

# Point of Convergence

PODCAST

Hosted by ExoAcademician

EPISODE #83

*Of Abduction & Initiation:  
Unpacking the Nuances of  
the Abduction Phenomenon*

ON YOUTUBE & YOUR FAVORITE  
PODCASTING PLATFORM

1  
00:00:02,860 --> 00:00:07,670

[Music]

2  
00:00:14,270 --> 00:00:10,970

hello and welcome to episode number 83

3  
00:00:18,769 --> 00:00:14,280

of the point of convergence podcast as

4  
00:00:20,870 --> 00:00:18,779

always I am your host EXO academian

5  
00:00:23,570 --> 00:00:20,880

within the vast historical literature

6  
00:00:25,250 --> 00:00:23,580

associated with the UFO phenomenon there

7  
00:00:27,170 --> 00:00:25,260

are references to numerous kinds of

8  
00:00:29,390 --> 00:00:27,180

craft cited and numerous kinds of

9  
00:00:31,970 --> 00:00:29,400

entities encountered

10  
00:00:34,190 --> 00:00:31,980

interestingly even within a subset of a

11  
00:00:36,650 --> 00:00:34,200

certain group of entities distinct

12  
00:00:38,270 --> 00:00:36,660

patterns sometimes emerge suggesting

13  
00:00:40,369 --> 00:00:38,280

specific Enterprises have been

14

00:00:43,130 --> 00:00:40,379

undertaken at various points in history

15

00:00:45,170 --> 00:00:43,140

by these various groups

16

00:00:46,970 --> 00:00:45,180

one such unique pattern took place

17

00:00:48,889 --> 00:00:46,980

between sometime in the late 20th

18

00:00:50,450 --> 00:00:48,899

century stretching up until around the

19

00:00:52,610 --> 00:00:50,460

turn of the millennium

20

00:00:54,670 --> 00:00:52,620

this specific Endeavor was concentrated

21

00:00:57,410 --> 00:00:54,680

around what have come to be known as

22

00:00:59,450 --> 00:00:57,420

abductions in other words The Specific

23

00:01:01,910 --> 00:00:59,460

Enterprise involved not just sightings

24

00:01:04,430 --> 00:01:01,920

but people being abruptly physically

25

00:01:06,590 --> 00:01:04,440

taken from their homes to some other

26

00:01:09,350 --> 00:01:06,600

place whether this be an apparent

27

00:01:11,090 --> 00:01:09,360

spacecraft or some alternate realm where

28

00:01:13,789 --> 00:01:11,100

specific actions were undertaken

29

00:01:15,649 --> 00:01:13,799

involving both physical examinations and

30

00:01:18,230 --> 00:01:15,659

what can only be described as activities

31

00:01:19,910 --> 00:01:18,240

pertaining to a large-scale reproductive

32

00:01:24,890 --> 00:01:19,920

program

33

00:01:27,230 --> 00:01:24,900

involving at minimum Untold thousands of

34

00:01:29,210 --> 00:01:27,240

human beings some men and women having

35

00:01:32,270 --> 00:01:29,220

reproductive material taken from them

36

00:01:34,190 --> 00:01:32,280

eggs from women and sperm from men as

37

00:01:36,530 --> 00:01:34,200

part of a scheme to produce what have

38

00:01:39,530 --> 00:01:36,540

come to be known as hybrid beings

39

00:01:42,109 --> 00:01:39,540

entities part conventionally human and

40

00:01:44,330 --> 00:01:42,119

part something else the question around

41

00:01:46,310 --> 00:01:44,340

the nature of this something else is a

42

00:01:49,249 --> 00:01:46,320

matter of some debate one that we'll be

43

00:01:51,170 --> 00:01:49,259

delving into in this episode

44

00:01:52,850 --> 00:01:51,180

once the initial extraction of a

45

00:01:55,910 --> 00:01:52,860

reproductive material had taken place

46

00:01:58,069 --> 00:01:55,920

many abductees slash contact d slash

47

00:01:59,510 --> 00:01:58,079

experiencers pick your designation of

48

00:02:01,310 --> 00:01:59,520

choice and those involved have

49

00:02:03,649 --> 00:02:01,320

differences of opinion on what they

50

00:02:05,389 --> 00:02:03,659

prefer to be called were later shown

51  
00:02:07,789 --> 00:02:05,399  
what for all intents and purposes

52  
00:02:11,150 --> 00:02:07,799  
appeared to be their very own hybrid

53  
00:02:13,130 --> 00:02:11,160  
offspring sometimes these others most

54  
00:02:15,650 --> 00:02:13,140  
often colloquially referred to as aliens

55  
00:02:18,110 --> 00:02:15,660  
would ask these human abductees to

56  
00:02:20,510 --> 00:02:18,120  
interact with said Offspring to fulfill

57  
00:02:23,869 --> 00:02:20,520  
some form of Developmental bonding

58  
00:02:25,430 --> 00:02:23,879  
said abduct T slash contactees often

59  
00:02:27,530 --> 00:02:25,440  
mentioned feeling both a deep connection

60  
00:02:29,990 --> 00:02:27,540  
to these apparently hybrid children

61  
00:02:32,330 --> 00:02:30,000  
while also sometimes feeling a sense of

62  
00:02:33,890 --> 00:02:32,340  
revulsion arising from their atypical

63  
00:02:35,750 --> 00:02:33,900

form

64

00:02:38,449 --> 00:02:35,760

as I mentioned this specific

65

00:02:40,910 --> 00:02:38,459

hybridization Enterprise seemed to phase

66

00:02:43,190 --> 00:02:40,920

out around the turn of the millennium

67

00:02:46,070 --> 00:02:43,200

at this point many of these adductee

68

00:02:48,170 --> 00:02:46,080

slash contact d slash experiencers were

69

00:02:50,210 --> 00:02:48,180

telepathically told that they wouldn't

70

00:02:52,430 --> 00:02:50,220

be seeing the apparent aliens nearly as

71

00:02:55,250 --> 00:02:52,440

much anymore indicating the Enterprise

72

00:02:57,290 --> 00:02:55,260

had been successful enough that a page

73

00:02:59,630 --> 00:02:57,300

was now being turned

74

00:03:02,030 --> 00:02:59,640

of course the specificity of this entire

75

00:03:04,550 --> 00:03:02,040

Enterprise raises many intriguing

76  
00:03:07,369 --> 00:03:04,560  
questions what was the ultimate purpose

77  
00:03:09,290 --> 00:03:07,379  
of this hybridization program what role

78  
00:03:11,630 --> 00:03:09,300  
if any do these apparently hybrid

79  
00:03:14,390 --> 00:03:11,640  
Offspring play in the future of human

80  
00:03:16,610 --> 00:03:14,400  
civilization and in what way might this

81  
00:03:18,830 --> 00:03:16,620  
Enterprise serve as a kind of fail-save

82  
00:03:21,470 --> 00:03:18,840  
against the potential of a coming Earth

83  
00:03:23,270 --> 00:03:21,480  
cataclysm that experiencers of this type

84  
00:03:25,670 --> 00:03:23,280  
were warned was bound to be Our

85  
00:03:28,910 --> 00:03:25,680  
civilization's Fate should we fail to

86  
00:03:31,309 --> 00:03:28,920  
turn from our misguided airing waves

87  
00:03:33,290 --> 00:03:31,319  
these are the profound but mind-bending

88  
00:03:37,070 --> 00:03:33,300

issues we'll seek to find some clarity

89

00:03:40,670 --> 00:03:37,080

around in this the 83rd episode of the

90

00:03:46,070 --> 00:03:43,910

[Music]

91

00:03:47,809 --> 00:03:46,080

as I mentioned in the introduction today

92

00:03:49,729 --> 00:03:47,819

we're going to be talking about alien

93

00:03:51,710 --> 00:03:49,739

abduction at least that's what it's

94

00:03:53,449 --> 00:03:51,720

colloquially referred to

95

00:03:56,270 --> 00:03:53,459

much of the cases we'll be drawing from

96

00:03:58,550 --> 00:03:56,280

today are from Dr Johnny Mack's

97

00:04:01,009 --> 00:03:58,560

groundbreaking book abduction human

98

00:04:02,869 --> 00:04:01,019

encounters with aliens

99

00:04:05,210 --> 00:04:02,879

as I also mentioned in the introduction

100

00:04:08,030 --> 00:04:05,220

here we're referring to what seems to be

101  
00:04:10,250 --> 00:04:08,040  
a specific reproductive program a

102  
00:04:12,530 --> 00:04:10,260  
hybridization program that was

103  
00:04:14,929 --> 00:04:12,540  
undertaken by some sort of apparently

104  
00:04:16,490 --> 00:04:14,939  
alien group from the late 20th century

105  
00:04:17,449 --> 00:04:16,500  
up until around the turn of the

106  
00:04:20,150 --> 00:04:17,459  
millennium

107  
00:04:22,250 --> 00:04:20,160  
which is to say it's not that abductions

108  
00:04:24,830 --> 00:04:22,260  
in the broadest sense don't still happen

109  
00:04:27,230 --> 00:04:24,840  
but this particular program did seem to

110  
00:04:29,090 --> 00:04:27,240  
have a specific lifespan that Drew to a

111  
00:04:31,189 --> 00:04:29,100  
close sometime around the turn of the

112  
00:04:33,710 --> 00:04:31,199  
millennium again as I said in the

113  
00:04:36,469 --> 00:04:33,720

introduction many of the abductee slash

114

00:04:38,330 --> 00:04:36,479

contact these slash experiencers

115

00:04:40,129 --> 00:04:38,340

actually experience telepathic messages

116

00:04:42,890 --> 00:04:40,139

around that time at the turn of the

117

00:04:45,890 --> 00:04:42,900

Millennium saying that they would not be

118

00:04:47,749 --> 00:04:45,900

seeing these others so much anymore and

119

00:04:50,030 --> 00:04:47,759

the implication was that this program

120

00:04:52,189 --> 00:04:50,040

had been successful and that now it was

121

00:04:53,629 --> 00:04:52,199

drawing to a close although there was

122

00:04:56,030 --> 00:04:53,639

hints perhaps that they would hear from

123

00:04:57,890 --> 00:04:56,040

them more later and I would suggest that

124

00:04:59,510 --> 00:04:57,900

even some of those people have

125

00:05:02,749 --> 00:04:59,520

experienced more telepathic messages

126  
00:05:05,570 --> 00:05:02,759  
especially more recently which might be

127  
00:05:07,850 --> 00:05:05,580  
important significant pertinent to what

128  
00:05:10,010 --> 00:05:07,860  
we're talking about these days in terms

129  
00:05:13,249 --> 00:05:10,020  
of the possibility of a coming cataclysm

130  
00:05:15,050 --> 00:05:13,259  
some final chapter in human history or

131  
00:05:16,909 --> 00:05:15,060  
at least the potential of it and if

132  
00:05:19,790 --> 00:05:16,919  
nothing else the Turning of a

133  
00:05:22,070 --> 00:05:19,800  
significant page in human history

134  
00:05:23,689 --> 00:05:22,080  
now before we dive into cases from this

135  
00:05:26,590 --> 00:05:23,699  
book we should just paint the picture

136  
00:05:29,270 --> 00:05:26,600  
historically here this book came out in

137  
00:05:32,629 --> 00:05:29,280  
1994. again the book is abduction human

138  
00:05:34,610 --> 00:05:32,639

encounters with aliens by Dr John E Mack

139

00:05:36,590 --> 00:05:34,620

now what's interesting is that of course

140

00:05:39,409 --> 00:05:36,600

that was a very different time than now

141

00:05:42,290 --> 00:05:39,419

we sometimes forget how different things

142

00:05:45,110 --> 00:05:42,300

are now as opposed to then now we're

143

00:05:47,990 --> 00:05:45,120

hearing about UFOs UAP and sightings and

144

00:05:49,370 --> 00:05:48,000

whatnot almost daily even in some of the

145

00:05:51,469 --> 00:05:49,380

mainstream media

146

00:05:54,050 --> 00:05:51,479

and the notion is that perhaps

147

00:05:55,670 --> 00:05:54,060

disclosure is not that far ahead that we

148

00:05:56,689 --> 00:05:55,680

really are seeing moves in that

149

00:05:59,270 --> 00:05:56,699

direction

150

00:06:01,550 --> 00:05:59,280

but looking back to the 1990s that was

151

00:06:04,310 --> 00:06:01,560

not the case pretty much at that point

152

00:06:06,529 --> 00:06:04,320

UFOs were still considered Fringe it was

153

00:06:08,629 --> 00:06:06,539

X-Files episodes kind of enthusiasts and

154

00:06:11,090 --> 00:06:08,639

that kind of thing and certainly the

155

00:06:14,029 --> 00:06:11,100

notion of alien abduction actually being

156

00:06:16,730 --> 00:06:14,039

taken by alien beings up into spacecraft

157

00:06:19,249 --> 00:06:16,740

and then having bizarre sometimes

158

00:06:21,430 --> 00:06:19,259

seemingly ritualistic hybridization

159

00:06:24,469 --> 00:06:21,440

reproductive experiments taking place

160

00:06:26,870 --> 00:06:24,479

was certainly not a mainstream notion

161

00:06:29,210 --> 00:06:26,880

and so when people began to have these

162

00:06:31,550 --> 00:06:29,220

encounters you can imagine how shocking

163

00:06:33,950 --> 00:06:31,560

it was to them not just because of The

164

00:06:36,290 --> 00:06:33,960

Uncanny nature of the experiences but

165

00:06:37,670 --> 00:06:36,300

because there really was no precedent in

166

00:06:39,710 --> 00:06:37,680

human history

167

00:06:41,930 --> 00:06:39,720

and because of that of course many of

168

00:06:43,249 --> 00:06:41,940

these people had nowhere to turn when

169

00:06:45,469 --> 00:06:43,259

they tried to explain what was happening

170

00:06:47,870 --> 00:06:45,479

to family members they were often

171

00:06:49,430 --> 00:06:47,880

rejected and there was questioning about

172

00:06:51,830 --> 00:06:49,440

their mental health of course because

173

00:06:54,830 --> 00:06:51,840

this again was not on the radar for the

174

00:06:57,529 --> 00:06:54,840

vast vast majority of our population and

175

00:06:59,689 --> 00:06:57,539

so these people while they tried to find

176

00:07:00,890 --> 00:06:59,699

different ways of dealing with this by

177

00:07:03,050 --> 00:07:00,900

going to different

178

00:07:04,430 --> 00:07:03,060

authorities and whatnot it just wasn't

179

00:07:06,350 --> 00:07:04,440

something they could find they couldn't

180

00:07:08,270 --> 00:07:06,360

find authorities that were willing to

181

00:07:09,350 --> 00:07:08,280

talk about this who had any familiarity

182

00:07:11,930 --> 00:07:09,360

with this

183

00:07:14,390 --> 00:07:11,940

even official or semi-official groups

184

00:07:17,510 --> 00:07:14,400

like mufon didn't really deal with this

185

00:07:19,430 --> 00:07:17,520

back then this was all brand new in our

186

00:07:21,110 --> 00:07:19,440

cultural Zeitgeist altogether

187

00:07:23,870 --> 00:07:21,120

and I just want to make that point to

188

00:07:27,050 --> 00:07:23,880

remind us all just how discombobulating

189

00:07:29,150 --> 00:07:27,060

terrifying shocking these events were

190

00:07:30,469 --> 00:07:29,160

again not just because of the nature of

191

00:07:32,570 --> 00:07:30,479

the events which were shocking in

192

00:07:34,969 --> 00:07:32,580

themselves but because there was nowhere

193

00:07:37,610 --> 00:07:34,979

to turn this was not part of our

194

00:07:39,830 --> 00:07:37,620

cultural milieu at all so again these

195

00:07:42,050 --> 00:07:39,840

people felt very alone and that's where

196

00:07:43,790 --> 00:07:42,060

someone like John Mack came in because

197

00:07:45,589 --> 00:07:43,800

again he actually listened to these

198

00:07:47,450 --> 00:07:45,599

people and while he was a skeptic of

199

00:07:49,909 --> 00:07:47,460

this entire notion to begin with

200

00:07:52,370 --> 00:07:49,919

because of his years of experience in

201  
00:07:54,110 --> 00:07:52,380  
research and as a psychotherapist it

202  
00:07:56,330 --> 00:07:54,120  
became clear to him these people were

203  
00:07:57,409 --> 00:07:56,340  
rational they were coherent they were

204  
00:07:59,450 --> 00:07:57,419  
not suffering from any kind of

205  
00:08:01,909 --> 00:07:59,460  
Psychopathology they seemed to be

206  
00:08:03,469 --> 00:08:01,919  
recounting actual experiences and

207  
00:08:06,469 --> 00:08:03,479  
certainly their body language and even

208  
00:08:09,409 --> 00:08:06,479  
their body output in terms of PTSD

209  
00:08:11,990 --> 00:08:09,419  
post-traumatic stress symptoms seemed to

210  
00:08:14,210 --> 00:08:12,000  
speak to the veracity of these claims

211  
00:08:16,249 --> 00:08:14,220  
something really did happen even if it

212  
00:08:18,589 --> 00:08:16,259  
stretches our understanding of what is

213  
00:08:21,350 --> 00:08:18,599

real that's what he concluded and he

214

00:08:23,330 --> 00:08:21,360

proceeded with that notion in mind

215

00:08:25,730 --> 00:08:23,340

I'd also like to remind us here that

216

00:08:28,909 --> 00:08:25,740

while times have changed and the Notions

217

00:08:30,890 --> 00:08:28,919

of UFOs UAP in our midst is much more of

218

00:08:32,449 --> 00:08:30,900

a mainstream conversation now and the

219

00:08:34,010 --> 00:08:32,459

government certainly seems to be not

220

00:08:35,870 --> 00:08:34,020

only taking it seriously which they

221

00:08:37,490 --> 00:08:35,880

always did but what's different now is

222

00:08:39,469 --> 00:08:37,500

they're taking it seriously and they're

223

00:08:41,990 --> 00:08:39,479

acknowledging there is a there there

224

00:08:43,969 --> 00:08:42,000

even if it's only kind of a coded kind

225

00:08:46,430 --> 00:08:43,979

of message at this point but the general

226

00:08:48,410 --> 00:08:46,440

public is slowly being acclimatized to

227

00:08:51,350 --> 00:08:48,420

this notion that there are anomalous

228

00:08:54,650 --> 00:08:51,360

objects or phenomena in our skies and

229

00:08:56,329 --> 00:08:54,660

elsewhere hence we have Arrow which is

230

00:08:58,190 --> 00:08:56,339

tasked to get to the bottom of what

231

00:09:00,829 --> 00:08:58,200

these objects are what these phenomena

232

00:09:03,350 --> 00:09:00,839

are that seem to be with impunity coming

233

00:09:05,389 --> 00:09:03,360

over U.S airspace and whatnot

234

00:09:07,610 --> 00:09:05,399

but again all of the focus there is on

235

00:09:09,829 --> 00:09:07,620

the objects on the phenomena in the sky

236

00:09:12,230 --> 00:09:09,839

right not on what's actually happening

237

00:09:15,290 --> 00:09:12,240

to people we are not yet publicly

238

00:09:17,389 --> 00:09:15,300

dealing with the messages experiencers

239

00:09:19,730 --> 00:09:17,399

have received the encounters that

240

00:09:21,410 --> 00:09:19,740

experiencers have been through so in

241

00:09:23,030 --> 00:09:21,420

that sense things haven't changed all

242

00:09:25,070 --> 00:09:23,040

that much and I can tell you that

243

00:09:26,509 --> 00:09:25,080

experiencers still feel often left out

244

00:09:29,210 --> 00:09:26,519

of the public conversation right now

245

00:09:31,130 --> 00:09:29,220

because they are not being listened to

246

00:09:33,170 --> 00:09:31,140

they're not being sought out for their

247

00:09:34,910 --> 00:09:33,180

testimony hopefully that will change

248

00:09:37,610 --> 00:09:34,920

soon

249

00:09:39,710 --> 00:09:37,620

okay let's address something else that I

250

00:09:42,650 --> 00:09:39,720

hinted at in the introduction the

251  
00:09:45,230 --> 00:09:42,660  
question of what do we call these others

252  
00:09:47,570 --> 00:09:45,240  
now on the one hand we often refer to

253  
00:09:50,509 --> 00:09:47,580  
them as aliens and even this book is

254  
00:09:52,490 --> 00:09:50,519  
subtitled human encounters with aliens

255  
00:09:55,610 --> 00:09:52,500  
I'll just remind you there that aliens

256  
00:09:57,290 --> 00:09:55,620  
doesn't necessarily mean space aliens as

257  
00:09:59,810 --> 00:09:57,300  
I mentioned recently on a liminal frames

258  
00:10:01,850 --> 00:09:59,820  
podcast episode I think it was I had a

259  
00:10:04,490 --> 00:10:01,860  
friend who had a band in high school

260  
00:10:07,009 --> 00:10:04,500  
called alien and the psycho and actually

261  
00:10:09,889 --> 00:10:07,019  
is a translation of a passage in the Old

262  
00:10:12,230 --> 00:10:09,899  
Testament where actually the alien there

263  
00:10:13,670 --> 00:10:12,240

was a different human tribe right so

264

00:10:15,190 --> 00:10:13,680

that's interesting this term doesn't

265

00:10:17,630 --> 00:10:15,200

necessarily mean

266

00:10:19,430 --> 00:10:17,640

extraterrestrial and it even if it means

267

00:10:21,590 --> 00:10:19,440

extraterrestrial it doesn't mean that it

268

00:10:25,430 --> 00:10:21,600

might not have some sort of genetic link

269

00:10:27,530 --> 00:10:25,440

to us and I raised that because there is

270

00:10:29,030 --> 00:10:27,540

some evidence that these others these

271

00:10:31,850 --> 00:10:29,040

particular others at least some of them

272

00:10:33,710 --> 00:10:31,860

do have a link to us now some would

273

00:10:36,230 --> 00:10:33,720

suggest this means that they are us from

274

00:10:38,990 --> 00:10:36,240

the future perhaps time traveling

275

00:10:41,990 --> 00:10:39,000

neo-humans or as Michael Masters has

276

00:10:44,210 --> 00:10:42,000

coined extra terrestrials

277

00:10:46,190 --> 00:10:44,220

so when some people say non-human

278

00:10:47,150 --> 00:10:46,200

intelligence and land on that as a new

279

00:10:49,310 --> 00:10:47,160

term

280

00:10:51,410 --> 00:10:49,320

I sometimes am more comfortable with a

281

00:10:53,630 --> 00:10:51,420

term like non-conventional human

282

00:10:56,329 --> 00:10:53,640

intelligence because again we don't know

283

00:10:58,550 --> 00:10:56,339

that it's absolutely not human

284

00:11:01,069 --> 00:10:58,560

even again according to the lore of some

285

00:11:02,630 --> 00:11:01,079

of the Roswell crash material there are

286

00:11:04,610 --> 00:11:02,640

hints that there was a genetic link

287

00:11:05,990 --> 00:11:04,620

between us and them in terms of the

288

00:11:07,970 --> 00:11:06,000

bodies that were recovered from this

289

00:11:11,030 --> 00:11:07,980

scene which again raises questions

290

00:11:13,009 --> 00:11:11,040

around what does alien mean here how

291

00:11:15,230 --> 00:11:13,019

could there be this link

292

00:11:17,389 --> 00:11:15,240

furthermore we sometimes refer to them

293

00:11:18,889 --> 00:11:17,399

as visitors but the thing is they may

294

00:11:20,690 --> 00:11:18,899

have been here as long as we have

295

00:11:22,250 --> 00:11:20,700

perhaps even longer

296

00:11:24,230 --> 00:11:22,260

and in that sense they're not really

297

00:11:26,389 --> 00:11:24,240

visitors although I guess you could

298

00:11:28,730 --> 00:11:26,399

argue that they are visitors to our

299

00:11:31,190 --> 00:11:28,740

Consciousness in terms of our awareness

300

00:11:32,690 --> 00:11:31,200

of their presence but nevertheless you

301

00:11:35,090 --> 00:11:32,700

see what the challenge is in terms of

302

00:11:37,670 --> 00:11:35,100

how to refer to them that's why I often

303

00:11:39,829 --> 00:11:37,680

opt for the others just because they are

304

00:11:41,930 --> 00:11:39,839

in some way not exactly us even if

305

00:11:43,910 --> 00:11:41,940

they're somehow linked to us and so that

306

00:11:46,430 --> 00:11:43,920

feels like a term that is the best fit

307

00:11:47,930 --> 00:11:46,440

often but not always and again it just

308

00:11:50,030 --> 00:11:47,940

points to the fact that because we're

309

00:11:52,550 --> 00:11:50,040

still trying to figure out exactly who

310

00:11:54,530 --> 00:11:52,560

they are who we are for that matter and

311

00:11:56,210 --> 00:11:54,540

how we may be linked we're going to have

312

00:11:57,829 --> 00:11:56,220

challenges knowing exactly how to refer

313

00:11:59,630 --> 00:11:57,839

to them and perhaps there is no perfect

314

00:12:01,370 --> 00:11:59,640

term

315

00:12:04,370 --> 00:12:01,380

all right so here we're speaking about

316

00:12:06,530 --> 00:12:04,380

alien abduction now this is a notion

317

00:12:08,630 --> 00:12:06,540

rooted in popular culture because there

318

00:12:10,970 --> 00:12:08,640

actually are stories now accounts that

319

00:12:13,490 --> 00:12:10,980

have come out and most people are now at

320

00:12:14,569 --> 00:12:13,500

least aware of the elements of these

321

00:12:16,730 --> 00:12:14,579

reports

322

00:12:20,930 --> 00:12:16,740

and they include the following elements

323

00:12:22,790 --> 00:12:20,940

number one missing time abductees often

324

00:12:25,069 --> 00:12:22,800

report periods of time during which they

325

00:12:28,630 --> 00:12:25,079

cannot account for their whereabouts or

326  
00:12:31,550 --> 00:12:28,640  
activities two presence of aliens

327  
00:12:33,610 --> 00:12:31,560  
abductees frequently report being taken

328  
00:12:36,290 --> 00:12:33,620  
aboard a spacecraft and encountering

329  
00:12:39,350 --> 00:12:36,300  
non-human entities which are often

330  
00:12:40,850 --> 00:12:39,360  
described as gray-skinned large-eyed and

331  
00:12:44,030 --> 00:12:40,860  
hairless beings

332  
00:12:46,310 --> 00:12:44,040  
number three medical examinations many

333  
00:12:49,850 --> 00:12:46,320  
abductees report undergoing medical

334  
00:12:52,550 --> 00:12:49,860  
procedures including the insertion of

335  
00:12:55,629 --> 00:12:52,560  
implants or The Taking of tissue samples

336  
00:12:57,769 --> 00:12:55,639  
number four telepathic communication

337  
00:12:59,990 --> 00:12:57,779  
abductees often report receiving

338  
00:13:02,509 --> 00:13:00,000

information or instructions from the

339

00:13:04,629 --> 00:13:02,519

aliens telepathically that is

340

00:13:08,090 --> 00:13:04,639

mind-to-mind contact and communication

341

00:13:10,310 --> 00:13:08,100

number five paralysis abductees

342

00:13:13,790 --> 00:13:10,320

frequently describe being unable to move

343

00:13:15,889 --> 00:13:13,800

during the experience number six fear

344

00:13:17,509 --> 00:13:15,899

and anxiety the experience of alien

345

00:13:19,850 --> 00:13:17,519

abduction is often described as

346

00:13:22,129 --> 00:13:19,860

terrifying with abductees reporting

347

00:13:23,629 --> 00:13:22,139

feelings of fear anxiety and

348

00:13:25,850 --> 00:13:23,639

helplessness

349

00:13:27,769 --> 00:13:25,860

now regarding this last piece a key

350

00:13:29,930 --> 00:13:27,779

distinction to make here is that these

351

00:13:32,269 --> 00:13:29,940

particular kinds of encounters are

352

00:13:34,310 --> 00:13:32,279

particularly shocking more so than

353

00:13:36,949 --> 00:13:34,320

sightings in the sky even when those

354

00:13:38,930 --> 00:13:36,959

involve telepathic downloads because

355

00:13:41,629 --> 00:13:38,940

these specific abduction encounters

356

00:13:43,850 --> 00:13:41,639

involve coming into close contact with

357

00:13:46,790 --> 00:13:43,860

beings of a decidedly non-conventional

358

00:13:49,009 --> 00:13:46,800

nature their form their shape their

359

00:13:51,170 --> 00:13:49,019

presence is shocking in itself

360

00:13:53,690 --> 00:13:51,180

and also because the encounters are

361

00:13:55,250 --> 00:13:53,700

number one abrupt one moment you're

362

00:13:57,069 --> 00:13:55,260

alone in the next moment these beings

363

00:13:59,750 --> 00:13:57,079

are there with you in close quarters

364

00:14:00,710 --> 00:13:59,760

often after passing through solid walls

365

00:14:02,870 --> 00:14:00,720

no less

366

00:14:05,449 --> 00:14:02,880

and number two because these encounters

367

00:14:08,389 --> 00:14:05,459

are physical in nature meaning they

368

00:14:10,550 --> 00:14:08,399

manifest as solidly to their as anything

369

00:14:13,490 --> 00:14:10,560

or anyone else in our waking State

370

00:14:16,730 --> 00:14:13,500

consensus reality these are not dreams

371

00:14:18,710 --> 00:14:16,740

Visions or examples of hypnagogia as

372

00:14:21,230 --> 00:14:18,720

Skeptics try to insist

373

00:14:23,870 --> 00:14:21,240

now regarding the recounting of

374

00:14:26,870 --> 00:14:23,880

experiences with apparent aliens in

375

00:14:29,269 --> 00:14:26,880

apparently abduction experiences much of

376

00:14:31,550 --> 00:14:29,279

this material arises from hypnotic

377

00:14:34,670 --> 00:14:31,560

regression that is to say a therapist

378

00:14:36,949 --> 00:14:34,680

puts a person under hypnosis and then

379

00:14:39,230 --> 00:14:36,959

with the aid of that hypnotic regression

380

00:14:40,689 --> 00:14:39,240

they were able to recover more material

381

00:14:43,129 --> 00:14:40,699

than they necessarily remembered

382

00:14:44,750 --> 00:14:43,139

consciously but we should make the point

383

00:14:46,490 --> 00:14:44,760

here that many of these people do have

384

00:14:48,590 --> 00:14:46,500

conscious memories and it's the

385

00:14:50,870 --> 00:14:48,600

conscious memories that led them to the

386

00:14:52,069 --> 00:14:50,880

therapist to begin with if they had no

387

00:14:53,930 --> 00:14:52,079

memories of this they wouldn't have

388

00:14:56,269 --> 00:14:53,940

sought out someone like John Mack in

389

00:14:58,550 --> 00:14:56,279

this book abduction to begin with these

390

00:15:01,310 --> 00:14:58,560

people were not suffering from any kind

391

00:15:03,170 --> 00:15:01,320

of malady otherwise it was the nature of

392

00:15:06,110 --> 00:15:03,180

these experiences which they consciously

393

00:15:08,030 --> 00:15:06,120

remembered that made them seek out some

394

00:15:10,069 --> 00:15:08,040

sort of assistance to make sense of what

395

00:15:12,050 --> 00:15:10,079

was going on again because it did seem

396

00:15:15,170 --> 00:15:12,060

to stretch the Notions of our consensus

397

00:15:17,269 --> 00:15:15,180

reality our model of reality altogether

398

00:15:19,189 --> 00:15:17,279

so I want to make that point these

399

00:15:21,829 --> 00:15:19,199

people sought out a therapist like John

400

00:15:24,590 --> 00:15:21,839

Mack because they consciously remembered

401  
00:15:27,470 --> 00:15:24,600  
having experiences that were uncanny in

402  
00:15:30,170 --> 00:15:27,480  
nature and in this case the therapy

403  
00:15:32,389 --> 00:15:30,180  
helped them uncover more memories to

404  
00:15:34,610 --> 00:15:32,399  
bring more clarity to them

405  
00:15:37,550 --> 00:15:34,620  
now I want to make this clear while

406  
00:15:40,129 --> 00:15:37,560  
hypnosis done poorly can lead to false

407  
00:15:42,290 --> 00:15:40,139  
memories it's also my perspective that

408  
00:15:44,870 --> 00:15:42,300  
regression done properly according to

409  
00:15:46,910 --> 00:15:44,880  
strict protocols can be helpful for

410  
00:15:49,370 --> 00:15:46,920  
people seeking to gain more clarity on

411  
00:15:51,530 --> 00:15:49,380  
their encounters when they already have

412  
00:15:52,790 --> 00:15:51,540  
conscious memory of an encounter that's

413  
00:15:55,610 --> 00:15:52,800

key

414

00:15:58,129 --> 00:15:55,620

now speaking of hypnotic regression as a

415

00:16:01,009 --> 00:15:58,139

tool Kathleen Martin has recently

416

00:16:02,810 --> 00:16:01,019

weighed in on this matter now who is she

417

00:16:06,050 --> 00:16:02,820

she is a well-known UFO Abduction

418

00:16:08,689 --> 00:16:06,060

researcher author and lecturer with 23

419

00:16:10,370 --> 00:16:08,699

years of experience in the field this is

420

00:16:13,250 --> 00:16:10,380

what she said recently in an article

421

00:16:15,769 --> 00:16:13,260

addressing hypnotic regression as a tool

422

00:16:18,829 --> 00:16:15,779

quote the use of hypnosis to recover

423

00:16:21,470 --> 00:16:18,839

lost memories of missing time during a

424

00:16:23,569 --> 00:16:21,480

purported UFO Abduction has engendered

425

00:16:26,930 --> 00:16:23,579

more controversy than nearly any other

426

00:16:29,090 --> 00:16:26,940

topic among UFO researchers and anti-ufo

427

00:16:31,490 --> 00:16:29,100

research Skeptics deniers and

428

00:16:33,590 --> 00:16:31,500

disinformants Scholars point out that

429

00:16:36,110 --> 00:16:33,600

although hypnosis facilitates the recall

430

00:16:38,329 --> 00:16:36,120

of accurate information we may

431

00:16:39,710 --> 00:16:38,339

unwittingly manufacture details that

432

00:16:41,350 --> 00:16:39,720

were not previously part of the

433

00:16:43,610 --> 00:16:41,360

historical narrative

434

00:16:45,350 --> 00:16:43,620

particularly when the hypnotist

435

00:16:47,629 --> 00:16:45,360

pressures the client for detailed

436

00:16:49,850 --> 00:16:47,639

information that is not available in

437

00:16:52,009 --> 00:16:49,860

their conscious memories some radical

438

00:16:54,470 --> 00:16:52,019

critics extrapolate that imperfect

439

00:16:59,810 --> 00:16:54,480

hypnosis is reason to dismiss its use

440

00:17:02,269 --> 00:16:59,820

entirely I disagree quote unquote

441

00:17:04,130 --> 00:17:02,279

now she goes on to say quote hypnosis

442

00:17:06,049 --> 00:17:04,140

should not be used by investigators to

443

00:17:08,329 --> 00:17:06,059

determine if an individual has been

444

00:17:10,789 --> 00:17:08,339

taken to a non-human environment and

445

00:17:13,010 --> 00:17:10,799

developed amnesia for the event we must

446

00:17:15,049 --> 00:17:13,020

rely on the witness's conscious recall

447

00:17:16,970 --> 00:17:15,059

and the physical and circumstantial

448

00:17:20,630 --> 00:17:16,980

evidence in support of the witnesses

449

00:17:22,730 --> 00:17:20,640

statements prior to hypnosis unquote

450

00:17:24,890 --> 00:17:22,740

so a couple key points there we should

451

00:17:26,750 --> 00:17:24,900

not be using hypnosis to try to see if

452

00:17:28,909 --> 00:17:26,760

there was an abduction event we should

453

00:17:31,130 --> 00:17:28,919

only use it as a tool to further refine

454

00:17:32,990 --> 00:17:31,140

statements that were already made based

455

00:17:35,029 --> 00:17:33,000

on conscious recall

456

00:17:37,970 --> 00:17:35,039

secondly she pointed to the fact that

457

00:17:39,830 --> 00:17:37,980

Scholars do consider this a valid means

458

00:17:43,430 --> 00:17:39,840

most of the time it's just when it's

459

00:17:46,310 --> 00:17:43,440

used improperly that problems arise

460

00:17:49,490 --> 00:17:46,320

now speaking of that what exactly is

461

00:17:52,370 --> 00:17:49,500

hypnosis why does this work this is how

462

00:17:54,529 --> 00:17:52,380

she defines it quote some researchers

463

00:17:57,289 --> 00:17:54,539

claim that no one knows what hypnosis is

464

00:17:59,750 --> 00:17:57,299

however a psychiatrist David Spiegel

465

00:18:01,549 --> 00:17:59,760

medical director of the center for

466

00:18:04,070 --> 00:18:01,559

integrative medicine at the Stanford

467

00:18:07,250 --> 00:18:04,080

University School of Medicine informs us

468

00:18:09,950 --> 00:18:07,260

that hypnosis involves disassociation in

469

00:18:11,690 --> 00:18:09,960

a structured setting whereby one idea is

470

00:18:14,270 --> 00:18:11,700

brought into Focus while the field of

471

00:18:16,190 --> 00:18:14,280

vision is narrowed all other competing

472

00:18:19,430 --> 00:18:16,200

thoughts are omitted and one's attention

473

00:18:20,990 --> 00:18:19,440

is concentrated in a hyper memory in

474

00:18:23,630 --> 00:18:21,000

other words we enter into a state of

475

00:18:25,970 --> 00:18:23,640

intense concentration that permits us to

476

00:18:29,090 --> 00:18:25,980

filter out distractions and to focus our

477

00:18:30,529 --> 00:18:29,100

attention on a certain past event this

478

00:18:33,610 --> 00:18:30,539

leads to better recall of information

479

00:18:38,150 --> 00:18:33,620

than our conscious memory can elicit

480

00:18:40,730 --> 00:18:38,160

unquote so that's key it's about zeroing

481

00:18:42,950 --> 00:18:40,740

in on a memory not adding details to the

482

00:18:45,350 --> 00:18:42,960

memory and again that is only a risk

483

00:18:47,390 --> 00:18:45,360

when it is done poorly when the hypnotic

484

00:18:50,510 --> 00:18:47,400

regression is done poorly or when you

485

00:18:52,789 --> 00:18:50,520

have a therapist actually trying to ask

486

00:18:54,710 --> 00:18:52,799

leading questions that can take the

487

00:18:56,510 --> 00:18:54,720

memory in a different direction and

488

00:18:59,029 --> 00:18:56,520

actually produce false memories as a

489

00:19:01,669 --> 00:18:59,039

result but again done properly this is

490

00:19:04,310 --> 00:19:01,679

about creating a disassociation in a

491

00:19:06,650 --> 00:19:04,320

structured setting so as to zero in on

492

00:19:08,870 --> 00:19:06,660

an actual memory

493

00:19:10,669 --> 00:19:08,880

all right now let's get to more of the

494

00:19:12,770 --> 00:19:10,679

specifics of the nature of these

495

00:19:14,870 --> 00:19:12,780

encounters the nature of these so-called

496

00:19:16,610 --> 00:19:14,880

abduction encounters

497

00:19:19,310 --> 00:19:16,620

now again we already dealt with the fact

498

00:19:21,049 --> 00:19:19,320

that these are very abrupt and shocking

499

00:19:24,230 --> 00:19:21,059

ontologically shocking which by the way

500

00:19:25,669 --> 00:19:24,240

is a term that Mac actually coined has

501  
00:19:27,710 --> 00:19:25,679  
to do with the fact that these beings

502  
00:19:29,930 --> 00:19:27,720  
are present and apparently our physical

503  
00:19:31,909 --> 00:19:29,940  
reality people can feel them when they

504  
00:19:33,650 --> 00:19:31,919  
touch them when they press against you

505  
00:19:35,690 --> 00:19:33,660  
you can feel it you can see evidence

506  
00:19:37,789 --> 00:19:35,700  
that they're moving around your room

507  
00:19:39,470 --> 00:19:37,799  
when they suddenly appear there by

508  
00:19:41,450 --> 00:19:39,480  
passing through a wall or something like

509  
00:19:42,890 --> 00:19:41,460  
that so first of all you have to deal

510  
00:19:44,510 --> 00:19:42,900  
with the ontological shock of these

511  
00:19:47,330 --> 00:19:44,520  
beings that should not exist suddenly

512  
00:19:49,610 --> 00:19:47,340  
being there and apparently manifesting

513  
00:19:51,650 --> 00:19:49,620

just as real as anything else the wall

514

00:19:53,450 --> 00:19:51,660

they came through or perhaps the person

515

00:19:54,950 --> 00:19:53,460

sleeping in the room next to you they're

516

00:19:57,470 --> 00:19:54,960

just as real as that

517

00:19:59,510 --> 00:19:57,480

but in addition you are then quickly

518

00:20:01,970 --> 00:19:59,520

taken to a different environment

519

00:20:04,310 --> 00:20:01,980

altogether now sometimes this

520

00:20:06,890 --> 00:20:04,320

environment seems to be in an alternate

521

00:20:08,870 --> 00:20:06,900

kind of Dimension or alternate realm

522

00:20:10,430 --> 00:20:08,880

alternate State of Consciousness we

523

00:20:12,470 --> 00:20:10,440

don't really have a great way to think

524

00:20:14,870 --> 00:20:12,480

about these things because this

525

00:20:17,630 --> 00:20:14,880

particular construct that people are

526  
00:20:20,450 --> 00:20:17,640  
taken to report being taken to seems to

527  
00:20:22,549 --> 00:20:20,460  
be not exactly aligned with our

528  
00:20:25,010 --> 00:20:22,559  
space-time construct as we usually

529  
00:20:26,630 --> 00:20:25,020  
experience it now again our model

530  
00:20:28,610 --> 00:20:26,640  
doesn't know what to do with this yet

531  
00:20:31,010 --> 00:20:28,620  
and so we quickly try to drop it into

532  
00:20:32,990 --> 00:20:31,020  
something like a dream or a vision or

533  
00:20:35,450 --> 00:20:33,000  
some example of hypnagogia like I said

534  
00:20:37,490 --> 00:20:35,460  
before which is the state between a

535  
00:20:39,409 --> 00:20:37,500  
waking State and a sleep state

536  
00:20:41,270 --> 00:20:39,419  
but again this seems to be really

537  
00:20:44,029 --> 00:20:41,280  
happening but it also stretches our

538  
00:20:46,010 --> 00:20:44,039

understanding of what can really happen

539

00:20:47,930 --> 00:20:46,020

now what's also interesting is even

540

00:20:50,450 --> 00:20:47,940

though these are ontologically shocking

541

00:20:52,850 --> 00:20:50,460

experiences and sometimes these others

542

00:20:54,590 --> 00:20:52,860

don't have what you might call a great

543

00:20:56,930 --> 00:20:54,600

bedside manner they're not very

544

00:20:58,430 --> 00:20:56,940

communicative in terms of emotional

545

00:21:01,010 --> 00:20:58,440

awareness in terms of helping people

546

00:21:03,049 --> 00:21:01,020

feel comfortable immediately although

547

00:21:04,789 --> 00:21:03,059

many experiences will tell you they do

548

00:21:06,650 --> 00:21:04,799

have an emotional component it just

549

00:21:08,750 --> 00:21:06,660

manifests differently than ours does

550

00:21:10,789 --> 00:21:08,760

which again shouldn't be surprising

551  
00:21:13,070 --> 00:21:10,799  
because if they've evolved to be mostly

552  
00:21:15,169 --> 00:21:13,080  
telepathic in nature then their

553  
00:21:17,990 --> 00:21:15,179  
communication happens completely mind to

554  
00:21:20,570 --> 00:21:18,000  
mind you don't need to have gestures and

555  
00:21:22,490 --> 00:21:20,580  
facial expressions like we do even tone

556  
00:21:25,190 --> 00:21:22,500  
of voice because all that can be

557  
00:21:26,810 --> 00:21:25,200  
communicated telepathically and in

558  
00:21:29,450 --> 00:21:26,820  
addition to that they may just be more

559  
00:21:32,270 --> 00:21:29,460  
emotionally muted have a narrower range

560  
00:21:34,430 --> 00:21:32,280  
of emotion than we do now does that

561  
00:21:36,950 --> 00:21:34,440  
automatically excuse sometimes the

562  
00:21:38,690 --> 00:21:36,960  
abrupt nature of these encounters does

563  
00:21:40,789 --> 00:21:38,700

it excuse the fact that people are not

564

00:21:42,830 --> 00:21:40,799

dealt with in as warm a manner as we

565

00:21:44,990 --> 00:21:42,840

might want to see from apparently

566

00:21:46,750 --> 00:21:45,000

Advanced sophisticated beings that these

567

00:21:49,789 --> 00:21:46,760

seem to be for all intents and purposes

568

00:21:51,770 --> 00:21:49,799

no there is a question there but again

569

00:21:53,690 --> 00:21:51,780

it's not that they're not emotional they

570

00:21:55,850 --> 00:21:53,700

just have a narrower range of emotion in

571

00:21:57,470 --> 00:21:55,860

terms of expression and perhaps because

572

00:21:59,270 --> 00:21:57,480

they are different than us either

573

00:22:02,029 --> 00:21:59,280

because they've evolved to be that way

574

00:22:03,649 --> 00:22:02,039

if they're us from the future perhaps or

575

00:22:05,930 --> 00:22:03,659

just because they are different than us

576

00:22:08,210 --> 00:22:05,940

altogether they don't necessarily

577

00:22:10,610 --> 00:22:08,220

understand perhaps what this puts us

578

00:22:12,830 --> 00:22:10,620

through how shocking this is for the

579

00:22:14,450 --> 00:22:12,840

human system that has evolved to be

580

00:22:16,909 --> 00:22:14,460

aware of certain kinds of possibilities

581

00:22:18,890 --> 00:22:16,919

and a possibility like this makes us go

582

00:22:20,810 --> 00:22:18,900

into fight or flight because of our

583

00:22:22,730 --> 00:22:20,820

evolutionary impulse

584

00:22:24,350 --> 00:22:22,740

they may not be aware of that they may

585

00:22:26,210 --> 00:22:24,360

not be accounting for that which again

586

00:22:28,250 --> 00:22:26,220

is not to entirely excuse the entire

587

00:22:30,710 --> 00:22:28,260

thing but just to say there may be ways

588

00:22:33,230 --> 00:22:30,720

to make sense of this that suggests it's

589

00:22:35,090 --> 00:22:33,240

not necessarily cruel Behavior

590

00:22:36,770 --> 00:22:35,100

and the reason why I've also raised that

591

00:22:39,710 --> 00:22:36,780

possibility is because there's this

592

00:22:41,510 --> 00:22:39,720

uncanny dual aspect to these encounters

593

00:22:43,610 --> 00:22:41,520

because on the one hand they can be

594

00:22:46,070 --> 00:22:43,620

quite ontologically shocking in fact

595

00:22:49,549 --> 00:22:46,080

almost 100 of the time they are at least

596

00:22:51,289 --> 00:22:49,559

initially but these experiencers also

597

00:22:53,990 --> 00:22:51,299

report that these experiences end up

598

00:22:55,130 --> 00:22:54,000

being spiritually transformative much of

599

00:22:56,990 --> 00:22:55,140

the time

600

00:22:59,450 --> 00:22:57,000

they even come to see these beings

601  
00:23:02,210 --> 00:22:59,460  
sometimes as intermediaries between us

602  
00:23:05,570 --> 00:23:02,220  
and God or Source if you will the source

603  
00:23:07,730 --> 00:23:05,580  
of the universe indeed furthermore these

604  
00:23:09,529 --> 00:23:07,740  
experiencers often report that this

605  
00:23:11,990 --> 00:23:09,539  
realm they're in with these others feels

606  
00:23:14,570 --> 00:23:12,000  
more real than this one does which is

607  
00:23:16,549 --> 00:23:14,580  
confusing to us again because we have no

608  
00:23:18,230 --> 00:23:16,559  
contrast we have nothing to compare this

609  
00:23:20,690 --> 00:23:18,240  
to those of us who have not had this

610  
00:23:23,210 --> 00:23:20,700  
particular experience and again when we

611  
00:23:25,669 --> 00:23:23,220  
hear alternate realm alternate State of

612  
00:23:27,649 --> 00:23:25,679  
Consciousness that to many people in the

613  
00:23:30,710 --> 00:23:27,659

general public will feel less real

614

00:23:32,210 --> 00:23:30,720

something other than reality and yet

615

00:23:33,830 --> 00:23:32,220

what's interesting is the experience

616

00:23:36,470 --> 00:23:33,840

that visceral experience is that that

617

00:23:38,930 --> 00:23:36,480

actually feels more real than real that

618

00:23:41,210 --> 00:23:38,940

is to say more real than this

619

00:23:43,549 --> 00:23:41,220

but this is a key part we cannot get

620

00:23:45,409 --> 00:23:43,559

past again the vast majority of people

621

00:23:47,330 --> 00:23:45,419

especially when given enough time to

622

00:23:50,450 --> 00:23:47,340

reflect on their experiences and to

623

00:23:52,130 --> 00:23:50,460

overcome the initial ontological shock a

624

00:23:55,130 --> 00:23:52,140

vast majority come to see these

625

00:23:56,570 --> 00:23:55,140

experiences as interpreted as positive

626  
00:23:58,430 --> 00:23:56,580  
because again we always have

627  
00:24:00,409 --> 00:23:58,440  
interpretation being part of the

628  
00:24:01,970 --> 00:24:00,419  
experience here you have an initial

629  
00:24:04,909 --> 00:24:01,980  
experience and then you interpret it

630  
00:24:07,250 --> 00:24:04,919  
based on your models of reality your

631  
00:24:10,370 --> 00:24:07,260  
expectations and your interactions with

632  
00:24:11,690 --> 00:24:10,380  
human beings over time and that will of

633  
00:24:13,850 --> 00:24:11,700  
course reflect on how you think about

634  
00:24:17,090 --> 00:24:13,860  
these experiences but when people are

635  
00:24:18,890 --> 00:24:17,100  
especially given time to reflect they

636  
00:24:21,529 --> 00:24:18,900  
often come to see these as spiritually

637  
00:24:23,510 --> 00:24:21,539  
transformative and ultimately positive

638  
00:24:26,390 --> 00:24:23,520

and again as we've discussed on other

639

00:24:29,570 --> 00:24:26,400

episodes this often results in an actual

640

00:24:31,370 --> 00:24:29,580

worldview change where people are quite

641

00:24:33,830 --> 00:24:31,380

different than they used to be prior to

642

00:24:36,770 --> 00:24:33,840

the event and they don't walk around in

643

00:24:38,090 --> 00:24:36,780

fear and turmoil most of them don't most

644

00:24:40,130 --> 00:24:38,100

of them actually are changed in a

645

00:24:42,169 --> 00:24:40,140

positive way but we would consider a

646

00:24:44,690 --> 00:24:42,179

positive way according to measurements

647

00:24:46,010 --> 00:24:44,700

like they become less materialistic they

648

00:24:48,529 --> 00:24:46,020

become more concerned about the

649

00:24:50,750 --> 00:24:48,539

environment and animals they become more

650

00:24:53,570 --> 00:24:50,760

concerned about their neighbors and more

651  
00:24:55,610 --> 00:24:53,580  
ready to change their behavior even

652  
00:24:57,950 --> 00:24:55,620  
change their lifestyle or their career

653  
00:25:00,350 --> 00:24:57,960  
sometimes to reflect the change in

654  
00:25:01,730 --> 00:25:00,360  
perspective they've undergone because of

655  
00:25:03,950 --> 00:25:01,740  
these experiences

656  
00:25:05,330 --> 00:25:03,960  
which again flies in the face of what we

657  
00:25:07,789 --> 00:25:05,340  
think about initially when we think

658  
00:25:09,649 --> 00:25:07,799  
about abduction because again there's a

659  
00:25:11,510 --> 00:25:09,659  
lot of negative hype with that

660  
00:25:13,310 --> 00:25:11,520  
especially considering the way that

661  
00:25:15,770 --> 00:25:13,320  
Hollywood and whatnot has often

662  
00:25:19,370 --> 00:25:15,780  
portrayed these events they often hype

663  
00:25:21,169 --> 00:25:19,380

up the fear the shock the turmoil and

664

00:25:23,390 --> 00:25:21,179

often this is because this is what sells

665

00:25:24,830 --> 00:25:23,400

tickets unfortunately based on the

666

00:25:27,409 --> 00:25:24,840

current center of gravity of our

667

00:25:29,630 --> 00:25:27,419

Consciousness on this planet

668

00:25:32,029 --> 00:25:29,640

I also want to make the point that this

669

00:25:34,250 --> 00:25:32,039

spiritual transformation this change in

670

00:25:37,010 --> 00:25:34,260

world view is not an unintended

671

00:25:39,470 --> 00:25:37,020

byproduct of these experiences to the

672

00:25:41,450 --> 00:25:39,480

contrary these beings whatever they are

673

00:25:45,110 --> 00:25:41,460

whether they're us from the future or an

674

00:25:47,630 --> 00:25:45,120

alternate version of us or a alien being

675

00:25:49,370 --> 00:25:47,640

altogether they go out of their way to

676  
00:25:51,470 --> 00:25:49,380  
make it very clear to the human beings

677  
00:25:54,409 --> 00:25:51,480  
they're communicating with that human

678  
00:25:55,789 --> 00:25:54,419  
civilization is on a crash course that

679  
00:25:59,149 --> 00:25:55,799  
if we do not change our current

680  
00:26:00,950 --> 00:25:59,159  
trajectory bad things await us and not

681  
00:26:02,870 --> 00:26:00,960  
because of some sort of punishment doled

682  
00:26:05,269 --> 00:26:02,880  
out by some sort of God or some higher

683  
00:26:07,610 --> 00:26:05,279  
intelligent being but because this is

684  
00:26:10,130 --> 00:26:07,620  
just what happens when you embark on a

685  
00:26:11,990 --> 00:26:10,140  
trajectory that is doomed to failure

686  
00:26:13,909 --> 00:26:12,000  
when you are part of a system that is

687  
00:26:15,710 --> 00:26:13,919  
unsustainable and that's what they see

688  
00:26:18,110 --> 00:26:15,720

when they see not just our Consciousness

689

00:26:20,269 --> 00:26:18,120

based so much on fear and greed and

690

00:26:21,769 --> 00:26:20,279

negative elements like that but also

691

00:26:24,710 --> 00:26:21,779

what we're doing to the environment how

692

00:26:27,409 --> 00:26:24,720

we're basically killing the planet that

693

00:26:29,630 --> 00:26:27,419

we exist upon they see that they see

694

00:26:31,370 --> 00:26:29,640

that it's not going well and again if

695

00:26:32,870 --> 00:26:31,380

they are us from the future or even

696

00:26:34,310 --> 00:26:32,880

beings that seem to be able to move

697

00:26:36,409 --> 00:26:34,320

through time and they certainly seem to

698

00:26:38,029 --> 00:26:36,419

demonstrate that then we should take

699

00:26:40,610 --> 00:26:38,039

this very seriously I would suggest

700

00:26:43,310 --> 00:26:40,620

because this is not just idle banter

701  
00:26:45,049 --> 00:26:43,320  
they are perhaps relying on what they

702  
00:26:47,029 --> 00:26:45,059  
know will happen according to our

703  
00:26:49,070 --> 00:26:47,039  
current trajectory and so they go out of

704  
00:26:51,649 --> 00:26:49,080  
their way to impress upon human beings

705  
00:26:53,510 --> 00:26:51,659  
that they interact with you must wake up

706  
00:26:55,909 --> 00:26:53,520  
and not just you but your Collective

707  
00:26:58,070 --> 00:26:55,919  
civilization must wake up you must

708  
00:27:00,169 --> 00:26:58,080  
change course or something really

709  
00:27:02,269 --> 00:27:00,179  
negative awaits you something like a

710  
00:27:04,190 --> 00:27:02,279  
cataclysm and again as I've said before

711  
00:27:06,890 --> 00:27:04,200  
on recent podcasts that might not be

712  
00:27:08,269 --> 00:27:06,900  
just some random Cosmic event what seems

713  
00:27:11,149 --> 00:27:08,279

to be suggested here is that it's

714

00:27:12,890 --> 00:27:11,159

actually something of our own making

715

00:27:14,930 --> 00:27:12,900

so this is something we really need to

716

00:27:16,010 --> 00:27:14,940

take to heart this is Central to these

717

00:27:17,750 --> 00:27:16,020

encounters

718

00:27:19,549 --> 00:27:17,760

and here I would also add that while

719

00:27:21,769 --> 00:27:19,559

these particular kinds of abductions as

720

00:27:24,890 --> 00:27:21,779

part of this reproduction program seem

721

00:27:27,049 --> 00:27:24,900

to have come to a close experiencers are

722

00:27:29,269 --> 00:27:27,059

still having telepathic downloads with

723

00:27:31,630 --> 00:27:29,279

these beings and other beings and are

724

00:27:34,370 --> 00:27:31,640

being impressed upon again about the

725

00:27:35,990 --> 00:27:34,380

Doomsday coming for us if we don't

726

00:27:38,269 --> 00:27:36,000

change course so this is not something

727

00:27:40,490 --> 00:27:38,279

that ended around the turn of Millennium

728

00:27:42,950 --> 00:27:40,500

these messages are still very much front

729

00:27:44,990 --> 00:27:42,960

and center and indeed you could suggest

730

00:27:46,669 --> 00:27:45,000

they're actually increasing both in

731

00:27:49,370 --> 00:27:46,679

terms of number and in terms of

732

00:27:50,630 --> 00:27:49,380

amplitude in terms of the urgency that

733

00:27:52,789 --> 00:27:50,640

is passed on

734

00:27:54,610 --> 00:27:52,799

now again as I already mentioned many of

735

00:27:58,430 --> 00:27:54,620

the experiencers of this particular

736

00:27:59,870 --> 00:27:58,440

historical reproductive program say it's

737

00:28:01,490 --> 00:27:59,880

not just that the experience was

738

00:28:03,529 --> 00:28:01,500

ontologically shocking even though it

739

00:28:05,690 --> 00:28:03,539

was and then sometimes traumatizing very

740

00:28:07,610 --> 00:28:05,700

often the case they often come to

741

00:28:10,430 --> 00:28:07,620

believe that it actually is part of some

742

00:28:12,470 --> 00:28:10,440

move towards a greater good and to the

743

00:28:15,169 --> 00:28:12,480

end I want to quote from the book here

744

00:28:17,870 --> 00:28:15,179

quote Jerry does not feel that they want

745

00:28:19,669 --> 00:28:17,880

to cause me fear and pain and Agony and

746

00:28:22,250 --> 00:28:19,679

deep down inside I think that what

747

00:28:25,190 --> 00:28:22,260

they're doing is somehow necessary it

748

00:28:27,529 --> 00:28:25,200

has to do she said with races beings or

749

00:28:30,350 --> 00:28:27,539

whatever coming together to make another

750

00:28:32,690 --> 00:28:30,360

creation this was very important she

751  
00:28:34,909 --> 00:28:32,700  
said and as a single person compared to

752  
00:28:36,590 --> 00:28:34,919  
this big huge thing going on I should

753  
00:28:39,529 --> 00:28:36,600  
look Beyond Myself and know that it's

754  
00:28:42,230 --> 00:28:39,539  
for the greater good unquote and then

755  
00:28:43,430 --> 00:28:42,240  
later on this same abductee is quoted as

756  
00:28:45,830 --> 00:28:43,440  
saying quote

757  
00:28:48,169 --> 00:28:45,840  
at the end of this session Jerry said I

758  
00:28:50,029 --> 00:28:48,179  
really do think that they do exist they

759  
00:28:52,549 --> 00:28:50,039  
are real and they are interacting with

760  
00:28:54,890 --> 00:28:52,559  
us obviously not in any form that we're

761  
00:28:57,230 --> 00:28:54,900  
used to there's a reason they're doing

762  
00:28:59,149 --> 00:28:57,240  
this she added she feels that they are

763  
00:29:02,149 --> 00:28:59,159

making whatever you want to label it

764

00:29:03,529 --> 00:29:02,159

another whole civilization she does not

765

00:29:05,630 --> 00:29:03,539

know whether they're going to take it

766

00:29:07,669 --> 00:29:05,640

and place it somewhere else or it's

767

00:29:10,549 --> 00:29:07,679

going to be introduced here

768

00:29:12,529 --> 00:29:10,559

Jerry like many abductees has dreams of

769

00:29:14,810 --> 00:29:12,539

the world as we know it coming to an end

770

00:29:17,330 --> 00:29:14,820

and relates her breeding role to this

771

00:29:19,210 --> 00:29:17,340

eventuality unquote

772

00:29:21,529 --> 00:29:19,220

which again this speaks to the fact that

773

00:29:23,090 --> 00:29:21,539

when these beings are being created

774

00:29:25,789 --> 00:29:23,100

these hybrid beings it raises the

775

00:29:27,409 --> 00:29:25,799

question to what end some people believe

776

00:29:29,149 --> 00:29:27,419

that it's two populated different

777

00:29:30,889 --> 00:29:29,159

planets somewhere else

778

00:29:33,470 --> 00:29:30,899

but for many of these experiencers

779

00:29:35,630 --> 00:29:33,480

there's this sense that one this could

780

00:29:36,889 --> 00:29:35,640

be a Fail-Safe in case we wipe ourselves

781

00:29:39,230 --> 00:29:36,899

out that they would have a way of

782

00:29:40,669 --> 00:29:39,240

introducing some element of humanity

783

00:29:42,049 --> 00:29:40,679

again even though we would be a

784

00:29:44,090 --> 00:29:42,059

different version of ourselves because

785

00:29:46,730 --> 00:29:44,100

we would have the hybrid nature in terms

786

00:29:48,350 --> 00:29:46,740

of the alien input as well a bit of half

787

00:29:50,450 --> 00:29:48,360

and half in other words

788

00:29:52,549 --> 00:29:50,460

or it could be that these hybrids will

789

00:29:54,710 --> 00:29:52,559

actually help us in the future they will

790

00:29:56,930 --> 00:29:54,720

be introduced to the planet so that we

791

00:29:59,029 --> 00:29:56,940

can live in harmony together and perhaps

792

00:30:00,950 --> 00:29:59,039

both benefit from each other there is

793

00:30:04,130 --> 00:30:00,960

this kind of symbiotic relationship

794

00:30:06,169 --> 00:30:04,140

often referred to or at least implied

795

00:30:07,789 --> 00:30:06,179

but at the same time before we can get

796

00:30:10,190 --> 00:30:07,799

to this point in history where we could

797

00:30:12,169 --> 00:30:10,200

perhaps live side by side they know that

798

00:30:14,029 --> 00:30:12,179

we have to overcome some of our fear

799

00:30:16,010 --> 00:30:14,039

some of our fight-or-flight mechanism

800

00:30:18,649 --> 00:30:16,020

that's deeply part of the lizard brain

801  
00:30:20,930 --> 00:30:18,659  
that is part of our history one of the

802  
00:30:23,450 --> 00:30:20,940  
adjectives Scott talks about this when

803  
00:30:25,850 --> 00:30:23,460  
he talks about his human side first

804  
00:30:27,950 --> 00:30:25,860  
dealing with what these others represent

805  
00:30:29,810 --> 00:30:27,960  
and just how different they are and how

806  
00:30:31,970 --> 00:30:29,820  
he recognizes that his initial response

807  
00:30:35,750 --> 00:30:31,980  
is not necessarily reasonable

808  
00:30:37,190 --> 00:30:35,760  
quote Scott grasped then why he had

809  
00:30:40,010 --> 00:30:37,200  
never wanted to look directly at the

810  
00:30:42,529 --> 00:30:40,020  
beings with some struggle he said my

811  
00:30:45,710 --> 00:30:42,539  
humanist doesn't want to see this what

812  
00:30:47,990 --> 00:30:45,720  
is this I asked them The Human Side he

813  
00:30:50,750 --> 00:30:48,000

continued cannot handle the other side

814

00:30:53,450 --> 00:30:50,760

the human being in him reacts with fear

815

00:30:55,430 --> 00:30:53,460

like an animal they appear to be animals

816

00:30:57,950 --> 00:30:55,440

and you act like a scared animal it's

817

00:31:00,049 --> 00:30:57,960

instant nevertheless he emphasized

818

00:31:02,389 --> 00:31:00,059

humans must stop and realize that the

819

00:31:04,430 --> 00:31:02,399

aliens whom is a child he called the

820

00:31:07,850 --> 00:31:04,440

inkies because of their large black eyes

821

00:31:09,529 --> 00:31:07,860

like ourselves are alive we need to

822

00:31:11,870 --> 00:31:09,539

learn that even though we look different

823

00:31:13,549 --> 00:31:11,880

and we think different we're all life

824

00:31:15,529 --> 00:31:13,559

unquote

825

00:31:17,570 --> 00:31:15,539

now you notice there that he said the

826

00:31:20,389 --> 00:31:17,580

human part which implies there being

827

00:31:22,909 --> 00:31:20,399

another part and indeed this is also a

828

00:31:24,049 --> 00:31:22,919

very interesting intriguing part of the

829

00:31:25,789 --> 00:31:24,059

narrative when it comes to the

830

00:31:28,549 --> 00:31:25,799

historical literature to do with

831

00:31:31,549 --> 00:31:28,559

abductees many of them come to believe

832

00:31:33,169 --> 00:31:31,559

realize that they actually have a hybrid

833

00:31:35,510 --> 00:31:33,179

nature themselves that they have a

834

00:31:36,830 --> 00:31:35,520

different kind of persona sometimes a

835

00:31:39,710 --> 00:31:36,840

different history from a different

836

00:31:42,049 --> 00:31:39,720

lifetime even as a part of one of them

837

00:31:44,090 --> 00:31:42,059

quote unquote one of these others they

838

00:31:46,610 --> 00:31:44,100

even have memories sometimes of

839

00:31:48,529 --> 00:31:46,620

experiencing life as one of them and can

840

00:31:51,830 --> 00:31:48,539

even experience how they

841

00:31:53,690 --> 00:31:51,840

relate to life differently this is what

842

00:31:56,510 --> 00:31:53,700

he says at one point about what perhaps

843

00:31:59,750 --> 00:31:56,520

happened to them that made them so wary

844

00:32:01,490 --> 00:31:59,760

of the course that we are on quote at

845

00:32:03,710 --> 00:32:01,500

this point in the session Scott shifted

846

00:32:05,990 --> 00:32:03,720

to perceiving from the alien perspective

847

00:32:08,750 --> 00:32:06,000

and he saw the Earth as a blue body

848

00:32:11,269 --> 00:32:08,760

below him he had chosen to come here

849

00:32:14,090 --> 00:32:11,279

from another planet because it was quote

850

00:32:15,950 --> 00:32:14,100

closest to where we're from unquote he

851  
00:32:18,409 --> 00:32:15,960  
did not know the name of that planet but

852  
00:32:20,690 --> 00:32:18,419  
it was yellow mostly desert and lacking

853  
00:32:22,789 --> 00:32:20,700  
water once there had been trees and

854  
00:32:25,909 --> 00:32:22,799  
water but something having to do with

855  
00:32:28,210 --> 00:32:25,919  
science he does not know just what went

856  
00:32:31,250 --> 00:32:28,220  
wrong and his people went underground

857  
00:32:33,669 --> 00:32:31,260  
Scott felt sick inside and sobbed as he

858  
00:32:36,049 --> 00:32:33,679  
told of how science destroyed our planet

859  
00:32:38,210 --> 00:32:36,059  
naturally I was curious to know if Scott

860  
00:32:40,610 --> 00:32:38,220  
had any other further information about

861  
00:32:43,070 --> 00:32:40,620  
how this had come about but he did not

862  
00:32:45,590 --> 00:32:43,080  
except to observe that somehow the alien

863  
00:32:47,210 --> 00:32:45,600

species knew before the destruction

864

00:32:49,370 --> 00:32:47,220

occurred but seems to have been

865

00:32:51,049 --> 00:32:49,380

powerless to prevent it after the

866

00:32:52,909 --> 00:32:51,059

regression he recalled that the

867

00:32:54,830 --> 00:32:52,919

destruction had occurred because of

868

00:32:57,230 --> 00:32:54,840

something they made they couldn't stop

869

00:33:00,830 --> 00:32:57,240

and that on their Planet the aliens live

870

00:33:02,690 --> 00:33:00,840

in an artificial environment unquote

871

00:33:04,010 --> 00:33:02,700

so again this is very interesting you

872

00:33:05,389 --> 00:33:04,020

could look at this different ways you

873

00:33:06,889 --> 00:33:05,399

could say this is actually a different

874

00:33:08,930 --> 00:33:06,899

planet and these really are

875

00:33:11,269 --> 00:33:08,940

extraterrestrial beings in the purest

876

00:33:13,250 --> 00:33:11,279

sense of that term or you could perhaps

877

00:33:15,710 --> 00:33:13,260

even suggest that they are us from the

878

00:33:17,690 --> 00:33:15,720

future in an alternate Earth or the

879

00:33:19,310 --> 00:33:17,700

Earth in a different timeline or just a

880

00:33:21,049 --> 00:33:19,320

future Earth and that what they're

881

00:33:23,090 --> 00:33:21,059

referring to is actually then

882

00:33:24,769 --> 00:33:23,100

experiencing the consequences of our

883

00:33:27,289 --> 00:33:24,779

actions to some degree and that again

884

00:33:29,930 --> 00:33:27,299

would speak to why they're so pressing

885

00:33:32,330 --> 00:33:29,940

about this coming cataclysm this problem

886

00:33:34,730 --> 00:33:32,340

that we do face if we don't change the

887

00:33:37,130 --> 00:33:34,740

course of our current trajectory

888

00:33:39,230 --> 00:33:37,140

now speaking to this possibility that

889

00:33:41,509 --> 00:33:39,240

they could be us from the future or at

890

00:33:43,250 --> 00:33:41,519

least related to us in some way there

891

00:33:45,049 --> 00:33:43,260

are actually times that abductees that

892

00:33:47,570 --> 00:33:45,059

are part of these regressions that Dr

893

00:33:49,610 --> 00:33:47,580

John Mack is conducting actually refer

894

00:33:51,590 --> 00:33:49,620

to this notion of the future being

895

00:33:52,549 --> 00:33:51,600

referenced in their contact with these

896

00:33:54,649 --> 00:33:52,559

beings

897

00:33:56,570 --> 00:33:54,659

quitting again from the book here quote

898

00:34:00,470 --> 00:33:56,580

in the months prior to our first

899

00:34:02,350 --> 00:34:00,480

hypnosis session on August 11 1992 Jerry

900

00:34:04,850 --> 00:34:02,360

continued to have abduction experiences

901  
00:34:07,070 --> 00:34:04,860  
including one episode just three weeks

902  
00:34:09,889 --> 00:34:07,080  
before in which she consciously recalled

903  
00:34:13,129 --> 00:34:09,899  
seeing a UFO close up and being taken by

904  
00:34:15,470 --> 00:34:13,139  
humanoid beings whose attitude she felt

905  
00:34:18,050 --> 00:34:15,480  
was loving and benevolent into the ship

906  
00:34:20,629 --> 00:34:18,060  
there she saw shelves with instruments

907  
00:34:23,149 --> 00:34:20,639  
and vials was Seated on a chair or table

908  
00:34:25,609 --> 00:34:23,159  
and had a complex dialogue with alien

909  
00:34:27,589 --> 00:34:25,619  
she felt were quote beyond what we would

910  
00:34:29,930 --> 00:34:27,599  
think is intelligent or even genius

911  
00:34:32,750 --> 00:34:29,940  
unquote continuing with a quote here

912  
00:34:35,450 --> 00:34:32,760  
quote one of them explained that they

913  
00:34:37,270 --> 00:34:35,460

came from so far into the future that

914

00:34:39,950 --> 00:34:37,280

she would not be able to comprehend

915

00:34:41,869 --> 00:34:39,960

Jerry remembers saying to herself this

916

00:34:45,169 --> 00:34:41,879

is great I can see everything and I am

917

00:34:47,089 --> 00:34:45,179

so aware in her journal she concluded I

918

00:34:48,889 --> 00:34:47,099

was convinced beyond a shadow of a doubt

919

00:34:50,869 --> 00:34:48,899

that what I was experiencing was real

920

00:34:53,990 --> 00:34:50,879

they looked at me with their loving and

921

00:34:56,329 --> 00:34:54,000

all-knowing smile and simply said yes I

922

00:34:58,609 --> 00:34:56,339

then said well if this is real then I am

923

00:35:00,290 --> 00:34:58,619

somehow living a double life I had a

924

00:35:02,450 --> 00:35:00,300

feeling there was a definite reason that

925

00:35:04,910 --> 00:35:02,460

I and others like me were not aware of

926  
00:35:06,829 --> 00:35:04,920  
this other reality at least not as aware

927  
00:35:10,130 --> 00:35:06,839  
as we are about this reality we have

928  
00:35:12,290 --> 00:35:10,140  
here and now unquote again this speaks

929  
00:35:14,810 --> 00:35:12,300  
to the Dual nature that some of these

930  
00:35:16,550 --> 00:35:14,820  
abductees end up experiencing after

931  
00:35:18,230 --> 00:35:16,560  
being in contact with these others where

932  
00:35:20,450 --> 00:35:18,240  
they themselves even feel like they have

933  
00:35:23,089 --> 00:35:20,460  
another capacity within them another

934  
00:35:25,010 --> 00:35:23,099  
Persona that comes online sometimes at

935  
00:35:27,109 --> 00:35:25,020  
least fully online when they're in the

936  
00:35:30,170 --> 00:35:27,119  
presence of these others

937  
00:35:33,109 --> 00:35:30,180  
now as many people realize part of these

938  
00:35:35,630 --> 00:35:33,119

abduction accounts also involve human

939

00:35:37,849 --> 00:35:35,640

beings being shown apocalyptic images of

940

00:35:40,310 --> 00:35:37,859

the earth cataclysmic images where the

941

00:35:42,650 --> 00:35:40,320

Earth seems to be in great distress and

942

00:35:45,290 --> 00:35:42,660

often the implication is because of the

943

00:35:47,270 --> 00:35:45,300

actions of humanity that our actions

944

00:35:48,170 --> 00:35:47,280

create this kind of scenario in the

945

00:35:50,150 --> 00:35:48,180

future

946

00:35:52,910 --> 00:35:50,160

now at one point one of these abductees

947

00:35:54,770 --> 00:35:52,920

actually asks about these theatrics as

948

00:35:56,990 --> 00:35:54,780

she calls them why do they use these

949

00:35:58,490 --> 00:35:57,000

theatrics to communicate with us because

950

00:36:00,290 --> 00:35:58,500

sometimes it's not a literal thing

951  
00:36:02,870 --> 00:36:00,300  
sometimes it's more of a symbolic thing

952  
00:36:05,870 --> 00:36:02,880  
even if the end result really does mean

953  
00:36:08,450 --> 00:36:05,880  
cataclysm disaster Etc

954  
00:36:10,069 --> 00:36:08,460  
quoting from the book again quote she

955  
00:36:12,470 --> 00:36:10,079  
asked the aliens why they needed to use

956  
00:36:14,810 --> 00:36:12,480  
such theatrics to show her this and

957  
00:36:17,750 --> 00:36:14,820  
their reply was to make you understand

958  
00:36:20,150 --> 00:36:17,760  
to comprehend the implications to put

959  
00:36:21,589 --> 00:36:20,160  
you in the right frame of mind and I'm

960  
00:36:22,730 --> 00:36:21,599  
kind of like hey now we're getting

961  
00:36:24,349 --> 00:36:22,740  
someplace

962  
00:36:26,870 --> 00:36:24,359  
she also seemed to learn from this

963  
00:36:30,829 --> 00:36:26,880

episode that certain emotions like love

964

00:36:33,710 --> 00:36:30,839

caring helpfulness compassion are the

965

00:36:37,069 --> 00:36:33,720

key whereas others like anger hatred and

966

00:36:38,990 --> 00:36:37,079

fear are not useful especially fear fear

967

00:36:41,450 --> 00:36:39,000

is like the worst one they are trying to

968

00:36:43,310 --> 00:36:41,460

get me to get over fear and that's why

969

00:36:45,349 --> 00:36:43,320

they were trying to scare me so badly

970

00:36:47,210 --> 00:36:45,359

because I would eventually get sick of

971

00:36:49,609 --> 00:36:47,220

it and get over it and get on to the

972

00:36:51,410 --> 00:36:49,619

more important things unquote

973

00:36:53,150 --> 00:36:51,420

now again perhaps some people would

974

00:36:55,069 --> 00:36:53,160

question this bedside manner question if

975

00:36:56,510 --> 00:36:55,079

this is the best way to do it but what

976

00:36:58,190 --> 00:36:56,520

she seems to gather from these

977

00:37:00,589 --> 00:36:58,200

experiences is they're actually trying

978

00:37:03,050 --> 00:37:00,599

to sort of shock her into a new level of

979

00:37:04,790 --> 00:37:03,060

awareness and it is true even when we

980

00:37:06,589 --> 00:37:04,800

look at some of the data around other

981

00:37:08,750 --> 00:37:06,599

kinds of Transformations that lead to

982

00:37:11,270 --> 00:37:08,760

World Views changing that have nothing

983

00:37:14,510 --> 00:37:11,280

to do with the UFO phenomenon or aliens

984

00:37:16,670 --> 00:37:14,520

as it were often it is trauma that puts

985

00:37:19,069 --> 00:37:16,680

people into a frame of mind that allows

986

00:37:21,349 --> 00:37:19,079

for this catapulting into an entirely

987

00:37:23,390 --> 00:37:21,359

new way of seeing themselves and the

988

00:37:25,250 --> 00:37:23,400

world around them so that seems to be

989

00:37:26,990 --> 00:37:25,260

part and parcel of what's going on here

990

00:37:29,030 --> 00:37:27,000

that some of this shock is actually

991

00:37:30,950 --> 00:37:29,040

intended not just because it's a

992

00:37:32,390 --> 00:37:30,960

unfortunate byproduct of what they're

993

00:37:35,270 --> 00:37:32,400

doing as part of the hybridization

994

00:37:37,490 --> 00:37:35,280

experiment but it's also meant to create

995

00:37:39,349 --> 00:37:37,500

a new level of awareness a breakthrough

996

00:37:41,150 --> 00:37:39,359

and even as Willie stribers talked about

997

00:37:42,950 --> 00:37:41,160

the greatest possibility of

998

00:37:44,270 --> 00:37:42,960

transformation in the history of

999

00:37:46,790 --> 00:37:44,280

humankind

1000

00:37:49,370 --> 00:37:46,800

now getting back to this notion of them

1001  
00:37:51,589 --> 00:37:49,380  
somehow being us perhaps us from the

1002  
00:37:53,870 --> 00:37:51,599  
future of some alternate version of us

1003  
00:37:55,670 --> 00:37:53,880  
this is often referred to

1004  
00:37:58,069 --> 00:37:55,680  
and there's also this sense that perhaps

1005  
00:37:59,569 --> 00:37:58,079  
in their evolutionary trajectory they

1006  
00:38:01,430 --> 00:37:59,579  
have taken a wrong turn that they're

1007  
00:38:04,190 --> 00:38:01,440  
also trying to course correct and this

1008  
00:38:06,470 --> 00:38:04,200  
is part of what's in AIM with this

1009  
00:38:08,510 --> 00:38:06,480  
hybridization program it's not just to

1010  
00:38:10,370 --> 00:38:08,520  
change some of our negative Tendencies

1011  
00:38:12,530 --> 00:38:10,380  
but also perhaps to change some of

1012  
00:38:13,910 --> 00:38:12,540  
theirs or to recover things they've lost

1013  
00:38:16,130 --> 00:38:13,920

along the way

1014

00:38:18,470 --> 00:38:16,140

quoting again from the book quote

1015

00:38:21,650 --> 00:38:18,480

I asked Peter how are loving or open

1016

00:38:24,170 --> 00:38:21,660

qualities might serve the beings they

1017

00:38:26,270 --> 00:38:24,180

are human too he suggested and in their

1018

00:38:29,089 --> 00:38:26,280

own Evolution have followed the path of

1019

00:38:31,370 --> 00:38:29,099

almost rational intellectualizing and

1020

00:38:33,589 --> 00:38:31,380

lost much of their emotions and they

1021

00:38:35,990 --> 00:38:33,599

want to get that back and it's through

1022

00:38:38,990 --> 00:38:36,000

our planet and through our race they are

1023

00:38:41,510 --> 00:38:39,000

humanoid Peter said and we evolved from

1024

00:38:43,430 --> 00:38:41,520

the same place but we've stayed in our

1025

00:38:46,250 --> 00:38:43,440

emotions and our emotions have ruled the

1026

00:38:48,770 --> 00:38:46,260

planet how we react as a race comes from

1027

00:38:50,750 --> 00:38:48,780

our emotions in their evolution they

1028

00:38:53,030 --> 00:38:50,760

chose to react from intellect or from

1029

00:38:55,310 --> 00:38:53,040

mentality they're willing to share their

1030

00:38:57,770 --> 00:38:55,320

intellectual growth with us if we can

1031

00:38:59,150 --> 00:38:57,780

share our emotions with them but at the

1032

00:39:01,430 --> 00:38:59,160

same time they are afraid of the

1033

00:39:03,109 --> 00:39:01,440

destructive part of our emotions it

1034

00:39:05,810 --> 00:39:03,119

could be a beautiful marriage almost

1035

00:39:07,849 --> 00:39:05,820

Peter observed unquote

1036

00:39:09,710 --> 00:39:07,859

again this speaks to the possibilities

1037

00:39:12,829 --> 00:39:09,720

of the intention behind this

1038

00:39:15,170 --> 00:39:12,839

hybridization program one possibility is

1039

00:39:16,849 --> 00:39:15,180

that it's to deal with the possibility

1040

00:39:18,650 --> 00:39:16,859

that we might wipe ourselves out and

1041

00:39:20,270 --> 00:39:18,660

they would have a way of repopulating

1042

00:39:22,730 --> 00:39:20,280

the planet or repopulating a different

1043

00:39:25,430 --> 00:39:22,740

planet with something that was basically

1044

00:39:26,930 --> 00:39:25,440

human even if it was a hybrid human but

1045

00:39:28,730 --> 00:39:26,940

there's also this possibility that even

1046

00:39:31,190 --> 00:39:28,740

if we don't get to that point where we

1047

00:39:32,750 --> 00:39:31,200

blow ourselves up that this could create

1048

00:39:34,849 --> 00:39:32,760

a possibility where there would be a new

1049

00:39:37,730 --> 00:39:34,859

kind of hybrid being that would have the

1050

00:39:39,589 --> 00:39:37,740

best of both races that seems to be very

1051  
00:39:41,329 --> 00:39:39,599  
much at the center of this and we should

1052  
00:39:42,109 --> 00:39:41,339  
consider both possibilities moving

1053  
00:39:46,609 --> 00:39:42,119  
forward

1054  
00:39:48,349 --> 00:39:46,619  
they have to offer us again what's

1055  
00:39:51,710 --> 00:39:48,359  
implied here and what many abductees

1056  
00:39:53,510 --> 00:39:51,720  
speak to is that they have a vast and

1057  
00:39:56,210 --> 00:39:53,520  
sophisticated understanding of reality

1058  
00:39:58,430 --> 00:39:56,220  
that makes ours pale in comparison so

1059  
00:40:00,650 --> 00:39:58,440  
they have much to offer Us in terms of

1060  
00:40:02,990 --> 00:40:00,660  
realizing much more about the nature of

1061  
00:40:05,210 --> 00:40:03,000  
reality and speaking to this very Point

1062  
00:40:07,970 --> 00:40:05,220  
John Mack is quoted as saying in this

1063  
00:40:09,589 --> 00:40:07,980

book quote quite a few abductees have

1064

00:40:11,870 --> 00:40:09,599

spoken to me of their sense that at

1065

00:40:13,790 --> 00:40:11,880

least some of their experiences are not

1066

00:40:15,770 --> 00:40:13,800

occurring within the physical space-time

1067

00:40:18,170 --> 00:40:15,780

dimensions of the universe as we

1068

00:40:20,210 --> 00:40:18,180

comprehend it they speak of aliens

1069

00:40:22,970 --> 00:40:20,220

breaking through From Another Dimension

1070

00:40:25,430 --> 00:40:22,980

through a slit or crack in some sort of

1071

00:40:28,190 --> 00:40:25,440

barrier entering our world from Beyond

1072

00:40:29,990 --> 00:40:28,200

the Veil abductees some of whom have

1073

00:40:32,569 --> 00:40:30,000

little education to prepare them to

1074

00:40:35,030 --> 00:40:32,579

explain about such abstractions or odd

1075

00:40:36,829 --> 00:40:35,040

dislocations will speak of the collapse

1076

00:40:39,290 --> 00:40:36,839

of space-time that occurs during their

1077

00:40:41,630 --> 00:40:39,300

experiences they experience the aliens

1078

00:40:44,329 --> 00:40:41,640

indeed their abductions themselves as

1079

00:40:46,569 --> 00:40:44,339

happening in another reality although

1080

00:40:50,089 --> 00:40:46,579

one that is as powerfully actual to them

1081

00:40:52,130 --> 00:40:50,099

as or more so than the familiar physical

1082

00:40:54,050 --> 00:40:52,140

world unquote

1083

00:40:56,930 --> 00:40:54,060

again this speaks to the fact that not

1084

00:40:59,270 --> 00:40:56,940

that this happens outside of reality but

1085

00:41:01,790 --> 00:40:59,280

that our notion of reality is truncated

1086

00:41:04,250 --> 00:41:01,800

limited that what they have to give us

1087

00:41:06,710 --> 00:41:04,260

is a much broader expense in terms of

1088

00:41:08,210 --> 00:41:06,720

our understanding and I would suggest to

1089

00:41:10,370 --> 00:41:08,220

you that this greater understanding

1090

00:41:12,589 --> 00:41:10,380

could help eclipse the current

1091

00:41:14,510 --> 00:41:12,599

physicalist Paradigm in which we all

1092

00:41:16,730 --> 00:41:14,520

seem to be trapped which is partly

1093

00:41:19,370 --> 00:41:16,740

causing some of the problems we have as

1094

00:41:22,250 --> 00:41:19,380

a civilization that seems unmoored from

1095

00:41:24,950 --> 00:41:22,260

our underlying overarching spiritual

1096

00:41:26,750 --> 00:41:24,960

connection to all that is indeed that's

1097

00:41:28,910 --> 00:41:26,760

what many of these beings not just these

1098

00:41:31,130 --> 00:41:28,920

ones but other ones the reported as

1099

00:41:32,930 --> 00:41:31,140

being interactive with very often say

1100

00:41:35,390 --> 00:41:32,940

that they feel sorry for Humanity

1101

00:41:37,490 --> 00:41:35,400

because we have lost that sense of being

1102

00:41:39,650 --> 00:41:37,500

Connected To Source and that's leading

1103

00:41:41,750 --> 00:41:39,660

to part of the collective Insanity we're

1104

00:41:43,250 --> 00:41:41,760

engaged in our current affairs which is

1105

00:41:45,950 --> 00:41:43,260

leading to so many of our problems

1106

00:41:48,170 --> 00:41:45,960

perhaps even I would suggest leading to

1107

00:41:49,550 --> 00:41:48,180

this cataclysm that these others are

1108

00:41:51,589 --> 00:41:49,560

warning us about

1109

00:41:54,829 --> 00:41:51,599

and to that point here's another quote

1110

00:41:57,349 --> 00:41:54,839

from the book quote at the same time as

1111

00:42:00,050 --> 00:41:57,359

I noted abductees become open to the

1112

00:42:01,430 --> 00:42:00,060

presence of a Divine source which fills

1113

00:42:03,230 --> 00:42:01,440

their being and gives a sense of

1114

00:42:05,270 --> 00:42:03,240

connection with a universal

1115

00:42:07,370 --> 00:42:05,280

Consciousness from which they have come

1116

00:42:09,890 --> 00:42:07,380

and to which they will return

1117

00:42:12,650 --> 00:42:09,900

past life experiences which extend the

1118

00:42:15,230 --> 00:42:12,660

sense of self over time in both embodied

1119

00:42:16,970 --> 00:42:15,240

and unembodied form create a further

1120

00:42:18,710 --> 00:42:16,980

expansion of the feeling of what it is

1121

00:42:20,870 --> 00:42:18,720

to be a human being

1122

00:42:22,790 --> 00:42:20,880

finally The Peculiar sense that many

1123

00:42:25,370 --> 00:42:22,800

abductees gain during the regressions

1124

00:42:27,829 --> 00:42:25,380

that they have a dual human alien

1125

00:42:29,089 --> 00:42:27,839

identity reinforces all the above

1126

00:42:31,310 --> 00:42:29,099

processes

1127

00:42:33,710 --> 00:42:31,320

for the alien self is felt to be a kind

1128

00:42:36,230 --> 00:42:33,720

of missing part a soul link to the

1129

00:42:38,329 --> 00:42:36,240

universal Source or Consciousness the

1130

00:42:41,329 --> 00:42:38,339

anima Mundi from which they have been

1131

00:42:43,790 --> 00:42:41,339

cut off unquote

1132

00:42:45,290 --> 00:42:43,800

towards the end of this book Max spends

1133

00:42:47,210 --> 00:42:45,300

some time reflecting on how his

1134

00:42:49,790 --> 00:42:47,220

perspective on the so-called UFO

1135

00:42:52,370 --> 00:42:49,800

phenomenon has changed because of his

1136

00:42:53,870 --> 00:42:52,380

experience with these experiencers in

1137

00:42:55,310 --> 00:42:53,880

these regression sessions getting to

1138

00:42:57,650 --> 00:42:55,320

know these people getting to become

1139

00:42:59,750 --> 00:42:57,660

familiar with the overarching themes

1140

00:43:02,809 --> 00:42:59,760

that arise from these encounters

1141

00:43:05,450 --> 00:43:02,819

and he says the following quote I am

1142

00:43:07,730 --> 00:43:05,460

often asked why if UFOs and abductions

1143

00:43:09,470 --> 00:43:07,740

are real the spaceships do not show up

1144

00:43:11,870 --> 00:43:09,480

in more obvious form

1145

00:43:14,150 --> 00:43:11,880

but only land on the White House lawn is

1146

00:43:16,190 --> 00:43:14,160

the reigning cliché the most popular

1147

00:43:18,530 --> 00:43:16,200

answer to this question among those who

1148

00:43:20,510 --> 00:43:18,540

take the phenomenon seriously is that

1149

00:43:22,550 --> 00:43:20,520

the aliens do not dare to manifest

1150

00:43:24,589 --> 00:43:22,560

themselves more directly government

1151

00:43:26,569 --> 00:43:24,599

leaders would Panic might attack them

1152

00:43:28,490 --> 00:43:26,579

and surely would not know how to avoid

1153

00:43:30,290 --> 00:43:28,500

scaring the rest of us

1154

00:43:32,390 --> 00:43:30,300

I believe that there is a better answer

1155

00:43:33,410 --> 00:43:32,400

to this question one that is more

1156

00:43:35,329 --> 00:43:33,420

consistent with the information

1157

00:43:37,130 --> 00:43:35,339

contained in this book

1158

00:43:39,349 --> 00:43:37,140

the intelligence that appears to be at

1159

00:43:42,230 --> 00:43:39,359

work here simply does not operate that

1160

00:43:45,290 --> 00:43:42,240

way it is subtler and its method is to

1161

00:43:47,510 --> 00:43:45,300

invite to remind to permeate our culture

1162

00:43:50,270 --> 00:43:47,520

from the bottom up as well as the top

1163

00:43:52,490 --> 00:43:50,280

down and to open our Consciousness in a

1164

00:43:53,990 --> 00:43:52,500

way that avoids a conclusion that is

1165

00:43:56,390 --> 00:43:54,000

different from the ways we traditionally

1166

00:43:58,670 --> 00:43:56,400

require it is an intelligence that

1167

00:44:01,370 --> 00:43:58,680

provides enough evidence that something

1168

00:44:03,050 --> 00:44:01,380

profoundly important is at work but it

1169

00:44:05,710 --> 00:44:03,060

does not offer the kinds of proof that

1170

00:44:08,030 --> 00:44:05,720

would satisfy an exclusively empirical

1171

00:44:10,190 --> 00:44:08,040

rationalistic way of thinking

1172

00:44:11,930 --> 00:44:10,200

it is for us to embrace the reality of

1173

00:44:13,849 --> 00:44:11,940

the phenomenon and to take a step

1174

00:44:15,950 --> 00:44:13,859

forward appreciating that we live in a

1175

00:44:19,490 --> 00:44:15,960

universe different from the one in which

1176

00:44:21,650 --> 00:44:19,500

we have been taught to believe unquote

1177

00:44:24,829 --> 00:44:21,660

and at the very close of the book Mack

1178

00:44:27,050 --> 00:44:24,839

again reflects on how them being here at

1179

00:44:29,089 --> 00:44:27,060

this point in history had to do with the

1180

00:44:31,010 --> 00:44:29,099

fact that we are on a course a collision

1181

00:44:34,250 --> 00:44:31,020

course if you will and that their

1182

00:44:37,069 --> 00:44:34,260

communication with us to us was partly

1183

00:44:40,010 --> 00:44:37,079

intended to perhaps change this course

1184

00:44:42,589 --> 00:44:40,020

but again it being up to us ultimately

1185

00:44:45,470 --> 00:44:42,599

what we will do with this information

1186

00:44:47,450 --> 00:44:45,480

quoting from the book quote the alien

1187

00:44:50,030 --> 00:44:47,460

beings have come to the abductees from a

1188

00:44:51,950 --> 00:44:50,040

source that remains unknown to us we

1189

00:44:54,589 --> 00:44:51,960

still do not fully grasp their purposes

1190

00:44:56,809 --> 00:44:54,599

or their methods it seems clear however

1191

00:44:59,270 --> 00:44:56,819

that they have had to come to us

1192

00:45:01,550 --> 00:44:59,280

appearing in material form so that we

1193

00:45:03,650 --> 00:45:01,560

might know them some have speculated

1194

00:45:05,890 --> 00:45:03,660

that the alien beings have mastered time

1195

00:45:08,210 --> 00:45:05,900

travel and come to us from the future

1196

00:45:11,390 --> 00:45:08,220

sometimes they even communicate that

1197

00:45:13,370 --> 00:45:11,400

this might be so we do not know but the

1198

00:45:15,589 --> 00:45:13,380

guiding or regenerative myth of the

1199

00:45:17,690 --> 00:45:15,599

abduction phenomenon offers a new story

1200

00:45:20,930 --> 00:45:17,700

for a world that has survived many

1201  
00:45:23,270 --> 00:45:20,940  
holocausts and may yet be deterred from

1202  
00:45:26,089 --> 00:45:23,280  
a final cataclysm the abduction

1203  
00:45:28,490 --> 00:45:26,099  
phenomenon it seems clear is about what

1204  
00:45:30,890 --> 00:45:28,500  
is Yet to Come it presents quite

1205  
00:45:36,349 --> 00:45:30,900  
literally visions of alternative Futures

1206  
00:45:38,870 --> 00:45:36,359  
but it leaves the choice to us unquote

1207  
00:45:40,970 --> 00:45:38,880  
and on that note we've come to the close

1208  
00:45:42,530 --> 00:45:40,980  
of another edition of the point of

1209  
00:45:44,150 --> 00:45:42,540  
convergence podcast

1210  
00:45:48,230 --> 00:45:44,160  
if you'd like to support this podcast

1211  
00:45:49,970 --> 00:45:48,240  
you can do so by going to [patreon.com](https://patreon.com) XO

1212  
00:45:52,190 --> 00:45:49,980  
academian

1213  
00:45:54,290 --> 00:45:52,200

but until next time friends from deep

1214

00:45:57,650 --> 00:45:54,300

within the Blue Ridge Mountains of North

1215

00:45:58,900 --> 00:45:57,660

Carolina this is exo-academian signing

1216

00:46:01,010 --> 00:45:58,910

out
