TEACHING THE LAW OF ONE

A NEW FEATURE SERIES OF PODCASTS
FOR PATRONS/SUPPORTERS OF POC

1
00:00:04,370 --> 00:00:01,730
let me just say a few more things about

2
00:00:06,470 --> 00:00:04,380
just how wide reaching this material is

3
00:00:08,330 --> 00:00:06,480
again if someone were to come to this

4
00:00:10,610 --> 00:00:08,340
thinking it's about aliens and UFOs

5
00:00:13,190 --> 00:00:10,620
that's only a small part of what it is

6
00:00:15,589 --> 00:00:13,200
and indeed it's mostly about these

7
00:00:18,590 --> 00:00:15,599
metaphysical principles that undergird

8
00:00:20,929 --> 00:00:18,600
everything Us and Them and everything

9
00:00:23,810 --> 00:00:20,939
else in the cosmos as well as different

10
00:00:25,070 --> 00:00:23,820
iterations of beingness that are

11
00:00:26,269 --> 00:00:25,080
described as different kinds of

12
00:00:28,370 --> 00:00:26,279
densities

13
00:00:32,089 --> 00:00:28,380

but this material is very sophisticated

14

00:00:33,910 --> 00:00:32,099

it's a profound integration of esoteric

15

00:00:36,830 --> 00:00:33,920

Buddhism and Hinduism as I already said

16

00:00:39,410 --> 00:00:36,840

quantum physics and an understanding of

17

00:00:41,869 --> 00:00:39,420

the UFO phenomenon and it also provides

18

00:00:43,369 --> 00:00:41,879

an understanding of human history and

19

00:00:45,290 --> 00:00:43,379

the overarching development of
