00:13:21,230 --> 00:13:18,600

information just kind of flows from them

345

00:13:23,930 --> 00:13:21,240

in different forms whether they can be

346

00:13:26,509 --> 00:13:23,940

sort of prophetic pronouncements a lot

347

00:13:28,610 --> 00:13:26,519

of the prophets certainly uh would would

348

00:13:30,050 --> 00:13:28,620

say that they're not it's not their

349

00:13:31,790 --> 00:13:30,060

message that they're giving it's it's

350

00:13:33,949 --> 00:13:31,800

some other message that's coming out of

351

00:13:36,530 --> 00:13:33,959

them but in the Christian tradition

352

00:13:39,350 --> 00:13:36,540

specifically as well we have this notion

353

00:13:41,990 --> 00:13:39,360

of a divinely inspired text you know

354

00:13:45,009 --> 00:13:42,000

that it's sort of written by human hands

355

00:13:47,930 --> 00:13:45,019

but but they're not the individuals that

356

00:13:50,530 --> 00:13:47,940

originated these ideas they they sort of

357

00:13:53,690 --> 00:13:50,540

flowed just through them onto the page

358

00:13:56,930 --> 00:13:53,700

so whether you to kind of adhere to that

359

00:13:59,690 --> 00:13:56,940

or not that's just one example of where

360

00:14:02,810 --> 00:13:59,700

you know human culture we have pointed

361

00:14:05,150 --> 00:14:02,820

to this kind of uh of inspiration or you

362

00:14:07,190 --> 00:14:05,160

know non-local information just you know

363

00:14:10,069 --> 00:14:07,200

arising on the scene but we've got a lot

364

00:14:12,650 --> 00:14:10,079

more recent examples as well within uh

365

00:14:14,509 --> 00:14:12,660

you know Human Art and music

366

00:14:16,190 --> 00:14:14,519

um we've got lots of examples of

367

00:14:17,990 --> 00:14:16,200

musicians who just kind of say like I

368

00:14:20,509 --> 00:14:18,000

don't know where this song came from you

369

00:14:22,850 --> 00:14:20,519

know I just sat down and it came out and

370

00:14:24,410 --> 00:14:22,860

I don't know where the tune came from or

371

00:14:25,730 --> 00:14:24,420

the lyrics like none of it makes sense

372

00:14:28,370 --> 00:14:25,740

to me when I look at it and I'm reading

373

00:14:31,030 --> 00:14:28,380

it but you know here it is

374

00:14:34,190 --> 00:14:31,040

um and it ends up being a tremendous hit

375

00:14:36,350 --> 00:14:34,200

and I've also heard as well not in the

376

00:14:38,030 --> 00:14:36,360

you know kind of an art example but in

377

00:14:41,030 --> 00:14:38,040

in science examples there are many

378

00:14:43,490 --> 00:14:41,040

scientists who have these same kinds of

379

00:14:46,310 --> 00:14:43,500

an aha moments or things just kind of

380

00:14:47,889 --> 00:14:46,320

appear to them uh and they end up being

381

00:14:50,629 --> 00:14:47,899

a dramatic

382

00:14:52,810 --> 00:14:50,639

world-changing kinds of Concepts and

383

00:14:56,569 --> 00:14:52,820

I've even heard too that some of these

384

00:14:59,269 --> 00:14:56,579

uh scientists uh don't want to talk

385

00:15:00,009 --> 00:14:59,279

publicly about how they obtained this

386

00:15:02,949 --> 00:15:00,019

information

387

00:15:05,030 --> 00:15:02,959

uh because it it is

388

00:15:07,250 --> 00:15:05,040

unaccepted in the in the circles that

389

00:15:08,930 --> 00:15:07,260

they traffic in and so people just sort

390

00:15:11,389 --> 00:15:08,940

of attribute them to being kind of a

391

00:15:12,949 --> 00:15:11,399

genius but really uh if you get them in

392

00:15:14,509 --> 00:15:12,959

private and they kind of talk about how

393

00:15:15,889 --> 00:15:14,519

they arrived at that conclusion or what

394

00:15:18,050 --> 00:15:15,899

have you they'll tell you they have no

395

00:15:19,370 --> 00:15:18,060

idea it just kind of came to them out of

396

00:15:21,710 --> 00:15:19,380

nowhere

397

00:15:24,230 --> 00:15:21,720

um so we have a lot of examples here of

398

00:15:26,210 --> 00:15:24,240

the notion of channeling but kind of

399

00:15:28,850 --> 00:15:26,220

packaged in ways that are more uh

400

00:15:30,710 --> 00:15:28,860

socially acceptable so this seems to

401
00:15:33,050 --> 00:15:30,720
have been like a part of us for a very

402
00:15:34,990 --> 00:15:33,060
long time but it's just in the last

403
00:15:37,069 --> 00:15:35,000
maybe 50 years

404
00:15:40,250 --> 00:15:37,079
a little bit more than that perhaps

405
00:15:43,129 --> 00:15:40,260
where we've kind of looked at channeling

406
00:15:45,769 --> 00:15:43,139
as like this oh really bizarre you know

407
00:15:47,810 --> 00:15:45,779
sort of new age uh you know thing that

408
00:15:48,889 --> 00:15:47,820
you know if you call it that well I

409
00:15:50,389 --> 00:15:48,899
don't want anything to do with that

410
00:15:51,829 --> 00:15:50,399
that's that's not something that I'm

411
00:15:53,689 --> 00:15:51,839
okay with if we're talking about

412
00:15:55,610 --> 00:15:53,699
Intuition or inspiration well yeah I

413
00:15:57,170 --> 00:15:55,620

mean I have that I'm totally fine with

414

00:15:59,210 --> 00:15:57,180

that you know so it's just interesting

415

00:16:02,810 --> 00:15:59,220

how we applied the the stigma to

416

00:16:05,569 --> 00:16:02,820

different ways of packaging the idea

417

00:16:07,129 --> 00:16:05,579

yeah absolutely and I think

418

00:16:09,230 --> 00:16:07,139

I want to touch with a couple things you

419

00:16:10,490 --> 00:16:09,240

said there we want to get into the

420

00:16:11,930 --> 00:16:10,500

Christianity thing for a second because

421

00:16:12,889 --> 00:16:11,940

there's some really interesting nuances

422

00:16:17,210 --> 00:16:12,899

there

423

00:16:19,430 --> 00:16:17,220

about you know we're okay saying I was

424

00:16:21,170 --> 00:16:19,440

inspired or you know I had an Intuition

425

00:16:23,569 --> 00:16:21,180

or hunch right a gut hunch whatever

426

00:16:26,150 --> 00:16:23,579

we're very familiar with that and that's

427

00:16:27,769 --> 00:16:26,160

become okay in our culture right it's a

428

00:16:31,250 --> 00:16:27,779

narrative way to speak and we actually

429

00:16:32,689 --> 00:16:31,260

even mean kind of that you know somehow

430

00:16:34,550 --> 00:16:32,699

it's something of it beyond the normal

431

00:16:36,470 --> 00:16:34,560

way you would gather information through

432

00:16:38,449 --> 00:16:36,480

your usual senses or by reading it or

433

00:16:40,310 --> 00:16:38,459

something or hearing it

434

00:16:45,470 --> 00:16:40,320

but you know when you think about

435

00:16:47,389 --> 00:16:45,480

like the DSM you know the the manual to

436

00:16:48,650 --> 00:16:47,399

do with whether now someone gets

437

00:16:51,470 --> 00:16:48,660

diagnosed with a particular

438

00:16:53,930 --> 00:16:51,480

psychological condition or something

439

00:16:56,569 --> 00:16:53,940

what you'll find there is that there's a

440

00:16:58,189 --> 00:16:56,579

spectrum right and so somebody might be

441

00:16:59,870 --> 00:16:58,199

might have obsessive compulsive

442

00:17:02,150 --> 00:16:59,880

tendencies in fact most people might

443

00:17:03,710 --> 00:17:02,160

have some degree of that and whether or

444

00:17:06,230 --> 00:17:03,720

not you end up with a diagnosis really

445

00:17:08,030 --> 00:17:06,240

comes down to how disruptive it is to

446

00:17:10,010 --> 00:17:08,040

your life if it prevents you from living

447

00:17:11,689 --> 00:17:10,020

the life you'd want to a productive life

448

00:17:13,669 --> 00:17:11,699

according to how you would Define it

449

00:17:17,150 --> 00:17:13,679

then that's kind of when it goes into

450

00:17:18,770 --> 00:17:17,160

that territory but your everyone is is

451
00:17:20,030 --> 00:17:18,780
somewhere in the range though and it's a

452
00:17:21,770 --> 00:17:20,040
spectrum right so it's not like there's

453
00:17:23,449 --> 00:17:21,780
these black and white lines this person

454
00:17:25,970 --> 00:17:23,459
is obsessed with compulsive this person

455
00:17:27,890 --> 00:17:25,980
has absolutely none of that right and

456
00:17:29,390 --> 00:17:27,900
it's the same thing here that that the

457
00:17:32,030 --> 00:17:29,400
truth is

458
00:17:34,490 --> 00:17:32,040
every human being has some degree of

459
00:17:36,169 --> 00:17:34,500
psychic capacity again it's not just me

460
00:17:37,850 --> 00:17:36,179
saying because I like the idea but the

461
00:17:39,830 --> 00:17:37,860
research are people like Dean Rayden

462
00:17:41,870 --> 00:17:39,840
have made this abundantly clear and if

463
00:17:43,549 --> 00:17:41,880

anybody has doubts about any of their

464

00:17:45,529 --> 00:17:43,559

stuff I would say do a deep dive into

465

00:17:48,890 --> 00:17:45,539

Gene rayton's work look at his books

466

00:17:51,110 --> 00:17:48,900

he's very uh diligent about not only

467

00:17:53,210 --> 00:17:51,120

showing the the results he's come across

468

00:17:55,789 --> 00:17:53,220

and these have been very you know

469

00:17:58,070 --> 00:17:55,799

rigorous protocols applied to these but

470

00:17:59,930 --> 00:17:58,080

even the meta-analyzes of multiple

471

00:18:01,549 --> 00:17:59,940

studies which is even more trustworthy

472

00:18:03,230 --> 00:18:01,559

and it shows how much this really is the

473

00:18:04,909 --> 00:18:03,240

case

474

00:18:06,409 --> 00:18:04,919

but to your point about Christianity

475

00:18:08,090 --> 00:18:06,419

what's really interesting here is like

476
00:18:09,890 --> 00:18:08,100
you say there's there's some nuances to

477
00:18:11,990 --> 00:18:09,900
get into here we have to stop off here

478
00:18:13,730 --> 00:18:12,000
because this is such a regular style for

479
00:18:14,870 --> 00:18:13,740
us on the train route

480
00:18:16,909 --> 00:18:14,880
um

481
00:18:20,270 --> 00:18:16,919
because on the one hand as we've talked

482
00:18:21,650 --> 00:18:20,280
about it's very ironic that we are okay

483
00:18:23,930 --> 00:18:21,660
saying

484
00:18:26,570 --> 00:18:23,940
whether it's Moses or the Apostle Paul

485
00:18:29,510 --> 00:18:26,580
or Jesus or you know John the Baptist

486
00:18:31,669 --> 00:18:29,520
it's okay of those guys right

487
00:18:33,470 --> 00:18:31,679
uh have these you know profound

488
00:18:35,750 --> 00:18:33,480

experiences right they if they have

489

00:18:38,270 --> 00:18:35,760

these like Direct

490

00:18:40,730 --> 00:18:38,280

experiences of something Beyond right

491

00:18:42,770 --> 00:18:40,740

that's okay and then they end up talking

492

00:18:45,110 --> 00:18:42,780

about it it gets written down it gets

493

00:18:48,409 --> 00:18:45,120

kind of cataloged and turned into a

494

00:18:50,090 --> 00:18:48,419

series of uh do's and don'ts that become

495

00:18:51,950 --> 00:18:50,100

like the Eternal laws kind of thing that

496

00:18:53,450 --> 00:18:51,960

we all follow in other words by the time

497

00:18:55,850 --> 00:18:53,460

they get to us they're very safe and

498

00:18:58,310 --> 00:18:55,860

tame and unchanging

499

00:19:00,830 --> 00:18:58,320

but really that against is something

500

00:19:02,750 --> 00:19:00,840

more about us I think that we and this

501
00:19:04,490 --> 00:19:02,760
has kind of been demonstrated

502
00:19:07,970 --> 00:19:04,500
throughout the history of mankind that

503
00:19:10,549 --> 00:19:07,980
we we tend to not want the Untamed

504
00:19:12,890 --> 00:19:10,559
wildness of that direct experience of

505
00:19:14,690 --> 00:19:12,900
something Beyond something Sublime

506
00:19:17,630 --> 00:19:14,700
and

507
00:19:20,450 --> 00:19:17,640
to that point even though Christianity

508
00:19:22,909 --> 00:19:20,460
and other kinds of inspired religions

509
00:19:24,590 --> 00:19:22,919
began with those kinds of experiences of

510
00:19:26,990 --> 00:19:24,600
people

511
00:19:29,390 --> 00:19:27,000
Christianity later on conducted things

512
00:19:32,450 --> 00:19:29,400
like the Inquisition and which trials

513
00:19:34,850 --> 00:19:32,460

right and put to death huge numbers of

514

00:19:36,110 --> 00:19:34,860

people who showed the capacities that

515

00:19:37,490 --> 00:19:36,120

they could have these Sublime

516

00:19:38,570 --> 00:19:37,500

experiences and tap into something

517

00:19:40,610 --> 00:19:38,580

Beyond

518

00:19:43,730 --> 00:19:40,620

to the point where you can even see a

519

00:19:46,549 --> 00:19:43,740

dip in in psychic capacity across the

520

00:19:49,070 --> 00:19:46,559

civilization because of how many

521

00:19:50,990 --> 00:19:49,080

literally people were put to death in

522

00:19:54,049 --> 00:19:51,000

those kinds of things and so

523

00:19:57,169 --> 00:19:54,059

the thing we used to call the

524

00:19:59,510 --> 00:19:57,179

the means by which prophets worked

525

00:20:01,930 --> 00:19:59,520

suddenly became oh but if it's a witch

526

00:20:04,250 --> 00:20:01,940

or if it's uh you know someone who's not

527

00:20:06,830 --> 00:20:04,260

specifically giving either Christian

528

00:20:08,330 --> 00:20:06,840

doctrine or a very specific version of

529

00:20:10,730 --> 00:20:08,340

Christian doctrine that fits our

530

00:20:12,950 --> 00:20:10,740

particular view then it's it's from the

531

00:20:14,390 --> 00:20:12,960

devil right so in other words they do

532

00:20:15,770 --> 00:20:14,400

believe it's still coming from somewhere

533

00:20:17,690 --> 00:20:15,780

else but suddenly now they just go but

534

00:20:20,390 --> 00:20:17,700

it's it's dark it's not good it's from

535

00:20:21,770 --> 00:20:20,400

the devil right so rather than seeing

536

00:20:24,350 --> 00:20:21,780

that actually this is just something

537

00:20:25,610 --> 00:20:24,360

that's fundamental to Being Human in

538

00:20:27,169 --> 00:20:25,620

fact it's fundamental to being a

539

00:20:29,630 --> 00:20:27,179

sentient being that everything's

540

00:20:31,490 --> 00:20:29,640

connected and we can all tap into this

541

00:20:34,250 --> 00:20:31,500

and this has always been the case so

542

00:20:35,810 --> 00:20:34,260

it's a very interesting uh thing when

543

00:20:38,150 --> 00:20:35,820

you think about Christianity in the

544

00:20:40,130 --> 00:20:38,160

history and how it began and that it

545

00:20:41,930 --> 00:20:40,140

became the very thing that it that it

546

00:20:44,150 --> 00:20:41,940

railed against and even you know kill

547

00:20:47,270 --> 00:20:44,160

people over later on

548

00:20:51,470 --> 00:20:47,280

yeah I have certainly thinking about the

549

00:20:54,950 --> 00:20:51,480

funny way that an Orthodoxy develops and

550

00:20:57,470 --> 00:20:54,960

you know heresy uh it comes into that

551
00:20:59,870 --> 00:20:57,480
conversation and and that changes over

552
00:21:02,750 --> 00:20:59,880
time as well

553
00:21:05,870 --> 00:21:02,760
um but so much of that is tied to uh

554
00:21:09,110 --> 00:21:05,880
this need for power and control not

555
00:21:12,110 --> 00:21:09,120
about what's really happening right and

556
00:21:14,570 --> 00:21:12,120
so I think that that's um you know a

557
00:21:17,810 --> 00:21:14,580
good lesson to learn uh from from

558
00:21:20,029 --> 00:21:17,820
Christianity when we if we apply that to

559
00:21:22,970 --> 00:21:20,039
this top pick as well right because we

560
00:21:25,010 --> 00:21:22,980
we tend to kind of in Camp you know we

561
00:21:27,470 --> 00:21:25,020
kind of get into our little you know

562
00:21:29,690 --> 00:21:27,480
tribes are thinking about what can

563
00:21:31,430 --> 00:21:29,700

happen or can't happen uh is possible

564

00:21:35,110 --> 00:21:31,440

you know we set up the boundaries of

565

00:21:39,169 --> 00:21:35,120

what is possible and what

566

00:21:42,770 --> 00:21:39,179

this type of of knowledge or experience

567

00:21:46,010 --> 00:21:42,780

or uh informational modality presents to

568

00:21:47,630 --> 00:21:46,020

us is uh you know really is that kind of

569

00:21:51,049 --> 00:21:47,640

uh

570

00:21:53,029 --> 00:21:51,059

you know seed of of heresy or heterodoxy

571

00:21:55,430 --> 00:21:53,039

that kind of just like it intersects

572

00:21:57,049 --> 00:21:55,440

into our normal way of being we have to

573

00:21:58,669 --> 00:21:57,059

make room for that and if we're not

574

00:22:00,409 --> 00:21:58,679

making room for it well then we're going

575

00:22:03,230 --> 00:22:00,419

to do what we've always done and that is

576

00:22:05,510 --> 00:22:03,240

uh you know stamp it out as much as

577

00:22:07,549 --> 00:22:05,520

possible you know plug our ears it's not

578

00:22:08,750 --> 00:22:07,559

a lot it's not happening and and that

579

00:22:12,230 --> 00:22:08,760

that's certainly something that we've

580

00:22:13,789 --> 00:22:12,240

seen with the rise of scientism uh you

581

00:22:15,470 --> 00:22:13,799

know in the modern world is that you

582

00:22:18,049 --> 00:22:15,480

know we'll know information can't come

583

00:22:19,970 --> 00:22:18,059

to us in this way uh it just can't you

584

00:22:23,690 --> 00:22:19,980

know that that's not something that can

585

00:22:25,610 --> 00:22:23,700

happen so I'm you know it's impossible

586

00:22:28,909 --> 00:22:25,620

um and yet The Impossible continues to

587

00:22:31,850 --> 00:22:28,919

happen all the time uh and even those

588

00:22:34,370 --> 00:22:31,860

that uh that kind of Proclaim that very

589

00:22:36,590 --> 00:22:34,380

loudly you know this can't happen uh

590

00:22:38,990 --> 00:22:36,600

they I think in the in the quiet of

591

00:22:40,130 --> 00:22:39,000

their own lives find many experiences

592

00:22:42,770 --> 00:22:40,140

where

593

00:22:45,590 --> 00:22:42,780

these kinds of things happen all of the

594

00:22:47,930 --> 00:22:45,600

time and and imagine kind of living in

595

00:22:50,570 --> 00:22:47,940

that life having to essentially like

596

00:22:52,970 --> 00:22:50,580

negate that and and say well you know I

597

00:22:56,090 --> 00:22:52,980

I'm denying a part of myself that is

598

00:22:57,770 --> 00:22:56,100

very much real and experienced because

599

00:23:00,830 --> 00:22:57,780

it just doesn't fit within the model

600

00:23:03,950 --> 00:23:00,840

that I have defined as as being true

601
00:23:05,750 --> 00:23:03,960
right possible so so much of this is

602
00:23:07,130 --> 00:23:05,760
that it's again we've talked about that

603
00:23:09,529 --> 00:23:07,140
as many times but kind of the

604
00:23:11,810 --> 00:23:09,539
possibility space

605
00:23:13,010 --> 00:23:11,820
yeah and to your point there I think I

606
00:23:14,510 --> 00:23:13,020
want to bring up something that's very

607
00:23:16,310 --> 00:23:14,520
important I think will surprise some

608
00:23:18,409 --> 00:23:16,320
people because we were just talking

609
00:23:20,210 --> 00:23:18,419
about their how science wants to say

610
00:23:22,610 --> 00:23:20,220
this is not possible

611
00:23:25,250 --> 00:23:22,620
now what's very interesting is you can

612
00:23:27,529 --> 00:23:25,260
actually see scientific proof or

613
00:23:29,990 --> 00:23:27,539

evidence for these kind of giftings

614

00:23:32,450 --> 00:23:30,000

through typical scientific meanings is

615

00:23:35,450 --> 00:23:32,460

what I mean so for instance ions has

616

00:23:36,890 --> 00:23:35,460

done studies where they look into people

617

00:23:39,350 --> 00:23:36,900

who have psychic functioning versus

618

00:23:40,909 --> 00:23:39,360

those who don't and first of all it's a

619

00:23:43,370 --> 00:23:40,919

very very difficult to find people who

620

00:23:45,169 --> 00:23:43,380

don't and there's a variety of reasons

621

00:23:46,669 --> 00:23:45,179

or ways that they would sort of find

622

00:23:48,350 --> 00:23:46,679

these two pools right so you've got your

623

00:23:49,850 --> 00:23:48,360

control group and then you've got your

624

00:23:52,010 --> 00:23:49,860

um your people who actually seem to have

625

00:23:54,610 --> 00:23:52,020

some some psychic capacity so they went

626
00:23:58,430 --> 00:23:54,620
through and they found a group of people

627
00:24:00,590 --> 00:23:58,440
who both had passed a battery of tests

628
00:24:02,990 --> 00:24:00,600
that demonstrated they were good at you

629
00:24:05,570 --> 00:24:03,000
know clear sentience Clairvoyance uh

630
00:24:06,770 --> 00:24:05,580
different kinds of telekinesis all sorts

631
00:24:10,070 --> 00:24:06,780
of different things demonstrating that

632
00:24:11,330 --> 00:24:10,080
they really did have side capacity they

633
00:24:12,590 --> 00:24:11,340
had to demonstrate it and they also

634
00:24:14,210 --> 00:24:12,600
talked to people that knew them they had

635
00:24:15,890 --> 00:24:14,220
to get you know sort of verified that

636
00:24:17,390 --> 00:24:15,900
people had experiences with them kind of

637
00:24:19,070 --> 00:24:17,400
thing so that's how they created the

638
00:24:21,350 --> 00:24:19,080

group that would be demonstrating the

639

00:24:23,210 --> 00:24:21,360

side capacity then it was very very

640

00:24:26,330 --> 00:24:23,220

difficult to find people who didn't have

641

00:24:28,310 --> 00:24:26,340

some memory of experiencing things in

642

00:24:30,350 --> 00:24:28,320

non-conventional ways information in

643

00:24:32,390 --> 00:24:30,360

non-conventional ways very very

644

00:24:34,490 --> 00:24:32,400

difficult or at least an even more so to

645

00:24:36,590 --> 00:24:34,500

find people who didn't have brothers or

646

00:24:38,750 --> 00:24:36,600

sisters or mothers or fathers who also

647

00:24:40,730 --> 00:24:38,760

hadn't had those experiences but they

648

00:24:42,590 --> 00:24:40,740

eventually found a control group

649

00:24:45,289 --> 00:24:42,600

and what they found was very interesting

650

00:24:47,870 --> 00:24:45,299

it wasn't just that some people have

651
00:24:49,669 --> 00:24:47,880
psychic capacities that was demonstrable

652
00:24:51,230 --> 00:24:49,679
scientifically right with rigorous

653
00:24:52,789 --> 00:24:51,240
protocols and plays people I want to

654
00:24:54,950 --> 00:24:52,799
make this really clear is it not just

655
00:24:58,430 --> 00:24:54,960
hearsay it's not just anecdotal evidence

656
00:25:00,470 --> 00:24:58,440
right this is lab tested results with

657
00:25:02,450 --> 00:25:00,480
rigorous protocols and most people that

658
00:25:03,830 --> 00:25:02,460
are conducting parapsychological

659
00:25:06,710 --> 00:25:03,840
research know that it's going to be

660
00:25:08,330 --> 00:25:06,720
mopped and immediately dismissed so they

661
00:25:10,310 --> 00:25:08,340
have some of the most rigorous protocols

662
00:25:13,310 --> 00:25:10,320
you could find I don't think you'll be

663
00:25:15,230 --> 00:25:13,320

able to convince me that Dean Raiden

664

00:25:17,510 --> 00:25:15,240

doesn't do that for instance really set

665

00:25:19,430 --> 00:25:17,520

up rigorous protocols but what they

666

00:25:22,570 --> 00:25:19,440

found is not just that sure enough the

667

00:25:25,610 --> 00:25:22,580

the people who were known to be psychic

668

00:25:28,070 --> 00:25:25,620

achieved much better on these tests

669

00:25:29,930 --> 00:25:28,080

did much better but on top of that they

670

00:25:31,850 --> 00:25:29,940

can actually see differences in their

671

00:25:34,370 --> 00:25:31,860

genetics they could see differences in

672

00:25:36,710 --> 00:25:34,380

their brain so for instance

673

00:25:38,690 --> 00:25:36,720

they would see evidence of a particular

674

00:25:40,669 --> 00:25:38,700

chromosome

675

00:25:42,409 --> 00:25:40,679

that had to do with what we have used to

676
00:25:44,210 --> 00:25:42,419
consider junk DNA right that was what we

677
00:25:46,669 --> 00:25:44,220
used to call it because we which again

678
00:25:48,110 --> 00:25:46,679
is our hubris right we can't immediately

679
00:25:49,850 --> 00:25:48,120
figure out what this is for so it's just

680
00:25:51,110 --> 00:25:49,860
a bunch of stuff that's garbage right I

681
00:25:53,149 --> 00:25:51,120
don't even know what's doing that right

682
00:25:54,950 --> 00:25:53,159
and of course the more logical

683
00:25:57,289 --> 00:25:54,960
conclusion is we just don't know enough

684
00:25:58,909 --> 00:25:57,299
yet to know what it's doing right and so

685
00:26:00,529 --> 00:25:58,919
sure enough for the recent years we've

686
00:26:03,010 --> 00:26:00,539
made progress we're beginning to

687
00:26:05,269 --> 00:26:03,020
understand some of the ways that that

688
00:26:07,430 --> 00:26:05,279

non-coding DNA is what it's called now

689

00:26:09,649 --> 00:26:07,440

as opposed to junk DNA we've grown up a

690

00:26:13,850 --> 00:26:09,659

little bit they recognize it can

691

00:26:16,130 --> 00:26:13,860

influence the brain and the body but in

692

00:26:18,590 --> 00:26:16,140

ways it's different than coding DNA and

693

00:26:20,690 --> 00:26:18,600

so it's in that non-coding DNA that we

694

00:26:23,330 --> 00:26:20,700

used to call junk DNA that we actually

695

00:26:25,730 --> 00:26:23,340

see a difference in the brains of people

696

00:26:27,590 --> 00:26:25,740

who have psychic capacity and even more

697

00:26:29,510 --> 00:26:27,600

fascinatingly

698

00:26:31,549 --> 00:26:29,520

the people who actually didn't have

699

00:26:33,649 --> 00:26:31,559

second capacity they actually had a

700

00:26:37,010 --> 00:26:33,659

mutation

701
00:26:40,269 --> 00:26:37,020
meaning that the original Human Genome

702
00:26:43,789 --> 00:26:40,279
had this within it and it was a later

703
00:26:46,669 --> 00:26:43,799
mutation even possibly because of things

704
00:26:48,950 --> 00:26:46,679
like inquisitions and witch trials that

705
00:26:52,070 --> 00:26:48,960
actually eventually you had so many

706
00:26:53,630 --> 00:26:52,080
people murdered that had those natural

707
00:26:56,510 --> 00:26:53,640
capacities or part of the original

708
00:26:58,490 --> 00:26:56,520
genome eliminated from the gene pool so

709
00:27:00,590 --> 00:26:58,500
then people who had the mutation started

710
00:27:02,870 --> 00:27:00,600
having kids with people who had that

711
00:27:05,930 --> 00:27:02,880
same mutation and then we'd have a pool

712
00:27:08,390 --> 00:27:05,940
of people who have this mutation

713
00:27:10,789 --> 00:27:08,400

which makes them actually not as psychic

714

00:27:12,890 --> 00:27:10,799

psychically capable which is really

715

00:27:13,610 --> 00:27:12,900

fascinating when you think about it and

716

00:27:15,230 --> 00:27:13,620

um

717

00:27:16,669 --> 00:27:15,240

that not only this is something that

718

00:27:18,590 --> 00:27:16,679

exists but actually this was the

719

00:27:20,990 --> 00:27:18,600

original and and the people who don't

720

00:27:23,930 --> 00:27:21,000

have this is more of a recent mutation

721

00:27:25,810 --> 00:27:23,940

and because a direct

722

00:27:27,590 --> 00:27:25,820

um you know consequence of our

723

00:27:30,850 --> 00:27:27,600

persecuting of this thing that's

724

00:27:34,909 --> 00:27:30,860

actually natural to the human genome

725

00:27:36,769 --> 00:27:34,919

that's uh so wrong to say the least that

726

00:27:39,470 --> 00:27:36,779

we would of course then there are many

727

00:27:42,950 --> 00:27:39,480

examples in our history where we have uh

728

00:27:45,830 --> 00:27:42,960

you know selectively taken things out uh

729

00:27:47,450 --> 00:27:45,840

that we just don't like we just just to

730

00:27:50,990 --> 00:27:47,460

disagree with

731

00:27:53,269 --> 00:27:51,000

um but it it does seem to be

732

00:27:55,549 --> 00:27:53,279

as you said earlier something that we

733

00:27:58,430 --> 00:27:55,559

all possess that everyone has some

734

00:28:00,470 --> 00:27:58,440

degree of experience that can be

735

00:28:04,130 --> 00:28:00,480

bucketed into what we would call

736

00:28:04,140 --> 00:28:07,789

you know I find it interesting how

737

00:28:12,710 --> 00:28:10,730

modern people kind of navigate their

738

00:28:14,390 --> 00:28:12,720

life even though they've had these

739

00:28:16,610 --> 00:28:14,400

experiences like how they kind of bucket

740

00:28:19,070 --> 00:28:16,620

those experiences you know like segment

741

00:28:21,049 --> 00:28:19,080

them from uh everything else that

742

00:28:23,450 --> 00:28:21,059

happens you know so

743

00:28:25,669 --> 00:28:23,460

um I mean I I you'd be hard-pressed to

744

00:28:28,850 --> 00:28:25,679

find anyone I think if you really ask

745

00:28:30,230 --> 00:28:28,860

them you know have you had any uh you

746

00:28:32,750 --> 00:28:30,240

know like an intuition about somebody

747

00:28:35,750 --> 00:28:32,760

that later turned out to be true have

748

00:28:39,289 --> 00:28:35,760

you had a precognitive experience where

749

00:28:42,049 --> 00:28:39,299

uh you knew something uh and then you

750

00:28:44,810 --> 00:28:42,059

know not long after you you knew it you

751

00:28:47,330 --> 00:28:44,820

learned it for the first time uh you

752

00:28:50,390 --> 00:28:47,340

know through conventional means

753

00:28:53,210 --> 00:28:50,400

um you know these experiences are I

754

00:28:54,890 --> 00:28:53,220

would argue almost fundamental to to

755

00:28:58,669 --> 00:28:54,900

Being Human

756

00:29:01,010 --> 00:28:58,679

um and yet because they are so strange

757

00:29:03,250 --> 00:29:01,020

by the end the way that we have been

758

00:29:06,350 --> 00:29:03,260

taught we can experience things

759

00:29:08,090 --> 00:29:06,360

they're all just written off by our

760

00:29:10,070 --> 00:29:08,100

science essentially is saying like well

761

00:29:12,529 --> 00:29:10,080

that's just you know weird things happen

762

00:29:13,970 --> 00:29:12,539

in the brain you know so since the

763

00:29:16,310 --> 00:29:13,980

brain's just kind of some it's

764

00:29:17,690 --> 00:29:16,320

mysterious we don't understand it all uh

765

00:29:20,389 --> 00:29:17,700

so it can kind of just you know come up

766

00:29:22,250 --> 00:29:20,399

with this stuff and and you know with

767

00:29:24,169 --> 00:29:22,260

enough people doing enough thinking

768

00:29:25,850 --> 00:29:24,179

weird things happen and that's just it's

769

00:29:27,289 --> 00:29:25,860

almost like a rounding error to some

770

00:29:30,169 --> 00:29:27,299

degree

771

00:29:32,090 --> 00:29:30,179

um but if we were to kind of dig into

772

00:29:33,710 --> 00:29:32,100

this in a serious way because there are

773

00:29:37,250 --> 00:29:33,720

a lot of people who do study this and

774

00:29:40,430 --> 00:29:37,260

and try to develop this ability you know

775

00:29:42,950 --> 00:29:40,440

what are some different ways that that

776

00:29:46,970 --> 00:29:42,960

that you know of that individuals try to

777

00:29:49,850 --> 00:29:46,980

nurture uh and enhance this capacity

778

00:29:52,070 --> 00:29:49,860

that we we seemingly all share

779

00:29:53,389 --> 00:29:52,080

it's a great question and I think there

780

00:29:56,149 --> 00:29:53,399

are some very practical things people

781

00:29:59,149 --> 00:29:56,159

can do and they're not all that you know

782

00:30:00,409 --> 00:29:59,159

startling and uh you know big league in

783

00:30:02,570 --> 00:30:00,419

some ways you can be getting some very

784

00:30:03,950 --> 00:30:02,580

small ways

785

00:30:05,750 --> 00:30:03,960

because

786

00:30:08,630 --> 00:30:05,760

as we're saying this is something about

787

00:30:10,789 --> 00:30:08,640

the fundamental nature of reality the

788

00:30:11,990 --> 00:30:10,799

fundamental default condition of

789

00:30:15,049 --> 00:30:12,000

humanity

790

00:30:16,789 --> 00:30:15,059

so a lot of it is comes down to us just

791

00:30:18,649 --> 00:30:16,799

being out of practice right or having a

792

00:30:21,470 --> 00:30:18,659

muscle that we never exercise right if

793

00:30:24,409 --> 00:30:21,480

you if you go to space and you don't

794

00:30:26,269 --> 00:30:24,419

have to resist gravity right your your

795

00:30:28,370 --> 00:30:26,279

muscles you know just go to nothing

796

00:30:30,230 --> 00:30:28,380

right I mean you basically have to try

797

00:30:31,549 --> 00:30:30,240

to create an artificial environment to

798

00:30:34,070 --> 00:30:31,559

keep your muscles strong

799

00:30:35,389 --> 00:30:34,080

well in the same way because of the you

800

00:30:37,549 --> 00:30:35,399

know progress we've made as a

801
00:30:39,769 --> 00:30:37,559
civilization we have a safety net and we

802
00:30:41,510 --> 00:30:39,779
are not concerned generally that a

803
00:30:43,789 --> 00:30:41,520
lion's going to come up from behind that

804
00:30:45,289 --> 00:30:43,799
bush and devour us although I did have a

805
00:30:46,430 --> 00:30:45,299
mountain lion chase me one time I will

806
00:30:50,630 --> 00:30:46,440
say

807
00:30:53,930 --> 00:30:50,640
um so that being the case you know we um

808
00:30:56,210 --> 00:30:53,940
we tend to not rely on these capacities

809
00:30:58,070 --> 00:30:56,220
right so I've mentioned before it's

810
00:31:00,350 --> 00:30:58,080
worth mentioning again in this context

811
00:31:04,610 --> 00:31:00,360
that joette Monical's talked about this

812
00:31:07,970 --> 00:31:04,620
you know he has remarkable side capacity

813
00:31:09,769 --> 00:31:07,980

and it's not coincidental from his point

814

00:31:11,330 --> 00:31:09,779

of view it has a lot to do with the fact

815

00:31:13,789 --> 00:31:11,340

that he grew up on the main streets of

816

00:31:15,289 --> 00:31:13,799

Miami where you needed to know what was

817

00:31:16,370 --> 00:31:15,299

around that corner because it could be

818

00:31:18,830 --> 00:31:16,380

life-threatening it could be a street

819

00:31:20,810 --> 00:31:18,840

gang with knives so to keep he and his

820

00:31:23,450 --> 00:31:20,820

sister safe he kind of developed this

821

00:31:25,010 --> 00:31:23,460

sixth sense right and you know people in

822

00:31:26,330 --> 00:31:25,020

parapsychology will actually talk about

823

00:31:27,889 --> 00:31:26,340

we should really call it the first

824

00:31:30,830 --> 00:31:27,899

sentence because it's actually the most

825

00:31:33,049 --> 00:31:30,840

rooted aspect of who we are but again in

826

00:31:35,510 --> 00:31:33,059

physicalism it's kind of been bad mouth

827

00:31:38,690 --> 00:31:35,520

and you know excommunicated kind of

828

00:31:42,710 --> 00:31:40,850

but the thing is

829

00:31:45,529 --> 00:31:42,720

this is really about

830

00:31:48,470 --> 00:31:45,539

being aware of how you receive

831

00:31:51,110 --> 00:31:48,480

information in non-conventional ways

832

00:31:53,389 --> 00:31:51,120

so the ways you can practice this

833

00:31:54,470 --> 00:31:53,399

actually Discerning and feeling what

834

00:31:56,930 --> 00:31:54,480

it's like when you feel like you're

835

00:31:59,930 --> 00:31:56,940

getting information that is not typical

836

00:32:01,909 --> 00:31:59,940

or conventional or prosaic is when you

837

00:32:03,230 --> 00:32:01,919

go to make small decisions and you have

838

00:32:07,010 --> 00:32:03,240

a couple options

839

00:32:09,110 --> 00:32:07,020

sit with how each one feels

840

00:32:10,610 --> 00:32:09,120

sit with it don't rush right I mean this

841

00:32:12,409 --> 00:32:10,620

is part of the problem is our lives are

842

00:32:14,990 --> 00:32:12,419

so busy our modern lives and the second

843

00:32:17,389 --> 00:32:15,000

we get time off we want to stream media

844

00:32:19,190 --> 00:32:17,399

content and we want to get on social

845

00:32:20,870 --> 00:32:19,200

media and

846

00:32:22,909 --> 00:32:20,880

I'm not saying those things are all bad

847

00:32:26,090 --> 00:32:22,919

but I'm saying if you constantly fill

848

00:32:28,010 --> 00:32:26,100

your life with activity then you're not

849

00:32:31,190 --> 00:32:28,020

going to be able to drill down an

850

00:32:32,990 --> 00:32:31,200

experience and grow these much more

851

00:32:35,029 --> 00:32:33,000

subtle capacities because this is this

852

00:32:36,889 --> 00:32:35,039

is to be clear this is a subtle level of

853

00:32:38,330 --> 00:32:36,899

reality and one of the things I've been

854

00:32:40,850 --> 00:32:38,340

practicing so practicing with someone

855

00:32:43,010 --> 00:32:40,860

I'm really close to is being able to do

856

00:32:44,930 --> 00:32:43,020

this at greater and greater degrees of

857

00:32:46,549 --> 00:32:44,940

subtlety and what I've found is

858

00:32:48,409 --> 00:32:46,559

astonishing and I really think that's

859

00:32:50,149 --> 00:32:48,419

the right word is there doesn't seem to

860

00:32:51,649 --> 00:32:50,159

be a limit the second you think you've

861

00:32:53,930 --> 00:32:51,659

hit this limit of like there's another

862

00:32:55,870 --> 00:32:53,940

granular level we can go to here in

863

00:32:58,870 --> 00:32:55,880

subtle understanding of this one

864

00:33:01,370 --> 00:32:58,880

millisecond has so much information

865

00:33:03,710 --> 00:33:01,380

packed into it and we just rush past it

866

00:33:06,049 --> 00:33:03,720

right on the kind of one single level

867

00:33:07,490 --> 00:33:06,059

kind of way one-dimensional but if you

868

00:33:08,630 --> 00:33:07,500

can stop and you can feel into it

869

00:33:13,070 --> 00:33:08,640

especially if you can do it with someone

870

00:33:15,409 --> 00:33:13,080

like I was doing with her where we could

871

00:33:18,350 --> 00:33:15,419

basically telepathically have this

872

00:33:20,289 --> 00:33:18,360

experience of unpacking this moment and

873

00:33:24,169 --> 00:33:20,299

it created this kind of resonant field

874

00:33:25,909 --> 00:33:24,179

where it held the moment in stasis so we

875

00:33:27,350 --> 00:33:25,919

could suddenly like look around it like

876

00:33:29,810 --> 00:33:27,360

it's a room and it was an amazing

877

00:33:32,509 --> 00:33:29,820

experience and I've never quite had that

878

00:33:34,490 --> 00:33:32,519

degree of experience so that is to say

879

00:33:36,430 --> 00:33:34,500

all of us can not only experience this

880

00:33:39,889 --> 00:33:36,440

but we can continue to grow it and have

881

00:33:41,450 --> 00:33:39,899

increasingly phenomenal experiences but

882

00:33:44,509 --> 00:33:41,460

if even if you've never done this before

883

00:33:45,769 --> 00:33:44,519

just Begin by when you go and you look

884

00:33:47,930 --> 00:33:45,779

in the fridge should I eat this or

885

00:33:49,370 --> 00:33:47,940

should I eat that yes part of it might

886

00:33:51,230 --> 00:33:49,380

be you know and my doctor said that's

887

00:33:52,430 --> 00:33:51,240

high cholesterol I shouldn't do that but

888

00:33:53,870 --> 00:33:52,440

there might be something else right

889

00:33:56,029 --> 00:33:53,880

there might be something else beyond

890

00:33:58,190 --> 00:33:56,039

what you've been taught or read kind of

891

00:34:00,649 --> 00:33:58,200

thing that makes you think actually this

892

00:34:02,210 --> 00:34:00,659

over that or if you're thinking about

893

00:34:04,190 --> 00:34:02,220

moving to some place right like even

894

00:34:05,450 --> 00:34:04,200

I've talked about this one of the ways

895

00:34:07,190 --> 00:34:05,460

you can sort of trick yourself into

896

00:34:08,990 --> 00:34:07,200

having this experience

897

00:34:11,149 --> 00:34:09,000

because we're so conditioned to think

898

00:34:13,430 --> 00:34:11,159

that everything is is rational and based

899

00:34:15,470 --> 00:34:13,440

on justification and you know Pro con

900

00:34:17,089 --> 00:34:15,480

list kind of thing we've mentioned this

901
00:34:20,750 --> 00:34:17,099
before so you sort of picture yourself

902
00:34:23,510 --> 00:34:20,760
moving to one of two cities right and

903
00:34:25,190 --> 00:34:23,520
rather than sitting down and writing up

904
00:34:27,109 --> 00:34:25,200
this pros and cons list while I like the

905
00:34:28,129 --> 00:34:27,119
weather here but I like the traffic here

906
00:34:30,349 --> 00:34:28,139
right

907
00:34:31,970 --> 00:34:30,359
actually picture yourself there three

908
00:34:33,230 --> 00:34:31,980
months from now you wake up in the

909
00:34:36,589 --> 00:34:33,240
morning

910
00:34:38,690 --> 00:34:36,599
stretch look around how do you feel like

911
00:34:40,790 --> 00:34:38,700
try to place your Consciousness in that

912
00:34:43,490 --> 00:34:40,800
moment and by doing that you will

913
00:34:46,190 --> 00:34:43,500

actually pull out information whether

914

00:34:48,710 --> 00:34:46,200

it's subconscious or you know meta

915

00:34:50,450 --> 00:34:48,720

conscious that is saying something about

916

00:34:52,730 --> 00:34:50,460

how you really interact with that

917

00:34:54,649 --> 00:34:52,740

possibility that will demonstrate to you

918

00:34:56,329 --> 00:34:54,659

that you can access information that's

919

00:35:00,050 --> 00:34:56,339

not prosaic that's not conventional

920

00:35:01,310 --> 00:35:00,060

that's not determined by your your usual

921

00:35:04,910 --> 00:35:01,320

senses

922

00:35:07,550 --> 00:35:04,920

so this is a this is key slow down take

923

00:35:08,690 --> 00:35:07,560

time notice how you have reactions to

924

00:35:11,630 --> 00:35:08,700

things

925

00:35:13,730 --> 00:35:11,640

feel your body this is another one a new

926

00:35:16,910 --> 00:35:13,740

one that I came across recently is was

927

00:35:18,950 --> 00:35:16,920

um telesomatic uh experiences and this

928

00:35:21,589 --> 00:35:18,960

is basically where people can get a

929

00:35:23,329 --> 00:35:21,599

stomach ache because their brother or

930

00:35:24,770 --> 00:35:23,339

their lover has a stomachache kind of

931

00:35:26,750 --> 00:35:24,780

thing and so they actually experience

932

00:35:28,690 --> 00:35:26,760

not just a gut instinct but they

933

00:35:30,890 --> 00:35:28,700

actually take on the physical symptoms

934

00:35:32,210 --> 00:35:30,900

of someone they're close to or something

935

00:35:35,870 --> 00:35:32,220

like that

936

00:35:37,370 --> 00:35:35,880

so we want to slow down we want to l

937

00:35:40,790 --> 00:35:37,380

have said this before ideally practice

938

00:35:43,609 --> 00:35:40,800

meditation right find ways to shut down

939

00:35:45,530 --> 00:35:43,619

the usual default thinking mode and by

940

00:35:47,450 --> 00:35:45,540

doing that

941

00:35:49,849 --> 00:35:47,460

our Consciousness begins to expand

942

00:35:51,589 --> 00:35:49,859

outside of the the usual borders that

943

00:35:53,810 --> 00:35:51,599

has been uh you know narrowly defined

944

00:35:57,109 --> 00:35:53,820

within and then you begin to pick up

945

00:35:59,210 --> 00:35:57,119

additional information so

946

00:36:01,609 --> 00:35:59,220

people often think oh man how I do this

947

00:36:03,050 --> 00:36:01,619

it seems so difficult really a lot of

948

00:36:06,470 --> 00:36:03,060

the times it comes down to getting out

949

00:36:08,870 --> 00:36:06,480

of our own way so by by meditating by by

950

00:36:10,370 --> 00:36:08,880

just choosing to sit still and yes the

951
00:36:11,690 --> 00:36:10,380
monkey brain for a while is going to go

952
00:36:13,010 --> 00:36:11,700
go go right I'm not going to think about

953
00:36:14,210 --> 00:36:13,020
this I've got this meeting tomorrow I

954
00:36:15,530 --> 00:36:14,220
got to get this done I gotta get

955
00:36:17,450 --> 00:36:15,540
groceries

956
00:36:20,930 --> 00:36:17,460
but if you sit there long enough then

957
00:36:23,210 --> 00:36:20,940
you just watch it as a as a witness

958
00:36:25,310 --> 00:36:23,220
without judging it without trying to

959
00:36:27,410 --> 00:36:25,320
stop it just let it run its course

960
00:36:28,790 --> 00:36:27,420
eventually it will run its course

961
00:36:30,530 --> 00:36:28,800
because you're not paying attention

962
00:36:32,690 --> 00:36:30,540
you're not interacting with it

963
00:36:34,010 --> 00:36:32,700

eventually it'll seem like it'll take a

964

00:36:36,109 --> 00:36:34,020

while sometimes for people first getting

965

00:36:37,910 --> 00:36:36,119

into this but eventually the monkey mind

966

00:36:40,849 --> 00:36:37,920

will stop chattering because she stopped

967

00:36:43,430 --> 00:36:40,859

talking to it and then you will suddenly

968

00:36:45,410 --> 00:36:43,440

find that when bad is out of your way

969

00:36:46,910 --> 00:36:45,420

your Consciousness will naturally begin

970

00:36:49,430 --> 00:36:46,920

to expand and you'll start picking up

971

00:36:51,470 --> 00:36:49,440

more and more things so it can begin by

972

00:36:53,930 --> 00:36:51,480

you know meditation practices but then

973

00:36:55,849 --> 00:36:53,940

even as we walk around the world just

974

00:36:58,130 --> 00:36:55,859

pay attention to what's in your body pay

975

00:36:59,690 --> 00:36:58,140

attention to when you get a gut instinct

976
00:37:02,210 --> 00:36:59,700
what is that and I would like to sit

977
00:37:04,130 --> 00:37:02,220
with it and as we begin to notice these

978
00:37:05,990 --> 00:37:04,140
things we immediately begin to grow in

979
00:37:08,030 --> 00:37:06,000
our capacities and then as we really

980
00:37:10,670 --> 00:37:08,040
begin to exercise that that we really

981
00:37:12,790 --> 00:37:10,680
can uh you know demonstrate some

982
00:37:15,410 --> 00:37:12,800
increased capacity over time

983
00:37:16,790 --> 00:37:15,420
yeah I want to revisit the word and the

984
00:37:18,950 --> 00:37:16,800
definition that we use and that's

985
00:37:22,730 --> 00:37:18,960
receptive and so you're not only being

986
00:37:25,190 --> 00:37:22,740
open to what could happen so there's a

987
00:37:28,250 --> 00:37:25,200
general openness that we've touched on

988
00:37:30,410 --> 00:37:28,260

here that this is possible but also

989

00:37:32,870 --> 00:37:30,420

being receptive in the sense that you're

990

00:37:36,109 --> 00:37:32,880

receiving information from somewhere

991

00:37:38,210 --> 00:37:36,119

else so it really is kind of both ways

992

00:37:40,790 --> 00:37:38,220

of looking at it and if you follow

993

00:37:43,490 --> 00:37:40,800

anyone who's you know going to try to do

994

00:37:45,950 --> 00:37:43,500

this or develop this skill uh you know

995

00:37:49,730 --> 00:37:45,960

being receptive is a huge aspect to

996

00:37:51,170 --> 00:37:49,740

their practice that this can happen I

997

00:37:52,970 --> 00:37:51,180

want to touch on another kind of

998

00:37:56,030 --> 00:37:52,980

modality as well

999

00:37:57,410 --> 00:37:56,040

and that's you know and we we you have

1000

00:37:59,750 --> 00:37:57,420

touched on this a little bit and that's

1001
00:38:01,430 --> 00:37:59,760
through meditation but there are Altered

1002
00:38:04,790 --> 00:38:01,440
States Of Consciousness that we can get

1003
00:38:08,329 --> 00:38:04,800
into uh through not only meditation but

1004
00:38:10,010 --> 00:38:08,339
also things like psychedelics and uh you

1005
00:38:11,569 --> 00:38:10,020
know we've seen plenty of examples of

1006
00:38:13,130 --> 00:38:11,579
individuals that have had those

1007
00:38:15,410 --> 00:38:13,140
experiences where things have happened

1008
00:38:17,870 --> 00:38:15,420
to them uh that that they can't quite

1009
00:38:20,329 --> 00:38:17,880
explain through a conventional means and

1010
00:38:23,930 --> 00:38:20,339
I'll offer a recent anecdote of my own

1011
00:38:25,550 --> 00:38:23,940
so I was able to experience uh like a a

1012
00:38:27,770 --> 00:38:25,560
really amazing altered state of

1013
00:38:29,870 --> 00:38:27,780

consciousness with a good friend of mine

1014

00:38:32,930 --> 00:38:29,880

also in the mountains not not too far

1015

00:38:34,310 --> 00:38:32,940

from your cabin in fact and uh

1016

00:38:36,950 --> 00:38:34,320

you know one of the interesting things

1017

00:38:38,630 --> 00:38:36,960

about that experience was well there

1018

00:38:40,310 --> 00:38:38,640

were several interesting things about it

1019

00:38:42,290 --> 00:38:40,320

but there are two that I want to touch

1020

00:38:43,250 --> 00:38:42,300

on that I think tie directly into this

1021

00:38:47,569 --> 00:38:43,260

topic

1022

00:38:49,370 --> 00:38:47,579

so one is a more abstract uh experience

1023

00:38:52,670 --> 00:38:49,380

and then one is a concrete one so the

1024

00:38:55,370 --> 00:38:52,680

abstract one that I had in this state

1025

00:38:57,950 --> 00:38:55,380

was

1026
00:38:59,750 --> 00:38:57,960
a sense that the way in which we know

1027
00:39:02,870 --> 00:38:59,760
things the way that we think we know

1028
00:39:06,290 --> 00:39:02,880
things about the world uh is not really

1029
00:39:09,589 --> 00:39:06,300
how we know things that that knowledge

1030
00:39:12,650 --> 00:39:09,599
instead is

1031
00:39:14,810 --> 00:39:12,660
essentially all around us ever present

1032
00:39:19,190 --> 00:39:14,820
to us and from like we are we are

1033
00:39:21,589 --> 00:39:19,200
traveling through a uh

1034
00:39:23,690 --> 00:39:21,599
uh kind of like a

1035
00:39:25,609 --> 00:39:23,700
a medium of information like it just

1036
00:39:27,530 --> 00:39:25,619
permeates everything about reality

1037
00:39:29,810 --> 00:39:27,540
information is everywhere and we can

1038
00:39:32,030 --> 00:39:29,820

access that information at any point in

1039

00:39:33,950 --> 00:39:32,040

time that we want to it's just there

1040

00:39:35,990 --> 00:39:33,960

it's just it's we just had to be present

1041

00:39:38,750 --> 00:39:36,000

to that information and we can access

1042

00:39:41,329 --> 00:39:38,760

that and then it's only after accessing

1043

00:39:44,329 --> 00:39:41,339

the information and understanding it do

1044

00:39:47,810 --> 00:39:44,339

we then kind of go back around and we

1045

00:39:50,089 --> 00:39:47,820

say well I learned this through uh this

1046

00:39:53,569 --> 00:39:50,099

sort of conventional way of learning and

1047

00:39:56,630 --> 00:39:53,579

so we we kind of slap onto our our

1048

00:39:59,030 --> 00:39:56,640

intuition or our knowing with uh with

1049

00:40:01,069 --> 00:39:59,040

sort of this uh you know schoolyard kind

1050

00:40:03,829 --> 00:40:01,079

of I I learned it because I learned fact

1051

00:40:06,349 --> 00:40:03,839

a b and c and then and put those

1052

00:40:08,210 --> 00:40:06,359

together and I'm gonna get D you know

1053

00:40:09,829 --> 00:40:08,220

that's the way that I really understood

1054

00:40:10,970 --> 00:40:09,839

so that was an interesting Insight that

1055

00:40:13,190 --> 00:40:10,980

I had

1056

00:40:17,210 --> 00:40:13,200

in that moment but the other one that

1057

00:40:20,150 --> 00:40:17,220

was really the concrete example was uh

1058

00:40:21,890 --> 00:40:20,160

you know in this experience out of

1059

00:40:23,450 --> 00:40:21,900

nowhere basically I don't know where

1060

00:40:26,390 --> 00:40:23,460

this came from

1061

00:40:29,030 --> 00:40:26,400

um I the thought entered my mind about

1062

00:40:30,530 --> 00:40:29,040

my graduate school and I was just kind

1063

00:40:32,690 --> 00:40:30,540

of like well I wonder what's happening

1064

00:40:35,030 --> 00:40:32,700

with my graduate school you know it's

1065

00:40:37,130 --> 00:40:35,040

been gosh it's been almost 20 years now

1066

00:40:38,569 --> 00:40:37,140

since I finished that program wonder

1067

00:40:40,370 --> 00:40:38,579

what they're up to wonder what the

1068

00:40:42,230 --> 00:40:40,380

campus looks like I wonder if any of my

1069

00:40:44,210 --> 00:40:42,240

professors are still there you know

1070

00:40:46,970 --> 00:40:44,220

thoughts that I just never have ever

1071

00:40:49,329 --> 00:40:46,980

about that because it's been so long and

1072

00:40:52,130 --> 00:40:49,339

I don't stay in touch with them either

1073

00:40:53,990 --> 00:40:52,140

and after I kind of come out of this

1074

00:40:55,550 --> 00:40:54,000

experience as altered state I'm just

1075

00:40:57,410 --> 00:40:55,560

like going through my phone like anybody

1076

00:40:59,089 --> 00:40:57,420

else would like you said we like to

1077

00:41:00,589 --> 00:40:59,099

check those things and kind of fill our

1078

00:41:02,510 --> 00:41:00,599

time and I'm going through and looking

1079

00:41:05,210 --> 00:41:02,520

at my email and the very first email

1080

00:41:08,329 --> 00:41:05,220

that I have my inbox is an email from my

1081

00:41:11,390 --> 00:41:08,339

graduate school asking me to complete a

1082

00:41:13,010 --> 00:41:11,400

survey for that graduating class here

1083

00:41:15,710 --> 00:41:13,020

hey we want to you know find out what

1084

00:41:17,150 --> 00:41:15,720

our alumni are up to from this year it's

1085

00:41:19,310 --> 00:41:17,160

been a long time since we've heard from

1086

00:41:22,250 --> 00:41:19,320

you fill out the survey let us know what

1087

00:41:24,470 --> 00:41:22,260

you're doing I mean so that completely

1088

00:41:26,510 --> 00:41:24,480

blew my mind uh in terms of an

1089

00:41:29,390 --> 00:41:26,520

experience that I had never had and and

1090

00:41:31,550 --> 00:41:29,400

it was very precognitive and you better

1091

00:41:32,990 --> 00:41:31,560

believe I filled out that survey and I

1092

00:41:34,010 --> 00:41:33,000

put in some weird things in the survey

1093

00:41:36,589 --> 00:41:34,020

response that they probably weren't

1094

00:41:40,190 --> 00:41:36,599

expecting but uh you know it's a good

1095

00:41:42,050 --> 00:41:40,200

example of of something that happened in

1096

00:41:43,190 --> 00:41:42,060

my own personal experience where this

1097

00:41:46,490 --> 00:41:43,200

information

1098

00:41:50,390 --> 00:41:46,500

just came to me okay it was present to

1099

00:41:53,150 --> 00:41:50,400

me and I decided to be present to it uh

1100

00:41:55,010 --> 00:41:53,160

it was just there and I had did not

1101
00:41:56,630 --> 00:41:55,020
learn it through any normal means of

1102
00:41:58,670 --> 00:41:56,640
acquiring information so I thought that

1103
00:42:00,470 --> 00:41:58,680
was pretty interesting

1104
00:42:02,510 --> 00:42:00,480
yeah and you're reminding me of an

1105
00:42:04,609 --> 00:42:02,520
experience that we had recently when you

1106
00:42:07,250 --> 00:42:04,619
were telling me about that experience so

1107
00:42:08,930 --> 00:42:07,260
to sort of frame this for people again

1108
00:42:09,890 --> 00:42:08,940
there's a lot of different topics that

1109
00:42:12,109 --> 00:42:09,900
are kind of

1110
00:42:14,210 --> 00:42:12,119
fall under this General umbrella about

1111
00:42:17,030 --> 00:42:14,220
you know PSY and

1112
00:42:19,849 --> 00:42:17,040
you know non-conventional kind of means

1113
00:42:21,710 --> 00:42:19,859

of experience but also of knowledge and

1114

00:42:23,630 --> 00:42:21,720

again will eventually get to how this

1115

00:42:25,849 --> 00:42:23,640

plays into reality like what is it about

1116

00:42:28,550 --> 00:42:25,859

reality that makes these things possible

1117

00:42:31,910 --> 00:42:28,560

but another one that factors in here is

1118

00:42:34,190 --> 00:42:31,920

synchronicity right that um

1119

00:42:36,890 --> 00:42:34,200

then this world is not exactly what it

1120

00:42:38,630 --> 00:42:36,900

seems to be and that you could call it a

1121

00:42:40,609 --> 00:42:38,640

kind of Matrix kind of situation or kind

1122

00:42:43,370 --> 00:42:40,619

of a derivative

1123

00:42:45,050 --> 00:42:43,380

um byproduct of some deeper structure of

1124

00:42:47,810 --> 00:42:45,060

reality and I've talked about this

1125

00:42:50,270 --> 00:42:47,820

before again you know there's physicists

1126
00:42:52,130 --> 00:42:50,280
like Nema or Kani Hamed who've been

1127
00:42:55,670 --> 00:42:52,140
researching this who are actually even

1128
00:42:58,069 --> 00:42:55,680
making progress in beginning to have a

1129
00:43:00,170 --> 00:42:58,079
glimpses into this deeper structure of

1130
00:43:02,150 --> 00:43:00,180
reality that we don't ever interact with

1131
00:43:03,890 --> 00:43:02,160
directly at least usually because as you

1132
00:43:06,349 --> 00:43:03,900
say so through some of these

1133
00:43:08,390 --> 00:43:06,359
non-conventional states I think we can

1134
00:43:10,010 --> 00:43:08,400
but in our usual default mode we

1135
00:43:12,530 --> 00:43:10,020
generally don't

1136
00:43:14,150 --> 00:43:12,540
but if there is a deeper structure of

1137
00:43:17,089 --> 00:43:14,160
reality of which this is basically just

1138
00:43:19,550 --> 00:43:17,099

the derivative byproduct of then that

1139

00:43:21,650 --> 00:43:19,560

would mean that

1140

00:43:22,910 --> 00:43:21,660

the more you're in touch with something

1141

00:43:25,010 --> 00:43:22,920

deeper

1142

00:43:27,470 --> 00:43:25,020

the more you might begin to see strange

1143

00:43:30,290 --> 00:43:27,480

things appear here

1144

00:43:31,730 --> 00:43:30,300

not because the stage is here but

1145

00:43:34,010 --> 00:43:31,740

because this is a derivative of

1146

00:43:35,329 --> 00:43:34,020

something deeper so that I think that's

1147

00:43:36,950 --> 00:43:35,339

what's happening with synchronicity I've

1148

00:43:39,050 --> 00:43:36,960

talked about this before I think

1149

00:43:42,170 --> 00:43:39,060

tomorrow Consciousness is engaged to the

1150

00:43:45,050 --> 00:43:42,180

more that we really are able to

1151
00:43:47,390 --> 00:43:45,060
through a growth in consciousness

1152
00:43:50,329 --> 00:43:47,400
exceed the boundaries of space and time

1153
00:43:52,670 --> 00:43:50,339
in the usual default mode we impact that

1154
00:43:55,370 --> 00:43:52,680
deeper structure in more substantive

1155
00:43:57,410 --> 00:43:55,380
ways and because of that we see as a

1156
00:44:00,770 --> 00:43:57,420
byproduct strange things occurring in

1157
00:44:02,990 --> 00:44:00,780
this reality right this Matrix this

1158
00:44:04,010 --> 00:44:03,000
physical reality as we call it and I

1159
00:44:07,130 --> 00:44:04,020
think a lot of times that's what

1160
00:44:09,230 --> 00:44:07,140
synchronicity is uh you know Carl Ewing

1161
00:44:11,690 --> 00:44:09,240
had a someone similar idea that the

1162
00:44:13,250 --> 00:44:11,700
basically physical reality is the other

1163
00:44:14,870 --> 00:44:13,260

side of the coin of the collective

1164

00:44:17,390 --> 00:44:14,880

unconscious right that there are two

1165

00:44:18,950 --> 00:44:17,400

sides of the same coin ultimately but if

1166

00:44:21,530 --> 00:44:18,960

you remember you were telling me about

1167

00:44:24,109 --> 00:44:21,540

this I think around this time we were

1168

00:44:25,970 --> 00:44:24,119

having pizza and beer and well I had a

1169

00:44:28,609 --> 00:44:25,980

beer I don't think you did anyway

1170

00:44:29,930 --> 00:44:28,619

um and I was we were talking about our

1171

00:44:31,730 --> 00:44:29,940

histories and I had mentioned to you

1172

00:44:34,130 --> 00:44:31,740

this thing about you know when I was a

1173

00:44:35,630 --> 00:44:34,140

kid my parents bought a Volkswagen

1174

00:44:37,550 --> 00:44:35,640

vanity traveled across North America

1175

00:44:39,650 --> 00:44:37,560

after like a year you know camping in

1176

00:44:41,210 --> 00:44:39,660

this van it was like very hippie and

1177

00:44:43,550 --> 00:44:41,220

very cool and I I have such great

1178

00:44:45,290 --> 00:44:43,560

experiences of that uh from that and I

1179

00:44:47,329 --> 00:44:45,300

looked behind you like over your head

1180

00:44:50,450 --> 00:44:47,339

and in a parking lot across the street

1181

00:44:53,329 --> 00:44:50,460

you're just the exact yellow Volkswagen

1182

00:44:56,210 --> 00:44:53,339

van 70s Edition

1183

00:44:58,970 --> 00:44:56,220

um European model that was the very van

1184

00:45:00,349 --> 00:44:58,980

that we drove across North America in so

1185

00:45:02,089 --> 00:45:00,359

that was I'm like you're not gonna

1186

00:45:03,950 --> 00:45:02,099

believe this Nathan but look behind you

1187

00:45:06,109 --> 00:45:03,960

and and that's exactly what I'm talking

1188

00:45:09,890 --> 00:45:06,119

about you know it's it's not about magic

1189

00:45:12,710 --> 00:45:09,900

it's about that somehow Ultimate Reality

1190

00:45:14,750 --> 00:45:12,720

is not this and sometimes when we really

1191

00:45:16,190 --> 00:45:14,760

are expanding our Consciousness we had

1192

00:45:17,809 --> 00:45:16,200

just been talking about that right with

1193

00:45:19,430 --> 00:45:17,819

your experience of an expanded

1194

00:45:20,569 --> 00:45:19,440

Consciousness State and then this

1195

00:45:22,370 --> 00:45:20,579

happens right after that I think it's

1196

00:45:25,069 --> 00:45:22,380

all all connected

1197

00:45:26,150 --> 00:45:25,079

yeah and uh and I want to I want to

1198

00:45:27,170 --> 00:45:26,160

follow this a little bit further too

1199

00:45:30,109 --> 00:45:27,180

because

1200

00:45:33,309 --> 00:45:30,119

it's not a sign that you should go and

1201

00:45:35,630 --> 00:45:33,319

research vintage Volkswagen Vance

1202

00:45:37,069 --> 00:45:35,640

because a lot of people will construe it

1203

00:45:40,010 --> 00:45:37,079

to be that like oh I had this

1204

00:45:43,130 --> 00:45:40,020

synchronicity and that means that the

1205

00:45:46,430 --> 00:45:43,140

Universe wants me to study whatever it

1206

00:45:49,730 --> 00:45:46,440

is that that synchronous experience with

1207

00:45:51,890 --> 00:45:49,740

perhaps I mean it could be that but more

1208

00:45:54,589 --> 00:45:51,900

than likely it's not that what it really

1209

00:45:57,109 --> 00:45:54,599

is though is it's pointing toward this

1210

00:46:00,829 --> 00:45:57,119

deeper layer of reality that you've

1211

00:46:02,630 --> 00:46:00,839

described that that should tell us the

1212

00:46:03,710 --> 00:46:02,640

way in which we think things are

1213

00:46:08,569 --> 00:46:03,720

happening

1214

00:46:11,630 --> 00:46:08,579

way that we experience the world isn't

1215

00:46:13,550 --> 00:46:11,640

uh as neat and tidy and clean as what

1216

00:46:16,730 --> 00:46:13,560

we've been taught about how things work

1217

00:46:18,710 --> 00:46:16,740

these are little hints that they're

1218

00:46:20,809 --> 00:46:18,720

they're worth exploring not that you

1219

00:46:22,670 --> 00:46:20,819

should devote your you know energy to

1220

00:46:25,910 --> 00:46:22,680

the the ins and outs of vintage

1221

00:46:28,609 --> 00:46:25,920

Volkswagens but you should explore

1222

00:46:32,030 --> 00:46:28,619

you know what it means if this

1223

00:46:34,309 --> 00:46:32,040

experience is possible in the face of

1224

00:46:38,270 --> 00:46:34,319

what you have been told is possible

1225

00:46:39,950 --> 00:46:38,280

and I think once you begin doing that it

1226

00:46:43,609 --> 00:46:39,960

again all comes back to this kind of

1227

00:46:45,589 --> 00:46:43,619

receptivity notion this openness idea a

1228

00:46:48,710 --> 00:46:45,599

lot of other things begin to enter into

1229

00:46:51,770 --> 00:46:48,720

the equation and and I want to kind of

1230

00:46:55,010 --> 00:46:51,780

now direct this conversation into you

1231

00:46:57,609 --> 00:46:55,020

know how uh channeling and receiving

1232

00:47:00,829 --> 00:46:57,619

information from unconventional means

1233

00:47:03,050 --> 00:47:00,839

ties into the the phenomena you know

1234

00:47:06,470 --> 00:47:03,060

what what what what does this mean and

1235

00:47:10,069 --> 00:47:06,480

how do we make sense of uh channeled

1236

00:47:12,170 --> 00:47:10,079

material for example or uh you know

1237

00:47:14,750 --> 00:47:12,180

other things that we're hearing about in

1238

00:47:16,490 --> 00:47:14,760

in the ufological circles that you know

1239

00:47:18,950 --> 00:47:16,500

that this experience doesn't seem to

1240

00:47:21,050 --> 00:47:18,960

jive with this one and you know how

1241

00:47:23,089 --> 00:47:21,060

could they be disharminists you know

1242

00:47:25,609 --> 00:47:23,099

like how do we how do we work this out

1243

00:47:27,950 --> 00:47:25,619

so how do you fit this way of

1244

00:47:32,630 --> 00:47:27,960

experiencing and knowing and and this

1245

00:47:35,690 --> 00:47:34,370

well I'm going to begin by saying it's

1246

00:47:37,670 --> 00:47:35,700

complex

1247

00:47:40,550 --> 00:47:37,680

I say that fairly regularly on this show

1248

00:47:42,829 --> 00:47:40,560

it seems even discombobulating perhaps

1249

00:47:44,809 --> 00:47:42,839

no there we go

1250

00:47:47,390 --> 00:47:44,819

um

1251
00:47:48,829 --> 00:47:47,400
because I think people might want to you

1252
00:47:50,809 --> 00:47:48,839
know make it a black or white issue and

1253
00:47:53,870 --> 00:47:50,819
say look either channeling is as

1254
00:47:55,970 --> 00:47:53,880
completely accurate reliable means of

1255
00:47:58,730 --> 00:47:55,980
obtaining information like you know

1256
00:48:00,829 --> 00:47:58,740
doing a Google search or it's hogwash

1257
00:48:03,230 --> 00:48:00,839
and people's delusion or you know

1258
00:48:04,970 --> 00:48:03,240
delusions of grandeur or whatever you

1259
00:48:06,609 --> 00:48:04,980
know and I think it's just more

1260
00:48:09,950 --> 00:48:06,619
complicated than that there's so many

1261
00:48:11,710 --> 00:48:09,960
nuances and layers to reality and to our

1262
00:48:15,410 --> 00:48:11,720
own personas for that for that matter

1263
00:48:18,890 --> 00:48:15,420

that all of these are factors in what

1264

00:48:23,329 --> 00:48:21,170

so yes as you say some people will be

1265

00:48:25,670 --> 00:48:23,339

like well if if channeling is accurate

1266

00:48:27,109 --> 00:48:25,680

and reliable why did this channeling

1267

00:48:29,390 --> 00:48:27,119

group get one result and this other

1268

00:48:31,130 --> 00:48:29,400

challenging group got another result

1269

00:48:32,809 --> 00:48:31,140

well because

1270

00:48:35,210 --> 00:48:32,819

there's numerous things going on number

1271

00:48:36,710 --> 00:48:35,220

one we should say because I want to

1272

00:48:39,170 --> 00:48:36,720

cover the gamut here so people feel like

1273

00:48:41,450 --> 00:48:39,180

we've adequately addressed this there

1274

00:48:44,450 --> 00:48:41,460

are some channels that probably just is

1275

00:48:46,910 --> 00:48:44,460

hogwash that uh either want

1276
00:48:48,950 --> 00:48:46,920
to say something that will get people's

1277
00:48:50,390 --> 00:48:48,960
attention so they can Garner fame or

1278
00:48:51,589 --> 00:48:50,400
Fortune perhaps their thinking or

1279
00:48:53,329 --> 00:48:51,599
whatever

1280
00:48:54,349 --> 00:48:53,339
absolutely there are some people like

1281
00:48:55,849 --> 00:48:54,359
that

1282
00:48:57,109 --> 00:48:55,859
there are other people who genuinely

1283
00:48:59,270 --> 00:48:57,119
think they're getting something but

1284
00:49:02,089 --> 00:48:59,280
perhaps they just are accessing their

1285
00:49:03,109 --> 00:49:02,099
their imagination or they are you know

1286
00:49:05,150 --> 00:49:03,119
just pulling something from their

1287
00:49:08,210 --> 00:49:05,160
subconscious perhaps because they're not

1288
00:49:09,710 --> 00:49:08,220

very self-aware they might have elements

1289

00:49:11,569 --> 00:49:09,720

come up that feel like it's coming from

1290

00:49:13,670 --> 00:49:11,579

Beyond them when actually it is actually

1291

00:49:15,589 --> 00:49:13,680

from them they're just not very fully

1292

00:49:18,349 --> 00:49:15,599

integrated as an individual that can

1293

00:49:23,990 --> 00:49:20,750

there's also a degree to which all of us

1294

00:49:25,609 --> 00:49:24,000

I would pause it have a higher self that

1295

00:49:28,130 --> 00:49:25,619

we are multi-dimensional beings

1296

00:49:29,390 --> 00:49:28,140

ourselves so absolutely sometimes the

1297

00:49:31,970 --> 00:49:29,400

information we're getting is from

1298

00:49:33,710 --> 00:49:31,980

another aspect of ourselves and we

1299

00:49:35,390 --> 00:49:33,720

sometimes think about it like the future

1300

00:49:37,190 --> 00:49:35,400

but again space time is not what we

1301

00:49:38,690 --> 00:49:37,200

think it is I don't think really it's

1302

00:49:41,329 --> 00:49:38,700

the future that's not the best way to

1303

00:49:43,370 --> 00:49:41,339

think about it but it is an aspect of

1304

00:49:46,250 --> 00:49:43,380

you that has more information that kind

1305

00:49:49,069 --> 00:49:46,260

of simultaneously is co-ordinating with you

1306

00:49:51,230 --> 00:49:49,079

in this particular condition and can

1307

00:49:52,849 --> 00:49:51,240

actually interact with you in ways that

1308

00:49:54,890 --> 00:49:52,859

can that can change your behavior and

1309

00:49:57,410 --> 00:49:54,900

hopefully influence your behavior and I

1310

00:49:58,849 --> 00:49:57,420

think most people again maybe if they if

1311

00:49:59,750 --> 00:49:58,859

they've never even thought about it this

1312

00:50:01,250 --> 00:49:59,760

way

1313

00:50:03,050 --> 00:50:01,260

when they really sit down and think

1314

00:50:04,970 --> 00:50:03,060

about it they'll be you know if we call

1315

00:50:07,190 --> 00:50:04,980

it you know our better Angels right or

1316

00:50:09,589 --> 00:50:07,200

like an angel and a demon or sitting on

1317

00:50:11,569 --> 00:50:09,599

my shoulders which one do I listen to

1318

00:50:13,970 --> 00:50:11,579

this is the kind of conception or

1319

00:50:15,950 --> 00:50:13,980

metaphor that's been used over time

1320

00:50:17,930 --> 00:50:15,960

and certainly that sometimes can be

1321

00:50:20,450 --> 00:50:17,940

because there are other entities but

1322

00:50:22,430 --> 00:50:20,460

sometimes that's also different aspects

1323

00:50:24,290 --> 00:50:22,440

of ourselves that we're wrestling with

1324

00:50:25,490 --> 00:50:24,300

and trying to determine what we should

1325

00:50:28,250 --> 00:50:25,500

do

1326

00:50:30,290 --> 00:50:28,260

even science would tell you that the two

1327

00:50:31,970 --> 00:50:30,300

hemispheres of our brain are almost like

1328

00:50:33,710 --> 00:50:31,980

two different personas

1329

00:50:35,390 --> 00:50:33,720

you could have a situation where if

1330

00:50:37,609 --> 00:50:35,400

you're able to

1331

00:50:38,809 --> 00:50:37,619

through certain conditions set up an

1332

00:50:40,910 --> 00:50:38,819

environment where you can basically

1333

00:50:43,730 --> 00:50:40,920

speak to one half of the brain

1334

00:50:46,069 --> 00:50:43,740

you'll find that that brain that Persona

1335

00:50:47,630 --> 00:50:46,079

from that brain might be an atheist the

1336

00:50:50,690 --> 00:50:47,640

other hemisphere might demonstrate

1337

00:50:52,549 --> 00:50:50,700

strong religious fervor right in the

1338

00:50:54,410 --> 00:50:52,559

same brain two different hemispheres and

1339

00:50:57,290 --> 00:50:54,420

somehow we harmonize it through the

1340

00:50:59,270 --> 00:50:57,300

corpus callosum this sense of I'm an

1341

00:51:00,650 --> 00:50:59,280

individual I'm a harmonized being so

1342

00:51:02,870 --> 00:51:00,660

we're already doing this we already see

1343

00:51:05,329 --> 00:51:02,880

evidence of this already that we're kind

1344

00:51:06,829 --> 00:51:05,339

of hybrid beings in that sense and I'm

1345

00:51:09,829 --> 00:51:06,839

saying that because there's so much

1346

00:51:12,290 --> 00:51:09,839

evidence that Consciousness is non-local

1347

00:51:14,089 --> 00:51:12,300

it's not not only is it not produced by

1348

00:51:16,849 --> 00:51:14,099

the physical brain and then the neural

1349

00:51:18,770 --> 00:51:16,859

neural network of your brain but neither

1350

00:51:22,069 --> 00:51:18,780

is it you know held there kind of thing

1351
00:51:24,290 --> 00:51:22,079
so you can sort of keep scaling out and

1352
00:51:25,309 --> 00:51:24,300
go further and further and ultimately as

1353
00:51:28,250 --> 00:51:25,319
we already said

1354
00:51:30,109 --> 00:51:28,260
everything from any space in any time is

1355
00:51:31,849 --> 00:51:30,119
available to all of us now we might not

1356
00:51:34,370 --> 00:51:31,859
be able to practically do that yet or

1357
00:51:36,349 --> 00:51:34,380
access those degrees of information yet

1358
00:51:38,690 --> 00:51:36,359
but it's hypothetically possible

1359
00:51:40,130 --> 00:51:38,700
theoretically possible

1360
00:51:42,410 --> 00:51:40,140
so

1361
00:51:44,030 --> 00:51:42,420
I've already mentioned several ways that

1362
00:51:45,410 --> 00:51:44,040
a certain channeling experience or

1363
00:51:47,450 --> 00:51:45,420

something claimed to be channeling might

1364

00:51:49,190 --> 00:51:47,460

not actually be or might be but it's

1365

00:51:50,569 --> 00:51:49,200

it's a higher version of yourself or

1366

00:51:52,970 --> 00:51:50,579

something

1367

00:51:54,950 --> 00:51:52,980

because really we're talking about

1368

00:51:57,170 --> 00:51:54,960

somehow getting into some sort of

1369

00:51:58,970 --> 00:51:57,180

condition where something beyond your

1370

00:52:00,710 --> 00:51:58,980

usual understanding of yourself is

1371

00:52:02,690 --> 00:52:00,720

sending information and it's coming

1372

00:52:04,849 --> 00:52:02,700

through you that you're you're kind of a

1373

00:52:06,170 --> 00:52:04,859

conduit for it in some ways whether you

1374

00:52:07,190 --> 00:52:06,180

keep it yourself or share it with other

1375

00:52:09,410 --> 00:52:07,200

people

1376

00:52:12,710 --> 00:52:09,420

now the next one of course is the

1377

00:52:14,569 --> 00:52:12,720

possibility of other kinds of beings and

1378

00:52:16,190 --> 00:52:14,579

so some people again getting back to

1379

00:52:17,750 --> 00:52:16,200

people's preconditions and their

1380

00:52:19,670 --> 00:52:17,760

preconceptions and their models of

1381

00:52:22,130 --> 00:52:19,680

reality so you might have some people

1382

00:52:23,630 --> 00:52:22,140

who like a medium for instance that is

1383

00:52:26,150 --> 00:52:23,640

completely coupled with the notion that

1384

00:52:27,589 --> 00:52:26,160

they can commune with supposedly

1385

00:52:29,510 --> 00:52:27,599

deceased people

1386

00:52:31,849 --> 00:52:29,520

but they might be totally unfamiliar

1387

00:52:33,530 --> 00:52:31,859

maybe freaked out by or think it's

1388

00:52:35,750 --> 00:52:33,540

Preposterous that it could be alien

1389

00:52:37,250 --> 00:52:35,760

intelligences so they just assume that

1390

00:52:38,750 --> 00:52:37,260

everything they're receiving is is

1391

00:52:39,770 --> 00:52:38,760

deceased humans they're actually not

1392

00:52:41,930 --> 00:52:39,780

deceased right they're in a different

1393

00:52:43,970 --> 00:52:41,940

modality

1394

00:52:46,490 --> 00:52:43,980

and I think that does happen absolutely

1395

00:52:48,530 --> 00:52:46,500

I've seen remarkable evidence of that

1396

00:52:50,210 --> 00:52:48,540

again look to Dean rayden's work look to

1397

00:52:52,849 --> 00:52:50,220

reincarnation studies there's so much

1398

00:52:54,470 --> 00:52:52,859

evidence of this that that death of

1399

00:52:55,970 --> 00:52:54,480

course is not the end

1400

00:52:57,290 --> 00:52:55,980

you know nothing can be further from the

1401

00:52:59,569 --> 00:52:57,300

truth really when you look at the

1402

00:53:00,770 --> 00:52:59,579

evidence so absolutely we should

1403

00:53:02,329 --> 00:53:00,780

therefore expect that we're going to be

1404

00:53:04,490 --> 00:53:02,339

able to have information across that

1405

00:53:05,930 --> 00:53:04,500

that boundary that's that's actually not

1406

00:53:06,950 --> 00:53:05,940

this black and white line like we

1407

00:53:09,049 --> 00:53:06,960

thought it was

1408

00:53:10,910 --> 00:53:09,059

but then it goes even further that there

1409

00:53:13,309 --> 00:53:10,920

of course are many different kinds of

1410

00:53:15,109 --> 00:53:13,319

intelligences in the cosmos let's start

1411

00:53:17,510 --> 00:53:15,119

with the sort of extraterrestrial kind

1412

00:53:19,549 --> 00:53:17,520

that are basically 3D like us they live

1413

00:53:21,710 --> 00:53:19,559

in the most of the time they exist in

1414

00:53:23,870 --> 00:53:21,720

this sort of matrix-like construct that

1415

00:53:25,790 --> 00:53:23,880

we call physical reality

1416

00:53:27,829 --> 00:53:25,800

they can interact with us some of the

1417

00:53:30,530 --> 00:53:27,839

historical cases in the UFO phenomenon

1418

00:53:32,210 --> 00:53:30,540

are those kinds of beings they seem to

1419

00:53:34,849 --> 00:53:32,220

have mostly technological craft even

1420

00:53:36,349 --> 00:53:34,859

even if it's a you know further uh

1421

00:53:38,690 --> 00:53:36,359

iteration than what we are able to

1422

00:53:42,349 --> 00:53:38,700

produce but they're basically 3D

1423

00:53:45,049 --> 00:53:42,359

biological beings that also uh not only

1424

00:53:47,329 --> 00:53:45,059

have more technological sophistication

1425

00:53:49,549 --> 00:53:47,339

than us but they also seem to be further

1426
00:53:51,230 --> 00:53:49,559
along in understanding Consciousness to

1427
00:53:53,510 --> 00:53:51,240
the part where almost like a technology

1428
00:53:54,890 --> 00:53:53,520
they're able to interact with our

1429
00:53:57,710 --> 00:53:54,900
Consciousness and I've come across

1430
00:54:00,049 --> 00:53:57,720
evidence that this is both a purely like

1431
00:54:02,089 --> 00:54:00,059
line to mind thing and there's also

1432
00:54:04,609 --> 00:54:02,099
actually Tech that has been developed

1433
00:54:06,770 --> 00:54:04,619
that can manipulate perception and

1434
00:54:08,210 --> 00:54:06,780
Consciousness we're already seeing signs

1435
00:54:09,950 --> 00:54:08,220
of you know us trying to do that right

1436
00:54:12,829 --> 00:54:09,960
like Elon Musk is trying to put a

1437
00:54:15,230 --> 00:54:12,839
brainship in in and tests how that would

1438
00:54:17,569 --> 00:54:15,240

augment our capacities right so some of

1439

00:54:19,970 --> 00:54:17,579

these others are able to do that not

1440

00:54:23,569 --> 00:54:19,980

only with their

1441

00:54:25,430 --> 00:54:23,579

higher Fidelity ability to interact with

1442

00:54:27,109 --> 00:54:25,440

all of reality which is ultimately all

1443

00:54:28,849 --> 00:54:27,119

Consciousness right we'll get to that in

1444

00:54:30,950 --> 00:54:28,859

a minute but they've also developed

1445

00:54:33,109 --> 00:54:30,960

technology that can also harness the

1446

00:54:34,309 --> 00:54:33,119

powers of Consciousness and that partly

1447

00:54:37,069 --> 00:54:34,319

explains why we have such strange

1448

00:54:39,230 --> 00:54:37,079

experiences with them and they can mold

1449

00:54:41,210 --> 00:54:39,240

our behavior and our reactions a week

1450

00:54:44,150 --> 00:54:41,220

sometimes can't distinguish it from an

1451
00:54:46,130 --> 00:54:44,160
Impulse that arises in our mind normally

1452
00:54:48,170 --> 00:54:46,140
and then you have another Step Beyond

1453
00:54:49,730 --> 00:54:48,180
that where you have different kinds of

1454
00:54:52,490 --> 00:54:49,740
dimensional beings you kind of have the

1455
00:54:54,829 --> 00:54:52,500
astral field right which is in solely is

1456
00:54:56,569 --> 00:54:54,839
part of our physical Majors experience

1457
00:54:58,309 --> 00:54:56,579
that there's a there's an astral element

1458
00:55:01,370 --> 00:54:58,319
to that a field that kind of like is

1459
00:55:03,230 --> 00:55:01,380
part of that uh a sort of an add-on we

1460
00:55:04,910 --> 00:55:03,240
also have entities that exist on that

1461
00:55:07,250 --> 00:55:04,920
kind of field that we can also have

1462
00:55:09,170 --> 00:55:07,260
interactions with and that as I said

1463
00:55:11,690 --> 00:55:09,180

many times this is where our own energy

1464

00:55:13,970 --> 00:55:11,700

really matters and us being Discerning

1465

00:55:16,069 --> 00:55:13,980

about our own energy because the the

1466

00:55:18,470 --> 00:55:16,079

default energy we kind of emit like a

1467

00:55:20,089 --> 00:55:18,480

light bulb into the cosmos even the

1468

00:55:23,030 --> 00:55:20,099

interdimensional cosmos and even the

1469

00:55:25,130 --> 00:55:23,040

astral aspects of the cosmos

1470

00:55:27,770 --> 00:55:25,140

will attract different entities to us

1471

00:55:30,109 --> 00:55:27,780

and so if we're projecting a lot of fear

1472

00:55:32,150 --> 00:55:30,119

or shame or something within these kind

1473

00:55:34,970 --> 00:55:32,160

of viral agents can kind of attach to us

1474

00:55:36,530 --> 00:55:34,980

just like if we have a weak immune

1475

00:55:38,750 --> 00:55:36,540

system and we get exposed of some sort

1476

00:55:41,930 --> 00:55:38,760

of virus so there's those elements that

1477

00:55:43,970 --> 00:55:41,940

also can impact us and and and we end up

1478

00:55:46,790 --> 00:55:43,980

channeling some sort of other kind of

1479

00:55:48,470 --> 00:55:46,800

entity and other kind of intelligence or

1480

00:55:50,390 --> 00:55:48,480

knowledge because of it

1481

00:55:53,150 --> 00:55:50,400

maybe even to the part where we get you

1482

00:55:55,730 --> 00:55:53,160

know aggravated and kind of seem

1483

00:55:57,770 --> 00:55:55,740

irritable it can because because one of

1484

00:55:59,450 --> 00:55:57,780

these things right

1485

00:56:01,309 --> 00:55:59,460

and then you go even further and you've

1486

00:56:03,170 --> 00:56:01,319

got like the multi-dimensional aspects

1487

00:56:05,569 --> 00:56:03,180

of reality where some of these beings

1488

00:56:10,790 --> 00:56:05,579

are post biological they're really not

1489

00:56:13,790 --> 00:56:10,800

3D beings at all anymore and they can

1490

00:56:16,069 --> 00:56:13,800

get here or get anywhere just by thought

1491

00:56:19,309 --> 00:56:16,079

alone they can manifest structures

1492

00:56:22,069 --> 00:56:19,319

through thought forms they can interact

1493

00:56:23,930 --> 00:56:22,079

with our Consciousness seamlessly they

1494

00:56:26,690 --> 00:56:23,940

can actually interact with every

1495

00:56:28,670 --> 00:56:26,700

consciousness of every sentient being in

1496

00:56:31,370 --> 00:56:28,680

the history of the cosmos they could

1497

00:56:34,010 --> 00:56:31,380

access those elements of

1498

00:56:35,690 --> 00:56:34,020

data to do with any space any time like

1499

00:56:37,190 --> 00:56:35,700

the akashic record or the cosmic memory

1500

00:56:40,790 --> 00:56:37,200

they can do all of that

1501
00:56:42,650 --> 00:56:40,800
and they also can can be channeled by us

1502
00:56:44,510 --> 00:56:42,660
as well and I think sometimes some of

1503
00:56:45,650 --> 00:56:44,520
these ones and I kind of pointed to this

1504
00:56:47,030 --> 00:56:45,660
before

1505
00:56:48,950 --> 00:56:47,040
and I'm going to turn over to you then

1506
00:56:52,190 --> 00:56:48,960
I've gone for a long time here

1507
00:56:53,750 --> 00:56:52,200
but these ones actually look at us like

1508
00:56:55,130 --> 00:56:53,760
little brothers and sisters and they

1509
00:56:56,329 --> 00:56:55,140
know that we're the kind of kindergarten

1510
00:56:57,650 --> 00:56:56,339
class we've got to grow our

1511
00:57:00,349 --> 00:56:57,660
Consciousness we're real really

1512
00:57:02,270 --> 00:57:00,359
primitive in many ways

1513
00:57:04,010 --> 00:57:02,280

and this is what happens with all these

1514

00:57:05,930 --> 00:57:04,020

kind of consciousnesses across the

1515

00:57:07,730 --> 00:57:05,940

cosmos all these civilizations

1516

00:57:10,309 --> 00:57:07,740

going through this sort of Elementary

1517

00:57:12,349 --> 00:57:10,319

kind of physical

1518

00:57:14,750 --> 00:57:12,359

um really primitive kind of experience

1519

00:57:16,130 --> 00:57:14,760

of reality is part of growing up and I'm

1520

00:57:17,470 --> 00:57:16,140

talking about growing up as a

1521

00:57:20,030 --> 00:57:17,480

multi-dimensional

1522

00:57:23,569 --> 00:57:20,040

multi-lifetime multi-iterative iterative

1523

00:57:26,089 --> 00:57:23,579

kind of being right but they will

1524

00:57:27,530 --> 00:57:26,099

inspire us so getting back to the very

1525

00:57:28,609 --> 00:57:27,540

beginning our conversation we talked

1526

00:57:30,490 --> 00:57:28,619

about people being inspired

1527

00:57:32,990 --> 00:57:30,500

technologically or

1528

00:57:35,210 --> 00:57:33,000

mathematically or musically right or

1529

00:57:38,690 --> 00:57:35,220

just writing some sort of amazing Arc

1530

00:57:41,089 --> 00:57:38,700

right or painting or writing a play all

1531

00:57:42,950 --> 00:57:41,099

these things can also be inspired by

1532

00:57:45,589 --> 00:57:42,960

them and everything in between that I

1533

00:57:47,390 --> 00:57:45,599

talked about in a way to held Lewis

1534

00:57:49,730 --> 00:57:47,400

forward and they do it in such a way

1535

00:57:51,770 --> 00:57:49,740

that we like quite deliberately so that

1536

00:57:53,870 --> 00:57:51,780

we won't know it's them because they

1537

00:57:55,910 --> 00:57:53,880

they're kind of the hands-off let's

1538

00:57:58,010 --> 00:57:55,920

Inspire them let's let them play let's

1539

00:57:59,990 --> 00:57:58,020

let them learn and we're better off

1540

00:58:01,849 --> 00:58:00,000

letting them do that without being aware

1541

00:58:03,290 --> 00:58:01,859

of this greater context and then

1542

00:58:05,630 --> 00:58:03,300

eventually they'll get to the part where

1543

00:58:07,849 --> 00:58:05,640

they can sort of join with the cosmic

1544

00:58:09,470 --> 00:58:07,859

community so I would suggest all of

1545

00:58:11,510 --> 00:58:09,480

those layers are involved and all of

1546

00:58:13,430 --> 00:58:11,520

those factors

1547

00:58:14,809 --> 00:58:13,440

yeah that's that's fantastic and you

1548

00:58:17,270 --> 00:58:14,819

kind of landed where I was going to go

1549

00:58:20,650 --> 00:58:17,280

anyway so it's in great Diane and that's

1550

00:58:23,510 --> 00:58:20,660

the in my opinion there's uh

1551

00:58:25,490 --> 00:58:23,520

there's a very personal quality to

1552

00:58:29,150 --> 00:58:25,500

reality and then there's also a very

1553

00:58:31,910 --> 00:58:29,160

trans personal quality to it and that

1554

00:58:35,450 --> 00:58:31,920

but both of these things are true that

1555

00:58:37,730 --> 00:58:35,460

that reality in our experience is is

1556

00:58:41,089 --> 00:58:37,740

meant for us

1557

00:58:43,789 --> 00:58:41,099

but but our awareness is also it can

1558

00:58:46,670 --> 00:58:43,799

exceed our bounds as well and and become

1559

00:58:48,589 --> 00:58:46,680

transpersonal and and so I think when

1560

00:58:50,390 --> 00:58:48,599

we're talking about because I think one

1561

00:58:52,490 --> 00:58:50,400

of the things people might react

1562

00:58:55,010 --> 00:58:52,500

negatively toward here

1563

00:58:59,270 --> 00:58:55,020

is that information received from

1564

00:59:01,309 --> 00:58:59,280

something other than me the self feels

1565

00:59:03,530 --> 00:59:01,319

like it's not like you're saying you're

1566

00:59:06,049 --> 00:59:03,540

robbing me of my agency to be the

1567

00:59:07,549 --> 00:59:06,059

creative in the situation right so I

1568

00:59:09,890 --> 00:59:07,559

didn't create this song it came from

1569

00:59:11,870 --> 00:59:09,900

some other intelligence and uh it wasn't

1570

00:59:13,309 --> 00:59:11,880

me at all I don't think that's what

1571

00:59:15,589 --> 00:59:13,319

we're saying here I think this is and

1572

00:59:17,569 --> 00:59:15,599

this is a difficult concept to really in

1573

00:59:20,990 --> 00:59:17,579

my opinion in a way like wrap your head

1574

00:59:23,809 --> 00:59:21,000

all around because it's uh we're hyper

1575

00:59:25,789 --> 00:59:23,819

individualistic in the way that we think

1576

00:59:30,049 --> 00:59:25,799

um but what we're kind of getting at

1577

00:59:31,430 --> 00:59:30,059

here is that that reality itself is

1578

00:59:33,770 --> 00:59:31,440

you know is

1579

00:59:35,569 --> 00:59:33,780

is comprised of this deep well of

1580

00:59:37,789 --> 00:59:35,579

information of which we are a part of

1581

00:59:40,309 --> 00:59:37,799

we're kind of swimming through that and

1582

00:59:43,670 --> 00:59:40,319

it's it's a it's a part it's a process

1583

00:59:46,430 --> 00:59:43,680

of growth of that of that awareness of

1584

00:59:50,089 --> 00:59:46,440

that sort of uh constituted awareness in

1585

00:59:52,250 --> 00:59:50,099

that sea of information and if our if

1586

00:59:54,470 --> 00:59:52,260

our personal awareness is really narrow

1587

00:59:57,950 --> 00:59:54,480

right if it's um

1588

01:00:00,349 --> 00:59:57,960

if it's defined in a very narrow kind of

1589

01:00:02,990 --> 01:00:00,359

tight beamed way around our notion of

1590

01:00:04,910 --> 01:00:03,000

self and and and what we're you know

1591

01:00:07,190 --> 01:00:04,920

we're doing everything and this is all

1592

01:00:08,690 --> 01:00:07,200

about me then you have what you often

1593

01:00:10,250 --> 01:00:08,700

have with like I think of this as a

1594

01:00:12,170 --> 01:00:10,260

child who's who's playing like an

1595

01:00:14,089 --> 01:00:12,180

imaginary game right

1596

01:00:15,710 --> 01:00:14,099

um it's meaningful to the child but to

1597

01:00:17,930 --> 01:00:15,720

the rest of everyone else it doesn't

1598

01:00:20,089 --> 01:00:17,940

have any meaning or value whatsoever

1599

01:00:22,329 --> 01:00:20,099

because their sphere of awareness

1600

01:00:24,109 --> 01:00:22,339

understanding is just it's it's

1601
01:00:26,270 --> 01:00:24,119
hyper-individualized it's right where

1602
01:00:28,730 --> 01:00:26,280
they are and and they've constructed

1603
01:00:31,849 --> 01:00:28,740
this world around them but as their

1604
01:00:35,210 --> 01:00:31,859
sphere of awareness grows over time and

1605
01:00:37,990 --> 01:00:35,220
using that word Loosely as well

1606
01:00:40,789 --> 01:00:38,000
um as as that expands out

1607
01:00:43,789 --> 01:00:40,799
the the way in which information is

1608
01:00:46,069 --> 01:00:43,799
received it's its ability to interact

1609
01:00:49,370 --> 01:00:46,079
with the broader sort of uh field of

1610
01:00:51,829 --> 01:00:49,380
information all of those Dynamics grow

1611
01:00:55,130 --> 01:00:51,839
and change in ways that that that

1612
01:00:59,450 --> 01:00:55,140
transcend that individual self and and

1613
01:01:01,970 --> 01:00:59,460

become you know bigger grander deeper uh

1614

01:01:04,309 --> 01:01:01,980

so that your even your notion of self is

1615

01:01:06,410 --> 01:01:04,319

is changing and that that's really what

1616

01:01:09,710 --> 01:01:06,420

we're on this journey of of doing right

1617

01:01:12,410 --> 01:01:09,720

this this we're sort of discovering that

1618

01:01:14,750 --> 01:01:12,420

that this is an aspect of our of

1619

01:01:16,549 --> 01:01:14,760

ourselves or an ax an aspect of

1620

01:01:20,870 --> 01:01:16,559

existence if you want to put it that way

1621

01:01:24,650 --> 01:01:20,880

that we are becoming aware of over time

1622

01:01:26,569 --> 01:01:24,660

as we progress through this journey

1623

01:01:28,430 --> 01:01:26,579

um and so I you know I thought it'd be

1624

01:01:30,289 --> 01:01:28,440

good to kind of just sort of talk

1625

01:01:31,789 --> 01:01:30,299

through that a little bit because I

1626

01:01:33,589 --> 01:01:31,799

think a lot of folks might have a

1627

01:01:36,770 --> 01:01:33,599

knee-jerk reaction to some of this and

1628

01:01:38,809 --> 01:01:36,780

just thinking well hey where am I in all

1629

01:01:41,089 --> 01:01:38,819

the the story if information is just

1630

01:01:44,030 --> 01:01:41,099

coming from other places then

1631

01:01:47,089 --> 01:01:44,040

what is the part that I play in this

1632

01:01:50,870 --> 01:01:48,829

you're right that that's that's really

1633

01:01:53,030 --> 01:01:50,880

where you have to go here and I think we

1634

01:01:54,470 --> 01:01:53,040

have to address that as well and that's

1635

01:01:56,089 --> 01:01:54,480

why it's great that we have this

1636

01:01:58,370 --> 01:01:56,099

90-minute format for these episodes

1637

01:02:01,970 --> 01:01:58,380

because it's it's a

1638

01:02:03,890 --> 01:02:01,980

there I say complex matter and um

1639

01:02:06,890 --> 01:02:03,900

you really have to sort of ease yourself

1640

01:02:09,370 --> 01:02:06,900

into it and be willing to

1641

01:02:11,510 --> 01:02:09,380

upset and reconsider some of your

1642

01:02:14,390 --> 01:02:11,520

presuppositions about reality right and

1643

01:02:16,670 --> 01:02:14,400

about even who I am what does that mean

1644

01:02:17,750 --> 01:02:16,680

right

1645

01:02:19,730 --> 01:02:17,760

there's a couple things I want to get

1646

01:02:22,190 --> 01:02:19,740

here too so don't let me forget these

1647

01:02:24,530 --> 01:02:22,200

one has to do with a direct kind of

1648

01:02:26,450 --> 01:02:24,540

billing versus conceptual knowing and I

1649

01:02:28,309 --> 01:02:26,460

also wanted to get into a specific kind

1650

01:02:30,289 --> 01:02:28,319

of channeling like the raw material

1651

01:02:33,289 --> 01:02:30,299

which by the way people that's ra not

1652

01:02:34,490 --> 01:02:33,299

raw like raw meat you know it's it's raw

1653

01:02:35,809 --> 01:02:34,500

raw

1654

01:02:38,270 --> 01:02:35,819

but

1655

01:02:41,089 --> 01:02:38,280

yes to this point

1656

01:02:42,470 --> 01:02:41,099

initially who we are right what's

1657

01:02:45,349 --> 01:02:42,480

interesting is

1658

01:02:48,289 --> 01:02:45,359

in the dancing tradition in Buddha

1659

01:02:51,530 --> 01:02:48,299

circles you will often have

1660

01:02:53,990 --> 01:02:51,540

like frenchness Ramana maharshi was a

1661

01:02:55,670 --> 01:02:54,000

big influence on me spiritually

1662

01:02:57,410 --> 01:02:55,680

he would get people to ask this question

1663

01:02:59,210 --> 01:02:57,420

who am I

1664

01:03:00,710 --> 01:02:59,220

and of course some people might go in

1665

01:03:04,430 --> 01:03:00,720

the west they may be like well I'm John

1666

01:03:05,990 --> 01:03:04,440

Smith you know and I'm from uh Ohio and

1667

01:03:08,630 --> 01:03:06,000

you know I'm an insurance salesman what

1668

01:03:10,849 --> 01:03:08,640

do you mean who am I it's not difficult

1669

01:03:14,030 --> 01:03:10,859

and then Romano would be like no who are

1670

01:03:16,549 --> 01:03:14,040

you really you know separate

1671

01:03:19,910 --> 01:03:16,559

your experiences separate your history

1672

01:03:23,329 --> 01:03:19,920

from the deep sense the Deep felt sense

1673

01:03:25,250 --> 01:03:23,339

of I am-ness right

1674

01:03:27,049 --> 01:03:25,260

what's interesting when you start again

1675

01:03:28,910 --> 01:03:27,059

in in Buddhist tradition we'll teach you

1676

01:03:31,849 --> 01:03:28,920

this when you start tracing back your

1677

01:03:33,770 --> 01:03:31,859

history you realize that and we've

1678

01:03:35,690 --> 01:03:33,780

touched on this many ways we change

1679

01:03:37,910 --> 01:03:35,700

right we're not the same people

1680

01:03:40,430 --> 01:03:37,920

Darren and Nathan probably wouldn't have

1681

01:03:41,809 --> 01:03:40,440

wanted to do the show 20 years ago or 10

1682

01:03:44,690 --> 01:03:41,819

years ago right

1683

01:03:47,450 --> 01:03:44,700

so what does that say about them right

1684

01:03:48,890 --> 01:03:47,460

do they get to say and say who am I that

1685

01:03:50,750 --> 01:03:48,900

I'm now in the future doing this crazy

1686

01:03:53,390 --> 01:03:50,760

show talking about these like a landish

1687

01:03:54,770 --> 01:03:53,400

kind of Notions right that's not fair

1688

01:03:56,210 --> 01:03:54,780

that's not me where's my sovereignty

1689

01:03:58,490 --> 01:03:56,220

gone right that we don't do that right

1690

01:04:00,410 --> 01:03:58,500

because we have this continuation of

1691

01:04:03,170 --> 01:04:00,420

time and so we think that

1692

01:04:05,870 --> 01:04:03,180

in some ways we kind of ignorance takes

1693

01:04:07,370 --> 01:04:05,880

over and we don't fully stay in touch

1694

01:04:08,809 --> 01:04:07,380

with how much we change at least

1695

01:04:10,670 --> 01:04:08,819

hopefully we should change I think if

1696

01:04:14,030 --> 01:04:10,680

we're really growing

1697

01:04:15,710 --> 01:04:14,040

but the point of that exercise the Roman

1698

01:04:17,990 --> 01:04:15,720

maharshi or a Buddhist teacher might

1699

01:04:21,170 --> 01:04:18,000

take you through is to make you realize

1700

01:04:24,349 --> 01:04:21,180

that really there is no consistent self

1701

01:04:26,569 --> 01:04:24,359

right there is just experience

1702

01:04:28,789 --> 01:04:26,579

so not only is there just experience of

1703

01:04:30,170 --> 01:04:28,799

I but even you can eventually get to the

1704

01:04:32,809 --> 01:04:30,180

point where there's not really even an

1705

01:04:35,329 --> 01:04:32,819

eye there that all there is is

1706

01:04:37,250 --> 01:04:35,339

experiential reality and we have a

1707

01:04:39,589 --> 01:04:37,260

particular lens and a way of framing it

1708

01:04:41,510 --> 01:04:39,599

but what we really are is the aliveness

1709

01:04:44,150 --> 01:04:41,520

of everything

1710

01:04:46,250 --> 01:04:44,160

right and that's why we ultimately have

1711

01:04:49,010 --> 01:04:46,260

access to everything because that's what

1712

01:04:51,770 --> 01:04:49,020

we really are and so only in many ways

1713

01:04:53,690 --> 01:04:51,780

our conceptions the framework we bring

1714

01:04:54,890 --> 01:04:53,700

to it that limits our ability to

1715

01:04:56,510 --> 01:04:54,900

experience that

1716

01:04:58,130 --> 01:04:56,520

so what I would suggest to people is

1717

01:05:00,349 --> 01:04:58,140

just by beginning to entertain these

1718

01:05:02,870 --> 01:05:00,359

Notions broaden your understanding of

1719

01:05:04,970 --> 01:05:02,880

not just what reality is but who you are

1720

01:05:08,210 --> 01:05:04,980

you begin to experience life differently

1721

01:05:11,690 --> 01:05:08,220

like we've said before it changes your

1722

01:05:13,069 --> 01:05:11,700

experience of reality it changes reality

1723

01:05:18,829 --> 01:05:13,079

so

1724

01:05:21,109 --> 01:05:18,839

recognize that if it's true that not

1725

01:05:23,569 --> 01:05:21,119

only am I not the same person I was five

1726

01:05:24,890 --> 01:05:23,579

years ago and ten years ago but on top

1727

01:05:27,349 --> 01:05:24,900

of that

1728

01:05:29,750 --> 01:05:27,359

you know there's just this Buddhist

1729

01:05:31,670 --> 01:05:29,760

koan it was enolon that will be asked

1730

01:05:33,410 --> 01:05:31,680

which is like

1731

01:05:34,970 --> 01:05:33,420

what was your face before your parents

1732

01:05:37,190 --> 01:05:34,980

were born

1733

01:05:40,010 --> 01:05:37,200

you know

1734

01:05:41,390 --> 01:05:40,020

and we we stop and we go well no that's

1735

01:05:43,309 --> 01:05:41,400

not possible because you know there's

1736

01:05:44,930 --> 01:05:43,319

this linear thing and you know they they

1737

01:05:47,089 --> 01:05:44,940

had to be born from their parents and

1738

01:05:49,130 --> 01:05:47,099

they got together and conceived and

1739

01:05:50,630 --> 01:05:49,140

that's that's me there was no face right

1740

01:05:53,569 --> 01:05:50,640

before that

1741

01:05:56,690 --> 01:05:53,579

that's the conceptual answer right but

1742

01:05:58,490 --> 01:05:56,700

when we really really feel into and by

1743

01:06:00,770 --> 01:05:58,500

feeling so I mean when we get past our

1744

01:06:02,569 --> 01:06:00,780

conceptions we get past the default node

1745

01:06:05,089 --> 01:06:02,579

Network right if what we've been told

1746

01:06:07,430 --> 01:06:05,099

and forced and propagandized around

1747

01:06:09,410 --> 01:06:07,440

we recognize that there's some sense of

1748

01:06:11,089 --> 01:06:09,420

I amnest that it's Eternal that it is

1749

01:06:13,190 --> 01:06:11,099

beyond space and time

1750

01:06:15,289 --> 01:06:13,200

and that really it's only because we try

1751

01:06:17,210 --> 01:06:15,299

to force it into this model that's only

1752

01:06:19,609 --> 01:06:17,220

been around for a very short period of

1753

01:06:22,549 --> 01:06:19,619

time or the blink of an eye that we we

1754

01:06:24,710 --> 01:06:22,559

lose that sense so by opening this up

1755

01:06:27,529 --> 01:06:24,720

recognizing that actually it's it's an

1756

01:06:30,410 --> 01:06:27,539

it's enabling or it's empowering

1757

01:06:34,309 --> 01:06:30,420

to recognize that there is ultimately no

1758

01:06:37,789 --> 01:06:34,319

defined eye right that that there's

1759

01:06:39,890 --> 01:06:37,799

nothing less noble or inspiring about

1760

01:06:42,289 --> 01:06:39,900

the notion that some higher version of

1761

01:06:45,230 --> 01:06:42,299

yourself inspired you with that song Or

1762

01:06:46,130 --> 01:06:45,240

maybe some collective intelligence of of

1763

01:06:47,210 --> 01:06:46,140

of

1764

01:06:50,109 --> 01:06:47,220

um you know I've talked about having

1765

01:06:53,270 --> 01:06:50,119

this kind of experience of having a

1766

01:06:55,069 --> 01:06:53,280

simultaneously existing co-rising aspect

1767

01:06:56,510 --> 01:06:55,079

of my multi-dimensional self that's kind

1768

01:06:59,390 --> 01:06:56,520

of part of this Collective civilization

1769

01:07:01,430 --> 01:06:59,400

I sometimes can kind of tune into that I

1770

01:07:03,589 --> 01:07:01,440

don't personally go man I wanted to say

1771

01:07:04,910 --> 01:07:03,599

I wrote that song but actually it turns

1772

01:07:06,289 --> 01:07:04,920

out to say it's the civilization over

1773

01:07:08,029 --> 01:07:06,299

there right

1774

01:07:10,549 --> 01:07:08,039

um but I don't think that way because I

1775

01:07:13,849 --> 01:07:10,559

actually experience I am nests

1776

01:07:16,789 --> 01:07:13,859

in that we are-ness right like for me

1777

01:07:18,829 --> 01:07:16,799

that feels that is my definition of I at

1778

01:07:20,690 --> 01:07:18,839

that moment it's expanded right and and

1779

01:07:23,450 --> 01:07:20,700

again what many of these others keep

1780

01:07:25,430 --> 01:07:23,460

saying to us is it's your inability to

1781

01:07:27,049 --> 01:07:25,440

see that you actually are everything and

1782

01:07:28,910 --> 01:07:27,059

connect you to everything that is

1783

01:07:30,710 --> 01:07:28,920

causing so many of your problems right

1784

01:07:32,450 --> 01:07:30,720

so so that's what I would say to that

1785

01:07:35,089 --> 01:07:32,460

question is is

1786

01:07:37,370 --> 01:07:35,099

rather than thinking that's the final

1787

01:07:38,690 --> 01:07:37,380

answer this is exactly what I am and now

1788

01:07:42,529 --> 01:07:38,700

you're telling me I'm not the one that

1789

01:07:44,329 --> 01:07:42,539

did that no I'm saying sit with who you

1790

01:07:46,849 --> 01:07:44,339

are ask the question that Romano

1791

01:07:49,609 --> 01:07:46,859

maharshi asks you not just who am I but

1792

01:07:51,650 --> 01:07:49,619

what is this and really sit with it to

1793

01:07:53,270 --> 01:07:51,660

the part where some of the Notions you

1794

01:07:55,130 --> 01:07:53,280

have begin to dissolve around you almost

1795

01:07:57,589 --> 01:07:55,140

like the Matrix like male getting

1796

01:07:59,809 --> 01:07:57,599

unplugged

1797

01:08:03,230 --> 01:07:59,819

yeah

1798

01:08:07,010 --> 01:08:03,240

well I I know you wanted to touch on uh

1799

01:08:09,230 --> 01:08:07,020

some I think some specific

1800

01:08:11,270 --> 01:08:09,240

the interplay here between

1801
01:08:13,250 --> 01:08:11,280

I guess the

1802
01:08:14,870 --> 01:08:13,260

this broader understanding that you've

1803
01:08:18,050 --> 01:08:14,880

articulated

1804
01:08:20,870 --> 01:08:18,060

and and the way that we really are kind

1805
01:08:22,070 --> 01:08:20,880

of bogged down in this very dense sense

1806
01:08:25,789 --> 01:08:22,080

of self

1807
01:08:29,329 --> 01:08:25,799

now and and I I want to touch on kind of

1808
01:08:32,030 --> 01:08:29,339

bringing those ideas together with

1809
01:08:35,030 --> 01:08:32,040

where we are in this point in time on

1810
01:08:36,470 --> 01:08:35,040

Earth with the disclosure process right

1811
01:08:39,650 --> 01:08:36,480

because I think

1812
01:08:42,950 --> 01:08:39,660

we can kind of extrapolate this

1813
01:08:46,010 --> 01:08:42,960

highly dense notion of self and and kind

1814

01:08:49,370 --> 01:08:46,020

of mirror that onto this highly dense

1815

01:08:51,709 --> 01:08:49,380

notion of State uh and and you know

1816

01:08:54,530 --> 01:08:51,719

governments and and delineations that

1817

01:08:57,169 --> 01:08:54,540

with human civilization has made in its

1818

01:08:59,510 --> 01:08:57,179

in its body basically uh even though we

1819

01:09:02,749 --> 01:08:59,520

are as you say all one

1820

01:09:05,870 --> 01:09:02,759

um and and how that ties together with

1821

01:09:09,050 --> 01:09:05,880

the disclosure process because I think

1822

01:09:11,630 --> 01:09:09,060

just as as we do tend to get wrapped up

1823

01:09:13,910 --> 01:09:11,640

in this I this identity issue and the

1824

01:09:16,789 --> 01:09:13,920

you know the the light show of what it

1825

01:09:19,309 --> 01:09:16,799

is to be embodied in the self

1826

01:09:20,630 --> 01:09:19,319

um so too disclosure is doing that as

1827

01:09:23,689 --> 01:09:20,640

well you know we're getting wrapped up

1828

01:09:27,829 --> 01:09:23,699

in this in this uh in in the in the

1829

01:09:30,890 --> 01:09:27,839

theatrics uh in the power aspects of it

1830

01:09:35,229 --> 01:09:30,900

um and and really there's this component

1831

01:09:38,689 --> 01:09:35,239

to disclosure that is so much broader uh

1832

01:09:40,370 --> 01:09:38,699

that that you know connects in with this

1833

01:09:42,709 --> 01:09:40,380

channeled idea

1834

01:09:44,329 --> 01:09:42,719

um and so I don't know how how do you

1835

01:09:46,430 --> 01:09:44,339

think about this if we're going to

1836

01:09:48,169 --> 01:09:46,440

Overlay these Concepts onto kind of what

1837

01:09:50,329 --> 01:09:48,179

what's taking place in the world right

1838

01:09:51,950 --> 01:09:50,339

now

1839

01:09:54,410 --> 01:09:51,960

great question again because I think

1840

01:09:56,570 --> 01:09:54,420

this this is what's most essential about

1841

01:10:00,050 --> 01:09:56,580

disclosure actually

1842

01:10:01,610 --> 01:10:00,060

the many people will even say to me

1843

01:10:03,590 --> 01:10:01,620

because sometimes they'll get the sense

1844

01:10:05,570 --> 01:10:03,600

that maybe I know some things that are

1845

01:10:06,709 --> 01:10:05,580

going on internally and so they'll say

1846

01:10:08,510 --> 01:10:06,719

but I don't understand why it's such a

1847

01:10:10,790 --> 01:10:08,520

big deal you know like so so there's

1848

01:10:12,410 --> 01:10:10,800

some other biological beings from Zeta

1849

01:10:13,850 --> 01:10:12,420

reticuli you know like you're telling me

1850

01:10:15,410 --> 01:10:13,860

that's going to change the world or the

1851

01:10:17,510 --> 01:10:15,420

you know this would be mass panic

1852

01:10:19,550 --> 01:10:17,520

because of that and I'll say maybe not

1853

01:10:21,110 --> 01:10:19,560

but that's not what disclosure is that's

1854

01:10:24,350 --> 01:10:21,120

not the fullness of it

1855

01:10:27,410 --> 01:10:24,360

the fullness of it goes to who we are

1856

01:10:29,689 --> 01:10:27,420

our Origins not just because we are an

1857

01:10:31,370 --> 01:10:29,699

engineered species species which I think

1858

01:10:33,350 --> 01:10:31,380

is the case that's seen evidence that

1859

01:10:35,870 --> 01:10:33,360

that seems to be absolutely true

1860

01:10:37,970 --> 01:10:35,880

but again that's only one way of looking

1861

01:10:40,189 --> 01:10:37,980

at it because we are ultimately the

1862

01:10:42,050 --> 01:10:40,199

cosmos we are ultimately fractal

1863

01:10:43,850 --> 01:10:42,060

impressions of the original mind as are

1864

01:10:45,470 --> 01:10:43,860

the gray aliens and the nordics and the

1865

01:10:48,050 --> 01:10:45,480

reptilians and the light beings and the

1866

01:10:50,330 --> 01:10:48,060

shadow beings I can go on and on

1867

01:10:52,850 --> 01:10:50,340

we are all fractal impressions of the

1868

01:10:56,209 --> 01:10:52,860

original mind so

1869

01:10:58,910 --> 01:10:56,219

and in that we are therefore like facets

1870

01:11:01,370 --> 01:10:58,920

of the same diamond and yet our

1871

01:11:06,050 --> 01:11:01,380

civilization lives as if we are separate

1872

01:11:07,790 --> 01:11:06,060

diamonds or rocks on the road and

1873

01:11:09,830 --> 01:11:07,800

that creates a kind of collective

1874

01:11:12,590 --> 01:11:09,840

Insanity right because we

1875

01:11:15,229 --> 01:11:12,600

are fundamentally acting regularly in

1876

01:11:18,290 --> 01:11:15,239

ways that defy what actual reality

1877

01:11:20,570 --> 01:11:18,300

suggests is the case and that never

1878

01:11:22,550 --> 01:11:20,580

works well so

1879

01:11:25,250 --> 01:11:22,560

you hear about this so often this has

1880

01:11:28,850 --> 01:11:25,260

been like the most common

1881

01:11:31,010 --> 01:11:28,860

warning admonition message given to

1882

01:11:34,010 --> 01:11:31,020

experiences over time not just experiences

1883

01:11:35,090 --> 01:11:34,020

of the UFO phenomenon in the last 150

1884

01:11:37,490 --> 01:11:35,100

years but I mean going back into

1885

01:11:40,130 --> 01:11:37,500

religious history right or what was

1886

01:11:41,390 --> 01:11:40,140

depicted as a religious event it's the

1887

01:11:42,890 --> 01:11:41,400

sense if you've got to raise your

1888

01:11:45,470 --> 01:11:42,900

Consciousness and that's not just some

1889

01:11:46,189 --> 01:11:45,480

sort of vague new agey thing like you

1890

01:11:53,209 --> 01:11:46,199

know

1891

01:11:57,890 --> 01:11:53,219

but it's actually

1892

01:12:04,310 --> 01:12:01,490

find your home your identity in in the

1893

01:12:06,590 --> 01:12:04,320

all recognize not just conceptually that

1894

01:12:10,430 --> 01:12:06,600

you are one with everything but actually

1895

01:12:13,130 --> 01:12:10,440

begin to live somatically and

1896

01:12:15,470 --> 01:12:13,140

from a heart center that recognizes you

1897

01:12:17,030 --> 01:12:15,480

are actually part of everything and as I

1898

01:12:20,330 --> 01:12:17,040

often say as an example

1899

01:12:21,709 --> 01:12:20,340

then taking advantage of someone else

1900

01:12:24,350 --> 01:12:21,719

or

1901

01:12:27,770 --> 01:12:24,360

letting greed take over would be as

1902

01:12:30,530 --> 01:12:27,780

silly to you as like cutting your left

1903

01:12:32,390 --> 01:12:30,540

arm so your right arm gets more of the

1904

01:12:35,750 --> 01:12:32,400

you know pie or something like that

1905

01:12:37,070 --> 01:12:35,760

right it's ridiculous and as much as

1906

01:12:39,350 --> 01:12:37,080

that might sound Preposterous to people

1907

01:12:41,390 --> 01:12:39,360

or Kind of a Funny example that's really

1908

01:12:43,310 --> 01:12:41,400

what's in play here it's that not only

1909

01:12:46,209 --> 01:12:43,320

that it's silly that we don't see that

1910

01:12:51,050 --> 01:12:46,219

but actually we're doing enormous damage

1911

01:12:53,030 --> 01:12:51,060

to our civilization to the planet to the

1912

01:12:55,790 --> 01:12:53,040

biosphere

1913

01:12:57,770 --> 01:12:55,800

to the point where again as I've been

1914

01:12:59,750 --> 01:12:57,780

suggesting on social media and other

1915

01:13:03,110 --> 01:12:59,760

podcasts that's exactly why I think

1916

01:13:04,010 --> 01:13:03,120

we're seeing heightened intervention I

1917

01:13:05,750 --> 01:13:04,020

know that's why we're seeing a

1918

01:13:07,189 --> 01:13:05,760

heightened intervention for some of

1919

01:13:09,410 --> 01:13:07,199

these others because it's getting to the

1920

01:13:10,850 --> 01:13:09,420

point where technologically we've

1921

01:13:12,709 --> 01:13:10,860

Advanced to the point where we're very

1922

01:13:15,110 --> 01:13:12,719

dangerous not just to ourselves but to

1923

01:13:16,910 --> 01:13:15,120

so much of the larger biome of which

1924

01:13:19,070 --> 01:13:16,920

some of which is interdimensional we're

1925

01:13:20,630 --> 01:13:19,080

not even aware of yet right just like we

1926

01:13:22,070 --> 01:13:20,640

talked about junk DNA we used to like

1927

01:13:24,290 --> 01:13:22,080

just throw it away and say it's junk

1928

01:13:25,610 --> 01:13:24,300

it's garbage because in our hubris we

1929

01:13:28,370 --> 01:13:25,620

just didn't understand it yet we didn't

1930

01:13:30,290 --> 01:13:28,380

have the humility to say yeah maybe we

1931

01:13:32,689 --> 01:13:30,300

just don't know yet you know in the same

1932

01:13:34,130 --> 01:13:32,699

way we detonate atomic bombs thinking we

1933

01:13:37,490 --> 01:13:34,140

have a really strong sense of what

1934

01:13:38,870 --> 01:13:37,500

nature is Right which that just again

1935

01:13:40,310 --> 01:13:38,880

when you really sit down think about it

1936

01:13:41,689 --> 01:13:40,320

it's kind of preposterous that we would

1937

01:13:43,910 --> 01:13:41,699

have reached a summit level of

1938

01:13:46,490 --> 01:13:43,920

understanding and yet we're like

1939

01:13:48,350 --> 01:13:46,500

in splitting the atom we're like ripping

1940

01:13:49,850 --> 01:13:48,360

apart the fabric of reality and thinking

1941

01:13:51,709 --> 01:13:49,860

it's no big deal like we'll just you

1942

01:13:53,870 --> 01:13:51,719

know as long as you're outside of the

1943

01:13:55,370 --> 01:13:53,880

you know that Nation range you'll be

1944

01:13:57,050 --> 01:13:55,380

okay at we're not thinking about some of

1945

01:13:59,870 --> 01:13:57,060

the other implications

1946

01:14:03,910 --> 01:13:59,880

so you know all this all this comes into

1947

01:14:05,689 --> 01:14:03,920

play and it's only by

1948

01:14:09,229 --> 01:14:05,699

disclosure

1949

01:14:11,510 --> 01:14:09,239

prevent presenting that to us

1950

01:14:13,310 --> 01:14:11,520

that really we begin to change and so I

1951

01:14:15,530 --> 01:14:13,320

would suggest to people who are like

1952

01:14:16,430 --> 01:14:15,540

hungry for disclosure thinking I just

1953

01:14:18,110 --> 01:14:16,440

want to

1954

01:14:19,850 --> 01:14:18,120

have the government stop lying to us

1955

01:14:22,570 --> 01:14:19,860

because I know they've been here and

1956

01:14:25,610 --> 01:14:22,580

doing stuff and interacting and even

1957

01:14:27,110 --> 01:14:25,620

sometimes coordinating with militaries

1958

01:14:28,850 --> 01:14:27,120

and whatnot

1959

01:14:31,010 --> 01:14:28,860

but it's not just that that's not even

1960

01:14:34,070 --> 01:14:31,020

actually the big part of it the

1961

01:14:36,729 --> 01:14:34,080

consequential part of it is Who We Are

1962

01:14:39,709 --> 01:14:36,739

who they are and what the whole thing is

1963

01:14:42,350 --> 01:14:39,719

and those all work together and it's

1964

01:14:43,850 --> 01:14:42,360

really that kind of disclosure that is

1965

01:14:46,070 --> 01:14:43,860

necessary because we're reaching this

1966

01:14:48,350 --> 01:14:46,080

precipice and it also has the potential

1967

01:14:51,050 --> 01:14:48,360

to really potentially set us on a

1968

01:14:55,970 --> 01:14:53,810

right so they're so they're kind of two

1969

01:14:58,370 --> 01:14:55,980

different ways of assessing disclosure

1970

01:15:01,430 --> 01:14:58,380

and that's you know kind of the the

1971

01:15:03,890 --> 01:15:01,440

overt things that are occurring in the

1972

01:15:05,570 --> 01:15:03,900

revelatory information that's provided

1973

01:15:08,990 --> 01:15:05,580

but then there's the the deeper

1974

01:15:10,490 --> 01:15:09,000

underlining meaning behind it and you

1975

01:15:11,630 --> 01:15:10,500

know I wonder if you could wonder if you

1976

01:15:13,729 --> 01:15:11,640

could speak to

1977

01:15:15,350 --> 01:15:13,739

because you touch on this from time to

1978

01:15:17,209 --> 01:15:15,360

time and you know the word that you'd

1979

01:15:20,330 --> 01:15:17,219

like to use is discernment so I want to

1980

01:15:21,350 --> 01:15:20,340

focus on this for a second how does

1981

01:15:24,770 --> 01:15:21,360

someone

1982

01:15:26,990 --> 01:15:24,780

you know kind of survey the information

1983

01:15:29,390 --> 01:15:27,000

that we're that we're getting

1984

01:15:31,370 --> 01:15:29,400

right now and um some of it coming

1985

01:15:32,450 --> 01:15:31,380

through conventional channels and some

1986

01:15:35,209 --> 01:15:32,460

of it coming through these

1987

01:15:37,490 --> 01:15:35,219

non-conventional uh channels and channel

1988

01:15:40,669 --> 01:15:37,500

material like how do we look at this and

1989

01:15:42,410 --> 01:15:40,679

and and discern and separate you know

1990

01:15:44,330 --> 01:15:42,420

kind of the the facts from the fifth

1991

01:15:47,930 --> 01:15:44,340

from the fake fiction here how do you

1992

01:15:51,169 --> 01:15:47,940

apply this is it just that it kind of

1993

01:15:53,570 --> 01:15:51,179

rings true to uh the deeper things that

1994

01:15:56,270 --> 01:15:53,580

you were just addressing it resonates

1995

01:15:59,209 --> 01:15:56,280

with that core message how do you

1996

01:16:01,729 --> 01:15:59,219

delineate what

1997

01:16:03,830 --> 01:16:01,739

is valuable and things that we can

1998

01:16:06,290 --> 01:16:03,840

disregard here

1999

01:16:08,930 --> 01:16:06,300

right because that's what people ask

2000

01:16:10,610 --> 01:16:08,940

right is is so you someone says they

2001

01:16:12,649 --> 01:16:10,620

they claim they've received Channel

2002

01:16:13,910 --> 01:16:12,659

material how do you make heads or tails

2003

01:16:15,709 --> 01:16:13,920

of it right how do you know one's better

2004

01:16:17,990 --> 01:16:15,719

than another right isn't it just a bunch

2005

01:16:19,490 --> 01:16:18,000

of opinions man you know like from the

2006

01:16:21,169 --> 01:16:19,500

postmodern perspective like who are you

2007

01:16:23,689 --> 01:16:21,179

to say man if that's any more right than

2008

01:16:25,070 --> 01:16:23,699

what this person said exactly or like

2009

01:16:26,930 --> 01:16:25,080

with the raw material in particular

2010

01:16:30,410 --> 01:16:26,940

right like why is raw so good versus

2011

01:16:32,149 --> 01:16:30,420

something right right exactly

2012

01:16:33,950 --> 01:16:32,159

so I say a few things here but let's

2013

01:16:36,050 --> 01:16:33,960

begin with the discernment piece

2014

01:16:38,209 --> 01:16:36,060

and I want to go back to Buddhism again

2015

01:16:40,790 --> 01:16:38,219

and even pedantic thought too

2016

01:16:43,130 --> 01:16:40,800

because in in those Traditions there's

2017

01:16:44,810 --> 01:16:43,140

this notion of a kind of direct knowing

2018

01:16:45,890 --> 01:16:44,820

where you're sort of touching base with

2019

01:16:48,050 --> 01:16:45,900

source

2020

01:16:49,910 --> 01:16:48,060

versus conceptual knowing and in the

2021

01:16:51,410 --> 01:16:49,920

west those really are not distinguished

2022

01:16:54,169 --> 01:16:51,420

so really isn't even a sense of there

2023

01:16:56,149 --> 01:16:54,179

being such a thing as direct knowing

2024

01:16:58,729 --> 01:16:56,159

that there's this notion there is no

2025

01:17:01,790 --> 01:16:58,739

knowing outside of conception but that's

2026

01:17:04,010 --> 01:17:01,800

actually not at all true and

2027

01:17:05,330 --> 01:17:04,020

as you attested to when I've sort of

2028

01:17:07,250 --> 01:17:05,340

suggested certain books to you from

2029

01:17:08,870 --> 01:17:07,260

Eastern Traditions it takes a while to

2030

01:17:10,990 --> 01:17:08,880

begin to retrain your brain to even

2031

01:17:13,370 --> 01:17:11,000

begin to possibly

2032

01:17:16,610 --> 01:17:13,380

already has heard not really think this

2033

01:17:18,350 --> 01:17:16,620

way but to stop the usual thinking well

2034

01:17:20,689 --> 01:17:18,360

long enough to realize some other

2035

01:17:22,910 --> 01:17:20,699

information is arising so anything that

2036

01:17:25,310 --> 01:17:22,920

in that you know non-conventional State

2037

01:17:27,649 --> 01:17:25,320

experience you had same idea right you

2038

01:17:29,570 --> 01:17:27,659

you came to me and said wow I mean

2039

01:17:31,130 --> 01:17:29,580

this was fundamentally different than

2040

01:17:33,050 --> 01:17:31,140

any other way I've received information

2041

01:17:35,030 --> 01:17:33,060

but this felt more real and more true

2042

01:17:38,330 --> 01:17:35,040

and more direct right

2043

01:17:40,910 --> 01:17:38,340

so that's part of it is recognizing that

2044

01:17:42,530 --> 01:17:40,920

there is such a thing as direct knowing

2045

01:17:44,750 --> 01:17:42,540

and

2046

01:17:47,330 --> 01:17:44,760

what you know the historical Buddha

2047

01:17:49,130 --> 01:17:47,340

taught was that this is possible for all

2048

01:17:52,189 --> 01:17:49,140

human beings so he would say unlike some

2049

01:17:54,530 --> 01:17:52,199

other religious traditions you know that

2050

01:17:56,030 --> 01:17:54,540

said believe me because I'm the Son of

2051

01:17:57,350 --> 01:17:56,040

God or I'm this or that I'm not saying

2052

01:18:00,830 --> 01:17:57,360

Jesus said that that was actually kind

2053

01:18:02,570 --> 01:18:00,840

of how he was framed but I'm saying

2054

01:18:03,590 --> 01:18:02,580

what the Buddha said was test this for

2055

01:18:07,070 --> 01:18:03,600

yourself

2056

01:18:09,050 --> 01:18:07,080

anyway if this is if this is true then

2057

01:18:10,310 --> 01:18:09,060

you'll be able to demonstrate a prayer

2058

01:18:12,290 --> 01:18:10,320

yourself you don't have to listen to my

2059

01:18:15,530 --> 01:18:12,300

words because again we're all connected

2060

01:18:17,270 --> 01:18:15,540

we're all Source if you

2061

01:18:18,649 --> 01:18:17,280

get the obstacles out of the way you

2062

01:18:20,030 --> 01:18:18,659

will just see that this has always been

2063

01:18:21,890 --> 01:18:20,040

the case and this gets back to what

2064

01:18:24,709 --> 01:18:21,900

we've talked before about we were all

2065

01:18:27,169 --> 01:18:24,719

the Buddha you know in in

2066

01:18:29,570 --> 01:18:27,179

potentially right we just have to

2067

01:18:33,250 --> 01:18:29,580

realize it basically

2068

01:18:35,930 --> 01:18:33,260

and also there is no such thing as a 100

2069

01:18:37,610 --> 01:18:35,940

perfectly psychic person

2070

01:18:39,709 --> 01:18:37,620

because again of all those things we

2071

01:18:42,649 --> 01:18:39,719

said right we all have egos at different

2072

01:18:45,290 --> 01:18:42,659

levels of development we all maybe get

2073

01:18:46,610 --> 01:18:45,300

impacted by we didn't have a great

2074

01:18:48,530 --> 01:18:46,620

breakfast and we're feeling weird

2075

01:18:50,090 --> 01:18:48,540

something happened yesterday with

2076

01:18:52,250 --> 01:18:50,100

someone that you know is really you know

2077

01:18:54,649 --> 01:18:52,260

hanging on me you know energetically all

2078

01:18:56,209 --> 01:18:54,659

of that's going to impact how we receive

2079

01:18:58,729 --> 01:18:56,219

any kind of information and process

2080

01:19:01,970 --> 01:18:58,739

including this kind of psychic

2081

01:19:04,490 --> 01:19:01,980

information or channeling information so

2082

01:19:06,350 --> 01:19:04,500

if a psychic comes to you and says or a

2083

01:19:08,990 --> 01:19:06,360

channel comes to you and says this is

2084

01:19:11,570 --> 01:19:09,000

100 accurate all the time there's never

2085

01:19:12,950 --> 01:19:11,580

any need to worry about other things

2086

01:19:14,990 --> 01:19:12,960

getting in the way

2087

01:19:17,630 --> 01:19:15,000

don't trust them like I would not trust

2088

01:19:20,209 --> 01:19:17,640

that and people who do practice these

2089

01:19:21,770 --> 01:19:20,219

things regularly will willingly admit

2090

01:19:23,270 --> 01:19:21,780

that that's part of it it's just part of

2091

01:19:25,490 --> 01:19:23,280

the human condition with any kind of

2092

01:19:26,689 --> 01:19:25,500

information when we even things in the

2093

01:19:27,950 --> 01:19:26,699

west that we think we really are

2094

01:19:30,709 --> 01:19:27,960

objectively

2095

01:19:32,750 --> 01:19:30,719

validating or Discerning through like

2096

01:19:34,610 --> 01:19:32,760

objective means we know it's not true

2097

01:19:35,689 --> 01:19:34,620

right that we talked before about when

2098

01:19:37,669 --> 01:19:35,699

we study

2099

01:19:39,590 --> 01:19:37,679

semantic response we find that we

2100

01:19:41,330 --> 01:19:39,600

actually some part of our bodies made a

2101
01:19:43,250 --> 01:19:41,340
decision before we ever got to the part

2102
01:19:46,010 --> 01:19:43,260
where our we rationally justify it right

2103
01:19:47,810 --> 01:19:46,020
but so we actually twist reality to fit

2104
01:19:51,410 --> 01:19:47,820
this model rather than you know let the

2105
01:19:52,550 --> 01:19:51,420
reality dictate the model in some ways

2106
01:19:55,790 --> 01:19:52,560
um

2107
01:19:58,010 --> 01:19:55,800
so discernment is about also you know if

2108
01:19:59,510 --> 01:19:58,020
like the old saying you know uh if

2109
01:20:01,010 --> 01:19:59,520
someone says jump off a bridge do you do

2110
01:20:02,030 --> 01:20:01,020
it or if like three people jump off a

2111
01:20:04,310 --> 01:20:02,040
bridge does that mean you should do it

2112
01:20:07,610 --> 01:20:04,320
no you should discern is this what's the

2113
01:20:10,970 --> 01:20:07,620

fruit of this action going to be so if a

2114

01:20:13,490 --> 01:20:10,980

supposed higher version of yourself or

2115

01:20:16,610 --> 01:20:13,500

an extraterrestrial intelligence is

2116

01:20:19,610 --> 01:20:16,620

saying to you you should do this

2117

01:20:21,530 --> 01:20:19,620

weigh it you know think about it sit on

2118

01:20:23,630 --> 01:20:21,540

it meditate on it you know talk to other

2119

01:20:26,330 --> 01:20:23,640

people about it think about what the

2120

01:20:27,709 --> 01:20:26,340

implications of that action would be and

2121

01:20:29,630 --> 01:20:27,719

use your common sense I mean there's

2122

01:20:31,310 --> 01:20:29,640

just because this is a non-conventional

2123

01:20:32,870 --> 01:20:31,320

information which again I think

2124

01:20:34,850 --> 01:20:32,880

eventually look at support or realize

2125

01:20:36,890 --> 01:20:34,860

that's the wrong notion this is

2126

01:20:38,689 --> 01:20:36,900

completely conventional actually

2127

01:20:41,209 --> 01:20:38,699

but because it's completely conventional

2128

01:20:42,770 --> 01:20:41,219

just an expanded sense of convention

2129

01:20:44,930 --> 01:20:42,780

we should apply the same Common Sense

2130

01:20:46,310 --> 01:20:44,940

rules we do everywhere else

2131

01:20:48,530 --> 01:20:46,320

and so

2132

01:20:51,229 --> 01:20:48,540

I want to tie that in with with the raw

2133

01:20:53,930 --> 01:20:51,239

material specifically because one of the

2134

01:20:56,630 --> 01:20:53,940

ways that the raw material really Rings

2135

01:20:59,030 --> 01:20:56,640

true to me is because I hear that

2136

01:21:00,229 --> 01:20:59,040

Oneness message number one it was not

2137

01:21:01,610 --> 01:21:00,239

the first time I heard the Oneness

2138

01:21:04,070 --> 01:21:01,620

message right I've already been

2139

01:21:05,930 --> 01:21:04,080

convinced of that from my own experience

2140

01:21:07,550 --> 01:21:05,940

when I've dropped into the deepest

2141

01:21:09,350 --> 01:21:07,560

levels of who I am where I'm in that

2142

01:21:10,189 --> 01:21:09,360

Bedrock where everything's connected

2143

01:21:14,030 --> 01:21:10,199

right

2144

01:21:15,350 --> 01:21:14,040

than that I can attest to that that is

2145

01:21:17,990 --> 01:21:15,360

truth at that point and I don't mean

2146

01:21:19,910 --> 01:21:18,000

conceptually sounds like a good idea I

2147

01:21:22,370 --> 01:21:19,920

mean you resonate with it it's almost

2148

01:21:25,189 --> 01:21:22,380

like a harmonic resonance right it's a

2149

01:21:26,930 --> 01:21:25,199

different way of experiencing truth and

2150

01:21:28,130 --> 01:21:26,940

truth and sense of reality not an

2151

01:21:30,950 --> 01:21:28,140

abstraction

2152

01:21:33,169 --> 01:21:30,960

so I had already come to that conclusion

2153

01:21:35,330 --> 01:21:33,179

as so many people from Buddhist pedantic

2154

01:21:37,790 --> 01:21:35,340

you know non-dual Traditions have come

2155

01:21:39,110 --> 01:21:37,800

to is that everything's connected and of

2156

01:21:41,090 --> 01:21:39,120

course science is pointing in that

2157

01:21:42,709 --> 01:21:41,100

direction too that even even with

2158

01:21:44,930 --> 01:21:42,719

quantum theory we realize there's not

2159

01:21:48,050 --> 01:21:44,940

really these discrete things there's

2160

01:21:50,630 --> 01:21:48,060

more like a field that sometimes takes

2161

01:21:53,209 --> 01:21:50,640

on the appearance of what looks like a

2162

01:21:56,030 --> 01:21:53,219

thing but really it's just an excitation

2163

01:21:58,250 --> 01:21:56,040

of the field whereas Bernardo would say

2164

01:22:00,290 --> 01:21:58,260

Bernardo Castro you know an excitation

2165

01:22:01,910 --> 01:22:00,300

of Consciousness right the there isn't

2166

01:22:04,490 --> 01:22:01,920

really a Whirlpool there's just a river

2167

01:22:06,050 --> 01:22:04,500

this exciting in such a way as to look

2168

01:22:07,430 --> 01:22:06,060

like a Whirlpool temporarily and that's

2169

01:22:09,110 --> 01:22:07,440

what we are as well and that doesn't

2170

01:22:11,390 --> 01:22:09,120

make us any less ultimately real

2171

01:22:13,490 --> 01:22:11,400

actually because this happens all the

2172

01:22:17,209 --> 01:22:13,500

way up and all the way down and this is

2173

01:22:19,790 --> 01:22:17,219

just how Consciousness can subsume all

2174

01:22:22,430 --> 01:22:19,800

of these other categories of existence

2175

01:22:24,530 --> 01:22:22,440

so again betting getting back to the raw

2176

01:22:26,390 --> 01:22:24,540

material there's several things that in

2177

01:22:29,270 --> 01:22:26,400

aperture of the case make it seem

2178

01:22:31,370 --> 01:22:29,280

trustworthy to me number one there's the

2179

01:22:34,790 --> 01:22:31,380

overarching Oneness message

2180

01:22:38,090 --> 01:22:36,649

descriptions of our history that fit

2181

01:22:41,450 --> 01:22:38,100

with other things I've corroborated

2182

01:22:44,209 --> 01:22:41,460

about our history there's

2183

01:22:46,130 --> 01:22:44,219

trues told about different kinds of

2184

01:22:48,649 --> 01:22:46,140

alien intelligences and how it's not

2185

01:22:49,970 --> 01:22:48,659

always love and light there is love and

2186

01:22:51,890 --> 01:22:49,980

light but there's also these ones that

2187

01:22:53,149 --> 01:22:51,900

are more you know at a lower level of

2188

01:22:54,890 --> 01:22:53,159

Consciousness themselves even if they're

2189

01:22:56,330 --> 01:22:54,900

at a higher level than us even

2190

01:22:58,189 --> 01:22:56,340

dimensionally sometimes they're still

2191

01:23:00,229 --> 01:22:58,199

working from that kind of sense of

2192

01:23:02,390 --> 01:23:00,239

separation and that makes them take

2193

01:23:04,370 --> 01:23:02,400

advantage of species just like we tend

2194

01:23:06,470 --> 01:23:04,380

to do that with certain societies we go

2195

01:23:09,709 --> 01:23:06,480

into right or nation states

2196

01:23:12,590 --> 01:23:09,719

so in other words the metaphysical

2197

01:23:15,110 --> 01:23:12,600

picture or the the astral political

2198

01:23:16,910 --> 01:23:15,120

picture fits with other things I've seen

2199

01:23:18,709 --> 01:23:16,920

so in other words I'm corroborating this

2200

01:23:21,110 --> 01:23:18,719

with my own experiences with things I'm

2201

01:23:23,030 --> 01:23:21,120
reading and hearing elsewhere

2202

01:23:25,010 --> 01:23:23,040
I also trust the people that were

2203

01:23:28,070 --> 01:23:25,020
involved that they actually were

2204

01:23:30,169 --> 01:23:28,080
very ego less they really had

2205

01:23:32,990 --> 01:23:30,179
done their work had done Shadow work

2206

01:23:35,630 --> 01:23:33,000
they had cleared out as much of the

2207

01:23:36,530 --> 01:23:35,640
impurities as possible so that a more

2208

01:23:38,090 --> 01:23:36,540
pure

2209

01:23:40,010 --> 01:23:38,100
source of information could come through

2210

01:23:41,450 --> 01:23:40,020
in fact the raw group will even say

2211

01:23:43,669 --> 01:23:41,460
that's why they pick that group because

2212

01:23:45,669 --> 01:23:43,679
they were capable of actually receiving

2213

01:23:47,810 --> 01:23:45,679

this because there was kind of this

2214

01:23:49,370 --> 01:23:47,820

cleanliness there this clean channel

2215

01:23:51,709 --> 01:23:49,380

right

2216

01:23:53,090 --> 01:23:51,719

but also like I said because the the

2217

01:23:55,130 --> 01:23:53,100

Oneness thing fits with things I've

2218

01:23:57,470 --> 01:23:55,140

learned elsewhere

2219

01:23:59,930 --> 01:23:57,480

so and it also even is corroborated by

2220

01:24:01,430 --> 01:23:59,940

other other channel material too like

2221

01:24:03,169 --> 01:24:01,440

you'll often

2222

01:24:04,430 --> 01:24:03,179

and then this is key too you have to be

2223

01:24:06,350 --> 01:24:04,440

able to get past some of the language

2224

01:24:09,050 --> 01:24:06,360

sometimes you have to be able to get

2225

01:24:10,490 --> 01:24:09,060

past some superficial differences you

2226

01:24:12,290 --> 01:24:10,500

have to recognize it's never going to be

2227

01:24:14,030 --> 01:24:12,300

100 you're always going to have some

2228

01:24:15,290 --> 01:24:14,040

impurities or other things that get

2229

01:24:17,330 --> 01:24:15,300

mixed in because it's passing through

2230

01:24:19,790 --> 01:24:17,340

multiple layers of reality but

2231

01:24:21,950 --> 01:24:19,800

fundamentally it's very sound that's

2232

01:24:23,209 --> 01:24:21,960

what I would say so these are the kind

2233

01:24:25,189 --> 01:24:23,219

of

2234

01:24:26,930 --> 01:24:25,199

tools I would say we need to bring to

2235

01:24:30,350 --> 01:24:26,940

bear or trying to make sense of these

2236

01:24:32,630 --> 01:24:30,360

things and when we do we really can and

2237

01:24:34,310 --> 01:24:32,640

should I would say learn from these

2238

01:24:36,950 --> 01:24:34,320

things because this is an immense

2239

01:24:40,490 --> 01:24:36,960

Treasure Trove of

2240

01:24:42,590 --> 01:24:40,500

information that is absolutely true even

2241

01:24:45,470 --> 01:24:42,600

if it's sometimes only partially true

2242

01:24:47,270 --> 01:24:45,480

because some impurities get in but when

2243

01:24:48,950 --> 01:24:47,280

we begin to really

2244

01:24:51,229 --> 01:24:48,960

draw from these sources of information

2245

01:24:53,209 --> 01:24:51,239

and put them through those discernment

2246

01:24:55,010 --> 01:24:53,219

filters we just talked about then really

2247

01:24:56,990 --> 01:24:55,020

we begin to not only transform

2248

01:24:59,270 --> 01:24:57,000

civilization with that information but

2249

01:25:02,890 --> 01:24:59,280

we begin to actually realize what it's

2250

01:25:06,050 --> 01:25:02,900

like to be in contact with these greater

2251

01:25:09,290 --> 01:25:06,060

expansive elements of reality in ways

2252

01:25:13,370 --> 01:25:11,750

yeah and on that note I wanna

2253

01:25:16,070 --> 01:25:13,380

kind of

2254

01:25:19,130 --> 01:25:16,080

speak a little bit to the experiment

2255

01:25:23,689 --> 01:25:19,140

here that is liminal frames uh that it

2256

01:25:25,490 --> 01:25:23,699

is a uh it very much as a wee space and

2257

01:25:27,169 --> 01:25:25,500

you know I

2258

01:25:29,330 --> 01:25:27,179

not only as I

2259

01:25:31,669 --> 01:25:29,340

speak with you during these recordings

2260

01:25:33,770 --> 01:25:31,679

but you know outside of them when we

2261

01:25:35,689 --> 01:25:33,780

meet or when I'm thinking about the show

2262

01:25:38,090 --> 01:25:35,699

you know I think about

2263

01:25:41,390 --> 01:25:38,100

not just the two of us I think about

2264

01:25:43,970 --> 01:25:41,400

you know all the all that goes into what

2265

01:25:46,910 --> 01:25:43,980

this is you know the The Listener

2266

01:25:48,470 --> 01:25:46,920

experience the uh the impact of the

2267

01:25:50,510 --> 01:25:48,480

topic

2268

01:25:53,209 --> 01:25:50,520

um the downstream effect

2269

01:25:56,510 --> 01:25:53,219

of having the conversation both on our

2270

01:25:58,010 --> 01:25:56,520

own selves personally but on our own

2271

01:26:01,850 --> 01:25:58,020

interpersonal relationships with other

2272

01:26:04,370 --> 01:26:01,860

individuals like you know this is an

2273

01:26:08,450 --> 01:26:04,380

example just like every human

2274

01:26:10,970 --> 01:26:08,460

relationship is of uh of what we've been

2275

01:26:13,250 --> 01:26:10,980

talking about tonight uh and that is

2276

01:26:15,410 --> 01:26:13,260

that you know from a certain vantage

2277

01:26:18,649 --> 01:26:15,420

point if you allow it right this is the

2278

01:26:21,770 --> 01:26:18,659

thing you know it it's just a reminder

2279

01:26:25,490 --> 01:26:21,780

it's there for you all the time you just

2280

01:26:27,410 --> 01:26:25,500

have to allow yourself to to perceive it

2281

01:26:29,510 --> 01:26:27,420

and participate in it

2282

01:26:32,390 --> 01:26:29,520

and

2283

01:26:33,709 --> 01:26:32,400

if we can take a moment to just be

2284

01:26:38,209 --> 01:26:33,719

present

2285

01:26:40,370 --> 01:26:38,219

to the totality of this experience not

2286

01:26:42,950 --> 01:26:40,380

just the words that you're hearing not

2287

01:26:44,750 --> 01:26:42,960

just the the you know the place where

2288

01:26:48,410 --> 01:26:44,760

you're sitting or what you're doing

2289

01:26:51,709 --> 01:26:48,420

going about your day but the sphere the

2290

01:26:55,189 --> 01:26:51,719

scope of of this interaction

2291

01:26:58,189 --> 01:26:55,199

uh you begin to see and appreciate how

2292

01:27:00,169 --> 01:26:58,199

deep this really goes and and and how

2293

01:27:02,330 --> 01:27:00,179

much it transcends and I'm not just

2294

01:27:05,270 --> 01:27:02,340

saying this show I'm just saying that

2295

01:27:07,790 --> 01:27:05,280

your lived experience it the scope

2296

01:27:10,010 --> 01:27:07,800

doesn't really end and it's just you

2297

01:27:12,470 --> 01:27:10,020

have to be willing to perceive it

2298

01:27:14,270 --> 01:27:12,480

uh and when you do that when you when

2299

01:27:16,790 --> 01:27:14,280

you start as we talked about earlier

2300

01:27:19,010 --> 01:27:16,800

when you when you play with this idea

2301

01:27:22,910 --> 01:27:19,020

when you when you Flex this muscle and

2302

01:27:24,890 --> 01:27:22,920

and train it uh it absolutely responds

2303

01:27:26,870 --> 01:27:24,900

and grows

2304

01:27:29,030 --> 01:27:26,880

um and you can toggle it you can kind of

2305

01:27:31,370 --> 01:27:29,040

turn it on and turn it off and and be

2306

01:27:33,290 --> 01:27:31,380

present and not present to it uh and

2307

01:27:35,510 --> 01:27:33,300

there are good things about both right

2308

01:27:36,830 --> 01:27:35,520

you should you know I think that's

2309

01:27:38,990 --> 01:27:36,840

another thing people should hopefully

2310

01:27:41,629 --> 01:27:39,000

hear is we're not kind of being down on

2311

01:27:43,790 --> 01:27:41,639

you know being hyper personalized like

2312

01:27:46,310 --> 01:27:43,800

that's part of the experience you know

2313

01:27:48,350 --> 01:27:46,320

we can't have one without the other but

2314

01:27:49,250 --> 01:27:48,360

just to say that we've we've gotten to a

2315

01:27:52,129 --> 01:27:49,260

place

2316

01:27:55,010 --> 01:27:52,139

in the world now where we've spent so

2317

01:27:56,149 --> 01:27:55,020

much energy and time focused on the eye

2318

01:27:58,490 --> 01:27:56,159

the me

2319

01:28:01,850 --> 01:27:58,500

that we've lost sight of the rest of it

2320

01:28:04,610 --> 01:28:01,860

all and and I think we you know to our

2321

01:28:07,070 --> 01:28:04,620

debt to our great detriment uh so we're

2322

01:28:08,450 --> 01:28:07,080

asking that we just redeem that we bring

2323

01:28:12,649 --> 01:28:08,460

it back

2324

01:28:15,950 --> 01:28:12,659

in into experience and watch when doing

2325

01:28:18,169 --> 01:28:15,960

that how everything transforms

2326

01:28:20,930 --> 01:28:18,179

well said and and you know I would say

2327

01:28:23,450 --> 01:28:20,940

we all I think have had practical

2328

01:28:25,610 --> 01:28:23,460

experiences where we

2329

01:28:27,530 --> 01:28:25,620

enjoy that sense of weave space right

2330

01:28:29,270 --> 01:28:27,540

whether it's

2331

01:28:30,950 --> 01:28:29,280

you know you've played in a band whether

2332

01:28:34,370 --> 01:28:30,960

it's like you know a four-piece rock

2333

01:28:36,470 --> 01:28:34,380

band or an orchestra and you become part

2334

01:28:39,050 --> 01:28:36,480

of and you're caught up in something so

2335

01:28:42,770 --> 01:28:39,060

much larger than yourself and you feel

2336

01:28:44,450 --> 01:28:42,780

this like vibrant expansive aliveness

2337

01:28:47,870 --> 01:28:44,460

right in that

2338

01:28:49,850 --> 01:28:47,880

same thing you know if you're uh on

2339

01:28:52,189 --> 01:28:49,860

stage in a Shakespearean play and you're

2340

01:28:53,930 --> 01:28:52,199

caught up in like the drama all together

2341

01:28:56,770 --> 01:28:53,940

and then all these pieces are pulling

2342

01:28:59,570 --> 01:28:56,780

together to to create this experiential

2343

01:29:01,070 --> 01:28:59,580

kind of uh presentation for people and

2344

01:29:02,870 --> 01:29:01,080

you're part of the audience too gets

2345

01:29:03,770 --> 01:29:02,880

part of it too right and everybody feels

2346

01:29:06,169 --> 01:29:03,780

and you've talked about this before

2347

01:29:10,790 --> 01:29:06,179

being at concerts right everybody feels

2348

01:29:12,530 --> 01:29:10,800

this immense aliveness and we

2349

01:29:13,790 --> 01:29:12,540

sometimes feel most alive in those

2350

01:29:14,810 --> 01:29:13,800

moments and if you think about it those

2351

01:29:17,689 --> 01:29:14,820

are the times where least

2352

01:29:19,910 --> 01:29:17,699

individualistic right so we I think

2353

01:29:22,550 --> 01:29:19,920

practically have these experiences

2354

01:29:24,229 --> 01:29:22,560

well I really think about we sit down

2355

01:29:25,669 --> 01:29:24,239

and think about it we go I don't know

2356

01:29:27,169 --> 01:29:25,679

about this rugged individualism thing

2357

01:29:30,530 --> 01:29:27,179

because actually what I feel most

2358

01:29:32,390 --> 01:29:30,540

profound most myself is when I'm beyond

2359

01:29:34,729 --> 01:29:32,400

myself when I'm part of something else

2360

01:29:37,129 --> 01:29:34,739

and I would suggest that not only can we

2361

01:29:39,830 --> 01:29:37,139

experience that as human beings but what

2362

01:29:41,750 --> 01:29:39,840

we're on the cusp of is the possibility

2363
